Pursuant to Section 2-45-110(b)(4)(iii), the Applicant may elect to satisfy the ARO requirements by complying with the affordable housing floor area bonus provided for in Section 17-4-1004. Applicant has elected to comply with Section 17-4-1004. Pursuant to Section 17-4-1004-B of the Zoning Ordinance, the Applicant has requested an increase in the floor area ratio, as set forth in the bonus worksheet required under Section 17-4-1003-D and attached hereto ("Bonus Worksheet"). If the Applicant elects to construct the Affordable Units, it must also enter into an Affordable Housing Agreement with the City pursuant to Section 17-4-1004-E9 prior to the issuance of any building permits for the Eligible Building, including, without limitation, excavation or foundation permits. The terms of the Affordable Housing Agreement and any amendments thereto are incorporated herein by this reference. The City shall execute partial releases of the Affordable Housing Agreement prior to or at the time of the sale of each Affordable Unit to an income-eligible buyer at an affordable price, subject to the simultaneous execution and recording of a mortgage, restrictive covenant or

similar instrument against such Affordable Unit. In addition to the Affordable Housing Agreement, the Applicant acknowledges and agrees that, pursuant to Section 17-4-1003-D3, the Bonus Worksheet will serve as an official record of bonuses and amenities. The Applicant must comply with the applicable affordable housing standards and requirements set forth in Section 17-4-1004, the terms of which are incorporated herein by this reference. Notwithstanding anything to the contrary contained in Section 17-4-1003-E, the Commissioner of the Department of Housing and Economic Development may enforce remedies for breach of the Affordable Housing Agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.

17. Pursuant to the Transit Infrastructure Improvements Bonus provisions of Section 17-4-1020 of the Zoning Ordinance, the Applicant has requested an increase in the floor area permitted on the Property based on a cash contribution for public transit infrastructure improvements. Pursuant to Section 17-4-1020-A of the Zoning Ordinance, the Applicant must enter into an agreement with the agency undertaking the improvements providing for such cash contribution. The Commissioner may require evidence that such cash contribution has been funded by the Applicant as a condition to issuance of any Part II approvals.

18. Pursuant to the Adopt-a-Landmark Bonus provisions of Section 17-4-1022 of the Zoning Ordinance, the Applicant has requested an increase in the floor area of the Property based on the proposed restoration of the former Chicago Historical Society building located at 632 North Dearborn Street (the "Landmark Project"). Pursuant to Section 17-4-1022 of the Zoning Ordinance, the Commissioner of DPD (the "Commissioner"), acting on behalf of the City and the Commission on Chicago Landmarks, is authorized and directed to enter into an agreement with the Applicant and, if different from the Applicant, the owner(s) of the Landmark Building, regarding the manner in which funds for renovation work in the Landmark Building relating to the Adopt-A-Landmark Bonus, as approved by the Commission on Chicago Landmarks, will be used. On _____, the Commission on Chicago Landmarks approved a Scope of Work and Budget for the Landmark Project, providing for the expenditure of $_____ in project costs, of which One Million One Hundred Six Thousand Nine Hundred Ninety-Two Dollars ($1,106,992.00) corresponds to a floor area bonus of 1.0 over the net site area of 32,180 square feet. The agreement shall be in a form approved by the Corporation Counsel and shall be executed and submitted to DPD prior to the issuance of any approvals pursuant to Section 17-13-0610 of the Chicago Municipal Code ("Part II"). The terms and conditions of the Landmark Project Scope of Work and Budget may be modified administratively by the Commissioner in accordance with the provisions of Statement 12 of this Planned Development and as described in the Landmark Project Scope of Work and Budget. Upon completion of the work related to the

Landmark Project, the Applicant shall apply to the Commission on Chicago Landmarks for the issuance of a Certificate of Completion of the Landmark Project. The Applicant shall provide written notice of said application to the Commission on Chicago Landmarks, the Office of the Zoning Administrator, the Department of Law, and DPD. Dear Chairman Solis and Chairman Cabrera:

The undersigned, an attorney with the law firm of DLA Piper LLP (US), which firm represents Illinois Franklin LLC and Order of Friar Servants of Mary, USA Province, Inc., with respect to an application to amend the Chicago Zoning Ordinance, certifies that she has complied with the requirements of Section 17-13-0107 of the Chicago Zoning Ordinance by sending written notice to such property owners who appear to be the owners of the subject properties not solely owned by the applicants (if any), and to the owners of all property within 250 feet in each direction of the lot lines of the subject properties, exclusive of public roads, streets, alleys and other public ways, as listed in the most recent authentic tax records of Cook County. Said written notice was sent by First Class U.S. Mail, no more than 30 days before filing the application.

The undersigned certifies that the notice contained the addresses of the properties sought to be rezoned; a statement of the intended uses of such properties; the names and addresses of the applicants and owners of such properties; and a statement that the applicants intend to file the application on approximately September 16, 2013.

The undersigned certifies that she has made a bona fide effort to determine the addresses of the parties to be notified under Section 17-13-0107 of the Chicago Zoning Ordinance, and that the accompanying list of names and addresses of surrounding property owners within 250 feet of the subject properties is a complete list containing the names and addresses of the people required to be served.

FIRST CLASS MAIL

Dear Sir or Madam:

In accordance with the requirements of Section 17-13-0107 of the Municipal Code of the City of Chicago, please be informed that on or about September 16, 2015, the undersigned, as an attorney acting on behalf of Illinois Franklin LLC and Order of Friar Servants of Mary, USA Province, Inc. (the "Applicants"), intends to file an application to amend the Chicago Zoning Ordinance relating to the property located at 301-331 West Illinois Street, 440-448 North Franklin Street and 441-449 North Orleans in Chicago, Illinois (the "Property"). A boundary description of the Property is set forth on the reverse side of this letter.

The application seeks to change the zoning classification of the Property from DX-5 Downtown Mixed-Use District to Residential-Business-Institutional Planned Development. The general purpose of the requested zoning change is to allow development of a portion of the Property with an approximately 24-story residential building containing approximately 245 dwelling units, ground floor retail space and approximately 109 enclosed parking spaces. The requested zoning change would also allow for the 1-2 story vertical expansion of the existing priory building located at the Property, and enhancements to the existing gardens. The existing church would remain.

The application will not change the zoning of your property. You are receiving this notice as required by the Chicago Municipal Code because Cook County tax records indicate you own property within 250 feet of the boundaries of the subject properties.

The Property is owned by Order of Friar Servants of Mary, USA Province, Inc. whose address is 3121 West Jackson Boulevard, Chicago, Illinois 60612. Illinois Franklin LLC is located at 1 North Wacker Drive, Suite 2400, Chicago, Illinois 60606

I am an authorized representative of the Applicants identified above. Please contact me at the telephone number or e-mail address referenced above with questions or to obtain additional information regarding the application.

Very truly yours,

DLA Piper LLP (US)

15. The Applicant acknowledges and agrees that the rezoning of a portion of the Property from the DX-5 Downtown Mixed-Use District to the DX-7 Downtown Mixed-Use District for this Planned Development triggers the requirements of Section 2-45-110 of the Municipal Code (the "Affordable Housing Ordinance" or "AHO"). Any developer of a "residential housing project" within the meaning of the Affordable Housing Ordinance ("Residential Project") must: (i) develop affordable housing units as part of the Residential Project; (ii) pay a fee in lieu of the development of affordable housing units; or (iii) any combination of (i) and (ii). The Applicant further acknowledges and agrees that this Planned Development is subject to Section 17-4-1004-D of the Zoning Code, which also requires on-site affordable housing or payment of a fee in lieu of providing affordable housing for rezonings in DC, DX and DR districts that increase the base floor area ratio. If a planned development is subject to the requirements of both sections (2-45-110 and 17-4-1004-D), the developer may elect to satisfy the AHO requirements by complying with the affordable housing floor area bonus provided for in Section 17-4-1004. Applicant has elected to comply with Section 17-4-1004. Pursuant to Section 17-4-1004-B of the Zoning Ordinance, the Applicant has requested an increase in the floor area ratio for the Property, as set forth in the bonus worksheet required under Section 17-4-1003-D and attached hereto as Exhibit [____] ("Bonus Worksheet"). In accordance with the formulas set forth in Section 17-4-1004-C and the Bonus Worksheet, the Applicant acknowledges and agrees that it must provide either a minimum of 10,621.75 square feet of floor area (the "Affordable Units") in the building receiving the affordable housing floor area bonus ("Eligible Building"), with an affordable unit mix comparable to the overall mix and approved by DPD's density bonus project manager prior to issuance of the first building permit, or make a cash payment in lieu of providing affordable housing in the amount of $1,461,552.80 ("Cash Payment"), or $100,000 per unit ("Pro Rata Amount"). Prior to the issuance of any building permits for the Eligible Building, including, without limitation, excavation or foundation permits, the Applicant must either make the required Cash Payment or provide a performance bond or other security in the amount of the Cash Payment ensuring construction of the Affordable Units. If the Applicant elects to construct the Affordable Units, it must also enter into an Affordable Housing Agreement with the City pursuant to Section 17-4-1004-E9 prior to the issuance of any building permits for the Eligible Building, including, without limitation, excavation or foundation permits. The terms of the Affordable Housing Agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the Affordable Housing Agreement will be recorded against the Eligible Building and will constitute a lien against each Affordable Unit in an amount equal to the Pro Rata Amount. The City shall execute partial releases of the Affordable Housing Agreement prior to or at the time of the sale of each Affordable Unit to an income-eligible buyer at an affordable price, subject to the simultaneous execution and recording of a mortgage, restrictive covenant or similar instrument against such Affordable Unit. In addition to the Affordable Housing Agreement, the Applicant acknowledges and agrees that, pursuant to Section 17-4-1003-D3, the Bonus Worksheet will serve as an official record of bonuses and amenities. The Applicant must

comply with the applicable affordable housing standards and requirements set forth in Section 17-4-1004, the terms of which are incorporated herein by this reference. Notwithstanding anything to the contrary contained in Section 17-4-1003-E, the Commissioner of the Department of Planning and Development may enforce remedies for breach of the Affordable Housing Agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.

16. Pursuant to the Transit Infrastructure Improvements Bonus provisions of Section 17-4-1020 of the Zoning Ordinance, the Applicant has requested an increase in the floor area permitted on the Property based on a cash contribution for public transit infrastructure improvements. The Applicant shall make a cash contribution in the amount of $1,169,228, which corresponds to a floor area bonus of 1.40. Pursuant to Section 17-4-1020-A of the Zoning Ordinance, the Applicant must enter into an agreement with the agency undertaking the improvements providing for such cash contribution. The Applicant must provide evidence that such cash contribution has been paid by the Applicant as a condition to issuance of any Part II approvals.

17. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of DPD shall initiate a Zoning Map Amendment to rezone the property to the DX-7 Downtown Mixed-Use District.

Re: Application for Residential-Business Planned Development
215 Hubbard, L.L.C.

Dear Chairman Solis and Chairman Cabrera:

The undersigned, Katherine C. Jahnke Dale, an attorney with the law firm of DLA Piper LLP (US), which firm represents 215 Hubbard, L.L.C., the applicant for an amendment to the Chicago Zoning Ordinance and proposed planned development, certifies that she has complied with the requirements for Section 17-13-0107 of the Chicago Zoning Ordinance by sending written notice to such property owners who appear to be the owners of the property within the subject area not solely owned by the applicant, and to the owners of all property within 250 feet of each direction of the lot line of the subject property, exclusive of public roads, streets, alleys and other public ways. Said written notice was sent by First Class U.S. Mail, no more than 30 days before filing the application.

The undersigned certifies that the notice contained the address of the property sought to be rezoned; a statement of the intended use of the property; the name and address of the applicant; the name and address of the owner; a statement that the applicant intends to file the application for change in zoning on approximately September 24, 2015, and a source for additional information on the application.

The undersigned certifies that she has made a bona fide effort to determine the addresses of the parties to be notified under Section 17-13-0107 of the Chicago Zoning Ordinance, and that the accompanying list of names and addresses of surrounding property owners within 250 feet of the subject site is a complete list containing the names and addresses of the people required to be served.

Very truly yours,

DLA Piper LLP (US)

FIRST CLASS MAIL

Dear Sir or Madam:

As required by Section 17-13-0107 of the Municipal Code of the City of Chicago, please be informed that on or about September 24, 2015, the undersigned, on behalf of 215 Hubbard, L.L.C. (the "Applicant"), intends to file an application to rezone the property located at 201-223 West Hubbard Street; 412-420 North Wells Street, Chicago, IL 60654 from Residential-Business Planned Development No. 1281 to Residential-Business Planned Development No. 1281, as amended. A map of the development site is printed on the reverse side of this letter.

The development site is currently utilized as a surface parking lot. The Applicant is seeking a technical amendment to the Planned Development approved in July 2015 to correct an error in the bulk table and to allow the development of a new 9-story office building and a new 22-story residential building, each with ground floor commercial and restaurant space, on-site parking and accessory uses.

The proposed change of zoning does *not* apply to your property. You are receiving this notice as required by the Chicago Municipal Code because the Cook County Assessor's records indicate that you own property within 250 feet of the development site.

I am an authorized representative of the Applicant and my address is 203 North LaSalle Street, Suite 1900, Chicago, IL 60601. The Applicant and Design Studio, L.L.C. own a portion of the development site as tenants in common. The Applicant's and Design Studio, L.L.C.'s address is 225 West Hubbard Street, Suite 400, Chicago, Illinois 60654. The remainder of the development site is currently owned by the Chicago Transit Authority, whose address is 567 West Lake 10th Floor, Chicago, Illinois 60661.

Please contact me at 312-368-7243 with questions or to obtain additional information.

Very truly yours,

DLA Piper LLP (US)

At the time of each Part II review for the Residential Project, Applicant may update and resubmit the Affordable Housing Profile Form to DPD for review and approval. If the Applicant subsequently reduces the number of dwelling units in the Residential Project, DPD may adjust the requirements of this Statement 15 (i.e., number of Affordable Units and/or amount of Cash Payment) accordingly without amending the Planned Development. Prior to the issuance of any building permits for the Residential Project, including, without limitation, excavation or foundation permits, the Applicant must either make the required Cash Payment, or execute an Affordable Housing Agreement in accordance with Section 2-45-110(i)(2). The terms of the Affordable Housing Agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the Affordable Housing Agreement will be recorded against the Residential Project and will

constitute a lien against each Affordable Unit. The City shall execute partial releases of the Affordable Housing Agreement prior to or at the time of the sale of each Affordable Unit to an income-eligible buyer at an affordable price, subject to the simultaneous execution and recording of a mortgage, restrictive covenant or similar instrument against such Affordable Unit. The Commissioner of DPD may enforce remedies for breach of the Affordable Housing Agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.

16. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development Ordinance lapse, the Commissioner of DPD shall initiate a Zoning Map Amendment to rezone the property to the B3-5 Community Shopping District.

Any developer of a "residential housing project" within the meaning of the Affordable Housing Ordinance ("Residential Project") must: (i) develop affordable housing units as part of the Residential Project; (ii) pay a fee in lieu of the development of affordable housing units; or (iii) any combination of (i) and (ii). In accordance with these requirements and the Affordable Housing Profile Form attached hereto as Exhibit A, the Applicant has agreed to provide 10 affordable housing units in the Residential Project for households earning up to 60% of the Chicago Primary Metropolitan Statistical Area median income (the "Affordable Units"), or make a cash payment to the Affordable Housing Opportunity Fund in the amount of $100,000 per required affordable unit ("Cash Payment"). At the time of each Part II review for the Residential Project, Applicant may update and resubmit the Affordable Housing Profile Form to DPD for review and approval. If the Applicant subsequently reduces the number of dwelling units in the Residential Project, DPD may adjust the requirements of this Statement 15 (i.e., number of Affordable Units and/or amount of Cash Payment) accordingly without amending the Planned Development. Prior to the issuance of any building permits for the Residential Project, including, without limitation, excavation or foundation permits, the Applicant must either make the required Cash Payment, or execute an Affordable Housing Agreement in accordance with Section 2-45-110(i)(2). The terms of the Affordable Housing Agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the Affordable Housing Agreement will be recorded against the Residential Project and will constitute a lien against each Affordable Unit. The City shall execute partial releases of the Affordable Housing Agreement prior to or at the time of the sale of each Affordable

Unit to an income-eligible buyer at an affordable price, subject to the simultaneous execution and recording of a mortgage, restrictive covenant or similar instrument against such Affordable Unit. The Commissioner of DPD may enforce remedies for breach of the Affordable Housing Agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.

16. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development Ordinance lapse, the Commissioner of DPD shall initiate a Zoning Map Amendment to rezone the property to the B3-5 Community Shopping District.

Halsted Commons LLC

Dear Chairman Solis and Chairman Cabrera:

The undersigned, Katherine C. Jahnke Dale, an attorney with the law firm of DLA Piper LLP (US), which firm represents Halsted Commons LLC, the applicant for an amendment to the Chicago Zoning Ordinance and proposed planned development, certifies that she has complied with the requirements for Section 17-13-0107 of the Chicago Zoning Ordinance by sending written notice to such property owners who appear to be the owners of the property within the subject area not solely owned by the applicant, and to the owners of all property within 250 feet of each direction of the lot line of the subject property, exclusive of public roads, streets, alleys and other public ways. Said written notice was sent by First Class U.S. Mail, no more than 30 days before filing the application.

The undersigned certifies that the notice contained the address of the property sought to be rezoned; a statement of the intended use of the property; the name and address of the applicant; the name and address of the owner; a statement that the applicant intends to file the application for change in zoning on approximately September 24, 2015, and a source for additional information on the application.

The undersigned certifies that she has made a bona fide effort to determine the addresses of the parties to be notified under Section 17-13-0107 of the Chicago Zoning Ordinance, and that the accompanying list of names and addresses of surrounding property owners within 250 feet of the subject site is a complete list containing the names and addresses of the people required to be served.

Very truly yours,

DLA Piper LLP (US)

FIRST CLASS MAIL

Dear Sir or Madam:

As required by Section 17-13-0107 of the Municipal Code of the City of Chicago, please be informed that on or about September 24, 2015, the undersigned, on behalf of Halsted Commons LLC (the "Applicant"), intends to file an application to rezone the property located at 1038-1054 West Wilson; 4600-4608 North Kenmore and 4600-4612 North Winthrop, Chicago, IL 60640 from B3-2 Community Shopping District to a B3-5 Community Shopping District, then to a Residential-Business Planned Development. A map of the development site is printed on the reverse side of this letter.

The development site is currently a commercial building. The Applicant is seeking a re-zoning of the property to allow for the historic restoration of an existing 2-story commercial building and construction of a new 7-story mixed-use residential and commercial building containing an overall FAR of 5.0, up to 102 dwelling units, accessory parking, commercial uses on the ground floor, and accessory and incidental uses.

The proposed change of zoning does *not* apply to your property. You are receiving this notice as required by the Chicago Municipal Code because the Cook County Assessor's records indicate that you own property within 250 feet of the development site.

I am an authorized representative of the Applicant and my address is 203 North LaSalle Street, Suite 1900, Chicago, IL 60601. The Applicant owns the property their address is 1025 W. Sunnyside Avenue, Chicago, IL 60640.

Please contact me at 312-368-7243 with questions or to obtain additional information.

Very truly yours,

DLA Piper LLP (US)

Re: Application for Residential-Business Planned Development
Clark 800 LLC

Dear Chairman Solis and Chairman Cabrera:

The undersigned, Katherine C. Jahnke Dale, an attorney with the law firm of DLA Piper LLP (US), which firm represents Clark 800 LLC, the applicant for an amendment to the Chicago Zoning Ordinance and proposed planned development, certifies that she has complied with the requirements for Section 17-13-0107 of the Chicago Zoning Ordinance by sending written notice to such property owners who appear to be the owners of the property within the subject area not solely owned by the applicant, and to the owners of all property within 250 feet of each direction of the lot line of the subject property, exclusive of public roads, streets, alleys and other public ways. Said written notice was sent by First Class U.S. Mail, no more than 30 days before filing the application.

The undersigned certifies that the notice contained the address of the property sought to be rezoned; a statement of the intended use of the property; the name and address of the applicant; the name and address of the owner; a statement that the applicant intends to file the application for change in zoning on approximately September 24, 2015, and a source for additional information on the application.

The undersigned certifies that she has made a bona fide effort to determine the addresses of the parties to be notified under Section 17-13-0107 of the Chicago Zoning Ordinance, and that the accompanying list of names and addresses of surrounding property owners within 250 feet of the subject site is a complete list containing the names and addresses of the people required to be served.

Very truly yours,

DLA Piper LLP (US)

FIRST CLASS MAIL

Dear Sir or Madam:

As required by Section 17-13-0107 of the Municipal Code of the City of Chicago, please be informed that on or about September 24, 2015, the undersigned, on behalf of Clark 800 LLC (the "Applicant"), intends to file an application to rezone the property located at 800-814 North Clark and 100-114 West Chicago, Chicago, IL 60610 from DX-5 and DX-7 Downtown Mixed-Used District to DX-7 Downtown Mixed-Use District, then to a Residential-Business Planned Development. A map of the development site is printed on the reverse side of this letter.

The development site is currently occupied by commercial buildings. The Applicant is seeking a re-zoning of the property to allow for the historic restoration of a +/- 104'6" mixed use commercial and residential building and construction of a new +/- 176'6" residential building containing an overall FAR of 7.0, up to 212 dwelling units, accessory parking, commercial uses on the ground floor, and accessory and incidental uses.

The proposed change of zoning does *not* apply to your property. You are receiving this notice as required by the Chicago Municipal Code because the Cook County Assessor's records indicate that you own property within 250 feet of the development site.

I am an authorized representative of the Applicant and my address is 203 North LaSalle Street, Suite 1900, Chicago, IL 60601. The Applicant, Clybourn Commons LLC and Clark 800 Partners LLC own the property as tenants in common and their address is 1025 W. Sunnyside Avenue, Chicago, Illinois 60640.

Please contact me at 312-368-4037 with questions or to obtain additional information.

Very truly yours,

DLA Piper LLP (US)

Any developer of a "residential housing project" within the meaning of the Affordable Housing Ordinance ("Residential Project") must: (i) develop affordable housing units as part of the Residential Project; (ii) pay a fee in lieu of the development of affordable housing units; or (iii) any combination of (i) and (ii). In accordance with these requirements and the Affordable Housing Profile Form attached hereto as Exhibit A, the Applicant has agreed to provide 9 affordable housing units in the Residential Project for households earning up to 60% of the Chicago Primary Metropolitan Statistical Area median income (the "Affordable Units"), or make a cash payment to the Affordable Housing Opportunity Fund in the amount of $100,000 per required affordable unit ("Cash Payment"). At the time of each Part II review for the Residential Project, Applicant may update and resubmit the Affordable Housing Profile Form to DPD for review and approval. If the Applicant subsequently reduces the number of dwelling units in the Residential Project, DPD may adjust the requirements of this Statement 15 (i.e., number of Affordable Units and/or amount of Cash Payment) accordingly without amending the Planned Development. Prior to the issuance of any building permits for the Residential Project, including, without limitation, excavation or foundation permits, the Applicant must either make the required Cash Payment, or execute an Affordable Housing Agreement in accordance with Section 2-45-110(i)(2). The terms of the Affordable Housing Agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the Affordable Housing Agreement will be recorded against the Residential Project and will constitute a lien against each Affordable Unit. The City shall execute partial releases of the Affordable Housing Agreement prior to or at the time of the sale of each Affordable Unit to an income-eligible buyer at an affordable price, subject to the simultaneous execution and recording of a mortgage, restrictive covenant or similar instrument against such Affordable Unit. The Commissioner of DPD may enforce remedies for breach of the Affordable Housing Agreement, and enter into settlement agreements with respect to

any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.

16. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development Ordinance lapse, the Commissioner of DPD shall initiate a Zoning Map Amendment to rezone the property to the RM4.5 Residential Multi-Unit District.

Dear Chairman Solis and Chairman Cabrera:

The undersigned, Katherine C. Jahnke Dale, an attorney with the law firm of DLA Piper LLP (US), which firm represents Broder 1730 WW LLC, the applicant for an amendment to the Chicago Zoning Ordinance and proposed planned development, certifies that she has complied with the requirements for Section 17-13-0107 of the Chicago Zoning Ordinance by sending written notice to such property owners who appear to be the owners of the property within the subject area not solely owned by the applicant, and to the owners of all property within 250 feet of each direction of the lot line of the subject property, exclusive of public roads, streets, alleys and other public ways. Said written notice was sent by First Class U.S. Mail, no more than 30 days before filing the application.

The undersigned certifies that the notice contained the address of the property sought to be rezoned; a statement of the intended use of the property; the name and address of the applicant; the name and address of the owner; a statement that the applicant intends to file the application for change in zoning on approximately September 24, 2015, and a source for additional information on the application.

The undersigned certifies that she has made a bona fide effort to determine the addresses of the parties to be notified under Section 17-13-0107 of the Chicago Zoning Ordinance, and that the accompanying list of names and addresses of surrounding property owners within 250 feet of the subject site is a complete list containing the names and addresses of the people required to be served.

Very truly yours,

Dear Sir or Madam:

As required by Section 17-13-0107 of the Municipal Code of the City of Chicago, please be informed that on or about September 24, 2015, the undersigned, on behalf of Broder 1730 WW LLC (the "Applicant"), intends to file an application to rezone the property located at 1730 W. Wrightwood Avenue, Chicago, IL from M2-3 Light Industry District to RM4.5 Residential Multi-Unit District then to a Residential Planned Development. A map of the development site is printed on the reverse side of this letter.

The development site is currently a vacant commercial building with a surface parking. The Applicant is seeking a re-zoning of the property to allow for construction of two approximately 4-story residential buildings containing up to 1.7 FAR, 90 dwelling units, 90 parking spaces and accessory uses, as set forth in the enclosed project narrative and plans.

The proposed change of zoning does *not* apply to your property. You are receiving this notice as required by the Chicago Municipal Code because the Cook County Assessor's records indicate that you own property within 250 feet of the development site.
