Such adjustment shall not require an amendment to the Planned Development. Prior to the issuance of any building permits for construction of residential units within this Planned Development, the Applicant must either make the required Cash Payment, or execute an Affordable Housing Agreement in accordance with Sec. 2-45-110(i)(2). The terms of the Affordable Housing Agreement and any amendments thereto are incorporated herein by this reference. The City shall execute partial releases of the Affordable Housing Agreement prior to or at the time of the sale of each Affordable Unit to an income-eligible buyer at an affordable price, subject to the simultaneous execution and recording of a mortgage, restrictive covenant or similar instrument against such Affordable Unit. The Commissioner of the Department of Housing and Economic Development may enforce remedies for breach of the Affordable Housing Agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.
