Re: 63rd & Halsted - Redevelopment Project

Dear Commissioners Mooney and Klein:

I am writing to convey my support for Chicago Neighborhood Initiatives, Inc. ("CNI") plans to redevelop the City owned vacant property at the northwest corner of 63rd Street and Halsted, (the Property). The Property has been vacant and unused for many years and as such is a blight on the community at-large.

To make the Property productive, stimulate investment and employment, CNI will consolidate the lots into one large parcel by vacating the streets and alleys, removing all of the old foundations, broken sidewalks, streets and alleys, relocating the utilities as needed, installing new utilities and infrastructure for a mixed use development, including retail and commercial uses; a grocery store, residential uses, including senior housing and educational/training facility.

To facilitate the completion of the Project, I request the following City approvals and assistance:

1. **Tax Increment Financing in the amount of approximately \$12 Million Dollars**
2. **Vacation of the obsolete streets and alleys within the Project area inhibiting development**
3. **Dividing the lots and vacated streets into a more functional subdivision**
4. **Conveyance of the Property, including vacated streets and alleys for no consideration to CNI**
5. **Rezoning the site from a C1-2 Neighborhood Commercial District to a Business Residential Institutional Plan Development.**

This is a very important project for the Englewood Community and will convert a vacant property into parcels of land that will attract investment, new businesses, services and employment for the Englewood Community and the City of Chicago.

Please contact Debbie Blair, Chief of Staff to Alderman JoAnn Thompson, at (773) 434-3399 if you wish to discuss the Project further. Thank you in advance for your assistance in this matter.

Sincerely,

JoAnn Thompson
