AGREEMENT

This Agreement is entered into as of the _____ day of _____2013 ("**Effective Date**") by and between Open Doors Organization, a _____ corporation ("**Contractor**" or "ODO"), and the City of Chicago, a municipal corporation and home rule unit of local government existing under the Constitution of the State of Illinois, acting through its Department of Business Affairs and Consumer Protection ("**City**"), at Chicago, Illinois. Under the Municipal Code of the City, the Commissioner of Business Affairs and Consumer Protection is authorized to implement, operate, and maintain a centralized dispatch system for taxicabs that are wheelchair accessible. The City issued an RFP to solicit proposals for such service, and Contractor submitted a proposal. The City and the Contractor have negotiated terms for Contractor's provision of such service, and Contractor agrees to perform the Services pursuant to the terms of this Agreement.

TERMS AND CONDITIONS

"Additional Services" means those services which are within the general scope of Services of this Agreement, but beyond the description of services required under Section 2.1, and all services reasonably necessary to complete the Additional Services to the standards of performance required by this Agreement. (f) All references to a number of days mean calendar days, unless indicated otherwise.

1.3 Incorporation of Exhibits and Background Information

The following attached Exhibits and the Background Information are made a part of this Agreement:

Exhibit 1	Scope of Services, Functional Requirements of System and Schedule for Performance
Exhibit 2	Schedule of Compensation
Exhibit 3	[Intentionally Omitted]
Exhibit 4	Economic Disclosure Statement and Affidavit
Exhibit 5	Insurance Requirements and Evidence of Insurance
Exhibit 6	Contractual Requirements Related To HIPAA

In case of an inconsistency or conflict between the Exhibits are Articles 1-11 of the Agreement, the latter shall control.

ARTICLE 2. DUTIES AND RESPONSIBILITIES OF CONTRACTOR

2.1 Scope of Services

This description of Services is intended to be general in nature and is neither a complete description of Contractor's Services nor a limitation on the Services that Contractor is to provide under this Agreement. Contractor must provide the Services in accordance with the standards of performance set forth in Section 2.5. The Services that Contractor must provide are described in Exhibit 1.

2.2 Functionality of the System

The Contractor covenants and warrants that the System will perform those functions contained in Exhibit 1.

2.3 Implementation and Testing of System

Pursuant to the timeframe set forth as part of Exhibit 1, Contractor will install the System, and make it fully operational, in all locations as specified in Exhibit 1, which include, without

limitation, all WAVs, and the facilities described in Exhibit 1, and create such interfaces as necessary to make the System fully functioning in accordance with the functional requirements in Exhibit 1. Contractor will perform such tests on the System, in the presence of the Commissioner, to demonstrate that the System meets the functionality described in Exhibit 1. If the System does not meet such functionality in the Commissioner's judgment, the Contractor will make such repairs to the System, including, without limitation, substituting superior technology, all at no cost to the City, so that the System meets the terms of Exhibit 1, and reperform such tests to demonstrate to the Commissioner that the System is compliant with the terms of this Agreement. Contractor must achieve the Commissioner's approval of such System, which shall not be unreasonably withheld, within 10 days of the Effective Date.

2.4 Deliverables

In carrying out its Services, Contractor must prepare or provide to the City various Deliverables. "**Deliverables**" include work product, such as written reviews, recommendations, reports and analyses, produced by Contractor for the City.

The City may reject Deliverables that do not include relevant information or data, or do not include all documents or other materials specified in this Agreement or reasonably necessary for the purpose for which the City made this Agreement or for which the City intends to use the Deliverables. If the City determines that Contractor has failed to comply with the foregoing standards, it has 30 days from the discovery to notify Contractor of its failure. If Contractor does not correct the failure, if it is possible to do so, within 30 days after receipt of notice from the City specifying the failure, then the City, by written notice, may treat the failure as a default of this Agreement under Section 8.1.

Partial or incomplete Deliverables may be accepted for review only when required for a specific and well-defined purpose for the benefit of the City and when consented to in advance by the City. Such Deliverables will not be considered as satisfying the requirements of this Agreement and partial or incomplete Deliverables in no way relieve Contractor of its obligations under this Agreement.

2.5 Standard of Performance

Contractor must perform all Services required of it under this Agreement with that degree of skill, care and diligence normally shown by a Contractor performing services of a scope and purpose and magnitude comparable with the nature of the Services to be provided under this Agreement. Contractor acknowledges that it is entrusted with or has access to valuable and confidential information and records of the City. Contractor agrees to be held to the standard of care of a fiduciary. **Any review, approval, acceptance of Services or Deliverables or payment for any of the Services by the City does not relieve Contractor of its responsibility for the professional skill and care and technical accuracy of its Services and Deliverables.**

This provision in no way limits the City's rights against Contractor under this Agreement, at law or in equity.

Contractor must be appropriately licensed to perform the Services, if required by law, and must ensure that all Services that require the exercise of professional skills or judgment are accomplished by professionals qualified and competent in the applicable discipline and appropriately licensed as may be required by law. Contractor must provide copies of any such licenses. Contractor remains responsible for the professional and technical accuracy of all Services or Deliverables furnished, whether by Contractor or its Subcontractors or others on its behalf. All Deliverables must be prepared in a form and content satisfactory to the Department and delivered in a timely manner consistent with the requirements of this Agreement.

If Contractor fails to comply with the foregoing standards, Contractor must, at the City's option, perform again, at its own expense, all Services required to be re-performed as a direct or indirect result of that failure, unless the reason is failure to have and maintain required licensure. See subsection 8.1 (b)(ii) regarding failure to comply with licensure requirements.

2.6 Personnel

(a) Adequate Staffing

Contractor must, upon receiving a fully executed copy of this Agreement, assign and maintain during the term of this Agreement and any extension of it an adequate staff of competent personnel that is fully equipped, licensed as appropriate, available as needed, qualified and assigned exclusively to perform the Services. Contractor must include among its staff the Key Personnel and positions as identified below. The level of staffing may be revised from time to time by notice in writing from Contractor to the City and with prior written consent of the City.

(b) Key Personnel

Contractor must not reassign or replace Key Personnel without the written consent of the City. "**Key Personnel**" means those job titles and the persons assigned to those positions in accordance with the provisions of this Section 2.6(b). The Department may at any time in writing notify Contractor that the City will no longer accept performance of Services under this Agreement by one or more Key Personnel listed. Upon that notice Contractor must immediately suspend the key person or persons from performing Services under this Agreement and must replace him or them in accordance with the terms of this Agreement. Key Personnel, if any, are identified in Exhibit 1.

(c) Salaries and Wages

Contractor and Subcontractors must pay all salaries and wages due all employees performing Services under this Agreement unconditionally and at least once a month without

deduction or rebate on any account, except only for those payroll deductions that are mandatory by law or are permitted under applicable law and regulations. The parties acknowledge that this Section 2.6(c) is solely for the benefit of the City and that it does not grant any third party beneficiary rights.

2.7 Best Efforts Regarding Work Force

Contractor must use best efforts to employ members of a "Minority group" (as such term is defined in Section 2-92-420(r) of the Municipal Code of Chicago), whether through itself or through approved Subcontractors, for at least 25% of the work force that performs the Services under this Agreement. Contractor will be required to report on its ongoing best efforts to the Commissioner on a quarterly basis, and will provide documentation or other support showing its best efforts upon the Commissioner's request

2.8 Insurance

Contractor must provide and maintain at Contractor's own expense, during the term of this Agreement and any time period following expiration if Contractor is required to return and perform any of the Services or Additional Services under this Agreement, the insurance coverages and requirements specified in Exhibit 5 of this Agreement, insuring all operations related to this Agreement.

2.9 Indemnification

(a) Contractor must defend, indemnify, and hold harmless the City, its officers, representatives, elected and appointed officials, agents and employees from and against any and all Losses, including those related to:

(i) injury, death or damage of or to any person or property;

(ii) any infringement or violation of any property right (including any patent, trademark or copyright);

(iii) Contractor's failure to perform or cause to be performed Contractor's promises and obligations as and when required under this Agreement, including Contractor's failure to perform its obligations to any Subcontractor;

(iv) the City's exercise of its rights and remedies under Section 8.2 of this Agreement; and

(v) injuries to or death of any employee of Contractor or any Subcontractor under any workers compensation statute.

(b) **"Losses"** means, individually and collectively, liabilities of every kind, including losses, damages and reasonable costs, payments and expenses (such as, but not limited to, court costs and reasonable attorneys' fees and disbursements), claims, demands, actions, suits, proceedings, judgments or settlements, any or all of which in any way arise out of or relate to Contractor's breach of this Agreement or to Contractor's negligent or otherwise wrongful acts or omissions or those of its officers, agents, employees, Contractors, Subcontractors or licensees.

(c) At the City Corporation Counsel's option, Contractor must defend all suits brought upon all such Losses and must pay all costs and expenses incidental to them, but the City has the right, at its option, to participate, at its own cost, in the defense of any suit, without relieving Contractor of any of its obligations under this Agreement. Any settlement must be made only with the prior written consent of the City Corporation Counsel, if the settlement requires any action on the part of the City.

(d) To the extent permissible by law, Contractor waives any limits to the amount of its obligations to defend, indemnify, hold harmless, or contribute to any sums due under any Losses, including any claim by any employee of Contractor that may be subject to the Workers Compensation Act, 820 ILCS 305/1 *et seq.* or any other related law or judicial decision (such as, *Kotecki v. Cyclops Welding Corporation*, 146 Ill. 2d 155 (1991)). The City, however, does not waive any limitations it may have on its liability under the Illinois Workers Compensation Act, the Illinois Pension Code, any other statute or judicial decision.

(e) The indemnities in this section survive expiration or termination of this Agreement for matters occurring or arising during the term of this Agreement or as the result of or during Contractor's performance of Services beyond the term. Contractor acknowledges that the requirements set forth in this section to defend, indemnify, and hold harmless the City are apart from and not limited by the Contractor's duties under this Agreement, including the insurance requirements in Exhibit 5 of this Agreement.

2.10 Ownership of Documents

All Deliverables, data, findings or information in any form prepared, assembled or encountered by or provided to Contractor under this Agreement are property of the City, including, as further described in Section 2.11 below, all copyrights inherent in them or their preparation. During performance of its Services, Contractor is responsible for any loss or damage to the Deliverables, data, findings or information while in Contractor's or any Subcontractor's possession. Any such lost or damaged Deliverables, data, findings or information must be restored at the expense of Contractor. If not restorable, Contractor must bear the cost of replacement and of any loss suffered by the City on account of the destruction, as provided in Section 2.9.

2.11 Copyright Ownership

Contractor and the City intend that, to the extent permitted by law, the Deliverables to be produced by Contractor at the City's instance and expense under this Agreement are conclusively deemed "**works made for hire**" within the meaning and purview of Section 101 of the United States Copyright Act, 17 U.S.C. §101 *et seq.*, and that the City will be the sole copyright owner of the Deliverables and of all aspects, elements and components of them in which copyright can subsist, and of all rights to apply for copyright registration or prosecute any claim of infringement.

To the extent that any Deliverable does not qualify as a "work made for hire," Contractor hereby irrevocably grants, conveys, bargains, sells, assigns, transfers and delivers to the City, its successors and assigns, all right, title and interest in and to the copyrights and all U.S. and foreign copyright registrations, copyright applications and copyright renewals for them, and other intangible, intellectual property embodied in or pertaining to the Deliverables prepared for the City under this Agreement, and all goodwill relating to them, free and clear of any liens, claims or other encumbrances, to the fullest extent permitted by law. Contractor will, and will cause all of its Subcontractors, employees, agents and other persons within its control to, execute all documents and perform all acts that the City may reasonably request in order to assist the City in perfecting its rights in and to the copyrights relating to the Deliverables, at the sole expense of the City. Contractor warrants to the City, its successors and assigns, that on the date of transfer Contractor is the lawful owner of good and marketable title in and to the copyrights for the Deliverables and has the legal rights to fully assign them. Contractor further warrants that it has not assigned and will not assign any copyrights and that it has not granted and will not grant any licenses, exclusive or nonexclusive, to any other party, and that it is not a party to any other agreements or subject to any other restrictions with respect to the Deliverables. Contractor warrants that the Deliverables are complete, entire and comprehensive, and that the Deliverables constitute a work of original authorship.

2.12 Records and Audits

(a) **Records**

(i) Contractor must deliver or cause to be delivered to the City all documents, including all Deliverables prepared for the City under the terms of this Agreement, promptly in accordance with the time limits prescribed in this Agreement, and if no time limit is specified, then upon reasonable demand for them or upon termination or completion of the Services under this Agreement. If Contractor fails to make such delivery upon demand, then Contractor must pay to the City any damages the City may sustain by reason of Contractor's failure.

(ii) Contractor must maintain any such records including Deliverables not delivered to the City or demanded by the City for a period of 5 years after the final payment made in connection with this Agreement. Contractor must not dispose of such documents following the expiration of this period without notification of and written approval from the City in accordance with Article 10.

(b) **Audits**

(i) Contractor and any of Contractor's Subcontractors must furnish the Department with all information that may be requested pertaining to the performance of the Services and revenues from the Services. Contractor must keep books, documents, papers, records and accounts in connection with the Services open to audit, inspection, copying, abstracting and transcription and must make these records available to the City and any other interested governmental agency, at reasonable times during the performance of its Services.

(ii) To the extent that Contractor conducts any business operations separate and apart from the Services required under this Agreement using, for example, personnel, equipment, supplies or facilities also used in connection with this Agreement, then Contractor must maintain and make similarly available to the City detailed records supporting Contractor's allocation to this Agreement of the costs and expenses attributable to any such shared usages.

(iii) Contractor must maintain its books, records, documents and other evidence and adopt accounting procedures and practices sufficient to reflect properly all revenues from the performance of this Agreement. This system of accounting must be in accordance with generally accepted accounting principles and practices, consistently applied throughout.

(iv) No provision in this Agreement granting the City a right of access to records and documents is intended to impair, limit or affect any right of access to such records and documents which the City would have had in the absence of such provisions.

(v) The City may in its sole discretion audit the records of Contractor or its Subcontractors, or both, at any time during the term of this Agreement or within five years after the Agreement ends, in connection with the Services provided under this Agreement. Each calendar year or partial calendar year is considered an "audited period." If, as a result of any such audit, it is determined that Contractor has underpaid the City in the audited period, the City will notify Contractor. Contractor must then promptly reimburse the City for any amount due the City as a result of the underpayment, as well as reimburse the City for the costs of the audit.

The audit described here does not diminish the City's right to require Contractor to perform an annual audit, as set forth in Section 4.2.

2.13 Confidentiality

(a) All Deliverables and reports, data, findings or information in any form prepared, assembled or encountered by or provided by Contractor under this Agreement are property of the

City and are confidential, except as specifically authorized in this Agreement or as may be required by law. Contractor must not allow the Deliverables to be made available to any other individual or organization without the prior written consent of the City. Further, all documents and other information provided to Contractor by the City are confidential and must not be made available to any other individual or organization without the prior written consent of the City. Contractor must implement such measures as may be necessary to ensure that its staff and its Subcontractors are bound by the confidentiality provisions in this Agreement.

(b) Contractor must not issue any publicity news releases or grant press interviews, and except as may be required by law during or after the performance of this Agreement, disseminate any information regarding its Services or the project to which the Services pertain without the prior written consent of the Commissioner.

(c) If Contractor is presented with a request for documents by any administrative agency or with a subpoena duces tecum regarding any records, data or documents which may be in Contractor's possession by reason of this Agreement, Contractor must immediately give notice to the Commissioner and the Corporation Counsel for the City with the understanding that the City will have the opportunity to contest such process by any means available to it before the records, data or documents are submitted to a court or other third party. Contractor, however, is not obligated to withhold the delivery beyond the time ordered by a court or administrative agency, unless the subpoena or request is quashed or the time to produce is otherwise extended.

(d) HIPAA and AIDS Confidentiality Act. To the extent not defined here the capitalized terms below and in Exhibit 6 will have the same meaning as set forth in the Health Insurance Portability and Accountability Act (Act). See 45 CFR parts 160, 162 and 164. Contractor and all its Subcontractors must comply with the Act and all rules and regulations applicable to it including the Privacy Rule, which sets forth the Standards for Privacy of Individually Identifiable Health Information at 45 CFR part 160 and part 164 subparts A and E; the Standards for Electronic Transactions, which are located at 45 CFR parts 160 and 162 and the Security Standards, which are located at 45 CFR parts 160, 162 and 164. Contractor must also comply with the Illinois AIDS Confidentiality Act (410 ILCS 305/1 through 16) and the rules and regulations of the Illinois Department of Public Health promulgated under it. If Contractor fails to comply with the applicable provisions under the Act or the Illinois AIDS Confidentiality Act, such failure will constitute an event of default under this Agreement for which no opportunity for cure will be provided.

Additionally, if Contractor is a Business Associate it must comply with all requirements of the Act applicable to Business Associates including the provisions contained in Exhibit 6.

2.14 Assignments and Subcontracts

(a) Contractor must not assign, delegate or otherwise transfer all or any part of its rights or obligations under this Agreement: (i) unless otherwise provided for elsewhere in this Agreement; or (ii) without the express written consent of the Commissioner. The absence of such a provision or

written consent voids the attempted assignment, delegation or transfer and is of no effect as to the Services or this Agreement. No approvals given by the Commissioner, including approvals for the use of any Subcontractors, operate to relieve Contractor of any of its obligations or liabilities under this Agreement.

(b) All Subcontractors are subject to the prior approval of the Commissioner. Approval for the use of any Subcontractor in performance of the Services is conditioned upon performance by the Subcontractor in accordance with the terms and conditions of this Agreement. If any Subcontractor fails to perform the Services in accordance with the terms and conditions of this Agreement to the satisfaction of the Commissioner, the City has the absolute right upon written notification to immediately rescind approval and to require the performance of this Agreement by Contractor personally or through any other City-approved Subcontractor. Any approval for the use of Subcontractors in the performance of the Services under this Agreement under no circumstances operates to relieve Contractor of any of its obligations or liabilities under this Agreement.

(c) Contractor, upon entering into any agreement with a Subcontractor, must furnish upon request of the Commissioner a copy of its agreement. Contractor must ensure that all subcontracts contain provisions that require the Services be performed in strict accordance with the requirements of this Agreement, provide that the Subcontractors are subject to all the terms of this Agreement and are subject to the approval of the Commissioner.

(d) The City reserves the right to assign or otherwise transfer all or any part of its interests under this Agreement to any successor.

2.15 Incorporation of Proposal; Performance Standards

The Contractor's proposal, dated December 21, 2012, and all other documentation provided to the City pertaining to the RFP, contained various promises with respect to the Services and the System to be provided by the Contractor. Such promises are incorporated in this Agreement. Any conflict or inconsistency between the terms of this Agreement and the promises made in the proposal shall be decided in favor of the Agreement; the sole purpose of including the proposal is to ensure that Contractor will be obligated to perform all of the promises in the proposal.

Nothing in Section II of Exhibit 1 is meant to diminish Contractor's responsibility to perform every obligation in this Agreement, or to limit City's rights in law or equity in case of default.

ARTICLE 3. DURATION OF AGREEMENT

3.1 Term; Schedule of Performance

(a) Term: The term of this Agreement shall commence on the Effective Date and, unless terminated earlier pursuant to its terms or extended pursuant to Section 3.3 below, shall terminate 2 years from the Effective Date.

(b) Schedule: Contractor must meet the schedule contained in Exhibit 2 for its implementation and performance of the Services.

3.2 Timeliness of Performance; No Damages for Delay

Contractor acknowledges that time is of the essence and that the failure of Contractor to comply with the schedule may result in economic or other losses to the City.

3.3 Extension Options

The Commissioner, before this Agreement expires, may extend the Agreement for 3 periods of one year each, by providing written notices to the Contractor.

ARTICLE 4. COMPENSATION

4.1 Contractor's Compensation

Contractor will receive no compensation from the City for the performance of the Services herein. Contractor will obtain its compensation only from charging a fee to WAV Taxicabs, which is set forth in Exhibit 2.

4.2 City Compensation

In consideration of obtaining this Agreement, Contractor shall pay the City a share in its revenues, which is set forth on Exhibit 2. Within 15 days after the conclusion of any month, the Contractor shall pay the City such sum for that month, and, along with the payment, provide a statement supporting the calculation of such payment, along with such documentation substantiating the calculation of such payment as the Commissioner reasonably requests. Within 30 days after the conclusion of any year, if requested by the City, the Contractor must provide, at no expense to the City, an audit from an accounting firm reasonably acceptable to the City, corroborating the Contractor's calculations of the fees due to the City in that year based upon an examination of its books and records.

4.3 No City Liability

Contractor waives any claims that it may have against the City during the term of this Agreement for consequential, indirect, and punitive damages, including damages for lost profits.

ARTICLE 5. INTENTIONALLY OMITTED.

ARTICLE 6. COMPLIANCE WITH ALL LAWS

6.1 Compliance with All Laws Generally

(a) Contractor must observe and comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later and whether or not they appear in this Agreement, including those set forth in this Article 6, and Contractor must pay all taxes and obtain all licenses, certificates and other authorizations required by them. Contractor must require all Subcontractors to do so, also. Further, Contractor must execute an Economic Disclosure Statement and Affidavit ("**EDS**") in the form attached to this Agreement as Exhibit 4. Notwithstanding acceptance by the City of the EDS, Contractor's failure in the EDS to include all information required under the Municipal Code renders this Agreement voidable at the option of the City. Contractor must promptly update its EDS(s) on file with the City whenever any information or response provided in the EDS(s) is no longer complete and accurate. Contractor agrees that Contractor's failure to maintain current throughout the term and any extensions of the term, the disclosures and information pertaining to ineligibility to do business with the City under Chapter 1-23 of the Municipal Code, as such is required under Sec. 2-154-020, shall constitute an event of default.

(b) Notwithstanding anything in this Agreement to the contrary, references to a statute or law are considered to be a reference to (i) the statute or law as it may be amended from time to time; (ii) all regulations and rules pertaining to or promulgated pursuant to the statute or law; and (iii) all future statutes, laws, regulations, rules and executive orders pertaining to the same or similar subject matter.

6.2 Nondiscrimination

Contractor must comply with applicable federal, state, and local laws and related regulations prohibiting discrimination against individuals and groups. If this Agreement is federally funded in whole or in part, additional provisions related to nondiscrimination may be set forth in Exhibit 8.

(i) Federal Requirements

Contractor must not engage in unlawful employment practices, such as (1) failing or refusing to hire or discharging any individual, or otherwise discriminating against any individual with respect to compensation or the terms, conditions, or privileges of the individual's employment, because of the individual's race, color, religion, sex, age, disability or national origin; or (2) limiting, segregating or classifying Contractor's employees or applicants for employment in any way that would deprive or tend to deprive any individual of employment opportunities or otherwise adversely affect the individual's status as an employee, because of the individual's race, color, religion, sex, age, handicap/disability or

national origin.

Contractor must comply with, and the procedures Contractor utilizes and the Services Contractor provides under this Agreement must comply with, the Civil Rights Act of 1964, 42 U.S.C. sec. 2000e *et seq.* (1981), as amended and the Civil Rights Act of 1991, P.L. 102-166. Order No. 12086, 43 Fed. Reg. 46,501 (1978); Age Discrimination Act, 42 U.S.C. §§ 6101-6106 (1981); Age Discrimination in Employment Act, 29 U.S.C. §§621-34; Rehabilitation Act of 1973, 29 U.S.C. §§ 793-794 (1981); Americans with Disabilities Act, 42 U.S.C. §12101 *et seq.*; 41 C.F.R. Part 60 *et seq.* (1990); and all other applicable federal statutes, regulations and other laws.

Admin. Code § 750 Appendix A. Furthermore, Contractor must comply with the Public Works Employment Discrimination Act, 775 ILCS 10/0.01 *et seq.* (1990), as amended, and all other applicable state statutes, regulations and other laws.

(iii) **City Requirements**

Contractor must comply with, and the procedures Contractor utilizes and the Services Contractor provides under this Agreement must comply with, the Chicago Human Rights Ordinance, ch. 2-160, Section 2-160-010 *et seq.* of the Municipal Code of Chicago (1990), as amended, and all other applicable City ordinances and rules.

(b) **Subcontractors**

Contractor must incorporate all of this Section 6.2 by reference in all agreements entered into with any suppliers of materials, furnisher of services, Subcontractors of any tier, and labor organizations that furnish skilled, unskilled and craft union skilled labor, or that may provide any such materials, labor or services in connection with this Agreement. Further, Contractor must furnish and must cause each of its Subcontractor(s) to furnish such reports and information as requested by the federal, state, and local agencies charged with enforcing such laws and regulations, including the Chicago Commission on Human Relations.

6.3 Inspector General

It is the duty of any bidder, proposer or Contractor, all Subcontractors, every applicant for

certification of eligibility for a City contract or program, and all officers, directors, agents, partners and employees of any bidder, proposer, Contractor, Subcontractor or such applicant to cooperate with the Legislative Inspector General or the Inspector General in any investigation or hearing, if applicable, undertaken pursuant to Chapters 2-55 or 2-56, respectively, of the Municipal Code. Contractor understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code. All subcontracts must inform Subcontractors of the provision and require understanding and compliance with it.

6.4 MacBride Ordinance

The City of Chicago through the passage of the MacBride Principles Ordinance seeks to promote fair and equal employment opportunities and labor practices for religious minorities in Northern Ireland and provide a better working environment for all citizens in Northern Ireland.

In accordance with Section 2-92-580 of the Municipal Code of the City of Chicago, if Contractor conducts any business operations in Northern Ireland, the Contractor must make all reasonable and good faith efforts to conduct any business operations in Northern Ireland in accordance with the MacBride Principles for Northern Ireland as defined in Illinois Public Act 85-1390 (1988 Ill. Laws 3220).

The provisions of this Section 6.4 do not apply to contracts for which the City receives funds administered by the United States Department of Transportation, except to the extent Congress has directed that the Department of Transportation not withhold funds from states and localities that choose to implement selective purchasing policies based on agreement to comply with the MacBride Principles for Northern Ireland, or to the extent that such funds are not otherwise withheld by the Department of Transportation.

6.5 Business Relationships with Elected Officials

Pursuant to § 2-156-030(b) of the Municipal Code , it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected official has a business relationship, or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a business relationship. **Violation of Section 2-156-030(b) by any elected official with respect to this Agreement is grounds for termination of this Agreement.** The term business relationship is defined as set forth in § 2-156-080 of the Municipal Code.

Section 2-156-080 defines a "**business relationship**" as any contractual or other private business dealing of an official, or his or her spouse, or of any entity in which an official or his or her spouse has a financial interest, with a person or entity which entitles an official to compensation or payment in the amount of $2,500 or more in a calendar year; provided, however, a financial interest shall not include: (i) any ownership through purchase at fair market value or inheritance of less than

one percent of the share of a corporation, or any corporate subsidiary, parent or affiliate thereof, regardless of the value of or dividends on such shares, if such shares are registered on a securities exchange pursuant to the Securities Exchange Act of 1934, as amended; (ii) the authorized compensation paid to an official or employee for his office or employment; (iii) any economic benefit provided equally to all residents of the City; (iv) a time or demand deposit in a financial institution; or (v) an endowment or insurance policy or annuity contract purchased from an insurance company. A contractual or other private business dealing" shall not include any employment relationship of an official's spouse with an entity when such spouse has no discretion concerning or input relating to the relationship between that entity and the City.

6.6 Chicago "Living Wage" Ordinance

(a) Section 2-92-610 of the Municipal Code provides for a living wage for certain categories of workers employed in the performance of City contracts, specifically non-City employed security guards, parking attendants, day laborers, home and health care workers, cashiers, elevator operators, custodial workers and clerical workers ("**Covered Employees**"). Accordingly, pursuant to Section 2-92-610 and regulations promulgated under it:

(i) If Contractor has 25 or more full-time employees, and

(ii) If at any time during the performance of this Agreement, Contractor and/or any Subcontractor or any other entity that provides any portion of the Services (collectively "**Performing Parties**") uses 25 or more full-time security guards, or any number of other full-time Covered Employees, then

(iii) Contractor must pay its Covered Employees, and must ensure that all other Performing Parties pay their Covered Employees, not less than the minimum hourly rate as determined in accordance with this provision (the "**Base Wage**") for all Services performed under this Agreement.

(b) Contractor's obligation to pay, and to ensure payment of, the Base Wage will begin at any time during the term of this Agreement when the conditions set forth in (a)(i) and (a)(ii) above are met, and will continue until the end of the term of this Agreement.

(c) As of July 1, 2011, the Base Wage is $11.18 per hour, and each July 1 thereafter, the Base Wage will be adjusted using the most recent federal poverty guidelines for a family of four as published annually by the U.S. Department of Health and Human Services, to constitute the following: the poverty guidelines for a family of four divided by 2000 hours or the current base wage, whichever is higher. The currently applicable Base Wage is available from the Department of Procurement Services. At all times during the term of this Agreement, Contractor and all other Performing Parties must pay the Base Wage (as adjusted in accordance with the above). If the payment of prevailing wages is required for Services done under this Agreement, and the prevailing wages for Covered Employees are higher than the Base Wage, then Contractor and all other

Performing Parties must pay the prevailing wage rates.

(d) Contractor must include provisions in all subcontracts requiring its Subcontractors to pay the Base Wage to Covered Employees. Contractor agrees to provide the City with documentation acceptable to the Commissioner demonstrating that all Covered Employees, whether employed by Contractor or by a Subcontractor, have been paid the Base Wage, upon the City's request for such documentation. The City may independently audit Contractor and/or Subcontractors to verify compliance with this section. Failure to comply with the requirements of this section will be an event of default under this Agreement, and further, failure to comply may result in incligibility for any award of a City contract or subcontract for up to 3 years.

(e) Not-for-Profit Corporations: If Contractor is a corporation having federal tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and is recognized under Illinois not-for-profit law, then the provisions of subsections (a) through (d) above do not apply.

6.7 Environmental Warranties and Representations

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Contractor warrants and represents that it, and to the best of its knowledge, its subcontractors have not violated and are not in violation of the following sections of the Code (collectively, the Waste Sections):

7-28-390 Dumping on public way;
7-28-440 Dumping on real estate without permit;
11-4-1410 Disposal in waters prohibited;
11-4-1420 Ballast tank, bilge tank or other discharge;
11-4-1450 Gas manufacturing residue;
11-4-1500 Treatment and disposal of solid or liquid waste;
11-4-1530 Compliance with rules and regulations required;
11-4-1550 Operational requirements; and
11-4-1560 Screening requirements.

During the period while this Agreement is executory, Contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole discretion of the Commissioner. Such breach and default entitles the City to all remedies under the Agreement, at law or in equity.

This section does not limit Contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement.

Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect Contractor's eligibility for future contract

awards.

6.8 Prohibition on Certain Contributions

Contractor agrees that Contractor, any person or entity who directly or indirectly has an ownership or beneficial interest in Contractor of more than 7.5 percent ("**Owners**"), spouses and domestic partners of such Owners, Contractor's subcontractors, any person or entity who directly or indirectly has an ownership or beneficial interest in any subcontractor of more than 7.5 percent ("**Sub-owners**") and spouses and domestic partners of such Sub-owners (Contractor and all the other preceding classes of persons and entities are together, the "**Identified Parties**"), shall not make a contribution of any amount to the Mayor of the City of Chicago ("**Mayor**") or to his political fundraising committee (i) after execution of this Agreement by Contractor, (ii) while this Agreement or any Other Contract is executory, (iii) during the term of this Agreement or any Other Contract between Contractor and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Contractor represents and warrants that since the date of public advertisement of the specification, request for qualifications, request for proposals or request for information (or any combination of those requests) or, if not competitively procured, from the date the City approached Contractor or the date Contractor approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Contractor agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Contractor agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Contractor agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Contractor violates this provision or Mayoral Executive Order No. 2011-4 prior to award of the Agreement resulting from this specification, the Commissioner may reject Contractor's bid.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source which are then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Contractor is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the city council.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

(A) they are each other's sole domestic partner, responsible for each other's common welfare; and
(B) neither party is married, as marriage is defined under Illinois law; and
(C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
(D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
(E) two of the following four conditions exist for the partners:
    1. The partners have been residing together for at least 12 months.
    2. The partners have common or joint ownership of a residence.
    3. The partners have at least two of the following arrangements:
        a. joint ownership of a motor vehicle;
        b. a joint credit account;
        c. a joint checking account;
        d. a lease for a residence identifying both domestic partners as tenants.
    4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal code of Chicago, as amended."

6.9 Firms Owned or Operated by Individuals with Disabilities

The City encourages Contractors to use Subcontractors that are firms owned or operated by individuals with disabilities, as defined by Section 2-92-586 of the Municipal Code of the City of Chicago, where not otherwise prohibited by federal or state law.

6. 10 Ineligibility to do Business with City.

Failure by the Contractor or any Controlling Person (defined in Section 1-23-010 of the Municipal Code) thereof to maintain eligibility to do business with the City in violation of Section 1-23-030 of the Municipal Code shall render this Contract voidable or subject to termination, at the option of the Commissioner. Contractor agrees that Contractor's failure to maintain eligibility (or failure by Controlling Persons to maintain eligibility) to do business with the City in violation of Section 1-23-030 of the Municipal Code shall constitute an event of default.

6.11 Deemed Inclusion

Provisions required by law, ordinances, rules, regulations, or executive orders to be inserted in this Agreement are deemed inserted in this Agreement whether or not they appear in this Agreement or, upon application by either party, this Agreement will be amended to make the insertion; however, in no event will the failure to insert the provisions before or after this Agreement is signed prevent its enforcement.

ARTICLE 7. SPECIAL CONDITIONS

7.1 Warranties and Representations

"Affiliate of Contractor"means a person or entity that directly (or indirectly through one or more intermediaries) controls, is controlled by or is under common control with Contractor. A person or entity will be deemed to be controlled by another person or entity if it is controlled in any manner whatsoever that results in control in fact by that other person or entity (either acting individually or acting jointly or in concert with others) whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

7.2 Ethics

(a) In addition to the foregoing warranties and representations, Contractor warrants:

7.4 Business Documents

At the request of the City, Contractor must provide copies of its latest articles of incorporation, by-laws and resolutions, or partnership or joint venture agreement, as applicable.

7.5 Conflicts of Interest

(a) No member of the governing body of the City or other unit of government and no other officer, employee or agent of the City or other unit of government who exercises any functions or responsibilities in connection with the Services to which this Agreement pertains is permitted to have any personal interest, direct or indirect, in this Agreement. No member of or delegate to the Congress of the United States or the Illinois General Assembly and no alderman of the City or City employee is allowed to be admitted to any share or part of this Agreement or to any financial benefit to arise from it.

(b) Contractor represents that it, and to the best of its knowledge, its Subcontractors if any (Contractor and Subcontractors will be collectively referred to in this Section 7.5 as "**Consulting Parties**"), presently have no direct or indirect interest and will not acquire any direct or indirect interest in any project or contract that would conflict in any manner or degree with the performance of its Services under this Agreement.

(c) Upon the request of the City, Consulting Parties must disclose to the City their past client lists and the names of any clients with whom they have an ongoing relationship. Consulting Parties are not permitted to perform any Services for the City on applications or other documents submitted to the City by any of Consulting Parties' past or present clients. If Consulting Parties become aware of a conflict, they must immediately stop work on the assignment causing the conflict and notify the City.

(d) Without limiting the foregoing, if the Consulting Parties assist the City in

7.7 EDS / Certification Regarding Suspension and Debarment

Contractor certifies, as further evidenced in the EDS attached as Exhibit 4, by its acceptance of this Agreement that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this transaction by any federal department or agency. If Contractor or any lower tier participant is unable to certify to this statement, it must attach an explanation to the Agreement.

ARTICLE 8. EVENTS OF DEFAULT, REMEDIES, TERMINATION,

SUSPENSION AND RIGHT TO OFFSET

8.1 Events of Default Defined

The following constitute events of default:

(a) Any material misrepresentation, whether negligent or willful and whether in the inducement or in the performance, made by Contractor to the City.

(b) Contractor's material failure to perform any of its obligations under this Agreement including the following:

(i) Failure to perform the Services with sufficient personnel and equipment or with sufficient material to ensure the timely performance of the Services;

(ii) Failure to have and maintain all professional licenses required by law to perform the Services;

(iii) Failure to timely perform the Services;

(iv) Failure to perform the Services in a manner reasonably satisfactory to the Commissioner or inability to perform the Services satisfactorily as a result of insolvency, filing for bankruptcy or assignment for the benefit of creditors;

(v) Failure to promptly re-perform, as required, within a reasonable time and at no cost to the City, Services that are rejected as erroneous or unsatisfactory;

(vi) Discontinuance of the Services for reasons within Contractor's reasonable control;

(vii) Failure to comply with Section 6.1 in the performance of the Agreement;

(viii) Failure promptly to update EDS(s) furnished in connection with this Agreement when the information or responses contained in it or them is no longer complete or accurate;

(ix) Failure to comply with any other material term of this Agreement, including the provisions concerning insurance and nondiscrimination; and

(x) Any other acts specifically stated in this Agreement as constituting an act of default.

(c) Any change in ownership or control of Contractor without the prior written approval of the Commissioner (when such prior approval is permissible by law), which approval the Commissioner will not unreasonably withhold.

(d) Contractor's default under any other agreement it may presently have or may enter into with the City for the duration of this Agreement. Contractor acknowledges that in the event of a default under this Agreement the City may also declare a default under any such other agreements.

(e) Contractor's violation of City ordinance(s) unrelated to performance under the Agreement such that, in the opinion of the Commissioner, it indicates a willful or reckless disregard for City laws and regulations.

8.2 Remedies

(a) Notices. The occurrence of any event of default permits the City, at the City's sole option, to declare Contractor in default. The Commissioner may in her sole discretion give Contractor an opportunity to cure the default within a certain period of time, which period of time must not exceed 30 days unless extended by the Commissioner. Whether to declare Contractor in default is within the sole discretion of the Commissioner and neither that decision nor the factual basis for it is subject to review or challenge under the Disputes provision of this Agreement.

The Commissioner will give Contractor written notice of the default, either in the form of a cure notice ("**Cure Notice**"), or, if no opportunity to cure will be granted, a default notice ("**Default Notice**"). If the Commissioner gives a Default Notice, she will also indicate any present intent he may have to terminate this Agreement, and the decision to terminate is final and effective upon giving the notice. If the Commissioner decides not to terminate, this decision will not preclude her from later deciding to terminate the Agreement in a later notice, which will be final and effective upon the giving of the notice or on the date set forth in the notice, whichever is later. The Commissioner may give a Default Notice if Contractor fails to effect a cure within the cure period given in a Cure Notice. When a Default Notice with intent to terminate is given as provided in this Section 8.2 and Article 10, Contractor must discontinue any Services, unless otherwise directed in the notice, and deliver all materials accumulated in the performance of this Agreement, whether completed or in the process, to the City.

(b) Exercise of Remedies. After giving a Default Notice, the City may invoke any or all of the following remedies:

(i) The right to take over and complete the Services, or any part of them, at Contractor's expense and as agent for Contractor, either directly or through others, and bill Contractor for the cost of the Services.

(ii) The right to terminate this Agreement as to any or all of the Services yet to be performed effective at a time specified by the City;

(iii) The right of specific performance, an injunction or any other appropriate equitable remedy;

(iv) The right to money damages;

(v) The right to deem Contractor non-responsible in future contracts to be awarded by the City;

(vi) The right to declare default on any other contract or agreement Contractor may have with the City.

(c) City's Reservation of Rights. If the Commissioner considers it to be in the City's best interests, she may elect not to declare default or to terminate this Agreement. The parties acknowledge that this provision is solely for the benefit of the City and that if the City permits Contractor to continue to provide the Services despite one or more events of default, Contractor is in no way relieved of any of its responsibilities, duties or obligations under this Agreement, nor does the City waive or relinquish any of its rights.

(d) Non-Exclusivity of Remedies. The remedies under the terms of this Agreement are not intended to be exclusive of any other remedies provided, but each and every such remedy is cumulative and is in addition to any other remedies, existing now or later, at law, in equity or by statute. No delay or omission to exercise any right or power accruing upon any event of default impairs any such right or power, nor is it a waiver of any event of default nor acquiescence in it, and every such right and power may be exercised from time to time and as often as the City considers expedient.

8.3 Early Termination

(a) In addition to termination under Sections 8.1 and 8.2 of this Agreement, the City may terminate this Agreement, or all or any portion of the Services to be performed under it, at any time by a notice in writing from the City to Contractor. The City will give notice to Contractor in accordance with the provisions of Article 10. The effective date of termination will be the date the notice is received by Contractor or the date stated in the notice, whichever is later. If the City elects to terminate this Agreement in full, all Services to be provided under it must cease and all materials that may have been accumulated in performing this Agreement, whether completed or in the process, must be delivered to the City effective 10 days after the date the notice is considered received as provided under Article 10 of this Agreement (if no date is given) or upon the effective date stated in the notice.

(b) After the notice is received, Contractor must restrict its activities, and those of its Subcontractors, to winding down any reports, analyses, or other activities previously begun. No costs incurred after the effective date of the termination are allowed.

(c) Contractor must include in its contracts with Subcontractors an early termination provision in form and substance equivalent to this early termination provision to prevent claims against the City arising from termination of subcontracts after the early termination.

(d) If the City's election to terminate this Agreement for default under Sections 8.1 and 8.2 is determined in a court of competent jurisdiction to have been wrongful, then in that case the termination is to be considered to be an early termination under this Section 8.3.

8.4 Suspension

The City may at any time request that Contractor suspend its Services, or any part of them, by giving 15 days prior written notice to Contractor or upon informal oral, or even no notice, in the event of emergency. Contractor must promptly resume its performance of the Services under the same terms and conditions as stated in this Agreement upon written notice by the Commissioner and such equitable extension of time as may be mutually agreed upon by the Commissioner and Contractor when necessary for continuation or completion of Services. Any additional costs or expenses actually incurred by Contractor as a result of recommencing the Services must be treated in accordance with the compensation provisions under Article 4 of this Agreement.

No suspension of this Agreement is permitted in the aggregate to exceed a period of 45 days within any one year of this Agreement. If the total number of days of suspension exceeds 45 days, Contractor by written notice to the City may treat the suspension as an early termination of this Agreement under Section 8.3.

Contractor acknowledges that Contractor was given ample opportunity and time and was requested by the City to review thoroughly all documents forming this Agreement before signing this Agreement in order that it might request inclusion in this Agreement of any statement, representation, promise or provision that it desired or on that it wished to place reliance. Contractor did so review those documents, and either every such statement, representation, promise or provision has been included in this Agreement or else, if omitted, Contractor relinquishes the benefit of any such omitted statement, representation, promise or provision and is willing to perform this Agreement in its entirety without claiming reliance on it or making any other claim on account of its omission.

In no event is approval permitted to apply retroactively to a date before the approval was requested.

9.4 Governing Law and Jurisdiction

This Agreement is governed as to performance and interpretation in accordance with the laws of the State of Illinois.

Contractor irrevocably submits itself to the original jurisdiction of those courts located within the County of Cook, State of Illinois, with regard to any controversy arising out of, relating to, or in any way concerning the execution or performance of this Agreement. If any provision of this Agreement is held or deemed to be or is in fact invalid, illegal, inoperative or unenforceable as applied in any particular case in any jurisdiction or in all cases because it conflicts with any other provision or provisions of this Agreement or of any constitution, statute, ordinance, rule of law or public policy, or for any other reason, those circumstances do not have the effect of rendering the provision in question invalid, illegal, inoperative or unenforceable in any other case or circumstances, or of rendering any other provision or provisions in this Agreement invalid, illegal, inoperative or unenforceable to any extent whatsoever. The invalidity, illegality, inoperativeness or unenforceability of any one or more phrases, sentences, clauses or sections in this Agreement does not affect the remaining portions of this Agreement or any part of it.

Nothing in this Agreement authorizes the waiver of a requirement or condition contrary to law or ordinance or that would result in or promote the violation of any federal, state or local law or ordinance.

Whenever under this Agreement the City by a proper authority waives Contractor's performance in any respect or waives a requirement or condition to either the City's or Contractor's performance, the waiver so granted, whether express or implied, only applies to the particular instance and is not a waiver forever or for subsequent instances of the performance, requirement or condition. No such waiver is a modification of this Agreement regardless of the number of times the City may have waived the performance, requirement or condition. Such waivers must be provided to Contractor in writing.

9.9 Independent Contractor

(a) This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize a joint venture, partnership, corporation or other formal business association or organization of any kind between Contractor and the City. The rights and the obligations of the parties are only those set forth in this Agreement. Contractor must perform under this Agreement as an independent contractor and not as a representative, employee, agent, or partner of the City.

Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Contractor is aware that City policy prohibits City employees from directing any individual to apply for a position with Contractor, either as an employee or as a subcontractor, and from directing Contractor to hire an individual as an employee or as a subcontractor. Accordingly, Contractor must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Contractor under this Agreement are employees or subcontractors of Contractor, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Contractor.

Open Doors Organization

Open Doors Organization is a disability advocacy 501 (c)(3) non-profit organization based in Chicago, which works in the travel and tourism industry to promote better accessibility for travelers with disabilities. ODO represents that it is the go-to organization worldwide for travel and tourism accessibility. The organization further represents that it has been leading the way in every aspect of disability advocacy, from changing national laws to helping corporations increase accessibility and market to customers with disabilities; works as a liaison between customers and service providers in the travel, transportation and tourism; has been intimately involved in the taxi industry for the last decade; and, played a major role in developing the original Centralized Dispatch. ODO purports that it therefore understands what the endeavor involves and how it should be run to maximize driver and customer satisfaction.

Driven Solutions, LLC

Open Doors Organization will subcontract to Chicago-based technology development company Driven Solutions, LLC to provide the technological innovation necessary to create a progressive Dispatch system that fully meets the requirements of this Agreement. ODO represents that Driven Solutions has adapted ground breaking, GPS-based technology to provide streamlined and convenient taxicab dispatch service to people with disabilities. Driven Solutions' business philosophy on implementing this important service is rooted in three critical tenets: 1) everyone, regardless of race, income, location or ability, should have access to fast, safe and affordable transportation; 2) public chauffeurs should have access to technology that will help increase their income and improve their job satisfaction; and 3) this is best achieved through a public-private partnership between the City of Chicago and the purveyors of leading-edge technology in the private sector.

Introduction

Contractor shall perform the Services in a manner that will better serve people with disabilities and will incentivize WAV drivers, affiliates and medallion owners to actively participate in the WAV Taxicab Centralized Dispatch Service.

By increasing incentives to drivers who respond quickly and serve their customers well, and by disciplining drivers who ignore their responsibilities, a system of better, more efficient, more accountable, technology-oriented service in Chicago can be created.

ODO represents that with its nearly 13 years of experience in the field of accessible travel and transportation, it is the highly qualified, deeply knowledgeable choice to ensure that people with disabilities are well-served.

Drivers will be able to process TAP vouchers (issued by the RTA and PACE to eligible people with a disability for transportation payment) and ODO will track compliance by drivers in

responding to requests for WAV dispatch.

Contractor will implement extensive automated data tracking and GPS location data regarding WAV taxicabs. In addition, ODO will provide the City data on use of the "short lane" at the airports by those drivers that receive "short lane" vouchers as an incentive. Contractor will form a WAV Committee, which will meet quarterly, with drivers, people with a disability, and government officials, to continue to improve dispatch services to people who use wheelchairs.

Implementation Plan

Contractor's implementation plan aims to improve accessibility, efficiency, accuracy, speed, accountability and revenue in the centralized WAV dispatch.

The WAV Taxicab Centralized Dispatch Service, with the exception of integration directly into the taxicab meters, will be operational by May 1, 2013. Prior to that date, Contractor will pilot the program with a small number of WAV taxicabs and drivers. All associated design, programming, and fixes will be completed by May 1, 2013.

Plan for Accountability and Training of Drivers

Because the key to dispatch is having the drivers respond to the dispatch call, Contractor shall use a combination of driver incentives to assure response to dispatch calls for WAV taxicabs.

1. **Accountability**

Total Quality Score (TQS): Driven Solutions' Snag technology has developed and will implement a system for deriving a composite WAV performance score. The score will be continually tabulated in real time and each data point will be weighted according to its importance to the efficient and timely dispatch of WAV taxicabs. The score will be based upon the following criteria:

i. Percentage of WAV taxicabs operating;
ii. Percentage of WAV taxicab dispatch calls completed and not completed;
iii. Average WAV taxicab arrival times
iv. Average distance traveled to pick up passengers
v. Descriptive data on all complaints, comments, and inquiries received

Drivers will be ranked by their TQS, which data will be available to the City to aid its assessment of the WAV drivers nominated for the annual WAV taxicab driver award pursuant to 9-112-575.

Refusal to accept WAV dispatch, bad customer service, or late arrival will be progressively disciplined, from mandating classes to notifying WAV owners that the driver should not be driving a WAV taxicab as they are not using the WAV taxicab to pick up customers who use wheelchairs. All disciplinary actions will be forwarded to the City for entry into the drivers' files.

Commitment to serve community members with a disability and excellent customer service will be progressively awarded, including awards of vouchers for use at the airports allowing the drivers access to immediate dispatch to the terminals without wait (commonly referred to as the "short" or "fast" lane at the airports) and gift cards (for food and/or gas).

2. Training

Training is essential to the success of this program. A well-trained WAV taxicab driver will result in improved customer service for people with a disability and higher incomes for a driver.

ODO has created and will implement a full-day curriculum which covers: an overview of the laws and regulations that govern taxicab drivers; the definition and different types of disabilities; common courtesies and appropriate language; service animals; how to improve revenues by serving community members with a disability, and customer service skills for working with any type of disability, including blindness, deafness, and mobility limitations.

Customer Assurances

Snag technology will improve the Centralized WAV Dispatch by ensuring passengers get the right kind of transportation as quickly as possible. Technology will allow passenger and driver to communicate to verify pick-up times and locations. Snag Tek will install Android devices in all WAV taxicab by May 1, 2013.
All technology will be hands free and include text to speech for safe use by driver.

The Snag application provides map-based visuals of the taxicab location while en route to the passenger, so that he or she knows the cab is coming, and allows customers to choose whether a non-WAV taxicab will be suitable. The technology will also allow the customer to specify a preference for a particular type of WAV – such as a van, CNG, or hybrid.

Snag can schedule rides up to two days in advance and has implemented an innovation feature to ensure accuracy: if the call is more than 24 hours in advance of pick-up, Snag will identify the primary driver for the fare and a secondary driver who will assume the fare should the primary driver forget or neglect the fare. The Snag application also sends reminders to drivers for advance scheduled rides.

Customers may call (800) WAV_TAXI on a 24-hour-per-day basis seven days a week.

Accessibility for Customers

Integration with phone voice controls: All Snag notifications can be translated into voice for

people with a visual disability by integrating with smart phone voice control features.

Text-based dispatch and arrival alerts: Snag provides options for text dispatch for people with a communication disability. Text and vibration alerts keep passengers informed on location and arrival of their taxicab.

Multiple arrival alerts: Snag sends multiple arrival alerts to several phone numbers, should a person with a disability rely on a doorman, relative or attendant to assist them to the taxicab.

Staffing and Management

a. Management

ODO Executive Director Eric Lipp, an experienced organizational leader and expert in the field transportation for people with a disability, will manage dispatch staff and operations.

Finance & Reporting: ODO staff trained in financial auditing and reporting will be the City's point of contact for reports and transfers of revenue shares.

WAV Training: Laurel Van Horn,. ODO Program and Research Director, an experienced trainer, will oversee America's most extensive and progressive WAV taxicab training program.

b. ODO Staff

The following are minimum staffing levels to be provided by Contractor. Contractor will provide such additional staffing, beyond the minimum levels contained herein, as necessary at its sole cost and expense, to perform the Services to the level required in this Agreement.

Dispatchers: ODO will employ six full-time Dispatchers, who will cover three 8 ½ hour shifts (two per shift) for 24-hour coverage.
Two part-time dispatchers will relieve night shift workers and support peak travel periods during holidays and special events. A Dispatch Manager will oversee the dispatchers and dispatch calls.

The Dispatcher position, which requires extensive customer services abilities, involves taking requests from customers with disabilities, ensuring that drivers meet customer needs, logging complaints and commendations, tracking driver statistics, and assisting the Dispatch Manager in ensuring that all record keeping is accurate. The company benefit package, including health insurance and compensation, depends on experience, but will begin at $10.0 per hour.

The Dispatch Manager will supervise all dispatching and administrative functions of the WAV Taxicab Centralized Dispatch Service, including: acting as a liaison and resolving any issues that

may arise between dispatchers and customers or drivers; scheduling shifts; providing leadership during the start-up and transition periods; and participating in the hiring and termination process.

ODO overflow staffing: From 9am to 5pm, in addition to the two dispatchers on duty as stated above, three ODO employees will be available for back up and clerical work, such as managing complaints or administrative duties.

In addition to its partnership with Driven Solutions, a minority-owned business, ODO will leverage its connections with Access Living and Rehabilitation Institute of Chicago to employ people of color who have disabilities so that its workforce is comprised of +at least 25% historically disadvantaged people.

c. Driven Solutions Staff

Technology Backend Supervisor: will manage all components of backend technology including servers, application development and troubleshooting.

WAV Data Center Coordinator: will compile, organize and externalize data for reporting to the city and tracking performance.

Application Administrator: will troubleshoot bugs in app, implement new features, integrate with other programs and software and marketing app online.

Hardware Technician: will ensure all hardware and equipment is installed properly and operable at all times.

d. Experienced Dispatch Consultant

Shoib Hasan, president and CEO of Globe Taxi Association, will support ODO/Driven Solutions through the transition from traditional dispatch to data, mobile application direct dispatch. His 30 years of experience as a driver, owner and affiliation dispatch professional will be critical to the program's initial success.

Technology

a. Driven Solutions

Driven Solution's Snag technology is founded on business policies and procedures that honor all stakeholders, including drivers, government officials, passengers and medallion owners and affiliations. Driven Solutions will do the following:

1. Beta test everything: Snag beta tests all new technology developments in two ways: 1) submitting new developments to technical tests, and 2) then, submitting them to tests by users to ensure ease of use for the end user.
2. Keep accurate records: It is Driven Solutions' policy to automatically update, backup and externalize data every 12 hours to ensure the integrity of our records. Long-term and real time data will be accessible to the City at all times via the online WAV Data Center. Snag staff is also dedicated to running special data reports periodically and upon special request.
3. Verify and confirm service completion: Driven Solutions' commitment to consumers and to the City of Chicago is not just to connect passengers to cabs, but also to support the sale and complete the service. Therefore, a transaction is not closed until Snag can verify: 1) that a passenger was picked up within 30 minutes, in the right kind of vehicle, or 2) that the fare was canceled by the passenger or neglected by the driver.
4. Respond to all requests and complaints: Snag has staff dedicated to processing and responding to input from all stakeholders. No inquiry goes unanswered. Snag achieves this in two ways: 1) by performing a system-wide diagnosis for bugs identified by users; 2) by then responding to all input with a written explanation or fix for the inquiry.
5. Integrate with industry: It is Snag's policy to comply with all rules and regulations that govern the Chicago taxicab industry and to adopt business practices that enhance and augment the economic viability of the taxicab industry. Snag is the industry's technical support, not its competitor.
6. Track and locate: By integrating its application to operate with existing meters that are already approved for accuracy of meter on/off activity tracking, Snag can confirm the ability to maintain 99% accurate meter operation tracking. Snag GPS technology can locate WAV taxicabs in real time within a 200-foot tolerance.

b. Equipment in Hospitals and Medical Centers

Technology such as iPads or iPad Minis will be installed in hospitals, medical centers, and other key areas such as dialysis centers and hotels. Installation will be ongoing, beginning July 1, 2013 with a pilot program. A minimum of one hundred (100) devices will be installed throughout the city by October 31, 2013. Exact location of the devices will be determined by forecasted community demand and will adjust based on usage.

Community Outreach

A critical strength of the proposal is ODO's relationship and credibility with the disability community.

c. WAV Advisory Committee

The committee will assist in beta tests of new Snag app features and guide the actions and strategy of the WAV Taxicab Centralized Dispatch Service and training programs. The WAV Advisory Committee will be comprised of members from all stakeholder groups, including

drivers, owners, community activists and government officials. The committee will convene quarterly.

d. Workshops

Several workshops will allow individuals to experience the WAV Taxicab Centralized Dispatch Service's offerings in person. ODO will hold forums throughout the city to inform the community about the WAV Taxicab Centralized Dispatch Service. ODO will also participate in the consumer education series with the Mayor's Office for People with Disabilities at the Access Chicago event.

e. Social Media

The disability community is tech savvy. Through Facebook, Twitter, Instagram and other social media sites, ODO/Driven Solutions will build an online community where ideas, complaints and connections are facilitated to help improve WAV service in Chicago and make it fun for users.

f. Post on Applevis

Applevis.com empowers users of Apple products and related applications who are blind are have low-vision. By listing the Snag app for open integration on Applevis, it will become easily accessible to thousands of people with visual disabilities.

g. Live phone calls

ODO/Driven Solutions will acquire phone numbers of known WAV and TAP users and execute phone banking to communicate with individuals one-on-one. A prepared script will inform targeted individuals about the WAV Taxicab Centralized Dispatch Service. When necessary, customer support will call and provide individuals with smart phones one-on-one instruction for downloading the Snag app.

Public Relations

ODO/Driven Solutions will engage the press to garner earned media exposure on television, in print, online, on the radio and especially in publications targeted at the disability community.

A. Operations Space: The Leased Space includes the exclusive use of approximately 27,597 square feet of warehouse space identified in Exhibit A. Operations Space is to be used for the operation of the perishable goods center, including office and related uses.

B. Storage Space: The Leased Space includes the exclusive use of the Storage Space, if any, identified in Exhibit A. Storage Space is to be used to store inventory and supplies for use in the Operations Space.

C. Additional Office Space: The Leased Space includes the exclusive use of approximately 1200 square feet of additional office space identified in Exhibit A. The Office Space is to be used by Tenant for administrative activity and services.

D. Airside Space: Includes the non-exclusive use of the tarmac and ramps for parking, loading, and unloading of air crafting servicing the Premises.

E. Landside Space: Includes the exclusive use of a designated portion of the surface parking lot adjacent to the Building for parking of vehicles, including trucks and trailers, as Exhibit A. To the extent that a designated portion of the designated surface parking lot is specifically being used for the parking of fumigation trailers, if such fumigation trailers are no longer being parked in that designated area, that designated area will no longer be included as a part of Tenant's Landside Space and such designated parking lot area will revert to the City.

F. Basement and Mezzanine Office Space: Includes the use of the basement and/or mezzanine space for no additional Rent, provided that Tenant improves the space to make it ADA and code compliant.

Section 2.02 – Priority and Coordination of Use of Airside Space. The City acknowledges that the Tenant's use of the Premises is for the purpose of receiving via aircraft, warehousing and distributing perishable goods and that it is imperative that the arriving aircraft be able to quickly access the Premises to offload perishable cargo. The City will coordinate with the Tenant and any other tenants to develop a comprehensive operational plan for the purpose of coordinating and facilitating the landing and movement of aircraft serving the Premises.

Section 2.03 Relocation Space. The Commissioner may at any time during the Term of the Lease require Tenant to relocate all or a portion of the Leased Space to another location within the Airport and terminate the Lease with respect to the Leased Space being vacated when, in the sole discretion of the Commissioner, the relocation is necessary for Airport purposes unrelated to Tenant's current uses as a warehouse and distribution center for perishable goods and is in the best interest of the City. In such event:

(i) The Commissioner will notify Tenant in writing within a reasonable period of time prior to the relocation of all or part of the Leased Space. Such notice will be not less than 90 days in advance of the relocation, but in any event , notice is not required more than 180 days in advance.

(ii) If the Leased Space is being relocated and the Relocation Space is not, in Tenant's reasonable business judgment, acceptable to Tenant because of its size location or access by aircraft, Tenant may reject the Relocation Space by notifying the Commissioner in writing no later than 15 days after Tenant receives the Commissioner's notice. If Tenant requests the Relocation Space, then the Lease for the affected Leased Space will terminate on the date for the relocation set forth in the Commissioner's notice and all Rents will be adjusted as necessary. Further, if Tenant rejects the Relocation Space, Tenant is entitled to a credit, equal to the unamortized portion of Tenant's actual Improvement Costs, as determined under Exhibit C, and as approved by the Commissioner, for the Leased Space being vacated (but excluding any Improvement Costs for Tenant's personal property or any portion of the Improvements that can be moved and used by Tenant elsewhere), against Rent due and owing to the City from Tenant until the full amount of the credit has been applied against Rent. If Tenant rejects the relocation space, the City is responsible for costs incurred by Tenant in the disassembling and moving of Tenant's cooling units and inventory.

(iii) Except when Tenant rejects Relocation Space pursuant to (ii) above, the City is responsible for costs incurred in the relocation or replication of the

Improvements in the Leased Space being vacated, including the cost of moving Tenant's equipment and inventory and the cost of constructing replacement Improvements comparable to the condition of the improvements in the Leased Space being vacated and as to which this Lease is being terminated and return the portion of the Leased Space in as good or better conditions as existed as of the date that the City gave Tenant possession of the Leased Space being vacated, unless the Commissioner otherwise agrees in writing. The City will endeavor not to require Tenant to move from the Leased Space being vacated to the Relocation Space before work on Improvements in the Relocation Space is completed, but the Leased Space being vacated may be needed for other Airport purposes prior to the completion of Improvements in the Relocation Space. Because the City is replacing Improvements in kind, Tenant is not entitled to any credit for unamortized Improvement Costs for the Leased Space being vacated, and the unamortized Improvement Costs for the Lease Spaced being vacated will deemed to be the unamortized Improvement Costs for the Relocation Space and continue to be amortized on the same schedule as the original Leased Space.

Section 2.04 - Easements and Rights of Entry.

A. Tenant's leasing of the Premises is subject to any and all easements, licenses and other rights of entry with respect to the Premises granted to or vested in any other governmental entities or agencies, such as the FAA or TSA and suppliers and/or owners of utilities that service the Airport, whether now in existence or granted during the term of this Agreement.

B. The City hereby reserves unto itself and other users of the Airport the rights and easements to those areas of the Premises, if any, identified as service roads for ground vehicles, as may be necessary for ground vehicles other than those of Tenant to access the Premises. The City further reserves unto itself the right to relocate such service roads from time to time, all at the City's own cost. City shall use all reasonable efforts to minimize the impact of any such relocation upon Tenant's operations. In the event that such relocation renders a portion of the Premises unusable, the City will delete the square footage of that unusable portion from the calculation of Rent for the period that such portion remains unusable Notwithstanding the foregoing, in the event that any such easements or rights of entry now existing or hereafter granted by the City shall unreasonably interfere with the Tenants use and possession of the Premises, Tenant may by the delivery of written notice to the City, elect to terminate this Lease and the City shall pay Tenant's relocation costs in the same manner as provided In Section 2.03(ii) for the Tenant's rejection of Relocation Space.

C. The City hereby reserves such rights and such easements as may be necessary to enter onto the Premises for the purpose of conducting any operations related to the function of the Airport without such entering causing or constituting a termination of this

Agreement, including, without limitation, the right to do all things necessary to operate and maintain water mains, sewer mains and other utilities that may exist beneath the surface of the Premises and to service any antennas or communications facilities now or hereafter located on the roofs of buildings located on the Premises. (The City shall operate and maintain only its water mains and sewer mains, and assumes no responsibility or liability for the operation or maintenance of any sewer or water laterals within the Premises that are used exclusively by Tenant.) The City, its officers, employees, agents, representatives, contractors, and furnishers of utilities and other services, shall have the right at all reasonable times to enter the Premises for the purpose of inspecting the same, for emergency repairs to utilities systems, and for any other purpose necessary for, incidental to, or connected with the performance of City's obligations hereunder, or in the exercise of its governmental functions.

D. City agrees to use reasonable efforts to not unreasonably interfere, or to cause grantees of easements not to unreasonably interfere, with Tenant's use and possession of the Premises when exercising any of the rights reserved under this Section 2.03.

Section 2.05 - Permitted Uses and Time. Subject to the terms and provisions contained in this Agreement and all applicable rules, regulations, laws, ordinances, codes and orders of any federal, state or local government or subdivision thereof in connection with the conduct of activities by Tenant at the Airport, Tenant is hereby granted a non-exclusive privilege, to operate a perishable goods center for processing and distribution of flowers, fruits, vegetables and other perishable goods and office related functions. Tenant is permitted to operate twenty four (24) hours a day, seven days per week. The Premises shall be used solely for the foregoing purposes and for no other purpose whatsoever, unless otherwise expressly agreed in writing by the Commissioner. Failure to comply with the foregoing shall be an Event of Default under this Agreement.

Section 2.06 - First-Class Operation. The principal purpose of the City entering into this Agreement is for Tenant to operate a perishable goods center for the processing and distribution of flowers, fruits, vegetables and other perishable goods at the Airport. Tenant accordingly agrees to conduct its business in a first-class, clean and sanitary manner in accordance with this Agreement and in compliance with all applicable federal, state and local health codes and other applicable laws, including, but not limited to fumigation, receiving, processing and distribution of its goods. Tenant shall use all commercially reasonable efforts to conduct its perishable center in accordance with the provisions of the Sustainable Airport Manual.

Section 2.07 - Quiet Enjoyment. Subject to the provisions of this Agreement, City covenants that, so long as Tenant performs all of its obligations hereunder, it shall be entitled to and shall have the use and enjoyment of the Premises, and the rights and privileges granted to it hereunder. Tenant shall be entitled to lawfully and quietly occupy and enjoy the Premises during the term of this Agreement, provided Tenant is not in default of any of its obligations under this Agreement.

Section 2.08 - Ingress and Egress. Subject to Airport Rules and Regulations, Tenant shall have the right and privilege (a) of ingress to and egress from the Premises and the public areas of the Airport, for its employees, agents, guests, patrons, and invitees, suppliers of materials, furnishers of service, and its equipment, vehicles, machinery and (b) to provide transportation of its employees to, from, and within the Airport. Tenant shall not block or otherwise obstruct the common use taxiways, taxi lanes or service roads at any time or in any manner which will impair or adversely affect the use or operation of said taxiway, taxi lane or service road areas by City or other Airport users.

Section 2.09 - Present Condition of Premises. Subject to those exceptions explicitly set forth herein and in Sections 5.01B, 6.01 and 7.08, Tenant, by the execution of this Agreement, accepts the Premises "AS IS". Subject to those exceptions explicitly set forth herein and in Sections 5.01B, 6.01 and 7.08, Tenant shall be responsible for the compliance of the Premises with all applicable Federal, State, and local laws, statutes, codes, ordinances, rules, regulations, and orders, including any and all requirements set forth in Section 7.08. Other than what may be explicitly provided for herein, the City shall have no obligation or responsibility whatsoever to do any work or furnish any improvements of any kind to the Premises or perform any maintenance or repairs on the Premises. City makes no warranty as to the environmental conditions of the Premises or the Airfield. EXCEPT AS EXPRESSLY PROVIDED HEREIN, CITY MAKES NO WARRANTY, EITHER EXPRESS OR IMPLIED, AS TO THE CONDITION OF THE PREMISES OR THAT THE PREMISES SHALL BE SUITABLE FOR TENANT'S PURPOSES OR NEEDS. CITY SHALL NOT BE RESPONSIBLE FOR ANY LATENT DEFECT AND TENANT SHALL NOT, UNDER ANY CIRCUMSTANCES, WITHHOLD ANY RENT OR OTHER AMOUNTS PAYABLE TO CITY HEREUNDER ON ACCOUNT OF ANY DEFECT IN THE PREMISES. CITY AGREES REPRESENTS AND WARRANTS THAT THE ROOF OF THE BUILDING IS OR WILL BE REPAIRED PRIOR TO DELIVERY OF THE PREMISES TO TENANT AND THAT THE STRUCTURAL COMPONENTS OF THE BUILDING AND BUILDING SYSTEMS ARE IN GOOD WORKING ORDER AND OTHERWISE TENANT ACCEPTS THE PREMISES AS BEING FREE AND CLEAR FROM ALL DEFECTS AND IN GOOD, SAFE, CLEAN, AND ORDERLY CONDITION AND REPAIR. Tenant waives any and all claims against the City regarding the condition of the Premises which may currently exist or which may arise in the future by contract, at common law, in equity, or under statute, now or then currently in effect, including those which relate to environmental conditions on, under, or near the Premises; provided, however, that such waiver does not extend to fines and penalties for which the City would be liable, and neither Tenant nor its predecessors in interest would be liable, under any Environmental Law Subject to Section 2.03, but notwithstanding the foregoing, if the condition of the Premises or the existence of any defect impairs the ability of the Tenant to timely complete the Tenant's Work or causes a significant increase in the costs of such Work or unreasonably interferes with Tenant's use of the Premises, then Tenant may by the delivery of written notice to the City, elect to terminate this Lease.

Section 2.10 - Accessibility. City and Tenant agree that, except for the obligations of the City as provided in Section 5.01B, Tenant shall have the responsibility to ensure that the

Premises and the services that Tenant provides to its customers are in compliance with the Americans with Disabilities Act and related regulations, as amended from time to time. Tenant shall submit its certification of such compliance to the Commissioner within thirty (30) days after written request.

Section 2.11 - Covenant against Waste. Tenant will not do or permit or suffer any waste, damage, impairment or injury to or upon the Premises or any part thereof.

Section 2.12- Additional Space.

During the first 36 months of the Term, the Tenant will be given the option to expand its operations into the approximately 24,000 square feet of space located adjacent to the Premises, provided that (a) the intended use of the expansion space is for the warehousing and distribution of perishable goods (b) Tenant exercises its option within thirty-six (36) months of the Effective Date of the Lease, and (c) such expansion is subject to the approval of the Commissioner, not be unreasonable withheld: The expansion notice given by the Commissioner to the Tenant will include the following:

Tenant will pay annual Base Rent per square foot for the Additional Space based upon the annual Base Rent per square foot payable for the Leased Space.

ARTICLE III - TERM

Section 3.01 - Initial Term. The initial term of this Agreement ("Initial Term") commences on the Effective Date and shall expire on _____ _____, 202_, unless extended or earlier terminated in accordance with the provisions of this Agreement. The City's early termination of Tenant's lease for the Premises or any portion thereof shall in no way diminish Tenant's obligations under this Agreement that survive expiration or termination of this Agreement.

Section 3.02 - Options to Extend. By mutual agreement, and provided that the Initial Term has not already been terminated or been converted to month-to-month for a specific parcel, the Initial Term for the Premises may be extended for no more than three (3) additional one-year periods (the Initial Term and such extension being the "Term"), provided that:

A. Tenant provides the City written notice of its intent to extend the Initial Term no less

than fifteen (15) months before expiration of the Initial Term of this Agreement and not less than sixty (60) days prior to the expiration of each one year extension period; and

B. There is no existing Event of Default, or any condition with which the giving of notice and/or the passage of time could become an Event of Default, as of the commencement of the extended Term.

The fifteen (15) month, or sixty (60) day, as applicable, expiration period in (A) is intended to provide the City time to find a replacement tenant. If Tenant inadvertently fails to provide timely notice pursuant to (A), the Commissioner may, in his or her sole and absolute discretion, waive the fifteen (15) month or sixty (60) day, as applicable, requirement and allow Tenant to exercise its option to extend. Except as provided in Article IV, Tenant's occupancy of the Premises during any extension of the Term shall be on the same terms and conditions as otherwise contained herein. If Tenant exercises its option to extend the Initial Term of this Agreement, the word "Term" shall be construed to include the extension. Any holding over by Tenant after the expiration of the Term shall be on a month-to-month basis, which may be terminated by the Commissioner with thirty days (30) days written notice.

Section 3.03 - Early Termination. In addition to an early termination due to an uncured Event of Default by Tenant, either party may terminate this Agreement with 30 days' written notice in the event that Tenant is no longer authorized to provide a perishable goods operation at the Airport by any governmental agency (other than the City). Further, Tenant and the Commissioner may mutually agree to terminate the Agreement, or convert the Term to a month-to-month lease, if they determine it to be in the best interests of the parties.

Section 3.04 – Right of First Refusal. If the City shall receive an offer to lease ("Offer to Lease") any space in the Building for a perishable goods operation similar to Tenant's permitted uses as described in Section 2.05, City shall deliver a copy of such offer to Tenant and Tenant shall have thirty (30) days from the receipt of such Offer to Lease to lease such space upon the same terms and conditions as the Offer to Lease, except that the use of the space shall be the Tenant's permitted uses hereunder.

ARTICLE IV - RENT

Section 4.01 - Rent. In consideration of this Agreement for lease and use of the Premises, Tenant shall pay City sums in such form and amount as set forth below. For the purposes of this Agreement, all such sums are Rent.

Failure by Tenant to pay Rent, or any portion thereof, within 5 days following the receipt of written notice from City, is an Event of Default.

Section 4.02 - Escalation upon Term Extension.

A. The Base Rent payable to the City pursuant to Exhibit B shall increase upon the commencement of an extension pursuant to Section 3.02. The amount of such increase shall be five percent (5%) for each of the three (3) exercised one-year extension options.

All other sums becoming due or payable to the City under this Agreement, including, without limitation, all monies expended by the City pursuant to this Agreement or on account of any default by Tenant in the performance or observance of any of the covenants and agreements contained in this Agreement shall likewise bear interest from the respective dates when the same shall be advanced or paid by City, or otherwise due to City, at the rate per annum which shall be the lower of (a) the highest rate permitted by law or (b) the Default Rate, until the same shall be paid by Tenant to City. All sums so advanced or paid by City shall become so much additional Rent under the terms of this Agreement, due and payable on the date of such advance or payment.

Section 4.07 - Security Deposit. On or before the Effective Date of this Agreement, Tenant shall pay to the City a security deposit in an amount equal to the three (3) months of Base Rent. Such security deposit may be in the form of cash or a letter of credit, which letter of credit shall be in the form reasonably acceptable to the Commissioner. . The security deposit will be refunded to Tenant, less any sums which may be due and owing to the City, subsequent to the expiration or termination of this Agreement.

Section 4.08 - Rent Absolute. Tenant covenants and agrees that the Rent specified in this Article IV shall be absolutely net to the City, to the end that this Agreement shall yield net to City the entire Rent, and so that all costs, fees, interest, charges, expenses, real estate taxes, reimbursements and obligations relating to the Premises for which Tenant is responsible under this Lease may arise or become due during the Term (other than City's legal fees not otherwise covered by this Agreement) shall be paid or discharged or caused to be discharged by Tenant as so much additional Rent, and Tenant covenants and agrees that City shall be indemnified and saved harmless by Tenant from and against all such costs, fees, interest, charges, expenses, real estate taxes, reimbursements and obligations for which Tenant is responsible under this Lease.

Tenant shall maintain at its office in Chicago, Illinois, or at the Airport, books, records, and accounts relevant to the determination of Rent or any other sums owed to City under this Agreement, including, without limitation, records of its operations at the Airport. If such books, records, and accounts are not maintained at such office, Tenant shall in any case maintain such books, records, and accounts within the United States, and Tenant shall promptly furnish the Commissioner and City Comptroller in Chicago with all information reasonably requested by them with respect to such books, records, and accounts. The Commissioner and City Comptroller, and such

persons as may be designated by them, shall have the right, at all reasonable times, subject to prior written notice to Tenant, to audit, examine, make copies of, and take extracts from such books, records, and accounts. In the event that (i) an audit reveals any discrepancy of greater than 5% of the gross receipts which are the subject of such audit, and (ii) such error resulted in an underpayment by Tenant to the City, Tenant shall reimburse the City for any and all of its expenditures for such audit. In the event that an audit reveals no irregularities, such audit shall be at the expense of the City. Without limiting the foregoing, City has the right to inspect Tenant's records of its operations at the Airport. City shall, to the extent permitted under applicable law, preserve the confidentiality of all information obtained through such inspections, unless Tenant has consented to disclosure or has publicly released such information.

Section 4.10 - Abatement in the Event of Closing. Except as otherwise expressly set forth below, Tenant shall have no right to abatement or set-off of Rent of any kind. In the event that, for a period of time in excess of fifteen (15) consecutive days, the Airport is closed by any order or direction of City or any other governmental authority or agency, or by any order or direction of any court of competent jurisdiction and not stayed by way of appeal or otherwise, then, except as otherwise provided in Section 15.06, the sole and exclusive remedy of Tenant shall be that the Rent payable by Tenant shall abate for the period of such closing. A. Unless otherwise agreed to in writing by the Commissioner, Tenant must complete, or cause to be completed, the Improvements as described in the Development Plan. Improvements shall be at Tenant's sole cost and expense and must be completed on or before the Date of Beneficial Occupancy for each portion of the Leased Space in accordance with the schedule set forth in the Development Plan, subject to Section 15.06, "Force Majeure".

B. Shell and Core. The City is responsible for providing Shell and Core, if any are specified in Exhibit E, for the Leased Space, which can be modified by mutual agreement of the parties. The City makes no warranty, either express or implied, as to the design or condition of the Leased Space, including the Shell and Core, or the suitability of the Leased Space, including the Shell and Core, for the Tenant's purposes or needs. The City is not responsible for any patent or latent defect, and Tenant must not, under any circumstances, withhold any amounts payable to the City under this Agreement on account

of any defect in the Leased Space, including the Shell and Core; if feasible, however, the City will assign to Tenant any warranties obtained from the City's contractor for the Shell and Core and/or the right to enforce City's rights under its contract for the Shell and Core. After the City delivers the Shell and Core to Tenant, Tenant must immediately notify the Commissioner of any defects in the Shell and Core.

C. Tenant's Improvement Obligations.

1. Operations Space and Storage Space. Unless otherwise agreed in writing by the Commissioner, Tenant must complete, or cause to be completed, the Improvements as described in the Development Plan. Improvements shall be at Tenant's sole cost and expense and must be completed on or before the Date of Beneficial Occupancy set forth for each portion of the Leased Space in accordance with the schedule set forth in the Development Plan, subject to Section 15.06, "Force Majeure".

2. Additional Space. Tenant must complete or cause to be completed, at Tenant's sole cost and expense, the Improvements for each Additional Space approved by the Commissioner by the proposed Date of Beneficial Occupancy applicable to each such Additional Space,

3. Temporary Relocation Space and Additional Space. The Commissioner may require Tenant to operate the perishable goods center, prior to the Date of Beneficial Occupancy applicable to any Relocation Space and Additional Space, from a temporary Relocation Space, at City's sole cost and expense. If approved by the Commissioner, Tenant may use temporary or used fixtures, trade fixtures and equipment and is not required to install Improvements except to the extent necessary to make the temporary Relocation Space useable.

4. Improvement Costs. Only Improvement Costs of the types set forth in the budget in the Development Plan are deemed to be validly incurred Improvement Costs for purposes of this Agreement. Tenant must provide the Commissioner with a statement certified by Tenant, setting forth the aggregate amount of the Improvement Costs expended by Tenant for each Leased Space, with such detail as may be reasonably requested by the Commissioner. The certified statement must be submitted at the same time as the "as-built" drawings for the Leased Space. Tenant must make available to the Commissioner, at the Commissioner's request, receipted invoices for labor and materials covering all Improvement Costs. The Commissioner has the right to audit the Improvement Costs. The actual Improvement Costs, as approved by the Commissioner, will be memorialized in the confirmation of DBO for the Leased Space in question and attached to Exhibit A.

5. Work Requirements.

(i) . TIME IS OF THE ESSENCE IN THE PERFORMANCE OF WORK UNDER THIS AGREEMENT.

(ii). Compliance with Standards. Tenant must comply in its design, construction, use, occupancy and operation of the Leased Space, at its own cost, with:

(iii) all regulations and directives now or later promulgated by the United States Federal Aviation Administration (**"FAA"**) or Transportation Security Administration (**"TSA"**) pertaining to airport security, as such regulations and directives may be amended or modified from time to time during the Term of this Agreement;

(iv) all federal, State of Illinois, and City laws, rules, regulations and ordinances, including all building, zoning and health codes and all Environmental Laws; and

(iii) the Tenant Design and Construction Procedures Manual ("TDCPM"), the Airport Concession Program Handbook, and the Sustainable Airport Manual.

Tenant must complete or cause to be completed all Improvements in accordance with all rules, regulations and standards, including the TDCPM, and the approved Construction Documents (as defined below) for any Improvements. If there is a conflict between work requirements stated in this Agreement and those set forth in the TDCPM, the Commissioner has the sole discretion to determine which prevails. No construction must take place until the Commissioner has approved the Construction Documents.

Tenant must provide for any supplemental heating, cooling and exhaust facilities that Tenant may require to properly heat, cool, ventilate and exhaust air in the Leased Space. All such supplemental facilities must be designed and installed in accordance with the TDCPM and applicable building codes, and must be approved by the Commissioner prior to installation. If at any time the Tenant's supplemental heating, cooling and exhaust facilities fail to comply with the design and operational standards set forth in the TDCPM, Tenant must, on notice from the City, cause repairs to be made so that Tenant is in compliance with this requirement.

In addition to the requirements set forth in the TDCPM, Tenant acknowledges the City's goal to incorporate environmentally sustainable design in building, infrastructure, and tenant improvements at the Airport. Accordingly, Tenant agrees to use best efforts to incorporate sustainable design practices in the development and build out of the Leased Space, to engage a LEED® (Leadership in Energy and Environmental Design) accredited professional on its architectural team, to create an operational plan that incorporates sustainable practices in all aspects of the daily operation of the Leased Space, and to comply to the extent that it is commercially reasonable to the requirements of the Sustainable Airport Manual.

6. Development Plan. Tenant's Development Plan, as approved by the Commissioner, is attached hereto as Exhibit C. It describes and depicts the Tenant's thematic concept for the Operations Space (including design images, as appropriate), floor plan(s) of the Operations Space, its plan and schedule for implementing the Improvements and commencing operations in the Leased Space, temporary facilities that may be

necessary to meet the requirements of this Agreement, and its other submission requirements as set forth in the TDCPM. The Development Plan must include the anticipated Date of Beneficial Occupancy of each space, the budgeted Improvement Costs for each space, and the dates by which City must complete the Shell and Core and the Delivery Date necessary in order to achieve the anticipated DBO for each space.

7. 60 Percent Design Phase. Within 45 days of the Effective Date, Tenant must submit to the Commissioner its proposed 60 percent design drawings and specifications prepared as required under the TDCPM ("**60 Percent Designs**"), which must include any Shell and Core modifications or other modifications to base building systems required to accommodate Tenant's proposed Improvements in conformance with the Development Plan. The Commissioner will attempt to review and respond to the 60 Percent Designs within 10 days after the Commissioner's receipt with an "accepted," "accepted [with comments] as noted," or "revise and resubmit." If any of the 60 Percent Designs requires resubmission, Tenant must resubmit the 60 Percent Designs addressing the Commissioner's comments within 5 days after receiving the Commissioner's response. Tenant must resubmit the 60 Percent Designs as many times as necessary until the Commissioner either accepts them or accepts them as noted; however, if the parties fail to agree on acceptable 60 Percent Designs after 5 attempts, either party may terminate this Lease by written notice to the other.

8. 100 Percent Design Phase. Tenant must prepare and submit to the Commissioner, within 30 days following its receipt of the Commissioner's approval of the 60 Percent Designs, the 100 percent design drawings and specifications and a construction schedule that complies with the Development Plan (**"100 Percent Designs"**). The Commissioner will attempt to review and respond to the 100 Percent Designs within 10 days after the Commissioner's receipt with an "accepted," "accepted [with comments] as noted," or "revise and resubmit." If any of the 100 Percent Designs requires resubmission, Tenant must resubmit the 100 Percent Designs addressing the Commissioner's comments within 5 days after receiving the Commissioner's response. Tenant must resubmit the 100 Percent Designs as many times as necessary until the Commissioner either accepts them or accepts them as noted; however, if the parties fail to agree on acceptable 100 Percent Designs after 5 attempts, either party may terminate this Lease by written notice to the other. Upon acceptance by the Commissioner, the 100 Percent Designs drawings, specifications, and construction schedule will be deemed the approved "**Construction Documents**". If Tenant desires to use the services of any Subcontractor, Tenant must submit the name and qualifications of the Subcontractor to the Commissioner for review and approval, which approval may be granted or denied in the Commissioner's sole discretion. Within 10 days following the receipt of Commissioner's approval of the 100 Percent Designs, Tenant must prepare and submit to the City's Department of Buildings, or its successor agency, applications for all building permits required to undertake construction of the Improvements.

D. Start of Construction. For each portion of the Leased Space, within 10 days after the latest of occur of: 1) the date the City delivers to Tenant possession of said

portion of the Leased Space, 2) the date Tenant has obtained applicable building permits for said portion of the Leased Space, and 3) the date of commencement of construction set forth in the Development Plan, Tenant must begin construction of the Improvements under and consistent with the approved Construction Documents, in a diligent, first-class and workmanlike manner. Commissioner may require Tenant and its Subcontractors to meet with the Department's construction manager and Concessions Management Representative prior to starting construction. Among other requirements, the Improvements:

(i) Must conform with all architectural, fire, safety, zoning and electrical codes and all federal, State, City and other local laws, regulations and ordinances pertaining to them, including the ADA, and all Airport standards, procedures and regulations.

(ii) Must be free and clear of any mechanics' or materialmen's liens or similar liens or encumbrances.

(iii) Except as otherwise provided in this Agreement, must be completed entirely at Tenant's cost and expense and in accordance with the requirements of this Agreement including, but not limited to, the requirements and procedures set forth in the TDCPM.

(iv) Upon the request of the Commissioner, Tenant must purchase and install a security camera and connect the camera feed into a junction box at a location to be determined by the Commissioner. Tenant will permit the Commissioner to connect the security camera to the Airport security system.

Approval of the Construction Documents by the Commissioner does not constitute his/her or the City's representation or warranty as to their conformity with any architectural, fire, safety, zoning, electrical or building code, and responsibility therefore at all times remains with Tenant. Tenant must not permit its design and construction Subcontractors to make any modifications to base building systems without prior written consent of the Commissioner.

E. Change Order Review. Tenant must cause all Work to be performed in a first class, good and workmanlike manner and in accordance with the Construction Documents. Any change order ("Material Change Order") that would (i) increase or decrease the budget for the Work by more than $25,000 or (ii) affect any structural component of the Premises shall require the City's approval. . Tenant may request in writing that Material Change Orders relating to the Work be responded to by the City, and the City will so respond within 10 days, unless a response within 10 days is unreasonable in the circumstances, in which case the response period will be as reasonably determined by the City but in no event longer than 20 days. At all times during the Work, Tenant must have on file with the Commissioner and on the construction site for inspection by the Commissioner, a copy of the approved Construction Documents. Tenant must immediately begin to reconstruct or replace and diligently pursue to completion, at its sole cost and expense, before or after

completion of the Work, any Work that is not performed in accordance with the Construction Documents as approved by the Commissioner.

F. Inspection of Improvements in Progress. The Department has the right to enter upon the Leased Space for the purposes of inspecting and recording the Improvements in progress, ensuring that Tenant's construction complies with the Construction Documents, and rejecting any such construction that does not so conform.

G. Notice of Substantial Completion and Inspection. At least 10 days prior to anticipated substantial completion of the construction of a Leased Space, Tenant must deliver to the Commissioner a "**notice of substantial completion**" in order for the Commissioner to schedule a representative to inspect the Improvements. On the date specified in the notice of substantial completion, the Department will perform a final inspection of the Improvements for compliance with the Construction Documents for the Improvements, and will, not later than 10 days after inspection, provide a punchlist to Tenant describing in sufficient detail any discrepancies between the Improvements and the Construction Documents. Tenant must cause all discrepancies (other than those approved by the Commissioner as variances) to be reconstructed, replaced or repaired in substantial accordance with the Construction Documents. Within 10 days after the date of substantial completion and prior to commencing Concession operations in Leased Space, Tenant must provide, as evidence of the substantial completion of the Work, copies of any and all Certificates of Occupancy and other approvals, if any, necessary for Tenant to occupy the portion of the Leased Space for its intended use. Tenant shall not commence Concession operations in the Leased Space until such documents have been received by the Commissioner and until authorized to do so by the Commissioner.

H. Timeliness - Punch Lists; Opening for Business. Tenant acknowledges that if it fails to comply with Construction Document requirements (including all tasks necessary to satisfy them, such as, but not limited to, applying at the earliest possible time for and diligently pursuing all necessary building permits), the delay may cause the City to suffer substantial damages, including loss of goodwill, that might be difficult to ascertain or prove. For that reason, but subject to Force Majeure extensions or extensions that may be approved by the Commissioner, if Tenant has not caused the Improvements to be substantially completed in accordance with the Construction Documents and the perishable goods center is open for business not later than the scheduled Date of Beneficial Occupancy in the Development Plan, either party may terminate this Lease by delivery of written notice to the other.

I. Post-construction Documentation. Tenant must submit a complete set of **"as-built" drawings** and documentation as outlined in the TDCPM to the Commissioner within 30 days after the date the Commissioner authorizes Tenant to begin Concession operations in the Leased Space. The as-built drawings and documentation are and become the property of the City, except to the extent of any intellectual property reflecting Tenant's trademarks, trade names or trade dress contained in them.

J. Mechanics' Liens. Tenant must not permit any mechanics' lien for labor or materials furnished or alleged to have been furnished to it to attach to any portion of the Leased Space, the Airport, Tenant's leasehold interest, or this Agreement in any way relating to any work performed by or at the direction of Tenant. Upon making payments to Subcontractors, Tenant must obtain from each Subcontractor a waiver of mechanics' liens against any portion of the Leased Space, the Airport, Tenant's leasehold interest, or this Agreement arising out of any Work done by the Subcontractor and each and every of the Subcontractor's materialmen and workmen. If, nonetheless, any such mechanics' lien is filed upon any portion of the Leased Space, the Airport, Tenant's leasehold interest, or this Agreement, Tenant must indemnify, protect, defend and save harmless the City against any loss, liability or expense whatsoever by reason of the mechanic's lien and must promptly and diligently proceed with or defend, at its own expense, the action or proceedings as may be necessary to remove the lien. Tenant must deliver notice to the Commissioner of any such lien or claim within 15 days after Tenant has knowledge of it. Tenant may permit the mechanics' to remain undischarged and unsatisfied during the period of the contest and appeal; provided that, upon request by the Commissioner, Tenant must post a bond with the City equal to 150% of the amount of the lien. If the lien is stayed and the stay later expires or if by nonpayment of any lien any portion of the Leased Space, the Airport, Tenant's leasehold interest, or this Agreement will be, or is claimed to be, subject to loss or forfeiture, then Tenant must immediately pay and cause to be satisfied and discharged the lien. If Tenant fails to do so, the Commissioner may, in his or her sole discretion, draw on the bond and make such payment. If the Commissioner has not requested a bond, then the Commissioner may, in his or her sole discretion, make such payment out of legally available Airport funds and, in such event, the amount paid shall immediately be payable by Tenant as Additional Rent. Failure to post a bond when requested by the Commissioner or pay such Additional Rent shall be an Event of Default.

Section 5.02 - Damage or Destruction of Improvements.

A. Insubstantial Damage. If Improvements to any Leased Space are damaged, in whole or in part, by fire or casualty, and there is no Major Damage (as defined below) to the portion of the Building served by the damaged Improvements, then the City will repair any damage to the Shell and Core at the City's expense, and Tenant must repair the damage to the Improvements as soon as reasonably possible (after completion of the Shell and Core) at Tenant's expense.

B. Major Damage.

(i) **"Major Damage"** means any damage or destruction that, based on reasonable estimates made by the Department within 60 days after the

occurrence of the damage or destruction, in order to be repaired to the condition existing before the damage or destruction:

a. would cost, with respect to the Improvements, in excess of 50% of the replacement cost value of all Improvements or the Leased Space; and

b. would cost, with respect to the Shell and Core, in excess of 50% of the replacement cost of the Shell and Core, or would require, in the sole judgment of the Commissioner, more than nine months to complete.

(ii) If any part of the Building suffers Major Damage, whether or not including any portion of the Leased Space located in them, in whole or in part by fire or other casualty, the Commissioner has the right, for a period of six months starting on the date of the occurrence, to elect not to repair the Major Damage as otherwise required under this section, by giving written notice of the election to Tenant. If the Commissioner notifies Tenant of the Commissioner's election not to repair the Major Damage, this Agreement will terminate as to the affected Leased Space effective as of the date of the Major Damage, all Rent due under this Agreement will be prorated to the date of termination, and Tenant must surrender the affected portion of the Leased Space to the City.

(iii) If the Shell and Core or any portion of the Leased Space suffers Major Damage, and if after the occurrence of the damage the Agreement is not terminated, the Commissioner and the Airport architect will estimate the cost of restoration and the length of time that will be required to repair the damage and will notify Tenant of the estimate. Subject to Tenant's right to terminate provided in Section 15.06, if the damage can be repaired and the Improvements restored before the date that is [90] days following the occurrence of the Major Damage, then City must restore the Shell and Core and Tenant must repair the damage and restore the improvements to the Leased Space. If repair and restoration cannot be substantially completed before the Term expires, then this Agreement terminates as to the portion of the Leased Space as of the date of the Major Damage.

(iv) If this Agreement is not terminated in accordance with paragraphs (B)(ii) or (iii) and a casualty has damaged or destroyed any portion of the Shell and Core involving the Leased Space, the City will restore the Shell and Core to the condition existing on the Delivery Date, according to the original as-built plans and specifications. Upon completion of the City's Shell and Core restoration work, if any, Tenant must proceed to rebuild the Improvements as nearly as possible to the character of Improvements existing immediately before the occurrence.

(v) Before beginning to replace, repair, rebuild or restore Improvements, Tenant must deliver to the Commissioner a report of an independent consultant acceptable to the Commissioner setting forth:

a. an estimate of the total cost of the Work;

b. the estimated date upon which the Work will be substantially completed; and

c. a statement to the effect that insurance proceeds are projected to be sufficient to pay the costs of the Work.

(vi) The Commissioner will use commercially reasonable efforts to provide suitable temporary Relocation Space during the period of restoration subject to the reasonable approval of Tenant. Tenant must relocate the Concession operations to the temporary Relocation Space, and the costs associated with any such relocation, including moving expenses and the cost of reconstructing the Improvements in the temporary Relocation Space, must be borne by Tenant.

C. Tenant's Option. If the Shell and Core or the Leased Space or a portion of it is subject to Major Damage during the final three years of the Term, Tenant has the right, for a period of 60 days beginning on the date of the occurrence, to elect not to restore the affected Improvements as otherwise required under this Agreement by giving the Commissioner written notice of the election, in which event this Agreement will, as to the portion of the Leased Space, terminate upon the notice. If Tenant desires to rebuild the affected Leased Space, it may do so only upon the written approval of the Commissioner.

D. Insufficient Insurance. In no event will the City be obligated to repair, alter, replace, restore, or rebuild any Improvements, or any portion of them, nor to pay any of the costs or expenses for them. If Tenant's available insurance proceeds are not sufficient to cover the cost of the restoration as required under this Section, then Tenant is liable to complete the repairs at its own cost and expense, except as provided in this Section 15.06

.

Section 5.03 City Resident Construction Worker Employment Requirement.

A. Use of Residents. In connection with and during the construction of any Work in excess of $100,000 in Improvement Costs, Tenant and its Subcontractors must comply with the provisions of § 2-92-330 of the Municipal Code of the City of Chicago ("**Municipal Code**"), as amended from time to time concerning the minimum percentage of total construction worker hours performed by actual residents of the City. (At least 50% of the total construction worker hours worked by persons on the site of the Work must be performed by actual residents of the City. Tenant may request a reduction or waiver of this minimum percentage level of Chicagoans in accordance with standards and procedures developed by the Chief Procurement Officer of the City.) In addition to complying with this percentage, Tenant and its Subcontractors are required to make good faith efforts to utilize

qualified residents of the City in both unskilled and skilled labor positions. **"Actual residents of the City"** means persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment. Tenant and each Subcontractor (for purposes of this subsection, **"Employer"**) must provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed. Each Employer will maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

B. Certified Payroll Reports. Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) must be submitted by hard copy or electronically to the Commissioner and must identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

C. Inspection of Records. Each Employer must provide full access to its employment records to the Chief Procurement Officer, the Commissioner, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. Each Employer must maintain all relevant personnel data and records for a period of at least 3 years after final acceptance of the Work. At the direction of the Commissioner, affidavits and other supporting documentation may be required of each Employer to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

D. Level of Effort. Efforts on the part of each Employer to provide utilization of actual Chicago residents that are not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer will not suffice to replace the actual, verified achievement of the requirements of this section concerning the worker hours performed by actual Chicago residents.

E. Shortfalls; Liquidated Damages. When the Work is completed, in the event that the City has determined that Tenant has failed to ensure the fulfillment of the requirement of this section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1% of the aggregate hard construction costs of the Improvement Costs (the product of .0005 x such aggregate hard construction costs) (as evidenced by approved contract value for the actual contracts) must be surrendered by Tenant to the City as liquidated damages, and not as a penalty, in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly will result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject Tenant and/or the Subcontractors to prosecution. The City may draw against the Security any amounts that

appear to be due to the City under this provision pending the City's determination as to the full amount of liquidated damages due on completion of the Work.

F. Nothing set forth in this section acts as a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents, as applicable.

G. Inclusion in Subcontracts. Tenant must cause or require the provisions of this section to be included in all construction Subcontracts related to the Work.

Section 5.04 - Licensing of General Contractor. This Agreement is subject to Chapter 4-36 of the Municipal Code which requires all persons acting as a general contractor (as defined in Chapter 4-36) to be licensed as a general contractor by the City. Tenant's failure to ensure that any general contractor working on Improvements complies with Chapter 4-36 will be an Event of Default.

Section 5.05 - Prevailing Wages. In connection with the construction, repair, and maintenance of Improvements, Tenant must comply with the applicable provisions of 820 ILCS 130/0.01 et seq. regarding the payment of prevailing wages, and the most recent Illinois Department of Labor schedule of prevailing wages, and any successors to them. Tenant must insert appropriate provisions in all Subcontracts covering construction work under this Agreement to ensure compliance of all construction Subcontractors with the foregoing wage statutes and regulations.

Section 5.06 - Subcontractor Certifications. Tenant must require all Subcontractors performing Work in connection with this Agreement to be bound by the following provision and Tenant must cooperate fully with the City in exercising the rights and remedies described below or otherwise available at law or in equity:

> "Subcontractor certifies and represents that Subcontractor and any entity or individual that owns or controls, or is controlled or owned by, or is under common control or ownership with Subcontractor is not currently indebted to the City and will not at any time during the Term be indebted to the City, for or on account of any delinquent taxes, liens, judgments, fees or other debts for which no written agreement or payment plan satisfactory to the City has been established. In addition to any other rights or remedies available to the City at law or in equity, Subcontractor acknowledges that any breach or failure to conform to this certification may, at the option and direction of the City, result in the withholding of payments otherwise due to Subcontractor for services rendered in connection with the Agreement and, if the breach or failure is not resolved to the City's satisfaction within a reasonable time frame specified by the City in writing, may result in the offset of any such indebtedness against the payments otherwise due to Subcontractor and/or the termination of Subcontractor for default (in which case Subcontractor will

be liable for all excess costs and other damages resulting from the termination.)"

Section 5.07 - MBE/WBE Compliance. Tenant shall make good faith efforts to meet the following goals with respect to participation of Minority Business Enterprises/Woman-Owned Business Enterprises ("MBE/WBE") in the design and construction of Tenant's Improvements, respectively: (i) Design: 25% MBE and 5% WBE; and (ii) Construction: 24% MBE and 4% WBE. The Special Conditions and related forms used by the City in its own procurements are attached hereto as Exhibit 9 and should be used by Tenant's Contractors. Tenant must submit to the CMR completed Schedules C's and D's from its design and construction Contractors demonstrating their percentage MBE and WBE participation commitments, and their good faith efforts to achieve the foregoing goals if the commitments are less than those goals. Thereafter, Tenant must submit periodic reports to the CMR, in a form and frequency determined by the Commissioner, documenting its Contractors' compliance with their commitments.

Section 5.08 - Title to Improvements. City and Tenant mutually agree that any and all existing Improvements on the Premises are property of the City. Any new Improvements constructed on the Premises, other than Tenant's F, F and E, shall become and remain the property of City upon their completion.

Section 5.09 - City-funded Improvements. From time to time the Commissioner may delegate in writing to Tenant, and Tenant may elect to accept such delegation, the responsibility for undertaking Improvements to the Premises and agree to reimburse Tenant for costs incurred in connection therewith. Eligible costs are actual, reasonable costs of labor and materials involved in performing the Work and actual, reasonable architectural, engineering, and consulting fees, and no others. Upon acceptance of such delegation, Tenant must publicly advertise the Work associated with any such Improvements and comply with the then-current City requirements for participation by City residents and Minority and Women's Business Enterprises. Tenant must complete all such Improvements to the reasonable satisfaction of Commissioner and submit all invoices, sworn statements, lien waivers and any other appropriate documentation requested by the Commissioner to verify the costs paid in good faith by Tenant with respect thereto. The Commissioner shall have the right to approve the reasonableness, allocability and allowability of those costs which are to be reimbursed, such approval not to be unreasonably withheld or delayed.

Section 5.10 - Other Improvements. In addition to City-funded Improvements, Tenant may from time to time construct or install in the Premises, at its own expense, other Improvements, including pavement, facilities and equipment, and any additions thereto, reasonably necessary in connection with any use permitted under the provisions of this Agreement, subject to the prior written approval of the Commissioner in accordance with Section 5.01.

Section 5.11 - Liens Prohibited. Tenant shall keep the Premises free and clear of any and all liens in any way arising out of the construction of Improvements, or use of the Premises by Tenant; provided, however, Tenant may in good faith contest the validity of any lien, provided such contest does not impair the City's rights with respect to the Premises. City's rights to the Premises and the Airport are and always shall be paramount to the interests of Tenant in the Premises. Nothing in this Agreement empowers Tenant to commit or engage in any act which can, shall, or may encumber the rights of City. In no event shall this Agreement or any rights or privileges hereunder be an asset of Tenant under any bankruptcy, insolvency, or reorganization proceedings.

Section 5.12 - Maintenance and Repair. Tenant shall be responsible for and shall perform or cause to be performed all maintenance and repair of the Leased Space and shall keep such Leased Space clean and free from all debris. Tenant shall at all times:

A. Keep the Leased Space and all fixtures, equipment and personal property in a clean, safe, and orderly condition and appearance;

B. Maintain the same in good condition (reasonable wear and tear excepted) and perform all ordinary repairs, replacements, and painting; such repairs, replacements, and painting by Tenant shall be of a quality not inferior to the standards set forth in any rules and regulations adopted by City for the Airport;

C. Control all of its vehicular traffic on the Airport and take all precautions reasonably necessary to promote the safety of its passengers, customers, business visitors, and other persons, and employ such means as may be necessary to safely direct the movements of its vehicular traffic;

D. Either directly or through a licensed independent contractor, dispose of its garbage, debris, and other waste materials at properly permitted facilities and in accordance with the Sustainable Airport Manual.

E. If the performance of any of the foregoing maintenance, repair, replacement, or painting obligations of Tenant requires work to be performed where safety of airport operations might be involved, Tenant shall post guards or erect barriers or other safeguards as required and approved by the Commissioner at such locations prior to Tenant's performance of any such maintenance, repair, replacement or painting

F. The City will be responsible for capital repairs and replacements of the roof and Shell and Core and other structural components of the Building..

Section 5.13 - Repairs Necessitated by Casualty.

A. Subject to Section 5.02, In the event any Improvement from time to time upon the Premises shall be damaged or destroyed, in whole or in part, (regardless of the cause therefor) Tenant covenants and agrees that Tenant, at its own expense (notwithstanding insufficiency of insurance proceeds), shall repair, restore or rebuild any such Improvement so damaged, injured or partially destroyed, or erect, finish and complete a like new building and Improvements on the Premises. Any such repair, restoration, or rebuilding or construction of a new building is herein sometimes referred to as a "Restoration."

B. Insurance proceeds shall be made available for Restoration on the terms and conditions set forth in this Section. In the event that the Premises, or any portion thereof, are damaged or destroyed by fire or other casualty, Tenant, after consultation with City, and subject to the limitations set forth in this Section and Section 5.02, shall repair, reconstruct or restore the damaged or destroyed Premises to (i) substantially the same condition, character and utility value as existed prior to the event causing such damage or destruction, or (ii) such other condition, character and value as may be agreed upon by City and Tenant; provided, however, that in the event that the damage, and the insurance proceeds therefor, are less than $100,000, Tenant may effect such repairs, reconstruction or restoration as Tenant may deem reasonably necessary.

C. Tenant shall provide prompt written notice to the City of any event that may require a Restoration. Within sixty (60) days of the date of such notice, Tenant shall provide to the City plans and specifications for such Restoration, which plans and specifications are subject to City review and approval. Upon approval of such plans and specifications, Tenant shall immediately proceed to diligently perform the Restoration and complete such Restoration in a timely manner. In the event that Tenant fails to diligently perform the Restoration or complete the Restoration in a timely manner, the City may exercise its rights under Section 12.06 of this Agreement.

D. Prior to making any Restoration of more than $100,000, Tenant shall in good faith estimate the cost of the Restoration and furnish City supporting estimates by a reputable, experienced architect, engineer and contractor qualified to make such estimate.

E. Without limiting any of the other terms hereof, it is expressly understood and agreed that, except and to the extent provided herein, no loss or partial destruction of or damage to the Premises or the buildings or other improvements from whatsoever cause, shall operate to terminate this Agreement or to relieve or discharge Tenant from its liability to pay the full Rent and additional charges payable under this Lease, or to relieve Tenant from any of its other obligations under this Agreement. Except and to the extent provided herein, Tenant waives any right now or hereafter conferred upon it, whether by statute or otherwise, to surrender this Agreement or possession of the Premises or any part thereof, or to obtain any suspension, diminution, abandonment or reduction of Rent, on account of any such loss, damage or destruction to the buildings or any other property at the Premises.

F. Any insurance proceeds greater than $100,000.00 shall be made payable to both City and Tenant. If Tenant does not commence a required Restoration promptly upon City approval of the plans and specifications for such Restoration, or if the Agreement expires or terminates at any time for any reason prior to application of all insurance proceeds, then all insurance proceeds shall be payable solely to City.

Section 5.14 - Inspection. City shall have the right to inspect the Premises and direct Tenant to make ordinary repairs. City shall provide reasonable notice prior to such inspection, unless in an emergency situation, and shall notify Tenant's representative on the Premises at the beginning of any such inspection.

Section 5.15 - Signs. Any signs installed by Tenant on the Premises shall be limited to those which advertise the perishable goods center operated by Tenant; third party advertising is strictly prohibited. The number, general type, size, design, and location of such signs shall be subject to the prior written approval of the Commissioner.

Section 5.16 - Non-Interference with Airport Operations. The Work and the operations of Tenant and its officials, agents, employees, contractors, guests, patrons, and invitees on the Premises shall be conducted in an orderly and proper manner and shall not otherwise annoy, disturb, or be offensive to others at the Airport. In the event that Tenant is not in compliance with this Section, at the written request of the Commissioner, Tenant shall immediately conform the demeanor or conduct of Tenant or its officials, agents, employees, contractors, guests, patrons, and invitees to the standard set forth in this Section.

Section 5.17 - Access by City. Upon the giving of reasonable notice, which may in certain circumstances determined at the City's sole discretion be only by oral notice, Tenant shall allow City, its officers, agents or employees, free access to the Premises for the purposes of examining them to ascertain if Tenant is performing its obligations under this Agreement, and for conducting such other activities deemed reasonably necessary by the City for the operation of the Airport.

ARTICLE VI - MAINTENANCE AND OPERATION OF AIRPORT

Section 6.01 - Maintenance Obligations. City shall operate and maintain in a manner consistent with that of a reasonably prudent operator of an Airport, and keep in good condition and repair, the runway and the taxiway, roadways, water lines, sewer lines, drainage ditches, additions, improvements, facilities, and equipment, now or hereafter provided by City, serving the Leased Space but located outside the Leased Space, including the removal of snow, ice, vegetation, stones, and other foreign matter, as reasonably as may be done, from the runway and taxiway, connections therefrom, and roadways. Tenant shall maintain the Leased Space and perform general maintenance of

the building systems located in and exclusively serving the Leased Space, including general maintenance of the roof and structural components of the Building appurtenant to the Leased Space. The City will be responsible for capital repairs and replacements of the roof and Shell and Core and other structural components of the Improvements and any building systems not located in and exclusively serving the Tenant's Premises and the repaving and restriping of the parking areas, tarmacs and aprons comprising the Airside Space and Landside Space and any required repairs and replacements of light fixtures in such areas.

Section 6.02 - Tenant's Remedy. In the event that the City fails to cure any failure in its performance of its obligations under Section 6.01 within a reasonable period, and provided that the Airport is not closed at the direction of the City or any other governmental authority or agency as addressed in Section 12.01 hereof, Tenant's sole and exclusive remedies are to cure such default and offset the cost thereof against future payments of Rent as provides in Section 12.07 or terminate this Agreement by providing notice to the City pursuant to the terms of Article XIV hereof.

ARTICLE VII - ADDITIONAL OBLIGATIONS OF TENANT

Section 7.01 - Taxes. Tenant shall pay such taxes or special assessments, if any, which may be levied or assessed upon Tenant's interest in the Premises. Tenant shall provide the Commissioner with copies of all notices relating to such taxes within thirty (30) days of request and shall provide the Commissioner with a receipt indicating payment of such taxes. Nothing herein shall preclude Tenant from contesting such charge or tax, including those taxes or charges enacted or promulgated by City.

Section 7.02 - Utilities. Tenant shall be responsible for payment of all costs of utilities for the Premises, including, but not limited to, water\sewer, electricity and telephone service to the extent separately metered. If utilities are not separately metered, Tenant will cooperate with the City to establish baseline costs after six (6) months of Tenant's operations. Otherwise, Tenant shall pay its proportionate share of such utilities.

Section 7.03 - Permits, Licenses. Tenant shall be responsible for obtaining, at its own expense, all necessary governmental approvals, inspections, permits, or licenses needed in connection with the Premises, any business conducted thereon, or any Work performed thereon.

Section 7.04 - Compliance with All Laws. Tenant shall comply with all applicable federal, state, and local laws, codes, regulations, ordinances, rules, and orders; provided, however, that Tenant may, without being considered to be in breach hereof, contest any such laws so long as such contest is diligently commenced and prosecuted by Tenant and does not jeopardize the health or safety of persons at the Airport or Airport operations.

Section 7.05 - Compliance with City/State Requirements. Tenant agrees to execute such certificates as may be necessary to comply with all applicable Federal, State, and local laws, codes, regulations, ordinances, executive orders, rules, and orders, including without limitation such certifications as are listed below.

A. Economic Disclosure Statement and Affidavit ("EDS"). Tenant has executed an EDS(s), in compliance with 720 ILCS 5/33E-3, 4 and 11(B), as amended; 65 ILCS 5/11-42.1-1; Chapters 2-56, 2-154, and 2-156 of the Municipal Code; and such other statutes, ordinances, regulations and executive orders as may be in effect from time to time. Tenant shall provide updated EDS(s) in the event of any change in circumstance which renders the EDS on file with the City inaccurate or obsolete.

B. Anti-Scofflaw. In accordance with Section 2-92-380 of the Municipal Code of Chicago, and in addition to any other rights and remedies (including any of set-off) available to City under this Agreement or permitted at law or in equity, City shall be entitled to set off a portion of any amounts due Tenant by City under this Agreement in an amount equal to the amount of the fines and penalties for each outstanding parking violation complaint and/or the amount of any debt owed by Tenant to City. For purposes of this section, "outstanding parking violation complaint" means a parking ticket, notice of parking violation or parking violation complaint on which no payment has been made or appearance filed in the Circuit Court of Cook County within the time specified on the complaint, and "debt" means a specified sum of money owed to City for which the period granted for payment has expired.

Notwithstanding the provisions of the immediately preceding paragraph, no such debt(s) or outstanding parking violation complaints shall be offset from any amounts due Tenant from City under this Agreement if one or more of the following conditions are met: (good)

1. Tenant has entered into an agreement with the Department of Revenue, or other appropriate City department, for the payment of all outstanding parking violation complaints and/or debts owed to City and Tenant is in compliance with the agreement; or

2. Tenant is contesting liability for or the amount of the debt in a pending administrative or judicial proceeding; or

3. Tenant has filed a petition in bankruptcy and the debts owed City are dischargeable in bankruptcy.

C. Ethics. Tenant shall comply with Chapter 2-156 of the Municipal Code of Chicago, "Governmental Ethics", including, but not limited to, Section 2-156-120 pursuant to which no payment, gratuity, or offer of employment shall be made in connection with any City contract, by or on behalf of a subcontractor to the prime contractor or higher tier subcontractor or any person associated therewith, as an inducement for the award of a subcontract or order. Any contract negotiated, entered into, or performed in violation of

any of the provisions of such Chapter shall be voidable as to City.

D. MacBride Principles. City, through the passage of the MacBride Principles Ordinance, seeks to promote fair and equal employment opportunities and labor practices for religious minorities in Northern Ireland and provide a better working environment for all citizens in Northern Ireland. If Tenant conducts any business operations in Northern Ireland, it is hereby required that Tenant shall make all reasonable and good faith efforts to conduct any business operations in Northern Ireland in accordance with the MacBride Principles for Northern Ireland as defined in Illinois Public Act 85-1390 (1988 Ill. Laws 3220).

E. Inspector General and Legislative Inspector General. It shall be the duty of Tenant and all officers, directors, agents, partners, and employees of Tenant to cooperate with the Inspector General and Legislative Inspector General of the City in any investigation or hearing undertaken pursuant to Chapter 2-56 or 2-55 of the Code, respectively. Tenant understands and will abide by all provisions of Chapters 2-56 and 2-55 of the Code.

F. Americans with Disabilities Act. Any and all design and construction of Improvements shall comply with all Federal, State and local laws and regulations regarding accessibility standards for disabled or environmentally limited persons including, but not limited to, the following: Americans with Disabilities Act, P.L. 101-336, 42 U.S.C. 12101 *et seq.* and the Uniform Federal Accessibility Guidelines for Buildings and Facilities and the Illinois Environmental Barriers Act, 410 ILCS 25/1 *et seq.*, and the regulations promulgated thereto at 71 Ill. Admin. Code Ch. 1, Sec. 400.110. In the event that the above-cited standards are inconsistent, Tenant shall comply with the standard providing greater accessibility.

G. Conflicts of Interest. Tenant represents and warrants that no member of the governing body of the City or other unit of government and no other officer, employee or agent of the City or other unit of government who exercises any functions or responsibilities in connection with this Agreement has any personal interest, direct or indirect, in this Agreement, or in Tenant. Tenant further covenants that (i) no member of the governing body of the City and no officer, employee or agent of the City or other unit of government exercising any functions or responsibilities in connection with this Agreement shall acquire any personal, financial or economic interest, direct or indirect, in Tenant or this Agreement, and (ii) no member of or delegate to the Congress of the United States or the Illinois General Assembly and no alderman of the City or employee of the City shall be admitted to any share or part of this Lease or any financial benefit to arise from it.

H. Shakman Accord.

1. The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and the June 24, 2011 "City of

Chicago Plan" (the "City Hiring Plan") entered in Shakman v. Democratic Organization entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United State District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

2. Tenant is aware that City policy prohibits City employees from directing any individual to apply for a position with tenants, either as an employee or as a subcontractor, and from directing tenants to hire an individual as an employee or as a subcontractor. Accordingly, Tenant must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Tenant under this Agreement are employees or subcontractors of Tenant, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Tenant.

3. Tenant will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under the Agreement, or offer employment to any individual to provide services under the Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this policy, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

4. In the event of any communication to Tenant by a City employee or City official in violation of paragraph (2) above, or advocating a violation of paragraph (3) above, Tenant will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General, and also to the Commissioner of the Chicago Department of Aviation.

I. Mayoral Contributions; Executive Order 2011-4.

1. Tenant agrees that it, and any person or entity who directly or indirectly has an ownership or beneficial interest in it of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, its Subcontractors, any person or entity who directly or indirectly has an ownership or beneficial interest in any

Subcontractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Tenant and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fund-raising committee (i) after execution of this Agreement by Tenant, (ii) while this Agreement or any Other Contract is executory, (iii) during the term of this Agreement or any Other Contract between Tenant and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

2. Tenant represents and warrants that since the date of public advertisement of specification, request for qualifications, request for proposals or request for information (or any combination of those requests) or, if not competitively procured, from the date the City approached Tenant or the date the Tenant approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fund-raising committee.

3. Tenant agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fund-raising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fund-raising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fund-raising committee.

4. Tenant agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

5. Tenant agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

6. If Tenant violates this provision or Mayoral Executive Order No. 2011-4 prior to award of the Agreement, the Commissioner may rescind this Agreement.

7. For purposes of this provision:

"Bundle" means to collect contributions from more than one source which are then delivered by one person to the Mayor or to his political fund-raising committee.

"Other Contract" means any other agreement with the City of Chicago to which Tenant is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the city council.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:
(a) they are each other's sole domestic partner, responsible for each other's common welfare; and
(b) neither party is married; and
(c) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
(d) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
(e) two of the following four conditions exist for the partners:
    (i) The partners have been residing together for at least 12 months.
    (ii) The partners have common or joint ownership of a residence.
    (iii) The partners have at least two of the following arrangements:
        a. joint ownership of a motor vehicle;
        b. a joint credit account;
        c. a joint checking account;
        d. a lease for a residence identifying both domestic partners as tenants.
    (iv) Each partner identifies the other partner as a primary beneficiary in a will.

"Political fund-raising committee" means a "political fund-raising committee" as defined in Chapter 2-156 of the Municipal code of Chicago, as amended.

Section 7.06 - Non-discrimination.

A. Federal Requirements. It shall be an unlawful employment practice for Tenant (1) to fail or refuse to hire or to discharge any individual, or otherwise to discriminate against any individual with respect to his compensation, or the terms, conditions, or privileges of his employment, because of such individual Is race, color, religion, sex, age, handicap, or national origin; or (2) to limit, segregate, or classify his employees or applicants for employment in any way which would deprive or tend to deprive any individual of

employment opportunities or otherwise adversely affect his status as an employee, because of such individual's race, color, religion, sex, age, handicap, or national origin. Tenant shall comply with The Civil Rights Act of 1964, 42 U.S.C. sec. 2000 *et seq.* (1981), as amended. Attention is called to: Exec. Order No. 11,246, 30 Fed. Reg. 46,501 (1978); Age Discrimination Act, 42 U.S.C. sec. 6101-6106 (1981); Rehabilitation Act of 1973, 29 U.S.C. sec. 793794 (1981); Americans with Disabilities Act, P.L. 101-336; and 41 C.F.R. Part 60, *et seq.* (1990).

B. State Requirements. Tenant shall comply with the Illinois Human Rights Act, 775 ILCS 5/1-101, et seq., as amended, and any rules and regulations promulgated in accordance therewith, including, but not limited to the Equal Employment Opportunity Clause, 5 Ill. Admin. Code §750 Appendix A. Furthermore, Tenant shall comply with the Discrimination in Public Contracts Act, 775 ILCS 10/0.01 *et seq.*, as amended.

C. City Requirements. Tenant shall comply with the Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 *et seq.* of the Municipal Code of Chicago, as amended. Further, Tenant shall furnish and shall cause each of its contractors to furnish such reports and information as requested by the Chicago Commission on Human Relations.

Section 7.07 - Affirmative Action Program and MBE/WBE Requirements. Tenant assures that it will undertake an affirmative action program which sets forth all applicable Federal standards as required by 14 C.F.R. Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, religion, age, national origin, or sex be excluded from participating in any employment activities covered in 14 C.F.R. Part 152, Subpart E. Tenant assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by Subpart E. Tenant assures that it will require that its covered suborganizations provide assurances to Tenant that they similarly will undertake an affirmative action program and that they will require assurances from their organizations, as required by 14 C.F.R., Part 152, Subpart E, to the same effect. In furtherance thereof, Tenant also agrees to coordinate with the City's Department of Procurement Services so as to comply with the then current City requirements for participation of Minority Business Enterprises and Women's Business Enterprises on construction of any Improvements.

Section 7.08 - Compliance With Environmental Laws

A. Pre-Existing Conditions. For the purposes of this Section 7.08, the presence of any Hazardous Material or Special Waste on or about the Premises that would give rise to liability to any person on the part of Tenant or City, or violate any Environmental Law, shall be known as an Environmental Condition. The City shall be and remain responsible for any Environmental Condition, whether known or unknown, that exists on or about the Premises as of the date that the Tenant takes occupancy of the Premises (a "Preexisting Environmental Condition").

B. Compliance with Environmental Laws

1. Tenant shall comply with all laws relating to the environment, including, without limitation, those relating to fines, orders, injunctions, penalties, damages, contribution, cost recovery, compensation, losses or injuries resulting from the release or threatened release of Hazardous Materials, Special Wastes or other contaminants into the environment and to the generation, use, storage, transportation, or disposal of solid wastes, Hazardous Materials, Special Wastes or other contaminants including, without limitation, the Comprehensive Environmental Response and Compensation Liability Act (42 USC § 9601 *et seq.*), the Hazardous Material Transportation Act (49 USC § 1801 *et seq.*), the Resource Conservation and Recovery Act of 1976 (42 USC § 6901 *et seq.*), the Clean Water Act (33 USC § 1251 *et seq.*), the Clean Air Act (42 USC § 7401 *et seq.*), the Toxic Substances Control Act of 1976 (15 USC § 2601 *et seq.*), the Safe Drinking Water Act (42 USC § 300f), the Occupational Safety and Health Act of 1970 (29 USC § 651 *et seq.*), the Emergency Planning and Community Right-to-Know Act (42 USC § 11001 *et seq.*), the Illinois Environmental Protection Act (415 ILCS 5/1 *et seq.*), and the Municipal Code of Chicago; additionally, any analogous future or present local, state or federal ordinance or statute, rule and regulation promulgated under or pursuant to the foregoing, and any other present or future law, ordinance, rule, regulation, permit or permit condition, order, or directive which regulates, relates to, imposes liability for or establishes standards of conduct concerning any Hazardous Materials that may be set forth by the Federal government, any state or any political subdivision thereof, or any agency, court or body of the Federal government, any state or any political subdivision thereof exercising executive, legislative, judicial, regulatory or administrative functions (collectively, "Environmental Laws").

2. If Tenant is required pursuant to any Environmental Laws to file any notice or report of a release or threatened release of Hazardous Materials or Special Wastes on, under or about the Premises, Tenant shall provide a copy of such report or notice to the City. In the event of a release or threatened release of Hazardous Materials or Special Waste into the environment, or in the event of any claim, demand, action or notice is made against Tenant regarding Tenant's failure or alleged failure to comply with any Environmental Law, Tenant shall immediately notify the City.

3. City shall have reasonable access to the Premises to inspect the same to confirm that Tenant is using the Premises in accordance with Environmental Laws. Tenant, at the reasonable request of City and at Tenant's expense, shall conduct such testing and analysis as is necessary to ascertain whether Tenant is using the Premises in compliance with all Environment Laws. Any such tests shall be conducted by qualified independent environmental consultants chosen by Tenant and subject to City's reasonable approval. Copies of any reports or test results shall be provided to City.

4. In addition to any other remedy afforded at law, in equity or by the terms of this Agreement, if Tenant fails to comply with any Environmental Law which results in, or may result in, a material adverse impact to the Premises or potential liability to the City, the City may (i) enter the Premises and take necessary measures to insure compliance with Environmental Laws, including, but not limited to, testing and soil sampling, all at Tenant's expense, and/or (ii) terminate this Agreement in accordance with the default provisions of this Agreement.

5. City makes no warranty, express or implied, regarding the condition of any underground storage tanks on the Premises, the presence of Hazardous Materials and Special Wastes on the Premises, that the Premises are free of Hazardous Materials and Special Wastes, or any other environmental contaminant. Subject to the limitations set forth in Sections 7.08(A) and 7.10 as to Preexisting Environmental Conditions, in the event that City is named in any enforcement action or lawsuit by any party in connection with the environmental condition of the Premises or Improvements thereon, Tenant shall defend City and indemnify City for any costs, damages or fines that might be found against City; provided, however, that Tenant shall not be held accountable by the City under this Agreement in the event that contamination is the result of a Preexisting Environmental Condition, a third party leasing space in the Building or traversing a right of way on the Premises or the negligence of the City. Tenant's obligation to indemnify the City pursuant to this section in no other way limits nor is limited by any other indemnification provided in this Agreement.

6. Tenant's liability and obligations under this Section 7.08 shall survive the termination of this Agreement, in whole or in part. Tenant hereby waives any right of action or claim pursuant to any Environmental Law against the City, its officers, officials, agents or employees except for any Environmental Condition directly caused by the City after the Effective Date.

C. Environmental Permits

1. Tenant must show evidence of, and keep current throughout the term of this Agreement, all waste hauling, Special Waste hauling, disposal permits and insurance certificates required by Federal, state, City or other local governmental body or agency pursuant to any Environmental Law.

2. When requested by the Commissioner, Tenant shall submit copies of all hauling permits required by any Environmental Law. Copies of all permits and insurance certificates that require periodic renewal must be forwarded to the Commissioner throughout the duration of this Agreement. Non-compliance with this requirement may be cause for termination of this Agreement.

3. Environmental Records and Reports: Tenant shall be required to prepare and maintain proper, accurate and complete records of accounts of all transactions related to the operations of this Agreement, including, but not limited to, the following:

a. Vehicle maintenance records
b. Safety and accident reports
c. IEPA or OSHA manifests
d. Disposal records, including disposal site used, date, truck number and disposal weight.
e. Permit documentation and all other documentation and transactions pertaining to all Environmental Laws.

All such records and accounts shall be subject to review by the City and shall be made available to the City upon the request of the Commissioner. The City's review of any such records and accounts shall in no way serve to limit Tenant's obligations or liability under the terms and conditions of this Agreement or any Environmental Law.

D. Disposal of Materials, Construction and Demolition Debris, Soil and Waste

1. Tenant shall be responsible for the proper disposal of all materials, construction and demolition debris, soil and other waste generated by Tenant's business operations, including but not limited to the construction of Improvements, or Tenant's activities as set forth in Section 7.08. Hauling and disposal by a subcontractor does not relieve Tenant from responsibility for proper disposal. Disposal of all materials, construction debris, soil, and other wastes shall be at a disposal site that is properly licensed and permitted to accept the particular materials, construction debris, soil and other wastes delivered to it in accordance with all Environmental Laws. Tenant shall identify the disposal site(s) or transfer station(s) to which it has contractual access and for which proper, sanitary landfill permits and/or licenses have been obtained. Failure to identify disposal site(s) for materials, construction debris, soil and other wastes or to submit such information when requested by the Commissioner may be cause to terminate this Agreement.

2. Upon request by the Commissioner, Tenant shall provide the Commissioner with copies of all load tickets, manifests, bills of lading, scale tickets and other pertinent documents, including copies of all permits and/or licenses for the proposed transfer station and/or landfill. In the event that the transfer station and/or landfill proposed for use by Tenant does not possess the necessary permits and/or licenses to accept the materials, construction debris, soil or other wastes, Tenant will replace the transfer station and/or landfill submitted as part of their bid proposal at no additional cost to the City. If Tenant disposes of materials, construction debris, soil or other wastes at a site which is not properly permitted, Tenant shall be responsible for all costs associated with the removal of the waste to a properly

licensed/permitted landfill or disposal site.

3. Tenant shall accept full responsibility for compliance with all Environmental Laws and must comply with all present and future laws, orders and regulations and any rules and regulations promulgated by the Commissioner regarding the separation, sorting and recycling of garbage, refuse and trash, including but not limited to those policies, rules and regulations incorporated in the Sustainable Airport Manual.

4. Tenant shall notify the Commissioner within 24 hours of receipt of any environmental complaints, fines, citations, violations or notices of violation ("Claim") by any governmental body or regulatory agency against Tenant or by any third party relating to the loading, hauling or disposal of materials, construction debris, soil or other wastes. Tenant will provide evidence to the Commissioner that any such Claim has been addressed to the satisfaction of the issuer or initiator of such Claim.

5. Tenant shall notify the City of any community meetings, media involvement or media coverage related to the loading, hauling or disposal of materials, construction debris, soil and other wastes under this Agreement in which Tenant is asked to participate.

6. Tenant shall verify, in writing, whenever requested by the Commissioner, that all materials, construction debris, and other waste accepted by Tenant from the City of Chicago, has been disposed of in compliance with all Environmental Laws.

7. Non-compliance with these terms and conditions may affect Tenant's eligibility for future contracts.

E. Equipment and Environmental Control During Transport. Tenant shall haul materials, including but not limited to fuel of any nature, any construction debris, soil and other wastes in vehicles and/or containers complying with all applicable Environmental Laws. All equipment used to transfer materials, construction and demolition debris, soil and other wastes shall be designed to prevent spillage during the hauling operation. Tenant's equipment shall fully comply with all City, state and federal regulations, laws and ordinances pertaining to size, load weight, safety and any Environmental Law.

F. Open Dumping Prohibited. Tenant's must identify debris and waste disposal/handling site(s) and acknowledge terms and conditions relating thereto in a form approved by the Commissioner (the "Form") and provided to the Commissioner before any debris or waste is removed from the Premises for disposal or handling elsewhere. In addition to the representations and requirements that may be contained in the Form, Tenant understands and agrees that Tenant, unless otherwise authorized in writing by the City's Commissioner of Environment, shall not continue to use a disposal/handling site identified in the Form that (i) has been cited as being in violation of any environmental law or regulation or of any City ordinance or (ii) does not have a necessary permit. If only one site was identified in the

Form, Tenant shall arrange for a substitute disposal/handling site which meets the requirements specified in the Form and provide a revised Form to the Commissioner of Environment. Tenant further understands and agrees that any such substitution shall be at no additional cost to the City, regardless of the reason necessitating such substitution.

Section 7.09 - Contractors. Tenant agrees that all of the provisions set forth in Sections 7.03 through and including 7.07 of this Article 7 will be incorporated in all contracts entered into with any suppliers of materials, furnishers of services, contractors of any tier, and labor organizations which furnish skilled, unskilled, and craft union skilled labor, or which may provide any materials, labor, or services in connection with this Agreement for amounts of $10,000 or more. Tenant agrees to cause its contractors to execute such certificates as may be necessary in furtherance of these provisions. Such certifications shall be attached and incorporated by reference in the contracts. In the event that any contractor is a partnership or joint venture, Tenant shall also include provisions in its contract insuring that the entities comprising such partnership or joint venture shall be jointly and severally liable for its obligations thereunder.

Section 7.10 - Indemnification. Subject to those limitations set forth in Section 7.08(A) hereof, and in addition to the indemnifications set forth in Article XI hereof, Tenant hereby indemnifies and agrees to defend and hold harmless the City, its agents, partners, officers, representatives and employees, from all Claims arising from or attributable to: (a) the presence due to Tenant's operations of Hazardous Materials and Special Wastes on the Premises or the subsurface thereof or the violation of any Environmental Laws due to Tenant's operations (including, without limiting the generality thereof, any cost, claim, liability, or defense expended in remediation required by a governmental authority, or by reason of any release of any Hazardous Material or Special Waste due to Tenant's operations or violation of any Environmental Laws), or (b) any aggravation of any condition on the Premises caused, directly or indirectly, by Tenant's operations, or (c) any breach by Tenant of any of its warranties, representations or covenants in this Article VII. Tenant's obligations hereunder shall survive the termination or expiration of this Agreement, and shall not be affected in any way by the amount of or absence in any case of covering insurance or by the failure or refusal of any insurance carrier to perform any obligation on its part under any insurance policies affecting the Premises or Tenant's operations at the Airport.

ARTICLE VIII - AIRPORT MATTERS

Section 8.01 - Airport Rules and Regulations. Tenant shall observe and obey all Airport rules and regulations governing the conduct and operations of the Airport, promulgated from time to time by City, provided, however, that such Airport rules and regulations must be neither (i) inconsistent with the exercise by Tenant of any right or privilege granted to it hereunder or under any other agreement between Tenant and City relating to the Airport, nor (ii) inconsistent with the rules and regulations or orders of any Federal or State agency having jurisdiction over the Airport. Except in cases of emergency, no such rule or

regulation shall be applicable to Tenant unless it has been given fifteen (15) days prior written notice of the adoption thereof.

Section 8.02 - Other Legal Requirements. Tenant shall comply, and shall cause its contractors to comply, with all applicable federal, state and local laws, codes, regulations, ordinances, rules and orders including, without limitation, those promulgated by the FAA and the TSA, which shall include, but not be limited to, the following:

A. Prohibition Against Exclusive Rights. It is hereby specifically understood and agreed that nothing contained in this Agreement shall be construed to grant or authorize the grant to Tenant of an exclusive right to use Airport facilities or to provide aeronautical services to the public as prohibited by Section 308(a) of the Federal Aviation Act of 1958, as amended, and City reserves the right to grant to others at the Airport similar privileges and rights.

B. Subordination of Agreement. Tenant covenants and agrees that this Agreement shall be subordinated to the provisions of any existing or future agreement between the City and the United States Government, the execution of which has been or will be required as a condition precedent to the granting of Federal funds for the development of the Airport. Tenant further agrees that it shall not cause the City to violate any assurances made by the City to the Federal government in connection with the granting of such Federal funds.

C. Non-discrimination in the Use of the Premises. This Agreement involves the use of or access to space on, over, or under real property acquired or improved under the Airport Development Aid Program of the Federal Aviation Administration, and therefore involves activity which serves the public. Tenant, for itself, its personal representatives, successors in interest, and assigns, as part of the consideration hereof, does hereby covenant and agree, as a covenant running with the land, that (a) no person on the grounds of race, creed, color, religion, age, sex, or national origin shall be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination in the use of said facilities; (b) that no person on the grounds of race, creed, color, religion, age, sex, or national origin shall be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination in the construction of Improvements on, over, or under such land and the furnishing of services thereon; and (c) that Tenant shall use the Premises in compliance with all other requirements imposed by or pursuant to regulations of the U.S. Department of Transportation. In the event of a breach of the above nondiscrimination-covenants by Tenant, City shall have the right to terminate this Agreement and to reenter and repossess the Premises and the facilities thereon, and hold the same as if this Agreement had never been executed.

D. Non-Discrimination in Furnishing Services. Tenant agrees that it shall provide its services and products promptly, efficiently and adequately to meet all reasonable demands therefor, all on a fair and non-discriminatory basis to all users thereof, at charges which are fair, reasonable and non-discriminatory; provided that reasonable discounts, rebates or

other similar types of price reductions may be made to volume purchasers.

Section 8.03 - Airport Agreements. Tenant's use and occupancy of the Premises shall be and remain subject to (i) the provisions of any existing or future agreements between City and the United States government, FAA or other governmental authority, relative to the operation or maintenance of the Airport, the execution of which has been or will be required as a condition precedent to the granting of federal or other government funds, including, without limitation, grant agreements, and (ii) any use agreement heretofore or hereafter executed by the City with airlines operating at the Airport, including, without limitation, the O'Hare Airport Use Agreement and Facilities Lease and any ordinance or indenture, or both, authorizing bond anticipation notes or bonds or other obligations adopted by the City Council of the City authorizing the issuance of notes, bonds or other obligations for the Airport and securing such obligations by a pledge of revenues or net revenues of the Airport and any ordinance or indenture supplemental thereto, which shall also include any master indenture.

Section 8.04 - Airport Security Acts. This Agreement is expressly subject to the Airport Security Acts, as amended from time to time, the provisions of which are hereby incorporated by reference, including, without limitation all rules and regulations promulgated thereunder. Tenant and its employees, contractors, subcontractors, suppliers of materials, or providers of services are subject to such employment investigations, including criminal history record checks, as the Commissioner, the TSA or the FAA may deem necessary. Further, in the event of any threat to civil aviation, as defined in the Airport Security Acts, Tenant shall promptly report any information in accordance with those regulations promulgated by the Secretary of the United States Department of Transportation, the Secretary of the Department of Homeland Security and the City. Tenant shall, notwithstanding anything contained herein to the contrary, at no additional cost to City, perform under this Agreement in compliance with those directives guidelines developed by City, the TSA and the FAA with the objective of maximum security enhancement, including without limitation any confidentiality directives and guidelines established by the TSA with respect to information that has been deemed by the TSA to be Security Sensitive Information.

Section 8.05 - Airport Noise Restrictions. Tenant agrees to abide by any guidelines, rules or regulations for the Airport which result from any Part 150 study or any other restrictions imposed on noise and which are applicable to the use of the Premises as an flight kitchen facility or otherwise.

Section 8.06 - Regulating the Airport; Airport Operation. City reserves the right to regulate, police and further develop, improve, reconstruct, modify or otherwise alter the Airport in City's sole discretion. City reserves the right, but shall not be obligated to Tenant, to maintain and keep in repair the landing area of the Airport and all publicly-owned facilities of the Airport. City shall not have any obligation to continue to operate the Airport or any part as an airport for passenger or freight air transportation or at any particular level of operation and may at any time limit or discontinue use of the Airport or

any means of access to or within the Airport in whole or in part, whereupon Tenant shall have the option to terminate this Lease and the City shall pay Tenant's relocation costs in the same manner as provided in Section 2.03 (ii) for the Tenant's rejection of Relocation Space. This provision shall not be interpreted to grant a right to limit or discontinue means of access to the Premises by Tenant from outside the Airport from dedicated public streets.

ARTICLE IX - EXERCISE BY CITY OF GOVERNMENTAL FUNCTIONS

Nothing contained herein shall impair the right of City, in the exercise of its governmental functions, to require Tenant to pay any tax or inspection fees or to procure necessary permits or licenses. Nothing herein shall be construed to prevent Tenant from contesting in good faith any tax or inspection fee so long as such contest is diligently commenced and prosecuted by Tenant.

Nothing contained herein shall be deemed to be the grant of any franchise, license, permit or consent to Tenant to operate motor coaches, buses, taxicabs or other vehicles carrying passengers or property for hire or other consideration over the public ways to and from the Airport.

ARTICLE X - INSURANCE

Tenant shall provide and maintain at all times, at Tenant's own expense during the term of the Agreement and during any period subsequent to the expiration of the Term if Tenant is required to return to perform Work or perform any activities to comply with any Environmental Law, the types of insurance specified in Exhibit D, with insurance companies authorized to do business in the State of Illinois, covering all operations under this Agreement, whether performed by Tenant, its contractors or subcontractors.

City shall be responsible for providing replacement cost all risk casualty insurance covering the Building.

ARTICLE XI - INDEMNIFICATION BY TENANT

Section 11.01 - Indemnity. Tenant agrees to protect, defend, indemnify, keep, save and hold the City of Chicago, its officers, officials, employees and agents (collectively **"City Indemnified Parties"**) free and harmless from and against any and all liabilities, losses, penalties, damages, settlements, costs, charges, professional fees or other expenses or liabilities of every kind, nature and character arising out of or relating to any and all claims, liens, demands, obligations, actions, suits, judgments or settlements, proceedings or causes of action of every kind, nature and character (collectively **"Claims"**) in connection with or arising directly or indirectly out of the performance or failure to perform hereunder by Tenant, its officials, agents, employees, and subcontractors, including but not limited to, the enforcement of this indemnification provision, except for Claims shown by final

judgment to have been caused by or attributable to the Indemnified Parties' negligence, in which event the Indemnified Parties shall contribute to the payment of damages decreed by judgment, and the actual costs of defense borne by Tenant not otherwise covered by insurance, to the extent the Indemnified Parties are found liable by such judgment. Without limiting the foregoing, any and all such Claims relating to personal injury, death, damage to property, defects in materials or workmanship, actual or alleged infringement of any patent, trademark, copyright or of any other tangible or intangible personal property right, actual or alleged employment discrimination or wrongful discharge, or any actual or alleged violation of any applicable statute, ordinance, order, rule or regulation, or decree of any court, shall be included in the indemnity hereunder. The foregoing indemnity provision excludes the negligence of the Indemnified Parties to the extent prohibited by 740 ILCS 35/1 *et seq.* (Construction Contract for Indemnification Act) and/or 740 ILCS 150/0.01 *et seq.* (Structural Work Act), respectively. Tenant further agrees to investigate, handle, respond to, provide defense for and defend all suits for any and all Claims, at its sole expense and agrees to bear all other costs and expenses related thereto, even if the Claims are considered groundless, false or fraudulent.

The Indemnified Parties shall have the right, at their respective options and cost, to participate in the defense of any suit, without relieving Tenant of any of its obligations under this indemnity provision, provided that the Indemnified Parties and their respective attorneys shall coordinate and cooperate with Tenant's attorneys. Tenant further expressly understands and agrees that the requirements set forth in this indemnity to protect, defend, indemnify, keep, save and hold the Indemnified Parties free and harmless are separate from and not limited by Tenant's responsibility to obtain insurance pursuant to other Sections in this Agreement. Further, the indemnities contained in this Section shall survive the expiration or termination of this Agreement.

Section 11.02 - Release of City.

A. The City shall not be liable to Tenant, or to Tenant's agents, representatives, contractors, subcontractors, or employees, for any injury to, or death of, any of them or of any other person, or for any damage to any of Tenant's property, or loss of revenue caused by any third person in the maintenance, construction, or operation of facilities at the Airport, or caused by City or any third person using the Airport or navigating any aircraft on or over the Airport, except where there has been a final determination by a court of competent jurisdiction that any injury, death, or damage is due to the negligence or willful misconduct of City, and only to the extent Tenant or any of the above described parties is not covered by insurance.

B. The City shall not be liable to Tenant for damage to property of Tenant or any loss of revenues to Tenant resulting from City's acts or omissions in the maintenance and operation of the Airport, except where there has been a final determination by a court of competent jurisdiction that such damage or loss has been caused by the negligence or willful misconduct of City, and then only to the extent Tenant is not reimbursed by insurance.

C. Notwithstanding any reference herein to Tenant's release and indemnification being ineffective in certain instances where City or its agents, employees or representatives have been negligent, nothing herein shall be construed to make City liable in any case or instance where City would otherwise be immune from any tort liability because of its being a municipal corporation.

Section 11.03 - Non-Liability of Public Officials/Tenant's Shareholders. No official, employee, or agent of City shall be charged personally by Tenant, or by any assignee or contractor of Tenant, with any liability or expenses of defense, or be held personally liable to them under any term or provision of this Agreement, or because of City's execution or attempted execution hereof, or because of any breach hereof. Except to the extent permitted by law, no officer, shareholder or employee of the Tenant shall be charged personally by the City with any liability or expenses of defense, or be held personally liable to the City under any term or provision of this Agreement, or because of Tenant's execution of this Agreement, or because of any breach hereof by Tenant.

Section 11.04 - Limitation on City Liability. City, its officers, directors, commissioners, agents and employees, shall, to the extent permitted by law, have absolutely no personal liability with respect to any provision of this Agreement or any obligation or liability arising from this Agreement or in connection with this Agreement or the Premises in the event of a breach or default by City of any of its obligations. Tenant (and any person claiming by or through Tenant) shall look solely to legally available Airport discretionary funds from time to time up to the Maximum Limit. The term "Maximum Limit" means the fair market value of the City's interest in the Premises, as encumbered by this Agreement. The Maximum Limit shall be an aggregate limit over the term of this Agreement and shall be reduced by any prior payments or credits by City on account of a breach or default (or alleged breach or default) made with respect to the Premises. The Maximum Limit shall be determined as of the date of the City's liability for any breach or default is adjudicated. Such limitation of liability shall be absolute to the full extent permitted by law and without any exception whatsoever.

Section 11.05 - City Approvals. Nothing herein is intended nor shall it be construed to provide any limitation upon Tenant's obligation to comply with the terms and conditions of this Agreement. No City review or approval of any act of Tenant or document provided by Tenant, including, but not limited to, plans and specifications, shall in any way serve to attenuate, diminish or otherwise limit Tenant's obligations hereunder, nor shall any such review or approval constitute a waiver by the City of any non-compliance with the terms and conditions of this Agreement. Unless otherwise required by law or as expressly provided otherwise in this Agreement, any City review or approval required by this Agreement is deemed to mean the review or approval of the Commissioner.

Section 11.06 - Survival Beyond Termination of this Agreement. Tenant's obligations under Section 7.08, Section 7.10, and Article XI shall survive the termination or expiration of this Agreement.

ARTICLE XII - DEFAULT AND TERMINATION

Section 12.01 - Events of Default. Each of the following is an event of default under this Agreement:

A. Tenant becomes insolvent (as such terms is defined under Section 101 of the Federal Bankruptcy Code, 11 U.S.C. 101 *et seq.* (the "Code"), or any successor statute thereto); or fails to pay its debts generally as they mature; or takes the benefits of any present or future federal or state insolvency statute; or makes a general assignment for the benefit of creditors.

B. Tenant files a voluntary petition in bankruptcy or a petition or answer seeking an arrangement of its indebtedness under the Code or under any other law or statute of the United States or of any State thereof; or consent to the appointment of a receiver trustee, custodian, liquidator, or other similar official, of all or substantially all of its property; or an order for relief is entered by or against Tenant under any chapter of the Code.

C. By order or decree of a court, Tenant is adjudged a debtor or bankrupt, or an order is made approving a petition filed by any of its creditors or by any of its stockholders, seeking its reorganization or the restructuring of its indebtedness under the Code or under any other law or statute of the United States or any state thereof and such order or decree is not stayed or vacated within ninety (90) days of its issuance.

D. A petition under any chapter of the Code or an action under any federal or state insolvency statute is filed against Tenant and is not dismissed or stayed within ninety (90) days after being filed.

E. By or pursuant to, or under authority of any legislative act, resolution or rule, or order or decree of any court or governmental board, agency or officer, a receiver, trustee, custodian, liquidator, or other similar official takes possession or control of all or substantially all of the property of Tenant and such possession or control continues in effect for a period of ninety (90) days.

F. Tenant becomes a corporation in dissolution and such dissolution continues in effect for more than thirty (30) days.

G. The letting, license, or other interest of or rights of Tenant hereunder is transferred to, passed to, or devolved upon, by operation of law or otherwise, any other person, firm, corporation, or other entity, by, in connection with, or as a result of any bankruptcy, insolvency, trusteeship, liquidation or other proceedings or occurrence described in Subparagraphs (A) through (E) of this Section 12.01.

H. Tenant fails to duly and punctually pay any Rent required to be paid hereunder or fails to make payment when due of any other sum required to be paid to City pursuant to

this Agreement, for a period of five (5) business days after written notice specifying such failure and requesting that it be remedied is given to Tenant by City.

I. Tenant fails to keep, perform, and observe any promise, covenant, or other provision of this Agreement, other than the obligation to pay Rent, for a period of thirty (30) days after written notice specifying such failure and requesting that it be remedied is given to Tenant by City; provided, however, that any such failure which can be remedied, but which cannot with due diligence be remedied within such thirty (30) day period, shall not give rise to City's right to terminate this Agreement if corrective action is instituted by Tenant within such thirty (30) day period and diligently pursued until the failure is remedied.

J. Any lien is filed against the Premises or any portion thereof resulting from any act or omission of Tenant, and is not discharged within thirty (30) days, unless Tenant within the aforesaid thirty (30) days furnishes the City such security as the Commissioner in his discretion determines to be adequate to protect the interests of City.

K. Tenant ceases using or abandons substantially all of the Premises for a consecutive period of ninety (90) days.

L. Tenant makes any purported Transfer without the consent of City as set forth in Article XIV.

M. Tenant fails to maintain its corporate existence, or fails to remain duly qualified to do business in the State of Illinois, and it is not cured within thirty (30) days or Tenant dissolves or otherwise disposes of all or substantially all of its assets, or consolidates with or merges into another corporation; provided, however, that it shall not be an Event of Default if Tenant consolidates with or merges into an Affiliate; or

N. Tenant fails to receive authorization to conduct fixed base operations or general aviation functions at the Airport by any governmental entity, or the FAA objects to or disapproves this Agreement.

Section 12.02 - City's Remedies.

A. Whenever an Event of Default has occurred and is continuing, City may, at its option, immediately and without prior notice of such Event of Default:

1. terminate this Agreement and the licenses and other rights of Tenant hereunder, without discharging any of Tenant's obligations hereunder and, at City's further option, exclude Tenant from the Premises; or

2. without terminating this Agreement, exclude Tenant from the Premises and attempt to grant such Premises to another party for the account of Tenant, holding Tenant liable for all payments due hereunder up to the effective date of such grant and for the excess over the Rent and other amounts which are paid by such new

party under such new agreement, if any, of other amounts payable by Tenant under this Agreement for the remainder of the term of this Agreement.

B. The remedies set forth in this Article are in addition to all other remedies which are or may be available to City at law or in equity. In addition, City may, from time to time, take whatever action at law or in equity appears necessary or desirable to collect Rent and any other amounts payable by Tenant hereunder then due and thereafter to become due, and to enforce the performance and observance of any obligation, agreement, or covenant of Tenant under this Agreement.

C. All rights and remedies hereinbefore given to City and all rights and remedies given to City by law, shall be cumulative and concurrent. No termination of this Agreement or the taking or recovering of the Premises shall deprive City of any of City's remedies or actions against Tenant for Rent or for any other sum required to be paid to City pursuant to this Agreement, or for damages or for the breach of any covenant herein contained, nor shall the bringing of any action for fees or breach of covenant, or the resort to any other remedy herein provided for the recovery of fees be construed as a waiver of the right to obtain possession of the Premises.

Section 12.03 - Removal of Tenant's Property.

A. Tenant's F, F and E financed with funds other than Special Facility Revenue Bonds or other City funds and placed or installed by Tenant in the Premises shall remain the property of Tenant and must be removed on or before the expiration of the term or the expiration of any extension or renewal thereof at Tenant's sole risk and expense. Any damage to the Airport, the Premises, or any fixtures located therein, resulting from such removal shall be paid for by Tenant. In the event of the termination of this Agreement, by default or otherwise, Tenant shall have thirty (30) days after such termination during which to remove such property; provided, however, City shall have the right to assert such liens against said property as City may by law be permitted. So long as any such property remains in the Premises, Tenant's obligation to pay City Rent and any other sums which may be due the City under the Agreement shall continue.

B. If Tenant's property is not removed as herein provided, City may, at its option, deem such property abandoned and keep such property or after written notice to Tenant and at Tenant's sole risk and expense, remove such property to a public warehouse for deposit, or retain the same in City's possession and after the expiration of thirty (30) days sell the same, with notice and in accordance with applicable law, the proceeds of which shall be applied first to the expenses of such removal and sale, second to any sum owed by Tenant to City, and any balance remaining shall be paid to Tenant.

Section 12.04 - Condemnation.

A. Any condemnation or taking of such a substantial part of the Land, the Improvements or the Premises that results in the Premises being unsuitable or incapable

of being used for the purposes stated herein, is hereafter referred to as a "Total Taking." In the event of a Total Taking, this Agreement shall be terminated as of the date of the filing of the petition to condemn. Tenant may thereafter petition the Court for an award of the value of its interest, which may include the amount of the unamortized construction costs under Section 4.05. Tenant shall apply any such award to the defeasance of any outstanding Special Facility Revenue Bonds issued by the City for use and repayment by Tenant.

B. In the event of a taking of the Premises other than a Total Taking (a "Partial Taking"), this Agreement shall remain in effect as to the remaining portion of the Premises and, if the proceeds of any award received by City on account of such Partial Taking are sufficient to restore or replace the Premises so taken, City shall deposit the proceeds of the award with respect to the Premises in a construction fund and City shall forthwith (subject to unavoidable delays) apply such proceeds to the restoration or replacement of the Premises so taken as nearly as possible to (i) such condition, character, and utility value as existed prior to such Partial Taking or (ii) to such other condition, character, and value as may be agreed upon by City and Tenant. If for any reason the proceeds of an award received by City for a Partial Taking are in excess of the amount necessary to restore or replace the Premises, the amount of such excess shall be paid to City. If such proceeds are insufficient to replace or restore the Premises as provided in (i) and (ii) above, City shall not be required to restore or replace in excess of the proceeds of such awards.

Section 12.05 - No Waiver by City. Failure by City to take any action with respect to any default or violation by Tenant of any of the terms, covenants, or conditions of this Agreement shall not in any respect limit, prejudice, diminish, or constitute a waiver of any rights of City to act with respect to any prior, contemporaneous, or subsequent violation or default. The acceptance by City of payment for any period or periods after a default or violation of any of the terms, conditions, and covenants of this Agreement shall not constitute a waiver or diminution of, nor create any limitation upon any right of City pursuant to this Agreement to terminate this Agreement for subsequent violation or default, or for continuation or repetition of the original violation or default.

Section 12.06 - City's Right to Perform Tenant's Obligations.

A. In the event that Tenant fails to perform any of its obligations under this Agreement, the City may, but is not obligated to, upon prior written notice to Tenant,, and without waiving or releasing Tenant form any of its obligations hereunder, make any payment or perform any other act which Tenant is obligated to make or perform under this Agreement in such manner and to such extent as City may deem desirable; and in so doing city shall also have the right to enter upon the Premises, including any Improvement to the Premises, for any purpose reasonably necessary in connection therewith and to pay or incur any other necessary and incidental costs and expenses, including reasonable attorneys' fees. All sums so paid and all liabilities so incurred by City, together with interest thereon at the lesser of the then current Default Rate or the highest interest rate permitted by law, shall be deemed additional Rent hereunder and shall be payable to City upon

demand as additional Rent. City shall use reasonable efforts to give prior notice, which may be oral, of its performance, if reasonably feasible under the circumstances.

B. The performance of any such obligation by City shall not constitute a waiver of Tenant's default in failing to perform the same. Inaction of City shall never be considered as a waiver of any right accruing to it pursuant to this Agreement. City, in making any payment hereby authorized: (a) relating to taxes, may do so according to any bill, statement or estimate, without inquiry into the validity of any tax, assessment, sale, forfeiture, tax lien or title or claim thereof; (b) for the discharge, compromise or settlement of any lien, may do so without inquiry as to the validity or amount of any claim for lien which may be asserted; or (c) in connection with the completion of construction of Improvements to the Premises or the repair, maintenance or reconstruction of Improvements to the Premises or payment of operating costs thereof, may do so in such amounts and to such persons as City may reasonably deem appropriate. Nothing contained herein shall be construed to require the City to advance monies for any purpose. City shall not in any event be liable for inconvenience, annoyance, disturbance, loss of business or other damage to Tenant or any other occupant of the Premises or any part thereof, by reason of making repairs or the performance of any work on the Premises or on account of bringing materials, supplies and equipment into or through the Premises during the course thereof and the obligations of Tenant under this Lease shall not thereby be affected in any manner. In doing so, however, City shall use reasonable efforts not to interfere with Tenant's operations.

Section 12.07 – Tenant's Right to Perform City's Obligations. In the event that the City fails to perform any of its obligations under Section 7.08 to remediate Preexisting Environmental Conditions or Section 6.01 with respect to maintenance, the Tenant may, but is not obligated to, upon prior written notice to the City, and without waiving or releasing the City from any of its obligations hereunder, make any perform any other obligation in such manner and to such extent as Tenant may deem desirable. All sums so paid and all liabilities so incurred by the Tenant, together with interest thereon at the lesser of the then current Default Rate or the highest interest rate permitted by law, shall be immediately due and payable and may be offset against the Rent payable by the Tenant hereunder.

Section 12.08 - Attorneys' Fees and Expenses. In the event Tenant defaults under this Agreement and City employs attorneys or incurs other expenses for the collection of Rent or any other amounts due hereunder, or for the enforcement or performance or observance of any obligation or agreement on the part of Tenant herein contained, Tenant shall, on demand, pay to City the reasonable fees and expenses of such attorneys and any such other reasonable expenses incurred by City as a result of such default.

ARTICLE XIII - TRANSFERS

Section 13.01 - Tenant's Right to Transfer.

A. Transfers Generally. Tenant covenants that it will not assign, sublet, transfer,

convey, sell, mortgage, pledge, or encumber (any of the foregoing events being referred to as a "Transfer") the Premises or any part thereof, or any rights of Tenant hereunder or any interest of Tenant in this Agreement, or effect any sale of Tenant stock that may have the effect of a Transfer, nor will Tenant allow the use of such Premises hereunder by any other person, except as otherwise provided in Article II of this Agreement, without in each instance having first obtained the prior written consent of City as set forth below. Transfers of interest in the Tenant by devise or descent do not require the Commissioner's consent, however, the Commissioner shall be notified of any such transfer within thirty (30) days of such transfer. Where consent by the City may be granted by the Commissioner, the City agrees such consent will not be withheld or delayed unreasonably.

B. Transfer to an Affiliate. Transfers of this Agreement, in whole or in part, to an Affiliate of Tenant are subject to consent of the Commissioner. The Commissioner will not withhold his consent to such Transfer provided that: (i) the proposed transferee is in compliance with all of the legal requirements of this Agreement, (ii) the proposed transferee demonstrates to the Commissioner's satisfaction that it is sufficiently financially responsible, experienced and capable to perform those obligations of Tenant under this Agreement that Tenant seeks to Transfer, (iii) the proposed transferee assumes all of Tenant's obligations under this Agreement that Tenant seeks to Transfer, (iv) in the Commissioner's sole opinion, the Transfer will not have a material adverse effect upon the Airport, (v) no event of default then exists, and (vi) the transferee executes the City's Economic Disclosure Statement and Affidavit.

C. City Consent. Except where the Transfer is to an Affiliate, the consent of the City Council on behalf of City shall be required for any Transfer of (i) all of the Premises, (ii) all rights of Tenant hereunder, or (iii) all of Tenant's interest in this Agreement. The consent of the Commissioner on behalf of City shall be required for any other Transfer. Consent by City to any type of Transfer described in this Article or elsewhere in this Agreement shall not in any way be construed to relieve Tenant from obtaining further authorization from City for any subsequent Transfer of any nature whatsoever. In determining whether or not to consent to a Transfer, City will take into account those factors (i) through (vi) set forth in the immediately preceding paragraph and, without limitation, the promotion of a competitive environment at the Airport in light of the then-existing circumstances, the proposed use of the Premises by any transferee, the balanced utilization of the Airport facilities, operational considerations relating to the characteristics of the proposed transferee, the financial condition of the proposed transferee, and the impact on City's ability to exercise control over the Airport.

D. Tenant to Remain Primarily Liable. Notwithstanding any Transfer, with or without City consent, Tenant shall remain fully liable for the payment of all of its fees and fully responsible for the performance of all of its other obligations hereunder.

E. Request for City Consent. Any and all requests by Tenant for consent to a Transfer shall be made in writing by certified mail to City and shall include copies of the proposed documents of Transfer. Said documents of Transfer shall completely disclose any and all

considerations made or to be made to Tenant for said Transfer.

F. City's Right to Collect from Transferee. City may collect Rent and other sums to be paid from any assignee, sublessee, or other transferee of Tenant, and in such event shall apply the net amount collected to the Rent and other sums payable by Tenant hereunder without such action by City releasing Tenant from this Agreement or any of its obligations hereunder. If any Transfer requiring City consent occurs without such consent and City collects Rent or other sums payable by Tenant from the transferee and applies the net amount collected in the manner described in the preceding sentence, such actions by City shall not be deemed to be consent to the Transfer.

G. Transfers Without City Consent Void. Any Transfer without the written consent of the City as provided for herein shall be void and of no effect.

Section 13.02 - City Right to Transfer. The City reserves the right to transfer all or any part of its interests hereunder, including but not limited to the assignment of this Agreement in its entirety to a private operator of the Airport.

ARTICLE XV - MISCELLANEOUS

Section 15.01 - Entire Agreement. This Agreement, and the exhibits attached hereto and incorporated hereby, shall constitute the entire agreement between the parties and no other warranties, inducements, considerations, promises, or interpretations shall be implied or impressed upon this Agreement that are not expressly addressed herein and therein.

Section 15.02 - Counterparts. This Agreement is comprised of several identical counterparts, each to be fully executed by the parties and each to be deemed an original having identical legal effect.

Section 15.03 - Amendments. No changes, amendments, modifications, cancellation, or discharge of this Agreement, or any part thereof, shall be valid unless in writing and signed by the parties hereto, or their respective successors and assigns.

Section 15.04 - No Partnership or Agency. Nothing herein contained as intended or shall be construed to in any respect create or establish any relationship other than that of lessor and lessee, and nothing herein shall be construed to establish any partnership, joint venture, or association or to make Tenant the general representative or agent of City for any purpose whatsoever.

Section 15.05 - Representatives. City and Tenant shall each designate a representative who, except as otherwise provided hereunder, shall be authorized to act for City and Tenant, respectively, with respect to any actions to be taken by either of them under the terms of this Agreement. Except as specifically set forth herein, for the purposes of actions to be taken by it or by the Commissioner, City's representative shall be the Commissioner. Tenant's representative shall be designated in a written notice delivered to City. Any party hereto may change its designated representative by notice to the other party.

Section 15.06 - Force Majeure.

A. Neither party hereto shall be liable to the other for any failure, delay, or interruption in performing its obligations hereunder due to causes or conditions beyond its control, including, without limiting the generality hereof, strikes, boycotts, picketing, slow-downs, work stoppages, or other labor actions affecting City or Tenant, their respective contractors or subcontractors, except to the extent that such failure, delay or interruption is the result of the negligence of that party; provided that nothing in this Section is intended or shall be construed to abate, postpone, or in any respect diminish Tenant's obligations to make any payments due City pursuant to this Agreement.

B. City shall be under no obligation to supply any service if and to the extent and during any period that the supplying of any such service or the use of any component necessary therefor shall be prohibited or rationed by any federal, state, county, or municipal law, rule, regulation, requirement, order, or directive.

C. Tenant shall not be liable for the performance of any obligation of Tenant hereunder and may terminate the lease, if such performance is prohibited or materially affected by the issuance of any order, rule, or regulation, or the taking of any action by the City, (including the City's exercise of its right to grant easements and rights of way provided in Section 2.04), the Federal Aviation Administration, the Transportation Security Administration or other government authority substantially affecting, for a period of at least sixty (60) days, Tenant's use of the Airport or the Premises, provided, however, that none of the foregoing is due to any fault of Tenant and the City shall pay Tenant's relocation costs in the same manner as provided In Section 2.03(ii) for the Tenant's rejection of Relocation Space.

Section 15.07 - Governing Law. This Agreement shall be governed in accordance with the laws of the State of Illinois. Tenant hereby irrevocably submits, and shall cause its subcontractors to submit, to the original jurisdiction of those State or Federal courts located within the County of Cook, State of Illinois, with regard to any controversy arising out of, relating to, or in any way concerning the execution or performance of this Agreement. Tenant agrees that service of process on Tenant may be made, at the option of City, either by registered or certified mail addressed to the applicable office as provided for, in this Agreement, by registered or certified mail addressed to the office actually maintained by Tenant, or by personal delivery on any officer, director, or managing or general agent of Tenant.

Section 15.08 - Consent to Service of Process and Jurisdiction. All judicial proceedings brought by Tenant with respect to this Agreement shall be brought in Cook County, Illinois, and by execution and delivery of this Agreement, Tenant accepts, for itself and in connection with its properties, generally and unconditionally, the nonexclusive jurisdiction of the aforesaid courts, and irrevocably agrees to be bound by any final judgment rendered thereby from which no appeal has been taken or is available. Tenant irrevocably waives any objection (including without limitation any objection of the laying of

venue or based on the grounds of forum nonconveniens) which it may now or hereafter have to the bringing of any action or proceeding with respect to this Agreement in the jurisdiction set forth above. Nothing herein shall affect the right to serve process in any other manner permitted by law or shall limit the right of City to bring proceedings against Tenant in the courts of any other jurisdiction.

Section 15.09 - Severability. If any provisions of this Agreement shall be held or deemed to be or shall in fact be inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions or in all cases because it conflicts with any other provision or provisions hereof or of any constitution, statute, ordinance, rule of law, or public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstances, or of rendering any other provision or provisions herein contained invalid, inoperative, or unenforceable to any extent whatever. The invalidity of any one or more phrases, sentences, clauses, or sections contained in this Agreement shall not affect the remaining portions of this Agreement or any part thereof.

Section 15.10 - Assigns. All of the terms and conditions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective legal representatives, successors, transferees, and assigns.

Section 15.11 - Co-Operation by Parties. The parties hereby agree to use good faith in the performance of this Agreement and to co-operate with each other. City must be expressly identified as a third party beneficiary in any of Tenant's contracts for construction of Improvements or performance of Primary Commercial Support Services and must be granted a direct right of enforcement thereunder. If this Agreement is terminated for any reason, or if it expires by its own terms, Tenant shall make every reasonable effort to assure an orderly transition to another fixed base operator or provider of general aviation services, if any; orderly demobilization of its own operation; and the uninterrupted provision of fixed base operations and general aviation services. During any transition period Tenant shall otherwise comply with the reasonable requests and requirements of the Commissioner in connection with the termination or expiration of this Agreement.

ARTICLE XVI - AUTHORITY

Section 16.01 - City's Authority. This Agreement is authorized by an Ordinance passed by City of Chicago City Council on _____ (C.J.P. _____). Wherever this Agreement provides that an act is to be taken or performed, or approval or consent is to be given by City, such act may be taken or performed, or approval or consent may be given, by the Commissioner, without further action by the City Council of Chicago, as long as such act, approval or consent does not result in either (i) an extension of the Term (beyond any permitted renewals), (ii) a decrease in the Rent other than such decreases expressly provided for herein, or (iii) expansion of the Premises (beyond any permitted expansions); provided, however, that non-material changes may be made to the boundaries of the Premises to conform to a survey. The Commissioner may execute an amendment to the

Agreement provided that he or she is authorized to take or perform the act, or provide the consent or approval, giving rise to such amendment.

Section 16.02 - Tenant's Authority. Execution of this Agreement by Tenant is authorized by corporate resolution, and the Tenants of each person signing on behalf of Tenant have been made with complete and full authority to commit Tenant to all terms and conditions of this Agreement, including each and every representation, certification, and warranty contained herein, attached hereto and collectively incorporated by reference herein, or as may be required by the terms and conditions hereof.

IN WITNESS WHEREOF, City of Chicago has caused this Agreement to be executed on its behalf by its Mayor, pursuant to due authorization of the City Council of the City of Chicago, and Tenant has caused this Agreement to be executed on its behalf by its _____ and pursuant to due authorization.

The Tenant must submit evidence of insurance on the City of Chicago Insurance Certificate Form (copy attached) or equivalent prior to Execution of Lease. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Lease have been fully met or that the insurance policies indicated on the certificate are in compliance with all requirements of Lease. The failure of the City to obtain certificates or other insurance evidence from Tenant is not a waiver by the City of any requirements for the Tenant to obtain and maintain the specified coverages. The Tenant shall advise all insurers of the Lease provisions regarding insurance. Non-conforming insurance does not relieve Tenant of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Lease, and the City retains the right to stop work until proper evidence of insurance is provided, or the Lease may be terminated.

The Tenant must provide for 60 days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

Any deductibles or self insured retentions on referenced insurance coverages must be borne by Tenant.

The Tenant hereby waives and agrees to require their insurers to waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents, or representatives.

The coverages and limits furnished by Tenant in no way limit the Tenant's liabilities and responsibilities specified within the Lease or by law.

Any insurance or self insurance programs maintained by the City of Chicago do not contribute with insurance provided by the Tenant under the Lease.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Lease or any limitation placed on the indemnity in this Lease given as a matter of law.

If Tenant is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

The Tenant must require all subcontractors to provide the insurance required herein, or Tenant may provide the coverages for subcontractors. All subcontractors are subject to the same insurance requirements of Tenant unless otherwise specified in this Lease.

If Tenant or subcontractor desires additional coverages, the party desiring the additional coverages is responsible for the acquisition and cost.

Notwithstanding any provision in the Agreement to the contrary, the City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements.

Tenant shall advise all insurers of the Lease provisions regarding insurance. Non-conforming insurance shall not relieve Tenant of its obligation to provide Insurance as specified herein. Tenant hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Lease or the transactions contemplated hereby.

12.2 Patriot Act Certification. Tenant represents and warrants that neither Tenant nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment, the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to Tenant that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Tenant, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

12.3 Prohibition on Certain Contributions-Mayoral Executive Order No. 2011-4. Tenant agrees that Tenant, any person or entity who directly or indirectly has an ownership or beneficial interest in Tenant of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Tenant's contractors (i.e., any person or entity in direct contractual privity with Tenant regarding the subject matter of this Lease) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Tenant and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (i) after execution of this Lease by Tenant, (ii) while this Lease or any Other Contract is executory, (iii) during the Term of this Lease or any Other Contract between Tenant and the City, or (iv) during any period while an extension of this Lease or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

Tenant represents and warrants that from the date the City approached the Tenant or the date Tenant approached the City, as applicable, regarding the formulation of this Lease, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Tenant agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Tenant agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Notwithstanding anything to the contrary contained herein, Tenant agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Lease, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Lease, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Tenant intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the execution of this Lease, the City may elect to decline to lease the Premises to Tenant or to terminate the Lease after execution.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source which are then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Tenant is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

(A) they are each other's sole domestic partner, responsible for each other's common welfare; and
(B) neither party is married; and
(C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
(D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
(E) two of the following four conditions exist for the partners:
    1. The partners have been residing together for at least 12 months.
    2. The partners have common or joint ownership of a residence.
    3. The partners have at least two of the following arrangements:
        a. joint ownership of a motor vehicle;

b. a joint credit account;
c. a joint checking account;
d. a lease for a residence identifying both domestic partners as tenants.

4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

12.4 Waste Ordinance Provisions. In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Tenant warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Lease is executory, Tenant's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Lease, constitutes a breach of and an event of default under this Lease, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the Lease, at law or in equity. This section does not limit Tenant's, general contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Lease. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Lease, and may further affect the Tenant's eligibility for future contract awards.

12.5 Failure to Maintain Eligibility to do Business with City. Failure by Tenant or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this Lease and the transactions contemplated thereby. Tenant shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

12.6 Cooperation with Inspector General and Legislative Inspector General. In accordance with Chapter 2-26-110 et seq. of the Municipal Code, the Tenant acknowledges that every officer, employee, department and agency of the City shall be obligated to cooperate with the Office of the Inspector General and the Office of the Legislative Inspector General in connection with any activities undertaken by such office with respect to this Lease, including, without limitation, making available to the Office of the Inspector General and the Office of the Legislative Inspector General the Tenant's premises, equipment, personnel, books, records and papers. The Tenant agrees to abide by the provisions of Chapter 2-26-110 et seq.

12.7 *Shakman* Prohibitions.

(i) The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and the August 16, 2007 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No

69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Tenant is aware that City policy prohibits City employees from directing any individual to apply for a position with Tenant, either as an employee or as a subcontractor, and from directing Tenant to hire an individual as an employee or as a subcontractor. Accordingly, Tenant must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Tenant under this Lease are employees or subcontractors of Tenant, not employees of the City of Chicago. This Lease is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Tenant.

(iii) Tenant will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Lease, or offer employment to any individual to provide services under this Lease, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Lease, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to Tenant by a City employee or City official in violation of Section 12.7 (ii) above, or advocating a violation of Section 12.7 (iii) above, Tenant will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant City Department utilizing services provided under this Lease. Tenant will also cooperate with any inquiries by IGO Hiring Oversight or the *Shakman* Monitor's Office related to the contract.

ORDINANCE

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1: On behalf of the City of Chicago as Landlord, the Commissioner of the Department of Fleet and Facility Management and the Commissioner of the Department of Housing and Economic Development are authorized to execute a Lease with Black on Black Love Organization, as Tenant, governing the use of a building located at 8828 South Stony Island Avenue; such Lease to be approved as to form and legality by the Corporation Counsel in substantially the following form:

8828 South Stony Island Avenue
Black on Black Love Organization
Lease No. 20294

SECTION 2: This Ordinance shall be effective from and after the date of its passage and approval.

LEASE NO. 20294

LEASE

THIS LEASE ("Lease"), is made and entered into this _____ day of_____, 2013 (the "Commencement Date) by and between, **THE CITY OF CHICAGO,** an Illinois Municipal Corporation and Home Rule Unit of Government (hereinafter referred to as "Landlord" or "City"), and **BLACK ON BLACK LOVE ORGANIZATION,** an Illinois Not-for-profit Corporation (hereinafter referred to as "Tenant").

RECITALS

WHEREAS, Landlord has agreed to lease to Tenant, and Tenant has agreed to lease from Landlord, the vacant facility located at 8828 South Stony Island Avenue comprised of approximately 8,000 square feet of building space, together with the small rear parking lot, all as legally described in **Exhibit A** attached hereto and made a part hereof (collectively the "Premises") for use as office space and programming; and

WHEREAS, the Premises were previously used as the Avalon Branch of the Chicago Public Library, which was relocated into a facility located at 8128 South Stony Island Avenue; and

WHEREAS, Tenant provides safe havens for youth through mentoring and after school activities, counseling and life skills assistance for female ex-offenders, workshops and other social services; and

WHEREAS, the Premises have no further or foreseeable municipal use.

NOW THEREFORE, in consideration of the covenants, terms and conditions set forth herein, the parties hereto agree and covenant as follows:

SECTION 1. GRANT

Landlord hereby leases to Tenant the following described premises situated in the City of Chicago, County of Cook, State of Illinois, to wit:

The building located at 8828 South Stony Island Avenue comprised of approximately 8,000 square feet of building space and the small rear parking lot (PIN 25-02-215-028; -029; -030; -031).

SECTION 2. TERM

The term of this Lease ("Term") shall begin on the Commencement Date and shall terminate on December 31, 2023 unless sooner terminated as set forth in this Lease.

SECTION 3. RENT, TAXES, AND UTILITIES

3.1 Rent. Tenant shall pay to Landlord rent for the Premises in the amount of:

One Dollar ($1.00) for the Term with the receipt and sufficiency of said sum being herewith acknowledged by both parties.

3.2 Utilities. Tenant shall pay when due all charges for gas, electricity, light, heat, water, sewer, power, telephone or other communication service, and all other utility services used in, or supplied to, the Premises. Landlord shall assume no responsibility for payment of any utilities or any other services provided for the Premises.

3.3 Taxes. Tenant acknowledges that Premises are exempt from leasehold, real estate, and other property taxes. Tenant shall pay when due any leasehold taxes, real estate taxes, penalties, and interest assessed or levied on the subject Premises as a result of Tenant's occupancy of the Premises. Tenant shall notify the appropriate taxing body that Tenant is occupying the Premises. The appropriate taxing body shall determine the appropriate taxes, if any, that are to be assessed on the Premises as a result of Tenant's occupancy. Tenant shall thereafter contact the appropriate taxing body to ascertain the tax amount, if any, assessed on the subject Premises. Tenant shall pay such amounts and Tenant shall provide Landlord with proof of such payment within ten (10) days of such payment. Tenant further acknowledges that real estate taxes are one (1) year in arrears in Cook County and that as a result Tenant shall be responsible for satisfaction of leasehold taxes, real estate taxes, penalties and interest assessed or levied on the subject Premises on account of Tenant's use of the Premises for at least one year after Tenant vacates the Premises. Tenant's failure to pay any such taxes, penalties, and interest shall constitute a default under this Lease. Notwithstanding the foregoing, nothing herein shall preclude Tenant from contesting any charge or tax levied against the Premises. The failure of Tenant to pay such taxes during the pendency of the contest shall not constitute a default under this Lease. Tenant's tax responsibilities under this section shall survive the expiration, cancellation, or termination of this Lease.

3.4 Accord and Satisfaction. No payment by Tenant or receipt of such by Landlord of a lesser amount than any payment due hereunder shall be deemed to be other than on account of the amount due, and no endorsement of statement or any check or any letter accompanying any check or payment of rent shall be deemed an accord and satisfaction. Landlord may accept such check or payment without prejudice as to Landlord's right to recover the balance of such payments or to pursue any other remedies available to Landlord.

SECTION 4. CONDITION AND ENJOYMENT OF PREMISES, ALTERATIONS, ADDITIONS, AND SURRENDER

4.1 Covenant of Quiet Enjoyment. Landlord covenants and agrees that Tenant, upon paying the rent and upon observing and keeping the covenants, agreements, and conditions of this Lease on its part to be kept, observed, and performed, shall lawfully and quietly hold, occupy, and enjoy the Premises (subject to the provisions of this Lease) during the Term without hindrance or molestation by Landlord or by any person or persons claiming under Landlord.

4.2 Tenant's Duty to Maintain Premises and Right of Access. Tenant shall, at Tenant's expense, keep the Premises in a condition of thorough repair and good order and in compliance with all applicable provisions of the Municipal Code of Chicago, including but not

limited to those provisions in Title 13 ("Building and Construction") and Title 17 ("Landscape Ordinance"). Tenant acknowledges that Landlord has no repair or maintenance responsibilities with respect to the Premises. If Tenant shall refuse or neglect to make needed repairs within thirty (30) days after written notice thereof sent by Landlord (including, but not limited to, Landlord's Department of Buildings), unless such repair cannot be remedied by thirty (30) days, and Tenant shall have commenced and is diligently pursuing all necessary action to remedy such repair, Landlord, at Landlord's option, is authorized, but not required, to either make such repairs on Tenant's behalf and Tenant will promptly and within thirty (30) business days of demand reimburse Landlord for the reasonable cost thereof, or Landlord can terminate this Lease by providing Tenant with thirty (30) days written notice. Landlord shall have the right of access to the Premises for the purpose of inspecting and making repairs to the Premises and to ensure that all activities within the Premises are compliant with the Lease. Except in the case of emergencies, Landlord shall first give notice to Tenant of Landlord's desire to enter the Premises and Landlord will schedule Landlord's entry so as to minimize any interference with Tenant's use of Premises.

4.3 Use of the Premises. The Premises shall only be used as office space and for programming space associated with the Tenant's not-for-profit activities. All such activities must be consistent with Tenant's not-for-profit purposes and so as to lessen the burdens of government. Tenant shall not use the Premises in a manner that would violate any law. Tenant further covenants not to do or suffer any waste or damage and to comply in all respects with the laws, ordinances, orders, rules, regulations, and requirements of all federal, state, and municipal governmental departments which may be applicable to the Premises or to the use or manner of use of the Premises. Tenant shall not cause disfigurement or injury to any building or improvement on the Premises, or to fixtures and equipment thereof.

4.4 Alterations and Additions. Tenant may make alterations, additions, and improvements to the Premises, provided that any such alterations, additions and improvements shall be in full compliance with all applicable laws, permit requirements, and codes. In addition, Tenant will comply with all insurance requirements under this Lease. Tenant must obtain the prior written consent of the Commissioner of the Department of Fleet and Facility Management before commencing any alterations, additions, and improvements. Any additions and improvements shall be without cost to Landlord. All permanent improvements shall become Landlord's property at the termination of this Lease. Tenant acknowledges that any consent pursuant to this section shall not act as a substitute for any other permit obligations that may be required to undertake any alterations, additions, and improvements to the Premises.

SECTION 5. ASSIGNMENT, SUBLEASE, AND LIENS

5.1 Assignment and Sublease. Tenant may not sublease or license the Premises in whole or in part without Landlord's prior written consent. Tenant agrees that any subleases or licenses shall require that all sub-lessees and licensees indemnify and hold harmless Landlord with respect to all liabilities and that the Landlord shall be listed as an additional insured on any certificates of insurance.

5.2 Tenant's Covenant Against Liens. Tenant shall not cause or permit any lien or encumbrance, whether created by act of Tenant, operation of law or otherwise, to attach to or be placed upon Landlord's title or interest in the Premises. All liens and encumbrances created by Tenant shall attach to Tenant's interest only. In case of any such lien attaching, Tenant shall immediately pay and remove such lien or furnish security or indemnify Landlord in a manner satisfactory to Landlord in its sole discretion to protect Landlord against any defense or expense arising from such lien. Except during any period in which Tenant appeals any judgment or obtains a rehearing of any such lien, or in the event judgment is stayed, Tenant shall immediately pay any judgment rendered against Tenant, with all proper costs and charges, and shall have the lien released and any judgment satisfied. If Tenant fails to pay and remove any lien or contest such lien in accordance herewith, Landlord, at its election, may, but is not obligated to, pay and satisfy same, and all sums so paid by Landlord shall become immediately due and payable by Tenant with interest from the date of payment at the rate set at 12% per annum, provided that such rate shall not be deemed usurious by any Laws.

SECTION 6. INSURANCE AND INDEMNIFICATION

6.1 Insurance. The Tenant shall procure and maintain at all times, at Tenant's own expense, during the Term of this Lease and during any holding over, the insurance coverages and requirements specified below, insuring all operations related to this Lease.

The kinds and amounts of insurance required are as follows:

a) Workers Compensation and Employers Liability Insurance. Workers Compensation and Employers Liability Insurance, in accordance with the laws of the State of Illinois, or any other applicable jurisdiction, covering all employees and Employer's Liability coverage with limits of not less than $100,000 each accident or illness.

b) Commercial Liability Insurance. (Primary and Umbrella). Commercial Liability Insurance or equivalent with limits of not less than $1,000,000 per occurrence, for bodily injury, personal injury, and property damage liability. Coverage extensions shall include the following: All premises and operations, products/completed operations, defense, separation of insureds, and contractual liability (with no limitation endorsement). The City of Chicago, its employees, elected officials, agents, and representatives are to be named as additional insureds on a primary, non-contributory basis for any liability arising directly or indirectly from the Lease.

c) Automobile Liability Insurance. (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with work to be performed, the Tenant shall provide Comprehensive Automobile Liability Insurance with limits of not less than $1,000,000 per occurrence, for bodily injury and property damage. The City of Chicago shall be named as an additional insured and loss payee.

d) All Risk Property Insurance. All risk property insurance coverage shall be maintained by Tenant for full replacement value to protect against loss, damage to or destruction of property. The policy shall list the City of Chicago as an additional insured and loss payee.

Tenant shall be responsible for all loss or damage to personal property (including but not limited to materials, equipment, tools and supplies), owned or rented, by Tenant.

e) All Risk Builders Risk Insurance. When Tenant undertakes any construction, including improvements, betterments, and/or repairs, Tenant shall provide All Risk Builders Risk Insurance, at replacement cost, for materials, supplies, equipment, machinery and fixtures that are or will be part of the permanent facility. Coverage shall include but not limited to the following: right to partial occupancy, earth movement, flood including surface water backup and sewer backup and seepage. The City of Chicago shall be named as an additional insured and loss payee.

Tenant shall be responsible for all loss or damage to personal property (including but not limited to materials, equipment, tools and supplies), owned or rented, by the Tenant.

6.2 Other Terms of Insurance. Tenant will furnish the City of Chicago, Department of Fleet and Facility Management, Office of Real Estate Management, 30 North LaSalle Street, Suite 300, Chicago, Illinois 60602, original Certificates of Insurance evidencing the required coverage to be in force on the date of this Lease, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the Term of this Lease. The Tenant shall submit evidence of insurance prior to Lease award. The receipt of any certificates does not constitute agreement by the City that the insurance requirements in the Lease have been fully met or that the insurance policies indicated on the certificate are in compliance with all Lease requirements. The failure of the City to obtain certificates or other insurance evidence from Tenant shall not be deemed to be a waiver by the City. The Tenant shall advise all insurers of the Lease provisions regarding insurance. Non-conforming insurance shall not relieve Tenant of its obligation to provide Insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Lease, and the City retains the right to terminate the Lease until proper evidence of insurance is provided.

The insurance shall provide for 60 days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

Any and all deductibles or self-insured retentions on referenced insurance coverages shall be borne by Tenant.

The Tenant agrees that insurers shall waive their rights of subrogation against the City of Chicago its employees, elected officials, agents or representatives.

The Tenant expressly understands and agrees that any coverages and limits furnished by Tenant shall in no way limit the Tenant's liabilities and responsibilities specified within the Lease documents or by law.

The Tenant expressly understands and agrees that any insurance or self-insurance programs maintained by the City of Chicago shall apply in excess of and not contribute with insurance provided by the Tenant under this Lease.

The required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

The City of Chicago, Department of Finance, Office of Risk Management, maintains the right to reasonably modify, delete, alter or change these requirements.

6.3 Tenant's Indemnification. Tenant shall indemnify, defend (through an attorney reasonably acceptable to the City), and hold Landlord (its officers, agents, agencies, departments and employees) harmless against all liabilities, judgments, actions, and amounts paid in settlement, arbitration or mediation awards, costs, damages, and expenses (including reasonable attorney's fees, expenses, and court costs) (together the "Claims"), and loss or damage to personal property as set forth in Section 6.1 herein, whether such Claims are related to or arise from personal injury, property damage, or property loss which may be expended by or accrue against, be charged to, or be recovered from Landlord or Tenant by reason of Tenant's performance of, or failure to perform, any of Tenant's obligations under this Lease, or Tenant's negligent acts or failure to act, or resulting from the acts or failure to act of Tenant's or any of Tenant's contractors, respective officers, directors, agents, employees, licensees or invitees. Tenant shall indemnify, defend and hold Landlord harmless against any and all Claims, including but not limited to, Claims that may arise in relation to the use of the Premises by the general public. The foregoing indemnity shall survive any termination of this Lease.

SECTION 7. DAMAGE OR DESTRUCTION

7.1 Damage or Destruction. If the Premises are damaged or destroyed or sustain a casualty to such extent that Tenant cannot continue to occupy or conduct its normal business therein, or if, in Tenant's opinion or Landlord's opinion, the Premises are rendered untenantable, either Landlord or Tenant shall have the option to declare the Lease terminated as of the date of such damage or destruction by giving the other party written notice to such effect.

SECTION 8. CONFLICT OF INTEREST AND GOVERNMENTAL ETHICS

8.1 Conflict of Interest. No official or employee of the City of Chicago, nor any member of any board, commission or agency of the City of Chicago, shall have any financial interest (as defined in Chapter 2-156 of the Municipal Code), either direct or indirect, in the Premises. Nor shall any such official, employee, or member participate in making or in any way attempt to use his or her position to influence any City governmental decision or action with respect to this Lease.

8.2 Duty to Comply with Governmental Ethics Ordinance. Landlord and Tenant shall comply with Chapter 2-156 of the Municipal Code of Chicago, "Governmental Ethics," including but not limited to section 2-156-120, which states that no payment, gratuity, or offer of employment shall be made in connection with any City of Chicago contract as an inducement for the award of that contract or order. Any contract negotiated, entered into, or performed in violation of any of the provisions of Chapter 2-156 shall be voidable as to the City of Chicago.

SECTION 9. HOLDING OVER

9.1 Holding Over. Any holding over by Tenant shall be construed to be a tenancy from month to month only beginning on January 1, 2024 and the rent shall be the same as listed in Section 3.1 of this Lease. During such holding over all other provisions of this Lease shall remain in full force and effect.

In addition, this Lease shall automatically terminate on the day of closing in the event that Landlord conveys the Premises to Tenant pursuant to a redevelopment agreement or other instrument of conveyance authorized by the Chicago City Council.

10.11 Force Majeure. When a period of time is provided in this Lease for either party to do or perform any act or thing, the party shall not be liable or responsible for any delays due to strikes, lockouts, casualties, acts of God, wars, governmental regulation or control, and other causes beyond the reasonable control of the party, and in any such event the time period shall be extended for the amount of time the party is so delayed.

10.12 Landlord's Reservation for Antennae Placement. Landlord reserves the right to install and maintain antennae or other communications equipment on the roof of the Premises whether for public or private use, and to install exterior digital advertising signage on the Premises subject to the separate approval of Chicago City Council as part of the Landlord's municipal marketing efforts.

10.13 Amendments. From time to time, the parties hereto may administratively amend this Lease with respect to any provisions reasonably related to Tenant's use of the Premises and/or Landlord's administration of the Lease. Provided, however, that such amendment(s) shall not serve to extend the Lease Term hereof nor serve to otherwise materially alter the essential provisions contained herein. Such amendment(s) shall be in writing, shall establish the factual background necessitating such alteration, shall set forth the terms and conditions of such modification, and shall be duly executed by both Landlord and Tenant. Such amendment(s) shall only take effect upon execution by both parties. Upon execution, such amendment(s) shall become a part of this Lease and all other provisions of this Lease shall otherwise remain in full force and effect.

SECTION 11. RESPONSIBILITIES OF TENANT

11.1 Maintenance. Tenant shall provide, at Tenant's expense, any and all engineering service for all maintenance and repair of the exterior and interior of the Premises and all structural, mechanical, electrical components, roof, and plumbing components.

11.2 Custodial Service. Tenant shall provide and pay for custodial services and shall be responsible for keeping the Premises clean and free of debris.

11.3 Tenant Inspection. Tenant agrees that Tenant has inspected the Premises and all related areas and grounds and that Tenant is satisfied with the physical condition thereof. Landlord makes no warranties or representations as to the physical, or environmental condition of the Premises. Tenant agrees to enter onto the Premises in the Premises' as-is condition. Tenant acknowledges that Tenant is entering into this Agreement at its own risk. The City makes no warranties with respect to the suitability of the Premises for any purposes.

11.4 Illegal Activity. Tenant, or any of its agents or employees, shall not perform or permit any practice that is injurious to the Premises, is illegal, or increases the rate of insurance on the Premises.

11.5 Non-Residential Usage. The Premises shall not be used as a residence. The Premises shall not be used overnight. The Premises shall not be used as a homeless or other shelter.

11.6 Hazardous Materials. Tenant shall keep out of the Premises materials which cause a fire hazard or safety hazard and Tenant shall comply with reasonable requirements of Landlord's fire insurance carrier. Tenant shall not destroy, deface, damage, impair, nor remove any part of the Premises or facilities, equipment or appurtenances thereto.

11.7 Security. Tenant is responsible for properly securing the Premises during the Term and during any holding over. Tenant's security obligations do not cease until this Lease is terminated, Tenant completely vacates the Premises, Tenant provides Landlord with written notice that Tenant has vacated the Premises, and Tenant receives written notification from Landlord that Landlord has assumed security responsibilities. Tenant acknowledges that Landlord shall not have any security obligations relative to the Premises, to any activities within the Premises, nor to any persons entering the Premises.

11.8 Water Service. Tenant shall pay for any water supplied in or to the Premises.

11.9 Fire Extinguishers, Smoke Detectors, and Carbon Monoxide Detectors. Tenant shall provide and maintain required fire extinguishers, smoke detectors, and carbon monoxide detectors on the Premises in accordance with applicable laws.

11.10 Extermination Services. Tenant shall provide and pay for exterminator service whenever necessary.

11.11 Snow Removal. Tenant shall provide and pay for prompt removal of snow and ice from the small rear parking lot and the adjoining sidewalks which immediately abut the Premises. Tenant acknowledges that Landlord shall have no responsibilities relative to snow and ice removal.

11.12 Heating. Tenant shall provide and pay for heating to the Premises. Tenant shall maintain all the heating plant and equipment in good operable condition.

11.13 Licensing and Permits. For any activity which Tenant desires to conduct on the Premises in which a license or permit is required, said license or permit must be obtained by Tenant prior to using the Premises for such activity. The Department of Fleet and Facility Management must be notified of any such license or permit. Failure to obtain a required license or permit shall constitute a breach of the terms of this Lease and Landlord can terminate the Lease with fifteen (15) days' notice. Tenant understands that this Lease shall in no way act as a substitute for any other permitting or approvals that may be required to undertake any activities on the Premises.

11.14 No Alcohol. Tenant agrees that no alcoholic beverages or illegal drugs of any kind or nature shall be sold, given away, or consumed on the Premises.

11.15 Scavenger Service. Tenant shall provide its own scavenger service if necessary.

11.16 Full Liability. Tenant assumes full legal and financial responsibility and liability for any and all use of the Premises by Tenant, Tenant's staff, Tenant's agents, Tenant's invitees, third parties, and any other person or persons entering the Premises.

11.17 Non-Discrimination. Tenant agrees that Tenant shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, immigration status, sexual orientation, marital status, parental status, military discharge status, or source of income in the use or occupancy of the Premises or any part thereof. Tenant shall not use the Premises for any religious activities.

11.18 Condition on Surrender. Upon the termination or cancellation of this Lease, Tenant shall surrender the Premises to Landlord in a comparable or better condition to the condition of the Premises at the beginning of Tenant's use, with normal wear and tear taken into consideration.

11.19 Trade Fixtures. Upon the termination or cancellation of this Lease, Tenant may remove Tenant's personal property, trade fixtures, and equipment, provided that Tenant shall repair any injury or damage to the Premises which may result from such removal. If Tenant does not remove Tenant's furniture, machinery, trade fixtures and all other items of personal property of any kind from the Premises, Landlord may, at its option, remove the same and deliver them to any other place of business of Tenant or warehouse the same, and Tenant shall pay the cost of such removal, including the repair for such removal, delivery and warehousing, to Landlord on demand. In the alternative, Landlord may treat such property as being conveyed to Landlord with this Lease as a bill of sale, without further payment or credit by Landlord to Tenant.

11.20 Repairs for Tenant Negligence, Vandalism, or Misuse. Tenant shall assume all responsibility for any repairs to the Premises necessitated by the negligence, vandalism, or misuse of the Premises or equipment therein by Tenant's employees, invitees, agents, third parties, contractors, or sub-contractors.

11.21 No Other Rights. This Lease does not give Tenant any other right with respect to the Premises. This Lease does not constitute a purchase option or right of first refusal or right of first offer. Any sale of the Premises shall be subject to separate approval by City Council. Any rights not specifically granted to Tenant by and through this Lease are reserved exclusively to Landlord. Execution of this Lease does not obligate Landlord in any manner and Landlord shall not undertake any additional duties or services.

11.22 Economic Disclosure Statement Affidavit ("EDS") Updates. Throughout the Lease Term, Tenant shall provide Landlord with any material updates to the information previously submitted in Tenant's Economic Disclosure Statement Affidavit ("EDS"). Landlord may also request such updates from time to time. Failure to provide such information on a timely basis shall constitute a default under this Lease and Landlord can terminate the Lease with fifteen (15) days' notice.

11.23 Signage. Tenant may place exterior signage on the Premises, provided, however, that such signage and placement comply with all applicable laws and are approved in writing by the Commissioner of the Department of Fleet and Facility Management.

SECTION 12. TENANT DISCLOSURES AND REPRESENTATIONS

12.1 Business Relationships. Tenant acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (B) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (C) notwithstanding anything to the contrary contained in this Lease, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Lease shall be grounds for termination of this Lease and the transactions contemplated hereby. Tenant hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Lease or the transactions contemplated hereby.

12.2 Patriot Act Certification. Tenant represents and warrants that neither Tenant nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment, the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to Tenant that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Tenant, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

12.3 Prohibition on Certain Contributions-Mayoral Executive Order No. 2011-4. Tenant agrees that Tenant, any person or entity who directly or indirectly has an ownership or beneficial interest in Tenant of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Tenant's contractors (i.e., any person or entity in direct contractual privity with Tenant regarding the subject matter of this Lease) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Tenant and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not

make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (i) after execution of this Lease by Tenant, (ii) while this Lease or any Other Contract is executory, (iii) during the Term of this Lease or any Other Contract between Tenant and the City, or (iv) during any period while an extension of this Lease or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

Tenant represents and warrants that from the date the City approached the Tenant or the date Tenant approached the City, as applicable, regarding the formulation of this Lease, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Tenant agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Tenant agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Notwithstanding anything to the contrary contained herein, Tenant agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Lease, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Lease, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Tenant intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the execution of this Lease, the City may elect to decline to lease the Premises to Tenant or to terminate the Lease after execution.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source which are then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Tenant is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials,

supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

(A) they are each other's sole domestic partner, responsible for each other's common welfare; and
(B) neither party is married; and
(C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
(D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
(E) two of the following four conditions exist for the partners:
    1. The partners have been residing together for at least 12 months.
    2. The partners have common or joint ownership of a residence.
    3. The partners have at least two of the following arrangements:
        a. joint ownership of a motor vehicle;
        b. a joint credit account;
        c. a joint checking account;
        d. a lease for a residence identifying both domestic partners as tenants.
    4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

12.4 Waste Ordinance Provisions. In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Tenant warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Lease is executory, Tenant's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Lease, constitutes a breach of and an event of default under this Lease, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the Lease, at law or in equity. This section does not limit Tenant's, general contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Lease. Non-compliance with these terms and conditions may be used by the City as

grounds for the termination of this Lease, and may further affect the Tenant's eligibility for future contract awards.

12.5 Failure to Maintain Eligibility to do Business with City. Failure by Tenant or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this Lease and the transactions contemplated thereby. Tenant shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

12.6 Cooperation with Inspector General and Legislative Inspector General. In accordance with Chapter 2-26-110 et seq. of the Municipal Code, the Tenant acknowledges that every officer, employee, department and agency of the City shall be obligated to cooperate with the Office of the Inspector General and the Office of the Legislative Inspector General in connection with any activities undertaken by such office with respect to this Lease, including, without limitation, making available to the Office of the Inspector General and the Office of the Legislative Inspector General the Tenant's premises, equipment, personnel, books, records and papers. The Tenant agrees to abide by the provisions of Chapter 2-26-110 et seq.

12.7 *Shakman* Prohibitions.

(i) The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and the August 16, 2007 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Tenant is aware that City policy prohibits City employees from directing any individual to apply for a position with Tenant, either as an employee or as a subcontractor, and from directing Tenant to hire an individual as an employee or as a subcontractor. Accordingly, Tenant must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Tenant under this Lease are employees or subcontractors of Tenant, not employees of the City of Chicago. This Lease is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Tenant.

(iii) Tenant will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Lease, or offer employment to any individual to provide services under this Lease, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Lease, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of

individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to Tenant by a City employee or City official in violation of Section 12.7 (ii) above, or advocating a violation of Section 12.7 (iii) above, Tenant will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant City Department utilizing services provided under this Lease. Tenant will also cooperate with any inquiries by IGO Hiring Oversight or the *Shakman* Monitor's Office related to the contract.

RE: Amending Agreement to Administrative Services Agreement (the"Agreement")

Ladies and Gentlemen:

I have acted as counsel for SomerCor 504, Inc., an Illinois not-for-profit corporation ("SomerCor"), in connection with the execution and delivery of the Agreement by and between SomerCor and the City of Chicago, acting by and through its Department of Housing and Economic Development (the "City"). SomerCor has requested that this opinion be furnished to theCity.

In so acting as counsel for SomerCor I have examined:

(i) an executed original of the Agreement;

(ii) the Articles of Incorporation, including all amendments thereto, of SomerCor as furnished and certified by the Secretary of State of the State of Illinois;

(iii) the By-Laws of SomerCor, as certified by the Secretary of SomerCor as of the date hereof; and

(iv) the Certificate of Good Standing dated _____, issued by the Office of the Secretary of State of the State of Illinois, as to the good standing of SomerCor.

In my capacity as counsel, I have also examined such other documents or instruments as I have deemed relevant for the purposes of rendering the opinions hereinafter set forth.

I have also assumed, but have no reason to question, the legal capacity, authority and the genuineness of the signatures of and due and proper execution and delivery by the respective parties other than SomerCor which has made, executed or delivered or will make, execute and deliver the agreements and documents examined by me.

I express no opinion as to (i) the laws of any state or jurisdiction other than the State of Illinois (and any political subdivisions thereof) and the United States of America; and (ii) any matters pertaining or relating to the securities laws of the United States of America, the State of Illinois or any other state.

Based upon and subject to the assumptions and qualifications herein stated, it is my opinion that:

1. SomerCor is a not-for-profit corporation, duly organized and validly existing under the laws of the State of Illinois, SomerCor has made all filings required by the laws of the State of Illinois in respect of its formation and continuing existence, and has all requisite authority to carry on its business and to execute and deliver, and to consummate the transactions contemplated by, the Agreement.

2. The Agreement has been duly executed and delivered on behalf of SomerCor, and constitutes a legal, valid and binding obligation of SomerCor, enforceable against SomerCor in accordance with its terms, except to the extent that enforcement of any such terms may be limited by: (a) applicable bankruptcy, reorganization, debt arrangement, insolvency or other similar laws generally affecting creditors' rights; or (b) judicial and public policy limitations upon the enforcement of certain remedies including those which a court of equity may in its discretion decline to enforce.

3. There is no action, suit or proceeding at law or in equity pending, nor to my knowledge threatened, against or affecting SomerCor, before any court or before any governmental or administrative agency, which if adversely determined could materially and adversely affect the ability of SomerCor to perform under the Agreement or any of its business or properties or financial or other conditions.

4. The transactions contemplated by the Agreement are governed by the laws of the State of Illinois.

5. The execution and delivery of the Agreement and the consummation of the transactions contemplated thereby will not constitute:

   A. a violation or breach of (i) the Articles of Incorporation of SomerCor, (ii) the By-Laws of SomerCor, (iii) any provision of any contract or other instrument to which SomerCor is bound, or (iv) any order, writ, injunction, decree, statute, rule or regulation binding on SomerCor, or

   B. a breach of any of the provisions of, or constitute a default under, or result in the creation or imposition of any lien or encumbrance upon any of the property of SomerCor pursuant to any agreement or other instrument to which SomerCor is a party or by which SomerCor is bound.

6. No action of, or filing with, any governmental or public body is required to authorize, or is otherwise required for the validity of, the execution, delivery and performance of any of the Agreement.

This opinion is furnished for your benefit and may be relied upon by you and any such other party in connection with the Agreement, but may not be delivered to or relied upon by any other person or entity without written consent from the undersigned.

Very truly yours,

CITY OF CHICAGO

TO THE HONORABLE, THE CITY COUNCIL
OF THE CITY OF CHICAGO

Ladies and Gentlemen:

At the request of the Commissioner of Housing and Economic Development, I transmit herewith an ordinance authorizing a property acquisition and associated expenditure of Open Space Impact Fee Funds.

Your favorable consideration of this ordinance will be appreciated.

Very truly yours,

Rahm Emanuel

Mayor

ORDINANCE

WHEREAS, the City of Chicago (the "City"), is a home rule unit of government under Article VII, Section 6(a) of the Constitution of the State of Illinois, and as such may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the City is authorized under its home rule powers to regulate the use and development of land; and

WHEREAS, it is a reasonable condition of development approval to ensure that adequate open space and recreational facilities exist within the City; and

WHEREAS, on April 1, 1998, the City Council of the City (the "City Council") adopted the Open Space Impact Fee Ordinance codified at Chapter 18 of Title 16 (the "Open Space Ordinance") of the Municipal Code of Chicago (the "Code") to address the need for additional public space and recreational facilities for the benefit of the residents of newly created residential developments in the City; and

WHEREAS, the Open Space Ordinance authorizes, among other things, the collection of fees from residential developments that create new dwelling units without contributing a proportionate share of open space and recreational facilities for the benefit of their residents as part of the overall development (the "Fee-Paying Developments"); and

WHEREAS, pursuant to the Open Space Ordinance, the Department of Finance ("DOF") has collected fees derived from the Fee-Paying Developments (the "Open Space Fees") and has deposited those fees in separate funds, each fund corresponding to the Community Area (as defined in the Open Space Ordinance), in which each of the Fee-Paying Developments is located and from which the Open Space Fees were collected; and

WHEREAS, Openlands (the "Openlands") is a 501(C)(3) Illinois not-for-profit corporation that is dedicated to preserving and creating open space and is the owner of an approximately 13,009 square foot parcel of real property commonly known as 4228-4236 West Ogden Avenue in Chicago, Illinois (the "Acquisition Property") which is legally described on Exhibit A and made a part hereof; and

WHEREAS, the Department of Housing and Economic Development ("HED") has determined that the Fee-Paying Developments built in the Community Area have deepened the already significant deficit of open space in that Community Area, which deficit was documented in the comprehensive plan entitled "The CitySpace Plan," adopted by the Chicago Plan Commission on September 11, 1997 and adopted by the City Council on May 20, 1998 pursuant to an ordinance published at pages 69309-69311 of the Journal of the Proceedings of the City Council (the "Journal") of the same date; and

WHEREAS, the City desires to create a new community managed garden, for future ownership and development by NeighborSpace, an Illinois not-for-profit (subject to a separate City disposition ordinance) (the "Project") for the benefit and use of the public and the respective Community Area in which it is located, as more fully described on Exhibit B which is attached hereto and made a part hereof; and

WHEREAS, the City desires to use impact fee funds to pay for development costs associated with Project; and

WHEREAS, HED desires City Council authorization to expend Open Space Fees in an amount not to exceed $300,000 for the Project as listed on Exhibit B and to create open spaces and recreational facilities in the Community Area; and

WHEREAS, the Open Space Ordinance requires that the Open Space Fees be used for open space acquisition and capital improvements, which provide a direct and material benefit to the new development from which the fees are collected; and

WHEREAS, the Open Space Ordinance requires that the Open Space Fees be expended within the same or a contiguous Community Area from which they were collected after a legislative finding by the City Council that the expenditure of the Open Space Fees will directly and materially benefit the developments from which the Open Space Fees were collected; and

WHEREAS, HED has determined that the use of the Open Space Fees to fund the Project will provide a direct and material benefit to each of the Fee-Paying Developments from which the Open Space Fees were collected; and

WHEREAS, HED has determined that Open Space Fees to be used for the purposes set forth herein have come from the specific fund set up by DOF for the corresponding Community Area in which a Fee-Paying Development is located and from which the Open Space Fees were collected; and

WHEREAS, HED has recommended that the City Council find that it is useful, necessary and desirable to acquire the Acquisition Property for the public purposes of establishing such additional open space and public park; and

WHEREAS, HED has recommended that the City Council find that that the acquisition of the Acquisition Property is consistent with and in furtherance of one of the primary objectives of the Open Space Plan, which is the expansion of open space within neighborhoods; and

WHEREAS, HED has recommended that the City Council approve the use of the Open Space Fees for the purposes set forth herein and on Exhibit B through this ordinance; and

WHEREAS, HED has recommended that the City Council make a finding that the expenditure of the Open Space Fees as described herein will directly and materially benefit the Fee-Paying Developments from which the Open Space Fees were collected; now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The above recitals are expressly incorporated in and made part of this ordinance as though fully set forth herein.

SECTION 2. The City Council finds that that the acquisition of the Acquisition Property by the City is consistent with and in furtherance of the primary objectives of the Open Space Plan and that such acquisition is useful, desirable and necessary for the public purpose of developing the Project. The City of Chicago, acting through the Commissioner of HED (the "Commissioner"), is hereby authorized to acquire the Acquisition Property. The public purpose shall be satisfied so long as the Acquisition Property is devoted to such public ownership and public use.

SECTION 3. The City Council hereby finds that the expenditure of the Open Space Fees will directly and materially benefit the residents of those Fee-Paying Developments from which the Open Space Fees were collected and approves the use of the Open Space Fees for the purposes described herein.

SECTION 4. The Commissioner of HED is authorized to use Open Space Fee proceeds in an amount not to exceed $300,000 from the corresponding fund to pay for expenses, as set forth on Exhibit B, permitted under the Open Space Ordinance.

SECTION 5. The Commissioner of HED is authorized to execute any and all documents and take any and all action as may be necessary or appropriate to effectuate the development and maintenance of the Project, subject to the approval of the Corporation Counsel.

SECTION 6. The Corporation Counsel is authorized to negotiate for the acquisition by the City of the Acquisition Property. If the Corporation Counsel and Openlands are able to agree on the terms of the purchase, the Corporation Counsel is authorized to negotiate a purchase contract for such Acquisition Property and accept a deed of conveyance of the Acquisition Property from Openlands on behalf of the City for the agreed price.

SECTION 7. Open Space Fees in the amount on Exhibit B from the Community Area's Open Space Fees Funds are hereby appropriated for the purposes described herein.

SECTION 8. To the extent that any ordinance, resolution, rule, order or provision of the Code, or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall control. If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any other provisions of this ordinance.

SECTION 9. This ordinance shall be in full force and effect from and after the date of its passage.

AN ORDINANCE OF THE CITY OF CHICAGO, ILLINOIS
AUTHORIZING THE CONVEYANCE OF CITY LAND TO NEIGHBORSPACE

WHEREAS, the City of Chicago (the "City") is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970, and as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the City has established the Community Development Commission ("CDC") to, among other things, designate redevelopment areas, approve redevelopment plans, and recommend the sale or lease of parcels located in redevelopment areas, subject to the approval of the City Council of the City ("City Council"); and

WHEREAS, pursuant to an ordinance adopted by the City Council on June 10, 1998, and published at pages 70367 through 70499 in the *Journal of the Proceedings of the City Council of the City of Chicago* ("Journal") of such date, the City approved a certain redevelopment plan and project ("TIF Plan") for the Kinzie Industrial Conservation Area Tax Increment Redevelopment Project Area ("TIF Area") pursuant to the Illinois Tax Increment Allocation Redevelopment Act, as amended (65 ILCS 5/11-74.4-1, *et seq.*) ("Act"); and

WHEREAS, pursuant to an ordinance adopted by the City Council on June 10, 1998, and published at pages 70499 through 70509 in the Journal of such date, the City designated the TIF Area as a redevelopment project area pursuant to the Act; and

WHEREAS, pursuant to an ordinance (the "TIF Ordinance") adopted by the City Council on June 10, 1998, and published at pages 70509 through 70520 in the Journal of such date, the City adopted tax increment allocation financing pursuant to the Act as a means of financing certain redevelopment project costs (as defined in the Act) in the TIF Area incurred pursuant to the TIF Plan; and

WHEREAS, there is a lack of sufficient open space in the City for recreational and aesthetic uses, as documented in the comprehensive plan entitled "CitySpace: An Open Space Plan For Chicago" (the "CitySpace Plan"), and as a result there is a need to develop small open spaces as parks, gardens and natural areas for public use for the benefit of the citizens of the City; and

WHEREAS, the CitySpace Plan sets forth certain goals and objectives for increasing open space in the City; and

WHEREAS, "A Recipe for Healthy Places," an interdisciplinary plan adopted by the Chicago Plan Commission on January 24, 2013 (the "Healthy Places Plan"), recommends that the City create a system of public open spaces for large-scale food growing, job training and food-related education activities; and

WHEREAS, the City Council finds that the establishment of additional public open space and parkland is essential to the general health, safety and welfare of the City; and

WHEREAS, the City owns eleven (11) vacant parcels of land (approximately 2.28 acres) located in the TIF Area, which are listed on Exhibit A attached hereto and legally described on Exhibit B attached hereto (subject to final survey and title commitment, the "Property"); and

WHEREAS, the Property is located at the southwestern edge of the TIF Area and is surrounded by residential homes and institutional uses to the north, an elevated rail line to the south and industrial uses to the east; and

WHEREAS, by ordinance adopted on March 26, 1996, and published at pages 18969 to 18979 in the Journal of such date (the "NeighborSpace Ordinance"), the City approved the establishment of NeighborSpace, a not-for-profit corporation, to facilitate the development of open spaces; and

WHEREAS, NeighborSpace was formed as a collaboration among the City, the Chicago Park District and the Forest Preserve District of Cook County to address the lack of sufficient open space in the City for recreational and aesthetic uses; and

WHEREAS, NeighborSpace was incorporated under the laws of the State of Illinois on May 29, 1996, exclusively for charitable, scientific and educational purposes including, but not limited to, the preservation of open space and parks within the City; and

WHEREAS, the primary function of NeighborSpace is to own, lease and manage small open spaces in the City for development and maintenance by neighborhood community groups; and

WHEREAS, the NeighborSpace Ordinance contemplates that the City would donate, sell or lease land to NeighborSpace, and that NeighborSpace, in turn, would enter into agreements with local groups to use and maintain the land as community gardens or other public open space; and

WHEREAS, the City desires to convey the Property to NeighborSpace for the creation of an urban farm to be known as "Chicago FarmWorks," subject to an ingress/egress easement to be approved by separate ordinance (the "Easement") in, on, over and across the Phase II Site (as hereinafter defined) in favor of a business located to the east of the Phase II Site; and

WHEREAS, NeighborSpace will partner with Heartland Human Care Services, Inc. ("HHCS"), a not-for-profit human rights advocacy organization, to establish the urban farm on the Property; and

WHEREAS, NeighborSpace will own the Property and HHCS will construct and manage the urban farm; and

WHEREAS, HHCS intends to use the urban farm for job training in landscaping and horticultural skills, and also plans to sell fresh produce to the Greater Chicago Food Depository for redistribution to communities in need; and

WHEREAS, the proposal for Chicago FarmWorks includes the construction of outdoor hoop houses and growing fields for crop production, perimeter fencing, on-site parking spaces for employees and trainees, a dedicated area for washing produce and an overhead shade structure for employees; and

WHEREAS, a portion of the Property will be made accessible to the public as a community garden; and

WHEREAS, the urban farm will be developed in two phases on separate portions of the Property (the "Phase I Site" and the "Phase II Site"), as depicted on the aerial photograph attached hereto as Exhibit C; and

WHEREAS, the City has completed the environmental remediation and site preparation work on the Phase I Site, and intends to commence work on the Phase II Site in the summer and fall of 2013; and

WHEREAS, the City intends to convey the Phase I Site upon passage and approval of this ordinance, and intends to convey the Phase II Site at a later date upon completion of the environmental and site preparation work at such site and approval of an ordinance authorizing the transfer of the Easement; and

WHEREAS, the Healthy Places Plan is meant as a guide for Chicago to address the epidemic of obesity, improve the well-being of its residents, expand the economy and create a healthier urban environment, specifically in community areas that have an elevated risk for obesity-related diseases; and

WHEREAS, the Property is located in the Humboldt Park Community Area, which has been identified as one of the areas in Chicago with an elevated risk for obesity-related diseases; and

WHEREAS, the redevelopment of the Property as an urban farm will not displace any existing industrial business, residential developments or adversely impact any recent investments in the TIF Area; and

WHEREAS, the City Council finds that the conveyance of the Property to NeighborSpace is in the best interests of the City; and

WHEREAS, the use of the Property as public open space is consistent with the purposes and objectives of the TIF Plan; and

WHEREAS, the Board of Directors of NeighborSpace approved the acquisition of the Property on January 31, 2012; and

WHEREAS, on July 19, 2012, the Chicago Plan Commission approved the rezoning of the Property from a manufacturing district to a commercial district so the City could convey the Property to NeighborSpace for use as an urban farm; and

WHEREAS, by Resolution No. 13-CDC-11, adopted on April 9, 2013, the CDC authorized the Department of Housing and Economic Development (the "Department") to advertise its intent to negotiate a sale with NeighborSpace for disposition of the Property and to request alternative proposals for redevelopment, and recommended the sale of the Property to NeighborSpace if no responsive alternative proposals were received at the conclusion of the advertising period, or, if alternative proposals were received, if the Department determined in its sole discretion that it was in the best interest of the City to proceed with NeighborSpace's proposal; and

WHEREAS, public notices advertising the Department's intent to enter into a negotiated sale of the Property with NeighborSpace and requesting alternative proposals appeared in the Chicago Sun-Times on April 21, May 5 and May 19, 2013; and

WHEREAS, no other responsive proposals were received by the deadline indicated in the aforesaid notices; ***now, therefore,***

TO THE HONORABLE, THE CITY COUNCIL
OF THE CITY OF CHICAGO

Ladies and Gentlemen:

At the request of the Commissioner of Housing and Economic Development, I transmit herewith an ordinance authorizing a Class L tax status for property located at 1725-95 North Milwaukee.

Your favorable consideration of this ordinance will be appreciated.

Very truly yours,

ORDINANCE

WHEREAS, the City of Chicago (the "City") is a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois authorized to exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the Cook County Board of Commissioners has enacted the Real Property Assessment Classification Ordinance, as amended (the "Classification Ordinance"), which establishes the Class L property tax classification to encourage the preservation and rehabilitation of certain historically and architecturally significant buildings, which will enhance the general character of real estate in the county and contribute to the economic well-being of the county by increasing the level of economic activity, increasing employment opportunities and contributing to the long-term growth of the real property tax base; and

WHEREAS, AGC West Town Center Owner LLC, a limited liability company or its successor in interest (the "Owner"), is the owner of the historic building (the "Building") located at 1275-95 North Milwaukee Avenue in Chicago, Illinois, as more precisely described in **Exhibit 1** attached hereto and hereby made a part hereof (the land and improvements thereon being herein referred to as the "Project Real Estate"); and

WHEREAS, City Council of the City (the "City Council") adopted an ordinance on April 9, 2008, designating the Milwaukee Avenue District as a Chicago Landmark pursuant to the criteria then established in Section 2-120-620 of the Municipal Code of Chicago, and the Building is considered a contributing building to that district; such designation meets the definition of a "contributing" building within a landmark district pursuant to the Classification Ordinance; and

WHEREAS, the Owner proposes to rehabilitate the Building (referred to herein as the "Project") thereby preserving the historic building, increasing employment opportunities in the area and contributing to the long-term growth of the real property tax base; and

WHEREAS, the Owner anticipates using the Building for commercial purposes (the "Use") after the Project is completed; and

WHEREAS, the Owner has applied to the Office of the Assessor of Cook County, Illinois (the "Assessor"), for designation of the Project Real Estate as a Class L classification eligible for certain real estate tax incentives pursuant to the Classification Ordinance; and

WHEREAS, pursuant to the Classification Ordinance, the Class L classification is available to real estate which is to be used for commercial or industrial purposes and which (1) is a Landmark (as defined in Section 74-62(b) of the Classification Ordinance); and (2) has undergone Substantial Rehabilitation (as defined in Section 74-62(b) of the Classification Ordinance), which constitutes an investment by the owner of at least 50 percent of the building's full market value as determined by the Assessor in the assessment year prior to the commencement of the Substantial Rehabilitation; and the Class L incentive shall apply to the building only, except that if the entire building has been vacant and unused for at least 24 continuous months prior to the filing of the eligibility application with the Assessor, the land upon which the building is situated shall be eligible for the incentive; and

WHEREAS, Section 74-63(14)(b) of the Classification Ordinance requires that, in connection with the filing of a Class L eligibility application with the Assessor, an applicant must

obtain from the unit of local government in which the real estate is located, an ordinance or resolution which expressly states that the local government: 1) has determined that the incentive provided by Class L is necessary for the Substantial Rehabilitation of the property; 2) supports and consents to the granting of the incentive; and 3) has reviewed and accepted its Preservation Commission's (as defined in Section 74-62(b) of the Classification Ordinance) written recommendation of the project for the Class L incentive, specifying the project budget and proposed scope of the work, which meets or exceeds the Standards of the United States Department of the Interior for Rehabilitation, Preservation, Restoration, and Reconstruction of historic properties; and

WHEREAS, the City is a Certified Local Government as defined in Section 74-62(b) of the Classification Ordinance and has established the City of Chicago Commission on Chicago Landmarks (the "Landmarks Commission"), and such Landmarks Commission is a Preservation Commission (as defined in Section 74-62(b) of the Classification Ordinance); and

WHEREAS, on February 7, 2013, the Landmarks Commission issued a written recommendation of the Project to the City Council; recommending that the Project be approved by the Assessor for the Class L incentive, a copy of which is attached hereto as **Exhibit 2** and hereby made a part hereof; and

WHEREAS, the Project Real Estate shall have been occupied and used for the 24-month period prior to the filing of the Class L eligibility application with the Assessor, making the Class L incentive applicable to the Building only; and

WHEREAS, the Department of Housing and Economic Development of the City ("HED") has reviewed the proposed Project, and the Landmarks Commission has determined that it meets the necessary eligibility requirements for Class L designation, and hereby recommends to City Council that the City expressly determine by ordinance that: 1) the incentive provided by Class L is necessary for the Substantial Rehabilitation of the Project Real Estate; 2) the City supports and consents to the granting of the incentive; and 3) the City has reviewed and accepted the Landmarks Commission's written recommendation of the Project for the Class L incentive, specifying the Project budget and proposed scope of the work, and specifying that the Project meets or exceeds the Standards of the United States Department of the Interior for Rehabilitation, Preservation, Restoration, and Reconstruction of historic properties; now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The above recitals are hereby expressly incorporated as if fully set forth herein.

SECTION 2. The City hereby determines that the incentive provided by the Class L is necessary for the Substantial Rehabilitation of the Project Real Estate.

SECTION 3. The City hereby expressly supports and consents to the granting of the Class L incentive.

SECTION 4. The Project is anticipated to be completed by the end of 2015. The Commissioner of HED (the "Commissioner"), or a designee of the Commissioner (together with the Commissioner, an "Authorized Officer"), shall have discretion to extend any of the construction commencement and completion dates by issuing a written extension letter in response to a written request from the Owner. To the extent that the Project Real Estate is not rehabilitated, used or maintained during the term of the Class L incentive in a manner which is

substantially consistent with the approved Project or Use, as determined by the Authorized Officer, the Authorized Officer is hereby authorized to take such steps as may be necessary and appropriate to withdraw the City's support and consent to the Class L incentive, which may cause the Class L certification to be terminated or revoked.

SECTION 5. The City has reviewed and hereby accepts the Landmarks Commission's written recommendation of the Project for the Class L incentive, which specifies the Project budget and proposed scope of the work, and which specifies that the Project meets or exceeds the Standards of the United States Department of the Interior for Rehabilitation, Preservation, Restoration, and Reconstruction of historic properties, a copy of which is attached hereto as Exhibit 2 and made a part hereof.

SECTION 6. The Authorized Officer is hereby authorized to deliver a certified copy of this ordinance to the Assessor and to furnish such additional information as may be required in connection with the filing of the application by the Owner with the Assessor for Class L designation of the Project Real Estate.

SECTION 7. The Authorized Officer is hereby authorized to enter into and execute such instruments and agreements, and perform any and all acts as shall be necessary or advisable in connection with the Project, including such other terms and conditions as may be approved in connection with the Project by the Authorized Officer. The Authorized Officer is hereby authorized to approve minor changes in the scope of work delineated on Exhibit B to Exhibit 2 hereof, provided that changes in the Building conditions warrant such changes and will not change the suitability of the Project Real Estate for the Use (all as determined in the sole discretion of the Authorized Officer). In addition, the Project's total costs listed on Exhibit A to Exhibit 2 may be less than provided on Exhibit A so long as the Project as defined by the scope of work delineated on Exhibit B is completed and approved by the City, the reduced costs do not change the suitability of the Project Real Estate for the Use and the Owner makes a minimum investment of at least 50% of the Building's full market value as determined by the Assessor in the assessment year prior to the commencement of the Substantial Rehabilitation.

SECTION 8. Upon request by the Owner for a final determination of the eligibility of the Project Real Estate for the Class L incentive by the Landmarks Commission pursuant to the Classification Ordinance upon completion of the Substantial Rehabilitation of the Project Real Estate, the commission shall verify that the work performed substantially conforms to the Project approved by the City and that the Project Real Estate is eligible for the Class L incentive (the "Final Determination"). The City hereby determines and directs that the Class L incentive for the Building shall be administered by City staff as follows (this is in addition to any further requirements by the Assessor):

> After the Substantial Rehabilitation has been completed, the applicant will notify HED staff in writing, requesting certification. Certification of the Project includes the final determination that the Project scope of work and the minimum investment have been met as noted in Exhibit 2, except as otherwise approved by the Authorized Officer pursuant to Section 7 above. Upon request for certification, the applicant will also submit additional information to HED staff, as requested, to document the Project and ownership at the time of this request

SECTION 9. No permit fee waiver(s) from the City related to the Project Real Estate shall be granted to the Owner or any successor in interest with respect to the Project Real

Estate during the rehabilitation of the Project and prior to the expiration of the Class L incentive related to the Project Real Estate.

SECTION 10. To the extent that any ordinance, resolution, order or provision of the Municipal Code of Chicago, or part thereof, is in conflict with the provisions of this Ordinance, the provisions of this Ordinance shall be controlling. If any section, paragraph, clause or provision shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this Ordinance.

SECTION 11. This Ordinance shall be effective from and after its passage and approval.
