PUBLIC NOTICE

Via USPS First Class Mail

January 20, 2015

Dear Sir or Madam:

In accordance with Amendment to the Zoning Code enacted by the City Council, Section 17-13-0107-A, please be informed that on or about **January 21, 2015**. I, the undersigned, filed an application for a change in zoning from the RS3 Residential Single-Unit (Detached House) District to the RM4.5 Residential Multi-Unit District, on behalf of the Applicant and Property Owner, Kristopher Wolmer, for the property located at **2449 North Campbell Avenue, Chicago, Illinois**.

The applicant seeks a zoning change to permit the addition of an enclosed rear porch and an attic dormer in an existing 2 dwelling unit building. The zoning change is needed because the additions will increase the building's square footage beyond what is permitted in the current zoning district. The 2 dwelling units will remain and there is no commercial space proposed. There are 2 existing garage parking spaces that will remain and the height of the existing building will remain unchanged.

The Applicant and Property Owner, Kristopher Wolmer, are located at 2449 N. Campbell Ave., Chicago, IL 60647.

The contact person for this application is **Nicholas Ftikas**. My address is 221 N. LaSalle Street, Chicago, IL 60601. My telephone number is 312-782-1983.

Very truly yours,

12. Reason for rezoning the property: To add a dormer addition to the attic and to add an enclosed rear porch that will increase square footage beyond allowable FAR.

13. Describe the proposed use of the property after the rezoning. Indicate the number of dwelling units; number of parking spaces; approximate square footage of any commercial space; and height of the proposed building. (BE SPECIFIC)
The applicant seeks a zoning change to permit the addition of an enclosed rear porch and an attic dormer in an existing 2 dwelling unit building. The zoning change is needed because the additions will increase the building's square footage beyond the square footage permitted in the current zoning district. The 2 dwelling units will remain and there is no commercial space proposed. There are 2 existing garage parking spaces that will remain and the height of the existing building will remain unchanged.

14. On May 14, 2007, the Chicago City Council passed the Affordable Requirements Ordinance (ARO) that requires on-site affordable housing units or a financial contribution if residential housing projects receive a zoning change under certain circumstances. Based on the lot size of the project in question and the proposed zoning classification, is this project subject to the Affordable Requirements Ordinance? (See Fact Sheet for more information)
