AGREEMENT

This Agreement is entered into as of the _____ day of _____, 2014 (“**Effective Date**”) by and between Inner-City Muslim Action Network, an Illinois not-for-profit corporation (“**Consultant**” or “**IMAN**”), and the City of Chicago, a municipal corporation and home rule unit of local government existing under the Constitution of the State of Illinois, acting through its Department of Planning and Development (“**City**”), at Chicago, Illinois. The City and Consultant agree as follows:

TERMS AND CONDITIONS

ARTICLE 1. DEFINITIONS

1.1 Definitions

The following words and phrases have the following meanings for purposes of this Agreement:

“**Additional Services**” means those services which are within the general scope of Services of this Agreement, but beyond the description of services required under Section 2.1, and all services reasonably necessary to complete the Additional Services to the standards of performance required by this Agreement. Any Additional Services requested by the Department require the approval of the City in a written amendment under Section 8.3 of this Agreement before Consultant is obligated to perform those Additional Services and before the City becomes obligated to pay for those Additional Services.

“**Agreement**” means this Professional Services Agreement, including all exhibits attached to it and incorporated in it by reference, and all amendments, modifications or revisions made in accordance with its terms.

“**Chief Procurement Officer**” means the Chief Procurement Officer of the City and any representative duly authorized in writing to act on her behalf.

“**Commissioner**” means the Commissioner of the Department.

“**Department**” means the Department of Planning and Development.

“**Services**” means, collectively, the services, duties and responsibilities described in Article 2 and Exhibit 1 of this Agreement and any and all work necessary to complete them or carry them out fully and to the standard of performance required in this Agreement.

“**Subcontractor**” means any person or entity with whom Consultant contracts to provide any part of the Services, including subcontractors and subconsultants of any tier, suppliers and materials providers, whether or not in privity with Consultant.

1.2 Interpretation

(a) The term “**include**” (in all its forms) means “include, without limitation” unless the context clearly states otherwise.

(b) All references in this Agreement to Articles, Sections or Exhibits, unless otherwise expressed or indicated are to the Articles, Sections or Exhibits of this Agreement.

(c) Words importing persons include firms, associations, partnerships, trusts, corporations and other legal entities, including public bodies, as well as natural persons.

(d) Any headings preceding the text of the Articles and Sections of this Agreement, and any table of contents or marginal notes appended to it, are solely for convenience or reference and do not constitute a part of this Agreement, nor do they affect the meaning, construction or effect of this Agreement.

(e) Words importing the singular include the plural and vice versa. Words of the masculine gender include the correlative words of the feminine and neuter genders.

(f) All references to a number of days mean calendar days, unless indicated otherwise.

1.3 Incorporation of Exhibits

The following attached Exhibits are made a part of this Agreement:

Exhibit 1	Scope of Services and Time Limits for Performance
Exhibit 2	Schedule of Compensation
Exhibit 3	Economic Disclosure Statement and Affidavit
Exhibit 4	Insurance Requirements and Evidence of Insurance
Exhibit 5	List of Key Personnel

ARTICLE 2. DUTIES AND RESPONSIBILITIES OF CONSULTANT

2.1 Scope of Services

This description of Services is intended to be general in nature and is neither a complete description of Consultant’s Services nor a limitation on the Services that Consultant is to provide under this Agreement. Consultant must provide the Services in accordance with the standards of performance set forth in Section 2.3. The Services that Consultant must provide are described in Exhibit 1, Scope of Services and Time Limits for Performance.

2.2 Deliverables

In carrying out its Services, Consultant must prepare or provide to the City various Deliverables. “**Deliverables**” include work product, such as written reviews, recommendations, reports and analyses, produced by Consultant for the City.

The City may reject Deliverables that do not include relevant information or data, or do not include all documents or other materials specified in this Agreement or reasonably necessary for the purpose for which the City made this Agreement or for which the City intends to use the Deliverables. If the City determines that Consultant has failed to comply with the foregoing standards, it has 30 days from the discovery to notify Consultant of its failure. If Consultant does not correct the failure, if it is possible to do so, within 30 days after receipt of notice from the City specifying the failure, then the City, by written notice, may treat the failure as a default of this Agreement under Section 7.1.

Partial or incomplete Deliverables may be accepted for review only when required for a specific and well-defined purpose for the benefit of the City and when consented to in advance by the City. Such Deliverables will not be considered as satisfying the requirements of this Agreement and partial or incomplete Deliverables in no way relieve Consultant of its obligations under this Agreement.

2.3 Standard of Performance

Consultant must perform all Services required of it under this Agreement with that degree of skill, care and diligence normally shown by a consultant performing services of a scope and purpose and magnitude comparable with the nature of the Services to be provided under this Agreement. Consultant acknowledges that it is entrusted with or has access to valuable and confidential information and records of the City and with respect to that information, Consultant agrees to be held to the standard of care of a fiduciary. **Any review, approval, acceptance of Services or Deliverables or payment for any of the Services by the City does not relieve Consultant of its responsibility for the professional skill and care and technical accuracy of its Services and Deliverables. This provision in no way limits the City’s rights against Consultant under this Agreement, at law or in equity.**

Consultant must be appropriately licensed to perform the Services, if required by law, and must ensure that all Services that require the exercise of professional skills or judgment are accomplished by professionals qualified and competent in the applicable discipline and appropriately licensed as may be required by law. Consultant must provide copies of any such licenses. Consultant remains responsible for the professional and technical accuracy of all Services or Deliverables furnished. All Deliverables must be prepared in a form and content satisfactory to the Department and delivered in a timely manner consistent with the requirements of this Agreement.

If Consultant fails to comply with the foregoing standards, Consultant must, at the City’s option, perform again, at its own expense, all Services required to be re-performed as a direct or

indirect result of that failure, unless the reason is failure to have and maintain required licensure. See subsection 7.1 (b)(ii) regarding failure to comply with licensure requirements.

2.4 Personnel

(a) Adequate Staffing

Consultant must, upon receiving a fully executed copy of this Agreement, assign and maintain during the term of this Agreement and any extension of it an adequate staff of competent personnel that is fully equipped, licensed as appropriate, available as needed, qualified and assigned exclusively to perform the Services. Consultant must include among its staff the Key Personnel and positions as identified below. The level of staffing may be revised from time to time by notice in writing from Consultant to the City and with prior written consent of the City.

(b) Key Personnel

Consultant must not reassign or replace Key Personnel without the written consent of the City. “**Key Personnel**” means those job titles and the persons assigned to those positions in accordance with the provisions of this Section 2.4(b). The Department may at any time in writing notify Consultant that the City will no longer accept performance of Services under this Agreement by one or more Key Personnel listed. Upon that notice Consultant must immediately suspend the key person or persons from performing Services under this Agreement and must replace him or them in accordance with the terms of this Agreement. Key Personnel, if any, are identified in Exhibit 5.

(c) Salaries and Wages

Consultant must pay all salaries and wages due all employees performing Services under this Agreement unconditionally and at least once a month without deduction or rebate on any account, except only for those payroll deductions that are mandatory by law or are permitted under applicable law and regulations. If in the performance of this Agreement Consultant underpays any such salaries or wages, the Commissioner may withhold, out of payments due to Consultant, an amount sufficient to pay to employees underpaid the difference between the salaries or wages required to be paid under this Agreement and the salaries or wages actually paid these employees for the total number of hours worked. The amounts withheld may be disbursed by the Commissioner for and on account of Consultant to the respective employees to whom they are due. The parties acknowledge that this Section 2.4(c) is solely for the benefit of the City and that it does not grant any third party beneficiary rights.

2.5 Intentionally Omitted

2.6 Insurance

Consultant must provide and maintain at Consultant's own expense, during the term of this Agreement and any time period following expiration if Consultant is required to return and perform any of the Services or Additional Services under this Agreement, the insurance coverages and requirements specified in Exhibit 4 of this Agreement, insuring all operations related to this Agreement.

2.7 Indemnification

(a) Consultant must defend, indemnify, and hold harmless the City, its officers, representatives, elected and appointed officials, agents and employees from and against any and all Losses, including those related to:

- (i) injury, death or damage of or to any person or property;
- (ii) any infringement or violation of any property right (including any patent, trademark or copyright);
- (iii) Consultant's failure to perform or cause to be performed Consultant's promises and obligations as and when required under this Agreement;
- (iv) the City's exercise of its rights and remedies under Section 7.2 of this Agreement; and
- (v) injuries to or death of any employee of Consultant under any workers compensation statute.

(b) "Losses" means, individually and collectively, liabilities of every kind, including losses, damages and reasonable costs, payments and expenses (such as, but not limited to, court costs and reasonable attorneys' fees and disbursements), claims, demands, actions, suits, proceedings, judgments or settlements, any or all of which in any way arise out of or relate to Consultant's breach of this Agreement or to Consultant's negligent or otherwise wrongful acts or omissions or those of its officers, agents, employees, consultants, or licensees.

(c) At the City Corporation Counsel's option, Consultant must defend all suits brought upon all such Losses and must pay all costs and expenses incidental to them, but the City has the right, at its option, to participate, at its own cost, in the defense of any suit, without relieving Consultant of any of its obligations under this Agreement. Any settlement must be made only with the prior written consent of the City Corporation Counsel, if the settlement requires any action on the part of the City.

(d) To the extent permissible by law, Consultant waives any limits to the amount of its obligations to defend, indemnify, hold harmless, or contribute to any sums due under any Losses, including any claim by any employee of Consultant that may be subject to the Workers Compensation Act, 820 ILCS 305/1 *et seq.* or any other related law or judicial decision (such as,

Kotecki v. Cyclops Welding Corporation, 146 Ill. 2d 155 (1991)). The City, however, does not waive any limitations it may have on its liability under the Illinois Workers Compensation Act, the Illinois Pension Code, any other statute or judicial decision.

(e) The indemnities in this section survive expiration or termination of this Agreement for matters occurring or arising during the term of this Agreement or as the result of or during Consultant's performance of Services beyond the term. Consultant acknowledges that the requirements set forth in this section to defend, indemnify, and hold harmless the City are apart from and not limited by the Consultant's duties under this Agreement, including the insurance requirements in Exhibit 4 of this Agreement.

2.8 Ownership of Documents

All Deliverables, data, findings or information in any form prepared, assembled or encountered by or provided to Consultant under this Agreement are property of the City, including, as further described in Section 2.9 below, all copyrights inherent in them or their preparation. During performance of its Services, Consultant is responsible for any loss or damage to the Deliverables, data, findings or information while in Consultant's possession. Any such lost or damaged Deliverables, data, findings or information must be restored at the expense of Consultant. If not restorable, Consultant must bear the cost of replacement and of any loss suffered by the City on account of the destruction, as provided in Section 2.7.

2.9 Copyright Ownership

Consultant and the City intend that, to the extent permitted by law, the Deliverables to be produced by Consultant at the City's instance and expense under this Agreement are conclusively deemed "**works made for hire**" within the meaning and purview of Section 101 of the United States Copyright Act, 17 U.S.C. §101 *et seq.*, and that the City will be the sole copyright owner of the Deliverables and of all aspects, elements and components of them in which copyright can subsist, and of all rights to apply for copyright registration or prosecute any claim of infringement.

To the extent that any Deliverable does not qualify as a "work made for hire," Consultant hereby irrevocably grants, conveys, bargains, sells, assigns, transfers and delivers to the City, its successors and assigns, all right, title and interest in and to the copyrights and all U.S. and foreign copyright registrations, copyright applications and copyright renewals for them, and other intangible, intellectual property embodied in or pertaining to the Deliverables prepared for the City under this Agreement, and all goodwill relating to them, free and clear of any liens, claims or other encumbrances, to the fullest extent permitted by law. Consultant will, and will cause all of its employees, agents and other persons within its control to, execute all documents and perform all acts that the City may reasonably request in order to assist the City in perfecting its rights in and to the copyrights relating to the Deliverables, at the sole expense of the City. Consultant warrants to the City, its successors and assigns, that on the date of transfer Consultant is the lawful owner of good and marketable title in and to the copyrights for the Deliverables and

has the legal rights to fully assign them. Consultant further warrants that it has not assigned and will not assign any copyrights and that it has not granted and will not grant any licenses, exclusive or nonexclusive, to any other party, and that it is not a party to any other agreements or subject to any other restrictions with respect to the Deliverables. Consultant warrants that the Deliverables are complete, entire and comprehensive, and that the Deliverables constitute a work of original authorship.

2.10 Records and Audits

(a) Records

(i) Consultant must deliver or cause to be delivered to the City all documents, including all Deliverables prepared for the City under the terms of this Agreement, promptly in accordance with the time limits prescribed in this Agreement, and if no time limit is specified, then upon reasonable demand for them or upon termination or completion of the Services under this Agreement. If Consultant fails to make such delivery upon demand, then Consultant must pay to the City any damages the City may sustain by reason of Consultant's failure.

(ii) Consultant must maintain any such records including Deliverables not delivered to the City or demanded by the City for a period of 5 years after the final payment made in connection with this Agreement. Consultant must not dispose of such documents following the expiration of this period without notification of and written approval from the City in accordance with Article 9.

(b) Audits

(i) Consultant must furnish the Department with all information that may be requested pertaining to the performance and cost of the Services. Consultant must maintain records showing actual time devoted and costs incurred. Consultant must keep books, documents, papers, records and accounts in connection with the Services open to audit, inspection, copying, abstracting and transcription and must make these records available to the City and any other interested governmental agency, at reasonable times during the performance of its Services.

(ii) To the extent that Consultant conducts any business operations separate and apart from the Services required under this Agreement using, for example, personnel, equipment, supplies or facilities also used in connection with this Agreement, then Consultant must maintain and make similarly available to the City detailed records supporting Consultant's allocation to this Agreement of the costs and expenses attributable to any such shared usages.

(iii) Consultant must maintain its books, records, documents and other evidence and adopt accounting procedures and practices sufficient to reflect properly all costs of whatever nature claimed to have been incurred and anticipated to be incurred for

or in connection with the performance of this Agreement. This system of accounting must be in accordance with generally accepted accounting principles and practices, consistently applied throughout.

(iv) No provision in this Agreement granting the City a right of access to records and documents is intended to impair, limit or affect any right of access to such records and documents which the City would have had in the absence of such provisions.

(v) The City may in its sole discretion audit the records of Consultant at any time during the term of this Agreement or within five years after the Agreement ends, in connection with the goods, work, or Services provided under this Agreement. Each calendar year or partial calendar year is considered an Audited period. If, as a result of any such audit, it is determined that Consultant has overcharged the City in the audited period, the City will notify Consultant. Consultant must then promptly reimburse the City for any amounts the City has paid Consultant due to the overcharges and also some or all of the cost of the audit, as follows:

- A. If the audit has revealed overcharges to the City representing less than 5% of the total value, based on the Agreement prices, of the goods, work, or Services provided in the audited period, then the Consultant must reimburse the City for 50% of the cost of the audit and 50% of the cost of each subsequent audit that the City conducts;
- B. If, however, the audit has revealed overcharges to the City representing 5% or more of the total value, based on the Agreement prices, of the goods, work, or Services provided in the audited period, then Consultant must reimburse the City for the full cost of the audit and of each subsequent audit.

Failure of Consultant to reimburse the City in accordance with subsection A or B above is an event of default under Section 7.1 of this Agreement, and Consultant will be liable for all of the City's costs of collection, including any court costs and attorneys' fees.

2.11 Confidentiality

(a) All Deliverables and reports, data, findings or information in any form prepared, assembled or encountered by or provided by Consultant under this Agreement are property of the City and are confidential, except as specifically authorized in this Agreement or as may be required by law. Consultant must not allow the Deliverables to be made available to any other individual or organization without the prior written consent of the City, such consent not to be unreasonably withheld. Further, all documents and other information provided to Consultant by the City are confidential and must not be made available to any other individual or organization without the prior written consent of the City, such consent not to be unreasonably withheld.

Consultant must implement such measures as may be necessary to ensure that its staff is bound by the confidentiality provisions in this Agreement.

(b) Consultant must not issue any publicity news releases or grant press interviews, and except as may be required by law during or after the performance of this Agreement, disseminate any information regarding its Services or the project to which the Services pertain without the prior written consent of the City.

(c) If Consultant is presented with a request for documents by any administrative agency or with a subpoena duces tecum regarding any records, data or documents which may be in Consultant's possession by reason of this Agreement, Consultant must immediately give notice to the Department and the Corporation Counsel for the City with the understanding that the City will have the opportunity to contest such process by any means available to it before the records, data or documents are submitted to a court or other third party. Consultant, however, is not obligated to withhold the delivery beyond the time ordered by a court or administrative agency, unless the subpoena or request is quashed or the time to produce is otherwise extended.

2.12 Assignments and Subcontracts

(a) Consultant must not assign, delegate or otherwise transfer all or any part of its rights or obligations under this Agreement and may not subcontract any portion of the Services.

(b) The City reserves the right to assign or otherwise transfer all or any part of its interests under this Agreement to any successor.

ARTICLE 3. DURATION OF AGREEMENT

3.1 Term of Performance

This Agreement takes effect as of the Effective Date and continues, except as provided under Article 7, for 12 months, as that date may be extended under Section 3.3.

3.2 Timeliness of Performance

(a) Consultant must provide the Services and Deliverables within the time limits required under Exhibit 1. **Further, Consultant acknowledges that TIME IS OF THE ESSENCE and that the failure of Consultant to comply with the required time limits may result in economic or other losses to the City.**

(b) Neither Consultant nor Consultant's agents or employees are entitled to any damages from the City, nor is any party entitled to be reimbursed by the City, for damages, charges or other losses or expenses incurred by Consultant by reason of delays or hindrances in the performance of the Services, whether or not caused by the City.

3.3 Agreement Extension Option

The Commissioner may at any time before this Agreement expires elect to extend this Agreement for up to 1 year, under the same terms and conditions as this original Agreement, by notice in writing to Consultant.

ARTICLE 4. COMPENSATION

4.1 Basis of Payment

Consultant's sole compensation for the completion of the Services in accordance with this Agreement, including the standard of performance in Section 2.3, is set forth in the attached Exhibit 2.

4.2 Method of Payment

Consultant must submit invoices (in triplicate) to the City for fees, as outlined in the Schedule of Compensation in Exhibit 2. The invoices must be in sufficient detail to support Consultant's invoice for fees. The City will process payment within 60 days after receipt of invoices and all supporting documentation necessary for the City to verify the Services provided under this Agreement.

4.3 Funding

The source of funds for payments under this Agreement is Fund number 013.0100.544063.0140.220140. Payments under this Agreement must not exceed \$40,000 without a written amendment in accordance with Section 8.3. Funding for this Agreement is subject to the availability of funds and their appropriation by the City Council of the City.

4.4 Non-Appropriation

If no funds or insufficient funds are appropriated and budgeted in any fiscal period of the City for payments to be made under this Agreement, then the City will notify Consultant in writing of that occurrence, and this Agreement will terminate on the earlier of the last day of the fiscal period for which sufficient appropriation was made or whenever the funds appropriated for payment under this Agreement are exhausted. Payments for Services completed to the date of notification will be made to Consultant, except that no payments will be made or due to Consultant under this Agreement beyond those amounts appropriated and budgeted by the City to fund payments under this Agreement.

ARTICLE 5. COMPLIANCE WITH ALL LAWS

5.1 Compliance with All Laws Generally

(a) Consultant must observe and comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later and whether or not they appear in this Agreement, including those set forth in this Article 5, and Consultant must pay all taxes and obtain all licenses, certificates and other authorizations required by them. Further, Consultant must execute an Economic Disclosure Statement and Affidavit (“EDS”) in the form attached to this Agreement as Exhibit 3. Notwithstanding acceptance by the City of the EDS, Consultant’s failure in the EDS to include all information required under the Municipal Code renders this Agreement voidable at the option of the City. Consultant must promptly update its EDS(s) on file with the City whenever any information or response provided in the EDS(s) is no longer complete and accurate. Contractor agrees that Contractor’s failure to maintain current throughout the term and any extensions of the term, the disclosures and information pertaining to ineligibility to do business with the City under Chapter 1-23 of the Municipal Code, as such is required under Sec. 2-154-020, shall constitute an event of default.

(b) Notwithstanding anything in this Agreement to the contrary, references to a statute or law are considered to be a reference to (i) the statute or law as it may be amended from time to time; (ii) all regulations and rules pertaining to or promulgated pursuant to the statute or law; and (iii) all future statutes, laws, regulations, rules and executive orders pertaining to the same or similar subject matter.

5.2 Nondiscrimination

(a) Consultant

Consultant must comply with applicable federal, state, and local laws and related regulations prohibiting discrimination against individuals and groups.

(i) Federal Requirements

Consultant must not engage in unlawful employment practices, such as (1) failing or refusing to hire or discharging any individual, or otherwise discriminating against any individual with respect to compensation or the terms, conditions, or privileges of the individual’s employment, because of the individual’s race, color, religion, sex, age, handicap/disability or national origin; or (2) limiting, segregating or classifying Consultant’s employees or applicants for employment in any way that would deprive or tend to deprive any individual of employment opportunities or otherwise adversely affect the individual’s status as an employee, because of the individual’s race, color, religion, sex, age, handicap/disability or national origin.

Consultant must comply with, and the procedures Consultant utilizes and the Services Consultant provides under this Agreement must comply with, the Civil Rights Act of 1964, 42 U.S.C. sec. 2000e *et seq.* (1981), as amended and the Civil Rights Act of 1991, P.L. 102-166. and by Exec. Order No. 12086, 43 Fed. Reg. 46,501 (1978); Age Discrimination Act, 42 U.S.C. §§ 6101-6106 (1981); Age Discrimination in Employment Act, 29 U.S.C. §§ 621-34; Rehabilitation Act of 1973, 29 U.S.C. §§ 793-794 (1981); Americans with Disabilities Act, 42 U.S.C. § 12101 *et seq.*; 41 C.F.R. Part 60 *et seq.* (1990); and all other applicable federal statutes, regulations and other laws.

(ii) State Requirements

Consultant must comply with, and the procedures Consultant utilizes and the Services Consultant provides under this Agreement must comply with, the Illinois Human Rights Act, 775 ILCS 5/1-101 *et seq.* (1990), as amended and any rules and regulations promulgated in accordance with it, including the Equal Employment Opportunity Clause, 44 Ill. (iii) City Requirements

Consultant must comply with, and the procedures Consultant utilizes and the Services Consultant provides under this Agreement must comply with, the Chicago Human Rights Ordinance, ch. 2-160, Section 2-160-010 *et seq.* of the Municipal Code of Chicago (1990), as amended, and all other applicable City ordinances and rules.

5.3 Inspector General

It is the duty of any bidder, proposer or Consultant, every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners and employees of any bidder, proposer, Consultant, or such applicant to cooperate with the Legislative Inspector General or the Inspector General in any investigation or hearing, if applicable, undertaken pursuant to Chapters 2-55 or 2-56, respectively, of the Municipal Code. Consultant understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code.

5.4 MacBride Ordinance

The City of Chicago through the passage of the MacBride Principles Ordinance seeks to promote fair and equal employment opportunities and labor practices for religious minorities in Northern Ireland and provide a better working environment for all citizens in Northern Ireland.

In accordance with Section 2-92-580 of the Municipal Code of the City of Chicago, if Consultant conducts any business operations in Northern Ireland, the Consultant must make all reasonable and good faith efforts to conduct any business operations in Northern Ireland in accordance with the MacBride Principles for Northern Ireland as defined in Illinois Public Act 85-1390 (1988 Ill. Laws 3220).

The provisions of this Section 5.4 do not apply to contracts for which the City receives funds administered by the United States Department of Transportation, except to the extent Congress has directed that the Department of Transportation not withhold funds from states and localities that choose to implement selective purchasing policies based on agreement to comply with the MacBride Principles for Northern Ireland, or to the extent that such funds are not otherwise withheld by the Department of Transportation.

5.5 Business Relationships with Elected Officials

Pursuant to § 2-156-030(b) of the Municipal Code , it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected official has a business relationship, or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a business relationship. **Violation of Section 2-156-030(b) by any elected official with respect to this Agreement is grounds for termination of this Agreement.** The term business relationship is defined as set forth in § 2-156-080 of the Municipal Code .

Section 2-156-080 defines a “**business relationship**” as any contractual or other private business dealing of an official, or his or her spouse, or of any entity in which an official or his or her spouse has a financial interest, with a person or entity which entitles an official to compensation or payment in the amount of \$2,500 or more in a calendar year; provided, however, a financial interest shall not include: (i) any ownership through purchase at fair market value or inheritance of less than one percent of the share of a corporation, or any corporate subsidiary, parent or affiliate thereof, regardless of the value of or dividends on such shares, if such shares are registered on a securities exchange pursuant to the Securities Exchange Act of 1934, as amended; (ii) the authorized compensation paid to an official or employee for his office or employment; (iii) any economic benefit provided equally to all residents of the City; (iv) a time or demand deposit in a financial institution; or (v) an endowment or insurance policy or annuity contract purchased from an insurance company. A contractual or other private business dealing shall not include any employment relationship of an official’s spouse with an entity when such spouse has no discretion concerning or input relating to the relationship between that entity and the City.

5.6 Chicago “Living Wage” Ordinance

(a) Section 2-92-610 of the Municipal Code provides for a living wage for certain categories of workers employed in the performance of City contracts, specifically non-City employed security guards, parking attendants, day laborers, home and health care workers, cashiers, elevator operators, custodial workers and clerical workers (“**Covered Employees**”). Accordingly, pursuant to Section 2-92-610 and regulations promulgated under it:

- (i) If Consultant has 25 or more full-time employees, and
- (ii) If at any time during the performance of this Agreement, Consultant

and/or any Subcontractor or any other entity that provides any portion of the Services (collectively “**Performing Parties**”) uses 25 or more full-time security guards, or any number of other full-time Covered Employees, then

(iii) Consultant must pay its Covered Employees, and must ensure that all other Performing Parties pay their Covered Employees, not less than the minimum hourly rate as determined in accordance with this provision (the “**Base Wage**”) for all Services performed under this Agreement.

(b) Consultant’s obligation to pay, and to ensure payment of, the Base Wage will begin at any time during the term of this Agreement when the conditions set forth in (a)(i) and (a)(ii) above are met, and will continue until the end of the term of this Agreement.

(c) As of July 1, 2013, the Base Wage is \$11.78 per hour, and each July 1 thereafter, the Base Wage will be adjusted using the most recent federal poverty guidelines for a family of four as published annually by the U.S. Department of Health and Human Services, to constitute the following: the poverty guidelines for a family of four divided by 2000 hours or the current base wage, whichever is higher. The currently applicable Base Wage is available from the Department of Procurement Services. At all times during the term of this Agreement, Consultant and all other Performing Parties must pay the Base Wage (as adjusted in accordance with the above). If the payment of prevailing wages is required for Services done under this Agreement, and the prevailing wages for Covered Employees are higher than the Base Wage, then Consultant and all other Performing Parties must pay the prevailing wage rates.

(d) Consultant must include provisions in all subcontracts requiring its Subcontractors to pay the Base Wage to Covered Employees. Consultant agrees to provide the City with documentation acceptable to the Commissioner demonstrating that all Covered Employees, whether employed by Consultant or by a Subcontractor, have been paid the Base Wage, upon the City’s request for such documentation. The City may independently audit Consultant and/or Subcontractors to verify compliance with this section. Failure to comply with the requirements of this section will be an event of default under this Agreement, and further, failure to comply may result in ineligibility for any award of a City contract or subcontract for up to 3 years.

(e) Not-for-Profit Corporations: If Consultant is a corporation having federal tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and is recognized under Illinois not-for-profit law, then the provisions of subsections (a) through (d) above do not apply.

5.7 Environmental Warranties and Representations

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Consultant warrants and represents that it, and to the best of its knowledge, its subcontractors have not violated and are not in violation of the following sections of the Code (collectively, the Waste Sections):

7-28-390 Dumping on public way;

7-28-440 Dumping on real estate without permit;
11-4-1410 Disposal in waters prohibited;
11-4-1420 Ballast tank, bilge tank or other discharge;
11-4-1450 Gas manufacturing residue;
11-4-1500 Treatment and disposal of solid or liquid waste;
11-4-1530 Compliance with rules and regulations required;
11-4-1550 Operational requirements; and
11-4-1560 Screening requirements.

During the period while this Agreement is executory, Consultant's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole discretion of the Commissioner. Such breach and default entitles the City to all remedies under the Agreement, at law or in equity.

This section does not limit Consultant's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement.

Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect Consultant's eligibility for future contract awards.

5.8 Prohibition on Certain Contributions

Consultant agrees that Consultant, any person or entity who directly or indirectly has an ownership or beneficial interest in Consultant of more than 7.5 percent ("**Owners**"), spouses and domestic partners of such Owners, Consultant's subcontractors, any person or entity who directly or indirectly has an ownership or beneficial interest in any subcontractor of more than 7.5 percent ("**Sub-owners**") and spouses and domestic partners of such Sub-owners (Consultant and all the other preceding classes of persons and entities are together, the "**Identified Parties**"), shall not make a contribution of any amount to the Mayor of the City of Chicago ("**Mayor**") or to his political fundraising committee (i) after execution of this Agreement by Consultant, (ii) while this Agreement or any Other Contract is executory, (iii) during the term of this Agreement or any Other Contract between Consultant and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Consultant represents and warrants that since the date of public advertisement of the specification, request for qualifications, request for proposals or request for information (or any combination of those requests) or, if not competitively procured, from the date the City approached Consultant or the date Consultant approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Consultant agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Consultant agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Consultant agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Consultant violates this provision or Mayoral Executive Order No. 2011-4 prior to award of the Agreement resulting from this specification, the Commissioner may reject Consultant's bid.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source which are then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Consultant is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the city council.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

- (A) they are each other's sole domestic partner, responsible for each other's common welfare; and
- (B) neither party is married, as marriage is defined under Illinois law; and
- (C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
- (D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

- (E) two of the following four conditions exist for the partners:
1. The partners have been residing together for at least 12 months.
 2. The partners have common or joint ownership of a residence.
 3. The partners have at least two of the following arrangements:
 - a. joint ownership of a motor vehicle;
 - b. a joint credit account;
 - c. a joint checking account;
 - d. a lease for a residence identifying both domestic partners as tenants.
 4. Each partner identifies the other partner as a primary beneficiary in a will.

“Political fundraising committee” means a “political fundraising committee” as defined in Chapter 2-156 of the Municipal code of Chicago, as amended.”

5.9 Firms Owned or Operated by Individuals with Disabilities.

The City encourages consultants to use Subcontractors that are firms owned or operated by individuals with disabilities, as defined by Section 2-92-586 of the Municipal Code of the City of Chicago, where not otherwise prohibited by federal or state law.

5.10 Ineligibility to do Business with City.

Failure by the Contractor or any Controlling Person (defined in Section 1-23-010 of the Municipal Code) thereof to maintain eligibility to do business with the City in violation of Section 1-23-030 of the Municipal Code shall render this Contract voidable or subject to termination, at the option of the Chief Procurement Officer. Contractor agrees that Contractor’s failure to maintain eligibility (or failure by Controlling Persons to maintain eligibility) to do business with the City in violation of Section 1-23-030 of the Municipal Code shall constitute an event of default.

5.11 Deemed Inclusion

Provisions required by law, ordinances, rules, regulations, or executive orders to be inserted in this Agreement are deemed inserted in this Agreement whether or not they appear in this Agreement or, upon application by either party, this Agreement will be amended to make the insertion; however, in no event will the failure to insert the provisions before or after this Agreement is signed prevent its enforcement.

ARTICLE 6. SPECIAL CONDITIONS

6.1 Warranties and Representations

Knowing failure to make such a report will be an event of default under this Agreement;

"Affiliate of Consultant" means a person or entity that directly (or indirectly through one or more intermediaries) controls, is controlled by or is under common control with Consultant. A person or entity will be deemed to be controlled by another person or entity if it is controlled in any manner whatsoever that results in control in fact by that other person or entity (either acting individually or acting jointly or in concert with others) whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

6.2 Ethics

(a) In addition to the foregoing warranties and representations, Consultant warrants:

(i) no officer, agent or employee of the City is employed by Consultant or has a financial interest directly or indirectly in this Agreement or the compensation to be paid under this Agreement except as may be permitted in writing by the Board of Ethics established under Chapter 2-156 of the Municipal Code .

6.4 Business Documents

At the request of the City, Consultant must provide copies of its latest articles of incorporation, by-laws and resolutions, or partnership or joint venture agreement, as applicable.

6.5 Conflicts of Interest

(a) No member of the governing body of the City or other unit of government and no other officer, employee or agent of the City or other unit of government who exercises any functions or responsibilities in connection with the Services to which this Agreement pertains is permitted to have any personal interest, direct or indirect, in this Agreement. No member of or delegate to the Congress of the United States or the Illinois General Assembly and no alderman of the City or City employee is allowed to be admitted to any share or part of this Agreement or to any financial benefit to arise from it.

(b) Consultant represents that it, and to the best of its knowledge, its Subcontractors if any (Consultant and Subcontractors will be collectively referred to in this Section 6.5 as “**Consulting Parties**”), presently have no direct or indirect interest and will not acquire any direct or indirect interest in any project or contract that would conflict in any manner or degree with the performance of its Services under this Agreement.

(c) Upon the request of the City, Consulting Parties must disclose to the City their past client lists and the names of any clients with whom they have an ongoing relationship. Consulting Parties are not permitted to perform any Services for the City on applications or other documents submitted to the City by any of Consulting Parties’ past or present clients. If Consulting Parties become aware of a conflict, they must immediately stop work on the assignment causing the conflict and notify the City.

(d) Without limiting the foregoing, if the Consulting Parties assist the City in determining the advisability or feasibility of a project or in recommending, researching, preparing, drafting or issuing a request for proposals or bid specifications for a project, the Consulting Parties must not participate, directly or indirectly, as a prime, subcontractor or joint venturer in that project or in the preparation of a proposal or bid for that project during the term of this Agreement or afterwards. The Consulting Parties may, however, assist the City in reviewing the proposals or bids for the project if none of the Consulting Parties have a relationship with the persons or entities that submitted the proposals or bids for that project.

(e) Further, Consulting Parties must not assign any person having any conflicting interest to perform any Services under this Agreement or have access to any confidential information, as described in Section 2.11 of this Agreement. If the City, by the Commissioner in her reasonable judgment, determines that any of Consulting Parties’ services for others conflict with the Services that Consulting Parties are to render for the City under this Agreement, Consulting Parties must terminate such other services immediately upon request of the City.

(f) Furthermore, if any federal funds are to be used to compensate or reimburse Consultant under this Agreement, Consultant represents that it is and will remain in compliance with federal restrictions on lobbying set forth in Section 319 of the Department of the Interior and Related Agencies Appropriations Act for Fiscal Year 1990, 31 U.S.C. § 1352, and related rules and regulations set forth at 54 Fed. Reg. 52,309 ff. (1989), as amended. If federal funds are to be used, Consultant must execute a Certification Regarding Lobbying, which is part of the EDS and incorporated by reference as if fully set forth here.

6.6 Non-Liability of Public Officials

Consultant and any assignee or Subcontractor of Consultant must not charge any official, employee or agent of the City personally with any liability or expenses of defense or hold any official, employee or agent of the City personally liable to them under any term or provision of

this Agreement or because of the City's execution, attempted execution or any breach of this Agreement.

6.7 EDS / Certification Regarding Suspension and Debarment

Consultant certifies, as further evidenced in the EDS attached as Exhibit 3, by its acceptance of this Agreement that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this transaction by any federal department or agency. Consultant further agrees by executing this Agreement that it will include this clause without modification in all lower tier transactions, solicitations, proposals, contracts and subcontracts. If Consultant or any lower tier participant is unable to certify to this statement, it must attach an explanation to the Agreement.

ARTICLE 7. EVENTS OF DEFAULT, REMEDIES, TERMINATION, SUSPENSION AND RIGHT TO OFFSET

7.1 Events of Default Defined

The following constitute events of default:

- (a) Any material misrepresentation, whether negligent or willful and whether in the inducement or in the performance, made by Consultant to the City.
- (b) Consultant's material failure to perform any of its obligations under this Agreement including the following:
 - (i) Failure to perform the Services with sufficient personnel and equipment or with sufficient material to ensure the timely performance of the Services;
 - (ii) Failure to have and maintain all professional licenses required by law to perform the Services;
 - (iii) Failure to timely perform the Services;
 - (iv) Failure to perform the Services in a manner reasonably satisfactory to the Commissioner or inability to perform the Services satisfactorily as a result of insolvency, filing for bankruptcy or assignment for the benefit of creditors;
 - (v) Failure to promptly re-perform, as required, within a reasonable time and at no cost to the City, Services that are rejected as erroneous or unsatisfactory;
 - (vi) Discontinuance of the Services for reasons within Consultant's reasonable control;

- (vii) Failure to comply with Section 5.1 in the performance of the Agreement;
- (viii) Failure promptly to update EDS(s) furnished in connection with this Agreement when the information or responses contained in it or them is no longer complete or accurate;
- (ix) Failure to comply with any other material term of this Agreement, including the provisions concerning insurance and nondiscrimination; and
- (x) Any other acts specifically stated in this Agreement as constituting an act of default.

(c) Any change in ownership or control of Consultant without the prior written approval of the Commissioner (when such prior approval is permissible by law), which approval the Commissioner will not unreasonably withhold.

(d) Consultant's default under any other agreement it may presently have or may enter into with the City for the duration of this Agreement. Consultant acknowledges that in the event of a default under this Agreement the City may also declare a default under any such other agreements.

(e) Consultant's violation of City ordinance(s) unrelated to performance under the Agreement such that, in the opinion of the Commissioner, it indicates a willful or reckless disregard for City laws and regulations.

(f) Consultant's failure to update its EDS to reflect any changes in information, including changes in ownership, and to provide it to the City as provided under Section 5.1(a).

7.2 Remedies

(a) Notices. The occurrence of any event of default permits the City, at the City's sole option, to declare Consultant in default. The Commissioner may in his sole discretion give Consultant an opportunity to cure the default within a certain period of time, which period of time must not exceed 30 days unless extended by the Commissioner. Whether to declare Consultant in default is within the sole discretion of the Commissioner and neither that decision nor the factual basis for it is subject to review or challenge under the Disputes provision of this Agreement.

The Commissioner will give Consultant written notice of the default, either in the form of a cure notice ("**Cure Notice**"), or, if no opportunity to cure will be granted, a default notice ("**Default Notice**"). If the Commissioner gives a Default Notice, he will also indicate any present intent he may have to terminate this Agreement, and the decision to terminate is final and effective upon giving the notice. If the Commissioner decides not to terminate, this decision will not preclude him from later deciding to terminate the Agreement in a later notice, which will be

final and effective upon the giving of the notice or on the date set forth in the notice, whichever is later. The Commissioner may give a Default Notice if Consultant fails to effect a cure within the cure period given in a Cure Notice. When a Default Notice with intent to terminate is given as provided in this Section 7.2 and Article 9, Consultant must discontinue any Services, unless otherwise directed in the notice, and deliver all materials accumulated in the performance of this Agreement, whether completed or in the process, to the City.

(b) Exercise of Remedies. After giving a Default Notice, the City may invoke any or all of the following remedies:

(i) The right to take over and complete the Services, or any part of them, at Consultant's expense and as agent for Consultant, either directly or through others, and bill Consultant for the cost of the Services, and Consultant must pay the difference between the total amount of this bill and the amount the City would have paid Consultant under the terms and conditions of this Agreement for the Services that were assumed by the City as agent for Consultant under this Section 7.2;

(ii) The right to terminate this Agreement as to any or all of the Services yet to be performed effective at a time specified by the City;

(iii) The right of specific performance, an injunction or any other appropriate equitable remedy;

(iv) The right to money damages;

(v) The right to withhold all or any part of Consultant's compensation under this Agreement;

(vi) The right to deem Consultant non-responsible in future contracts to be awarded by the City;

(vii) The right to declare default on any other contract or agreement Consultant may have with the City.

(c) City's Reservation of Rights. If the Commissioner considers it to be in the City's best interests, he may elect not to declare default or to terminate this Agreement. The parties acknowledge that this provision is solely for the benefit of the City and that if the City permits Consultant to continue to provide the Services despite one or more events of default, Consultant is in no way relieved of any of its responsibilities, duties or obligations under this Agreement, nor does the City waive or relinquish any of its rights.

(d) Non-Exclusivity of Remedies. The remedies under the terms of this Agreement are not intended to be exclusive of any other remedies provided, but each and every such remedy is cumulative and is in addition to any other remedies, existing now or later, at law, in equity or

by statute. No delay or omission to exercise any right or power accruing upon any event of default impairs any such right or power, nor is it a waiver of any event of default nor acquiescence in it, and every such right and power may be exercised from time to time and as often as the City considers expedient.

7.3 Early Termination

(a) In addition to termination under Sections 7.1 and 7.2 of this Agreement, the City may terminate this Agreement, or all or any portion of the Services to be performed under it, at any time by a notice in writing from the City to Consultant. The City will give notice to Consultant in accordance with the provisions of Article 9. The effective date of termination will be the date the notice is received by Consultant or the date stated in the notice, whichever is later. If the City elects to terminate this Agreement in full, all Services to be provided under it must cease and all materials that may have been accumulated in performing this Agreement, whether completed or in the process, must be delivered to the City effective 10 days after the date the notice is considered received as provided under Article 9 of this Agreement (if no date is given) or upon the effective date stated in the notice.

(b) After the notice is received, Consultant must restrict its activities to winding down any reports, analyses, or other activities previously begun. No costs incurred after the effective date of the termination are allowed. Payment for any Services actually and satisfactorily performed before the effective date of the termination is on the same basis as set forth in Article 4, but if any compensation is described or provided for on the basis of a period longer than 10 days, then the compensation must be prorated accordingly. No amount of compensation, however, is permitted for anticipated profits on unperformed Services. The City and Consultant must attempt to agree on the amount of compensation to be paid to Consultant, but if not agreed on, the dispute must be settled in accordance with this Agreement. The payment so made to Consultant is in full settlement for all Services satisfactorily performed under this Agreement.

(c) If the City's election to terminate this Agreement for default under Sections 7.1 and 7.2 is determined in a court of competent jurisdiction to have been wrongful, then in that case the termination is to be considered to be an early termination under this Section 7.3.

7.4 Suspension

The City may at any time request that Consultant suspend its Services, or any part of them, by giving 15 days prior written notice to Consultant or upon informal oral, or even no notice, in the event of emergency. No costs incurred after the effective date of such suspension are allowed. Consultant must promptly resume its performance of the Services under the same terms and conditions as stated in this Agreement upon written notice by the Commissioner and such equitable extension of time as may be mutually agreed upon by the Commissioner and Consultant when necessary for continuation or completion of Services. Any additional costs or expenses actually incurred by Consultant as a result of recommencing the Services must be treated in accordance with the compensation provisions under Article 4 of this Agreement.

7.5 Right to Offset

(a) In connection with Consultant's performance under this Agreement, the City may offset any incremental costs and other damages the City incurs in any or all of the following circumstances:

(i) if the City terminates this Agreement for default or any other reason resulting from Consultant's performance or non-performance;

(ii) if the City exercises any of its remedies under Section 7.2 of this Agreement;

(iii) if the City has any credits due or has made any overpayments under this Agreement.

The City may offset these incremental costs and other damages by use of any payment due for Services completed before the City terminated this Agreement or before the City exercised any remedies. If the amount offset is insufficient to cover those incremental costs and other damages, Consultant is liable for and must promptly remit to the City the balance upon written demand for it. This right to offset is in addition to and not a limitation of any other remedies available to the City.

(b) As provided under § 2-92-380 of the Municipal Code, the City may set off from Consultant's compensation under this Agreement an amount equal to the amount of the fines and penalties for each *outstanding parking violation complaint* and the amount of any *debt* owed by Consultant to the City as those italicized terms are defined in the Municipal Code.

(c) In connection with any liquidated or unliquidated claims against Consultant, and without breaching this Agreement, the City may set off a portion of the price or compensation due under this Agreement in an amount equal to the amount of any liquidated or unliquidated claims that the City has against Consultant unrelated to this Agreement. When the City's claims against Consultant are finally adjudicated in a court of competent jurisdiction or otherwise resolved, the City will reimburse Consultant to the extent of the amount the City has offset against this Agreement inconsistently with such determination or resolution.

ARTICLE 8. GENERAL CONDITIONS

8.1 Entire Agreement

(a) General

This Agreement, and the exhibits attached to it and incorporated in it, constitute the entire agreement between the parties and no other terms, conditions, warranties, inducements,

considerations, promises or interpretations are implied or impressed upon this Agreement that are not addressed in this Agreement.

(b) No Collateral Agreements

Consultant acknowledges that, except only for those representations, statements or promises contained in this Agreement and any exhibits attached to it and incorporated by reference in it, no representation, statement or promise, oral or in writing, of any kind whatsoever, by the City, its officials, agents or employees, has induced Consultant to enter into this Agreement or has been relied upon by Consultant, including any with reference to: (i) the meaning, correctness, suitability or completeness of any provisions or requirements of this Agreement; (ii) the nature of the Services to be performed; (iii) the nature, quantity, quality or volume of any materials, equipment, labor and other facilities needed for the performance of this Agreement; (iv) the general conditions which may in any way affect this Agreement or its performance; (v) the compensation provisions of this Agreement; or (vi) any other matters, whether similar to or different from those referred to in (i) through (vi) immediately above, affecting or having any connection with this Agreement, its negotiation, any discussions of its performance or those employed or connected or concerned with it.

(c) No Omissions

Consultant acknowledges that Consultant was given ample opportunity and time and was requested by the City to review thoroughly all documents forming this Agreement before signing this Agreement in order that it might request inclusion in this Agreement of any statement, representation, promise or provision that it desired or on that it wished to place reliance. Consultant did so review those documents, and either every such statement, representation, promise or provision has been included in this Agreement or else, if omitted, Consultant relinquishes the benefit of any such omitted statement, representation, promise or provision and is willing to perform this Agreement in its entirety without claiming reliance on it or making any other claim on account of its omission.

8.2 Counterparts

This Agreement is comprised of several identical counterparts, each to be fully signed by the parties and each to be considered an original having identical legal effect.

8.3 Amendments

Except as provided in Section 3.3 of this Agreement, no changes, amendments, modifications or discharge of this Agreement, or any part of it are valid unless in writing and signed by the authorized agent of Consultant and by the Commissioner or their respective successors and assigns. The City incurs no liability for Additional Services without a written amendment to this Agreement under this Section 8.3.

Whenever under this Agreement Consultant is required to obtain the City's prior written approval, the effect of any approval that may be granted pursuant to Consultant's request is prospective only from the later of the date approval was requested or the date on which the action for which the approval was sought is to begin. In no event is approval permitted to apply retroactively to a date before the approval was requested.

8.4 Governing Law and Jurisdiction

This Agreement is governed as to performance and interpretation in accordance with the laws of the State of Illinois.

Consultant irrevocably submits itself to the original jurisdiction of those courts located within the County of Cook, State of Illinois, with regard to any controversy arising out of, relating to, or in any way concerning the execution or performance of this Agreement. Service of process on Consultant may be made, at the option of the City, either by registered or certified mail addressed to the applicable office as provided for in this Agreement, by registered or certified mail addressed to the office actually maintained by Consultant, or by personal delivery on any officer, director, or managing or general agent of Consultant. If any action is brought by Consultant against the City concerning this Agreement, the action must be brought only in those courts located within the County of Cook, State of Illinois.

8.5 Severability

If any provision of this Agreement is held or deemed to be or is in fact invalid, illegal, inoperative or unenforceable as applied in any particular case in any jurisdiction or in all cases because it conflicts with any other provision or provisions of this Agreement or of any constitution, statute, ordinance, rule of law or public policy, or for any other reason, those circumstances do not have the effect of rendering the provision in question invalid, illegal, inoperative or unenforceable in any other case or circumstances, or of rendering any other provision or provisions in this Agreement invalid, illegal, inoperative or unenforceable to any extent whatsoever. The invalidity, illegality, inoperativeness or unenforceability of any one or more phrases, sentences, clauses or sections in this Agreement does not affect the remaining portions of this Agreement or any part of it.

8.6 Assigns

All of the terms and conditions of this Agreement are binding upon and inure to the benefit of the parties and their respective legal representatives, successors and assigns.

8.7 Cooperation

Consultant must at all times cooperate fully with the City and act in the City's best interests. If this Agreement is terminated for any reason, or if it is to expire on its own terms, Consultant must make every effort to ensure an orderly transition to another provider of the

Services, if any, orderly demobilization of its own operations in connection with the Services, uninterrupted provision of Services during any transition period and must otherwise comply with the reasonable requests and requirements of the Department in connection with the termination or expiration.

8.8 Waiver

Nothing in this Agreement authorizes the waiver of a requirement or condition contrary to law or ordinance or that would result in or promote the violation of any federal, state or local law or ordinance.

Whenever under this Agreement the City by a proper authority waives Consultant's performance in any respect or waives a requirement or condition to either the City's or Consultant's performance, the waiver so granted, whether express or implied, only applies to the particular instance and is not a waiver forever or for subsequent instances of the performance, requirement or condition. No such waiver is a modification of this Agreement regardless of the number of times the City may have waived the performance, requirement or condition. Such waivers must be provided to Consultant in writing.

8.9 Independent Contractor

(a) This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize a joint venture, partnership, corporation or other formal business association or organization of any kind between Consultant and the City. The rights and the obligations of the parties are only those set forth in this Agreement. Consultant must perform under this Agreement as an independent contractor and not as a representative, employee, agent, or partner of the City.

(b) This Agreement is between the City and an independent contractor and, if Consultant is an individual, nothing provided for under this Agreement constitutes or implies an employer-employee relationship such that:

(i) The City will not be liable under or by reason of this Agreement for the payment of any compensation award or damages in connection with the Consultant performing the Services required under this Agreement.

(ii) Consultant is not entitled to membership in any City Pension Fund, Group Medical Insurance Program, Group Dental Program, Group Vision Care, Group Life Insurance Program, Deferred Income Program, vacation, sick leave, extended sick leave, or any other benefits ordinarily provided to individuals employed and paid through the regular payrolls of the City.

(iii) The City is not required to deduct or withhold any taxes, FICA or other deductions from any compensation provided to Consultant.

(c)(i) The City is subject to the May 31, 2007 Order entitled “Agreed Settlement Order and Accord” (the “Shakman Accord”) and the June 24, 2011 “City of Chicago Hiring Plan” (the “City Hiring Plan”) entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United State District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Consultant is aware that City policy prohibits City employees from directing any individual to apply for a position with Consultant, either as an employee or as a subcontractor, and from directing Consultant to hire an individual as an employee or as a subcontractor. Accordingly, Consultant must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Consultant under this Agreement are employees or subcontractors of Consultant, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Consultant.

(iii) Consultant will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual’s political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual’s political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to Consultant by a City employee or City official in violation of Section (ii) above, or advocating a violation of Section (iii) above, Consultant will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City’s Office of the Inspector General, and also to the head of the relevant City Department utilizing services provided under this Agreement.

SCOPE OF SERVICES AND TIME LIMITS FOR PERFORMANCE

The project goals are: 1) develop and alternative business model, 2) increase access to healthier options in the stores, and 3) educate the storeowners and residents about healthy lifestyles.

For purposes of this Agreement, “we” or “our” refers to IMAN/Consultant.

Summary of Request

IMAN is requesting \$40,000 to create a pilot initiative that builds on current efforts of providing direct support and intervention with corner stores. We will work directly with corner storeowners to increase healthy options and improve the aesthetics in their stores. In our effort to help boost their sales and demonstrate the viability of fresh produce, we will be collaborating with Growing Power to supply reach-in coolers and fresh food for several of the stores. This strategy is designed to educate the owners and also help them understand that dignifying their business practices will shift community norms about food and healthy lifestyles. As part of our organizing strategy, in addition to the Campaign Program Manager, each store will have a team of committed community leaders working with them on transforming their stores into spaces for healthy food and community education. During the 2014 program year, we also plan to develop a “proof of concept” by giving at least one of our committed corner storeowners a “healthy makeover” that includes store improvements like new signage, improved lighting, flooring and in-store displays promoting healthy options.

The short-term goals for the campaign are to have all 15 stores fully committed to our principles by increasing the availability of fresh healthy products in their stores while educating the community about leading healthier lifestyles. Our long-term goal is to have our campaign model expand across the South and West Sides of Chicago.

To help meet the objectives of this pilot initiative, we will help expand corner stores’ capacity to sell and market healthy food by:

- Marketing and promoting City programs to repair, remodel and make façade improvements.
- Training and offering technical assistance to store owners to make healthy changes profitable.
- Working with store owners to develop creative marketing, merchandizing and promotions strategies.
- Linking corner store owners to community partners, local farmers and fresh produce distributors to create and sustain a healthy product mix.

- Marketing healthy messages to community residents to encourage healthy eating choices and boost consumer demand for healthier products.
- Training on proper food handling of fresh products in order to maintain quality, reduce losses, and ensure food safety.

IMAN agrees to provide a first quarter report, mid-year report and final report documenting the process and outcomes of the year's work. Specifically, we will measure:

- Number of corner store contacts made.
- Number of corner stores taking advantage of City programs.
- Number of corner stores that have changed and sustained their product mix to include healthy and fresh options.
- Number of corner stores that have made visible improvements to the appearance of their store (i.e., signage, lighting, cleanliness, etc.).

IMAN believes that the “corner store” businesses in low-income neighborhoods sell food options that have led to an increase of obesity, hypertension and other related diseases. Our campaign will increase access to healthier options in corner stores, educate the owners about dignified practices for dealing with customers and allow their stores to become thriving small businesses. In addition, increasing healthy options can also help stimulate local economies by creating jobs for local residents, capture dollars that would otherwise be spent outside of the community, and revitalize neighborhoods.

This initiative shall take place over a 12 month period.

EXHIBIT 2

SCHEDULE OF COMPENSATION

IMAN agrees to provide a first quarter report, mid-year report and final report documenting the process and outcomes of the year's work. Specifically, we will measure:

- Number of corner store contacts made.
- Number of corner stores taking advantage of City programs.
- Number of corner stores that have changed and sustained their product mix to include healthy and fresh options.
- Number of corner stores that have made visible improvements to the appearance of their store (i.e., signage, lighting, cleanliness, etc.).

Compensation will be paid in accordance with Article 4 of the Agreement in four (4) equal installments upon each of the following events: first upon Agreement execution and approval by City Council, and then upon City's receipt and acceptance of each of the three reports described above.

WHEREAS, the Borrower wishes to lease the DHL Global Forwarding Center to Air Express International USA, Inc., an Ohio corporation d/b/a DHL Global Forwarding (the "Tenant") under a net lease of the DHL Site, and the City, Borrower and Tenant have proposed to enter into a Recognition, Non-Disturbance and Attornment Agreement (the "DHL SNDA") in substantially the form attached hereto as *Exhibit A*, to confirm their understanding with respect to the rights of Tenant and City in connection therewith; and

NOW, THEREFORE,

Be It Ordained by the City Council of the City of Chicago:

Section 1. The above recitals are expressly incorporated in and made a part of this ordinance as though fully set forth herein.

Section 2. The City intends to issue the Bonds and lend the proceeds thereof to the Borrower for the purpose of financing costs of the Projects. The maximum aggregate principal amount of Bonds which the City intends to issue for the Projects will not exceed Two Hundred Million Dollars (\$200,000,000), of which up to \$130,000,000 aggregate principal amount will be

issued with respect to the NE Project and up to \$70,000,000 aggregate principal amount will be issued with respect to the DHL Project.

The form of the DHL SNDA attached hereto as *Exhibit A* is hereby approved in all respects. An Authorized Officer is hereby authorized to execute and deliver the DHL SNDA for and on behalf of the City. The DHL SNDA, as executed and delivered by the City, may contain such changes or revisions as shall be approved by an Authorized Officer, the execution and delivery thereof to constitute conclusive evidence of the City Council's approval of any and all changes or revisions therein or to other documents collateral thereto. No further approval or action of the City Council shall be necessary or required for the actions, executions and deliveries contemplated in and directed in this Section 8 to be effective, and any such actions, executions and deliveries will constitute the legal and validly binding actions of the City.

Section 9. This ordinance is adopted pursuant to the powers of the City as a home rule unit under Article VII, Section 6(a) of the Constitution. The Authorized Officers, for and on behalf of the City, shall be, and hereby are, authorized and directed to do any and all things necessary to effect the performance of all obligations of the City under and pursuant to this ordinance and the performance of all other acts of whatever nature necessary to effect and carry out the authority conferred by this ordinance. RECITALS

WHEREAS, Landlord is the owner of a ground leasehold interest in and to that certain real property described on Schedule 1 attached hereto, together with the improvements thereon (the "Property") pursuant to that certain Lease at Chicago O'Hare International Airport dated February 5, 2002, as amended by that certain Amendment to Ground Lease dated June 14, 2002 (collectively, the "Master Lease") entered into between Landlord, as lessee, and City, as lessor;

WHEREAS, Landlord and Tenant have entered into a certain Net Lease dated _____, 2014 (as the same may hereafter be amended, modified, renewed, extended or replaced, the "Space Lease"), whereby Landlord leases to Tenant a portion of the Property (such portion, as described more completely in the Lease, the "Premises"); and

WHEREAS, City, Landlord, and Tenant, desire to confirm their understanding with respect to the Space Lease, the Property, the Premises, the Master Lease, and the rights of Tenant and City in connection therewith.

NOW THEREFORE, in consideration of the mutual covenants and agreements contained herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

AGREEMENTS

1. Space Lease is Subordinate. Tenant hereby acknowledges and agrees that the Space Lease and the leasehold estate created thereby and all of Tenant's rights thereunder are subordinate and subject to the Master Lease and its terms and conditions, and to any and all renewals, modifications, consolidations, replacements and extensions thereof; provided, as

between Landlord and Tenant only, the foregoing shall not in any way be construed to amend or modify Landlord's or Tenant's expressed rights, obligations or liabilities under the Space Lease with respect to any amendments or modifications to the Master Lease made and/or entered into after the date of the Space Lease. This Agreement shall be effective upon the full execution and delivery hereof by each of Landlord, Tenant and City. Upon the full execution and delivery of this Agreement, City and Landlord shall cause an original executed copy of this Agreement to be recorded in the Official Records of Cook County, Illinois, and also shall, at no expense to Tenant, deliver to Tenant a conformed copy of the recorded Agreement (which shall contain all applicable recording information).

2. Recognition, Non-Disturbance and Attornment. In the event that the Master Lease should expire or terminate prior to the Space Lease, it is agreed that, subject to the terms and conditions of this Agreement, and so long as at the time of such expiration or termination the Tenant is not in default under the Space Lease (beyond all applicable notice and cure periods), then at the time of that expiration or termination: (a) City shall not disturb Tenant in Tenant's possession of the Premises and City shall recognize Tenant as its direct tenant of the Premises under the then applicable terms and conditions of the Space Lease, and the Space Lease shall thereafter continue in full force and effect as a direct lease between City and Tenant, and (b) Tenant agrees to attorn to City and to recognize City as Tenant's landlord, upon the then applicable terms and conditions of the Space Lease.

3. Limitations on City's Liability. In the event of the recognition and attornment described above in Section 2, Tenant and City hereby agree that City shall not be (a) liable for any act or omission of the Landlord under the Space Lease; (b) liable for the performance of Landlord's covenants under the Space Lease which arise and accrue prior to City succeeding to the interest of Landlord under the Space Lease or acquiring such right to possession including, without limitation, performance of the Landlord's obligations under the Work Letter; (c) subject to any offsets or defenses which the Tenant may have at any time against Landlord excluding any expressed abatement rights contained in the Space Lease which may be applicable, or continue to be applicable, after City succeeds to Landlord's interest in and to the Space Lease; (d) bound by any rent which the Tenant may have paid previously for more than one (1) month; (e) liable for the performance of any covenant of Landlord under the Space Lease which is capable of performance only by Landlord; or (d) liable for (i) construction or restoration by Landlord of any improvements to the Premises, or to any other improvements on or to the Premises, or (ii) payment by Landlord of any allowances for construction or other cash payments. Without limiting the foregoing, City and Tenant hereby agree that in all events the City's liability to Tenant shall be limited as provided in Sections 7.1(c), 7.1(e), 7.1(f), 7.1(g), 7.1(h), 14.4 and 15.13 of the Master Lease.

4. Subsequent Transfer by City. In the event of the recognition and attornment described above in Section 2, Tenant hereby agrees that the City shall have the right at any time, by providing written notice thereof to the Tenant, to assign its rights, title and interest in and to the Premises and under the Space Lease to a third party selected by the City, and from and after the effective date of such assignment, the City shall no longer have any obligation or liability under the Space Lease.

5. Landlord Default - Space Lease. If the Landlord defaults under any provision of the Space Lease, and if such Landlord default would entitle Tenant to terminate the Space Lease, then Tenant agrees to provide notice to the City of such continuing default and any right to terminate Tenant may have on account thereof, and City may elect, in its sole and absolute discretion, to cure any such default within a period commensurate with any such cure period afforded to Landlord under the Space Lease, in all events not to exceed sixty (60) days. The foregoing shall not in any way limit any of Tenant's other rights or remedies under the Space Lease with respect to any Landlord default thereunder, and shall only limit, to the extent expressly set forth above in this paragraph, Tenant's right to terminate the Space Lease on account of a Landlord default thereunder.

6. Landlord Default - Master Lease. The City agrees to endeavor to provide Tenant with written notice of any Landlord default under the Master Lease which (a) relates to the Premises or any common areas of the Property which may be used by Tenant in connection with its operations, or (b) could lead to a termination of the Master Lease. So long as the Landlord default in question is not caused by a Tenant default under the Space Lease, then the City agrees that Tenant may, but shall not be required to, cure such default on Landlord's behalf, and City agrees to accept Tenant's performance in such instance(s). Tenant's right to perform such obligations on Landlord's behalf, and its remedies and recoveries related thereto, are set forth, if at all, in the Space Lease, and with respect to the foregoing, as between Tenant and Landlord, the terms and conditions of the Space Lease shall control. The City retains all remedies under Section 10.2 of the Master Lease for all Events of Default under Section 10.1 of the Master Lease, including but not limited to the failure of Landlord to pay all Rent required under the Master Lease, if such failure is not cured by Tenant.

7. Notice. Any notice or other communication made or given by any party in connection with this Agreement shall be sent by registered or certified mail, postage prepaid, return receipt requested, or by overnight courier service addressed to the other parties at their respective addresses set forth on the signature pages below, or, at such other addresses as the parties shall specify in writing. Such notices shall be deemed given on the date of receipt (or refusal) of delivery of said notice.

8. Miscellaneous.

(a) City's enforcement of any provisions of this Agreement or the Master Lease shall not entitle Tenant to claim any interference with the contractual relations between Landlord or Tenant or give rise to any claim or defense against City with respect to the enforcement of such provisions.

(b) This Agreement shall inure to the benefit of the parties hereto and their respective successors and assigns.

(c) The captions appearing under the paragraph number designations of this Agreement are for convenience only and are not a part of this Agreement and do not in any way limit or amplify the terms and provisions of this Agreement.

(e) This Agreement shall be governed by and construed in accordance with the laws of the State in which the Property is located.

(f) This Agreement may be executed in any number of separate counterparts, each of which shall be deemed an original, but all of which, collectively and separately, shall constitute one and the same agreement.

(g) This Agreement cannot be altered, modified, amended, waived, extended, changed, discharged or terminated orally or by any act on the part of Tenant, Landlord or City, but only by an agreement in writing signed by all parties hereto.

(h) In the event of a dispute between any of the parties hereto over the meaning of this Agreement, all parties hereto shall be deemed to have been the drafter hereof, and any applicable law that states that contracts are construed against the drafter shall not apply.

TO THE HONORABLE, THE CITY COUNCIL
OF THE CITY OF CHICAGO

Ladies and Gentlemen:

At the request of the Commissioner of Planning and Development, I transmit herewith an ordinance authorizing bond inducement language for the Resurrection Project.

Your favorable consideration of this ordinance will be appreciated.

Very truly yours,

Mayor

ORDINANCE

WHEREAS, the City of Chicago (the "City"), a home rule unit of government under Section 6(a), Article VII, of the 1970 Constitution of the State of Illinois, has heretofore found and does hereby find that there exists within the City a serious shortage of decent, safe and sanitary rental housing available for persons of low-and moderate-income; and

WHEREAS, the City has determined that the continuance of a shortage of affordable rental housing is harmful to the health, prosperity, economic stability and general welfare of the City; and

WHEREAS, Casa Queretaro LP, an Illinois limited partnership (the "Borrower"), the General Partner of which is Casa Queretaro Apartments Corporation, NFP, an Illinois not-for-profit corporation, has proposed a certain low-income housing development project consisting of the acquisition of real property generally located at the northwest corner of South Damen Avenue and West 17th Street in the City and the construction of a four-story building with approximately forty-five (45) residential dwelling units and certain common areas and parking spaces thereon and currently expected to be known as the Casa Queretaro Apartments Project (the "Project"); and

WHEREAS, the Borrower has requested that the City issue multi-family housing revenue bonds, notes or other indebtedness in an amount not to exceed Eight Million Five Hundred Thousand Dollars (\$8,500,000) (the "Bonds") for the purpose of financing all or a portion of the Project costs, including but not limited to the costs incurred in connection with the issuance of the Bonds; and

WHEREAS, it is intended that the interest on the Bonds will be excluded from gross income for federal income tax purposes; and

WHEREAS, it is intended that this ordinance shall constitute a declaration of intent to reimburse certain eligible expenditures for the Project made prior to the issuance of the Bonds from the proceeds of the Bonds (if and when issued) within the meaning of Section 1.150-2 of the Treasury Regulations, promulgated under the Internal Revenue Code of 1986, as amended (the "Treasury Regulations"); now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The above recitals are expressly incorporated in and made a part of this ordinance as though fully set forth herein.

SECTION 2. The City intends to issue the Bonds and lend the proceeds thereof to the Borrower, or an entity affiliated with or related to the Borrower, for the purpose of financing all or a portion of the Project costs, including but not limited to the costs incurred in connection with the issuance of the Bonds. The maximum principal amount of Bonds which the City intends to issue for the Project will not exceed Eight Million Five Hundred Thousand Dollars (\$8,500,000).

SECTION 3. Certain costs will be incurred by the Borrower, or an entity affiliated with or related to the Borrower, in connection with the Project prior to the issuance of the Bonds. The City reasonably expects to reimburse such costs with proceeds of the Bonds.

SECTION 4. The costs to be reimbursed will be paid from funds of the Borrower, or an entity affiliated with or related to the Borrower, which have been allocated to other purposes.

SECTION 5. This ordinance is consistent with the budgetary and financial circumstances of the City. No funds from sources other than the Bonds are or are reasonably expected to be, reserved, allocated on a long-term basis or otherwise set aside by the City for the Project costs to be paid from the proceeds of the Bonds.

SECTION 6. This ordinance constitutes a declaration of official intent of the City with respect to the Project under Section 1.150-2 of the Treasury Regulations.

SECTION 7. To the extent that any ordinance, resolution, rule, order or provision of the Municipal Code of Chicago, or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall control. If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this ordinance.

OFFICE OF THE MAYOR
CITY OF CHICAGO

RAHM EMANUEL
MAYOR

March 5, 2014

TO THE HONORABLE, THE CITY COUNCIL
OF THE CITY OF CHICAGO

Ladies and Gentlemen:

At the request of the Commissioner of Planning and Development, I transmit herewith ordinances authorizing the sale of city-owned property.

Your favorable consideration of these ordinances will be appreciated.

Very truly yours,

Mayor

ORDINANCE

WHEREAS, the City of Chicago ("City") is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970, and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the City, through the foreclosure of demolition liens, tax sales and other methods of acquisition, has acquired title to numerous parcels of real property which are of minimal value and costly to clean up and maintain, and because title to such properties was vested in the City, the properties were exempted from real estate taxes, thus depriving the City of revenue; and

WHEREAS, pursuant to an ordinance (the "Original Program Ordinance") adopted by the City Council of the City ("City Council") on March 6, 1981 and published on pages 5584 - 5585 of the Journal of Proceedings of the City Council ("Journal") for such date, the City established a program for the disposition of certain vacant real property owned by the City known as the Adjacent Neighbors Land Acquisition Program; and

WHEREAS, the Original Program Ordinance was amended by ordinances adopted on July 23, 1982 and published in the Journal for such date at pages 11830 - 11833, and on January 7, 1983 and published in the Journal for such date at pages 14803 - 14805 (the Original Program Ordinance and such two amending ordinances, collectively, the "Original ANLAP Ordinances"); and

WHEREAS, pursuant to an ordinance adopted by the City Council on September 14, 1994 and published in the Journal for such date at pages 56195 - 56198, the City Council repealed the Original ANLAP Ordinances, and established a new program, also known as the Adjacent Neighbors Land Acquisition Program, for the disposition of certain vacant real property owned by the City, which ordinance was subsequently amended by ordinances adopted on September 4, 2002 and published in the Journal for such date at pages 92771 - 92773, and on July 28, 2010 and published in the Journal for such date at pages 97370 - 97374 (such new program, as amended, the "ANLAP Program"); and

WHEREAS, pursuant to the ANLAP Program, as codified at Municipal Code Chapter 2-159-010 et seq. (the "ANLAP Program Ordinance"), a qualified City-owned parcel may be sold if it has an appraised value of not more than Fifty Thousand Dollars (\$50,000); and

WHEREAS, pursuant to the current ANLAP Program, if the property appraises at or for less than Ten Thousand Dollars (\$10,000.00) the minimum acceptable bid must be at least One Thousand Dollars (\$1,000.00); if the property appraises at or for less than Twenty Thousand Dollars (\$20,000.00) but more than Ten Thousand Dollars (\$10,000.00) the minimum acceptable bid must be at least Two Thousand Dollars (\$2,000.00); and if the property appraises for more than Twenty Thousand Dollars (\$20,000.00) the minimum acceptable bid must be Two Thousand Dollars (\$2,000.00), plus fifty percent (50%) of the appraised value which exceeds Twenty Thousand Dollars (\$20,000.00); and

WHEREAS, pursuant to the ANLAP Program, any deed conveying a parcel pursuant thereto shall contain covenants which: (1) prohibit the grantee from conveying, assigning or otherwise transferring the parcel except in conjunction with the adjacent parcel owned by the

grantee; and (2) require that the parcel be improved with landscaped open space within six (6) months of the conveyance of such parcel and prohibit the construction of any permanent improvements on the parcel, excluding only improvements made by the grantee on the parcel that constitute an integrated addition to the grantee's primary residence on the adjacent lot, or a garage appurtenant thereto; and (3) require the grantee to maintain the parcel in accordance with the provisions of the Municipal Code of Chicago. The covenants shall terminate ten (10) years after the date of the conveyance of the parcel to the grantee; and

WHEREAS, by ordinance adopted by the City Council on September 10, 2008 and published in the Journal for such date at pages 36561-36562, the City Council approved the sale of the vacant parcel of real property identified on Exhibit A to this ordinance (the "ANLAP Parcel"), which ANLAP Parcel is located in the 47th/King Redevelopment Project Area ("Area") established pursuant to ordinances adopted by the City Council on March 27, 2002 and published in the Journal for such date at pages 81231 – 81472, to Barbara Cortzen of 429 East 45th Place, Chicago, Illinois 60653 (the "Purchaser") pursuant to a Negotiated Sale as Open Space in Perpetuity; and

WHEREAS, the Purchaser never finalized the purchase and has indicated that she no longer is interested in finalizing the purchase pursuant to a Negotiated Sale as Open Space in Perpetuity; and

WHEREAS, the City's Department of Planning and Development ("DPD") now desires to convey the ANLAP Parcel to the Purchaser pursuant to the ANLAP Program; and

WHEREAS, DPD has caused notice of the proposed sale of the ANLAP Parcel to be sent to all eligible adjacent neighbors (if any) and has also caused public notice advertising the City's intent to enter into the sale of the ANLAP Parcel to the Purchaser to be published in the *Chicago Sun-Times* on January 20, 2014; and

WHEREAS, Purchaser's proposal was the only proposal received by the deadline indicated in the aforesaid notice; and

WHEREAS, pursuant to Resolution Number 14-002-21 adopted on January 16, 2014, by the Plan Commission of the City of Chicago ("Commission"), the Commission approved the sale of the Property to the Purchaser; now, therefore

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The City hereby accepts the bid of the Purchaser to purchase the ANLAP Parcel, which purchase shall be subject to all of the terms, conditions, covenants and restrictions of the ANLAP Program and the ANLAP Program Ordinance.

SECTION 2. The Mayor or his proxy is authorized to execute, and the City Clerk or Deputy City Clerk is authorized to attest, a quitclaim deed conveying the ANLAP Parcel to the Purchaser for the purchase price of Twelve Thousand and 00/100 Dollars (\$12,000.00). Such deed shall include a covenant obligating the Purchaser to use the ANLAP Parcel only for a use consistent with the land uses permitted under the redevelopment plan for the Area and consistent with the requirements of the ANLAP Program Ordinance.

SECTION 3. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity of such provision shall not affect any of the other provisions of this ordinance.

SECTION 4. All ordinances, resolutions, motions or orders inconsistent with this ordinance are hereby repealed to the extent of such conflict.

SECTION 5. This ordinance shall take effect upon its passage and approval.

TO THE HONORABLE, THE CITY COUNCIL
OF THE CITY OF CHICAGO

Ladies and Gentlemen:

At the request of the Commissioner of Planning and Development, I transmit herewith ordinances authorizing the sale of city-owned property.

Your favorable consideration of these ordinances will be appreciated.

Very truly yours,

Mayor

ORDINANCE

WHEREAS, the City of Chicago ("City") is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970, and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the City, through the foreclosure of demolition liens, tax sales and other methods of acquisition, has acquired title to numerous parcels of real property which are of minimal value and costly to clean up and maintain, and because title to such properties was vested in the City, the properties were exempted from real estate taxes, thus depriving the City of revenue; and

WHEREAS, pursuant to an ordinance (the "Original Program Ordinance") adopted by the City Council of the City ("City Council") on March 6, 1981 and published on pages 5584 - 5585 of the Journal of Proceedings of the City Council ("Journal") for such date, the City established a program for the disposition of certain vacant real property owned by the City known as the Adjacent Neighbors Land Acquisition Program; and

WHEREAS, the Original Program Ordinance was amended by ordinances adopted on July 23, 1982 and published in the Journal for such date at pages 11830 - 11833, and on January 7, 1983 and published in the Journal for such date at pages 14803 - 14805 (the Original Program Ordinance and such two amending ordinances, collectively, the "Original ANLAP Ordinances"); and

WHEREAS, pursuant to an ordinance adopted by the City Council on September 14, 1994 and published in the Journal for such date at pages 56195 - 56198, the City Council repealed the Original ANLAP Ordinances, and established a new program, also known as the Adjacent Neighbors Land Acquisition Program, for the disposition of certain vacant real property owned by the City, which ordinance was subsequently amended by ordinances adopted on September 4, 2002 and published in the Journal for such date at pages 92771 - 92773, and on July 28, 2010 and published in the Journal for such date at pages 97370 - 97374 (such new program, as amended, the "ANLAP Program"); and

WHEREAS, pursuant to the ANLAP Program, as codified at Municipal Code Chapter 2-159-010 et seq. (the "ANLAP Program Ordinance"), a qualified City-owned parcel may be sold if it has an appraised value of not more than Fifty Thousand Dollars (\$50,000); and

WHEREAS, pursuant to the current ANLAP Program, if the property appraises at or for less than Ten Thousand Dollars (\$10,000.00) the minimum acceptable bid must be at least One Thousand Dollars (\$1,000.00); if the property appraises at or for less than Twenty Thousand Dollars (\$20,000.00) but more than Ten Thousand Dollars (\$10,000.00) the minimum acceptable bid must be at least Two Thousand Dollars (\$2,000.00); and if the property appraises for more than Twenty Thousand Dollars (\$20,000.00) the minimum acceptable bid must be Two Thousand Dollars (\$2,000.00), plus fifty percent (50%) of the appraised value which exceeds Twenty Thousand Dollars (\$20,000.00); and

WHEREAS, pursuant to the ANLAP Program, any deed conveying a parcel pursuant thereto shall contain covenants which: (1) prohibit the grantee from conveying, assigning or

otherwise transferring the parcel except in conjunction with the adjacent parcel owned by the grantee; and (2) require that the parcel be improved with landscaped open space within six (6) months of the conveyance of such parcel and prohibit the construction of any permanent improvements on the parcel, excluding only improvements made by the grantee on the parcel that constitute an integrated addition to the grantee's primary residence on the adjacent lot, or a garage appurtenant thereto; and (3) require the grantee to maintain the parcel in accordance with the provisions of the Municipal Code of Chicago. The covenants shall terminate ten (10) years after the date of the conveyance of the parcel to the grantee; and

WHEREAS, the Department of Planning and Development ("DPD") of the City desires to convey the vacant parcel of real property identified on Exhibit A to this ordinance (the "ANLAP Parcel") to Susan Hopkins (the "Purchaser"), who has a principal residence of 646 East Bowen Avenue, Chicago, Illinois 60653, which ANLAP Parcel is located in the 43rd/Cottage Grove Project Area ("Area") established pursuant to ordinances adopted by the City Council on July 8, 1998 and published in the Journal of Proceedings of the City Council for such date at pages 72319 through 72413; and

WHEREAS, DPD has caused notice of the proposed sale of the ANLAP Parcel to be sent to all eligible adjacent neighbors (if any) and has also caused public notice advertising the City's intent to enter into the sale of the ANLAP Parcel to the Purchaser to be published in the *Chicago Sun-Times* on January 20, 2014; and

WHEREAS, Purchaser's proposal was the only proposal received by the deadline indicated in the aforesaid notice; and

WHEREAS, pursuant to Resolution Number 14-002-21 adopted on January 16, 2014, by the Plan Commission of the City of Chicago ("Commission"), the Commission approved the sale of the Property to the Purchaser; now, therefore

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The City hereby accepts the bid of the Purchaser to purchase the ANLAP Parcel, which purchase shall be subject to all of the terms, conditions, covenants and restrictions of the ANLAP Program and the ANLAP Program Ordinance.

SECTION 2. The Mayor or his proxy is authorized to execute, and the City Clerk or Deputy City Clerk is authorized to attest, a quitclaim deed conveying the ANLAP Parcel to the Purchaser for the purchase price of Ten Thousand Five Hundred and 00/100 Dollars (\$10,500.00). Such deed shall include a covenant obligating the Purchaser to use the ANLAP Parcel only for a use consistent with the land uses permitted under the redevelopment plan for the Area and consistent with the requirements of the ANLAP Program Ordinance.

SECTION 3. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity of such provision shall not affect any of the other provisions of this ordinance.

SECTION 4. All ordinances, resolutions, motions or orders inconsistent with this ordinance are hereby repealed to the extent of such conflict.

SECTION 5. This ordinance shall take effect upon its passage and approval.

ORDINANCE

WHEREAS, the City of Chicago ("City") is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970, and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the City is the owner of the vacant parcel of property located at 3225 West Walnut Street, Chicago, Illinois, which is legally described on Exhibit A attached hereto (the "Property"), which property is located in the Chicago/Central Park Area Redevelopment Project Area ("Area") established pursuant ordinances adopted by the City Council of the City on February 27, 2002 published in the Journal of Proceedings of the City Council for such date at pages 79794 through 80025; and

March 5, 2014

TO THE HONORABLE, THE CITY COUNCIL
OF THE CITY OF CHICAGO

Ladies and Gentlemen:

At the request of the Commissioner of Planning and Development, I transmit herewith ordinances authorizing the sale of city-owned property.

Your favorable consideration of these ordinances will be appreciated.

Very truly yours,

Mayor

ORDINANCE

WHEREAS, the City of Chicago ("City") is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970, and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the City, through the foreclosure of demolition liens, tax sales and other methods of acquisition, has acquired title to numerous parcels of real property which are of minimal value and costly to clean up and maintain, and because title to such properties was vested in the City, the properties were exempted from real estate taxes, thus depriving the City of revenue; and

WHEREAS, pursuant to an ordinance (the "Original Program Ordinance") adopted by the City Council of the City ("City Council") on March 6, 1981 and published on pages 5584 - 5585 of the Journal of Proceedings of the City Council ("Journal") for such date, the City established a program for the disposition of certain vacant real property owned by the City known as the Adjacent Neighbors Land Acquisition Program; and

WHEREAS, the Original Program Ordinance was amended by ordinances adopted on July 23, 1982 and published in the Journal for such date at pages 11830 - 11833, and on January 7, 1983 and published in the Journal for such date at pages 14803 - 14805 (the Original Program Ordinance and such two amending ordinances, collectively, the "Original ANLAP Ordinances"); and

WHEREAS, pursuant to an ordinance adopted by the City Council on September 14, 1994 and published in the Journal for such date at pages 56195 - 56198, the City Council repealed the Original ANLAP Ordinances, and established a new program, also known as the Adjacent Neighbors Land Acquisition Program, for the disposition of certain vacant real property owned by the City, which ordinance was subsequently amended by ordinances adopted on September 4, 2002 and published in the Journal for such date at pages 92771 - 92773, and on July 28, 2010 and published in the Journal for such date at pages 97370 - 97374 (such new program, as amended, the "ANLAP Program"); and

WHEREAS, pursuant to the ANLAP Program, as codified at Municipal Code Chapter 2-159-010 et seq. (the "ANLAP Program Ordinance"), a qualified City-owned parcel may be sold if it has an appraised value of not more than Fifty Thousand Dollars (\$50,000); and

WHEREAS, pursuant to the ANLAP Program, if the property appraises at or for less than Ten Thousand Dollars (\$10,000.00) the minimum acceptable bid must be at least One Thousand Dollars (\$1,000.00); if the property appraises at or for less than Twenty Thousand Dollars (\$20,000.00) but more than Ten Thousand Dollars (\$10,000.00) the minimum acceptable bid must be at least Two Thousand Dollars (\$2,000.00); and if the property appraises for more than Twenty Thousand Dollars (\$20,000.00) the minimum acceptable bid must be Two Thousand Dollars (\$2,000.00), plus fifty percent (50%) of the appraised value which exceeds Twenty Thousand Dollars (\$20,000.00); and

WHEREAS, pursuant to the ANLAP Program, any deed conveying a parcel pursuant thereto shall contain covenants which: (1) prohibit the grantee from conveying, assigning or

otherwise transferring the parcel except in conjunction with the adjacent parcel owned by the grantee; and (2) require that the parcel be improved with landscaped open space within six (6) months of the conveyance of such parcel and prohibit the construction of any permanent improvements on the parcel, excluding only improvements made by the grantee on the parcel that constitute an integrated addition to the grantee's primary residence on the adjacent lot, or a garage appurtenant thereto; and (3) require the grantee to maintain the parcel in accordance with the provisions of the Municipal Code of Chicago. The covenants shall terminate ten (10) years after the date of the conveyance of the parcel to the grantee; and

WHEREAS, the Department of Planning and Development ("DPD") of the City desires to convey the vacant parcel of real property identified on Exhibit A to this ordinance (the "ANLAP Parcel") to Donald Thrower (the "Purchaser"), who has a principal residence of 4911 South Vincennes Avenue, Chicago, Illinois 60615; and

WHEREAS, DPD has caused notice of the proposed sale of the ANLAP Parcel to be sent to all eligible adjacent neighbors (if any); and

WHEREAS, Purchaser's proposal was the only proposal received by the deadline indicated in the aforesaid notice; and

WHEREAS, pursuant to Resolution Number 14-002-21 adopted on January 16, 2014, by the Plan Commission of the City of Chicago ("Commission"), the Commission approved the sale of the Property to the Purchaser; now, therefore

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The City hereby accepts the bid of the Purchaser to purchase the ANLAP Parcel, which purchase shall be subject to all of the terms, conditions, covenants and restrictions of the ANLAP Program and the ANLAP Program Ordinance.

Such deed shall include a covenant obligating the Purchaser to use the ANLAP Parcel only for a use consistent with the requirements of the ANLAP Program Ordinance.

SECTION 3. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity of such provision shall not affect any of the other provisions of this ordinance.

SECTION 4. All ordinances, resolutions, motions or orders inconsistent with this ordinance are hereby repealed to the extent of such conflict.

SECTION 5. This ordinance shall take effect upon its passage and approval.

TO THE HONORABLE, THE CITY COUNCIL
OF THE CITY OF CHICAGO

Ladies and Gentlemen:

At the request of the Commissioner of Planning and Development, I transmit herewith ordinances authorizing the sale of city-owned property.

Your favorable consideration of these ordinances will be appreciated.

Very truly yours,

Mayor

ORDINANCE

WHEREAS, the City of Chicago ("City") is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970, and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the City, through the foreclosure of demolition liens, tax sales and other methods of acquisition, has acquired title to numerous parcels of real property which are of minimal value and costly to clean up and maintain, and because title to such properties was vested in the City, the properties were exempted from real estate taxes, thus depriving the City of revenue; and

WHEREAS, pursuant to an ordinance (the "Original Program Ordinance") adopted by the City Council of the City ("City Council") on March 6, 1981 and published on pages 5584 - 5585 of the Journal of Proceedings of the City Council ("Journal") for such date, the City established a program for the disposition of certain vacant real property owned by the City known as the Adjacent Neighbors Land Acquisition Program; and

WHEREAS, the Original Program Ordinance was amended by ordinances adopted on July 23, 1982 and published in the Journal for such date at pages 11830 - 11833, and on January 7, 1983 and published in the Journal for such date at pages 14803 - 14805 (the Original Program Ordinance and such two amending ordinances, collectively, the "Original ANLAP Ordinances"); and

WHEREAS, pursuant to an ordinance adopted by the City Council on September 14, 1994 and published in the Journal for such date at pages 56195 - 56198, the City Council repealed the Original ANLAP Ordinances, and established a new program, also known as the Adjacent Neighbors Land Acquisition Program, for the disposition of certain vacant real property owned by the City, which ordinance was subsequently amended by ordinances adopted on September 4, 2002 and published in the Journal for such date at pages 92771 - 92773, and on July 28, 2010 and published in the Journal for such date at pages 97370 - 97374 (such new program, as amended, the "ANLAP Program"); and

WHEREAS, pursuant to the ANLAP Program, as codified at Municipal Code Chapter 2-159-010 et seq. (the "ANLAP Program Ordinance"), a qualified City-owned parcel may be sold if it has an appraised value of not more than Fifty Thousand Dollars (\$50,000.00); and

WHEREAS, pursuant to the ANLAP Program, if the property appraises at or for less than Ten Thousand Dollars (\$10,000.00) the minimum acceptable bid must be at least One Thousand Dollars (\$1,000.00); if the property appraises at or for less than Twenty Thousand Dollars (\$20,000.00) but more than Ten Thousand Dollars (\$10,000.00) the minimum acceptable bid must be at least Two Thousand Dollars (\$2,000.00); and if the property appraises for more than Twenty Thousand Dollars (\$20,000.00) the minimum acceptable bid must be Two Thousand Dollars (\$2,000.00), plus fifty percent (50%) of the appraised value which exceeds Twenty Thousand Dollars (\$20,000.00); and

WHEREAS, pursuant to the ANLAP Program, any deed conveying a parcel pursuant thereto shall contain covenants which: (1) prohibit the grantee from conveying, assigning or

otherwise transferring the parcel except in conjunction with the adjacent parcel owned by the grantee; and (2) require that the parcel be improved with landscaped open space within six (6) months of the conveyance of such parcel and prohibit the construction of any permanent improvements on the parcel, excluding only improvements made by the grantee on the parcel that constitute an integrated addition to the grantee's primary residence on the adjacent lot, or a garage appurtenant thereto; and (3) require the grantee to maintain the parcel in accordance with the provisions of the Municipal Code of Chicago. The covenants shall terminate ten (10) years after the date of the conveyance of the parcel to the grantee; and

WHEREAS, the Department of Planning and Development ("DPD") of the City desires to convey the vacant parcel of real property identified on Exhibit A to this ordinance (the "ANLAP Parcel") to Fabian Lopez (the "Purchaser"), who has a principal residence of 5223 South Bishop Street, Chicago, Illinois 60609; and

WHEREAS, DPD has caused notice of the proposed sale of the ANLAP Parcel to be sent to all eligible adjacent neighbors (if any); and

WHEREAS, Purchaser's proposal was the only proposal received by the deadline indicated in the aforesaid notice; and

WHEREAS, pursuant to Resolution Number 14-002-21 adopted on January 16, 2014, by the Plan Commission of the City of Chicago ("Commission"), the Commission approved the sale of the Property to the Purchaser; now, therefore

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The City hereby accepts the bid of the Purchaser to purchase the ANLAP Parcel, which purchase shall be subject to all of the terms, conditions, covenants and restrictions of the ANLAP Program and the ANLAP Program Ordinance.

Such deed shall include a covenant obligating the Purchaser to use the ANLAP Parcel only for a use consistent with the requirements of the ANLAP Program Ordinance.

SECTION 3. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity of such provision shall not affect any of the other provisions of this ordinance.

MAYOR

March 5, 2014

TO THE HONORABLE, THE CITY COUNCIL
OF THE CITY OF CHICAGO

Ladies and Gentlemen:

At the request of the Commissioner of Planning and Development, I transmit herewith ordinances authorizing the sale of city-owned property.

Your favorable consideration of these ordinances will be appreciated.

Very truly yours,

Mayor

ORDINANCE

WHEREAS, the City of Chicago ("City") is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970, and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the City, through the foreclosure of demolition liens, tax sales and other methods of acquisition, has acquired title to numerous parcels of real property which are of minimal value and costly to clean up and maintain, and because title to such properties was vested in the City, the properties were exempted from real estate taxes, thus depriving the City of revenue; and

WHEREAS, pursuant to an ordinance (the "Original Program Ordinance") adopted by the City Council of the City ("City Council") on March 6, 1981 and published on pages 5584 - 5585 of the Journal of Proceedings of the City Council ("Journal") for such date, the City established a program for the disposition of certain vacant real property owned by the City known as the Adjacent Neighbors Land Acquisition Program; and

WHEREAS, the Original Program Ordinance was amended by ordinances adopted on July 23, 1982 and published in the Journal for such date at pages 11830 - 11833, and on January 7, 1983 and published in the Journal for such date at pages 14803 - 14805 (the Original Program Ordinance and such two amending ordinances, collectively, the "Original ANLAP Ordinances"); and

WHEREAS, pursuant to an ordinance adopted by the City Council on September 14, 1994 and published in the Journal for such date at pages 56195 - 56198, the City Council repealed the Original ANLAP Ordinances, and established a new program, also known as the Adjacent Neighbors Land Acquisition Program, for the disposition of certain vacant real property owned by the City, which ordinance was subsequently amended by ordinances adopted on September 4, 2002 and published in the Journal for such date at pages 92771 - 92773, and on July 28, 2010 and published in the Journal for such date at pages 97370 - 97374 (such new program, as amended, the "ANLAP Program"); and

WHEREAS, pursuant to the ANLAP Program, as codified at Municipal Code Chapter 2-159-010 et seq. (the "ANLAP Program Ordinance"), a qualified City-owned parcel may be sold if it has an appraised value of not more than Fifty Thousand Dollars (\$50,000); and

WHEREAS, pursuant to the ANLAP Program, if the property appraises at or for less than Ten Thousand Dollars (\$10,000.00) the minimum acceptable bid must be at least One Thousand Dollars (\$1,000.00); if the property appraises at or for less than Twenty Thousand Dollars (\$20,000.00) but more than Ten Thousand Dollars (\$10,000.00) the minimum acceptable bid must be at least Two Thousand Dollars (\$2,000.00); and if the property appraises for more than Twenty Thousand Dollars (\$20,000.00) the minimum acceptable bid must be Two Thousand Dollars (\$2,000.00), plus fifty percent (50%) of the appraised value which exceeds Twenty Thousand Dollars (\$20,000.00); and

WHEREAS, pursuant to the ANLAP Program, any deed conveying a parcel pursuant thereto shall contain covenants which: (1) prohibit the grantee from conveying, assigning or

otherwise transferring the parcel except in conjunction with the adjacent parcel owned by the grantee; and (2) require that the parcel be improved with landscaped open space within six (6) months of the conveyance of such parcel and prohibit the construction of any permanent improvements on the parcel, excluding only improvements made by the grantee on the parcel that constitute an integrated addition to the grantee's primary residence on the adjacent lot, or a garage appurtenant thereto; and (3) require the grantee to maintain the parcel in accordance with the provisions of the Municipal Code of Chicago. The covenants shall terminate ten (10) years after the date of the conveyance of the parcel to the grantee; and

WHEREAS, the Department of Planning and Development ("DPD") of the City desires to convey the vacant parcel of real property identified on Exhibit A to this ordinance (the "ANLAP Parcel") to Raul Villegas (the "Purchaser"), who has a principal residence of 8843 South Exchange Avenue, Chicago, Illinois 60617; and

WHEREAS, DPD has caused notice of the proposed sale of the ANLAP Parcel to be sent to all eligible adjacent neighbors (if any); and

WHEREAS, Purchaser's proposal was the only proposal received by the deadline indicated in the aforesaid notice; and

WHEREAS, pursuant to Resolution Number 13-083-21 adopted on December 19, 2013, by the Plan Commission of the City of Chicago ("Commission"), the Commission approved the sale of the Property to the Purchaser; now, therefore

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The City hereby accepts the bid of the Purchaser to purchase the ANLAP Parcel, which purchase shall be subject to all of the terms, conditions, covenants and restrictions of the ANLAP Program and the ANLAP Program Ordinance.

The Mayor or his proxy is authorized to execute, and the City Clerk or Deputy City Clerk is authorized to attest, a quitclaim deed conveying the ANLAP Parcel to the Purchaser for the purchase price of Two Thousand and 00/100 Dollars (\$2,000.00). Such deed shall include a covenant obligating the Purchaser to use the ANLAP Parcel only for a use consistent with the requirements of the ANLAP Program Ordinance.

SECTION 3. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity of such provision shall not affect any of the other provisions of this ordinance.

SECTION 4. All ordinances, resolutions, motions or orders inconsistent with this ordinance are hereby repealed to the extent of such conflict.

SECTION 2. The Commissioner of the Department of Planning and Development (the "DPD Commissioner") or a designee thereof and the Commissioner of 2FM (the "2FM Commissioner") or a designee thereof are each hereby authorized, with the approval of the City's Corporation Counsel as to form and legality, to negotiate, execute and deliver an agreement between CNI and the City (the "Agreement," the current draft of which is attached hereto as Exhibit A for purposes of information), and such other supporting documents as may be necessary or appropriate to carry out and comply with the provisions of the Agreement (including but not limited to an escrow agreement), with such terms and conditions as shall be approved by the persons executing the Agreement and supporting documents. The amount of Incremental Taxes to be paid to CNI pursuant to the Agreement shall not exceed \$12,000,000 without further approval by the City Council. It is anticipated that such Incremental Taxes shall include approximately \$12,000,000 transferred into the special tax allocation fund for the Area from the special tax allocation fund for the contiguous Englewood Neighborhood redevelopment project area pursuant to Section 5/11-74.4-4(q) of the Act, ordinances adopted on June 27, 2001, the Redevelopment Plan and the redevelopment plan for the Englewood Neighborhood redevelopment project area.

SECTION 3. If any provision of this Ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the other provisions of this Ordinance.

SECTION 4. All ordinances, resolutions, motions or orders in conflict with this Ordinance are hereby repealed to the extent of such conflict. No provision of the Municipal Code or violation of any provision of the Municipal Code shall be deemed to impair the validity of this ordinance or the instruments authorized by this ordinance or to impair the security for or payment of the instruments authorized by this ordinance; provided further, however, that the foregoing shall not be deemed to affect the availability of any other remedy or penalty for violation of any provision of the Municipal Code.

SECTION 5. This Ordinance shall be in full force and effect immediately upon its passage.

(see attached)

SITE PREPARATION AND MAINTENANCE AGREEMENT

This Site Preparation and Maintenance Agreement (this "Agreement") is made and entered into as of the ____ day of _____, 2014 (the "Effective Date"), by and between the City of Chicago, Illinois (the "City"), a home rule unit and municipality under Article VII of the Constitution of the State of Illinois, acting by and through its Departments of Planning and Development ("DPD") and Fleet and Facility Management ("2FM"), and Chicago Neighborhood Initiatives, Inc., an Illinois not-for-profit corporation ("CNI"). The City and CNI are sometimes hereinafter referred to individually as a "Party" and collectively as the "Parties."

RECITALS

A.. The City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 et seq., as amended from time to time (the "Act"), to finance projects that eradicate blighted conditions and conservation area factors through the use of tax increment allocation financing for redevelopment projects.

B. To induce redevelopment pursuant to the Act, the City Council of the City (the "City Council") adopted the following ordinances on November 29, 1989, as amended by ordinances adopted on December 17, 2008 and November 13, 2013: (1) approving a redevelopment plan (the "Redevelopment Plan") for the Englewood Mall Redevelopment Project Area (the "Area"); (2) designating the Area as a Redevelopment Project Area pursuant to the Act; and (3) adopting tax increment allocation financing for the Area (the "TIF Adoption Ordinance") (items(1)-(3) collectively referred to herein as the "TIF Ordinances").

C. For purposes of this Agreement "Incremental Taxes" shall mean such ad valorem taxes which, pursuant to the TIF Adoption Ordinance and Section 5/11-74.4-8(b) of the Act, are allocated to and when collected are paid to the Treasurer of the City of Chicago for deposit by the Treasurer into the special tax allocation fund for the Area established to pay redevelopment project costs and obligations incurred in the payment thereof with respect to the Area. Incremental Taxes shall also include amounts transferred into the special tax allocation fund for the Area from the special tax allocation fund for the contiguous Englewood Neighborhood redevelopment project area pursuant to Section 5/11-74.4-4(q) of the Act, ordinances adopted on June 27, 2001, the Redevelopment Plan and the redevelopment plan for the Englewood Neighborhood redevelopment project area.

D. Pursuant to the Act and the Redevelopment Plan, Incremental Taxes may be used to pay redevelopment project costs such as site preparation and the construction of public works or improvements.

E. The City is the owner of that certain real estate bounded generally by South Halsted Street on the east, West 63rd Street on the south, and West 63rd Parkway on the west and north, which real estate is legally described and otherwise depicted in Exhibit 1 attached hereto and designated as the "Subject Property." The Subject Property is located mostly in the Area but also partially in the aforementioned contiguous Englewood Neighborhood redevelopment project area. As indicated on Exhibit 1, the Subject Property consists of the following areas: (1) four development sites, identified as Subareas A, B, C and D (each a "Subarea"); (2) two stormwater detention parcels; and (3) portions of Peoria Drive and Green

Street, which are intended to remain or become public right of way.

F. The City Council adopted an ordinance on _____, 2014 (the "Site Preparation Ordinance") authorizing CNI to prepare plans and specifications and implement such plans and specifications to prepare the Subject Property for future development pursuant to the Redevelopment Plan and construct certain public improvements (collectively, the "Work"). CNI shall be compensated for the Work pursuant to the Act, the TIF Ordinances and the Site Preparation Ordinance.

G. Pursuant to the Site Preparation Ordinance, and as part of the Work, CNI has prepared or has caused to be prepared plans and specifications by duly licensed engineer(s)/architects(s) depicting the construction, reconstruction, alteration and modification of the Subject Property, including certain improvements within the existing and future public way and other improvements on public property within the Subject Property (the "Public Improvements"), to be conducted as part of the Work, which plans and specifications have been approved by the City, and which plans are identified in Exhibit 2(a) attached hereto (the "Approved Plans and Specifications").

H. Pursuant hereto CNI will perform the Work or cause the Work to be performed and engage third party contractors or subcontractors to construct the Public Improvements and cause the Work to be performed in accordance with the Approved Plans and Specifications. A budget for the Work is attached as Exhibit 2(b) hereto (the "Project Budget").

I. The City and CNI desire to agree on the division of responsibilities between the City and CNI with respect to the Work.

J. The City agrees to use Incremental Taxes in an amount not to exceed \$_____ (the "Guaranteed Maximum Price" or "GMP") from Fund Number _____ to pay CNI for the costs of the Work pursuant to the terms and conditions of this Agreement.

K. Pursuant to the terms of that certain Right of Entry Agreement dated January 4, 2013, and that certain Right of Entry Agreement dated [_____, 2014], CNI has been granted rights of entry for the purpose of inspecting the Subject Property and conducting certain tests. Upon execution of this Agreement and through this Agreement, CNI shall have a continuing right of entry to the Subject Property so that CNI (and its agents, contractors or subcontractors) can undertake the Work.

L. Prior to entering the Subject Property, CNI will secure, at its sole cost and expense as part of the Work, all necessary permits and governmental approvals required to perform any activity related to the Work. CNI acknowledges that this Agreement shall not act as a substitute for any permits or approvals that may be required for such activity.

NOW, THEREFORE, it is agreed between the City and CNI as follows:

1. The above recitals are expressly incorporated in and made a part of this Agreement. In the event of any conflict between the provisions of this Agreement and other agreement or document which wholly or in part addresses the responsibility to construct, maintain, repair and replace the Public Improvements, the provisions of this Agreement shall govern.

2. This Agreement applies to the Work to be performed, including the Public Improvements to be constructed, by CNI within public ways and public property, existing and anticipated, of the City.

3. CNI will be responsible to for the installation, maintenance, repair, and replacement of Public Improvements pursuant to this Agreement until each said Public Improvement is inspected and accepted by the appropriate City department at the direction of 2FM subject to (A) the expiration of the one-year guarantee period set forth in Section 4(O) hereof with respect to warranty work and warranty obligations set forth therein. It is anticipated that DPD shall issue one Certificate (defined below) for the Work on Subarea C, another Certificate for the Work on Subareas A, B and D and one or more Certificates for the Work on the remaining portions of the Subject Property (known herein as the "[]"). The conditions and schedules for acceptances of Public Improvements shall be set by the appropriate City department and shall conform to this Agreement. Any such inspections of the Public Improvements shall not be construed as a representation by the City that there has been compliance with the Approved Plans and Specifications or that the Public Improvements will be or are free of faulty materials or workmanship, or as a waiver of any right that the City (or any other party) may have against CNI or any other party for failure to comply with the Approved Plans and Specifications or the provisions of this Agreement. However, the City shall accept the Public Improvements, subject to approval of any other jurisdiction having authority over any portion of such Public Improvements, upon completion of that portion thereof as long as they are in conformance with the Approved Plans and Specifications and this Agreement. Acceptance shall constitute the City's acknowledgment of CNI's compliance with the Approved Plans and Specifications, subject to the warranty requirements set forth in this Agreement.

3.5 A. "Change Order" means any amendment or modification to the Approved Plans and Specifications or the Project Budget. All Change Orders (and documentation substantiating the need therefor) relating to changes to the Approved Plans and Specifications must be submitted by CNI to DPD for DPD's prior written approval. CNI will not authorize or permit the performance of any work relating to any Change Order or the furnishing of materials in connection therewith prior to the receipt by CNI of DPD's written approval. Each subcontract between CNI and any subcontractor will contain a provision to this effect.

B. CNI shall not assign, delegate, subcontract or otherwise transfer all or any part of its rights or obligations under this Agreement or any part hereof, unless otherwise provided for herein or without the express written consent of 2FM; provided, however, that CNI may elect and is authorized to delegate contracting obligations to a contractor and subcontract for the construction of the Work. The absence of a provision in this Agreement authorizing the assignment, delegation or transfer or the absence of written consent shall void the attempted assignment, delegation or transfer and shall be of no effect as to the Work or this Agreement. All subcontracts, all approvals of subcontractors and any assignment to which the City consents are, regardless of their form, deemed conditioned upon performance by the subcontractor or assignee in accordance with the terms and conditions of this Agreement. CNI shall provide the City with copies of all subcontracts and assignments and any amendments thereto.

4. CNI will cause the Work to be performed, including the Public Improvements to be constructed, subject to the following conditions:

A. CNI shall retain the services of a qualified and licensed engineer experienced in

the construction of infrastructure projects ("Consultant Engineer"). The Consultant Engineer shall be responsible for seeing that the Work is constructed in accordance with the Approved Plans and Specifications. The Consultant Engineer's scope of work shall include, but not be limited to, preparation of all construction documentation in accordance with the applicable requirements of the Chicago Department of Transportation's Construction Manual, quality assurance and quality control, review of all contractor submittals including shop drawings, material submittals and catalogue cuts, determine the appropriateness of any proposed modifications to the Plans and Specifications, prepare punchlists on behalf of the City and supervise project closeout and acceptance. All work shall be performed under the direction of a licensed State of Illinois Professional Engineer who shall serve as the resident engineer ("Resident Engineer") for the Work. Staffing shall be as determined by agreement of 2FM and CNI, and shall be adequate to cover all aspects of the Work.

[B. CNI, its agents, contractors or subcontractors may determine that it is necessary to temporarily alter or remove public structures or public property or temporarily close the public way in order to carry out operations or construction. Prior to the commencement of any such activity, the plans of the proposed alterations, the removals and subsequent restoration, and the temporary closing of the public way must be approved in writing by affected City departments including, but not limited to, the Department of Transportation. Where reasonable, the restoration of removed or altered public structures or property shall conform to the latest City design standards even when those standards exceed that of the original condition existing prior to the commencement of any of these alterations or removals.]

C. CNI, its agents, contractors or subcontractors shall exercise reasonable care in the performance of the Work and take all necessary precautions to protect all adjacent and surrounding sidewalks, roadways, City properties, including, but not limited to the decommissioned fire station located at 6204 South Green Street, and all other public structures and shall be fully responsible for the restoration to grade or function of any surrounding sidewalks, roadways, utility facilities, City properties, and all other public structures impacted by its work.

D. The permanent storage of flammable materials, liquids gases, or hazardous materials (as defined by any applicable federal, state, county, or local laws) will not be permitted upon, under or in the adjacent vicinity of the publicly owned structures or improvements. During construction and installation of the Public Improvements, any such items will be stored in approved containers and at locations permitted by the City.

E. CNI, its agents, contractors, and subcontractors will, during the Work in the public way, provide, install, maintain and remove as required, shores, braces, barricades, signs, lights, traffic control, and other devices as the City may require for protection or convenience of the public and prior to doing any work, or prior to occupying the public way in any manner, including temporary closing of streets, will secure permission and any bonds that may be required from the Director of Construction Compliance, Bureau of Inspections, Room ____, City Hall. In addition, specifically, CNI shall deliver to the City's Bureau of Electricity all current lighting fixtures and street lights located in current rights of way, for the purpose of recycling said fixtures and lights.

F. All Work and operations will be so conducted and arranged as to cause a minimum of inconvenience to pedestrian and vehicular traffic, and all materials, supplies, trucks, and equipment whose location at the Subject Property may act to interfere with traffic

will be subject to immediate removal from the Subject Property upon demand.

G. Prior to commencement of construction of the Public Improvements or access to the Subject Property, (on behalf of CNI, its contractors, subcontractors, and agents) CNI shall cause to be procured and delivered to the City, and shall maintain in full force and effect until construction of the Public Improvements has been completed and accepted by the City, as applicable, a policy or policies of insurance, as evidenced by certificates of insurance, approved by and meeting the requirements of the City's Risk Manager, all as set forth in Exhibit 3 attached hereto. All such policies shall be in such form and issued by such companies as shall be reasonably acceptable to the City, to protect the City and CNI against, among other things, any liability incidental to the use of, or resulting from, any accident occurring on or about the Public Improvements or the construction of an improvement thereof. Each such policy shall name the City, its officers, employees, and agents as an additional named insured party. Non-conforming insurance and/or CNI's failure to provide the City with any applicable certificates of insurance shall not relieve CNI of the obligation to provide insurance as specified in Exhibit 3. The receipt of any certificate does not constitute agreement by the City that the insurance requirements of Exhibit 3 have been fully met or that the insurance policies indicated on the certificate are in compliance with all requirements set forth therein. The failure of the City to obtain certificates or other evidence of insurance from CNI (or its contractors, subcontractors, or agents as applicable) shall not be deemed to be a waiver by the City of the insurance requirements set forth herein.

H. All work related to the construction of the Public Improvements, including all testing, inspection and other verifications necessary as determined by 2FM, the DPD Commissioner on behalf of DPD and the appropriate City department commissioner as applicable, to insure that the Public Improvements are constructed according to the Plans and Specifications for the Public Improvements, shall be done and performed by CNI consistent with the requirements set forth in Section 4(A) above.

I. If applicable or directed by the appropriate City department, CNI shall employ an independent surveyor that is not affiliated with CNI to take readings, both laterally and vertically, on reference points on all supporting viaduct columns, abutments, retaining walls and other City structures adjacent to the Subject Property, which include but are not necessarily limited to structures on existing street pavements, sidewalks, curbs, sewer mains and or appurtenances, and/or water mains and/or appurtenances as required by the City. Initial readings shall be obtained prior to the commencement of any excavation activity. During excavation within a 50-foot wide strip adjacent to the City's existing structures or as reasonably determined by the appropriate City department, readings shall be taken as frequently as necessary as directed by the appropriate City department but no less than once a week until the Subject Property has been backfilled to the surrounding existing grade. After backfilling has been completed, the surveyor shall continue to take the survey readings at the same frequency until the total settlement is less than 0.01 feet difference between subsequent weekly readings at which time readings shall be taken on a monthly basis and shall continue thusly, until one full calendar year has elapsed after completion in full of the entire Public Improvements. After elapse of one full year after completion of the Public Improvements, readings may be terminated when all movements have ceased for a continuous three-month period. If any movement on any existing structures, vertical or horizontal, shall come to be 0.04 foot total, as compared to the initial observation before the start of any construction activities, then all operations shall immediately cease and the DPD Commissioner or such Commissioner's representative shall be notified immediately. Work will not start again without the prior written consent of the DPD

Commissioner. The surveyor retained shall possess a current State of Illinois Land Surveyors Registration. All reference points shall be approved beforehand by the DPD Commissioner or his/her representative. The surveyor shall submit four (4) copies of his readings to Dixit Patel of the Department of Buildings and Zenon Stuck of the Department of Transportation.]

J. As detailed in Section 4(N) below, prior to the commencement of any construction activities adjacent to a City structure or improvement, CNI shall execute and file, or cause the contractor or applicable subcontractor performing the applicable portion of the Work, to execute and file, with the DPD Commissioner a payment and performance bond running to the City, with good and sufficient corporate surety, to be approved by the DPD Commissioner, in the amount specified in Section 4(N) below. This bond shall remain in full force and effect until one full calendar year has elapsed after acceptance of the Public Improvements by the DPD Commissioner. After the elapse of one fully calendar year after such acceptance and if during this calendar year settlements, movements, or damage of the City structures is evident, then this bond shall remain in full force and effect until such times when it is proven that any effect until such time when it is proven that any such settlements, damage, or movement to the City's structures have ceased for a continuous three-month period the DPD Commissioner or his representative shall send to CNI a written release from this obligation only when this condition has been fulfilled to the DPD Commissioner's satisfaction.

K. Written authority from the DPD Commissioner or other appropriate City department commissioner, as applicable, is required prior to the initiation of any work not indicated in the Approved Plans and Specifications. The DPD Commissioner or other appropriate City department commissioner, as applicable, must review and approve, prior to the initiation of any such work, design calculations, plans and specifications signed and sealed by a licensed State of Illinois Professional Engineer. Such design modifications shall be made by the original designer of record for the work to be modified. It shall be the obligation of CNI to perform any work so authorized according to the revised Plans and Specifications submitted to and approved by the DPD Commissioner or other appropriate City department commissioner, as applicable, which Plans and Specifications will then constitute the Approved Plans and Specifications.

L. Three (3) copies of shop drawings, catalogue cuts and material submittals pertaining to the Public Improvements, approved by CNI's contractor and reviewed and approved by the Consultant Engineer shall be delivered to the DPD Commissioner at least twenty (20) business days prior to the beginning of any work specified by said shop drawings, catalogue cuts or material submittals for the purpose of verifying that work conforms to the requirements of the Plans and Specifications.

M. Within sixty (60) days after the completion of all Work required by this Agreement, CNI or its appointed agent will deliver to the DPD Commissioner or appropriate City department commissioner, as applicable, a complete set of "As Built" plans, shop drawings, material submittals and catalogue cuts reproduced on Mylar or transparent film and a computer diskette(s) (CD) of the same information in scanned raster format pertaining to the Public Improvements. The plan reproductions shall measure 27 inches by 41 inches.

N. As contemplated in Section 4(J) above, CNI shall deliver payment and performance bonds (collectively, the "Bond") to the City in accordance with this Agreement and may cause its contractor and/or subcontractors to obtain such Bonds, in a sum equal to one hundred percent of the hard costs set forth in the Project Budget, which Bond shall provide that

CNI, or any general contractor or subcontractors posting said Bond, as applicable, shall perform all work according to the Approved Plans and Specifications for Public Improvements and promptly pay all debts incurred by CNI or its general contractor in the prosecution of said work for materials and labor. The City will be included as an obligee or co-obligee on said Bond(s). CNI will submit to the DPD Commissioner a copy of said Bond(s) upon execution. Any performance Bond so provided must comply with the provisions of 30 ILCS 55011 et seq., as amended, and Chapter 2, Section 2-92-030 of the Municipal Code of Chicago, as amended, and be in the form attached hereto as Exhibit 4. The surety or sureties issuing the Bond must be acceptable to the City Comptroller. The surety for the Bond must have a Best's Key Rating Guide of "B+", Class XI or greater. The Bond shall cover through the guarantee period required under Section 4(O) of this Agreement. The performance Bond shall be secured by a surety listed in the latest issue of U.S. Treasury Circular 570.

O. All Work authorized herein shall be guaranteed by CNI against defective design, materials and workmanship, improper performance, and noncompliance with the Approved Plans and Specifications for a period of one year after written acceptance by the DPD Commissioner, or appropriate City department commissioner, as applicable, of the completed Public Improvements. During such guarantee period, CNI shall repair and replace to the reasonable satisfaction of the DPD Commissioner, or appropriate City department commissioner, as applicable, any defects in materials and workmanship, improper performance, or noncompliance with the Approved Plans and Specifications at its own expense. Any material which is repaired or replaced shall have the guarantee period with respect to such material extended and recommence from the date of acceptance by DPD or appropriate City Department, as applicable, of last repair or replacement of such material. CNI may delegate all or a portion of the foregoing guarantee obligation to one or more of its Subcontractors by means of assigning guarantees from such Subcontractors to the City in writing; provided, however, that such assignments shall be subject to the City's approval.

P. All construction activity authorized herein will be subject to review and inspection by the DPD Commissioner, or appropriate City department commissioner, as applicable, or their respective authorized representative(s), and the City will at all times be allowed access to all parts of this work in which the City has an interest. Work and activities shall proceed based on a schedule (the "Project Schedule," attached hereto as Exhibit 2(c)), as the same may be revised from time to time, submitted by CNI to, and approved by, the DPD Commissioner, or appropriate City department commissioner, or [their] designees, as applicable. Any anticipated material schedule deviation from the previously approved Project Schedule shall require a five (5) working day advance notice from CNI in connection with seeking such approvals. All work, procedures and materials that fail to comply with the Approved Plans and Specifications will be rejected and shall be removed solely at CNI's expense and all work shall be suspended unless acceptable corrective actions are taken within ten (10) business days of written notification of non-compliance. The responsibilities of the various applicable City departments with respect to the inspection, review and approval of the Work are set forth in Exhibit 2(d) hereof.

Q. CNI must at all times observe and comply, and must cause its contractors and subcontractors to observe and comply, with all applicable Federal, State and local laws, ordinances, codes, rules, regulations and executive orders, now existing, which may in any manner affect the performance of this Agreement. Provisions required by law ordinance, codes, rules, regulations, or executive orders to be inserted in this Agreement are deemed inserted, whether or not they appear in this Agreement, or upon application by either party, this Agreement, will forthwith be physically amended to physically make such insertion; however, in

no event does the failure to insert such provision(s) prevent the enforcement of such provision(s) of this Agreement.

In constructing the Public Improvements, CNI must follow the most stringent of the applicable agency and code requirements. CNI is fully responsible for ascertaining and complying with all agency and code requirements applicable to the Public Improvements.

R-1. Payment to CNI

(1) **Payment Applications.** The City will promptly pay CNI for the cost of the Work, including an agreed upon fee of _____%, not to exceed \$_____ in the aggregate, to be paid to CNI for CNI's services in administering and causing the Work to be performed, up to the Guaranteed Maximum Price, in accordance with the terms and conditions of this Agreement. Payment shall be made promptly through an escrow account established pursuant to an escrow agreement among the City, CNI and _____ (the "Escrow Agent") in substantially the form attached hereto as Exhibit 6 (the "Escrow Agreement"). On the Effective Date, the City shall deposit with the Escrow Agent Incremental Taxes in an amount equal to the full amount of the Guaranteed Maximum Price. **[CNI open to discussing deposit schedule]** It is the duty of CNI to effectively manage the payment application process and all related paperwork. CNI is responsible to the City for securing and delivering all paperwork required by the Agreement to be submitted with payment applications, including Subcontractor, consultant and material supplier lien waivers, certified payrolls, and all other required documents as further specified herein. Repeated failure of CNI to promptly submit its payment applications to the City, in proper and complete form, will constitute a material breach of this Agreement, and constitute cause for termination. No payment application will include payment for Work for which CNI has not been billed by the applicable subcontractor, material supplier, service provider or consultant. CNI will submit payment applications in such a manner so as not to delay payment to any subcontractor, material supplier, consultant or service provider whose billing and lien waiver paperwork is complete. All required certified payrolls, trailing lien waivers, and other required paperwork must be submitted with the payment application. CNI's payment application will not include any request for payment for work of any subcontractor, material supplier, consultant, or service provider whose certified payrolls, trailing lien waivers, or other payment paperwork is incomplete at the time the payment application is submitted.

(2) **Schedule of Values; Treatment of Prior Expenditures.** No later than fifteen (15) Days after the Effective Date, CNI will submit to the DPD Commissioner or his designee (the "Authorized City Representative") a schedule of values ("Schedule of Values"), showing values of the Work to be performed by trade contractors, which values shall be modified as Subcontract awards are made, and agreed upon construction fee ("Construction Fee") containing such supporting details or other evidence as to its correctness as the architect ("Architect") and Authorized City Representative may require. The Schedule of Values will list the value for each construction activity broken down by materials and labor to be included in the progress schedule. When approved by the Authorized City Representative, the Schedule of Values will be used as a basis for certificates of payment unless it is found to be in error.

CNI has made certain expenditures in satisfaction of certain costs covered in the Project Budget prior to the Effective Date (the "Prior Expenditure(s)"). Exhibit 7 identifies such prior expenditures approved by the City as Prior Expenditures and, subject to the terms and conditions hereof, the City agrees to reimburse CNI for such Prior Expenditures on the Effective

Date.

(3) Invoice Target Date. The City will assign an invoice target date to CNI. Not later than ten (10) Days prior to the invoice target date, CNI will submit to the Authorized City Representative a pencil copy of the application for payment ("Payment Application") for Work completed through the end of the current month and a monthly progress report. Not later than five (5) Days prior to the invoice target date, the pencil copy will be reviewed for approval of value of the Work completed at the payment review meeting with the Architect and Authorized City Representative. Calculation of the value of Work completed will be made by summarizing the individual values of Work completed as such completion is reported in the monthly progress report reviewed by the Architect for the approval of the City. Submission of the monthly progress report five (5) Days prior to the payment review meeting will be a condition precedent to the approval of the payment application. The pencil copy of the Payment Application will project completion of Work through the end of the current month.

(4) Sworn Statement. On the invoice target date of each month, CNI will submit to the Authorized City Representative, in triplicate, an application for partial payment including a notarized affidavit stating that all monetary obligations to all subcontractors for the periods covered by all prior applications for payment for which payment has been made by the City, if any, have been completely fulfilled and discharged. The affidavit must be supported by receipts or receipted vouchers, and lien waivers, evidencing payments for such materials, services, labor, and payments to subcontractors, together with a waiver of lien covering the amount for which the current payment is being requested and such other evidence of CNI's right to payment as the Authorized City Representative may direct. CNI shall submit form of waiver of lien for partial or progress payment to the City for approval. The application for partial payment will conform to approvals made by the Authorized City Representative at the payment review meeting.

(5) Certified Payrolls. Three copies of certified payrolls for the payment period are to be submitted by CNI and all subcontractors working on the Subject Property to the City or its designated representative every week. The City may elect to utilize a Web-based method for electronic submittal of certified payrolls. In the event that the City elects to utilize electronic submittal, CNI shall follow the directions provided by the City, and submit its certified payrolls electronically, as a replacement for the three hard copy submittals. All payrolls must be identified with CNI or subcontractor's name and contract name and number, and must be sequentially numbered. The payroll will be submitted by CNI and subcontractor until all Work by CNI or subcontractor is completed. If there are periods of no Work by CNI or a Subcontractor, a payroll labeled "NO WORK" will be submitted. The final payroll will be labeled "FINAL." Certified payrolls are required to assure equal employment opportunity ("EEO") compliance as well as wage compliance. Race, worker classification, and gender must be clearly marked for each employee on the certified payroll along with all additional information required by the City. An employee's address should appear every time his/her name appears on the payroll. CNI must submit the certified payrolls and additional information regarding EEO and wage compliance by providing a payroll summary report ("Payroll Summary Report") in the form required by the City. The EEO report form required by the City and the U.S. Department of Labor must be submitted by CNI and each subcontractor, reflecting fully the periods of Work covered by the partial payment request.

(6) Documentation Supporting Monthly Payment Applications

(a) For the first Payment Application, CNI must provide its own Sworn Statement and its own partial lien waivers in support of the Payment Application.

(b) For the second Payment Application, CNI must provide: its own Sworn Statement, its own partial lien waivers for the current Payment Application and partial lien waivers from all of its first tier Subcontractors for the prior Payment Application.

(c) For the third Payment Application, CNI must provide: its own Sworn Statement, its own partial lien waivers for the current month, its first tier subcontractors ("First Tier Subcontractors") partial lien waivers for the previous month, and partial lien waivers of the second tier subcontractors ("Second Tier Subcontractors") for the first Payment Application.

(d) For the fourth and all subsequent Payment Applications, CNI must provide the corresponding supporting documentation as indicated in 4(R-1)(6)(c) above. For the final Payment Application all lien waivers of CNI, its first tier Subcontractors, and all Second Tier Subcontractors must be "final" waivers.

(e) Prior to final payment and Final Completion and Acceptance of the Work, CNI must comply with the requirements of Section 4(R-1)(9), below. Unless a written extension is granted by the City, CNI must submit the final payment application and waivers consistent herewith. CNI's failure to do so within the required time period is an Event of Default hereunder.

(7) Deductions for Uncorrected Work. The City reserves the right to, in its sole discretion, deduct the cost of damaged or non-conforming Work from the Guaranteed Maximum Price rather than require CNI to repair or replace such damaged or non-conforming Work, but only in the event CNI has failed to correct the non-conforming Work after receiving reasonable notice from the City that the City will correct the non-conforming Work, and CNI has failed to commence correcting such non-conforming Work promptly upon receipt of such notice from the City.

(8) Certificates for Payment. If CNI has complied with the requirements of Section 4(R-1)(1), "Payment Applications," the Authorized City Representative will issue to CNI a certificate for such amount as the Authorized City Representative determines to be properly due as agreed upon during the payment review meeting during the preceding payment period. The amount of each partial payment will be the total sum of completed Work (including bonds, insurance and fees) less prior partial payments, retainage, and payments withheld in accordance with the provisions of Section 4(R-1)(10) "Payments Withheld." No certificate issued for payment, nor payment to CNI, nor partial or entire use of the Work, nor occupancy of the Subject Property by the City will be an acceptance of any Work or materials not in accordance herewith. Any certificates for payment are for the benefit of the City and will not be relied upon by any other party (including any surety or Subcontractor of CNI) in any action against the City, the Architect, or anyone acting on behalf of either of them.

(9) Retainage. The City will retain ten percent (10%) from the invoice sums approved and due CNI up to a total of fifty percent (50%) of the Public Improvements Project GMP, including approved change orders ("Change Orders"). The amount so retained

("Retainage") will be released to CNI in accordance with Section 4(R-1)(11) below. The DPD Commissioner, at the DPD Commissioner's sole discretion, may increase the amount of the Retainage withheld if the DPD Commissioner considers CNI's performance or the progress of the Work to be such that the City will likely incur damages, including but not limited to liquidated damages, in excess of the amount of Retainage. CNI must not withhold retainage from its Subcontractors in excess of the percentage Retainage withheld by the City from payments to CNI, and must release Retainage to the Subcontractors under Section 4(R-1)(12) or the prompt payment to Subcontractors required by Section 4(R-1)(13).

(10) Payments Withheld. No payment shall be made to CNI until certificates of insurance, the Bond, or other evidence of compliance by CNI with all the requirements of the Agreement for insurance and bonds have been provided to the City. Further, no payments on the basis of Work performed by a Subcontractor shall be paid until copies of all bonds required and any certificates of insurance required of the Subcontractors by the Agreement have been filed with the City. The Authorized City Representative may decline processing a Payment Application if, in the DPD Commissioner's opinion, the Payment Application is not adequately supported. If CNI and Authorized City Representative cannot agree on a revised amount, the Authorized City Representative will process the Payment Application in the amount the DPD Commissioner deems appropriate. The Authorized City Representative may decline to process any Payment Application or may rescind in whole or in part any approval previously made to such extent as may be necessary in his/her opinion because of any failure of CNI to perform any obligation under the Agreement, including but not limited to:

- (a) CNI's failure or refusal to provide the Authorized City Representative the required Project Schedule or monthly schedule updates and obtain the Authorized City Representative's approval for either as required by the Agreement.
- (b) CNI's failure to remedy defective Work following written notice from the City.
- (c) CNI's failure to make payments due to Subcontractors, employees, or material suppliers or for labor, materials or equipment once payment is received by CNI, or provide partial lien waivers with Payment Applications as provided herein.
- (d) CNI's persistent failure to maintain progress of the Work in accordance with the Project Schedule, or failure to carry out the Work in accordance with the Agreement as determined by the City.
- (e) CNI's refusal to follow City, state, federal, or Contract safety and security requirements.
- (f) CNI's failure to provide a plan to meet the requirements of the Chicago Residency Ordinance pursuant to Section 4(JJ) hereof.

The City's rights under this Section 4(R-1)(10) are cumulative to any other rights provided under the Agreement.

(11) Release of Retainage.

- (a) At 75% Completion of the Public Improvements. When the Authorized

City Representative determines that CNI has satisfactorily completed 75% of the Public Improvements, based upon invoice sums approved and due CNI, Retainage may be reduced to an amount equal to three percent (3%) of the Guaranteed Maximum Price, including any approved or authorized Change Orders and Amendments.

(b) At Project Substantial Completion. When the Public Improvements are substantially completed, CNI must notify the Authorized City Representative, in writing, that the Public Improvements will be ready for inspection and/or testing on a definite date. Such notice must be given at least seven (7) calendar days in advance of said date. If the Authorized City Representative concurs that the Public Improvements will be ready for inspection and/or testing on the date given, the DPD Commissioner and other parties will make such inspection as is convenient for all parties, but within a reasonable period of time. The scheduling of the inspection to determine whether the Public Improvements are substantially complete shall not relieve CNI of its responsibilities under the Agreement. CNI is required to furnish access for the inspection. If the DPD Commissioner finds that the Work is acceptable under the Agreement and has been fully and satisfactorily performed on a timely basis, Retainage may be reduced to an amount equal to one percent (1%) of the Guaranteed Maximum Price, including any approved Change Orders and Amendments, provided that CNI has furnished: (i) MBE / WBE final lien waivers, MBE/WBE conditional final lien waivers, or an affidavit of the MBE/WBE stating the final amount earned; (ii) complete certified payrolls; (iii) documentation of the turn over of "as-built" drawings, record shop drawings, and product data; (iv) spare stock of materials, spare parts, accessories, special tools, O & M manuals, guarantees, warranties; and (v) all other items required by this Agreement or the Authorized City Representative.

(c) At Project Final Completion. The remaining Retainage will be paid when all remaining Work and punch list Work is complete and CNI submits to the Authorized City Representative a sworn affidavit that states the following:

1. All payrolls, bills for materials and equipment, and all other indebtedness connected with the Work for which the City might in any way be responsible, have been paid or otherwise satisfied.
2. The "CNI's Sworn Statement and Affidavit" for final release of retainage has been provided to the Authorized City Representative.
3. All claims made by subcontractors of any tier, suppliers, and others against CNI, the City, any agents of the City, the DPD Commissioner or Authorized City Representative have been resolved.
4. "Final Waiver of Lien and CNI's Affidavit" forms for all subcontractors of any tier have been provided to the Authorized City Representative.
5. All warranties and guarantees required by the Agreement have been provided to the Authorized City Representative.
6. All warranties and guarantees are in full force and effect.

7. CNI has provided manufacturers' operating instructions for all equipment, and furnished proof that appropriate training of City personnel has been completed.

8. The surety's written consent, signed by its authorized representative, for final payment to be made directly to CNI, has been provided to the Authorized City Representative.

9. CNI agrees that acceptance of final payment will constitute a general release to the City, its representatives, officials and employees of all claims of liability for anything done or furnished or relating to the Work required by the Agreement or for any act or neglect of the City or its agents, officials and employees relating to or connected with the Agreement except as may be mutually agreed and excepted in writing at the time of final payment.

10. As-built documentation including but not limited to as-built drawings, as-built shop drawings and operation and maintenance manuals have been provided to the Authorized City Representative.

11. All other documents reasonably requested by the Authorized City Representative have been provided.

12. CNI must remove all of CNI's trailers, equipment, leftover materials, and trash from the Subject Property, staging area(s) or anywhere else on the Subject Property. CNI must also restore CNI's staging area(s) to its pre-construction condition. If CNI does not comply with this requirement, the Authorized City Representative may provide written notice to comply within a period of time determined by the Authorized City Representative. If CNI fails to comply with the written notice, the Authorized City Representative may have the work done by others, and deduct the charge from CNI's Retainage.

(d) Notwithstanding the foregoing, the Authorized City Representative, in his sole discretion, may decline to release all or a portion of Retainage if the Authorized City Representative considers CNI's performance or the progress of the Work to be such that the City has incurred or will likely incur damages greater than the Retainage, including but not limited to liquidated damages.

(12) Prompt Payment to Subcontractors.

(a) CNI must state the requirements of this Prompt Payment provision in all subcontracts and purchase orders. If CNI fails to incorporate these provisions in all subcontracts and purchase orders, the provisions of this Section are deemed to be incorporated in all subcontracts and purchase orders. CNI and the subcontractors have a continuing obligation to make prompt payment to their respective subcontractors. Compliance with this obligation is a condition of CNI's participation and that of its subcontractors in the Work.

(b) CNI must make payment to its Subcontractors within fourteen (14) days of receipt of payment from the City for each monthly Payment Application, but only if the

Subcontractor has satisfactorily completed its Work in accordance with this Agreement and provided CNI with all of the documents and information required of CNI by this Section 4(R-1), "Payment to CNI". CNI may delay or postpone payment for a Payment Application when the subcontractor's Work or materials do not comply with the requirements of this Agreement, and CNI is acting in good faith and not in retaliation for a subcontractor exercising legal or contractual rights.

(c) CNI must make final payment to its Subcontractors within fourteen (14) days of receipt of such final payment from the City, and after the Subcontractor has satisfactorily completed all of its Work, including but not limited to, completion of punch list work, providing final lien waivers, and providing all of the documents required by this Agreement for payment of Retainage at final completion of the Public Improvements as provided for in Section 4(R-1)(11). Retainage must be paid to subcontractors as required by this section, regardless of whether the Public Improvements have been determined to have reached substantial completion. CNI may delay or postpone payment of Retainage if the Subcontractor's Work or materials do not comply with the requirements of this Agreement, CNI has substantial grounds for and has acted reasonably in making the determination, and CNI is acting in good faith and not in retaliation for a Subcontractor exercising legal or contractual rights.

(d) CNI must make payment to Subcontractors so that they receive it within fourteen (14) days of CNI's receipt of payment from the City. Payment is deemed received by the Subcontractor at the time of hand delivery by CNI, or three (3) calendar days after mailing by CNI.

(e) To the extent feasible, to facilitate the flow of information to Subcontractor, the Authorized City Representative will post at the field office located at the Subject Property and on the City website (www.cityofchicago.org), a list of CNI's Payment Applications, including the subcontractors identified in them, submitted to the City for payment and the date of payments made to CNI by the City.

(f) CNI must not delay or refuse to timely submit pay requests for a Subcontractor's work or materials. The City may construe such delay or refusal as CNI's failure to act in good faith. "Timely", in this context, means within thirty (30) days after the portion of the Subcontractor's work that the Subcontractor has invoiced is in place in the Public Improvements or the materials delivered to the City (or off-site if payments for off-site delivery are permitted). In addition, CNI must not delay or postpone payment for an undisputed portion of a Subcontractor's invoice or in connection with claims or disputes involving different Payment Applications on the same project or different projects.

(g) The DPD Commissioner may withhold payment from CNI when the DPD Commissioner determines that CNI has not complied with this Section 4(R-1)(12).

(h) These provisions do not confer any rights in Subcontractors against the City. Nothing in this section is to be construed to limit the rights of and remedies available to the City, including but not limited to various rights under the Agreement.

(13) Subcontractor Claims. CNI must pay all lawful undisputed claims made against it by its subcontractors and all lawful undisputed claims made against CNI by other third

persons arising out of, in connection with, or because of its performance of this Agreement. CNI will cause all of its subcontractors to pay all lawful undisputed claims made against them. In the event such lawful undisputed claims are not satisfied, the City is hereby empowered to disburse such sums for and on account of CNI directly to the respective parties to which such sums are due and owed upon ten (10) days written notice to CNI.

(14) Pay Estimates and Payments Subject to Review. Before issuance of a Certificate and for a period of three (3) years after issuance of such Certificate, the City shall not be precluded or estopped by any measurement, estimate, or certificate made by CNI or any subcontractor from showing the true amount and character of the portion of the Work performed and materials furnished by or on behalf of CNI relating to such Certificate, or from showing that any such measurement, estimate, or certificate is untrue or incorrectly made, or that such portion of the Work or materials do not conform in fact to the Agreement. Subject to Illinois law, the City will not be precluded or estopped, notwithstanding any such measurement, estimate, or certificate and payment in accordance therewith, from recovering from CNI and its sureties such damages as the City may sustain by reason of CNI's failure to comply with the terms of the Agreement.

(15) Salaries/Wages. Salaries of all employees of CNI performing Services or Work will be paid unconditionally and not less often than once a month without deduction or rebate on any account, except for payroll deductions as may be required by law. If there is any underpayment of salaries by CNI, the City may withhold, out of payments due to CNI, an amount sufficient to pay to employees the difference between the salaries required to be paid and the salaries actually paid such employees for the total number of hours worked.

(16) No Waiver of Legal Rights. Neither the acceptance by the City nor any payment by the City will operate as a waiver of any portion of the Agreement, or of any power herein reserved, or any right to damages herein provided. If the City elects to waive any breach of this Agreement, that waiver will not be held to be a waiver of any other or subsequent breach. The City will not be precluded or estopped from showing the true amount and character of the Work performed and materials furnished by CNI, or from showing that any measurement, estimate, or certificate is untrue or incorrectly made, or that the Work or materials do not conform to this Agreement. The City will not be precluded or estopped from recovering from CNI and/or its sureties such damages as the City may sustain by reason of CNI's failure to comply with the terms of the Agreement.

(17) Liens. Whenever the City receives notice in writing of a lien or claim of money due from CNI to any Subcontractor, worker, or employee for Work performed or for materials or equipment furnished and used in or about the Work, the City may direct that the amount of such claim be deducted from payments due or to become due CNI and withheld by the City until such claim has been paid or otherwise discharged; provided, however that, to the extent permitted by law, the City shall not direct that the amount of such claim be deducted or withheld from payments due or to become due to CNI if CNI demonstrates that (i) all documentation required by the Agreement for payment of said amount to Subcontractor, worker or employee or for such materials and equipment furnished and used in or about the Work has been properly submitted to the City by CNI, or (ii) CNI has furnished a bond as security for the lien. This provision is to be construed as being solely for the benefit of the City, and will not require the City to determine or adjust any claims or disputes between CNI and its Subcontractors,

workers, or employees, or to withhold any money for their protection, unless the City elects to do so. This provision is not to be construed as conferring any rights hereunder for the benefit of Subcontractors, workers or employees, or as enlarging or altering the application or effect of existing lien laws. The final payment will not become due until CNI delivers to the City complete release of all liens, financial obligations or claims from CNI, Subcontractors, and other agents acting on its behalf in connection with the Work, arising out of the Work, and an affidavit that so far as it has knowledge or information, the releases include all the labor and material for which a claim could be made or a lien could be filed. If any lien remains unsatisfied after all payments have been made, CNI must refund to the City all moneys that the City may be compelled to pay in discharging such lien, including all costs and reasonable attorneys' fees.

R-2. With respect to matters related to liens:

(1) CNI will notify its contractors and subcontractors that no mechanics' lien under the Illinois Mechanics Lien Act, 770 ILCS 60/1, et. seq., will be permitted to arise, be filed or maintained against public funds, the Public Improvements, the Subject Property or any part thereof or any interest therein, or any improvements thereon, or against any monies due or to become due to CNI on account of any work, labor, services, materials, equipment, or other items performed or furnished for or in connection with the Public Improvements; and CNI, for itself and its contractors and subcontractors, does hereby expressly waive, release, and relinquish such liens and all rights to file or maintain such liens; and agrees further that this waiver of liens and waiver of the rights to file or maintain such liens will be an independent covenant.

(2) If any of CNI's contractors, subcontractors, employees, officials, agents, or any other person directly or indirectly acting for, through, or on their behalf files or maintains a lien or claim under the Illinois Mechanics' Lien Act, 770 ILCS 60/1, et. seq., against public funds or against any monies due or to become due to any contractors or subcontractors on account of any of the Public Improvements, labor, services, materials, equipment, or other items performed or furnished for or in connection with the Public Improvements, CNI agrees to cause such liens and claims to be satisfied, removed or discharged within 30 days from the date of filing, provided that the City may extend the 30 day period if (i) the City determines that such lien claim cannot be so satisfied, removed, or discharged in such period and (ii) CNI, in the City's reasonable determination, is proceeding diligently to cause such liens or claims to be satisfied, removed or discharged, or CNI has posted a bond covering such liens or claims in an amount not less than 110% of such liens or claims. The City has the right, in addition to all other rights and remedies provided under this Agreement or by law, to cause such liens or claims to be satisfied, removed or discharged by any means at CNI's sole cost, such cost to include reasonable legal fees and shall be reimbursable in full with interest from the date of payment at the rate set at 12% per annum.

S. (1) It is an unlawful employment practice for CNI to fail to hire, to refuse to hire, to discharge, or to discriminate against any individual with respect to compensation, or the terms, conditions, or privileges of employment, because of such individual's race, color, religion, gender, age, disability, or national origin; or to limit, segregate, or classify employees or applicants for employment in any way which would deprive or tend to deprive any individual of employment opportunities or otherwise, adversely affect such individual's status as an employee, because of such individual's race, color, religion, gender, age, disability, or national origin.

(2) CNI must comply with the Civil Rights Act of 1964, 42, Sec.000 et seq. (1981), as amended. CNI shall further comply with Executive Order No. 11, 2346, 30 Fed. Reg. 12, 319 (1965), reprinted in 42 U.S.C. 2000(e) note, as amended by Executive Order No. 11,37532 Fed. Reg. 14,303 (1967) and by Executive Order No. 12,086,43 Fed. Reg. 46,501 (1978); the Age Discrimination Act, 43 U.S.C. Sec. 6101-6106 (1981); the Rehabilitation Act of 1973, 29 U.S.C. Sec. 793-794 (1981); the Americans with Disabilities Act, P.L. 101-336; 41 C.F.R. part 60 et seq. (1990); Air Carriers Access Act, 49 U.S.C.A. 1374; and, FAA Circular No. 150/5100 15A.

(3) In satisfying State requirements, CNI must comply with the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1990), as amended, and the rules and regulations of the Illinois et seq. Department of Human Rights; the Discrimination in Public Contracts Act, 775 ILCS 10/0.01 et seq. (1990), as amended; and the Environmental Barriers Act, 410 ILCS 251 et seq. In satisfying City requirements, CNI must comply with the Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq. of the Municipal Code of Chicago (1990), as amended. Further CNI must furnish such reports and information as requested by the Chicago Commission of Human Relations. CNI agrees that all of the above provisions will be incorporated in all agreements entered into with any suppliers of materials, providers of services, contractors, subcontractors of any tier, and labor organizations which furnish skilled, unskilled and craft union skilled labor, or which may provide any such materials, labor or services in connection with this Agreement.

T. No member of the governing body of the City or other units of government and no other officer, employee, or agent of the City or other unit of government who exercises any functions or responsibilities in connection with the Public Improvements to which this Agreement pertains, will have any personal interest, direct or indirect, in this Agreement. No member of or delegate to the Congress of the United States or the Illinois General Assembly and no alderman of the City or City employee will be permitted to any share or part of this Agreement or to any financial benefit to arise from it.

CNI covenants that its officers, directors and employees, and the officers, directors and employees of each of their members if a joint venture, or a limited liability company and contractors and subcontractors, presently have no interest and will acquire no interest, direct or indirect, in the Public Improvements which would conflict in any manner or degree with the performance of the work relating to the Public Improvements hereunder. CNI further covenants that in the performance of this Agreement, no person having any such interest must be employed. CNI agrees that if the City, by the DPD Commissioner in his or her reasonable judgment, determines that any of CNI's work for others conflicts with the Public Improvements, CNI's Entities must terminate such other services immediately upon request of the City.

U. Pursuant to Section 2-156-030(b) of the Municipal Code of Chicago, it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected official has a business relationship, or to participate in any discussion in any City council committee hearing or in any City council meeting or to vote on any matter involving the person with whom an elected official has a business relationship. Violation of Section 2-156-030(b) by any elected official with respect to this Agreement shall be grounds for termination of this Agreement. Section 2-156-080 defines a "business relationship" as any contractual or other private business dealing of an official, or his or her spouse, or of any entity in which an official or his or her spouse has a financial interest, with a person or entity

which entitles an official to compensation or payment in the amount of \$2,500 or more in a calendar year; provided however, a financial interest shall not include:

1. Any ownership through purchase at fair market value or inheritance of less than 1% of the share of a corporation, or any corporate subsidiary, parent or affiliate thereof, regardless of the value of or dividends on such share, if such shares are registered on a securities exchange pursuant to the Securities Exchange Act of 1934, as amended;
2. The authorized compensation paid to an official or employee for his office or employment;
3. Any economic benefit provided equally to all residents of the City;
4. A time or demand deposit in a financial institution; or
5. An endowment or insurance policy or annuity contract purchased from an insurance company.

A "contractual or other private business dealing" shall not include any employment relationship of an official's spouse with an entity when such spouse has no discretion concerning or input relating to the relationship between that entity and the City.

V. (1) It shall be the duty of any bidder, proposer, CNI and any contractor, all subcontractors and every applicant for certification of eligibility for a City contractor program, and all officer, directors, agents, partners and employees of any bidder, proposer, CNI and any contractor, subcontractor or such applicant to cooperate with the Inspector General in any investigation undertaken pursuant to Chapter 2-56 of the Municipal Code of Chicago. CNI understands and will abide by all provisions of Chapter 2-56 of the Municipal Code of Chicago. CNI and contractors shall inform subcontractors of this provision and require understanding and compliance herewith. (2) It shall be the duty of any bidder, proposer, CNI and any contractor, all subcontractors and every applicant for certification of eligibility for a City contractor program, and all officer, directors, agents, partners and employees of any bidder, proposer, CNI and any contractor, subcontractor or such applicant to cooperate with the Legislative Inspector General in any investigation undertaken pursuant to Chapter 2-55 of the Municipal Code of Chicago. CNI understands and will abide by all provisions of Chapter 2-55 of the Municipal Code of Chicago. CNI and contractors shall inform subcontractors of this provision and require understanding and compliance herewith.

W. CNI must comply with Chapter 2-156 of the Municipal Code of Chicago, "Governmental Ethics," including but not limited to Section 2-156-120 of this chapter pursuant to which no payment, gratuity or offer of employment is made in connection with any City contract, by or on behalf of a subcontractor to the prime contractor or higher tier subcontractor or any person associated therewith, as an inducement for the award of a subcontract or order. Any contract negotiated, entered into or performed in violation of any of the provisions of this chapter is voidable as to the City.

X. CNI is required to submit a fully-executed Economic Disclosure Statement and Affidavit in the forms attached hereto as Exhibit 5. These documents must be signed by an authorized officer of the company before a notary and such documents are incorporated by

reference to this Agreement. CNI shall provide City with any material updates to the information previously submitted in CNI's Economic Disclosure Statement and Affidavit. The City may also request such updates from time to time. Failure to provide such information on a timely basis shall constitute a default under this Agreement.

Y. In accordance with Section 2-92-380 of the Municipal Code of Chicago, and in addition to any other rights and remedies (including any set-off) available to the City under this Agreement, or permitted at law or in equity, the City is entitled to set off a portion of the price or compensation due thereunder, in an amount equal to the amount of the fines and penalties for each outstanding parking violation complaint and/ or the amount of any debt owed by the contracting party to the City.

For purposes of this provision, "outstanding parking violation complaints" means a parking ticket, notice of parking violation, or parking violation complaint on which neither payment has been made nor an appearance filed in the Circuit Court of Cook County within the time specified on the complaint. "Debt" means a specified sum of money owed to the City for which the period granted for payment has expired.

Notwithstanding the provisions of this section above, no such debt(s) or outstanding parking violation complaint(s) are off set from any such price or compensation due if one or more of the following conditions are met:

1. The contracting party has entered into an agreement with the Department of Finance, or other appropriate City department for the payment of all outstanding parking violation complaints and/or debts owed to the City and the contracting party is in compliance with the agreement; or
2. The contracting party is contesting liability for or the amount of the debt in a pending administrative or judicial proceeding; or
3. The contracting party has filed a petition in bankruptcy and the debts owed in the City are dischargeable in bankruptcy.

Z. All construction or alteration undertaken by CNI in connection with this Agreement shall be performed in compliance with all Federal, State and local laws and regulations regarding accessibility standards for disabled or environmentally limited persons including, but not limited to the following: American with Disabilities Act, P.L. 101-336(1990) and the Uniform Federal Accessibility Standards and; the Illinois Environmental Barriers Act, 410 ILCS 25/1 et seq. (1991), and the regulations promulgated thereto at 71 Ill. Adm. Code Ch. 1, Sec. 400.110. In the event that the above cited standards are inconsistent, CNI shall comply with the standard providing greater accessibility.

AA. CNI, in contracting work for the Public Improvements, must comply with the provisions of 330 ILCS 55/0.01 et. seq., which requires that a preference be given to veterans in the employment and appointment to fill positions in the construction, addition, or alteration of all public works. In the employment of labor (except executive, administrative and supervisory positions) preference may be given only where the individuals are available and qualified to perform work with respect to the Public Improvements to which the employment relates. CNI must ensure that the foregoing provision is inserted in all contracts entered in with any contractors and subcontractors and labor organizations which furnish skilled, unskilled and craft

union skilled labor, or which may provide any material, labor, or services in connection with this Agreement.

BB. To the extent permitted by law, this Agreement shall be subject to all provisions of the "Steel Products Procurement Act," 30 ILCS 565/1 et seq., as it may be amended from time to time. Steel Products issued or supplied in the performance of this Agreement or any contract, subcontract related hereto shall be manufactured or produced in the United States. For purposes of this Section "United States" means the United States and any place subject to the jurisdiction thereof and "Steel Products" means products rolled, formed, shaped, drawn, extruded, forged, cast, fabricated, or otherwise similarly processed or processed by a combination of two or more such operations, from Steel made in the United States by the open hearth, basic oxygen, electric furnace, Bessemer or other steel making processes. Knowing violation of this Section may result in the filing and prosecution of a complaint by the Attorney General of the State of Illinois and will subject violators to a fine of the greater of \$5,000 or the payment price received as a result of such violation.

CC. CNI, in contracting work for the Public Improvements, shall use only Illinois laborers in the performance of this Agreement to the extent (1) required by the Employment of Illinois Laborers on Public Works Projects Act, 30 ILCS, 570/0.01, as amended from time to time and (2) otherwise permitted by law.

DD. The Child Support Arrearage Ordinance, Municipal Code of Chicago, Section 2-92-415, furthers the City's interest in contracting with entities which demonstrate financial responsibility, integrity and lawfulness, and finds that it is especially inequitable for contractors to obtain the benefits of public funds under City contracts while its owners fail to pay court-ordered child support, and shift the support of their dependents onto the public treasury.

In accordance with Section 2-92-415 of the Municipal Code of Chicago, if the Circuit Court of Cook County or an Illinois court of competent jurisdiction has issued an order declaring one or more Substantial Owner(s) in arrearage on their child support obligations and: (1) such Substantial Owner has not entered into a court-approved agreement for the payment of all such child support owed, or (2) such Substantial Owner is not in compliance with a court-approved agreement for the payment of all such child support owed, (see Certification of compliance with Child Support Orders in Disclosure Affidavit), then:

For those bidders in competitive bid contracts, the City shall assess an 8% penalty. This penalty shall increase their bid price for the purpose of canvassing the bids in order to determine the lowest responsible bidder. This penalty shall apply only for the purposes of comparing bid amounts and shall not affect the amount of any contract payment.

For purposes of this section, "Substantial Owner" means any person who owns or holds a 10% or more Percentage of Interest in the bidder; where the bidder is an individual or sole proprietorship, substantial owner means that individual or sole proprietorship. The City acknowledges that CNI, as a not-for-profit corporation, has no Substantial Owners.

"Percentage of Interest" includes direct, indirect and beneficial interests in CNI. Indirect or beneficial interest means that an interest in CNI is held by a corporation, joint venture, trust, partnership, association, estate or other legal entity, in which the individual holds an interest, or by agent(s) or nominees(s) on behalf of an individual or entity. For example, if Corporation B holds or owns a 20% interest in CNI, and an individual or entity has a 50% or more percentage

of interest in Corporation B, then such individual or entity indirectly has a 10% or more percentage of interest in CNI. If Corporation B is held by another entity, then this analysis similarly must be applied to that next entity. CNI represents there are no individuals or entities that have any direct, indirect or beneficial interest in CNI, as it is a not-for-profit corporation, and the City acknowledges such representation.

The provisions of this Section shall only apply where not otherwise prohibited by federal, state or local law; provided, however, that it is expressly acknowledged by the City that it is entering into this Agreement with CNI without competitive bidding for the Public Improvements work.

EE. The City through the passage of the MacBride Principles Ordinance seeks to promote fair and equal employment opportunities and labor practices for religious minorities in Northern Ireland and provide a better working environment for all citizens in North Ireland.

In accordance with Section 2-92-580 of the Municipal Code of Chicago, if the primary contractor conducts any business operations in Northern Ireland, it is hereby required that the contractor shall make all reasonable and good faith efforts to conduct any business operations in Northern Ireland in accordance with the MacBride Principles for Northern Ireland as defined in Illinois Public Act 85-1390 (1988 Ill. Laws 3220).

FF. Section 2-92-610 of the Municipal Code of Chicago requires eligible contractors and their subcontractors to pay a living wage (currently \$_____ per hour minimum base wage) to covered employees employed in the performance of this Agreement. CNI is an eligible contractor if at any time during the performance of this Agreement, CNI has 25 or more full-time employees. If CNI is, or becomes eligible, CNI and its contractors and subcontractors must pay at least the base wage to covered employees. Covered employees are: security guards (but only if CNI and its contractors and subcontractors employ in the aggregate 25 or more of them), and, in any number, parking attendants, day laborers, home and health care workers, cashiers, elevator operators, custodial workers and clerical workers. Section 2-92-610 does not apply to not-for-profit corporations with federal 501(3) tax exempt status. Also, if the work being done under this Agreement is subject to payment of prevailing wages, and the prevailing wages are higher than the base wage, then prevailing wage rates apply and must be paid. CNI represents that it is a not-for-profit corporations with federal 501(3) tax exempt status, and the City acknowledges such representation.

GG. CNI shall ensure that, to the extent applicable, services provided hereunder comply with any Buy America provisions of the Federal government and/or any similar provisions of the State or City.

HH. All wages for work on the Public Improvements shall be paid in accordance with the Prevailing Wage Act, 820 ILCS 130/0.01 et seq.

II. CNI, on behalf of itself and its successors and assigns, hereby agrees, and shall contractually obligate its or their various contractors, subcontractors or any affiliate of CNI operating on City property or the Subject Property with respect to the Public Improvements and the Work (collectively, with CNI, the "Employers" and individually an "Employer") to agree, that for the term of this Agreement with respect to CNI and during the period of any other party's provision of services in connection with the construction of the Public Improvements:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time to time (the "Human Rights Ordinance"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City; and to provide that contracts for work in connection with the construction of the Public Improvements be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City.

(c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subsections (a) through (d) in every contract entered into in connection with the Work, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate operating on City property, including the Subject Property, with respect to the Public Improvements and the Work, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 4(II) shall be a basis for the City to pursue remedies under the provisions of Section 14 hereof.

JJ. CNI agrees for itself and its successors and assigns, and shall contractually obligate any other General Contractor, if different from CNI, and shall itself, or cause the General Contractor, if different from CNI, to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Public Improvements they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code of Chicago (at least 50 percent of the total worker hours worked by persons on the Subject Property of the Public Improvements shall be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, CNI, any other General Contractor and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

CNI may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

"Actual residents of the City" shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

CNI, any other General Contractor and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed in the construction of the Public Improvements. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the DPD Commissioner of the DPD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

CNI, any other General Contractor and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the DPD Commissioner, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. CNI, any other General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the Public Improvements.

At the direction of the City, affidavits and other supporting documentation will be required of CNI, any other General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of CNI, any other General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the

requirements of this Section concerning the worker hours performed by actual Chicago residents.

When the Public Improvements are completed, in the event that the City has determined that CNI has failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section 4(JJ). Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by CNI to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject CNI, any other General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to CNI pursuant to Section 2-92-250 of the Municipal Code of Chicago may be withheld by the City pending the Chief Procurement Officer's determination as to whether CNI must surrender damages as provided in this Section.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

CNI shall cause or require the provisions of this Section 4(JJ) to be included in all construction contracts and subcontracts related to the Public Improvements.

KK. CNI agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate any other General Contractor to agree that, during the construction of the Public Improvements:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 4(KK), during the course of construction of the Public Improvements, at least the following percentages of the Project Budget (less the acquisition cost of any real property or interests in real property or any portion thereof, if any), as these budgeted amounts may be reduced to reflect decreased actual costs, shall be expended for contract participation by MBEs or WBEs:

- i. At least 24 percent by MBEs.
- ii. At least 4 percent by WBEs.

(b) For purposes of this Section 4(KK) only, CNI (and any party to whom contract is let by CNI in connection with the Public Improvements) shall be deemed a "contractor" and this Agreement (and any contract let by CNI in connection with the Public Improvements) shall be deemed a "contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, CNI's MBE/WBE commitment may be achieved in part by CNI's status as an MBE or WBE (but only to the extent of any actual work performed on the Public Improvements by CNI), or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Public Improvements by the MBE or WBE), by CNI utilizing a MBE or a WBE as a General Contractor (but only to the extent of any actual work performed on the Public Improvements by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Public Improvements to one or more MBEs or WBEs, or by the purchase of materials used in the Public Improvements from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to CNI's MBE/WBE commitment as described in this Section 4(KK). In accordance with Section 2-92-730, Municipal Code of Chicago, CNI shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of the City.

(d) CNI shall deliver quarterly reports to the City during the construction of the Public Improvements describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include inter alia the name and business address of each MBE and WBE solicited by CNI or any other General Contractor to work on the Public Improvements, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Public Improvements, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist DPD in determining CNI's compliance with this MBE/WBE commitment. The City shall have access to CNI's applicable books and records, including, without limitation, payroll records, books of account and tax returns, and records and books of account, on five (5) business days' notice, to allow the City to review CNI's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Public Improvements.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, CNI shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this Subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(f) Any reduction or waiver of CNI's MBE/WBE commitment as described in this Section 4(KK) shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

(g) Prior to the commencement of construction of the Public Improvements, CNI, any other General Contractor and all major subcontractors shall be required to meet with the monitoring staff of the City with regard to CNI's compliance with its obligations under this

Section 4(KK). During this meeting, CNI shall demonstrate its plan to achieve its obligations under this Section 4(KK), the sufficiency of which shall be approved by such board or department. During the construction of the Public Improvements, CNI shall submit the documentation required by this Section 4(KK) to the monitoring staff of the City, including the following: (i) subcontractor's activity report; (ii) contractor's certification concerning labor standards and prevailing wage requirements; (iii) contractor letter of understanding; (iv) monthly utilization report; (v) authorization for payroll agent; (vi) certified payroll; (vii) evidence that MBE/WBE contractor associations have been informed of the Public Improvements via written notice and hearings; and (viii) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City, upon analysis of the documentation, that CNI is not complying with its obligations hereunder shall, upon the delivery of written notice to CNI, be deemed an Event of Default or breach hereunder. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to CNI to halt construction of the Public Improvements, (2) withhold any further payment to CNI or any general contractor, or (3) seek any other remedies against CNI available at law or in equity.

LL. All work with respect to the Public Improvements shall conform to all applicable ordinances, codes, rules and regulations in effect as of the date of this Agreement and all applicable federal, state and local laws, regulations, codes, rules and ordinances including, without limitation, the City's requirements regarding subdivision matters.

MM. During construction of the Public Improvements, the appropriate City department shall have the right at any time and from time to time to enter upon the Subject Property and the Public Improvements for the purpose of conducting such inspections as are required by the terms of this Agreement or as the City may otherwise deem appropriate.

4.5 Certificates of Completion. Upon final inspection and acceptance by the applicable City departments of the Public Improvements listed below for the respective portions of the Work and upon CNI's written request DPD will issue to CNI a certificate of completion of construction (a "Certificate") certifying that CNI has fulfilled its obligation to complete the portion of the Work covered by the applicable Certificate in compliance with the terms and conditions of this Agreement, subject to the 1-year warranty set forth in this Agreement. DPD will respond to CNI's written request for a Certificate within 30 days by issuing either a Certificate or a written statement detailing the ways in which the portion of the Work for which such Certificate was requested does not conform to this Agreement or has not been satisfactorily completed and the measures which must be taken by CNI in order to obtain the requested Certificate. CNI may resubmit a written request for a Certificate upon completion of such measures, and DPD will respond within 30 days following the same procedures as for the initial request. Such process may repeat until the City issues the requested Certificate.

A. Subject to the foregoing, the City shall issue a Certificate for Subarea C upon completion of the following Public Improvements and related portion of the Work [description to be inserted].

B. Subject to the foregoing, the City shall issue a Certificate for Subareas A, B and D upon completion of the following Public Improvements and related portion of the Work [description to come].

C. Subject to the foregoing, the City shall issue a Certificate for the

remainder of the Subject Property upon the completion of the following Public Improvements and the remaining portion of the Work [description to come].

5. After final inspection and acceptance by the City, acting through the appropriate City department, of any of the Public Improvements, and except as covered by warranty or guarantee, the responsibility for maintenance, repair and replacement of said Public Improvements shall be borne by the City, subject to the following:

- A. The City will pay the cost of electricity for operating traffic signals and street lighting which is located in the public way and accepted by the City.
- B. The City shall be responsible for the cleaning of and the removal of snow from streets included in the Public Improvements.
- C. CNI shall be responsible for the maintenance, repair or replacement of any item for which the City is responsible if the cause for said maintenance, repair or replacement is an error in the original design or construction of said item discovered within the warranty period.
- D. The City shall not be responsible for loss of use or revenue, if any, associated with the inspection, maintenance and/or reconstruction of any public structure built under this Agreement.

6. After final inspection and acceptance by the City, acting through the appropriate City department including, but not limited to, the Departments of Transportation, Water Management, Streets and Sanitation (Bureau of Electricity, Forestry), of any of the Public Improvements:

- A. CNI, its successors and assigns, shall indemnify and hold harmless the City against any and all claims for personal injury and property damages, arising in connection with CNI's performance of its obligations under this Agreement with respect to the Public Improvements, including its warranty obligations under Section 4(O) hereof, as applicable, through and including the warranty period;
- B. The City shall indemnify and hold harmless CNI, its successors and assigns, against any and all claims for personal injury and property damage arising in connection with the City's performance of, or failure to perform, its obligations under this Agreement to maintain, repair and replace the City portion of the Public Improvements;
- C. The City, after receiving notice of any claim against it for which CNI may be responsible under Section 6(A) shall provide CNI with notice to defend the claim. If such notice is not provided by the City and CNI is thereby prejudiced in the defense of the claim, CNI shall no longer be responsible for indemnifying and holding harmless the City against such claims.
- D. CNI, after receiving notice of any claim against it for which the City may be responsible under Section 6(B), shall provide the City with notice to defend the claim. If such notice is not provided by CNI and the City is

thereby prejudiced in the defense of the claim, the City shall no longer be responsible for indemnifying and holding harmless CNI against such claims.

7. If, after acceptance by the City of any Public Improvements contemplated by the Approved Plans and Specifications, the City reasonably believes that (A) unusual maintenance, or repair or replacement is necessary on (i) the portion of the Public Improvements for which CNI is responsible under the one (1) year guarantee period or (ii) the portion of the Public Improvements for which the City is responsible when CNI's failure to perform its duties hereunder necessitates such unusual maintenance, or repairs or replacement on the City portion, and (B) that existing condition constitutes an emergency situation which endangers the public health, safety and welfare, the City shall have the right to undertake such necessary repairs without prior notice to CNI and shall be reimbursed for the reasonable cost thereof by CNI. If only sub-Section (A) of the preceding sentence is applicable, the City shall give CNI notice thereof and if CNI does not within sixty (60) days commence the requisite maintenance, repair or replacement, the City shall have the right (but not the obligation) to undertake the necessary repairs and shall be reimbursed for the reasonable cost thereof by CNI.

Any reimbursement by CNI under this Section shall be subject to CNI's verification of the amount and reasonableness thereof within thirty (30) days of CNI's receipt of a written notice from the City in such detail as reasonably required by CNI. Upon such verification, CNI shall pay the amount of such reimbursement within sixty (60) days. Amounts not paid as aforesaid shall bear interest at the rate of nine percent (9%) per annum.

8. [intentionally omitted]

9. [intentionally omitted]

10. The provisions of this Agreement shall be governed and construed in accordance with the laws of the State of Illinois.

11. This Agreement shall not be amended except in writing approved by the Parties hereto. In the event of any change of the Approved Plans and Specifications for the Public Improvements after acceptance thereof by the City, which would affect the allocation of maintenance responsibilities under Section 5 above, the Parties shall execute and deliver an appropriate amendment of this Agreement.

13. The following provisions relate to defaults, cure and remedies:

- A. The occurrence of any one or more of the following events, subject to the provisions of Section 14(C) below, shall constitute an "Event of Default" by CNI hereunder:
1. the failure of CNI to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of CNI under this Agreement or any related agreement;
 2. the failure of CNI to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of CNI under any agreement with any person or entity if such failure may have a material adverse effect on CNI's business, property, assets, operations or condition, financial or otherwise;
 3. the making or furnishing by CNI to the City of any representation, warranty, certificate, schedule, report or other communication

- within or in connection with this Agreement or any related agreement which is untrue or misleading in any material respect;
4. except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of, or any attempt to create, any lien or other encumbrance upon the Public Improvements or real estate interests related thereto, or the making or any attempt to make any levy, seizure or attachment thereof;
 5. the commencement of any proceedings in bankruptcy by or against CNI or for the liquidation or reorganization of CNI, or alleging that CNI is insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of CNI's debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving CNI; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings;
 6. the appointment of a receiver or trustee for CNI, for any substantial part of CNI's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of CNI; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within sixty (60) days after the commencement thereof;
 7. the entry of any judgment or order against CNI which remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution;
 8. [reserved];
 9. the dissolution of CNI; or
 10. the institution in any court of a criminal proceeding (other than a misdemeanor) against CNI, which is not dismissed within thirty (30) days, or the indictment of CNI for any crime (other than a misdemeanor).

B. Upon the occurrence of an Event of Default, the City may terminate this Agreement and all related agreements, and may suspend disbursement of City funds. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to injunctive relief or the specific performance of the agreements contained herein.

C. In the event CNI shall fail to perform a monetary covenant which it is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless CNI has failed to perform such monetary covenant within ten (10) days of its receipt of a written notice from the City specifying that it has failed to perform such monetary covenant. In the event CNI shall fail to perform a non-monetary covenant which CNI is required to perform under

this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless CNI has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default: provided however, with respect to those non-monetary defaults which are not capable of being cured within such thirty (30) day period, CNI shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured; provided further that if a specific cure period is provided for elsewhere in this Agreement that differs from the general notice and/or cure periods set forth in this Section 14(C), such specific notice and/or cure period shall control.

14. Except as might otherwise be expressly provided herein, CNI may not sell, assign or otherwise transfer their interest in this Agreement in whole or in part without the written consent of the City.

15. CNI agrees that CNI, any person or entity who directly or indirectly has an ownership or beneficial interest in CNI ("Owners"), spouses and domestic partners of such Owners, CNI's subcontractors, any person or entity who directly or indirectly has an ownership or beneficial interest in any subcontractors of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (CNI and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City (the "Mayor") or to his political fundraising committee (i) after execution of this bid, proposal or Agreement by CNI, (ii) while this Agreement or any Other Contract is executory, (iii) during the term of this Agreement or any Other Contract between CNI and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

CNI represents and warrants that since the date of public advertisement of the specification, request for qualifications, request for proposals or request for information (or any combination of those requests) or, if not competitively procured, from the date the City approached CNI or the date CNI approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

CNI agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

CNI agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

CNI agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement,

under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein. If CNI violates this provision or Mayoral Executive Order No. 2011-4 prior to award of the Agreement resulting from this specification, the DPD Commissioner may reject CNI's bid.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source which are then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City to which CNI are a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code.

For purposes of this Section 15 only, individuals are "Domestic Partners" if they satisfy the following criteria: (a) they are each other's sole domestic partner, responsible for each other's common welfare; and (b) neither party is married; and (c) the partners are not related by blood closer than would bar marriage in the State of Illinois; and (d) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and (e) two of the following four conditions exist for the partners: (i) the partners have been residing together for at least 12 months, (ii) the partners have common or joint ownership of a residence, (iii) the partners have at least two of the following arrangements: (A) joint ownership of a motor vehicle; (B) a joint credit account; (C) a joint checking account; and (D) a lease for a residence identifying both domestic partners as tenants, and (iv) each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code.

16. If the City transfers all or any portion of the Subject Property to a third party (a "City Transferee") and gives CNI written notice of such transfer hereunder, then such City Transferee shall be a third party beneficiary of Sections 4(O) and 6(A) hereof and shall be entitled to exercise and enforce such provisions to the same extent that the City is so able.

17. The Work includes certain environmental investigation and remediation of the Subject Property (the "Environmental Work"). The Environmental Work is described in more detail in Exhibit 8 hereto and certain specific requirements regarding the Environmental Work are contained in said Exhibit 8.

18. (a) CNI acknowledges that the City is subject to the Illinois Freedom of Information Act, 5 ILCS 140/1 et. seq., as amended ("FOIA"). The FOIA requires the City to produce records (very broadly defined in the FOIA) in response to a FOIA request in a very short period of time, unless the records requested are exempt under the FOIA. If CNI receives a request from the City to produce records within the scope of FOIA, that would be otherwise required under this Agreement then CNI covenants to comply with such request within two (2) Business Days of the date of such request. Failure by CNI to timely comply with such request

will be a breach of this Agreement.

(b) Exempt Information. Documents that CNI submits to the City during the term of the Agreement that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents submitted by CNI to be treated as a trade secret or information that would cause competitive harm, FOIA requires that CNI mark any such documents as "proprietary, privileged or confidential." If CNI marks a document as "proprietary, privileged and confidential", then DPD will evaluate whether such document may be withheld under the FOIA. DPD, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General's Office and/or the courts.

(c) CNI acknowledges that the City is subject to the Local Records Act, 50 ILCS 205/1 et. seq, as amended (the "Local Records Act"). The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, CNI covenants to use its best efforts consistently applied to assist the City in its compliance with the Local Records Act concerning records arising under or in connection with this Agreement and the transactions contemplated in the Agreement.

19. CNI agrees to indemnify, pay and hold the City, and its elected and appointed officials, employees, agents and affiliates (individually an "Indemnitee," and collectively the "Indemnites") harmless from and against, any and all liabilities, obligations, losses, damages (arising out of a third party action against the City), penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever, (and including, without limitation, the reasonable fees, court costs, and disbursements of counsel for such Indemnites in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not such Indemnites shall be designated a party thereto), that may be imposed on, suffered, incurred by or asserted against the Indemnites by a third party in any manner relating to or arising out of:

- (i) [intentionally omitted]; or
- (ii) CNI's failure to comply with any of the terms, covenants and conditions contained within this Agreement; or
- (iii) CNI's or any contractor's failure to pay, upon receipt of funds due and owing from the City, subcontractors or materialmen in connection with the Public Improvements; or
- (iv) the existence of any material misrepresentation or omission in this Agreement or any other document related to this Agreement that is the result of information supplied or omitted by CNI or its agents, employees, contractors or persons acting under the control or at the request of CNI or any affiliate of CNI; or
- (v) CNI's failure to cure any misrepresentation in this Agreement or any other document or agreement relating hereto; or
- (vi) any act or omission by CNI or any affiliate of CNI;

provided, however, that CNI shall have no obligation to an Indemnatee arising from the wanton or willful misconduct of that Indemnatee. To the extent that the preceding sentence may be unenforceable because it is violative of any law or public policy, CNI will contribute the maximum portion that it is permitted to pay and satisfy under applicable law, to the payment and satisfaction of all indemnified liabilities incurred by the Indemnitees or any of them. The provisions of the undertakings and indemnification set out in this Section 19 will survive the termination of this Agreement.

20. CNI will keep and maintain separate, complete, accurate and detailed books and records necessary to reflect and fully disclose the total actual costs of the Work and to monitor construction of the Public Improvements. All such books, records and other documents, including but not limited to contractors' sworn statements, subcontracts, purchase orders, waivers of lien, paid receipts and invoices, will be available at CNI's offices for inspection, copying, audit and examination by an authorized representative of the City, at CNI's expense. CNI will not pay for salaries or fringe benefits of auditors or examiners. CNI must incorporate this right to inspect, copy, audit and examine all books and records into all contracts entered into by CNI with respect to the Public Improvements. The City shall provide three (3) Business Days' prior written notice to CNI in accordance with Section 12. The notice shall indicate the date and time of the inspection. All inspections shall be conducted between the hours of 9:00 a.m. and 5:00 p.m., Monday through Friday.

21. From time to time, the parties hereto may administratively amend this Agreement with respect to any provisions reasonably related to CNI's access to the Subject Property or the Work. Provided, however, that such amendment(s) shall not serve to materially alter the essential provisions contained herein. Such amendment(s) shall be in writing, shall establish the factual background necessitating such alteration, shall set forth the terms and conditions of such modification, and shall be duly executed by both Parties. Such amendment(s) shall only take effect upon execution by both parties. Upon execution, such amendment(s) shall become a part of this Agreement and all other provisions of this Agreement shall otherwise remain in full force and effect.

22. Business Relationships. CNI acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (B) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (C) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. CNI hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

23. Patriot Act Certification. CNI represents and warrants that neither CNI nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists

maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment, the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to CNI that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with CNI, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

24. Waste Ordinance Provisions. In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, CNI warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Agreement is executory, CNI's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the Agreement, at law or in equity. This section does not limit CNI's, general contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect CNI's eligibility for future contract awards.

25. Failure to Maintain Eligibility to do Business with City. Failure by CNI or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this Agreement and the transactions contemplated thereby. CNI shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

26. Cooperation with Inspector General and Legislative Inspector General. In accordance with Chapter 2-26-110 et seq. of the Municipal Code, CNI acknowledges that every officer, employee, department and agency of the City shall be obligated to cooperate with the Office of the Inspector General and the Office of the Legislative Inspector General in connection with any activities undertaken by such office with respect to this Agreement, including, without limitation, making available to the Office of the Inspector General and the Office of the Legislative Inspector General the department's premises, equipment, personnel, books, records and papers. CNI agrees to abide by the provisions of Chapter 2-26-110 et seq.

27. Shakman Prohibitions.

(i) The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and the August 16, 2007 "City of Chicago Hiring Plan" (the

"City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) CNI is aware that City policy prohibits City employees from directing any individual to apply for a position with CNI, either as an employee or as a subcontractor, and from directing CNI to hire an individual as an employee or as a subcontractor. Accordingly, CNI must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by CNI under this Agreement are employees or subcontractors of CNI, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by CNI.

(iii) CNI will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to CNI by a City employee or City official in violation of this Section, or advocating a violation of this Section, CNI will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant City Department utilizing services provided under this Agreement. CNI will also cooperate with any inquiries by IGO Hiring Oversight or the *Shakman* Monitor's Office related to the contract.

ESCROW AGREEMENT

Escrow Account No. _____

ESCROW AGREEMENT

This ESCROW AGREEMENT (the "Escrow Agreement"), dated as of _____, 2014, is made and executed by the City of Chicago, Illinois, an Illinois municipal corporation (the "City"), Chicago Neighborhood Initiatives, Inc., an Illinois not-for-profit corporation (the "CNI"), and _____ (the "Escrow Agent") all as more particularly described on Exhibit A hereto.

Preliminary Statement

The City and CNI have entered into that certain Site Preparation and Maintenance Agreement (herein as amended, supplemented and restated from time to time, the "Agreement") with CNI, dated as of the date hereof. The Title Company (as identified on Exhibit A hereto) has issued (or has issued its commitment to issue) an ALTA Owner's Title Insurance Commitment or Policy with respect to the City-owned property which is the subject of the Agreement (the "Subject Property"), referred to herein as the "Commitment."

Pursuant to Section 4(R-1) of the Agreement, the City and CNI desire to utilize the staff and expertise of the Escrow Agent to collect, review and approve lien waivers, and disburse the Escrowed Funds (as hereinafter defined), subject to the terms and conditions of this Escrow Agreement.

NOW, THEREFORE, in consideration of the Subject Property and the mutual Agreement herein contained, the parties hereto agree as follows:

I. Creation of and Deposits to Escrow Account.

A. Escrow Account. There is hereby created with the Escrow Agent an escrow account (the "Escrow Account"), into which all funds shall be deposited hereunder (the "Escrowed Funds"). The Escrow Agent will provide, upon written request, any information regarding the disbursement of funds from the Escrow Account.

B. [reserved]

C. City Deposits. Over the term of this Escrow Agreement, the City will deposit into the Escrow Account the Escrowed Funds, all at intervals and installments to be determined pursuant to the Agreement. At the time of each request for a disbursement to be funded hereunder, the City shall make a deposit with the Escrow Agent, in immediately available funds, in the amount approved by the City pursuant to such request for disbursement as provided in Section IV hereof, provided, however, that (i) no event shall have occurred which is or, with the passage of time or the giving of notice or both, would become an event of default under the Agreement, and (ii) each condition set forth in Section IV, as applicable, shall have been satisfied. If the City shall, pursuant to a disbursement request, deposit with the Escrow Agent

funds in an amount greater than the amount requested from the City, the Escrow Agent shall promptly transfer the amount of such excess back to the City.

II. [reserved]

III. Manner of Disbursement. Disbursements from the Escrow Account are to be made as follows, pursuant to each draw request approved pursuant to Section IV hereof:

A. By checks to each subcontractor evidencing payment due for labor and/or materials furnished for the Work (as defined in the Agreement);

B. To the undersigned general contractor (the "General Contractor") for general requirements, builder's overhead (and for builder's profit, when applicable) and for labor and/or materials furnished directly by the General Contractor for the Work, approved by the City pursuant to such disbursement request;

C. To the General Contractor for labor and/or materials furnished by subcontractors when such items have been paid directly by the General Contractor, and when substantiated by a payment affidavit and lien waiver from the subcontractor; and/or

D. To CNI and/or other parties as approved by CNI and the City for non-construction items.

For purposes of this Escrow Agreement, the term "subcontractor" shall include all mechanics and materialmen furnishing services, labor, materials and supplies in connection with the Work.

IV. Conditions Precedent to Disbursements. NOTWITHSTANDING ANYTHING IN THIS ESCROW AGREEMENT TO THE CONTRARY, THE ESCROW AGENT SHALL NOT MAKE ANY DISBURSEMENTS HEREUNDER IF THE CITY HAS NOTIFIED THE ESCROW AGENT IN WRITING OR BY TELECOPY NOT TO DO SO. IF THE ESCROW AGENT SHALL HAVE RECEIVED SUCH A NOTICE FROM THE CITY, THE ESCROW AGENT SHALL NOT MAKE ANY DISBURSEMENTS HEREUNDER (a) EXCEPT AS PROVIDED IN SECTION V(F) HEREOF OR (b) UNLESS AND UNTIL THE CITY SHALL HAVE NOTIFIED THE ESCROW AGENT IN WRITING TO DO SO.

The additional terms and conditions under which disbursements are to be made under this Escrow Agreement are as follows:

A. All Disbursements. The requirements for all disbursements, including the first and final disbursement, are as follows:

1. Prior to each disbursement of funds hereunder, the following shall be furnished to the Escrow Agent:

a. [reserved];

b. A sworn general contractor's statement setting forth in detail all contractors and material suppliers with whom CNI has contracted for the Work, their respective addresses, work or materials to be

furnished, amounts of contracts, amounts paid to date, amounts of current payments and balances due (the "CNI's Statement"), together with the partial waiver of CNI in the amount of the draw, and waivers of liens, affidavits, supporting waivers and/or release of liens, if necessary, from subcontractors and material suppliers listed thereon;

- c. An approval of the current condition of title shown in the Commitment, from the City. When, after the first disbursement, a further title search reveals a subsequently arising exception over which the Title Company is unwilling to insure, the Escrow Agent will notify the City and discontinue disbursement until the exception has been disposed of to the satisfaction of the City. (A mechanic's lien claim over which the Title Company is required to insure hereunder does not warrant a discontinuance of disbursement);
- d. Other statements, waivers, affidavits, supporting waivers and releases of lien from such persons and in such form as may be required by the Escrow Agent for the purpose of releasing and waiving any and all rights to file mechanic's lien claims against the Subject Property (as defined in the Agreement) for those amounts and the work or materials which they represent (alternatively, CNI may enter into such indemnification arrangement with the Escrow Agent as required by the Escrow Agent to underwrite the requested coverage and issue the said required Commitment);
- e. Escrowed Funds sufficient to cover the amount of the disbursement; and
- f. A written approval by CNI and the City (signed by DPD and 2FM) of the requested disbursement and a request that the disbursement be made. For disbursements other than the first disbursement, such approval shall reference any extras or change orders not previously covered by waivers or deposited funds, and the amount of such extra or change order.

2. The Title Company shall be in a position to issue a mechanics' lien and pending disbursement endorsement to the City's Commitment, if any, in form and substance satisfactory to the City (the "Endorsement"). The amount shown in such Endorsement shall be the amount of the total disbursement(s) made by the City to date, and the effective date thereof shall be the date the City's funds are deposited into the Escrow Account.

B. First Disbursement. Prior to the first disbursement of funds hereunder, and in addition to the requirements set forth above for all disbursements, the following shall be furnished:

- 1. Where applicable, the Title Company shall have furnished to the City the Commitment showing the City as the insured under the Commitment.

C. Final Disbursement. Prior to the final disbursement of funds hereunder, and in addition to the requirements set forth above for all disbursements, the following shall be furnished:

1. A certificate addressed to the City and the Escrow Agent, from the Consultant Engineer (as defined in the Agreement), certifying that all rehabilitation or construction work has been completed and materials are in place to the extent shown in the request for payment by the General Contractor.

2. Upon completion of the Work, CNI shall promptly submit notice thereof to the Escrow Agent and the City and shall cause the Title Company to issue a final Endorsement to the City's Commitment.

V. Escrow Agent. It is understood by the parties hereto and by the General Contractor, who executed this Escrow Agreement to evidence its understanding and not as a party hereto, that the following provisions govern the duties of the Escrow Agent hereunder:

A. The Escrow Agent may, at its discretion, take whatever steps the Escrow Agent may deem necessary to verify the accuracy of any sworn statement required hereunder;

B. If at any time the Escrow Agent shall discover a misstatement of a material fact in any request or other notice from CNI, it shall promptly give notice of such discovery to the City and shall thereafter not disburse funds from the Escrow Account until such misstatements shall have been corrected to the satisfaction of the City, except as directed pursuant to the direction of the City;

C. The Escrow Agent will not accept any blanket lien waivers by the General Contractor as to labor performed and/or materials furnished by others. The Escrow Agent will not accept any blanket waiver pre-signed by any subcontractor;

D. While the subcontractors and any suppliers of labor and materials listed on sworn statements are not parties to this Escrow Agreement and have no standing hereunder, the Escrow Agent is authorized to furnish to those persons information which the Escrow Agent may deem appropriate with regard to the times at which disbursements might be made to them, and what conditions remain unsatisfied when the Escrow Agent is not in a position to disburse;

E. Any requirement or undertaking herein notwithstanding, there is no obligation assumed by the Escrow Agent for insuring that sufficient funds will be available to pay all costs incurred in completing the Work, or that the Work will be completed. Except with respect to funds for which the Escrow Agent shall have received investment instructions in writing, the Escrow Agent shall be under no duty to invest or reinvest any cash at any time held by it hereunder. Subject to paragraph G of this Section V, all income, if any, derived from any use which the Escrow Agent may make of any deposits hereunder shall belong to the respective depositors;

F. Subject to paragraph G of this Section V, upon receipt of written notice to the Escrow Agent from the City, the Escrow Agent shall transfer to the City all amounts previously disbursed by the City into the Escrow Account that remain in the Escrow Account;

G. Notwithstanding paragraphs E and F of this Section V, after payment by the Escrow Agent of the final disbursement hereunder, the Escrow Agent shall disburse any funds then remaining in the Escrow Account to the City;

H. The Escrow Agent's charges for the services performed and title insurance protection furnished hereunder are the responsibility of CNI and are to be paid from funds deposited herein, and the Escrow Agent reserves the right to suspend further processing of funds in the Escrow Account until this is done or other arrangements satisfactory to the Escrow Agent have been made; and

I. It is understood by the parties hereto that the requirements listed in this Section V are solely for the Escrow Agent's benefit to assist the Escrow Agent in fulfilling its obligations hereunder.

VI. Special Provisions. Special provisions, if any, applicable to this Escrow Agreement are set forth on Exhibit E hereto.
