11. Current Use of the Property: The subject zoning lot is improved with a two and three-story church building and a two-story school building. Both buildings are currently unoccupied and vacant.
12. Reason for rezoning the property: The Applicant is seeking a zoning amendment in order to convert both the vacant church building and vacant school building into residential buildings. Ten (10) dwelling units will be located in the church building. Ten (10) parking spaces will be located in the building's basement. Nine (9) dwelling units will be located in the school building. Nine (9) parking spaces will be located in the building's basement. The proposed Zoning Amendment will specifically allow the proposed number of dwelling units.
13. Describe the proposed use of the property after the rezoning. Indicate the number of dwelling units; number of parking spaces; approximate square footage of any commercial space; and height of the proposed building. (BE SPECIFIC)
The Applicant is seeking a zoning amendment in order to convert the existing church and school buildings located at the subject property to residential buildings. There is no proposed expansion of either existing building in terms of floor area or height. All of the proposed construction work will be contained within the existing structures. When the work is complete, the church building will contain ten (10) residential dwelling units and provide ten (10) parking spaces located in the building's basement. The applicant proposes to divide the property into two (2) zoning lots when they file for building permits, with each lot totaling 8,771 square feet. The minimum lot area per unit standards will allow up to twenty-one (21) units per proposed zoning lot, while the applicant only proposes to construct ten (10) dwelling units on one zoning lot and nine (9) dwelling units on the other.
14. On May 14, 2007, the Chicago City Council passed the Affordable Requirements Ordinance (ARO) that requires on-site affordable housing units or a financial contribution if residential housing projects receive a zoning change under certain circumstances. Based on the lot size of the project in question and the proposed zoning classification, is this project subject to the Affordable Requirements Ordinance? (See Fact Sheet for more information)

The Applicant is seeking a zoning amendment in order to convert the existing church and school buildings located at the subject property to residential buildings. When the work is complete, the church building will contain ten (10) residential dwelling units. Ten (10) parking spaces will be located in the building's basement. The school building will contain nine (9) residential dwelling units. Nine (9) parking spaces will be located in the building's basement. The parcel consists of seven (7) lots of record totaling 17,542 square feet. The minimum lot area per unit standards will allow up to twenty-one (21) units per proposed zoning lot, while the applicant only proposes to construct ten (10) dwelling units on one zoning lot and nine (9) dwelling units on the other.

Dear Chairman Solis and Chairman Cabrera:

The undersigned, an attorney with the law firm of DLA Piper LLP (US), which firm represents 151 Franklin LLC and UGP – 200 West Randolph, LLC, with respect to an application to amend the Chicago Zoning Ordinance, certifies that he has complied with the requirements of Section 17-13-0107 of the Chicago Zoning Ordinance by sending written notice to such property owners who appear to be the owners of the subject properties not solely owned by the applicants (if any), and to the owners of all property within 250 feet in each direction of the lot lines of the subject properties, exclusive of public roads, streets, alleys and other public ways, as listed in the most recent authentic tax records of Cook County. Said written notice was sent by First Class U.S. Mail, no more than 30 days before filing the application.

The undersigned certifies that the notice contained the addresses of the properties sought to be rezoned; a statement of the intended uses of such properties; the names and addresses of the applicants and owners of such properties; and a statement that the applicants intend to file the application on approximately December 4, 2013.

The undersigned certifies that he has made a bona fide effort to determine the addresses of the parties to be notified under Section 17-13-0107 of the Chicago Zoning Ordinance, and that the accompanying list of names and addresses of surrounding property owners within 250 feet of the subject properties is a complete list containing the names and addresses of the people required to be served.

Very truly yours,

FIRST CLASS MAIL

Dear Sir or Madam:

In accordance with the requirements of Section 17-13-0107 of the Municipal Code of the City of Chicago, please be informed that on or about December 4, 2013, the undersigned, as an attorney acting on behalf of 151 Franklin LLC and UGP – 200 West Randolph, LLC (the "Applicants"), intends to file an application to amend the Chicago Zoning Ordinance relating to the property located at 200-242 West Randolph Street and 151-169 North Franklin Street in Chicago, Illinois (the "Property"). A boundary description of the Property is set forth on the reverse side of this letter.

The application seeks to change the zoning classification of the Property from DC-16 Downtown Core District to Business Planned Development. The general purpose of the requested zoning change is to allow development of a portion of the Property with an approximately 37-story, 879,155 square foot office tower, including ground floor retail and restaurant space and approximately 34 below-grade parking spaces, and to allow continued use of the balance of the Property with the existing 7-story parking garage, including ground retail and restaurant space.

The application will not change the zoning of your property. You are receiving this notice as required by the Chicago Municipal Code because Cook County tax records indicate you own property within 250 feet of the boundaries of the subject properties.

The owners of the Property are Urban Growth Property Limited Partnership and UGP – 200 West Randolph, LLC, both of which are located at 200 North LaSalle Street, Suite 1400, Chicago, Illinois 60601. 151 Franklin LLC is located at 1 North Wacker Drive, Suite 2400, Chicago, Illinois 60606

I am an authorized representative of the Applicants identified above. Please contact me at the telephone number or e-mail address referenced above with questions or to obtain additional information regarding the application.

Very truly yours,

DLA Piper LLP (US)

Re: Zoning;
2750-52 N. Elston Avenue

As you are aware this office represents and is counsel to the owner, Michael Loukas, in the above referenced transaction. The property in question is a vacant parcel and is currently zoned M1-2. The proposal is to re-zone the property from the current zoning to that of B3-2. The proposed land use is a retail shopping center on the first floor, with second and third floor office use. There will be 25 parking spaces 2 of which are accessible in the rear loading dock. While there are no required side decks, the rear of the building along the diagonal alley will be set back at grade by 18 ft. The height of the building will be 37 ft. Base FAR: 7.0

Upper Level Set Back Bonus: 1.0

INTRODUCED: DECEMBER 11, 2013
PLAN COMMISSION:

Affordable Housing: 1.75

TOTAL FAR: 9.75

The calculation of the additional Floor Area Ratio obtained through the series of proposed Bonuses is as follows:

Upper-Level Setback

$$\begin{aligned}\text{Bonus Floor Area Ratio} &= (0.3 \times \text{sum of setback area on each floor}) / \text{lot area} \\ &= (0.3 \times 16 \text{ floors} \times 5,853 \text{ s.f.}) / 27,709 \text{ s.f.} \\ &= 1.0 \text{ FAR}\end{aligned}$$

$$\text{Affordable Housing} = \text{Net site area} \times 1.75 \text{ FAR} = 48,490 \text{ s.f.}$$

Of floor area as a result of Affordable Housing

$$= 48,409 \text{ s.f.} \times 0.80 \times \$43 = \$1,665,269.60$$

9. The Applicant acknowledges and agrees that the rezoning of the Property from DX-5 to DX-7 for this Planned Development triggers the requirements of Section 2-45-110 of the Municipal Code (the “Affordable Housing Ordinance” or “AHO”). Any developer of a “residential housing project” within the meaning of the Affordable Housing Ordinance (“Residential Project”) must: (i) develop affordable housing units as part of the Residential Project; (ii) pay a fee in lieu of the development of affordable housing units; or (iii) any combination of (i) and (ii). The Applicant further acknowledges and agrees that this Planned Development is subject to Section 17-4-1004-D of the Zoning Code, which also requires on-site affordable housing or payment of a fee in lieu of providing affordable housing for rezonings in DC, DX and DR districts that increase the base floor area ratio. If a planned development is subject to the requirements of both sections

(2-45-110 and 17-4-1004-D), the developer may elect to satisfy the AHO requirements by complying with the affordable housing floor area bonus provided for in Section 17-4-1004. Applicant has elected to comply with Section 17-4-1004. Pursuant to Section 17-4-1004-B of the Zoning Ordinance, the Applicant has requested an increase in the floor area ratio for the Property, as set forth in the bonus worksheet required under Section 17-4-1003-D and attached hereto as Exhibit A ("Bonus Worksheet"). In accordance with the formulas set forth in Section 17-4-1004-C and the Bonus Worksheet, the Applicant acknowledges and agrees that it must provide a cash payment in lieu of providing affordable housing in the amount of \$1,665,269.60 ("Cash Payment"). Prior to the issuance of any building permits for the Eligible Building, including, without limitation, excavation or foundation permits, the Applicant must make the required Cash Payment. The Applicant acknowledges and agrees that, pursuant to Section 17-4-1003-D3, the Bonus Worksheet will serve as an official record of bonuses and amenities. Notwithstanding anything to the contrary contained in Section 17-4-1003-E, the Commissioner of the Department of Housing and Economic Development may enforce remedies for breach of the provisions of this Statement 9, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.

10. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review Fee shall be assessed by the Department of Housing and Economic Development. The fee, as determined by staff at the time, is final and

11. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. Final landscape plan review and approval will be by the Department of Housing and Economic Development. Any interim reviews associated with site plan review or Part II reviews, are conditional until final Part II approval.
12. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Environment and Buildings, under Section 13-32-125 of the Municipal Code, or any other provision of that Code.
13. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to Section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the Applicant, its successors and assigns and, if different than the Applicant, the legal title holders and any ground lessors.

Applicant shall seek administrative relief request and approval from the Department of Housing and Economic Development prior to any Part II approval for the final scope of work of the historically significant improvements as related to the Adopt-a-Landmark Bonus referenced in Statement No. 10. Such a change shall be considered a Minor Change in accordance with Section 7-13-0611-A of the Zoning Ordinance and file a site plan approval request with the Department of Housing and Economic

The Applicant shall submit a site plan, landscape plan and building elevations for the specific area or project phase for review and approval by the Department of Housing and Economic Development. The applicant shall provide evidence of the final approval of the Commission on Chicago Landmarks for the Menu of Items for the Landmark project and Budget and the Final Landmark Project. Review and approval by the Department of Housing and Economic Development is intended to assure that specific development components substantially conform with the Planned Development and to assist the City in monitoring ongoing development. Site Plan Approval Submittals (per Section 17-13-0800) need only include that portion of the Property for which approval is being sought by the Applicant. If the Applicant is seeking approval for a portion of the Property that represents less than the entire site, the Applicant shall also include a site plan for that area of the Property which is bounded on all sides by either public or Private Rights-of-Way or the boundary of the nearest building pad.

14. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enable and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote accessibility.

"Net roof area" is defined as total roof area minus any required perimeter setbacks, roof top structures, and roof-mounted equipment.

16. Unless construction of the new improvements contemplated in this Planned Development has commenced within six (6) years following adoption of this Planned Development, and unless completion is thereafter diligently pursued, then this Planned Development shall expire and the zoning of the property shall automatically revert to the DX-7 Downtown Mixed-Use District classification.
