WHEREAS, the City wishes to support the charitable, educational and philanthropic activities of established Not for Profit Corporations and encourage the continued viability and growth of such activities; and

WHEREAS, the City wishes to facilitate Not for Profit originated services to the public, and provide safe passage above public street(s) and alley(s) where necessary, for no compensation; and

WHEREAS, Columbia College, an Illinois Not for Profit Corporation, uses the site currently for higher education purposes; and

WHEREAS, the City Council of the City of Chicago, after due investigation and consideration, has determined that the nature and extent of the public use and the public interest to be subserved is such as to warrant a long term easement for an enclosed stairway protruding over the public alley described in the following ordinance; now therefore,

WHEREAS, Grantee has constructed an enclosed stairway (the 'Stairway') over the public way in order to provide additional ingress and egress for building occupants; and

WHEREAS, the Stairway will promote public health, safety and welfare by allowing students, program participants, staff and visitors to move more freely between floors within the building owned by the Grantee; and

WHEREAS, the Stairway requires the use of the public right-of-way, specifically the limited air rights above the grade of the alley as more fully described on the Plat of Easement attached hereto and made a part hereof as Exhibit A; and

WHEREAS, the Department of Transportation has determined that the Stairway will not interfere with the City's traffic infrastructure and will benefit the citizens of the City of Chicago; and

WHEREAS, the City is willing to grant Grantee an easement on the same terms and conditions set forth in the Public Way Easement Agreement (the "Public Way Easement Agreement") attached hereto and incorporated herein as Exhibit B; now, therefore,

Be it Ordained by the City Council of the City of Chicago;

SECTION 1. The foregoing recitals are hereby incorporated herein and adopted as the findings of the City Council.

SECTION 2. The Commissioner of the Department of Transportation (the "Commissioner") or a designee of the Commissioner is each hereby authorized, along with the approval of the City's Corporation Counsel as to form and legality, to execute and deliver the Public Way Easement Agreement between Grantee and the City, in the form attached thereto as Exhibit A and made a part hereof, and such other supporting documents as may be necessary or appropriate to carry out and comply with the provisions of the Public Way Easement Agreement.

SECTION 3. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the other provisions of this ordinance.

EXHIBIT B

Public Way Easement Agreement

This Agreement (the "Agreement") is entered into as of this ____ day of ____ 2013, by and between the **City of Chicago**, by and through its Department of Transportation, an Illinois home rule municipal corporation (the "City") and **Columbia College Chicago**, a not-for-profit corporation organized and existing under and by virtue of the statutes of the State of Illinois ("Grantee"). City and Grantee together shall be referred to herein from time to time as the "Parties".

Witnesseth:

WHEREAS, the Grantee is the owner of one (1) parcel of real estate located at 623 South Wabash Avenue, Chicago, Illinois ("Property"), and improved with a building ("Building") that houses one of the Grantee's educational buildings dedicated to Art & Design; and

WHEREAS, the Grantee's Building has a stairway ("Stairway") in the rear of the Building that protrudes and encroaches over the City's alley ("Alley") by approximately Three Hundred Fourteen (314) square feet, more or less ("Easement Area"), as more fully described on the Plat of Easement ("Plat") attached hereto as **Exhibit A**; and

WHEREAS, the Grantee requires the use of the Stairway, which lies above the grade of the Alley, and the Easement Area for movement within the Building;

Now, therefore, in consideration of the above preambles, the mutual covenants herein contained, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1) **Grant of Easement Area.** The City hereby grants to Grantee an easement ("Easement") to use and occupy, in accordance with this Agreement, the right-of-way identified and legally described on the Plat (the "Easement Area") for the Stairway only, subject to the City's rights to access ("City Access Rights") the Stairway and Easement Area for official City business purposes.

2) **Terms.** The following terms and conditions apply to the Easement:

- (a) The Easement is an easement appurtenant in favor of Columbia College Chicago.
- (b) The Easement is granted for a term of twenty (20) years ("Term") provided that the Grantee is recognized by the Federal Government as a not-for-profit entity.
- (c) The Easement shall burden the Easement Area as the servient tenement.
- (d) Grantee warrants to the City that it is the owner ("Owner") of the Property and Building and that the Grantee has sufficient title and interest in the Property and Building to enter into this Agreement.
- (e) The public way Easement granted pursuant to this Agreement constitutes a contemporaneous grant of interest in real property and is not executory in nature.
- (f) Grantee shall not transfer any interest in the Easement without prior written consent by the Commissioner of the City's Department of Transportation, or any successor department ("CDOT").

3) **Grantee's Obligations.**

- (a) The Grantee, at its own cost and expense, shall maintain the Stairway and Easement Area in a safe condition as required by this Agreement and in particular, as set forth in Section 8 below.
- (b) The Grantee shall be responsible for obtaining approvals of and paying for any and all removals, relocations, alterations, additional maintenance and restorations of or to any utility or public service structures or facilities, or any structures or facilities located in or adjacent to the Easement Area which are owned by the City, including pavements, poles and other facilities and utilities, which are or may be necessary or appropriate to the location of the Stairway and to facilitate any Stairway alterations as discussed below in Section 4.
- (c) The Grantee shall secure all necessary building and other permits.

4) **Stairway Alterations.** Grantee may from time to time replace, remodel or demolish all or any portion of the Stairway, so long as the Grantee secures the prior written approval of the CDOT Commissioner for alterations that may affect the Easement Area or other portions of the public right-of-way before making any alterations to the Stairway that would change the description provided on the Plat at **Exhibit A.**

- 5) **Not For Profit.** The Grantee covenants that it is a not-for-profit entity. In the event of a change in the Grantee's not-for-profit status, or Grantee's transfer of any interest in the Easement without prior written consent by CDOT's Commissioner, the Easement will immediately terminate and the new owner of the Property and Building must apply for an easement or promptly remove the Stairway at the new owner's sole cost and expense.
- 6) **Removal and Restoration.** Grantee shall have the right to terminate this Easement at any time. Upon termination of the Easement granted by this Agreement the Grantee, without cost or expense to the City, shall promptly remove the Stairway from the Easement Area, and all other structures and facilities related to the Stairway as may be located in the affected public way, and shall restore the public way to the extent altered or disturbed by the installation, construction, use, operation, inspection, maintenance, repair, replacement or removal of the Stairway, and all work related thereto, to a proper condition under the supervision and to the satisfaction of the Commissioner of Transportation and in accordance with the Municipal Code of Chicago.
- 7) **Indemnity.** Except with respect to the negligent or wrongful intentional acts of City (to the extent the same are the cause of an injury or loss to a third person), Grantee hereby indemnifies and agrees to hold harmless and defend City from and against any and all claims, demands, damages, lawsuits, legal proceedings, losses, liens, liabilities, judgments, orders or decrees, and all reasonable costs and expenses (including, without limitation, reasonable attorneys' fees, court costs, and other reasonable expenses related to litigation), arising from or as a result of the death of, or any accident, injury, loss or damage whatsoever caused to any natural person, or the property of any person, arising out of, or occurring in any manner relating to the Easement Area, or the Stairway. In the event any legal action is taken against City or its agents or any claim is made relating to the Easement Area or the Stairway, the City may elect to tender said defense to Grantee which shall and must defend such action or claim at Grantee's own expense and City shall cooperate with Grantee in the defense thereof. City shall have the right to join Grantee as a party defendant in any such legal action. This indemnity shall not be the exclusive remedy of the City, and City shall maintain whatever other right of indemnity it may have under common law, by statute, or by ordinance.
- 8) **Grantee's Operation, Maintenance and Security of the Easement Area and Stairway during the Term of this Agreement.**
- (a) Grantee shall maintain the Easement Area and Stairway at its sole cost and expense.
- (b) Grantee shall maintain the Easement Area and Stairway so that the improvement does not unduly interfere with any use of the public way by the City, the public, or any person or entity authorized to use or occupy the public way.
- (c) Grantee shall conduct regular, documented inspections of the Stairway and the Easement Area and maintain the Stairway and Easement Area in a structurally sound, clean, aesthetically attractive, and usable condition consistent with the public use required by this

Agreement. All Stairway and Easement Area maintenance records shall be made available to CDOT, upon CDOT's written request for such documentation to Grantee.

(d) Grantee shall post no verbiage, signage, symbols, art or advertising of any kind on the structure, nor lease the Stairway or Easement Area lying over, under, on, or in the public way for advertising space purposes, or for any other promotional uses.

(e) Grantee shall cooperate with the City concerning the coordination of uses of the public way, including prompt responses to inquiries, attending meetings and site visits, and providing complete disclosure of information concerning the Easement Area and Stairway.

(f) Grantee shall pay for any and all utility expenses incurred with respect to the operation, maintenance, repair, and/or replacement of the Stairway, or any part thereof, within the Easement Area.

(g) Grantee shall provide at all times a fully operational low wattage perimeter lighting system, at its own cost and expense, along the exterior periphery of the Stairway to minimize collisions in the Alley.

(h) Grantee shall provide security over the Easement Area and Stairway at its sole cost and expense.

9) **City Has No Maintenance and Operational Duties.** The Grantee acknowledges that City is not responsible for the operation, maintenance, repair, and/or replacement of or security of the Easement Area and the Stairway, and City has no obligations with respect thereto (other than the provision, through the exercise of the City Access Rights, of City services available to all similarly situated improvements).

10) Insurance.

(a) The Grantee shall procure and maintain, at all times, or shall cause to be procured and maintained, all of the types and coverages of insurance specified below, with insurance companies authorized to do business in the State of Illinois, covering all operations under this Agreement, whether performed by the Grantee or any of its contractors.

(b) The kinds and amounts of insurance required are as follows:

(i) Workers' Compensation and Occupational Disease Insurance.

Workers' Compensation and Occupational Disease Insurance, in statutory amounts, covering all employees who are to provide Work under this Agreement. Employers' liability coverage with limits of not less than One Million Dollars (\$1,000,000) each accident, illness or disease.

(ii) Commercial Liability Insurance (Primary and Umbrella).

Commercial General Liability Insurance, or equivalent, with limits of not less than Five Million Dollars (\$5,000,000) per occurrence for bodily injury, personal injury, and property damage liability. All premises and operations, products/completed operations, independent contractors, explosion, collapse, underground, pollution (if commercially available), separation of insureds, defense and contractual liability coverages are to be included. The City is to be named as an additional insured on a primary non-contributory basis for any liability related directly or indirectly to this Agreement.

Contractors performing work for Grantee must maintain limits of not less than \$2,000,000 with the same terms herein.

(iii) Automobile Liability Insurance. (Primary and Umbrella)

When any motor vehicles (owned, non-owned and hired) are used in connection with Work to be performed, the Grantee provide or caused to be provided, Automobile Liability Insurance with limits of not less than Two Million Dollars (\$2,000,000) per occurrence for bodily injury and property damage. The City is to be named as an additional insured on a primary, non-contributory basis.

Contractor performing work for Grantee must maintain limits of not less than \$1,000,000 with the same terms herein.

(c) Additional Requirements

The Grantee must provide and cause any of its contractors to provide the City of Chicago, Department of Transportation, 30 North LaSalle Street, Room 600, Chicago, Illinois 60602-2570, original Certificates of Insurance, to be in force on the date of this Agreement, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the term of this Agreement. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Grantee and contractor is not a waiver by the City of any requirements for the Grantee to obtain and maintain the specified coverages. The Grantee and contractor must advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance does not relieve Grantee and contractor of the obligation to provide insurance as specified herein. Non-fulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to stop work until proper evidence of insurance is provided.

Grantee agrees to make commercially reasonable efforts to obtain from its insurers, when and if available in the industry, a certificate providing that such coverage shall not be suspended, voided, canceled, non-renewed, or reduced in scope or limits except after thirty (30) days' prior written notice by certified mail, return receipt requested, has been given to the City.

Any deductibles or self-insured retentions on referenced insurance coverages must be borne by Grantee and contractor.

The Grantee hereby agrees and will cause its contractor to agree that insurers waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents, or representatives.

The coverages and limits furnished by Grantee and contractor in no way limit the Grantee's and contractor's liabilities and responsibilities specified within the Agreement or by law.

Any insurance or self-insurance programs maintained by the City of Chicago do not contribute with insurance provided by the Grantee and contractor under the Agreement.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If Grantee or contractor is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

The Grantee must require the contractor to provide the insurance required herein. All contractors are subject to the same insurance requirements of Grantee unless otherwise specified in this Agreement.

The City's Risk Management Department maintains the right to modify, delete, alter or change these requirements.

Default. The Grantee shall be in default hereunder in the event of a material breach by Grantee of any term or condition of this Agreement including, but not limited to, a representation or warranty, where Grantee has failed to cure such breach within sixty (60) days after written notice of breach is given to Grantee by City setting forth the nature of such breach. Failure of City to give written notice of breach to Grantee shall not be deemed to be a waiver of the City's right to assert such breach at a later time. If the default is not capable of being cured within the sixty (60) day period, then provided Grantee has commenced to cure the default and is diligently proceeding to cure the default within the sixty (60) day period, and thereafter diligently prosecutes such cure through to completion, then the sixty (60) day period shall be extended for the length of time that is reasonably necessary to cure the default. If the default is not cured in the time period provided for herein, the City may institute such proceedings at law or in equity as may be necessary or desirable to cure and remedy the default, including but not limited to, termination of this Agreement and removal of the Stairway.

11) **Compliance With Law.** The Grantee agrees that the Easement Area and Stairway shall be used, and any alterations to the Stairway shall be constructed, installed, used, operated, inspected, maintained, repaired and replaced in complete compliance with all applicable laws, statutes and ordinances.

12) **Partial Invalidity.** If any clause, sentence or other portion of this Agreement shall become illegal, null or void for any reason, or shall be held by any court of competent

jurisdiction to be so, the remaining portion hereof shall remain in full force and effect.

13) **Notices.** Any and all notices or other communications required or permitted pursuant hereto shall be in writing and shall be deemed to have been given if and when personally delivered or on the next following business day if transmitted by reputable overnight carrier. As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to the Grantee that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Grantee, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

22) **Prohibition on Certain Contributions Mayoral Executive Order 2011-4.**

Grantee agrees that Grantee, any person or entity who directly or indirectly has an ownership or beneficial interest in Grantee of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Grantee's contractors (i.e., any person or entity in direct contractual privity with Grantee regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Grantee and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (i) after execution of this Agreement by Grantee, (ii) while this Agreement or any Other Contract is executory, (iii) during the term of this Agreement or any Other Contract between Grantee and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Grantee represents and warrants that from the later to occur of (a) May 16, 2011, and (b) the date the City approached the Grantee or the date the Grantee approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Grantee agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) Bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Grantee agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Grantee agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Grantee intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source, which is then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Grantee is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

- (A) they are each other's sole domestic partner, responsible for each other's common welfare; and
- (B) neither party is married; and

- (C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
- (D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
- (E) two of the following four conditions exist for the partners:
 - 1. The partners have been residing together for at least 12 months.
 - 2. The partners have common or joint ownership of a residence.
 - 3. The partners have at least two of the following arrangements:
 - a. joint ownership of a motor vehicle;
 - b. a joint credit account;
 - c. a joint checking account;
 - d. a lease for a residence identifying both domestic partners as tenants.
 - 4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

23) Failure To Maintain Eligibility To Do Business With The City.

Failure by Grantee or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of the Agreement and the transactions contemplated thereby. Grantee shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

24) Inspector General and Legislative Inspector General.

It is the duty of every officer, employee, department, agency, contractor, subcontractor, Grantee and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. The Grantee understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago.

25) Waste Ordinance Provisions.

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Grantee warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Amendment is executory, Grantee's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the Amendment, at law or in equity. This section does not limit Grantee's, general contractor's and its subcontractor's duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Amendment. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Amendment, and may further affect Grantee's eligibility for future contract awards.

26) **Shakman Accord.**

(i) The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and the August 16, 2007 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in *Shakman v. Democratic Organization of Cook County*, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Grantee is aware that City policy prohibits City employees from directing any individual to apply for a position with Grantee, either as an employee or as a subcontractor, and from directing Grantee to hire an individual as an employee or as a subcontractor. Accordingly, Grantee must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Grantee under this Agreement are employees or subcontractors of Grantee, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Grantee.

(iii) Grantee will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to Grantee by a City employee or City official in violation of Section 26 (ii) above, or advocating a violation of Section 26 (ii) above, Grantee will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant City Department utilizing services provided under this Agreement. Grantee will also cooperate with any inquiries by IGO Hiring Oversight or the *Shakman* Monitor's Office related to the contract.

THE BALANCE OF THIS PAGE IS INTENTIONALLY LEFT BLANK

In Witness Whereof, Grantee and City have caused this Agreement to be executed by their duly authorized officers, as of the day and year first written above.

WHEREAS, the City wishes to facilitate Not for Profit originated services to the public, and provide safe passage above public street(s) and alley(s) where necessary, for no compensation; and

WHEREAS, the City Council of the City of Chicago, after due investigation and consideration, has determined that the nature and extent of the public use and the public interest to be subserved is such as to warrant a long term easement for a pedestrian overpass over the public street described in the following ordinance; and

WHEREAS, Northwestern Memorial Hospital, a Not for Profit corporation organized and existing under and by virtue of the statutes of the State of Illinois ("Grantee") is owner of the properties commonly identified as 640 - 648 N. WHEREAS, Grantee will expend substantial sums in constructing the Pedestrian Overpass and related construction in order to facilitate the interconnection between buildings; and

WHEREAS, the Pedestrian Overpass will require the use of the public right-of-way, specifically the limited air rights above the grade of the street as more fully described on the Plat of Easement attached hereto and make a part hereof as Exhibit A; and

WHEREAS, the Department of Transportation has determined that the Pedestrian Overpass will not interfere with the City's traffic infrastructure and will benefit the citizens of the City of Chicago; and

visible from the exterior, other than the name of Grantee hospital in fixed letters no larger than one sixth of the functional height of the structure as permitted under a compensated Use of the Public Way permit submitted to the Department of Business Affairs & Consumer Protection, or its successor department. The Grantee shall not lease nor enter into any agreement for the Overpass or Easement Area lying over, under, on or in the public way for advertising space purposes, or for any other promotional use(s) for the Grantee or any third parties.

(e) Grantee shall cooperate with the City concerning the coordination of uses of the public way, including prompt responses to inquiries, attending meetings and site visits, and providing complete disclosure of information concerning the Easement Area and Overpass.

(f) Grantee shall pay for any and all utility expenses incurred with respect to the operation, maintenance, repair, and/or replacement of the Overpass, or any part thereof, within the Easement Area.

(g) Grantee shall provide security over the Easement Area and Overpass at its sole cost and expense.

9. **City Has No Maintenance and Operational Duties.** The Grantee acknowledges that City is not responsible for the operation, maintenance, repair, and/or replacement of or security of the Easement Area and the Overpass, and City has no obligations with respect thereto (other than the provision, through the exercise of the City's right to access the Overpass and Easement Area for City business purposes and services available to all similarly situated improvements).

10. **Insurance.**

(a) The Grantee shall procure and maintain, at all times, or shall cause to be procured and maintained, all of the types and coverages of insurance specified below, with insurance companies authorized to do business in the State of Illinois, covering all operations under this Agreement, whether performed by the Grantee or any of its contractors.

(b) The kinds and amounts of insurance required are as follows:

(i) Workers' Compensation and Occupational Disease Insurance.

Workers' Compensation and Occupational Disease Insurance, in statutory amounts, covering all employees who are to provide Work under this Agreement. Employers' liability coverage with limits of not less than One Million Dollars (\$1,000,000) each accident, illness or disease.

(ii) Commercial Liability Insurance (Primary and Umbrella).

Commercial General Liability Insurance, or equivalent, with limits of not less than Five Million Dollars (\$5,000,000) per occurrence for bodily injury, personal injury, and property damage liability. All premises and operations, products/completed operations, independent contractors, explosion, collapse, underground, pollution (if commercially available),

separation of insureds, defense and contractual liability coverages are to be included. The City is to be named as an additional insured on a primary non-contributory basis for any liability related directly or indirectly to this Agreement.

Contractors performing work for Grantee must maintain limits of not less than \$2,000,000 with the same terms herein.

(iii) Automobile Liability Insurance. (Primary and Umbrella)

When any motor vehicles (owned, non-owned and hired) are used in connection with work to be performed, the Grantee provide or cause to be provided, Automobile Liability Insurance with limits of not less than Two Million Dollars (\$2,000,000) per occurrence for bodily injury and property damage. The City is to be named as an additional insured on a primary, non-contributory basis.

Contractor performing work for Grantee must maintain limits of not less than \$1,000,000 with the same terms herein.

(c) Additional Requirements

The Grantee must provide and cause any of its contractors to provide the City of Chicago, Department of Transportation, 30 North LaSalle Street, Room 500, Chicago, Illinois 60602-2570, original Certificates of Insurance, to be in force on the date of this Agreement, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the term of this Agreement. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Grantee and contractor is not a waiver by the City of any requirements for the Grantee to obtain and maintain the specified coverages. The Grantee and contractor must advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance does not relieve Grantee and contractor of the obligation to provide insurance as specified herein. Non-fulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to stop work until proper evidence of insurance is provided.

Grantee agrees to make commercially reasonable efforts to obtain from its insurers, when and if available in the industry, a certificate providing that such coverage shall not be suspended, voided, canceled, non-renewed, or reduced in scope or limits except after thirty (30) days' prior written notice by certified mail, return receipt requested, has been given to the City.

Any deductibles or self-insured retentions on referenced insurance coverages must be borne by Grantee and contractor.

The Grantee hereby agrees and will cause its contractors to agree that insurers waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents, or representatives.

The coverages and limits furnished by Grantee and contractor in no way limit the Grantee's and contractor's liabilities and responsibilities specified within the Agreement or by law.

Any insurance or self-insurance programs maintained by the City of Chicago do not contribute with insurance provided by the Grantee and contractor under the Agreement.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If Grantee or contractor is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

The Grantee must require the contractor to provide the insurance required herein. All contractors are subject to the same insurance requirements of Grantee unless otherwise specified in this Agreement.

The City's Risk Management Department maintains the right to modify, delete, alter or change these requirements.

12. **Default.** The Grantee shall be in default hereunder in the event of a material breach by Grantee of any term or condition of this Agreement including, but not limited to, a representation or warranty, where Grantee has failed to cure such breach within sixty (60) days after written notice of breach is given to Grantee by City setting forth the nature of such breach. Failure of City to give written notice of breach to Grantee shall not be deemed to be a waiver of the City's right to assert such breach at a later time. If the default is not capable of being cured within the sixty (60) day period, then provided Grantee has commenced to cure the default and is diligently proceeding to cure the default within the sixty (60) day period, and thereafter diligently prosecutes such cure through to completion, then the sixty (60) day period shall be extended for the length of time that is reasonably necessary to cure the default. If the default is not cured in the time period provided for herein, the City may institute such proceedings at law or in equity as may be necessary or desirable to cure and remedy the default, including but not limited to, termination of this Agreement and removal of the Overpass at the Grantee's sole expense.

13. **Compliance With Law.** The Grantee agrees that the Easement Area and Overpass shall be used, and any alterations to the Overpass shall be constructed, installed, used, operated, inspected, maintained, repaired and replaced in complete compliance with all applicable laws, statutes and ordinances.

14. **Partial Invalidity.** If any clause, sentence or other portion of this Agreement shall become illegal, null or void for any reason, or shall be held by any court of competent jurisdiction to be so, the remaining portion hereof shall remain in full force and effect.

15. **Notices.** Any and all notices or other communications required or permitted pursuant hereto shall be in writing and shall be deemed to have been given if and when personally delivered or on the next following business day if transmitted by reputable overnight carrier. Notices shall be addressed to Grantee and City at their respective addresses set forth below, or to such substitute address as Grantee or City may have designated by notice in accordance herewith:

17) **Execution And Recordation of Agreement.** The execution and recordation of this Agreement shall be subject to the finalization of all utility negotiations and further provided that the Grantee supplies the City with sufficient proof of ownership of the Property, and when completed, the Overpass and OCP Building, and any other documents that the City may deem necessary.

18) **No Third-Party Beneficiaries.** This Agreement shall be binding upon and inure to the benefit solely of Grantee and City and their respective successors, assigns, licensees and legal representatives. 19) **Authority and Validity.** Each party represents and warrants to the other party that (i) this Agreement has been duly authorized, executed and delivered by it and (ii)

this Agreement constitutes the legal, valid and binding obligation of it, enforceable against it in accordance with its terms.

20) **Miscellaneous.**

(a) The terms, benefits, and privileges set forth in this Agreement shall be deemed and taken to be covenants running with the Property and shall be binding upon the Grantee, its successors and assigns having any interest in the Property.

(b) If any provision of this Agreement, or any paragraph, sentence, clause, phrase, or word or the application thereof is held invalid, illegal, null or void for any reason, or shall be held by any court of competent jurisdiction to be so, the remainder of this Agreement shall be construed as if such invalid part were never included and this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law provided that this Agreement, in its entirety as so reconstituted, does not represent a material change to the rights or obligations of either of the Parties.

(c) In the event the time for performance hereunder falls on a Saturday, Sunday, or legal holiday, the actual time for performance shall be the next business day.

(d) This Agreement and the accompanying Plat shall be governed by, and construed in accordance with, the internal laws of the State of Illinois. In the event that an adjudication of any kind shall be required in connection with this Agreement, the Parties agree that the venue therefor shall be the state or federal courts located in Cook County, Illinois, whichever may be applicable.

(e) This Agreement constitutes the entire contract between the Parties with respect to the subject matter of this Agreement, and may not be modified except by an instrument in writing signed by all the Parties and dated a date subsequent to the date of this Agreement.

(f) Each Party agrees that it will execute and deliver such other reasonable documents and take such other reasonable actions as may be reasonably requested by the other party to effectuate the purposes and intention of this Agreement.

21) **Business Relationships.**

The Grantee acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (B) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Grantee hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

22) Patriot Act Certification.

The Grantee represents and warrants that neither the Grantee nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to the Grantee that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Grantee, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

23) Prohibition on Certain Contributions Mayoral Executive Order 2011-4.

Grantee agrees that Grantee, any person or entity who directly or indirectly has an ownership or beneficial interest in Grantee of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Grantee's contractors (i.e., any person or entity in direct contractual privity with Grantee regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Grantee and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (i) after execution of this Agreement by Grantee, (ii) while this Agreement or any Other Contract is executory, (iii) during the term of this Agreement or any Other Contract between Grantee and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Grantee represents and warrants that from the later to occur of (a) May 16, 2011, and (b) the date the City approached the Grantee or the date the Grantee approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Grantee agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) Bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Grantee agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Grantee agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Grantee intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source, which is then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Grantee is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

- (A) they are each other's sole domestic partner, responsible for each other's common welfare; and
- (B) neither party is married; and
- (C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
- (D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
- (E) two of the following four conditions exist for the partners:
 - 1. The partners have been residing together for at least 12 months.
 - 2. The partners have common or joint ownership of a residence.
 - 3. The partners have at least two of the following arrangements:
 - a. joint ownership of a motor vehicle;
 - b. a joint credit account;
 - c. a joint checking account;
 - d. a lease for a residence identifying both domestic partners as tenants.
 - 4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

24) **Failure To Maintain Eligibility To Do Business With The City.**

Failure by Grantee or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of the Agreement and the transactions contemplated thereby. Grantee shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

25) **Inspector General and Legislative Inspector General.**

It is the duty of every officer, employee, department, agency, contractor, subcontractor, Grantee and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. The Grantee understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago.

26) **Waste Ordinance Provisions.**

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Grantee warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Amendment is executory, Grantees, any general contractors or any subcontractors violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the Amendment, at law or in equity. This section does not limit Grantee's, general contractor's and its subcontractor's duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Amendment. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Amendment, and may further affect Grantee's eligibility for future contract awards.

27) **Shakman Accord.**

(a) The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and the August 16, 2007 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in *Shakman v. Democratic Organization of Cook County*, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(b) Grantee is aware that City policy prohibits City employees from directing any individual to apply for a position with Grantee, either as an employee or as a subcontractor, and from directing Grantee to hire an individual as an employee or as a subcontractor. Accordingly, Grantee must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Grantee under this Agreement are employees or subcontractors of Grantee, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Grantee.

(c) Grantee will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(d) In the event of any communication to Grantee by a City employee or City official in violation of Section 27 (ii) above, or advocating a violation of Section 27 (ii) above, Grantee will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant City Department utilizing services provided under this Agreement. Grantee will also cooperate with any inquiries by IGO Hiring Oversight or the *Shakman* Monitor's Office related to the contract.

THE BALANCE OF THIS PAGE IS INTENTIONALLY LEFT BLANK

IN WITNESS WHEREOF, Grantee and City have caused this Agreement to be executed by their duly authorized officers, as of the day and year first written above.
