SECTION 2. This ordinance shall be in force and effect from and after its passage and due publication.

Common Address of Property: 817 W Lake St, Chicago, Illinois 60607

ADDITIONAL INFORMATION FOR "TYPE 1" REZONING

Applicant intends to redevelop and revitalize a blighted commercial property which has been vacant for over ten (10) years into a single-tenant restaurant space and needs additional FAR to complete the project as planned.

The property is currently improved with a vacant building containing approximately 4,959 square feet on the first floor, approximately 3,834 square feet of floor space on the second floor, and approximately 373 square feet of floor space on the third floor for a total floor space of approximately 9,166 square feet. Under the property's current Zoning District of C3-1, which provides for an FAR of 1.2, the property is restricted from utilizing its full potential because no additional square footage can be added to the existing building.

Accordingly, Applicant is requesting a zoning amendment for the property from a C3-1 Zoning District to a C3-5 Zoning District in order to complete its proposed redevelopment project into a single-tenant restaurant space. Specific project details are as follows:

Proposed Land Use of Project:	Single-Tenant Restaurant
Floor Area Ratio of Project:	2.49 FAR (i.e. Approx. 12,426 square feet)
Density of Project:	Zero (0) Dwelling Units
Off-Street Parking for Project:	None
Setbacks for Project:	None
Building Height for Project:	Approx. 44 Feet
Site Plan of Project:	See Attached Exhibit A

The increased zoning for the property is in accordance with Fulton District Innovation Plan developed by the Chicago Department of Planning and Development, which provides that the property is located within the *Lake Street Business and Service Subarea.* Building scale within the subarea is suggested to be 3 to 8 stories and suggested uses in the subarea specifically include restaurants.

The increased zoning is also in accordance with Continuing Land Use Planning for Guiding Growth presentation developed by the Chicago Department of Planning and Development and the Chicago Department of Transportation, which provides that the property is located within the *Stay and Play* subarea. Building scale within the subarea is suggested to be 3 to 15 stories and suggested uses in the subarea specifically include restaurants.

The property is not located within the Historic Fulton-Randolph Market District and is not designated as a landmarked property. Further, there are currently no residential dwellings in the immediate vicinity of the property.

September 8, 2015

Dear Property Owner:

In accordance with the requirements for an Amendment to the Chicago Zoning Ordinance, specifically Section 17-13-0107, please be informed that on or about September 8, 2015, the undersigned will file an application for a change in zoning from Zoning District C3-1 to Zoning District C3-5 on behalf of SC Lake LLC for the property located at 817 W Lake St, Chicago, Illinois 60607.

SC Lake LLC, the applicant and owner of the property, intends to use the property as a single-tenant restaurant. SC Lake LLC is redeveloping a commercial property which currently contains approximately 9,166 square feet of floor area and has been vacant for over ten (10) years. SC Lake LLC needs additional FAR to complete the project, which will contain approximately 12,426 square feet of floor area allocated over three (3) floors with a building height of approximately forty-four (44) feet.

The office of SC Lake LLC is located at 55 E Erie St, Suite 1801, Chicago, Illinois 60611. The contact person for this application is Frank Callero, a Manager of SC Lake LLC, who can be reached by phone at 847-224-0177 or by mail at 55 E Erie St, Suite 1801, Chicago, Illinois 60611.

Please note that the applicant is not seeking to rezone or purchase your property. The applicant is required by law to send this notice because you own property within 250 feet of the property to be rezoned.

Very truly yours,

Frank Callero, Manager

At the time of each Part II review for the Residential Project, Applicant may update and resubmit the Affordable Housing Profile Form to the Department of Planning and Development ("HED") for review and approval. If the Applicant subsequently reduces the number of dwelling units in the Residential Project, HED may adjust the requirements of this Statement 16 (i.e., number of Affordable Units and/or amount of Cash Payment) accordingly without amending the Planned Development. Prior to the issuance of any building permits for the Residential Project, the Applicant must either make the required Cash Payment, or execute an Affordable Housing Agreement in accordance with Section 2-45-110(i)(2). The terms of the Affordable Housing Agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the Affordable Housing Agreement will be recorded against the Residential Project and will constitute a lien against each Affordable Unit. The City shall execute partial releases of the Affordable Housing Agreement prior to or at the time of the sale of each Affordable Unit to an income-eligible buyer at an affordable price, subject to the simultaneous execution and recording of a mortgage, restrictive covenant or similar instrument against such Affordable Unit. The Commissioner of HED may enforce remedies for breach of the Affordable Housing Agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.

16. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of the Department of Planning and Development shall initiate a Zoning Map Amendment to rezone the property to (underlying zoning that formed the basis of this Planned Development).

If, after review, the Commissioner determines that the Site Plans are in substantial compliance with the Planned Development, such Site Plans must then be reviewed by the Chicago Plan Commission at a public meeting (for which placement on a Chicago Plan Commission Agenda, publication in accordance with Section 17-13-0107-B of the Zoning Ordinance, and posting in accordance with Section 17-13-0107-C of the Zoning Ordinance shall be required, but for which written notice pursuant to Section 17-13-0107-A of the Zoning Ordinance shall not be required), but shall not require review or approval by the City Council. Promptly following Chicago Plan Commission review, the Commissioner shall issue written approval of the applicable Site Plans. Following such approval, the approved Site Plans shall be made part of the main file and shall be deemed to be an integral part of this Planned Development.
