(d) Jobs Covenant Default and Cure Period. If the Developer defaults under the Jobs Covenant, an Event of Default shall not be declared with respect to such default if the Developer, upon irrevocable written notice (the "Extension Notice") accompanying the Jobs and Occupancy Certificate, elects to extend the Compliance Period by one year to the eleventh (11th) anniversary of the date the Final Certificate is issued. The one-year period during which the Extension Notice is given shall be the only cure period allowed for a default by Developer of the Jobs Covenant as described in this paragraph; no other notice or cure periods shall apply thereto and if such default is not cured within such one-year period then the Compliance Period shall not be extended and an Event of Default shall exist without notice or opportunity to cure. If the Developer has not delivered a permitted Extension Notice then any default by the Developer of the Jobs Covenant shall constitute an Event of Default without notice or opportunity to cure. The Developer shall be entitled to deliver one Extension Notice. If the Developer has delivered an Extension Notice, then any subsequent default by the Developer of the Jobs Covenant shall constitute an Event of Default without notice or opportunity to cure.

(e) Covenants Run with the Land; Remedy. The covenants set forth in this Section 8.06 shall run with the land and be binding upon any transferee. In the event of a default for any of the covenants in this Section 8.06, the City shall have the right to cease all disbursement of City Funds not yet disbursed and recapture the full amount of all City Funds previously paid or disbursed to the Developer for the Project if such default(s) is/are not cured during the applicable cure period, if any, and to exercise any other remedies described or referred to in this Agreement.

8.07 Employment Opportunity; Progress Reports. Developer covenants and agrees to abide by, and contractually obligate and use reasonable efforts to cause the General Contractor and each subcontractor to abide by the terms set forth in Section 10 hereof Developer shall deliver to the City written progress reports detailing compliance with the requirements of Sections 8.09, 10.02 and 10.03 of this Agreement. Such reports shall be delivered to the City semi-annually. If any such reports indicate a shortfall in compliance, Developer shall also deliver a plan to DPD which shall outline, to DPD's satisfaction, the manner in which Developer shall correct any shortfall.

8.08 Employment Profile. Developer shall submit, and contractually obligate and cause the General Contractor or any subcontractor to submit, to DPD, from time to time, statements of its employment profile upon DPD's request.

8.09 Prevailing Wage. Developer covenants and agrees to pay, and to contractually obligate and cause the General Contractor and each subcontractor to pay, the prevailing wage rate as ascertained by the Illinois Department of Labor (the "Department"), to all Project employees. All such contracts shall list the specified rates to be paid to all laborers, workers and mechanics for each craft or type of worker or mechanic employed pursuant to such contract. If the Department revises such prevailing wage rates, the revised rates shall apply to all such contracts. Upon the City's request, Developer shall provide the City with copies of all such contracts entered into by Developer or the General Contractor to evidence compliance with this Section 8.09.

8.10 Arms-Length Transactions. Unless DPD has given its prior written consent with respect thereto, no Affiliate of Developer may receive any portion of City Funds, directly or indirectly, in payment for work done, services provided or materials supplied in connection with any TIF-Funded Improvement. Developer shall provide information with respect to any entity to receive City Funds directly or indirectly (whether through payment to the Affiliate by Developer and

reimbursement to Developer for such costs using City Funds, or otherwise), upon DPD's request, prior to any such disbursement.

8.11 Conflict of Interest. Pursuant to Section 5/11-74.4-4(n) of the Act, Developer represents, warrants and covenants that, to the best of its knowledge, no member, official, or employee of the City, or of any commission or committee exercising authority over the Project, the Redevelopment Area or the Redevelopment Plan, or any consultant hired by the City or Developer with respect thereto, owns or controls, has owned or controlled or will own or control any interest, and no such person shall represent any person, as agent or otherwise, who owns or controls, has owned or controlled, or will own or control any interest, direct or indirect, in Developer's business, the Property or any other property in the Redevelopment Area.

8.12 Disclosure of Interest. Developer's counsel has no direct or indirect financial ownership interest in Developer, the Property or any other aspect of the Project.

8.13 Financial Statements. Developer shall obtain and provide to DPD Financial Statements for Developer's fiscal year ended June 30, 2015 and each June 1st thereafter for the Term of the Agreement.

8.14 Insurance. Developer, at its own expense, shall comply with all provisions of Section 12 hereof.

8.15 Non-Governmental Charges.

(a) Payment of Non-Governmental Charges. Except for the Permitted Liens, Developer agrees to pay or cause to be paid when due any Non-Governmental Charge assessed or imposed upon the Project, the Property or any fixtures that are or may become attached thereto, which creates, may create, or appears to create a lien upon all or any portion of the Property or Project; provided however, that if such Non-Governmental Charge may be paid in installments, Developer may pay the same together with any accrued interest thereon in installments as they become due and before any fine, penalty, interest, or cost may be added thereto for nonpayment. Developer shall furnish to DPD, within thirty (30) days of DPD's request, official receipts from the appropriate entity, or other proof satisfactory to DPD, evidencing payment of the Non-Governmental Charge in question.

(b) Right to Contest. Developer has the right, before any delinquency occurs:

(i) *to contest or object in good faith to the amount or validity of any* Non-Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charge, prevent the imposition of a lien or remove such lien, or prevent the sale or forfeiture of the Property (so long as no such contest or objection shall be deemed or construed to relieve, modify or extend Developer's covenants to pay any such Non-Governmental Charge *at the time and in the manner provided in this* Section 8.15); or

(ii) at DPD's sole option, to furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully any such contested Non-

Governmental Charge and all interest and penalties upon the adverse determination of such contest.

8.16 Developer's Liabilities. Developer shall not enter into any transaction that would materially and adversely affect its ability to perform its obligations hereunder or to repay any material liabilities or perform any material obligations of Developer to any other person or entity. Developer shall immediately notify DPD of any and all events or actions which may materially affect Developer's ability to carry on its business operations or perform its obligations under this Agreement or any other documents and agreements.

8.17 Compliance with Laws.

(a) Representation. To the best of the Developer's knowledge, after diligent inquiry, the Property and the Project are and shall be in compliance with all Laws pertaining to or affecting the Project and the Property. Upon the City's request, the Developer shall provide evidence satisfactory to the City of such compliance.

(b) Covenant. The Developer covenants that the Property and the Project will be operated and managed in compliance with all Laws. Upon the City's request, the Developer shall provide evidence to the City of its compliance with this covenant.

8.18 Recording and Filing. Developer shall cause this Agreement, certain exhibits (as specified by Corporation Counsel), all amendments and supplements hereto to be recorded and filed against the Property on the date hereof in the conveyance and real property records of the county in which the Project is located. This Agreement shall be recorded prior to any mortgage made in connection with Lender Financing. Developer shall pay all fees and charges incurred in connection with any such recording. Upon recording, Developer shall immediately transmit to the City an executed original of this Agreement showing the date and recording number of record.

8.19 Real Estate Provisions.

(a) Governmental Charges.

(i) Payment of Governmental Charges. Developer agrees to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon Developer, the Property or the Project, or become due and payable, and which create, or may create a lien upon Developer or all or any portion of the Property or the Project. "Governmental Charge" shall mean all federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties of the State other than Cook County, and municipalities other than the City) relating to Developer, the Property or the Project including but not limited to real estate taxes.

(ii) Right to Contest. Developer has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or forfeiture of the Property. Developer's right to challenge real estate taxes applicable to the Property is limited as provided for in Section 8.19(c) below; provided, that such real estate taxes must be paid in full when due. No such contest

or objection shall be deemed or construed in any way as relieving, modifying or extending Developer's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless Developer has given prior written notice to DPD of Developer's intent to contest or object to a Governmental Charge and, unless, at DPD's sole option,

(i) Developer shall demonstrate to DPD's satisfaction that legal proceedings instituted by Developer contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of, all or any part of the Property to satisfy such Governmental Charge prior to final determination of such proceedings; and/or

(ii) Developer shall furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

(b) Developer's Failure To Pay Or Discharge Lien. If Developer fails to pay any Governmental Charge or to obtain discharge of the same, Developer shall advise DPD thereof in writing, at which time DPD may, but shall not be obligated to, and without waiving or releasing any obligation or liability of Developer under this Agreement, in DPD's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which DPD deems advisable. All sums so paid by DPD, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be promptly disbursed to DPD by Developer. Notwithstanding anything contained herein to the contrary, this paragraph shall not be construed to obligate the City to pay any such Governmental Charge. Additionally, if Developer fails to pay any Governmental Charge, the City, in its sole discretion, may require Developer to submit to the City audited Financial Statements at Developer's own expense.

(c) Real Estate Taxes. With respect to the Property or the Project, nothing in this Agreement shall prevent Developer or any agent, representative, lessee, tenant, assignee, transferee or successor in interest to Developer, during the Term of this Agreement, from seeking or authorizing any exemption (as such term is used and defined in the Illinois Constitution, Article IX, Section 6 (1970)) for any year that the Redevelopment Plan is in effect. Notwithstanding the foregoing, if at any time during the Term of this Agreement all or any portion of the Property or the Project is not exempt from real estate taxes (the "Non-exempt Property"), then the following provisions shall apply to the Non-exempt Property:

(i) Acknowledgment of Real Estate Taxes. Developer and the City may establish an exhibit to be attached to this Agreement and containing (A) the total projected minimum assessed value of the Non-exempt Property ("Minimum Assessed Value") for the years noted on the exhibit; (B) the specific improvements which will generate the fair market values, assessments, equalized assessed values and taxes shown thereon; and (C) the real estate taxes anticipated to be generated and derived from the respective portions of the Non-exempt Property for the years shown on the exhibit.

(ii) No Reduction in Real Estate Taxes. Neither Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to Developer shall, during the Term of this Agreement, directly or indirectly, initiate, seek or apply for

proceedings in order to lower the assessed value of all or any portion of the Property or the Project below the amount of the Minimum Assessed Value for the applicable year as shown in the exhibit described in Section 8.19(c)(i).

(iii) No Objections. Neither Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to Developer, shall object to or in any way seek to interfere with, on procedural or any other grounds, the filing of any Underassessment Complaint or subsequent proceedings related thereto with the Cook County Assessor or with the Cook County Board of Appeals, by either the City or any taxpayer. The term "Underassessment Complaint" as used in this Agreement shall mean any complaint seeking to increase the assessed value of the Property up to (but not above) the Minimum Assessed Value as shown in the exhibit described in Section 8.19(c)(i).

(iv) Covenants Running with the Land. The parties agree that the restrictions contained in this Section 8.19(c) are covenants running with the land and this Agreement shall be recorded by Developer as a memorandum thereof, at Developer's expense, with the Cook County Recorder of Deeds on the Closing Date. These restrictions shall be binding upon Developer and its agents, representatives, lessees, successors, assigns and transferees from and after the date hereof, provided however, that the covenants shall be released when the Redevelopment Area is no longer in effect. Developer agrees that any sale, lease, conveyance, or transfer of title to all or any portion of the Property or Redevelopment Area from and after the date hereof shall be made explicitly subject to such covenants and restrictions. Notwithstanding anything contained in this Section 8.19(c) to the contrary, the City, in its sole discretion and by its sole action, without the joinder or concurrence of Developer, its successors or assigns, may waive and terminate Developer's covenants and agreements set forth in this Section 8.19(c).

(d) Change in Use and Ownership. If applicable during the Term of this Agreement, Developer shall complete a letter of notification, in accordance with 35 ILCS 200/15-20, notifying the Cook County Assessor that there has been a change in use and ownership of the Property. After delivery of the notification to the Cook County Assessor via certified mail, return receipt requested, Developer shall forward a copy of the return receipt to DPD, with a copy to the City's Corporation Counsel's office. Additionally, the provisions of this Section 8.19 do not prohibit a change in use of portions of the Property so long as the Developer is in compliance with the Operating Covenant as set forth in Section 8.06(a) hereof, including if such change in use results in Non-exempt Property thereafter being exempt from the payment of real estate taxes.

8.20 Survival of Covenants. All warranties, representations, covenants and agreements of Developer contained in this Section 8 and elsewhere in this Agreement shall be true, accurate and complete at the time of Developer's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and (except as provided in Section 7 hereof upon the issuance of a Certificate) shall be in effect throughout the Term of the Agreement.

8.21 Annual Compliance Report. Beginning with the issuance of the Milestone 1 Certificate and continuing throughout the Term of the Agreement, Developer shall submit to DPD the Annual Compliance Report on or before June 30th; provided, however, that during years in which the Developer is submitting a Requisition Form, the Annual Compliance Report shall be submitted together with a Requisition Form.

8.22 Inspector General. It is the duty of Developer and the duty of any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or

program, and all of Developer's officers, directors, agents, partners, and employees and any such bidder, proposer, contractor, subcontractor or such applicant: (a) to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code and (b) to cooperate with the Legislative Inspector General in any investigation undertaken pursuant to Chapter 2-55 of the Municipal Code. Developer represents that it understands and will abide by all provisions of Chapters 2-56 and 2-55 of the Municipal Code and that it will inform subcontractors of this provision and require their compliance.

8.23 LEED Certification. The Developer has provided an affidavit that a Milestone, if subject to the LEED requirements, has achieved the Sustainability Requirement as evidenced by a stamped letter from a licensed design professional and a completed LEED checklist, substantially in the form of Exhibit F hereto;

8.24. FOIA and Local Records Act Compliance.

(a) FOIA. The Developer acknowledges that the City is subject to the Illinois Freedom of Information Act, 5 ILCS 140/1 et. seq., as amended ("FOIA"). The FOIA requires the City to produce records (very broadly defined in FOIA) in response to a FOIA request in a very short period of time, unless the records requested are exempt under the FOIA. If the Developer receives a request from the City to produce records within the scope of FOIA, then the Developer covenants to comply with such request within 48 hours of the date of such request. Failure by the Developer to timely comply with such request shall be an Event of Default.

(b) Exempt Information. Documents that the Developer submits to the City under Section 8.21 (Annual Compliance Report), or otherwise during the Term of the Agreement that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents submitted by the Developer to be treated as a trade secret or information that would cause competitive harm, FOIA requires that Developer mark any such documents as "proprietary, privileged or confidential." If the Developer marks a document as "proprietary, privileged and confidential", then DPD will evaluate whether such document may be withheld under the FOIA. DPD, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General's Office and/or the courts.

(c) Local Records Act. The Developer acknowledges that the City is subject to the Local Records Act, 50 ILCS 205/1 et. seq, as amended (the "Local Records Act"). The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, the Developer covenants to use its best efforts consistently applied to assist the City in its compliance with the Local Records Act

8.25 Job Readiness Program. Developer shall undertake a job readiness program to work with the City, through DPD's Workforce Unit, to participate in job training programs to provide job applicants for the jobs created by the Project and the operation of Developer's business on the Property.

8.26 Survival of Covenants. All warranties, representations, covenants and agreements of Developer contained in this Section 8 and elsewhere in this Agreement shall be true, accurate and complete at the time of Developer's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and (except as provided in Section 7 hereof upon the issuance of the Final Certificate) shall be in effect throughout the Term of the Agreement.

SECTION 9. COVENANTS/REPRESENTATIONS/WARRANTIES OF CITY

9.01 General Covenants. The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations hereunder.

9.02 Survival of Covenants. All warranties, representations, and covenants of the City contained in this Section 9 or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

SECTION 10. DEVELOPER'S EMPLOYMENT OBLIGATIONS

10.01 Employment Opportunity. Developer, on behalf of itself and its successors and assigns, hereby agrees, and shall contractually obligate its or their various contractors, subcontractors or any Affiliate of Developer operating on the Property (collectively, with Developer, the "Employers" and individually an "Employer") to agree, that for the Term of this Agreement with respect to Developer and during the period of any other party's provision of services in connection with the construction of the Project or occupation of the Property:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time to time (the "Human Rights Ordinance"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Redevelopment Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

(c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section 10.01, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the

responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 10.01 shall be a basis for the City to pursue remedies under the provisions of Section 15.02 hereof.

10.02 City Resident Construction Worker Employment Requirement. Developer agrees for itself and its successors and assigns, and shall contractually obligate its General Contractor and shall cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by Actual Residents of the City as specified in Section 2-92-330 of the Municipal Code (at least 50 percent of the total worker hours worked by persons on the site of the Project shall be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, Developer, its General Contractor and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

Developer may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

"Actual residents of the City" shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

Developer, the General Contractor and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of DPD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

Developer, the General Contractor and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DPD, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. Developer, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

At the direction of DPD, affidavits and other supporting documentation will be required of Developer, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of Developer, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that Developer has failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject Developer, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to Developer pursuant to Section 2-92-250 of the Municipal Code may be withheld by the City pending the Chief Procurement Officer's determination as to whether Developer must surrender damages as provided in this paragraph.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246 " and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

Developer shall cause or require the provisions of this Section 10.02 to be included in all construction contracts and subcontracts related to the Project.

10.03. MBE/WBE Commitment. Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that during the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 10.03, during the course of the Project, at least the following percentages of the MBE/WBE Budget (as set forth in Exhibit H-2 hereto) shall be expended for contract participation by MBEs and by WBEs:

(1) At least 24 percent by MBEs.
(2) At least four percent by WBEs.

(b) For purposes of this Section 10.03 only, Developer (and any party to whom a contract is let by Developer in connection with the construction of the Project) shall be deemed a "contractor" and this Agreement (and any contract let by Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code, Developer's MBE/WBE commitment may be achieved in part by Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by Developer utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials or services used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to Developer's MBE/WBE commitment as described in this Section 10.03. In accordance with Section 2-92-730, Municipal Code, Developer shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of DPD.

(d) Developer shall deliver quarterly reports to the City's monitoring staff during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by Developer or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining Developer's compliance with this MBE/WBE commitment. Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by Developer, on five Business Days' notice, to allow the City to review Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, Developer shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code, as applicable.

(f) Any reduction or waiver of Developer's MBE/WBE commitment as described in this Section 10.03 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code, as applicable. The parties agree to the extent that the Developer exceeds the MBE/WBE commitment for a Milestone Budget(s), and the Developer is able to adequately prove such overage(s), DPD will allow, for a single occurrence, the Developer to apply such overage(s) to a subsequent Milestone Budget if required to meet the MBE/WBE commitment for such Milestone Budget.

(g) Prior to the commencement of the Project and of each Milestone, Developer shall be required to meet with the City's monitoring staff with regard to Developer's compliance with its

obligations under this Section 10.03. The General Contractor and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, Developer shall demonstrate to the City's monitoring staff its plan to achieve its obligations under this Section 10.03, the sufficiency of which shall be approved by the City's monitoring staff. During the Project, Developer shall submit the documentation required by this Section 10.03 to the City's monitoring staff, including the following: (i) subcontractor's activity report; (ii) contractor's certification concerning labor standards and prevailing wage requirements; (iii) contractor letter of understanding; (iv) monthly utilization report; (v) authorization for payroll agent; (vi) certified payroll; and (vii) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings (the "City Construction Compliance Requirements"). Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that Developer is not complying with its obligations under this Section 10.03, shall, upon the delivery of written notice to Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to Developer to halt the Project, (2) withhold any further payment of any City Funds to Developer or the General Contractor, or (3) seek any other remedies against Developer available at law or in equity.

SECTION 11. ENVIRONMENTAL MATTERS

15.02 Remedies. Upon the occurrence of an Event of Default, the City may terminate this Agreement and any other agreements to which the City and Developer are or shall be parties, suspend or permanently discontinue disbursement of City Funds, place a lien on the Project in the amount of City Funds paid, and/or seek reimbursement of any City Funds paid. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to damages, injunctive relief or the specific performance of the agreements contained herein. It is hereby agreed by and between the City and Developer as follows:

(a) In the event that a mortgagee or any other party shall succeed to Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under a New Mortgage (other than a Permitted Mortgage), whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of Developer's interest hereunder in accordance with Section 18.15 hereof, the City may, but shall not be obligated to, attorn to and recognize such party as the successor in interest to Developer for all purposes under this Agreement and, unless so recognized by the City as the successor in interest, such party shall be entitled to no rights or benefits under this Agreement, but such party shall be bound by those provisions of this Agreement that are covenants expressly running with the land.

No delay or omission on the part of a party in exercising any right shall operate as a waiver of such right or any other right unless pursuant to the specific terms hereof. A waiver by a party of a provision of this Agreement shall not prejudice or constitute a waiver of such party's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. PROJECT MILESTONES DESCRIPTION

Milestone 1

- *Sinai Community Institute (SCI)Build out of the 3rd Floor*
  Interior buildout of 26,000 g.s.f. to accommodate clinics for the Sinai Medical Group (SMG) and Access Community Health Network (ACHN) that had been housed in the outdated Kling Building. Construction was completed in early 2013 and clinics began operations in the new location in March 2013.

- *Cardiac Catheterization Lab Renovation*
  Significant renovation to 6,000 g.s.f. in the lower level of the Crown Pavilion to develop a new space for the Cardiac Catheterization Lab which had been previously housed in the lower level of the Olin-Sang Pavilion. The new location provides an improved patient care environment, improved patient access and capacity for future expansion. Construction was complete and the department began operations in this new location in November 2011.

- *Operating Room Fan Unit Replacement*
  Ventilation for the existing surgery suite and adjacent surgical ICU is provided by four fan systems. The ventilation unit serving the operating room had exceeded its useful life and was replaced in this project. The new system was designed to provide energy efficiency and redundancy within the new unit to create a more reliable system for this critical function. The project was completed and the fans put into service in 2011.

- *Kling Building Demolition*
  With the SMG and ACHN clinics relocating to the 3rd floor of the SCI building, the Kling building has been vacated and is no longer useful for healthcare purposes. The building (approximately 60,530 g.s.f) will be demolished in late 2014 and early 2015.

Milestone 2

- *Interventional Radiology Renovation*
  The existing Interventional Radiology (IR) Suite is located on the 3rd floor of the Frankel Building. This building is one of the older buildings on campus and predominately houses laboratory space and support departments, but also contains a small component of direct patient care, including IR. Through the Sinai Tomorrow Project, patient care activities will be relocated from this facility to renovated space among other patient care services. To begin this process IR will be relocated to 7,400 g.s.f. of renovated space on the lower level of the Crown Pavilion immediately adjacent to the Cardiac Catheterization Lab. This will provide a more convenient, efficient and modern environment for care.

- *Psychiatric Emergency Department / Access Center Development – HCH Behavioral Health*

Development of a call center and psychiatric emergency services in coordination with the Emergency Department services at Holy Cross Hospital. Work will require reconfiguration of existing facilities to support theses new programs.

- *Outpatient Services – HCH Behavioral Health*
  Development of Outpatient behavioral health services in a facility owned by HCH and adjacent to the hospital and currently used for hospital-related support departments. Services include provision psychiatric assessments, medication management, mental health assessments, individual and group psychotherapy to all ages. Work will require reconfiguration and renovation of existing space.

- *Relocation of Gad's Hill Childcare Center and OP Psych, Part 1*
  Part 1 of this element involves relocation of the Gad's Hill childcare center from the 2nd floor fo the SCI Building to a new location on Ogden approximately eight blocks to the west. Work includes desing and renovation of the existing one-story structure and modifications to the adjacent parking and grounds to support childcare. Relocation of the OP Behavioral Health program from the 2nd floor of the SCI building will be addressed in Part 2.

- *MSH Relocation & Renovations – Business Office Relocations Part 1*
  Part 1 of this element involves relocation of approximately 40,000s.f. of the business office departments from Sinai (including Finance, Accounting, Revenue Cycle and Medical Records, among others.) Relocation of other departments will occur in subsequent Milestones as noted below.

- *MSH Infrastructure Upgrades*
  - Air handling unit replacement to address obsolete and energy in-efficient systems. New systems will also add some redundancy for operational reliability;
  - Hot water system replacement to provide a reliable energy-efficient system.

Milestone 3

- *Inpatient Bed Units Conversion (HCH)n, Part 1*
  Conversion of portions of existing inpatient bed floors at HCH from general medical/surgical or administrative use to inpatient psychiatry use. Work would include renovations within the Holy Cross Hospital bed tower of approximately 14,000s.f. to create a secure unit with appropriate bed capacity, treatment areas and group activity areas to meet inpatient behavioral health program needs.

- *General Bed Renovations, Part 1:*
  - Modernization of existing medical/surgical units
    Of the four existing inpatient bed units in Olin-Sang remaining after the relocation of the critical care unit two will be modernized as Part 1 of the General Bed Renoation. Work

will include renovated patient rooms, re-design of the nurse's station and general upgrades throughout the floors. This work will affect approximately 36,000 g.s.f. of building space.

- *Private patient rooms*
  As a component of the renovation work Sinai will convert approximately one floor of the semi-private patient rooms into private patient rooms.

- *Development of Observation Unit*
  To support the patient volume in the Emergency Department, an Observation Unit of approximately 8,000 g.s.f. is planned through renovation of space that will allow placement of patients with select diagnoses who are not likely to need to be admitted to an inpatient unit in an appropriate care environment outside of the general ED.

- *Renal Services*
  Renal Dialysis is currently located on the 5th Floor of the Frankel building. To improve efficient delivery of care for patients (and In keeping with the objective of moving patient-care activities out of this older facility) an outpatient dialysis center of approximately 2,500s.f. will be developed in space outside of the inpatient facility. Work will include renovation of existing space in an a facility suitable for outpatient activities either adjacent to campus or nearby.

- *Emergency Power Generation & Distribution Systems Upgrades*
  Work will include upgrades to the emergency power generators, installation of emergency power distribution panels and devices, and reconfiguration of distribution to separate delivery into separate branches of services as required by current code.

Milestone 4

- *Relocation of Gad's Hill Childcare Center and OP Psych, Part 2*
  Continuing the work begun in Part 1 During Milestone 2, the outpatient psychiatric services will be relocated from the 2nd floor of the SCI building to space renovated in facilities nearby but off-campus. The vacated space in SCI will then be developed for further outpatient clinic and support services.

- *Outpatient Imaging, Testing and Support Services in SCI, Part 1*
  In the space vacated by the relocation of Gad's Hill in Milestone 2, this work focuses on the creation of a new outpatient center through the rehabilitation and re-purposing of the SCI building, including:
  - *New outpatient clinics:* In addition to the clinic functions previously relocated from the Kling building to the 3rd floor of the SCI building, additional specialty clinics will be relocated from the Crown Pavilion to increase the range and capacity of services in the outpatient center and allow consolidation of inpatient services. This, along with other functional program

elements noted below, will be accommodated through the renovation of approximately 26,000 g.s.f. of the 1st and 2nd floors of the building.

- *Diagnostic and testing services:* Services include general radiology, obstetrical ultrasound and other diagnostic and testing routinely required in support of outpatient clinics.
- *Educational capacity:* Programs will include patient education as follow-up to clinical services and would include food and nutrition planning and other health management topics.
- *Social and financial services:* These include services to provide on-going support and guidance regarding healthcare issues as well as counseling regarding financial arrangements for services.
- *Building entry and exterior enclosure improvements:* Work is planned to include renovation of the building entry to create better accessibility and a general waiting area. The exterior enclosure of the building will be modified to create better energy efficiency and transform the character of the building.

- *Relocation of CCU*
  The Cardiac critical care unit is currently located in the Kurtzon building which is the oldest building currently in-use for patient care. The projected plan is to relocate this function into 18,000 g.s.f. of renovated space in the Olin-Sang building which houses the majority of the inpatient bed units.

- *General Bed Renovations, Part 2*
  - *Modernization of existing medical/surgical units*
    - The two inpatient bed units in Olin-Sang remaining after Part 1 of the renovations and the relocation of the critical care unit will be modernized to include renovated patient rooms, re-design of the nurse's station and general upgrades throughout the floors. This work will affect approximately 36,000 g.s.f. of building space.
  - *Private patient rooms*
    - As a component of the renovation work Sinai will convert approximately one bed unit from semi-private patient rooms into private patient rooms.

- *Oncology Services*
  Work involves renovation of approximately 1,600s.f. of space within the SCI building to create an outpatient Oncology Infusion Center. The current center is located within the 6th floor of the Olin-Sang pavilion. The relocation will provide a more appropriate environment for this outpatient service as well as provide growth capability.

Milestone 5

- *Inpatient Bed Units Conversion (HCH), Part 2*

This is a continuation of Part 1 noted in Milestone 2 and would expand the Inpatient the number of inpatient psychiatry beds at Holy Cross Hospital. Work includes conversion of portions of existing inpatient bed floors at HCH from general medical/surgical or administrative use to inpatient psychiatry use. Approximately 14,000s.f. will be renovated to create a secure unit with appropriate bed capacity, treatment areas and group activity areas to meet inpatient behavioral health program needs.

- *Relocation of SICU*
  The Surgical Intensive care unit is currently located in the Crown building in space that no longer functions well for this purpose. The projected plan is to relocate this function into 18,000 g.s.f. of renovated space in the Olin-Sang building which houses the majority of the inpatient bed units.

- *Relocation of Imaging Services*
  Imaging services are currently provided in the Frankel and Kurtzon buildings, the two oldest on campus, as well as the in the primary imaging center in Crown. As a result of relocation of outpatient services and other reconfigurations, approximately 20,000s.f. of space in the Crown Building would be renovated to consolidate all imaging into the first floor of Crown.

- *Normal power switchgear upgrades to improve electrical service*
  Work involves installation of new electrical switchgear, and all associated wiring for incoming electrical service to the facility. This will provide increased reliability and redundancy to the electrical service of the facilities;

Milestone 6

- *Outpatient Support Services, Part 2*
  Work will include renovation of approximately 14,000s.f of space on the 2nd floor of the SCI building, as well as modifications and renovations to the functions on the 1st floor, to expand the capability of the outpatient center. Programs will include:

  - Outpatient Support Services including Educational programs, Case Management, Financial Counseling and Workforce Development.
  - Specialty Clinics, Part 2 – clinics include ENT and Ortho, or others as appropriate to meet outpatient service needs.

- *Business Office Relocations, Part 2*
  Work will include relocation of the existing adult outpatient behavioral health services from the 2nd floor of the SCI building, relocation of the child outpatient behavioral health program currently on the 5th floor of the Nurses Residence and renovation in of a near5gby community facility to co-locate these two functions. The space vacated in the SCI building will house programs developed for the Outpatient Center at SCI Part 2.

- *Infrastructure Upgrades, including*:
    - Fire alarm system replacement to bring all buildings together with a single, technologically advanced system;
    - Air handling unit replacement, Part 2

      The focus of the work is to address obsolete and energy in-efficient systems. New systems will improve temperature and humidity management along with indoor air quality, add redundancy and backup for operational reliability, and improve energy efficiency of plant operations.

Milestone 7

- *Food & Nutrition Services*

  As a result of the reconfiguration of functions on the 1st floor of Crown, including relocation of several outpatient activities to the SCI building and implementation of new methods of patient admitting, approximately 12,000s.f. of the Crown building 1st floor will be renovated to accommodate the Food & Nutrition Services including the kitchen and cafeteria.

- *Kurtzon Building Demolition*

  Upon completion of the components noted above, the Kurtzon Building (approximately 159,000 g.s.f.) will be vacated and demolished. This will improve the operating cost structure of the organization by eliminating a building that is not energy efficient and not optimal for patient care. It also prepares the site for turnover to the Chicago Housing Authority in accordance with the Land Transfer Agreement for the development of mixed-income housing on the site.

Milestone 8

- *Exterior Repairs*

  Work includes repairs to the exteriors of the Frankel Building and Nurses Residence buildings as required following the demolition of the Kurtzon Building.

OPINION OF DEVELOPER'S COUNSEL

[To be retyped on Developer's Counsel's letterhead]

—, ——

City of Chicago
121 North LaSalle Street
Chicago, IL 60602

ATTENTION: Corporation Counsel

Ladies and Gentlemen:

We have acted as counsel to Sinai Health System, an Illinois not-for-profit corporation (the "Developer"), in connection with the rehabilitation of certain facilities thereon located in the Sinai Health System Redevelopment Project Area (the "Project"). In that capacity, we have examined, among other things, the following agreements, instruments and documents of even date herewith, hereinafter referred to as the "Documents":

(a) Sinai Health System Redevelopment Agreement (the "Agreement") of even date herewith, executed by Developer and the City of Chicago (the "City");

(b) [insert other documents including but not limited to documents related to purchase and financing of the Property and all lender financing related to the Project]; and

(c) all other agreements, instruments and documents executed in connection with the foregoing.

In addition to the foregoing, we have examined

(a) the original or certified, conformed or photostatic copies of Developer's (i) Articles of Incorporation, as amended to date, (ii) qualifications to do business and certificates of good standing in all states in which Developer is qualified to do business, (iii) By-Laws, as amended to date, and (iv) records of all corporate proceedings relating to the Project [revise if Developer is not a corporation]; and

(b) such other documents, records and legal matters as we have deemed necessary or relevant for purposes of issuing the opinions hereinafter expressed.

In all such examinations, we have assumed the genuineness of all signatures (other than those of Developer), the authenticity of documents submitted to us as originals and conformity to the originals of all documents submitted to us as certified, conformed or photostatic copies.

Based on the foregoing, it is our opinion that:

1. Developer is a corporation duly organized, validly existing and in good standing under the laws of its state of incorporation, has full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a foreign corporation under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business.

2. Developer has full right, power and authority to execute and deliver the Documents to which it is a party and to perform its obligations thereunder. Such execution, delivery and performance will not conflict with, or result in a breach of, Developer's Articles of Incorporation or By-Laws or result in a breach or other violation of any of the terms, conditions or provisions of any law or regulation, order, writ, injunction or decree of any court, government or regulatory authority, or, to the best of our knowledge after diligent inquiry, any of the terms, conditions or provisions of any agreement, instrument or document to which Developer is a party or by which Developer or its properties is bound. To the best of our knowledge after diligent inquiry, such execution, delivery and performance will not constitute grounds for acceleration of the maturity of any agreement, indenture, undertaking or other instrument to which Developer is a party or by which it or any of its property may be bound, or result in the creation or imposition of (or the obligation to create or impose) any lien, charge or encumbrance on, or security interest in, any of its property pursuant to the provisions of any of the foregoing, other than liens or security interests in favor of the lender providing Lender Financing (as defined in the Agreement).

3. The execution and delivery of each Document and the performance of the transactions contemplated thereby have been duly authorized and approved by all requisite action on the part of Developer.

4. Each of the Documents to which Developer is a party has been duly executed and delivered by a duly authorized officer of Developer, and each such Document constitutes the legal, valid and binding obligation of Developer, enforceable in accordance with its terms, except as limited by applicable bankruptcy, reorganization, insolvency or similar laws affecting the enforcement of creditors' rights generally.

5. Intentionally Omitted.

6. To the best of our knowledge after diligent inquiry, no judgments are outstanding against Developer, nor is there now pending or threatened, any litigation, contested claim or governmental proceeding by or against Developer or affecting Developer or its property, or seeking to restrain or enjoin the performance by Developer of the Agreement or the transactions contemplated by the Agreement, or contesting the validity thereof. To the best of our knowledge after diligent inquiry, Developer is not in default with respect to any order, writ, injunction or decree of any court, government or regulatory authority or in default in any respect under any law, order, regulation or demand of any governmental agency or instrumentality, a default under which would have a material adverse effect on Developer or its business.

7. To the best of our knowledge after diligent inquiry, there is no default by Developer or any other party under any material contract, lease, agreement, instrument or commitment to which Developer is a party or by which the company or its properties is bound.

8. To the best of our knowledge after diligent inquiry, all of the assets of Developer are free and clear of mortgages, liens, pledges, security interests and encumbrances except for those specifically set forth in the Documents.

9. The execution, delivery and performance of the Documents by Developer have not and will not require the consent of any person or the giving of notice to, any exemption by, any registration, declaration or filing with or any taking of any other actions in respect of, any person, including without limitation any court, government or regulatory authority.

10. To the best of our knowledge after diligent inquiry, Developer owns or possesses or is licensed or otherwise has the right to use all licenses, permits and other governmental approvals and authorizations, operating authorities, certificates of public convenience, goods carriers permits, authorizations and other rights that are necessary for the operation of its business.

11. A federal or state court sitting in the State of Illinois and applying the choice of law provisions of the State of Illinois would enforce the choice of law contained in the Documents and apply the law of the State of Illinois to the transactions evidenced thereby.

We are attorneys admitted to practice in the State of Illinois and we express no opinion as to any laws other than federal laws of the United States of America and the laws of the State of Illinois.

This opinion is issued at Developer's request for the benefit of the City and its counsel, and may not be disclosed to or relied upon by any other person.

Very truly yours,

_____

C. City Council Authority: To induce redevelopment pursuant to the Act, the City Council of the City (the "City Council") adopted the following ordinances on July 10, 1996: (1) "An Ordinance of the City of Chicago, Illinois Approving a Redevelopment Plan for the Goose Island Redevelopment Project Area" (the "Goose Island Plan Approving Ordinance"); (2) "An Ordinance of the City of Chicago, Illinois Designating the Goose Island Redevelopment Project Area as a Redevelopment Project Area Pursuant to the Tax Increment Allocation Redevelopment Act"; and (3) "An Ordinance of the City of Chicago, Illinois Adopting Tax Increment Allocation Financing for the Goose Island Redevelopment Project Area" (the "Goose Island TIF Adoption Ordinance") (items(1)-(3) collectively referred to herein as the "Goose Island TIF Ordinances"). D. The Project: Developer has entered into a lease (the "Lease") with Mars IS US, LLC (the "Building Owner"), the owner of certain property within the Goose Island Redevelopment Area located at 1333 North Hickory Avenue, Chicago, Illinois (the "Property"), which Property is improved with an office building (the "Building") operated by the Building Owner. Developer intends to make the Property its primary business location.

Developer is an independent research, training and commercialization center that brings together academic leaders and students with businesses for collaborations that combine research with commercial applications. Within the Developer Space (as defined below), Developer will operate an education and research center for digital manufacturing known as the Digital Manufacturing and Design Innovation Institute that connects to a network of manufacturing research sites across the United States for the purpose of fostering online networks of people, machines and factories in real time collaboration and analysis of large amounts of data during the design and manufacturing process, with the goal of increasing efficiency throughout supply chains.

The Lease commences on or about February 1, 2015, with right of entry to begin on or about September 1, 2014. Developer is leasing approximately 94,470 rentable square feet of space (the "Developer Space") within the Building for an initial period of 10 years (e.g., through January 31, 2025), subject to such early termination rights and renewal rights as are set forth in the Lease (the "Lease Term"). The completion of the Project would not reasonably be anticipated without the financing contemplated in this Agreement.

Developer hereby acknowledges that the Project and the Term of the Agreement (as defined herein) extend for many years beyond the current expiration date of the Goose Island Redevelopment Area.

E. Redevelopment Plan: The Project will be carried out in accordance with this Agreement and the City of Chicago Goose Island Redevelopment Project Area Tax Increment Financing Program Redevelopment Plan (the "Redevelopment Plan") included in the Plan Approving Ordinance and published at pages _____ - _____ of the Journal of the Proceedings of the City Council for July 10, 1996.

Available Incremental Taxes from Transfer Rights	

provided, however, that the total amount of City Funds expended for TIF-Eligible Improvements shall be an amount not to exceed the lesser of $10,000,000 or, if Developer should incur actual Project costs that are less than the Project Budget set forth above ($16,500,000), then the Maximum Amount of City Funds will be reduced by $1.00 for every $1.00 the actual Project comes in below $16,500,000; and

provided further, however, that the Maximum Amount of City Funds shall be permanently reduced by an aggregate amount not to exceed $250,000 in the sole discretion of DPD if Developer fails to timely fulfill the LEED Covenant as set forth in Section 8.23 herein; and

provided further, that the $10,000,000 to be derived from the sources listed above shall be available to pay costs related to TIF-Eligible Improvements and allocated by the City for that purpose only so long as: (i) The amount of the Available Incremental Taxes from Goose Island Incremental Taxes and Available Incremental Taxes from Transfer Rights deposited into the Goose Island TIF Fund shall be sufficient to pay for such costs; and (ii) the City has been reimbursed from Available Incremental Taxes from Goose Island Incremental Taxes and Available Incremental Taxes from Transfer Rights for the amount previously disbursed by the City for TIF-Eligible Improvements, if any.

The City shall use its Transfer Rights as follows:

transfer Available Incremental Taxes From Transfer Rights from the North Branch (South) TIF Fund into the Goose Island TIF Fund as necessary and as available, to the extent that Available Incremental Taxes from Goose Island Incremental Taxes are insufficient, to fund any disbursement of City Funds that is to be made from time to time.

(c) Retainage. Not less than $1,000,000 of the City Funds shall be withheld by the City until the Certificate is issued.

4.04 Disbursements of City Funds through the Escrow Agreement. The City and Developer hereby agree to enter into the Escrow Agreement. All disbursements of City Funds shall be made pursuant to the Escrow Agreement and this Agreement. In case of any conflict

between the terms of this Agreement and the Escrow Agreement, the terms of this Agreement shall control.

City Funds shall flow through the Escrow Agreement as follows:

The City must receive copies of any draw requests and related documents submitted to the Title Company for disbursements under the Escrow Agreement.

4.05 Allocation Among Line Items. Disbursements for expenditures related to TIF-Eligible Improvements may be allocated to and charged against the appropriate line only, with transfers of costs and expenses from one line item to another, without the prior written consent of DPD, being prohibited; provided, however, that such transfers among line items, in an amount not to exceed $25,000 or $100,000 in the aggregate, may be made without the prior written consent of DPD.

4.06 Cost Overruns. If the aggregate cost of the TIF-Eligible Improvements exceeds City Funds available pursuant to Section 4.03 hereof, or if the cost of completing the Rehabilitation Project exceeds the Project Budget, Developer shall be solely responsible for such excess cost, and shall hold the City harmless from any and all costs and expenses of completing the TIF-Eligible Improvements in excess of City Funds and of completing the Rehabilitation Project.

4.07 Preconditions of Disbursement. Prior to each disbursement of City Funds hereunder (whether or not through the Escrow Agreement), Developer shall submit documentation regarding the applicable expenditures to DPD, which shall be satisfactory to DPD in its sole discretion. Delivery by Developer to DPD of any request for disbursement of City Funds hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for disbursement, that:

(a) the total amount of the disbursement request represents the actual amount payable to (or paid to) the General Contractor and/or subcontractors that have performed work on the Rehabilitation Project, and/or their payees;

(b) all amounts shown as previous payments on the current disbursement request have been paid to the parties entitled to such payment;

(c) Developer has approved all work and materials for the current disbursement request, and such work and materials conform to the Plans and Specifications;

(d) the representations and warranties contained in this Redevelopment Agreement are true and correct and Developer is in compliance with all covenants contained herein;

(e) Developer has received no notice and has no knowledge of any liens or claim of lien either filed or threatened against the Property;

(f) no Event of Default or condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default exists or has occurred; and

(g) the Rehabilitation Project is In Balance. The Rehabilitation Project shall be deemed to be in balance ("In Balance") only if the total of the available Rehabilitation Project funds equals or exceeds the aggregate of the amount necessary to pay all unpaid Rehabilitation Project costs incurred or to be incurred in the completion of the Rehabilitation Project. "Available Rehabilitation Project Funds" as used herein shall mean: (i) the undisbursed City Funds; (ii) the undisbursed Lender Financing, if any; (iii) the undisbursed Equity and (iv) any other amounts deposited by Developer pursuant to this Agreement. Developer hereby agrees that, if the Rehabilitation Project is not In Balance, Developer shall, within 10 days after a written request by the City, deposit with the Title Company or will make available (in a manner acceptable to the City), cash in an amount that will place the Rehabilitation Project In Balance, which deposit shall first be exhausted before any further disbursement of the City Funds shall be made.

The City shall have the right, in its discretion, to require Developer to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and any disbursement by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by Developer. In addition, Developer shall have satisfied all other preconditions of disbursement of City Funds for each disbursement, including but not limited to requirements set forth in the TIF Ordinances, this Agreement and/or the Escrow Agreement.

4.08 Conditional Grant. The City Funds being provided hereunder are being granted on a conditional basis, subject to Developer's compliance with the provisions of this Agreement.

SECTION 5. CONDITIONS PRECEDENT

The following conditions have been complied with to the City's satisfaction on or prior to the Closing Date:

5.01 Project Budget. Developer has submitted to DPD, and DPD has approved, a Project Budget in accordance with the provisions of Section 3.03 hereof.

5.02 Scope Drawings and Plans and Specifications. Developer has submitted to DPD, and DPD has approved, the Scope Drawings and Plans and Specifications accordance with the provisions of Section 3.02 hereof.

5.03 Other Governmental Approvals. Developer has secured all other necessary approvals and permits required by any state, federal, or local statute, ordinance or regulation and has submitted evidence thereof to DPD.

5.04 Financing. If a portion of such funds consists of Lender Financing, Developer has furnished proof as of the Closing Date that the proceeds thereof are available to be drawn upon by Developer as needed and are sufficient (along with the Equity set forth in Section 4.01) to complete the Rehabilitation Project.

5.05 Acquisition and Title. [intentionally omitted]

5.06 Evidence of Clean Title. Developer, at its own expense, has provided the City with searches as indicated in the chart below under Developer's name showing no liens against Developer, the Property or any fixtures now or hereafter affixed thereto:

5.09 Opinion of Developer's Counsel. On the Closing Date, Developer has furnished the City with an opinion of counsel, substantially in the form attached hereto as Exhibit J, with such changes as required by or acceptable to Corporation Counsel. If Developer has engaged special counsel in connection with the Project, and such special counsel is unwilling or unable to give some of the opinions set forth in Exhibit J hereto, such opinions were obtained by Developer from its general corporate counsel.

5.10 [intentionally omitted]

5.11 Financial Statements. Developer has provided Financial Statements to DPD for its most recent fiscal year.

5.12 Documentation; Employment Plan. Developer has provided documentation to DPD, satisfactory in form and substance to DPD, with respect to current employment matters in connection with the construction or rehabilitation work on the Rehabilitation Project, including the reports described in Section 8.07. At least 30 days prior to the Closing Date, Developer has

met with the Workforce Solutions division of DPD to review employment opportunities with Developer after construction or rehabilitation work on the Rehabilitation Project is completed. On or before the Closing Date, Developer has provided to DPD, and DPD has approved, the Employment Plan for the Project (the "Employment Plan"). The Employment Plan includes, without limitation, Developer's estimates of future job openings, titles, position descriptions, qualifications, recruiting, training, placement and such other information as DPD has requested relating to the Project.

Developer has provided to the City an EDS on the City's current form, dated as of the Closing Date, which is incorporated by reference, and Developer further will provide any other affidavits or certifications as may be required by federal, state or local law in the award of public contracts, all of which affidavits or certifications are incorporated by reference. Notwithstanding acceptance by the City of the EDS, failure of the EDS to include all information required under the Municipal Code renders this Agreement voidable at the option of the City. Developer and any other parties required by this Section 5.14 to complete an EDS must promptly update their EDS(s) on file with the City whenever any information or response provided in the EDS(s) is no longer complete and accurate, including changes in ownership and changes in disclosures and information pertaining to ineligibility to do business with the City under Chapter 1-23 of the Municipal Code, as such is required under Sec. 2-154-020, and failure to promptly provide the updated EDS(s) to the City will constitute an event of default under this Agreement.

5.15 Litigation. Developer has provided to Corporation Counsel and DPD a description of all pending or threatened litigation, if any, or administrative proceedings, if any, involving Developer, specifying, in each case, the amount of each claim, an estimate of probable liability, the amount of any reserves taken in connection therewith and whether (and to what extent) such potential liability is covered by insurance.

5.16 Leases. Developer shall have delivered to DPD a complete copy of the executed Lease, a completed copy of all other written agreements setting forth Developer's and Building Owner's understandings relating to Developer's relocation to or occupancy of the Developer Space, and any financial agreements between Developer and the Building Owner (whether written or not) in any way relating to the Developer Space or the Lease.

SECTION 6. AGREEMENTS WITH CONTRACTORS

6.01 Bid Requirement for General Contractor and Subcontractors. Prior to entering into an agreement with a General Contractor or any subcontractor for construction of the Rehabilitation Project, Developer shall solicit, or shall cause the General Contractor to solicit,

bids from qualified contractors eligible to do business with, and having an office located in, the City, and shall submit all bids received to DPD for its inspection and written approval. (i) For the TIF-Eligible Improvements, Developer shall select the General Contractor (or shall cause the General Contractor to select the subcontractor) submitting the lowest responsible bid who can complete the Rehabilitation Project in a timely manner. If Developer selects a General Contractor (or the General Contractor selects any subcontractor) submitting other than the lowest responsible bid for the TIF-Eligible Improvements, the difference between the lowest responsible bid and the bid selected may not be paid out of City Funds. (ii) For Rehabilitation Project work other than the TIF-Eligible Improvements, if Developer selects a General Contractor (or the General Contractor selects any subcontractor) who has not submitted the lowest responsible bid, the difference between the lowest responsible bid and the higher bid selected shall be subtracted from the actual total Rehabilitation Project costs for purposes of the calculation of the amount of City Funds to be contributed to the Rehabilitation Project pursuant to Section 4.03(b) hereof. Developer shall submit copies of the Construction Contract to DPD in accordance with Section 6.02 below. Photocopies of all subcontracts entered or to be entered into in connection with the TIF-Eligible Improvements shall be provided to DPD within five (5) business days of the execution thereof. Developer shall ensure that the General Contractor shall not (and shall cause the General Contractor to ensure that the subcontractors shall not) begin work on the Rehabilitation Project until the Plans and Specifications have been approved by DPD and all requisite permits have been obtained.

6.02 Construction Contract. Prior to the execution thereof, Developer shall deliver to DPD a copy of the proposed Construction Contract with the General Contractor selected to handle the Rehabilitation Project in accordance with Section 6.01 above, for DPD's prior written approval, which shall be granted or denied within ten (10) business days after delivery thereof. 6.03 Performance and Payment Bonds. Prior to the commencement of any portion of the Rehabilitation Project which includes work on the public way, Developer shall require that the General Contractor be bonded for its payment by sureties having an AA rating or better using a bond in the form attached as Exhibit O hereto. The City shall be named as obligee or co-obligee on any such bonds.

6.04 Employment Opportunity. Developer shall contractually obligate and cause the General Contractor and each subcontractor to agree to the provisions of Section 10 hereof.

6.05 Other Provisions. In addition to the requirements of this Section 6, the Construction Contract and each contract with any subcontractor shall contain provisions required pursuant to Section 3.04 (Change Orders), Section 8.09 (Prevailing Wage), Section 10.01(e) (Employment Opportunity), Section 10.02 (City Resident Construction Worker Employment Requirement), Section 10.03 (MBE/WBE Requirements, as applicable), Section 12 (Insurance) and Section 14.01 (Books and Records) hereof. Photocopies of all contracts or subcontracts entered or to be entered into in connection with the TIF-Eligible Improvements shall be provided to DPD within five (5) business days of the execution thereof.

SECTION 7. COMPLETION OF CONSTRUCTION OR REHABILITATION

7.01 Certificate of Completion of Construction or Rehabilitation. Upon proof provided to DPD's satisfaction:

(i) that the Developer Space has been completed in accordance with the terms of this Agreement; and

(ii) that Developer has accurately stated the actual total Rehabilitation Project costs it has expended on the Rehabilitation Project; and

(iii) that Developer holds a valid certificate of occupancy for the Developer Space; and

(iv) that Primary Office operations has been established by Developer in the Developer Space in accordance with the terms of this Agreement; and

(v) that Developer met or exceeded the MBE, WBE, prevailing wage and City residency requirements of this Agreement for the Rehabilitation Project; and

(vi) that at least 10 FTEs are employed at the Developer Space pursuant to the Minimum Jobs Covenant and demonstrated by the filing of a Jobs Certificate with DPD; and

(vii) that Developer has not been paid City Funds to date that exceed the amount of TIF-Eligible Improvements actually incurred in connection with the Rehabilitation Project; and

(viii) that Developer has provided cancelled checks and lien waivers, or the General Contractors' final sworn statement and final lien waiver and invoice, for all amounts referenced in subsections (ii), (v) and (vii) above; and

(ix) that Developer has provided a written statement of its commitment to timely commence the job readiness program with the Workforce Solutions Unit required under Section 8.26 hereof; and

(x) that Developer has provided proof that it timely filed the Tax Division Request as required in Section 8.27 hereof;

then, upon Developer's written request, DPD shall issue to Developer, **simultaneously with DPD's release of the final City Funds disbursement from the Escrow,** a Certificate in recordable form (but which shall not be recorded without the Building Owner's written consent) certifying that Developer has fulfilled its obligation to complete the Rehabilitation Project in accordance with the terms of this Agreement. DPD shall respond to Developer's written request for a Certificate within forty-five (45) days by issuing either a Certificate or a written statement detailing the ways in which the Rehabilitation Project does not conform to this Agreement or has not been satisfactorily completed, and the measures which must be taken by Developer in order

to obtain the Certificate. Developer may resubmit a written request for a Certificate upon completion of such measures.

7.02 Effect of Issuance of Certificate; Continuing Obligations. The Certificate relates only to the Rehabilitation Project and, upon its issuance, the City will certify that the terms of this Agreement specifically related to Developer's obligation to complete such activities have been satisfied. After the issuance of a Certificate, however, all executory terms and conditions of this Agreement and all representations and covenants contained herein will continue to remain in full force and effect throughout the Term of the Agreement as to the parties described in the following paragraph, and the issuance of the Certificate shall not be construed as a waiver by the City of any of its rights and remedies pursuant to such executory terms.

Those covenants specifically described at Sections 8.02, 8.06 and 8.19(c) as covenants that run with the leasehold interest in the Developer Space are the only covenants in this Agreement intended to be binding upon any transferee of the Developer Space (including an assignee as described in the following sentence) throughout the Term of the Agreement notwithstanding the issuance of a Certificate; provided, that upon the issuance of a Certificate, the covenants set forth in Section 8.02 shall be deemed to have been fulfilled. The other executory terms of the Agreement that remain after the issuance of a Certificate shall be binding only upon Developer or a permitted assignee of Developer who, pursuant to Section 18.15 of this Agreement, has contracted to take an assignment of Developer's rights under this Agreement and assume Developer's liabilities hereunder.

7.03 Failure to Complete Rehabilitation Project. If Developer fails to complete the Rehabilitation Project in accordance with the terms of this Agreement (including any applicable notice and cure provisions), then the City has, but shall not be limited to, any of the following rights and remedies:

(a) the right to terminate this Agreement and cease all disbursement of the City Funds not yet disbursed pursuant hereto;

(b) the right (but not the obligation) to complete those TIF-Eligible Improvements that are public improvements and to pay for the costs of TIF-Eligible Improvements (including interest costs) out of City Funds or other City monies. In the event that the aggregate cost of completing the TIF-Eligible Improvements exceeds the amount of City Funds available pursuant to Section 4.01, Developer shall reimburse the City for all reasonable costs and expenses incurred by the City in completing such TIF-Eligible Improvements in excess of the available City Funds; and

(c) the right to seek reimbursement of the City Funds from Developer.

7.04 Notice of Expiration of Term of Agreement. Upon the expiration of the Term of the Agreement, DPD shall provide Developer, at Developer's written request, with a written notice in recordable form stating that the Term of the Agreement has expired.

SECTION 8. COVENANTS/REPRESENTATIONS/WARRANTIES OF DEVELOPER.

8.01 General. Developer represents, warrants and covenants, as of the date of this Agreement and as of the date of each disbursement of City Funds hereunder, that:

(b) Developer has the right, power and authority to enter into, execute, deliver and perform this Agreement;

(c) the execution, delivery and performance by Developer of this Agreement has been duly authorized by all necessary corporate action, and does not and will not violate its Articles of Incorporation or by-laws as amended and supplemented, any applicable provision of law, or constitute a breach of, default under or require any consent under any agreement, instrument or document to which Developer is now a party or by which Developer is now or may become bound;

(d) Developer remains bound by the Lease and is not in material breach of any portion of it;

(e) Developer is now and for the Term of the Agreement shall remain solvent and able to pay its debts as they mature;

(f) there are no actions or proceedings by or before any court, governmental commission, board, bureau or any other administrative agency pending, threatened or affecting Developer which would impair its ability to perform under this Agreement;

(g) Developer has and shall maintain all government permits, certificates and consents (including, without limitation, appropriate environmental approvals) necessary to conduct its business and to construct, complete and operate the Project;

(h) Developer is not in default with respect to any indenture, loan agreement, mortgage, deed, note or any other agreement or instrument related to the borrowing of money to which Developer is a party or by which Developer is bound;

(i) the Financial Statements are, and when hereafter required to be submitted will be, complete, correct in all material respects and accurately present the assets, liabilities, results of operations and financial condition of Developer, and there has been no material adverse change in the assets, liabilities, results of operations or financial condition of Developer since the date of Developer's most recent Financial Statements;

(j) prior to the issuance of a Certificate, Developer shall not do any of the following without the prior written consent of DPD: (1) be a party to any merger, liquidation or consolidation; (2) sell, transfer, convey, lease or otherwise dispose of all or substantially all of its assets or any portion of the Property (including but not limited to any fixtures or equipment

now or hereafter attached thereto) except in the ordinary course of business; (3) enter into any transaction outside the ordinary course of Developer's business; (4) assume, guarantee, endorse, or otherwise become liable in connection with the obligations of any other person or entity; or (5) enter into any transaction that would cause a material and detrimental change to Developer's financial condition;

(k) [intentionally omitted]

(l) has not made or caused to be made, directly or indirectly, any payment, gratuity or offer of employment in connection with this Agreement or any contract paid from the City treasury or pursuant to City ordinance, for services to any City agency ("City Contract") as an inducement for the City to enter into this Agreement or any City Contract with Developer in violation of Chapter 2-156-120 of the Municipal Code; and

(m) neither Developer nor any affiliate of Developer is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. For purposes of this subparagraph (m) only, the term "affiliate," when used to indicate a relationship with a specified person or entity, means a person or entity that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with such specified person or entity, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

8.02 Covenant to Redevelop. Upon DPD's approval of the Project Budget, the Scope Drawings and Plans and Specifications as provided in Sections 3.02 and 3.03 hereof, and Developer's receipt of all required building permits and governmental approvals, Developer shall redevelop, rehabilitate and build out the Developer Space in accordance with this Agreement and all Exhibits attached hereto, the TIF Ordinances, the Scope Drawings, Plans and Specifications, Project Budget and all amendments thereto, and all federal, state and local laws, ordinances, rules, regulations, executive orders and codes applicable to the Rehabilitation Project, the Developer Space and/or Developer. This covenant runs with the leasehold interest of the Lease and is binding upon any transferee of the leasehold interest, but shall be deemed satisfied upon issuance by the City of a Certificate with respect thereto.

8.03 Redevelopment Plan. Developer represents that the Project is and shall be in compliance with all of the terms of the Redevelopment Plan, which is hereby incorporated by reference into this Agreement.

8.04 Use of City Funds. City Funds disbursed to Developer shall be used by Developer solely to pay for (or to reimburse Developer for its payment for) the TIF-Eligible Improvements as provided in this Agreement.

8.05 Other Bonds. Developer shall, at the request of the City, agree to any reasonable amendments to this Agreement that are necessary or desirable in order for the City to issue (in its sole discretion) any bonds in connection with the Redevelopment Area, the proceeds of which may be used to reimburse the City for expenditures made in connection with, or provide a source of funds for the payment for, the TIF-Eligible Improvements (the "Bonds"); provided, however, that any such amendments shall not have a material adverse effect on Developer or the Project. Developer shall, at Developer's expense, cooperate and provide reasonable assistance in connection with the marketing of any such Bonds, including but not limited to providing written descriptions of the Project, making representations, providing information regarding its financial condition and assisting the City in preparing an offering statement with respect thereto.

8.06 Job Creation and Retention; Covenant to Keep Primary Office Within the City.

(a) Developer shall cause to be created and maintained, not later than the dates set forth herein, the following:

(i) prior to the issuance of the Certificate: create and/or relocate a net total of 10 FTEs at the Developer Space (the "Minimum Jobs Covenant");

(ii) beginning after the issuance of the Certificate, and terminating on the date that is 10 years after the date the City issued the Certificate (the "Jobs Maintenance Compliance Period"): show evidence to the City once annually that not fewer than 20 FTEs are located within the City at its Primary Office, of which the first five years must be at the Developer Space; and

(iii) beginning prior to the issuance of the Certificate, and terminating on the date that is 10 years after the date the City issued the Certificate (the "Primary Office Maintenance Compliance Period"), Developer shall maintain its sole Primary Office within the City, of which the first five years must be at the Developer Space.

(b) Developer shall file a Jobs Certificate, in the form set forth on Exhibit L hereto, with DPD on or before the first day of the month that is one full month after completion of the Rehabilitation Project and on each anniversary of that date thereafter for the Term of the Agreement (in conjunction with the Annual Compliance Report to be filed with DPD on the same dates, as set forth in Section 8.21 hereof), certifying to its compliance with the relevant provisions of this Section 8.06 for the prior calendar year. Each Jobs Certificate filed with the City shall list the job titles of the FTEs whose primary offices are located at the Developer Space.

(c) Developer shall be entitled to a single one-year cure period (a "Jobs Cure Period") during the Jobs Maintenance Compliance Period; provided, however, that the year of the Jobs Cure Period shall not count toward the required Jobs Maintenance Compliance Period.

(d) The parties agree that, notwithstanding any language in this Agreement to the contrary, there shall be no cure period for a default of the Primary Office Maintenance Compliance Period.

The covenants set forth in this Section 8.06 shall run with the leasehold interest and be binding upon any transferee.

8.07 Employment Opportunity; Progress Reports. Developer covenants and agrees to abide by, and contractually obligate and use reasonable efforts to cause the General Contractor and each subcontractor to abide by the terms set forth in Section 10 hereof. Developer shall deliver to the City written progress reports detailing compliance with the requirements of Sections 8.09, 10.02 and 10.03 of this Agreement. Such reports shall be delivered to the City when the Rehabilitation Project is 25%, 50%, 70% and 100% completed (based on the amount of expenditures incurred in relation to the Project Budget). If any such reports indicate a shortfall in compliance, Developer shall also deliver a plan to DPD which shall outline, to DPD's satisfaction, the manner in which Developer shall correct any shortfall.

8.08 Employment Profile. Developer shall submit, and contractually obligate and cause the General Contractor or any subcontractor to submit, to DPD, from time to time, statements of its employment profile upon DPD's request.

8.09 Prevailing Wage. Developer covenants and agrees to pay, and to contractually obligate and cause the General Contractor and each subcontractor to pay, the prevailing wage rate as ascertained by the Illinois Department of Labor (the "Department"), to all Rehabilitation Project employees. All such contracts shall list the specified rates to be paid to all laborers, workers and mechanics for each craft or type of worker or mechanic employed pursuant to such contract. If the Department revises such prevailing wage rates, the revised rates shall apply to all such contracts. Upon the City's request, Developer shall provide the City with copies of all such contracts entered into by Developer or the General Contractor to evidence compliance with this Section 8.09.

8.10 Arms-Length Transactions. Unless DPD has given its prior written consent with respect thereto, no Affiliate of Developer may receive any portion of City Funds, directly or indirectly, in payment for work done, services provided or materials supplied in connection with any TIF-Eligible Improvement. Developer shall provide information with respect to any entity to receive City Funds directly or indirectly (whether through payment to the Affiliate by Developer and reimbursement to Developer for such costs using City Funds, or otherwise), upon DPD's request, prior to any such disbursement.

8.11 Conflict of Interest. Pursuant to Section 5/11-74.4-4(n) of the Act, Developer represents, warrants and covenants that, to the best of its knowledge, no member, official, or employee of the City, or of any commission or committee exercising authority over the Project, the Redevelopment Area or the Redevelopment Plan, or any consultant hired by the City or Developer with respect thereto, owns or controls, has owned or controlled or will own or control any interest, and no such person shall represent any person, as agent or otherwise, who owns or controls, has owned or controlled, or will own or control any interest, direct or indirect, in Developer's business, the Property or any other property in the Redevelopment Area.

8.12 Disclosure of Interest. Developer's counsel has no direct or indirect financial ownership interest in Developer, the Property or any other aspect of the Project.

8.13 Financial Statements. Developer shall obtain and provide to DPD Financial Statements for Developer's fiscal year ended 2013 and each year thereafter for the Term of the Agreement. In addition, Developer shall submit unaudited financial statements as soon as reasonably practical following the close of each fiscal year and for such other periods as DPD may request.

8.14 Insurance. Developer, at its own expense, shall comply with all provisions of Section 12 hereof.

8.15 Non-Governmental Charges.

(a) Payment of Non-Governmental Charges. Developer agrees to pay or cause to be paid when due any Non-Governmental Charge assessed or imposed upon the Rehabilitation Project, the Developer Space or any fixtures that are or may become attached thereto, which creates, may create, or appears to create a lien upon all or any portion of the Developer Space or Rehabilitation Project; provided however, that if such Non-Governmental Charge may be paid in installments, Developer may pay the same together with any accrued interest thereon in installments as they become due and before any fine, penalty, interest, or cost may be added thereto for nonpayment. Developer shall furnish to DPD, within 30 days of DPD's request, official receipts from the appropriate entity, or other proof satisfactory to DPD, evidencing payment of the Non-Governmental Charge in question.

(b) Right to Contest. Developer has the right, before any delinquency occurs:

(i) to contest or object in good faith to the amount or validity of any Non-Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charge, prevent the imposition of a lien or remove such lien, or prevent the sale or forfeiture of the Developer Space (so long as no such contest or objection shall be deemed or construed to relieve, modify or extend Developer's covenants to pay any such Non-Governmental Charge at the time and in the manner provided in this Section 8.15); or

(ii) at DPD's sole option, to furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Developer Space or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully any such contested Non-Governmental Charge and all interest and penalties upon the adverse determination of such contest.

8.16 Developer's Liabilities. Developer shall not enter into any transaction that would materially and adversely affect its ability to perform its obligations hereunder or to repay any material liabilities or perform any material obligations of Developer to any other person or entity. Developer shall immediately notify DPD of any and all events or actions which may

materially and adversely affect Developer's ability to carry on its business operations or perform its obligations under this Agreement or any other documents and agreements.

8.17 Compliance with Laws. To the best of Developer's knowledge, after diligent inquiry, the Developer Space and the Project are and shall be in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, executive orders and codes pertaining to or affecting the Project and the Developer Space. Upon the City's request, Developer shall provide evidence satisfactory to the City of such compliance.

8.18 Recording and Filing; Release. At Developer's expense and on the Closing Date, Developer shall cause a memorandum of this Agreement to be recorded and filed in the office of the Cook County Recorder of Deeds only against the leasehold interest of Developer with respect to the Developer Space, and does not encumber the Property or impose any obligations on the Property owner or on any other occupants of the Property. Upon recording, Developer shall immediately transmit to the City an executed original of the memorandum of Agreement showing the date and recording number of record. These restrictions shall be binding upon Developer and its agents, representatives, lessees, successors, assigns and transferees from and after the date hereof. The City agrees that, upon the earlier to occur of: (i) its receipt of evidence of the termination or expiration of the Lease, or (ii) the termination or expiration of this Agreement, then it shall record a release of the Agreement with the office of the Cook County Recorder of Deeds. Developer shall pay all fees and charges incurred in connection with any such recording.

8.19 Real Estate Provisions.

(a) Governmental Charges.

(i) Payment of Governmental Charges. Developer agrees to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon Developer, the Developer Space or the Project, or become due and payable, and which create or may create a lien upon Developer or all or any portion of the Developer Space or the Project. "Governmental Charge" shall mean all federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties of the State other than Cook County, and municipalities other than the City) relating to Developer, the Developer Space or the Project including but not limited to real estate taxes.

(ii) Right to Contest. Developer has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or forfeiture of the Developer Space. Developer's right to challenge real estate taxes applicable to the Developer Space is limited as provided for in Section 8.19(c) below; provided, that such real estate taxes must be paid in full when due and may be disputed only after such payment is made. No such contest or objection shall

be deemed or construed in any way as relieving, modifying or extending Developer's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless Developer has given prior written notice to DPD of Developer's intent to contest or object to a Governmental Charge and, unless, at DPD's sole option,

(A) Developer shall demonstrate to DPD's satisfaction that legal proceedings instituted by Developer contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of, all or any part of the Developer Space to satisfy such Governmental Charge prior to final determination of such proceedings; and/or

(B) Developer shall furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Developer Space during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

(b) Developer's Failure To Pay Or Discharge Lien. If Developer fails to pay any Governmental Charge or to obtain discharge of the same, Developer shall advise DPD thereof in writing, at which time DPD may, but shall not be obligated to, and without waiving or releasing any obligation or liability of Developer under this Agreement, in DPD's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which DPD deems advisable. All sums so paid by DPD, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be promptly disbursed to DPD by Developer. Notwithstanding anything contained herein to the contrary, this paragraph shall not be construed to obligate the City to pay any such Governmental Charge. Additionally, if Developer fails to pay any Governmental Charge, the City, in its sole discretion, may require Developer to submit to the City audited Financial Statements at Developer's own expense.

(c) Real Estate Taxes.

(i) Real Estate Tax Exemption. With respect to the Developer Space or the Project, neither Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to Developer shall, during the Term of the Agreement, seek, request the Building Owner to seek, or authorize any exemption (as such term is used and defined in the Illinois Constitution, Article IX, Section 6 (1970)) for any year that the Redevelopment Plan is in effect.

(ii) No Reduction in Real Estate Taxes. Neither Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to Developer shall, during the Term of the Agreement, directly or indirectly, initiate, seek, request the Building Owner to seek, or apply for proceedings in order to lower the assessed value of all or any portion of the Developer Space or the Project.

(iii) No Objections. Neither Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to Developer, shall object to or in any way seek to interfere with, or request that the Building Owner object to or interfere with, on procedural or any other grounds, the filing of any underassessment complaint or subsequent proceedings related thereto with the Cook County Assessor or with the Cook County Board of Appeals, by either the City or any taxpayer.

(iv) Covenants Affecting the Developer Space. The parties agree that the restrictions contained in this Section 8.19(c) are covenants affecting the Developer Space. These restrictions shall be binding upon Developer and its agents, representatives, lessees, successors, assigns and transferees from and after the date hereof until the termination of the Lease. Developer agrees that any sale, lease, conveyance, or transfer of title to its leasehold interest in all or any portion of the Developer Space from and after the date hereof until the termination of the Lease shall be made explicitly subject to such covenants and restrictions. Notwithstanding anything contained in this Section 8.19(c) to the contrary, the City, in its sole discretion and by its sole action, without the joinder or concurrence of Developer, its successors or assigns, may waive and terminate Developer's covenants and agreements set forth in this Section 8.19(c).

8.20 Survival of Covenants. All warranties, representations, covenants and agreements of Developer contained in this Section 8 and elsewhere in this Agreement shall be true, accurate and complete at the time of Developer's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and (except as provided in Section 7 hereof upon the issuance of a Certificate) shall be in effect throughout the Term of the Agreement.

8.21 Annual Compliance Report. Beginning with the issuance of the Certificate and continuing throughout the Term of the Agreement, Developer shall submit to DPD the Annual Compliance Report within 30 days after the end of the calendar year to which the Annual Compliance Report relates.

8.22 Inspector General. It is the duty of Developer and the duty of any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all of Developer's officers, directors, agents, partners, and employees and any such bidder, proposer, contractor, subcontractor or such applicant: (a) to cooperate with the Inspector General (as defined in the Municipal Code) in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code and (b) to cooperate with the Legislative Inspector General (as defined in the Municipal Code) in any investigation undertaken pursuant to Chapter 2-55 of the Municipal Code. Developer represents that it understands and will abide by all provisions of Chapters 2-56 and 2-55 of the Municipal Code and that it will inform subcontractors of this provision and require their compliance.

8.23 LEED Certification. Not later than 12 months after the issuance of the Certificate, Developer shall have provided evidence acceptable to the City (the "LEED Covenant") that LEED Certification has been applied for with the U.S. Green Building Council and is being diligently pursued by Developer. The failure of Developer to timely satisfy the LEED Covenant shall result in a $250,000 permanent reduction in City Funds that shall be

reimbursed by Developer to DPD not later than 13 months after the issuance of the Certificate, regardless whether LEED Certification is later obtained for the Developer Space.

8.24. FOIA and Local Records Act Compliance.

(a) FOIA. Developer acknowledges that the City is subject to the Illinois Freedom of Information Act, 5 ILCS 140/1 et. seq., as amended ("FOIA"). The FOIA requires the City to produce records (very broadly defined in FOIA) in response to a FOIA request in a very short period of time, unless the records requested are exempt under the FOIA. If Developer receives a request from the City to produce records within the scope of the FOIA, then Developer covenants to comply with such request within 48 hours of the date of such request. Failure by Developer to timely comply with such request shall be an Event of Default.

(b) Exempt Information. Documents that Developer submits to the City under Section 8.21 (Annual Compliance Report) or otherwise during the Term of the Agreement that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents submitted by Developer to be treated as a trade secret or information that would cause competitive harm, FOIA requires that Developer mark any such documents as "proprietary, privileged or confidential." If Developer marks a document as "proprietary, privileged and confidential," then DPD will evaluate whether such document may be withheld under the FOIA. DPD, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General's Office and/or the courts.

(c) Local Records Act. Developer acknowledges that the City is subject to the Local Records Act, 50 ILCS 205/1 et. seq, as amended (the "Local Records Act"). The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, Developer covenants to use its best efforts consistently applied to assist the City in its compliance with the Local Records Act

8.25 Limitation on Lease Amendments. Throughout the Term of the Agreement, Developer shall not execute or consent to a Material Amendment without the prior written consent of DPD, which consent shall be in DPD's sole discretion.

8.26 Job Readiness Program. Not later than six months after the completion of the Rehabilitation Project, Developer shall commence and then undertake a job readiness program with the City, through the Workforce Solutions Unit of DPD, to formulate an employment plan for the Project.

8.27 Tax Division Petition. To assist in furthering Developer's covenant not to reduce real estate taxes on the Developer Space, as set forth in Section 8.19(c)(ii) hereof, Developer covenants to file a petition ("Tax Division Request") with Cook County to divide the PIN for the Property so that the Developer Space is given a separate PIN from the remainder of the Property. The Tax Division Request must be made no later than the date Developer makes its written request for the City's issuance of the Certificate.

8.28 Leasehold Title Policy. On the date the Lease or a memorandum thereof is recorded, Developer shall furnish the City with a copy of the title policy for the Developer Space (the "Leasehold Title Policy"), certified by the Title Company, showing fee simple title to the Property in the Building Owner under the Lease, subject to the leasehold interest of Developer under the Lease, with Developer as the insured with respect to the leasehold interest in the Developer Space. The Leasehold Title Policy shall be dated as of the date the Lease or a memorandum thereof is recorded and shall contain only those title exceptions listed as Permitted Liens on Exhibit G hereto and shall evidence the recording of this Agreement pursuant to the provisions of Section 8.18 hereof. The Leasehold Title Policy also shall contain such endorsements as may be required by Corporation Counsel, including but not limited to an owner's comprehensive endorsement and satisfactory endorsements regarding zoning (3.1 with parking), contiguity, location, access and survey. Developer shall provide to DPD, on or prior to the date the Lease or a memorandum thereof is recorded, a copy of the executed Lease and certified copies of all easements and encumbrances of record with respect to the Property not addressed, to DPD's satisfaction, by the Leasehold Title Policy and any endorsements thereto.

SECTION 9. COVENANTS/REPRESENTATIONS/WARRANTIES OF CITY

9.01 General Covenants. The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations hereunder.

9.02 Survival of Covenants. All warranties, representations, and covenants of the City contained in this Section 9 or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

SECTION 10. DEVELOPER'S EMPLOYMENT OBLIGATIONS

10.01 Employment Opportunity. Developer, on behalf of itself and its successors and assigns, hereby agrees, and shall contractually obligate its or their various contractors, subcontractors or any Affiliate of Developer operating on the Property (collectively, with Developer, the "Employers" and individually an "Employer") to agree, that for the Term of the Agreement with respect to Developer and during the period of any other party's provision of services in connection with the construction of the Rehabilitation Project or occupation of the Property:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time to time (the "Human Rights Ordinance"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory

manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Redevelopment Area; and to provide that contracts for work in connection with the construction of the Rehabilitation Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

(c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Rehabilitation Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 10.01 shall be a basis for the City to pursue remedies under the provisions of Section 15.02 hereof.

10.02 City Resident Construction Worker Employment Requirement. Developer agrees for itself and its successors and assigns, and shall contractually obligate its General Contractor and shall cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Rehabilitation Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code (at least 50 percent of the total worker hours worked by persons on the site of the Rehabilitation Project shall be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, Developer, its General Contractor and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

Developer may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

"Actual residents of the City" shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

Developer, the General Contractor and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Rehabilitation Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of DPD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

Developer, the General Contractor and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DPD, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. Developer, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Rehabilitation Project.

At the direction of DPD, affidavits and other supporting documentation will be required of Developer, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of Developer, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

When work at the Rehabilitation Project is completed, in the event that the City has determined that Developer has failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project Budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of

employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject Developer, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to Developer pursuant to Section 2-92-250 of the Municipal Code may be withheld by the City pending the Chief Procurement Officer's determination as to whether Developer must surrender damages as provided in this paragraph.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246 " and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

Developer shall cause or require the provisions of this Section 10.02 to be included in all construction contracts and subcontracts related to the Rehabilitation Project.

10.03. MBE/WBE Commitment. Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that during the Rehabilitation Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 10.03, during the course of the Rehabilitation Project, at least the following percentages of the MBE/WBE Budget (as set forth in Exhibit H-2 hereto) shall be expended for contract participation by MBEs and by WBEs:

(1) At least 24 percent by MBEs.
(2) At least four percent by WBEs.

(b) For purposes of this Section 10.03 only, Developer (and any party to whom a contract is let by Developer in connection with the Rehabilitation Project) shall be deemed a "contractor" and this Agreement (and any contract let by Developer in connection with the Rehabilitation Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code, Developer's MBE/WBE commitment may be achieved in part by Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Rehabilitation Project by Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Rehabilitation Project by the MBE or WBE), by Developer utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the

Rehabilitation Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Rehabilitation Project to one or more MBEs or WBEs, or by the purchase of materials or services used in the Rehabilitation Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to Developer's MBE/WBE commitment as described in this Section 10.03. In accordance with Section 2-92-730, Municipal Code, Developer shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of DPD.

(d) Developer shall deliver quarterly reports to the City's monitoring staff during the Rehabilitation Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by Developer or the General Contractor to work on the Rehabilitation Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Rehabilitation Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining Developer's compliance with this MBE/WBE commitment. Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Rehabilitation Project for at least five years after completion of the Rehabilitation Project, and the City's monitoring staff shall have access to all such records maintained by Developer, on five Business Days' notice, to allow the City to review Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Rehabilitation Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, Developer shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code, as applicable.

(f) Any reduction or waiver of Developer's MBE/WBE commitment as described in this Section 10.03 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code, as applicable.

(g) Prior to the commencement of the Rehabilitation Project, Developer shall be required to meet with the City's monitoring staff with regard to Developer's compliance with its obligations under this Section 10.03. The General Contractor and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, Developer shall demonstrate to the City's monitoring staff its plan to achieve its obligations under this Section 10.03, the sufficiency of which shall be approved by the City's monitoring staff. During the Rehabilitation Project, Developer shall submit the documentation required by this Section 10.03 to the City's monitoring staff, including the following: (i) subcontractor's activity report; (ii) contractor's certification concerning labor standards and prevailing wage requirements; (iii) contractor letter of understanding; (iv) monthly utilization report; (v) authorization for payroll agent; (vi) certified payroll; (vii) evidence that MBE/WBE contractor associations have been

informed of the Rehabilitation Project via written notice and hearings; and (viii) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that Developer is not complying with its obligations under this Section 10.03, shall, upon the delivery of written notice to Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to Developer to halt the Rehabilitation Project, (2) withhold any further payment of any City Funds to Developer or the General Contractor, or (3) seek any other remedies against Developer available at law or in equity.

Developer must submit evidence of insurance on the City Insurance Certificate Form (copy attached) or equivalent prior to closing. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in this Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Developer is not a waiver by the City of any requirements for Developer to obtain and maintain the specified coverages. Developer shall advise all insurers of this Agreement provisions regarding insurance. Non-conforming insurance does not relieve Developer of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of this Agreement, and the City retains the right to stop work and/or terminate agreement until proper evidence of insurance is provided.

The insurance must provide for 60 days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

Any deductibles or self insured retentions on referenced insurance coverages must be borne by Developer and Contractors.

Developer hereby waives and agrees to require their insurers to waive their rights of subrogation against the City, its employees, elected officials, agents, or representatives.

The coverages and limits furnished by Developer in no way limit Developer's liabilities and responsibilities specified within this Agreement or by law.

Any insurance or self insurance programs maintained by the City do not contribute with insurance provided by Developer under this Agreement.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If Developer is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

Developer must require Contractor and subcontractors to provide the insurance required herein, or Developer may provide the coverages for Contractor and subcontractors. All Contractors and subcontractors are subject to the same insurance requirements of Developer unless otherwise specified in this Agreement.

If Developer, any Contractor or subcontractor desires additional coverages, the party desiring the additional coverages is responsible for the acquisition and cost.

The City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements.

SECTION 13. INDEMNIFICATION

13.01 General Indemnity. Developer agrees to indemnify, pay, defend and hold the City, and its elected and appointed officials, employees, agents and affiliates (individually an "Indemnitee," and collectively the "Indemnitees") harmless from and against, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (and including without limitation, the reasonable fees and disbursements of counsel for such Indemnitees in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not such Indemnitees shall be designated a party thereto), that may be imposed on, suffered, incurred by or asserted against the Indemnitees in any manner relating or arising out of:

(i) Developer's failure to comply with any of the terms, covenants and conditions contained within this Agreement; or

(ii) Developer's or any contractor's failure to pay General Contractors, subcontractors or materialmen in connection with the TIF-Eligible Improvements or any other Rehabilitation Project improvement; or

(iii) the existence of any material misrepresentation or omission in this Agreement, any offering memorandum or information statement or the Redevelopment Plan or any other document related to this Agreement that is the result of information supplied or omitted by Developer or any Affiliate Developer or any agents, employees, contractors or persons acting under the control or at the request of Developer or any Affiliate of Developer; or

(iv) Developer's failure to cure any misrepresentation in this Agreement or any other agreement relating hereto;

provided, however, that Developer shall have no obligation to an Indemnitee arising from the wanton or willful misconduct of that Indemnitee. To the extent that the preceding sentence may be unenforceable because it is violative of any law or public policy, Developer shall contribute the maximum portion that it is permitted to pay and satisfy under the applicable law, to the payment and satisfaction of all indemnified liabilities incurred by the Indemnitees or any of them. The provisions of the undertakings and indemnification set out in this Section 13.01 shall survive the termination of this Agreement.

SECTION 14. MAINTAINING RECORDS/RIGHT TO INSPECT

14.01 Books and Records. Developer shall keep and maintain separate, complete, accurate and detailed books and records necessary to reflect and fully disclose the total actual cost of the Project and the disposition of all funds from whatever source allocated thereto, and to monitor the Project. All such books, records and other documents, including but not limited to Developer's loan statements, if any, General Contractors' and contractors' sworn statements, general contracts, subcontracts, purchase orders, waivers of lien, paid receipts and invoices, shall be available at Developer's offices for inspection, copying, audit and examination by an authorized representative of the City, at Developer's expense. Developer shall incorporate this right to inspect, copy, audit and examine all books and records into all contracts entered into by Developer with respect to the Project.

14.02 Inspection Rights. Upon three business days' notice, any authorized representative of the City has access to all portions of the Project and the Developer Space during normal business hours for the Term of the Agreement.

SECTION 15. DEFAULT AND REMEDIES

15.01 Events of Default. The occurrence of any one or more of the following events, subject to the provisions of Section 15.03, shall constitute an "Event of Default" by Developer hereunder:

(a) the failure of Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of Developer under this Agreement or any related agreement;

(b) the failure of Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of Developer under any other agreement with any person or entity if such failure may have a material adverse effect on Developer's business, property, assets, operations or condition, financial or otherwise;

(c) the making or furnishing by Developer to the City of any representation, warranty, certificate, schedule, report or other communication within or in connection with this Agreement or any related agreement which is untrue or misleading in any material respect;

(d) [intentionally omitted]

(e) the commencement of any proceedings in bankruptcy by or against Developer or for the liquidation or reorganization of Developer, or alleging that Developer is insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of Developer's debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving Developer; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings;

(f) the appointment of a receiver or trustee for Developer, for any substantial part of Developer's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of Developer; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within 60 days after the commencement thereof;

(g) the entry of any judgment or order against Developer which remains unsatisfied or undischarged and in effect for 60 days after such entry without a stay of enforcement or execution;

(h) the occurrence of an event of default under the Lender Financing, if any, which default is not cured after any required notice within any applicable cure period;

(i) Developer has not delivered evidence satisfactory to the City of its fulfillment of the LEED Covenant within the time period specified in Section 8.23;

(j) the dissolution of Developer;

(k) the failure of Developer to maintain eligibility to do business with the City in violation of Section 1-23-030 of the Municipal Code; such failure shall render this Agreement voidable or subject to termination, at the option of the Chief Procurement Officer.

15.02 Remedies. Upon the occurrence of an Event of Default, the City may terminate this Agreement and any other agreements to which the City and Developer are or shall be parties, suspend disbursement of City Funds and/or seek reimbursement of any City Funds paid. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to damages, injunctive relief or the specific performance of the agreements contained herein.

Notwithstanding anything to the contrary in the immediately preceding paragraph, the City's sole remedy for failure to meet the LEED Covenant set forth in Section 8.23 shall be the recovery of $250,000 of City Funds from Developer.

15.03 Curative Period. In the event Developer shall fail to perform a monetary covenant which Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless Developer has failed to perform such monetary covenant within 10 days of its receipt of a written notice from the City specifying that it has failed to perform such monetary covenant. In the event Developer shall fail to perform a non-monetary covenant which Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless Developer has failed to cure such default within 30 days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such 30 day period, Developer shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such 30 day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

Notwithstanding anything in this Section 15.03 to the contrary, there shall be no cure period under this Section 15.03 with respect to Developer's failure to comply with requirements of Section 8.06 hereof, except as provided in Section 8.06(c).

18.01 Amendment. This Agreement and the Exhibits attached hereto may not be amended or modified without the prior written consent of the parties hereto; provided, however, that the City, in its sole discretion, may amend, modify or supplement the Redevelopment Plan without the consent of any party hereto. It is agreed that no material amendment or change to this Agreement shall be made or be effective unless ratified or authorized by an ordinance duly adopted by the City Council. The term "material" for the purpose of this Section 18.01 shall be defined as any deviation from the terms of this Agreement which operates to cancel or otherwise reduce any developmental, construction or job-creating obligations of Developer (including those set forth in Sections 10.02 and 10.03 hereof) by more than five percent (5%) or materially changes the Project site or character of the Project or any activities undertaken by Developer affecting the Project site, the Project, or both, or increases any time agreed for performance by Developer by more than ninety (90) days.

18.02 Entire Agreement. This Agreement (including each Exhibit attached hereto, which is hereby incorporated herein by reference) constitutes the entire Agreement between the parties hereto and it supersedes all prior agreements, negotiations and discussions between the parties relative to the subject matter hereof.

18.03 Limitation of Liability. No member, official or employee of the City shall be personally liable to Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to Developer from the City or any successor in interest or on any obligation under the terms of this Agreement.

18.04 Further Assurances. Developer agrees to take such actions, including the execution and delivery of such documents, instruments, petitions and certifications as may become necessary or appropriate to carry out the terms, provisions and intent of this Agreement.

18.05 Waiver. Waiver by the City or Developer with respect to any breach of this Agreement shall not be considered or treated as a waiver of the rights of the respective party with respect to any other default or with respect to any particular default, except to the extent specifically waived by the City or Developer in writing. No delay or omission on the part of a party in exercising any right shall operate as a waiver of such right or any other right unless pursuant to the specific terms hereof. A waiver by a party of a provision of this Agreement shall not prejudice or constitute a waiver of such party's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by a party, nor any course of dealing between the parties hereto, shall constitute a waiver of any such parties' rights or of any obligations of any other party hereto as to any future transactions.

18.06 Remedies Cumulative. The remedies of a party hereunder are cumulative and the exercise of any one or more of the remedies provided for herein shall not be construed as a waiver of any other remedies of such party unless specifically so provided herein.

18.07 Disclaimer. 18.08 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which shall constitute one and the same agreement.

18.09 Severability. If any provision in this Agreement, or any paragraph, sentence, clause, phrase, word or the application thereof, in any circumstance, is held invalid, this Agreement shall be construed as if such invalid part were never included herein and the remainder of this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

18.10 Conflict. In the event of a conflict between any provisions of this Agreement and the provisions of the TIF Ordinances and/or the Bond Ordinance, if any, such ordinance(s) shall prevail and control.

18.11 Governing Law. This Agreement shall be governed by and construed in accordance with the internal laws of the State of Illinois, without regard to its conflicts of law principles.

18.12 Form of Documents. All documents required by this Agreement to be submitted, delivered or furnished to the City shall be in form and content satisfactory to the City.

18.13 Approval. This Agreement should not be deemed to confer upon third parties any remedy, claim, right of reimbursement or other right.

18.16 Force Majeure. Neither the City nor Developer nor any successor in interest to either of them shall be considered in breach of or in default of its obligations under this Agreement in the event of any delay caused by damage or destruction by fire or other casualty, strike, shortage of material, unusually adverse weather conditions such as, by way of illustration and not limitation, severe rain storms or below freezing temperatures of abnormal degree or for an abnormal duration, tornadoes or cyclones, and other events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations hereunder. The individual or entity relying on this section with respect to any such delay shall, upon the occurrence of the event causing such delay, immediately give written notice to the other parties to this Agreement. The individual or entity relying on this section with respect to any such delay may rely on this section only to the extent of the actual number of days of delay effected by any such events described above.

18.17 Business Economic Support Act. Pursuant to the Business Economic Support Act (30 ILCS 760/1 et seq.), if Developer is required to provide notice under the WARN Act, Developer shall, in addition to the notice required under the WARN Act, provide at the same time a copy of the WARN Act notice to the Governor of the State, the Speaker and Minority Leader of the House of Representatives of the State, the President and minority Leader of the Senate of State, and the Mayor of each municipality where Developer has locations in the State.

Failure by Developer to provide such notice as described above may result in the termination of all or a part of the payment or reimbursement obligations of the City set forth herein.

18.19 Costs and Expenses. In addition to and not in limitation of the other provisions of this Agreement, Developer agrees to pay upon demand the City's out-of-pocket expenses, including attorney's fees, incurred in connection with the enforcement of the provisions of this Agreement. This includes, subject to any limits under applicable law, attorney's fees and legal expenses, whether or not there is a lawsuit, including attorney's fees for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals and any anticipated post-judgment collection services. Developer also will pay any court costs, in addition to all other sums provided by law.

18.20 Business Relationships. Developer acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code, (B) that Developer has read such provision and understands that pursuant to such Section 2-156-030 (b), it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a business relationship that creates a "Financial Interest" (as defined in Section 2-156-010 of the Municipal Code)(a "Financial Interest"), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving any person with whom the elected City official or employee has a business relationship that creates a Financial Interest, or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a business relationship that creates a Financial Interest, and (C) that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. OPINION OF DEVELOPER'S COUNSEL

[To be retyped on Developer's Counsel's letterhead]

[subject to any revisions that are reasonably acceptable to City's Corporation Counsel]

City of Chicago
121 North LaSalle Street
Chicago, IL 60602

ATTENTION: Corporation Counsel

Ladies and Gentlemen:

We have acted as counsel to _____, an [Illinois] _____ (the "Developer"), in connection with the purchase of certain land and the construction of certain facilities thereon located in the _____ Redevelopment Project Area (the "Project"). In that capacity, we have examined, among other things, the following agreements, instruments and documents of even date herewith, hereinafter referred to as the "Documents":

(a) _____ Redevelopment Agreement (the "Agreement") of even date herewith, executed by the Developer and the City of Chicago (the "City");

[(b) the Escrow Agreement of even date herewith executed by the Developer and the City;]

(c) [insert other documents including but not limited to documents related to purchase and financing of the Property and all lender financing related to the Project]; and

(d) all other agreements, instruments and documents executed in connection with the foregoing.

In addition to the foregoing, we have examined

(a) the original or certified, conformed or photostatic copies of the Developer's (i) Articles of Incorporation, as amended to date, (ii) qualifications to do business and certificates of good standing in all states in which the Developer is qualified to do business, (iii) By-Laws, as amended to date, and (iv) records of all corporate proceedings relating to the Project [revise if the Developer is not a corporation]; and

(b) such other documents, records and legal matters as we have deemed necessary or relevant for purposes of issuing the opinions hereinafter expressed.

In all such examinations, we have assumed the genuineness of all signatures (other than those of the Developer), the authenticity of documents submitted to us as originals and conformity to the originals of all documents submitted to us as certified, conformed or photostatic copies.

Based on the foregoing, it is our opinion that:

1. The Developer is a corporation duly organized, validly existing and in good standing under the laws of its state of [incorporation] [organization], has full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a foreign [corporation] [entity] under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business.

2. The Developer has full right, power and authority to execute and deliver the Documents to which it is a party and to perform its obligations thereunder. Such execution, delivery and performance will not conflict with, or result in a breach of, the Developer's [Articles of Incorporation or By-Laws] [describe any formation documents if the Developer is not a corporation] or result in a breach or other violation of any of the terms, conditions or provisions of any law or regulation, order, writ, injunction or decree of any court, government or regulatory authority, or, to the best of our knowledge after diligent inquiry, any of the terms, conditions or provisions of any agreement, instrument or document to which the Developer is a party or by which the Developer or its properties is bound. To the best of our knowledge after diligent inquiry, such execution, delivery and performance will not constitute grounds for acceleration of the maturity of any agreement, indenture, undertaking or other instrument to which the Developer is a party or by which it or any of its property may be bound, or result in the creation or imposition of (or the obligation to create or impose) any lien, charge or encumbrance on, or security interest in, any of its property pursuant to the provisions of any of the foregoing, other than liens or security interests in favor of the lender providing Lender Financing (as defined in the Agreement).

3. The execution and delivery of each Document and the performance of the transactions contemplated thereby have been duly authorized and approved by all requisite action on the part of the Developer.

4. Each of the Documents to which the Developer is a party has been duly executed and delivered by a duly authorized officer of the Developer, and each such Document constitutes the legal, valid and binding obligation of the Developer, enforceable in accordance with its terms, except as limited by applicable bankruptcy, reorganization, insolvency or similar laws affecting the enforcement of creditors' rights generally.

5. Exhibit A attached hereto (a) identifies each class of capital stock of the Developer, (b) sets forth the number of issued and authorized shares of each such class, and (c)

identifies the record owners of shares of each class of capital stock of the Developer and the number of shares held of record by each such holder. To the best of our knowledge after diligent inquiry, except as set forth on Exhibit A, there are no warrants, options, rights or commitments of purchase, conversion, call or exchange or other rights or restrictions with respect to any of the capital stock of the Developer. Each outstanding share of the capital stock of the Developer is duly authorized, validly issued, fully paid and nonassessable.

6. To the best of our knowledge after diligent inquiry, no judgments are outstanding against the Developer, nor is there now pending or threatened, any litigation, contested claim or governmental proceeding by or against the Developer or affecting the Developer or its property, or seeking to restrain or enjoin the performance by the Developer of the Agreement or the transactions contemplated by the Agreement, or contesting the validity thereof. To the best of our knowledge after diligent inquiry, the Developer is not in default with respect to any order, writ, injunction or decree of any court, government or regulatory authority or in default in any respect under any law, order, regulation or demand of any governmental agency or instrumentality, a default under which would have a material adverse effect on the Developer or its business.

7. To the best of our knowledge after diligent inquiry, there is no default by the Developer or any other party under any material contract, lease, agreement, instrument or commitment to which the Developer is a party or by which the company or its properties is bound.

8. To the best of our knowledge after diligent inquiry, all of the assets of the Developer are free and clear of mortgages, liens, pledges, security interests and encumbrances except for those specifically set forth in the Documents.

9. The execution, delivery and performance of the Documents by the Developer have not and will not require the consent of any person or the giving of notice to, any exemption by, any registration, declaration or filing with or any taking of any other actions in respect of, any person, including without limitation any court, government or regulatory authority.

10. To the best of our knowledge after diligent inquiry, the Developer owns or possesses or is licensed or otherwise has the right to use all licenses, permits and other governmental approvals and authorizations, operating authorities, certificates of public convenience, goods carriers permits, authorizations and other rights that are necessary for the operation of its business.

11. A federal or state court sitting in the State of Illinois and applying the choice of law provisions of the State of Illinois would enforce the choice of law contained in the Documents and apply the law of the State of Illinois to the transactions evidenced thereby.

We are attorneys admitted to practice in the State of Illinois and we express no opinion as to any laws other than federal laws of the United States of America and the laws of the State of Illinois.

[Note: include a reference to the laws of the state of incorporation/organization of the Developer, if other than Illinois.]

This opinion is issued at the Developer's request for the benefit of the City and its counsel, and may not be disclosed to or relied upon by any other person.

Very truly yours,

_____

CITY OF CHICAGO

RAHM EMANUEL
MAYOR

September 10, 2014

TO THE HONORABLE, THE CITY COUNCIL
OF THE CITY OF CHICAGO

Ladies and Gentlemen:

At the request of the Commissioner of Planning and Development, I transmit herewith an ordinance authorizing the ceding of 2014 Volume Cap to the Chicago Housing Authority.

Your favorable consideration of this ordinance will be appreciated.

Very truly yours,

Rahm Emanuel

Mayor

ORDINANCE

WHEREAS, the City of Chicago (the "City"), a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois, has heretofore found and does hereby find that there exists within the City a serious shortage of decent, safe and sanitary rental housing available to persons of low and moderate income; and

WHEREAS, the City has determined that the continuance of a shortage of affordable rental housing is harmful to the health, prosperity, economic stability and general welfare of the City; and

WHEREAS, pursuant to Section 146 of the Internal Revenue Code of 1986, as amended, the City, as a constitutional home rule city, is allocated a certain amount of volume cap per calendar year in connection with the issuance of tax-exempt bonds by the City; and

WHEREAS, the Illinois Private Activity Bond Allocation Act, 30 ILCS 345/1 et seq., as amended, provides, among other things, that the corporate authorities of any home rule unit may reallocate all or any portion of its unused allocation of volume cap; and

WHEREAS, the City may have available certain unused volume cap from calendar year 2015, or from such other calendar year as may be legally available at the time of the Reallocation (as hereinafter defined) (the "Cap"); and

WHEREAS, the Chicago Housing Authority (the "CHA"), an Illinois municipal corporation, desires to issue up to $30,000,000 of tax-exempt multi-family housing revenue bonds (the "Bonds") to finance a portion of the costs of the acquisition, rehabilitation and equipping of an affordable housing development located at 3301 West Arthington Street in the City (the "Property"), which will consist of approximately 181 residential rental dwelling units for low-income families (the "Project") to be owned by New Sterling Park LLC, an Illinois limited liability company (the "Owner"), the managing member of which is New Sterling Park MM LLC, an Illinois limited liability company, and has been advised by its bond counsel that all or a portion of the Bonds requires the allocation of volume cap; and

WHEREAS, the CHA has requested that the City reallocate a portion of its Cap, if available to the CHA for the Bonds, pursuant to an intergovernmental agreement between the City and the CHA for that purpose; and

WHEREAS, it is anticipated that (i) the Owner will be eligible to claim low income housing tax credits (the "Tax Credits") pursuant to Section 42 of the Internal Revenue Code of 1986, in connection with the Project, and (ii) the Tax Credits for the Project will be administered by the City's Department of Planning and Development; now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The above recitals are expressly incorporated in and made a part of this ordinance as though fully set forth herein.

SECTION 2. The City hereby authorizes the Chief Financial Officer of the City appointed by the Mayor or, if there is no such officer then holding said office, the City Comptroller (such officer being referred to herein as the "Chief Financial Officer"), to reallocate, effective on the date of issuance of the Bonds, up to $30,000,000 of the Cap (the "Reallocation") for application by the CHA to the Bonds; provided that if the Bonds are not issued as of or prior to 11:00 P.M. on March 31, 2015, the Reallocation shall not be made. The exact amount of the Reallocation shall be determined by the Chief Financial Officer based on the best interests of the City and on the amount of Cap available at the time of the Reallocation. The Chief Financial Officer is further authorized to determine, based on the best interests of the City, the amount, if any, of any compensation to be paid by the CHA to the City in consideration for the Reallocation. Any such compensation paid to the City shall be used for any affordable housing-related activities of the City. After the Reallocation has been made, the Chief Financial Officer shall file a certificate with the City Clerk stating the amount of Cap reallocated to the CHA pursuant to this ordinance.

SECTION 3. The Chief Financial Officer is hereby authorized, subject to the approval of the Corporation Counsel, to enter into such agreements and other documents, including agreements with the CHA, in connection with the Reallocation as shall be deemed necessary or desirable by the Chief Financial Officer.

SECTION 4. To the extent that any ordinance, resolution, rule, order or provision of the Municipal Code of Chicago (the "Municipal Code"), or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall control. If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this ordinance. Section 2-45-110 of the Municipal Code shall not apply to the Project or the Property.

Section V, Part B.2. (page 5)

The Further Certifications made in this Section V, Part B.2 are being made on behalf of the Disclosing Party and its officers and directors based on reasonable due diligence and inquiry, to the best of the knowledge of the Disclosing Party, and with the limitations set forth below with regard to the certification contained in Section V., Part B.2.e.[1] As noted in the response to Section V, Part 7 on page 6, it is RBC's policy to maintain the highest possible standards of honest and ethical behavior. In keeping with this objective, RBC has established a Code of Conduct that governs the actions of every employee regardless of the RBC entity for which they work and regardless of the legal jurisdiction or location of that company. [1] The Disclosing Party is a subsidiary of Royal Bank of Canada ("RBC"), Canada's largest bank as measured by assets and one of North America's leading diversified financial services companies. RBC provides personal and commercial banking, wealth management services, insurance, corporate and investment banking, and transaction processing services directly and through its subsidiaries on a global basis. In the United States, RBC provides personal and commercial banking, mortgage origination, insurance, full-service brokerage and corporate and investment banking services through its branches and subsidiaries. RBC and its subsidiaries and affiliates have from time to time participated in the remediation of environmental issues relating to distressed real estate collateral and other real estate in the ordinary course of its commercial real estate lending and other activities. Due to the size and scope of RBC's activities, both in Canada and the United States and throughout the world, it is not possible for the Disclosing Party to identify all situations in the past five years in which real estate held as collateral for loans or otherwise in connection with the activities of RBC and its subsidiaries and affiliates was affected by environmental issues. As indicated above, however, to the best of the knowledge of the Disclosing Party, based on reasonable due diligence and inquiry, RBC and its affiliates doing business in the United States have not, in the past five years, been found in violation of any city, state or federal environmental law or regulation.

RBC believes human welfare depends upon sound economic growth and the maintenance of a healthy environment, and has recognized that the two are inextricably linked. RBC is committed to managing its businesses to promote these aims and is dedicated to responsibly managing all aspects of its business to ensure environmental laws and regulations and recognized standards are met or exceeded. For additional information regarding RBC's established policies regarding the environment, please refer to http://www.rbc.com/environment/index.html

Section V, Part B.7. (page 6)

The Further Certifications in this Section V., Parts B.3., 4. and 5. are being made on behalf of the Disclosing Party and, where required, its principals and any affiliated entity doing business in the United States, based on reasonable due diligence and inquiry. RBC and its affiliates employ more than 80,000 people in various business units in some 53 countries around the world and may from time to time appoint agents to act pursuant to the direction or authorization of a responsible official of the Disclosing Party or its affiliates in connection with the business activities of the Disclosing Party. The Disclosing Party certifies that, to the best of its knowledge, all of the statements set forth in Section V., Parts B. 3., 4. and 5. are correct with regard to such persons. As noted in the response to Section V, Part B.2 on page 5, it is RBC's policy to maintain the highest possible standards of honest and ethical behavior. In keeping with this objective, RBC has established a Code of Conduct that governs the actions of every employee regardless of the RBC entity for which they work and regardless of the legal jurisdiction or location of that company. The Code of Conduct extends to every employee in every location worldwide. Any employee who fails to meet the standards set out in the Code of Conduct is subject to corrective or disciplinary action, including immediate or eventual dismissal.

Section VII, Part F.1. (page 11)

This certification is being made on behalf of the Disclosing Party and any "affiliate" of the Disclosing Party doing business in the United States, based on reasonable due diligence and inquiry, to the best of the knowledge of the Disclosing Party.

To the best of the knowledge of the Disclosing Party after reasonable due diligence and inquiry, the Disclosing Party did not have any "business relationship" with any of the City elected officials listed on Attachment 1.1 hereto, in the 12 months before the date this EDS is signed. To the best of the knowledge of the Disclosing Party without due diligence or inquiry whatsoever the Disclosing Party did not have any "business relationship" with any spouse of any of the City elected officials listed on Attachment 1.1 hereto, or of any entity in which an official or his or her spouse has a "financial interest," in the 12 months before the date this EDS is signed.

Section V, Part B.2, (page 6)

The Further Certifications made in this Section V. Part B.2 are being made on behalf of the Disclosing Party and its officers and directors based on reasonable due diligence and inquiry, to the best of the knowledge of the Disclosing Party, and with the limitations set forth below with regard to the certification contained in Section V., Part B.2.e.[1] As noted in the response to Section V, Part 7 on page 6, it is RBC's policy to maintain the highest possible standards of honest and ethical behavior. In keeping with this objective, RBC has established a Code of Conduct that governs the actions of every employee regardless of the RBC entity for which they work and regardless of the legal jurisdiction or location of that company. The Code of Conduct extends to every employee in every location worldwide. Any employee who fails to meet the standards set out in the Code of Conduct is subject to corrective or disciplinary action, including immediate or eventual dismissal.

[1] The Disclosing Party is a subsidiary of Royal Bank of Canada ("RBC"), Canada's largest bank as measured by assets and one of North America's leading diversified financial services companies. RBC provides personal and commercial banking, wealth management services, insurance, corporate and investment banking, and transaction processing services directly and through its subsidiaries on a global basis. In the United States, RBC provides personal and commercial banking, mortgage origination, insurance, full-service brokerage and corporate and investment banking services through its branches and subsidiaries. RBC and its subsidiaries and affiliates have from time to time participated in the remediation of environmental issues relating to distressed real estate collateral and other real estate in the ordinary course of its commercial real estate lending and other activities. Due to the size and scope of RBC's activities, both in Canada and the United States and throughout the world, it is not possible for the Disclosing Party to identify all situations in the past five years in which real estate held as collateral for loans or otherwise in connection with the activities of RBC and its subsidiaries and affiliates was affected by environmental issues. As indicated above, however, to the best of the knowledge of the Disclosing Party, based on reasonable due diligence and inquiry, RBC and its affiliates doing business in the United States have not, in the past five years, been found in violation of any city, state or federal environmental law or regulation.

RBC believes human welfare depends upon sound economic growth and the maintenance of a healthy environment, and has recognized that the two are inextricably linked. RBC is committed to managing its businesses to promote these aims and is dedicated to responsibly managing all aspects of its business to ensure environmental laws and regulations and recognized standards are met or exceeded. For additional information regarding RBC's established policies regarding the environment, please refer to http://www.rbc.com/environment/index.html

Section V, Part B.7. (page 6)

The Further Certifications in this Section V., Parts B.3., 4. and 5. are being made on behalf of the Disclosing Party and, where required, its principals and any affiliated entity doing business in the United States, based on reasonable due diligence and inquiry. RBC and its affiliates employ more than 80,000 people in various business units in some 53 countries around the world and may from time to time appoint agents to act pursuant to the direction or authorization of a responsible official of the Disclosing Party or its affiliates in connection with the business activities of the Disclosing Party. The Disclosing Party certifies that, to the best of its knowledge, all of the statements set forth in Section V., Parts B. 3., 4. and 5. are correct with regard to such persons. As noted in the response to Section V, Part B.2 on page 5, it is RBC's policy to maintain the highest possible standards of honest and ethical behavior. In keeping with this objective, RBC has established a Code of Conduct that governs the actions of every employee regardless of the RBC entity for which they work and regardless of the legal jurisdiction or location of that company. The Code of Conduct extends to every employee in every location worldwide. Any employee who fails to meet the standards set out in the Code of Conduct is subject to corrective or disciplinary action, including immediate or eventual dismissal.

Section VII, Part F.1. (page 11)

This certification is being made on behalf of the Disclosing Party and any "affiliate" of the Disclosing Party doing business in the United States, based on reasonable due diligence and inquiry, to the best of the knowledge of the Disclosing Party.

Under Municipal Code Section 2-154-015, the Disclosing Party must disclose whether such Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof currently has a "familial relationship" with any elected city official or department head. A "familial relationship" exists if, as of the date this EDS is signed, the Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof is related to the mayor, any alderman, the city clerk, the city treasurer or any city department head as spouse or domestic partner or as any of the following, whether by blood or adoption: parent, child, brother or sister, aunt or uncle, niece or nephew, grandparent, grandchild, father-in-law, mother-in-law, son-in-law, daughter-in-law, stepfather or stepmother, stepson or stepdaughter, stepbrother or stepsister or half-brother or half-sister.

Matter: Sterling Park Apartments

Disclosing Party: Royal Bank of Canada

Date: August 13 2014

Section II, Part B.2. (page 3)

The shares of the Disclosing Party trade on the Toronto Stock Exchange and the New York Stock Exchange. The Disclosing Party's records reflect that two entities hold in excess of 7.5% of the voting securities of the Disclosing Party. The first record holder of such voting securities is CDS & CO, which acts as a nominee for the Canadian Depository for Securities Limited ("CDS"). The second holder is CEDE & CO., which acts as a nominee for the Depository Trust Company ("DTC"). It is the Disclosing Party's understanding that no client or client accounts of CDS or CEDE & CO. participants own in excess of 20% of the voting securities of the Disclosing Party due to Canada's Bank Act restrictions on voting. The Bank Act states that no person and no entity controlled by any person may cast votes in respect of any shares beneficially owned by the person or entity that represent, in the aggregate, more than 20% of the "eligible votes." Each year the Disclosing Party obtains Declaration of any shares beneficially owned by the person or entity that represent, in the aggregate, more than 20% of the "eligible votes." Each year the Disclosing Party obtains Declaration of Ownership forms from CDS participants. These Declaration of Ownership forms indicate whether to the knowledge of the participant any person owns more than 10% of the voting securities of the Disclosing Party. To date, based on these declarations, no CDS participant owns more than 10% of the voting securities of the Disclosing Party or contravenes the Bank Act restrictions. Declarations of ownership forms are not obtained from DTC participants. Because DTC and CEDE & CO. do not publicly disclose the percentages of ownership of securities held on behalf of individual participants, it is impossible to determine whether one or more DTC participants own 10% or more but less than 20% of the voting securities of the Disclosing Party. To the best of the knowledge of the Disclosing Party, no single person or entity owns 7.5% or more of the voting securities of the Disclosing Party.

Section III (page 3)

To the best of the knowledge of the Disclosing Party after reasonable due diligence and inquiry, the Disclosing Party did not have any "business relationship" with any of the City elected officials listed on Attachment 1.1 hereto, in the 12 months before the date this EDS is signed. To the best of the knowledge of the Disclosing Party without due diligence or inquiry whatsoever the Disclosing Party did not have any "business relationship" with any spouse of any of the City elected officials listed on Attachment 1.1 hereto, or of any entity in which an official or his or her spouse has a "financial interest," in the 12 months before the date this EDS is signed.

Section V. Part B.2. (page 6)

The Further Certifications made in this Section V. Part B.2. are being made on behalf of the Disclosing Party and its officers and directors based on reasonable due diligence and inquiry, to the best of the knowledge of the Disclosing Party, and with the limitations set forth below with regard to the certification

contained in Section V., Part B.2.e.[1] As noted in the response to Section V, Part 7 on page 6, it is the policy of the Disclosing Party to maintain the highest possible standards of honest and ethical behavior. In keeping with this objective, the Disclosing Party has established a Code of Conduct that governs the actions of every employee regardless of the Disclosing Party's entity for which they work and regardless of the legal jurisdiction or location of that company. The Code of Conduct extends to every employee in every location worldwide. Any employee who fails to meet the standards set out in the Code of Conduct is subject to corrective or disciplinary action, including immediate or eventual dismissal.

Section V, Part B.7.(page 6)

The Further Certifications in this Section V., Parts B.3., 4. and 5. are being made on behalf of the Disclosing Party and, where required, its principals and any affiliated entity doing business in the United States, based on reasonable due diligence and inquiry. The Disclosing Party and its affiliates employ more than 80,000 people in various business units in some 53 countries around the world and may from time to time appoint agents to act pursuant to the direction or authorization of a responsible official of the Disclosing Party or its affiliates in connection with the business activities of the Disclosing Party. The Disclosing Party certifies that, to the best of its knowledge, all of the statements set forth in Section V., Parts B.3., 4. and 5. are correct with regard to such persons. As noted in the response to Section V. Part B.2 on page 5, it is the policy of the Disclosing Party to maintain the highest possible standards of honest and ethical behavior. In keeping with this objective, the Disclosing Party has established a Code of Conduct that governs the actions of every employee regardless of the entity for which they work and regardless of the legal jurisdiction or location of that company. The Code of Conduct extends to every employee in every location worldwide. Any employee who fails to meet the standards set out in the Code of Conduct is subject to corrective or disciplinary action, including immediate or eventual dismissal.

Section 7, Part F.1. (page 11)

This certification is being made on behalf of the Disclosing Party and any "affiliate" of the Disclosing Party doing business in the United States, based on reasonable due diligence and inquiry, to the best of the knowledge of the Disclosing Party.

[1] The Disclosing Party, a Canadian chartered bank, is Canada's largest bank as measured by assets, and is one of North America's leading diversified financial services companies. The Disclosing Party provides personal and commercial banking, wealth management services, insurance, corporate and investment banking, and transaction processing services directly and through its subsidiaries on a global basis. In the United States, the Disclosing Party provides personal and commercial banking, mortgage origination, insurance, full-service brokerage and corporate and investment banking services through its branches and subsidiaries. The Disclosing Party and its subsidiaries and affiliates have from time to time participated in the remediation of environmental issues relating to distressed real estate collateral and other real estate in the ordinary course of its commercial real estate lending and other activities. Due to the size and scope of the Disclosing Party's activities, both in Canada and the United States and throughout the world, it is not possible for the Disclosing Party to identify all situations in the past five years in which real estate held as collateral for loans or otherwise in connection with its activities was affected by environmental issues. As indicated above, however, to the best of the knowledge of the Disclosing Party, based on reasonable due diligence and inquiry, the Disclosing Party and its affiliates doing business in the United States have not, in the past five years, been found in violation of any city, state or federal environmental law or regulation. The Disclosing Party believes human welfare depends upon sound economic growth and the maintenance of a healthy environment, and has recognized that the two are inextricably linked.

The Disclosing Party is committed to managing its businesses to promote these aims and is dedicated to responsibly managing all aspects of its business to ensure environmental laws and regulations and recognized standards are met or exceeded. CITY OF CHICAGO

RAHM EMANUEL
MAYOR

September 10, 2014

TO THE HONORABLE, THE CITY COUNCIL
OF THE CITY OF CHICAGO

Ladies and Gentlemen:

At the request of the Commissioner of Planning and Development, I transmit herewith an ordinance authorizing a Class 7(a) tax status for TGM Holdings.

Your favorable consideration of this ordinance will be appreciated.

Very truly yours,

Rahm Emanuel

Mayor

ORDINANCE

WHEREAS, the City of Chicago (the "City") is a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois authorized to exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the City established the Community Development Commission (the "Commission") to, among other things, designate redevelopment and conservation areas and create redevelopment plans for such areas, subject to the approval of the City Council of the City (the "City Council"); and

WHEREAS, the City has, through the action of the Commission (with the subsequent approval of City Council as described below), (i) reviewed and approved the Redevelopment Plan (including the acquisition of privately owned parcels by negotiated purchase or the use of the City's power of eminent domain) for the Stony Island Avenue Commercial and Burnside Industrial Corridor Redevelopment Project Area (the "Stony Island/Burnside Area") and (ii) approved the designation of the Stony Island/Burnside Area as a Redevelopment Project Area; and

WHEREAS, the City has found that (i) acquisition of the private property pursuant to the aforesaid Redevelopment Plan will help to eradicate blight and (ii) the City is permitted under divisions 74.2 and 74.3 of the Illinois Municipal Code, 65 ILCS 5/11-74.2 and 74.3 to acquire property in order to eradicate blight and construct redevelopment projects in redevelopment areas; and

WHEREAS, the City has, through action of the Commission (with the subsequent approval of City Council as described below), approved the designation of the establishment of the Stony Island/Burnside Area and found that such designation would increase the development and rehabilitation of a depressed area in the City; and

WHEREAS, on December 10, 1998 the City Council enacted ordinances (a) approving a certain Redevelopment Plan for the Stony Island/Burnside Area, and (b) designating the Stony Island/Burnside Area as a Redevelopment Project Area pursuant to the City's home rule powers, the findings of the Commission and the Illinois Municipal Code as set forth above (the "Designation Ordinance"); and

WHEREAS, all required procedures have been followed in the establishment of the Stony Island/Burnside Area; and

WHEREAS, certain real estate located generally at 1506-1520 East 87th Street in Chicago (the "Project Site"), as more precisely described on Exhibit A attached hereto and hereby made a part hereof, is located within the boundaries of the Stony Island/Burnside Area; and

WHEREAS, pursuant to the Illinois Enterprise Zone Act, 20 ILCS 655/5 (the "Act") municipalities may by ordinance designate a depressed area within its jurisdiction as an enterprise zone and after passage of such ordinance seek the certification of the area by the Illinois Department of Commerce and Economic Opportunity ("IDCEO"); and

WHEREAS, on December 23, 1982 the City Council adopted an ordinance establishing an enterprise zone ("Enterprise Zone 3"), appearing in the Journal of the Proceedings of the City Council of the City of Chicago, Illinois (the "Journal") on pages 14294 to 14296 (the "Enterprise Zone Designation Ordinance"), as amended, to increase development and rehabilitation of a depressed area of the City (and subsequently obtained the certification of IDCEO); and

WHEREAS, all required procedures have been followed in the establishment of the Enterprise Zone 3 and the Project Site is located within the boundaries of Enterprise Zone 3; and

WHEREAS, TGM Holdings, LLC, an Illinois limited liability company ("TGM"), proposes to develop the Project Site by rehabilitating an approximately 10,114 square foot building (the "Project"); and

WHEREAS, the Project will increase employment opportunities, economic activity in the area and growth in the real property tax base; and

WHEREAS, TGM has applied to the Office of the Assessor of Cook County, Illinois (the "Assessor") for designation of the Project Site as a Class 7a classification eligible for certain real estate tax incentives; and

WHEREAS, Section 4(A) of the Cook County Real Estate Classification Ordinance, as amended, (the "Classification Ordinance"), provides that an applicant for Class 7a classification must obtain an ordinance or resolution from the municipality in which the real estate is located expressly stating that (a) the municipality has determined that eligibility factors (1) through (5) under Section 4(A) of the Classification Ordinance are present, and (b) the municipality supports and consents to the Class 7a application to the Assessor; and

WHEREAS, the Department of Planning and Development of the City of Chicago ("DPD") has reviewed the proposed Project, has determined that it meets the necessary eligibility requirements for Class 7a designation, and hereby recommends to City Council that the City expressly determine by ordinance that (a) the required eligibility factors are present, and (b) the City supports and consents to the Class 7a application to the Assessor by TGM for the Project Site; now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The above recitals are hereby expressly incorporated as if fully set forth herein.

SECTION 2. The City hereby determines that the Project Site, which is located within the boundaries of the Redevelopment Area and Enterprise Zone 3, meets eligibility factor (1) under Section 4(A) of the Classification Ordinance in that the Project Site is located in an area in need of commercial development as designated by the City in the Designation Ordinance and the Enterprise Zone Designation Ordinance.

SECTION 3. The City hereby determines that the Project meets eligibility factor (2) under Section 4(A) of the Classification Ordinance in that real estate taxes in the area during the last six years have either declined, remained stagnant and/or potential real estate taxes are not being fully realized due to the depressed condition of the area.

SECTION 4. The City hereby determines that the Project meets eligibility factor (3) under Section 4(A) of the Classification Ordinance in that there is a reasonable expectation that the Project is viable and likely to go forward on a reasonably timely basis if granted Class 7a designation and will therefore result in the economic enhancement of the area.

SECTION 5. The City hereby determines that the Project meets eligibility factor (4) under Section 4(A) of the Classification Ordinance in that certification of the Project Site for Class 7a designation will materially assist development, redevelopment or rehabilitation of the area and the Project would not go forward without the full incentive offered under Class 7a.

SECTION 6. The City hereby determines that the Project meets eligibility factor (5) under Section 4(A) of the Classification Ordinance in that certification of the Project Site for Class 7a designation is reasonably expected to ultimately result in an increase in real property tax revenue and employment opportunities within the area.

SECTION 7. NOTICE TO THE INDIVIDUAL SIGNING THE ILLINOIS STATUTORY SHORT FORM POWER OF ATTORNEY FOR PROPERTY.

PLEASE READ THIS NOTICE CAREFULLY. The form that you will be signing is a legal document. It is governed by the Illinois Power of Attorney Act. If there is anything about this form that you do not understand, you should ask a lawyer to explain it to you.

The purpose of this Power of Attorney is to give your designated "agent" broad powers to handle your financial affairs, which may include the power to pledge, sell, or dispose of any of your real or personal property, even without your consent or any advance notice to you. When using the Statutory Short Form, you may name successor agents, but you may not name co-agents.

This form does not impose a duty upon your agent to handle your financial affairs, so it is important that you select an agent who will agree to do this for you. It is also important to select an agent whom you trust, since you are giving that agent control over your financial assets and property. Any agent who does act for you has a duty to act in good faith for your benefit and to use due care, competence, and diligence. He or she must also act in accordance with the law and with the directions in this form. Your agent must keep a record of all receipts, disbursements, and significant actions taken as your agent.

Unless you specifically limit the period of time that this Power of Attorney will be in effect, your agent may exercise the powers given to him or her throughout your lifetime, both before and after you become incapacitated. A court, however, can take away the powers of your agent if it finds that the agent is not acting properly. You may also revoke this Power of Attorney if you wish.

This Power of Attorney does not authorize your agent to appear in court for you as an attorney-at-law or otherwise to engage in the practice of law unless he or she is a licensed attorney who is authorized to practice law in Illinois.

The powers you give your agent are explained more fully in Section 3-4 of the Illinois Power of Attorney Act. This form is a part of that law. The "NOTE" paragraphs throughout this form are instructions.

OFFICE OF THE MAYOR

CITY OF CHICAGO

RAHM EMANUEL
MAYOR

September 10, 2014

TO THE HONORABLE, THE CITY COUNCIL
OF THE CITY OF CHICAGO

Ladies and Gentlemen:

At the request of the Commissioner of Planning and Development, I transmit herewith an ordinance authorizing a land exchange with Southern Railway Corporation.

Your favorable consideration of this ordinance will be appreciated.

Very truly yours,

Rahm Emanuel

Mayor

AN ORDINANCE AUTHORIZING THE EXCHANGE OF CITY PROPERTY FOR THE FORMER ENGLEWOOD CONNECTING LINE

WHEREAS, the City of Chicago ("City") is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970 and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the City is the owner of certain real property located on the 6000 block of South Lafayette Avenue, which is legally described on Exhibit A attached hereto and depicted on Exhibit B attached hereto (the "60th Street Property"); and

WHEREAS, the City is also the owner of certain real property formerly comprising a part of (or located near) access ramps for the Chicago Skyway located in the vicinity of 63rd Street, Michigan Avenue and Prairie Avenue, which is legally described on Exhibit C attached hereto and depicted on Exhibit D attached hereto (the "Skyway Property"); and

WHEREAS, the 60th Street Property and the Skyway Property are collectively referred to herein as the "City Property"; and

WHEREAS, Norfolk Southern Railway Company ("NS") is the owner of a former elevated rail line known as the "Englewood Connecting Line" that runs generally from South Wallace Avenue (600 West) on the east to South Hoyne Avenue (2100 West) on the west along the 58th/59th Street corridor, which is legally described on Exhibit E attached hereto and depicted on Exhibit F attached hereto (the "Englewood Connecting Line"); and

WHEREAS, the Englewood Connecting Line is approximately 1.7 miles in length and ranges between 50 feet and 100 feet in width; and

WHEREAS, the City Property contains approximately 5.1 acres, and the Englewood Connecting Line contains approximately 17 acres; and

WHEREAS, the City is interested in acquiring the Englewood Connecting Line for the future construction of an elevated nature trail and open space that would link the existing at-grade parks and adjacent urban agricultural sites, as outlined in "The Green Healthy Neighborhoods Land Use Plan," adopted by the Chicago Plan Commission on March 20, 2014; and

WHEREAS, pursuant to an ordinance adopted by the City Council on April 10, 2013, the City and NS entered into two agreements relating to NS's expansion of its 47th Street intermodal facility: (i) an Agreement for the Sale and Redevelopment of Land, pursuant to which the City agreed to sell land to NS for the expansion, and a Neighborhood Investment Fund Agreement ("Neighborhood Agreement"), pursuant to which NS agreed to undertake certain environmental and economic development initiatives; and

WHEREAS, among its commitments under the Neighborhood Agreement, NS agreed to convey the Englewood Connecting Line to the City for development of a linear trail in exchange for City land or other consideration of approximately equivalent value; and

WHEREAS, NS has submitted a proposal to the City's Department of Planning and Development (the "Department") to convey the Englewood Connecting Line to the City in exchange for the City Property, which NS intends to include in its proposed 63rd Street intermodal yard expansion; and

WHEREAS, the conversion of the Englewood Connecting Line to a nature and bike trail will beautify the Englewood neighborhood and help mitigate the air quality concerns associated with the intermodal yard expansion; and

WHEREAS, the appraised value of the Skyway Property is approximately $810,000, based on its enhancement value to NS's adjoining property; and

WHEREAS, the appraised value of the 60th Street Property varies considerably depending on whether the appropriate comparable sales are sales of residential lots to the general market (minimal due to a lack of demand) or sales to NS for its intermodal yard expansion; and

WHEREAS, similarly, the value of the Englewood Connecting Line varies significantly depending on whether one looks at demand for the rail corridor to the general market (minimal since the cost to remove the embankment to make the land usable exceeds the value of the underlying land) or its value to the City as an assembled right-of-way; and

WHEREAS, based on the underlying value assumptions, the fair market value of the 60th Street Property ranges from approximately $41,000 at the low end (value to the general market) to approximately $620,000 on the high end (based on the highest price NS has paid for land in the area), and the fair market value of the Englewood Connecting Line ranges from $0 (liquidation value) to approximately $1.4 million (corridor enhancement value); and

WHEREAS, the combined value of the Skyway Property (approximately $810,000) and the 60th Street Property at its high end (approximately $620,000) is approximately equal to the value of the Englewood Connecting Line at its high end (approximately $1.4 million); and

WHEREAS, given the difficulty of estimating a single-point value for either the 60th Street Property or the Englewood Connecting Line, and the benefits to the City of acquiring the uninterrupted rail corridor for conversion to a nature trail, the Department has recommended that the City Council authorize the land exchange; and

WHEREAS, public notices advertising the Department's intent to exchange the City Property for the Englewood Connecting Line, and requesting alternative proposals, appeared in the *Chicago Sun-Times* on July 18, July 25 and August 1, 2014; and

WHEREAS, no other responsive proposals were received by the deadline indicated in the aforesaid notices; and

WHEREAS, by Resolution adopted on June 19, 2014, the Chicago Plan Commission approved the land exchange; ***now, therefore,***

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The above findings and recitals are hereby incorporated by reference and constitute a material part of this ordinance.

SECTION 2. The City's conveyance of the City Property to NS in exchange for NS's

conveyance of the Englewood Connecting Line to the City is hereby approved. This approval is expressly conditioned upon the City entering into a land exchange agreement with NS in substantially the form attached hereto as Exhibit G. The Commissioner of the Department (the "Commissioner") or a designee of the Commissioner is each hereby authorized to negotiate, execute and deliver the Land Exchange Agreement, and such other documents as may be necessary or appropriate to implement the provisions of this ordinance, subject to the approval of the Corporation Counsel. Such Land Exchange Agreement and other documents may contain terms and provisions that the Commissioner deems appropriate, including, without limitation, indemnification by the City. The Commissioner is further authorized to accept a deed of conveyance from NS for the Englewood Connecting Line, subject to the approval of the Corporation Counsel.

SECTION 3. The Mayor or his proxy is authorized to execute, and the City Clerk is authorized to attest, a quitclaim deed conveying the City Property to NS, or to an entity of which NS is the sole controlling party.

SECTION 4. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the other provisions of this ordinance.

SECTION 5. All ordinances, resolutions, motions or orders in conflict with this ordinance are hereby repealed to the extent of such conflict.

SECTION 6. This ordinance shall be in full force and effect immediately upon its passage and approval.

WHEREAS, the City is interested in acquiring the Englewood Connecting Line for the future construction of an elevated nature trail and open space that would link the existing at-grade parks and adjacent urban agricultural sites, as outlined in "The Green Healthy Neighborhoods Land Use Plan," adopted by the Chicago Plan Commission on March 20, 2014; and

WHEREAS, NS is interested in acquiring the City Property for inclusion in its proposed 63rd Street Intermodal Yard expansion; and

WHEREAS, NS has agreed to convey the Englewood Connecting Line to the City, and the City has agreed to convey the City Property to NS (such transaction, the "Land Exchange"); and

WHEREAS, the City Property and the Englewood Connecting Line are sometimes referred to herein individually as a "Property" and collectively as the "Properties"; and

WHEREAS, the City Council, pursuant to an ordinance adopted on _____, 2014, and published at pages _____ through _____ in the Journal of the Proceedings of the City Council of such date, authorized the Land Exchange (the "Project Ordinance").

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. **Incorporation of Recitals**. The foregoing recitals constitute an integral part of this Agreement and are incorporated herein by this reference with the same force and effect as if set forth herein as agreements of the Parties.

2. **Agreement to Exchange**. NS hereby agrees to convey to the City, and the City hereby agrees to accept from NS, the Englewood Connecting Line, and the City hereby agrees to convey to NS, and NS hereby agrees to accept from the City, the City Property. Each such transfer is to be made in consideration of the other, and is subject to the terms and conditions of this Agreement.

3. **Closing**. Subject to the fulfillment of the conditions hereof and provided that all of the covenants, representations and warranties of the Parties are true and correct on the date of closing as though made on such date, the closing of the Land Exchange ("Closing") shall take place at the downtown offices of Greater Illinois Title Company (the "Title Company"), 120 North LaSalle Street, Suite 900, Chicago, Illinois 60602, within thirty (30) days after the later of (i) the satisfaction of the Skyway Condition Precedent in Section 5(c) hereof, and (ii) the expiration or waiver by each Party of the Inspection Condition Precedent in Section 6 hereof, or such other date as is mutually agreed by the Parties (the "Closing Date"). At the Closing, each Party shall deliver into escrow the documents provided for under this Agreement. The Closing shall be through an escrow with the Title Company.

4. **Deed.** At Closing, each Party shall convey its Property to the other by a recordable quit claim deed ("Deed") subject to: (a) the standard exceptions in an ALTA title insurance policy; (b) general real estate taxes and any special assessments or other taxes; (c) all easements, encroachments, covenants and restrictions of record and not shown of record; (d) all statutes, laws, regulations, rules and ordinances of any kind affecting the Property (including, without limitation, zoning and building laws, ordinances, codes or approvals and environmental protection laws or regulations); (e) public and private rights of way; (f) such other title defects as may exist; and (g) any and all exceptions caused by the acts of the Parties, their Agents or any person or entity directly or indirectly controlling, controlled by or under common control with the Parties ("Affiliates").

5. **Condition of Title**.

(a) Each Party has or shall obtain a title insurance commitment for the Property which it is acquiring (the "Commitment"), and may, at its own expense, obtain a survey of such Property (the "Survey"). If either Party (the "Objecting Party") has objections to matters disclosed by the Commitment or the Survey, such Objecting Party may notify the other Party (the "Property Owner") in writing (the "Title Objection Notice") and the Property Owner may, but shall have no obligation to, cure the same or agree in writing to cure the same prior to Closing

or obtain affirmative insurance against loss or damage that may be occasioned by the same and provide evidence reasonably satisfactory to the Objecting Party thereof. If the Property Owner does not cure the objections or agree in writing to cure the objections or otherwise endorse or insure the same prior to Closing, the Objecting Party shall have the option to do one of the following: (i) accept title to the Property subject to the exceptions; or (ii) terminate this Agreement by delivery of written notice to the Property Owner prior to the Closing, in which event this Agreement shall be null and void and, except as otherwise specifically provided, neither Party shall have any further right, duty or obligation hereunder.

(b) Each Party may, at its sole cost and expense, update the Commitment and Survey for the Property it is acquiring, and shall be solely responsible for and shall pay all costs associated with obtaining a title policy and any endorsements it deems necessary for such Property. Neither Party makes any representation or warranty of whatever nature regarding the truth, accuracy, validity, completeness, usefulness, suitability or any other aspect of the Commitment or Survey for its Property, and each Party expressly disclaims any such representation and warranty. Each Party relies on the Commitment and Survey for the Property it is acquiring at its sole risk.

(c) NS acknowledges and agrees that the Skyway Property is included in the Chicago Skyway Concession and Lease Agreement dated as of October 27, 2004, by and between the City and Skyway Concession Company, LLC (as amended or supplemented, the "Skyway Lease"), and that the City has asked Skyway Concession Company, LLC (the "Skyway Operator") to release such property from the Skyway Lease. Notwithstanding anything to the contrary contained in this Agreement, the City shall have no obligation to transfer the Skyway Property to NS unless and until the Skyway Operator has released such property from the Skyway Lease (the "Skyway Condition Precedent").

6. **Inspection Contingency**.

(a) Inspections. Each Party (the "Inspecting Party") and its agents, employees, contractors, and representatives (collectively, "Agents") shall have the right to enter upon the Property it is acquiring (the "Subject Property") at any time after the Effective Date, through and including the last day of the Inspection Period (as hereinafter defined), for the purpose of inspecting, surveying, engineering, performing environmental tests and such other work (collectively, the "Inspections") as the Inspecting Party shall consider appropriate upon reasonable notice to the Property Owner. The Inspecting Party shall and does hereby indemnify, protect, defend and hold the Property Owner and its officers, directors, partners, members, managers, employees and agents harmless from and against any and all actions, causes of action, damages, claims, liens, liabilities, losses, costs and expenses (including, without limitation, reasonable attorneys' fees of counsel selected by the Property Owner and costs of litigation) arising from or caused by the actions of the Inspecting Party or its Agents upon the Subject Property. The foregoing indemnification shall survive the Closing and any termination of this Agreement.

(b) Inspection Period. The obligations of the Inspecting Party under this Agreement are expressly subject to and conditioned upon the determination by the Inspecting Party, in its sole discretion, that the Subject Property is satisfactory for the uses and purposes intended by the Inspecting Party, which determination shall be made within six (6) months after the Effective Date (as such period may be extended pursuant to this Section 6, the "Inspection Period"). The foregoing condition precedent is referred to herein as the "Inspection Condition Precedent." The Inspection Condition Precedent includes, without limitation, the City's evaluation of the bridges

on the Englewood Connecting Line (the "Bridge Inspection") and the performance of Phase II testing on the Englewood Connecting Line (the "Phase II Testing"). The City anticipates that it may not complete the Bridge Inspection and/or the Phase II Testing within the initial 6-month Inspection Period, in which case the City shall have an additional six (6) months to complete such activities and the Inspection Period shall be extended for such additional time. In addition, the Parties may mutually agree to extend the Inspection Period for additional periods of time. If the Inspection Condition Precedent is not satisfied or waived by the Inspecting Party prior to the expiration of the Inspection Period, as such period may have been extended, then the Inspecting Party shall have the option to terminate this Agreement prior to the expiration of the Inspection Period, in which event this Agreement shall be null and void and, except as otherwise specifically provided, neither Party shall have any further right, duty or obligation hereunder. If the Inspecting Party fails to provide written notice to the Property Owner prior to the expiration of the initial 6-month Inspection Period, the Inspecting Party shall be deemed to have exercised its right to extend the Inspection Period for an additional six (6) months. If the Inspecting Party fails to provide written notice to the Property Owner prior to the expiration of the Inspection Period, as such period may have been extended by right or mutual agreement, the Inspecting Party shall be deemed to have waived its right to terminate this Agreement pursuant to the provisions of this Section 6 and the Parties shall proceed as provided in this Agreement.

(c) Prior to entry upon the Subject Property by the Inspecting Party or its Agents, the Inspecting Party shall give the Property Owner notice of at least 24 hours (which may be by telephone or email), and shall provide proof of insurance for itself and its Agents, as required by **Exhibit D**.

(d) This Section 6 shall survive the expiration or termination of this Agreement (regardless of the reason for such termination).

7. **Closing Deliveries**. On or before the Closing Date, each Party shall deliver to the Title Company to hold in escrow the following documents duly executed and, if applicable, in proper form for recording:

(a) a Deed in form acceptable to the other Party and the Title Company, duly executed and acknowledged, conveying good and indefeasible title in fee simple to its Property;

(b) all necessary state, county and municipal real estate transfer tax declarations;

(c) an ALTA statement in form required by the Title Company;

(d) an affidavit confirming that the Party is not a "foreign corporation" within the meaning of Section 1445 of the Internal Revenue Code;

(e) prorations and adjustments as provided herein;

(f) such evidence as the Title Company shall reasonably require as to the authority of each Party to enter into this Agreement and discharge its obligations hereunder; and

(g) such other documents as may be reasonably required by the Title Company to close the Land Exchange and issue a title policy, if requested, for each Property.

8. **Date of Possession; Condition of Property at Closing.** Each Party shall deliver possession of its Property to the other Party at the Closing. If either Property is not materially in the same condition on the date of Closing as it was on the Effective Date, ordinary wear and tear excepted, the Party buying such Property shall have as its sole remedy the right to terminate this Agreement; provided, however, such Party shall first deliver written notice to the other Party of the objectionable condition and allow the other Party thirty (30) days (or such longer period as shall be reasonably necessary) to restore the Property to its prior condition. Notwithstanding anything to the contrary contained in this Agreement, neither Party shall have any obligation in the event of casualty or other loss or destruction to restore the Property to its prior condition.

9. **Expenses**. Each Party shall pay all costs and expenses in connection with the Property it is acquiring hereunder, including, without limitation, title insurance fees and premiums, recording fees, transfer taxes (if the transfer is not an exempt transaction), legal fees and expenses and all other closing costs; provided, however, the Parties shall share equally in the costs of any escrow fees incurred in connection with the Land Exchange.

10. **Taxes**. General and special real estate and other ad valorem taxes and assessments not yet due or payable shall be prorated as of the Closing Date on the basis of 105% of the most recent ascertainable taxes or assessments. Such prorations shall be final and unadjustable.

11. **"As Is" Sale; Release and Indemnification**.

(a) Each Party acknowledges and agrees that it has had or will have adequate opportunity to inspect and evaluate the structural, physical and environmental condition and risks of the Property it is acquiring, and perform any surveys, environmental assessments, soil and other tests it deems necessary or desirable to satisfy itself as to the condition of such Property, and accepts the risk that any inspection may not disclose all material matters affecting such Property. Each Party agrees to accept the Property it is acquiring in its "as is," "where is" and "with all faults" condition on the Closing Date without any covenant, representation or warranty, express or implied, of any kind, as to the structural, physical or environmental condition of such Property or the suitability of such Property for any purpose whatsoever. Each Party hereby acknowledges that, in accepting such Property, it is relying solely upon its own inspection and other due diligence activities and not upon any information (including, without limitation, environmental studies or reports of any kind) provided by or on behalf of the other Party. Each Party agrees that it is its sole responsibility and obligation to take such action as is necessary to put the Property it is acquiring hereunder in a condition which is suitable for its intended use.

(b) Each Party, on behalf of itself and its successors and assigns, and their respective officers, directors, employees, members, managers, agents and representatives (collectively, the "Buyer Parties") hereby releases, renounces and waives any claims or causes of action it may have against the other Party (the "Selling Party"), its officers, agents and employees, under any existing or future theory of law (federal, state or local, or by common law), whether grounded in tort or contract or otherwise, in any and all courts or other forums, of whatever kind or nature, whether known or unknown, foreseen or unforeseen, now existing or

occurring after the Closing, based upon, arising out of or in any way connected with, directly or indirectly, the structural, physical or environmental condition of the Property, including, without limitation, the presence or suspected presence of hazardous or toxic materials, substances, wastes or other environmentally regulated substances, or other contaminants or pollutants in, on, under or about the Property, and shall undertake and discharge all liabilities of the Selling Party arising from any structural, physical or environmental condition that existed on the Property prior to the Closing

(c) The provisions of this Section 11 shall survive the Closing.

12. **Representations and Warranties of NS.** NS hereby represents and warrants to the City that as of the Effective Date and as of the Closing Date the following shall be true, accurate and complete in all respects:

(a) NS has the power and authority to execute and deliver this Agreement and perform its obligations hereunder.

(b) NS's execution, delivery and performance of its obligations under this Agreement have been duly authorized by all necessary corporate action, and do not violate NS's articles of incorporation or bylaws, as the same may be amended and supplemented, nor any applicable provision of law, nor will such execution, delivery and performance, upon the giving of notice or lapse of time, or both, result in a breach or violation of, or constitute a default under, any other agreement to which NS, or any Party affiliated with NS, is a Party or by which NS or the Englewood Connecting Line is bound.

(c) To the actual knowledge of Kelly Harris, no action, litigation, investigation or proceeding of any kind is pending or threatened against NS or any of its Affiliates, by or before any court, governmental commission, board, bureau or any other administrative agency, and NS knows of no facts which could give rise to any such action, litigation, investigation or proceeding, which could affect the ability of NS to perform its obligations hereunder.

(d) To the actual knowledge of Kelly Harris NS has not: (i) granted, suffered or permitted any lien, claim or encumbrance upon the Englewood Connecting Line or any portion thereof; (ii) permitted or suffered any levy, attachment, claim or restraint to be made affecting the Englewood Connecting Line; or (iii) executed any leases, licenses, easements, service or other use agreements for the Englewood Connecting Line.

(e) NS is not a person or entity described by Section 1 of the Executive Order (No. 13,224) Blocking Property and Prohibiting Transactions With Persons Who Commit, Threaten to Commit, or Support Terrorism, 66 Fed. Reg. 49,079 (September 25, 2001), and does not engage in any dealings or transactions, and is not otherwise associated, with any of those persons or entities.

13. **Representations and Warranties of City.** The City hereby represents and warrants to NS that as of the Effective Date and as of the Closing Date the following shall be true, accurate and complete in all respects:

(a) The execution of this Agreement by the City and the performance of its obligations hereunder have been authorized by the Project Ordinance.

(b) The City has the authority as a home rule unit of local government to execute and deliver this Agreement and perform its obligations hereunder.

14. **Brokers**. Each Party warrants to the other that it has not used the services of a real estate broker or agent in connection with this transaction. Each Party agrees to indemnify, defend and hold the other Party harmless from any claim for real estate commissions arising by reason of the indemnifying Party's breach of this warranty. The provisions of this Section 14 shall survive Closing or the termination of this Agreement.

15. **Default and Remedies**. In the event of a default by a Party in the performance of its obligations under this Agreement, such Party shall immediately proceed to cure or remedy such default upon written notice from the other Party. In the event of a default that has not been cured within 30 days, the non-defaulting Party, as its sole remedy, may enforce this Agreement by an action for specific performance. If the non-defaulting Party fails to exercise such remedy within thirty (30) days after the scheduled Closing Date by filing a complaint in the District Court in Cook County, Illinois, then this Agreement shall be deemed terminated and neither Party shall have any further rights or remedies hereunder. Each Party hereby waives and releases any other rights or remedies which it may have at law or in equity

16. **Time is of the Essence.** The Parties agree that time is of the essence in the performance of their obligations under this Agreement and every provision hereof in which time is an element. No extension of time for the performance of any obligation or act shall be deemed an extension of time for performance of any other obligation or act.

17. **Waiver and Estoppel.** Any delay by either Party in instituting or prosecuting any actions or proceedings or otherwise asserting its rights shall not operate as a waiver of such rights or operate to deprive said Party of or limit such rights in any way. No waiver made by either Party with respect to any specific default by the other Party shall be construed, considered or treated as a waiver of the rights of said Party with respect to any other defaults of the other Party.

18. **Counterparts**. This Agreement may be signed in any number of counterparts with the same effect as if the signatures to each counterpart were upon a single instrument, and is intended to be binding when all Parties have delivered their signatures to the other Parties. Signatures may be delivered by facsimile transmission. All counterparts shall be deemed an original of this Agreement.

19. **Date for Performance**. If any date for performance falls on a Saturday, Sunday or legal holiday, then the time of such performance shall be extended to the next business day thereafter.

20. **Entire Agreement; Modification**. This Agreement constitutes the entire agreement between the Parties with respect to the subject matter hereof and supersedes and replaces any prior agreements, negotiations and discussions. This Agreement may not be modified or amended in any manner without the prior written consent of the Parties hereto. No term of this Agreement may be waived or discharged orally or by any course of dealing, but only by an instrument in writing signed by the Party benefited by such term.

21. **Exhibits**. All exhibits referred to herein and attached hereto shall be deemed part of this Agreement.

22. **Governing Law**. This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois.

23. **Headings**. The headings of the various sections and subsections of this Agreement have been inserted for convenience of reference only and shall not in any manner be construed as modifying, amending or affecting in any way the express terms and provisions hereof.

24. **Severability.** If any provision of this Agreement, or any paragraph, sentence, clause, phrase or word, or the application thereof, is held invalid or unenforceable, the remainder of this Agreement shall be construed as if such invalid part were never included herein and this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

25. **Successors and Assigns**. This Agreement shall be binding on and shall inure to the benefit of the Parties named herein and to their respective successors and assigns. Notwithstanding the foregoing, prior to the Closing, neither Party may assign its rights hereunder without the prior written consent of the other Party.

26. **Notices.** Any notice, demand or communication required or permitted to be given hereunder shall be given in writing at the addresses set forth below by any of the following means: (a) personal service; (b) facsimile; (c) overnight courier; or (d) registered or certified first class mail, postage prepaid, return receipt requested:

Any notice, demand or communication sent pursuant to clause (d) shall be deemed received three (3) business days after mailing. The Parties, by notice given hereunder, may designate any further or different addresses to which subsequent notices, demands or communications shall be given. The refusal to accept delivery by any Party or the inability to deliver any communication because of a changed address of which no notice has been given in accordance with this Section 26 shall constitute delivery.

27. **Conflict of Interest/Limitation of Liability**. NS represents and warrants that no agent, official or employee of the City shall have any personal interest, direct or indirect, in NS, its affiliates, or this Agreement, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any corporation, partnership, association or other entity in which he or she is directly or indirectly interested. No agent, official or employee of the City shall be personally liable to NS, its affiliates, or any successor in interest in the event of any default or breach by the City or for any amount which may become due to NS, its affiliates, or any successor in interest or with respect to any commitment or obligation of the City under the terms of this Agreement.

28. **Business Relationships.** NS acknowledges (a) receipt of a copy of Section 2-156-030(b) of the Municipal Code, (b) that it has read such provision and understands that pursuant to such Section 2-156-030(b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030(b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. NS hereby represents and warrants that no violation of Section 2-145-030(b) has occurred with respect to this Agreement or the transactions contemplated hereby.

29. **Patriot Act Certification.** NS represents and warrants that neither it nor any Affiliate thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

30. **Prohibition on Certain Contributions Pursuant to Mayoral Executive Order No. 2011-4.**

(a) NS agrees that it, any person or entity who directly or indirectly has an ownership or beneficial interest in it of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, its contractors (i.e., any person or entity in direct contractual privity with it regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (NS and all the

other preceding classes of persons and entities are together the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (a) after execution of this Agreement by NS, (b) while this Agreement or any Other Contract (as hereinafter defined) is executory, (c) during the term of this Agreement or any Other Contract, or (d) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

(b) NS represents and warrants that from the later of (a) May 16, 2011, or (b) the date the City approached it, or the date it approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

(c) NS agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

(d) NS agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 05-1.

(e) Notwithstanding anything to the contrary contained herein, NS agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this Section 30 or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole and absolute discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Agreement, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

(f) If NS intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the Closing, the City may elect to decline to close the transaction contemplated by this Agreement.

(g) For purposes of this provision:

(i) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fundraising committee.

(ii) "Other Contract" means any other agreement with the City to which NS is a Party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

(iii) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code, as amended.

(iv) Individuals are "domestic partners" if they satisfy the following criteria:

(1) they are each other's sole domestic partner, responsible for each other's common welfare; and

(2) neither Party is married; and

(3) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(4) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

(5) two of the following four conditions exist for the partners:

(A) The partners have been residing together for at least 12 months.

(B) The partners have common or joint ownership of a residence.

(C) The partners have at least two of the following arrangements:

- joint ownership of a motor vehicle;
- joint credit account;
- a joint checking account;
- a lease for a residence identifying both domestic partners as tenants.

(D) Each partner identifies the other partner as a primary beneficiary in a will.

(v) "Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code, as amended.

31. **Inspector General and Legislative Inspector General.** It is the duty of every officer, employee, department, agency, contractor, subcontractor, developer and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code. NS understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code.

32. **Waste Ordinance Provisions.** In accordance with Section 11-4-1600(e) of the Municipal Code, NS warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Agreement is executory, any violation of the Waste Sections by NS, or its general contractors or subcontractors, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole discretion of the Commissioner of DPD. Such breach and default entitles the City to all remedies under this Agreement, at law or in equity.

This section does not limit the duty of NS, and its general contractors and subcontractors, to comply with all applicable laws, in effect now or later, and whether or not they appear in this Agreement. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect the eligibility of NS for future contract awards insofar as not preempted by Federal law or regulation..

33. **2011 City Hiring Plan Prohibitions.**

(a) The City is subject to the June 24, 2011 "City of Chicago Hiring Plan" (the "2011 City Hiring Plan") entered in *Shakman v. Democratic Organization of Cook County*, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2011 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(b) NS is aware that City policy prohibits City employees from directing any individual to apply for a position with NS, either as an employee or as a subcontractor, and from directing NS to hire an individual as an employee or as a subcontractor. Accordingly, NS must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by NS under this Agreement are employees or subcontractors of NS, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by NS.

(c) NS will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or Party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or Party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or Parties or candidates for elected public office.

(d) In the event of any communication to NS by a City employee or City official in violation of Section 33(b) above, or advocating a violation of Section 33(c) above, NS will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("OIG Hiring Oversight"), and also to the Commissioner of DPD. NS will also cooperate with any inquiries by OIG Hiring Oversight.

34. **Failure to Maintain Eligibility to Do Business with the City.** Failure by NS or any controlling person (as defined in Section 1-23-010 of the Municipal Code) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code shall be grounds for termination of this Agreement and the transactions contemplated hereby. NS shall at all times comply with Section 2-154-020 of the Municipal Code.

A number of the questions in the City of Chicago's Economic Disclosure Statement and Affidavit (the "EDS Statement") appear intended to solicit information from smaller organizations where all of the knowledge of that organization's activities resides among a handful of people rather than to a large publicly-traded corporation like Norfolk Southern Corporation ("NSC"), which owns Norfolk Southern Railway Company ("NSR," and together with NSC and NSC's other subsidiaries, "Norfolk Southern") . . . (*Continued on Attachment V.B.7)

We further pledge that none of our affiliates is, and none of them will become, a predatory lender as defined in Chapter 2-32 of the Municipal Code. ATTACHMENT V.B.7

Norfolk Southern has thousands of employees and business operations in 22 states and the District of Columbia. NSR along with its consolidated rail subsidiaries ("NS Rail") is engaged primarily in the transportation of freight by rail. NS Rail operates approximately 21,000 miles, primarily in the east and Midwest, including approximately 861 miles in Illinois and 36 in Chicago. NSR and NSC used their best efforts to gather as much of the requested information as reasonably possible and without undue effort and expense, but, because of their large size, all responses given in all of the EDS Statement are only to the best of the reasonable knowledge of NSC and NSR, are at the risk of not having knowledge of certain information, and the executive officer signing the EDS Statement does so based on actual knowledge or information supplied to that executive officer. Due to the scope of its operations and the number of employees and contractors, Norfolk Southern makes no representations as to parties other than NSR, NSC and their respective executive officers and directors. Additional information about Norfolk Southern Corporation can be found at the website, www.nscorp.com, including its Annual Report for the fiscal year ended December 31, 2012, and at NSC's filings with the U.S. Securities and Exchange Commission ("US SEC"), where are found at http://www.sec.gov.

The following two paragraphs are responsive to Certification V.B.1.e. on page 5

Norfolk Southern is subject to extensive applicable federal, state, and local environmental laws and regulations. Norfolk Southern is, from time to time, investigated by these and other regulatory agencies in the ordinary course of business. Norfolk Southern cooperates with all government agency investigations. Due to the scope of its operations and the number of employees, however, Norfolk Southern cannot provide information regarding all such investigations without undue effort or expense, if at all. The list of certain investigations found attached in Table V.B.1.e is that information that Norfolk Southern was able to identify without undue effort or expense.

In addition to the regulation described in the preceding paragraph, Norfolk Southern is also subject to commercial regulation by the United States Surface Transportation Board, and its operations are regulated extensively by the United States Department of Transportation, including the Federal Railroad Administration, and the Department of Homeland Security and the Operational Safety and Health Administration, some of which in some cases has a preemptive effect. In addition, Norfolk Southern's operations are subject to extensive federal, state, and local environmental, labor and employment and other laws and regulations. Norfolk Southern is, from time to time, alleged to be in violation of administrative, statutory or regulatory provisions in the ordinary course of business. Norfolk Southern cooperates with all government agencies in seeking to resolve such alleged violations. Due to the scope of its operations and the number of employees, Norfolk Southern cannot provide detailed information regarding all such violations without undue effort or expense, if at all.

However, in addition to that material information which may be found at the noted US SEC website, also attached in Table V.B.1.e is that information which can be secured without undue effort or expense.

TABLE V.B.1.e

Part 1

1. In April, 2008, the United States Department of Justice filed suit against Norfolk Southern Railway Company seeking civil penalties and injunctive relief under the Clean Water Act and the Comprehensive Environmental Response, Compensation and Liability Act, related to the Jan. 6, 2005 derailment in Graniteville, S.C, and associated release of chlorine into the atmosphere. In April, 2010, the parties reached a consent decree settling the lawsuit, subject to court approval. In the consent decree, Norfolk Southern agreed to pay a civil penalty of $4 million, to undertake emergency response training and undertake a supplemental environmental project. There is no admission of liability.

2. Norfolk Southern was sued by the State of Illinois in connection with a derailment that was caused when a Union Pacific train improperly entered an interlocking and struck a Norfolk Southern train in Momence, Illinois on November 24, 2005. As a result of the collision, diesel fuel was released from the locomotives of both trains and certain limited amounts of other hazardous and non-hazardous materials were released from rail cars. The State of Illinois sued both Norfolk Southern and Union Pacific alleging various violations of environmental laws as a result of these releases and demanding penalties and other relief. This case was settled for a non-penalty payment of $9,900 in January, 2010.

3. On August 20, 2009, Norfolk Southern entered into two Consent Agreements with U.S. EPA Region 4, resolving two alleged violations of the Clean Water Act associated with two separate releases of fuel oil locomotive fuel tanks which were accidently breached by a master shoe retarder in Norris Yard, Irondale, Alabama. Norfolk Southern paid a total of $9,000 in penalties in these two dockets.

4. The United States Coast Guard issued a Notice of Violation in connection with the failure of a float level control switch at a waste water treatment plant pumping station that released approximately 500 gallons of oil and resulted in a light sheen on the Ohio River on December 18, 2009. An immediate response was undertaken to the release and the control switch was repaired. The Coast Guard's NOV assessed a $1,500 penalty, which was paid.

5. The United States Coast Guard issued a Notice of Violation in connection with the release of diesel fuel from a valve on a loading dock that created a sheen on the Ohio River on March 2, 2010. An immediate response to the release was undertaken. The Coast Guard's NOV assessed a $500 penalty, which was paid.

6. In late August 2010, as a result of an inspection by the Pipeline and Hazardous Materials Safety Administration, Norfolk Southern received a Notice of Probable Violation, Civil Penalty Assessment and Proposed Compliance Order (NOV) for alleged violations related to the operation and maintenance of a fuel pipeline in Macon, GA, including alleged recordkeeping deficiencies. A penalty of $98,600 was paid on July 19, 2011 pursuant to a Final Order. Two additional Notices of Probable Violation and a Notice of Amendment were received in February 2011. On August 18, 2011 an additional penalty of $77,500 was paid pursuant to a Final Order. Norfolk Southern has since retained a third party operator for this pipeline, thus resolving the alleged deficiencies.

8. In late June, 2010, the State of Ohio filed suit against Norfolk Southern alleging certain violations of state water laws at Norfolk Southern's coal transloading facility in Ashtabula, Ohio. Simultaneous with the filing of the complaint, the parties filed a

Consent Order for Preliminary Injunction with the court that requires certain actions be undertaken by Norfolk Southern at the facility. A final Consent Order was entered by the Court on August 11, 2011 that provided for final relief and the payment of an $115,000 penalty.

9. NSR concluded negotiations with the Federal Railroad Administration and paid $993,060 to resolve alleged violations of various FRA regulations (*e.g.*, mechanical defects, safety appliance, hazardous material handling) transmitted by FRA in 2012 and early 2013. Date of action: 8/12/2013

10. NSR concluded negotiations with the Federal Railroad Administration and paid $1,412,495 to resolve alleged violations of various FRA regulations (*e.g.*, mechanical defects, safety appliance, hazardous material handling) transmitted by FRA in 2011 and early 2012. Date of action: 8/9/2012.

11. NSR concluded negotiations with the Federal Railroad Administration and paid $1,160,965 to resolve alleged violations of various FRA regulations (*e.g.*, mechanical defects, safety appliance, hazardous material handling) transmitted by FRA in 2010 and early 2011. Date of action: 6/30/2011.

12. NSR concluded negotiations with the Federal Railroad Administration and paid $1,334,005 to resolve alleged violations of various FRA regulations (*e.g.*, mechanical defects, safety appliance, hazardous material handling) transmitted by FRA in 2009 and early 2010. Date of action: 7/15/2010.

13. The Tennessee Department of Environment and Conservation issued a Notice of Violation to NSR concerning soil runoff in connection with construction of an intermodal facility near Memphis, TN. Date of action: 1/13/2012.

14. On June 22, 2012, in a case arising in Michigan, an Administrative Law Judge found Norfolk Southern had violated the anti-retaliation provisions of 49 U.S.C. 20109(a)(4), which prohibits employment discrimination against employees who report work-related injuries. Norfolk Southern was ordered to pay the complainant $4,000; Norfolk Southern has appealed this decision.

15. On January 8, 2013, in a case arising in South Carolina, an Administrative Law Judge found Norfolk Southern had violated the anti-retaliation provisions of 49 U.S.C. 20109(a)(4), which prohibits employment discrimination against employees who report work-related injuries. Norfolk Southern was ordered to pay the complainant $30,000; Norfolk Southern has appealed this decision and the case is now resolved.

16. Norfolk Southern received a Notice of Violation issued by the Tennessee Department of Environmental conservation in January 2012 related to sediment runoff in connection with construction of the Memphis Regional Intermodal Facility in Rossville, Tennessee. Norfolk Southern will contest liability and the imposition of any penalties, and this matter is described here consistent with SEC rules and requirements concerning governmental proceedings with respect to environmental laws and regulations. A monetary penalty has not been officially imposed, but we do not believe that the outcome of this proceeding will have a material effect on our financial position, results of operations, or liquidity.

17. Norfolk Southern received a Notice of Violation and a penalty in the amount of $25,000.00 on May 14, 2013 from the Altoona Water Authority for POTW permit limit violations. Norfolk Southern contested liability and the basis of the imposition of this

penalty as the citation specifically identifies exceedances of permit conditions that occurred prior to the effective date of the amendments to establish the new permit limits. Subsequently, on August 27, 2013, Norfolk Southern entered into an Informal Settlement Agreement with Altoona Water Authority for full and final resolution and settlement of all violations and penalties and agreed to pay a total payment of $11,000.

18. NSR entered into an Informal Settlement Agreement with the Occupational Safety and Health Administration to resolve alleged violations federal workplace safety regulations and paid $12,750 to resolve these alleged violations issued by OSHA on June 11, 2013. Date of action: 7/3/2013

19. NSR entered into an Informal Settlement Agreement with the Occupational Safety and Health Administration to resolve alleged violations federal workplace safety regulations and agreed to remediate certain conditions to resolve these alleged violations issued by OSHA on May 5, 2013. Date of action: 6/10/2013

ORDINANCE

WHEREAS, the City of Chicago ("City") is a home rule, unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970, and as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the City is the owner of the vacant parcel of property located at 716-18 N. Monticello Avenue, Chicago, Illinois, which is legally described on Exhibit A attached hereto (the "Property"), which Property is located in the Chicago/Central Park Redevelopment Project Area ("Area") established pursuant to ordinances adopted by the City Council of the City on February 27, 2002, published in the Journal of Proceedings of the City Council for such date at pages 79794 through 80025; and

WHEREAS, public notice advertising the City's intent to enter into a negotiated sale of the Property with the Grantee and requesting alternative proposals appeared in the *Chicago Sun-Times*, a newspaper of general circulation, on May 13, 2014, and May 20, 2014; and

WHEREAS, no alternative proposals were received by the deadline indicated in the aforesaid notice; now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 2. The Mayor or his proxy is authorized to execute, and the City Clerk or Deputy City Clerk is authorized to attest, a quitclaim deed conveying the Property to the Grantee. > This conveyance is subject to the express condition that the Property is improved with landscaped open space within six (6) months of the date of this deed. In the event that the condition is not met, the City of Chicago may re-enter the Property and revest title in the City of Chicago. Grantee, at the request of the City of Chicago, covenants to execute and deliver to the City a reconveyance deed to the Property to further evidence such revesting of title. This right of reverter and re-entry shall terminate upon the issuance of a certificate of completion, release or similar instrument by the City of Chicago.

ORDINANCE

WHEREAS, the City of Chicago ("City") is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970, and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the City, through the foreclosure of demolition liens, tax sales and other methods of acquisition, has acquired title to numerous parcels of real property which are of minimal value and costly to clean up and maintain, and because title to such properties was vested in the City, the properties were exempted from real estate taxes, thus depriving the City of revenue; and

WHEREAS, pursuant to an ordinance (the "Original Program Ordinance") adopted by the City Council of the City ("City Council") on March 6, 1981 and published on pages 5584 - 5585 of the Journal of Proceedings of the City Council ("Journal") for such date, the City established a program for the disposition of certain vacant real property owned by the City known as the Adjacent Neighbors Land Acquisition Program; and

WHEREAS, the Original Program Ordinance was amended by ordinances adopted on July 23, 1982 and published in the Journal for such date at pages 11830 - 11833, and on January 7, 1983 and published in the Journal for such date at pages 14803 - 14805 (the Original Program Ordinance and such two amending ordinances, collectively, the "Original ANLAP Ordinances"); and

WHEREAS, pursuant to an ordinance adopted by the City Council on September 14, 1994 and published in the Journal for such date at pages 56195 - 56198, the City Council repealed the Original ANLAP Ordinances, and established a new program, also known as the Adjacent Neighbors Land Acquisition Program, for the disposition of certain vacant real property owned by the City, which ordinance was subsequently amended by ordinances adopted on September 4, 2002 and published in the Journal for such date at pages 92771 - 92773, and on July 28, 2010 and published in the Journal for such date at pages 97370 - 97374, and on June 25, 2014 and published in the Journal for such date at pages 83533 - 83535 (such new program, as amended, the "ANLAP Program"); and

WHEREAS, pursuant to the ANLAP Program, as codified at Municipal Code Chapter 2-159-010 et seq. (the "ANLAP Program Ordinance"), a qualified City-owned parcel may be sold if it has an appraised value of not more than Fifty Thousand Dollars ($50,000); and

WHEREAS, pursuant to the current ANLAP Program, if the property appraises at or for less than Ten Thousand Dollars ($10,000.00) the minimum acceptable bid must be at least One Thousand Dollars ($1,000.00); if the property appraises at or for less than Twenty Thousand Dollars ($20,000.00) but more than Ten Thousand Dollars ($10,000.00) the minimum acceptable bid must be at least Two Thousand Dollars ($2,000.00); and if the property appraises for more than Twenty Thousand Dollars ($20,000.00) the minimum acceptable bid must be Two Thousand Dollars ($2,000.00), plus fifty percent (50%) of the appraised value which exceeds Twenty Thousand Dollars ($20,000.00); and

WHEREAS, pursuant to the ANLAP Program, an Adjacent Neighbor means a person who owns one parcel, or two or more contiguous parcels, or real property that is immediately

adjacent to a City-owned parcel and at least one of the parcels is an improved parcel which the person occupies as his primary residence; and

WHEREAS, pursuant to the ANLAP Program, any deed conveying a parcel pursuant thereto shall contain covenants which: (1) prohibit the grantee from conveying, assigning or otherwise transferring the parcel except in conjunction with the sale of the adjacent parcel neighbor's parcel which his primary residence is located; and (2) require that the parcel be improved with landscaped open space within six (6) months of the conveyance of such parcel and prohibit the construction of any permanent improvements on the parcel, excluding only improvements made by the grantee on the parcel that constitute an integrated addition to the grantee's primary residence on the adjacent lot, or a garage appurtenant thereto; and (3) require the grantee to maintain the parcel in accordance with the provisions of the Municipal Code of Chicago. The covenants shall terminate ten (10) years after the date of the conveyance of the parcel to the grantee; and

WHEREAS, the Department of Planning and Development ("DPD") of the City desires to convey the vacant parcel of real property identified on Exhibit A to this ordinance (the "ANLAP Parcel") to Aasia Mohammad (the "Purchaser"), who has a principal residence of 1139 South Albany Avenue, Chicago, Illinois 60612, which ANLAP Parcel is located in the Midwest Project Area ("Area") established pursuant to ordinances adopted by the City Council on May 17, 2000 and published in the Journal of Proceedings of the City Council for such date at pages 30775 through 30953; and

WHEREAS, DPD has caused notice of the proposed sale of the ANLAP Parcel to be sent to all eligible adjacent neighbors (if any) and has also caused public notice advertising the City's intent to enter into the sale of the ANLAP Parcel to the Purchaser to be published in the *Chicago Sun-Times* on August 7, 2014 and August 14, 2014; and

WHEREAS, Purchaser's proposal was the only proposal received by the deadline indicated in the aforesaid notice; and

WHEREAS, pursuant to Resolution Number 14-074-21 adopted on August 21, 2014, by the Plan Commission of the City of Chicago ("Commission"), the Commission approved the sale of the Property to the Purchaser; now, therefore

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

Your favorable consideration of these ordinances will be appreciated.

Very truly yours,

ORDINANCE

WHEREAS, the City of Chicago ("City") is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970, and as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the City, through the foreclosure of demolition liens, tax sales and other methods of acquisition, has acquired title to numerous parcels of real property which are of minimal value and costly to clean up and maintain, and because title to such properties was vested in the City, the properties were exempted from real estate taxes, thus depriving the City of revenue; and

WHEREAS, pursuant to an ordinance (the "Original Program Ordinance") adopted by the City Council of the City ("City Council") on March 6, 1981 and published on pages 5584 – 5585 of the Journal of Proceedings of the City Council ("Journal") for such date, the City established a program for the disposition of certain vacant real property owned by the City known as the Adjacent Neighbors Land Acquisition Program; and

WHEREAS, the Original Program Ordinance was amended by ordinances adopted on July 23, 1982 and published in the Journal for such date at pages 11830 – 11833, and on January 7, 1983 and published in the Journal for such date at pages 14803 – 14805 (the Original Program Ordinance and such two amending ordinances, collectively, the "Original ANLAP Ordinances"); and

WHEREAS, pursuant to an ordinance adopted by the City Council on September 14, 1994 and published in the Journal for such date at pages 56195 – 56198, the City Council repealed the Original ANLAP Ordinances, and established a new program, also known as the Adjacent Neighbors Land Acquisition Program, for the disposition of certain vacant real property owned by the City, which ordinance was subsequently amended by ordinances adopted on September 4, 2002 and published in the Journal for such date at pages 92771 – 92773, and on July 28, 2010 and published in the Journal for such date at pages 97370 – 97374, and on June 25, 2014 and published in the Journal for such date at pages 83533 - 83535 (such new program, as amended, the "ANLAP Program"); and

WHEREAS, pursuant to the current ANLAP Program, as codified at Municipal Code Chapter 2-159-010 et seq. (the "ANLAP Program Ordinance"), a qualified City-owned parcel may be sold if it has an appraised value of not more than Fifty Thousand Dollars ($50,000); and

WHEREAS, pursuant to the current ANLAP Program, if the property appraises at or for less than Ten Thousand Dollars ($10,000.00) the minimum acceptable bid must be at least One Thousand Dollars ($1,000.00); if the property appraises at or for less than Twenty Thousand Dollars ($20,000.00) but more than Ten Thousand Dollars ($10,000.00) the minimum acceptable bid must be at least Two Thousand Dollars ($2,000.00); and if the property appraises for more than Twenty Thousand Dollars ($20,000.00) the minimum acceptable bid must be Two Thousand Dollars ($2,000.00), plus fifty percent (50%) of the appraised value which exceeds Twenty Thousand Dollars ($20,000.00); and

WHEREAS, pursuant to the current ANLAP Program, any deed conveying a parcel

pursuant thereto shall contain covenants which: (1) prohibit the grantee from conveying, assigning or otherwise transferring the parcel except in conjunction with the adjacent parcel owned by the grantee; and (2) require that the parcel be improved with landscaped open space within six (6) months of the conveyance of such parcel and prohibit the construction of any permanent improvements on the parcel, excluding only improvements made by the grantee on the parcel that constitute an integrated addition to the grantee's primary residence on the adjacent lot, or a garage appurtenant thereto; and (3) require the grantee to maintain the parcel in accordance with the provisions of the Municipal Code of Chicago. The covenants shall terminate ten (10) years after the date of the conveyance of the parcel to the grantee; and

WHEREAS, the Department of Planning and Development ("DPD") of the City desires to convey the vacant parcel of real property identified on Exhibit A to this ordinance (the "ANLAP Parcel") to Sondra Spellman-Epps (the "Purchaser"), who has a principal residence of 4129 W. Arthington Street, Chicago, Illinois, which ANLAP Parcel is located in the Midwest Redevelopment Project Area ("Area") established pursuant to ordinances adopted by the City Council on May 17, 2000, and published in the Journal for such date at pages 30775 through 30953; and

WHEREAS, DPD has caused notice of the proposed sale of the ANLAP Parcel to be sent to all eligible adjacent neighbors (if any) and has also caused public notice advertising the City's intent to enter into the sale of the ANLAP Parcel to the Purchaser to be published in the *Chicago Sun-Times* on July 18, 2014; and

WHEREAS, Purchaser's proposal was the only proposal received by the deadline indicated in the aforesaid notice; and

WHEREAS, pursuant to Resolution No. 14-074-21 adopted on August 21, 2014, by the Plan Commission of the City of Chicago ("Commission"), the Commission approved the sale of the Property to the Purchaser; now, therefore

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

The covenants shall terminate ten (10) years after the date of the conveyance of the parcel to the grantee; and

WHEREAS, the Department of Planning and Development ("DPD") of the City desires to convey the vacant parcel of real property identified on Exhibit A to this ordinance (the "ANLAP Parcel") to Delois Boyd (the "Purchaser"), who has a principal residence of 4842 West Superior Street, Chicago, Illinois 60644; and

TO THE HONORABLE, THE CITY COUNCIL
OF THE CITY OF CHICAGO

Ladies and Gentlemen:

At the request of the Commissioner of Planning and Development, I transmit herewith ordinances authorizing the sale of city-owned property.

Your favorable consideration of these ordinances will be appreciated.

Very truly yours,

Rahm Emanuel

Mayor

ORDINANCE

WHEREAS, the City of Chicago ("City") is a home rule unit of government by virtue of the provisions of Article VII, Section 6(a) of the Constitution of the State of Illinois of 1970 and as such may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the City Council of the City ("City Council") by ordinance adopted May 20, 1992 and published in the Journal of the Proceedings of the City Council of the City ("Journal") for such date at pages 16333 – 16335, established the Chicago Abandoned Properties Program ("CAP Program"), pursuant to which the City has acquired numerous abandoned properties either through statutory abandonment proceedings, or through the foreclosure of municipal liens, and conveyed such abandoned properties to developers for rehabilitation, and worked with such developers to successfully rehabilitate such abandoned properties; and

WHEREAS, the City Council, by ordinance adopted February 6, 2008 and published in the Journal for such date at pages 20654 – 20657, renamed the CAP Program as the "Preserving Communities Together Program" (the "PCT Program") and expanded the acquisition authority for such program; and

WHEREAS, there are a substantial number of abandoned, deteriorated and dangerous buildings in the City which threaten the health, safety, economic stability and general welfare of the citizens of the City, and which are the subject of certain housing court proceedings; and

WHEREAS, the City has created the PCT Program to help abate the dangers posed by abandoned, deteriorated and dangerous buildings in the City through the acquisition and subsequent conveyance of the buildings to parties who have proposed to rehabilitate them; and

WHEREAS, the City is the owner of the property commonly known as 5341 West Ohio Street, Chicago, Illinois, and legally described on Exhibit A hereto (the "Property"), which is improved with a single family residential building ("Building") in need of substantial repair and is qualified to be included in the PCT Program; and

WHEREAS, MPS Stabilization, LLC, an Illinois limited liability company (the Developer"), has proposed to purchase the Property from the City and rehabilitate the Building for residential housing in accordance with the provisions of the PCT Program; and

WHEREAS, by Resolution No. 14-061-21, adopted by the Plan Commission of the City (the "Plan Commission") on July 17, 2014, the Plan Commission recommended the sale of the Property; and

WHEREAS, public notices advertising the intent of the City's Department of Planning and Development (the "Department") to enter into a negotiated sale with the Developer and requesting alternative proposals appeared in the Chicago Sun-Times on August 20 and 27, and September 3, 2014 and

WHEREAS, no alternative proposals have been received by the deadline indicated in the aforesaid notice; and

WHEREAS, the Department has reviewed the Developer's application and has recommended that the City Council approve the conveyance of the Property to the Developer for the purpose of rehabilitating the Building in accordance with the provisions of the PCT Program; now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The sale of the Property to the Developer for the sum of One Dollar ($1.00), plus holding costs incurred by the City during its period of ownership of the Property, is hereby approved. Due to the current deteriorated condition of the Building and market conditions, the Commissioner of the Department or of any successor department thereto (the "Commissioner") may waive the requirement that the Developer to reimburse the City for holding costs incurred by the City during its period of ownership of the Property. This approval is expressly conditioned upon the City's entering into a redevelopment agreement with the Developer. The redevelopment agreement shall require that the rehabilitated Property be sold to an owner-occupant with a household income, adjusted for family size, at or below eighty percent (80%) of the Chicago Primary Metropolitan Statistical Area median income, as determined by the U.S. Department of Housing and Urban Development; provided, however, the Commissioner shall have the discretion to waive such requirement. The Commissioner is authorized to negotiate and execute a redevelopment agreement with the Developer, and such other documents which may be required or necessary to implement the intent and objectives of the PCT Program, subject to the approval of the Corporation Counsel. The Commissioner is further authorized to consent to the Developer's conveyance of the Property and the Developer's assignment of the redevelopment agreement, provided the proposed grantee and assignee are qualified to do business with the City (including but not limited to anti-scofflaw requirement).

SECTION 2. The Mayor is authorized to execute, and the City Clerk or Deputy City Clerk is authorized to attest, a quitclaim deed conveying the Property to the Developer, or to a land trust of which the Developer is the sole beneficiary, or to a business entity of which the Developer is the sole controlling party, subject to the approval of the Corporation Counsel.

SECTION 3. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the other provisions of this ordinance.

SECTION 4. All ordinances, resolutions, motions or orders inconsistent with this ordinance are hereby repealed to the extent of such conflict

SECTION 5. This ordinance shall take effect upon its passage and approval.

Ladies and Gentlemen:

At the request of the Commissioner of Planning and Development, I transmit herewith ordinances authorizing the sale of city-owned property.

Your favorable consideration of these ordinances will be appreciated.

Very truly yours,

Rahm Emanuel

Mayor

ORDINANCE

WHEREAS, the City of Chicago ("City") is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970, and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the City, through the foreclosure of demolition liens, tax sales and other methods of acquisition, has acquired title to numerous parcels of real property which are of minimal value and costly to clean up and maintain, and because title to such properties was vested in the City, the properties were exempted from real estate taxes, thus depriving the City of revenue; and

WHEREAS, pursuant to an ordinance (the "Original Program Ordinance") adopted by the City Council of the City ("City Council") on March 6, 1981 and published on pages 5584 - 5585 of the Journal of Proceedings of the City Council ("Journal") for such date, the City established a program for the disposition of certain vacant real property owned by the City known as the Adjacent Neighbors Land Acquisition Program; and

WHEREAS, the Original Program Ordinance was amended by ordinances adopted on July 23, 1982 and published in the Journal for such date at pages 11830 - 11833, and on January 7, 1983 and published in the Journal for such date at pages 14803 - 14805 (the Original Program Ordinance and such two amending ordinances, collectively, the "Original ANLAP Ordinances"); and

WHEREAS, pursuant to an ordinance adopted by the City Council on September 14, 1994 and published in the Journal for such date at pages 56195 - 56198, the City Council repealed the Original ANLAP Ordinances, and established a new program, also known as the Adjacent Neighbors Land Acquisition Program, for the disposition of certain vacant real property owned by the City, which ordinance was subsequently amended by ordinances adopted on September 4, 2002 and published in the Journal for such date at pages 92771 - 92773, and on July 28, 2010 and published in the Journal for such date at pages 97370 - 97374, and on June 25, 2014 and published in the Journal for such date at pages 83533 - 83535 (such new program, as amended, the "ANLAP Program"); and

WHEREAS, pursuant to the ANLAP Program, as codified at Municipal Code Chapter 2-159-010 et seq. (the "ANLAP Program Ordinance"), a qualified City-owned parcel may be sold if it has an appraised value of not more than Fifty Thousand Dollars ($50,000.00); and

WHEREAS, pursuant to the ANLAP Program, if the property appraises at or for less than Ten Thousand Dollars ($10,000.00) the minimum acceptable bid must be at least One Thousand Dollars ($1,000.00); if the property appraises at or for less than Twenty Thousand Dollars ($20,000.00) but more than Ten Thousand Dollars ($10,000.00) the minimum acceptable bid must be at least Two Thousand Dollars ($2,000.00); and if the property appraises for more than Twenty Thousand Dollars ($20,000.00) the minimum acceptable bid must be Two Thousand Dollars ($2,000.00), plus fifty percent (50%) of the appraised value which exceeds Twenty Thousand Dollars ($20,000.00); and

WHEREAS, pursuant to the ANLAP Program, an Adjacent Neighbor means a person who owns one parcel, or two or more contiguous parcels, or real property that is immediately

adjacent to a City-owned parcel and at least one of the parcels is an improved parcel which the person occupies as his primary residence; and

WHEREAS, pursuant to the ANLAP Program, any deed conveying a parcel pursuant thereto shall contain covenants which: (1) prohibit the grantee from conveying, assigning or otherwise transferring the parcel except in conjunction with the sale of the adjacent neighbor's parcel on which his primary residence is located; and (2) require that the parcel be improved with landscaped open space within six (6) months of the conveyance of such parcel and prohibit the construction of any permanent improvements on the parcel, excluding only improvements made by the grantee on the parcel that constitute an integrated addition to the grantee's primary residence on the adjacent lot, or a garage appurtenant thereto; and (3) require the grantee to maintain the parcel in accordance with the provisions of the Municipal Code of Chicago. The covenants shall terminate ten (10) years after the date of the conveyance of the parcel to the grantee; and

WHEREAS, the Department of Planning and Development ("DPD") of the City desires to convey the vacant parcel of real property identified on Exhibit A to this ordinance (the "ANLAP Parcel") to Albin F. Link (the "Purchaser"), who has a principal residence of 5430 South Carpenter Street, Chicago, Illinois 60609; and

WHEREAS, DPD has caused notice of the proposed sale of the ANLAP Parcel to be sent to all eligible adjacent neighbors (if any); and

WHEREAS, Purchaser's proposal was the only proposal received by the deadline indicated in the aforesaid notice; and

WHEREAS, pursuant to Resolution Number 14-062-21 adopted on July 17, 2014, by the Plan Commission of the City of Chicago ("Commission"), the Commission approved the sale of the Property to the Purchaser; now, therefore

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

ORDINANCE

WHEREAS, the City of Chicago ("City") is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970, and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the City is the owner of the vacant parcels of property located at 6201-09, 6215-17, 6219 and 6223 South Ellis Avenue, Chicago, Illinois, which are legally described on Exhibit A attached hereto ("Properties"), and which Properties are located in the Woodlawn Redevelopment Project Area ("Area") established pursuant to ordinances adopted by the City Council of the City ("City Council") on January 20, 1999, published in the Journal of Proceedings of the City Council ("Journal") for such date at pages 87763 through 87861; and

WHEREAS, the City, acting through its Department of Planning and Development ("DPD"), has proposed to sell the Properties through a sealed bid auction pursuant to Chapter 2-158 of the Municipal Code of the City of Chicago; and

WHEREAS, pursuant to Resolution No. 14-065-21 adopted on July 17, 2014, by the Plan Commission of the City of Chicago (the "Commission"), the Commission approved the sale of the Properties; and

WHEREAS, the Commissioner of DPD caused to be published notice advertising the City's intent to sell the Properties through a sealed bid auction and such advertisements appeared in the *Chicago Sun-Times*, a newspaper of general circulation, on June 23, June 30 and July7, 2014; and

WHEREAS, the bid received in response to aforesaid the public notice was opened in a public meeting before a certified court reporter and DPD received only one conforming sealed bid from 6201 S. Ellis, LLC, in the amount of $172,001.00.00; and

WHEREAS, DPD opened the sealed bid at a public meeting before a Certified Court Reporter and has recommended that the sealed bid of 6201 S. Ellis, LLC., be accepted by the City Council; now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The City Council hereby accepts the bid of 6201 S. Ellis, LLC., 1416 Techny Road, Northbrook, Illinois 60062, ("Grantee"), and approves the sale of the Properties to the Grantee in the amount of One Hundred Seventy-Two Thousand One and No/100 Dollars ($172,001.00).

SECTION 2. The Mayor or his proxy is authorized to execute, and the City Clerk or Deputy City Clerk is authorized to attest, a quitclaim deed conveying the Properties to the Grantee, or to a land trust of which the Grantee is the sole beneficiary, or to a business entity of which the Grantee is the sole controlling party. Such deed shall include a covenant obligating the Grantee to use the Properties only for a use consistent with the land uses permitted under the redevelopment plan for the Area. Grantee's acceptance of the City's deed shall constitute Grantee's agreement to such covenant. Grantee's acceptance of such quitclaim deed shall be deemed to be Grantee's agreement to comply with such redevelopment obligations.

SECTION 3. DPD is authorized to deliver the deed to the Grantee upon receipt of the balance of the purchase price in accordance with its standard procedures. In the event that the closing has not occurred within three months from the passage of this ordinance through no fault of the City, DPD may cancel the sale upon written notice to the Grantee, retain the Grantee's deposit check as liquidated damages, and again offer the Properties for sale.

3.01 Scope of Services

The Services which the Contractor shall provide include, but are not limited to, those described in this Article 3 and in Exhibit 1 which is attached hereto and incorporated by reference as if fully set forth here. The SSAC reserves the right to require the Contractor to perform revised services that are within the general scope of services of this Agreement and of the Special Services identified in the Establishment Ordinance subject to the same terms and conditions herein. Revised services are limited to changes or revisions to the line items in the Budget, do not affect the maximum compensation and require the prior written approval of the SSAC. If the SSAC determines that the Contractor has failed to comply with the foregoing standards, the Contractor shall perform again, at its own expense, all Services required to be reperformed as a direct or indirect result of such failure. This provision in no way limits the City's rights against Contractor, either under this Agreement, at law or in equity.

3.03 Personnel

A. Key Personnel

If the Contractor subcontracts with a Subcontractor other than a Security Firm, such Subcontractor shall comply with the Contractor insurance provisions attached hereto as Exhibit 3.

The Risk Management Division may waive or reduce any of the insurance requirements set forth herein.

3.06 Indemnification

A. On written notice from the City of Losses the City believes are Losses Arising under this Agreement as defined in this Section 3.06, the Contractor shall defend, indemnify, and hold completely harmless the City Indemnitees from and against such Losses, regardless of whether Contractor challenges the City's belief. The defense, indemnification and hold harmless obligations of the Contractor toward City Indemnitees remain an affirmative obligation of Contractor following the City's notice of Losses the City believes are Losses Arising under this Agreement, unless and until a court of competent jurisdiction finally determines otherwise and all opportunities for appeal have been exhausted or have lapsed.

B. For purposes of this Section 3.06,

"City Indemnitees" means, individually and collectively, the City of Chicago, its officials, agents, employees and SSAC members.

"Losses" means, individually and collectively, all kinds of liabilities, losses, suits, claims, damages, judgments, fines, and demands, including all reasonable costs for investigation,

reasonable attorneys' fees, court costs, and experts' fees, arising by reason of injury or death of any person, damage to property, patent or copyright infringement.

"Arising under this Agreement" means (i) arising out of awarding this Agreement, (ii) arising out of the enforcement of this Agreement, including the enforcement of this indemnification provision; (iii) arising out of or in connection with Contractor's performance or non-performance of this Agreement (including the acts or omission of Contractor, its officers, agents, employees, consultants, subcontractors, licensees, or invitees), any breach by any of them of any warranty made under this Agreement, or any failure by any of them to meet any applicable standard of performance under this Agreement; or (iv) any combination of any of the foregoing.

C. To the extent permissible by law, Contractor waives any limits on Contractor's liability that it would otherwise have by virtue of the Worker's Compensation Act or any other related law or judicial decision (such as *Kotecki v. Cyclops Welding Corporation,* 146 Ill. 2d 155 (1991)). The City, however, does not waive any limitations it may have on its liability under the Worker's Compensation Act or under the Illinois Pension Code.

D. The City has the right, at its option and at its own expense, to participate in the defense of any suit without relieving Contractor of any of its obligations under this indemnity provision. The requirements set forth in this indemnity provision are separate from and not limited by the amount of insurance Contractor is required to obtain under this Agreement or by its bonds pursuant to other provisions in this Agreement. Further, the indemnitees contained in this provision survive the expiration or termination of this Agreement.

3.07 Records and Audits

The Contractor shall deliver or cause to be delivered all documents, data, studies, reports, findings or information to the SSAC promptly in accordance with the time limits prescribed herein and if no time limit is specified, then upon reasonable demand therefore, or upon termination or completion of the Services hereunder.

The Contractor agrees to adopt at its own expense such financial controls, including, without limitation, the employment of a fiscal agent approved by the Commissioner, as determined by the Commissioner in his sole discretion and communicated in writing to the Contractor after the date of execution of this Agreement, to ensure that the Contractor is fulfilling the terms of this Agreement.

The Contractor and any Subcontractors shall furnish the SSAC with semi-annual reports or provide such information as may be requested relative to the performance and cost of the Services. The Contractor shall maintain records showing actual time devoted and costs incurred. The Contractor shall keep books, documents, paper, records and accounts in connection with the Services open to inspection, copying, abstracting, transcription, and an independent audit by City employees or agents or third parties, and shall make these records available to the City and any other interested governmental agency at reasonable times during the performance of its Services.

Contractor must maintain any such records including Deliverables not delivered to the City or demanded by the City for a period that is the longer of (A) 5 years after the final payment made in connection with this Agreement (or, 6 years after the final payment made in connection with this Agreement, with respect to any records that are required to be maintained pursuant to the Contractor's obligations under the regulations implementing the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and the Health Information Technology for Economic and Clinical Health Act (HITECH), which was part of the American Recovery and Reinvestment Act of 2009, specifically 45 C.F.R. § 164.530(j)), or (B) as directed by the Local Records Act (50 ILCS 205) and relevant records retention schedule. Contractor must not dispose of such records following the expiration of the relevant period without notification of and written approval from the City in accordance with Article 10.

In addition to the records to be stored by Contractor, all records that are possessed by Contractor in its service to the City to perform a governmental function are public records of the City pursuant to the Illinois Freedom of Information Act ("FOIA"), unless the records are exempt under the Act. FOIA requires that the City produce records in a very short period of time. If the Contractor receives a request from the City to produce records, the Contractor shall do so within 72 hours of the notice.

THE CONTRACTOR SHALL NOT COMMINGLE SERVICE TAX FUNDS WITH FUNDS FROM OTHER SOURCES, and to the extent that the Contractor conducts any business operations separate and apart from the Services hereunder using, for example, personnel, equipment, supplies or facilities also used in connection with this Agreement, then the Contractor shall maintain and make similarly available to the City detailed records supporting the Contractor's allocation to this Agreement of the costs and expenses attributable to any such shared usages.

The Contractor shall provide an annual audited financial statement (a "Third Party Audit") to the Department and the SSAC within 120 calendar days after the end of the calendar year, and the system of accounting shall be in accordance with generally accepted accounting principles and practices, consistently applied throughout. Contractor must comply with the requirements in Exhibit 8 with respect to any Third Party Audit. If any Third Party Audit shows that Contractor or any of its Subcontractors has overcharged the City in any period, the City will notify Contractor, and Contractor must then promptly reimburse the City for any amounts the City has paid Contractor due to the overcharges. Any failure to comply with the audit requirements set forth in Exhibit 8 of the Agreement shall constitute an event of default under the Agreement. If such event of default is not corrected to the City's satisfaction within the cure period identified by the City, the City may incur costs to conduct any supplementary audit it deems necessary, and Contractor must then promptly reimburse the City for any such costs. No provision in this Agreement granting the City a right of access to records and documents is intended to impair, limit or affect any right of access to such records and documents that the City would have had in the absence of such provisions.

The City may in its sole discretion audit the records of Contractor or its Subcontractors,

or both, at any time during the term of this Agreement or within five years after the Agreement ends, in connection with the goods, work, or services provided under this Agreement. Each calendar year or partial calendar year is considered an "audited period." If, as a result of such an audit, it is determined that Contractor or any of its Subcontractors has overcharged the City in the audited period, the City will notify Contractor. Contractor must then promptly reimburse the City for any amounts the City has paid Contractor due to the overcharges and also some or all of the cost of the audit, as follows:

A. If the audit has revealed overcharges to the City representing less than 5% of the total value, based on the Agreement prices, of the goods, work, or services provided in the audited period, then the Contractor must reimburse the City for 50% of the cost of the audit and 50% of the cost of each subsequent audit that the City conducts;

B. If, however, the audit has revealed overcharges to the City representing 5% or more of the total value, based on the Agreement prices, of the goods, work, or services provided in the audited period, then Contractor must reimburse the City for the full cost of the audit and of each subsequent audit.

If the City is unable to make a determination regarding overcharges to City as a result of Contractor's not having maintained records as required under this Agreement, Contractor must promptly reimburse the City for some or all of the cost of the audit, as determined in the sole discretion of the City. Failure of Contractor to promptly reimburse the City in accordance with this Section 3.07 is an event of default under Section 7.01 of this Agreement, and Contractor will be liable for all of the City's costs of collection, including any court costs and attorneys' fees.

3.08 Subcontracts and Assignments

The Contractor shall not assign, delegate, subcontract or otherwise transfer all or any part of its rights or obligations under this Agreement or any part hereof, unless otherwise provided for herein or without the express written consent of the SSAC. The absence of such provision or written consent shall void the attempted assignment, delegation or transfer and shall be of no effect as to the Services or this Agreement.

All subcontracts, all approvals of Subcontractors and any assignment to which the SSAC consents are, regardless of their form, deemed conditioned upon performance by the Subcontractor or assignee in accordance with the terms and conditions of this Agreement.

If the Contractor subcontracts for security services, the Subcontractor shall be a Security Firm certified by the State of Illinois and the Security Firm's employees shall be licensed by the State of Illinois. The Contractor, upon entering into any subcontract with a Security Firm, shall furnish the SSAC and the Department with a copy of the subcontract for their approval. The City expressly reserves the right to approve all Security Firm subcontracts.

3.09 License, Permits and Safety Considerations

A. Licenses and Permits

If the Contractor engages in Construction, it is responsible for and, in a timely manner consistent with its obligations hereunder, shall secure and maintain at its expense such permits, licenses, authorizations and approvals as are necessary for it to engage Construction under this Agreement.

B. Safety Considerations

If the Contractor engages in Construction, it shall at all times exercise reasonable care, shall comply with all applicable provisions of federal, state and local laws to prevent accidents or injuries, and shall take all appropriate precautions to avoid damage to and loss of City property and the property of third parties in connection with the Construction. The Contractor shall erect and properly maintain at all times all necessary safeguards, barriers, flags and lights for the protection of its and its Subcontractors' employees, City employees and the public.

If the Contractor engages in Construction, it shall report to the Department any damage on, about, under or adjacent to City property or the property of third persons resulting from its performance under this Agreement. The Contractor is responsible for any damage to City property and the property of third parties due, in whole or in part, to the Contractor's Construction activities under this Agreement, and the Contractor shall repair such damage to a reasonably acceptable standard.

3.10 Performance Bond

If the Contractor engages in Construction work where expenditures exceed $100,000, it shall, not later than the date the Contractor begins such work or executes a subcontract for such work, provide or cause to be provided to the Department a performance and payment bond in the amount allocated for the Construction work (but not including the amount allocated for design and preparation of specifications), by a surety or sureties acceptable to the City. The performance bond shall be in the form and to the effect of Exhibit 6 hereto, which is incorporated by reference as if fully set forth here.

If any of the sureties on such bond at any time fail financially, or are deemed to be insufficient security for the penalty of the bond, then the City may, on giving 10 days notice thereof in writing, require the Contractor to furnish a new and additional bond with sureties satisfactory to the City, and, if so required, Contractor must promptly provide such bond.

ARTICLE 4 TERM OF SERVICES

This Agreement shall take effect as of January 1, 2015 ("Effective Date") and shall continue through December 31, 2015, or until the Agreement is terminated earlier in accordance

with its terms.

ARTICLE 5 COMPENSATION

5.01 Basis of Payment

The maximum compensation that the Contractor may be paid under this Agreement between January 1, 2015 and December 31, 2015 is the sum of (a) $286,510 or the total amount of Service Tax Funds actually collected, plus interest earned on those funds, for tax year 2014, whichever is less; (b) the total amount of Surplus Funds in the amount of $0, which are being carried over from previous program years and which contractor hereby acknowledges are in its possession; and (c) Late Collections in an amount not to exceed $13,368; the maximum compensation that the Contractor may be paid under this Agreement between January 1, 2015 and December 31, 2015, therefore, shall not exceed $299,878.

5.02 Budget for Services

The Contractor in conjunction with the SSAC has prepared a Budget through December 31, 2015, attached hereto as Exhibit 1 and incorporated by reference as if fully set forth here, covering all services described in the Scope of Services. Subject to the restriction that the maximum amount that may be spent in calendar year 2015 may not exceed $299,878, the SSAC reserves the right to transfer funds between line items or make Budget revisions that do not affect the maximum compensation set forth in Section 5.01. The SSAC shall revise the Budget if any part of the Contractor's Services is terminated.

5.03 Method of Payment

Pursuant to a schedule to be determined by the Commissioner, after the performance of Services pursuant to the terms of this Agreement, Contractor may submit invoices to the City to request reimbursement for such expenses. Upon the Commissioner's determination that the invoices are accurate, the City will process payment of the invoices.

The Contractor shall establish a separate checking account ("Account") in a bank authorized to do business in the State of Illinois that is insured by the Federal Deposit Insurance Corporation. All Service Tax Funds that the Comptroller transfers to the Contractor shall be deposited in the Account and disbursements from the Account shall be pursuant to this Agreement. THE CONTRACTOR IS RESPONSIBLE FOR RECONCILING THE ACCOUNT MONTHLY AND ACCOUNTING FOR ALL SERVICE TAX FUNDS. THE CONTRACTOR MUST REQUIRE ITS AUDITOR TO REPORT ON THE ACTIVITIES THAT ARE SUPPORTED BY THESE FUNDS IN A SEPARATE AUDIT TO ACCOUNT FOR CURRENT AND PRIOR YEARS' SERVICE TAX FUNDS.

The Contractor shall provide to the SSAC the signature card and sample check from the bank which shows the signature(s) of the Contractor's authorized representative(s). The SSAC reserves the right to audit the account and require the Contractor to refund any funds that were not spent pursuant to the Budget or that were not approved by the SSAC. The name and address of the bank is _____ and the wire transfer and the Account numbers are _____.

All funds remaining in the Account at the expiration or early termination of this Agreement, including any interest earned, belong to the City for the benefit of the Area and shall be returned to the City to be used only for Special Services.

5.04 Criteria for Payment

The SSAC shall determine the reasonableness, allocability and allowability of any rates, costs and expenses charged or incurred by the Contractor.

5.06 Non-Appropriation

In the event that no funds or insufficient funds are appropriated and budgeted in any City fiscal period for payments to be made under this Agreement, then the City will notify the Contractor of such occurrence and this Agreement shall terminate on the earlier of the last day of the fiscal period for which sufficient appropriation was made or whenever the funds appropriated for payment under this Agreement are exhausted. No payments shall be made or due to the Contractor under this Agreement beyond those amounts appropriated and budgeted by the City to fund payments hereunder.

ARTICLE 6 SPECIAL CONDITIONS

6.01 Warranties and Representations

In connection with the execution of this Agreement, the Contractor warrants and represents:

A. That it is financially solvent; that it and each of its employees, agents, and Subcontractors are competent to perform the Services required; that it is legally authorized to execute and perform or cause to be performed this Agreement under the terms and conditions stated herein.

B. That it shall not knowingly use the services of any ineligible Subcontractor for any

purpose in the performance of the Services.

C. That it and its Subcontractors are not in default at the time of the execution of this Agreement, or deemed by the Department to have, within five years immediately preceding the date of this Agreement, been found to be in default on any contract awarded by the City.

D. That it and, to the best of its knowledge, its Subcontractors are not in violation of the provisions of § 2-92-320 of the Municipal Code of Chicago, 720 ILCS 5/33E-1 et seq. of the Criminal Code of 1961, and 65 ILCS 5/11-42.1-1 of the Illinois Municipal Code.

E. That it, all Subcontractors and their respective officers, directors, agents, partners, and employees shall cooperate with the Inspector General or Board of Ethics in any investigation or hearing undertaken pursuant to Chapters 2-56 or 2-156 of the Municipal Code of Chicago; that it understands and will abide by all provisions of Chapter 2-56 and 2-156 of the Municipal Code of Chicago and all subcontracts shall inform Subcontractors of such provision and require understanding and compliance therewith.

F. That, except only for those representations, statements or promises expressly contained in this Agreement and any exhibits attached hereto, no representation, statement or promise, oral or written, or of any kind whatsoever, by the City, its officials, agents or employees, has induced the Contractor to enter into this Agreement.

G. That the Contractor understands and agrees that any certification, affidavit or acknowledgment made under oath in connection with this Agreement is made under penalty of perjury and, if false, is also cause for termination for default.

H. That neither Contractor nor an Affiliate of Contractor (as defined below) appears on the Specially Designated Nationals List, the Denied Persons List, the unverified List, the Entity List or the Debarred List as maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury or by the Bureau of Industry and Security of the U.S. Department of Commerce (or their successors), or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment. "Affiliate of Contractor" means a person or entity that directly (or indirectly through one or more intermediaries) controls, is controlled by or is under common control with Contractor. A person or entity will be deemed to be controlled by another person or entity if it is controlled in any manner whatsoever that results in control in fact by that other person or entity (either acting individually or acting jointly or in concert with others) whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

I. Contractor will abide by any policies promulgated by the Department or other City departments.

J. Contractor understands and will abide by, and will cause Subcontractors to abide by, the terms of Chapter 2-55 of the Municipal Code of Chicago pertaining to cooperation with

the Office of the Legislative Inspector General. Contractor understands and will abide by the terms of Section 2-154-020 of the Municipal Code of Chicago. Failure by the Contractor or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be a default for which no cure is available and grounds for termination of this Agreement.

6.02 Economic Disclosure Statement and Affidavit

The Contractor has provided the City with an Economic Disclosure Statement (EDS) and Affidavit, "Familial Relationships with Elected City Officials and Department Heads," which is attached hereto as Exhibit 2 and incorporated by reference as if fully set forth herein. Contractor shall apprise the Department promptly of any changes in the information provided in the EDS by completing and submitting a revised EDS.

In addition, the Contractor shall provide the City with copies of its latest articles of incorporation, by-laws and resolutions, or partnership or joint venture agreement, as applicable, and evidence of its authority to do business in the State of Illinois, including without limitation, registrations of assumed names or limited partnerships and certifications of good standing with the Office of the Secretary of State of Illinois.

6.03 Conflict of Interest

Pursuant to Chapter 2-156 of the Municipal Code of Chicago, and 65 ILCS 5/3.1-55-10, no member of the governing body of the City or other unit of government, no other officer, employee, SSAC member, or agent of the City or other unit of government who exercises any functions or responsibilities in connection with the Services to which this Agreement or any related subcontract pertain, and no relative of any SSAC member shall have any personal economic or financial interest, directly or indirectly, in this Agreement or any such subcontract except to the extent that such benefits are provided equally to all residents and/or business owners in the Area. Furthermore, no SSAC member, relative of any SSAC member, City official, agent or employee shall be a Subcontractor or have any financial interest in any Subcontractor, employee or shareholder of the Contractor or receive anything of value from the Contractor.

No member of or delegate to the Congress of the United States or the Illinois General Assembly and no alderman of the City or City employee shall be admitted to any share or part of this Agreement or to any financial benefit to arise from it. The Contractor acknowledges that any agreement entered into, negotiated or performed in violation of any of the provisions of Chapter 2-156 shall be voidable by the City.

The Contractor covenants that it, its officers, directors and employees, and the officers, directors and employees of each of its members if a joint venture, and Subcontractors presently have no financial interest and shall acquire no interest, direct or indirect, in the Services

undertaken by the Contractor pursuant to the Agreement that would conflict in any manner or degree with the performance of the Services. The Contractor further covenants that in the performance of this Agreement no person having any such interest shall be employed. The Contractor agrees that if the Commissioner in his reasonable judgment determines that any of the Contractor's services for others conflict with the Services the Contractor is to provide for the City under this Agreement, the Contractor shall terminate such other services immediately upon request of the City.

6.04 Non-liability of Public Officials

No official, employee or agent of the City shall be charged personally by the Contractor, or by any assignee or Subcontractor of the Contractor, with any liability or expenses of defense or be held personally liable to them under any term or provision hereof, because of the City's execution or attempted execution hereof, or because of any breach hereof.

6.05 Independent Contractor

(a) The Contractor shall perform under this Agreement as an independent contractor to the City and not as a representative, employee, agent or partner of the City.

(b) (i) The City is subject to June 24, 2011 the "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United State District Court for the Northern District of Illinois). Among other things, the City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Contractor is aware that City policy prohibits City employees from directing any individual to apply for a position with Contractor, either as an employee or as a subcontractor, and from directing Contractor to hire an individual as an employee or as a subcontractor. Accordingly, Contractor must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Contractor under this Agreement are employees or subcontractors of Contractor, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Contractor.

(iii) Contractor will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For

purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to Contractor by a City employee or City official in violation of Section (ii) above, or advocating a violation of Section (iii) above, Contractor will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General, and also to the head of the relevant City Department utilizing services provided under this Agreement. Contractor will also cooperate with any inquiries by OIG Hiring Oversight related to the contract.

(c) The parties agree that this Contract is solely for the benefit of the parties and nothing herein is intended to create any third party beneficiary rights for subcontractors or other third parties.

6.06 Business Relationships with Elected Officials

Pursuant to MCC Sect. 2-156-030(b), it is illegal for any elected official, or any person acting at the direction of such official, to contact either orally or in writing any other City official or employee with respect to any matter involving any person with whom the elected official has any business relationship that creates a financial interest on the part of the official, or the domestic partner or spouse of the official, or from whom or which he has derived any income or compensation during the preceding twelve months or from whom or which he reasonably expects to derive any income or compensation in the following twelve months. In addition, no elected official may participate in any discussion in any City Council committee hearing or in any City Council meeting or vote on any matter involving the person with whom the elected official has any business relationship that creates a financial interest on the part of the official, or the domestic partner or spouse of the official, or from whom or which he has derived any income or compensation during the preceding twelve months or from whom or which he reasonably expects to derive any income or compensation in the following twelve months.

Violation of MCC Sect. 2-156-030 by any elected official with respect to this contract will be grounds for termination of this contract. The term financial interest is defined as set forth in MCC Chapter 2-156.

6.07 Chicago "Living Wage" Ordinance

(a) Section 2-92-610 of the Municipal Code of Chicago provides for a living wage for certain categories of workers employed in the performance of City contracts, specifically non-City employed security guards, parking attendants, day laborers, home and health care workers, cashiers, elevator operators, custodial workers and clerical workers

("**Covered Employees**"). Accordingly, pursuant to Section 2-92-610 and regulations promulgated under it:

(i) If Contractor has 25 or more full-time employees, and

(ii) If at any time during the performance of this Agreement, Contractor and/or any Subcontractor or any other entity that provides any portion of the Services (collectively "**Performing Parties**") uses 25 or more full-time security guards, or any number of other full-time Covered Employees, then

(iii) Contractor must pay its Covered Employees, and must assure that all other Performing Parties pay their Covered Employees, not less than the minimum hourly rate as determined in accordance with this provision (the "**Base Wage**") for all Services performed under this Agreement.

(b) Contractor's obligation to pay, and to assure payment of, the Base Wage will begin at any time during the term of this Agreement when the conditions set forth in (a)(i) and (a)(ii) above are met, and will continue until the end of the term of this Agreement.

(c) As of July 1, 2014, the Base Wage is $11.93 per hour, and each July 1 thereafter, the Base Wage will be adjusted, using the most recent federal poverty guidelines for a family of four as published annually by the U.S. Department of Health and Human Services, to constitute the following: the poverty guidelines for a family of four divided by 2000 hours or the current base wage, whichever is higher. At all times during the term of this Agreement, Contractor and all other Performing Parties must pay the Base Wage (as adjusted in accordance with the above). If the payment of prevailing wages is required for Services done under this Agreement, and the prevailing wages for Covered Employees are higher than the Base Wage, then Contractor and all other Performing Parties must pay the prevailing wage rates.

(d) Contractor must include provisions in all subcontracts requiring its Subcontractors to pay the Base Wage to Covered Employees. Contractor agrees to provide the City with documentation acceptable to the Chief Procurement Officer demonstrating that all Covered Employees, whether employed by Contractor or by a Subcontractor, have been paid the Base Wage, upon the City's request for such documentation. The City may independently audit Contractor and/or Subcontractors to verify compliance with this section. Failure to comply with the requirements of this section will be an event of default under this Agreement, and further, failure to comply may result in ineligibility for any award of a City contract or subcontract for up to 3 years.

(e) Not-for-Profit Corporations: If Contractor is a corporation having federal tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and is recognized under Illinois not-for-profit law, then the provisions of Sections (a) through (d) above do not apply.

6.08 Deemed Inclusion

Provisions required by law, ordinances, rules, regulations or executive orders to be inserted in this Agreement are deemed inserted in this Agreement whether or not they appear in this Agreement or, upon application by either party, this Agreement will be amended to make the insertion; however, in no event will the failure to insert the provisions before or after this Agreement is signed prevent its enforcement.

6.09 Environmental Warranties and Representations

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Contractor warrants and represents that it, and to the best of its knowledge, its subcontractors have not violated and are not in violation of the following sections of the Code (collectively, the Waste Sections):

7-28-390 Dumping on public way;
7-28-440 Dumping on real estate without permit;
11-4-1410 Disposal in waters prohibited;
11-4-1420 Ballast tank, bilge tank or other discharge;
11-4-1450 Gas manufacturing residue;
11-4-1500 Treatment and disposal of solid or liquid waste;
11-4-1530 Compliance with rules and regulations required;
11-4-1550 Operational requirements; and
11-4-1560 Screening requirements.

During the period while this Agreement is executory, Contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Commissioner. Such breach and default entitles the City to all remedies under the Agreement, at law or in equity.

This section does not limit Contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement.

Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect Contractor's eligibility for future contract awards.

6.10 EDS / Certification Regarding Suspension and Debarment

Contractor certifies, as further evidenced in the EDS attached as Exhibit 2, by its acceptance of this Agreement that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this

transaction by any federal department or agency. Contractor further agrees by executing this Agreement that it will include this clause without modification in all lower tier transactions, solicitations, proposals, contracts and subcontracts. If Contractor or any lower tier participant is unable to certify to this statement, it must attach an explanation to the Agreement.

6.11 Ethics

(a) In addition to other warranties and representations, Contractor warrants:

(i) no officer, agent or employee of the City is employed by Contractor or has a financial interest directly or indirectly in this Agreement or the compensation to be paid under this Agreement except as may be permitted in writing by the Board of Ethics established under Chapter 2-156 of the Municipal Code .

(ii) no payment, gratuity or offer of employment will be made in connection with this Agreement by or on behalf of any Subcontractors to Contractor or higher tier Subcontractors or anyone associated with them, as an inducement for the award of a subcontract or order.

(b) Contractor must comply with Chapter 2-156 of the Municipal Code. Contractor acknowledges that any Agreement entered into, negotiated or performed in violation of any of the provisions of Chapter 2-156, including any contract entered into with any person who has retained or employed a non-registered lobbyist in violation of Section 2-156-305 of the Municipal Code is voidable as to the City.

6.12 MacBride Ordinance

The City of Chicago through the passage of the MacBride Principles Ordinance seeks to promote fair and equal employment opportunities and labor practices for religious minorities in Northern Ireland and provide a better working environment for all citizens in Northern Ireland.

In accordance with Section 2-92-580 of the Municipal Code of the City of Chicago, if Contractor conducts any business operations in Northern Ireland, the Contractor must make all reasonable and good faith efforts to conduct any business operations in Northern Ireland in accordance with the MacBride Principles for Northern Ireland as defined in Illinois Public Act 85-1390 (1988 Ill. Laws 3220).

The provisions of this Section 6.12 do not apply to contracts for which the City receives funds administered by the United States Department of Transportation, except to the extent Congress has directed that the Department of Transportation not withhold funds from states and localities that choose to implement selective purchasing policies based on agreement to comply with the MacBride Principles for Northern Ireland, or to the extent that such funds are not otherwise withheld by the Department of Transportation.

6.13 Duty to Report Corrupt or Unlawful Activity

Pursuant to §2-156-018 of the Municipal Code, it is the duty of the Contractor to report to the Inspector General, directly and without undue delay, any and all information concerning conduct which it knows to involve corrupt activity. "Corrupt Activity" means any conduct set forth in Subparagraph (a)(1), (2) or (3) of §1-23-020 of the Municipal Code. Knowing failure to make such a report will be an event of default under this Agreement. Reports may be made to the Inspector General's toll free hotline, 866-IG-TIPLINE (866-448-4754).

ARTICLE 7 EVENTS OF DEFAULT, REMEDIES, TERMINATION, RIGHT TO OFFSET, SUSPENSION

7.01 Events of Default Defined

The following constitute events of default:

A. Any material misrepresentation, whether negligent or willful and whether in the inducement or in the performance, made by Contractor to the City.

B. Contractor's material failure to perform any of its obligations under the Agreement including, but not limited to, the following:

(1) failure to commence or ensure timely completion of the Services due to a reason or circumstance within Contractor's reasonable control;

(2) failure to perform the Services in a manner satisfactory to the City;

(3) failure to promptly re-perform within a reasonable time Services that were rejected as erroneous or unsatisfactory;

(4) discontinuance of the Services for reasons within the Contractor's reasonable control;

(5) failure to comply with a material term of this Agreement, including but not limited to the provisions concerning insurance and nondiscrimination; and

(6) any other acts specifically and expressly stated in this Agreement as constituting an event of default.

C. The Contractor's default under any other agreement it may presently have or may enter into with the City during the life of this Agreement. The Contractor acknowledges and agrees that in the event of a default under this Agreement the City may also declare a default under any such other agreements.

7.02 Remedies

The occurrence of any event of default which the Contractor fails to cure within 14 calendar days after receipt of notice specifying such default or which, if such event of default cannot reasonably be cured within 14 calendar days after notice, the Contractor fails, in the sole opinion of the Commissioner, to commence and continue diligent efforts to cure, permits the City to declare the Contractor in default. Whether to declare the Contractor in default is within the sole discretion of the Commissioner. Written notification of the default, and any intention of the City to terminate the Agreement, shall be provided to Contractor and such decision is final and effective upon Contractor's receipt of such notice. Upon receipt of such notice, the Contractor must discontinue any services, unless otherwise directed in the notice, and deliver all materials accumulated in the performance of this Agreement, whether completed or in the process of completion, to the City. At such time the City may invoke any legal or equitable remedy available to it including, but not limited to, the following:

A. The right to take over and complete the Services or any part thereof as agent for and at the cost of the Contractor, either directly or through others. The Contractor shall have, in such event, the right to offset from such cost the amount it would have cost the City under the terms and conditions herein had the Contractor completed the Services.

B. The right to terminate this Agreement as to any or all of the Services yet to be performed, effective at a time specified by the City.

C. The right of specific performance, an injunction or any other appropriate equitable remedy.

D. The right to money damages.

E. The right to withhold all or any part of Contractor's compensation hereunder.

F. The right to deem Contractor non-responsible in future contracts to be awarded by the City.

If the City considers it to be in its best interest, it may elect not to declare default or to terminate this Agreement. The parties acknowledge that this provision is solely for the benefit of the City and that if the City permits the Contractor to continue to provide the Services despite one or more events of default, the Contractor is in no way relieved of any of its responsibilities, duties or obligations under this Agreement nor does the City waive or relinquish any of its rights. No delay or omission to exercise any right accruing upon any event of default impairs any such right nor shall it be construed as a waiver of any event of default or acquiescence therein, and every such right may be exercised from time to time and as often as may be deemed expedient.

7.03 Right to Offset

The City reserves its rights under § 2-92-380 of the Municipal Code of Chicago and the Commissioner shall consult with the SSAC before exercising such rights.

7.04 Suspension

The City may at any time request that the Contractor suspend its Services, or any part thereof, by giving 15 days prior written notice to the Contractor or upon no notice in the event of emergency. No costs incurred after the effective date of such suspension shall be allowed. The Contractor shall promptly resume its performance upon written notice by the Department. The Budget may be revised pursuant to Section 5.02 to account for any additional costs or expenses actually incurred by the Contractor as a result of recommencing the Services.

7.05 No Damages for Delay

The Contractor agrees that it, its members, if a partnership or joint venture and its Subcontractors shall make no claims against the City for damages, charges, additional costs or hourly fees for costs incurred by reason of delays or hindrances by the City in the performance of its obligations under this Agreement.

7.06 Early Termination

In addition to termination for default, the City may, at any time, elect to terminate this Agreement or any portion of the Services to be performed under it at the sole discretion of the Commissioner by a written notice to the Contractor. If the City elects to terminate the Agreement in full, all Services shall cease and all materials accumulated in performing this Agreement, whether completed or in the process of completion, shall be delivered to the Department within 10 days after receipt of the notice or by the date stated in the notice.

During the final ten days or other time period stated in the notice, the Contractor shall restrict its activities, and those of its Subcontractors, to winding down any reports, analyses, or other activities previously begun. No costs incurred after the effective date of the termination are allowed. Payment for any Services actually and satisfactorily performed before the effective date of the termination shall be on the same basis as set forth in Article 5 hereof, but if any compensation is described or provided for on the basis of a period longer than ten days, then the compensation shall be prorated accordingly.

If a court of competent jurisdiction determines that the City's election to terminate this Agreement for default has been wrongful, then such termination shall be deemed to be an early termination.

COOK COUNTY

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day and Veterans Day in some classifications/counties. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration. If in doubt, please check with IDOL.

TRUCK DRIVERS (WEST) - That part of the county West of Barrington Road.

RIDER TO CONTRACTOR'S PERFORMANCE AND PAYMENT BOND

This Rider supplements Contractor's Performance and Payment Bond ("Bond") on that certain contract with the City of Chicago ("City") bearing Contract No._____ and Specification No._____ ("Contract"). Surety acknowledges that the Contract requires Contractor to obtain from each of its subcontractors consent to a collateral assignment of their contracts with Contractor to the City. The Contract further grants the City the right, upon Contractor's default for failure to comply with Chapter 4-36 of the Municipal Code of the City, and at the City's sole option, to take over and complete the work to be performed by Contractor through the City's assumption of some or all of Contractor's subcontracts. If the City, in its sole discretion, exercises this right, then Surety waives any rights it may have to cure Contractor's default by performing the work itself or through others and remains bound by its other obligations under the Bond.

Special Service Area - Additional Audit Requirements

Accounting System

The Department requires that the Contractor maintain its accounting system in a manner which allows the Contractor's expenditures to be categorized in its statement of activities according to the categories listed in the budget approved by the City for each Area.

Guidance for the Contractor's Selection of a CPA Firm (Independent Auditor)

The Contractor must use the following guidelines for engaging a qualified CPA Firm:

1. Issue a Request for Proposal ("RFP") that sets forth all of the terms and conditions of the engagement, evaluation criteria, and scope of the work required. Audit firm evaluations can replace an annual RFP process; an RFP process every three years is preferred.
2. Distribute and publicize the RFP sufficiently to ensure full and open competition.
3. Request in the RFP that bidders provide detail on:
    a. How the CPA Firm will conduct the audit.
    b. Qualifications of the CPA Firm, management, and staff, including experience in auditing like entities.
    c. Policies on notification of changes in key personnel.
    d. Whether the proposed staff has received continuing professional education that is relevant to the performance of this engagement during the previous 2 years,
    e. Whether the CPA Firm has received a positive peer review within the last 3 years.
    f. Whether the CPA Firm is independent, as defined by applicable auditing standards.
    g. Whether the CPA Firm has been the object of any disciplinary action during the past 3 years.
    h. Confirmation the CPA Firm and key personnel assigned to this engagement maintains an active license in the State of Illinois and attached a copy of a current license with the RFP response or annually.
    i. Confirmation the CPA Firm is not on the City's debarred vendor list.
    j. The audit fee.

4. Evaluate the proposals based on:
    a. The CPA Firm's understanding of the audit requirements, including the needs of the Area and the final products to be delivered.
    b. Soundness of technical approach to the audit, including the meeting of the Contractor's specific deadlines and other requirements.
    c. Qualifications of the CPA Firm.
    d. Qualifications of the audit team.
    e. The information provided by respondents in response to the RFP, including cost

and independence.

5. Rate the proposals as follows:
   a. Proposals should be evaluated as submitted.
   b. Make a list of strengths and weaknesses for each to support its technical rating.
   c. Review the proposed fees offered by the bidders after completion of the technical evaluation.
   d. Ask questions of the bidders to eliminate any ambiguities.
   e. Select a proposal that is most advantageous to the Area based on the evaluation criteria set forth in the RFP.

6. Once a CPA Firm is chosen based upon the foregoing criteria, require a written engagement letter to avoid misunderstandings that specifies:
   a. Audit scope, objectives, and purposes.
   b. Deadlines for the work to be performed.
   c. Audit fees.
   d. Report format, including providing a PDF digital version of the final audit.
   e. Type and timing of support to be provided to the CPA Firm by the Special Service Area Commission ("SSAC").
   f. Professional auditing standards to be followed in performing the audit.
   g. Independence of the CPA Firm to the SSAC.
   h. Terms of making changes to the scope of the agreement.
   i. CPA Firm's ownership of the work papers, retention period, and requirement for availability to the City upon request.

Summary Schedule of Findings.

In order to properly conduct the certified audit of the books and records of the Contractor, it is necessary for the CPA Firm to read and understand the requirements contained in the Agreement. Particular attention should be given to Sections 3 and 5 of the Agreement.

The CPA Firm must test the Contractor's compliance with the requirements contained in the Agreement. Should the CPA Firm find exception to the requirements of the Agreement, it must disclose all exceptions in a separate schedule, which shall be entitled "Summary Schedule of Findings". Each finding shall be listed separately. The schedule shall be incorporated with the other required financial statements.

If the CPA Firm finds no exceptions to the Agreement requirements, it shall still include a "Summary Schedule of Findings". On that schedule the CPA Firm shall make an affirmative statement indicating it has read the Agreement and, after conducting the audit, has determined that no exceptions were noted.

Subsections to note in Section 5 include:
   a. *Section 5.01, Basis of Payment*, describes "carry over" as the amount of Service

Tax Funds collected for prior tax years which remain previously unspent.

b. *Section 5.02, Budget for Services*, restricts the maximum amount that may be spent in a calendar year to the amount stated in the Agreement.

c. *Section 5.03, Method of Payment*, states that the Contractor shall establish a separate checking account and that Area funds shall not be commingled with other sources.

Audit of Financial Statements

As discussed in Section 3.07, "Records and Audits", the Contractor shall provide an annual audited financial statement to the Department and SSAC within 120 calendar days after the end of the calendar year and the system of accounting shall be in accordance with generally accepted accounting principles and practices, consistently applied throughout.

Audit Documents

The City requires an audit conducted in accordance with generally accepted accounting principles to include the following documents:

1. Statement of Financial Position.
2. Statement of Activities: Budget and Actual (period being audited compared to the previous year, e.g. columns should be 2015 Budget, 2015 Actual, Variance, 2014 Budget, 2014 Actual, Variance).
3. Statement of Cash Flows.
4. Notes to the Financial Statements.
5. Summary Schedule of Findings that also includes the management response to any audit findings and any subsequent CPA Firm and/or City's and/or management responses until the CPA Firm and/or the City consider the findings sufficiently remedied.

Expense descriptions included in the Statement of Activities must correspond to the expense descriptions in the budget submitted to the City.

CPA Firm License

The CPA Firm shall attach as an exhibit to the audit the firm's active license and key personnel to this engagement in the State of Illinois.

Audit Presentations

The CPA Firm shall attend at least one (1) SSAC meeting and be available for other meetings as requested by the City to present the draft and/or final audit and respond to questions.

Debarment

Upon issuance of the final audit, the CPA Firm shall confirm it is not on the City's debarred vendor list.

CITY OF CHICAGO

MULTI- PROJECT LABOR AGREEMENT

This Model Multi-Project Labor Agreement ("Agreement") is entered into by and between City of Chicago, an Illinois municipal corporation, as Owner, on behalf of itself and each of its contractors, subcontractors of whatsoever tier performing construction work on any project to which this Agreement shall be applicable, and each of the undersigned labor organizations signatory hereto.

Whereas, Owner is responsible for construction, demolition, rehabilitation, maintenance, and/or renovation of real property located in Chicago, Illinois; Due to the size, scope, cost and duration of the multitude of Projects traditionally performed by the City of Chicago, the parties to this Agreement have determined that it is in their interest to have these Projects completed in the most timely, productive, economical and orderly manner possible, and without labor disruptions of any kind that might interfere with, or delay, any of these Projects;

Whereas, the parties have determined that it is desirable to eliminate the potential for friction and disruption of these Projects by using their best efforts and ensuring that all work is performed by the trade unions that are signatory hereto and which have traditionally performed and have trade and geographic jurisdiction over such work. Experience has proven the value of such cooperation, and that such mutual undertakings should be maintained, and if possible, strengthened, and that the ultimate beneficiaries remain the Owner of the project; and,

Whereas, the Owner acknowledges that it has a serious and ongoing concern regarding labor relations associated with the Projects and through its completion irrespective of the existence of a collective bargaining relationship with any of the signatory labor organizations.

NOW THEREFORE, in order to further these goals and objectives and to maintain the spirit of harmony, labor-management cooperation and stability, the parties agree as follows:

1. During the term of this Agreement, Owner its representatives and agents shall not contract or subcontract, nor permit any other person, firm, company, or entity to contract or subcontract, any construction, demolition, rehabilitation or renovation work for the Project work covered under this Agreement or within the trade jurisdiction of the signatory labor organization, to be performed at the Site of construction or off-site solely for installation at the Site (including all tenant improvements, if applicable), unless such work is performed only by a person, firm or company signatory, or willing to become signatory, to the applicable area-wide collective bargaining agreement(s) with the union(s) or the appropriate trade/craft union(s) or subordinate body or affiliate of the Chicago & Cook County Building & Construction Trades Council ("Council") or the Teamsters' Joint Council No. 25. Copies of all such current collective bargaining agreements constitute Appendix "A" of this Agreement, attached hereto and made an integral part hereof, and as may be modified from time to time during the term of this Agreement. Said provisions of this Agreement shall be included in all Requests for Bids and/or Proposals and shall be explicitly included in all contracts or subcontracts of whatsoever tier by all contractors and subcontractors; provided that the total Project value exceeds $25,000.00. In no event shall contracts be "split" so as to avoid the applicability of this Agreement. In the event a dispute arises with respect to the applicability of this Multi-Project Labor Agreement to a particular project, the parties agree to submit said dispute to final and binding arbitration before a Permanent Umpire who shall be mutually agreed to by the parties.

2. With respect to a contractor or subcontractor who is the successful bidder, but is not signatory to the applicable collective bargaining agreement, the collective bargaining agreement(s) executed by said bidder shall be the relevant area-wide agreement(s) regulating or governing wages, hours and other terms and conditions of employment.

3. During the term of this Agreement, the Owner or any Project contractor and sub-contractor shall engage in no lockout.

4. During the term of this Agreement, no labor organization signatory hereto, or any of its members, officers, stewards, agents, representatives, or employees shall instigate, authorize, support, sanction, maintain, or participate in any strike, walkout, work stoppage, work slowdown, work curtailment, cessation or interruption of production, or in any picketing of any Site covered under this Agreement for any reason whatsoever, including but not limited to the expiration of any of the collective bargaining agreements referred to on Appendix A. In the event of an economic strike or other job action upon the termination of an existing collective bargaining agreement, in no event shall any adverse job action be directed against any covered Project.
