It is expressly understood and agreed by and between the parties hereto, anything herein to the contrary notwithstanding, that each and all of the warranties, indemnities, representations, covenants, undertakings and agreements herein made on the part of the Trustee, while in form purporting to be the warranties, indemnities, representations, covenants, undertakings and agreements of First American Bank as said Trustee, are nevertheless each and every one of them, made and intended not as personal warranties, indemnities, representations, covenants, undertakings and agreements by First American Bank or any of its directors, officers, employees, or shareholders or for the purpose or with the intention of binding First American Bank or any of its directors, officers, employees, or shareholders personally but are made and intended for the purpose of binding only that portion of the trust property specifically described herein, and this instrument is executed and delivered by First American Bank not in its own right, but solely in the exercise of the powers conferred upon it as such Trustee, and no personal liability or personal responsibility is assumed by nor shall at any time be asserted or enforceable by any person against First American Bank or any of its directors, officers, employees, or shareholders on account of this instrument or on account of any warranty, indemnity, representation, covenant, undertaking or agreement of the Trustee in this instrument, all such personal liability, if any, being expressly waived and released and any recovery therefor being limited to the property hereby conveyed and the enforcement of remedies under the documents and instruments creating, securing, or otherwise governing the obligations secured by this instrument; provided however, this clause shall not impair the enforceability or adversely affect the availability of any rights that may otherwise be available to Mortgagee or the obligations of any co-signer, endorser, or guarantor of the obligations secured by this instrument; and provided further, that the foregoing limitations on personal liability shall not impair the validity of the indebtedness secured by Mortgagee's collateral or the lien or security interest on the collateral or the right of Mortgagee as mortgagee or secured party to foreclose and/or enforce rights against the collateral after default by the Mortgagor. Subject to the foregoing, the warranties, indemnities, representations, covenants, undertakings and agreements herein made on the part of the Trustee are made for the sole benefit of Mortgagee, and no other person or persons, other that Mortgagee's successors or permitted assigns, shall have any benefits, rights, or remedies by reason of such warranties, indemnities, representations, covenants, undertakings and agreements herein made on the part of the Trustee. Nothing herein shall be deemed to be a waiver of any right which Mortgagee may have under sections 506(a), 506(b), 1111(b) or any other provision of the Bankruptcy Reform Act of 1978, as at any time amended or reinstated, to file a claim for the full amount of the debt owing to Mortgagee in the event Mortgagor or its beneficiary should become the subject of a petition for bankruptcy or reorganization or to require that all collateral shall continue to secure all of the indebtedness owing to Mortgagee in accordance with the documents and instruments creating, securing, or otherwise governing the obligations secured by this instrument.

Prior to the issuance of any Part II approval, the submitted plans must be approved by the Department of Transportation.

4. This Plan of Development consists of these sixteen (16) Statements: a Bulk Regulations and Data Table; an Existing Zoning Map; an Existing Land-Use Map; a Planned Development Boundary and Property Line Map; Site Plan; Landscape and Green Roof Plan; and Building

Elevations (North, South, East and West) prepared by Jonathan Splitt Architects, Ltd. dated September 24, 2015, submitted herein. Full-sized copies of the Site Plan, Landscape Plan and Building Elevations are on file with the Department of Housing and Economic Development. In any instance where a provision of this Planned Development conflicts with the Chicago Building Code, the Building Code shall control. This Planned Development conforms to the intent and purpose of the Zoning Ordinance, and all requirements thereto, and satisfies the established criteria for approval as a Planned Development. In case of a conflict between the terms of this Planned Development Ordinance and the Zoning Ordinance, this Planned Development Ordinance shall control.

5. The following uses are permitted in the area delineated herein as a Residential Business Planned Development: Multi-unit Residential, retail on the ground floor, office and retail on the second floor, accessory parking, accessory and related uses.

6. On-Premise signs and temporary signs, such as construction and marketing signs, shall be permitted within the Planned Development, subject to the review and approval of the Department of Planning and Development. Off-Premise signs are prohibited within the boundary of the Planned Development.

7. For purposes of height measurement, the definitions in the Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations, if any, established by the Federal Aviation Administration.

8. The maximum permitted Floor Area Ratio ("FAR") for the site shall be in accordance with the attached Bulk Regulations and Data Table. For the purposes of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations Table has been determined using a Net Site Area of 32,742 square feet.

9. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review Fee shall be assessed by the Department of Planning and Development. The fee, as determined by staff at the time, is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II approval.

10. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. The improvements on the property, including the on-site exterior landscaping, as well as the landscaping along the adjacent rights-of-way and all entrances and exits to and from the parking and loading areas, shall be designed, constructed, and maintained in substantial conformance with the Site Plan and the Landscape Plan. In addition, parkway trees shall be planted and maintained in accordance with the Parkway Tree Planting provisions of the Chicago Zoning Ordinance and corresponding regulations and guidelines. Final landscape plan review and approval will be by the Department of Planning and Development. Any interim reviews associated with site plan review or Part II reviews, are conditional until final Part II approval.

11. The Applicant acknowledges and agrees that the rezoning of the Property from RM6 Residential Multi-Unit (Detached House) District and B1-2, B3-2, B1-5 and B3-5 Neighborhood Shopping District to B3-5 Neighborhood Shopping District for construction of this Planned Development triggers the requirements of Section 2-45-110 of the Municipal Code (the "Affordable Housing Ordinance"). Any developer of a "residential housing project" within the meaning of the Affordable Housing Ordinance ("Residential Project") must: (i) develop affordable housing units as part of the Residential Project; (ii) pay a fee in lieu of the development of affordable housing units; or (iii) any combination of (i) and (ii). In accordance with these requirements and the Affordable Housing Profile Form attached hereto as an Exhibit, the Applicant has agreed to make a cash payment to the Affordable Housing Opportunity Fund in the amount of $100,000 per unit ("Cash Payment"). At the time of each Part II review for the Residential Project, Applicant may update and resubmit the Affordable Housing Profile Form to the Department of Planning and Development ("DPD") for review and approval. If the Applicant subsequently reduces the number of dwelling units in the Residential Project, DPD may adjust the requirements of this Statement No. 11 (i.e., number of Affordable Units and/or amount of Cash Payment) accordingly without amending the Planned Development. Prior to the issuance of any building permits for the Residential Project, including, without limitation, excavation or foundation permits, the Applicant must make the required Cash Payment.

12. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Fleet and Facility Management and Buildings, under Section 13-32-125 of the Municipal Code, or any other provision of that Code.

13. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the Applicant, its successors and assigns and, if different than the Applicant, the legal title holders and any ground lessors.

14. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.

15. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. All development shall be in substantial compliance with the current City of Chicago Sustainable Development Policy set forth by the Department of Planning and Development. The proposed building shall provide

a vegetated ("green") roof, totaling a minimum of 50% of the net roof area (approximately 10,033 square feet) and obtain a LEED certification.

16. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Zoning Administrator shall initiate a Zoning Map Amendment to rezone the property B3-5 Community Shopping District.

to the designation of Residential Business Planned Development Number 1116, as amended, which is hereby established in the area above described, subject to such use and bulk regulations as are set forth in the Plan of Development attached herewith and made a part thereof and to no others.

SECTION 2: This ordinance shall take effect upon its passage and due publication.

RESIDENTIAL BUSINESS PLANNED DEVELOPMENT NO. 1116, AS AMENDED
PLAN OF DEVELOPMENT STATEMENTS

1. The area delineated herein as a Residential Business Planned Development No. 1116, as amended, consists of property commonly known as 73 E. Lake Street and 171 N. Wabash Avenue, Chicago Illinois ("the Property"). The Property consists of Sub-Area A of approximately 17,120 square feet and Sub-Area B of approximately 7,795 square feet for a total net site area of 24,915 square feet (0.5719 acres). The property in Sub-Area B is owned, controlled or zoning consent has been received by the Applicant, RZRLLC Wabash. This amendment only makes changes with respect to Sub-Area B.

2. All applicable official reviews, approvals or permits are required to be obtained by the Applicant or its successors, assignees, or grantees. Any dedication or vacation of streets or alleys, or easements, or adjustments of right-of-way, or consolidation or resubdivision of parcels, shall require a separate submittal on behalf of the Applicant or its successors, assignees, or grantees and approval by the City Council.

3. The requirements, obligations and conditions contained within this Planned Development shall be binding upon the Applicant, its successors and assigns and, if different than the Applicant, the legal title holders and any ground lessors. All rights granted hereunder to the Applicant shall inure to the benefit of the Applicant's successors and assigns and, if different then to the owners of record title to all of the Property and to any ground lessors. Furthermore, pursuant to the requirements of Section 17-8-0400 of the Chicago Zoning Ordinance, the Property, at the time applications for amendments, modifications or changes (administrative, legislative or otherwise) to this Planned Development are made,

shall be under single ownership or under single designated control. Single designated control for purposes of this paragraph shall mean that any application to the City for any amendment to this Planned Development or any other modification or change thereto (administrative, legislative or otherwise) shall be made or authorized by all the owners of the Property and any ground lessors. An agreement among property owners or a covenant binding property owners may designate the authorized party for any future amendment, modification or change. Provided, however, that after the adoption of an ordinance wherein the Property is divided into specifically delineated subareas, each having its own bulk and density standards, or similar subarea specific development controls or requirements, the owners of or designated controlling party for each subarea may seek amendments, changes, or modifications for that subarea without the consent of the owners or designated controlling party of the other subareas.

4. This Plan of Development consists of sixteen Statements; a Bulk Regulations and Data Table; an Existing Zoning Map; Existing Land Use Map; a Planned Development Boundary and Property Line AND Sub-Area Map; a Site Plan / Landscape Plan, a Roof Plan, Building Section Plan and Building Elevations prepared by William Warman dated September 24, 2015. Full size sets of the Site Plan, Landscape Plan, Roof Plan and Building Elevations are on file with the Department of Planning and Development. The Planned Development is applicable to the area delineated hereto and these and no other zoning controls shall apply.

5. The following uses shall be permitted within the area herein delineated as Sub-Area A of the Residential Business Planned Development No. 1116, as amended: residential, commercial, retail, accessory parking, and related uses and services, and all uses

permitted in the Commercial use group of the DX Downtown Mixed Use District. The following uses shall be prohibited in Subarea A: hotel, animal services, undertaking, entertainment cabaret, uses permitted under the vehicle sales and service, and industrial uses.

The following uses shall be permitted within the area herein delineated as Sub-Area B of the Residential Business Planned Development No. 1116, as amended: residential, office, business, commercial, retail, religious assembly, accessory parking, and related uses and services, all uses permitted in the Commercial use group of the DX Downtown Mixed Use District and a non-accessory surface parking lot as an interim use. The following uses shall be prohibited in Subarea B: hotel, animal services, undertaking, entertainment cabaret, and uses permitted under the vehicle sales and service, and industrial uses.

6. On premise Business Identification signs shall be permitted within the Planned Development subject to the review and approval of the Department of Planning and Development. Temporary signs, such as construction and marketing signs shall be permitted, subject to the review and approval of the Department of Planning and Development. No off premise signs shall be permitted.

7. Ingress and egress shall be subject to the review and approval of the Department of Transportation Bureau of Traffic, and the Department of Planning and Development. All work proposed in the Public Way must be designed and constructed in accordance with the Chicago Department of Transportation Construction Standards for Work in the Public Way and in compliance with the Municipal Code of the City of Chicago. Closure of all

or part of any public streets or alleys during demolition or construction shall be subject to the review and approval of the Chicago Department of Transportation. The Sub-Area A Applicant will reimburse the City for the cost to retrofit existing traffic signals with up to 4 pedestrian countdown signals at the intersection of Lake Street and Michigan Avenue.

8. For the purposes of measuring height, the definition in the Chicago Zoning Ordinance shall apply. In addition to the maximum height of the building and any appurtenance thereto prescribed in this Planned Development, the height of any improvement shall also be subject to height limitations approved by the Federal Aviation Administration.

9. For purposes of Floor Area Ratio (F.A.R.) calculations, the definitions in the Chicago Zoning Ordinance shall apply. The maximum permitted floor area ratio ("F.A.R.") shall be in accordance with the attached Bulk Regulations and Data Table. The permitted F.A.R. identified in the Bulk Regulations and Data Table has been determined using a Net Site Area of 24,915 square feet, a base F.A.R. of 16.0 and an additional Floor Area Bonus, as follows:

Description	F.A.R.
Base F.A.R.	16.00
Affordable Housing Bonus	2.40
Total F.A.R.:	18.40

The calculation of the additional floor area ratio ("F.A.R.") obtained through the proposed Affordable Housing Bonus is as follows:

F.A.R. = 16 x 0.15 = 2.40 F.A.R.

2.40 x 24,915 square feet = 59,796 square feet.

59,796 square feet x $31.00 per square foot x .80 = a $1,482,941.00 contribution.

10. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review Fee shall be assessed by the Department of Planning and Development. The fee, as determined by staff at the time, is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II approval.

11. The improvements shall be designed, installed and maintained in substantial conformance with the Site Plan, Landscape Plan and Building Elevations and in accordance with the parkway tree provisions of the Chicago Zoning Ordinance and corresponding regulations and guidelines. Notwithstanding any statement to the contrary, this Planned Development shall be subject to the provisions of Chapter 17-11 of the Chicago Zoning Ordinance governing landscaping and screening. In any instance where a provision of this Planned Development conflicts with landscape and screening provisions of the Chicago Zoning Ordinance, the Chicago Zoning Ordinance shall control. Nothing in this Planned Development is intended to waive the applicability of the landscape and screening provisions of the Chicago Zoning Ordinance.

12. The terms, conditions and exhibits of this Planned Development Ordinance may be modified administratively pursuant to Section 17-13-0611 of the Chicago Zoning Ordinance by the Zoning Administrator of the Department of Planning and Development, upon the application for such a modification by the Applicant and after a determination by the Zoning Administrator that such a modification is minor, appropriate and consistent with the nature of the improvements contemplated in this Planned Development and the

purposes underlying the provisions hereof. Any such modification of the requirements of this Statement by the Commissioner of the Department of Planning and Development shall be deemed to be a minor change in the Planned Development as contemplated by Section 17-13-0611 of the Chicago Zoning Ordinance.

13. The Applicant acknowledges that it is in the public interest to design, construct and maintain all buildings in a manner that promotes and maximizes the conservation of natural resources. The buildings to be constructed on each of Sub-Area A and Sub-Area B shall be constructed under the Leadership in Energy and Environmental Design (LEED) Green Building Rating System. With respect to the buildings on each of Sub-Area A and Sub-Area B, the Applicant shall provide a vegetated ("green") roof on at least fifty percent (50%) of the building's net roof area. Sub-Area A will provide a green roof with (5,522) square feet. Sub-Area B will provide a green roof with (3,150) square feet. "Net roof area" is defined as total roof area minus any required perimeter setbacks, roof top structures, and roof-mounted equipment.

14. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.

15. Pursuant to Section 17-4-1004 of the Zoning Ordinance, the Applicant has asked for an increase in the floor area ratio for Sub-Area A of the Property, as set forth in the bonus worksheet required under Section 17-4-1003-D ("Bonus Worksheet"). Projects receiving

an affordable housing floor area bonus must either provide on-site affordable housing units or make a cash payment to the city's Affordable Housing Opportunity Fund in accordance with formulas set forth in Section 17-4-1004-D. The Applicant has elected to make a cash payment in lieu of providing on-site affordable housing units. In accordance with the formulas set forth in Section 17-4-1004-D and the Bonus Worksheet, the Applicant acknowledges and agrees that it must make a cash payment to the Affordable Housing Opportunity Fund in the amount of $1,482,941.00 ("Cash Payment"). The Applicant must make the required Cash Payment before the issuance of building permits for the construction of the building in Sub-Area A, and must comply with all applicable affordable housing standards and requirements set forth in Section 17-4-1004, the terms of which are incorporated herein by this reference.

16. Unless substantial construction on Sub-Area B has commenced within six (6) years following adoption of this Planned Development, and unless completion is thereafter diligently pursued, then this Planned Development shall expire. If this Planned Development expires under the provisions of this section, then the zoning of Sub-Areas A and B of the Planned Development shall automatically revert to Residential Business Planned Development Number 1116, as amended on February 15, 2012.

In any instance where a provision of this Planned Development conflicts with the Chicago Building Code, the Building Code shall control. This Planned Development conforms to the intent and purpose of the Zoning Ordinance, and all requirements thereto, and satisfies the established criteria for approval as a Planned Development. In case of a conflict between the terms of this Planned Development Ordinance and the Zoning Ordinance, this Planned Development Ordinance shall control.

5. The following uses are permitted within the area delineated as Residential-Business Planned Development No. _____: all permitted uses within the C1-5 Community Shopping District; accessory parking; and incidental and related uses.

6. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse due to the passage of time, the Commissioner of the Department of Planning and Development shall initiate a Zoning Map Amendment to rezone this Residential-Business Planned Development No. _____ to B3-3 Community Shopping District.

7. On-Premise signs and temporary signs, such as construction and marketing signs, shall be permitted within the Planned Development, subject to the review and approval of the Department of Planning and Development. Off-Premise signs are prohibited within the boundary of the Planned Development.

8. For purposes of height measurement, the definitions in the Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations, if any, established by the Federal Aviation Administration.

9. The maximum permitted Floor Area Ratio ("FAR") for the site shall be in accordance with the attached Bulk Regulations Table. For the purposes of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations Table has been determined using a Net Site Area of 10,888 square feet.

10. The Applicant acknowledges and agrees that the rezoning of the Property from B3-2 Community Shopping District and M1-1 Light Manufacturing/Business Park District to C1-5 Neighborhood Commercial District for construction of the Residential Project triggers the requirements of Section 2-44-090 of the Municipal Code (the "Affordable Housing Ordinance"). Any developer of a "residential housing project" within the meaning of the Affordable Housing Ordinance must: (i) develop affordable housing units as part of the residential housing project; (ii) pay a fee in lieu of the development of affordable housing units; or (iii) any combination of (i) and (ii). In accordance with these requirements and the Affordable Housing Profile Form attached hereto as Exhibit ___, the Applicant has agreed to provide [10% if affordable at 100% AMI, lesser percentage if affordable at 80% AMI] affordable housing units in the Residential Project for households earning up to [80%] [100%] of the Chicago Primary Metropolitan Statistical Area median income (the "Affordable Units"), [and] [or] make a cash payment to the Affordable Housing Opportunity Fund in the amount of $100,000 per unit ("Cash Payment"). At the time of each Part II review for the Residential Project, Applicant shall update and resubmit the Affordable Housing Profile Form to HED for review and approval. If the Applicant subsequently reduces the number of dwelling units in the Residential Project, HED may adjust the requirements of this Statement ___ (i.e., number of Affordable Units and/or amount of Cash Payment) accordingly without amending this Planned Development. Prior to the issuance of a building permit for the Residential Project, the Applicant must either make the required Cash Payment, or execute an Affordable Housing Agreement in substantially the form attached hereto as Exhibit ___ in accordance with Section 2-45-110(i)(2). The terms of the Affordable Housing Agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the Affordable Housing Agreement will be recorded against the Property and will constitute a lien against each Affordable Unit. The City shall execute partial releases of the Affordable Housing Agreement prior to or at the time of the sale of each Affordable Unit to an income-eligible buyer at an affordable price, subject to the simultaneous execution and recording of a mortgage, restrictive covenant or similar instrument against such Affordable Unit. Notwithstanding anything to the contrary contained in Sec. 17-4-1003-E, the Commissioner of Planning and Development may enforce remedies for breach of the Affordable Housing Agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the planned development ordinance.

11. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review Fee shall be assessed by the Department of Planning

and Development. The fee, as determined by staff at the time, is final and binding and must be paid to the Department of Revenue prior to the issuance of any Part II approval.

12. The Site Plans and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. Final landscape plan review and approval will be by the Department of Planning and Development. Any interim reviews associated with site plan review or Part II reviews, are conditional until final Part II approval.

13. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Environment and Buildings, under Section 13-32-125 of the Municipal Code, or any other provision of that Code.

14. Subject to the provisions of Statement No. 2 of this Planned Development, the terms and conditions of development under this Planned Development ordinance may be modified administratively pursuant to Section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the Applicant, its successors and assigns and, if different than the Applicant, the legal titleholders and any ground lessors. In order to provide for the orderly development of the Property, the Applicant shall be permitted to establish not more than three subareas within the Planned Development and to allocate development rights to such subareas upon delivery of notice of such subarea establishment to the Department of Planning and Development. The establishment of more than three subareas may only be accomplished by an administrative modification pursuant to Section 17-13-0611-A of the Zoning Ordinance.

15. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all new buildings and improvements on the Property constructed after the date hereof shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities.

16. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. In furtherance of this policy, improvements within the Planned Development shall include at least the following sustainable features: (A) 50% Green Roof and (B) Building Certification in accordance with City of Chicago's Sustainable Development Policy in effect as of the date of passage and publication.
