Title:

Call for hearing(s) concerning rising human trafficking

Committee(s) Assignment:

Joint Committee: Human Relations; Public Safety

*Pub Safety
Human Rel*

**RESOLUTION CALLING FOR HEARINGS CONCERNING
THE RISE OF HUMAN TRAFFICKING IN CHICAGO**

WHEREAS, The Scottish poet, Robert Burns famed 1784 phrase, "Man's inhumanity to man makes countless thousands mourn" can well summate the cruel and tragic consequences that the practice human trafficking has had on mankind through the annals of history; and

WHEREAS, Whether called slavery of any kind, indentured servitude, or human smuggling, human trafficking has brought untold misery upon not only the victims but also their families and the communities wherein they lived; and

WHEREAS, Whether those individuals submit to being trafficked voluntarily, semi-voluntarily or against their will, they are victims of that consequential inhumanity that precludes recorded history; and

WHEREAS, Although slavery certainly existed before the 1400s, this epoch marked the start of Portuguese slave trading with the transporting of Africans to Portugal for use as slaves. The British started African slave trading in 1562. Throughout the 1600s, the slave trade flourished in countries like Spain, North America, Holland, France, Sweden, and Denmark; and

WHEREAS, At the beginning of the 20th Century, various governments began to take action in an attempt to curb some of human trafficking's most nefarious practices. The United Kingdom, India, Germany, Prussia, Belgian, Denmark, Spain, France, Italy, the Netherlands, Portugal, Russia, Sweden, Norway and Switzerland signed an International Agreement for the Suppression of White Slave Traffic in 1904 to curb the trafficking of women for the purposes of prostitution; and

WHEREAS, Although human trafficking takes on many forms, the highest profile and the most insidious is the transporting and selling of individuals for forced prostitution. In 1932, the Japanese forced thousands of Asian women into the notorious "comfort stations" for their military personnel; and

WHEREAS, In 1995, the United Nations held their Fourth World Conference to address the issue of trafficking women, recognizing it as an act of violence against women, defining actions to be taken including enforcing international conventions on trafficking and human slavery, addressing factors that encourage trafficking, setting up effective law enforcement and institutions to eliminate trafficking both nationally and internationally, and implementing programs including educational and rehabilitation institutions to provide for the social, medical, and psychological needs to victims of trafficking; and

WHEREAS, Today, Illinois has legislation in place that defines victims of human trafficking to include children involved in the sex trade, adults age 18 or over who are coerced or deceived into commercial sex acts, as well as anyone forced into different forms of "labor or services," such as domestic workers held in a home, or farm-workers forced to labor against their will. The factors that each of these situations have in common are elements of force, fraud, or coercion that are used to control people; and

WHEREAS, As this nation's transportation hub, it behooves this august body to investigate this city's response to the heinous effects of this societal scourge and fashion appropriate action in lieu of its findings; now therefore

BE IT RESOLVED That we, the Mayor and members of the City of Chicago City Council, gathered together this 8th Day of May, 2013 AD, do hereby request a hearing by a joint committee of public safety and human relations to gather expert testimony and public comment for the purpose of formulating a course of action to ameliorate the conditions that allow human trafficking to incubate and thrive in any of its insidious forms.

BE IT FURTHER RESOLVED That suitable copies of this resolution be prepared and presented to the Honorable James A. Balcer, chairman of the committee on public safety and the Honorable Joe Moore, chairman of the committee on human relations

WHEREAS, 6479 students with disabilities, each of whom has an Individualized Educational Plan; and

WHEREAS, Closing a school often has profound ramifications for the educational experience of children and the surrounding community. Numerous studies have shown that when a school is closed or negative actions take place, student academic outcomes are affected, safety concerns are raised as children have to travel farther and through sometimes dangerous territory, and parental and community confidence in the school system is shaken; and

WHEREAS, CPS indicates that it needs to close, co-locate and turnaround underutilized and underperforming schools in an effort to attempt to close a purported fiscal year 2014 budget deficit; and

WHEREAS, A major factor contributing to the underutilization of CPS schools is the expansion of charter schools in Chicago. Currently, the number of seats available in charter schools amounts to more than half of the reported excess capacity. Moreover, any future expansion of charter schools will further exacerbate this problem; and

WHEREAS, It is not sound fiscal policy to fund the creation of any additional schools while facing such a large gap between enrollment and capacity; and

WHEREAS, CPS should not simultaneously close schools for budget reasons and fund the creation of additional privately operated charter schools; and

WHEREAS, Every seat created in a new charter school potentially increases what CPS has called the "chronic underutilization" of the public schools; therefore,

BE IT RESOLVED that we the undersigned members of the City Council of the City of Chicago do hereby express our desire for the Chicago Board of Education to establish a moratorium on school closings, actions and charter school expansion for the 2014-2015 school year allowing CPS, parents and community members time to fully understand the impact of pending school closures; further

RESOLVED, That the CEO of the Chicago Public Schools shall provide testimony to the City Council of the City of Chicago and to families affected by the proposed school actions on cost savings from planned school closings, any extra security and safety programs for students as well as equipment

upgrades for "welcoming" schools prior to the final vote taken by the Chicago Board of Education; and be it further

Subpoena issuance and contents – Objections.

Rules

The inspector general shall issue subpoenas only if (a) he is conducting an investigation, audit, program review, or hearing authorized by this chapter; and (b) the investigation, audit, program review, or hearing relates to misconduct, inefficiency, or waste within the programs and operation of the city government by any person described in Section 2-56-050; and (c) the inspector general has a reasonable belief that such misconduct, inefficiency, or waste, has occurred; and (d) the testimony of the witness or the documents or items sought by the subpoena are relevant to the investigation, audit, program review, or hearing. A subpoena issued under this chapter shall identify the person to whom it is directed and the documents or other items sought thereby, if any, and the date, time and place for the appearance of the witness and production of the documents or other items described in the subpoena. Negotiations may include such matters as the scope of the subpoena and the time, place and manner of response thereto. The filing of an objection to a subpoena, and negotiations pursuant to an objection, shall not constitute refusal to comply with the subpoena, or interference with or obstruction of an investigation.

Each pedicab in operation must be registered. The pedicab registration decal shall be affixed in a manner prescribed by the commissioner by rule.

(b) Application for a pedicab registration decal shall be made in writing to the department on a form provided by the commissioner and signed and sworn to by the licensee and a qualified technician not employed by the licensee. CERTIFICATION

To be completed by business owner/manager:

I hereby certify that all statements made as part of this application and any attachments herein, are true to the best of my knowledge and belief. I also understand that a standing/loading zone ordinance is introduced to the City Council at the discretion of 46th Ward Alderman James Cappleman – submission of this application does not guarantee the granting of a standing/loading zone. The analysis of this application will weigh the benefits of placing the zone adjacent to my business versus the disadvantages of the reduction of available street parking in the area. I acknowledge that the issuance of a standing/loading zone is a privilege granted by the City of Chicago and not a right of my business ownership – the curb lane is and shall remain the property of the City. I agree to accept the decision of the Alderman to partially or fully accept, or deny my application.

Furthermore, I agree to follow all applicable laws as outlined by the Municipal Code of the City of Chicago, and requirements as put forth in this application and by the Committee on Traffic Control and Safety, the Department of Transportation, and the Department of Revenue. I also understand that the standing/loading zone may be removed at the Alderman's discretion or at the urging of any City Department.
