WPBC shall not assign this Agreement in whole or in part, or sublet the Premises or any part thereof, without the prior written consent of the Commissioner of the Department of Planning and Development. Such consent shall not be unreasonably withheld, conditioned, or delayed.

If WPBC fails to pay and remove any lien or contest such lien in accordance herewith, City, at its election, may pay and satisfy same, and all sums so paid by City shall become immediately due and payable by WPBC, with interest from the date of payment at the rate set at 12% per annum provided that such rate shall not be deemed usurious by any federal, state, or local law.

SECTION 6. AGENTS, INSURANCE, AND INDEMNIFICATION

6.1 WPBC's Agents. This Agreement extends to, and WPBC shall be responsible for, WPBC's agents, employees, contractors, subcontractors, consultants, invitees, guests, vendors, patrons and any other parties who enter the Premises at WPBC's direction or with WPBC's consent (collectively the "**Agents**"). WPBC shall be responsible for ensuring that all Agents comply with WPBC's obligations under this Agreement, and non-compliance by any Agent shall be deemed to be non-compliance by WPBC. This Agreement is subject to all easements, encroachments, covenants, restrictions of record and not shown of record, and any other title encumbrances or defects affecting the Premises. WPBC acknowledges that City has not performed any title or survey work in connection with the negotiation and execution of this Agreement and WPBC agrees that it is WPBC's sole responsibility and obligation to confirm that the Use occurs solely within the portions of the Premises permitted by this Agreement.

6.2 Insurance. WPBC shall procure and maintain, and cause WPBC's Agents to procure and maintain, at WPBC's sole expense (or the expense of its Agents as applicable), during the Term, the types and amounts of insurance set forth below with insurance companies authorized to do business in the State of Illinois, covering all work under this Agreement, whether performed by or on behalf of WPBC. The WPBC and its agents agree hereby to waive any subrogation.

(a) Worker's Compensation and Employer's Liability Insurance. WPBC and its contractors and subcontractors shall procure and maintain Worker's Compensation Insurance, as prescribed by applicable law, covering all employees who are to provide a service under this Agreement, and Employer's Liability Insurance with limits of not less than $100,000 for each accident or illness.

(b) Commercial General Liability Insurance (Primary and Umbrella). WPBC and its contractors and subcontractors shall procure and maintain Commercial General Liability Insurance, or equivalent, with limits of not less than $2,000,000 per occurrence for bodily injury, personal injury, and property damage liability; provided, however, subcontractors performing work in connection with this Agreement may maintain limits of $1,000,000 if the subcontract amount is less than $100,000. Coverage shall include, at a minimum, all premises and operations, products/completed operations, independent contractors, separation of insureds, defense, and contractual liability (with no limitation endorsement). The City of Chicago shall be named as an additional insured on a primary, non-contributory basis for any liability arising directly or indirectly from the WPBC's access to the Premises or WPBC's Agent's access to the Premises.

(c) Automobile Liability Insurance (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with the Activity, WPBC and its contractors and subcontractors shall procure and maintain Automobile Liability Insurance with limits of not less than $2,000,000 per occurrence for bodily injury and property damage; provided, however, subcontractors performing work in connection with this Agreement may maintain limits of $1,000,000 if the subcontract amount is less than $100,000. The City of Chicago shall be named as an additional insured with respect to such coverage on a primary, non-contributory basis.

(d) Professional Liability Insurance. When any architects, engineers, construction managers or other professional consultants perform work in connection with this Agreement, such parties shall procure and maintain Professional Liability Insurance covering acts, errors, or omissions with limits of not less than $1,000,000, with coverage including contractual liability. When a policy is renewed or replaced, the policy retroactive date must coincide with, or precede, the start of work under this Agreement. A claims-made policy that is not renewed or replaced must have an extended reporting period of two (2) years. The City of Chicago shall be named as an additional insured with respect to such coverage on a primary, non-contributory basis.

(e) All Risk Property. WPBC and its contractors and subcontractors shall be responsible for all loss or damage to personal property (including, without limitation, vehicles, materials, equipment, tools and supplies), owned, rented or used by WPBC or its contractors and subcontractors. WPBC shall be responsible for all loss or damage to City-owned property, improvements or facilities at replacement cost.

WPBC will furnish to the City of Chicago, Department of Fleet and Facility Management, Office of Real Estate Management, 30 North LaSalle Street, Suite 300, Chicago, Illinois 60602, and the Department of Planning and Development, 121 North LaSalle Street, Room 1000, Chicago, Illinois 60602, original Certificates of Insurance evidencing the required coverage to be in force on the date of this Agreement, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the Term of this Agreement. WPBC shall submit evidence on insurance prior to Agreement award. The receipt of any certificate does not constitute agreement by City that the insurance requirements in this Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all requirements set forth herein. The failure of City to obtain certificates or other evidence of insurance from WPBC (or its contractors or subcontractors as applicable) shall not be deemed to be a waiver by City of the insurance requirements set forth herein. WPBC shall advise all insurers of the insurance requirements set forth herein and the nature of its use of the Premises. Non-conforming insurance shall not relieve WPBC of the obligation to provide insurance as specified herein. City may terminate this Agreement for non-fulfillment of the insurance conditions, and retains the right to order WPBC to cease all activities on the Premises until proper evidence of insurance is provided.

WPBC (or its contractors or subcontractors as applicable) shall be responsible for any and all deductibles or self-insured retentions. WPBC agrees that insurers shall waive their rights of subrogation against City. WPBC expressly understands and agrees that any coverages and

limits furnished by it (or its contractors or subcontractors as applicable) shall in no way limit WPBC's liabilities and responsibilities specified in this Agreement or by law. WPBC expressly understands and agrees that its insurance (or that of its contractors or subcontractors as applicable) is primary and any insurance or self-insurance programs maintained by City shall not contribute with insurance provided by WPBC (or its contractors or subcontractors as applicable) under this Agreement. The required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

WPBC shall require all contractors and subcontractors to maintain the above-described coverage, or WPBC may provide such coverage for its contractors and subcontractors. If WPBC or any contractor or subcontractor wants additional coverage, such party shall be responsible for the acquisition and cost of such additional protection. City shall have no responsibility to provide insurance or security for the Premises, or any vehicles, materials, equipment, tools, supplies or other personal property (collectively, "**Personal Property**") to be used by WPBC or any of its contractors, subcontractors or other Agents in connection with the Use.

The insurance shall provide for thirty (30) days prior written notice to be given to City in the event coverage is substantially changed, canceled, or non-renewed.

The City of Chicago, Department of Finance, Office of Risk Management, maintains the rights to modify, delete, alter or change these requirements at any time during the Term.

6.3 WPBC's Indemnification. WPBC shall indemnify, defend (through an attorney reasonably acceptable to City) and hold the City, its officers, officials, employees, agents and representatives (collectively, the "**City Parties**"), harmless from and against any and all actions, claims, suits, complaints, demands, legal or administrative proceedings, losses, damages, debts, liens, obligations, liabilities, judgments, amounts paid in settlement, arbitration or mediation awards, interest, fines, penalties, costs and expenses (including, without limitation, attorneys' fees, consultants' fees and court costs) (collectively, "**Claims**"), of whatsoever kind and nature, including without limitation, any and all environmental Claims, made or asserted by any third parties for injury, including personal injury or death of any person or persons, and for loss or damage to any property, occurring in connection with, or in any way arising out of or incident to (a) any and all acts, alleged acts or omissions of WPBC, its Agents or any other person entering the Premises during the Term and (b) any entry upon or use of the Premises or performance of the Use by or on behalf of WPBC, its Agents or any other person entering the Premises during the Term and (c) the failure of WPBC or its Agents to pay contractors, subcontractors or material suppliers in connection with this Agreement. The indemnification provided herein will be effective to the maximum extent permitted by Law and is not limited by any amount of insurance required under this Agreement.

WPBC shall be solely responsible for the defense of any and all Claims against the City Parties, including without limitation, claims by any Agents of WPBC, even though the claimants may allege negligence or intentional and willful misconduct on the part of the City Parties. City shall have the right, at its sole option, to participate in the defense of any such Claims, without relieving WPBC of its obligations hereunder.

WPBC shall promptly provide, or cause to be provided, to the City of Chicago, Department of Law, at 121 North LaSalle Street, Room 600, Chicago, Illinois 60602, copies of such notices as WPBC may receive of any Claims for which the City Parties are entitled to indemnification hereunder and to give the City Parties authority, information, and assistance for the defense of any such Claims.

This Section 6.3 shall survive the expiration or termination of this Agreement (regardless of the reason for such termination).

No official or employee of the City of Chicago, nor any member of any board, commission or agency of the City of Chicago, shall have any financial interest (as defined in Chapter 2-156 of the Municipal Code), either direct or indirect, in the Premises; nor shall any such official, employee, or member participate in making or in any way attempt to use his/her position to influence any governmental decision or action with respect to this Agreement by the City.

10.1 Satisfaction with Condition. WPBC agrees that WPBC has inspected the Premises and all related areas and grounds and that WPBC is satisfied with the physical condition thereof. WPBC accepts the risk that any inspection may not disclose all material matters affecting the Premises. WPBC agrees to accept the Premises in its "as is," "where is" and "with all faults" condition on the Commencement Date without any covenant, representation or warranty, express or implied, of any kind, as to any matters concerning the Premises, including, without limitation: (a) the structural, physical or environmental condition of the Premises; (b) the suitability of the Premises for any purpose whatsoever; (c) the state of repair of the Premises or the condition of soil, geology, groundwater, or any other physical characteristic of the Premises; (d) compliance of the Premises with any applicable laws, including, without limitation, environmental Laws; or (e) the presence or removal of hazardous substances or environmental conditions in, on, under or about the Premises.

WPBC acknowledges that City shall not have any custodial obligations with respect to the Premises.

10.4 Snow Removal. WPBC shall provide for prompt removal of snow and ice from the sidewalks which abut the Premises and shall assume responsibility for failure to do so. WPBC acknowledges that City shall not have any snow or ice removal responsibilities relative to the sidewalks which abut the Premises.

10.5 Repairs for WPBC Negligence, Vandalism, or Misuse. WPBC shall assume all responsibility for any repairs to any portion of the Premises necessitated by the negligence, vandalism, misuse, or other acts on any portion of the Premises by WPBC or WPBC's Agents.

10.6 Security. WPBC shall properly secure the Premises. WPBC's security obligations do not cease until this Agreement is terminated, WPBC completely vacates the Premises, and WPBC receives written notification from City that City has assumed security

responsibilities. WPBC acknowledges that City shall not have any security obligations relative to the Premises and the Use of the Premises.

10.7 No Alcoholic Beverages or Drugs. WPBC agrees that no alcoholic beverages or illegal drugs of any kind or nature shall be sold, given away, or consumed on the Premises.

10.8 Illegal Activity. Neither WPBC nor WPBC's Agents shall perform or permit any practice that is injurious to the Premises or unreasonably disturbs neighbors, is illegal, or increases the rate of insurance on the Premises.

10.9 Hazardous Substances. WPBC shall not use or store any Hazardous Substances (defined below) on the Premises. WPBC shall promptly notify the City if WPBC discovers any Hazardous Substances on the Premises. As used in this Agreement, the term "**Hazardous Substances**" shall mean any toxic substance, hazardous material, hazardous chemical or hazardous, toxic or dangerous waste defined or qualifying as such in (or for the purposes of) any Environmental Laws (as defined hereunder), or any pollutant, toxic vapor, or contaminant, and shall include, but not be limited to, polychlorinated biphenyls (PCBs), crude oil, any fraction thereof, or refined petroleum products such as oil, gasoline, or other petroleum-based fuels, lead paint, asbestos or asbestos-containing materials, urea formaldehyde, any radioactive material or by-product material, radon and mold. 10.10 Permits. For any activity which WPBC desires to conduct on the Premises in which a license or permit is required, said license or permit must be obtained by WPBC prior to using the Premises for such activity. The Department of Planning and Development and the Department of Fleet and Facility Management must be notified of any such license or permit. Failure to obtain a required license or permit shall constitute a material breach of the terms of this Agreement. WPBC understands that this Agreement shall in no way act as a substitute for any other permitting or approvals that may be required to undertake any activities on the Premises.

10.11 Full Liability. WPBC assumes full legal and financial responsibility and liability for any and all use of the Premises by WPBC, WPBC's Agents, third parties, and any other person, persons, or entities entering the Premises during the term and during any Holding Over.

10.12 Condition at Termination. Upon the termination of this Agreement, WPBC shall surrender the Premises to the City in the same or better condition to the condition of the Premises at the beginning of WPBC's occupancy of the Premises. WPBC shall remove all equipment and/or materials placed on the Premises by WPBC or anyone acting by or under WPBC. Said removal shall be without cost to City. At termination of the Agreement City may declare that any fencing that WPBC or WPBC's Agents may have installed shall become the property of City without further credit, payment, or reimbursement by City to WPBC.

In the event that City, in City's sole and exclusive opinion, determines that WPBC's access to the Premises creates a nuisance for the area City may, in addition to City's rights under Section 9.10 and 9.12 hereinabove, immediately suspend WPBC's access to the Premises until such time as WPBC has eliminated such nuisance to City's satisfaction.

10.14 No Other Rights. This Agreement does not give WPBC any other right with respect to the Premises. Any rights not specifically granted to WPBC by and through this Agreement are reserved exclusively to City. Execution of this Agreement does not obligate City in any manner and City shall not be responsible for undertaking any additional duties or services.

10.15 Future Site Development. WPBC understands that City's Department of Planning and Development and/or its successor department may actively market the Premises to other parties for disposition. City is under no obligation to market the site to WPBC. In the event of such sale, WPBC's sole remedy is to vacate the Premises. City is under no obligation to provide WPBC with alternative locations.

10.16 Non-Discrimination. WPBC agrees that WPBC shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, immigration status, sexual orientation, marital status, parental status, military discharge status, or source of income in the use or occupancy of the Premises or any part thereof. SECTION 12. WPBC DISCLOSURES AND REPRESENTATIONS

12.1 Business Relationships. WPBC acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (B) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (C) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any

transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. WPBC hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

12.2 Patriot Act Certification. WPBC represents and warrants that neither WPBC nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment, the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to WPBC that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with WPBC, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

12.3 Prohibition on Certain Contributions-Mayoral Executive Order No. 2011-4. WPBC agrees that WPBC, any person or entity who directly or indirectly has an ownership or beneficial interest in WPBC of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, WPBC's contractors (i.e., any person or entity in direct contractual privity with WPBC regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (WPBC and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (i) after execution of this Agreement by WPBC, (ii) while this Agreement or any Other Contract is executory, (iii) during the Term of this Agreement or any Other Contract between WPBC and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

WPBC represents and warrants that from the date the City approached the WPBC or the date WPBC approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

WPBC agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

WPBC agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Notwithstanding anything to the contrary contained herein, WPBC agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If WPBC intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the execution of this Agreement, the City may elect to decline to lease the Premises to WPBC or to terminate the Agreement after execution.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source which are then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which WPBC is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

(A) they are each other's sole domestic partner, responsible for each other's common welfare; and
(B) neither party is married; and
(C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
(D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
(E) two of the following four conditions exist for the partners:
    1. The partners have been residing together for at least 12 months.

2. The partners have common or joint ownership of a residence.
3. The partners have at least two of the following arrangements:
   a. joint ownership of a motor vehicle;
   b. a joint credit account;
   c. a joint checking account;
   d. a lease for a residence identifying both domestic partners as tenants.
4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

12.4 Waste Ordinance Provisions. In accordance with Section 11-4-1600 (e) of the Municipal Code of Chicago, WPBC warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Agreement is executory, WPBC's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Commissioner of the Department of Planning and Development. Such breach and default entitles the City to all remedies under the Agreement, at law or in equity. This section does not limit WPBC's, general contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect the WPBC's eligibility for future contract awards.

12.5 Failure to Maintain Eligibility to do Business with City. Failure by WPBC or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this Agreement and the transactions contemplated thereby. WPBC shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

12.6 Cooperation with Inspector General and Legislative Inspector General. In accordance with Chapter 2-26-110 et seq. of the Municipal Code, the WPBC acknowledges that every officer, employee, department and agency of the City shall be obligated to cooperate with the Office of the Inspector General and the Office of the Legislative Inspector General in connection with any activities undertaken by such office with respect to this Agreement, including, without limitation, making available to the Office of the Inspector General and the Office of the Legislative Inspector General the Premises, equipment, personnel, books, records and papers. The WPBC agrees to abide by the provisions of Chapter 2-26-110 et seq.

12.7 2011 City Hiring Plan Prohibitions.

(i) The City is subject to the June 24, 2011 "City of Chicago Hiring Plan" (the "2011 City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2011 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) WPBC is aware that City policy prohibits City employees from directing any individual to apply for a position with WPBC, either as an employee or as a subcontractor, and from directing WPBC to hire an individual as an employee or as a subcontractor. Accordingly, WPBC must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by WPBC under this Agreement are employees or subcontractors of WPBC, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by WPBC.

(iii) WPBC will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to WPBC by a City employee or City official in violation of Section 12.7(ii) above, or advocating a violation of Section 12.7(iii) above, WPBC will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant City Department utilizing services provided under this Agreement. WPBC will also cooperate with any inquiries by IGO Hiring Oversight related to the Agreement.

Any notice, demand or request which shall be served upon Tenant by Landlord, or upon Landlord by Tenant, in the manner aforesaid, shall be deemed to be sufficiently served or given for all purposes hereunder at the time such notice, demand or request shall be mailed.

9.2 Partial Invalidity. If any covenant, condition, provision, term or agreement of this Lease shall, to any extent, be held invalid or unenforceable, the remaining covenants, conditions, provisions, terms and agreements of this Lease shall not be affected thereby, but each covenant, condition, provision, term or agreement of this Lease shall be valid and in force to the fullest extent permitted by law.

9.3 Governing Law. This Lease shall be construed and be enforceable in accordance with the laws of the State of Illinois.

9.4 Entire Agreement. All preliminary and contemporaneous negotiations are merged into and incorporated in this Lease. This Lease contains the entire agreement between the Parties and shall not be modified or amended in any manner except by an instrument in writing executed by the Parties hereto.

9.5 Captions and Section Numbers. The captions and section numbers appearing in this Lease are inserted only as a matter of convenience and in no way define, limit, construe or describe the scope or intent of such sections of this Lease nor in any way affect this Lease.

9.6 Binding Effect of Lease. The covenants, agreements, and obligations contained in this Lease shall extend to, bind, and inure to the benefit of the Parties hereto and their legal representatives, heirs, successors, and assigns.

9.7 Time is of the Essence. Time is of the essence of this Lease and of each and every provision hereof.

9.8 No Principal/Agent or Partnership Relationship. Nothing contained in this Lease shall be deemed or construed by the Parties hereto nor by any third party as creating the relationship of principal and agent or of partnership or of joint venture between the Parties hereto.

9.9 Authorization to Execute Lease. The Parties executing this Lease hereby represent and warrant that they are duly authorized and acting representatives of Landlord and Tenant respectively and that by their execution of this Lease, it became the binding obligation of

Landlord and Tenant respectively, subject to no contingencies or conditions except as specifically provided herein.

9.10 Termination of Lease. Landlord and Tenant shall have the right to terminate this Lease without penalty and for any, or no, reason by providing each other with sixty (60) days prior written notice at any time after the Commencement Date.

9.11 Force Majeure. When a period of time is provided in this Lease for either party to do or perform any act or thing, the party shall not be liable or responsible for any delays due to strikes, lockouts, casualties, acts of God, wars, acts of terrorism, governmental regulation or control, and other causes beyond the reasonable control of the party, and in any such event the time period shall be extended for the amount of time the party is so delayed.

9.12 Tenant Default. Tenant must adhere to all provisions of this Lease. Failure of Tenant to adhere to all provisions of this Lease will result in default. In the event of such default, Landlord will notify Tenant in writing as to the circumstances giving rise to such default. Upon written receipt of such notice, Tenant must cure such default within thirty (30) days. If Tenant does not cure such default within thirty (30) days, Landlord may cancel this Lease with thirty (30) days written notice.

9.13 Amendments. From time to time, the Parties hereto may administratively amend this Lease with respect to any provisions reasonably related to Tenant's use of the Premises and/or Landlord's administration of said Lease including leasehold revisions. Provided, however, that such Amendment(s) shall not serve to extend the Term hereof nor serve to otherwise materially alter the essential provisions contained herein. Such Amendment(s) shall be in writing, shall establish the factual background necessitating such alteration, shall set forth the terms and conditions of such modification, and shall be duly executed by both Landlord and Tenant. Such Amendment(s) shall only take effect upon execution by both Parties. Upon execution, such Amendment(s) shall become a part of this Lease and all other provisions of this Lease shall otherwise remain in full force and effect.

9.14 No Construction against Preparer. This Lease shall not be interpreted in favor of either Landlord or Tenant. Landlord and Tenant acknowledge that both parties participated fully in the mutual drafting of this Lease.

SECTION 10. ADDITIONAL RESPONSIBILITIES OF TENANT

10.1 Satisfaction with Condition. Tenant agrees that Tenant has inspected the Premises and all related areas and grounds and that Tenant is satisfied with the physical condition thereof. Tenant accepts the risk that any inspection may not disclose all material matters affecting the Premises. Tenant agrees to accept the Premises in its "as is," "where is" and "with all faults" condition on the Commencement Date without any covenant, representation or warranty, express or implied, of any kind, as to any matters concerning the Premises, including, without limitation: (a) the structural, physical or environmental condition of the Premises; (b) the suitability of the Premises for any purpose whatsoever; (c) the state of repair of the Premises or the condition of soil, geology, groundwater, or any other physical characteristic

of the Premises; (d) compliance of the Premises with any applicable laws, including, without limitation, Environmental Laws (as defined hereunder); or (e) the presence or removal of Hazardous Substances (as defined hereunder) or environmental conditions in, on, under or about the Premises.

10.2 Maintenance. Tenant shall provide at Tenant's expense, any and all service for maintenance of the Premises during Tenant's occupancy. Tenant acknowledges that Landlord will not have any maintenance obligations with respect to the Premises.

10.3 Custodial Service. Tenant shall provide and pay for custodial services which shall be construed as keeping the Premises clean and free of debris. Tenant shall keep the Premises clean, presentable, free of litter and in good repair. Tenant acknowledges that Landlord will not have any custodial responsibilities.

10.4 Snow Removal. Tenant shall provide and pay for prompt removal of snow and ice from sidewalks which immediately abut the Premises and shall assume responsibility for failure to do so. Tenant acknowledges that Landlord will not have any snow or ice removal responsibilities.

10.5 Repairs for Tenant Negligence, Vandalism, or Misuse. Tenant shall assume all responsibility for any repairs to the Premises necessitated by the negligence, vandalism, misuse, or other acts on any portion of the Premises by Tenant's employees, clients, invitees, agents, or contractors.

10.6 Security. Tenant acknowledges that Landlord will not have any security obligations relative to Tenant's use of the Premises. Tenant shall properly secure the Premises. Tenant's security obligations do not cease until this Lease is terminated, Tenant completely vacates the Premises, and Tenant receives written notification from Landlord that Landlord has assumed security responsibilities.

10.7 Scavenger Service. Tenant shall provide and pay for its own scavenger service if necessary.

10.8 No Alcoholic Beverages or Drugs. Tenant agrees that no alcoholic beverages or illegal drugs of any kind or nature shall be sold, given away, or consumed on the Premises.

10.10 Permits. For any activity which Tenant desires to conduct on the Premises in which a license or permit is required, said license or permit must be obtained by Tenant prior to using the Premises for such activity. The City of Chicago, Department of Planning and Development and the Department of Fleet and Facility Management, must be notified of any such license or permit. Failure to obtain a required license or permit shall constitute a material breach of the terms of this Lease.

10.11 Full Liability. Tenant assumes full legal and financial responsibility and liability for any and all use of the Premises by Tenant, Tenant's staff, Tenant's agents, Tenant's invitees, and any other person, persons, or entities entering the Premises.

10.12 Condition at Termination. Upon the termination of this Lease, Tenant shall surrender the Premises to the Landlord in the same or better condition to the condition of the Premises at the Commencement Date. At Landlord's option, Tenant shall remove all equipment and/or materials placed on the Premises by Tenant or anyone acting by or under Tenant. Said removal shall be without cost to Landlord. Provided, however, that at Lease termination Landlord may declare that any fencing which Tenant may have installed shall become the property of Landlord without further credit, payment, or reimbursement by Landlord to Tenant.

10.13 Pest Control. Tenant shall provide and pay for pest control services whenever necessary.

10.14 No Fee. Tenant shall not charge a fee to anyone for use of the Premises.

10.15 No Other Rights. This Lease does not give Tenant any other right with respect to the Premises. Any rights not specifically granted to Tenant by and through this document are reserved exclusively to Landlord. Execution of this Lease does not obligate Landlord in any manner and Landlord shall not undertake any additional duties or services.

10.16 Future Site Development. Tenant understands that Landlord may actively market the Premises to other parties. Landlord is under no obligation to market the site to Tenant. In the event that the Premises, or any parts thereof, are sold or otherwise conveyed or leased by Landlord, this Lease shall terminate with appropriate notice pursuant to Section 9.10. In such event, Tenant's sole remedy is to vacate the Premises. Landlord is under no obligation to provide Tenant with alternative locations.

10.17 Economic Disclosure Statement Affidavit Updates. Throughout the Term, Tenant shall provide Landlord with any material updates to the information previously submitted in Tenant's Economic Disclosure Statement and Affidavit. Landlord may also request such updates from time to time. Failure to provide such information on a timely basis shall constitute a default under this Lease.

SECTION 11. ENVIRONMENTAL MATTERS

11.1 General Terms.

a) As used in this Lease, the term "**Hazardous Substances**" shall mean any toxic substance, hazardous material, hazardous chemical or hazardous, toxic or dangerous waste defined or qualifying as such in (or for the purposes of) any Environmental Laws (as defined hereunder), or any pollutant, toxic vapor, or contaminant, and shall include, but not be limited to, polychlorinated biphenyls (PCBs), crude oil, any fraction thereof, or refined petroleum products such as oil, gasoline, or other petroleum-based fuels, lead paint, asbestos or asbestos-containing

materials, urea formaldehyde, any radioactive material or by-product material, radon and mold. "**Environmental Laws**" shall mean any and all Laws, permits and other requirements or guidelines of governmental authorities applicable to the Property and relating to the regulation and protection of human health, safety, the environment, natural resources or to any Hazardous Substances, including without limitation, any Laws requiring the filing of reports and notices relating to Hazardous Substances.

b) Tenant shall, at its sole expense, comply with all Environmental Laws that are or may become applicable to Tenant's activities on the Premises or Tenant's Use.

c) Tenant shall not handle, use, generate, treat, store or dispose of any Hazardous Substances in, on, under or about the Premises.

d) If there is a release or threatened release of any Hazardous Substances attributable to the operations or activities of Tenant, Tenant shall notify the Landlord as soon as practicable, but in no event more than three (3) days following the date Tenant becomes aware of such release or threatened release, and, if required by any applicable Laws, Tenant shall investigate and remediate the condition in accordance with TACO Tier 1 remediation objectives for residential properties. Landlord shall have the right to review and approve all correspondence, work plans, reports and other documents to be submitted to the Illinois Environmental Protection Agency or other regulatory agencies in connection with the Premises.

e) Upon request, Tenant shall make the results of all sampling, including raw data generated by Tenant or on Tenant's behalf, available to Landlord. Tenant shall promptly transmit to Landlord copies of all correspondence, work plans, reports and other documents relating to the environmental condition of the Premises, including, without limitation, documents submitted to or received from the IEPA or other regulatory agencies.

11.2 Release and Indemnification. Tenant, on behalf of itself and the other Tenant parties, or anyone claiming by, through, or under the Tenant, hereby releases, relinquishes and forever discharges Landlord from and against any and all losses which the Tenant may have, whether grounded in tort or contract or otherwise arising out of or in any way connected with, directly or indirectly, all of the following, to the extent the same did not arise out of Landlord's negligent acts or willful misconduct following the Commencement Date: (a) any environmental contamination, pollution or hazards associated with the Premises or any improvements, facilities or operations located or formerly located thereon, including, without limitation, any release, emission, discharge, generation, transportation, treatment, storage or disposal of Hazardous Substances, or threatened release, emission or discharge of Hazardous Substances; (b) the structural, physical or environmental condition of the Premises, including, without limitation, the presence or suspected presence of Hazardous Substances in, on, under or about the Premises or the migration of Hazardous Substances from or to other property; and (c) any violation of, compliance with, enforcement of or liability under any Environmental Laws, including, without limitation, any losses arising under CERCLA (collectively, "**Released Claims**"). Furthermore, Tenant shall defend, indemnify, and hold the City parties harmless from and against any and all losses which may be made or asserted by any third parties arising out of or in any way connected with, directly or indirectly, any violation of Environmental Laws arising out of the use of the

Premises by Tenant. In no event shall Tenant be liable for the presence of hazardous substances or violations of Environmental Laws that existed prior to the Commencement Date ("**Pre-Existing Environmental Conditions**"), except to the extent any losses associated with such Pre-Existing Environmental Conditions are caused by Landlord's negligent acts or intentional misconduct.

11.3 Survival. The provisions of this Section 11 shall survive the expiration or termination of this Lease for a period of seven (7) years.

SECTION 12. TENANT DISCLOSURES AND REPRESENTATIONS

12.1 Business Relationships. Tenant acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (B) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (C) notwithstanding anything to the contrary contained in this Lease, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Lease shall be grounds for termination of this Lease and the transactions contemplated hereby. Tenant hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Lease or the transactions contemplated hereby.

12.2 Patriot Act Certification. Tenant represents and warrants that neither Tenant nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment, the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to Tenant that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Tenant, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

12.3 Prohibition on Certain Contributions-Mayoral Executive Order No. 2011-4. Tenant agrees that Tenant, any person or entity who directly or indirectly has an ownership or beneficial interest in Tenant of more than 7.5 percent ("Owners"), spouses and domestic partners

of such Owners, Tenant's contractors (i.e., any person or entity in direct contractual privity with Tenant regarding the subject matter of this Lease) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Tenant and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (i) after execution of this Lease by Tenant, (ii) while this Lease or any Other Contract is executory, (iii) during the term of this Lease or any Other Contract between Tenant and the City, or (iv) during any period while an extension of this Lease or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

Tenant represents and warrants that from the date the City approached the Tenant or the date Tenant approached the City, as applicable, regarding the formulation of this Lease, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Tenant agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Tenant agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4_or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Notwithstanding anything to the contrary contained herein, Tenant agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Lease, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Lease, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Tenant intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the closing of this Lease, the City may elect to decline to close the transaction contemplated by this Lease.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source which are then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Tenant is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

(A) they are each other's sole domestic partner, responsible for each other's common welfare; and
(B) neither party is married; and
(C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
(D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
(E) two of the following four conditions exist for the partners:
    1. The partners have been residing together for at least 12 months.
    2. The partners have common or joint ownership of a residence.
    3. The partners have at least two of the following arrangements:
        a. joint ownership of a motor vehicle;
        b. a joint credit account;
        c. a joint checking account;
        d. a lease for a residence identifying both domestic partners as tenants.
    4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

12.4 Waste Ordinance Provisions. In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Tenant warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Lease is executory, Tenant's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Lease, constitutes a breach of and an event of default under this Lease, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the Lease, at

law or in equity. This section does not limit Tenant's, general contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Lease. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Lease, and may further affect the Tenant's eligibility for future contract awards.

12.5 Failure to Maintain Eligibility to do Business with City. Failure by Tenant or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this Lease and the transactions contemplated thereby. Tenant shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

12.6 Cooperation with Inspector General and Legislative Inspector General. It is the duty of every officer, employee, department, agency, contractor, subcontractor, user of real property and Tenant of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. The Foundation understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago.

12.7 2011 City Hiring Plan Prohibitions.

(i) The City is subject to the June 24, 2011 "City of Chicago Hiring Plan" (the "2011 City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2011 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Tenant is aware that City policy prohibits City employees from directing any individual to apply for a position with Tenant, either as an employee or as a subcontractor, and from directing Tenant to hire an individual as an employee or as a subcontractor. Accordingly, Tenant must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Tenant under this Lease are employees or subcontractors of Tenant, not employees of the City of Chicago. This Lease is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Tenant.

(iii) Tenant will not condition, base, or knowingly prejudice or affect any term or term or aspect to the employment of any personnel provided under this Lease, or offer employment to any individual to provide services under this Lease, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Lease, a political organization or

party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to Tenant by a City employee or City official in violation of Section 12.7(ii) above, or advocating a violation of Section 12.7(iii) above, Tenant will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant City Department utilizing services provided under this Lease. Tenant will also cooperate with any inquiries by IGO Hiring Oversight related to the contract.

RE: Lease of City Property Located on the 2900 Block of West Lawrence Avenue to NeighborSpace for Preservation of the Global Garden

Dear Chairman Suarez:

I am writing this letter to you in support of the City of Chicago entering into a lease agreement with NeighborSpace for the preservation of the Global Garden. The 71,609 square foot garden is comprised of six parcels of land located at the northeast intersection of North Sacramento Avenue and West Lawrence Avenue. The addresses and parcel identification numbers are as follows: 4815- 4827 N. Sacramento Avenue and 2902-2954 W. Lawrence Avenue (PINs 13-12-316-010/-011/
-013/-014/-015/-025/-033).

The North River Commission will continue to provide day-to-day management of the training farm and allotment garden. NeighborSpace, an open space land conservancy derived from an intergovernmental agreement between the City of Chicago, the Chicago Park District and the Forest Preserve District of Cook County, will be the lease-holder.

I fully support the preservation of the Global Garden as this community asset promotes community engagement with residents, local schools, a variety of organizations and businesses, as well as healthy food growth and consumption practices.

Thank you in advance.

Sincerely,

Deborah Mell

WHEREAS, the terms of the Master Lease allow CCAC to sub-lease all or a portion of the Building to other parties; and

WHEREAS, CCAC has agreed to sub-lease to the City, and the City has agreed to sub-lease from CCAC, the northwest office area on the second floor of the Building comprised of approximately 2,400 square feet to be used by the City's Department of Public Health as the Westside Health Partnership Women Infants and Children's ("**WIC**") Office or other related municipal uses as determined by the City; and

WHEREAS, CCAC and other CCAC agencies occupy the remainder of the Building and the Building includes a WIC food center operated by CCAC on the first floor that can be utilized by the City's WIC clients; and

WHEREAS, the City and CCAC would like to formalize the City's use of space within the Building.

NOW THEREFORE, in consideration of the covenants, terms and conditions set forth herein, the parties hereto agree and covenant as follows:

SECTION 1. GRANT

CCAC hereby sub-leases to the City the following described premises situated in the City of Chicago, County of Cook, State of Illinois, to wit:

Approximately 2,400 square feet of office space located in the northwest office area of the 2nd Floor of the 2400 South Kedzie Avenue Building, Chicago, Illinois, (the "**Premises**").

SECTION 2. TERM

The term of this Agreement (the "**Term**") shall begin on the Commencement Date and shall end on September 30, 2015, unless sooner terminated as set forth in this Agreement.

SECTION 3. RENT, TAXES, AND UTILITIES

3.1 Base Rent. The City shall pay CCAC rent for the Premises in the amount of:

One Dollar ($1.00) for the entire Term with the receipt and sufficiency of said sum hereby acknowledged by both parties.

3.2 Master Lease Rent. CCAC's rent under the Master Lease is as follows:

(a) Twenty-Nine Thousand Two-Hundred Fifty and 00/100 Dollars (**$29, 250.00**) per month for the period beginning on the Commencement Date and ending on September 30, 2014.

(b) Twenty-Nine Thousand Two-Hundred Fifty and 00/100 Dollars (**$29, 250.00**) per month for the period beginning on October 1, 2014 and ending on September 30, 2015.

CCAC shall continue to directly pay the Landlord all rental and other amounts due under the Master Lease. The City shall not make any payments to the Landlord. The City is not a party to the Master Lease.

3.3 Rental Reimbursement under the Master Lease. The City shall reimburse CCAC rent owed by CCAC under the Master Lease for that portion of the Building attributable to the Premises (the "**Proportionate Rent**"). This Proportionate Rent shall be based on the square footage subleased by the City divided by the Building's total square footage. The Building's total square footage is approximately 19,500 square feet and the square footage of the Premises is approximately 2,400 square feet. The City's Proportionate Rent shall, therefore, comprise 12.3% of the rent payable by CCAC under the Master Lease.

(c) Proportionate Rental Payment must be received by CCAC by the _____ day of each month.

3.5 Utilities and Tax Reimbursement. In addition to the Proportionate Rent, the City shall also reimburse CCAC utilities and real estate taxes owed by CCAC under the Master Lease for that portion of the Building attributable to the Premises (the "**Proportionate Utilities and Taxes**"). Utilities shall be comprised of gas, electricity, and water services to the Premises. This Proportionate Utilities and Taxes shall be based on the square footage subleased by the City divided by the Building's total square footage. The Building's total square footage is approximately 19,500 square feet and the square footage of the Premises is approximately 2,400 square feet. The City's Proportionate Utilities and Taxes shall, therefore, comprise 12.3% of the utilities and taxes payable by CCAC under the Master Lease. The City's Proportionate Utilities and Taxes shall initially be set at Eight-Hundred Eighty-Two and 49/100 Dollars (**$882.49**) and shall be adjusted from time to time upon written notice and accounting from CCAC to City.

Proportionate Rent and Proportionate Utilities and Taxes shall be paid by the City to CCAC at Catholic Charities of the Archdiocese of Chicago, 721 North LaSalle Street, Chicago, Illinois 60610, or at such place as CCAC may from time to time, hereby designate in writing to City. At no time shall City make any payments to Landlord.

3.6 Waiver of Proportionate Rent and Proportionate Utilities and Taxes beginning May 1, 2014 through December 31, 2014. CCAC shall waive any amounts due under 3.4(a), 3.4(b), and 3.5 of this Agreement or for any other use of the Premises through December 31, 2014 (together with all such amounts due through December 31, 2014 for the City's access to 1643 West Cermak Road, 2310 West Roosevelt Road, and 11255 South Michigan Avenue). CCAC shall waive 25% of any amounts due under 3.4(a), 3.4(b), and 3.5 of this Agreement or for any other use of the Premises for the period beginning on January 1, 2015 through December 31, 2015 (together with all such amounts due January 1, 2015 through December 31, 2015 for the City's access to 1643 West Cermak Road, 2310 West Roosevelt Road, and 11255 South Michigan Avenue). The City shall waive 25% of any amounts that CCAC may owe the City as operating costs for the period beginning on January 1, 2015 through December 31, 2015 for CCAC's access to 10 South Kedzie Avenue pursuant to that License Agreement No. 20284 and dated March 25, 2014.

3.8 Telephone and Communications. The City shall be responsible for payment, maintenance, and repair of any telephone or telecommunications devices required by the City for the City's operations within the Premises. By written mutual agreement of the parties, the City and CCAC may also elect to allow the City to use CCAC's phone lines. CCAC covenants and agrees that the City, upon paying the Proportionate Rent, paying Proportionate Utilities and Taxes, and upon observing and keeping the covenants, agreements and conditions of this Agreement on its part to be kept, observed and performed, shall lawfully and quietly hold, occupy and enjoy the Premises (subject to the provisions of this Agreement) during the Term without hindrance or molestation by CCAC, Landlord, or by any other person or persons.

4.3 CCAC's Duty to Maintain Premises and Right of Access. CCAC shall, at CCAC's expense, keep the Premises in a condition of thorough repair and good order, and in compliance with all applicable provisions of the Municipal Code of the City of Chicago, including but not limited to those provisions in Title 13 ("Building and Construction"), Title 14 ("Electrical Equipment and Installation"), Title 15 ("Fire Prevention") and all applicable landscape ordinances. If CCAC shall refuse or neglect to make non-emergency repairs within twenty (20) days after receipt of written notice thereof sent by the City, unless such repair cannot be remedied within twenty (20) days and CCAC has commenced and is diligently pursuing all necessary action to remedy such repair, the City is authorized to make such repairs and to deduct the cost thereof from the Proportionate Rent and Proportionate Utilities and Taxes accruing under this Agreement. The City shall provide CCAC with access to the Premises for the purpose of inspecting and making repairs to the Premises. Except in the case of emergencies, CCAC shall first give a five (5) business day notice to the City of its desire to enter the Premises and will schedule its entry so as to minimize any interference with the City's use of Premises.

4.4 Use of the Premises. The City shall fully comply with all applicable laws, ordinances, and governmental regulations, and shall not make any use of the Premises, which directly or indirectly, is forbidden by public law, ordinance, or governmental regulation. The City further covenants not to do or suffer any waste or damage and to comply in all respects with the Law which may be applicable to the Premises or to the use or manner of use of the Premises.

4.5 Alterations and Additions. The City shall have the right to make such alterations, additions and improvements on the Premises as it shall deem necessary, provided that any such alterations, additions and improvements shall be in full compliance with the applicable Law and provided that the City has obtained the prior written consent of CCAC. CCAC shall not unreasonably withhold consent.

The City shall not assign this Agreement in whole or in part, or sublet the Premises or any part thereof, or permit an assignment to take place by any act or default of the City or any person within the City's control, without the written consent of CCAC in each instance. CCAC shall not unreasonably withhold, delay, or condition such consent.

5.2 City's Covenant Against Liens. The City shall not cause or permit any lien or encumbrance, whether created by act of the City, operation of law or otherwise, to attach to or be placed upon CCAC's title or interest in the Premises. 6.2 Indemnification. CCAC shall indemnify and hold the City harmless against all liabilities, judgment costs, damages, expenses, and attorney's fees, which may accrue against, be charged to, or be recovered from CCAC by reason of any negligent performance of or failure to perform any of their obligations under this Agreement. Subject to allocation of adequate appropriations and any other applicable legislative procedures, requirements, and approvals, the City shall indemnify and hold CCAC harmless against all liabilities, judgment costs, damages, expenses, and attorney's fees, which may accrue against, be charged to, or be recovered from CCAC by reason of any negligent performance of or failure to perform any of their obligations under this Agreement.

SECTION 7. DAMAGE OR DESTRUCTION

If the Premises shall be damaged or destroyed by fire or other casualty to such extent that the City cannot continue, occupy or conduct its normal business therein, or if the Premises do not meet all Municipal Building and Fire Code provisions, the City shall have the option to declare this Agreement terminated as of the date of such damage or destruction by giving CCAC written notice to such effect. CCAC may elect to repair/replace the Premises within forty-five (45) days after the occurrence of the event causing the damage. Should CCAC elect to repair/replace the Premises, the City's option to terminate shall be held in abeyance until such time as said repair/replacement is completed or forty-five (45) days after the occurrence of the event causing the damage has lapsed. If CCAC elects not to make, or is unable to complete said repair/replacement within forty-five (45) days after the occurrence of the event

causing the damage, and if the City exercises this option to terminate, the Proportionate Rent and Proportionate Utilities and Taxes shall be apportioned as of the date of such damage or destruction and CCAC shall forthwith repay to the City all prepaid Proportionate Rent and Proportionate Utilities and Taxes. If there is a casualty event, and normal business operations are interrupted, but the City does not elect to terminate, and the Agreement is not terminated, the Proportionate Rent and Proportionate Utilities and Taxes shall abate during the time period that the Premises are not usable.

formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

CCAC agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

CCAC agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Notwithstanding anything to the contrary contained herein, CCAC agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this Agreement or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Agreement, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If CCAC intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the Closing, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

(a) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fundraising committee.

(b) "Other Contract" means any other agreement with the City to which CCAC is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or sub-lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

(c) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

(d) Individuals are "domestic partners" if they satisfy the following criteria:

(i) they are each other's sole domestic partner, responsible for each other's common welfare; and

(ii) neither party is married; and

(iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(iv) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

(v) two of the following four conditions exist for the partners:

(1) The partners have been residing together for at least 12 months.

(2) The partners have common or joint ownership of a residence.

(3) The partners have at least two of the following arrangements:

(A) joint ownership of a motor vehicle;
(B) joint credit account;
(C) a joint checking account;
(D) a sub-lease for a residence identifying both domestic partners as Landlords.

(4) Each partner identifies the other partner as a primary beneficiary in a will.

(e) "Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

13.4 Waste Ordinance Provisions. In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, CCAC warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Agreement is executory, CCAC's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Commissioner of the Department of Fleet and Facility Management. Such breach and default entitles the City to all remedies under the Agreement, at law or in equity. This section does not limit CCAC's, general contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect CCAC's eligibility for future contract awards.

13.5 Failure to Maintain Eligibility to do Business with City. Failure by CCAC or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this Agreement and the transactions contemplated thereby. CCAC shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

13.6 Cooperation with Inspector General and Legislative Inspector General. It is the duty of every officer, employee, department, agency, contractor, subcontractor, user of real property and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. CCAC understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago.

13.7 2011 City Hiring Plan Prohibitions.

(i) The City is subject to the June 24, 2011 "City of Chicago Hiring Plan" (the "2011 City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2011 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) CCAC is aware that City policy prohibits City employees from directing any individual to apply for a position with CCAC, either as an employee or as a subcontractor, and from directing CCAC to hire an individual as an employee or as a subcontractor. Accordingly, CCAC must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by CCAC under this Agreement are employees or subcontractors of CCAC, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by CCAC.

(iii) CCAC will not condition, base, or knowingly prejudice or affect any term or term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to CCAC by a City employee or City official in violation of Section 13.7(ii) above, or advocating a violation of Section 13.7(iii) above, CCAC

will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant City Department utilizing services provided under this Agreement. CCAC will also cooperate with any inquiries by IGO Hiring Oversight related to the contract.

Landlord shall have the right to review and approve all correspondence, work plans, reports and other documents to be submitted to the Illinois Environmental Protection Agency or other regulatory agencies in connection with the Premises.

e) Upon request, Tenant shall make the results of all sampling, including raw data generated by Tenant or on Tenant's behalf, available to Landlord. Tenant shall promptly transmit to Landlord copies of all correspondence, work plans, reports and other documents relating to the environmental condition of the Premises, including, without limitation, documents submitted to or received from the IEPA or other regulatory agencies.

11.2 Release and Indemnification. Tenant, on behalf of itself and the other Tenant Parties, or anyone claiming by, through, or under the Tenant, hereby releases, relinquishes and forever discharges Landlord and the Landlord Parties from and against any and all Claims which the Tenant or any of the Tenant Parties may have, whether grounded in tort or contract or otherwise, arising out of or in any way connected with, directly or indirectly, all of the following, to the extent the same did not arise out of Landlord's negligent acts or willful misconduct following the Commencement Date: (a) any environmental contamination, pollution or hazards associated with the Premises or any improvements, facilities or operations located or formerly located thereon, including, without limitation, any release, emission, discharge, generation, transportation, treatment, storage or disposal of Hazardous Substances, or threatened release, emission or discharge of Hazardous Substances; (b) the structural, physical or environmental

condition of the Premises, including, without limitation, the presence or suspected presence of Hazardous Substances in, on, under or about the Premises or the migration of Hazardous Substances from or to other property; and (c) any violation of, compliance with, enforcement of or liability under any Environmental Laws, including, without limitation, any losses arising under CERCLA (collectively, "**Released Claims**"). Furthermore, Tenant shall defend, indemnify, and hold the Landlord and the Landlord Parties harmless from and against any and all Claims which may be made or asserted by any third parties arising out of or in any way connected with, directly or indirectly, any violation of Environmental Laws arising out of the use of the Premises by Tenant or any of the Tenant Parties. In no event shall Tenant be liable for the presence of Hazardous Substances or violations of Environmental Laws that existed prior to the Commencement Date ("**Pre-Existing Environmental Conditions**"), except to the extent any Claims associated with such Pre-Existing Environmental Conditions are caused by Landlord's negligent acts or intentional misconduct.

11.3 Survival. The provisions of this Section 11 shall survive the expiration or termination of this Lease for a period of seven (7) years.

SECTION 12. TENANT DISCLOSURES AND REPRESENTATIONS

12.1 Business Relationships. Tenant acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (B) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (C) notwithstanding anything to the contrary contained in this Lease, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Lease shall be grounds for termination of this Lease and the transactions contemplated hereby. Tenant hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Lease or the transactions contemplated hereby.

12.2 Patriot Act Certification. Tenant represents and warrants that neither Tenant nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment, the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to Tenant that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Tenant, and a person or entity shall be deemed to

be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

12.3 Prohibition on Certain Contributions-Mayoral Executive Order No. 2011-4. Tenant agrees that Tenant, any person or entity who directly or indirectly has an ownership or beneficial interest in Tenant of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Tenant's contractors (i.e., any person or entity in direct contractual privity with Tenant regarding the subject matter of this Lease) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Tenant and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (i) after execution of this Lease by Tenant, (ii) while this Lease or any Other Contract is executory, (iii) during the term of this Lease or any Other Contract between Tenant and the City, or (iv) during any period while an extension of this Lease or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

Tenant represents and warrants that from the date the City approached the Tenant or the date Tenant approached the City, as applicable, regarding the formulation of this Lease, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Tenant agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Tenant agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Notwithstanding anything to the contrary contained herein, Tenant agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Lease, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Lease, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Tenant intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the closing of this Lease, the City may elect to decline to close the transaction contemplated by this Lease.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source which are then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Tenant is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

(A) they are each other's sole domestic partner, responsible for each other's common welfare; and

(B) neither party is married; and

(C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

(E) two of the following four conditions exist for the partners:

1. The partners have been residing together for at least 12 months.
2. The partners have common or joint ownership of a residence.
3. The partners have at least two of the following arrangements:
   a. joint ownership of a motor vehicle;
   b. a joint credit account;
   c. a joint checking account;
   d. a lease for a residence identifying both domestic partners as tenants.
4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

12.4 Waste Ordinance Provisions. In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Tenant warrants and represents that it, and to the best of its

knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Lease is executory, Tenant's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Lease, constitutes a breach of and an event of default under this Lease, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the Lease, at law or in equity. This section does not limit Tenant's, general contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Lease. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Lease, and may further affect the Tenant's eligibility for future contract awards.

12.5 Failure to Maintain Eligibility to do Business with City. Failure by Tenant or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this Lease and the transactions contemplated thereby. Tenant shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

12.6 Cooperation with Inspector General and Legislative Inspector General. It is the duty of every officer, employee, department, agency, contractor, subcontractor, user of real property and tenant of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. Tenant understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago.

12.7 *Shakman* Prohibitions.

(i) The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and the August 16, 2007 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Tenant is aware that City policy prohibits City employees from directing any individual to apply for a position with Tenant, either as an employee or as a subcontractor, and from directing Tenant to hire an individual as an employee or as a subcontractor. Accordingly, Tenant must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Tenant under this Lease are employees or subcontractors of Tenant, not employees of the City of Chicago. This Lease is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Tenant.

(iii) Tenant will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Lease, or offer employment to any individual to provide services under this Lease, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Lease, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to Tenant by a City employee or City official in violation of Section 12.7(ii) above, or advocating a violation of Section 12.7(iii) above, Tenant will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant City Department utilizing services provided under this Lease. Tenant will also cooperate with any inquiries by IGO Hiring Oversight or the *Shakman* Monitor's Office related to the contract.

ORDINANCE

WHEREAS, the City of Chicago (the "City") is a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois and as such may legislate as to matters which pertain to its local government and affairs; and

WHEREAS, the City has determined that the continuance of a shortage of affordable housing to persons of low and moderate income is harmful to the health, prosperity, economic stability and general welfare of the City; and

WHEREAS, the City received certain funds from the United States Department of Housing and Urban Development to make loans and grants to expand the long-term supply of affordable housing through, among other things, acquisition, new construction, reconstruction and moderate and substantial rehabilitation in low- and moderate-income areas; and

WHEREAS, on May 4, 1994, the City Council of the City authorized the making of a loan to Lazarus Limited Partnership, an Illinois limited partnership (the "Borrower") in the principal amount of $1,430,500, with an interest rate of zero percent per annum and a term not to exceed 32 years (the "Loan"); and

WHEREAS, on or about September 21, 1994, the City made the Loan to the Borrower; and

WHEREAS, the Loan was secured by, among other things, that certain Junior Mortgage Security Agreement and Financing Statement dated as of September 21, 1994, made by the Borrower in favor of the City (the "Mortgage"); and

WHEREAS, the proceeds of the Loan were used to provide for the rehabilitation by the Borrower of two buildings located generally at 1857-67 South Pulaski Road and 1900-02 South Harding Avenue, in Chicago, Illinois (the "Property"); and

WHEREAS, the sole general partner of the Borrower is Lazarus Apartments Corporation, an Illinois corporation ("General Partner"), and Lawndale Christian Development Corporation, an Illinois not-for-profit corporation, is the sole owner of the General Partner; and

WHEREAS, the Mortgage was subordinate to that certain Mortgage dated as of September 21, 1994, securing a loan in the amount of $257,500 (the "Original Senior Loan"), made by the Borrower in favor of LaSalle National Bank; and

WHEREAS, in September 2006, the Borrower entered into a restructuring in connection with the Original Senior Loan in a manner which (i) did not alter the principal amount, maturity or interest rate of the Loan, (ii) increased the principal amount of the Original Senior Loan to $360,000, and (iii) subordinated the Mortgage to all liens securing the new senior financing ("First Restructuring"); and

WHEREAS, pursuant to the First Restructuring, the Mortgage is subordinate to that certain Mortgage dated as of September 19, 2006, securing a loan in the amount of $360,000 (the "Second Senior Loan"), made by the Borrower in favor of LaSalle National Bank; and

WHEREAS, the Borrower now desires to refinance the Second Senior Loan by entering into a new senior loan in an amount not to exceed $540,000 (the "New Senior Loan") and to execute a mortgage (the "New First Mortgage") in connection with the Property in favor of a new senior lender (the "New Senior Lender") and has requested that the City approve another proposed restructuring of the Loan; and

WHEREAS, the City's Department of Planning and Development ("DPD") desires to approve a restructuring (the "Second Restructuring") of the Loan in a manner which (1) will not alter the principal balance or interest rate of the Loan, (2) will consent to the New Senior Loan, (3) will extend the maturity date of the Loan, (4) will defer certain delinquent and current monthly payments under the Loan, and (5) will subordinate the lien of the Mortgage to the lien of the New First Mortgage, (collectively, the "Material Terms"); now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The above recitals are expressly incorporated in and made a part of this ordinance as though fully set forth herein.

Each Authorized Officer is hereby authorized, subject to approval by the Corporation Counsel, to enter into and execute such agreements and instruments, and perform any and all acts as shall be necessary or advisable in connection with any future restructuring of the Loan which does not substantially modify the Material Terms.

Section 3. Notwithstanding anything to the contrary contained in the Municipal Code of Chicago (the "Municipal Code") or any other ordinance or mayoral executive order, no parties other than the owners of the Property as of the date following the date of the closing of the Second Restructuring (collectively, the "Owner"), any legal entities which are direct owners in excess of 7.5% of the Owner which changed in connection with the Second Restructuring, and all legal entities who constitute the direct or indirect controlling parties of the Owner (as determined by the Corporation Counsel), shall be required to provide to the City the document commonly known as the "Economic Disclosure Statement and Affidavit" (or any successor to such document) in connection with the Second Restructuring.

AMENDMENT TO ORDINANCE

WHEREAS, pursuant to an ordinance adopted by the City Council (the "City Council") of the City of Chicago (the "City") on May 9, 2007, and published at pages 104793 through 104825 in the Journal of the Proceedings of the City Council of such date, the City and De La Salle Institute, an Illinois not-for-profit corporation (the "Developer") entered into that certain Agreement for the Sale and Redevelopment of Land dated as of December 19, 2007, and recorded in the Office of the Recorder of Deeds of Cook County, Illinois (the "Recorder's Office"), on February 15, 2008, as Document No. 0804631094 (the "Original Agreement"); and

WHEREAS, pursuant to the Original Agreement, the City conveyed the real property legally described on Exhibit A attached to the First Amendment (as hereinafter defined) (the "City Land") to Developer for the expansion of its Bronzeville high school campus; and

WHEREAS, the City transferred the City Land by quitclaim deed recorded in the Recorder's Office as Document No. 0804631095 on February 15, 2008; and

WHEREAS, the City Land was improved with a vacant two-story office building and the surviving structure of the historic Pickford Theater; and

WHEREAS, the Developer paid $250,000 for the City Land, a write-down of $750,000 (the "Land Write-Down") from its then-appraised fair market value of $1,000,000 (the "Fair Market Value"); and

WHEREAS, the Land Write-Down was based on the Developer's agreement to preserve and renovate the Pickford Theater and other restrictions on use of the City Land, as more fully described in Section 14.3 of the Original Agreement; and

WHEREAS, the Original Agreement permitted the Developer to construct the Project in two phases ("Phase I" and "Phase II"); and

WHEREAS, Phase I involved the renovation of the Pickford Theater and construction of a new performing arts center within the existing theater space, and the construction of ground floor retail space along 35th Street; and

WHEREAS, Phase II involved the construction of a three-story, 100,000 square foot academic building on the City Land and certain adjacent Developer-owned land, as legally described on Exhibit B attached to the First Amendment (as hereinafter defined) (the "Adjacent Parking Lot"); and

WHEREAS, the Original Agreement required the Developer to complete Phase I no later than July 1, 2009, and commence and complete Phase II no later than March 1, 2010 and March 1, 2013, respectively; and

WHEREAS, the Developer intended to raise funds for the expansion of the school through a capital campaign, but the capital campaign coincided with the financial crisis and ensuing recession and, as a result, the Developer could not raise enough money to commence construction of either phase of the Project; and

WHEREAS, the Pickford Theater (already in poor condition in 2007) continued to

deteriorate after the sale of the City Land to Developer; and

WHEREAS, in early 2011, after the Developer contacted the City about the condition of the building, the City determined that the building was dangerous and should be demolished; and

WHEREAS, the Developer paid for the demolition of the building and, at the City's request, salvaged artifacts from the theater, landscaped the site and installed a wrought iron fence on the 35th Street and Michigan Avenue sides of the property; and

WHEREAS, the Developer is still interested in expanding its Bronzeville campus and has submitted a proposal to the Department of Planning and Development ("Department") to construct a revised, scaled-down project consisting of a retail and office component, and a fine arts component; and

WHEREAS, the retail and office component includes approximately 6,500 square feet of ground floor retail space along 35th Street and approximately 7,700 square feet of leaseable office space (collectively, the "Retail/Office Component"); and

WHEREAS, the fine arts component includes an approximately 299 seat main theater, an approximately 49 seat black box theater, dressing rooms, set storage rooms, a technical booth, approximately 26,500 square feet of fine arts rehearsal space and common areas (collectively, the "Fine Arts Center"); and

WHEREAS, the Developer has agreed to display the items salvaged from the Pickford Theatre in the lobby of the Fine Arts Center; and

WHEREAS, the Developer may also add classroom space, if financially feasible, after the completion of the Retail/Office Component and the Fine Arts Center; and

WHEREAS, the Developer has agreed to pay the balance of the Fair Market Value for the City Land in the amount of $750,000, minus certain credits against such balance for itemized costs incurred at the City's request, as set forth in Exhibit D to the First Amendment (as hereinafter defined"), or $637,121 (the "Additional Consideration"); and

WHEREAS, the Developer has filed or intends to file an application to amend Planned Development No. 1021 to permit construction of the Retail/Office Component and Fine Arts Center; and

WHEREAS, the City and the Developer desire to modify the terms of the Original Agreement to approve the revised proposal, to grant the Developer an extension of time in which to perform its obligations, and for other purposes as more fully set forth in the First Amendment (as hereinafter defined) (collectively, the "Updated Redevelopment Obligations"); and

WHEREAS, the City Land was improved with a vacant two-story office building and the surviving structure of the historic Pickford Theater; and

WHEREAS, the Developer paid $250,000 for the City Land, a write-down of $750,000 (the "Land Write-Down") from its then-appraised fair market value of $1,000,000 (the "Fair Market Value"); and

WHEREAS, the Land Write-Down was based on the Developer's agreement to preserve and renovate the Pickford Theater and other restrictions on use of the City Land, as more fully described in Section 14.3 of the Original Agreement; and

WHEREAS, the Original Agreement permitted the Developer to construct the Project in two phases ("Phase I" and "Phase II"); and

WHEREAS, Phase I involved the renovation of the Pickford Theater and construction of a new performing arts center within the existing theater space, and the construction of ground floor retail space along 35th Street; and

WHEREAS, Phase II involved the construction of a three-story, 100,000 square foot academic building on the City Land and certain adjacent Developer-owned land, as legally described in Exhibit B attached hereto (the "Adjacent Parking Lot" and, together with the City Land, the "Project Site"); and

WHEREAS, the Original Agreement required the Developer to complete Phase I no later than July 1, 2009, and commence and complete Phase II no later than March 1, 2010 and March 1, 2013, respectively; and

WHEREAS, the Developer intended to raise funds for the expansion of the school through a capital campaign, but the capital campaign coincided with the financial crisis and ensuing recession and, as a result, the Developer could not raise enough money to commence construction of either phase of the Project; and

WHEREAS, the Pickford Theater (already in poor condition in 2007) continued to deteriorate after the sale of the City Land to Developer; and

WHEREAS, in early 2011, after the Developer contacted the City about the condition of the building, the City determined that the building was dangerous and should be demolished; and

WHEREAS, the Developer paid for the demolition of the building and, at the City's request, salvaged artifacts from the theater, landscaped the site and installed a wrought iron fence on the 35th Street and Michigan Avenue sides of the property; and

WHEREAS, the Developer is still interested in expanding its Bronzeville campus and has proposed a revised, scaled-down project consisting of a retail and office component, and a fine arts component ; and

WHEREAS, the retail and office component includes approximately 6,500 square feet of ground floor retail space along 35th Street and approximately 7,700 square feet of leaseable office space (collectively, the "Retail/Office Component"); and

WHEREAS, the fine arts component includes an approximately 299 seat main theater, an approximately 49 seat black box theater, dressing rooms, set storage rooms, a technical booth, approximately 26,500 square feet of fine arts rehearsal space and common areas (collectively, the "Fine Arts Center"); and

WHEREAS, the Developer is interested in adding approximately 2,950 square feet of classroom space (the "Academic Space") if financially feasible after the completion of the Retail/Office Component and the Fine Arts Center, but this component of the development is aspirational and is not subject to the terms hereof; and

WHEREAS, the Developer has agreed to display the items salvaged from the Pickford Theatre (specifically, a wooden arch and ten (10) terra cotta stones) in the lobby of the Fine Arts Center; and

WHEREAS, the Developer has agreed to pay the balance of the Fair Market Value for the City Land in the amount of $750,000, and the City has agreed to give the Developer certain credits against the balance for itemized costs incurred at the City's request, as set forth in Exhibit D attached hereto (collectively, the "Credits"); and

WHEREAS, the Developer has filed or intends to file an application to amend Planned Development No. 1021 to permit construction of the Retail/Office Component and Fine Arts Center; and

WHEREAS, the City and the Developer desire to modify the terms of the Original Agreement to approve the revised proposal, to grant the Developer an extension of time in which to perform its obligations, and for other purposes as more fully set forth below; and

WHEREAS, the City Council, pursuant to an ordinance adopted on _____, 2014, and published at pages _____ through _____ in the Journal of such date (the "Authorizing Ordinance"), authorized the execution of this First Amendment.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Incorporation of Recitals; Defined Terms. The foregoing recitals constitute an integral part of this Agreement and are incorporated herein by this reference with the same force and effect as if set forth herein as agreements of the parties. All capitalized terms used but not otherwise defined herein shall have the same meanings given to said terms in the Original Agreement.

2. Payment of Balance of Fair Market Value. Within ninety (90) days after the passage and approval of the Authorizing Ordinance, the Developer shall pay to the City the sum of $637,121 (the "Revised Purchase Price"), representing (a) the balance of the Fair Market Value of the City Land, minus (b) the Credits.

3. Definition of Project. The Original Agreement is hereby amended to define the term "Project" to mean construction of the Retail/Office Component, the Fine Arts Center and associated parking. The parties acknowledge and agree that the Academic Space is not included in the Project.

4. Phasing and Partial Certificates of Completion. The Original Agreement contemplated that the expansion would be completed in two phases, and that the City would issue a Partial Certificate of Completion for each Phase. The revised proposal also contemplates two phases and Partial Certificates of Completion, but the expansion has been reduced in size and the construction for each phase has been revised accordingly. In

accordance with the revised proposal, the Original Agreement is hereby amended to define: (a) "Phase I" to mean the construction of the Retail/Office Component, and (b) "Phase II" to mean the construction of the Fine Arts Center. The parties acknowledge and agree that the Developer may build the Academic Space, if financially feasible, following construction of the Project, but the Academic Space is optional and does not constitute a third "Phase" of the Project.

5. Building Permits and Other Governmental Approvals. Section 7 of the Original Agreement is hereby amended by deleting the section in its entirety and replacing it with the following:

The Developer shall deliver to the City all building permits and governmental approvals necessary for each Phase of the Project prior to commencing construction of such Phase.

6. Project Budget for Phase I and II and Proof of Financing. Section 8 of the Original Agreement is hereby amended by deleting the section in its entirety and replacing it with the following:

The total budget for Phase I and Phase II of the Project is currently estimated to be Ten Million One Hundred Thousand Seventy and 00/100 Dollars ($10,100,070), as set forth in Exhibit E (the "Preliminary Project Budget"). Prior to commencing construction of the Project, the Developer shall submit to DPD for approval a final project budget ("Budget") and evidence of funds adequate to finance the construction of the Project ("Proof of Financing").

7. Construction Plans. Section 10.1 of the Original Agreement is hereby amended by deleting the section in its entirety and replacing it with the following:

The Developer shall construct the Project on the Project Site in accordance with Planned Development No. 1021, as amended, and the final plans and specifications approved by DPD in connection with its Part II review of each Phase (collectively, the "Plans"). Prior to applying for a building permit for Phase II, the Developer shall submit, and DPD shall approve, a plan showing how the Pickford Theater artifacts will be displayed in the lobby of the Fine Arts Center.

8. Commencement and Completion of Project. Section 12 of the Original Agreement is hereby amended by deleting the section in its entirety and replacing it with the following:

The Developer shall commence construction of Phase I of the Project no later than three (3) years from the passage and approval of the Authorizing Ordinance, and shall complete Phase I (as evidenced by the issuance of a Partial Certificate of Completion) no later than two (2) years from the date of commencement of construction. The Developer shall commence Phase II of the Project no later than five (5) years from the passage and approval of the Authorizing Ordinance, and shall complete Phase II (as evidenced by the issuance of a Partial Certificate of Completion) no later than two (2) years from the date of commencement of construction; provided, however, DPD, in its sole discretion, may extend the construction commencement and completion dates by twelve months in the aggregate (for each Phase). The City acknowledges and agrees that the Developer shall have no obligation to commence and complete the Academic Space. The Developer shall give written notice to the City within five (5) days after it

commences construction of each Phase. The Developer shall construct the Project in accordance with the Plans, Planned Development No. 894, as amended, and all Laws and covenants and restrictions of record.

9. Restrictions on Use. In consideration of the Developer's agreement to pay the Revised Purchase Price, the Original Agreement is hereby amended by deleting Section 14.3, subsections (a)-(f), inclusive, in their entirety.

10. Notices. The notice address table in Section 25 of the Original Agreement is hereby deleted in its entirety and the following substituted in lieu thereof:

With a copy to:	Mara Georges Daley & Georges, Ltd. 20 S. Clark Street, Suite 400 Chicago, Il 60603

11. Exhibits. Exhibit C to the Original Agreement is hereby amended by deleting the exhibit in its entirety and replacing it with Exhibit C attached hereto.

12. Ratification. Except as provided in this First Amendment, the terms of the Original Agreement are hereby ratified and confirmed and the parties agree that the provisions contained therein are in full force and effect, as amended hereby, as of the date hereof. Any reference to the "Agreement" shall mean the Original Agreement, as modified by this First Amendment.

13. Amendment to Covenants Running with the Land. Concurrently with the payment of the Revised Purchase Price, the City shall deliver an agreement amending the covenants in the Deed in the form of Exhibit F attached hereto.

14. Conflict. In case of a conflict between the terms and conditions of the Original Agreement and this First Amendment, the terms and conditions of this First Amendment shall govern and control.

RECITALS

A. **Constitutional Authority**: As a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois (the "State"), the City has the power to regulate for the protection of the public health, safety, morals and welfare of its inhabitants, and pursuant thereto, has the power to encourage private development in order to enhance the local tax base, create employment opportunities and to enter into contractual agreements with private parties in order to achieve these goals.

B. **Statutory Authority**: The City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 et seq., as amended from time to time (the "Act"), to finance projects that eradicate blighted conditions and conservation area factors through the use of tax increment allocation financing for redevelopment projects.

C. **City Council Authority**: To induce redevelopment pursuant to the Act, the City Council of the City (the "City Council") adopted the following ordinances on April 2, 2014: (1) "An Ordinance of the City of Chicago, Illinois Approving a Redevelopment Plan for the Foster and California Redevelopment Project Area"; (2) "An Ordinance of the City of Chicago, Illinois Designating the Foster and California Redevelopment Project Area as a Redevelopment Project

Area Pursuant to the Tax Increment Allocation Redevelopment Act"; and (3) "An Ordinance of the City of Chicago, Illinois Adopting Tax Increment Allocation Financing for the Foster and California Redevelopment Project Area" (the "TIF Adoption Ordinance") (items(1)-(3) collectively referred to herein as the "TIF Ordinances"). The redevelopment project area referred to above (the "Redevelopment Area") is legally described in Exhibit A hereto.

D. **The Property**. The development site is located in the Redevelopment Area, as part of the Hospital campus which covers the area between Francisco Avenue to California Avenue and Foster Avenue south to Carmen Avenue. The main building is located at 5145 North California Avenue, and the Galter Medical Pavilion is located at 5140 North California Avenue on the Hospital campus, and legally described in Exhibit B (the "Property").

E. **The Project**: The Developer, as owner of the Property, intends to rehabilitate the Women's Health Center (the "WHC") and renovate the Emergency Department (the "ER Department") as follows:

(i) The Women's Health Center phase of the Project (collectively, the "WHC Phase") on the 4th floor of the Galter Medical Pavilion consists of (a) an approximately 16,783 square foot interior space which will be completely renovated to include a reception area, resource center with a library and reading room, areas for classrooms and conference rooms, 20 patient exam rooms (for mammograms, bone density testing, pulmonary testing, echocardiogram exams, pacemaker exams, biopsies and ultrasounds), a nuclear cardiology/stress lab, areas for electrocardiograms (EKGs) and blood draws, changing and gowned waiting rooms, 6 consultation rooms, and areas to support physicians in the WHC, (b) the acquisition of medical equipment for operating the WHC such as echocardiogram beds, Stryker equipment carts, echocardiogram and nuclear reading stations, VO_2 analyzer, nuclear testing camera, lockers, projectors, computers supporting testing, and other medical equipment, and (c) removing and replacing the approximately 20,000 square foot 7th floor roof and the rebuilding of approximately 1,688 square feet devoted to chillers.

(ii) The Emergency Department phase consists of an approximately 13,833 square foot renovation to the first floor of the east wing of the Hospital's main building, including renovating 15 private large rooms for trauma cases, five dedicated psychiatric rooms, a 12-bay fast track private exam area, a new post-exam common waiting area, a private consultation room, a new pharmacy work station, a new physician/nurse work station as well as infrastructure improvements to elevators, rest rooms and mechanicals (collectively, the "ER Phase" and together with the WHC Phase, the "Facility").

The Facility and related improvements as described above for the WHC Phase and the ER Phase (including but not limited to those TIF-Funded Improvements as defined below and set forth on Exhibit C) are collectively referred to herein as the "Project." The Project will create a substantial public benefit through its creation of not less than thirty (30) new FTE positions (as defined below) and retention of at least 2,280 positions (no fewer than 1,615 of which shall be FTE positions, with the remainder being PTE positions) during the Compliance Period. The completion of the Project would not reasonably be anticipated without the financing contemplated in this Agreement.

E. **Redevelopment Plan**: The Project will be carried out in accordance with this Agreement and the City of Chicago Foster and California Tax Increment Financing Redevelopment Area Project and Plan (the "Redevelopment Plan") included in the TIF-Adoption Ordinance and published at pages _____ to _____ of the Journal of the Proceedings of the City Council.

F. **City Financing**: The City agrees to use, in the amounts set forth in Section 4.03 hereof, Incremental Taxes (as defined below), to pay for or reimburse Developer for the costs of TIF-Funded Improvements pursuant to the terms and conditions of this.

In addition, the City may, in its discretion, issue tax increment allocation bonds ("TIF Bonds") secured by Incremental Taxes pursuant to a TIF bond ordinance (the "TIF Bond Ordinance"), the proceeds of which (the "TIF Bond Proceeds") may be used to pay for the costs of the TIF-Funded Improvements not previously paid for from Incremental Taxes in order to reimburse the City for the costs of TIF-Funded Improvements.

Now, therefore, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

2. The City's financial commitment to provide Available Incremental Taxes for such purposes is subject to the Prior TIF Financings and the availability of sufficient Available Incremental Taxes.

3. Subject to the terms and conditions of this Agreement, payments of the City Funds shall be made to the Developer in installments (each, an "Installment") upon the Developer's submission of a Requisition Form in accordance with **Section 4.03(c)**. Such Installments shall be in the amount set forth in **Section 4.03(c)**; provided, however, that the total amount of City Funds expended for TIF-Funded Improvements shall be an amount not to exceed the applicable Maximum Per Phase TIF Amount.

4. City Funds derived from Incremental Taxes and available to pay such costs and allocated for such purposes shall be paid in accordance with the terms of this

Agreement [and the Escrow Agreement] only so long as no Event of Default or condition for which the giving of notice or the passage of time, or both, would constitute an Event of Default exists under this Agreement or the Escrow Agreement.

The Developer acknowledges and agrees that the City's obligation to pay Installments of City Funds in an amount not to exceed the applicable Maximum Per Phase TIF Amount is contingent upon the fulfillment of the conditions set forth in (1) through (4) above, as well as the prior issuance of the Initial Certificate or Final Certificate, as the case may be, and the Developer's satisfaction of all other applicable terms and conditions of this Agreement. In the event that such condition is not fulfilled, the amount of Equity and/or Lender Financing to be contributed by Developer pursuant to **Section 4.01** hereof shall increase proportionately.

(c) Payment Amount. (i) The Installments, to be paid pursuant to the time frames set forth herein and in accordance with the terms and conditions of this Agreement shall be made upon the submission of a Requisition Form to the satisfaction of DPD, shall be as follows:

Installment	Payment Trigger	Maximum Payment Amount
WHC Payment 1	Issuance of Initial Certificate and subsequent submission of WHC Payment 1 Requisition Form	$920,000*
WHC Payment 2	One Year Anniversary of WHC Payment 1	$920,000
WHC Payment 3	Two Year Anniversary of WHC Payment 1	$560,000
ER Department Payment 1	Issuance of Final Certificate and subsequent submission of ER Department Payment 1 Requisition Form	$360,000*
ER Department Payment 2	One Year Anniversary of ER Department Payment 1	$920,000
ER Department Payment 3	Two Year Anniversary of ER Department Payment 1	$920,000

* The Maximum Payment Amount set forth herein is subject to be reduced in accordance with the provisions of **Section 4.03(b)(1)** hereof.

4.04 Requisition Form. Conditioned upon the issuance of the Initial Certificate and the Final Certificate pursuant to **Section 7** hereof, Developer shall provide DPD with a Requisition Form, substantially in the form of **Exhibit L** hereto, documentation satisfactory in form and substance to DPD (including Developer's filing of a Jobs and Occupancy Certificate) evidencing Developer's compliance with the Operating Covenant and the applicable Jobs Covenant then due,

as set forth in **Section 8.06**, along with the documentation described therein and such other supporting documentation as DPD shall request.

A Requisition Form for WHC Payment 1 shall be submitted following the issuance of the Initial Certificate. If the Initial Certificate is issued prior to May 1, 2015, then subject to the availability of Available Incremental Taxes and the submission of a Requisition Form no fewer than (60) days prior to the payment, the City will make reasonable effort to pay the Developer WHC Payment 1 by July 1, 2015. A Requisition Form for ER Department Payment 1 shall be submitted following the issuance of the Final Certificate. Subject to the availability of Available Incremental Taxes and the submission of a Requisition Form no fewer than sixty (60) days prior to the payment, the City will make reasonable effort to pay the Developer ER Department Payment 1 by the earlier of the first quarter of the calendar year following the issuance of the Final Certificate or 180 days of the issuance of the Final Certificate.

The Developer shall meet with DPD at the request of DPD to discuss the Requisition Form(s) previously delivered. If the total FTEs measured as of the applicable anniversary of the issuance of the Final Certificate is less than the applicable FTE requirement in the Jobs Covenant, then the Installment with respect to such anniversary shall equal zero. Upon the written request by the Developer accompanying a Requisition Form for reimbursement of TIF-Funded Improvements, the City agrees to make payments of City Funds then owing to the Developer directly to the Lender using wire transfer instructions provided by the Developer.

4.05 Treatment of Prior Expenditures and Subsequent Disbursements.

(a) Prior Expenditures. Only those expenditures made by Developer with respect to the Project prior to the Closing Date, evidenced by documentation satisfactory to DPD and approved by DPD as satisfying costs covered in the Project Budget, shall be considered previously contributed Equity or Lender Financing hereunder (the "Prior Expenditures"). DPD shall have the right, in its sole discretion, to disallow any such expenditure as a Prior Expenditure. **Exhibit I** hereto sets forth the prior expenditures approved by DPD as of the Closing Date as Prior Expenditures. Prior Expenditures made for items other than TIF-Funded Improvements shall not be reimbursed to Developer, but shall reduce the amount of Equity and/or Lender Financing required to be contributed by Developer pursuant to **Section 4.01** hereof.

(b) Allocation Among Line Items. Disbursements for expenditures related to TIF-Funded Improvements may be allocated to and charged against the appropriate line only, with transfers of costs and expenses from one line item to another, without the prior written consent of DPD, being prohibited; provided, however, that such transfers among line items, in an amount not to exceed $25,000 or $100,000 in the aggregate, may be made without the prior written consent of DPD.

4.06 Cost Overruns. If the aggregate cost of the TIF-Funded Improvements exceeds City Funds available pursuant to **Section 4.03** hereof, or if the cost of completing the Project exceeds the Project Budget, Developer shall be solely responsible for such excess cost, and shall hold the City harmless from any and all costs and expenses of completing the TIF-Funded Improvements in excess of City Funds and of completing the Project.

4.07 Preconditions of Disbursement. Prior to the payment of each Installment of City Funds hereunder, Developer shall submit, in the timeframe set forth in **Section 4.04** hereof, a Requisition Form and documentation regarding the applicable expenditures to DPD that are satisfactory to DPD in its sole discretion. Delivery by Developer to DPD of any request for payment

of an Installment of City Funds hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for payment, that:

(a) the total amount of the disbursement request represents the actual amount payable to (or paid to) the General Contractor and/or subcontractors who have performed work on the Project, and/or their payees;

(b) all amounts shown as previous payments on the current disbursement request have been paid to the parties entitled to such payment;

(c) Developer has approved all work and materials for the current disbursement request, and such work and materials conform to the Plans and Specifications;

(d) the representations and warranties contained in this Redevelopment Agreement are true and correct and Developer is in compliance with all covenants contained herein;

(e) Developer has received no notice and has no knowledge of any liens or claim of lien either filed or threatened against the Property except for the Permitted Liens;

(f) no Event of Default or condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default exists or has occurred; and

(g) the Project is In Balance. The Project shall be deemed to be in balance ("In Balance") only if the total of the Available Project Funds equals or exceeds the aggregate of the amount necessary to pay all unpaid Project costs incurred or to be incurred in the completion of the Project. Developer hereby agrees that, if the Project is not In Balance, Developer shall, within 10 days after a written request by the City, provide the City with evidence of sufficient sources of funds that will place the Project In Balance.

The City shall have the right, in its discretion, to require Developer to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and any disbursement by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by Developer. In addition, Developer shall have satisfied all other preconditions of disbursement of City Funds for each disbursement, including but not limited to requirements set forth in the Bond Ordinance, if any, TIF Bond Ordinance, if any, the Bonds, if any, the TIF Bonds, if any, the TIF Ordinances, and this Agreement.

4.08 Conditional Grant. The City Funds being provided hereunder are being granted on a conditional basis, subject to the Developer's compliance with the provisions of this Agreement. The City Funds are subject to being terminated, suspended and/or reimbursed as provided in **Section 15** hereof.

SECTION 5. CONDITIONS PRECEDENT

The Title Policy also contains such endorsements as shall be required by Corporation Counsel, including but not limited to an owner's comprehensive endorsement and satisfactory endorsements regarding zoning (3.1 with parking), contiguity, location, access and survey. Developer has provided to DPD, on or prior to the Closing Date, documentation related to the purchase of the Property and certified copies of all easements and encumbrances of record with respect to the Property not addressed, to DPD's satisfaction, by the Title Policy and any endorsements thereto and copies of any ground leases and operating leases applicable to the Facility.

5.09 Opinion of Developer's Counsel. On the Closing Date, Developer has furnished the City with an opinion of counsel, substantially in the form attached hereto as **Exhibit J**, with such changes as required by or acceptable to Corporation Counsel. If the Developer has engaged special counsel in connection with the Project, and such special counsel is unwilling or unable to give some of the opinions set forth in **Exhibit J** hereto, such opinions were obtained by Developer from its general corporate counsel.

Notwithstanding acceptance by the City of the EDS, failure of the EDS to include all information required under the Municipal Code renders this Agreement voidable at the option of the City. Developer and any other parties required by this **Section 5.14** to complete an EDS must promptly update their EDS(s) on file with the City whenever any information or response provided in the EDS(s) is no longer complete and accurate, including changes in ownership and changes in disclosures and information pertaining to ineligibility to do business with the City under Chapter 1-23 of the Municipal Code, as such is required under Sec. 2-154-020, and failure to promptly provide the updated EDS(s) to the City will constitute an event of default under this Agreement.

Developer has provided to Corporation Counsel and DPD, a description of all pending or threatened litigation or administrative proceedings involving Developer, specifying, in each case, the amount of each claim, an estimate of probable liability, the amount of any reserves taken in connection therewith and whether (and to what extent) such potential liability is covered by insurance.

The Developer shall submit copies of the Construction Contract to DPD in accordance with **Section 6.02** below. Photocopies of all subcontracts entered or to be entered into in connection with the TIF-Funded Improvements shall be provided to DPD within five (5) business days of the execution thereof. The Developer shall ensure that the General Contractor shall not (and shall cause the General Contractor to ensure that the subcontractors shall not) begin work on the Project until the Plans and Specifications have been approved by DPD and all requisite permits have been obtained.

6.02 Construction Contract. Prior to the execution thereof, Developer shall deliver to DPD a copy of the proposed Construction Contract with the General Contractor selected to handle the Project in accordance with **Section 6.01** above, for DPD's prior written approval, which shall be granted or denied within ten (10) business days after delivery thereof. Within ten (10) business days after execution of such contract by Developer, the General Contractor and any other parties thereto, Developer shall deliver to DPD and Corporation Counsel a certified copy of such contract together with any modifications, amendments or supplements thereto.

6.03 Performance and Payment Bonds. SECTION 7. COMPLETION OF CONSTRUCTION OR REHABILITATION

7.01 Certificates of Completion.

(a) Upon completion of the construction of the WHC Phase in accordance with the terms of this Agreement and upon satisfaction in DPD's sole discretion of the conditions set forth in (i) through (vi) of this **Section 7.01(a)**, and upon Developer's written request, which shall include a final budget for the WHC Phase portion of the Project detailing the total actual cost of construction of the WHC Phase (a "Final WHC Phase Project Cost"), DPD shall issue to Developer the Initial Certificate. v. The Developer has submitted adequate documentation of that the Final WHC Phase Project Cost is at least [$8,017,680]; provided, however, that in the event that the Final WHC Phase Project Cost is less than [$8,017,680], the total amount of City Funds shall be reduced by $1.00 for every $1.00 (or portion thereof) by which the Final WHC Phase Project Cost is less than [$8,017,680], as described in **Section 4.03(b)**; and

vi. There exists neither an Event of Default which is continuing nor a condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default.

(b) Upon completion of the construction of the Project in accordance with the terms of this Agreement and upon satisfaction in DPD's sole discretion of the conditions set forth in (i) through (x) of this **Section 7.01(b)**, and upon Developer's written request, which shall include a final budget for the ER Phase (the "Final ER Department Phase Project Cost") and of the Project (the "Final Project Cost"), DPD shall issue to Developer a Final Certificate in recordable form certifying that Developer has fulfilled its obligation to complete the Project in accordance with the terms of this Agreement. The City will issue a Final Certificate upon the following conditions:

vii. The Final ER Department Phase Project Cost incurred by the Developer is at least [$10,380,126] and that the Final Project Cost is at least [$18,397,806]; provided, however, that in the event that the Final ER Department Phase Project Cost is less than [$10,380,126] or the Final Project Cost is less than [$18,397,806], the total amount of City Funds shall be reduced by $1.00 for every $1.00 (or portion thereof) by which the Final ER Department Final Project Cost is less than [$10,380,126] or the Final Project Cost is less than [$18,397,806], as the case may be, as described in **Section 4.03(b)**;

ix. There exists neither an Event of Default which is continuing nor a condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default.

DPD shall respond to Developer's written request for the Initial Certificate and Final Certificate within forty-five (45) days by issuing either such Certificate or a written statement detailing the ways in which the WHC Phase or ER Phase of the Project, as applicable, does not conform to this Agreement or has not been satisfactorily completed, and the measures which must be taken by Developer in order to obtain such Certificate. Developer may resubmit a written request for such Certificate upon completion of such measures.

7.02 Effect of Issuance of Certificate; Continuing Obligations. The Initial Certificate relates only to the completion of WHC Phase and the Final Certificate relates only to the completion of the Project. Upon issuance of the Final Certificate, the City will certify that the terms of the Agreement specifically related to Developer's obligation to complete the Project have been satisfied. After the issuance of both the Initial Certificate and the Final Certificate, however, all executory terms and conditions of this Agreement and all representations and covenants contained herein will continue to remain in full force and effect throughout the Term of the Agreement as to the parties described in the following paragraph. Neither the issuance of the Initial Certificate nor the Final

Certificate shall be construed as a waiver by the City of any of its rights and remedies pursuant to such executory terms.

Those covenants specifically described at **Sections 8.01(j), 8.01(k), 8.02, 8.06,8.19, 8.20, 8.23** and **8.25** as covenants that run with the land are the only covenants in this Agreement intended to be binding upon any transferee of the Property (including an assignee as described in the following sentence) throughout the Term of the Agreement notwithstanding the issuance of the Initial Certificate or the Final Certificate; provided, that upon the issuance of the Final Certificate, the covenants set forth in **Section 8.02** shall be deemed to have been fulfilled. The other executory terms of this Agreement that remain after the issuance of the Final Certificate shall be binding only upon Developer or a permitted assignee of Developer who, pursuant to **Section 18.15** of this Agreement, has contracted to take an assignment of Developer's rights under this Agreement and assume Developer's liabilities hereunder.

7.03 Failure to Complete. If Developer fails to complete the Project in accordance with the terms of this Agreement, then the City has, but shall not be limited to, any of the following rights and remedies:

(a) the right to terminate this Agreement and any other related agreements to which the City and Developer are or shall be parties and/or cease all disbursement of City Funds;

(b) the right (but not the obligation) to complete those TIF-Funded Improvements that are public improvements and to pay for the costs of TIF-Funded Improvements (including interest costs) out of City Funds or other City monies. In the event that the aggregate cost of completing the TIF-Funded Improvements exceeds the amount of City Funds available pursuant to **Section 4.01**, Developer shall reimburse the City for all reasonable costs and expenses incurred by the City in completing such TIF-Funded Improvements in excess of the available City Funds; and

(c) the right to seek reimbursement of the City Funds from Developer, provided that the City is entitled to rely on an opinion of counsel that such reimbursement will not jeopardize the tax-exempt status of the TIF Bonds, if any.

7.04 Notice of Expiration of Term of Agreement. Upon the expiration of the Term of the Agreement, DPD shall provide Developer, at Developer's written request, with a written notice in recordable form stating that the Term of the Agreement has expired.

SECTION 8. COVENANTS/REPRESENTATIONS/WARRANTIES OF DEVELOPER

8.01 General. Developer represents, warrants and covenants, as of the date of this Agreement and as of the date of each disbursement of City Funds hereunder, that:

(n) Developer agrees that Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Developer's contractors (i.e., any person or entity in direct contractual privity with Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Developer and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (i) after execution of this Agreement by Developer, (ii) while this Agreement or any Other Contract (as defined below) is executory, (iii) during the term of this Agreement or any Other Contract between Developer and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Developer agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) Bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral

Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Developer intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source which is then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Developer is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

(A) they are each other's sole domestic partner, responsible for each other's common welfare; and
(B) neither party is married; and
(C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
(D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
(E) two of the following four conditions exist for the partners:
    1. The partners have been residing together for at least 12 months.
    2. The partners have common or joint ownership of a residence.
    3. The partners have at least two of the following arrangements:
        a. joint ownership of a motor vehicle;
        b. a joint credit account;
        c. a joint checking account;
        d. a lease for a residence identifying both domestic partners as tenants.
    4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code, as amended.

8.02 Covenant to Redevelop. Upon DPD's approval of the Project Budget, the Scope Drawings and Plans and Specifications as provided in **Sections 3.02** and **3.03** hereof, and Developer's receipt of all required building permits and governmental approvals, Developer shall

redevelop the Property in accordance with this Agreement and all Exhibits attached hereto, the TIF Ordinance, if any, the Bond Ordinance, if any, the Scope Drawings, Plans and Specifications, Project Budget and all amendments thereto, and all Laws applicable to the Project, the Property and/or Developer. The covenants set forth in this Section shall run with the land and be binding upon any transferee, but shall be deemed satisfied upon issuance by the City of the Final Certificate.

8.03 Redevelopment Plan. The Developer represents that the Project is and shall be in compliance with all of the terms of the Planned Development and Redevelopment Plan, which are hereby incorporated by reference into this Agreement.

8.04 Use of City Funds. City Funds disbursed to the Developer shall be used by Developer solely to pay for (or to reimburse Developer for its payment for) the TIF-Funded Improvements as provided in this Agreement.

8.05 Other Bonds. Developer shall, at the request of the City, agree to any reasonable amendments to this Agreement that are necessary or desirable in order for the City to issue (in its sole discretion) any bonds in connection with the Redevelopment Area, the proceeds of which may be used to reimburse the City for expenditures made in connection with, or provide a source of funds for the payment for, the TIF-Funded Improvements (the "**Bonds**"); provided, however, that any such amendments shall not have a material adverse effect on Developer or the Project. Developer shall, at Developer's expense, cooperate and provide reasonable assistance in connection with the marketing of any such Bonds, including but not limited to providing written descriptions of the Project, making representations, providing information regarding its financial condition and assisting the City in preparing an offering statement with respect thereto.

8.06 Operating Covenant; Job Creation and Retention.

(a) **Operating Covenant**. The Developer hereby covenants and agrees to maintain the Facility, including without limitation the WHC and the ER Department, at the Property throughout the Term of the Agreement (collectively, the "**Operating Covenant**"). A default under the Operating Covenant shall constitute an Event of Default without notice or opportunity to cure.

(b) **Jobs Covenant**. The Developer shall adhere to the following job creation and retention standards (collectively the "**Jobs Covenant**"):

(i) Prior to the date the Developer requests the City to issue the Final Certificate under **Section 7.01** hereof, the Developer shall have created not less than thirty (30) new positions and retained not less than 2,400 positions (no fewer than 1,700 of which shall be FTE positions, with the remainder being PTE positions) at the Hospital campus;

(ii) During the Compliance Period, the Developer shall maintain at least 2,280 positions (no fewer than 1,615 of which shall be FTE positions, with the remainder being PTE positions); and

(iii) During the Compliance Period, for purposes of determining eligibility for insurance, retirement and other employee benefits that may be offered by the Developer, the Developer shall continue to treat (A) an individual who is budgeted and scheduled to work a minimum of 64 hours per pay period on a regularly scheduled basis as a regular full-time employee, and (B) an individual who is budgeted and scheduled to work between 48 to 63 hours per pay period on a regularly scheduled basis as a regular part-time employee.

(c) **Jobs and Occupancy Certificates**. Throughout the Compliance Period, the Developer shall submit to DPD annual certified Jobs and Occupancy Certificates disclosing compliance with the then-applicable Jobs Covenant and the Operating Covenant. These Jobs and Occupancy Certificates shall be submitted to DPD by February 1st for the prior calendar year. The Developer agrees that it shall act in good faith and, among other things, shall not hire temporary workers or relocate workers for short periods of time for the primary purpose of avoiding a breach of the Jobs Covenant. The Jobs and Occupancy Certificate shall include the names, addresses and zip codes of principal residence, and job titles of FTEs and PTEs employed at the Facility as of the end of the prior calendar year.

(d) **Jobs Covenant Default and Cure Period**. If the Developer defaults under the Jobs Covenant, an Event of Default shall not be declared with respect to such default if the Developer, upon irrevocable written notice (the "**Extension Notice**") accompanying the Jobs and Occupancy Certificate, elects to extend the Compliance Period by one year to the eleventh (11th) anniversary of the date the Final Certificate is issued. The one-year period during which the Extension Notice is given shall be the only cure period allowed for a default by Developer of the Jobs Covenant as described in this paragraph; no other notice or cure periods shall apply thereto and if such default is not cured within such one-year period then the Compliance Period shall not be extended and an Event of Default shall exist without notice or opportunity to cure. If the Developer has not delivered a permitted Extension Notice then any default by the Developer of the Jobs Covenant shall constitute an Event of Default without notice or opportunity to cure. The Developer shall be entitled to deliver one Extension Notice. If the Developer has delivered an Extension Notice, then any subsequent default by the Developer of the Jobs Covenant shall constitute an Event of Default without notice or opportunity to cure.

(d) **Covenants Run with the Land; Remedy**. The covenants set forth in this **Section 8.06** shall run with the land and be binding upon any transferee. In the event of a default for any of the covenants in this **Section 8.06**, the City shall have the right to recapture the full amount of all City Funds previously paid or disbursed to the Developer for the Project if such default(s) is/are not cured during the applicable cure period, if any, and to exercise any other remedies described or referred to in this Agreement.

8.07 Employment Opportunity; Progress Reports. Developer covenants and agrees to abide by, and contractually obligate and use reasonable efforts to cause the General Contractor and each subcontractor to abide by the terms set forth in **Section 10** hereof Developer shall deliver to the City written progress reports detailing compliance with the requirements of **Sections 8.09, 10.02 and 10.03** of this Agreement. Such reports shall be delivered to the City monthly. If any such reports indicate a shortfall in compliance, Developer shall also deliver a plan to DPD which shall outline, to DPD's satisfaction, the manner in which Developer shall correct any shortfall.

8.08 Employment Profile. Developer shall submit, and contractually obligate and cause the General Contractor or any subcontractor to submit, to DPD, from time to time, statements of its employment profile upon DPD's request.

8.09 Prevailing Wage. Developer covenants and agrees to pay, and to contractually obligate and cause the General Contractor and each subcontractor to pay, the prevailing wage rate as ascertained by the Illinois Department of Labor (the "**Department**"), to all Project employees. All such contracts shall list the specified rates to be paid to all laborers, workers and mechanics for each craft or type of worker or mechanic employed pursuant to such contract. If the Department revises such prevailing wage rates, the revised rates shall apply to all such contracts. Upon the

City's request, Developer shall provide the City with copies of all such contracts entered into by Developer or the General Contractor to evidence compliance with this **Section 8.09**.

8.10 Arms-Length Transactions. Unless DPD has given its prior written consent with respect thereto, no Affiliate of Developer may receive any portion of City Funds, directly or indirectly, in payment for work done, services provided or materials supplied in connection with any TIF-Funded Improvement. Developer shall provide information with respect to any entity to receive City Funds directly or indirectly (whether through payment to the Affiliate by Developer and reimbursement to Developer for such costs using City Funds, or otherwise), upon DPD's request, prior to any such disbursement.

8.11 Conflict of Interest. Pursuant to Section 5/11-74.4-4(n) of the Act, Developer represents, warrants and covenants that, to the best of its knowledge, no member, official, or employee of the City, or of any commission or committee exercising authority over the Project, the Redevelopment Area or the Redevelopment Plan, or any consultant hired by the City or Developer with respect thereto, owns or controls, has owned or controlled or will own or control any interest, and no such person shall represent any person, as agent or otherwise, who owns or controls, has owned or controlled, or will own or control any interest, direct or indirect, in Developer's business, the Property or any other property in the Redevelopment Area.

8.12 Disclosure of Interest. Developer's counsel has no direct or indirect financial ownership interest in Developer, the Property or any other aspect of the Project.

8.13 Financial Statements. Developer shall obtain and provide to DPD Financial Statements for Developer's fiscal year ended 2013 and each [December 31] thereafter throughout the Compliance Period. In addition, Developer shall submit unaudited financial statements as soon as reasonably practical following the close of each fiscal year and for such other periods as DPD may request.

8.14 Insurance. Developer, at its own expense, shall comply with all provisions of **Section 12** hereof.

8.15 Non-Governmental Charges. (a) Payment of Non-Governmental Charges. Except for the Permitted Liens, Developer agrees to pay or cause to be paid when due any Non-Governmental Charge assessed or imposed upon the Project, the Property or any fixtures that are or may become attached thereto, which creates, may create, or appears to create a lien upon all or any portion of the Property or Project; provided however, that if such Non-Governmental Charge may be paid in installments, Developer may pay the same together with any accrued interest thereon in installments as they become due and before any fine, penalty, interest, or cost may be added thereto for nonpayment. Developer shall furnish to DPD, within thirty (30) days of DPD's request, official receipts from the appropriate entity, or other proof satisfactory to DPD, evidencing payment of the Non-Governmental Charge in question.

(b) Right to Contest. Developer has the right, before any delinquency occurs:

(i) to contest or object in good faith to the amount or validity of any Non-Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charge, prevent the imposition of a lien or remove such lien, or prevent the sale or forfeiture of the Property (so long as no such contest or objection shall be deemed or construed to

relieve, modify or extend Developer's covenants to pay any such Non-Governmental Charge at the time and in the manner provided in this **Section 8.15**); or

(ii) at DPD's sole option, to furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully any such contested Non-Governmental Charge and all interest and penalties upon the adverse determination of such contest.

8.16 Developer's Liabilities. Developer shall not enter into any transaction that would materially and adversely affect its ability to perform its obligations hereunder or to repay any material liabilities or perform any material obligations of Developer to any other person or entity. Developer shall immediately notify DPD of any and all events or actions which may materially affect Developer's ability to carry on its business operations or perform its obligations under this Agreement or any other documents and agreements.

8.17 Compliance with Laws.

(a) Representation. To the best of the Developer's knowledge, after diligent inquiry, the Property and the Project are and shall be in compliance with all Laws pertaining to or affecting the Project and the Property. Upon the City's request, the Developer shall provide evidence satisfactory to the City of such compliance.

(b) Covenant. The Developer covenants that the Property and the Project will be operated and managed in compliance with all Laws. Upon the City's request, the Developer shall provide evidence to the City of its compliance with this covenant.

8.18 Recording and Filing. Developer shall cause this Agreement, certain exhibits (as specified by Corporation Counsel), all amendments and supplements hereto to be recorded and filed against the Property on the date hereof in the conveyance and real property records of the county in which the Project is located. This Agreement shall be recorded prior to any mortgage made in connection with Lender Financing. Developer shall pay all fees and charges incurred in connection with any such recording. Upon recording, Developer shall immediately transmit to the City an executed original of this Agreement showing the date and recording number of record.

8.19 Real Estate Provisions.

(a) Governmental Charges.

(i) Payment of Governmental Charges. Developer agrees to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon Developer, the Property or the Project, or become due and payable, and which create, may create a lien upon Developer or all or any portion of the Property or the Project. "Governmental Charge" shall mean all federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties of the State other than Cook County, and municipalities other than the City) relating to Developer, the Property or the Project including but not limited to real estate taxes.

(ii) Right to Contest. Developer has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or forfeiture of the Property. Developer's right to challenge real estate taxes applicable to the Property is limited as provided for in **Section 8.19(c)** below; provided, that such real estate taxes must be paid in full when due. No such contest or objection shall be deemed or construed in any way as relieving, modifying or extending Developer's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless Developer has given prior written notice to DPD of Developer's intent to contest or object to a Governmental Charge and, unless, at DPD's sole option,

(i) Developer shall demonstrate to DPD's satisfaction that legal proceedings instituted by Developer contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of, all or any part of the Property to satisfy such Governmental Charge prior to final determination of such proceedings; and/or

(ii) Developer shall furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

(b) Developer's Failure To Pay Or Discharge Lien. If Developer fails to pay any Governmental Charge or to obtain discharge of the same, Developer shall advise DPD thereof in writing, at which time DPD may, but shall not be obligated to, and without waiving or releasing any obligation or liability of Developer under this Agreement, in DPD's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which DPD deems advisable. All sums so paid by DPD, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be promptly disbursed to DPD by Developer. Notwithstanding anything contained herein to the contrary, this paragraph shall not be construed to obligate the City to pay any such Governmental Charge. Additionally, if Developer fails to pay any Governmental Charge, the City, in its sole discretion, may require Developer to submit to the City audited Financial Statements at Developer's own expense.

(c) Real Estate Taxes. With respect to the Property or the Project, nothing in this Agreement shall prevent Developer or any agent, representative, lessee, tenant, assignee, transferee or successor in interest to Developer, during the Term of this Agreement, from seeking or authorizing any exemption (as such term is used and defined in the Illinois Constitution, Article IX, Section 6 (1970)) for any year that the Redevelopment Plan is in effect. Notwithstanding the foregoing, if at any time during the Term of this Agreement all or any portion of the Property or the Project is not exempt from real estate taxes (the "**Non-exempt Property**"), then the following provisions shall apply to the Non-exempt Property:

(i) Acknowledgment of Real Estate Taxes. Developer and the City shall negotiate in good faith to establish an Exhibit to be attached to this Agreement and containing (A) the

total projected minimum assessed value of the Non-exempt Property ("**Minimum Assessed Value**") for the years noted on the exhibit; (B) the specific improvements which will generate the fair market values, assessments, equalized assessed values and taxes shown thereon; and (C) the real estate taxes anticipated to be generated and derived from the respective portions of the Non-exempt Property for the years shown on the exhibit.

(ii) No Reduction in Real Estate Taxes. Neither Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to Developer shall, during the Term of this Agreement, directly or indirectly, initiate, seek or apply for proceedings in order to lower the assessed value of all or any portion of the Property or the Project below the amount of the Minimum Assessed Value for the applicable year as shown in the exhibit described in **Section 8.19(c)(i)**.

(iii) No Objections. Neither Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to Developer, shall object to or in any way seek to interfere with, on procedural or any other grounds, the filing of any Underassessment Complaint or subsequent proceedings related thereto with the Cook County Assessor or with the Cook County Board of Appeals, by either the City or any taxpayer. The term "Underassessment Complaint" as used in this Agreement shall mean any complaint seeking to increase the assessed value of the Property up to (but not above) the Minimum Assessed Value as shown in the exhibit described in **Section 8.19(c)(i)**.

(iv) Covenants Running with the Land. The parties agree that the restrictions contained in this **Section 8.19(c)** are covenants running with the land and this Agreement shall be recorded by Developer as a memorandum thereof, at Developer's expense, with the Cook County Recorder of Deeds on the Closing Date. These restrictions shall be binding upon Developer and its agents, representatives, lessees, successors, assigns and transferees from and after the date hereof, provided however, that the covenants shall be released when the Redevelopment Area is no longer in effect. Developer agrees that any sale, lease, conveyance, or transfer of title to all or any portion of the Property or Redevelopment Area from and after the date hereof shall be made explicitly subject to such covenants and restrictions. Notwithstanding anything contained in this **Section 8.19(c)** to the contrary, the City, in its sole discretion and by its sole action, without the joinder or concurrence of Developer, its successors or assigns, may waive and terminate Developer's covenants and agreements set forth in this **Section 8.19(c)**.

(d) Change in Use and Ownership. If applicable during the Term of this Agreement, Developer shall complete a letter of notification, in accordance with 35 ILCS 200/15-20, notifying the Cook County Assessor that there has been a change in use and ownership of the Property. After delivery of the notification to the Cook County Assessor via certified mail, return receipt requested, Developer shall forward a copy of the return receipt to DPD, with a copy to the City's Corporation Counsel's office. Additionally, the provisions of this **Section 8.19** do not prohibit a change in use of portions of the Property so long as the Developer is in compliance with the Operating Covenant as set forth in **Section 8.06(a)** hereof, including if such change in use results in Non-exempt Property thereafter being exempt from the payment of real estate taxes.

8.20 Annual Compliance Report. During the Compliance Period, the Developer shall submit to DPD the Annual Compliance Report within 30 days after the end of the calendar year to which the Annual Compliance Report relates.

8.21 Inspector General. It is the duty of Developer and the duty of any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all of Developer's officers, directors, agents, partners, and employees and any such bidder, proposer, contractor, subcontractor or such applicant: (a) to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code and (b) to cooperate with the Legislative Inspector General in any investigation undertaken pursuant to Chapter 2-55 of the Municipal Code. Developer represents that it understands and will abide by all provisions of Chapters 2-56 and 2-55 of the Municipal Code and that it will inform subcontractors of this provision and require their compliance.

8.22 Green Initiatives. The Developer shall provide an affidavit documenting it has achieved at least fourteen (14) out of the maximum seventeen (17) possible points on the LEED Indoor Air Quality Certification, which are set forth in **Exhibit F** hereto, for each of the WHC and the ER Department.

8.23 FOIA and Local Records Act Compliance.

(a) FOIA. The Developer acknowledges that the City is subject to the Illinois Freedom of Information Act, 5 ILCS 140/1 et. seq., as amended ("FOIA"). The FOIA requires the City to produce records (very broadly defined in FOIA) in response to a FOIA request in a very short period of time, unless the records requested are exempt under the FOIA. If the Developer receives a request from the City to produce records within the scope of FOIA, then the Developer covenants to comply with such request within 48 hours of the date of such request. Failure by the Developer to timely comply with such request shall be an Event of Default.

(b) Exempt Information. Documents that the Developer submits to the City under **Section 8.20**, (Annual Compliance Report) or otherwise during the Term of the Agreement that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents submitted by the Developer to be treated as a trade secret or information that would cause competitive harm, FOIA requires that Developer mark any such documents as "proprietary, privileged or confidential." If the Developer marks a document as "proprietary, privileged and confidential", then DPD will evaluate whether such document may be withheld under the FOIA. DPD, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General's Office and/or the courts.

(c) Local Records Act. The Developer acknowledges that the City is subject to the Local Records Act, 50 ILCS 205/1 et. seq, as amended (the "Local Records Act"). The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, the Developer covenants to use its best efforts consistently applied to assist the City in its compliance with the Local Records Act.

8.24 Job Readiness Program. Developer shall undertake a job readiness program to work with the City, through DPD'sWorkforce Unit, to participate in job training programs to provide job applicants for the jobs created by the Project and the operation of Developer's business on the Property.

8.25 Survival of Covenants. All warranties, representations, covenants and agreements of Developer contained in this **Section 8** and elsewhere in this Agreement shall be true, accurate and complete at the time of Developer's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and (except as provided in **Section**

7 hereof upon the issuance of the Final Certificate) shall be in effect throughout the Term of the Agreement.

SECTION 9. COVENANTS/REPRESENTATIONS/WARRANTIES OF CITY

9.01 General Covenants. The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations hereunder.

9.02 Survival of Covenants. All warranties, representations, and covenants of the City contained in this **Section 9** or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

SECTION 10. DEVELOPER'S EMPLOYMENT OBLIGATIONS

10.01 Employment Opportunity. Developer, on behalf of itself and its successors and assigns, hereby agrees, and shall contractually obligate its or their various contractors, subcontractors or any Affiliate of Developer operating on the Property (collectively, with Developer, the "Employers" and individually an "Employer") to agree, that for the Term of this Agreement with respect to Developer and during the period of any other party's provision of services in connection with the construction of the Project or occupation of the Property:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time to time (the "Human Rights Ordinance"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Redevelopment Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

(c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this **Section 10.01** shall be a basis for the City to pursue remedies under the provisions of **Section 15.02** hereof.

10.02 City Resident Construction Worker Employment Requirement. Developer agrees for itself and its successors and assigns, and shall contractually obligate its General Contractor and shall cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code (at least 50 percent of the total worker hours worked by persons on the site of the Project shall be performed by Actual Residents of the City); provided, however, that in addition to complying with this percentage, Developer, its General Contractor and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

Developer may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

"Actual Residents of the City" shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

Developer, the General Contractor and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of DPD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

Developer, the General Contractor and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DPD, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. Developer, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

At the direction of DPD, affidavits and other supporting documentation will be required of Developer, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of Developer, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that Developer has failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject Developer, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to Developer pursuant to Section 2-92-250 of the Municipal Code may be withheld by the City pending the Chief Procurement Officer's determination as to whether Developer must surrender damages as provided in this paragraph.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246 " and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

Developer shall cause or require the provisions of this **Section 10.02** to be included in all construction contracts and subcontracts related to the Project.

10.03. MBE/WBE Commitment. Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that during the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 10.03, during the course of the Project, at least the following percentages of the MBE/WBE Budget (as set forth in **Exhibit H-2** hereto) shall be expended for contract participation by MBEs and by WBEs:

(1) At least 24 percent by MBEs.
(2) At least four percent by WBEs.

(b) For purposes of this **Section 10.03** only, Developer (and any party to whom a contract is let by Developer in connection with the construction of the Project) shall be deemed a "contractor" and this Agreement (and any contract let by Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code, Developer's MBE/WBE commitment may be achieved in part by Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by Developer utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials or services used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to Developer's MBE/WBE commitment as described in this Section 10.03. In accordance with Section 2-92-730, Municipal Code, Developer shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of DPD.

(d) Developer shall deliver quarterly reports to the City's monitoring staff during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by Developer or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining Developer's compliance with this MBE/WBE commitment. Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by Developer, on five Business Days' notice, to allow the City to review Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, Developer shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code, as applicable.

(f) Any reduction or waiver of Developer's MBE/WBE commitment as described in this **Section 10.03** shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code, as applicable.

(g) Prior to the commencement of the Project, Developer shall be required to meet with the City's monitoring staff with regard to Developer's compliance with its obligations under this **Section 10.03**. The General Contractor and all major subcontractors shall be required to attend this pre-

construction meeting. During said meeting, Developer shall demonstrate to the City's monitoring staff its plan to achieve its obligations under this **Section 10.03**, the sufficiency of which shall be approved by the City's monitoring staff. During the Project, Developer shall submit the documentation required by this **Section 10.03** to the City's monitoring staff, including the following: (i) subcontractor's activity report; (ii) contractor's certification concerning labor standards and prevailing wage requirements; (iii) contractor letter of understanding; (iv) monthly utilization report; (v) authorization for payroll agent; (vi) certified payroll; (vii) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (viii) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that Developer is not complying with its obligations under this **Section 10.03**, shall, upon the delivery of written notice to Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to Developer to halt the Project, (2) withhold any further payment of any City Funds to Developer or the General Contractor, or (3) seek any other remedies against Developer available at law or in equity.

occurring during the term of this Agreement. Developer must submit evidence of insurance on the City of Chicago Insurance Certificate Form (copy attached) or equivalent prior to closing. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Developer is not a waiver by the City of any requirements for Developer to obtain and maintain the specified coverages. Developer shall advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance does not relieve Developer of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to stop work and/or terminate agreement until proper evidence of insurance is provided.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

(i) Developer's failure to comply with any of the terms, covenants and conditions contained within this Agreement; or

(ii) Developer's or any contractor's failure to pay General Contractors, subcontractors or materialmen in connection with the TIF-Funded Improvements or any other Project improvement; or

(iv) Developer's failure to cure any misrepresentation in this Agreement or any other agreement relating hereto;

provided, however, that Developer shall have no obligation to an Indemnitee arising from the wanton or willful misconduct of that Indemnitee. To the extent that the preceding sentence may be unenforceable because it is violative of any law or public policy, Developer shall contribute the maximum portion that it is permitted to pay and satisfy under the applicable law, to the payment and satisfaction of all indemnified liabilities incurred by the Indemnitees or any of them. The provisions of the undertakings and indemnification set out in this **Section 13.01** shall survive the termination of this Agreement.

SECTION 14. MAINTAINING RECORDS/RIGHT TO INSPECT

14.01 Books and Records. Developer shall keep and maintain separate, complete, accurate and detailed books and records necessary to reflect and fully disclose the total actual cost of the Project and the disposition of all funds from whatever source allocated thereto, and to monitor the Project. All such books, records and other documents, including but not limited to Developer's loan statements, if any, General Contractors' and contractors' sworn statements, general contracts, subcontracts, purchase orders, waivers of lien, paid receipts and invoices, shall be available at Developer's offices for inspection, copying, audit and examination by an authorized representative of the City, at Developer's expense. Developer shall incorporate this right to inspect, copy, audit and examine all books and records into all contracts entered into by Developer with respect to the Project.

SECTION 15. DEFAULT AND REMEDIES

15.01 Events of Default. The occurrence of any one or more of the following events, subject to the provisions of Section 15.03, shall constitute an "Event of Default" by Developer hereunder:

(a) the failure of Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of Developer under this Agreement or any related agreement;

(b) the failure of Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of Developer under any other agreement with any person or entity if such failure may have a material adverse effect on Developer's business, property, assets, operations or condition, financial or otherwise;

(c) the making or furnishing by Developer to the City of any representation, warranty, certificate, schedule, report or other communication within or in connection with this Agreement or any related agreement which is untrue or misleading in any material respect;

(d) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of, or any attempt to create, any lien or other encumbrance upon the Property, including any fixtures now or hereafter attached thereto, other than the Permitted Liens, or the making or any attempt to make any levy, seizure or attachment thereof;

(e) the commencement of any proceedings in bankruptcy by or against Developer or for the liquidation or reorganization of Developer, or alleging that Developer is insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of Developer's debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving Developer; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings;

(f) the appointment of a receiver or trustee for Developer, for any substantial part of Developer's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of Developer; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within sixty (60) days after the commencement thereof;

(g) the entry of any judgment or order against Developer which remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution;

(h) the occurrence of an event of default under the Lender Financing, which default is not cured within any applicable cure period;

(i) the dissolution of Developer;

(j) the institution in any court of a criminal proceeding (other than a misdemeanor) against Developer or any natural person who owns a material interest in Developer, which is not dismissed

within thirty (30) days, or the indictment of Developer or any natural person who owns a material interest in Developer, for any crime (other than a misdemeanor);

(k) during the Compliance Period, the sale or transfer of a majority of the ownership interests of Developer without the prior written consent of the City; or

(l) The failure of Developer, or the failure by any party that is a Controlling Person (defined in Section 1-23-010 of the Municipal Code) with respect to Developer, to maintain eligibility to do business with the City in violation of Section 1-23-030 of the Municipal Code; such failure shall render this Agreement voidable or subject to termination, at the option of the Chief Procurement Officer.

15.02 Remedies. Upon the occurrence of an Event of Default, the City may terminate this Agreement and any other agreements to which the City and Developer are or shall be parties, suspend or permanently discontinue continued disbursement of City Funds or seek reimbursement of any City Funds paid. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to damages, injunctive relief or the specific performance of the agreements contained herein. Upon the occurrence of an Event of Default under **Section 8.06**, Developer shall be obligated to repay to the City all previously disbursed City Funds.

Upon the occurrence of an Event of Default because of failure to comply with **Section 8.01(j)(5)** (in the event of a sale or transfer of the Facility or any part thereof for any use other than a health care facility prior to the ten (10) year anniversary of the issuance of the Final Certificate), the Developer agrees to pay and remit to the City an amount equal to five percent (5%) of such sale, transfer, lease or other disposition based on the final executed settlement statement prepared in connection with such sale, transfer or other disposition, with such repayment amount not to exceed 110% of the total City Funds paid to the Developer. Payments to the City made pursuant to this **Section 15.02** are subject to the subordination provisions of the Master Indenture, relevant portions of which are included in **Exhibit M**.

15.03 Curative Period. In the event Developer shall fail to perform a monetary covenant which Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless Developer has failed to perform such monetary covenant within ten (10) days of its receipt of a written notice from the City specifying that it has failed to perform such monetary covenant. In the event Developer shall fail to perform a non-monetary covenant which Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless Developer has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such thirty (30) day period, Developer shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

Notwithstanding any other provision of this Agreement to the contrary:

(a) the only cure periods, if any, applicable to the Developer's failure to comply with the Jobs Covenant are those set forth in **Section 8.06**;

(b) there shall be no notice requirement or cure period with respect to an Event of Default arising from the Developer's failure to comply with the Operations Covenant; and

(c) there shall be no notice requirement or cure period with respect to Events of Default described in **Section 8.20** (with respect to filing the Annual Report).

SECTION 16. MORTGAGING OF THE PROJECT

That certain Mortgage and Security Agreement dated as of January 15, 2010 from the Developer, as mortgagor, to U.S. Bank National Association, as mortgagee, as supplemented and amended to the date hereof and as shall be amended and supplemented in the future is referred to herein as the "**Existing Mortgage**." The Existing Mortgage is the only mortgage or deed of trust in place as of the date hereof with respect to the Property or any portion thereof. No amendments or supplements to the Existing Mortgage shall be deemed to be a New Mortgage as defined hereinafter.

Any mortgage or deed of trust that Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof is referred to herein as a "New Mortgage." Any New Mortgage that Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof with the prior written consent of the City is referred to herein as a "Permitted Mortgage." It is hereby agreed by and between the City and Developer as follows:

(a) In the event that a mortgagee or any other party shall succeed to Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under a New Mortgage (other than a Permitted Mortgage), whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of Developer's interest hereunder in accordance with **Section 18.14** hereof, the City may, but shall not be obligated to, attorn to and recognize such party as the successor in interest to Developer for all purposes under this Agreement and, unless so recognized by the City as the successor in interest, such party shall be entitled to no rights or benefits under this Agreement, but such party shall be bound by those provisions of this Agreement that are covenants expressly running with the land.

(b) In the event that any mortgagee shall succeed to Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under an Existing Mortgage or a Permitted Mortgage, whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of Developer's interest hereunder in accordance with **Section 18.15** hereof, the City hereby agrees to attorn to and recognize such party as the successor in interest to Developer for all purposes under this Agreement so long as such party accepts all of the obligations and liabilities of "Developer" hereunder; provided, however, that, notwithstanding any other provision of this Agreement to the contrary, it is understood and agreed that if such party accepts an assignment of Developer's interest under this Agreement, such party has no liability under this Agreement for any Event of Default of Developer which accrued prior to the time such party succeeded to the interest of Developer under this Agreement, in which case Developer shall be solely responsible. However, if such mortgagee under a Permitted Mortgage or an Existing Mortgage does not expressly accept an assignment of Developer's interest hereunder, such party shall be entitled to no rights and benefits under this Agreement, and such party shall be bound only by those provisions of this Agreement, if any, which are covenants expressly running with the land.

(c) Prior to the issuance by the City to Developer of the Final Certificate pursuant to **Section 7** hereof, no New Mortgage shall be executed with respect to the Property or any portion thereof without the prior written consent of the Commissioner of DPD. After issuance of the Final Certificate, if a mortgagee or other permitted transferee executes a subordination agreement in which it subordinates its New Mortgage to the covenants contained in Section 8.02, Section 8.06, and Section 8.19 of this agreement, then City consent is not required for the New Mortgage.

SECTION 18. MISCELLANEOUS

18.01 Amendment. This Agreement and the Exhibits attached hereto may not be amended or modified without the prior written consent of the parties hereto; provided, however, that the City, in its sole discretion, may amend, modify or supplement the Redevelopment Plan without the consent of any party hereto. It is agreed that no material amendment or change to this

Agreement shall be made or be effective unless ratified or authorized by an ordinance duly adopted by the City Council. The term "material" for the purpose of this **Section 18.01** shall be defined as any deviation from the terms of the Agreement which operates to cancel or otherwise reduce any developmental, construction or job-creating obligations of Developer (including those set forth in **Sections 10.02 and 10.03** hereof) by more than five percent (5%) or materially changes the Project site or character of the Project or any activities undertaken by Developer affecting the Project site, the Project, or both, or increases any time agreed for performance by Developer by more than ninety (90) days, including but not limited to extension of the time periods for completion of the WHC Phase or ER Phase more than ninety (90) days past the timeframes set forth in **Section 3.04** hereof.

18.02 Entire Agreement. This Agreement (including each Exhibit attached hereto, which is hereby incorporated herein by reference) constitutes the entire Agreement between the parties hereto and it supersedes all prior agreements, negotiations and discussions between the parties relative to the subject matter hereof.

18.03 Limitation of Liability. No member, official or employee of the City shall be personally liable to Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to Developer from the City or any successor in interest or on any obligation under the terms of this Agreement.

18.04 Further Assurances. Developer agrees to take such actions, including the execution and delivery of such documents, instruments, petitions and certifications as may become necessary or appropriate to carry out the terms, provisions and intent of this Agreement.

18.05 Waiver. Waiver by the City or Developer with respect to any breach of this Agreement shall not be considered or treated as a waiver of the rights of the respective party with respect to any other default or with respect to any particular default, except to the extent specifically waived by the City or Developer in writing. No delay or omission on the part of a party in exercising any right shall operate as a waiver of such right or any other right unless pursuant to the specific terms hereof. A waiver by a party of a provision of this Agreement shall not prejudice or constitute a waiver of such party's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by a party, nor any course of dealing between the parties hereto, shall constitute a waiver of any such parties' rights or of any obligations of any other party hereto as to any future transactions.

18.06 Remedies Cumulative. The remedies of a party hereunder are cumulative and the exercise of any one or more of the remedies provided for herein shall not be construed as a waiver of any other remedies of such party unless specifically so provided herein.

18.07 Disclaimer. Nothing contained in this Agreement nor any act of the City shall be deemed or construed by any of the parties, or by any third person, to create or imply any relationship of third-party beneficiary, principal or agent, limited or general partnership or joint venture, or to create or imply any association or relationship involving the City.

18.08 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which shall constitute one and the same agreement.

18.09 Severability. If any provision in this Agreement, or any paragraph, sentence, clause, phrase, word or the application thereof, in any circumstance, is held invalid, this Agreement shall be

OPINION OF DEVELOPER'S COUNSEL

City of Chicago
121 North LaSalle Street
Chicago, IL 60602
Attention: Corporation Counsel

Re: Swedish Covenant Hospital Redevelopment Agreement

Ladies and Gentlemen:

We have acted as counsel to Swedish Covenant Hospital, an Illinois not for profit corporation (the "Developer"), in connection with the purchase of certain land and the construction of certain facilities thereon located in Foster and California Redevelopment Project Area (the "Project").

We have examined, among other things, the following agreements, instruments and documents of even date herewith: (i) Swedish Covenant Hospital Redevelopment Agreement (the "Agreement") of even date herewith, executed by Developer and the City of Chicago (the "City") and (ii) [insert other documents including but not limited to documents related to purchase and financing of the Property and all lender financing related to the Project] (collectively, the "Documents").

We have also examined the originals or copies, certified or otherwise identified to our satisfaction, of such records of the Developer, corporate resolutions, certificates of officers and representatives of the Developer, and such other documents, and we have made such legal and factual investigations and inquiries, as we have deemed necessary or advisable for the purpose of rendering this opinion.

This opinion is rendered pursuant to Section 5.09 of the Agreement. Capitalized terms not otherwise defined herein have the same meanings as in the Agreement.

In rendering this opinion as to questions of fact material to this opinion, we have relied to the extent we have deemed such reliance appropriate, without investigation, on certificates and other communications from public officials and from officers of the Developer and on representations of the Developer set forth in the Documents.

Wherever we indicate that our opinion, with respect to the existence or absence of facts, is based on our knowledge, our opinion is based solely on the actual knowledge of the attorneys in this firm who are representing the Developer in connection with the Agreement, and other attorneys in this firm who have represented the Developer on other matters. In each case in which we indicate that our knowledge is based upon "due inquiry," the basis for our opinion is limited solely to (i) the actual knowledge of attorneys in this firm as described in the preceding sentence; (ii) discussions, inquiries and conferences occurring in connection with our representation of the Developer in connection with the Agreement; and (iii) reviews of the Documents, certain corporate records, documents and proceedings of or involving the Developer furnished to us in connection with the Agreement, and shall not imply any independent verification of any factual matter of which we became aware as a result of such discussions, inquiries, conferences and reviews.

We have assumed that the documents we have reviewed in connection with this opinion which purport to have been executed by the City have been duly executed and delivered by

the City and that the City has all requisite power to enter into and perform all obligations thereunder and is a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois, that execution and delivery thereof has been duly authorized by all requisite action and that the documents are valid and binding upon the City.

We have assumed the authenticity of all documents submitted to us as originals, the genuineness of all signatures thereon (other than those of the Developer), the legal capacity of natural persons executing such documents and the conformity to originals of all documents submitted to us as copies.

We are qualified to practice law in the State of Illinois and we do not purport to be experts in and do not express any opinion herein concerning any law other than the laws of the State of Illinois and the United States of America. Accordingly, we express no opinion as to the laws of any jurisdiction other than the State of Illinois or the United States of America.

We express no opinion herein concerning any statutes, ordinances, administrative decisions, rules or regulations of any county, town, municipality or special political subdivision (whether created or enabled through legislative action at the federal, state or regional level).

This opinion is limited to the extent that (i) the performance and enforceability of any agreement by or against any party may be subject to applicable bankruptcy, insolvency, reorganization, fraudulent conveyance, moratorium or other similar laws affecting generally the enforcement of creditors' rights; (ii) general equitable principles may limit the availability of equitable remedies, including, but not limited to, the remedy of specific performance; (iii) such enforceability may be limited by the effect of limitations on the enforceability of agreements to indemnify, defend, or hold harmless when the event giving rise to the obligations thereunder is caused in whole or in part by certain actions or negligence of the indemnitee thereunder or agreements to indemnify, defend, or hold harmless that are prohibited by applicable law or contrary to public policy; (iv) a court may refrain from enforcing any provisions of such documents regarding the remedies available to any party (a) to take discretionary action which is arbitrary, unreasonable, or capricious, or is not taken in good faith or in a commercially reasonable manner, whether or not such action is permitted under said agreements, or (b) for violations or breaches which are non-material or without substantial adverse effect upon the ability of the obligor to perform its material obligations thereunder; (v) the unenforceability under certain circumstances of provisions to the effect that rights or remedies are not inclusive, that every right or remedy is cumulative and may be exercised in addition to or with any other right or remedy, that election of a particular remedy or remedies does not preclude recourse to one or more other remedies or that failure to exercise or delay in exercising rights or remedies will not operate as a waiver of any such rights or remedies; and (vi) the unenforceability in certain circumstances of provisions imposing penalties or forfeiture, including without limitation any provisions in the documents that permit the lending parties to increase the rate of interest or to collect a late charge or prepayment penalty in the event of delinquency or default.

The opinions expressed below are subject to limitations on the enforceability under certain circumstances, under state or federal law or court decisions, of provisions: (a) expressly or by implication waiving broadly or vaguely stated rights, unknown future rights, defenses to obligations or rights granted or implied by law, where such waivers are against public policy or prohibited by law; (b) which waive (i) statutory provisions with respect to notice or cure, (ii) statutes of limitations, (iii) rights to trial by jury or (iv) rights of setoff or recoupment or rights to terminate an agreement; (c) to the effect that waivers, modifications or amendments must be in writing in order to be effective; (d) respecting self-help or summary remedies without notice or opportunity for hearing or correction; and (e) to the effect that the invalidity or limits on the enforceability of certain

provisions, deemed as such under state or federal law or court decisions, shall not impair the validity or enforceability of remaining provisions.

Based upon the foregoing, and in reliance upon the items previously referred to, and subject to the exceptions, limitations, qualifications and assumptions stated herein, we are of the opinion that:

1. The Developer is a not for profit corporation, duly organized, existing and in good standing under the laws of the State of Illinois (the "State"). The Developer has all necessary corporate power and authority to conduct the business now conducted by it.

2. The Developer is an organization described in Section 501(c)(3) of the Internal Revenue Code of 1986, as amended (the "Code"), and is exempt from federal income taxes under Section 501(a) of the Code, other than taxation of unrelated business income subject to taxation under Section 511 of the Code, and is not a "private foundation" as defined in Section 509(a) of the Code (a "Tax-Exempt Organization"). The Developer is an organization described in Section 3(a)(4) of the Securities Act of 1933, as amended, and Section 12(g)(2)(D) of the Securities Exchange Act of 1934, as amended.

3. The Developer has the requisite corporate power and authority: (a) to own and operate its properties and assets; (b) to conduct and carry on its business as presently conducted; and (c) to enter into, execute, deliver and perform the terms of the Documents and to incur and perform the Developer's obligations provided for therein.

4. The Documents and the execution, delivery and performance of the same have been duly authorized by all necessary corporate action by, for or on behalf of the Developer. Assuming, but rendering no opinion as to, the due authorization, execution and delivery of such documents by the other parties thereto, such documents constitute legal, valid and binding obligations of the Developer, enforceable in accordance with their respective terms, subject, as to enforcement of any indemnification provisions that may be limited by any public policy and/or federal and state securities laws.

5. The execution, delivery and performance by the Developer of the Documents, and compliance with the provisions thereof by the parties thereto, under the circumstances contemplated thereby, do not and will not constitute a violation of, conflict with or a breach of any of the provisions, terms or conditions of or default under the Articles of Incorporation, as amended, or bylaws, as amended, of the Developer, any resolution adopted by the Developer with respect to the Agreement, or any material and existing law, regulation, court order or consent decree to which the Developer is subject, any material written agreement, indenture or instrument pursuant to which the Developer is a party or by which the Developer is bound. To the best of our knowledge after due inquiry, such execution, delivery and performance by the Developer will not constitute grounds for acceleration of the maturity of any material written agreement, indenture or instrument to which the Developer is a party or by which it or any of its property is bound, or result in the creation or imposition (or the obligation to create or impose) any lien, charge or encumbrance on, or security interest in, any of its property pursuant to the provisions of the foregoing, other than liens or security interests in favor of the lender providing Lender Financing (as defined in the Agreement).

6. The execution, delivery and performance by the Developer of the Documents, and the other agreements contemplated therein are not subject to any authorization, consent, approval or review of or by any governmental body or regulatory authority not heretofore obtained or effected.

7. A federal or state court sitting in the State of Illinois and applying the choice of law provisions of the State of Illinois would enforce the choice of law contained in the Documents and apply the law of the State of Illinois to the transactions evidenced thereby.

8. To our knowledge the Developer has all material and necessary licenses, approvals and permits currently required under federal and state law to own and operate its properties and business.

Based upon a review of our litigation docket and an officer's certificate, to our knowledge, there is no action, suit, litigation, proceeding or investigation at law or in equity before or by any judicial or administrative court, public board or body, pending or threatened against or affecting the Developer, which would (a) contest the due organization, corporate existence, corporate powers or tax-exempt status of the Developer, (b) contest or affect the validity, execution or enforceability in accordance with their respective terms of the Documents, (c) limit, enjoin or prevent the Developer from operating its business as it is presently being operated or (d) restrain, enjoin or restrict the execution, issuance, delivery or enforceability, in accordance with their respective terms of the Documents.

This opinion is given as of the date hereof, and we assume no obligation to advise you of changes that may hereafter be brought to our attention. This opinion may be relied upon only by the addressees hereof and by other persons to whom prior written permission to rely hereon is granted by us.

Respectfully submitted,

within the Developer's applicable insurance policy limits or in which adverse judgments, in the aggregate, would not have a material adverse effect on the operations or financial condition of the Developer.

To the best of our knowledge after diligent inquiry, there is no default by the Developer or any other party under any material contract, lease, agreement, instrument or commitment to which the Developer is a party or by which the company or its properties is bound.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The above recitals are incorporated herein and made a part hereof.

SECTION 2. The Commissioner (the "Commissioner") of the City's Department of Planning and Development or a designee of the Commissioner are each hereby authorized, with the approval of the City's Corporation Counsel as to form and legality, to negotiate, execute

and deliver a First Amendment to the RDA by the City and the Developer in substantially the form attached hereto as **Exhibit A** and made a part hereof (the "First Amendment"), and such other supporting documents as may be necessary to carry out and comply with the provisions of the First Amendment, with such changes, deletions and insertions as shall be approved by the persons executing the First Amendment. The Commissioner or a designee of the Commissioner is each hereby authorized to give such approvals and consents on behalf of the City as are expressly provided for in the First Amendment.

SECTION 3. Notes of the City shall be issued for the payment of a portion of the eligible redevelopment project costs (as such term is defined under the Act) included within the Project (such costs shall be known herein and in the RDA as "TIF-Funded Improvements") and shall be designated as follows: (a) "City of Chicago Tax Increment Allocation Revenue Note, 126th and Torrence Avenue Redevelopment Project Area (Chicago Manufacturing Campus Project) Taxable Series A" in the maximum aggregate principal amount of $5,571,785 (the "Phase I Note"), (b) "City of Chicago Tax Increment Allocation Revenue Note, 126th and Torrence Avenue Redevelopment Project Area (Chicago Manufacturing Campus Project) Taxable Series B" in the maximum aggregate principal amount of $6,000,000 (the "Phase II Note"), and (c) "City of Chicago Tax Increment Allocation Revenue Note, 126th and Torrence Avenue Redevelopment Project Area (Chicago Manufacturing Campus Project) Taxable Series C" in the maximum aggregate principal amount of $3,000,000 (the "Phase III Note")(each, a "City Note" and collectively, the "City Notes").

The City Notes shall be substantially in the form attached to the First Amendment as Exhibits B, C and D and made a part hereof, with such additions or modifications as shall be determined to be necessary by the Authorized Officer (the person duly appointed and serving as the Chief Financial Officer of the City, or if no such person has been appointed, then the City Comptroller, being each referred to herein as an "Authorized Officer") of the City, at the time of issuance to reflect the purpose of the issue. The City Notes shall be dated the date of delivery thereof, and shall also bear the date of authentication, shall be in fully registered form, shall be in the denomination of the outstanding principal amount thereof and shall become due and payable as provided therein. The proceeds of the City Notes are hereby appropriated for the purposes set forth in this Section 3.

The City Notes shall mature as described in the RDA, and shall bear interest at a fixed interest rate as described in the RDA until the principal amount of the City Notes is paid or until maturity, with the exact rate to be determined by the Authorized Officer, computed on the basis of a 360-day year of twelve 30-day months.

The principal of and interest on each City Note shall be paid by check, draft or wire transfer of funds by the Authorized Officer of the City, as registrar and paying agent (the "Registrar"), payable in lawful money of the United States of America to the persons in whose name such City Note is registered at the close of business on the payment date, in any event no later than at the close of business on the 15th day of the month immediately after the applicable payment date; provided, that the final installment of the principal and accrued but unpaid interest of each City Note shall be payable in lawful money of the United States of America at the principal office of the Registrar or as otherwise directed by the City on or before the maturity date.

The seal of the City shall be affixed to or a facsimile thereof printed on each City Note, and each City Note shall be signed by the manual or facsimile signature of the Mayor of the City and attested by the manual or facsimile signature of the City Clerk or any Deputy Clerk of the City, and in case any officer whose signature shall appear on any such City Note shall cease to be such officer before the delivery of the City Note, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

Each City Note shall have thereon a certificate of authentication substantially in the form hereinafter set forth duly executed by the Registrar, as authenticating agent of the City for such City Note, and showing the date of authentication. No City Note shall be valid or obligatory for any purpose or be entitled to any security or benefit under this ordinance unless and until such certificate of authentication shall have been duly executed by the Registrar by manual signature, and such certificate of authentication upon the City Note shall be conclusive evidence that the City Note has been authenticated and delivered under this Ordinance.

SECTION 4. The City shall cause books (the "Register") for the registration and for the transfer of the City Notes (to the extent such transfer is permitted under the RDA) as provided in this ordinance to be kept at the principal office of the Registrar, which is hereby constituted and appointed the registrar of the City for the City Notes. The City is authorized to prepare, and the Registrar shall keep custody of, multiple City Note blanks executed by the City for use in the transfer of the City Notes.

Upon surrender for a transfer of a City Note authorized under the RDA at the principal office of the Registrar, duly endorsed by, or accompanied by (i) a written instrument or instruments of transfer in form satisfactory to the Registrar, (ii) an investment representation in form satisfactory to the City and duly executed by, the registered owner or his attorney duly authorized in writing, (iii) the written consent of the City evidenced by the signature of the Authorized Officer (or his or her designee) and the Commissioner on the instrument of transfer, and (iv) any deliveries required under the RDA, the City shall execute and the Registrar shall authenticate, date and deliver in the name of any such authorized transferee or transferees a new fully registered City Note of the same maturity, of authorized denomination, for the authorized principal amount of the City Note less previous retirements. The execution by the City of a fully registered City Note shall constitute full and due authorization of the City Note and the Registrar shall thereby be authorized to authenticate, date and deliver the City Note. The Registrar shall not be required to transfer or exchange a City Note during the period beginning at the close of business on the fifteenth day of the month immediately prior to the maturity date of the City Note nor to transfer or exchange the City Note after notice calling the City Note for prepayment has been made, nor during a period of five (5) business days next preceding mailing of a notice of prepayment of principal of the City Note. No beneficial interests in a City Note shall be assigned, except in accordance with the procedures for transferring the City Note described above.

The person in whose name a City Note shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal of the City Note shall be made only to or upon the order of the registered owner thereof or his legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such City Note to the extent of the sum or sums so paid.

No service charge shall be made for any transfer of a City Note, but the City or the Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer of the City Note.

SECTION 5. Subject to the limitations set forth herein, the Authorized Officer is authorized to determine the terms of the City Notes and to issue the City Notes on such terms as the Authorized Officer may deem to be in the best interest of the City. The principal of the City Notes shall be subject to prepayment as provided in the form of City Notes attached to the First Amendment as Exhibits B, C and D. As directed by the Authorized Officer, the Registrar shall proceed with prepayment without further notice or direction from the City.

SECTION 6. The City Notes hereby authorized shall be executed as in this ordinance and the RDA provided as soon after the passage hereof as may be practicable and consistent with the terms of the RDA, and thereupon, said City Notes shall be deposited with the Commissioner, and delivered by the Commissioner to the Developer.

SECTION 7. Special Tax Allocation Fund. Pursuant to the TIF Ordinance, the City has created a special fund, designated as the 126th and Torrence Tax Increment Financing Redevelopment Project Area Special Tax Allocation Fund (the "Fund").

The Authorized Officer is hereby directed to maintain the Fund as a segregated interest-bearing account, separate and apart from the General Fund or any other fund of the City, with a bank that is insured by the Federal Deposit Insurance Corporation or its successor. Pursuant to the TIF Ordinance, all Incremental Taxes received by the City for the Area are to be deposited into the Fund.

Pursuant to the RDA Ordinance, there was created within the Fund a special sub-account to be known as the "Chicago Manufacturing Campus Account" (the "Project Account"). Pursuant to the RDA Ordinance, the City designated and deposits into the Project Account the Available Incremental Taxes (as defined in the RDA). Upon deposit, the moneys on deposit in the Project Account may be invested as hereinafter provided. Interest and income on any such investment shall be deposited in the Project Account.

The City hereby assigns, pledges and dedicates the Project Account, together with all amounts on deposit in the Project Account, to the payment of the principal of and interest, if any, on the City Notes when due under the terms of the RDA, including specifically, but without limitation, the definition of Allocated Available Incremental Taxes and Section 4.03 of the RDA.

Subject to the terms and conditions of the RDA, the City shall use the Allocated Available Incremental Taxes (as defined in the RDA) to pay the principal of and interest on the City Notes, at maturity or upon payment or redemption prior to maturity, in accordance with the terms of the City Notes, which payments from the Project Account are hereby authorized and appropriated by the City.

In the event that an event of default under the RDA entitles the City to permanently terminate further payments of City Funds (as defined in the RDA) with respect to any City Note, the City may in its discretion, return the amounts in the Project Account that would otherwise be

allocated to the payment of such City Note to the Fund of the City and the Project Account shall be closed. Upon payment of all amounts due under the City Notes and the RDA in accordance with their terms, the amounts on deposit in the Project Account, as applicable, shall be deposited in the Fund of the City and the Project Account shall be closed.

Notwithstanding any of the foregoing, payments on the City Note will be subject to the availability of Allocated Available Incremental Taxes in the Project Account.

SECTION 8. The City Notes are special limited obligations of the City. The City Notes are payable solely from Allocated Available Incremental Taxes, and shall be a valid claim of the registered owners thereof only against said sources. The City Notes shall not be deemed to constitute an indebtedness or a loan against the general taxing powers or credit of the City, within the meaning of any constitutional or statutory provision. The registered owner(s) of the City Notes shall not have the right to compel any exercise of the taxing power of the City, the State of Illinois or any political subdivision thereof to pay the principal of or interest on the City Notes.

SECTION 9. Moneys on deposit in the Fund or the Project Account, as the case may be, may be invested as allowed under Section 2-32-520 of the Municipal Code of the City of Chicago (the "Municipal Code"). Each such investment shall mature on a date prior to the date on which said amounts are needed to pay the principal of or interest on the City Notes.

SECTION 10. Upon issuance, each City Note shall have an initial principal balance specified in the First Amendment. After issuance, the principal amount outstanding under any City Note shall be the initial principal balance of such City Note, minus any principal amount and interest paid on the Note and other reductions or adjustments in principal as are provided for in the RDA.

SECTION 11. A. Developer and the City have entered into a Chicago Manufacturing Campus Redevelopment Agreement dated as of March 21, 2003 (the "**RDA**"), which was recorded with the Recorder of Deeds of Cook County on June 12, 2003 as Document No. 0316345186 pursuant to which the City provided additional financing to assist Developer in completing the Project (as defined in the RDA), which is located on the property described in Exhibit A attached hereto (the "**Property**"). "**Phase II Note**" shall mean the City of Chicago Tax Increment Allocation Revenue Note, 126th and Torrence Avenue Redevelopment Project Area (Chicago Manufacturing Campus Project) Taxable Series B, to be issued to the Developer in substantially the form attached to the Amendment as Exhibit C. The Phase II Note shall bear interest at an annual rate equal to the Phase II Note Interest Rate. "**Phase II Note Amount**" shall mean $6,000,000.

Section	Deletion and/or addition
	"**Phase II Note Interest Rate**" shall mean 6.98%. "**Phase III Note**" shall mean the City of Chicago Tax Increment Allocation Revenue Note, 126th and Torrence Avenue Redevelopment Project Area (Chicago Manufacturing Campus Project) Taxable Series C, to be issued to the Developer in substantially the form attached to the Amendment as Exhibit D. "**Phase III Note Interest Rate**" shall mean 6.98%.
Section 4.03 (b)(v), Pledge of Available Incremental Taxes.	This subsection shall be revised by deleting the struck-through text and adding the underlined text as follows: Subject to the limitations set forth in this Section 4 (including, without limitation, Section 4.03(xi) and in the City Notes, the City agrees to reserve and pledge the Available Incremental Taxes to the payments due under the ~~four~~ three City Notes and to seek in good faith to accommodate the issuance of ~~tax-exempt~~ City Notes. Notwithstanding such reservation and pledge, payments shall be limited as set forth in Sections 4.03(b) (vi) and (vii) below.
Section 4.03(b)(vi), Payments on Phase I Note and Phase II Note	The second, third and fourths paragraphs of subsection (vi) shall be revised by deleting the struck-through text and adding the underlined text as follows: Payments under the Phase I Note and the Phase II Note are subject to the amount of Allocated Available Incremental Taxes deposited into the Chicago Manufacturing Campus Account being sufficient for such payments. If the Allocated Available Incremental Taxes turn out to be insufficient to make such payments, such insufficiency shall not give the Developer or any holder of the City Note(s) any claim or right to any other Incremental Taxes or City funds. ~~The Phase I Note attached hereto as Exhibit I-1 will, at the time of issuance, include an attached debt service schedule prepared by the City and the Developer at such time that will fully amortize the Phase I Note over as short a period as practicable based on the estimated Allocated Available Incremental Taxes, and assuming issuance of, the Phase II Note in its maximum principal amount of $6,000,000 (or such other assumption as may be acceptable to the City and Developer). The Developer acknowledges and agrees that its own projections of the Allocated Available Incremental Taxes indicate that the Allocated Available Incremental Taxes will be sufficient to fully amortize the Phase I Note and the Phase II Note during the Term of the Agreement. If and when the Phase II Note is issued,~~

Section	Deletion and/or addition
	~~the City and the Developer shall prepare a similar debt service schedule for attachment to the Phase II Note. Notwithstanding the reservation and pledge in Section 4.03(b)(v) above, such debt service schedule(s) shall be based on the commitment and use of only Allocated Available Incremental Taxes to make debt service payments. If the Allocated Available Incremental Taxes turn out to be insufficient to make such debt service payments, such insufficiency shall not give the Developer or any holder of the City Note(s) any claim or right to any other Incremental Taxes or City funds.~~ ~~No payments will ever be made under the Phase I Note, and the Phase II Note will never be issued, if the Developer does not comply with all applicable conditions and requirements of the Redevelopment Agreement related to the construction of the Project, including, but not limited to, MBE/WBE, prevailing wage and City residency hiring construction requirements (provided that if the Developer pays any applicable penalty amounts, to the extent the payment of such penalty amounts is permitted under the Municipal Code of the City and in accordance with the procedures set forth therein and will not adversely affect the tax-exempt status of any of the City Notes based on the opinion of qualified bond counsel, it shall still be entitled to such City Note payments), as such requirements apply to each such phase.~~ ~~If the Phase I Note is the only Note issued and outstanding, then payments on the phase I Note shall be made from all of the applicable Allocated Available Incremental Taxes.~~ If both the Phase I Note and the Phase II Note are issued and are outstanding, payments of Allocated Available Incremental Taxes shall be made on a pro rata basis between the two City Notes. After final repayment of the Phase I Note and, if issued, the Phase II Note, the Allocated Available Incremental Taxes for such City Notes shall be used to repay any amounts, due and owing under the Phase III Note ~~and the Phase IV Note, in that order~~.
Section 4.03(b)(vii), Payments on Phase III Note and Phase IV Note	This subsection (vii) shall be given a new heading, "Payments on Phase III Note" and shall be revised by deleting the struck-through text and adding the underlined text as follows: ~~If the Phase III Note or Phase IV Note, or both, are issued, the Allocated Available Incremental Taxes for such City Notes(s) will be committed and used to make payments (i) first, with respect to the Phase III Note, if the Phase III Note is issued, until the Phase III Note has been paid in full, and (ii) second, with respect to the Phase IV Note, until the Phase IV Note has been paid in full.~~ After final payment of the Phase III Note ~~and the Phase IV Note~~, the Allocated Available Incremental Taxes reserved for such notes shall be used to pay any amounts due and owing under the Phase I Note and the Phase II Note on a pro rata basis. ~~If the Phase III Note and Phase IV Note have not been issued by the Third Anniversary Date, then the City,~~

Section	Deletion and/or addition
	~~in its sole discretion, may elect to commit and use the 17.5% of Allocated Available Incremental Taxes reserved for the Phase III Note and the Phase IV Note to pay any outstanding amounts on the Phase I Note and/or the Phase II Note.~~ Payments under the Phase III Note are subject to the amount of Allocated Available Incremental Taxes deposited into the Chicago Manufacturing Campus Account being sufficient for such payments. If the Allocated Available Incremental Taxes turn out to be insufficient to make such payments, such insufficiency shall not give the Developer or any holder of the City Note(s) any claim or right to any other Incremental Taxes or City funds.
Section 4.03 (ix), Cessation of Certain Note Payments	This Section is deleted.
Section 4.03 (x), Limited Right to Prepay notes	This Section is deleted.
Section 9.02	The first sentence of this section shall be revised by deleting the struck-through text as follows: DPD agrees to support the application of the Developer for a Cook County Class 6b incentive with respect to the Project Building site ~~(provided that there shall be no extension of such incentive beyond the initial 12 year incentive period)~~.
Section 15.02, Remedies	Subsection (d) shall be revised by deleting the struck-through text and adding the underlined text as follows: ~~(d) notwithstanding Section 15.02(c) to the contrary, if an Event of Default occurs after a permitted sale of one or more previously issued City Notets t to a third party "qualified investor", the City will, notwithstanding such Event of Default, continue to make payments with respect to any such City Note (i.e., one or more of the Phase I Note, the Phase II Note and, if applicable, the Phase III Note and the Phase IV Note).~~

Reference is hereby made to the aforesaid Ordinance and the Redevelopment Agreement (including specifically, but without limitation, Section 4 thereof) for a description, among others, with respect to the determination, custody and application of said revenues, the nature and extent of such security with respect to this Note and the terms and conditions under which this Note is issued and secured. THIS NOTE SHALL NOT BE DEEMED TO CONSTITUTE AN INDEBTEDNESS OR A LOAN AGAINST THE GENERAL TAXING POWERS OR CREDIT OF THE CITY, WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION. THE REGISTERED OWNER OF THIS NOTE SHALL NOT HAVE THE RIGHT TO COMPEL ANY EXERCISE OF THE TAXING POWER OF THE CITY, THE STATE OF ILLINOIS OR ANY POLITICAL SUBDIVISION THEREOF TO PAY THE PRINCIPAL OF OR INTEREST ON THIS NOTE.

The principal of this Note is subject to redemption on any date, as a whole or in part, at a redemption price of 100% of the principal amount thereof being redeemed. There shall be no prepayment penalty. Notice of any such redemption shall be sent by registered or certified mail not less than five (5) days nor more than sixty (60) days prior to the date fixed for redemption to the registered owner of this Note at the address shown on the registration books of the City maintained by the Registrar or at such other address as is furnished in writing by such Registered Owner to the Registrar.

This Note is transferable by the Registered Owner hereof in person or by its attorney duly authorized in writing at the principal office of the Registrar in Chicago, Illinois, but only in the manner and subject to the limitations provided in the Ordinance and the Redevelopment Agreement, and upon surrender and cancellation of this Note. Corporate Governance

Shareholder Engagement

Ford has a philosophy of engagement, communication, and transparency with shareholders, which includes:

- Meeting with equity and fixed income investors — during 2013, we met with equity investors at fifteen conferences and with fixed income investors at six conferences.
- Allowing shareholders to elect to receive proxy materials electronically and supporting a related environmental preservation program. 3,980 trees have been planted as part of this program. Experts say 3,890 mature trees absorb 1 million pounds of CO_2 annually and produce enough oxygen to support 8,000 humans.
- Continuing our philosophy of promoting greater communications with our institutional shareholders on corporate governance issues.
- Since our 2013 Annual Meeting we met with proxy advisory firms and a number of our largest investors to discuss our corporate governance and executive compensation practices. We found these meetings to be informative and we have incorporated many of their disclosure suggestions into this Proxy Statement.

volume of transactions under review should enable us to launch new funds in each of these strategies within the next 18 months.

We continue to be focused on investing capital along three themes: 1) Brazil, China and India and the opportunities available due to lack of investment capital in these markets; 2) Europe and the continued recapitalization of good businesses without strong access to capital; and 3) commodity producers and opportunities around the disruption caused by a reduction in capital available.

No country (or company) in the world is without its challenges. The real trick in investing is to separate countries (or businesses) which have fundamental flaws, from those with strong fundamentals and issues that can be solved over time. We believe Brazil, India and China fit into the latter category.

Recently this has led us to acquire a stake in a first class portfolio of office and retail property assets in central Shanghai; commit to acquire an interest in VLI, a leading port and rail logistics operator in Brazil; take over management of an Indian Real Estate Fund which had underperformed; and we are in the midst of acquiring an 8 million plus square foot portfolio of office buildings in India. We believe the above transactions, with gross enterprise value of ±$4 billion, are only the thin edge of the transaction pipeline for our funds, and therefore look forward to much more in each of these markets.

BREP operates one of the largest publicly traded, pure-play global renewable power platforms. This portfolio, primarily hydroelectric, totals approximately 6,000 megawatts of installed capacity and is diversified across 71 river systems and 12 power markets in the United States, Canada and Brazil. We operate the facilities through our three regional operating centres located in the United States, Canada and Brazil. In total the portfolio consists of 203 hydroelectric generating stations and 11 wind energy facilities which collectively generate nearly 23,000 gigawatt hours of electricity annually based on long-term averages.

More important than current value is our belief that we can create significant additional value in this business with our global franchise. We believe we can generate a compound return over the next five years of 15% plus, similar to what we achieved over the past 20 years. This will be dependent upon working our assets to enhance cash flows from leasing, attaining our contractual step-ups in rent, and redeveloping and leasing development of properties on plan.

Furthermore, we believe that there will also be opportunities for us to use this entity to create value over and above our base-case plan. We are never sure when this might occur, but as in past, we intend to be ready to respond to these opportunities.

PART 1 – OVERVIEW AND OUTLOOK

OUR BUSINESS

Brookfield is a global alternative asset manager with over $175 billion in assets under management. For more than 100 years we have owned and operated assets on behalf of shareholders and clients with a focus on property, renewable energy, infrastructure and private equity.

We manage a wide range of investment funds and other entities that enable institutional and retail clients to invest alongside us in these assets and earn fees carried interests and other forms of performance income for doing so. As at March 31, 2014, our managed funds and entities represented $84 billion of invested and committed fee bearing capital. These products include publicly traded entities that are listed on major stock exchanges as well as private institutional partnerships that are available to accredited investors, typically pension funds, endowments and other institutional investors. We also manage public securities through a series of segregated accounts and mutual funds.

In addition, we have more than $25 billion of capital invested in our operations, based on IFRS carrying values, most of which is invested in our managed entities.

Our business model is simple: (i) raise pools of capital from ourselves and clients that target attractive investment strategies (ii) utilize our global reach to identify and acquire high quality assets at favourable valuations, (iii) finance them on a long-term basis, (iv) enhance the cash flows and values of these assets through our operating platforms to earn reliable, attractive long-term total returns, and (v) realize capital from asset sales or refinancings when opportunities arise.

Organization Structure

Our operations are organized into four principal groups ("operating platforms"): property, renewable energy, infrastructure and private equity. These platforms are responsible for operating the assets owned by our various funds and investee companies. The equity capital invested in these assets is provided by a series of listed and private funds which are managed by us and are funded with capital from ourselves and our clients.

We have formed a large capitalization listed entity in each of our property, renewable energy and infrastructure segments, which serves as the primary vehicle through which we will invest in each respective segment. As well as owning assets directly, these entities serve as the cornerstone investors in our institutional private funds, alongside capital committed by institutional investors. This approach enables us to attract a broad range of public and private investment capital and the ability to match our various investment strategies with the most appropriate form of capital.

Our private equity business is conducted primarily through private funds with capital provided by institutions and ourselves. We do not currently envisage the formation of a listed entity within these operations as we do not believe these investments would be properly valued in the capital markets on a standalone basis.

Our balance sheet capital is invested primarily in our three flagship listed issuers, our private equity funds, and in several directly held investments and businesses.

The following chart is a condensed version of our organizational structure.

ECONOMIC AND MARKET REVIEW
(As at April 30, 2014)

Overview and Outlook

The year began with extreme winter weather weighing on North American economies and investors continuing to pull back from emerging markets amid concerns over rising interest rates, and political unrest. A continued deceleration of economic activity in China and very low inflation in the Eurozone added to overall uncertainty. These concerns began to subside in February, as commentary from U.S. Federal Reserve Chairman Janet Yellen illustrated a commitment to the continuation of accommodative monetary policy for the foreseeable future. As the unusually cold winter weather in North America came to an end, economic indicators appeared to stabilize and optimism began to return to the U.S. economic outlook.

However, sentiment was challenged once again in March as international developments created uncertainty. In particular, Russia's invasion of Ukraine's sovereign territory and subsequent annexation of Crimea fueled concerns over the potential for a broader conflict. In addition, China exhibited a further deceleration in growth, as monthly data releases related to retail sales, industrial production and manufacturing all missed market expectations, culminating in official GDP growth of 7.4% for the first quarter of 2014, the lowest reading for China in 18 months. As the quarter came to a close, cautious optimism re-emerged as China implemented modest stimulus measures to shore up economic growth and the European Central Bank signaled that it was prepared to act to contain the strengthening Euro and disinflationary pressures.

United States

Following real GDP growth of 2.6% in the fourth quarter of 2013, U.S. growth decelerated sharply to 0.1% in the first three months of 2014 as unusually cold winter weather disrupted activity in a number of sectors. Real GDP growth should snap back from these cold weather effects and rebound to approximately 3% growth for the full year 2014, as the effects of government spending cuts and tax increases diminish, residential construction improves and business investment picks up.

Higher taxes and lower spending led to a decline in the U.S. federal government deficit from approximately 6.5% of GDP in 2012 to 4% of GDP last year, a decline of 2.5 percentage points. This "fiscal drag" weighed heavily on headline GDP, which still grew by 1.9% last year. While the U.S. federal deficit is expected to fall again in 2014, this should result in a more modest impact on GDP. Housing starts fell back to 920,000 units on an annualized basis for the quarter, after hitting 1.1 million units in November last year. The severe weather likely played a role in the softer residential construction numbers but tight credit conditions are still a problem for first time buyers. The low level of unsold housing stock and improving household balance sheets suggest that the conditions for the U.S. housing recovery are still intact. Industrial production and business investment appear poised to become more important drivers of economic activity this year. Industrial production rose 3.8% year-over-year in the first quarter with most sectors surpassing their pre-crisis level, with the exception of the construction sector. Moreover, capacity pressures are starting to build in some industries and together with strong corporate balance sheets and low interest rates, this should translate into a pickup in investment activity.

While many are looking for a broad acceleration in U.S. growth this year, the Federal Reserve continues to signal that it is in no hurry to raise interest rates. In February, the Federal Reserve stepped back from an earlier commitment to tighten monetary conditions when the unemployment rate reached a target of 6.5% as the unemployment rate has fallen to its current level of 6.7% much faster than anticipated and inflation remains low at 1.5% in March. The Federal Reserve's program of buying long-term bonds is expected to end in late 2014, which should put upward pressure on long-term rates and cause the U.S. dollar to appreciate against most other major currencies.

Canada

Canadian economic growth at the start of the year was also slower on weather-related weakness. It rose only 1.6% in the first quarter of 2014 but it is expected to strengthen to about 2.3% this year, only slightly faster than the 2.0% recorded in 2013. Stronger U.S. growth and a weaker currency should support Canadian manufacturing exports, helping to offset slowing domestic consumption growth and housing activity. The Canadian dollar has fallen from near parity early last year to about US$0.90 by the end of the first quarter.

Although industrial production continues to be substantially below pre-recession levels, the PMI manufacturing index is still pointing to expansion and industrial production rose 0.9% in February. The labour market continues to heal with an increase of 239,000 jobs in the three months to February, a slower pace than what was recorded at the end of 2013 but still enough to bring the unemployment rate down to 6.9%. At its April meeting, the Bank of England's Monetary Policy Committee held the Bank Rate at 0.5% and maintained its £375 billion stock of purchased assets. Pointing to weak near-term inflationary pressures with March inflation registering 1.6% year-over-year, the central bank signaled that any move to raise the Bank Rate and reverse asset purchases would be gradual – even if the unemployment rate has now breached the Bank of England's 7.0% threshold.

Europe

Eurozone GDP growth improved to 1% year-over-year in the first quarter but the recovery has been uneven with Germany and Ireland expected to see growth near 2% in 2014 while the rest of the Eurozone will grow by roughly 1% or less. The tepid pace of growth and labour market slack continue to put downward pressure on inflation. Weak inflation and deflation in some countries will make it more difficult for governments, consumers, and firms to deal with very high levels of debt, and has prompted the European Central Bank to signal that it is prepared to undertake more aggressive monetary actions via additional rate cuts or some form of quantitative easing. That said, there appears to be renewed confidence in financial markets that bond holders will be paid, as spreads on 10-year government bond yields have tightened to their lowest level since early 2010. Greece returned to international bond markets on April 9, 2014, raising €3 billion in a five-year bond at a 4.95% interest rate, despite the fact that its debt-to-GDP ratio now exceeds the level reached in the first half of 2012, when debt owed to private creditors was restructured. Portugal also successfully raised €750 million in a 10-year bond issue with a yield of 3.6%. Both auctions were oversubscribed.

Brazil

Brazil's real GDP growth in the first quarter remained weak at 2% year-over-year, a continuation of the slow growth observed in 2013. The drag on growth from net exports receded at the end of 2013 suggesting that the substantial depreciation of the Brazilian real may help to slow import growth and improve the competitiveness of Brazilian industry. We therefore expect economic activity in Brazil to pick up throughout the year. Inflation in Brazil rose to 6.2% in March as last year's electricity tariff cuts have now played through on the year-over-year inflation numbers. Despite persistently high inflation, the Brazilian central bank has signaled that it may be near the end of its tightening cycle. This tightening cycle has seen the SELIC rate rise from 7.25% in early 2013 to its current level of 11.0% in April.

China

Real GDP growth in China slowed to 7.4% in the first quarter, down from 7.7% growth in the fourth quarter. Retail sales were a key bright spot in the quarter while property markets, and to a certain extent exports, were responsible for the slowdown. Retail sales improved in the first quarter, growing in excess of 10% on a real basis, aided by rising household incomes. Urban households saw their disposable incomes rise in the first quarter by 7.2% on a year-over-year basis after adjusting for inflation, amid improving wages and continued strength in labour markets. In contrast, property sales fell 3.8% with residential property sales leading the decline, down 5.7% year-over-year. New property construction dropped 25% from last year – the worst first-quarter performance since 2009. Tighter credit conditions resulting in higher developer funding costs and elevated inventory levels in many cities contributed to first quarter weakness. Exports were down 3.4% year-over-year in the first quarter although we believe that partly reflects the Chinese government's clampdown on over-invoicing practices among exporters rather than a real slowdown in commerce. Estimates that correct for this over-invoicing bias suggest that exports grew by about 5.7% year-over-year. Overall, a modest pickup in activity in March and the mini-stimulus announcement by the Chinese government should see growth return back above the government's official GDP growth target of 7.5% next quarter although we continue to expect GDP growth to gradually moderate as rebalancing towards consumption and the need to absorb excess capacity in certain sectors will slow investment growth. Policy moves by China's central bank remained in focus in the first quarter, including the sharp depreciation of the renminbi to 6.25CNY per U.S. dollar, a departure from a long-term trend of appreciation, as well as selective actions taken to address concerns over the pace of credit growth.

Australia

Australian economic growth continues to improve, with fourth quarter growth of 2.8% beating expectations

FINANCIAL PERFORMANCE

Overview

Net income attributable to shareholders for the first quarter of 2014 was $541 million, representing an increase of $181 million or 50% from a year ago. On a per share basis, net income was $0.80 and $0.51 in the current and prior year, respectively.

The increase in net income is primarily the result of a higher level of fair value changes compared to 2013, partially offset by increased income tax expenses incurred. We disposed of a partial interest in a private equity investment during the quarter which resulted in us losing control of the investment and recorded a $230 million gain on the revaluation of our remaining interest, which is included within fair value changes. Fair value changes in the current quarter also include a higher level of appraisal gains on consolidated investment properties and real estate investments. Income tax expense increased due to a change in tax legislation that increased the tax rate utilized in a key market for our property operations as well as deferred tax expense associated with the higher level of fair value gains compared to the prior quarter.

Both revenues and other gains and direct costs decreased from the prior year, due to the sale and

Total revenues and other gains declined by $578 million or 12% from the same period last year and direct costs declined by $430 million or 13%, resulting in a net reduction of $148 million.

Asset management: Revenues increased by $63 million to $186 million with increased base management fees contributing $39 million of the variance and carried interests contributing $8 million. Base management fees increased due to a 13% increase in fee bearing capital following the formation of Brookfield Property Partners in April 2013 and increases in capital committed to property and infrastructure funds. Direct costs increased by $36 million, reflecting the expansion of our operations as well as $10 million of additional costs reallocated from corporate activities to our asset management segment following the formation of Brookfield Property Partners in order to match them with the associated fee revenues.

Property: Revenues and direct costs increased by $94 million and $70 million, respectively, primarily due to increases in revenues at our hotel resort properties from strong pricing and volumes and the revenues and costs of industrial and logistics businesses acquired in 2013. Revenues in our U.S. office portfolio declined as a result of reduced occupancy levels, following the expected expiry of a large lease in the fourth quarter of 2013.

Renewable energy: Generation revenues were $128 million higher than the same period in prior year. Revenue from facilities owned throughout both years increased by $83 million due to higher realized prices, particularly in New York and New England. Newly acquired or commissioned assets contributed an additional $43 million of revenues and benefitted from market based pricing on uncontracted assets. Direct costs are largely fixed and increased by $10 million over the prior year reflecting the costs associated with new assets.

Infrastructure: Revenues decreased by $92 million compared to prior year due to lower timber revenues following the sale of our Pacific Northwest timberlands during the third quarter of 2013. This was partially offset by additional revenues from recently completed capital growth initiatives, including our Australian rail expansion, and the expansion of our UK regulated utility business. Direct costs decreased by $81 million compared to the prior year period, following the sale of Pacific Northwest timberlands which was partially offset by costs incurred within recently acquired or expanded businesses.

Service activities: Revenues decreased by $145 million, the majority of which occurred within our construction business as delays in planned completions and project milestones pushed out the recognition of revenue to subsequent quarters. Direct costs decreased with revenue.

Corporate activities: Revenues decreased, primarily from tempered capital market performance and $46 million of mark-to-market losses on interest rate and currency positions within our cash and financial asset portfolio.

Equity Accounted Income

Equity accounted income represents our share of the net income recorded by investments over which we exercise significant influence and is reported as a single line item in our consolidated statement of operations. The following table presents consolidated equity accounted income:

FOR THE THREE MONTHS ENDED MAR 31 (MILLIONS)	2014	2013	Change
General Growth Properties	$ 172	$ 170	$ 2
Other property operations	48	71	(23)
Infrastructure operations	31	10	21
Other	23	15	8
	$ 274	$ 266	$ 8

Equity accounted income from our investment in GGP was consistent with the first quarter of 2013 as the positive variance from a 5.7% increase in same-store revenues less direct costs and a gain on debt extinguishment was offset by lower fair value gains.

Equity accounted income from other property operations decreased by $23 million due to a lower level of valuation gains at Rouse Properties Inc. and our equity accounted transportation and logistics properties.

Equity accounted income from infrastructure operations increased by $21 million from the contribution from additional investments in our Brazilian toll road made in the third quarter of 2013 and improved results at our North American natural gas transmission investment, where higher natural gas demand over the winter months increased margins.

Other equity accounted income includes $9 million of earnings from a forest products business following its partial sale and deconsolidation and the commencement of equity accounting during the first quarter of 2014.

Interest Expense

The following table presents interest expense organized by the balance sheet classification of the associated liability:

FOR THE THREE MONTHS ENDED MAR 31 (MILLIONS)	2014	2013	Change
Corporate borrowings	$ 54	$ 50	$ 4
Non-recourse borrowings			
Property-specific mortgages	491	472	19
Subsidiary borrowings	70	119	(49)
Capital securities	11	14	(3)
	$ 626	$ 655	$ (29)

The majority of our borrowings are fixed rate long-term financings. Accordingly, changes in interest rates are generally limited to the impact of refinancing activities or changes in the level of debt as a result of acquisitions and dispositions.

Interest expense from corporate borrowings increased compared to the first quarter of 2013 as a result of a higher level of borrowings as we refinanced high cost subsidiary borrowings with lower coupon corporate debt.

Interest expense on property-specific borrowings increased over the prior year as a result of interest charges incurred from borrowings associated with acquisitions in our property operations. This was partially offset by lower interest recognized after the sale of our Pacific Northwest timber operations during the third quarter of

Fair Value Changes

The following table presents the components of fair value changes:

FOR THE THREE MONTHS ENDED MAR 31 (MILLIONS)	2014	2013	Change
Investment properties	$ 354	$ 203	$ 151
Private equity investment	230	—	230
Investment in Canary Wharf	141	46	95
Interest rate and inflation contracts	6	(87)	93
Power contracts	(13)	(50)	37
Other	(3)	(51)	48
	$ 715	$ 61	$ 654

Investment Properties

Fair value gains from changes in investment property values totalled $354 million in the first quarter of 2014 compared to $203 million in the same period in 2013. Most gains occurred within our U.S. office properties, particularly related to the further recovery of downtown Los Angeles and our continuing leasing activities in New York. Values continued to benefit from declines in discount rates and terminal capitalization rates, reflecting a continued favourable investment climate for high quality commercial office properties. Gains also reflected improvements in projected cash flows based on tenant profile and local market conditions at each year end, based on improvements in local economic conditions, tenant leasing profiles, and rental markets. An overall decline in discount rates contributed approximately 40% of the gains, while improvements in projected cash flows contributed approximately 60% of the gains.

Private Equity Investment

We disposed of a partial interest in a private equity investee company during the quarter, resulting in us deconsolidating the business from our results and revaluing our retained interest based on its quoted market price at the time of our loss of control. This gave rise to a $230 million revaluation gain relating to the excess of fair value over our IFRS book value of our retained interest.

Investment in Canary Wharf

Progress in development activities and an expansion into residential development, as well as the impact of lower discount rates on projected cash flows gave rise to an increase in the value of our investment in Canary Wharf of $141 million, $95 million higher than the prior year.

Interest Rate and Inflation Contracts

We recorded $58 million of mark-to-market losses in the 2013 quarter arising from the impact of changes in rates on inflation contracts that we use to mitigate the impact of inflation on assets and liabilities within our infrastructure operations.

Power Contracts

We recorded a mark-to-market loss of $13 million in the current period relating to power contracts because the projections for future electricity prices increased. Certain of our long-term power contracts are accounted for as derivatives with changes in fair value recorded in net income. These contracts generally relate to the future sale of electricity at fixed prices and therefore increase in value when prices decline, and vice versa.

Depreciation and Amortization

Depreciation and amortization is summarized in the following table:

FOR THE THREE MONTHS ENDED MAR 31 (MILLIONS)	2014	2013	Change
Renewable energy	$ 130	$ 133	$ (3)
Infrastructure	95	89	6
Property	85	62	23
Private equity	52	67	(15)
Other	14	14	—
	$ 376	$ 365	$ 11

Depreciation and amortization on our renewable energy facilities decreased by $3 million compared with the first quarter of 2013 as increases due to acquisitions and commissioning of new assets were more than offset by negative currency revaluation and a downward adjustment in carrying values arising from the annual revaluation in December 2013.

Infrastructure depreciation and amortization increased by approximately $6 million due to increased asset valuations, acquisitions and the developments coming on line.

Although most of our property assets are considered investment properties and are not depreciated under IFRS, our hotel operations are considered property, plant and equipment and utilize the revaluation method. The increase in depreciation over the 2013 period is due to increased asset valuations within these operations.

Depreciation and amortization within our private equity operations decreased due to asset sales between the first quarter of 2013 and 2014.

Income Taxes

Income tax expense increased by $397 million to $494 million in the first quarter of 2013. Deferred taxes totalled $457 million (2013 – $63 million) whereas current taxes totalled $37 million (2013 – $34 million).

In 2014, our North American office property operations incurred a $320 million non-recurring deferred tax expense because of a change in tax laws. In addition, we recorded a higher level of fair value gains in 2014 and although they do not give rise to a current tax liability, the effect of the unrealized gains on our deferred tax liabilities was larger than the amount recorded in 2013.

Our effective tax rate in 2014 was 37% (2013 – 12%), while our Canadian domestic statutory income tax rate for 2014 was 26% (2013 – 26%).

As an asset manager, many of our operations and the associated net income occur within partially owned, "flow through" entities such as partnerships, and any tax liability is incurred by the investors as opposed to the entity. As a result, while our consolidated net income includes income attributable to non-controlling ownership interest in these entities, our consolidated tax provision includes only our proportionate share of the tax provision of these entities. In other words, we are consolidating all of their net income, but only our share of their tax provision. This gave rise to a 4% reduction in the effective tax rate relative to the statutory tax rate in 2014.

In addition, as a global company, we operate in countries with different tax rates, most of which vary from our domestic statutory rate and we also benefit from tax incentives introduced in various countries to encourage economic activity. Differences in global tax rates gave rise to a 3% reduction in our effective tax rate compared to a 8% reduction in 2013. The difference will vary from year to year depending on the relative proportion of income in each country.

The aforementioned change in tax law added 24% to our effective tax rate.

Non-controlling Interests

Non-controlling interests represent the portion of net income of consolidated entities that is attributable to other investors. Non-controlling interests totalled $302 million in 2014 compared to $337 million in the first quarter of 2013, representing 36% and 48% of consolidated net income, respectively, in each of these periods. The increase in income tax expense which was attributable to non-controlling interests was greater than the amount of fair value gains attributable to non-controlling interests. The primary reason for the decrease in the proportion accruing to non-controlling interest in the current period is the private equity investment, that gave rise to a $230 million revaluation gain during the 2014 quarter, is held directly and therefore none of the gain was attributable non-controlling interests.

million revaluation gain in fair value changes on a private equity investment.

Our residential development operations include our North American and Brazilian residential developers, which tend to be seasonal in nature, with the fourth quarter typically the strongest as most of the construction is completed and homes are delivered.

Our construction business is seasonal in nature and revenues are typically higher in the third and fourth quarters compared to the first half of the year, as weather conditions are more favourable in the latter half of the year.

The third quarter of 2013 includes other income of $525 million on the settlement of a swap agreement which more than offset the seasonal reduction in renewable energy revenues.

the company's business.

Our definition of funds from operations may differ from the definition used by other organizations, as well as the definition of funds from operations used by the Real Property Association of Canada ("REALPAC") and the National Association of Real Estate Investment Trusts, Inc. ("NAREIT"), in part because the NAREIT definition is based on U.S. GAAP, as opposed to IFRS. The key differences between our definition of funds from operations and the determination of funds from operations by REALPAC and/or NAREIT, are that we include the following: realized disposition gains or losses that occur as normal part of our business and cash taxes payable on those gains, if any; foreign exchange gains or losses on monetary items not forming part of our net investment in foreign operations; and gains or losses on the sale of an investment in a foreign operation.

Infrastructure FFO was $59 million for the quarter and did not include any realized disposition gains. FFO in 2013, excluding realized disposition gains of $30 million, was $58 million. FFO benefitted from the contribution of new assets and completed development projects, including additional investments in our Brazilian toll roads and increased volumes at our Australian rail operations following the completion of our expansion program, as well as organic growth from inflation indexation and commissioning of projects into our rate base. These positive variances were largely offset by the removal of FFO from our Pacific Northwest Timberlands, following their sale in the third quarter of 2013.

ASSET MANAGEMENT

Overview

Our asset management operations consist of managing listed entities, private funds and public securities on behalf of ourselves and our clients. As at March 31, 2014, we managed approximately $84 billion of fee bearing capital, of which approximately $58 billion was from clients and the balance of $26 billion was from Brookfield. We also provide transaction and other advisory services. The following table disaggregates segment FFO into fee related earnings and carried interests to facilitate analysis.

FOR THE THREE MONTHS ENDED MAR 31 (MILLIONS)	2014	2013
Funds from operations		
Fee related earnings	$ 85	$ 61
Carried interests	3	—
	$ 88	$ 61

Revenues in this segment include fees earned by us in respect of capital managed for clients as well as the capital provided by Brookfield, with the exception of carried interests which exclude amounts earned on Brookfield capital. This is representative of how we manage the business and more appropriately measures the returns from our asset management activities and the returns from the capital invested in our funds.

We do not recognize carried interests until the end of any determination or "clawback" period, which typically occurs at or near the end of a fund term, however we do provide supplemental information on the estimated amount of unrealized carried interests that have accumulated to date based on fund performance up to the date of the financial statements.

Fee Related Earnings

We generated the following fee related earnings during the period:

FOR THE THREE MONTHS ENDED MAR 31 (MILLIONS)	2014	2013
Base management fees	$ 142	$ 103
Incentive distributions	12	8
Performance fees	2	1
Transaction and advisory fees	22	11
Fee revenues	178	123
Direct costs	(93)	(62)
Fee related earnings	$ 85	$ 61

Fee related earnings increased by 39% to $85 million for the quarter, primarily as a result of increases in fee bearing capital and associated fee revenues.

Base management fees increased 38% to $142 million compared to $103 million in the prior year. Base management fees from our listed issuers increased by 40% or $17 million to $60 million. We launched BPY in April 2013 and recorded $18 million of base fees from BPY in the current quarter, of which $6 million were a result of the increase in BPY's capitalization beyond its original amount after adjusting for the applicable fee credits. Our private funds contributed $14 million to the increase mainly resulting from new commitments to our infrastructure and real estate flagship funds. Base fees from our public securities activities increased by $8 million due to net inflows and market value appreciation of securities under management.

We received $12 million of incentive distributions from Brookfield Infrastructure Partners and Brookfield Renewable Energy Partners during the first quarter of 2014, representing an increase of $4 million from 2013. The increase was the result of a 12% growth in BIP's limited partnership unit distributions from $1.72 per unit during 2013 to an annualized rate of $1.92 per unit in 2014 and BREP's increase in annualized distributions from $1.45 to $1.55, which now exceeds the first hurdle for our incentive distributions.

Direct costs consist primarily of employee expenses and professional fees, as well as business related technology costs and other shared services. Operating margins, which are calculated as fee related earnings divided by fee revenues, were 48% for the quarter, compared to 50% in 2013. Operating margins decreased

Carried Interests

We recognized $8 million of carried interest during the first quarter ($3 million net of associated costs), compared to $nil in 2013. Carried interest in the current quarter was generated on the completion of a private fund mandate and asset sales within a mature fund, both within our real estate operations.

Accumulated unrealized carried interest totalled $344 million at March 31, 2014. This represents an increase of $34 million compared to year-end, prior to the $8 million realized. We estimate that direct expenses of approximately $120 million will arise on the realization of the income accumulated to date. The amount of unrealized carried interests and associated costs are shown in the following table:

FOR THE THREE MONTHS ENDED MAR 31, 2014 (MILLIONS)	Unrealized Carried Interest	Direct Costs	Net
Unrealized balance, beginning of year	$ 318	$ (118)	$ 200
In-period change			
Generated	34	(7)	27
Less: realized	(8)	5	(3)
Unrealized balance, end of period	$ 344	$ (120)	$ 224

Fee Bearing Capital

1 Includes Brookfield capital of $6.1 billion (2013 – $ 6.0 billion) in private funds and $ 19.7 billion (2013 – $ 19.7 billion) in listed issuers

Listed issuer capital includes the market capitalization of our listed issuers: BPY, BREP, BIP, Brookfield Canada Office Properties, Acadian Timber Corp. and several smaller listed entities, and also includes corporate debt and preferred shares issued by these entities to the extent these are included in determining base management fees.

Third party private fund capital includes $11.9 billion of invested capital and $7.9 billion of capital that has not been invested to date but which is available to pursue acquisitions within each fund's specific mandate. Of the total uncalled commitments, $1.9 billion relates to property funds, $5.1 billion relates to infrastructure funds and $0.9 billion relates to private equity funds. The invested capital has a remaining average term of eight years (10 years with two one-year extension options) and the uncalled commitments has an average term during which they can be called of approximately four years.

We manage fixed income and equity securities within our public securities operations, with a particular focus on real estate and infrastructure, including high yield and distress securities. Fee bearing capital within our public securities is typically redeemable at our investors' option.

properties, consisting of 149 million square feet, are equity accounted investments and the remaining are consolidated under IFRS.

Multifamily, Industrial and Hospitality Properties: This category includes 22,200 multifamily units in the United States and Canada and 58 million square feet of industrial space in North America and Europe. We also own eight hotels with 7,500 rooms and investments in mezzanine debt.

years and, together with our high overall occupancy, to exercise patience in signing new leases.

In Australasia, average in-place net rents in our 11.6 million square foot portfolio are $49 per square foot, which represents a 8% discount to market rents. The occupancy rate across the portfolio remains high at 97.6% and the weighted average lease term is approximately six years. Leases in Australia typically include annual escalations, with the result that in-place lease rates tend to increase along with long-term increases in market rents.

Our share of BREP's FFO increased by $12 million, or 11%, reflecting increased pricing on uncontracted generation as well as the contribution from newly acquired and commissioned assets. Our energy marketing group generated $44 million of FFO, representing an increase of $76 million over the prior year, as a result of a $58 per MWh increase in realized pricing on uncontracted generation. We completed a secondary offering of BREP in the first quarter of 2013 which generated proceeds of $233 million and a $172 million realized disposition gain.

Our wholly owned energy marketing group has entered into long-term purchase agreements and price guarantees with BREP as described below. We are entitled to sell the power as well as any ancillary revenues, such capacity payments and renewable credits or premiums.

BEMI purchased approximately 2,233 gigawatt hours of electricity from BREP during 2014 at an average price of $74 per megawatt hour and sold this power at an average price, including ancillary revenues, of $94 per megawatt hour, resulting in FFO of $44 million (2013 – deficit of $32 million). Approximately 829 gigawatt hours of BEMI power sales were pursuant to long-term contracts at prices modestly in excess of our purchase cost. The balance of 1,404 gigawatt hours was sold in

quarter of 2013.

Transport FFO increased by $28 million to $95 million ($8 million to $27 million of our share) during the quarter. Our Australian railroad contributed an additional $7 million over the prior year, primarily due to the completion of our $600 million expansion program at the end of Q1 2013 and a strong grain harvest. Our South American toll roads contributed an additional $18 million of FFO compared to Q1 2013, primarily from our increased ownership in these toll roads, following our $670 million investment and by higher traffic volumes and regulatory tariffs.

BIP's Energy FFO increased by $4 million to $26 million ($7 million of our share) driven by improved performance at our North American gas transmission business as a result of increased natural gas volume demand into the Chicago market due to extreme cold weather.

million). Net working capital was relatively unchanged since year end.

Corporate costs declined to $33 million in 2014 from $48 million in the prior year as a result of $10 million of costs being reallocated to our asset management operations following the launch of BPY in April 2013.

Proportionate consolidation, which reflects our proportionate interest in the underlying entities, depicts the extent to which our underlying assets are leveraged, which we believe is an important component of enhancing shareholder returns. We believe that the levels of debt relative to total capitalization are appropriate given the high quality of the assets, the stability of the associated cash flows and the level of financings that assets of this nature typically support, as well as our liquidity profile.

Our proportionate share of non-recourse borrowings and accounts payable and other liabilities increased since 2013 primarily as a result of our increased ownership of our office portfolio, which increased from 44% to 67% at March 31, 2014 as part of the BPY tender offer as well as our share of BPY's $1.5 billion bridge facility which financed one-third of the acquisition.

Property-Specific Borrowings

As part of our financing strategy, the majority of our debt capital is in the form of property-specific mortgages, denominated in local currencies that have recourse only to the assets being financed and have no recourse to the Corporation.

AS AT MAR 31, 2014 AND DEC 31, 2013 ($ MILLIONS)	Average Term		Consolidated	
	2014	2013	2014	2013
Property	4	4	$ 22,929	$ 21,577

Private equity	4	1	647	613
Corporate	1	1	82	106
Total	6	6	$ 36,878	$ 35,495

Subsidiary Borrowings

We endeavour to capitalize our principal subsidiary entities to enable continuous access to the debt capital markets, usually on an investment-grade basis, thereby reducing the demand for capital from the Corporation and sharing the cost of financing equally among other equity holders in partially owned subsidiaries.

AS AT MAR 31, 2014 AND DEC 31, 2013 ($ MILLIONS)	Average Term		Consolidated	
	2014	2013	2014	2013

Private equity	2	3	506	899
Other	2	1	218	186
Total	4	4	$ 7,666	$ 7,392

Subsidiary borrowings have no recourse to the Corporation with only a limited number of exceptions. Property borrowings increased due to borrowings assumed on acquisitions and our bridge facility utilized to fund the cash portion of the BPY tender offer. Private equity decreased due to the deconsolidation of Western Forest Products.

Capital Securities

Capital securities are preferred shares that are mostly denominated in Canadian dollars and are classified as liabilities because the holders of the preferred shares have the right, after a fixed date, to convert the shares into common equity of the issuer based on the market price of the common shares at that time unless they are previously redeemed by the issuer. The dividends paid on these securities are recorded in interest expense. As at March 31, 2014, C$175 million of the capital securities were issued by the Corporation and the balance are obligations of BPO and its subsidiaries. The company redeemed all of its outstanding Class A Series 12 preferred shares for cash effective April 7, 2014. The redemption price for each preferred share was C$26.00 plus accrued and unpaid dividends.

The average distribution yield on the consolidated capital securities at March 31, 2014 was 5.4% (December 31, 2013 – 5.3%) and the average term to the holders' conversion date was four years as at March 31, 2014 (December 31, 2013 – four years).

Preferred Equity

Preferred equity is comprised of perpetual preferred shares and represents permanent non-participating equity that provides leverage to our common equity. The shares are categorized by their principal characteristics in the following table:

AS AT MAR 31, 2014 AND DEC 31, 2013 (MILLIONS)	Average Rate			
	2014	2013	2014	2013
Floating rate	2.13%	2.13%	$ 480	$ 480

Fixed rate-reset	4.94%	5.00%	2,046	1,865
	4.50%	4.51%	$ 3,279	$ 3,098

On March 13, 2014, the company issued 8.0 million Series 38 fixed rate-reset preferred shares with an initial dividend rate of 4.4% for total gross proceeds of C$200 million and used the proceeds to redeem C$175 million of 5.4% capital securities.

Fixed rate-reset preferred shares are issued with an initial fixed rate coupon that is reset after an initial period, typically between five and seven years, at a predetermined spread over the Canadian five-year government bond yield.

Non-controlling Interests

Non-controlling interests in our consolidated results primarily consist of co-investors interests in Brookfield Property Partners L.P., Brookfield Renewable Energy Partners L.P. and Brookfield Infrastructure Partners L.P., and their consolidated entities as well as other participating interests in our consolidated listed and unlisted investments as follows:

AS AT MAR 31, 2014 AND DEC 31, 2013 (MILLIONS)	2014	2013
Brookfield Property Partners L.P.	$ 12,413	$ 12,810

LIQUIDITY

Overview

Our principal sources of short-term liquidity are corporate cash and financial assets together with undrawn committed credit facilities, which we refer to collectively as core liquidity. As at March 31, 2014 core liquidity at the corporate level was $2.1 billion, consisting of $1.2 billion in net cash and financial assets and $0.9 billion in undrawn credit facilities. Aggregate core liquidity includes the core liquidity of our principal subsidiaries, which consist for these purposes of BPY, BPO, BREP, and BIP, and was $6.1 billion at the end of the quarter, approximately $0.2 billion higher than at the end of 2013. The majority of the underlying assets and businesses in these asset classes are funded by these entities, and they will continue to fund our ongoing investments in these areas and, accordingly, we include the resources of these entities in assessing our liquidity. We continue to maintain elevated liquidity levels because we continue to pursue a number of attractive investment opportunities. We also hold $7.9 billion of third-party undrawn capital commitments to our private funds at March 31, 2014.

The following table presents core liquidity and undrawn capital commitments on a corporate and consolidated basis:

AS AT MAR 31, 2014 AND DEC 31, 2013 (MILLIONS)	Corporate		Principal Subsidiaries		Total

REVIEW OF CONSOLIDATED STATEMENT OF CASH FLOWS

The following table summarizes the consolidated statement of cash flows within our consolidated financial statements:

FOR THE THREE MONTHS ENDED MAR 31 (MILLIONS)	2014	2013
Operating activities	$ 198	$ 122
Financing activities	1,653	857
Investing activities	(1,965)	(916)
Increase in cash and cash equivalents	$ (114)	$ 63

Operating Activities

Cash flow from operating activities generated $198 million, an increase of $76 million over the same period in 2013. These cash flows consist of net income, including the amount attributable to co-investors, less non-cash items such as undistributed equity accounted income, fair value changes, depreciation and deferred income taxes, and adjusted for changes in non-cash working capital. We also deduct gains and other income from net income, as the proceeds of these items are included within financing or investing activities. Cash flow from operating activities includes the net amount invested or recovered through the ongoing investment in and subsequent sale of residential land, houses and condominiums, which represented an outlay of $81 million in the first quarter of 2014. Compared to $237 million in the same period in 2013 as activity was lower in our Brazilian condominium development operations. Cash flow prior to non-cash working capital and residential inventory was $723 million during the 2014 quarter compared to $895 million in the 2013 quarter.

Financing Activities

Financing activities generated $1.7 billion of liquidity, compared to $0.9 billion in the first quarter of 2013. This includes $1.5 billion provided through capital calls to our institutional private fund partners (2013 – $557 million) representing increased levels of investing. Distributions to our investors increased to approximately $500 million (2013 – $300 million) as a result of increases in distributions to equity-holders of Brookfield and consolidated subsidiaries, and distributions of gains from asset sales. We arranged corporate borrowings and issued preferred shares to generate liquidity of approximately $630 million (2013 – $350 million) which refinanced prior positions at lower rates, decreasing our overall cost of capital. Property-specific financing provided $130 million of liquidity on a net basis as we arranged asset-specific financing for acquisitions of new operations and increased the notional amount of borrowings at existing assets at lower rates. The amounts decreased from 2013 as this activity generally corresponds with debt maturities, which were lower in the current year. Capital paid to non-controlling interest includes the cash portion of the shares tendered in the privatization of BPO, which totalled approximately $1.3 billion in the quarter, which was funded with subsidiary borrowings.

Investing Activities

We invested $4.2 billion in the privatization of BPO during the quarter, which included $1.3 billion of a net cash investment, $2.5 billion worth of BPY units issued, and $0.4 billion of BPO shares tendered pending settlement. BPY consolidates BPO, and therefore the cash portion of this purchase is classified as a payment to non-controlling interests and the equity portion is not reflected in this statement because it does not involve cash. We also invested $3.0 billion to expand our other operations in the current quarter compared to $1.8 billion in the 2013 period. Investing activities increased as we continue to deploy capital raised in our private funds and our public securities portfolios and includes approximately $1.6 billion in real estate assets and investments in our property operations, $571 million in renewable generation assets and investments, and $585 million in financial assets in our other operations which includes the investments of consolidated public securities funds. Dispositions totalled approximately $1.1 billion, up from $900 million in the comparative quarter last year, as we continued to capitalize on a favourable environment to monetize certain investments. Dispositions in the current year includes proceeds of $104 million on the partial sale of a forest products business within our private equity operations.

PART 5 – ADDITIONAL INFORMATION

ACCOUNTING POLICIES AND INTERNAL CONTROLS

Accounting Policies and Critical Judgments and Estimates

The preparation of financial statements requires management to select appropriate accounting policies and to make judgments and estimates that affect the carried amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual amounts could differ from those estimates.

In making critical judgments and estimates, management relies on external information and observable conditions, where possible, supplemented by internal analysis as required. These estimates have been applied in a manner consistent with that in the prior year and there are no known trends, commitments, events or uncertainties that we believe will materially affect the methodology or assumptions utilized in this report. The estimates are impacted by, among other things, movements in interest rates and other factors, some of which are highly uncertain.

For further reference on accounting policies and critical judgments and estimates, see our significant accounting policies contained in Note 2 to the December 31, 2013 consolidated financial statements.

Adoption of Accounting Standards

IFRIC 21, *Levies* ("IFRIC 21") provides guidance on when to recognize a liability for a levy imposed by a government, both for levies that are accounted for in accordance with IAS 37, *Provisions, Contingent Liabilities and Contingent Assets,* and those where the timing and amount of the levy is certain. IFRIC 21 identifies the obligating event for the recognition of a liability as the activity that triggers the payment of the levy in accordance with the relevant legislation. A liability is recognized progressively if the obligating event occurs over a period of time or, if an obligation is triggered on reaching a minimum threshold, the liability is recognized when that minimum threshold is reached. IFRIC 21 became effective on January 1, 2014. The adoption of IFRIC 21 did not have a material effect on the company's consolidated financial statements.

Future Changes in Accounting Standards

Financial Instruments

IFRS 9, *Financial Instruments* ("IFRS 9") was issued by the IASB on November 12, 2009 and will replace IAS 39, *Financial Instruments: Recognition and Measurement* ("IAS 39"). IFRS 9 uses a single approach to determine whether a financial asset is measured at amortized cost or fair value, replacing the multiple rules in IAS 39. The approach in IFRS 9 is based on how an entity manages its financial instruments in the context of its business model and the contractual cash flow characteristics of the financial assets. The new standard also requires a single impairment method to be used, replacing the multiple impairment methods in IAS 39. IFRS 9 is tentatively effective for annual periods beginning on or after January 1, 2018. The company has not yet determined the impact of IFRS 9 on its consolidated financial statements.

MANAGEMENT REPRESENTATIONS AND INTERNAL CONTROLS

Internal Control Over Financial Reporting

No changes were made in our internal control over financial reporting during the quarter ended March 31, 2014, that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

3. SEGMENTED INFORMATION

a) Operating Segments

Our operations are organized into eight operating segments which are reported regularly to our Chief Executive Officer (our Chief Operating Decision Maker). We measure performance primarily using the funds from operations generated by each operating segment and the amount of capital attributable to each segment.

Our operating segments are described below:

i. Asset management operations consist of managing our listed entities, private funds and public securities on behalf of ourselves and our clients. We generate contractual base management fees for these activities and we also are entitled to earn performance fees, including incentive distributions, performance fees and carried interests. We also provide transaction and advisory services.

iii. Segment Allocation and Measurement

Segment measures include amounts earned from consolidated entities that are eliminated on consolidation. The principal adjustment is to include asset management revenues charged to consolidated entities as revenues within the company's asset management segment with the corresponding expense recorded as corporate costs within the relevant segment. These amounts are based on the in-place terms of the asset management contracts amongst the consolidated entities. Inter-segment revenues are made under terms that approximate market value.

The company allocates the costs of shared functions, which would otherwise be included within its corporate activities segment such as information technology and internal audit, pursuant to formal policies.

The company previously established an Escrowed Stock Plan whereby a private company is capitalized with preferred shares issued to Brookfield for cash proceeds and common shares (the "escrowed shares") that are granted to executives. The proceeds are used to purchase Brookfield Class A Shares and therefore the escrowed shares represent an interest in the underlying Brookfield Shares. The escrowed shares vest on and must be held until the fifth anniversary of the grant date. At a date at least five years from and no more than ten years from the grant date, all escrowed shares held will be exchanged for a number of Class A Shares issued from treasury of the company, based on the market value of Class A Shares at the time of exchange. During the three months ended March 31, 2014, the company granted 2.75 million escrowed shares at a weighted average exercise price of $40.15 per share. The compensation expense was calculated using the Black-Scholes method of valuation, assuming an average 7.5 year term, 31.4% volatility, a weighted average expected dividend yield of 1.5% annually, a risk free rate of 2.3% and a liquidity discount of 30%.

FORM 40-F

Principal Documents

The following documents, filed as Exhibits 99.1 through 99.2 hereto, are hereby incorporated by reference into this Form 40-F:

(a) Annual Information Form for the fiscal year ended December 31, 2013;

(b) Management's Discussion and Analysis of Financial Results ("MD&A") for the fiscal year ended December 31, 2013; and

(c) Consolidated Financial Statements for the fiscal year ended December 31, 2013.

ADDITIONAL DISCLOSURE

Certifications and Disclosure Regarding Controls and Procedures

(a) Certifications. See Exhibits 99.3, 99.4, 99.5 and 99.6 to this Annual Report on Form 40-F.

(b) Disclosure Controls and Procedures. As of the end of the registrant's fiscal year ended December 31, 2013, an evaluation of the effectiveness of the registrant's "disclosure controls and procedures" (as such term is defined in Rules 13a-15(e) and 15d-15(e) of the Securities Exchange Act of 1934, as amended (the "Exchange Act")) was carried out by the registrant's principal executive officer and principal financial officer.

Based upon that evaluation, the registrant's principal executive officer and principal financial officer have concluded that as of the end of that fiscal year, the registrant's disclosure controls and procedures were effective at the reasonable assurance level to ensure that information required to be disclosed by the registrant in reports that it files or submits under the Exchange Act is (i) recorded, processed, summarized and reported within the time periods specified in Securities and Exchange Commission rules and forms and (ii) accumulated and communicated to the registrant's management, including its principal executive officer and principal financial officer, to allow timely decisions regarding required disclosure.

It should be noted that while the registrant's principal executive officer and principal financial officer believe that the registrant's disclosure controls and procedures provide a reasonable level of assurance that they are effective, they do not expect that the registrant's disclosure controls and procedures or internal control over financial reporting will prevent all errors and fraud. A control system, no matter how well conceived or operated, can provide only reasonable, not absolute, assurance that the objectives of the control system are met.

(c) Management's Annual Report on Internal Control Over Financial Reporting.

(1) Management of the registrant is responsible for establishing and maintaining adequate internal control over financial reporting. Internal control over financial reporting is a process designed by, or under the supervision of, the Chief Executive Officer and the Chief Financial Officer and effected by the Board of Directors, management and other personnel to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with International Financial Reporting Standards as issued by the International Accounting Standards Board .

(2) Management assessed the effectiveness of the registrant's internal control over financial reporting as of December 31, 2013, based on the criteria set forth in *Internal Control -- Integrated Framework (1992)* issued by the Committee of Sponsoring Organizations of the Treadway Commission.

(3) Based on this assessment, management concluded that, as of December 31, 2013, the registrant's internal control over financial reporting was effective. Also, management determined that there were no material weaknesses in the registrant's internal control over financial reporting as of December 31, 2013.

(4) Deloitte LLP, the independent registered public accounting firm that audited the registrant's consolidated financial statements for the fiscal year ended December 31, 2013, has issued its opinion on the registrant's internal control over financial reporting (the "Attestation Report").

(d) Attestation Report of the Independent Registered Public Accounting Firm. The Attestation Report is included in Exhibit 99.2 attached hereto, which is incorporated by reference into this Annual Report on Form 40-F.

(e) Changes in Internal Control over Financial Reporting. During the fiscal year ended December 31, 2013, there were no changes in the registrant's internal control over financial reporting that have materially affected, or are reasonably likely to materially affect, the registrant's internal control over financial reporting.

Independence of Directors

The registrant's board of directors has determined that 11 of the registrant's 16 directors, comprising a majority of the board, are "independent directors," as that term is defined in the rules of the NYSE, and that none of these 11 directors has a material relationship with the registrant which would impair his independence from management or otherwise compromise his ability to act as an independent director.

The directors who have been determined to be independent on this basis are: Marcel R. Coutu, Maureen Kempston Darkes, Lance Liebman, Philip B. Lind, Frank J. McKenna, Youssef A. Nasr, Lord O'Donnell, James A. Pattison, Seek Ngee Huat, Diana L. Taylor and George S. Taylor.

Presiding Director at Meetings of Independent Directors

The registrant schedules regular meetings in which the registrant's independent directors meet without the participation of management and non-independent directors. Mr. Frank J. McKenna, the chair of the board of directors, serves as the chair at such sessions (the "Chair").
