[ ] Yes [X] No

If yes, please identify below (1) the name and title of such person, (2) the name of the legal entity to which such person is connected; (3) the name and title of the elected city official or department head to whom such person has a familial relationship, and (4) the precise nature of such familial relationship.

Attachment A-1

The Bank of New York Mellon Corporation (the "Corporation"), acting through its subsidiaries, The Bank of New York Mellon and The Bank of New York Mellon Trust Company, N.A., is trustee on thousands of bond transactions which are secured by mortgages on real property that are held in trust and registered in the name of The Bank of New York Mellon or The Bank of New York Mellon Trust Company, N.A., as trustee. The mortgages are serviced by third-party service providers who are required to provide the necessary administrative services related to the mortgages, such as paying property taxes and complying with local real estate ordinances. From time to time, the third-party service providers may fail to fulfill their obligations, resulting in fines and judgments. Such fines and judgments may be assessed and entered against The Bank of New York Mellon or The Bank of New York Mellon Trust Company, N.A. because, as trustee, it is the lien-holder or owner of record. The third-party service provider is obligated to pay such fines and remedy or pay such judgments.

In addition, like all major institutions, the Corporation and/or its subsidiaries are subject to various litigations and proceedings pursuant to which judgments, injunctions or liens may be issued. There have been no judgments, injunctions or liens arising out of such litigations or proceedings in the last five years that would materially impair the Corporation's or its subsidiaries ability to perform the services relating to the Matter. For a description of certain legal proceedings, please see the "Legal Proceedings" section from the Corporations latest 10-Q which is attached on the following pages.

the nature of events that would trigger indemnification or the level of indemnification for a certain event. We believe, however, that the possibility that we will have to make any material payments for these indemnifications is remote. At Sept. 30, 2012 and Dec. 31, 2011, we have not recorded any material liabilities under these arrangements.

Clearing and Settlement Exchanges

We are a minority equity investor in, and member of, several industry clearing or settlement exchanges through which foreign exchange, securities, or other transactions settle. Certain of these industry clearing or settlement exchanges require their members to guarantee their obligations and liabilities or to provide financial support in the event other members do not honor their obligations. We believe the likelihood that a clearing or settlement exchange (of which we are a member) would become insolvent is remote. Additionally, certain settlement exchanges have implemented loss allocation policies which enable the exchange to allocate settlement losses to the members of the exchange. It is not possible to quantify such mark-to-market loss until the loss occurs. In addition, any ancillary costs that occur as a result of any mark-to-market loss cannot be quantified. At Sept. 30, 2012 and Dec. 31, 2011, no material liabilities were recorded under these arrangements.

Legal proceedings

In the ordinary course of business, BNY Mellon and its subsidiaries are routinely named as defendants in or made parties to pending and potential legal actions and regulatory matters. Claims for significant monetary damages are often asserted in many of these legal actions, while claims for disgorgement, penalties and/or other remedial sanctions may be sought in regulatory matters. It is inherently difficult to predict the eventual outcomes of such matters given their complexity and the particular facts and circumstances at issue in each of these matters. However, on the basis of our current knowledge and understanding, we do not believe that judgments or settlements, if any, arising from these matters (either individually or in the aggregate, after giving effect to applicable reserves and insurance coverage) will have a material adverse effect on the consolidated financial position or liquidity of BNY Mellon, although they could have a material effect on net income in a given period.

In view of the inherent unpredictability of outcomes in litigation and regulatory matters, particularly where (i) the damages sought are substantial or indeterminate, (ii) the proceedings are in the early stages, or (iii) the matters involve novel legal theories or a large number of parties, as a matter of course there is considerable uncertainty surrounding the timing or ultimate resolution of litigation and regulatory matters, including a possible eventual loss, fine, penalty or business impact, if any, associated with each such matter. In accordance with applicable accounting guidance, BNY Mellon establishes reserves for litigation and regulatory matters when those matters proceed to a stage where they present loss contingencies that are both probable and reasonably estimable. In such cases, there may be a possible exposure to loss in excess of any amounts accrued. BNY Mellon will continue to monitor such matters for developments that could affect the amount of the reserve, and will adjust the reserve amount as appropriate. If the loss contingency in question is not both probable and reasonably estimable, BNY Mellon does not establish a reserve and the matter will continue to be monitored for any developments that would make the loss contingency both probable and reasonably estimable. BNY Mellon believes that its accruals for legal proceedings are appropriate and, in the aggregate, are not material to the consolidated financial position of BNY Mellon, although future accruals could have a material effect on net income in a given period.

For certain of those matters described herein for which a loss contingency may, in the future, be reasonably possible (whether in excess of a related accrued liability or where there is no accrued liability), BNY Mellon is currently unable to estimate a range of reasonably possible loss. For those matters where BNY Mellon is able to estimate a reasonably possible loss, exclusive of matters described in Note 11 of the Notes to Consolidated Financial Statements, subject to the accounting and reporting requirements of ASC 740 (FASB Interpretation 48), the aggregate range of such reasonably possible loss is up to $750 million in excess of the accrued liability (if any) related to those matters.

The following describes certain judicial, regulatory and arbitration proceedings involving BNY Mellon:

Sentinel Matters

As previously disclosed, on Jan. 18, 2008, The Bank of New York Mellon filed a proof of claim in the Chapter 11 bankruptcy proceeding of Sentinel Management Group, Inc. ("Sentinel") pending in federal court in the Northern District of Illinois, seeking to recover approximately $312 million loaned to Sentinel and secured by securities and cash in an account maintained by Sentinel at The Bank of New York Mellon. On March 3, 2008, the bankruptcy trustee filed an adversary complaint against The Bank of New York Mellon seeking to disallow The Bank of New York Mellon's claim and seeking damages for allegedly aiding and abetting Sentinel insiders in misappropriating customer assets and improperly using those assets as collateral for the loan. In a decision dated Nov. 3, 2010, the court found for The Bank of New York Mellon and against the bankruptcy trustee, holding that The Bank of New York Mellon's loan to Sentinel is valid, fully secured and not subject to equitable subordination. The bankruptcy trustee appealed this decision, and on August 9, 2012, the United States Court of Appeals for the Seventh Circuit issued a decision affirming the trial court's judgment. On September 7, 2012, the bankruptcy trustee filed a petition for rehearing.

As previously disclosed, in November 2009, the Division of Enforcement of the U.S. Commodities Futures Trading Commission ("CFTC") indicated that it is considering a recommendation to the CFTC that it file a civil enforcement action against The Bank of New York Mellon for possible violations of the Commodity Exchange Act and CFTC regulations in connection with its relationship to Sentinel. The Bank of New York Mellon responded in writing to the CFTC on Jan. 29, 2010 and provided an explanation as to why an enforcement action is unwarranted.

Securities Lending Matters

As previously disclosed, BNY Mellon or its affiliates have been named as defendants in a number of lawsuits initiated by participants in BNY Mellon's securities lending program, which is a part of BNY Mellon's Investment Services business. The lawsuits were filed on various dates from December 2008 to 2012, and are currently pending in courts in New York, South Carolina and North Carolina and in commercial court in London. The complaints assert contractual, statutory, and common law claims, including claims for negligence and breach of fiduciary duty. The plaintiffs allege losses in connection with the investment of securities lending collateral, including losses related to investments in Sigma Finance Inc. ("Sigma"), Lehman Brothers Holdings, Inc. and certain asset-backed securities, and seek damages as to those losses. Two of the pending cases seek to proceed as class actions.

On Oct. 25, 2012, the court entered final approval of a previously-announced settlement of the Oklahoma class action lawsuit concerning Sigma losses. Under the terms of the settlement, The Bank of New York Mellon agreed to pay $280 million in exchange for a complete release of claims in the class action.

Matters Relating To Bernard L. Madoff

As previously disclosed, on May 11, 2010, the New York State Attorney General commenced a civil lawsuit against Ivy Asset Management LLC ("Ivy"), a subsidiary of BNY Mellon that manages primarily funds-of-hedge-funds, and two of its former officers in New York state court. The lawsuit alleges that Ivy, in connection with its role as sub-advisor to investment managers whose clients invested with Madoff, did not disclose certain material facts about Madoff. The complaint seeks an accounting of compensation received from January 1997 to the present by the Ivy defendants in connection with the Madoff investments, and unspecified damages, including restitution, disgorgement, costs and attorneys' fees.

As previously disclosed, on Oct. 21, 2010, the U.S. Department of Labor commenced a civil lawsuit against Ivy, two of its former officers, and others in federal court in the Southern District of New York. The lawsuit alleges that Ivy violated the Employee Retirement Income Security Act ("ERISA") by failing to disclose certain material facts about Madoff to investment managers subadvised by Ivy whose clients included employee benefit plan investors. The complaint seeks disgorgement and damages. On Dec. 8, 2010, the Trustee overseeing the Madoff liquidation sued many of the same defendants in bankruptcy court in New York, seeking to avoid withdrawals from Madoff investments made by various funds-of-funds (including six funds-of-funds managed by Ivy).

As previously disclosed, Ivy or its affiliates have been named in a number of civil lawsuits filed beginning Jan. 27, 2009 relating to certain investment funds that allege losses due to the Madoff investments. Ivy acted as a sub-advisor to the investment managers of some of those funds. Plaintiffs assert various causes of action including

securities and common-law fraud. Certain of the cases have been certified as class actions and/or assert derivative claims on behalf of the funds. Most of the cases have been consolidated in two actions in federal court in the Southern District of New York, with certain cases filed in New York State Supreme Court for New York and Nassau counties.

Medical Capital Litigations

As previously disclosed, The Bank of New York Mellon has been named as a defendant in a number of class actions and non-class actions brought by numerous plaintiffs in connection with its role as indenture trustee for debt issued by affiliates of Medical Capital Corporation. The actions, filed in late 2009 and currently pending in federal court in the Central District of California, allege that The Bank of New York Mellon breached its fiduciary and contractual obligations to the holders of the underlying securities, and seek unspecified damages. On June 7, 2012, The Bank of New York Mellon reached a conditional settlement with the Federal Equity Receiver for Medical Capital Corporation and its affiliates. The plaintiffs have opposed the settlement with the Receiver. They challenge the Receiver's authority to bind them to any settlement, and allege that the settlement is inadequate.

Foreign Exchange Matters

As previously disclosed, beginning in December 2009, government authorities have been conducting inquiries seeking information relating primarily to standing instruction foreign exchange transactions in connection with custody services BNY Mellon provides to public pension plans and certain other custody clients. BNY Mellon is cooperating with these inquiries.

In addition, in early 2011, as previously disclosed, the Virginia Attorney General's Office and the Florida Attorney General's Office each filed a Notice of Intervention in a *qui tam* lawsuit pending in its jurisdiction. These offices filed complaints superseding the *qui tam* lawsuits on Aug. 11, 2011. On May 1, 2012, the Virginia court dismissed the lawsuit in its entirety. On July 10, 2012, the Virginia Attorney General's office filed a motion seeking leave of the court to file an amended complaint. On Oct. 4, 2011, the New York Attorney General's Office, the New York City Comptroller and various city pension and benefit funds filed a lawsuit whereby, among other things, the plaintiffs assert claims under the Martin Act and state and city false claims acts. Also, on Oct. 4, 2011, the United States Department of Justice ("DOJ") filed a civil lawsuit seeking civil penalties under 12 U.S.C. Section 1833a and injunctive relief under 18 U.S.C. Section 1345 based on alleged ongoing violations of 18 U.S.C. Sections 1341 and 1343 (mail and wire fraud). On Jan. 17, 2012, the court approved a partial settlement resolving the DOJ's claim for injunctive relief. In October 2011, several political subdivisions of the state of California intervened in a *qui tam* lawsuit pending in California state court, previously under seal, and, on Nov. 28, 2011, BNY Mellon removed the lawsuit to federal district court in California. On March 30, 2012, the court dismissed certain of plaintiffs' claims, including all claims under the California False Claims Act, and provided plaintiffs an opportunity to file a motion seeking leave to replead. Several plaintiffs also had their claims dismissed for improper venue and one refiled on Sept. 5, 2012 in a different California federal district court. On Oct. 26, 2011, the Massachusetts Securities Division filed an Administrative Complaint against BNY Mellon.

BNY Mellon has also been named as a defendant in several putative class action federal lawsuits filed on various dates in 2011. The complaints, which assert varying claims, including breach of contract, and violations of ERISA, state and federal law, all allege that the prices BNY Mellon charged and reported for standing instruction foreign exchange transactions executed in connection with custody services provided by BNY Mellon were improper. In addition, BNY Mellon has been named as a nominal defendant in several derivative lawsuits filed on various dates in 2011 and 2012 in state and federal court in New York. BNY Mellon has also been named as a defendant in a lawsuit filed on March 12, 2012 in Ohio state court, and subsequently removed to federal district court in Ohio, asserting claims including breach of contract and fraud. BNY Mellon was also named in a *qui tam* lawsuit originally filed under seal in October 2009 in Massachusetts state court, but the plaintiff voluntarily dismissed the lawsuit on May 16, 2012. To the extent these lawsuits are pending in federal court, they have been consolidated for pre-trial purposes in federal court in New York.

Lyondell Litigation

As previously disclosed, in an action filed in New York State Supreme Court for New York County, on Sept. 14, 2010, plaintiffs as holders of debt issued by Basell AF in 2005 allege that The Bank of New York Mellon, as indenture trustee, breached its contractual and fiduciary obligations by executing an intercreditor agreement in 2007 in connection with

Basell's acquisition of Lyondell Chemical Company. Plaintiffs are seeking damages for their alleged losses resulting from the execution of the 2007 intercreditor agreement that allowed the company to increase the amount of its senior debt.

Tax Litigation

As previously disclosed, on Aug. 17, 2009, BNY Mellon received a Statutory Notice of Deficiency disallowing tax benefits for the 2001 and 2002 tax years in connection with a 2001 transaction that involved the payment of U.K. corporate income taxes that were credited against BNY Mellon's U.S. corporate income tax liability. On Nov. 10, 2009, BNY Mellon filed a petition with the U.S. Tax Court contesting the disallowance of the benefits. Trial was held from April 16 to May 17, 2012. The aggregate tax benefit for all six years in question is approximately $900 million, including interest. In the event BNY Mellon is unsuccessful in defending its position, the IRS has agreed not to assess underpayment penalties. See Note 11 of the Notes to Consolidated Financial Statements for additional information.

Mortgage-Securitization Trusts Proceeding

As previously disclosed, The Bank of New York Mellon as trustee is the petitioner in a legal proceeding filed in New York State Supreme Court, New York County on June 29, 2011, seeking approval of a proposed settlement involving Bank of America Corporation and bondholders in certain Countrywide residential mortgage-securitization trusts. The New York and Delaware Attorneys General have intervened in this proceeding.

Note 19 – Review of businesses

We have an internal information system that produces performance data along product and service lines for our two principal businesses and the Other segment.

Organization of our business

On Dec. 31, 2011, BNY Mellon sold its Shareowner Services business. In the first quarter of 2012, we reclassified the results of the Shareowner Services business from the Investment Services business to the Other segment. The reclassification did not impact the consolidated results. All prior periods have been restated.

Business accounting principles

Our business data has been determined on an internal management basis of accounting, rather than the generally accepted accounting principles used for consolidated financial reporting. These measurement principles are designed so that reported results of the businesses will track their economic performance.

Business results are subject to reclassification whenever improvements are made in the measurement principles, or when organizational changes are made.

The accounting policies of the businesses are the same as those described in Note 1 of the Notes to Consolidated Financial Statements in BNY Mellon's 2011 Annual Report.

The operations of acquired businesses are integrated with the existing businesses soon after they are completed. As a result of the integration of staff support functions, management of customer relationships, operating processes and the financial impact of funding acquisitions, we cannot precisely determine the impact of acquisitions on income before taxes and therefore do not report it.

ECONOMIC DISCLOSURE STATEMENT
FILED BY
THE BANK OF NEW YORK MELLON

The Disclosing Party was established in 1784 under the name The Bank of New York and is now a wholly-owned subsidiary of The Bank of New York Mellon Corporation (the "Corporation"). The Corporation has identified 60 predecessor institutions established before 1866, including The Bank of New York.

There are scattered references in the records of the Corporation's pre-1866 predecessors to clients located in the southern states where slavery was practiced during the slavery era. The Corporation's predecessors provided business services to these southern clients which included: issuing loans to individuals, banks and other institutions; maintaining individual and correspondent banking accounts; providing reciprocal banking services for other banks; and providing bond and stock administration and depositary services on behalf of other banks and municipalities. Some of these predecessors may have also invested in bonds and stocks of southern institutions or bonds issued by southern states. The southern states, municipalities, banks, companies and individuals referenced in the records are: Bank of Baltimore; City Bank of Baltimore; Stephen Duncan; DuPlanty, McCall & Co.; Bank of Kentucky; Bank of Maryland; State of Maryland; Bank of Montgomery; Bank of North Carolina; Bank of South Carolina; New Orleans Canal and Banking Company; City of New Orleans; Commercial Bank of New Orleans; Planters Bank of Mississippi; Simsville Cotton Factory; Southern Life Insurance and Trust Company; Planters Bank of Tennessee; State of Tennessee. The Bank of New York also held one or more bank accounts on behalf of Charles P. Leverich and/or his New York company Charles P. Leverich & Co. ("Leverich & Co."). Leverich was a director of The Bank of New York from 1840 to 1876, and also was a Vice President (1853-1863) and President (1863-1876) of the Bank. Leverich & Co. was a New York cotton broker which had extensive dealings with southern clients from the 1830s through 1879, when the firm was dissolved. Leverich & Co. also acted as a factor for southern planters. It also appears that that Leverich & Co. may have helped manage a plantation -- James Porter's Oak Lawn in Bayou Teche, Louisiana -- for one of its southern clients.

Based on the Corporation's research, there are indications in United States census records for the period 1790 to 1860 that some directors of The Bank of New York and some officers and directors of the Farmer's Bank of the State of Delaware may have owned slaves before, during and/or after their association with such institutions.

A predecessor of the Corporation, the New York Life Insurance and Trust Company ("NYLITC") (which bears no relation to the present New York Life Insurance Company), was founded in 1830 and merged with The Bank of New York in 1922. NYLITC issued life insurance policies to some of its clients, including a few individuals who resided in the southern states where slavery was practiced during the slavery era. There are no indications in the records that NYLITC issued any slaveholder insurance policies.

The records of NYLITC reflect that in 1842, NYLITC loaned a sum of money to the Southern Life Insurance and Trust Company ("Southern Life"). This loan was secured by an assignment to NYLITC of several mortgages originated and held by Southern Life, including a mortgage dated April 1, 1837, on "Hanson's Plantation," located in St. John's County, near St. Augustine, Florida, and owned by John Hanson and Margaret Cook. This Southern Life mortgage included a pledge of 21 named slaves. The names and ages of these slaves are recorded in the NYLITC ledger entry for the loan and are listed in Appendix A to this statement. There are no indications in the records that Southern Life ever defaulted on this loan, or that NYLITC ever foreclosed on any of the assigned mortgages.

This Appendix is to be completed only by (a) the Applicant, and (b) any legal entity which has a direct ownership interest in the Applicant exceeding 7.5 percent. It is not to be completed by any legal entity which has only an indirect ownership interest in the Applicant.

Under Municipal Code Section 2-154-015, the Disclosing Party must disclose whether such Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof currently has a "familial relationship" with any elected city official or department head. A "familial relationship" exists if, as of the date this EDS is signed, the Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof is related to the mayor, any alderman, the city clerk, the city treasurer or any city department head as spouse or domestic partner or as any of the following, whether by blood or adoption: parent, child, brother or sister, aunt or uncle, niece or nephew, grandparent, grandchild, father-in-law, mother-in-law, son-in-law, daughter-in-law, stepfather or stepmother, stepson or stepdaughter, stepbrother or stepsister or half-brother or half-sister.

"Principal officers" means the president, chief operating officer, executive director, chief financial officer, treasurer or secretary of a legal entity or any person exercising similar authority.

Attachment A-1

The Bank of New York Mellon Corporation (the "Corporation"), acting through its subsidiaries, The Bank of New York Mellon and The Bank of New York Mellon Trust Company, N.A., is trustee on thousands of bond transactions which are secured by mortgages on real property that are held in trust and registered in the name of The Bank of New York Mellon or The Bank of New York Mellon Trust Company, N.A., as trustee. The mortgages are serviced by third-party service providers who are required to provide the necessary administrative services related to the mortgages, such as paying property taxes and complying with local real estate ordinances. From time to time, the third-party service providers may fail to fulfill their obligations, resulting in fines and judgments. Such fines and judgments may be assessed and entered against The Bank of New York Mellon or The Bank of New York Mellon Trust Company, N.A. because, as trustee, it is the lien-holder or owner of record. The third-party service provider is obligated to pay such fines and remedy or pay such judgments.

In addition, like all major institutions, the Corporation and/or its subsidiaries are subject to various litigations and proceedings pursuant to which judgments, injunctions or liens may be issued. There have been no judgments, injunctions or liens arising out of such litigations or proceedings in the last five years that would materially impair the Corporation's or its subsidiaries ability to perform the services relating to the Matter. For a description of certain legal proceedings, please see the "Legal Proceedings" section from the Corporations latest 10-Q which is attached on the following pages.

the nature of events that would trigger indemnification or the level of indemnification for a certain event. We believe, however, that the possibility that we will have to make any material payments for these indemnifications is remote. At Sept. 30, 2012 and Dec. 31, 2011, we have not recorded any material liabilities under these arrangements.

Clearing and Settlement Exchanges

We are a minority equity investor in, and member of, several industry clearing or settlement exchanges through which foreign exchange, securities, or other transactions settle. Certain of these industry clearing or settlement exchanges require their members to guarantee their obligations and liabilities or to provide financial support in the event other members do not honor their obligations. We believe the likelihood that a clearing or settlement exchange (of which we are a member) would become insolvent is remote. Additionally, certain settlement exchanges have implemented loss allocation policies which enable the exchange to allocate settlement losses to the members of the exchange. It is not possible to quantify such mark-to-market loss until the loss occurs. In addition, any ancillary costs that occur as a result of any mark-to-market loss cannot be quantified. At Sept. 30, 2012 and Dec. 31, 2011, no material liabilities were recorded under these arrangements.

Legal proceedings

In the ordinary course of business, BNY Mellon and its subsidiaries are routinely named as defendants in or made parties to pending and potential legal actions and regulatory matters. Claims for significant monetary damages are often asserted in many of these legal actions, while claims for disgorgement, penalties and/or other remedial sanctions may be sought in regulatory matters. It is inherently difficult to predict the eventual outcomes of such matters given their complexity and the particular facts and circumstances at issue in each of these matters. However, on the basis of our current knowledge and understanding, we do not believe that judgments or settlements, if any, arising from these matters (either individually or in the aggregate, after giving effect to applicable reserves and insurance coverage) will have a material adverse effect on the consolidated financial position or liquidity of BNY Mellon, although they could have a material effect on net income in a given period.

In view of the inherent unpredictability of outcomes in litigation and regulatory matters, particularly where (i) the damages sought are substantial or indeterminate, (ii) the proceedings are in the early stages, or (iii) the matters involve novel legal theories or a large number of parties, as a matter of course there is considerable uncertainty surrounding the timing or ultimate resolution of litigation and regulatory matters, including a possible eventual loss, fine, penalty or business impact, if any, associated with each such matter. In accordance with applicable accounting guidance, BNY Mellon establishes reserves for litigation and regulatory matters when those matters proceed to a stage where they present loss contingencies that are both probable and reasonably estimable. In such cases, there may be a possible exposure to loss in excess of any amounts accrued. BNY Mellon will continue to monitor such matters for developments that could affect the amount of the reserve, and will adjust the reserve amount as appropriate. If the loss contingency in question is not both probable and reasonably estimable, BNY Mellon does not establish a reserve and the matter will continue to be monitored for any developments that would make the loss contingency both probable and reasonably estimable. BNY Mellon believes that its accruals for legal proceedings are appropriate and, in the aggregate, are not material to the consolidated financial position of BNY Mellon, although future accruals could have a material effect on net income in a given period.

For certain of those matters described herein for which a loss contingency may, in the future, be reasonably possible (whether in excess of a related accrued liability or where there is no accrued liability), BNY Mellon is currently unable to estimate a range of reasonably possible loss. For those matters where BNY Mellon is able to estimate a reasonably possible loss, exclusive of matters described in Note 11 of the Notes to Consolidated Financial Statements, subject to the accounting and reporting requirements of ASC 740 (FASB Interpretation 48), the aggregate range of such reasonably possible loss is up to $750 million in excess of the accrued liability (if any) related to those matters.

The following describes certain judicial, regulatory and arbitration proceedings involving BNY Mellon:

Sentinel Matters

As previously disclosed, on Jan. 18, 2008, The Bank of New York Mellon filed a proof of claim in the Chapter 11 bankruptcy proceeding of Sentinel Management Group, Inc. ("Sentinel") pending in federal court in the Northern District of Illinois, seeking to recover approximately $312 million loaned to Sentinel and secured by securities and cash in an account maintained by Sentinel at The Bank of New York Mellon. On March 3, 2008, the bankruptcy trustee filed an adversary complaint against The Bank of New York Mellon seeking to disallow The Bank of New York Mellon's claim and seeking damages for allegedly aiding and abetting Sentinel insiders in misappropriating customer assets and improperly using those assets as collateral for the loan. In a decision dated Nov. 3, 2010, the court found for The Bank of New York Mellon and against the bankruptcy trustee, holding that The Bank of New York Mellon's loan to Sentinel is valid, fully secured and not subject to equitable subordination. The bankruptcy trustee appealed this decision, and on August 9, 2012, the United States Court of Appeals for the Seventh Circuit issued a decision affirming the trial court's judgment. On September 7, 2012, the bankruptcy trustee filed a petition for rehearing.

As previously disclosed, in November 2009, the Division of Enforcement of the U.S. Commodities Futures Trading Commission ("CFTC") indicated that it is considering a recommendation to the CFTC that it file a civil enforcement action against The Bank of New York Mellon for possible violations of the Commodity Exchange Act and CFTC regulations in connection with its relationship to Sentinel. The Bank of New York Mellon responded in writing to the CFTC on Jan. 29, 2010 and provided an explanation as to why an enforcement action is unwarranted.

Securities Lending Matters

As previously disclosed, BNY Mellon or its affiliates have been named as defendants in a number of lawsuits initiated by participants in BNY Mellon's securities lending program, which is a part of BNY Mellon's Investment Services business. The lawsuits were filed on various dates from December 2008 to 2012, and are currently pending in courts in New York, South Carolina and North Carolina and in commercial court in London. The complaints assert contractual, statutory, and common law claims, including claims for negligence and breach of fiduciary duty. The plaintiffs allege losses in connection with the investment of securities lending collateral, including losses related to investments in Sigma Finance Inc. ("Sigma"), Lehman Brothers Holdings, Inc. and certain asset-backed securities, and seek damages as to those losses. Two of the pending cases seek to proceed as class actions.

On Oct. 25, 2012, the court entered final approval of a previously-announced settlement of the Oklahoma class action lawsuit concerning Sigma losses. Under the terms of the settlement, The Bank of New York Mellon agreed to pay $280 million in exchange for a complete release of claims in the class action.

Matters Relating To Bernard L. Madoff

As previously disclosed, on May 11, 2010, the New York State Attorney General commenced a civil lawsuit against Ivy Asset Management LLC ("Ivy"), a subsidiary of BNY Mellon that manages primarily funds-of-hedge-funds, and two of its former officers in New York state court. The lawsuit alleges that Ivy, in connection with its role as sub-advisor to investment managers whose clients invested with Madoff, did not disclose certain material facts about Madoff. The complaint seeks an accounting of compensation received from January 1997 to the present by the Ivy defendants in connection with the Madoff investments, and unspecified damages, including restitution, disgorgement, costs and attorneys' fees.

As previously disclosed, on Oct. 21, 2010, the U.S. Department of Labor commenced a civil lawsuit against Ivy, two of its former officers, and others in federal court in the Southern District of New York. The lawsuit alleges that Ivy violated the Employee Retirement Income Security Act ("ERISA") by failing to disclose certain material facts about Madoff to investment managers subadvised by Ivy whose clients included employee benefit plan investors. The complaint seeks disgorgement and damages. On Dec. 8, 2010, the Trustee overseeing the Madoff liquidation sued many of the same defendants in bankruptcy court in New York, seeking to avoid withdrawals from Madoff investments made by various funds-of-funds (including six funds-of-funds managed by Ivy).

As previously disclosed, Ivy or its affiliates have been named in a number of civil lawsuits filed beginning Jan. 27, 2009 relating to certain investment funds that allege losses due to the Madoff investments. Ivy acted as a sub-advisor to the investment managers of some of those funds. Plaintiffs assert various causes of action including

securities and common-law fraud. Certain of the cases have been certified as class actions and/or assert derivative claims on behalf of the funds. Most of the cases have been consolidated in two actions in federal court in the Southern District of New York, with certain cases filed in New York State Supreme Court for New York and Nassau counties.

Medical Capital Litigations

As previously disclosed, The Bank of New York Mellon has been named as a defendant in a number of class actions and non-class actions brought by numerous plaintiffs in connection with its role as indenture trustee for debt issued by affiliates of Medical Capital Corporation. The actions, filed in late 2009 and currently pending in federal court in the Central District of California, allege that The Bank of New York Mellon breached its fiduciary and contractual obligations to the holders of the underlying securities, and seek unspecified damages. On June 7, 2012, The Bank of New York Mellon reached a conditional settlement with the Federal Equity Receiver for Medical Capital Corporation and its affiliates. The plaintiffs have opposed the settlement with the Receiver. They challenge the Receiver's authority to bind them to any settlement, and allege that the settlement is inadequate.

Foreign Exchange Matters

As previously disclosed, beginning in December 2009, government authorities have been conducting inquiries seeking information relating primarily to standing instruction foreign exchange transactions in connection with custody services BNY Mellon provides to public pension plans and certain other custody clients. BNY Mellon is cooperating with these inquiries.

In addition, in early 2011, as previously disclosed, the Virginia Attorney General's Office and the Florida Attorney General's Office each filed a Notice of Intervention in a *qui tam* lawsuit pending in its jurisdiction. These offices filed complaints superseding the *qui tam* lawsuits on Aug. 11, 2011. On May 1, 2012, the Virginia court dismissed the lawsuit in its entirety. On July 10, 2012, the Virginia Attorney General's office filed a motion seeking leave of the court to file an amended complaint. On Oct. 4, 2011, the New York Attorney General's Office, the New York City Comptroller and various city pension and benefit funds filed a lawsuit whereby, among other things, the plaintiffs assert claims under the Martin Act and state and city false claims acts. Also, on Oct. 4, 2011, the United States Department of Justice ("DOJ") filed a civil lawsuit seeking civil penalties under 12 U.S.C. Section 1833a and injunctive relief under 18 U.S.C. Section 1345 based on alleged ongoing violations of 18 U.S.C. Sections 1341 and 1343 (mail and wire fraud). On Jan. 17, 2012, the court approved a partial settlement resolving the DOJ's claim for injunctive relief. In October 2011, several political subdivisions of the state of California intervened in a *qui tam* lawsuit pending in California state court, previously under seal, and, on Nov. 28, 2011, BNY Mellon removed the lawsuit to federal district court in California. On March 30, 2012, the court dismissed certain of plaintiffs' claims, including all claims under the California False Claims Act, and provided plaintiffs an opportunity to file a motion seeking leave to replead. Several plaintiffs also had their claims dismissed for improper venue and one refiled on Sept. 5, 2012 in a different California federal district court. On Oct. 26, 2011, the Massachusetts Securities Division filed an Administrative Complaint against BNY Mellon.

BNY Mellon has also been named as a defendant in several putative class action federal lawsuits filed on various dates in 2011. The complaints, which assert varying claims, including breach of contract, and violations of ERISA, state and federal law, all allege that the prices BNY Mellon charged and reported for standing instruction foreign exchange transactions executed in connection with custody services provided by BNY Mellon were improper. In addition, BNY Mellon has been named as a nominal defendant in several derivative lawsuits filed on various dates in 2011 and 2012 in state and federal court in New York. BNY Mellon has also been named as a defendant in a lawsuit filed on March 12, 2012 in Ohio state court, and subsequently removed to federal district court in Ohio, asserting claims including breach of contract and fraud. BNY Mellon was also named in a *qui tam* lawsuit originally filed under seal in October 2009 in Massachusetts state court, but the plaintiff voluntarily dismissed the lawsuit on May 16, 2012. To the extent these lawsuits are pending in federal court, they have been consolidated for pre-trial purposes in federal court in New York.

Lyondell Litigation

As previously disclosed, in an action filed in New York State Supreme Court for New York County, on Sept. 14, 2010, plaintiffs as holders of debt issued by Basell AF in 2005 allege that The Bank of New York Mellon, as indenture trustee, breached its contractual and fiduciary obligations by executing an intercreditor agreement in 2007 in connection with

Basell's acquisition of Lyondell Chemical Company. Plaintiffs are seeking damages for their alleged losses resulting from the execution of the 2007 intercreditor agreement that allowed the company to increase the amount of its senior debt.

Tax Litigation

As previously disclosed, on Aug. 17, 2009, BNY Mellon received a Statutory Notice of Deficiency disallowing tax benefits for the 2001 and 2002 tax years in connection with a 2001 transaction that involved the payment of U.K. corporate income taxes that were credited against BNY Mellon's U.S. corporate income tax liability. On Nov. 10, 2009, BNY Mellon filed a petition with the U.S. Tax Court contesting the disallowance of the benefits. Trial was held from April 16 to May 17, 2012. The aggregate tax benefit for all six years in question is approximately $900 million, including interest. In the event BNY Mellon is unsuccessful in defending its position, the IRS has agreed not to assess underpayment penalties. See Note 11 of the Notes to Consolidated Financial Statements for additional information.

Mortgage-Securitization Trusts Proceeding

As previously disclosed, The Bank of New York Mellon as trustee is the petitioner in a legal proceeding filed in New York State Supreme Court, New York County on June 29, 2011, seeking approval of a proposed settlement involving Bank of America Corporation and bondholders in certain Countrywide residential mortgage-securitization trusts. The New York and Delaware Attorneys General have intervened in this proceeding.

Note 19 – Review of businesses

We have an internal information system that produces performance data along product and service lines for our two principal businesses and the Other segment.

Organization of our business

On Dec. 31, 2011, BNY Mellon sold its Shareowner Services business. In the first quarter of 2012, we reclassified the results of the Shareowner Services business from the Investment Services business to the Other segment. The reclassification did not impact the consolidated results. All prior periods have been restated.

Business accounting principles

Our business data has been determined on an internal management basis of accounting, rather than the generally accepted accounting principles used for consolidated financial reporting. These measurement principles are designed so that reported results of the businesses will track their economic performance.

Business results are subject to reclassification whenever improvements are made in the measurement principles, or when organizational changes are made.

The accounting policies of the businesses are the same as those described in Note 1 of the Notes to Consolidated Financial Statements in BNY Mellon's 2011 Annual Report.

The operations of acquired businesses are integrated with the existing businesses soon after they are completed. As a result of the integration of staff support functions, management of customer relationships, operating processes and the financial impact of funding acquisitions, we cannot precisely determine the impact of acquisitions on income before taxes and therefore do not report it.

ECONOMIC DISCLOSURE STATEMENT

THE BANK OF NEW YORK MELLON

The Disclosing Party was established in 1784 under the name The Bank of New York and is now a wholly-owned subsidiary of The Bank of New York Mellon Corporation (the "Corporation"). The Corporation has identified 60 predecessor institutions established before 1866, including The Bank of New York.

There are scattered references in the records of the Corporation's pre-1866 predecessors to clients located in the southern states where slavery was practiced during the slavery era. The Corporation's predecessors provided business services to these southern clients which included: issuing loans to individuals, banks and other institutions; maintaining individual and correspondent banking accounts; providing reciprocal banking services for other banks; and providing bond and stock administration and depositary services on behalf of other banks and municipalities. Some of these predecessors may have also invested in bonds and stocks of southern institutions or bonds issued by southern states. The southern states, municipalities, banks, companies and individuals referenced in the records are: Bank of Baltimore; City Bank of Baltimore; Stephen Duncan; DuPlanty, McCall & Co.; Bank of Kentucky; Bank of Maryland; State of Maryland; Bank of Montgomery; Bank of North Carolina; Bank of South Carolina; New Orleans Canal and Banking Company; City of New Orleans; Commercial Bank of New Orleans; Planters Bank of Mississippi; Simsville Cotton Factory; Southern Life Insurance and Trust Company; Planters Bank of Tennessee; State of Tennessee. The Bank of New York also held one or more bank accounts on behalf of Charles P. Leverich and/or his New York company Charles P. Leverich & Co. ("Leverich & Co."). Leverich was a director of The Bank of New York from 1840 to 1876, and also was a Vice President (1853-1863) and President (1863-1876) of the Bank. Leverich & Co. was a New York cotton broker which had extensive dealings with southern clients from the 1830s through 1879, when the firm was dissolved. Leverich & Co. also acted as a factor for southern planters. It also appears that that Leverich & Co. may have helped manage a plantation -- James Porter's Oak Lawn in Bayou Teche, Louisiana -- for one of its southern clients.

Based on the Corporation's research, there are indications in United States census records for the period 1790 to 1860 that some directors of The Bank of New York and some officers and directors of the Farmer's Bank of the State of Delaware may have owned slaves before, during and/or after their association with such institutions.

A predecessor of the Corporation, the New York Life Insurance and Trust Company ("NYLITC") (which bears no relation to the present New York Life Insurance Company), was founded in 1830 and merged with The Bank of New York in 1922. NYLITC issued life insurance policies to some of its clients, including a few individuals who resided in the southern states where slavery was practiced during the slavery era. There are no indications in the records that NYLITC issued any slaveholder insurance policies.

The records of NYLITC reflect that in 1842, NYLITC loaned a sum of money to the Southern Life Insurance and Trust Company ("Southern Life"). This loan was secured by an assignment to NYLITC of several mortgages originated and held by Southern Life, including a mortgage dated April 1, 1837, on "Hanson's Plantation," located in St. John's County, near St. Augustine, Florida, and owned by John Hanson and Margaret Cook. This Southern Life mortgage included a pledge of 21 named slaves. The names and ages of these slaves are recorded in the NYLITC ledger entry for the loan and are listed in Appendix A to this statement. There are no indications in the records that Southern Life ever defaulted on this loan, or that NYLITC ever foreclosed on any of the assigned mortgages.

Attachment A-1

The Bank of New York Mellon Corporation (the "Corporation"), acting through its subsidiaries, The Bank of New York Mellon and The Bank of New York Mellon Trust Company, N.A., is trustee on thousands of bond transactions which are secured by mortgages on real property that are held in trust and registered in the name of The Bank of New York Mellon or The Bank of New York Mellon Trust Company, N.A., as trustee. The mortgages are serviced by third-party service providers who are required to provide the necessary administrative services related to the mortgages, such as paying property taxes and complying with local real estate ordinances. From time to time, the third-party service providers may fail to fulfill their obligations, resulting in fines and judgments. Such fines and judgments may be assessed and entered against The Bank of New York Mellon or The Bank of New York Mellon Trust Company, N.A. because, as trustee, it is the lien-holder or owner of record. The third-party service provider is obligated to pay such fines and remedy or pay such judgments.

In addition, like all major institutions, the Corporation and/or its subsidiaries are subject to various litigations and proceedings pursuant to which judgments, injunctions or liens may be issued. There have been no judgments, injunctions or liens arising out of such litigations or proceedings in the last five years that would materially impair the Corporation's or its subsidiaries ability to perform the services relating to the Matter. For a description of certain legal proceedings, please see the "Legal Proceedings" section from the Corporations latest 10-Q which is attached on the following pages.

the nature of events that would trigger indemnification or the level of indemnification for a certain event. We believe, however, that the possibility that we will have to make any material payments for these indemnifications is remote. At Sept. 30, 2012 and Dec. 31, 2011, we have not recorded any material liabilities under these arrangements.

Clearing and Settlement Exchanges

We are a minority equity investor in, and member of, several industry clearing or settlement exchanges through which foreign exchange, securities, or other transactions settle. Certain of these industry clearing or settlement exchanges require their members to guarantee their obligations and liabilities or to provide financial support in the event other members do not honor their obligations. We believe the likelihood that a clearing or settlement exchange (of which we are a member) would become insolvent is remote. Additionally, certain settlement exchanges have implemented loss allocation policies which enable the exchange to allocate settlement losses to the members of the exchange. It is not possible to quantify such mark-to-market loss until the loss occurs. In addition, any ancillary costs that occur as a result of any mark-to-market loss cannot be quantified. At Sept. 30, 2012 and Dec. 31, 2011, no material liabilities were recorded under these arrangements.

Legal proceedings

In the ordinary course of business, BNY Mellon and its subsidiaries are routinely named as defendants in or made parties to pending and potential legal actions and regulatory matters. Claims for significant monetary damages are often asserted in many of these legal actions, while claims for disgorgement, penalties and/or other remedial sanctions may be sought in regulatory matters. It is inherently difficult to predict the eventual outcomes of such matters given their complexity and the particular facts and circumstances at issue in each of these matters. However, on the basis of our current knowledge and understanding, we do not believe that judgments or settlements, if any, arising from these matters (either individually or in the aggregate, after giving effect to applicable reserves and insurance coverage) will have a material adverse effect on the consolidated financial position or liquidity of BNY Mellon, although they could have a material effect on net income in a given period.

In view of the inherent unpredictability of outcomes in litigation and regulatory matters, particularly where (i) the damages sought are substantial or indeterminate, (ii) the proceedings are in the early stages, or (iii) the matters involve novel legal theories or a large number of parties, as a matter of course there is considerable uncertainty surrounding the timing or ultimate resolution of litigation and regulatory matters, including a possible eventual loss, fine, penalty or business impact, if any, associated with each such matter. In accordance with applicable accounting guidance, BNY Mellon establishes reserves for litigation and regulatory matters when those matters proceed to a stage where they present loss contingencies that are both probable and reasonably estimable. In such cases, there may be a possible exposure to loss in excess of any amounts accrued. BNY Mellon will continue to monitor such matters for developments that could affect the amount of the reserve, and will adjust the reserve amount as appropriate. If the loss contingency in question is not both probable and reasonably estimable, BNY Mellon does not establish a reserve and the matter will continue to be monitored for any developments that would make the loss contingency both probable and reasonably estimable. BNY Mellon believes that its accruals for legal proceedings are appropriate and, in the aggregate, are not material to the consolidated financial position of BNY Mellon, although future accruals could have a material effect on net income in a given period.

For certain of those matters described herein for which a loss contingency may, in the future, be reasonably possible (whether in excess of a related accrued liability or where there is no accrued liability), BNY Mellon is currently unable to estimate a range of reasonably possible loss. For those matters where BNY Mellon is able to estimate a reasonably possible loss, exclusive of matters described in Note 11 of the Notes to Consolidated Financial Statements, subject to the accounting and reporting requirements of ASC 740 (FASB Interpretation 48), the aggregate range of such reasonably possible loss is up to $750 million in excess of the accrued liability (if any) related to those matters.

The following describes certain judicial, regulatory and arbitration proceedings involving BNY Mellon:

Sentinel Matters

As previously disclosed, on Jan. 18, 2008, The Bank of New York Mellon filed a proof of claim in the Chapter 11 bankruptcy proceeding of Sentinel Management Group, Inc. ("Sentinel") pending in federal court in the Northern District of Illinois, seeking to recover approximately $312 million loaned to Sentinel and secured by securities and cash in an account maintained by Sentinel at The Bank of New York Mellon. On March 3, 2008, the bankruptcy trustee filed an adversary complaint against The Bank of New York Mellon seeking to disallow The Bank of New York Mellon's claim and seeking damages for allegedly aiding and abetting Sentinel insiders in misappropriating customer assets and improperly using those assets as collateral for the loan. In a decision dated Nov. 3, 2010, the court found for The Bank of New York Mellon and against the bankruptcy trustee, holding that The Bank of New York Mellon's loan to Sentinel is valid, fully secured and not subject to equitable subordination. The bankruptcy trustee appealed this decision, and on August 9, 2012, the United States Court of Appeals for the Seventh Circuit issued a decision affirming the trial court's judgment. On September 7, 2012, the bankruptcy trustee filed a petition for rehearing.

As previously disclosed, in November 2009, the Division of Enforcement of the U.S. Commodities Futures Trading Commission ("CFTC") indicated that it is considering a recommendation to the CFTC that it file a civil enforcement action against The Bank of New York Mellon for possible violations of the Commodity Exchange Act and CFTC regulations in connection with its relationship to Sentinel. The Bank of New York Mellon responded in writing to the CFTC on Jan. 29, 2010 and provided an explanation as to why an enforcement action is unwarranted.

Securities Lending Matters

As previously disclosed, BNY Mellon or its affiliates have been named as defendants in a number of lawsuits initiated by participants in BNY Mellon's securities lending program, which is a part of BNY Mellon's Investment Services business. The lawsuits were filed on various dates from December 2008 to 2012, and are currently pending in courts in New York, South Carolina and North Carolina and in commercial court in London. The complaints assert contractual, statutory, and common law claims, including claims for negligence and breach of fiduciary duty. The plaintiffs allege losses in connection with the investment of securities lending collateral, including losses related to investments in Sigma Finance Inc. ("Sigma"), Lehman Brothers Holdings, Inc. and certain asset-backed securities, and seek damages as to those losses. Two of the pending cases seek to proceed as class actions.

On Oct. 25, 2012, the court entered final approval of a previously-announced settlement of the Oklahoma class action lawsuit concerning Sigma losses. Under the terms of the settlement, The Bank of New York Mellon agreed to pay $280 million in exchange for a complete release of claims in the class action.

Matters Relating To Bernard L. Madoff

As previously disclosed, on May 11, 2010, the New York State Attorney General commenced a civil lawsuit against Ivy Asset Management LLC ("Ivy"), a subsidiary of BNY Mellon that manages primarily funds-of-hedge-funds, and two of its former officers in New York state court. The lawsuit alleges that Ivy, in connection with its role as sub-advisor to investment managers whose clients invested with Madoff, did not disclose certain material facts about Madoff. The complaint seeks an accounting of compensation received from January 1997 to the present by the Ivy defendants in connection with the Madoff investments, and unspecified damages, including restitution, disgorgement, costs and attorneys' fees.

As previously disclosed, on Oct. 21, 2010, the U.S. Department of Labor commenced a civil lawsuit against Ivy, two of its former officers, and others in federal court in the Southern District of New York. The lawsuit alleges that Ivy violated the Employee Retirement Income Security Act ("ERISA") by failing to disclose certain material facts about Madoff to investment managers subadvised by Ivy whose clients included employee benefit plan investors. The complaint seeks disgorgement and damages. On Dec. 8, 2010, the Trustee overseeing the Madoff liquidation sued many of the same defendants in bankruptcy court in New York, seeking to avoid withdrawals from Madoff investments made by various funds-of-funds (including six funds-of-funds managed by Ivy).

As previously disclosed, Ivy or its affiliates have been named in a number of civil lawsuits filed beginning Jan. 27, 2009 relating to certain investment funds that allege losses due to the Madoff investments. Ivy acted as a sub-advisor to the investment managers of some of those funds. Plaintiffs assert various causes of action including

securities and common-law fraud. Certain of the cases have been certified as class actions and/or assert derivative claims on behalf of the funds. Most of the cases have been consolidated in two actions in federal court in the Southern District of New York, with certain cases filed in New York State Supreme Court for New York and Nassau counties.

Medical Capital Litigations

As previously disclosed, The Bank of New York Mellon has been named as a defendant in a number of class actions and non-class actions brought by numerous plaintiffs in connection with its role as indenture trustee for debt issued by affiliates of Medical Capital Corporation. The actions, filed in late 2009 and currently pending in federal court in the Central District of California, allege that The Bank of New York Mellon breached its fiduciary and contractual obligations to the holders of the underlying securities, and seek unspecified damages. On June 7, 2012, The Bank of New York Mellon reached a conditional settlement with the Federal Equity Receiver for Medical Capital Corporation and its affiliates. The plaintiffs have opposed the settlement with the Receiver. They challenge the Receiver's authority to bind them to any settlement, and allege that the settlement is inadequate.

Foreign Exchange Matters

As previously disclosed, beginning in December 2009, government authorities have been conducting inquiries seeking information relating primarily to standing instruction foreign exchange transactions in connection with custody services BNY Mellon provides to public pension plans and certain other custody clients. BNY Mellon is cooperating with these inquiries.

In addition, in early 2011, as previously disclosed, the Virginia Attorney General's Office and the Florida Attorney General's Office each filed a Notice of Intervention in a *qui tam* lawsuit pending in its jurisdiction. These offices filed complaints superseding the *qui tam* lawsuits on Aug. 11, 2011. On May 1, 2012, the Virginia court dismissed the lawsuit in its entirety. On July 10, 2012, the Virginia Attorney General's office filed a motion seeking leave of the court to file an amended complaint. On Oct. 4, 2011, the New York Attorney General's Office, the New York City Comptroller and various city pension and benefit funds filed a lawsuit whereby, among other things, the plaintiffs assert claims under the Martin Act and state and city false claims acts. Also, on Oct. 4, 2011, the United States Department of Justice ("DOJ") filed a civil lawsuit seeking civil penalties under 12 U.S.C. Section 1833a and injunctive relief under 18 U.S.C. Section 1345 based on alleged ongoing violations of 18 U.S.C. Sections 1341 and 1343 (mail and wire fraud). On Jan. 17, 2012, the court approved a partial settlement resolving the DOJ's claim for injunctive relief. In October 2011, several political subdivisions of the state of California intervened in a *qui tam* lawsuit pending in California state court, previously under seal, and, on Nov. 28, 2011, BNY Mellon removed the lawsuit to federal district court in California. On March 30, 2012, the court dismissed certain of plaintiffs' claims, including all claims under the California False Claims Act, and provided plaintiffs an opportunity to file a motion seeking leave to replead. Several plaintiffs also had their claims dismissed for improper venue and one refiled on Sept. 5, 2012 in a different California federal district court. On Oct. 26, 2011, the Massachusetts Securities Division filed an Administrative Complaint against BNY Mellon.

BNY Mellon has also been named as a defendant in several putative class action federal lawsuits filed on various dates in 2011. The complaints, which assert varying claims, including breach of contract, and violations of ERISA, state and federal law, all allege that the prices BNY Mellon charged and reported for standing instruction foreign exchange transactions executed in connection with custody services provided by BNY Mellon were improper. In addition, BNY Mellon has been named as a nominal defendant in several derivative lawsuits filed on various dates in 2011 and 2012 in state and federal court in New York. BNY Mellon has also been named as a defendant in a lawsuit filed on March 12, 2012 in Ohio state court, and subsequently removed to federal district court in Ohio, asserting claims including breach of contract and fraud. BNY Mellon was also named in a *qui tam* lawsuit originally filed under seal in October 2009 in Massachusetts state court, but the plaintiff voluntarily dismissed the lawsuit on May 16, 2012. To the extent these lawsuits are pending in federal court, they have been consolidated for pre-trial purposes in federal court in New York.

Lyondell Litigation

As previously disclosed, in an action filed in New York State Supreme Court for New York County, on Sept. 14, 2010, plaintiffs as holders of debt issued by Basell AF in 2005 allege that The Bank of New York Mellon, as indenture trustee, breached its contractual and fiduciary obligations by executing an intercreditor agreement in 2007 in connection with

Basell's acquisition of Lyondell Chemical Company. Plaintiffs are seeking damages for their alleged losses resulting from the execution of the 2007 intercreditor agreement that allowed the company to increase the amount of its senior debt.

Tax Litigation

As previously disclosed, on Aug. 17, 2009, BNY Mellon received a Statutory Notice of Deficiency disallowing tax benefits for the 2001 and 2002 tax years in connection with a 2001 transaction that involved the payment of U.K. corporate income taxes that were credited against BNY Mellon's U.S. corporate income tax liability. On Nov. 10, 2009, BNY Mellon filed a petition with the U.S. Tax Court contesting the disallowance of the benefits. Trial was held from April 16 to May 17, 2012. The aggregate tax benefit for all six years in question is approximately $900 million, including interest. In the event BNY Mellon is unsuccessful in defending its position, the IRS has agreed not to assess underpayment penalties. See Note 11 of the Notes to Consolidated Financial Statements for additional information.

Mortgage-Securitization Trusts Proceeding

As previously disclosed, The Bank of New York Mellon as trustee is the petitioner in a legal proceeding filed in New York State Supreme Court, New York County on June 29, 2011, seeking approval of a proposed settlement involving Bank of America Corporation and bondholders in certain Countrywide residential mortgage-securitization trusts. The New York and Delaware Attorneys General have intervened in this proceeding.

Note 19 – Review of businesses

We have an internal information system that produces performance data along product and service lines for our two principal businesses and the Other segment.

Organization of our business

On Dec. 31, 2011, BNY Mellon sold its Shareowner Services business. In the first quarter of 2012, we reclassified the results of the Shareowner Services business from the Investment Services business to the Other segment. The reclassification did not impact the consolidated results. All prior periods have been restated.

Business accounting principles

Our business data has been determined on an internal management basis of accounting, rather than the generally accepted accounting principles used for consolidated financial reporting. These measurement principles are designed so that reported results of the businesses will track their economic performance.

Business results are subject to reclassification whenever improvements are made in the measurement principles, or when organizational changes are made.

The accounting policies of the businesses are the same as those described in Note 1 of the Notes to Consolidated Financial Statements in BNY Mellon's 2011 Annual Report.

The operations of acquired businesses are integrated with the existing businesses soon after they are completed. As a result of the integration of staff support functions, management of customer relationships, operating processes and the financial impact of funding acquisitions, we cannot precisely determine the impact of acquisitions on income before taxes and therefore do not report it.

ECONOMIC DISCLOSURE STATEMENT
FILED BY
THE BANK OF NEW YORK MELLON

The Disclosing Party was established in 1784 under the name The Bank of New York and is now a wholly-owned subsidiary of The Bank of New York Mellon Corporation (the "Corporation"). The Corporation has identified 60 predecessor institutions established before 1866, including The Bank of New York.

There are scattered references in the records of the Corporation's pre-1866 predecessors to clients located in the southern states where slavery was practiced during the slavery era. The Corporation's predecessors provided business services to these southern clients which included: issuing loans to individuals, banks and other institutions; maintaining individual and correspondent banking accounts; providing reciprocal banking services for other banks; and providing bond and stock administration and depositary services on behalf of other banks and municipalities. Some of these predecessors may have also invested in bonds and stocks of southern institutions or bonds issued by southern states. The southern states, municipalities, banks, companies and individuals referenced in the records are: Bank of Baltimore; City Bank of Baltimore; Stephen Duncan; DuPlanty, McCall & Co.; Bank of Kentucky; Bank of Maryland; State of Maryland; Bank of Montgomery; Bank of North Carolina; Bank of South Carolina; New Orleans Canal and Banking Company; City of New Orleans; Commercial Bank of New Orleans; Planters Bank of Mississippi; Simsville Cotton Factory; Southern Life Insurance and Trust Company; Planters Bank of Tennessee; State of Tennessee. The Bank of New York also held one or more bank accounts on behalf of Charles P. Leverich and/or his New York company Charles P. Leverich & Co. ("Leverich & Co."). Leverich was a director of The Bank of New York from 1840 to 1876, and also was a Vice President (1853-1863) and President (1863-1876) of the Bank. Leverich & Co. was a New York cotton broker which had extensive dealings with southern clients from the 1830s through 1879, when the firm was dissolved. Leverich & Co. also acted as a factor for southern planters. It also appears that that Leverich & Co. may have helped manage a plantation -- James Porter's Oak Lawn in Bayou Teche, Louisiana -- for one of its southern clients.

Based on the Corporation's research, there are indications in United States census records for the period 1790 to 1860 that some directors of The Bank of New York and some officers and directors of the Farmer's Bank of the State of Delaware may have owned slaves before, during and/or after their association with such institutions.

A predecessor of the Corporation, the New York Life Insurance and Trust Company ("NYLITC") (which bears no relation to the present New York Life Insurance Company), was founded in 1830 and merged with The Bank of New York in 1922. NYLITC issued life insurance policies to some of its clients, including a few individuals who resided in the southern states where slavery was practiced during the slavery era. There are no indications in the records that NYLITC issued any slaveholder insurance policies.

The records of NYLITC reflect that in 1842, NYLITC loaned a sum of money to the Southern Life Insurance and Trust Company ("Southern Life"). This loan was secured by an assignment to NYLITC of several mortgages originated and held by Southern Life, including a mortgage dated April 1, 1837, on "Hanson's Plantation," located in St. John's County, near St. Augustine, Florida, and owned by John Hanson and Margaret Cook. This Southern Life mortgage included a pledge of 21 named slaves. The names and ages of these slaves are recorded in the NYLITC ledger entry for the loan and are listed in Appendix A to this statement. There are no indications in the records that Southern Life ever defaulted on this loan, or that NYLITC ever foreclosed on any of the assigned mortgages.

ORDINANCE

WHEREAS, the City of Chicago (the "City"), is a home rule unit of government under Article VII, Section 6(a) of the Constitution of the State of Illinois, and as such may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the City is authorized under its home rule powers to regulate the use and development of land; and

WHEREAS, it is a reasonable condition of development approval to ensure that adequate open space and recreational facilities exist within the City; and

WHEREAS, on April 1, 1998, the City Council of the City (the "City Council") adopted the Open Space Impact Fee Ordinance codified at Chapter 18 of Title 16 (the "Open Space Ordinance") of the Municipal Code of Chicago (the "Code") to address the need for additional public space and recreational facilities for the benefit of the residents of newly created residential developments in the City; and

WHEREAS, the Open Space Ordinance authorizes, among other things, the collection of fees from residential developments that create new dwelling units without contributing a proportionate share of open space and recreational facilities for the benefit of their residents as part of the overall development (the "Fee-Paying Developments"); and

WHEREAS, pursuant to the Open Space Ordinance, the Department of Revenue ("DOR") has collected fees derived from the Fee-Paying Developments (the "Open Space Fees") and has deposited those fees in separate funds, each fund corresponding to the Community Area (as defined in the Open Space Ordinance), in which each of the Fee-Paying Developments is located and from which the Open Space Fees were collected; and

WHEREAS, the Department of Housing and Economic Development ("HED") has determined that the Fee-Paying Developments built in the Community Areas listed on Exhibit A attached hereto have deepened the already significant deficit of open space in those Community Areas, which deficit was documented in the comprehensive plan entitled "The CitySpace Plan," adopted by the Chicago Plan Commission on September 11, 1997 and adopted by the City Council on May 20, 1998 pursuant to an ordinance published at pages 69309-69311 of the Journal of the Proceedings of the City Council (the "Journal") of the same date; and

WHEREAS, the Public Building Commission of Chicago (the "PBC') is the owner of parcels of land on the campuses of Armstrong Elementary School and Hearst Elementary School, as described on Exhibit A hereto (collectively, the "Property");

WHEREAS, Openlands, a 501(C)(3) Illinois not-for-profit corporation, is dedicated to preserving and creating open space;

WHEREAS, the City and Openlands desire to create school gardens at the above mentioned schools (the "Project") for the benefit and use of the above mentioned school and the respective Community Area in which it is located; and

WHEREAS, the City desires to grant Openlands impact fee funds to pay for construction costs associated with building the gardens at the Property; and

WHEREAS, HED desires to provide to Openlands Open Space Fees in an amount not to exceed $313,423 (the "Grant") for the Project; and to create open spaces and recreational facilities in the Community Areas listed on Exhibit A; and

WHEREAS, the Open Space Ordinance requires that the Open Space Fees be used for open space acquisition and capital improvements, which provide a direct and material benefit to the new development from which the fees are collected; and

WHEREAS, the Open Space Ordinance requires that the Open Space Fees be expended within the same or a contiguous Community Area from which they were collected after a legislative finding by the City Council that the expenditure of the Open Space Fees will directly and materially benefit the developments from which the Open Space Fees were collected; and

WHEREAS, HED has determined that the use of the Open Space Fees to fund the Project will provide a direct and material benefit to each of the Fee-Paying Developments from which the Open Space Fees were collected; and

WHEREAS, HED has determined that Open Space Fees to be used for the purposes set forth herein have come from the specific fund set up by DOR for the corresponding Community Area in which a Fee-Paying Development is located and from which the Open Space Fees were collected; and

WHEREAS, HED has recommended that the City Council approve the use of the Open Space Fees for the purposes set forth herein and on Exhibit A through this ordinance; and

WHEREAS, HED has recommended that the City Council make a finding that the expenditure of the Open Space Fees as described herein will directly and materially benefit the Fee-Paying Developments from which the Open Space Fees were collected; now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The above recitals are expressly incorporated in and made part of this ordinance as though fully set forth herein.

SECTION 2. The City Council hereby finds that the expenditure of the Open Space Fees will directly and materially benefit the residents of those Fee-Paying Developments from which the Open Space Fees were collected and approves the use of the Open Space Fees for the purposes described herein.

SECTION 3. The Commissioner of HED (the "Commissioner") or a designee of the Commissioner are each hereby authorized, subject to the approval of the Corporation Counsel to enter into an grant agreement with Openlands in connection with the Project, in substantially the form attached hereto as Exhibit B and to provide Open Space Fees proceeds to the Openlands in an amount not to exceed $313,423 from the corresponding funds to pay for expenses permitted under the Open Space Ordinance.

SECTION 4. Open Space Fees in the amounts on Exhibit A from the Community Areas' Open Space Fees Funds are hereby appropriated for the purposes described herein.

SECTION 5. To the extent that any ordinance, resolution, rule, order or provision of the Code, or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall control. If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any other provisions of this ordinance.

SECTION 6. This ordinance shall be in full force and effect from and after the date of its passage.

NOW THEREFORE, in consideration of the mutual covenants and agreements contained herein, the above recitals which are made a contractual part of this Agreement, and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, the City and Grantee agree as follows:

SECTION 1. THE GRANT

1.1. Subject to the provisions set forth in this Agreement, the City will disburse the Grant to reimburse Grantee for all or part of the cost of completing the Project in accordance with the budget attached to this Agreement as Exhibit B (the "Budget"), which budget is hereby approved by HED, and only after Grantee has submitted Certificate(s) of Expenditure to HED (as defined below) along with such supporting documentation as the City may reasonably require.

1.2 Grantee may request that certificate(s) of expenditure substantially in the form attached hereto ("Certificates of Expenditure") as Exhibit E be processed and executed periodically. The City will not execute Certificates of Expenditure in the aggregate in excess of the actual cost of the Project. Prior to each execution of a Certificate of Expenditure by the City, Grantee must submit documentation regarding the applicable expenditures to HED. Delivery by Grantee to HED of any request for execution by the City of a Certificate of Expenditure hereunder will, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for execution of a Certificate of Expenditure, that,

(a) the total amount of the request for the Certificates of Expenditure represents the actual amount payable to (or paid to) the general contractor, subcontractors, and other parties who have performed work on or otherwise provided goods or services in connection with the Project, and/or their payees;

(b) all amounts shown as previous payments on the current request for a Certificate of Expenditure have been paid to parties entitled to such payment;

(c) Grantee has approved all work and materials for the current request for a Certificate of Expenditure, and such work and materials conform to the Drawings (hereinafter defined); and

(d) Grantee is in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Grantee as related thereto.

1.3. Grantee hereby acknowledges and agrees that the Grant must be used exclusively for the Project. If the Grant should exceed the costs of the Project, Grantee must repay to the City any such excess Grant funds received by Grantee.

1.4. Grantee is solely responsible for any fees, costs and expenses of the Project in excess of the amount of the Grant and will hold the City harmless from all such excess fees, costs and expenses. Notwithstanding anything to the contrary in this Agreement, in no event will the City or Grantee be responsible for any cost or expenses of the Project exceeding the Budget. In the

event that either party believes that the Budget may not provide sufficient funds for the construction of the Project, such party must notify the other party and the parties must cooperate to modify the Project so that it can be completed in accordance with the Budget.

1.5. The source of funds for the City's obligations under this Agreement are funds identified by CAPS Codes: PS01 131 54 5001 2604 (Armstrong) and PS56 131 54 5026 2604 (Hearst). Grantee hereby acknowledges and agrees that the City's obligations hereunder are subject in every respect to the availability of funds as described in and limited by this Section 1.5. If no funds or insufficient funds are appropriated and budgeted in any fiscal period of the City for disbursements of the Grant, then the City will notify Grantee in writing of that occurrence, and Grantee will have the right, but not the obligation to terminate this Agreement by written notice to the City.

SECTION 2. DEVELOPMENT AND CONSTRUCTION OF THE PROJECT

A. **Title Commitment and Insurance; Survey**. Grantee must be responsible for obtaining, at its own expense, any title commitment or title policy and survey with respect to the Property that it deems necessary.

B. **Construction Documents and Landscape Plan**. Grantee has developed the construction documents and a plan for the Project (the "Drawings") as shown on Exhibit C. No material deviation from the Drawings will be made without the prior written approval of HED, which approval will not be unreasonably withheld, conditioned or delayed. The approval of the Drawings by HED are for the purposes of this Agreement only and other than as set forth in the Drawings, no structures or improvements are to be constructed on the Property by Grantee without the prior written approval of HED, which approval will not be unreasonably withheld, conditioned or delayed and will not constitute the approval required by the City's Department of Buildings, or any other Department of the City.

C. **Schedule**. Grantee has prepared a preliminary schedule for the development and construction of the Project as set forth on Exhibit D (the "Schedule"). No material deviation from the Schedule will be made without the prior written approval of HED, which approval will not be unreasonably withheld, conditioned or delayed. Notwithstanding the foregoing, in no event will the approval of HED be required for any changes to the Schedule required because of the City's failure to approve and pay any Certificate of Expenditure, or required in connection with any force majeure event.

D. **Use**. The Project must be utilized as open space for use by the public for and on behalf of the City. This Agreement does not confer any special rights upon Grantee or any other person or entity to use the Project for private parties or events. The use of alcohol on the Property by any person or entity is strictly prohibited.

E. **Certification.** Grantee must submit a payment certification form as attached as Exhibit E prior to any Grant funds being released.

SECTION 3. TERM OF AGREEMENT

Term of Agreement. The term of this Agreement will commence as of the Closing Date and, unless otherwise terminated as provided in this Agreement, will expire on the second anniversary of the Closing Date. Notwithstanding the foregoing, if Grantee modifies the Schedule pursuant to Section 2(c) of this Agreement and such modification extends beyond the term, the term will be adjusted accordingly.

SECTION 4. COVENANTS AND REPRESENTATIONS

Grantee hereby warrants, represents and/or covenants to the City that:

4.1. Grantee will use the Grant solely for the Project and to pay for eligible costs as determined in the sole discretion of the City and outlined on Exhibit B.

4.2. Grantee will comply with all applicable federal, state, and local statutes, laws, ordinances, rules, regulations and executive orders that are in effect from time to time that pertain to or affect the Project, Grantee, or the Grant. Upon the City's request, Grantee will provide evidence of such compliance satisfactory to the City.

4.3. Grantee agrees that provisions required to be inserted in this Agreement by laws, ordinances, rules, regulations or executive orders are deemed inserted whether or not they appear in this Agreement and that in no event will the failure to insert such provisions prevent the enforcement of this Agreement.

4.4. Grantee has full power and authority to enter into and perform its obligations under this Agreement, and the signing and delivery of this Agreement and the performance of its obligations under this Agreement have been duly authorized by all requisite corporate action.

4.5. Signing, delivery and performance by Grantee of this Agreement does not violate its bylaws, articles of incorporation, resolutions or any applicable provision of law, or constitute a material breach of, default under or require any consent under, any agreement, instrument or document, including any related to borrowing monies, to which Grantee is party or by which it is bound.

4.6. There are no actions or proceedings by or before any court, governmental commission, board, bureau or any other administrative agency pending, threatened or affecting Grantee that would materially impair its ability to perform under this Agreement.

4.7. Grantee is not in default on any loan or borrowing that may materially affect its ability to perform under this Agreement.

4.8. If the Grant, or a portion thereof, is used for construction, Grantee and all its contractors and subcontractors must meet labor standards and prevailing wage standards required by federal, state and City laws, regulations and ordinances.

4.9. Grantee must maintain and keep in force, at its sole cost and expense, at all times during the term of this Agreement, insurance in such amounts and of such type as set forth in Section 6 below.

4.10. Grantee must at all times perform its work in fulfilling its corporate mission with the utmost care, skill and diligence in accordance with the applicable standards currently recognized in the community.

4.11. Grantee is an Illinois not-for-profit corporation exempt from federal income taxation pursuant to Section 501(c)(3) of the Internal Revenue Code of 1986; and has provided the City a copy of the Internal Revenue Service Determination Letter evidencing such exemption. Grantee must at all times during the term of this Agreement maintain such tax-exempt status.

4.12. Grantee must comply with all policies issued by the City relating to Illinois not-for-profit corporations and federal tax-exempt entities, as such policies may be modified, amended or supplemented from time to time.

4.13. The Parties agree that the PBC will maintain the Project improvements on the Property in a condition and manner acceptable to the City.

4.14. It is the duty of Grantee and any bidder, proposer, subcontractor and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of Grantee and any such bidder, proposer, subcontractor or such applicant to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. Grantee represents that it understands and will abide by all provisions of Chapter 2-56 of the Municipal Code and that it will inform all contractors and subcontractors hired by Grantee in connection with this Agreement of this provision in writing and require their compliance.

It is the duty of the Grantee and any bidder, proposer, subcontractor and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of Grantee and any such bidder, proposer, subcontractor or such applicant to cooperate with the Legislative Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-55 of the Municipal Code. Grantee represents that it understands and will abide by all provisions of Chapter 2-55 of the Municipal Code and that it will inform all contractors and subcontractors hired by Grantee in connection with this Agreement of this provision in writing and require their compliance.

4.15 Failure by Grantee or any controlling person (as defined in Section 1-23-010 of the Municipal Code) thereof to maintain eligibility to do business with the City as required by Section 1-23-030 of the Municipal Code will be grounds for termination of this Agreement and the transactions contemplated hereby.

4.16 Independent Contractor

(a) The Grantee shall perform under this Agreement as an independent contractor to the City and not as a representative, employee, agent or partner of the City.

(b) The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "**Shakman Accord**") and June 24, 2011 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United State District Court for the Northern District of Illinois). Among other things, the Shakman Accord

and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(c) Grantee is aware that City policy prohibits City employees from directing any individual to apply for a position with Grantee, either as an employee or as a subcontractor, and from directing Grantee to hire an individual as an employee or as a subcontractor. Accordingly, Grantee must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Grantee under this Agreement are employees or subcontractors of Grantee, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Grantee.

(d) Grantee will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(e) In the event of any communication to Grantee by a City employee or City official in violation of Section (c) above, or advocating a violation of Section (d) above, Grantee will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight") and also to the head of HED. Grantee will also cooperate with any inquiries by IGO Hiring Oversight or the Shakman Monitor's Office related to this Agreement.

4.17 FOIA and Local Records Act Compliance

(a) FOIA. Grantee acknowledges that the City is subject to the Illinois Freedom of Information Act, 5ILCS 140/1 et. seq., as amended (**"FOIA"**). The FOIA requires the City to produce records (very broadly defined in FOIA) in response to a FOIA request in a very short period of time, unless the records requested are exempt under the FOIA. If Grantee receives a request from the City to produce records within the scope of FOIA, then Grantee covenants to comply with such request within 48 hours of the date of such request. Failure by Grantee to timely comply with such request will be a breach of this Agreement.

(b) Exempt Information. Documents that Grantee submits to the City during the term of the Agreement that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents submitted by Grantee to be treated as a trade secret or information that would cause competitive harm, FOIA requires that Grantee mark any such documents as "proprietary, privileged or confidential." If Grantee marks a document as "proprietary, privileged and confidential", then HED will evaluate whether such document may be withheld under the FOIA. HED, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General's Office and/or the courts.

(c) Local Records Act. Grantee acknowledges that the City is subject to the Local Records Act, 50 ILCS 205/1 et. seq, as amended (the "**Local Records Act**"). The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, Grantee covenants to use its best efforts consistently applied to assist the City in its compliance with the Local Records Act concerning records arising under or in connection with this Agreement and the transactions contemplated in the Agreement.

SECTION 5. ENVIRONMENTAL MATTERS

5.1. It will be the responsibility of Grantee to investigate and determine the soil and environmental condition of the Property, if deemed necessary, including obtaining phase I and, if applicable, phase II environmental audits for the Property. The City makes no covenant, representation or warranty as to the environmental condition of the Property or the suitability of the Property for any use whatsoever.

5.2. Grantee agrees to carefully inspect the Property and all easements or other agreements recorded against the Property prior to commencement of any activity on the Property to ensure that such activity will not damage surrounding property, structures, utility lines or any subsurface lines or cables. Grantee must be solely responsible for the safety and protection of the public on the portions of the Property affected by the Project, until the portion of the Project on each portion of the Property is completed. The City reserves the right to inspect the work being done on the Property. Grantee agrees to keep the Property free from all liens and encumbrances arising out of any work performed, materials supplied or obligations incurred by or for Grantee.

5.3. Prior to inspecting the Property, Grantee or its subcontractors, if any, must obtain insurance in accordance with Section 6 below, all necessary permits and, if applicable, a right of entry.

SECTION 6. INSURANCE

6.1. Grantee must provide and maintain at Grantee's own expense, or cause to be provided during the term of this Agreement, the insurance coverages and requirements specified below, as applicable, insuring all operations related to this Agreement.

INSURANCE TO BE PROVIDED

6.1.1. Workers Compensation and Employers Liability. Workers Compensation Insurance, as prescribed by applicable law, covering all employees who are to provide a service under this Agreement and Employers Liability coverage with limits of not less than $100,000 each accident or illness.

6.1.2. Commercial General Liability (Primary and Umbrella). Commercial General Liability Insurance or equivalent with limits of not less than $2,000,000 per occurrence for bodily injury, personal injury, and property damage liability. Coverages must include the following: All premises and operations, products/completed operations, explosion, collapse, underground, separation of insureds, defense, and contractual liability (not to include Endorsement CG 21 39 or equivalent). The City is to be named as an additional insured on a primary, non-contributory basis for any liability arising directly or indirectly from the work or services.

Subcontractors performing work or services for Grantee must maintain limits of not less than $1,000,000 with the same terms in this subsection.

6.1.3. Automobile Liability (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with the services to be performed, Grantee must provide or cause to be provided, Automobile Liability Insurance with limits of not less than $1,000,000 per occurrence for bodily injury and property damage. The City is to be named as an additional insured on a primary, non-contributory basis.

6.1.4. Professional Liability. When any architects, engineers, project managers, administrators or other professional consultants perform work in connection with this Agreement, Professional Liability Insurance covering acts, errors, or omissions must be maintained or caused to be maintained, with limits of not less than $1,000,000. When policies are renewed or replaced, the policy retroactive date must coincide with, or precede, start of work on the Agreement. A claims-made policy which is not renewed or replaced must have an extended reporting period of two (2) years.

6.1.5 Valuable Papers. When any designs, drawings, media, data, records, reports and other documents are produced or used under this Agreement, Valuable Papers Insurance must be maintained in an amount to insure against any loss whatsoever, and must have limits sufficient to pay for the re-creation and reconstruction of such records.

6.1.6 Contractors Pollution Liability. When any remediation work is performed which may cause a pollution exposure, Contractors Pollution Liability must be provided or cause to be provided, covering bodily injury, property damage and other losses caused by pollution conditions that arise from the contract scope of services with limits of not less than $1,000,000 per occurrence. Coverage must include completed operations, contractual liability, defense, excavation, environmental cleanup, remediation and disposal. When policies are renewed or replaced, the policy retroactive date must coincide with or precede, start of work on the Agreement. A claims-made policy which is not renewed or replaced must have an extended reporting of two (2) years. The City is to be named as an additional insured on a primary, non-contributory basis.

6.2. **ADDITIONAL REQUIREMENTS.** Grantee must furnish the City of Chicago, Department of Housing and Economic Development, 121 N. LaSalle Street, Room 1101, Chicago, Illinois 60602, original Certificates of Insurance, or such similar evidence, to be in force on the date of this Agreement, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the term of this Agreement. Grantee must submit evidence of insurance on the City's Insurance Certificate Form (copy attached as Exhibit F) or equivalent prior to execution of the Agreement. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in this Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Grantee is not a waiver by the City of any requirements for Grantee to obtain and maintain the specified coverages. Grantee must advise all insurers of the provisions of this Agreement regarding insurance. Non-conforming insurance does not relieve Grantee of the obligation to provide insurance as specified in this Agreement. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to suspend this Agreement until proper evidence of insurance is provided, or the Agreement may be terminated.

The insurance must provide for sixty (60) days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

Any deductibles or self insured retentions on referenced insurance coverages must be borne by Grantee.

Grantee agrees that insurers waive their rights of subrogation against the City, its employees, elected officials, agents, or representatives.

The coverages and limits furnished by Grantee in no way limit Grantee's liabilities and responsibilities specified within the Agreement or by law.

Any insurance or self-insurance programs maintained by the City do not contribute with insurance provided by Grantee under this Agreement.

The required insurance to be carried out is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If Grantee is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

Grantee must require all subcontractors to provide insurance required in this Agreement, or Grantee may provide the coverages for subcontractors. All subcontractors are subject to the same insurance requirements of Grantee unless otherwise specified in this Agreement.

If Grantee or its subcontractors desire additional coverages, the party desiring additional coverages is responsible for the acquisition and cost.

Notwithstanding any provision in the Agreement to the contrary, the City's Risk Management Department maintains the right to modify, delete, alter or change these requirements.

SECTION 7. INDEMNIFICATION

Grantee will indemnify and defend the City, its officials, agents and employees (the "City Indemnitees") against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, attorneys' and expert witnesses' fees and court costs) the City Indemnitees suffer or incur arising from or in connection with the actions or omissions of Grantee and/or any contractors or subcontractors in implementing the Project, if any, or Grantee's breach of this Agreement. This defense and indemnification obligation survives any termination or expiration of this Agreement.

SECTION 8. NO LIABILITY OF OFFICIALS

No elected or appointed official or member or employee or agent of the City will be charged personally by Grantee or by an assignee or subcontractor, with any liability or expenses of defense or be held personally liable under any term or provision of this Agreement because of their execution or attempted execution or because of any breach hereof.

SECTION 9. DEFAULT AND REMEDIES

9.1. If Grantee, without the City's written consent (which consent will not be unreasonably withheld, conditioned or delayed) defaults by failing to perform any of its obligations under this Agreement then the City may terminate this Agreement if such default is not cured as provided in Section 9.2 below. If the City so terminates this Agreement, Grantee must repay the City promptly any amounts received pursuant to this Agreement and not yet applied to the Project.

9.2. Prior to termination, the City will give Grantee 30 days' advance written notice of the City's intent to terminate stating the nature of the default. If Grantee does not cure the default within the 30-day period, the termination will become effective at the end of the period. With respect to those defaults that are not capable of being cured within the 30-day period, Grantee will not be deemed to be in default if it has begun to cure the default within the 30-day period and thereafter diligently and continuously prosecutes the cure of the default until cured.

9.3. Either Party may, in any court of competent jurisdiction, by any proceeding at law or in equity, seek the specific performance of this Agreement, or damages for failure of performance, or both.

SECTION 10. NO BUSINESS RELATIONSHIPS WITH ELECTED OFFICIALS

10.1. Pursuant to Section 2-156-030(b) of the Code, it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected official has a business relationship, or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a business relationship. Violation of Section 2-156-030(b) by any elected official with respect to this Agreement will be grounds for termination of this Agreement. The term business relationship is defined in Section 2-156-080 of the Code.

10.2. Section 2-156-080 of the Code defines a "business relationship" as any contractual or other private business dealing of an official, or his or her spouse, or of any entity in which an official or his or her spouse has a financial interest, with a person or entity which entitles an official to compensation or payment in the amount of $2,500 or more in a calendar year; provided, however, a financial interest will not include: (i) any ownership through purchase at fair market value or inheritance of less than 1 percent of the share of a corporation, or any corporate subsidiary, parent or affiliate thereof, regardless of the value of or dividends on such shares, if such shares are registered on a securities exchange pursuant to the Securities Exchange Act of 1934, as amended; (ii) the authorized compensation paid to an official or employee for his office or employment; (iii) any economic benefit provided equally to all residents of the City; (iv) a time or demand deposit in a financial institution; or (v) an endowment or insurance policy or annuity contract purchased from an

insurance company. A "contractual or other private business dealing" will not include any employment relationship of an official's spouse with an entity when such spouse has no discretion concerning or input relating to the relationship between that entity and the City.

SECTION 11. GENERAL CONDITIONS

11.1. Assignment. This Agreement, or any portion thereof, will not be assigned by either Party without the express prior written consent of the other Party which consent will not be unreasonably withheld, conditioned or delayed.

Prior to commencing any subsequent phase of the Project, the Developer shall submit updated site plans to DHED for approval. The term "Plans" as used herein shall refer to the updated plans and specifications upon DHED's written approval of the same. No material deviation from the Plans may be made without the prior written approval of DHED. The Plans shall at all times conform to the Englewood Neighborhood TIF Plan or the 47th/Halsted TIF Plan, as applicable, and all applicable Laws.

11.2 Relocation of Utilities, Curb Cuts and Driveways. The Developer shall be solely responsible for and shall pay all costs associated with: (a) the relocation, installation or construction of public or private utilities, curb cuts and driveways; (b) the repair or reconstruction of any curbs, vaults, sidewalks or parkways required in connection with or damaged as a result of the Developer's construction of the Project; (c) the removal of existing pipes, utility equipment or building foundations; and (d) the termination or relocation of existing water or other utility services if any of this work is required for the Project or is required by the City in connection with the vacation by the City of any streets or alleys described in Exhibit E. Except to the extent preempted by federal law, the City shall have the right to approve any streetscaping provided by the Developer as part of the Project, including, without limitation, any paving of sidewalks, landscaping and lighting.

11.3 City's Right to Inspect Property. For the period commencing on the Closing Date and continuing through the date the Developer completes the Project, any duly authorized representative of the City shall have access to the Property at all reasonable times for the purpose of determining whether the Developer is constructing the Project in accordance with the terms of this Agreement and all applicable Laws; provided that anyone entering the Property must abide by all reasonable safety requirements of the Developer when exercising such rights.

11.4 Barricades and Signs. The Developer shall, at its sole cost and expense, erect and maintain such signs as the City may reasonably require during the Project, identifying the site as a City redevelopment project. The City reserves the right to include the name, photograph, artistic rendering of the Project and other pertinent information regarding the Developer, the Property and the Project in the City's promotional literature and communications. Prior to the commencement of any construction activity requiring barricades, the Developer shall install barricades of a type and appearance satisfactory to the City and constructed in compliance with all applicable Laws. Except to the extent preempted by federal law, DHED shall have the right to approve the maintenance, appearance, color scheme, painting, nature, type, content and design of all barricades. The Developer shall erect all signs and barricades so as not to interfere with or affect any bus stop or train station in the vicinity of the Property.

SECTION 12. LIMITED APPLICABILITY.

Any approval given by DHED pursuant to this Agreement is for the purpose of this Agreement only and does not constitute the approval required by the City's Department of Buildings or any other City department, nor does such approval constitute an approval of the quality, structural soundness or safety of any improvements located or to be located on the Property, or the compliance of said improvements with any Laws, private covenants, restrictions of record, or any agreement affecting the Property or any part thereof.

SECTION 13. COMMENCEMENT AND COMPLETION OF CONSTRUCTION.

The Developer shall commence construction of the First Phase within (3) months following the issuance of the Governmental Approvals described in Section 8, and shall complete the First Phase (as evidenced by the issuance of the First Phase Certificate of Completion) no later than two (2) years from the commencement thereof. DHED, in its sole discretion, may extend the construction commencement and completion dates for good cause by issuing a written extension letter. The Developer shall give written notice to the City within five (5) days after it commences construction. The Developer shall submit to the City anticipated commencement and completion dates for the construction of subsequent phases of the Project, in advance of commencing such phases. The Developer shall construct the Project in accordance with the Plans and all applicable Laws, except to the extent preempted by federal law, and covenants and restrictions of record.

SECTION 14. CERTIFICATES OF COMPLETION.

A. The Developer shall request from the City a certificate of completion ("First Phase Certificate of Completion") upon the completion of the First Phase in accordance with this Agreement. Within forty-five (45) days after receipt of a written request by the Developer for a First Phase Certificate of Completion, the City shall provide the Developer with either the First Phase Certificate of Completion or a written statement indicating in adequate detail how the Developer has failed to complete the First Phase in conformity with this Agreement, or is otherwise in default, and what measures or acts will be necessary, in the sole opinion of the City, for the Developer to take or perform in order to obtain the First Phase Certificate of Completion. If the City requires additional measures or acts to assure compliance, the Developer shall resubmit a written request for the First Phase Certificate of Completion upon compliance with the City's response. The First Phase Certificate of Completion shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of the covenants in this Agreement and the Deed with respect to the Developer's obligations to construct the First Phase. The First Phase Certificate of Completion shall not, however, constitute evidence that the Developer has complied with any Laws relating to the construction of the First Phase or the Project, and shall not serve as any "guaranty" as to the quality of the construction. Nor shall the First Phase Certificate of Completion release the Developer from its obligation to comply with the other terms, covenants and conditions of this Agreement.

B. The Developer shall request from the City a certificate of completion ("M/WBE Certificate of Completion") upon the Developer's satisfaction of the Employment Obligations set forth in Section 24 of this Agreement. The Developer's request must include a copy of the compliance letter issued by DHED evidencing the Developer's compliance with such requirements. Within forty-five (45) days after receipt of a written request by the Developer for

an M/WBE Certificate of Completion, the City shall provide the Developer with either the M/WBE Certificate of Completion or a written statement indicating in adequate detail how the Developer has failed to satisfy the Employment Obligations set forth in Section 24, or is otherwise in default, and what measures or acts will be necessary, in the sole opinion of the City, for the Developer to take or perform in order to obtain the M/WBE Certificate of Completion. If the City requires additional measures or acts to assure compliance, the Developer shall resubmit a written request for the M/WBE Certificate of Completion upon compliance with the City's response. The M/WBE Certificate of Completion shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of the covenants in this Agreement and the Deed with respect to the Developer's obligations to comply with the Employment Obligations set forth in Section 24 of this Agreement. The M/WBE Certificate of Completion shall not, however, constitute evidence that the Developer has complied with any Laws relating to the construction of the Project, and shall not serve as any "guaranty" as to the quality of the construction. Nor shall the M/WBE Certificate of Completion release the Developer from its obligation to comply with the other terms, covenants and conditions of this Agreement.

SECTION 15. RESTRICTIONS ON USE.

The Developer, for itself and its successors and assigns, agrees as follows:

15.1 The Developer shall (a) use the City Parcels located within the Englewood Neighborhood TIF Area in compliance with the Englewood Neighborhood TIF Plan and (b) use the City Parcels located within the 47th/Halsted TIF Area in compliance with the 47th/Halsted TIF Plan, as applicable.

15.2 The Developer shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the sale, lease, rental, use or occupancy of the Property or the Project or any part thereof.

15.3 The Developer shall construct the First Phase in accordance with this Agreement, the Plans, all applicable Laws and covenants, and restrictions of record.

The Developer, for itself and its successors and assigns, acknowledges and agrees that the development and use restrictions set forth in this Section 15 constitute material, bargained-for consideration for the City and are intended to further the public policies set forth in the Englewood Neighborhood TIF Plan and the 47th/Halsted TIF Plan, as applicable.

SECTION 16. PROHIBITION AGAINST SALE OR TRANSFER OF CITY PARCELS PRIOR TO ISSUANCE OF THE M/WBE CERTIFICATE OF COMPLETION.

Prior to the issuance of the M/WBE Certificate of Completion, the Developer may not, without the prior written consent of DHED, which consent shall be in DHED's sole discretion: (a) directly or indirectly sell, transfer or otherwise dispose of the City Parcels or any part thereof or any interest therein or the Developer's controlling interests therein (including, without limitation, a transfer by assignment of any beneficial interest under a land trust); or (b) directly or indirectly assign this Agreement. The Developer acknowledges and agrees that DHED may withhold its consent under (a) or (b) above if, among other reasons, the proposed purchaser, transferee or assignee (or such entity's principal officers or directors) is in violation of any Laws,

or if the Developer fails to submit sufficient evidence of the financial responsibility, business background and reputation of the proposed purchaser, transferee or assignee. If the Developer is a business entity, no principal party of the Developer (e.g., a general partner, member, manager or shareholder) may sell, transfer or assign any of its interest in the entity prior to the expiration of the Compliance Period to anyone other than another principal party, without the prior written consent of DHED, which consent shall be in DHED's sole discretion. The Developer must disclose the identity of all limited partners to the City at the time such limited partners obtain an interest in the Developer.

SECTION 17. LIMITATION UPON ENCUMBRANCE OF CITY PARCELS PRIOR TO ISSUANCE OF M/WBE CERTIFICATE OF COMPLETION.

Prior to the issuance of the M/WBE Certificate of Completion for the Project, the Developer shall not, without DHED's prior written consent, which shall be in DHED's sole discretion, engage in any financing or other transaction which would create an encumbrance or lien on the City Parcels.

SECTION 18. MORTGAGEES NOT OBLIGATED TO CONSTRUCT.

[Intentionally omitted.]

SECTION 19. COVENANTS RUNNING WITH THE LAND.

The parties agree, and the Deed shall so expressly provide, that the covenants, agreements, releases and other terms and provisions contained in Section 13 (Commencement and Completion of Project), Section 15 (Restrictions on Use), Section 16 (Prohibition Against Sale or Transfer of Property), Section 17 (Limitation Upon Encumbrance of Property), and Section 23.4 (Release for Environmental Conditions) touch and concern and shall be appurtenant to and shall run with the Property. Such covenants, agreements, releases and other terms and provisions shall be binding on the Developer and its successors and assigns to the fullest extent permitted by law and equity for the benefit and in favor of the City, and shall be enforceable by the City. Such covenants, agreements, releases and other terms and provisions shall terminate as follows: Sections 13, 15.3 and 17 upon the issuance of the M/WBE Certificate of Completion; Section 15.1(a) upon the expiration of the Englewood Neighborhood TIF Plan; Section 15.1(b) upon the expiration of the 47th/Halsted TIF Plan; Section 16 upon the issuance of the M/WBE Certificate of Completion; and Sections 15.2 and 23.4 with no limitation as to time.

SECTION 20. PERFORMANCE AND BREACH.

20.1 Time of the Essence. Time is of the essence in the Developer's performance of its obligations under this Agreement.

20.2 Event of Default. The occurrence of any one or more of the following shall constitute an "Event of Default" under this Agreement:

(a) the failure of the Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer under this Agreement or any related agreement;

(b) the failure of the Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer under any other agreement with any person or entity if such failure may have a material adverse effect on the Developer's business, property, assets, operations or condition, financial or otherwise;

(c) the making or furnishing by the Developer of any warranty, representation, statement, certification, schedule or report to the City (whether in this Agreement, an Economic Disclosure Statement or another document) which is untrue or misleading in any material respect;

(d) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of, or any attempt to create, any lien or other encumbrance upon the Property, or the making or any attempt to make any levy, seizure or attachment thereof;

(e) the commencement of any proceedings in bankruptcy by or against the Developer or for the liquidation or reorganization of the Developer, or alleging that the Developer is insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of the Developer's debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing, for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving the Developer; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings;

(f) the appointment of a receiver or trustee for the Developer for the Project, for any substantial part of the Developer's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of the Developer; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within sixty (60) days after the commencement thereof;

(g) the entry of any judgment or order against the Developer which is related to the Property and remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution;

(h) the dissolution of the Developer; and

(i) the occurrence of a material and adverse change in the Developer's financial condition or operations.

20.3 Cure. If the Developer defaults in the performance of its obligations under this Agreement, the Developer shall have ninety (90) days after written notice of default from the City to cure the default, or such longer period as shall be reasonably necessary to cure such default provided the Developer promptly commences such cure and thereafter diligently pursues such cure to completion (so long as continuation of the default does not create material risk to

the Project or to persons using the Project). Notwithstanding the foregoing or any other provision of this Agreement to the contrary:

(a) there shall be no notice requirement with respect to Events of Default described in Section 5 (with respect to Outside Closing Date);

(b) there shall be no notice requirement or cure period with respect to Events of Default described in Section 13 (Commencement and Completion of Project), Section 16 (Prohibition Against Transfer of Property) and Section 17 (Limitation Upon Encumbrance of Property); and

20.4 Event of Default Prior to Closing. If an Event of Default occurs prior to the Closing, and the default is not cured in the time period provided for in Section 20.3 above, the City may terminate this Agreement, institute any action or proceeding at law or in equity against the Developer, and retain the Earnest Money and Performance Deposit as liquidated damages.

20.5 Event of Default After Closing but Before Commencement of Construction. If an Event of Default occurs after the Closing, but before commencement of construction of the Project, and the default is not cured in the time period provided for in Section 20.3 above, the City may retain the Performance Deposit, terminate this Agreement and exercise any and all remedies available to it at law or in equity.

20.6 Event of Default After Closing and Commencement of Construction but Before Issuance of the M/WBE Certificate of Completion. If an Event of Default occurs after the Closing and commencement of construction, but prior to the issuance of the M/WBE Certificate of Completion, and the default is not cured in the time period provided for in Section 20.3 above, the City may retain the Performance Deposit, terminate this Agreement and exercise any and all remedies available to it at law or in equity.

20.7 Event of Default After Issuance of the M/WBE Certificate of Completion. If subsequent to the City's issuance of the M/WBE Certificate of Completion an Event of Default occurs, the City may exercise any and all remedies available to it at law or in equity, other than the right to re-enter the Property and revest title to the City. This Section 20.2 shall not limit or amend the covenants running with the Property as set forth in Section 19.

SECTION 21. CONFLICT OF INTEREST; CITY'S REPRESENTATIVES NOT INDIVIDUALLY LIABLE.

The Developer represents and warrants that no agent, official or employee of the City shall have any personal interest, direct or indirect, in the Developer, this Agreement, the Property or the Project, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any corporation, partnership, association or other entity in which he or she is directly or indirectly interested. No agent, official or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer or successor or with respect to any commitment or obligation of the City under the terms of this Agreement.

SECTION 22. INDEMNIFICATION.

The Developer agrees to indemnify, defend and hold the City harmless from and against any Losses suffered or incurred by the City arising from or in connection with: (a) the failure of the Developer to perform its obligations under this Agreement; (b) the failure of the Developer or any Agent to pay contractors, subcontractors or material suppliers in connection with the construction and management of the Project; (c) any misrepresentation or omission made by the Developer or any Agent; (d) the failure of the Developer to redress any misrepresentations or omissions in this Agreement or any other agreement relating hereto; and (e) any activity undertaken by the Developer or any Agent on the Property prior to or after the Closing. This indemnification shall survive the Closing or any termination of this Agreement (regardless of the reason for such termination).

SECTION 23. ENVIRONMENTAL MATTERS.

23.1 "AS IS" SALE. THE DEVELOPER ACKNOWLEDGES THAT IT HAS HAD ADEQUATE OPPORTUNITY TO INSPECT AND EVALUATE THE STRUCTURAL, PHYSICAL AND ENVIRONMENTAL CONDITION AND RISKS OF THE CITY PARCELS AND ACCEPTS THE RISK THAT ANY INSPECTION MAY NOT DISCLOSE ALL MATERIAL MATTERS AFFECTING THE CITY PARCELS. THE DEVELOPER AGREES TO ACCEPT THE CITY PARCELS IN THEIR "AS IS," "WHERE IS" AND "WITH ALL FAULTS" CONDITION AT CLOSING WITHOUT ANY COVENANT, REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, OF ANY KIND, AS TO ANY MATTERS CONCERNING THE CITY PARCELS, INCLUDING WITHOUT LIMITATION: (a) THE STRUCTURAL, PHYSICAL OR ENVIRONMENTAL CONDITION OF THE CITY PARCELS; (b) THE SUITABILITY OF THE CITY PARCELS FOR ANY PURPOSE WHATSOEVER; (c) THE CONDITION OF SOILS, GEOLOGY, AND GROUNDWATER; (d) THE COMPLIANCE OF THE CITY PARCELS WITH ANY APPLICABLE ENVIRONMENTAL LAW; OR (e) THE PRESENCE OR REMOVAL OF HAZARDOUS SUBSTANCES ON, UNDER, OR ABOUT THE CITY PARCELS OR ADJACENT PROPERTY. THE DEVELOPER ACKNOWLEDGES THAT IT IS RELYING SOLELY UPON ITS OWN INSPECTION AND OTHER DUE DILIGENCE ACTIVITIES AND NOT UPON ANY INFORMATION (INCLUDING, WITHOUT LIMITATION, ENVIRONMENTAL STUDIES OR REPORTS OF ANY KIND) PROVIDED BY OR ON BEHALF OF THE CITY OR ITS AGENTS OR EMPLOYEES WITH RESPECT THERETO. THE DEVELOPER AGREES THAT IT IS THE DEVELOPER'S SOLE RESPONSIBILITY AND OBLIGATION TO PERFORM ANY ENVIRONMENTAL REMEDIATION WORK AND TAKE SUCH OTHER ACTION AS IS NECESSARY TO PUT THE CITY PARCELS IN A CONDITION WHICH IS SUITABLE FOR ITS INTENDED USE.

23.2 Right of Entry. The Developer's obligation to purchase the City Parcels is conditioned upon the Developer being satisfied with the condition of the City Parcels for the construction, development and operation of the Project. Upon the Developer's request, the City shall grant the Developer the right, at the Developer's sole cost and expense, to enter the City Parcels, pursuant to an access agreement reasonably acceptable to the City, to inspect the same, perform surveys, environmental assessments, soil tests and any other due diligence the Developer deems necessary or desirable to satisfy itself as to the condition of the City Parcels. If the Developer determines that it is not satisfied, in its sole discretion, with the condition of the City Parcels, the Developer may terminate this Agreement by written notice to the City any time prior to the Closing Date, whereupon the City shall return the Earnest Money and Performance Deposit to the Developer and this Agreement shall be null and void and, except as otherwise specifically provided, neither party shall have any further right, duty or obligation hereunder. If

the Developer elects not to terminate this Agreement pursuant to this Section 23.2, the Developer shall be deemed satisfied with the condition of the City Parcels.

23.3 Release and Indemnification. The Developer, on behalf of itself and the other Developer Parties, or anyone claiming by, through, or under the Developer Parties, hereby releases, relinquishes and forever discharges the City Parties from and against any and all claims for Losses which the Developer or any of the Developer Parties ever had, now have, or hereafter may have, whether grounded in tort or contract or otherwise, in any and all courts or other forums, of whatever kind or nature, whether known or unknown, arising out of or in any way connected with, directly or indirectly (a) any environmental contamination, pollution or hazards associated with the City Parcels or any improvements, facilities or operations located or formerly located thereon, including, without limitation, any release, emission, discharge, generation, transportation, treatment, storage or disposal of Hazardous Substances, or threatened release, emission or discharge of Hazardous Substances; (b) the structural, physical or environmental condition of the City Parcels, including, without limitation, the presence or suspected presence of Hazardous Substances in, on, under or about the City Parcels or the migration of Hazardous Substances from or to other property; (c) any violation of, compliance with, enforcement of or liability under any Environmental Laws, including, without limitation, any Losses arising under CERCLA, and (d) any investigation, cleanup, monitoring, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision or other third party in connection or associated with the City Parcels or any improvements, facilities or operations located or formerly located thereon (collectively, "Released Claims"). Furthermore, after the Closing, the Developer shall defend, indemnify, and hold the City Parties harmless from and against any and all Losses which may be made or asserted by any third parties arising out of or in any way connected with, directly or indirectly, any of the Released Claims. The foregoing covenant of release and indemnification shall run with the City Parcels, and shall be binding upon all successors and assigns of the Developer with respect to the City Parcels, including, without limitation, each and every person, firm, corporation, limited liability company, trust or other entity owning, leasing, occupying, using or possessing any portion of the City Parcels under or through the Developer following the date of the Deed. The Developer acknowledges and agrees that the foregoing covenant of release and indemnification constitutes a material inducement to the City to enter into this Agreement, and that, but for such release and indemnification, the City would not have agreed to convey the City Parcels to the Developer. It is expressly agreed and understood by and between the Developer and the City that, should any future obligation of the Developer, or any of the Developer Parties, arise or be alleged to arise in connection with any environmental, soil or other condition of the City Parcels, neither the Developer, nor any of the Developer Parties, will assert that those obligations must be satisfied in whole or in part by the City because this Section 23.3 contains a full, complete and final release of all such claims.

23.4 Release Runs with the Land. The covenant of release in Section 23.3 shall run with the City Parcels, and shall be binding upon all successors and assigns of the Developer with respect to the City Parcels, including, without limitation, each and every person, firm, corporation, limited liability company, trust or other entity owning, leasing, occupying, using or possessing any portion of the City Parcels under or through the Developer following the date of the Deed. The Developer acknowledges and agrees that the foregoing covenant of release constitutes a material inducement to the City to enter into this Agreement, and that, but for such release, the City would not have agreed to convey the City Parcels to the Developer. It is expressly agreed and understood by and between the Developer and the City that, should any future obligation of the Developer, or any of the Developer Parties, arise or be alleged to arise in

connection with any environmental, soil or other condition of the City Parcels, neither the Developer, nor any of the Developer Parties, will assert that those obligations must be satisfied in whole or in part by the City because Section 23.3 contains a full, complete and final release of all such claims.

23.5 Rehabilitation Work and Removal of Materials from the City Parcels. The Developer shall: (a) perform all rehabilitation work in accordance with all applicable Environmental Laws, (b) dispose of all materials in accordance with all applicable Environmental Laws, (c) maintain documentation evidencing that such disposal was in accordance with all applicable Environmental Laws, and (d) provide copies of such documentation to the City upon request.

23.6 Survival. This Section 23 shall survive the Closing or any termination of this Agreement (regardless of the reason for such termination).

SECTION 24. DEVELOPER'S EMPLOYMENT OBLIGATIONS.

24.1 Employment Opportunity. The Developer agrees, and shall contractually obligate its various contractors, subcontractors and any Affiliate of the Developer operating on the Property (collectively, the "Employers" and individually, an "Employer") to agree, that with respect to the provision of services in connection with the construction of the Project:

(a) Neither the Developer nor any Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010 et seq. of the Municipal Code of Chicago, as amended from time to time (the "Human Rights Ordinance"). The Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon the foregoing grounds, and are treated in a non-discriminatory manner with regard to all job-related matters, including, without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Developer and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Developer and each Employer, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon the foregoing grounds.

(b) To the greatest extent feasible, the Developer and each Employer shall (i) present opportunities for training and employment of low and moderate income residents of the City, and (ii) provide that contracts for work in connection with the construction of the Project be awarded to business concerns which are located in or owned in substantial part by persons residing in, the City.

(c) The Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, without limitation, the Human Rights Ordinance and the Illinois Human Rights Act, 775

ILCS 5/1-101 et seq. (1993), both as amended from time to time, and any regulations promulgated thereunder.

(d) The Developer, in order to demonstrate compliance with the terms of this Section 24.1, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) The Developer and each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the construction of the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 24.1 shall be a basis for the City to pursue remedies under the provisions of Section 20.

24.2 City Resident Employment Requirement.

(a) The Developer agrees, and shall contractually obligate each Employer to agree, that during the construction of the Project, the Developer and each Employer shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 2-92-330 of the Municipal Code of Chicago (at least fifty percent); provided, however, that in addition to complying with this percentage, the Developer and each Employer shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

(b) The Developer and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the chief procurement officer of the City of Chicago.

(c) "Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

(d) The Developer and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of the Project. The Developer and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

(e) The Developer and the Employers shall submit weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) to DHED in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date

that the Developer or Employer hired the employee should be written in after the employee's name.

(f) The Developer and the Employers shall provide full access to their employment records to the chief procurement officer, DHED, the Superintendent of the Chicago Police Department, the inspector general, or any duly authorized representative thereof. The Developer and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years after the issuance of the M/WBE Certificate of Completion.

(g) At the direction of DHED, the Developer and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

(h) Good faith efforts on the part of the Developer and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the chief procurement officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section 24.2 concerning the worker hours performed by actual Chicago residents.

(i) If the City determines that the Developer or an Employer failed to ensure the fulfillment of the requirements of this Section 24.2 concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section 24.2. If such non-compliance is not remedied in accordance with the breach and cure provisions of Section 20.3, the parties agree that 1/20 of 1 percent (.05%) of the aggregate hard construction costs set forth in the Budget shall be surrendered by the Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer and/or the other Employers or employees to prosecution.

(j) Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement.

(k) The Developer shall cause or require the provisions of this Section 24.2 to be included in all construction contracts and subcontracts related to the construction of the Project.

24.3 Developer's MBE/WBE Commitment. The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the general contractor to agree, that during the construction of the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 24.3, during the course of construction of the Project, at least 24% of the aggregate hard construction costs set forth in the budget attached hereto as Exhibit G (such budget, the "MBE/WBE Budget") shall be expended for contract participation by minority-owned businesses and at least 4% of the aggregate hard construction costs set forth in the MBE/WBE Budget shall be expended for contract participation by women-owned businesses.

(b) For purposes of this Section 24.3 only:

(i) The Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(ii) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iii) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture, or (ii) the amount of any actual work performed on the Project by the MBE or WBE); by the Developer utilizing a MBE or a WBE as the general contractor (but only to the extent of any actual work performed on the Project by the general contractor); by subcontracting or causing the general contractor to subcontract a portion of the construction of the Project to one or more MBEs or WBEs; by the purchase of materials or services used in the construction of the Project from one or more MBEs or WBEs; or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE

commitment as described in this Section 24.3. In accordance with Section 2-92-730, Municipal Code of Chicago, the Developer shall not substitute any MBE or WBE general contractor or subcontractor without the prior written approval of DHED.

(d) The Developer shall deliver quarterly reports to the City's monitoring staff during the construction of the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer or the general contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the construction of the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the construction of the Project for at least five (5) years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on prior notice of at least five (5) business days, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the construction of the Project.

(e) Upon the disqualification of any MBE or WBE general contractor or subcontractor, if the disqualified party misrepresented such status, the Developer shall be obligated to discharge or cause to be discharged the disqualified general contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(f) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 24.3 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

24.4 Pre-Construction Conference and Post-Closing Compliance Requirements. Not less than fourteen (14) days prior to the Closing Date, the Developer and the Developer's general contractor and all major subcontractors shall meet with DHED monitoring staff regarding compliance with all Section 24 requirements. During this pre-construction meeting, the Developer shall present its plan to achieve its obligations under this Section 24, the sufficiency of which the City's monitoring staff shall approve as a precondition to the Closing. During the construction of the Project, the Developer shall submit all documentation required by this Section 24 to the City's monitoring staff, including, without limitation, the following: (a) subcontractor's activity report; (b) contractor's certification concerning labor standards and prevailing wage requirements; (c) contractor letter of understanding; (d) monthly utilization report; (e) authorization for payroll agent; (f) certified payroll; (g) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (h) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 24, shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in

this Agreement, the City may: (x) issue a written demand to the Developer to halt construction of the Project, (y) withhold any further payment of any City funds to the Developer or the general contractor, or (z) seek any other remedies against the Developer available at law or in equity.

SECTION 25. REPRESENTATIONS AND WARRANTIES.

25.1 Representations and Warranties of the Developer. To induce the City to execute this Agreement and perform its obligations hereunder, the Developer represents, warrants and covenants to the City that as of the Effective Date and as of the Closing Date the following shall be true, accurate and complete in all respects:

(a) The Developer is a Virginia corporation, validly existing and in good standing under the laws of the State of Virginia and the State of Illinois, with full power and authority to acquire, own and redevelop the Property, and the persons signing this Agreement on behalf of the Developer have the authority to do so.

(b) All certifications and statements contained in the Economic Disclosure Statements submitted to the City by the Developer (and any legal entity holding an interest in the Developer) are true, accurate and complete.

(c) The Developer's execution, delivery and performance of this Agreement and all instruments and agreements contemplated hereby will not, upon the giving of notice or lapse of time, or both, result in a breach or violation of, or constitute a default under, any other agreement to which the Developer, or any party affiliated with the Developer, is a party or by which the Developer or the Property is bound.

(d) No action, litigation, investigation or proceeding of any kind is pending or threatened against the Developer, or any party affiliated with the Developer, by or before any court, governmental commission, board, bureau or any other administrative agency, and the Developer knows of no facts which could give rise to any such action, litigation, investigation or proceeding, which could: (i) affect the ability of the Developer to perform its obligations hereunder; or (ii) materially affect the operation or financial condition of the Developer.

(e) The Developer is now and for the term of the Agreement shall remain solvent and able to pay its debts as they mature.

(f) The Developer has and shall maintain all Governmental Approvals (including, without limitation, appropriate environmental approvals) necessary to conduct its business and to construct, complete and operate the Project.

(g) The Developer is not in default with respect to any indenture, loan agreement, mortgage, note or any other agreement or instrument related to the borrowing of money to which the Developer is a party or by which the Developer is bound.

(h) The Project will not violate: (i) any applicable Laws, including, without limitation, any zoning and building codes and Environmental Laws; or (ii) any applicable building permit, restriction of record or other agreement affecting the Property.

(i) The Developer will complete the Project using only Equity, and not any third-party financing.

25.2 Representations and Warranties of the City. To induce the Developer to execute this Agreement and perform its obligations hereunder, the City hereby represents and warrants to the Developer that the City has authority under its home rule powers to execute and deliver this Agreement and perform the terms and obligations contained herein.

25.3 Survival of Representations and Warranties. Each of the parties agrees that all warranties, representations, covenants and agreements contained in this Section 25 and elsewhere in this Agreement are true, accurate and complete as of the Effective Date and shall survive the Effective Date and be in effect throughout the term of the Agreement.

SECTION 27. BUSINESS RELATIONSHIPS.

The Developer acknowledges (a) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (b) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Developer hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

SECTION 28. PATRIOT ACT CERTIFICATION.

The Developer represents and warrants that neither the Developer nor any Affiliate (as hereafter defined) thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. For purposes of this Section 28 only, an "Affiliate" shall be deemed to be a person or entity that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with the Developer, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

SECTION 29. PROHIBITION ON CERTAIN CONTRIBUTIONS PURSUANT TO MAYORAL EXECUTIVE ORDER NO. 2011-4.

29.1 The Developer agrees that the Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in the Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, the Developer's contractors (i.e., any person or entity in direct contractual privity with the Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and

spouses and domestic partners of such Sub-owners (the Developer and all the other preceding classes of persons and entities are together the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (a) after execution of this Agreement by the Developer, (b) while this Agreement or any Other Contract (as hereinafter defined) is executory, (c) during the term of this Agreement or any Other Contract, or (d) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

29.2 The Developer represents and warrants that from the later of (a) May 16, 2011, or (b) the date the City approached the Developer, or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

29.3 The Developer agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

29.4 The Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

29.5 Notwithstanding anything to the contrary contained herein, the Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this Section 29 or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Agreement, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

29.6 If the Developer intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the Closing, the City may elect to decline to close the transaction contemplated by this Agreement.

29.7 For purposes of this provision:

(a) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fundraising committee.

(b) "Other Contract" means any other agreement with the City to which the Developer is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

(c) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

(d) Individuals are "domestic partners" if they satisfy the following criteria:

(i) they are each other's sole domestic partner, responsible for each other's common welfare; and

(ii) neither party is married; and

(iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(iv) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

(v) two of the following four conditions exist for the partners:

(1) The partners have been residing together for at least 12 months.

(2) The partners have common or joint ownership of a residence.

(3) The partners have at least two of the following arrangements:

(A) joint ownership of a motor vehicle;
(B) joint credit account;
(C) a joint checking account;
(D) a lease for a residence identifying both domestic partners as tenants.

(4) Each partner identifies the other partner as a primary beneficiary in a will.

(e) "Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

SECTION 30. MISCELLANEOUS.

The following general provisions govern this Agreement:

30.1 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which, taken together, shall constitute a single, integrated instrument.

30.2 Cumulative Remedies. The remedies of any party hereunder are cumulative and the exercise of any one or more of such remedies shall not be construed as a waiver of any other remedy herein conferred upon such party or hereafter existing at law or in equity, unless specifically so provided herein.

30.3 Date for Performance. If the final date of any time period set forth herein falls on a Saturday, Sunday or legal holiday under the laws of Illinois or the United States of America, then such time period shall be automatically extended to the next business day.

30.4 Entire Agreement; Modification. This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes any prior agreements, negotiations and discussions. This Agreement may not be modified or amended in any manner without the prior written consent of the parties hereto. No term of this Agreement may be waived or discharged orally or by any course of dealing, but only by an instrument in writing signed by the party benefitted by such term.

30.5 Exhibits. All exhibits referred to herein and attached hereto shall be deemed part of this Agreement.

30.6 Force Majeure. Neither the City nor the Developer shall be considered in breach of its obligations under this Agreement in the event of a delay due to unforeseeable events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations hereunder, including, without limitation, fires, floods, strikes, shortages of material and unusually severe weather or delays of subcontractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the party relying on this section requests an extension in writing within twenty (20) days after the beginning of any such delay.

30.7 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois.

30.8 Headings. The headings of the various sections and subsections of this Agreement have been inserted for convenience of reference only and shall not in any manner be construed as modifying, amending or affecting in any way the express terms and provisions hereof.

30.9 No Merger. The terms of this Agreement shall not be merged with the Deed, and the delivery of the Deed shall not be deemed to affect or impair the terms of this Agreement.

30.10 No Waiver. No waiver by the City with respect to any specific default by the Developer shall be deemed to be a waiver of the rights of the City with respect to any other defaults of the Developer, nor shall any forbearance by the City to seek a remedy for any breach or default be deemed a waiver of its rights and remedies with respect to such breach or default, nor shall the City be deemed to have waived any of its rights and remedies unless such waiver is in writing.

30.11 Severability. If any term of this Agreement or any application thereof is held invalid or unenforceable, the remainder of this Agreement shall be construed as if such invalid part were never included herein and this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

30.12 Successors and Assigns. Except as otherwise provided in this Agreement, the terms and conditions of this Agreement shall apply to and bind the successors and assigns of the parties.

SECTION 31. FAILURE TO MAINTAIN ELIGIBILITY TO DO BUSINESS WITH THE CITY.

Failure by Developer or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of the Agreement and the transactions contemplated thereby. Developer shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

SECTION 32. INSPECTOR GENERAL AND LEGISLATIVE INSPECTOR GENERAL.

It is the duty of every officer, employee, department, agency, contractor, subcontractor, developer and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. The Developer understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago.

SECTION 33. SHAKMAN

(i) The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and the August 16, 2007 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with Developer, either as an employee or as a subcontractor, and from directing Developer to hire an individual as an employee or as a subcontractor. Accordingly, Developer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Developer under this Agreement are employees or subcontractors of Developer, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Developer.

(iii) Developer will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to Developer by a City employee or City official in violation of Section 33(ii) above, or advocating a violation of Section 33)(iii) above, Developer

will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant City Department utilizing services provided under this Agreement. Developer will also cooperate with any inquiries by IGO Hiring Oversight or the *Shakman* Monitor's Office related to the contract.

NARRATIVE DESCRIPTION OF PROJECT

The Developer will utilize the Property for an expansion to its existing intermodal facility and for other related railroad facilities. The Project will occupy approximately 84 acres between W. Garfield Blvd. and W. 60th Street and will include: the demolition of acquired structures, construction of trailer and container parking lots, addition of tracks and related appurtenances, construction of new and rehabilitation of existing street overpasses, construction of buildings and a truck entrance/exit. It is anticipated that the Project will take approximately 10 years to complete.

The First Phase consists generally of grading, paving, and other work to build approximately 330 trailer and container parking spots linked to Developer's existing intermodal facility via an existing bridge over W. Garfield Blvd. The First Phase also includes the construction of a new connection track between the Developer's main tracks and a Developer track located adjacent to the METRA main tracks by using an existing rail bridge over S. Normal Blvd., and the construction of a new wye track leading between the new connection track and Developer's main tracks.

Phase 2 of the Project consist generally of grading, paving, and other work necessary to build additional trailer and container parking spots between W. Garfield Blvd. and W. 59th Street.

Phase 3 of the Project consists generally of a further parking expansion (to the south and east of the Phase 2 parking area), the construction of new loading and unloading tracks south of W. Garfield Blvd., the installation of a supplemental intermodal facility truck entrance / exit off of W. 59th Street, and the construction of new track and road bridges over W. Garfield Blvd. and W. 59th Street. The relocation of the connection track and wye track built in the First Phase may also be necessary.

The design plans for Phases 2 and 3 are in a conceptual stage, and are subject to revision based on commercial needs, funding availability, and engineering considerations.

In as much as development of the Project is to occur in stages, it is expressly understood that the City shall waive landscaping requirements for incremental stages of development along streets that are ultimately to be vacated. Notwithstanding the above, if the development of the Project is Interstate Commerce Commission Transportation Act of 1995, P.L. 104-88, exempt, Developer is not subject to the landscaping requirements of the City.

5. To the extent required, the City shall support the erection of bridge structures crossing Garfield Blvd. and 59th Street at proceedings before the Illinois Commerce Commission. The proposed crossings may also require changes in grade of the roadways passing beneath. The Garfield Blvd. crossing(s) each may consist of two bridges spanning the travel lanes and earthen embankment over the median. The City approval of any such changes shall not be unreasonably withheld.

6. The City shall continue to support CREATE Program and its component projects, including Grand Crossing Project P4, per the Final Feasibility Plan as amended. For purposes of this Agreement, any reference to the City's obligation to "support", specifically excludes financial support. (d) No action, litigation, investigation or proceeding of any kind is pending or anticipated to be filed against Developer, or any party affiliated with Developer, by or before any court, governmental commission, board, bureau or any other administrative agency, and Developer knows of no facts which could give rise to any such action, litigation, investigation or proceeding, which could: (i) affect the ability of Developer to perform its obligations hereunder; or (ii) materially affect the operation or financial condition of Developer.

(f) Developer is not in default with respect to any indenture, loan agreement, mortgage, note or any other agreement or instrument related to the borrowing of money to which Developer is a party or by which Developer is bound.

7.2 Representations and Warranties of the City. To induce Developer to execute this Agreement and perform its obligations hereunder, the City hereby represents and warrants to Developer that the City has authority under its home rule powers to execute and deliver this Agreement and perform the terms and obligations contained herein.

7.3 Survival of Representations and Warranties. SECTION 9. BUSINESS RELATIONSHIPS.

Developer acknowledges (a) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (b) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this

Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. Developer hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

SECTION 10. PATRIOT ACT CERTIFICATION.

Developer represents and warrants that neither Developer nor any Affiliate (as hereafter defined) thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. For purposes of this Section 10 only, an "Affiliate" shall be deemed to be a person or entity that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Developer, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

SECTION 11. PROHIBITION ON CERTAIN CONTRIBUTIONS PURSUANT TO MAYORAL EXECUTIVE ORDER NO. 2011-4.

Developer agrees that Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Developer's contractors (i.e., any person or entity in direct contractual privity with Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Developer and all the other preceding classes of persons and entities are together the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (a) after execution of this Agreement by Developer, (b) while this Agreement or any Other Contract (as hereinafter defined) is executory, (c) during the term of this Agreement or any Other Contract, or (d) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

Developer represents and warrants that from the later of (a) May 16, 2011, or (b) the date the City approached Developer, or the date Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Developer agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Notwithstanding anything to the contrary contained herein, Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this Section 11 or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Agreement, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Developer intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the Closing, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

(a) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fundraising committee.

(b) "Other Contract" means any other agreement with the City to which Developer is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

(c) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

(d) Individuals are "domestic partners" if they satisfy the following criteria:

a. they are each other's sole domestic partner, responsible for each other's common welfare; and

b. neither party is married; and

c. the partners are not related by blood closer than would bar marriage in the State of Illinois; and

d. each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

e. two of the following four conditions exist for the partners:

1. The partners have been residing together for at least 12 months.

2. The partners have common or joint ownership of a residence.

3. The partners have at least two of the following arrangements:

   (A) joint ownership of a motor vehicle;
   (B) joint credit account;
   (C) a joint checking account;
   (D) a lease for a residence identifying both domestic partners as tenants.

4. Each partner identifies the other partner as a primary beneficiary in a will.

(e) "Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

SECTION 12. MISCELLANEOUS.

The following general provisions govern this Agreement:

12.1 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which, taken together, shall constitute a single, integrated instrument.

12.2 Cumulative Remedies. The remedies of any party hereunder are cumulative and the exercise of any one or more of such remedies shall not be construed as a waiver of any other remedy herein conferred upon such party or hereafter existing at law or in equity, unless specifically so provided herein.

12.3 Date for Performance. If the final date of any time period set forth herein falls on a Saturday, Sunday or legal holiday under the laws of Illinois or the United States of America, then such time period shall be automatically extended to the next business day.

12.4 Entire Agreement; Modification. This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes any prior agreements, negotiations and discussions. This Agreement may not be modified or amended in any manner without the prior written consent of the parties hereto. No term of this Agreement may be waived or discharged orally or by any course of dealing, but only by an instrument in writing signed by the party benefitted by such term.

12.5 Exhibits. All exhibits referred to herein and attached hereto shall be deemed part of this Agreement.

12.6 Force Majeure. Neither the City nor Developer shall be considered in breach of its obligations under this Agreement in the event of a delay due to unforeseeable events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations hereunder, including, without limitation, fires,

floods, strikes, shortages of material and unusually severe weather or delays of subcontractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the party relying on this section requests an extension in writing within twenty (20) days after the beginning of any such delay.

12.7 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois, without regard to choice of laws.

12.8 Headings. The headings of the various sections and subsections of this Agreement have been inserted for convenience of reference only and shall not in any manner be construed as modifying, amending or affecting in any way the express terms and provisions hereof.

12.9 No Merger. The terms of this Agreement shall not be merged with the Deed, and the delivery of the Deed shall not be deemed to affect or impair the terms of this Agreement.

12.10 No Waiver. No waiver by the City with respect to any specific default by Developer shall be deemed to be a waiver of the rights of the City with respect to any other defaults of Developer, nor shall any forbearance by the City to seek a remedy for any breach or default be deemed a waiver of its rights and remedies with respect to such breach or default, nor shall the City be deemed to have waived any of its rights and remedies unless such waiver is in writing.

12.11 Severability. If any term of this Agreement or any application thereof is held invalid or unenforceable, the remainder of this Agreement shall be construed as if such invalid part were never included herein and this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

12.12 Successors and Assigns. Except as otherwise provided in this Agreement, the terms and conditions of this Agreement shall apply to and bind the successors and assigns of the parties.

SECTION 13. FAILURE TO MAINTAIN ELIGIBILITY TO DO BUSINESS WITH THE CITY.

Failure by Developer or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of the Agreement and the transactions contemplated thereby. Developer shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

SECTION 14. INSPECTOR GENERAL AND LEGISLATIVE INSPECTOR GENERAL.

It is the duty of every officer, employee, department, agency, contractor, subcontractor, developer and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. Developer understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago.

SECTION 15. SHAKMAN.

15.1 The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and the August 16, 2007 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

15.2 Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with Developer, either as an employee or as a subcontractor, and from directing Developer to hire an individual as an employee or as a subcontractor. Accordingly, Developer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Developer under this Agreement are employees or subcontractors of Developer, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Developer.

15.3 Developer will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

15.4 In the event of any communication to Developer by a City employee or City official in violation of Section 15.2 above, or advocating a violation of Section 15.3 above, Developer will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant City Department utilizing services provided under this Agreement. Developer will also cooperate with any inquiries by IGO Hiring Oversight or the *Shakman* Monitor's Office related to the contract.

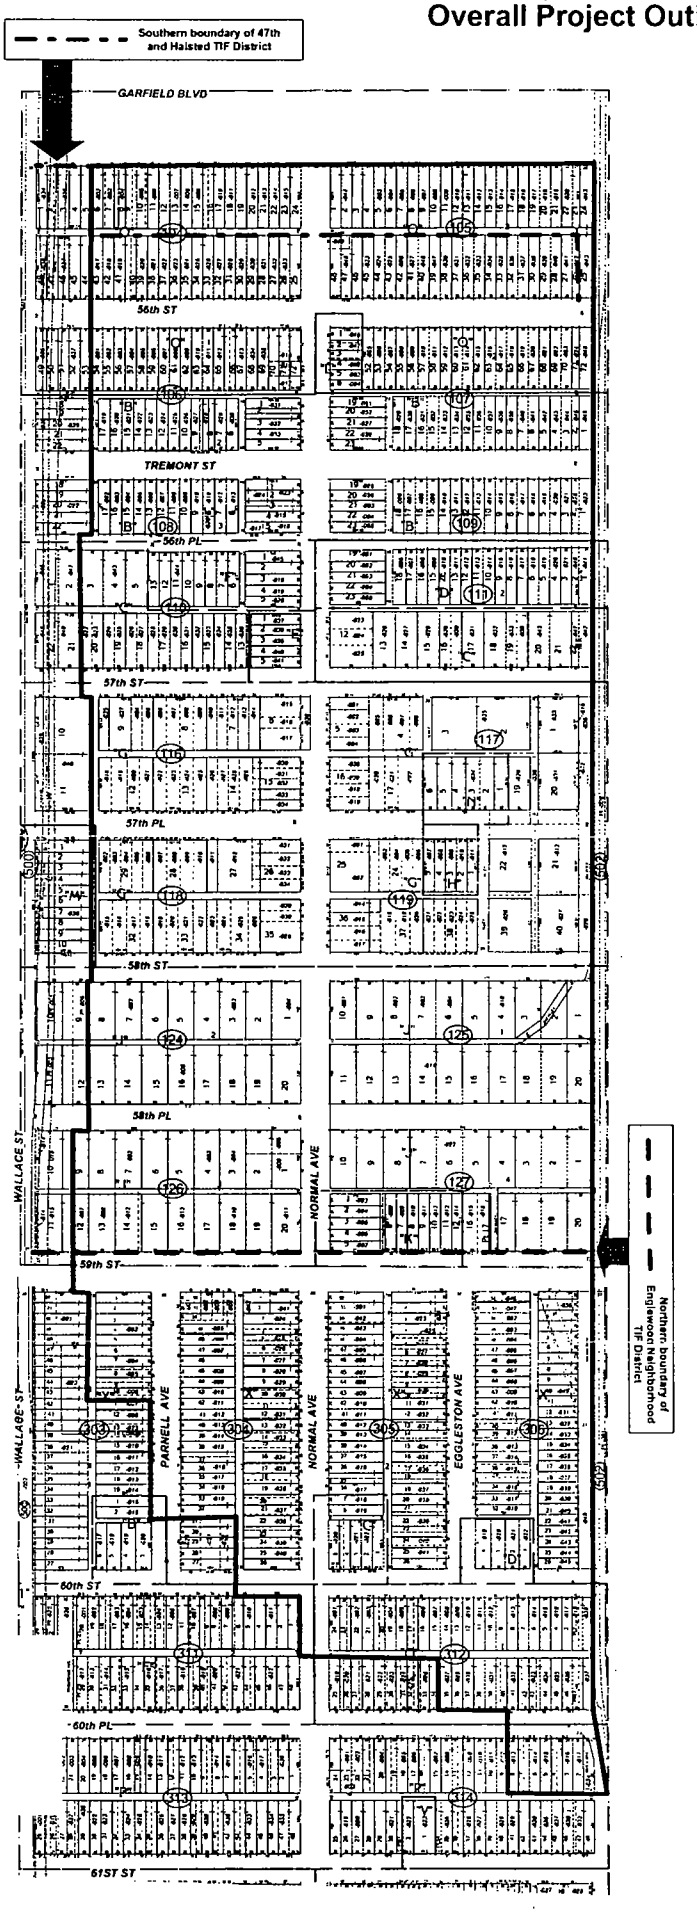
Overall Project Outline



(sub) Exhibit B to Neighborhood Investment Fund Agreement

Project

The Developer will utilize the Property for an expansion to its existing intermodal facility and for other related railroad facilities. The Project will occupy approximately 84 acres between W. Garfield Blvd. and W. 60th Street and will include: the demolition of acquired structures, construction of trailer and container parking lots, addition of tracks and related appurtenances, construction of new and rehabilitation of existing street overpasses, construction of buildings and a truck entrance/exit. It is anticipated that the Project will take approximately 10 years to complete.

The First Phase consists generally of grading, paving, and other work to build approximately 330 trailer and container parking spots linked to Developer's existing intermodal facility via an existing bridge over W. Garfield Blvd. The First Phase also includes the construction of a new connection track between the Developer's main tracks and a Developer track located adjacent to the METRA main tracks by using an existing rail bridge over S. Normal Blvd., and the construction of a new wye track leading between the new connection track and Developer's main tracks.

Phase 2 of the Project consist generally of grading, paving, and other work necessary to build additional trailer and container parking spots between W. Garfield Blvd. and W. 59th Street.

Phase 3 of the Project consists generally of a further parking expansion (to the south and east of the Phase 2 parking area), the construction of new loading and unloading tracks south of W. Garfield Blvd., the installation of a supplemental intermodal facility truck entrance / exit off of W. 59th Street, and the construction of new track and road bridges over W. Garfield Blvd. and W. 59th Street. The relocation of the connection track and wye track built in the First Phase may also be necessary.

The design plans for Phases 2 and 3 are in a conceptual stage, and are subject to revision based on commercial needs, funding availability, and engineering considerations.

Norfolk Southern has thousands of employees and business operations in 22 states and the District of Columbia. NSR along with its consolidated rail subsidiaries ("NS Rail") is engaged primarily in the transportation of freight by rail. NS Rail operates approximately 21,000 miles, primarily in the east and Midwest, including approximately 861 miles in Illinois and 36 in Chicago. NSR and NSC used their best efforts to gather as much of the requested information as reasonably possible and without undue effort and expense, but, because of their large size, all responses given in all of the EDS Statement are only to the best of the reasonable knowledge of NSC and NSR, are at the risk of not having knowledge of certain information, and the executive officer signing the EDS Statement does so based on actual knowledge or information supplied to that executive officer. Due to the scope of its operations and the number of employees and contractors, Norfolk Southern makes no representations as to parties other than NSR, NSC and their respective executive officers and directors. Additional information about Norfolk Southern Corporation can be found at the website, www.nscorp.com, including its Annual Report for the fiscal year ended December 31, 2008.

The following two paragraphs are responsive to Certification V.B.1.e. on page 5

Norfolk Southern is subject to extensive applicable federal, state, and local environmental laws and regulations. Norfolk Southern is, from time to time, investigated by these and other regulatory agencies in the ordinary course of business. Norfolk Southern cooperates with all government agency investigations. Due to the scope of its operations and the number of employees, however, Norfolk Southern cannot provide information regarding all such investigations without undue effort or expense, if at all. The list of certain investigations found attached in Table V.B.1.e – A is that information that Norfolk Southern was able to identify without undue effort or expense.

In addition to the regulation described in the preceding paragraph, Norfolk Southern is also subject to commercial regulation by the United States Surface Transportation Board, and its operations are regulated extensively by the United States Department of Transportation, including the Federal Railroad Administration, and the Department of Homeland Security, some of which in some cases has a preemptive effect. In addition, Norfolk Southern's operations are subject to extensive federal, state, and local environmental, labor and employment and other laws and regulations. Norfolk Southern is, from time to time, alleged to be in violation of administrative, statutory or regulatory provisions in the ordinary course of business. Norfolk Southern cooperates with all government agencies in seeking to resolve such alleged violations. Due to the scope of its operations and the number of employees, Norfolk Southern cannot provide detailed information regarding all such violations without undue effort or expense, if at all.

However, attached in Table V.B.1.e – B, is that information which can be secured without undue effort or expense.

TABLE V.B.1.e – A

Part 1

1. In April, 2008, the United States Department of Justice filed suit against Norfolk Southern Railway Company seeking civil penalties and injunctive relief under the Clean Water Act and the Comprehensive Environmental Response, Compensation and Liability Act, related to the Jan. 6, 2005 derailment in Graniteville, S.C, and associated release of chlorine into the atmosphere. In April, 2010, the parties reached a consent decree settling the lawsuit, subject to court approval. In the consent decree, Norfolk Southern agreed to pay a civil penalty of $4 million, to undertake emergency response training and undertake a supplemental environmental project. There is no admission of liability.

2. On Oct. 19, 2006, the Pennsylvania Department of Environmental Protection (PDEP) issued an assessment of civil penalties against Norfolk Southern and filed a complaint for civil penalties with the Pennsylvania Environmental Hearing Board (EHB) requesting that the EHB impose civil penalties upon Norfolk Southern for alleged violations of state environmental laws and regulations resulting from a discharge of sodium hydroxide that occurred as a result of the derailment of a Norfolk Southern train in Norwich Township, Pennsylvania, on June 30, 2006. PDEP's actions sought to impose combined penalties of $8,890,000 for alleged past violations and $46,420 per day for alleged continuing violations of state environmental laws and regulations. Norfolk Southern appealed the fines to the EHB. The Pennsylvania Fish and Boat Commission sought financial restitution for damages alleged to have been caused by this accident. In addition, the Pennsylvania Attorney General and the McKean County District Attorney filed three misdemeanor charges for alleged violations of state environmental and aquatic resource protection laws and regulations. Norfolk Southern has entered into a settlement agreement with all Commonwealth of Pennsylvania parties, pursuant to which all claims by the Commonwealth for civil liability resulting from the derailment and spill were resolved, with Norfolk Southern agreeing to pay approximately $7.35 million in restitution to compensate for all natural resource damages and the agencies' response costs caused by the derailment and spill. Norfolk Southern also pled no contest to the three misdemeanor charges and paid fines in the amount of $250,000 to resolve them.

3. On July 13, 2007, Norfolk Southern received a subpoena from a state grand jury requesting documents and materials relating to the company's setting of fuel surcharges. Norfolk Southern cooperated with the state in its investigation, and has been notified that the state decided not to move forward with its investigation at this time, while reserving its right to re-open the matter in the future if it decides circumstances so dictate.

4. On August 15, 2007, Norfolk Southern entered into a Consent Assessment of Civil Penalty (Consent Assessment) with the PDEP, resolving alleged violations of the Clean Streams Law, the Solid Waste Management Act, the Hazardous Sites Cleanup Act, and the Air Pollution Control Act, and regulations promulgated thereunder. The Consent Assessment resolved three Notices of Violation (NOVs) received for alleged violations associated with spill incidents in Bell Township, Creighton, and

New Brighton, Pennsylvania, as well as other issues not subject to NOV. Specifically, on December 29, 2005, Norfolk Southern received a NOV related to a January 5, 2004 derailment near the village of Truxal in Bell Township, which had resulted in the release of shelled corn, lubricating oil, and diesel fuel. On July 1, 2005, Norfolk Southern received a NOV related to a January 31, 2005 derailment near Creighton in East Deer Township, which had resulted in the release of hydrogen fluoride. On October 26, 2006, Norfolk Southern received a NOV related to an October 20, 2006 derailment on and near the railroad bridge between Beaver Falls and New Brighton, which had resulted in the release of ethanol. The other two matters related to a 2003 diesel fuel spill caused by an outside contractor in Union Township and a number of spill incidents arising from September 8, 2003 to the date of the Consent Assessment from Conway Yard in Conway Borough. A civil penalty in the amount of $575,000 was paid to the Commonwealth of Pennsylvania, Clean Water Fund on September 12, 2007 in settlement of these incidents.

5. Norfolk Southern entered into a Consent Order on or about March 12, 2008 with the Georgia Department of Natural Resources Environmental Protection Division in connection with certain alleged violations of the storm water general permit requirements applicable to land disturbing activities associated with a September 2007 track siding extension project in Gordon County, Georgia. Among other things, Norfolk Southern mistakenly submitted the permit fee in April 2007 to the same address used for the application. Under the consent order Norfolk Southern agreed to implement best management measures and to have its erosion and sedimentation control plan certified. Norfolk Southern paid a penalty of $4,500. The EPD inspector was pleased overall with the stability of the project.

6. Norfolk Southern was sued by the State of Illinois in connection with a derailment that was caused when a Union Pacific train improperly entered an interlocking and struck a Norfolk Southern train in Momence, Illinois on November 24, 2005. As a result of the collision, diesel fuel was released from the locomotives of both trains and certain limited amounts of other hazardous and non-hazardous materials were released from rail cars. The State of Illinois sued both Norfolk Southern and Union Pacific alleging various violations of environmental laws as a result of these releases and demanding penalties and other relief. This case was settled for a non-penalty payment of $9,900 in January, 2010.

7. On approximately May 15, 2008, Norfolk Southern was notified by PDEP that the agency assessed a $24,000 penalty against it for alleged violations of the Pennsylvania Storage Tank and Spill Prevention Act. PDEP claims that during an inspection at Conway Yard, Conway, Pennsylvania, it discovered several testing and recordkeeping violations. The penalty assessment was appealed and a final settlement reached with PDEP that resulted in a Consent Assessment of Civil Penalty for a $12,000 fine.

8. On May 14, 2008, the United States Coast Guard issued a Notice of Violation in connection with a sheen of oil that resulted from a gasket failure on the land arm swivel joint of a manifold connecting to a fuel barge at Conway Yard. A boom was immediately deployed by Norfolk Southern forces and the swivel joint was taken out

of service. Less than one gallon of fuel was estimated to be released. The Coast Guard's NOV assessed a $250 penalty, which was paid.

9. Ohio EPA cited Norfolk Southern for the railroad's failure to file a Large Quantity Generator ("LQG") Report on August 6, 2008 in connection with a one-time hazardous material spill cleanup event at Columbus, Ohio. The failure to file was inadvertent since the yard facility ordinarily is a small quantity hazardous waste generator. The railroad late filed the LEQ report and has requested the State to delist the yard as a LQG. No penalty was assessed.

10. On August 20, 2009, Norfolk Southern entered into two Consent Agreements with U.S. EPA Region 4, resolving two alleged violations of the Clean Water Act associated with two separate releases of fuel oil locomotive fuel tanks which were accidently breached by a master shoe retarder in Norris Yard, Irondale, Alabama. Norfolk Southern paid a total of $9,000 in penalties in these two dockets.

11. In April and May 2008, the New Jersey Department of Environmental Protection issued a Notice of Violation and an Administrative Order and Notice of Civil Administrative Penalty Assessment, respectively, alleging that Norfolk Southern violated provisions of its New Jersey Pollutant Discharge Elimination System Permit at its Elizabeth City, NJ rail terminal. Norfolk Southern immediately corrected any potential noncompliance issues and in November 2008, paid a penalty of $5,000.

12. The United States Coast Guard issued a Notice of Violation in connection with the failure of a float level control switch at a waste water treatment plant pumping station that released approximately 500 gallons of oil and resulted in a light sheen on the Ohio River on December 18, 2009. An immediate response was undertaken to the release and the control switch was repaired. The Coast Guard's NOV assessed a $1,500 penalty, which was paid.

13. The United States Coast Guard issued a Notice of Violation in connection with the release of diesel fuel from a valve on a loading dock that created a sheen on the Ohio River on March 2, 2010. An immediate response to the release was undertaken. The Coast Guard's NOV assessed a $500 penalty, which was paid.

14. In late August 2010, as a result of an inspection by the Pipeline and Hazardous Materials Safety Administration, Norfolk Southern received a Notice of Probable Violation, Civil Penalty Assessment and Proposed Compliance Order (NOV) for alleged violations related to the operation and maintenance of a fuel pipeline in Macon, GA, including alleged recordkeeping deficiencies. A penalty of $98,600 was paid on July 19, 2011 pursuant to a Final Order. Two additional Notices of Probable Violation and a Notice of Amendment were received in February 2011. On August 18, 2011 an additional penalty of $77,500 was paid pursuant to a Final Order. Norfolk Southern has since retained a third party operator for this pipeline, thus resolving the alleged deficiencies.

15. In late June, 2010, the State of Ohio filed suit against Norfolk Southern alleging certain violations of state water laws at Norfolk Southern's coal transloading facility in Ashtabula, Ohio. Simultaneous with the filing of the complaint, the parties filed a Consent Order for Preliminary Injunction with the court that requires certain actions be undertaken by Norfolk

Southern at the facility. A final Consent Order was entered by the Court on August 11, 2011 that provided for final relief and the payment of an $115,000 penalty.

On or about January 18, 2008, OSHA issued a Citation and Notification of Penalty to Norfolk Southern regarding its Juniata facility. The Citation was resolved with OSHA through an Informal Settlement Agreement dated February 14, 2008. The alleged violations which are the subject of the Informal Settlement Agreement involve the implementation of administrative or engineering controls to reduce exposure to copper and iron oxide during welding operations; the provision of information and training concerning hexavalent chromium; training concerning potential exposure to lead; and the provision of separate storage facilities for street clothes and protective clothing. All of these violations were classified as Other Than Serious and there was a total penalty of $1,500.

II. Portsmouth, OH

On or about March 18, 2008, OSHA issued a Citation and Notification of Penalty to Norfolk Southern regarding its Portsmouth facility. We further pledge that none of our affiliates is, and none of them will become, a predatory lender as defined in Chapter 2-32 of the Municipal Code. We understand that becoming a predatory lender or becoming an affiliate of a predatory lender may result in the loss of the privilege of doing business with the City."

If the Disclosing Party is unable to make this pledge because it or any of its affiliates (as defined in Section 2-32-455(b) of the Municipal Code) is a predatory lender within the meaning of Chapter 2-32 of the Municipal Code, explain here (attach additional pages if necessary):

If the letters "NA," the word "None," or no response appears on the lines above, it will be conclusively presumed that the Disclosing Party certified to the above statements.

D. CERTIFICATION REGARDING INTEREST IN CITY BUSINESS

Any words or terms that are defined in Chapter 2-156 of the Municipal Code have the same meanings when used in this Part D.

____1. The Disclosing Party verifies that the Disclosing Party has searched any and all records of the Disclosing Party and any and all predecessor entities regarding records of investments or profits from slavery or slaveholder insurance policies during the slavery era (including insurance policies issued to slaveholders that provided coverage for damage to or injury or death of their slaves), and the Disclosing Party has found no such records.

("Continued on Attachment V.E.2.)

ATTACHMENT V.B.6

Norfolk Southern has thousands of employees and business operations in 22 states and the District of Columbia. NSR along with its consolidated rail subsidiaries ("NS Rail") is engaged primarily in the transportation of freight by rail. NS Rail operates approximately 21,000 miles, primarily in the east and Midwest, including approximately 861 miles in Illinois and 36 in Chicago. NSR and NSC used their best efforts to gather as much of the requested information as reasonably possible and without undue effort and expense, but, because of their large size, all responses given in all of the EDS Statement are only to the best of the reasonable knowledge of NSC and NSR, are at the risk of not having knowledge of certain information, and the executive officer signing the EDS Statement does so based on actual knowledge or information supplied to that executive officer. Due to the scope of its operations and the number of employees and contractors, Norfolk Southern makes no representations as to parties other than NSR, NSC and their respective executive officers and directors. Additional information about Norfolk Southern Corporation can be found at the website, www.nscorp.com, including its Annual Report for the fiscal year ended December 31, 2008.

The following two paragraphs are responsive to Certification V.B.1.e. on page 5

Norfolk Southern is subject to extensive applicable federal, state, and local environmental laws and regulations. Norfolk Southern is, from time to time, investigated by these and other regulatory agencies in the ordinary course of business. Norfolk Southern cooperates with all government agency investigations. Due to the scope of its operations and the number of employees, however, Norfolk Southern cannot provide information regarding all such investigations without undue effort or expense, if at all. The list of certain investigations found attached in Table V.B.1.e – A is that information that Norfolk Southern was able to identify without undue effort or expense.

In addition to the regulation described in the preceding paragraph, Norfolk Southern is also subject to commercial regulation by the United States Surface Transportation Board, and its operations are regulated extensively by the United States Department of Transportation, including the Federal Railroad Administration, and the Department of Homeland Security, some of which in some cases has a preemptive effect. In addition, Norfolk Southern's operations are subject to extensive federal, state, and local environmental, labor and employment and other laws and regulations. Norfolk Southern is, from time to time, alleged to be in violation of administrative, statutory or regulatory provisions in the ordinary course of business. Norfolk Southern cooperates with all government agencies in seeking to resolve such alleged violations. Due to the scope of its operations and the number of employees, Norfolk Southern cannot provide detailed information regarding all such violations without undue effort or expense, if at all.

However, attached in Table V.B.1.e – B, is that information which can be secured without undue effort or expense.

TABLE V.B.1.e – A

Part 1

1. In April, 2008, the United States Department of Justice filed suit against Norfolk Southern Railway Company seeking civil penalties and injunctive relief under the Clean Water Act and the Comprehensive Environmental Response, Compensation and Liability Act, related to the Jan. 6, 2005 derailment in Graniteville, S.C, and associated release of chlorine into the atmosphere. In April, 2010, the parties reached a consent decree settling the lawsuit, subject to court approval. In the consent decree, Norfolk Southern agreed to pay a civil penalty of $4 million, to undertake emergency response training and undertake a supplemental environmental project. There is no admission of liability.

2. On Oct. 19, 2006, the Pennsylvania Department of Environmental Protection (PDEP) issued an assessment of civil penalties against Norfolk Southern and filed a complaint for civil penalties with the Pennsylvania Environmental Hearing Board (EHB) requesting that the EHB impose civil penalties upon Norfolk Southern for alleged violations of state environmental laws and regulations resulting from a discharge of sodium hydroxide that occurred as a result of the derailment of a Norfolk Southern train in Norwich Township, Pennsylvania, on June 30, 2006. PDEP's actions sought to impose combined penalties of $8,890,000 for alleged past violations and $46,420 per day for alleged continuing violations of state environmental laws and regulations. Norfolk Southern appealed the fines to the EHB. The Pennsylvania Fish and Boat Commission sought financial restitution for damages alleged to have been caused by this accident. In addition, the Pennsylvania Attorney General and the McKean County District Attorney filed three misdemeanor charges for alleged violations of state environmental and aquatic resource protection laws and regulations. Norfolk Southern has entered into a settlement agreement with all Commonwealth of Pennsylvania parties, pursuant to which all claims by the Commonwealth for civil liability resulting from the derailment and spill were resolved, with Norfolk Southern agreeing to pay approximately $7.35 million in restitution to compensate for all natural resource damages and the agencies' response costs caused by the derailment and spill. Norfolk Southern also pled no contest to the three misdemeanor charges and paid fines in the amount of $250,000 to resolve them.

3. On July 13, 2007, Norfolk Southern received a subpoena from a state grand jury requesting documents and materials relating to the company's setting of fuel surcharges. Norfolk Southern cooperated with the state in its investigation, and has been notified that the state decided not to move forward with its investigation at this time, while reserving its right to re-open the matter in the future if it decides circumstances so dictate.

4. On August 15, 2007, Norfolk Southern entered into a Consent Assessment of Civil Penalty (Consent Assessment) with the PDEP, resolving alleged violations of the Clean Streams Law, the Solid Waste Management Act, the Hazardous Sites Cleanup Act, and the Air Pollution Control Act, and regulations promulgated thereunder. The Consent Assessment resolved three Notices of Violation (NOVs) received for alleged violations associated with spill incidents in Bell Township, Creighton, and

New Brighton, Pennsylvania, as well as other issues not subject to NOV. Specifically, on December 29, 2005, Norfolk Southern received a NOV related to a January 5, 2004 derailment near the village of Truxal in Bell Township, which had resulted in the release of shelled corn, lubricating oil, and diesel fuel. On July 1, 2005, Norfolk Southern received a NOV related to a January 31, 2005 derailment near Creighton in East Deer Township, which had resulted in the release of hydrogen fluoride. On October 26, 2006, Norfolk Southern received a NOV related to an October 20, 2006 derailment on and near the railroad bridge between Beaver Falls and New Brighton, which had resulted in the release of ethanol. The other two matters related to a 2003 diesel fuel spill caused by an outside contractor in Union Township and a number of spill incidents arising from September 8, 2003 to the date of the Consent Assessment from Conway Yard in Conway Borough. A civil penalty in the amount of $575,000 was paid to the Commonwealth of Pennsylvania, Clean Water Fund on September 12, 2007 in settlement of these incidents.

5. Norfolk Southern entered into a Consent Order on or about March 12, 2008 with the Georgia Department of Natural Resources Environmental Protection Division in connection with certain alleged violations of the storm water general permit requirements applicable to land disturbing activities associated with a September 2007 track siding extension project in Gordon County, Georgia. Among other things, Norfolk Southern mistakenly submitted the permit fee in April 2007 to the same address used for the application. Under the consent order Norfolk Southern agreed to implement best management measures and to have its erosion and sedimentation control plan certified. Norfolk Southern paid a penalty of $4,500. The EPD inspector was pleased overall with the stability of the project.

6. Norfolk Southern was sued by the State of Illinois in connection with a derailment that was caused when a Union Pacific train improperly entered an interlocking and struck a Norfolk Southern train in Momence, Illinois on November 24, 2005. As a result of the collision, diesel fuel was released from the locomotives of both trains and certain limited amounts of other hazardous and non-hazardous materials were released from rail cars. The State of Illinois sued both Norfolk Southern and Union Pacific alleging various violations of environmental laws as a result of these releases and demanding penalties and other relief. This case was settled for a non-penalty payment of $9,900 in January, 2010.

7. On approximately May 15, 2008, Norfolk Southern was notified by PDEP that the agency assessed a $24,000 penalty against it for alleged violations of the Pennsylvania Storage Tank and Spill Prevention Act. PDEP claims that during an inspection at Conway Yard, Conway, Pennsylvania, it discovered several testing and recordkeeping violations. The penalty assessment was appealed and a final settlement reached with PDEP that resulted in a Consent Assessment of Civil Penalty for a $12,000 fine.

8. On May 14, 2008, the United States Coast Guard issued a Notice of Violation in connection with a sheen of oil that resulted from a gasket failure on the land arm swivel joint of a manifold connecting to a fuel barge at Conway Yard. A boom was immediately deployed by Norfolk Southern forces and the swivel joint was taken out

of service. Less than one gallon of fuel was estimated to be released. The Coast Guard's NOV assessed a $250 penalty, which was paid.

9. Ohio EPA cited Norfolk Southern for the railroad's failure to file a Large Quantity Generator ("LQG") Report on August 6, 2008 in connection with a one-time hazardous material spill cleanup event at Columbus, Ohio. The failure to file was inadvertent since the yard facility ordinarily is a small quantity hazardous waste generator. The railroad late filed the LEQ report and has requested the State to delist the yard as a LQG. No penalty was assessed.

10. On August 20, 2009, Norfolk Southern entered into two Consent Agreements with U.S. EPA Region 4, resolving two alleged violations of the Clean Water Act associated with two separate releases of fuel oil locomotive fuel tanks which were accidently breached by a master shoe retarder in Norris Yard, Irondale, Alabama. Norfolk Southern paid a total of $9,000 in penalties in these two dockets.

11. In April and May 2008, the New Jersey Department of Environmental Protection issued a Notice of Violation and an Administrative Order and Notice of Civil Administrative Penalty Assessment, respectively, alleging that Norfolk Southern violated provisions of its New Jersey Pollutant Discharge Elimination System Permit at its Elizabeth City, NJ rail terminal. Norfolk Southern immediately corrected any potential noncompliance issues and in November 2008, paid a penalty of $5,000.

12. The United States Coast Guard issued a Notice of Violation in connection with the failure of a float level control switch at a waste water treatment plant pumping station that released approximately 500 gallons of oil and resulted in a light sheen on the Ohio River on December 18, 2009. An immediate response was undertaken to the release and the control switch was repaired. The Coast Guard's NOV assessed a $1,500 penalty, which was paid.

13. The United States Coast Guard issued a Notice of Violation in connection with the release of diesel fuel from a valve on a loading dock that created a sheen on the Ohio River on March 2, 2010. An immediate response to the release was undertaken. The Coast Guard's NOV assessed a $500 penalty, which was paid.

14. In late August 2010, as a result of an inspection by the Pipeline and Hazardous Materials Safety Administration, Norfolk Southern received a Notice of Probable Violation, Civil Penalty Assessment and Proposed Compliance Order (NOV) for alleged violations related to the operation and maintenance of a fuel pipeline in Macon, GA, including alleged recordkeeping deficiencies. A penalty of $98,600 was paid on July 19, 2011 pursuant to a Final Order. Two additional Notices of Probable Violation and a Notice of Amendment were received in February 2011. On August 18, 2011 an additional penalty of $77,500 was paid pursuant to a Final Order. Norfolk Southern has since retained a third party operator for this pipeline, thus resolving the alleged deficiencies.

15. In late June, 2010, the State of Ohio filed suit against Norfolk Southern alleging certain violations of state water laws at Norfolk Southern's coal transloading facility in Ashtabula, Ohio. Simultaneous with the filing of the complaint, the parties filed a Consent Order for Preliminary Injunction with the court that requires certain actions be undertaken by Norfolk

Southern at the facility. A final Consent Order was entered by the Court on August 11, 2011 that provided for final relief and the payment of an $115,000 penalty.

I. Juniata, PA

On or about January 18, 2008, OSHA issued a Citation and Notification of Penalty to Norfolk Southern regarding its Juniata facility. The Citation was resolved with OSHA through an Informal Settlement Agreement dated February 14, 2008. The alleged violations which are the subject of the Informal Settlement Agreement involve the implementation of administrative or engineering controls to reduce exposure to copper and iron oxide during welding operations; the provision of information and training concerning hexavalent chromium; training concerning potential exposure to lead; and the provision of separate storage facilities for street clothes and protective clothing. All of these violations were classified as Other Than Serious and there was a total penalty of $1,500.

II. Portsmouth, OH

On or about March 18, 2008, OSHA issued a Citation and Notification of Penalty to Norfolk Southern regarding its Portsmouth facility. The alleged serious violations contained in the Citation related to the OSHA requirements concerning electric power generation, transmission and distribution under 29 CFR 1910.269. This matter was settled by stipulation and agreement on May 15, 2008, with a penalty payment of $20,000. The descriptions of certain alleged violations were amended, the citation relating to accident reporting was withdrawn (since NSRC is subject to DOT reporting requirements) and all items were abated by October 8, 2008.

III. Baltimore, MD

The Maryland Department of Labor on March 28, 2008 issued two citations against Norfolk Southern Railway Company, alleging five occupational and safety violations at small car repair mechanical facility in Baltimore, Maryland, including one for which railroads are exempted under state law. The matter was settled on April 28, 2008, with a penalty payment of $2,062.50 for three violations relating to welding shields, open circuit breaker and an electrical obstruction. The two violations relating to maintenance and submission of the chemical inventory list were rescinded.

TO THE HONORABLE, THE CITY COUNCIL
OF THE CITY OF CHICAGO

Ladies and Gentlemen:

At the request of the Commissioner of Housing and Economic Development, I transmit herewith ordinances authorizing the sale of City-owned property.

Your favorable consideration of these ordinances will be appreciated.

Very truly yours,

ORDINANCE

WHEREAS, the City of Chicago ("City") is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970, and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the City, through the foreclosure of demolition liens, tax sales and other methods of acquisition, has acquired title to numerous parcels of real property which are of minimal value and costly to clean up and maintain, and because title to such properties was vested in the City, the properties were exempted from real estate taxes, thus depriving the City of revenue; and

WHEREAS, by ordinances passed by the City Council of the City ("City Council") on March 6, 1981 and published on pages 5584-5585 of the Journal of Proceedings of the City Council ("Journal") for such date, as amended on July 23, 1982 and published in the Journal for such date at pages 11830-11833, as amended January 7, 1983 and published in the Journal for such date at pages14803- 14805, as amended September 14 19, 1994 and published in the Journal for such date at pages 56195 - 56198, as amended September 4 14, 2002 and published in the Journal for such date at pages 92771 - 92773, and as amended July 28, 2010 and published in the Journal for such date at pages 97370 - 97374, a program for the disposition of certain vacant real property owned by the City known as the Adjacent Neighbors Land Acquisition Program (the "ANLAP Program") was established; and

WHEREAS, pursuant to the current ANLAP Program, as codified at Municipal Code Chapter 2-159-010 et seq. (the "ANLAP Program Ordinance"), a qualified City-owned parcel may be sold if it has an appraised value of not more than Fifty Thousand Dollars ($50,000); and

WHEREAS, pursuant to the current ANLAP Program, if the property appraises at or for less than Ten Thousand Dollars ($10,000.00) the minimum acceptable bid must be at least One Thousand Dollars ($1,000.00); if the property appraises at or for less than Twenty Thousand Dollars ($20,000.00) but more than Ten Thousand Dollars ($10,000.00) the minimum acceptable bid must be at least Two Thousand Dollars ($2,000.00); and if the property appraises for more than Twenty Thousand Dollars ($20,000.00) the minimum acceptable bid must be Two Thousand Dollars ($2,000.00), plus fifty percent (50%) of the appraised value which exceeds Twenty Thousand Dollars ($20,000.00); and

WHEREAS, pursuant to the current ANLAP Program, any deed conveying a parcel pursuant thereto shall contain covenants which: (1) prohibit the grantee from conveying, assigning or otherwise transferring the parcel except in conjunction with the adjacent parcel owned by the grantee; and (2) require that the parcel be improved with landscaped open space within six (6) months of the conveyance of such parcel and prohibit the construction of any permanent improvements on the parcel, excluding only improvements made by the grantee on the parcel that constitute an integrated addition to the grantee's primary residence on the adjacent lot, or a garage appurtenant thereto; and (3) require the grantee to maintain the parcel in accordance with the provisions of the Municipal Code of Chicago. The covenants shall terminate ten (10) years after the date of the conveyance of the parcel to the grantee; and

WHEREAS, the Department of Housing and Economic Development ("DHED") of the City desires to convey the vacant parcel of real property identified on Exhibit A to this ordinance (the "ANLAP Parcel") to Syreeta N. Talbert (the "Purchaser"), who has a principal residence of 7451 South Euclid Parkway, Chicago, Illinois; and

WHEREAS, DHED has caused notice of the proposed sale of the ANLAP Parcel to be sent to all eligible adjacent neighbors (if any); and

WHEREAS, Purchaser's proposal was the only proposal received by the deadline indicated in the aforesaid notice; and

WHEREAS, pursuant to Resolution Number 13-005-21 adopted on January 24, 2013, by the Plan Commission of the City of Chicago ("Commission"), the Commission approved the sale of the Property to the Purchaser; now, therefore

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The City hereby accepts the bid of the Purchaser to purchase the ANLAP Parcel, which purchase shall be subject to all of the terms, conditions, covenants and restrictions of the ANLAP Program and the ANLAP Program Ordinance.

SECTION 2. WHEREAS, the City is the owner of the vacant parcel of property located at 5600-5602 South Carpenter Street, Chicago, Illinois, which is legally described on Exhibit A attached hereto (the "Property"), which Property is located in the Englewood Neighborhood Redevelopment Project Area ("Area") established pursuant to ordinances adopted by the City Council of the City on June 27, 2001, published in the Journal of Proceedings of the City Council for such date at pages 61850 through 62055; and

WHEREAS, Joseph Morris ("Grantee"), 12446 South Princeton Avenue, Chicago, IL 60628, has offered to purchase the Property from the City for the sum of Three Thousand and No/100 Dollars ($3,000.00), such amount being the appraised fair market value of the Property, to improve with landscaped open space thereon; and

In the event that the condition is not met, the City of Chicago may re-enter the Property and revest title in the City of Chicago. Grantee, at the request of the City of Chicago, covenants to execute and deliver to the City a reconveyance deed to the Property to further evidence such revesting of title. RECITALS

WHEREAS, the City is the owner of one vacant parcel of property, improved with a surface parking lot and fencing, located at 7841 South Racine Avenue, Chicago, Illinois, which is legally described on **Exhibit A** attached hereto (the "Property"), and which Property is located in the 79th Street Corridor Tax Increment Financing Area ("Area") established pursuant to ordinances adopted by the City Council of the City (the "City Council") on July 8, 1998 and published in the Journal of Proceedings of the City Council for such date at pages 72438 through 72509; and

WHEREAS, the Developer desires to purchase from the City one (1) vacant parcel of land, improved with a surface parking lot and fencing, located at 7841 South Racine Avenue, Chicago, Illinois, which is legally described on Exhibit A attached hereto (the "Property"), which such Property is located in the Area; and

WHEREAS, the City is willing to sell the Property to the Developer for the land write down value of One and No/100 Dollars ($1.00), in consideration of the Developer's fulfillment of its obligations under this Agreement including the obligations to develop a seventeen (17) space surface parking lot to be utilized for parking in perpetuity (the "Project"), which shall primarily be utilized by the Developer and the tenants of a nearby Developer owned residential building located at 1203-09 W. 78th Place, Chicago, Illinois, and perform other redevelopment obligations as set forth in this Agreement; and

WHEREAS, the Developer and the City acknowledge that the implementation of the policies and provisions described in this Agreement will be of mutual benefit to the Developer and the City.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

SECTION 1. INCORPORATION OF RECITALS.

The foregoing findings and recitals constitute an integral part of this Agreement and are incorporated herein by this reference with the same force and effect as if set forth herein as agreements of the parties.

SECTION 2. PURCHASE PRICE.

The City hereby agrees to sell, and the Developer hereby agrees to purchase, upon and subject to the terms and conditions of this Agreement, the Property, for the sum of One and 00/100 Dollars ($1.00) ("Purchase Price"). Such amount shall be paid to the City at the Closing (as defined in Section 4). The appraised market value of the Property is Twenty Two Thousand and No/Dollars ($22,000). The write-down is being offered in consideration of the Developer's agreement to comply with the covenants in this Agreement, including, without limitation, the covenants referenced in Section 18, which shall run with the land. Except as specifically provided herein to the contrary, the Developer shall pay all escrow fees and other title insurance fees and all other closing costs.

SECTION 3. EARNEST MONEY AND PERFORMANCE DEPOSIT.

[Intentionally Deleted]

SECTION 4. CLOSING.

The closing of the transaction contemplated by this Agreement (the "Closing") shall take place at the downtown offices of Greater Illinois Title Insurance Company (the "Title Company"), 120 North LaSalle Street, Chicago, Illinois 60601, within thirty (30) days after the Developer has obtained all necessary building permits and zoning approvals for the Project, as required pursuant to Section 9.1, or on such date as the parties mutually agree upon in writing (the "Closing Date"); provided, however, in no event shall the Closing occur (a) until the Developer has satisfied all conditions precedent set forth in Section 9, unless DHED, in its sole discretion, waives such conditions, and (b) any later than August 30, 2013 (the "Outside Closing Date"). On or before the Closing Date, the City shall deliver to the Title Company the Deed, all necessary state, county and municipal real estate transfer tax declarations, and an ALTA statement.

SECTION 5. CONVEYANCE OF TITLE.

5.1 Form of Deed. Without limiting the generality of the quitclaim nature of the deed, the City shall convey the Property to the Developer by quitclaim deed ("Deed"), subject to the terms of this Agreement and the following (collectively, the "Permitted Exceptions"):

(a) the standard exceptions in an ALTA title insurance policy;

(b) general real estate taxes and any special assessments or other taxes;

(c) all easements, encroachments, covenants and restrictions of record and not shown of record that will not adversely affect the use and insurability of the Property for the development of the Project;

(d) such other title defects as may exist; and

(e) any and all exceptions caused by the acts of the Developer or its agents.

5.2 Recording Costs. The Developer shall pay to record the Deed, this Agreement, and any other documents incident to the conveyance of the Property to the Developer.

SECTION 6. TITLE AND SURVEY.

6.1 The Developer acknowledges that the City has delivered to the Developer a commitment for an owner's policy of title insurance for the Property (the "Title Commitment") from the Title Company, showing the City in title to the Property. The Developer shall be solely responsible for and shall pay all costs associated with updating the Title Commitment (including all search, continuation and later-date fees), and obtaining any title insurance, extended coverage or other endorsements it deems necessary. The Developer shall also be solely responsible for and shall pay all costs associated with obtaining any survey it deems necessary.

6.2 The City shall use reasonable efforts to obtain the waiver or release of any delinquent real estate tax liens on the Property prior to the Closing Date, to the extent such tax liens can be waived or released through submission of an abatement letter to the Cook County Treasurer or a motion to vacate a tax sale. If the City is unable to obtain the waiver or release of any such tax liens or is unable to cause the Title Company to insure over such tax liens, or if the Property is encumbered with any other unpermitted exceptions, the Developer shall have the option to do one of the following: (a) accept title to the Property subject to the exceptions, which shall then become Permitted Exceptions, without reduction in the Purchase Price; or (b) terminate this Agreement by delivery of written notice to the City at least fourteen (14) days prior to the Closing Date, in which event the City shall return the Earnest Money and Performance Deposit to the Developer, this Agreement shall be null and void and, except as otherwise specifically provided herein, neither party shall have any further right, duty or obligation hereunder. If the Developer elects not to terminate this Agreement as aforesaid, the Developer agrees to accept title subject to the unpermitted exceptions. The Developer shall be responsible for all taxes accruing after the Closing.

SECTION 7. BUILDING PERMITS AND OTHER GOVERNMENTAL APPROVALS.

The Developer shall apply for all necessary building permits and other required permits and approvals for the construction of the Project no later than fourteen (14) days after the City Council authorizes the sale of the Property, and shall pursue such permits and approvals in good faith and with all due diligence.

SECTION 8. PROJECT BUDGET.

The total budget for the Project is currently estimated to be a small budget of Two Thousand Four Hundred Fifty and No/100 Dollars ($2,450) since the surface parking lot is already in place and the remaining costs involving striping, landscaping, and other maintenance tasks.

SECTION 9. CONDITIONS TO THE CITY'S OBLIGATION TO CLOSE.

The obligations of the City under this Agreement are contingent upon each of the following being done at least fourteen (14) days prior to the Closing Date, unless another date is specified:

9.1 Final Governmental Approvals. The Developer shall have delivered to the City evidence of all building permits and other final governmental approvals necessary to construct the Project.

9.2 Budget and Proof of Financing. The City shall have approved the Developer's Budget and Proof of Financing.

9.3 Simultaneous Loan Closing. On the Closing Date, the Developer shall simultaneously close any financing, if any, approved pursuant to this Agreement and be in a position to immediately commence construction of the Project.

9.4 Insurance. The Developer shall have delivered to the City evidence of insurance reasonably acceptable to the City. The City shall be named as an additional insured on all liability insurance policies and as a loss payee (subject to the prior rights of any first mortgagee) on all property insurance policies from the Closing Date through the date the City issues the Certificate of Completion (as defined in Section 13 below). With respect to property insurance, the City will accept an ACORD 28 form. With respect to liability insurance, the City will accept an ACORD 25 form, together with a copy of the endorsement that is added to the Developer's policy showing the City as an additional insured.

9.5 Legal Opinion. The Developer shall, at the City's request, deliver to the City a legal opinion in a form reasonably acceptable to the City's Corporation Counsel.

9.6 Due Diligence. The Developer shall have delivered to the City due diligence searches in its name (UCC liens, state and federal tax liens, pending suits and judgments in Cook County and the U.S. District Court for the Northern District of Illinois, and bankruptcy), showing no unacceptable liens, litigation, judgments or filings, as reasonably determined by the City's Corporation Counsel.

9.7 Organization and Authority Documents. The Developer shall have delivered to the City the Developer's articles of incorporation, including all amendments thereto, as furnished and certified by the Illinois Secretary of State; the by-laws of the Developer, as certified by the secretary of the Developer; resolutions authorizing the Developer to execute and deliver this Agreement and any other documents required to complete the transaction contemplated by this Agreement and to perform its obligations under this Agreement; a certificate of good standing from the Illinois Secretary of State dated no more than thirty (30) days prior to the Closing Date; and such other corporate authority and organizational documents as the City may reasonably request.

9.8 Subordination Agreement. On the Closing Date, and prior to recording any mortgage approved pursuant to Section 9.2, the Developer shall, at the City's request, deliver to the City a subordination agreement in which the construction lender agrees to subordinate the lien of its mortgage to the covenants running with the land, or such other subordination assurance as the Corporation Counsel shall deem acceptable.

9.9 MBE/WBE Compliance Plan. The Developer and the Developer's general contractor and all major subcontractors shall meet with staff from the Department of Housing ("DOH") regarding compliance with the MBE/WBE, city residency hiring, prevailing wage and other requirements set forth in Section 23, and at least seven (7) days prior to the Closing Date, the City shall have approved the Developer's compliance plan in accordance with Section 23.4.

9.10 Representations and Warranties. On the Closing Date, each of the representations and warranties of the Developer in Section 24 and elsewhere in this Agreement shall be true and correct.

9.11 Other Obligations. On the Closing Date, the Developer shall have performed all of the other obligations required to be performed by the Developer under this Agreement as and when required under this Agreement.

If any of the conditions in this Section 9 have not been satisfied to the City's reasonable satisfaction within the time periods provided for herein, or waived by DHED in writing, the City may, at its option, terminate this Agreement by delivery of written notice to the Developer at any time after the expiration of the applicable time period and this Agreement shall be null and void and, except as otherwise specifically provided herein, neither party shall have any further right, duty or obligation hereunder. Any forbearance by the City in exercising its right to terminate this Agreement upon a default hereunder shall not be construed as a waiver of such right.

SECTION 10. CONSTRUCTION REQUIREMENTS.

10.1 Site Plans. The Developer shall construct the Project on the Property in accordance with the final design development drawings and specifications prepared by C. Johnson & Associates, which have been approved by DHED and which are incorporated herein by reference ("Working Drawings and Specifications"). No material deviation from the Working Drawings and Specifications may be made without the prior written approval of DHED. If the Developer submits and DHED approves revised design development drawings and specifications after the date of this Agreement, the term "Working Drawings and Specifications" as used herein shall refer to the revised design development drawings and specifications upon DHED's written approval of the same.

10.2 Relocation of Utilities, Curb Cuts and Driveways. The Developer shall be solely responsible for and shall pay all costs associated with: (a) the relocation, installation or construction of public or private utilities, curb cuts and driveways; (b) the repair or reconstruction of any curbs, vaults, sidewalks or parkways required in connection with or damaged as a result of the Developer's construction of the Project; (c) the removal of existing pipes, utility equipment or building foundations; and (d) the termination of existing water or other services. The City shall have the right to approve any streetscaping provided by the Developer as part of the Project, including, without limitation, any paving of sidewalks, landscaping and lighting.

10.3 City's Right to Inspect Property. For the period commencing on the Closing Date and continuing through the date the City issues a Certificate of Completion, any duly authorized representative of the City shall have access to the Property at all reasonable times for the purpose of determining whether the Developer is constructing the Project in accordance with the terms of this Agreement and all applicable federal, state and local statutes, laws, ordinances, codes, rules, regulations, orders and judgments, including, without limitation, Sections 7-28 and 11-4 of the Municipal Code of Chicago relating to waste disposal (collectively, "Laws").

10.4 Barricades and Signs. Promptly after the execution of this Agreement, the Developer shall, at its sole cost and expense, erect and maintain such signs as the City may reasonably require identifying the Property as a City redevelopment project. Prior to the commencement of any construction activity requiring barricades, the Developer shall install barricades of a type and appearance satisfactory to the City and constructed in compliance with all applicable Laws. DHED shall have the right to approve the maintenance, appearance, color scheme, painting, nature, type, content and design of all barricades, which approval shall not be unreasonably withheld or delayed. The Developer shall erect all signs and barricades so as not to interfere with or affect any bus stop or train station in the vicinity of the Property.

10.5 Survival. The provisions of this Section 10 shall survive the Closing.

SECTION 11. LIMITED APPLICABILITY.

DHED's approval of the Drawings are for the purposes of this Agreement only and do not constitute the approval required by the City's Department of Buildings ("DOB") or any other City department; nor does the approval by DHED pursuant to this Agreement constitute an approval of the quality, structural soundness or the safety of any improvements located or to be located on the Property. The approval given by DHED shall be only for the benefit of the Developer and any lienholder authorized by this Agreement.

SECTION 12. COMMENCEMENT AND COMPLETION OF PROJECT.

The Developer shall commence construction of the Project no later than April 1, 2013, and shall complete the Project (as evidenced by the issuance of a Certificate of Completion) no later than October 1, 2013. The Developer shall give written notice to the City within five (5) days after it commences construction. The Developer shall construct the Project in accordance with the Working Drawings and Specifications, and all Laws and covenants and restrictions of record.

SECTION 13. CERTIFICATE OF COMPLETION.

The Developer shall request from the City a certificate of completion ("Certificate of Completion") upon the completion of the Project in accordance with this Agreement. Within forty-five (45) days after receipt of a written request by the Developer for a Certificate of Completion, the City shall provide the Developer with either the Certificate of Completion or a written statement indicating in adequate detail how the Developer has failed to complete the Project in conformity with this Agreement, or is otherwise in default, and what measures or acts will be necessary, in the sole opinion of the City, for the Developer to take or perform in order to obtain the Certificate of Completion. If the City requires additional measures or acts to assure compliance, the Developer shall resubmit a written request for the Certificate of Completion upon compliance with the City's response. The Certificate of Completion shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of the covenants in this Agreement and the Deed with respect to the Developer's obligations to construct the Project. The Certificate of Completion shall not, however, constitute evidence that the Developer has complied with any Laws relating to the construction of the Project, and shall not serve as any "guaranty" as to the quality of the construction. Upon recordation of the Certificate of Completion, the City shall return the Performance Deposit to the Developer.

SECTION 14. RESTRICTIONS ON USE.

The Developer agrees that it:

14.1 Shall devote the Property solely to the Project.

14.2 Shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the use or occupancy of the Property or any part thereof or the Project or any part thereof.

14.3 Shall use and operate Property solely as parking in perpetuity.

14.4 Shall in no instance use the Property for any inherently religious activities, such as worship, religious instruction, or proselytization.

SECTION 15. PROHIBITION AGAINST SALE OR TRANSFER OF PROPERTY.

Prior to the issuance of the Certificate of Completion for the Project, the Developer may not, without the prior written consent of DHED, which consent shall be in DHED's sole discretion: (a) directly or indirectly sell, transfer or otherwise dispose of the Property or any part thereof or any interest therein or the Developer's controlling interests therein (including without limitation, a transfer by assignment of any beneficial interest under a land trust); or (b) directly or indirectly assign this Agreement. The Developer acknowledges and agrees that DHED may withhold its consent under (a) or (b) above if, among other reasons, the proposed purchaser, transferee or assignee (or such entity's principal officers or directors) is in violation of any Laws, or if the Developer fails to submit sufficient evidence of the financial responsibility, business background and reputation of the proposed purchaser, transferee or assignee. If the Developer is a business entity, no principal party of the Developer (e.g., a general partner, member, manager or shareholder) may sell, transfer or assign any of its interest in the entity prior to the issuance of the Certificate of Completion to anyone other than another principal party, without the prior written consent of DHED, which consent shall be in DHED's sole discretion. The Developer must disclose the identity of all limited partners to the City at the time such limited partners obtain an interest in the Developer. The provisions of this Section 15 shall not prohibit the Developer from transferring or conveying the Property to an Illinois land trust of which the Developer is the sole beneficiary.

SECTION 16. LIMITATION UPON ENCUMBRANCE OF PROPERTY.

Prior to the issuance of the Certificate of Completion, the Developer shall not, without DHED's prior written consent, which shall be in DHED's sole discretion, engage in any financing or other transaction which would create an encumbrance or lien on the Property, except for any mortgage approved pursuant to Section 9.2.

SECTION 17. MORTGAGEES NOT OBLIGATED TO CONSTRUCT.

Notwithstanding any other provision of this Agreement or of the Deed, the holder of any mortgage authorized by this Agreement (or any affiliate of such holder) shall not itself be obligated to construct or complete the Project, or to guarantee such construction or completion, but shall be bound by the other covenants running with the land specified in Section 18 and shall, prior to recording any mortgage approved pursuant to Section 9.2, execute and record a Subordination Agreement (as defined in Section 9.8). If any such mortgagee or its affiliate succeeds to the Developer's interest in the Property prior to the issuance of the Certificate of Completion, whether by foreclosure, deed-in-lieu of foreclosure or otherwise, and thereafter

transfers its interest in the Property to another party, such transferee shall be obligated to complete the Project, and shall also be bound by the other covenants running with the land specified in Section 18.

SECTION 18. COVENANTS RUNNING WITH THE LAND.

The parties agree that the covenants provided in Section 12 (Commencement and Completion of Project), Section 14 (Restrictions on Use), Section 15 (Prohibition Against Sale or Transfer of Property) and Section 16 (Limitation Upon Encumbrance of Property) will be covenants running with the land, binding on the Developer and its successors and assigns (subject to the limitation set forth in Section 17 above as to any permitted mortgagee) to the fullest extent permitted by law and equity for the benefit and in favor of the City, and shall be enforceable by the City. The covenants provided in Section 12, Section 15 and Section 16 shall terminate upon the issuance of the Certificate of Completion. The covenant contained in Section 14 shall run in perpetuity.

SECTION 19. PERFORMANCE AND BREACH.

19.1 Time of the Essence. Time is of the essence in the Developer's performance of its obligations under this Agreement.

19.2 Permitted Delays. The Developer shall not be considered in breach of its obligations under this Agreement in the event of a delay due to unforeseeable causes beyond the Developer's control and without the Developer's fault or negligence, including, without limitation, acts of God, acts of the public enemy, acts of the United States government, fires, floods, epidemics, quarantine restrictions, strikes, embargoes and unusually severe weather or delays of subcontractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the Developer requests an extension in writing within twenty (20) days after the beginning of any such delay.

19.3 Cure. If the Developer defaults in the performance of its obligations under this Agreement, the Developer shall have sixty (60) days after written notice of default from the City to cure the default, or such longer period as shall be reasonably necessary to cure such default provided the Developer promptly commences such cure and thereafter diligently pursues such cure to completion (so long as continuation of the default does not create material risk to the Project or to persons using the Project). Notwithstanding the foregoing, no notice or cure period shall apply to defaults under Sections 19.4 (c), (e) and (g).

19.4 Event of Default. The occurrence of any one or more of the following shall constitute an "Event of Default" under this Agreement:

(a) The Developer makes or furnishes a warranty, representation, statement or certification to the City (whether in this Agreement, an Economic Disclosure Statement, or another document) that is not true and correct.

(b) A petition is filed by or against the Developer under the Federal Bankruptcy Code or any similar state or federal law, whether now or hereafter existing, which is not vacated, stayed or set aside within thirty (30) days after filing.

(c) The Developer fails to complete the Project in accordance with the time line outlined in Section 12 above, or the Developer abandons or substantially suspends construction of the Project.

(d) The Developer fails to pay real estate taxes or assessments affecting the Property or any part thereof when due, or places thereon any encumbrance or lien unauthorized by this Agreement, or suffers or permits any levy or attachment, mechanic's, laborer's, material supplier's, or any other lien or encumbrance unauthorized by this Agreement to attach to the Property unless bonded or insured over.

(e) The Developer makes an assignment, pledge, unpermitted financing, encumbrance, transfer or other disposition in violation of this Agreement.

(f) There is a material and adverse change in the Developer's financial condition or operations.

(g) The Developer fails to close by the Outside Closing Date, unless DHED, in its sole discretion, extends the Outside Closing Date.

(h) The Developer fails to perform, keep or observe any of the other covenants, conditions, promises, agreements or obligations under this Agreement or any other written agreement entered into with the City with respect to the Project.

19.5 Prior to Closing. If an Event of Default occurs prior to the Closing, and the default is not cured in the time period provided for in Section 19.3 above, the City may terminate this Agreement, institute any action or proceeding at law or in equity against the Developer, and retain the Earnest Money and Performance Deposit as liquidated damages.

19.6 After Closing. If an Event of Default occurs after the Closing but prior to the issuance of the Certificate of Completion, and the default is not cured in the time period provided for in Section 19.3 above, the City may terminate this Agreement and exercise any and all remedies available to it at law or in equity, including, without limitation, the right to re-enter and take possession of the Property, terminate the estate conveyed to the Developer, and revest title to the Property in the City (the "Right of Reverter"); provided, however, the City's Right of Reverter shall be limited by, and shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by this Agreement.

19.7 Resale of the Property. Upon the revesting in the City of title to the Property as provided in Section 19.6, the City may complete the Project or convey the Property, subject to any first mortgage lien, to a qualified and financially responsible party reasonably acceptable to the first mortgagee, who shall assume the obligation of completing the Project or such other improvements as shall be satisfactory to DHED, and otherwise comply with the covenants that run with the land as specified in Section 18.

19.8 Disposition of Resale Proceeds. If the City sells the Property as provided for in Section 19.7, the net proceeds from the sale, after payment of all amounts owed under any

mortgage liens authorized by this Agreement in order of lien priority, shall be utilized to reimburse the City for:

(a) costs and expenses incurred by the City (including, without limitation, salaries of personnel) in connection with the recapture, management and resale of the Property (less any income derived by the City from the Property in connection with such management); and

(b) all unpaid taxes, assessments, and water and sewer charges assessed against the Property; and

(c) any payments made (including, without limitation, reasonable attorneys' fees and court costs) to discharge or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults or acts of the Developer; and

(d) any expenditures made or obligations incurred with respect to construction or maintenance of the Project; and

(e) any other amounts owed to the City by the Developer.

The Developer shall be entitled to receive any remaining proceeds up to the amount of the Developer's equity investment in the Property. In addition to, and without in any way limiting the City's rights under this Section 19, the City shall have the right to retain the Performance Deposit in the event of a default by the Developer.

SECTION 20. CONFLICT OF INTEREST; CITY'S REPRESENTATIVES NOT INDIVIDUALLY LIABLE.

The Developer represents and warrants that no agent, official or employee of the City shall have any personal interest, direct or indirect, in the Developer, this Agreement, the Property or the Project, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any corporation, partnership, association or other entity in which he or she is directly or indirectly interested. No agent, official or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer or successor or with respect to any commitment or obligation of the City under the terms of this Agreement.

SECTION 21. INDEMNIFICATION.

The Developer agrees to indemnify, defend and hold the City harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) suffered or incurred by the City arising from or in connection with: (a) the failure of the Developer to perform its obligations under this Agreement; (b) the failure of the Developer or any contractor or other agent, entity or individual acting under the control or at the request of the Developer ("Agent") to pay contractors, subcontractors or material suppliers in connection with the construction and

management of the Project; (c) any misrepresentation or omission made by the Developer or any Agent; (d) the failure of the Developer to redress any misrepresentations or omissions in this Agreement or any other agreement relating hereto; and (e) any activity undertaken by the Developer or any Agent on the Property prior to or after the Closing. This indemnification shall survive the Closing or any termination of this Agreement (regardless of the reason for such termination).

SECTION 22. INSPECTION; CONDITION OF PROPERTY AT CLOSING.

22.1 "As Is" Sale. The City makes no covenant, representation or warranty, express or implied, of any kind, as to the structural, physical or environmental condition of the Property or the suitability of the Property for any purpose whatsoever, and the Developer agrees to accept the property in its "as is," "where is" and "with all faults" condition.

22.2 Right of Entry.

(a) The Developer's obligations hereunder are conditioned upon the Developer being satisfied with the condition of the Property for the construction, development and operation of the Project. Upon the Developer's request, the City shall grant the Developer the right, at its sole cost and expense, to enter the Property for a period of thirty (30) days (the "Inspection Period") pursuant to a Right of Entry Agreement in form and substance reasonably acceptable to the City to inspect the same, perform surveys, environmental assessments, soil and any other due diligence it deems necessary or desirable to satisfy itself as to the condition of the Property.

(b) If the Developer determines that it is not satisfied, in its sole discretion, with the condition of the Property, the Developer may terminate this Agreement by written notice to the City within thirty (30) days after the expiration of the Inspection Period, whereupon the City shall return the Earnest Money and Performance Deposit to the Developer and this Agreement shall be null and void and, except as otherwise specifically provided, neither party shall have any further right, duty or obligation hereunder. If the Developer elects not to terminate this Agreement pursuant to this Section 22.2, the Developer shall be deemed satisfied with the condition of the Property.

22.3 Indemnity. The Developer hereby waives and releases, and indemnifies the City from and against, any claims and liabilities relating to or arising from the structural, physical or environmental condition of the Property, including, without limitation, claims arising under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended ("CERCLA"), and shall undertake and discharge all liabilities of the City arising from any structural, physical or environmental condition that existed on the Property prior to the Closing, including, without limitation, liabilities arising under CERCLA. The Developer hereby acknowledges that, in purchasing the Property, the Developer is relying solely upon its own inspection and other due diligence activities and not upon any information (including, without limitation, environmental studies or reports of any kind) provided by or on behalf of the City or its agents or employees with respect thereto. The Developer shall perform such studies and investigations, conduct such tests and surveys, and engage such specialists as the Developer deems appropriate to evaluate fairly the structural, physical and environmental condition and risks of the Property. If, after the Closing, the structural, physical and environmental condition

of the Property is not in all respects entirely suitable for its intended use, it shall be the Developer's sole responsibility and obligation to take such action as is necessary to put the Property in a condition which is suitable for its intended use. The provisions of this Section 22.3 shall survive the Closing.

SECTION 23. DEVELOPER'S EMPLOYMENT OBLIGATIONS.

23.1 Employment Opportunity. The Developer agrees, and shall contractually obligate its various contractors, subcontractors and any affiliate of the Developer operating on the Property (collectively, the "Employers" and individually, an "Employer") to agree, that with respect to the provision of services in connection with the construction of the Project or occupation of the Property:

(a) Neither the Developer nor any Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, gender identity, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010 et seq. of the Municipal Code of Chicago, as amended from time to time (the "Human Rights Ordinance"). The Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon the foregoing grounds, and are treated in a non-discriminatory manner with regard to all job-related matters, including, without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Developer and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Developer and each Employer, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon the foregoing grounds.

(b) To the greatest extent feasible, the Developer and each Employer shall present opportunities for training and employment of low and moderate income residents of the City, and provide that contracts for work in connection with the construction of the Project be awarded to business concerns which are located in or owned in substantial part by persons residing in, the City.

(c) The Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, without limitation, the Human Rights Ordinance, and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) The Developer, in order to demonstrate compliance with the terms of this Section 23.1, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) The Developer and each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the construction of the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 23.1 shall be a basis for the City to pursue remedies under the provisions of Section 19.

23.2 City Resident Employment Requirement.

(a) The Developer agrees, and shall contractually obligate each Employer to agree, that during the construction of the Project, the Developer and each Employer shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 2-92-330 of the Municipal Code of Chicago (at least fifty percent); provided, however, that in addition to complying with this percentage, the Developer and each Employer shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

(b) The Developer and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the chief procurement officer of the City of Chicago.

(c) "Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

(d) The Developer and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of the Project. The Developer and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

(e) The Developer and the Employers shall submit weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) to the City's Department of Housing ("DOH") in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Developer or Employer hired the employee should be written in after the employee's name.

(f) The Developer and the Employers shall provide full access to their employment records to the chief procurement officer, DOH, the Superintendent of the Chicago Police Department, the inspector general, or any duly authorized representative

thereof. The Developer and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years after the issuance of the Certificate of Completion.

(g) At the direction of DOH, the Developer and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

(h) Good faith efforts on the part of the Developer and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the chief procurement officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section 23.2 concerning the worker hours performed by actual Chicago residents.

(i) If the City determines that the Developer or an Employer failed to ensure the fulfillment of the requirements of this Section 23.2 concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section 23.2. If such non-compliance is not remedied in accordance with the breach and cure provisions of Section 19.3, the parties agree that 1/20 of 1 percent (.05%) of the aggregate hard construction costs set forth in the Budget shall be surrendered by the Developer and for the Employers to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer and/or the other Employers or employees to prosecution.

(j) Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement.

(k) The Developer shall cause or require the provisions of this Section 23.2 to be included in all construction contracts and subcontracts related to the construction of the Project.

23.3 Developer's MBE/WBE Commitment. The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the general contractor to agree, that during the construction of the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the "Procurement Program"), and (ii) the

Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 23.3, during the course of construction of the Project, at least 24% of the aggregate hard construction costs shall be expended for contract participation by minority-owned businesses and at least 4% of the aggregate hard construction costs shall be expended for contract participation by women-owned businesses.

(b) For purposes of this Section 23.3 only:

(i) The Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(ii) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iii) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture, or (ii) the amount of any actual work performed on the Project by the MBE or WBE); by the Developer utilizing a MBE or a WBE as the general contractor (but only to the extent of any actual work performed on the Project by the general contractor); by subcontracting or causing the general contractor to subcontract a portion of the construction of the Project to one or more MBEs or WBEs; by the purchase of materials or services used in the construction of the Project from one or more MBEs or WBEs; or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 23.3. In accordance with Section 2-92-730,

Municipal Code of Chicago, the Developer shall not substitute any MBE or WBE general contractor or subcontractor without the prior written approval of DOH.

(d) The Developer shall deliver quarterly reports to the City's monitoring staff during the construction of the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer or the general contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the construction of the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the construction of the Project for at least five (5) years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on prior notice of at least five (5) business days, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the construction of the Project.

(e) Upon the disqualification of any MBE or WBE general contractor or subcontractor, if the disqualified party misrepresented such status, the Developer shall be obligated to discharge or cause to be discharged the disqualified general contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(f) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 23.3 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

23.4 Pre-Construction Conference and Post-Closing Compliance Requirements. Not less than fourteen (14) days prior to the Closing Date, the Developer and the Developer's general contractor and all major subcontractors shall meet with DOH monitoring staff regarding compliance with all Section 23 requirements. During this pre-construction meeting, the Developer shall present its plan to achieve its obligations under this Section 23, the sufficiency of which the City's monitoring staff shall approve as a precondition to the Closing. During the construction of the Project, the Developer shall submit all documentation required by this Section 23 to the City's monitoring staff, including, without limitation, the following: (a) subcontractor's activity report; (b) contractor's certification concerning labor standards and prevailing wage requirements; (c) contractor letter of understanding; (d) monthly utilization report; (e) authorization for payroll agent; (f) certified payroll; (g) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (h) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 23, shall, upon the delivery of written notice to the Developer, be deemed an Event

of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (x) issue a written demand to the Developer to halt construction of the Project, (y) withhold any further payment of any City funds to the Developer or the general contractor, or (z) seek any other remedies against the Developer available at law or in equity.

SECTION 24. REPRESENTATIONS AND WARRANTIES.

24.1 Representations and Warranties of the Developer. To induce the City to execute this Agreement and perform its obligations hereunder, the Developer hereby represents and warrants to the City that as of the date of this Agreement and as of the Closing Date the following shall be true and correct in all respects:

(a) The Developer is a not-for-profit corporation duly organized, validly existing and in good standing under the laws of the State of Illinois with full power and authority to acquire, own and redevelop the Property, and that the person signing this Agreement on behalf of the Developer has the authority to do so.

(b) All certifications and statements contained in the Economic Disclosure Statement last submitted to the City by the Developer (and any legal entity holding an interest in the Developer) are true, accurate and complete.

(c) The Developer's execution, delivery and performance of this Agreement and all instruments and agreements contemplated hereby will not, upon the giving of notice or lapse of time, or both, result in a breach or violation of, or constitute a default under, the Developer's operating agreement or any other agreement to which the Developer, or any party affiliated with the Developer, is a party or by which the Developer or the Property is bound.

(d) To the best of the Developer's knowledge, no action, litigation, investigation or proceeding of any kind is pending or threatened against the Developer, or any party affiliated with the Developer, and the Developer knows of no facts which could give rise to any such action, litigation, investigation or proceeding, which could: (i) affect the ability of the Developer to perform its obligations hereunder; or (ii) materially affect the operation or financial condition of the Developer.

(e) To the best of the Developer's knowledge, the Project will not violate: (i) any Laws, including, without limitation, any zoning and building codes and environmental regulations; or (ii) any building permit, restriction of record or other agreement affecting the Property.

24.2 Representations and Warranties of the City. To induce the Developer to execute this Agreement and perform its obligations hereunder, the City hereby represents and warrants to the Developer that the City has authority under its home rule powers to execute and deliver this Agreement and perform the terms and obligations contained herein.

24.3 Survival of Representations and Warranties. Each of the parties agrees that all of its representations and warranties set forth in this Section 24 or elsewhere in this Agreement

are true as of the date of this Agreement and will be true in all material respects at all times thereafter, except with respect to matters which have been disclosed in writing and approved by the other party.

SECTION 26. ORGANIZATION AND AUTHORITY.

The Developer represents and warrants that it is duly organized and validly existing and authorized to do business under the laws of the State of Illinois, with full power and authority to acquire, own and redevelop the Property and that the person signing this Agreement on behalf of the Developer has the authority to do so.

SECTION 27. SUCCESSORS AND ASSIGNS.

Except as otherwise provided in this Agreement, the terms and conditions of this Agreement shall apply to and bind the successors and assigns of the parties.

SECTION 28. TERMINATION.

In the event that the Closing has not occurred by the Closing Dates, or any extensions thereof in DHED's sole discretion, defined herein, then the City may terminate this Agreement upon written notice to the Developer.

SECTION 29. RECORDATION OF AGREEMENT.

This Agreement shall be recorded at the Office of the Cook County Recorder of Deeds. The Developer shall pay the recording fees.

SECTION 30. CONSENT AND APPROVAL.

Except where otherwise specified, whenever the consent or approval of the City is required hereunder, such consent or approval shall not be unreasonably withheld or delayed.

SECTION 31. OTHER ACTS

The parties agree to perform such other acts and to execute, acknowledge and deliver such other instruments, documents and materials as may be reasonably necessary to consummate the transactions contemplated by this Agreement.

SECTION 32. BUSINESS RELATIONSHIPS.

The Developer acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (B) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Developer hereby represents and warrants that no violation of

Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

SECTION 33. PATRIOT ACT CERTIFICATION.

The Developer represents and warrants that neither the Developer nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to the Developer that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Developer, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

SECTION 34. PROHIBITION ON CERTAIN CONTRIBUTIONS-MAYORAL EXECUTIVE ORDER NO. 2011-4.

Developer agrees that Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Developer's contractors (i.e., any person or entity in direct contractual privity with Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Developer and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (i) after execution of this Agreement by Developer, (ii) while this Agreement or any Other Contract is executory, (iii) during the term of this Agreement or any Other Contract between Developer and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Developer represents and warrants that from the later to occur of (a) May 16, 2011, and (b) the date the City approached the Developer or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Developer agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) Bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Developer intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source, which is then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Developer is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

(A) they are each other's sole domestic partner, responsible for each other's common welfare; and
(B) neither party is married; and
(C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
(D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
(E) two of the following four conditions exist for the partners:
    1. The partners have been residing together for at least 12 months.
    2. The partners have common or joint ownership of a residence.
    3. The partners have at least two of the following arrangements:
        a. joint ownership of a motor vehicle;
        b. a joint credit account;

c. a joint checking account;
d. a lease for a residence identifying both domestic partners as tenants.

4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

SECTION 35. COOPERATION WITH OFFICE OF COMPLIANCE.

In accordance with Chapter 2-26-010 *et seq.* of the Municipal Code, the Developer acknowledges that every officer, employee, department and agency of the City shall be obligated to cooperate with the Executive Director of the Office of Compliance in connection with any activities undertaken by such office with respect to this Agreement, including, without limitation, making available to the Executive Director the department's premises, equipment, personnel, books, records and papers. The Developer agrees to abide by the provisions of Chapter 2-26-010 *et seq.*

SECTION 36. FAILURE TO MAINTAIN ELIGIBILITY TO DO BUSINESS WITH THE CITY.

Failure by Developer or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of the Agreement and the transactions contemplated thereby. Developer shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

SECTION 37. INSPECTOR GENERAL AND LEGISLATIVE INSPECTOR GENERAL.

It is the duty of every officer, employee, department, agency, contractor, subcontractor, developer and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. The Developer understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago.

SECTION 38. WASTE ORDINANCE PROVISIONS.

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Developer warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Amendment is executory, Developer's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the Amendment, at law or in equity. This section does not limit Developer's, general contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances

and executive orders, in effect now or later, and whether or not they appear in this Amendment. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Amendment, and may further affect Developer's eligibility for future contract awards.

SECTION 39. SHAKMAN ACCORD

(i) The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and the August 16, 2007 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with Developer, either as an employee or as a subcontractor, and from directing Developer to hire an individual as an employee or as a subcontractor. Accordingly, Developer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Developer under this Agreement are employees or subcontractors of Developer, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Developer.

(iii) Developer will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to Developer by a City employee or City official in violation of Section 39(ii) above, or advocating a violation of Section 39(iii) above, Developer will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant City Department utilizing services provided under this Agreement. Developer will also cooperate with any inquiries by IGO Hiring Oversight or the *Shakman* Monitor's Office related to the contract.
