Title:	Call for enforcement of municipal code against any and all transportation network providers unlawfully operating as de facto taxicab and livery companies
Committee(s) Assignment:	Committee on Finance Committee on Transportation and Public Way

RESOLUTION

WHEREAS, transportation of the public requested by passengers and provided by companies who dispatch taxicabs and liveries is governed by Chapter 9-112 (taxicabs) and Chapter 9-114 (livery vehicles) of the Municipal Code of Chicago; and

WHEREAS, Section 9-112-020 of the Municipal Code provides, "It is unlawful for any person to operate a motor vehicle, or for the registered owner thereof to permit it to be operated, for the transportation of passengers for hire within the city unless it is licensed by the city as a taxicab pursuant to this chapter, or as a public passenger vehicle pursuant to Chapter 9-114."; and

WHEREAS, despite the applicability of the Municipal Code to such transportation services, certain companies offer taxi and limousine services within the city in apparent violation of city law; and

WHEREAS, such companies, hereinafter referred to as "transportation network providers," receive requests for transportation from the public, contact drivers or operators to dispatch vehicles to transport the public for hire, collect the fares for transportation using customer credit cards, and pay the drivers after deducting a percentage of the fare; and

WHEREAS, transportation network providers, like licensed taxicabs and licensed taxicab affiliations, use internet and smartphone based applications to dispatch transportation to customers; and

WHEREAS, unlike licensed taxicabs and licensed liveries, transportation network providers have not been required to: maintain liability and worker's compensation insurance; have their vehicles inspected by the city; use newer vehicles; use only trained drivers with chauffeur licenses who are required to maintain continuing education requirements; adhere to maximum rates established by the city; respond to calls from all areas of the city; provide wheelchair accessible vehicles; accept alternative forms of payment, including cash; or pay any city taxes; and

WHEREAS, according to the Illinois Department of Insurance, if a ride-sharing vehicle is involved in an accident, the driver's personal insurance policy typically will not cover any passengers, occupants of other vehicles, pedestrians or property involved; and

WHEREAS, as a result, the public is being transported in vehicles without proper insurance and passengers, pedestrians, and other motorists are unprotected by the personal auto insurance policies of underinsured drivers; and

WHEREAS, according to reports, one transportation network provider has denied the use of its excess insurance policy in connection with a motor vehicle crash in San Francisco, which resulted in the death of a 6-year-old girl; and

WHEREAS, transportation network providers have been permitted to operate much like taxicab companies without being required to hold taxicab medallion licenses; and

WHEREAS, prior to the activities of transportation network providers in the city, the 6,800 taxicab medallions currently issued by and in use within the city had an aggregate market value of more than \$2.3 billion; and

WHEREAS, on September 13, 2013, the city announced that it would auction 50 taxicab medallions at a minimum price of \$360,000; and

WHEREAS, the value of the city's taxicab medallion licenses is threatened and undercut by the activities of transportation network providers, which permit unauthorized vehicles to provide transportation for hire within the City of Chicago; and

WHEREAS, the licensed taxicab industry pays more than \$24 million in taxes and fees to the city annually; and

WHEREAS, the City of Chicago regulates for the protection of public safety and intends to ensure that persons engaged in the transportation of passengers for hire within the city adhere to the regulations set forth in the Municipal Code of Chicago; now, therefore

BE IT RESOLVED, that we, the members of the City Council of the City of Chicago, do hereby direct the Superintendent of Police and the Commissioner of the Department of Business Affairs and Consumer Protection to take all necessary action to enforce the Municipal Code of Chicago against any and all transportation network providers unlawfully operating as de facto taxicab and livery companies within the City of Chicago.

Title:	Call upon President Obama to suspend deportation of individuals with no criminal record
Committee(s) Assignment:	Committee on Human Relations

CITY COUNCIL RESOLUTION TO PROTECT FAMILIES FROM SEPARATION
THROUGH DEPORTATION.

WHEREAS, the city of Chicago is a city of immigrants, with a long history of contributions to the fabric of the society; and

WHEREAS, Immigrants historically have generated economic growth in Chicago by working, saving and establishing businesses, and have also made great contributions to Chicago's cultural development and to a democratic society; and

WHEREAS, The City of Chicago is the first Sanctuary City in the nation, declared by Mayor Harold Washington in 1983 and subsequently renewed by Mayor Richard Daley and by Mayor Rahm Emanuel; and

WHEREAS, under a broken federal immigration system caused by congressional gridlock, deportations have reached record levels under President Obama, rising to an annual average of nearly 400,000 since 2009; and

WHEREAS, According to U.S. Representatives Raul M. Grijalva, Yvette Clarke, and Luis Gutierrez, although the Obama Administration is prioritizing to deport only criminals, many individuals with no criminal history have been deported; and

WHEREAS, Increased deportations and a continuation of our broken immigration system exacerbate the living conditions of U.S. citizen children whose parents have been deported; and

WHEREAS, Separation of children from their parents, for any reason and irrespective of immigration status, results in severe consequences for young children who are left with no parental guidance or care and a highly unstable financial situation; and

WHEREAS, Immigration continues to be at the center of national debate. President Obama and Congress must implement a more humanitarian immigration policy that keeps families together and respects the right of all workers to support their families; and

WHEREAS, Several members of Congress recently signed a letter requesting that President Obama suspend further deportations and extend the Deferred Action for Childhood Arrivals (DACA) program; and

WHEREAS, Children and their families should not have to live in fear of government-forced separation; it is therefore necessary to expand the protections established by the DACA program, and to expand the services currently provided to spouses, children and parents of active duty members of the U.S. Armed Forces to include all children and their families; and

WHEREAS, because Chicago is home to immigrants from all parts of the world, the City should therefore make it a humanitarian priority to keep children and their families together, and continue to urge Congress and President Obama to reach a prompt, just and comprehensive immigration reform;

THEREFORE, BE IT RESOLVED that the City of Chicago calls upon the Obama Administration to suspend any further deportations of unauthorized individuals with no criminal history and to exercise his power to issue an executive order to expand DACA to spouses, children and parents until congress passes a humane immigration reform.
