The Licensee must comply with all applicable U.S.C.G. regulations. Further, each Tour Boat and all equipment associated with it must comply with applicable laws, including without limitation U.S.C.G. and Illinois Commerce Commission regulations and other requirements, including U.S.C.G. certification and registration, if applicable, of the Tour Boats. The Licensee must furnish copies of U.S.C.G. certifications of all Tour Boats to the City for inclusion in Exhibit 6 of this License Agreement. The City reserves the right to inspect any Tour Boat and all Service Facilities, as well as maintenance procedures and facilities related to the docking, operation and maintenance of the Tour Boat. If the inspection discloses that the Tour Boat does not comply with the terms of this License Agreement, the City will give written notice to the Licensee of its non-compliance. Such non-compliance will constitute an event of default under this License Agreement. Any dispute as to matters covered in this section must be submitted for dispute resolution in accordance with Article 5 of this License Agreement.

(c) Size of Tour Boats and Drawbridge Access:

Licensee must utilize vessels that do not require lifting of bridges, regardless of the water level of the Chicago River.

Further, the Tour Boat is limited to a length reasonably commensurate with the dock footage of the Location at which the Tour Boat is operated. The Commissioner, in the Commissioner's sole discretion, will determine whether the length of the proposed Tour boat is appropriate for the proposed Location.

(d) Safety Considerations:

The Licensee must at all times exercise reasonable care and comply with all applicable provisions of federal, state and local laws, rules and regulations to prevent accidents and/or injuries, and to avoid damage to and/or loss affecting City facilities, the Chicago River and Lake Michigan, the Location, the Service Facilities, and the property of third parties in connection with the docking, operation and maintenance of the Tour Boat and the Location. The Licensee must erect and properly maintain at all times all necessary safeguard barriers, flags and lights for the protection of the Licensee's and its Subcontractors' employees, City employees, and the public, which become necessary due to a later-occurring defect in the structure of the Location or any of the Service Facilities. If any such defect develops, the Licensee must notify the City immediately, and must maintain all necessary safety precautions until such time as the City rectifies the defect.

The Licensee must report to the Department any damage on, about, under or adjacent to the Chicago River and Lake Michigan, the Location, City property or the property of third persons, whether such damage is a result of the Licensee's operation of the Tour Boat or is unrelated to it.

(e) Restoration of Damaged Property:

If the Licensee causes damage to public or private property along the river or the lakefront, the Location, City facilities, or other property in connection with the activities contemplated by this License Agreement, the Licensee must, at its own expense and in a manner approved by the City and/or the owner of the private property, rebuild, restore and repair the Chicago River and Lake Michigan, City property or facilities or private property to a condition equal to the condition of the property before the incident that caused such damaged property or facilities. If the Licensee fails to perform such rebuilding, replacement or restoration within 5 business days of the disturbance (unless public safety is affected in which case such shorter time as the City will request), the City or the owner, after written notice to the Licensee, has the right to do so at the sole expense of the Licensee.

(f) Tour Boat Documentation:

The Licensee must provide the Commissioner for his approval a full description of the appearance and features of each Tour Boat. The specific requirements for such descriptions are

further set forth in Exhibit 1. The Licensee may not add or remove any Tour Boat from service or replace a Tour Boat with another Tour Boat without the prior written approval of the Commissioner. Such addition, removal or replacement of a Tour Boat without written approval of the Commissioner will be an event of default under this License Agreement.

(g) Seaworthiness:

The Licensee must at all times take all actions necessary to assure the seaworthiness of its Tour Boats. This includes compliance with all applicable U.S.C.G. and U.S. Corps of Engineers rules and regulations. The Licensee represents and warrants that all Tour Boats to be used to provide any Tour Service of any kind will be seaworthy and safe at all times.

(h) Commissioner's Right to Order Removal of Tour Boat:

The Licensee enters into this License Agreement with full knowledge and acceptance that the Commissioner may at any time determine that a particular Tour Boat is non-compliant with the terms and requirements of this License Agreement. The Commissioner may, at any time, identify a particular Tour Boat and either (1) order its removal from the Location, the Chicago River, and Lake Michigan, or (2) order the Licensee to cease operating the Tour Boat. If the Commissioner exercises such right, and/or the Tour Boat is not removed within 14 days from the date on which the removal of that Tour Boat is ordered by the Commissioner, the Tour Boat will be subject to immediate removal by the City at the owner's expense.

(i) Tour Boat Enhancements:

The Licensee must notify the Department of any proposed enhancements to or upgrades or replacements of any Tour Boat at least 60 days before making any such enhancement. For the purpose of this section "enhancements" includes any modifications to the appearance or function of the Tour Boat, without limitation. The Licensee must provide the City with written notice indicating the specific Tour Boat on which it would like to make a particular enhancement or upgrade. No enhancement of any kind may be made without the prior written consent of the Commissioner, and the enhancements must be made at no cost to the City. Enhancements must comply with all applicable laws. Any dispute under this section must be resolved in accordance with the dispute resolution provisions set forth in Article 5 of this License Agreement.

(j) Licenses and Permits

The Licensee bears responsibility for and, in a timely manner consistent with its obligations under this License Agreement, must secure and maintain at its sole expense such permits, licenses, authorizations and approvals as are necessary for the Licensee to operate the Tour Boats on the public water ways in accordance with this License Agreement.

(k). In the Event of Fire or Other Destruction of Location

If the Location, or any portion of the Location, is destroyed or damaged by fire or other disaster so as to prevent the use of the Location for the purposes and during the periods specified in this License Agreement, the City is not obligated to repair or rebuild the Location. The City may, however, in the City's sole discretion, elect to repair the Location. If the City elects not to repair the Location, then this License Agreement terminates, and the Licensee waives any claim against the City for damages, including lost profits, by reason of the termination. If the City elects to repair the Location, this License Agreement does not terminate, but is suspended until such time as the Commissioner issues written notice to the Licensee that the Licensee may resume Tour Services. The Yearly License Fee will be adjusted for the actual number of days the dock was open. The term of this License Agreement will not be extended.

If it becomes necessary for any reason in the judgment of the City to remove or modify any part of the Location's Service Facilities and the Licensee incurs any loss as a result, the Licensee may not bring any claim or charge against the City for restoration or replacement of the Service Facilities or any losses.

(l). Restrictions on Solicitations and Sales

(i) Central Location for the Dissemination of Information about Tour Boats:

Unless otherwise approved by the Commissioner, the Licensee is allowed to hand out or otherwise disseminate information about Tour Services only at two sites on the Location: (1) from inside the Service Facilities provided by the City at the Location; and (2) on the Tour Boats themselves. The Licensee is not allowed to hand out or otherwise disseminate information about Tour Services at any other public location, including on the public way along upper and lower Wacker Drive from Lake Shore Drive to the intersection of Wacker Drive and Washington Street.

Licensee may have up to two people promoting the tours and ticket sales at the top of the stairs; any changes or additional persons must be approved by the Commissioner. (iii). Hawking:

In addition to the restrictions set forth above in sub paragraphs (i) and (ii) of this section, ticket sales or solicitations of business of any description along any public way in the City are subject to all applicable restrictions of such activities contained in the Municipal Code and as governed by the "Rules and Regulations Pertaining to Tour Boats and Water Taxis" as issued by the Department of Consumer Services or such amendments thereto.

In addition to any penalties that the Licensee may incur for violations of any ordinance, if the Commissioner determines that the Licensee has engaged in ticket sales, solicitation of business or dissemination of information in any of the areas set forth above, then, upon the third such occurrence, and upon any subsequent occurrence, the Commissioner may elect to terminate the License or pursue any other remedy afforded to the City by the terms of Article 8 of this License Agreement.

2.6 Minority and Women's Business Enterprises Commitment

In the performance of this License Agreement, Licensee must abide by the minority and women's business enterprise commitment requirements set for by the Commissioner. The Licensee must utilize MBEs and WBEs at the levels of participation described below.

It is the policy of the City of Chicago that Local Businesses certified as Minority Business Enterprises (MBE) and Women Business Enterprises (WBE) in accordance with Section 2-92-410 et seq. of the Municipal Code of Chicago and Regulation Governing Certification of Minority and Women-owned Businesses, and all other Regulation promulgated under the aforementioned section of the Municipal Code shall have the maximum opportunity to participate fully in the performance of this agreement. Therefore, the Licensee shall not discriminate against any person or business on the basis of race, color, national origin or sex, and shall take affirmative action to ensure that women and minority businesses shall have the maximum opportunity to compete for and perform subcontracts for supplies and services.

The Commissioner has established a goal of awarding not less than 25% to MBE and 5% to WBE for any outside services contracted out by the Licensee of the Location.

In the event that the Licensee elects to perform improvements to the Location, upon approval by the Department, the Commissioner has established a goal of awarding not less than 25% to MBE and 5% to WBE for the total value of the improvement project.

Every year that this License Agreement is in effect, prior to the first day of operations, the Licensee must submit to the Department a revised summary of the MBE/WBE participation for the year. The financial report required as part of the supplemental income must also include a statement to the Department showing (i) a calculation of the proposed MBE/WBE participation for the year based on Licensee's projections (DPS Schedule C-1 and D-1's will be accepted), and (ii) a calculation of the actual MBE/WBE utilization that Licensee achieved.

Licensee will be required to provide a certified financial statement from a CPA no later than January 15th of each year documenting the previous seasons activity to determine the annual gross revenue and Supplement Revenue Fees due. In addition, this report should include a section showing compliance with the MBE/WBE requirements established by the Commissioner including; identifying each MBE/WBE firm, the firms certification of compliance with the program and contract amount goals and actual expenditures.
If an improvement project is being completed between two seasons, the Licensee can determine which year the percentages can be applied but must notify the Department in writing prior to beginning the project.

If the Licensee fails to meet the participation goals established by the Commissioner in any year, then the City may, in its sole discretion, treat such failure as an event of default or may allow the Licensee to increase its proposed MBE/WBE participation levels in the year immediately succeeding the year of deficiency in order to compensate fully for the deficiency.

2.7 Insurance

Licensee must provide and maintain at Licensee's own expense, during the term of this License Agreement and any time period following expiration if Licensee is required to return and perform any of the Services or Additional Services under this License Agreement, the insurance coverages and requirements specified in Exhibit 3 of this License Agreement, insuring all operations related to this License Agreement.

2.8 Indemnification

(a) Licensee must protect, defend, indemnify, and hold the City, its officers, officials, representatives, and employees (collectively the "**Indemnitees**"), harmless from and against any and all claims, damages, demands, injury or death, in consequence of granting this License Agreement or arising out of or being in any way connected with Licensee's performance under this License Agreement except for matters shown by final judgment to have been caused by or attributable to the negligence of Indemnitees. This indemnification obligation is effective

to the maximum extent permitted by applicable law. This indemnity extends to all legal costs, including attorney fees, costs, liens, judgments, settlements, penalties, professional fees, and other expenses incurred by the City, including fines and penalties imposed by public bodies, and the reasonable settlement of such claims. This indemnification obligation is not limited by any amount of insurance required under this License Agreement or the Letter of Credit required in Section 2.9 of this License Agreement. Further, the indemnification obligation contained in this section will survive the expiration or termination of this License Agreement.

(b) At the City Corporation Counsel's option, Licensee must defend all suits brought upon all such Losses and must pay all costs and expenses incidental to them, but the City has the right, at its option, to participate, at its own cost, in the defense of any suit, without relieving Licensee of any of its obligations under this License Agreement. Any settlement must be made only with the prior written consent of the City Corporation Counsel, if the settlement requires any action on the part of the City.

(c) To the extent permissible by law, Licensee waives any limits to the amount of its obligations to defend, indemnify, hold harmless, or contribute to any sums due under any Losses, including any claim by any employee of Licensee that may be subject to the Workers Compensation Act, 820 ILCS 305/1 *et seq.* or any other related law or judicial decision (such as, *Kotecki v. Cyclops Welding Corporation*, 146 Ill. 2d 155 (1991)). The City, however, does not waive any limitations it may have on its liability under the Illinois Workers Compensation Act, the Illinois Pension Code, any other statute or judicial decision.

(d) The Licensee waives the right to receive the benefits of or to invoke the protection afforded by all maritime statutory limitations of liability, including the Limitation of Vessel Owner's Liability Act, 48 U.S.C. §183 et seq., that could act to diminish the liability of the Licensee for any harm or damage arising from the operation of any Tour Boats under this License Agreement in any manner, or for all Losses or other costs arising from or occasioned by the operation by the Licensee of any Tour Boats on the Chicago River or on Lake Michigan. This provision is not intended to avoid or waive federal jurisdiction under applicable admiralty laws. This waiver extends only to the City, and not to third parties seeking recovery for Losses or other costs solely against the Licensee.

(f) Without limiting its waiver, the Licensee specifically consents to pay all sums in respect of any Losses or other costs arising from or occasioned by the use of any Tour Boat on the Chicago River or on Lake Michigan; this indemnification includes the following:

(i) Loss or damage to any other ship, vessel or boat caused proximately or otherwise by the Licensee's Tour Boat, or loss of the cargo of such other ship, vessel or boat;

(ii) Loss of life or personal injury, or for any cost of life salvage;

(ii) Loss or damage to any harbor, dock, building, graving or otherwise, slipway, pontoon, pier, quay, tunnel, jetty, stage, buoy, cables of any kind, or other fixed or movable object or property whatsoever;

(iv) The cost of the removal, raising or destruction of the wreck of any Tour Boat employed by the Licensee in performing the Tour Services;

(v) If a Tour Boat is disabled or otherwise, the cost of towage or other salvage of the Tour Boat employed by the Licensee in performing the Tour Services;

(vi) Loss or damage to the Location as defined in this License Agreement; and

(vii) Loss or damage to the bottom or banks of the Chicago River, or to the shoreline of Lake Michigan.

2.9 Letter of Credit

(a) Terms of the Letter of Credit

The Licensee must provide the City with an irrevocable, unconditional, standby letter of credit ("**Letter of Credit**") in an amount equal to $100,000. If the Licensee fails to furnish the Letter of Credit pursuant to the requirements set forth in this Section 2.9, then the Commissioner may terminate the License Agreement. The Letter of Credit must be renewed for the Location each year during the term of the License Agreement and for 12 months beyond the term.

The Letter of Credit must be in the form set forth in Exhibit 4 to this License Agreement. The Letter of Credit will be used to ensure the faithful performance by the Licensee of all provisions of this License Agreement and compliance with all orders, permits and directions of any agency, commission, board, department, division or office of the City having jurisdiction over the Licensee's acts or defaults under this License Agreement and for payment by the Licensee of any costs, liens, claims and taxes due the City which arise by reason of the Licensee's acts in accordance with this License Agreement.

The City will be entitled to draw on the Letter of Credit if the Licensee: (i) has failed to pay the City in whole or in part any of the fees or other charges set forth in this License Agreement within the time fixed in this License Agreement; (ii) has failed to repay the City in whole or in part within 10 days for any damages, expenses or costs which the City has suffered or is compelled to pay by reason of the Licensee's acts or omissions under this License Agreement; or (iii) has failed, after 5 days notice to the Licensee of such failure, to comply with any provision of this License Agreement which the Commissioner has reasonably determined can be remedied by a draw on the Letter of Credit. The City will also be entitled to draw on any

Letter of Credit which expires (either by its terms or because of non-renewal) on a date prior to the termination date of this License Agreement unless proof of renewal of such Letter of Credit or a replacement Letter of Credit in form and substance satisfactory to the City's Corporation Counsel has been furnished to the City's Corporation Counsel at least 30 days prior to the expiration date of the Letter of Credit. Upon the sole condition of delivery by the City to the issuer of the Letter of Credit of a demand for payment, purportedly signed by the Commissioner or the Comptroller, whether acting or actual, the City can immediately draw up to the amount outstanding. After such draw, the City will notify the Licensee of the amount and date of the draw and will include in the notice the basis pursuant to which the City's right to draw has been exercised. If amounts are drawn under the Letter of Credit, the Licensee will take such actions as may be necessary to maintain the Letter of Credit at full amount within 5 days of the City's notice of draw and must cause it to be maintained at that full amount for 12 months beyond the expiration or termination of the License Agreement, whichever is later. The rights reserved to the City under the Letter of Credit will be in addition to any rights it may have under this License Agreement, at law or in equity.

(b) Qualified Issuers

The Letter of Credit must be issued by a company or financial institution that is authorized to do business in the State of Illinois, is acceptable to the City Comptroller and has an office in the City of Chicago where the City may draw on the Letter of Credit.

(c) Right to Require Replacement Letter of Credit

If the financial condition of the issuer of a Letter of Credit materially and adversely changes, the City may, at any time, require that the Letter of Credit be replaced with a Letter of Credit consistent with the requirements set forth in this section.

(d) No Excuse from Performance

None of the provisions contained in this Section 2.9 nor the Letter of Credit required by this Section 2.9 will be construed to excuse the faithful performance by Licensee of the terms and conditions of this License Agreement or limit the liability of the Licensee under this License Agreement for any and all damages in excess of the amounts of the Letter of Credit.

2.10 Assignments and Subcontracts

(a) Licensee shall not assign, delegate or otherwise transfer all or any part of its rights or obligations under this License Agreement: (i) unless otherwise provided for elsewhere in this License Agreement; or (ii) without the express written consent of the Commissioner. The absence of such a provision or written consent voids the attempted assignment, delegation or

transfer and is of no effect as to the Services or this License Agreement. No approvals given by the Commissioner, including approvals for the use of any Subcontractors, operate to relieve Licensee of any of its obligations or liabilities under this License Agreement.

(b) All Subcontractors are subject to the prior approval of the Commissioner. Approval for the use of any Subcontractor in performance of the Services is conditioned upon performance by the Subcontractor in accordance with the terms and conditions of this License Agreement. If any Subcontractor fails to perform the Services in accordance with the terms and conditions of this License Agreement to the satisfaction of the Department, the City has the absolute right upon written notification to immediately rescind approval and to require the performance of this License Agreement by Licensee personally or through any other City-approved Subcontractor. Any approval for the use of Subcontractors in the performance of the Services under this License Agreement under no circumstances operates to relieve Licensee of any of its obligations or liabilities under this License Agreement.

(c) Licensee, upon entering into any agreement with a Subcontractor, must furnish upon request of the Commissioner or the Department a copy of its agreement. Licensee must ensure that all subcontracts contain provisions that require the Services be performed in strict accordance with the requirements of this License Agreement, provide that the Subcontractors are subject to all the terms of this License Agreement and are subject to the approval of the Department and the Commissioner. If the agreements do not prejudice any of the City's rights under this License Agreement, such agreements may contain different provisions than are provided in this License Agreement with respect to extensions of schedule, time of completion, payments, guarantees and matters not affecting the quality of the Services.

(d) The City reserves the right to assign or otherwise transfer all or any part of its interests under this License Agreement to any successor.

2.11 Disclaimer

Licensee acknowledges that the City or its contractors may engage in public improvement projects in the vicinity of the Chicago river, including, without limitation, the riverwalk. Licensee shall cooperate with the City and its contractors to facilitate such work. City hereby disclaims all liability for all consequential, incidental, special, punitive, and indirect damages, including all liability for lost profits, for any reason whatsoever, including but not limited to any alleged losses caused by such projects. Without limiting the foregoing, Licensee agrees that it will make no claims against the City for damages, charges, additional costs or fees or any lost profits or costs incurred by reason of delays or hindrances by the City or its contractors in the operation of the Tour Service pursuant to this License Agreement.

ARTICLE 3. TERM OF LICENSE AGREEMENT

3.1 Initial Term

Unless earlier terminated in accordance with any provision of this License Agreement, this License Agreement will continue for ten years from the Effective Date.

3.2 License Agreement Extension Option

The Commissioner may at any time before this License Agreement expires elect to extend the term of this License Agreement for up to eight additional, consecutive 5 year terms, under the same terms and conditions as this original License Agreement by written notice to the Licensee.

ARTICLE 4. COMPENSATION

4.1 Compensation

(a) Each year, the Licensee must pay to the City the fees set forth in Exhibit 1 of this License Agreement. As set forth in Exhibit 1, each year the Licensee will pay the City a Minimum Annual Guarantee and a Supplemental Revenue Fee.

(b) The Minimum Annual Guarantee for any year is due and payable in two installments by the Licensee. The first payment of 50% of the Minimum Annual Guarantee is due on or before the April 1 of such year, and the remaining 50% of the yearly License fee is due on or before the August 1 of such year.

(c) The Supplemental Revenue Fee for each year is due and payable no later than 45 days after the end of that year.

4.2 Taxes and other Licensee Costs

(a) The Licensee must pay any assessments and taxes of any kind which arise as a result of or in connection with this License and the uses of the Location.

(b) The Licensee must obtain, and must pay any and all fees necessary to obtain federal, state and local licenses, permits and authorizations required for docking and operating each Tour Boat including inspection fees required in connection with obtaining electrical wiring permits from the City. This includes each of the following as may be required or may become applicable to the Licensee or the licensed Tour Boat and must be attached to Exhibit 6 of this License Agreement: a certificate of inspection, a certificate of documentation, and any and all other licenses or certifications required by the U.S.C.G.; a great lakes radiotelephone license certificate of the Federal Communications Commission; a State of Illinois registration or title; and all other vessel and operation licenses required by the State of Illinois or the City.

(c) Notwithstanding the foregoing, the Licensee may claim a credit against any amounts due under this License Agreement equal to the amount of the Chicago Boat Mooring Tax paid by the Licensee pursuant to section 3-16-030 of the Municipal Code of Chicago.

4.3 Late Payment, Material Underpayment or Nonpayment

If the Licensee fails to make its yearly payments when due, or makes an underpayment in any annual payment period of more than 5% of the amount due for such annual payment period, then the City may charge the Licensee interest on the amount due of 1.25% for each month said amount remains due and owing. Interest on the amount of the underpayment due will accrue from the date on which the original payment should have been made. If any payment owed pursuant to this License Agreement remains past due for more than 30 business days, the Commissioner may declare a breach of this License Agreement and terminate the License Agreement upon 30 days' written notice to the Licensee.

4.4 Records and Audit

The Licensee [and the Chicago Architecture Foundation] must maintain books and records related to the operation of the Tour Service, including cash and non-cash revenues generated and ticket sales. All books and records must be maintained in a manner consistent with generally accepted accounting principles and practice.

No later than the date for payment of the Supplemental Revenue Fee as described in Section 4.1(c), the Licensee must supply to the Commissioner an audit, conducted by an independent certified public accountant, in form and substance acceptable to the Commissioner, certifying as to the Gross Revenues from the Location [for both Licensee and the Chicago Architecture Foundation], and calculating the Supplemental Revenue Fee due to the City for the prior year pursuant to the Agreement. If Licensee fails to timely furnish to the Commissioner the annual statement required under this Agreement or if the independent certified public accountant's opinion is qualified or conditioned in any manner, the Commissioner has the right (but is not obligated) without notice, to conduct an audit of Licensee's books and records and to prepare the statements at Licensee's expense. In any event, the City, upon 10 days' written notice to the Licensee, may perform or have performed by a City consultant, an audit and review of the records serving as the basis for the Licensee's annual statement. If the City's independent audit determines that the compensation paid to the City was underpaid in the prior calendar year by more than 5%, the Contractor will bear the cost of the City's audit in addition to paying the City the underpayment, plus interest as set forth in Section 4.3. This provision survives the termination or expiration of this Agreement.

[Licensee acknowledges and covenants that it has an agreement with the Chicago Architecture Foundation to enable compliance with this subsection.]

ARTICLE 5. DISPUTES

Except as otherwise provided in this License Agreement, Licensee must and the Commissioner may bring any dispute arising under this License Agreement which is not resolved by the parties to the Commissioner for decision based upon the written submissions of the parties. The Commissioner will issue a written decision and send it to the Licensee by mail. The decision of the Commissioner is final and binding. The sole and exclusive remedy to challenge the decision of the Commissioner is judicial review by means of a common law writ of certiorari.

ARTICLE 6. COMPLIANCE WITH ALL LAWS

6.1 Compliance with All Laws Generally

(a) Licensee must observe and comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later and whether or not they appear in this Agreement, including those set forth in this Article 6, and Licensee must pay all taxes and obtain all licenses, certificates and other authorizations required by them. Licensee must require all Subcontractors to do so, also. Further, Licensee must execute an Economic Disclosure Statement and Affidavit ("**EDS**") in the form attached to this Agreement as Exhibit 4. Notwithstanding acceptance by the City of the EDS, Licensee's failure in the EDS to include all information required under the Municipal Code renders this Agreement voidable at the option of the City. Licensee must promptly update its EDS(s) on file with the City whenever any information or response provided in the EDS(s) is no longer complete and accurate. Licensee agrees that Licensee's failure to maintain current throughout the term and any extensions of the term, the disclosures and information pertaining to ineligibility to do business with the City under Chapter 1-23 of the Municipal Code, as such is required under Sec. 2-154-020, shall constitute an event of default.

(b) Notwithstanding anything in this Agreement to the contrary, references to a statute or law are considered to be a reference to (i) the statute or law as it may be amended from time to time; (ii) all regulations and rules pertaining to or promulgated pursuant to the statute or law; and (iii) all future statutes, laws, regulations, rules and executive orders pertaining to the same or similar subject matter.

6.2 Nondiscrimination

Licensee must comply with, and the procedures Licensee utilizes and the Services Licensee provides under this Agreement must comply with, the Civil Rights Act of 1964, 42 U.S.C. sec. 2000e *et seq.* (1981), as amended and the Civil Rights Act of 1991, P.L. 102-166. Admin. Code § 750 Appendix A. Furthermore, Licensee must comply with the Public Works Employment Discrimination Act, 775 ILCS 10/0.01 *et seq.* (1990), as amended, and all other applicable state statutes, regulations and other laws.

(iii) **City Requirements**

Further, Licensee must furnish and must cause each of its Subcontractor(s) to furnish such reports and information as requested by the federal, state, and local agencies charged with enforcing such laws and regulations, including the Chicago Commission on Human Relations.

Licensee understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code. All subcontracts must inform Subcontractors of the provision and require understanding and compliance with it.

6.4 MacBride Ordinance

The City of Chicago through the passage of the MacBride Principles Ordinance seeks to promote fair and equal employment opportunities and labor practices for religious minorities in Northern Ireland and provide a better working environment for all citizens in Northern Ireland.

In accordance with Section 2-92-580 of the Municipal Code of the City of Chicago, if Licensee conducts any business operations in Northern Ireland, the Licensee must make all reasonable and good faith efforts to conduct any business operations in Northern Ireland in accordance with the MacBride Principles for Northern Ireland as defined in Illinois Public Act 85-1390 (1988 Ill. Laws 3220).

The provisions of this Section 6.4 do not apply to contracts for which the City receives funds administered by the United States Department of Transportation, except to the extent Congress has directed that the Department of Transportation not withhold funds from states and localities that choose to implement selective purchasing policies based on agreement to comply with the MacBride Principles for Northern Ireland, or to the extent that such funds are not otherwise withheld by the Department of Transportation.

6.5 Business Relationships with Elected Officials

Pursuant to MCC Sect. 2-156-030(b), it is illegal for any elected official, or any person acting at the direction of such official, to contact either orally or in writing any other City official or employee with respect to any matter involving any person with whom the elected official has any business relationship that creates a financial interest on the part of the official, or the domestic partner or spouse of the official, or from whom or which he has derived any income or compensation during the preceding twelve months or from whom or which he reasonably expects to derive any income or compensation in the following twelve months. In addition, no elected official may participate in any discussion in any City Council committee hearing or in any City Council meeting or vote on any matter involving the person with whom the elected official has any business relationship that creates a financial interest on the part of the official, or the domestic partner or spouse of the official, or from whom or which he has derived any income or compensation during the preceding twelve months or from whom or which he reasonably expects to derive any income or compensation in the following twelve months.

Violation of MCC Sect. 2-156-030 by any elected official with respect to this contract will be grounds for termination of this contract. The term financial interest is defined as set forth in MCC Chapter 2-156.

6.6 Chicago "Living Wage" Ordinance

(a) Section 2-92-610 of the Municipal Code provides for a living wage for certain categories of workers employed in the performance of City contracts, specifically non-City employed security guards, parking attendants, day laborers, home and health care workers, cashiers, elevator operators, custodial workers and clerical workers ("**Covered Employees**"). Accordingly, pursuant to Section 2-92-610 and regulations promulgated under it:

(i) If Licensee has 25 or more full-time employees, and

(ii) If at any time during the performance of this License Agreement, Licensee and/or any Subcontractor or any other entity that provides any portion of the Services (collectively "**Performing Parties**") uses 25 or more full-time security guards, or any number of other full-time Covered Employees, then

(iii) Licensee must pay its Covered Employees, and must ensure that all other Performing Parties pay their Covered Employees, not less than the minimum hourly rate as determined in accordance with this provision (the "**Base Wage**") for all Services performed under this License Agreement.

(b) Licensee's obligation to pay, and to ensure payment of, the Base Wage will begin at any time during the term of this License Agreement when the conditions set forth in (a)(i) and (a)(ii) above are met, and will continue until the end of the term of this License Agreement.

(c) As of July 1, 2012, the Base Wage is $11.53 per hour, and each July 1 thereafter, the Base Wage will be adjusted using the most recent federal poverty guidelines for a family of four as published annually by the U.S. Department of Health and Human Services, to constitute the following: the poverty guidelines for a family of four divided by 2000 hours or the current base wage, whichever is higher. The currently applicable Base Wage is available from the Department of Procurement Services. At all times during the term of this License Agreement, Licensee and all other Performing Parties must pay the Base Wage (as adjusted in accordance with the above). If the payment of prevailing wages is required for Services done under this License Agreement, and the prevailing wages for Covered Employees are higher than the Base Wage, then Licensee and all other Performing Parties must pay the prevailing wage rates.

(d) Licensee must include provisions in all subcontracts requiring its Subcontractors to pay the Base Wage to Covered Employees. Licensee agrees to provide the City with documentation acceptable to the Commissioner demonstrating that all Covered Employees, whether employed by Licensee or by a Subcontractor, have been paid the Base Wage, upon the City's request for such documentation. The City may independently audit Licensee and/or Subcontractors to verify compliance with this section. Failure to comply with the requirements of this section will be an event of default under this License Agreement, and further, failure to comply may result in ineligibility for any award of a City contract or subcontract for up to 3 years.

(e) Not-for-Profit Corporations: If Licensee is a corporation having federal tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and is recognized under Illinois not-for-profit law, then the provisions of subsections (a) through (d) above do not apply.

6.7 Prohibition on Certain Contributions

No Contractor or any person or entity who directly or indirectly has an ownership or beneficial interest in Contractor of more than 7.5% ("Owners"), spouses and domestic partners of such Owners, Contractor's Subcontractors, any person or entity who directly or indirectly has an ownership or beneficial interest in any Subcontractor of more than 7.5% ("Sub-owners") and spouses and domestic partners of such Sub-owners (Contractor and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee during (i) the bid or other solicitation process for this Contract or Other Contract, including while this Contract or Other Contract is executory, (ii) the term of this Contract or any

Other Contract between City and Licensee, and/or (iii) any period in which an extension of this Contract or Other Contract with the City is being sought or negotiated.

Licensee represents and warrants that since the date of public advertisement of the specification, request for qualifications, request for proposals or request for information (or any combination of those requests) or, if not competitively procured, from the date the City approached the Licensee or the date the Licensee approached the City, as applicable, regarding the formulation of this Contract, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Licensee shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

The Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Contract, and under any Other Contract for which no opportunity to cure will be granted. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Contract, under Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Licensee violates this provision or Mayoral Executive Order No. 2011-4 prior to award of the Contract resulting from this specification, the CPO may reject Licensee's bid.

For purposes of this provision:

"Other Contract" means any agreement entered into between the Licensee and the City that is (i) formed under the authority of MCC Ch. 2-92; (ii) for the purchase, sale or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved and/or authorized by the City Council.

"Contribution" means a "political contribution" as defined in MCC Ch. 2-156, as amended.

"Political fundraising committee" means a "political fundraising committee" as defined in MCC Ch. 2-156, as amended.

6.8 Firms Owned or Operated by Individuals with Disabilities

The City encourages Licensees to use Subcontractors that are firms owned or operated by individuals with disabilities, as defined by Section 2-92-586 of the Municipal Code of the City of Chicago, where not otherwise prohibited by federal or state law.

6. 9 Ineligibility to do Business with City.

Failure by the Licensee or any Controlling Person (defined in Section 1-23-010 of the Municipal Code) thereof to maintain eligibility to do business with the City in violation of Section 1-23-030 of the Municipal Code shall render this Contract voidable or subject to termination, at the option of the Chief Procurement Officer. Licensee agrees that Licensee's failure to maintain eligibility (or failure by Controlling Persons to maintain eligibility) to do business with the City in violation of Section 1-23-030 of the Municipal Code shall constitute an event of default.

6.10 Deemed Inclusion

Provisions required by law, ordinances, rules, regulations, or executive orders to be inserted in this License Agreement are deemed inserted in this License Agreement whether or not they appear in this License Agreement or, upon application by either party, this License Agreement will be amended to make the insertion; however, in no event will the failure to insert the provisions before or after this License Agreement is signed prevent its enforcement.

(c) Further, Licensee Parties must not assign any person having any conflicting interest to perform any services under this License Agreement. ARTICLE 8. EVENTS OF DEFAULT, REMEDIES, TERMINATION, SUSPENSION AND RIGHT TO OFFSET

8.1 Events of Default Defined

The following constitute events of default:

(a) Any material misrepresentation, whether negligent or willful and whether in the inducement or in the performance, made by Licensee to the City.

(b) Licensee's failure to perform any of its obligations under this License Agreement including the following:

(i) Failure to perform the Services with sufficient personnel and equipment or with sufficient material to ensure the timely performance of the Services;

(ii) Failure to have and maintain all licenses required by law to perform the Tour Services;

(iii) Failure to timely perform the Services;

(iv) Failure to perform the Services in a manner reasonably satisfactory to the Commissioner or inability to perform the Services satisfactorily as a result of insolvency, filing for bankruptcy or assignment for the benefit of creditors;

(v) Failure to promptly re-perform, as required, within a reasonable time and at no cost to the City, Services that are rejected as erroneous or unsatisfactory;

(vi) Discontinuance of the Services for reasons within Licensee's reasonable control;

(vii) Failure to comply with Section 6.1 in the performance of the License Agreement;

(viii) Failure promptly to update EDS(s) furnished in connection with this License Agreement when the information or responses contained in it or them is no longer complete or accurate;

(ix) Failure to furnish and maintain a Letter of Credit pursuant to the requirements set forth in Section 2.9;

(x) Failure to comply with any other material term of this License Agreement, including the provisions concerning insurance and nondiscrimination; and

(xi) Any other acts specifically stated in this License Agreement as constituting an act of default.

(c) Any change in ownership or control of Licensee, without the prior written approval of the Commissioner (when such prior approval is permissible by law), which approval the Commissioner will not unreasonably withhold.

Deleted:

(d) Default by Licensee under any other agreement either entity or both entities may presently have or may enter into with the City for the duration of this License Agreement. Licensee acknowledges that in the event of a default under this License Agreement the City may also declare a default under any other agreements.

Deleted:

Deleted:

(e) Licensee's violation of City ordinance(s) unrelated to performance under the License Agreement such that, in the opinion of the Commissioner, it indicates a willful or reckless disregard for City laws and regulations.

8.2 Remedies

(a) Notices. The occurrence of any event of default permits the City, at the City's sole option, to declare Licensee in default. The Commissioner may in his sole discretion give Licensee an opportunity to cure the default within a certain period of time, which period of time must not exceed 30 days unless extended by the Commissioner. Whether to declare Licensee in default is within the sole discretion of the Commissioner and neither that decision nor the factual basis for it is subject to review or challenge under the Disputes provision of this License Agreement.

The Commissioner will give Licensee written notice of the default, either in the form of a cure notice ("**Cure Notice**"), or, if no opportunity to cure will be granted, a default notice ("**Default Notice**"). If the Commissioner gives a Default Notice, he will also indicate any present intent he may have to terminate this License Agreement, and the decision to terminate is final and effective upon giving the notice. If the Commissioner decides not to terminate, this decision will not preclude him from later deciding to terminate the License Agreement in a later notice, which will be final and effective upon the giving of the notice or on the date set forth in the notice, whichever is later. The Commissioner may give a Default Notice if Licensee fails to effect a cure within the cure period given in a Cure Notice. When a Default Notice with intent to terminate is given as provided in this Section 8.2 and Article 10, Licensee must discontinue any Tour Services, unless otherwise directed in the notice.

(b) Exercise of Remedies. After giving a Default Notice, the City may invoke any or all of the following remedies:

(i) The right to terminate this License Agreement, in whole or in part;

(ii) The right of specific performance, an injunction or any other appropriate equitable remedy;

(iii) The right to money damages;

(iv) The right to deem Licensee non-responsible in future contracts to be awarded by the City;

(v) The right to draw on the Letter of Credit.

(c) City's Reservation of Rights. If the Commissioner considers it to be in the City□s best interests, he may elect not to declare default or to terminate this License Agreement. The parties acknowledge that this provision is solely for the benefit of the City and that if the Commissioner permits Licensee to continue to provide the Tour Services despite one or more events of default, Licensee is in no way relieved of any of its responsibilities, duties or obligations under this License Agreement, nor does the City waive or relinquish any of its rights.

(d) Non-Exclusivity of Remedies. The remedies under the terms of this License Agreement are not intended to be exclusive of any other remedies provided, but each and every such remedy is cumulative and is in addition to any other remedies, existing now or later, at law, in equity or by statute. No delay or omission to exercise any right or power accruing upon any event of default impairs any such right or power, nor is it a waiver of any event of default nor acquiescence in it, and every such right and power may be exercised from time to time and as often as the City considers expedient.

8.3 Early Termination

(a) In addition to termination under Sections 8.1 and 8.2 of this License Agreement, the Commissioner may terminate this License Agreement, at any time by giving 15 days' prior written notice to the Licensee, if, in the sole discretion of the Commissioner, the Commissioner determines that such termination is in the best interest of the City. If the Commissioner elects to terminate this entire License Agreement, the Licensee must terminate all Tour Services within 10 business days after the issuance of such notice and remove Tour Boats from the Location.

(b) Payment to the City of any sums remaining to be paid under this License Agreement must be made by the Licensee on a pro-rata basis: calculation of the pro-rata share will be predicated upon the season during which the Licensee is licensed to operate on the Chicago River and Lake Michigan, as specified in Section 4.1 of this License Agreement.

(c) Any License fees and compensation previously received by the City will be retained by the City.

(d) Upon termination of this License Agreement the Licensee must at once surrender possession of the Location. If possession is not immediately surrendered, the City may take possession of the Location and expel or remove the Licensee and those claiming by, through, or under it, without civil or criminal liability.

(e) The Licensee must pay and discharge all costs, expenses, and attorneys' fees which might be incurred by the City in enforcing the terms and conditions of this License Agreement.

(f) Licensee must include in its contracts with Subcontractors an early termination provision in form and substance equivalent to this early termination provision to prevent claims against the City arising from termination of subcontracts after the early termination. Licensee will not be entitled to make any early termination claims against the City resulting from any Subcontractor's claims against Licensee or the City.

(g) If the City's election to terminate this License Agreement for default under Sections 8.1 and 8.2 is determined in a court of competent jurisdiction to have been wrongful, then in that case the termination is to be considered to be an early termination under this Section 8.3.

8.4 Suspension

The City may at any time request that Licensee suspend its Services, or any part of them, by giving 15 days prior written notice to Licensee or upon informal oral, or even no notice, in the

event of emergency. Licensee must promptly resume its performance of the Services under the same terms and conditions as stated in this License Agreement upon written notice by the Commissioner and such equitable extension of time as may be mutually agreed upon by the Commissioner and Licensee when necessary for continuation or completion of Tour Services. The City will not be liable for any additional costs or expenses actually incurred by Licensee as a result of recommencing the Tour Services.

No suspension of this License Agreement is permitted in the aggregate to exceed a period of 45 days within any one year of this License Agreement. If the total number of days of suspension exceeds 45 days, Licensee by written notice to the City may treat the suspension as an early termination of this License Agreement under Section 8.3.

ARTICLE 9. GENERAL CONDITIONS

9.1 Entire Agreement

(a) General

This License Agreement, and the exhibits attached to it and incorporated in it, constitute the entire agreement between the parties and no other terms, conditions, warranties, inducements, considerations, promises or interpretations are implied or impressed upon this License Agreement that are not addressed in this License Agreement.

(b) No Collateral Agreements

Licensee acknowledges that, except only for those representations, statements or promises contained in this License Agreement and any exhibits attached to it and incorporated by reference in it, no representation, statement or promise, oral or in writing, of any kind whatsoever, by the City, its officials, agents or employees, has induced Licensee to enter into this License Agreement or has been relied upon by Licensee, including any with reference to: (i) the meaning, correctness, suitability or completeness of any provisions or requirements of this License Agreement; (ii) the nature of the Services to be performed; (iii) the nature, quantity, quality or volume of any materials, equipment, labor and other facilities needed for the performance of this License Agreement; (iv) the general conditions which may in any way affect this License Agreement or its performance; (v) the compensation provisions of this License Agreement; or (vi) any other matters, whether similar to or different from those referred to in (i) through (vi) immediately above, affecting or having any connection with this License Agreement, its negotiation, any discussions of its performance or those employed or connected or concerned with it.

(c) **No Omissions**

Licensee acknowledges that Licensee was given ample opportunity and time and was requested by the City to review thoroughly all documents forming this License Agreement before signing this License Agreement in order that it might request inclusion in this License Agreement of any statement, representation, promise or provision that it desired or on that it wished to place reliance. Licensee did so review those documents, and either every such statement, representation, promise or provision has been included in this License Agreement or else, if omitted, Licensee relinquishes the benefit of any such omitted statement, representation, promise or provision and is willing to perform this License Agreement in its entirety without claiming reliance on it or making any other claim on account of its omission.

9.2 Counterparts

This License Agreement is comprised of several identical counterparts, each to be fully signed by the parties and each to be considered an original having identical legal effect.

9.3 Amendments

Except as provided in Section 3.2 of this License Agreement, no changes, amendments, modifications or discharge of this License Agreement, or any part of it are valid unless in writing and signed by the authorized agent of Licensee and by the Commissioner or their respective successors and assigns. The City incurs no liability for Additional Services without a written amendment to this License Agreement under this Section 9.3.

Whenever under this License Agreement Licensee is required to obtain the City□s prior written approval, the effect of any approval that may be granted pursuant to Licensee's request is prospective only from the later of the date approval was requested or the date on which the action for which the approval was sought is to begin. In no event is approval permitted to apply retroactively to a date before the approval was requested.

9.4 Governing Law and Jurisdiction

This License Agreement is governed as to performance and interpretation in accordance with the laws of the State of Illinois without regard to choice of law.

Licensee irrevocably submits itself to the original jurisdiction of those courts located within the County of Cook, State of Illinois, with regard to any controversy arising out of, relating to, or in any way concerning the execution or performance of this License Agreement. Service of process on Licensee may be made, at the option of the City, either by registered or certified mail addressed to the applicable office as provided for in this License Agreement, by registered or certified mail addressed to the office actually maintained by Licensee, or by

personal delivery on any officer, director, or managing or general agent of Licensee. If any action is brought by Licensee against the City concerning this License Agreement, the action must be brought only in those courts located within the County of Cook, State of Illinois.

9.5 Severability

If any provision of this License Agreement is held or deemed to be or is in fact invalid, illegal, inoperative or unenforceable as applied in any particular case in any jurisdiction or in all cases because it conflicts with any other provision or provisions of this License Agreement or of any constitution, statute, ordinance, rule of law or public policy, or for any other reason, those circumstances do not have the effect of rendering the provision in question invalid, illegal, inoperative or unenforceable in any other case or circumstances, or of rendering any other provision or provisions in this License Agreement invalid, illegal, inoperative or unenforceable to any extent whatsoever. The invalidity, illegality, inoperativeness or unenforceability of any one or more phrases, sentences, clauses or sections in this License Agreement does not affect the remaining portions of this License Agreement or any part of it.

9.6 Assigns

The Licensee may not assign this License Agreement without prior written consent of the City. Assignment without prior written consent of the City is deemed an event of default under Article 8 of this License Agreement.

9.7 Cooperation

Licensee must at all times cooperate fully with the City and act in the City's best interests. If this License Agreement is terminated for any reason, or if it is to expire on its own terms, Licensee must make every effort to ensure an orderly transition to another provider of the Services, if any, orderly demobilization of its own operations in connection with the Services, uninterrupted provision of Services during any transition period and must otherwise comply with the reasonable requests and requirements of the Department in connection with the termination or expiration.

9.8 Waiver

Nothing in this License Agreement authorizes the waiver of a requirement or condition contrary to law or ordinance or that would result in or promote the violation of any federal, state or local law or ordinance.

Whenever under this License Agreement the City by a proper authority waives Licensee's performance in any respect or waives a requirement or condition to either the City's or Licensee's performance, the waiver so granted, whether express or implied, only applies to the particular

instance and is not a waiver forever or for subsequent instances of the performance, requirement or condition. No such waiver is a modification of this License Agreement regardless of the number of times the City may have waived the performance, requirement or condition. Such waivers must be provided to Licensee in writing.

9.9 Independent Contractor

(a) This License Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize a joint venture, partnership, corporation or other formal business association or organization of any kind between Licensee and the City. The rights and the obligations of the parties are only those set forth in this License Agreement. Licensee must perform under this License Agreement as an independent contractor and not as a representative, employee, agent, or partner of the City.

(b) This License Agreement is between the City and an independent contractor and, if Licensee is an individual, nothing provided for under this License Agreement constitutes or implies an employer-employee relationship such that:

(i) The City will not be liable under or by reason of this License Agreement for the payment of any compensation award or damages in connection with the Licensee performing the Services required under this License Agreement.

(ii) Licensee is not entitled to membership in any City Pension Fund, Group Medical Insurance Program, Group Dental Program, Group Vision Care, Group Life Insurance Program, Deferred Income Program, vacation, sick leave, extended sick leave, or any other benefits ordinarily provided to individuals employed and paid through the regular payrolls of the City.

(iii) The City is not required to deduct or withhold any taxes, FICA or other deductions from any compensation provided to Licensee.

(c)(i) The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and the June 24, 2011 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United State District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Licensee is aware that City policy prohibits City employees from directing any individual to apply for a position with Licensee, either as an employee or as a subcontractor, and from directing Licensee to hire an individual as an employee or as a subcontractor. Accordingly, Licensee must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Licensee under this Agreement are

employees or subcontractors of Licensee, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Licensee.

(iii) Licensee will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to Licensee by a City employee or City official in violation of Section (ii) above, or advocating a violation of Section (iii) above, Licensee will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General, and also to the head of the relevant City Department utilizing services provided under this Agreement. Licensee will also cooperate with any inquiries by IGO Hiring Oversight or the Shakman Monitor's Office related to the contract.

The Licensee must submit evidence of insurance on the City of Chicago Insurance Certificate Form (copy attached) or equivalent prior to execution of Agreement. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all requirements of Agreement. The failure of the City to obtain certificates or other insurance evidence from Licensee is not a waiver by the City of any requirements for the Licensee to obtain and maintain the specified coverages. The Licensee shall advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance does not relieve Licensee of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to suspend this Agreement until proper evidence of insurance is provided, or the Agreement may be terminated.

The Licensee must provide for 60 days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

Any deductibles or self insured retentions on referenced insurance coverages must be borne by Licensee.

The coverages and limits furnished by Licensee in no way limit the Licensee's liabilities and responsibilities specified within the Agreement or by law.

Any insurance or self insurance programs maintained by the City of Chicago do not contribute with insurance provided by the Licensee under the Agreement.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If Licensee is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

The Licensee must require all subcontractors to provide the insurance required herein, or Licensee may provide the coverages for subcontractors. All subcontractors are subject to the same insurance requirements of Licensee unless otherwise specified in this Agreement.

If Licensee or subcontractor desires additional coverages, the party desiring the additional coverages is responsible for the acquisition and cost.

Public Works Provisions

Employment of Illinois Laborers on Public Works Projects

Licensee must use only Illinois laborers in the performance of this License Agreement to the extent (i) required by the Employment of Illinois Laborers on Public Works Projects Act, 30 ILCS, 570/0.01, as amended from time to time and (ii) otherwise permitted by law.

Disposal of Materials, Construction Debris, Soil and Waste

Licensee is responsible for the proper disposal of all materials, construction debris, soil and other waste. Hauling and disposal by a Subcontractor does not relieve the Licensee from responsibility for proper disposal. Disposal of all materials, construction debris, soil, and other wastes must be at a disposal site that is properly licensed and permitted to accept the particular materials, construction debris, soil and other wastes delivered to it in accordance with all Environmental Laws. The Licensee must identify the disposal site(s) or transfer station(s) to which the Licensee has contractual access and for which proper, sanitary landfill permits and/or licenses have been obtained.

Steel Products

To the extent permitted by law, this License Agreement is subject to all provisions of the "Steel Products Procurement Act," 30 ILCS 565/1 *et seq.* as it may be amended from time to time. Knowing violation of this law may result in the filing and prosecution of a complaint by the Attorney General of the State of Illinois and will subject violators to a fine of the greater of $5,000 or the payment price received as a result of such violation.

Americans with Disabilities Act

Licensee must perform all construction or alteration that it undertakes in connection with this License Agreement in compliance with all federal, state and local laws and regulations regarding accessibility standards for disabled or environmentally limited persons including: American with Disabilities Act, P.L. 101-336 (1990) and the Uniform Federal Accessibility Standards ("UFAS") or the American with Disabilities Act ("**ADA**") and; the Illinois Environmental Barriers Act, 410 ILCS 25/1 *et seq.* (1991), and the regulations promulgated with them. If the above cited standards are inconsistent, the Licensee must comply with the standard providing greater accessibility.

Prevailing Wage Rates

In the performance of the work, Licensee is fully responsible for paying not less than the prevailing rate of wages as determined by the Illinois Department of Labor, which must be paid to all

laborers, mechanics, and other workers performing work under this License Agreement.

Licensee's attention is called to the generally prevailing hourly rate of wages, as determined by the Illinois Department of Labor, which are incorporated into the License Agreement and set forth in Attachment 8-A. These wage rates are also the prevailing wage rates for the City of Chicago, as determined by the Department as of the date of execution of this License Agreement.

The wage rates set forth in this License Agreement were the rates in effect at the time this License Agreement was executed. If the Illinois Department of Labor revises the prevailing rate of hourly wages to be paid for the work before completion of the project, the revised rate applies to this License Agreement from the effective date of the revision, but the revision does not entitle Licensee to any increased compensation under the terms of this License Agreement.

As a condition of making payment to Licensee, the City may require Licensee to submit an affidavit to the effect that not less than the prevailing hourly wage rate is being paid to laborers, mechanics, and other workers employed under this License Agreement in accordance with Illinois law.

Chicago Residency Requirements

If the funding under this License Agreement is $100,000 or more, and unless otherwise prohibited by law, Licensee and all Subcontractors that perform work on the site of the construction project undertaken under this License Agreement must comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago specified in Section 2-92-330 of the Municipal Code (at least 50% of the total worker hours must be performed by actual residents of the City of Chicago). In addition to complying with this requirement, Licensee and all Subcontractors must make good faith efforts to utilize qualified residents of the City of Chicago in both unskilled and skilled labor positions.

1. "Actual residents of the City of Chicago" means persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment
2. Licensee may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-920-330 in accordance with standards and procedures developed by the Chief Procurement Officer of the City of Chicago ("**Chief Procurement Officer**").
   a) Licensee must provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the project. Licensee and Subcontractors must maintain copies of personal documents supportive of every Chicago employee's actual record of residence.
   b) Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) which must be submitted to the Commissioner in triplicate, must clearly identify the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the company hired the employee should be written in after the employee's name.
   c) Licensee and Subcontractors must grant full access to Licensee and the Subcontractor's employment records to the Chief Procurement Officer,

the Commissioner of the supervising department, the Superintendent of the Chicago Police Department, the Inspector General, or their duly authorized representatives. Licensee and Subcontractors must maintain all relevant personnel data and records for a period of at least three years after Final Completion and Acceptance of the work.

d) At the direction of the supervising department, Licensee must furnish affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

3. Good faith efforts on Licensee's part to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) does not suffice to replace the actual, verified achievement of the requirements of this section concerning the worker hours performed by actual Chicago residents.

4. When the work is completed, if the City has determined that Licensee failed to fulfill the requirements of this section concerning worker hours performed by actual Chicago Residents or failed to report in the manner as indicated above, the City will be damaged in that it thereby failed to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this section. Therefore, in such a case of noncompliance, Licensee must pay to the City 1/20th of 1%, 0.0005, of the approved Yearly License Fee for this License Agreement to the City in payment for each percentage of shortfalls toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly will result in the surrender of the entire liquidated damages as if no Chicago residents were employed. The willful falsification of statements in the certification of payroll data may subject Licensee or Subcontractors or employee to prosecution.

Nothing provided in this section may be construed to be a limitation upon the "Notice of Requirements For Affirmative Action To Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246" or other affirmative action required for equal opportunity under the provisions of this License Agreement. Licensee must include this provision in all subcontracts.

Performance and Payment Bonds

Licensee must, before performing the work, deliver to the City a performance and payment bond in an amount determined solely by the Commissioner of the Chicago Department of Transportation. Any performance bond that Licensee provides must comply with the provisions of 30 ILCS 550/1 *et.seq.*, as amended, and of Chapter 2, § 2-92-030 of the Municipal Code, as amended. It must also be in the form of the performance and payment bond attached as Attachment 8-B. The surety or sureties issuing the bond must be acceptable to the City and must have a Best's Key Rating Guide of "B+," Class XI or greater and be listed in the most recently published "Listing of Approved Sureties" of the U.S. Department of the Treasury Circular 570, with underwriting limitations in excess of the Yearly License Fee. The bond must cover the warranty period required by the City.

In case of Licensee's neglect, failure, or refusal to provide satisfactory sureties when so directed within 10 days after such notification, the Commissioner may declare this License Agreement forfeit, but such forfeiture will not release Licensee or Licensee's surety or sureties from any liability that may have

accrued before the date of the forfeiture.

If at any time the surety or sureties, or any one of them, upon the bond become insolvent, or are, in the sole opinion of the City, unsatisfactory, or unable to respond to damages in case of liability on such bond, the Commissioner will notify Licensee and direct that Licensee furnish a bond issued by a satisfactory surety or sureties forthwith.

Multi-Project Labor Agreement (PLA)

The City has entered into the PLA with various trades regarding projects involving construction, demolition, maintenance, rehabilitation, and/or renovation work, as described in the PLA, a copy of which may be found on the City's website at: http://www.cityofchicago.org/dam/city/depts/dps/RulesRegulations/Multi-ProjectLaborAgreement-PLAandSignatoryUnions.pdf.

To the extent that this Contract involves a project that is subject to the PLA, Licensee acknowledges familiarity with the requirements of the PLA and its applicability to any Work under this Agreement, and shall comply in all respects with the PLA.

Attachment 8-A

Prevailing Wage Rates

Prevailing Wage Rates

If this Contract calls for the construction of a "public work," within the meaning of Illinois Prevailing Wage Act, 820 ILCS 130/.01 et seq. ("the Act"), the Act requires Contractors and Subcontractors to pay laborers, workers and mechanics performing services on public works projects no less than the "prevailing rate of wages" (hourly wages plus fringe benefits) in the county where the work is performed. For information regarding current prevailing wage rates, please refer to the Illinois Department of Labor's website at: www.state.il.us/agency/idol/rates/rates.HTM. All Contractors and Subcontractors rendering services under a Contract for the construction of a public work must comply with all requirements of the Act, including but not limited to, all wage, notice and record keeping duties.

The term general prevailing hourly rate, when used in this requirement will mean the hourly cash wages plus fringe benefits for health and welfare, insurance, vacations and pensions paid generally, in the locality in which the work is being performed, to employees engaged in work of a similar character on public works.

As a condition of making payment to the Contractor, the City may require the Contractor to submit an affidavit to the effect that not less than the prevailing hourly wage rate is being paid to laborers, mechanics and other workmen employed on this Contract in accordance with Illinois or federal law, as applicable.

(b) This License Agreement does not limit the ability of the City to grant any other person or other party the right to use the Location specified in Exhibit 1 of this License Agreement or any other Location, with the sole exception that the City may not issue a license to another party to operate a Tour Service from the Location specified in Exhibit 1 if the issuance of such license would materially interfere with the License issued here.

(c) The City makes no representations regarding the surface or the subsurface condition of the Location and the land adjacent to the Location. The City makes no guaranties, either expressed or implied, and the City assumes no responsibility with respect to the sufficiency or accuracy of any information conveyed, pertaining to the condition of the Location and adjacent land. If it becomes necessary for repairs to the structural integrity of the dock, the City will assume this responsibility and the Licensee must cooperate. The Licensee will immediately reimburse the City for damage to the dock and adjacent land.

(d) Nothing in this License is intended, or will be deemed, to give rise to a lease of real estate by the City to the Licensee. This License constitutes a license agreement, which permits the Licensee to operate its business at the Location specified in this License Agreement. The City has not conveyed any leasehold interest of any to the Licensee in this License Agreement. Neither the Licensee nor anyone acting for the Licensee may file this License Agreement or any copy of it, or any statement, paper or affidavit which in any manner refers to this License Agreement, in the Office of the Recorder of Deeds of Cook County, Illinois, or in any other public office: if any such document is so filed, this License Agreement and every provision in it may, in the sole discretion of the City, be declared null and void, and, additionally, the City may in such circumstance declare such filing to be an event of default under this License Agreement.

2.2 Rights Retained by the City in Granting License

(a) The Licensee acknowledges and agrees that this License Agreement is subject to and subordinate to any existing or future agreement(s) of any kind between the City and any other person or party pertaining to the use, development, construction, operation and/or maintenance of the Chicago River, the Location, or the adjoining dockwalls, wharf areas, roadways and walkways. The City reserves the right, at its sole discretion, to further develop, improve, maintain, modify and repair the dockwalls, wharf areas, roadways and walkways connected to them at any time without interference or hindrance by the Licensee.

(b) The City reserves the right to relocate the Location and to cause the Licensee to relocate the Tour Boat and/or the Tour Service to another location either on a temporary basis or

permanently, for any reason whatsoever, including if relocation is necessitated by any work,

development or other public purpose pertaining to any part of the Chicago River and Lake Michigan, the Location, or the adjoining dockwalls, wharf area, or Michigan Avenue bridge.

(c) The Commissioner will provide written notice to the Licensee that the City is exercising any of its rights under this Section 2.2. No later than 30 days from the receipt of such notice, the Licensee shall remove, modify, replace, relocate, or vacate its facilities, as directed by the Commissioner, in his or her sole discretion, at the sole Licensee's expense. If the Licensee fails to comply within the time period provided, the City may relocate Licensee's Tour Boat and any appurtenances at the Licensee's expense. Licensee must pay the City within 10 days of receipt of invoice from the City. In an emergency, as determined by the Commissioner, the City may order the Licensee to remove or relocate its Tour Boat(s) and/or any appurtenances immediately.

2.3 Restrictions and Obligations Related to Operation at the Location

(a) City Access to Location:

The City, its representatives and employees will at all times have free access to the Location for purposes necessary, incidental to or connected with the performance or exercise of the City's governmental functions. If Licensee violates this subsection 2.3(a), liquidated damages shall be assessed in the amount of $1000 per occasion. Nothing in this subsection 2.3(a) is intended to limit the City's rights to gain entry to the Location granted under any law or by this Agreement.

The location, size, and Service Facilities available at the Location are set forth in Exhibit 1 to this License Agreement. (iv) Collection and disposal of all trash and recycling including providing receptacles for recycling and picking up all loose or blowing trash.

(v) Landscaping where possible that provides a natural and green setting in an urban context.

The Licensee must install the finishes necessary and complete the utility connections for its operation.

Unless otherwise specified by the City in writing, the Licensee may fuel the Tour Boat at the location between the hours of 12 p.m. and 7:30 a.m. Fueling at other times, whether from land or water, is an event of default.

The Licensee is responsible for the routine maintenance of the Location and of the Service Facilities at the Location. However, if the Licensee's use of a Location causes damage to the Location or to any of the Service Facilities, the City may repair the Location or Service Facilities at the sole expense of the Licensee or require the Licensee to perform the repairs. Any repairs made by the Licensee or Subcontractor(s) must be done in accordance with the terms of Exhibit 8.

(d) Parking:

The Licensee, and all of the Licensee's agents, employees, invitees, passengers, and all other persons coming on to the Location, are prohibited from parking at the Location. Licensee shall inform all of its agents, employees, invitees, passengers, and all other persons coming on to the Location of this parking restriction. (e) No Habitation on Tour Boat:

No person may use any Tour Boat as a residence for any period of time while the Tour Boat is docked at any Location. However, this provision is not intended to prevent the Licensee from posting individuals on a Tour Boat as required to ensure the security of the Tour Boat.

(f) No Announcements or Disruptive Noise:

Licensee may not broadcast announcements or any other disruptive sounds from any Tour Boat or the Location. Such restrictions, however, do not prevent the Licensee from making any announcements or broadcasts required by U.S.C.G. or other regulations, nor will the restrictions set forth above prevent the Licensee from using a Tour Boat's public address system to convey information relating to sights on this tour to passengers while the Tour Boat is not docked at the Location. Amplified music on the Chicago River after 8:30 PM is prohibited.

(g) No Additions to the Location; No Advertising:

(h) Sanitary Conditions:

The Licensee, at its own expense, must maintain and keep the Location, as well as the surrounding area, in a safe, clean, and sanitary condition. If the Location and areas are not so maintained by the Licensee, then the City may terminate this License Agreement, or enter upon the Location and take all actions necessary to restore the Location to the condition required in this License Agreement at the Licensee' sole expense. The cost and expense to the City for any measures taken pursuant to this section will be charged to and must be paid immediately by the Licensee.

The Licensee must clean up and properly dispose of all refuse, waste, surplus materials and sanitary toilet waste on or about the Location on a daily basis during the term of this License Agreement. If the Licensee fails to commence performance of the tasks described in this paragraph within 5 business days after receiving written notice from the City to do so, the City may arrange to have the work performed by City employees or third parties and may charge the Licensee for all costs associated with the work, reserves the right to draw against the Letter of Credit for all such associated costs all as set forth in Section 2.9(a) herein, and may terminate the License Agreement.

(i) Suspension or Revocation of Permit:

If the Licensee violates the terms of any permit required by this License Agreement or which is otherwise required for the operation of the Tour Service, the Commissioner of the City permit-issuing Department may suspend or revoke such permit, or may take any action the Commissioner deems necessary, including ordering the Licensee to cease operation of the Tour Service until the violation has been corrected to the Commissioner's satisfaction.

(j) Utilities:

Licensee shall be responsible for all expenses related to utilities, including all electricity, telephone and water supply. The Licensee will be solely responsible for all utility charges incurred during the term of this License Agreement and any extension periods to it. The City will provide a three-phase electrical supply to the Location. The City will not include sewage hook-up as part of the Service Facilities. The City will install all general lighting at the Location: Licensee is responsible for providing all lighting on the Tour Boats and any gangways or similar accessways, as and if such lighting is necessary for the safety of the public. The Licensee is required to open utility accounts as required for its operations including with ComEd, SBC, and the City's Department of Water Management.

The Licensee may not construct, install or otherwise modify any utility access facilities, or any other facilities, without the prior written consent of the Commissioner. If the Commissioner issues such consent, then the Licensee must comply with all conditions and/or requirements contained in the consent as to the construction or installation of the facilities and the provisions in Exhibit 8 of this License Agreement. The construction, installation or modification of any utility or other facilities without the express written consent of the Commissioner may be deemed an event of default under Article 8 of this License Agreement. In addition, the Licensee bears the full burden and expense of removing or replacing to original condition the facility added to or modified.

(k) Season:

Tour Boats are not allowed to dock at the Location between January 15 and March 1of any year. Between January 15 and March 1 of any year, any Tour Boat docked at a Location is subject to removal by the City at the Licensee's sole expense. Licensee shall notify the City as to its seasonal operation start and end dates on an annual basis prior to getting access to the site for the operation of its Tour Boat or Charter Boat services.

(l) Rentals of Smaller Vessels:

The Licensee is not allowed to lease or dock human-powered craft, including stand-up paddle boards, canoes, kayaks and water bikes, or powered or other craft, including jet skis or motor operated boats. All vessels are subject to the approval of the Commissioner.

(m) Violation of No Wake:

The Licensee must comply with the No Wake Zones of the Chicago River and Lake Michigan. If the Licensee is observed violating the No Wake Zones of the Chicago River and Lake Michigan, the Licensee is subject to fines from the Chicago Police Department. If repeated incidents occur, the City may elect to terminate the License Agreement.

(n) Signs, Canpoies, Awnings:

Licensee must provide to the City for any approval a proposed sign, canopy, or awning located in the public way to indicate the identity of the Licensee operating the Tour Service from the Location. The City reserves the right to inspect any Tour Boat and all Service Facilities, as well as maintenance procedures and facilities related to the docking, operation and maintenance of the Tour Boat. If the inspection discloses that the Tour Boat does not comply with the terms of this License Agreement, the City will give written notice to the Licensee of its non-compliance. Such non-compliance will constitute an event of default under this License Agreement. Any dispute as to matters covered in this section must be submitted for dispute resolution in accordance with Article 5 of this License Agreement.

(c) Size of Tour Boats and Drawbridge Access:

Licensee must utilize vessels that do not require lifting of bridges, regardless of the water level of the Chicago River.

Further, the Tour Boat is limited to a length reasonably commensurate with the dock footage of the Location at which the Tour Boat is operated. The Commissioner, in the Commissioner's sole discretion, will determine whether the length of the proposed Tour boat is appropriate for the proposed Location.

(d) Safety Considerations:

The Licensee must at all times exercise reasonable care and comply with all applicable provisions of federal, state and local laws, rules and regulations to prevent accidents and/or injuries, and to avoid damage to and/or loss affecting City facilities, the Chicago River and Lake Michigan, the Location, the Service Facilities, and the property of third parties in connection with the docking, operation and maintenance of the Tour Boat and the Location. If any such defect develops, the Licensee must notify the City immediately, and must maintain all necessary safety precautions until such time as the City rectifies the defect.

The Licensee must report to the Department any damage on, about, under or adjacent to the Chicago River and Lake Michigan, the Location, City property or the property of third persons,

whether such damage is a result of the Licensee's operation of the Tour Boat or is unrelated to it.

(e) Restoration of Damaged Property:

If the Licensee causes damage to public or private property along the river or the lakefront, the Location, City facilities, or other property in connection with the activities contemplated by this License Agreement, the Licensee must, at its own expense and in a manner approved by the City and/or the owner of the private property, rebuild, restore and repair the Chicago River and Lake Michigan, City property or facilities or private property to a condition equal to the condition of the property before the incident that caused such damaged property or facilities. If the Licensee fails to perform such rebuilding, replacement or restoration within 5 business days of the disturbance (unless public safety is affected in which case such shorter time as the City will request), the City or the owner, after written notice to the Licensee, has the right to do so at the sole expense of the Licensee.

(f) Tour Boat Documentation:

The Licensee must provide the Commissioner for his approval a full description of the appearance and features of each Tour Boat. The specific requirements for such descriptions are further set forth in Exhibit 1. The Licensee may not add or remove any Tour Boat from service or replace a Tour Boat with another Tour Boat without the prior written approval of the Commissioner. (h) Commissioner's Right to Order Removal of Tour Boat:

The Licensee enters into this License Agreement with full knowledge and acceptance that the Commissioner may at any time determine that a particular Tour Boat is non-compliant with the terms and requirements of this License Agreement. The Commissioner may, at any time, identify a particular Tour Boat and either (1) order its removal from the Location, the Chicago River, and Lake Michigan, or (2) order the Licensee to cease operating the Tour Boat. If the Commissioner exercises such right, and/or the Tour Boat is not removed within 14 days from the date on which the removal of that Tour Boat is ordered by the Commissioner, the Tour Boat will be subject to immediate removal by the City at the owner's expense.

(i) Tour Boat Enhancements:

The Licensee must notify the Department of any proposed enhancements to or upgrades of any Tour Boat at least 60 days before making any such enhancement. For the purpose of this section "enhancements" includes any modifications to the appearance or function of the Tour Boat, without limitation. The Licensee must provide the City with written notice indicating the specific Tour Boat on which it would like to make a particular enhancement or upgrade. No enhancement of any kind may be made without the prior written consent of the Commissioner, and the enhancements must be made at no cost to the City. Enhancements must comply with all applicable laws. Any dispute under this section must be resolved in accordance with the dispute resolution provisions set forth in Article 5 of this License Agreement.

(j) Licenses and Permits

The Licensee bears responsibility for and, in a timely manner consistent with its obligations under this License Agreement, must secure and maintain at its sole expense such permits, licenses, authorizations and approvals as are necessary for the Licensee to operate the Tour Boats on the public water ways in accordance with this License Agreement.

(k). In the Event of Fire or Other Destruction of Location

If the Location, or any portion of the Location, is destroyed or damaged by fire or other disaster so as to prevent the use of the Location for the purposes and during the periods specified in this License Agreement, the City is not obligated to repair or rebuild the Location. The City may, however, in the City's sole discretion, elect to repair the Location. The Licensee may, with permission from the City, elect to repair the Location. If neither the City nor Licensee elects to repair the Location, then this License Agreement terminates, and the Licensee waives any claim against the City for damages, including lost profits, by reason of the termination. If the City or Licensee elects to repair the Location, this License Agreement does not terminate, but is suspended until such time as the Commissioner issues written notice to the Licensee that the Licensee may resume Tour Services. The Yearly License Fee will be adjusted for the actual number of days the dock was open. The term of this License Agreement will not be extended.

If it becomes necessary for any reason in the judgment of the City to remove or modify any part of the Location's Service Facilities and the Licensee incurs any loss as a result, the Licensee may not bring any claim or charge against the City for restoration or replacement of the Service Facilities or any losses.

(l). Restrictions on Solicitations and Sales

(i) Central Location for the Dissemination of Information about Tour Boats:

The Licensee is allowed to hand out or otherwise disseminate information

about Tour Services only at two sites on the Location: (1) from inside the Service

Facilities provided by the City at the Location; and (2) on the Tour Boats themselves. The Licensee is not allowed to hand out or otherwise disseminate information about Tour Services at any other public location, including on the public way along upper and lower Wacker Drive from Lake Shore Drive to the intersection of Wacker Drive and Washington Street. The City may change the location of the Information Site at any time.

Unless otherwise agreed in writing by the City, the Licensee is allowed to sell tickets for the Tour Services online, and at two areas on the Location. The Licensee is not allowed to sell tickets at any other location on the public way, including along the upper and lower Wacker Drive from Lake Shore Drive to the intersection of Wacker Drive and Washington Street.

(iii). Hawking:

In addition to the restrictions set forth above in sub paragraphs (i) and (ii) of this section, ticket sales or solicitations of business of any description along any public way in the City are subject to all applicable restrictions of such activities contained in the Municipal Code.

In addition to any penalties that the Licensee may incur for violations of any ordinance, if the Commissioner determines that the Licensee has engaged in ticket sales, solicitation of business or dissemination of information in any of the areas set forth above, then, upon the third such occurrence, and upon any subsequent occurrence, the Commissioner may elect to terminate the License or pursue any other remedy afforded to the City by the terms of Article 8 of this License Agreement.

2.6 Minority and Women's Business Enterprises Commitment

In the performance of this License Agreement, Licensee must abide by the minority and women's business enterprise commitment requirements set for by the Commissioner. The Licensee must utilize MBEs and WBEs at the levels of participation described below.

It is the policy of the City of Chicago that Local Businesses certified as Minority Business Enterprises (MBE) and Women Business Enterprises (WBE) in accordance with Section 2-92-410 et seq. of the Municipal Code of Chicago and Regulation Governing Certification of Minority and Women-owned Businesses, and all other Regulation promulgated

under the aforementioned section of the Municipal Code shall have the maximum opportunity to participate fully in the performance of this agreement. Therefore, the Licensee shall not discriminate against any person or business on the basis of race, color, national origin or sex, and shall take affirmative action to ensure that women and minority businesses shall have the maximum opportunity to compete for and perform subcontracts for supplies and services.

The Commissioner has established a goal of awarding not less than 25% to MBE and 5% to WBE for any outside services contracted out by the Licensee of the Location.

In the event that the Licensee elects to perform improvements to the Location, upon approval by the Department, the Commissioner has established a goal of awarding not less than 25% to MBE and 5% to WBE for the total value of the improvement project.

Every year that this License Agreement is in effect, prior to the first day of operations, the Licensee must submit to the Department a revised summary of the MBE/WBE participation for the year. The financial report required as part of the supplemental income must also include a statement to the Department showing (i) a calculation of the proposed MBE/WBE participation for the year based on Licensee's projections (DPS Schedule C-1 and D-1's will be accepted), and (ii) a calculation of the actual MBE/WBE utilization that Licensee achieved.

Licensee will be required to provide a certified financial statement from a CPA no later than January 15th of each year documenting the previous seasons activity to determine the annual gross revenue and Supplement Revenue Fees due. In addition, this report should include a section showing compliance with the MBE/WBE requirements established by the Commissioner including; identifying each MBE/WBE firm, the firms certification of compliance with the program and contract amount goals and actual expenditures.
If an improvement project is being completed between two seasons, the Licensee can determine which year the percentages can be applied but must notify the Department in writing prior to beginning the project.

If the Licensee fails to meet the participation goals established by the Commissioner in any year, then the City may, in its sole discretion, treat such failure as an event of default or may allow the Licensee to increase its proposed MBE/WBE participation levels in the year immediately succeeding the year of deficiency in order to compensate fully for the deficiency.

2.7 Insurance

Licensee must provide and maintain at Licensee's own expense, during the term of this License Agreement and any time period following expiration if Licensee is required to return and perform any of the Services or Additional Services under this License Agreement, the insurance coverages and requirements specified in Exhibit 3 of this License Agreement, insuring all operations related to this License Agreement.

2.8 Indemnification

(a) Licensee must protect, defend, indemnify, and hold the City, its officers, officials, representatives, and employees (collectively the "**Indemnitees**"), harmless from and against any and all claims, damages, demands, injury or death, in consequence of granting this License Agreement or arising out of or being in any way connected with Licensee's performance under this License Agreement except for matters shown by final judgment to have been caused by or attributable to the negligence of Indemnitees. This indemnification obligation is effective to the maximum extent permitted by applicable law. This indemnity extends to all legal costs, including attorney fees, costs, liens, judgments, settlements, penalties, professional fees, and other expenses incurred by the City, including fines and penalties imposed by public bodies, and the reasonable settlement of such claims. This indemnification obligation is not limited by any amount of insurance required under this License Agreement or the Letter of Credit required in Section 2.9 of this License Agreement. Further, the indemnification obligation contained in this section will survive the expiration or termination of this License Agreement.

(b) At the City Corporation Counsel's option, Licensee must defend all suits brought upon all such Losses and must pay all costs and expenses incidental to them, but the City has the right, at its option, to participate, at its own cost, in the defense of any suit, without relieving Licensee of any of its obligations under this License Agreement. Any settlement must be made only with the prior written consent of the City Corporation Counsel, if the settlement requires any action on the part of the City.

(c) To the extent permissible by law, Licensee waives any limits to the amount of its obligations to defend, indemnify, hold harmless, or contribute to any sums due under any Losses, including any claim by any employee of Licensee that may be subject to the Workers Compensation Act, 820 ILCS 305/1 *et seq.* or any other related law or judicial decision (such as, *Kotecki v. Cyclops Welding Corporation*, 146 Ill. 2d 155 (1991)). The City, however, does not waive any limitations it may have on its liability under the Illinois Workers Compensation Act, the Illinois Pension Code, any other statute or judicial decision.

(d) The Licensee waives the right to receive the benefits of or to invoke the protection afforded by all maritime statutory limitations of liability, including the Limitation of Vessel Owner's Liability Act, 48 U.S.C. §183 et seq., that could act to diminish the liability of the Licensee for any harm or damage arising from the operation of any Tour Boats under this License Agrcement in any manner, or for all Losses or other costs arising from or occasioned by the operation by the Licensee of any Tour Boats on the Chicago River or on Lake Michigan. This provision is not intended to avoid or waive federal jurisdiction under applicable admiralty laws. This waiver extends only to the City, and not to third parties seeking recovery for Losses or other costs solely against the Licensee.

(f) Without limiting its waiver, the Licensee specifically consents to pay all sums in

respect of any Losses or other costs arising from or occasioned by the use of any Tour Boat on the Chicago River or on Lake Michigan; this indemnification includes the following:

(i) Loss or damage to any other ship, vessel or boat caused proximately or otherwise by the Licensee's Tour Boat, or loss of the cargo of such other ship, vessel or boat;

(vi) Loss or damage to the Location as defined in this License Agreement; and

(vii) Loss or damage to the bottom or banks of the Chicago River, or to the shoreline of Lake Michigan.

2.9 Letter of Credit

(a) Terms of the Letter of Credit

The Licensee must provide the City with an irrevocable, unconditional, standby letter of credit ("**Letter of Credit**") in an amount equal to $100,000. If the Licensee fails to furnish the Letter of Credit pursuant to the requirements set forth in this Section 2.9, then the Commissioner may terminate the License Agreement. The Letter of Credit must be renewed for the Location each year during the term of the License Agreement and for 12 months beyond the term.

The Letter of Credit must be in the form set forth in Exhibit 4 to this License Agreement. The Letter of Credit will be used to ensure the faithful performance by the Licensee of all provisions of this License Agreement and compliance with all orders, permits and directions of any agency, commission, board, department, division or office of the City having jurisdiction over the Licensee's acts or defaults under this License Agreement and for payment by the Licensee of any costs, liens, claims and taxes due the City which arise by reason of the Licensee's acts in accordance with this License Agreement.

The City will be entitled to draw on the Letter of Credit if the Licensee: (i) has failed

to pay the City in whole or in part any of the fees or other charges set forth in this License Agreement within the time fixed in this License Agreement; (ii) has failed to repay the City in whole or in part within 10 days for any damages, expenses or costs which the City has suffered or is compelled to pay by reason of the Licensee's acts or omissions under this License Agreement; or (iii) has failed, after 5 days notice to the Licensee of such failure, to comply with any provision of this License Agreement which the Commissioner has reasonably determined can be remedied by a draw on the Letter of Credit. The City will also be entitled to draw on any Letter of Credit which expires (either by its terms or because of non-renewal) on a date prior to the termination date of this License Agreement unless proof of renewal of such Letter of Credit or a replacement Letter of Credit in form and substance satisfactory to the City's Corporation Counsel has been furnished to the City's Corporation Counsel at least 30 days prior to the expiration date of the Letter of Credit. Upon the sole condition of delivery by the City to the issuer of the Letter of Credit of a demand for payment, purportedly signed by the Commissioner or the Comptroller, whether acting or actual, the City can immediately draw up to the amount outstanding. After such draw, the City will notify the Licensee of the amount and date of the draw and will include in the notice the basis pursuant to which the City's right to draw has been exercised. If amounts are drawn under the Letter of Credit, the Licensee will take such actions as may be necessary to maintain the Letter of Credit at full amount within 5 days of the City's notice of draw and must cause it to be maintained at that full amount for 12 months beyond the expiration or termination of the License Agreement, whichever is later. The rights reserved to the City under the Letter of Credit will be in addition to any rights it may have under this License Agreement, at law or in equity.

(b) Qualified Issuers

The Letter of Credit must be issued by a company or financial institution that is authorized to do business in the State of Illinois, is acceptable to the City Comptroller and has an office in the City of Chicago where the City may draw on the Letter of Credit.

(c) Right to Require Replacement Letter of Credit

If the financial condition of the issuer of a Letter of Credit materially and adversely changes, the City may, at any time, require that the Letter of Credit be replaced with a Letter of Credit consistent with the requirements set forth in this section.

(d) No Excuse from Performance

None of the provisions contained in this Section 2.9 nor the Letter of Credit required by this Section 2.9 will be construed to excuse the faithful performance by Licensee of the terms and conditions of this License Agreement or limit the liability of the Licensee under this License Agreement for any and all damages in excess of the amounts of the Letter of Credit.

2.10 Assignments and Subcontracts

(a) Licensee shall not assign, delegate or otherwise transfer all or any part of its rights or obligations under this License Agreement: (i) unless otherwise provided for elsewhere in this License Agreement; or (ii) without the express written consent of the Commissioner. The absence of such a provision or written consent voids the attempted assignment, delegation or transfer and is of no effect as to the Services or this License Agreement. No approvals given by the Commissioner, including approvals for the use of any Subcontractors, operate to relieve Licensee of any of its obligations or liabilities under this License Agreement.

(b) All Subcontractors are subject to the prior approval of the Commissioner. Approval for the use of any Subcontractor in performance of the Services is conditioned upon performance by the Subcontractor in accordance with the terms and conditions of this License Agreement. If any Subcontractor fails to perform the Services in accordance with the terms and conditions of this License Agreement to the satisfaction of the Department, the City has the absolute right upon written notification to immediately rescind approval and to require the performance of this License Agreement by Licensee personally or through any other City-approved Subcontractor. Any approval for the use of Subcontractors in the performance of the Services under this License Agreement under no circumstances operates to relieve Licensee of any of its obligations or liabilities under this License Agreement.

(c) Licensee, upon entering into any agreement with a Subcontractor, must furnish upon request of the Commissioner or the Department a copy of its agreement. Licensee must ensure that all subcontracts contain provisions that require the Services be performed in strict accordance with the requirements of this License Agreement, provide that the Subcontractors are subject to all the terms of this License Agreement and are subject to the approval of the Department and the Commissioner. If the agreements do not prejudice any of the City's rights under this License Agreement, such agreements may contain different provisions than are provided in this License Agreement with respect to extensions of schedule, time of completion, payments, guarantees and matters not affecting the quality of the Services.

(d) The City reserves the right to assign or otherwise transfer all or any part of its interests under this License Agreement to any successor.

2.11 Disclaimer

Licensee acknowledges that the City or its contractors may engage in public improvement projects in the vicinity of the Chicago river, including, without limitation, the riverwalk. Licensee shall cooperate with the City and its contractors to facilitate such work. City hereby disclaims all liability for all consequential, incidental, special, punitive, and indirect damages, including all liability for lost profits, for any reason whatsoever, including but not limited to any alleged losses caused by such projects. Without limiting the foregoing, Licensee agrees that it will make no claims

against the City for damages, charges, additional costs or fees or any lost profits or costs incurred by reason of delays or hindrances by the City or its contractors in the operation of the Tour Service pursuant to this License Agreement.

ARTICLE 3. TERM OF LICENSE AGREEMENT

3.1 Initial Term

Unless earlier terminated in accordance with any provision of this License Agreement, this License Agreement will continue for ten years from the Effective Date.

3.2 License Agreement Extension Option

The Commissioner may at any time before this License Agreement expires elect to extend the term of this License Agreement for up to eight additional, consecutive 5 year terms, under the same terms and conditions as this original License Agreement by written notice to the Licensee.

ARTICLE 4. COMPENSATION

4.1 Compensation

(a) Each year, the Licensee must pay to the City the fees set forth in Exhibit 1 of this License Agreement. As set forth in Exhibit 1, each year the Licensee will pay the City a Minimum Annual Guarantee and a Supplemental Revenue Fee.

(b) The Minimum Annual Guarantee for any year is due and payable in two installments by the Licensee. The first payment of 50% of the Minimum Annual Guarantee is due on or before the April 1 of such year, and the remaining 50% of the Minimum Annual Guarantee is due on or before August 1 of such year.

(c) The Supplemental Revenue Fee for each year is due and payable no later than 45 days after the end of that year.

4.2 Taxes and other Licensee Costs

(a) The Licensee must pay any assessments and taxes of any kind which arise as a result of or in connection with this License and the uses of the Location.

(b) The Licensee must obtain, and must pay any and all fees necessary to obtain federal, state and local licenses, permits and authorizations required for docking and operating each Tour Boat including inspection fees required in connection with obtaining electrical wiring permits from the City. This includes each of the following as may be required or may become applicable to the

Licensee or the licensed Tour Boat and must be attached to Exhibit 6 of this License Agreement: a certificate of inspection, a certificate of documentation, and any and all other licenses or certifications required by the U.S.C.G.; a great lakes radiotelephone license certificate of the Federal Communications Commission; a State of Illinois registration or title; and all other vessel and operation licenses required by the State of Illinois or the City.

(c) Notwithstanding the foregoing, the Licensee may claim a credit against any amounts due under this License Agreement equal to the amount of the Chicago Boat Mooring Tax paid by the Licensee pursuant to section 3-16-030 of the Municipal Code of Chicago.

4.3 Late Payment, Material Underpayment or Nonpayment

If the Licensee fails to make its yearly payments when due, or makes an underpayment in any annual payment period of more than 5% of the amount due for such annual payment period, then the City may charge the Licensee interest on the amount due of 1.25% for each month said amount remains due and owing. Interest on the amount of the underpayment due will accrue from the date on which the original payment should have been made. If any payment owed pursuant to this License Agreement remains past due for more than 30 business days, the Commissioner may declare a breach of this License Agreement and terminate the License Agreement upon 30 days' written notice to the Licensee.

4.4 Records and Audit

The Licensee must maintain books and records related to the operation of the Tour Service, including cash and non-cash revenues generated and ticket sales. All books and records must be maintained in a manner consistent with generally accepted accounting principles and practice.

No later than the date for payment of the Supplemental Revenue Fee as described in Section 4.1(c), the Licensee must supply to the Commissioner an audit, conducted by an independent certified public accountant, in form and substance acceptable to the Commissioner, certifying as to the Gross Revenues from the Location, and calculating the Supplemental Revenue Fee due to the City for the prior year pursuant to the Agreement. If Licensee fails to timely furnish to the Commissioner the annual statement required under this Agreement or if the independent certified public accountant's opinion is qualified or conditioned in any manner, the Commissioner has the right (but is not obligated) without notice, to conduct an audit of Licensee's books and records and to prepare the statements at Licensee's expense. In any event, the City, upon 10 days' written notice to the Licensee, may perform or have performed by a City consultant, an audit and review of the records serving as the basis for the Licensee's annual statement. If the City's independent audit determines that the compensation paid to the City was underpaid in the prior calendar year by more than 5%, the Contractor will bear the cost

of the City's audit in addition to paying the City the underpayment, plus interest as set forth in Section 4.3. This provision survives the termination or expiration of this Agreement.

ARTICLE 5. DISPUTES

Except as otherwise provided in this License Agreement, Licensee must and the Commissioner may bring any dispute arising under this License Agreement which is not resolved by the parties to the Commissioner for decision based upon the written submissions of the parties. The Commissioner will issue a written decision and send it to the Licensee by mail. The decision of the Commissioner is final and binding. The sole and exclusive remedy to challenge the decision of the Commissioner is judicial review by means of a common law writ of certiorari.

ARTICLE 6. COMPLIANCE WITH ALL LAWS

6.1 Compliance with All Laws Generally

(a) Licensee must observe and comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later and whether or not they appear in this Agreement, including those set forth in this Article 6, and Licensee must pay all taxes and obtain all licenses, certificates and other authorizations required by them. Licensee must require all Subcontractors to do so, also. Further, Licensee must execute an Economic Disclosure Statement and Affidavit ("**EDS**") in the form attached to this Agreement as Exhibit 4. Notwithstanding acceptance by the City of the EDS, Licensee=s failure in the EDS to include all information required under the Municipal Code renders this Agreement voidable at the option of the City. Licensee must promptly update its EDS(s) on file with the City whenever any information or response provided in the EDS(s) is no longer complete and accurate. Licensee agrees that Licensee's failure to maintain current throughout the term and any extensions of the term, the disclosures and information pertaining to ineligibility to do business with the City under Chapter 1-23 of the Municipal Code, as such is required under Sec. 2-154-020, shall constitute an event of default.

(b) Notwithstanding anything in this Agreement to the contrary, references to a statute or law are considered to be a reference to (i) the statute or law as it may be amended from time to time; (ii) all regulations and rules pertaining to or promulgated pursuant to the statute or law; and (iii) all future statutes, laws, regulations, rules and executive orders pertaining to the same or similar subject matter.

Licensee must comply with, and the procedures Licensee utilizes and the Services Licensee provides under this Agreement must comply with, the Civil Rights Act of 1964, 42 U.S.C. sec. 2000e *et seq.* (1981), as amended and the Civil Rights Act of 1991, P.L. 102-166. Furthermore, Licensee must comply with the Public Works Employment Discrimination Act, 775 ILCS 10/0.01 *et seq.* (1990), as amended, and all other applicable state statutes, regulations and other laws.

(iii) **City Requirements**

Ordinance, ch. 2-160, Section 2-160-010 *et seq.* of the Municipal Code of Chicago (1990), as amended, and all other applicable City ordinances and rules.

(b)Subcontractors

Further, Licensee must furnish and must cause each of its Subcontractor(s) to furnish such reports and information as requested by the federal, state, and local agencies charged with enforcing such laws and regulations, including the Chicago Commission on Human Relations.

Licensee understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code. All subcontracts must inform Subcontractors of the provision and require understanding and compliance with it.

6.4 MacBride Ordinance

The City of Chicago through the passage of the MacBride Principles Ordinance seeks to promote fair and equal employment opportunities and labor practices for religious minorities in Northern Ireland and provide a better working environment for all citizens in Northern Ireland.

In accordance with Section 2-92-580 of the Municipal Code of the City of Chicago, if Licensee conducts any business operations in Northern Ireland, the Licensee must make all reasonable and good faith efforts to conduct any business operations in Northern Ireland in accordance with the MacBride Principles for Northern Ireland as defined in Illinois Public Act 85-1390 (1988 Ill. Laws 3220).

The provisions of this Section 6.4 do not apply to contracts for which the City receives funds administered by the United States Department of Transportation, except to the extent Congress has directed that the Department of Transportation not withhold funds from states and localities that choose to implement selective purchasing policies based on agreement to comply with the MacBride Principles for Northern Ireland, or to the extent that such funds are not otherwise withheld by the Department of Transportation.

6.5 Business Relationships with Elected Officials

Pursuant to MCC Sect. 2-156-030(b), it is illegal for any elected official, or any person acting at the direction of such official, to contact either orally or in writing any other City official or employee with respect to any matter involving any person with whom the elected official has any business relationship that creates a financial interest on the part of the official, or the domestic partner or spouse of the official, or from whom or which he has derived any income or compensation during the preceding twelve months or from whom or which he reasonably expects to derive any income or compensation in the following twelve months. In addition, no elected official may participate in any discussion in any City Council committee hearing or in any City Council meeting or vote on any matter involving the person with whom the elected official has any business relationship that creates a financial interest on the part of the official, or the domestic partner or spouse of the official, or from whom or which he has derived any income or compensation during the preceding twelve months or from whom or which he reasonably expects to derive any income or compensation in the following twelve months.

Violation of MCC Sect. 2-156-030 by any elected official with respect to this contract will be grounds for termination of this contract. The term financial interest is defined as set forth in MCC Chapter 2-156.

6.6 Chicago "Living Wage" Ordinance

(a) Section 2-92-610 of the Municipal Code provides for a living wage for certain categories of workers employed in the performance of City contracts, specifically non-City employed security guards, parking attendants, day laborers, home and health care workers, cashiers, elevator operators, custodial workers and clerical workers ("**Covered Employees**"). Accordingly, pursuant to Section 2-92-610 and regulations promulgated under it:

(i) If Licensee has 25 or more full-time employees, and

(ii) If at any time during the performance of this License Agreement, Licensee and/or any Subcontractor or any other entity that provides any portion of the Services (collectively "**Performing Parties**") uses 25 or more full-time security guards, or any number of other full-time Covered Employees, then

(iii) Licensee must pay its Covered Employees, and must ensure that all other Performing Parties pay their Covered Employees, not less than the minimum hourly rate as determined in accordance with this provision (the "**Base Wage**") for all Services performed under this License Agreement.

(b) Licensee's obligation to pay, and to ensure payment of, the Base Wage will begin at any time during the term of this License Agreement when the conditions set forth in (a)(i) and (a)(ii) above are met, and will continue until the end of the term of this License Agreement.

(c) As of July 1, 2012, the Base Wage is $11.53 per hour, and each July 1 thereafter, the Base Wage will be adjusted using the most recent federal poverty guidelines for a family of four as published annually by the U.S. Department of Health and Human Services, to constitute the following: the poverty guidelines for a family of four divided by 2000 hours or the current base wage, whichever is higher. The currently applicable Base Wage is available from the Department of Procurement Services. At all times during the term of this License Agreement, Licensee and all other Performing Parties must pay the Base Wage (as adjusted in accordance with the above). If the payment of prevailing wages is required for Services done under this License Agreement, and the prevailing wages for Covered Employees are higher than the Base Wage, then Licensee and all other Performing Parties must pay the prevailing wage rates.

(d) Licensee must include provisions in all subcontracts requiring its Subcontractors to pay the Base Wage to Covered Employees. Licensee agrees to provide the City with documentation acceptable to the Commissioner demonstrating that all Covered Employees, whether employed by Licensee or by a Subcontractor, have been paid the Base Wage, upon the City's request for such documentation. The City may independently audit Licensee and/or Subcontractors to verify compliance with this section. Failure to comply with the requirements of this section will be an event of default under this License Agreement, and further, failure to comply may result in ineligibility for any award of a City contract or subcontract for up to 3 years.

(e) Not-for-Profit Corporations: If Licensee is a corporation having federal tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and is recognized under Illinois not-for-profit law, then the provisions of subsections (a) through (d) above do not apply.

6.7 Prohibition on Certain Contributions

No Contractor or any person or entity who directly or indirectly has an ownership or beneficial interest in Contractor of more than 7.5% ("Owners"), spouses and domestic partners of such Owners, Contractor's Subcontractors, any person or entity who directly or indirectly has an ownership or beneficial interest in any Subcontractor of more than 7.5% ("Sub-owners") and spouses and domestic partners of such Sub-owners (Contractor and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee during (i) the bid or other solicitation process for this Contract or Other Contract, including while this Contract or Other Contract is executory, (ii) the term of this Contract or any Other Contract between City and Licensee, and/or (iii) any period in which an extension of this Contract or Other Contract with the City is being sought or negotiated.

Licensee represents and warrants that since the date of public advertisement of the specification, request for qualifications, request for proposals or request for information (or any combination of those requests) or, if not competitively procured, from the date the City approached the Licensee or the date the Licensee approached the City, as applicable, regarding the formulation of this Contract, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Licensee shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

The Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Contract, and under any Other Contract for which no opportunity to cure will be granted. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Contract, under Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Licensee violates this provision or Mayoral Executive Order No. 2011-4 prior to award of the Contract resulting from this specification, the CPO may reject Licensee's bid.

For purposes of this provision:

"Other Contract" means any agreement entered into between the Licensee and the City that is (i) formed under the authority of MCC Ch. 2-92; (ii) for the purchase, sale or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved and/or authorized by the City Council.

"Contribution" means a "political contribution" as defined in MCC Ch. 2-156, as amended.

6. 9 Ineligibility to do Business with City.

Failure by the Licensee or any Controlling Person (defined in Section 1-23-010 of the Municipal Code) thereof to maintain eligibility to do business with the City in violation of Section 1-23-030 of the Municipal Code shall render this Contract voidable or subject to termination, at the option of the Chief Procurement Officer. Licensee agrees that Licensee's failure to maintain eligibility (or failure by Controlling Persons to maintain eligibility) to do business with the City in violation of Section 1-23-030 of the Municipal Code shall constitute an event of default.

6.10 Deemed Inclusion

Provisions required by law, ordinances, rules, regulations, or executive orders to be inserted in this License Agreement are deemed inserted in this License Agreement whether or not they appear in this License Agreement or, upon application by either party, this License Agreement will be amended to make the insertion; however, in no event will the failure to insert the provisions before or after this License Agreement is signed prevent its enforcement.

(x) Failure to comply with any other material term of this License Agreement, including the provisions concerning insurance and nondiscrimination; and

(xi) Any other acts specifically stated in this License Agreement as constituting an act of default.

(c) Any change in ownership or control of Wendella Sightseeing Company, Inc., without the prior written approval of the Commissioner (when such prior approval is permissible by law), which approval the Commissioner will not unreasonably withhold.

(d) Default by Wendella Sightseeing Company, Inc. under any other agreement either entity or both entities may presently have or may enter into with the City for the duration of this License Agreement. Wendella Sightseeing Company, Inc. acknowledges that in the event of a default under this License Agreement the City may also declare a default under any other agreements.

(e) Licensee's violation of City ordinance(s) unrelated to performance under the License Agreement such that, in the opinion of the Commissioner, it indicates a willful or reckless disregard for City laws and regulations.

8.2 Remedies

(a) Notices. The occurrence of any event of default permits the City, at the City's sole option, to declare Licensee in default. The Commissioner may in his sole discretion give Licensee an opportunity to cure the default within a certain period of time, which period of time must not exceed 30 days unless extended by the Commissioner. Whether to declare Licensee in default is within the sole discretion of the Commissioner and neither that decision nor the factual basis for it is subject to review or challenge under the Disputes provision of this License Agreement.

The Commissioner will give Licensee written notice of the default, either in the form of a cure notice ("**Cure Notice**"), or, if no opportunity to cure will be granted, a default notice ("**Default Notice**"). If the Commissioner gives a Default Notice, he will also indicate any present intent he may have to terminate this License Agreement, and the decision to terminate is final and effective upon giving the notice. If the Commissioner decides not to terminate, this decision will not preclude

him from later deciding to terminate the License Agreement in a later notice, which will be final and effective upon the giving of the notice or on the date set forth in the notice, whichever is later. The Commissioner may give a Default Notice if Licensee fails to effect a cure within the cure period given in a Cure Notice. When a Default Notice with intent to terminate is given as provided in this Section 8.2 and Article 10, Licensee must discontinue any Tour Services, unless otherwise directed in the notice.

(b) Exercise of Remedies. After giving a Default Notice, the City may invoke any or all of the following remedies:

(i) The right to terminate this License Agreement, in whole or in part;

(ii) The right of specific performance, an injunction or any other appropriate equitable remedy;

(iii) The right to money damages;

(iv) The right to deem Licensee non-responsible in future contracts to be awarded by the City;

(v) The right to draw on the Letter of Credit.

(c) City's Reservation of Rights. If the Commissioner considers it to be in the City s best interests, he may elect not to declare default or to terminate this License Agreement. The parties acknowledge that this provision is solely for the benefit of the City and that if the Commissioner permits Licensee to continue to provide the Tour Services despite one or more events of default, Licensee is in no way relieved of any of its responsibilities, duties or obligations under this License Agreement, nor does the City waive or relinquish any of its rights.

(d) Non-Exclusivity of Remedies. The remedies under the terms of this License Agreement are not intended to be exclusive of any other remedies provided, but each and every such remedy is cumulative and is in addition to any other remedies, existing now or later, at law, in equity or by statute. No delay or omission to exercise any right or power accruing upon any event of default impairs any such right or power, nor is it a waiver of any event of default nor acquiescence in it, and every such right and power may be exercised from time to time and as often as the City considers expedient.

8.3 Early Termination

(a) In addition to termination under Sections 8.1 and 8.2 of this License Agreement, the Commissioner may terminate this License Agreement, at any time by giving 15 days' prior written notice to the Licensee, if, in the sole discretion of the Commissioner, the Commissioner determines

that such termination is in the best interest of the City. If the Commissioner elects to terminate this entire License Agreement, the Licensee must terminate all Tour Services within 10 business days after the issuance of such notice and remove Tour Boats from the Location.

(b) Payment to the City of any sums remaining to be paid under this License Agreement must be made by the Licensee on a pro-rata basis: calculation of the pro-rata share will be predicated upon the season during which the Licensee is licensed to operate on the Chicago River and Lake Michigan, as specified in Section 4.1 of this License Agreement.

(c) Any License fees and compensation previously received by the City will be retained by the City.

(d) Upon termination of this License Agreement the Licensee must at once surrender possession of the Location. If possession is not immediately surrendered, the City may take possession of the Location and expel or remove the Licensee and those claiming by, through, or under it, without civil or criminal liability.

(e) The Licensee must pay and discharge all costs, expenses, and attorneys' fees which might be incurred by the City in enforcing the terms and conditions of this License Agreement.

(f) Licensee must include in its contracts with Subcontractors an early termination provision in form and substance equivalent to this early termination provision to prevent claims against the City arising from termination of subcontracts after the early termination. Licensee will not be entitled to make any early termination claims against the City resulting from any Subcontractor's claims against Licensee or the City.

(g) If the City's election to terminate this License Agreement for default under Sections 8.1 and 8.2 is determined in a court of competent jurisdiction to have been wrongful, then in that case the termination is to be considered to be an early termination under this Section 8.3.

8.4 Suspension

The City may at any time request that Licensee suspend its Services, or any part of them, by giving 15 days prior written notice to Licensee or upon informal oral, or even no notice, in the event of emergency. Licensee must promptly resume its performance of the Services under the same terms and conditions as stated in this License Agreement upon written notice by the Commissioner and such equitable extension of time as may be mutually agreed upon by the Commissioner and Licensee when necessary for continuation or completion of Tour Services. The City will not be liable for any additional costs or expenses actually incurred by Licensee as a result of recommencing the Tour Services.

No suspension of this License Agreement is permitted in the aggregate to exceed a period of 45 days within any one year of this License Agreement. If the total number of days of suspension exceeds 45 days, Licensee by written notice to the City may treat the suspension as an early termination of this License Agreement under Section 8.3.

ARTICLE 9. GENERAL CONDITIONS

9.1 Entire Agreement

(a) General

This License Agreement, and the exhibits attached to it and incorporated in it, constitute the entire agreement between the parties and no other terms, conditions, warranties, inducements, considerations, promises or interpretations are implied or impressed upon this License Agreement that are not addressed in this License Agreement.

(b) No Collateral Agreements

Licensee acknowledges that, except only for those representations, statements or promises contained in this License Agreement and any exhibits attached to it and incorporated by reference in it, no representation, statement or promise, oral or in writing, of any kind whatsoever, by the City, its officials, agents or employees, has induced Licensee to enter into this License Agreement or has been relied upon by Licensee, including any with reference to: (i) the meaning, correctness, suitability or completeness of any provisions or requirements of this License Agreement; (ii) the nature of the Services to be performed; (iii) the nature, quantity, quality or volume of any materials, equipment, labor and other facilities needed for the performance of this License Agreement; (iv) the general conditions which may in any way affect this License Agreement or its performance; (v) the compensation provisions of this License Agreement; or (vi) any other matters, whether similar to or different from those referred to in (i) through (vi) immediately above, affecting or having any connection with this License Agreement, its negotiation, any discussions of its performance or those employed or connected or concerned with it.

(c) No Omissions

Licensee acknowledges that Licensee was given ample opportunity and time and was requested by the City to review thoroughly all documents forming this License Agreement before signing this License Agreement in order that it might request inclusion in this License Agreement of any statement, representation, promise or provision that it desired or on that it wished to place reliance. Licensee did so review those documents, and either every such statement, representation, promise or provision has been included in this License Agreement or else, if omitted, Licensee

relinquishes the benefit of any such omitted statement, representation, promise or provision and is willing to perform this License Agreement in its entirety without claiming reliance on it or making any other claim on account of its omission.

9.2 Counterparts

This License Agreement is comprised of several identical counterparts, each to be fully signed by the parties and each to be considered an original having identical legal effect.

9.3 Amendments

Except as provided in Section 3.2 of this License Agreement, no changes, amendments, modifications or discharge of this License Agreement, or any part of it are valid unless in writing and signed by the authorized agent of Licensee and by the Commissioner or their respective successors and assigns. The City incurs no liability for Additional Services without a written amendment to this License Agreement under this Section 9.3.

Whenever under this License Agreement Licensee is required to obtain the City s prior written approval, the effect of any approval that may be granted pursuant to Licensee's request is prospective only from the later of the date approval was requested or the date on which the action for which the approval was sought is to begin. In no event is approval permitted to apply retroactively to a date before the approval was requested.

9.4 Governing Law and Jurisdiction

This License Agreement is governed as to performance and interpretation in accordance with the laws of the State of Illinois without regard to choice of law.

Licensee irrevocably submits itself to the original jurisdiction of those courts located within the County of Cook, State of Illinois, with regard to any controversy arising out of, relating to, or in any way concerning the execution or performance of this License Agreement. Service of process on Licensee may be made, at the option of the City, either by registered or certified mail addressed to the applicable office as provided for in this License Agreement, by registered or certified mail addressed to the office actually maintained by Licensee, or by personal delivery on any officer, director, or managing or general agent of Licensee. If any action is brought by Licensee against the City concerning this License Agreement, the action must be brought only in those courts located within the County of Cook, State of Illinois.

9.5 Severability

If any provision of this License Agreement is held or deemed to be or is in fact invalid, illegal, inoperative or unenforceable as applied in any particular case in any jurisdiction or in all

cases because it conflicts with any other provision or provisions of this License Agreement or of any constitution, statute, ordinance, rule of law or public policy, or for any other reason, those circumstances do not have the effect of rendering the provision in question invalid, illegal, inoperative or unenforceable in any other case or circumstances, or of rendering any other provision or provisions in this License Agreement invalid, illegal, inoperative or unenforceable to any extent whatsoever. The invalidity, illegality, inoperativeness or unenforceability of any one or more phrases, sentences, clauses or sections in this License Agreement does not affect the remaining portions of this License Agreement or any part of it.

9.6 Assigns

The Licensee may not assign this License Agreement without prior written consent of the City, which shall not be unreasonably withheld. Assignment without prior written consent of the City is deemed an event of default under Article 8 of this License Agreement.

9.7 Cooperation

Licensee must at all times cooperate fully with the City and act in the City's best interests. If this License Agreement is terminated for any reason, or if it is to expire on its own terms, Licensee must make every effort to ensure an orderly transition to another provider of the Services, if any, orderly demobilization of its own operations in connection with the Services, uninterrupted provision of Services during any transition period and must otherwise comply with the reasonable requests and requirements of the Department in connection with the termination or expiration.

9.8 Waiver

Nothing in this License Agreement authorizes the waiver of a requirement or condition contrary to law or ordinance or that would result in or promote the violation of any federal, state or local law or ordinance.

Whenever under this License Agreement the City by a proper authority waives Licensee's performance in any respect or waives a requirement or condition to either the City's or Licensee's performance, the waiver so granted, whether express or implied, only applies to the particular instance and is not a waiver forever or for subsequent instances of the performance, requirement or condition. No such waiver is a modification of this License Agreement regardless of the number of times the City may have waived the performance, requirement or condition. Such waivers must be provided to Licensee in writing.

9.9 Independent Contractor

(a) This License Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize a joint venture, partnership, corporation or other formal business

association or organization of any kind between Licensee and the City. The rights and the obligations of the parties are only those set forth in this License Agreement. Licensee must perform under this License Agreement as an independent contractor and not as a representative, employee, agent, or partner of the City.

(b) This License Agreement is between the City and an independent contractor and, if Licensee is an individual, nothing provided for under this License Agreement constitutes or implies an employer-employee relationship such that:

(i) The City will not be liable under or by reason of this License Agreement for the payment of any compensation award or damages in connection with the Licensee performing the Services required under this License Agreement.

(ii) Licensee is not entitled to membership in any City Pension Fund, Group Medical Insurance Program, Group Dental Program, Group Vision Care, Group Life Insurance Program, Deferred Income Program, vacation, sick leave, extended sick leave, or any other benefits ordinarily provided to individuals employed and paid through the regular payrolls of the City.

(iii) The City is not required to deduct or withhold any taxes, FICA or other deductions from any compensation provided to Licensee.

(c)(i) The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and the June 24, 2011 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United State District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Licensee is aware that City policy prohibits City employees from directing any individual to apply for a position with Licensee, either as an employee or as a subcontractor, and from directing Licensee to hire an individual as an employee or as a subcontractor. Accordingly, Licensee must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Licensee under this Agreement are employees or subcontractors of Licensee, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Licensee.

(iii) Licensee will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership

in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to Licensee by a City employee or City official in violation of Section (ii) above, or advocating a violation of Section (iii) above, Licensee will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General, and also to the head of the relevant City Department utilizing services provided under this Agreement. Licensee will also cooperate with any inquiries by IGO Hiring Oversight or the Shakman Monitor's Office related to the contract.

3) Automobile Liability (Primary and Umbrella)

The Licensee must submit evidence of insurance on the City of Chicago Insurance Certificate Form (copy attached) or equivalent prior to execution of Agreement. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all requirements of Agreement. The failure of the City to obtain certificates or other insurance evidence from Licensee is not a waiver by the City of any requirements for the Licensee to obtain and maintain the specified coverages. The Licensee shall advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance does not relieve Licensee of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to suspend this Agreement until proper evidence of insurance is provided, or the Agreement may be terminated.

The Licensee must provide for 60 days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

Any deductibles or self insured retentions on referenced insurance coverages must be borne by Licensee.

The Licensee hereby waives and agrees to require their insurers to waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents, or representatives.

The coverages and limits furnished by Licensee in no way limit the Licensee's liabilities and responsibilities specified within the Agreement or by law.

Any insurance or self insurance programs maintained by the City of Chicago do not contribute with insurance provided by the Licensee under the Agreement.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If Licensee is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

The Licensee must require all subcontractors to provide the insurance required herein, or Licensee may provide the coverages for subcontractors. All subcontractors are subject to the same insurance requirements of Licensee unless otherwise specified in this Agreement.

If Licensee or subcontractor desires additional coverages, the party desiring the additional coverages is responsible for the acquisition and cost.

Notwithstanding any provision in the Agreement to the contrary, the City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements.

Public Works Provisions

Employment of Illinois Laborers on Public Works Projects

Licensee must use only Illinois laborers in the performance of this License Agreement to the extent (i) required by the Employment of Illinois Laborers on Public Works Projects Act, 30 ILCS, 570/0.01, as amended from time to time and (ii) otherwise permitted by law.

Disposal of Materials, Construction Debris, Soil and Waste

Licensee is responsible for the proper disposal of all materials, construction debris, soil and other waste. Hauling and disposal by a Subcontractor does not relieve the Licensee from responsibility for proper disposal. Disposal of all materials, construction debris, soil, and other wastes must be at a disposal site that is properly licensed and permitted to accept the particular materials, construction debris, soil and other wastes delivered to it in accordance with all Environmental Laws. The Licensee must identify the disposal site(s) or transfer station(s) to which the Licensee has contractual access and for which proper, sanitary landfill permits and/or licenses have been obtained.

Steel Products

To the extent permitted by law, this License Agreement is subject to all provisions of the "Steel Products Procurement Act," 30 ILCS 565/1 *et seq.* as it may be amended from time to time. Knowing violation of this law may result in the filing and prosecution of a complaint by the Attorney General of the State of Illinois and will subject violators to a fine of the greater of $5,000 or the payment price received as a result of such violation.

Americans with Disabilities Act

Licensee must perform all construction or alteration that it undertakes in connection with this License Agreement in compliance with all federal, state and local laws and regulations regarding accessibility standards for disabled or environmentally limited persons including: American with Disabilities Act, P.L. 101-336 (1990) and the Uniform Federal Accessibility Standards ("UFAS") or the American with Disabilities Act ("**ADA**") and; the Illinois Environmental Barriers Act, 410 ILCS 25/1 *et seq.* (1991), and the regulations promulgated with them. If the above cited standards are inconsistent, the Licensee must comply with the standard providing greater accessibility.

Prevailing Wage Rates

In the performance of the work, Licensee is fully responsible for paying not less than the prevailing rate of wages as determined by the Illinois Department of Labor, which must be paid to all laborers, mechanics, and other workers performing work under this License Agreement.

Licensee's attention is called to the generally prevailing hourly rate of wages, as determined by

the Illinois Department of Labor, which are incorporated into the License Agreement and set forth in Attachment 8-A. These wage rates are also the prevailing wage rates for the City of Chicago, as determined by the Department as of the date of execution of this License Agreement.

The wage rates set forth in this License Agreement were the rates in effect at the time this License Agreement was executed. If the Illinois Department of Labor revises the prevailing rate of hourly wages to be paid for the work before completion of the project, the revised rate applies to this License Agreement from the effective date of the revision, but the revision does not entitle Licensee to any increased compensation under the terms of this License Agreement.

As a condition of making payment to Licensee, the City may require Licensee to submit an affidavit to the effect that not less than the prevailing hourly wage rate is being paid to laborers, mechanics, and other workers employed under this License Agreement in accordance with Illinois law.

Chicago Residency Requirements

If the funding under this License Agreement is $100,000 or more, and unless otherwise prohibited by law, Licensee and all Subcontractors that perform work on the site of the construction project undertaken under this License Agreement must comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago specified in Section 2-92-330 of the Municipal Code (at least 50% of the total worker hours must be performed by actual residents of the City of Chicago). In addition to complying with this requirement, Licensee and all Subcontractors must make good faith efforts to utilize qualified residents of the City of Chicago in both unskilled and skilled labor positions.

1. "Actual residents of the City of Chicago" means persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment
2. Licensee may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-920-330 in accordance with standards and procedures developed by the Chief Procurement Officer of the City of Chicago ("**Chief Procurement Officer**").
   a) Licensee must provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the project. Licensee and Subcontractors must maintain copies of personal documents supportive of every Chicago employee's actual record of residence.
   b) Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) which must be submitted to the Commissioner in triplicate, must clearly identify the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the company hired the employee should be written in after the employee's name.
   c) Licensee and Subcontractors must grant full access to Licensee and the Subcontractor's employment records to the Chief Procurement Officer, the Commissioner of the supervising department, the Superintendent of the Chicago Police Department, the Inspector General, or their duly authorized representatives. Licensee and Subcontractors must maintain all relevant personnel data and records for a period of at least three years

after Final Completion and Acceptance of the work.

d) At the direction of the supervising department, Licensee must furnish affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

3. Good faith efforts on Licensee's part to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) does not suffice to replace the actual, verified achievement of the requirements of this section concerning the worker hours performed by actual Chicago residents.

4. When the work is completed, if the City has determined that Licensee failed to fulfill the requirements of this section concerning worker hours performed by actual Chicago Residents or failed to report in the manner as indicated above, the City will be damaged in that it thereby failed to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this section. Therefore, in such a case of noncompliance, Licensee must pay to the City 1/20th of 1%, 0.0005, of the approved Yearly License Fee for this License Agreement to the City in payment for each percentage of shortfalls toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly will result in the surrender of the entire liquidated damages as if no Chicago residents were employed. The willful falsification of statements in the certification of payroll data may subject Licensee or Subcontractors or employee to prosecution.

Nothing provided in this section may be construed to be a limitation upon the "Notice of Requirements For Affirmative Action To Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246" or other affirmative action required for equal opportunity under the provisions of this License Agreement. Licensee must include this provision in all subcontracts.

Performance and Payment Bonds

Licensee must, before performing the work, deliver to the City a performance and payment bond in an amount determined solely by the Commissioner of the Chicago Department of Transportation. Any performance bond that Licensee provides must comply with the provisions of 30 ILCS 550/1 *et.seq.*, as amended, and of Chapter 2, § 2-92-030 of the Municipal Code, as amended. It must also be in the form of the performance and payment bond attached as Attachment 8-B. The surety or sureties issuing the bond must be acceptable to the City and must have a Best's Key Rating Guide of "B+," Class XI or greater and be listed in the most recently published "Listing of Approved Sureties" of the U.S. Department of the Treasury Circular 570, with underwriting limitations in excess of the Yearly License Fee. The bond must cover the warranty period required by the City.

In case of Licensee's neglect, failure, or refusal to provide satisfactory sureties when so directed within 10 days after such notification, the Commissioner may declare this License Agreement forfeit, but such forfeiture will not release Licensee or Licensee's surety or sureties from any liability that may have accrued before the date of the forfeiture.

If at any time the surety or sureties, or any one of them, upon the bond become insolvent, or are, in the sole opinion of the City, unsatisfactory, or unable to respond to damages in case of liability on such bond, the Commissioner will notify Licensee and direct that Licensee furnish a bond issued by a satisfactory surety

or sureties forthwith.

Multi Project Labor Agreement (PLA)

The City has entered into the PLA with various trades regarding projects involving construction, demolition, maintenance, rehabilitation, and/or renovation work, as described in the PLA, a copy of which may be found on the City's website at: http://www.cityofchicago.org/dam/city/depts/dps/RulesRegulations/Multi-ProjectLaborAgreement-PLAandSignatoryUnions.pdf.

To the extent that this Contract involves a project that is subject to the PLA, Licensee acknowledges familiarity with the requirements of the PLA and its applicability to any Work under this Agreement, and shall comply in all respects with the PLA.

Attachment 8-A

Prevailing Wage Rates

Prevailing Wage Rates

If this Contract calls for the construction of a "public work," within the meaning of Illinois Prevailing Wage Act, 820 ILCS 130/.01 et seq. ("the Act"), the Act requires Contractors and Subcontractors to pay laborers, workers and mechanics performing services on public works projects no less than the "prevailing rate of wages" (hourly wages plus fringe benefits) in the county where the work is performed. For information regarding current prevailing wage rates, please refer to the Illinois Department of Labor's website at: www.state.il.us/agency/idol/rates/rates.HTM. All Contractors and Subcontractors rendering services under a Contract for the construction of a public work must comply with all requirements of the Act, including but not limited to, all wage, notice and record keeping duties.

The term general prevailing hourly rate, when used in this requirement will mean the hourly cash wages plus fringe benefits for health and welfare, insurance, vacations and pensions paid generally, in the locality in which the work is being performed, to employees engaged in work of a similar character on public works.

As a condition of making payment to the Contractor, the City may require the Contractor to submit an affidavit to the effect that not less than the prevailing hourly wage rate is being paid to laborers, mechanics and other workmen employed on this Contract in accordance with Illinois or federal law, as applicable.

ORDINANCE

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

LEASE NO. 20289

LEASE

THIS LEASE is made and entered into this _____ day of_____, 2013 (the "Commencement Date"), by and between **THE CITY OF CHICAGO,** an Illinois Municipal Corporation and Home Rule Unit of Government (herein referred to as "**Landlord**" or "**City**") and **FRANCISCAN OUTREACH ASSOCIATION,** an Illinois Not-for-Profit Corporation (hereinafter referred to as "**Tenant**").

RECITALS

WHEREAS, Landlord is the owner of the building located at 10 South Kedzie Avenue and comprised of approximately 62,660 square feet more commonly known as the Garfield Park Community Center, located at 10 South Kedzie Avenue, Chicago, Illinois, as legally described in **Exhibit A** attached hereto and made a part hereof (the "Building"); and

WHEREAS, Landlord's Department of Family and Support Services has selected Tenant to perform certain services as outlined in the Delegate Agency Grant Agreement attached hereto and made a part hereof as **Exhibit B**; and

WHEREAS, Landlord has agreed to lease to Tenant, and Tenant has agreed to lease from Landlord, approximately 1,400 square feet of office space located in Room 129 of the Building as depicted on **Exhibit C** attached hereto and made a part hereof (the "Premises") together with non-exclusive access to an adjacent parking to be used by Tenant as provided herein.

NOW THEREFORE, in consideration of the covenants, terms and conditions set forth herein, the parties hereto agree and covenant as follows:

SECTION 1. GRANT

Landlord hereby leases to Tenant, and Tenant hereby leases from Landlord, the following described premises situated in the City of Chicago, County of Cook, State of Illinois, to wit:

> Room 129 of 10 South Kedzie Avenue comprised of approximately 1,400 square feet of space together with access to an adjoining parking lot all located at 10 South Kedzie Avenue, Chicago, Illinois (part of PIN 16-14-203-047).

SECTION 2. TERM

2.1 Term. The term of this Lease ("Term") shall commence on the Commencement Date and shall terminate on December 31, 2013, unless sooner terminated as set forth in this Lease.

SECTION 3. RENT, TAXES, AND UTILITIES

3.1 Rent. Tenant shall pay base rent ("Rent") to Landlord for use of the Premises in the amount of:

One Dollar ($1.00) for the entire Term with the receipt and sufficiency of said sum hereby acknowledged by both parties.

3.2 Operating Costs. Tenant shall reimburse Landlord's Operating Costs for the Premises pursuant to Section 3.2.a below beginning on the Commencement Date as reimbursement for Landlord's costs to operate the Building and the Premises, but not as rent.

a. Calculation of Operating Costs. Tenant shall pay to Landlord Operating Costs (as hereinafter defined) incurred by Landlord with regards to Tenant's proportionate use of the Building (the "Proportionate Use"). This Proportionate Use shall be based on the square footage leased by Tenant divided by the Building's total square footage. The Building's total square footage is approximately 62,660 square feet and Tenant's leasehold is approximately 1,400 square feet or 2.23% of the Building's total square footage. "Operating Costs" shall be based on Tenant's 2.23% Proportionate Use. Operating Costs shall include (i) all utilities (including, but not limited to gas, electricity, and water), (ii) security services, (iii) landscaping and snow removal, and (iv) Tenant's allocable share of other costs incurred by Landlord in operating the Building (excluding any capital improvements that may be required). For 2013, Tenant's Operating Costs are estimated to be, and Tenant shall initially pay, $711.40 per month (subject to subsequent accounting and adjustment which may serve to increase or decrease these estimated Operating Costs). The estimated monthly Operating Costs are set forth in **Exhibit D** and are subject to future adjustments.

b. Reimbursement Procedure. Operating Costs shall be paid to Landlord at the City of Chicago, Department of Finance, Warrants for Collection, City Hall, 121 North LaSalle, Room 107, Chicago, Illinois 60602 or at such place as Landlord may from time to time designate in writing to Tenant. Landlord shall invoice Tenant for such Operating Costs on a monthly basis. In the event that Tenant does not receive such invoice from Landlord, Tenant shall contact Landlord. Landlord's failure to invoice Tenant for Operating Costs or other expenses does not constitute a waiver of payment of any such charges.

3.3 Utilities. Landlord shall pay for gas, electricity, and water supplied to the Building. Tenant shall pay when due all charges for any applicable telephone or other communication service provided to the Premises for Tenant's use.

3.4 Taxes. In the event that or Leasehold taxes are ever assessed against the Premises as a result of Tenant's tenancy, Tenant shall pay when due any leasehold taxes, penalties, and interest assessed or levied on Tenant's portion of the Premises without reimbursement or other setoff from Landlord. Tenant acknowledges that leasehold taxes are one (1) year in arrears in Cook County and that as a result Tenant will be responsible for satisfaction of all leasehold taxes, penalties, and interest assessed or levied on the subject Premises at least one year after Tenant vacates the Premises. Notwithstanding the foregoing, nothing contained herein shall preclude Tenant from contesting any charge or tax levied against the Premises. The failure of Tenant to pay such taxes, interest, and penalties during the pendency of the contest shall not

constitute a default under this Lease. Tenant's tax responsibilities under this section shall survive the expiration, cancellation, or termination of this Lease agreement, but payment may be a requirement for contesting such taxes.

3.5 Accord and Satisfaction. No payment by Tenant or receipt by Landlord of a lesser amount than any installment or payment of Operating Costs or other costs due hereunder shall be deemed to be other than on account of the amount due, and no endorsement of statement or any check or any letter accompanying any check or payment of rent shall be deemed an accord and satisfaction. Landlord may accept such check or payment without prejudice as to Landlord's right to recover the balance of such installment or payment to pursue any other remedies available to Landlord.

SECTION 4. CONDITION AND ENJOYMENT OF PREMISES, ALTERATIONS AND ADDITIONS, SURRENDER

4.1 Covenant of Quiet Enjoyment. Landlord covenants and agrees that Tenant, upon paying the rent, Operating Costs, and upon observing and keeping the covenants, agreements, and conditions of this Lease on its part to be kept, observed, and performed, shall lawfully and quietly hold, occupy, and enjoy the Premises (subject to the provisions of this Lease) during the Term without hindrance or molestation by Landlord or by any person or persons claiming under Landlord.

4.2 Maintenance. Landlord shall take reasonable efforts to maintain the Building and the Premises in a condition of good repair and good order. Tenant shall notify Landlord regarding any issues with maintenance of the Premises and/or Building. Tenant shall also notify Landlord regarding any issues with other services provided to the Premises and/or Building by Landlord or through Landlord's contractors. Landlord shall be responsible for resolving any building code violations issued on the Building and/or Premises. In the event such building code violations were caused by Tenant, Tenant shall resolve such issues at Tenant's cost or Landlord can perform such repairs subject to reimbursement from Tenant.

4.3 Landlord's Right of Access. Landlord shall have the right of reasonable access to the Premises and/or Building, upon reasonable prior written notice to Tenant, for the purpose of inspecting and making repairs to the Premises and/or Building and for the purposes of monitoring Tenant's compliance with Delegate Agency Grant Agreement. Landlord shall always have access to the Premises and/or Building in the event of maintenance or security emergencies.

4.4 Use of the Premises. Tenant shall not use the Premises in a manner that would violate any law. Tenant further covenants not to do or suffer any waste or damage any portion of the Premises and/or Building, and to comply in all respects with the laws, ordinances, orders, rules, regulations, and requirements of all federal, state, and municipal governmental departments which may be applicable to the Premises or to the use or manner of use of the Premises. Any activities on the Premises must be limited to services provided by Tenant pursuant to the Delegate Agency Grant Agreement. All such activities must be provided consistent with Tenant's not-for-profit purposes and so as to lessen the burdens of government by providing such social care services.

4.5 Alterations and Additions. Tenant may make alterations, additions, and improvements on the Premises. Any such alterations, additions, and improvements shall be in full compliance with the applicable Law, permit requirements, and building codes. In addition, Tenant will comply with all insurance requirements under this Lease including, but not limited to, Section 6.1 (f). Tenant must obtain the prior written consent of the Commissioner of the Department of Fleet and Facility Management before commencing any alterations, additions, and or improvements including, but not limited to, telephone network switch and upgrades. Any additions and improvements shall be without cost to Landlord and shall become property of Landlord at Lease termination without offset or other credit to Tenant. Notwithstanding the foregoing, Landlord shall not have any affirmative obligations to provide any additional services or incur additional costs for code upgrades or code repairs or other improvements to either the Premises or the Building that may be triggered by any of Tenant's alterations, additions, or improvements.

SECTION 5. ASSIGNMENT, SUBLEASE, AND LIENS

5.1 Assignment and Sublease. Tenant shall not assign this Lease in whole or in part, or sublet the Premises or any part thereof.

5.2 Tenant's Covenant against Liens. Tenant shall not cause or permit any lien or encumbrance, whether created by act of Tenant, operation of law or otherwise, to attach to or be placed upon Landlord's title or interest in the Premises or Building. All liens and encumbrances created by Tenant shall attach to Tenant's interest only. In case of any such lien attaching, Tenant shall immediately pay and remove such lien or furnish security or indemnify Landlord in a manner satisfactory to Landlord in its sole discretion to protect Landlord against any defense or expense arising from such lien. Except during any period in which Tenant appeals any judgment or obtains a rehearing of any such lien, or in the event judgment is stayed, Tenant shall immediately pay any judgment rendered against Tenant, with all proper costs and charges, and shall have the lien released and any judgment satisfied. If Tenant fails to pay and remove any lien or contest such lien in accordance herewith, Landlord, at its election, may pay and satisfy same, and all sums so paid by Landlord, with interest from the date of payment at the rate set at 12% per annum.

SECTION 6. INSURANCE AND INDEMNIFICATION

6.1 Insurance. The Tenant shall procure and maintain at all times at Tenant's own expense, during the term of this Lease, the insurance coverages and requirements specified below, insuring all operations related to the lease with insurance companies authorized to do business in the state of Illinois.

The kinds and amounts of insurance required are as follows:

b) Commercial Liability Insurance. (Primary and Umbrella). Commercial Liability Insurance or equivalent with limits of not less than $1,000,000 per occurrence, for bodily injury, personal injury, and property damage liability. Coverage extensions shall include the following: All premises and operations, products/completed operations, defense, separation of insureds, and contractual liability (with no limitation endorsement). The City of Chicago, its employees, elected officials, agents, and representatives are to be named as additional insureds on a primary, non-contributory basis for any liability arising directly or indirectly from the Lease.

c) Professional/ Liability. When any professional consultants perform services in the Premises or in connection with Tenant's use of the Premises, Liability Insurance covering acts, errors or omissions related to such activities must be maintained with limits of not less than $3,000,000. Coverage must include contractual liability. A claims-made policy which is not renewed or replaced must have an extended reporting period of 2 years. Tenant shall provide Landlord with copies of the professional licenses and/or certificates for each of the professional consultants performing services in the Premises or in connection with the Tenant's use of the Premises.

d) Automobile Liability Insurance. (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with work to be performed, the Tenant shall provide Comprehensive Automobile Liability Insurance with limits of not less than $1,000,000 per occurrence, for bodily injury and property damage.

e) All Risk Property Insurance. All risk property insurance coverage shall be maintained by the Tenant for full replacement value to protect against loss, damage to or destruction of property. The policy shall list the City of Chicago as an additional insured and loss payee.

The Tenant shall be responsible for all loss or damage to personal property (including but not limited to materials, equipment, tools and supplies), owned or rented, by the Tenant.

f) All Risk Builders Risk Insurance. The Tenant shall submit evidence on insurance prior to Lease award. The receipt of any certificates does not constitute agreement by the Landlord that the insurance requirements in the Lease have been fully met or that the insurance policies

indicated on the certificate are in compliance with all Lease requirements. The failure of the Landlord to obtain certificates or other insurance evidence from Tenant shall not be deemed to be a waiver by the Landlord. The Tenant shall advise all insurers of the Lease provisions regarding insurance. Non-conforming insurance shall not relieve Tenant of its obligation to provide Insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Lease, and the Landlord retains the right to terminate the Lease until proper evidence of insurance is provided.

The insurance shall provide for 60 days prior written notice to be given to the Landlord in the event coverage is substantially changed, canceled, or non-renewed.

Any and all deductibles or self-insured retentions on referenced insurance coverages shall be borne by Tenant.

The Tenant agrees that its insurers shall waive their rights of subrogation against the Landlord of Chicago its employees, elected officials, agents or representatives.

The Tenant expressly understands and agrees that any coverages and limits furnished by Tenant shall in no way limit the Tenant's liabilities and responsibilities specified within the Lease documents or by law.

The Tenant expressly understands and agrees that any insurance or self-insurance programs maintained by the City of Chicago shall apply in excess of and not contribute with insurance provided by the Tenant under the Lease.

The required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.
The City of Chicago, Department of Finance, Office of Risk Management, maintains the right to modify, delete, alter or change these requirements.

6.3 Tenant's Indemnification. Tenant shall indemnify, defend, and hold Landlord harmless against all liabilities, judgments, amounts paid in settlement, arbitration or mediation awards, costs, damages, and expenses (including reasonable attorney's fees, expenses, and court costs), whether such claim is related to or arises from personal injury or property damage which may be expended by or accrue against, be charged to, or be recovered from Landlord or Tenant by reason of Tenant's performance of or failure to perform any of Tenant's obligations , or Tenant's negligent acts or failure to act under this Lease, or resulting from the acts or failure to act of Tenant's contractors, invitees, agents, or employees or from any liability arising from access to the Premises or the Building by any of Tenant's contractors, invitees, agents, or employees or any third parties seeking services from Tenant under this Lease.

SECTION 7. DAMAGE OR DESTRUCTION

7.1 Damage or Destruction. If the Premises and/or the Building are damaged or destroyed or a casualty to such extent that Tenant cannot continue, occupy or conduct its normal business therein, or if, in Tenant or Landlord's opinion, the Premises and/or Building are

rendered untenantable, either Landlord or Tenant shall have the option to declare this Lease terminated as of the date of such damage or destruction by giving the other party written notice of such exercise. 10.9 Authorization to Execute Lease. The parties executing this Lease hereby represent and warrant that they are duly authorized and acting representatives of Landlord and Tenant respectively and that by their execution of this Lease, it became the binding obligation of Landlord and Tenant respectively, subject to no contingencies or conditions except as specifically provided herein.

10.10 Termination of Lease. Landlord and Tenant shall have the right to terminate this Lease for any reason by providing each other with ninety (90) days prior written notice at any time after the Commencement Date. In addition, this Lease shall automatically terminate in the event that the Landlord is unable to appropriate funding for Tenant as required under the Delegate Agency Grant Agreement. In the event of such non-appropriation, this Lease shall terminate on the earlier of the last day of the fiscal period for which sufficient appropriation was made or whenever the funds appropriated for payment under the Delegate Agency Grant Agreement are exhausted.

10.11 Force Majeure. When a period of time is provided in this Lease for either party to do or perform any act or thing, the party shall not be liable or responsible for any delays due to strikes, lockouts, casualties, acts of God, wars, governmental regulation or control, and other causes beyond the reasonable control of the party, and in any such event the time period shall be extended for the amount of time the party is so delayed.

10.12 Tenant Default. Tenant must adhere to all provisions of this Lease. Failure of Tenant to adhere to all provisions of this Lease will result in default. In the event of such default, Landlord will notify Tenant in writing as to the circumstances giving rise to such default. Upon written receipt of such notice, Tenant must cure such default within thirty (30) days. If Tenant does not cure such default within thirty (30) days, Landlord may cancel this Lease with thirty (30) days written notice. A default under the Delegate Agency Grant Agreement (after lapse of any notice and cure period provided for thereunder) shall also constitute an immediate default under this Lease (with no additional notice or cure period).

10.13 No Brokers. Tenant warrants to Landlord that no broker or finder (a) introduced Tenant to the Premises, (b) assisted Tenant in the negotiation of this Lease, or (c) dealt with Tenant on Tenant's behalf in connection with the Premises or this Lease. Landlord warrants to Tenant that no broker or finder (a) introduced Landlord to Tenant, (b) assisted Landlord in the negotiation of this Lease, or (c) dealt with Landlord on Landlord's behalf in connection with the Premises or this Lease. Any and all payments due from Tenant to Landlord under this Lease shall be paid directly to Landlord.

10.14 Amendments. From time to time, the parties hereto may administratively amend this Lease with respect to any provisions reasonably related to Tenant's use of the Premises and/or Landlord's administration of this Lease, including, but not limited to, leasehold expansion or reduction within the Building and space remeasurement. Provided, however, that such Amendment(s) shall not serve to extend the Term hereof nor serve to otherwise materially alter the essential provisions contained herein. Such Amendment(s) shall be in writing, shall establish the factual background necessitating such alteration, shall set forth the terms and conditions of such modification, and shall be duly executed by both Landlord and Tenant. Such Amendment(s)

shall only take effect upon execution by both parties. Upon execution, such Amendment(s) shall become a part of this Lease and all other provisions of this Lease shall otherwise remain in full force and effect.

10.15 Compliance with Delegate Agency Grant Agreement. Tenant shall at all times be in compliance with the Delegate Agency Grant Agreement or any agreements entered into between Tenant and Landlord's Department of Family and Support Services relative to the Premises and/or Building.

10.16 Access to Parking Lot. Tenant, its agents, employees, licensees, contractors, clients, and invitees shall have non-exclusive access to the rear parking lot of the Building on a first-come first-served basis. Such use of the rear parking lot shall be subject to all rules in place, or hereinafter in place, governing the access to the rear parking lot. Tenant acknowledges that Landlord may from time to time lease parts of the parking lot to other parties. Landlord and Tenant acknowledge that in fulfilling Landlord and Tenant's public benefit mission, the parking lot is provided primarily for the benefit of Landlord's clients and Tenant's clients and not as staff parking.

10.17 Existing Furniture. Tenant may use any furniture belonging to Landlord and located within the Premises that is not removed by Landlord by the Commencement Date.

10.18 No Other Rights. The execution of this Lease does not give Tenant any other right with respect to the Premises and/or Building. Any rights not expressly granted to Tenant through this Lease are reserved exclusively to Landlord. Unless otherwise specified in this Lease, execution of this Lease does not obligate Landlord to undertake any additional duties or services.

10.19 Municipal Marketing Efforts. The City shall have the right to install digital advertising sign on the adjoining parking lot or on the Building as part of the City's municipal marketing efforts, subject to the separate approval of City Council.

10.20 No Construction against Preparer. This Lease shall not be interpreted in favor of either the Landlord or Tenant. Landlord and Tenant acknowledge that both parties participated fully in the mutual drafting of this Lease.

SECTION 11. RESPONSIBILITIES OF TENANT

11.1 Tenant Inspection. Tenant has inspected the Premises, Building, and all related areas and grounds. Tenant is satisfied with the physical condition thereof. Tenant accepts the Premises and the Building in "as-is" condition.

11.2 Custodial Services. Tenant shall be responsible for providing custodial services to the Premises. Custodial services shall include, but shall not be limited to, cleaning, washing, emptying wastepaper baskets, and sweeping. At a later date, Tenant may opt into Landlord's custodial service. In such event, custodial services shall be included as reimbursable Operating Costs.

11.3 Access to Public Shelter Space. Tenant shall have access to the approximately 2,430 square feet public shelter space (the "Shelter") located on the 1st floor of the Building as identified on **Exhibit C**. The Shelter shall be used by clients of the Landlord's Department of Family and Support Services, by Tenant's clients, and by members of the general public. Tenant shall not be required to pay Operating Costs for the space allocable to the Shelter. The Shelter space shall, however, be subject to all of the other terms and conditions of this Lease.

11.4 General Condition. Tenant shall keep the Premises in a sanitary condition, free of insects, rodents, vermin, and other pests. Tenant shall be responsible for payment of any extermination services that may be required to resolve any issues that may arise from Tenant's failure to maintain the Premises in a sanitary condition, free of insects, rodents, vermin, and other pests.

11.5 Use of Phone Lines and Data Lines. Where possible, Tenant shall use Landlord's existing phone and data lines for Tenant's phone and data lines. If Tenant requires additional or new phone or data lines, Tenant shall pay for all costs required for such additional or new phone or data lines. Tenant shall also be responsible for removal or relocation of any City phone or data lines that may be required for installation of Tenant's equipment. In the event that that Tenant uses the City's phone lines or data lines, Landlord's cost for such phone lines shall be included as a fully reimbursable Operating Cost per Section 3.3 of this Lease.

11.6 Security. Landlord shall provide security for the Building and the Premises. Tenant shall secure Tenant's property located within the Premises. Landlord's security costs shall be included as reimbursable Operating Costs. Tenant shall abide by any security rules that may apply to the Building and/or the Premises.

11.7 Security Procedures. Landlord shall provide Tenant with a key and, if applicable, a security code, for Tenant's access to the Building entrance and the Premises. If Tenant desires to access the Premises or Building before the Building opens or after it closes, it shall be the Tenant's responsibility to open and close the Building and Premises.

11.8 Repairs for Tenant Negligence, Vandalism, or Misuse. Tenant shall assume responsibility for any repairs to the Premises and/or Building necessitated by the negligence, vandalism, or misuse of the Premises and/or Building or equipment therein by Tenant's employees, invitees, agents, clients, or contractors.

11.9 Fire Extinguishers. Landlord shall provide and maintain fire extinguishers as may be required by applicable code in the Building and the Premises at all times.

11.10 Signage. Tenant may place exterior and interior signage on the Premises and/or Building. Such signage and placement must be approved in writing by the Commissioner of the Department of Fleet and Facility Management.

11.11 Hazardous Materials. Tenant shall keep out of the Premises materials which cause a fire hazard or safety hazard. Tenant shall not store any hazardous materials within the Premises

and/or Building. Tenant shall dispose of all medical wastes, if any, at Tenant's cost and in accordance with any applicable laws.

11.12 Illegal Activity. Tenant, or any of its agents or employees, shall not perform or permit any practice that is injurious to the Premises or Building, is illegal, or increases the rate of insurance on the Premises and/or Building.

11.13 No Alcohol or Illegal Drugs. Tenant agrees that no alcoholic beverages or illegal drugs of any kind or nature shall be sold, given away, or consumed on the Premises or Building by Tenant's staff, contractors, agents, invitees, or clients.

11.14 Licensing and Permits. For any activity which Tenant desires to conduct on the Premises in which a license or permit is required, said license or permit must be obtained by Tenant prior to using the Premises for such activity. The Department of Family and Support Services and the Department of Fleet and Facility Management must be notified of any such license or permit. Failure to obtain and maintain a required license or permit shall constitute a breach of the terms of this Lease.

11.15 Full Liability. Tenant assumes full legal and financial responsibility and liability for any use of the Premises by Tenant, Tenant's staff, Tenant's agents, Tenant's invitees, and clients entering the Premises to receive services from Tenant.

11.16 Non-Discrimination. Tenant agrees that Tenant shall not discriminate on the basis of race, color, sex, age, religion, disability, national origin, sexual orientation, marital status, parental status, military discharge status, immigration status, or source of income with respect to services provided by Tenant on the Premises. Tenant shall not use the Premises for any religious purposes.

11.17 Building Rules. Tenant shall comply with all reasonable rules and regulations in place on the Commencement Date or thereafter promulgated in writing by Landlord for the Building including, but not limited to, any parking lot rules and regulations.

11.18 Economic Disclosure Statement and Affidavit ("EDS") Updates. Throughout the Lease Term and during any holding over periods, Tenant shall provide Landlord with any material updates to the information previously submitted in Tenant's Economic Disclosure Statement and Affidavit ("EDS"). Landlord may also request such updates from time to time. Failure to provide such information on a timely basis shall constitute a default under this Lease.

11.19 Trade Fixtures. Tenant shall maintain Tenant's equipment and trade fixtures in the Premises in good condition. Upon the termination or cancellation of this Lease, Tenant shall remove Tenant's personal property and equipment and shall repair any injury or damage to the Premises and/or Building resulting from such removal. If Tenant does not remove Tenant's furniture, machinery, trade fixtures and all other items of personal property, Landlord may, at its option, remove the same and deliver them to any other place of business of Tenant or warehouse the same. Tenant shall pay the cost of such removal, including the repair for such removal, delivery and warehousing, to Landlord on demand, or Landlord may treat such property as being

conveyed to Landlord with this Lease serving as a bill of sale, without further payment or credit by Landlord to Tenant.

11.20 Condition on Surrender. Upon the termination or cancellation of this Lease, Tenant shall surrender the Premises to Landlord in a comparable or better condition to the condition of the Premises at the beginning of Tenant's occupancy, with normal wear and tear excepted.

SECTION 12. TENANT DISCLOSURES AND REPRESENTATIONS

12.1 Business Relationships. Tenant acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (B) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (C) notwithstanding anything to the contrary contained in this Lease, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Lease shall be grounds for termination of this Lease and the transactions contemplated hereby. Tenant hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Lease or the transactions contemplated hereby.

12.2 Patriot Act Certification. Tenant represents and warrants that neither Tenant nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment, the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to Tenant that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Tenant, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

12.3 Prohibition on Certain Contributions-Mayoral Executive Order No. 2011-4. Tenant agrees that Tenant, any person or entity who directly or indirectly has an ownership or beneficial interest in Tenant of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Tenant's contractors (i.e., any person or entity in direct contractual privity with

Tenant regarding the subject matter of this Lease) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Tenant and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (i) after execution of this Lease by Tenant, (ii) while this Lease or any Other Contract is executory, (iii) during the term of this Lease or any Other Contract between Tenant and the City, or (iv) during any period while an extension of this Lease or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

Tenant represents and warrants that from the date the City approached the Tenant or the date Tenant approached the City, as applicable, regarding the formulation of this Lease, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Tenant agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Tenant agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Notwithstanding anything to the contrary contained herein, Tenant agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Lease, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Lease, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Tenant intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the execution of this Lease, the City may elect to decline to close the transaction contemplated by this Lease.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source which are then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Tenant is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago;

(ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

(A) they are each other's sole domestic partner, responsible for each other's common welfare; and
(B) neither party is married; and
(C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
(D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
(E) two of the following four conditions exist for the partners:
    1. The partners have been residing together for at least 12 months.
    2. The partners have common or joint ownership of a residence.
    3. The partners have at least two of the following arrangements:
        a. joint ownership of a motor vehicle;
        b. a joint credit account;
        c. a joint checking account;
        d. a lease for a residence identifying both domestic partners as tenants.
    4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

12.4 Waste Ordinance Provisions. In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Tenant warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Lease is executory, Tenant's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Lease, constitutes a breach of and an event of default under this Lease, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the Lease, at law or in equity. This section does not limit Tenant's, general contractor's and its subcontractor's duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Lease. Non-

compliance with these terms and conditions may be used by the City as grounds for the termination of this Lease, and may further affect the Tenant's eligibility for future contract awards.

12.5 Failure to Maintain Eligibility to do Business with City. Failure by Tenant or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this Lease and the transactions contemplated thereby. Tenant shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

12.6 Cooperation with Inspector General and Legislative Inspector General. In accordance with Chapter 2-26-110 et seq. of the Municipal Code, the Tenant acknowledges that every officer, employee, department and agency of the City shall be obligated to cooperate with the Office of the Inspector General and Office of the Legislative Inspector General in connection with any activities undertaken by such office with respect to this Lease, including, without limitation, making available to the Office of the Inspector General and the Office of the Legislative Inspector General the department's premises, equipment, personnel, books, records and papers. The Tenant agrees to abide by the provisions of Chapter 2-26-110 et seq.

12.7 *Shakman* Prohibitions.

(i) The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and the August 16, 2007 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Tenant is aware that City policy prohibits City employees from directing any directing any individual to apply for a position with Tenant, either as an employee or as a subcontractor, and from directing Tenant to hire an individual as an employee or as a subcontractor. Accordingly, Tenant must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Tenant under this Lease are employees or subcontractors of Tenant, not employees of the City of Chicago. This Lease is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Tenant.

(iii) Tenant will not condition, base, or knowingly prejudice or affect any term or term or aspect to the employment of any personnel provided under this Lease, or offer employment to any individual to provide services under this Lease, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Lease, a political

organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iii) In the event of any communication to Tenant by a City employee or City official in violation of Section 9.9(c)(ii) above, or advocating a violation of Section 9.9(c)(iii) above, Tenant will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant City Department utilizing services provided under this Lease. Tenant will also cooperate with any inquiries by IGO Hiring Oversight or the *Shakman* Monitor's Office related to the contract.

4.1 Covenant of Quiet Enjoyment. Landlord covenants and agrees that Tenant, upon paying the rent and upon observing and keeping the covenants, agreements and conditions of this Lease on its part to be kept, observed and performed, shall lawfully enjoy the Premises (subject to the provisions of this Lease) during the Term without hindrance or molestation by Landlord.

The kinds and amounts of insurance required are as follows:

a) Workers Compensation and Employers Liability Insurance. Workers Compensation and Employers Liability Insurance, in accordance with the laws of the State of Illinois, or any other applicable jurisdiction, covering all employees and Employer's Liability coverage with limits of not less than $100,000 each accident or illness.

b) Commercial Liability Insurance. (Primary and Umbrella). Commercial Liability Insurance or equivalent with limits of not less than $1,000,000 per occurrence, for bodily injury, personal injury, and property damage liability. Coverage extensions shall include the following: All premises and operations, products/completed operations, defense, separation of insureds, and contractual liability (with no limitation endorsement). The City of Chicago, its employees, elected officials, agents, and representatives are to be named as additional insureds on a primary, non contributory basis for any liability arising directly or indirectly from the Lease.

c) Automobile Liability Insurance. (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with work to be performed, the Tenant shall provide Comprehensive Automobile Liability Insurance with limits of not less than $1,000,000 per occurrence, for bodily injury and property damage.

The Tenant shall be responsible for all loss or damage to personal property (including but not limited to materials, equipment, tools and supplies), owned or rented, by the Tenant.

6.2 Other Terms of Insurance. The Tenant will furnish the City of Chicago, Department of Fleet and Facility Management, Office of Real Estate Management, 30 North LaSalle Street, Suite 300, Chicago, Illinois 60602, original Certificates of Insurance evidencing the required coverage to be in force on the date of this Lease, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the Term of this Lease. The Tenant shall submit evidence of insurance prior to Lease award. The receipt of any certificates does not constitute agreement by the City that the insurance requirements in the Lease have been fully met or that the insurance polices indicated on the certificate are in compliance with all Lease requirements. The failure of the City to obtain certificates or other insurance evidence from Tenant shall not be deemed to be a waiver by the City. The Tenant shall advise all insurers of the Lease provisions regarding insurance. Non-conforming insurance shall not relieve Tenant of its obligation to provide Insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Lease, and the City retains the right to terminate the Lease until proper evidence of insurance is provided.

The insurance shall provide for 60 days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

Any and all deductibles or self insured retentions on referenced insurance coverages shall be borne by Tenant.

The Tenant agrees that insurers shall waive their rights of subrogation against the City of Chicago its employees, elected officials, agents or representatives.

The Tenant expressly understands and agrees that any coverages and limits furnished by Tenant shall in no way limit the Tenant's liabilities and responsibilities specified within the Lease documents or by law.

The Tenant expressly understands and agrees that any insurance or self insurance programs maintained by the City of Chicago shall apply in excess of and not contribute with insurance provided by the Tenant under this Lease.

The required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

The City of Chicago, Department of Finance, Office of Risk Management, maintains the right to reasonably modify, delete, alter or change these requirements.

6.3 Tenant's Indemnification. Tenant shall indemnify, defend, and hold Landlord harmless against all liabilities, judgments, amounts paid in settlement, arbitration or mediation awards, costs, damages, and expenses (including reasonable attorney's fees, expenses, and court costs), and loss or damage to personal property as set forth in Section 6.1(c) herein, whether such claim is related to or arises from personal injury, property damage, or property loss which may be expended by or accrue against, be charged to, or be recovered from Landlord or Tenant by reason of Tenant's performance of or failure to perform any of Tenant's obligations under this Lease, or Tenant's negligent acts or failure to act, or resulting from the acts or failure to act of Tenant's or any of Tenant's contractors, respective officers, directors, agents, employees, licensees or invitees. Tenant shall indemnify, defend and hold Landlord harmless against any and all claims, including but not limited to, claims that may arise under the Metered Parking Concessions Agreement entered into between Landlord and Chicago Parking Meters, L.L.C., and Claims that may arise in relation to the use of the Premises by the general public.

SECTION 7. DAMAGE OR DESTRUCTION

7.1 Damage or Destruction. If the Premises are damaged, destroyed, or sustain a casualty to such extent that Tenant cannot continue, occupy or conduct its normal business therein, or if, in Landlord's opinion or Tenant's opinion, the Premises are rendered unusable, either Landlord or Tenant shall have the option to declare this Lease terminated as of the date of such damage or destruction by giving the other party five (5) days written notice to such effect.

SECTION 8. CONFLICT OF INTEREST AND GOVERNMENTAL ETHICS

8.1 Conflict of Interest. No official or employee of the City of Chicago, nor any member of any board, commission or agency of the City of Chicago, shall have any financial

interest (as defined in Chapter 2-156 of the Municipal Code), either direct or indirect, in the Premises; nor shall any such official, employee, or member participate in making or in any way attempt to use his or her position to influence any City governmental decision or action with respect to this Lease.

8.2 Duty to Comply with Governmental Ethics Ordinance. Landlord and Tenant shall comply with Chapter 2-156 of the Municipal Code of Chicago, "Governmental Ethics," including but not limited to section 2-156-120, which states that no payment, gratuity, or offer of employment shall be made in connection with any City of Chicago contract, as an inducement for the award of that contract or order. Any contract or lease negotiated, entered into, or performed in violation of any of the provisions of Chapter 2-156 shall be voidable as to the City of Chicago.

SECTION 9. HOLDING OVER

9.1 Holding Over. Any holding over by Tenant shall be construed to be a tenancy from month to month only beginning January 1, 2016 and the rent shall be at the same rate as set forth in Section 3.1 of this Lease. During such holding over all provisions of this Lease shall remain in full force and effect.

SECTION 10. MISCELLANEOUS

10.2 Partial Invalidity. If any covenant, condition, provision, term or agreement of this Lease shall, to any extent, be held invalid or unenforceable, the remaining covenants, conditions, provisions, terms and agreements of this Lease shall not be affected thereby, but each covenant, condition, provision, term or agreement of this Lease shall be valid and in force to the fullest extent permitted by law.

10.3 Governing Law. This Lease shall be construed and be enforceable in accordance with the laws of the State of Illinois.

10.4 Entire Agreement. All preliminary and contemporaneous negotiations are merged into and incorporated in this Lease. This Lease contains the entire agreement between the parties and shall not be modified or amended in any manner except by an instrument in writing executed by the parties hereto.

10.5 Captions and Section Numbers. The captions and section numbers appearing in this Lease are inserted only as a matter of convenience and in no way define, limit, construe or describe the scope or intent of such sections of this Lease nor in any way affect this Lease.

10.6 Binding Effect of Lease. The covenants, agreements, and obligations contained in this Lease shall extend to, bind, and inure to the benefit of the parties hereto and their legal representatives, heirs, successors, and assigns.

10.7 Time is of the Essence. Time is of the essence of this Lease and of each and every provision hereof.

10.8 No Principal/Agent or Partnership Relationship. Nothing contained in this Lease shall be deemed or construed by the parties hereto nor by any third party as creating the relationship of principal and agent or of partnership or of joint venture between the parties hereto.

10.9 Authorization to Execute Lease. The parties executing this Lease hereby represent and warrant that they are duly authorized and acting representatives of Landlord and Tenant respectively and that by their execution of this Lease, it became the binding obligation of Landlord and Tenant respectively, subject to no contingencies or conditions except as specifically provided herein.

10.10 Termination of Lease. Landlord and Tenant shall have the right to terminate this Lease for any reason without penalty by providing each other with 30 days prior written notice at any time after the Commencement Date.

10.11 Force Majeure. When a period of time is provided in this Lease for either party to do or perform any act or thing, the party shall not be liable or responsible for any delays due to strikes, lockouts, casualties, acts of God, wars, governmental regulation or control, and other causes beyond the reasonable control of the party, and in any such event the time period shall be extended for the amount of time the party is so delayed.

10.12 Amendments. From time to time, the parties hereto may administratively amend this Lease with respect to any provisions reasonably related to Tenant's use of the Premises and/or Landlord's administration of this Lease. Provided, however, that such Amendment(s) shall not serve to extend the Lease Term hereof nor serve to otherwise materially alter the essential provisions contained herein. Such Amendment(s) shall be in writing, shall establish the factual background necessitating such alteration, shall set forth the terms and conditions of such modification, and shall be duly executed by both Landlord and Tenant. Such Amendment(s) shall only take effect upon execution by both parties. Upon execution, such Amendment(s) shall become a part of this Lease and all other provisions of this Lease shall otherwise remain in full force and effect.

10.13 No Other Rights. This Lease does not give the Tenant any other right with respect to the Premises, including, but no limited to, closure of streets, sidewalks, or other public thoroughfares. Any rights not specifically granted to Tenant by and through this document are reserved exclusively to Landlord. Execution of this Lease does not obligate the City in any manner and the City shall not undertake any additional duties or services including, but not limited to, custodial services, maintenance, security, or snow removal.

10.14 Prior Leases. Landlord and Tenant acknowledge and agree that the Tenant has leased and occupied the Premises under prior Lease No. 20118 dated October 7, 1997 and Prior Lease No. 20118 dated February 18, 2010. Landlord reserves the right to enforce any and all of Tenant's prior obligations pursuant to these prior agreements. Tenant acknowledges and agrees that it has no claims against Landlord under such prior Leases as of the date hereof, and Landlord acknowledges and agrees that it has no claims against Landlord under such prior Leases as of the date hereof.

10.15 No Conflict with Metered Parking Concessions Agreement. No provisions of this Lease shall conflict with the Metered Parking Concessions Agreement entered into between Landlord and Chicago Parking Meters, L.L.C.

10.16 Municipal Marketing Efforts. The City shall have the right to install a digital advertising sign on the Premises as part of the City's municipal marketing efforts, subject to the separate approval of City Council.

10.17 Lease Construction. This Lease has been prepared by Landlord and reviewed and approved by Tenant. This Lease shall not be interpreted against either Landlord or Tenant because of the parties' mutual efforts to finalize this Lease.

SECTION 11. ADDITIONAL RESPONSIBILITIES OF TENANT

11.1 Snow Removal. Tenant shall provide and pay for prompt snow removal of snow and ice from the Premises and sidewalks that immediately abut the Premises. Tenant acknowledges that Landlord shall not have any responsibilities relative to snow or ice removal on the Premises and/or the sidewalks that immediately abut the Premises.

11.5 Satisfaction with Condition. Tenant agrees that Tenant has inspected the Premises and all related areas and grounds and that Tenant is satisfied with the physical condition thereof and accepts the Premises in its "As-Is" condition.

11.6 Illegal Activity. Tenant, or any of its agents or employees, shall not perform or permit any practice that is injurious to the Premises, is illegal, or increases the rate of insurance on the Premises.

11.7 Hazardous Materials. Tenant shall keep out and off of the Premises materials which cause a fire hazard or safety hazard and shall comply with reasonable requirements of Landlord's fire insurance carrier. Tenant shall not destroy, deface, damage, impair, nor remove any part of the Premises or facilities, equipment or appurtenances thereto.

11.8 No Religious or Political Use. Tenant shall not allow the Premises to be used for any religious or political purposes.

11.9 No Fees. Tenant shall not charge a fee to any staff, or other invitee for use of, or access to, the Premises.

11.10 Required Permits. For any activity which Tenant desires to conduct on the Premises in which a license or permit is required, said license or permit must be obtained by Tenant prior to using the Premises for such activity. The Landlord's Department of Fleet and Facility Management must be notified of any such license or permit. Failure to obtain a required license or permit shall constitute a breach of the terms of this Lease. Tenant acknowledges that this Lease shall not act as a substitute for any permit that may be required.

11.11 Non-Discrimination. Tenant agrees that Tenant shall (a) not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the use or occupancy of the Premises or any part thereof, and (b) not use the Premises for any religious or political activities.

11.12 Repairs for Tenant Negligence, Vandalism, or Misuse. Tenant may perform such repairs with service providers suitable to Landlord and at Tenant's sole cost without further setoff or deduction from Landlord. In the event Tenant is unwilling or unable to perform said repairs, Landlord may perform such repairs subject to full reimbursement to Landlord by Tenant of all costs required for such repairs including, but not limited to, labor and material associated with such repairs.

11.13 No Other Rights. This Lease does not give Tenant any other right with respect to the Premises. Any rights not specifically granted to Tenant by and through this Lease are reserved exclusively to Landlord. Execution of this Lease does not obligate Landlord in any manner not specified in this Lease and Landlord shall not undertake any additional duties or services.

11.14 Security. Tenant shall be responsible for securing all vehicles placed on the Premises. Landlord shall have no security responsibilities or liability for any stolen vehicles, vandalized vehicles, vehicles damaged by wind, hail or other natural elements, stolen personal property, or any accidents on the Premises arising from the use of the Premises by any party.

11.15 Full Liability. Tenant assumes full legal and financial responsibility and liability for any and all use of the Premises by Tenant, Tenant's staff, Tenant's agents, or Tenant's invitees, or any third parties entering the Premises.

11.16 Economic Disclosure Statement and Affidavit ("EDS") Updates. Throughout the Lease Term, Tenant shall provide Landlord with any material updates to the information previously submitted in Tenant's Economic Disclosure Statement and Affidavit ("EDS"). Landlord may also request such updates from time to time. Failure to provide such information on a timely basis shall constitute a default under this Lease.

SECTION 12. TENANT DISCLOSURES AND REPRESENTATIONS

12.1 Business Relationships. Tenant acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (B) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City

Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (C) notwithstanding anything to the contrary contained in this Lease, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Lease shall be grounds for termination of this Lease and the transactions contemplated hereby. Tenant hereby represents and warrants that to the best of its knowledge no violation of Section 2-156-030 (b) has occurred with respect to this Lease or the transactions contemplated hereby.

12.2 Patriot Act Certification. Tenant represents and warrants that neither Tenant nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment, the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to Tenant that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Tenant, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

12.3 Prohibition on Certain Contributions-Mayoral Executive Order No. 2011-4. Tenant agrees that Tenant, any person or entity who directly or indirectly has an ownership or beneficial interest in Tenant of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Tenant's contractors (i.e., any person or entity in direct contractual privity with Tenant regarding the subject matter of this Lease) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Tenant and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (i) after execution of this Lease by Tenant, (ii) while this Lease or any Other Contract is executory, (iii) during the Term of this Lease or any Other Contract between Tenant and the City, or (iv) during any period while an extension of this Lease or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

Tenant represents and warrants that from the date the City approached the Tenant or the date Tenant approached the City, as applicable, regarding the formulation of this Lease, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Tenant agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Tenant agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4_or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Notwithstanding anything to the contrary contained herein, Tenant agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Lease, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Lease, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Tenant intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the execution of this Lease, the City may elect to decline to close the transaction contemplated by this Lease or to suspend the transaction after execution.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source which are then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Tenant is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

(A) they are each other's sole domestic partner, responsible for each other's common welfare; and
(B) neither party is married; and
(C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

(E) two of the following four conditions exist for the partners:

1. The partners have been residing together for at least 12 months.
2. The partners have common or joint ownership of a residence.
3. The partners have at least two of the following arrangements:
   a. joint ownership of a motor vehicle;
   b. a joint credit account;
   c. a joint checking account;
   d. a lease for a residence identifying both domestic partners as tenants.
4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

12.4 Waste Ordinance Provisions. In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Tenant warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Lease is executory, Tenant's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Lease, constitutes a breach of and an event of default under this Lease, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the Lease, at law or in equity. This section does not limit Tenant's, general contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Lease. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Lease, and may further affect the Tenant's eligibility for future contract awards.

12.5 Failure to Maintain Eligibility to do Business with City. Failure by Tenant or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this Lease and the transactions contemplated thereby. Tenant shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

12.6 Cooperation with Inspector General and Legislative Inspector General. In accordance with Chapter 2-26-110 et seq. of the Municipal Code, the Tenant acknowledges that every officer, employee, department and agency of the City shall be obligated to cooperate with

the Office of the Inspector General and the Office of the Legislative Inspector General in connection with any activities undertaken by such office with respect to this Lease, including, without limitation, making available to the Office of the Inspector General and the Office of the Legislative Inspector General the department's premises, equipment, personnel, books, records and papers. The Tenant agrees to abide by the provisions of Chapter 2-26-110 et seq.

12.7 *Shakman* Prohibitions.

(i) The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and the August 16, 2007 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Tenant is aware that City policy prohibits City employees from directing any individual to apply for a position with Tenant, either as an employee or as a subcontractor, and from directing Tenant to hire an individual as an employee or as a subcontractor. Accordingly, Tenant must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Tenant under this Lease are employees or subcontractors of Tenant, not employees of the City of Chicago. This Lease is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Tenant.

(iii) Tenant will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Lease, or offer employment to any individual to provide services under this Lease, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Lease, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to Tenant by a City employee or City official in violation of Section 12.7, or advocating a violation of Section 12.7 above, Tenant will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant City Department utilizing services provided under this Lease. Tenant will also cooperate with any inquiries by IGO Hiring Oversight or the *Shakman* Monitor's Office related to the contract.

LEASE

THIS LEASE (the "Lease") is made and entered into this ____ day of _____2013, by and between **THE CITY OF CHICAGO,** a municipal corporation and home rule unit of government (herein referred to as "**Landlord**"), and **NORTH PARK VILLAGE GARDEN CLUB,** an Illinois not-for-profit corporation (hereinafter referred to as "**Tenant**").

RECITALS

WHEREAS, Landlord is the owner of the premises more commonly known as 5801 North Pulaski Road ("North Park Village"), Chicago, Cook County, Illinois; and

NOW THEREFORE, in consideration of the covenants, terms and conditions set forth herein, the parties hereto agree and covenant as follows:

SECTION 1. GRANT

1.1 Grant. Landlord hereby leases to Tenant, and Tenant leases from Landlord, the following described premises situated in the City of Chicago, County of Cook, State of Illinois, to wit:

> Approximately one (1) acre (43,560 square feet) of vacant land located at 5801 North Pulaski Road (part of PIN # 13-02-300-004 - the "Premises").

SECTION 2. TERM

2.1 Term. The term of this Lease ("Term") shall commence on the date of execution ("Commencement Date") and shall terminate on December 31, 2017, unless sooner terminated as set forth in this Lease.

SECTION 3. RENT, OPERATING COSTS, TAXES, AND UTILITIES

3.1 Rent. Tenant shall pay rent ("Rent") for the use of the Premises in the amount of:

> One Dollar ($1.00) for the entire Term with the receipt and sufficiency of said sum being herewith acknowledged by both parties.

3.2 Operating Costs. As operating costs("Operating Costs") , and not as Rent, Tenant shall pay to Landlord an annual sum equal to $10.00 per member of the North Park Village Garden Club that uses the Premises for gardening. Provided, however, that any members that are

residents of North Park Village or any members that are sixty-five (65) years of age or older on January 1st of each calendar year shall not be included in such fee assessment. Operating costs are due and payable no later than June 30th of each year. On or before each May 31st of each year Tenant shall advise Landlord as to Tenant's membership. Landlord reserves the right to include water costs as additional operating expenses at a future date.

Operating Costs shall be paid to Landlord at the Department of Finance, Warrants for Collection, City Hall, 121 North LaSalle Street, Room 107, Chicago, Illinois 60602, or at such place as Landlord may from time to time designate in writing to Tenant.

3.3 Utilities. Tenant shall pay when due all charges, if any, for gas, electricity, light, heat, power and telephone or other communication service, and all other utility services used in or supplied to the Premises for Tenant's use.

3.4 Taxes. Tenant acknowledges that Premises are exempt from leasehold, real estate, and other property taxes. Tenant shall pay when due any leasehold, real estate, and other property taxes assessed or levied on the subject Premises where attributable to Tenant's use of the Premises. Tenant shall pay such amounts and Tenant shall provide Landlord with proof of such payment within ten (10) days of such payment. Tenant's failure to pay any such taxes shall constitute a default under this Lease. Notwithstanding the foregoing, nothing herein shall preclude Tenant from contesting any charge or tax levied against the subject Premises. The failure of Tenant to pay such taxes during the pendency of the contest shall not constitute a default under this Lease. Tenant's tax responsibilities under this section shall survive the expiration, cancellation, or termination of this Lease.

3.5 Accord and Satisfaction. No payment by Tenant or receipt by Landlord of a lesser amount than any installment or payment of the Rent or Operating Costs due hereunder shall be deemed to be other than on account of the amount due, and no endorsement of statement or any check or any letter accompanying any check or payment of Rent shall be deemed an accord and satisfaction. Landlord may accept such check or payment without prejudice as to Landlord's right to recover the balance of such installment or payment to pursue any other remedies available to Landlord.

SECTION 4. ENJOYMENT OF PREMISES, ALTERATIONS AND ADDITIONS, SURRENDER

4.1 Covenant of Quiet Enjoyment. Landlord covenants and agrees that Tenant, upon paying the Operating Costs and upon observing and keeping all of the covenants, agreements and conditions of this Lease on its part to be kept, observed and performed, shall lawfully and quietly hold, occupy and enjoy the Premises (subject to the provisions of this Lease) during the Term without hindrance or molestation by Landlord or by any person or persons claiming under Landlord.

4.2 Landlord's Right of Access. Landlord shall have an unequivocal and unfettered right to access the Premises at all times.

4.3 Tenant's Duty to Maintain Premises and Right of Access. Tenant shall, at Tenant's expense and without reimbursement from Landlord, keep the Premises in a condition of thorough repair and good order as determined by Landlord, and in compliance with all applicable provisions of the Municipal Code of Chicago, including, but not limited to, the Landscape Ordinance of the City of Chicago. If Tenant shall refuse or neglect to make requested repairs within thirty (30) days after written notice thereof sent by Landlord, unless such repair cannot be remedied by thirty (30) days, and Tenant shall have commenced and is diligently pursuing all necessary action to remedy such repair, Landlord is authorized to make such repairs and Tenant will promptly and within fifteen (15) business days of demand reimburse Landlord for the reasonable cost thereof. Landlord shall have the right of access to the Premises for the purpose of inspecting and making repairs to the Premises.

4.4 Use of the Premises. Tenant shall not use the Premises in a manner that would violate any Law. Tenant further covenants not to do or suffer any waste or damage, comply in all respects with the laws, ordinances, orders, rules, regulations, and requirements of all federal, state and municipal governmental departments which may be applicable to the Premises or to the use or manner of use of the Premises, disfigurement or injury to any building or improvement on the Premises, or to fixtures and equipment thereof. Any activities on the Premises must be limited to the use as a non-profit garden by members of Tenant's organization. The promotion and operation of a garden does not include direct or indirect participation or intervention in political campaigns on behalf of or in opposition to any candidate for public office. Tenant further covenants that the Premises shall not be used for any religious purposes.

4.5 Alterations and Additions. Tenant may only make alterations, additions and improvements on the Premises upon the prior written consent of the Commissioner of the Department of Fleet and Facility Management. Any such alterations, additions and improvements shall be materially related to the operation of a garden, cannot include any permanent structures, and must be in full compliance with any applicable Laws and permits that may be required.

4.6 Future Use Restrictions. Tenant's use and enjoyment of the Premises shall be subject to any of Landlord's rules, responsibilities, restrictions, or any other use directives reasonably related to Tenant's use of the Premises or which may hereinafter be promulgated by Landlord at Landlord's sole and exclusive discretion.

SECTION 5. ASSIGNMENT, SUBLEASE, AND LIENS

5.1 Assignment and Sublease. Tenant shall not assign this Lease in whole or in part, or sublet the Premises or any part thereof.

5.2 Tenant's Covenant against Liens. Tenant shall not cause or permit any lien or encumbrance, whether created by act of Tenant, operation of law or otherwise, to attach to or be placed upon Landlord's title or interest in the Premises. All liens and encumbrances created by Tenant shall attach to Tenant's interest only. In case of any such lien attaching, Tenant shall immediately pay and remove such lien or furnish security or indemnify Landlord in a manner satisfactory to Landlord in its sole discretion to protect Landlord against any defense or expense arising from such lien. Except during any period in which Tenant appeals any judgment or obtains a rehearing of any such lien, or in the event judgment is stayed, Tenant shall immediately pay any judgment rendered against Tenant, with all proper costs and charges, and shall have the lien released and any judgment satisfied. If Tenant fails to pay and remove any lien or contest such lien in accordance herewith, Landlord, at its election, may, but is not obligated to, pay and satisfy same, and all sums so paid by Landlord, with interest from the date of payment at the rate set at 12% per annum.

SECTION 6. INSURANCE AND INDEMNIFICATION

6.1 Insurance. Tenant shall procure and maintain at all times, at Tenant's own expense, during the term of this Lease and during any holding over, the insurance coverages and requirements specified below, insuring all operations related to this Lease.

The kinds and amounts of insurance required are as follows:

a) Workers Compensation and Employers Liability Insurance. Workers Compensation and Employers Liability Insurance, in accordance with the laws of the State of Illinois, or any other applicable jurisdiction, covering all Tenant's employees and Employer's Liability coverage with limits of not less than $100,000 each accident or illness.

b) Commercial Liability Insurance. (Primary and Umbrella). Commercial Liability Insurance or equivalent with limits of not less than $1,000,000 per occurrence, for bodily injury, personal injury, and property damage liability. Coverage extensions shall include the following: All premises and operations, products/completed operations, defense, separation of insureds, and contractual liability (with no limitation endorsement). The City of Chicago, its employees, elected officials, agents, and representatives are to be named as additional insureds on a primary, non-contributory basis for any liability arising directly or indirectly from the Lease.

c) Automobile Liability Insurance. (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with work to be performed, Tenant shall provide Comprehensive Automobile Liability Insurance with limits of not less than $1,000,000 per occurrence, for bodily injury and property damage.

Tenant shall be responsible for all loss or damage to personal property (including but not limited to materials, equipment, tools and supplies), owned or rented, by Tenant and its members.

6.2 Other Terms of Insurance. Tenant will furnish to the City of Chicago, Department of Fleet and Facility Management, Office of Real Estate Management, 30 North LaSalle Street, Suite 300, Chicago, Illinois 60602 original Certificates of Insurance evidencing the required coverage to be in force on the date of this Lease, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the term of this Lease. Tenant shall submit evidence of insurance prior to Lease award. The receipt of any certificates Landlords not constitute agreement by Landlord that the insurance requirements in the Lease have been fully met or that the insurance policies indicated on the certificate are in compliance with all Lease requirements. The failure of Landlord to obtain certificates or other insurance evidence from Tenant shall not be deemed to be a waiver by Landlord. Tenant shall advise all insurers of the Lease provisions regarding insurance. Non-conforming insurance shall not relieve Tenant of its obligation to provide Insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Lease, and Landlord retains the right to terminate the Lease until proper evidence of insurance is provided.

The insurance shall provide for thirty (30) days prior written notice to be given to Landlord in the event coverage is substantially changed, canceled, or non-renewed.

Any and all deductibles or self-insured retentions on referenced insurance coverages shall be borne by Tenant.

Tenant agrees that insurers shall waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents or representatives.

Tenant expressly understands and agrees that any coverages and limits furnished by Tenant shall in no way limit Tenant's liabilities and responsibilities specified within the Lease documents or by law.

Tenant expressly understands and agrees that any insurance or self-insurance programs maintained by the City of Chicago shall apply in excess of and not contribute with insurance provided by Tenant under this Lease.

The required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

The City of Chicago, Department of Finance, Office of Risk Management, maintains the right to reasonably modify, delete, alter or change these requirements. Landlord shall provide Tenant with thirty (30) day prior written notice of such modification, deletion, alteration, or change of these requirements.

6.3 Additional Insured. Tenant shall name Landlord as an additional insured. Said coverage shall be evidenced on the Certificate of Insurance covering the subject premises.

6.4 Tenant's Indemnification. Tenant shall indemnify, defend, and hold Landlord harmless against all liabilities, judgments, amounts paid in settlement, arbitration or mediation awards, costs, damages, and expenses (including reasonable attorney's fees, expenses, and court costs), and loss or damage to personal property as set forth in Section 6.1(c) herein, whether such claim is related to or arises from personal injury, property damage, or property loss which may be expended by or accrue against, be charged to, or be recovered from Landlord or Tenant by reason of Tenant's performance of or failure to perform any of Tenant's obligations under this Lease or Tenant's negligent acts or failure to act, or resulting from the acts or failure to act of Tenant's contractors, respective officers, directors, agents, employees, licensees or invitees. Tenant shall indemnify, defend and hold Landlord harmless against any and all claims that may arise in relation to the use of the Premises by Tenant, and any of its members, contractors, respective officers, directors, agents, employees, licensees or invitees.

SECTION 7. DAMAGE OR DESTRUCTION

7.1 Damage or Destruction. If the Premises are damaged or destroyed to such extent that Tenant cannot continue, occupy or conduct its normal activity therein, or if, in Tenant's opinion or Landlord's opinion, the Premises are rendered untenantable, either Landlord or Tenant shall have the option to declare this Lease terminated as of the date of such damage or destruction by giving the other party written notice to such effect.

SECTION 8. CONFLICT OF INTEREST AND GOVERNMENTAL ETHICS

8.1 Conflict of Interest. No official or employee of the City of Chicago, nor any member of any board, commission or agency of the City of Chicago, shall have any financial interest (as defined in Chapter 2-156 of the Municipal Code), either direct or indirect, in the Premises; nor shall any such official, employee, or member participate in making or in any way attempt to use his/her position to influence any governmental decision or action with respect to this Lease by the Landlord.

8.2 Duty to Comply with Governmental Ethics Ordinance. Landlord and Tenant shall comply with Chapter 2-156 of the Municipal Code of Chicago, "Governmental Ethics," including but not limited to section 2-156-120, which states that no payment, gratuity, or offer of employment shall be made in connection with any City of Chicago contract, as an inducement for the award of that contract or order. Any contract or lease negotiated, entered into, or performed in violation of any of the provisions of Chapter 2-156 shall be voidable as to the City.

SECTION 9. HOLDING OVER

Any notice, demand or request which shall be served upon Tenant by Landlord, or upon Landlord by Tenant, in the manner aforesaid, shall be deemed to be sufficiently served or given for all purposes hereunder at the time such notice, demand or request shall be mailed.

10.2 Partial Invalidity. If any covenant, condition, provision, term or agreement of this Lease shall, to any extent, be held invalid or unenforceable, the remaining covenants, conditions, provisions, terms and agreements of this Lease shall not be affected thereby, but each covenant, condition, provision, term or agreement of this Lease shall be valid and in force to the fullest extent permitted by law.

10.3 Governing Law. This Lease shall be construed and be enforceable in accordance with the laws of the State of Illinois.

10.4 Entire Agreement. All preliminary and contemporaneous negotiations are merged into and incorporated in this Lease. This Lease contains the entire agreement between the parties and shall not be modified or amended in any manner except by an instrument in writing executed by the parties hereto.

10.6 Binding Effect of Lease. The covenants, agreements, and obligations contained in this Lease shall extend to, bind, and inure to the benefit of the parties hereto and their legal representatives, heirs, successors, and assigns.

10.7 Time is of the Essence. Time is of the essence of this Lease and of each and every provision hereof.

The parties executing this Lease hereby represent and warrant that they are duly authorized and acting representatives of Landlord and Tenant respectively and that by their execution of this Lease, it became the binding obligation of Landlord and Tenant respectively, subject to no contingencies or conditions except as specifically provided herein.

10.10 Termination of Lease. Landlord and Tenant shall have the right to terminate this Lease by providing each other with thirty (30) days prior written notice at any time after execution of this Lease.

10.11 Force Majeure. When a period of time is provided in this Lease for either party to do or perform any act or thing, the party shall not be liable or responsible for any delays due to strikes, lockouts, casualties, acts of God, wars, governmental regulation or control, and other causes beyond the reasonable control of the party, and in any such event the time period shall be extended for the amount of time the party is so delayed.

10.12 Tenant Default. Tenant must adhere to all provisions of this Lease. Failure of Tenant to adhere to all provisions of this Lease will result in default. In the event of such default, Landlord will notify Tenant in writing as to the circumstances giving rise to such default. Upon written receipt of such notice, Tenant must cure such default within thirty (30) days. If Tenant does not cure such default within thirty (30) days, Landlord may cancel this Lease with thirty (30) days written notice.

10.13 Amendments. From time to time, the parties hereto may administratively amend this Lease with respect to any provisions reasonably related to Tenant's use of the Premises and/or Landlord's administration of this Lease, including leasehold expansion or reduction. Provided, however, that such Amendment(s) shall not serve to extend the Lease term hereof nor serve to otherwise materially alter the essential provisions contained herein. Such Amendment(s) shall be in writing, shall establish the factual background necessitating such alteration, shall set forth the terms and conditions of such modification, and shall be duly executed by both Landlord and Tenant. Such Amendment(s) shall only take effect upon execution by both parties. Upon execution, such Amendment(s) shall become a part of this Lease and all other provisions of this Lease shall otherwise remain in full force and effect.

10.14 Prior Lease. Tenant acknowledges that prior to the date of this Lease, Tenant has occupied and been in possession of the Premises under the terms of that certain Lease between Tenant and Landlord dated September 27, 2007. Tenant acknowledges that Landlord has fully performed its obligations under such prior Lease and that Landlord has no obligations thereunder.

SECTION 11. ADDITIONAL RESPONSIBILITIES OF TENANT

At Landlord's option, Tenant shall remove all equipment and/or materials placed on the Premises by Tenant or anyone acting by or under Tenant. Said removal shall be without cost to Landlord. Provided, however, that at Lease termination Landlord may declare that any fencing that Tenant may have installed shall become the property of Landlord without further credit, payment, or reimbursement by Landlord to Tenant.

11.4 Licenses and Permits. Tenant shall obtain any license or permit for any activity which Tenant desires to conduct on the Premises in which said license or permit is required. The Department of Fleet and Facility Management must be notified of any such license or permit. 11.5 Hazardous Materials. 11.12 Non-Discrimination. Tenant shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, immigration status, or source of income in the use of the Premises.

11.13 Non-Religious Use. Tenant shall not use the Premises for any religious activities, such as worship, religious instruction, or proselytization.

11.14 Inspection of Premises and As-Is Acceptance. Tenant agrees that Tenant has inspected the Premises and all related areas and grounds, that Tenant is satisfied with the physical condition thereof, and that Tenant assumes use of the Premises in as-is where-is condition.

SECTION 12. TENANT DISCLOSURES AND REPRESENTATIONS

12.1 Business Relationships. Tenant acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (B) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (C) notwithstanding anything to the contrary contained in this Lease, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Lease shall be grounds for termination of this Lease and the transactions contemplated hereby. Tenant hereby represents and warrants that no violation of

Section 2-156-030 (b) has occurred with respect to this Lease or the transactions contemplated hereby.

12.2 Patriot Act Certification. Tenant represents and warrants that neither Tenant nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment, the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to Tenant that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Tenant, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

12.3 Prohibition on Certain Contributions-Mayoral Executive Order No. 2011-4. Tenant agrees that Tenant, any person or entity who directly or indirectly has an ownership or beneficial interest in Tenant of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Tenant's contractors (i.e., any person or entity in direct contractual privity with Tenant regarding the subject matter of this Lease) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Tenant and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (i) after execution of this Lease by Tenant, (ii) while this Lease or any Other Contract is executory, (iii) during the Term of this Lease or any Other Contract between Tenant and the City, or (iv) during any period while an extension of this Lease or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

Tenant represents and warrants that from the date the City approached the Tenant or the date Tenant approached the City, as applicable, regarding the formulation of this Lease, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Tenant agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Tenant agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to

entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Notwithstanding anything to the contrary contained herein, Tenant agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Lease, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Lease, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Tenant intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the execution of this Lease, the City may elect to decline to close the transaction contemplated by this Lease or to suspend the transaction after execution.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source which are then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Tenant is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

(A) they are each other's sole domestic partner, responsible for each other's common welfare; and
(B) neither party is married; and
(C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
(D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
(E) two of the following four conditions exist for the partners:
    1. The partners have been residing together for at least 12 months.
    2. The partners have common or joint ownership of a residence.

3. The partners have at least two of the following arrangements:
   a. joint ownership of a motor vehicle;
   b. a joint credit account;
   c. a joint checking account;
   d. a lease for a residence identifying both domestic partners as tenants.
4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

12.4 Waste Ordinance Provisions. In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Tenant warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Lease is executory, Tenant's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Lease, constitutes a breach of and an event of default under this Lease, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the Lease, at law or in equity. This section does not limit Tenant's, general contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Lease. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Lease, and may further affect the Tenant's eligibility for future contract awards.

12.5 Failure to Maintain Eligibility to do Business with City. Failure by Tenant or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this Lease and the transactions contemplated thereby. Tenant shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

12.6 Cooperation with Inspector General and Legislative Inspector General. In accordance with Chapter 2-26-110 et seq. of the Municipal Code, the Tenant acknowledges that every officer, employee, department and agency of the City shall be obligated to cooperate with the Office of the Inspector General and the Office of the Legislative Inspector General in connection with any activities undertaken by such office with respect to this Lease, including, without limitation, making available to the Office of the Inspector General and the Office of the Legislative Inspector General the department's premises, equipment, personnel, books, records and papers. The Tenant agrees to abide by the provisions of Chapter 2-26-110 et seq.

12.7 *Shakman* Prohibitions.

(i) The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and the August 16, 2007 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Tenant is aware that City policy prohibits City employees from directing any individual to apply for a position with Tenant, either as an employee or as a subcontractor, and from directing Tenant to hire an individual as an employee or as a subcontractor. Accordingly, Tenant must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Tenant under this Lease are employees or subcontractors of Tenant, not employees of the City of Chicago. This Lease is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Tenant.

(iii) Tenant will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Lease, or offer employment to any individual to provide services under this Lease, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Lease, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to Tenant by a City employee or City official in violation of Section 9.9(c)(ii) above, or advocating a violation of Section 9.9(c)(iii) above, Tenant will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant City Department utilizing services provided under this Lease. Tenant will also cooperate with any inquiries by IGO Hiring Oversight or the *Shakman* Monitor's Office related to the contract.

WHEREAS, on January 16, 2002, the City Council enacted an ordinance published in the Journal of Proceedings for such date at pages 77362 through 77366, inclusive, as amended by an ordinance adopted by City Council on September 4, 2003 and published in

the Journal of Proceedings for such date at pages 6475 through 6626, inclusive, which authorized the establishment of a program (as supplemented, amended and restated from time to time, the "Donation Tax Credit Program") to be implemented by HED in connection with the use of certain tax credits authorized by the Illinois General Assembly pursuant to Public Act 92-0491 (as supplemented, amended and restated from time to time) for donations made in connection with affordable housing projects; and

WHEREAS, upon the acquisition of the PBC Parcel from the PBC, the City will convey the Property to Heartland Housing, Inc. ("Developer") or an affiliate thereof in connection with the Project;

WHEREAS, the City's conveyance of the Property to the Developer may qualify under the Donation Tax Credit Program as an eligible donation, and may generate certain additional proceeds for the Project;

WHEREAS, the Developer will cause the Property to be conveyed to the Borrower immediately following the City's conveyance of the Property to the Developer; and

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The above recitals are expressly incorporated in and made a part of this ordinance as though fully set forth herein.

SECTION 2. Upon the approval and availability of the Additional Financing as shown in Exhibit A hereto, the Commissioner of HED (the "Commissioner") and a designee of the Commissioner (collectively, the "Authorized Officer") are each hereby authorized, subject to approval by the Corporation Counsel, to enter into and execute such agreements and instruments, and perform any and all acts as shall be necessary or advisable in connection with the implementation of the Loan. The Authorized Officer is hereby authorized, subject to the approval of the Corporation Counsel, to negotiate any and all terms and provisions in connection with the Loan which do not substantially modify the terms described in Exhibit A hereto. Upon the execution and receipt of proper documentation, the Authorized Officer is hereby authorized to disburse the proceeds of the Loan to the Borrower.

SECTION 3. The Mayor or his proxy is authorized, upon the acquisition of the PBC Parcel from the PBC, to execute, and the City Clerk to attest, a quitclaim deed conveying the Property to the Developer and/or an affiliate of the Developer for the consideration described therein and otherwise in accordance with this Ordinance.

SECTION 4. The City hereby approves the conveyance of the Property as a donation to Developer from the City under the Donation Tax Credit Program in connection with the Project. The Authorized Officer is hereby authorized to transfer the tax credits allocated to the City under the Donation Tax Credit Program in connection with the conveyance of the Property to an entity satisfactory to the Authorized Officer on such terms and conditions as are satisfactory to the Authorized Officer (the "Transfer"). The proceeds,

if any, received by the City in connection with the Transfer are hereby appropriated, and the Authorized Officer is hereby authorized to use such proceeds, to make a grant to the Developer or to another entity affiliated with the Developer, in his or her sole discretion, for use in connection with the Project (the "Grant").

SECTION 5. The following provisions shall govern the City's conveyance of the Property to the Developer:

(i) Form of Quitclaim Deed. The City shall convey to the Developer title to the Property by quitclaim deed for the sum of One and 00/100 Dollar ($1.00) per parcel, which shall be paid by the Developer to the City on the date the City conveys the Property. The Developer acknowledges and agrees that the Property has an appraised fair market value price of approximately Three Million Twenty-Five Thousand and No/100 Dollars ($3,025,000.00). Without limiting the quitclaim nature of the deed, the conveyance of and title to the Property shall, in addition to the provisions of this Ordinance, be subject to:

(a) general real estate taxes and any special assessments or other taxes;
(b) all easements, encroachments, covenants and restrictions of record and not shown of record;
(c) standard exceptions in an ALTA title insurance policy;
(d) such other title defects as may exist; and
(e) any and all exceptions caused by the acts of the Developer or its agents.

The City shall have no obligation to cure title defects; provided, however, if there are exceptions for general real estate tax liens which accrued prior to the Closing Date with respect to the Property, the City shall file a petition to vacate the tax sale in the Circuit Court of Cook County if the tax liens have been sold and/or seek to abate the tax liens by filing a tax abatement letter with the appropriate Cook County authorities or filing a tax injunction proceeding in the Circuit Court of Cook County ("Circuit Court"), but shall have no further obligation with respect to any such taxes. If the City is unable to obtain the waiver or release of any such tax liens through the Circuit Court, the abatement process mentioned above, or the title company will not insure over such tax liens, or if the Property is encumbered with any other unpermitted exceptions, the Developer shall have the option to do one of the following: (a) accept title to the Property subject to the unpermitted exceptions, which shall then become permitted exceptions, or (b) terminate the agreement for the transfer of the Property by delivery of written notice to the City at least fourteen (14) days prior to the closing date.

(ii) Financing. The Developer shall not, without prior written consent of HED, which shall be in HED's sole discretion, engage in any financing or other transaction which would create an encumbrance or lien on the Property. Following conveyance to the Property by Developer to Borrower, the Borrower shall not, without prior written consent of HED, which shall be in HED's sole discretion, engage in any financing or other transaction which would create an encumbrance or lien on the Property (other than Financing described on Exhibit A).

(iii) The Property. The closings for the Property (both land conveyance and financing) shall take place simultaneously and sequentially (land conveyance to Developer, followed by Developer's land conveyance to Borrower and followed by Borrower's financing closing) and on such date and at such place as the parties may mutually agree to in writing, but in no event earlier than the satisfaction of all conditions precedent to closing as the City may require and not later than May 1, 2013 (the "Outside Closing Date"), unless HED in its sole discretion extends the Outside Closing Date by up to three (3) months, for good cause shown by issuing a written extension letter.

(iv) Recordation of Quitclaim Deed. The Developer shall promptly record the quitclaim deed for the Property in the Office of the Recorder of Deeds of Cook County, Illinois. The Developer shall pay all costs for so recording the quitclaim deed.

(v) Escrow. In the event that the Developer requires conveyance through an escrow, the Developer shall pay all escrow fees.

(vi) Environmental Condition of the Property. The City makes no covenant, representation or warranty as to the soil or environmental condition of the Property or the suitability of the Property for any purpose whatsoever, and the Developer agrees to accept the Property "as is". If after the closing of the City's conveyance of the Property to the Developer, the soil or environmental condition of the Developer is not in all respects entirely suitable for the use to which the Property is to be utilized, it shall be the sole responsibility and obligation of the Developer (and of the Borrower, following Developer's conveyance of the Property to Borrower) to take such action as is necessary to put the Property in a condition suitable for such intended use. The Developer agrees to release and indemnify the City from any claims and liabilities relating to or arising from the environmental condition of the Property (including, without limitation, claims under CERCLA) and to undertake and discharge all liabilities of the City arising from any environmental condition which existed on the Property prior to the closing.

SECTION 7. To the extent that any ordinance, resolution, rule, order or provision of the Municipal Code of Chicago, or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall control. If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this ordinance. Section 2-45-110 of the Municipal Code of Chicago shall not apply to the Project or the Property (as defined on Exhibit A hereto).

SECTION 8. This ordinance shall be effective as of the date of its passage and approval.

hereof (the "**Pullman Park Development, LLC/Chicago Neighborhood Initiatives, Inc. Redevelopment Agreement**"), and such other supporting documents as may be necessary or appropriate to carry out and comply with the provisions of the Pullman Park Development, LLC/Chicago Neighborhood Initiatives, Inc. Redevelopment Agreement, with such changes, deletions and insertions as shall be approved by the persons executing the Pullman Park Development, LLC/Chicago Neighborhood Initiatives, Inc. Redevelopment Agreement and supporting documents.

SECTION 4. The City Council hereby finds that the City is authorized to issue its tax increment allocation revenue obligations in an aggregate amount not to exceed [$7,750,000] for the purpose of paying a portion of the eligible costs included within the Project.

SECTION 5. There shall be borrowed for and on behalf of the City an aggregate amount not to exceed [$7,750,000] for the payment of a portion of the eligible costs included within the Project and the notes of the City shall be issued up to said amount and shall be designated:

a. Tax Increment Allocation Revenue Note (Pullman Park Development, LLC/Chicago Neighborhood Initiatives, Inc. Redevelopment Project), Tax-Exempt Series A, Registered No. R-1 for a principal amount not to exceed $6,750,000] (the "**City Note A**"), and

b. Tax Increment Allocation Revenue Note (Pullman Park Development, LLC/Chicago Neighborhood Initiatives, Inc. Redevelopment Project) Taxable Series B, Registered No. R-1 for a principal amount not to exceed [$1,000,000] (the "**City Note B**").

City Note A and City Note B are also referred to herein each as a "**Note**", and collectively as the "**Notes**". The Notes shall be dated the date of delivery thereof, and shall also bear the date of authentication, shall be in fully registered form, shall be in the denomination of the outstanding principal amount thereof and shall become due and payable as provided therein. The proceeds of the Notes are hereby appropriated for the purposes set forth in this Ordinance.

City Note A shall bear interest at the rate as calculated in the Pullman Park Development, LLC/Chicago Neighborhood Initiatives, Inc. Redevelopment Agreement but not to exceed 8.5% per annum computed on the basis of a 360 day year of twelve 30-day months, with the exact rate to be determined by an Authorized Officer (as hereinafter defined). Interest on the City Note A shall not be subject to federal income taxes.

Each Note shall mature as set forth in the Pullman Park Development, LLC/Chicago Neighborhood Initiatives, Inc., Redevelopment Agreement.

City Note B shall bear interest at the rate as calculated in the Pullman Park Development, LLC/Chicago Neighborhood Initiatives, Inc. Redevelopment Agreement but not to exceed 8.5% per annum computed on the basis of a 360 day year of twelve 30-day months, with the exact rate to be determined by an Authorized Officer (as hereinafter defined). Interest on the City Note B

shall be subject to federal income taxes.

The Notes shall be subject to such further terms as are set forth in the Pullman Park Development, LLC/Chicago Neighborhood Initiatives, Inc. Redevelopment Agreement and this Ordinance, subject to such changes and additions as are set forth in Bond Orders of the City executed by the Comptroller and filed with the City Clerk at the time of issuance of each Note. The provisions of the respective Bond Orders shall be subject to the parameters set forth in the Pullman Park Development, LLC/Chicago Neighborhood Initiatives, Inc. Redevelopment Agreement and this Ordinance.

The principal of and interest on each Note shall be paid by check or draft of the Comptroller of the City, as registrar and paying agent (the "**Registrar**") (or, at the City's sole election, by wire transfer of funds), payable in lawful money of the United States of America to the person in whose name such Note is registered at the close of business on the 15th day of the month immediately prior to the applicable payment date; provided, that the final installment of the principal and accrued but unpaid interest of such Note shall be payable in lawful money of the United States of America at the principal office of the Registrar or as otherwise directed by the City.

The seal of the City shall be affixed to or a facsimile thereof printed on each Note, and each Note shall be signed by the manual or facsimile signature of the Mayor of the City and attested by the manual or facsimile signature of the City Clerk of the City, and in case any officer whose signature shall appear on any such Note shall cease to be such officer before the delivery of the Note, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

Each Note shall have thereon a certificate of authentication substantially in the form hereinafter set forth duly executed by the Registrar, as authenticating agent of the City for such Note, and showing the date of authentication. No Note shall be valid or obligatory for any purpose or be entitled to any security or benefit under this Ordinance unless and until such certificate of authentication shall have been duly executed by the Registrar by manual signature, and such certificate of authentication upon the Note shall be conclusive evidence that the Note has been authenticated and delivered under this Ordinance.

SECTION 6. The City shall cause books (the "**Register**") for the registration of the Notes as provided in this Ordinance to be kept at the principal office of the Registrar, which is hereby constituted and appointed the registrar of the City for the Notes. The Registrar shall maintain a list of the names and addresses of the registered owner(s) from time to time of each Note, and upon transfer (to the extent such transfer is permitted under the Pullman Park Development, LLC/Chicago Neighborhood Initiatives, Inc. Redevelopment Agreement) shall add the name and address of the new registered owner and eliminate the name and address of the transferor. The City is authorized to prepare, and the Registrar shall keep custody of, multiple Note blanks executed by the City for use in the transfer of the Notes.

Upon surrender for transfer of any Note authorized under this Ordinance at the principal office of the Registrar, duly endorsed by, or accompanied by: (i) a written instrument or instruments of transfer in form satisfactory to the Registrar; (ii) an investment representation in form satisfactory to the City and duly executed by the registered owner or his attorney duly authorized in writing, (iii) the written consent of the City evidenced by the signature of the Commissioner (or his or her designee) on the instrument of transfer, and (iv) any deliveries required under this Ordinance or the Pullman Park Development, LLC/Chicago Neighborhoods, Inc., Redevelopment Agreement, the City shall execute and the Registrar shall authenticate, date and deliver in the name of any such authorized transferee or transferees, a new fully registered Note of the same maturity, of authorized denomination, for a like aggregate principal amount. The execution by the City of a fully registered Note shall constitute full and due authorization of such Note and the Registrar shall thereby be authorized to authenticate, date and deliver the Note, provided, however, that the principal amount of the Note authenticated by the Registrar shall not exceed the authorized principal amount of the Note less previous retirements. The Registrar shall not be required to transfer or exchange any Note during the period beginning at the close of business on the fifteenth day of the month immediately prior to the maturity date of the Note nor to transfer or exchange the Note after notice calling the Note for redemption has been made, nor during a period of five (5) days next preceding mailing of a notice for redemption of principal of the Notes. No beneficial interests in the Notes shall be assigned, except in accordance with the procedures for transferring the Notes described above.

The person or entity in whose name a Note shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal of the Notes shall be made only to the order of the registered owner thereof or his legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon the Notes to the extent of the sum or sums so paid.

No service charge shall be made for any transfer of the Notes, but the City or the Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer of the Notes.

SECTION 7. Subject to the limitations set forth herein, the principal of the Notes shall be subject to determination, redemption and prepayment as provided in the form of the Notes attached to the Pullman Park Development, LLC/Chicago Neighborhood Initiatives, Inc. Redevelopment Agreement as Exhibit M-1 and Exhibit M-2, and as provided in the Pullman Park Development, LLC/Chicago Neighborhood Initiatives, Inc. Redevelopment Agreement, including without limitation, with respect to the City Note B, Sections 4.03 and 15.01, thereof. As directed by the Commissioner, the Registrar shall proceed with redemptions or prepayment without further notice or direction from the City.

SECTION 8. City Note A shall be prepared in substantially the form attached hereto as Exhibit B. and City Note B shall be prepared in substantially the form attached hereto as Exhibit C with such additions or modifications at the time of issuance as shall be determined to be

necessary by the person duly approved and serving as the Chief Financial Officer of the City, or if no such person has been appointed, the City Controller (the **"Authorized Officer"**).

SECTION 9. Pursuant to the Pullman Park Development, LLC/Chicago Neighborhood Initiatives, Inc. Redevelopment Agreement, Developer has agreed to perform construction and redevelopment work on the Property necessary for the Project. The eligible Redevelopment Project costs of such construction and redevelopment up to the amount not to exceed [$7,750,000], shall be deemed to be a disbursement of the proceeds of the respective Notes, and the outstanding principal amount of a Note shall be increased by the amount of such advance. The principal amount outstanding of a Note shall be the amount of principal indicated in such Note on its date of issuance, or the sum of advances made pursuant to a form of certificate of expenditure (the "**Certificate of Expenditure**") executed by the Commissioner (or his or her designee) and authenticated by the Registrar, in accordance with the Pullman Park Development, LLC/Chicago Neighborhood Initiatives, Inc. Redevelopment Agreement, minus any principal amount paid on such Note and other reductions in principal as provided in the Pullman Park Development, LLC/Chicago Neighborhood Initiatives, Inc. Redevelopment Agreement. A Certificate of Expenditure shall not be valid or obligatory under this Ordinance unless or until authenticated by the Registrar by manual signature. The City shall not execute Certificates of Expenditure that total in excess of [$7,750,000]. Upon execution of a Certificate of Expenditure, the Registrar shall promptly send the Certificate of Expenditure to the Registered Owner and retain a copy with the Register. The Certificate of Expenditure for City Note A shall be in substantially the form attached hereto as Exhibit D. The Certificate of Expenditure for the City Note B shall be substantially in the form attached hereto as Exhibit E.

SECTION 10. The Registrar shall note on the payment schedule attached to each Note the amount of any payment of principal or interest on such Note, including the amount of any redemption, and the amount of any reduction in principal pursuant to the Pullman Park Development, LLC/Chicago Neighborhood Initiatives, Inc. Redevelopment Agreement.

SECTION 11. The Notes hereby authorized shall be executed as provided in this Ordinance and the Pullman Park Development, LLC/Chicago Neighborhood Initiatives, Inc. Redevelopment Agreement and thereupon be deposited with the Commissioner, and by said Commissioner delivered to Developer.

SECTION 12. (a) Special Tax Allocation Fund. Pursuant to the TIF Ordinance, the City has created a special fund, designated as the North Pullman Redevelopment Project Area Special Tax Allocation Fund (the "**North Pullman TIF Fund**").

The Comptroller of the City is hereby directed to maintain the North Pullman TIF Fund as a segregated interest-bearing account, separate and apart from the General Fund or any other fund of the City, with a bank which is insured by the Federal Deposit Insurance Corporation or its successor. Pursuant to the TIF Ordinance, all incremental ad valorem taxes received by the City for the Redevelopment Area are to be deposited into the North Pullman TIF Fund.

(b) Debt Service Account. There is hereby created within the North Pullman TIF Fund a special account to be known as the "**Pullman Park Development/Chicago Neighborhood Initiatives Debt Service Account**." The City shall promptly designate and deposit into the Pullman Park Development/Chicago Neighborhood Initiatives Debt Service Account the incremental taxes defined as the "**Available Incremental Taxes**" in the Pullman Park Development, LLC/Chicago Neighborhood Initiatives, Inc. Redevelopment Agreement which have been deposited into the North Pullman TIF Fund after the execution and delivery of the Pullman Park Development, LLC/Chicago Neighborhood Initiatives, Inc., Redevelopment Agreement.

(c) Pledge of Pullman Park Development/Chicago Neighborhood Initiatives Debt Service Account. The City hereby assigns, pledges and dedicates the Pullman Park Development/ Chicago Neighborhood Initiatives Debt Service Account, together with all amounts on deposit in the Pullman Park Development/Chicago Neighborhood Initiatives Debt Service Account: (i) to the payment of the Notes, subject to the provisions and limitations of the Pullman Park Development, LLC/Chicago Neighborhood Initiatives, Inc. Redevelopment Agreement. Any moneys on deposit in the Pullman Park Development/Chicago Neighborhood Initiatives Debt Service Account that are forfeited pursuant to the terms of the Pullman Park Development, LLC/Chicago Neighborhood Initiatives, Inc. Redevelopment Agreement shall be transferred and deposited in the North Pullman TIF Fund. Upon deposit, the moneys on deposit in the Pullman Park Development/Chicago Neighborhood Initiatives Debt Service Account may be invested as hereinafter provided. Interest and income on any such investment shall be deposited in the North Pullman TIF Fund. All moneys on deposit in the Pullman Park Development/Chicago Neighborhood Initiatives Debt Service Account shall be used to pay the principal of and interest on the Notes, at maturity or upon payment or redemption prior to maturity, each in accordance with its respective terms, which payments from the Pullman Park Development/Chicago Neighborhood Initiatives Debt Service Account are hereby authorized and appropriated by the City. Upon payment of all amounts due under the Notes in accordance with their respective terms (or the termination of the City's obligation to make such payments), the amounts on deposit in the Pullman Park Development/Chicago Neighborhood Initiatives Debt Service Account shall be deposited in the North Pullman TIF Fund of the City and the Pullman Park Development/Chicago Neighborhood Initiatives Debt Service Account shall be closed.

SECTION 13. The Notes are special limited obligations of the City, and are payable solely from amounts on deposit in the Pullman Park Development/Chicago Neighborhood Initiatives Debt Service Account (or such other funds in the North Pullman TIF Fund as the City, in its sole discretion, may determine), and shall be a valid claim of the registered owner thereof only against said sources. The Notes shall not be deemed to constitute an indebtedness or a loan against the general taxing powers or credit of the City, within the meaning of any constitutional or statutory provision. The registered owners of the Notes shall not have the right to compel any exercise of the taxing power of the City, the State of Illinois or any political subdivision thereof to pay the principal of or interest on the Notes.

SECTION 14. Moneys on deposit in the Pullman Park Development/Chicago Neighborhood Initiatives Debt Service Account may be invested as allowed under Section 2-32-520 of the Municipal Code of the City of Chicago (the "**Municipal Code**"). Each such investment shall mature on a date prior to the date on which said amounts are needed to pay the principal of or interest on the Notes.

SECTION 15. City Note A is not a "private activity bond" as defined in Section 141(a) of the Internal Revenue Code of 1986, as amended (the "**Code**"). In support of such conclusion, the City certifies, represents and covenants as follows:

(a) No direct or indirect payments are to be made on City Note A with respect to any private business use by any person other than a state or local governmental unit.

(b) None of the proceeds of City Note A is to be used, directly or indirectly, to make or finance loans to persons other than a state or local governmental unit.

SECTION 16. As to City Note A only, the City certifies and covenants as follows with respect to the requirements of Section 148(f) of the Code, relating to the rebate of "excess arbitrage profits" (the "**Rebate Requirement**") to the United States:

(a) Unless an applicable exception to the Rebate Requirement is available to the City, the City will meet the Rebate Requirement.

(b) Relating to applicable exceptions, the Comptroller is hereby authorized to make such elections under the Code as such officer shall deem reasonable and in the best interests of the City. If such election may result in a "penalty in lieu of rebate" as provided in the Code, and such penalty is incurred (the "**Penalty**"), then the City shall pay such Penalty.

(c) The officers of the City shall cause to be established at such time and in such manner as they may deem necessary or appropriate hereunder, a rebate fund, and such officers shall further, not less frequently than annually, cause to be transferred to the rebate fund the amount determined to be the accrued liability under the Rebate Requirement or the Penalty. Said officers shall cause to be paid to the United States, from time to time as required, amounts sufficient to meet the Rebate Requirement or to pay the Penalty.

(d) Interest earnings in the Pullman Park Development/Chicago Neighborhood Initiatives Debt Service Account are hereby authorized to be transferred, without further order or direction from the Comptroller, from time to time as required, to the rebate fund for the purposes herein provided; and other funds of the City are also hereby authorized to be used to meet the Rebate Requirement or to pay the Penalty, but only if necessary after application of investment earnings as aforesaid and only if appropriated by the City Council.

SECTION 17. The City covenants that it: (i) will take those actions which are necessary to be taken (and avoid those actions which it is necessary to avoid taking) so that interest on City Note A will not be or become included in gross income for federal income tax purposes under existing law including, without limitation, the Code; (ii) will take those actions reasonably within its power to take which are necessary to be taken (and avoid taking those actions which are reasonably within its power to avoid taking and which it is necessary to avoid) so that interest on City Note A will not be or become included in gross income for federal income tax purposes under the federal income tax laws as in effect from time to time; and (iii) will take no action in the investment of any fund or account of the City which would result in making interest on City Note A subject to federal income taxes by reason of causing City Note A to be an "arbitrage bond" within the meaning of Section 148 of the Code. In furtherance of the foregoing provisions, but without limiting their generality, the City agrees: (a) through its officers, to make such further specific covenants, certifications and representations as shall be truthful, and assurances as may be necessary or advisable; (b) to comply with all representations, covenants and assurances contained in certificates or agreements as may be prepared by counsel approving City Note A; (c) to consult with such counsel and to comply with such advice as may be given; (d) to file such forms, statements and supporting documents as may be required and in a timely manner; and (e) if deemed necessary or advisable by its officers, to employ and pay fiscal agents, financial advisors, attorneys and other persons to assist the City in such compliance.

SECTION 18. The City recognizes that Section 149(a) of the Code requires City Note A to be issued and to remain in fully registered form in order that interest thereon is exempt from federal income taxation under laws in force at the time City Note A is delivered. In this connection, the City agrees that it will not take any action to permit City Note A to be issued in, or converted into, bearer or coupon form.

SECTION 19. The provisions of this Ordinance shall constitute a contract between the City and the registered owner(s) of a Note. All covenants relating to a Note are enforceable by the registered owner(s) of such Note.

SECTION 20. The Mayor, the Comptroller, the City Clerk, the Commissioner (or his or her designee) and the other officers of the City are authorized to execute and deliver on behalf of the City such other documents, agreements and certificates and to do such other things consistent with the terms of this Ordinance as such officers and employees shall deem necessary or appropriate in order to effectuate the intent and purposes of this Ordinance.

SECTION 21. If any provision of this Ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the other provisions of this Ordinance.

SECTION 22. All ordinances, resolutions, motions or orders in conflict with this Ordinance are hereby repealed to the extent of such conflict. No provision of the Municipal Code or violation of any provision of the Municipal Code shall be deemed to impair the validity

of this ordinance or the instruments authorized by this ordinance or to impair the security for or payment of the instruments authorized by this ordinance; provided further, however, that the foregoing shall not be deemed to affect the availability of any other remedy or penalty for violation of any provision of the Municipal Code.

SECTION 23. This Ordinance shall be in full force and effect immediately upon its passage.

PULLMAN PARK DEVELOPMENT, LLC AND
CHICAGO NEIGHBORHOOD INITIATIVES, INC.
REDEVELOPMENT AGREEMENT

This Pullman Park Development, LLC and Chicago Neighborhood Initiatives, Inc. Redevelopment Agreement (the **"Agreement"**) is made as of this ___ day of _____, 2013, by and between the City of Chicago, an Illinois municipal corporation (the **"City"**), through its Department of Housing and Economic Development (**"HED"**), and Pullman Park Development, LLC, an Illinois limited liability company (**"Pullman Park Development"**) and its managing member: Chicago Neighborhood Initiatives, Inc., an Illinois not-for-profit company (**"Chicago Neighborhood Initiatives"**) jointly and severally as to all rights and liabilities under this Agreement. For purposes of this Agreement, Pullman Park Development and Chicago Neighborhood Initiatives are defined, jointly and severally, as **"Developer"**.

RECITALS:

A. **Constitutional Authority:** As a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois (the **"State"**), the City has the power to regulate for the protection of the public health, safety, morals, and welfare of its inhabitants and, pursuant thereto, has the power to encourage private development in order to enhance the local tax base and create employment opportunities, and to enter into contractual agreements with private parties in order to achieve these goals.

B. **Statutory Authority:** The City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 et seq., as amended from time-

to-time (the **"Act"**), to finance projects that eradicate blighted conditions through the use of tax increment allocation financing for redevelopment projects.

C. **City Council Authority:** To induce redevelopment under the provisions of the Act, the City Council of the City (the "**City Council**") adopted the following ordinances on June 30, 2009: (1) "An Ordinance of the City of Chicago, Illinois Approving a Tax Increment Redevelopment Plan for the North Pullman Redevelopment Project Area" (the **"Plan Adoption Ordinance**"); (2) "An Ordinance of the City of Chicago, Illinois Designating The North Pullman Redevelopment Project Area as a Redevelopment Project Area Pursuant to the Tax Increment Allocation Redevelopment Act"; and (3) "An Ordinance of the City of Chicago, Illinois Adopting Tax Increment Allocation Financing for the North Pullman Redevelopment Project Area" (the "**TIF Adoption Ordinance**"). Collectively the three ordinances are defined as the "**TIF Ordinances**". The redevelopment project area (the "**Redevelopment Area**") is legally described in Exhibit A.

D. **The Project**: Pullman Park Development has purchased (the "**Acquisition**") certain property located within the Redevelopment Area in the vicinity of 111th Street and Doty Avenue, as legally described on Exhibit B-1 (the "**Property**"), and, within the time frames set forth in Section 3.01, shall commence and complete construction of approximately 67,000 square feet of in-line, small shop and mid-box retail space, including the following components (collectively, the "**Phase 1b New Work**"): (a) site preparation (demolition, utilities, dynamic compaction and grading), environmental remediation, parking lot improvements and landscaping; (b) vertical construction of approximately 67,000 square feet of in-line retail space; and (c) construction of a CTA bus stop and access that will allow for bus service to be provided to the new retail development, all in conformity with the Plans and Specifications. A site plan for the Phase 1b New Work is contained in Exhibit B-2. In connection therewith, Developer has already completed the following public infrastructure improvements (collectively, the "**Phase 1b Completed Work**"): (i) rebuilding Woodlawn/Doty Avenue from 103rd Street to 107th Street and (ii) constructing intersection improvements at 103rd and Woodlawn. The Phase 1b New Work and the Phase 1b Completed Work are defined in this Agreement as the "**Phase 1b Retail Project**". The Phase 1b Completed Work was funded by a State of Illinois grant administered by the Illinois Department of Commerce and Economic Opportunity (the "**DCEO Grant**"). As a precursor to the Phase 1b Completed Work, Developer has completed other infrastructure improvements – the construction and extension of Doty Avenue from 107th Street to 111th Street, intersection improvements at 111th Street and Doty Avenue, interchange ramp improvements at 111th Street and the Bishop Ford Freeway and the construction of two detention ponds to manage stormwater for the Phase 1b Retail Project (the "**Phase 1a Infrastructure Improvements**") – and incurred costs in connection therewith. The Acquisition and the construction of the Phase 1b Retail Project and the Phase 1a Infrastructure Improvements (including but not limited to those TIF-Funded Improvements as defined below and set forth on Exhibit E) are collectively defined as the "**Project.**" The completion of the Project would not reasonably be anticipated without the financing contemplated in this Agreement.

E. **Redevelopment Plan and Planned Development:** The Project will be carried out in accordance with: (i) this Agreement, (ii) the City of Chicago North Pullman Redevelopment Project Area Tax Increment Finance Program Redevelopment Plan and Project attached as Exhibit C, as in effect on the date of this Agreement (the "**Redevelopment Plan**"), and (iii) Planned Development No. 1167 approved by the City Council on June 30, 2010, a copy of which is attached as Exhibit B-3, as further amended or administratively adjusted by the City following the date hereof (**"PD 1167"**), unless and until PD 1167 is sunsetted by the City.

F. **City Financing and Assistance:** Subject to Developer fulfilling those obligations under this Agreement that are the applicable conditions precedent to obligate the City to do so, the City will: (i) make a total of $6.1 million in cash payments to Developer on the Closing Date, to reimburse Developer for a portion of the costs of the Phase 1a Infrastructure Improvements, which have already been incurred and paid, consisting of costs for public improvements under the Act; (ii) issue to Chicago Neighborhoods Initiatives, tax-exempt City Note A in an amount that will provide for City Note A Net Proceeds (after provisions for capitalized interest and debt service reserve fund.) of $4,903,525; and (iii) if necessary, issue taxable City Note B in principal amount equal to the difference, if any, between $4,903,525 and the City Note A Net Proceeds.

In addition, the City may, in its discretion, issue tax increment allocation bonds ("**TIF Bonds**") secured by Incremental Taxes (as defined below) as provided in a TIF bond ordinance (the "**TIF Bond Ordinance**"), at a later date as described and conditioned in Section 4.09. The proceeds of the TIF Bonds (the "**TIF Bond Proceeds**") may be used to pay for the costs of the TIF-Funded Improvements not previously paid for from Incremental Taxes, or in order to reimburse the City for the costs of TIF-Funded Improvements.

NOW, THEREFORE, in consideration of the premises and of the mutual covenants and agreements contained in this Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

AGREEMENT:

ARTICLE ONE: INCORPORATION OF RECITALS

The recitals stated above are an integral part of this Agreement and are hereby incorporated into this Agreement by reference and made a part of this Agreement.

ARTICLE TWO: DEFINITIONS

The definitions stated in Schedule A and those definitions stated in the recitals and preamble are hereby incorporated into this Agreement by reference and made a part of this Agreement.

ARTICLE THREE: THE PROJECT

3.01 **The Project.** (a) Developer has completed the Phase 1a Infrastructure Improvements and the Phase 1b Completed Work. (b) Developer will: (i) begin redevelopment construction of the Phase 1b New Work no later than June 1, 2013, and (ii) complete redevelopment construction of the Phase 1b New Work no later than October 31, 2014, subject to: (x) Section 18.17 (Force Majeure); (y) applicable Change Orders, if any, issued under Section 3.04; and (z) the receipt of all applicable permits and Project approvals.

3.02 **Scope Drawings and Plans and Specifications.** Developer has delivered the Scope Drawings and Plans and Specifications to HED, and HED has approved them. Subsequent proposed changes to the Scope Drawings or Plans and Specifications within the scope of Section 3.04 will be submitted to HED as a Change Order under Section 3.04. The Scope Drawings and Plans and Specifications will at all times conform to the Redevelopment Plan as in effect on the date of this Agreement, and to all applicable Federal, State and local laws, ordinances and regulations. Developer will submit all necessary documents to the City's Department of Buildings, Department of Transportation, and to such other City departments or governmental authorities as may be necessary to acquire building permits and other required approvals for the Project.

3.03 **Project Budget.** Developer has furnished to HED, and HED has approved, a Project Budget which is Exhibit D-1, showing total costs for the Project in an amount estimated to be $45,827,622 which includes anticipated costs for the Phase 1b New Work of ($19,003,525) (the "**Phase 1b New Work Budget**"). Developer hereby certifies to the City that: (a) it has Lender Financing and/or Equity in an aggregate amount which, together with the City Funds, is sufficient to pay for all Project costs; and (b) the Project Budget is true, correct and complete in all material respects. Developer will promptly deliver to HED copies of any Change Orders with respect to the Project Budget as provided in Section 3.04.

3.04 **Change Orders.**

(a) Except as provided in subparagraph (b) below, all Change Orders (and documentation substantiating the need and identifying the source of funding therefor) relating to changes to the Project must be submitted by Developer to HED concurrently with the progress reports described in Section 3.07; provided, however, that any Change Orders relating to any of the following must be submitted by Developer to HED for HED's prior written approval: (i) a reduction by more than five percent (5%) in the square footage of the Project from the square footage approved by HED under Section 3.02, or (ii) a change in the primary use of the Phase 1b New Work, or (iii) a delay in the commencement date or the completion date of the Phase 1b New Work of more than six (6) months, provided Developer notifies HED in writing and the reason therefor, or (iv) change orders resulting in an aggregate increase to the Project Budget of 10% or more. Developer will not authorize or permit the performance of any work relating to any Change Order requiring HED's prior written approval or the furnishing of materials in connection therewith prior to the receipt by Developer of HED's written approval. The Construction Contract, and each contract between the General Contractor and any subcontractor,

will contain a provision to this effect or for compliance with this Agreement generally. An approved Change Order will not be deemed to imply any obligation on the part of the City to increase the amount of City Funds or to provide any other additional assistance to Developer.

(b) Notwithstanding anything to the contrary in this Section 3.04, Change Orders other than those stated in subsection (a) above do not require HED's prior written approval as stated in this Section 3.04, but HED must be notified in writing of all such Change Orders within 10 Business Days after the execution of such change order, and Developer, in connection with such notice, must identify to HED the source of funding therefor in the progress reports described in Section 3.07.

3.05 **HED Approval.** Any approval granted by HED under this Agreement of the Scope Drawings, Plans and Specifications and the Change Orders is for the purposes of this Agreement only, and any such approval does not affect or constitute any approval required by any other City department or under any City ordinance, code, regulation, or any other governmental approval, nor does any such approval by HED under this Agreement constitute approval of the utility, quality, structural soundness, safety, habitability, merchantability or investment quality of the Project. Developer will not make any verbal or written representation to anyone to the contrary. Developer shall not undertake construction of the Project unless Developer has obtained all necessary permits and approvals (including but not limited to HED's approval of the Scope Drawings and Plans and Specifications) and proof of the General Contractor's and each subcontractor's bonding as required under this Agreement.

3.06 **Other Approvals.** Any HED approval under this Agreement will have no effect upon, nor will it operate as a waiver of, Developer's obligations to comply with the provisions of Section 5.03 (Other Governmental Approvals).

3.07 **Progress Reports and Survey Updates.** After the Closing Date, on or before the 15th day of each reporting month, Developer will provide HED with written quarterly construction progress reports detailing the status of the Phase 1b New Work, including a revised completion date, if necessary (with any delay in the commencement or completion date of more than six (6) months being considered a Change Order, requiring HED's written approval under Section 3.04). Developer must also deliver to the City written monthly progress reports detailing compliance with the requirements of Section 8.08 (Prevailing Wage), Section 10.02 (City Resident Construction Worker Employment Requirement) and Section 10.03 (Developer's MBE/WBE Commitment) (collectively, the **"City Requirements"**). If the reports reflect a shortfall in compliance with the requirements of Sections 8.08, 10.02 and 10.03, then there must also be included a written plan from Developer acceptable to HED to address and cure such shortfall.

3.08 **Inspecting Agent or Architect.** An independent agent or architect, (other than Developer's architect), shall be selected by Developer and approved by HED to act as the inspecting agent or architect for HED for the Phase 1b New Work, and any fees and expenses connected with its work or incurred by such independent agent or architect will be solely for Developer's account and will be promptly paid by Developer. The inspecting agent or architect

shall perform periodic inspections with respect to the Phase 1b New Work providing recommendations with respect thereto to HED, prior to requests for disbursement for costs related to the Phase 1b New Work.

3.09 **Barricades.** Prior to commencing any construction requiring barricades, Developer will install a construction barricade of a type and appearance satisfactory to the City and constructed in compliance with all applicable Federal, State or City laws, ordinances, rules and regulations. HED retains the right to approve the maintenance, appearance, color scheme, painting, nature, type, content, and design of all barricades (other than the name and logo of Developer or the Project).

3.10 **Signs and Public Relations.** If requested by HED, Developer will erect in a conspicuous location on the Property during construction of the Phase 1b New Work a sign of size and style approved by the City, indicating that financing has been provided by the City. The City reserves the right to include the name, photograph, artistic rendering of the Project and any other pertinent information regarding Developer and the Project in the City's promotional literature and communications.

3.11 **Utility Connections.** Developer may connect all on-site water, sanitary, storm and sewer lines constructed as a part of the Project to City utility lines existing on or near the perimeter of the Property, provided Developer first complies with all City requirements governing such connections, including the payment of customary fees and costs related thereto.

3.12 **Permit Fees.** In connection with the Project, Developer is obligated to pay only those building, permit, engineering, tap on, and inspection fees that are assessed on a uniform basis throughout the City of Chicago and are of general applicability to other property within the City of Chicago.

3.13 **Accessibility for Disabled Persons.** Developer acknowledges that it is in the public interest to design, construct and maintain the Project in a manner which promotes, enables, and maximizes universal access throughout the Project. Plans for all buildings on the Property and improvements on the Property will be reviewed and approved by the Mayor's Office for People with Disabilities ("**MOPD**") to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.

3.14 **Additional Project Features**

(a) Landscaping. Developer will perform all landscaping work required by PD1167.

(b) Green Construction. All construction of the Project, including but not limited to building construction, green space and surface parking, if any, shall be built in accordance with the "green construction" standards of applicable HED policies as incorporated in and required by PD 1167. Developer will submit written evidence demonstrating compliance with such requirements.

If there is a proceeds shortfall, then City Note B will be issued by the City in the shortfall amount, after City Note A has been sold. For informational purposes in this Agreement, City Note B has been assigned a "**bracketed**" nominal value of $1,000,000, to be adjusted if and when City Note B is issued. City Note A will be a tax-exempt note and will have payment priority over City Note B. City Note B will be a taxable note. If issued , City Note B will be subject to the following limits as applicable: $1,000,000; or the maximum amount that can be supported for City Note B as stated in the final underwriting of the increment as reported in the feasibility report issued for the sale of City Note

A; or the difference between $4,903,525 and the City Note A Net Proceeds. Further, the face amount of City Note A plus the fAce amount of City Note B can not exceed $8,016,029.

(2) Construction Escrow. At Closing, Developer will enter into an escrow agreement with the, HED and the Title Company as provided in Section 4.04, creating the **"Construction Escrow"**. The $6,100,000 cash payment to Developer on the Closing Date and the City Note A Net Proceeds will each be deposited into the Construction Escrow.

(3) Reserve Escrow. Upon the sale of City Note A, the City will deposit or cause to be deposited 10% of the par amount of City Note A into an escrow account (the "**Reserve Escrow**") held by a financial institution selected by the Developer and acceptable to the City (the "**Bank Trustee**"). The Reserve Escrow will be available to cure payment shortfalls in the event there are insufficient Available Incremental Taxes to make any scheduled payment for City Note A, as provided in Section 4.03(d).

(b) Completed Work. Developer has already incurred and paid for the costs of the Acquisition, the Phase 1a Infrastructure Improvements and the Phase 1b Completed Work using the Lender Financing sources scheduled above. The $6,100,000 cash payment to Developer on the Closing Date is intended to reimburse Developer for a portion of the costs of the Phase 1a Infrastructure Improvements, consisting of costs for public improvements eligible for reimbursement under the Act. The City is willing to reimburse Developer for a portion of the costs of the Phase 1a Infrastructure Improvements. Developer is undertaking the obligations under this Agreement to construct the Phase 1b New Work and agrees that the $6,100,000 cash payment will be used to pay for the costs of the Phase 1b New Work.

(c) New Work. The costs of the Phase 1b New Work are estimated to be $19,003,525 to be paid for from the Equity and City Funds scheduled above.

4.02 **Developer Funds.** Equity, Lender Financing, and City Funds will be used to pay all Project costs, including, but not limited to Redevelopment Project Costs and costs of TIF-Funded Improvements. The $6,100,000 cash payment to reimburse Developer for a portion of the costs of the Phase 1a Infrastructure Improvements may thereafter be used to pay for any costs of the Phase 1b New Work.

4.03 **City Funds.**

(a) Uses of City Funds.

(i) Any principal or interest paid under the City Notes, and any other funds expended by the City under this Agreement or otherwise related to the Project or to the TIF-Funded Improvements are defined as **"City Funds"**.

(ii) City Funds may be used to pay for or reimburse Developer only for costs of TIF-Funded Improvements that constitute Redevelopment Project Costs. Exhibit E states, by line item, the TIF-Funded Improvements for the Project contingent upon receipt by the City of documentation satisfactory in form and substance to HED evidencing such costs and their respective eligibility as a Redevelopment Project Cost. With the exception of the $6,100,000 payment to be made as provided in Section 4/03(c) below, reimbursement to Developer of costs through City Funds will be in the form of cash payments to Developer from the Construction Escrow.

(b) Sources of City Funds. Subject to the terms and conditions of this Agreement, including but not limited to this Section 4.03 and Article Five, the City hereby agrees to: (i) pay $6,100,000 in cash to Developer on the Closing Date; and (ii) issue City Note A to Chicago Neighborhood Initiatives on the Closing Date; and (iii) issue City Note B to Chicago Neighborhood Initiatives on the Note Sale Date; in such amount which will allow for an aggregate net proceeds (after deducting proceeds or deposits to any required debt service reserve fund and capitalized interest) to Chicago Neighborhood Initiatives of $4,903,525 on the Note Sale Date. Any payments under the City Notes are subject to the amount of Available Incremental Taxes and Incremental Taxes for the Redevelopment Area, as applicable, being sufficient for such payments.

(c) $6.1 Million Payment. The City hereby agrees to port funds from one or more of the adjacent redevelopment project areas which are contiguous to or only separated by the public way from the North Pullman Redevelopment Area in a total amount of $6,100,000. The City will pay such amount to Developer on the Closing Date. This payment shall be made as reimbursement to Developer for a portion of the costs of the Phase 1a Infrastructure Improvements already incurred by Developer. Developer may assign, transfer and quit-claim its right to receive all or a portion of such payment to Chicago Neighborhood Initiatives, and direct that the City pay such funds (or portion thereof) directly to Chicago Neighborhood Initiatives. Developer hereby agrees to deposit the $6,100,000 payment, whether paid to Developer or Chicago Neighborhood Initiatives, into the Construction Escrow or to instruct the City to directly deposit the payment into the Construction Escrow for Developer's account. Funds on deposit in the Construction Escrow will be used to pay for or reimburse Developer for the costs

of TIF-Funded Improvements as provided in the Escrow Agreement. The Escrow Agreement shall provide that the $6,100,000 payment shall be disbursed from the Construction Escrow to pay for costs of the Phase 1b New Work as such costs are incurred, subject only to Developer's certification of not less than $6,100,000 of Phase 1a Infrastructure Improvements costs to the City and the City's approval of such costs.

(d) Issuance of City Note A. On the Closing Date, the City will issue City Note A to Chicago Neighborhood Initiatives with the following terms and conditions:

(B) Except as may be otherwise provided in this Agreement, Available Incremental Taxes only will be used to pay the principal of and interest on City Note A and on unpaid interest, if any. In the ordinance authorizing the issuance of City Note A the City will establish an account denominated the: "Pullman Park Development/Chicago Neighborhood Initiatives Debt Service Account" within the North Pullman Redevelopment Project Area

Special Tax Allocation Fund. All Available Incremental Taxes will be deposited into the Pullman Park Development/Chicago Neighborhood Initiatives Debt Service Account.

Interest per annum at the rate set when the City Note A is issued will accrue on any principal or interest payments which are unpaid because of insufficient Available Incremental Taxes.

(vi) Prepayment of the City Note A by the City and Related Lock Out Period. The City may prepay the City Note A in whole or in part at any time without premium or penalty, subject to the following conditions:

(A) City Note A Lock-Out Period. The City will not prepay City Note A for a 5-year (60 month) period beginning with the first whole

(ix) Costs of Issuance of City Note A. Developer will be responsible for paying all legal and issuance costs in relation to City Note A, including all costs of bond counsel.

(e) Issuance of City Note B. In the event City Note A Net Proceeds to be deposited into the Construction Escrow are less than $4,903,525 in the contemporaneous sale or transfer transaction anticipated by Developer for City Note A, then the City will issue City Note B to Chicago Neighborhood Initiatives on the Note Sale Date. If the City issues City Note B, such issuance will be subject to the following terms and conditions:

(i) (i) Principal. The principal amount for City Note B will be the difference between the City Note A Net Proceeds to Developer and $4,903,525. For informational purposes in this Agreement, City Note B has been assigned a "**bracketed**", nominal value of $1,000,000, to be adjusted if and when City Note B is issued. If issued, City Note B will be subject to the following limits as applicable: (i) per value not to exceed $1,000,000; (ii) the maximum amount that can be support for city Note B as stated in the final underwriting of the increment as reported in the feasibility report issued for the sale of City Note A: (iii) the difference between $4,903,525 and the City Note A Net Proceeds; and (iv) the face amount of City Note A plus the face amount of City Note B can not exceed $8,016,029.

Interest per annum at the rate set when City Note B is issued will accrue on any principal or interest payments which are unpaid because of insufficient Available Incremental Taxes.

(vi) Prepayment. City Note B may be prepaid at any time without premium or penalty.

(vii) Sale or Transfer of City Note B. After the issuance of the City Note B, City Note B may be sold or assigned in a Qualified Transfer of City Note B. Thereafter, City Note B may again be sold in a Qualified Transfer of City Note B.

(viii) Cessation of City Note B Payments. If an Event of Default occurs, the City will have no further obligations to make any payments with respect to City Note B and the City will have the remedies stated in Sections 7.03 and 15.02.

In the event of any conflict between the terms of this Agreement and the terms of the Escrow Agreement concerning the Project (including the dispersal of funds for the Phase 1b New Work through the Escrow), the terms of this Agreement shall control.

(b) The City shall enter into a Reserve Escrow Agreement with a financial institution selected by Developer and acceptable to the City under which there shall be deposited proceeds from the sale of City Note A in an amount necessary to fund any required reserve for City Note A in an amount not in excess of 10% of the principal amount of City Note A. Amounts on deposit in the Reserve Escrow shall be available to pay debt service owed on City Note A in the event there are insufficient Available Incremental Taxes to pay such debt service and shall be replenished upon receipt of Available Incremental Taxes after payment of debt service owed on City Note A.

At any time after the issuance of the Certificate of Completion, following a request by Developr, the City agrees to a release of the Junior Mortgage and consents to the recording of such release. The Junior Mortgage shall be subordinate to all Lender Financing.

4.07 **Treatment of Prior Expenditures.** Only those expenditures made by Developer with respect to the Project prior to the Closing Date, evidenced by documentation satisfactory to HED and approved by HED as satisfying costs covered in the Project Budget, will be considered previously contributed Equity or Lender Financing, if any, hereunder (the "**Prior Expenditure(s)**"). HED has the right, in its sole discretion, to disallow any such expenditure

(not listed on Exhibit H) as a Prior Expenditure as of the date of this Agreement. Exhibit H identifies the prior expenditures approved by HED as Prior Expenditures. Prior Expenditures made for items other than TIF-Funded Improvements will not be reimbursed to Developer, but will reduce the amount of Equity and/or Lender Financing, if any, required to be contributed by Developer under Section 4.01.

4.08 **Cost Overruns.** If the aggregate cost of the TIF-Funded Improvements exceeds City Funds available under Section 4.03, Developer will be solely responsible for such excess costs, and will hold the City harmless from any and all costs and expenses of completing the TIF-Funded Improvements in excess of City Funds and from any and all costs and expenses of completing the Project in excess of the Project Budget.

The proceeds of TIF Bonds may be used to pay City Funds due under this Agreement and for other purposes as the City may determine. The costs of issuance of the TIF Bonds would be borne solely by the City. Developer will cooperate with the City in the issuance of the TIF Bonds, as provided in Section 8.05.

4.10 **Preconditions of Disbursement.** Developer has submitted documentation satisfactory to HED regarding the expenditures made with respect to the Phase 1a Infrastructure Improvements. Prior to the disbursement of City Funds from the City Note Proceeds Subaccount, Developer shall submit documentation regarding the applicable expenditures to HED, which shall be satisfactory to HED in its sole discretion. Delivery by Developer to HED of any request for disbursement of City Funds from the City Note Proceeds Subaccount, hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for disbursement, that:

(a) the representations and warranties contained in this Agreement are true and correct and Developer is in compliance with all covenants contained herein;

(b) Developer has received no notice and has no knowledge of any lien or claim of lien either filed or threatened against the Property or the Phase 1b New Work except for the Permitted Liens;

(c) no Event of Default or condition or event which, with the giving of notice or passage time or both, would constitute an Event of Default exists or has occurred;

The City shall have the right, in its discretion, to require Developer to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and any disbursement by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by Developer. In addition, Developer shall have satisfied all other

preconditions of disbursement of City Funds for each disbursement, including not limited to the requirements set forth in the Bond Ordinance, if any; the TIF Bond Ordinance, if any; the Bonds, if any; the TIF Bonds, if any; the TIF Ordinances and this Agreement.

Notwithstanding acceptance by the City of the EDS, failure of the EDS to include all information required under the Municipal Code renders this

Agreement voidable at the option of the City. Developer and any other parties required by this Section 5.14 to complete an EDS must promptly update their EDS(s) on file with the City whenever any information or response provided in the EDS(s) is no longer complete and accurate, including changes in ownership and changes in disclosures and information pertaining to ineligibility to do business with the City under Chapter 1-23 of the Municipal Code, as such is required under Sec. 2-154-020, and failure to promptly provide the updated EDS(s) to the City will constitute an event of default under this Agreement.

In each case, the description shall specify the amount of each claim, an estimate of probable liability, the amount of any reserves taken in connection therewith, and whether (and to what extent) such potential liability is covered by insurance.

ARTICLE SIX: AGREEMENTS WITH CONTRACTORS

6.01 **Bid Requirement for General Contractor and Subcontractors.**

(a) HED acknowledges that Developer has constructed the Phase 1a Infrastructure Improvements and the Phase 1b Completed Work under a construction contract entered into prior to the date of this Agreement. HED acknowledges that Developer has selected _____, as the general contractor (the "**General Contractor**") for the Phase 1b New Work. Developer must solicit, or must cause the General Contractor to solicit, bids from qualified contractors eligible to do business with the City.

(b) For the TIF-Funded Improvements, Developer must cause the General Contractor to select the subcontractor submitting the lowest responsible and responsive bid as determined by Developer who can complete the Project (or phase thereof) in a timely and good and workmanlike manner; provided, however, that Developer may consider a bidder's ability to meet the unique challenges of the Project in evaluating the "lowest responsible bid" rather than the lowest bid. If the General Contractor selects any subcontractor submitting other than the lowest responsible bid for the TIF-Funded Improvements, the difference between the lowest responsible bid and the bid selected may not be paid out of City Funds.

(c) Developer must submit copies of the Construction Contract to HED as required under Section 6.02 below. Photocopies of all subcontracts entered or to be entered into in connection with the TIF-Funded Improvements must be provided to HED within 20 Business Days of the execution thereof. Developer must ensure that the General Contractor will not (and must cause the General Contractor to ensure that the subcontractors will not) begin work on the Project (or any phase thereof) until the applicable Plans and Specifications for that phase have been approved by HED and all requisite permits have been obtained.

6.02 **Construction Contract.** Prior to the execution thereof, Developer must deliver to HED a copy of the proposed Construction Contract with the General Contractor selected to work on the TIF-Funded Improvements under Section 6.01 above, for HED's prior written approval. Within 10 Business Days after execution of such contract by Developer, the General Contractor and any other parties thereto, Developer must deliver to HED and Corporation Counsel a certified copy of such contract together with any modifications, amendments or supplements thereto.

6.03 **Performance and Payment Bonds.** Prior to commencement of construction of any work in the public way, if any, Developer will require that the General Contractor and any applicable subcontractor(s) be bonded (as to such work in the public way) for their respective payment and performance by sureties having an AA rating or better using the form of payment and performance bond form attached as Exhibit L. The City will be named as obligee or co-obligee on such bond.

6.04 **Employment Opportunity.** Developer will contractually obligate and cause the General Contractor to agree and contractually obligate each subcontractor to agree to the provisions of Article Ten. The parties acknowledge that the contracting, hiring and testing requirements for the MBE/WBE and City Residency obligations in Article Ten are applied by the City's monitoring staff on an aggregate basis, and that it shall not be an event of default under this Agreement, nor shall the payment of the City resident hiring shortfall amount be required, if the General Contractor does not impose such obligations on each subcontractor, or if any one subcontractor does not satisfy such obligations, so long as such obligations are satisfied on an aggregate basis.

6.05 **Other Provisions.** In addition to the requirements of this Article Six, the Construction Contract and each contract with any subcontractor working on the Project must contain provisions required under Section 3.04 (Change Orders), Section 8.08 (Prevailing Wage), Section 10.01(e) (Employment Opportunity), Section 10.02 (City Resident Construction Worker Employment Requirement), Section 10.03 (Developer's MBE/WBE Commitment), Article Twelve (Insurance) and Section 14.01 (Books and Records).

ARTICLE SEVEN: COMPLETION OF CONSTRUCTION

7.01 **Certificate of Completion of Construction.** Upon completion of the construction of the Project in compliance with the terms and conditions of this Agreement, and upon Developer's written request, HED will issue to Developer a certificate of completion of construction in recordable form (the "**Certificate of Completion**") certifying that Developer has fulfilled its obligation to complete the Project in compliance with the terms and conditions of this Agreement, provided the following conditions have been met:

(a) issuance of a certificate of occupancy by the City, not to be unreasonably withheld, or other evidence acceptable to HED, that Developer has complied with building permit requirements for the 67,000 square feet of retail space constructed as part of the Phase 1b New Work; and

(b) evidence that at least 75% of the net rentable area of the Phase 1b Retail Project has been leased and is occupied for at least one Business Day.

HED will respond to Developer's written request for a Certificate of Completion within 30 days by issuing either a Certificate of Completion or a written statement detailing the ways in which the Project does not conform to this Agreement or has not been satisfactorily completed and the measures which must be taken by Developer in order to obtain the Certificate of Completion. Developer may resubmit a written request for a Certificate of Completion upon completion of such measures, and the City will respond within 30 days in the same way as the procedure for the initial request. Such process may repeat until the City issues a Certificate of Completion.

7.02 **Effect of Issuance of Certificate of Completion; Continuing Obligations.**

(a) The Certificate of Completion relates only to the construction of the Project, and upon its issuance, the City will certify that the terms of the Agreement specifically related to Developer's obligation to complete such activities have been satisfied. After the issuance of a Certificate of Completion, however, all executory terms and conditions of this Agreement and all representations and covenants contained herein will continue to remain in full force and effect throughout the Term of the Agreement as to the parties described in the following paragraph, and the issuance of the Certificate of Completion must not be construed as a waiver by the City of any of its rights and remedies under such executory terms.

(b) Those covenants specifically described at Section 8.16 (Real Estate Taxes) as covenants that run with the land comprising the Property are the only covenants in this Agreement intended to be binding throughout the Term of the Agreement upon any transferee of the Developer holding title to the Property or any portion thereof, regardless of whether or to what extent that owner is also an assignee of Developer as described in this paragraph and regardless of whether or not a Certificate of Completion has been issued. Unless a Certificate of Completion has been issued, those covenants specifically described at Section 8.02 (Covenant to Redevelop) as covenants that run with the land comprising the Property are the only other covenants in this Agreement intended to be binding throughout the Term of the Agreement upon any transferee of the Developer holding title to the Property or any portion thereof, regardless of whether or to what extent that owner is also an assignee of Developer as described in this paragraph. The other executory terms of this Agreement that remain after the issuance of a Certificate of Completion will be binding only upon Developer or a permitted assignee of Developer who, as provided in Section 18.15 (Assignment) of this Agreement, has contracted to take an assignment of Developer's rights under this Agreement and assume Developer's liabilities hereunder.

7.03 **Failure to Complete.** If Developer fails to timely complete the Project in compliance with the terms of this Agreement, then the City will have, but will not be limited to, any of the following rights and remedies, in addition to those stated in Section 15.02.

(a) the right to terminate this Agreement and cease all disbursement of City Funds not yet disbursed under this Agreement, other than principal and interest due under City Note A; and

(b) the right to redeem City Note A from amounts on deposit in the City Note Proceeds Subaccount of the Construction Escrow; and

(c) the right (but not the obligation) to complete those TIF-Funded Improvements that are public improvements and to pay for the costs of such TIF-Funded Improvements (including interest costs) out of the payment and performance bond form attached as Exhibit L, and, if such funds are insufficient, then from City Funds or other City monies. If the aggregate costs incurred by the City to complete the TIF-Funded Improvements exceeds the amount of funds described in the preceding sentence, Developer will reimburse the City for all reasonable costs and expenses incurred by the City in completing such TIF-Funded Improvements in excess of those funds.

7.04 **Notice of Expiration or Termination.** Upon the expiration of the Term of the Agreement, HED will provide Developer, at Developer's written request, with a written notice in recordable form stating that the Term of the Agreement has expired.

8.06 **Employment Opportunity.**

(a) Developer covenants and agrees to abide by, and contractually obligate and use reasonable efforts to cause the General Contractor and, as applicable, to cause the General Contractor to contractually obligate each subcontractor to abide by the terms set forth in Section 8.08 (Prevailing Wage) and Article Ten (Developer's Employment Obligations).Developer will submit a plan to HED describing its compliance program prior to the Closing Date.

(b) Developer will deliver to the City written monthly progress reports detailing compliance with the requirements of Sections 8.08, (Prevailing Wage) 10.02 (City Resident Construction Worker Employment Requirement) and 10.03 (Developer's MBE/WBE Commitment) of this Agreement. If any such reports indicate a shortfall in compliance, Developer will also deliver a plan to HED which will outline, to HED's satisfaction, the manner in which Developer will correct any shortfall.

8.07 **Employment Profile.** Developer will submit, and contractually obligate and cause the General Contractor to submit and contractually obligate any subcontractor to submit, to HED, from time to time, statements of its employment profile upon HED's request.

8.08 **Prevailing Wage.** Developer covenants and agrees to pay, and to contractually obligate and cause the General Contractor to pay and to contractually cause each subcontractor to pay, the prevailing wage rate as ascertained by the State Department of Labor (the **"Labor Department"**), to all of their respective employees working on constructing the Phase 1b New Work or otherwise completing the TIF-Funded Improvements. All such contracts will list the specified rates to be paid to all laborers, workers and mechanics for each craft or type of worker or mechanic employed under such contract, or alternatively Developer will provide applicable schedules evidencing wage rates paid. If the Labor Department revises such prevailing wage rates, the revised rates will apply to all such contracts. Upon the City's request, Developer will provide the City with copies of all such contracts entered into by Developer or the General Contractor to evidence compliance with this Section 8.08.

8.09 **Arms-Length Transactions.** Unless HED shall have given its prior written consent with respect thereto, no Affiliate of Developer may receive any portion of City Funds, directly or indirectly, in payment for work done, services provided or materials supplied in connection with any TIF-Funded Improvement. Developer will provide information with respect to any entity to receive City Funds directly or indirectly (whether through payment to an Affiliate by Developer and reimbursement to Developer for such costs using City Funds, or otherwise), upon HED's request, prior to any such disbursement.

8.10 **Financial Statements.** Developer will obtain and provide to HED Financial Statements for 2011 and, if available, 2012, and each year thereafter for the Term of the Agreement.

8.11 **Insurance.** Solely at its own expense, Developer will comply with all applicable provisions of Article Twelve (Insurance) hereof.

8.12 **Non-Governmental Charges.**

(a) Payment of Non-Governmental Charges. Except for the Permitted Liens, and subject to subsection (b) below, Developer agrees to pay or cause to be paid when due any Non-Governmental Charges assessed or imposed upon the Property or the Project or the or any fixtures that are or may become attached thereto and which are owned by Developer, which creates, may create, or appears to create a lien upon all or any portion of the Property; provided however, that if such Non-Governmental Charges may be paid in installments, Developer may pay the same together with any accrued interest thereon in installments as they become due and before any fine, penalty, interest, or cost may be added thereto for nonpayment. Developer will furnish to HED, within thirty (30) days of HED's request, official receipts from the appropriate entity, or other evidence satisfactory to HED, evidencing payment of the Non-Governmental Charges in question.

(b) Right to Contest. Developer will have the right, before any delinquency occurs:

(i) to contest or object in good faith to the amount or validity of any Non-Governmental Charges by appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charges, prevent the imposition of a lien or remove such lien, or prevent the transfer or forfeiture of the Property (so long as no such contest or objection shall be deemed or construed to relieve, modify or extend Developer's covenants to pay any such Non-Governmental Charges at the time and in the manner provided in this Section 8.12); or

(ii) at HED's sole option, to furnish a good and sufficient bond or other security satisfactory to HED in such form and amounts as HED will require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such transfer or forfeiture of the Property or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully

any such contested Non-Governmental Charges and all interest and penalties upon the adverse determination of such contest.

8.13 **Developer's Liabilities.** Developer will not enter into any transaction that would materially and adversely affect its ability to: (i) perform its obligations under this Agreement or (ii) repay any material liabilities or perform any material obligations of Developer to any other person or entity. Developer will immediately notify HED of any and all events or actions which may materially affect Developer's ability to carry on its business operations or perform its obligations under this Agreement or under any other documents and agreements.

8.14 **Compliance with Laws.**

(a) Representation. To Developer's knowledge, after diligent inquiry, the Property and the Phase 1b Retail Project are in compliance with all applicable Federal, State and local laws, statutes, ordinances, rules, regulations, executive orders and codes pertaining to or affecting the Property and the Phase 1b Retail Project. Upon the City's request, Developer will provide evidence reasonably satisfactory to the City of such current compliance.

(b) Covenant. Developer covenants that the Property and the Phase 1b Retail Project will be operated and managed in compliance with all applicable Federal, State and local laws, statutes, ordinances, rules, regulations, executive orders and codes pertaining to or affecting the Property or the Phase 1b Retail Project, including the following Municipal Code Sections: 7-28-390, 7-28-440, 11-4-1410, 11-4-1420, 11-4-1450, 11-4-1500, 11-4-1530, 11-4-1550 or 11-4-1560, whether or not in performance of this Agreement. Upon the City's request, Developer will provide evidence to the City of its compliance with this covenant.

8.15 **Recording and Filing.** Developer will cause this Agreement, certain exhibits (as specified by Corporation Counsel) and all amendments and supplements hereto to be recorded and filed on the date hereof in the conveyance and real property records of Cook County, Illinois against the Property. Developer will pay all fees and charges incurred in connection with any such recording. Upon recording, Developer will immediately transmit to the City an executed original of this Agreement showing the date and recording number of record.

8.16 **Real Estate Provisions.**

(a) Governmental Charges.

(i) Payment of Governmental Charges. Subject to subsection (ii) below, Developer agrees to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon Developer, the Property or the Project, or become due and payable, and which create, may create, or appear to create a lien upon Developer or all or any portion of the Property or the Project provided, however, that this section shall not impose on Developer any obligation to be personally liable on any tax that does not generally impose personal liability. "**Governmental Charge**" means all Federal, State, county, the City, or other governmental (or any

instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances relating to Developer, the Property or the Project, including but not limited to real estate taxes.

(ii) Right to Contest. Developer has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or transfer or forfeiture of the Property or the Project. No such contest or objection will be deemed or construed in any way as relieving, modifying or extending Developer's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless Developer has given prior written notice to HED of Developer's intent to contest or object to a Governmental Charge and, unless, at HED's sole option:

(x) Developer will demonstrate to HED's satisfaction that legal proceedings instituted by Developer contesting or objecting to a Governmental Charge will conclusively operate to prevent or remove a lien against, or the sale or transfer or forfeiture of, all or any part of the Property or the Project to satisfy such Governmental Charge prior to final determination of such proceedings, and/or;

(y) Developer will furnish a good and sufficient bond or other security satisfactory to HED in such form and amounts as HED may require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or transfer or forfeiture of the Property or the Project during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

(b) Developer's Failure To Pay Or Discharge Lien. If Developer fails to pay or contest any Governmental Charge or to obtain discharge of the same, Developer will advise HED thereof in writing, at which time HED may, but will not be obligated to, and without waiving or releasing any obligation or liability of Developer under this Agreement, in HED's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which HED deems advisable. All sums so paid by HED, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, will be promptly disbursed to HED by Developer. Notwithstanding anything contained herein to the contrary, this paragraph must not be construed to obligate the City to pay any such Governmental Charge. Additionally, if Developer fails to pay any Governmental Charge, the City, in its sole discretion, may require Developer to submit to the City audited Financial Statements at Developer's own expense.

8.17 **Annual Compliance Report.** Throughout the Term of the Agreement, Developer shall submit to HED the Annual Compliance Report within 30 days after the end of the calendar year to which the Annual Compliance Report relates.

8.18 **Reserved.**

8.19 **Broker's Fees.** Developer has no liability or obligation to pay any fees or commissions to any broker, finder, or agent with respect to any of the transactions contemplated by this Agreement for which the City could become liable or obligated.

8.20 **No Conflict of Interest.** Under Section 5/11-74.4-4(n) of the Act, Developer represents, warrants and covenants that to the best of its knowledge, no member, official, or employee of the City, or of any commission or committee exercising authority over the Project, the Redevelopment Area or the Redevelopment Plan, or any consultant hired by the City, (a **"City Group Member"**) owns or controls, has owned or controlled or will own or control any interest, and no such City Group Member will represent any person, as agent or otherwise, who owns or controls, has owned or controlled, or will own or control any interest, direct or indirect, in Developer, the Property, the Property, the Project, or to Developer's actual knowledge, any other property in the Redevelopment Area.

8.21 **Disclosure of Interest.** Developer's counsel has no direct or indirect financial ownership interest in Developer, the Property or any other feature of the Project.

8.22 **No Business Relationship with City Elected Officials.** Developer acknowledges receipt of a copy of Section 2-156-030(b) of the Municipal Code and that Developer has read and understands such provision. Under Section 2-156-030(b) of the Municipal Code of Chicago, it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected official has a "Business Relationship" (as defined in Section 2-156-080(b)(2) of the Municipal Code), or to participate in any discussion of any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship. Violation of Section 2-156-030(b) by any elected official, or any person acting at the direction of such official, with respect to this Agreement, or in connection with the transactions contemplated thereby, will be grounds for termination of this Agreement and the transactions contemplated thereby. Developer hereby represents and warrants that, to the best of its knowledge after due inquiry, no violation of Section 2-156-030(b) has occurred with respect to this Agreement or the transactions contemplated thereby.

8.23 **Inspector General**. It is the duty of Developer and the duty of any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all of Developer's officers, directors, agents, partners, and employees and any such bidder, proposer, contractor, subcontractor or such applicant: (a) to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code and (b) to cooperate with the Legislative Inspector General in any investigation

undertaken pursuant to Chapter 2-55 of the Municipal Code. Developer represents that it understands and will abide by all provisions of Chapters 2-56 and 2-55 of the Municipal Code and that it will inform subcontractors of this provision and require their compliance.

8.24 **Prohibition on Certain Contributions – Mayoral Executive Order No. 2011-4**. Neither Developer or any person or entity who directly or indirectly has an ownership or beneficial interest in Developer of more than 7.5% ("**Owners**"), spouses and domestic partners of such Owners, Developer's Subcontractors, any person or entity who directly or indirectly has an ownership or beneficial interest in any Subcontractor of more than 7.5% ("**Sub-owners**") and spouses and domestic partners of such Sub-owners (Developer and all the other preceding classes of persons and entities are together, the "**Identified Parties**"), shall make a contribution of any amount to the Mayor of the City of Chicago (the "**Mayor**") or to his political fundraising committee during: (i) the bid or other solicitation process for this Agreement or Other Agreement, including while this Agreement or Other Agreement is executory, (ii) the term of this Agreement or any Other Agreement between City and Developer, and/or (iii) any period in which an extension of this Agreement or Other Agreement with the City is being sought or negotiated.

Developer represents and warrants that since the date of public advertisement of the specification, request for qualifications, request for proposals or request for information (or any combination of those requests) or, if not competitively procured, from the date the City approached the Developer or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Developer shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

The Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Agreement for which no opportunity to cure will be granted. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Agreement, at law and in equity. This provision amends any Other Agreement and supersedes any inconsistent provision contained therein.

If applicable, if Developer violates this provision or Mayoral Executive Order No. 2011-4 prior to award of the Agreement resulting from this specification, then HED may reject Developer's bid.

For purposes of this provision:

"**Other Agreement**" means any agreement entered into between the Developer and the City that is (i) formed under the authority of MCC Ch. 2-92; (ii) for the purchase, sale or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved and/or authorized by the City Council.

"**Contribution**" means a "**political contribution**" as defined in MCC Ch. 2-156, as amended.

"**Political fundraising committee**" means a "**political fundraising committee**" as defined in MCC Ch. 2-156, as amended.

8.25 **Shakman Accord** .

(a) The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "**Shakman Accord**") and the June 24, 2011 "City of Chicago Hiring Plan" (the "**City Hiring Plan**") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(b) Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with Developer, either as an employee or as a subcontractor, and from directing Developer to hire an individual as an employee or as a subcontractor. Accordingly, Developer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Developer under this Agreement are employees or subcontractors of Developer, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Developer.

(c) Developer will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose

the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(d) In the event of any communication to Developer by a City employee or City official in violation of paragraph (b) above, or advocating a violation of paragraph (c) above, Developer will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("**IGO Hiring Oversight**"), and also to the Commissioner of HED. Developer will also cooperate with any inquiries by IGO Hiring Oversight or the Shakman Monitor's Office related to this Agreement.

8.26 **FOIA and Local Records Act Compliance**.

(a) FOIA. Developer acknowledges that the City is subject to the Illinois Freedom of Information Act, 5 ILCS 140/1 et. seq., as amended ("**FOIA**"). The FOIA requires the City to produce records (very broadly defined in the FOIA) in response to a FOIA request in a very short period of time, unless the records requested are exempt under the FOIA. If Developer receives a request from the City to produce records within the scope of FOIA, that would be otherwise required under this Agreement then Developer covenants to comply with such request within two (2) Business Days of the date of such request. Failure by Developer to timely comply with such request will be a breach of this Agreement.

(b) Exempt Information. Documents that Developer submits to the City under Section 8.20, (Annual Compliance Report) or otherwise during the Term of the Agreement that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents submitted by Developer to be treated as a trade secret or information that would cause competitive harm, FOIA requires that Developer mark any such documents as "proprietary, privileged or confidential." If Developer marks a document as "proprietary, privileged and confidential", then HED will evaluate whether such document may be withheld under the FOIA. HED, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General's Office and/or the courts.

(c) Local Records Act. Developer acknowledges that the City is subject to the Local Records Act, 50 ILCS 205/1 et. seq, as amended (the "**Local Records Act**"). The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, Developer covenants to use its best efforts consistently applied to assist the City in its compliance with the Local Records Act concerning records arising under or in connection with this Agreement and the transactions contemplated in the Agreement.

8.27 **Survival of Covenants.** All warranties, representations, covenants and agreements of Developer contained in this Article Eight and elsewhere in this Agreement are

true, accurate and complete at the time of Developer's execution of this Agreement, and will survive the execution, delivery and acceptance by the parties and (except as provided in Article Seven upon the issuance of a Certificate of Completion) will be in effect throughout the Term of the Agreement.

ARTICLE NINE: REPRESENTATIONS, WARRANTIES AND COVENANTS OF CITY

9.01 **General Covenants.** The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations hereunder.

9.02 **Survival of Covenants.** All warranties, representations, and covenants of the City contained in this Article Nine or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

ARTICLE TEN: DEVELOPER'S EMPLOYMENT OBLIGATIONS

10.01 **Employment Opportunity.** Developer, on behalf of itself and its successors and assigns, hereby agrees, and will contractually obligate its or their various contractors, subcontractors or any Affiliate of Developer on the Phase 1b New Work (collectively, with Developer, such parties are defined herein as the **"Employers"**, and individually defined herein as an **"Employer"**) to agree, that for the Term of this Agreement with respect to Developer and during the period of any other party's provision of services in connection with the construction of the Phase 1b New Work:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time-to-time (the **"Human Rights Ordinance"**). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or

ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Redevelopment Area; and to provide that contracts for work in connection with the construction of the Phase 1b New Work be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

(c) Each Employer will comply with all applicable Federal, State and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the State Human Rights Act, 775 ILCS 5/1-101 et.seq. (2006 State Bar Edition), as amended, and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section, will cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of Federal, State and municipal agencies.

(e) Each Employer will include the foregoing provisions of subparagraphs (a) through (d) in every construction contract entered into in connection with the Phase 1b New Work, after the Closing Date, and will require inclusion of these provisions in every subcontract entered into by any subcontractors, after the Closing Date, and every agreement with any Affiliate operating on the Property or at the Phase 1b New Work, after the Closing Date, so that each such provision will be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 10.01 will be a basis for the City to pursue remedies under the provisions of Section 15.02 hereof, subject to the cure rights under Section 15.03.

10.02 **City Resident Construction Worker Employment Requirement.**

(a) Developer agrees for itself and its successors and assigns, and will contractually obligate its General Contractor and will cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Phase 1b New Work they will comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code of Chicago (at least 50 percent of the total worker hours worked by persons on the site of the Phase 1b New Work will be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, Developer, its General Contractor and each subcontractor will be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions. Developer, the General Contractor and each subcontractor will use

their respective best efforts to exceed the minimum percentage of hours stated above, and to employ neighborhood residents in connection with the Phase 1b New Work.

(b) Developer may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

(c) **"Actual residents of the City"** means persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

(d) Developer, the General Contractor and each subcontractor will provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Phase 1b New Work. Each Employer will maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

(e) Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) will be submitted to the Commissioner of HED in triplicate, which will identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

(f) Upon 2 Business Days prior written notice, Developer, the General Contractor and each subcontractor will provide full access to their employment records related to the construction of the Phase 1b New Work to the Chief Procurement Officer, the Commissioner of HED, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. Developer, the General Contractor and each subcontractor will maintain all relevant personnel data and records related to the construction of the Phase 1b New Work for a period of at least 3 years after final acceptance of the work constituting the Phase 1b New Work.

(g) At the direction of HED, affidavits and other supporting documentation will be required of Developer, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

(h) Good faith efforts on the part of Developer, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) will not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

(i) When work at the Phase 1b New Work is completed, in the event that the City has determined that Developer has failed to ensure the fulfillment of the requirement of this Article concerning the worker hours performed by actual residents of the City or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the

benefit of demonstrable employment to Chicagoans to the degree stipulated in this Article. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs allocated to the Phase 1b New Work set forth in the Project Budget (the product of .0005 x such aggregate hard construction costs) (as the same will be evidenced by approved contract value for the actual contracts) will be surrendered by Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly will result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject Developer, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to Developer pursuant to Section 2-92-250 of the Municipal Code of Chicago may be withheld by the City pending the Chief Procurement Officer's determination as to whether Developer must surrender damages as provided in this paragraph.

(j) Nothing herein provided will be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

(k) Developer will cause or require the provisions of this Section 10.02 to be included in all construction contracts and subcontracts related to the Phase 1b New Work, entered into after the Closing Date.

10.03 **Developer's MBE/WBE Commitment.** Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements stated in this section, will contractually obligate the General Contractor to agree that during the construction of the Phase 1b New Work:

(a) Consistent with the findings which support, as applicable: (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the **"Procurement Program"**), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the **"Construction Program"**, and collectively with the Procurement Program, the **"MBE/WBE Program"**), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 10.03, during the course of the Phase 1b New Work, at least the following percentages of the MBE/WBE Budget (as stated in Exhibit D-2) must be expended for contract participation by Minority-Owned Businesses (**"MBEs"**) and by Women-Owned Businesses (**"WBEs"**):

(1) At least 24 percent by MBEs.
(2) At least four percent by WBEs.

(b) For purposes of this Section 10.03 only:

(i) Developer (and any party to whom a contract is let by Developer in connection with the Phase 1b New Work) is deemed a **"contractor"** and this Agreement (and any contract let by Developer in connection with the Phase 1b New Work) is deemed a **"contract"** or a **"construction contract"** as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(ii) The term **"minority-owned business"** or **"MBE"** shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iii) The term **"women-owned business"** or **"WBE"** shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, Developer's MBE/WBE commitment may be achieved in part by Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Phase 1b New Work by Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of: (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Phase 1b New Work by the MBE or WBE), by Developer utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Phase 1b New Work by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Phase 1b New Work to one or more MBEs or WBEs, or by the purchase of materials or services used in the Phase 1b New Work from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to Developer's MBE/WBE commitment as described in this Section 10.03. In compliance with Section 2-92-730, Municipal Code of Chicago, Developer will not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of HED.

(d) Developer must deliver quarterly reports to the City's monitoring staff during the Phase 1b New Work describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports will include, inter alia: the name and business address of each MBE and WBE solicited by Developer or the General Contractor to work on the Phase 1b New Work, and the responses received from such solicitation; the name and business address of each MBE or WBE actually involved in the Phase 1b New Work; a description of the work performed or products or services supplied; the date and amount of such work, product or service; and such other information as may assist the City's monitoring staff in determining Developer's compliance with this MBE/WBE commitment. Developer will maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Phase 1b New

Work for at least 5 years after completion of the Phase 1b New Work, and the City's monitoring staff will have access to all such records maintained by Developer, on 5 Business Days' notice, to allow the City to review Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Phase 1b New Work.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, Developer is obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(f) Any reduction or waiver of Developer's MBE/WBE commitment as described in this Section 10.03 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

(g) Prior to the commencement of the Phase 1b New Work, Developer shall be required to meet with the City's monitoring staff with regard to Developer's compliance with its obligations under this Section 10.03. The General Contractor and all major subcontractors are required to attend this pre-construction meeting. During said meeting, Developer will demonstrate to the City's monitoring staff its plan to achieve its obligations under this Section 10.03, the sufficiency of which will be approved by the City's monitoring staff. During the Phase 1b New Work, Developer shall submit the documentation required by this Section 10.03 to the City's monitoring staff, including the following: (i) subcontractor's activity report; (ii) contractor's certification concerning labor standards and prevailing wage requirements; (iii) contractor letter of understanding; (iv) monthly utilization report; (v) authorization for payroll agent; (vi) certified payroll; (vii) evidence that MBE/WBE contractor associations have been informed of the Phase 1b New Work via written notice and hearings; and (viii) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that Developer is not complying with its obligations under this Section 10.03, will, upon the delivery of written notice to Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to Developer to halt the Phase 1b New Work, (2) withhold any further payment of any City Funds to Developer or the General Contractor, or (3) seek any other remedies against Developer available at law or in equity.

ARTICLE ELEVEN: ENVIRONMENTAL MATTERS

11.01 **Environmental Matters.** Developer hereby represents and warrants to the City that Developer has conducted environmental studies sufficient to conclude that the Phase 1b New Work may be constructed, completed and operated in accordance with all Environmental Laws.

Without limiting any other provisions hereof, Developer agrees to indemnify, defend and hold the City harmless from and against any and all losses, liabilities, damages, injuries, costs, expenses or claims of any kind whatsoever including, without limitation, any losses, liabilities, damages, injuries, costs, expenses or claims asserted or arising under any Environmental Laws incurred, suffered by or asserted against the City as a direct or indirect result of any of the following, regardless of whether or not caused by, or within the control of Developer: (i) the presence of any Hazardous Materials on or under, or the escape, seepage, leakage, spillage, emission, discharge or release of any Hazardous Materials from: (A) all or any portion of the Property, or (B) any other real property in which Developer, or any person directly or indirectly controlling, controlled by or under common control with Developer, holds any estate or interest whatsoever (including, without limitation, any property owned by a land trust in which the beneficial interest is owned, in whole or in part, by Developer), or (ii) any liens against the Property permitted or imposed by any Environmental Laws, or any actual or asserted liability or obligation of the City or Developer or any of its Affiliates under any Environmental Laws relating to the Property.

ARTICLE TWELVE: INSURANCE

12.01 **Insurance Requirements.** Developer's insurance requirements are stated in Schedule B which is hereby incorporated into this Agreement by reference and made a part of this Agreement.

ARTICLE THIRTEEN: INDEMNIFICATION

13.01 **General Indemnity.** Developer agrees to indemnify, pay and hold the City, and its elected and appointed officials, employees, agents and affiliates (individually an **"Indemnitee,"** and collectively the **"Indemnitees"**) harmless from and against, any and all liabilities, obligations, losses, damages (arising out of a third party action against the City), penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever, (and including, without limitation, the reasonable fees and disbursements of counsel for such Indemnitees in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not such Indemnitees shall be designated a party thereto), that may be imposed on, suffered, incurred by or asserted against the Indemnitees by a third party in any manner relating to or arising out of:

(i) Any cost overruns as described in Section 4.08; or

(ii) Developer's failure to comply with any of the terms, covenants and conditions contained within this Agreement; or

(iii) Developer's or any contractor's failure to pay General Contractors, subcontractors or materialmen in connection with the TIF-Funded Improvements or any other Project improvement; or

(iv) the existence of any material misrepresentation or omission in this Agreement, any offering memorandum or information statement or the Redevelopment Plan or any other document related to this Agreement that is the result of information supplied or omitted by Developer or its agents, employees, contractors or persons acting under the control or at the request of Developer or any affiliate of Developer; or

(v) Developer's failure to cure any misrepresentation in this Agreement or any other document or agreement relating hereto; or

(vi) any act or omission by Developer or any Affiliate of Developer;

provided, however, that Developer shall have no obligation to an Indemnitee arising from the wanton or willful misconduct of that Indemnitee. To the extent that the preceding sentence may be unenforceable because it is violative of any law or public policy, Developer will contribute the maximum portion that it is permitted to pay and satisfy under applicable law, to the payment and satisfaction of all indemnified liabilities incurred by the Indemnitees or any of them. The provisions of the undertakings and indemnification set out in this Section 13.01 will survive the termination of this Agreement.

ARTICLE FOURTEEN: MAINTAINING RECORDS/RIGHT TO INSPECT

14.01 **Books and Records.** Developer will keep and maintain separate, complete, accurate and detailed books and records necessary to reflect and fully disclose the total actual costs of the Phase 1b New Work and the disposition of all funds from whatever source allocated thereto, and to monitor the Phase 1b New Work. All such books, records and other documents related to the Project, including but not limited to Developer's loan statements, if any, General Contractors' and contractors' sworn statements, general contracts, subcontracts, purchase orders, waivers of lien, paid receipts and invoices, will be available at Developer's offices for inspection, copying, audit and examination by an authorized representative of the City, at Developer's expense. Developer will not pay for salaries or fringe benefits of auditors or examiners. Developer must incorporate this right to inspect, copy, audit and examine all books and records into all contracts entered into by Developer with respect to the Phase 1b New Work. The City shall provide three (3) Business Days' prior written notice to Developer in accordance with Section 17. The notice shall indicate the date and time of the inspection. All inspections shall be conducted between the hours of 9:00 a.m. and 5:00 p.m., Monday through Friday.

14.02 **Inspection Rights.** Upon three (3) Business Days' notice, any authorized representative of the City shall have access to all portions of the Property or the Phase 1b New Work during normal business hours for the Term of the Agreement. The City shall provide three (3) Business Days' prior written notice to Developer in accordance with Section 17. The notice shall indicate the date and time of the inspection. All inspections shall be conducted between the hours 9:00 a.m. and 5:00 p.m., Monday through Friday.

ARTICLE FIFTEEN: DEFAULT AND REMEDIES

15.01 **Events of Default.** The occurrence of any one or more of the following events, subject to the provisions of Section 15.03, will constitute an "**Event of Default**" by Developer hereunder:

(a) the failure of Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of Developer under this Agreement or any related agreement;

(b) the failure of Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of Developer under any other agreement with any person or entity if such failure may have a material adverse effect on Developer's business, property (including the Property or the Phase 1b Retail Project), assets (including the Property or the Phase 1b Retail Project), operations or condition, financial or otherwise;

(c) the making or furnishing by Developer to the City of any representation, warranty, certificate, schedule, report or other communication within or in connection with this Agreement or any related agreement which is untrue or misleading in any material respect;

(d) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of, or any attempt by Developer to create, any lien or other encumbrance upon the Property or the Phase 1b Retail Project, including any fixtures now or hereafter attached thereto, other than the Permitted Liens or any Permitted Mortgage, or the making or any attempt to make any levy, seizure or attachment thereof;

(e) the commencement of any proceedings in bankruptcy by or against Developer or for the liquidation or reorganization of Developer or alleging that Developer is insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of Developer's debts, whether under the United States Bankruptcy Code or under any other state or Federal law, now or hereafter existing for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving Developer, provided, however, that if such commencement of proceedings is involuntary, such action will not constitute an Event of Default unless such proceedings are not dismissed within 60 days after the commencement of such proceedings;

(f) the appointment of a receiver or trustee for Developer for any substantial part of Developer's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of Developer, provided, however, that if such appointment or commencement of proceedings is involuntary, such action will not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within 60 days after the commencement thereof;

(g) the entry of any judgment or order against Developer, not covered by insurance for an amount in excess of $1.0 million which remains unsatisfied or undischarged and in effect for 60 days after such entry without a stay of enforcement or execution;

(h) the occurrence of an event of default under the Lender Financing, if any, which default is not cured within any applicable cure period; or

(i) the dissolution of Developer; or

(j) the institution in any court of a criminal proceeding (other than a misdemeanor) against Developer or any natural person who owns a material interest in Developer, which is not dismissed within 30 days, or the indictment of Developer or any natural person who owns a material interest in Developer, for any crime (other than a misdemeanor); or

(k) prior to the expiration of the Term of the Agreement except as otherwise provided herein, the sale or transfer of all of the ownership interests of Developer without the prior written consent of the City; or

(l) The failure of Developer, or the failure by any party that is a Controlling Person (defined in Section 1-23-010 of the Municipal Code) with respect to Developer, to maintain eligibility to do business with the City in violation of Section 1-23-030 of the Municipal Code; such failure shall render this Agreement voidable or subject to termination, at the option of the Chief Procurement Officer.

For purposes of Section 15.01(j), hereof, a natural person with a material interest in Developer is one owning in excess of seven and a half percent (7.5%) of Developer's issued and outstanding ownership shares or interests.

15.02 **Remedies.** Upon the occurrence of an Event of Default, the City may terminate this Agreement and all related agreements, and may suspend disbursement of City Funds, provided, however, that, notwithstanding any conflicting provision herein, upon issuance of City Note A, the City's obligation to make payments on City Note A shall be vested without defense to payment (other than insufficiency of Available Incremental Taxes), including as a result of an Event of Default hereunder, and the City's obligation to make payments on City Note A shall survive any termination of this Agreement. Subject to the foregoing, the City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to injunctive relief or the specific performance of the agreements contained herein. To the extent permitted by law, the City may also lien the Property.

15.03 **Curative Period.**

(a) In the event Developer fails to perform a monetary covenant which Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default will not be deemed to have occurred unless

Developer has failed to perform such monetary covenant within 10 days of its receipt of a written notice from the City specifying that it has failed to perform such monetary covenant.

(b) In the event Developer fails to perform a non-monetary covenant which Developer is required to perform under this Agreement, an Event of Default will not be deemed to have occurred unless Developer has failed to cure such default within 30 days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such 30 day period, Developer will not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such 30 day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

15.04 **Joint and Several Liability.**

(a) By entering into this Agreement, Pullman Park Development and Chicago Neighborhood Initiatives each specifically agree that the respective undertakings, liabilities and obligations for "**Developer**" stated in this Agreement are for each entity joint and several with the other entity. Such joint and several undertakings means that each entity is individually satisfactory performance of each and every obligation, covenant, condition, requirement, undertaking or payment of the "Developer" as stated in this Agreement, and each entity is individually bound by and obligated to each and every term and condition in this Agreement.

(b) The joint and severally undertaking of the entities stated in subsection (a) above is intended to be continuing throughout the Term of the Agreement. Such joint and several undertaking will not be changed, modified, reduce or released in any way by:

(i) any change, amendment, modification or correction to this Agreement, the City Notes or any other agreement or undertaking contemplated or reference in this Agreement; or,

(ii) the existence of any claim, setoff, defense, counter-claim or other right which either Pullman Park Development or Chicago Neighborhood Initiatives may have or assert against each other or against the City or against any third party.

(c) From time-to-time, and at any time during the Term of the Agreement, the City may assert and pursue one or more of its remedies under this Agreement against either Pullman Park Development or Chicago Neighborhood Initiatives as the case may be under this Agreement.

ARTICLE SIXTEEN: MORTGAGING OF THE PROJECT

16.01 **Mortgaging of the Project.** Any and all mortgages or deeds of trust in place as of the date hereof with respect to the Property or Project or any portion thereof are listed on

Exhibit I hereto (including but not limited to mortgages made prior to or on the date hereof in connection with Lender Financing, if any) and are referred to herein as the "**Existing Mortgages**." Any mortgage or deed of trust that Developer may hereafter elect to execute and record or execute and permit to be recorded against the Property or Project or any portion thereof without obtaining the prior written consent of the City is referred to herein as a "**New Mortgage**." Any mortgage or deed of trust that Developer may hereafter elect to execute and record or execute and permit to be recorded against the Property or Project or any portion thereof with the prior written consent of the City is referred to herein as a **"Permitted Mortgage."** It is hereby agreed by and between the City and Developer as follows:

(a) If a mortgagee or any other party shall succeed to Developer's interest in the Property or any portion thereof by the exercise of remedies under a mortgage or deed of trust (other than an Existing Mortgage or a Permitted Mortgage) whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of Developer's interest hereunder in accordance with Section 18.15 hereof, the City may, but will not be obligated to, attorn to and recognize such party as the successor in interest to Developer for all purposes under this Agreement and, unless so recognized by the City as the successor in interest, such party will be entitled to no rights or benefits under this Agreement, but such party will be bound by those provisions of this Agreement that are covenants expressly running with the land comprising the Property (as defined herein).

(b) Notwithstanding any provision of this Agreement to the contrary, the exercise of the remedies of foreclosure of a mortgage or any sale of Developer's interest in the Property in connection with a foreclosure, whether by judicial proceedings or by virtue of any power of sale contained in the mortgage, or any conveyance of Developer's interest in the Property to the mortgagee or its nominee or designee by virtue of or in lieu of foreclosure or other appropriate proceedings, or any conveyance of Developer's interest in the Property by the mortgagee or its nominee or designee, or any other exercise of remedies under the documents evidencing Lender Financing shall not require the consent or approval of the City or constitute a breach of any provision of or a default under this Agreement.

(c) If any mortgagee or any other party shall succeed to Developer's interest in the Property or any portion thereof by the exercise of remedies under an Existing Mortgage or a Permitted Mortgage, whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of Developer's interest hereunder in accordance with Section 18.15 hereof, then the City hereby agrees to attorn to and recognize such party as the successor in interest to Developer for all purposes under this Agreement so long as such party accepts all of the executory obligations and liabilities of "Developer" hereunder. Notwithstanding any other provision of this Agreement to the contrary, it is understood and agreed that if such party accepts an assignment of Developer's interest under this Agreement, such party will have no liability under this Agreement for any Event of Default of Developer which occurred prior to the time such party succeeded to the interest of Developer under this Agreement, in which case Developer will be solely responsible. However, if such mortgagee under a Permitted Mortgage or an Existing Mortgage does not expressly accept an assignment of

Developer's interest hereunder, such party will be entitled to no rights and benefits under this Agreement, and such party will be bound only by those provisions of this Agreement, if any, which are covenants expressly running with the land.

(d) Prior to the issuance by the City to Developer of a Certificate of Completion under Article Seven hereof, no New Mortgage will be executed with respect to the Property or the Project or any portion thereof without the prior written consent of the Commissioner of HED. A feature of such consent will be that any New Mortgage will subordinate its mortgage lien to the covenants in favor of the City that run with the land. After the issuance of a Certificate of Completion, consent of the Commissioner of HED is not required for any such New Mortgage.

(e) be supplemented by a delivery receipt or time/date stamped notice or other documentary evidence showing the date of delivery of Developer's request.

ARTICLE EIGHTEEN: ADDITIONAL PROVISIONS

18.01 **Amendments.** This Agreement and the Schedules and Exhibits attached hereto may not be modified or amended except by an agreement in writing signed by the parties; provided, however, that the City in its sole discretion, may amend, modify or supplement the Redevelopment Plan, which is Exhibit C hereto. For purposes of this Agreement, Developer is only obligated to comply with the Redevelopment Plan as in effect on the date of this

Agreement. It is agreed that no material amendment or change to this Agreement shall be made or be effective unless ratified or authorized by an ordinance duly adopted by the City Council. The term "**material**" for the purpose of this Section 18.01 shall be defined as any deviation from the terms of the Agreement which operates to cancel or otherwise reduce any developmental, construction or job-creating obligations of Developer (including those set forth in Sections 10.02 and 10.03 hereof) by more than five percent (5%) or materially changes the Project site or character of the Project or any activities undertaken by Developer affecting the Project site, the Project, or both, or increases any time agreed for performance by Developer by more than 180 days.

18.02 **Complete Agreement, Construction, Modification.** This Agreement, including any exhibits and the other agreements, documents and instruments referred to herein or contemplated hereby, constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes all previous negotiations, commitments and writings with respect to such subject matter. This Agreement and the Schedules and Exhibits attached hereto may not be contradicted by evidence of prior, contemporaneous, or subsequent verbal agreements of the parties. There are no unwritten verbal agreements between the parties.

18.03 **Limitation of Liability.** No member, elected or appointed official or employee or agent of the City shall be individually, collectively or personally liable to Developer or any successor in interest to Developer in the event of any default or breach by the City or for any amount which may become due to Developer or any successor in interest, from the City or on any obligation under the terms of this Agreement.

18.04 **Further Assurances.** Developer agrees to take such actions, including the execution and delivery of such documents, instruments, petitions and certifications as may become necessary or appropriate to carry out the terms, provisions and intent of this Agreement, and to accomplish the transactions contemplated in this Agreement.

18.05 **Waivers.** No party hereto will be deemed to have waived any rights under this Agreement unless such waiver is given in writing and signed by such party. No delay or omission on the part of a party in exercising any right will operate as a waiver of such right or any other right unless pursuant to the specific terms hereof. A waiver by a party of a provision of this Agreement will not prejudice or constitute a waiver of such party's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by a party, nor any course of dealing between the parties hereto, will constitute a waiver of any of such parties' rights or of any obligations of any other party hereto as to any future transactions.

18.06 **Remedies Cumulative.** The remedies of a party hereunder are cumulative and the exercise of any one or more of the remedies provided for herein must not be construed as a waiver of any other remedies of such party unless specifically so provided herein.

18.07 **Parties in Interest/No Third Party Beneficiaries.** The terms and provisions of this Agreement are binding upon and inure to the benefit of, and are enforceable by, the

respective successors and permitted assigns of the parties hereto. This Agreement will not run to the benefit of, or be enforceable by, any person or entity other than a party to this Agreement and its successors and permitted assigns. This Agreement should not be deemed to confer upon third parties any remedy, claim, right of reimbursement or other right. Nothing contained in this Agreement, nor any act of the City or Developer, will be deemed or construed by any of the parties hereto or by third persons, to create any relationship of third party beneficiary, principal, agent, limited or general partnership, joint venture, or any association or relationship involving the City or Developer.

18.08 **Titles and Headings.** The Article, section and paragraph headings contained herein are for convenience of reference only and are not intended to limit, vary, define or expand the content thereof.

18.09 **Counterparts.** This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, with the same effect as if all parties had signed the same document. All such counterparts shall be deemed an original, must be construed together and will constitute one and the same instrument.

18.10 **Counterpart Facsimile Execution.** For purposes of executing this Agreement, a document signed and transmitted by facsimile machine will be treated as an original document. The signature of any party thereon will be considered as an original signature, and the document transmitted will be considered to have the same binding legal effect as an original signature on an original document. At the request of either party, any facsimile document will be re-executed by other parties in original form. No party hereto may raise the use of a facsimile machine as a defense to the enforcement of this Agreement or any amendment executed in compliance with this section. This section does not supersede the requirements of Article Seventeen: Notices.

18.11 **Severability.** If any provision of this Agreement, or the application thereof, to any person, place or circumstance, is be held by a court of competent jurisdiction to be invalid, unenforceable or void, the remainder of this Agreement and such provisions as applied to other persons, places and circumstances will remain in full force and effect only if, after excluding the portion deemed to be unenforceable, the remaining terms will provide for the consummation of the transactions contemplated hereby in substantially the same manner as originally set forth herein. In such event, the parties will negotiate, in good faith, a substitute, valid and enforceable provision or agreement which most nearly affects the parties' intent in entering into this Agreement.

18.12 **Conflict.** In the event of a conflict between any provisions of this Agreement and the provisions of the TIF Ordinances in effect as of the date of this Agreement, such ordinance(s) will prevail and control.

18.13 **Governing Law.** This Agreement is governed by and construed in accordance with the internal laws of the State, without regard to its conflicts of law principles.

18.14 **Form of Documents.** All documents required by this Agreement to be submitted, delivered or furnished to the City will be in form and content satisfactory to the City.

18.15 **Assignment.** Prior to the issuance by the City to Developer of a Certificate of Completion, Developer may not sell, assign or otherwise transfer its interest in this Agreement in whole or in part without the written consent of the City; provided, however, that Developer may assign, on a collateral basis, the right to receive City Funds to a lender providing Lender Financing, if any, which has been identified to the City as of the Closing Date. Any successor in interest to Developer under this Agreement (excluding any Lender that has been assigned only the right to received City Funds on a collateral basis) will certify in writing to the City its agreement to abide by all remaining executory terms of this Agreement for the Term of the Agreement. Developer hereby consents to the City's assignment or other transfer of this Agreement at any time in whole or in part.

18.16 **Binding Effect.** This Agreement is binding upon Developer, the City and their respective successors and permitted assigns (as provided herein) and will inure to the benefit of Developer, the City and their respective successors and permitted assigns (as provided herein).

18.17 **Force Majeure.** Neither the City nor Developer nor any successor in interest to either of them will be considered in breach of or in default of its obligations under this Agreement in the event of any delay caused by damage or destruction by fire or other casualty, war, acts of terrorism, imposition of martial law, plague or other illness, bank holidays or stock or commodity exchange closures or wire transfer interruptions, capital controls, civil disorders, rebellions or revolutions, strike, shortage of material, power interruptions or blackouts, cyber attacks, electro magnetic pulse ("EMP") attacks, fuel shortages or rationing, adverse weather conditions such as, by way of illustration and not limitation, severe rain storms or below freezing temperatures of abnormal degree or for an abnormal duration, tornadoes or cyclones, and other events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations hereunder, except to the extent that, the non-performing party is at fault in failing to prevent or causing such default or delay; and provided that such default or delay can not reasonably be circumvented by the non-performing party through the use of alternative sources, work around plans or other means. The individual or entity relying on this section with respect to any such delay will, upon the occurrence of the event causing such delay, immediately give written notice to the other parties to this Agreement. The individual or entity relying on this section with respect to any such delay may rely on this section only to the extent of the actual number of days of delay affected by any such events described above.

18.18 **Exhibits and Schedules.** All of the exhibits and schedules to this Agreement are incorporated herein by reference. Any exhibits and schedules to this Agreement will be construed to be an integral part of this Agreement to the same extent as if the same has been set forth verbatim herein.

18.19 **Business Economic Support Act.** Under the Business Economic Support Act (30 ILCS 760/1 et seq. (2006 State Bar Edition), as amended), if Developer is required to

A claims-made policy which is not renewed or replaced must have an extended reporting period of 1 year. The City is to be named as an additional insured on a primary, non-contributory basis.

(ix) Blanket Crime

Developer must provide Crime Insurance or equivalent covering all persons handling funds under this Agreement, against loss by dishonesty, robbery, destruction or disappearance, computer fraud, credit card forgery,

and other related crime risks. The policy limit must be written to cover losses in the amount of the maximum monies collected or received and in the possession of Developer at any given time.

(c) Other Insurance Required.

(i) Developer will furnish the City of Chicago, Department of Housing and Economic Development, City Hall, Room 1000, 121 North LaSalle Street, Chicago, Illinois 60602, original Certificates of Insurance evidencing the required coverage to be in force on the date of this Agreement, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the Term of this Agreement. Developer will submit evidence of insurance on the City Insurance Certificate Form or commercial equivalent prior to closing. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Developer must not be deemed to be a waiver by the City. Developer will advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance will not relieve Developer of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to terminate this Agreement until proper evidence of insurance is provided.

(ii) The insurance will provide for 60 days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

(iii) Any and all deductibles or self insured retentions on referenced insurance coverages are borne by Developer.

(iv) Developer agrees that insurers must waive rights of subrogation against the City, its employees, elected officials, agents, or representatives.

(v) Developer expressly understands and agrees that any coverages and limits furnished by Developer will in no way limit Developer's liabilities and responsibilities specified within the Agreement documents or by law.

(vi) Developer expressly understands and agrees that Developer's insurance is primary and any insurance or self insurance programs maintained by the City will not contribute with insurance provided by Developer under the Agreement.

(vii) The required insurance will not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

(viii) Developer will require its general contractor and all subcontractors to provide the insurance required herein or Developer may provide the coverages for the contractor or subcontractors. All contractors and subcontractors will be subject to the same requirements of Developer unless otherwise specified herein.

(ix) If Developer, contractor or subcontractor desires additional coverages, Developer, contractor and each subcontractor will be responsible for the acquisition and cost of such additional protection.

(x) The City Risk Management Department maintains the right to modify, delete, alter or change these requirements, so long as such action does not, without Developer's written consent, increase such requirements.

Design Guidelines for Sub Area B

(111th Street Neighborhood Retail District)

The Design Guidelines are development standards for buildings and public spaces to guide the design and development of any project within the 111th Street Neighborhood Retail District of Pullman Park. The goal of the guidelines is to provide a framework to achieve a balance between individual expression of each structure and a harmonious connection to not only the community but to the history of Pullman as well.

Orientation:

- All buildings will have their front entry facing 111th Street. Buildings located on corners or parking entrances should have their front entries facing both 111th Street and the adjacent street or entrance drive.

Massing:

- Buildings should be composed of simple volumes, primarily 1 to 2 stories in height with sloped roofs.

Height:

- Buildings will be a minimum of 16' and a maximum of 30' tall measured from sidewalk grade to the midpoint of sloped roofs and excluding towers, cupolas and other decorative elements.

Roof Massing:

- Sloped roofs with a minimum slope of 6:12
- Roofs will be designed to screen and conceal all rooftop mounted mechanical equipment.

Lighting:

- Lighting will be designed to enhance the building design and storefront, compliment the architecture, and be sufficient for visibility and safety.
- Lighting should be stationary and non-animated.

Masonry Openings:

- Window and door headers in masonry walls should be defined and articulated with stone, cast stone or special brick coursing such as soldier or double rowlock header bonds. Jack, segmental, semi-circular and multicentered arches are encouraged. Window sills within walls should incorporate stone or precast sills.

Signage:

- All signage will be attached to the building or canopy. Types of permitted signs include:
  - Freestanding pin-mounted letterform
  - Projecting signs
  - Blade signs
  - Storefront signs
  - Window Signs

FINAL FOR PUBLICATION

- Canopy signs
- Two sided or three-dimensional contextual signs.
- Backlit letter metal sign box signs.
- Neon signs are permitted only when inset into a metal channel or open-face form with or without an acrylic cover.

Awnings & Canopies:

- Awnings and canopies will be compatible in material and construction to the style and character of the building. The color of the awning or canopy should be compatible with the overall color scheme of the façade.
- Where feasible, awnings and canopies should be generally aligned with others nearby in order to maintain a sense of visual continuity.
- Awnings and canopies should be tailored to the opening of the building and positioned so that distinctive architectural features remain visible.

Material Transitions:

- Where possible, all transitions between dissimilar wall materials should occur at inside corners.

Storefronts:

- Storefronts will be designed using a rhythm created by pilasters, columns, and or piers with trim to frame display windows. Glazing will comprise 40-65% of the storefront wall area.
- Aluminum, steel, clad or aluminum clad wood framed entrances with factory applied finishes in one of the accent colors listed elsewhere in this document. A minimum 12" durable storefront base should be incorporated as part of the design to withstand contact with maintenance and snow removal equipment. Base must be composed of stone, masonry, prefinished aluminum or other highly durable material.

Accent Colors:

- The colors that are recommended for awnings, aluminum storefronts, brackets, exposed structural elements are listed per the Pantone Matching System® and are as listed:
  - PMS Cool Grey 11

Design Guidelines for Sub Area G

(South Woodlawn Ave. Neighborhood Retail District)

The Design Guidelines are development standards for buildings and public spaces to guide the design and development of any project within the South Woodlawn Ave. Neighborhood Retail District of Pullman Park. The goal of the guidelines is to provide a framework to achieve a balance between individual expression of each structure and a harmonious connection to not only the community but to the architectural context of the neighborhood as well. Contemporary interpretations of Pullman's historic vernacular will be encouraged.

Orientation:

- All buildings will have their front entry facing Woodlawn Ave. Buildings located on corners or parking entrances should have their front entries facing both 111th Street and the adjacent street or entrance drive.

Massing:

- Buildings should be composed of simple volumes, primarily 1 to 2 stories in height with sloped or flat roofs.

Height:

- Buildings will be a minimum of 16' and a maximum of 30' tall measured from sidewalk grade to the midpoint of sloped roofs and excluding towers, cupolas and other decorative elements.

Roof Massing:

- Sloped roofs with a minimum slope of 6:12
- Flat roofs with surrounding masonry parapets.
- Parapet heights may vary to create visual interest to the façade.
- Roofs will be designed to screen and conceal all rooftop mounted mechanical equipment.

Lighting:

- Lighting will be designed to enhance the building design and storefront, compliment the architecture, and be sufficient for visibility and safety.
- Lighting should be stationary and non-animated.

Masonry Openings:

- Window and door headers in masonry walls should be defined and articulated with stone, cast stone or special brick coursing such as soldier or double rowlock header bonds. Window sills within walls should incorporate stone or precast sills.

Signage:

- All signage will be attached to the building or canopy. Types of permitted signs include:
  - Freestanding pin-mounted letterform
  - Projecting signs
  - Blade signs

FINAL FOR PUBLICATION

- Storefront signs
- Window Signs
- Canopy signs
- Two sided or three-dimensional contextual signs.
- Backlit letter metal sign box signs.
- Neon signs are permitted only when inset into a metal channel or open-face form with or without an acrylic cover.

Awnings & Canopies:

- Awnings and canopies will be compatible in material and construction to the style and character of the building. The color of the awning or canopy should be compatible with the overall color scheme of the façade.
- Where feasible, awnings and canopies should be generally aligned with others nearby in order to maintain a sense of visual continuity.
- Awnings and canopies should be tailored to the opening of the building and positioned so that distinctive architectural features remain visible.

Material Transitions:

- Where possible, all transitions between dissimilar wall materials should occur at inside corners.

Storefronts:

- Storefronts will be designed using a rhythm created by pilasters, columns, and or piers with trim to frame display windows. Glazing will comprise 40-65% of the storefront wall area.
- Aluminum, steel, clad or aluminum clad wood framed entrances with factory applied finishes in one of the accent colors listed elsewhere in this document. A minimum 12" durable storefront base should be incorporated as part of the design to withstand contact with maintenance and snow removal equipment. Base must be composed of stone, masonry, prefinished aluminum or other highly durable material.

Accent Colors:

- The colors that are recommended for awnings, aluminum storefronts, brackets, exposed structural elements are listed per the Pantone Matching System® and are as listed:
  - PMS Cool Grey 11

BUSINESS-RESIDENTIAL-INSTITUTIONAL PLANNED DEVELOPMENT NO. _____

PLAN OF DEVELOPMENT STATEMENTS

1. The area delineated herein as a Business-Residential-Institutional Planned Development Number ___ (the "Planned Development") consists of approximately 6,017,640 square feet of net site area (approximately 138 acres) of property (the "Property"), together with certain portions of existing adjacent rights of way, as depicted on the attached Planned Development Boundary and Property Line Map. The Property is owned or controlled by the applicant, North Pullman 111th, Inc. (the "Applicant"). The Planned Development is divided into Subareas (each, a "Subarea," and collectively, the "Subareas") as indicated on the attached Subarea Map.

2. All applicable official reviews, approvals or permits are required to be obtained by the Applicant or its successors, assignees or grantees. These Planned Development Statements do not obligate the City of Chicago ("City") to establish any public rights-of-way, accept or maintain any open space, detention or site buffer areas, construct any public improvements, or finance the construction of any improvements. Any dedication, opening or vacation of streets, alleys or easements or adjustments of rights-of-way or consolidation or re-subdivision of parcels shall require a separate submittal on behalf of the Applicant or its successors, assignees or grantees and approval by the Commissioner of the Department of Transportation ("CDOT") and the City Council of the City of Chicago (the "City Council"). Any required City Council approvals must be obtained prior to issuance of any Part II approval. Applicant shall have the right to seek approval in phases for any or all of the foregoing approvals. In connection with planning for any Subarea, adjustments in the location, width and configuration of the rights-of-way illustrated on the Rights-of-Way Adjustment Map may be approved by the Commissioner (the "Commissioner") of the Department of Zoning and Land Use Planning (the "Department") as a minor change to this Planned Development, provided such adjustments (a) do not result in a change in the character of this Planned Development in accordance with the requirements of Section 17-13-0611 of the Chicago Zoning Ordinance, (b) are set forth in a plat of subdivision, dedication, opening or vacation, or comparable plat or instrument, as applicable, that has been submitted by Applicant (or its successors, assigns or grantors) for approval by CDOT, the Department and by the City Council at the time of request for such adjustments (and approved by CDOT and the City Council prior to the issuance of any Part II approval), and (c) shall not be deemed to confer any additional bulk, density or other development rights.

3. The requirements, obligations and conditions contained within this Planned Development shall be binding upon the Applicant, its successors and assigns. All rights granted hereunder to the Applicant shall inure to the benefit of the Applicant's successors and assigns (including any condominium or homeowners' association which may be formed). The requirements of Section 17-8-0400 of the Chicago Zoning Ordinance shall apply to the Property. The Subareas (and, if subsequently designated on any Final Subarea Plan, any subparcels designated thereon), shall be deemed specifically delineated subareas and subparcels for purposes of Section 17-8-0400 of the Chicago Zoning Ordinance, provided,

however, that for so long as North Pullman 111th, Inc. or any affiliate thereof owns or controls any part of the Property, any application to the City for any such changes or modifications (administrative, legislative or otherwise) must in all cases be authorized by the Applicant (or Applicant's successor, assignee or grantee to such master developer ownership interest) or such affiliate. Where portions of the improvements located on the Property have been submitted to the Illinois Condominium Property Act, the term "owner" shall be deemed to refer solely to the condominium association of the owners of such portions of the improvements and not to the individual unit owners therein. Nothing herein shall prohibit or in any way restrict the alienation, sale or any other transfer of all or any portion of the Property or any rights, interests or obligations therein. The developer making application shall have the burden of establishing to the reasonable satisfaction of the Department that the Applicant's consent has been obtained or irrevocably waived. Upon any alienation, sale or any other transfer of all or any portion of the Property or the rights therein (other than a mortgage lien or security interest) and solely with respect to the portion of the Property so transferred, the term "Applicant" shall be deemed amended to apply solely to the transferee thereof (and its beneficiaries if such transferee is a land trust) and the seller or transferor thereof; provided, however, that North Pullman 111th Inc.'s right to authorize changes or modifications to this Planned Development for so long as it owns or controls all or any portion of the Property shall not be deemed amended or transferred to apply to a transferee (or its beneficiaries as aforesaid) unless expressly assigned in a written instrument executed by the original Applicant hereunder. An agreement among different owners of the Property or a covenant binding upon owners of the Property may designate the parties authorized to apply for future amendments, modifications or other changes to this Planned Development and irrevocably waive the Applicant's consent right.

4. This Planned Development consists of: sixteen (16) statements, and the following exhibits prepared by PappageorgeHaymes Partners and Hitchcock Design Group dated April 15, 2010 and attached hereto (collectively, the "Design Exhibits"): an Existing Zoning Map; an Existing Land Use Map; a Planned Development Boundary and Property Line Map (three pages); a Sub Area Map; a Rights-of-Way Adjustment Map (four pages); a Public Open Space Plan (three pages); a Site Buffer/Detention Plan (four pages); a Site Plan; a Site Plan – Sub Area A (two pages); a Site Plan – Sub Area B; a Site Plan – Sub Area C (two pages); a Site Plan – Sub Area D; a Site Plan – Sub Area E; a Site Plan – Sub Area F; a Site Plan – Sub Area G; Bulk Elevations – 111th Street (Sub Area B); Bulk Elevations – North Woodlawn/Doty Avenues (Sub Area G); Bulk Axonometrics (Sub Areas A, B, G); Sub Area A North Parcel Retail – East Elevation; Sub Area A North Parcel Retail – West Elevation; Sub Area A North Parcel Retail – North and South Elevations; Sub Area A North Parcel Retail – Outlot Elevations; Sub Area A South Parcel Retail – Elevations; Sub Area A South Parcel Retail - Front Elevation Detail; Sub Area A South Parcel Retail - Rear Elevation Detail; Sub Area A South Parcel Retail - Side Elevation Details; Sub Area A Green Roof Plans; Phasing Plan - Sub Area A; Sub Area A Landscape Master Plan; Overall Sub Area A Phase 1 Landscape Plan; Landscape Ordinance Analysis Calculations; Sub Area A Phase 1 Landscape Plan (two pages); Sub Area A Future Phase Landscape Plan (two pages); Landscape Details; and Plan of Development Bulk Regulation and Data Tables (including

Full size copies of the Design Exhibits are on file with the Department. References in these Statements to the "Planned Development" shall be deemed to include the aforementioned Design Exhibits. This Planned Development conforms to the intent and purpose of the Chicago Zoning Ordinance and satisfies the established criteria for approval as a Planned Development. In the case of any express conflict between the terms of this Planned Development, and the Chicago Zoning Ordinance, this Planned Development shall apply. Absent an express conflict, the terms of the Chicago Zoning Ordinance shall apply to reviews, determinations and approvals under these Statements and to improvements to the Property. In any instance where a provision of the Planned Development conflicts with the Chicago Building Code, the Building Code shall control.

5. The permitted uses, floor area ratio, building height, setback, parking, bicycle parking and off street loading requirements for each Subarea are set forth in the applicable Plan of Development Bulk Regulations and Data Tables included in the Design Exhibits (seven pages). For the purposes of calculations or measurements pertaining to the foregoing, the applicable definitions in the Chicago Zoning Ordinance shall apply.

6. Changes in the boundaries of Subareas shall require an amendment to these Statements in accordance with the review and approval procedures in Section 17-13-0602 through Section 17-13-0610 of the Chicago Zoning Ordinance.

7. On-premise signs and temporary signs such as construction and marketing signs shall be permitted within the Planned Development subject to the review and approval of the Department. Off-premise signs are prohibited within the boundary of the Planned Development.

8. For purposes of height measurement, the definitions in the Chicago Zoning Ordinance shall apply. The height of any building or improvement shall also be subject to height limitations established by the Federal Aviation Administration.

9. All ingress and egress shall be subject to the review and approval of CDOT and the Department. Closure of all or any public street or alley during demolition or construction shall be subject to the review and approval of CDOT. All work proposed in the public way must be designed and constructed in accordance with the CDOT Construction Standards for Work in the Public Way and in compliance with the Municipal Code of the City of Chicago, and must be designed in accordance with the CDOT Street and Site Plan Design Standards and follow the principles and practices of a Complete Streets design approach. Any dedication, opening, or vacation of public streets, alleys or easements or any adjustment of the public rights-of-way contained within a particular Part II submittal shall be approved by City Council prior to the issuance of any final Part II approval. In connection with the Applicant's (or any developer's) submittal of any plats, Final Subarea Plans and Site Plans in accordance with Statement 10 below, CDOT shall finally determine what means of ingress and egress are required, what public rights-of-way are required, and what public way

improvements must be constructed as part of any project in any given Subarea (including any improvements required outside of such Subarea, but impacted or integrally related to such Subarea's project and the public improvements associated therewith). Applicant and its successors, assigns and grantees, at such parties' expense, agree to provide traffic impact studies, pay for the services of professional engineering services, and pay for the cost of third party construction inspection services to assist CDOT in its review and approval of any plats, Final Subarea Plans, and Site Plan submissions (which approvals shall be a condition precedent to the Department's issuance of any applicable Part II approval). CDOT must approve the applicable consultant, which shall report to CDOT. Recommended traffic and engineering measures shall be included in the design review process and implemented. A minimum of two percent (2%) of all parking spaces provided pursuant to this Planned Development shall be designated and designed for parking for the handicapped.

10 This Statement 10 describes the procedures and approvals that shall govern the review and approval by the Department and, when applicable, the review and approval of the Chicago Plan Commission or the City Council, or both the Chicago Plan Commission and the City Council, whenever the Applicant, or any developer that is a successor, assignee or grantee with respect to any portion of the Property, undertakes any development project on the Property.

a. Final Subarea Plan. At the time the first development project in one or more Subareas is undertaken, the Applicant, or the applicable developer, shall file with the Department a preliminary plat of subdivision for the subject Subarea (and such additional Subarea(s) as the Applicant or developer may elect to include in such plat) and a Final Subarea Plan (the "Final Subarea Plan") along with an application for Site Plan Review pursuant to Section 17-13-0800 of the Chicago Zoning Ordinance. Such filing requirement shall not apply to Subarea A, which is being approved as part of this Planned Development, provided, however, that no Part II approval shall be issued with respect to any project in Subarea A until CDOT has determined that the issues relating to access to Subarea A from E. 111th Street, such as spacing between the southbound Bishop Ford Expressway exit ramp and South Doty Avenue, have been satisfactorily resolved. The Final Subarea Plan shall govern such first development project and (unless amended pursuant to this Statement 10.a) all subsequent development projects thereafter constructed in such Subarea. The preliminary plat of subdivision shall include, without limitation, proposed lot dimensions. After incorporating any City comments received during the review process described in these Statements, and

prior to any Part II approvals, the Applicant or applicable developer shall thereafter submit to the City Council for approval a final plat of subdivision for the subject Subarea (and such additional Subarea(s) as the Applicant or developer may elect to include in such plat) which conforms with the Final Subarea Plan for the Subarea so subdivided. The City Council's approval of such plat of subdivision, and the recording of such plat, shall be a condition precedent to the Applicant's (or any developer's) conveyance of any property within such Subarea. Upon such recording, the Applicant (or applicable developer) shall promptly deliver a copy of the recorded plat to the Department for filing with this Planned Development. The Applicant's failure to comply with such approval and recording requirements shall be the basis for the Department to withhold any further Part II approvals until such requirements are satisfied.The Final Subarea Plan filing shall include the following:

(1) A dimensioned Subarea Plan including the following with respect to such Subarea (and any subparcels designated therein, if any):

(i) All public rights of way that are proposed to be dedicated or opened, and all private rights of way,

(ii) Dimensioned setback lines,

(iii) All off-street parking and service areas, both accessory and non-accessory;

(2) A detailed, dimensioned Subarea site plan including:

(i) All sidewalks (including the width of paved surfaces);

(ii) All roads, streets, alleys (all identified as public or private), including the right of way width, the width of paved surfaces, street intersection details, and all curb cuts;

(iii) Dimensioned building sites, dimensioned setback lines, the proposed use of each building site, and indication of the maximum building height, F.A.R. and residential unit count for each building site;

(iv) All off-street parking and service areas, both accessory and non-accessory; and

(v) Fully dimensioned parking plans, loading areas, and landscape plans (which landscaping may be planned and constructed in phases).

(3) Preliminary engineering plans including the following:

(i) Sanitary and storm sewer lines and systems (identified as public or private);

(ii) Water lines and water supply systems (identified as public or private);

(iii) Street lighting (identified as public or private) and lighting systems;

(4) Illustrative Subarea building elevations and locations for all of the buildings to be constructed in such Subarea including the following:

(i) Illustrative elevations for all buildings to be located within the applicable Subarea (including axonometric or 3-D exhibits), consistent with the maximum floor area ratio, building height, dwelling unit, setback and parking space requirements permitted or required in the applicable Subarea;

(ii) Although final elevations for the buildings to be constructed shall not be required at the Final Subarea Plan approval stage except for the building requesting site plan approval, the massing, the entrances, and maximum building heights and window design should be addressed, and depictions and explanations provided describing how the buildings to be constructed incorporate the

pedestrian-orientation, urban design, building design and green design standards and guidelines set forth in Sections 17-8-0905, 17-8-0906, 17-8-0907 and 17-8-0908 of the Chicago Zoning Ordinance, respectively.

(iii) If the Final Subarea Plan submitted is for Sub Area B or Sub Area G, depictions and explanations describing how buildings to be constructed incorporate the Subarea B and Subarea G Design Guidelines included in the Design Exhibits.

The Final Subarea Plan shall be submitted and processed as an amendment to the Planned Development pursuant to Section 17-13-0602 through Section 17-13-0610 of the Chicago Zoning Ordinance. As such, the Final Subarea Plan shall be subject to the review and approval of the Department and such other bureaus, departments or agencies as the Commissioner deems appropriate;(which may include, but are not limited to, CDOT, the Department of Water Management ("DWM"), the Fire Department and the Mayor's Office on Persons With Disabilities ("MOPD) (as applicable, the "Affected City Departments"), the Chicago Plan Commission, the Zoning Committee and the City Council, as described in such Section 17-13-0602 through Section 17-13-0610. A Final Subarea Plan must be approved prior to, or concurrently with, the approval of any Site Plans submitted and processed pursuant to Statement 10.b below.

b. Site Plans. Site Plan Review shall be required for all projects undertaken in furtherance of the Planned Development and the Final Subarea Plan in accordance with Section 17-13-0800 of the Chicago Zoning Ordinance, excluding Site Plan review for the project depicted in the Sub Area A South Parcel Retail – Elevations and the Sub Area A Phase I Landscape Plan, which are being approved as part of this Planned Development. If not evidenced on the preliminary plat of subdivision submitted as part of the Final Subarea Plan for the project's subarea, the Applicant or developer of the subject project shall provide an exhibit showing

lot sizes and boundaries for such project. In addition to the submittal requirements of Section 17-13-0802-B, the Applicant or developer shall also provide a Site Data Table for such project containing, for each Subarea and subparcel, if any, included in such project:

(1) the Gross Site Area;

(2) the Net Site Area;

(3) the square feet of floor area of each proposed building;

(4) the amount of F.A.R. utilized out of the maximum F.A.R. permitted in such Subarea;

(5) the height of each building to be constructed and the maximum allowable height permitted under the Design Exhibits applicable to such Subarea;

(6) the number of dwelling units to be constructed and the maximum number of dwelling units permitted under the Design Exhibits applicable to such Subarea;

(7) the front, rear and side setbacks for each building and the setbacks required under the Design Exhibits applicable to such Subarea;

(8) All Residential Open Space, if applicable;

(9) The number of parking spaces to be provided and the minimum and maximum number of parking spaces required under the Bulk Regulation Data Table Summary and Design Exhibits, as applicable; and

(10) final elevations.

The Site Data Table shall also incorporate a Chicago Builds Green Form/Sustainable Features table showing the "green" features to be included in the proposed buildings. The Site Plan shall be subject to review and approval of the Department and such Affected City Departments as the Commissioner deems appropriate before issuance of any Part II approval for the subject project. The Site Plan must be in substantial compliance with both the Planned Development and the applicable Final Subarea Plan. If, after City departmental review, the Commissioner determines that the Site Plan is in substantial compliance with both the Planned Development and the applicable Final Subarea Plan, and if any improvements contemplated by the Site Plan exceed any of the

mandatory Planned Development thresholds set forth in Section 17-8-0500 of the Chicago Zoning Ordinance (as applicable to improvements in a C2-3 district, e.g., the Site Plans include 60 dwelling units or more, or buildings 75 feet or more in height), then the Site Plan must then be reviewed by the Chicago Plan Commission, during a public meeting (for which placement on a Chicago Plan Commission Agenda, publication in accordance with Section 17-13-0107-B of the Chicago Zoning Ordinance, and posting in accordance with Section 17-13-0107-C of the Chicago Zoning Ordinance shall be required, but for which written notice pursuant to Section 17-13-0107-A of the Chicago Zoning Ordinance shall not be required) but shall not require review and approval by the City Council. If such mandatory thresholds are not met or exceeded, then no Chicago Plan Commission review shall be required, and if, after City departmental review, the Commissioner determines that the Site Plan is otherwise in substantial compliance with both the Planned Development and the applicable Final Subarea Plan, the Site Plan shall then be approved by the Commissioner. If, after City departmental review, the Commissioner shall determine that the Site Plan is not in substantial compliance with both the Planned Development and the applicable Final Subarea Plan, the Commissioner shall advise the Applicant or developer in writing of why the Site Plan does not substantially comply with the Planned Development and/or the Final Subarea Plan. In such case, the Applicant or developer shall be given an opportunity to submit revised Site Plans. If the Commissioner finally determines that the Site Plans, as the same may be revised, are not in substantial compliance with the Planned Development and/or the Final Subarea Plan, the Applicant or developer then shall be required to amend the Final Subarea Plan in accordance with the review and approval procedures in Section 17-13-0602 through Section 17-13-0610 of the Chicago Zoning Ordinance in order to obtain approval of such Site Plans. After approval of a Final Subarea Plan and/or Site Plan, such Final Subarea Plans and Site Plans may be changed or modified pursuant to the requirements of Section 12 hereof, if applicable.

FINAL FOR PUBLICATION

(b) The Property shall be designed and constructed in accordance with the City of Chicago Regulations for Sewer Construction and Stormwater Management and Stormwater Management Ordinance Manual, latest editions. Any amendment to the City's storm water management requirements which the City adopts thereafter shall apply to the Property or the development thereof.

(c) It is the Applicant's intention to adaptively reuse the Brite Line building identified as "Existing Building" in Subarea D on the Site Plan; however, the Applicant reserves the right to demolish such building and to otherwise redevelop Subarea D in conformance with the applicable terms of this Planned Development in the event the Applicant determines that such adaptive reuse is not feasible or desirable.

(f) Applicant acknowledges that the City will not maintain or bear the cost of maintaining any landscape or streetscape improvements on any medians to be constructed within the Planned Development. Prior to CDOT approval of engineering drawings for any median street to be constructed by the Applicant within the Planned Development, the Applicant must demonstrate to the satisfaction of CDOT that sufficient sustainable resources have been committed, and written agreements exist (which provide reasonable protection to the City and, among other things, shall name the City as intended beneficiary, shall grant the City enforcement rights, and shall include or extend indemnification and insurance provisions for the benefit of the City) to provide for the satisfactory maintenance of such medians, which agreements may provide for maintenance costs to be funded through a special service area or special service district, the establishment of which is subject to separate City Council approval.

(g) Prior to the issuance of a certificate of occupancy for any improvements constructed in Subarea A, the Applicant shall, at the Applicant's expense, reconstruct S. Woodlawn Avenue from approximately E. 107th Street to E. 111th Street in accordance with the requirements of Statement 9.

FINAL FOR PUBLICATION

(h) The Applicant and each developer of any portion of the Property at the time of a project shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioner of the Department of Streets and Sanitation, the Commissioner of the Environment and the Commissioner of Buildings under Section 13-32-125 of the Municipal Code of the City of Chicago or any other provision of that Code.

12. The Part II review fee for permits and licenses to be issued for projects in the Planned Development shall be the greater of $0.25 per square foot for the total buildable floor area (i.e., the current rate under Section 17-13-0610 of the Chicago Zoning Ordinance) or the then applicable per square foot charge (or other then applicable charge) at the time of such Part II review. Such fee shall be determined and assessed by the Department at the time of each and every Part II review, shall be applicable to all projects, whether undertaken by the Applicant or another developer, shall be final and binding and must be paid to the Department prior to issuance of any Part II approval. Following Part II review and approval by the Commissioner, the Department shall keep such approved plans and elevations on permanent file and they shall be deemed to be an integral part of this Planned Development. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility. Any interim reviews associated with Site Plan review or Part II reviews, are conditional until final Part II approval.

13. Subject to the other terms and conditions of these Statements, including specifically, but without limitation, Statement 10's filing, review and approval requirements, the terms, conditions and exhibits of this Planned Development may be modified administratively by the Commissioner upon application and a determination by the Commissioner in accordance with the minor change provisions and standards of Section 17-13-0611 of the Chicago Zoning Ordinance (provided, however, that Section 17-13-0611-A.2 and A.3 shall be separately tested on a Subarea basis, without taking into account the net site area of or dwelling units permitted in other Subareas or the Planned Development as a whole) and that such modification, and the improvements contemplated thereby, are consistent with the Planned Development and the applicable Final Subarea Plan. Any such modification shall be reviewed and approved through the minor change provisions of Section 17-13-0611 of the Chicago Zoning Ordinance.

14. The Applicant acknowledges that it is in the public interest to design, construct and renovate all buildings in a manner which provides healthier environments, reduces operating costs and conserves energy and resources. All development in any Subarea shall conform to the City of Chicago's "Sustainable Development Policy Matrix" in effect on the submittal of Site Plans pursuant to this Planned Development.

15. Unless substantial construction of any new building, as proven by the issuance of building permits and the diligent completion of construction pursuit to such permits, has commenced within six (6) years of the effective date of this Planned Development as to Subarea A, and within nine (9) years of the effective date of this Planned Development as to any other given Subarea, this Planned Development shall, as to such Sub Area, expire upon such sixth or ninth anniversary date of the effective date hereof, as applicable. If this Planned Development expires pursuant to the foregoing provision, the zoning of the Property shall automatically revert to the C2-3 classification. Such reversion shall not render any building existing at the time to be non-conforming. The six year and nine year periods described above may be extended for up to one additional year if, before expiration, the Commissioner determines that good cause for an extension is shown.

16. Any open space to be dedicated to the Chicago Park District ("CPD") must meet CPD standards and, where applicable, the park must be designed and constructed to those standards. Any conveyance of open space to the CPD shall be subject to the approval of the CPD and a resolution or ordinance issued by the CPD Board of Commissioners must be provided to the Department to evidence such dedication, conveyance and acceptance.

FORM OF OPINION OF DEVELOPER'S COUNSEL

[To be retyped on Developer's Counsel's letterhead]

_____, 2013

City of Chicago
City Hall, Room 600
121 North LaSalle Street
Chicago, IL 60602

ATTENTION: Corporation Counsel

Ladies and Gentlemen:

We have acted as counsel to Pullman Park Development, LLC, an Illinois limited liability company ("Developer"), in connection with the construction of certain improvements on the property in the North Pullman Redevelopment Project Area (the "Project"). In that capacity, we have examined, among other things, the following agreements, instruments and documents of even date herewith, hereinafter referred to as the "Documents":

(a) Pullman Park Development, LLC Redevelopment Agreement (the "Agreement") of even date herewith, executed by Developer and the City of Chicago (the "City"); and

(b) all other agreements, instruments and documents executed in connection with the foregoing.

In addition to the foregoing, we have examined

(a) the original or certified, conformed or photostatic copies of each of Developer's (i) Articles of Organization, as amended to date, (ii) Operating Agreement, (iii) qualifications to do business and certificates of good standing in all states in which

Developer is qualified to do business, and (iv) records of all limited liability company proceedings relating to the Project; and

(b) such other documents, records and legal matters as we have deemed necessary or relevant for purposes of issuing the opinions hereinafter expressed.

In all such examinations, we have assumed the genuineness of all signatures (other than those of Developer), the authenticity of documents submitted to us as originals and conformity to the originals of all documents submitted to us as certified, conformed or photostatic copies.

Based on the foregoing, it is our opinion that:

1. Developer is a limited liability company duly organized, validly existing and in good standing under the laws of its state of organization, has full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a foreign organization under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business.

2. Developer has full right, power and authority to execute and deliver the Documents to which it is a party and to perform its obligations thereunder. Such execution, delivery and performance will not conflict with, or result in a breach of, Developer's Articles of Organization or Operating Agreement or result in a breach or other violation of any of the terms, conditions or provisions of any law or regulation, order, writ, injunction or decree of any court, government or regulatory authority, or, to the best of our knowledge after diligent inquiry, any of the terms, conditions or provisions of any agreement, instrument or document to which Developer is a party or by which Developer or its properties is bound. To the best of our knowledge after diligent inquiry, such execution, delivery and performance will not constitute grounds for acceleration of the maturity of any agreement, indenture, undertaking or other instrument to which Developer is a party or by which it or any of its property may be bound, or result in the creation or imposition of (or the obligation to create or impose) any lien, charge or encumbrance on, or security interest in, any of its property pursuant to the provisions of any of the foregoing, other than in favor of any lender providing lender financing.

3. The execution and delivery of each Document and the performance of the transactions contemplated thereby have been duly authorized and approved by all requisite action on the part of Developer.

4. Each of the Documents to which Developer is a party has been duly executed and delivered by a duly authorized officer of Developer, and each such Document constitutes the legal, valid and binding obligation of Developer, enforceable in accordance with its terms, except as limited by applicable bankruptcy, reorganization, insolvency or similar laws affecting the enforcement of creditors' rights generally.

5. Exhibit A attached hereto (a) identifies the members of Developer and the number of membership interests held by each member. To the best of our knowledge after diligent inquiry, except as set forth on Exhibit A, there are no warrants, options, rights or commitments of purchase, conversion, call or exchange or other rights or restrictions with respect to any of the equity of Developer. Each outstanding membership interest of Developer is duly authorized, validly issued, fully paid and non-assessable.

6. To the best of our knowledge after diligent inquiry, no judgments are outstanding against Developer, nor is there now pending or threatened, any litigation, contested claim or governmental proceeding by or against Developer or affecting Developer or its property, or seeking to restrain or enjoin the performance by Developer of the Agreement or the transactions contemplated by the Agreement, or contesting the validity thereof. To the best of our knowledge after diligent inquiry, Developer is not in default with respect to any order, writ, injunction or decree of any court, government or regulatory authority or in default in any respect under any law, order, regulation or demand of any governmental agency or instrumentality, a default under which would have a material adverse effect on Developer or its business.

7. To the best of our knowledge after diligent inquiry, there is no default by Developer or any other party under any material contract, lease, agreement, instrument or commitment to which Developer is a party or by which the company or its properties is bound.

8. To the best of our knowledge after diligent inquiry, all of the assets of Developer are free and clear of mortgages, liens, pledges, security interests and encumbrances except for those specifically set forth in the Documents.

9. The execution, delivery and performance of the Documents by Developer have not and will not require the consent of any person or the giving of notice to, any exemption by, any registration, declaration or filing with or any taking of any other actions in respect of, any person, including without limitation any court, government or regulatory authority.

10. To the best of our knowledge after diligent inquiry, Developer owns or possesses or is licensed or otherwise has the right to use all licenses, permits and other governmental approvals and authorizations, operating authorities, certificates of public convenience, goods carriers permits, authorizations and other rights that are necessary for the operation of its business.

11. A federal or state court sitting in the State of Illinois and applying the choice of law provisions of the State of Illinois would enforce the choice of law contained in the Documents and apply the law of the State of Illinois to the transactions evidenced thereby.

We are attorneys admitted to practice in the State of Illinois and we express no opinion as to any laws other than federal laws of the United States of America or the laws of the State of Illinois.

This opinion is issued at Developer's request for the benefit of the City and its counsel, and may not be disclosed to or relied upon by any other person.

Very truly yours,

Statement Regarding Further Certifications

U.S. Bank National Association itself is a mortgage lender. U.S. Bank National Association is also one of the largest corporate trustees in the United States and in such capacity is trustee of numerous mortgage-backed securitization trusts that each hold multiple real property mortgages. From time to time, mortgage borrowers in Chicago default on payment of real estate taxes or otherwise fail to comply with City of Chicago requirements with respect to certain of their mortgage properties. This can result in legal action against the borrower by the City of Chicago, which legal action may name U.S. Bank National Association as the mortgage holder (either in its individual capacity or in its capacity as a trustee). As of July 12, 2012, U.S. Bank National Association was aware of outstanding claims against it (individually or in its capacity as trustee) totaling $261,046.46 wherein the City of Chicago or one of its departments or divisions (including the Department of Buildings and the Department of Sanitation) is the creditor. The vast majority of this amount is related to properties that U.S. Bank National Association holds in trust and for which it does not do the servicing. U.S. Bank National Association, both in its individual capacity and in its capacity as a trustee meets with various City officials twice a month to address these claims.

Statement Regarding Slavery Era Business

U.S. Bank National Association was formed from the following major banks: (1) Star Bank, National Association (Cincinnati, Ohio) changed its name to Firstar Bank, National Association (Cincinnati, Ohio) effective February 1999; (2) Mercantile Bank National Association (St. Louis, Missouri) merged into Firstar Bank, National Association (Cincinnati, Ohio) effective April 2000; (3) United States National Bank of Oregon (Portland, Oregon) merged with First Bank, National Association under the title U.S. Bank National Association effective August 1997; (4) U.S. Bank National Association merged into Firstar Bank, National Association, and the succeeding bank, changed its name to U.S. Bank National Association effective August 2001. These banks acquired through mergers and acquisitions numerous smaller banks. There are five hundred and forty-two U.S. Bank National Association predecessors. Thirty-five predecessors were founded before the abolition of slavery in December 1865. Thirteen of the pre-1866 predecessors were established in southern slave-holding states and territories, including Kansas, Kentucky, Missouri, and Tennessee.

In reviewing historical records held in various external repositories in accordance with the research requirements as set forth in the City of Chicago Office of the Corporation Counsel opinion letter dated April 29, 2004, U.S. Bank National Association has identified external records of its predecessors which necessitate disclosure. The conveyance records, while showing no record of direct ownership of enslaved individuals did contain records of founders and/or directors of predecessor banks owning enslaved individuals, as well as a record where an enslaved individual was the collateral for a loan. Specifically, the first president of predecessor Marion National Bank of Lebanon, Kentucky (founded in 1856), Benedict Spalding, owned two enslaved individuals in 1850. In 1860 someone with a similar name "Benidict Spalding" is also listed as having owned fourteen enslaved individuals. In addition, certain members of the Marion National Bank of Lebanon's board of directors (called "commissioners") owned approximately forty-seven enslaved individuals in total (the records include abbreviated names, which we conclude may be references to commissioners). The first president of predecessor First National Bank of Clarksville, Tennessee (founded in 1865), S.F. Beaumont, owned one enslaved individual in 1860. The first president of predecessor St. Louis Building and Savings Association, Missouri (formed in 1857), Marshall Brotherton, owned ten enslaved individuals in 1850 and four enslaved individuals in 1860. Merchants Bank (founded in 1857) and Bank of St. Louis (founded in 1857), both predecessors, along with a group of other St. Louis firms, issued a mortgage to Charles McLaran that was secured by his property, which included an unspecified number of enslaved individuals. However, the 1860 Federal Census Slave Schedule for St. Louis provided that Charles McLaran owned thirteen enslaved individuals.

The above is only a summary. U.S. Bank National Association has previously provided the City of Chicago with supporting attachments.

3. The Disclosing Party will submit an updated certification at the end of each calendar quarter in which there occurs any event that materially affects the accuracy of the statements and information set forth in paragraphs A.1. and A.2. above.

5. PART A

ARTICLE I
AUTHORIZATION, FINDINGS AND DETERMINATIONS AND APPROVAL OF DOCUMENTS

Section 1.1. Authorization. The above recitals are incorporated in this Ordinance. This Ordinance is adopted pursuant to Section 6(a) of Article VII of the Constitution. This

Ordinance authorizes the issuance of the 2013 Bonds as follows: (i) this Part A authorizes the issuance of the 2013 Bonds, (ii) Part B hereof authorizes the issuance, from time to time, of all or a portion of the 2013 Bonds as 2013 Senior Lien Bonds, in one or more series, in such principal amounts and with such terms and provisions as set forth therein and in the Senior Lien Master Indenture, and the related Supplemental Indenture therein approved; (iii) Part C hereof authorizes the issuance, from time to time, of all or a portion of the 2013 Bonds as 2013 CFC Bonds, in one or more series, in such principal amounts and with such terms and provisions as set forth therein and in the CFC Indenture therein approved; and (iv) Part D hereof sets forth provisions applicable to both the 2013 Senior Lien Bonds and the 2013 CFC Bonds and authorizes City officials to execute and deliver agreements relating to the matters authorized by this Ordinance. Part E hereof authorizes amendment of the 2012 O'Hare Financing Ordinance with respect to the Line of Credit Program and amendment of the 2003 Midway Financing Ordinance with respect to the Midway Commercial Paper Program.

Section 1.2. Findings and Determinations. This City Council hereby finds and determines as follows:

(a) that the issuance of the 2013 Senior Lien Bonds and the refunding of the Outstanding Airport Obligations and any other bonds, notes or other obligations issued by the City to finance or refinance any Airport Project will result in debt service savings or provide other benefits to the Airport;

(b) that the Airport Projects to be financed by the City with the proceeds of the 2013 Senior Lien Bonds are necessary and essential to the efficient operation of the Airport;

(c) that the Projects to be financed by the City with the proceeds of the 2013 CFC Bonds are necessary and essential to the efficient operation of the Airport;

(d) that the City's ability to issue 2013 Bonds from time to time without further action by this City Council at various times, in various principal amounts and with various interest rates and interest rate mechanisms, maturities, redemption provisions and other terms will enhance the City's opportunities to obtain financing for the Airport upon the most favorable terms available;

(e) that from time to time interim financing of capital projects at, near or for the benefit of the Airport, including, without limitation, capital projects included in or related to the O'Hare Modernization Program or the O'Hare Capital Improvement Program, is needed prior to the issuance of long term revenue bonds or the receipt of federal grants;

(f) that from time to time it is desirable to refund (i) outstanding Airport revenue bonds and notes of the City (including bonds and notes payable from passenger facility charges, customer facility charges, special facility revenues or grant receipts) and other payment obligations related thereto and (ii) future issues of Airport revenue bonds and notes of the City (including bonds and notes payable from passenger facility charges, customer facility charges, special facility revenues or grant receipts) as may be outstanding from time to time, and other payment obligations related thereto;

(g) that the delegations of authority that are contained in this Ordinance, including the authority to make the specific determinations described in clause (d) above, are necessary and desirable because this City Council cannot itself as advantageously, expeditiously or conveniently exercise such authority and make such specific determinations. Thus, authority is granted to the Mayor, the Chief Financial Officer appointed by the Mayor or the City Comptroller (the "*Authorized Officer*" as referred to herein being either the Chief Financial Officer or the City Comptroller) to determine to sell one or more series of 2013 Bonds, at one or more times, as and to the extent such officers determine that such sale or sales is desirable and in the best financial interest of the City and the Airport.

Section 1.3. Forms of Documents. There have been presented to this City Council forms of the following documents:

(a) Forty-Fourth Supplemental Indenture Securing Chicago O'Hare International Airport General Airport Senior Lien Revenue Bonds, Series 2013 (attached hereto as *Exhibit A*);

(b) Indenture of Trust Securing Chicago O'Hare International Airport Customer Facility Charge Revenue Bonds, Series 2013 (attached hereto as *Exhibit B*);

Section 1.4. Debt Issuance. The 2013 Bonds are hereby authorized to be issued pursuant to this Ordinance for the purposes specified in Part B with respect to the 2013 Senior Lien Bonds and Part C with respect to the 2013 CFC Bonds.

Section 1.5. Title. This Ordinance may hereafter be cited as the "2013 O'Hare Financing Ordinance."

(b) The 2013 Senior Lien Bonds shall mature not later than January 1, 2053, and shall bear interest from their date, or from the most recent date to which interest has been paid or duly provided for, until the City's obligation with respect to the payment of the principal amount thereof shall be discharged, payable as provided in the related Supplemental Indenture at a rate or rates not in excess of 15% per annum. Each series of 2013 Senior Lien Bonds may be subject to mandatory and optional redemption (including mandatory redemption pursuant to the application of Sinking Fund Payments) and demand purchase or mandatory purchase provisions prior to maturity, upon the terms and conditions set forth in the Senior Lien Master Indenture and the related Supplemental Indenture. The redemption price may be based upon a formula designed to compensate the Owner of the 2013 Senior Lien Bonds to be redeemed based upon prevailing market conditions on the date fixed for redemption, commonly known as a "make-whole" redemption price (the "*Make-Whole Redemption Price*"). At the time of sale of the 2013 Senior Lien Bonds, an Authorized Officer shall determine the provisions of the formula to be

used to establish any Make-Whole Redemption Price if determined to be included in the terms of the 2013 Senior Lien Bonds, which may vary depending on whether the 2013 Senior Lien Bonds are issued on a taxable or tax-exempt basis. An Authorized Officer shall confirm and transmit the applicable Make-Whole Redemption Price on such dates and to such parties as shall be necessary to effectuate such redemption.

(c) The 2013 Senior Lien Bonds shall be entitled "Chicago O'Hare International Airport General Airport Senior Lien Revenue Bonds" or "Chicago O'Hare International Airport General Airport Senior Lien Revenue Refunding Bonds," as appropriate. The 2013 Senior Lien Bonds may be issued in one or more separate series, designated and identified as provided in the related Supplemental Indenture.

(d) Each 2013 Senior Lien Bond shall be issued in fully registered form and in the denominations set forth in the related Supplemental Indenture; and shall be dated and numbered and further designated and identified as provided in the Senior Lien Master Indenture and the related Supplemental Indenture.

(e) Principal of and premium, if any, on the 2013 Senior Lien Bonds shall be payable at the principal corporate trust office of the Senior Lien Trustee or any Paying Agent as provided in the Senior Lien Master Indenture and related Supplemental Indenture. Payment of interest on the 2013 Senior Lien Bonds shall be made to the registered owner thereof and shall be paid by check or draft of the Senior Lien Trustee mailed to the registered owner at his or her address as it appears on the registration books of the City kept by the Senior Lien Trustee or at such other address as is furnished to the Senior Lien Trustee in writing by such registered owner, or by wire transfer as further provided in the Senior Lien Master Indenture and related Supplemental Indenture.

(f) Authority is hereby delegated to either the Mayor or the Authorized Officer to determine the aggregate principal amount of 2013 Senior Lien Bonds to be issued in an aggregate principal amount not to exceed $900,000,000, the date thereof, the maturities thereof, any provisions for optional redemption thereof, the schedule of Sinking Fund Payments, if any, to be applied to the mandatory redemption thereof (which mandatory redemption shall be at a Redemption Price equal to the principal amount of each 2013 Senior Lien Bond to be redeemed, without premium, plus accrued interest), the rate or rates of interest payable thereon or method for determining such rate or rates and the first interest payment date thereof. Any optional redemption shall be at Redemption Prices that may include a redemption premium for each 2013 Senior Lien Bond to be redeemed expressed as a percentage, not exceeding three percent (3%), of the principal amount (or in the case of capital appreciation bonds, the accreted value as of the redemption date) of the 2013 Senior Lien Bond to be redeemed, or at a Make-Whole Redemption Price.

Section 2.2. Purposes. Pursuant to Section 203 of the Senior Lien Master Indenture, the 2013 Senior Lien Bonds are to be issued for the following purposes, as determined by the Authorized Officer at the time of the sale of the 2013 Senior Lien Bonds:

(a) the payment, or the reimbursement for the payment, of all or a portion of the costs of acquiring, constructing and equipping any Airport Project or Airport Projects, including,

without limitation, the Projects and payment of capitalized interest on the 2013 Senior Lien Bonds or any other Outstanding Airport Obligations;

(b) the refunding of any Outstanding Airport Obligations;

(c) the funding of deposits, deposit of moneys in a program fee account, a debt service reserve account, a capitalized interest account and such other accounts and subaccounts (including capitalized interest accounts for any series of Senior Lien Bonds) as may be provided for in the Senior Lien Master Indenture and the Supplemental Indenture relating to such series; and

(d) the payment of the Costs of Issuance of the 2013 Senior Lien Bonds.

The proceeds of each series of 2013 Senior Lien Bonds shall be applied for the purposes set forth above in the manner and in the amounts specified in a Certificate of an Authorized Officer (as defined in the Senior Lien Master Indenture) delivered in connection with the issuance of such series pursuant to the Senior Lien Master Indenture and the related Supplemental Indenture.

Section 2.3. Pledge of Senior Lien Revenues and Other Available Moneys. The 2013 Senior Lien Bonds, together with interest thereon, shall be limited obligations of the City secured by a pledge of the Senior Lien Revenues and by any Other Available Moneys pledged under the Senior Lien Master Indenture and the related Supplemental Indenture, including, but not limited to, passenger facility charge revenues to be withdrawn from the PFC Capital Fund of the City, and shall be valid claims of the registered owners thereof only against the funds and assets and other money held by the Senior Lien Trustee with respect thereto and against such Revenues and Other Available Moneys. The 2013 Senior Lien Bonds and the obligation to pay interest thereon do not now and shall never constitute an indebtedness or a loan of credit of the City, or a charge against its general credit or taxing powers, within the meaning of any constitutional or statutory limitation of the State of Illinois. In connection with the issuance of any series of 2013 Senior Lien Bonds secured by a pledge of or otherwise payable from Other Available Moneys, the City shall determine in the related Supplemental Indenture or by a Certificate of an Authorized Officer filed with the Senior Lien Trustee, all of the terms and conditions of such pledge, including the annual payment amount, the lien status thereof and the duration of such pledge.

Section 2.4. Approval of Supplemental Indentures.

(b) Each such Supplemental Indenture shall be substantially in the form of the Forty-Fourth Supplemental Indenture presented to this meeting and may contain such changes or revisions as shall be approved by the Mayor or the Authorized Officer, and execution and

delivery of such Supplemental Indenture containing such changes or revisions shall constitute conclusive evidence of such approval.

(c) By the purchase of the 2013 Senior Lien Bonds, purchasers of such 2013 Senior Lien Bonds agree, for themselves and any successor Owners, to the provisions of any one or more Senior Lien Master Indenture amendments executed and delivered pursuant to the authorization set forth in Part B, Section 2.5(g) of that certain bond ordinance which was adopted by the City Council of the City on November 18, 2009, relating to bond financing at the Airport.

(d) The execution and delivery of a Supplemental Indenture shall constitute conclusive evidence of this City Council's approval of the form of such Supplemental Indenture as executed and delivered.

Section 2.5. Qualified Reserve Account Credit Instruments. The Authorized Officer is hereby authorized to arrange for the provision of one or more Qualified Reserve Account Credit Instruments (as defined in the Forty-Fourth Supplemental Indenture) as security for all or a portion of the 2013 Senior Lien Bonds if the Authorized Officer determines that it would be in the best financial interest of the City in the operation of the Airport.

The Bonds are issuable only as fully registered Bonds in the authorized denominations described in the Indenture. Bonds may be transferred on the books of registration kept by the Bond Registrar by the owner in person or by his or her duly authorized attorney, upon surrender thereof, together with a written instrument of transfer executed by the owner or his or her duly authorized attorney. Upon surrender for registration of transfer of any Bond with all partial redemptions endorsed thereon at the principal office of the Bond Registrar, the City shall execute and the Trustee shall authenticate and deliver in the name of the transferee or transferees a new Bond or Bonds of the same maturity, series and interest rate, aggregate principal amount and tenor and of any authorized denomination or denominations and bearing numbers not contemporaneously outstanding under the Indenture.

Bonds may be exchanged at the principal office of the Bond Registrar for an equal aggregate principal amount of Bonds in the appropriate form and in the same maturity, series and interest rate, aggregate principal amount and tenor and of any authorized denomination or denominations. The City shall execute and the Trustee shall authenticate and deliver Bonds which the Bondholder making the exchange is entitled to receive.

Such registration of transfer or exchange of Bonds shall be without charge to the owners of such Bonds, but any taxes or other governmental charges required to be paid with respect to the same shall be paid by the owners of the Bond requesting such transfer or exchange as a condition precedent to the exercise of such privilege.

The Bond Registrar shall not be required to register for transfer or exchange any undelivered Bond or Bonds after the giving of notice calling such Bond for redemption or partial redemption has been made.

The person in whose name any Bond is registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on account of principal, premium, if any, or interest shall be made only to or upon the order of the registered owner thereof or his duly authorized attorney, but such registration may be changed as hereinabove provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

The Bonds maturing on or after January 1, _____ are subject to redemption, at the option of the City, on or after January 1, _____, as a whole or in part at any time, and if in part, in such order of maturity as the City shall determine and within any maturity by lot, at a redemption price equal to the principal amount of each Bond to be redeemed, plus accrued interest to the date of the redemption.

Notice of any such redemption must be given by the Trustee by first-class mail (or registered mail in the case of registered owners of at least $1,000,000 of Bonds) not less than 30 or more than 60 days prior thereto to the registered owners of the Bonds. Failure to mail any such notice to the registered owner of any Bond or any defect therein shall not affect the validity of the proceedings for such redemption of Bonds.

This Bond and all other Bonds of the series of which it forms a part are issued pursuant to and in full compliance with the Constitution and laws of the State of Illinois, particularly Article VII, Section 6(a) of the 1970 Constitution of the State of Illinois, and pursuant to an ordinance adopted by the City Council of the City, which ordinance authorizes the execution and delivery of the Indenture. This Bond and the series of which it forms a part are limited obligations of the City payable solely from the amounts pledged therefor under the Indenture.

No recourse shall be had for the payment of the principal of, premium, if any, or interest on any of the Bonds or for any claim based thereon or upon any obligation, covenant or agreement in the Indenture contained against any past, present or future officer, employee or agent, or member of the City Council of the City, or any successor to the City, as such, either directly or through the City, or any successor to the City, under any rule of law or equity, statute or constitution or by the enforcement of any assessment or penalty or otherwise, and all such liability of any such officer, employee or agent, or member of the City Council, as such, is hereby expressly waived and released as a condition of and in consideration for the execution of the Indenture and the issuance of any of the Bonds.

The owner of this Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Indenture, or to institute, appear in or defend any suit or other proceedings with respect thereto, except as provided in the Indenture.

The Indenture prescribes the manner in which it may be discharged and after which the Bonds shall no longer be secured by or entitled to the benefits of the Indenture, except as provided in the Indenture and for the purposes of registration and exchange of Bonds and of such payment, including a provision that the Bonds shall be deemed to be paid if Federal Obligations, as defined therein, maturing as to principal and interest in such amounts and at such times as to insure the availability of sufficient moneys to pay the principal of, premium, if any, and interest on the Bonds and all necessary and proper fees, compensation and expenses of the Trustee shall have been deposited with the Trustee.

Modifications or alterations of the Indenture, or of any supplements thereto, may be made only to the extent and in the circumstances permitted by the Indenture.

The Bonds

Section 2.01. Authorized Amount of Bonds. No Bonds may be issued under the provisions of this Forty-Fourth Supplemental Indenture except in accordance with this Article. The Bonds are being issued to provide funds to redeem the Prior Airport Obligations, finance the costs of the Airport Projects and to pay costs of issuance of the Bonds. Except as provided in Section 2.08 hereof, the total original principal amount of Bonds that may be issued hereunder is hereby expressly limited to $_____.

Section 2.02. Issuance of Bonds; Denominations; Numbers. The Bonds shall be issued in the aggregate principal amount of $_____ and shall be designated "City of Chicago, Chicago O'Hare International Airport General Airport Senior Lien Revenue **[Refunding]** Bonds, Series 2013A."

The Bonds shall be issued as registered bonds without coupons. The Bonds shall be issued only in Authorized Denominations. The Bonds shall be numbered consecutively from 1 upward bearing numbers not then contemporaneously outstanding (in order of issuance) according to the records of the Bond Registrar.

The Bonds shall be dated as of the Interest Payment Date next preceding their date of authentication, unless such date of authentication is an Interest Payment Date, in which case the Bonds shall be dated as of such Interest Payment Date, or unless such Bonds are authenticated prior to the first Interest Payment Date, in which event the Bonds shall be dated as of the Date of Issuance.

The Bonds shall mature on January 1 of each of the following years in the following principal amounts and bear interest at the following interest rates per annum:

Year	Principal Amount	Interest Rate

Interest on the Bonds shall be payable on January 1 and July 1 of each year, commencing _____. The Bonds shall bear interest from the date thereof or from and including the most recent Interest Payment Date with respect to which interest has been paid or duly provided for. Interest on the Bonds shall be calculated on the basis of a 360-day year consisting of twelve 30-day months.

Section 2.03. Payment on the Bonds. Interest on the Bonds shall be payable on each applicable Interest Payment Date. The Bonds shall bear interest from the date thereof or from and including the most recent Interest Payment Date with respect to which interest has been paid or duly provided for. The principal of, premium, if any, and the interest on the Bonds shall be payable in lawful money of the United States of America. Except as provided in Section 2.10 hereof, the principal of and redemption premium, if any, on all Bonds shall be payable at the principal corporate trust office of the Trustee upon the presentation and surrender of the Bonds as the same become due and payable. Except as provided in Sections 2.09 and 2.10 hereof, the interest on the Bonds shall be paid by check drawn upon the Trustee and mailed to the persons in whose names the Bonds are registered at the address of each such person as it appears on the registration books maintained by the Bond Registrar at the close of business on the Record Date next preceding each Interest Payment Date or at such other address as is furnished in writing by such Registered Owner to the Bond Registrar. Interest on the Bonds shall be paid by wire transfer to any Registered Owner who at the close of business on such Record Date has given

written notice of its wire transfer address in the continental United States to the Bond Registrar prior to such Record Date (which notice may provide that it will remain in effect until revoked), *provided* that each such wire transfer shall be made only with respect to a Registered Owner of $1,000,000 or more in aggregate original principal amount of the Bonds as of the close of business on such Record Date.

The Bonds are issued pursuant to and in full compliance with the Constitution and laws of the State of Illinois, and pursuant to the Ordinance, which authorizes the execution and delivery of this Forty-Fourth Supplemental Indenture. The Bonds are not general obligations of the City but limited obligations payable solely from Revenues (except to the extent paid out of moneys attributable to the proceeds derived from the sale of the Bonds or to income from the temporary investment thereof) and shall be a valid claim of the respective Registered Owners thereof only against the 2013A Dedicated Sub-Fund and other moneys held by the Trustee or otherwise pledged therefor, which amounts are hereby pledged, assigned and otherwise held as security for the equal and ratable payment of the Bonds and shall be used for no other purpose than to pay the principal of, premium, if any, and interest on the Bonds, except as may be otherwise expressly authorized in the Indenture or in this Forty-Fourth Supplemental Indenture. The Bonds shall not constitute an indebtedness of the City or a loan of credit thereof within the meaning of any constitutional or statutory limitation, and neither the faith and credit nor the taxing power of the City, the State or any political subdivision thereof is pledged to the payment of the principal of, premium, if any, or interest on the Bonds or other costs incident thereto. In case any officer whose signature or a facsimile of whose signature shall appear on the Bonds shall cease to be such officer before the delivery of such Bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes, as if he or she had remained in office until delivery.

Section 2.05. Authentication. No Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this Forty-Fourth Supplemental Indenture unless and until such certificate of authentication in substantially the form hereinabove set forth shall have been duly executed by the Trustee, and such executed certificate of the Trustee upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Forty-Fourth Supplemental Indenture. The Trustee's certificate of authentication on any Bond shall be deemed to have been executed by it if (a) signed by an authorized signatory of the Trustee, but it shall not be necessary that the same officer sign the certificate of authentication on all of the Bonds issued hereunder, and (b) the date of authentication on the Bond is inserted in the place provided therefor on the certificate of authentication.

Section 2.06. Form of Bonds; Temporary Bonds. The Bonds issued under this Forty-Fourth Supplemental Indenture shall be substantially in the form hereinbefore set forth, with such appropriate variations, omissions and insertions as are permitted or required by this Forty-Fourth Supplemental Indenture.

Pending preparation of definitive Bonds, or by agreement with the purchasers of the Bonds, the City may issue and, upon its request, the Trustee shall authenticate, in lieu of definitive Bonds, one or more temporary printed or typewritten Bonds in Authorized Denominations and of substantially the tenor recited above. Upon request of the City, the Trustee shall authenticate definitive Bonds in exchange for and upon surrender of any equal principal amount of temporary Bonds. Until so exchanged, temporary Bonds shall have the same rights, remedies and security hereunder as definitive Bonds.

Section 2.07. Delivery of Bonds. Upon the execution and delivery of this Forty-Fourth Supplemental Indenture, the City shall execute and deliver to the Trustee, and the Trustee shall authenticate, the Bonds and deliver them to the purchasers as may be directed by the City as hereinafter in this Section 2.07 provided.

Prior to the delivery by the Trustee of any of the Bonds there shall be filed with the Trustee:

(a) A copy, duly certified by the City Clerk, of the Ordinance;

(b) Original executed counterpart of the Indenture;

(c) Original executed counterpart of this Forty-Fourth Supplemental Indenture;

(d) A Counsel's Opinion to the effect that (i) the Indenture and this Forty-Fourth Supplemental Indenture have been duly and lawfully authorized by all necessary action on the part of the City, have been duly and lawfully executed by authorized officers of the City, are in full force and effect and are valid and binding upon the City and enforceable in accordance with their terms (except as limited by any applicable bankruptcy, liquidation, reorganization, insolvency or other similar laws or by general principles of equity if equitable remedies are sought); (ii) the Indenture and this Forty-Fourth Supplemental Indenture create the valid pledge of Revenues, moneys and securities which they purport to create; and (iii) upon their execution, authentication and delivery, the Bonds will have been duly and validly authorized and issued in accordance with the Constitution and laws of the State of Illinois, the Indenture and this Forty-Fourth Supplemental Indenture;

(e) A written order as to the delivery of the Bonds, executed by an Authorized Officer stating (i) the identity of the purchasers, aggregate purchase price and date and place of delivery of the Bonds and (ii) that no Event of Default has occurred and is continuing under the Indenture or this Forty-Fourth Supplemental Indenture;

(f) The Certificate of the City required by Section 206(e) of the Indenture; and

(g) Either the Certificate required by Section 206(f) of the Indenture or the Certificate of the City required by Section 207(b) of the Indenture.

Section 2.08. Mutilated, Lost, Stolen or Destroyed Bonds. If any Bond is mutilated, lost, stolen or destroyed, the City may execute and the Trustee may authenticate a new Bond of like date, maturity, interest rate and denomination as the Bond mutilated, lost, stolen or destroyed, *provided* that, in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the Trustee, and in the case of any lost, stolen or destroyed Bond, there shall be first furnished to the City and the Trustee evidence of such loss, theft or destruction satisfactory to the City and the Trustee, together with indemnity satisfactory to them. In the event any such Bond shall have matured, instead of issuing a substitute Bond the City may pay the same without surrender thereof. The City and the Trustee may charge the Registered Owner of such Bond with their reasonable fees and expenses in this connection. All Bonds so surrendered to the Trustee shall be cancelled and destroyed, and evidence of such destruction shall be given to the City. Upon the date of final maturity or redemption of all of the Bonds, the Trustee shall destroy any inventory of unissued certificates.

Section 2.09. Registration and Exchange of Bonds; Persons Treated as Owners. The City shall cause books for the registration and for the transfer of the Bonds as provided in this Forty-Fourth Supplemental Indenture to be kept by the Trustee as the Bond Registrar of the City. Upon surrender for transfer of any Bond at the principal office of the Bond Registrar, duly endorsed for transfer or accompanied by an assignment duly executed by the Registered Owner or his or her attorney duly authorized in writing, the City shall execute and the Bond Registrar shall authenticate and deliver in the name of the transferee or transferees a fully registered Bond for a like aggregate principal amount.

Bonds may be exchanged at the principal office of the Bond Registrar for a like aggregate principal amount of fully registered Bonds of the same maturity of other authorized denominations. The City shall execute and the Bond Registrar shall authenticate and deliver Bonds which the Bondowners making the exchange are entitled to receive, bearing numbers not contemporaneously then outstanding. The execution by the City of any Bond of any denomination shall constitute full and due authorization of such denomination and the Bond Registrar shall thereby be authorized to authenticate and deliver such Bond.

The Bond Registrar shall not be required to register for transfer or exchange any undelivered Bond or any Bond after the giving of notice calling such Bond for redemption or partial redemption.

The person in whose name any fully registered Bond is registered at the close of business on any Record Date with respect to any Interest Payment Date shall be entitled to receive the interest payable on such Interest Payment Date notwithstanding the cancellation of such registered Bond upon any transfer or exchange thereof subsequent to the Record Date and prior to such Interest Payment Date, except if and to the extent there shall be a default in the payment of the interest due on such Interest Payment Date, in which case such defaulted interest shall be paid to the person in whose name such Bond is registered either at the close of business on the day preceding the date of payment of such defaulted interest or on a subsequent Record Date for such payment if one shall have been established as hereinafter provided. A subsequent Record Date may be established by or on behalf of the City by notice mailed to the Registered Owners of Bonds not less than 10 days preceding such Record Date, which Record Date shall be not more than 30 days prior to the subsequent interest payment date.

Except as provided in the Indenture, as to any Bond the person in whose name the same shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of principal, premium, if any, or interest on any Bond shall be made only to or upon the written order of the Registered Owner thereof or his legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

In each case the Bond Registrar shall require the payment by the Bondowner requesting exchange or transfer of any tax or other governmental charge required to be paid with respect to such exchange or transfer, but otherwise no charge shall be made to the Bondowner for such exchange or transfer.

Section 2.10. Book-Entry Provisions. The provisions of this Section shall apply so long as the Bonds are maintained in book-entry form with DTC or another Securities Depository, any provisions of this Forty-Fourth Supplemental Indenture to the contrary notwithstanding.

(a) *Payments.* The Bonds shall be payable to the Securities Depository, or its nominee, as the Registered Owner of the Bonds, in next day funds on each date on which the principal of, premium, if any, and interest on the Bonds is due as set forth in this Forty-Fourth Supplemental Indenture and in the Bonds. Such payments shall be made to the offices of the Securities Depository specified by the Securities Depository to the City and the Trustee in writing. Without notice to or the consent of the beneficial owners of the Bonds, the City and the Securities Depository may agree in writing to make payments of principal and interest in a manner different from that set forth herein. If such different manner of payment is agreed upon, the City shall give the Trustee notice thereof, and the Trustee shall make payments with respect to the Bonds in the manner specified in such notice as set forth herein. Neither the City nor the Trustee shall have any obligation with respect to the transfer or crediting of the principal of, premium, if any, and interest on the Bonds to Participants or the beneficial owners of the Bonds or their nominees.

(b) *Replacement of the Securities Depository.* If the City receives notice that the Securities Depository has received notice from its Participants having interests in at least 50% in principal amount of the Bonds that the Securities Depository or its successor is incapable of discharging its responsibilities as a securities depository or that it is in the best interests of the beneficial owners that they obtain certificated Bonds, the City shall cause the Trustee to authenticate and deliver Bond certificates. The City shall have no obligation to make any investigation to determine the occurrence of any events that would permit the City to make any determination described in this paragraph.

(c) *Discontinuance of Book-Entry or Change of Securities Depository.* If, following a determination or event specified in paragraph (b) above, the City discontinues the maintenance of the Bonds in book-entry form with the then current Securities Depository, the City will issue replacement Bonds to the replacement Securities Depository, if any, or, if no replacement Securities Depository is selected for the Bonds, directly to the Participants as shown on the records of the former Securities Depository or, to the extent requested by any Participant, to the beneficial owners of the Bonds shown on the records of such Participant. Replacement

Bonds shall be in fully registered form and in Authorized Denominations, be payable as to interest on the Interest Payment Date of the Bonds by check or draft mailed to each Registered Owner at the address of such Registered Owner as it appears on the bond registration books maintained by the City for such purpose at the principal corporate trust office of the Trustee or at the option of any Registered Owner of not less than $1,000,000 original principal amount of Bonds, by wire transfer to any address in the continental United States of America on such Interest Payment Date to such Registered Owner as of such Record Date, if such Registered Owner provides the Trustee with written notice of such wire transfer address not later than the Record Date (which notice may provide that it will remain in effect with respect to subsequent Interest Payment Dates unless and until changed or revoked by subsequent notice). Principal and redemption premium, if any, on the replacement Bonds are payable only upon presentation and surrender of such replacement Bond or Bonds at the principal corporate trust office of the Trustee.

(d) *Effect of Book-Entry System.* The Securities Depository and its Participants and the beneficial owners of the Bonds, by their acceptance of the Bonds, agree that the City and the Trustee shall not have liability for the failure of such Securities Depository to perform its obligations to the Participants and the beneficial owners of the Bonds, nor shall the City or the Trustee be liable for the failure of any Participant or other nominee of the beneficial owners to perform any obligation of the Participant to a beneficial owner of the Bonds.

Section 3.02. Notice of Redemption. Notice of the redemption of Bonds or any portion thereof pursuant to Section 3.01 hereof identifying the Bonds or portions thereof to be redeemed, specifying the redemption date, the Redemption Price, the places and dates of payment, that from the redemption date interest will cease to accrue, and whether the redemption is conditioned upon sufficient moneys being available on the redemption date (or any other condition), shall be given by the Trustee by mailing a copy of such redemption notice not less than 30 nor more than 60 days prior to the date fixed for redemption, to the Registered Owner of each Bond to be redeemed in whole or in part at the address shown on the registration books. Redemption notices shall be sent by first class mail, except that notices to Registered Owners of at least $1,000,000 of Bonds shall be sent by registered mail. Failure to mail any such notice to

the Registered Owner of any Bond or any defect therein shall not affect the validity of the proceedings for such redemption of Bonds.

Any notice mailed as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Registered Owner of any Bond receives the notice.

Section 3.03. Deposit of Funds. For the redemption of any of the Bonds, the City shall cause to be deposited in the Principal and Interest Account moneys sufficient to pay when due the principal of and premium, if any, and interest on the redemption date to be applied in accordance with the provisions of Section 4.05 hereof.

Moneys in the Capitalized Interest Account shall be used for transfer to the Principal and Interest Account to pay interest on the Bonds in the following amounts on the following Deposit Dates:

Deposit Date	Amount
	$

Any amount remaining in the Capitalized Interest Account on _____ shall be withdrawn from the Capitalized Interest Account and deposited into the Principal and Interest Account. Moneys in the Capitalized Interest Account may be used for such other purposes as are set forth in an opinion of Bond Counsel to the effect that such other use of such moneys is necessary in such counsel's opinion to preserve the exemption from Federal income taxes of interest on the Bonds.

Moneys in the Costs of Issuance Account shall be used solely for the payment or reimbursement of Costs of Issuance of the Bonds as directed in a Certificate filed with the Trustee. If after the payment of all Costs of Issuance, as specified in a Certificate filed with the Trustee, there shall be any balance remaining in the Costs of Issuance Account, such balance shall be transferred to the Program Fee Account.

Moneys in the Program Fee Account shall be used solely for the payment of fees and expenses with respect to the Bonds as set forth in a Certificate filed with the Trustee.

Section 4.07. Tax Covenants. The City covenants to take any action required by the provisions of the Code and within its power to take in order to preserve the exemption from federal income taxation of interest on the Bonds (other than with respect to an alternative minimum tax imposed on interest on the Bonds), including, but not limited to, the provisions of Section 148 of the Code relating to "arbitrage bonds." The City covenants to comply with the provisions of the Tax Certificates.

Section 4.08. Nonpresentment of Bonds. If any Bond shall not be presented for payment when the principal thereof becomes due, either at maturity, or at the date fixed for redemption thereof, or otherwise, if moneys sufficient to pay any such Bond shall have been made available to the Trustee for the benefit of the Registered Owner or Owners thereof, subject to the provisions of the immediately following paragraph, all liability of the City to the Registered Owner thereof for the payment of such Bond shall forthwith cease, determine and be

completely discharged, and thereupon it shall be the duty of the Trustee to hold such moneys, without liability for interest thereon, for the benefit of the Registered Owner of such Bond who shall thereafter be restricted exclusively to such moneys, for any claim of whatever nature under the Indenture or this Forty-Fourth Supplemental Indenture or on, or with respect to, such Bond.

Any moneys so deposited with and held by the Trustee not so applied to the payment of Bonds within two years after the date on which the same shall have become due shall be repaid by the Trustee to the City upon direction of an Authorized Officer, and thereafter the Registered Owners of such Bonds shall be entitled to look only to the City for payment, and then only to the extent of the amount so repaid, and all liability of the Trustee with respect to such moneys shall thereupon cease, and the City shall not be liable for any interest thereon and shall not be regarded as a trustee of such moneys.

Before being required to make any such payment to the City, the Trustee may, at the expense of the City, publish such notice as may be deemed appropriate by the Trustee listing the Bonds so payable and not presented, and stating that such moneys remain unclaimed and that after a date set forth therein any balance thereof then remaining will be paid to the City. The obligation of the Trustee under this Section 4.08 to pay any such funds to the City shall be subject, however, to any provisions of law applicable to the Trustee or to such funds providing other requirements for disposition of unclaimed property.

Section 4.09. Moneys to Be Held in Trust. All moneys required to be deposited with or paid to the Trustee for the account of any Fund or Account referred to in any provision of this Forty-Fourth Supplemental Indenture shall be held by the Trustee in trust as provided in Section 1003 of the Indenture, and shall, while held by the Trustee, constitute part of the Trust Estate and be subject to the lien or security interest created hereby.

Section 4.10. Debt Service Reserve Account.

(a) The City shall maintain the Debt Service Reserve Account in an amount equal to the Reserve Requirement, which requirement may be satisfied with (i) one or more Qualified Reserve Account Credit Instruments, (ii) Qualified Investments, or (iii) a combination thereof. Any Qualified Investments held to the credit of the Debt Service Reserve Account shall be valued in accordance with Section 307 of the Indenture. If on any valuation date as provided in Section 307 of the Indenture the amount on deposit in the Debt Service Reserve Account is more than the Reserve Requirement, the amount of such excess shall be transferred by the Trustee for deposit into the Revenue Fund established under the Indenture.

(b) If at any time the Debt Service Reserve Account holds both a Qualified Reserve Account Credit Instrument and Qualified Investments, the Qualified Investments shall be liquidated and the proceeds applied for the purposes for which Debt Service Reserve Account moneys may be applied under this Forty-Fourth Supplemental Indenture prior to any draw being made on the Qualified Reserve Account Credit Instrument. If the Debt Service Reserve Account holds Qualified Reserve Account Credit Instruments issued by more than one issuer, draws shall be made under such credit instruments on a *pro rata* basis to the extent of available funds. Amounts deposited in the 2013A Dedicated Sub-Fund for the purpose of restoring amounts withdrawn from the Debt Service Reserve Account shall be applied first to reimburse the

Qualified Credit Provider and thereby reinstate the Qualified Reserve Account Credit Instrument and next to make deposits into the Debt Service Reserve Account.

Section 4.11. Deposits into Project Account. Pending application as provided in Section 4.13, moneys in the Project Account shall be held in trust by the Trustee as provided in Section 4.09.

(k) All other items of cost and expense not elsewhere in this Section 4.12 specified, incident to the construction, installation and acquisition of 2013A Airport Projects and the financing thereof, including the payment of interest on Bonds.

(vi) That the payment is for costs which are permitted to be paid from Bond proceeds;

(vii) That there has not been filed with or served upon the City any notice of any lien, right to lien, or attachment upon or claim affecting the right to receive payment of any of the moneys payable to any of the persons, firms or corporations named which have not been released or will not be released simultaneously with the payment of such obligations, and in the event that any assignment of right to receive payment has been made and notice thereof has been given to the City and the City has accepted such assignment, the order directing payment shall recite that fact and direct the payment to be made to the assignee thereof as shown by the records of the City; and

(b) In respect to disbursements from the Project Account in payment for work done in connection with the construction, acquisition and installation of 2013A Airport Projects, such requisition, signed by the Chief Financial Officer or the City Comptroller, shall be accompanied by a certificate signed by a Consulting Engineer certifying that the obligations in stated amounts have been incurred by the City, and that each item thereof is a proper charge against the designated sub-account of the Project Account and has not been included in any prior requisition which has been paid, and insofar as any such obligation was incurred for work, materials, equipment or supplies, such work was actually performed in the furtherance of the construction, acquisition and installation of such 2013A Airport Projects delivered at the site of the Airport for those purposes, or delivered for storage or fabrication at a place or places approved by a Consulting Engineer and under the control of the City. Notwithstanding the foregoing, no certificate of a Consulting Engineer shall be required with respect to disbursements for Costs of Issuance or other costs that the Chief Financial Officer or the City Comptroller shall have certified as being costs that are not directly related to the actual construction, acquisition and installation of 2013A Airport Projects such as land acquisition, payment of auditor's fees and other similar costs that may otherwise be paid from the Project Account in compliance with the Tax Certificates.

(c) Upon receipt of any such orders and accompanying certificates the Trustee shall pay each such obligation from the appropriate sub-account of the Project Account and the Trustee shall make disbursements in accordance with the directions from the Chief Financial Officer or the City Comptroller. The moneys held in the Project Account shall be invested in accordance with the requirements of Article V hereof.

Section 4.14. Progress Reports and Completion Certificate.

(a) At least once each month during the period of the construction, installation and acquisition of each 2013A Airport Project, the cost of which has been paid in whole or in part from Bond proceeds, the City will cause the Consulting Engineer to prepare a progress report in connection with such construction, installation and acquisition of such 2013A Airport Project, including comparisons between the actual time elapsed and the actual costs incurred and the estimates of such time and costs, which shall have been set forth in a statement prepared by the Consulting Engineer and filed with the City. (a) Moneys in the Project Account (or any sub-account therein) may be transferred or withdrawn as shall be specified by a Certificate of the City pursuant to paragraph (b) of this Section for any one or more of the following purposes: (i) to make transfers to one or more other Project Accounts held by the Trustee to pay the costs of other Airport Projects, which costs are permitted to be paid from Bond proceeds, (ii) to make transfers into the Debt Service Reserve Account to make up any deficiency therein, (iii) to make transfers to the

Principal and Interest Account, (iv) to redeem Bonds in accordance with the provisions of this Forty-Fourth Supplemental Indenture, or (v) upon an Event of Default to pay the principal of and interest on the Bonds.

(i) its requisition therefor, stating the amount of the transfer or withdrawal and directing the Trustee as to the application of such amount;

(ii) a Counsel's Opinion stating that in the opinion of the signer, such transfer or withdrawal will not constitute a breach or default on the part of the City of any of the covenants or agreements contained in this Forty-Fourth Supplemental Indenture; and

(iii) an opinion of Bond Counsel to the effect that such transfer or withdrawal will not adversely affect any exemption from Federal income taxes of interest on any Bonds theretofore issued.

ARTICLE V

Moneys held in the funds, accounts and subaccounts established hereunder shall be invested and reinvested in accordance with the provisions governing investments contained in the Indenture. The Thirty-Seventh Supplemental Indenture from the City to the Trustee dated April 1, 2010, authorizes the amendment of the Indenture (the "*2010 Amendment*"). The 2010 Amendment deletes in full Section 413 of the Indenture which contains restrictions on the sale or transfer of the Airport. In consideration for the security interests granted by the City for the benefit of the Owners of the Bonds **[Insurer]**, the Owners from time to time of the Bonds **[Insurer]** hereby consent to the Thirty-Seventh Supplemental Indenture and to the 2010 Amendment of the Indenture. Such consents shall be fully effective for all purposes of Article VIII of the Indenture. The consent of any Owner made pursuant to this Section may be revoked in writing as provided by subsection (b) of Section 803 of the Indenture.

ARTICLE X

[Insurer Provisions

Section 10.01. Insurer Provisions. The City hereby designates **[Insurer]** as the Insurer with respect to the Insured Bonds. The Insurer shall be entitled to the benefits of Section 1104 of the Indenture. Anything contained in this Forty-Fourth Supplemental Indenture or in the Bonds to the contrary notwithstanding, the existence of all rights given to the Insurer hereunder or under the Indenture are expressly conditioned on the timely and full performance of the payment obligations of the Insurer under the Policy.

This Section 10.01 contains certain covenants and restrictions for the benefit of **[Insurer]** which apply in addition to, and not in substitution of, the provisions of the Indenture. The following covenants shall apply only to the Insured Bonds and shall only be applicable during the period in which any Insured Bonds are Outstanding or any amounts are due to **[Insurer]** under the Policy, and **[Insurer]**'s rights have not terminated pursuant to clause (a) of this Section 10.01. The covenants contained in this Section 10.01 may only be enforced by **[Insurer]** and may be modified, amended or waived at any time with the prior written consent of **[Insurer]** and without the consent of the Trustee (so long as such modification or amendment imposes no additional duties on the Trustee) or any holder of the Bonds.

(a) The existence of all rights given to **[Insurer]** under this Forty-Fourth Supplemental Indenture or the Indenture are expressly conditioned on the timely and full performance of the payment obligations of **[Insurer]** under the Policy.

(b) **[Insurer]** shall be considered the sole Owner of the Insured Bonds as provided in Section 1104 of the Indenture.

(c) It shall constitute an event of default hereunder for purposes of Section 901(d) of the Indenture if the City fails or refuses to comply with the provisions of the Indenture, or defaults in the performance or observance of any covenants, agreements or conditions on its part contained in the Indenture or the Senior Lien Obligations, which materially affects the rights of the Owners of the Senior Lien Obligations and the failure, refusal or default continues for a period of 45 days after written notice of it by the Trustee or the Owners of not less than 25% in principal amount of the Outstanding Senior Lien Obligations; provided, however, that in the case of any such default which can be cured by due diligence but which cannot be cured within the 45-day period, the time to cure is extended for such period as may be necessary to remedy the default with all due diligence, provided that such extension shall not exceed 45 days without the prior written consent of **[Insurer]** (which consent shall not be unreasonably withheld).

(d) To the extent that this Forty-Fourth Supplemental Indenture confers upon or gives or grants to **[Insurer]** any right, remedy or claim under this Forty-Fourth Supplemental Indenture, **[Insurer]** is hereby explicitly recognized as being a third-party beneficiary hereunder and may enforce any such right, remedy or claim conferred, given or granted hereunder.

(e) No amendment or modification of any provisions of this Forty-Fourth Supplemental Indenture giving any right, remedy or claim to **[Insurer]** may be made without the prior written consent of **[Insurer]** (which consent shall not be unreasonably withheld).

(f) No amendment of the Indenture that materially and adversely alters the security for the Insured Bonds shall become effective without the prior written consent of **[Insurer]** (which consent shall not be unreasonably withheld).

(g) The rights granted to **[Insurer]** hereunder to request, consent to or direct any action are rights granted to **[Insurer]** in consideration of its issuance of the **[Insurer]** Policy. Any exercise by **[Insurer]** of such rights is merely an exercise of **[Insurer]**'s contractual rights and shall not be construed or deemed to be taken for the benefit or on behalf of the holders of the Insured Bonds nor does such action evidence any position of **[Insurer]**, positive or negative, as to whether Bondholder consent is required in addition to the consent of **[Insurer]**.

(h) Notwithstanding anything in the Indenture to the contrary, in the event that the principal and/or interest due on the Insured Bonds shall be paid by **[Insurer]** pursuant to the Policy, the Insured Bonds shall remain Outstanding for all purposes, not be defeased or otherwise satisfied and not be considered paid by the City and all covenants, agreements and other obligations of the City to the registered owners shall continue to exist and shall run to the benefit of **[Insurer]**, and **[Insurer]** shall be subrogated to the rights of such registered owners. The term "Outstanding" under the Indenture includes Insured Bonds described in this clause (h). The lien of the Indenture shall not be discharged unless all amounts due or to become due to **[Insurer]** hereunder have been paid in full or duly provided for.

(i) The City shall pay or reimburse **[Insurer]**, but only from Revenues and subject and subordinate to all then existing liens on and pledges of Revenues as security for the payment of Airport Obligations, any and all charges, fees, costs and expenses which **[Insurer]** may reasonably pay or incur in connection with (i) the administration, enforcement, defense or preservation of any rights or security in the Indenture; (ii) the pursuit of any remedies under the Indenture or otherwise afforded by law or equity, (iii) any amendment, waiver or other action with respect to, or related to, the Indenture whether or not executed or completed, (iv) the violation by the City of any law, rule or regulation, or any judgment, order or decree applicable to it or (v) any litigation or other dispute in connection with the Indenture or the transactions contemplated thereby, other than amounts resulting from the failure of **[Insurer]** to honor its obligations under the Policy. **[Insurer]** reserves the right to charge a reasonable fee as a condition to executing any amendment, waiver or consent proposed in respect of the Indenture.

(j) The notice address of **[Insurer]** is: **[NAME, ADDRESS, Attention: TITLE]**. In each case in which notice of other communication refers to an event of default, then a copy of such notice or other communication shall also be sent to the attention of the **[General Counsel]** and shall be marked to indicate "URGENT MATERIAL ENCLOSED."

(k) **[Insurer]** shall be provided with the following information:

(i) Annual audited financial statement within 210 days after the end of the City's fiscal year (together with a certification of the City that it is not aware of any

default or event of default under the Indenture), and the City's annual budget within 60 days after the approval thereof together with such other information, data or reports as **[Insurer]** shall reasonably request from time to time;

(ii) Notice of any draw upon the Debt Service Reserve Account within two Business Days after knowledge thereof other than (i) withdrawals of amounts in excess of the Reserve Requirement and (ii) withdrawals in connection with a refunding of Bonds;

(iii) Notice of any default known to the Trustee within five Business Days after knowledge thereof;

(iv) Prior notice of the advance refunding or redemption of any of the Insured Bonds, including the principal amount, maturities and CUSIP numbers thereof;

(v) Notice of the resignation or removal of the Trustee and the appointment of, and acceptance of duties by, any successor thereto;

(vi) Notice of the commencement of any proceeding by or against the City commenced under the United States Bankruptcy Code or any other applicable bankruptcy, insolvency, receivership, rehabilitation or similar law (an "*Insolvency Proceeding*");

(vii) Notice of the making of any claim in connection with any Insolvency Proceeding seeking the avoidance as preferential transfer of any payment of principal of, or interest on, the Insured Bonds;

(viii) A full original transcript of all proceedings relating to the execution of any amendment or supplement to the Indenture; and

(ix) All reports, notices and correspondence to be delivered to Bondholders under the terms of the Indenture.

(l) No Senior Lien Obligations may hereafter be issued without the prior written consent of **[Insurer]** (which consent shall not be unreasonably withheld) (i) during the occurrence and continuance of an event of default under Section 901 of the Indenture unless such event of default would be cured by such issuance or (ii) if, based upon the most recent valuation of the Debt Service Reserve Account pursuant to Section 307 of the Indenture, the amounts therein are less that the Reserve Requirement.

(m) In determining whether any amendment, consent or other action to be taken, or failure to act, under the Indenture, the Trustee shall consider the effect of any such amendment, consent, action or inaction as if there were no Policy.

(n) Acceleration is not a remedy under the Indenture.

(o) The exercise of any provision of the Indenture which permits the purchase of Insured Bonds in lieu of optional redemption shall require the prior written approval of **[Insurer]** if any Insured Bond so purchased is not cancelled upon purchase.

(p) In connection with the defeasance of any Insured Bond for which a verification report is required pursuant to Section 1101(c) of the Indenture, the City shall cause to be delivered to **[Insurer]**: (i) an escrow deposit agreement (which shall be acceptable in form and substance to the Insurer), and (ii) an opinion of nationally recognized bond counsel to the effect that the Insured Bonds are no longer "Outstanding" under the Indenture or a certificate of discharge of the Trustee with respect to the defeased Insured Bonds. Each verification report and defeasance opinion or certificate of discharge shall be acceptable in form and substance, and addressed, to the City, Trustee and Insurer. The Insurer shall be provided with final drafts of the above-referenced documentation not less than five Business Days prior to the funding of the escrow.

(q) The Insurer is entitled to pay principal of and interest on the Insured Bonds that shall become "*Due for Payment*" shall be unpaid by reason of "*Nonpayment*" by the City (as such terms are defined in the Policy) whether or not the Insurer has received a "*Notice of Nonpayment*" (as such terms are defined in the Policy) or a claim upon the Policy.

(r) Any (A) sale or other disposition of all or substantially all of the Airport or (B) transfer of control, management or oversight of the Airport (or any material aspect thereof) shall require the consent of **[Insurer]** (which consent shall not be unreasonably withheld) unless the Insured Bonds are legally defeased.

Section 10.02. Policy Provisions. The provisions of this Section 10.02 apply solely to **[Insurer]**, the Insured Bonds and the Policy.

If, on the third Business Day prior to the related scheduled interest payment date or principal payment date ("*Payment Date*") there is not on deposit with the Trustee, after making all transfers and deposits required under the Indenture, moneys sufficient to pay the principal of and interest on the Insured Bonds due on such Payment Date, the Trustee shall give notice to **[Insurer]** and to its designated agent (if any) (the "*Insurer's Fiscal Agent*") by telephone or telecopy of the amount of such deficiency by 12:00 noon, New York City time, on such Business Day. If, on the second Business Day prior to the related Payment Date, there continues to be a deficiency in the amount available to pay the principal of and interest on the Insured Bonds due on such Payment Date, the Trustee shall make a claim under the Policy and give notice to **[Insurer]** and **[Insurer]**'s Fiscal Agent (if any) by telephone of the amount of such deficiency, and the allocation of such deficiency between the amount required to pay interest on the Insured Bonds and the amount required to pay principal of the Insured Bonds, confirmed in writing to **[Insurer]** and **[Insurer]**'s Fiscal Agent by 12:00 noon, New York City time, on such second Business Day by filling in the form of Notice Claim and Certificate delivered with the Policy.

The Trustee shall designate any portion of payment of principal on Insured Bonds paid by **[Insurer]**, whether by virtue of mandatory sinking fund redemption, maturity or other advancement of maturity, on its books as a reduction in the principal amount of Insured Bonds registered to the then current Bondholder, whether DTC or its nominee or otherwise, and shall issue a replacement Insured Bond to **[Insurer]**, registered in the name of **[full name of Insurer]**, in a principal amount equal to the amount of principal so paid (without regard to authorized denominations); provided that the Trustee's failure to so designate any payment or issue any

replacement Insured Bond shall have no effect on the amount of principal or interest payable by the City on any Insured Bond or the subrogation rights of **[Insurer]**.

The Trustee shall keep a complete and accurate record of all funds deposited by **[Insurer]** into the **[Insurer]** Policy Payments Account (defined below) and the allocation of such funds to payment of interest on and principal paid in respect of any Insured Bond. **[Insurer]** shall have the right to inspect such records at reasonable times upon reasonable notice to the Trustee.

Upon payment of a claim under the Policy the Trustee shall establish a separate special purpose trust account for the benefit of owners of the Insured Bonds referred to herein as the "***[Insurer]*** *Policy Payments Account*" and over which the Trustee shall have exclusive control and sole right of withdrawal. The Trustee shall receive any amount paid under the Policy in trust on behalf of owners of the Insured Bonds and shall deposit any such amount in the **[Insurer]** Policy Payments Account and distribute such amount only for purposes of making the payments for which a claim was made. Such amounts shall be disbursed by the Trustee to owners of the Insured Bonds in the same manner as principal and interest payments are to be made with respect to the Insured Bonds under the sections hereof regarding payment of Insured Bonds. It shall not be necessary for such payments to be made by checks or wire transfers separate from the check or wire transfer used to pay debt service with other funds available to make such payments.

The City agrees to pay the Insurer, but only from Revenues, (i) a sum equal to the total of all amounts paid by the Insurer under the Insurance Policy (the "*Insurer Advances*"); and (ii) interest on such Insurer Advances from the date paid by the Insurer until payment thereof in full, payable to the Insurer at the Late Payment Rate per annum (collectively, the "*Insurer Reimbursement Amounts*"). "Late Payment Rate" means the lesser of (a) the greater of (i) the per annum rate of interest, publicly announced from time to time by JPMorgan Chase Bank at its principal office in The City of New York, as its prime or base lending rate (any change in such rate of interest to be effective on the date such change is announced by JPMorgan Chase Bank) plus 1.5%, and (ii) the then applicable highest rate of interest on the Insured Bonds and (b) the maximum rate permissible under applicable usury or similar laws limiting interest rates. The Late Payment Rate shall be computed on the basis of the actual number of days elapsed over a year of 360 days. The payment of interest on Insurer Advances pursuant to clause (ii) above that exceeds the rate of interest that would be payable on unpaid interest and principal on the Insured Bonds pursuant to Section 1103(a) of the Indenture is subject and subordinate to all then existing liens on and pledges of Revenues as security for the payment of Airport Obligations.

Funds held in the **[Insurer]** Policy Payments Account shall not be invested by the Trustee and may not be applied to satisfy any costs, expenses or liabilities of the Trustee. Any funds remaining in the **[Insurer]** Policy Payments Account following an Insured Bond payment date shall promptly be remitted to **[Insurer]**.]

In each of the RAC Agreements, the RACs have acknowledged that the CFCs collected by the RACs prior to remittance to the Trustee or the City shall be subject at all times to a first lien for the repayment of the Bonds, if any, and that the RACs shall not grant to any third party (other than the City) any liens or encumbrances on CFCs, and that any lien or encumbrance on CFCs granted by a RAC to a third party or otherwise purported to be obtained by a third party shall be void and of no force or effect. Prior to remittance to the Trustee or the City, CFCs shall be held by the RACs as funds in trust for the benefit of the City, and the City (or the Trustee on its behalf) shall have complete possessory and legal and equitable ownership rights to the CFCs.

Section 2.02 Defeasance of Lien. When the City has paid or has been deemed to have paid, within the meaning of this Section 2.02, to the holders of all of the Bonds the principal and interest and premium, if any, due or to become due thereon at the times and in the manner stipulated therein and herein, and all other obligations owing to the Trustee hereunder have been paid or provided for, the lien of this Indenture on the Trust Estate shall terminate, except that, notwithstanding termination of the lien hereof, the obligations to make all payments required by Section 5.13 and to take any other action under Section 5.13 shall continue until all such obligations and actions have been paid and performed in full. and shall have irrevocably committed to the payment of such Outstanding Bonds, moneys sufficient for the payment of all principal of and interest and premium, if any, on such Bonds to the date of maturity or redemption, as the case may be; provided, that if any of such Bonds are Tax-Exempt Bonds, and are deemed to have been paid prior to the earlier of the redemption or the maturity thereof, the Trustee and the City shall have received an unqualified opinion of Bond Counsel that such payment and the holding thereof by the Trustee shall not in and of itself cause interest on such Tax-Exempt Bonds to be included in gross income for federal income tax purposes; and provided, further, that if any such Bonds are to be redeemed prior to the maturity thereof, notice of such redemption shall have been duly given to the Bondholders or irrevocable provision satisfactory to the Trustee shall have been duly made for the giving of such notice.

Any moneys held by the Trustee in the manner provided by the provisions of this Section 2.02 shall be invested by the Trustee in the manner provided by Section 5.14 (but only to the extent that such investments are available) only in Defeasance Obligations which do not contain provisions permitting redemption at the option of the issuer, the maturities or redemption dates, without premium, of which shall coincide as nearly as practicable with, but not be later than, the time or times at which said moneys will be required for the aforesaid purposes. The making of any such investments or the sale or other liquidation thereof shall not be subject to the control of the City and the Trustee shall have no responsibility for any losses resulting from such investment. Any income or interest earned by, or increment to, the investments held under this Section 2.02, to the extent determined from time to time by the Trustee to be in excess of the amount required to be held by it for the purposes of this Section 2.02, shall be paid first to the Trustee to the extent necessary to repay any unpaid obligations owing to the Trustee. The remainder, if any, shall be paid to the City.

After all of the Outstanding Bonds shall be deemed to have been paid and all other amounts required to be paid under this Indenture shall have been paid, then upon the termination

of this Indenture any amounts in the Project Fund, the Debt Service Fund, the Reserve Funds (after application thereof as provided in this Indenture), the Subordinate Debt Service Fund and the Subordinate Reserve Fund, shall be paid first to the Trustee to the extent necessary to repay any unpaid obligations owing to the Trustee, and thereafter the remainder, if any, shall be paid to the City.

(n) whether such Series of Bonds are intended to be Tax-Exempt Bonds;

Section 3.04 Issuance of Subordinate Bonds.

(a) In addition to the Series 2013 Bonds and any Additional Bonds issued pursuant to Section 3.02, one or more Series of Subordinate Bonds may be issued for the purposes set forth in this Section 3.04, as may be requested by the City, provided that the issuance of any Series of Subordinate Bonds shall be conditioned upon the Trustee's receipt of (x) the items set forth in subsections (i), (ii), (iii), (iv) and (v) of Section 3.02(a) relating to Additional Bonds (except that such items shall relate to such Subordinate Bonds rather than Additional Bonds), plus (y) a certificate of the City or a Consultant stating that the additional debt test, if any, set forth in the Supplemental Indenture entered into in connection with the issuance of such Subordinate Bonds has been satisfied.

(b) One or more Series of Subordinate Bonds may be issued for any of the purposes listed under Section 3.02(b).

(c) If any Series of Subordinate Bonds is issued as Refunding Bonds, then, in addition to the items required in Section 3.04(a), the City shall deliver to the Trustee the items set forth in subsections (ii) through (v) of Section 3.02(c), as applicable.

(d) The Supplemental Indenture or other financing document providing for the issuance of any Subordinate Bonds may provide for establishing one or more Subordinate Reserve Funds and, within any such Fund, separate Accounts, for the benefit of such Subordinate Bonds, and if any such Fund or Account is created, such Supplemental Indenture or other financing document shall include provisions concerning the amount and means of funding such Funds and Accounts, all at the discretion of the City.

Section 3.05 Execution; Authentication.

Bonds shall be executed on behalf of the City by the official manual or facsimile signature of the Mayor of the City and attested with the official manual or facsimile signature of its City Clerk, and shall have affixed, impressed, imprinted or otherwise reproduced thereon the corporate seal of the City or a facsimile of the seal. In case any officer whose signature shall appear on the Bonds shall cease to be such officer before the delivery of such Bonds, such signature shall nevertheless be valid and sufficient for all purposes as if he or she had remained in office until delivery and any Bonds may be signed on behalf of the City by such persons as, at the time of execution of such Bond, shall be the proper officers of the City, even though at the date of such Bond or of the delivery of this Indenture such person was not such officer.

No Bond shall be valid or obligatory until authenticated as provided in **Exhibit A** or a Supplemental Indenture, as applicable, by the Trustee. Such authentication shall be conclusive evidence that such Bond has been authenticated and delivered hereunder. The certificate of

authentication on any Bonds shall be deemed to have been executed by the Trustee if manually signed by an authorized signatory of the Trustee, but it shall not be necessary that the same individual sign the certificate of authentication on all the Bonds issued hereunder.

Section 3.06 Mutilated, Lost, Stolen or Destroyed Bonds. If any of the Bonds are lost, wrongfully taken, mutilated, destroyed or improperly canceled, the City shall authorize the issuance of new Bonds to replace them upon proof satisfactory to the City and the Trustee and (except in the case of mutilated or improperly canceled Bonds which are surrendered to the Trustee) upon giving to the City and the Trustee an indemnity bond in such amount as the City and the Trustee may require. Each new Bond shall in all respects be identical with the mutilated, lost, stolen, destroyed or improperly cancelled Bond. The City and the Trustee may impose reasonable charges in connection with the issuance of replacement Bonds under this Section 3.06, which shall be for the account of the Bondholders requesting the issuance of replacement Bonds.

Section 3.07 Exchange and Transfer of Bonds; Book-Entry-Only System.

(a) Exchange and Transfer of Bonds. Upon surrender of a Bond or Bonds at the principal corporate trust office of the Trustee, as Registrar, together with an assignment duly executed by the Bondholder or his attorney or legal representative in such form and with such guaranty of signature as shall be satisfactory to the Trustee, the Bond or Bonds may be exchanged for fully registered Bonds of the same maturity, aggregating in amount the then unpaid principal amount of the Bond or Bonds surrendered, of Authorized Denominations.

As to any Bond, the Bondholder shall be deemed and regarded as the absolute owner thereof for all purposes and neither the City nor the Trustee shall be affected by any notice to the contrary.

Any Bond may be transferred upon the Registration Books only upon surrender thereof to the Trustee, as Registrar, together with an assignment duly executed by the Bondholder or his attorney or legal representative in such form and with such guaranty of signature as shall be satisfactory to the Trustee; provided, that the Trustee shall not be obligated to make any exchange or transfer of a Bond during the period between a Record Date and the corresponding Interest Payment Date. Upon the transfer of any such Bond and on the request of the Trustee, the City shall execute, and the Trustee shall authenticate and deliver, a new Bond or Bonds, registered in the name of the transferee or transferees of the same maturity, aggregating in amount the then unpaid principal amount of the Bond or Bonds surrendered, of Authorized Denominations.

In all cases in which Bonds shall be issued in exchange for or in replacement of other Bonds, the Bonds to be issued shall be signed and sealed on behalf of the City, and authenticated by the Trustee as provided in Section 3.05. The obligations of the City and the rights of the Bondholders with respect to such Bonds shall be the same as with respect to the Bonds being exchanged or replaced. Such registrations of the transfers or exchanges of Bonds shall be without charge to the Bondholders, except that any taxes or other governmental charges required to be paid with respect to the same shall be paid by the Bondholder requesting such registration of transfer or exchange as a conditions precedent to the exercise of such privilege. Any service

charge made by the Trustee for any such registration, transfer or exchange shall be paid by the City.

Whenever any Outstanding Bond shall be delivered to the Trustee for cancellation pursuant to this Indenture, or for exchange or transfer pursuant to this Section 3.07, such Bond shall be promptly canceled and destroyed by the Trustee (subject to applicable record retention requirements) and counterparts of a certificate of destruction evidencing such destruction shall be retained by the Trustee and, if requested by the City, shall be furnished by the Trustee to the City.

(b) Book-Entry-Only System. The foregoing provisions of this Section 3.07 to the contrary notwithstanding (unless, with respect to any Series of Additional Bonds or Subordinate Bonds, the Supplemental Indenture or other financing document providing for the issuance of such Bonds shall stipulate otherwise), the Bonds of each Series will be issued initially as one fully-registered bond for each maturity within such Series in the name of Cede & Co, as nominee of the Depository Trust Company, New York, New York, and deposited in the custody of DTC. The Beneficial Owners will not receive physical delivery of the Bonds. Individual purchases of the Bonds may be made in book-entry form only in principal amounts equal to Authorized Denominations thereof. Payments of principal of and premium, if any, and interest on the Bonds will be made to DTC or its nominee as Bondholder.

DTC shall pay interest to the Beneficial Owners of record through its Participants as of the close of business on the Record Date. DTC shall pay the redemption price of the Bonds called for redemption to the Beneficial Owners of record through its Participants in accordance with its customary procedures. The Trustee shall notify DTC, to the extent possible, of any notice required to be given pursuant to this Indenture not less than 15 days prior to the date upon which such notice is required to be given.

Transfer of ownership interests in the Bonds shall be made by DTC and its Participants, acting as nominees of the Beneficial Owners, in accordance with rules specified by DTC and its Participants.

Bond certificates will be issued directly to owners of the Bonds other than DTC, or its nominee, upon the occurrence of the following events (subject, however, to operation of the two sentences following clause (iii) below):

(i) DTC determines not to continue to act as securities depository for the Bonds; or

(ii) the City with the consent of the Trustee has advised DTC of its determination that DTC is incapable of discharging its duties; or

(iii) the City with the consent of the Trustee has determined that it is in the best interest of the Bondholders not to continue the Book-Entry-Only System of transfer or that interests of the Beneficial Owners of the Bonds might be adversely affected if the Book-Entry-Only System of transfer is continued.

Upon occurrence of the event described in (i) or (ii) above the City shall attempt to locate another qualified Securities Depository. If the City fails to locate another qualified Securities Depository to replace DTC, the Trustee shall authenticate and deliver Bonds in certificated form. In the event the City makes the determination noted in (ii) or (iii) above (or occurrence of any events that would permit the City to make any such determination), and has made provisions to notify the Beneficial Owners of the Bonds of the availability of Bond certificates by mailing an appropriate notice to DTC, the City shall cause the Trustee to authenticate and deliver Bonds in certificated form pursuant to **Exhibit A** or a Supplemental Indenture, as applicable, to DTC's Participants (as requested by DTC) in appropriate amounts. Principal of and interest on the Bonds shall be payable as otherwise provided in this Article 3. The Bonds will be transferable in accordance with this Section 3.07.

Section 3.08 Temporary Bonds. Pending the preparation of definitive Bonds of any Series, the City may execute, and upon its request in writing, the Trustee shall authenticate and deliver one or more printed, lithographed or typewritten temporary Bonds (including temporary Bonds printed by offset or photocopying). Temporary Bonds shall be issuable as registered Bonds without coupons, of any Authorized Denomination, and substantially in the form of definitive Bonds but with such omissions, insertions and variations as may be appropriate for temporary Bonds, all as may be determined by the City. Temporary Bonds may contain such reference to any provisions of this Indenture as may be appropriate. Every temporary Bond shall be executed by the City and be authorized by the Trustee upon the same conditions and in substantially the same manner, and with like effect, as the definitive Bonds. As promptly as practicable the City shall execute and shall furnish definitive registered Bonds without coupons and thereupon temporary Bonds may be surrendered in exchange therefor without charge at the principal corporate trust office of the Trustee, and the Trustee shall authenticate and deliver in exchange for such temporary Bonds a like aggregate principal amount of definitive Bonds of Authorized Denominations. Until so exchanged the temporary Bonds shall be entitled to the same benefits under this Indenture as definitive Bonds.

Section 3.09 Bonds Limited Obligations. The Bonds shall not constitute an indebtedness of the City or a loan of credit thereof within the meaning of any constitutional or statutory limitation, and neither the faith and credit nor the taxing power of the City, the State or any political subdivision thereof is pledged to the payment of the principal of, premium, if any, or the interest on the Bonds or other costs incident thereto. The principal of and premium, if any, and interest on the Bonds is a limited obligation payable solely from the Pledged Receipts. Nothing herein shall be construed as requiring the City to use any funds or revenues from any source other than as described herein.

ARTICLE 4
REDEMPTION AND PURCHASE OF BONDS BEFORE MATURITY

Section 4.01 Redemption of Series 2013 Bonds. The Series 2013 Bonds shall be subject to redemption prior to maturity as follows:

(a) Optional Redemption. The Series 2013 Bonds shall be subject to redemption prior to stated maturity by the City as set forth in **Exhibit B** hereto.

(b) Mandatory Sinking Fund Redemption. The Series 2013 Bonds shall be redeemed in part on January 1 in each year as set forth in **Exhibit B** hereto.

The requirements of this Section 4.01(b) are subject, however, to the provision that any partial redemption of Series 2013 Bonds under Section 4.01(a) shall reduce the mandatory scheduled redemption requirements of Section 4.01(b) as provided in this paragraph.

Section 4.02 Redemption of Additional Bonds or Subordinate Bonds. Each Series of Additional Bonds or Subordinate Bonds shall be subject to redemption as provided in the Supplemental Indenture providing for the issuance of such Series.

Section 4.03 Selection of Bonds to be Redeemed.

(a) Series 2013A Bonds. In the case of any redemption in part of the Series 2013A Bonds, the maturities (or sinking fund maturities within a term bond) of such Series 2013A Bonds to be optionally redeemed shall be selected by the City. Subject to the last sentence of this subsection (a), if less than all the Series 2013A Bonds of a particular maturity (or sinking fund maturity within a term bond) shall be called by the City for redemption, the particular Series 2013A Bonds of such maturity (or sinking fund maturity) to be redeemed shall be selected by the Trustee, in such manner as the Trustee in its discretion may deem fair and appropriate; provided, however (a) that the portion of any Series 2013A Bond to be redeemed shall be in the principal amount of the Authorized Denomination applicable to the Series 2013A Bonds or any multiple thereof, (b) that, in selecting Series 2013A Bonds for redemption, the Trustee shall treat each Series 2013A Bond as representing that number of Series 2013A Bonds that is obtained by dividing the principal amount of such Series 2013A Bond by the Authorized Denomination applicable to the Series 2013A Bonds, and (c) that, to the extent practicable, the Trustee will not select any Series 2013A Bond for partial redemption if the amount of such Series 2013A Bond remaining Outstanding would be reduced by such partial redemption to less than the Authorized Denomination applicable to the Series 2013A Bonds. Notwithstanding the foregoing, for so long as the Series 2013A Bonds are registered in book-entry only form, if less than all of the Series 2013A Bonds of a particular maturity are called for prior redemption, such Bonds will be selected for redemption, in accordance with DTC procedures, by lot.

(b) Taxable Series 2013B Bonds. In the event of a partial optional redemption of Taxable Series 2013B Bonds, the Trustee, at the direction of the City, shall allocate the principal amount of the Taxable Series 2013B Bonds to be redeemed as nearly as feasible pro rata among the maturities of the Taxable Series 2013B Bonds and mandatory sinking fund redemptions (including the final payment) so as to change as little as possible the remaining weighted average life of the Outstanding Taxable Series 2013B Bonds.

If the Taxable Series 2013B Bonds are registered in book-entry only form and so long as DTC or a successor securities depository is the sole registered owner of the Taxable Series 2013B Bonds, if less than all of the Taxable Series 2013B Bonds, other than the Par Call Bonds (if any), of a maturity are called for prior redemption, the particular Series 2013B Bonds or portions thereof to be redeemed shall be selected on a pro rata pass-through distribution of principal basis in accordance with DTC procedures, provided that, so long as such Taxable Series 2013B Bonds are held in book-entry form, the selection for redemption of such Taxable

Series 2013B Bonds shall be made in accordance with the operational arrangements of DTC then in effect, and, if the DTC operational arrangements do not allow for redemption on a pro rata pass-through distribution of principal basis, such 2011B Bonds will be selected for redemption, in accordance with DTC procedures, by lot. If the Taxable Series 2013B Bonds are not registered in book-entry only form, any redemption of less than all of a maturity of the Taxable Series 2013B Bonds (other than the Par Call Bonds, if any) shall be allocated among the registered owners of such Taxable Series 2013B Bonds on a pro-rata basis.

If less than all of the Par Call Bonds are called for prior redemption, such Par Call Bonds will be selected for redemption, in accordance with DTC procedures, or, if the Par Call Bonds are not registered in book-entry only form, by the Trustee, in each case by lot.

(c) If there shall be called for redemption less than all of a Series 2013 Bond, the City shall execute and deliver and the Trustee shall authenticate, upon surrender of such Series 2013 Bond, and at the expense of the City and without charge to the owner thereof, a replacement Series 2013 Bond in the principal amount of the unredeemed balance of the Series 2013 Bond so surrendered.

(d) At its option, to be exercised on or before the 45th day next preceding any mandatory sinking fund redemption date for any maturity of any Series of Bonds, the City may deliver to the Trustee for cancellation Bonds of the appropriate maturity of such Series in any aggregate principal amount which have been purchased by the City in the open market. Each Bond so delivered shall be credited by the Trustee at 100% of the principal amount thereof against the mandatory scheduled redemption requirement for such Series of Bonds on such mandatory redemption date; and any excess of such amount shall be credited against future mandatory scheduled redemption requirements in chronological order. The City, will, on or before the 45th day preceding each mandatory scheduled redemption date, furnish the Trustee with a certificate stating the extent to which the provisions of the first sentence of this paragraph are to be availed of with respect to such mandatory redemption requirements for such mandatory redemption date; unless such certificate is so timely furnished to the Trustee, the mandatory redemption requirements for such mandatory redemption date shall not be reduced under the provisions of this paragraph.

Section 4.04 Procedure for Redemption; Notice of Redemption.

(a) If the City wishes to call any Bonds for redemption, it shall give notice to the Trustee of its election (which notice shall contain the information required by this Section 4.04) at least 35 days prior to the redemption date. In the event any of the Bonds are called for redemption, the Trustee shall give notice, in the name of the City, of the redemption of such Bonds, which notice shall (i) specify the Bonds to be redeemed, the redemption date, the redemption price, and the place or places where amounts due upon such redemption will be payable (which shall be the principal corporate trust office of the Trustee) and, if less than all of the Bonds are to be redeemed, the numbers of the Bonds, and the portions of the Bonds, so to be redeemed, (ii) state any condition to such redemption, and (iii) state that on the redemption date, and upon the satisfaction of any such condition, the Bonds to be redeemed shall cease to bear interest. CUSIP number identification shall accompany all redemption notices. Such notice may set forth any additional information relating to such redemption. Such notice shall be given by

mail, postage prepaid, at least 30 days but not more than 60 days prior to the date fixed for redemption to each holder of Bonds to be redeemed at its address shown on the Registration Books (if Bonds are held in book entry form with DTC, notice shall be provided in accordance with DTC procedures); provided, however. that failure to give such notice to any Bondholder or any defect in such notice shall not affect the validity of the proceedings for the redemption of any of the other Bonds. The Trustee shall send a second notice of redemption by certified mail return receipt requested to any registered holder who has not submitted Bonds called for redemption 30 days after the redemption date, provided, however, that the failure to give any second notice by mailing, or any defect in such notice, shall not affect the validity of any proceedings for the redemption of any of the Bonds and the Trustee shall not be liable for any failure by the Trustee to send any second notice.

(b) Any Bonds and portions of Bonds which have been duly selected for redemption and which are paid in accordance with Section 5.16 shall cease to bear interest on the specified redemption date.

ARTICLE 5
SOURCE AND APPLICATION OF FUNDS

Section 5.01 Establishment of Funds and Accounts.

(a) The City hereby establishes the following Funds:

(1) Project Fund ;

(2) CFC Revenue Fund;

(3) Debt Service Fund;

(4) Rolling Coverage Fund;

(5) Supplemental Reserve Fund;

(6) Debt Service Reserve Fund;

(7) Subordinate Debt Service Fund;

(8) Subordinate Reserve Fund;

(9) Operation and Maintenance Fund;

(10) Maintenance Reserve Fund;

(11) CFC Stabilization Fund; and

(12) Rebate Fund.

(b) All such Funds shall be established, maintained and accounted for as hereinafter provided so long as any Bonds remain Outstanding. The CFC Revenue Fund, the Project Fund,

the Debt Service Fund, the Rolling Coverage Fund, the Supplemental Reserve Fund, the Debt Service Reserve Fund, the Subordinate Debt Service Fund and the Subordinate Reserve Fund shall constitute trust funds which shall be held by the Trustee for the benefit of the Owners of the Bonds and are part of the Trust Estate. The Operation and Maintenance Fund, the Maintenance Reserve Fund, the CFC Stabilization Fund and the Rebate Fund do not constitute trust funds held for the benefit of the Owners of the Bonds and are not part of the Trust Estate. To the extent that any of the Operation and Maintenance Fund, the Maintenance Reserve Fund, the CFC Stabilization Fund or the Rebate Fund shall be held by the institution serving as the Trustee, each such Fund shall be held by it as a Depositary for the City and not as Trustee for the benefit of the Bondholders hereunder.

(c) The City and the Trustee reserve the right to establish additional Funds, sub-funds, Accounts and subaccounts from time to time under Supplemental Indentures; and any such Supplemental Indenture may provide that amounts on deposit in such Funds, sub-funds, Accounts and subaccounts shall be held by the Trustee for the sole and exclusive benefit of a particular Series of Bonds as may be specifically designated in such Supplemental Indenture.

Section 5.02 Project Fund; Costs of Issuance Account.

(a) Within the Project Fund, there are hereby established the following Accounts:

(1) the Series 2013A Project Account;

(2) the Taxable Series 2013B Project Account; and

(3) the Series 2013 Costs of Issuance Account.

(b) Upon the issuance of the Series 2013 Bonds, the sum set forth in **Exhibit B** shall be deposited to the Series 2013A Project Account from proceeds of the Series 2013A Bonds, including capitalized interest, if any, to be held in a separate sub-account until deposited into the Series 2013A Debt Service Account as needed to pay interest on the Series 2013A Bonds; the sum set forth in **Exhibit B** shall be deposited to the Taxable Series 2013B Project Account from proceeds of the Taxable Series 2013B Bonds, including capitalized interest, if any, to be held in a separate sub-account until deposited into the Taxable Series 2013B Debt Service Account as needed to pay interest on the Taxable Series 2013B Bonds; and the sum set forth in **Exhibit B**, shall be deposited to the Series 2013 Cost of Issuance Account from proceeds of the Series 2013 Bonds.

(c) The Trustee shall disburse funds on deposit in the Series 2013A Project Account and the Taxable Series 2013B Project Account only upon receipt of a Requisition Certificate substantially in the form of **Exhibit C** executed by an Authorized Officer of the City. Such amounts may be applied to pay Costs of the Project, including without limitation to reimburse advances made by the City or the RACs for such costs; provided, however, that amounts on deposit in the Series 2013A Project Account shall only be applied to pay costs of the Series 2013A Project. Following the delivery of the Completion Certificate by the City, any amounts remaining in the Series 2013A Project Account and the Taxable Series 2013B Project Account shall be transferred to the applicable Account within the Debt Service Fund and applied to pay principal of or interest on the applicable Series of Bonds as the same next come due; provided,

however, that any amounts certified to the Trustee by the City shall be retained within the designated Account within the Project Fund for payment of Costs of the Project not yet due and payable. Any such retained funds remaining after full payment of all such costs shall likewise be transferred to the applicable Account within the Debt Service Fund and applied to pay principal of or interest on the applicable Series of Bonds. In respect to disbursements in payment for work done in connection with the construction, acquisition and installation of the Project, such requisition, signed by an Authorized Officer of the City, shall be accompanied by a certificate signed by a Consulting Engineer certifying that the obligations in stated amounts have been incurred by the City, and that each item thereof is a proper charge against the applicable Project Account and has not been included in any prior requisition which has been paid, and insofar as any such obligation was incurred for work, materials, equipment or supplies, such work was actually performed in the furtherance of the construction, acquisition and installation of the Project delivered at the site of the Airport for those purposes, or delivered for storage or fabrication at a place or places approved by a Consulting Engineer and under the control of the City. Notwithstanding the foregoing, no certificate of a Consulting Engineer shall be required with respect to disbursements for Costs of Issuance or other costs that the Authorized Officer of the City shall have certified as being costs that are not directly related to the actual construction, acquisition and installation of the Project such as land acquisition, payment of auditor's fees and other similar costs that may otherwise be paid from the Project Accounts in compliance with the Tax Agreement.

(d) The Trustee shall disburse funds on deposit in the Series 2013 Costs of Issuance Account only upon receipt of a Requisition Certificate substantially in the form of **Exhibit C** executed by an Authorized Officer of the City. Such amount may be applied to pay costs of issuing each Series of the Series 2013 Bonds. After paying all Costs of Issuance for a Series of Bonds, any surplus amounts remaining in the Series 2013 Costs of Issuance Account shall be deposited to the applicable Account within the Project Fund, if any, or, if there is no such Account within the Project Fund, to the related Account within the Debt Service Fund.

(e) Upon issuance of any Series of Additional Bonds or Subordinate Bonds, additional Accounts within the Project Fund may be created, and the funds within such Accounts applied, as may be provided in the Supplemental Indenture entered into in connection with the issuance of such Bonds.

(f) Insurance Proceeds and Condemnation Awards. In the event that any proceeds of casualty insurance policies or condemnation awards are delivered to the Trustee pursuant to Section 6.09 for the purpose of financing the repair, reconstruction, restoration or replacement of the Project or any portion thereof, the Trustee shall deposit such funds into a separate Account within the Project Fund and shall disburse such funds as provided in Sections 5.02(c) and 6.09. Any amounts remaining after the completion of any such restoration and provision for all costs thereof (as the same are certified by the City to the Trustee) shall be deposited in the applicable Account or Accounts within the Debt Service Fund and applied to the payment of principal of or interest on the Bonds next coming due.

Section 5.03 CFC Revenue Fund; Flow of Funds.

(a) Unless specifically directed otherwise in this Indenture, all Revenues received by the Trustee shall be deposited upon receipt to the CFC Revenue Fund.

(b) On or before the Draw Down Date each month, the Trustee shall transfer moneys then on deposit in the CFC Revenue Fund in the following order of priority in accordance with the written statement of the City, delivered on or before the Draw Down Date:

(1) First, the Trustee shall transfer, to each Account within the Debt Service Fund established for a Series of Bonds (other than Subordinate Bonds), (i) amounts sufficient to pay one-sixth of the interest due on Bonds of such Series on the next succeeding Interest Payment Date if such Series bears interest at a Fixed Rate, or an amount specified in the applicable Supplemental Indenture if such Series bears interest at a Variable Rate, as applicable, net of interest earnings on deposit in such Account, provided that payments prior to the first Interest Payment Date after the issuance of a Series of Bonds shall be adjusted to the extent necessary so that the total amount of interest due on such Bonds on that Interest Payment Date will have been paid into the applicable Debt Service Account in equal installments prior to that Interest Payment Date, and (ii) amounts sufficient to pay one-twelfth of the principal amount of the Bonds of such Series coming due on the next succeeding Principal Payment Date (including sinking fund installments), net of interest earnings on deposit in such Account, provided that payments prior to the first Principal Payment Date after the issuance of a Series of Bonds shall be adjusted to the extent necessary so that the total amount of principal due on such Bonds on that Principal Payment Date will have been paid into the applicable Debt Service Account in equal installments prior to that Principal Payment Date.

(2) Second, the Trustee shall transfer in substantially equal monthly installments over a period determined by the City of up to twelve (12) months to the Rolling Coverage Fund amounts necessary to cause the amount on deposit therein to equal the Rolling Coverage Fund Requirement.

(3) Third, the Trustee shall transfer in substantially equal monthly installments over a period determined by the City of up to twelve (12) months to the Supplemental Reserve Fund amounts necessary to cause the amount on deposit therein to equal the Supplemental Reserve Fund Requirement.

(4) Fourth, the Trustee shall transfer in substantially equal monthly installments over a period determined by the City of up to twelve (12) months to the Debt Service Reserve Fund amounts necessary to cause the amount on deposit therein to equal the DSRF Requirement.

(5) Fifth, the Trustee shall transfer, after taking into account any amounts representing capitalized interest therein, to each Account within the Subordinate Debt Service Fund established for a Series of Subordinate Bonds, (i) amounts sufficient to pay one-sixth of the interest due on Subordinate Bonds of such Series on the next succeeding Interest Payment Date if such Series bears interest at a Fixed Rate, or an amount specified in the applicable Supplemental Indenture if such Series bears interest at a Variable Rate, as applicable, provided that payments prior to the first Interest Payment Date after the issuance of a Series of Subordinate Bonds shall be adjusted to the extent necessary so that the total amount of interest due on such Subordinate Bonds on that Interest Payment Date will have been paid into the applicable Subordinate Debt Service Account in equal installments prior to that Interest Payment Date, and (ii) amounts sufficient to pay one-twelfth of the principal amount of the Subordinate Bonds of such Series coming due on the next succeeding Principal Payment Date, provided that payments prior to the first Principal Payment Date after the issuance of a Series of Subordinate Bonds shall be adjusted to the extent necessary so that the total amount of principal due on such Subordinate Bonds on that Principal Payment Date will have been paid into the applicable Subordinate Debt Service Account in equal installments prior to that Principal Payment Date..

(6) Sixth, if and to the extent required by a Supplemental Indenture providing for the issuance of one or more Series of Subordinate Bonds, the Trustee shall transfer in substantially equal monthly installments over a period determined by the City of up to twelve (12) months to the applicable Accounts within the Subordinate Reserve Fund, if any, amounts necessary to cause the amount on deposit therein to equal the amount or amounts set forth in the applicable provisions of the Supplemental Indenture or other financing document that provided for the issuance of such Subordinate Bonds.

(7) Seventh, with respect to any Series of Tax-Exempt Bonds, the Trustee shall transfer to the Rebate Fund for such Series of Tax-Exempt Bonds the amounts calculated to be due to the Internal Revenue Service as arbitrage rebate for such Series of Tax-Exempt Bonds in accordance with any arbitrage rebate calculation provided to the Trustee with respect to a Series of Tax-Exempt Bonds pursuant to Section 5.13, to the extent that funds are not already on deposit therein.

(c) All interest earned on moneys and investments held within the CFC Stabilization Fund shall be transferred by the City to the Trustee for deposit in the Debt Service Fund on each Draw Down Date.

Section 5.13 Rebate Fund. The City has covenanted that it shall take all action necessary to comply with section 148 of the Code, including the payments when due of all amounts payable to the United States of America thereunder, and shall refrain from taking any action contrary to section 148 of the Code. For this purpose, a Rebate Fund has been established

pursuant to Section 5.01 and this Section 5.13, but to the extent any of the provisions of this Section 5.13 are inconsistent with section 148 of the Code, the City shall not be required to comply with such provisions but shall be required to comply with section 148 of the Code.

(a) Establishment. The Rebate Fund shall be for the sole benefit of the United States of America and shall not be subject to the lien of this Indenture or to the claim of any other Person, including without limitation the Bondholders and the City, and monies in such Fund shall not be commingled with moneys in any other Fund or Account established under this Indenture. The Rebate Fund is established for the purpose of compliance with section 148(f) of the Code. The City agrees that the requirements of this Section 5.13 are subject to, and shall be interpreted in accordance with, section 148(f) of the Code. Within the Rebate Fund there is hereby established the Series 2013A Rebate Account. Additional Accounts within the Rebate Fund shall be established for each Series of Additional Bonds or Subordinate Bonds that are Tax-Exempt Bonds in and to the extent provided in the Supplemental Indenture providing for such Series and shall be administered as provided therein.

(b) Calculation of Rebate Deposits and Payments.

(i) Promptly upon the close of each Bond Year and also upon the retirement of each Series of Tax-Exempt Bonds, the Trustee shall provide the City with a statement of earnings on all Funds and Accounts with respect to the Tax-Exempt Bonds held in trust under this Indenture which are subject to the requirements of this Section 5.13 during any period not covered by a prior statement delivered pursuant to this Section 5.13. The statement shall include the purchase and sale prices of each investment (including any commission paid thereon, which shall be separately stated if such information is available), the dates of each investment transaction, information as to whether such transactions were made at a discount or premium, and such other information known to the Trustee as the City shall reasonable require.

(ii) At least 15 days prior to each Rebate Installment Date, the City shall cause a Rebate Professional, in accordance with the Regulations, to determine and report to the Trustee the amount, if any, payable to the United States with respect to each Series of Tax-Exempt Bonds as of such Rebate Installment Date (it being assumed for the purposes of such calculation that the Tax-Exempt Bonds are being paid in full on the last day of the Bond Year most recently ended prior to such Date) based upon the Nonpurpose Payments and Nonpurpose Receipts allocated to the Tax-Exempt Bonds. Such amount shall consist of: (1) the difference between the future values, as of the applicable Rebate Installment Date, of all Nonpurpose Payments (including, as authorized by the Regulations, any rebate previously paid) and Nonpurpose Receipts (whether held under this Indenture or otherwise), reduced by (2) the amounts, if any, already on deposit in the applicable Account of the Rebate Fund. For purposes of calculating the foregoing future values, the yield on the Tax-Exempt Bonds, determined in accordance with the Regulations, shall be used. Except as may otherwise be provided by Law, the computation of the amounts to be deposited into the Rebate Fund need not take into account any earnings on any "tax exempt

bond" under section 150(a)(6) of the Code and section 1.150-1 of the Regulations and which is not a specified private activity bond as defined in section 57(a)(5)(C) of the Code or any earnings as to which exceptions are provided under section 148(f)(4)(A), (B) or (C) or the Code or section 1.148-7 of the Regulations. The City shall also determine the amount of any applicable "yield reduction payments", as provided under section 1.148-5(c) of the Regulations, which are treated as rebated payments for purposes of this Section 5.13.

(c) Payment of Rebate.

(i) No earlier than 60 days, or later than 35 days, before each Rebate Installment Date, the Trustee shall notify the City by registered or certified mail, postage prepaid, or by Electronic Means, of its obligation to furnish the following with respect to each Series of Tax-Exempt Bonds which is a separate series for federal income tax purposes not later than 15 days prior to the applicable Rebate Installment Date: (w) a copy of Form 8038-T, if any rebate amount is owed to the federal government, (x) a statement of the amount due on the Rebate Installment Date, if any, (y) a certificate as to the accuracy of such determination of a certified public accountant (who may be an employee of the City) or a firm of accountants or other professionals, in each case having expertise in calculating the amount required to be paid pursuant to section 148(f) of the Code (each, a ***"Rebate Professional"***) and (z) if the amount held in the applicable Account of the Rebate Fund is less than the amount so determined, an amount in cash or funds available on such day equal to the difference. The City shall notify promptly the Trustee of each date which it selects as a Rebate Installment Date. Upon receipt of the foregoing, the Trustee shall make the payment provided for in subsection (c)(ii) below, but if the Trustee shall not have received all of the foregoing on the date due, the Trustee shall pay over to the United States within the period prescribed in subsection (c)(ii) below all of the funds then held in the applicable Account of the Rebate Fund, together with a copy of the applicable Form 8038-T, if available, unless on or before such date, the City shall have provided to the Trustee an unqualified opinion of a Rebate Professional stating that no further action by the City or the Trustee is necessary for compliance as of such Rebate Installment Date with section 148(f) of the Code.

(ii) On or before each Rebate Installment Date, the Trustee, at the direction of the City, shall pay to the United States from amounts on deposit in the applicable Account of the Rebate Fund or, to the extent of a shortfall in the amount on deposit in the applicable Account, from amounts on deposit in the CFC Stabilization Fund, any "yield reduction payments" as aforesaid and/or a rebate amount which is at least 90% of the amount required to be paid pursuant to the provisions of section 148(f) of the Code as calculated by a Rebate Professional on behalf of the City, taking into account any credit permitted by the Regulations. On a date selected by the City no later than 60 days after the date on which the Tax-Exempt Bonds of any Series which is a separate series for federal income tax purposes have been paid in full, the Trustee, at the direction of the City, shall pay to the United States from the amount on deposit in the applicable Account of the

Rebate Fund or, to the extent of a shortfall in the amount on deposit in the applicable Account, from amounts on deposit in the CFC Stabilization Fund, any "yield reduction payments" as aforesaid and/or a rebate equal to 100% of the entire amount then payable pursuant to section 148(f) of the Code as calculated by a Rebate Professional on behalf of the City, including actual or imputed earnings and taking into account any credit, as provided by the Regulations. Unless otherwise provided by Law, each payment shall be made to the Internal Revenue Service Center, Ogden, UT 84201-0027 or any other address specified by the Internal Revenue Service and accompanied by a copy of From 8038-T signed by the City.

(d) Conclusive Compliance by Trustee. The Trustee shall be deemed conclusively to have complied with the provisions of this Section 5.13 if it executes documents or makes payments in accordance with the certifications and directions of the City provided in accordance with this Section 5.13. By agreeing to give the notices referred to in subsection (c) of this Section 5.13 and to make the payments referred to in this Section 5.13, the Trustee assumes no responsibility whatsoever for compliance by the City with the requirements of section 148(f) of the Code.

(e) Records. The City and the Trustee shall keep such records as will enable them to fulfill their respective responsibilities under this Section 5.13 and section 148(f) of the Code, and the City shall engage, at the City's expense, a Rebate Professional. For purposes of the computation required under this Section 5.13, the Trustee shall make available to the City during normal business hours all information in the control of the Trustee which is necessary to make such computations.

(f) The City. The City shall not take any action, or knowingly omit to take any action within its control, which, if taken or omitted, respectively, would violate its non-arbitrage certificate delivered upon the initial issuance of any Series of Tax-Exempt Bonds or any amendment thereof or supplement thereto.

(g) Additional Documentation. Notwithstanding anything in this Section 5.13 to the contrary, and in furtherance of the purposes of the last sentences of Section 5.13(a), the Trustee, at the written direction of the City, will provide to the United States of America at such times and at such places as the City may direct such additional materials as the City may instruct the Trustee to deliver to the United States of America; provided, however, that the Trustee need take no action under this subsection (g) unless the City shall have delivered to the Trustee such materials and the address or addresses to which such materials are to be sent by the Trustee no later than 15 days prior to the date on which delivery of such materials is to be received by the United States of America.

(h) Section 5.13 Survives Defeasance of Indenture. This Section 5.13, as amended from time to time, shall survive the defeasance of this Indenture with respect to the Tax-Exempt Bonds. Upon (and only upon) (i) the retirement of all the Tax-Exempt Bonds of a Series which is a separate series for federal income tax purposes or provision for the same pursuant to Section 2.02, (ii) the payment of all amounts due under section 148 of the Code with respect to such Tax-Exempt Bonds, and (iii) presentation of a written statement of a Rebate Professional in a form

satisfactory to the Trustee that the provisions of section 148 of the Code have been satisfied, any amounts remaining in the applicable Account of the Rebate Fund shall be paid to the City; provided, however, that if at any time while Tax-Exempt Bonds are outstanding the Trustee shall receive a written statement of a Rebate Professional in a form satisfactory to the Trustee that the balance of an Account in the Rebate Fund exceeds the amount owing or expected to be owing under section 148 of the Code with respect to the applicable Series of Tax-Exempt Bonds, then the Trustee at the written request of the City shall pay the excess to the City.

Section 5.14 Investment of Moneys in Funds. The Trustee shall invest moneys in the Project Fund, the Debt Service Fund, the Rolling Coverage Fund, the Supplemental Reserve Fund, the Debt Service Reserve Fund and the Subordinate Debt Service Fund in any Qualified Investments and shall sell or liquidate any such investment, in each case upon the written direction of the City, subject in each case to the restrictions on investments set forth in this Section 5.14. If at any time the Trustee shall hold the Rebate Fund, the Operation and Maintenance Fund, the Maintenance Reserve Fund or the CFC Stabilization Fund as Depositary for the City, the Trustee shall invest moneys in any such Fund in any Qualified Investments and shall sell or liquidate any such investment, in each case upon the written direction of the City, subject in each case to the restrictions on investments set forth in this Section 5.14. The Trustee shall have no responsibility for any losses resulting from such investment or liquidation, nor shall the Trustee be responsible if any payment is prohibited under Section 148 of the Code, provided that the Trustee shall have complied with the applicable investment instructions delivered to it by the City. Moneys in the Debt Service Fund and the Subordinate Debt Service Fund shall be invested by the Trustee only in Defeasance Obligations having a final maturity of one year or less from the date of purchase thereof, the maturities or redemption dates of all of which shall coincide as nearly as practicable with, but not be later than, the time or times at which said moneys will be required for the purposes of this Indenture (or a money market fund satisfying the requirements of paragraph (g) of the list of Qualified Investments in **Exhibit D** hereto comprised of such Defeasance Obligations). Moneys in the Reserve Funds shall be invested only in Qualified Investments which either have an average maturity of five years or less from the date of purchase thereof or may be liquidated at a price of not less than par plus accrued interest when required for the purposes of this Indenture. Qualified Investments may be registered or otherwise held in the name of the Trustee's nominee or nominees or, where the securities are eligible for a deposit in a central depository, such as DTC or the Federal Reserve Bank of New York, the Trustee may utilize any such depository and permit the registration of registered securities in the name of its nominee or nominees, and the City shall hold the Trustee and such nominees harmless from any liability as holders of record. Any investments pursuant to this Section 5.14 may be purchased from the Trustee in its commercial capacity so long as such investments meet the applicable criteria set forth in the definition of "Qualified Investments". Notwithstanding the first sentence of this Section 5.14, in the event that the City shall not have authorized the liquidation of Qualified Investments when required to meet the purposes of this Indenture, the Trustee is authorized to sell or otherwise convert into cash investments credited to any Fund or Account created under this Indenture at the times and in the amounts necessary to meet payments when due from such Fund or Account and shall include all proceeds from such investments. No order of the City shall restrict such authorization, and the Trustee shall not be liable for any loss occurring from any such sale or conversion to cash. Except as otherwise expressly provided in this Indenture, all investments made from moneys credited to a specific Fund or Account, including all proceeds from such investments, shall be

credited to the Debt Service Fund on the next succeeding Draw Down Date after they are received. For purposes of this Indenture (other than Section 5.13), such investments in the Reserve Funds shall be valued at the lower of amortized cost or market, and such investments in any other Fund shall be valued at market value. The Trustee may make any and all such investments through its own investment department or that of its affiliates or subsidiaries, and may charge its ordinary and customary fees for such trades, including cash sweep account fees. In the absence of investment instructions from the City, the Trustee shall not be responsible or liable for keeping the moneys held by it hereunder fully invested in Qualified Investments.

Although the City recognizes that it may obtain a broker confirmation or written statement containing comparable information at no additional cost, the City hereby agrees that confirmations of permitted investments are not required to be issued by the Trustee for each month in which a monthly statement is rendered. No statement need be rendered for any fund or account if no activity occurred in such fund or account during such month.

Section 5.15 Authorized Application of Funds; Moneys to be Held in Trust. The Trustee is authorized to apply each Fund as provided in this Indenture. All moneys deposited with the Trustee hereunder shall be held by the Trustee in trust but need not be segregated from other funds except as required by Law or by this Indenture.

Section 5.16 Nonpresentment of Bonds. From and after any Payment Date, if moneys sufficient to pay principal of, premium, if any, and interest on any Bond then due have been deposited with the Trustee and irrevocably committed thereto, all liability of the City for the payment of such amount shall forthwith cease in accordance with Section 2.02. The Trustee shall hold such funds, without liability for interest thereon, for the benefit of the registered owner of such Bond, who shall thereafter be restricted exclusively to such funds for any claim with respect to such amount. Unless otherwise required by Law, any such funds which remain unclaimed for three years after such due date shall be paid to the City without any interest thereon against written receipt therefor executed on behalf of the City, and the Trustee shall have no further responsibility with respect to such moneys, which thenceforth shall be the responsibility of the City.

(a) It is understood and agreed that the City's execution and delivery of this Indenture, the City's issuance of the Bonds and the terms and provisions of this Indenture, the Bonds and any other agreement or instrument to which the City may be or hereafter become a party in connection with this Indenture or the Bonds, are without prejudice to and shall not prohibit, restrict or derogate in any way from the City's exercise of any of the Unassigned Rights of the City as lessor under the RAC Agreements or from any other rights of the City as operator of the Airport. Notwithstanding any provision thereof to the contrary, the City, by executing this Indenture, the Bonds or any other such agreement or instrument to which the City may be or hereafter become a party in connection with this Indenture or the Bonds, is under no obligation, express or implied, to the Trustee, the Bondholders or any other Person to exercise or to refrain from exercising any Unassigned Right which the City may have now or hereafter under any RAC Agreement or from exercising any right, remedy or responsibility which the City may have now or hereafter as operator of the Airport, regardless of the effect of such exercise or non-exercise upon the rights and interests of the Trustee, the Bondholders or any other Person under this Indenture, the Bonds or any other such agreement or instrument.

(b) Notwithstanding the foregoing provisions of Section 6.03(a), the City covenants that so long as any of the Bonds remain Outstanding, it will require all RACs to collect and remit CFCs and Facility Rent, and the City will take all actions legally permitted to enforce compliance by the RACs with the RAC Agreements and of their obligations thereunder, including specifically seeking specific performance by each of the RACs, to charge, collect and remit CFCs and Facility Rent (as applicable) to the City, for transfer by the City to the Trustee (unless the City shall direct such RACs to remit such CFCs or Facility Rent directly to the Trustee for the benefit of the City). The City covenants that so long as any of the Bonds remain

Outstanding it will not consent to an amendment to the RAC Agreements which permits direct access to the Terminals by any Courtesy Vehicle of a RAC or Off-Airport RAC or which otherwise materially adversely affects the rights of Beneficial Owners without consent of a Majority of the Bondholders.

Section 6.04 Collection of Customer Facility Charges; Rate Covenant.

(a) As long as any Bond remains Outstanding, the City shall require each RAC to charge, collect and remit to the City, for transfer by the City to the Trustee (unless the City shall direct such RAC to remit directly to the Trustee for the benefit of the City), CFCs for each Contract Day that a Motor Vehicle is rented by an Airport Customer, and to pay to the City, for transfer by the City to the Trustee (unless the City shall direct such RAC to pay directly to the Trustee for the benefit of the City), Facility Rent, as provided in paragraph (c) below, and the RAC Agreements shall require the RACs to segregate such CFCs as trust funds for the benefit of the City, and not as revenues of the RACs, as provided in the RAC Agreements.

(b) Prior to the commencement of each Fiscal Year as long as any Bond is Outstanding, the City shall review and may adjust, effective on the first day of each Fiscal Year, the level of the CFC, based upon factors including the projected Aggregate Debt Service for the coming Fiscal Year, amounts necessary to fund the other accounts provided for in this Indenture, shortfalls in CFC revenue that may have occurred in the then-current Fiscal Year, projections of the level of demand for rental car services at the Airport in the next Fiscal Year, and such other factors as the City may determine in its sole discretion. Notwithstanding the foregoing, the City may make an unscheduled adjustment to the level of the CFC in any Fiscal Year in the event that the City determines in its sole discretion that there has been a material change in any of the assumptions utilized in the City's calculation of the CFC, and that such change should not be addressed solely through withdrawals from the CFC Stabilization Fund or the imposition of Facility Rent as provided below. The City shall provide to the Trustee no less than thirty (30) days advance, written notice of the adjusted amount of the CFC for the coming Fiscal Year or of any unscheduled adjustment to the CFC. As long as any of the Bonds remain Outstanding, the City shall set the amount of the CFC (when multiplied by the total number of projected Contract Days) plus projected Facility Rent (if any) at an annual level sufficient to provide sufficient funds (i) to pay principal of and interest on the Bonds due in such Fiscal Year, (ii) to reimburse the Rolling Coverage Fund, the Supplemental Reserve Fund, the Debt Service Reserve Fund or the Subordinate Reserve Fund for any drawings upon such Funds over a period not to exceed twelve (12) months, as determined by the City, (iii) to provide funds necessary to pay any "yield reduction payments" or rebate amounts due to the United States under Section 5.13 for which funds in the Rebate Fund or the CFC Stabilization Fund are not otherwise available, (iv) to maintain the balance of the CFC Stabilization Fund in an amount of no less than the CFC Stabilization Fund Minimum Requirement and to reimburse any drawings below the CFC Stabilization Fund Minimum Balance over a period not to exceed twelve (12) months, as determined by the City, and (v) to make the deposits to the Maintenance Reserve Fund and the Operation and Maintenance Fund required in that Fiscal Year under the RAC Agreements (collectively, the sum of the amounts required by (i) through (v) above, the "***Minimum Annual Requirement***").

(c) The City shall require each RAC to pay to the City, for transfer by the City to the Trustee (unless the City shall direct such RAC to pay directly to the Trustee for the benefit of the City), Facility Rent as provided in each RAC Agreement in an amount, in the aggregate, that the City projects to be sufficient, together with CFCs projected to be collected in such Fiscal Year or portion thereof, to provide sufficient funds to meet the Minimum Annual Requirement for such Fiscal Year and provide additional funds equal to the difference between the CFCs and Facility Rent (if any) received in the prior Fiscal Year and the Minimum Annual Requirement for such prior Fiscal Year.

(d) As long as any of the Bonds remain Outstanding, the aggregate amount of CFCs and Facility Rent (if any) required to be remitted by the RACs in each Fiscal Year shall be no less than the Aggregate Debt Service coming due in such Fiscal Year and, in the event that the amount of CFCs and Facility Rent (if any) for any Fiscal Year is less than the Aggregate Debt Service for such Fiscal Year, the City covenants to increase either the CFC or the Facility Rent, or both, for the next succeeding Fiscal Year to no less than an amount, in the aggregate, that the City projects to be sufficient, based upon projected Contract Days for such Fiscal Year, to pay Aggregate Debt Service coming due in such Fiscal Year. In addition to the foregoing, the aggregate amount of CFCs and Facility Rent (if any) paid by the RACs in each Fiscal Year plus the amount on deposit in the Rolling Coverage Fund (up to an amount not to exceed 25% of the Aggregate Debt Service on the Bonds (other than Subordinate Bonds) in such Fiscal Year) plus amounts on deposit in the Supplemental Reserve Fund, if any, at the beginning of such Fiscal Year (up to an amount not to exceed 5% of the Aggregate Debt Service on the Bonds (other than Subordinate Bonds) in such Fiscal Year) shall be no less than 1.30 times the Aggregate Debt Service on the Bonds (other than Subordinate Bonds), plus 1.0 times the Aggregate Debt Service on the Subordinate Bonds, coming due in such Fiscal Year and, in the event that the amount of CFCs and Facility Rent (if any) for any Fiscal Year plus the amount on deposit in the Rolling Coverage Fund (up to an amount not to exceed 25% of the Aggregate Debt Service on the Bonds (other than Subordinate Bonds) in such Fiscal Year) plus amounts on deposit in the Supplemental Reserve Fund, if any, at the beginning of such Fiscal Year up to an amount not to exceed 5% of the Aggregate Debt Service on the Bonds (other than Subordinate Bonds) in such Fiscal Year is less than 1.30 times the Aggregate Debt Service on the Bonds (other than Subordinate Bonds), plus 1.0 times the Aggregate Debt Service on the Subordinate Bonds for such Fiscal Year, the City shall increase either the CFC or the Facility Rent, or both, for the next succeeding Fiscal Year to no less than an amount, in the aggregate, that the City projects to be sufficient, based upon projected Contract Days for such Fiscal Year, plus the amount on deposit in the Rolling Coverage Fund (up to an amount not to exceed 25% of the Aggregate Debt Service on the Bonds (other than Subordinate Bonds) in such Fiscal Year) plus amounts on deposit in the Supplemental Reserve Fund, if any, at the beginning of such Fiscal Year up to an amount not to exceed 5% of the Aggregate Debt Service on the Bonds (other than Subordinate Bonds) in such Fiscal Year to provide no less than 1.30 times the Aggregate Debt Service on the Bonds (other than Subordinate Bonds), plus 1.0 times the Aggregate Debt Service on the Subordinate Bonds coming due in such Fiscal Year.

Section 6.05 Status of Interest on Tax-Exempt Bonds.

(a) It is the intention of the City that interest on each Series of Tax-Exempt Bonds, including without limitation, the Series 2013A Bonds, shall be and remain exempt from federal

income taxation, and to that end the covenants and agreements of the City in this Section 6.05 and in the tax certificate of the City are for the benefit of the Trustee and each and every Person who at any time will be the holder of any Tax-Exempt Bond.

(b) The City covenants and agrees that it will not directly or indirectly use or permit the use of any proceeds of any Series of Tax-Exempt Bonds or other funds in any manner, or take or omit to take any action, that will cause any Series of Tax-Exempt Bonds to be an "arbitrage bond" within the meaning of Section 148 of the Code, including in connection with the operation of the portions of the Project which shall be controlled by the City and any reallocation or reletting of the Project or any portion thereof under the terms of the RAC Agreements. Any officer of the City (including its Chairman, Vice Chairman, Executive Director and Director of Administration and Finance and Secretary-Treasurer) having responsibility for and with respect to the issuance of the Tax-Exempt Bonds is authorized and directed, alone or in conjunction with any other officer, employee or consultant of the City, to give an appropriate certificate on behalf of the City, for inclusion in the transcript of proceedings for the Bonds, setting forth the facts, estimates and circumstances and reasonable expectations pertaining to section 148 of the Code. The City further covenants and agrees that it will not direct the Trustee to invest any funds held by it under this Indenture in such manner as would cause any Series of Tax-Exempt Bonds to be an "arbitrage bond" within the meaning of Section 148(a) of the Code. To such ends, the City will comply with all requirements of Section 148 of the Code to the extent applicable to the Tax-Exempt Bonds. In the event that at any time the City is of the opinion that for purposes of this Section 6.05(b) it is necessary to restrict or limit the yield of the investment of any moneys held by the Trustee under this Indenture, the City shall so notify the Trustee in writing.

(c) The City certifies and represents that it has not taken, and the City covenants and agrees that it will not take, any action which will cause interest paid on any Tax-Exempt Bonds to become includable in gross income of the Beneficial Owners of such Tax-Exempt Bonds for federal income tax purposes pursuant to sections 103 and 141 through 150 of the Code, including in connection with the operation of the portions of the Project which shall be controlled by the City and any reallocation or reletting of the Project or any portion thereof under the terms of the RAC Agreements; provided, that none of the covenants and agreements herein contained shall require the City to enter an appearance or intervene in any administrative, legislative or judicial proceeding in connection with any changes in applicable Laws, or in connection with any decisions of any court or administrative agency or other governmental body affecting the taxation of interest on the Tax-Exempt Bonds. Notwithstanding the generality of the foregoing, in connection with the operation and use of the portions of the Project which are controlled by the City or any reallocation or reletting of the Project or any portion thereof under the terms of the RAC Agreements, the City will take such actions as may be reasonably under its control to avoid causing the interest on any Tax-Exempt Bond to be includable in the gross income of the holders thereof for federal income tax purposes.

(d) Notwithstanding any provision of this Section 6.05, if the City shall provide to the Trustee an opinion of Bond Counsel that any specified action required under this Section 6.05 is no longer required or that some further or different action is required to maintain the tax-exempt status of interest on the Tax-Exempt Bonds, the Trustee and the City may conclusively rely on

such opinion in complying with the requirements of this Section 6.05 and the covenants hereunder shall be deemed to be modified to that extent.

Section 6.06 Construction of the Project. The City shall use diligent efforts to cause the Project to be constructed and completed in accordance with the Project Schedule, as set forth in the RAC Agreements, and shall cause to be done all things necessary or proper for completion of the Project in a timely manner in material compliance with all Laws. Upon completion or abandonment of the Project, the City shall deliver a Completion Certificate to the Trustee which shall include the Completion Date.

Section 6.07 Operation of the Project. Subject to Section 6.09, as long as any Bond remains Outstanding, the City shall operate and maintain the Project, or cause the Project to be operated and maintained, in good condition for the purposes for which it was constructed, reasonable wear and tear excepted.

Section 6.08 Insurance. The City shall maintain, or cause to be maintained, insurance with respect to the CRCF against such casualties and contingencies and in such amounts not less than is reasonably prudent. Such policies of insurance shall name the City and the Trustee as additional insureds as their interests may appear. Any premiums for such policies of insurance shall be paid by the RACs as provided in each RAC Agreement, or by the City.

Section 6.09 Casualty and Condemnation.

(a) In the event that the Project or any portion thereof is damaged, taken or condemned, the net proceeds of insurance (including without limitation self insurance) or condemnation award shall be applied as set forth in this Section 6.09.

(b) If the proceeds of an insurance or condemnation award with respect to the CRCF, net of the reasonable costs, fees and expenses incurred by the City in the collection of such proceeds or award (the "***Net Proceeds***") are less than $250,000, the Net Proceeds shall be paid directly to the City and shall be applied by the City promptly to the costs of restoring the Project. Any Net Proceeds remaining after the restoration of the Project shall be deposited to the Debt Service Fund and applied to the principal of and interest on the Bonds next coming due, on a pro rata basis.

(c) If the Net Proceeds are greater than or equal to $250,000, the Net Proceeds shall be paid to the Trustee and deposited to a separate account within the Project Fund, as set forth in Section 5.02(f) and disbursed in the same manner and subject to the same conditions and limitations relating to the disbursement of funds from the Project Fund, as set forth in Sections 5.02(c) and 5.02(f). In the event that the Net Proceeds are insufficient to restore the Project, the City shall either deposit the difference between the costs of restoration and the Net Proceeds to the Project Fund or issue Additional Bonds or Subordinate Bonds for such purpose.

(d) Nothing herein shall limit the City's power of eminent domain.

Section 6.10 Continuing Disclosure. Pursuant to the Continuing Disclosure Undertaking, the City has undertaken certain responsibilities for compliance with continuing disclosure requirements under Rule 15c2-12 of the Securities and Exchange Commission. The

City hereby covenants and agrees that it will comply with and carry out its express responsibilities under the Continuing Disclosure Undertaking, but it shall have no additional or implied responsibilities whatsoever under the Continuing Disclosure Undertaking. Notwithstanding any other provision of this Indenture, failure of the City to comply with the Continuing Disclosure Undertaking shall not be considered an Event of Default hereunder; however, any holder or Beneficial Owner of any Bond may take such actions as may be necessary and appropriate, including seeking mandatory or specific performance by court order, to cause the City to comply with its obligations under this Section 6.10 and the Continuing Disclosure Undertaking.

ARTICLE 7
DEFAULT PROVISIONS AND REMEDIES

Section 7.01 Events of Default; Defaults. The occurrence of any of the following events shall constitute an "Event of Default" hereunder:

(a) Failure to pay interest on any Bond when due and payable.

(b) Failure to pay any principal of, or premium on, any Bond when due and payable, whether at stated maturity or pursuant to any redemption or purchase requirement under Section 4.01 or under any Supplemental Indenture.

(c) Failure by the City to observe or perform any other covenant, condition or agreement on its part to be observed or performed in this Indenture or the Bonds for a period of 60 days after written notice of such failure shall have been given to the City by the Trustee; provided, however, that if such observance or performance requires work to be done, actions to be taken or conditions to be remedied which by its or their nature cannot reasonably be done, taken or remedied, as the case may be, within such 60-day period, no Event of Default under this subsection (c) shall be deemed to have occurred or to exist if and so long as the City shall have commenced such work, action or remediation within such 60-day period and provided written notice thereof to the Trustee and shall diligently and continuously prosecute the same to completion.

Within five days after actual knowledge by an Authorized Officer of the Trustee of an Event of Default under subsection (a) or (b) above, the Trustee shall give written notice, by registered or certified mail, to the City, all of the Bondholders, and upon notice as provided in Section 8.02(d) shall give similar notice of any other Event of Default.

Section 7.02 Remedies; Rights of Bondholders.

(a) Upon the continuance of an Event of Default, if so requested by a Majority of the Bondholders, and if satisfactory indemnity has been furnished to it, the Trustee shall exercise such of the rights and powers conferred by this Indenture as the Trustee, being advised by counsel, shall deem most effective to enforce and protect the interests of the Bondholders.

(b) No remedy under this Indenture is intended to be exclusive, and to the extent permitted by law each remedy shall be cumulative and in addition to any other remedy hereunder or now or hereafter existing.

(c) No delay or omission to exercise any right or power shall impair such right or power or constitute a waiver of any Default or Event of Default or acquiescence therein; and each such right and power pay be exercised as often as deemed expedient.

(d) No waiver by the Trustee or the Bondholders of any Default or Event of Default shall extend to any subsequent Default or Event of Default.

Section 7.03 Right of Bondholders to Direct Proceedings. Anything in this Indenture to the contrary notwithstanding, a Majority of the Bondholders shall have the right at any time, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture or for the appointment of a receiver or any other proceedings hereunder; provided that such direction shall be in accordance with applicable Law and this Indenture; provided that the Trustee shall be indemnified to its satisfaction.

Section 7.04 Application of Moneys After Event of Default. Upon the occurrence of an Event of Default, there shall be deposited in the CFC Revenue Fund all moneys and proceeds held or received by the Trustee or any receiver pursuant to this Indenture or any related document or the exercise of any rights granted hereby or thereby, except amounts in the Rebate Fund, which shall be held and applied in accordance with Section 5.13, and all moneys in the CFC Revenue Fund (except funds for which provision has been made under Section 5.16) shall be applied after first paying all Costs of Collection incurred by the Trustee or any receiver and any fees, compensation and reimbursement of expenses then owing to the Trustee hereunder, (i) to the payment of interest then due on the Bonds (other than Subordinate Bonds) without regard to when such interest became due, (ii) then any remaining amounts shall be applied to the payment of principal and premium, if any, then due on the Bonds (other than Subordinate Bonds), without regard to when such principal or premium, if any, became due, (iii) then any remaining amounts shall be applied to the payment of interest then due on the Subordinate Bonds without regard to when such interest became due, (iv) then any remaining amounts shall be applied to the payment of principal and premium, if any, then due on the Subordinate Bonds, without regard to when such principal or premium, if any, became due; or in such other order as may be determined by the Trustee with the written consent of all the Bondholders; provided, however, that funds collected from any Account of the Project Fund shall be applied solely to the payment of principal of and interest on the Series of Bonds secured by such Account. Payments shall be made ratably, according to the amounts due respectively for interest and principal and premium, if any, among Bondholders entitled to receive the payment being made.

Section 7.05 Remedies Vested in Trustee. All rights of action (including the right to file proofs of claim) under this Indenture or under any of the Bonds may be enforced by the Trustee without the possession of any of the Bonds or their production in any proceeding; and any such proceeding instituted by the Trustee shall be brought in its name, as Trustee, without the necessity of joining as plaintiffs or defendants any holders of the Bonds; and any recovery of the judgment shall be for the benefit of the holders of the Bonds, subject, however, to the provisions of this Indenture.

Section 7.06 Rights and Remedies of Bondholders. No Bondholder shall have any right to institute any proceedings for the enforcement of this Indenture or any right or remedy

granted hereby unless (i) an Event of Default is continuing, (ii) an Authorized Officer of the Trustee is deemed to have notice or knowledge thereof or has been notified as provided in Section 8.02(d), (iii) a Majority of the Bondholders shall have made written request to the Trustee and shall have afforded the Trustee reasonable opportunity to exercise its powers or to institute such proceeding in its own name, and have offered to the Trustee indemnity satisfactory to it, and (iv) the Trustee shall have failed or refused to exercise its power or to institute such proceeding. Such notice, request and offer of indemnity shall at the option of the Trustee be conditions precedent to the execution of the powers and trusts of this Indenture, and to any action for the enforcement of this Indenture or of any right or remedy granted hereby; it being understood and intended that the holders of the Bonds shall have no right to affect or prejudice the lien of this Indenture by their action or to enforce any right hereunder except in the manner herein provided and that proceedings shall be instituted and maintained in the manner herein provided and for the benefit of the holders of all Bonds then outstanding. Notwithstanding the foregoing, each Bondholder shall have a right of action to enforce the payment of the principal of an premium, if any, and interest on any Bond held by it at and after the maturity thereof, from the sources and in the manner expressed in such Bond.

Section 7.07 Waivers of Events of Default. The Trustee shall waive (in advance or otherwise) any Event of Default and its consequences and rescind any declaration of maturity of principal upon the written request of a Majority of the Bondholders or, in the case of an Event of Default whose waiver would constitute a violation of Section 9.02, the Bondholder or Bondholders whose consent is required by Section 9.02, but no such waiver (except as specifically provided therein) or rescission shall extend to any subsequent or other Event of Default.

Section 7.08 Effect of Discontinuation of Proceedings. In case any proceeding taken by the Trustee or Bondholders on account of any Event of Default shall have been discontinued or abandoned for any reason, then and in every such case the City, the Trustee and the Bondholders shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Trustee shall continue as though no such proceeding had been taken.

Section 7.09 Intervention by Trustee. In any judicial proceeding which the Trustee believes has a substantial bearing on the interests of the Bondholders, the Trustee may intervene on behalf of the Bondholders.

Section 7.10 Remedies of City on Event of Default. Upon the occurrence and continuance of an Event of Default, the City shall not be required to take any action which in its opinion might cause it to expend time or money or otherwise incur any liability unless satisfactory indemnity has been furnished to it. Notwithstanding any contrary provision in this Indenture, the City may enforce the Unassigned Rights by any lawful available remedy; and nothing in this Indenture shall restrict the exercise of Unassigned Rights by the City as lessor under the RAC Agreements or the exercise of rights by the City as operator of the Airport.

ARTICLE 8
THE TRUSTEE

Section 8.01 The Trustee; Corporate Organization, Authorization and Capacity. The Trustee represents and warrants that it is a national banking association duly organized and validly existing under the laws of the United States of America and duly licensed or qualified to do business in the State, with the capacity to exercise the powers and duties of the Trustee hereunder and that by proper corporate action it has duly authorized the execution and delivery of this Indenture.

Section 8.02 Acceptance of Trusts. The Trustee accepts the trusts imposed upon it by this Indenture and agrees to perform such trusts, but only upon the terms and conditions contained herein.

(a) The Trustee, prior to the occurrence of an Event of Default and after the curing of all Events of Default which may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied agreements or obligations shall be read into this Indenture against the Trustee. In case an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs.

(b) The Trustee may execute any of its trusts or powers and perform any of its duties through attorneys, agents, receivers or employees but shall be answerable for their conduct in accordance with the above standard, except that as to attorneys, agents and receivers the Trustee shall be answerable only as to the selection of same in accordance with said standards. The Trustee shall be entitled to advice of Counsel concerning all matters of trust duties hereunder, and may pay reasonable compensation to all such attorneys, agents, receivers, employees and Counsel as may reasonably be employed. The Trustee shall be entitled to the advice of Counsel (who may or not be Counsel for the City) and shall be wholly protected as to any action taken or omitted to be taken in good faith in reliance on such advice. The Trustee may rely conclusively on any notice, certificate or other document furnished to it hereunder and reasonably believed by it to be genuine. The Trustee shall not be liable for any action taken by it in good faith and reasonably believed by it to be within the discretion or powers conferred upon it, in good faith omitted to be taken by it and reasonably believed to be beyond the discretion or powers conferred upon it, taken by it pursuant to any direction or instruction by which it is governed hereunder, or omitted to be taken by it by reason of the lack of direction or instruction required hereby for such action; nor shall it be responsible for the consequences of any error of judgment reasonably made by it; except in each case for such actions resulting from its own negligence or willful misconduct. The duties of the Trustee are those expressly set forth in this Indenture, and no additional duties shall be implied. When any payment, consent or other action by it is called for hereby, it may defer such action pending receipt of such evidence, if any, as it may require in support thereof. The Trustee shall in no event be liable for the application or misapplication of funds, or for other acts or defaults by any Person, except its own directors, officers, and employees. The Trustee has no responsibility for the validity or sufficiency of this Indenture or the Bonds or any security therefor.

(c) Any action taken by the Trustee pursuant to this Indenture upon the request or authority or consent of any Person who at the time of making such request or giving such authority or consent is the holder of any Bond shall be conclusive and binding upon all future holders of such Bond.

(d) The Trustee shall not be required to take notice or be deemed to have notice or knowledge of any Default hereunder, except Events of Default described in Section 7.01(a) or (b), unless an Authorized Officer of the Trustee shall be notified in writing of such Default by the City or by the holders of at least 25% in aggregate principal amount of Bonds then outstanding. Until such notice is received, the Trustee may conclusively assume there is no such Default and shall not be bound to inquire as to the performance of the City.

(e) The Trustee shall not be required to give any bond or surety.

(f) The Trustee shall not be required to monitor the financial condition of the City, any RAC, or the physical condition of the Project and, unless otherwise expressly provided, shall not have any responsibility with respect to notices, certificates or other documents filed with it hereunder, except to make them available for inspection by the Bondholders. The Trustee shall not be required to take any action hereunder (other than the giving of notice), including any remedial action, which shall require it to expend its own funds or otherwise incur any financial liability in the performance of its duties hereunder or thereunder or in the exercise of any rights or powers hereunder or thereunder unless indemnity reasonably satisfactory to it is furnished for any expense or liability to be incurred herein, other than liability for failure to meet the standards set forth in this section. A permissive right or power to act shall not be construed as a requirement to act.

(g) The Trustee shall not be responsible for any recital herein or in the Bonds (other than its Certificate of Authentication), or in any material furnished to anyone in connection with the issuance, sale or any resale of the Bonds, or for the recording, filing or refiling of this Indenture or any security interest created in connection therewith, or for insuring the Trust Estate or the Project or collecting any insurance money, or for the validity of this Indenture or of any supplements thereto or instruments of further assurance, or for the sufficiency of the security for the Bonds issued hereunder or intended to be secured hereby, or for the value or title of the Project or otherwise as to the maintenance or operation of the Project or the Trust Estate, but the Trustee may require of the City full information and advice as to the performance of the covenants, conditions and agreements aforesaid and as to the condition of the Project. Except as otherwise provided in this Indenture, the Trustee shall have no obligation to perform any of the duties of the City under this Indenture, and the Trustee shall not be liable for any loss suffered in connection with any investment of funds made by it, provided that the Trustee shall have complied with instructions delivered to it hereunder.

(h) To the extent that it is necessary for the Trustee to determine whether any Person is a Beneficial Owner, the Trustee shall make such determination based on a certification of such Person (on which the Trustee may conclusively rely) setting forth in satisfactory detail the principal balance and bond certificate owned and any intermediaries through which such bond certificate is held. The Trustee shall be entitled to rely conclusively on information it receives from DTC or other applicable Securities Depository, its direct participants and the indirect

participating brokerage firms for such Participants with respect to the identity of a Beneficial Owner.

(i) The Trustee shall not be accountable for the use or application by the City of any of the Bonds or the proceeds thereof or for the use or application of any money paid over by the Trustee in accordance with the provisions of this Indenture or for the use and application of money received by any paying agent.

(j) The Trustee shall have no responsibility with respect to any information, statement or recital in any official statement, offering memorandum or any other disclosure material prepared or distributed with respect to the Bonds, except for any information provided by the Trustee, and shall have no responsibility for compliance with any state or federal securities laws in connection with the Bonds. The Trustee shall have no responsibility for, or shall assume no liability in connection with, the issuance of the Bonds as obligations the interest on which is excludable from gross income for purposes of Federal income taxation or for the subsequent maintenance of the tax-exempt status of such interest.

(k) None of the provisions of this Indenture shall require the Trustee to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not assured to it.

Section 8.03 Successor Trustee. Any corporation or association into which the Trustee may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer all or substantially all its corporate trust business and assets, and any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer, ipso facto, shall be and become successor Trustee hereunder and vested with all the trusts, power, discretion, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any instrument or any further act on the part of the parties hereto, anything herein to the contrary notwithstanding; provided, however, that any such successor Trustee shall be a trust company or bank in good standing having trust powers.

Section 8.04 Resignation by Trustee; Removal. The Trustee may at any time resign from the trusts hereby created by giving 30 days' written notice to the City and to each Bondholder, but such resignation shall not take effect until the appointment of a successor Trustee, acceptance by the successor Trustee of such trusts and assignment to such successor Trustee of the rights of the predecessor Trustee under this Indenture. The Trustee may be removed at any time by an instrument or concurrent instruments in writing delivered to the Trustee by a Majority of the Bondholders, but such removal shall not take effect until the appointment of a successor Trustee and acceptance by the successor Trustee of such trusts. The Trustee may also be removed at any time for any breach of trust, or for acting or proceeding in violation of, or for failing to act or proceeding in accordance with, any provision of this Indenture with respect to the duties and obligations of the Trustee, by any court of competent jurisdiction upon the application of the holders of not less than 25% in aggregate principal amount of the Bonds, excluding any Bonds held by or for the account of the City. The City may remove the Trustee at any time, except during the existence of an Event of Default, for such

cause as shall be determined in the sole discretion of the City by filing with the Trustee an instrument signed by an Authorized Officer and by mailing notice thereof to the Bondholders at their addresses shown on the registration books kept by the Trustee. Any removal of the Trustee shall take effect upon the appointment of a successor Trustee.

Section 8.05 Appointment of Successor Trustee. If the Trustee hereunder shall resign or be removed, or be dissolved, or otherwise become incapable of acting hereunder, or in case it shall be taken under the control of any public officer or officers, or of a receiver appointed by a court, a successor shall be appointed by the City. If the City does not appoint a successor Trustee within 30 days of the Trustee providing notice of its resignation, the Trustee may petition a court of competent jurisdiction to appoint a successor Trustee. At any time within one year after any such vacancy shall have occurred and provided a court has not appointed a successor Trustee as provided above, a Majority of the Bondholders may appoint a successor Trustee by an instrument or concurrent instruments in writing signed by or on behalf of such holders, which appointment shall supersede any Trustee theretofore appointed by the City. Each successor Trustee shall be a trust company or bank having the powers of a trust company which is in good standing and has a reported capital, surplus and undivided profits of not less than $100,000,000. Any such successor Trustee shall become Trustee upon giving notice to the City and the Bondholders of its acceptance of the appointment, vested with all the property, rights and powers of the Trustee hereunder, without any further act or conveyance. Any predecessor Trustee shall execute, deliver and record and file such instruments as the Trustee may reasonably require to confirm or perfect any such succession.

Section 8.06 Fees and Expenses of Trustee. The City shall pay to the Trustee from time to time reasonable compensation for all services rendered under this Indenture or any Supplemental Indenture, and also all reasonable expenses, charges, counsel fees and other disbursements, including those of their attorneys, agents and employees incurred in and about the performance of their powers and duties under this Indenture or any Supplemental Indenture. The City further agrees to indemnify and save the Trustee harmless against any liabilities which it may incur in the exercise and performance of its powers and duties hereunder, which are not due to its negligence or default. The City acknowledges that the compensation, fees, expenses and indemnification costs payable to the Trustee as provided in this Section are a general obligation of the City, payable from any amounts legally available to the City therefor.

Section 8.07 Dealing in Bonds. The Trustee and any of its directors, officers, employees or agents may become the owners of any or all of the Bonds secured hereby with the same rights as if such owner were not the Trustee or an affiliate of the Trustee.

Section 8.08 Trustee as Bond Registrar; List of Bondholders. The Trustee is hereby designated as Registrar for the Bonds and, as such, will keep on file a list of names and addresses of the holders of all Bonds; provided, however, that the Trustee shall be under no responsibility with regard to the accuracy of the address of any Bondholder. At reasonable times and under reasonable regulations established by the Trustee, such list may be inspected and copies by the City or by owners (or a designated representative thereof) of Bonds then outstanding, such ownership and the authority of any such designated representative to be evidenced to the satisfaction of the Trustee.

Section 8.09 Successor Trustee as Custodian of Funds; Bond Registrar and Paying Agent. In the event of a change in the office of Trustee, the predecessor Trustee which has resigned or been removed shall cease to be custodian of any funds it may hold pursuant to this Indenture, and to cease to be the Registrar and paying agent for any of the Bonds, and the successor Trustee shall become such custodian, Registrar and paying agent.

Section 8.10 Adoption of Authentication. In case any Bonds shall have been authenticated but not delivered, any successor Trustee may adopt the certificate of authentication of the predecessor Trustee and deliver the Bonds as so authenticated.

Section 8.11 Designation and Succession of Paying Agents. After 15 days' written notice to the City and subject to the City's approval (which shall not unreasonably be withheld or delayed), the Trustee may designate any other banks or trust companies as paying agent. Any bank or trust company with or into which any paying agent other than the Trustee may be merged or consolidated, or to which the assets and business of such paying agent may be sold, shall be deemed the successor to such paying agent for the purposes of this Indenture. If the position of such paying agent shall become vacant for any reason, the Trustee shall, within 30 days thereafter, appoint a bank or trust company located in the same state as such paying agent to fill such vacancy, subject to the City's approval (which shall not unreasonably be withheld or delayed). The paying agents shall enjoy the same protective provisions in the performance of their duties hereunder as are specified in Section 8.02 with respect to the Trustee, insofar as such provisions may be applicable.

Section 8.12 Trust Estate May be Vested in Co-Trustees. It is the purpose hereof that there shall be no violation of any Law of any jurisdiction denying or restricting the right of banking corporations or associations to transact business as trustee in such jurisdiction. It is recognized that in case of litigation hereunder, and in particular in case of the occurrence of an Event of Default, it may be necessary that the Trustee appoint an additional institution as a separate Trustee or Co-Trustee. The following provisions of this Section 8.12 are adapted to these ends.

Upon the incapacity or lack of authority of the Trustee, by reason of any present or future Law of any jurisdiction, to exercise any of the rights, powers and trusts herein granted to the Trustee, each and every remedy, power, right, claim, demand, cause of action, immunity, estate, title, interest and lien expressed herein or intended to be exercised by or vested in or conveyed to the Trustee with respect thereto shall be exercisable by and vest in a separate Trustee or Co-Trustee appointed by the Trustee with the written approval of an Authorized Officer of the City, but only to the extent necessary to enable the separate Trustee or Co-Trustee to exercise such rights, powers and trusts, and every agreement and obligation necessary to the exercise thereof by such separate Trustee or Co-Trustee shall run to and be enforceable by either of them.

Should any deed, conveyance or instrument in writing from the City be required by the separate Trustee or Co-Trustee so appointed by the Trustee in order to more fully and certainly vest in and confirm to him or it such properties, rights, powers, trusts, duties obligations, any and all such deeds, conveyances and instruments shall, on request, be executed, acknowledged and delivered by the City. In case any separate Trustee or Co-Trustee, or a successor to either, shall become incapable of acting, resign or be removed, all the estates, properties, rights, powers,

trusts, duties and obligations of such separate Trustee or Co-Trustee, so far as permitted by Law, shall vest in and be exercised by the Trustee until the appointment of a new Trustee or successor to such separate Trustee or Co-Trustee. Any separate Trustee or Co-Trustee appointed pursuant to this Section 8.12 shall be a trust company or bank in good standing having trust powers and having a reported capital, surplus and individual profits of not less than $50,000,000.

Section 8.13 Trustee to Retain Information; No Responsibility. So long as any of the Bonds shall be outstanding, the Trustee shall retain all certificates and all other written information furnished to it by or on behalf of the City or any other Person under this Indenture and shall make such documentation available for review after reasonable notice during regular business hours at the principal corporate trust office of the Trustee to the City and any Bondholder and, so long as the Bonds are held by the DTC or other Securities Depository or its nominee, any Beneficial Owner of Bonds presenting evidence of such ownership reasonably satisfactory to the Trustee. The Trustee shall permit such reviewers to take copies of all or any part of such documentation, subject to their payment of such reasonable copying and handling charges as the Trustee may impose. Unless otherwise expressly provided, the Trustee shall not have any responsibility with respect to any such reports, notices, certificates, financial statements and other written information furnished to it hereunder, except to make them available for inspection, at reasonable times, as provided above.

Section 8.14 Certain Notices to Rating Agencies and Bondholders. The Trustee or the City shall give or cause to be given to each Rating Agency then rating the Bonds or any Series thereof notice of (i) any optional redemption, mandatory redemption, defeasance or acceleration of Bonds or (ii) the occurrence of any Event of Default under this Indenture. The City may elect, in its sole discretion, to have the Bonds or any Series thereof, rated by any or all of the Rating Agencies, provided, however, that the City shall use its best efforts to ensure that the Bonds or any Series thereof are rated by no less than two Rating Agencies. A copy of any notices provided by the Trustee hereunder shall be delivered contemporaneously to the City.

Section 8.15 Reports by Trustee. The Trustee shall prepare monthly reports by the 10th day of each month (or as soon thereafter as practicable) showing the Customer Facility Charges and Facility Rent (if any) received from each of the RACs for deposit into the CFC Revenue Fund during the prior calendar month, together with the total of such amounts. Such report shall be sent to the City and made available to each RAC upon their request.

ARTICLE 9
SUPPLEMENTAL INDENTURES AND WAIVERS

Section 9.01 Supplemental Indentures Not Requiring Consent of Bondholders. The parties to this Indenture (provided that the Continuing Disclosure Undertaking shall not be subject to this Section 9.01 but instead shall be amended in accordance with its terms) may without the consent of, or notice to, any of the Bondholders enter into indentures of trust supplemental to this Indenture and financing statements or other instruments evidencing the existence of a lien as shall not, in their opinion, be inconsistent with the terms and provisions hereof or thereof for any one or more of the following purposes:

(a) To cure any ambiguity, inconsistency or formal defect or omission in this Indenture;

(b) To grant to or confer upon the Trustee for the benefit of the Bondholders any additional rights, remedies, powers, or authority that may lawfully be granted to or conferred upon the Bondholders or the Trustee;

(c) To subject to the lien and pledge of this Indenture additional revenues or collateral;

(d) To evidence any succession to the City and the assumption by such successor of the agreements of the City contained in this Indenture and the Bonds;

(e) To the extent required by law, to permit registration of the Bonds under the Securities Act, the Trust Indenture Act, or any applicable state securities law, and to permit qualification of this Indenture under the Trust Indenture Act;

(f) To revise the provisions of Section 5.13 hereof or any other provision of this Indenture or any related document or certificate relating to rebate of arbitrage profits to the United States, provided the Trustee shall have received an opinion of Bond Counsel that such revision does not adversely affect the exclusion from gross income of interest on the Tax-Exempt Bonds for federal income tax purposes;

(g) To effect any other change herein or therein which, in the judgment of the Trustee, is not to the prejudice of the holders of the Bonds;

(h) To provide for the issuance of Additional Bonds or Subordinate Bonds, including without limitation to provide for the establishment of additional Accounts in the various Funds as necessary to reflect the parity or subordinate status of such Additional Bonds or Subordinate Bonds; and

(i) To modify the definition of Qualified Investments in Exhibit D hereof as directed by the City, provided that the City shall have provided evidence to the Trustee that the details of such modification have been provided in writing to each Rating Agency then assigning a rating to an Outstanding Bond and that each such Rating Agency has either (i) confirmed in writing that such modification will not adversely affect such ratings or (ii) issued a rating on a Series of Bonds to be issued which is not lower than the rating assigned by such Rating Agency to Outstanding Bonds prior to such modification, or any other evidence satisfactory to the Trustee that modification will not adversely affect the then current ratings, if any, assigned to the Bonds by any Rating Agency.

Section 9.02 Supplemental Indenture Requiring Consent of Bondholders. In addition to Supplemental Indentures permitted by Section 9.01, a Majority of the Bondholders shall have the right, from time to time, to consent to and approve the execution by the parties to this Indenture or other indentures of trust supplemental hereto or thereto for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Indenture or in any supplemental indenture of trust; provided, however, that nothing in this Section 9.02 shall permit (i) an extension of the stated maturity of

the principal of or the interest on any Bond without the consent of the holder of such Bond; (ii) a reduction in the principal amount of any Bond, the rate of interest thereon or the premium, if applicable, to be paid upon the redemption thereof prior to maturity without the consent of the holder of such Bond; (iii) an extension of the date for making any scheduled mandatory redemption under Section 4.01(b) or in any Supplemental Indenture without the consent of all of the Bondholders of the affected Series; (iv) the establishment of a privilege or priority of any Bond or Bonds over any other Bond or Bonds (other than Subordinate Bonds) without the consent of all the Bondholders; (v) a reduction in the percentage of the aggregate principal amount of Bonds the holders of which are required to consent to any such supplemental indenture of trust without the consent of the holders of all the Bonds at the time outstanding which would be affected by the action to be taken; (vi) a release of collateral granted under this Indenture without the consent of all of the Bondholders, except as expressly provided herein or therein; or (vii) a modification of the rights, duties or immunities of the City or the Trustee without the written consent of the affected party.

If at any time the City shall request the Trustee to enter into any supplemental indenture of trust pursuant to this Section 9.02, the Trustee shall, upon being satisfactorily indemnified with respect to expenses, cause notice of the proposed execution to be made in the manner required for redemption of principal of Bonds pursuant to Section 4.04; provided, however, that failure to give such notice, or any defect therein, shall not affect the validity of the proceedings.

Such notice shall briefly set forth the nature of the proposed supplemental indenture of trust and shall state that copies thereof are on file at the principal corporate trust office of the Trustee for inspection by all Bondholders. Except as otherwise provided in this Section 9.02, if, within 60 days or such longer period (not to exceed two years) as shall be prescribed by the City following the final mailing of such notice, not less than a Majority of the Bondholders at the time of the execution of any such supplemental indenture of trust shall have consented to and approved the execution thereof, no holder of any Bond shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee or the City from executing the same or from taking any action pursuant to the provisions thereof. Upon the execution of any such supplemental indenture of trust as in this Section permitted and provided, this Indenture shall be and be deemed to be modified and amended in accordance therewith.

For the purposes of Article 9 of this Indenture, the purchasers of the Bonds of a Series, whether purchasing as underwriters, for resale or otherwise, upon such purchase, may approve a supplemental indenture and may consent to a modification or amendment of this Indenture or any supplemental indenture and other modifications permitted by this Section 9.02 or by Section 9.05 in the manner provided in this Indenture, except that no proof of ownership shall be required, and with the same effect as a consent given by the holder of such Bonds; provided, however, that, if such consent is given by a purchaser who is purchasing as an underwriter or for resale, the nature of the modification or amendment and the provisions for the purchaser consenting thereto shall be described in the official statement, prospectus, offering memorandum or other offering document prepared in connection with the primary offering of the Bonds of such Series by the City.

Section 9.03 Amendments to RAC Agreements. The provisions of Section 9.02 providing for Bondholder consent to certain Supplemental Indentures shall also apply to the modification provisions of the RAC Agreements and to the definitions of terms used therein as so used in a manner that could materially, adversely affect the Bondholders, but shall not apply to any other provisions of the RAC Agreements, including without limitation the Unassigned Rights; and with respect to the modification or waiver of such other provisions of the RAC Agreements, the consent of the Bondholders shall not be required.

Section 9.04 Opinion of Counsel. The Trustee shall be entitled to receive, and shall be fully protected in relying upon, the opinion of any Counsel approved by it, who may be Counsel for the City, as conclusive evidence that a proposed supplemental indenture of trust complies with the provisions of this Indenture, and that it is proper for the Trustee, under the provisions of this Article, to join in the execution of such supplemental indenture of trust.

Section 9.05 Modification by Unanimous Consent. Notwithstanding anything contained elsewhere in this Indenture, the rights and obligations of the City, the Trustee and the holders of the Bonds, and the terms and provisions of the Bonds and this Indenture, or any supplemental indenture of trust may be modified or altered in any respect with the consent of the City, the Trustee and the holders of all of the Bonds then outstanding (provided that the consent of such holders complies with the last paragraph of Section 9.02, if applicable).

ARTICLE 10
MISCELLANEOUS

Section 10.01 Consents, etc. of Bondholders. Any consent, request, direction, approval, objection or other instrument required by this Indenture to be executed by the Bondholders may be in any number of concurrent writings of similar tenor and may be executed by such Bondholders in person or by an agent appointed in writing.

Section 10.02 Limitation of Rights. With the exception of rights herein expressly conferred, nothing expressed or implied in or inferred from this Indenture or the Bonds shall give to any Person other than the parties hereto and the holders of the Bonds any right or remedy with respect to this Indenture. This Indenture and all of the covenants, conditions and provisions hereof are for the sole and exclusive benefit of the parties hereto and the holders of the Bonds as herein provided.

Section 10.03 Severability. In the event that any provision of this Indenture shall be held to be invalid in any circumstance, such invalidity shall not affect any other provision or circumstance.

Section 10.04 Notices. All notices, certificates or other communications hereunder shall be sufficiently given and, except (i) as provided in Section 5.13 regarding certificates or other materials to be provided to the City or (ii) notices to be given to the Trustee, and (iii) as provided in Section 8.02(d), shall be deemed to be delivered if in writing or in the form of a facsimile addressed to the appropriate Notice Address and if either (a) actually delivered at said address or (b) in the case of a letter, three Business Days shall have elapsed after the same shall have been deposited in the United States mails, first-class postage prepaid and registered or certified or (c)

in the case of delivery to the Trustee, notice will be deemed given when actually received. A copy of each notice, certificate or other communication given by any party hereto shall also be given to the other party hereto and the manner provided for in this Section 10.04.

The Trustee shall have the right to accept and act upon instructions or directions pursuant to this Indenture sent by unsecured e-mail, facsimile transmission or other similar unsecured electronic methods, provided, however, that the City shall provide to the Trustee an incumbency certificate listing designated persons with the authority to provide such instructions and containing specimen signatures of such designated persons, which incumbency certificate shall be amended whenever a person is to be added or deleted from the listing. If the City elects to give the Trustee e-mail or facsimile instructions (or instructions by a similar electronic method) and the Trustee in its discretion elects to act upon such instructions, the Trustee's understanding of such instructions shall be deemed controlling. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such instructions notwithstanding such instructions conflict or are inconsistent with a subsequent written instruction. The City agrees: (i) to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting instructions to the Trustee and that there may be more secure methods of transmitting instructions than the method(s) selected by the City; and (iii) that the security procedures (if any) to be followed in connection with its transmission of instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances.

Section 10.05 Payments Due on Saturdays, Sundays and Holidays. In any case where a Payment Date is not a Business Day, then payment of interest or principal and any premium due on such day need not be made by the Trustee on such date but may be made on the next succeeding Business Day with the same force and effect as if made on the Payment Date.

Section 10.06 Extent of City Covenants; No Personal Liability. No covenant, stipulation, obligation or agreement of the City contained in this Indenture shall be deemed to be a covenant, stipulation, obligation or agreement of any present or future officer, employee or agent of the City in his or her individual capacity; and no such person (including any such person executing the Bonds) shall be liable personally on the Bonds or be subject to any personal liability by reason of their issuance. No recourse shall be had by the Trustee or any Bondholder for any claim based on this Indenture or any Bond against any officer, employee or agent of the City alleging personal liability on the part of such person.

Section 10.07 Bonds Owned by City. In determining whether holders of the requisite aggregate principal amount of the Bonds have concurred in any direction, consent or waiver under this Indenture, Bonds which are owned by the City shall be disregarded and deemed not to be outstanding for the purpose of any such determination, except that, for the purpose of determining whether the Trustee shall be protected in relying on any such direction, consent or waiver, only Bonds which the Trustee knows are so owned shall be so disregarded. Bonds so owned which have been pledged in good faith may be regarded as outstanding if the pledge establishes to the satisfaction of the Trustee the pledgee's right so to act with respect to such

Bonds and that the pledge is not the City. In case of a dispute as to such right, any decision by the Trustee taken in good faith upon the advice of counsel shall be full protection to the Trustee in accordance with its standards of performance hereunder.

Section 10.08 Caption; Index. The captions, headings and index in this Indenture are for convenience only and in no way define or describe the scope or content of any provision of this Indenture.

Section 10.09 Counterparts. This Indenture may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same Indenture.

Section 10.10 Governing Law. The validity and interpretation of this Indenture and the Bonds shall be governed by the laws of the State.

Section 10.11 Agreements to Constitute Covenants. Words of agreement and promises shall also constitute covenants.

3. Description of Bond Issue. This [Series 2013A][Taxable Series 2013B] is one of an issue of $_____ Chicago O'Hare International Airport Customer Facility Charge Revenue Bonds, [Series 2013A][Taxable Series 2013B] (the "[Series 2013A][Taxable Series 2013B] Bonds") issued under an Indenture of Trust dated as of [Date of Indenture] (as from time to time in effect, the "Indenture") between the City and The Bank of New York Mellon Trust Company, N.A., as Trustee (with its successors and, where the context so requires, any separate Trustee or Co-Trustee appointed by the Trustee pursuant to the provisions of the Indenture, the "Trustee"). The City also has issued its $_____ Chicago O'Hare International Airport Customer Facility Charge Revenue Bonds, [Series 2013A][Taxable Series 2013B] (the "[Series 2013A][Taxable Series 2013B] Bonds") together with the [Series 2013A][Taxable Series 2013B] Bonds, the "Series 2013 Bonds"). The proceeds of the Series 2013 Bonds will be applied to finance the design and construction of a new consolidated rental car facility (the "CRCF"), extension of the existing airport transit system to provide transportation between such consolidated rental car facility and airport passenger terminals, and related facilities at Chicago O'Hare International Airport (the "Project"), which are being leased by the City to the rent-a-car businesses ("RACs") serving Airport Customers (as defined in the Indenture) that lease space within the CRCF upon its completion, pursuant to an agreement entered into from time to time between the City and each RAC for the lease and use of premises within the CRCF, as the same may be duly supplemented, modified or amended from time to time (each, a "RAC Agreement" and, collectively, the "RAC Agreements"). The Series 2013 Bonds are issued pursuant to and in

full compliance with the laws of the State, and the issuance of the Series 2013 Bonds and the execution and delivery of the Indenture have been duly authorized by the City.

The right of the City under the RAC Agreements to receive CFCs and Facility Rent (as each are defined in the Indenture), certain insurance and condemnation proceeds, and certain funds and accounts established under the Indenture (collectively, the "Pledged Receipts") have been pledged by the City to the Trustee to secure the Series 2013 Bonds. The Series 2013 Bonds and such Additional Bonds (as defined in the Indenture) as may from time to time be issued under the Indenture are to be equally and ratably secured and entitled to the protection given by the Pledged Receipts and the Indenture. The City may also, pursuant to the Indenture, issue Subordinate Bonds, the principal of and interest on which shall be payable from the Pledged Receipts on a subordinate basis to the [Series 2013A][Taxable Series 2013B] Bonds. Reference is hereby made to such documents for a description of the nature and the extent of the security for the Series 2013 Bonds, the rights, duties and obligations and immunities of the City, the Trustee and the Registered Owners and the terms upon which the Series 2013 Bonds and such Additional Bonds or Subordinate Bonds are or may be issued and secured.

4. Exchange and Transfer; Book-Entry System. Upon surrender of this [Series 2013A][Taxable Series 2013B] Bond at the principal corporate trust office of the Trustee, as bond registrar, together with an assignment duly executed by the Registered Owner or its attorney or legal representative in such form and with such guaranty of signature as shall be satisfactory to the Trustee, this [Series 2013A][Taxable Series 2013B] Bond may be exchanged for fully registered [Series 2013A][Taxable Series 2013B] Bonds aggregating in amount the then unpaid principal amount of the [Series 2013A][Taxable Series 2013B] Bond so surrendered, in denominations of not less than $5,000 or any integral multiple thereof.

This [Series 2013A][Taxable Series 2013B] Bond may be transferred upon the books kept for the registration and transfer of [Series 2013A][Taxable Series 2013B] Bonds upon its surrender to the Trustee, as bond registrar, together with an assignment duly executed by the Registered Owner or its attorney or legal representative in such form and with such guaranty of signature as shall be satisfactory to the Trustee; provided, that the Trustee should not be obliged to make any exchange or transfer of a [Series 2013A][Taxable Series 2013B] Bond during the period between a Record Date and the corresponding Interest Payment Date.

BY ACCEPTANCE OF THIS [SERIES 2013A][TAXABLE SERIES 2013B] BOND, THE REGISTERED OWNER AGREES THAT IT WILL NOT TRANSFER OR GRANT PARTICIPATIONS IN SUCH [SERIES 2013A][TAXABLE SERIES 2013B] BOND IN DENOMINATIONS OF LESS THAN $5,000.

The foregoing provisions of this Section 4 to the contrary notwithstanding, the [Series 2013A][Taxable Series 2013B] Bonds will be issued initially as fully registered bonds in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"), as Registered Owner of the [Series 2013A][Taxable Series 2013B] Bonds, and deposited in the custody of DTC. One fully registered [Series 2013A][Taxable Series 2013B] Bond of each maturity will be registered to Cede & Co. Beneficial Owners of the [Series 2013A][Taxable Series 2013B] Bonds will not receive physical delivery of the [Series 2013A][Taxable Series 2013B] Bonds. Individual purchases of the [Series 2013A][Taxable Series 2013B] Bonds may be made in book-entry form only in principal amounts of $5,000 or

any integral multiple thereof. Principal and interest payments on the [Series 2013A][Taxable Series 2013B] Bonds will be made to DTC or its nominee as Registered Owner of the [Series 2013A][Taxable Series 2013B] Bonds.

DTC shall pay through its Participants interest to the Beneficial Owners of record of the [Series 2013A][Taxable Series 2013B] Bonds as of the close of business on the Record Date. DTC shall pay the principal and redemption price of the [Series 2013A][Taxable Series 2013B] Bonds called for redemption to the Beneficial Owners of record of the [Series 2013A][Taxable Series 2013B] Bonds through its participants in accordance with its customary procedures.

Transfer of ownership interests in [Series 2013A][Taxable Series 2013B] Bonds shall be made by DTC and its Participants, acting as nominees of the Beneficial Owners of the [Series 2013A][Taxable Series 2013B] Bonds, in accordance with rules specified by DTC and its Participants. [Series 2013A][Taxable Series 2013B] Bonds [maturing January 1, ____, ____, and ____ (the "Par Call Bonds")] shall be subject to redemption on and after July 1, _____ by the City, in whole on any date or in part on any date, in the amount of $5,000 or an integral multiple thereof, at the following redemption price (expressed as a percentage of the principal amount of the [Series 2013A][Taxable Series 2013B] Bonds, or portion thereof, to be redeemed), plus accrued interest to the redemption date:

Redemption Period (both dates inclusive)	Redemption Price

[The Taxable Series 2013B Bonds maturing January 1, ____, ____ and ____ are subject to optional redemption by the City, in whole or in part, on any Business Day, at the Make-Whole Redemption Price, plus accrued and unpaid interest on the Taxable Series 2013B Bonds to be redeemed on the date fixed for redemption. The City shall provide, or cause to be provided, the amount of the Make-Whole Redemption Price to the Trustee.

[The "Make Whole Redemption Price" is the greater of (x) 100% of the principal amount of the Taxable Series 2013B Bonds to be redeemed and (y) the sum of the present value of the remaining scheduled payments of principal of and interest on the Taxable Series 2013B Bonds to be redeemed, not including any portion of those payments of interest accrued and unpaid as of the date on which such Taxable Series 2013B Bonds are to be redeemed, discounted to the date on which the Taxable Series 2013B Bonds are to be redeemed on a semi-annual basis, assuming a 360 day year consisting of twelve 30-day months, at the Treasury Rate (defined below), plus ____ basis points.

["Treasury Rate" means, with respect to any redemption date for a particular Taxable Series 2013B Bond, the rate per annum, expressed as a percentage of the principal amount, equal to the semi-annual equivalent yield to maturity or interpolated maturity of the Comparable Treasury Issue, assuming that the Comparable Treasury Issue is purchased on the redemption date for a price equal to the Comparable Treasury Price, as calculated by the Designated Investment Banker.

["Comparable Treasury Issue" means, with respect to any redemption date for a particular Taxable Series 2013B Bond, the United States Treasury security or securities selected by the Designated Investment Banker which has an actual or interpolated maturity comparable to the remaining average life of the Taxable Series 2013B Bond to be redeemed, and that would be utilized in accordance with customary financial practice in pricing new issues of debt securities of comparable maturity to the remaining average life of the Taxable Series 2013B Bond to be redeemed.

["Comparable Treasury Price" means, with respect to any redemption date for a particular Taxable Series 2013B Bond:

(A) the most recent yield data for the applicable U.S. Treasury maturity index from the Federal Reserve Statistical Release H.15 Daily Update (or any comparable successor publication) reported, as of 11:00 a.m. New York City time, on the Valuation Date; or

(B) if the yield described in (A) above is not reported as of such time or the yield reported as of such time is not ascertainable, the average of four Reference Treasury Dealer Quotations for that redemption date, after excluding the highest and lowest of such Reference Treasury Dealer Quotations, or if the Designated Investment Banker obtains fewer than four Reference Treasury Dealer Quotations, the average of all quotations obtained by the Designated Investment Banker.

["Designated Investment Banker" means one of the Reference Treasury Dealers appointed by the City.

["Reference Treasury Dealer" means each of not less than four firms, specified by the City from time to time, that are primary United States Government securities dealers in the City of New York (each, a "Primary Treasury Dealer"); provided, that if any of them ceases to be a Primary Treasury Dealer, the City will substitute another Primary Treasury Dealer.

["Reference Treasury Dealer Quotation" means, with respect to each Reference Treasury Dealer and any redemption date for a particular Taxable Series 2013B Bond, the average, as determined by the Designated Investment Banker, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Designated Investment Banker by such Reference Treasury Dealer at 3:30 p.m., New York City time, on the Valuation Date.

["Valuation Date" means the third Business Day preceding the redemption date.]

(b) Mandatory Sinking Fund Redemption. The [Series 2013A][Taxable Series 2013B] Bonds maturing on January 1, 20___ shall be subject to mandatory redemption in part at a redemption price equal to 100% of the principal amount redeemed plus accrued interest to the redemption date, without premium, on January 1 in each year, commencing January 1, 20___, in the amounts provided in Exhibit B to the Indenture, as the same may be adjusted from time to time on account of an optional or extraordinary mandatory partial redemption of [Series 2013A][Taxable Series 2013B] Bonds as provided in the last paragraph of Section 4.01(b) of the Indenture.

(c) Selection of [Series 2013A][Taxable Series 2013B] Bonds to be Redeemed; Procedure for Redemption.

[Series 2013A Bonds. In the case of any redemption in part of the Series 2013A Bonds, the maturities (or sinking fund maturities within a term bond) of such Series 2013A Bonds to be optionally redeemed shall be selected by the City. If less than all the Series 2013A Bonds of a particular maturity (or sinking fund maturity within a term bond) shall be called by the City for redemption, the particular Series 2013A Bonds of such maturity (or sinking fund maturity) to be redeemed shall be selected by the Trustee, in such manner as the Trustee in its discretion may deem fair and appropriate; provided, however (a) that the portion of any Series 2013A Bond to be redeemed shall be in the principal amount of the Authorized Denomination applicable to the Series 2013A Bonds or any multiple thereof, (b) that, in selecting Series 2013A Bonds for redemption, the Trustee shall treat each Series 2013A Bond as representing that number of Series 2013A Bonds that is obtained by dividing the principal amount of such Series 2013A Bond by the Authorized Denomination applicable to the Series 2013A Bonds, and (c) that, to the extent practicable, the Trustee will not select any Series 2013A Bond for partial redemption if the amount of such Series 2013A Bond remaining Outstanding would be reduced by such partial redemption to less than the Authorized Denomination applicable to the Series 2013A Bonds. Notwithstanding the foregoing, for so long as the Series 2013A Bonds are registered in book-entry only form, if less than all of the Series 2013A Bonds of a particular maturity are called for prior redemption, such Bonds will be selected for redemption, in accordance with DTC procedures, by lot.]

[Taxable Series 2013B Bonds. In the event of a partial optional redemption of Taxable Series 2013B Bonds, the Trustee shall allocate the principal amount of the Taxable Series 2013B Bonds to be redeemed as nearly as feasible pro rata among the maturities of the Taxable Series 2013B Bonds and mandatory sinking fund redemptions (including the final payment) so as to change as little as possible the remaining weighted average life of the Outstanding Taxable Series 2013B Bonds.

[If the Taxable Series 2013B Bonds are registered in book-entry only form and so long as DTC or a successor securities depository is the sole registered owner of the Taxable Series 2013B Bonds, if less than all of the Taxable Series 2013B Bonds, other than the Par Call Bonds (if any), of a maturity are called for prior redemption, the particular Series 2013B Bonds or portions thereof to be redeemed shall be selected on a pro rata pass-through distribution of principal basis in accordance with DTC procedures, provided that, so long as such Taxable Series 2013B Bonds are held in book-entry form, the selection for redemption of such Taxable Series 2013B Bonds shall be made in accordance with the operational arrangements of DTC then in effect, and, if the DTC operational arrangements do not allow for redemption on a pro rata pass-through distribution of principal basis, such Taxable Series 2013B Bonds will be selected for redemption, in accordance with DTC procedures, by lot. If the Taxable Series 2013B Bonds are not registered in book-entry only form, any redemption of less than all of a maturity of the Taxable Series 2013B Bonds (other than the Par Call Bonds, if any) shall be allocated among the registered owners of such Taxable Series 2013B Bonds on a pro-rata basis.

[If less than all of the Par Call Bonds are called for prior redemption, such Par Call Bonds will be selected for redemption, in accordance with DTC procedures, or, if the Par Call Bonds are not registered in book-entry only form, by the Trustee, in each case by lot.]

If there shall be called for redemption less than all of a [Series 2013A][Taxable Series 2013B] Bond, the City shall execute and deliver and the Trustee shall authenticate, upon surrender of such [Series 2013A][Taxable Series 2013B] Bond, and at the expense of the City and without charge to the owner thereof, a replacement Bond in the principal amount of the unredeemed balance of the [Series 2013A][Taxable Series 2013B] Bond so surrendered.

At its option, to be exercised on or before the 45th day next preceding any mandatory sinking fund redemption date referred to in subsection (b) above, the City may deliver to the Trustee for cancellation [Series 2013A][Taxable Series 2013B] Bonds in any aggregate principal amount which have been purchased by the City in the open market. Each [Series 2013A][Taxable Series 2013B] Bond so delivered shall be credited by the Trustee at 100% of the principal amount thereof against the mandatory sinking fund redemption requirement referred to in said subsection (b) on such mandatory sinking fund redemption date and any excess of such amount shall be credited against future mandatory sinking fund redemption requirements in chronological order.

In the event any of the [Series 2013A][Taxable Series 2013B] Bonds are called for redemption, the Trustee shall give notice, in the name of the City, of the redemption of such [Series 2013A][Taxable Series 2013B] Bonds, which notice shall (i) specify the [Series 2013A][Taxable Series 2013B] Bond to be redeemed, the redemption date, the redemption price, and the place or places where amounts due upon such redemption will be payable and, if less than all of the [Series 2013A][Taxable Series 2013B] Bonds are to be redeemed, the numbers of the [Series 2013A][Taxable Series 2013B] Bonds, and the portions of the [Series 2013A][Taxable Series 2013B] Bonds, to so be redeemed, (ii) state any condition to such redemption, and (iii) state that on the redemption date, and upon the satisfaction of any such condition, the [Series 2013A][Taxable Series 2013B] Bonds to be redeemed shall cease to bear interest. CUSIP number identification shall accompany all redemption notices. Such notice may set forth any additional information relating to such redemption. Such notice shall be given by

mail, postage prepaid, at least 30 days but not more than 60 days prior to the date fixed for redemption to each Registered Owner of [Series 2013A][Taxable Series 2013B] Bonds to be redeemed at its address shown on the registration books kept by the Trustee; provided, however, that failure to give such notice to any Registered Owner or any defect in such notice shall not affect the validity of the proceedings for the redemption of any of the other [Series 2013A][Taxable Series 2013B] Bonds. The Trustee shall send a second notice of redemption by certified mail return receipt requested to any registered holder who has not submitted [Series 2013A][Taxable Series 2013B] Bonds called for redemption 30 days after the redemption date, provided, however, that the failure to give any second notice by mailing, or any defect in such notice, shall not affect the validity of any proceedings for the redemption of any of the [Series 2013A][Taxable Series 2013B] Bonds and the Trustee shall not be liable for any failure by the Trustee to send any second notice.

Any [Series 2013A][Taxable Series 2013B] Bonds and portions of [Series 2013A][Taxable Series 2013B] Bonds which have been duly selected for redemption and which are paid in accordance with Section 5.16 of the Indenture shall cease to bear interest on the specified redemption date.

6. Additional Provisions. The Registered Owner shall have no right to enforce the provisions of the Indenture or to institute or appear in proceedings with respect to the Indenture or its enforcement except as provided in the Indenture. Modifications or alterations of the Indenture, or of any supplements thereto, may be made only as provided by the Indenture.

Reference is hereby made to the Indenture, which is on file and may be inspected during regular business hours at the principal corporate trust office of the Trustee, for a description of the security for the [Series 2013A][Taxable Series 2013B] Bonds and for the provisions thereof with respect to the rights, limitations of rights, duties, obligations and immunities of the City, the Trustee and the Registered Owner hereof. All capitalized terms used herein and not herein defined are used with the meanings specified for such terms in the Indenture.

This [Series 2013A][Taxable Series 2013B] Bond shall not constitute the personal obligation, either jointly or severally, of any officer, employee or agent of the City.

This [Series 2013A][Taxable Series 2013B] Bond shall not be valid or entitled to any security or benefit under the Indenture until the certificate of authentication hereon shall have been signed by the Trustee.

Attachment for Section III:

Please note that the Disclosing Party is a subsidiary of Bank of America Corporation ("BAC"). BAC and its subsidiaries had 248,156 full-time employees as of December 31, 2012. Accordingly, it is not possible for BAC to perform due diligence across the full panoply of associates and BAC-related entities in preparing a response to business relationships with City of Chicago elected officials. In responding to this question, the Disclosing Party did perform due diligence within the Public Finance Group of Merrill Lynch, Pierce, Fenner & Smith Incorporated to determine whether any of the Public Finance Group's employees were aware of any such relationships between the City elected officials and the Disclosing Party within the past 12 months.

Attachment for Section V.B:

Disclosing Party (Merrill Lynch, Pierce, Fenner & Smith Incorporated) certifies, as set forth below, to the best of its knowledge and belief that with respect to V.B.2.a.:

Neither Merrill Lynch, Pierce, Fenner & Smith Incorporated ("Merrill Lynch") nor its Executive Officers and Directors identified in Section II.B.1 of this EDS has had its authorization to act as a federal contractor revoked or suspended. No such information with respect to state or local entities is reported or to the best of our knowledge maintained separately.

V.B.2.b, c and e:

In the ordinary course of business, Merrill Lynch is subject to regulatory examinations, information gathering requests, inquiries, and investigations ("Regulatory Matters") by various federal or state securities regulatory agencies and attorneys general, other local, state, and federal agencies, and self-regulatory organizations (collectively, "Regulators"); and is routinely a defendant in or party to many pending and threatened legal actions and proceedings, including actions brought on behalf of various classes of claimants ("Legal Matters"), which may be based on alleged violations of securities, environmental, employment, and other laws. In connection with formal and informal Regulatory Matters, Merrill Lynch receives numerous requests, subpoenas and orders for documents, testimony and information in connection with various aspects of its regulated activities, and in some cases regulatory action has been taken against Merrill Lynch. Merrill Lynch believes that it has cooperated fully with the Regulators in all such inquiries to date and intends to continue to cooperate fully with the Regulators in all such inquiries involving Merrill Lynch in the future.

Merrill Lynch's parent is Merrill Lynch & Co., Inc. (the "Corporation"). The Corporation and its parent, Bank of America Corporation ("BAC"), make all required disclosures in their Annual Reports on Form 10-K and Quarterly Reports on Form 10-Q, which are updated in Reports on Form 8-K, all of which are filed with the Securities and Exchange Commission ("Regulatory Filings"). Merrill Lynch makes all required disclosures in its Form BD and ADV Filings ("Form BD and ADV Filings") with the Financial Industry Regulatory Authority ("FINRA"). Those Regulatory Filings and Form BD and ADV Filings include disclosures of Regulatory Matters and Legal Matters as required by federal law and applicable regulations, and are publicly available. The Corporation and BAC cannot confirm or deny the existence of any other, non-public Regulatory Matters conducted by any Regulator or Legal Matters unless required to do so by law. The Regulatory Filings are publicly available on the SEC's website at www.sec.gov. The Form BD Filings are publicly available on the FINRA BrokerCheck system at http://www.finra.org/Investors/ToolsCalculators/BrokerCheck/index.htm. The Form ADV filings are publicly available on the SEC's Investment Adviser Search website at: http://www.adviserinfo.sec.gov/(S(cerr0u55hmrw5a45022y3vnz))/IAPD/Content/Search/iapd_Search.aspx.

V.B.2.d

The Disclosing Party performed due diligence within the Public Finance Group of Merrill Lynch to determine whether any Public Finance Group employees were aware of any public finance transactions (federal, state or local) having been terminated for cause or default within the last five years, and none of such employees were aware of any such terminations.

V.B.3.a, b and c - **Please see response to V.B.2. b, c and e above.**

In addition, in 2010, Douglass Campbell, a former Bank of America, N.A. ("BANA") employee, pled guilty to violating, among other statutes, 15 U.S.C. § 15. 15 U.S.C. § 15's elements are similar to 720 ILCS 5/33E-3. Although Mr. Campbell was not an employee of BANA or BAC at the time of his guilty plea, some of the conduct to which he pled guilty occurred while he was employed by BANA. Despite Mr. Campbell's conviction, Merrill Lynch believes that it should not be barred from contracting with the City.

Merrill Lynch believes that it is not ineligible under Section 1-23-020 of the Municipal Code of Chicago because neither Merrill Lynch (or any controlling person of Merrill Lynch) nor any entity that Merrill Lynch has been merged into (including BANA and Banc of America Securities LLC ("BAS")) have within the past 5 years been convicted of, admitted guilt to in any civil or criminal proceeding, or charged with or indicted for any felony or criminal offense for conduct outlined in Section 1-23-020(a). Finally, Merrill Lynch believes that it is not ineligible under Section 2-92-320 of the Municipal Code of Chicago because neither Merrill Lynch nor its current employees have within the past 5 years been convicted of or made an admission of guilt regarding the items outlined in 2-92-320 (a)(1)-(3) or violated the items identified in 2-92-320(a)(4). Moreover, Merrill Lynch is not aware of any former employees who have been convicted of or made an admission of guilt within the past 5 years regarding the items outlined in 2-92-320 (a)(1)-(3) or violated the items identified in 2-92-320(a)(4) based on conduct that took place while they were employed by Merrill Lynch. In addition, Merrill Lynch believes that, under Section 2-92-320, it should not be chargeable with any conduct of BANA or BAS (or their former employees, including Douglass Campbell) that occurred prior to January 1, 2009, because Merrill Lynch was not affiliated with BANA and BAS before that date.

Please note that our responses are on behalf of the Disclosing Party only and not on behalf of any contractors or retained parties disclosed in Section IV.

V.B.3.d

Please note that our responses are on behalf of the Disclosing Party only and not on behalf of any contractors or retained parties disclosed in Section IV.

V.B.4 - **Please see response to V.B.2. b, c and e above.**

In addition, Merrill Lynch believes that it is not barred from contracting with any unit of State or local government pursuant to 720 ILCS 5/33E-3 or 720 ILCS 5/33E-4 because neither Merrill Lynch nor its current employees have been convicted within the past 5 years of violating 720 ILCS 5/33E-3 or 720 ILCS 5/33E-4 or any similar offenses of any state or the United States which contains the same elements as these offenses. Moreover, Merrill Lynch is not aware of any former employees who have been convicted within the past 5 years of violating 720 ILCS 5/33E-3 or 720 ILCS 5/33E-4 or any similar offenses of any state or the United States which contains the same elements as these offenses based on

conduct that took place while they were employed by Merrill Lynch. Finally, at the time of the conduct at issue in Mr. Campbell's guilty plea, Merrill Lynch was not affiliated with BANA or BAS.

Please note that our responses are on behalf of the Disclosing Party only and not on behalf of any contractors or retained parties disclosed in Section IV.

V.B.5.

Please note that our responses are on behalf of the Disclosing Party only and not on behalf of any contractors or retained parties disclosed in Section IV.

V.B.6.

In response to question 6, BAC and its affiliates, including the Corporation and Merrill Lynch, maintain strict policies and procedures to ensure compliance with applicable local, state, and federal laws and regulations, including Chapter 2-156 of the Municipal Code. To the best of our knowledge, and upon reasonable inquiry, BAC and its affiliates are currently in compliance, and has policies and procedures in place to ensure continued compliance.

Attachment for Section V.D:

Please note that the Disclosing Party is a subsidiary of Bank of America Corporation ("BAC"). BAC and its subsidiaries had 248,156 full-time employees as of December 31, 2012. Accordingly, it is not possible for BAC to perform due diligence across the full panoply of associates and BAC-related entities in preparing a response to Section V.D.1 (Certification Regarding Interest in City Business). In responding to this question, the Disclosing Party did perform due diligence within the Public Finance Group of Merrill Lynch, Pierce, Fenner & Smith Incorporated to determine whether any of the Public Finance Group's employees were aware of any official or employee of the City having a financial interest in his or her own name or in the name of any other person or entity in the Matter.

Attachment for Section VII.F.1:

Bank of America, N.A., through its home loan servicing business units, currently maintains a large portfolio of residential units in foreclosure and others which are Bank-owned following foreclosure (REO) within the City of Chicago. Due to administrative and other challenges within and without the control of Bank of America associated with the process, from time to time bills payable to the City associated with specific residential properties may not be processed in the time required. The Bank is committed to ensuring that amounts duly payable by the Bank to the City are tracked effectively and paid in a timely manner. To that end, Bank of America representatives and agents meet with representatives of the City on a monthly or other regular basis to identify outstanding amounts properly attributable to the Bank and settle them accordingly.

Bank of America Corporation has processes and procedures to timely report and pay sales and use tax. In a recent review of our sales tax compliance process, we confirmed that Bank of America, N.A. has filed sales tax returns. However, we have discovered that certain City of Chicago use tax returns for Bank of America, N.A. are delinquent and need to be filed. We are in the process of preparing these delinquent use tax returns and anticipate filing and remitting any use tax due within the next 45 days. Additionally, the Disclosing Party's certification of delinquencies is limited to affiliates in which Bank of America Corporation has a 50% or greater ownership.

Attachment for Section V.B:

Disclosing Party (Merrill Lynch, Pierce, Fenner & Smith Incorporated) certifies, as set forth below, to the best of its knowledge and belief that with respect to V.B.2.a.:

Neither Merrill Lynch, Pierce, Fenner & Smith Incorporated ("Merrill Lynch") nor its Executive Officers and Directors identified in Section II.B.1 of this EDS has had its authorization to act as a federal contractor revoked or suspended. No such information with respect to state or local entities is reported or to the best of our knowledge maintained separately.

V.B.2.b, c and e:

In the ordinary course of business, Merrill Lynch is subject to regulatory examinations, information gathering requests, inquiries, and investigations ("Regulatory Matters") by various federal or state securities regulatory agencies and attorneys general, other local, state, and federal agencies, and self-regulatory organizations (collectively, "Regulators"); and is routinely a defendant in or party to many pending and threatened legal actions and proceedings, including actions brought on behalf of various classes of claimants ("Legal Matters"), which may be based on alleged violations of securities, environmental, employment, and other laws. In connection with formal and informal Regulatory Matters, Merrill Lynch receives numerous requests, subpoenas and orders for documents, testimony and information in connection with various aspects of its regulated activities, and in some cases regulatory action has been taken against Merrill Lynch. Merrill Lynch believes that it has cooperated fully with the Regulators in all such inquiries to date and intends to continue to cooperate fully with the Regulators in all such inquiries involving Merrill Lynch in the future.

Merrill Lynch's parent is Merrill Lynch & Co., Inc. (the "Corporation"). The Corporation and its parent, Bank of America Corporation ("BAC"), make all required disclosures in their Annual Reports on Form 10-K and Quarterly Reports on Form 10-Q, which are updated in Reports on Form 8-K, all of which are filed with the Securities and Exchange Commission ("Regulatory Filings"). Merrill Lynch makes all required disclosures in its Form BD and ADV Filings ("Form BD and ADV Filings") with the Financial Industry Regulatory Authority ("FINRA"). Those Regulatory Filings and Form BD and ADV Filings include disclosures of Regulatory Matters and Legal Matters as required by federal law and applicable regulations, and are publicly available. The Corporation and BAC cannot confirm or deny the existence of any other, non-public Regulatory Matters conducted by any Regulator or Legal Matters unless required to do so by law. The Regulatory Filings are publicly available on the SEC's website at www.sec.gov. The Form BD Filings are publicly available on the FINRA BrokerCheck system at http://www.finra.org/Investors/ToolsCalculators/BrokerCheck/index.htm. The Form ADV filings are publicly available on the SEC's Investment Adviser Search website at: http://www.adviserinfo.sec.gov/(S(cerr0u55hmrw5a45022y3vnz))/IAPD/Content/Search/iapd_Search.aspx.

Please let us know if you need any additional information.

V.B.2.d

The Disclosing Party performed due diligence within the Public Finance Group of Merrill Lynch to determine whether any Public Finance Group employees were aware of any public finance transactions (federal, state or local) having been terminated for cause or default within the last five years, and none of such employees were aware of any such terminations.

V.B.3.a, b and c - **Please see response to V.B.2. b, c and e above.**

In addition, in 2010, Douglass Campbell, a former Bank of America, N.A. ("BANA") employee, pled guilty to violating, among other statutes, 15 U.S.C. § 15. 15 U.S.C. § 15's elements are similar to 720 ILCS 5/33E-3. Although Mr. Campbell was not an employee of BANA or BAC at the time of his guilty plea, some of the conduct to which he pled guilty occurred while he was employed by BANA. Despite Mr. Campbell's conviction, Merrill Lynch believes that it should not be barred from contracting with the City.

Merrill Lynch believes that it is not ineligible under Section 1-23-020 of the Municipal Code of Chicago because neither Merrill Lynch (or any controlling person of Merrill Lynch) nor any entity that Merrill Lynch has been merged into (including BANA and Banc of America Securities LLC ("BAS")) have within the past 5 years been convicted of, admitted guilt to in any civil or criminal proceeding, or charged with or indicted for any felony or criminal offense for conduct outlined in Section 1-23-020(a). Finally, Merrill Lynch believes that it is not ineligible under Section 2-92-320 of the Municipal Code of Chicago because neither Merrill Lynch nor its current employees have within the past 5 years been convicted of or made an admission of guilt regarding the items outlined in 2-92-320 (a)(1)-(3) or violated the items identified in 2-92-320(a)(4). Moreover, Merrill Lynch is not aware of any former employees who have been convicted of or made an admission of guilt within the past 5 years regarding the items outlined in 2-92-320 (a)(1)-(3) or violated the items identified in 2-92-320(a)(4) based on conduct that took place while they were employed by Merrill Lynch. In addition, Merrill Lynch believes that, under Section 2-92-320, it should not be chargeable with any conduct of BANA or BAS (or their former employees, including Douglass Campbell) that occurred prior to January 1, 2009, because Merrill Lynch was not affiliated with BANA and BAS before that date.

Please note that our responses are on behalf of the Disclosing Party only and not on behalf of any contractors or retained parties disclosed in Section IV.

V.B.3.d

Please note that our responses are on behalf of the Disclosing Party only and not on behalf of any contractors or retained parties disclosed in Section IV.

V.B.4 - **Please see response to V.B.2. b, c and e above.**

In addition, Merrill Lynch believes that it is not barred from contracting with any unit of State or local government pursuant to 720 ILCS 5/33E-3 or 720 ILCS 5/33E-4 because neither Merrill Lynch nor its current employees have been convicted within the past 5 years of violating 720 ILCS 5/33E-3 or 720 ILCS 5/33E-4 or any similar offenses of any state or the United States which contains the same elements as these offenses. Moreover, Merrill Lynch is not aware of any former employees who have been convicted within the past 5 years of violating 720 ILCS 5/33E-3 or 720 ILCS 5/33E-4 or any similar offenses of any state or the United States which contains the same elements as these offenses based on

conduct that took place while they were employed by Merrill Lynch. Finally, at the time of the conduct at issue in Mr. Campbell's guilty plea, Merrill Lynch was not affiliated with BANA or BAS.

Please note that our responses are on behalf of the Disclosing Party only and not on behalf of any contractors or retained parties disclosed in Section IV.

V.B.5.

Please note that our responses are on behalf of the Disclosing Party only and not on behalf of any contractors or retained parties disclosed in Section IV.

V.B.6.

In response to question 6, BAC and its affiliates, including the Corporation and Merrill Lynch, maintain strict policies and procedures to ensure compliance with applicable local, state, and federal laws and regulations, including Chapter 2-156 of the Municipal Code. To the best of our knowledge, and upon reasonable inquiry, BAC and its affiliates are currently in compliance, and has policies and procedures in place to ensure continued compliance.

Attachment for Section III:

Please note that the Disclosing Party, Bank of America Corporation, and its subsidiaries, had 248,156 full-time employees as of December 31, 2012. Accordingly, it is not possible for BAC to perform due diligence across the full panoply of associates and BAC-related entities in preparing a response to business relationships with City of Chicago elected officials. In responding to this question, the Disclosing Party did perform due diligence within the Public Finance Group of Merrill Lynch, Pierce, Fenner & Smith Incorporated to determine whether any of the Public Finance Group's employees were aware of any such relationships between the City elected officials and the Disclosing Party within the past 12 months.

Attachment for Section V.B:

Disclosing Party (Bank of America Corporation) certifies, as set forth below, to the best of its knowledge and belief that with respect to V.B.2.a.:

Neither Bank of America Corporation ("BAC") nor its Executive Officers and Directors identified in Section II.B.1 of this EDS is subject to any order, judgment or decree by any court or government authority in which it is barred, suspended or otherwise limited from engaging in any type of business practice.

V.B.2.b, c and e:

BAC makes all required disclosures in its Form 10-K as filed with the Securities and Exchange Commission and its Annual Report as posted on its website at http://investor.bankofamerica.com/phoenix.zhtml?c=71595&p=irol-reportsannual. In addition, BAC's registered broker-dealer and investment adviser subsidiaries make all required disclosures on their Form BDs as filed with FINRA and their Form ADVs as filed with the SEC. These filings include disclosures of investigations and litigation as required by the SRO's and federal law, and are publicly available. BAC cannot confirm or deny the existence of any other non-public investigation conducted by any governmental agency unless required to do so by law.

Please let us know if you need any additional information.

V.B.2.d

The Disclosing Party performed due diligence within the Public Finance Group of Merrill Lynch, Pierce, Fenner & Smith Incorporated ("Merrill Lynch") to determine whether any Public Finance Group employees were aware of any public finance transactions (federal, state or local) having been terminated for cause or default within the last five years, and none of such employees were aware of any such terminations.

V.B.3.a, b and c - **Please see response to V.B.2. b, c and e above.**

In addition, in 2010, Douglass Campbell, a former Bank of America, N.A. ("BANA") employee, pled guilty to violating, among other statutes, 15 U.S.C. § 15. 15 U.S.C. § 15's elements are similar to 720 ILCS 5/33E-3. Although Mr. Campbell was not an employee of BANA or BAC at the time of his guilty plea, some of the conduct to which he pled guilty occurred while he was employed by BANA. Despite Mr. Campbell's conviction, Merrill Lynch believes that it should not be barred from contracting with the City.

Merrill Lynch believes that it is not ineligible under Section 1-23-020 of the Municipal Code of Chicago because neither Merrill Lynch (or any controlling person of Merrill Lynch) nor any entity that Merrill Lynch has been merged into (including BANA and Banc of America Securities LLC ("BAS")) have within the past 5 years been convicted of, admitted guilt to in any civil or criminal proceeding, or charged with or indicted for any felony or criminal offense for conduct outlined in Section 1-23-020(a). Finally, Merrill Lynch believes that it is not ineligible under Section 2-92-320 of the Municipal Code of Chicago because neither Merrill Lynch nor its current employees have within the past 5 years been convicted of or made an admission of guilt regarding the items outlined in 2-92-320 (a)(1)-(3) or violated the items identified in 2-92-320(a)(4). Moreover, Merrill Lynch is not aware of any former

employees who have been convicted of or made an admission of guilt within the past 5 years regarding the items outlined in 2-92-320 (a)(1)-(3) or violated the items identified in 2-92-320(a)(4) based on conduct that took place while they were employed by Merrill Lynch. In addition, Merrill Lynch believes that, under Section 2-92-320, it should not be chargeable with any conduct of BANA or BAS (or their former employees, including Douglass Campbell) that occurred prior to January 1, 2009, because Merrill Lynch was not affiliated with BANA and BAS before that date.

V.B.4 - **Please see response to V.B.2. b, c and e above.**

In addition, Merrill Lynch believes that it is not barred from contracting with any unit of State or local government pursuant to 720 ILCS 5/33E-3 or 720 ILCS 5/33E-4 because neither Merrill Lynch nor its current employees have been convicted within the past 5 years of violating 720 ILCS 5/33E-3 or 720 ILCS 5/33E-4 or any similar offenses of any state or the United States which contains the same elements as these offenses. Moreover, Merrill Lynch is not aware of any former employees who have been convicted within the past 5 years of violating 720 ILCS 5/33E-3 or 720 ILCS 5/33E-4 or any similar offenses of any state or the United States which contains the same elements as these offenses based on conduct that took place while they were employed by Merrill Lynch. Finally, at the time of the conduct at issue in Mr. Campbell's guilty plea, Merrill Lynch was not affiliated with BANA or BAS.

V.B.6.

In response to question 6, BAC and its affiliates, including the Corporation and Merrill Lynch, maintain strict policies and procedures to ensure compliance with applicable local, state, and federal laws and regulations, including Chapter 2-156 of the Municipal Code. To the best of our knowledge, and upon reasonable inquiry, BAC and its affiliates are currently in compliance, and has policies and procedures in place to ensure continued compliance.

Attachment for Section V.D:

Please note that the Disclosing Party, Bank of America Corporation ("BAC"), and its subsidiaries had 248,156 full-time employees as of December 31, 2012. Accordingly, it is not possible for BAC to perform due diligence across the full panoply of associates and BAC-related entities in preparing a response to Section V.D.1 (Certification Regarding Interest in City Business). In responding to this question, the Disclosing Party did perform due diligence within the Public Finance Group of Merrill Lynch, Pierce, Fenner & Smith Incorporated to determine whether any of the Public Finance Group's employees were aware of any official or employee of the City having a financial interest in his or her own name or in the name of any other person or entity in the Matter.

Attachment for Section VII.F.1:

Bank of America, N.A., through its home loan servicing business units, currently maintains a large portfolio of residential units in foreclosure and others which are Bank-owned following foreclosure (REO) within the City of Chicago. Due to administrative and other challenges within and without the control of Bank of America associated with the process, from time to time bills payable to the City associated with specific residential properties may not be processed in the time required. The Bank is committed to ensuring that amounts duly payable by the Bank to the City are tracked effectively and paid in a timely manner. To that end, Bank of America representatives and agents meet with representatives of the City on a monthly or other regular basis to identify outstanding amounts properly attributable to the Bank and settle them accordingly.

Bank of America Corporation has processes and procedures to timely report and pay sales and use tax. In a recent review of our sales tax compliance process, we confirmed that Bank of America, N.A. has filed sales tax returns. However, we have discovered that certain City of Chicago use tax returns for Bank of America, N.A. are delinquent and need to be filed. We are in the process of preparing these delinquent use tax returns and anticipate filing and remitting any use tax due within the next 45 days. Additionally, the Disclosing Party's certification of delinquencies is limited to affiliates in which Bank of America Corporation has a 50% or greater ownership.

PART I

Item 1. Business

Merrill Lynch & Co , Inc ("ML & Co " and together with its subsidiaries, "Merrill Lynch", or the "Company") is a holding company that, through its subsidiaries, is one of the world's leading capital markets, advisory and wealth management companies The Company was founded in 1914 and became a publicly traded company on June 23, 1971. In 1973, the holding company ML & Co , a Delaware corporation, was created. Through our subsidiaries, we are a leading global trader and underwriter of securities and derivatives across a broad range of asset classes, and we serve as a strategic advisor to corporations, governments, institutions and individuals worldwide When used in this report, "we", "us" and "our" may refer to ML & Co individually, ML & Co. and its subsidiaries, or certain of ML & Co.'s subsidiaries or affiliates.

We are a wholly-owned subsidiary of Bank of America Corporation ("Bank of America") and meet the requirements to omit certain information from this Form 10-K as permitted by General Instruction I (2) of Form 10-K. We have also provided a brief description of our business activities in Item 1 as permitted by General Instruction I (2)

Pursuant to Accounting Standards Codification ("ASC") 280, *Segment Reporting* ("Segment Reporting"), operating segments represent components of an enterprise for which separate financial information is available that is regularly evaluated by the chief operating decision maker in determining how to allocate resources and in assessing performance The business activities of Merrill Lynch are included within certain of the operating segments of Bank of America Detailed financial information related to the operations of Merrill Lynch, however, is not provided to Merrill Lynch's chief operating decision maker As a result, Merrill Lynch does not contain any identifiable operating segments under Segment Reporting, and therefore the financial information of Merrill Lynch is presented as a single segment.

The following is a brief discussion of the nature and scope of our activities in 2011.

Capital Markets and Advisory Activities. We conduct sales and trading activities and act as a market maker in securities, derivatives, currencies, and other financial instruments to satisfy client demands. In addition, we distribute fixed income, currency, commodity and equity products, and derivatives We also provide clients with financing, securities clearing, settlement, and custody services, and engage in select principal investing activities.

We also assist clients in raising capital through underwritings and private placements of equity, debt and related securities, and loan syndications and offer advisory services to clients on strategic issues, valuation, mergers, acquisitions and restructurings.

In November 2010, Banc of America Securities LLC ("BAS"), a wholly-owned broker-dealer subsidiary of Bank of America, merged into Merrill Lynch, Pierce, Fenner & Smith Incorporated ("MLPF&S"), a wholly-owned broker-dealer subsidiary of ML & Co , with MLPF&S as the surviving corporation. See Note 1 to the Consolidated Financial Statements in Part II, Item 8 of this Form 10-K for further information

Wealth and Investment Management Activities We provide brokerage, investment advisory and financial planning services, offering a broad range of both proprietary and third-party wealth management products and services globally to individuals, small- to mid-size businesses, and employee benefit plans We also create and manage wealth management products, including alternative investment products for clients

At December 31, 2010, we owned an approximately 7% economic interest in BlackRock, Inc ("BlackRock"), a publicly traded investment management company In June 2011, we sold our entire economic interest in BlackRock, and therefore as of December 31, 2011 we no longer held an economic interest in BlackRock. See Note 8 to the Consolidated Financial Statements in Part II, Item 8 of this Form 10-K for further information

Research We also provide a variety of research services on a global basis These services are at the core of the value proposition we offer to institutional and individual investor clients and are an integral component of our product offerings

For additional information about our business, see Note 1 to the Consolidated Financial Statements

Regulation

Certain aspects of our business, and the business of our competitors and the financial services industry in general, are subject to extensive regulation by United States ("U S ") federal and state regulatory agencies and securities exchanges and by various non-U S government agencies or regulatory bodies, securities exchanges, self-regulatory organizations and central banks

United States Regulatory Oversight and Supervision

Holding Company Supervision

As a wholly-owned subsidiary of Bank of America, a bank holding company that is also a financial holding company, we are subject to the oversight of, and inspection by, the Board of Governors of the Federal Reserve System (the "Federal Reserve")

Broker-Dealer Regulation

MLPF&S, Merrill Lynch Professional Clearing Corp ("ML Pro") and certain other subsidiaries of ML & Co are registered as broker-dealers with the Securities Exchange Commission ("SEC") and, as such, are subject to regulation by the SEC and by self-regulatory organizations, such as the Financial Industry Regulatory Authority Certain of our subsidiaries and affiliates, including MLPF&S, are registered as investment advisors with the SEC.

Our subsidiaries that are broker-dealers registered with the SEC are subject to Rule 15c3-1 under the Securities Exchange Act of 1934 ("Exchange Act") which is designed to measure the general financial condition and liquidity of a broker-dealer Under this rule, these entities are required to maintain the minimum net capital deemed necessary to meet broker-dealers' continuing commitments to customers and others Under certain circumstances, this rule limits the ability of such broker-dealers to allow withdrawal of such capital by ML & Co or other Merrill Lynch subsidiaries Additional information regarding certain net capital requirements is in Note 18 to the Consolidated Financial Statements in Part II, Item 8 of this Form 10-K

Financial Reform Act

On July 21, 2010, the Dodd-Frank Wall Street Reform and Consumer Protection Act (the "Financial Reform Act") was signed into law. As a result of the Financial Reform Act, several significant regulatory developments occurred in 2011, and additional regulatory developments may occur in 2012 and beyond The Financial Reform Act has had, and will continue to have, a significant and negative impact on our earnings through revenue reductions, higher costs and new restrictions For a description of significant developments, see "Management's Discussion and Analysis of Financial Condition and Results of Operations - Executive Overview - Other Events - Financial Reform Act" in Part II, Item 7 of this Form 10-K

Non-U.S. Regulatory Oversight and Supervision

Our business is also subject to extensive regulation by various non-U S. regulators including governments, securities exchanges, central banks and regulatory bodies. Certain of our subsidiaries are regulated as broker-dealers under the laws of the jurisdictions in which they operate Subsidiaries engaged in banking and trust activities outside the U S are regulated by various government entities in the particular jurisdiction where they are chartered, incorporated and/or conduct their business activities. In some cases, the legislative and regulatory developments outside the U S applicable to these subsidiaries may have an impact on our business and results of operations Our financial services operations in the United Kingdom ("U K ") are subject to regulation by and supervision of the Financial Services Authority (the "FSA") In July of 2010, the U K proposed abolishing the FSA and replacing it with the Financial Policy Committee within the Bank of England (the "FPC") and two new regulators, the Prudential Regulatory Authority (the "PRA") and the Consumer Protection and Markets Authority (the "CPMA") Our U K regulated entities will be subject to the supervision of the FPC and the PRA for prudential matters and the CPMA for conduct of business matters The new financial regulatory structure is intended to be in place by the end of 2012 We continue to monitor the development and potential impact of this regulatory restructuring

Item 1A. Risk Factors

In the course of conducting our business operations, we are exposed to a variety of risks, some of which are inherent in the financial services industry and others of which are more specific to our own businesses The following discussion addresses the most significant factors that could affect our businesses, operations, and financial condition Additional factors that could affect our financial condition and operations are discussed in "Management's Discussion and Analysis of Financial Condition and Results of Operations — Forward-Looking Statements." However, other factors could also adversely affect our businesses, operations, and financial condition Therefore, the risk factors below should not be considered a complete list of potential risks that we may face

General Economic and Market Conditions Risk

Our businesses and results of operations have been, and may continue to be, materially and adversely affected by the U S and international financial markets and economic conditions generally. Our businesses and results of operations are materially affected by the financial markets and general economic conditions in the U.S. and abroad, including factors such as the level and volatility of short-term and long-term interest rates, inflation, home prices, unemployment and under-employment levels, bankruptcies, household income, consumer spending, fluctuations in both debt and equity capital markets, liquidity of the global financial markets, the availability and cost of capital and credit, investor sentiment and confidence in the financial markets, European sovereign debt risks and the strength of the U.S. economy and the non-U.S economies in which we operate. The deterioration of any of these conditions can adversely affect our business and securities portfolios, our level of charge-offs and provision for credit losses, the carrying value of our deferred tax assets, our capital levels and liquidity and our results of operations.

Although the U S. economy continued its modest recovery in 2011, elevated unemployment, under-employment and household debt, along with continued stress in the consumer real estate market and certain commercial real estate markets, pose challenges for domestic economic performance and the financial services industry The sustained high unemployment rate and the lengthy duration of unemployment have directly impaired consumer finances and pose risks to the financial services industry. The U.S. housing market remains weak and elevated levels of distressed and delinquent mortgages pose further risks to the housing market. In addition, the public perception of certain financial services firms and practices appeared to decline during 2011. The current environment of heightened scrutiny of financial institutions has resulted in increased public awareness of and sensitivity to financial services industry fees and practices. Each of these factors may adversely affect our fees and costs.

Liquidity Risk

Liquidity risk is the potential inability to meet our contractual and contingent financial obligations, on- or off-balance sheet, as they become due.

Adverse changes to Bank of America's or our credit ratings from the major credit rating agencies could have a material adverse effect on our liquidity, cash flows, competitive position, financial condition and results of operations by significantly limiting our access to funding or the capital markets, increasing our borrowing costs, or triggering additional collateral or funding requirements. Our borrowing costs and ability to raise funds are directly impacted by our credit ratings In addition, credit ratings may be important to customers or counterparties when we compete in certain markets and when we seek to engage in certain transactions, including over-the-counter ("OTC") derivatives.

Credit ratings and outlooks are opinions on our creditworthiness and that of our obligations or securities, including long-term debt, short-term borrowings and other securities, including asset securitizations Following the acquisition of Merrill Lynch by Bank of America, the major credit rating agencies have indicated that the primary drivers of Merrill Lynch's credit ratings are Bank of America's credit ratings. Bank of America's credit ratings are subject to ongoing review by the rating agencies, which consider a number of factors, including Bank of America's financial strength, performance, prospects and operations as well as factors not under Bank of America's control

On December 15, 2011, Fitch Ratings ("Fitch") downgraded Bank of America's and ML & Co 's long-term and short-term debt ratings as a result of Fitch's decision to lower its "support floor" for systemically important U S. financial institutions On November 29, 2011, Standard & Poor's Ratings Services ("S&P") downgraded Bank of America's and ML & Co 's long-term and short-term debt ratings as a result of S&P's implementation of revised methodologies for determining Banking Industry Country Risk Assessments and bank ratings On September 21, 2011, Moody's Investors Service, Inc. ("Moody's") downgraded Bank of America's and ML & Co 's long-term and short-term debt ratings as a result of Moody's lowering the amount of uplift for potential U S government support it incorporates into ratings. On February 15, 2012, Moody's placed Bank of America's long-term debt ratings on review for possible downgrade as part of their review of financial institutions with global capital markets operations Any adjustment to Bank of America's (and consequently, our) ratings will be determined based on Moody's review, however, the agency offered guidance that downgrades to Bank of America's ratings, if any, would likely be limited to one notch

Currently, Bank of America's and ML & Co 's long-term/short-term senior debt ratings and outlooks expressed by the rating agencies are as follows Baa1/P-2 (negative) by Moody's, A-/A-2 (negative) by S&P, and A/F1 (stable) by Fitch The rating agencies could make further adjustments to Bank of America's (and consequently, our) credit ratings at any time There can be no assurance that additional downgrades will not occur

A further reduction in certain of our credit ratings may have a material adverse effect on our liquidity, access to credit markets, the related cost of funds, our businesses and on certain trading revenues, particularly in those businesses where counterparty creditworthiness is critical. If Bank of America's or Merrill Lynch's (including our bank's or broker dealer subsidiaries') short-term credit ratings were downgraded by one or more levels, the potential loss of access to short-term funding sources such as repurchase agreement financing and the effect on our incremental cost of funds and earnings could be material

In addition, under the terms of certain OTC derivative contracts and other trading agreements, in the event of a further downgrade of the credit ratings of ML & Co or certain subsidiaries, counterparties to those agreements may require ML & Co or certain subsidiaries to provide additional collateral, terminate these contracts or agreements, or provide other remedies. At December 31, 2011, if the rating agencies had downgraded their long-term senior debt ratings for ML & Co or certain subsidiaries by one incremental notch, the amount of additional collateral contractually required by derivative contracts and other trading agreements would have been approximately $0.4 billion If the rating agencies had downgraded their long-term senior debt ratings for ML & Co or certain subsidiaries by a second incremental notch, approximately $0 3 billion in additional collateral would have been required.

Also, if the rating agencies had downgraded their long-term senior debt ratings for ML & Co or certain subsidiaries by one incremental notch, the derivative liability that would be subject to unilateral termination by counterparties as of December 31, 2011 was $0.5 billion, against which $0 3 billion of collateral had been posted If the rating agencies had downgraded their long-term debt ratings for ML & Co. or certain subsidiaries by a second incremental notch, the derivative liability that would be subject to unilateral termination by the counterparties as of December 31, 2011 was an incremental $3 5 billion, against which $3 4 billion of collateral had been posted

While certain potential impacts are contractual and quantifiable, the full consequences of a credit ratings downgrade to a financial institution are inherently uncertain, as they depend upon numerous dynamic, complex and inter-related factors and assumptions, including whether any downgrade of a firm's long-term credit ratings precipitates downgrades to its short-term credit ratings, and assumptions about the potential behaviors of various customers, investors and counterparties

For a further discussion of our liquidity matters, see "Management's Discussion and Analysis of Financial Condition and Results of Operations — Funding and Liquidity "

Our liquidity, cash flows, financial condition and results of operations, and competitive position may be significantly adversely affected by the inability of us or Bank of America to access the capital markets or if there is an increase in our borrowing costs Liquidity is essential to our business We fund our assets primarily with a mix of secured and unsecured liabilities through a globally coordinated funding strategy with Bank of America We have established intercompany lending and borrowing arrangements to facilitate centralized liquidity management. As a

result, our liquidity risk is derived in large part from Bank of America's liquidity risk. Bank of America's and our liquidity could be significantly adversely affected by an inability to access the capital markets; illiquidity or volatility in the capital markets, unforeseen outflows of cash, including customer deposits, funding for commitments and contingencies, the ability to sell assets on favorable terms; increased liquidity requirements on our banking or nonbanking subsidiaries imposed by their home countries, or negative perceptions about Bank of America's and our short- or long-term business prospects, including downgrades of credit ratings Several of these factors may arise due to circumstances that neither we nor Bank of America may be able to control, such as a general market disruption, negative views about the financial services industry generally, changes in the regulatory environment, actions by credit rating agencies or an operational problem that affects third parties, us or Bank of America

Our and Bank of America's cost of obtaining funding is directly related to prevailing market interest rates and to credit spreads. Credit spreads are the amount in excess of the interest rate of U.S Treasury securities, or other benchmark securities, of the same maturity that we or Bank of America need to pay to funding providers Increases in interest rates and such credit spreads can significantly increase the cost of funding for us and Bank of America Changes in credit spreads are market-driven and may be influenced by market perceptions of the creditworthiness of us and Bank of America Changes to interest rates and credit spreads occur continuously and may be unpredictable and highly volatile

For additional information about our liquidity, including credit ratings and outlooks, see "Management's Discussion and Analysis of Financial Condition and Results of Operations — Funding and Liquidity."

Our dependence upon funds from our subsidiaries and our parent could adversely impact our liquidity ML & Co is a holding company that is a separate and distinct legal entity from its parent, Bank of America, and our broker-dealers and other subsidiaries We evaluate and manage liquidity on a legal entity basis. Legal entity liquidity is an important consideration as there are legal and other limitations on our ability to utilize liquidity from one legal entity to satisfy the liquidity requirements of another, including ML & Co. For instance, ML & Co. depends on dividends, distributions and borrowings or other payments from its subsidiaries and may depend in large part on financing from Bank of America to fund payments on our obligations, including debt obligations. Bank of America may, in some instances, be unable to provide us with the funding we need to fund payments on our obligations Many of our subsidiaries, including our broker-dealer subsidiaries, are subject to laws that restrict dividend payments to ML & Co In addition, our broker-dealer subsidiaries are subject to restrictions on their ability to lend or transact with affiliates and to minimum regulatory capital and liquidity requirements, as well as restrictions on their ability to use funds deposited with them in brokerage accounts to fund their businesses Additional restrictions on related party transactions, increased capital and liquidity requirements and additional limitations on the use of funds on deposit in brokerage accounts, as well as lower earnings, can reduce the amount of funds available to meet the obligations of ML & Co. and even require ML & Co. to provide additional funding to such subsidiaries Regulatory action of that kind could impede access to funds we need to make payments on our obligations. In addition, our right to participate in a distribution of assets upon a subsidiary's liquidation or reorganization is subject to the prior claims of the subsidiary's creditors For additional information about regulatory capital requirements and limitations on our subsidiaries' ability to pay dividends, see Note 18 to the Consolidated Financial Statements in Part II, Item 8 of this Form 10-K.

Mortgage and Housing Market-Related Risk

We have been, and expect to continue to be, required to repurchase mortgage loans and/or reimburse whole loan buyers, Fannie Mae ("FNMA") and Freddie Mac (collectively, the "GSEs") and monolines for losses due to claims related to representations and warranties made in connection with sales of residential mortgage-backed securities and other loans, and have received similar claims, and may receive additional claims, from private-label securitization investors and private-label securitization trustees, monolines and others We have recorded provisions for certain of these exposures However, the ultimate resolution of these exposures could have a material adverse effect on our cash flows, financial condition and results of operations In connection with residential loans sold to investors other than the GSEs as well as to the GSEs, Merrill Lynch and certain of its subsidiaries made various representations and warranties. Breaches of these representations and warranties may result in a requirement that we repurchase mortgage loans, or indemnify or provide other remedies to counterparties

(collectively, "repurchases"). Merrill Lynch, including First Franklin Financial Corporation ("First Franklin"), sold loans originated from 2004 to 2008 (primarily subprime and alt-A) with an original principal balance of $132 billion through private-label securitizations or whole loan sales that were subject to representations and warranties liabilities. Most of the loans sold in the form of whole loans were subsequently pooled into private-label securitizations sponsored by the third-party buyer of the whole loans For the outstanding balance of these loans as of December 31, 2011 and December 31, 2010, see Management's Discussion and Analysis of Financial Condition and Results of Operations - Off-Balance Sheet Exposures - Representations and Warranties - Experience with Non-GSE Investors" in Part II, Item 7 of this Form 10-K. In addition, Merrill Lynch and First Franklin securitized first-lien residential mortgage loans, generally in the form of mortgage-backed securities ("MBS") guaranteed by the GSEs

The amount of our total outstanding repurchase claims from all sources totaled approximately $1.3 billion at December 31, 2011. The total amount of our recorded liability related to representations and warranties repurchase exposure was $2 8 billion at December 31, 2011 For information concerning the provisions recorded in 2011 and 2010 for our repurchase exposure on private-label securitizations, see Note 14 to the Consolidated Financial Statements in Part II, Item 8 of this Form 10-K.

Our estimated liability and range of possible loss with respect to non-GSE exposures is necessarily dependent on, and limited by, our historical claims and settlement experience and the experience of our affiliates with non-GSE counterparties and may materially change in the future based on factors beyond our control. Future provisions and/or estimated ranges of possible loss for non-GSE representations and warranties may be significantly impacted if actual experiences are different from our assumptions in our predictive models, including, without limitation, those regarding the ultimate resolution of the Bank of New York Mellon settlement, estimated repurchase rates, economic conditions, home prices, consumer and counterparty behavior, and a variety of judgmental factors In addition, we have not recorded any representations and warranties liability for certain potential monoline exposures and certain potential whole loan exposures We currently estimate that the range of possible loss related to non-GSE representations and warranties exposure as of December 31, 2011 could be up to $0 5 billion over existing accruals. This estimated range of possible loss for non-GSE representations and warranties does not represent a probable loss, and is based on currently available information, significant judgment, and a number of assumptions that are subject to change, including the assumption that the conditions of the BNY Mellon Settlement are satisfied.

Adverse developments with respect to one or more of the assumptions underlying the liability for non-GSE representations and warranties and the corresponding estimated range of possible loss could result in significant increases to future provisions and our estimated range of possible loss If future representations and warranties losses occur in excess of our recorded liability and estimated range of possible loss for non-GSE exposures and in excess of our recorded liability for GSE exposures, including as a result of the factors set forth below, such losses could have a material adverse effect on our cash flows, financial condition and results of operations

The liability for obligations under representations and warranties with respect to GSE and non-GSE exposures and the corresponding estimate of the range of possible loss for non-GSE representations and warranties exposures do not include any losses related to litigation matters disclosed in Note 14 to the Consolidated Financial Statements, nor do they include any potential securities law or fraud claims or potential indemnity or other claims against us Merrill Lynch is not able to reasonably estimate the amount of any possible loss with respect to any such securities law (except to the extent reflected in the aggregate range of possible loss for litigation and regulatory matters disclosed in Note 14 to the Consolidated Financial Statements), fraud or other claims against us, however, such loss could have a material adverse effect on our cash flows, financial condition and results of operations.

For additional information about our representations and warranties exposure, see "Management's Discussion and Analysis of Financial Condition and Results of Operations — Off-Balance Sheet Exposures — Representations and Warranties" and Note 14 to the Consolidated Financial Statements.

If final court approval is not obtained with respect to the BNY Mellon Settlement or if Bank of America and certain of its non-Merrill Lynch subsidiaries determine to withdraw from the settlement, Merrill Lynch's future representations and warranties losses could substantially exceed our existing accruals and the estimated range of possible loss over existing accruals, and consequently could have a material adverse effect on Merrill Lynch's cash flows, financial condition and results of operations On June 28, 2011, Bank of America and certain of its non-

Merrill Lynch subsidiaries entered into a settlement agreement with The Bank of New York Mellon ("BNY Mellon"), as trustee, to resolve, among other claims, all outstanding and potential claims related to alleged representations and warranties breaches (including repurchase claims) with respect to the 525 legacy first-lien and five second-lien non-GSE residential mortgage-backed securitization trusts containing loans principally originated between 2004 and 2008 and for which BNY Mellon acts as trustee or indenture trustee (the "BNY Mellon Settlement"). The BNY Mellon Settlement is subject to final court approval and certain other conditions. It is not currently possible to predict the timing or ultimate outcome of the court approval process, which can include appeals and could take a substantial period of time. There can be no assurance that final court approval of the settlement will be obtained, that all conditions will be satisfied (including the receipt of private letter rulings from the Internal Revenue Service (the "IRS") and other tax rulings and opinions) or that, if certain conditions to the BNY Mellon Settlement permitting withdrawal are met, Bank of America and certain of its non-Merrill Lynch subsidiaries will not determine to withdraw from the BNY Mellon Settlement agreement.

If final court approval is not obtained with respect to the BNY Mellon Settlement or if Bank of America and certain of its non-Merrill Lynch subsidiaries determine to withdraw from the BNY Mellon Settlement agreement in accordance with its terms, Merrill Lynch's future representations and warranties losses with respect to non-GSEs could substantially exceed our non-GSE reserve, together with our estimated range of possible loss related to non-GSE representations and warranties exposure of up to $0 5 billion over existing accruals at December 31, 2011. Developments with respect to one or more of the assumptions underlying the estimated range of possible loss for non-GSE representations and warranties (including the timing and ultimate outcome of the court approval process relating to the BNY Mellon Settlement) could result in significant increases in our non-GSE reserve and/or to this estimated range of possible loss, and such increases could have a material adverse effect on our cash flows, financial condition and results of operations. For additional information regarding the BNY Mellon Settlement, see "Management's Discussion and Analysis of Financial Condition and Results of Operations - Off-Balance Sheet Exposures - Representations and Warranties".

Further weakness in the U.S housing market, including home prices, may adversely affect our asset classes and have a significant adverse effect on our financial condition and results of operations Economic weakness in 2011 was accompanied by continued stress in the U S. housing market, including declines in home prices. These declines in the housing market, with falling home prices and elevated foreclosures, have negatively impacted the credit performance of certain of our portfolios Continued high unemployment rates in the U.S. have challenged U.S consumers and further compounded these stresses in the U S housing market as employment conditions may be compelling some consumers to delay new home purchases or miss payments on existing mortgages.

Conditions in the U S housing market have also resulted in significant write-downs of asset values in several asset classes, notably mortgage-backed securities and exposure to monolines These conditions may negatively affect the value of real estate, which could negatively affect our exposure to representations and warranties While there were continued indications throughout the past year that the U S. economy is stabilizing, the performance of our overall portfolios may not significantly improve in the near future A protracted continuation or worsening of these difficult U S housing market conditions may exacerbate the adverse effects outlined above and have a significant adverse effect on our financial condition and results of operations

Credit Risk

Credit risk is the risk of loss arising from a borrower, obligor or counterparty default when a borrower, obligor or counterparty does not meet its obligations.

Increased credit risk, due to economic or market disruptions, insufficient credit loss reserves or concentration of credit risk, may necessitate increased provisions for credit losses and could have an adverse effect on our financial condition and results of operations. When we buy debt securities, loan money, commit to loan money or enter into a letter of credit or other contract with a counterparty, we incur credit risk, or the risk of losses if our borrowers do not repay their loans or our counterparties fail to perform according to the terms of their agreements. A number of our products expose us to credit risk, including loans, lending commitments, derivatives, trading account assets and assets held-for-sale. The credit quality of our portfolios has a significant impact on our earnings

Global and U S economic conditions continue to weigh on our credit portfolios Economic or market disruptions are likely to increase our credit exposure to customers, obligors or other counterparties due to the increased risk that they may default on their obligations to us

We estimate and establish an allowance for credit losses for losses inherent in our lending activities (including unfunded lending commitments), excluding those measured at fair value, through a charge to earnings. The amount of allowance is determined based on our evaluation of the potential credit losses included within our loan portfolio The process for determining the amount of the allowance requires difficult, subjective and complex judgments Our ability to assess future economic conditions or the creditworthiness of our customers, obligors or other counterparties is imperfect We may suffer unexpected losses if the models and assumptions we use to establish reserves and make judgments in extending credit to our borrowers and other counterparties become less predictive of future events In such an event, we might need to increase the size of our allowance, which could adversely affect our financial condition and results of operations

In the ordinary course of our business, we also may be subject to a concentration of credit risk in a particular industry, country, counterparty, borrower or issuer. A deterioration in the financial condition or prospects of a particular industry or a failure or downgrade of, or default by, any particular entity or group of entities could have a material adverse effect on our businesses, and the processes by which we set limits and monitor the level of our credit exposure to individual entities, industries and countries may not function as we have anticipated. While our activities expose us to many different industries and counterparties, we routinely execute a high volume of transactions with counterparties in the financial services industry, including broker-dealers, commercial banks, investment funds and insurers. This has resulted in significant credit concentration with respect to this industry

In the ordinary course of business, we also enter into transactions with sovereign nations, U S states and U S municipalities Unfavorable economic or political conditions, disruptions to capital markets, currency fluctuations, social instability and changes in government policies could impact the operating budgets or credit ratings of sovereign nations, U S states and U S municipalities and expose us to credit risk

For additional information about our credit risk and credit risk management policies and procedures, see "Quantitative and Qualitative Disclosures about Market Risk — Credit Risk Management "

We could suffer losses as a result of the actions of, or deterioration in, the commercial soundness of our counterparties and other financial services institutions We could suffer losses and our ability to engage in routine trading and funding transactions could be adversely affected by the actions and commercial soundness of other market participants We have exposure to many different industries and counterparties, and we routinely execute transactions with counterparties in the financial services industry, including broker-dealers, commercial banks, investment banks, mutual and hedge funds and other institutional clients Financial services institutions and other counterparties are inter-related because of trading, funding, clearing or other relationships As a result, defaults by, or even rumors or questions about, one or more financial services institutions, or the financial services industry generally, have led to market-wide liquidity problems and could lead to significant future liquidity problems, including losses or defaults by us or by other institutions Many of these transactions expose us to credit risk in the event of default of a counterparty or client In addition, our credit risk may be impacted when the collateral held by us cannot be realized or is liquidated at prices not sufficient to recover the full amount of the loan or derivatives exposure due us Any such losses could materially adversely affect our financial condition and results of operations

Our derivatives businesses may expose us to unexpected risks and potential losses We are party to a large number of derivatives transactions, including credit derivatives Our derivatives businesses may expose us to unexpected market, credit and operational risks that could cause us to suffer unexpected losses and have an adverse effect on our financial condition and results of operations Severe declines in asset values, unanticipated credit events or unforeseen circumstances that may cause previously uncorrelated factors to become correlated (and vice versa) may create losses resulting from risks not appropriately taken into account in the development, structuring or pricing of a derivative instrument The terms of certain of our OTC derivative contracts and other trading agreements provide that upon the occurrence of certain specified events, such as a change in our credit ratings, we may be required to provide additional collateral or to provide other remedies, or our counterparties may have the right to terminate or otherwise diminish our rights under these contracts or agreements.

Many derivative instruments are individually negotiated and non-standardized, which can make exiting, transferring or settling some positions difficult Many derivatives require that we deliver to the counterparty the underlying security, loan or other obligation in order to receive payment. In a number of cases, we do not hold, and may not be able to obtain, the underlying security, loan or other obligation.

Following the downgrade of the credit ratings of ML & Co and certain subsidiaries, we have engaged in discussions with certain derivative and other counterparties regarding their rights under these agreements In response to counterparties' inquiries and requests, we have discussed and in some cases substituted derivative contracts and other trading agreements, including naming our affiliate, Bank of America, N.A ("BANA") as the new counterparty. Our ability to substitute or make changes to these agreements to meet counterparties' requests may be subject to certain limitations, including counterparty willingness, regulatory limitations on naming BANA as the new counterparty, and the type or amount of collateral required It is possible that such limitations on our ability to substitute or make changes to these agreements, including naming BANA as the new counterparty, could adversely affect our results of operations

Derivatives contracts and other transactions entered into with third parties are not always confirmed by the counterparties or settled on a timely basis While a transaction remains unconfirmed or during any delay in settlement, we are subject to heightened credit and operational risk and in the event of default may find it more difficult to enforce the contract. In addition, as new and more complex derivatives products have been created, covering a wider array of underlying credit and other instruments, disputes about the terms of the underlying contracts may arise, which could impair our ability to effectively manage our risk exposures from these products and subject us to increased costs.

For additional information on our derivatives exposure, see Note 6 to the Consolidated Financial Statements

Market Risk

Market risk is the risk that values of assets and liabilities or revenues will be adversely affected by changes in market conditions such as market volatility. Market risk is inherent in the financial instruments associated with our operations and activities, including loans, deposits, securities, short-term borrowings, long-term debt, trading account assets and liabilities, and derivatives.

Our businesses and results of operations have been, and may continue to be, significantly adversely affected by changes in the levels of market volatility and by other financial or capital market conditions Our businesses and results of operations may be adversely affected by market risk factors such as changes in interest and currency exchange rates, equity and futures prices, the implied volatility of interest rates, credit spreads and other economic and business factors These market risks may adversely affect, among other things, (i) the value of our on- and off-balance sheet securities, trading assets, and other financial instruments, (ii) the cost of debt capital and our access to credit markets, (iii) the value of assets under management, which could reduce our fee income relating to those assets, (iv) customer allocation of capital among investment alternatives, (v) the volume of client activity in our trading operations, (vi) investment banking fees, and (vii) the general profitability and risk level of the transactions in which we engage Any of these developments could have a significant adverse impact on our financial condition and results of operations

We use various models and strategies to assess and control our market risk exposures but those are subject to inherent limitations Our models, which rely on historical trends and assumptions, may not be sufficiently predictive of future results due to limited historical patterns, extreme or unanticipated market movements and illiquidity, especially during severe market downturns or stress events The models that we use to assess and control our market risk exposures also reflect assumptions about the degree of correlation or lack thereof among prices of various asset classes or other market indicators.

In times of market stress or other unforeseen circumstances, such as the market conditions experienced in 2008 and 2009, previously uncorrelated indicators may become correlated, or previously correlated indicators may move in different directions These types of market movements have at times limited the effectiveness of our hedging strategies and have caused us to incur significant losses, and they may do so in the future These changes in correlation can be exacerbated where other market participants are using risk or trading models with assumptions or algorithms that are similar to ours In these and other cases, it may be difficult to reduce our risk positions due to the

activity of other market participants or widespread market dislocations, including circumstances where asset values are declining significantly or no market exists for certain assets To the extent that we own securities that do not have an established liquid trading market or are otherwise subject to restrictions on sale or hedging, we may not be able to reduce our positions and therefore reduce our risk associated with such positions In addition, challenging market conditions may also adversely affect our investment banking fees

For additional information about market risk and our market risk management policies and procedures, see "Quantitative and Qualitative Disclosures about Market Risk" in Part II, Item 7A of this Form 10-K

Further downgrades in the U S government's sovereign credit rating, or in the credit ratings of instruments issued, insured or guaranteed by related institutions, agencies or instrumentalities, could result in risks to Merrill Lynch and its credit ratings and general economic conditions that we are not able to predict

On August 2, 2011, Moody's affirmed the U.S. government's existing sovereign rating, but revised the rating outlook to negative On August 5, 2011, S&P downgraded the U S. government's long-term sovereign credit rating to AA+ from AAA and stated that the outlook on the long-term rating is negative On the same day, S&P affirmed its A-1+ short-term rating on the U S and removed it from CreditWatch negative On November 28, 2011, Fitch affirmed its AAA long-term rating on the U.S , but changed the outlook from stable to negative. On the same day, Fitch affirmed its F1+ short-term rating on the U.S All three rating agencies have indicated that they will continue to assess fiscal projections and consolidation measures, as well as the medium-term economic outlook for the U.S

There continues to be the perceived risk of a sovereign credit ratings downgrade of the U S. government, including the ratings of U S Treasury securities It is foreseeable that the ratings and perceived creditworthiness of instruments issued, insured or guaranteed by institutions, agencies or instrumentalities directly linked to the U S government could also be correspondingly affected by any such downgrade Instruments of this nature are key assets on the balance sheets of financial institutions, including Merrill Lynch, and are widely used as collateral by financial institutions to meet their day-to-day cash flows in the short-term debt market A downgrade of the sovereign credit ratings of the U S. government and perceived creditworthiness of U S government-related obligations could impact our ability to obtain funding that is collateralized by affected instruments, as well as affecting the pricing of that funding when it is available A downgrade may also adversely affect the market value of such instruments

We cannot predict if, when or how any changes to the credit ratings or perceived creditworthiness of these organizations will affect economic conditions Such ratings actions could result in a significant adverse impact to us The credit rating agencies' ratings for Bank of America (and consequently, Merrill Lynch) could be directly or indirectly impacted by a downgrade of the U S government's sovereign rating because the credit ratings of large systemically important financial institutions currently incorporate a degree of uplift due to assumptions concerning government support.

A downgrade of the sovereign credit ratings of the U S. government or the credit ratings of related institutions, agencies or instrumentalities would significantly exacerbate the other risks to which Merrill Lynch is subject and any related adverse effects on our business, financial condition and results of operations, including those described under "Risk Factors - Credit Risk - We could suffer losses as a result of the actions of or deterioration in the commercial soundness of our counterparties and other financial services institutions," "Risk Factors - Market Risk - Our business and results of operations have been, and may continue to be, significantly adversely affected by changes in the levels of market volatility and by other financial or capital market conditions" and "Risk Factors - Liquidity Risk - Our liquidity, cash flows, financial condition and results of operations, and competitive position may be significantly adversely affected by the inability of us or Bank of America to access capital markets, or if there is an increase in our borrowing costs "

Uncertainty about the financial stability of several countries in the European Union ("EU"), the increasing risk that those countries may default on their sovereign debt and related stresses on financial markets, the Euro and the EU could have a significant adverse effect on our business, financial condition and results of operations. In 2011, the financial crisis in Europe continued, triggered by high sovereign budget deficits and rising direct and contingent sovereign debt in Greece, Ireland, Italy, Portugal and Spain, which created concerns about the ability of these EU countries to continue to service their sovereign debt obligations These conditions impacted financial markets and

resulted in credit ratings downgrades for, and high and volatile bond yields on, the sovereign debt of many EU countries Certain European countries continue to experience varying degrees of financial stress, and yields on government-issued bonds in Greece, Ireland, Italy, Portugal and Spain have risen and remain volatile Despite assistance packages to certain of these countries, the creation of a joint EU-IMF European Financial Stability Facility and additional expanded financial assistance to Greece, uncertainty over the outcome of the EU governments' financial support programs and worries about sovereign finances and the stability of the Euro and the EU persist. Market concerns over the direct and indirect exposure of certain European banks and insurers to these EU countries resulted in a widening of credit spreads and increased costs of funding for these financial institutions While we have reduced our exposure to European financial institutions, the insolvency of one or more major European financial institutions could adversely impact financial markets and, consequently, our results of operations

Risks and ongoing concerns about the debt crisis in Europe could have a detrimental impact on the global economic recovery, sovereign and non-sovereign debt in these countries and the financial condition of European financial institutions, and international financial institutions with exposure to the region, including us Market and economic disruptions have affected, and may continue to affect, consumer confidence levels and spending, personal bankruptcy rates, levels of incurrence and default on consumer debt and residential mortgages, and housing prices, among other factors There can be no assurance that the market disruptions in Europe, including the increased cost of funding for certain governments and financial institutions, will not spread, nor can there be any assurance that future assistance packages will be available or, even if provided, will be sufficient to stabilize the affected countries and markets in Europe or elsewhere. To the extent uncertainty regarding the European economic recovery continues to negatively impact consumer confidence and consumer credit factors, or should the EU enter a deep recession, both the U S economy and our business and results of operations could be significantly and adversely affected Global economic uncertainty, regulatory initiatives and reform have impacted, and will likely continue to impact, non-U.S. credit and trading portfolios We are seeking to address this risk but there can be no assurance our efforts in this respect will be sufficient or successful Our total sovereign and non-sovereign exposure to Greece, Italy, Ireland, Portugal, and Spain was $2 7 billion at December 31, 2011 Our total net sovereign and non-sovereign exposure to these countries was $1 1 billion at December 31, 2011, after taking into account net credit default protection At December 31, 2011, the fair value of net credit default protection purchased was $1.6 billion. Losses could still result because our credit protection contracts pay out only under certain scenarios

For additional information regarding our direct sovereign and non-sovereign exposures in Europe, see "Management's Discussion and Analysis of Financial Condition and Results of Operations - Executive Overview - Other Events - European Union Sovereign Credit Risks" and "Quantitative and Qualitative Disclosures about Market Risk-Credit Risk Management" in Part II, Item 7A of this Form 10-K.

Declines in the value of certain of our assets could have an adverse effect on our results of operations We have a large portfolio of financial instruments, including, among others, certain corporate loans and loan commitments, loans held-for-sale, repurchase agreements, long-term deposits, trading assets and liabilities, derivatives assets and liabilities, available-for-sale securities and certain other assets and liabilities that we measure at fair value. We determine the fair values of these instruments based on the fair value hierarchy under applicable accounting guidance The fair values of these financial instruments include adjustments for market liquidity, credit quality and other transaction-specific factors, where appropriate

Gains or losses on these instruments can have a direct and significant impact on our results of operations, unless we have effectively hedged our exposures Fair values may be impacted by declining values of the underlying assets or the prices at which observable market transactions occur and the continued availability of these transactions. The financial strength of counterparties, such as monolines, with whom we have economically hedged some of our exposure to these assets, also will affect the fair value of these assets Sudden declines and significant volatility in the prices of assets may substantially curtail or eliminate the trading activity for these assets, which may make it very difficult to sell, hedge or value such assets The inability to sell or effectively hedge assets reduces our ability to limit losses in such positions and the difficulty in valuing assets may increase our risk-weighted assets, which requires us to maintain additional capital and increases our funding costs

Asset values also directly impact revenues in our asset management businesses We receive asset-based

management fees based on the value of our clients' portfolios or investments in funds managed by us and, in some cases, we also receive incentive fees based on increases in the value of such investments. Declines in asset values can reduce the value of our clients' portfolios or fund assets, which in turn can result in lower fees earned for managing such assets

For additional information about fair value measurements, see Note 4 and Note 5 to the Consolidated Financial Statements

Regulatory and Legal Risk

Government measures to regulate the financial services industry, including the Financial Reform Act, either individually, in combination or in the aggregate, have increased and will continue to increase our compliance costs and could require us to change certain of our business practices, impose significant additional costs on us, limit the products that we offer, limit our ability to pursue business opportunities in an efficient manner, require us to increase our capital, impact the value of assets that we hold, significantly reduce our revenues or otherwise materially and adversely affect our businesses, financial condition and results of operations As a financial institution, we are heavily regulated at the state, federal and international levels As a result of the 2008-2009 financial crisis and related global economic downturn, we have faced and expect to continue to face increased public and legislative scrutiny as well as stricter and more comprehensive regulation of our businesses These regulatory and legislative measures, either individually, in combination or in the aggregate, could require us to further change certain of our business practices, impose significant additional costs on us, limit the products that we offer, limit our ability to pursue business opportunities in an efficient manner, require us to increase our capital, impact the value of assets that we hold, significantly reduce our revenues or otherwise materially and adversely affect our businesses, financial condition and results of operations.

On October 11, 2011, the Federal Reserve, the Office of the Comptroller of the Currency (the "OCC"), the Federal Deposit Insurance Corporation (the "FDIC") and the SEC, four of the five regulatory agencies charged with promulgating regulations implementing limitations on proprietary trading as well as the sponsorship of or investment in hedge funds and private equity funds (the "Volcker Rule") established by the Financial Reform Act, released for comment proposed implementing regulations. On January 11, 2012, the Commodities Futures Trading Commission (the "CFTC"), the fifth agency, released for comment its proposed regulations under the Volcker Rule. The proposed regulations include clarifications to the definition of proprietary trading and distinctions between permitted and prohibited activities. The comment period for the first regulations proposed ended on February 13, 2012 and the comment period for the CFTC regulations will end in March 2012

The statutory provisions of the Volcker Rule will become effective on July 21, 2012, whether or not the final regulations are adopted, and it gives certain financial institutions two years from the effective date, with opportunities for additional extensions, to bring activities and investments into compliance Although Merrill Lynch exited its stand-alone proprietary trading business as of June 30, 2011 in anticipation of the Volcker Rule and to further our initiative to optimize our balance sheet, the ultimate impact of the Volcker Rule on us remains uncertain However, based on the content of the proposed regulations, it is possible that the implementation of the Volcker Rule could limit or restrict our remaining trading activities Implementation of the Volcker Rule could also limit or restrict our ability to sponsor and hold ownership interests in hedge funds, private equity funds and other subsidiary operations Additionally, implementation of the Volcker Rule could increase our operational and compliance costs, reduce our trading revenues and adversely affect our results of operations The date by which final regulations will be issued is uncertain

Additionally, the Financial Reform Act includes measures to broaden the scope of derivative instruments subject to regulation by requiring clearing and exchange trading of certain derivatives, imposing new capital, margin, reporting, registration and business conduct requirements for certain market participants, and imposing position limits on certain OTC derivatives The Financial Reform Act grants the CFTC and the SEC substantial new authority and requires numerous rulemakings by these agencies The Financial Reform Act required regulators to promulgate the rulemakings necessary to implement these regulations by July 16, 2011 However, the rulemaking process was not completed as of that date, and is not expected to conclude until well into 2012 Further, the regulators granted temporary relief from certain requirements that would have taken effect on July 16, 2011 absent any rulemaking The SEC temporary relief is effective until final rules relevant to each requirement become

effective The CFTC temporary relief is effective until the earlier of July 16, 2012 or the date on which final rules relevant to each requirement become effective The ultimate impact of these derivatives regulations, and the time it will take to comply, continue to remain uncertain The final regulations will impose additional operational and compliance costs on us and may require us to restructure certain businesses, thereby negatively impacting our revenues and results of operations

Similarly, in the U.K., the FSA has issued proposed rules requiring the submission of significant information about certain U.K. incorporated subsidiaries (including information on intra-group dependencies and legal entity separation) to allow the FSA to develop resolution plans As a result of the FSA review, we could be required to take certain actions over the next several years, which could impose operational costs and potentially could result in the restructuring of certain businesses and subsidiaries

Many of the provisions under the Financial Reform Act have begun to be phased in or will be phased in over the next several months or years and will be subject both to further rulemaking and the discretion of applicable regulatory bodies The Financial Reform Act will continue to have a significant and negative impact on our earnings through revenue reductions, higher costs and new restrictions The ultimate impact of the Financial Reform Act on our businesses and results of operations will depend on regulatory interpretation and rulemaking, as well as the success of any of our actions to mitigate the negative earnings impact of certain provisions.

Changes in the structure of the GSEs and the relationship among the GSEs, the government and the private markets, or the conversion of the current conservatorship of the GSEs into receivership, could adversely impact certain of our operations. Each GSE is currently in a conservatorship, with its primary regulator, the Federal Housing Finance Agency (the "FHFA"), acting as conservator. During these conservatorships the FHFA may
increasingly converge certain risk management and other standards and practices of each enterprise, which could result in a more uniform market for delivering agency conforming mortgage loans We cannot predict if, when or how the conservatorships will end, or any associated changes to the GSEs' business structure that could result. We also cannot predict whether the conservatorships will end in receivership There are several proposed approaches to reform the GSEs which, if enacted, could change the structure of the GSEs and the relationship among the GSEs, the government and the private markets, including the trading markets for agency conforming mortgage loans and markets for mortgage-related securities in which we participate We cannot predict the prospects for the enactment, timing or content of legislative or rulemaking proposals regarding the future status of the GSEs Accordingly, there continues to be uncertainty regarding the future of the GSEs, including whether they will continue to exist in their current form. GSE reform, if enacted, could adversely impact certain of our operations

We face substantial potential legal liability and significant regulatory action, which could have material adverse effects on our cash flows, financial condition and results of operations or cause significant reputational harm to us We face significant legal risks in our businesses, and the volume of claims and amount of damages and penalties claimed in litigation and regulatory proceedings against us and other financial institutions remain high and are increasing Increased litigation costs, substantial legal liability or significant regulatory action against us could have material adverse effects on our financial condition and results of operations or cause significant reputational harm to us, which in turn could adversely impact our business prospects In addition, we continue to face increased litigation risk and regulatory scrutiny We have continued to experience increased litigation and other disputes with counterparties regarding relative rights and responsibilities. Consumers, clients and other counterparties have grown more litigious Our experience with certain regulatory authorities suggests a migration towards an increasing supervisory focus on enforcement, including in connection with alleged violations of law and customer harm The current environment of additional regulation, increased regulatory compliance burdens, and enhanced regulatory enforcement, combined with ongoing uncertainty related to the continuing evolution of the regulatory environment, has resulted in significant operational and compliance costs and may limit our ability to continue providing certain products and services

These litigation and regulatory matters and any related settlements could have a material adverse effect on our cash flows, financial condition and results of operations They could also negatively impact our reputation For information concerning certain litigation-related expenses recognized for 2011 and 2010, the estimated aggregate range of possible losses in excess of the accrued liability (if any) related to litigation matters (where an estimate is possible) at December 31, 2011, as well as a further discussion of litigation risks, see Note 14 to the Consolidated

Financial Statements in Part II, Item 8 of this Form 10-K.

Changes in governmental fiscal and monetary policy could adversely affect our financial condition and results of operations. Our businesses and earnings are affected by domestic and international fiscal and monetary policy. The Federal Reserve regulates the supply of money and credit in the U S and its policies determine in large part our cost of funds for lending, investing and capital raising activities and the return we earn on those loans and investments, both of which affect our net interest revenue The actions of the Federal Reserve also can materially affect the value of financial instruments and other assets, such as debt securities, and its policies also can affect our borrowers, potentially increasing the risk that they may fail to repay their loans Our businesses and earnings are also affected by the fiscal or other policies that are adopted by the U S government, various U S regulatory authorities and non-U.S governments and regulatory authorities Changes in domestic and international fiscal and monetary policies are beyond our control and difficult to predict, but could have an adverse impact on our capital requirements and the costs of running our businesses, in turn adversely impacting our financial condition and results of operations

Changes in U S and non-U S tax and other laws and regulations could adversely affect our financial condition and results of operations The U S Congress and the Administration have signaled growing interest in reforming the U S corporate income tax While the timing of such reform is unclear, possible approaches include lowering the 35% corporate tax rate, modifying the taxation of income earned outside of the U S and limiting or eliminating various other deductions, tax credits and/or other tax preferences. It is not possible at this time to quantify either the one-time impact from remeasuring deferred tax assets and liabilities that might result upon enactment of tax reform or the ongoing impact reform might have on income tax expense, but either of these impacts could adversely affect our financial condition and results of operations.

In addition, the income from certain non-U S. subsidiaries has not been subject to U S income tax as a result of long-standing deferral provisions applicable to income that is derived in the active conduct of a banking and financing business (active finance income). The U.S Congress has extended the application of these deferral provisions several times, most recently in 2010 These provisions now are set to expire for taxable years beginning on or after January 1, 2012 Absent an extension of these provisions, active financing income earned by certain non-U.S subsidiaries will generally be subject to a tax provision that considers incremental U S income tax The impact of the expiration of these provisions would depend upon the amount, composition and geographic mix of our future earnings.

Other countries have also proposed and, in some cases, adopted certain regulatory changes targeted at financial institutions or that otherwise affect us. The EU has adopted increased capital requirements and the U K has (i) increased liquidity requirements for local financial institutions, including regulated U K subsidiaries of non-U K bank holding companies and other financial institutions as well as branches of non-U K banks located in the U K, (ii) adopted a Bank Tax Levy which will apply to the aggregate balance sheet of branches and subsidiaries of non-U K banks and banking groups operating in the U K , and (iii) proposed the creation and production of recovery and resolution plans by U K.-regulated entities.

On July 19, 2011, the U K. 2011 Finance Bill was enacted, which reduced the corporate income tax rate by one percent to 26% beginning on April 1, 2011, and then to 25% effective April 1, 2012. These rate reductions will favorably affect income tax expense on future U.K. earnings but also required us to remeasure our U.K net deferred tax assets using the lower tax rates The income tax benefit for the year ended December 31, 2011 included a $774 million charge for the remeasurement If U.K. corporate income tax rates were to be reduced to 23% by 2014, as suggested in U K Treasury announcements and assuming no change in the deferred tax asset balance, a charge to income tax expense of approximately $400 million for each one percent reduction in the rate would result in each period of enactment (for a total of approximately $800 million) We are also monitoring other international legislative proposals that could materially impact us, such as changes to corporate income tax laws Currently, in the U K , net operating loss carryforwards ("NOLs") have an indefinite life. Were the U.K taxing authorities to introduce limitations on the future utilization of NOLs and we were unable to document our continued ability to fully utilize our NOLs, we would be required to establish a valuation allowance by a charge to income tax expense. Depending upon the nature of the limitations, such a charge could be material to our results of operations in the period of enactment

Risk of the Competitive Environment In Which We Operate

We face significant and increasing competition in the financial services industry We operate in a highly competitive environment. Over time, there has been substantial consolidation among companies in the financial services industry, and this trend accelerated in recent years This trend has also hastened the globalization of the securities and financial services markets. We will continue to experience intensified competition as consolidation and globalization of the financial services industry may produce larger, better-capitalized and more geographically diverse companies that are capable of offering a wider array of financial products and services at more competitive prices. To the extent we expand into new business areas and new geographic regions, we may face competitors with more experience and more established relationships with clients, regulators and industry participants in the relevant market, which could adversely affect our ability to compete In addition, technological advances and the growth of e-commerce have made it possible for non-depository institutions to offer products and services that traditionally were banking products, and for financial institutions to compete with technology companies in providing electronic and internet-based financial solutions. Increased competition may negatively affect our results of operations by creating pressure to lower prices on our products and services and reducing market share.

Damage to our reputation could significantly harm our businesses, including our competitive position and business prospects Our ability to attract and retain customers, clients, investors and employees is impacted by our reputation. Public perception of us and others in the financial services industry appeared to decline in 2011. We continue to face increased public and regulatory scrutiny resulting from the financial crisis and economic downturn, as well as our acquisition by Bank of America and the suitability or reasonableness of recommending particular trading or investment strategies.

Significant harm to our reputation can also arise from other sources, including indirectly as a result of actions by Bank of America or damage to its reputation, employee misconduct, litigation or regulatory outcomes, failing to deliver minimum or required standards of service and quality, compliance failures, unethical behavior, unintended disclosure of confidential information, and the activities of our clients, customers and counterparties, including vendors Actions by the financial services industry generally or by certain members or individuals in the industry also can significantly adversely affect our reputation.

We are subject to complex and evolving laws and regulations regarding privacy, data protections and other matters.
Principles concerning the appropriate scope of consumer and commercial privacy vary considerably in different jurisdictions, and regulatory and public expectations regarding the definition and scope of consumer and commercial privacy may remain fluid into the future. It is possible that these laws may be interpreted and applied by various jurisdictions in a manner that is inconsistent with our current or future practices, or that is inconsistent with one another We face regulatory, reputational and operational risks if personal, confidential or proprietary information of customers or clients in our possession is mishandled or misused

We could suffer significant reputational harm if we fail to properly identify and manage potential conflicts of interest. Management of potential conflicts of interest has become increasingly complex as we expand our business activities through more numerous transactions, obligations and interests with and among our clients. The failure to adequately address, or the perceived failure to adequately address, conflicts of interest could affect the willingness of clients to deal with us, or give rise to litigation or enforcement actions, which could adversely affect our businesses

Our actual or perceived failure to address these and other issues gives rise to reputational risk that could cause significant harm to us and our business prospects, including failure to properly address operational risks Failure to appropriately address any of these issues could also give rise to additional regulatory restrictions, legal risks and reputational harm, which could, among other consequences, increase the size and number of litigation claims and damages asserted or subject us to enforcement actions, fines and penalties and cause us to incur related costs and expenses

Our ability to attract and retain qualified employees is critical to the success of our businesses and failure to do so could adversely affect our business prospects, including our competitive position and results of operations. Our performance is heavily dependent on the talents and efforts of highly skilled individuals. Competition for qualified personnel within the financial services industry and from businesses outside the financial services industry has

been, and is expected to continue to be, intense Our competitors include non-U S -based institutions and institutions otherwise not subject to compensation and hiring regulations imposed on U S institutions and financial institutions in particular The difficulty we face in competing for key personnel is exacerbated in emerging markets, where we are often competing for qualified employees with entities that may have a significantly greater presence or more extensive experience in the region

In order to attract and retain qualified personnel, we must provide market-level compensation As a subsidiary of Bank of America, we may be subject to limitations on compensation practices (which may or may not affect our competitors) by regulators in the U S or around the world Any future limitations on executive compensation imposed by legislation or regulation could adversely affect our ability to attract and maintain qualified employees Furthermore, a substantial portion of our annual bonus compensation paid to our senior employees has in recent years taken the form of long-term equity awards The value of long-term equity awards to senior employees generally has been negatively affected by the significant decline in the market price of Bank of America's common stock If we are unable to continue to attract and retain qualified individuals, our business prospects, including our competitive position and results of operations, could be adversely affected

In addition, if we fail to retain the wealth advisors that we employ in our wealth and investment management business, particularly those with significant client relationships, such failure could result in a significant loss of clients or the withdrawal of significant client assets Any such loss or withdrawal could adversely impact our wealth and investment management business activities and our financial condition, results of operations and cash flows

We may not be able to achieve expected cost savings from cost-saving initiatives, including from Project New BAC, or in accordance with currently anticipated time frames We are currently engaged in numerous efforts to achieve certain cost savings, including, among other things, Project New BAC.

Project New BAC is a two-phase, enterprise-wide initiative to simplify and streamline workflows and processes, align businesses and costs more closely with Bank of America's overall strategic plan and operating principles, and increase revenues. Phase 1 focused on Bank of America's consumer businesses and related support, technology and operations functions Phase 2 focuses on businesses and related support, technology and operations functions not subject to evaluation in Phase 1 All aspects of Project New BAC are expected to be implemented by the end of 2014

We may be unable to fully realize the cost savings and other anticipated benefits from our cost saving initiatives, or in accordance with currently anticipated timeframes

Our inability to adapt our products and services to evolving industry standards and consumer preferences could harm our businesses Our success depends, in part, on our ability to adapt our products and services to evolving industry standards There is increasing pressure by competitors to provide products and services at lower prices This can reduce our revenues from our fee-based products and services In addition, the widespread adoption of new technologies, including internet services, could require us to incur substantial expenditures to modify or adapt our existing products and services We might not be successful in developing or introducing new products and services, responding or adapting to changes in consumer spending and saving habits, achieving market acceptance of our products and services, or sufficiently developing and maintaining loyal customers

Risks Related to Risk Management

Our risk management framework may not be effective in mitigating risk and reducing the potential for significant losses Our risk management framework is designed to minimize risk and loss to us We seek to identify, measure, monitor, report and control our exposure to the types of risk to which we are subject, including strategic, credit, market, liquidity, compliance, operational and reputational risks, among others While we employ a broad and diversified set of risk monitoring and mitigation techniques, those techniques are inherently limited because they cannot anticipate the existence or future development of currently unanticipated or unknown risks Recent economic conditions, heightened legislative and regulatory scrutiny of the financial services industry and increases in the overall complexity of our operations, among other developments, have resulted in a heightened level of risk for us Accordingly, we could suffer losses as a result of our failure to properly anticipate and manage these risks, including all correlations and downstream secondary or follow-on effects that occur

A failure in or breach of our operational or security systems or infrastructure, or those of third parties with which we do business, including as a result of cyber attacks, could disrupt our businesses, result in the disclosure or misuse of confidential or proprietary information, damage our reputation, increase our costs and cause losses Any such failure also could have a material adverse effect on our business, financial condition and results of operations Our business is highly dependent on our ability to process, record and monitor, on a continuous basis, a large number of transactions, many of which are highly complex, across numerous and diverse markets in many currencies The potential for operational risk exposure exists throughout our organization, including losses resulting from unauthorized trades by any employees

Integral to our performance is the continued efficacy of our internal processes, systems, relationships with third parties and the vast array of employees and key executives in our day-to-day and ongoing operations With regard to the physical infrastructure and systems that support our operations, we have taken measures to implement backup systems and other safeguards, but our ability to conduct business may be adversely affected by any significant and widespread disruption to our infrastructure or systems. Our financial, accounting, data processing, backup or other operating systems and facilities may fail to operate properly or become disabled or damaged as a result of a number of factors including events that are wholly or partially beyond our control and adversely affect our ability to process these transactions or provide these services. There could be sudden increases in customer transaction volume; electrical or telecommunications outages, natural disasters such as earthquakes, tornadoes and hurricanes, disease pandemics, events arising from local or larger scale political or social matters, including terrorist acts, and cyber attacks We continuously update these systems to support our operations and growth This updating entails significant costs and creates risks associated with implementing new systems and integrating them with existing ones.

Information security risks for large financial institutions such as Bank of America and Merrill Lynch have significantly increased in recent years in part because of the proliferation of new technologies, the use of the Internet and telecommunications technologies to conduct financial transactions, and the increased sophistication and activities of organized crime, hackers, terrorists and other external parties, including foreign state actors Our operations rely on the secure processing, transmission and storage of confidential, proprietary and other information in our computer systems and networks We rely on our digital technologies, computer and email systems, software, and networks to conduct our operations. In addition, to access our products and services, our customers may use personal smartphones, tablet PCs, and other mobile devices that are beyond our control systems Our technologies, systems, networks, and our customers' devices have been subject to, and are likely to continue to be the target of, cyber attacks, computer viruses, malicious code, phishing attacks or information security breaches that could result in the unauthorized release, gathering, monitoring, misuse, loss or destruction of our or our customers' confidential, proprietary and other information, or otherwise disrupt our or our customers' or other third parties' business operations. Because of our prominence, we believe that such attacks may continue

Although to date we have not experienced any material losses relating to cyber attacks or other information security breaches, there can be no assurance that we will not suffer such losses in the future Our risk and exposure to these matters remains heightened because of, among other things, the evolving nature of these threats, the prominent size and scale of Bank of America and Merrill Lynch and their roles in the financial services industry, their expanded geographic footprint and international presence, the outsourcing of some of their business operations, the continued uncertain global economic environment, and system and customer account conversions As a result, cybersecurity and the continued development and enhancement of our controls, processes and practices designed to protect our systems, computers, software, data and networks from attack, damage or unauthorized access remain a priority for us As cyber threats continue to evolve, we may be required to expend significant additional resources to continue to modify or enhance our protective measures or to investigate and remediate any information security vulnerabilities

In addition, we also face the risk of operational failure, termination or capacity constraints of any of the third parties with which we do business or that facilitate our business activities, including clearing agents, exchanges, clearing houses or other financial intermediaries we use to facilitate our securities transactions In recent years, there has been significant consolidation among clearing agents, exchanges and clearing houses and increased interconnectivity of multiple financial institutions with central agents, exchanges and clearing houses This consolidation and interconnectivity increases the risk of operational failure, on both individual and industry-wide

bases, as disparate complex systems need to be integrated, often on an accelerated basis Any such failure, termination or constraint could adversely affect our ability to effect transactions, service our clients, manage our exposure to risk or expand our businesses and could have a significant adverse impact on our liquidity, financial condition and results of operations

Disruptions or failures in the physical infrastructure or operating systems that support our business and customers, or cyber attacks or security breaches of the networks, systems or devices that our customers use to access our products and services could result in the loss of customers and business opportunities, legal liability, regulatory fines, penalties or intervention, reputational damage, reimbursement or other compensatory costs, and additional compliance costs, any of which could materially adversely affect our business, financial condition and results of operations

Risk of Being an International Business

We are subject to numerous political, economic, market, reputational, operational, legal, regulatory and other risks in the non-U.S jurisdictions in which we operate which could adversely impact our businesses, financial condition and results of operations We do business throughout the world, including in developing regions of the world commonly known as emerging markets. Our businesses and revenues derived from non-U.S. jurisdictions are subject to risk of loss from currency fluctuations, social or judicial instability, changes in governmental policies or policies of central banks, expropriation, nationalization and/or confiscation of assets, price controls, capital controls, exchange controls, other restrictive actions, unfavorable political and diplomatic developments and changes in legislation These risks are especially acute in emerging markets Many non-U S jurisdictions in which we do business have been negatively impacted by recessionary conditions While a number of these jurisdictions are showing signs of recovery, others continue to experience increasing levels of stress In addition, the increasing potential risk of default on sovereign debt in some non-U.S. jurisdictions could expose us to substantial losses. Risks in one country can affect our operations in another country or countries, including our operations in the U.S As a result, any such unfavorable conditions or developments could have an adverse impact on our businesses, financial condition and results of operations.

Our non-U S businesses are also subject to extensive regulation by various non-U S regulators, including governments, securities exchanges, central banks and other regulatory bodies, in the jurisdictions in which those businesses operate In many countries, the laws and regulations applicable to the financial services and securities industries are uncertain and evolving, and it may be difficult for us to determine the exact requirements of local laws in every market or manage our relationships with multiple regulators in various jurisdictions Our inability to remain in compliance with local laws in a particular market and manage our relationships with regulators could have a significant and adverse effect not only on our businesses in that market but also on our reputation generally.

We also invest or trade in the securities of corporations and governments located in non-U S jurisdictions, including emerging markets Revenues from the trading of non-U S securities may be subject to negative fluctuations as a result of the above factors Furthermore, the impact of these fluctuations could be magnified because non-U S trading markets, particularly in emerging market countries, are generally smaller, less liquid and more volatile than U.S. trading markets.

We are subject to geopolitical risks, including acts or threats of terrorism, and actions taken by the U S or other governments in response thereto and/or military conflicts that could adversely affect business and economic conditions abroad as well as in the U S

Risk from Accounting Changes

Changes in accounting standards or inaccurate estimates or assumptions in the application of accounting policies could adversely affect our financial condition and results of operations. Our accounting policies and methods are fundamental to how we record and report our financial condition and results of operations Some of these policies require use of estimates and assumptions that may affect the reported value of our assets or liabilities and results of operations and are critical because they require management to make difficult, subjective and complex judgments about matters that are inherently uncertain If those assumptions, estimates or judgments were incorrectly made, we could be required to correct and restate prior-period financial statements.

Accounting standard-setters and those who interpret the accounting standards (such as the Financial Accounting Standards Board, the SEC and our independent registered public accounting firm) may also amend or even reverse their previous interpretations or positions on how various standards should be applied These changes can be difficult to predict and can materially impact how we record and report our financial condition and results of operations In some cases, we could be required to apply a new or revised standard retroactively, resulting in Merrill Lynch needing to revise and republish prior-period financial statements For further information on some of our critical accounting policies and standards and recent accounting changes, see Note 1 to the Consolidated Financial Statements

Risk of Being a Wholly-Owned Subsidiary

We are a direct wholly-owned subsidiary of Bank of America and therefore are subject to strategic decisions of Bank of America and affected by Bank of America's performance We are fundamentally affected by our relationship with Bank of America As a direct wholly-owned subsidiary of Bank of America, we are subject to a wide range of possible strategic decisions that Bank of America may make from time to time. Those strategic decisions could include the level and types of financing and other support made available to us by Bank of America. In addition, circumstances and events affecting Bank of America can significantly affect us For example, the primary drivers of our credit ratings are Bank of America's credit ratings, and when rating agencies take actions regarding Bank of America's credit ratings and outlooks, they generally take the same actions with respect to our ratings and outlooks. Also, we have several borrowing arrangements and a globally coordinated funding strategy with Bank of America. Significant changes in Bank of America's strategy or its relationship with us could have a material adverse effect on our business Material adverse changes in the performance of Bank of America or its other subsidiaries could have a material adverse effect on our results of operations, financial condition and liquidity. We are indirectly exposed, therefore, to many of the risks to which Bank of America is directly exposed Bank of America has not assumed or guaranteed the long-term debt that was issued or guaranteed by ML & Co or its subsidiaries prior to the acquisition of Merrill Lynch by Bank of America.

As a wholly-owned subsidiary of Bank of America, a bank holding company that is also a financial holding company, we are subject to the oversight of, and inspection by, the Federal Reserve. If Bank of America does not comply with regulatory requirements applicable to banking institutions with respect to regulatory capital, capital ratios and liquidity and required increases in the foregoing, our liquidity would be adversely affected In order to comply with such requirements, Bank of America may be required to liquidate company assets, among other actions Our activities are limited to those that are permissible for Bank of America under applicable laws and regulations. As a financial holding company, Bank of America (directly or through its subsidiaries) may engage in activities that are "financial in nature." Bank of America's status as a financial holding company requires, among other conditions, that each of its subsidiary insured depository institutions be well-capitalized and well-managed. Failure to satisfy these conditions may result in the Federal Reserve limiting the activities of Bank of America, which thereby could restrict our current business activities, require divestiture of certain of our assets and operations or limit potential future strategic plans.

Form 10-K Presentation

As a result of the acquisition of Merrill Lynch by Bank of America, certain information is not required in this Form 10-K as permitted by General Instruction I (2) of Form 10-K We have also abbreviated MD&A as permitted by General Instruction I (2)

Executive Overview

We reported a net loss of $1 7 billion for the year ended December 31, 2011 as compared with net earnings of $3.8 billion in the year ended December 31, 2010 Revenues, net of interest expense ("net revenues") for 2011 were $24 3 billion compared with $27 8 billion in 2010. Our pre-tax loss was $4 7 billion in 2011 compared with pre-tax earnings of $3.9 billion in 2010.

Our results for the year ended December 31, 2011 primarily reflected lower principal transactions revenues associated with our trading activities, lower other revenues, and higher non-interest expenses, including higher intercompany service fees from Bank of America and higher compensation and benefits expense

Our results for the year ended December 31, 2011 were also adversely affected by a $2 7 billion representations and warranties provision On June 28, 2011, Bank of America and certain of its non-Merrill Lynch subsidiaries entered into a settlement agreement (that is subject to final court approval and certain other conditions) to resolve, among other claims, all outstanding and potential claims related to alleged representations and warranties breaches (including repurchase claims) with respect to a number of non-GSE residential mortgage-backed securitization trusts. As a result of the experience gained by Bank of America and certain of its non-Merrill Lynch affiliates from this settlement agreement, Merrill Lynch determined that it had sufficient experience to record the $2.7 billion liability for representations and warranties related to its repurchase exposure on private-label securitizations during the quarter ended June 30, 2011. See "Off-Balance Sheet Exposures - Representations and Warranties" for further information.

The declines in net earnings and net revenues for the year ended December 31, 2011 were partially offset by higher managed account and other fee-based revenues There was also an increase in revenues associated with the valuation of certain of our long-term debt liabilities as compared with the prior year During the year ended December 31, 2011, we recorded net gains of $2 0 billion due to the impact of the widening of Merrill Lynch's credit spreads on the carrying value of certain of our long-term debt liabilities, primarily structured notes, while in the year ended December 31, 2010, we recorded net losses of $0 1 billion due to the narrowing of our credit spreads.

Our net loss applicable to our common shareholder was $1 7 billion for the year ended December 31, 2011 compared with net earnings of $3.6 billion in the prior year. On October 15, 2010, all of ML & Co.'s outstanding Series 2 and Series 3 Mandatory Convertible Non-Cumulative Preferred Stock automatically converted into Bank of America common stock in accordance with the terms of those securities. Immediately upon conversion, dividends on such shares of preferred stock ceased to accrue, the rights of holders of such preferred stock ceased, and the persons entitled to receive the shares of Bank of America common stock were treated for all purposes as having become the record and beneficial owners of shares of Bank of America common stock. As a result of the conversion, there were no preferred stock dividends recorded during the year ended December 31, 2011 Preferred stock dividends of $134 million were recorded in the year ended December 31, 2010. See Note 13 to the Consolidated Financial Statements for further information.
