CERTIFICATION

To be completed by business owner/manager:

I hereby certify that all statements made as part of this application and any attachments herein, are true to the best of my knowledge and belief. I also understand that a standing/loading zone ordinance is introduced to the City Council at the discretion of 32nd Ward Alderman Scott Waguespack - submission of this application does not guarantee the granting of a standing/loading zone. The analysis of this application will weigh the benefits of placing the zone adjacent to my business versus the disadvantages of the reduction of available street parking in the area. I acknowledge that the issuance of a standing/loading zone is a privilege granted by the City of Chicago and not a right of my business ownership - the curb lane is and shall remain the property of the City. I agree to accept the decision of the Alderman to partially or fully accept, or deny my application.

Furthermore, I agree to follow all applicable laws as outlined by the Municipal Code of the City of Chicago, and requirements as put forth in this application and by the Committee on Traffic Control and Safety, the Department of Transportation, and the Department of Revenue. I also understand that the standing/loading zone may be removed at the Alderman's discretion or at the urging of any City Department.

Re: Loading Zone Application

Dear Alderman Mell,

Honey Butter Fried Chicken, a fast-casual restaurant, will be opening in the summer of 2013 at 3361 N. Elston Avenue. We are requesting a loading zone on Elston Ave. from the southernmost point of our property line on Elston stretching north to the currently posted "No Parking" sign, located 28'-9" south of the northernmost point of our property line (see attached site plan). We will be utilizing this loading zone specifically for deliveries and waste removal. The loading zone on Elston will provide delivery drivers with a place to easily park while they deliver food and supplies to our restaurant. It will also serve as a designated area for parking for waste removal from our back entrance. The loading zone on Elston will keep larger vehicles off the residential street (Roscoe) bordering our building.

Description of delivery schedule (including frequency and volume of deliveries):

Most deliveries and loading/unloading will occur in the mornings between 8 am to 11 am, with a couple of scattered deliveries in the early afternoon. Some of our farmers deliver late night (10 pm to 11 pm) as well. Volume of deliveries vary, but we expect heavier deliveries on Fridays (before a weekend service) and Wednesdays (to restock after the weekend and our closed day Tuesday.) We expect smaller deliveries more often as opposed to larger deliveries less frequently due to our storage limitations and desire to have the fresher food products as possible.

Sincerely,

A handwritten signature in black ink, appearing to read "Jennifer Mayer".
