3.01 The Project. With respect to the Facility, the Developer will: (i) begin redevelopment construction no later than six (6) months after the Closing Date, and (ii) complete redevelopment construction no later than twenty-four (24) months of the commencement of construction.

3.02 Scope Drawings and Plans and Specifications. The Developer has delivered the Scope Drawings and Plans and Specifications to HED and HED has approved same. After such initial approval, subsequent proposed changes to the Scope Drawings or Plans and Specifications shall be submitted to HED as a Change Order pursuant to **Section 3.04** hereof. The Scope Drawings and Plans and Specifications shall at all times conform to the Redevelopment Plan and all applicable federal, state and local laws, ordinances and regulations. The Developer shall submit all necessary documents to the City's Building Department, Department of Transportation and such other City departments or governmental authorities as may be necessary to acquire building permits and other required approvals for the Project.

3.03 Project Budget. The Developer has furnished to HED, and HED has approved, a Project Budget showing total costs for the Project in the approximate amount of not less than $28,321,545. The Developer hereby certifies to the City that together with the City Funds (a) it has Lender Financing and Equity in an amount sufficient to pay for all Project costs; and (b) the Project Budget is true, correct and complete in all material respects. The Developer shall promptly deliver to HED certified copies of any Change Orders with respect to the Project Budget for approval pursuant to **Section 3.04** hereof.

Except as provided below, all Change Orders (and documentation substantiating the need and identifying the source of funding therefor) relating to material changes to the Project must be submitted by the Developer to HED concurrently with the progress reports described in **Section 3.07** hereof; provided, that any Change Order relating to any of the following must be submitted by the Developer to HED for HED's prior written approval: (a) a reduction in the square footage of the Facility; (b) a change in the use of the Property; (c) a delay of more than three months in the completion of the Project; or (d) all Change Orders increasing or decreasing any line item in the Project Budget. The Construction Contract, and each contract between one or more of the Developer Parties and any contractor, shall contain a provision to this effect. An approved Change Order shall not be deemed to imply any obligation on the part of the City to increase the amount of City Funds which the City has pledged pursuant to this Agreement or provide any other additional assistance to the Developer Parties.

3.05 HED Approval. Any approval granted by HED of the Scope Drawings, Plans and Specifications and the Change Orders is for the purposes of this Agreement only and does not affect or constitute any approval required by any other City department or pursuant to any City ordinance, code, regulation or any other governmental approval, nor does any approval by HED pursuant to this Agreement constitute approval of the quality, structural soundness or safety of the Property or the Project.

3.06 Other Approvals. Any HED approval under this Agreement shall have no effect upon, nor shall it operate as a waiver of, the Developer's obligations to comply with the provisions of **Section 5.03** (Other Governmental Approvals) hereof. The Developer shall not commence construction of the Project until the Developer has obtained all necessary permits and approvals (including but not limited to HED's approval of the Scope Drawings and Plans and Specifications) and proof of the General Contractor's and each subcontractor's bonding as required hereunder.

3.07 Progress Reports and Survey Updates. The Developer shall provide HED with written quarterly progress reports detailing the status of the Project, including a revised completion date, if necessary (with any change in completion date being considered a Change Order, requiring HED's written approval pursuant to **Section 3.04**). The Developer shall provide three (3) copies of an updated Survey to HED upon the request of HED or any lender providing Lender Financing, reflecting improvements made to the Property.

3.08 Inspecting Agent or Architect. An inspecting agent or architect which may be the lender's (providing Lender Financing) architect or agent shall perform periodic inspections with respect to the Project, providing certifications with respect thereto to HED, prior to requests for disbursement for costs related to the Project hereunder.

3.09 Barricades. Prior to commencing any construction requiring barricades, the Developer shall install a construction barricade of a type and appearance satisfactory to the City and constructed in compliance with all applicable federal, state or City laws, ordinances and regulations. HED retains the right to approve the maintenance, appearance, color scheme, painting, nature, type, content and design of all barricades.

3.10 Signs and Public Relations. The Developer shall erect a sign of size and style approved by the City in a conspicuous location on the Property during the Project, indicating that financing has been provided by the City. The City reserves the right to include the name, photograph, artistic rendering of the Project and other pertinent information regarding the Developer Parties, the Property and the Project in the City's promotional literature and communications.

3.11 Utility Connections. The Developer may connect all on-site water, sanitary, storm and sewer lines constructed on the Property to City utility lines existing on or near the perimeter of the Property, provided the Developer first complies with all City requirements governing such connections, including the payment of customary fees and costs related thereto.

3.12 Permit Fees. In connection with the Project, the Developer shall be obligated to pay only those building, permit, engineering, tap on and inspection fees that are assessed on a uniform basis throughout the City of Chicago and are of general applicability to other property within the City of Chicago.

3.13 Environmental Features. The Project will incorporate green initiatives such as storm water management through the installation of rain gardens to reduce storm water runoff, reduce exterior heat islands through the installation of Energy Star labeled roofing materials, and provide greater insulation and highly efficient energy systems.

3.14 Conveyance of Property.

The following provisions shall govern the City's conveyance of the Property to the Developer:

(a) Purchase Price. The City hereby agrees to sell, and the Developer hereby agrees to purchase, upon and subject to the terms and conditions of this Agreement, the Property, for One Dollar ($1.00) (the "Purchase Price"), which is to be paid to the City on or before the Closing Date in cash or by certified or cashier's check or wire transfer of immediately available funds. The Developer shall pay all escrow fees and other title insurance fees, premiums and closing costs. The Developer acknowledges and agrees that (i) the appraised fair market value of the Property is approximately $542,000 as of July 29, 2013, and (ii) the City has only agreed to sell the Property to the Developer for the Purchase Price because the Developer has agreed to execute this Agreement and comply with its terms and conditions.

(b) Form of Deed. The City shall convey the Property to the Developer by one or more quitclaim deeds (each such deed, the "Deed"), subject to the terms of this Agreement and, without limiting the quitclaim nature of the Deed, the following:

(i) the Redevelopment Plan;

(ii) the standard exceptions in an ALTA title insurance policy;

(iii) all general real estate taxes and any special assessments or other taxes;

(iv) all easements, encroachments, covenants and restrictions of record and not shown of record;

(v) such other title defects as may exist; and

(vi) any and all exceptions caused by the acts of the Developer, its Affiliates and their agents.

(c) Title and Survey. The Developer acknowledges that it has received two commitments for an owner's policy of title insurance for the Property, Commitment No. 40007230, with an effective date of August 15, 2013, issued by the Greater Illinois Title Company (the "City Title Commitment"), showing the City in title to the Property. The Developer shall be solely responsible for and shall pay all costs associated with updating the City Title Commitment (including all search, continuation and later date fees), and obtaining the Title Policy. The City shall have no obligation to cure title defects; provided, however, if there are exceptions for general real estate taxes due or unpaid prior to the Closing Date with respect to the Property or liens for such unpaid property taxes, the City shall, as applicable, request that the County void the unpaid taxes as provided in Section 21-100 of the Property Tax Code, 35 ILCS 200/21-100, or file an application for a Certificate of Error with the Cook County Assessor, or file a tax injunction suit or petition to vacate a tax sale in the Circuit Court of Cook County. If, after taking the foregoing actions and diligently pursuing same, the Property remains subject to any tax liens, or if the Property is encumbered with any other exceptions that would adversely affect the use and insurability of the Property for the development of the Project, the Developer shall have the option to do one of the following: (i) accept title to the Property subject to the exceptions; or (ii) with **[_____ and]** the Developer, terminate this Agreement. If the Developer elects not to terminate this Agreement as aforesaid, the Developer agrees to accept title subject to all exceptions.

(d) The Land Closing. The conveyance of the Property shall take place on the Closing Date at the downtown offices of the Title Company or such other place as the parties may mutually agree upon in writing; provided, however, in no event shall the closing of the land sale occur unless the Developer has satisfied all conditions precedent set forth in this Agreement, unless HED, in its sole discretion, waives such conditions. On or before the Closing Date, the City shall deliver to the Title Company the Deed, all necessary state, county and municipal real estate transfer tax declarations, and an ALTA statement. The City will not provide a gap undertaking.

(e) Recording Costs. The Developer shall pay to record the Deed, this Agreement, and any other documents incident to the conveyance of the Property to the Developer.

(f) "AS IS" SALE. THE DEVELOPER ACKNOWLEDGES THAT IT HAS HAD ADEQUATE OPPORTUNITY TO INSPECT AND EVALUATE THE STRUCTURAL, PHYSICAL AND ENVIRONMENTAL CONDITION AND RISKS OF THE PROPERTY AND ACCEPTS THE RISK THAT ANY INSPECTION MAY NOT DISCLOSE ALL MATERIAL MATTERS AFFECTING THE PROPERTY. THE DEVELOPER AGREES TO ACCEPT THE PROPERTY IN ITS "AS IS," "WHERE IS" AND "WITH ALL FAULTS" CONDITION AT CLOSING WITHOUT ANY COVENANT, REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, OF ANY KIND, AS TO THE STRUCTURAL, PHYSICAL OR ENVIRONMENTAL CONDITION OF THE PROPERTY OR THE SUITABILITY OF THE PROPERTY FOR ANY PURPOSE WHATSOEVER. THE DEVELOPER ACKNOWLEDGES THAT IT IS RELYING SOLELY UPON ITS OWN INSPECTION AND OTHER DUE DILIGENCE ACTIVITIES AND NOT UPON ANY INFORMATION (INCLUDING, WITHOUT LIMITATION, ENVIRONMENTAL STUDIES OR REPORTS OF ANY KIND) PROVIDED BY OR ON BEHALF OF THE CITY OR ITS AGENTS OR EMPLOYEES WITH RESPECT THERETO. THE DEVELOPER AGREES THAT IT IS ITS SOLE RESPONSIBILITY AND OBLIGATION TO PERFORM ANY REMEDIATION WORK AND TAKE SUCH OTHER ACTION AS IS NECESSARY TO PUT THE PROPERTY IN A CONDITION WHICH IS SUITABLE FOR ITS INTENDED USE.

(g) Release and Indemnification. The Developer, on behalf of itself and its officers, directors, employees, successors, assigns and anyone claiming by, through or under them (collectively, "Developer Parties"), hereby release, relinquish and forever discharge the City, its officers, agents and employees, from and against any and all Losses which the Developer or any of the Developer Parties ever had, now have, or hereafter may have, whether grounded in tort or contract or otherwise, in any and all courts or other forums, of whatever kind or nature, whether known or unknown, foreseen or unforeseen, now existing or occurring after the Closing Date, based upon, arising out of or in any way connected with, directly or indirectly (i) any environmental contamination, pollution or hazards associated with the Property or any improvements, facilities or operations located or formerly located thereon, including, without limitation, any release, emission, discharge, generation, transportation, treatment, storage or disposal of Hazardous Materials, or threatened release, emission or discharge of Hazardous Materials; (ii) the structural, physical or environmental condition of the Property, including, without limitation, the presence or suspected presence of Hazardous Materials in, on, under or about the Property or the migration of Hazardous Materials from or to other Property; (iii) any violation of, compliance with, enforcement of or liability under any Environmental Laws, including, without limitation, any governmental or regulatory body response costs, natural resource damages or Losses arising under CERCLA; and (iv) any investigation, cleanup, monitoring, remedial, removal or restoration work required by any federal, state or local

governmental agency or political subdivision or other third party in connection or associated with the Property or any improvements, facilities or operations located or formerly located thereon (collectively, "Released Claims"); provided, however, the foregoing release shall not apply to the extent such Losses are proximately caused by the gross negligence or willful misconduct of the City following the Closing Date. Furthermore, the Developer shall indemnify, defend (through an attorney reasonably acceptable to the City) and hold the City and its officers, agents and employees harmless from and against any and all Losses which may be made or asserted by any third parties (including, without limitation, any of the Developer Parties) arising out of or in any way connected with, directly or indirectly, any of the Released Claims, except as provided in the immediately preceding sentence for the City's gross negligence or willful misconduct following the Closing Date.

(h) Release Runs with the Land. The covenant of release in Section 3.14(g) above shall run with the Property, and shall be binding upon all successors and assigns of the Developer with respect to the Property, including, without limitation, each and every person, firm, corporation, limited liability company, trust or other entity owning, leasing, occupying, using or possessing any portion of the Property under or through the Developer following the date of the Deed. The Developer acknowledges and agrees that the foregoing covenant of release constitutes a material inducement to the City to enter into this Agreement, and that, but for such release, the City would not have agreed to convey the Property to the Developer. It is expressly agreed and understood by and between the Developer and the City that, should any future obligation of the Developer or any of the Developer Parties arise or be alleged to arise in connection with any environmental, soil or other condition of the Property, neither the Developer nor any of the Developer Parties will assert that those obligations must be satisfied in whole or in part by the City because Section 3.14(g) contains a full, complete and final release of all such claims, except as provided in such section for the City's gross negligence or willful misconduct following the Closing Date.

(i) Survival. This Section 3.14 shall survive the Closing Date or any termination of this Agreement (regardless of the reason for such termination).

SECTION 4. FINANCING

4.01 Total Project Cost and Sources of Funds. The cost of the Project is estimated to be $28,321,545, to be applied in the manner stated in the Project Budget and funded from sources identified in **Exhibit H**.

4.02 Developer Funds. Equity, the City Funds and Lender Financing will be used to pay all Project costs, including but not limited to costs of TIF-Funded Improvements.

4.03 City Funds.

(a) Uses of City Funds.

City Funds may only be used to pay directly or reimburse [_____] for costs of TIF-Funded Improvements that constitute Redevelopment Project Costs. **Exhibit C** sets forth, by line item, the TIF-Funded Improvements for the Project, and the maximum amount of costs that may be paid by or reimbursed from City Funds for each line item therein (subject to **Sections 4.03(b)**), contingent upon receipt by the City of documentation satisfactory in form and substance to HED evidencing such cost and its eligibility as a Redevelopment Project Cost. [_____] shall be required to loan or contribute the City Funds to the Developer to reimburse the Developer for the costs of TIF-Funded Improvements or directly pay for the costs of the TIF-Funded Improvements.

(b) Sources of City Funds. Subject to the terms and conditions of this Agreement, including but not limited to this **Section 4.03** and **Section 5** hereof, the City hereby agrees to provide City funds (the "**City Funds**") from the sources and in the amounts described directly below to pay for or reimburse any of the Developer Parties for the costs of the TIF-Funded Improvements:

Source of City Funds	Maximum Amount
Available Incremental Taxes and/or TIF Bond proceeds	$3,030,091

provided, however, that the total amount of City Funds expended for TIF-Funded Improvements shall be an amount not to exceed the lesser of $3,030,091 or 10.67% of the actual total Project costs; and provided further, that the $3,030,091 to be derived from Available Incremental Taxes and/or TIF Bond proceeds, if any, shall be available to pay costs related to TIF-Funded Improvements and allocated by the City for that purpose only so long as the amount of the Available Incremental Taxes deposited into the TIF Fund shall be sufficient to pay for such costs. The City Funds shall be disbursed in two (2) installments. The first installment of City Funds in the amount of $2,000,000 shall be paid upon the issuance of the Certificate, but in no event shall the first installment be made prior to June 30, 2015. The second installment shall be paid after the issuance of the Certificate and no sooner than June 30, 2016, but no later than December 1, 2016.

The Developer Parties acknowledge and agree that the City's obligation to pay for TIF-Funded Improvements up to a maximum of $3,030,091 is contingent upon the fulfillment of the foregoing conditions. In the event that such conditions are not fulfilled, the amount of Equity to be contributed by the Developer Parties pursuant to **Section 4.01** hereof shall increase proportionately.

4.04 Construction Escrow; Requisition Form. HED must approve disbursements of the City Funds from the Escrow. The Developer shall submit a Requisition Form prior to each disbursement of City Funds. The Developer shall meet with HED at the request of HED to discuss the Requisition Form(s) previously delivered. If Lender Financing is provided as contemplated by Section 4.01(a) and Exhibit H to bridge finance the City Funds, then the Developer may direct the amounts payable pursuant to Section 4.03(a) to be paid by the City in accordance with this Agreement to an account established by the Developer with the Lender providing the Lender Financing until the full repayment of the Lender Financing.

4.05 Treatment of Prior Expenditures and Subsequent Disbursements.

(a) Prior Expenditures. Only those expenditures made by any of the Developer Parties with respect to the Project prior to the Closing Date, evidenced by documentation satisfactory to HED and approved by HED as satisfying costs covered in the Project Budget, shall be considered previously contributed Equity or Lender Financing hereunder (the "**Prior Expenditures**"). **Exhibit I** hereto sets forth the prior expenditures approved by HED as of the date hereof as Prior Expenditures. Prior Expenditures made for items other than TIF-Funded Improvements shall not be reimbursed to any of the Developer Parties by the City with City Funds but may be eligible for reimbursement through the Lender Financing or Equity identified in **Section 4.01** hereof.

(b) Allocation Among Line Items. Disbursements for expenditures related to TIF-Funded Improvements may be allocated to and charged against the appropriate line only, with transfers of costs and expenses from one line item to another, without the prior written consent of HED, being prohibited; provided, however, that such transfers among line items, in an amount not to exceed $25,000 or $100,000 in the aggregate, may be made without the prior written consent of HED.

4.06 Cost Overruns. If the aggregate cost of the TIF-Funded Improvements exceeds City Funds available pursuant to **Section 4.03** hereof, or if the cost of completing the Project exceeds the Project Budget, the Developer shall be solely responsible for such excess cost, and shall hold the City harmless from any and all costs and expenses of completing the TIF-Funded Improvements in excess of City Funds and of completing the Project.

4.07 Preconditions of Disbursement. Prior to each disbursement of City Funds hereunder, one or more of the Developer Parties shall submit documentation regarding the applicable expenditures to HED which shall be satisfactory to HED in its sole discretion. Delivery by one or more of the Developer Parties to HED of any request for disbursement of City Funds hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for disbursement, that:

(a) the total amount of the Requisition Form represents the actual cost of the actual amount payable to (or paid to) the contractors who have performed work on the Project, and/or their payees, and/or (ii) the architect for the inspections performed in monitoring the construction of the Project;

(b) all amounts shown as previous payments on the current Requisition Form have been paid to the parties entitled to such payment;

(c) the Developer has approved all work and materials for the current Requisition Form, and such work and materials conform to the Plans and Specifications;

(d) the representations and warranties contained in this Redevelopment Agreement are true and correct and the Developer Parties are in compliance with all covenants contained herein;

(e) none of the Developer Parties have received notice and have no knowledge of any liens or claim of lien either filed or threatened against the Property except for the Permitted Liens;

(f) no Event of Default or condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default exists or has occurred; and

(g) the Project is In Balance. The Project shall be deemed to be in balance ("**In Balance**") only if the total of the Available Project Funds (as defined hereinafter) equals or exceeds the aggregate of the amount necessary to pay all unpaid Project costs incurred or to be incurred in the completion of the Project. "**Available Project Funds**" as used herein shall mean: (i) the undisbursed City Funds; (ii) the undisbursed Lender Financing, if any; (iii) the undisbursed Equity and (iv) any other amounts deposited by any of the Developer Parties pursuant to this Agreement. The Developer hereby agrees that, if the Project is not In Balance, the Developer shall, within 10 days after a written request by the City, deposit with the escrow agent or will make available (in a manner acceptable to the City), cash in an amount that will place the Project In Balance, which deposit shall first be exhausted before any further disbursement of the City Funds shall be made.

The City shall have the right, in its discretion, to require the Developer Parties to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and any disbursement by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Developer Parties. In addition, the Developer Parties shall have satisfied all other preconditions of disbursement of City Funds for each disbursement, including but not limited to requirements set forth in the TIF Bond Ordinance, if any, the TIF Bonds, if any, the TIF Ordinances, this Agreement and/or the Escrow Agreement.

Notwithstanding any other provision in this Agreement, the City shall not terminate this Agreement or suspend disbursement of the City Funds upon the occurrence of an Event of Default unless foreclosure proceedings have been commenced under the mortgage securing the Lender Financing or a deed in lieu of such foreclosure has been executed and delivered and provided that the lender providing the Lender Financing has not cured the Event of Default within the curative time period provided under **Section 15.03**.

4.08 Sale or Transfer of the Property or Project by Developer.

(a) Prior to the Date of Issuance of the Certificate. Developer must obtain the prior approval of the City for any sale or transfer of any part of the Property or the Project prior to the issuance of the Certificate. Such approval by the City will be subject to the reasonable discretion requirement stated in **Section 18.14**.

(b) After the Date of Issuance of the Certificate. After the date of the Certificate, Developer need not obtain prior approval for any sale or transfer of any part of the Property or the Project. Developer must, however, notify the City not less than 60 days before any closing of sale of Developer's intention to sell any part of the Property or the Project. Developer must provide the City with true and correct copies of any contract for sale and related documents as part of such notice.

(c) Permitted Transfers. Notwithstanding anything herein to the contrary, City will permit (i) Developer's investor member to transfer its investor member interest to any person at any time and (ii) City will permit investor member to remove Legends C-3 Manager, LLC, the

manager of Developer, in accordance with Developer's operating agreement, provided the substitute managing member is acceptable to City in its reasonable discretion.

4.09 Conditional Grant. The City Funds being provided hereunder are being granted on a conditional basis, subject to the Developer Parties' compliance with the provisions of this Agreement. The City Funds disbursed are subject to being reimbursed upon the Developer Parties' noncompliance with the provisions of this Agreement.

The Developer's right to challenge real estate taxes applicable to the Property is limited as provided for in **Section 8.18(c)** below; provided, that such real estate taxes must be paid in full when due and may be disputed only after such payment is made. No such contest or objection shall be deemed or construed in any way as relieving, modifying or extending the Developer's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless the Developer has given prior written notice to HED of the Developer's intent to contest or object to a Governmental Charge and, unless, at HED's sole option,

(iii) the Developer shall demonstrate to HED's satisfaction that legal proceedings instituted by the Developer contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of, all or any part of the Property to satisfy such Governmental Charge prior to final determination of such proceedings; and/or

(iv) the Developer shall furnish a good and sufficient bond or other security satisfactory to HED in such form and amounts as HED shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such

9.02 Survival of Covenants. All warranties, representations, and covenants of the City contained in this **Section 9** or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement, and shall survive the execution,

delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

SECTION 10. DEVELOPER PARTIES' EMPLOYMENT OBLIGATIONS

10.01 Employment Opportunity. The Developer Parties on behalf of themselves and their successors and assigns, hereby agree, and shall contractually obligate its or their various contractors, subcontractors or any Affiliate of the Developer Parties operating on the Property (collectively, with the Developer Parties, the "**Employers**" and individually an "**Employer**") to agree, that for the Term of this Agreement with respect to Developer Parties during the period of any other party's provision of services in connection with the construction of the Project or occupation of the Property:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time to time (the "**Human Rights Ordinance**"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Redevelopment Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

(c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this **Section 10.01** shall be a basis for the City to pursue remedies under the provisions of **Section 15.02** hereof.

10.02 City Resident Construction Worker Employment Requirement. The Developer Parties agree for themselves and their successors and assigns, and shall contractually obligate their contractors and subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code of Chicago (at least 50 percent of the total worker hours worked by persons on the site of the Project shall be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, the Developer Parties, their contractors and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

The Developer Parties may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

"**Actual residents of the City**" shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

The Developer Parties, the contractors and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of HED in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

The Developer Parties, the contractors and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of HED, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. The Developer Parties, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

At the direction of HED, affidavits and other supporting documentation will be required of the Developer Parties, the contractors and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of the Developer Parties, the contractors and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that the Developer Parties have failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by the Developer Parties to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer Parties, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to the Developer Parties pursuant to Section 2-92-250 of the Municipal Code of Chicago may be withheld by the City pending the Chief Procurement Officer's determination as to whether the Developer Parties must surrender damages as provided in this paragraph.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246 " and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

The Developer Parties shall cause or require the provisions of this **Section 10.02** to be included in all construction contracts and subcontracts related to the Project.

10.03. MBE/WBE Commitment. Consistent with the findings which support the Minority-Owned and Women-Owned Business Enterprise Procurement Program (the "MBE/WBE Program"), Section 2-92-420 et seq., Municipal Code of Chicago, and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this **Section 10.03**, during the course of construction of the Project, at least the following percentages of hard construction costs as set forth in the Project Budget (as set forth in **Exhibit H** hereto) shall be expended for contract participation by minority-owned businesses ("MBEs") and by women-owned businesses ("WBEs") as follows:

a. at least 24 percent by MBEs;
b. at least 4 percent by WBEs.

Consistent with Section 2-92-440, Municipal Code of Chicago, the Developer Parties' MBE/WBE commitment may be achieved in part by the Developer Parties' status as an MBE or

WBE (but only to the extent of any actual work performed on the Project by the Developer Parties) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by the Developer Parties utilizing a MBE or a WBE as a contractor (but only to the extent of any actual work performed on the Project by such contractor), by subcontracting a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer Parties' MBE/WBE commitment as described in this **Section 10.03**.

The Developer Parties shall deliver quarterly reports to HED during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer Parties or a contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist HED in determining the Developer Parties' compliance with this MBE/WBE commitment. The Developer Parties shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and HED shall have access to all such records maintained by the Developer Parties, on five Business Days' notice, to allow the City to review the Developer Parties' compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

Upon the disqualification of any MBE or WBE contractor or subcontractor, if such status was misrepresented by the disqualified party, the Developer Parties shall be obligated to discharge or cause to be discharged the disqualified contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this **Section 10.03**, the disqualification procedures are further described in Section 2-92-540, Municipal Code of Chicago.

Any reduction or waiver of the Developer Parties' MBE/WBE commitment as described in this **Section 10.03** shall be undertaken in accordance with Section 2-92-450, Municipal Code of Chicago.

Prior to the commencement of the Project, the Developer Parties shall be required to meet with the monitoring staff of HED with regard to the Developer Parties' compliance with its obligations under this **Section 10.03**. All contractors and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, the Developer Parties shall demonstrate to HED their plan to achieve their obligations under this **Section 10.03**, the sufficiency of which shall be approved by HED. During the Project, the Developer Parties shall submit the documentation required by this **Section 10.03** to the monitoring staff of HED. Failure to submit such documentation on a timely basis, or a determination by HED, upon analysis of the documentation, that the Developer Parties are not complying with their obligations under this **Section 10.03**, shall, upon the delivery of written notice to the Developer Parties, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided hereunder, the City may: (1) issue a written demand to the Developer Parties to halt the Project, (2) withhold any further payments to, or on behalf of, the Developer

Parties, or (3) seek any other remedies against the Developer Parties available at law or in equity.

The Developer Parties will include the foregoing provisions in every contract entered into in connection with the Project and every agreement with any Affiliate operating on the Property so that such provision will be binding upon each contractor or Affiliate, as the case may be.

SECTION 11. ENVIRONMENTAL MATTERS

The Developer Parties hereby represent and warrant to the City that the Developer Parties have conducted environmental studies sufficient to conclude that the Project may be constructed, completed and operated in accordance with all Environmental Laws and this Agreement and all Exhibits attached hereto, the Scope Drawings, Plans and Specifications and all amendments thereto, and the Redevelopment Plan.

Without limiting any other provisions hereof, the Developer Parties agree to indemnify, defend and hold the City harmless from and against any and all losses, liabilities, damages, injuries, costs, expenses or claims of any kind whatsoever including, without limitation, any losses, liabilities, damages, injuries, costs, expenses or claims asserted or arising under any Environmental Laws incurred, suffered by or asserted against the City as a direct or indirect result of any of the following, regardless of whether or not caused by, or within the control of the Developer Parties: (i) the presence of any Hazardous Material on or under, or the escape, seepage, leakage, spillage, emission, discharge or release of any Hazardous Material from (A) all or any portion of the Property or (B) any other real property in which the Developer Parties or any person directly or indirectly controlling, controlled by or under common control with the Developer Parties, holds any estate or interest whatsoever (including, without limitation, any property owned by a land trust in which the beneficial interest is owned, in whole or in part, by the Developer Parties), or (ii) any liens against the Property permitted or imposed by any Environmental Laws, or any actual or asserted liability or obligation of the City or the Developer Parties or any of its Affiliates under any Environmental Laws relating to the Property.

The Developer must submit evidence of insurance on the City of Chicago Insurance Certificate Form (copy attached) or equivalent prior to closing. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Developer is not a waiver by the City of any requirements for the Developer to obtain and maintain the specified coverages. The Developer shall advise all insurers of the Agreement provisions regarding insurance. (iv) the Developer Parties' failure to cure any misrepresentation in this Agreement or any other agreement relating hereto;

provided, however, that Developer Parties shall have no obligation to an Indemnitee arising from the wanton or willful misconduct of that Indemnitee. To the extent that the preceding sentence may be unenforceable because it violates any law or public policy, Developer Parties shall contribute the maximum portion that they are permitted to pay and satisfy under the applicable law, to the payment and satisfaction of all indemnified liabilities incurred by the Indemnitees or any of them. The provisions of the undertakings and indemnification set out in this **Section 13.01** shall survive the termination of this Agreement.

SECTION 14. MAINTAINING RECORDS/RIGHT TO INSPECT

14.01 Books and Records. The Developer Parties shall keep and maintain separate, complete, accurate and detailed books and records necessary to reflect and fully disclose the total actual cost of the Project and the disposition of all funds from whatever source allocated thereto, and to monitor the Project. SECTION 15. DEFAULT AND REMEDIES

(a) the failure of the Developer Parties to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer Parties under this Agreement or any related agreement;

(b) the failure of the Developer Parties to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer Parties under any other agreement with any person or entity if such failure may have a material adverse effect on the Developer Parties' business, property, assets, operations or condition, financial or otherwise;

(c) the making or furnishing by the Developer Parties to the City of any representation, warranty, certificate, schedule, report or other communication within or in connection with this Agreement or any related agreement which is untrue or misleading in any material respect;

(d) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of, or any attempt to create, any lien or other encumbrance upon the Property, including any fixtures now or hereafter attached thereto, other than the Permitted Liens, or the making or any attempt to make any levy, seizure or attachment thereof;

(e) the commencement of any proceedings in bankruptcy by or against the Developer Parties or for the liquidation or reorganization of the Developer Parties, or alleging that the Developer Parties are insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of the Developer Parties' debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving the Developer Parties; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within ninety (90) days after the commencement of such proceedings;

(f) the appointment of a receiver or trustee for the Developer Parties, for any substantial part of the Developer Parties' assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of the Developer Parties; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within ninety (90) days after the commencement thereof;

(g) the entry of any judgment or order against the Developer Parties which remains unsatisfied or undischarged and in effect for ninety (90) days after such entry without a stay of enforcement or execution;

(h) the occurrence of an event of default under the Lender Financing, which default is not cured within any applicable cure period;

(i) the dissolution of the Developer Parties or the death of any natural person who owns a material interest in the Developer Parties;

(j) the institution in any court of a criminal proceeding (other than a misdemeanor) against the Developer Parties, or any natural person who owns a material interest in the Developer Parties, which is not dismissed within thirty (30) days, or the indictment of the Developer Parties or any natural person who owns a material interest in the Developer Parties, for any crime (other than a misdemeanor); or

(k) prior to the expiration of the Term of the Agreement, the sale or transfer of a majority of the ownership interests of the Developer Parties without the prior written consent of the City, except that the Developer's investor member may sell its membership interest in the Developer without the prior written consent of the City.

For purposes of **Sections 15.01(i)** and **15.01(j)** hereof, a person with a material interest in the Developer shall be one owning in excess of thirty-three percent (33%) of the Developer's member interests.

15.02 Remedies. Upon the occurrence of an Event of Default, the City may terminate this Agreement and all related agreements, and may suspend disbursement of City Funds. Additionally, upon the occurrence of an Event of Default in relation to **Section 8.19**, the Developer Parties [or Affiliates] shall reimburse the City all of the City Funds disbursed to any one of the Developer Parties to date. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to reimbursement of all or part of the City Funds, injunctive relief or the specific performance of the agreements contained herein.

15.03 Curative Period.

(a) In the event the Developer Parties shall fail to perform a monetary covenant which Developer Parties are required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Developer Parties have failed to perform such monetary covenant within ten (10) days of its receipt of a written notice from the City specifying that it has failed to perform such monetary covenant. In the event the Developer Parties shall fail to perform a non-monetary covenant which the Developer Parties are required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Developer Parties have failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such thirty (30) day period, the Developer Party shall not be deemed to have committed an Event of Default under this Agreement if they have commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

(b) Right to Cure by Lenders and Investors. In the event that an Event of Default occurs under this Agreement, and if, as a result thereof, the City intends to exercise any right or remedy available to it that could result in the termination of this Agreement or the cancellation, suspension, or reduction of any payment due from the City under this Agreement, the City shall send notice of such intended exercise to the parties identified in Section 17 and to any Lender providing Lender Financing and any Lender providing Lender Financing or the members of the Developer shall have the right (but not the obligation) to cure such an Event of Default under the following conditions:

(i) if the Event of Default is a monetary default, any party entitled to cure such default may cure it within 30 days after the later of: (a) the expiration of the cure period, if any, granted to the Developer with respect to such monetary default; or (b) receipt by the Lenders of such notice from the City; and

(ii) if the Event of Default is of a non-monetary nature, any party entitled to cure such default shall have the right to cure it within 30 days after the later of: (a) the expiration of the cure period, if any, granted to the Developer with respect to such non-monetary default; or (b) receipt of such notice from the City; provided, however, that if such non-monetary default is not reasonably capable of being cured by the Lenders within such 30-day period, such period shall be extended for such reasonable period of time as may be necessary to cure such default, provided that the party seeking such cure must continue diligently to pursue such cure and, if possession of the Project is necessary to effect such cure, the party seeking such cure must have instituted appropriate legal proceedings to obtain possession.

SECTION 16. MORTGAGING OF THE PROJECT

All mortgages or deeds of trust in place as of the date hereof with respect to the Property or any portion thereof are listed on **Exhibit G** hereto (including but not limited to mortgages made prior to or on the date hereof in connection with Lender Financing) and are referred to herein as the "**Existing Mortgages**." Any mortgage or deed of trust that the Developer Parties may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof is referred to herein as a "**New Mortgage**." Any New Mortgage that the Developer Parties may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof with the prior written consent of the City is referred to herein as a "**Permitted Mortgage**." It is hereby agreed by and between the City and the Developer Parties as follows:

(a) In the event that a mortgagee or any other party shall succeed to the Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under a New Mortgage (other than a Permitted Mortgage), whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of the Developer's interest hereunder in accordance with **Section 18.15** hereof, the City may, but shall not be obligated to, attorn to and recognize such party as the successor in interest to the Developer for all purposes under this Agreement and, unless so recognized by the City as the successor in interest, such party shall be entitled to no rights or benefits under this Agreement, but such party shall be bound by those provisions of this Agreement that are covenants expressly running with the land.

(b) In the event that any mortgagee shall succeed to the Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under an Existing Mortgage or a Permitted Mortgage, whether by foreclosure or deed in lieu of foreclosure, and in

conjunction therewith accepts an assignment of the Developer's interest hereunder in accordance with **Section 18.15** hereof, the City hereby agrees to attorn to and recognize such party as the successor in interest to the Developer Parties for all purposes under this Agreement so long as such party accepts all of the obligations and liabilities of "the Developer Parties" hereunder; provided, however, that, notwithstanding any other provision of this Agreement to the contrary, it is understood and agreed that if such party accepts an assignment of the Developer Parties' interest under this Agreement, such party has no liability under this Agreement for any Event of Default of the Developer Parties which accrued prior to the time such party succeeded to the interest of the Developer Parties under this Agreement, in which case the Developer Parties shall be solely responsible. However, if such mortgagee under a Permitted Mortgage or an Existing Mortgage does not expressly accept an assignment of the Developer Parties' interest hereunder, such party shall be entitled to no rights and benefits under this Agreement, and such party shall be bound only by those provisions of this Agreement, if any, which are covenants expressly running with the land.

(c) Prior to the issuance by the City to the Developer Parties of a Certificate pursuant to **Section 7** hereof, no New Mortgage shall be executed with respect to the Property or any portion thereof without the prior written consent of the Commissioner of HED.

SECTION 18. MISCELLANEOUS

18.01 Amendment. This Agreement and the Exhibits attached hereto may not be amended or modified without the prior written consent of the parties hereto; provided, however, that the City, in its sole discretion, may amend, modify or supplement **Exhibit D** hereto without the consent of any party hereto. It is agreed that no material amendment or change to this Agreement shall be made or be effective unless ratified or authorized by an ordinance duly adopted by the City Council. The term "material" for the purpose of this **Section 18.01** shall be defined as any deviation from the terms of the Agreement which operates to cancel or otherwise reduce any developmental, construction or job-creating obligations of Developer Parties (including those set forth in **Sections 10.02** and **10.03** hereof) by more than five percent (5%) or materially changes the Project site or character of the Project or any activities undertaken by Developer Parties affecting the Project site, the Project, or both, or increases any time agreed for performance by the Developer Parties by more than ninety (90) days.

18.02 Entire Agreement. This Agreement (including each Exhibit attached hereto, which is hereby incorporated herein by reference) constitutes the entire Agreement between the parties hereto and it supersedes all prior agreements, negotiations and discussions between the parties relative to the subject matter hereof.

18.03 Limitation of Liability. No member, official or employee of the City shall be personally liable to the Developer Parties or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer Parties from the City or any successor in interest or on any obligation under the terms of this Agreement.

18.04 Further Assurances. The Developer Parties agree to take such actions, including the execution and delivery of such documents, instruments, petitions and certifications as may become necessary or appropriate to carry out the terms, provisions and intent of this Agreement.

18.05 Waiver. Waiver by the City or the Developer Parties with respect to any breach of this Agreement shall not be considered or treated as a waiver of the rights of the respective party with respect to any other default or with respect to any particular default, except to the extent specifically waived by the City or the Developer Parties in writing. No delay or omission on the part of a party in exercising any right shall operate as a waiver of such right or any other right unless pursuant to the specific terms hereof. A waiver by a party of a provision of this Agreement shall not prejudice or constitute a waiver of such party's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by a party, nor any course of dealing between the parties hereto, shall constitute a waiver of any such parties' rights or of any obligations of any other party hereto as to any future transactions.

18.06 Remedies Cumulative. The remedies of a party hereunder are cumulative and the exercise of any one or more of the remedies provided for herein shall not be construed as a waiver of any other remedies of such party unless specifically so provided herein.

18.07 Disclaimer. Nothing contained in this Agreement nor any act of the City shall be deemed or construed by any of the parties, or by any third person, to create or imply any

relationship of third-party beneficiary, principal or agent, limited or general partnership or joint venture, or to create or imply any association or relationship involving the City.

18.10 Severability. If any provision in this Agreement, or any paragraph, sentence, clause, phrase, word or the application thereof, in any circumstance, is held invalid, this Agreement shall be construed as if such invalid part were never included herein and the remainder of this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

18.11 Conflict. In the event of a conflict between any provisions of this Agreement and the provisions of the TIF Ordinances, such ordinance(s) shall prevail and control.

18.12 Governing Law. This Agreement shall be governed by and construed in accordance with the internal laws of the State of Illinois, without regard to its conflicts of law principles.

18.13 Form of Documents. All documents required by this Agreement to be submitted, delivered or furnished to the City shall be in form and content satisfactory to the City.

18.14 Approval. Wherever this Agreement provides for the approval or consent of the City, HED or the Commissioner, or any matter is to be to the City's, HED's or the Commissioner's satisfaction, unless specifically stated to the contrary, such approval, consent or satisfaction shall be made, given or determined by the City, HED or the Commissioner in writing and in the reasonable discretion thereof. The Commissioner or other person designated by the Mayor of the City shall act for the City or HED in making all approvals, consents and determinations of satisfaction, granting the Certificate or otherwise administering this Agreement for the City.

Except as otherwise provided herein, this Agreement shall not run to the benefit of, or be enforceable by, any person or entity other than a party to

this Agreement and its successors and permitted assigns. This Agreement should not be deemed to confer upon third parties any remedy, claim, right of reimbursement or other right.

18.17 Force Majeure. Neither the City, the Developer Parties nor any successor in interest to any of them shall be considered in breach of or in default of its obligations under this Agreement in the event of any delay caused by damage or destruction by fire or other casualty, strike, shortage of material, unusually adverse weather conditions such as, by way of illustration and not limitation, severe rain storms or below freezing temperatures of abnormal degree or for an abnormal duration, tornadoes or cyclones, and other events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations hereunder. The individual or entity relying on this section with respect to any such delay shall, upon the occurrence of the event causing such delay, immediately give written notice to the other parties to this Agreement. The individual or entity relying on this section with respect to any such delay may rely on this section only to the extent of the actual number of days of delay effected by any such events described above.

Failure by the Developer Parties to provide such notice as described above may result in the termination of all or a part of the payment or reimbursement obligations of the City set forth herein.

18.20 Venue and Consent to Jurisdiction. If there is a lawsuit under this Agreement, each party hereto agrees to submit to the jurisdiction of the courts of Cook County, the State of Illinois and the United States District Court for the Northern District of Illinois.

18.21 Costs and Expenses. In addition to and not in limitation of the other provisions of this Agreement, Developer Parties agree to pay upon demand the City's out-of-pocket expenses, including attorney's fees, incurred in connection with the enforcement of the provisions of this Agreement. This includes, subject to any limits under applicable law, attorney's fees and legal expenses, whether or not there is a lawsuit, including attorney's fees for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals and any anticipated post-judgment collection services. Developer Parties also will pay any court costs, in addition to all other sums provided by law.

I have acted as counsel to Legends C-3, LLC, an Illinois limited liability company (the "Developer") and its managing member, Legends C-3 Manager, LLC, an Illinois limited liability company (the "Managing Member"), in connection with the acquisition of certain land and the construction of certain facilities thereon located in the 47th and King Redevelopment Project Area (the "Project"). In that capacity, I have examined, among other things, the following agreements, instruments and documents of even date herewith, hereinafter referred to as the "Documents":

(a) Legends C-3, LLC Redevelopment Agreement (the "Agreement") of even date herewith, executed by the Developer, the [_____] and the City of Chicago (the "City"); and

(b) all other agreements, instruments and documents executed in connection with the foregoing.

In addition to the foregoing, I have examined:

(a) the original or certified, conformed or photostatic copies of (1) the Developer's (i) Articles of Organization, (ii) operating agreement, (iii) By-Laws, if any, (iv) the certificate of good standing, and (v) records of all members' proceedings relating to the Project; and (2) the Managing Member's (i) Articles of Organization, (ii) operating agreement, (iii) By-Laws, if any, (iv) the certificate of good standing, and (v) records of all members' proceedings relating to the Project; and

(b) such other documents, records and legal matters as I have deemed necessary or relevant for purposes of issuing the opinions hereinafter expressed.

In all such examinations, I have assumed the genuineness of all signatures (other than those of the Developer and the Managing Member), the authenticity of documents submitted to us as originals and conformity to the originals of all documents submitted to us as certified, conformed or photostatic copies.

Based on the foregoing, it is my opinion that:

1. The Developer is a limited liability company, duly organized and validly existing under the laws of its state of formation, has full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a limited liability company under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business. The Managing Member is a limited liability company, duly organized, validly existing and in good standing under the laws of its state of incorporation, has full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a foreign corporation under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business.

2. The Developer and the Managing Member have full right, power and authority to execute and deliver the Documents to which they are a party and to perform their obligations thereunder. Such execution, delivery and performance will not conflict with, or result in a breach of, the Developer's operating agreement or the Managing Member's articles of organization, or result in a breach or other violation of any of the terms, conditions or provisions of any law or regulation, order, writ, injunction or decree of any court, government or regulatory authority, or, to the best of my knowledge after diligent inquiry, any of the terms, conditions or provisions of any agreement, instrument or document to which the Developer or the Managing Member is a party or by which the Developer or the Managing Member or its properties is bound. To the best of my knowledge after diligent inquiry, such execution, delivery and performance will not constitute grounds for acceleration of the maturity of any agreement, indenture, undertaking or other instrument to which the Developer or the Managing Member is a party or by which it or any of its property may be bound, or result in the creation or imposition of (or the obligation to create or impose) any lien, charge or encumbrance on, or security interest in, any of its property pursuant to the provisions of any of the foregoing, other than liens or security interests in favor of the lender providing Lender Financing (as defined in the Agreement).

3. The execution and delivery of each Document and the performance of the transactions contemplated thereby have been duly authorized and approved by all requisite action on the part of the Developer and the Managing Member.

4. Each of the Documents to which the Developer or the Managing Member is a party has been duly executed and delivered by a duly authorized officer of the Developer or the Managing Member, as applicable, and each such Document constitutes the legal, valid and binding obligation of the Developer or the Managing Member enforceable in accordance with its terms, except as limited by applicable bankruptcy, reorganization, insolvency or similar laws affecting the enforcement of creditors' rights generally.

5. To the best of my knowledge after diligent inquiry, no judgments are outstanding against the Developer or the Managing Member nor is there now pending or threatened, any litigation, contested claim or governmental proceeding by or against the Developer or the Managing Member or affecting the Developer or the Managing Member or its property, or seeking to restrain or enjoin the performance by the Developer or the Managing Member of the Agreement or the transactions contemplated by the Agreement, or contesting the

validity thereof. To the best of my knowledge after diligent inquiry, the Developer or the Managing Member is not in default with respect to any order, writ, injunction or decree of any court, government or regulatory authority or in default in any respect under any law, order, regulation or demand of any governmental agency or instrumentality, a default under which would have a material adverse effect on the Developer or, the Managing Member or its business.

6. To the best of my knowledge after diligent inquiry, there is no default by the Developer or the Managing Member or any other party under any material contract, lease, agreement, instrument or commitment to which the Developer or the Managing Member is a party or by which the company or its properties is bound.

7. To the best of my knowledge after diligent inquiry, all of the assets of the Developer or the Managing Member are free and clear of mortgages, liens, pledges, security interests and encumbrances except for those specifically set forth in the Documents.

8. The execution, delivery and performance of the Documents by the Developer or the Managing Member have not and will not require the consent of any person or the giving of notice to, any exemption by, any registration, declaration or filing with or any taking of any other actions in respect of, any person, including without limitation any court, government or regulatory authority.

9. To the best of my knowledge after diligent inquiry, the Developer or the Managing Member own or possess or is licensed or otherwise have the right to use all licenses, permits and other governmental approvals and authorizations, operating authorities, certificates of public convenience, goods carriers permits, authorizations and other rights that are necessary for the operation of its business.

10. A federal or state court sitting in the State of Illinois and applying the choice of law provisions of the State of Illinois would enforce the choice of law contained in the Documents and apply the law of the State of Illinois to the transactions evidenced thereby.

I am admitted to practice in the State of Illinois and I express no opinion as to any laws other than federal laws of the United States of America and the laws of the State of Illinois.

This opinion is issued at the Developer's and the Managing Member's request for the benefit of the City and its counsel, and may not be disclosed to or relied upon by any other person.

Very truly yours,

RECITALS

WHEREAS, Delta and City are parties to the Cargo Building Site Lease dated as of June 22, 1973 (as amended, the "Delta Cargo Lease"), pursuant to which Delta leases certain premises (the "Premises") at Chicago O'Hare International Airport (the "Airport"), which Premises include, without limitation, a Cargo Building (the "Delta Cargo Building").

WHEREAS, Delta wishes to be relieved of its obligations under such Cargo Lease

NOW, THEREFORE, in consideration of the foregoing recitals and the parties' respective conditions, agreements, covenants and undertakings under this Agreement, and intending to be legally bound hereby, the parties agree as follows:

1. Termination of Cargo Lease. Delta and City hereby agree to terminate the Cargo Lease, on the terms and subject to the conditions of this Agreement. Execution of this Agreement will evidence the mutual understanding and agreement that the Delta Cargo Lease be terminated as of the Effective Date set forth above. The termination of the Delta Cargo Lease on the agreed Effective Date shall not affect any of the rights or obligations of Delta or the City accruing prior to such Effective Date. Any payments required or due from City or Delta under the Delta Cargo Lease for time periods prior to the Effective Date shall be made promptly. City agrees to release, and does hereby release, Delta from all obligations under the Delta Cargo Lease arising from and after the Effective Date.

The Personal Property conveyed to the City shall be free from any liens or encumbrances created or permitted to be created by Delta. On the Effective Date, Delta shall deliver or cause the delivery to City of the Bill of Sale duly executed by Delta.

City acknowledges that the Premises may require repairs, and may contain asbestos building materials, lead-based paint, radon gas, hydrocarbon products and other hazardous substances. This Agreement constitutes City's acceptance of the Premises on the Effective Date in its then-current physical and environmental condition and City's waiver to the fullest extent permitted by applicable law of any and all rights, claims, and causes of action that City may then or thereafter have against Delta arising out of or relating to the physical or environmental condition of the Premises.

It will not be necessary in making proof of this Agreement to produce or account for more than a single counterpart containing the respective signatures of, or on behalf of, each of the parties hereto. Any signature page may be detached from one counterpart and then attached to a second counterpart with identical provisions without impairing the legal effect of the signatures on the signature page.

9. Partial Invalidity. In the event that any provision of this Agreement will be deemed invalid, unenforceable or illegal, all remaining provisions of this Agreement will remain in full force and effect, provided, however, that if, in such event, the purpose of this Agreement is defeated, significantly compromised or frustrated, the parties shall use their respective good faith efforts to negotiate the reformation or modification of this Agreement, as appropriate, in order to carry out their intent.

10. No Implied Waiver. The failure or delay on the part of either party to enforce or exercise any of the rights set forth in this Agreement shall not constitute a waiver of such party's right to demand strict compliance with the terms of this Agreement, and the waiver by either party of any default or breach by the other party of any provision of this Agreement shall not operate as, or be deemed to operate as, a waiver of any subsequent or other default or breach.

11. No Third Party Beneficiaries. Nothing in this Agreement is intended to confer any rights to, or impose any obligations on, any person not a party hereto or the parties' respective duly authorized successors and assigns. Nothing in this Agreement is intended to relieve, discharge or limit the obligation or liability of any person to the parties or either one of them.

12. Governing Law. This Agreement and any action in tort arising in connection with this Agreement shall be governed, construed, interpreted and enforced in accordance with the laws of the State of Illinois, without regard to any choice of law principles.

13. Time of the Essence. The parties acknowledge and agree that time is of the essence in the performance of each and every covenant, obligation, requirement and condition of this Agreement.

14. Attorneys' Fees. In the event that any action or proceeding shall be brought by either party in order to enforce any provision of this Agreement, each party shall bear its own costs incurred in connection therewith, including attorneys' fees.

15. Interpretation. In this Agreement, unless otherwise expressly indicated or except where the context clearly requires otherwise:

A. The terms "hereto," "herein," "hereof," "hereunder" or any terms of similar meaning or import will be deemed to refer to this Agreement; the term "hereafter" will mean after, and the term "heretofore" will mean before the date of execution and delivery of this Agreement.

D. The phrase "and/or" will mean that any one of the referenced alternatives or combinations thereof will suffice or may be applicable.

E. The words "include" or "including" will not be construed as words of limitation, but will be construed as if followed by the phrase "but not limited to."

F. Terms "persons" will include corporations, partnerships, trusts, firms, associations, trusts and other legal entities, including public bodies, as well as natural persons.

G. Verbs used in the present tense will include the future tense, as the context may require.

Section 2.02 - Adjustment of Area of Premises. City shall have the right to re-measure the Premises, or any portion thereof, at any time during the Term of this Agreement upon the occurrence of any circumstances, including but not limited to the construction or alteration of Improvements and modifications to taxiways, taxilanes and service roads, that may, in the opinion of the Commissioner, warrant a re-measurement of the Premises. Any change in the square footage of the Premises resulting from such a re-measurement and any corresponding change in Rent resulting therefrom, shall be indicated on the applicable exhibits hereto without the necessity of an amendment to this Agreement.

Section 2.03 - Easements and Rights of Entry.

A. Signature's leasing of the Premises is subject to any and all easements, licenses and other rights of entry with respect to the Premises granted to or vested in any other governmental entities or agencies, such as the FAA or TSA.

B. Signature acknowledges that there currently exist, and that City may grant in the future, easements and rights of entry on, over and/or under the Premises for the benefit of suppliers and/or owners of utilities that service the Airport, and Signature hereby consents

to any such easements or rights of entry whether now in existence or granted during the term of this Agreement.

C. The City hereby reserves unto itself and other users of the Airport the rights and easements to those areas of the Premises identified as service roads for ground vehicles and taxiways and taxilanes for aircraft, as may be necessary for the ground vehicles and aircraft of users of the Airport other than Signature to move on or over the Premises on such service roads and taxiways and taxilanes. The City further reserves unto itself the right to relocate such service roads and taxiways and taxilanes from time to time, all at the City's own cost. City shall use all reasonable efforts to minimize the impact of any such relocation upon Signature's operations. In the event that such a relocation renders a portion of the Premises unusable, the City will delete the square footage of that unusable portion from the calculation of Rent for the period that such portion remains unusable. For the purposes of calculating Ground Rent, the square footage within such easements for service roads and taxiways and taxilanes has been and will be excluded from such calculations.

D. The City hereby reserves such rights and such easements as may be necessary to enter onto the Premises for the purpose of conducting any operations related to the function of the Airport without such entering causing or constituting a termination of this Agreement, including, without limitation, the right to do all things necessary to operate and maintain water mains, sewer mains and other utilities that may exist beneath the surface of the Premises and to service any antennas or communications facilities now or hereafter located on the roofs of buildings located on the Premises. (The City shall operate and maintain only its water mains and sewer mains, and assumes no responsibility or liability for the operation or maintenance of any sewer or water laterals within the Premises that are used exclusively by Signature.) The City, its officers, employees, agents, representatives, contractors, and furnishers of utilities and other services, shall have the right at all reasonable times to enter the Premises for the purpose of inspecting the same, for emergency repairs to utilities systems, and for any other purpose necessary for, incidental to, or connected with the performance of City's obligations hereunder, or in the exercise of its governmental functions.

E. City agrees to use reasonable efforts to not unreasonably interfere, or to cause grantees of easements not to unreasonably interfere, with Signature's use and possession of the Premises when exercising any of the rights reserved under this Section 2.03.

Section 2.04 - Permitted Uses (Mandatory and Discretionary). Subject to the terms and provisions contained in this Agreement, all applicable rules, regulations, laws, ordinances, codes and orders of any federal, state or local government or subdivision thereof in connection with the conduct of aeronautical activities by Signature at the Airport, Signature is hereby granted the use of the Premises for the following purposes:

A. Primary (Mandatory) Commercial Support Services. Signature must perform the following enumerated services at the Airport to support general aircraft operating at the

Airport and other Airport users soliciting from Signature any of the services usually supplied by a fixed base operator. Signature shall perform its services in accordance with those minimum standards as may be established by the Commissioner pursuant to FAA Circular No. 150/5190-7, "Minimum Standards for Commercial Aeronautical Activities", as it may be amended from time to time, and such other rules and regulations as may be promulgated by the Commissioner from time to time. Signature shall staff qualified personnel to perform such services on a "24/7" basis unless otherwise determined by the Commissioner in writing.

1. Arrival and departure guidance, supervision of parking of aircraft, ramp assistance and fire guard service for departing aircraft, as required.

2. Transport for passengers, crew and ordinary hand baggage between aircraft and Signature's hangar(s) or public passenger terminals on the Airport.

3. Flight line servicing of aircraft, including the sale and into-plane delivery of aviation fuels, lubricants and other related aviation products.

4. Other aircraft services, such as window cleaning, as requested by the aircraft operators.

5. Customer terminal services, including:

a. Assisting aircraft passengers and crew in obtaining local transportation, lodging, and general information on the Chicago area;

b. Maintaining weather teletype service or similar means of conveying current weather information;

c. Conveying messages to arriving or departing passengers and crew using Signature's facilities; and

d. Providing a reasonable quantity of telephones for public use.

6. At least one specialized area of airframe, aircraft engine, radio, avionics repair or other specific type of aircraft repair or maintenance service, which specialized area Signature may choose at its discretion, and which service Signature may provide through a subcontractor, provided that the use of a subcontractor, and the subcontractor to be so used, are subject to the prior written approval of the Commissioner, which consent shall not be unreasonably withheld. Signature shall provide prompt notice of the nature of such services, or any changes thereto, to the Commissioner. The Commissioner hereby consents to the subcontract of aircraft maintenance services to Flight Check Business Aviation Services, LLC.

7. Subject to any restrictions on Transfers which may arise under the terms and conditions of Article XIV hereof, making available hangar and aircraft tie-down space and parking space to aircraft owners and/or operators.

8. Subject to any restrictions on Transfers which may arise under the terms and conditions of Article XIV hereof, leasing or rental of office space to aircraft owners and/or operators for support of their aviation activities at the Airport.

9. Removal of disabled general aviation aircraft from the operational movement areas of the Airport. Signature must have equipment available at the Airport to remove and relocate any type of aircraft that Signature services within 30 minutes (or as soon thereafter as reasonably practicable) of it becoming disabled, other than those involved in an accident requiring investigation by federal authorities.

10. Remediation of any fuel spills or other environmental contamination caused by Signature or any of its customers. Signature must have equipment available at the Airport to commence such remediation for any type of aircraft that Signature services within 30 minutes (or as soon thereafter as reasonably practicable) of the event.

11. If requested by the Commissioner, and subject to the terms and conditions of Section 16.02 hereof, collection of landing fees on behalf of the City from any or all users of the Premises and remittance of such landing fees to the City for an administrative fee of not more than thirty percent (30%) of the landing fees payable by such users to the City and collected by Signature. The City reserves the right to revoke any authority granted to Signature to collect any landing fees pursuant to this Section 2.04.A.10 at any time upon thirty (30) days written notice to Signature.

B. Secondary (Discretionary) Commercial Support Services. Upon written approval of the Commissioner, Signature may engage in any or all of the following activities:

1. Leasing or rental of aircraft or providing air charter, air freight or flight management services;

2. Sale and installation of aircraft parts, engines, radios, avionics equipment or instruments, propellers or any related parts or accessories;

3. Repair and maintenance services for aircraft and aircraft engines, their components and accessories, including executive jet aircraft;

4. Providing equipment and manpower in connection with passenger, baggage or freight handling, or any other ground services;

5. Sale of airman materials and supplies, and other aeronautical items;

6. Leasing or rental of desks, storage or any equipment in connection with the conduct of aviation-related activities;

7. Maintenance and repair of ramp vehicles;

8. Associated aviation customer services not otherwise mandated under Section 2.04.A.

C. Additional Rights. In addition to the above-described responsibilities and rights, and subject to the approval of the Commissioner, Signature shall have the right to perform and conduct such other activities and operations consistent with the rights, privileges and responsibilities granted to Signature which do not unreasonably interfere or conflict with the rights granted by the City to others on the Airport, but no flight training may be conducted in which student pilots take off or land at the Airport, or use the Airport for any flight activities whatsoever.

D. Rights to Airfield and Other Public Areas of the Airport. Signature has the right to use, in common with others, the public facilities at the Airport, including, but not limited to, landing areas, runways, taxiways, taxilanes and other aeronautical or navigational facilities, subject to the rules and regulations with respect to the use of such facilities imposed by the City or any other governmental agency.

E. Restrictions on Use. Nothing stated in this Section 2.04 shall permit the conduct by Signature of any business other than the performance of fixed base operator services, and the activities described in this Section 2.04 and those related and incidental thereto.

F. Ground Handling Services. The Commissioner hereby consents to Signature's performance of ground handling services for commercial airlines through its affiliated company, Aircraft Service International, Inc. In the event that Signature desires to perform any ground handling services through any other entity, Signature shall only do so after obtaining the prior written consent of the Commissioner, such consent to be given or withheld in each case in the sole and absolute discretion of the Commissioner; provided, however, in an emergency situation, oral approval or consent of the Commissioner shall be sufficient. For the purposes of this Agreement, ground handling services include, but are not limited to, the handling of passengers of commercial or retail flights, including those situations in which traffic at the Airport may prevent the handling of such passengers at the terminal. In the event that the Commissioner approves the handling of retail passenger operations on the Premises, Signature shall provide shuttle services to the terminal for such passengers. In no event shall this provision be construed as permitting retail passenger operations by Signature other than the incidental handling of passengers in irregular operation situations. Nothing in this Section 2.04 shall be construed as limiting Signature's right to provide ground handling services to single entity specialty charters, including, but not limited to, sports teams and musical groups, which do not require passenger check-in, baggage, security or other facilities provided at the Airport's commercial passenger terminal.

G. Fuel System. Signature agrees to use the Airport Fuel System for all aviation fuel. Signature shall not at any time during the Term of this Agreement or any extension thereof

construct or install any aviation fuel storage facilities on or beneath the Premises without the express prior written consent of the Commissioner, such consent being within the Commissioner's sole and absolute discretion. Signature hereby acknowledges and agrees that Fuel System usage fees that are 125% or less of those fees charged to commercial airline signatories to the Chicago Midway Airport Fuel System Use and Operating Agreement by and between the City and those signatory airlines are reasonable fees.

Section 2.05 - First-Class Operation. The principal purpose of the City in entering into this Agreement is to fulfill the City's obligation to make available to the general aviation users of the Airport the products and services which Signature is required and/or permitted to sell and render hereunder. Signature accordingly agrees to conduct a first class commercial aviation support and fixed base operation, consisting of the primary support services listed in Section 2.04.A above. Signature agrees to provide and maintain a hangar and office/terminal complex with the facilities, equipment, supplies, materials and personnel necessary to adequately provide the sales and services authorized in this Agreement, including a lounge or waiting room for passengers and crews, and accessible restrooms, all to be maintained in a first-class, clean and sanitary manner in accordance with Article V of this Agreement.

Section 2.06 - Quiet Enjoyment. Subject to the provisions of this Agreement, City covenants that, so long as Signature performs all of its obligations hereunder, it shall be entitled to and shall have the use and enjoyment of the Premises, and the rights and privileges granted to it hereunder. Signature shall be entitled to lawfully and quietly occupy and enjoy the Premises during the term of this Agreement, provided Signature is not in default of any of its obligations under this Agreement.

Section 2.07 - Ingress and Egress. Subject to Airport Rules and Regulations, Signature shall have the right and privilege (a) of ingress to and egress from the Premises and the public areas of the Airport, for its employees, agents, guests, patrons, subtenants and invitees, suppliers of materials, furnishers of service, and its equipment, vehicles, machinery and (b) to provide transportation of its employees to, from, and within the Airport. Signature shall not block or otherwise obstruct the common use taxiways, taxilanes or service roads with aircraft or groundside vehicles, respectively, at any time or in any manner which will impair or adversely affect the use or operation of said taxiway, taxilane or service road areas by City or other Airport users.

Section 2.08 - Present Condition of Premises. Subject to those exceptions explicitly set forth in Section 7.08, Signature, by the execution of this Agreement, accepts the Premises "AS IS". Signature shall be responsible for the compliance of the Premises with all applicable Federal, State, and local laws, statutes, codes, ordinances, rules, regulations, and orders, including any and all requirements set forth in Section 7.08. Other than what may be explicitly provided for herein, the City shall have no obligation or responsibility whatsoever to do any work or furnish any improvements of any kind to the Premises or perform any maintenance or repairs on the Premises. City makes no warranty as to the environmental conditions of the Premises or the airfield. CITY MAKES NO WARRANTY,

EITHER EXPRESS OR IMPLIED, AS TO THE CONDITION OF THE PREMISES OR THAT THE PREMISES SHALL BE SUITABLE FOR SIGNATURE'S PURPOSES OR NEEDS. CITY SHALL NOT BE RESPONSIBLE FOR ANY LATENT DEFECT AND SIGNATURE SHALL NOT, UNDER ANY CIRCUMSTANCES, WITHHOLD ANY RENT OR OTHER AMOUNTS PAYABLE TO CITY HEREUNDER ON ACCOUNT OF ANY DEFECT IN THE PREMISES. BY ITS ENTRY ONTO THE PREMISES, SIGNATURE ACCEPTS THE PREMISES AS BEING FREE AND CLEAR FROM ALL DEFECTS AND IN GOOD, SAFE, CLEAN, AND ORDERLY CONDITION AND REPAIR. Signature waives any and all claims against the City regarding the condition of the Premises which may currently exist or which may arise in the future by contract, at common law, in equity, or under statute, now or then currently in effect, including those which relate to environmental conditions on, under, or near the Premises; provided, however, that such waiver does not extend to (i) Signature's right to contribution from the City as may be provided under any Environmental Law, and (ii) fines and penalties for which the City would be liable, and neither Signature nor its predecessors in interest would be liable, under any Environmental Law.

Section 2.09 - Accessibility. City and Signature agree that Signature shall have the responsibility to ensure that the Premises and the services that Signature provides to its customers are in compliance with the Americans with Disabilities Act and related regulations, as amended from time to time. Signature shall submit its certification of such compliance to the Commissioner within thirty (30) days after written request.

Section 2.10 - Covenant Against Waste. Signature will not do or permit or suffer any waste, damage, impairment or injury to or upon the Premises or any part thereof.

ARTICLE III - TERM

Section 3.01 - Initial Term. The initial term of this Agreement ("Initial Term") commences on the Effective Date and shall expire on December 31, 2016, unless extended or earlier terminated in accordance with the provisions of this Agreement. The City's early termination of Signature's lease for any parcel shall in no way diminish Signature's obligations under this Agreement that survive expiration or termination of this Agreement. Signature and the City agree that the 1997 Agreement is hereby superseded and terminated, except with respect to those obligations and liabilities that survive termination by express provision in the 1997 Agreement or by operation of law.

Section 3.02 - Options to Extend. At the option of Signature and provided that the Initial Term has not already been terminated or been converted to month-to-month for a specific parcel, the Initial Term for the Premises as a whole or a parcel(s) thereof may be extended by for no more than one (1) additional six (6) year period (the Initial Term and such extension being the "Term", not to extend beyond December 31, 2022), provided that:

A. Signature provides the City written notice of its intent to extend the Term for a parcel no less than fifteen (15) months, but not more than twenty-four (24) months, prior to the then current expiration date of the Term for that parcel; and

B. there is no existing event of default, or any condition with which the giving of notice and/or the passage of time could become an event of default, as of the commencement of the extended Term.

The 15-month notice period in (a) is intended to provide the City time to find a replacement tenant. If Signature inadvertently fails to provide timely notice pursuant to (a), the Commissioner may, in his or her sole and absolute discretion, waive the 15 month requirement and allow Signature to exercise its option to extend. Except as provided in Article IV, Signature's occupancy of the Premises during any extension of the Term shall be on the same terms and conditions as otherwise contained herein. If Signature exercises its option to extend the Initial Term of this Agreement, the word ATerm" shall be construed to include the extension. Any holding over by Signature after the expiration of the Term shall be on a month-to-month basis, which may be terminated by the Commissioner with 30 days written notice.

Section 3.03 - Early Termination. In addition to an early termination due to an uncured event of default, either party may terminate this Agreement with 30 days' written notice in the event that Signature is no longer authorized to conduct fixed base operations or general aviation functions at the Airport by any governmental agency (other than the City). Further, Signature and the Commissioner may mutually agree to terminate the lease, or convert to a month-to-month lease, for a specific parcel of the Premises if they determine it to be in the best interests of the parties. In such event, Exhibits A and B will be amended prospectively.

ARTICLE IV - RENT

Section 4.01 - Rent. In consideration of this Agreement for lease and use of the Premises, Signature shall pay City sums in such form and amount as set forth below. For the purposes of this Agreement, all such sums are Rent.

A. Ground Rent and Building Rent. Signature shall pay Ground Rent and Building Rent according to the schedule set forth in Exhibit B, attached hereto and incorporated by reference herein.

B. Percentage Rent. In addition to the Ground Rent and Building Rent, Signature shall pay Percentage Rent consisting of a percentage of gross revenues and a fuel flowage fee, as follows:

1. Signature shall pay City the following percentages of its Gross Revenues (as defined below): two percent (2%) of the first $1,000,000 of its Gross Revenues; three percent (3%) of Gross Revenues over $1,000,000 to $4,000,000 per year, and four percent (4%) of its Gross Revenues over $4,000,000 per year. "Gross Revenues" means the aggregate amounts of all charges, including but not limited to all facilities\services fees of whatever nature Signature charges its customers for the

use of the Premises (including the Improvements and equipment located thereon) and fees for such Primary Commercial Support Services or Secondary Commercial Support Services Signature may perform. Gross Revenues also includes any usage or access fees and revenue from any Transfer (including any Exempt Transfers). Gross Revenue does not include revenues from the sale of fuel and any taxes imposed by law which are separately stated and paid by the customer and are directly payable to the taxing authority by Signature. All revenue shall be deemed to be received by Signature at the time of determination of the amount due to Signature, whether for cash or credit, and not at the time of payment, unless otherwise specifically stated in this Agreement, or subsequently authorized in writing by the Commissioner. Revenues shall further be deemed to be received by Signature if received by any of its contractors, sublessees, agents or wholly-owned or affiliated companies using or occupying space on the Premises and supplying any support services authorized in Article II of this Agreement.

2. Signature shall pay a fuel flowage fee of five percent (5%) of the annual average wholesale cost to Signature of all fuel, including but not limited to automotive and aviation gas and jet fuel, sold by Signature at the Airport, or any fuel pumped by Signature on behalf of any person in the event that Signature acts as an into-plane agent for such person, and such person has bought or sold fuel at the Airport, is not in privity with the City, and has not otherwise paid a percentage fee or fuel flowage fee to the City. This fuel flowage fee shall not apply in the event that Signature serves as an into-plane agent for commercial airlines and charter flights that are non-retail customers of Signature. The annual average wholesale cost for purposes of the percentage fee payable to the City shall be calculated each November by averaging the cost paid by Signature, for each type of fuel separately, to its suppliers at the Airport during the preceding twelve months and shall be effective beginning January 1 of the following year. Aviation gas or jet fuel purchased by Signature for its own consumption or purchased by its parent company or any subsidiary in which Signature's parent company has a minimum 50% ownership shall not be subject to this fuel flowage fee.

C. Minimum Annual Guarantee. The Minimum Annual Guarantee of Percentage Rent pursuant to Section 4.01.B above shall be $192,346.56 through December 31, 2013. Commencing on January 1, 2014, and every January 1 thereafter, the Minimum Annual Guarantee for the forthcoming year shall be the greater of: (1) 85% of the Percentage Rent actually payable for the prior calendar year and (2) the Minimum Annual Guarantee for the prior calendar year.

Section 4.02 - Escalation upon Term Extension.

A. The Ground Rent and Building Rent payable to the City pursuant to Exhibit B shall increase upon the commencement of an extension pursuant to Section 3.02. The amount of such increase shall be determined by the appraised fair market rent for the Land within the Premises, and each Improvement upon the Premises, respectively; fair market rent to

be initially determined by City's independent appraiser as the rent that would be paid by an unrelated, willing FBO tenant under the otherwise same terms and conditions as this Agreement, and City shall set forth such determination in a written notice to Signature, which determination shall be provided to Signature no later than 120 days prior to the expiration of the Initial Term.

B. In the event that Signature disputes the fair market rent as determined by City, then at any time on or before the date occurring thirty (30) days after Signature has been notified by City of the fair market rent, Signature may give written notice of such dispute to the City, supported by the report of its own independent appraiser as to the fair market rent. If City and Signature are thereafter unable to reach agreement upon the fair market rent, then the parties shall select a mutually acceptable independent MAI appraiser with at least ten (10) years experience in commercial real estate appraisal of similar properties. The third appraiser shall, within forty-five (45) days of his or her appointment, select one of the two estimates of fair market rent submitted by City and Signature as the one closer to the fair market rent as determined by the third appraiser. The value so selected shall be the fair market rent. The party whose estimate is not chosen by the third appraiser shall pay all costs and expenses of the third appraiser and any experts retained by the third appraiser. Each party shall pay the fees and expenses of the appraiser appointed by or for such party. The time periods in this provision are intended to be approximate guidelines only, and failure of the parties to strictly comply shall not invalidate the process.

C. Upon its receipt of the final determination of the fair market rent pursuant to the foregoing, Signature, by written notice to the City, may elect to rescind its extension of the Term and terminate the Agreement, in which case this Agreement shall expire on the date it would have expired had Signature not provided the City notice of its intent to extend the Term.

Section 4.03 - Landing Fees. Signature shall collect the current landing fees in effect at the Airport for each landing at the Airport of any aircraft being handled by Signature ("Landing Fees"). Landing fees shall not be assessed for any landing of an aircraft returning to the Airport after take-off because of meteorological conditions, mechanical or operating causes, or any similar emergency or cautionary reason.

Section 4.04 - Method and Manner of Payment.

A. The Rent and Landing Fees (net of Signature's administrative fee) shall be paid to City, without set-off, deduction or discount, in lawful money of the United States, at the Office of the City Comptroller, 333 South State Street, Room 402, Chicago, Illinois 60614, or to such other place or person as City may direct Signature by written notice, and shall be made in monthly installments, due on the first of each calendar month, commencing on the first full calendar month following the Effective Date. Payments for partial months or calendar years may be appropriately prorated.

B. Each month Signature shall pay the greater of the Percentage Rent payable on the

prior month's gross revenues and one-twelfth of the Minimum Annual Guarantee. In February of each calendar year, Signature may offset against Rent due to the City the amount, if any, by which the sum of actual monthly payments of Percentage Rent and Minimum Annual Guarantee, if any, for the prior year exceeded the greater of the Percentage Rent payable on the gross revenues of the prior year and the Minimum Annual Guarantee for the prior year.

Section 4.05 - Rent Credits. Signature shall offset no credits against Rent due to the City except as expressly provided in this Agreement or expressly authorized in writing by the Commissioner.

Section 4.06 - Late Payments. Each and every installment of Rent accruing under the provisions of this Agreement which is not paid when due shall bear interest at the Default Rate, from the date when the same is due until the same shall be paid. All other sums becoming due or payable to the City under this Agreement, including, without limitation, all monies expended by the City pursuant to this Agreement or on account of any default by Signature in the performance or observance of any of the covenants and agreements contained in this Agreement shall likewise bear interest from the respective dates when the same shall be advanced or paid by City, or otherwise due to City, at the rate per annum which shall be the lower of (a) the highest rate permitted by law or (b) the Default Rate, until the same shall be paid by Signature to City. All sums so advanced or paid by City shall become so much additional Rent under the terms of this Agreement, due and payable on the date of such advance or payment.

Section 4.07 - Security Deposit. On or before the Effective Date of this Agreement, Signature shall pay to the City a security deposit in an amount of $300,000. Such security deposit may be in the form of cash or a letter of credit, which letter of credit shall be in the form reasonably acceptable to the Commissioner. The amount of the security deposit may increase with each escalation of Ground Rent, Building Rent or Minimum Annual Guarantee. The security deposit will be refunded to Signature, less any sums which may be due and owing to the City, subsequent to the expiration or termination of this Agreement

Section 4.08 - Rent Absolute. Signature covenants and agrees that the Rent specified in this Article IV shall be absolutely net to the City, to the end that this Agreement shall yield net to City the entire Rent, and so that all costs, fees, interest, charges, expenses, real estate taxes, reimbursements and obligations relating to the Premises which may arise or become due during the Term (other than City's legal fees not otherwise covered by this Agreement) shall be paid or discharged or caused to be discharged by Signature as so much additional Rent, and Signature covenants and agrees that City shall be indemnified and saved harmless by Signature from and against all such costs, fees, interest, charges, expenses, real estate taxes, reimbursements and obligations.

Section 4.09 - Signature Books and Records. Signature shall maintain at its office in Chicago, Illinois, or at the Airport, books, records, and accounts relevant to the determination of Rent or any other sums owed to City under this Agreement, including,

without limitation, records of its operations at the Airport. If such books, records, and accounts are not maintained at such office, Signature shall in any case maintain such books, records, and accounts within the United States, and Signature shall promptly furnish the Commissioner and City Comptroller in Chicago with all information reasonably requested by them with respect to such books, records, and accounts. The Commissioner and City Comptroller, and such persons as may be designated by them, shall have the right, at all reasonable times, subject to prior written notice to Signature, to audit, examine, make copies of, and take extracts from such books, records, and accounts. In the event that (i) an audit reveals any discrepancy of greater than 2.5% of the gross receipts which are the subject of such audit, and (ii) such error resulted in an underpayment by Signature to the City, Signature shall reimburse the City for any and all of its expenditures for such audit. In the event that an audit reveals no irregularities, such audit shall be at the expense of the City. Without limiting the foregoing, City has the right to inspect Signature's records of its operations at the Airport. City shall, to the extent permitted under applicable law, preserve the confidentiality of all information obtained through such inspections, unless Signature has consented to disclosure or has publicly released such information.

Section 4.10 - Abatement in the Event of Closing. Except as otherwise expressly set forth below, Signature shall have no right to abatement or set-off of Rent of any kind. In the event that, for a period of time in excess of five (5) consecutive days, the Airport is closed by any order or direction of City or any other governmental authority or agency, or by any order or direction of any court of competent jurisdiction and not stayed by way of appeal or otherwise, then the sole and exclusive remedy of Signature shall be that the Ground Rent and Building Rent payable by Signature shall abate for the period of such closing. There shall be no abatement or reduction of Rent or deletion from the Premises where the unusable condition is caused by the willful or negligent act or omission of Signature, its agents, employees, licensees, contractors, subcontractors, or invitees.

ARTICLE V- CONSTRUCTION, MAINTENANCE & REPAIR

Section 5.01 - Construction of Improvements Generally.

In the event that Signature undertakes construction of any new Improvements, the following provisions apply:

A. All Work shall be accomplished in accordance with the terms and conditions of this Agreement and of Exhibit C, attached hereto and incorporated by reference herein, and shall be in conformance with all applicable City codes, ordinances, order and regulations and FAA regulations, whichever are more restrictive. Work shall not be commenced until Signature has obtained all approvals, permits, and licenses required by any governmental authority or by Exhibit C. Signature shall diligently pursue Improvements until fully completed in a condition acceptable to the Commissioner.

B. A construction application together with plans and specifications of any proposed

construction or installation (including any substantial alteration or addition thereto), a proposed schedule and evidence of insurance coverages required by Article X shall be submitted to and received by the Commissioner prior to the issuance of written approval from the Commissioner at least 120 days before commencement of construction. Signature agrees to use best efforts to incorporate sustainable design practices in the development and construction of any Improvements, to engage a LEED® (Leadership in Energy and Environmental Design) accredited professional on its architectural team, to create an operational plan that incorporates sustainable practices in all aspects of the daily operation of the Premises, and to comply to the extent that it is commercially reasonable to the requirements of the Sustainable Airport Manual. Signature shall require each contractor to furnish a payment and performance bond in form and substance acceptable to the Commissioner. The Commissioner's approval shall be absolute and may be withheld in his sole discretion. The Commissioner's approval of or consent to any plans and specifications shall not constitute a zoning approval or approval for other purposes or by other agencies or divisions of the City. No restriction is placed on Signature as to any architect, builder or contractor for Improvements to the Premises other than those requirements set forth in Articles VII and VIII hereof, and any other applicable local, state or federal law or regulation. Any professionals employed by or contracted with by Signature shall be properly licensed and insured to perform their work. City shall have the right at all times to inspect any and all such work.

C. Notwithstanding its right of review and inspection, the City shall in no way be deemed responsible for any such Work, or the failure of such Work to be completed in accordance with approved plans and specifications, or any applicable laws, codes, statutes, rules or regulations. Any Work performed in connection with Improvements to the Premises at the direction of Signature, even though performed by contractors, subcontractors or others of any and all tiers working through them, shall be the responsibility of Signature. All Work shall be performed in accordance with the plans and specifications and other documents submitted to and approved by the Commissioner, and any applicable federal, state or local laws, codes, ordinances, statutes, rules, regulations and those requirements set forth in Articles VII and VIII hereof.

Section 5.02 - Title to Improvements. City and Signature mutually agree that any and all existing Improvements on the Premises are property of the City. Any new Improvements constructed on the Premises shall become and remain the property of City upon their completion.

Section 5.03 - City-funded Improvements. From time to time the Commissioner may delegate in writing to Signature the responsibility for undertaking Improvements to the Premises and agree to reimburse Signature for costs incurred in connection therewith. Eligible costs are actual, reasonable costs of labor and materials involved in performing the Work and actual, reasonable architectural, engineering, and consulting fees, and no others. Signature must publicly advertise the Work associated with any such Improvements and comply with the then-current City requirements for participation by City residents and Minority and Women's Business Enterprises. Signature must complete all

such Improvements to the reasonable satisfaction of Commissioner and submit all invoices, sworn statements, lien waivers and any other appropriate documentation requested by the Commissioner to verify the costs paid in good faith by Signature with respect thereto. The Commissioner shall have the right to approve the reasonableness, allocability and allowability of those costs which are to be reimbursed, such approval not to be unreasonably withheld or delayed.

Section 5.04 - Other Improvements. In addition to City-funded Improvements, Signature may from time to time construct or install in the Premises, at its own expense, other Improvements, including pavement, facilities and equipment, and any additions thereto, reasonably necessary in connection with any use permitted under the provisions of this Agreement, subject to the prior written approval of the Commissioner in accordance with Section 5.01.

Section 5.05 - Liens Prohibited. Signature shall keep the Premises free and clear of any and all liens in any way arising out of the construction of Improvements, or use of the Premises by Signature; provided, however, Signature may in good faith contest the validity of any lien, provided such contest does not impair the City's rights with respect to the Premises. City's rights to the Premises and the Airport are and always shall be paramount to the interests of Signature in the Premises. Nothing in this Agreement empowers Signature to commit or engage in any act which can, shall, or may encumber the rights of City. In no event shall this Agreement or any rights or privileges hereunder be an asset of Signature under any bankruptcy, insolvency, or reorganization proceedings.

Section 5.06 - Maintenance and Repair. Signature shall be responsible for and shall perform or cause to be performed all maintenance and repair of the Premises and shall keep such Premises clean and free from all debris. Signature shall at all times:

A. Keep the Premises and all fixtures, equipment and personal property in a clean, safe, and orderly condition and appearance;

B. Maintain the same in good condition (reasonable wear and tear excepted) and perform all ordinary repairs, replacements, and painting; such repairs, replacements, and painting by Signature shall be of a quality not inferior to the standards set forth in any rules and regulations adopted by City for the Airport;

C. Control all of its vehicular traffic on the Airport and take all precautions reasonably necessary to promote the safety of its passengers, customers, business visitors, and other persons, and employ such means as may be necessary to safely direct the movements of its vehicular traffic;

D. Remove all snow from all ramps, hangar taxiways and paved areas on the Premises.

E. Either directly or through a licensed independent contractor, dispose of its garbage,

debris, and other waste materials at properly permitted facilities.

F. Maintain pavement areas free from cracks and in good condition sufficient to support all types of aircraft that Signature services.

If the performance of any of the foregoing maintenance, repair, replacement, or painting obligations of Signature requires work to be performed near an active taxiway or runway or where safety of airport operations might be involved, Signature shall post guards or erect barriers or other safeguards as required and approved by the Commissioner at such locations prior to Signature's performance of any such maintenance, repair, replacement or painting.

Section 5.07 - Repairs Necessitated by Casualty.

A. In the event any Improvement from time to time upon the Premises shall be damaged or destroyed, in whole or in part, (regardless of the cause therefor) Signature covenants and agrees that Signature, at its own expense (notwithstanding insufficiency of insurance proceeds), shall repair, restore or rebuild any such building or other improvement so damaged, injured or partially destroyed, or erect, finish and complete a like new building and Improvements on the Premises. Any such repair, restoration, or rebuilding or construction of a new building is herein sometimes referred to as a "Restoration."

B. Insurance proceeds shall be made available for Restoration on the terms and conditions set forth in this Section. In the event that the Premises, or any portion thereof, are damaged or destroyed by fire or other casualty, Signature, after consultation with City, and subject to the limitations set forth in this Section, shall repair, reconstruct or restore the damaged or destroyed Premises to (i) substantially the same condition, character and utility value as existed prior to the event causing such damage or destruction, or (ii) such other condition, character and value as may be agreed upon by City and Signature; provided, however, that in the event that the damage, and the insurance proceeds therefor, are less than $100,000, Signature may effect such repairs, reconstruction or restoration as Signature may deem reasonably necessary. The City and Signature may agree to apply insurance proceeds to the payment of Special Facility Revenue Bonds issued by the City for the benefit of Signature. Signature acknowledges that such a bond issuance will require concurrence of the City Comptroller and action by the City Council, which concurrence and action may be withheld in the Comptroller's and City Council's respective sole and absolute discretion.

C. Signature shall provide prompt written notice to the City of any event that may require a Restoration. Within sixty (60) days of the date of such notice, Signature shall provide to the City plans and specifications for such Restoration, which plans and specifications are subject to City review and approval. Upon approval of such plans and specifications, Signature shall immediately proceed to diligently perform the Restoration and complete such Restoration in a timely manner. In the event that Signature fails to diligently perform the Restoration or complete the Restoration in a timely manner, the City may exercise its

rights under Section 13.06 of this Agreement.

D. Prior to making any Restoration of more than $100,000, Signature shall in good faith estimate the cost of the Restoration and furnish City supporting estimates by a reputable, experienced architect, engineer and contractor qualified to make such estimate.

E. Without limiting any of the other terms hereof, it is expressly understood and agreed that, except and to the extent provided herein, no loss or partial destruction of or damage to the Premises or the buildings or other improvements from whatsoever cause, shall operate to terminate this Agreement or to relieve or discharge Signature from its liability to pay the full Rent and additional charges payable under this Lease, or to relieve Signature from any of its other obligations under this Agreement. Except and to the extent provided herein, Signature waives any right now or hereafter conferred upon it, whether by statute or otherwise, to surrender this Agreement or possession of the Premises or any part thereof, or to obtain any suspension, diminution, abandonment or reduction of Rent, on account of any such loss, damage or destruction to the buildings or any other property at the Premises.

F. Any insurance proceeds greater than $100,000.00 shall be made payable to both City and Signature. If Signature does not commence a Restoration promptly upon City approval of the plans and specifications for such Restoration, or if the Agreement expires or terminates at any time for any reason prior to application of all insurance proceeds, then all insurance proceeds shall be payable solely to City.

Section 5.08 - Inspection. City shall have the right to inspect the Premises and direct Signature to make ordinary repairs. City shall provide reasonable notice prior to such inspection, unless in an emergency situation, and shall notify Signature's representative on the Premises at the beginning of any such inspection.

Section 5.09 - Signs. Any signs installed by Signature on the Premises shall be limited to those which advertise the Signature brand and the aircraft support services provided by Signature. The number, general type, size, design, and location of such signs shall be subject to the prior written approval of the Commissioner.

Section 5.10 - Non-Interference with Airport Operations. The Work and the operations of Signature and its officials, agents, employees, contractors, guests, patrons, and invitees on the Premises shall be conducted in an orderly and proper manner and shall not otherwise annoy, disturb, or be offensive to others at the Airport. In the event that Signature is not in compliance with this Section, at the written request of the Commissioner, Signature shall immediately conform the demeanor or conduct of Signature or its officials, agents, employees, contractors, guests, patrons, and invitees to the standard set forth in this Section.

Section 5.11 - Access by City. Upon the giving of reasonable notice, which may in certain circumstances determined at the City's sole discretion be only by oral notice,

Signature shall allow City, its officers, agents or employees, free access to the Premises for the purposes of examining them to ascertain if Signature is performing its obligations under this Agreement, and for conducting such other activities deemed reasonably necessary by the City.

ARTICLE VI - MAINTENANCE AND OPERATION OF AIRPORT

Section 6.01 - City's Obligations. City shall operate and maintain in a manner consistent with that of a reasonably prudent operator of an Airport, and keep in good condition and repair, the runway and the taxiway, roadways, water lines, sewer lines, drainage ditches, additions, improvements, facilities, and equipment, now or hereafter provided by City, serving the Premises but located outside the Premises, including the removal of snow, ice, vegetation, stones, and other foreign matter, as reasonably as may be done, from the runway and taxiway, connections therefrom, and roadways.

Section 6.02 - Signature's Remedy. In the event that the City fails to cure any failure in its performance of its obligations under Section 6.01 within a reasonable period, and provided that the Airport is not closed at the direction of the City or any other governmental authority or agency as addressed in Section 12.01 hereof, Signature's sole and exclusive remedy is to terminate this Agreement by providing notice to the City pursuant to the terms of Article XIV hereof.

ARTICLE VII - ADDITIONAL OBLIGATIONS OF SIGNATURE

Section 7.01 - Taxes. Signature shall pay such taxes or special assessments, if any, which may be levied or assessed upon Signature's interest in the Premises. Signature shall provide the Commissioner with copies of all notices relating to such taxes within thirty (30) days of request and shall provide the Commissioner with a receipt indicating payment of such taxes. Nothing herein shall preclude Signature from contesting such charge or tax, including those taxes or charges enacted or promulgated by City.

Section 7.02 - Utilities. Signature shall be responsible for payment of all costs of utilities for the Premises, including, but not limited to, electricity and telephone service.

Section 7.03 - Permits, Licenses. Signature shall be responsible for obtaining, at its own expense, all necessary governmental approvals, inspections, permits, or licenses needed in connection with the Premises, any business conducted thereon, or any Work performed thereon.

Section 7.04 - Compliance with All Laws. Signature shall comply with all applicable federal, state, and local laws, codes, regulations, ordinances, rules, and orders; provided, however, that Signature may, without being considered to be in breach hereof, contest any

such laws so long as such contest is diligently commenced and prosecuted by Signature and does not jeopardize the health or safety of persons at the Airport or Airport operations.

Section 7.05 - Compliance with City/State Requirements. Signature agrees to execute such certificates as may be necessary to comply with all applicable Federal, State, and local laws, codes, regulations, ordinances, executive orders, rules, and orders, including without limitation such certifications as are listed below.

A. Economic Disclosure Statement and Affidavit ("EDS"). Signature has executed an EDS(s), in compliance with 720 ILCS 5/33E-3, 4 and 11(B), as amended; 65 ILCS 5/11-42.1-1; Chapters 2-56, 2-154, and 2-156 of the Municipal Code; and such other statutes, ordinances, regulations and executive orders as may be in effect from time to time. Signature shall provide updated EDS(s) in the event of any change in circumstance which renders the EDS on file with the City inaccurate or obsolete.

B. Anti-Scofflaw. In accordance with Section 2-92-380 of the Municipal Code of Chicago, and in addition to any other rights and remedies (including any of set-off) available to City under this Agreement or permitted at law or in equity, City shall be entitled to set off a portion of any amounts due Signature by City under this Agreement in an amount equal to the amount of the fines and penalties for each outstanding parking violation complaint and/or the amount of any debt owed by Signature to City. For purposes of this section, "outstanding parking violation complaint" means a parking ticket, notice of parking violation or parking violation complaint on which no payment has been made or appearance filed in the Circuit Court of Cook County within the time specified on the complaint, and "debt" means a specified sum of money owed to City for which the period granted for payment has expired.

Notwithstanding the provisions of the immediately preceding paragraph, no such debt(s) or outstanding parking violation complaints shall be offset from any amounts due Signature from City under this Agreement if one or more of the following conditions are met:

1. Signature has entered into an agreement with the Department of Revenue, or other appropriate City department, for the payment of all outstanding parking violation complaints and/or debts owed to City and Signature is in compliance with the agreement; or

2. Signature is contesting liability for or the amount of the debt in a pending administrative or judicial proceeding; or

3. Signature has filed a petition in bankruptcy and the debts owed City are dischargeable in bankruptcy.

C. Ethics. Signature shall comply with Chapter 2-156 of the Municipal Code of Chicago, "Governmental Ethics", including, but not limited to, Section 2-156-120 pursuant to which no payment, gratuity, or offer of employment shall be made in connection with any City

contract, by or on behalf of a subcontractor to the prime contractor or higher tier subcontractor or any person associated therewith, as an inducement for the award of a subcontract or order. Any contract negotiated, entered into, or performed in violation of any of the provisions of such Chapter shall be voidable as to City.

D. MacBride Principles. City, through the passage of the MacBride Principles Ordinance, seeks to promote fair and equal employment opportunities and labor practices for religious minorities in Northern Ireland and provide a better working environment for all citizens in Northern Ireland. If Signature conducts any business operations in Northern Ireland, it is hereby required that Signature shall make all reasonable and good faith efforts to conduct any business operations in Northern Ireland in accordance with the MacBride Principles for Northern Ireland as defined in Illinois Public Act 85-1390 (1988 Ill. Laws 3220).

E. Inspector General and Legislative Inspector General. It shall be the duty of Signature and all officers, directors, agents, partners, and employees of Signature to cooperate with the Inspector General and Legislative Inspector General of the City in any investigation or hearing undertaken pursuant to Chapter 2-56 or 2-55 of the Code, respectively. Signature understands and will abide by all provisions of Chapters 2-56 and 2-55 of the Code.

F. Americans with Disabilities Act. Any and all design and construction of Improvements shall comply with all Federal, State and local laws and regulations regarding accessibility standards for disabled or environmentally limited persons including, but not limited to, the following: Americans with Disabilities Act, P.L. 101-336, 42 U.S.C. 12101 *et seq.* and the Uniform Federal Accessibility Guidelines for Buildings and Facilities and the Illinois Environmental Barriers Act, 410 ILCS 25/1 *et seq.*, and the regulations promulgated thereto at 71 Ill. Admin. Code Ch. 1, Sec. 400.110. In the event that the above-cited standards are inconsistent, Signature shall comply with the standard providing greater accessibility.

G. Conflicts of Interest. Signature represents and warrants that no member of the governing body of the City or other unit of government and no other officer, employee or agent of the City or other unit of government who exercises any functions or responsibilities in connection with this Agreement has any personal interest, direct or indirect, in this Agreement, or in Signature. Signature further covenants that (i) no member of the governing body of the City and no officer, employee or agent of the City or other unit of government exercising any functions or responsibilities in connection with this Agreement shall acquire any personal, financial or economic interest, direct or indirect, in Signature or this Agreement, and (ii) no member of or delegate to the Congress of the United States or the Illinois General Assembly and no alderman of the City or employee of the City shall be admitted to any share or part of this Lease or any financial benefit to arise from it.

H. Shakman Accord.

1. The City is subject to the May 31,2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and the June 24, 2011 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United State District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

2. Signature is aware that City policy prohibits City employees from directing any individual to apply for a position with tenants, either as an employee or as a subcontractor, and from directing tenants to hire an individual as an employee or as a subcontractor. Accordingly, Signature must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Signature under this Agreement are employees or subcontractors of Signature, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Signature.

3. Signature will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under the Agreement, or offer employment to any individual to provide services under the Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this policy, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

4. In the event of any communication to Signature by a City employee or City official in violation of paragraph (2) above, or advocating a violation of paragraph (3) above, Signature will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General, and also to the Commissioner of the Chicago Department of Aviation.

I. Mayoral Contributions; Executive Order 2011-4.

1. Signature agrees that it, and any person or entity who directly or indirectly has an ownership or beneficial interest in it of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, its Subcontractors, any person or

entity who directly or indirectly has an ownership or beneficial interest in any Subcontractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Signature and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fund-raising committee (i) after execution of this Agreement by Signature, (ii) while this Agreement or any Other Contract is executory, (iii) during the term of this Agreement or any Other Contract between Signature and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

2. Signature represents and warrants that since the date of public advertisement of the specification, request for qualifications, request for proposals or request for information (or any combination of those requests) or, if not competitively procured, from the date the City approached Signature or the date the Signature approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fund-raising committee.

3. Signature agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fund-raising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fund-raising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fund-raising committee.

4. Signature agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

5. Signature agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

6. If Signature violates this provision or Mayoral Executive Order No. 2011-4 prior to award of the Agreement, the Commissioner may rescind this Agreement.

7. For purposes of this provision:

"Bundle" means to collect contributions from more than one source which are then delivered by one person to the Mayor or to his political fund-raising committee.

"Other Contract" means any other agreement with the City of Chicago to which Tenant is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the city council.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:
(a) they are each other's sole domestic partner, responsible for each other's common welfare; and
(b) neither party is married; and
(c) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
(d) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
(e) two of the following four conditions exist for the partners:
    (i) The partners have been residing together for at least 12 months.
    (ii) The partners have common or joint ownership of a residence.
    (iii) The partners have at least two of the following arrangements:
        a. joint ownership of a motor vehicle;
        b. a joint credit account;
        c. a joint checking account;
        d. a lease for a residence identifying both domestic partners as tenants.
    (iv) Each partner identifies the other partner as a primary beneficiary in a will.

"Political fund-raising committee" means a "political fund-raising committee" as defined in Chapter 2-156 of the Municipal code of Chicago, as amended.

Section 7.06 - Non-discrimination.

A. Federal Requirements. It shall be an unlawful employment practice for Signature (1) to fail or refuse to hire or to discharge any individual, or otherwise to discriminate against any individual with respect to his compensation, or the terms, conditions, or privileges of his employment, because of such individual Is race, color, religion, sex, age, handicap, or national origin; or (2) to limit, segregate, or classify his employees or applicants for employment in any way which would deprive or tend to deprive any individual of employment opportunities or otherwise adversely affect his status as an employee, because of such individual's race, color, religion, sex, age, handicap, or national origin. Signature shall comply with The Civil Rights Act of 1964, 42 U.S.C. sec. 2000 *et seq.* (1981), as amended. Attention is called to: Exec. Order No. 11,246, 30 Fed. Reg. 12,319

(1965), reprinted in 42 U.S.C. 2000(e) note, as amended by Exec. Order No. 11,375, 32 Fed. Reg. 14,303 (1967) and by Exec. Order No. 12,086, 43 Fed. Reg. 46,501 (1978); Age Discrimination Act, 42 U.S.C. sec. 6101-6106 (1981); Rehabilitation Act of 1973, 29 U.S.C. sec. 793794 (1981); Americans with Disabilities Act, P.L. 101-336; and 41 C.F.R. Part 60, *et seq.* (1990).

B. State Requirements. Signature shall comply with the Illinois Human Rights Act, 775 ILCS 5/1-101, et seq., as amended, and any rules and regulations promulgated in accordance therewith, including, but not limited to the Equal Employment Opportunity Clause, 5 Ill. Admin. Code ' 750 Appendix A. Furthermore, Signature shall comply with the Discrimination in Public Contracts Act, 775 ILCS 10/0.01 *et seq.*, as amended.

C. City Requirements. Signature shall comply with the Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 *et seq.* of the Municipal Code of Chicago, as amended. Further, Signature shall furnish and shall cause each of its contractors to furnish such reports and information as requested by the Chicago Commission on Human Relations.

Section 7.07 - Affirmative Action Program and MBE/WBE Requirements. Signature assures that it will undertake an affirmative action program which sets forth all applicable Federal standards as required by 14 C.F.R. Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, religion, age, national origin, or sex be excluded from participating in any employment activities covered in 14 C.F.R. Part 152, Subpart E. Signature assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by Subpart E. Signature assures that it will require that its covered suborganizations provide assurances to Signature that they similarly will undertake an affirmative action program and that they will require assurances from their organizations, as required by 14 C.F.R., Part 152, Subpart E, to the same effect. In furtherance thereof, Signature also agrees to coordinate with the City's Department of Procurement Services so as to comply with the then current City requirements for participation of Minority Business Enterprises and Women's Business Enterprises on construction of any Improvements.

Section 7.08 - Compliance with Environmental Laws

A. Pre-Existing Conditions. For the purposes of this Section 7.08, the presence of any Hazardous Material or Special Waste on the Premises that would give rise to liability to any person on the part of Signature or City, or violate any Environmental Law, shall be known as an Environmental Condition. In light of the fact that the City has not controlled any of the Premises for many years and that Signature has occupied and controlled almost all of the Premises for at least ten or more years (with the exception of 5713 South Central Avenue), Signature accepts the Premises "as is" with respect to any Environmental Conditions existing as of the Effective Date ("Pre-Existing Conditions"), and the City shall have no obligation to Signature to address or remediate any such Pre-Existing Conditions. With respect to 5713 South Central Avenue, Signature acknowledges and agrees that it has had adequate opportunity to investigate the Environmental Condition of that parcel with

the permission and cooperation of Aon Corporation and accepts it "as is".

B. Compliance with Environmental Laws

1. Signature shall comply with all laws relating to the environment, including, without limitation, those relating to fines, orders, injunctions, penalties, damages, contribution, cost recovery, compensation, losses or injuries resulting from the release or threatened release of Hazardous Materials, Special Wastes or other contaminants into the environment and to the generation, use, storage, transportation, or disposal of solid wastes, Hazardous Materials, Special Wastes or other contaminants including, without limitation, the Comprehensive Environmental Response and Compensation Liability Act (42 USC ' 9601 *et seq.*), the Hazardous Material Transportation Act (49 USC ' 1801 *et seq.*), the Resource Conservation and Recovery Act of 1976 (42 USC ' 6901 *et seq.*), the Clean Water Act (33 USC ' 1251 *et seq.*), the Clean Air Act (42 USC ' 7401 *et seq.*), the Toxic Substances Control Act of 1976 (15 USC ' 2601 *et seq.*), the Safe Drinking Water Act (42 USC ' 300f), the Occupational Safety and Health Act of 1970 (29 USC ' 651 *et seq.*), the Emergency Planning and Community Right-to-Know Act (42 USC ' 11001 *et seq.*), the Illinois Environmental Protection Act (415 ILCS 5/1 *et seq.*), and the Municipal Code of Chicago; additionally, any analogous future or present local, state or federal ordinance or statute, rule and regulation promulgated under or pursuant to the foregoing, and any other present or future law, ordinance, rule, regulation, permit or permit condition, order, or directive which regulates, relates to, imposes liability for or establishes standards of conduct concerning any Hazardous Materials that may be set forth by the Federal government, any state or any political subdivision thereof, or any agency, court or body of the Federal government, any state or any political subdivision thereof exercising executive, legislative, judicial, regulatory or administrative functions (collectively, AEnvironmental Laws").

2. If Signature is required pursuant to any Environmental Laws to file any notice or report of a release or threatened release of Hazardous Materials or Special Wastes on, under or about the Premises, Signature shall provide a copy of such report or notice to the City. In the event of a release or threatened release of Hazardous Materials or Special Waste into the environment, or in the event of any claim, demand, action or notice is made against Signature regarding Signature's failure or alleged failure to comply with any Environmental Law, Signature shall immediately notify the City.

3. City shall have reasonable access to the Premises to inspect the same to confirm that Signature is using the Premises in accordance with Environmental Laws. Signature, at the reasonable request of City and at Signature's expense, shall conduct such testing and analysis as is necessary to ascertain whether Signature is using the Premises in compliance with all Environment Laws. Any such tests shall be conducted by qualified independent environmental consultants

chosen by Signature and subject to City's reasonable approval. Copies of any reports or test results shall be provided to City.

4. In addition to any other remedy afforded at law, in equity or by the terms of this Agreement, if Signature fails to comply with any Environmental Law which results in, or may result in, a material adverse impact to the Premises or potential liability to the City, the City may (i) enter the Premises and take necessary measures to insure compliance with Environmental Laws, including, but not limited to, testing and soil sampling, all at Signature's expense, and/or (ii) terminate this Agreement in accordance with the default provisions of this Agreement.

5. City makes no warranty, express or implied, regarding the condition of any underground storage tanks on the Premises, the presence of Hazardous Materials and Special Wastes on the Premises, that the Premises are free of Hazardous Materials and Special Wastes, or any other environmental contaminant. Subject to the limitations set forth in Section 7.08(a), in the event that City is named in any enforcement action or lawsuit by any party in connection with the environmental condition of the Premises or Improvements thereon, Signature shall defend City and indemnify City for any costs, damages or fines that might be found against City; provided, however, that Signature shall not be held accountable by the City under this Agreement in the event that contamination is the result of a third party traversing a right of way on the Premises or the negligence of the City. Signature's obligation to indemnify the City pursuant to this section in no other way limits nor is limited by any other indemnification provided in this Agreement.

6. Signature's liability and obligations under this Section 7.08 shall survive the termination of this Agreement, in whole or in part. Signature hereby waives any right of action or claim pursuant to any Environmental Law against the City, its officers, officials, agents or employees except for any Environmental Condition directly caused by the City after the Effective Date.

C. Environmental Permits

1. Signature must show evidence of, and keep current throughout the term of this Agreement, all waste hauling, Special Waste hauling, disposal permits and insurance certificates required by Federal, state, City or other local governmental body or agency pursuant to any Environmental Law.

2. When requested by the Commissioner, Signature shall submit copies of all hauling permits required by any Environmental Law. Copies of all permits and insurance certificates that require periodic renewal must be forwarded to the Commissioner throughout the duration of this Agreement. Non-compliance with this requirement may be cause for termination of this Agreement.

3. Environmental Records and Reports: Signature shall be required to prepare and

maintain proper, accurate and complete records of accounts of all transactions related to the operations of this Agreement, including, but not limited to, the following:

a. Vehicle maintenance records
b. Safety and accident reports
c. IEPA or OSHA manifests
d. Disposal records, including disposal site used, date, truck number and disposal weight.
e. Permit documentation and all other documentation and transactions pertaining to all Environmental Laws.

All such records and accounts shall be subject to review by the City and shall be made available to the City upon the request of the Commissioner. The City's review of any such records and accounts shall in no way serve to limit Signature's obligations or liability under the terms and conditions of this Agreement or any Environmental Law.

D. Disposal of Materials, Construction and Demolition Debris, Soil and Waste

1. Signature shall be responsible for the proper disposal of all materials, construction and demolition debris, soil and other waste generated by Signature's business operations, including but not limited to the construction of Improvements, or Signature's activities as set forth in Section 7.08. Hauling and disposal by a subcontractor does not relieve Signature from responsibility for proper disposal. Disposal of all materials, construction debris, soil, and other wastes shall be at a disposal site that is properly licensed and permitted to accept the particular materials, construction debris, soil and other wastes delivered to it in accordance with all Environmental Laws. Signature shall identify the disposal site(s) or transfer station(s) to which it has contractual access and for which proper, sanitary landfill permits and/or licenses have been obtained. Failure to identify disposal site(s) for materials, construction debris, soil and other wastes or to submit such information when requested by the Commissioner may be cause to terminate this Agreement.

2. Upon request by the Commissioner, Signature shall provide the Commissioner with copies of all load tickets, manifests, bills of lading, scale tickets and other pertinent documents, including copies of all permits and/or licenses for the proposed transfer station and/or landfill. In the event that the transfer station and/or landfill proposed for use by Signature does not possess the necessary permits and/or licenses to accept the materials, construction debris, soil or other wastes, Signature will replace the transfer station and/or landfill submitted as part of their bid proposal at no additional cost to the City. If Signature disposes of materials, construction debris, soil or other wastes at a site which is not properly permitted, Signature shall be responsible for all costs associated with the removal of the waste to a properly licensed/permitted landfill or disposal site.

3. Signature shall accept full responsibility for compliance with all Environmental Laws and must comply with all present and future laws, orders and regulations and any rules and regulations promulgated by the Commissioner regarding the separation, sorting and recycling of garbage, refuse and trash, including but not limited to those policies, rules and regulations incorporated in the Sustainable Airport Manual.

4. Signature shall notify the Commissioner within 24 hours of receipt of any environmental complaints, fines, citations, violations or notices of violation ("Claim") by any governmental body or regulatory agency against Signature or by any third party relating to the loading, hauling or disposal of materials, construction debris, soil or other wastes. Signature will provide evidence to the Commissioner that any such Claim has been addressed to the satisfaction of the issuer or initiator of such Claim.

5. Signature shall notify the City of any community meetings, media involvement or media coverage related to the loading, hauling or disposal of materials, construction debris, soil and other wastes under this Agreement in which Signature is asked to participate.

6. Signature shall verify, in writing, whenever requested by the Commissioner, that all materials, construction debris, and other waste accepted by Signature from the City of Chicago, has been disposed of in compliance with all Environmental Laws.

7. Non-compliance with these terms and conditions may affect Signature's eligibility for future contracts.

E. Equipment and Environmental Control During Transport. Signature shall haul materials, including but not limited to fuel of any nature, any construction debris, soil and other wastes in vehicles and/or containers complying with all applicable Environmental Laws. All equipment used to transfer materials, construction and demolition debris, soil and other wastes shall be designed to prevent spillage during the hauling operation. Signature's equipment shall fully comply with all City, state and federal regulations, laws and ordinances pertaining to size, load weight, safety and any Environmental Law.

F. Open Dumping Prohibited. Signature's must identify debris and waste disposal/handling site(s) and acknowledge terms and conditions relating thereto in a form approved by the Commissioner (the "Form") and provided to the Commissioner before any debris or waste is removed from the Premises for disposal or handling elsewhere. In addition to the representations and requirements that may be contained in the Form, Signature understands and agrees that Signature, unless otherwise authorized in writing by the City's Commissioner of Environment, shall not continue to use a disposal/handling site identified in the Form that (i) has been cited as being in violation of any environmental law or regulation or of any City ordinance or (ii) does not have a necessary permit. If only one

site was identified in the Form, Signature shall arrange for a substitute disposal/handling site which meets the requirements specified in the Form and provide a revised Form to the Commissioner of Environment. Signature further understands and agrees that any such substitution shall be at no additional cost to the City, regardless of the reason necessitating such substitution.

Section 7.09 - Contractors. Signature agrees that all of the provisions set forth in Sections 7.03 through and including 7.07 of this Article 7 will be incorporated in all contracts entered into with any suppliers of materials, furnishers of services, contractors of any tier, and labor organizations which furnish skilled, unskilled, and craft union skilled labor, or which may provide any materials, labor, or services in connection with this Agreement for amounts of $10,000 or more. Signature agrees to cause its contractors to execute such certificates as may be necessary in furtherance of these provisions. Such certifications shall be attached and incorporated by reference in the contracts. In the event that any contractor is a partnership or joint venture, Signature shall also include provisions in its contract insuring that the entities comprising such partnership or joint venture shall be jointly and severally liable for its obligations thereunder.

Section 7.10 - Indemnification. Subject to those limitations set forth in Section 7.08(a) hereof, and in addition to the indemnifications set forth in Article XI hereof, Signature hereby indemnifies and agrees to defend and hold harmless the City, its agents, partners, officers, representatives and employees, from all Claims arising from or attributable to: (a) the presence due to Signature's operations of Hazardous Materials and Special Wastes on the Premises or the subsurface thereof or the violation of any Environmental Laws due to Signature's operations (including, without limiting the generality thereof, any cost, claim, liability, or defense expended in remediation required by a governmental authority, or by reason of any release of any Hazardous Material or Special Waste due to Signature's operations or violation of any Environmental Laws), or (b) any aggravation of any condition on the Premises caused, directly or indirectly, by Signature's operations, or (c) any breach by Signature of any of its warranties, representations or covenants in this Article VII. Signature's obligations hereunder shall survive the termination or expiration of this Agreement, and shall not be affected in any way by the amount of or absence in any case of covering insurance or by the failure or refusal of any insurance carrier to perform any obligation on its part under any insurance policies affecting the Premises or Signature's operations at the Airport.

ARTICLE VIII - AIRPORT MATTERS

Section 8.01 - Airport Rules and Regulations. Signature shall observe and obey all Airport rules and regulations governing the conduct and operations of the Airport, promulgated from time to time by City, provided, however, that such Airport rules and regulations must be neither (i) inconsistent with the exercise by Signature of any right or privilege granted to it hereunder or under any other agreement between Signature and City relating to the Airport, nor (ii) inconsistent with the rules and regulations or orders of any

Federal or State agency having jurisdiction over the Airport. Except in cases of emergency, no such rule or regulation shall be applicable to Signature unless it has been given fifteen (15) days prior written notice of the adoption thereof.

Section 8.02 - Other Legal Requirements. Signature shall comply, and shall cause its contractors to comply, with all applicable federal, state and local laws, codes, regulations, ordinances, rules and orders including, without limitation, those promulgated by the FAA and the TSA, which shall include, but not be limited to, the following:

A. Prohibition Against Exclusive Rights. It is hereby specifically understood and agreed that nothing contained in this Agreement shall be construed to grant or authorize the grant to Signature of an exclusive right to use Airport facilities or to provide aeronautical services to the public as prohibited by Section 308(a) of the Federal Aviation Act of 1958, as amended, and City reserves the right to grant to others at the Airport similar privileges and rights.

B. Subordination of Agreement. Signature covenants and agrees that this Agreement shall be subordinated to the provisions of any existing or future agreement between the City and the United States Government, the execution of which has been or will be required as a condition precedent to the granting of Federal funds for the development of the Airport. Signature further agrees that it shall not cause the City to violate any assurances made by the City to the Federal government in connection with the granting of such Federal funds.

C. Non-discrimination in the Use of the Premises. This Agreement involves the use of or access to space on, over, or under real property acquired or improved under the Airport Development Aid Program of the Federal Aviation Administration, and therefore involves activity which serves the public. Signature, for itself, its personal representatives, successors in interest, and assigns, as part of the consideration hereof, does hereby covenant and agree, as a covenant running with the land, that (a) no person on the grounds of race, creed, color, religion, age, sex, or national origin shall be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination in the use of said facilities; (b) that no person on the grounds of race, creed, color, religion, age, sex, or national origin shall be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination in the construction of Improvements on, over, or under such land and the furnishing of services thereon; and (c) that Signature shall use the Premises in compliance with all other requirements imposed by or pursuant to regulations of the U.S. Department of Transportation. In the event of a breach of the above nondiscrimination-covenants by Signature, City shall have the right to terminate this Agreement and to reenter and repossess the Premises and the facilities thereon, and hold the same as if this Agreement had never been executed.

D. Non-Discrimination in Furnishing Services. Signature agrees that it shall provide its services and products promptly, efficiently and adequately to meet all reasonable demands therefor, all on a fair and non-discriminatory basis to all users thereof, at charges which are

fair, reasonable and non-discriminatory; provided that reasonable discounts, rebates or other similar types of price reductions may be made to volume purchasers.

Section 8.03 - Airport Agreements. Signature's use and occupancy of the Premises shall be and remain subject to (i) the provisions of any existing or future agreements between City and the United States government, FAA or other governmental authority, relative to the operation or maintenance of the Airport, the execution of which has been or will be required as a condition precedent to the granting of federal or other government funds, including, without limitation, grant agreements, and (ii) any use agreement heretofore or hereafter executed by the City with airlines operating at the Airport, including, without limitation, the Midway Airport Use Agreement and Facilities Lease and any ordinance or indenture, or both, authorizing bond anticipation notes or bonds or other obligations adopted by the City Council of the City authorizing the issuance of notes, bonds or other obligations for the Airport and securing such obligations by a pledge of revenues or net revenues of the Airport and any ordinance or indenture supplemental thereto, which shall also include any master indenture.

Section 8.04 - Airport Security Acts. This Agreement is expressly subject to the Airport Security Acts, as amended from time to time, the provisions of which are hereby incorporated by reference, including, without limitation all rules and regulations promulgated thereunder. Signature and its employees, contractors, subcontractors, suppliers of materials, or providers of services are subject to such employment investigations, including criminal history record checks, as the Commissioner, the TSA or the FAA may deem necessary. Further, in the event of any threat to civil aviation, as defined in the Airport Security Acts, Signature shall promptly report any information in accordance with those regulations promulgated by the Secretary of the United States Department of Transportation, the Secretary of the Department of Homeland Security and the City. Signature shall, notwithstanding anything contained herein to the contrary, at no additional cost to City, perform under this Agreement in compliance with those directives guidelines developed by City, the TSA and the FAA with the objective of maximum security enhancement, including without limitation any confidentiality directives and guidelines established by the TSA with respect to information that has been deemed by the TSA to be Security Sensitive Information.

Section 8.05 - Airport Noise Restrictions. Signature agrees to abide by any guidelines, rules or regulations for the Airport which result from any Part 150 study or any other restrictions imposed on noise and which are applicable to the use of the Premises as an aircraft maintenance facility or otherwise.

Section 8.06 - Regulating the Airport; Airport Operation. City reserves the right to regulate, police and further develop, improve, reconstruct, modify or otherwise alter the Airport in City's sole discretion. City reserves the right, but shall not be obligated to Signature, to maintain and keep in repair the landing area of the Airport and all publicly-owned facilities of the Airport. City shall not have any obligation to continue to operate the Airport or any part as an airport for passenger or freight air transportation or at any

particular level of operation and may at any time limit or discontinue use of the Airport or any means of access to or within the Airport in whole or in part. This provision shall not be interpreted to grant a right to limit or discontinue means of access to the Premises by Signature from outside the Airport from dedicated public streets.

ARTICLE IX - EXERCISE BY CITY OF GOVERNMENTAL FUNCTIONS

Nothing contained herein shall impair the right of City, in the exercise of its governmental functions, to require Signature to pay any tax or inspection fees or to procure necessary permits or licenses. Nothing herein shall be construed to prevent Signature from contesting in good faith any tax or inspection fee so long as such contest is diligently commenced and prosecuted by Signature.

Nothing contained herein shall be deemed to be the grant of any franchise, license, permit or consent to Signature to operate motor coaches, buses, taxicabs or other vehicles carrying passengers or property for hire or other consideration over the public ways to and from the Airport.

ARTICLE X - INSURANCE

Signature shall provide and maintain at all times, at Signature's own expense during the term of the Agreement and during any period subsequent to the expiration of the Term if Signature is required to return to perform Work or perform any activities to comply with any Environmental Law, the types of insurance specified in Exhibit D, with insurance companies authorized to do business in the State of Illinois, covering all operations under this Agreement, whether performed by Signature, its contractors or subcontractors.

ARTICLE XI - INDEMNIFICATION BY SIGNATURE

Section 11.01 - Indemnity. Signature agrees to protect, defend, indemnify, keep, save and hold the City of Chicago, its officers, officials, employees and agents (collectively **"Indemnified Parties"**) free and harmless from and against any and all liabilities, losses, penalties, damages, settlements, costs, charges, professional fees or other expenses or liabilities of every kind, nature and character arising out of or relating to any and all claims, liens, demands, obligations, actions, suits, judgments or settlements, proceedings or causes of action of every kind, nature and character (collectively **"Claims"**) in connection with or arising directly or indirectly out of the performance or failure to perform hereunder by Signature, its officials, agents, employees, and subcontractors, including but not limited to, the enforcement of this indemnification provision, except for Claims shown by final judgment to have been caused by or attributable to the Indemnified Parties' negligence, in which event the Indemnified Parties shall contribute to the payment of damages decreed by judgment, and the actual costs of defense borne by Signature not otherwise covered by insurance, to the extent the Indemnified Parties are found liable by such judgment. Without limiting the foregoing, any and all such Claims relating to personal injury, death,

damage to property, defects in materials or workmanship, actual or alleged infringement of any patent, trademark, copyright or of any other tangible or intangible personal property right, actual or alleged employment discrimination or wrongful discharge, or any actual or alleged violation of any applicable statute, ordinance, order, rule or regulation, or decree of any court, shall be included in the indemnity hereunder. The foregoing indemnity provision excludes the negligence of the Indemnified Parties to the extent prohibited by 740 ILCS 35/1 *et seq.* (Construction Contract for Indemnification Act) and/or 740 ILCS 150/0.01 *et seq.* (Structural Work Act), respectively. Signature further agrees to investigate, handle, respond to, provide defense for and defend all suits for any and all Claims, at its sole expense and agrees to bear all other costs and expenses related thereto, even if the Claims are considered groundless, false or fraudulent.

The Indemnified Parties shall have the right, at their respective options and cost, to participate in the defense of any suit, without relieving Signature of any of its obligations under this indemnity provision, provided that the Indemnified Parties and their respective attorneys shall coordinate and cooperate with Signature's attorneys. Signature further expressly understands and agrees that the requirements set forth in this indemnity to protect, defend, indemnify, keep, save and hold the Indemnified Parties free and harmless are separate from and not limited by Signature's responsibility to obtain insurance pursuant to other Sections in this Agreement. Further, the indemnities contained in this Section shall survive the expiration or termination of this Agreement.

Section 11.02 - Release of City.

A. The City shall not be liable to Signature, or to Signature's agents, representatives, contractors, subcontractors, or employees, for any injury to, or death of, any of them or of any other person, or for any damage to any of Signature's property, or loss of revenue caused by any third person in the maintenance, construction, or operation of facilities at the Airport, or caused by City or any third person using the Airport or navigating any aircraft on or over the Airport, except where there has been a final determination by a court of competent jurisdiction that any injury, death, or damage is due to the negligence or willful misconduct of City, and only to the extent Signature or any of the above described parties is not covered by insurance.

B. The City shall not be liable to Signature for damage to property of Signature or any loss of revenues to Signature resulting from City's acts or omissions in the maintenance and operation of the Airport, except where there has been a final determination by a court of competent jurisdiction that such damage or loss has been caused by the negligence or willful misconduct of City, and then only to the extent Signature is not reimbursed by insurance.

C. Notwithstanding any reference herein to Signature's release and indemnification being ineffective in certain instances where City or its agents, employees or representatives have been negligent, nothing herein shall be construed to make City liable in any case or instance where City would otherwise be immune from any tort liability because of its being

a municipal corporation.

Section 11.03 - Non-Liability of Public Officials. No official, employee, or agent of City shall be charged personally by Signature, or by any assignee or contractor of Signature, with any liability or expenses of defense, or be held personally liable to them under any term or provision of this Agreement, or because of City's execution or attempted execution hereof, or because of any breach hereof.

Section 11.04 - Limitation on City Liability. City, its officers, directors, commissioners, agents and employees, shall, to the extent permitted by law, have absolutely no personal liability with respect to any provision of this Agreement or any obligation or liability arising from this Agreement or in connection with this Agreement or the Premises in the event of a breach or default by City of any of its obligations. Signature (and any person claiming by or through Signature) shall look solely to legally available Airport discretionary funds from time to time up to the Maximum Limit. The term "Maximum Limit" means the fair market value of the City's interest in the Premises, as encumbered by this Agreement. The Maximum Limit shall be an aggregate limit over the term of this Agreement and shall be reduced by any prior payments or credits by City on account of a breach or default (or alleged breach or default) made with respect to the Premises. The Maximum Limit shall be determined as of the date of the City's liability for any breach or default is adjudicated. Such limitation of liability shall be absolute to the full extent permitted by law and without any exception whatsoever.

Section 11.05 - City Approvals. Nothing herein is intended nor shall it be construed to provide any limitation upon Signature's obligation to comply with the terms and conditions of this Agreement. No City review or approval of any act of Signature or document provided by Signature, including, but not limited to, plans and specifications, shall in any way serve to attenuate, diminish or otherwise limit Signature's obligations hereunder, nor shall any such review or approval constitute a waiver by the City of any non-compliance with the terms and conditions of this Agreement. Unless otherwise required by law or as expressly provided otherwise in this Agreement, any City review or approval required by this Agreement is deemed to mean the review or approval of the Commissioner.

Section 11.06 - Survival Beyond Termination of this Agreement. Signature's obligations under Section 7.08, Section 7.10, and Article XI shall survive the termination or expiration of this Agreement.

ARTICLE XII - DEFAULT AND TERMINATION

Section 12.01 - Events of Default. Each of the following is an event of default under this Agreement:

A. Signature becomes insolvent (as such terms is defined under Section 101 of the Federal Bankruptcy Code, 11 U.S.C. 101 *et seq.* (the "Code"), or any successor statute

thereto); or fails to pay its debts generally as they mature; or takes the benefits of any present or future federal or state insolvency statute; or makes a general assignment for the benefit of creditors.

B. Signature files a voluntary petition in bankruptcy or a petition or answer seeking an arrangement of its indebtedness under the Code or under any other law or statute of the United States or of any State thereof; or consent to the appointment of a receiver trustee, custodian, liquidator, or other similar official, of all or substantially all of its property; or an order for relief is entered by or against Signature under any chapter of the Code.

C. By order or decree of a court, Signature is adjudged a debtor or bankrupt, or an order is made approving a petition filed by any of its creditors or by any of its stockholders, seeking its reorganization or the restructuring of its indebtedness under the Code or under any other law or statute of the United States or any state thereof and such order or decree is not stayed or vacated within sixty (60) days of its issuance.

D. A petition under any chapter of the Code or an action under any federal or state insolvency statute is filed against Signature and is not dismissed or stayed within sixty (60) days after being filed.

E. By or pursuant to, or under authority of any legislative act, resolution or rule, or order or decree of any court or governmental board, agency or officer, a receiver, trustee, custodian, liquidator, or other similar official takes possession or control of all or substantially all of the property of Signature and such possession or control continues in effect for a period of sixty (60) days.

F. Signature becomes a corporation in dissolution.

G. The letting, license, or other interest of or rights of Signature hereunder is transferred to, passed to, or devolved upon, by operation of law or otherwise, any other person, firm, corporation, or other entity, by, in connection with, or as a result of any bankruptcy, insolvency, trusteeship, liquidation or other proceedings or occurrence described in Subparagraphs (A) through (E) of this Section 12.01.

H. Signature fails to duly and punctually pay any Rent required to be paid hereunder or fails to make payment when due of any other sum required to be paid to City pursuant to this Agreement, for a period of ten(10) business days after written notice specifying such failure and requesting that it be remedied is given to Signature by City.

I. Signature fails to keep, perform, and observe any promise, covenant, or other provision of this Agreement, other than the obligation to pay Rent, for a period of thirty (30) days after written notice specifying such failure and requesting that it be remedied is given to Signature by City; provided, however, that any such failure which can be remedied, but which cannot with due diligence be remedied within such thirty (30) day period, shall not give rise to City's right to terminate this Agreement if corrective action is instituted by

Signature within such thirty (30) day period and diligently pursued until the failure is remedied.

J. Any lien is filed against the Premises or any portion thereof resulting from any act or omission of Signature, and is not discharged within thirty (30) days, unless Signature within the aforesaid thirty (30) days furnishes the City such security as the Commissioner in his discretion determines to be adequate to protect the interests of City.

K. Signature ceases using or abandons substantially all of the Premises for a period of ninety (90) consecutive days.

L. Signature makes any purported Transfer without the consent of City as set forth in Article XIV.

M. Signature fails to maintain its corporate existence, or fails to remain duly qualified to do business in the State of Illinois, or Signature dissolves or otherwise disposes of all or substantially all of its assets, or consolidates with or merges into another corporation; provided, however, that it shall not be an Event of Default if Signature consolidates with or merges into an Affiliate; or

N. Signature fails to receive authorization to conduct fixed base operations or general aviation functions at the Airport by any governmental entity, or the FAA objects to or disapproves this Agreement.

O. Signature defaults on any Loan Agreement pertaining to Special Facility Revenue Bonds issued by the City for use and repayment by Signature.

Section 12.02 - City's Remedies.

A. Whenever an Event of Default has occurred and is continuing, City may, at its option, immediately and without prior notice of such Event of Default:

1. terminate this Agreement and the licenses and other rights of Signature hereunder, without discharging any of Signature's obligations hereunder and, at City's further option, exclude Signature from the Premises; or

2. without terminating this Agreement, exclude Signature from the Premises and attempt to grant such Premises to another party for the account of Signature, holding Signature liable for all payments due hereunder up to the effective date of such grant and for the excess over the Rent and other amounts which are paid by such new party under such new agreement, if any, of other amounts payable by Signature under this Agreement for the remainder of the term of this Agreement.

B. The remedies set forth in this Article are in addition to all other remedies which are or may be available to City at law or in equity. In addition, City may, from time to time, take

whatever action at law or in equity appears necessary or desirable to collect Rent and any other amounts payable by Signature hereunder then due and thereafter to become due, and to enforce the performance and observance of any obligation, agreement, or covenant of Signature under this Agreement.

C. All rights and remedies hereinbefore given to City and all rights and remedies given to City by law, shall be cumulative and concurrent. No termination of this Agreement or the taking or recovering of the Premises shall deprive City of any of City's remedies or actions against Signature for Rent or for any other sum required to be paid to City pursuant to this Agreement, or for damages or for the breach of any covenant herein contained, nor shall the bringing of any action for fees or breach of covenant, or the resort to any other remedy herein provided for the recovery of fees be construed as a waiver of the right to obtain possession of the Premises.

Section 12.03 - Removal of Signature's Property.

A. The personal property financed with funds other than Special Facility Revenue Bonds or other City funds and placed or installed by Signature in the Premises shall remain the property of Signature and must be removed on or before the expiration of the Term or the expiration of any extension or renewal thereof at Signature's sole risk and expense. Any damage to the Airport, the Premises, or any fixtures located therein, resulting from such removal shall be paid for by Signature. In the event of the termination of this Agreement, by default or otherwise, Signature shall have thirty (30) days after such termination during which to remove such property; provided, however, City shall have the right to assert such liens against said property as City may by law be permitted. So long as any such property remains in the Premises, Signature's obligation to pay City Rent and any other sums which may be due the City under the Agreement shall continue.

B. If Signature's property is not removed as herein provided, City may, at its option, deem such property abandoned and keep such property or after written notice to Signature and at Signature's sole risk and expense, remove such property to a public warehouse for deposit, or retain the same in City's possession and after the expiration of thirty (30) days sell the same, with notice and in accordance with applicable law, the proceeds of which shall be applied first to the expenses of such removal and sale, second to any sum owed by Signature to City, and any balance remaining shall be paid to Signature.

Section 12.04 - Condemnation.

A. Any condemnation or taking of such a substantial part of the Premises that results in the Premises being unsuitable or incapable of being used for the purposes stated herein, is hereafter referred to as a "Total Taking." In the event of a Total Taking, this Agreement shall be terminated as of the date of the filing of the petition to condemn. Signature may thereafter petition the Court for an award of the value of its interest, which may include the amount of the unamortized construction costs under Section 4.05. Signature shall apply any such award to the defeasance of any outstanding Special Facility Revenue Bonds

issued by the City for use and repayment by Signature.

B. In the event of a taking of the Premises other than a Total Taking (a "Partial Taking"), this Agreement shall remain in effect as to the remaining portion of the Premises and, if the proceeds of any award received by City on account of such Partial Taking are sufficient to restore or replace the Premises so taken, City shall deposit the proceeds of the award with respect to the Premises in a construction fund and City shall forthwith (subject to unavoidable delays) apply such proceeds to the restoration or replacement of the Premises so taken as nearly as possible to (i) such condition, character, and utility value as existed prior to such Partial Taking or (ii) to such other condition, character, and value as may be agreed upon by City and Signature. If for any reason the proceeds of an award received by City for a Partial Taking are in excess of the amount necessary to restore or replace the Premises, the amount of such excess shall be paid to City. If such proceeds are insufficient to replace or restore the Premises as provided in (i) and (ii) above, City shall not be required to restore or replace in excess of the proceeds of such awards.

Section 12.05 - No Waiver by City. Failure by City to take any action with respect to any default or violation by Signature of any of the terms, covenants, or conditions of this Agreement shall not in any respect limit, prejudice, diminish, or constitute a waiver of any rights of City to act with respect to any prior, contemporaneous, or subsequent violation or default. The acceptance by City of payment for any period or periods after a default or violation of any of the terms, conditions, and covenants of this Agreement shall not constitute a waiver or diminution of, nor create any limitation upon any right of City pursuant to this Agreement to terminate this Agreement for subsequent violation or default, or for continuation or repetition of the original violation or default.

Section 12.06 - City's Right to Perform Signature's Obligations.

A. In the event that Signature fails to perform any of its obligations under this Agreement, the City may, but is not obligated to, and without waiving or releasing Signature form any of its obligations hereunder, make any payment or perform any other act which Signature is obligated to make or perform under this Agreement in such manner and to such extent as City may deem desirable; and in so doing city shall also have the right to enter upon the Premises, including any Improvement to the Premises, for any purpose reasonably necessary in connection therewith and to pay or incur any other necessary and incidental costs and expenses, including reasonable attorneys' fees. All sums so paid and all liabilities so incurred by City, together with interest thereon at the lesser of the then current Default Rate or the highest interest rate permitted by law, shall be deemed additional Rent hereunder and shall be payable to City upon demand as additional Rent. City shall use reasonable efforts to give prior notice, which may be oral, of its performance, if reasonably feasible under the circumstances.

B. The performance of any such obligation by City shall not constitute a waiver of Signature's default in failing to perform the same. Inaction of City shall never be considered as a waiver of any right accruing to it pursuant to this Agreement. City, in

making any payment hereby authorized: (a) relating to taxes, may do so according to any bill, statement or estimate, without inquiry into the validity of any tax, assessment, sale, forfeiture, tax lien or title or claim thereof; (b) for the discharge, compromise or settlement of any lien, may do so without inquiry as to the validity or amount of any claim for lien which may be asserted; or (c) in connection with the completion of construction of Improvements to the Premises or the repair, maintenance or reconstruction of Improvements to the Premises or payment of operating costs thereof, may do so in such amounts and to such persons as City may reasonably deem appropriate. Nothing contained herein shall be construed to require the City to advance monies for any purpose. City shall not in any event be liable for inconvenience, annoyance, disturbance, loss of business or other damage to Signature or any other occupant of the Premises or any part thereof, by reason of making repairs or the performance of any work on the Premises or on account of bringing materials, supplies and equipment into or through the Premises during the course thereof and the obligations of Signature under this Lease shall not thereby be affected in any manner. In doing so, however, City shall use reasonable efforts not to interfere with Signature's operations.

Section 12.07 - Attorneys' Fees and Expenses. In the event Signature defaults under this Agreement and City employs attorneys or incurs other expenses for the collection of Rent or any other amounts due hereunder, or for the enforcement or performance or observance of any obligation or agreement on the part of Signature herein contained, Signature shall, on demand, pay to City the reasonable fees and expenses of such attorneys and any such other reasonable expenses incurred by City as a result of such default.

ARTICLE XIII - TRANSFERS

Section 13.01 - Signature's Right to Transfer.

A. Transfers Generally. Except for Exempt Transfers, Signature covenants that it will not assign, sublet, transfer, convey, sell, mortgage, pledge, or encumber (any of the foregoing events being referred to as a "Transfer") the Premises or any part thereof, or any rights of Signature hereunder or any interest of Signature in this Agreement, or effect any sale of Signature stock that may have the effect of a Transfer, nor will Signature allow the use of such Premises hereunder by any other person, except as otherwise provided in Article II of this Agreement, without in each instance having first obtained the prior written consent of City as set forth below. Where the consent the City may be granted by the Commissioner, the City agrees such consent will not be withheld or delayed unreasonably.

B. Transfer to an Affiliate. Transfers of this Agreement, in whole or in part, to an Affiliate of Signature are subject to consent of the Commissioner. The Commissioner will not withhold his consent to such Transfer provided that: (i) the proposed transferee is in compliance with all of the legal requirements of this Agreement, (ii) the proposed transferee demonstrates to the Commissioner's satisfaction that it is sufficiently financially

responsible, experienced and capable to perform those obligations of Signature under this Agreement that Signature seeks to Transfer, (iii) the proposed transferee assumes all of Signature's obligations under this Agreement that Signature seeks to Transfer, (iv) in the Commissioner's sole opinion, the Transfer will not have a material adverse effect upon the Airport, (v) no event of default then exists, and (vi) the transferee executes the City's Economic Disclosure Statement and Affidavit.

C. City Consent. Except where the Transfer is to an Affiliate, the consent of the City Council on behalf of City shall be required for any Transfer of (i) all of the Premises, (ii) all rights of Signature hereunder, or (iii) all of Signature's interest in this Agreement. The consent of the Commissioner on behalf of City shall be required for any other Transfer. Consent by City to any type of Transfer described in this Article or elsewhere in this Agreement shall not in any way be construed to relieve Signature from obtaining further authorization from City for any subsequent Transfer of any nature whatsoever. In determining whether or not to consent to a Transfer, City will take into account those factors (i) through (vi) set forth in the immediately preceding paragraph and, without limitation, the promotion of a competitive environment at the Airport in light of the then-existing circumstances, the proposed use of the Premises by any transferee, the balanced utilization of the Airport facilities, operational considerations relating to the characteristics of the proposed transferee, the financial condition of the proposed transferee, and the impact on City's ability to exercise control over the Airport.

D. Signature to Remain Primarily Liable. Notwithstanding any Transfer, with or without City consent, Signature shall remain fully liable for the payment of all of its fees and fully responsible for the performance of all of its other obligations hereunder.

E. Request for City Consent. Any and all requests by Signature for consent to a Transfer shall be made in writing by certified mail to City and shall include copies of the proposed documents of Transfer. Said documents of Transfer shall completely disclose any and all considerations made or to be made to Signature for said Transfer.

F. City's Right to Collect from Transferee. City may collect Rent and other sums to be paid from any assignee, sublessee, or other transferee of Signature, and in such event shall apply the net amount collected to the Rent and other sums payable by Signature hereunder without such action by City releasing Signature from this Agreement or any of its obligations hereunder. If any Transfer requiring City consent occurs without such consent and City collects Rent or other sums payable by Signature from the transferee and applies the net amount collected in the manner described in the preceding sentence, such actions by City shall not be deemed to be consent to the Transfer.

G. Transfers Without City Consent Void. Any Transfer without the written consent of the City as provided for herein shall be void and of no effect.

Section 13.02 - City Right to Transfer. The City reserves the right to transfer all or any part of its interests hereunder, including but not limited to the assignment of this Agreement

Section 15.02 - Counterparts. This Agreement is comprised of several identical counterparts, each to be fully executed by the parties and each to be deemed an original having identical legal effect.

Section 15.03 - Amendments. No changes, amendments, modifications, cancellation, or discharge of this Agreement, or any part thereof, shall be valid unless in writing and signed by the parties hereto, or their respective successors and assigns.

Section 15.04 - No Partnership or Agency. Nothing herein contained as intended or shall be construed to in any respect create or establish any relationship other than that of lessor and lessee, and nothing herein shall be construed to establish any partnership, joint venture, or association or to make Signature the general representative or agent of City for any purpose whatsoever.

Section 15.05 - Representatives. City and Signature shall each designate a representative who, except as otherwise provided hereunder, shall be authorized to act for City and Signature, respectively, with respect to any actions to be taken by either of them under the terms of this Agreement. Except as specifically set forth herein, for the purposes of actions to be taken by it or by the Commissioner, City's representative shall be the Commissioner. Signature's representative shall be designated in a written notice delivered to City. Any party hereto may change its designated representative by notice to the other party.

Section 15.06 - Force Majeure.

A. Neither party hereto shall be liable to the other for any failure, delay, or interruption in performing its obligations hereunder due to causes or conditions beyond its control, including, without limiting the generality hereof, strikes, boycotts, picketing, slow-downs, work stoppages, or other labor actions affecting City or Signature, their respective contractors or subcontractors, except to the extent that such failure, delay or interruption is the result of the negligence of that party; provided that nothing in this Section is intended or shall be construed to abate, postpone, or in any respect diminish Signature's obligations to

make any payments due City pursuant to this Agreement.

B. City shall be under no obligation to supply any service if and to the extent and during any period that the supplying of any such service or the use of any component necessary therefor shall be prohibited or rationed by any federal, state, county, or municipal law, rule, regulation, requirement, order, or directive.

C. Signature shall not be liable for the performance of any obligation of Signature hereunder if such performance is prohibited or materially affected by the issuance of any order, rule, or regulation, or the taking of any action by the Federal Aviation Administration, the Transportation Security Administration or other government authority substantially affecting, for a period of at least thirty (30) days, Signature's use of the Airport, provided, however, that none of the foregoing is due to any fault of Signature.

Section 15.07 - Governing Law. This Agreement shall be governed in accordance with the laws of the State of Illinois. Signature hereby irrevocably submits, and shall cause its subcontractors to submit, to the original jurisdiction of those State or Federal courts located within the County of Cook, State of Illinois, with regard to any controversy arising out of, relating to, or in any way concerning the execution or performance of this Agreement. Signature irrevocably waives any objection (including without limitation any objection of the laying of venue or based on the grounds of forum nonconveniens) which it may now or hereafter have to the bringing of any action or proceeding with respect to this Agreement in the jurisdiction set forth above. Nothing herein shall affect the right to serve process in any other manner permitted by law or shall limit the right of City to bring proceedings against Signature in the courts of any other jurisdiction.

Section 15.09 - Severability. If any provisions of this Agreement shall be held or deemed to be or shall in fact be inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions or in all cases because it conflicts with any other provision or provisions hereof or of any constitution, statute, ordinance, rule of law, or public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstances, or of rendering any other provision or provisions herein contained invalid, inoperative, or

If this Agreement is terminated for any reason, or if it expires by its own terms, Signature shall make every reasonable effort to assure an orderly transition to another fixed base operator or provider of general aviation services, if any; orderly demobilization of its own operation; and the uninterrupted provision of fixed base operations and general aviation services. During any transition period Signature shall otherwise comply with the reasonable requests and requirements of the Commissioner in connection with the termination or expiration of this Agreement.

EXHIBIT C
REQUIRMENTS FOR WORK

REQUIREMENTS FOR WORK

1. Project Description

Prior to performing any Work for improvements to the Premises (a "Project"), Signature shall provide the Commissioner with a written description of the Work to be performed, including drawings, plans and specifications, the estimated cost to complete, and the proposed Work schedule.

2. Signature Coordination with City

(a) Signature shall designate a "Project Manager" who shall manage and coordinate the Work. City shall direct all communications regarding the Work to the Project Manager.

(b) The Commissioner shall designate a "Work Liaison" to represent City in all matters relating to the performance of the Work and to constitute the point of receipt for all submittals, unless expressly specified otherwise herein. In all provisions of this Exhibit in which City's written approval or consent is required, such approval or consent must be that of the Work Liaison, unless Signature is notified in writing by the Commissioner otherwise. Any approval or consent by the Work Liaison hereunder shall not create any liability on City, in whole or in part, for the professional or technical accuracy of Signature's Work. The Commissioner shall be the final arbiter of any decision to be made or consent or approval to be given under this Exhibit. The Work Liaison shall further assist Signature in coordinating Signature's Work with other projects and operations at the Airport and in Signature's contacts with any Federal, State, or local government agencies. If requested, Signature shall provide reasonable administrative space for the Work Liaison on or contiguous to the work site. The Work Liaison shall provide such personnel as may be needed from time to time.

3. Standard of Performance

Signature shall perform, or cause to be performed, all Work on the Project with that degree of skill, care and diligence normally exercised by professional performing equivalent Work in projects of a scope and magnitude comparable to the Work hereunder.

Signature shall further perform, or cause to be performed, all Work hereunder according to those standards for Work at the Airport promulgated by CDA, FAA, and any other interested Federal, State, or local governmental units, including, without limitation, any Airport Design and O'Hare Modernization Program ("OMP") Construction Standards.

Signature shall further require its contractors to perform all Work required of them in accordance with the above standards and in a safe, efficient, good and workmanlike manner. Signature shall require its Project Contractors to replace all damaged or defective Work. Subject to the terms and conditions stated herein, Signature shall replace or correct such Work not so corrected or replaced by any contractor, or shall cause such Work to be replaced or corrected by another contractor, and thereafter shall prosecute, or shall assign its rights to so prosecute to City upon reasonable request therefore, any and all claims it may have against any contractor for failure by such contractor to comply with the standards of performance imposed upon them hereunder.

In the event Signature or its contractors fail to comply with the above-referenced standards, Signature shall perform again, or cause to be performed again, at its own expense, any and all Work which is required to be re-performed as a direct or indirect result of such failure. Notwithstanding any review, approval, acceptance, or payment for any and all of the Work by the City, Signature shall remain solely and exclusively responsible for the technical accuracy of all of the Work, as defined herein and furnished under this Lease. This provision shall in no way be considered as limiting the rights of City against Signature or its contractors, either under this Agreement, at law, or in equity.

4. Approval of Contractors

Prior to the hiring by Signature of any contractors, Signature shall submit a list of pre-qualified contractors to City for review and approval. In addition, City shall have the right (but not the obligation) to review, and approve the form of Signature's construction contract with any person or firm hired to act as a contractor in connection with the performance of Work. Signature shall include in its construction contracts all provisions required by this Agreement, such provisions as may be required by law at the time any such contract is awarded and such provisions as may be reasonably requested by City, it's Risk Manager, its Purchasing Agent and its legal counsel.

5. Assignment of Contracts

All construction contracts shall contain provisions making them assignable to City. Upon the occurrence of an Event of Default under this Agreement, City shall have the right to require that Signature complete the assignment to City of any and all construction contracts. Such assignment shall be in writing and in a form and substance acceptable to City. Signature agrees that all such contracts shall further contain a clause which provides that in the case of any contract so assigned, the Project Contractor shall be deemed to have waived any and all claims, suits, and causes of action arising out of or relating to the performance of such contract prior to the effective date of such assignment, unless such contractor notifies City in writing of such claim, suit, or cause of action prior to the effective date of such assignment. City shall not be responsible for any claims relating to such contracts arising from or related to any fraud, misrepresentation, negligence or willful or intentionally tortuous conduct by Signature, its officials, employees, agents or other Signature contractors.

6. Requirements for Work

(a) Project Planning, Design, and Fabrication Phase: Signature shall submit, or cause to be submitted, at such levels as may be reasonably required by the Work Liaison, proposed drawings, plans and specifications or review and comment by the Work Liaison. Such drawings, plans, and specifications, and all amendments thereto, and the cost and schedule information to be provided by Signature under this Paragraph 6 (a), shall be subject to the approval of the Work Liaison, which approval shall not be unreasonably withheld or delayed. Any conditional approval or disapproval shall be accompanied by an explanation. If Signature intends to adopt fast track construction procedures, Signature must still complete each contract package to a reasonable level of detail (including alternate designs selected by Signature for major structural, mechanical, electrical and architectural elements) that will provide the Work Liaison adequate information upon which to base its review and approval. Signature shall not proceed with construction operations until all necessary approvals have been obtained.

(b) Signature to Provide Information: Prior to the commencement of any Work, and thereafter as often as may be necessary to provide the Work Liaison with current and complete information about the Work, Signature shall submit the Work Liaison (i)

initial and updated construction schedules (which shall be reviewed by the Work Liaison for the impact and relation to other projects or operations at the Airport) indicating the proposed and/or actual sequence of all Work, and the estimated date of completion of the Work under each of Signature's contracts; (ii) initial and updated site utilization plans, including limit lines, on-site storage and office areas, and proposed temporary alterations or detours and support detours intended to maintain public access and support services to, from, through or passed operating facilities at the Airport; and (iii) Signature's initial and updated cost estimates for the Work, individually and aggregated.

(c) Installation, Construction, Start-Up and Testing Phase:

(i) The Work Liaison shall have the right to monitor the Work to assure the Project is installed and constructed in conformity with the approved drawings, plans and specifications, and in accordance with the applicable standards thereto. In order to assist the Work Liaison in monitoring the installation, construction, start-up and testing, Signature shall submit, or cause to be submitted, to the Work Liaison copies of all

- surveys, soil borings, and field test reports;
- contracts;
- material certificates and samples;
- approved shop drawings;
- lien waivers, payrolls, and requests for payment by Contractors of any tier;
- progress reports;
- notification of substantial completion of the Work;
- maintenance and operations manuals in connection with building systems;
- as-built warranties;
- test and start-up results; and
- any other documents related to the Work which may be reasonably requested by City.

(ii) No change order which materially changes the scope of the Work or the Project shall be implemented by Signature without review and approval by the Work Liaison. Any conditional approval or disapproval shall be accompanied by an explanation.

(iii) In the event the Work Liaison determines that the Work is at material variance from the approved cost, schedule, drawings, plans, and specifications or applicable standards. Signature shall use its best efforts to expeditiously resolve such variance through immediate consultation with its contractors. Until it has been determined by the Work Liaison that the Work has been performed without material variance from the approved cost, schedule, drawings, plans and specifications and applicable standards, the Work Liaison may, by written notice to Signature, (i) suggest to Signature that Signature withhold payments from any contractor with has performed, in the judgment of the Work Liaison, Work which is at material variance from the approved cost, schedule, drawings, plans, and specifications, or applicable standards or (ii) suggest to Signature that it stop Work where it is directly affected by such variance from the approved costs, schedule, drawings, plans, specifications and applicable standards. If Signature's response is unacceptable in the reasonable opinion of the

initial and updated construction schedules (which shall be reviewed by the Work Liaison for the impact and relation to other projects or operations at the Airport) indicating the proposed and/or actual sequence of all Work, and the estimated date of completion of the Work under each of Signature's contracts; (ii) initial and updated site utilization plans, including limit lines, on-site storage and office areas, and proposed temporary alterations or detours and support detours intended to maintain public access and support services to, from, through or passed operating facilities at the Airport; and (iii) Signature's initial and updated cost estimates for the Work, individually and aggregated.

(c) Installation, Construction, Start-Up and Testing Phase:

(i) The Work Liaison shall have the right to monitor the Work to assure the Project is installed and constructed in conformity with the approved drawings, plans and specifications, and in accordance with the applicable standards thereto. In order to assist the Work Liaison in monitoring the installation, construction, start-up and testing, Signature shall submit, or cause to be submitted, to the Work Liaison copies of all

- surveys, soil borings, and field test reports;
- contracts;
- material certificates and samples;
- approved shop drawings;
- lien waivers, payrolls, and requests for payment by Contractors of any tier;
- progress reports;
- notification of substantial completion of the Work;
- maintenance and operations manuals in connection with building systems;
- as-built warranties;
- test and start-up results; and
- any other documents related to the Work which may be reasonably requested by City.

(ii) No change order which materially changes the scope of the Work or the Project shall be implemented by Signature without review and approval by the Work Liaison. Any conditional approval or disapproval shall be accompanied by an explanation.

(iii) In the event the Work Liaison determines that the Work is at material variance from the approved cost, schedule, drawings, plans, and specifications or applicable standards. Signature shall use its best efforts to expeditiously resolve such variance through immediate consultation with its contractors. Until it has been determined by the Work Liaison that the Work has been performed without material variance from the approved cost, schedule, drawings, plans and specifications and applicable standards, the Work Liaison may, by written notice to Signature, (i) suggest to Signature that Signature withhold payments from any contractor with has performed, in the judgment of the Work Liaison, Work which is at material variance from the approved cost, schedule, drawings, plans, and specifications, or applicable standards or (ii) suggest to Signature that it stop Work where it is directly affected by such variance from the approved costs, schedule, drawings, plans, specifications and applicable standards. If Signature's response is unacceptable in the reasonable opinion of the

Work Liaison, the Work Liaison shall have the right to direct Signature to stop any other Work that is at variance with the approved cost, schedule, drawings, plans and specifications or applicable standards until the affected Work is corrected or replaced.

Any work which is at material variance from the approved cost, schedule, drawings, plans and specifications or applicable standards shall be corrected or replaced by Signature, directly or through its contractors, provided that the Work Liaison has informed Signature of such variance within ten (10) business days following the performance of such Work, unless the variance affects the structural integrity or safety of the Work or the variance could not have been discovered with due diligence, in which case the Work Liaison shall inform Signature of such variance as soon as reasonably practicable. If such Work is not corrected or replaced with City's own forces or otherwise at the expense of Signature, provided that in the event such Work cannot be corrected or replaced within said thirty (30) day period, Signature shall be afforded with such additional time as the Work Liaison may determine to be reasonably necessary to correct or replace such Work.

7. Ownership

City shall be and become the owner of the Work upon the City's acceptance thereof.

8. No Damages for Delay

Signature agrees and shall cause its contractors to agree that claims for damages or charges for additional costs or fees shall not be made against City by Signature or its contractors, absent bad faith, fraud, or direct tortious interference, for costs incurred by reason of delays, disruptions, or hindrances in the contractors' Work. In the event that any contractor is delayed by causes beyond the reasonable control of such contractor, the Work schedule for the performance of the Work may be extended by Signature with City approval to reflect the extent of such delay, provided that Signature shall be given City written notice within ten (10) days of the commencement of such delay and shall have received City's written approval of the extension, which approval shall not be unreasonably withheld. Such notice by Signature shall include a description of the reasons for the delay and the steps to be taken by Signature and Contractor to mitigate the effect of such delay on the Project schedule. City's permitting any Contractor to proceed with its Work, or any part thereof, after such extension shall in no way operate as a waiver of any other rights on the part of City. City shall not be responsible to Signature or its contractors for any claims for damages or charges for additional costs or fees incurred by reason of delays, disruptions, or hindrances caused by Signature's bad faith, fraud, or direct tortious interference with its contractors.

9. Performance and Payment Bonds

Signature shall require each of its contractors performing construction at or related to the Airport to post a performance and payment bond in the value of the construction Work to be performed under its contract. Such bonds shall comply with the provisions of 30 ILCS 550/1, as amended and Section 2-19-030 of the Chicago Municipal Code. The bond shall be in the same form and content as provided by City. The surety issuing such bond shall be acceptable to City's Risk Manager. City and Signature shall be named as co-obligees on all such bonds; provided, however, that City shall be named as primary co-obligee.

10. Protection of FAA Facilities

If trenching, jacking of pipe or casing, excavation for pavements or structures, site grading and vehicular traffic over earth areas will occur over, around and under FAA facilities such as equipment houses, direct buried cables and duct banks, all possible steps must be taken to ensure to insure their integrity throughout the period of construction activity.

The contractor shall notify the Commissioner at least 72 hours prior to any excavation in the vicinity of FAA cables or ducts to arrange for a joint walking tour with cable location equipment to identify precisely such cables and locations in order to assure the preservation of their vital functions during construction.

11. Protection of Utilities

(a) The contractor shall take suitable care to protect and prevent damage to all utilities from its operations on the Airport.

(b) When performing Work adjacent to existing sewers, drains, water and gas lines, electric or telephone or telegraph conduits or cables, pole lines or poles, or other utility equipment or structures which are to remain in operation, the contractor shall maintain such utility equipment and structures in place at its own expense and hall cooperate with the City department, utility company or other part owning or operating such utility equipment or structures in the maintenance thereof.

(c) The contractor shall be responsible for and shall repair all damage to any such utility, equipment or structures caused by its acts, whether negligent or otherwise, or its omission to act, whether negligent or otherwise and shall leave such utility, equipment or structures in as good condition as they were in prior to the commencement of its operations. However, it is hereby agreed that any such utility equipment or structures damages as a result of any act, or omission to act, of the contractor may, at the option of the City department, utility company, or other party owning or operating such utility, equipment or structures damaged, be repaired by such City department, utility company, or other party and in such event the cost of such repairs shall be borne by the contractor.

ORDINANCE

WHEREAS, the City of Chicago (the "City"), is a home rule unit of government under Article VII, Section 6(a) of the Constitution of the State of Illinois, and as such may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the City is authorized under its home rule powers to regulate the use and development of land; and

WHEREAS, it is a reasonable condition of development approval to ensure that adequate open space and recreational facilities exist within the City; and

WHEREAS, on April 1, 1998, the City Council of the City (the "City Council") adopted the Open Space Impact Fee Ordinance codified at Chapter 18 of Title 16 (the "Open Space Ordinance") of the Municipal Code of Chicago (the "Code") to address the need for additional public space and recreational facilities for the benefit of the residents of newly created residential developments in the City; and

WHEREAS, the Open Space Ordinance authorizes, among other things, the collection of fees from residential developments that create new dwelling units without contributing a proportionate share of open space and recreational facilities for the benefit of their residents as part of the overall development (the "Fee-Paying Developments"); and

WHEREAS, pursuant to the Open Space Ordinance, the Department of Finance ("DOF") has collected fees derived from the Fee-Paying Developments (the "Open Space Fees") and has deposited those fees in separate funds, each fund corresponding to the Community Area (as defined in the Open Space Ordinance), in which each of the Fee-Paying Developments is located and from which the Open Space Fees were collected; and

WHEREAS, the Chicago Title Land Trust Company as Trustee under Trust Agreement dated 9/27/12 known as Trust 8002360333 ("Titleholder") and Chicago River Monticello, LLC ("Land Trust Beneficiary"), an Illinois limited liability company (collectively, the "Seller") are the owners of an approximately 3,625 square foot parcel of vacant real property commonly known as 5056 N. Monticello in Chicago, Illinois (the "Acquisition Property") which is legally described on Exhibit A and made part hereof; and

WHEREAS, the Department of Housing and Economic Development ("HED") has determined that the Fee-Paying Developments built in the Community Area listed on Exhibit B attached hereto have deepened the already significant deficit of open space in that Community Area, which deficit was documented in the comprehensive plan entitled "The CitySpace Plan," adopted by the Chicago Plan Commission on September 11, 1997 and adopted by the City Council on May 20, 1998 pursuant to an ordinance published at pages 69309-69311 of the Journal of the Proceedings of the City Council (the "Journal") of the same date; and

WHEREAS, the City desires to purchase the Acquisition Property for the benefit and use of the public and the respective Community Area in which it is located; and

WHEREAS, the City intends to transfer, subject to a separate ordinance requiring City Council approval, the Acquisition Property to the Chicago Park District for future development of Eugene Field Park (the "Project");

WHEREAS, the City desires to use impact fee funds to pay for acquisition costs associated with Project; and

WHEREAS, HED desires City Council authorization to expend Open Space Fees in an amount not to exceed Forty Thousand and No/100 Dollars ($40,000) for the Project and to create open spaces and recreational facilities in the Community Area listed on Exhibit B; and

WHEREAS, the Open Space Ordinance requires that the Open Space Fees be used for open space acquisition and capital improvements, which provide a direct and material benefit to the new development from which the fees are collected; and

WHEREAS, the Open Space Ordinance requires that the Open Space Fees be expended within the same or a contiguous Community Area from which they were collected after a legislative finding by the City Council that the expenditure of the Open Space Fees will directly and materially benefit the developments from which the Open Space Fees were collected; and

WHEREAS, HED has determined that the use of the Open Space Fees to fund the Project will provide a direct and material benefit to each of the Fee-Paying Developments from which the Open Space Fees were collected; and

WHEREAS, HED has determined that Open Space Fees to be used for the purposes set forth herein have come from the specific fund set up by DOF for the corresponding Community Area in which a Fee-Paying Development is located and from which the Open Space Fees were collected; and

WHEREAS, HED has recommended that the City Council find that it is useful, necessary and desirable to acquire the Acquisition Property for the public purposes of establishing such additional open space, public park, and the development of the Project; and

WHEREAS, HED has recommended that the City Council find that that the acquisition of the Acquisition Property is consistent with and in furtherance of one of the primary objectives of the Open Space Plan, which is the expansion of open space within neighborhoods; and

WHEREAS, HED has recommended that the City Council approve the use of the Open Space Fees for the purposes set forth herein and on Exhibit B through this ordinance; and

WHEREAS, HED has recommended that the City Council make a finding that the expenditure of the Open Space Fees as described herein will directly and materially benefit the Fee-Paying Developments from which the Open Space Fees were collected; now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

ordinance as though fully set forth herein.

SECTION 2. The public purpose shall be satisfied so long as the Acquisition Property is devoted to such public ownership and public use.

Your favorable consideration of these ordinances will be appreciated.

Very truly yours,

ORDINANCE

WHEREAS, the City of Chicago ("City") is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970, and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the City, through the foreclosure of demolition liens, tax sales and other methods of acquisition, has acquired title to numerous parcels of real property which are of minimal value and costly to clean up and maintain, and because title to such properties was vested in the City, the properties were exempted from real estate taxes, thus depriving the City of revenue; and

WHEREAS, pursuant to an ordinance (the "Original Program Ordinance") adopted by the City Council of the City ("City Council") on March 6, 1981 and published on pages 5584 - 5585 of the Journal of Proceedings of the City Council ("Journal") for such date, the City established a program for the disposition of certain vacant real property owned by the City known as the Adjacent Neighbors Land Acquisition Program; and

WHEREAS, the Original Program Ordinance was amended by ordinances adopted on July 23, 1982 and published in the Journal for such date at pages 11830 - 11833, and on January 7, 1983 and published in the Journal for such date at pages 14803 - 14805 (the Original Program Ordinance and such two amending ordinances, collectively, the "Original ANLAP Ordinances"); and

WHEREAS, pursuant to an ordinance adopted by the City Council on September 14, 1994 and published in the Journal for such date at pages 56195 - 56198, the City Council repealed the Original ANLAP Ordinances, and established a new program, also known as the Adjacent Neighbors Land Acquisition Program, for the disposition of certain vacant real property owned by the City, which ordinance was subsequently amended by ordinances adopted on September 4, 2002 and published in the Journal for such date at pages 92771 - 92773, and on July 28, 2010 and published in the Journal for such date at pages 97370 - 97374 (such new program, as amended, the "ANLAP Program"); and

WHEREAS, pursuant to the ANLAP Program, as codified at Municipal Code Chapter 2-159-010 et seq. (the "ANLAP Program Ordinance"), a qualified City-owned parcel may be sold if it has an appraised value of not more than Fifty Thousand Dollars ($50,000); and

WHEREAS, pursuant to the ANLAP Program, if the property appraises at or for less than Ten Thousand Dollars ($10,000.00) the minimum acceptable bid must be at least One Thousand Dollars ($1,000.00); if the property appraises at or for less than Twenty Thousand Dollars ($20,000.00) but more than Ten Thousand Dollars ($10,000.00) the minimum acceptable bid must be at least Two Thousand Dollars ($2,000.00); and if the property appraises for more than Twenty Thousand Dollars ($20,000.00) the minimum acceptable bid must be Two Thousand Dollars ($2,000.00), plus fifty percent (50%) of the appraised value which exceeds Twenty Thousand Dollars ($20,000.00); and

WHEREAS, pursuant to the ANLAP Program, any deed conveying a parcel pursuant thereto shall contain covenants which: (1) prohibit the grantee from conveying, assigning or

otherwise transferring the parcel except in conjunction with the adjacent parcel owned by the grantee; and (2) require that the parcel be improved with landscaped open space within six (6) months of the conveyance of such parcel and prohibit the construction of any permanent improvements on the parcel, excluding only improvements made by the grantee on the parcel that constitute an integrated addition to the grantee's primary residence on the adjacent lot, or a garage appurtenant thereto; and (3) require the grantee to maintain the parcel in accordance with the provisions of the Municipal Code of Chicago. The covenants shall terminate ten (10) years after the date of the conveyance of the parcel to the grantee; and

WHEREAS, the Department of Housing and Economic Development ("DHED") of the City desires to convey the vacant parcel of real property identified on Exhibit A to this ordinance (the "ANLAP Parcel") to Tariq Andwar Anderson (the "Purchaser"), who has a principal residence of 1006 North Harding Ave., Chicago, Illinois 60651, which ANLAP Parcel is located in the Chicago/Central Park Redevelopment Project Area ("Area") established pursuant to ordinances adopted by the City Council on February 27, 2002, and published in the Journal for such date at pages 79794 through 80025, as amended; and

WHEREAS, DHED has caused notice of the proposed sale of the ANLAP Parcel to be sent to all eligible adjacent neighbors (if any) and has also caused public notice advertising the City's intent to enter into the sale of the ANLAP Parcel to the Purchaser to be published in the *Chicago Sun-Times* on July 12, 2013; and

WHEREAS, Purchaser's proposal was the only proposal received by the deadline indicated in the aforesaid notice; and

WHEREAS, pursuant to Resolution Number 13-056-21 adopted on August 15, 2013, by the Plan Commission of the City of Chicago ("Commission"), the Commission approved the sale of the Property to the Purchaser; now, therefore

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The City hereby accepts the bid of the Purchaser to purchase the ANLAP Parcel, which purchase shall be subject to all of the terms, conditions, covenants and restrictions of the ANLAP Program and the ANLAP Program Ordinance.

SECTION 2. The Mayor or his proxy is authorized to execute, and the City Clerk or Deputy City Clerk is authorized to attest, a quitclaim deed conveying the ANLAP Parcel to the Purchaser for the purchase price of One Thousand and 00/100 Dollars ($1,000.00). SECTION 1. INCORPORATION OF RECITALS.

The recitals set forth above constitute an integral part of this Agreement and are incorporated herein by this reference with the same force and effect as if set forth herein as agreements of the parties.

SECTION 2. PURCHASE PRICE / EARNEST MONEY / PERFORMANCE DEPOSIT.

A. Purchase Price. Subject to the terms, covenants and conditions of this Agreement, the City agrees to sell the Property to the Developer, and the Developer agrees to purchase the Property from the City for One Dollar ($1.00) ("Purchase Price") to be paid by cashier's or certified check, on the Closing Date (defined in Section 3). The Developer acknowledges that the Purchase Price is One Hundred Eighty-Nine Thousand Nine Hundred Ninety-Nine Dollars ($189,999) less than the appraised fair market value of the Property.

B. Earnest Money. [Intentionally omitted.]

C. Performance Deposit. On or prior to the Closing Date (as defined in Section 3) the Developer shall deposit with the City the amount of Nine Thousand Five Hundred and 00/100 Dollars ($9,500.00), as security for the performance of its obligations under this Agreement ("Performance Deposit"), which the City will retain until the City issues a Certificate of Completion (as defined in Section 12). The City will pay no interest to the Developer on the Performance Deposit. Upon the Developer's receipt of the Certificate of Completion, the Developer shall submit a request for a return of the Performance Deposit, and the City shall return the Performance Deposit within ninety (90) days of receiving such request.

SECTION 3. CLOSING.

The closing of the transfer of the Property from the City to the Developer (the "Closing" or, the "Closing Date") shall take place at the downtown offices of Near North National Title Company, 333 North LaSalle Street, Chicago, Illinois 60602 or such other reputable title company as may be selected by the Developer (the "Title Company") prior to the Closing. In no event shall the Closing occur (1) until and unless the conditions precedent set forth in Section 8 are all satisfied, unless the DHED, in its sole reasonable discretion waives one or more of such conditions; and (2) any later than March 1, 2014 (the "Outside Closing Date"), unless, at the Developer's request, the DHED, in its sole reasonable discretion, extends the Outside Closing Date. At the Closing, the City shall deliver to the Developer (a) the Deed (as defined below); (b) all necessary state, county and municipal real estate transfer declarations; and (c) possession of the Property.

SECTION 4. CONVEYANCE OF TITLE.

4.1 Form of Deed. The City shall convey the Property to the Developer by quitclaim deed ("Deed"), subject to the terms of this Agreement and the following ("Permitted Exceptions"):

a. the Redevelopment Plan for the Redevelopment Area;

b. standard exceptions in an ALTA title insurance policy;
c. general real estate taxes and any special assessments or other taxes;
d. all easements, encroachments, covenants and restrictions of record and not shown of record; and
e. such other title defects that may exist.

4.2 Recording Costs. The Developer shall pay to record the Deed, this Agreement, and any other documents incident to the conveyance of the Property to the Developer.

4.3 Escrow. If the Developer requires conveyance through escrow, the Developer shall pay all escrow fees.

SECTION 5. TITLE, SURVEY AND REAL ESTATE TAXES.

5.1 Title Commitment and Insurance. Not less than 30 days before the anticipated Closing Date, the Developer shall order a current title commitment for the Property issued by the Title Company. The Developer shall pay the cost of, and shall be responsible for, obtaining on the Closing Date, any title insurance, extended coverage and any endorsements it deems necessary. The City agrees to provide the Title Company with a completed ALTA owner's statement, and other transfer documents typically required by the Title Company and typically provided by the City (but expressly excluding, however, "gap" undertakings, title indemnities and similar liabilities) at or prior to the Closing. At the Closing, the Developer shall deliver to the City a copy of the owner's policy of title insurance that it obtains with respect to the Property.

5.2 Survey. The Developer will be responsible for obtaining, at Developer's expense, a survey for the Property.

5.3 Real Estate Taxes. The City shall use reasonable efforts to obtain the waiver or release of any delinquent real estate taxes or tax liens on the Property prior to the Closing Date, to the extent such taxes or tax liens can be waived or released through submission of an abatement letter to the Cook County Treasurer, a motion to vacate a tax sale or a petition for exemption. If the City is unable to obtain the waiver or release of any such tax liens or is unable to cause the Title Company to insure over such tax liens, or if the Property is encumbered with any other unpermitted exceptions, the Developer shall have the option to do one of the following: (1) accept title to the Property subject to the unpermitted exceptions, which shall then become Permitted Exceptions; or (2) terminate this Agreement by delivery of written notice to the City, in which event this Agreement shall be null and void, the City shall return the Performance Deposit to the Developer, and except as otherwise specifically provided herein, neither party shall have any further right, duty or obligation hereunder. If the Developer elects not to terminate this Agreement as aforesaid, the Developer agrees to accept title subject to the unpermitted exceptions in addition to the Permitted Exceptions.

SECTION 6. BUILDING PERMITS AND OTHER GOVERNMENTAL APPROVALS.

The Developer shall apply for and obtain all necessary building permits and other required zoning approvals (collectively, the "Governmental Approvals") prior to the Closing

Date, unless the DHED, in its sole reasonable discretion, agrees to waive such requirement. Should Developer be unable to obtain such Governmental Approvals prior to Closing necessary for commencement of construction and to satisfy the terms of this Agreement then Developer shall have the option to terminate this Agreement by delivery of written notice to the City in which event this Agreement shall be null and void and the City shall return the Performance Deposit to the Developer and, except as otherwise specifically provided herein, neither party shall have any further right, duty or obligation hereunder.

SECTION 7. PROJECT BUDGET AND PROOF OF FINANCING.

The total Project budget is currently estimated to be Four Hundred Twenty-Two Thousand Two Hundred Fifty-One and 00/100 Dollars ($422,251.00) (the "Preliminary Project Budget"). Not less than fourteen (14) days prior to the Closing Date, the Developer shall submit to the DHED for approval: (1) a final budget which is materially consistent with the Preliminary Project Budget ("the Final Budget"); and (2) evidence of funds adequate to construct the Project, as shall be acceptable to the DHED, in its sole reasonable discretion (the "Proof of Financing"). If construction on the Project commences and Developer finds that the estimated Final Budget is more than the actual costs for the Project, Developer shall not be obligated to spend the total Final Budget amount if not necessary for completion of the Project.

SECTION 8. CONDITIONS TO THE CITY'S OBLIGATION TO CLOSE.

The obligations of the City under this Agreement are contingent upon each of the following being satisfied at least seven (7) days prior to the Closing Date, or by such other date as may be specified, unless waived in writing by the Commissioner of the DHED (the "Commissioner"):

8.1 Final Governmental Approvals. Developer shall have delivered to the City all evidence of its receipt of all Governmental Approvals necessary to commence construction of the Project, subject to the terms of Section 6 of this Agreement.

8.2 Budget and Proof of Financing. The City shall have approved the Developer's Final Budget and Proof of Financing.

8.3 Simultaneous Loan Closing. On the date of the Closing, the Developer shall simultaneously close the financing necessary, for the acquisition and construction of the Project, and be in a position to immediately commence construction of the Project.

8.4 Insurance. The Developer shall provide evidence of insurance reasonably acceptable to the City. Specifically, the Developer shall provide commercial general liability insurance with a combined single limit of not less than $1,000,000 per occurrence, $2,000,000 aggregate, for bodily injury, personal injury and property damage liability and builder's risk or property insurance. Prior to the issuance of the Certificate of Completion (as defined in Section 12), the City shall be named as an additional insured on any liability insurance policies and as a loss payee (subject to the rights of any permitted mortgagee) on any property insurance policies from the Closing Date through the date the City issues the Certificate of Completion. With respect to property insurance, the City will accept an ACORD 28 form. With respect to liability

insurance, the City will accept an ACORD 25 form, together with a copy of the endorsement that is added to the Developer's policy showing the City as an additional insured.

8.5 Legal Opinion. The Developer shall have delivered to the City a legal opinion stating, in part, that the Developer has been duly organized and that the Developer is duly authorized to enter into this Agreement. Such opinion shall be in a form and substance reasonably acceptable to the City's Corporation Counsel.

8.6 Due Diligence. The Developer shall have delivered to the City due diligence searches in its name (UCC, State and federal tax lien, pending litigation and judgments in Cook County and the U.S. District Court for the Northern District of Illinois, and bankruptcy) showing no unacceptable liens, litigation, judgments or filings, as reasonably determined by the City's Corporation Counsel.

8.7 Organization and Authority Documents. The Developer shall have delivered to the City certified articles of organization, including all amendments thereto, of the Developer, as furnished and certified by the Secretary of State of the State of Illinois; a Certificate of Good Standing dated no more than thirty (30) days prior to the Closing Date, issued by the Office of the Secretary of State of the State of Illinois, as to the good standing of the Developer; and operating agreement, resolutions and such other organizational documents as the City may reasonably request.

8.8 Subordination Agreement. On the Closing Date, and prior to recording any mortgage approved pursuant to Section 8.2, the Developer shall, at the City's request, deliver to the City a subordination agreement in which the construction lender, if any, agrees to subordinate the lien of its mortgage to the covenants running with the land, or such other subordination assurance as the Corporation Counsel shall deem acceptable (each such agreement, a "Subordination Agreement").

8.9 MBE/WBE and Local Hiring Compliance Plan. The Developer and the Developer's general contractor and all major subcontractors shall meet with staff from the DHED regarding compliance with the MBE/WBE and other requirements set forth in Section 22, and at least seven (7) days prior to the Closing Date, the City shall have approved the Developer's compliance plan in accordance with Section 22.4.

8.10 Representations and Warranties. On the Closing Date, each of the representations and warranties of the Developer in this Agreement shall be true and correct.

8.11 Other Obligations. On the Closing Date, the Developer shall have performed all of the other obligations required to be performed by the Developer under this Agreement as of the Closing Date.

8.12 Reconveyance Deed. Prior to the conveyance of the Property to the Developer, the Developer shall deliver to the City a special warranty deed for the Property in recordable form naming the City as grantee ("Reconveyance Deed"), for possible recording in accordance with Section 18.3.d. below, if applicable.

8.13 Right to Terminate. If any of the conditions in this Section 8 have not been satisfied to the City's reasonable satisfaction within the time period provided for herein, the City may, at its option, terminate this Agreement by delivery of written notice to the Developer at any time after the expiration of the applicable time period, and this Agreement shall be null and void and, except as otherwise specifically provided, neither party shall have any further right, duty or obligation hereunder. Any forbearance by the City in exercising its right to terminate this Agreement upon a default hereunder shall not be construed as a waiver of such right.

SECTION 9. SITE PLANS AND ARCHITECTURAL DRAWINGS.

9.1 Site Plans. The Developer shall construct the Project on the Property in accordance with the site plan, specifications and architectural drawings prepared by Bureau of Architecture and Design, LLC, 119 West Hubbard Street, 5th Floor, Chicago, Illinois 60654, which have been approved by the DHED and which are attached hereto as Exhibit C (collectively, the "Working Drawings and Specifications"). No material deviation from the Working Drawings and Specifications may be made without the DHED's prior written approval. If the Developer submits and the DHED approves revised design development drawings and specifications after the date of this Agreement, the term "Working Drawings and Specifications" as used herein shall refer to the revised design development drawings and specifications upon the DHED's written approval of the same.

9.2 Relocation of Utilities, Curb Cuts and Driveways. To the extent necessary to complete the Project, the Developer shall be solely responsible for and shall pay all costs in regard to: (1) the relocation, installation or construction of public or private utilities located on the Property; (2) the relocation, installation and construction of any curb cuts and driveways; (3) the repair or reconstruction of any curbs, vaults, sidewalks or parkways required in connection with the Developer's redevelopment; (4) the removal of existing pipes, utility equipment or building foundations located on the Property; and (5) the termination of existing water or other services. Any streetscaping, including any paving of sidewalks, landscaping and lighting provided by the Developer, as part of the Project, must be approved by the City.

9.3 Inspection by the City. For the period commencing on the Closing Date and continuing through the date the City issues the Certificate of Completion, any duly authorized representative of the City shall have access to the Property at all reasonable times for the purpose of determining whether the Developer is constructing the Project in accordance with the terms of this Agreement and all applicable federal, state and local statutes, laws, ordinances, codes, rules, regulations, orders and judgments, including, without limitation, Sections 7-28 and 11-4 of the Municipal Code of Chicago relating to waste disposal (collectively, "Laws").

9.4 Barricades and Signs. Upon the City's request, the Developer agrees to erect such signs as the City may reasonably require identifying the Property as a City redevelopment project. The Developer may erect signs of its own incorporating such approved identification information upon the execution of this Agreement. Prior to the commencement of any construction activity requiring barricades, the Developer shall install a construction barricade of a type and appearance satisfactory to the City and constructed in compliance with all applicable federal, state or City laws, ordinances and regulations. The City shall have the right to approve all barricades, the maintenance, appearance, color scheme, painting, nature, type, content and

design of all barricades, and all signage, which approval shall not be unreasonably withheld or delayed.

SECTION 10. LIMITED APPLICABILITY.

The DHED's approval of any Drawings and Specifications is for the purpose of this Agreement only and does not constitute the approval required by the City's Department of Buildings or any other City department; nor does the approval by the DHED pursuant to this Agreement constitute an approval of the quality, structural soundness or the safety of any improvements located or to be located on the Property. The approval given by the DHED shall be only for the benefit of the Developer and any lienholder authorized by this Agreement.

SECTION 11. COMMENCEMENT AND COMPLETION OF PROJECT.

Subject to the receipt of all necessary government approvals, the Developer shall commence construction of the Project not later than March 1, 2014. The Developer shall complete the construction of the Project (as described in Exhibit B) not later than October 31, 2015 (such date, the "Outside Completion Date"). The Commissioner shall have discretion to extend any of the construction commencement and completion dates for good cause shown by issuing a written extension letter. The Developer shall give written notice to the City within five (5) days after it commences construction of the Project. The Project shall be constructed in accordance with all applicable laws, regulations and codes.

SECTION 12. CERTIFICATE OF COMPLETION.

Upon the completion of the Project, including the Developer's having obtained LEED Certification under the Commercial Interiors 2009 Rating System, the Developer shall request from the City a Certificate of Completion (the "Certificate of Completion"). Within forty-five (45) days thereof, the City shall provide the Developer with either the Certificate of Completion or a written statement indicating in adequate detail how the Developer has failed to complete the Project in compliance with this Agreement, or is otherwise in default, and what measures or acts are necessary, in the sole reasonable opinion of the Department, for the Developer to take or perform in order to be in compliance with this Agreement in order to obtain the Certificate of Completion. If the Department requires additional measures or acts to assure compliance, the Developer shall resubmit a written request for the Certificate of Completion upon compliance with the City's response. The Certificate of Completion shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of certain of the covenants in this Agreement and the Deed (but excluding those on-going covenants as referenced in Section 17) with respect to the Developer's obligations to construct the Project.

SECTION 13. RESTRICTIONS ON USE.

13.1 The Developer shall devote the Property to the construction of the Project.

13.2 The Developer shall devote the Property to a use that complies with the Redevelopment Plan until the Redevelopment Plan expires.

13.3 The Developer shall not, in violation of applicable law, discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the sale, lease, rental, use or occupancy of the Property or any part thereof, except as permitted by applicable law.

SECTION 14. PROHIBITION AGAINST TRANSFER OF PROPERTY.

Prior to the issuance of the Certificate of Completion, as provided herein, the Developer may not, without the prior written consent of the DHED, which consent shall be in the DHED's sole reasonable discretion: (1) directly or indirectly sell or convey the Property or any part thereof or any interest therein, or the Developer's controlling interests therein; or (2) directly or indirectly assign this Agreement. In the event of a proposed sale, the City shall be provided copies of any and all sales contracts, legal descriptions, descriptions of intended use, certifications from the proposed buyer regarding this Agreement and such other information as the City may reasonably request. The proposed buyer must be qualified to do business with the City (including but not limited to anti-scofflaw requirement). After the issuance of the Certificate of Completion, no City consent shall be required for any type of transfer of the Property, provided that the transferee assumes in writing the continuing obligations of the Developer under Sections 13 and 17 of this Agreement.

SECTION 15. LIMITATION UPON ENCUMBRANCE OF PROPERTY.

Prior to the issuance of the Certificate of Completion, the Developer shall not, without the DHED's prior written consent, which shall be in the DHED's sole reasonable discretion, engage in any financing or other transaction which creates a financial encumbrance or lien on the Property, except for the purposes of obtaining: (a) funds necessary to acquire the Property; (b) funds related to the Proof of Financing or otherwise necessary to construct the Project in substantial accordance with the Budget; and (c) after construction, funds necessary to own, maintain and operate the Property and the Project in accordance with the requirements of this Agreement. After the issuance of the Certificate of Completion, no City consent shall be required for any type of financing or other transaction which creates a financial encumbrance or lien on the Property.

SECTION 16. MORTGAGEES NOT OBLIGATED TO CONSTRUCT

Notwithstanding any other provision of this Agreement or of the Deed, the holder of any mortgage authorized by this Agreement (or any affiliate of such holder) shall not itself be obligated to construct or complete the Project, or to guarantee such construction or completion, but shall be bound by the other covenants running with the land specified in Section 17 and, at Closing, at the City's request, shall execute a Subordination Agreement (as defined in Section 8.8). If any such mortgagee or its affiliate succeeds to the Developer's interest in the Property prior to the issuance of the Certificate of Completion, whether by foreclosure, deed-in-lieu of foreclosure or otherwise, and thereafter transfers its interest in the Property to another party (that is not also a mortgagee), such transferee shall be obligated to complete the Project, and shall also be bound by the other covenants running with the land specified in Section 17.

SECTION 17. COVENANTS RUNNING WITH THE LAND.

The parties agree, and the Deed shall so expressly provide, that the covenants provided in Section 11 (Commencement and Completion of Project), Section 13 (Restrictions on Use), Section 14 (Prohibition Against Transfer of Property) and Section 15 (Limitation Upon Encumbrance of Property) will be covenants running with the land, binding on the Developer and its successors and assigns (subject to the limitations set forth in Section 16 above as to any permitted mortgagee) to the fullest extent permitted by law and equity for the benefit and in favor of the City, and shall be enforceable by the City. The covenants provided in Section 11, Section 14, (except for the continuing obligations of the Developer under Sections 13 and 17 herein) as assumed by any transferee, and Section 15 shall terminate upon the issuance of the Certificate of Completion. The covenants contained in Section 13.1 shall terminate upon the City's issuance of the Certificate of Completion. The covenants contained in Section 13.2 shall terminate upon the expiration of the Redevelopment Plan, as such expiration may be amended from time to time in accordance with and pursuant to applicable law. The covenants contained in Section 13.3 shall remain in effect without limitation as to time.

SECTION 18. PERFORMANCE AND BREACH.

18.1 Time of the Essence. Time is of the essence in the Developer's performance of its obligations under this Agreement.

18.2 Permitted Delays. The Developer shall not be considered in breach of its obligations under this Agreement in the event of a delay due to unforeseeable causes beyond the Developer's control and without the Developer's fault or negligence, including but not limited to, acts of God, acts of the public enemy, acts of the United States government, fires, floods, epidemics, quarantine restrictions, strikes, embargoes, material shortages, and unusually severe weather or delays of contractors or subcontractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the Developer requests it in writing of the City within thirty (30) days after the beginning of any such delay.

18.3 Breach.

a. Generally. Subject to Section 18.2, if the Developer defaults in performing its obligations under this Agreement, the City shall deliver written notice of such default, after which the Developer shall have a 60-day cure period to remedy such default. If the default is not capable of being cured within the 60-day period, then provided the Developer has commenced to cure the default and is diligently proceeding to cure the default within the 60-day period, and thereafter diligently prosecutes such cure through to completion, then the 60-day period shall be extended for the length of time that is reasonably necessary to cure the default. If the default is not cured in the time period provided for herein, the City may institute such proceedings at law or in equity as may be necessary or desirable to cure and remedy the default, including but not limited to, proceedings to compel specific performance.

No notice or cure period shall apply to a failure to close by the respective dates as set forth in Section 3 herein. Unless the failure to close is due to circumstances described in Section 18.2. above or caused by a breach by the City under the terms of this Agreement, such failure shall constitute an immediate "Event of Default". Failure to close by the dates set forth in Section 3 shall entitle the City to terminate this Agreement.

b. Event of Default. The occurrence of any one or more of the following shall constitute an "Event of Default" after written notice from the City (if required):

1. The Developer fails to perform any obligation of the Developer under this Agreement; which default is not cured pursuant to Section 18.3.a.; or

2. The Developer makes or furnishes a warranty, representation, statement or certification to the City (whether in this Agreement, an Economic Disclosure Form, or another document) which is not true and correct, which default is not cured pursuant to Section 18.3.a.; or

3. A petition is filed by or against the Developer under the Federal Bankruptcy Code or any similar state or federal law, whether now or hereinafter existing, which is not vacated, stayed or set aside within thirty (30) days after filing; or

4. Except as excused by Section 18.2 above, the Developer abandons or substantially suspends the construction work (no notice or cure period shall apply); or

5. The Developer fails to timely pay real estate taxes or assessments affecting the Property or suffers or permits any levy or attachment, material suppliers' or mechanics' lien, or any other lien or encumbrance unauthorized by this Agreement to attach to the Property, which default is not cured pursuant to Section 18.3(a); or

6. The Developer makes an assignment, pledge, unpermitted financing, encumbrance, transfer or other disposition in violation of this Agreement (no notice or cure period shall apply); or

7. The Developer fails to perform, keep or observe any of the other covenants, promises, agreements, or obligations under this Agreement, including but not limited to, the covenants set forth in Sections 13 and 17 herein, or any other written agreement entered into with the City with respect to this Project, which default is not cured pursuant to Section 18.3(a); or

8. Failure to close by the Outside Closing Date, unless the DHED, in

its sole reasonable discretion, extends the Outside Closing Date.

c. Prior to Conveyance. Prior to Closing, if an Event of Default occurs and is continuing, and the default is not cured in the time period provided in herein, the City may terminate this Agreement.

d. After Conveyance. If an Event of Default occurs after the Closing but prior to the issuance of the Certificate of Completion, and the default is not cured in the time period provided for in this Section 18.3, the City may terminate this Agreement and exercise any and all remedies available to it at law or in equity, including, without limitation, the right to re-enter and take possession of the Property, terminate the estate conveyed to the Developer, and revest title to the Property in the City pursuant to the Reconveyance Deed (the "Right of Reverter"); provided, however, the City's Right of Reverter shall be limited by, and shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by this Agreement. If the Reconveyance Deed is recorded by the City, the Developer shall be responsible for all real estate taxes and assessments which accrued during the period the Property was owned by the Developer, and shall cause the release of all liens or encumbrances placed on the Property during the period of time the Property was owned by the Developer. The Developer will cooperate with the City to ensure that if the City records the Reconveyance Deed, such recording is effective for purposes of transferring title to the Property to the City, subject only to those title exceptions that were on title as of the date and time that the City conveyed the Property to the Developer.

Notwithstanding the foregoing to the contrary, prior to its exercise of its Right of Reverter, the City shall provide written notice to the Developer of its intent to exercise its Right of Reverter, and the Developer shall have an additional ninety (90) days to cure the applicable Event of Default.

The City's Right of Reverter shall terminate upon the City's issuance of the Certificate of Completion.

e. Waiver and Estoppel. Any delay by the City in instituting or prosecuting any actions or proceedings or otherwise asserting its rights shall not operate as a waiver of such rights or operate to deprive the City of or limit such rights in any way. No waiver made by the City with respect to any specific default by the Developer shall be construed, considered or treated as a waiver of the rights of the City with respect to any other defaults of the Developer.

SECTION 19. CONFLICT OF INTEREST; CITY'S AND DEVELOPER'S REPRESENTATIVES NOT INDIVIDUALLY LIABLE.

The Developer warrants that no agent, official, or employee of the City shall have any personal interest, direct or indirect, in this Agreement or the Property, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any entity or association in which he or she is directly or

indirectly interested. No agent, official, or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer or successor or on any obligation under the terms of this Agreement. It is expressly understood and agreed to by and between the parties hereto, anything herein to the contrary notwithstanding, that no individual member of the Developer, its officers, members of its board of directors, officials, agents, representatives or employees shall be personally liable for any of the Developer's obligations or any undertaking or covenant of the Developer contained in this Agreement.

SECTION 20. INDEMNIFICATION.

The Developer agrees to indemnify, defend and hold the City harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) (collectively "Losses") suffered or incurred by the City arising from or in connection with: (1) an Event of Default that has occurred; (2) the failure of the Developer or any contractor, subcontractor or agent of Developer acting at the request of Developer, to pay contractors, subcontractors or material suppliers in connection with the construction of the Project; (3) the failure of the Developer to redress any misrepresentations or omissions in this Agreement or any other agreement relating hereto; and (4) any actions, including but not limited to, conducting environmental tests on the Property as set forth in Section 21 herein, resulting from any activity undertaken by the Developer on the Property prior to or after the conveyance of said Property to the Developer by the City; provided, however, the Developer shall have no obligation to indemnify the City for Losses to the extent such losses are caused by the City or its agents. This indemnification shall survive any termination of this Agreement (regardless of the reason for such termination).

SECTION 21. ENVIRONMENTAL MATTERS.

The City makes no covenant, representation or warranty as to the environmental condition of the Property or the suitability of the Property for any purpose whatsoever, and the Developer agrees to accept the Property "as is".

It shall be the responsibility of the Developer, at its sole cost and expense, to investigate and determine the soil and environmental condition of the Property. Prior to the date of Closing, Developer may enter the Property owned by the City for the purpose of conducting environmental tests on the Property to determine that the environmental condition of such Property is acceptable. The Developer's activities on such Property shall be limited to those reasonably necessary to perform the environmental testing. Upon completion of the work, the Developer shall restore the Property to its original condition. The Developer shall keep such Property free from any and all liens and encumbrances arising out of any work performed, materials supplied or obligations incurred by or for the Developer, and agrees to indemnify and hold the City harmless against any such liens.

The Developer will deliver to the City a copy of each report prepared by or for the Developer regarding the environmental condition of the Property. If prior to the Closing, the Developer's environmental consultant determines an environmental or soil condition exists on the Property to such an extent that the Developer determines that it is not satisfied, in its sole

reasonable discretion, with the condition of the Property, the Developer may declare this Agreement null and void by giving written notice thereof to the City.

If after the Closing, the environmental condition of the Property is not in all respects entirely suitable for the use to which the Property is to be utilized, it shall be the sole responsibility and obligation of the Developer to take such action as is necessary to put the Property in a condition which is suitable for the intended use of the Property. The Developer agrees to waive, release and indemnify the City from any claims and liabilities relating to or arising from the environmental condition of the Property (including, without limitation, claims arising under CERCLA) and to undertake and discharge all liabilities of the City arising from any environmental condition which existed on the Property prior to the Closing.

SECTION 22. DEVELOPER'S EMPLOYMENT OBLIGATIONS.

22.1 Employment Opportunity. The Developer agrees, and shall contractually obligate its various contractors, subcontractors and any affiliate of the Developer operating on the Property (collectively, the "Employers" and individually, an "Employer") to agree, that with respect to the provision of services in connection with the construction of the Project:

(a) Neither the Developer nor any Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, gender identity, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010 et seq. of the Municipal Code of Chicago, as amended from time to time (the "Human Rights Ordinance"). The Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon the foregoing grounds, and are treated in a non-discriminatory manner with regard to all job-related matters, including, without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Developer and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Developer and each Employer, in all print solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon the foregoing grounds.

(b) To the greatest extent feasible, the Developer and each Employer shall present opportunities for training and employment of low and moderate income residents of the City, and provide that contracts for work in connection with the construction of the Project be awarded to business concerns which are located in or owned in substantial part by persons residing in, the City.

(c) The Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, without limitation, the Human Rights Ordinance, and the Illinois Human Rights Act, 775

ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) The Developer, in order to demonstrate compliance with the terms of this Section 22.1, shall cooperate with and promptly and accurately respond to reasonable inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) The Developer and each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the construction of the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 22.1 shall be a basis for the City to pursue remedies under the provisions of Section 18.

22.2 City Resident Employment Requirement. The Developer agrees, and shall contractually obligate each Employer to agree, that during the construction of the Project, the Developer and each Employer shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 2-92-330 of the Municipal Code of Chicago (at least fifty percent); provided, however, that doing so does not violate a collective bargaining agreement of Developer or an Employer and that in addition to complying with this percentage, the Developer and each Employer shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

(a) The Developer and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the chief procurement officer of the City of Chicago.

(b) "Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

(c) The Developer and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of Project. The Developer and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

(d) The Developer and the Employers shall submit weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) to the DHED in

triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Developer or Employer hired the employee should be written in after the employee's name.

(e) The Developer and the Employers shall provide full access to their employment records to the chief procurement officer, the DHED, the Superintendent of the Chicago Police Department, the inspector general, or any duly authorized representative thereof. The Developer and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years after the issuance of the Certificate of Completion.

(f) At the direction of the DHED, the Developer and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

(g) Good faith efforts on the part of the Developer and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the chief procurement officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section 22.2 concerning the worker hours performed by actual Chicago residents.

(h) If the City determines that the Developer or an Employer failed to ensure the fulfillment of the requirements of this Section 22.2 concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section 22.2. If such non-compliance is not remedied in accordance with the breach and cure provisions of Section 18.3, the parties agree that 1/20 of 1 percent (.05%) of the aggregate hard construction costs set forth in the Budget shall be surrendered by the Developer and for the Employers to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer and/or the other Employers or employees to prosecution.

(i) Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement.

(j) The Developer shall cause or require the provisions of this Section 22.2 to be included in all construction contracts and subcontracts related to the construction of the Project.

22.3 Developer's MBE/WBE Commitment. Developer's MBE/WBE Commitment. The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the general contractor to agree, that during the construction of the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 22.3, during the course of construction of the Project, at least 24% of the aggregate hard construction costs shall be expended for contract participation by minority-owned businesses and at least 4% of the aggregate hard construction costs shall be expended for contract participation by women-owned businesses.

(b) For purposes of this Section 22.3 only:

(i) The Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(ii) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iii) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the

Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture, or (ii) the amount of any actual work performed on the Project by the MBE or WBE); by the Developer utilizing a MBE or a WBE as the general contractor (but only to the extent of any actual work performed on the Project by the general contractor); by subcontracting or causing the general contractor to subcontract a portion of the construction of the Project to one or more MBEs or WBEs; by the purchase of materials or services used in the construction of the Project from one or more MBEs or WBEs; or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 23.3. In accordance with Section 2-92-730, Municipal Code of Chicago, the Developer shall not substitute any MBE or WBE general contractor or subcontractor without the prior written approval of the DHED.

(d) The Developer shall deliver quarterly reports to the City's monitoring staff describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer or the general contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the construction of the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the construction of the Project for at least five (5) years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on prior notice of at least five (5) business days, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the construction of the Project.

(e) Upon the disqualification of any MBE or WBE general contractor or subcontractor, if the disqualified party misrepresented such status, the Developer shall be obligated to discharge or cause to be discharged the disqualified general contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(f) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 22.3 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

22.4 Pre-Construction Conference and Post-Closing Compliance Requirements. Not less than fourteen (14) days prior to the Closing Date, the Developer and the Developer's general

contractor and all major subcontractors shall meet with the DHED monitoring staff regarding compliance with all Section 22 requirements. During this pre-construction meeting, the Developer shall present its plan to achieve its obligations under this Section 22, the sufficiency of which the City's monitoring staff shall approve as a precondition to the Closing. During the construction of the Project, the Developer shall submit all documentation required by this Section 22 to the City's monitoring staff, including, without limitation, the following: (a) subcontractor's activity report; (b) contractor's certification concerning labor standards; (c) contractor letter of understanding; (d) monthly utilization report; (e) authorization for payroll agent; (f) certified payroll; (g) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (h) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 22, shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (x) issue a written demand to the Developer to halt construction of the Project, (y) withhold any further payment of any City funds to the Developer or the general contractor, or (z) seek any other remedies against the Developer available at law or in equity.

SECTION 23. REPRESENTATIONS AND WARRANTIES.

23.1 Representations and Warranties of the Developer. To induce the City to execute this Agreement and perform its obligations hereunder, the Developer hereby represents and warrants to the City that as of the date of this Agreement and as of the Closing Date the following shall be true and correct in all respects:

c. The Developer's execution, delivery and performance of this Agreement and all instruments and agreements contemplated hereby will not, upon the giving of notice or lapse of time, or both, result in a breach or violation of, or constitute a default under, any other agreement to which the Developer, or any party affiliated with the Developer, is a party or by which the Developer or the Property is bound.

d. To the best of the Developer's knowledge, no action, litigation, investigation or proceeding of any kind is pending or threatened against the Developer, or any party affiliated with the Developer, and the Developer knows of no facts which could give rise to any such action, litigation, investigation or proceeding, which could: (a) affect the ability of the Developer to perform its obligations hereunder; or (b) materially affect the operation or financial condition of the Developer.

e. To the best of the Developer's knowledge, the Project will not violate: (a) any Laws, including, without limitation, any zoning and building codes and environmental regulations; or (b) any building permit, restriction of record or other agreement affecting the Property.

To induce the Developer to execute this Agreement and perform its obligations hereunder, the City hereby represents and warrants to the Developer that the City has authority under its home rule powers to execute and deliver this Agreement and perform the terms and obligations contained herein.

23.3 Survival of Representations and Warranties. Each of the parties agrees that all of its representations and warranties set forth in this Section 23 or elsewhere in this Agreement are true as of the date of this Agreement and will be true in all material respects at all times thereafter, except with respect to matters which have been disclosed in writing and approved by the other party.

This Agreement constitutes the entire agreement between the parties and supersedes and replaces completely any prior agreements between the parties with respect to the subject matter hereof. This Agreement may not be modified or amended in any manner other than by supplemental written agreement executed by the parties.

SECTION 27. SEVERABILITY.

If any provision of this Agreement, or any paragraph, sentence, clause, phrase or word, or the application thereof is held invalid, the remainder of this Agreement shall be construed as if such invalid part were never included and this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

SECTION 33. OTHER ACTS

The parties agree to perform such other acts and to execute, acknowledge and deliver such other instruments, documents and materials as may be reasonably necessary to consummate the transactions contemplated by this Agreement.

SECTION 34. BUSINESS RELATIONSHIPS.

The Developer acknowledges (1) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (2) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (3) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Developer hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

SECTION 35. PATRIOT ACT CERTIFICATION.

The Developer represents and warrants that neither the Developer nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule,

regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to the Developer that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Developer, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

SECTION 36. PROHIBITION ON CERTAIN CONTRIBUTIONS – MAYORAL EXECUTIVE ORDER NO. 2011-4.

Developer agrees that Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Developer's contractors (i.e., any person or entity in direct contractual privity with Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Developer and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (1) after execution of this Agreement by Developer, (2) while this Agreement or any Other Contract is executory, (3) during the term of this Agreement or any Other Contract between Developer and the City, or (4) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Developer represents and warrants that from the later to occur of (1) May 16, 2011, and (2) the date the City approached the Developer or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Developer agrees that it shall not: (1) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (2) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (3) Bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other

Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Developer intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source, which is then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Developer is a party that is (1) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (2) entered into for the purchase or lease of real or personal property; or (3) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

1. they are each other's sole domestic partner, responsible for each other's common welfare; and
2. neither party is married; and
3. the partners are not related by blood closer than would bar marriage in the State of Illinois; and
4. each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
5. two of the following four conditions exist for the partners:
    a. The partners have been residing together for at least 12 months.
    b. The partners have common or joint ownership of a residence.
    c. The partners have at least two of the following arrangements:
        i. joint ownership of a motor vehicle;
        ii. a joint credit account;
        iii. a joint checking account;
        iv. a lease for a residence identifying both domestic partners as tenants.
    d. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

SECTION 37. SHAKMAN.

(i) The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and the August 16, 2007 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with Developer, either as an employee or as a subcontractor, and from directing Developer to hire an individual as an employee or as a subcontractor. Accordingly, Developer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Developer under this Agreement are employees or subcontractors of Developer, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Developer.

(iii) Developer will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to Developer by a City employee or City official in violation of clause (ii) above, or advocating a violation of clause (iii) above, Developer will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant City Department utilizing services provided under this Agreement. Developer will also cooperate with any inquiries by IGO Hiring Oversight or the *Shakman* Monitor's Office related to the contract.

SECTION 38. FAILURE TO MAINTAIN ELIGIBILITY TO DO BUSINESS WITH THE CITY.

Failure by Developer or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for

termination of the Agreement and the transactions contemplated thereby. Developer shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

SECTION 39. INSPECTOR GENERAL AND LEGISLATIVE INSPECTOR GENERAL.

It is the duty of every officer, employee, department, agency, contractor, subcontractor, developer and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. The Developer understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago.

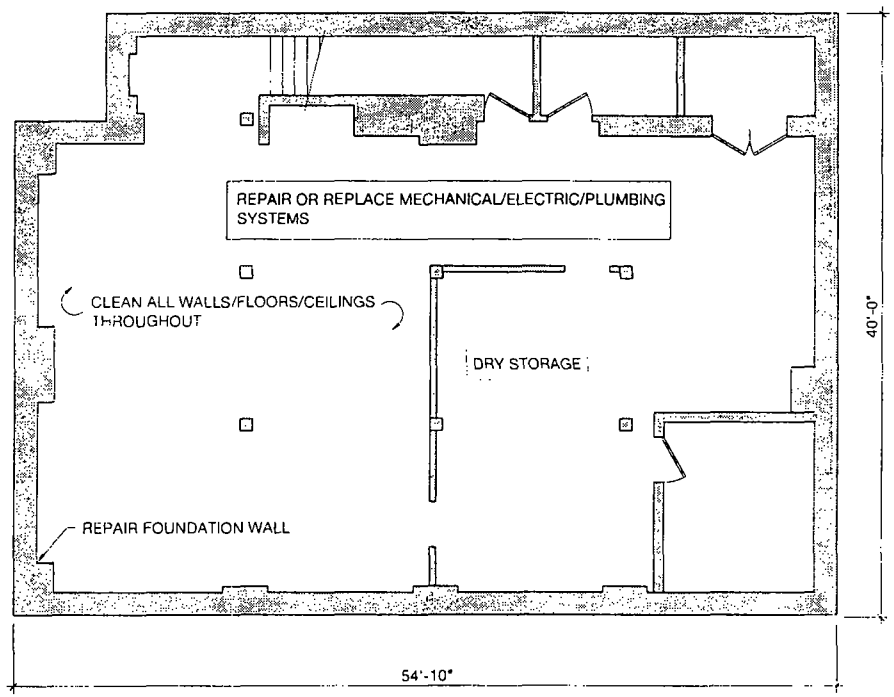
(sub) EXHIBIT B TO REDEVELOPMENT AGREEMENT

NARRATIVE DESCRIPTION OF PROJECT

Project Overview: The Developer will restore the Building into a bespoke workshop, complete with functioning vintage, museum quality hat making equipment. As a symbol of the Developer's expansion, the Developer will restore the Building, improving significantly the base building systems as well as its surrounding site. Employees and guests will be treated to a renovated, comfortable ground floor that respects the original detailing (see Exhibit C). The Project renovation is intended to be performed as follows:

The Developer will stabilize the Building and renovate the basement and first floor. The current condition of the Building with no utilities and open windows for several years has allowed for severe deterioration throughout. Most finishes, whether by direct removal or abatement, will be addressed with the intent to restore the interior to its original clean shell. New mechanical, plumbing and electrical systems will be installed if necessary. All plaster, moldings and doors are intended to be saved wherever possible. The exterior of the Building will be spot tuck-pointed and power washed. All limestone elements will be inspected, reset as needed, and cleaned. Windows generally, although not original, are in acceptable condition and will be maintained. The site parking areas will be repaired. The Developer will perform improvements to the landscape. In addition, the Project will be capitalized with approximately $1,000,000 worth of equipment, currently in storage and intended to be used once the renovation is complete.

Environmental Features:
The Project is also intended to achieve LEED Certification under the Commercial Interiors 2009 Rating System, in compliance with requirements set forth by the City of Chicago. The Project team has identified Certified as the minimum potential certification with a comfortable goal of forty-five (45) credits. The team has identified and additional fifty-nine (59) credits that have a high probability of achievement pending some more information about the Building and the project after acquisition. This puts a high likelihood that the Project will achieve Gold certification.



Permanent Jobs: The Project is estimated to generate approximately 5 permanent jobs once the Building is renovated and in full operation. DHED's workforce development specialists will work with the developer on job training and placement.

Construction Jobs: The Project is estimated to produce approximately 10 temporary construction jobs.

At the request of the Commissioner of Housing and Economic Development, I transmit herewith ordinances authorizing the sale of city-owned property.

Your favorable consideration of these ordinances will be appreciated.

Very truly yours,

ORDINANCE

WHEREAS, the City of Chicago ("City") is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970, and as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the City, through the foreclosure of demolition liens, tax sales and other methods of acquisition, has acquired title to numerous parcels of real property which are of minimal value and costly to clean up and maintain, and because title to such properties was vested in the City, the properties were exempted from real estate taxes, thus depriving the City of revenue; and

WHEREAS, pursuant to an ordinance (the "Original Program Ordinance") adopted by the City Council of the City ("City Council") on March 6, 1981 and published on pages 5584 – 5585 of the Journal of Proceedings of the City Council ("Journal") for such date, the City established a program for the disposition of certain vacant real property owned by the City known as the Adjacent Neighbors Land Acquisition Program; and

WHEREAS, the Original Program Ordinance was amended by ordinances adopted on July 23, 1982 and published in the Journal for such date at pages 11830 – 11833, and on January 7, 1983 and published in the Journal for such date at pages 14803 – 14805 (the Original Program Ordinance and such two amending ordinances, collectively, the "Original ANLAP Ordinances"); and

WHEREAS, pursuant to an ordinance adopted by the City Council on September 14, 1994 and published in the Journal for such date at pages 56195 – 56198, the City Council repealed the Original ANLAP Ordinances, and established a new program, also known as the Adjacent Neighbors Land Acquisition Program, for the disposition of certain vacant real property owned by the City, which ordinance was subsequently amended by ordinances adopted on September 4, 2002 and published in the Journal for such date at pages 92771 – 92773, and on July 28, 2010 and published in the Journal for such date at pages 97370 – 97374 (such new program, as amended, the "ANLAP Program"); and

WHEREAS, pursuant to the current ANLAP Program, as codified at Municipal Code Chapter 2-159-010 et seq. (the "ANLAP Program Ordinance"), a qualified City-owned parcel may be sold if it has an appraised value of not more than Fifty Thousand Dollars ($50,000); and

WHEREAS, pursuant to the current ANLAP Program, if the property appraises at or for less than Ten Thousand Dollars ($10,000.00) the minimum acceptable bid must be at least One Thousand Dollars ($1,000.00); if the property appraises at or for less than Twenty Thousand Dollars ($20,000.00) but more than Ten Thousand Dollars ($10,000.00) the minimum acceptable bid must be at least Two Thousand Dollars ($2,000.00); and if the property appraises for more than Twenty Thousand Dollars ($20,000.00) the minimum acceptable bid must be Two Thousand Dollars ($2,000.00), plus fifty percent (50%) of the appraised value which exceeds Twenty Thousand Dollars ($20,000.00); and

WHEREAS, pursuant to the current ANLAP Program, any deed conveying a parcel pursuant thereto shall contain covenants which: (1) prohibit the grantee from conveying,

assigning or otherwise transferring the parcel except in conjunction with the adjacent parcel owned by the grantee; and (2) require that the parcel be improved with landscaped open space within six (6) months of the conveyance of such parcel and prohibit the construction of any permanent improvements on the parcel, excluding only improvements made by the grantee on the parcel that constitute an integrated addition to the grantee's primary residence on the adjacent lot, or a garage appurtenant thereto; and (3) require the grantee to maintain the parcel in accordance with the provisions of the Municipal Code of Chicago. The covenants shall terminate ten (10) years after the date of the conveyance of the parcel to the grantee; and

WHEREAS, the Department of Housing and Economic Development ("DHED") of the City desires to convey the vacant parcel of real property identified on Exhibit A to this ordinance (the "ANLAP Parcel") to Wanda Pitts (the "Purchaser"), who has a principal residence of 5358 S. Wells Street, Chicago, Illinois, which ANLAP Parcel is located in the 47th/Halsted Redevelopment Project Area ("Area") established pursuant to ordinances adopted by the City Council on May 29, 2002, and published in the Journal for such date at pages 85676 through 85904; and

WHEREAS, DHED has caused notice of the proposed sale of the ANLAP Parcel to be sent to all eligible adjacent neighbors (if any) and has also caused public notice advertising the City's intent to enter into the sale of the ANLAP Parcel to the Purchaser to be published in the *Chicago Sun-Times* on September 6, 2013; and

WHEREAS, Purchaser's proposal was the only proposal received by the deadline indicated in the aforesaid notice; and

WHEREAS, pursuant to Resolution No. 13-028-21 adopted on May 16, 2013, by the Plan Commission of the City of Chicago ("Commission"), the Commission approved the sale of the Property to the Purchaser; now, therefore

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The City hereby accepts the bid of the Purchaser to purchase the ANLAP Parcel, which purchase shall be subject to all of the terms, conditions, covenants and restrictions of the ANLAP Program and the ANLAP Program Ordinance.

The Mayor or his proxy is authorized to execute, and the City Clerk or Deputy City Clerk is authorized to attest, a quitclaim deed conveying the ANLAP Parcel to the Purchaser for the purchase price of One Thousand and 00/100 Dollars ($1,000.00). Such deed shall include a covenant obligating the Purchaser to use the Parcel only for a use consistent with the land uses permitted under the redevelopment plan for the Area and consistent with the requirements of the ANLAP Program Ordinance.

SECTION 3. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity of such provision shall not affect any of the other provisions of this ordinance.

SECTION 4. All ordinances, resolutions, motions or orders inconsistent with this ordinance are hereby repealed to the extent of such conflict.

SECTION 5. This ordinance shall take effect upon its passage and approval.

ORDINANCE

WHEREAS, the City of Chicago ("City") is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970, and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the City, through the foreclosure of demolition liens, tax sales and other methods of acquisition, has acquired title to numerous parcels of real property which are of minimal value and costly to clean up and maintain, and because title to such properties was vested in the City, the properties were exempted from real estate taxes, thus depriving the City of revenue; and

WHEREAS, pursuant to an ordinance (the "Original Program Ordinance") adopted by the City Council of the City ("City Council") on March 6, 1981 and published on pages 5584 - 5585 of the Journal of Proceedings of the City Council ("Journal") for such date, the City established a program for the disposition of certain vacant real property owned by the City known as the Adjacent Neighbors Land Acquisition Program; and

WHEREAS, the Original Program Ordinance was amended by ordinances adopted on July 23, 1982 and published in the Journal for such date at pages 11830 - 11833, and on January 7, 1983 and published in the Journal for such date at pages 14803 - 14805 (the Original Program Ordinance and such two amending ordinances, collectively, the "Original ANLAP Ordinances"); and

WHEREAS, pursuant to an ordinance adopted by the City Council on September 14, 1994 and published in the Journal for such date at pages 56195 - 56198, the City Council repealed the Original ANLAP Ordinances, and established a new program, also known as the Adjacent Neighbors Land Acquisition Program, for the disposition of certain vacant real property owned by the City, which ordinance was subsequently amended by ordinances adopted on September 4, 2002 and published in the Journal for such date at pages 92771 - 92773, and on July 28, 2010 and published in the Journal for such date at pages 97370 - 97374 (such new program, as amended, the "ANLAP Program"); and

WHEREAS, pursuant to the ANLAP Program, as codified at Municipal Code Chapter 2-159-010 et seq. (the "ANLAP Program Ordinance"), a qualified City-owned parcel may be sold if it has an appraised value of not more than Fifty Thousand Dollars ($50,000); and

WHEREAS, pursuant to the ANLAP Program, if the property appraises at or for less than Ten Thousand Dollars ($10,000.00) the minimum acceptable bid must be at least One Thousand Dollars ($1,000.00); if the property appraises at or for less than Twenty Thousand Dollars ($20,000.00) but more than Ten Thousand Dollars ($10,000.00) the minimum acceptable bid must be at least Two Thousand Dollars ($2,000.00); and if the property appraises for more than Twenty Thousand Dollars ($20,000.00) the minimum acceptable bid must be Two Thousand Dollars ($2,000.00), plus fifty percent (50%) of the appraised value which exceeds Twenty Thousand Dollars ($20,000.00); and

WHEREAS, pursuant to the ANLAP Program, any deed conveying a parcel pursuant thereto shall contain covenants which: (1) prohibit the grantee from conveying, assigning or

otherwise transferring the parcel except in conjunction with the adjacent parcel owned by the grantee; and (2) require that the parcel be improved with landscaped open space within six (6) months of the conveyance of such parcel and prohibit the construction of any permanent improvements on the parcel, excluding only improvements made by the grantee on the parcel that constitute an integrated addition to the grantee's primary residence on the adjacent lot, or a garage appurtenant thereto; and (3) require the grantee to maintain the parcel in accordance with the provisions of the Municipal Code of Chicago. The covenants shall terminate ten (10) years after the date of the conveyance of the parcel to the grantee; and

WHEREAS, the Department of Housing and Economic Development ("DHED") of the City desires to convey the vacant parcel of real property identified on Exhibit A to this ordinance (the "ANLAP Parcel") to Al Johnson and Flordia Johnson (together, the "Purchasers"), who have a principal residence of 5928 West Superior Street, Chicago, Illinois 60644; and

WHEREAS, DHED has caused notice of the proposed sale of the ANLAP Parcel to be sent to all eligible adjacent neighbors (if any); and

WHEREAS, Purchasers' proposal was the only proposal received by the deadline indicated in the aforesaid notice; and

WHEREAS, pursuant to Resolution Number 13-056-21 adopted on August 15, 2013, by the Plan Commission of the City of Chicago ("Commission"), the Commission approved the sale of the Property to the Purchasers; now, therefore

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The City hereby accepts the bid of the Purchasers to purchase the ANLAP Parcel, which purchase shall be subject to all of the terms, conditions, covenants and restrictions of the ANLAP Program and the ANLAP Program Ordinance.
