WHEREAS, the City wishes to support the charitable, educational and philanthropic activities of established Not for Profit Corporations and encourage the continued viability and growth of their activities; and

WHEREAS, in furtherance of such activities, many Not for Profit Corporations must move large numbers of vulnerable clients between adjacent properties that are bisected by public streets and alleys that are still required for public use; and

WHEREAS, the City wishes to facilitate Not for Profit-originated services to the public, and provide safe passage above public street(s) and alley(s) where necessary, for no compensation; and

WHEREAS, Presence Saints Mary & Elizabeth Medical Center, an Illinois Not for Profit corporation organized and existing under and by virtue of the Statutes of the State of Illinois ("Grantee") is owner of the hospital properties commonly identified as 2200 – 2224, 2234 – 2248, & 2201 – 2259 W. Division Street (together, the "Site"); and

WHEREAS, Grantee currently uses the Site for hospital purposes; and

WHEREAS, the City Council of the City of Chicago, after due investigation and consideration, has determined that the nature and extent of the public use and the public interest to be subserved is such as to warrant a long term easement for a pedestrian overpass over the public street; and

WHEREAS, Grantee has constructed a pedestrian overpass (the "Pedestrian Overpass") to bridge the public right of way between hospital buildings at the Site; and

WHEREAS, Grantee has expended substantial sums in constructing the Pedestrian Overpass and related construction in order to facilitate the interconnection between the hospital buildings at the Site; and

WHEREAS, the Pedestrian Overpass will continue to promote public health, safety and welfare by allowing patients, medical staff, program participants, staff and visitors to traverse between the Grantee's Site's hospital buildings, protected from weather and from vehicular traffic; and

WHEREAS, the Pedestrian Overpass requires the use of the public right-of-way, specifically the air rights above the grade of the street limited to the elevations as set forth in the Plat of Easement, attached hereto and made a part hereof as Exhibit A; and

WHEREAS, the Department of Transportation has determined that the Pedestrian Overpass will not interfere with the City's traffic infrastructure and will benefit the citizens of the City of Chicago; and

WHEREAS, the City is willing to grant Grantee an easement on the same terms and conditions set forth in the Public Way Easement Agreement (the "Public Way Easement Agreement") attached hereto and incorporated herein as **Exhibit B**; now, therefore,

Public Way Easement Agreement (Pedestrian Bridge)

This Agreement (the "Agreement") is entered into as of this ____ day of ____ 2013, by and between the City of Chicago, an Illinois home rule municipal corporation, by and through its Department of Transportation, (the "City") and Presence Saints Mary and Elizabeth Medical Center, a not-for-profit corporation organized and existing under and by virtue of the statutes of the State of Illinois ("Grantee"). City and Grantee together shall be referred to herein from time to time as the "Parties".

Witnesseth:

WHEREAS, Grantee is the owner of real property commonly known as 2200-2224, 2234-2248, and 2201-2259 W. Division Street, Chicago, Illinois, as legally described on Exhibit A attached hereto and made a part hereof (the "Property"), and currently improved with buildings that serve as the Grantee's medical campus; and;

WHEREAS, Grantee, an Illinois not for profit institution, is the owner of the medical buildings along W. Division Street bounded by N. Oakley Boulevard and N. Leavitt Street; and

WHEREAS, the adjacent buildings together shall be referred to herein from time to time as the Overpass Buildings ("Overpass Buildings"); and

WHEREAS, Grantee erected and was previously permitted for a pedestrian overpass ("Overpass") to connect the Overpass Buildings over and above the grade of the City's public right-of-way ("Street") by approximately one thousand six hundred and forty one (1641) square feet, and twenty six thousand nine hundred and seventy eight (26,978) cubic feet, more or less ("Easement Area"), as more fully described on the Plat of Easement ("Plat") attached hereto as **Exhibit B**; and

WHEREAS, the Overpass will continue to require the use of the street, specifically use of certain of the air rights above the street, as more fully depicted on the Plat; and

WHEREAS, the Grantee requires the use of the Overpass, which lies above the grade of the street, and the Easement Area, for safe pedestrian movement within the Overpass Buildings; and

WHEREAS, the Overpass will benefit the facility by allowing vulnerable patients, visitors, doctors and other pedestrians to traverse between the Overpass Buildings protected from the weather and vehicular traffic; and

NOW, THEREFORE, in consideration of the above preambles, the mutual covenants herein contained, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. **Grant of Easement Area.** The City hereby grants to Grantee an easement ("Easement") to use and occupy, in accordance with this Agreement, those certain limited air rights in and above the Street in the Easement Area, as identified and legally described on the Plat, for the installation, operation, maintenance, repair and replacement of the Overpass. The Parties hereto may, upon review and approval of the Commissioner ("Commissioner") of the Department of Transportation, or any successor department ("CDOT"), substitute a revised Easement legal description for the Easement legal description set forth on **Exhibit C** attached hereto and made a part hereof, subject to review and approval of the City's Corporation Counsel.

2. **Terms.** The following terms and conditions apply to the Easement:

(a) The Easement is an easement appurtenant in favor of Presence Saints Mary and Elizabeth Medical Center and its successors and assigns.

(b) The Easement is granted for a term of twenty (20) years ("Term") provided that the Grantee or any successor to Grantee as owner of the hospital is recognized by the Federal Government as a not-for-profit entity.

(c) The Easement shall burden the Easement Area as the servient tenement.

(d) Grantee warrants to the City that it is the owner ("Owner") of the adjacent Property, is owner of the Overpass structure, and that the Grantee has sufficient title and fee interest to/in the Property to enter into this Agreement.

(e) The public way Easement granted pursuant to this Agreement constitutes a contemporaneous grant of interest in real property and is not executory in nature.

(f) Grantee shall not transfer any interest in the Easement without prior written consent by the Commissioner, which shall not be unreasonably withheld (provided, however, that such consent shall not be required in connection with any transfer of ownership of the hospital to another not-for-profit corporation).

3. Grantee's Obligations.

(a) The Grantee expressly warrants that the Overpass is designed and constructed in compliance with all federal, state and local laws and regulations. The Grantee further expressly warrants that the Overpass is designed and constructed in compliance with accessibility standards, including, but not limited to: (1) the Americans with Disabilities Act of 1990, 42 U.S.C. 12101, et seq., and the regulations promulgated thereunder; (2) the Illinois Environmental Barriers Act (410 ILCS 25/ 1 et seq. (1996)); (3) The Illinois Accessibility Code, 71 Ill. A. Code 400; and (4) all local City ordinances, codes, regulations.

(b) The Grantee shall be responsible for obtaining ongoing approvals of and payment for any and all removals, relocations, alterations, additional maintenance and restorations of or to any utility or public service structures or facilities, or any structures or facilities located in or adjacent to the Easement Area which are owned by the City, including pavements, bridges, poles, and other facilities and utilities, which are or may be necessary or appropriate to facilitate work related to the Overpass. The Grantee shall be responsible for obtaining the consent of and making suitable arrangements with all entities owning and having an interest in such structures and facilities, including any City department.

(d) The Grantee shall secure all necessary permits, including but not limited to, building permits.

4. Uses Within the Easement Areas.

a) The Overpass shall be open for use by the public at such times that the Overpass Buildings are open to the public.

b) The Grantee may not authorize the use of the Overpass for any purpose that will substantially interfere with the use of the Overpass by the public.

c) The Grantee may utilize the Overpass for exhibits, displays and the like that shall not substantially interfere with the public's use described in this Agreement.

d) Grantee may establish reasonable rules and regulations related to the use by the public of the Overpass. Grantee may at its sole discretion control the use of and access to the Overpass Buildings through the Overpass. Notwithstanding the foregoing, the City reserves a right to access the Overpass and Easement Area for City business purposes and services available to all similarly situated improvements.

5. Overpass Alterations.

Grantee may from time to time replace, remodel or demolish all or any portion of the Overpass so long as the Grantee secures the prior written approval of the Commissioner (or any successor department's Commissioner) and City Council for alterations that may affect the Easement Area or other portions of the public right-of-way before making any alterations to the Overpass that would change the description provided on the Plat.

6. Not for Profit. The Grantee covenants that it is a not-for-profit entity. In the event of a change in the Grantee's not-for-profit status, or Grantee's transfer of any interest

in the Easement, except as permitted by Section 2(f) hereof, the Easement will immediately terminate and the new owner of the Property must apply for an easement or promptly remove the Overpass at the new owner's sole cost and expense.

7. **Removal and Restoration.** Grantee shall have the right to terminate this Easement at any time. Upon termination of the Easement granted by this Agreement the Grantee, without cost or expense to the City, shall promptly remove the Overpass, and all other structures and facilities related to the Overpass as may be located in the Easement Area and other affected public way at the Grantee's sole cost and expense. Grantee shall restore the public way to the extent altered, disturbed, or damaged by the installation, construction, use, operation, inspection, maintenance, repair, replacement or removal of the Overpass, and all work related thereto, to a proper condition under the supervision and to the satisfaction of the Commissioner and in accordance with the Municipal Code of Chicago.

8. **Indemnity.** Except with respect to the negligent or wrongful intentional acts of City (to the extent the same are the cause of an injury or loss to a third person), Grantee hereby indemnifies and agrees to hold harmless and defend City from and against any and all claims, demands, damages, lawsuits, legal proceedings, losses, liens, liabilities, judgments, orders or decrees, and all reasonable costs and expenses (including, without limitation, reasonable attorneys' fees, court costs, and other reasonable expenses related to litigation), arising from or as a result of the death of, or any accident, injury, loss or damage whatsoever caused to the City, any natural person, or the City's property, including but not limited to the Easement Area and all other impacted City right-of-way, the property of any person, arising out of, or occurring in any manner relating to the Easement Area, or the Overpass. In the event any legal action is taken against City or its agents or any claim is made relating to the Easement Area or the Overpass, the City may elect to tender said defense to Grantee which shall and must defend such action or claim at Grantee's own expense and City shall cooperate with Grantee in the defense thereof. City shall have the right to join Grantee as a party defendant in any such legal action. This indemnity shall not be the exclusive remedy of the City, and City shall maintain whatever other right of indemnity it may have under common law, by statute, or by ordinance.

9. **Grantee's Operation, Maintenance and Security of the Easement Area and Overpass during the Term of this Agreement.**

(a) Grantee shall maintain the Easement Area and Overpass at its sole cost and expense.

(b) Grantee shall maintain the Easement Area and Overpass so that the improvement does not unduly interfere with any use of the public way by the City, the public, or any person or entity authorized to use or occupy the public way.

(c) Grantee shall conduct regular, documented inspections of the Overpass and the Easement Area and maintain the Overpass and Easement Area in a structurally sound, clean, aesthetically attractive, and usable condition consistent with the public use required by this Agreement. All Overpass and Easement Area maintenance records shall be made available to CDOT upon CDOT's written request for such documentation to Grantee.

(d) Grantee shall attach no fixtures, post no verbiage, signage, symbols, art or

advertising of any kind on the structure, or on the interior of the structure that may be visible from the exterior, other than the name of Grantee hospital in fixed letters no larger than one sixth of the functional height of the structure as permitted under a compensated Use of the Public Way permit submitted to the Department of Business Affairs & Consumer Protection, or its successor department. The Grantee shall not lease nor enter into any agreement for the Overpass or Easement Area lying over, under, on or in the public way for advertising space purposes, or for any other promotional use(s) for the Grantee or any third parties.

(e) Grantee shall cooperate with the City concerning the coordination of uses of the public way, including prompt responses to inquiries, attending meetings and site visits, and providing complete disclosure of information concerning the Easement Area and Overpass.

(f) Grantee shall pay for any and all utility expenses incurred with respect to the operation, maintenance, repair, replacement, and/or removal, or any part thereof, of the Overpass, or any part thereof, within the Easement Area.

(g) Grantee shall provide security over the Easement Area and Overpass at its sole cost and expense.

10. **City Has No Maintenance and Operational Duties.** The Grantee acknowledges that City is not responsible for the operation, maintenance, repair, replacement, and/or removal, or any part thereof, of or security of the Easement Area and the Overpass, and City has no obligations with respect thereto (other than the provision, through the exercise of the City's right to access the Overpass and Easement Area for City business purposes and services available to all similarly situated improvements).

11. **Insurance.**

(a) The Grantee shall procure and maintain, at all times, or shall cause to be procured and maintained, all of the types and coverages of insurance specified below, with insurance companies authorized to do business in the State of Illinois, covering all operations under this Agreement, whether performed by the Grantee or any of its contractors.

(b) The kinds and amounts of insurance required are as follows:

The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Grantee and contractor is not a waiver by the City of any requirements for the Grantee to obtain and maintain the specified coverages. The Grantee and contractor must advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance does not relieve Grantee and contractor of the obligation to provide insurance as specified herein. Non-fulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to stop work until proper evidence of insurance is provided.

Grantee agrees to make commercially reasonable efforts to obtain from its insurers, when and if available in the industry, a certificate providing that such coverage shall not be suspended, voided, canceled, non-renewed, or reduced in scope or limits except after thirty (30) days' prior written notice by certified mail, return receipt requested, has been given to the City.

The Grantee hereby agrees and will cause its contractors to agree that insurers waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents, or representatives.

The coverages and limits furnished by Grantee and contractor in no way limit the Grantee's and contractor's liabilities and responsibilities specified within the Agreement or by law.

Any insurance or self-insurance programs maintained by the City of Chicago do not contribute with insurance provided by the Grantee and contractor under the Agreement.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If Grantee or contractor is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

The Grantee must require the contractor to provide the insurance required herein. All contractors are subject to the same insurance requirements of Grantee unless otherwise specified in this Agreement.

The City's Risk Management Department maintains the right to modify, delete, alter or change these requirements.

12. **Default.** The Grantee shall be in default hereunder in the event of a material breach by Grantee of any term or condition of this Agreement including, but not limited to, a representation or warranty, where Grantee has failed to cure such breach within sixty (60) days after written notice of breach is given to Grantee by City setting forth the nature of such breach. Failure of City to give written notice of breach to Grantee shall not be deemed to be a waiver of the City's right to assert such breach at a later time. If the default is not capable of being cured within the sixty (60) day period, then provided Grantee has commenced to cure the default and is diligently proceeding to cure the default within the sixty (60) day period, and thereafter diligently prosecutes such cure through to completion, then the sixty (60) day period shall be extended for the length of time that is reasonably necessary to cure the default. If the default is not cured in the time period provided for herein, the City may institute such proceedings at law or in equity as may be necessary or desirable to cure and remedy the default, including but not limited to, termination of this Agreement and removal of the Overpass at the Grantee's sole expense.

The Grantee acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (B) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this

Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Grantee hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

22. Patriot Act Certification.

The Grantee represents and warrants that neither the Grantee nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to the Grantee that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Grantee, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

23. Prohibition on Certain Contributions Mayoral Executive Order 2011-4.

Grantee agrees that Grantee, any person or entity who directly or indirectly has an ownership or beneficial interest in Grantee of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Grantee's contractors (i.e., any person or entity in direct contractual privity with Grantee regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Grantee and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (i) after execution of this Agreement by Grantee, (ii) while this Agreement or any Other Contract is executory, (iii) during the term of this Agreement or any Other Contract between Grantee and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Grantee represents and warrants that from the later to occur of (a) May 16, 2011, and (b) the date the City approached the Grantee or the date the Grantee approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Grantee agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) Bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Grantee agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Grantee agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Grantee intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

“Bundle” means to collect contributions from more than one source, which is then delivered by one person to the Mayor or to his political fundraising committee.

“Other Contract” means any other agreement with the City of Chicago to which Grantee is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

“Contribution” means a “political contribution” as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are “Domestic Partners” if they satisfy the following criteria:

- (A) they are each other's sole domestic partner, responsible for each other's common welfare; and
- (B) neither party is married; and
- (C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
- (D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
- (E) two of the following four conditions exist for the partners:
 - 1. The partners have been residing together for at least 12 months.
 - 2. The partners have common or joint ownership of a residence.
 - 3. The partners have at least two of the following arrangements:
 - a. joint ownership of a motor vehicle;
 - b. a joint credit account;
 - c. a joint checking account;
 - d. a lease for a residence identifying both domestic partners as tenants.
 - 4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

24. Failure To Maintain Eligibility To Do Business With The City.

Failure by Grantee or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of the Agreement and the transactions contemplated thereby. Grantee shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

25. Inspector General and Legislative Inspector General.

It is the duty of every officer, employee, department, agency, contractor, subcontractor, Grantee and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. The Grantee understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago.

26. Waste Ordinance Provisions.

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Grantee warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Amendment is executory, Grantee's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the Amendment, at law or in equity. This section does not limit Grantee's, general contractor's and its subcontractor's duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Amendment. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Amendment, and may further affect Grantee's eligibility for future contract awards.

27. Shakman Accord.

(a) The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and the August 16, 2007 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in *Shakman v. Democratic Organization of Cook County*, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(b) Grantee is aware that City policy prohibits City employees from directing any individual to apply for a position with Grantee, either as an employee or as a subcontractor, and from directing Grantee to hire an individual as an employee or as a subcontractor. Accordingly,

Grantee must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Grantee under this Agreement are employees or subcontractors of Grantee, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Grantee.

(c) Grantee will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(d) In the event of any communication to Grantee by a City employee or City official in violation of Section 27 (b) above, or advocating a violation of Section 27 (b) above, Grantee will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant City Department utilizing services provided under this Agreement. Grantee will also cooperate with any inquiries by IGO Hiring Oversight or the *Shakman* Monitor's Office related to the contract.

THE BALANCE OF THIS PAGE IS INTENTIONALLY LEFT BLANK

IN WITNESS WHEREOF, Grantee and City have caused this Agreement to be executed by their duly authorized officers, as of the day and year first written above.

Statement Regarding Further Certifications

U.S. Bank National Association itself is a mortgage lender. U.S. Bank National Association is also one of the largest corporate trustees in the United States and in such capacity is trustee of numerous mortgage-backed securitization trusts that each hold multiple real property mortgages. From time to time, mortgage borrowers in Chicago default on payment of real estate taxes or otherwise fail to comply with City of Chicago requirements with respect to certain of their mortgage properties. This can result in legal action against the borrower by the City of Chicago, which legal action may name U.S. Bank National Association as the mortgage holder (either in its individual capacity or in its capacity as a trustee). As of July 12, 2012, U.S. Bank National Association was aware of outstanding claims against it (individually or in its capacity as trustee) totaling \$261,046.46 wherein the City of Chicago or one of its departments or divisions (including the Department of Buildings and the Department of Sanitation) is the creditor. The vast majority of this amount is related to properties that U.S. Bank National Association holds in trust and for which it does not do the servicing. U.S. Bank National Association, both in its individual capacity and in its capacity as a trustee meets with various City officials twice a month to address these claims.

Attachment A
City of Chicago
Economic Disclosure Statement and Affidavit
Statement Regarding Slavery Era Business

U.S. Bank National Association was formed from the following major banks: (1) Star Bank, National Association (Cincinnati, Ohio) changed its name to Firststar Bank, National Association (Cincinnati, Ohio) effective February 1999; (2) Mercantile Bank National Association (St. Louis, Missouri) merged into Firststar Bank, National Association (Cincinnati, Ohio) effective April 2000; (3) United States National Bank of Oregon (Portland, Oregon) merged with First Bank, National Association under the title U.S. Bank National Association effective August 1997; (4) U.S. Bank National Association merged into Firststar Bank, National Association, and the succeeding bank, changed its name to U.S. Bank National Association effective August 2001. These banks acquired through mergers and acquisitions numerous smaller banks. There are five hundred and forty-two U.S. Bank National Association predecessors. Thirty-five predecessors were founded before the abolition of slavery in December 1865. Thirteen of the pre-1866 predecessors were established in southern slave-holding states and territories, including Kansas, Kentucky, Missouri, and Tennessee.

In reviewing historical records held in various external repositories in accordance with the research requirements as set forth in the City of Chicago Office of the Corporation Counsel opinion letter dated April 29, 2004 (attached hereto), U.S. Bank National Association has identified external records of its predecessors which necessitate disclosure. The conveyance records, while showing no record of direct ownership of enslaved individuals did contain records of founders and/or directors of predecessor banks owning enslaved individuals, as well as a record where an enslaved individual was the collateral for a loan. Specifically, the first president of predecessor Marion National Bank of Lebanon, Kentucky (founded in 1856), Benedict Spalding, owned two enslaved individuals in 1850. In 1860 someone with a similar name "Benidict Spalding" is also listed as having owned fourteen enslaved individuals. In addition, certain members of the Marion National Bank of Lebanon's board of directors (called "commissioners") owned approximately forty-seven enslaved individuals in total (the records include abbreviated names, which we conclude may be references to commissioners). The first president of predecessor First National Bank of Clarksville, Tennessee (founded in 1865), S.F. Beaumont, owned one enslaved individual in 1860. The first president of predecessor St. Louis Building and Savings Association, Missouri (formed in 1857), Marshall Brotherton, owned ten enslaved individuals in 1850 and four enslaved individuals in 1860. Merchants Bank (founded in 1857) and Bank of St. Louis (founded in 1857), both predecessors, along with a group of other St. Louis firms, issued a mortgage to Charles McLaran that was secured by his property, which included an unspecified number of enslaved individuals. However, the 1860 Federal Census Slave Schedule for St. Louis provided that Charles McLaran owned thirteen enslaved individuals.

The above is only a summary. U.S. Bank National Association has previously provided the City of Chicago with supporting attachments.

U.S. Bancorp, the parent company of U.S. Bank National Association, was founded after the slavery era and has no separate assets or activities that pre-date the 20th century. As such, it has no disclosure separate from that of the bank.

Re: Question regarding Economic Disclosure Statement and Affidavit,
Part VI ("Certification Regarding Slavery Era Business") and
Resolution pending before the Joint Committee on Finance and
Human Relations

Dear Alderman Burke:

In a letter dated April 26, 2004, you indicated that a special committee of the City Council, consisting of the combined Committee on Finance and the Committee on Human Relations, currently has under consideration a resolution that raises certain issues regarding interpretation of Section 2-92-585 of the Chicago Municipal Code, the Business, Corporate and Slavery Era Insurance Ordinance. That ordinance requires every city contractor to "complete an affidavit verifying that the contractor has searched any and all records of the company *or any predecessor company* regarding records of investments or profits from slavery or slaveholder insurance policies during the slavery era. The names of any slaves or slaveholders described in those records must be disclosed in the affidavit." (Emphasis supplied)

The affidavit requirement of Section 2-92-585 has been incorporated into the standard Economic Disclosure Statement ("EDS") completed by city contractors as Part VI, entitled "Slavery Certification." The EDS requires an entity contracting with the city to verify that it has "searched any and all records of the Undersigned *and any and all* predecessor entities for records of investments or profits from slavery, the slave industry, or shareholder insurance policies." (Emphasis supplied) The EDS form then requires the contracting entity to disclose the results of that search.

You have asked specifically whether it is "reasonable to interpret the language 'records of the undersigned and any and all predecessor entities' to mean [the contracting entity's] records and the records of its predecessor entities." For the reasons that follow, it is the opinion of this office that the answer is in the

Hon. Edward M. Burke

Page 2

affirmative. A search required for proper compliance with and disclosure under Section 2-92-585 must include all known records of the contracting entity and each of its predecessor entities, to which records the contracting entity has or can obtain access.

Neither the ordinance nor any Illinois decision defines a "predecessor" entity of a city contractor. Under the general rules of statutory construction, the word should be given its ordinary meaning. *Black's Law Dictionary* defines "predecessor" as "one who goes or has gone before; the correlative of 'successor' Applied to a body politic or corporate, in the same sense as 'ancestor' is applied to a natural person." This simple analogy indicates that every known antecedent entity of a city contractor – acquired entities, components of earlier mergers, entities acquired by and subsumed into a prior entity that became a predecessor of a contracting entity – should be treated as a predecessor. This is especially appropriate when one considers the preamble to the ordinance adding Section 2-92-385 to the Chicago Municipal Code. The fifth paragraph of the preamble (found at page 94891 of the Journal of Proceedings of the City Council of October 2, 2002) refers to records located in the archives of current insurance firms, documenting slave insurance policies "issued by a predecessor insurance firm; the sixth paragraph (*id.*) refers to "insurers and businesses whose successors remain in existence today." Thus the City Council recognized that, as the American economy has expanded and become more complex, modern business may include different business disciplines (insurers and other businesses).

The appropriate extent of the mandated records search can also be discerned from the preamble. The final paragraph of the preamble (p. 91892) contains a finding of the City Council that entities "doing business with the City of Chicago shall take *any and all steps in good faith* to disclose *any records within their possession or knowledge* relating to investments or profits from the slave industry including insurance policies...." (Emphasis supplied) In order to implement this statement of the Council's intent, a contracting entity may not ignore records that are archived outside the entity's possession (*e.g.* in a museum, university library, historical society or trade association). To ignore deliberately the existence of such known records could not possibly constitute a "good faith" effort to take "any and all steps" to document the contractor's history. The breadth of the City Council's desired disclosure also led this department, in the revision of the EDS necessary to implement Section 2-92-585, to change the ordinance's disjunctive in the reference to "any and all records of the [contracting] company or its predecessors" to a conjunctive in the EDS ("any and all records of

the [contracting entity] and any and all predecessor entities").

The Disclosing Party verifies that the Disclosing Party has searched any and all records of the Disclosing Party and any and all predecessor entities regarding records of investments or profits from slavery or slaveholder insurance policies during the slavery era (including insurance policies issued to slaveholders that provided coverage for damage to or injury or death of their slaves), and the Disclosing Party has found no such records.

X 2. The Disclosing Party verifies that, as a result of conducting the search in step 1 above, the Disclosing Party has found records of investments or profits from slavery or slaveholder insurance policies. The Disclosing Party verifies that the following constitutes full disclosure of all such records, including the names of any and all slaves or slaveholders described in those records:

U.S. Bancorp was founded after the slavery era, so it would not have any disclosure statement separate from that of its subsidiary,

U.S. Bank National Association. It has no separate assets or activities that predate the 20th Century.

SECTION VI -- CERTIFICATIONS FOR FEDERALLY FUNDED MATTERS

NOTE: If the Matter is federally funded, complete this Section VI. **If the Matter is not federally funded**, proceed to Section VII. For purposes of this Section VI, tax credits allocated by the City and proceeds of debt obligations of the City are not federal funding.

Attachment A
City of Chicago
Economic Disclosure Statement and Affidavit
Statement Regarding Slavery Era Business

U.S. Bank National Association was formed from the following major banks: (1) Star Bank, National Association (Cincinnati, Ohio) changed its name to Firststar Bank, National Association (Cincinnati, Ohio) effective February 1999; (2) Mercantile Bank National Association (St. Louis, Missouri) merged into Firststar Bank, National Association (Cincinnati, Ohio) effective April 2000; (3) United States National Bank of Oregon (Portland, Oregon) merged with First Bank, National Association under the title U.S. Bank National Association effective August 1997; (4) U.S. Bank National Association merged into Firststar Bank, National Association, and the succeeding bank, changed its name to U.S. Bank National Association effective August 2001. These banks acquired through mergers and acquisitions numerous smaller banks. There are five hundred and forty-two U.S. Bank National Association predecessors. Thirty-five predecessors were founded before the abolition of slavery in December 1865. Thirteen of the pre-1866 predecessors were established in southern slave-holding states and territories, including Kansas, Kentucky, Missouri, and Tennessee.

In reviewing historical records held in various external repositories in accordance with the research requirements as set forth in the City of Chicago Office of the Corporation Counsel opinion letter dated April 29, 2004 (attached hereto), U.S. Bank National Association has identified external records of its predecessors which necessitate disclosure. The conveyance records, while showing no record of direct ownership of enslaved individuals did contain records of founders and/or directors of predecessor banks owning enslaved individuals, as well as a record where an enslaved individual was the collateral for a loan. Specifically, the first president of predecessor Marion National Bank of Lebanon, Kentucky (founded in 1856), Benedict Spalding, owned two enslaved individuals in 1850. In 1860 someone with a similar name "Benidict Spalding" is also listed as having owned fourteen enslaved individuals. In addition, certain members of the Marion National Bank of Lebanon's board of directors (called "commissioners") owned approximately forty-seven enslaved individuals in total (the records include abbreviated names, which we conclude may be references to commissioners). The first president of predecessor First National Bank of Clarksville, Tennessee (founded in 1865), S.F. Beaumont, owned one enslaved individual in 1860. The first president of predecessor St. Louis Building and Savings Association, Missouri (formed in 1857), Marshall Brotherton, owned ten enslaved individuals in 1850 and four enslaved individuals in 1860. Merchants Bank (founded in 1857) and Bank of St. Louis (founded in 1857), both predecessors, along with a group of other St. Louis firms, issued a mortgage to Charles McLaran that was secured by his property, which included an unspecified number of enslaved individuals. However, the 1860 Federal Census Slave Schedule for St. Louis provided that Charles McLaran owned thirteen enslaved individuals.

The above is only a summary. U.S. Bank National Association has previously provided the City of Chicago with supporting attachments.

U.S. Bancorp, the parent company of U.S. Bank National Association, was founded after the slavery era and has no separate assets or activities that pre-date the 20th century. As such, it has no disclosure separate from that of the bank.

Re: Question regarding Economic Disclosure Statement and Affidavit,
Part VI ("Certification Regarding Slavery Era Business") and
Resolution pending before the Joint Committee on Finance and
Human Relations

Dear Alderman Burke:

In a letter dated April 26, 2004, you indicated that a special committee of the City Council, consisting of the combined Committee on Finance and the Committee on Human Relations, currently has under consideration a resolution that raises certain issues regarding interpretation of Section 2-92-585 of the Chicago Municipal Code, the Business, Corporate and Slavery Era Insurance Ordinance. That ordinance requires every city contractor to "complete an affidavit verifying that the contractor has searched any and all records of the company *or any predecessor company* regarding records of investments or profits from slavery or slaveholder insurance policies during the slavery era. The names of any slaves or slaveholders described in those records must be disclosed in the affidavit." (Emphasis supplied)

The affidavit requirement of Section 2-92-585 has been incorporated into the standard Economic Disclosure Statement ("EDS") completed by city contractors as Part VI, entitled "Slavery Certification." The EDS requires an entity contracting with the city to verify that it has "searched any and all records of the Undersigned *and any and all predecessor entities* for records of investments or profits from slavery, the slave industry, or shareholder insurance policies." (Emphasis supplied) The EDS form then requires the contracting entity to disclose the results of that search.

You have asked specifically whether it is "reasonable to interpret the language 'records of the undersigned and any and all predecessor entities' to mean [the contracting entity's] records and the records of its predecessor entities." For the reasons that follow, it is the opinion of this office that the answer is in the

Hon. Edward M. Burke

Page 2

affirmative. A search required for proper compliance with and disclosure under Section 2-92-585 must include all known records of the contracting entity and each of its predecessor entities, to which records the contracting entity has or can obtain access.

Neither the ordinance nor any Illinois decision defines a “predecessor” entity of a city contractor. Under the general rules of statutory construction, the word should be given its ordinary meaning. *Black’s Law Dictionary* defines “predecessor” as “one who goes or has gone before; the correlative of ‘successor’ Applied to a body politic or corporate, in the same sense as ‘ancestor’ is applied to a natural person.” This simple analogy indicates that every known antecedent entity of a city contractor – acquired entities, components of earlier mergers, entities acquired by and subsumed into a prior entity that became a predecessor of a contracting entity – should be treated as a predecessor. This is especially appropriate when one considers the preamble to the ordinance adding Section 2-92-385 to the Chicago Municipal Code. The fifth paragraph of the preamble (found at page 94891 of the Journal of Proceedings of the City Council of October 2, 2002) refers to records located in the archives of current insurance firms, documenting slave insurance policies “issued by a predecessor insurance firm; the sixth paragraph (*id.*) refers to “insurers and businesses whose successors remain in existence today.” Thus the City Council recognized that, as the American economy has expanded and become more complex, modern business may include different business disciplines (insurers and other businesses).

The appropriate extent of the mandated records search can also be discerned from the preamble. The final paragraph of the preamble (p. 91892) contains a finding of the City Council that entities “doing business with the City of Chicago shall take *any and all steps in good faith* to disclose *any records within their possession or knowledge* relating to investments or profits from the slave industry including insurance policies....” (Emphasis supplied) In order to implement this statement of the Council’s intent, a contracting entity may not ignore records that are archived outside the entity’s possession (e.g. in a museum, university library, historical society or trade association). To ignore deliberately the existence of such known records could not possibly constitute a “good faith” effort to take “any and all steps” to document the contractor’s history. The breadth of the City Council’s desired disclosure also led this department, in the revision of the EDS necessary to implement Section 2-92-585, to change the ordinance’s disjunctive in the reference to “any and all records of the [contracting] company or its predecessors” to a conjunctive in the EDS (“any and all records of

the [contracting entity] and any and all predecessor entities").
