INTERGOVERNMENTAL AGREEMENT RELATING TO THE O'HARE NOISE COMPATIBILITY COMMISSION

This agreement is entered into by the City of Chicago, a municipality and home rule unit of government under the Illinois Constitution of 1970, by and through the Chicago Department of Aviation, and the undersigned Participants, organized under the laws of the State of Illinois. In consideration of the mutual agreements contained in this Agreement, the City of Chicago and each Participant agree as follows:

Section 2. Composition and Organization.

A. The O'Hare Commission shall consist of the (i) mayor, village president or chief executive officer or other designee of each of the cities and villages in the O'Hare Commission Area, (ii) the president, superintendent or other designee of each public school district serving any portion of the O'Hare Commission Area; (iii) one member appointed by the President of the Cook County Board representing the unincorporated areas of Leyden, Maine, Niles and Norwood Park Townships in Cook County, (iv) one member appointed by the Chairman of the DuPage County Board representing the unincorporated areas of Addison Township in DuPage County, and (v) six members appointed by the Mayor of the City of Chicago to represent Wards 36, 38, 39, 40, 41 and 45 of the City of Chicago ("Chicago Ward Participants"), provided that no such person shall be eligible to participate as a member of the O'Hare Commission unless the city, village, public school district, or county represented by such person has approved and executed a counterpart of this Agreement by December 31, 2010 or pursuant to section 5.G, except that the Chicago Ward Participants shall be eligible to participate as individual member Participants of the O'Hare Commission upon approval and execution of this Agreement by the City.

B The O'Hare Commission Area (as defined in *Appendix B*) includes communities and public school districts with an interest in O'Hare-related noise issues, and a principal purpose of this Agreement is to provide a forum for those communities and public school districts to work together with the City on a cooperative basis in addressing these issues.

C. Representatives of the Archdiocese of Chicago, the Diocese of Joliet and other non-governmental elementary and secondary schools located in the O'Hare Commission Area

may serve as special "Advisory Members" of the O'Hare Commission. Advisory Members may participate fully in the deliberations of the O'Hare Commission, but shall have no voting powers and shall not be parties to this Agreement.

D. The O'Hare Commission shall elect annually from its members a Chair and a Vice Chair and any other officers that it deems necessary. The O'Hare Commission also shall appoint, retain and employ an executive director and such other staff, professional advisors and consultants as may be needed to carry out its powers and duties. The appointment of any staff and the selection of professional advisors and consultants must be approved by two-thirds of the members of the O'Hare Commission.

E. Except as expressly set forth in this Agreement, the concurrence of a majority of the members of the O'Hare Commission shall be necessary for the approval of any action by the O'Hare Commission. A majority of the members of the O'Hare Commission shall constitute a quorum for the transaction of business. The O'Hare Commission may establish a schedule of regular meetings, and a special meeting may be called by the City or any two members of the O'Hare Commission upon at least seven days' written notice to the City, each Participant and each Advisory Member.

Section 3. O'Hare Commission Powers and Duties.

A. The O'Hare Commission shall have the following duties and powers:

(1) A majority of the members of the O'Hare Commission shall determine certain Noise Compatibility Programs and Noise Compatibility Projects to be implemented in the O'Hare Commission Area in cooperation with the City as set forth in *Appendix A,* and shall establish criteria for participation in such Noise Compatibility Programs and for determining the priorities for providing such Noise Compatibility Projects.

(2) The O'Hare Commission may make recommendations to the City regarding noise reduction programs at O'Hare including, but not limited to, the use of new technologies and flight patterns, preferential runway usage, the implementation of sound insulation programs and the implementation of FAA standard noise abatement, take-off and high altitude approach procedures. No such recommendations shall be submitted to the FAA or implemented by the City without the prior approval of the O'Hare Commission. The O'Hare Commission also shall cooperate with the City in seeking agreements with the airlines using O'Hare and the FAA, as appropriate, with respect to aircraft noise mitigation and related matters.

(3) The O'Hare Commission may advise the City concerning any Part 150 Plan concerning O'Hare. The City shall not submit any O'Hare Part 150 Plan to the FAA without allowing the O'Hare Commission 60 days to review it and submit written recommendations to the City for consideration.

(4) Upon the reasonable request of the O'Hare Commission, it shall receive from the City full access to all publicly available documents relating to (i) any O'Hare noise monitoring, (ii) any O'Hare-related noise compatibility project proposed or undertaken in whole or in part by

the City, and (iii) any recommendations or submissions to the FAA related to airport noise mitigation related to O'Hare.

(5) Neither the O'Hare Commission, nor any of its Participants, representatives, agents, employees, consultants or professional advisors shall use, or assist other persons in using, flight track data for O'Hare and/or Midway Airports ("Data") provided by the FAA's Chicago Terminal Approach Control ("TRACON") facility in legal actions to enforce noise abatement policy or regulations without prior approval of the FAA, and shall not release such Data without notice to and consultation with the FAA. The O'Hare Commission and its Participants, representatives, agents, employees, consultants and professional advisors shall not release the Data for use by law enforcement agencies or for use in any civil litigation except as otherwise required by law. If the O'Hare Commission or any of its Participants, representatives, agents, employees, consultants or professional advisors are required by law to release such Data, they shall notify the FAA before doing so. This notification must be provided promptly after the O'Hare Commission, or any of its Participants, representatives, agents, employees, consultants or professional advisors receives a request or requirement to release the Data, and prior to the release of the Data. The O'Hare Commission and its Participants, representatives, agents, employees, consultants or professional advisors shall not release Data if advised by the FAA that the Data contains any information deemed sensitive at the sole discretion of the FAA, unless required by law to release such Data.

(6) The O'Hare Commission shall adopt annually a current expense budget for each fiscal year. The O'Hare Commission's current expense budget shall be adopted at least 60 days prior to the commencement of each such fiscal year following its first full fiscal year. The O'Hare Commission's current expense budget of $256,000 shall be paid by the City. Thereafter, the O'Hare Commission's expense budget shall be evaluated annually.

(7) The O'Hare Commission shall have the power to sue and be sued and to take any other action necessary to perform its powers under this Agreement. No funds received by the O'Hare Commission from the City shall be used for legal services or other costs in connection with any action by the O'Hare Commission against the City, its officers or employees or any airline using O'Hare, except for enforcement of the provisions of this Agreement.

(8) The O'Hare Commission shall undertake any procurement activities in accordance with this Agreement and pursuant to applicable law.

(9) The O'Hare Commission shall adopt by-laws and rules for the conduct of its meetings consistent with powers enumerated herein.

B. A record of proceedings and documents of the O'Hare Commission shall be maintained, which shall be available for inspection by the City, each Participant, each Advisory Member and the public as permitted by law. The accounts of the O'Hare Commission shall be subject to an annual audit by a qualified independent public accountant.

C. The powers and duties of the O'Hare Commission shall be limited to those expressly set forth in this section.

Section 4. Term of Agreement.

A. This Agreement shall be effective January 1, 2011, and shall terminate on December 31, 2015 unless otherwise terminated with the written consent of the City and two-thirds of the Participants. The term of this Agreement may be extended upon the approval of the City and any Participant which wishes to extend the term of the Agreement. If any Participant defaults in any material respect in the performance of any of its duties or obligations under this Agreement, and such default continues for 30 days after the O'Hare Commission notifies the Participant, the O'Hare Commission may terminate the defaulting Participant's participation as a party to this Agreement. A material default by a Participant shall include, but is not limited to, the failure of its authorized representative or alternate to attend three or more consecutive meetings of the O'Hare Commission.

B. Any Participant may withdraw as a member of the O'Hare Commission at any time by providing 60 days advance written notice of its intent to withdraw to the City and the O'Hare Commission. Each such written notice shall be accompanied by a certified copy of a resolution or other official action of such Participant's legislative body authorizing such withdrawal. Following its withdrawal from the O'Hare Commission, the Participant shall cease to exercise any of its rights under this Agreement and to be responsible for any subsequent obligation incurred by the O'Hare Commission.

C. The City may terminate this Agreement at any time after January 1, 2011, upon 180 days prior written notice to each Participant and each Advisory Member. Following the City's termination of this Agreement, the rights and obligations of each party to this Agreement shall terminate.

APPENDIX A

Implementation of Noise Compatibility Projects

In connection with the development and implementation of noise compatibility projects in the O'Hare Commission Area, the City and the O'Hare Commission shall have the following duties and responsibilities:

A. The members of the O'Hare Commission shall direct the further development of the noise compatibility programs for the O'Hare Commission Area. The members of the O'Hare Commission shall establish criteria for the equitable allocation of Noise Compatibility Projects and related airport revenues (Airport Improvement Program grants, Passenger Facility Charges ("PFC"), and General Airport Revenue Bonds, and/or bonds backed by such funding sources) within the O'Hare Commission Area and the priorities for providing Noise Compatibility Projects, subject in each case to approval by the FAA and in compliance with all applicable FAA regulations and grant assurances, as well as other applicable law, and subject to available funding.

B. The City shall retain all necessary powers to satisfy the assurances made to the FAA in connection with the expenditure of airport revenues, including eligibility for sound insulation and/or sound insulation funding that is paid by airport revenues. The City shall enter into all agreements and assurances and shall take all other actions that may be necessary to provide for the utilization of airport revenues on the basis set forth in this *Appendix A*. Each Participant and other Governmental Unit that receives Noise Compatibility Projects shall enter into all agreements and assurances, including agreements with and assurances to the City, shall execute any necessary certificates, records and other documents and shall take all other actions that may be necessary to obtain and maintain FAA approval for the use of the airport revenues as contemplated in this *Appendix A*. Neither the O'Hare Commission nor any Participant shall take or omit to take any action if such action or omission violates restrictions on the use of airport revenues. The City shall not be obligated in any year to pay or utilize any amounts in excess of available airport revenues to carry out the purposes of this *Appendix A*.

C. The determination of eligibility to participate in a Noise Compatibility Program or receive a Noise Compatibility Project is not to be construed as an admission or determination of negative impact by aircraft noise or of liability for damages or any other injury relating to aircraft noise on the part of the City or the O'Hare Commission.

D. In the event they are determined to be eligible for participation in a Noise Compatibility Program, property owners in the O'Hare Commission Area shall not be required to pay any portion of the cost of any Noise Compatibility Project. Upon approval by the City of Chicago and with the consent of the property owner, at its option the City may acquire homes that are subject to very high levels of aircraft noise.

E. Noise Compatibility Projects outside the City of Chicago may be implemented through Participants and other Governmental Units located in the O'Hare Commission Area. A Governmental Unit may request that the City undertake a Noise Compatibility Project within

such Governmental Unit's corporate boundaries. Noise Compatibility Projects within the boundaries of the City shall be implemented by the City. The City may enter into agreements in connection with the planning and implementation of proposed Noise Compatibility Projects in the O'Hare Commission Area. The City shall provide administrative support and professional and technical assistance to the O'Hare Commission, each Participant and all other Governmental Units located in the O'Hare Commission Area in connection with the operations of the O'Hare Commission and the planning and implementation of Noise Compatibility Projects. All procurement activities related to Noise Compatibility Projects shall be undertaken in accordance with applicable law.

F. The O'Hare Commission may receive grants from any source to be used for the purpose of discharging its duties and obligations in accordance with the provisions of this *Appendix A*, and also may make grants for such purposes. The O'Hare Commission may expend any such grants for purposes consistent with this *Appendix A*. The City and the O'Hare Commission shall each use its best efforts (including serving as the sponsor or applicant for federal grants) to obtain the maximum amount of federal funds in connection with any noise mitigation projects, so as to maximize the availability and impact of the City's financial contribution to noise mitigation projects in the O'Hare Commission Area.

G. The City shall install and maintain a permanent noise monitoring system (*the "System"*) at and around O'Hare Airport. The purposes of the System include validation of the FAA-approved noise contour for O'Hare, assisting in determining the eligibility and priority of proposed Noise Compatibility Projects for schools, enhancing public understanding of noise issues, and monitoring trends in aircraft noise.

(1) The City may retain a third party vendor ("System Operator) selected by the City with the input of the O'Hare Commission to operate and maintain the System pursuant to an agreement between the City and the System Operator.

(2) At the request of the O'Hare Commission, the City may also retain and pay the cost of another third party vendor ("System Expert") to provide independent management oversight of the System. The System Expert shall be mutually selected by the City and the O'Hare Commission. The System Expert will be responsible for independently verifying data and system operation through the review of all inputs and operational aspects of the System. All reports prepared by the System Expert shall be provided directly to the City and the O'Hare Commission. The activities and duties of the System Expert shall be consistent in all respects with the applicable requirements of the FAA. If the Noise Commission requests the City to retain and pay for such a System Expert, the amount that the City is obligated to pay the System Expert shall not exceed $150,000 per year, adjusted annually for inflation.

(3) The System shall include a minimum of 33 monitoring sites in the O'Hare Commission Area, plus such number of additional permanent monitoring sites as may agreed upon by the City and the O'Hare Commission.

(4) The correlated data collected by the System shall be made available by the City to the O'Hare Commission and any Participant that requests such data. The City shall provide

reports to the O'Hare Commission and each Participant based on the data collected by the System.

(5) Neither the O'Hare Commission, nor any of its Participants, representatives, agents, employees, consultants or professional advisors shall use, or assist other persons in using, information generated by the System in violation of Section 3.A(5) of this Agreement.

ORDINANCE

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1: On behalf of the City of Chicago as licensor, the Commissioner of the Department of Fleet and Facility Management is authorized to execute a License Agreement with SitStayRead!, Inc., as licensee, governing access to space located at 2861 North Clark Street; such License Agreement to be approved as to form and legality by the Corporation Counsel in substantially the following form:

LICENSE AGREEMENT

THIS LICENSE AGREEMENT (the "**Agreement**") is made and entered into this _____ day of_____, 2014 (the "**Commencement Date**"), by and between **THE CITY OF CHICAGO,** an Illinois Municipal Corporation and Home Rule Unit of Government (hereinafter referred to as the "**Licensor**" or the "**City**"), and **SIT STAY READ!, INC.**, an Illinois Not-for-Profit Corporation (hereinafter referred to as the "**Licensee**").

RECITALS

WHEREAS, Licensor is the owner of the building located at 2861 North Clark Street which is comprised of approximately 26,969 square feet of space and is more commonly known as the Lakeview Neighborhood Health Center (the "**Building**"); and

WHEREAS, Licensee has requested access to approximately 1,192 square feet of office space located on the 1st floor of the Building as depicted on **Exhibit A** attached hereto and made a part hereof (the "**Premises**") together with non-exclusive access to other common areas of the Building.

NOW THEREFORE, in consideration of the covenants, terms and conditions set forth herein, the parties hereto agree and covenant as follows:

SECTION 1. GRANT

Licensor hereby provides Licensee with access to the following described Premises situated in the City of Chicago, County of Cook, State of Illinois, to wit:

> Approximately 1,192 square feet of office space located on the 1st floor of 2861 North Clark Street, Chicago, Illinois (part of PIN 14-28-120-017).

This Agreement creates a license only and Licensee acknowledges and agrees that the Licensee shall not hold or claim at any time an interest or estate of any kind whatsoever in the Premises by virtue of this Agreement or the Licensee's use of the Premises.

SECTION 2. TERM

2.1 Term. The term of this Agreement (the "**Term**") shall begin on the Commencement Date and shall terminate on December 31, 2015, unless sooner terminated as set forth in this Agreement.

SECTION 3. RENT, OPERATING COSTS, TAXES, AND UTILITIES

3.1 Rent. Licensee shall pay rent to Licensor for access to the Premises the amount of:

One Dollar ($1.00) for the entire Term with the receipt and sufficiency of said sum hereby acknowledged by both parties.

3.2 Operating Costs. Licensee shall reimburse Licensor's "**Operating Costs**" (as hereinafter defined) for the Premises pursuant to Section 3.2.a below. Such Operating Costs shall only be reimbursement for Licensor's costs required by Licensor to operate the Building and the Premises for public benefit, and not as rent or profit for Licensor.

a. Calculation of Operating Costs. Licensee shall pay to Licensor Operating Costs incurred by Licensor with regards to Licensee's proportionate use of the Building (the "**Proportionate Use**"). This Proportionate Use shall be based on the square footage of the Premises divided by the Building's total square footage. The Building's total square footage is approximately 26,969 square feet and the square footage of the Premises is approximately 1,192 square feet or 4.42% of the Building's total square footage. Operating Costs shall be based on Licensee's 4.42% Proportionate Use. Operating Costs shall include (i) all utilities (including, but not limited to gas, electricity, and water), (ii) engineering services, (iii) snow removal, and (iv) Licensee's allocable share of other costs incurred by Licensor in operating the Building (excluding any capital improvements or repairs that may be required to the Building). If desired by Licensee, Licensee shall provide custodial services and security services for the Premises (Licensor shall not provide such services for the Premises). For 2014, Licensee's proportionate share of the Operating Costs are estimated to be, and Licensee shall initially pay, $350.00 per month (subject to subsequent accounting and adjustment which may serve to increase or decrease these estimated Operating Costs). The estimated monthly Operating Costs are subject to future adjustments.

b. Reimbursement Procedure. Operating Costs shall be paid to Licensor at: City of Chicago, Department of Finance, Warrants for Collection, City Hall, 121 North LaSalle Street, Room 107, Chicago, Illinois 60602 or at such place as Licensor may from time to time designate in writing to Licensee. Licensor shall invoice Licensee for such Operating Costs on a monthly basis. In the event that Licensee does not receive such invoice from Licensor, Licensee shall contact Licensor and request an invoice for Operating Costs. Licensor's failure to invoice Licensee for Operating Costs or other expenses shall not constitute a waiver of payment of any such charges. All funds due under this Agreement are to be made payable to "City of Chicago, Department of Finance" and to no other payee.

3.3 Utilities. Licensor shall pay for gas, electricity, and water supplied to the Building. Licensee shall pay when due all charges for any applicable telephone or other communication service provided to the Premises for Licensee's use. Licensor shall not provide any telephone or other communication services to the Premises.

3.4 Taxes. In the event that leasehold taxes are ever assessed against the Premises as a result of Licensee's use, Licensee shall pay when due any leasehold taxes, penalties, and interest assessed or levied on Licensee's portion of the Premises without reimbursement or other setoff from Licensor. Licensee acknowledges that leasehold taxes are one (1) year in arrears in Cook County and that as a result Licensee will be responsible for satisfaction of all leasehold taxes, penalties, and interest assessed or levied on the subject Premises at least one year after Licensee vacates the Premises. Notwithstanding the foregoing, nothing contained herein shall

preclude Licensee from contesting any charge or tax levied against the Premises. The failure of Licensee to pay such taxes, interest, and penalties during the pendency of the contest shall not constitute a default under this Agreement. Licensee's tax responsibilities under this section shall survive the expiration, cancellation, or termination of this Agreement, but payment may be a requirement for contesting such taxes.

3.5 Accord and Satisfaction. No payment by Licensee or receipt by Licensor of a lesser amount than any installment or payment of Operating Costs or other costs due hereunder shall be deemed to be other than on account of the amount due, and no endorsement of statement or any check or any letter accompanying any check or payment of rent shall be deemed an accord and satisfaction. Licensor may accept such check or payment without prejudice as to Licensor's right to recover the balance of such installment or payment to pursue any other remedies available to Licensor.

SECTION 4. ENJOYMENT OF PREMISES, MAINTENANCE, ACCESS, USE, ALTERATIONS AND ADDITIONS

4.1 Covenant of Quiet Enjoyment. Licensee, upon paying the rent, Operating Costs, and upon observing and keeping the covenants, agreements, and conditions of this Agreement on its part to be kept, observed, and performed, shall lawfully and quietly hold, occupy, and enjoy the Premises (subject to the provisions of this Agreement) during the Term without hindrance or molestation by Licensor or by any person, persons, or entities claiming under Licensor.

4.2 Maintenance. Licensor shall take reasonable efforts to maintain the Building and the Premises in a condition of good repair and good order. Licensee shall notify Licensor about any issues with maintenance of the Premises and/or Building. Licensor shall be responsible for resolving any building code violations issued on the Building and/or Premises. In the event such building code violations were caused by Licensee, Licensee shall resolve such issues at Licensee's cost or, at Licensor's option, Licensor can perform such repairs subject to full and prompt reimbursement from Licensee.

4.3 Licensor's Right of Access. Licensor shall have the right of reasonable access to the Premises upon reasonable prior written notice to Licensee, for the purpose of inspecting and making repairs to the Premises. Licensor shall always have access to the Premises and/or the Building in the event of maintenance or security emergencies.

4.4 Use of the Premises. Licensee shall not use the Premises in a manner that would violate any law. Licensee further covenants not to do or suffer any waste or damage any portion of the Premises and/or the Building, and to comply in all respects with the laws, ordinances, orders, rules, regulations, and requirements of all federal, state, and municipal governmental departments which may be applicable to the Premises or to the use or manner of use of the Premises. All use of the Premises must be consistent with Licensee's not-for-profit purposes. Where reasonable, Licensee may partner with Licensor's Animal Care and Control on outreach and other public service initiatives. Licensee may only bring dogs on to the Premises and/or the Building with the consent of the Licensee's Department of Fleet and Facility Management. Licensee acknowledges that the 1st floor of the Building is used by the Licensor to provide

Women, Infants, and Children (WIC) services. Licensee's access to the Premises and to the Building shall always be subordinate to Licensor's use.

4.5 Alterations and Additions. Licensee may make alterations, additions, and improvements on the Premises. Any such alterations, additions, and improvements shall be in full compliance with the applicable Law, permit requirements, and building codes. In addition, Licensee will comply with all insurance requirements under this Agreement including, but not limited to, Section 6.1 (f). Licensee must obtain the prior written consent of the Commissioner of the Department of Fleet and Facility Management before commencing any alterations, additions, and or improvements including, but not limited to, telephone network switch and upgrades. Any additions and improvements shall be without cost to Licensor and shall become property of Licensor at termination without offset or other credit to Licensee. Notwithstanding the foregoing, Licensor shall not have any affirmative obligations to provide any additional services or incur additional costs for code upgrades or code repairs or other improvements to either the Premises or the Building that may be triggered by any of Licensee's alterations, additions, or improvements.

SECTION 5. ASSIGNMENT AND LIENS

5.1 Assignment and Sublicense. Licensee shall not assign this Agreement in whole or in part, or sublicense the Premises or any part thereof.

5.2 Licensee's Covenant against Liens. Licensee shall not cause or permit any lien or encumbrance, whether created by act of Licensee, operation of law or otherwise, to attach to or be placed upon Licensor's title or interest in the Premises or Building. All liens and encumbrances created by Licensee shall attach to Licensee's interest only. In case of any such lien attaching, Licensee shall immediately pay and remove such lien or furnish security or indemnify Licensor in a manner satisfactory to Licensor in its sole discretion to protect Licensor against any defense or expense arising from such lien. Except during any period in which Licensee appeals any judgment or obtains a rehearing of any such lien, or in the event judgment is stayed, Licensee shall immediately pay any judgment rendered against Licensee, with all proper costs and charges, and shall have the lien released and any judgment satisfied. If Licensee fails to pay and remove any lien or contest such lien in accordance herewith, Licensor, at its election, may pay and satisfy same, and all sums so paid by Licensor, with interest from the date of payment at the rate set at 12% per annum.

SECTION 6. INSURANCE AND INDEMNIFICATION

6.1 Insurance. Licensee shall procure and maintain at all times at Licensee's own expense, during the term of this Agreement, the insurance coverages and requirements specified below, insuring all operations related to the Agreement with insurance companies authorized to do business in the state of Illinois.

The kinds and amounts of insurance required are as follows:

a) Workers Compensation and Employers Liability Insurance. Workers Compensation and Employers Liability Insurance and Occupational Disease Insurance, as prescribed by applicable law, covering all Licensee's employees and Employer's Liability coverage with limits of not less than $100,000 each accident or illness.

b) Commercial Liability Insurance. (Primary and Umbrella). Commercial Liability Insurance or equivalent with limits of not less than $1,000,000 per occurrence, for bodily injury, personal injury, and property damage liability. Coverage extensions shall include the following: All premises and operations, products/completed operations, defense, separation of insureds, and contractual liability (with no limitation endorsement). The City of Chicago, its employees, elected officials, agents, and representatives are to be named as additional insureds on a primary, non-contributory basis for any liability arising directly or indirectly from the Agreement.

d) Automobile Liability Insurance. (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with work to be performed, the Licensee shall provide Comprehensive Automobile Liability Insurance with limits of not less than $1,000,000 per occurrence, for bodily injury and property damage.

e) All Risk Property Insurance. All risk property insurance coverage shall be maintained by the Licensee for full replacement value to protect against loss, damage to or destruction of property. The policy shall list the City of Chicago as an additional insured and loss payee. The Licensee shall be responsible for all loss or damage to personal property (including but not limited to materials, equipment, tools and supplies), owned or rented, by the Licensee.

f) All Risk Builders Risk Insurance. When Licensee undertakes any construction, including improvements, betterments, and/or repairs, the Licensee shall provide All Risk Builders Risk Insurance, at replacement cost, for materials, supplies, equipment, machinery and fixtures that are or will be part of the permanent facility. Coverage shall include but not limited to the following: right to partial occupancy, earth movement, flood including surface water backup and sewer backup and seepage. The City of Chicago shall be named as an additional insured and loss payee.

6.2 Other Terms of Insurance. Licensee will furnish the City of Chicago, Department of Fleet and Facility Management, Office of Real Estate Management, 30 North LaSalle Street, Room 300, Chicago, Illinois 60602, original Certificates of Insurance evidencing the required coverage to be in force on the date of this Agreement, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the Term of this Agreement. The Licensee shall submit evidence on insurance prior to Agreement award. The receipt of any certificates does not constitute agreement by the Licensor that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the Licensor to obtain certificates or other insurance evidence from Licensee shall not be deemed to be a waiver by the Licensor. The Licensee shall advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance shall not relieve Licensee of its obligation to provide Insurance as specified herein. Nonfulfillment of the insurance conditions

may constitute a violation of the Agreement, and the Licensor retains the right to terminate the Agreement until proper evidence of insurance is provided.

The insurance shall provide for 60 days prior written notice to be given to the Licensor in the event coverage is substantially changed, canceled, or non-renewed.

Any and all deductibles or self-insured retentions on referenced insurance coverages shall be borne by Licensee.

Licensee agrees that its insurers shall waive their rights of subrogation against the Licensor of Chicago its employees, elected officials, agents or representatives.

Licensee expressly understands and agrees that any coverages and limits furnished by Licensee shall in no way limit the Licensee's liabilities and responsibilities specified within the Agreement documents or by law.

Licensee expressly understands and agrees that any insurance or self-insurance programs maintained by the City of Chicago shall apply in excess of and not contribute with insurance provided by the Licensee under the Agreement.

The required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law. The City of Chicago, Department of Finance, Office of Risk Management, maintains the right to modify, delete, alter or change these requirements.

6.3 Licensee's Indemnification. Licensee shall indemnify, defend, and hold Licensor harmless against all liabilities, judgments, amounts paid in settlement, arbitration or mediation awards, costs, damages, and expenses (including reasonable attorney's fees, expenses, and court costs), whether such claim is related to or arises from personal injury or property damage which may be expended by or accrue against, be charged to, or be recovered from Licensor or Licensee by reason of Licensee's performance of or failure to perform any of Licensee's obligations, or Licensee's negligent acts or failure to act under this Agreement, or resulting from the acts or failure to act of Licensee's contractors, invitees, agents, or employees or from any liability arising from access to the Premises or the Building by any of Licensee's contractors, invitees, agents, or employees.

SECTION 7. DAMAGE OR DESTRUCTION

7.1 Damage or Destruction. If the Premises and/or the Building are damaged or destroyed or a casualty to such extent that Licensee cannot continue, occupy or conduct its normal business therein, or if, in Licensee or Licensor's opinion, the Premises and/or Building are rendered unusable, either Licensor or Licensee shall have the option to declare this Agreement terminated as of the date of such damage or destruction by giving the other party written notice of such exercise. If either party exercises this option, Licensee shall cease operations immediately and the Operating Costs shall be apportioned as of the date of such damage or destruction. Licensor shall repay to Licensee any prepaid Operating Costs.

SECTION 8. CONFLICT OF INTEREST AND GOVERNMENTAL ETHICS

8.1 Conflict of Interest. No official or employee of the City of Chicago, nor any member of any board, commission or agency of the City of Chicago, shall have any financial interest (as defined in Chapter 2-156 of the Municipal Code), either direct or indirect, in the Premises. Nor shall any such official, employee, or member participate in making or in any way attempt to use her or his position to influence any City governmental decision or action with respect to this Agreement.

8.2 Duty to Comply with Governmental Ethics Ordinance. Licensor and Licensee shall comply with Chapter 2-156 of the Municipal Code of Chicago, "Governmental Ethics," including but not limited to section 2-156-120, which states that no payment, gratuity, or offer of employment shall be made in connection with any City of Chicago contract as an inducement for the award of that contract or order. Any contract negotiated, entered into, or performed in violation of any of the provisions of Chapter 2-156 shall be voidable as to the City of Chicago.

SECTION 9. HOLDING OVER

9.1 Holding Over. Any holding over by Licensee shall be construed to be a month to month tenancy beginning on January 1, 2016 (the "**Holding Over**") and the rent and Operating Costs will be the same as outlined in Section 3.1 and Section 3.2 of this Agreement. During any Holding Over, all other provisions of this Agreement shall remain in full force and effect.

10.2 Partial Invalidity. If any covenant, condition, provision, term or agreement of this Agreement shall, to any extent, be held invalid or unenforceable, the remaining covenants, conditions, provisions, terms and agreements of this Agreement shall not be affected thereby, but each covenant, condition, provision, term or agreement of this Agreement shall be valid and in force to the fullest extent permitted by law.

The parties executing this Agreement hereby represent and warrant that they are duly authorized and acting representatives of Licensor and Licensee respectively and that by their execution of this Agreement, it became the binding obligation of Licensor and Licensee respectively, subject to no contingencies or conditions except as specifically provided herein.

10.12 Licensee Default. Licensee must adhere to all provisions of this Agreement. Failure of Licensee to adhere to all provisions of this Agreement will result in default. In the event of such default, Licensor will notify Licensee in writing as to the circumstances giving rise to such default. Upon written receipt of such notice, Licensee must cure such default within thirty (30) days. If Licensee does not cure such default within thirty (30) days, Licensor may cancel this Agreement with thirty (30) days written notice.

If Licensee does not remove Licensee's furniture, machinery, trade fixtures and all other items of personal property, Licensor may, at its option, remove the same and deliver them to any other place of business of Licensee or warehouse the same. Licensee hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

12.2 Patriot Act Certification. Licensee represents and warrants that neither Licensee nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment, the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to Licensee that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Licensee, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

12.3 Prohibition on Certain Contributions-Mayoral Executive Order No. 2011-4. Licensee agrees that Licensee, any person or entity who directly or indirectly has an ownership or beneficial interest in Licensee of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Licensee's contractors (i.e., any person or entity in direct contractual privity with Licensee regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such

Sub-owners (Licensee and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (i) after execution of this Agreement by Licensee, (ii) while this Agreement or any Other Contract is executory, (iii) during the term of this Agreement or any Other Contract between Licensee and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

Licensee represents and warrants that from the date the City approached the Licensee or the date Licensee approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Licensee agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Licensee agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Notwithstanding anything to the contrary contained herein, Licensee agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Licensee intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the execution of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source which are then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Licensee is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of

Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

(A) they are each other's sole domestic partner, responsible for each other's common welfare; and
(B) neither party is married; and
(C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
(D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
(E) two of the following four conditions exist for the partners:
    1. The partners have been residing together for at least 12 months.
    2. The partners have common or joint ownership of a residence.
    3. The partners have at least two of the following arrangements:
        a. joint ownership of a motor vehicle;
        b. a joint credit account;
        c. a joint checking account;
        d. a lease for a residence identifying both domestic partners as tenants.
    4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

12.4 Waste Ordinance Provisions. In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Licensee warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Agreement is executory, Licensee's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Commissioner of the Department of Fleet and Facility Management. Such breach and default entitles the City to all remedies under the Agreement, at law or in equity. This section does not limit Licensee's, general contractor's and its subcontractor's duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now

or later, and whether or not they appear in this Agreement. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect the Licensee's eligibility for future contract awards.

12.5 Failure to Maintain Eligibility to do Business with City. Failure by Licensee or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this Agreement and the transactions contemplated thereby. Licensee shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

12.6 Cooperation with Inspector General and Legislative Inspector General. It is the duty of every officer, employee, department, agency, contractor, subcontractor, user of real property and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. The Licensee understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago.

12.7 2011 City Hiring Prohibitions.

(i) The City is subject to the June 24, 2011 "City of Chicago Hiring Plan" (the "2011 City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2011 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Licensee is aware that City policy prohibits City employees from directing any individual to apply for a position with Licensee, either as an employee or as a subcontractor, and from directing Licensee to hire an individual as an employee or as a subcontractor. Accordingly, Licensee must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Licensee under this Agreement are employees or subcontractors of Licensee, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Licensee.

(iii) Licensee will not condition, base, or knowingly prejudice or affect any term or term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are

the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to Licensee by a City employee or City official in violation of Section 12.7(ii) above, or advocating a violation of Section 12.7(iii) above, Licensee will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant City Department utilizing services provided under this Agreement. Licensee will also cooperate with any inquiries by IGO Hiring Oversight related to the Agreement.

ORDINANCE

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1: On behalf of the City of Chicago, the Commissioner of the Department of Fleet and Facility Management and the Commissioner of the Department of Public Health are authorized to execute a License Agreement with Mercy Diagnostic and Treatment Center (D/B/A Mercy Family Health Center) governing the use of approximately 12,500 square feet of building space located at 1713 South Ashland Avenue; such License Agreement to be approved as to form and legality by the Corporation Counsel in substantially the following form:

AGREEMENT NO. 20255

LICENSE AGREEMENT

THIS LICENSE AGREEMENT (the "**Agreement**") is made and entered into this _____day of_____, 2014, by and between, **THE CITY OF CHICAGO,** an Illinois municipal corporation and home rule unit of government (herein referred to as "**City**") and **MERCY DIAGNOSTIC AND TREATMENT CENTER (D/B/A MERCY FAMILY HEALTH CENTER)**, an Illinois not-for-profit corporation (hereinafter referred to as "**Mercy**").

RECITALS

WHEREAS, City's Department of Public Health previously issued a Community Health Centers Request for Proposals (the "**RFP**") regarding the delivery of health services at various locations including City's Lower West Neighborhood Health Clinic located at 1713 South Ashland Avenue (the "**Building**"); and

WHEREAS, City's Department of Public Health selected Mercy to perform the services as outlined in the RFP within the Building and City's Department of Public Health and Mercy have entered into a Services Agreement attached hereto and made a part hereof as **Exhibit A**; and

WHEREAS, City has agreed to allow Mercy to use, and Mercy has agreed to use, approximately 12,500 square feet of office space located on the ground floor of the Building (the "**Premises**") together with access to an adjacent parking lot all as legally described on **Exhibit B** and as depicted on **Exhibit C** attached hereto and made a part hereof to be used by Mercy as provided herein; and

WHEREAS, the Premises do not have a present municipal use; and

WHEREAS, Mercy's use of the Premises to deliver medical services shall improve the overall quality of affordable public health services available to area residents.

NOW THEREFORE, in consideration of the covenants, terms, and conditions set forth herein, the parties hereto agree and covenant as follows:

SECTION 1. GRANT

City hereby provides Mercy the use and occupancy of the following described premises situated in the City of Chicago, County of Cook, State of Illinois, to wit:

> Approximately 12,500 square feet of space on the ground floor of the Lower West Neighborhood Health Clinic and access to an adjoining parking lot all located at 1713 South Ashland Avenue, Chicago, Illinois (part of PINs 17-20-302-001; -005; -006; -009; and -043).

This Agreement creates a license only and Mercy acknowledges and agrees that it shall not hold or claim at any time an interest or estate of any kind whatsoever in the Premises by virtue of this Agreement or Mercy's use of the Premises.

SECTION 2. TERM

2.1 Term. The term of this Agreement ("**Term**") shall commence on the date of execution of this Agreement (the "**Effective Date**"), and shall terminate on June 30, 2019, unless sooner terminated as set forth in this Agreement.

SECTION 3. RENT, OPERATING COSTS, UTILITIES, TAXES

3.1 Rent. Mercy shall pay rent for the Premises in the amount of:

One Dollar ($1.00) for the entire Term with the receipt and sufficiency of said sum hereby acknowledged by both parties.

3.2 Operating Costs. Mercy shall reimburse City's Operating Costs for the Premises pursuant to Section 3.2.a below as reimbursement for City's costs to operate the Building and the Premises, but not as rent and not as profit.

a. Calculation of Operating Costs. Mercy shall pay to City Operating Costs (as hereinafter defined) incurred by City with regards to Mercy's "**Proportionate Use**" of the Building. This Proportionate Use shall be based on the Premises' square footage divided by the Building's total square footage. The Building's total square footage is approximately 14,566 square feet and the Premises are approximately 12,500 square feet, which comprises 85.8 % of the Building's total square footage. "**Operating Costs**" shall be based on Mercy's 85.8% Proportionate Use. Operating Costs shall include (i) all utilities (including, but not limited to gas, electricity, and water), (ii) custodial services, (iii) landscaping and snow removal, (iv) City engineering services, and (v) Mercy's allocable share of other costs incurred by City in operating and maintaining the Building (excluding any capital improvements that may be required). Mercy may elect to separately contract for custodial services for the Premises. For 2014, Mercy's Operating Costs are estimated to be, and Mercy shall initially pay, $7,078.14 per month (subject to subsequent accounting and adjustment which may serve to increase or decrease these estimated Operating Costs for 2014 and/or subsequent years).

b. Reimbursement Procedure. Each calendar year as soon as City can secure data for the prior year's Operating Costs, City shall provide Mercy with the estimated Operating Costs for such year. Mercy shall pay to City, one-twelfth (1/12) of such amount in equal monthly installments on the first day of each month during such year following billing by City. The estimated monthly Operating Costs for 2014 are set forth in **Exhibit D**. Once full data becomes available, City shall provide Mercy with the Actual Operating Costs for the previous year and a statement as to whether Mercy has underpaid or overpaid said Operating Costs. In the event Mercy's payments during the previous calendar year are less than the actual Operating Costs due from Mercy, such underpayment shall be included in Mercy's subsequent monthly installment(s) of Operating Costs spread out for the remainder of the year, or, if said

underpayment shall have been made in the last year of the Term, Mercy shall refund said underpayment to City within sixty (60) days of receipt of such notice of underpayment. If Mercy's installments during the previous calendar year are more than the actual Operating Costs due from Mercy, City shall credit said amount against Mercy's subsequent monthly installment(s) of Operating Costs for the remainder of the year, or, if said overpayment shall have been made in the last year of the Term, City shall refund said overpayment to Mercy within sixty (60) days of notice of such overpayment.

Operating Expenses shall be paid to City at the Department of Finance, Warrants for Collection, City Hall, 121 North LaSalle, Room 107, Chicago, Illinois 60602 or at such place as City may from time to time, hereby designate in writing to Mercy. City shall invoice Mercy for such Operating Expenses on a monthly basis. In the event that Mercy does not receive such invoice from City, Mercy shall contact City and request such invoicing. City's failure to invoice Mercy for Operating Expenses or other expenses incurred under this Agreement does not constitute a waiver of any such charges.

3.3 Utilities. City shall pay for gas, electricity, and water supplied to the Building. Mercy shall pay when due all charges for telephone or other communication service provided to the Premises. In the event that Mercy uses the City's telephone lines, such costs shall be a reimbursable Operating Cost.

3.4 Taxes. In the event that or Leasehold taxes are ever assessed against the Premises as a result of Mercy's tenancy, Mercy shall pay when due any leasehold taxes assessed or levied on Mercy's portion of the Premises without reimbursement or other setoff from City. Mercy acknowledges that leasehold taxes are one (1) year in arrears in Cook County and that as a result Mercy will be responsible for satisfaction of all leasehold taxes assessed or levied on the subject Premises at least one year after Mercy vacates the Premises. Notwithstanding the foregoing, nothing contained herein shall preclude Mercy from contesting any charge or tax levied against the Premises. The failure of Mercy to pay such taxes during the pendency of the contest shall not constitute a default under this Agreement. Mercy's tax responsibilities under this section shall survive the expiration, cancellation, or termination of this Agreement, but payment of leasehold taxes may be a requirement for contesting such taxes.

3.5 Accord and Satisfaction. No payment by Mercy or receipt by City of a lesser amount than any installment or payment of the rent or Operating Costs or other costs due hereunder shall be deemed to be other than on account of the amount due, and no endorsement of statement or any check or any letter accompanying any check or payment of rent shall be deemed an accord and satisfaction. City may accept such check or payment without prejudice as to City's right to recover the balance of such installment or payment to pursue any other remedies available to City.

SECTION 4. CONDITION AND ENJOYMENT OF PREMISES, ALTERATIONS AND ADDITIONS, SURRENDER

4.1 Covenant of Quiet Enjoyment. City covenants and agrees that Mercy, upon paying the rent, Operating Costs, and upon observing and keeping the covenants, agreements,

and conditions of this Agreement on its part to be kept, observed, and performed, shall lawfully and quietly hold, occupy, and enjoy the Premises (subject to the provisions of this Agreement) during the Term without hindrance or molestation by City or by any person or persons claiming under City.

4.2 Maintenance. City shall take reasonable efforts to maintain the Building in a condition of good repair and good order. Mercy shall notify City regarding any issues with maintenance of the Premises and/or Building. Mercy shall also notify City regarding any issues with other services provided to the Premises and/or Building by City or through City's contractors. City shall be responsible for resolving any building code violations issued on the Building and/or Premises. In the event such building code violations were caused by Mercy, Mercy shall resolve such issues at Mercy's cost or City can perform such repairs subject to reimbursement from Mercy.

4.3 City's Right of Access. City shall have the right of reasonable access to the Premises and/or Building, upon reasonable prior written notice to Mercy, for the purpose of inspecting and making City repairs to the Premises and/or Building. City shall also have the right of reasonable access to the Premises and/or Building for the purposes of monitoring Mercy's compliance with Services Agreement attached hereto and made a part hereof as **Exhibit A**. City shall always have access to the Premises and/or Building in the event of maintenance emergencies or security emergencies.

4.4 Use of the Premises. Mercy shall not use the Premises in a manner that would violate any law. Mercy further covenants not to do or suffer any waste or damage any portion of the Premises and/or Building, and to comply in all respects with the laws, ordinances, orders, rules, regulations, and requirements of all federal, state, and municipal governmental departments which may be applicable to the Premises or to the use or manner of use of the Premises, disfigurement or injury to any building or improvement on the Premises, or to fixtures and equipment thereof. Any activities on the Premises must be limited for the delivery of health services as agreed between Mercy and the City's Department of Public Health. All such activities must be provided consistent with Mercy's not-for-profit purposes and so as to lessen the burdens of government by providing such health care services.

4.5 Alterations and Additions. Mercy may make alterations, additions, and improvements on the Premises. Any such alterations, additions and improvements shall be in full compliance with any applicable laws, permit requirements, and building codes. In addition, Mercy will comply with all insurance requirements under this Agreement including, but not limited to, Section 6.1 (f). Mercy must obtain the prior written consent of the Commissioner of the Department of Fleet and Facility Management before commencing any alterations, additions, and or improvements including, but not limited to, telephone network switch and upgrades. Any permanent additions and improvements shall be without cost to City and shall become property of City at Agreement termination without offset or other credit to Mercy.

SECTION 5. ASSIGNMENT, SUBLICENSE, AND LIENS

5.1 Assignment and Sublicense. Mercy may assign this Agreement in whole or in part or sublicense the Premises or any part thereof upon the prior written consent of the Commissioner of the Department of Fleet and Facility Management. Such consent shall not be unreasonably withheld, conditioned, or delayed.

5.2 Mercy's Covenant against Liens. Mercy shall not cause or permit any lien or encumbrance, whether created by act of Mercy, operation of law or otherwise, to attach to or be placed upon City's title or interest in the Premises. All liens and encumbrances created by Mercy shall attach to Mercy's interest only. In case of any such lien attaching, Mercy shall immediately pay and remove such lien or furnish security or indemnify City in a manner satisfactory to City in its sole discretion to protect City against any defense or expense arising from such lien. Except during any period in which Mercy appeals any judgment or obtains a rehearing of any such lien, or in the event judgment is stayed, Mercy shall immediately pay any judgment rendered against Mercy, with all proper costs and charges, and shall have the lien released and any judgment satisfied. If Mercy fails to pay and remove any lien or contest such lien in accordance herewith, City, at its election, may pay and satisfy same, and all sums so paid by City, with interest from the date of payment at the rate set at 12% per annum.

SECTION 6. INSURANCE AND INDEMNIFICATION

6.1 Insurance. Mercy shall procure and maintain at all times at Mercy's own expense, during the term of this Agreement, the insurance coverages and requirements specified below, insuring all operations related to the Agreement with insurance companies authorized to do business in the state of Illinois.

The kinds and amounts of insurance required are as follows:

a) Workers Compensation and Employers Liability Insurance. The City of Chicago, its employees, elected officials, agents, and representatives are to be named as additional insureds on a primary, non-contributory basis for any liability arising directly or indirectly from the Agreement.

c) Professional/ Liability. When any professional consultants perform services in the Premises or in connection with Mercy's use of the Premises, Liability Insurance covering acts, errors or omissions related to such activities must be maintained with limits of not less than $3,000,000. Coverage must include contractual liability. A claims-made policy which is not renewed or replaced must have an extended reporting period of 2 years. Mercy shall provide City with copies of the professional licenses and/or certificates for each of the professional

consultants performing services in the Premises or in connection with Mercy's use of the Premises.

d) Automobile Liability Insurance. (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with work to be performed, Mercy shall provide Comprehensive Automobile Liability Insurance with limits of not less than $1,000,000 per occurrence, for bodily injury and property damage.

Mercy shall submit evidence on insurance prior to award. The receipt of any certificates does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Mercy shall not be deemed to be a waiver by the City. Mercy shall advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance shall not relieve Mercy of its obligation to provide Insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to terminate the Agreement until proper evidence of insurance is provided.

The insurance shall provide for 60 days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

Any and all deductibles or self-insured retentions on referenced insurance coverages shall be borne by Mercy.

Mercy agrees that its insurers shall waive their rights of subrogation against the City of Chicago its employees, elected officials, agents or representatives.

The required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

The City of Chicago, Department of Finance, Office of Risk Management, maintains the right to modify, delete, alter or change these requirements.

6.3 Mercy's Indemnification. Mercy shall indemnify, defend and hold Landlord harmless against any and all Claims, including but not limited to, Claims that may arise in relation to the use of the Premises by the general public. In the event of such default, City will notify Mercy in writing as to the circumstances giving rise to such default. Upon written receipt of such notice, Mercy must cure such default within thirty (30) days. If Mercy does not cure such default within thirty (30) days, City may cancel this Agreement with thirty (30) days written notice. City may provide additional time where Mercy cannot reasonably cure such event of default.

10.13 No Brokers. Mercy warrants to City that no broker or finder (a) introduced Mercy to the Premises, (b) assisted Mercy in the negotiation of this Agreement, or (c) dealt with Mercy on Mercy's behalf in connection with the Premises or this Agreement. City warrants to Mercy that no broker or finder (a) introduced City to Mercy, (b) assisted City in the negotiation of this Agreement, or (c) dealt with City on City's behalf in connection with the Premises or this Agreement. No payments due under this Agreement shall be made to any brokers.

10.14 Amendments. From time to time, the parties hereto may administratively amend this Agreement with respect to any provisions reasonably related to Mercy's use of the Premises and/or City's administration of this Agreement, including, but not limited to, space expansion or reduction within the Building and space remeasurement. Provided, however, that such amendment(s) shall not serve to extend the Term hereof nor serve to otherwise materially alter the essential provisions contained herein. Such amendment(s) shall be in writing, shall establish the factual background necessitating such alteration, shall set forth the terms and conditions of such modification, and shall be duly executed by both City and Mercy. Such amendment(s) shall only take effect upon execution by both parties. Upon execution, such amendment(s) shall become a part of this Agreement and all other provisions of this Agreement shall otherwise remain in full force and effect.

10.15 Compliance with Department of Public Health. Mercy shall at all times be in full compliance with the Service Agreement or any agreements entered into between Mercy and City's Department of Public Health relative to the Premises and/or Building.

10.16 Access to Parking Lot. Mercy, its agents, employees, licensees, contractors, clients, and invitees shall have non-exclusive access to the rear parking lot of the Building on a first-come first-served basis. Such use of the rear parking lot shall be subject to all rules in place, or hereinafter in place, governing the access to the rear parking lot. Mercy acknowledges that City may from time to time lease parts of the parking lot to other parties. City and Mercy acknowledge that in fulfilling City and Mercy's public benefit mission, the parking lot is provided primarily for the benefit of City's clients and Mercy's clients.

10.17 Existing Furniture. Mercy may use any furniture and equipment belonging to City and located within the Premises that is not removed by City. The City shall retain ownership of such furniture and equipment.

10.18 No Other Rights. The execution of this Agreement does not give Mercy any other right with respect to the Premises and/or Building. Any rights not expressly granted to Mercy through this Agreement are reserved exclusively to City. Unless otherwise specified in this Agreement, execution of this Agreement does not obligate City to undertake any additional duties or services.

10.19 Municipal Marketing Efforts. The City shall have the right to install digital advertising sign on the adjoining parking lot as part of the City's municipal marketing efforts, subject to the separate approval of City Council.

10.20 No Construction against Preparer. This Agreement shall not be interpreted in favor of either City or Mercy. City and Mercy each acknowledge that both parties participated fully in the mutual drafting of this Agreement.

10.21 No Real Estate Interests. This Agreement creates a license only. Mercy acknowledges and agrees that Mercy shall not hold or claim at any time an interest or estate of any kind whatsoever in the Premises by virtue of this Agreement or Mercy's use of the Premises.

SECTION 11. RESPONSIBILITIES OF MERCY

11.1 Inspection. Mercy has inspected the Premises, Building, and all related areas and grounds. Mercy is satisfied with the physical condition thereof. Mercy accepts the Premises and the Building in "as-is" condition.

11.2 Custodial Service. Mercy shall keep the Premises in a sanitary condition, free of insects, rodents, vermin and other pests. City shall provide and pay for custodial services for the Premises and the Building (although City may later elect to eliminate or reduce such services) and such costs shall be included as a reimbursable Operating Cost. At Mercy's cost, Mercy may also choose to supplement City's custodial services for the common areas within the Building. By mutual agreement, at a later date the Premises and the entire Building may also be serviced by Mercy's custodial services provider. In such event, Mercy's custodial costs applicable to the non-Premises within the Building shall be credited against reimbursable Operating Costs.

11.3 Security. Mercy shall provide security for the Premises. By mutual agreement, at a later date Mercy may provide security services to the non-Premises portion of the Building. In such event Mercy's security costs applicable to the non-Premises within the Building shall be credited against reimbursable Operating Costs. Mercy shall abide by any security rules that may apply to the Building and/or the Premises.

11.4 Pest Control. City shall provide and pay for pest control services whenever necessary for the Building and the Premises. Notwithstanding the foregoing, City shall not provide such services where Mercy is negligent in maintaining reasonable sanitary standards within the Premises. City's costs for pest control services shall be included as a reimbursable Operating Cost.

11.5 Repairs for Negligence, Vandalism, or Misuse. Mercy shall assume responsibility for any repairs to the Premises and/or Building necessitated by the negligence, vandalism, or misuse of the Premises and/or Building or equipment therein by Mercy's employees, invitees, agents, clients, or contractors.

11.6 Fire Extinguishers. City shall provide and maintain fire extinguishers as may be required by applicable code in the Building and the Premises at all times. City's costs to provide and maintain fire extinguishers shall be included in the reimbursable Operating Costs.

11.7 Signage. Mercy may place exterior and interior signage on the Premises and/or Building. Such signage and placement must be approved in writing by the Commissioner of the Department of Fleet and Facility Management.

11.8 Hazardous Materials. Mercy shall keep out of the Premises materials which cause a fire hazard or safety hazard. Mercy shall not store any hazardous materials within the Premises and/or Building. Mercy shall dispose of all medical wastes at Mercy's cost and in accordance with any applicable laws.

11.9 Trade Fixtures. Mercy shall maintain Mercy's equipment and trade fixtures in the Premises in good condition. Upon the termination or cancellation of this Agreement, Mercy shall remove Mercy's personal property and equipment, provided that Mercy shall repair any injury or damage to the Premises and/or Building resulting from such removal. If Mercy does not remove Mercy's furniture, machinery, trade fixtures and all other items of personal property, City may, at its option, remove the same and deliver them to any other place of business of Mercy or warehouse the same. Mercy shall pay the cost of such removal, including the repair for such removal, delivery and warehousing, to City on demand, or City may treat such property as being conveyed to City with this Agreement serving as a bill of sale, without further payment or credit by City to Mercy.

11.10 Illegal Activity. Mercy, or any of its agents or employees, shall not perform or permit any practice that is injurious to the Premises or Building, is illegal, or increases the rate of insurance on the Premises and/or Building.

11.11 No Alcohol or Illegal Drugs. Mercy agrees that no alcoholic beverages or illegal drugs of any kind or nature shall be sold, given away, or consumed on the Premises or Building by Mercy's staff, contractors, agents, invitees, or clients.

11.12 Licensing and Permits. For any activity which Mercy desires to conduct on the Premises in which a license or permit is required, said license or permit must be obtained by Mercy prior to using the Premises for such activity. The Department of Public Health and the Department of Fleet and Facility Management must be notified of any such license or permit. Failure to obtain and maintain a required license or permit shall constitute a breach of the terms of this Agreement.

11.13 Full Liability. Mercy assumes full legal and financial responsibility and liability for any use of the Premises by Mercy, Mercy's staff, Mercy's agents, Mercy's invitees, entering the Premises including, without limitation, clients receiving health services.

11.14 Non-Discrimination. Mercy agrees that Mercy shall not discriminate on the basis of race, color, sex, age, religion, disability, national origin, sexual orientation, marital status, parental status, military discharge status, immigration status, age, or source of income with respect to services provided by Mercy on the Premises. Mercy shall not use the Premises for any religious activities.

11.15 Building Rules. Mercy shall comply with all reasonable rules and regulations in place at Agreement execution or thereafter promulgated in writing by City for the Building including, but not limited to, any parking lot rules and regulations.

11.16 Compliance with HIPAA. Mercy shall at all times comply with all provisions of the Health Insurance Portability and Accountability Act.

11.17 Economic Disclosure Statement Affidavit Updates. Throughout the Term, Mercy shall provide City with any material updates to the information previously submitted in Mercy's Economic Disclosure Statement Affidavit. City may also request such updates from time to time. Failure to provide such information on a timely basis shall constitute a default under this Agreement.

11.18 Condition on Surrender. Upon the termination or cancellation of this Agreement, Mercy shall surrender the Premises to City in a comparable or better condition to the condition of the Premises at the beginning of Mercy's occupancy, with normal wear and tear taken into consideration.

SECTION 12. DISCLOSURES AND REPRESENTATIONS

12.1 Business Relationships. Mercy acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (B) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom

the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (C) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. Mercy hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

12.2 Patriot Act Certification. Mercy represents and warrants that neither Mercy nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment, the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to Mercy that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Mercy, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

12.3 Prohibition on Certain Contributions-Mayoral Executive Order No. 2011-4. Mercy agrees that Mercy, any person or entity who directly or indirectly has an ownership or beneficial interest in Mercy of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Mercy's contractors (i.e., any person or entity in direct contractual privity with Mercy regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Mercy and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (i) after execution of this Agreement by Mercy, (ii) while this Agreement or any Other Contract is executory, (iii) during the term of this Agreement or any Other Contract between Mercy and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

Mercy represents and warrants that from the date the City approached Mercy or the date Mercy approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Mercy agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Mercy agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Notwithstanding anything to the contrary contained herein, Mercy agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Mercy intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the execution of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source which are then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Mercy is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

(A) they are each other's sole domestic partner, responsible for each other's common welfare; and
(B) neither party is married; and

(C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

(E) two of the following four conditions exist for the partners:

1. The partners have been residing together for at least 12 months.
2. The partners have common or joint ownership of a residence.
3. The partners have at least two of the following arrangements:
   a. joint ownership of a motor vehicle;
   b. a joint credit account;
   c. a joint checking account;
   d. a lease for a residence identifying both domestic partners as tenants.
4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

12.4 Waste Ordinance Provisions. In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Mercy warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Agreement is executory, Mercy's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Commissioner of the Department of Fleet and Facility Management. Such breach and default entitles the City to all remedies under the Agreement, at law or in equity. This section does not limit Mercy's, general contractor's and its subcontractor's duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect Mercy's eligibility for future contract awards.

12.5 Failure to Maintain Eligibility to do Business with City. Failure by Mercy or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this Agreement and the transactions contemplated thereby. Mercy shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

12.6 Cooperation with Inspector General and Legislative Inspector General. It is the duty of every officer, employee, department, agency, contractor, subcontractor, user of City's real property, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. The Foundation understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago.

12.7 2011 City Hiring Plan Prohibitions.

(i) The City is subject to the June 24, 2011 "City of Chicago Hiring Plan" (the "2011 City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, 2011 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Mercy is aware that City policy prohibits City employees from directing any individual to apply for a position with Mercy, either as an employee or as a subcontractor, and from directing Mercy to hire an individual as an employee or as a subcontractor. Accordingly, Mercy must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Mercy under this Agreement are employees or subcontractors of Mercy, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Mercy.

(iii) Mercy will not condition, base, or knowingly prejudice or affect any term or term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to Mercy by a City employee or City official in violation of Section 12.7(ii) above, or advocating a violation of Section 12.7(iii) above, Mercy will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant City Department utilizing services provided under this Agreement. Mercy will also cooperate with any inquiries by IGO Hiring Oversight related to the Agreement.

WHEREAS, on or about September 20, 1991, the City made the Loan to the Original Borrower; and

WHEREAS, the Loan was secured by, among other things, that certain Junior Mortgage Security Agreement and Financing Statement dated as of September 20, 1991, made by the Borrower in favor of the City (the "Mortgage"); and

WHEREAS, the proceeds of the Loan were used to provide for the rehabilitation of a 65–unit building located generally at 4631-37 S. Lake Park Avenue, in Chicago, Illinois (the "Property"); and

WHEREAS, pursuant to an ordinance adopted on May 7, 2003, and published at pages 173 through 176 of the Journal of the Proceedings of the City Council for that date, the City approved a restructuring in connection with the Original Senior Loan in a manner which (1) extended the maturity date of the Loan, (2) altered the repayment terms of the Loan, (3) waived then-accrued but unpaid late charges, (4) forgave then due but unpaid interest, (5) ratified a replacement general partner of the Original Borrower, and (vi) subordinated the Mortgage to all liens securing the new senior financing ("First Restructuring"); and

WHEREAS, the Original Borrower entered into the First Restructuring; and

WHEREAS, the Current Borrower entered into the Second Restructuring; and

WHEREAS, pursuant to the Second Restructuring, the Mortgage is subordinate to that certain Mortgage dated as of February 27, 2007, securing a loan in the amount of $2,000,000 (the "Third Senior Loan"), made by the Current Borrower in favor of ShoreBank, an Illinois banking corporation, now known as Urban Partnership Bank; and

Form of Counsel's Opinion

_____, 2014

City of Chicago
Department of Planning and Development

Chicago, Illinois 60602

RE: Amending Agreement to Administrative Services Agreement (the "Agreement")

Ladies and Gentlemen:

I have acted as counsel for SomerCor 504, Inc., an Illinois not-for-profit corporation ("SomerCor"), in connection with the execution and delivery of the Agreement by and between SomerCor and the City of Chicago, acting by and through its Department of Planning and Development (the "City"). SomerCor has requested that this opinion be furnished to the City.

In so acting as counsel for SomerCor I have examined:

(i) an executed original of the Agreement;

(ii) the Articles of Incorporation, including all amendments thereto, of SomerCor as furnished and certified by the Secretary of State of the State of Illinois;

(iii) the By-Laws of SomerCor, as certified by the Secretary of SomerCor as of the date hereof; and

(iv) the Certificate of Good Standing dated _____, issued by the Office of the Secretary of State of the State of Illinois, as to the good standing of SomerCor.

In my capacity as counsel, I have also examined such other documents or instruments as I have deemed relevant for the purposes of rendering the opinions hereinafter set forth.

I have also assumed, but have no reason to question, the legal capacity, authority and the genuineness of the signatures of and due and proper execution and delivery by the respective parties other than SomerCor which has made, executed or delivered or will make, execute and deliver the agreements and documents examined by me.

I express no opinion as to (i) the laws of any state or jurisdiction other than the State of Illinois (and any political subdivisions thereof) and the United States of America; and (ii) any matters pertaining or relating to the securities laws of the United States of America, the State of Illinois or any other state.

Based upon and subject to the assumptions and qualifications herein stated, it is my opinion

that:

1. SomerCor is a not-for-profit corporation, duly organized and validly existing under the laws of the State of Illinois, SomerCor has made all filings required by the laws of the State of Illinois in respect of its formation and continuing existence, and has all requisite authority to carry on its business and to execute and deliver, and to consummate the transactions contemplated by, the Agreement.

2. The Agreement has been duly executed and delivered on behalf of SomerCor, and constitutes a legal, valid and binding obligation of SomerCor, enforceable against SomerCor in accordance with its terms, except to the extent that enforcement of any such terms may be limited by: (a) applicable bankruptcy, reorganization, debt arrangement, insolvency or other similar laws generally affecting creditors' rights; or (b) judicial and public policy limitations upon the enforcement of certain remedies including those which a court of equity may in its discretion decline to enforce.

3. There is no action, suit or proceeding at law or in equity pending, nor to my knowledge threatened, against or affecting SomerCor, before any court or before any governmental or administrative agency, which if adversely determined could materially and adversely affect the ability of SomerCor to perform under the Agreement or any of its business or properties or financial or other conditions.

4. The transactions contemplated by the Agreement are governed by the laws of the State of Illinois.

5. The execution and delivery of the Agreement and the consummation of the transactions contemplated thereby will not constitute:

   A. a violation or breach of (i) the Articles of Incorporation of SomerCor, (ii) the By-Laws of SomerCor, (iii) any provision of any contract or other instrument to which SomerCor is bound, or (iv) any order, writ, injunction, decree, statute, rule or regulation binding on SomerCor, or

   B. a breach of any of the provisions of, or constitute a default under, or result in the creation or imposition of any lien or encumbrance upon any of the property of SomerCor pursuant to any agreement or other instrument to which SomerCor is a party or by which SomerCor is bound.

6. No action of, or filing with, any governmental or public body is required to authorize, or is otherwise required for the validity of, the execution, delivery and performance of any of the Agreement.

This opinion is furnished for your benefit and may be relied upon by you and any such other party in connection with the Agreement, but may not be delivered to or relied upon by any other person or entity without written consent from the undersigned.

Very truly yours,

Pursuant to an ordinance adopted by the City Council of the City on _____, 2014 and published in the Journal of Proceedings of the City Council for said date at pages _____ through _____, inclusive, the City has authorized the Commissioner of DPD to execute and deliver this Agreement (the "Ordinance").

D. The Property. The approximately 32,036 square foot development site is located in the Redevelopment Area at the northeast corner of Western Avenue and West 107th Street with common addresses of 2342 West 107th Street and 10633 South Western Avenue in Chicago, Illinois, and is legally described in Exhibit B (the "Property").

E. The Project. The Developer, as owner of the Property, intends to demolish three existing one-story commercial building structures on the Property and replace them with two new commercial buildings with approximately twenty-eight (28) off-street parking spaces. The project is planned in two phases: the first phase includes demolition, Property site preparation and construction of an approximately 3,940 square foot restaurant building with drive-through service for a Buona Beef restaurant ("Component 1"), and the conditional second phase includes the construction of a 2,100 square foot building suitable for retail/restaurant business ("Component 2"). Component 1 and Component 2, together, and related on-site improvements (including but not limited to those TIF-Funded Improvements as defined below and set forth on Exhibit C) and any adjacent improvements in the public right of way are collectively referred to herein as the "Project." The completion of the Project would not reasonably be anticipated without the financing contemplated in this Agreement.

The buildings to be constructed as part of the Project will be oriented toward Western Avenue with the building facades in close proximity to Western Avenue, consistent with the majority of the commercial buildings along Western Avenue in the Beverly neighborhood. Appropriate landscaping features will occupy space along Western Avenue and 107th Street and the northern boundary of the site, which abuts King Lockhart Park. There shall be customer ingress-egress points on 107th Street and Western Avenue, and one egress for the drive-through on Western Avenue. Vacation of an east/west bisecting alley, with an approximate land area of 1,588 square feet (99' in length by 16' in width) is required. The Project is expected to create approximately forty-two (42) temporary construction jobs, and the Buona Beef restaurant will employ approximately thirteen (13) FTEs after construction of Component 1.

F. Redevelopment Plan. The Project will be carried out in accordance with this Agreement and the City of Chicago Western/Rock Island Tax Increment Financing Redevelopment Area Project and Plan (the "Redevelopment Plan") included in the TIF-Adoption Ordinance and published at pages 69482 through 69612, inclusive, of the Journal of the Proceedings of the City Council.

G. City Financing. The City agrees to use, in the amounts set forth in Section 4.03 hereof, Incremental Taxes (as defined below), to pay for, reimburse the Developer, or refinance debt incurred by the Developer for the costs of TIF-Funded Improvements pursuant to the terms and conditions of this Agreement. Upon recordation of this Agreement, the Developer shall have priority for Available Incremental Taxes ahead of all projects **EXCEPT** for the projects to

be completed pursuant to: (1) that certain redevelopment agreement (the "Home Run Inn RDA") entered into as of February 20, 2014 by and between the City and CPMOK Properties, LLC and recorded on March 6, 2014 as document number 1406535298; (2) that certain intergovernmental agreement entered into as of February 7, 2012 by and between the City of Chicago and the Board of Education for the City of Chicago for the Morgan Park High School renovations; and (3) that certain intergovernmental agreement entered into as of _____, 201_ by and between the City of Chicago and the Chicago Park District for Fireman's Memorial Park.

Now, therefore, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

	Annual Payment #5	5th anniversary of issuance of Component 2 Certificate of Completion	$23,000

(iii) The actual amount may vary depending on the final Certified Total Project

Cost and the amount of TIF-Eligible expenses incurred for each Component. In the event that Components 1 and 2 are completed concurrently, the City Funds will be provided in five (5) equal, annual payments in the amount of $90,000 commencing at the issuance of the Project Certificate of Completion. The City Funds will be reduced on a dollar for dollar basis if the Certified Component 1 Final Cost falls below $2,258,717 (which is the Component 1 Total Cost minus the Hard Cost Contingency amount in the Project Budget) and will be reduced on a dollar for dollar basis if the Certified Component 2 Final Cost falls below $468,305 (which is the Component 2 Total Cost minus the Hard Cost Contingency amount in the Project Budget) (or the final Components 1 and 2 Costs reflected in this Agreement minus the Hard Cost Contingency amount in the Project Budget). Such reduction shall be made from the Annual Payment #1 and, if necessary, successive annual payments.

4.04. Conditions for Payment of City Funds.

No City Funds shall be paid to the Developer unless all of the following conditions have been met:

(a) Issuance of the applicable Certificate of Completion.

(b) Evidence acceptable to DPD that the Certified Component 1 Final Cost is equal to, or in excess of, $2,258,717, and the Certified Component 2 Final Cost is equal to, or in excess of, $468,305. The City Funds will be reduced on a dollar for dollar basis, as described in Section 4.03(b)(iii) above.

(c) When the Developer submits documentation to the City in connection with a request for the payment of the City Funds as described in Section 4.03(b), beginning on the first request for payment and continuing through the earlier of (i) the Term of the Agreement or (ii) the date that the Developer has been reimbursed in full under this Agreement, the Developer shall provide DPD with a Requisition Form, along with the documentation described therein. Requisition for reimbursement of TIF-Funded Improvements shall be made not more than one time per calendar year (or as otherwise permitted by DPD). The Developer shall meet with DPD at the request of DPD to discuss the Requisition Form(s) previously delivered.

(d) All required Annual Compliance Reports have been submitted as required by this Agreement. The Developer will be required to provide the Annual Compliance Report throughout the "Monitoring and Compliance Period," which is defined as beginning on the date of the issuance of the Component 1 Certificate of Completion and extends ten years from the issuance of the Component 1 Certificate.

4.05. Treatment of Prior Expenditures and Subsequent Disbursements.

(a) Prior Expenditures. Only those expenditures made by the Developer with respect to the Project prior to the Closing Date, evidenced by documentation satisfactory to DPD and approved by DPD as satisfying costs covered in the Project Budget, shall be considered previously contributed Equity or Lender Financing hereunder (the "Prior Expenditures"). DPD shall have the right, in its sole discretion, to disallow any such expenditure as a Prior Expenditure. Exhibit G hereto sets forth the prior expenditures approved by DPD as of the Closing Date as Prior Expenditures. Prior Expenditures made for items other than TIF-Funded Improvements shall not be reimbursed to Developer, but shall reduce the amount of

Equity and/or Lender Financing required to be contributed by Developer pursuant to Section 4.01 hereof.

(b) City Fee. Annually, the City may allocate an amount not to exceed ten percent (10%) of the Incremental Taxes for payment of costs incurred by the City for the administration and monitoring of the Redevelopment Area, including the Project. Such fee shall be in addition to and shall not be deducted from or considered a part of the City Funds, and the City shall have the right to receive such funds prior to any payment of City Funds hereunder.

(c) Allocation Among Line Items. Disbursements for expenditures related to TIF-Funded Improvements may be allocated to and charged against the appropriate line only, with transfers of costs and expenses from one line item to another, without the prior written consent of DPD, being prohibited; provided, however, that such transfers among line items, in an amount not to exceed $5,000 or $20,000 in the aggregate, may be made without the prior written consent of DPD.

4.06. Cost Overruns. If the aggregate cost of the TIF-Funded Improvements exceeds City Funds available pursuant to Section 4.03 hereof, or if the cost of completing the Project exceeds the Project Budget, the Developer shall be solely responsible for such excess cost, and shall hold the City harmless from any and all costs and expenses of completing the TIF-Funded Improvements in excess of City Funds and of completing the Project.

4.07. Certification of Project Costs. Prior to the certification of Project Costs by the City, the Developer shall submit documentation regarding the applicable expenditures to DPD, which shall be satisfactory to DPD in its sole discretion. Delivery by the Developer to DPD of any request for execution for a Certification of Project Costs shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for disbursement, that:

(a) the total amount of the request for such Certification is for TIF-Funded Improvements that represent the actual amount payable to (or paid to) the General Contractor and/or subcontractors who have performed work on the Project, and/or their payees;

(b) all amounts shown as previous payments on the request for such Certificate of Expenditure have been paid to the parties entitled to such payment (or have been incurred by the Developer);

(c) the Developer has approved all work and materials for the request for such Certificate of Expenditure and such work and materials conform to the Plans and Specifications;

(d) the representations and warranties contained in this Redevelopment Agreement are true and correct and Developer is in compliance with all applicable covenants contained herein;

(e) the Developer has received no notice and has no knowledge of any liens or claim of lien either filed or threatened against the Property except for the Permitted Liens;

(f) no Event of Default or condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default exists or has occurred; and

(g) the Project is In Balance. The Project shall be deemed to be in balance ("In

Balance") only if the total of the Available Project Funds equals or exceeds the aggregate of the amount necessary to pay all unpaid Project costs incurred or to be incurred in the completion of the Project. The Developer hereby agrees that, if the Project is not In Balance, Developer shall, within 10 days after a written request by the City, provide the City with evidence of sufficient sources of funds that will place the Project In Balance.

The City shall have the right, in its discretion, to require the Developer to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and the execution of a Certificate of Expenditure by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Developer. In addition, the Developer shall have satisfied all other preconditions for execution of a Certificate of Expenditure, including but not limited to requirements set forth in the TIF Ordinances and/or this Agreement.

4.08. Conditional Grant. Payments of the City Funds being provided hereunder are being provided on a conditional basis, subject to the Developer's compliance with the provisions of this Agreement. The City Funds are subject to being terminated and/or reimbursed as provided in Section 15.02 hereof.

4.09. Order of Spending of Project Funds. All Developer Equity and/or Lender Financing will be spent first, and City Funds will be provided as described in Section 4.03.

Notwithstanding acceptance by the City of the EDS, failure of the EDS to include all information required under the Municipal Code renders this Agreement voidable at the option of the City. Developer and any other parties required by this Section 5.14 to complete an EDS must promptly update their EDS(s) on file with the City whenever any information or response provided in the EDS(s) is no longer complete and accurate, including changes in ownership and changes in disclosures and information pertaining to ineligibility to do business with the City under Chapter 1-23 of the Municipal Code, as such is required under Section 2-154-020, and failure to promptly provide the updated EDS(s) to the City will constitute an Event of Default under this Agreement.

(b) DPD shall respond to the Developer's written request for a Certificate of Completion within forty-five (45) days by issuing either a Certificate of Completion or a written statement detailing the ways in which the Project does not conform to this Agreement or has not been satisfactorily completed, and the measures which must be taken by the Developer in order to obtain the Certificate of Completion. The Developer may resubmit a written request for a Certificate of Completion upon completion of such measures. The failure by DPD to respond within forty-five (45) days shall not be deemed approval of the Developer's request for the Certificate of Completion.

(vii) the Developer has provided evidence acceptable to DPD that Buona Restaurants, Inc. has obtained all required business licenses, is open for business, and has employed a minimum of thirteen (13) FTEs; and

7.02. Effect of Issuance of Certificate of Completion; Continuing Obligations. Any Certificate of Completion relates only to the construction of the Project (or a component thereof), and upon its issuance, the City will certify that the terms of the Agreement specifically related to Developer's obligation to complete such activities have been satisfied. After the issuance of a Certificate of Completion, however, all executory terms and conditions of this Agreement and all representations and covenants contained herein will continue to remain in full force and effect throughout the Term of the Agreement as to the parties described in the following paragraph, and the issuance of the Certificate of Completion shall not be construed as a waiver by the City of any of its rights and remedies pursuant to such executory terms.

Those covenants specifically described at Sections 8.01(j), 8.01(k), 8.02, 8.06, 8.19, and 8.21 as covenants that run with the land are the only covenants in this Agreement intended to be binding upon any transferee of the Property (including an assignee as described in the following sentence) throughout the Term of the Agreement notwithstanding the issuance of a Certificate of Completion; provided, that upon the issuance of a Certificate of Completion, the covenants set forth in Section 8.02 shall be deemed to have been fulfilled. The other executory terms of this Agreement that remain after the issuance of a Certificate of Completion shall be binding only upon the Developer or a permitted assignee of Developer who, pursuant to Section 18.15 of this Agreement, has contracted to take an assignment of the Developer's rights under this Agreement and assume the Developer's liabilities hereunder.

7.03. Failure to Complete. If Developer fails to complete the Project (or either component) in accordance with the terms of this Agreement, then the City has, but shall not be limited to, any of the following rights and remedies:

(a) the right to terminate this Agreement and cease all disbursement of City Funds not yet disbursed pursuant hereto;

(b) the right (but not the obligation) to complete those TIF-Funded Improvements that are public improvements and to pay for the costs of TIF-Funded Improvements (including interest costs) out of City Funds or other City monies. In the event that the aggregate cost of completing the TIF-Funded Improvements exceeds the amount of City Funds available pursuant to Section 4.01, Developer shall reimburse the City for all reasonable costs and expenses incurred by the City in completing such TIF-Funded Improvements in excess of the available City Funds; and

(c) the right to seek reimbursement of the City Funds from the Developer.

7.04. Notice of Expiration of Term of Agreement. Upon the expiration of the Term of the Agreement, DPD shall provide Developer, at Developer's written request, with a written notice in recordable form stating that the Term of the Agreement has expired.

Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Contract, at law and in equity. "Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code, as amended.

8.02 Covenant to Redevelop. Upon DPD's approval of the Project Budget, the Scope Drawings and Plans and Specifications as provided in Sections 3.02 and 3.03 hereof, Developer's receipt of all required building permits and governmental approvals, the Developer shall redevelop the Property in accordance with this Agreement and all Exhibits attached hereto, the TIF Ordinances, the Ordinance, the Scope Drawings, Plans and Specifications, the Project Budget and all amendments thereto, and all Laws applicable to the Project, the Property and/or Developer. The covenants set forth in this Section shall run with the land and be binding upon any transferee, but shall be deemed satisfied upon issuance by the City of a Certificate of Completion with respect thereto.

8.03 Redevelopment Plan. The Developer represents that the Project is and shall be in compliance with all of the terms of the Redevelopment Plan, which is hereby incorporated by reference into this Agreement.

8.04 Use of City Funds. City Funds disbursed to the Developer shall be used by Developer solely to pay for (or to reimburse the Developer for its payment for) the TIF-Funded Improvements as provided in this Agreement.

8.05 Recapture of TIF Assistance.

(a) Limitations on Sale or Transfer. Prior to the third anniversary of the issuance of Component 1 Certificate of Completion, the Developer may not sell or otherwise directly or indirectly transfer the Property, or any part thereof, including the buildings constructed as part of the Project. For the period after the third anniversary and prior to the tenth anniversary of the issuance of the Component 1 Certificate of Completion, the Developer may not sell or otherwise directly or indirectly transfer the Property, or any part thereof, including the buildings constructed as part of the Project, without the City's approval, except to a wholly-owned entity of the Developer. City approval is predicated on the new ownership entity's ability to demonstrate the financial capacity, together with the experience, needed to effectively operate and manage a restaurant/retail development and that entity agreeing to assume all surviving responsibilities and covenants applicable to the Developer under this Agreement.

(b) Capital Event. In the instance of a Capital Event, the Developer shall pay to the City 50% of the Sale Proceeds in excess of the amount required to achieve an Unleveraged Internal Rate of Return of 9% on the Project. However, if the Developer realizes a higher

Unleveraged Internal Rate of Return solely as a result of offering a personal guarantee and/or separate, unrelated collateral in refinancing the Project, and provided evidence thereof to the City, then this Capital Event provision will not apply.

(c) Tri-Annual Recapture. The Developer shall pay to the City 50% of the cumulative tri-annual Distributable Cash Flow, for such three-year period that is in excess of the amount required to achieve an Unleveraged Internal Rate of Return of 9% on the Project. However, if the Developer realizes a higher Unleveraged Internal Rate of Return solely as a result of offering a personal guarantee and/or separate, unrelated collateral in refinancing the Project, and provided evidence thereof to the City, then this Capital Event provision will not apply.

(d) Maximum Recapture Amount. The amount of the TIF Recapture for the Capital Event and Tri-annual Recapture will be capped at the amount of the City Funds paid to the Developer, plus an additional eleven percent (11%).

(e) As used in this subsection, the following terms shall have the following meanings:

(i) "Amortization" shall mean those certain amortization amounts for the Project as set forth in the audited annual Financial Statements.

(ii) "Capital Event" shall mean the sale, transfer or refinancing of the Project or any part thereof.

(iii) "Debt Service" shall mean those certain debt service amounts for the Project as set forth in the audited annual Financial Statements.

(iv) "Depreciation" shall mean those certain depreciation amounts for the Project as set forth in the audited annual Financial Statements.

(v) "Distributable Cash Flow" shall be computed using the following formula: Net Operating Income less Lender Required Reserves plus Amortization plus Depreciation.

(v) "Income Taxes" shall mean those certain income tax amounts for the Project as set forth in the audited annual Financial Statements.

(vi) "Net Operating Income" shall be computed using the following formula: Project Revenues minus Operating Expenses of the Project.

(vii) "Operating Expenses of the Project" shall mean those certain operating expenses set forth in the audited annual Financial Statements including Debt Service and any Lender required reserves, but excluding any reserves arising in connection with a Capital Event, Income Taxes, Depreciation and Amortization.

(viii) "Project Revenues" shall mean those certain revenues for the Project as set forth in the audited annual Financial Statements.

(ix) "Sales Proceeds" shall mean proceeds of such sale net of outstanding Lender Financing based on the final executed settlement statement prepared in connection with such sale.

(x) "Unleveraged Internal Rate of Return" shall be computed using the

following formula: Distributable Cash Flow/Equity.

(f) Any TIF Recapture Amount received by the City shall be deposited into a separate account within the TIF Fund and shall be used for Redevelopment Project Costs.

(g) Any TIF Recapture Amount due and owing to the City pursuant to Section 8.05(c) shall be paid by the Developer on or before March 1 in conjunction with the filing of the Annual Compliance Report. Any TIF Recapture Amount due and owing to the City pursuant to Section 8.05(b) due the occurrence of a Capital Event shall be paid by the Developer on the closing date of such Capital Event.

(h) This Section 8.05 shall be in effect until there is a Capital Event in which Developer is no longer in control of the entire Project. With respect to a Capital Event of less than the entire Project, such successor shall not have any obligations or liabilities under this Section 8.05. The Developer, however, shall continue to have obligations under this Section 8.05 with respect to the portion of the Project that was not subject to the Capital Event.

8.06 Jobs, Operation and Occupancy Covenants

(a) *Job Creation and Retention; Operating Covenant; Occupancy Covenant.*

The Developer (1) shall continuously operate as part of Component 1, through the Ten Year Anniversary, a "Buona Beef" restaurant or such other commercial business acceptable to DPD, as permitted pursuant to the Redevelopment Plan and this Agreement; and (2) shall, through the Term of the Agreement, occupy or lease Component 2, if completed, to tenants for commercial operations (collectively, the "Operating Covenant").

The Developer shall maintain 100% occupancy of Component 1 as a "Buona Beef" restaurant, or such other commercial business acceptable to DPD, and shall occupy or lease a minimum of 80% of Component 2, if completed, to tenants for commercial operations for each Reporting Period (the "Minimum Occupancy"). The Developer shall deliver an occupancy progress report certifying compliance with the requirement (the "Occupancy Report") to maintain a Minimum Occupancy (the "Occupancy Covenant") for the Reporting Period, such request to be submitted each year, through the Term of the Agreement. The Developer hereby covenants and agrees to maintain Minimum Occupancy through the Term of the Agreement.

Additionally, not less than thirteen (13) Full-Time Equivalent Employee jobs shall be created by the Developer or an affiliate of the Developer to operate and maintain Component 1 of the Project on or before the issuance of the applicable Certificate of Completion and such number of jobs shall be maintained during the Term of the Agreement (the "Jobs Covenant").

Following the issuance of the Certificate of Completion until the Term of the Agreement, the Developer shall submit to DPD certified Jobs Certificates (in substantially the form set forth in Exhibit I hereto) disclosing compliance with the Jobs Covenant to DPD. These Jobs Certificates shall be submitted to DPD with the Annual Compliance Report regarding compliance with the Jobs Covenant for the Reporting Period. The Jobs Certificate shall include employee identifiers and titles for FTEs employed at the Project as of the end of the prior 12-month reporting period and documentation sufficient to support, to DPD's satisfaction, each position as either newly created or maintained.

(b) *Non-Curable Covenant Defaults.* There shall be no cure period for a default under the Operating Covenant or Occupancy Covenant, nor if the Occupancy Report or the Jobs Certificate is not submitted with the Annual Compliance Report.

(c) *Jobs Covenant Default and Cure Period.* If the Developer defaults under the Jobs Covenant described in Section 8.06(a) above, an Event of Default shall not be declared with respect to such default if the Developer, upon irrevocable written notice (the "Extension Notice") accompanying the Annual Compliance Report, elects to extend the Monitoring and Compliance Period by one year to the eleventh (11^{th}) anniversary of the date the Component 1 Certificate of Completion (or Project Certificate of Completion, if applicable) is issued. The one-year period during which the Extension Notice is given shall be the only cure period allowed for a default by Developer of the Jobs Covenant as described in this paragraph; no other notice or cure periods shall apply thereto and if such default is not cured within such one-year period then an Event of Default shall exist without notice or opportunity to cure. No City Funds shall be paid to the Developer for any year that it is in default under the Jobs Covenant. If the Developer has not delivered a permitted Extension Notice then any default by the Developer under the Jobs Covenant shall constitute an Event of Default without notice or opportunity to cure. The Developer shall be entitled to deliver only one Extension Notice. If the Developer has delivered an Extension Notice, then any subsequent default by the Developer of the Jobs Covenant as described in this paragraph shall constitute an Event of Default without notice or opportunity to cure.

(c) The covenants set forth in this Section 8.06 shall run with the land and be binding upon any transferee for the Term of the Agreement.

8.07 Employment Opportunity; Progress Reports. The Developer covenants and agrees to abide by, and contractually obligate and use reasonable efforts to cause the General Contractor and each subcontractor to abide by the terms set forth in Section 10 hereof. Developer shall deliver to the City written progress reports detailing compliance with the requirements of Sections 8.09, 10.02 and 10.03 of this Agreement. Such reports shall be delivered to the City monthly. If any such reports indicate a shortfall in compliance, Developer shall also deliver a plan to DPD which shall outline, to DPD's satisfaction, the manner in which Developer shall correct any shortfall.

8.08 Employment Profile. The Developer shall submit, and contractually obligate and cause the General Contractor or any subcontractor to submit, to DPD, from time to time, statements of its employment profile upon DPD's request.

8.09 Prevailing Wage. The Developer covenants and agrees to pay, and to contractually obligate and cause the General Contractor and each subcontractor to pay, the prevailing wage rate as ascertained by the Illinois Department of Labor (the "Department"), to all Project employees. All such contracts shall list the specified rates to be paid to all laborers, workers and mechanics for each craft or type of worker or mechanic employed pursuant to such contract. If the Department revises such prevailing wage rates, the revised rates shall apply to all such contracts. Upon the City's request, the Developer shall provide the City with copies of all such contracts entered into by the Developer or the General Contractor to evidence compliance with this Section 8.09.

8.10 Arms-Length Transactions. Unless DPD has given its prior written consent with respect thereto, no Affiliate of Developer may receive any portion of City Funds, directly or indirectly, in payment for work done, services provided or materials supplied in connection with

any TIF-Funded Improvement. The Developer shall provide information with respect to any entity to receive City Funds directly or indirectly (whether through payment to the Affiliate by the Developer and reimbursement to the Developer for such costs using City Funds, or otherwise), upon DPD's request, prior to any such disbursement.

8.11 Conflict of Interest. Pursuant to Section 5/11-74.4-4(n) of the Act, the Developer represents, warrants and covenants that, to the best of its knowledge, no member, official, or employee of the City, or of any commission or committee exercising authority over the Project, the Redevelopment Area or the Redevelopment Plan, or any consultant hired by the City or the Developer with respect thereto, owns or controls, has owned or controlled or will own or control any interest, and no such person shall represent any person, as agent or otherwise, who owns or controls, has owned or controlled, or will own or control any interest, direct or indirect, in the Developer's business, the Property or any other property in the Redevelopment Area.

8.12 Disclosure of Interest. The Developer's counsel has no direct or indirect financial ownership interest in the Developer, the Property or any other aspect of the Project.

8.13 Financial Statements. The Developer shall obtain and provide to DPD Financial Statements for Developer's fiscal year ended 2013 and each December 31 thereafter for the Term of the Agreement.

8.14 Insurance. Developer, at its own expense, shall comply with all provisions of Section 12 hereof.

8.15 Non-Governmental Charges. (a) Payment of Non-Governmental Charges. Except for the Permitted Liens, Developer agrees to pay or cause to be paid when due any Non-Governmental Charge assessed or imposed upon the Project, the Property or any fixtures that are or may become attached thereto, which creates, may create, or appears to create a lien upon all or any portion of the Property or Project; provided however, that if such Non-Governmental Charge may be paid in installments, the Developer may pay the same together with any accrued interest thereon in installments as they become due and before any fine, penalty, interest, or cost may be added thereto for nonpayment. The Developer shall furnish to DPD, within thirty (30) days of DPD's request, official receipts from the appropriate entity, or other proof satisfactory to DPD, evidencing payment of the Non-Governmental Charge in question.

(b) *Right to Contest.* The Developer has the right, before any delinquency occurs:

to contest or object in good faith to the amount or validity of any Non-Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charge, prevent the imposition of a lien or remove such lien, or prevent the sale or forfeiture of the Property (so long as no such contest or objection shall be deemed or construed to relieve, modify or extend Developer's covenants to pay any such Non-Governmental Charge at the time and in the manner provided in this Section 8.15); or

at DPD's sole option, to furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully any such contested Non-Governmental Charge and all

interest and penalties upon the adverse determination of such contest.

8.16 Developer's Liabilities. The Developer shall not enter into any transaction that would materially and adversely affect its ability to perform its obligations hereunder or to repay any material liabilities or perform any material obligations of the Developer to any other person or entity. The Developer shall immediately notify DPD of any and all events or actions which may materially affect Developer's ability to carry on its business operations or perform its obligations under this Agreement or any other documents and agreements.

8.17 Compliance with Laws.

(a) *Representation.* To the best of the Developer's knowledge, after diligent inquiry, the Property and the Project are and shall be, as and when required, in compliance with all Laws pertaining to or affecting the Project and the Property. Upon the City's request, the Developer shall provide evidence satisfactory to the City of such compliance.

(b) *Covenant.* The Developer covenants that the Property and the Project will be operated and managed in compliance with all Laws. Upon the City's request, the Developer shall provide evidence to the City of its compliance with this covenant.

8.18 Recording and Filing. The Developer shall cause this Agreement, certain exhibits (as specified by Corporation Counsel), all amendments and supplements hereto to be recorded and filed against the Property on the date hereof in the conveyance and real property records of the county in which the Project is located. This Agreement shall be recorded prior to any mortgage made in connection with Lender Financing. The Developer shall pay all fees and charges incurred in connection with any such recording. Upon recording, the Developer shall immediately transmit to the City an executed original of this Agreement showing the date and recording number of record.

8.19 Real Estate Provisions.

(a) *Governmental Charges.*

(i) Payment of Governmental Charges. The Developer agrees to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon the Developer, the Property or the Project, or become due and payable, and which create, may create, a lien upon the Developer or all or any portion of the Property or the Project. "Governmental Charge" shall mean all federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties of the State other than Cook County, and municipalities other than the City) relating to the Developer, the Property or the Project including but not limited to real estate taxes.

(ii) Right to Contest. The Developer has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or forfeiture of the Property. No such contest or objection shall be deemed or construed in any way as relieving,

modifying or extending Developer's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless the Developer has given prior written notice to DPD of Developer's intent to contest or object to a Governmental Charge and, unless, at DPD's sole option,

The Developer shall demonstrate to DPD's satisfaction that legal proceedings instituted by the Developer contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of, all or any part of the Property to satisfy such Governmental Charge prior to final determination of such proceedings; and/or the Developer shall furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

(b) *Developer's Failure To Pay Or Discharge Lien.* If the Developer fails to pay any Governmental Charge or to obtain discharge of the same, Developer shall advise DPD thereof in writing, at which time DPD may, but shall not be obligated to, and without waiving or releasing any obligation or liability of the Developer under this Agreement, in DPD's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which DPD deems advisable. All sums so paid by DPD, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be promptly disbursed to DPD by the Developer. Notwithstanding anything contained herein to the contrary, this paragraph shall not be construed to obligate the City to pay any such Governmental Charge. Additionally, if the Developer fails to pay any Governmental Charge, the City, in its sole discretion, may require the Developer to submit to the City audited Financial Statements at the Developer's own expense.

(c) Real Estate Taxes.

(i) Acknowledgment of Minimum Assessed Value. The Developer agrees that, for the purpose of this Agreement, the total minimum assessed value of the Property is $_____ ("Minimum Assessed Value"). **[DPD awaiting Developer projections to confirm the calculation of the Minimum Assessed Value]**

(ii) Real Estate Tax Exemption. With respect to the Property or the Project, neither the Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to the Developer shall, during the Monitoring and Compliance Period, seek, or authorize any exemption (as such term is used and defined in the Illinois Constitution, Article IX, Section 6 (1970)) for any year that the Redevelopment Plan is in effect.

(iii) No Reduction in Real Estate Taxes. Neither the Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to the Developer shall, during the Monitoring and Compliance Period, directly or indirectly, initiate, seek or apply for proceedings in order to lower the assessed value of all or any portion of the Property or the Project below the amount of the Minimum Assessed Value.

(iv) No Objections. Neither the Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to the Developer, shall

object to or in any way seek to interfere with, on procedural or any other grounds, the filing of any Underassessment Complaint or subsequent proceedings related thereto with the Cook County Assessor or with the Cook County Board of Appeals, by either the City or any taxpayer. The term "Underassessment Complaint" as used in this Agreement shall mean any complaint seeking to increase the assessed value of the Property up to (but not above) the Minimum Assessed Value.

(v) Covenants Running with the Land. The parties agree that the restrictions contained in this Section 8.19(c) are covenants running with the land and this Agreement shall be recorded by the Developer as a memorandum thereof, at the Developer's expense, with the Cook County Recorder of Deeds on the Closing Date. These restrictions shall be binding upon the Developer and its agents, representatives, lessees, successors, assigns and transferees from and after the date hereof, provided however, that the covenants shall be released when the Redevelopment Area is no longer in effect. The Developer agrees that any sale, lease, conveyance, or transfer of title to all or any portion of the Property from and after the Closing Date shall be made explicitly subject to such covenants and restrictions. Notwithstanding anything contained in this Section 8.19(c) to the contrary, the City, in its sole discretion and by its sole action, without the joinder or concurrence of the Developer, its successors or assigns, may waive and terminate the Developer's covenants and agreements set forth in this Section 8.19(c).

8.20 Survival of Covenants. All warranties, representations, covenants and agreements of Developer contained in this Section 8 and elsewhere in this Agreement shall be true, accurate and complete at the time of Developer's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and (except as provided in Section 7 hereof upon the issuance of a Certificate of Completion) shall be in effect throughout the Term of the Agreement.

8.21 Annual Compliance Report. The Developer shall provide to DPD an Annual Compliance Report consisting of (a) an Affidavit from the Developer itemizing all ongoing requirements including references to all the relevant Sections of this Agreement, and (b) sufficient documentation and certifications, to the satisfaction of DPD, to evidence that all ongoing requirements have been satisfied during the preceding reporting period (which DPD shall have the right, but not the obligation, to audit compliance with to determine the sufficiency of such Annual Compliance Report). The Annual Compliance Report shall be submitted each year on March 1 after the end of the calendar year to which the Annual Compliance report relates (each such calendar year being a "Reporting Period"). Failure by the Developer to submit the Annual Compliance Report shall constitute an Event of Default under Section 15.01 hereof, without notice or opportunity to cure pursuant to Section 15.03 hereof. The covenants contained in this Section 8.21 shall run with the land and be binding upon any transferee for the Term of the Agreement.

8.22 Inspector General. It is the duty of the Developer and the duty of any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all of the Developer's officers, directors, agents, partners, and employees and any such bidder, proposer, contractor, subcontractor or such applicant: (a) to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code and (b) to cooperate with the Legislative Inspector General in any investigation undertaken pursuant to Chapter 2-55 of the Municipal Code. Developer represents that it understands and will abide by all provisions of Chapters 2-56 and 2-55 of the

Municipal Code and that it will inform subcontractors of this provision and require their compliance.

8.23 Job Readiness Program. Not less than thirty (30) days prior to the Closing Date, the Developer shall meet with Workforce Solutions (DPD workforce division) regarding compliance with all Section 8.23 requirements. During this meeting, the Developer will work with DPD to create an Employment Plan for its employees at the Project, listing future job openings, titles, descriptions, qualifications and such other information as DPD may request ("Employment Plan") attached hereto as Exhibit L-1. The Employment Plan may include recruitment, training, placement and reporting requirements, the sufficiency of which DPD shall approve as a precondition to the Closing. The Developer hereby covenants and agrees to work with the City, and to use best efforts to have the retail and commercial tenants work with the City, to maximize the recruitment and interviewing of qualified City of Chicago candidates.

This Section 8.23 covenant shall be deemed satisfied with respect to using best efforts to have the retail and commercial tenants work with the City upon Developer's inclusion of a job readiness covenant in each retail and commercial tenant lease executed on or after the Closing Date substantially in the form attached hereto as Exhibit L-2.

8.24 FOIA and Local Records Act Compliance.

(a) *FOIA.* The Developer acknowledges that the City is subject to the Illinois Freedom of Information Act, 5 ILCS 140/1 et. seq., as amended ("FOIA"). The FOIA requires the City to produce records (very broadly defined in FOIA) in response to a FOIA request in a very short period of time, unless the records requested are exempt under the FOIA. If the Developer receives a request from the City to produce records within the scope of FOIA, then the Developer covenants to comply with such request within 48 hours of the date of such request. Failure by the Developer to timely comply with such request shall be an Event of Default.

(b) *Exempt Information.* Documents that the Developer submits to the City under Section 8.21, (Annual Compliance Report) or otherwise during the Term of the Agreement that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents submitted by the Developer to be treated as a trade secret or information that would cause competitive harm, FOIA requires that Developer mark any such documents as "proprietary, privileged or confidential." If the Developer marks a document as "proprietary, privileged and confidential", then DPD will evaluate whether such document may be withheld under the FOIA. DPD, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General's Office and/or the courts.

(c) *Local Records Act.* The Developer acknowledges that the City is subject to the Local Records Act, 50 ILCS 205/1 et. seq, as amended (the "Local Records Act"). The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, the Developer covenants to use its best efforts consistently applied to assist the City in its compliance with the Local Records Act.

SECTION 9. COVENANTS/REPRESENTATIONS/WARRANTIES OF CITY

9.01. General Covenants. The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations

hereunder.

9.02. Survival of Covenants. All warranties, representations, and covenants of the City contained in this Section 9 or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

SECTION 10. DEVELOPER'S EMPLOYMENT OBLIGATIONS

10.01. Employment Opportunity. Developer, on behalf of itself and its successors and assigns, hereby agrees, and shall contractually obligate its or their various contractors, subcontractors or any Affiliate of Developer operating on the Property (collectively, with Developer, the "Employers" and individually an "Employer") to agree, that for the Term of this Agreement with respect to Developer and during the period of any other party's provision of services in connection with the construction of the Project or occupation of the Property:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time to time (the "Human Rights Ordinance"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Redevelopment Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

(c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate of the Developer, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 10.01 shall be a basis for the City to pursue remedies under the provisions of Section 15.02 hereof.

10.02. City Resident Construction Worker Employment Requirement. Developer agrees for itself and its successors and assigns, and shall contractually obligate its General Contractor and shall cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code (at least 50 percent of the total worker hours worked by persons on the site of the Project shall be performed by Actual Residents of the City); provided, however, that in addition to complying with this percentage, Developer, its General Contractor and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

Developer may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

"Actual Residents of the City" shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

Developer, the General Contractor and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of DPD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

Developer, the General Contractor and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DPD, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. Developer, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

At the direction of DPD, affidavits and other supporting documentation will be required of Developer, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of Developer, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that Developer has failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject Developer, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to Developer pursuant to Section 2-92-250 of the Municipal Code may be withheld by the City pending the Chief Procurement Officer's determination as to whether Developer must surrender damages as provided in this paragraph.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246 " and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

Developer shall cause or require the provisions of this Section 10.02 to be included in all construction contracts and subcontracts related to the Project.

10.03. MBE/WBE Commitment. Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that during the Project:

Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 10.03, during the course of the Project, at least the following percentages of the MBE/WBE Budget (as set forth in Exhibit F-2 hereto) shall be expended for contract participation by MBEs and by WBEs:

At least 24 percent by MBEs.
At least four percent by WBEs.

For purposes of this Section 10.03 only, Developer (and any party to whom a contract is let by Developer in connection with the construction of the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code, as applicable.

Consistent with Sections 2-92-440 and 2-92-720, Municipal Code, Developer's MBE/WBE commitment may be achieved in part by Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by Developer utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials or services used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to Developer's MBE/WBE commitment as described in this Section 10.03. In accordance with Section 2-92-730, Municipal Code, Developer shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of DPD.

Developer shall deliver quarterly reports to the City's monitoring staff during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by Developer or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining Developer's compliance with this MBE/WBE commitment. Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by Developer, on five Business Days' notice, to allow the City to review Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, Developer shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code, as applicable.

Any reduction or waiver of Developer's MBE/WBE commitment as described in this Section 10.03 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code, as applicable.

Prior to the commencement of the Project, Developer shall be required to meet with the

City's monitoring staff with regard to Developer's compliance with its obligations under this Section 10.03. The General Contractor and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, Developer shall demonstrate to the City's monitoring staff its plan to achieve its obligations under this Section 10.03, the sufficiency of which shall be approved by the City's monitoring staff. During the Project, Developer shall submit the documentation required by this Section 10.03 to the City's monitoring staff, including the following: (i) subcontractor's activity report; (ii) contractor's certification concerning labor standards and prevailing wage requirements; (iii) contractor letter of understanding; (iv) monthly utilization report; (v) authorization for payroll agent; (vi) certified payroll; (vii) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (viii) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that Developer is not complying with its obligations under this Section 10.03, shall, upon the delivery of written notice to Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to Developer to halt the Project, (2) withhold any further payment of any City Funds to Developer or the General Contractor, or (3) seek any other remedies against Developer available at law or in equity.

The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the

The failure of the City to obtain certificates or other insurance evidence from Developer is not a waiver by the City of any requirements for Developer to obtain and maintain the specified coverages. Developer shall advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance does not relieve Developer of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to stop work and/or terminate agreement until proper evidence of insurance is provided.

The provisions of the undertakings and indemnification set out in this Section 13.01 shall survive the termination of this Agreement.

Developer shall keep and maintain separate, complete, accurate and detailed books and records necessary to reflect and fully disclose the total actual cost of the Project and the disposition of all funds from whatever source allocated thereto, and to monitor the Project. (c) the making or furnishing by Developer to the City of any representation, warranty, certificate, schedule, report or other communication within or in connection with this Agreement or any related agreement which is untrue or misleading in any material respect;

(d) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of, or any attempt to create, any lien or other encumbrance upon the Property, including any fixtures now or hereafter attached thereto, other than the Permitted Liens and/or liens bonded by the Developer or insured by the Title Company to the satisfaction of DPD, or the making or any attempt to make any levy, seizure or attachment thereof;

(e) the commencement of any proceedings in bankruptcy by or against Developer or for the liquidation or reorganization of Developer, or alleging that Developer is insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of Developer's debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving Developer; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings;

(f) the appointment of a receiver or trustee for Developer, for any substantial part of Developer's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of Developer; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within sixty (60) days after the commencement thereof;

(g) the entry of any judgment or order against Developer which remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution;

(i) the dissolution of Developer;

(j) the institution in any court of a criminal proceeding (other than a misdemeanor) against Developer or any natural person who owns a material interest in Developer, which is not dismissed within thirty (30) days, or the indictment of Developer or any natural person who owns a material interest in Developer, for any crime (other than a misdemeanor);

(k) the failure of Developer, or the failure by any party that is a Controlling Person

(defined in Section 1-23-010 of the Municipal Code) with respect to Developer, to maintain eligibility to do business with the City in violation of Section 1-23-030 of the Municipal Code; such failure shall render this Agreement voidable or subject to termination, at the option of the Chief Procurement Officer.

For purposes of Sections 15.01(j) hereof, a person with a material interest in Developer shall be one owning in excess of ten (10%) of Developer's membership interests.

15.02. Remedies. Upon the occurrence of an Event of Default, the City may terminate this Agreement and any other agreements to which the City and Developer are or shall be parties, discontinue payment of the City Funds, place a lien on the Project in the amount of City Funds paid, and/or seek reimbursement of any City Funds paid to the Developer. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to damages, injunctive relief or the specific performance of the terms and conditions contained herein. Upon the occurrence of an Event of Default under Section 8.06, Developer shall be obligated to repay to the City all City Funds previously paid to the Developer.

15.03. Curative Period.

In the event Developer shall fail to perform a monetary covenant which Developer is required to perform under this Agreement, unless otherwise provided in this Agreement, an Event of Default shall not be deemed to have occurred unless Developer has failed to perform such monetary covenant within ten (10) days of its receipt of a written notice from the City specifying that it has failed to perform such monetary covenant.

In the event Developer shall fail to perform a non-monetary covenant which Developer is required to perform under this Agreement, unless otherwise provided in this Agreement, an Event of Default shall not be deemed to have occurred unless Developer has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such thirty (30) day period, Developer shall not be deemed to have committed an Event of Default under this Agreement, unless otherwise provided in this Agreement, if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured; provided, further, that there shall be no cure period with respect to (i) the filing of the Annual Compliance Report pursuant to Section 8.21 hereof, (ii) the submission of the Occupancy Report and Jobs Certificate with the Annual Compliance Report, (iii) the Occupancy Covenant and Operating Covenant, and (iv) that the cure period for noncompliance with the Jobs Covenant shall be as provided for in Section 8.06(b) hereof.

15.04. Right to Cure by Lender. In the event that an Event of Default occurs under this Agreement, and if, as a result thereof, the City intends to exercise any right or remedy available to it that could result in termination of this Agreement and all related agreements, or the suspension, cancellation or reduction of the amount of City Funds to be paid hereunder, the City shall prior to exercising such right or remedy, send notice of such intended exercise to the Lender and the Lender shall have the right (but not the obligation), unless otherwise provided in this Agreement, to cure such Event of Default as follows:

(a) if the Event of Default is a monetary default, the Lender may cure such default within 45 days after the later of: (i) the expiration of the cure period, if any, granted to the

Developer with respect to such monetary default; or (ii) receipt by the Lender of such notice from the City; and

(b) if any Event of Default is of a non-monetary nature, the Lender shall have the right to cure such default within 60 days after the later of: (i) the expiration of the cure period, if any, granted to the Developer with respect to such non-monetary default; or (ii) receipt by the Lender of such notice from the City; and

(c) Notwithstanding the provisions of Section 15.03(b) hereof, if such non-monetary default is an Event of Default set forth in Section 15.01(e), (f), (g), (h), (i) or (j) hereof or Event of Default by the Developer of a nature so as not reasonably being capable of being cured within such 60 day period (each such default being a "Personal Developer Default"), the Lender shall provide written notice to the City within 45 days of receipt of notice of such Personal Developer Default stating that it shall cure such Personal Developer Default by the assignment of all of the Developer's rights and interests in this Agreement to the Lender or any other party agreed to in writing by both the Lender and the City. Upon receipt by the City of such notice from the Lender, the cure period shall be extended for such reasonable period of time as may be necessary to complete such assignment and assumption of Developer's rights hereunder.

SECTION 16. MORTGAGING OF THE PROJECT

All mortgages or deeds of trust in place as of the date hereof with respect to the Property or any portion thereof are listed on Exhibit G hereto (including but not limited to mortgages made prior to or on the date hereof in connection with Lender Financing) and are referred to herein as the "Existing Mortgages." Any mortgage or deed of trust that Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof is referred to herein as a "New Mortgage." Any New Mortgage that Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof with the prior written consent of the City is referred to herein as a "Permitted Mortgage." It is hereby agreed by and between the City and Developer as follows:

In the event that a mortgagee or any other party shall succeed to Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under a New Mortgage (other than a Permitted Mortgage), whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of Developer's interest hereunder in accordance with Section 18.14 hereof, the City may, but shall not be obligated to, attorn to and recognize such party as the successor in interest to Developer for all purposes under this Agreement and, unless so recognized by the City as the successor in interest, such party shall be entitled to no rights or benefits under this Agreement, but such party shall be bound by those provisions of this Agreement that are covenants expressly running with the land.

In the event that any mortgagee shall succeed to Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under an Existing Mortgage or a Permitted Mortgage, whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of Developer's interest hereunder in accordance with Section 18.14 hereof, the City hereby agrees to attorn to and recognize such party as the successor in interest to Developer for all purposes under this Agreement so long as such party accepts all of the obligations and liabilities of "Developer" hereunder; provided, however, that, notwithstanding any other provision of this Agreement to the contrary, it is understood and agreed that if such party accepts an assignment of Developer's interest under this Agreement, such party has no liability under this Agreement for any Event of Default of Developer which accrued prior to the

time such party succeeded to the interest of Developer under this Agreement, in which case Developer shall be solely responsible. However, if such mortgagee under a Permitted Mortgage or an Existing Mortgage does not expressly accept an assignment of Developer's interest hereunder, such party shall be entitled to no rights and benefits under this Agreement, and such party shall be bound only by those provisions of this Agreement, if any, which are covenants expressly running with the land.

Prior to the issuance by the City to Developer of a Certificate of Completion pursuant to Section 7 hereof, no New Mortgage shall be executed with respect to the Property or any portion thereof without the prior written consent of the Commissioner of DPD.

18.01. Amendment. This Agreement and the Exhibits attached hereto may not be amended or modified without the prior written consent of the parties hereto; provided, however, that the City, in its sole discretion, may amend, modify or supplement the Redevelopment Plan without the consent of any party hereto. It is agreed that no material amendment or change to this Agreement shall be made or be effective unless ratified or authorized by an ordinance duly adopted by the City Council. The term "material" for the purpose of this Section 18.01 shall be

defined as any deviation from the terms of the Agreement which operates to (A) cancel or otherwise reduce any developmental, construction or job-creating obligations of Developer (including those set forth in Sections 10.02 and 10.03 hereof) by more than five percent (5%), (B) reduce by more than 5,000 the number of square feet required pursuant to Section 7.01(c)(iii), (C) materially change the Property or character of the Project or any activities undertaken by Developer affecting the Property, the Project, or both, or (D) increase any time agreed for performance by Developer by more than ninety (90) days.

18.03. Limitation of Liability. No member, official or employee of the City shall be personally liable to Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to Developer from the City or any successor in interest or on any obligation under the terms of this Agreement.

18.04. Further Assurances. Developer agrees to take such actions, including the execution and delivery of such documents, instruments, petitions and certifications as may become necessary or appropriate to carry out the terms, provisions and intent of this Agreement.

18.05. Waiver. Waiver by the City or Developer with respect to any breach of this Agreement shall not be considered or treated as a waiver of the rights of the respective party with respect to any other default or with respect to any particular default, except to the extent specifically waived by the City or Developer in writing. No delay or omission on the part of a party in exercising any right shall operate as a waiver of such right or any other right unless pursuant to the specific terms hereof. A waiver by a party of a provision of this Agreement shall not prejudice or constitute a waiver of such party's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by a party, nor any course of dealing between the parties hereto, shall constitute a waiver of any such parties' rights or of any obligations of any other party hereto as to any future transactions.

18.06. Remedies Cumulative. The remedies of a party hereunder are cumulative and the exercise of any one or more of the remedies provided for herein shall not be construed as a waiver of any other remedies of such party unless specifically so provided herein.

18.07. Disclaimer. Nothing contained in this Agreement nor any act of the City shall be deemed or construed by any of the parties, or by any third person, to create or imply any relationship of third-party beneficiary, principal or agent, limited or general partnership or joint venture, or to create or imply any association or relationship involving the City.

18.08. Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which shall constitute one and the same agreement.

18.09. Severability. If any provision in this Agreement, or any paragraph, sentence, clause, phrase, word or the application thereof, in any circumstance, is held invalid, this Agreement shall be construed as if such invalid part were never included herein and the remainder of this Agreement shall be and remain valid and enforceable to the fullest extent

permitted by law.

18.20. Business Relationships That Create Financial Interests. The Developer acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code, (B) that Developer has read such provision and understands that pursuant to such Section 2-156-030 (b), it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a business relationship that creates a Financial Interest, or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving any person with whom the elected City official or employee has a business relationship that creates a Financial Interest, or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a business relationship that creates a Financial Interest, and (C) that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. Among other things, the 2011 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(b) The Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with the Developer, either as an employee or as a subcontractor, and from directing the Developer to hire an individual as an employee or as a subcontractor. Accordingly, the Developer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by the Developer under this Agreement are employees or subcontractors of the Developer, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by the Developer.

(c) The Developer will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. The Developer will also cooperate with any inquiries by IGO Hiring Oversight related to the Agreement.

OPINION OF DEVELOPER'S COUNSEL

[To be retyped on Developer's Counsel's letterhead]

_____, ____

City of Chicago
121 North LaSalle Street
Chicago, IL 60602

ATTENTION: Corporation Counsel

Ladies and Gentlemen:

We have acted as counsel to _____, an [Illinois] _____ (the "Developer"), in connection with the construction of certain facilities at _____, Chicago, Illinois 606__ located in the _____ Redevelopment Project Area (the "Project"). In that capacity, we have examined, among other things, the following agreements, instruments and documents of even date herewith, hereinafter referred to as the "Documents":

(a) _____ Redevelopment Agreement (the "Agreement") of even date herewith, executed by Developer and the City of Chicago (the "City");

[(b) the Escrow Agreement of even date herewith executed by Developer and the City;]

(c) [insert other documents including but not limited to documents related to purchase and financing of the Property and all lender financing related to the Project]; and

(d) all other agreements, instruments and documents executed in connection with the foregoing.

In addition to the foregoing, we have examined

(a) the original or certified, conformed or photostatic copies of Developer's (i) Articles of Incorporation, as amended to date, (ii) qualifications to do business and certificates of good standing in all states in which Developer is qualified to do business, (iii) By-Laws, as amended to date, and (iv) records of all corporate proceedings relating to the Project [revise if Developer is not a corporation]; and

(b) such other documents, records and legal matters as we have deemed necessary or relevant for purposes of issuing the opinions hereinafter expressed.

In all such examinations, we have assumed the genuineness of all signatures (other than those of Developer), the authenticity of documents submitted to us as originals and conformity to the originals of all documents submitted to us as certified, conformed or photostatic copies.

Based on the foregoing, it is our opinion that

1. Developer is a corporation duly organized, validly existing and in good standing under the laws of its state of [incorporation] [organization], has full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a foreign [corporation] [entity] under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business.

2. Developer has full right, power and authority to execute and deliver the Documents to which it is a party and to perform its obligations thereunder. Such execution, delivery and performance will not conflict with, or result in a breach of, Developer's [Articles of Incorporation or By-Laws] [describe any formation documents if Developer is not a corporation] or result in a breach or other violation of any of the terms, conditions or provisions of any law or regulation, order, writ, injunction or decree of any court, government or regulatory authority, or, to the best of our knowledge after diligent inquiry, any of the terms, conditions or provisions of any agreement, instrument or document to which Developer is a party or by which Developer or its properties is bound. To the best of our knowledge after diligent inquiry, such execution, delivery and performance will not constitute grounds for acceleration of the maturity of any agreement, indenture, undertaking or other instrument to which Developer is a party or by which it or any of its property may be bound, or result in the creation or imposition of (or the obligation to create or impose) any lien, charge or encumbrance on, or security interest in, any of its property pursuant to the provisions of any of the foregoing, other than liens or security interests in favor of the lender providing Lender Financing (as defined in the Agreement).

3. The execution and delivery of each Document and the performance of the transactions contemplated thereby have been duly authorized and approved by all requisite action on the part of Developer.

4. Each of the Documents to which Developer is a party has been duly executed and delivered by a duly authorized officer of Developer, and each such Document constitutes the legal, valid and binding obligation of Developer, enforceable in accordance with its terms, except as limited by applicable bankruptcy, reorganization, insolvency or similar laws affecting the enforcement of creditors' rights generally.

5. Exhibit A attached hereto (a) identifies each class of capital stock of Developer, (b) sets forth the number of issued and authorized shares of each such class, and (c) identifies the record owners of shares of each class of capital stock of Developer and the number of shares held of record by each such holder. To the best of our knowledge after diligent inquiry, except as set forth on Exhibit A, there are no warrants, options, rights or commitments of purchase, conversion, call or exchange or other rights or restrictions with respect to any of the capital stock of Developer. Each outstanding share of the capital stock of Developer is duly authorized, validly issued, fully paid and nonassessable.

6. To the best of our knowledge after diligent inquiry, no judgments are outstanding against Developer, nor is there now pending or threatened, any litigation, contested claim or governmental proceeding by or against Developer or affecting Developer or its property, or seeking to restrain or enjoin the performance by Developer of the Agreement or the transactions contemplated by the Agreement, or contesting the validity thereof. To the best of our knowledge after diligent inquiry, Developer is not in default with respect to any order, writ, injunction or decree of any court, government or regulatory authority or in default in any respect

under any law, order, regulation or demand of any governmental agency or instrumentality, a default under which would have a material adverse effect on Developer or its business.

7. To the best of our knowledge after diligent inquiry, there is no default by Developer or any other party under any material contract, lease, agreement, instrument or commitment to which Developer is a party or by which the company or its properties is bound.

8. To the best of our knowledge after diligent inquiry, all of the assets of Developer are free and clear of mortgages, liens, pledges, security interests and encumbrances except for those specifically set forth in the Documents.

9. The execution, delivery and performance of the Documents by Developer have not and will not require the consent of any person or the giving of notice to, any exemption by, any registration, declaration or filing with or any taking of any other actions in respect of, any person, including without limitation any court, government or regulatory authority.

10. To the best of our knowledge after diligent inquiry, Developer owns or possesses or is licensed or otherwise has the right to use all licenses, permits and other governmental approvals and authorizations, operating authorities, certificates of public convenience, goods carriers permits, authorizations and other rights that are necessary for the operation of its business.

11. A federal or state court sitting in the State of Illinois and applying the choice of law provisions of the State of Illinois would enforce the choice of law contained in the Documents and apply the law of the State of Illinois to the transactions evidenced thereby.

We are attorneys admitted to practice in the State of Illinois and we express no opinion as to any laws other than federal laws of the United States of America and the laws of the State of Illinois.

[Note: include a reference to the laws of the state of incorporation/organization of Developer, if other than Illinois.]

This opinion is issued at Developer's request for the benefit of the City and its counsel, and may not be disclosed to or relied upon by any other person.

Very truly yours,

_____

(a) Uses of City Funds. City Funds may only be used to pay for (through the Escrow), or reimburse the LLC for, costs of TIF-Funded Improvements that constitute Redevelopment Project Costs. **Exhibit J** sets forth, by line item, the TIF-Funded Improvements for the Project, and the maximum amount of costs that may be paid for (through the Escrow) or reimbursed from City Funds for each line item therein (subject to Section 4.03(b)) contingent upon receipt by the City of documentation satisfactory in form and substance to DPD evidencing such cost and its eligibility as a Redevelopment Project Cost.

(b) Sources of City Funds. Subject to the terms and conditions of this Agreement, including but not limited to this Section 4.03 and Section 5 hereof, the City hereby agrees to provide City

funds in a principal amount not to exceed Four Million Dollars ($4,000,000) (the "City Funds") from Available Incremental Taxes to pay for (through the Escrow) or reimburse the LLC for the costs of the TIF-Funded Improvements. City Funds will be provided in three installments as follows: i) the first payment of up to $1,000,000 will occur after construction is 25% complete, as evidenced by an Architect's Certificate; ii) the second payment of up to $1,000,000 will occur after construction is 50% complete, as evidenced by an Architect's Certificate, and iii) the third and final payment will consist of the balance of the City Funds (which is anticipated to be approximately $2,000,000) and will occur upon the issuance of the Certificate of Completion.

City Funds derived from Available Incremental Taxes shall be available to pay such costs and allocated for such purposes only so long as:

(i) The amount of the Available Incremental Taxes is sufficient to pay for such costs; and

(ii) The City has been paid the City Fee described in Section 4.06 below.

(c) The Developer may direct the amounts payable pursuant to Section 4.03(a) and (b) to be paid by the City in accordance with this Agreement to an account established by the Developer with Bank of America, N.A., or another financial institution as directed by the Developer. The wiring instructions for such account shall be provided to the City by the Developer.

Upon DPD's request, the Developer shall meet with DPD to discuss any Requisition Form(s).

(b) Preconditions of Disbursement. Prior to each disbursement of City Funds hereunder, Developer shall submit documentation regarding the applicable expenditures to DPD, which shall be satisfactory to DPD in its sole discretion. Delivery by Developer to DPD of a Requisition Form (in the form of Exhibit I) for disbursement of City Funds hereunder shall, in addition to the items therein expressly set forth in the Requisition, constitute a certification to the City, as of the date of such Requisition, that:

(i) the total amount of the [disbursement request] represents the actual amount payable to (or paid to) the General Contractor and/or subcontractors who have performed work on the Project, and/or their payees;

(ii) all amounts shown as previous payments on the current [disbursement request] have been paid to the parties entitled to such payment;

(iv) the representations and warranties contained in this Redevelopment Agreement are true and correct and Developer is in compliance with all covenants contained herein;

(v) Developer has received no notice and has no knowledge of any liens or claim of lien either filed or threatened against the Property except for the Permitted Liens;

(vi) the Project is In Balance. The Project shall be deemed to be in balance ("In Balance") only if the total of the available Project funds equals or exceeds the aggregate of the amount necessary to pay all unpaid Project costs incurred or to be incurred in the completion of the Project's construction. "Available Project Funds" as used herein shall mean: (i) the undisbursed City Funds; (ii) the undisbursed Lender Financing, if any; (iii) the undisbursed Equity and (iv) any other amounts deposited by Developer pursuant to this Agreement. Developer hereby agrees that, if the Project is not In Balance, Developer shall, within 10 days after a written request by the City, deposit with the escrow agent or will make available (in a manner acceptable to the City), cash in an amount that will place the Project In Balance, which deposit shall first be exhausted before any further disbursement of the City Funds shall be made.

The City shall have the right, in its discretion, to require Developer to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and any [disbursement] by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by Developer. In addition, Developer shall have satisfied all other preconditions for each disbursement of City Funds, including but not limited to requirements set forth in the TIF Ordinances, this Agreement and/or the Escrow Agreement.

Notwithstanding any other provision in this Agreement, the City shall not terminate this Agreement upon the occurrence of an Event of Default if foreclosure proceedings have been commenced under any mortgage securing any Lender Financing or a deed in lieu of such foreclosure has been executed and delivered and provided that either lender providing Lender Financing, or transferee of such lender, has cured or has commenced and is pursuing the cure of the Event of Default within the curative time period provided under Section 15.03.

4.05 **Prior Expenditures**. **Exhibit H** hereto sets forth the Prior Expenditures approved by DPD as of the date hereof.

4.06 **City Fee**. Annually, the City may allocate an amount not to exceed ten percent (10%) of the Incremental Taxes for payment of costs incurred by the City for the administration and monitoring of the Redevelopment Area, including the Project. Such fee shall be in addition to and shall not be deducted from or considered a part of the City Funds, and the City shall have the right to receive such funds prior to any payment of City Funds hereunder.

4.07 **Cost Overruns**. The Developer shall be solely responsible for any Project costs in excess of those set forth in the Project Budget and shall hold the City harmless from any and all such costs.

4.08 **Conditional Grant**. The City Funds being provided hereunder are being granted on a conditional basis, subject to the Developer's compliance with the provisions of this Agreement. The payment of City Funds is subject to being terminated and/or reimbursed as provided in **Section 15**.

4.09 **Permitted Transfers.** Notwithstanding anything herein to the contrary, City will permit (i) _____ the investor limited partner (the "**Investor Limited Partner**") to remove the General Partner as the general partner of the Partnership, in accordance with the Partnership's limited partnership agreement, provided the substitute general partner is acceptable to City in its reasonable discretion and the City provides its written consent (except no consent of the City shall be required under this Agreement if the substitute general partner is an affiliate of the Investor Limited Partner, and (ii) the General Partner to pledge to Bank of America, N.A. all of the General Partner's rights, title and interest in and to the Developer and under the Developer's limited partnership agreement as collateral for the Developer's obligations under the loans made or to be made by Bank of America, N.A., to Developer) and (iii) a transfer by the Limited Partner of its limited partner interest after the Closing Date to an unaffiliated entity; provided, however, that the prior written consent of DPD shall not be required for a transfer by the Limited Partner of its limited partner interest after the Closing Date to an affiliated entity, but prior written notice to DPD is required..

The Certificate relates only to the construction of the Project, and upon its issuance, the City will certify that the terms of the Agreement specifically related to the Developer's obligation to complete such activities have been satisfied. After the issuance of a Certificate, however, all executory terms and conditions of this Agreement and all representations and covenants contained herein will continue to remain in full force and effect throughout the Term of the Agreement as to the parties described in the following paragraph, and the issuance of the Certificate shall not be construed as a waiver by the City of any of its rights and remedies pursuant to such executory terms.

Those covenants specifically described at Sections 8.02, 8.19(c), 8.20 as covenants that run with the land are the only covenants in this Agreement intended to be binding upon any transferee of the Property (including an assignee as described in the following sentence) throughout the Term of the Agreement notwithstanding the issuance of a Certificate; provided, that the covenants set forth in Section 8.02 shall be deemed to have been fulfilled upon the issuance of a Certificate. (n) payments of City Funds are subject to the amount of Available Incremental Taxes deposited into the _____ Account being sufficient for such payments. If, and that if the Available Incremental Taxes turn out to be insufficient to make such payments, such insufficiency shall not give the Developer or any other party any claim or right to any other Incremental Taxes or City funds.;

Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

8.02 **Covenant to Redevelop**. Upon DPD's approval of the Project Budget, the Plans and Specifications as provided in Sections 3.02 and 3.03 hereof, and the Developer's receipt of all required building permits and governmental approvals, the Developer shall redevelop the Property in accordance with this Agreement and all Exhibits attached hereto, the TIF Ordinances, Plans and Specifications, Project Budget and all amendments thereto, and all federal, state and local laws, ordinances, rules, regulations, executive orders and codes applicable to the Project, the Property and/or the Developer. The covenants set forth in this Section shall run with the land and be binding upon any transferee, but shall be deemed satisfied upon issuance by the City of a Certificate with respect thereto.

8.03 **Redevelopment Plan**. The Developer represents that the Project is and shall bein compliance with all of the terms of the Redevelopment Plan.

8.04 **Use of City Funds**. City Funds disbursed to the LLC shall be used by the LLC solely to pay for or reimburse the LLC for the TIF-Funded Improvements as provided in this Agreement. The City acknowledges that the LLC shall loan the City Funds to the Partnership in accordance with the Partnership's amended and restated limited partnership agreement for the Project.

8.05 **TIF Bonds**. The Developer Parties shall, at the request of the City, agree to any reasonable amendments to this Agreement that are necessary or desirable in order for the City to issue (in its sole discretion) TIF Bonds in connection with the Redevelopment Area; provided, however, that any such amendments shall not have a material adverse effect on the Developer Parties or the Project; provided, further, that the proceeds of TIF Bonds issued on a tax-exempt basis cannot be used as a source of City Funds or to repay the City Funds; and provided further, that the proceeds of TIF Bonds shall not be used to make any payments to the Developer Parties hereunder. The Developer Parties shall, at the Developer Parties' expense, cooperate and provide reasonable assistance in connection with the marketing of any such TIF Bonds, including but not limited to providing written descriptions of the Project, making representations, providing information regarding its financial condition and assisting the City in preparing an offering statement with respect thereto.

8.06 [Intentionally Omitted]

8.07 **Employment Opportunity; Progress Reports**. The Developer covenants and agrees to abide by, and contractually obligate and use reasonable efforts to cause the General Contractor and each subcontractor to abide by the terms set forth in Section 10 hereof. The Developer shall deliver to the City written progress reports detailing compliance with the requirements of Sections 8.09, 10.02 and 10.03 of this Agreement. Such reports shall be delivered quarterly to the City. If any such reports indicate a shortfall in compliance, the Developer shall also deliver a plan to DPD which shall outline, to DPD's satisfaction, the manner in which the Developer shall correct any shortfall.

8.08 **Employment Profile**. The Developer shall submit, and contractually obligate and cause the General Contractor or any subcontractor to submit, to DPD, from time to time, statements of its employment profile upon DPD's request.

8.09 **Prevailing Wage**. Unless required to pay federal "Davis-Bacon" wages pursuant to the terms of the Lender Financing or project-based section 8 federal rental subsidy for the Project, the Developer covenants and agrees to pay, and to contractually obligate and cause the General Contractor and each subcontractor to pay, the prevailing wage rate as ascertained by the Illinois Department of Labor (the "Department"), to all Project employees. All such contracts shall list the specified rates to be paid to all laborers, workers and mechanics for each craft or type of worker or mechanic employed pursuant to such contract. If the Department revises such prevailing wage rates, the revised rates shall apply to all such contracts. Upon the City's request, the Developer shall provide the City with copies of all such contracts entered into by the Developer or the General Contractor to evidence compliance with this Section 8.09.

8.10 **Arms-Length Transactions**. Unless DPD has given its prior written consent with respect thereto, no Affiliate of the Developer may receive any portion of City Funds, directly or indirectly, in payment for work done, services provided or materials supplied in connection with any TIF-Funded Improvement. The Developer shall provide information with respect to any entity to receive City Funds directly or indirectly (whether through payment to the Affiliate by the Developer and reimbursement to the Developer for such costs using City Funds, or otherwise), upon DPD's request, prior to any such disbursement.

8.11 **Conflict of Interest**. Pursuant to Section 5/11-74.4-4(n) of the Act, the Developer represents, warrants and covenants that, to the best of its knowledge, no member, official, or employee of the City, or of any commission or committee exercising authority over the Project, the Redevelopment Area or the Redevelopment Plan, or any consultant hired by the City or the Developer with respect thereto, owns or controls, has owned or controlled or will own or control any interest, and no such person shall represent any person, as agent or otherwise, who owns or controls, has owned or controlled, or will own or control any interest, direct or indirect, in the Developer's business, the Property or any other property in the Redevelopment Area.

8.12 **Disclosure of Interest**. The Developer's counsel has no direct or indirect financial ownership interest in the Developer, the Property or any other aspect of the Project.

8.13 **Financial Statements**. Commencing in the earlier of first fiscal year in which Developer engaged in economic activity or 2015, the Developer shall obtain and provide to DPD Financial Statements for the Developer for such fiscal year for which such statements are available and each year thereafter for the Term of the Agreement. In addition, the Developer shall submit

unaudited financial statements as soon as reasonably practical following the close of each fiscal year and for such other periods as DPD may request.

8.14 **Insurance**. The Developer, at its own expense, shall comply with all provisions of Section 12 hereof.

8.15 **Non-Governmental Charges**.

(a) Payment of Non-Governmental Charges. Except for the Permitted Liens, the Developer agrees to pay or cause to be paid when due any Non-Governmental Charge assessed or imposed upon the Project, the Property or any fixtures that are or may become attached thereto, which creates, may create, or appears to create a lien upon all or any portion of the Property or Project; provided however, that if such Non-Governmental Charge may be paid in installments, the Developer may pay the same together with any accrued interest thereon in installments as they become due and before any fine, penalty, interest, or cost may be added thereto for nonpayment. The Developer shall furnish to DPD, within thirty (30) days of DPD's request, official receipts from the appropriate entity, or other proof satisfactory to DPD, evidencing payment of the Non-Governmental Charge in question.

(b) Right to Contest. The Developer has the right, before any delinquency occurs:

(i) to contest or object in good faith to the amount or validity of any Non-Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charge, prevent the imposition of a lien or remove such lien, or prevent the sale or forfeiture of the Property (so long as no such contest or objection shall be deemed or construed to relieve, modify or extend the Developer's covenants to pay any such Non-Governmental Charge at the time and in the manner provided in this Section 8.15); or

(ii) at DPD's sole option, to furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully any such contested Non-Governmental Charge and all interest and penalties upon the adverse determination of such contest.

8.16 **Developer's Liabilities**. The Developer shall not enter into any transaction that would materially and adversely affect its ability to perform its obligations hereunder or to repay any material liabilities or perform any material obligations of the Developer to any other person or entity. The Developer shall immediately notify DPD of any and all events or actions which may materially affect the Developer's ability to carry on its business operations or perform its obligations under this Agreement or any other documents and agreements.

8.17 **Compliance with Laws**. To the best of the Developer's knowledge, after diligent inquiry, the Property and the Project are and shall be in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, executive orders and codes pertaining to or affecting the Project and the Property, including but not limited to the Municipal Code of Chicago, Section 7-28-390, 7-28-440, 11-4-1410, 11-4-1420, 11-4-1450, 11-4-1500, 11-4-1530, 11-4-1550, or

11-4-1560, whether or not in the performance of this Agreement. Upon the City's request, the Developer shall provide evidence satisfactory to the City of such compliance.

8.18 **Recording and Filing**. The Developer shall cause this Agreement, certain exhibits (as specified by Corporation Counsel), all amendments and supplements hereto to be recorded and filed against the Property on the date hereof in the conveyance and real property records of the county in which the Project is located. This Agreement shall be recorded prior to any mortgage made in connection with Lender Financing. The Developer shall pay all fees and charges incurred in connection with any such recording. Upon recording, the Developer shall immediately transmit to the City an executed original of this Agreement showing the date and recording number of record.

8.19 **Real Estate Provisions**.

(a) Governmental Charges.

(i) Payment of Governmental Charges. The Developer agrees to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon the Developer, the Property or the Project, or become due and payable, and which create, may create a lien upon the Developer or all or any portion of the Property or the Project. "Governmental Charge" shall mean all federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties of the State other than Cook County, and municipalities other than the City) relating to the Developer, the Property or the Project including but not limited to real estate taxes.

(ii) Right to Contest. The Developer has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or forfeiture of the Property. The Developer's right to challenge real estate taxes applicable to the Property is limited as provided for in Section 8.19(c) below; provided, that such real estate taxes must be paid in full when due and may be disputed only after such payment is made. No such contest or objection shall be deemed or construed in any way as relieving, modifying or extending the Developer's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless the Developer has given prior written notice to DPD of the Developer's intent to contest or object to a Governmental Charge and, unless, at DPD's sole option,

(i) the Developer shall demonstrate to DPD's satisfaction that legal proceedings instituted by the Developer contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of, all or any part of the Property to satisfy such Governmental Charge prior to final determination of such proceedings; and/or

(ii) the Developer shall furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

(b) Developer's Failure To Pay Or Discharge Lien. If the Developer fails to pay any Governmental Charge or to obtain discharge of the same, the Developer shall advise DPD thereof in writing, at which time DPD may, but shall not be obligated to, and without waiving or releasing any obligation or liability of the Developer under this Agreement, in DPD's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which DPD deems advisable. All sums so paid by DPD, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be promptly disbursed to DPD by the Developer. Notwithstanding anything contained herein to the contrary, this paragraph shall not be construed to obligate the City to pay any such Governmental Charge. Additionally, if the Developer fails to pay any Governmental Charge, the City, in its sole discretion, may require the Developer to submit to the City audited Financial Statements at the Developer's own expense.

(c) Real Estate Taxes.

(i) Real Estate Tax Exemption. With respect to the Property or the Project, neither the Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to the Developer shall, during the Term of this Agreement, seek, or authorize any exemption (as such term is used and defined in the Illinois Constitution, Article IX, Section 6 (1970)) for any year that the Redevelopment Plan is in effect; provided, however, nothing contained in this provision shall preclude Developer from applying for and receiving any reduction in the amount of real estate taxes payable for the Project or the Property, subject to the provisions of clause (ii) below.

(ii) No Reduction in Real Estate Taxes. Neither the Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to the Developer shall directly or indirectly, initiate, seek or apply for proceedings in order to lower the assessed value of all or any portion of the Property for Real Estate Taxes applicable until the tax year that ends on December 31, 2023; provided, however, the Developer is permitted to apply for a Class 9 or similar designation from Cook County (including the Cook County Assessor's Affordable Housing Initiative program) even if such designation with respect to the Property would result in a reduced assessed value. As part of the Class 9 or similar designation, the Cook County Assessor may consider the income approach permitted for projects financed with the federal low income housing tax credit per 35 ILCS Section 10-260.

(iii) No Objections. Neither the Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to the Developer, shall object to or in any way seek to interfere with, on procedural or any other grounds, the filing of any Underassessment Complaint or subsequent proceedings related thereto with the Cook County Assessor or with the Cook County Board of Appeals, by either the City or any taxpayer. The term "Underassessment Complaint" as used in this Agreement shall mean any complaint seeking to increase the assessed value of the Property; provided, however, the Developer is permitted to apply for a Class 9 or similar designation from Cook County and may defend against any Underassessment Complaint that seeks to challenge the Class 9 (or similar designation) assessment.

(iv) Covenants Running with the Land. The parties agree that the restrictions contained in this Section 8.19(c) are covenants running with the land and this Agreement shall be recorded by the Developer as a memorandum thereof, at the Developer's expense, with the Cook County Recorder of Deeds on the Closing Date. These restrictions shall be binding upon the Developer and its agents, representatives, lessees, successors, assigns and transferees from and after the date

hereof; provided however, that the covenants shall be released upon the expiration of the Term of the Agreement or as otherwise provided in Section (c)(ii) above. The Developer agrees that any sale (including, without limitation, any sale and leaseback), lease, conveyance, or transfer of title to all or any portion of the Property or Redevelopment Area from and after the date hereof, including the transfer of title from HHDC to the Partnership, shall be made explicitly subject to such covenants and restrictions.

Notwithstanding anything contained in this Section 8.19(c) to the contrary, the City, in its sole discretion and by its sole action, without the joinder or concurrence of the Developer or its successors and assigns, may waive and terminate the Developer's covenants set forth in this Section 8.19(c).

8.20 **Affordable Housing Covenant**. In connection with the Affordable Housing Loan, a certain Regulatory Agreement between the City and the Developer, dated as of the date hereof, shall be recorded against the Property, which shall impose certain affordability restrictions on the Project as set forth therein.

Developer agrees and covenants to the City that, prior to any foreclosure of the Property by a lender providing Lender Financing, the provisions of that certain Regulatory Agreement as of the date hereof shall govern the terms of Developer's obligation to provide affordable housing. Following foreclosure, if any, and from the date of such foreclosure through the Term of the Agreement, the following provisions shall govern the terms of the obligation to provide affordable housing under this Agreement:

(a) The Facility shall be operated and maintained solely as residential rental housing for senior citizens ages 55 and older;

(b) Sixty-nine units in the Facility shall be available for occupancy to and be occupied solely by one or more senior citizens qualifying as Low Income Families (as defined below) upon initial occupancy; and

(c) Sixty-one units in the Facility have monthly rents not in excess of thirty percent (30%) of the maximum allowable income for a Low Income Family (with the applicable Family size for such units determined in accordance with the rules specified in Section 42(g)(2) of the Internal Revenue Code of 1986, as amended); provided, however, that for any unit occupied by a Family (as defined below) that no longer qualifies as a Low Income Family due to an increase in such Family's income since the date of its initial occupancy of such unit, the maximum monthly rent for such unit shall not exceed thirty percent (30%) of such Family's monthly income.

(d) As used in this Section 8.20, the following terms have the following meanings:

(i) "Family" shall mean one or more individuals, whether or not related by blood or marriage; and

(ii) "Low Income Families" shall mean Families whose annual income does not exceed eighty percent (80%) of the Chicago-area median income, adjusted for Family size, as such annual income and Chicago-area median income are determined from time to time by the United States Department of Housing and Urban Development, and thereafter such income limits shall apply to this definition.

(e) The covenants set forth in this Section 8.20 shall run with the land and be binding upon any transferee.

(f) The City and Developer may enter into a separate agreement to implement the provisions of this Section 8.20.]

8.21 **Survival of Covenants**. All warranties, representations, covenants and agreements of the Developer contained in this Section 8 and elsewhere in this Agreement shall be true, accurate and complete at the time of the Developer's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and (except as provided in Section 7 hereof upon the issuance of a Certificate) shall be in effect throughout the Term of the Agreement.

8.22 **Annual Compliance Report**. Beginning with the calendar year in which the Certificate is issued and continuing throughout the Term of the Agreement, the Developer shall submit to DPD the Annual Compliance Report by February 1st of the year following the end of the calendar year to which the Annual Compliance Report relates. For example, if the Certificate is issued in 2014, then the first Annual Compliance Report will be due no later than February 1, 2015.

8.23 **Inspector General**. It is the duty of Developer and the duty of any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all of Developer's member (for the LLC), officers, directors, agents, partners, and employees and any such bidder, proposer, contractor, subcontractor or such applicant: (a) to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code and (b) to cooperate with the Legislative Inspector General in any investigation undertaken pursuant to Chapter 2-55 of the Municipal Code. Developer represents that it understands and will abide by all provisions of Chapters 2-56 and 2-55 of the Municipal Code and that it will inform subcontractors of this provision and require their compliance.

8.24 **FOIA and Local Records Act Compliance**

(a) FOIA. Each of the Partnership and the LLC acknowledge that the City is subject to the Illinois Freedom of Information Act, 5ILCS 140/1 et. seq., as amended ("FOIA"). The FOIA requires the City to produce records (very broadly defined in FOIA) in response to a FOIA request in a very short period of time, unless the records requested are exempt under the FOIA. If the Developer receives a request from the City to produce records within the scope of FOIA, then such Developer covenants to comply with such request within 48 hours of the date of such request. Failure by the Developer to timely comply with such request will be a breach of the Agreement.

(b) Exempt Information. Documents that the Developer submits to the City under Section 8.22 (Annual Compliance Report) or otherwise during the term of the Agreement that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents submitted by the Developer to be treated as a trade secret or information that would cause competitive harm, FOIA requires that the Developer mark any such documents as "proprietary, privileged or confidential." If the Developer marks a document as "proprietary, privileged and confidential", then DPD will evaluate whether such document may be withheld under the FOIA. DPD, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General's Office and/or the courts.

(c) Local Records Act. The Developer acknowledges that the City is subject to the Local Records Act, 50 ILCS 205/1 et. seq, as amended (the "Local Records Act"). The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, the Developer covenants to use its best efforts consistently applied to assist the City in its compliance with the Local Records Act concerning records arising under or in connection with the Agreement and the transactions contemplated in the Agreement.

SECTION 9. COVENANTS/REPRESENTATIONS/WARRANTIES OF CITY

9.01 General Covenants. The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations hereunder.

9.02 Survival of Covenants. All warranties, representations, and covenants of the City contained in this Section 9 or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

SECTION 10. DEVELOPER'S EMPLOYMENT OBLIGATIONS

10.01 Employment Opportunity. The Developer, on behalf of itself and its successors and assigns, hereby agrees, and shall contractually obligate its or their various contractors, subcontractors or any Affiliate of the Developer operating on the Property (collectively, with the Developer, the "Employers" and individually an "Employer") to agree, that for the Term of this Agreement with respect to Developer and during the period of any other party's provision of services in connection with the construction of the Project or occupation of the Property:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time to time (the "Human Rights Ordinance"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Redevelopment Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

(c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 10.01 shall be a basis for the City to pursue remedies under the provisions of Section 15.02 hereof.

10.02 City Resident Construction Worker Employment Requirement. The Developer agrees for itself and its successors and assigns, and shall contractually obligate its General Contractor and shall cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code of Chicago (at least 50 percent of the total worker hours worked by persons on the site of the Project shall be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, the Developer, its General Contractor and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

The Developer may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

"Actual residents of the City" shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

The Developer, the General Contractor and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of DPD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

The Developer, the General Contractor and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DPD, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. The Developer, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

At the direction of DPD, affidavits and other supporting documentation will be required of the Developer, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of the Developer, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that the Developer has failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by the Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to the Developer pursuant to Section 2-92-250 of the Municipal Code of Chicago may be withheld by the City pending the Chief Procurement Officer's determination as to whether the Developer must surrender damages as provided in this paragraph.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

The Developer shall cause or require the provisions of this Section 10.02 to be included in all construction contracts and subcontracts related to the Project.

10.03. MBE/WBE Commitment The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that during the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 10.03, during the course of the Project, at least the following percentages of the aggregate hard construction costs (as set forth in Exhibit F-2 hereto) shall be expended for contract participation by MBEs and by WBEs:

(1) At least 24 percent by MBEs.
(2) At least four percent by WBEs.

(b) For purposes of this Section 10.03 only, the Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by the Developer utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials or services used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 10.03. In accordance with Section 2-92-730, Municipal Code of Chicago, the Developer shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of DPD.

(d) The Developer shall deliver quarterly reports to the City's monitoring staff during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on five Business Days' notice, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, the Developer shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(f) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 10.03 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

(g) Prior to the commencement of the Project, the Developer shall be required to meet with the City's monitoring staff with regard to the Developer's compliance with its obligations under this Section 10.03. The General Contractor and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, the Developer shall demonstrate to the City's monitoring staff its plan to achieve its obligations under this Section 10.03, the sufficiency of which shall be approved by the City's monitoring staff. During the Project, the Developer shall submit the documentation required by this Section 10.03 to the City's monitoring staff, including the following: (i) subcontractor's activity report; (ii) contractor's certification concerning labor standards and prevailing wage requirements; (iii) contractor letter of understanding; (iv) monthly utilization report; (v) authorization for payroll agent; (vi) certified payroll; (vii) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (viii) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 10.03, shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to the Developer to halt the Project, (2) withhold any further payment of any City Funds to the Developer or the General Contractor, or (3) seek any other remedies against the Developer available at law or in equity.

Upon 2FM's request, the Developer shall perform additional studies and tests for the purpose of determining whether any environmental or health risks would be associated with the development of the Project, including, without limitation, updating or expanding the Phase I Report and performing additional Phase II testing. HHDC and the Developer agree to deliver to the City a copy of each report prepared by or for HHDC or the Developer regarding the environmental condition of the Property.

11.02 **[[[**Environmental Remediation. The Developer agrees to take all such follow-up actions and other necessary and proper steps to obtain a Draft NFR Letter for the Property. The Developer acknowledges and agrees that if the Property is enrolled in the SRP, it may not commence construction on the Property until the IEPA issues, and 2FM approves, a Draft NFR Letter. The Developer shall promptly transmit to the City copies of all documents and other written communications delivered to or received from the IEPA or other regulatory agencies with respect to the Remediation Work. The Developer acknowledges and agrees that the City will not issue a Certificate until the IEPA has issued, and the City has approved, a Final NFR Letter for the Property, and the Final NFR Letter has been recorded against the Property; provided, however, if the Final NFR Letter is materially consistent with the Draft NFR Letter (as approved by the City in accordance with this Section 11.02) and no new environmental conditions were discovered on the Property during construction of the Project, then the Final NFR Letter shall be presumed reasonably satisfactory to the City.**]]**

The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from the Developer shall not be deemed to be a waiver by the City. The Developer shall advise all insurers of the Agreement provisions regarding insurance. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to terminate this Agreement until proper evidence of insurance is provided.

Each of the Partnership and the LLC agrees to indemnify, pay, defend and hold the City, and its elected and appointed officials, employees, agents and affiliates (individually an "Indemnitee," and collectively the "Indemnitees") harmless from and against, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (and including without limitation, the reasonable fees and disbursements of counsel for such Indemnitees in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not such Indemnities shall be designated a party thereto), that may be imposed on, suffered, incurred by or asserted against the Indemnitees in any manner relating or arising out of:

(i) the Developer's failure to comply with any of the terms, covenants and conditions contained within this Agreement; or

(ii) the Developer's or any contractor's failure to pay General Contractors, subcontractors or materialmen in connection with the TIF-Funded Improvements or any other Project improvement; or

(iii) the existence of any material misrepresentation or omission in this Agreement, any offering memorandum or information statement or the Redevelopment Plan or any other document related to this Agreement that is the result of information supplied or omitted by the Developer or any Affiliate of the Developer or any agents, employees, contractors or persons acting under the control or at the request of the Developer or any Affiliate of Developer; or

(iv) the Developer's failure to cure any misrepresentation in this Agreement or any other agreement relating hereto;

provided, however, that Developer shall have no obligation to an Indemnitee arising from the wanton or willful misconduct of that Indemnitee. To the extent that the preceding sentence may be unenforceable because it is violative of any law or public policy, Developer shall contribute the

maximum portion that it is permitted to pay and satisfy under the applicable law, to the payment and satisfaction of all indemnified liabilities incurred by the Indemnitees or any of them. The provisions of the undertakings and indemnification set out in this Section 13.01 shall survive the termination of this Agreement.

SECTION 14. MAINTAINING RECORDS/RIGHT TO INSPECT

The Developer shall keep and maintain separate, complete, accurate and detailed books and records necessary to reflect and fully disclose the total actual cost of the Project and the disposition of all funds from whatever source allocated thereto, and to monitor the Project. All such books, records and other documents, including but not limited to the Developer's loan statements, if any, General Contractors' and contractors' sworn statements, general contracts, subcontracts, purchase orders, waivers of lien, paid receipts and invoices, shall be available at the Developer's offices for inspection, copying, audit and examination by an authorized representative of the City, at the Developer's expense. The Developer shall incorporate this right to inspect, copy, audit and examine all books and records into all contracts entered into by the Developer with respect to the Project.

14.02 Inspection Rights. Upon three (3) business days' notice, any authorized representative of the City has access to all portions of the Project and the Property during normal business hours for the Term of the Agreement.

SECTION 15. DEFAULT AND REMEDIES

15.01 Events of Default. The occurrence of any one or more of the following events, subject to the provisions of Section 15.03, shall constitute an "Event of Default" by the Developer hereunder:

(a) the failure of the Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer under this Agreement or any related agreement;

(b) the failure of the Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer under any other agreement with any person or entity (after the expiration of any applicable cure period) if such failure may have a material adverse effect on the Developer's ability to perform, keep or observe any of its conditions, promises or obligations hereunder;

(c) the making or furnishing by the Developer to the City of any representation, warranty, certificate, schedule, report or other communication within or in connection with this Agreement or any related agreement which is untrue or misleading in any material respect;

(d) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of, or any attempt to create, any lien or other encumbrance upon the Property, including any fixtures now or hereafter attached thereto, other than the Permitted Liens and/or liens bonded by the Developer or insured by the Title Company, or the making or any attempt to make any levy, seizure or attachment thereof;

(e) the commencement of any proceedings in bankruptcy by or against the Developer or for the liquidation or reorganization of the Developer, or alleging that the Developer is insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of the Developer's debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving the Developer; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings;

(f) the appointment of a receiver or trustee for the Developer, for any substantial part of the Developer's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of the Developer; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within sixty (60) days after the commencement thereof;

(g) the entry of any judgment or order against the Developer that impacts the Developer's ability to perform, keep or observe any of its conditions, promises or obligations hereunder and which remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution;

(h) the occurrence of an event of default under the Lender Financing, which default is not cured within any applicable cure period;

(i) the dissolution of the Partnership, the General Partner or the LLC;

(j) the institution in any court of a criminal proceeding (other than a misdemeanor) against the Developer or any natural person who owns a material interest in the Developer, which is not dismissed within thirty (30) days, or the indictment of the Developer or any natural person who owns a material interest in the Developer, for any crime (other than a misdemeanor);

(k) prior to the expiration of the Term of the Agreement and without the prior written consent of the City, (i) the sale or transfer of an ownership interest in the Developer, except to the extent that the syndicator of low-income tax credits, including the Limited Partner, may acquire or sell an interest in the Partnership, but only to one of its affiliates, or (ii) a change in the General Partner of the Partnership or the sole member of the LLC.

15.02 Remedies. Upon the occurrence of an Event of Default, the City may terminate this Agreement and all related agreements, and may suspend disbursement of City Funds and seek reimbursement from the Developer of any City Funds paid. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy against the Developer, including but not limited to injunctive relief or the specific performance of the agreements contained herein.

15.03 Curative Period. In the event the Developer shall fail to perform a monetary covenant which the Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Developer has failed to perform such monetary covenant within ten (10) days

of its receipt of a written notice from the City specifying that it has failed to perform such monetary covenant. In the event the Developer shall fail to perform a non-monetary covenant which the Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Developer has failed to cure such default within sixty (60) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such sixty (60) day period, the Developer shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such sixty (60) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured which cure shall be completed within one-hundred eighty **(180)** days unless the City shall agree to extend such 180 day period in writing; provided, further, notwithstanding anything to the contrary contained herein, the City hereby agrees that any cure of any default made or tendered by the Limited Partner shall be deemed to be a cure by the Developer and shall be accepted or rejected on the same basis as if made or tendered by the Developer.

15.04 Right to Cure by Lender or Limited Partner. In the event that Developer fails to perform a covenant as set forth in Section 15.03 above, the City shall, prior to exercising any such right or remedy, send notice of such failure by Developer to the Lender and the Limited Partner in accordance with Section 17 (which notice may be sent concurrently with any notice sent to Developer pursuant to this Section 15) and the Lender or the Limited Partner shall have the right (but not the obligation) to cure such failure to perform by the Developer in the same manner and time period as the Developer provided however that Developer shall have such additional cure rights as follows:

(a) Notwithstanding the provisions of this Section 15 regarding the cure periods hereunder, if Developer's failure to perform is for a non-monetary covenant as set forth in Section 15.01(e), (f), (g), (h), (i) or (j) hereof or other failure to perform by the Developer that is not reasonably capable of being cured within such 60 day period (each such failure being a "Personal Developer Default"), the Lender or the Limited Partner shall provide written notice to the City within 30 days of receipt of notice of such Personal Developer Default stating that it shall cure such Personal Developer Default by the assignment of all of the Developer's rights and interests in this Agreement to the Lender or the Limited Partner or any other party agreed to in writing by the Lender, the Limited Partner and the City. Upon receipt by the City of such notice from the Lender or the Limited Partner, as applicable, the cure period shall be extended for such reasonable period of time as the City may determine to be necessary to complete such assignment and assumption of Developer's rights hereunder; provided, however, that no payment of City Funds shall occur until such time as such Personal Developer Default is cured.

(b) If Developer's failure to perform involves any non-monetary covenant and such non-monetary default is not reasonably capable of being cured by the Lenders or the Investor Limited Partner within the applicable cure period, such period shall be extended, if possession of the Project is necessary to effect such cure, provided that the party seeking such cure must (i) have begun to cure such default within the applicable cure period and continues diligently to pursue such cure and (ii) the party seeking such cure must have instituted appropriate legal proceedings to obtain possession. In addition, upon such party obtaining possession of the Project, in the City's sole discretion, the City shall waive any Event of Default that cannot reasonably be cured.

SECTION 16. MORTGAGING OF THE PROJECT

All mortgages or deeds of trust in place as of the date hereof with respect to the Property or any portion thereof are listed on **Exhibit G** hereto (including but not limited to mortgages made prior to or on the date hereof in connection with Lender Financing and are referred to herein as the "Existing Mortgages." Any mortgage or deed of trust that the Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof is referred to herein as a "New Mortgage." Any New Mortgage that the Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof with the prior written consent of the City is referred to herein as a "Permitted Mortgage." It is hereby agreed by and between the City and the Developer as follows:

(a) In the event that a mortgagee or any other party shall succeed to the Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under a New Mortgage (other than a Permitted Mortgage), whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of the Developer's interest hereunder in accordance with **Section 18.15** hereof, the City may, but shall not be obligated to, attorn to and recognize such party as the successor in interest to the Developer for all purposes under this Agreement and, unless so recognized by the City as the successor in interest, such party shall be entitled to no rights or benefits under this Agreement, but such party shall be bound by those provisions of this Agreement that are covenants expressly running with the land.

(b) In the event that any mortgagee shall succeed to the Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under an Existing Mortgage or a Permitted Mortgage, whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of the Developer's interest hereunder in accordance with Section 18.15 hereof, the City hereby agrees to attorn to and recognize such party as the successor in interest to the Developer for all purposes under this Agreement so long as such party accepts all of the obligations and liabilities of "the Developer" hereunder; provided, however, that, notwithstanding any other provision of this Agreement to the contrary, it is understood and agreed that if such party accepts an assignment of the Developer's interest under this Agreement, such party has no liability under this Agreement for any Event of Default or indemnification obligation of the Developer which accrued prior to the time such party succeeded to the interest of the Developer under this Agreement, in which case the Developer shall be solely responsible. However, if such mortgagee under a Permitted Mortgage or an Existing Mortgage does not expressly accept an assignment of the Developer's interest hereunder, such party shall be entitled to no rights and benefits under this Agreement, and such party shall be bound only by those provisions of this Agreement, if any, which are covenants expressly running with the land.

(c) Prior to the issuance by the City to the Developer of a Certificate pursuant to Section 7 hereof, no New Mortgage shall be executed with respect to the Property or any portion thereof without the prior written consent of the Commissioner of DPD.

SECTION 18. MISCELLANEOUS

18.01 Amendment. This Agreement and the Exhibits attached hereto may not be amended or modified without the prior written consent of the parties hereto; provided, however, that the City, in its sole discretion, may amend, modify or supplement Exhibit A hereto without the consent of any party hereto, and DPD may grant consents as explicitly provided for under certain sections of this Agreement. It is agreed that no material amendment or change to this Agreement shall be made or be effective unless ratified or authorized by an ordinance duly adopted by the City Council. The term "material" for the purpose of this Section 18.01 shall be defined as any deviation from the terms of the Agreement which operates to materially reduce the scope of the Project, to materially change the Project or business operations of the Developer at the Property, or increases the City Funds payable to the Developer, or a change in the Term of the Agreement.

18.02 Entire Agreement. This Agreement (including each Exhibit attached hereto, which is hereby incorporated herein by reference) constitutes the entire Agreement between the parties hereto and it supersedes all prior agreements, negotiations and discussions between the parties relative to the subject matter hereof.

18.03 Limitation of Liability. No member, official or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer from the City or any successor in interest or on any obligation under the terms of this Agreement.

18.04 Further Assurances. The Developer agrees to take such actions, including the execution and delivery of such documents, instruments, petitions and certifications as may become necessary or appropriate to carry out the terms, provisions and intent of this Agreement.

18.05 Waiver. Waiver by the City or the Developer with respect to any breach of this Agreement shall not be considered or treated as a waiver of the rights of the respective party with respect to any other default or with respect to any particular default, except to the extent specifically waived by the City or the Developer in writing. No delay or omission on the part of a party in exercising any right shall operate as a waiver of such right or any other right unless pursuant to the specific terms hereof. A waiver by a party of a provision of this Agreement shall not prejudice or constitute a waiver of such party's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by a party, nor any course of dealing between the parties hereto, shall constitute a waiver of any such parties' rights or of any obligations of any other party hereto as to any future transactions.

18.06 Remedies Cumulative. The remedies of a party hereunder are cumulative and the exercise of any one or more of the remedies provided for herein shall not be construed as a waiver of any other remedies of such party unless specifically so provided herein.

Accordingly, it is not possible for BAC to perform due diligence across the full panoply of associates and BAC-related entities in preparing a response regarding business relationships with City of Chicago elected officials. In responding to this question, the Disclosing Party did perform due diligence within the coverage team in Public Sector Banking and Markets Group of Bank of America to determine whether any such employees were aware of business relationships between City elected officials and the Disclosing Party within the past 12 months. Additionally, employees of Bank of America Corporation and its subsidiaries, including employees who work in the City of Chicago, are subject to a written Code of Ethics (which each employee, on an annual basis, is required to read and acknowledge in writing) that requires all employees to disclose any outside activities and relationships that may pose a conflict of interest with Bank of America Corporation and its subsidiaries, and its activities.

SECTION V(B)(3)a, b, c and d

Please note that our responses are on behalf of the Disclosing Party only and not on behalf of any contractors or retained parties disclosed in SECTION IV.

a, b and c – Please see response to SECTION V(B)(2)b, c and e above. Additionally, b and c – Please see response to SECTION V(4) below.

SECTION V(4): Please see response to SECTION V(B)(2)b, c and e above.

In addition, in 2010 Douglas Campbell, a former Bank of America, N.A. employee, pled guilty to violating, among other statues, 15 U.S.C. 1. 15 U.S.C 1's elements are similar to 720 ILCS 5/33E-3. Although Mr. Campbell was not an employee of Bank of America at the time of his guilty pleas, some of the conduct to which he pled guilty occurred while he was employed by the Bank. Despite Mr. Campbell's conviction, Bank of America believes that it should not be barred from contracting because it satisfies the exceptions set forth in 720 ILCS 5/33E-3.

Bank of America satisfies the first requirement for the exception because Mr. Campbell is no longer employed by Bank of America. Indeed, Bank of America terminated Mr. Campbell in August 2002, so he has not been associated with Bank of America for over 10 years.

To qualify for the exception, we must also demonstrate that either the Bank has "been finally adjudicated not guilty" or that the commission of the offense was neither authorized, requested, commanded, nor performed by a director, officer or high managerial agent. We believe that we satisfy both exceptions.

First, it is important to note that the Bank has not been charged with any crime and thus has not "been finally adjudicated not guilty." Indeed Bank of America was the first and only entity to self-report evidence of the bid-rigging for which Mr. Campbell ultimately pled guilty to the United States Department of Justice ("DOJ"). The Bank's self-report has enabled the various government agencies (including the numerous states' Attorneys General) to identify and pursue industry-wide misconduct that may have affected municipalities and others on a nationwide scale, as well as pursue numerous potential violators. In January 2007, as a result of the Bank's self-reporting and cooperation, DOJ conditionally accepted the Bank to Part A of the Leniency Program – the highest level of leniency DOJ can provide. Pursuant to Part A of the Leniency Program, subject to the Bank's continuing cooperation, DOJ will not bring any criminal antitrust prosecution against the Bank in connection with the matters that the Bank reported to DOJ.

The Bank also promptly agreed to cooperate with the Illinois Attorney General and numerous other state Attorneys General in their industry-wide investigation. Ultimately, the Bank reached a settlement agreement with them. In recognition of the Bank's self-reporting, substantial cooperation, and agreement to make restitution, the Attorneys General, including the Illinois Attorney General, added an exhibit to the settlement agreement that included the following: "no provision contained in the settlement agreement is intended to be construed as a mandate or recommendation to any independent suspension and/or debarment authority regarding a decision to disqualify, suspend or debar Bank of America ... from engaging in the provision of any financial services including, but not limited to, the marketing sale or placement of municipal bond derivatives or any other state business . . ."

Second, 720 ILCS 5/33E-3 imputes liability to a corporation if the commission of the offense was "authorized, requested, commanded or performed by a director, officer or a high managerial agent." The structure in the hierarchy of the statute demonstrates an officer, while not explicitly defined, has functional responsibilities less than that of a director, but greater than that of a high managerial agent. The definition of high managerial agent refers to 720 ILCS 5/5-4, where the term means "an officer of the corporation, or any other agent who has a position of *comparable* authority for the formulation of corporate policy or the supervision of subordinate employees in a managerial capacity." (Emphasis added.) In other words, an officer under 720 ILCS 5/33E-3 is someone who has authority to set corporate policy or supervises employees who are themselves officially responsible for managing others. Illinois case law, the applicable legislative history, and common law generally, as articulated in Black's Law Dictionary, all strongly indicate that the question as to whether one qualifies as an officer of a corporation is not determined by merely identifying the employee's corporate title, but rather requires a significantly more in-depth factual inquiry as to the employee's actual job responsibilities.

Between 1998 and 2002, Mr. Campbell held various positions and titles at Bank of America, N.A. and its associated broker dealer, including Capital Markets Sales officer, Senior Securities/Product Salesperson, and Principal. (While Mr. Campbell pled guilty to an information that identified him as a Senior Vice President, the Bank's Human Resources records do not reflect Mr. Campbell having had that title.) Mr. Campbell was not a director of the Bank. Mr. Campbell was a member of a small marketing desk. Between 1998 and 2002, that marketing desk was a tiny portion of the overall Bank – the desk had no more than 11 members during that period and Mr. Campbell's supervisor was at least 5 to 6 levels below the Bank's CEO at all times. There were between approximately one to four employees on that desk who were junior to Mr. Campbell. Mr. Campbell did not, nor did he have the authority to, set corporate policy. Additionally, Mr. Campbell did not supervise anyone, let alone employees who were themselves officially responsible for managing others. Hence, Mr. Campbell is neither an officer nor a high managerial agent under 720 ILCS 5/33E-3. Finally, the fact that, as described above, the Bank self-reported the conduct for which Mr. Campbell pled guilty to government regulators demonstrates that the Bank, as an institution, did not authorize or condone the underlying conduct.

The Bank is not ineligible under Section 1-23-020 of the Municipal Code of Chicago because neither the Bank (or any controlling person of the Bank) nor any entity into which the Bank has merged has, within the past 5 years, been convicted of, admitted guilt to in any civil or criminal proceeding, or been charged with or indicted for any felony or criminal offense for conduct outlined in Section 1-23-020(a).

As a threshold matter, the information charging Mr. Campbell does not identify any specific transactions involving the City of Chicago or of any sister agency. Thus, the Bank believes the crimes to which Mr. Campbell pled guilty were not "against the City of Chicago or of any sister agency" as required by Section 1-23-020(a)(2). But even if Section 1-23-020(a)(2) applied, no "controlling person" has been convicted of an applicable crime. While Mr. Campbell held various positions and titles at Bank of America, N.A. and its associated broker dealer, including Capital Markets Sales officer, Senior Securities/Product Salesperson, and Principal, he was not an officer, manager, managing member, partner, general partner or limited partner for the purposes of defining "controlling person" under Section 1-23-020. (While Mr. Campbell pled guilty to an information that identified him as a Senior Vice President, the Bank's Human Resources records do not reflect Mr. Campbell having had that title.) Hence, for the reasons cited above, Mr. Campbell was not an officer within the meaning of Section 1-23-020 of the Municipal Code of Chicago.

Finally, the Bank believes that under Section 2-92-320 of the Municipal Code of Chicago, the rules promulgated pursuant to that section, and the facts described above, Mr. Campbell's conduct should not be imputed to the Bank.

Please note that our responses are on behalf of the disclosing party only and not on behalf of any contractors or retained parties disclosed in SECTION IV.

SECTION VII(B) and (C). Bank of America Corporation and its subsidiaries, which include Bank of America N.A., had approximately 252,487 full-time employees as of September 30, 2013. Accordingly, it is not possible for the Bank to perform due diligence across the full panoply of associates and Bank-related entities in preparing the Bank's response. Additionally, the Bank is routinely involved in litigation in various state and federal courts. The Bank makes all disclosures required by its regulators, including all required disclosures In its Annual Reports on Form 10-K and Quarterly Reports on Form10-Q,which are updated in Reports on Form 8-K (the "Reports"), all of which are filed with the Securities and Exchange Commission. Those Reports include disclosures of investigations and other matters as required by federal law and are publicly available. The Bank cannot confirm or deny the existence of any other, non-public investigation conducted by any government investigator unless required to do so by law. Further, to the knowledge of the individual signing below and without independent inquiry, there are no Officers, Directors, or key employees of Bank of America, N.A. who are also employed by the City. However, employees of the

corporation and its affiliates are subject to a written Code of Ethics (which each employee, on an annual basis, is required to read and acknowledge in writing) that requires all employees to disclose any outside activities and relationships that may pose a conflict of interest with the Bank and its activities.

Bank of America representatives and agents meet with representatives of the City on a monthly or other regular basis to identify outstanding amounts duly payable by the Bank to the City and settle them accordingly.

FAMILIAL RELATIONSHIPS WITH ELECTED OFFICIAL AND DEPARTMENT HEADS

Please note that the Disclosing Party is a subsidiary of Bank of America Corporation ("BAC"). BAC and its subsidiaries had 252,487 full-time employees as of September 30, 2013. Accordingly, it is not possible for BAC to perform due diligence across the full panoply of associates and BAC-related entities in preparing a response regarding business relationships with City of Chicago elected officials. In responding to this question, the Disclosing Party did perform due diligence within the coverage team in Public Sector Banking and Markets Group of Bank of America to determine whether any such employees were aware of business relationships between City elected officials and the Disclosing Party within the past 12 months. Additionally, employees of Bank of America Corporation and its subsidiaries, including employees who work in the City of Chicago, are subject to a written Code of Ethics (which each employee, on an annual basis, is required to read and acknowledge in writing) that requires all employees to disclose any outside activities and relationships that may pose a conflict of interest with Bank of America Corporation and its subsidiaries, and its activities.

ADDITIONAL INFORMATION

SECTION II(A) Disclosure of Ownership Interests

The disclosing Party operates as a national bank association incorporated under the laws of the United States and subject to examination by the Office of the Comptroller of Currency.

SECTION II(B) Ownership Information

Bank of America Corporation owns 100% of NB Holdings Corporation, which owns 100% of FIA Card Services, National Association and 100% of BAC North America Holding Company, which owns 100% of BANA Holdings Corporation, which owns 100% of Bank of America National Association. The address of each of these entities is 100 N Tryon Street, Charlotte NC 28255, United States.

SECTION III --Business Relationships with City Elected Officials

Please note that the Disclosing Party is a subsidiary of Bank of America Corporation ("BAC"). BAC and its subsidiaries had 252,487 full-time employees as of September 30, 2013. Accordingly, it is not possible for BAC to perform due diligence across the full panoply of associates and BAC-related entities in preparing a response regarding business relationships with City of Chicago elected officials. In responding to this question, the Disclosing Party did perform due diligence within the coverage team in Public Sector Banking and Markets Group of Bank of America to determine whether any such employees were aware of business relationships between City elected officials and the Disclosing Party within the past 12 months. Additionally, employees of Bank of America Corporation and its subsidiaries, including employees who work in the City of Chicago, are subject to a written Code of Ethics (which each employee, on an annual basis, is required to read and acknowledge in writing) that requires all employees to disclose any outside activities and relationships that may pose a conflict of interest with Bank of America Corporation and its subsidiaries, and its activities.

SECTION V. – Certifications

SECTION V(A) Court-Ordered Child Support Compliance

As a public corporation, Bank of America Corporation does not have any "substantial" owners as defined by the provision. No individual or group of individuals owns 10% or more of the Corporation. In addition, the Disclosing Party complies with all child support orders it receives.

B. Further Clarifications

1. BANA Holding Corporation is not the applicant; Bank of America N.A. is the applicant.

Neither Bank of America Corporation nor its Executive Officers and Director identified within this EDS is subject to any order, judgment or decree by any court or government authority in which it is barred, suspended or otherwise limited from engaging in any type of business practice.

SECTION V(B)(2) b, c and e:

Bank of America Corporation makes all required disclosures in its Form 10-k as filed with the Securities and Exchange Commission and its Annual Report as posted on its website at http://investor.bankofamerica.com/phoenix.zhtml?c=71595&p=irol-reportsannual. In addition, Bank o America's Corporation's registered broker-dealer and investment adviser subsidiaries make all required disclosures on their Form BDs and filed with FINRA and their Form ADVs as filed with the SEC. These filings include disclosures of investigations and litigation as required by the SRO's and federal law, and are publicly available. Bank of America Corporation cannot confirm or deny the existence of any other non-public investigation conducted by any governmental agency unless required to do so by law.

Please let us know if any additional information is needed.

SECTION V(B)(2)d

The Disclosing party performed due diligence within the Public Sector Banking and Markets Group of Bank of America determine whether any Public Sector Banking and Markets Group of Bank of America employees were aware of any public finance transactions (federal, state or local) having been terminated for cause or default within the last five years, and none of such employees were aware of any such transactions.

SECTION V(B)(3)a, b, c and d

Please note that our responses are on behalf of the Disclosing Party only and not on behalf of any contractors or retained parties disclosed in SECTION IV.

a, b and c – Please see response to SECTION V(B)(2)b, c and e above. Additionally, b and c – Please see response to SECTION V(4) below.

SECTION V(4): Please see response to SECTION V(B)(2)b, c and e above.

In addition, in 2010 Douglas Campbell, a former Bank of America, N.A. employee, pled guilty to violating, among other statues, 15 U.S.C. 1. 15 U.S.C 1's elements are similar to 720 ILCS 5/33E-3. Although Mr. Campbell was not an employee of Bank of America at the time of his guilty pleas, some of the conduct to which he pled guilty occurred while he was employed by the Bank. Despite Mr. Campbell's conviction, Bank of America believes that it should not be barred from contracting because it satisfies the exceptions set forth in 720 ILCS 5/33E-3.

Bank of America satisfies the first requirement for the exception because Mr. Campbell is no longer employed by Bank of America. Indeed, Bank of America terminated Mr. Campbell in August 2002, so he has not been associated with Bank of America for over 10 years.

To qualify for the exception, we must also demonstrate that either the Bank has "been finally adjudicated not guilty" or that the commission of the offense was neither authorized, requested, commanded, nor performed by a director, officer or high managerial agent. We believe that we satisfy both exceptions.

First, it is important to note that the Bank has not been charged with any crime and thus has not "been finally adjudicated not guilty." Indeed Bank of America was the first and only entity to self-report evidence of the bid-rigging for which Mr. Campbell ultimately pled guilty to the United States Department of Justice ("DOJ"). The Bank's self-report has enabled the various government agencies (including the numerous states' Attorneys General) to identify and pursue industry-wide misconduct that may have affected municipalities and others on a nationwide scale, as well as pursue numerous potential violators. In January 2007, as a result of the Bank's self-reporting and cooperation, DOJ conditionally accepted the Bank to Part A of the Leniency Program – the highest level of leniency DOJ can provide. Pursuant to Part A of the Leniency Program, subject to the Bank's continuing

cooperation, DOJ will not bring any criminal antitrust prosecution against the Bank in connection with the matters that the Bank reported to DOJ.

The Bank also promptly agreed to cooperate with the Illinois Attorney General and numerous other state Attorneys General in their industry-wide investigation. Ultimately, the Bank reached a settlement agreement with them. In recognition of the Bank's self-reporting, substantial cooperation, and agreement to make restitution, the Attorneys General, including the Illinois Attorney General, added an exhibit to the settlement agreement that included the following: "no provision contained in the settlement agreement is intended to be construed as a mandate or recommendation to any independent suspension and/or debarment authority regarding a decision to disqualify, suspend or debar Bank of America ... from engaging in the provision of any financial services including, but not limited to, the marketing sale or placement of municipal bond derivatives or any other state business . . ."

Second, 720 ILCS 5/33E-3 imputes liability to a corporation if the commission of the offense was "authorized, requested, commanded or performed by a director, officer or a high managerial agent." The structure in the hierarchy of the statute demonstrates an officer, while not explicitly defined, has functional responsibilities less than that of a director, but greater than that of a high managerial agent. The definition of high managerial agent refers to 720 ILCS 5/5-4, where the term means "an officer of the corporation, or any other agent who has a position of *comparable* authority for the formulation of corporate policy or the supervision of subordinate employees in a managerial capacity." (Emphasis added.) In other words, an officer under 720 ILCS 5/33E-3 is someone who has authority to set corporate policy or supervises employees who are themselves officially responsible for managing others. Illinois case law, the applicable legislative history, and common law generally, as articulated in Black's Law Dictionary, all strongly indicate that the question as to whether one qualifies as an officer of a corporation is not determined by merely identifying the employee's corporate title, but rather requires a significantly more in-depth factual inquiry as to the employee's actual job responsibilities.

Between 1998 and 2002, Mr. Campbell held various positions and titles at Bank of America, N.A. and its associated broker dealer, including Capital Markets Sales officer, Senior Securities/Product Salesperson, and Principal. (While Mr. Campbell pled guilty to an information that identified him as a Senior Vice President, the Bank's Human Resources records do not reflect Mr. Campbell having had that title.) Mr. Campbell was not a director of the Bank. Mr. Campbell was a member of a small marketing desk. Between 1998 and 2002, that marketing desk was a tiny portion of the overall Bank – the desk had no more than 11 members during that period and Mr. Campbell's supervisor was at least 5 to 6 levels below the Bank's CEO at all times. There were between approximately one to four employees on that desk who were junior to Mr. Campbell. Mr. Campbell did not, nor did he have the authority to, set corporate policy. Additionally, Mr. Campbell did not supervise anyone, let alone employees who were themselves officially responsible for managing others. Hence, Mr. Campbell is neither an officer nor a high managerial agent under 720 ILCS 5/33E-3. Finally, the fact that, as described above, the Bank self-reported the conduct for which Mr. Campbell pled guilty to government regulators demonstrates that the Bank, as an institution, did not authorize or condone the underlying conduct.

The Bank is not ineligible under Section 1-23-020 of the Municipal Code of Chicago because neither the Bank (or any controlling person of the Bank) nor any entity into which the Bank has merged has, within the past 5 years, been convicted of, admitted guilt to in any civil or criminal proceeding, or been charged with or indicted for any felony or criminal offense for conduct outlined in Section 1-23-020(a).

As a threshold matter, the information charging Mr. Campbell does not identify any specific transactions involving the City of Chicago or of any sister agency. Thus, the Bank believes the crimes to which Mr. Campbell pled guilty were not "against the City of Chicago or of any sister agency" as required by Section 1-23-020(a)(2). But even if Section 1-23-020(a)(2) applied, no "controlling person" has been convicted of an applicable crime. While Mr. Campbell held various positions and titles at Bank of America, N.A. and its associated broker dealer, including Capital Markets Sales officer, Senior Securities/Product Salesperson, and Principal, he was not an officer, manager, managing member, partner, general partner or limited partner for the purposes of defining "controlling person" under Section 1-23-020. (While Mr. Campbell pled guilty to an information that identified him as a Senior Vice President, the Bank's Human Resources records do not reflect Mr. Campbell having had that

title.) Hence, for the reasons cited above, Mr. Campbell was not an officer within the meaning of Section 1-23-020 of the Municipal Code of Chicago.

Finally, the Bank believes that under Section 2-92-320 of the Municipal Code of Chicago, the rules promulgated pursuant to that section, and the facts described above, Mr. Campbell's conduct should not be imputed to the Bank.

Please note that our responses are on behalf of the disclosing party only and not on behalf of any contractors or retained parties disclosed in SECTION IV.

SECTION V(B)(6)

In response to question 6, Bank of America Corporation and its affiliates maintain strict policies and procedures to ensure compliance with applicable, local, state and federal law and regulations, including Chapter 2-156 of the Municipal Code. E. CERTIFICATION REGARDING SLAVERY ERA BUSINESS

The Disclosing Party verifies that a) the Disclosing party has searched any and all records of the Disclosing Party and any and all predecessor entities for records of investments or profits from slavery, the slave industry, or slaveholder insurance policies, and (b) the Disclosing party has found no records of investments or profits from slavery, the slave industry, or slaveholder insurance policies and no records of any slave or slaveholders.

SECTION VII – Acknowledgments, Contract Incorporation, Compliance, Penalties, Disclosure

Bank of America Corporation and its subsidiaries, which include Bank of America N.A., had approximately 252,487 full-time employees as of September 30, 2013. Accordingly, it is not possible for the Bank to perform due diligence across the full panoply of associates and Bank-related entities in preparing the Bank's response. Additionally, the Bank is routinely involved in litigation in various state and federal courts. The Bank makes all disclosures required by its regulators, including all required disclosures In its Annual Reports on Form 10-K and Quarterly Reports on Form10-Q,which are updated in Reports on Form 8-K (the "Reports"), all of which are filed with the Securities and Exchange Commission. Those Reports include disclosures of investigations and other matters as required by federal law and are publicly available. The Bank cannot confirm or deny the existence of any other, non-public investigation conducted by any government investigator unless required to do so by law. Further, to the knowledge of the individual signing below and without

independent inquiry, there are no Officers, Directors, or key employees of Bank of America, N.A. who are also employed by the City. However, employees of the corporation and its affiliates are subject to a written Code of Ethics (which each employee, on an annual basis, is required to read and acknowledge in writing) that requires all employees to disclose any outside activities and relationships that may pose a conflict of interest with the Bank and its activities.

F.1.

Bank of America representatives and agents meet with representatives of the City on a monthly or other regular basis to identify outstanding amounts duly payable by the Bank to the City and settle them accordingly.

FAMILIAL RELATIONSHIPS WITH ELECTED OFFICIAL AND DEPARTMENT HEADS

Please note that the Disclosing Party is a subsidiary of Bank of America Corporation ("BAC"). BAC and its subsidiaries had 252,487 full-time employees as of September 30, 2013. Accordingly, it is not possible for BAC to perform due diligence across the full panoply of associates and BAC-related entities in preparing a response regarding business relationships with City of Chicago elected officials. In responding to this question, the Disclosing Party did perform due diligence within the coverage team in Public Sector Banking and Markets Group of Bank of America to determine whether any such employees were aware of business relationships between City elected officials and the Disclosing Party within the past 12 months. Additionally, employees of Bank of America Corporation and its subsidiaries, including employees who work in the City of Chicago, are subject to a written Code of Ethics (which each employee, on an annual basis, is required to read and acknowledge in writing) that requires all employees to disclose any outside activities and relationships that may pose a conflict of interest with Bank of America Corporation and its subsidiaries, and its activities.

C. CERTIFICATION OF STATUS AS FINANCIAL INSTITUTION

1. The Disclosing Party certifies that the Disclosing Party (check one)

[X] is [ ] is not

a "financial institution" as defined in Section 2-32-455(b) of the Municipal Code.

2. If the Disclosing Party IS a financial institution, then the Disclosing Party pledges:

"We are not and will not become a predatory lender as defined in Chapter 2-32 of the Municipal Code. We further pledge that none of our affiliates is, and none of them will become, a predatory lender as defined in Chapter 2-32 of the Municipal Code. We understand that becoming a predatory lender or becoming an affiliate of a predatory lender may result in the loss of the privilege of doing business with the City."

The Disclosing Party makes the above pledge.

If the Disclosing Party is unable to make this pledge because it or any of its affiliates (as defined in Section 2-32-455(b) of the Municipal Code) is a predatory lender within the meaning of Chapter 2-32 of the Municipal Code, explain here (attach additional pages if necessary):

If the letters "NA," the word "None," or no response appears on the lines above, it will be conclusively presumed that the Disclosing Party certified to the above statements.

I acknowledge and consent to the above.

ADDITIONAL INFORMATION

SECTION II(A) Disclosure of Ownership Interests

The disclosing Party operates as a national bank association incorporated under the laws of the United States and subject to examination by the Office of the Comptroller of Currency.

SECTION II(B) Ownership Information

Bank of America Corporation owns 100% of NB Holdings Corporation, which owns 100% of FIA Card Services, National Association and 100% of BAC North America Holding Company, which owns 100% of BANA Holdings Corporation, which owns 100% of Bank of America National Association. The address of each of these entities is 100 N Tryon Street, Charlotte NC 28255, United States.

SECTION III --Business Relationships with City Elected Officials

Please note that the Disclosing Party is a subsidiary of Bank of America Corporation ("BAC"). BAC and its subsidiaries had 252,487 full-time employees as of September 30, 2013. Accordingly, it is not possible for BAC to perform due diligence across the full panoply of associates and BAC-related entities in preparing a response regarding business relationships with City of Chicago elected officials. In responding to this question, the Disclosing Party did perform due diligence within the coverage team in Public Sector Banking and Markets Group of Bank of America to determine whether any such employees were aware of business relationships between City elected officials and the Disclosing Party within the past 12 months. Additionally, employees of Bank of America Corporation and its subsidiaries, including employees who work in the City of Chicago, are subject to a written Code of Ethics (which each employee, on an annual basis, is required to read and acknowledge in writing) that requires all employees to disclose any outside activities and relationships that may pose a conflict of interest with Bank of America Corporation and its subsidiaries, and its activities.

SECTION V. – Certifications

SECTION V(A) Court-Ordered Child Support Compliance

As a public corporation, Bank of America Corporation does not have any "substantial" owners as defined by the provision. No individual or group of individuals owns 10% or more of the Corporation. In addition, the Disclosing Party complies with all child support orders it receives.

B. Further Clarifications

1. Bank of America Corporation is not the applicant; Bank of America N.A. is the applicant.

Neither Bank of America Corporation nor its Executive Officers and Director identified within this EDS is subject to any order, judgment or decree by any court or government authority in which it is barred, suspended or otherwise limited from engaging in any type of business practice.

SECTION V(B)(2) b, c and e:

Bank of America Corporation makes all required disclosures in its Form 10-k as filed with the Securities and Exchange Commission and its Annual Report as posted on its website at http://investor.bankofamerica.com/phoenix.zhtml?c=71595&p=irol-reportsannual. In addition, Bank o America's Corporation's registered broker-dealer and investment adviser subsidiaries make all required disclosures on their Form BDs and filed with FINRA and their Form ADVs as filed with the SEC. These filings include disclosures of investigations and litigation as required by the SRO's and federal law, and are publicly available. Bank of America Corporation cannot confirm or deny the existence of any other non-public investigation conducted by any governmental agency unless required to do so by law.

Please let us know if any additional information is needed.

SECTION V(B)(2)d

The Disclosing party performed due diligence within the Public Sector Banking and Markets Group of Bank of America determine whether any Public Sector Banking and Markets Group of Bank of America employees were aware of any public finance transactions (federal, state or local) having been terminated for cause or default within the last five years, and none of such employees were aware of any such transactions.

SECTION V(B)(3)a, b, c and d

Please note that our responses are on behalf of the Disclosing Party only and not on behalf of any contractors or retained parties disclosed in SECTION IV.

a, b and c – Please see response to SECTION V(B)(2)b, c and e above. Additionally, b and c – Please see response to SECTION V(4) below.

SECTION V(4): Please see response to SECTION V(B)(2)b, c and e above.

In addition, in 2010 Douglas Campbell, a former Bank of America, N.A. employee, pled guilty to violating, among other statues, 15 U.S.C. 1. 15 U.S.C 1's elements are similar to 720 ILCS 5/33E-3. Although Mr. Campbell was not an employee of Bank of America at the time of his guilty pleas, some of the conduct to which he pled guilty occurred while he was employed by the Bank. Despite Mr. Campbell's conviction, Bank of America believes that it should not be barred from contracting because it satisfies the exceptions set forth in 720 ILCS 5/33E-3.

Bank of America satisfies the first requirement for the exception because Mr. Campbell is no longer employed by Bank of America. Indeed, Bank of America terminated Mr. Campbell in August 2002, so he has not been associated with Bank of America for over 10 years.

To qualify for the exception, we must also demonstrate that either the Bank has "been finally adjudicated not guilty" or that the commission of the offense was neither authorized, requested, commanded, nor performed by a director, officer or high managerial agent. We believe that we satisfy both exceptions.

First, it is important to note that the Bank has not been charged with any crime and thus has not "been finally adjudicated not guilty." Indeed Bank of America was the first and only entity to self-report evidence of the bid-rigging for which Mr. Campbell ultimately pled guilty to the United States Department of Justice ("DOJ"). The Bank's self-report has enabled the various government agencies (including the numerous states' Attorneys General) to identify and pursue industry-wide misconduct that may have affected municipalities and others on a nationwide scale, as well as pursue numerous potential violators. In January 2007, as a result of the Bank's self-reporting and cooperation, DOJ conditionally accepted the Bank to Part A of the Leniency Program – the highest level of leniency DOJ can provide. Pursuant to Part A of the Leniency Program, subject to the Bank's continuing

cooperation, DOJ will not bring any criminal antitrust prosecution against the Bank in connection with the matters that the Bank reported to DOJ.

The Bank also promptly agreed to cooperate with the Illinois Attorney General and numerous other state Attorneys General in their industry-wide investigation. Ultimately, the Bank reached a settlement agreement with them. In recognition of the Bank's self-reporting, substantial cooperation, and agreement to make restitution, the Attorneys General, including the Illinois Attorney General, added an exhibit to the settlement agreement that included the following: "no provision contained in the settlement agreement is intended to be construed as a mandate or recommendation to any independent suspension and/or debarment authority regarding a decision to disqualify, suspend or debar Bank of America ... from engaging in the provision of any financial services including, but not limited to, the marketing sale or placement of municipal bond derivatives or any other state business . . ."

Second, 720 ILCS 5/33E-3 imputes liability to a corporation if the commission of the offense was "authorized, requested, commanded or performed by a director, officer or a high managerial agent." The structure in the hierarchy of the statute demonstrates an officer, while not explicitly defined, has functional responsibilities less than that of a director, but greater than that of a high managerial agent. The definition of high managerial agent refers to 720 ILCS 5/5-4, where the term means "an officer of the corporation, or any other agent who has a position of *comparable* authority for the formulation of corporate policy or the supervision of subordinate employees in a managerial capacity." (Emphasis added.) In other words, an officer under 720 ILCS 5/33E-3 is someone who has authority to set corporate policy or supervises employees who are themselves officially responsible for managing others. Illinois case law, the applicable legislative history, and common law generally, as articulated in Black's Law Dictionary, all strongly indicate that the question as to whether one qualifies as an officer of a corporation is not determined by merely identifying the employee's corporate title, but rather requires a significantly more in-depth factual inquiry as to the employee's actual job responsibilities.

Between 1998 and 2002, Mr. Campbell held various positions and titles at Bank of America, N.A. and its associated broker dealer, including Capital Markets Sales officer, Senior Securities/Product Salesperson, and Principal. (While Mr. Campbell pled guilty to an information that identified him as a Senior Vice President, the Bank's Human Resources records do not reflect Mr. Campbell having had that title.) Mr. Campbell was not a director of the Bank. Mr. Campbell was a member of a small marketing desk. Between 1998 and 2002, that marketing desk was a tiny portion of the overall Bank – the desk had no more than 11 members during that period and Mr. Campbell's supervisor was at least 5 to 6 levels below the Bank's CEO at all times. There were between approximately one to four employees on that desk who were junior to Mr. Campbell. Mr. Campbell did not, nor did he have the authority to, set corporate policy. Additionally, Mr. Campbell did not supervise anyone, let alone employees who were themselves officially responsible for managing others. Hence, Mr. Campbell is neither an officer nor a high managerial agent under 720 ILCS 5/33E-3. Finally, the fact that, as described above, the Bank self-reported the conduct for which Mr. Campbell pled guilty to government regulators demonstrates that the Bank, as an institution, did not authorize or condone the underlying conduct.

The Bank is not ineligible under Section 1-23-020 of the Municipal Code of Chicago because neither the Bank (or any controlling person of the Bank) nor any entity into which the Bank has merged has, within the past 5 years, been convicted of, admitted guilt to in any civil or criminal proceeding, or been charged with or indicted for any felony or criminal offense for conduct outlined in Section 1-23-020(a).

As a threshold matter, the information charging Mr. Campbell does not identify any specific transactions involving the City of Chicago or of any sister agency. Thus, the Bank believes the crimes to which Mr. Campbell pled guilty were not "against the City of Chicago or of any sister agency" as required by Section 1-23-020(a)(2). But even if Section 1-23-020(a)(2) applied, no "controlling person" has been convicted of an applicable crime. While Mr. Campbell held various positions and titles at Bank of America, N.A. and its associated broker dealer, including Capital Markets Sales officer, Senior Securities/Product Salesperson, and Principal, he was not an officer, manager, managing member, partner, general partner or limited partner for the purposes of defining "controlling person" under Section 1-23-020. (While Mr. Campbell pled guilty to an information that identified him as a Senior Vice President, the Bank's Human Resources records do not reflect Mr. Campbell having had that

title.) Hence, for the reasons cited above, Mr. Campbell was not an officer within the meaning of Section 1-23-020 of the Municipal Code of Chicago.

Finally, the Bank believes that under Section 2-92-320 of the Municipal Code of Chicago, the rules promulgated pursuant to that section, and the facts described above, Mr. Campbell's conduct should not be imputed to the Bank.

Please note that our responses are on behalf of the disclosing party only and not on behalf of any contractors or retained parties disclosed in SECTION IV.

SECTION V(B)(6)

In response to question 6, Bank of America Corporation and its affiliates maintain strict policies and procedures to ensure compliance with applicable, local, state and federal law and regulations, including Chapter 2-156 of the Municipal Code. To the best of the individual signing this EDS, Bank of America Corporation and its affiliates are currently in compliance, and has policies and procedures in place to ensure continued compliance.

SECTION V(B)(7) AND (8)

Please see responses to SECTION VII(C).

SECTION V(B)(9)

In response to question 9, a branded hat valued at $7.95 was given to Mayor Rahm Emanuel for Chicago Marathon October 13, 2013 on behalf of Bank of America Corp.

E. CERTIFICATION REGARDING SLAVERY ERA BUSINESS

The Disclosing Party verifies that a) the Disclosing party has searched any and all records of the Disclosing Party and any and all predecessor entities for records of investments or profits from slavery, the slave industry, or slaveholder insurance policies, and (b) the Disclosing party has found no records of investments or profits from slavery, the slave industry, or slaveholder insurance policies and no records of any slave or slaveholders.

SECTION VII – Acknowledgments, Contract Incorporation, Compliance, Penalties, Disclosure

Bank of America Corporation and its subsidiaries, which include Bank of America N.A., had approximately 252,487 full-time employees as of September 30, 2013. Accordingly, it is not possible for the Bank to perform due diligence across the full panoply of associates and Bank-related entities in preparing the Bank's response. Additionally, the Bank is routinely involved in litigation in various state and federal courts. The Bank makes all disclosures required by its regulators, including all required disclosures In its Annual Reports on Form 10-K and Quarterly Reports on Form10-Q,which are updated in Reports on Form 8-K (the "Reports"), all of which are filed with the Securities and Exchange Commission. Those Reports include disclosures of investigations and other matters as required by federal law and are publicly available. The Bank cannot confirm or deny the existence of any other, non-public investigation conducted by any government investigator unless required to do so by law. Further, to the knowledge of the individual signing below and without

independent inquiry, there are no Officers, Directors, or key employees of Bank of America, N.A. who are also employed by the City. However, employees of the corporation and its affiliates are subject to a written Code of Ethics (which each employee, on an annual basis, is required to read and acknowledge in writing) that requires all employees to disclose any outside activities and relationships that may pose a conflict of interest with the Bank and its activities.

F.1.

Bank of America representatives and agents meet with representatives of the City on a monthly or other regular basis to identify outstanding amounts duly payable by the Bank to the City and settle them accordingly.

FAMILIAL RELATIONSHIPS WITH ELECTED OFFICIAL AND DEPARTMENT HEADS

Please note that the Disclosing Party is a subsidiary of Bank of America Corporation ("BAC"). BAC and its subsidiaries had 252,487 full-time employees as of September 30, 2013. Accordingly, it is not possible for BAC to perform due diligence across the full panoply of associates and BAC-related entities in preparing a response regarding business relationships with City of Chicago elected officials. In responding to this question, the Disclosing Party did perform due diligence within the coverage team in Public Sector Banking and Markets Group of Bank of America to determine whether any such employees were aware of business relationships between City elected officials and the Disclosing Party within the past 12 months. Additionally, employees of Bank of America Corporation and its subsidiaries, including employees who work in the City of Chicago, are subject to a written Code of Ethics (which each employee, on an annual basis, is required to read and acknowledge in writing) that requires all employees to disclose any outside activities and relationships that may pose a conflict of interest with Bank of America Corporation and its subsidiaries, and its activities.

SECTION III --Business Relationships with City Elected Officials

Please note that the Disclosing Party is a subsidiary of Bank of America Corporation ("BAC"). BAC and its subsidiaries had 252,487 full-time employees as of September 30, 2013. Accordingly, it is not possible for BAC to perform due diligence across the full panoply of associates and BAC-related entities in preparing a response regarding business relationships with City of Chicago elected officials. In responding to this question, the Disclosing Party did perform due diligence within the coverage team in Public Sector Banking and Markets Group of Bank of America to determine whether any such employees were aware of business relationships between City elected officials and the Disclosing Party within the past 12 months. Additionally, employees of Bank of America Corporation and its subsidiaries, including employees who work in the City of Chicago, are subject to a written Code of Ethics (which each employee, on an annual basis, is required to read and acknowledge in writing) that requires all employees to disclose any outside activities and relationships that may pose a conflict of interest with Bank of America Corporation and its subsidiaries, and its activities.

SECTION V(B)(3)a, b, c and d

Please note that our responses are on behalf of the Disclosing Party only and not on behalf of any contractors or retained parties disclosed in SECTION IV.

a, b and c – Please see response to SECTION V(B)(2)b, c and e above. Additionally, b and c – Please see response to SECTION V(4) below.

SECTION V(4): Please see response to SECTION V(B)(2)b, c and e above.

In addition, in 2010 Douglas Campbell, a former Bank of America, N.A. employee, pled guilty to violating, among other statues, 15 U.S.C. 1. 15 U.S.C 1's elements are similar to 720 ILCS 5/33E-3. Although Mr. Campbell was not an employee of Bank of America at the time of his guilty pleas, some of the conduct to which he pled guilty occurred while he was employed by the Bank. Despite Mr. Campbell's conviction, Bank of America believes that it should not be barred from contracting because it satisfies the exceptions set forth in 720 ILCS 5/33E-3.

Bank of America satisfies the first requirement for the exception because Mr. Campbell is no longer employed by Bank of America. Indeed, Bank of America terminated Mr. Campbell in August 2002, so he has not been associated with Bank of America for over 10 years.

To qualify for the exception, we must also demonstrate that either the Bank has "been finally adjudicated not guilty" or that the commission of the offense was neither authorized, requested, commanded, nor performed by a director, officer or high managerial agent. We believe that we

satisfy both exceptions.

First, it is important to note that the Bank has not been charged with any crime and thus has not "been finally adjudicated not guilty." Indeed Bank of America was the first and only entity to self-report evidence of the bid- rigging for which Mr. Campbell ultimately pled guilty to the United States Department of Justice ("DOJ"). The Bank's self-report has enabled the various government agencies (including the numerous states' Attorneys General) to identify and pursue industry-wide misconduct that may have affected municipalities and others on a nationwide scale, as well as pursue numerous potential violators. In January 2007, as a result of the Bank's self- reporting and cooperation, DOJ conditionally accepted the Bank to Part A of the Leniency Program – the highest level of leniency DOJ can provide. Pursuant to Part A of the Leniency Program, subject to the Bank's continuing cooperation, DOJ will not bring any criminal antitrust prosecution against the Bank in connection with the matters that the Bank reported to DOJ.

The Bank also promptly agreed to cooperate with the Illinois Attorney General and numerous other state Attorneys General in their industry-wide investigation. Ultimately, the Bank reached a settlement agreement with them. In recognition of the Bank's self-reporting, substantial cooperation, and agreement to make restitution, the Attorneys General, including the Illinois Attorney General, added an exhibit to the settlement agreement that included the following: "no provision contained in the settlement agreement is intended to be construed as a mandate or recommendation to any independent suspension and/or debarment authority regarding a decision to disqualify, suspend or debar Bank of America ... from engaging in the provision of any financial services including, but not limited to, the marketing sale or placement of municipal bond derivatives or any other state business . . ."

Second, 720 ILCS 5/33E-3 imputes liability to a corporation if the commission of the offense was "authorized, requested, commanded or performed by a director, officer or a high managerial agent." The structure in the hierarchy of the statute demonstrates an officer, while not explicitly defined, has functional responsibilities less than that of a director, but greater than that of a high managerial agent. The definition of high managerial agent refers to 720 ILCS 5/5-4, where the term means "an officer of the corporation, or any other agent who has a position of *comparable* authority for the formulation of corporate policy or the supervision of subordinate employees in a managerial capacity." (Emphasis added.) In other words, an officer under 720 ILCS 5/33E-3 is someone who has authority to set corporate policy or supervises employees who are themselves officially responsible for managing others. Illinois case law, the applicable legislative history, and common law generally, as articulated in Black's Law Dictionary, all strongly indicate that the question as to whether one qualifies as an officer of a corporation is not determined by merely identifying the employee's corporate title, but rather requires a significantly more in-depth factual inquiry as to the employee's actual job responsibilities.

Between 1998 and 2002, Mr. Campbell held various positions and titles at Bank of America, N.A. and its associated broker dealer, including Capital Markets Sales officer, Senior Securities/Product Salesperson, and Principal. (While Mr. Campbell pled guilty to an information that identified him as a Senior Vice President, the Bank's Human Resources records do not reflect Mr. Campbell having had that title.) Mr. Campbell was not a director of the Bank. Mr. Campbell was a member of a small marketing desk. Between 1998 and 2002, that marketing desk was a tiny portion of the overall Bank – the desk had no more than 11 members during that period and Mr. Campbell's supervisor was at least 5 to 6 levels below the Bank's CEO at all times. There were between approximately one to four employees on that desk who were junior to Mr. Campbell. Mr. Campbell did not, nor did he have the authority to, set corporate policy. Additionally, Mr. Campbell did not supervise anyone, let alone employees who were themselves officially responsible for managing others. Hence, Mr. Campbell is neither an officer nor a high managerial agent under 720 ILCS 5/33E-3. Finally, the fact that, as described above, the Bank self-reported the conduct for which Mr. Campbell pled guilty to

government regulators demonstrates that the Bank, as an institution, did not authorize or condone the underlying conduct.

The Bank is not ineligible under Section 1-23-020 of the Municipal Code of Chicago because neither the Bank (or any controlling person of the Bank) nor any entity into which the Bank has merged has, within the past 5 years, been convicted of, admitted guilt to in any civil or criminal proceeding, or been charged with or indicted for any felony or criminal offense for conduct outlined in Section 1-23-020(a).

As a threshold matter, the information charging Mr. Campbell does not identify any specific transactions involving the City of Chicago or of any sister agency. Thus, the Bank believes the crimes to which Mr. Campbell pled guilty were not "against the City of Chicago or of any sister agency" as required by Section 1-23-020(a)(2). But even if Section 1-23-020(a)(2) applied, no "controlling person" has been convicted of an applicable crime. While Mr. Campbell held various positions and titles at Bank of America, N.A. and its associated broker dealer, including Capital Markets Sales officer, Senior Securities/Product Salesperson, and Principal, he was not an officer, manager, managing member, partner, general partner or limited partner for the purposes of defining "controlling person" under Section 1-23-020. (While Mr. Campbell pled guilty to an information that identified him as a Senior Vice President, the Bank's Human Resources records do not reflect Mr. Campbell having had that title.) Hence, for the reasons cited above, Mr. Campbell was not an officer within the meaning of Section 1-23-020 of the Municipal Code of Chicago.

Finally, the Bank believes that under Section 2-92-320 of the Municipal Code of Chicago, the rules promulgated pursuant to that section, and the facts described above, Mr. Campbell's conduct should not be imputed to the Bank.

Please note that our responses are on behalf of the disclosing party only and not on behalf of any contractors or retained parties disclosed in SECTION IV.

SECTION VII – Acknowledgments, Contract Incorporation, Compliance, Penalties, Disclosure

Bank of America Corporation and its subsidiaries, which include Bank of America N.A., had approximately 252,487 full-time employees as of September 30, 2013. Accordingly, it is not possible for the Bank to perform due diligence across the full panoply of associates and Bank-related entities in preparing the Bank's response. Additionally, the Bank is routinely involved in litigation in various state and federal courts. The Bank makes all disclosures required by its regulators, including all required disclosures In its Annual Reports on Form 10-K and Quarterly Reports on Form10-Q,which are updated in Reports on Form 8-K (the "Reports"), all of which are filed with the Securities and Exchange Commission. Those Reports include disclosures of investigations and other matters as required by federal law and are publicly available. The Bank cannot confirm or deny the existence of any other, non-public investigation conducted by any government investigator unless required to do so by law. Further, to the knowledge of the individual signing below and without independent inquiry, there are no Officers, Directors, or key employees of Bank of America, N.A. who are also employed by the City. However, employees of the corporation and its affiliates are subject to a written Code of Ethics (which each employee, on an annual basis, is required to read and acknowledge in writing) that requires all employees to disclose any outside activities and relationships that may pose a conflict of interest with the Bank and its activities.

F.1.

In responding to this question, the Disclosing Party did perform due diligence within the coverage team in Public Sector Banking and Markets Group of Bank of America to determine whether any such employees were aware of business relationships between City elected officials and the Disclosing Party within the past 12 months. Additionally, employees of Bank of America Corporation and its subsidiaries, including employees who work in the City of Chicago, are subject to a written Code of Ethics (which each employee, on an annual basis, is required to read and acknowledge in writing) that requires all employees to disclose any outside activities and relationships that may pose a conflict of interest with Bank of America Corporation and its subsidiaries, and its activities.

BANK OF AMERICA CORPORATION
ECONOMIC DISCLOSURE STATEMENT
CICERO AND GEORGE LIMITED PARTNERSHIP

ADDITIONAL INFORMATION

SECTION II(A) Disclosure of Ownership Interests

The disclosing Party operates as a national bank association incorporated under the laws of the United States and subject to examination by the Office of the Comptroller of Currency.

SECTION II(B) Ownership Information

Bank of America Corporation owns 100% of NB Holdings Corporation, which owns 100% of FIA Card Services, National Association and 100% of BAC North America Holding Company, which owns 100% of BANA Holdings Corporation, which owns 100% of Bank of America National Association. The address of each of these entities is 100 N Tryon Street, Charlotte NC 28255, United States.

SECTION III --Business Relationships with City Elected Officials

Please note that the Disclosing Party is a subsidiary of Bank of America Corporation ("BAC"). BAC and its subsidiaries had 252,487 full-time employees as of September 30, 2013. Accordingly, it is not possible for BAC to perform due diligence across the full panoply of associates and BAC-related entities in preparing a response regarding business relationships with City of Chicago elected officials. In responding to this question, the Disclosing Party did perform due diligence within the coverage team in Public Sector Banking and Markets Group of Bank of America to determine whether any such employees were aware of business relationships between City elected officials and the Disclosing Party within the past 12 months. Additionally, employees of Bank of America Corporation and its subsidiaries, including employees who work in the City of Chicago, are subject to a written Code of Ethics (which each employee, on an annual basis, is required to read and acknowledge in writing) that requires all employees to disclose any outside activities and relationships that may pose a conflict of interest with Bank of America Corporation and its subsidiaries, and its activities.

SECTION V. – Certifications

SECTION V(A) Court-Ordered Child Support Compliance

As a public corporation, Bank of America Corporation does not have any "substantial" owners as defined by the provision. No individual or group of individuals owns 10% or more of the Corporation. In addition, the Disclosing Party complies with all child support orders it receives.

B. Further Clarifications

1. Bank of America Corporation is not the applicant; Bank of America N.A. is the applicant.

Neither Bank of America Corporation nor its Executive Officers and Director identified within this EDS is subject to any order, judgment or decree by any court or government authority in which it is barred, suspended or otherwise limited from engaging in any type of business practice.

SECTION V(B)(2) b, c and e:

Bank of America Corporation makes all required disclosures in its Form 10-k as filed with the Securities and Exchange Commission and its Annual Report as posted on its website at http://investor.bankofamerica.com/phoenix.zhtml?c=71595&p=irol-reportsannual. In addition, Bank o America's Corporation's registered broker-dealer and investment adviser subsidiaries make all required disclosures on their Form BDs and filed with FINRA and their Form ADVs as filed with the SEC. These filings include disclosures of investigations and litigation as required by the SRO's and federal law, and are publicly available. Bank of America Corporation cannot confirm or deny the existence of any other non-public investigation conducted by any governmental agency unless required to do so by law.

Please let us know if any additional information is needed.

SECTION V(B)(2)d

The Disclosing party performed due diligence within the Public Sector Banking and Markets Group of Bank of America determine whether any Public Sector Banking and Markets Group of Bank of America employees were aware of any public finance transactions (federal, state or local) having been terminated for cause or default within the last five years, and none of such employees were aware of any such transactions.

SECTION V(B)(3)a, b, c and d

Please note that our responses are on behalf of the Disclosing Party only and not on behalf of any contractors or retained parties disclosed in SECTION IV.

a, b and c – Please see response to SECTION V(B)(2)b, c and e above. Additionally, b and c – Please see response to SECTION V(4) below.

SECTION V(4): Please see response to SECTION V(B)(2)b, c and e above.

In addition, in 2010 Douglas Campbell, a former Bank of America, N.A. employee, pled guilty to violating, among other statues, 15 U.S.C. 1. 15 U.S.C 1's elements are similar to 720 ILCS 5/33E-3. Although Mr. Campbell was not an employee of Bank of America at the time of his guilty pleas, some of the conduct to which he pled guilty occurred while he was employed by the Bank. Despite Mr. Campbell's conviction, Bank of America believes that it should not be barred from contracting because it satisfies the exceptions set forth in 720 ILCS 5/33E-3.

Bank of America satisfies the first requirement for the exception because Mr. Campbell is no longer employed by Bank of America. Indeed, Bank of America terminated Mr. Campbell in August 2002, so he has not been associated with Bank of America for over 10 years.

To qualify for the exception, we must also demonstrate that either the Bank has "been finally adjudicated not guilty" or that the commission of the offense was neither authorized, requested, commanded, nor performed by a director, officer or high managerial agent. We believe that we satisfy both exceptions.

First, it is important to note that the Bank has not been charged with any crime and thus has not "been finally adjudicated not guilty." Indeed Bank of America was the first and only entity to self-report evidence of the bid-rigging for which Mr. Campbell ultimately pled guilty to the United States Department of Justice ("DOJ"). The Bank's self-report has enabled the various government agencies (including the numerous states' Attorneys General) to identify and pursue industry-wide misconduct that may have affected municipalities and others on a nationwide scale, as well as pursue numerous potential violators. In January 2007, as a result of the Bank's self-reporting and cooperation, DOJ conditionally accepted the Bank to Part A of the Leniency Program – the highest level of leniency DOJ can provide. Pursuant to Part A of the Leniency Program, subject to the Bank's continuing

cooperation, DOJ will not bring any criminal antitrust prosecution against the Bank in connection with the matters that the Bank reported to DOJ.

The Bank also promptly agreed to cooperate with the Illinois Attorney General and numerous other state Attorneys General in their industry-wide investigation. Ultimately, the Bank reached a settlement agreement with them. In recognition of the Bank's self-reporting, substantial cooperation, and agreement to make restitution, the Attorneys General, including the Illinois Attorney General, added an exhibit to the settlement agreement that included the following: "no provision contained in the settlement agreement is intended to be construed as a mandate or recommendation to any independent suspension and/or debarment authority regarding a decision to disqualify, suspend or debar Bank of America ... from engaging in the provision of any financial services including, but not limited to, the marketing sale or placement of municipal bond derivatives or any other state business . . ."

Second, 720 ILCS 5/33E-3 imputes liability to a corporation if the commission of the offense was "authorized, requested, commanded or performed by a director, officer or a high managerial agent." The structure in the hierarchy of the statute demonstrates an officer, while not explicitly defined, has functional responsibilities less than that of a director, but greater than that of a high managerial agent. The definition of high managerial agent refers to 720 ILCS 5/5-4, where the term means "an officer of the corporation, or any other agent who has a position of *comparable* authority for the formulation of corporate policy or the supervision of subordinate employees in a managerial capacity." (Emphasis added.) In other words, an officer under 720 ILCS 5/33E-3 is someone who has authority to set corporate policy or supervises employees who are themselves officially responsible for managing others. Illinois case law, the applicable legislative history, and common law generally, as articulated in Black's Law Dictionary, all strongly indicate that the question as to whether one qualifies as an officer of a corporation is not determined by merely identifying the employee's corporate title, but rather requires a significantly more in-depth factual inquiry as to the employee's actual job responsibilities.

Between 1998 and 2002, Mr. Campbell held various positions and titles at Bank of America, N.A. and its associated broker dealer, including Capital Markets Sales officer, Senior Securities/Product Salesperson, and Principal. (While Mr. Campbell pled guilty to an information that identified him as a Senior Vice President, the Bank's Human Resources records do not reflect Mr. Campbell having had that title.) Mr. Campbell was not a director of the Bank. Mr. Campbell was a member of a small marketing desk. Between 1998 and 2002, that marketing desk was a tiny portion of the overall Bank – the desk had no more than 11 members during that period and Mr. Campbell's supervisor was at least 5 to 6 levels below the Bank's CEO at all times. There were between approximately one to four employees on that desk who were junior to Mr. Campbell. Mr. Campbell did not, nor did he have the authority to, set corporate policy. Additionally, Mr. Campbell did not supervise anyone, let alone employees who were themselves officially responsible for managing others. Hence, Mr. Campbell is neither an officer nor a high managerial agent under 720 ILCS 5/33E-3. Finally, the fact that, as described above, the Bank self-reported the conduct for which Mr. Campbell pled guilty to government regulators demonstrates that the Bank, as an institution, did not authorize or condone the underlying conduct.

The Bank is not ineligible under Section 1-23-020 of the Municipal Code of Chicago because neither the Bank (or any controlling person of the Bank) nor any entity into which the Bank has merged has, within the past 5 years, been convicted of, admitted guilt to in any civil or criminal proceeding, or been charged with or indicted for any felony or criminal offense for conduct outlined in Section 1-23-020(a).

As a threshold matter, the information charging Mr. Campbell does not identify any specific transactions involving the City of Chicago or of any sister agency. Thus, the Bank believes the crimes to which Mr. Campbell pled guilty were not "against the City of Chicago or of any sister agency" as required by Section 1-23-020(a)(2). But even if Section 1-23-020(a)(2) applied, no "controlling person" has been convicted of an applicable crime. While Mr. Campbell held various positions and titles at Bank of America, N.A. and its associated broker dealer, including Capital Markets Sales officer, Senior Securities/Product Salesperson, and Principal, he was not an officer, manager, managing member, partner, general partner or limited partner for the purposes of defining "controlling person" under Section 1-23-020. (While Mr. Campbell pled guilty to an information that identified him as a Senior Vice President, the Bank's Human Resources records do not reflect Mr. Campbell having had that

title.) Hence, for the reasons cited above, Mr. Campbell was not an officer within the meaning of Section 1-23-020 of the Municipal Code of Chicago.

Finally, the Bank believes that under Section 2-92-320 of the Municipal Code of Chicago, the rules promulgated pursuant to that section, and the facts described above, Mr. Campbell's conduct should not be imputed to the Bank.

Please note that our responses are on behalf of the disclosing party only and not on behalf of any contractors or retained parties disclosed in SECTION IV.

SECTION V(B)(6)

In response to question 6, Bank of America Corporation and its affiliates maintain strict policies and procedures to ensure compliance with applicable, local, state and federal law and regulations, including Chapter 2-156 of the Municipal Code. To the best of the individual signing this EDS, Bank of America Corporation and its affiliates are currently in compliance, and has policies and procedures in place to ensure continued compliance.

SECTION V(B)(7) AND (8)

Please see responses to SECTION VII(C).

SECTION V(B)(9)

In response to question 9, a branded hat valued at $7.95 was given to Mayor Rahm Emanuel for Chicago Marathon October 13, 2013.

E. CERTIFICATION REGARDING SLAVERY ERA BUSINESS

The Disclosing Party verifies that a) the Disclosing party has searched any and all records of the Disclosing Party and any and all predecessor entities for records of investments or profits from slavery, the slave industry, or slaveholder insurance policies, and (b) the Disclosing party has found no records of investments or profits from slavery, the slave industry, or slaveholder insurance policies and no records of any slave or slaveholders.

SECTION VII – Acknowledgments, Contract Incorporation, Compliance, Penalties, Disclosure

Bank of America Corporation and its subsidiaries, which include Bank of America N.A., had approximately 252,487 full-time employees as of September 30, 2013. Accordingly, it is not possible for the Bank to perform due diligence across the full panoply of associates and Bank-related entities in preparing the Bank's response. Additionally, the Bank is routinely involved in litigation in various state and federal courts. The Bank makes all disclosures required by its regulators, including all required disclosures In its Annual Reports on Form 10-K and Quarterly Reports on Form10-Q,which are updated in Reports on Form 8-K (the "Reports"), all of which are filed with the Securities and Exchange Commission. Those Reports include disclosures of investigations and other matters as required by federal law and are publicly available. The Bank cannot confirm or deny the existence of any other, non-public investigation conducted by any government investigator unless required to do so by law. Further, to the knowledge of the individual signing below and without

independent inquiry, there are no Officers, Directors, or key employees of Bank of America, N.A. who are also employed by the City. However, employees of the corporation and its affiliates are subject to a written Code of Ethics (which each employee, on an annual basis, is required to read and acknowledge in writing) that requires all employees to disclose any outside activities and relationships that may pose a conflict of interest with the Bank and its activities.

F.1.

Bank of America representatives and agents meet with representatives of the City on a monthly or other regular basis to identify outstanding amounts duly payable by the Bank to the City and settle them accordingly.

FAMILIAL RELATIONSHIPS WITH ELECTED OFFICIAL AND DEPARTMENT HEADS

Please note that the Disclosing Party is a subsidiary of Bank of America Corporation ("BAC"). BAC and its subsidiaries had 252,487 full-time employees as of September 30, 2013. Accordingly, it is not possible for BAC to perform due diligence across the full panoply of associates and BAC-related entities in preparing a response regarding business relationships with City of Chicago elected officials. In responding to this question, the Disclosing Party did perform due diligence within the coverage team in Public Sector Banking and Markets Group of Bank of America to determine whether any such employees were aware of business relationships between City elected officials and the Disclosing Party within the past 12 months. Additionally, employees of Bank of America Corporation and its subsidiaries, including employees who work in the City of Chicago, are subject to a written Code of Ethics (which each employee, on an annual basis, is required to read and acknowledge in writing) that requires all employees to disclose any outside activities and relationships that may pose a conflict of interest with Bank of America Corporation and its subsidiaries, and its activities.

SECTION 1. The above recitals are expressly incorporated in and made a part of this ordinance as though fully set forth herein.

SECTION 2. The sale of the Property to the Developer in the amount of One and 00/100 Dollar ($1.00) is hereby approved. This approval is expressly conditioned upon the City entering into the Redevelopment Agreement with the Developer which is substantially attached hereto as Exhibit B. The Commissioner of DPD (the "Commissioner") or a designee of the Commissioner is each hereby authorized, with the approval of the City's Corporation Counsel as to form and legality, to negotiate, execute and deliver the Redevelopment Agreement, and such other supporting documents as may be necessary or appropriate to carry out and comply with the provisions of the Redevelopment Agreement, with such changes, deletions and insertions as shall be approved by the persons executing the Redevelopment Agreement.

SECTION 3. The Mayor or his proxy is authorized to execute, and the City Clerk is authorized to attest, a quitclaim deed conveying the Property to the Developer, or to a land trust of which the Developer is the sole beneficiary, or to a business entity of which the Developer is the sole controlling party or which is comprised of the same principal parties, subject to those covenants, conditions and restrictions set forth in the Redevelopment Agreement entered into between the City and the Developer in connection with the Project.

SECTION 4. The City hereby approves the conveyance of the Property as a donation to the Developer from the City under the Donation Tax Credit Program in connection with the Project. The Commissioner or a designee of the Commissioner (the "Authorized Officer") is hereby authorized to transfer the tax credits allocated to the City, if any, under the Donation Tax Credit Program in connection with the conveyance of the Property to an entity satisfactory to the Authorized Officer on such terms and conditions as are satisfactory to the Authorized Officer (the "Transfer"). The proceeds, if any, received by the City in connection with the Transfer are hereby appropriated, and the Authorized Officer is hereby authorized to use such proceeds, to make a grant to the Developer or to another entity affiliated with the Developer, in his or her sole discretion, for use in connection with the Project (the "Grant"). The Authorized Officer is hereby authorized, subject to approval by the Corporation Counsel, to enter into and execute such agreements and instruments, and perform any and all acts as shall be necessary or advisable in connection with the implementation of the Transfer and the Grant. Upon the execution and receipt of proper documentation, the Authorized Officer is hereby authorized to disburse the proceeds of the Grant to the Developer or another entity affiliated with the Developer, as applicable.

SECTION 5. To the extent that any ordinance, resolution, rule, order or provision of the Municipal Code of Chicago, or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall control. If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this ordinance.

SECTION 6. This ordinance shall be effective as of the date of its passage and approval.

RECITALS

WHEREAS, the Developer desires to purchase from the City the real property located at 1746 North Francisco Avenue, 1917 North Keystone Avenue, 1941 North Karlov Avenue, and 2415 North Harding Avenue, Chicago, Illinois, which are legally described on Exhibit A attached hereto (the "Property"); and

WHEREAS, the Developer intends to use the Property to develop eight (8) affordable rental housing units ("the Affordable Units") to serve households earning from 20% to 60% of the Area Median Income, four (4) of such units being full accessible for people with disabilities, as more fully described on Exhibit B attached hereto (the "Project"); and

WHEREAS, the City Council, pursuant to an ordinance adopted on _____, 2014 (the "RDA Ordinance Date"), and published at pages _____ through _____ in the Journal of such date, authorized the sale of the Property to the Developer, subject to the execution, delivery and recording of this Agreement; and

WHEREAS, the City will transfer the Property to Developer in an effort to generate affordable housing tax credits (the "Donation Tax Credits") under Section 3805/7.28 of the Illinois Housing Development Act, 20 ILCS 3805/1 *et seq.*, and under the implementing regulations set forth in title 47, Part 355 of the Illinois Administrative Code, 47 Ill. Adm. Code 355.101 *et seq.*; and

WHEREAS, the Developer and the City acknowledge that the implementation of the policies and provisions described in this Agreement will be of benefit to the Developer and the City.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

SECTION 1. INCORPORATION OF RECITALS.

The recitals set forth above constitute an integral part of this Agreement and are incorporated herein by this reference with the same force and effect as if set forth herein as agreements of the parties.

SECTION 2. PURCHASE PRICE.

The City hereby agrees to sell, and the Developer hereby agrees to purchase, upon and subject to the terms and conditions of this Agreement, the Property, for the sum of One Dollar ($1.00) ("Purchase Price"), which will be paid by the Developer to the City at the Closing (as defined in Section 4) in cash or by certified or cashier's check. Except as specifically provided herein to the contrary, the Developer shall pay all escrow fees and other title insurance fees and closing costs. The Developer acknowledges that the Purchase Price is approximately Three Hundred Fifty-Four Thousand Four Hundred Thirty-Nine Dollars ($354,439) less than the appraised fair market value of the Property (i.e., $354,340) and that the City has only agreed to sell the Property to the Developer for the Purchase Price because the Developer has agreed to execute this Agreement and comply with its terms and conditions, including, without limitation, Sections 14 (Restrictions on Use).

SECTION 3. EARNEST MONEY AND PERFORMANCE DEPOSIT.

3.1 Earnest Money and Performance Deposit. There shall be no Earnest Money or Performance Deposit due under this Agreement.

3.2 Interest. [Intentionally omitted.]

SECTION 4. CLOSING.

The closing of the transaction contemplated by this Agreement (the "Closing") shall take place at the downtown Chicago offices of a title company selected by the Developer (the "Title Company"), on a date that is within thirty (30) days after the Developer has satisfied all conditions precedent set forth in Section 9, unless DPD, in its sole discretion, waives one or more such conditions, or on such other date as the parties mutually agree upon in writing (the "Closing Date"); provided, however, in no event shall the Closing occur any later than December 31, 2014 (the "Original Outside Closing Date"), unless DPD, in its sole discretion, extends the Outside Closing Date (such extended date, the "Extended Outside Closing Date"). On or before the Closing Date, the Original Outside Closing Date or the Extended Outside Closing Date, as applicable, the City shall deliver to the Title Company the Deed, all necessary state, county and municipal real estate transfer tax declarations, and an ALTA statement.

SECTION 5. CONVEYANCE OF TITLE.

5.1 Form of Deed. Without limiting the generality of the quitclaim nature of the deed, the City shall convey the Property to the Developer by quitclaim deed ("Deed"), subject to the terms of this Agreement and the following (collectively, the "Permitted Exceptions"):

(a) the standard exceptions in an ALTA title insurance policy;

(b) general real estate taxes and any special assessments or other taxes;

(c) all easements, encroachments, covenants and restrictions of record and not shown of record;

(d) such other title defects that may exist; and

(e) any and all exceptions caused by the acts of the Developer or its agents.

5.2 Recording Costs. The Developer shall pay to record the Deed, this Agreement, and any other documents incident to the conveyance of the Property to the Developer with the Cook County Recorder of Deeds.

SECTION 6. TITLE AND SURVEY.

6.1 Not less than thirty (30) days before the anticipated Closing Date, the Developer shall obtain a commitment for an owner's policy of title insurance for the Property, issued by the Title Company ("Title Commitment") The Developer shall be solely responsible for and shall pay all costs associated with updating the Title Commitment (including all search, continuation and later-date fees), and obtaining any title insurance, extended coverage or other endorsements it deems necessary. The Developer shall also be solely responsible for and shall pay all costs associated with obtaining any survey it deems necessary. The City agrees to provide the Title Company with a completed ALTA owner's statement, and other transfer documents typically required by the Title Company and typically provided by the City (but expressly excluding, however, "gap" undertakings, title indemnities and similar liabilities) at or prior to the Closing. At the Closing, the Developer shall deliver to the City a copy of the owner's policy of title insurance that it obtains with respect to the Property.

6.2 The City shall use reasonable efforts to obtain the waiver or release of any delinquent real estate taxes or tax liens on the Property prior to the Closing Date, to the extent such taxes or tax liens can be waived or released through submission of an abatement letter to the Cook County Treasurer, a motion to vacate a tax sale or a petition for exemption. In addition, the City shall use reasonable efforts to obtain the release of any judgment liens on the Property prior to the Closing Date. If the City is unable to obtain the waiver or release of any such tax liens or is unable to cause the Title Company to insure over such tax liens, or is unable to obtain the release of such judgment liens, or if the Property is encumbered with any other unpermitted exceptions or exceptions that would adversely affect the use and insurability of the Property for the development of the Project, the Developer shall have the option to do one of the following: (a) accept title to the Property subject to the unpermitted exceptions, which shall then become Permitted Exceptions, without reduction in the Purchase Price; or (b) terminate this Agreement by delivery of written notice to the City at least fourteen (14) days prior to the Closing Date, in which event, this Agreement shall be null and void and, except as otherwise specifically provided herein, neither party shall have any further right, duty or obligation hereunder.

SECTION 7. BUILDING PERMITS AND OTHER GOVERNMENTAL APPROVALS.

The Developer shall apply for all applicable building permits and other required permits and approvals for the construction of the Project (collectively, "Governmental Approvals") no later than fourteen (14) days after the RDA Ordinance Date, unless DPD, in its reasonable discretion, extends in writing such application date. Developer agrees to pursue such Governmental Approvals in good faith and with all due diligence.

SECTION 8. PROJECT BUDGET AND PROOF OF FINANCING.

The total budget for the Project is currently estimated to be Two Million Seven Hundred Eighty-Six Thousand Three Hundred Seventy and No/100 ($2,786,370) (the "Preliminary Project Budget"). Not less than fourteen (14) days prior to the Closing Date, the Developer shall submit to DPD for approval a final Project budget which is materially consistent with the Preliminary Project Budget (the "Final Budget") and evidence of funds adequate to finance the purchase of the Property and the construction of the Project ("Proof of Financing"). If DPD does not respond to Developer's request within ten (10) business days then the Final Budget will be deemed approved. The Proof of Financing shall include binding commitment letters from the Developer's lenders, if any, and evidence of the Developer's ability to make an equity contribution in the amount necessary to fill the gap between the Final Budget and any approved financing.

SECTION 9. CONDITIONS TO THE CITY'S OBLIGATION TO CLOSE.

The obligations of the City under this Agreement are contingent upon each of the following being satisfied at least fourteen (14) days prior to the Closing Date, or on such other date as may be specified below, unless waived by DPD:

9.1 Final Governmental Approvals. The Developer shall have delivered to the City evidence of its application for all applicable building permits and other final governmental approvals necessary to construct the Project. After the Closing Date, the Developer shall provide DPD with copies of the actual permits issued and, in any event, shall obtain all requisite permits prior to commencing construction of the Project.

9.2 Budget and Proof of Financing. The City shall have approved the Developer's Final Budget and Proof of Financing (or failed to answer in writing within the time period and approval is deemed given under Section 8 hereof).

9.3 Simultaneous Loan Closing. On the Closing Date, the Developer shall simultaneously close or draw down on any acquisition financing approved pursuant to this Agreement and be in a position to commence construction of the Project within ten (10) days.

9.4 Insurance. The Developer shall have delivered to the City evidence of insurance as follows: (a) commercial general liability insurance with a combined single limit of not less than $1,000,000.00 per occurrence for bodily injury, personal injury and property damage liability with the City named as an additional insured; (b) automobile liability insurance with limits of not less than $1,000,000.00 per occurrence, combined single limit for bodily injury and property damage; (c) worker's compensation and occupational disease insurance in statutory amounts covering all employees and agents who are to do any work on the Property; and (d) builder's risk or property insurance. All insurance policies shall be from insurance companies

authorized to do business in the State of Illinois, and shall remain in effect until completion of all activity on the Property. The Developer shall deliver duplicate policies or certificates of insurance to the City prior to commencing any activity on the Property. The Developer expressly understands and agrees that any coverage and limits furnished by the Developer shall in no way limit the Developer's liabilities and responsibilities (including indemnification) set forth in this Agreement. With respect to property insurance, the City will accept an ACORD 28 form. With respect to liability insurance, the City will accept an ACORD 25 form, together with a copy of the endorsement that is added to the Developer's policy showing the City as an additional insured. Upon request, the Developer shall provide a copy of the declaration page for each policy listed on the ACORD 25 and ACORD 28 forms.

The City acknowledges that Developer's lenders and investors also will be designated as loss payees, and that the City's status as loss payee will be subordinate to such lenders and investors. The City will follow the written directions of loss payees with priority relating to the disposition and use of any insurance proceeds that the City may jointly share with such prior loss payees as a result of their collective status as loss payees.

9.5 Legal Opinion. The Developer shall, at the City's request, deliver to the City a legal opinion in a form and substance reasonably acceptable to the City's Corporation Counsel. The form of such legal opinion is attached hereto as Exhibit D.

9.6 Due Diligence. The Developer shall have delivered to the City due diligence searches in its name, showing no unacceptable liens, litigation, judgments or filings, as reasonably determined by the City's Corporation Counsel:

(a) Bankruptcy Search, U. S. Bankruptcy Court for the N.D. Illinois;
(b) Pending Suits and Judgments, U. S. District Court for the N.D. Illinois;
(c) Federal Tax Lien Search, Illinois Secretary of State;
(d) UCC Search, Illinois Secretary of State;
(e) UCC Search, Cook County Recorder;
(f) Federal Tax Lien Search, Cook County Recorder;
(g) State Tax Lien Search, Cook County Recorder;
(h) Memoranda of Judgments Search, Cook County; and
(i) Pending Suits and Judgments, Circuit Court of Cook County.

9.7 Subordination Agreement. On the Closing Date, and prior to recording any mortgage approved pursuant to Section 9.2, the Developer shall, at the City's request, deliver to the City a subordination agreement in which the construction lender agrees to subordinate the lien of its mortgage to the covenants running with the land pursuant to Section 18 of this Agreement, or such other subordination assurance as the Corporation Counsel shall deem acceptable (each such agreement, a "Subordination Agreement"). The form of the Subordination Agreement is attached hereto as Exhibit E. The provisions of this Section 9.7 shall not apply to any mortgage made by the Illinois Housing Development Authority ("IHDA").

9.8 MBE/WBE and City Residency Hiring Compliance Plan. The Developer and the Developer's general contractor and all major subcontractors shall meet with staff from DPD regarding compliance with the MBE/WBE, city residency hiring, prevailing wage and other requirements set forth in Section 23, and at least seven (7) days prior to the Closing Date, the City shall have approved the Developer's compliance plan in accordance with Section 23.4.

9.9 Representations and Warranties. On the Closing Date, each of the representations and warranties of the Developer in this Agreement shall be true and correct.

9.10 Organization and Authority Documents. The Developer shall have delivered to the Corporation Counsel the Developer's articles of organization, including all amendments thereto, as furnished and certified by the Illinois Secretary of State; the Developer's operating agreement, as certified by the secretary of the Developer; resolutions authorizing the Developer to execute and deliver this Agreement and any other documents required to complete the transaction contemplated by this Agreement and to perform its obligations under this Agreement; a certificate of good standing from the Illinois Secretary of State dated no more than thirty (30) days prior to the Closing Date; and such other corporate authority and organizational documents as the City may reasonably request.

9.11 Reconveyance Deed. Prior to the conveyance of the Property to the Developer, the Developer shall deliver to the City a special warranty deed for the Property in recordable form naming the City as grantee ("Reconveyance Deed"), for possible recording in accordance with Section 19.6 below, if applicable.

9.12 Economic Disclosure Statement. The Developer has provided to the Corporation Counsel an Economic Disclosure Statement, in the City's then current form, dated as of the Closing Date.

9.13 Other Obligations. On the Closing Date, the Developer shall have performed all of the other obligations required to be performed by the Developer under this Agreement as and when required under this Agreement. If any of the conditions in this Section 9 have not been satisfied to the City's reasonable satisfaction within the time periods provided for herein, or waived by DPD in writing, the City may, at its option, terminate this Agreement by delivery of written notice to the Developer at any time after the expiration of the applicable time period, in which event, this Agreement shall be null and void and, except as otherwise specifically provided herein, neither party shall have any further right, duty or obligation hereunder. Any forbearance by the City in exercising its right to terminate this Agreement upon a default hereunder shall not be construed as a waiver of such right.

SECTION 10. CONSTRUCTION REQUIREMENTS.

10.1 Site Plans and Rental Space. The Developer shall construct the Project on the Property in accordance with the final design development drawings and specifications prepared by Landon Bone Baker Architects, 734 N. Milwaukee Avenue, Chicago, Illinois 60642, which have been approved by DPD and the index of which plans and the table of contents for the accompanying specifications are attached hereto as Exhibit C ("Working Drawings and Specifications"). If DPD does not respond to Developer's request within fifteen (15) business days then the Final Budget will be deemed approved. No material deviation from the Working Drawings and Specifications may be made without the prior written approval of DPD. If the Developer submits and DPD approves revised design development drawings and specifications after the date of this Agreement, the term "Working Drawings and Specifications" as used herein shall refer to the revised design development drawings and specifications upon DPD's written approval of the same.

10.2 Relocation of Utilities, Curb Cuts and Driveways. The Developer shall be solely responsible for and shall pay all costs associated with: (a) the relocation, installation or

construction of public or private utilities, curb cuts and driveways; (b) the repair or reconstruction of any curbs, vaults, sidewalks or parkways required in connection with or damaged as a result of the Developer's construction of the Project; (c) the removal of existing pipes, utility equipment or building foundations; and (d) the termination of existing water or other services. The City shall have the right to approve any streetscaping provided by the Developer as part of the Project, including, without limitation, any paving of sidewalks, landscaping and lighting.

10.3 Barricades and Signs. Promptly after the execution of this Agreement, the Developer shall, at its sole cost and expense, erect and maintain such signs as the City may reasonably require identifying the Property as a City redevelopment project. Prior to the commencement of any construction activity requiring barricades, the Developer shall install barricades of a type and appearance satisfactory to the City and constructed in compliance with all applicable federal, state and local statutes, laws, ordinances, codes, rules, regulations, orders and judgments, including, without limitation, Sections 7-28 and 11-4 of the Municipal Code of Chicago relating to waste disposal (collectively, "Laws"). DPD shall have the right to approve the maintenance, appearance, color scheme, painting, nature, type, content and design of all barricades and all signage, which approval shall not be unreasonably withheld, conditioned or delayed. The Developer shall erect all signs and barricades so as not to interfere with or affect any bus stop or train station in the vicinity of the Property.

10.4 Survival. The provisions of this Section 10 shall survive the Closing.

SECTION 11. LIMITED APPLICABILITY.

Any approval given by DPD pursuant to this Agreement is for the purpose of this Agreement only and does not constitute the approval required by the City's Department of Buildings or any other City department, nor does such DPD approval constitute an approval of the quality, structural soundness or safety of any improvements located or to be located on the Property, or the compliance of said improvements with any Laws, private covenants, restrictions of record, or any agreement affecting the Property or any part thereof.

SECTION 12. COMMENCEMENT AND COMPLETION OF PROJECT.

Subject to the receipt of all applicable Governmental Approvals, the Developer shall commence construction of the Project no later than ten (10) days after the Closing Date, the Original Closing Date or the Extended Outside Closing Date, as applicable, and shall complete the Project (as reasonably evidenced by the issuance of the Certificate of Completion) no later than June 30, 2016 or as otherwise extended pursuant to the terms hereof. The Commissioner shall have discretion to extend any of the construction commencement and completion dates for good cause shown by issuing a written extension letter. The Developer shall give written notice to the City within five (5) days after it commences construction of the Project. The Developer shall construct the Project in accordance with the Working Drawings and Specifications, and all Laws and covenants and restrictions of record.

SECTION 13. CERTIFICATE OF COMPLETION.

Upon the completion of the Project in accordance with this Agreement, the Developer shall request from the City a certificate of completion ("Certificate of Completion"). Within forty-five (45) days after receipt of a written request by the Developer for a Certificate of Completion, the City shall provide the Developer with either the Certificate of Completion or a written statement indicating in adequate detail how the Developer has failed to complete the Project in

compliance with this Agreement, or is otherwise in default, and what measures or acts are necessary, in the sole opinion of the City, for the Developer to take or perform in order to obtain the Certificate of Completion. If the City requires additional measures or acts to assure compliance, the Developer shall resubmit a written request for the Certificate of Completion upon compliance with the City's response, and the City will respond within forty-five (45) days in the same way as the procedure in the initial request. Such process may repeat until the City issues a Certificate of Completion. The Certificate of Completion shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of the covenants in this Agreement and the Deed with respect to the Developer's obligations to construct the Project. The Certificate of Completion shall not, however, constitute evidence that the Developer has complied with any Laws relating to the construction of the Project, and shall not serve as any "guaranty" as to the quality of the construction.

SECTION 14. RESTRICTIONS ON USE.

14.1 The Developer agrees that it shall devote the Property solely to the Project.

14.2 The Developer agrees that it shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the use or occupancy of the Property or any part thereof or the Project or any part thereof.

14.3 The Developer agrees and covenants that, prior to any foreclosure (or acceptance of deed in lieu of foreclosure) of the Property by a lender, the provisions of that certain Regulatory Agreement executed by and between the Developer and IHDA as of the date hereof in connection with the allocation by IHDA of the Donation Tax Credits to the Project shall govern the affordability requirements in connection with the Affordable Units.

SECTION 15. PROHIBITION AGAINST SALE OR TRANSFER OF PROPERTY OR CERTAIN CHANGES IN CORPORATE STRUCTURE.

15.1 Prior to the issuance of the Certificate of Completion for the Project, as provided herein, the Developer may not, without the prior written consent of DPD, which consent shall be in DPD's sole discretion: (a) directly or indirectly sell, transfer or otherwise dispose of the Property or any part thereof or any interest therein or the Developer's controlling interests therein (including without limitation, a transfer by assignment of any beneficial interest under a land trust) except (i) transfers by foreclosure or deed in lieu of foreclosure or UCC sale of PNC Bank ("PNC") or the IHDA's security interests in the Property or the ownership interests in the Developer granted as security for the loans made by PNC and IHDA, if such transferee or assignee is not prohibited from doing business with the City and has provided to the City such disclosures as DPD may reasonably require; and (ii) the Developer may lease the Affordable Units in the ordinary course of business; or (b) directly or indirectly assign this Agreement. The transfer of the interests of Developer's investor member ("Investor Member") or special investor member ("Special Investor Member") in the Developer shall not require the prior consent of the City and shall not constitute an Event of Default under this Agreement. With respect to any proposed sale, transfer or disposition, the Developer shall provide the City copies of any and all sales contracts, legal descriptions, descriptions of intended use of the parcels to be sold, proposed use of Property and other documentation as the City may reasonably require. The Developer acknowledges and agrees that DPD may withhold its consent under (a) or (b) above if, among other reasons, the proposed purchaser, transferee or assignee (or such entity's principal officers or directors) is in violation of any Laws, or if the Developer fails to submit

sufficient evidence of the financial responsibility, business background and reputation of the proposed purchaser, transferee or assignee. If the Developer is a business entity, no principal party of the Developer (e.g., a general partner, member, manager or shareholder) may sell, transfer or assign any of its interest in the entity prior to the issuance of the Certificate of Completion to anyone other than another principal party or an affiliate of such principal party, without the prior written consent of DPD, which consent shall be in DPD's sole discretion. The Developer must disclose the identity of all investor members to the City at the time such investor members obtain an interest in the Developer. The provisions of this Section 15 shall not prohibit the Developer from transferring or conveying the Property to an Illinois land trust of which the Developer is the sole beneficiary.

15.2 Prior the issuance of the Certificate of Completion, the Developer shall not, without the City's prior written consent, which shall be in the City's sole discretion: (i) merge, liquidate or consolidate, (ii) permit the direct or indirect transfer any ownership interests in the Developer, (iii) enter into any transaction outside the ordinary course of business, (iv) assume or guarantee the obligations of any other person or entity, or (v) enter into a transaction that, in the City's sole determination, would cause a material and detrimental change to the Developer's condition. Notwithstanding the foregoing, (i) the transfer of the interests of the Investor Member" or Special Investor Member in the Developer shall not require the prior consent of the City, and (ii) the withdrawal, removal, replacement, and/or addition of a managing member of the Developer pursuant to the terms of the Amended and Restated Operating Agreement of the Developer, shall not require the consent of the City, provided that any required substitute managing member is reasonably acceptable to the City and is selected with reasonable promptness.

SECTION 16. LIMITATION UPON ENCUMBRANCE OF PROPERTY.

Prior to the issuance of the Certificate of Completion, the Developer shall not, without DPD's prior written consent, which shall be in DPD's sole discretion, engage in any financing or other transaction which would create an encumbrance or lien on the Property, except for (i) any mortgage approved pursuant to Section 9.2, (ii) transactions that could result in a mechanic's lien being recorded against the Property and (iii) any encumbrances set forth in Schedule B of the owner's title insurance policy issued by the Title Company as of the date hereof.

SECTION 17. MORTGAGEES NOT OBLIGATED TO CONSTRUCT.

Notwithstanding any other provision of this Agreement or of the Deed, the holder of any mortgage authorized by this Agreement (or any affiliate of such holder or any other permitted successor by foreclosure or deed in lieu of foreclosure) shall not itself be obligated to construct or complete the Project, or to guarantee such construction or completion, but shall be bound by the other covenants running with the land specified in Section 18 and shall, prior to recording any mortgage approved pursuant to Section 9.2, execute and record a Subordination Agreement (as defined in Section 9.7). If any such mortgagee or its affiliate succeeds to the Developer's interest in the Property prior to the issuance of the Certificate of Completion, whether by foreclosure, deed-in-lieu of foreclosure or otherwise, and thereafter transfers its interest in the Property to another party, such transferee shall be obligated to complete the Project, and shall also be bound by the other covenants running with the land specified in Section 18, however, the Project completion date set forth in Section 12 shall be reasonably adjusted by the City to take into account the foreclosure process.

SECTION 18. COVENANTS RUNNING WITH THE LAND.

The parties agree, and the Deed shall so expressly provide, that the covenants provided in Section 12 (Commencement and Completion of Project), Section 14 (Restrictions on Use), Section 15 (Prohibition Against Sale or Transfer of Property), Section 16 (Limitation Upon Encumbrance of Property) and Section 22.3 (Environmental Conditions) will be covenants running with the land, binding on the Developer and its successors and assigns (subject to the limitation set forth in Section 17 above as to any permitted mortgagee) to the fullest extent permitted by law and equity for the benefit and in favor of the City, and shall be enforceable by the City. The covenants provided in Section 12, Section 15 and Section 16 shall terminate upon the issuance of the Certificate of Completion. The covenants contained in Section 14.1 shall remain in effect for so long as the Developer remains in title to the Property; provided, however, such covenants shall not terminate prior to the issuance of the Certificate of Completion. The covenants contained in Section 14.2 and Section 14.3 shall remain in effect without limitation as to time.

SECTION 19. PERFORMANCE AND BREACH.

19.1 Time of the Essence. Time is of the essence in the Developer's performance of its obligations under this Agreement.

19.2 Permitted Delays. The Developer shall not be considered in breach of its obligations under this Agreement in the event of a delay due to unforeseeable causes beyond the Developer's control and without the Developer's fault or negligence, including, without limitation, acts of God, acts of the public enemy, acts of the United States government, fires, floods, epidemics, quarantine restrictions, strikes, embargoes and unusually severe weather or delays of subcontractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the Developer, as applicable, within sixty (60) days after the beginning of any such delay, submits to the Commissioner a written request for an extension.

19.3 Cure. If the Developer defaults in the performance of its obligations under this Agreement, the Developer shall have sixty (60) days after written notice of default from the City to cure the default, or such longer period as shall be reasonably necessary to cure such default provided the Developer promptly commences such cure and thereafter diligently pursues such cure to completion (so long as continuation of the default does not create material risk to the Project or to persons using the Project). Notwithstanding the foregoing, no notice or cure period shall apply to defaults under Section 19.4(c), (e) and (g); provided, however, that prior to exercising any remedies after a default under Section 19.4(c), (e), or (g) occurs, the City agrees to provide lenders and the Investor Member notice of such default

19.4 Event of Default. The occurrence of any one or more of the following shall constitute an "Event of Default" under this Agreement:

(a) The Developer makes or furnishes a warranty, representation, statement or certification to the City (whether in this Agreement, an Economic Disclosure Statement and Affidavit, or another document) that is not true and correct.

(b) A petition is filed by or against the Developer under the Federal Bankruptcy Code or any similar state or federal law, whether now or hereafter existing, which is not vacated, stayed or set aside within thirty (30) days after filing.

(c) The Developer fails to complete the Project in accordance with the time line outlined in Section 12 above, unless DPD, in its sole discretion, extends the timeline or the Developer abandons or substantially suspends construction of the Project for a period of a 120 consecutive days.

(d) The Developer fails to timely pay real estate taxes or assessments affecting the Property or any part thereof when due, or places thereon any encumbrance or lien unauthorized by this Agreement, or suffers or permits any levy or attachment, mechanic's, laborer's, material supplier's, or any other lien or encumbrance unauthorized by this Agreement to attach to the Property unless bonded or insured over.

(e) Except as otherwise permitted pursuant to Section 15, the Developer makes an assignment, pledge, unpermitted financing, encumbrance, transfer or other disposition in violation of this Agreement.

(f) There is a material and adverse change in the Developer's financial condition or operations, which change, in the City's reasonable opinion, affects the ability of the Developer to meet its obligations under this Agreement.

(g) The Developer fails to close by the Outside Closing Date, unless DPD, in its sole discretion, extends the Outside Closing Date.

(h) The Developer fails to perform, keep or observe any of the other covenants, conditions, promises, agreements or obligations under this Agreement or any other written agreement entered into with the City with respect to the Project and such failure continues beyond the expiration of any applicable cure periods.

In the event that an Event of Default occurs under this Agreement, and if, as a result thereof, the City intends to exercise any right or remedy available to it that could result in the termination of this Agreement and re-vesting the Property in the City, the City shall send notice of such intended exercise to the parties identified in Section 25 and such Developer's lenders and the investor member(s) in Developer shall have the right (but not the obligation) to cure such an Event of Default within thirty (30) days after the expiration of the cure period, if any, granted to the Developer. If the default is not capable of being cured within the thirty (30) day period, then provided Developer's lenders and the investor member(s) in Developer have commenced to cure the default and is diligently proceeding to cure the default within the thirty day period, and thereafter diligently prosecutes such cure through to completion, and funding for the Project continues unabated, then the thirty day period shall be extended for the length of time that is reasonably necessary to cure the default. If the default is not cured in the time period provided for herein, the City may institute such proceedings at law or in equity as may be necessary or desirable to cure and remedy the default, including but not limited to, proceedings to compel specific performance. The City agrees to accept lenders' and/or the Investor Member's cure of any such default to the same extent as if it were performed by the Developer.

19.5 Prior to Closing. If an Event of Default occurs prior to the Closing, and the default is not cured in the time period provided for in Section 19.3 above, the City may terminate this Agreement, institute any action or proceeding at law or in equity against the Developer.

19.6 After Closing. If an Event of Default occurs after the Closing but prior to the issuance of the Certificate of Completion, and the default is not cured by the Developer in the

time period provided for in Section 19.3 above or by the lenders and/or Investor Member in the time period provided by Section 19.4 above, the Developer shall deliver to the City a special warranty deed for the Property in recordable form naming the City as grantee ("Reconveyance Deed"), and the City may terminate this Agreement, and exercise any and all remedies available to it at law or in equity, including, without limitation, the right to re-enter and take possession of the Property, terminate the estates conveyed to the Developer, and revest title to the Property in the City pursuant to the Reconveyance Deed (the "Right of Reverter"); provided, however, the City's Right of Reverter shall be limited by, and shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by this Agreement. Notwithstanding the foregoing, after the issuance of the Certificate of Completion, the City's Right of Reverter shall no longer be enforceable but the City shall be entitled to all other remedies, including, without limitation, specific enforcement of the covenants that run with the land that shall survive any termination and/or release of this Agreement, but excluding damages. If the Developer fails to tender to the City the Reconveyance Deed as provided in this Section 19.6, the City may record a notice of reversion and the Developer acknowledges and agrees that upon the recording of such notice of reversion title to the Property shall be deemed to have been conveyed to, and title shall revest in, the City. If the Reconveyance Deed or notice of reversion is recorded by the City, the Developer shall be responsible for all real estate taxes and assessments which accrued during the period the Property was owned by the Developer, and shall cause the release of all liens or encumbrances placed on the Property during the period of time the Property was owned by the Developer.

19.7 Resale of the Property. Upon the revesting in the City of title to the Property as provided in Section 19.6, the City may complete the Project or convey the Property, subject to all mortgage liens, to a qualified and financially responsible party reasonably acceptable to all mortgagees, who shall assume the obligation of completing the Project or such other improvements as shall be satisfactory to DPD, and otherwise comply with the covenants that run with the land as specified in Section 18.

19.8 Disposition of Resale Proceeds. If the City sells the Property as provided for in Section 19.7, the net proceeds from the sale, after payment of all amounts owed under any mortgage liens authorized by this Agreement in order of lien priority, shall be utilized to reimburse the City for:

(a) costs and expenses incurred by the City (including, without limitation, salaries of personnel) in connection with the recapture, management and resale of the Property (less any income derived by the City from the Property in connection with such management); and

(b) all unpaid taxes, assessments, and water and sewer charges assessed against the Property; and

(c) any payments made (including, without limitation, reasonable attorneys' fees and court costs) to discharge or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults or acts of the Developer; and

(d) any expenditures made or obligations incurred with respect to construction or maintenance of the Project; and

(e) any other amounts owed to the City by the Developer.

The Developer shall be entitled to receive any remaining proceeds up to the amount of the Developer's and/or the Investor Member's equity investment in the Property.

SECTION 20. CONFLICT OF INTEREST; CITY'S REPRESENTATIVES NOT INDIVIDUALLY LIABLE.

The Developer represents and warrants that no agent, official or employee of the City shall have any personal interest, direct or indirect, in the Developer, this Agreement, the Property or the Project, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any corporation, partnership, association or other entity in which he or she is directly or indirectly interested. No agent, official or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer or successor or with respect to any commitment or obligation of the City under the terms of this Agreement.

SECTION 21. INDEMNIFICATION.

Other than any Claims related to or arising from the City's negligence, intentional misconduct, or fraud the Developer agrees to indemnify, defend and hold the City harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs, collectively the "Claims") suffered or incurred by the City arising from or in connection with: (a) the failure of the Developer to perform its obligations under this Agreement; (b) the failure of the Developer or any contractor or other agent, entity or individual acting under the control or at the request of the Developer (collectively, "Agent") to pay contractors, subcontractors or material suppliers in connection with the construction and management of the Project; (c) any misrepresentation or omission made by the Developer or any Agent; (d) the failure of the Developer to redress any misrepresentations or omissions in this Agreement or any other agreement relating hereto; and (e) any activity undertaken by the Developer or any Agent on the Property prior to or after the Closing. This indemnification shall survive the Closing or any termination of this Agreement (regardless of the reason for such termination).

SECTION 22. INSPECTION; CONDITION OF PROPERTY AT CLOSING.

22.1 "As Is" Sale. THE CITY MAKES NO COVENANT, REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, OF ANY KIND, AS TO THE STRUCTURAL, PHYSICAL OR ENVIRONMENTAL CONDITION OF THE PROPERTY OR THE SUITABILITY OF THE PROPERTY FOR ANY PURPOSE WHATSOEVER, AND THE DEVELOPER AGREES TO ACCEPT THE PROPERTY IN ITS "AS IS", "WHERE IS" AND "WITH ALL FAULTS" CONDITION AND THE DEVELOPER AGREES TO ACCEPT THE PROPERTY IN SUCH CONDITION AND ON SUCH TERMS. THE DEVELOPER ACKNOWLEDGES THAT IT HAS HAD ADEQUATE OPPORTUNITY TO INSPECT AND EVALUATE THE STRUCTURAL, PHYSICAL AND ENVIRONMENTAL CONDITION AND RISKS OF THE PROPERTY AND ACCEPTS THE RISK THAT ANY INSPECTION MAY NOT DISCLOSE ALL MATERIAL MATTERS AFFECTING THE PROPERTY. THE DEVELOPER ACKNOWLEDGES THAT IT IS RELYING SOLELY UPON ITS OWN INSPECTION AND OTHER DUE DILIGENCE ACTIVITIES AND NOT UPON ANY INFORMATION (INCLUDING, WITHOUT LIMITATION, ENVIRONMENTAL STUDIES OR REPORTS OF ANY KIND) PROVIDED BY OR ON BEHALF

OF THE CITY OR ITS AGENTS OR EMPLOYEES WITH RESPECT THERETO. THE DEVELOPER EACH AGREE THAT IT IS THE DEVELOPER'S SOLE RESPONSIBILITY AND OBLIGATION TO PERFORM AT ITS EXPENSE THE ENVIRONMENTAL REMEDIATION WORK (AS HEREINAFTER DEFINED) AND TAKE SUCH OTHER ACTION AS IS NECESSARY TO PUT THE PROPERTY IN A CONDITION WHICH IS SUITABLE FOR ITS INTENDED USE. "Environmental Remediation Work" shall mean all investigation, sampling, monitoring, testing, removal (including, excavation, transportation and disposal), response, storage, remediation, treatment and other activities necessary for the performance of the Project, all in accordance with all requirements of the IEPA, and all applicable Laws, including, without limitation, all applicable Environmental Laws.

22.2 Right of Entry. Upon the Developer's request, the City shall grant the Developer the right, at its sole cost and expense, to enter the Property for a period of thirty (30) days (the "Inspection Period") pursuant to a Right of Entry Agreement in form and substance reasonably acceptable to the City to inspect the same, perform surveys, environmental assessments, soil, engineering studies and any other due diligence it deems necessary or desirable to satisfy itself, its lenders or investors as to the condition of the Property. If the Developer determines that it is not satisfied, in its sole discretion, with the condition of the Property, the Developer may terminate this Agreement by written notice to the City any time prior to the Closing Date.

22.3 Indemnity. The Developer hereby waives and releases, and indemnifies the City from and against, any claims and liabilities relating to or arising from the structural, physical or environmental condition of the Property, including, without limitation, claims arising under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended ("CERCLA"), and shall undertake and discharge all liabilities of the City arising from any structural, physical or environmental condition that existed on the Property prior to the Closing, including, without limitation, liabilities arising under CERCLA. The Developer hereby acknowledges that, in purchasing the Property, the Developer is relying solely upon its own inspection and other due diligence activities and not upon any information (including, without limitation, environmental studies or reports of any kind) provided by or on behalf of the City or its agents or employees with respect thereto. The Developer shall perform such studies and investigations, conduct such tests and surveys, and engage such specialists as the Developer deems appropriate to evaluate fairly the structural, physical and environmental condition and risks of the Property. If, after the Closing, the structural, physical and environmental condition of the Property is not in all respects entirely suitable for its intended use, it shall be the Developer's sole responsibility and obligation to take such action as is necessary to put the Property in a condition which is suitable for its intended use.

22.4 Releases Run with the Land. The covenant of release in Section 22.3 shall run with the Property, and shall be binding upon all successors and assigns of the Developer with respect to the Property, including, without limitation, each and every person, firm, corporation, limited liability company, trust or other entity owning, leasing, occupying, using or possessing any portion of the Property under or through the Developer following the date of the Deed. The Developer acknowledges and agrees that the foregoing covenant of release constitutes a material inducement to the City to enter into this Agreement, and that, but for such release, the City would not have agreed to convey the Property to the Developer. It is expressly agreed and understood by and between the Developer and the City that, should any future obligation of the Developer, arise or be alleged to arise in connection with any environmental, soil or other condition of the Property, the Developer will not assert that those obligations must be satisfied in whole or in part by the City because Section 22.5 contains a full, complete and final release of all such claims.

22.5 Survival. This Section 22 shall survive the Closing or any termination of this Agreement (regardless of the reason for such termination).

SECTION 23. DEVELOPER'S EMPLOYMENT OBLIGATIONS.

23.1 Employment Opportunity. The Developer agrees, and shall contractually obligate its various contractors, subcontractors and any affiliate of the Developer operating on the Property (collectively, the "Employers" and individually, an "Employer") to agree, that with respect to the provision of services in connection with the construction of the Project:

(a) The Developer and any Employer shall NOT discriminate against any employee or applicant for employment based upon race, religion, color, sex, gender identity, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010 et seq. of the Municipal Code of Chicago, as amended from time to time (the "Human Rights Ordinance"). The Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon the foregoing grounds, and are treated in a non-discriminatory manner with regard to all job-related matters, including, without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Developer and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Developer and each Employer, in all print solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon the foregoing grounds.

(b) To the greatest extent feasible, the Developer and each Employer shall present opportunities for training and employment of low and moderate income residents of the City, and provide that contracts for work in connection with the construction of the Project be awarded to business concerns which are located in or owned in substantial part by persons residing in, the City.

(c) The Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, without limitation, the Human Rights Ordinance, and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) The Developer, in order to demonstrate compliance with the terms of this Section 23.1, shall cooperate with and promptly and accurately respond to reasonable inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) The Developer and each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the

construction of the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 23.1 shall be a basis for the City to pursue remedies under the provisions of Section 19.

23.2 City Resident Employment Requirement.

(a) With respect to the Project, the Developer agrees, and shall contractually obligate each Employer to agree, that during the construction of the Project, the Developer and each Employer shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 2-92-330 of the Municipal Code of Chicago (at least fifty percent); provided, however, that in addition to complying with this percentage, the Developer and each Employer shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

(b) The Developer and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the chief procurement officer of the City of Chicago.

(c) "Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

(d) The Developer and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of the Project. The Developer and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

(e) The Developer and the Employers shall submit weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) to DPD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Developer or Employer hired the employee should be written in after the employee's name.

(f) The Developer and the Employers shall provide full access to their employment records to the chief procurement officer, DPD, the Superintendent of the Chicago Police Department, the inspector general, or any duly authorized representative thereof. The Developer and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years after the issuance of the Certificate of Completion.

(g) At the direction of DPD, the Developer and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

(h) Good faith efforts on the part of the Developer and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the chief procurement officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section 23.2 concerning the worker hours performed by actual Chicago residents.

(i) If the City determines that the Developer or an Employer failed to ensure the fulfillment of the requirements of this Section 23.2 concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section 23.2. If such non-compliance is not remedied in accordance with the breach and cure provisions of Section 19.3, the parties agree that 1/20 of 1 percent (.05%) of the aggregate hard construction costs set forth in the Final Budget shall be surrendered by the Developer and for the Employers to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer and/or the other Employers or employees to prosecution.

(j) Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement.

(k) The Developer shall cause or require the provisions of this Section 23.2 to be included in all construction contracts and subcontracts related to the construction of the Project.

23.3 Developer's MBE/WBE Commitment. With respect to the Project, the Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the general contractor to agree, that during the construction of the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 23.3, during the course of construction of the Project, at least 24% of the aggregate hard construction costs shall be expended for contract participation by minority-owned businesses and at least 4% of the aggregate hard

construction costs shall be expended for contract participation by women-owned businesses.

(b) For purposes of this Section 23.3 only:

(i) The Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(ii) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iii) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture, or (ii) the amount of any actual work performed on the Project by the MBE or WBE); by the Developer utilizing a MBE or a WBE as the general contractor (but only to the extent of any actual work performed on the Project by the general contractor); by subcontracting or causing the general contractor to subcontract a portion of the construction of the Project to one or more MBEs or WBEs; by the purchase of materials or services used in the construction of the Project from one or more MBEs or WBEs; or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 23.3. In accordance with Section 2-92-730, Municipal Code of Chicago, the Developer shall not substitute any MBE or WBE general contractor or subcontractor without the prior written approval of DPD.

(d) The Developer shall deliver quarterly reports to the City's monitoring staff during the construction of the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer or the general contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the construction of the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may

assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the construction of the Project for at least five (5) years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on prior notice of at least five (5) business days, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the construction of the Project.

(e) Upon the disqualification of any MBE or WBE general contractor or subcontractor, if the disqualified party misrepresented such status, the Developer shall be obligated to discharge or cause to be discharged the disqualified general contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(f) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 23.3 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

23.4 Pre-Construction Conference and Post-Closing Compliance Requirements. Prior to commencement of construction, the Developer and the Developer's general contractor and all major subcontractors shall meet with DPD monitoring staff regarding compliance with all Section 23 requirements. The City and Developer acknowledge that such meeting has occurred. During this pre-construction meeting, the Developer shall present its plan to achieve its obligations under this Section 23, the sufficiency of which the City's monitoring staff shall approve as a precondition to the Closing. During the construction of the Project, the Developer shall submit all documentation required by this Section 23 to the City's monitoring staff, including, without limitation, the following: (a) subcontractor's activity report; (b) contractor's certification concerning labor standards and prevailing wage requirements; (c) contractor letter of understanding; (d) monthly utilization report; (e) authorization for payroll agent; (f) certified payroll; (g) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (h) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 23, shall, upon the delivery of written notice to the Developer, lender and Investor Member be deemed an Event of Default. Notice and cure will be provided for any such Event of Default pursuant to Section 19.3 above. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (x) issue a written demand to the Developer to halt construction of the Project, (y) withhold any further payment of any City funds to the Developer or the general contractor, or (z) seek any other remedies against the Developer available at law or in equity.

SECTION 24. REPRESENTATIONS AND WARRANTIES.

24.1 Representations and Warranties of the Developer. To induce the City to execute this Agreement and perform its obligations hereunder, the Developer hereby represents and warrants to the City that as of the date of this Agreement and as of the Closing Date the following shall be true and correct in all respects:

(a) The Developer is a limited liability company duly organized under the laws of the State of Illinois and validly existing and in good standing under the laws of the State of Illinois with full power and authority to acquire, own and redevelop the Property, and that the person signing this Agreement on behalf of the Developer has the authority to do so.

(b) All certifications and statements contained in the Economic Disclosure Statement last submitted to the City by the Developer (and any legal entity holding an interest in the Developer) are true, accurate and complete.

(c) The Developer's execution, delivery and performance of this Agreement and all instruments and agreements contemplated hereby will not, upon the giving of notice or lapse of time, or both, result in a breach or violation of, or constitute a default under the Developer's operating agreement or any agreement to which the Developer, or any party affiliated with the Developer, is a party or by which the Developer or the Property is bound.

(d) To the best of the Developer's knowledge, no action, litigation, investigation or proceeding of any kind is pending or threatened against the Developer, or any party affiliated with the Developer, and the Developer knows of no facts which could give rise to any such action, litigation, investigation or proceeding, which could: (i) affect the ability of the Developer to perform its obligations hereunder; or (ii) materially affect the operation or financial condition of the Developer.

(e) To the best of the Developer's knowledge, the Project, if completed in accordance with the Plans, will not violate: (i) any Laws, including, without limitation, any zoning and building codes and environmental regulations; or (ii) any building permit, restriction of record or other agreement affecting the Property.

24.2 Representations and Warranties of the City. To induce the Developer to execute this Agreement and perform its obligations hereunder, the City hereby represents and warrants to the Developer that the City has authority under its home rule powers to execute and deliver this Agreement and perform the terms and obligations contained herein.

24.3 Survival of Representations and Warranties. Each of the parties agrees that all of its representations and warranties set forth in this Section 24 or elsewhere in this Agreement are true as of the date of this Agreement and will be true in all material respects at all times thereafter, except with respect to matters which have been disclosed in writing and approved by the other party.

The parties, by notice given hereunder, may designate any further or different addresses to which subsequent notices, demands or communications shall be given. The refusal to accept delivery by any party or the inability to deliver any communication because of a changed address of which no notice has been given in accordance with this Section 25 shall constitute delivery.

SECTION 26. BUSINESS RELATIONSHIPS.

The Developer acknowledges (a) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (b) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The the Developer hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

SECTION 27. PATRIOT ACT CERTIFICATION.

The Developer represents and warrants that neither the Developer nor any Affiliate (as defined below) thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. As used in this Section 27, an "Affiliate" shall be deemed to be a person or entity related to the Developer that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with the Developer, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

SECTION 28. PROHIBITION ON CERTAIN CONTRIBUTIONS - MAYORAL EXECUTIVE ORDER NO. 2011-4.

28.1 The Developer each agrees that the Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in the Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, the Developer's contractors (i.e., any person or entity in direct contractual privity with the Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (the Developer and all the other preceding

classes of persons and entities are together the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (a) after execution of this Agreement by the Developer, (b) while this Agreement or any Other Contract (as hereinafter defined) is executory, (c) during the term of this Agreement or any Other Contract, or (d) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

28.2 The Developer represents and warrants that from the later of (a) May 16, 2011, or (b) the date the City approached the Developer, or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

28.3 The Developer agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

28.4 The Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

28.5 Notwithstanding anything to the contrary contained herein, the Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this Section 28 or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Agreement, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

28.6 If the Developer intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the Closing, the City may elect to decline to close the transaction contemplated by this Agreement.

28.7 For purposes of this provision:

(a) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fundraising committee.

(b) "Other Contract" means any other agreement with the City to which the Developer is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

(c) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

(d) Individuals are "domestic partners" if they satisfy the following criteria:

(i) they are each other's sole domestic partner, responsible for each other's common welfare; and

(ii) neither party is married; and

(iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(iv) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

(v) two of the following four conditions exist for the partners:

(1) The partners have been residing together for at least 12 months.

(2) The partners have common or joint ownership of a residence.

(3) The partners have at least two of the following arrangements:

(A) joint ownership of a motor vehicle;
(B) joint credit account;
(C) a joint checking account;
(D) a lease for a residence identifying both domestic partners as tenants.

(4) Each partner identifies the other partner as a primary beneficiary in a will.

(e) "Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

SECTION 29. MISCELLANEOUS.

The following general provisions govern this Agreement:

29.1 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which, taken together, shall constitute a single, integrated instrument.

29.2 Cumulative Remedies. The remedies of any party hereunder are cumulative and the exercise of any one or more of such remedies shall not be construed as a waiver of any other remedy herein conferred upon such party or hereafter existing at law or in equity, unless specifically so provided herein.

29.3 Date for Performance. If the final date of any time period set forth herein falls on a Saturday, Sunday or legal holiday under the laws of Illinois or the United States of America, then such time period shall be automatically extended to the next business day.

29.4 Entire Agreement; Modification. This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes any prior agreements, negotiations and discussions. This Agreement may not be modified or amended in any manner without the prior written consent of the parties hereto; provided, however, that the parties shall not materially modify or amend this Agreement prior to the issuance of the Certificate of Completion without the written consent of all parties and the Investor Member. No term of this Agreement may be waived or discharged orally or by any course of dealing, but only by an instrument in writing signed by the party benefitted by such term.

29.5 Exhibits. All exhibits referred to herein and attached hereto shall be deemed part of this Agreement.

29.6 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois.

29.7 Headings. The headings of the various sections and subsections of this Agreement have been inserted for convenience of reference only and shall not in any manner be construed as modifying, amending or affecting in any way the express terms and provisions hereof.

29.8 No Merger. The terms of this Agreement shall not be merged with the Deed, and the delivery of the Deed shall not be deemed to affect or impair the terms of this Agreement.

29.9 No Waiver. No waiver by the City with respect to any specific default by the Developer shall be deemed to be a waiver of the rights of the City with respect to any other defaults of the Developer, nor shall any forbearance by the City to seek a remedy for any breach or default be deemed a waiver of its rights and remedies with respect to such breach or default, nor shall the City be deemed to have waived any of its rights and remedies unless such waiver is in writing.

29.10 Severability. If any term of this Agreement or any application thereof is held invalid or unenforceable, the remainder of this Agreement shall be construed as if such invalid part were never included herein and this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

29.11 Successors and Assigns. Except as otherwise provided in this Agreement, the terms and conditions of this Agreement shall apply to and bind the successors and assigns of the parties.

SECTION 30. 2011 CITY HIRING PLAN PROHIBITIONS

30.1 The City is subject to the June 24, 2011 "City of Chicago Hiring Plan" (the "2011 City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the

2011 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

30.2 Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with Developer, either as an employee or as a subcontractor, and from directing Developer to hire an individual as an employee or as a subcontractor. Accordingly, Developer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Developer under this Agreement are employees or subcontractors of Developer, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Developer.

30.3 Developer will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

30.4 In the event of any communication to Developer by a City employee or City official in violation of Section 30.2 above, or advocating a violation of Section 30.3 above, Developer will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant City Department utilizing services provided under this Agreement. Developer will also cooperate with any inquiries by IGO Hiring Oversight related to the contract. Developer will also cooperate with any inquiries by IGO Hiring Oversight or the Shakman Monitor's Office related to the contract.

SECTION 31. COMPLIANCE WITH "WASTE" PROVISIONS.

Any duly authorized representative of the City shall have access to the Property and to the real property on which the Addition Work is performed at all reasonable times for the purpose of determining whether the Developer is constructing the Project in accordance with the terms of this Agreement and all applicable federal, state and local statutes, laws, ordinances, codes, rules, regulations, orders and judgments, including, without limitation, Sections 7-28 and 11-4 of the Municipal Code of Chicago relating to waste disposal (collectively, the "Waste Sections"). Developer's violation of the Waste Sections (including, but not limited to, Sections 7-28-390 Dumping on public way; 7-28-440 Dumping on real estate without permit; 11-4-1410 Disposal in waters prohibited; 11-4-1420 Ballast tank, bilge tank or other discharge; 11-4-1450 Gas manufacturing residue; 11-4-1500 Treatment and disposal of solid or liquid waste; 11-4-1530 Compliance with rules and regulations required; 11-4-1550 Operational requirements; and 11-4-1560 Screening requirements), whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement and entitles the City to all remedies under the Agreement, at law or in equity. This section does not limit

Developer, general contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement.

SECTION 32. FAILURE TO MAINTAIN ELIGIBILITY TO DO BUSINESS WITH THE CITY.

Failure by the Developer or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago prior to receipt of the Certificate of Completion shall be grounds for termination of the Agreement and the transactions contemplated thereby. The Developer shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

SECTION 33. INSPECTOR GENERAL AND LEGISLATIVE INSPECTOR GENERAL.

It is the duty of every officer, employee, department, agency, contractor, subcontractor, developer and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. The Developer understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago.

Chicago, Illinois 60602

Re: Access Housing I, LLC and the property located at 1746 North Francisco Avenue, 1917 North Keystone Avenue, 1941 North Karlov Avenue, and 2415 North Harding Avenue, Chicago, Illinois

Ladies and Gentlemen:

We have acted as legal counsel for Access Housing I, LLC, an Illinois limited liability company (the "Developer"), in connection with the purchase of the real property located at 1746 North Francisco Avenue, 1917 North Keystone Avenue, 1941 North Karlov Avenue, and 2415 North Harding Avenue, Chicago, Illinois, as legally described on Exhibit A attached hereto, pursuant to the terms of that certain Agreement for the Sale and Redevelopment of Land dated as of _____, 2014, by and between the City of Chicago (the "City") and the Developer (the "Redevelopment Agreement"). We are rendering this opinion at the request of the Developer and acknowledge that the City intends to rely upon this opinion letter.

As a basis for the opinions set forth herein, we have examined:

A. an executed original of the Redevelopment Agreement;

B. the _____ [articles of organization, including all amendments thereto, of the Developer, as furnished and certified by the Secretary of State of the State of Illinois;

C. the operating agreement of the Developer, as certified by the manager of the Developer as of _____, 2014;

D. the Certificate of Good Standing dated _____, 2014, issued by the Office of the Secretary of State of the State of Illinois, as to the good standing of the Developer;

E. resolutions authorizing the Developer to enter into the Redevelopment Agreement and to consummate the transactions contemplated thereby; and

F. the commitment for an owner's policy of title insurance, Order No. _____, dated _____, 2014, (the "Title Commitment"), issued by _____ [insert name of title company], regarding the Property.

In our capacity as legal counsel, we have also examined such other documents or instruments as we have deemed relevant for the purposes of rendering the opinions hereinafter set forth.

Based upon the foregoing, it is our opinion that:

1. The Developer is a limited liability company duly organized, validly existing and in good standing under the laws of the State of Illinois, has made all filings required by the laws of the State of Illinois regarding its formation and continuing existence, and has all requisite authority to carry on its business as described in the operating agreement and to execute and deliver, and to consummate the transactions contemplated by, the Redevelopment Agreement.

2. Under the operating agreement, the _____ [insert signatory's title, and the entity in which s/he holds such title, if applicable] has requisite power and authority to execute and deliver the Redevelopment Agreement on behalf of the Developer and all other documents required to be executed by the Developer in connection with the Redevelopment Agreement and to perform its obligations thereunder.

3. The Redevelopment Agreement has been executed and delivered on behalf of the Developer by the _____ and constitutes a legal, valid and binding obligation of the Developer enforceable against the Developer in accordance with its terms, except to the extent that enforcement of any such terms may be limited by: (a) applicable bankruptcy, reorganization, debt arrangement, insolvency or other similar laws generally affecting creditors' rights; or (b) judicial and public policy limitations upon the enforcement of certain remedies including those which a court of equity may in its discretion decline to enforce.

4. There is no action, suit or proceeding at law or in equity pending nor to our knowledge threatened against or affecting the Developer or the Property before any court or before any governmental or administrative agency which if adversely determined could materially and adversely affect the Developer's ability to perform under the Redevelopment Agreement or its business or properties or financial or other conditions.

5. The execution and delivery of the Redevelopment Agreement and the consummation of the transactions contemplated thereby will not conflict with, constitute an event or default under or result in a violation or breach of:

(a) the provisions of the Developer's articles of organization, operating agreement, or any resolutions in effect;

3.05 DPD Approval. Any approval granted by DPD of the Scope Drawings, Plans and Specifications and the Change Orders is for the purposes of this Agreement only and does not affect or constitute any approval required by any other City department or pursuant to any City ordinance, code, regulation or any other governmental approval, nor does any approval by DPD pursuant to this Agreement constitute approval of the quality, structural soundness or safety of the Property or the Project.

4.01 Total Project Cost and Sources of Funds. The cost of the Project is estimated to be $9,772,729, to be applied in the manner stated in the Project Budget and funded from Equity and the Lender Financing sources identified in **Exhibit H**.

4.02 Developer Funds. Equity, the City Funds and Lender Financing will be used to pay all Project costs, including but not limited to costs of TIF-Funded Improvements.

4.03 City Funds.

(a) Uses of City Funds.

City Funds may only be used to pay directly or reimburse FCC, Inc. for costs of TIF-Funded Improvements that constitute Redevelopment Project Costs. **Exhibit C** sets forth, by line item, the TIF-Funded Improvements for the Project, and the maximum amount of costs that may be paid by or reimbursed from City Funds for each line item therein (subject to **Sections 4.03(b)**), contingent upon receipt by the City of documentation satisfactory in form and substance to DPD evidencing such cost and its eligibility as a Redevelopment Project Cost. FCC, Inc. shall be required to loan or contribute any City Funds paid to FCC, Inc. to the Developer to reimburse the Developer for the costs of TIF-Funded Improvements or directly pay for the costs of the TIF-Funded Improvements.

(b) Sources of City Funds. Subject to the terms and conditions of this Agreement, including but not limited to this **Section 4.03** and **Section 5** hereof, the City hereby agrees to provide City funds (the "**City Funds**") from the sources and in the amounts described directly below to pay for or reimburse FCC, Inc. for the costs of the TIF-Funded Improvements

shall be an amount not to exceed One Million Dollars ($1,000,000); and provided however, that the $1,000,000 to be derived from Available Incremental Taxes, if any, shall be available to pay costs related to TIF-Funded Improvements and allocated by the City for that purpose only so long as the amount of the Available Incremental Taxes deposited into the TIF Fund shall be sufficient to pay for such costs. Notwithstanding the foregoing, if the Available Project Funds (as defined hereinafter in Section 4.07 (g)), excluding the City Funds, are greater than the total costs reflected in the owner's sworn statement at construction completion, the City Funds shall be reduced by such amount.

(c) Disbursement of City Funds. Subject to the terms and conditions of this Agreement, including but not limited to this Section 4.03, Section 4.08 and Section 5 hereof, the City shall disburse the City Funds upon the issuance of the Certificate.

4.04 Construction Escrow; Requisition Form. DPD must approve disbursements of the City Funds. FCC, Inc. shall submit a Requisition Form prior to each disbursement of City Funds. The Developer Parties shall meet with DPD at the request of DPD to discuss the Requisition Form(s) previously delivered. If Lender Financing is provided as contemplated by Section 4.01 and Exhibit H to bridge finance the City Funds, then FCC, Inc. may direct the amounts payable pursuant to Section 4.03(a) to be paid by the City in accordance with this Agreement to an account established by the Developer with the Lender providing the Lender Financing until the full repayment of the Lender Financing. Developer Parties and DPD agree that Bank of America, N.A. has provided or is providing loans to the Developer to bridge the City Funds and that accordingly FCC, Inc. hereby directs that City Funds amounts payable pursuant to Section 4.03(a) shall be wired to the account established by the Developer Parties at Bank of America, N.A. The wiring instructions for such account shall be provided to the City by the Developer Parties.

4.05 Treatment of Prior Expenditures and Subsequent Disbursements.

(a) Prior Expenditures. Only those expenditures made by any of the Developer Parties with respect to the Project prior to the Closing Date, evidenced by documentation satisfactory to DPD and approved by DPD as satisfying costs covered in the Project Budget, shall be considered previously contributed Equity or Lender Financing hereunder (the "**Prior Expenditures**"). **Exhibit I** hereto sets forth the prior expenditures approved by DPD as of the date hereof as Prior Expenditures. Prior Expenditures made for items other than TIF-Funded Improvements shall not be reimbursed to FCC Inc. by the City with City Funds but may be eligible for reimbursement through the Lender Financing or Equity identified in **Section 4.01** hereof.

(b) Allocation Among Line Items. Disbursements for expenditures related to TIF-Funded Improvements may be allocated to and charged against the appropriate line only, with transfers of costs and expenses from one line item to another, without the prior written consent of DPD, being prohibited; provided, however, that such transfers among line items, in an amount not to exceed $25,000 or $100,000 in the aggregate, may be made without the prior written consent of DPD.

4.06 Cost Overruns. If the aggregate cost of the TIF-Funded Improvements exceeds City Funds available pursuant to **Section 4.03** hereof, or if the cost of completing the Project exceeds the Project Budget, the Developer shall be solely responsible for such excess cost, and

shall hold the City harmless from any and all costs and expenses of completing the TIF-Funded Improvements in excess of City Funds and of completing the Project.

4.07 Preconditions of Disbursement. Prior to each disbursement of City Funds hereunder, FCC, Inc. shall submit documentation regarding the applicable expenditures to DPD which shall be satisfactory to DPD in its sole discretion. Delivery by one or more of the Developer Parties to DPD of any request for disbursement of City Funds hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for disbursement, that:

(a) the total amount of the Requisition Form represents the actual cost of the actual amount payable to (or paid to) the contractors who have performed work on the Project, and/or their payees, and/or (ii) the architect for the inspections performed in monitoring the construction of the Project;

(b) all amounts shown as previous payments on the current Requisition Form have been paid to the parties entitled to such payment;

(e) none of the Developer Parties have received notice and have no knowledge of any liens or claim of lien either filed or threatened against the Property except for the Permitted Liens, and/or liens bonded over by the Developer Parties and/or insured over by the Title Company;

(f) no Event of Default or condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default exists or has occurred; and

(g) the Project is In Balance. The Project shall be deemed to be in balance ("**In Balance**") only if the total of the Available Project Funds (as defined hereinafter) equals or exceeds the aggregate of the amount necessary to pay all unpaid Project costs incurred or to be incurred in the completion of the Project. "**Available Project Funds**" as used herein shall mean: (i) the undisbursed City Funds, if any; (ii) the undisbursed Lender Financing, if any; (iii) the undisbursed Equity and (iv) any other amounts deposited by any of the Developer Parties pursuant to this Agreement. The Developer hereby agrees that, if the Project is not In Balance, the Developer shall, within 10 days after a written request by the City, deposit with the escrow agent or will make available (in a manner acceptable to the City), cash in an amount that will place the Project In Balance, which deposit shall first be exhausted before any disbursement of the City Funds shall be made.

The City shall have the right, in its discretion, to require the Developer Parties to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and any disbursement by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the

City from relying on such certifications by the Developer Parties. In addition, the Developer Parties shall have satisfied all other preconditions of disbursement of City Funds for each disbursement, including but not limited to requirements set forth in the TIF Ordinances and this Agreement.

Notwithstanding any other provision in this Agreement, the City shall not terminate this Agreement or suspend disbursement of the City Funds upon the occurrence of an Event of Default if foreclosure proceedings have been commenced under any mortgage securing any Lender Financing or a deed in lieu of such foreclosure has been executed and delivered and provided that either the lender providing Lender Financing or the Developer Parties have cured, or have commenced and are in good faith pursuing the cure of, the Event of Default within the curative time period provided under **Section 15.03**.

4.08 Permitted Transfers. Notwithstanding anything herein to the contrary, City will permit (i) the investor limited partner (the "**Investor Limited Partner**") to remove Milwaukee Avenue Apartments GP, LLC, an Illinois limited liability company (the "**General Partner**"), the General Partner of Developer, in accordance with Developer's limited partnership agreement, provided the substitute general partner is acceptable to City in its reasonable discretion and the City provides its written consent (except no consent of the City shall be required under this Agreement if the substitute general partner is an affiliate of the Investor Limited Partner), (ii) the transfer of limited partner interests to an affiliate of the Investor Limited Partner pursuant to the limited partnership agreement, and (iii) the General Partner to pledge to Bank of America, N.A. all of the General Partner's rights, title and interest in and to the Developer and under the Developer's limited partnership agreement as collateral for the Developer's obligations under the loans made or to be made by Bank of America, N.A., to Developer.

4.09 Conditional Grant. The City Funds being provided hereunder are being granted on a conditional basis, subject to the Developer Parties' compliance with the provisions of this Agreement. If the Developer selects a General Contractor (or the General Contractor selects any subcontractor) submitting other than the lowest responsible bid for the TIF-Funded Improvements, the difference between the lowest responsible bid and the bid selected may not be paid out of City Funds. (ii) For Project work other than the TIF-Funded Improvements, if the Developer selects a General Contractor (or the General Contractor selects any subcontractor)

who has not submitted the lowest responsible bid, the difference between the lowest responsible bid and the higher bid selected shall be subtracted from the actual total Project costs for purposes of the calculation of the amount of City Funds to be contributed to the Project pursuant to Section 4.03(b) hereof. The Developer shall submit copies of the Construction Contract to DPD in accordance with Section 6.02 below. Photocopies of all subcontracts entered or to be entered into in connection with the TIF-Funded Improvements shall be provided to DPD within five (5) business days of the execution thereof. The Developer shall ensure that the General Contractor shall not (and shall cause the General Contractor to ensure that the subcontractors shall not) begin work on the Project until the Plans and Specifications have been approved by DPD and all requisite permits have been obtained.

Those covenants specifically described at **Sections 8.02, 8.06, 8.18 and 8.19** as covenants that run with the land are the only covenants in this Agreement intended to be binding upon any transferee of the Property (including an assignee as described in the following sentence) throughout the Term of the Agreement notwithstanding the issuance of a Certificate; provided, that upon the issuance of a Certificate, the covenants set forth in **Section 8.02** shall be deemed to have been fulfilled. Notwithstanding the foregoing, until the issuance of a Certificate and disbursement of the City Funds, the covenants specifically described at Sections 8.02, 8.06, 8.18 and 8.19 as covenants that run with the land shall not bind any successor by foreclosure or deed in lieu of foreclosure of any mortgage securing Lender Financing unless such transferee accepts an assignment of the Developer's interest hereunder in accordance with **Section 16(b)** of this Agreement.

7.03 Failure to Complete. If the Developer Parties fail to complete the Project in accordance with the terms of this Agreement, then the City has, but shall not be limited to, any of the following rights and remedies:

(b) the right (but not the obligation) to complete those TIF-Funded Improvements that are public improvements and to pay for the costs of TIF-Funded Improvements (including interest costs) out of City Funds or other City monies. In the event that the aggregate cost of completing the TIF-Funded Improvements exceeds the amount of City Funds available pursuant to **Section 4.01**, the Developer Parties shall reimburse the City for all reasonable costs and expenses incurred by the City in completing such TIF-Funded Improvements in excess of the available City Funds; and

(c) the right to seek reimbursement of the City Funds from the Developer Parties.

(iii) the Developer shall demonstrate to DPD's satisfaction that legal proceedings instituted by the Developer contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of, all or any part of the Property to satisfy such Governmental Charge prior to final determination of such proceedings; and/or

(c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement

with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this **Section 10.01** shall be a basis for the City to pursue remedies under the provisions of **Section 15.02** hereof.

10.02 City Resident Construction Worker Employment Requirement. The Developer Parties agree for themselves and their successors and assigns, and shall contractually obligate their contractors and subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code of Chicago (at least 50 percent of the total worker hours worked by persons on the site of the Project shall be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, the Developer Parties, their contractors and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

The Developer Parties may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

"**Actual residents of the City**" shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

The Developer Parties, the contractors and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of DPD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

The Developer Parties, the contractors and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DPD, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. The Developer Parties, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

At the direction of DPD, affidavits and other supporting documentation will be required of the Developer Parties, the contractors and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of the Developer Parties, the contractors and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting

of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that the Developer Parties have failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by the Developer Parties to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer Parties, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to the Developer Parties pursuant to Section 2-92-250 of the Municipal Code of Chicago may be withheld by the City pending the Chief Procurement Officer's determination as to whether the Developer Parties must surrender damages as provided in this paragraph.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

The Developer Parties shall cause or require the provisions of this **Section 10.02** to be included in all construction contracts and subcontracts related to the Project.

10.03. MBE/WBE Commitment. Consistent with the findings which support the Minority-Owned and Women-Owned Business Enterprise Procurement Program (the "**MBE/WBE Program**"), Section 2-92-420 et seq., Municipal Code of Chicago, and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this **Section 10.03**, during the course of construction of the Project, at least the following percentages of hard construction costs as set forth in the Project Budget (as set forth in **Exhibit H** hereto) shall be expended for contract participation by minority-owned businesses ("**MBEs**") and by women-owned businesses ("**WBEs**") as follows:

a. at least 24 percent by MBEs;
b. at least 4 percent by WBEs.

Consistent with Section 2-92-440, Municipal Code of Chicago, the Developer Parties' MBE/WBE commitment may be achieved in part by the Developer Parties' status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer Parties) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual

work performed on the Project by the MBE or WBE), by the Developer Parties utilizing a MBE or a WBE as a contractor (but only to the extent of any actual work performed on the Project by such contractor), by subcontracting a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer Parties' MBE/WBE commitment as described in this **Section 10.03**.

The Developer Parties shall deliver quarterly reports to DPD during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer Parties or a contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist DPD in determining the Developer Parties' compliance with this MBE/WBE commitment. The Developer Parties shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and DPD shall have access to all such records maintained by the Developer Parties, on five Business Days' notice, to allow the City to review the Developer Parties' compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

Upon the disqualification of any MBE or WBE contractor or subcontractor, if such status was misrepresented by the disqualified party, the Developer Parties shall be obligated to discharge or cause to be discharged the disqualified contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this **Section 10.03**, the disqualification procedures are further described in Section 2-92-540, Municipal Code of Chicago.

Any reduction or waiver of the Developer Parties' MBE/WBE commitment as described in this **Section 10.03** shall be undertaken in accordance with Section 2-92-450, Municipal Code of Chicago.

Prior to the commencement of the Project, the Developer Parties shall be required to meet with the monitoring staff of DPD with regard to the Developer Parties' compliance with its obligations under this **Section 10.03**. All contractors and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, the Developer Parties shall demonstrate to DPD their plan to achieve their obligations under this **Section 10.03**, the sufficiency of which shall be approved by DPD. During the Project, the Developer Parties shall submit the documentation required by this **Section 10.03** to the monitoring staff of DPD. Failure to submit such documentation on a timely basis, or a determination by DPD, upon analysis of the documentation, that the Developer Parties are not complying with their obligations under this **Section 10.03**, shall, upon the delivery of written notice to the Developer Parties, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided hereunder, the City may: (1) issue a written demand to the Developer Parties to halt the Project, (2) withhold any further payments to, or on behalf of, the Developer Parties, or (3) seek any other remedies against the Developer Parties available at law or in equity.

The Developer Parties will include the foregoing provisions in every contract entered into in connection with the Project and every agreement with any Affiliate operating on the Property so that such provision will be binding upon each contractor or Affiliate, as the case may be.

SECTION 11. ENVIRONMENTAL MATTERS

The Developer Parties hereby represent and warrant to the City that the Developer Parties have conducted environmental studies sufficient to conclude that the Project may be constructed, completed and operated in accordance with all Environmental Laws and this Agreement and all Exhibits attached hereto, the Scope Drawings, Plans and Specifications and all amendments thereto, and the Redevelopment Plan.

Without limiting any other provisions hereof, the Developer Parties agree to indemnify, defend and hold the City harmless from and against any and all losses, liabilities, damages, injuries, costs, expenses or claims of any kind whatsoever including, without limitation, any losses, liabilities, damages, injuries, costs, expenses or claims asserted or arising under any Environmental Laws incurred, suffered by or asserted against the City as a direct or indirect result of any of the following, regardless of whether or not caused by, or within the control of the Developer Parties: (i) the presence of any Hazardous Material on or under, or the escape, seepage, leakage, spillage, emission, discharge or release of any Hazardous Material from (A) all or any portion of the Property or (B) any other real property in which the Developer Parties or any person directly or indirectly controlling, controlled by or under common control with the Developer Parties, holds any estate or interest whatsoever (including, without limitation, any property owned by a land trust in which the beneficial interest is owned, in whole or in part, by the Developer Parties), or (ii) any liens against the Property permitted or imposed by any Environmental Laws, or any actual or asserted liability or obligation of the City or the Developer Parties or any of its Affiliates under any Environmental Laws relating to the Property.

The Developer must submit evidence of insurance on the City of Chicago

Insurance Certificate Form (copy attached) or equivalent prior to closing. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Developer is not a waiver by the City of any requirements for the Developer to obtain and maintain the specified coverages. The Developer shall advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance does not relieve Developer of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to stop work and/or terminate agreement until proper evidence of insurance is provided.

The City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements.

SECTION 13. INDEMNIFICATION

13.01 General Indemnity. Developer Parties agree to indemnify, pay, defend and hold the City, and its elected and appointed officials, employees, agents and Affiliates (individually an

"**Indemnitee**," and collectively the "**Indemnitees**") harmless from and against, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (and including without limitation, the reasonable fees and disbursements of counsel for such Indemnitees in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not such Indemnities shall be designated a party thereto), that may be imposed on, suffered, incurred by or asserted against the Indemnitees in any manner relating or arising out of:

(i) the Developer Parties' failure to comply with any of the terms, covenants and conditions contained within this Agreement; or

(ii) the Developer Parties' or any contractor's failure to pay contractors, subcontractors or materialmen in connection with the TIF-Funded Improvements or any other Project improvement; or

(iii) the existence of any material misrepresentation or omission in this Agreement, the Redevelopment Plan or any other document related to this Agreement that is the result of information supplied or omitted by the Developer Parties or any Affiliate Developer Parties or any agents, employees, contractors or persons acting under the control or at the request of the Developer Parties or any Affiliate of Developer Parties; or

(iv) the Developer Parties' failure to cure any misrepresentation in this Agreement or any other agreement relating hereto;

provided, however, that Developer Parties shall have no obligation to an Indemnitee arising from the wanton or willful misconduct of that Indemnitee. To the extent that the preceding sentence may be unenforceable because it violates any law or public policy, Developer Parties shall contribute the maximum portion that they are permitted to pay and satisfy under the applicable law, to the payment and satisfaction of all indemnified liabilities incurred by the Indemnitees or any of them. The provisions of the undertakings and indemnification set out in this **Section 13.01** shall survive the termination of this Agreement.

SECTION 14. MAINTAINING RECORDS/RIGHT TO INSPECT

14.01 Books and Records. The Developer Parties shall keep and maintain separate, complete, accurate and detailed books and records necessary to reflect and fully disclose the total actual cost of the Project and the disposition of all funds from whatever source allocated thereto, and to monitor the Project. All such books, records and other documents, including but not limited to the Developer Parties' loan statements, if any, General Contractor's and subcontractors' sworn statements, general contracts, subcontracts, purchase orders, waivers of lien, paid receipts and invoices, shall be available at the Developer Parties' offices for inspection, copying, audit and examination by an authorized representative of the City, at the Developer Parties' expense. The Developer Parties shall incorporate this right to inspect, copy, audit and examine all books and records into all contracts entered into by the Developer Parties with respect to the Project.

14.02 Inspection Rights. Upon three (3) business days' notice, any authorized representative of the City has access to all portions of the Project and the Property during normal business hours for the Term of the Agreement.

SECTION 15. DEFAULT AND REMEDIES

15.01 Events of Default. The occurrence of any one or more of the following events, subject to the provisions of **Section 15.03**, shall constitute an "**Event of Default**" by the Developer Parties hereunder:

(a) the failure of the Developer Parties to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer Parties under this Agreement or any related agreement;

(b) the failure of the Developer Parties to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer Parties under any other agreement with any person or entity if such failure may have a material adverse effect on the Developer Parties' business, property, assets, operations or condition, financial or otherwise;

(c) the making or furnishing by the Developer Parties to the City of any representation, warranty, certificate, schedule, report or other communication within or in connection with this Agreement or any related agreement which is untrue or misleading in any material respect;

(d) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of any lien or other encumbrance upon the Property, including any fixtures now or hereafter attached thereto, other than the Permitted Liens, or the making or any attempt to make any levy, seizure or attachment thereof;

(e) the commencement of any proceedings in bankruptcy by or against the Developer Parties or for the liquidation or reorganization of the Developer Parties, or alleging that the Developer Parties are insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of the Developer Parties' debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving the Developer Parties; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings;

(f) the appointment of a receiver or trustee for the Developer Parties, for any substantial part of the Developer Parties' assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of the Developer Parties; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within ninety (90) days after the commencement thereof;

(g) the entry of any judgment or order against the Developer Parties which remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution;

(h) the occurrence of an event of default under the Lender Financing, which default is not cured within any applicable cure period;

(i) the dissolution of the Developer Parties, unless reinstated within sixty (60) days of such dissolution;

(j) the institution in any court of a criminal proceeding (other than a misdemeanor) against the Developer Parties, or any natural person who owns a material interest in the Developer Parties, which is not dismissed within thirty (30) days, or the indictment of the Developer Parties or any natural person who owns a material interest in the Developer Parties, for any crime (other than a misdemeanor); or

(k) prior to the expiration of the Term of the Agreement, the sale or transfer of a majority of the ownership interests of the Developer Parties without the prior written consent of the City except as permitted under Section 4.08 hereof.

For purposes of **Sections 15.01(i)** and **15.01(j)** hereof, a person with a material interest in the Developer shall be one owning in excess of ten percent (10%) of the Developer's partnership interests.

15.02 Remedies. Upon the occurrence of an Event of Default, the City may terminate this Agreement and all related agreements, and may suspend disbursement of City Funds. Additionally, upon the occurrence of an Event of Default in relation to **Section 8.19**, the Developer Parties or Affiliates shall reimburse the City all of the City Funds disbursed to any one of the Developer Parties to date. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to reimbursement of all or part of the City Funds, injunctive relief or the specific performance of the agreements contained herein.

15.03 Curative Period.

(a) In the event the Developer Parties shall fail to perform a monetary covenant which Developer Parties are required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Developer Parties have failed to perform such monetary covenant within ten (10) days of its receipt of a written notice from the City specifying that it has failed to perform such monetary covenant. In the event the Developer Parties shall fail to perform a non-monetary covenant which the Developer Parties are required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Developer Parties have failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such thirty (30) day period, the Developer Party shall not be deemed to have committed an Event of Default under this Agreement if they have commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

(b) Right to Cure by Lenders and Investors. In the event that an Event of Default occurs under this Agreement, and if, as a result thereof, the City intends to exercise any right or remedy available to it that could result in the termination of this Agreement or the cancellation, suspension, or reduction of any payment due from the City under this Agreement, the City shall

send notice of such intended exercise to the parties identified in **Section 17** and to any Lender providing Lender Financing or the Investor Limited Partner of the Developer shall have the right (but not the obligation) to cure such an Event of Default under the following conditions:

(i) if the Event of Default is a monetary default, any party entitled to cure such default may cure it within 30 days after the later of: (a) the expiration of the cure period, if any, granted to the Developer with respect to such monetary default; or (b) receipt by the Lenders or the Investor Limited Partner, as applicable, of such notice from the City; and

(ii) if the Event of Default is of a non-monetary nature, any party entitled to cure such default shall have the right to cure it within 30 days after the later of: (a) the expiration of the cure period, if any, granted to the Developer with respect to such non-monetary default; or (b) receipt of such notice from the City; provided, however, that if such non-monetary default is not reasonably capable of being cured by the Lenders or the Investor Limited Partner within such 30-day period, such period shall be extended for such reasonable period of time as may be necessary to cure such default, provided that the party seeking such cure must continue diligently to pursue such cure and, if possession of the Project is necessary to effect such cure, the party seeking such cure must have instituted appropriate legal proceedings to obtain possession, in addition, upon such party obtaining possession of the Project, in the City's sole discretion, the City shall waive any Event of Default that cannot reasonably be cured.

SECTION 16. MORTGAGING OF THE PROJECT

All mortgages or deeds of trust in place as of the date hereof with respect to the Property or any portion thereof are listed on **Exhibit G** hereto (including but not limited to mortgages made prior to or on the date hereof in connection with Lender Financing) and are referred to herein as the "**Existing Mortgages**." Any mortgage or deed of trust that the Developer Parties may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof is referred to herein as a "**New Mortgage**." Any New Mortgage that the Developer Parties may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof with the prior written consent of the City is referred to herein as a "**Permitted Mortgage**." It is hereby agreed by and between the City and the Developer Parties as follows:

(a) In the event that a mortgagee or any other party shall succeed to the Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under a New Mortgage (other than a Permitted Mortgage), whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of the Developer's interest hereunder in accordance with **Section 18.15** hereof, the City may, but shall not be obligated to, attorn to and recognize such party as the successor in interest to the Developer for all purposes under this Agreement and, unless so recognized by the City as the successor in interest, such party shall be entitled to no rights or benefits under this Agreement, but such party shall be bound by those provisions of this Agreement that are covenants expressly running with the land.

(b) In the event that any mortgagee shall succeed to the Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under an Existing Mortgage or a Permitted Mortgage, whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of the Developer's interest hereunder in accordance with **Section 18.15** hereof, the City hereby agrees to attorn to and recognize such party as the successor in interest to the Developer Parties for all purposes under this

Agreement so long as such party accepts all of the obligations and liabilities of "the Developer Parties" hereunder; provided, however, that, notwithstanding any other provision of this Agreement to the contrary, it is understood and agreed that if such party accepts an assignment of the Developer Parties' interest under this Agreement, such party has no liability under this Agreement for any Event of Default of the Developer Parties which accrued prior to the time such party succeeded to the interest of the Developer Parties under this Agreement, in which case the Developer Parties shall be solely responsible. However, if such mortgagee under a Permitted Mortgage or an Existing Mortgage does not expressly accept an assignment of the Developer Parties' interest hereunder, such party shall be entitled to no rights and benefits under this Agreement, and such party shall be bound only by those provisions of this Agreement, if any, which are covenants expressly running with the land.

(c) Prior to the issuance by the City to the Developer Parties of a Certificate pursuant to **Section 7** hereof, no New Mortgage shall be executed with respect to the Property or any portion thereof without the prior written consent of the Commissioner of DPD.

SECTION 18. MISCELLANEOUS

18.01 Amendment. This Agreement and the Exhibits attached hereto may not be amended or modified without the prior written consent of the parties hereto; provided, however, that the City, in its sole discretion, may amend, modify or supplement **Exhibit D** hereto without the consent of any party hereto. It is agreed that no material amendment or change to this Agreement shall be made or be effective unless ratified or authorized by an ordinance duly adopted by the City Council. The term "material" for the purpose of this **Section 18.01** shall be defined as any deviation from the terms of the Agreement which operates to cancel or otherwise reduce any developmental, construction or job-creating obligations of Developer Parties (including those set forth in **Sections 10.02** and **10.03** hereof) by more than five percent (5%) or materially changes the Project site or character of the Project or any activities undertaken by Developer Parties affecting the Project site, the Project, or both, or increases any time agreed for performance by the Developer Parties by more than ninety (90) days.

18.02 Entire Agreement. This Agreement (including each Exhibit attached hereto, which is hereby incorporated herein by reference) constitutes the entire Agreement between the parties hereto and it supersedes all prior agreements, negotiations and discussions between the parties relative to the subject matter hereof.

18.03 Limitation of Liability. No member, official or employee of the City shall be personally liable to the Developer Parties or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer Parties from the City or any successor in interest or on any obligation under the terms of this Agreement.

18.04 Further Assurances. The Developer Parties agree to take such actions, including the execution and delivery of such documents, instruments, petitions and certifications as may become necessary or appropriate to carry out the terms, provisions and intent of this Agreement.

18.05 Waiver. Waiver by the City or the Developer Parties with respect to any breach of this Agreement shall not be considered or treated as a waiver of the rights of the respective party with respect to any other default or with respect to any particular default, except to the extent specifically waived by the City or the Developer Parties in writing. No delay or omission on the part of a party in exercising any right shall operate as a waiver of such right or any other right unless pursuant to the specific terms hereof. A waiver by a party of a provision of this Agreement shall not prejudice or constitute a waiver of such party's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by a party, nor any course of dealing between the parties hereto, shall constitute a waiver of any such parties' rights or of any obligations of any other party hereto as to any future transactions.

18.06 Remedies Cumulative. The remedies of a party hereunder are cumulative and the exercise of any one or more of the remedies provided for herein shall not be construed as a waiver of any other remedies of such party unless specifically so provided herein.

18.07 Disclaimer. Nothing contained in this Agreement nor any act of the City shall be deemed or construed by any of the parties, or by any third person, to create or imply any relationship of third-party beneficiary, principal or agent, limited or general partnership or joint venture, or to create or imply any association or relationship involving the City.

18.08 Headings. The paragraph and section headings contained herein are for convenience only and are not intended to limit, vary, define or expand the content thereof.

18.09 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which shall constitute one and the same agreement.

18.10 Severability. If any provision in this Agreement, or any paragraph, sentence, clause, phrase, word or the application thereof, in any circumstance, is held invalid, this Agreement shall be construed as if such invalid part were never included herein and the remainder of this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

18.11 Conflict. In the event of a conflict between any provisions of this Agreement and the provisions of the TIF Ordinances, such ordinance(s) shall prevail and control.

18.12 Governing Law. This Agreement shall be governed by and construed in accordance with the internal laws of the State of Illinois, without regard to its conflicts of law principles.

18.13 Form of Documents. All documents required by this Agreement to be submitted, delivered or furnished to the City shall be in form and content satisfactory to the City.

18.14 Approval. Wherever this Agreement provides for the approval or consent of the City, DPD or the Commissioner, or any matter is to be to the City's, DPD's or the Commissioner's satisfaction, unless specifically stated to the contrary, such approval, consent or satisfaction shall be made, given or determined by the City, DPD or the Commissioner in writing and in the reasonable discretion thereof. The Commissioner or other person designated by the Mayor of the City shall act for the City or DPD in making all approvals, consents and

determinations of satisfaction, granting the Certificate or otherwise administering this Agreement for the City.

18.15 Assignment. The Developer Parties may not sell, assign or otherwise transfer their interest in this Agreement in whole or in part without the written consent of the City; provided, however, that the Developer Parties may collaterally assign their respective interests in this Agreement to any of its lenders identified to the City as of the Closing Date, or to any lenders identified after the Closing Date and approved by the City, if any such lenders require such collateral assignment. Any successor in interest to the Developer Parties under this Agreement shall certify in writing to the City its agreement to abide by all remaining executory terms of this Agreement, including but not limited to **Sections 8.02, 8.18, 8.19 and 8.20** hereof, for the Term of the Agreement. The Developer Parties consent to the City's sale, transfer, assignment or other disposal of this Agreement at any time in whole or in part.

18.16 Binding Effect. This Agreement shall be binding upon the Developer Parties, the City and their respective successors and permitted assigns (as provided herein) and shall inure to the benefit of the Developer Parties, the City and their respective successors and permitted assigns (as provided herein). Except as otherwise provided herein, this Agreement shall not run to the benefit of, or be enforceable by, any person or entity other than a party to this Agreement and its successors and permitted assigns. This Agreement should not be deemed to confer upon third parties any remedy, claim, right of reimbursement or other right.

18.17 Force Majeure. Neither the City, the Developer Parties nor any successor in interest to any of them shall be considered in breach of or in default of its obligations under this Agreement in the event of any delay caused by damage or destruction by fire or other casualty, strike, shortage of material, unusually adverse weather conditions such as, by way of illustration and not limitation, severe rain storms or below freezing temperatures of abnormal degree or for an abnormal duration, tornadoes or cyclones, and other events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations hereunder. The individual or entity relying on this section with respect to any such delay shall, upon the occurrence of the event causing such delay, immediately give written notice to the other parties to this Agreement. The individual or entity relying on this section with respect to any such delay may rely on this section only to the extent of the actual number of days of delay effected by any such events described above.

18.18 Exhibits. All of the exhibits attached hereto are incorporated herein by reference.

18.19 Business Economic Support Act. Pursuant to the Business Economic Support Act (30 ILCS 760/1 et seq.), if the Developer Parties are required to provide notice under the WARN Act, the Developer Parties shall, in addition to the notice required under the WARN Act, provide at the same time a copy of the WARN Act notice to the Governor of the State, the Speaker and Minority Leader of the House of Representatives of the State, the President and minority Leader of the Senate of State, and the Mayor of each municipality where the Developer Parties has locations in the State. Failure by the Developer Parties to provide such notice as described above may result in the termination of all or a part of the payment or reimbursement obligations of the City set forth herein.

18.20 Venue and Consent to Jurisdiction. If there is a lawsuit under this Agreement, each party hereto agrees to submit to the jurisdiction of the courts of Cook County, the State of Illinois and the United States District Court for the Northern District of Illinois.

18.21 Costs and Expenses. In addition to and not in limitation of the other provisions of this Agreement, Developer Parties agree to pay upon demand the City's out-of-pocket expenses, including attorney's fees, incurred in connection with the enforcement of the provisions of this Agreement. This includes, subject to any limits under applicable law, attorney's fees and legal expenses, whether or not there is a lawsuit, including attorney's fees for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals and any anticipated post-judgment collection services. Developer Parties also will pay any court costs, in addition to all other sums provided by law.

18.22 Business Relationships. The Developer Parties acknowledge (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (B) that Developer Parties have read such provision and understand that pursuant to such Section 2-156-030 (b), it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "**Business Relationship**" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (C) that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Developer Parties hereby represent and warrant that, to the best of their knowledge after due inquiry, no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

18.23 Debarment Certification. Failure by the Developer Parties or any controlling person of either, as defined in Section 1-23-010 of the Municipal Code, thereof to maintain eligibility to do business with the City as required by Section 1-23-030 of the Municipal Code shall be grounds for termination of this Agreement and the transactions contemplated thereby.

OPINION OF DEVELOPER PARTIES' COUNSEL

[To be retyped on the Developer Parties' Counsel's letterhead]

—, ——

City of Chicago
121 North LaSalle Street
Chicago, IL 60602

ATTENTION: Corporation Counsel

Ladies and Gentlemen:

I have acted as counsel to Milwaukee Avenue Apartments Limited Partnership, an Illinois limited partnership (the "Developer") and its general partner, Milwaukee Avenue Apartments GP, LLC, an Illinois limited liability company (the "General Partner"), in connection with the construction of certain facilities on land located in the Fullerton/Milwaukee Redevelopment Project Area (the "Project"). In that capacity, I have examined, among other things, the following agreements, instruments and documents of even date herewith, hereinafter referred to as the "Documents":

(a) Milwaukee Avenue Apartments Redevelopment Agreement (the "Agreement") of even date herewith, executed by the Developer, Full Circle Communities, Inc., an Illinois not-for-profit corporation and the City of Chicago (the "City"); and

(b) all other agreements, instruments and documents executed in connection with the foregoing.

In addition to the foregoing, I have examined:

(a) the original or certified, conformed or photostatic copies of (1) the Developer's (i) Certificate of Existence, (ii) partnership agreement, (iii) By-Laws, if any, (iv) the certificate of good standing, and (v) records of all partners' proceedings relating to the Project; and (2) the General Partner's (i) Articles of Organization, (ii) operating agreement, (iii) By-Laws, if any, (iv) the certificate of good standing, and (v) records of all members' proceedings relating to the Project; and

(b) such other documents, records and legal matters as I have deemed necessary or relevant for purposes of issuing the opinions hereinafter expressed.

In all such examinations, I have assumed the genuineness of all signatures (other than those of the Developer and the General Partner), the authenticity of documents submitted to us as originals and conformity to the originals of all documents submitted to us as certified, conformed or photostatic copies.

Based on the foregoing, it is my opinion that:

1. The Developer is a limited partnership, duly organized and validly existing under the laws of its state of formation, has full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a limited liability company under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business. The General Partner is a limited liability company, duly organized, validly existing and in good standing under the laws of its state of incorporation, has full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a foreign corporation under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business.

2. The Developer and the General Partner have full right, power and authority to execute and deliver the Documents to which they are a party and to perform their obligations thereunder. Such execution, delivery and performance will not conflict with, or result in a breach of, the Developer's limited partnership agreement or the General Partner's articles of organization, or result in a breach or other violation of any of the terms, conditions or provisions of any law or regulation, order, writ, injunction or decree of any court, government or regulatory authority, or, to the best of my knowledge after diligent inquiry, any of the terms, conditions or provisions of any agreement, instrument or document to which the Developer or the General Partner is a party or by which the Developer or the General Partner or its properties is bound. To the best of my knowledge after diligent inquiry, such execution, delivery and performance will not constitute grounds for acceleration of the maturity of any agreement, indenture, undertaking or other instrument to which the Developer or the General Partner is a party or by which it or any of its property may be bound, or result in the creation or imposition of (or the obligation to create or impose) any lien, charge or encumbrance on, or security interest in, any of its property pursuant to the provisions of any of the foregoing, other than liens or security interests in favor of the lender providing Lender Financing (as defined in the Agreement).

3. The execution and delivery of each Document and the performance of the transactions contemplated thereby have been duly authorized and approved by all requisite action on the part of the Developer and the General Partner.

4. Each of the Documents to which the Developer or the General Partner is a party has been duly executed and delivered by a duly authorized officer of the Developer or the General Partner, as applicable, and each such Document constitutes the legal, valid and binding obligation of the Developer or the General Partner enforceable in accordance with its terms, except as limited by applicable bankruptcy, reorganization, insolvency or similar laws affecting the enforcement of creditors' rights generally.

5. To the best of my knowledge after diligent inquiry, no judgments are outstanding against the Developer or the General Partner nor is there now pending or threatened, any litigation, contested claim or governmental proceeding by or against the Developer or the General Partner or affecting the Developer or the General Partner or its property, or seeking to restrain or enjoin the performance by the Developer or the General Partner of the Agreement or the transactions contemplated by the Agreement, or contesting the

validity thereof. To the best of my knowledge after diligent inquiry, the Developer or the General Partner is not in default with respect to any order, writ, injunction or decree of any court, government or regulatory authority or in default in any respect under any law, order, regulation or demand of any governmental agency or instrumentality, a default under which would have a material adverse effect on the Developer or, the General Partner or its business.

6. To the best of my knowledge after diligent inquiry, there is no default by the Developer or the General Partner or any other party under any material contract, lease, agreement, instrument or commitment to which the Developer or the General Partner is a party or by which the company or its properties is bound.

7. To the best of my knowledge after diligent inquiry, all of the assets of the Developer or the General Partner are free and clear of mortgages, liens, pledges, security interests and encumbrances except for those specifically set forth in the Documents.

8. The execution, delivery and performance of the Documents by the Developer or the General Partner have not and will not require the consent of any person or the giving of notice to, any exemption by, any registration, declaration or filing with or any taking of any other actions in respect of, any person, including without limitation any court, government or regulatory authority.

9. To the best of my knowledge after diligent inquiry, the Developer or the General Partner own or possess or is licensed or otherwise have the right to use all licenses, permits and other governmental approvals and authorizations, operating authorities, certificates of public convenience, goods carriers permits, authorizations and other rights that are necessary for the operation of its business.

10. A federal or state court sitting in the State of Illinois and applying the choice of law provisions of the State of Illinois would enforce the choice of law contained in the Documents and apply the law of the State of Illinois to the transactions evidenced thereby.

I am admitted to practice in the State of Illinois and I express no opinion as to any laws other than federal laws of the United States of America and the laws of the State of Illinois.

This opinion is issued at the Developer's and the General Partner's request for the benefit of the City and its counsel, and may not be disclosed to or relied upon by any other person.

Very truly yours,

B. Statutory Authority: The City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 et seq., as amended from time to time (the "Act"), to finance projects that eradicate blighted conditions and conservation area factors through the use of tax increment allocation financing for redevelopment projects.

C. City Council Authority: To induce redevelopment pursuant to the Act, the City Council of the City (the "City Council") adopted the following ordinances on January 10, 1996: (1) "An Ordinance of the City of Chicago, Illinois Approving a Redevelopment Plan for the 49th Street/St. Lawrence Avenue Redevelopment Project Area" (the "Plan Adoption Ordinance"); (2) "An Ordinance of the City of Chicago, Illinois Designating the 49th Street/St. Lawrence Avenue Redevelopment Project Area as a Redevelopment Project Area Pursuant to the Tax Increment Allocation Redevelopment Act"; and (3) "An Ordinance of the City of Chicago, Illinois Adopting Tax Increment Allocation Financing for the 49th Street/St. Lawrence Avenue Redevelopment Project Area" (the "TIF Adoption Ordinance").

The Scope Drawings and Plans and Specifications shall at all times conform to the Redevelopment Plan and all applicable federal, state and local laws, ordinances and regulations. Developer shall submit all

necessary documents to the City's Building Department, Department of Transportation and such other City departments or governmental authorities as may be necessary to acquire building permits and other required approvals for the Project.

3.03 Project Budget. Developer has furnished to DPD, and DPD has approved, a Project Budget showing total costs for the Project in an amount not less than $15,000,000. Developer hereby certifies to the City that (a) the City Funds, together with Lender Financing and Equity described in Section 4.01 hereof, shall be sufficient to complete the Project; and (b) the Project Budget is true, correct and complete in all material respects. Developer shall promptly deliver to DPD certified copies of any Change Orders with respect to the Project Budget for approval pursuant to Section 3.04 hereof.

The Developer shall not authorize or permit the performance of any work relating to any Change Order or the furnishing of materials in connection therewith prior to the receipt by the Developer of DPD's written approval. The Construction Contract, and each contract between the General Contractor and any subcontractor, shall contain a provision to this effect. An approved Change Order shall not be deemed to imply any obligation on the part of the City to increase the amount of City Funds which the City has pledged pursuant to this Agreement or provide any other additional assistance to the Developer.

3.05 DPD Approval. Any approval granted by DPD of the Scope Drawings, Plans and Specifications and the Change Orders is for the purposes of this Agreement only and does not affect or constitute any approval required by any other City department or pursuant to any City ordinance, code, regulation or any other governmental approval, nor does any approval by DPD pursuant to this Agreement constitute approval of the quality, structural soundness or safety of the Property or the Project.

3.06 Other Approvals. Any DPD approval under this Agreement shall have no effect upon, nor shall it operate as a waiver of, Developer's obligations to comply with the provisions of Section 5.03 (Other Governmental Approvals) hereof. Developer shall not commence construction of the Project until Developer has obtained all necessary permits and approvals (including but not limited to DPD's approval of the Scope Drawings and Plans and Specifications) and proof of the General Contractor's and each subcontractor's bonding as required hereunder.

3.07 Progress Reports and Survey Updates. Developer shall provide DPD with written quarterly progress reports detailing the status of the Project, including a revised completion date, if necessary (with any change in completion date being considered a Change Order, requiring DPD's written approval pursuant to Section 3.04). Developer shall provide three (3) copies of an updated Survey to DPD upon the request of DPD or any lender providing Lender Financing, reflecting improvements made to the Property.

3.08 Inspecting Agent or Architect. An independent agent or architect (other than Developer's architect) approved by DPD shall be selected to act as the inspecting agent or architect, at Developer's expense, for the Project. 3.11 Utility Connections. Developer may connect all on-site water, sanitary, storm and sewer lines constructed on the Property to City utility lines existing on or near the perimeter of the Property, provided Developer first complies with all City requirements governing such connections, including the payment of customary fees and costs related thereto.

4.01 Total Project Cost and Sources of Funds. The cost of the Project is estimated to be $15,468,017, to be applied in the manner set forth in the Project Budget. Such costs shall be funded from the following sources:

Equity (subject to Sections 4.03(b) and 4.06) *	$9,550,000
Lender Financing *	$3,918,017
Estimated City Funds (subject to Section 4.03)	$2,000,000
ESTIMATED TOTAL	$15,468,017

* The ratio of these two rows can change as between them, provided that the Estimated Total remains as written above.

4.02 Developer Funds. Equity and/or Lender Financing may be used to pay any Project cost, including but not limited to Redevelopment Project Costs.

4.03 City Funds.

(a) Uses of City Funds. City Funds may only be used to pay directly or reimburse Developer for costs of TIF-Eligible Improvements that constitute Redevelopment Project Costs for the TIF Facility. Exhibit C sets forth, by line item, the TIF-Eligible Improvements for the TIF Facility, and the maximum amount of costs that may be paid by or reimbursed from City Funds for each line item therein (subject to Sections 4.03(b) and 4.05(d)), contingent upon receipt by the City of documentation satisfactory in form and substance to DPD evidencing such cost and its eligibility as a Redevelopment Project Cost.

(b) Sources of City Funds. Subject to the terms and conditions of this Agreement, including but not limited to this Section 4.03 and Section 5 hereof, the City hereby agrees to provide City funds from the sources and in the amounts described directly below (the "City Funds") to pay for or reimburse Developer for the costs of the TIF-Eligible Improvements:

Source of City Funds	Maximum Amount
Incremental Taxes	$2,000,000

provided, however, that the amount to be derived from Incremental Taxes shall be available to pay costs related to TIF-Eligible Improvements and allocated by the City for that purpose only so long as the amount of the Incremental Taxes deposited into the TIF Fund shall be sufficient to pay for such costs. Developer acknowledges and agrees that the City's obligation to pay for TIF-Eligible Improvements is contingent upon the fulfillment of this proviso. In the event that such condition is not fulfilled, the amount of Equity to be contributed or Lender Financing obtained by Developer pursuant to Section 4.01 hereof shall increase proportionately.

(c) Disbursements of City Funds. The City shall commence paying City Funds, in lump sum amounts, to TCB as reimbursement for TIF-Eligible Improvements, pursuant to the following schedule; provided, however, that each payment of City Funds is expressly contingent upon DPD having first received, along with the Requisition Form, documentation satisfactory in form and substance to DPD evidencing Developer's compliance with the applicable provisions of this Agreement.

Payment Amount and Date:	**Conditions on Each Payment:**
First Payment: $1,000,000 not later than 45 days following the completion of all of the following:	- 50% or more of the Project has been completed, and - a properly completed Requisition Form for this amount has been filed
Second Payment: $500,000 not later than 45 days following the completion of all of the following:	- 75% or more of the Project has been completed, and - a properly completed Requisition Form for this amount has been filed

Third Payment: $500,000 not later than 45 days following the completion of all of the following::	- 100% of the Project has been completed, and - a properly completed Requisition Form for this amount has been filed, and - the City has issued the Certificate

4.04 Requisition Form. In order to request each disbursement of the City Funds as set forth in Section 4.03(c) above, the Developer shall provide DPD with a Requisition Form, along with the documentation described therein.

4.05 Treatment of Prior Expenditures and Allocation Among Line Items.

(a) Prior Expenditures. Only those expenditures made by Developer with respect to the Project prior to the Closing Date, evidenced by documentation satisfactory to DPD and approved by DPD as satisfying costs covered in the Project Budget, shall be considered previously contributed Equity or Lender Financing hereunder (the "Prior Expenditures"). DPD shall have the right, in its sole discretion, to disallow any such expenditure as a Prior Expenditure. Exhibit I hereto sets forth the prior expenditures approved by DPD as of the date hereof as Prior Expenditures. Prior Expenditures made for items other than TIF-Eligible Improvements shall not be reimbursed to Developer, but shall reduce the amount of Equity and/or Lender Financing required to be contributed by Developer pursuant to Section 4.01 hereof.

(b) Allocation Among Line Items. Disbursements for expenditures related to TIF-Eligible Improvements may be allocated to and charged against the appropriate line only, with transfers of costs and expenses from one line item to another, without the prior written consent of DPD, being prohibited; provided, however, that such transfers among line items, in an amount not to exceed $25,000 or $100,000 in the aggregate, may be made without the prior written consent of DPD.

4.06 Cost Overruns. If the aggregate cost of the TIF-Eligible Improvements exceeds City Funds available pursuant to Section 4.03 hereof, or if the cost of completing the Project exceeds the Project Budget, Developer shall be solely responsible for such excess cost, and shall hold the City harmless from any and all costs and expenses of completing the TIF-Eligible Improvements in excess of City Funds and of completing the Project.

4.07 Preconditions of Disbursement. Prior to each disbursement of City Funds hereunder, Developer shall submit documentation regarding the applicable expenditures to DPD, which shall be satisfactory to DPD in its sole discretion. Delivery by Developer to DPD of any request for disbursement of City Funds hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for disbursement, that:

(a) the total amount of the disbursement request represents the actual amount payable to (or paid to) the General Contractor and/or subcontractors who have performed work

on the Project, and/or their payees;

(b) all amounts shown as previous payments on the current disbursement request have been paid to the parties entitled to such payment;

(c) Developer has approved all work and materials for the current disbursement request, and such work and materials conform to the Plans and Specifications;

(d) the representations and warranties contained in this Redevelopment Agreement are true and correct and Developer is in compliance with all covenants contained herein;

(e) Developer has received no notice and has no knowledge of any liens or claim of lien either filed or threatened against the Property except for the Permitted Liens; and

(f) no Event of Default or condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default exists or has occurred.

4.08 Conditional Grant. The City Funds being provided hereunder are being granted on a conditional basis, subject to the Developer's compliance with the provisions of this Agreement.

SECTION 5. CONDITIONS PRECEDENT

Developer has delivered to DPD a copy of the construction escrow agreement entered into by Developer regarding the Lender Financing. Any liens against the Property in existence at the Closing Date have been subordinated to certain encumbrances of the City set forth herein pursuant to a

Subordination Agreement, in a form acceptable to the City, executed on or prior to the Closing Date, which is to be recorded, at the expense of Developer, with the Office of the Recorder of Deeds of Cook County.

5.05 Acquisition and Title. On the Closing Date, the Evans Langley entity has furnished the City with a copy of the Title Policy for the entire Property, certified by the Title Company, showing Evans Langley as the named insured. The Title Policy is dated as of the Closing Date and contains only those title exceptions listed as Permitted Liens on Exhibit G hereto and evidences the recording of this Agreement pursuant to the provisions of Section 8.18 hereof. The Title Policy also contains such endorsements as shall be required by Corporation Counsel, including but not limited to an owner's comprehensive endorsement and satisfactory endorsements regarding zoning (3.1 with parking), contiguity, location, access and survey. Developer has provided to DPD, on or prior to the Closing Date, documentation related to the purchase of the Property and certified copies of all easements and encumbrances of record with respect to the Property not addressed, to DPD's satisfaction, by the Title Policy and any endorsements thereto.

On the Closing Date, Developer has furnished the City with an opinion of counsel, substantially in the form attached hereto as Exhibit J, with such changes as required by or acceptable to Corporation Counsel. If Developer has engaged special counsel in connection with the Project, and such special counsel is unwilling or unable to give some of the opinions set forth in Exhibit J hereto, such opinions were obtained by Developer from its general corporate counsel.

Notwithstanding acceptance by the City of the EDS, failure of the EDS to include all information required under the Municipal Code renders this Agreement voidable at the option of the City. Developer and any other parties required by this Section 5.14 to complete an EDS must promptly update their EDS(s) on file with the City whenever any information or response provided in the EDS(s) is no longer complete and accurate, including changes in ownership and changes in disclosures and information pertaining to ineligibility to do business with the City under Chapter 1-23 of the Municipal Code, as such is required under Sec. 2-154-020, and failure to promptly provide the updated EDS(s) to the City will constitute an event of default under this Agreement.

5.15 Litigation. Developer has provided to Corporation Counsel and DPD, a description of all pending or threatened litigation or administrative proceedings involving Developer, specifying, in each case, the amount of each claim, an estimate of probable liability, the amount of any reserves taken in connection therewith and whether (and to what extent) such potential liability is covered by insurance.

SECTION 6. AGREEMENTS WITH CONTRACTORS

6.01 Bid Requirement for General Contractor and Subcontractors. Developer has selected the General Contractor (or shall cause the General Contractor to select the subcontractor) submitting the lowest responsible bid who can complete the Project in a timely manner in accordance with this Agreement. If Developer selects a General Contractor (or the General Contractor selects any subcontractor) submitting other than the lowest responsible bid for the TIF-Eligible Improvements, the difference between the lowest responsible bid and the bid selected may not be paid out of City Funds. Developer shall submit copies of the Construction Contract to DPD in accordance with Section 6.02 below. Photocopies of all subcontracts entered or to be entered into in connection with the TIF-Eligible Improvements shall be provided to DPD within five (5) business days of the execution thereof. Developer shall ensure that the General Contractor shall not (and shall cause the General Contractor to ensure that the subcontractors shall not) begin work on the Project until the Plans and Specifications have been approved by DPD and all requisite permits have been obtained.

6.02 Construction Contract. Prior to the execution thereof, Developer shall deliver to DPD a copy of the proposed Construction Contract with the General Contractor selected to handle the Project in accordance with Section 6.01 above, for DPD's prior written approval, which shall be granted or denied within ten (10) business days after delivery thereof. Within ten (10) business days after execution of such contract by Developer, the General Contractor and any other parties thereto, Developer shall deliver to DPD and Corporation Counsel a certified copy of such contract together with any modifications, amendments or supplements thereto.

6.03 Performance and Payment Bonds. Prior to the commencement of any portion of the Project which includes work on the public way, Developer shall require that the General Contractor be bonded for its payment by sureties having an AA rating or better using a bond in the form attached as Exhibit O hereto. The City shall be named as obligee or co-obligee on any such bonds.

6.04 Employment Opportunity. Developer shall contractually obligate and cause the General Contractor and each subcontractor to agree to the provisions of Section 10 hereof.

6.05 Other Provisions. SECTION 7. COMPLETION OF CONSTRUCTION AND REHABILITATION

7.01 Certificate of Completion of Construction and Rehabilitation.

Upon Developer's proof of the satisfactory completion of the following:

- The Developer has completed construction of the Project; and
- The City has issued a Certificate of Occupancy for the TIF Facility and also, if required by the City, for the Non-TIF Facility; and
- The City's Monitoring and Compliance unit has determined in writing that the Developer is in complete compliance with all City Requirements (M/WBE, City Residency and Prevailing Wage), as provided in the Agreement; and
- The Developer has submitted adequate documentation of Project costs for the Project to DPD; and
- Developer has provided evidence, to the City's satisfaction, of its having incurred and paid for the TIF-Eligible Improvements;

and upon Developer's written request, DPD shall issue to Developer a Certificate in recordable form certifying that Developer has fulfilled its obligation to complete the Project in accordance with the terms of this Agreement. DPD shall respond to Developer's written request for a Certificate within forty-five (45) days by issuing either a Certificate or a written statement detailing the ways in which the Project does not conform to this Agreement or has not been satisfactorily completed, and the measures which must be taken by Developer in order to obtain the Certificate. Developer may resubmit a written request for a Certificate upon completion of such measures.

7.02 Effect of Issuance of Certificate; Continuing Obligations. The Certificate relates only to the construction and rehabilitation of the Project and, upon its issuance, the City will certify that the terms of the Agreement specifically related to Developer's obligation to complete such activities have been satisfied. After the issuance of a Certificate, however, all executory terms and conditions of this Agreement and all representations and covenants contained herein will continue to remain in full force and effect throughout the Term of the Agreement as to the parties described in the following paragraph, and the issuance of the Certificate shall not be construed as a waiver by the City of any of its rights and remedies pursuant to such executory terms.

Those covenants specifically described at Sections 8.02, 8.19 and 8.25 as covenants that run with the land are the only covenants in this Agreement intended to be binding upon any transferee of the Property (including an assignee as described in the following sentence) throughout the Term of the Agreement notwithstanding the issuance of a Certificate; provided, that upon the issuance of a Certificate, the covenants set forth in Section 8.02 shall be deemed to have been fulfilled. The other executory terms of this Agreement that remain after the issuance of a Certificate shall be binding only upon Developer or a permitted assignee of Developer who,

pursuant to Section 18.15 of this Agreement, has contracted to take an assignment of Developer's rights under this Agreement and assume Developer's liabilities hereunder.

7.03 Failure to Complete. If Developer fails to complete the Project in accordance with the terms of this Agreement, then the City has, but shall not be limited to, any of the following rights and remedies:

(a) the right to terminate this Agreement and cease all disbursement of City Funds not yet disbursed pursuant hereto;

(b) the right (but not the obligation) to complete those TIF-Eligible Improvements that are public improvements and to pay for the costs of TIF-Eligible Improvements (including interest costs) out of City Funds or other City monies. In the event that the aggregate cost of completing the TIF-Eligible Improvements exceeds the amount of City Funds available pursuant to Section 4.01, Developer shall reimburse the City for all reasonable costs and expenses incurred by the City in completing such TIF-Eligible Improvements in excess of the available City Funds; and

(c) the right to seek reimbursement of the City Funds from Developer.

7.04 Notice of Expiration of Term of Agreement. Upon the expiration of the Term of the Agreement, DPD shall provide Developer, at Developer's written request, with a written notice in recordable form stating that the Term of the Agreement has expired.

SECTION 8. COVENANTS/REPRESENTATIONS/WARRANTIES OF DEVELOPER.

8.01 General. Developer represents, warrants and covenants, as of the date of this Agreement and as of the date of each disbursement of City Funds hereunder, that:

(c) the execution, delivery and performance by Developer of this Agreement has been duly authorized by all necessary action, and does not and will not violate its Articles of Organization or operating agreement as amended and supplemented, any applicable provision of law, or constitute a breach of, default under or require any consent under any agreement, instrument or document to which Developer is now a party or by which Developer is now or may become bound;

(d) unless otherwise permitted or not prohibited pursuant to or under the terms of this Agreement, Evans Langley shall acquire and shall maintain good, indefeasible and merchantable fee simple title to the Property (and all improvements thereon) free and clear of all liens (except for the Permitted Liens, Lender Financing as disclosed in the Project Budget and non-governmental charges that Developer is contesting in good faith pursuant to Section 8.15 hereof);

(j) prior to the issuance of a Certificate, Developer shall not do any of the following without the prior written consent of DPD: (1) be a party to any merger, liquidation or consolidation; (2) sell, transfer, convey, lease or otherwise dispose of all or substantially all of its assets or any portion of the Property (including but not limited to any fixtures or equipment now or hereafter attached thereto) except in the ordinary course of business, which ordinary course, for TCB, includes pledging portions of its assets to secure indebtedness incurred by TCB from time to time; (3) enter into any transaction outside the ordinary course of Developer's business; (4) assume, guarantee, endorse, or otherwise become liable in connection with the obligations of any other person or entity (this applies to Evans Langley only); or (5) enter into any transaction that would cause a material and detrimental change to Developer's financial condition;

(k) Developer has not incurred, and, prior to the issuance of a Certificate, shall not, without the prior written consent of the Commissioner of DPD, allow the existence of any liens against the Property (or improvements thereon) other than the Permitted Liens; or incur any indebtedness, secured or to be secured by the Property (or improvements thereon) or any fixtures now or hereafter attached thereto, except Lender Financing disclosed in the Project Budget; and

(l) Developer has not made or caused to be made, directly or indirectly, any payment, gratuity or offer of employment in connection with the Agreement or any contract paid from the City treasury or pursuant to City ordinance, for services to any City agency ("City Contract") as an inducement for the City to enter into the Agreement or any City Contract with Developer in violation of Chapter 2-156-120 of the Municipal Code; and

(m) neither Developer nor any affiliate of Developer is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. For purposes of this subparagraph (m) only, the term "affiliate," when used to indicate a relationship with a specified person or entity, means a person or entity that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with such specified person or entity, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

8.02 Covenant to Redevelop. Upon DPD's approval of the Project Budget, the Scope Drawings and Plans and Specifications as provided in Sections 3.02 and 3.03 hereof, and Developer's receipt of all required building permits and governmental approvals, Developer shall redevelop the Property in accordance with this Agreement and all Exhibits attached hereto, the TIF Ordinances, the Scope Drawings, Plans and Specifications, Project Budget and all amendments thereto, and all federal, state and local laws, ordinances, rules, regulations, executive orders and codes applicable to the Project, the Property and/or Developer. The covenants set forth in this Section shall run with the land and be binding upon any transferee, but shall be deemed satisfied upon issuance by the City of a Certificate with respect thereto.

8.03 Redevelopment Plan. Developer represents that the Project is and shall be in compliance with all of the terms of the Redevelopment Plan, which is hereby incorporated by reference into this Agreement.

8.04 Use of City Funds. City Funds disbursed to Developer shall be used by Developer solely to pay for (or to reimburse Developer for its payment for) the TIF-Eligible Improvements as provided in this Agreement.

8.05 Other Bonds. Developer shall, at the request of the City, agree to any reasonable amendments to this Agreement that are necessary or desirable in order for the City to issue (in its sole discretion) any bonds in connection with the Redevelopment Area, the proceeds of which may be used to reimburse the City for expenditures made in connection with the TIF-Eligible Improvements (the "Bonds"); provided, however, that any such amendments shall not have a material adverse effect on Developer or the Project. Developer shall, at Developer's expense, cooperate and provide reasonable assistance in connection with the marketing of any such

Bonds, including but not limited to providing written descriptions of the Project, making representations, providing information regarding its financial condition and assisting the City in preparing an offering statement with respect thereto.

8.06 [intentionally omitted]

8.07 Employment Opportunity; Progress Reports. Developer covenants and agrees to abide by, and contractually obligate and use reasonable efforts to cause the General Contractor and each subcontractor to abide by the terms set forth in Section 10 hereof. Developer shall deliver to the City written progress reports detailing compliance with the requirements of Sections 8.09, 10.02 and 10.03 of this Agreement. Such reports shall be delivered to the City monthly during the construction or rehabilitation period. If any such reports indicate a shortfall in compliance, Developer shall also deliver a plan to DPD which shall outline, to DPD's satisfaction, the manner in which Developer shall correct any shortfall.

8.08 Employment Profile. Developer shall submit, and contractually obligate and cause the General Contractor or any subcontractor to submit, to DPD, from time to time, statements of its employment profile upon DPD's request.

8.09 Prevailing Wage. To the extent that the Davis/Bacon wages do not apply to any given wage classification, Developer covenants and agrees to pay, and to contractually obligate and cause the General Contractor and each subcontractor to pay, the prevailing wage rate as ascertained by the Illinois Department of Labor (the "Department"), to all Project employees. All such contracts shall list the specified rates to be paid to all laborers, workers and mechanics for each craft or type of worker or mechanic employed pursuant to such contract. If the Department revises such prevailing wage rates, the revised rates shall apply to all such contracts. Upon the City's request, Developer shall provide the City with copies of all such contracts entered into by Developer or the General Contractor to evidence compliance with this Section 8.09.

8.10 Arms-Length Transactions. Unless DPD has given its prior written consent with respect thereto, no Affiliate of Developer may receive any portion of City Funds, directly or indirectly, in payment for work done, services provided or materials supplied in connection with any TIF-Eligible Improvement. Developer shall provide information with respect to any entity to receive City Funds directly or indirectly (whether through payment to the Affiliate by Developer and reimbursement to Developer for such costs using City Funds, or otherwise), upon DPD's request, prior to any such disbursement.

8.11 Conflict of Interest. Pursuant to Section 5/11-74.4-4(n) of the Act, Developer represents, warrants and covenants that, to the best of its knowledge, no member, official, or employee of the City, or of any commission or committee exercising authority over the Project, the Redevelopment Area or the Redevelopment Plan, or any consultant hired by the City or Developer with respect thereto, owns or controls, has owned or controlled or will own or control any interest, and no such person shall represent any person, as agent or otherwise, who owns or controls, has owned or controlled, or will own or control any interest, direct or indirect, in Developer's business, the Property or any other property in the Redevelopment Area.

8.12 Disclosure of Interest. Developer's counsel has no direct or indirect financial ownership interest in Developer, the Property or any other aspect of the Project.

8.13 Financial Statements. Developer shall obtain and provide to DPD Financial Statements for Developer's fiscal year ended 2014 and each fiscal year thereafter for the Term of the Agreement. In addition, Developer shall submit unaudited financial statements as soon as reasonably practical following the close of each fiscal year and for such other periods as DPD may request.

8.14 Insurance. Developer, at its own expense, shall comply with all provisions of Section 12 hereof.

8.15 Non-Governmental Charges.

(a) Payment of Non-Governmental Charges. Except for the Permitted Liens, Developer agrees to pay or cause to be paid when due any Non-Governmental Charge assessed or imposed upon the Project, the Property or any fixtures that are or may become attached thereto, which creates, may create, or appears to create a lien upon all or any portion of the Property or Project; provided however, that if such Non-Governmental Charge may be paid in installments, Developer may pay the same together with any accrued interest thereon in installments as they become due and before any fine, penalty, interest, or cost may be added thereto for nonpayment. Developer shall furnish to DPD, within thirty (30) days of DPD's request, official receipts from the appropriate entity, or other proof satisfactory to DPD, evidencing payment of the Non-Governmental Charge in question.

(b) Right to Contest. Developer has the right, before any delinquency occurs:

(i) to contest or object in good faith to the amount or validity of any Non-Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charge, prevent the imposition of a lien or remove such lien, or prevent the sale or forfeiture of the Property (so long as no such contest or objection shall be deemed or construed to relieve, modify or extend Developer's covenants to pay any such Non-Governmental Charge at the time and in the manner provided in this Section 8.15); or

(ii) at DPD's sole option, to furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully any such contested Non-Governmental Charge and all interest and penalties upon the adverse determination of such contest.

8.16 Developer's Liabilities. Developer shall not enter into any transaction that would materially and adversely affect its ability to perform its obligations hereunder or to repay any material liabilities or perform any material obligations of Developer to any other person or entity. Developer shall immediately notify DPD of any and all events or actions which may materially affect Developer's ability to carry on its business operations or perform its obligations under this Agreement or any other documents and agreements.

8.17 Compliance with Laws. To the best of Developer's knowledge, after diligent inquiry, the Property and the Project are (except for the conditions that are being addressed by the Project) and shall be in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, executive orders and codes pertaining to or affecting the Project and the Property. Upon the City's request, Developer shall provide evidence satisfactory to the City of such compliance.

8.18 Recording and Filing. Developer shall cause this Agreement, certain exhibits (as specified by Corporation Counsel), all amendments and supplements hereto to be recorded and filed against the Property on the date hereof in the conveyance and real property records of the county in which the Project is located. ***This Agreement shall be recorded prior to any mortgage made in connection with Lender Financing.*** Developer shall pay all fees and charges incurred in connection with any such recording. Upon recording, Developer shall immediately transmit to the City an executed original of this Agreement showing the date and recording number of record.

8.19 Real Estate Provisions.

(a) Governmental Charges.

(i) Payment of Governmental Charges. Developer agrees to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon Developer, the Property or the Project, or become due and payable, and which create, may create, a lien upon Developer or all or any portion of the Property or the Project. "Governmental Charge" shall mean all federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties of the State other than Cook County, and municipalities other than the City) relating to Developer, the Property or the Project including but not limited to real estate taxes.

(ii) Right to Contest. Developer has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or forfeiture of the Property. Developer's right to challenge real estate taxes applicable to the Property is limited as provided for in Section 8.19(c) below; provided, that such real estate taxes must be paid in full when due and may be disputed only after such payment is made. No such contest or objection shall be

deemed or construed in any way as relieving, modifying or extending Developer's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless Developer has given prior written notice to DPD of Developer's intent to contest or object to a Governmental Charge and, unless, at DPD's sole option,

(i) Developer shall demonstrate to DPD's satisfaction that legal proceedings instituted by Developer contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of, all or any part of the Property to satisfy such Governmental Charge prior to final determination of such proceedings; and/or

(ii) Developer shall furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

(b) Developer's Failure To Pay Or Discharge Lien. If Developer fails to pay any Governmental Charge or to obtain discharge of the same, Developer shall advise DPD thereof in writing, at which time DPD may, but shall not be obligated to, and without waiving or releasing any obligation or liability of Developer under this Agreement, in DPD's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which DPD deems advisable. All sums so paid by DPD, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be promptly disbursed to DPD by Developer. Notwithstanding anything contained herein to the contrary, this paragraph shall not be construed to obligate the City to pay any such Governmental Charge. Additionally, if Developer fails to pay any Governmental Charge, the City, in its sole discretion, may require Developer to submit to the City audited Financial Statements at Developer's own expense.

(c) Real Estate Taxes. [intentionally omitted]

(d) Notification to the Cook County Assessor of Change in Use and Ownership. Prior to the Closing Date, Developer shall complete a letter of notification, in accordance with 35 ILCS 200/15-20, notifying the Cook County Assessor that there has been a change in use and ownership of the Property. On the Closing Date, Developer shall pay to the Title Company the cost of sending the notification to the Cook County Assessor via certified mail, return receipt requested. After delivery of the notification, Developer shall forward a copy of the return receipt to DPD, with a copy to the City's Corporation Counsel's office.

(e) The covenants set forth in this Section 8.19 shall run with the land and be binding upon any transferee.

8.20 [intentionally omitted]

8.21 Annual Compliance Report. Beginning with the issuance of the Certificate and continuing throughout the Term of the Agreement, Developer shall submit to DPD the Annual Compliance Report within 30 days after the end of the calendar year to which the Annual Compliance Report relates.

8.22 Inspector General. It is the duty of Developer and the duty of any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all of Developer's officers, directors, agents, partners, and employees and any such bidder, proposer, contractor, subcontractor or such applicant: (a) to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code and (b) to cooperate with the Legislative Inspector General in any investigation undertaken pursuant to Chapter 2-55 of the Municipal Code. Developer represents that it understands and will abide by all provisions of Chapters 2-56 and 2-55 of the Municipal Code and that it will inform subcontractors of this provision and require their compliance.

8.23 [intentionally omitted]

8.24. FOIA and Local Records Act Compliance.

(a) FOIA. The Developer acknowledges that the City is subject to the Illinois Freedom of Information Act, 5 ILCS 140/1 et. seq., as amended ("FOIA"). The FOIA requires the City to produce records (very broadly defined in FOIA) in response to a FOIA request in a very short period of time, unless the records requested are exempt under the FOIA. If the Developer receives a request from the City to produce records within the scope of FOIA, then the Developer covenants to comply with such request within 48 hours of the date of such request. Failure by the Developer to timely comply with such request shall be an Event of Default.

(b) Exempt Information. Documents that the Developer submits to the City under Section 8.21 (Annual Compliance Report) or otherwise during the Term of the Agreement that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents submitted by the Developer to be treated as a trade secret or information that would cause competitive harm, FOIA requires that Developer mark any such documents as "proprietary, privileged or confidential." If the Developer marks a document as "proprietary, privileged and confidential," then DPD will evaluate whether such document may be withheld under the FOIA. DPD, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General's Office and/or the courts.

(c) Local Records Act. The Developer acknowledges that the City is subject to the Local Records Act, 50 ILCS 205/1 et. seq, as amended (the "Local Records Act"). The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, the Developer covenants to use its best efforts consistently applied to assist the City in its compliance with the Local Records Act

8.25 Affordable Housing Covenant.

(a) Until the expiration of the Redevelopment Area, the Developer covenants and agrees entire Project is subject to the provisions of the affordable housing requirements of the TIF Act.

(b) In addition to the provisions of Section 8.25(a) above, Developer agrees and covenants to the City that the provisions of that certain regulatory agreement ("Regulatory Agreement") that has been executed by Developer and DPD as of the date hereof in connection with the City's allocation of low-income housing tax credits to the Developer for all or a portion of the Project shall govern the terms of Developer's obligation to provide affordable housing for that portion of the Project.

(c) Following foreclosure, if any, and from the date of such foreclosure through the Term of the Agreement, the following provisions shall govern the terms of the obligation to provide affordable housing under this Agreement:

(i) The Project shall be operated and maintained solely as residential rental housing;

(ii) All of the units in the Project shall be available for occupancy to and be occupied solely by one or more households qualifying as Low Income Families (as defined below) upon initial occupancy; and

(iii) All of the units in the Project have monthly rents not in excess of thirty percent (30%) of the maximum allowable income for a Low Income Family (with the applicable Family size for such units determined in accordance with the rules specified in Section 42(g)(2) of the Internal Revenue Code of 1986, as amended); provided, however, that for any unit occupied by a Family (as defined below) that no longer qualifies as a Low Income Family due to an increase in such Family's income since the date of its initial occupancy of such unit, the maximum monthly rent for such unit shall not exceed thirty percent (30%) of such Family's monthly income.

(iv) As used in this Section 8.25(c), the following terms have the following meanings:

(A) "Family" shall mean one or more individuals, whether or not related by blood or marriage; and

(B) "Low Income Families" shall mean Families whose annual income does not exceed eighty percent (80%) of the Chicago-area median income, adjusted for Family size, as such annual income and Chicago-area median income are determined from time to time by the United States Department of Housing and Urban Development, and thereafter such income limits shall apply to this definition.

The covenants set forth in this Section 8.25 shall run with the land and be binding upon any transferee.

8.26 Survival of Covenants. All warranties, representations, covenants and agreements of Developer contained in this Section 8 and elsewhere in this Agreement shall be true, accurate and complete at the time of Developer's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and (except as provided in Section 7 hereof upon the issuance of a Certificate of Completion) shall be in effect throughout the Term of the Agreement.

SECTION 9. COVENANTS/REPRESENTATIONS/WARRANTIES OF CITY

9.01 General Covenants. The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations hereunder.

9.02 Survival of Covenants. All warranties, representations, and covenants of the City contained in this Section 9 or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

SECTION 10. DEVELOPER'S EMPLOYMENT OBLIGATIONS

10.01 Employment Opportunity. Developer, on behalf of itself and its successors and assigns, hereby agrees, and shall contractually obligate its or their various contractors, subcontractors or any Affiliate of Developer operating on the Property (collectively, with Developer, the "Employers" and individually an "Employer") to agree, that for the Term of this Agreement with respect to Developer and during the period of any other party's provision of services in connection with the construction of the Project or occupation of the Property:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time to time (the "Human Rights Ordinance"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age,

handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Redevelopment Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

(c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 10.01 shall be a basis for the City to pursue remedies under the provisions of Section 15.02 hereof.

10.02 City Resident Construction Worker Employment Requirement. Developer agrees for itself and its successors and assigns, and shall contractually obligate its General Contractor and shall cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code (at least 50 percent of the total worker hours worked by persons on the site of the Project shall be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, Developer, its General Contractor and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

Developer may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

"Actual residents of the City" shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

Developer, the General Contractor and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of DPD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

Developer, the General Contractor and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DPD, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. Developer, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

At the direction of DPD, affidavits and other supporting documentation will be required of Developer, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of Developer, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that Developer has failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject Developer, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to Developer pursuant to Section 2-92-250 of the Municipal Code may be withheld by the City pending the Chief Procurement Officer's determination as to whether Developer must surrender damages as provided in this paragraph.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246 " and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

Developer shall cause or require the provisions of this Section 10.02 to be included in all construction contracts and subcontracts related to the Project.

10.03. MBE/WBE Commitment. Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that during the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 10.03, during the course of the construction and rehabilitation of the Project, at least the following percentages of the hard construction costs (and, to the extent used, the hard construction contingency costs) that are set forth in the construction contract for the Project (and which costs may not be fully reflected on Exhibit H hereof) shall be expended for contract participation by MBEs and by WBEs:

(1) At least 24 percent by MBEs.
(2) At least four percent by WBEs.

(b) For purposes of this Section 10.03 only, Developer (and any party to whom a contract is let by Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code, Developer's MBE/WBE commitment may be achieved in part by Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by Developer utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials or services used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with

regard to Developer's MBE/WBE commitment as described in this Section 10.03. In accordance with Section 2-92-730, Municipal Code, Developer shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of DPD.

(d) Developer shall deliver quarterly reports to the City's monitoring staff during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by Developer or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining Developer's compliance with this MBE/WBE commitment. Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by Developer, on five Business Days' notice, to allow the City to review Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, Developer shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code, as applicable.

(f) Any reduction or waiver of Developer's MBE/WBE commitment as described in this Section 10.03 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code, as applicable.

(g) Prior to the commencement of the Project, Developer shall be required to meet with the City's monitoring staff with regard to Developer's compliance with its obligations under this Section 10.03. The General Contractor and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, Developer shall demonstrate to the City's monitoring staff its plan to achieve its obligations under this Section 10.03, the sufficiency of which shall be approved by the City's monitoring staff. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Developer is not a waiver by the City of any requirements for Developer to obtain and maintain the specified coverages. Developer shall advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance does not relieve Developer of the obligation to provide insurance as specified herein. (d) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of, or any attempt to create, any lien or other encumbrance upon the Property, including any fixtures now or hereafter attached thereto, other than the Permitted Liens, or the making or any attempt to make any levy, seizure or attachment thereof;

(e) the commencement of any proceedings in bankruptcy by or against Developer or for the liquidation or reorganization of Developer, or alleging that Developer is insolvent or unable

to pay its debts as they mature, or for the readjustment or arrangement of Developer's debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving Developer; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings;

(f) the appointment of a receiver or trustee for Developer, for any substantial part of Developer's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of Developer; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within sixty (60) days after the commencement thereof;

(g) the entry of any judgment or order against Developer which remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution;

15.02 Remedies. Upon the occurrence of an Event of Default, the City may terminate this Agreement and any other agreements to which the City and Developer are or shall be parties, suspend disbursement of City Funds, and seek reimbursement of any City Funds paid. The City

may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to damages, injunctive relief or the specific performance of the agreements contained herein. Upon the occurrence of an Event of Default under Section 8.06, Developer shall be obligated to repay to the City all previously disbursed City Funds.

15.03 Curative Period. In the event Developer shall fail to perform a monetary covenant which Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless Developer, or any Developer-related party listed in Section 17 hereof, has failed to perform such monetary covenant within ten (10) days of its receipt of a written notice from the City specifying that it has failed to perform such monetary covenant. In the event Developer shall fail to perform a non-monetary covenant which Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless Developer, or any Developer-related party listed in Section 17 hereof, has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such thirty (30) day period, Developer shall not be deemed to have committed an Event of Default under this Agreement if it, or any Developer-related party listed in Section 17 hereof, has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

Any mortgage or deed of trust that Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof is referred to herein as a "New Mortgage." Any New Mortgage that Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof with the prior written consent of the City is referred to herein as a "Permitted Mortgage." It is hereby agreed by and between the City and Developer as follows:

(a) In the event that a mortgagee or any other party shall succeed to Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under a New Mortgage (other than a Permitted Mortgage), whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of Developer's interest hereunder in accordance with Section 18.15 hereof, the City may, but shall not be obligated to, attorn to and recognize such party as the successor in interest to Developer for all purposes under this Agreement and, unless so recognized by the City as the successor in interest, such party shall be entitled to no rights or benefits under this Agreement, but such party shall be bound by those provisions of this Agreement that are covenants expressly running with the land.

However, if such mortgagee under a Permitted Mortgage or an Existing Mortgage does not expressly accept an assignment of Developer's interest hereunder, such party shall be entitled to no rights and benefits under this Agreement, and such party shall be bound only by those provisions of this Agreement, if any, which are covenants expressly running with the land.

Waiver by the City or Developer with respect to any breach of this Agreement shall not be considered or treated as a waiver of the rights of the respective party with respect to any other default or with respect to any particular default, except to the extent specifically waived by the City or Developer in writing. No delay or omission on the part of a party in exercising any right shall operate as a waiver of such right or any other right unless pursuant to the specific terms hereof. A waiver by a party of a provision of this Agreement shall not prejudice or constitute a waiver of such party's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by a party, and no any course of dealing between the parties hereto, shall constitute a waiver of any such parties' rights or of any obligations of any other party hereto as to any future transactions.

18.06 Remedies Cumulative. The remedies of a party hereunder are cumulative and the exercise of any one or more of the remedies provided for herein shall not be construed as a waiver of any other remedies of such party unless specifically so provided herein.

18.07 Disclaimer. Nothing contained in this Agreement or any act of the City shall be deemed or construed by any of the parties, or by any third person, to create or imply any relationship of third-party beneficiary, principal or agent, limited or general partnership or joint venture, or to create or imply any association or relationship involving the City.

18.08 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which shall constitute one and the same agreement.

18.09 Severability. If any provision in this Agreement, or any paragraph, sentence, clause, phrase, word or the application thereof, in any circumstance, is held invalid, this Agreement shall be construed as if such invalid part were never included herein and the remainder of this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

OPINION OF DEVELOPER'S COUNSEL

[To be retyped on Developer's Counsel's letterhead, or as revised subject to approval of the City's Law Department]

—, ——

City of Chicago
121 North LaSalle Street, Room 1000
Chicago, IL 60602

ATTENTION: Corporation Counsel

Ladies and Gentlemen:

We have acted as counsel to _____, an [Illinois] _____ (the "Developer"), in connection with the purchase of certain land and the construction of certain facilities thereon located in the _____ Redevelopment Project Area (the "Project"). In that capacity, we have examined, among other things, the following agreements, instruments and documents of even date herewith, hereinafter referred to as the "Documents":

(a) _____ Redevelopment Agreement (the "Agreement") of even date herewith, executed by Developer and the City of Chicago (the "City");

(c) [insert other documents including but not limited to documents related to purchase and financing of the Property and all lender financing related to the Project]; and

(d) all other agreements, instruments and documents executed in connection with the foregoing.

In addition to the foregoing, we have examined

(a) the original or certified, conformed or photostatic copies of Developer's (i) Articles of Incorporation, as amended to date, (ii) qualifications to do business and certificates of good standing in all states in which Developer is qualified to do business, (iii) By-Laws, as amended to date, and (iv) records of all corporate proceedings relating to the Project [revise if Developer is not a corporation]; and

(b) such other documents, records and legal matters as we have deemed necessary or relevant for purposes of issuing the opinions hereinafter expressed.

In all such examinations, we have assumed the genuineness of all signatures (other than those of Developer), the authenticity of documents submitted to us as originals and conformity to the originals of all documents submitted to us as certified, conformed or photostatic copies.

Based on the foregoing, it is our opinion that:

1. Developer is a corporation duly organized, validly existing and in good standing under the laws of its state of [incorporation] [organization], has full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a foreign [corporation] [entity] under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business.

2. Developer has full right, power and authority to execute and deliver the Documents to which it is a party and to perform its obligations thereunder. Such execution, delivery and performance will not conflict with, or result in a breach of, Developer's [Articles of Incorporation or By-Laws] [describe any formation documents if Developer is not a corporation] or result in a breach or other violation of any of the terms, conditions or provisions of any law or regulation, order, writ, injunction or decree of any court, government or regulatory authority, or, to the best of our knowledge after diligent inquiry, any of the terms, conditions or provisions of any agreement, instrument or document to which Developer is a party or by which Developer or its properties is bound. To the best of our knowledge after diligent inquiry, such execution, delivery and performance will not constitute grounds for acceleration of the maturity of any agreement, indenture, undertaking or other instrument to which Developer is a party or by which it or any of its property may be bound, or result in the creation or imposition of (or the obligation to create or impose) any lien, charge or encumbrance on, or security interest in, any of its property pursuant to the provisions of any of the foregoing, other than liens or security interests in favor of the lender providing Lender Financing (as defined in the Agreement).

3. The execution and delivery of each Document and the performance of the transactions contemplated thereby have been duly authorized and approved by all requisite action on the part of Developer.

4. Each of the Documents to which Developer is a party has been duly executed and delivered by a duly authorized officer of Developer, and each such Document constitutes the legal, valid and binding obligation of Developer, enforceable in accordance with its terms, except as limited by applicable bankruptcy, reorganization, insolvency or similar laws affecting the enforcement of creditors' rights generally.

5. Exhibit A attached hereto (a) identifies each class of capital stock of Developer, (b) sets forth the number of issued and authorized shares of each such class, and (c) identifies the record owners of shares of each class of capital stock of Developer and the number of shares held of record by each such holder. To the best of our knowledge after diligent inquiry, except as set forth on Exhibit A, there are no warrants, options, rights or commitments of

purchase, conversion, call or exchange or other rights or restrictions with respect to any of the capital stock of Developer. Each outstanding share of the capital stock of Developer is duly authorized, validly issued, fully paid and nonassessable.

6. To the best of our knowledge after diligent inquiry, no judgments are outstanding against Developer, nor is there now pending or threatened, any litigation, contested claim or governmental proceeding by or against Developer or affecting Developer or its property, or seeking to restrain or enjoin the performance by Developer of the Agreement or the transactions contemplated by the Agreement, or contesting the validity thereof. To the best of our knowledge after diligent inquiry, Developer is not in default with respect to any order, writ, injunction or decree of any court, government or regulatory authority or in default in any respect under any law, order, regulation or demand of any governmental agency or instrumentality, a default under which would have a material adverse effect on Developer or its business.

7. To the best of our knowledge after diligent inquiry, there is no default by Developer or any other party under any material contract, lease, agreement, instrument or commitment to which Developer is a party or by which the company or its properties is bound.

8. To the best of our knowledge after diligent inquiry, all of the assets of Developer are free and clear of mortgages, liens, pledges, security interests and encumbrances except for those specifically set forth in the Documents.

9. The execution, delivery and performance of the Documents by Developer have not and will not require the consent of any person or the giving of notice to, any exemption by, any registration, declaration or filing with or any taking of any other actions in respect of, any person, including without limitation any court, government or regulatory authority.

10. To the best of our knowledge after diligent inquiry, Developer owns or possesses or is licensed or otherwise has the right to use all licenses, permits and other governmental approvals and authorizations, operating authorities, certificates of public convenience, goods carriers permits, authorizations and other rights that are necessary for the operation of its business.

11. A federal or state court sitting in the State of Illinois and applying the choice of law provisions of the State of Illinois would enforce the choice of law contained in the Documents and apply the law of the State of Illinois to the transactions evidenced thereby.

We are attorneys admitted to practice in the State of Illinois and we express no opinion as to any laws other than federal laws of the United States of America and the laws of the State of Illinois.

[Note: include a reference to the laws of the state of incorporation/organization of Developer, if other than Illinois.]

This opinion is issued at Developer's request for the benefit of the City and its counsel, and may not be disclosed to or relied upon by any other person.

Very truly yours,

WHEREAS, pursuant to an ordinance adopted by the City Council on January 20, 1999 and published at pages 87852 through 87860 in the Journal of such date, tax increment financing was adopted pursuant to the Act as a means of financing certain Redevelopment Area redevelopment project costs (as defined in the Act) incurred pursuant to the Redevelopment Plan; and

WHEREAS, the Redevelopment Plan and the use of tax increment financing provide a mechanism to support new growth through leveraging private investment, and helping to finance land acquisition, demolition, remediation, site preparation and infrastructure for new development in the Redevelopment Area; and

WHEREAS, the Borrower, General Partner, HHCD and Holsten (collectively, the "Developers") will undertake the Project (as hereinafter defined) in accordance with the Redevelopment Plan and pursuant to the terms and conditions of the Redevelopment Agreement (as hereinafter defined), and also in accordance with that certain Planned Development authorized by the City Council on March 5, 2014 and published at pages 76293 through 76307 in the Journal of such date, with such Project to be financed in part by certain pledged incremental taxes deposited from time to time in the Special Tax Allocation Fund for the Redevelopment Area (the "Fund") pursuant to Section 5/11-74.4-8(b) of the Tax Increment Allocation Redevelopment Act, as amended (65 ILCS 5/11-74.4-1 et seq.); and

HISTORIC STRAND REDEVELOPMENT AGREEMENT

This Historic Strand Redevelopment Agreement (this "**Agreement**") is made as of this ___ day of _____, 2014, by and among the City of Chicago, an Illinois municipal corporation (the "**City**"), through its Department of Planning and Development ("**DPD**"), and Historic Strand, LP, an Illinois limited partnership (the "**Partnership**"), Holsten Real Estate Development Corporation, an Illinois corporation ("**Holsten**"), and Holsten Human Capital Development, NFP, an Illinois not-for-profit corporation ("**HHCD**").

RECITALS

A. **Constitutional Authority**: As a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois (the "**State**"), the City has the power to regulate for the protection of the public health, safety, morals and welfare of its inhabitants, and pursuant thereto, has the power to encourage private development in order to enhance the local tax base, create employment opportunities and to enter into contractual agreements with private parties in order to achieve these goals.

B. **Statutory Authority**: The City is authorized under the provisions of the **Tax Increment Allocation Redevelopment Act**, 65 ILCS 5/11-74.4-1 et seq., as amended from time to time (the "Act"), to finance projects that eradicate blighted conditions and conservation area factors through the use of tax increment allocation financing for redevelopment projects.

C. **City Council Authority**: To induce redevelopment pursuant to the Act, the City Council of the City (the "**City Council**") adopted the following ordinances on January 20, 1999: (1) "An Ordinance of the City of Chicago, Illinois Approving a Redevelopment Plan for the Woodlawn Redevelopment Project Area"; (2) "An Ordinance of the City of Chicago, Illinois Designating the Woodlawn Redevelopment Project Area as a Redevelopment Project Area Pursuant to the Tax Increment Allocation Redevelopment Act"; and (3) "An Ordinance of the City of Chicago, Illinois Adopting Tax Increment Allocation Financing for Woodlawn Redevelopment Project Area" (the "**TIF Adoption Ordinance**") (items(1)-(3) collectively referred to herein as the "**TIF Ordinances**"). The redevelopment project area referred to above (the "**Redevelopment Area**") is legally described in **Exhibit A** hereto.

Pursuant to an ordinance adopted by the City Council of the City on _____, 2014 and published in the Journal of Proceedings of the City Council for said date at pages _____ through _____, inclusive, (the "**Project Ordinance**") the City has authorized the Commissioner of DPD to execute and deliver this Agreement.

D. **The Project**: The Partnership will purchase, rehabilitate and renovate the approximately 82,758 square foot former historic Strand Hotel, now vacant, located at 6315 South Cottage Grove Avenue, Chicago, Illinois into a mixed-use commercial and residential building (the **"Building"**). In addition, the Partnership will purchase an adjacent vacant property located at 6314 South Maryland Avenue, Chicago, Illinois for the development of a surface parking lot consisting of twenty-eight (28) parking spaces, including two (2) that will be accessible spaces (the **"Parking Lot"**). The Building and Parking Lot are located within the Redevelopment Area and legally described on Exhibit B hereto (the "**Property**"). Both the Building and the Parking Lot are owned by the City and will be purchased by HHCD or an affiliate thereof through a negotiated sale and transferred to the Partnership.

The Building will be a five-story building containing sixty-three (63) residential units and three (3) commercial units on the ground floor. There will be sixty-two (62) residential units on the second through fifth floors and one (1) residential unit for the on-site Building manager. There will be forty-six (46) spaces for bicycle parking located in the Building and two (2) exterior bicycle parking spaces. Of the sixty-three (63) housing units, fifty-three shall be for households earning no more than sixty percent (60%) of the area median income. These affordable units will satisfy the Chicago Affordable Requirements Ordinance, which requires ten percent (10%) of the total units to be affordable in projects developed on land sold by the City or twenty percent (20%) of the units in projects receiving tax increment financing assistance.

The Building was constructed in 1915 and was listed on National Register of Historic Places on January 29, 2013. The historic architectural features of the Building include the facade and interior lobby and public spaces, which are largely intact. The historic preservation of the Building, the creation of affordable housing for residents of the City, and the return of the tax-exempt Property to the tax rolls will create a substantial public benefit in the City.

The construction of the Building and Parking Lot (including but not limited to those TIF-Funded Improvements as defined below and set forth on **Exhibit C**) is referred to herein as the "**Project**." The completion of the Project would not reasonably be anticipated without the financing contemplated in this Agreement.

It is anticipated that approximately seventy-five (75) temporary full-time-equivalent construction jobs will be created during the construction of the Project. In addition, the environmental features of the Project will include permeable pavers and rain barrels, and the Building will meet the City's "Energy Star" rating requirements.

E. **Redevelopment Plan**: The Project will be carried out in accordance with this Agreement and the City of Chicago Woodlawn Redevelopment Project Area Tax Increment Financing Program Redevelopment Plan (the "**Redevelopment Plan**") included in the TIF Adoption Ordinance published at pages 87763 through 87845, inclusive, of the Journal of the Proceedings of the City Council.

F. **City Financing**: The City agrees to use, in the amounts set forth in **Section 4.03** hereof, Available Incremental Taxes (as defined below), to pay for or reimburse the Developer for the costs of TIF-Funded Improvements pursuant to the terms and conditions of this Agreement.

In addition, the City may, in its discretion, issue tax increment allocation bonds ("TIF Bonds") secured by Incremental Taxes pursuant to a TIF bond ordinance (the "TIF Bond Ordinance") at a later date as described in **Section 4.03(c)** hereof, the proceeds of which (the "TIF Bond Proceeds")

may be used to pay for the costs of the TIF-Funded Improvements not previously paid for from Available Incremental Taxes or in order to reimburse the City for the costs of TIF-Funded Improvements.

The City Funds will be paid to Holsten, which will then either loan or contribute the City Funds to the Partnership for costs of TIF-Funded Improvements that constitute Redevelopment Project Costs. provided, however, that the total amount of City Funds expended for TIF-Funded Improvements shall be an amount not to exceed the lesser of Two Million Dollars ($2,000,000) or 8.725% of the actual total Project costs; and provided further, that the $2,000,000 to be derived from Available Incremental Taxes and/or TIF Bond proceeds, if any, shall be available to pay costs related to TIF-Funded Improvements and allocated by the City for that purpose only so long as:

(i) The amount of the Available Incremental Taxes deposited into the Woodlawn TIF Fund shall be sufficient to pay for such costs; or

(ii) The City has been reimbursed from Available Incremental Taxes for the amount previously disbursed by the City for TIF-Funded Improvements; or

(iii) The City agrees to issue TIF Bonds pursuant to, and subject to the conditions set forth in, Section 4.03(c).

The Developer acknowledges and agrees that the City's obligation to pay for TIF-Funded Improvements up to a maximum of $2,000,000 is contingent upon the fulfillment of the conditions set forth in parts (i), (ii), and (iii) above. In the event that such conditions are not fulfilled, the amount of Equity to be contributed by the Developer pursuant to Section 4.01 hereof shall increase proportionately.

Subject to the terms and conditions of this Agreement, including but not limited to this Section 4.03 and Section 5 hereof, the City hereby agrees to reimburse the Developer with City Funds in the form of a $1,000,000 payment when a minimum of 50% of the Project Budget has been expended by the Developer. A second $1,000,000 payment of City Funds will be made upon issuance of the Certificate. The first payment of City Funds is subject to certification of at least $1,000,000 in TIF-eligible costs paid by the Developer and approved by the City. (i) The Commissioner of DPD and the Comptroller, in their sole discretion, may agree upon the request of the Developer to recommend that the City Council approve an ordinance or ordinances authorizing the issuance of TIF Bonds in an amount which, in the

opinion of the Comptroller, is marketable under the then current market conditions; provided, however, that if, in the opinion of the Comptroller, there is an insufficient market for such TIF Bonds or if the issuance of such TIF Bonds would adversely affect the City's credit rating or in any other way adversely affect City finances, such officials will not be required to recommend approval of such ordinance(s). The Developer will cooperate with the City in the issuance of TIF Bonds, as provided in Section 8.05 hereof.

(ii) Prior to the submission of any such ordinance for approval by the City Council, the Developer shall agree to pay the costs of issuing such TIF Bonds attributable to the provision of City Funds under this Agreement including but not limited to bond counsel fees, underwriters' fees and consultants' fees, and shall identify its source of funding with respect thereto.

4.04 Requisition Form.

(a) When the Developer submits documentation to the City in connection with a request for the payment of the City Funds as described in **Section 4.03**, the Developer shall provide DPD with a Requisition Form.

(b) Prior to each execution of a Requisition Form, the Developer shall submit documentation regarding the applicable expenditures to DPD, which shall be satisfactory to DPD in its sole discretion. Delivery by the Developer to DPD of any Requisition Form hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such execution of the Requisition Form, that:

(i) the total amount of the request for reimbursement represents the actual amount paid to the General Contractor and/or subcontractors who have performed work on the Project, and/or their payees;

(vii) the Project is In Balance. The Project shall be deemed to be in balance (**"In Balance"**) only if the total of the available Project funds equals or exceeds the aggregate of the amount necessary to pay all unpaid Project costs incurred or to be incurred in the completion of the Project. **"Available Project Funds"** as used herein shall mean: (i) the undisbursed City Funds; (ii) the

undisbursed Lender Financing, if any; (iii) the undisbursed Equity and (iv) any other amounts deposited by the Developer pursuant to this Agreement.

The City shall have the right, in its discretion, to require the Developer to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and any acceptance of a Requisition Form by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Developer. The Developer shall meet with DPD, if requested, to discuss any Requisition Form previously delivered.

(a) Prior Expenditures. Only those expenditures made by the Developer with respect to the Project prior to the Closing Date, evidenced by documentation satisfactory to DPD and approved by DPD as satisfying costs covered in the Project Budget, shall be considered previously contributed Equity or Lender Financing hereunder (the "**Prior Expenditures**"). Prior Expenditures made for items other than TIF-Funded Improvements shall not be reimbursed to the Developer, but shall reduce the amount of Equity and/or Lender Financing required to be contributed by the Partnership pursuant to **Section 4.01** hereof.

(b) Allocation Among Line Items. Disbursements for expenditures related to TIF-Funded Improvements may be allocated to and charged against the appropriate line only, with transfers of costs and expenses from one line item to another, without the prior written consent of DPD, being prohibited; provided, however, that such transfers among line items, in an amount not to exceed $25,000 or $100,000 in the aggregate, may be made without the prior written consent of DPD.

(c) City Fee. Annually, the City may allocate an amount not to exceed ten percent (10%) of the Incremental Taxes for payment of costs incurred by the City for the administration and monitoring of the Redevelopment Area, including the Project. Such fee shall be in addition to and shall not be deducted from or considered a part of the City Funds, but the City shall have the right to receive such funds prior to any payment of City Funds hereunder.

4.06 Cost Overruns. If the aggregate cost of the TIF-Funded Improvements exceeds City Funds available pursuant to **Section 4.03** hereof, or if the cost of completing the Project exceeds the Project Budget, the Developer shall be solely responsible for such excess cost, and shall hold the City harmless from any and all costs and expenses of completing the TIF-Funded Improvements in excess of City Funds and of completing the Project.

4.07 Conditional Grant. The City Funds being provided hereunder are being granted on a conditional basis, subject to the Developer's compliance with the provisions of this Agreement. The City Funds are subject to being reimbursed as provided in **Section 15.02** hereof.

DPD shall respond to the Partnership's written request for a Certificate within thirty (30) days by issuing either a Certificate or a written statement detailing the ways in which the Project does not conform to this Agreement or has not been satisfactorily completed, and the measures which must be taken by the Partnership in order to obtain the Certificate. Partnership may resubmit a written request for a Certificate upon completion of such measures, and the City will respond within 30 days in the same way as the procedure for the initial request. Such process may repeat until the City issues a Certificate.

7.02 Effect of Issuance of Certificate; Continuing Obligations. The Certificate relates only to the activities comprising the Project, and upon its issuance, the City will certify that the terms of the Agreement specifically related to the Partnership's obligation to complete such activities have been satisfied. After the issuance of a Certificate, however, all executory terms and conditions of this Agreement and all representations and covenants contained herein will continue to remain in full force and effect throughout the Term of the Agreement as to the parties described in the following paragraph, and the issuance of the Certificate shall not be construed as a waiver by the City of any of its rights and remedies pursuant to such executory terms.

Those covenants specifically described in **Section 5.04** as covenants that run with the land are the only covenants in this Agreement intended to be binding upon any transferee of the Property (including an assignee as described in the following sentence) throughout the Term of the Agreement notwithstanding the issuance of a Certificate. The other executory terms of this Agreement that remain after the issuance of a Certificate shall be binding only upon the Partnership or a permitted assignee of the Partnership who, pursuant to **Section 18.15** of this Agreement, has contracted to take an assignment of the Partnership's rights under this Agreement and assume the Partnership's liabilities hereunder.

(b) the right (but not the obligation) to complete those TIF-Funded Improvements that are public improvements and to pay for the costs of TIF-Funded Improvements (including interest costs) out of City Funds or other City monies. In the event that the aggregate cost of completing the TIF-Funded Improvements exceeds the amount of City Funds available pursuant to **Section 4.01**, the Partnership shall reimburse the City for all reasonable costs and expenses incurred by the City in completing such TIF-Funded Improvements in excess of the available City Funds; and

(c) the right to seek reimbursement of the City Funds from the Partnership.

7.04 Notice of Expiration of Term of Agreement. Upon the expiration of the Term of the Agreement, DPD shall provide the Partnership, at the Partnership's written request, with a written notice in recordable form stating that the Term of the Agreement has expired.

The Partnership shall furnish to DPD, within thirty (30) days of DPD's request, official receipts from the appropriate entity, or other proof satisfactory to DPD, evidencing payment of the Non-Governmental Charge in question.

(b) Right to Contest. The Partnership has the right, before any delinquency occurs:

(i) to contest or object in good faith to the amount or validity of any Non-Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charge, prevent the imposition of a lien or remove such lien, or prevent the sale or forfeiture of the Property (so long as no such contest or objection shall be deemed or construed to relieve, modify or extend the Partnership's covenants to pay any such Non-Governmental Charge at the time and in the manner provided in this **Section 8.15**); or

(ii) if required by a court or other applicable judicial or administrative body, to furnish a good and sufficient bond or other security or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully any such contested Non-Governmental Charge and all interest and penalties upon the adverse determination of such contest.

8.16 Developer's Liabilities. The Developer shall not enter into any transaction that would materially and adversely affect its ability to perform its obligations hereunder or to repay any material liabilities or perform any material obligations of the Developer to any other person or entity. The Developer shall immediately notify DPD of any and all events or actions which may materially affect the Developer's ability to carry on its business operations or perform its obligations under this Agreement or any other documents and agreements.

8.17 Compliance with Laws. To the best of the Partnership's knowledge, after diligent inquiry, the Property and the Project are and shall be in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, executive orders and codes pertaining to or affecting the Project and the Property. Upon the City's request, the Partnership shall provide evidence reasonably satisfactory to the City of such compliance, to the extent that such evidence is in the possession or control of the Partnership.

8.18 Recording and Filing. The Partnership shall cause this Agreement, certain exhibits (as specified by Corporation Counsel), all amendments and supplements hereto to be recorded and filed against the Property on the date hereof in the conveyance and real property records of the county in which the Project is located. This Agreement shall be recorded prior to any mortgage made in connection with Lender Financing. The Partnership shall pay all fees and charges incurred in connection with any such recording. Upon recording, the Partnership shall immediately transmit to the City an executed original of this Agreement showing the date and recording number of record.

8.19 Real Estate Provisions.

(a) Governmental Charges.

(i) Payment of Governmental Charges. The Partnership agrees to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon the Partnership, the Property or the Project, or become due and payable, and which create, may create, or appear to create a lien upon the Partnership or all or any portion of the Property or the Project. "Governmental Charge" shall mean all federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties

of the State other than Cook County, and municipalities other than the City) relating to the Partnership, the Property or the Project including but not limited to real estate taxes.

(ii) Right to Contest. The Partnership has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or forfeiture of the Property. No such contest or objection shall be deemed or construed in any way as relieving, modifying or extending the Partnership's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless the Partnership has given prior written notice to DPD of the Partnership's intent to contest or object to a Governmental Charge and, unless, at DPD's sole option,

(i) the Partnership shall demonstrate to DPD's satisfaction that legal proceedings instituted by the Partnership contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of, all or any part of the Property to satisfy such Governmental Charge prior to final determination of such proceedings; and/or

(ii) the Partnership shall furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

(b) Partnership's Failure To Pay Or Discharge Lien. If the Partnership fails to pay any Governmental Charge or to obtain discharge of the same, the Partnership shall advise DPD thereof in writing, at which time DPD may, but shall not be obligated to, and without waiving or releasing any obligation or liability of the Partnership under this Agreement, in DPD's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which DPD deems advisable. All sums so paid by DPD, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be promptly disbursed to DPD by the Partnership. Notwithstanding anything contained herein to the contrary, this paragraph shall not be construed to obligate the City to pay any such Governmental Charge. Additionally, if the Partnership fails to pay any Governmental Charge, the City, in its sole discretion, may require the Partnership to submit to the City audited Financial Statements at the Partnership's own expense.

(c) Building Code. The City shall not fine or otherwise try to collect payment from the Partnership for any building code violation present at the time of Closing before the Certificate of Completion has been issued.

8.20 Annual Compliance Report. Beginning with the issuance of the Certificate and continuing throughout the Term of the Agreement, the Partnership shall submit to DPD the Annual Compliance Report on or before March 1 after the end of the calendar year to which the Annual Compliance Report relates.

8.22 Survival of Covenants. All warranties, representations, covenants and agreements of the Developer contained in this **Section 8** and elsewhere in this Agreement shall be true, accurate

and complete at the time of the Developer's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and (except as provided in **Section 7** hereof upon the issuance of a Certificate) shall be in effect throughout the Term of the Agreement.

SECTION 9. COVENANTS/REPRESENTATIONS/WARRANTIES OF CITY

9.01 General Covenants. The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations hereunder.

9.02 Survival of Covenants. All warranties, representations, and covenants of the City contained in this **Section 9** or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Redevelopment Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

(c) Each Employer shall comply with all applicable federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this **Section 10.01** shall be a basis for the City to pursue remedies under the provisions of **Section 15.02** hereof.

10.02 City Resident Construction Worker Employment Requirement. The Partnership agrees for itself and its successors and assigns, and shall contractually obligate its General Contractor and shall cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code of Chicago (at least 50 percent of the total worker hours worked by persons on the site of the Project shall be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, the Partnership, its General Contractor and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

The Partnership may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

"**Actual residents of the City**" shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

The Partnership, the General Contractor and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of DPD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

The Partnership, the General Contractor and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DPD, the

Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. The Partnership, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

At the direction of DPD, affidavits and other supporting documentation will be required of the Partnership, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of the Partnership, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that the Partnership has failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by the Partnership to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Partnership, the General Contractor and/or the subcontractors to prosecution. The City may obtain payment of the liquidated damages hereunder, in the amount the appropriate City or official determines are due. **Any retainage to cover contract performance that may become due to the Partnership pursuant to Section 2-92-250 of the Municipal Code of Chicago may be withheld by the City pending the Chief Procurement Officer's determination as to whether the Partnership must surrender damages as provided in this paragraph.**

Nothing herein provided shall be construed to be a limitation upon the "**Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246**" and "**Standard Federal Equal Employment Opportunity, Executive Order 11246,**" or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

The Partnership shall cause or require the provisions of this **Section 10.02** to be included in all construction contracts and subcontracts related to the Project.

10.03. MBE/WBE Commitment. The Partnership agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that during the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the "**Procurement Program**"), and (ii) the Minority- and Women-Owned Business

Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the "Construction Program," and collectively with the Procurement Program, the "**MBE/WBE Program**"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this **Section 10.03**, during the course of the Project, at least the following percentages of the MBE/WBE Budget (as set forth in **Exhibit F-2** hereto) shall be expended for contract participation by MBEs and by WBEs:

(1) At least 24 percent by MBEs.
(2) At least four percent by WBEs.

(b) For purposes of this **Section 10.03** only, the Partnership (and any party to whom a contract is let by the Partnership in connection with the Project) shall be deemed a "**contractor**" and this Agreement (and any contract let by the Partnership in connection with the Project) shall be deemed a "**contract**" or a "**construction contract**" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, the Partnership's MBE/WBE commitment may be achieved in part by the Partnership's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Partnership) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by the Partnership utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials or services used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Partnership's MBE/WBE commitment as described in this **Section 10.03**. In accordance with Section 2-92-730, Municipal Code of Chicago, the Partnership shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of DPD.

(d) The Partnership shall deliver quarterly reports to the City's monitoring staff during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Partnership or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Partnership's compliance with this MBE/WBE commitment. The Partnership shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Partnership, on five Business Days' notice, to allow the City to review the Partnership's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, the Partnership shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this

subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(f) Any reduction or waiver of the Partnership's MBE/WBE commitment as described in this **Section 10.03** shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

(g) Prior to the commencement of the Project, the Partnership shall be required to meet with the City's monitoring staff with regard to the Partnership's compliance with its obligations under this **Section 10.03**. The General Contractor and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, the Partnership shall demonstrate to the City's monitoring staff its plan to achieve its obligations under this **Section 10.03**, the sufficiency of which shall be approved by the City's monitoring staff. During the Project, the Partnership shall submit the documentation required by this **Section 10.03** to the City's monitoring staff, including the following: (i) subcontractor's activity report; (ii) contractor's certification concerning labor standards and prevailing wage requirements; (iii) contractor letter of understanding; (iv) monthly utilization report; (v) authorization for payroll agent; (vi) certified payroll; (vii) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (viii) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Partnership is not complying with its obligations under this **Section 10.03**, shall, upon the delivery of written notice to the Partnership, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to the Partnership to halt the Project, (2) withhold any further payment of any City Funds to the Partnership or the General Contractor, and/or (3) seek any other remedies against the Partnership available at law or in equity.

SECTION 11. ENVIRONMENTAL MATTERS

Partnership hereby represents and warrants to the City that Partnership has conducted environmental studies sufficient to conclude that the Project may be constructed, completed and operated in accordance with all Environmental Laws, this Agreement and all Exhibits, the Scope Drawings, the Plans and Specifications and all amendments thereto, the TIF Bond Ordinance, if any, and the Redevelopment Plan.

Without limiting any other provisions hereof, the Partnership agrees to indemnify, defend and hold the City (except with respect to Existing Materials and any gross negligence or wanton or willful misconduct by the City) harmless from and against any and all losses, liabilities, damages, injuries, costs, expenses or claims of any kind whatsoever including, without limitation, any losses, liabilities, damages, injuries, costs, expenses or claims asserted or arising under any Environmental Laws incurred, suffered by or asserted against the City as a direct or indirect result of any of the following, regardless of whether or not caused by, or within the control of the Partnership: (i) the presence of any Hazardous Materials on or under, or the escape, seepage, leakage, spillage, emission, discharge or release of any Hazardous Materials from all or any portion of the Property, or (ii) any liens against the Property permitted or imposed by any Environmental Laws, or any actual or asserted liability or obligation of the City or the Partnership or any of its Affiliates under any Environmental Laws relating to the Property.

The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Partnership is not a waiver by the City of any requirements for the Partnership to obtain and maintain the specified coverages. (i) the Developer's failure to comply with any of the terms, covenants and conditions contained within this Agreement; or

(ii) the Developer's or any contractor's failure to pay General Contractors, subcontractors or materialmen in connection with the TIF-Funded Improvements or any other Project improvement; or

(iii) the existence of any material misrepresentation or omission in this Agreement or any other document related to this Agreement that is the result of information supplied or omitted by the Developer or any Affiliate Developer or any agents, employees, contractors or persons acting under the control or at the request of the Developer or any Affiliate of Developer; or

(a) the failure of the Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer under this Agreement;

(b) the failure of the Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer under any other agreement with any person or entity if such failure may have a material adverse effect on the Developer's business, property, assets, operations or condition, financial or otherwise;

(c) the making or furnishing by the Developer to the City of any representation, warranty, certificate, schedule, report or other communication within or in connection with this Agreement or any related agreement which is untrue or misleading in any material respect;

(d) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of, or any attempt to create, any unbonded lien or other encumbrance upon the Property, including any fixtures now or hereafter attached thereto, other than the Permitted Liens, or the making or any attempt to make any levy, seizure or attachment thereof;

(e) the commencement of any proceedings in bankruptcy by or against the Developer or for the liquidation or reorganization of the Developer, or alleging that the Developer is insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of the Developer's debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving the Developer; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings;

(f) the appointment of a receiver or trustee for the Developer, for any substantial part of the Developer's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of the Developer; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within ninety (90) days after the commencement thereof;

(g) the entry of any judgment or order against the Developer in an amount that exceeds $1 million that remains unsatisfied or undischarged and in effect for ninety (90) days after such entry without a stay of enforcement or execution and that materially impairs the Developer's ability to perform under this Agreement;

(h) the occurrence of an event of default under the Lender Financing, which default (i) is not cured within any applicable cure period, (ii) has not been waived in writing by the applicable lender and (iii) has caused the applicable lender to initiate foreclosure proceedings;

(i) the dissolution of the Developer;

(j) the institution in any court of a criminal proceeding (other than a misdemeanor) against the Developer or any natural person who has more than a thirty-three percent (33%) ownership interest in the Developer, which is not dismissed within thirty (30) days, or the indictment of the Developer or any natural person who has more than a 33% ownership interest in the Developer, for any crime (other than a misdemeanor).

For purposes of Section 15.01(j) hereof, a natural person with a material interest in the Developer is one owning in excess of thirty-three percent (33%) of such party's (or such party's ultimate parent entity's) issued and outstanding ownership shares or interest. Notwithstanding anything to the contrary contained herein, City hereby agrees that, in addition to the cure rights set out in Section 15.04 below, any cure of any default made or tendered by the Limited Partner or its lenders shall be deemed to be a cure by the Developer and shall be accepted or rejected on the same basis as if made or tendered by Developer.

15.02 Remedies. Subject to the rights of the Limited Partner under **Section 15.04**, upon the occurrence of an Event of Default, the City may terminate this Agreement and any other agreements to which the City and the Developer are or shall be parties, suspend disbursement of City Funds, place a lien on the Property in the amount of City Funds paid, and/or seek reimbursement of any City Funds paid. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to damages, injunctive relief or the specific performance of the agreements contained herein. Upon the occurrence of an Event of Default under **Section 8.06**, the Developer shall be obligated to repay to the City all previously disbursed City Funds.

15.03 Curative Period.

(a) In the event Developer fails to perform a monetary covenant which it is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default will not be deemed to have occurred unless the applicable party has failed to perform such monetary covenant within 10 days of its receipt of a written notice from the City specifying that it has failed to perform such monetary covenant.

(b) In the event Developer fails to perform a non-monetary covenant which it is required to perform under this Agreement, an Event of Default will not be deemed to have occurred unless the applicable party has failed to cure such default within 30 days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such 30 day period, the applicable party will not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such 30 day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

15.04 Right to Cure by the Limited Partner and/or Construction Lender. If a default occurs under this Agreement and as a result thereof, the City intends to exercise any right or remedy available to it that could result in termination of this Agreement and all related agreements, or the suspension, cancellation, reduction or reimbursement of City Funds disbursed hereunder, or any other remedy under this Agreement, the City shall prior to exercising such right or remedy, send notice of such intended exercise to the Limited Partner and Construction Lender, and the Limited Partner (including, without limitation, by exercise of management take over rights of the Owner under its partnership agreement) and Construction Lender shall have the right (but not the obligation) to cure such default as follows:

(a) if a monetary default exists, the Limited Partner may cause to be cured such monetary default within 90 days after the later of (and Construction Lender, except as provided in Section 15.04(h) below, and the City shall take no action during such 90 day period): (i) the expiration of the cure period, if any, granted under Section 15.03 to Developer with respect to such monetary default; or (ii) receipt by the Limited Partner and Construction Lender of notice of default from the City. If the Limited Partner does not cause such monetary default to be cured within such 90-day time period set forth in the preceding sentence, then Construction Lender may cure such monetary default in the manner set forth in Section 15.04(c); and

(b) if a non-monetary default exists (except for a Personal Developer Default, as later defined), the Limited Partner may cause to be cured such non-monetary default within 90 days after the later of (and Construction Lender, except as provided in Section 15.04(h) below, and the City shall take no action during such 90 day period): (i) the expiration of the cure period, if any, granted under Section 15.03 to Developer with respect to such non-monetary default; or (ii) receipt by the Limited Partner and Construction Lender of notice of default from the City. If the Limited Partner does not cause such non-monetary default to be cured within such 90-day time period set forth in the preceding sentence, then Construction Lender may cure such monetary default in the manner set forth in Section 15.04(d); and

(c) if a monetary default exists, Construction Lender may cure such monetary default within 60 days after the later of (and the non-electing party and the City shall take no action during such 60-day period): (i) the expiration of the Limited Partner's 90-day cure period; or (ii) receipt by Construction Lender of notice from the City that the Limited Partner has failed to cure the default within the timeframe set forth in Section 15.04(a) above; and

(d) if a non-monetary default exists (except for a Personal Developer Default), Construction Lender may cure such non-monetary default within 90 days after the later of (and the non-electing party and the City shall take no action during such 90-day period): (i) the expiration of the Limited Partner's 90-day cure period; or (ii) receipt by Construction Lender of notice from the City that the Limited Partner has failed to cure the default within the timeframe set forth in Section 15.04(b) above; provided, however, if such non-monetary default is of a nature that is not subject to

cure in 90 days, the cure period will be extended for the time period needed to cure such default (including any time period required by Construction Lender to take control of the Project by initiating foreclosure of its mortgage and/or appointing a receiver) and the City shall forbear from exercising its remedies hereunder so long as diligent and continuous efforts are being pursued to cure such default; and

(e)(1) If such non-monetary default would be an Event of Default set forth in Section 15.01(e), (f), (g), (i) or (j) hereof (each such default being a "Personal Developer Default"), the Limited Partner or Construction Lender (as applicable and in that strict order as more fully provided in this Section 15.04(e) below and not otherwise, the "Electing Party"), may provide written notice (the "Assumption Notice") to the City and the Limited Partner or Construction Lender (as applicable, the "Non-Electing Parties") within 30 days of receipt of notice from the City of such Personal Developer Default, as more fully provided in Section 15.04(e)(2) below. If notice is delivered within said 30-day period, the Electing Party shall, in accordance with Section 15.04(e)(2) below, either cure or cause to be cured such Personal Developer Default by the assignment pursuant to Section 18.15 hereof of all of the Developer's rights, obligations and interests in this Agreement to the Electing Party or any other party agreed to in writing by Construction Lender and the City, which assumption shall be deemed to cure the Personal Developer Default.

(2) Upon receipt by the City and Construction Lender of an Assumption Notice from the Limited Partner pursuant to subsection (e)(1) above, the cure period shall be extended for such reasonable period of time as may be necessary to complete such assignment and assumption of the Developer's' rights, obligations and interests in this Agreement (but in no event longer than 90 days without the written consent of the City and Construction Lender). If the Limited Partner does not (i) provide such Assumption Notice within the 30-day period specified in subsection (e)(1), or (ii) identify to the City and the Non-Electing Parties any other party (which may be an affiliate of the Limited Partner other than any of the Developer) to assume the Developer's' rights, obligations and interests in this Agreement within 30 days from the date of the Assumption Notice, then Construction Lender shall have 30 days to cure such Personal Developer Default by the assignment, in accordance with the provisions of Section 18.14 hereof, of all of the Developer's rights, obligations and interests in this Agreement to Construction Lender, or an affiliate thereof, or any other party agreed to in writing by Construction Lender and the City.

(f) If such Personal Developer Default is not cured by the Limited Partner or Construction Lender within the timeframes set forth in Section 15.04(e), then the City shall have available all remedies set forth in this Agreement, including those in Sections 15.02.

(g) During all such times as a Personal Developer Default exists and remains uncured after the expiration of all cure periods, no payments of City Funds shall occur until such time as such Personal Developer Default is thereafter cured.

(h) The City agrees that at any time during which an Event of Default has occurred under the Lender Financing Documents, during the period that Construction Lender is diligently and continuously pursuing actions or remedies under the Lender Financing, with or without the Developer, which are intended to cause substantial completion of the Project, and, as part of such actions or remedies, continues to fund or make advances to pay Project costs, the City shall likewise forbear from exercising its remedies under Section 15.02 and shall continue to fund the City funds in accordance with this Agreement.

Notwithstanding anything to the contrary contained in this Agreement, including, without limitation, the continuation of any cure periods under Section 15.03 and Section 15.04, in the event

Construction Lender initiates a foreclosure proceeding and has not agreed to an assignment of Developer's obligations under this Agreement and is continuing to perform Developer's obligations hereunder, or the Limited Partner and Construction Lender provide a joint notice of discontinuance of actions or remedies intending to achieve substantial completion, the City may immediately commence to exercise any and all of the remedies specified in Section 15.02 above.

SECTION 16. MORTGAGING OF THE PROJECT

All mortgages or deeds of trust in place as of the date hereof with respect to the Property or any portion thereof are listed on **Exhibit E** hereto (including but not limited to mortgages made prior to or on the date hereof in connection with Lender Financing) and are referred to herein as the "Existing Mortgages." Any mortgage or deed of trust that the Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof without obtaining the prior written consent of the City is referred to herein as a "**New Mortgage**." Any New Mortgage that the Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof with the prior written consent of the City is referred to herein as a "**Permitted Mortgage**." It is hereby agreed by and between the City and the Partnership as follows:

(a) In the event that a mortgagee or any other party shall succeed to the Partnership's interest in the Property or any portion thereof pursuant to the exercise of remedies under a New Mortgage (other than a Permitted Mortgage), whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of the Partnership's interest hereunder in accordance with **Section 18.15** hereof, the City may, but shall not be obligated to, attorn to and recognize such party as the successor in interest to the Partnership for all purposes under this Agreement and, unless so recognized by the City as the successor in interest, such party shall be entitled to no rights or benefits under this Agreement, but such party shall be bound by those provisions of this Agreement that are covenants expressly running with the land.

(b) In the event that any mortgagee shall succeed to the Partnership's interest in the Property or any portion thereof pursuant to the exercise of remedies under an Existing Mortgage or a Permitted Mortgage, whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of the Partnership's interest hereunder in accordance with **Section 18.15** hereof, the City hereby agrees to attorn to and recognize such party as the successor in interest to the Partnership for all purposes under this Agreement so long as such party accepts all of the obligations and liabilities of the Partnership hereunder. Notwithstanding any other provision of this Agreement to the contrary, it is understood and agreed that if such party accepts an assignment of the Partnership's interest under this Agreement, such party has no liability under this Agreement for any Event of Default of the Partnership which accrued prior to the time such party succeeded to the interest of the Partnership under this Agreement, in which case the Partnership shall be solely responsible. If the City placed a lien on the Project pursuant to Section 15.02 hereof in connection with an Event of Default of Developer which accrued prior to the time such party succeeded to the interest of the Developer under this Agreement, the City shall release such lien upon written request to do so by such succeeding mortgagee. However, if such mortgagee under a Permitted Mortgage or an Existing Mortgage does not expressly accept an assignment of the Partnership's interest hereunder, such party shall be entitled to no rights and benefits under this Agreement, and such party shall be bound only by those provisions of this Agreement, if any, which are covenants expressly running with the land.

(c) Prior to the issuance by the City to the Partnership of a Certificate pursuant to **Section 7** hereof, no New Mortgage shall be executed with respect to the Property or any portion thereof without the prior written consent of the Commissioner of DPD.

SECTION 18. MISCELLANEOUS

18.01 Amendment. Except as provided in this Section 18.01, and except for changes or amendments that are otherwise expressly identified as being in the discretion of the Commissioner, this Agreement and the Schedules and Exhibits attached hereto may not be materially amended without the written consent of all parties and the Limited Partner. In addition to consents and discretion expressly identified herein, the Commissioner, in her sole discretion, may amend or otherwise revise: (a) any exhibits containing legal descriptions in order to correct a surveyor's, scrivener's or clerical error in such a legal description, or to reflect any new subdivision of property index numbers, provided that such correction does not have a material effect on any portion of the Project; and (b) the unit locations and types; (c) Exhibits F-1 and F-2 in connection with updated budgets and/or the approval of Change Orders resulting in changes in the Project Budget in accordance with Section 3.05; and (d) Exhibit E to correct inadvertent omissions or permit other minor title encumbrances not in the nature of a lien. Amendments required in clauses (b) and (c) shall also require the Partnership's and Limited Partner's consent. The City in its sole discretion, may amend, modify or supplement the Redevelopment Plan. For purposes of this Agreement, Developer is only obligated to comply with the Redevelopment Plan as in effect on the date of this Agreement.

18.02 Entire Agreement. This Agreement (including each Exhibit attached hereto, which is hereby incorporated herein by reference) constitutes the entire Agreement between the parties hereto and it supersedes all prior agreements, negotiations and discussions between the parties relative to the subject matter hereof.

18.03 Limitation of Liability. No member, official or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer from the City or any successor in interest or on any obligation under the terms of this Agreement.

18.04 Further Assurances. The Developer agrees to take such actions, including the execution and delivery of such documents, instruments, petitions and certifications as may become necessary or appropriate to carry out the terms, provisions and intent of this Agreement.

18.05 Waiver. Waiver by the City or the Developer with respect to any breach of this Agreement shall not be considered or treated as a waiver of the rights of the respective party with respect to any other default or with respect to any particular default, except to the extent specifically waived by the City or the Developer in writing. No delay or omission on the part of a party in exercising any right shall operate as a waiver of such right or any other right unless pursuant to the specific terms hereof. A waiver by a party of a provision of this Agreement shall not prejudice or

constitute a waiver of such party's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by a party, nor any course of dealing between the parties hereto, shall constitute a waiver of any such parties' rights or of any obligations of any other party hereto as to any future transactions.

18.06 Remedies Cumulative. The remedies of a party hereunder are cumulative and the exercise of any one or more of the remedies provided for herein shall not be construed as a waiver of any other remedies of such party unless specifically so provided herein.

18.07 Disclaimer. Nothing contained in this Agreement nor any act of the City shall be deemed or construed by any of the parties, or by any third person, to create or imply any relationship of third-party beneficiary, principal or agent, limited or general partnership or joint venture, or to create or imply any association or relationship involving the City.

18.08 Headings. The paragraph and section headings contained herein are for convenience only and are not intended to limit, vary, define or expand the content thereof.

18.09 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which shall constitute one and the same agreement.

18.10 Severability. If any provision in this Agreement, or any paragraph, sentence, clause, phrase, word or the application thereof, in any circumstance, is held invalid, this Agreement shall be construed as if such invalid part were never included herein and the remainder of this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

18.11 Conflict. In the event of a conflict between any provisions of this Agreement and the provisions of the TIF Ordinances and/or the Bond Ordinance, if any, such ordinance(s) shall prevail and control.

Wherever this Agreement provides for the approval or consent of the City, DPD or the Commissioner, or any matter is to be to the City's, DPD's or the Commissioner's satisfaction, unless specifically stated to the contrary, such approval, consent or satisfaction shall be made, given or determined by the City, DPD or the Commissioner in writing and in the reasonable discretion thereof. The Commissioner or other person designated by the Mayor of the City shall act for the City or DPD in making all approvals, consents and determinations of satisfaction, granting the Certificate or otherwise administering this Agreement for the City.

18.15 Assignment. Prior to the issuance of the Certificate, the Partnership may not sell, assign or otherwise transfer its interest in this Agreement in whole or in part without the written consent of the City, except for the collateral assignment of this Agreement to the Construction Lender by the Partnership. Any successor in interest to the Partnership under this Agreement shall certify in writing to the City its agreement to abide by all remaining executory terms of this Agreement, including but not limited to **Sections 8.19** (Real Estate Provisions) and **8.22** (Survival of

Covenants) hereof, for the Term of the Agreement. The Partnership consents to the City's sale, transfer, assignment or other disposal of this Agreement at any time in whole or in part.

This Agreement shall be binding upon the Developer, the City and their respective successors and permitted assigns (as provided herein) and shall inure to the benefit of the Developer, the City and their respective successors and permitted assigns (as provided herein). Except as otherwise provided herein, this Agreement shall not run to the benefit of, or be enforceable by, any person or entity other than a party to this Agreement and its successors and permitted assigns. This Agreement should not be deemed to confer upon third parties any remedy, claim, right of reimbursement or other right.

18.17 Force Majeure. Neither the City nor the Developer nor any successor in interest to either of them shall be considered in breach of or in default of its obligations under this Agreement in the event of any delay caused by damage or destruction by fire, war, terrorism, or other casualty, strike, shortage of material, unusually adverse weather conditions such as, by way of illustration and not limitation, severe rain storms or below freezing temperatures of abnormal degree or for an abnormal duration, tornadoes or cyclones, and other events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations hereunder. The individual or entity relying on this section with respect to any such delay shall, upon the occurrence of the event causing such delay, immediately give written notice to the other parties to this Agreement. The individual or entity relying on this section with respect to any such delay may rely on this section only to the extent of the actual number of days of delay effected by any such events described above.

18.18 Exhibits. All of the exhibits attached hereto are incorporated herein by reference.

18.19 Business Economic Support Act. Pursuant to the Business Economic Support Act (30 ILCS 760/1 et seq.), if the Developer is required to provide notice under the WARN Act, the Developer shall, in addition to the notice required under the WARN Act, provide at the same time a copy of the WARN Act notice to the Governor of the State, the Speaker and Minority Leader of the House of Representatives of the State, the President and minority Leader of the Senate of State, and the Mayor of each municipality where the Developer has locations in the State. Failure by the Developer to provide such notice as described above may result in the termination of all or a part of the payment or reimbursement obligations of the City set forth herein.

18.20 Venue and Consent to Jurisdiction. If there is a lawsuit under this Agreement, each party may hereto agrees to submit to the jurisdiction of the courts of Cook County, the State of Illinois and the United States District Court for the Northern District of Illinois.

18.21 Costs and Expenses. In addition to and not in limitation of the other provisions of this Agreement, Partnership agrees to pay upon demand the City's out-of-pocket expenses, including attorney's fees, incurred in connection with the enforcement of the provisions of this Agreement. This includes, subject to any limits under applicable law, attorney's fees and legal expenses, whether or not there is a lawsuit, including attorney's fees for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals and any anticipated post-judgement collection services. Partnership also will pay any court costs, in addition to all other sums provided by law.

18.22 Business Relationships That Create Financial Interests. The Developer acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code, (B) that

Developer has read such provision and understands that pursuant to such Section 2-156-030 (b), it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a business relationship that creates a Financial Interest, or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving any person with whom the elected City official or employee has a business relationship that creates a Financial Interest, or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a business relationship that creates a Financial Interest, and (C) that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Developer hereby represents and warrants that, to the best of its knowledge after due inquiry, no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

18.23 2011 City Hiring Plan Prohibitions.

(a) The City is subject to the June 24, 2011 "City of Chicago Hiring Plan" (the "2011 City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2011 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(b) The Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with the Developer, either as an employee or as a subcontractor, and from directing the Developer to hire an individual as an employee or as a subcontractor. Accordingly, the Developer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by the Developer under this Agreement are employees or subcontractors of the Developer, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by the Developer.

(c) The Developer will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(d) In the event of any communication to the Developer by a City employee or City official in violation of Section 12.7(ii) above, or advocating a violation of Section 12.7(iii) above, the Developer will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to

the head of the relevant City Department utilizing services provided under this Agreement. The Developer will also cooperate with any inquiries by IGO Hiring Oversight related to the Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Redevelopment Agreement to be executed on or as of the day and year first above written.

OPINION OF DEVELOPER'S COUNSEL

[To be retyped on the Developer's Counsel's letterhead]

___, ____

City of Chicago
City Hall, Room 600
121 North LaSalle Street
Chicago, Illinois 60602

Attention: Corporation Counsel

Ladies and Gentlemen:

We have acted as counsel to Historic Strand, LP, an Illinois limited partnership (the "Developer"), in connection with the construction of certain facilities thereon located in the Woodlawn Redevelopment Project Area (the "Project"). In that capacity, we have examined, among other things, the following agreements, instruments and documents of even date herewith, hereinafter referred to as the "Documents":

(a) Historic Strand, LP Redevelopment Agreement (the "Agreement") of even date herewith, executed by the Developer and the City of Chicago (the "City");

(b) [insert other documents including but not limited to documents related to purchase and financing of the Property and all lender financing related to the Project]; and

(c) all other agreements, instruments and documents executed in connection with the foregoing.

In addition to the foregoing, we have examined

(a) the original or certified, conformed or photostatic copies of the Developer's (i) [Articles of Incorporation], as amended to date, (ii) qualifications to do business and certificates of good standing in all states in which the Developer is qualified to do business, (iii) By-Laws, as amended to date, and (iv) records of all corporate proceedings relating to the Project [revise if the Developer is not a corporation]; and

(b) such other documents, records and legal matters as we have deemed necessary or relevant for purposes of issuing the opinions hereinafter expressed.

In all such examinations, we have assumed the genuineness of all signatures (other than those of the Developer), the authenticity of documents submitted to us as originals and conformity to the originals of all documents submitted to us as certified, conformed or photostatic copies.

Based on the foregoing, it is our opinion that:

1. The Developer is a corporation duly organized, validly existing and in good standing

under the laws of its state of organization, has full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a foreign entity under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business.

2. The Developer has full right, power and authority to execute and deliver the Documents to which it is a party and to perform its obligations thereunder. Such execution, delivery and performance will not conflict with, or result in a breach of, the Developer's [Articles of Incorporation or By-Laws] [describe any formation documents if the Developer is not a corporation] or result in a breach or other violation of any of the terms, conditions or provisions of any law or regulation, order, writ, injunction or decree of any court, government or regulatory authority, or, to the best of our knowledge after diligent inquiry, any of the terms, conditions or provisions of any agreement, instrument or document to which the Developer is a party or by which the Developer or its properties is bound. To the best of our knowledge after diligent inquiry, such execution, delivery and performance will not constitute grounds for acceleration of the maturity of any agreement, indenture, undertaking or other instrument to which the Developer is a party or by which it or any of its property may be bound, or result in the creation or imposition of (or the obligation to create or impose) any lien, charge or encumbrance on, or security interest in, any of its property pursuant to the provisions of any of the foregoing, other than liens or security interests in favor of the lender providing Lender Financing (as defined in the Agreement).

3. The execution and delivery of each Document and the performance of the transactions contemplated thereby have been duly authorized and approved by all requisite action on the part of the Developer.

4. Each of the Documents to which the Developer is a party has been duly executed and delivered by a duly authorized officer of the Developer, and each such Document constitutes the legal, valid and binding obligation of the Developer, enforceable in accordance with its terms, except as limited by applicable bankruptcy, reorganization, insolvency or similar laws affecting the enforcement of creditors' rights generally.

5. Exhibit A attached hereto (a) identifies each class of capital stock of the Developer, (b) sets forth the number of issued and authorized shares of each such class, and (c) identifies the record owners of shares of each class of capital stock of the Developer and the number of shares held of record by each such holder. To the best of our knowledge after diligent inquiry, except as set forth on Exhibit A, there are no warrants, options, rights or commitments of purchase, conversion, call or exchange or other rights or restrictions with respect to any of the capital stock of the Developer. Each outstanding share of the capital stock of the Developer is duly authorized, validly issued, fully paid and nonassessable.

6. To the best of our knowledge after diligent inquiry, no judgments are outstanding against the Developer, nor is there now pending or threatened, any litigation, contested claim or governmental proceeding by or against the Developer or affecting the Developer or its property, or seeking to restrain or enjoin the performance by the Developer of the Agreement or the transactions contemplated by the Agreement, or contesting the validity thereof. To the best of our knowledge after diligent inquiry, the Developer is not in default with respect to any order, writ, injunction or decree of any court, government or regulatory authority or in default in any respect under any law, order, regulation or demand of any governmental agency or instrumentality, a default under which would have a material adverse effect on the Developer or its business.

7. To the best of our knowledge after diligent inquiry, there is no default by the Developer or any other party under any material contract, lease, agreement, instrument or commitment to which the Developer is a party or by which the company or its properties is bound.

8. To the best of our knowledge after diligent inquiry, all of the assets of the Developer are free and clear of mortgages, liens, pledges, security interests and encumbrances except for those specifically set forth in the Documents.

9. The execution, delivery and performance of the Documents by the Developer have not and will not require the consent of any person or the giving of notice to, any exemption by, any registration, declaration or filing with or any taking of any other actions in respect of, any person, including without limitation any court, government or regulatory authority.

10. To the best of our knowledge after diligent inquiry, the Developer owns or possesses or is licensed or otherwise has the right to use all licenses, permits and other governmental approvals and authorizations, operating authorities, certificates of public convenience, goods carriers permits, authorizations and other rights that are necessary for the operation of its business.

11. A federal or state court sitting in the State of Illinois and applying the choice of law provisions of the State of Illinois would enforce the choice of law contained in the Documents and apply the law of the State of Illinois to the transactions evidenced thereby.

We are attorneys admitted to practice in the State of Illinois and we express no opinion as to any laws other than federal laws of the United States of America and the laws of the State of Illinois. [Note: include a reference to the laws of the state of incorporation/organization of the Developer, if other than Illinois.]

This opinion is issued at the Developer's request for the benefit of the City and its counsel, and may not be disclosed to or relied upon by any other person.

Very truly yours,

_____

WHEREAS, the Cook County Board of Commissioners has enacted the Real Property Assessment Classification Ordinance, as amended (the "Classification Ordinance"), which establishes the Class L property tax classification to encourage the preservation and rehabilitation of certain historically and architecturally significant buildings, which will enhance the general character of real estate in the county and contribute to the economic well-being of the county by increasing the level of economic activity, increasing employment opportunities and contributing to the long-term growth of the real property tax base; and

WHEREAS, 11 South LaSalle Hotel Partners, LLC, a Delaware limited liability company (the "Owner"), is the owner of the historic building known as Roanoke Building and Tower (the "Building") located at 11 S. WHEREAS, on December 12, 2007 the City Council of the City (the "City Council") adopted an ordinance designating the Building as a Chicago Landmark pursuant to the criteria established in Section 2-120-580 et seq. of the Municipal Code of Chicago, and such designation as a Chicago landmark meets the definition of landmark pursuant to Section 1 of the Classification Ordinance; and

WHEREAS, the Owner proposes to rehabilitate the Building thereby preserving the historic building, increasing employment opportunities in the area and contributing to the long-term growth of the real property tax base (the "Project"); and

WHEREAS, it is anticipated that the Project may require a transfer of a beneficial interest in the Owner to one or more entities who will receive an allocation of federal historic rehabilitation tax credits ("Tax Credit Investors"); and

WHEREAS, the Owner anticipates using the Building for commercial purposes after the Project is completed (the "Use"); and

WHEREAS, the Owner has applied to the Office of the Assessor of Cook County, Illinois (the "Assessor"), for designation of the Project Real Estate as a Class L classification eligible for certain real estate tax incentives pursuant to the Classification Ordinance; and

WHEREAS, pursuant to the Classification Ordinance, the Class L classification is available to real estate which is to be used for commercial or industrial purposes and which (1) is a Landmark (as defined in Section 1 of the Classification Ordinance); and (2) has undergone Substantial Rehabilitation (as defined in Section 1 of the Classification Ordinance), which constitutes an investment by the owner of at least 50 percent of the building's full market value as determined by the Assessor in the assessment year prior to the commencement of the Substantial Rehabilitation; and the Class L incentive shall apply to the building only, except that if

the entire building has been vacant and unused for at least 24 continuous months prior to the filing of the eligibility application with the Assessor, the land upon which the building is situated shall be eligible for the incentive; and

WHEREAS, Section 2 of the Classification Ordinance requires that, in connection with the filing of a Class L eligibility application with the Assessor, an applicant must obtain from the unit of local government in which the real estate is located, an ordinance or resolution which expressly states that the local government: 1) has determined that the incentive provided by Class L is necessary for the Substantial Rehabilitation of the property; 2) supports and consents to the granting of the incentive; and 3) has reviewed and accepted its Preservation Commission's (as defined in Section 1 of the Classification Ordinance) written recommendation of the project for the Class L incentive, specifying the project budget and proposed scope of the work, which meets or exceeds the Standards of the United States Department of the Interior for Rehabilitation, Preservation, Restoration, and Reconstruction of historic properties; and

WHEREAS, the City is a Certified Local Government as defined in Section 1 of the Classification Ordinance and has established the City of Chicago Commission on Chicago Landmarks (the "Landmarks Commission"), and such Landmarks Commission is a Preservation Commission (as defined in Section 1 of the Classification Ordinance); and

WHEREAS, the Project Real Estate shall have been occupied and used for the 24-month period prior to the filing of the Class L eligibility application with the Assessor, making the Class L incentive applicable to the Building only; and

WHEREAS, the Department of Planning and Development of the City (the "DPD") has reviewed the proposed Project, has determined that it meets the necessary eligibility requirements for Class L designation, and hereby recommends to City Council that the City expressly determine by ordinance that: 1) the incentive provided by Class L is necessary for the Substantial Rehabilitation of the Project Real Estate; 2) the City supports and consents to the granting of the incentive; and 3) the City has reviewed and accepted the Landmarks Commission's written recommendation of the Project for the Class L incentive, specifying the Project budget and proposed scope of the work, and specifying that the Project meets or exceeds the Standards of the United States Department of the Interior for Rehabilitation, Preservation, Restoration, and Reconstruction of historic properties; **now, therefore,**

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The above recitals are hereby expressly incorporated as if fully set forth herein.

SECTION 2. The City hereby determines that the incentive provided by Class L is necessary for the Substantial Rehabilitation of the Project Real Estate.

SECTION 3. The City hereby expressly supports and consents to the granting of the

Class L incentive. The City's support and consent to the grant of certification for the Class L incentive for the Project Real Estate is expressly conditioned upon the substantial completion of the Project as proposed by the Owner and approved by the City, both upon completion of the Substantial Rehabilitation of the Project Real Estate and during the term of the Class L incentive.

SECTION 4. The Project is anticipated to be completed by November 30, 2015. The Commissioner of DPD (the "Commissioner") or a designee of the Commissioner (together with the Commissioner, an "Authorized Officer") shall have discretion to extend the construction completion date by issuing a written extension letter in response to a written request from the Owner. To the extent that the Project Real Estate is not rehabilitated, used or maintained during the term of the Class L incentive in a manner which is substantially consistent with the approved Project or Use, as determined by the Authorized Officer, the Authorized Officer is hereby authorized to take such steps as may be necessary and appropriate to withdraw the City's support and consent to the Class L incentive, which may cause the Class L certification to be terminated or revoked.

SECTION 5. The City has reviewed and hereby accepts the Landmarks Commission's written recommendation of the Project for the Class L incentive, which specifies the Project budget and proposed scope of the work, and which specifies that the Project meets or exceeds the Standards of the United States Department of the Interior for Rehabilitation, Preservation, Restoration, and Reconstruction of historic properties, a copy of which is attached hereto as Exhibit 2 and made a part hereof.

SECTION 6. The Authorized Officer is hereby authorized to deliver a certified copy of this ordinance to the Assessor and to furnish such additional information as may be required in connection with the filing of the application by the Owner with the Assessor for Class L designation of the Project Real Estate.

SECTION 7. SECTION 8. The Authorized Officer is hereby authorized to approve minor changes in the scope of work delineated on (Sub) Exhibits A and B to Exhibit 2 hereof, provided that changes in the Building conditions warrant such changes and will not change the suitability of the Project Real Estate for the Use (all as determined in the sole discretion of the Authorized Officer).

SECTION 9. Upon request by the Owner for a final determination of the eligibility of the Project Real Estate for the Class L incentive by the Landmarks Commission pursuant to the Classification Ordinance upon completion of the Substantial Rehabilitation of the Project Real Estate, the Authorized Officer shall verify that the work performed substantially conforms to the Project approved by the City and that the Project Real Estate is eligible for the Class L incentive (the "Final Determination").

SECTION 10. Any conveyance of all or a portion of the Project Real Estate by the Owner before the Final Determination shall render the support and consent of the City for the Class L incentive set forth hereunder in connection with the Project null and void. Any renewed support and consent of the City for the Class L incentive contemplated in connection with the

Project undertaken by a successor in interest to the Owner of the Project Real Estate prior to the Final Determination shall require additional authorization by the City Council. Any change prior to the Final Determination in the direct owners in excess of 7.5% of the Owner or who constitute the direct or indirect controlling parties of the Owner, as determined by the Corporation Counsel (an "Ownership Change"), shall render the support and consent of the City for the Class L incentive set forth hereunder in connection with the Project null and void, unless such Ownership Change is approved by the Authorized Officer in his or her discretion. This Section 10 shall not apply to the transfer of a beneficial interest in the Owner to Tax Credit Investors with respect to the Project, or to the transfer of a leasehold interest in the Project Real Estate to a master tenant entity owned in whole or in part by one or more Tax Credit Investors, provided that such transfers do not involve a change to the direct or indirect controlling parties of the Owner.

SECTION 11. No permit fee waiver(s) pursuant to Section 2-120-815 of the Municipal Code of Chicago from the City related to the Project Real Estate shall be granted to the Owner during the rehabilitation of the Project and prior to the expiration of the Class L incentive related to the Project Real Estate.

ORDINANCE

WHEREAS, the City of Chicago (the "City"), is a home rule unit of government under Article VII, Section 6(a) of the Constitution of the State of Illinois, and as such may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the City is authorized under its home rule powers to regulate the use and development of land; and

WHEREAS, it is a reasonable condition of development approval to ensure that adequate open space and recreational facilities exist within the City; and

WHEREAS, on April 1, 1998, the City Council of the City (the "City Council") adopted the Open Space Impact Fee Ordinance codified at Chapter 18 of Title 16 (the "Open Space Ordinance") of the Municipal Code of Chicago (the "Code") to address the need for additional public space and recreational facilities for the benefit of the residents of newly created residential developments in the City; and

WHEREAS, the Open Space Ordinance authorizes, among other things, the collection of fees from residential developments that create new dwelling units without contributing a proportionate share of open space and recreational facilities for the benefit of their residents as part of the overall development (the "Fee-Paying Developments"); and

WHEREAS, pursuant to the Open Space Ordinance, the Department of Finance ("DOF") has collected fees derived from the Fee-Paying Developments (the "Open Space Fees") and has deposited those fees in separate funds, each fund corresponding to the Community Area (as defined in the Open Space Ordinance), in which each of the Fee-Paying Developments is located and from which the Open Space Fees were collected; and

WHEREAS, the Department of Planning and Development ("DPD") has determined that the Fee-Paying Developments built in the Irving Park Community Area have deepened the already significant deficits of open space in the Irving Park Community Area, which deficits were documented in the comprehensive plan entitled "The CitySpace Plan," adopted by the Chicago Plan Commission on September 11, 1997 and adopted by the City Council on May 20, 1998 pursuant to an ordinance published at pages 69309-69311 of the Journal of the Proceedings of the City Council of the same date; and

WHEREAS, NeighborSpace, an Illinois not-for-profit corporation, is dedicated to preserving and creating open space; and

WHEREAS, the City desires to grant NeighborSpace impact fee funds to pay or reimburse NeighborSpace for: garden creation located in an area commonly known as Merchant's Park, legally described on Exhibit A, attached hereto, in the Irving Park Community Area (the "Community Garden Project"); and

WHEREAS, DPD desires to provide to NeighborSpace Open Space Fees in amounts not to exceed $59,808 for the Community Garden Project; and

WHEREAS, the Open Space Ordinance requires that the Open Space Fees be used for open space acquisition and capital improvements, which provide a direct and material benefit to the new development from which the fees are collected; and

WHEREAS, the Open Space Ordinance requires that the Open Space Fees be expended within the same or a contiguous Community Area from which they were collected after a legislative finding by the City Council that the expenditure of the Open Space Fees will directly and materially benefit the developments from which the Open Space Fees were collected; and

WHEREAS, DPD has determined that the use of the Open Space Fees to fund the Project will provide a direct and material benefit to each of the Fee-Paying Developments from which the Open Space Fees were collected; and

WHEREAS, DPD has determined that Open Space Fees to be used for the purposes set forth herein have come from the specific funds set up by DOF for the Irving Park Community Area in which the Fee-Paying Developments are located and from which the Open Space Fees were collected; and

WHEREAS, DPD has recommended that the City Council approve the use of the Open Space Fees for the purposes set forth herein through this ordinance; and

WHEREAS, DPD has recommended that the City Council make a finding that the expenditure of the Open Space Fees as described herein will directly and materially benefit the Fee-Paying Developments from which the Open Space Fees were collected; now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The above recitals are expressly incorporated in and made part of this ordinance as though fully set forth herein.

SECTION 2. The City Council hereby finds that the expenditure of the Open Space Fees will directly and materially benefit the residents of those Fee-Paying Developments from which the Open Space Fees were collected and approves the use of the Open Space Fees for the purposes described herein.

SECTION 3. The Commissioner of DPD (the "Commissioner") and a designee of the Commissioner are each hereby authorized, subject to the approval of the Corporation Counsel to enter into an agreement with NeighborSpace in connection herewith, containing such terms as the Commissioner deems necessary, and to provide Open Space Fees proceeds to NeighborSpace in an aggregate amount not to exceed $59,808 from the corresponding funds to pay for expenses permitted under the Open Space Ordinance.

SECTION 4. Open Space Fees in the amount of $59,808 from the Irving Park Community Area's Open Space Fees Funds are hereby appropriated for the purposes described herein.

of the Code, or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall control. If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any other provisions of this ordinance.

WHEREAS, on April 1, 1998, the City Council of the City (the "City Council") adopted the Open Space Impact Fee Ordinance codified at Chapter 18 of Title 16 (the "Open Space Ordinance") of the Municipal Code of Chicago, as amended (the "Code") to address the need for additional public space and recreational facilities for the benefit of the residents of newly created residential developments in the City; and

WHEREAS, the Open Space Ordinance authorizes, among other things, the collection of fees from residential developments that create new dwelling units without contributing a proportionate share of open space and recreational facilities for the benefit of their residents as part of the overall development (the "Fee-Paying Developments"); and

WHEREAS, pursuant to the Open Space Ordinance, the Department of Finance ("DOF") has collected fees derived from the Fee-Paying Developments (the "Open Space Fees") and has deposited those fees in separate funds, each fund corresponding

to the Community Area (as defined in the Open Space Ordinance), in which each of the Fee-Paying Developments is located and from which the Open Space Fees were collected; and

WHEREAS, the Department of Planning and Development ("DPD") has determined that the Fee-Paying Developments built in the Irving Park Community Area have deepened the already significant deficits of open space in the Irving Park Community Area, which deficits were documented in the comprehensive plan entitled "The CitySpace Plan," adopted by the Chicago Plan Commission on September 11, 1997 and adopted by the City Council on May 20, 1998 pursuant to an ordinance published at pages 69309-69311 of the Journal of the Proceedings of the City Council (the "Journal") of the same date; and

WHEREAS, the City desires to grant NeighborSpace impact fee funds to pay or reimburse NeighborSpace for: garden creation in an area commonly known as Merchant's Park, legally described on Exhibit 1, attached hereto in the Irving Park Community Area (the "Merchant Park Community Garden Project"); and

WHEREAS, DPD desires to provide to NeighborSpace Open Space Fees in amounts not to exceed $59,808 for the Irving Park Community Garden Project; and

WHEREAS, the Open Space Ordinance requires that the Open Space Fees be used for open space acquisition and capital improvements, which provide a direct and material benefit to the new development from which the fees are collected; and

WHEREAS, the Open Space Ordinance requires that the Open Space Fees be expended within the same or a contiguous Community Area from which they were collected after a legislative finding by the City Council that the expenditure of the Open Space Fees will directly and materially benefit the developments from which the Open Space Fees were collected; and

WHEREAS, DPD has determined that the use of the Open Space Fees to fund the Project will provide a direct and material benefit to each of the Fee-Paying Developments from which the Open Space Fees were collected; and

WHEREAS, DPD has determined that Open Space Fees to be used for the purposes set forth herein have come from the specific funds set up by DOF for the Irving Park Community Area, in which the Fee-Paying Developments are located and from which the Open Space Fees were collected; and

WHEREAS, DPD desires to provide to NeighborSpace Open Space Fee proceeds in an aggregate amount not to exceed $59,808 (the "Grant") to undertake the Project; and

WHEREAS, on _____, 201_, the City Council of the City adopted an ordinance published in the Journal for said date commencing on page _____ thereof, among other things, finding that the Project would provide a direct and material benefit to the residents of the new developments originating the Open Space Fees and authorizing the Grant subject to certain terms and conditions; and

WHEREAS, under the terms and conditions hereof, the City agrees to make the

Grant available to NeighborSpace; and

WHEREAS, the City and NeighborSpace have among their powers and authority the ability to contract with each other to perform the undertakings described herein;

NOW THEREFORE, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

C. NeighborSpace agrees that provisions required to be inserted in this Agreement by laws, ordinances, rules, regulations or executive orders are deemed inserted whether or not they appear in this Agreement and that in no event will the failure to insert such provisions prevent the enforcement of this Agreement.

E. Signing, delivery and performance by NeighborSpace of this Agreement does not violate its bylaws, articles of incorporation, resolutions or any applicable provision of law, or constitute a material breach of, default under or require any consent under, any agreement, instrument or document, including any related to borrowing monies, to which NeighborSpace is party or by which it is bound.

F. There are no actions or proceedings by or before any court, governmental commission, board, bureau or any other administrative agency pending, threatened or affecting NeighborSpace that would materially impair its ability to perform under this Agreement.

G. NeighborSpace is not in default on any loan or borrowing that may materially affect its ability to perform under this Agreement.

H. NeighborSpace and all its contractors and subcontractors shall meet labor standards and prevailing wage standards required by federal, state and City laws, regulations and ordinances.

I. NeighborSpace shall maintain and keep in force, at its sole cost and expense, at all times during its existence, insurance in such amounts and of such type as set forth in Section 7 hereof.

J. NeighborSpace shall at all times perform its work in fulfilling NeighborSpace's corporate mission with the utmost care, skill and diligence in accordance with the applicable standards currently recognized in the community.

K. NeighborSpace shall comply with all policies issued by the City relating to Illinois not-for-profit corporations and federal tax-exempt entities, as such policies may be modified, amended or supplemented from time to time.

L. NeighborSpace shall maintain title to the Property in perpetuity and shall operate it, or cause it to be operated, as an open public space for such term.

M. It is the duty of NeighborSpace and any bidder, proposer, subcontractor and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of NeighborSpace and any such

bidder, proposer, subcontractor or such applicant to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Code. SECTION 5. [intentionally omitted]

SECTION 6. DISBURSEMENTS

The City will disburse the Grant funds to NeighborSpace after the City has reviewed and approved a listing of Eligible Costs, in such detail and with such supporting documentation as the City may require.

NeighborSpace shall submit evidence of insurance on the City of Chicago Insurance Certificate Form or equivalent prior to Agreement award. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreements have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence required under this Agreement shall not be deemed to be a waiver by the City of any requirements for NeighborSpace to obtain and maintain the specified coverages.

NeighborSpace shall advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance shall not relieve NeighborSpace of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to stop work until proper evidence of insurance is provided, or the Agreement may be terminated.

The insurance shall provide for sixty (60) days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

Any and all deductibles or self insured retentions on referenced insurance coverages shall be borne by NeighborSpace and contractors.

NeighborSpace agrees that insurers shall waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents, or representatives.

responsibilities specified within the Agreement documents or by law.

NeighborSpace expressly understands and agrees that any insurance or self insurance programs maintained by the City of Chicago shall not contribute with insurance provided by NeighborSpace under the Agreement.

The required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity in this Agreement given as a matter of law.

NeighborSpace shall require all subcontractors to provide the insurance required herein or NeighborSpace may provide the coverages for subcontractors. All subcontractors shall be subject to the same insurance requirements as NeighborSpace is subject to under this Agreement, unless otherwise specified herein.

The City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements.

SECTION 8. INDEMNIFICATION

NeighborSpace agrees to indemnify and hold the City, its officials, agents and employees harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses, including, without limitation, attorney's fees and court costs suffered or incurred by the City arising from or in connection with this Agreement. This indemnification shall survive the termination or expiration of this Agreement.

SECTION 9. DEFAULT, REMEDIES AND TERMINATION

A. [intentionally omitted]

B. If NeighborSpace, without the City's written consent, fails to complete the Project within 365 days after the date hereof or transfers title to the Project property to a third party after the date hereof, then the City may terminate this Agreement by providing written notice to NeighborSpace. If the City so terminates this Agreement, NeighborSpace shall reimburse the City promptly any amounts received pursuant to this Agreement.

C. If NeighborSpace defaults by failing to perform any of its obligations under this Agreement not described in paragraphs A or B of this Section 9, and does not cure its default as provided in paragraph D of this Section 9, the City may terminate this Agreement and NeighborSpace will repay the City promptly any amounts received pursuant to this Agreement.

D. If NeighborSpace's default is not described in paragraphs A or B of this Section 9, the City will give NeighborSpace 30 days advance written notice of the City's intent to terminate stating the nature of the default. If NeighborSpace does not cure the default within the 30-day notice period, the termination will become effective at the end of the period. With respect to those defaults that are not capable of being cured within the 30-day period, NeighborSpace will not be deemed to be in default if it has begun to cure the default within the 30-day period and thereafter diligently and continuously pursues the cure of the default until cured.

E. The City may, in any court of competent jurisdiction, by any proceeding at law or in equity, seek the specific performance of the agreements contained in this Agreement, or damages for failure of performance, or both.

F. Failure by NeighborSpace or any controlling person (as defined in Section 1-23-010 of the Code) thereof to maintain eligibility to do business with the City as required by Section 1-23-030 of the Code shall be grounds for termination of this Agreement and the transactions contemplated hereby.

SECTION 10. NO LIABILITY OF OFFICIALS

No elected or appointed official or member or employee or agent of the City shall be charged personally by NeighborSpace or by an assignee or subcontractor, with any liability or expenses of defense or be held personally liable under any term or provision of this Agreement because of their execution or attempted execution or because of any breach hereof.

SECTION 11. NO BUSINESS RELATIONSHIPS WITH ELECTED OFFICIALS

Under Section 2-156-030(b) of the Code, it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected official has a business relationship that creates a financial interest, or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a business relationship. **Violation of Section 2-156-030(b) by any elected official with respect to this Agreement is grounds for termination of this Agreement.** The term financial interest is defined as set forth in Section 2-156-010 of the Code.

1934, as amended; or (5) any ownership through purchase at fair market value or inheritance of not more than $15,000.00 worth of the shares of a corporation, or any corporate subsidiary, parent or affiliate thereof, regardless of the dividends on such shares, if such shares are registered on a securities exchange pursuant to the Securities Exchange Act of 1934, as amended. Such interest also shall not include any ownership by a current official or employee through purchase at fair market value or inheritance of less than one percent of the shares of a corporation, or any corporate subsidiary, parent or affiliate thereof, regardless of the value or dividends on such shares, if such shares are registered on a securities exchange pursuant to the Securities Exchange Act of 1934, as amended, and if such ownership existed before November 1, 2012.

O. Executive Order 2011-4. NeighborSpace agrees that NeighborSpace, any person or entity who directly or indirectly has an ownership or beneficial interest in NeighborSpace of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, NeighborSpace's Subcontractors, any person or entity who directly or indirectly has an ownership or beneficial interest in any Subcontractors of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (NeighborSpace and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City (the "Mayor") or to his political fundraising committee (i) after execution of this bid, proposal or Agreement by NeighborSpace, while this Agreement or any Other Contract is executory, (ii) during the term of this Agreement or any Other Contract between NeighborSpace and the City, and/or (iii) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

NeighborSpace represents and warrants that since the date of public advertisement of the specification, request for qualifications, request for proposals or request for information (or any combination of those requests) or, if not competitively procured, from the date the City approached NeighborSpace or the date NeighborSpace approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

NeighborSpace agrees that NeighborSpace shall not: (a) coerce, compel or intimidate NeighborSpace's employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse NeighborSpace's employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

NeighborSpace agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

P. FOIA and Local Records Act Compliance.

1) FOIA. NeighborSpace acknowledges that the City is subject to the Illinois Freedom of Information Act, 5ILCS 140/1 et. seq., as amended ("FOIA"). The FOIA requires the City to produce records (very broadly defined in FOIA) in response to a FOIA request in a very short period of time, unless the records requested are exempt under the FOIA. If NeighborSpace receives a request from the City to produce records within the scope of FOIA, then NeighborSpace covenants to comply with such request within 48 hours of the date of such request. Failure by NeighborSpace to timely comply with such request will be a breach of this Agreement.

2) Exempt Information. Documents that NeighborSpace submits to the City during the term of the Agreement that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents submitted by NeighborSpace to be treated as a trade secret or information that would cause competitive harm, FOIA requires that NeighborSpace mark any such documents as "proprietary, privileged or confidential." If NeighborSpace marks a document as "proprietary, privileged and confidential", then HED will evaluate whether such document may be withheld under the FOIA. HED, in its discretion, will determine

whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General's Office and/or the courts.

3) Local Records Act. NeighborSpace acknowledges that the City is subject to the Local Records Act, 50 ILCS 205/1 et. seq, as amended (the "Local Records Act"). The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, NeighborSpace covenants to use its best efforts consistently applied to assist the City in its compliance with the Local Records Act concerning records arising under or in connection with this Agreement and the transactions contemplated in the Agreement.

WHEREAS, the City is authorized under its home rule powers to regulate the use and development of land; and

WHEREAS, it is a reasonable condition of development approval to ensure that adequate open space and recreational facilities exist within the City; and

WHEREAS, on April 1, 1998, the City Council of the City (the "City Council") adopted the Open Space Impact Fee Ordinance codified at Chapter 18 of Title 16 (the "Open Space Ordinance") of the Municipal Code of Chicago (the "Code") to address the need for additional public space and recreational facilities for the benefit of the residents of newly created residential developments in the City; and

WHEREAS, the Open Space Ordinance authorizes, among other things, the collection of fees from residential developments that create new dwelling units without contributing a proportionate share of open space and recreational facilities for the benefit of their residents as part of the overall development (the "Fee-Paying Developments"); and

WHEREAS, pursuant to the Open Space Ordinance, the Department of Finance ("DOF") has collected fees derived from the Fee-Paying Developments (the "Open Space Fees") and has deposited those fees in separate funds, each fund corresponding to the Community Area (as defined in the Open Space Ordinance), in which each of the Fee-Paying Developments is located and from which the Open Space Fees were collected; and

WHEREAS, the Department of Planning and Development ("DPD") has determined that the Fee-Paying Developments built in the O'Hare Community Area have deepened the already significant deficit of open space in the O'Hare Community Area, which deficit was documented in the comprehensive plan entitled "The CitySpace Plan," adopted by the Chicago Plan Commission on September 11, 1997 and adopted by the City Council on May 20, 1998 pursuant to an ordinance published at pages 69309-69311 of the Journal of the Proceedings of the City Council (the "Journal") of the same date; and

WHEREAS, the Board of Education of the City of Chicago, commonly known as the Chicago Public Schools ("CPS"), is the owner of parcel of land on the campus of Everett McKinley Dirksen Elementary School legally identified and described on Exhibit A hereto (collectively, the "Property"); and

WHEREAS, Openlands, an Illinois not-for-profit corporation, is dedicated to preserving and creating open space; and

WHEREAS, the City, CPS and Openlands desire to create a school garden atthe above mentioned school (the "Project") for the benefit and use of the above mentioned school and the

Community Area in which it is located; and

WHEREAS, the City desires to grant Openlands impact fee funds to pay for the construction costs associated with building the garden at the Property (the "Project'); and

WHEREAS, DPD desires to provide to Openlands Open Space Fees in an amount not to exceed $147,163 for the Project; and

WHEREAS, the Open Space Ordinance requires that the Open Space Fees be used for open space acquisition and capital improvements, which provide a direct and material benefit to the new development from which the fees are collected; and

WHEREAS, the Open Space Ordinance requires that the Open Space Fees be expended within the same or a contiguous Community Area from which they were collected after a legislative finding by the City Council that the expenditure of the Open Space Fees will directly and materially benefit the developments from which the Open Space Fees were collected; and

WHEREAS, DPD has determined that the use of the Open Space Fees to fund the Project will provide a direct and material benefit to each of the Fee-Paying Developments from which the Open Space Fees were collected; and

WHEREAS, DPD has determined that Open Space Fees to be used for the purposes set forth herein have come from the specific fund set up by DOF for the O'Hare Community Area in which the Fee-Paying Developments are located and from which the Open Space Fees were collected; and

WHEREAS, DPD has recommended that the City Council approve the use of the Open Space Fees for the purposes set forth herein through this ordinance; and

WHEREAS, DPD has recommended that the City Council make a finding that the expenditure of the Open Space Fees as described herein will directly and materially benefit the Fee-Paying Developments from which the Open Space Fees were collected; now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The above recitals are expressly incorporated in and made part of this ordinance as though fully set forth herein.

To the extent that any ordinance, resolution, rule, order or provision of the Code, or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall control. If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any other provisions of this ordinance.

SECTION 1. THE GRANT

1.1. Subject to the provisions set forth in this Agreement, the City will disburse the Grant to reimburse Openlands for all or part of the cost of completing the Project in accordance with the budget attached to this Agreement as Exhibit B (the "Budget"), which budget is hereby approved by DPD, and only after Openlands has submitted Certificate(s) of Expenditure to DPD (as defined below) along with such supporting documentation as the City may reasonably require.

1.2 Openlands may request that certificate(s) of expenditure substantially in the form attached hereto ("Certificates of Expenditure") as Exhibit E be processed and executed periodically. The City will not execute Certificates of Expenditure in the aggregate in excess of the actual cost of the Project. Prior to each execution of a Certificate of Expenditure by the City, Openlands must submit documentation regarding the applicable expenditures to DPD. Delivery by Openlands to DPD of any request for execution by the City of a Certificate of Expenditure hereunder will, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for execution of a Certificate of Expenditure, that,

(a) the total amount of the request for the Certificates of Expenditure represents the actual amount payable to (or paid to) the general contractor, subcontractors, and other parties who have performed work on or otherwise provided goods or services in connection with the Project, and/or their payees;

(b) all amounts shown as previous payments on the current request for a Certificate of Expenditure have been paid to parties entitled to such payment;

(c) Openlands has approved all work and materials for the current request for a Certificate of Expenditure, and such work and materials conform to the Drawings (hereinafter defined); and

(d) Openlands is in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Openlands as related thereto.

1.3. Openlands hereby acknowledges and agrees that the Grant must be used

exclusively for the Project. If the Grant should exceed the costs of the Project, Openlands must repay to the City any such excess Grant funds received by Openlands.

1.4. Openlands is solely responsible for any fees, costs and expenses of the Project in excess of the amount of the Grant and will hold the City harmless from all such excess fees, costs and expenses. Notwithstanding anything to the contrary in this Agreement, in no event will the City or Openlands be responsible for any cost or expenses of the Project exceeding the Budget. In the event that either party believes that the Budget may not provide sufficient funds for the construction of the Project, such party must notify the other party and the parties must cooperate to modify the Project so that it can be completed in accordance with the Budget.

1.5. The source of funds for the City's obligations under this Agreement is the fund identified by CAPS Code: PS76 131 54 5076 2604. Openlands hereby acknowledges and agrees that the City's obligations hereunder are subject in every respect to the availability of funds as described in and limited by this Section 1.5. If no funds or insufficient funds are appropriated and budgeted in any fiscal period of the City for disbursements of the Grant, then the City will notify Openlands in writing of that occurrence, and Openlands will have the right, but not the obligation to terminate this Agreement by written notice to the City.

No material deviation from the Schedule will be made without the prior written approval of DPD, which approval will not be unreasonably withheld, conditioned or delayed. Notwithstanding the foregoing, in no event will the approval of DPD be required for any changes to the Schedule required because of the City's failure to approve and pay any Certificate of Expenditure, or required in connection with any force majeure event.

D. **Use**. The Project must be utilized as open space for use by the public for and on behalf of the City. This Agreement does not confer any special rights upon Openlands or any other person or entity to use the Project for private parties or events. The use of alcohol on the

4.3. Openlands agrees that provisions required to be inserted in this Agreement by laws, ordinances, rules, regulations or executive orders are deemed inserted whether or not they appear in this Agreement and that in no event will the failure to insert such provisions prevent the enforcement of this Agreement.

4.4. Openlands has full power and authority to enter into and perform its obligations under this Agreement, and the signing and delivery of this Agreement and the performance of its obligations under this Agreement have been duly authorized by all requisite corporate action.

4.5. Signing, delivery and performance by Openlands of this Agreement does not violate its bylaws, articles of incorporation, resolutions or any applicable provision of law, or constitute a material breach of, default under or require any consent under, any agreement, instrument or document, including any related to borrowing monies, to which Openlands is party or by which it is bound.

4.6. There are no actions or proceedings by or before any court, governmental commission, board, bureau or any other administrative agency pending, threatened or affecting Openlands that would materially impair its ability to perform under this Agreement.

4.7. Openlands is not in default on any loan or borrowing that may materially affect its ability to perform under this Agreement.

4.8. If the Grant, or a portion thereof, is used for construction, Openlands and all its contractors and subcontractors must meet labor standards and prevailing wage standards required by federal, state and City laws, regulations and ordinances.

4.9. Openlands must maintain and keep in force, at its sole cost and expense, at all times during the term of this Agreement, insurance in such amounts and of such type as set forth in Section 6 below.

4.10. Openlands must at all times perform its work in fulfilling its corporate mission with the utmost care, skill and diligence in accordance with the applicable standards currently recognized in the community.

4.11. Openlands is an Illinois not-for-profit corporation exempt from federal income taxation pursuant to Section 501(c)(3) of the Internal Revenue Code of 1986; and has provided the City a copy of the Internal Revenue Service Determination Letter evidencing such exemption. Openlands must at all times during the term of this Agreement maintain such tax-exempt status.

Openlands represents that it understands and will abide by all provisions of Chapter 2-55 of the Municipal Code and that it will inform all contractors and subcontractors hired by Openlands in connection with this Agreement of this provision in writing and require their compliance.

4.15 Failure by Openlands or any controlling person (as defined in Section 1-23-010 of the Municipal Code) thereof to maintain eligibility to do business with the City as required by

Section 1-23-030 of the Municipal Code will be grounds for termination of this Agreement and the transactions contemplated hereby.

SECTION 5. ENVIRONMENTAL MATTERS

5.1. It will be the responsibility of Openlands to investigate and determine the soil and environmental condition of the Property, if deemed necessary, including obtaining phase I and, if applicable, phase II environmental audits for the Property. The City makes no covenant, representation or warranty as to the environmental condition of the Property or the suitability of the Property for any use whatsoever.

5.2. Openlands agrees to carefully inspect the Property and all easements or other agreements recorded against the Property prior to commencement of any activity on the Property to ensure that such activity will not damage surrounding property, structures, utility lines or any subsurface lines or cables. Openlands must be solely responsible for the safety and protection of the public on the portions of the Property affected by the Project, until the portion of the Project on each portion of the Property is completed. The City reserves the right to inspect the work being done on the Property. Openlands agrees to keep the Property free from all liens and encumbrances arising out of any work performed, materials supplied or obligations incurred by or for Openlands.

5.3. Prior to inspecting the Property, Openlands or its subcontractors, if any, must obtain insurance in accordance with Section 6 below, all necessary permits and, if applicable, a right of entry.

The receipt of any certificate does not constitute agreement by the City that the insurance requirements in this Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Openlands is not a waiver by the City of any requirements for Openlands to obtain and maintain the specified coverages. Openlands must advise all insurers of the provisions of this Agreement regarding insurance. Non-conforming insurance does not relieve Openlands of the obligation to provide insurance as specified in this Agreement. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to suspend this Agreement until proper evidence of insurance is provided, or the Agreement may be terminated.
The insurance must provide for sixty (60) days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

The coverages and limits furnished by Openlands in no way limit Openlands' liabilities and responsibilities specified within the Agreement or by law.

Any insurance or self-insurance programs maintained by the City do not contribute with insurance provided by Openlands under this Agreement.

The required insurance to be carried out is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If Openlands is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

Openlands must require all subcontractors to provide insurance required in this Agreement, or Openlands may provide the coverages for subcontractors. All subcontractors are subject to the same insurance requirements of Openlands unless otherwise specified in this Agreement.

If Openlands or its subcontractors desire additional coverages, the party desiring additional coverages is responsible for the acquisition and cost.

Notwithstanding any provision in the Agreement to the contrary, the City's Risk Management

Department maintains the right to modify, delete, alter or change these requirements.

SECTION 7. INDEMNIFICATION

Openlands will indemnify and defend the City, its officials, agents and employees (the "City Indemnitees") against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, attorneys' and expert witnesses' fees and court costs) the City Indemnitees suffer or incur arising from or in connection with the actions or omissions of Openlands and/or any contractors or subcontractors in implementing the Project, if any, or Openlands' breach of this Agreement. If Openlands does not cure the default within the 30-day period, the termination will become effective at the end of the period. With respect to those defaults that are not capable of being cured within the 30-day period, Openlands will not be deemed to be in default if it has begun to cure the default within the 30-day period and thereafter diligently and continuously prosecutes the cure of the default until cured.

A "contractual or other private business dealing" will not include any employment relationship of an official's spouse with an entity when such spouse has no discretion concerning or input relating to the relationship between that entity and the City.

ORDINANCE

WHEREAS, the City of Chicago (the "City"), is a home rule unit of government under Article VII, Section 6(a) of the Constitution of the State of Illinois, and as such may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the City is authorized under its home rule powers to regulate the use and development of land; and

WHEREAS, it is a reasonable condition of development approval to ensure that adequate open space and recreational facilities exist within the City; and

WHEREAS, on April 1, 1998, the City Council of the City (the "City Council") adopted the Open Space Impact Fee Ordinance codified at Chapter 18 of Title 16 (the "Open Space Ordinance") of the Municipal Code of Chicago (the "Code") to address the need for additional public space and recreational facilities for the benefit of the residents of newly created residential developments in the City; and

WHEREAS, the Open Space Ordinance authorizes, among other things, the collection of fees from residential developments that create new dwelling units without contributing a proportionate share of open space and recreational facilities for the benefit of their residents as part of the overall development (the "Fee-Paying Developments"); and

WHEREAS, pursuant to the Open Space Ordinance, the Department of Finance ("DOF") has collected fees derived from the Fee-Paying Developments (the "Open Space Fees") and has deposited those fees in separate funds, each fund corresponding to the Community Area (as defined in the Open Space Ordinance), in which each of the Fee-Paying Developments is located and from which the Open Space Fees were collected; and

WHEREAS, the Department of Planning and Development ("DPD") has determined that the Fee-Paying Developments built in the Lake View Community Area have deepened the already significant deficit of open space in the Lake View Community Area, which deficit was documented in the comprehensive plan entitled "The CitySpace Plan," adopted by the Chicago Plan Commission on September 11, 1997 and adopted by the City Council on May 20, 1998 pursuant to an ordinance published at pages 69309-69311 of the Journal of the Proceedings of the City Council (the "Journal") of the same date; and

WHEREAS, The Trust for Public Land, a California not-for-profit corporation, is dedicated to preserving and creating open space; and

WHEREAS, the City desires to grant The Trust for Public Land impact fee funds to reimburse The Trust for Public Land for the construction of a park at 1230 West School Street, Chicago Illinois (the "Property") (the construction of the park on the Property shall be known herein as the "Project"); and

WHEREAS, DPD desires to provide to The Trust for Public Land Open Space Fees in an amount not to exceed $141,351 for the Project; and

WHEREAS, the Open Space Ordinance requires that the Open Space Fees be used for open space acquisition and capital improvements, which provide a direct and material benefit to the new development from which the fees are collected; and

WHEREAS, the Open Space Ordinance requires that the Open Space Fees be expended within the same or a contiguous Community Area from which they were collected after a legislative finding by the City Council that the expenditure of the Open Space Fees will directly and materially benefit the developments from which the Open Space Fees were collected; and

WHEREAS, DPD has determined that the use of the Open Space Fees to fund the Project will provide a direct and material benefit to each of the Fee-Paying Developments from which the Open Space Fees were collected; and

WHEREAS, DPD has determined that Open Space Fees to be used for the purposes set forth herein have come from the specific fund set up by DOF for the Lake View Community Area in which the Fee-Paying Developments are located and from which the Open Space Fees were collected; and

WHEREAS, DPD has recommended that the City Council approve the use of the Open Space Fees for the purposes set forth herein through this ordinance; and

WHEREAS, DPD has recommended that the City Council make a finding that the expenditure of the Open Space Fees as described herein will directly and materially benefit the Fee-Paying Developments from which the Open Space Fees were collected; now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The above recitals are expressly incorporated in and made part of this ordinance as though fully set forth herein.

SECTION 2. The City Council hereby finds that the expenditure of the Open Space Fees will directly and materially benefit the residents of those Fee-Paying Developments from which the Open Space Fees were collected and approves the use of the Open Space Fees for the purposes described herein.

SECTION 3. The Commissioner of DPD (the "Commissioner") and a designee of the Commissioner are each hereby authorized, subject to the approval of the Corporation Counsel to enter into a Grant Agreement with The Trust for Public Land in connection herewith, in substantially the form attached hereto as Exhibit 1 and to provide Open Space Fees proceeds to The Trust for Public Land in an amount not to exceed $141,351 from the corresponding funds to pay for expenses permitted under the Open Space Ordinance.

SECTION 4. Open Space Fees in the amount of $141,351 from the Lake View Community Area's Open Space Fees Funds are hereby appropriated for the purposes described herein.

To the extent that any ordinance, resolution, rule, order or provision of the Code, or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall control. If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any other

provisions of this ordinance.

SECTION 6. This ordinance shall be in full force and effect from and after the date of its passage.

EXHIBIT 1

TRUST FOR PUBLIC LAND GRANT AGREEMENT

This Trust for Public Land Grant Agreement (this "Agreement") is made as of the _____ day of _____, 2014 by and between the City of Chicago, an Illinois municipal corporation (the "City"), through its Department of Planning and Development ("DPD"), and The Trust for Public Land, a California not-for-profit corporation (the "Grantee").

RECITALS

A. Constitutional Authority: As a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois (the "State"), the City has the power to regulate for the protection of the public health, safety, morals and welfare of its inhabitants, and pursuant thereto, has the power to encourage private development in order to enhance the local tax base, create employment opportunities and to enter into contractual agreements with private parties in order to achieve these goals.

B. The Project: The Chicago Park District, a body politic and corporate and a unit of local government under Article VII, Section 1 of the 1970 Constitution of the State of Illinois (the "Park District") owns certain property located at 1230 West School Street, Chicago, Illinois 60657 (the "Property"). Within the time frames set forth in Section 3.01 hereof, the Grantee shall undertake the construction of a park on the Property (such construction referred to herein as the "Project"). The completion of the Project would not reasonably be anticipated without the financing contemplated in this Agreement.

C. Open Space Fees: The City is authorized under its home rule powers to regulate the use and development of land. It is a reasonable condition of development approval to ensure that adequate open space and recreational facilities exist within the City. On April 1, 1998, the City Council adopted the Open Space Impact Fee Ordinance codified at Chapter 18 of Title 16 (the "Open Space Ordinance") of the Municipal Code of Chicago (the "Code") to address the need for additional public space and recreational facilities for the benefit of the residents of newly created residential developments in the City. The Open Space Ordinance authorizes, among other things, the collection of fees from residential developments that create new dwelling units without contributing a proportionate share of open space and recreational facilities for the benefit of their residents as part of the overall development (the "Fee-Paying Developments"). Pursuant to the Open Space Ordinance, the Department of Finance ("DOF") has collected fees derived from the Fee-Paying Developments (the "Open Space Fees") and has deposited those fees in separate funds, each fund corresponding to the Community Area (as defined in the Open Space Ordinance), in which each of the Fee-Paying Developments is located and from which the Open Space Fees were collected. DPD has determined that the Fee-Paying Developments built in the Lake View Community Area have deepened the already significant deficit of open space in the Lake View Community Area, which deficit was documented in the comprehensive plan entitled "The CitySpace Plan," adopted by the Chicago Plan Commission on September 11, 1997 and adopted by the City Council on May 20, 1998 pursuant to an ordinance published at pages 69309-69311 of the Journal of the same date. The Grantee is dedicated to preserving and creating open space. The City desires to grant the Grantee impact fee funds to reimburse the Grantee for a portion of the costs of the Project. The Open Space Ordinance requires that: (1) the Open Space Fees be used for open space acquisition and capital improvements, which provide a direct and material benefit to the new development from which the fees are collected, and (2) the Open Space Fees be expended within the same or a contiguous Community Area from which they were collected after a legislative finding

by the City Council that the expenditure of the Open Space Fees will directly and materially benefit the developments from which the Open Space Fees were collected. DPD has determined that: (1) the use of the Open Space Fees to fund the Project will provide a direct and material benefit to each of the Fee-Paying Developments from which the Open Space Fees were collected, and (2) the Open Space Fees to be used for the purposes set forth herein have come from the specific fund set up by DOF for the Lake View Community Area in which the Fee-Paying Developments are located and from which the Open Space Fees were collected. DPD recommended that the City Council: (1) approve the use of the Open Space Fees for the purposes set forth herein through this ordinance and (2) make a finding that the expenditure of the Open Space Fees as described herein will directly and materially benefit the Fee-Paying Developments from which the Open Space Fees were collected. The City Council gave such approval and made such finding pursuant to an ordinance adopted on _____, 2014 and published at pages _____-_____ of the Journal of the same date.

D. City Funds: The City agrees to grant Open Space Fees in an amount not to exceed $141,351 (the "City Funds") to the Grantee to reimburse the Grantee for a portion of the costs of the Acquisition pursuant to the terms and conditions of this Agreement.

Now, therefore, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

4.07 Preconditions of Disbursement. Prior to the disbursement of City Funds hereunder, the Grantee shall submit documentation regarding the applicable expenditures to DPD, which shall be satisfactory to DPD in its sole discretion. Delivery by the Grantee to DPD of any request for disbursement of City Funds hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for disbursement, that:

The City shall have the right, in its discretion, to require the Grantee to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and any disbursement by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Grantee. In addition, the Grantee shall have satisfied all other preconditions of disbursement of City Fund, including but not limited to requirements set forth in this Agreement.

4.08 Conditional Grant. The City Funds being provided hereunder are being granted on a conditional basis, subject to the Grantee's compliance with the provisions of this Agreement. (l) the Grantee has not made or caused to be made, directly or indirectly, any payment, gratuity or offer of employment in connection with the Agreement or any contract paid from the City treasury or pursuant to City ordinance, for services to any City agency ("City Contract") as an

inducement for the City to enter into the Agreement or any City Contract with the Grantee in violation of Chapter 2-156-120 of the Municipal Code of the City; and

(m) neither the Grantee nor any affiliate of the Grantee is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. For purposes of this subparagraph (m) only, the term "affiliate," when used to indicate a relationship with a specified person or entity, means a person or entity that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with such specified person or entity, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

8.02 [intentionally omitted]

8.03 [intentionally omitted]

8.04 Use of City Funds. City Funds disbursed to the Grantee shall be used by the Grantee solely to pay for (or to reimburse the Grantee for its payment for) the City-Funded Costs as provided in this Agreement.

8.05-8.09 [intentionally omitted]

8.10 Arms-Length Transactions. Unless DPD has given its prior written consent with respect thereto, no Affiliate of the Grantee may receive any portion of City Funds, directly or indirectly, in payment for work done, services provided or materials supplied in connection with any City-Funded Cost. The Grantee shall provide information with respect to any entity to receive City Funds directly or indirectly (whether through payment to the Affiliate by the Grantee and reimbursement to the Grantee for such costs using City Funds, or otherwise), upon DPD's request, prior to any such disbursement.

8.11-8.13 [intentionally omitted]

8.14 Insurance. The Grantee, at its own expense, shall comply with all provisions of Section 12 hereof.

8.15 Non-Governmental Charges. (a) Payment of Non-Governmental Charges. Except for the Permitted Liens, the Grantee agrees to pay or cause to be paid when due any Non-Governmental Charge assessed or imposed upon the Project, the Property or any fixtures that are or may become attached thereto, which creates, may create, or appears to create a lien upon all or any portion of the Property or Project; provided however, that if such Non-Governmental Charge may be paid in installments, the Grantee may pay the same together with any accrued interest thereon in installments as they become due and before any fine, penalty, interest, or cost may be added thereto for nonpayment. The Grantee shall furnish to DPD, within thirty (30) days of DPD's request, official receipts from the appropriate entity, or other proof satisfactory to DPD, evidencing payment of the Non-Governmental Charge in question.

(b) Right to Contest. The Grantee has the right, before any delinquency occurs:

(i) to contest or object in good faith to the amount or validity of any Non-Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charge, prevent the imposition of a lien or remove such lien, or prevent the sale or forfeiture of the Property (so long as no such contest or objection shall be deemed or construed to relieve, modify or extend the Grantee's covenants to pay any such Non-Governmental Charge at the time and in the manner provided in this Section 8.15); or

(ii) at DPD's sole option, to furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully any such contested Non-Governmental Charge and all interest and penalties upon the adverse determination of such contest.

8.16 Grantee's Liabilities. The Grantee shall not enter into any transaction that would materially and adversely affect its ability to perform its obligations hereunder or to repay any material liabilities or perform any material obligations of the Grantee to any other person or entity. The Grantee shall immediately notify DPD of any and all events or actions which may materially affect the Grantee's ability to carry on its business operations or perform its obligations under this Agreement or any other documents and agreements.

8.17 Compliance with Laws. To the best of the Grantee's knowledge, after diligent inquiry, the Property and the Project are and shall be in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, executive orders and codes pertaining to or affecting the Project and the Property. Upon the City's request, the Grantee shall provide evidence satisfactory to the City of such compliance.

8.18 [intentionally omitted]

8.19 Real Estate Provisions.

(a) Governmental Charges.

(i) Payment of Governmental Charges. The Grantee agrees to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon the Grantee, the Property or the Project, or become due and payable, and which create, may create, a lien upon the Grantee or all or any portion of the Property or the Project. "Governmental Charge" shall mean all federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties of the State other than Cook County, and municipalities other than the City) relating to the Grantee, the Property or the Project including but not limited to real estate taxes.

(ii) Right to Contest. The Grantee has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such

manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or forfeiture of the Property. No such contest or objection shall be deemed or construed in any way as relieving, modifying or extending the Grantee's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless the Grantee has given prior written notice to DPD of the Grantee's intent to contest or object to a Governmental Charge and, unless, at DPD's sole option,

(i) the Grantee shall demonstrate to DPD's satisfaction that legal proceedings instituted by the Grantee contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of, all or any part of the Property to satisfy such Governmental Charge prior to final determination of such proceedings; and/or

(ii) the Grantee shall furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

(b) Grantee's Failure To Pay Or Discharge Lien. If the Grantee fails to pay any Governmental Charge or to obtain discharge of the same, the Grantee shall advise DPD thereof in writing, at which time DPD may, but shall not be obligated to, and without waiving or releasing any obligation or liability of the Grantee under this Agreement, in DPD's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which DPD deems advisable. All sums so paid by DPD, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be promptly disbursed to DPD by the Grantee. Notwithstanding anything contained herein to the contrary, this paragraph shall not be construed to obligate the City to pay any such Governmental Charge.

8.20-8.22 [intentionally omitted]

8.23 Survival of Covenants. All warranties, representations, covenants and agreements of the Grantee contained in this Section 8 and elsewhere in this Agreement shall be true, accurate and complete at the time of the Grantee's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and shall be in effect throughout the Term of the Agreement.

SECTION 9. COVENANTS/REPRESENTATIONS/WARRANTIES OF CITY

9.01 General Covenants. The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations hereunder.

9.02 Survival of Covenants. All warranties, representations, and covenants of the City contained in this Section 9 or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

SECTION 10. GRANTEE'S EMPLOYMENT OBLIGATIONS

10.01 Employment Opportunity. The Grantee, on behalf of itself and its successors and assigns, hereby agrees, and shall contractually obligate its or their various contractors, subcontractors or any Affiliate of the Grantee operating on the Property (collectively, with the Grantee, the "Employers" and individually an "Employer") to agree, that for the Term of this Agreement with respect to Grantee and during the period of any other party's provision of services in connection with the construction of the Project or occupation of the Property:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time to time (the "Human Rights Ordinance"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Redevelopment Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

(c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 10.01 shall be a basis for the City to pursue remedies under the provisions of Section 15.02 hereof.

SECTION 11. ENVIRONMENTAL MATTERS

The Grantee hereby represents and warrants to the City that the Grantee has conducted environmental studies sufficient to conclude that the Project may be constructed, completed and operated in accordance with all Environmental Laws and this Agreement and all Exhibits attached hereto.

Without limiting any other provisions hereof, the Grantee agrees to indemnify, defend and hold the City harmless from and against any and all losses, liabilities, damages, injuries, costs, expenses or claims of any kind whatsoever including, without limitation, any losses, liabilities, damages, injuries, costs, expenses or claims asserted or arising under any Environmental Laws incurred, suffered by or asserted against the City as a direct or indirect result of any of the following, regardless of whether or not caused by, or within the control of the Grantee: (i) the presence of any Hazardous Material on or under, or the escape, seepage, leakage, spillage, emission, discharge or release of any Hazardous Material from (A) all or any portion of the Property or (B) any other real property in which the Grantee, or any person directly or indirectly controlling, controlled by or under common control with the Grantee, holds any estate or interest whatsoever (including, without limitation, any property owned by a land trust in which the beneficial interest is owned, in whole or in part, by the Grantee), or (ii) any liens against the Property permitted or imposed by any Environmental Laws, or any actual or asserted liability or obligation of the City or the Grantee or any of its Affiliates under any Environmental Laws relating to the Property.

SECTION 12. INSURANCE

The Grantee must provide and maintain, at Grantee's own expense, or cause to be provided and maintained during the term of this Agreement, the insurance coverage and requirements specified below, insuring all operations related to the Agreement.

(a) Prior to execution and delivery of this Agreement and until Project Completion.

(i) Workers Compensation and Employers Liability

Workers Compensation Insurance, as prescribed by applicable law covering all employees who are to provide work under this Agreement and Employers Liability coverage with limits of not less than $100,000 each accident, illness or disease.

(ii) Commercial General Liability (Primary and Umbrella)

Commercial General Liability Insurance or equivalent with limits of not less than $1,000,000 per occurrence for bodily injury, personal injury, and property damage liability. Coverages must include the following: All premises and operations, products/completed operations independent contractors, separation of insureds, defense, and contractual liability (with no limitation endorsement). The City of Chicago is to be named as an additional insured on a primary, non-contributory basis for any liability arising directly or indirectly from the work.

(iii) All Risk Property

All Risk Property Insurance at replacement value of the property to protect against loss of, damage to, or destruction of the building/facility. The City is to be named as an additional insured and loss payee/mortgagee if applicable.

(b)-(c) [intentionally omitted]

(d) Other Requirements:

The Grantee must furnish the City of Chicago, Department of Planning and Development, City Hall, Room 1000, 121 North LaSalle Street 60602, original Certificates of Insurance, or such similar evidence, to be in force on the date of this Agreement, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the term of this Agreement. The Grantee must submit evidence of insurance on the City of Chicago Insurance Certificate Form (copy attached) or equivalent prior to closing. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Grantee is not a waiver by the City of any requirements for the Grantee to obtain and maintain the specified coverages. The Grantee shall advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance does not relieve Grantee of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to stop work and/or terminate agreement until proper evidence of insurance is provided.

The insurance must provide for 60 days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

Any deductibles or self insured retentions on referenced insurance coverages must be borne by Grantee and Contractors.

The Grantee hereby waives and agrees to require their insurers to waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents, or representatives.

The coverages and limits furnished by Grantee in no way limit the Grantee's liabilities and responsibilities specified within the Agreement or by law.

Any insurance or self insurance programs maintained by the City of Chicago do not contribute with insurance provided by the Grantee under the Agreement.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If Grantee is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

The Grantee must require Contractor and subcontractors to provide the insurance required herein, or Grantee may provide the coverages for Contractor and subcontractors. All

Contractors and subcontractors are subject to the same insurance requirements of Grantee unless otherwise specified in this Agreement.

If Grantee, any Contractor or subcontractor desires additional coverages, the party desiring the additional coverages is responsible for the acquisition and cost.

The City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements.

SECTION 13. INDEMNIFICATION

13.01 General Indemnity. Grantee agrees to indemnify, pay, defend and hold the City, and its elected and appointed officials, employees, agents and affiliates (individually an "Indemnitee," and collectively the "Indemnitees") harmless from and against, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (and including without limitation, the reasonable fees and disbursements of counsel for such Indemnitees in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not such Indemnitees shall be designated a party thereto), that may be imposed on, suffered, incurred by or asserted against the Indemnitees in any manner relating or arising out of:

(i) the Grantee's failure to comply with any of the terms, covenants and conditions contained within this Agreement; or

(ii) [intentionally omitted]; or

(iii) the existence of any material misrepresentation or omission in this Agreement or any other document related to this Agreement that is the result of information supplied or omitted by the Grantee or any Affiliate of the Grantee or any agents, employees, contractors or persons acting under the control or at the request of the Grantee or any Affiliate of Grantee; or

(iv) the Grantee's failure to cure any misrepresentation in this Agreement or any other agreement relating hereto;

provided, however, that Grantee shall have no obligation to an Indemnitee arising from the wanton or willful misconduct of that Indemnitee. To the extent that the preceding sentence may be unenforceable because it is violative of any law or public policy, Grantee shall contribute the maximum portion that it is permitted to pay and satisfy under the applicable law, to the payment and satisfaction of all indemnified liabilities incurred by the Indemnitees or any of them. The provisions of the undertakings and indemnification set out in this Section 13.01 shall survive the termination of this Agreement.

SECTION 14. MAINTAINING RECORDS/RIGHT TO INSPECT

14.01 Books and Records. The Grantee shall keep and maintain separate, complete, accurate and detailed books and records necessary to reflect and fully disclose the total actual cost of the Project and the disposition of all funds from whatever source allocated thereto, and to monitor the Project. All such books, records and other documents shall be available at the Grantee's offices for inspection, copying, audit and examination by an authorized representative of the City, at the Grantee's expense.

14.02 Inspection Rights. Upon three (3) business days' notice, any authorized representative of the City has access to all portions of the Project and the Property during normal business hours for the Term of the Agreement.

SECTION 15. DEFAULT AND REMEDIES

15.01 Events of Default. The occurrence of any one or more of the following events, subject to the provisions of Section 15.03, shall constitute an "Event of Default" by the Grantee hereunder:

(a) the failure of the Grantee to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Grantee under this Agreement or any related agreement;

(b) the failure of the Grantee to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Grantee under any other agreement with any person or entity if such failure may have a material adverse effect on the Grantee's business, property, assets, operations or condition, financial or otherwise;

(c) the making or furnishing by the Grantee to the City of any representation, warranty, certificate, schedule, report or other communication within or in connection with this Agreement or any related agreement which is untrue or misleading in any material respect;

(d) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of, or any attempt to create, any lien or other encumbrance upon the Property, including any fixtures now or hereafter attached thereto, other than the Permitted Liens, or the making or any attempt to make any levy, seizure or attachment thereof;

(e) the commencement of any proceedings in bankruptcy by or against the Grantee or for the liquidation or reorganization of the Grantee, or alleging that the Grantee is insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of the Grantee's debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving the Grantee; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings;

(f) the appointment of a receiver or trustee for the Grantee, for any substantial part of the Grantee's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of the Grantee; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within sixty (60) days after the commencement thereof;

(g) the entry of any judgment or order against the Grantee which remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution;

(h) the occurrence of an event of default under the Lender/Grantor Financing, which default is not cured within any applicable cure period;

(i) [intentionally omitted]; or

(j) the institution in any court of a criminal proceeding (other than a misdemeanor) against the Grantee which is not dismissed within thirty (30) days, or the indictment of the Grantee for any crime (other than a misdemeanor).

15.02 Remedies. Upon the occurrence of an Event of Default, the City may terminate this Agreement and any other agreements to which the City and the Grantee are or shall be parties, suspend disbursement of City Funds, place a lien on the Project in the amount of City Funds paid, and/or seek reimbursement of any City Funds paid. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to damages, injunctive relief or the specific performance of the agreements contained herein.

15.03 Curative Period. In the event the Grantee shall fail to perform a monetary covenant which the Grantee is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Grantee has failed to perform such monetary covenant within ten (10) days of its receipt of a written notice from the City specifying that it has failed to perform such monetary covenant. In the event the Grantee shall fail to perform a non-monetary covenant which the Grantee is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Grantee has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such thirty (30) day period, the Grantee shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

SECTION 16. MORTGAGING OF THE PROJECT

All mortgages or deeds of trust in place as of the date hereof with respect to the Property or any portion thereof are listed on Exhibit G hereto (including but not limited to mortgages made prior to or on the date hereof in connection with Lender/Grantor Financing) and are referred to herein as the "Existing Mortgages." Any mortgage or deed of trust that the Grantee may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof is referred to herein as a "New Mortgage." Any New Mortgage that the Grantee may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof with the prior written consent of the City is referred to herein as a "Permitted Mortgage." It is hereby agreed by and between the City and the Grantee as follows:

(a) In the event that a mortgagee or any other party shall succeed to the Grantee's interest in the Property or any portion thereof pursuant to the exercise of remedies under a New Mortgage (other than a Permitted Mortgage), whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of the Grantee's interest hereunder in accordance with Section 18.15 hereof, the City may, but shall not be obligated to, attorn to and recognize such party as the successor in interest to the Grantee for all purposes under this Agreement and, unless so recognized by the City as the successor in interest, such party shall be entitled to no rights or benefits under this Agreement, but such party shall be bound by those provisions of this Agreement.

(b) In the event that any mortgagee shall succeed to the Grantee's interest in the Property or any portion thereof pursuant to the exercise of remedies under an Existing Mortgage or a Permitted Mortgage, whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of the Grantee's interest hereunder in accordance with Section 18.15 hereof, the City hereby agrees to attorn to and recognize such party as the successor in interest to the Grantee for all purposes under this Agreement so long as such party accepts all of the obligations and liabilities of "the Grantee" hereunder; provided, however, that, notwithstanding any other provision of this Agreement to the contrary, it is understood and agreed that if such party accepts an assignment of the Grantee's interest under this Agreement, such party has no liability under this Agreement for any Event of Default of the Grantee which accrued prior to the time such party succeeded to the interest of the Grantee under this Agreement, in which case the Grantee shall be solely responsible. However, if such mortgagee under a Permitted Mortgage or an Existing Mortgage does not expressly accept an assignment of the Grantee's interest hereunder, such party shall be entitled to no rights and benefits under this Agreement.

(c) Prior to the Conveyance, no New Mortgage shall be executed with respect to the Property or any portion thereof without the prior written consent of the Commissioner of DPD.

This Agreement (including each Exhibit attached hereto, which is hereby incorporated herein by reference) constitutes the entire Agreement between the parties hereto and it supersedes all prior agreements, negotiations and discussions between the parties relative to the subject matter hereof.

18.03 Limitation of Liability. No member, official or employee of the City shall be personally liable to the Grantee or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Grantee from the City or any successor in interest or on any obligation under the terms of this Agreement.

18.05 Waiver. Waiver by the City or the Grantee with respect to any breach of this Agreement shall not be considered or treated as a waiver of the rights of the respective party with respect to any other default or with respect to any particular default, except to the extent specifically waived by the City or the Grantee in writing. No delay or omission on the part of a party in exercising any right shall operate as a waiver of such right or any other right unless pursuant to the specific terms hereof. A waiver by a party of a provision of this Agreement shall not prejudice or constitute a waiver of such party's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. 18.10 Severability. If any provision in this Agreement, or any paragraph, sentence, clause, phrase, word or the application thereof, in any circumstance, is held invalid, this Agreement shall be

construed as if such invalid part were never included herein and the remainder of this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

18.14 Approval. Wherever this Agreement provides for the approval or consent of the City, DPD or the Commissioner, or any matter is to be to the City's, DPD's or the Commissioner's satisfaction, unless specifically stated to the contrary, such approval, consent or satisfaction shall be made, given or determined by the City, DPD or the Commissioner in writing and in the reasonable discretion thereof. The Commissioner or other person designated by the Mayor of the City shall act for the City or DPD in making all approvals, consents and determinations of satisfaction, granting the Certificate or otherwise administering this Agreement for the City.

18.15 Assignment. The Grantee may not sell, assign or otherwise transfer its interest in this Agreement in whole or in part without the written consent of the City. Any successor in interest to the Grantee under this Agreement shall certify in writing to the City its agreement to abide by all remaining executory terms of this Agreement for the Term of the Agreement. WHEREAS, Lake South LLC Series 1, an Illinois Limited liability company ("Grantee"), 3362 South Halsted Street, Suite 100 Chicago, Illinois 60608, has offered to purchase the Property from the City for the sum of Two Thousand Two Hundred and No/100 Dollars ($2,200.00), such amount being the appraised fair market value of the Property, to improve with landscaped open space thereon; and

WHEREAS, pursuant to Resolution No. 14-059-21 adopted on July 17, 2014, by the Plan Commission of the City of Chicago (the "Commission"), the Commission approved the negotiated sale of the Property to the Grantee; and

WHEREAS, public notice advertising the City's intent to enter into a negotiated sale of the Property with the Grantee and requesting alternative proposals appeared in the *Chicago Sun-Times*, a newspaper of general circulation, on June 27, 2014, and July 4, 2014; and

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The City Council of the City hereby approves the sale of the Property to the Grantee for the amount of Two Thousand Two Hundred and No/100 Dollars ($2,200.00).

SECTION 2. The Mayor or his proxy is authorized to execute, and the City Clerk or Deputy City Clerk is authorized to attest, a quitclaim deed conveying the Property to the Grantee. > This conveyance is subject to the express condition that the Property is improved with landscaped open space within six (6) months of the date of this deed. In the event that the condition is not met, the City of Chicago may re-enter the Property and revest title in the City of Chicago. Grantee, at the request of the City of Chicago, covenants to execute and deliver to the City a reconveyance deed to the Property to further evidence such revesting of title. This right of reverter and re-entry shall terminate upon the issuance of a certificate of completion, release or similar instrument by the City of Chicago.

TO THE HONORABLE, THE CITY COUNCIL

Ladies and Gentlemen:

At the request of the Commissioner of Planning and Development, I transmit herewith ordinances authorizing the sale of city-owned property.

Your favorable consideration of these ordinances will be appreciated.

Very truly yours,

ORDINANCE

WHEREAS, the City of Chicago ("City") is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970, and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the City, through the foreclosure of demolition liens, tax sales and other methods of acquisition, has acquired title to numerous parcels of real property which are of minimal value and costly to clean up and maintain, and because title to such properties was vested in the City, the properties were exempted from real estate taxes, thus depriving the City of revenue; and

WHEREAS, pursuant to an ordinance (the "Original Program Ordinance") adopted by the City Council of the City ("City Council") on March 6, 1981 and published on pages 5584 - 5585 of the Journal of Proceedings of the City Council ("Journal") for such date, the City established a program for the disposition of certain vacant real property owned by the City known as the Adjacent Neighbors Land Acquisition Program; and

WHEREAS, the Original Program Ordinance was amended by ordinances adopted on July 23, 1982 and published in the Journal for such date at pages 11830 - 11833, and on January 7, 1983 and published in the Journal for such date at pages 14803 - 14805 (the Original Program Ordinance and such two amending ordinances, collectively, the "Original ANLAP Ordinances"); and

WHEREAS, pursuant to an ordinance adopted by the City Council on September 14, 1994 and published in the Journal for such date at pages 56195 - 56198, the City Council repealed the Original ANLAP Ordinances, and established a new program, also known as the Adjacent Neighbors Land Acquisition Program, for the disposition of certain vacant real property owned by the City, which ordinance was subsequently amended by ordinances adopted on September 4, 2002 and published in the Journal for such date at pages 92771 - 92773, and on July 28, 2010 and published in the Journal for such date at pages 97370 - 97374 (such new program, as amended, the "ANLAP Program"); and

WHEREAS, pursuant to the ANLAP Program, as codified at Municipal Code Chapter 2-159-010 et seq. (the "ANLAP Program Ordinance"), a qualified City-owned parcel may be sold if it has an appraised value of not more than Fifty Thousand Dollars ($50,000.00); and

WHEREAS, pursuant to the ANLAP Program, if the property appraises at or for less than Ten Thousand Dollars ($10,000.00) the minimum acceptable bid must be at least One Thousand Dollars ($1,000.00); if the property appraises at or for less than Twenty Thousand Dollars ($20,000.00) but more than Ten Thousand Dollars ($10,000.00) the minimum acceptable bid must be at least Two Thousand Dollars ($2,000.00); and if the property appraises for more than Twenty Thousand Dollars ($20,000.00) the minimum acceptable bid must be Two Thousand Dollars ($2,000.00), plus fifty percent (50%) of the appraised value which exceeds Twenty Thousand Dollars ($20,000.00); and

WHEREAS, pursuant to the ANLAP Program, any deed conveying a parcel pursuant thereto shall contain covenants which: (1) prohibit the grantee from conveying, assigning or

otherwise transferring the parcel except in conjunction with the adjacent parcel owned by the grantee; and (2) require that the parcel be improved with landscaped open space within six (6) months of the conveyance of such parcel and prohibit the construction of any permanent improvements on the parcel, excluding only improvements made by the grantee on the parcel that constitute an integrated addition to the grantee's primary residence on the adjacent lot, or a garage appurtenant thereto; and (3) require the grantee to maintain the parcel in accordance with the provisions of the Municipal Code of Chicago. The covenants shall terminate ten (10) years after the date of the conveyance of the parcel to the grantee; and

WHEREAS, the Department of Planning and Development ("DPD") of the City desires to convey the vacant parcel of real property identified on Exhibit A to this ordinance (the "ANLAP Parcel") to Dolores Sanchez Soriano (the "Purchaser"), who has a principal residence of 4937 South Loomis Boulevard, Chicago, Illinois 60609; and

WHEREAS, DPD has caused notice of the proposed sale of the ANLAP Parcel to be sent to all eligible adjacent neighbors (if any); and

WHEREAS, Purchaser's proposal was the only proposal received by the deadline indicated in the aforesaid notice; and

WHEREAS, pursuant to Resolution Number 14-044-21 adopted on June 19, 2014, by the Plan Commission of the City of Chicago ("Commission"), the Commission approved the sale of the Property to the Purchaser; now, therefore

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The City hereby accepts the bid of the Purchaser to purchase the ANLAP Parcel, which purchase shall be subject to all of the terms, conditions, covenants and restrictions of the ANLAP Program and the ANLAP Program Ordinance.

SECTION 2. The Mayor or his proxy is authorized to execute, and the City Clerk or Deputy City Clerk is authorized to attest, a quitclaim deed conveying the ANLAP Parcel to the Purchaser for the purchase price of One Thousand and 00/100 Dollars ($1,000.00). Such deed shall include a covenant obligating the Purchaser to use the ANLAP Parcel only for a use consistent with the requirements of the ANLAP Program Ordinance.

SECTION 3. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity of such provision shall not affect any of the other provisions of this ordinance.

Ladies and Gentlemen:

At the request of the Commissioner of Planning and Development, I transmit herewith ordinances authorizing the sale of city-owned property.

Your favorable consideration of these ordinances will be appreciated.

Very truly yours,

ORDINANCE

WHEREAS, the City of Chicago ("City") is a home rule unit of government by virtue of the provisions of Article VII, Section 6(a) of the Constitution of the State of Illinois of 1970 and as such may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the City Council of the City ("City Council") by ordinance adopted May 20, 1992 and published in the Journal of the Proceedings of the City Council of the City ("Journal") for such date at pages 16333 – 16335, established the Chicago Abandoned Properties Program ("CAP Program"), pursuant to which the City has acquired numerous abandoned properties either through statutory abandonment proceedings, or through the foreclosure of municipal liens, and conveyed such abandoned properties to developers for rehabilitation, and worked with such developers to successfully rehabilitate such abandoned properties; and

WHEREAS, the City Council, by ordinance adopted February 6, 2008 and published in the Journal for such date at pages 20654 – 20657, renamed the CAP Program as the "Preserving Communities Together Program" (the "PCT Program") and expanded the acquisition authority for such program; and

WHEREAS, there are a substantial number of abandoned, deteriorated and dangerous buildings in the City which threaten the health, safety, economic stability and general welfare of the citizens of the City, and which are the subject of certain housing court proceedings; and

WHEREAS, the City has created the PCT Program to help abate the dangers posed by abandoned, deteriorated and dangerous buildings in the City through the acquisition and subsequent conveyance of the buildings to parties who have proposed to rehabilitate them; and

WHEREAS, the City is the owner of the property commonly known as 6408 South Langley Avenue, Chicago, Illinois, and legally described on Exhibit A hereto (the "Property"), which is improved with a single family residential building ("Building") in need of substantial repair and is qualified to be included in the PCT Program; and

WHEREAS, NHS Redevelopment Corporation, an Illinois not-for-profit corporation (the "Developer"), has proposed to purchase the Property from the City and rehabilitate the Building for residential housing in accordance with the provisions of the PCT Program; and

WHEREAS, by Resolution No. 14-061-21, adopted by the Plan Commission of the City (the "Plan Commission") on July 17, 2014, the Plan Commission recommended the sale of the Property; and

WHEREAS, public notices advertising the intent of the City's Department of Planning and Development (the "Department") to enter into a negotiated sale with the Developer and requesting alternative proposals appeared in the Chicago Sun-Times on July 21 and 28, and August 4, 2014; and

WHEREAS, no alternative proposals have been received by the deadline indicated in the aforesaid notice; and

WHEREAS, the Department has reviewed the Developer's application and has recommended that the City Council approve the conveyance of the Property to the Developer for the purpose of rehabilitating the Building in accordance with the provisions of the PCT Program; now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The sale of the Property to the Developer for the sum of One Dollar ($1.00), plus holding costs incurred by the City during its period of ownership of the Property is hereby approved. This approval is expressly conditioned upon the City's entering into a redevelopment agreement with the Developer. The redevelopment agreement shall require the Developer to rehabilitate and sell the Building to a homebuyer whose household income, adjusted for family size, does not exceed eighty percent (80%) of the Chicago Primary Metropolitan Statistical Area median income), as determined by the U.S. Department of Housing and Urban Development. The Commissioner of the City's Department of Planning and Development (the "Commissioner") shall have the discretion to waive the affordability restrictions and the requirement to reimburse the City for holding costs. The Commissioner is authorized to negotiate and execute a redevelopment agreement with the Developer, and such other documents which may be required or necessary to implement the intent and objectives of the PCT Program, subject to the approval of the Corporation Counsel.

SECTION 2. The Mayor is authorized to execute, and the City Clerk or Deputy City Clerk is authorized to attest, a quitclaim deed conveying the Property to the Developer, or to a land trust of which the Developer is the sole beneficiary, or to a business entity of which the Developer is the sole controlling party, subject to the approval of the Corporation Counsel.

SECTION 3. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the other provisions of this ordinance.

SECTION 4. All ordinances, resolutions, motions or orders inconsistent with this ordinance are hereby repealed to the extent of such conflict

SECTION 5. This ordinance shall take effect upon its passage and approval.
