4038 N. Milwaukee Ave. Zoning Amendment Application

We are requesting a zoning amendment to the property at 4038 N. Milwaukee Avenue in order to build a restaurant with a bar in the location. We are requesting a change from a B1-1 to a B3-1 at this location for that purpose.

This is not a type 1 rezoning and the property is not within an industrial corridor. There will be no change to the dwelling units or building height, just the use of the property for a restaurant with a bar.

Very truly yours,

Quay Tao

ROGERS PARK GARAGE PROJECT NARRATIVE

Rogers Park Solutions LLC (the "Applicant") is the owner of the properties commonly known as 7313 to 7333 North Sheridan Road (also 1233 to 1247 West Sherwin Avenue) (the "Property."). The Property is currently improved with a community center as well as accessory and non-accessory surface parking.

The Applicant proposes to demolish the existing improvements on the Property and develop a new, approximately 250-space non-accessory parking garage (the "Project"). The Project requires several forms of zoning relief including a map amendment to re-zone the Property to B1-5, rear and side yard variations and a Lakefront Protection approval. Assuming receipt of all necessary permits and approvals, the Applicant intends to commence construction in late 2013 or early 2014. The applicant expects to complete construction nine months after commencement of construction.

Attached hereto is a Zoning Summary for the Project.

ZONING SUMMARY FOR ROGERS PARK GARAGE

| | |
|-------------------------------------|---|
| Subject Property: | 7313 to 7333 North Sheridan Road; 1233 to 1247 West Sherwin Avenue |
| Owner: | RP Solutions, LLC |
| Lot Area: | 28,141 sf (approx.) |
| Current Zoning Classification: | RT-4; Private Lakefront District |
| Proposed Zoning Classification: | B1-5 |
| Surrounding Zoning Classifications: | RT-4 (north, east and west); B3-2 (south) |
| Proposed Use: | 250-space, 92,000 square foot, non-accessory parking garage |
| FAR: | Permitted - 5.0; Actual - 3.3 (approx.) |
| Front Setback ¹ : | Required - none since subject property does not abut R-zoned lot ² ; Proposed 6.0 feet |
| Rear Setback: | Required - 2.7 feet ³ ; Proposed - 1 foot to 20+ feet |
| Side Yard: | Required - 5.58 feet ⁴ ; Proposed - 1 foot to 3.70 feet on the north and 9.5 feet on the south |
| Maximum Height: | Permitted - 75 feet; Proposed - Approximately 58 feet (to top of elevator override) |

¹ All setbacks assume a B1-5 zoning classification for the subject property.

² Calculated per Section 17-3-0404. The only other abutting lot with lot frontage on the same street is the property to the south which is zoned B3-2.

³ Calculated per Section 17-3-0405-B. The rear property line of the subject property abuts the side property line of an R-zoned parcel. Thus, the subject property's rear yard must be equal to the minimum side yard setback for a residential building on the adjacent parcel. The adjacent parcel is zoned RT-4. Section 17-2-0309-A provides that principal buildings in the RT-4 district must have a side yard of the greater of two feet or 8% of the lot width. The adjacent R-zoned parcel is triangular with a base of 33.80 feet. Even assuming this is the lot width, the required side yard setback would be 2.7 feet. Assuming the average lot width is much less than 33.80 feet, the required side yard setback would be two feet.

⁴ Calculated per 17-3-0406-A. The subject property, as designed, is a reverse corner lot because its street side property line (West Sherwin) is a continuation of the front property line of the lot to its rear. The R-zoned lot is effectively vacant since it is only improved with a two-car garage. Accordingly, the subject property must have a side yard that is equal to 50% of the required front yard setback of the R-zoned lot. Per Section 17-2-0305, property zoned RT-4 must have a front setback of the lesser of 15 feet or 12% of the lot depth. Given that the depth of the R-zoned lot is approximately 93 feet, a 11.16 foot front yard is required. Accordingly, a 5.58 foot side yard is required on the subject property (i.e., 50% of 11.16).
