(ATTACHED)

GROUND LEASE AGREEMENT

THIS GROUND LEASE AGREEMENT (this "**Lease**") is made and entered into as of the [_____] day of [_____], 2014 (the "**Effective Date**") by and between the City of Chicago, an Illinois municipal corporation, as landlord ("**Landlord**" or "**City**"), acting by and through its Department of Planning and Development ("**DPD**"), and Quad Communities Arts Recreation and Health Center LLC, an Illinois limited liability company, as tenant ("**Tenant**").

RECITALS:

A. Landlord is the owner of certain parcels of land located in the City of Chicago, Illinois, more particularly described in **Exhibit A** attached hereto (the "**Land**"). The Land is comprised of approximately [___] acres, and is generally located at the southwest corner of East 35th Street and South Cottage Grove Avenue adjacent to Doolittle Elementary School and Ellis Park.

B. Landlord acquired the Land on or about the date hereof from the Chicago Park District (the "**Park District**") and the Board of Education of the City of Chicago (the "**Board**") in order to facilitate the financing, development and operation of a new multi-use community recreation center for the benefit of the general public (the "**Project**").

C. Tenant is a new entity created by the Park District and The Community Builders, Inc. ("**TCB**") for the purpose of securing New Markets Tax Credit ("**NMTC**") financing for the Project. The Park District and TCB hold 90% and 10% membership interests, respectively, in Tenant.

D. Pursuant to a separate redevelopment agreement to be entered into between Landlord, TCB and Tenant (as such agreement may be amended, supplemented or restated from time to time, the "**TIF RDA**"), DPD intends to grant to TCB $[4,300,000] (the "**TIF Funds**") to be used exclusively in connection with the financing and construction of the Project.

E. Landlord has agreed to lease the Land to Tenant for $1.00 in consideration of the obligations of Tenant to construct and operate the Project in accordance with the terms and conditions of this Lease and the TIF RDA.

F. Upon completion of the Project, Tenant will sublease the Land and Improvements (as hereinafter defined) to the Park District for operation in accordance with the terms of a sublease agreement.

G. The City Council, pursuant to an ordinance adopted on October [___], 2014, and published at pages [_____] through [_____] in the Journal of such date (the "**Project Ordinance**"), authorized the execution of this Lease.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

SECTION 5.
Construction of Tenant's Improvements; Alterations.

5.01 Environmental Release and Indemnification.

(A) For purposes of this Section 5.01, "**Hazardous Material**" shall mean, without limitation, any flammable explosives, radioactive materials, hazardous materials, hazardous wastes, hazardous or toxic substances, or related materials defined in the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended (including the Superfund Amendments and Reauthorization Act of 1986, "**CERCLA**") (42 U.S.C. (B) Tenant acknowledges that it has had adequate opportunity to inspect and evaluate the structural, physical and environmental condition and risks of the Premises and accepts the risk that any inspection may not disclose all material matters affecting the Premises. Tenant agrees to accept the Premises in its "as is," "where is" and "with all faults" condition on the Commencement Date without any covenant, representation or warranty, express or implied, of any kind, as to the structural, physical or environmental condition of the Premises or the suitability of the Premises for any purpose whatsoever. Tenant acknowledges that it is relying solely upon its own inspection and other due diligence activities and not upon any information (including, without limitation, environmental studies or reports of any kind) provided by or on behalf of the Landlord or its agents or employees with respect thereto. Tenant agrees that it is Tenant's sole responsibility and obligation to perform any environmental remediation work and take such other action as is necessary to put the Premises in a condition which is suitable for its intended use.

(C) Tenant shall not cause any Hazardous Material to be generated, stored, buried or deposited over, beneath, in or on (or used in the construction of) the Improvements, other than in accordance with applicable Laws.

(D) Tenant, on behalf of itself, and any person or entity directly or indirectly controlling, controlled by or under common control with Tenant (collectively, "**Affiliates**") and the respective officers, directors, employees, agents, successors and assigns of Tenant and its Affiliates (collectively, the "**Tenant Parties**"), hereby release, relinquish and forever discharge Landlord, and its officers, employees and agents (collectively, the "**Landlord Parties**") from and against any and all liabilities, claims, suits, fines, penalties, damages, losses, charges, costs, expenses and fees (including attorney's fees) (collectively, "**Liabilities**") which the Tenant Parties ever had, now have, or hereafter may have, whether grounded in tort or contract or otherwise, in any and all courts or other forums, of whatever kind or nature, whether known or unknown, arising out of or in any way connected with, directly or indirectly (a) any environmental contamination, pollution or hazards associated with the Premises or any improvements, facilities or operations located or formerly located thereon, including, without limitation, any release, emission, discharge, generation, transportation, treatment, storage or disposal of Hazardous Material, or threatened release, emission or discharge of Hazardous Material; (b) the structural, physical or environmental condition of the Premises, including, without limitation, the presence or suspected presence of Hazardous Material in, on, under or about the Premises or the migration of Hazardous Material from or to other property; (c) any violation of, compliance with, enforcement of or liability under any environmental laws, including, without limitation, any Liabilities arising under CERCLA, and (d) any investigation, cleanup, monitoring, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision or other third party in connection or associated with the Premises or any improvements, facilities or operations located or formerly located thereon (collectively, "**Environmental Claims**"). Furthermore, the Tenant Parties shall defend, indemnify, and hold the Landlord Parties harmless from and against any and all Liabilities which may be made or asserted by any third parties against the Landlord Parties arising out of or in any way connected with, directly or indirectly, any of the Environmental Claims. Notwithstanding anything to the contrary contained herein, the foregoing indemnity and release shall not include any environmental condition caused by the actions or conduct of Landlord or its agents or contractors after the Commencement Date.

5.02 Improvements. Tenant shall construct and operate a facility and other improvements on the Land in compliance with the TIF RDA, all applicable Laws, and the use restrictions set forth in Section 10. All buildings, structures, improvements, betterments, enhancements, installations and facilities, and all alterations, modifications, additions, restorations and replacements thereof or thereto, including without limitation all roadways, parking lots and parking areas, landscaping and all utilities services facilities and installations, which are, during the Term of this Lease, constructed, erected, installed or otherwise placed on, over or under the Land or any portion thereof shall be collectively referred to herein as the "**Improvements**." Any such construction of the Improvements shall be completed in accordance with applicable Laws (as defined herein) and this Lease. "**Laws**" shall mean and include the following (including, without limitation, any environmental law), as the same may be applicable and in effect from time to time: (i) federal, state and municipal statutes, laws, ordinances, codes, orders and regulations; (ii) all judicial decisions, rulings, regulations, permits, or ordinances of any governmental or quasi-governmental authority; and (iii) any and all

covenants, conditions, and restrictions contained in any deed or other form of conveyance or in any other instrument of any nature in effect as of the Effective Date that relate in any way or are applicable to the Premises or the use, ownership or occupancy thereof.

5.03 Alterations. Tenant, at Tenant's sole cost and expense, shall have the right to make alterations to the Premises during the Term, provided such alterations comply with the TIF RDA and all applicable Laws pertaining to such alterations. To the extent Tenant's proposed alterations are structural alterations, Landlord shall have the right to approve the final renderings of such proposed structural alterations, which approval shall not be unreasonably withheld, conditioned or delayed. Landlord shall indicate its approval of such proposed structural alterations, or its specific objections thereto, in writing within thirty (30) days after receipt thereof, failing which, such proposed structural alterations shall be deemed approved as so submitted. If Landlord provides specific objections to the proposed structural alterations, Tenant shall resubmit the alterations within thirty (30) days after Landlord's response, and Landlord shall indicate its approval of such proposed structural alterations, or its specific objections thereto, in writing within fifteen (15) days thereafter, failing which such proposed structural alterations shall be deemed approved as so submitted. This process shall continue until the proposed structural alterations are finally approved or deemed approved.

SECTION 6.
Maintenance and Repair Obligations.

Tenant shall be responsible for the maintenance and repair of the Premises and all Improvements and shall keep the Premises and such Improvements in good condition and repair, reasonable wear and tear, the effects of aging, eminent domain, and damage or destruction of the Premises by fire or other casualty excepted. Tenant shall, at its sole expense, maintain the Premises in compliance with all applicable Laws, including, without limitation, all applicable provisions of the Municipal Code. Without limiting the foregoing, Tenant, at its sole expense, shall promptly remove all accumulated snow, ice, litter and debris from any and all driveways, pathways, roadways, sidewalks, curbs, parking areas, loading areas and entrances, remove graffiti, and keep all portions of the Premises in a clean, orderly and lawful condition. Tenant shall at all times exercise due diligence in protecting the Premises against damage or destruction by fire and other causes. Tenant shall provide and pay for all custodial service, scavenger service, building maintenance and grounds maintenance for the Premises. Tenant acknowledges and agrees that, from and after the Commencement Date, the Landlord shall have no maintenance, repair, replacement or other duty of any kind or nature with respect to the Premises or the Improvements.

SECTION 7.
Taxes.

7.01 Taxes Defined. Tenant shall be responsible for the payment of Taxes (as herein defined) on an accrual basis in accordance with the terms of this Lease. "**Taxes**" shall mean real estate taxes and assessments, general and special, levied upon the Land and/or the Improvements thereon in whole or in part. Notwithstanding the foregoing and in either case, Tenant shall not be liable for, and Taxes shall not include any taxes or assessments attributable to any period of time other than the Term. Any Tax relating to a fiscal period of a taxing authority a part of which period is included within the Term of this Lease and a part of which is included in a period of time before or after the termination of the Term of this Lease, shall be adjusted as between Landlord and Tenant, so that Landlord shall pay that proportion of such Tax which accrued in the period of time before or after the termination of the Term of this Lease, and Tenant shall pay the remainder thereof.

7.02 Tenant's Payment of Taxes. Notwithstanding anything in this Section 7 to the contrary, Tenant shall pay Taxes directly to the taxing authority on or before the last day on which Taxes may be paid without penalty or interest. Tenant shall be responsible for obtaining such tax bills directly from the tax assessor. Upon the written request of Landlord, Tenant shall in each instance submit to Landlord, within thirty (30) days after such request, a receipt or other reasonable evidence showing the payment of Taxes.

7.03 Tenant's Right to Contest. Tenant shall be entitled to contest, in good faith, in the name of Landlord or Tenant, by appropriate proceedings diligently conducted, the validity or applicability, as the case may be, of any Tax or other governmental charges to the extent payable by Tenant hereunder. Landlord shall reasonably cooperate with Tenant in any such contest which Tenant shall elect to undertake, and to that end shall make available to Tenant, at no out of pocket cost or expense to Landlord, all books and records of Landlord and all employees and agents of Landlord with personal knowledge of facts relating to any such contest. Any such contest which Tenant shall elect to undertake shall be at Tenant's expense. Any refund or the applicable portion thereof resulting from such contest shall be the property of Tenant. Any refunds of Taxes received by Landlord (whether during or after the Term) as a result of any contest of the amount, validity or application or any Taxes which applied to the Term shall be refunded to Tenant promptly upon receipt.

SECTION 8.
Insurance.

8.01 Insurance Coverage.

(A) Tenant shall, at Tenant's sole cost and expense, keep the Improvements which are a part of the Premises insured at all times throughout the Term against all risk of physical loss, including but not limited to, loss or damage by fire, lightning, windstorm, hail, smoke, explosion, riot, riot attending a strike, civil commotion, aircraft and vehicles, vandalism and malicious mischief, sprinkler leakage, collapse or earthquake to the extent coverage for such risks is from time to time customarily available at commercially reasonable rates in the commercial property insurance market for such Improvements, in an amount not less than l00% of the full insurable value of such Improvements. The term "full insurable value" shall mean the actual replacement cost (excluding foundation and excavation costs) less physical depreciation.

(B) Tenant shall, at Tenant's sole cost and expense, at all times throughout the Term, but for the mutual benefit of Landlord and Tenant, maintain the kinds and amounts of insurance coverage as specified on Exhibit B, attached hereto, insuring all operations related to this Lease with insurance companies authorized to do business in the State of Illinois.

(C) All policies of insurance provided for in Section 8.01(A) hereof shall name Landlord and, all policies of insurance provided for in Section 8.01(B) shall name Landlord and Tenant as insureds as their respective interests may appear. In addition, the policies of insurance provided for in Section 8.01(A) may also name as insureds as their interests may appear any Approved Mortgagee. All such policies of insurance shall provide that any loss shall be payable as therein provided notwithstanding any act or negligence of Tenant or any tenant or other occupant of the Premises which might otherwise result in a forfeiture of said insurance.

(D) Upon the execution and delivery of this Lease, and thereafter not later than fifteen (15) days prior to the expiration date of an expiring policy theretofore furnished pursuant to this Section 8, certificates of insurance evidencing the required coverages, bearing notations evidencing the payment of premiums or accompanied by other evidence satisfactory to Landlord of such payment, shall be delivered by Tenant to Landlord. Upon request from Landlord, Tenant shall deliver to Landlord duplicate originals or certified copies of the policies required by this Section 8

(E) Each policy of insurance delivered hereunder shall contain an agreement by the insurer that such policy shall not be cancelled or materially altered without at least thirty (30) days' prior written notice given to Landlord and to each Approved Mortgagee named in such policy.

8.02 General Indemnification and Release. Tenant is and shall be in exclusive control and possession of the Premises as provided herein, and agrees to assume all risk of damage or loss to property and injury or death to persons by reason of or incident to the possession and/or use of the Premises, or the activities conducted by any Tenant Parties under this Lease. The Tenant Parties expressly waive all claims against the Landlord Parties (except claims arising from Landlord's gross negligence or intentional misconduct or a breach of Landlord's obligations under this Lease) for any such loss, damage, personal injury or death caused by or occurring as a consequence of such possession and/or use of the Premises or the conduct of activities under this Lease. Unless arising from Landlord's gross negligence or intentional misconduct or a breach of Landlord's obligations under this Lease, Tenant Parties agrees to indemnify, defend and save Landlord Parties harmless from and against all Liabilities which may be imposed upon, incurred by or asserted against Landlord Parties by reason of any of the following occurring during the Term:

(A) any use, non-use, possession, occupation, condition, operation, repair, maintenance or management of the Premises, or any part thereof, or any occurrence of any of the same;

(B) any act or omission on the part of Tenant Parties or any subtenant, licensee or invitee, or any of its or their agents, contractors, servants, employees, licensees or invitees relating to the Premises or this Lease;

(C) any accident, injury (including death) or damage, regardless of the cause thereof, to any person or property occurring in, on or about the Premises or any part thereof;

(D) any litigation or proceeding related to the Premises or this Lease to which Landlord becomes or is made a party without fault on its part, whether commenced by or against Tenant; provided, however, that the foregoing indemnity shall not apply to a proceeding instituted by Tenant against Landlord or by Landlord against Tenant; and

(E) which may be incurred by Landlord in enforcing any of the covenants, agreements, terms and conditions of this Lease (provided Landlord prevails in the enforcement proceeding).

The foregoing release and indemnity shall survive any termination of this Lease.

SECTION 9.
Utilities.

Tenant shall be responsible for all tap-in or hook-up fees for utility services to the Premises. Tenant shall pay when due all charges of every nature, kind or description for all utility services provided exclusively to the Premises, including, without limitation, all charges for water, gas, electricity, telephone, garbage and sewage services, directly to the utility service provider. Landlord shall not be liable for any interruption or failure in the supply or character of any such utility services.

SECTION 10.
Use.

10.1 Permitted Use. The Premises shall be used for the construction of the Project and the recreational benefit of the general public; provided that after a default under the Initial Approved Mortgage, the Tenant and any subtenants of the Tenant shall be able to charge individuals and/or organizations a fee for use of the Premises to be determined in the sole and absolute discretion of Tenant and/or its subtenants. The foregoing shall not be deemed to limit in any respect the rent that may be charged at any time by the Tenant or any subtenants of the Tenant. [Further restrictions may be added to satisfy HUD and NMTC financing requirements.]

10.02 Prohibited Uses. Tenant shall not use the Premises in any manner that would (a) violate any Laws that may be applicable to the Premises or to the use of the Premises, (b) constitute a public or private nuisance, (c) materially damage or waste the Premises, (d) give rise to a claim of adverse possession or usage by any third party, (e) discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income; or (f) cause a fire hazard or safety hazard.

SECTION 11.
Signage.

Tenant may not install any signage on the Premises without the Landlord's prior approval.

SECTION 12.
Assignment and Subletting.

12.01 Assignment and Subletting. Tenant may not transfer or assign any of its interest in this Lease, or sublet or permit others to use or occupy any portion of the Premises, or grant any license, concession, franchise or other rights or interest in this Lease or the Premises, voluntarily, by operation of law or otherwise, without in each case obtaining the Landlord's prior written approval, except as allowed under the TIF RDA and Section 12.02 hereof. Notwithstanding the foregoing, Tenant may sublease the Premises to the Park District for operation of the Project. The Park District (and any other approved assignee, subtenant or licensee) shall comply with all of the terms of this Lease, including, but not limited to the use provisions set forth in Section 10. Any attempt by Tenant to transfer an interest in this Lease or the Premises, by document or other agreement or by operation of law in violation of the terms of this Lease, shall be void and confer no rights on any third party and shall, at the Landlord's option, constitute a default under this Lease. If the Landlord permits any assignment hereunder, the assignee shall be deemed to have assumed all of the obligations of Tenant under this Lease. No assignment or sublease shall relieve Tenant of any of its obligations hereunder.

Landlord's approval pursuant to this Section 12.01 shall not be unreasonably withheld, conditioned or delayed.

12.02 Mortgage Liens. Tenant shall have the right to mortgage or otherwise encumber this Lease or the Improvements in connection with Tenant's financing of the Improvements as described below, and only as described below.

(A) Right to Encumber. Tenant shall have the right to encumber all of Tenant's right, title and interest in the Premises subject to the provisions of this Lease, pursuant to (i) that certain [Leasehold Mortgage With Absolute Assignment of Leases and Rents, Security Agreement and Fixture Filing] of even date herewith (the "**Initial Approved Mortgage**") entered into by Tenant for the benefit of TCB SUB-CDE VII, LLC, a Massachusetts limited liability company, IFF Capital VIII, LLC, an Illinois limited liability company and CNMC Sub-CDE [__], LLC, a Delaware limited liability company, and their respective successors, participants and assigns (collectively, the "**Initial Approved Mortgagees**", and each, an "**Initial Approved Mortgagee**"); and (ii) any subsequent mortgages granted by Tenant to subsequent lenders thereto , provided such mortgages are permitted under the terms of the TIF RDA (each such lender and each of the Initial Approved Mortgagees being an "**Approved Mortgagee**") to secure any refinancing or replacement of all or a portion of the Initial Approved Mortgage or other financing of Tenant (collectively with such Initial Approved Mortgage, "**Approved Mortgages**"). No Approved Mortgage shall extend to or affect any portion of Landlord's fee title interest. Except as provided in this Lease, any Approved Mortgage shall by its terms be made expressly subject and subordinate to all Landlord's rights under this Lease, and Landlord shall not be required to mortgage its fee estate in connection therewith, nor shall Landlord be required to join in the Approved Mortgage. Landlord shall not be bound to recognize any Approved Mortgagee unless such Approved Mortgagee or Tenant shall have notified Landlord of the existence of such Approved Mortgage and of the name and address of such Approved Mortgagee as further provided in this Section. It shall be a condition of Landlord's obligations under this Section 12.02 that the Approved Mortgagee agree to give Landlord a notice of any event of default by Tenant under the Approved Mortgage.

(B) Approved Mortgages. The documentation evidencing the Initial Approved Mortgage and the loans secured thereby is in a form acceptable to Landlord and Tenant. Landlord acknowledges that Initial Approved Mortgagees and Tenant may amend such documentation in the future and that no such amendment shall in any way diminish the effectiveness of the provisions of this Section 12.02. As used in this Section 12.02, the term "**Leasehold Interest**" means Tenant's interest in the Premises pursuant to this Lease. In no event shall Landlord be obligated to subject its interest in the Premises to an Approved Mortgage, and any Approved Mortgage shall be subject to the terms of this Lease. Each Approved Mortgage and Approved Mortgagee shall be subject to and shall have the benefit of this Lease. Promptly after granting an Approved Mortgage, Tenant shall deliver to the Landlord a written notice setting forth the name and address of the Approved Mortgagee, together with a true and complete copy of the Approved Mortgage. No Approved Mortgage shall be binding upon the Landlord in the enforcement of its rights and remedies under this Lease and by law, unless and until a copy thereof shall have been delivered to the Landlord.

(C) Approved Mortgage Not an Assignment. The making of an Approved Mortgage shall not be deemed to constitute an assignment or transfer of this Lease or of

the Leasehold Interest, nor shall an Approved Mortgagee be deemed to be an assignee or transferee of this Lease or of the Leasehold Interest so as to require the Approved Mortgagee to assume the performance of any of the terms, covenants or conditions on the part of Tenant to be performed hereunder, but the purchaser at any foreclosure of any Approved Mortgage, or the assignee or transferee under any assignment or transfer in lieu of the foreclosure, or purchaser or transferee following exercise of a power of sale shall be deemed to be an assignee or transferee within the meaning of this Section, and shall be deemed to have agreed (unless expressly set forth to the contrary in this Lease) to perform all of the terms, covenants and conditions on the part of Tenant to be performed hereunder from and after the date of such purchase and assignment or transfer, but only for so long as such purchaser or assignee or transferee is the owner of the Leasehold Interest.

(D) Rights of Approved Mortgagee. In connection with each Approved Mortgage, Landlord agrees with and for the benefit of each Approved Mortgagee as follows:

(i) When delivering any notice, demand, election or other communication (any of the same being referred to in this Section as a "**Default Notice**") to Tenant with respect to any default under this Lease or any exercise of any right to terminate this Lease, the Landlord will also deliver a copy of any such Default Notice by registered or certified mail, or commercial courier service, to each Initial Approved Mortgagee and to any other Approved Mortgagee at the addresses furnished to Landlord. No such notice to Tenant shall be deemed to affect any rights of the Approved Mortgagee or to commence the running, as against the Approved Mortgagee, of any time period to cure unless and until such notice is given in said manner to the Approved Mortgagee. Landlord acknowledges that it has notice of the Initial Approved Mortgagees and that their addresses for notices are set forth below:

(ii) Should Tenant default in respect of any of the provisions of this Lease, an Approved Mortgagee shall have the right, but not the obligation, to cure such default, and Landlord shall accept performance by or on behalf of the Approved Mortgagee as though, and with the same effect as if, it had been done or performed by Tenant. For such purpose, Landlord and Tenant hereby authorize Approved Mortgagees to enter upon the Premises and to exercise any of Tenant's rights and powers under this Lease, and subject to the provisions of this Lease, under the applicable Approved Mortgage. Upon compliance with the foregoing, any Default Notice shall be deemed rescinded and this Lease shall continue in full force and effect..

(iii) The Approved Mortgagee will have a period of time after the service upon it of any Default Notice within which to cure the default specified in such notice, or cause it to be cured, which is the same period for cure allowed to Tenant under Section 18.02 hereof, plus an additional period of 30 days ("**Approved Mortgagee's Cure Period**"). If the default cannot reasonably be cured by the Approved Mortgagee within that period because of Tenant's ownership of the Leasehold Interest or possession of the Premises, Landlord shall forebear from exercising its rights to terminate the Lease as against the Approved Mortgagee (while reserving all rights against Tenant) on account of such default, provided that the

Approved Mortgagee (1) has cured all payment defaults and all other defaults which can reasonably be cured by the Approved Mortgagee without obtaining ownership of the Leasehold Interest or possession of the Premises, as the case may be, within the period of time allotted for cure, (2) within Approved Mortgagee's Cure Period has given written notice to Landlord of its intent to cure all other defaults, which notice shall specify the proceedings (including, but not limited to, foreclosure sale, receivership, or other actions) by which the Approved Mortgagee or any assignee, successor or designee thereof intends to secure possession of the Premises or ownership of the Leasehold Interest, and shall contain an assumption by the Approved Mortgagee or such assignee, successor or designee thereof of all of Tenant's obligations hereunder during the period of Landlord's forbearance, including, without limitation, the payment of all charges which then become due, (3) has begun proceedings to secure such possession or ownership within the Approved Mortgagee's Cure Period, and (4) thereafter prosecutes such proceedings with reasonable diligence.

(iv) Provided the Approved Mortgagee has complied with subsection (iii) of this Section 12.02(D), any default by Tenant under any provision of this Lease which is not reasonably susceptible of being cured by the Approved Mortgagee during the cure period specified in subsection (ii) of this Section 12.02(D) shall be cured by the Approved Mortgagee (or its designee or nominee) or by any other purchasers or transferees of Tenant's interest under this Lease, whether at judicial foreclosure, trustee's sale or by an assignment of the Lease in lieu of foreclosure, within 10 days after acquisition for payment defaults, and within 30 days (or such longer period of time as is reasonably required under the circumstances) after acquisition for all non-payment defaults. It is agreed that payment of rent and other charges to be paid pursuant to this Lease are reasonably susceptible of being cured by the Approved Mortgagee.

(v) Provided the Approved Mortgagee has complied with subsection (iii) of this Section 12.02(D), Landlord's consent shall not be required for an Approved Mortgagee or any nominee, assignee or other party designated by an Approved Mortgagee to become the owner of the Leasehold Interest upon the exercise of any remedy provided for in an Approved Mortgage (or upon the assignment of the Leasehold Interest in lieu of the exercise of any such remedy). If an Approved Mortgagee or any party designated by an Approved Mortgagee shall become the owner of the Leasehold Interest upon the exercise of any remedy provided for in an Approved Mortgage, then the Approved Mortgagee or such person or other entity (A) shall be liable for all obligations under the Lease accruing thereafter to the same extent as Tenant would have been, subject to subsection (ix) below, and shall cure all continuing defaults of Tenant as set forth in subsection (iii) above, but subject to subsection (iv) above, (B) shall have the right to assign to any other person the Leasehold Interest without Landlord's consent at any time thereafter, provided such assignee expressly assumes the obligations of Tenant hereunder, and (C) shall have the right to sublet all or a portion of the Premises, without Landlord's

consent, for use consistent with the permitted use provisions of this Lease.

(vi) Provided the Approved Mortgagee has complied with subsection (iii) of this Section 12.02(D), if this Lease shall terminate for any reason including, but not limited to, a default under the Lease, or be rejected or disaffirmed pursuant to any bankruptcy law or any other law affecting creditors' rights, any Approved Mortgagee or its nominee or assignee shall have the right, and Landlord the corresponding obligation, exercisable by written notice to Landlord within sixty (60) days after such Approved Mortgagee receives notice of the effective date of such termination, to enter into a new lease of the Premises with Landlord subject, however, to the rights of subtenants under any applicable non-disturbance agreements. The term of said new lease shall begin on the date of the termination of this Lease and shall continue for the remainder of the full term of this Lease. Such new lease executed by the Approved Mortgagee or its nominee or assignee shall otherwise contain the same terms and conditions as those set forth herein, except for requirements that have already expired or been performed, and except for prior obligations of Tenant which are not curable as provided herein and which remain unperformed or unsatisfied; provided, however, the new Tenant thereunder shall cure within the applicable cure periods set forth above in this Section any existing defaults, or defaults which existed as of the termination of the Lease with Tenant, which are capable of being cured. It is the intention of the parties hereto that, to the fullest extent permitted by applicable law, such new lease shall have the same priority relative to other rights or interests to or in the fee estate in the land covered by the new lease as this Lease. The provisions of this Subsection (vi) shall survive the termination (but not the expiration) of this Lease and shall continue in full force and effect thereunder to the same extent as if this Subsection (vi) were a separate and independent contract among Landlord, Tenant and each Approved Mortgagee. From the date on which any Approved Mortgagee shall serve upon Landlord the aforesaid notice of the exercise of its right to a new lease, and subject to the obligation to cure defaults as provided above, a new lease shall be deemed to have been entered into effective as of the date of termination of this Lease and such Approved Mortgagee or its nominee or assignee may use and enjoy the Premises as permitted under this Lease without hindrance or interference by Landlord. At Landlord's or the Approved Mortgagee's request, the parties shall enter into an additional agreement with Landlord confirmatory of the provision of this Subsection (vi).

(vii) Landlord shall not, in the event of any action, whether voluntary or otherwise, pending against Tenant or Landlord under the bankruptcy laws of the United States or any state thereof, (x) surrender its estate, or any portion thereof, nor terminate, cancel or acquiesce in the rejection of this Lease; or (y) modify, change, supplement, alter or amend this Lease in any respect, either orally or in writing. Notwithstanding the foregoing, Landlord agrees that in the event of the rejection of this Lease by Landlord's trustee in bankruptcy or otherwise pursuant to the Federal Bankruptcy Code or other similar laws, Tenant's right to remain in

possession of the Premises pursuant to Section 365 of the Federal Bankruptcy Code (or similar provisions of such other similar laws) shall be fully transferable pursuant to the terms of any Approved Mortgage.

(viii) No surrender (except a surrender upon the expiration of the term of this Lease) by Tenant to Landlord of this Lease, or of the Premises or any part thereof, or of any interest therein, may occur except as with the consent of each Approved Mortgagee.

(ix) In the event that an Approved Mortgagee or its nominee succeeds to Tenant's interest in this Lease, Landlord agrees to look solely to such interest in the Lease and to the improvements upon the Premises and to the profits and proceeds thereof for the performance of the obligations of Tenant hereunder, and shall never seek to recover against any other assets of the Approved Mortgagee or such nominee, and following the Approved Mortgagee's or nominee's assignment of any interest in the Lease, the Approved Mortgagee (or such nominee, as applicable) shall have no further liability to Landlord or any other party in connection with the Lease or the Premises.

(x) For the avoidance of doubt, each Approved Mortgagee is an express third party beneficiary of this Section 12.02 of the Lease and shall be entitled to enforce the provisions hereof against Tenant and Landlord and their respective successors and assigns.

(E) Requirements for Notice. Any notice or other communication which Landlord shall desire or is required to give to or serve upon an Approved Mortgagee shall be in writing and shall be served by registered or certified mail, or commercial courier service, addressed to such Approved Mortgagee at its address as referenced in Section 12.02(D)(i) of this Lease, or at such other address as shall be designated from time to time by the Approved Mortgagee by notice given to Landlord in the manner required hereunder. Any notice or other communication which an Approved Mortgagee shall desire or is required to give to or serve upon Landlord shall be in writing and shall be served by registered or certified mail, or commercial courier service, addressed to Landlord at Landlord's address as set forth in Section 22 of this Lease, or at such other address as shall be designated from time to time by Landlord by notice given to such Approved Mortgagee in the manner required hereunder. Any such notice or communication shall be effective on the date such notice or communication is delivered to the party to whom it is given.

(F) No Modification without Approved Mortgagee's Consent. Except as otherwise expressly permitted herein, Landlord will not modify or amend or, except upon default (after affording each Approved Mortgagee the notice of and opportunity to cure such default as provided in this Section), cancel, surrender or terminate this Lease without the consent of each Approved Mortgagee. Any such modification, amendment, cancellation, surrender, or termination without the consent of each Approved Mortgagee (if such consent shall be required) shall be void and of no force or effect.

(G) Approved Mortgagee's Consent or Approval. Whenever any Approved Mortgagee's consent or approval is required hereunder, such consent or approval shall not be unreasonably withheld, and shall be given or withheld (with the reasons for

withholding the same specified in writing) within ten (10) business days after such Approved Mortgagee receives the written request for such consent or approval.

(H) Rights As Among Approved Mortgagees. In any case in which there shall be more than one Approved Mortgage, each Approved Mortgagee shall be entitled to the benefit of the provisions of this Section; provided, that (a) any actions or elections permitted to be taken or made hereunder shall be determined and exercised by the Approved Mortgagee whose Approved Mortgage is most senior in priority (unless otherwise directed in writing by such senior Approved Mortgagee), and (b) the time periods in this Section for any action or response by an Approved Mortgagee shall run concurrently for all Approved Mortgagees.

SECTION 13.
Representations, Warranties and Covenants.

13.01 Landlord's Representations, Warranties and Covenants. Landlord makes the following representations, warranties and covenants as of the Effective Date:

(A) Landlord is an Illinois municipal corporation, and has full power and authority, and has obtained the approval of the City Council of the City to execute and perform its obligations under this Lease.

(B) The execution, delivery and performance of this Lease will not result in a breach of the terms or provisions of, or constitute a default (or a condition which, upon notice or lapse of time, or both, would constitute a default) under any other agreement, instrument or obligation by which Landlord is bound.

(C) From and after the Effective Date, Landlord shall not enter into any leases, easements or other exceptions to title or other similar agreements affecting the Premises without Tenant's prior written consent.

(D) This Lease is a legal, valid and binding obligation of Landlord enforceable against Landlord in accordance with its terms.

13.02 Tenant's Representations, Warranties and Covenants. Tenant makes the following representations, warranties and covenants.

(A) Tenant is a duly formed and validly existing limited liability company in good standing under the laws of the State of Illinois, and has full power and authority, and has obtained any necessary consents, to enter into and perform its obligations under this Lease, and has taken all necessary action to authorize the execution and delivery of this Lease by the persons executing and delivering this Lease on behalf of Tenant.

(B) The execution, delivery and performance of this Lease will not result in a breach of the terms or provisions of, or constitute a default (or a condition which, upon notice or lapse of time, or both, would constitute a default) under Tenant's organizational documents or any other agreement, instrument or obligation by which Tenant is bound, and will not constitute a violation of any Laws.

(C) This Lease is a legal, valid and binding obligation of Tenant enforceable against Tenant in accordance with its terms.

(D) All certifications and statements contained in the Economic Disclosure Statements submitted to Landlord by or for Tenant are true, accurate and complete.

(E) No action, litigation, investigation or proceeding of any kind is pending or threatened against Tenant, by or before any court, governmental commission, board, bureau or any other administrative agency, and Tenant knows of no facts which could give rise to any such action, litigation, investigation or proceeding, which could: (i) affect its ability to perform its obligations hereunder; or (ii) materially affect its operation or financial condition.

(F) Tenant is now and for the term of the Lease shall remain solvent and able to pay its debts as they mature.

(G) Tenant has obtained or will obtain and shall maintain all Governmental Approvals (including, without limitation, appropriate environmental approvals) necessary to conduct its business and to construct, complete and operate the Project.

(H) Tenant is not in default with respect to any indenture, loan agreement, mortgage, note or any other agreement or instrument related to the borrowing of money to which it is a party or by which it is bound.

(I) The Project will not violate: (i) any applicable Laws, including, without limitation, any zoning and building codes and environmental laws; or (ii) any building permit, restriction of record or other agreement affecting the Land.

SECTION 14.
Compliance With Laws.

Tenant shall promptly comply with the requirements of all Laws related to the construction of the Project and the condition and maintenance of the Premises.

SECTION 15.
Surrender.

On the Expiration Date or earlier termination of this Lease, Tenant agrees to deliver up and surrender to Landlord possession of the Premises in good condition and repair subject to reasonable wear and tear, the effects of aging, eminent domain and damage and destruction of the Premises by fire or other casualty. Concurrently with such surrender, title to any Improvements shall automatically pass to and vest in Landlord "as-is" and without representations and warranties. Notwithstanding the foregoing, Tenant shall have the right, but not the obligation, to remove Tenant's trade fixtures, furnishings and other personal property, provided that such removal shall occur on or before the Expiration Date (or earlier terminate date). If Tenant does not remove such personal property on or before the Expiration Date, the Landlord may remove the same and deliver them to any other place of business of Tenant or warehouse the same and restore the Premises pursuant to the requirements of this Lease, and Tenant shall pay the cost of such removal, delivery, warehousing and restoration to the Landlord on demand, or the Landlord may treat such property as being conveyed to the Landlord with this Lease as a bill of sale, without further payment or credit by the Landlord to Tenant.

SECTION 16.
Eminent Domain.

16.01 Taking. If the whole of the Premises, or such part thereof which results in (i) a limitation of access to or parking for the Premises that prevents or materially adversely affects the operation of Tenant's activities at the Premises, or (ii) the remaining portion of the Premises being not suitable for Tenant in the operation of its activities, shall be taken for any public or quasi-public purpose by any power or authority by exercise of the right of appropriation, condemnation or eminent domain, or sold to prevent such taking (collectively, a "**Taking**"), then Tenant may, at Tenant's option, terminate this Lease. If Tenant so elects to terminate this Lease, Tenant shall provide Landlord written notice within thirty (30) days after Tenant's receipt of notice of the Taking. The termination shall be effective (a) as of the effective date of the Taking (with respect to the portion of the Premises taken), and (b) thirty (30) days after the effective date of the Taking (with respect to the portion of the Premises not taken).

16.02 Restoration. If the Taking is not of the type described in Section 16.01 or if Tenant does not terminate this Lease pursuant to Section 16.01, then this Lease shall continue in full force and effect, and Tenant, at Tenant's expense, shall promptly proceed to restore the Improvements to the extent practicable to (i) substantially the same condition of the Improvements prior to such partial Taking or (ii) such other configuration as Tenant determines is appropriate taking into account changes in Tenant's typical prototype or the configuration of the Premises as a result of the Taking (in either case provided that Tenant shall not be required to incur more costs than any Award (as hereinafter defined) received by Tenant).

16.03 Award; Taking Proceedings.

(A) Definition of Award. "**Award**" shall mean the amount by which an award for, or proceeds of, a Taking exceeds all reasonable expenses (including, without limitation, reasonable attorneys' fees and fees for expert witnesses) incurred in connection with, and in anticipation of, a Taking.

(B) Taking Proceedings. Tenant shall have the right to fully participate in any Taking proceedings, including, without limitation, the negotiation of the Award. The share of any Award to which Tenant is entitled pursuant to this Lease shall be remitted to Tenant promptly upon the date Tenant's share is determined in accordance with this Section.

(C) Allocation of Award. Any Award arising from a total or partial Taking of the Premises, Tenant's Leasehold Interest, or any Improvements shall be allocated between Landlord and Tenant in accordance with the following:

(1) If the Premises will be restored, Tenant is entitled to such portion of the Award as is necessary to restore the Premises.

(2) If the Premises will not be restored, Landlord shall have the right to use the Award to place the Premises and any Improvements thereon in a safe and lawful condition, and thereafter Tenant shall be entitled to (i) the portion of the Award attributable to the Improvements, (iii) Tenant's moving expenses, and (iv) the amount of the Award attributable to Tenant's personal property, furnishings, machinery, trade fixtures, equipment and improvements (trade or otherwise) which Tenant installs in or on the Premises.

(3) Landlord shall be entitled to the entire balance of the Award.

16.04 Conflict with TIF RDA. Conflict with TIF RDA. In the event of any conflict between the terms of this Section 16 and the terms of the TIF RDA, the terms of the TIF RDA shall govern and control.

SECTION 17.
Damage or Destruction of Premises.

17.01 Damage or Destruction of Premises. If the Premises, the Improvements, or any part thereof shall be destroyed or damaged at any time during the Term, and such destruction or damage may be reasonably repaired within ninety (90) days from the happening of such destruction or damage, Tenant shall, at Tenant's expense, take one of the actions described in subsection (A) below with all reasonable speed. Tenant shall deliver to Landlord within thirty (30) days after the date of such damage or destruction Tenant's estimate with respect to the length of time reasonably required to repair such damage or destruction (the "**Repair Estimate**"). In the event that the Repair Estimate states that the destruction or damage cannot reasonably be repaired within ninety (90) days from the happening of such destruction or damage, Tenant shall have the right to terminate this Lease by giving written notice to Landlord within thirty (30) days from Tenant's preparation of the Repair Estimate and delivery thereof to Landlord.

(A) If Tenant does not elect or does not have the right to terminate this Lease as provided in this Section 17, then Tenant shall, at its sole option, either (i) repair, alter, restore, replace or rebuild such Improvements to such extent and in such manner as Tenant may deem appropriate, or (ii) demolish the balance of the Improvements and pave or landscape the Land. If the cost to so rebuild or reconstruct or to so demolish shall exceed the proceeds of any insurance, Tenant shall be liable for any such deficit. If, however, the proceeds of any insurance covering such damage or destruction exceed the cost of repair, reconstruction or demolition, such excess shall belong absolutely to Tenant.

(B) If Tenant elects to terminate this Lease as provided herein, Tenant shall (i) demolish the remaining portion of the Improvements, unless otherwise requested by Landlord, and pave or landscape the Land, and (ii) retain all proceeds of the insurance covering such damage or destruction with respect to the Improvements. If the cost to so demolish shall exceed the proceeds of any insurance, Tenant shall be liable for any such deficit. If, however, the proceeds of any insurance covering such damage or destruction exceed the cost of demolition, such excess shall belong absolutely to Tenant.

(C) All such repair, restoration, rebuilding or demolition required hereunder shall be performed with due diligence in a good and workmanlike manner and in accordance with all applicable Laws.

17.02 Conflict with TIF RDA. In the event of any conflict between the terms of this Section 17 and the terms of the TIF RDA, the terms of the TIF RDA shall govern and control.

SECTION 18.
Default by Tenant.

18.01 Event of Default. The occurrence of any one or more of the following shall constitute an "**Event of Default**" under this Lease:

(A) the failure of Tenant to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of Tenant under this Lease or the TIF RDA;

(B) the making or furnishing by Tenant of any warranty, representation, statement, certification, schedule or report to the Landlord (whether in this Lease, the TIF RDA, an Economic Disclosure Statement or another document) which is untrue or misleading in any material respect as of the date made;

(C) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of, or any attempt to create, any mechanic's, laborer's, material supplier's, or any other lien or encumbrance (unless bonded or insured over) upon the Premises, including any fixtures now or hereafter attached thereto, or the making or any attempt to make any levy, seizure or attachment thereof;

(D) the commencement of any proceedings in bankruptcy by or against Tenant for the liquidation or reorganization of Tenant, or alleging that Tenant is insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of Tenant's debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing, for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving Tenant; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings;

(E) the appointment of a receiver or trustee for Tenant, for any substantial part of Tenant's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of Tenant; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within sixty (60) days after the commencement thereof;

(F) the entry of any judgment or order against Tenant which is related to the Premises and remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution;

(G) the occurrence of an event of default under any Approved Mortgage, which default is not cured within any applicable cure period; and

(H) the dissolution of Tenant.

18.02 Cure. If Tenant defaults in the performance of its obligations under this Lease, Tenant shall have thirty (30) days after written notice of default from the Landlord to cure the default, or such longer period as shall be reasonably necessary to cure such default provided Tenant promptly commences such cure and thereafter diligently pursues such cure to completion (so long as continuation of the default does not create material risk to the Project or to persons using the Project) (the "**Cure Period**").

18.03 Remedies. Subject in all respects to the terms and conditions of Section 12.02 of this Lease, if an Event of Default occurs, and is not cured in the time period provided for in Section 18.02 above, the Landlord, in addition to any other rights or remedies available to it at law or in equity, shall have the right to terminate this Lease. Upon termination of the Lease,

Tenant shall surrender possession and vacate the Premises immediately, and deliver possession thereof to the Landlord, and Tenant hereby grants to the Landlord the full and free right to enter into and upon the Premises, with process of law, and to repossess the Premises as the Landlord's former estate and to expel or remove Tenant and any others who may be occupying the Premises, without being deemed in any manner guilty of trespass, eviction, or forcible entry or detainer, without incurring any liability for any damage resulting therefrom and without relinquishing any right given the Landlord hereunder or by operation of law. Tenant shall pay on demand all costs and expenses, including attorneys' fees and costs, incurred by the Landlord in recovering sums due hereunder, recovering possession of the Premises, or pursuing the Landlord's rights and remedies against Tenant or any assignee, sublessee or other transferee.

18.04 Remedies Cumulative. All remedies contained in this Section 18 shall be cumulative, and every such remedy may be exercised by the Landlord from time to time and so often as occasion may arise or as may be deemed expedient.

18.05 No Waiver. No delay or omission of the Landlord to exercise any right or power arising from any default shall impair any such right or power or be construed to be a waiver of any such default or any acquiescence therein. No waiver by the Landlord of any default of any of the covenants of this Lease shall be construed, taken or held to be a waiver of any other default, or as a waiver, acquiescence in or consent to any further or succeeding default of the same covenant. The acceptance by the Landlord of any payment of Rent or other sums due hereunder after the termination by the Landlord of this Lease, or of Tenant's right to possession hereunder, shall not, in the absence of agreement in writing to the contrary by the Landlord, be deemed to restore this Lease or Tenant's rights hereunder, as the case may be, but shall be construed as a payment on account, and not in satisfaction of damages due from Tenant to the Landlord.

18.06 Landlord's Right to Cure. Landlord may, but shall not be obligated to, cure at any time, with prior written notice of at least thirty (30) days (except in an emergency), any failure by Tenant to perform under this Lease and whenever Landlord so elects, all reasonable costs and expenses incurred by Landlord in curing such failure, including, without limitation, reasonable attorney's fees, shall be paid by Tenant to Landlord on demand. Without limiting any other rights reserved or available to Landlord under this Lease, at law or in equity, Landlord reserves for itself and its employees, contractors, consultants, agents and representatives, the right to enter upon the Premises for the purpose of: (a) inspecting the Premises, and (b) curing any defaults under this Lease. (f) Failure to comply with the employment obligations described in this Section 2.1 shall be a basis for the City to pursue remedies against Tenant under the provisions of Section 18 of the Lease.

2.2 City Resident Employment Requirement.

(a) Tenant agrees, and shall contractually obligate each Employer to agree, that during the construction of the Project, Tenant and each Employer shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 2-92-330 of the Municipal Code (at least fifty percent); provided, however, that in addition to complying with this percentage, Tenant and each Employer shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

(b) Tenant and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code in accordance with standards and procedures developed by the chief procurement officer of the City of Chicago.

(c) "**Actual residents of the City of Chicago**" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

(d) Tenant and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of the Project. Tenant and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

(e) Tenant and the Employers shall submit weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) to DPD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that Tenant or the Employer hired the employee should be written in after the employee's name.

(f) Tenant and the Employers shall provide full access to their employment records to the chief procurement officer, DPD, the Superintendent of the Chicago Police Department, the inspector general, or any duly authorized representative thereof. Tenant and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years after the issuance of the Certificate of Completion (as such term is defined in the TIF RDA).

(g) At the direction of DPD, Tenant and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

(h) Good faith efforts on the part of Tenant and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the chief procurement officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section 2.2 concerning the worker hours performed by actual Chicago residents.

(i) If the City determines that Tenant or an Employer failed to ensure the fulfillment of the requirements of this Section 2.2 concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section 2.2. If such non-compliance is not remedied in accordance with the breach and cure provisions of Section 18 of the Lease, the parties agree that 1/20 of 1 percent (.05%) of the aggregate hard construction costs set forth in the approved budget for the Project shall be surrendered by Tenant to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject Tenant and/or the other Employers or employees to prosecution.

(j) Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Lease.

(k) Tenant shall cause or require the provisions of this Section 2.2 to be included in all construction contracts and subcontracts related to the construction of the Project.

2.3 Tenant's MBE/WBE Commitment. Tenant agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the general contractor to agree, that during the construction of the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code (the "**Procurement Program**"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code (the "**Construction Program**," and collectively with the Procurement

Program, the "**MBE/WBE Program**"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 2.3, during the course of construction of the Project, at least 24% of the aggregate hard construction costs shall be expended for contract participation by minority-owned businesses and at least 4% of the aggregate hard construction costs shall be expended for contract participation by women-owned businesses.

(b) For purposes of this Section 2.3 only:

(i) Tenant (and any party to whom a contract is let by Tenant in connection with the Project) shall be deemed a "contractor" and this Lease (and any contract let by Tenant in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code, as applicable.

(ii) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iii) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code, Tenant's MBE/WBE commitment may be achieved in part by Tenant's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by Tenant) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture, or (ii) the amount of any actual work performed on the Project by the MBE or WBE); by Tenant utilizing a MBE or a WBE as the general contractor (but only to the extent of any actual work performed on the Project by the general contractor); by subcontracting or causing the general contractor to subcontract a portion of the construction of the Project to one or more MBEs or WBEs; by the purchase of materials or services used in the construction of the Project from one or more MBEs or WBEs; or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to Tenant's MBE/WBE commitment as described in this Section 2.3. In accordance with Section 2-92-730, Municipal Code, Tenant shall not substitute any MBE or WBE general contractor or subcontractor without the prior written approval of DPD.

(d) Tenant shall deliver quarterly reports to the City's monitoring staff during the construction of the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by Tenant or the general contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the construction of the Project, a

description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining Tenant's compliance with this MBE/WBE commitment. Tenant shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the construction of the Project for at least five (5) years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by Tenant, on prior notice of at least five (5) business days, to allow the City to review Tenant's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the construction of the Project.

(e) Upon the disqualification of any MBE or WBE general contractor or subcontractor, if the disqualified party misrepresented such status, Tenant shall be obligated to discharge or cause to be discharged the disqualified general contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code, as applicable.

(f) Any reduction or waiver of Tenant's MBE/WBE commitment as described in this Section 2.3 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code, as applicable.

2.4 Pre-Construction Conference and Post-Closing Compliance Requirements. Not less than fourteen (14) days prior to the Closing Date (as such term is defined in the TIF RDA), Tenant and Tenant's general contractor and all major subcontractors shall meet with DPD monitoring staff regarding compliance with all Section 2 requirements. During this pre-construction meeting, Tenant shall present its plan to achieve its obligations under this Section 2, the sufficiency of which the City's monitoring staff shall approve as a precondition to the Closing. During the construction of the Project, Tenant shall submit all documentation required by this Section 2 to the City's monitoring staff, including, without limitation, the following: (a) subcontractor's activity report; (b) contractor's certification concerning labor standards and prevailing wage requirements; (c) contractor letter of understanding; (d) monthly utilization report; (e) authorization for payroll agent; (f) certified payroll; (g) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (h) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that Tenant is not complying with its obligations under this Section 2, shall, upon the delivery of written notice to Tenant, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Lease, the City may: (x) issue a written demand to Tenant to halt construction of the Project, (y) withhold any further payment of any City funds to Tenant or the general contractor, or (z) seek any other remedies against Tenant available at law or in equity.

3. BUSINESS RELATIONSHIPS.

Tenant acknowledges (a) receipt of a copy of Section 2-156-030(b) of the Municipal Code, (b) that it has read such provision and understands that pursuant to such Section 2-156-030(b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "**Business Relationship**" (as defined in Section 2-156-080 of the Municipal Code), or to

participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Lease, that a violation of Section 2-156-030(b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Lease shall be grounds for termination of this Lease and the transactions contemplated hereby. Tenant hereby represents and warrants that no violation of Section 2-145-030(b) has occurred with respect to this Lease or the transactions contemplated hereby.

4. PATRIOT ACT CERTIFICATION.

Tenant represents and warrants that neither it nor any Affiliate thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

5. PROHIBITION ON CERTAIN CONTRIBUTIONS PURSUANT TO MAYORAL EXECUTIVE ORDER NO. 2011-4.

5.1 Tenant agrees that it, any person or entity who directly or indirectly has an ownership or beneficial interest in it of more than 7.5 percent ("**Owners**"), spouses and domestic partners of such Owners, its contractors (i.e., any person or entity in direct contractual privity with it regarding the subject matter of this Lease) ("**Contractors**"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("**Sub-owners**") and spouses and domestic partners of such Sub-owners (Tenant and all the other preceding classes of persons and entities are together the "**Identified Parties**"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "**Mayor**") or to his political fundraising committee (a) after execution of this Lease by Tenant, (b) while this Lease or any Other Contract (as hereinafter defined) is executory, (c) during the term of this Lease or any Other Contract, or (d) during any period while an extension of this Lease or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

5.2 Tenant represents and warrants that from the later of (a) May 16, 2011, or (b) the date the City approached it, or the date it approached the City, as applicable, regarding the formulation of this Lease, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

5.3 Tenant agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

5.4 Tenant agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 05-1.

5.5 Notwithstanding anything to the contrary contained herein, Tenant agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this Section 5 or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Lease, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole and absolute discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Lease, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

5.6 If Tenant intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the Closing (as defined in the TIF RDA), the City may elect to decline to close the transaction contemplated by the TIF RDA and this Lease.

5.7 For purposes of this provision:

(a) "**Bundle**" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fundraising committee.

(b) "**Other Contract**" means any other agreement with the City to which Tenant is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

(c) "**Contribution**" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code, as amended.

(d) Individuals are "**domestic partners**" if they satisfy the following criteria:

(i) they are each other's sole domestic partner, responsible for each other's common welfare; and

(ii) neither party is married; and

(iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(iv) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

(v) two of the following four conditions exist for the partners:

(1) The partners have been residing together for at least 12 months.

(2) The partners have common or joint ownership of a residence.

(3) The partners have at least two of the following arrangements:

(A) joint ownership of a motor vehicle;
(B) joint credit account;
(C) a joint checking account;
(D) a lease for a residence identifying both domestic partners as tenants.

(4) Each partner identifies the other partner as a primary beneficiary in a will.

(e) "**Political fundraising committee**" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code, as amended.

6. INSPECTOR GENERAL AND LEGISLATIVE INSPECTOR GENERAL.

It is the duty of every officer, employee, department, agency, contractor, subcontractor, developer and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code. Tenant understand and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code.

7. WASTE ORDINANCE PROVISIONS.

In accordance with Section 11-4-1600(e) of the Municipal Code, Tenant warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "**Waste Sections**"). During the period while this Lease is executory, any violation of the Waste Sections by Tenant, or their general contractors or subcontractors, whether or not relating to the performance of this Lease, constitutes a breach of and an event of default under this Lease, for which the opportunity to cure, if curable, will be granted only at the sole discretion of the Commissioner of DPD. Such breach and default entitles the City to all remedies under this Lease, at law or in equity. This section does not limit the duty of Tenant, and their general contractors and subcontractors, to comply with all applicable Laws, in effect now or later, and whether or not they appear in this Lease. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Lease, and may further affect the eligibility of Tenant for future contract awards.

8. 2011 CITY HIRING PLAN PROHIBITIONS.

8.1 The City is subject to the June 24, 2011 "City of Chicago Hiring Plan" (the "**2011 City Hiring Plan**") entered in *Shakman v. Democratic Organization of Cook County*, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2011 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

8.2 Tenant is aware that City policy prohibits City employees from directing any individual to apply for a position with Tenant, either as an employee or as a subcontractor, and from directing Tenant to hire an individual as an employee or as a subcontractor. Accordingly, Tenant must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Tenant under this Lease are employees or

subcontractors of Tenant, not employees of the City of Chicago. This Lease is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Tenant.

8.3 Tenant will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Lease, or offer employment to any individual to provide services under this Lease, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Lease, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

8.4 In the event of any communication to Tenant by a City employee or City official in violation of Section 8.2 above, or advocating a violation of Section 8.3 above, such Developer Party will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("**OIG Hiring Oversight**"), and also to the Commissioners of DPD. Tenant will also cooperate with any inquiries by OIG Hiring Oversight.

9. FAILURE TO MAINTAIN ELIGIBILITY TO DO BUSINESS WITH THE CITY.

Failure by Tenant or any controlling person (as defined in Section 1-23-010 of the Municipal Code) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code shall be grounds for termination of this Lease and the transactions contemplated thereby. Tenant shall at all times comply with Section 2-154-020 of the Municipal Code.

SECTION 6. INSURANCE AND INDEMNIFICATION

6.1 Insurance. Landlord shall procure and maintain at all times, at Landlord's own expense, during the Term of this Lease, the insurance coverages and requirements specified below, insuring all operations related to the Lease.

Commercial Liability Insurance or equivalent with limits of not less than $1,000,000 per occurrence, for bodily injury, personal injury, and property damage liability. Coverage extensions shall include the following: All premises and operations, products/completed operations, defense, separation of insureds, and contractual liability (with no limitation endorsement). The Landlord will furnish the City of Chicago, Department of Fleet and Facility Management, Office of Real Estate Management, 30 North LaSalle Street, Room 300, Chicago, Illinois 60602, original Certificates of Insurance evidencing the required coverage to be in force on the date of this Lease, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the term of this Lease. The receipt of any certificates does not constitute agreement by the City that the insurance requirements required by the Lease have been fully met or that the insurance policies indicated on the certificate are in compliance with all Lease requirements. The failure of the City to obtain certificates or other insurance evidence from Landlord shall not be deemed to be a waiver by the City. The Landlord shall advise all insurers

of the Lease provisions regarding insurance. Non-conforming insurance shall not relieve Landlord of its obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Lease, and the City retains the right to terminate the Lease until proper evidence of insurance is provided.

The insurance shall provide for 60 days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or not renewed.

Any and all deductibles or self-insured retentions on referenced insurance coverages shall be borne by Landlord.

The Landlord agrees that insurers shall waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents or representatives.

The Landlord expressly understands and agrees that any coverages and limits furnished by Landlord shall in no way limit the Landlord's liabilities and responsibilities specified within the Lease documents or by law.

The Landlord expressly understands and agrees that any insurance or self-insurance programs maintained by the City of Chicago shall apply in excess of and not contribute with insurance provided by the Landlord under the Lease.

The required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

The City of Chicago, Department of Finance, Office of Risk Management maintains the right to modify, delete, alter or change these requirements.

6.3 Landlord's Indemnification. Landlord shall indemnify and hold Tenant harmless against all liabilities, judgment costs, damages, and expenses which may accrue against, be charged to, or be recovered from Tenant by reason of Landlord's actions or negligent performance of or failure to perform any of its obligations under this Lease.

SECTION 7. DAMAGE OR DESTRUCTION

7.1 Damage or Destruction. If the Premises or the Building are damaged or destroyed by fire or other casualty to such an extent that Tenant cannot continue, occupy or conduct its normal business therein, or if, in Tenant's opinion, the Premises are rendered untenantable, Tenant shall have the option to declare this Lease terminated as of the date of such damage or destruction by giving Landlord written notice to such effect. If Tenant exercises this option to terminate, the rent shall be apportioned as of the date of such damage or destruction and Landlord shall forthwith repay to Tenant all prepaid rent within thirty (30) days of receipt of Tenant's written notice. If there is a casualty event, and Tenant's normal business operations are interrupted, but Tenant elects not to terminate the Lease under this section, the rent shall abate during the period that the Premises are not usable by Tenant.

SECTION 8. CONFLICT OF INTEREST AND GOVERNMENTAL ETHICS

8.1 Conflict of Interest. No official or employee of the City of Chicago, nor any member of any board, commission or agency of the City of Chicago, shall have any financial interest (as defined in Chapter 2-156 of the Municipal Code), either direct or indirect, in the Premises. If the whole or any substantial part of the Premises are taken or condemned by any competent authority for any public use or purpose, or if any adjacent property or street shall be so condemned or improved in such a manner as to require the use of any part of the Premises, the term of this Lease shall, at the option of Landlord or the condemning authority, be terminated upon, and not before, the date when possession of the part so taken shall be required for such use or purpose, and Landlord shall be entitled to receive the entire award without apportionment with Tenant. Rent shall be apportioned as of the date of Tenant's vacating as the result of said termination.

10.13 Federal Funding Restrictions. It is mutually agreed and understood by and between the parties hereto that the rents payable under this Lease are derived in part from funds made available from the federal government. Such amendment(s) shall not serve to extend the Term hereof nor serve to otherwise materially alter the essential provisions contained herein. Such amendment(s) shall be in writing, shall establish the factual background necessitating such alteration, shall set forth the terms and conditions of such modification, and shall be duly executed by both Landlord and Tenant. Such amendment(s) shall only take effect upon execution by both parties. SECTION 13. LANDLORD DISCLOSURES AND AFFIRMATIONS

13.1 Business Relationships. Landlord acknowledges (a) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (b) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other the City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Lease, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Lease shall be grounds for termination of this Lease and the transactions contemplated hereby. Landlord hereby represents and warrants that no violation of Section 2-145-030 (b) has occurred with respect to this Lease or the transactions contemplated hereby.

13.2 Patriot Act Certification. Landlord represents and warrants that neither Landlord nor any Affiliate (as hereafter defined) thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. As used in this Section, an "Affiliate" shall be deemed to be a person or entity related to Landlord that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Landlord, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

13.3 Prohibition on Certain Contributions-Mayoral Executive Order No. 2011-4. Landlord agrees that Landlord, any person or entity who directly or indirectly has an ownership or beneficial interest in Landlord of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Landlord's contractors (i.e., any person or entity in direct contractual privity with Landlord regarding the subject matter of this Lease) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Landlord and all the other preceding classes of persons and entities are together the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (a) after execution of this Lease by Landlord, (b) while this Lease or any Other Contract (as hereinafter defined) is executory, (c) during the term of this Lease or any Other Contract, or (d) during any period while an extension of this

Lease or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

Landlord represents and warrants that from the later of (a) May 16, 2011, or (b) the date the City approached Landlord, or the date Landlord approached the City, as applicable, regarding the formulation of this Lease, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Landlord agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Landlord agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Notwithstanding anything to the contrary contained herein, Landlord agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this Lease or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Lease, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Lease, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Landlord intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the Closing, the City may elect to decline to close the transaction contemplated by this Lease.

For purposes of this provision:

(a) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fundraising committee.

(b) "Other Contract" means any other agreement with the City to which Landlord is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or Lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

(c) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

(d) Individuals are "domestic partners" if they satisfy the following criteria:

(i) they are each other's sole domestic partner, responsible for each other's common welfare; and

(ii) neither party is married; and

(iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(iv) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

(v) two of the following four conditions exist for the partners:

(1) The partners have been residing together for at least 12 months.

(2) The partners have common or joint ownership of a residence.

(3) The partners have at least two of the following arrangements:
(A) joint ownership of a motor vehicle;
(B) joint credit account;
(C) a joint checking account;
(D) a Lease for a residence identifying both domestic partners as Landlords.

(4) Each partner identifies the other partner as a primary beneficiary in a will.

(e) "Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

13.4 Waste Ordinance Provisions. In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Landlord warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Lease is executory, Landlord's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Lease, constitutes a breach of and an event of default under this Lease, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Commissioner of the Department of Fleet and Facility Management. Such breach and default entitles the City to all remedies under the Lease, at law or in equity. This section does not limit Landlord's, general contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Lease. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Lease, and may further affect the Landlord's eligibility for future contract awards.

13.5 Failure to Maintain Eligibility to do Business with City. Failure by Landlord or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago)

thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this Lease and the transactions contemplated thereby. Landlord shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

13.6 Cooperation with Office of Inspector General and Legislative Inspector General. It is the duty of Landlord and any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of any such bidder, proposer, contractor, subcontractor or such applicant to cooperate with the Legislative Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-55 of the Municipal Code, and to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. Landlord represents and warrants that it understands and will abide by all provisions of Chapter 2-55 and Chapter 2-56 of the Municipal Code and that Landlord will inform its contractors and subcontractors of this provision and require their compliance.

13.7 2011 City Hiring Plan Prohibitions.

(i) The Tenant is subject to the June 24, 2011 "City of Chicago Hiring Plan" (the "2011 City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2011 City Hiring Plan prohibits the Tenant from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Landlord is aware that Tenant policy prohibits Tenant employees from directing any individual to apply for a position with Landlord, either as an employee or as a subcontractor, and from directing Landlord to hire any individual as an employee or as a subcontractor. Accordingly, Landlord must follow its own hiring and contracting procedures, without being influenced by Tenant or Tenant employees. Any and all personnel provided by Landlord under this Lease are employees or subcontractors of Landlord, not employees of the City of Chicago. This Lease is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the Tenant and any personnel provided by Landlord.

(iii) Landlord will not condition, base, or knowingly prejudice or affect any term or term or aspect to the employment of any personnel provided under this Lease, or offer employment to any individual to provide services under this Lease, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Lease, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to Landlord by a Tenant employee or Tenant official in violation of Section 13.7, or advocating a violation of Section 13.7, Landlord will, as

soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the Tenant's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant Tenant department utilizing services provided under this Lease. Landlord will also cooperate with any inquiries by OIG Hiring Oversight.

Landlord shall be responsible for all loss or damage to personal property (including but not limited to materials, equipment, tools and supplies), owned or rented, by the Landlord.

6.2 Other Terms of Insurance. The Landlord will furnish the City of Chicago, Department of Fleet and Facility Management, Office of Real Estate Management, 30 North LaSalle Street, Room 300, Chicago, Illinois 60602, original Certificates of Insurance evidencing the required coverage to be in force on the date of this Lease, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the term of this Lease. The receipt of any certificates does not constitute agreement by the City that the insurance requirements required by the Lease have been fully met or that the insurance policies indicated on the certificate are in compliance with all Lease requirements. The failure of the City to obtain certificates or other insurance evidence from Landlord shall not be deemed to be a waiver by the City. The Landlord shall advise all insurers

of the Lease provisions regarding insurance. Non-conforming insurance shall not relieve Landlord of its obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Lease, and the City retains the right to terminate the Lease until proper evidence of insurance is provided.

The insurance shall provide for 60 days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or not renewed.

Any and all deductibles or self-insured retentions on referenced insurance coverages shall be borne by Landlord.

The Landlord agrees that insurers shall waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents or representatives.

The Landlord expressly understands and agrees that any coverages and limits furnished by Landlord shall in no way limit the Landlord's liabilities and responsibilities specified within the Lease documents or by law.

The Landlord expressly understands and agrees that any insurance or self-insurance programs maintained by the City of Chicago shall apply in excess of and not contribute with insurance provided by the Landlord under the Lease.

The required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

The City of Chicago, Department of Finance, Office of Risk Management maintains the right to modify, delete, alter or change these requirements.

6.3 Landlord's Indemnification. Landlord shall indemnify and hold Tenant harmless against all liabilities, judgment costs, damages, and expenses which may accrue against, be charged to, or be recovered from Tenant by reason of Landlord's actions or negligent performance of or failure to perform any of its obligations under this Lease.

SECTION 7. DAMAGE OR DESTRUCTION

7.1 Damage or Destruction. If the Premises or the 4909 West Division Street building are damaged or destroyed by fire or other casualty to such an extent that Tenant cannot continue, occupy or conduct its normal business therein, or if, in Tenant's opinion, the Premises are rendered untenantable, Tenant shall have the option to declare this Lease terminated as of the date of such damage or destruction by giving Landlord written notice to such effect. If Tenant exercises this option to terminate, the rent shall be apportioned as of the date of such damage or destruction and Landlord shall forthwith repay to Tenant all prepaid rent within thirty (30) days of receipt of Tenant's written notice. If there is a casualty event, and Tenant's normal business operations are interrupted, but Tenant elects not to terminate the Lease under this section, the rent shall abate during the period that the Premises are not usable by Tenant.

SECTION 8. CONFLICT OF INTEREST AND GOVERNMENTAL ETHICS

8.1 Conflict of Interest. No official or employee of the City of Chicago, nor any member of any board, commission or agency of the City of Chicago, shall have any financial interest (as defined in Chapter 2-156 of the Municipal Code), either direct or indirect, in the Premises. Nor shall any such official, employee, or member participate in making or in any way attempt to use his or her position to influence any City governmental decision or action with respect to this Lease.

8.2 Duty to Comply with Governmental Ethics Ordinance. Landlord and Tenant Shall comply with Chapter 2-156 of the Municipal Code of Chicago, "Governmental Ethics," including but not limited to section 2-156-120, which states that no payment, gratuity, or offer of employment shall be made in connection with any City of Chicago contract as an inducement for the award of that contract or order. Any contract negotiated, entered into, or performed in violation of any of the provisions of Chapter 2-156 shall be voidable as to the City of Chicago.

SECTION 9. HOLDING OVER

9.1 Holding Over. Any holding over by Tenant shall be construed to be a tenancy from month to month only beginning on January 1, 2022 (the "**Holding Over**"). During the Holding Over the rent shall be at the same rate as set forth in Section 3.1 (h) of this Lease.

SECTION 10. MISCELLANEOUS

10.1 Notice. All notices, demands and requests which may be or are required to be given demanded or requested by either party to the other shall be in writing. All notices, demands and requests by Landlord to Tenant shall be delivered by national overnight courier or shall be sent by United States registered or certified mail, return receipt requested, postage prepaid addressed to Tenant as follows:

City of Chicago
Department of Fleet and Facility Management
Office of Real Estate Management
30 North LaSalle, Room 300
Chicago, Illinois 60602

or at such other place as Tenant may from time to time designate by written notice to Landlord and to Tenant at the Premises. All notices, demands, and requests by Tenant to Landlord shall be delivered by a national overnight courier or shall be sent by United States registered or certified mail, return receipt requested, postage prepaid, addressed to Landlord as follows:

Executive Director

4909 West Division Street
Chicago, Illinois 60651

or at such other place as Landlord may from time to time designate by written notice to Tenant. Any notice, demand or request which shall be served upon Landlord by Tenant, or upon Tenant by Landlord, in the manner aforesaid, shall be deemed to be sufficiently served or given for all purposes hereunder at the time such notice, demand or request shall be mailed.

10.2 Partial Invalidity. If any covenant, condition, provision, term or agreement of this Lease shall, to any extent, be held invalid or unenforceable, the remaining covenants, conditions, provisions, terms and agreements of this Lease shall not be affected thereby, but each covenant, condition, provision, term or agreement of this Lease shall be valid and in force to the fullest extent permitted by law.

10.3 Governing Law. This Lease shall be construed and be enforceable in accordance with the laws of Illinois.

10.4 Entire Agreement. All preliminary and contemporaneous negotiations are merged into and incorporated in this Lease. This Lease contains the entire agreement between the parties and shall not be modified or amended in any manner except by an instrument in writing executed by the parties hereto.

10.5 Captions and Section Numbers. The captions and section numbers appearing in this Lease are inserted only as a matter of convenience and in no way define, limit, construe or describe the scope or intent of such sections of this Lease nor in any way affect this Lease.

10.6 Binding Effect of Lease. The covenants, agreements, and obligations contained in this Lease shall extend to, bind, and inure to the benefit of the parties hereto and their legal representatives, heirs, successors, and assigns.

10.7 Time is of the Essence. Time is of the essence of this Lease and of each and every provision hereof.

10.8 No Principal/Agent or Partnership Relationship. Nothing contained in this Lease shall be deemed or construed by the parties hereto nor by any third party as creating the relationship of principal and agent or of partnership or of joint venture between the parties hereto.

10.9 Authorization to Execute Lease. The parties executing this Lease hereby represent and warrant that they are the duly authorized and acting representatives of Landlord and Tenant respectively and that by their execution of this Lease, it became the binding obligation of Landlord and Tenant respectively, subject to no contingencies or conditions except as specifically provided herein.

10.10 Termination of Lease. Tenant shall have the right to terminate this Lease any time on or after January 1, 2015. Tenant must provide Landlord with sixty (60) days prior written notice.

10.11 Force Majeure. When a period of time is provided in this Lease for either party to do or perform any act or thing, the party shall not be liable or responsible for any delays due to strikes, lockouts, casualties, acts of God, wars, governmental regulation or control, and other causes beyond the reasonable control of the party, and in any such event the time period shall be extended for the amount of time the party is so delayed.

10.12 Condemnation. If the whole or any substantial part of the Premises are taken or condemned by any competent authority for any public use or purpose, or if any adjacent property or street shall be so condemned or improved in such a manner as to require the use of any part of the Premises, the term of this Lease shall, at the option of Landlord or the condemning authority, be terminated upon, and not before, the date when possession of the part so taken shall be required for such use or purpose, and Landlord shall be entitled to receive the entire award without apportionment with Tenant. Rent shall be apportioned as of the date of Tenant's vacating as the result of said termination.

10.13 Federal Funding Restrictions. It is mutually agreed and understood by and between the parties hereto that the rents payable under this Lease are derived in part from funds made available from the federal government. As a result, if Tenant defaults in the payment of any sums required to be paid under this Lease because of lack of federal funding, the sole remedy of the Landlord shall be for possession of the demised Premises within sixty (60) days from written notice from Landlord to Tenant of such failure to pay rent.

10.14 No Broker. The Department of Fleet and Facility Management does not use brokers, tenant representatives, or other finders. Tenant warrants to Landlord that no broker or finder (a) introduced Tenant to the Premises, (b) assisted Tenant in the negotiation of this Lease, or (c) dealt with Tenant on Tenant's behalf in connection with the Premises or this Lease. Landlord warrants to Tenant that no broker or finder (a) introduced Landlord to Tenant, (b) assisted Landlord in the negotiation of this Lease, or (c) dealt with Landlord on Landlord's behalf in connection with the Premises or this Lease. Under no circumstances shall Tenant make any payments due hereunder to any broker(s).

10.15 Prior Lease. Landlord and Tenant acknowledge and agree that Tenant has leased and occupied the Premise pursuant to a Lease dated December 18, 2007. Landlord and Tenant each acknowledge and agree that the other party has performed all obligations under such prior Lease and that neither party has any claims against the other with respect to such prior Lease.

10.16 Access to North Lot. Landlord is the owner of the parking lot located at 4910 West Division Street (the "**North Lot**"). Landlord shall provide Tenant with non-exclusive access to the North Lot on a first-come first-served basis. Tenant shall comply with any parking rules and regulations in place on the Commencement Date or thereafter promulgated in writing by Landlord with respect to Tenant's use of the North Lot.

10.18 Community Room Access. Tenant shall have non-exclusive access to the community room (the "**Community Room**") located on the 6th floor of the Building for use by

Tenant's staff. Tenant shall schedule access to the Community Room through Landlord. Tenant shall abide by all rules applicable to use of the Community Room.

10.19 Amendments. From time to time, the parties hereto may amend this Lease with respect to any provisions reasonably related to Tenant's use of the Premises (including, but not limited to, leasehold expansion or relocation) and/or Landlord's administration of this Lease. Such amendment(s) shall not serve to extend the Term hereof nor serve to otherwise materially alter the essential provisions contained herein. Such amendment(s) shall be in writing, shall establish the factual background necessitating such alteration, shall set forth the terms and conditions of such modification, and shall be duly executed by both Landlord and Tenant. Such amendment(s) shall only take effect upon execution by both parties. Upon execution, such amendment(s) shall become a part of this Lease and all other provisions of this Lease shall otherwise remain in full force and effect.

Tenant shall assume all responsibility for any repairs to the Premises or the Building necessitated by the negligence, vandalism, or intentional misuse therein by Tenant's staff, clients, agents, or invitees. Landlord shall notify Tenant in writing of such damage. Tenant may perform such repairs with Tenant's service providers at Tenant's sole cost without further setoff or deduction. In the alternative, Tenant may direct Landlord in writing to perform said repairs subject to full reimbursement to Landlord by Tenant of all costs associated with such repairs excluding any overhead and/or profit. Any repairs to the Premises effectuated by Landlord under this section shall only be performed by Landlord upon written approval from the Commissioner of the Department of Fleet and Facility Management. Repairs made without said written approval and concurrent Notice to Proceed from the Commissioner of the Department of Fleet and Facility Management shall not be reimbursable.

SECTION 13. LANDLORD DISCLOSURES AND AFFIRMATIONS

13.1 Business Relationships. Landlord acknowledges (a) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (b) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other the City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section

2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Lease, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Lease shall be grounds for termination of this Lease and the transactions contemplated hereby. Landlord hereby represents and warrants that no violation of Section 2-145-030 (b) has occurred with respect to this Lease or the transactions contemplated hereby.

13.2 Patriot Act Certification. Landlord represents and warrants that neither Landlord nor any Affiliate (as hereafter defined) thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. As used in this Section, an "Affiliate" shall be deemed to be a person or entity related to Landlord that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Landlord, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

13.3 Prohibition on Certain Contributions-Mayoral Executive Order No. 2011-4. Landlord agrees that Landlord, any person or entity who directly or indirectly has an ownership or beneficial interest in Landlord of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Landlord's contractors (i.e., any person or entity in direct contractual privity with Landlord regarding the subject matter of this Lease) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Landlord and all the other preceding classes of persons and entities are together the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (a) after execution of this Lease by Landlord, (b) while this Lease or any Other Contract (as hereinafter defined) is executory, (c) during the term of this Lease or any Other Contract, or (d) during any period while an extension of this Lease or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

Landlord represents and warrants that from the later of (a) May 16, 2011, or (b) the date the City approached Landlord, or the date Landlord approached the City, as applicable, regarding the formulation of this Lease, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Landlord agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's

political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Landlord agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Notwithstanding anything to the contrary contained herein, Landlord agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this Lease or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Lease, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Lease, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Landlord intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the Closing, the City may elect to decline to close the transaction contemplated by this Lease.

For purposes of this provision:

(a) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fundraising committee.

(b) "Other Contract" means any other agreement with the City to which Landlord is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or Lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

(c) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

(d) Individuals are "domestic partners" if they satisfy the following criteria:

(i) they are each other's sole domestic partner, responsible for each other's common welfare; and

(ii) neither party is married; and

(iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(iv) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

(v) two of the following four conditions exist for the partners:

(1) The partners have been residing together for at least 12 months.

(2) The partners have common or joint ownership of a residence.

(3) The partners have at least two of the following arrangements:
(A) joint ownership of a motor vehicle;
(B) joint credit account;
(C) a joint checking account;
(D) a Lease for a residence identifying both domestic partners as Landlords.

(4) Each partner identifies the other partner as a primary beneficiary in a will.

(e) "Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

13.4 Waste Ordinance Provisions. In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Landlord warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Lease is executory, Landlord's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Lease, constitutes a breach of and an event of default under this Lease, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Commissioner of the Department of Fleet and Facility Management. Such breach and default entitles the City to all remedies under the Lease, at law or in equity. This section does not limit Landlord's, general contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Lease. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Lease, and may further affect the Landlord's eligibility for future contract awards.

13.5 Failure to Maintain Eligibility to do Business with City. Failure by Landlord or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this Lease and the transactions contemplated thereby. Landlord shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

13.6 Cooperation with Office of Inspector General and Legislative Inspector General. It is the duty of Landlord and any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of any such bidder, proposer, contractor, subcontractor or such

applicant to cooperate with the Legislative Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-55 of the Municipal Code, and to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. Landlord represents and warrants that it understands and will abide by all provisions of Chapter 2-55 and Chapter 2-56 of the Municipal Code and that Landlord will inform its contractors and subcontractors of this provision and require their compliance.

13.7 2011 City Hiring Plan Prohibitions.

(i) The Tenant is subject to the June 24, 2011 "City of Chicago Hiring Plan" (the "2011 City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2011 City Hiring Plan prohibits the Tenant from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Landlord is aware that Tenant policy prohibits Tenant employees from directing any individual to apply for a position with Landlord, either as an employee or as a subcontractor, and from directing Landlord to hire any individual as an employee or as a subcontractor. Accordingly, Landlord must follow its own hiring and contracting procedures, without being influenced by Tenant or Tenant employees. Any and all personnel provided by Landlord under this Lease are employees or subcontractors of Landlord, not employees of the City of Chicago. This Lease is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the Tenant and any personnel provided by Landlord.

(iii) Landlord will not condition, base, or knowingly prejudice or affect any term or term or aspect to the employment of any personnel provided under this Lease, or offer employment to any individual to provide services under this Lease, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Lease, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to Landlord by a Tenant employee or Tenant official in violation of Section 13.7, or advocating a violation of Section 13.7, Landlord will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the Tenant's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant Tenant department utilizing services provided under this Lease. Landlord will also cooperate with any inquiries by OIG Hiring Oversight.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO, AS FOLLOWS:

Section 1. **Incorporation of Recitals**. The recitals contained in the preambles to this Ordinance are hereby incorporated into this Ordinance by this reference. All capitalized terms used in this Ordinance, unless otherwise defined herein, shall have the meanings ascribed thereto in the Funding Loan Agreement.

Section 2. **Findings and Determinations**. The City Council hereby finds and determines that the delegations of authority that are contained in this Ordinance, including the authority to make the specific determinations described herein, are necessary and desirable because the City Council cannot itself as advantageously, expeditiously or conveniently exercise such authority and make such specific determinations. Thus, authority is granted to the Authorized Officer (as defined in **Section 4**) to establish the terms of the Funding Loan Agreement and related Note, the Borrower Loan Agreement and the related Borrower Note on such terms as and to the extent such officer determines that such terms are desirable and in the best financial interest of the City. Any such designation and determination by an Authorized Officer shall be signed in writing by such Authorized Officer and filed with the City Clerk and shall remain in full force and effect for all purposes of this Ordinance unless and until revoked, such revocation to be signed in writing by an Authorized Officer and filed with the City Clerk.

Section 3. **Deed**. The Mayor or his proxy is authorized to execute, and the City Clerk or the Deputy City Clerk is authorized to attest, one or more quitclaim deeds conveying the Property to TRP, for immediate reconveyance to the Borrower. Without limiting the quitclaim nature of the deed, such deed shall be subject to: the Redevelopment Plan for the Western/Ogden Redevelopment Area; standard exceptions in an ALTA title insurance policy; general real estate taxes and any special assessments or other taxes; all easements, encroachments, covenants and restrictions of record and not shown of record; such other title defects that may exist; and any and all exceptions caused by the acts of TRP, Borrower or either of their agents. Such conveyance also is subject to the following: the City makes no covenant, representation or warranty as to the soil or environmental condition of the Property or the suitability of the Property for any purposes whatsoever; TRP agrees to accept title to the Property "as is"; if after the closing of the City's conveyance of the Property to TRP, the soil or environmental condition of the Property is not in all respects entirely suitable for the Project, it shall be the sole responsibility and obligation of the Borrower to take such action as is necessary to put the Property in a condition suitable for the Project; and the Borrower agrees to release and indemnify the City from any claims and liabilities relating to or arising from the environmental condition of the Property (including, without limitation, under CERCLA) and to undertake and discharge all liabilities of the City arising from any environmental condition which existed on the Property prior to the City's conveyance of the Property to TRP.

Section 4. **Authorization of the Funding Loan Agreement, the Note, the Borrower Loan Agreement and Related Agreements**. Upon the approval and availability of the additional financing as shown in ***Exhibit A*** (the "**Additional Financing**"), the execution and delivery of the Funding Loan Agreement and the issuance of the Note in an aggregate principal amount of not to exceed $8,500,000 are hereby authorized. The aggregate principal amount of the Note to be issued shall be as set forth in the Funding Loan Notification referred to in **Section 7** below.

The Funding Loan Agreement and the Note shall contain a provision that they are executed and delivered under authority of this Ordinance. The maximum term of the Funding Loan shall not exceed forty-two (42) years from the date of execution and delivery of the Note. As used herein, the term "**Chief Financial Officer**" shall mean the Chief Financial Officer of the City appointed by the Mayor, or, if there is no such officer then holding said office, the City Comptroller.

The execution of the Tax Agreements by the Authorized Officer shall be

deemed conclusive evidence of the approval of the City Council to the terms provided in the Tax Agreements.

An Authorized Officer is hereby authorized to execute and deliver on behalf of the City such security or collateral documents securing payment of the Note as the Authorized Officer regards as appropriate, in substantially the form of the security documents used in previous issuances of tax-exempt bonds pursuant to programs similar to the Note, with appropriate revisions to reflect the terms and provisions of the Note and with such other revisions as the Authorized Officer executing the same shall determine are appropriate and consistent with the other provisions of this Ordinance. The execution of security or collateral documents by the Authorized Officer shall be deemed conclusive evidence of the approval of the City Council to the terms provided in such documents.

Section 5. **Security for the Funding Loan Agreement and the Note**. The obligations of the City under the Funding Loan Agreement and the Note shall be limited obligations of the City, payable solely from and/or secured by a pledge of the following security (other than certain Unassigned Rights of the City):

(a) all right, title and interest of the City in, to and under the Borrower Loan Agreement and the Borrower Note, including, without limitation, all rents, revenues and receipts derived by the City from the Borrower relating to the Project and including, without limitation, all Pledged Revenues, Borrower Loan Payments and Additional Borrower Payments (as such terms are defined in the Borrower Loan Agreement) derived by the City under and pursuant to, and subject to the provisions of, the Borrower Loan Agreement; provided that the pledge and assignment made under the Funding Loan Agreement shall not impair or diminish the obligations of the City under the provisions of the Borrower Loan Agreement;

(b) all right, title and interest of the City in, to and under, together with all rights, remedies, privileges and options pertaining to, the Funding Loan Agreement, and all other payments, revenues and receipts derived by the City under and pursuant to, and subject to the provisions of, the Funding Loan Agreement;

(c) any and all moneys and investments from time to time on deposit in, or forming a part of, all funds and accounts created and held under the Funding Loan Agreement, subject to the provisions of the Funding Loan Agreement permitting the application thereof for the purposes and on the terms and conditions set forth therein;

(d) any and all other real or personal property of every kind and nature or description, which may from time to time hereafter, by delivery or by writing of any kind, be subjected to the lien of the Funding Loan Agreement as additional security by the City or anyone on its part or with its consent, or which pursuant to any of the provisions of the Borrower Loan Agreement may come into the possession or control of the Funding Lender (as defined below) or a receiver appointed pursuant to the Funding Loan Agreement;

In order to secure the payment of the principal of, prepayment premium, if any, and interest on the Note, such rights, proceeds and investment income are hereby pledged to the extent and for the purposes as provided in the Funding Loan Agreement and are hereby appropriated for the purposes set forth in the Funding Loan Agreement. Nothing contained in this Ordinance shall limit or restrict the subordination of the pledge of such rights, proceeds and investment income as set forth in the Funding Loan Agreement to the payment of any other obligations of the City enjoying a lien or claim on such rights, proceeds and investment income as of the date of execution and delivery of the Funding Loan Agreement and the Note, all as shall be determined by the Authorized Officer at the time of the execution and delivery of the Funding Loan Agreement and the Note. The Funding Loan Agreement shall set forth such covenants with respect to the application of such rights, proceeds and investment income as shall be deemed necessary by the Authorized Officer in connection with the execution and delivery of the Funding Loan Agreement and the Note.

Section 6. **Delivery of the Funding Loan Agreement; Sale and Delivery of Note**. Subject to the terms and conditions of the Funding Loan Agreement and such additional terms as are set forth in the Funding Loan Notification with the approval of an Authorized Officer, the Note shall be sold and delivered to Citibank, or such other funding lender as approved by an Authorized Officer (the "**Funding Lender**"), and shall hold the Funding Loan Agreement and the Note, subject to the terms and conditions of the required transferee representations (the "**Required Transferee Representations**") which shall be delivered to the City by the Funding Lender. Any subsequent Funding Lender approved by an Authorized Officer, to the extent required under the Funding Loan Agreement, may succeed the initial Funding Lender as the registered holder of all or a portion of the Funding Loan, but only if such subsequent Funding Lender executes and delivers to the City the Required Transferee Representations, substantially in the form of the Required Transferee Representations set forth in the Funding Loan Agreement. The aggregate costs of origination of the Funding Loan paid from the proceeds of the Funding Loan to the Funding Lender shall not exceed one and one half percent (1.5%) of the aggregate principal amount of the Note.

Section 7. **Funding Loan Notification**. Subsequent to the execution and delivery of the Funding Loan Agreement and the sale of any Note, the Authorized Officer shall file in the Office of the City Clerk a Funding Loan Notification for such Funding Loan Agreement and the Note directed to the City Council setting forth (i) the aggregate original principal amount of, maturity schedule, redemption provisions for and nature of the Note sold, (ii) the extent of any tender rights to be granted to the holders of the Note, (iii) the identity of the Funding Lender, if different from Citibank, (iv) the interest rates on the Note and/or a description of the method of determining the interest rates applicable to the Note from time to time, (v) the origination fee or other compensation paid to the Funding Lender in connection with the origination of the Funding Loan and issuance of the Note, and (vi) any other matter authorized by this Ordinance to be determined by an Authorized Officer at the time of the sale of any Note. There shall be attached to such notification the final form of the Funding Loan Agreement, a specimen of each of the Note and the Borrower Loan Agreement.

Section 8. **Limited Obligations**. The Note, when issued and outstanding, will be a limited obligation of the City, payable solely as provided in the Funding Loan Agreement. The Note and the interest thereon shall never constitute a debt or general obligation or a pledge of the faith, the credit or the taxing power of the City within the meaning of any Constitutional or

statutory provision of the State of Illinois. The Note shall be payable solely from the funds pledged therefor pursuant to the terms of the Funding Loan Agreement herein described.

Section 9. **Use of Proceeds**. The proceeds from the Funding Loan (as evidenced by the sale of the Note) shall be deposited as provided in the Funding Loan Agreement and used for the Project.

Section 10. **Volume Cap**. The Funding Loan Agreement and the Note are obligations taken into account under Section 146 of the Code in the allocation of the City's volume cap.

Section 11. **Developer Designation.** The Developer is hereby designated as the developer for the Project pursuant to Section 5/11-74.4-4 of the Act.

Section 12. **Redevelopment Agreement.** Upon the approval and availability of the Additional Financing, the Commissioner of DPD or a designee thereof (the "**Authorized DPD Officer**") is hereby authorized, with the approval of the City's Corporation Counsel as to form and legality, to negotiate, execute and deliver the Redevelopment Agreement and such other supporting documents as may be necessary to carry out and comply with the provisions of such agreements, with such changes, deletions and insertions as shall be approved by the persons executing such agreements. The Redevelopment Agreement shall be in substantially the form attached hereto as ***Exhibit E*** and made a part hereof and hereby approved with such changes therein as shall be approved by the Authorized DPD Officer executing the same, with such execution to constitute conclusive evidence of such officer's approval of any changes or revisions from the form of Redevelopment Agreement attached to this Ordinance.

Section 13. **Payment of Incremental Taxes**. The City Council hereby finds that the City is authorized to pay an aggregate amount not in excess of $4,372,080 ("**City Funds**") from Incremental Taxes deposited in the general account of the TIF Fund to reimburse the Developer for a portion of the eligible costs included within the Project in accordance with the Redevelopment Agreement. The proceeds of the City Funds are hereby appropriated for the purposes set forth in this **Section 13.**

Section 14. **Maintenance and Use of TIF Fund**. Pursuant to the TIF Ordinance, the City has created the TIF Fund. The Chief Financial Officer of the City (or his or her designee) is hereby directed to maintain the TIF Fund as a segregated interest-bearing account, separate and apart from the City's Corporate Fund or any other fund of the City. Pursuant to the TIF Ordinance, all Incremental Taxes received by the City for the Area shall be deposited into the TIF Fund. The City shall use the funds in the TIF Fund to make payments pursuant to the terms of the Redevelopment Agreement.

Section 15. **Proxies**. Each Authorized Officer may designate another to act as their respective proxy and to affix their respective signatures to the Note, whether in temporary or definitive form, and to any other instrument, certificate or document required to be signed by such Authorized Officer pursuant to this Ordinance or the Funding Loan Agreement. In each case, each shall send to the City Council written notice of the person so designated by each, such notice stating the name of the person so selected and identifying the instruments, certificates and documents which such person shall be authorized to sign as proxy for the Mayor and the Authorized Officer, respectively. A written signature of the Mayor or the Authorized Officer, respectively, executed by the person so designated underneath, shall be attached to each notice. Each notice, with signatures attached, shall be recorded in the *Journal of Proceedings of the City Council of the City of Chicago* and filed with the City Clerk. When the

signature of the Mayor is placed on an instrument, certificate or document at the direction of the Mayor in the specified manner, the same, in all respects, shall be as binding on the City as if signed by the Mayor in person. When the signature of the Authorized Officer is so affixed to an instrument, certificate or document at the direction of the Authorized Officer in the specified manner, the same, in all respects, shall be as binding on the City as if signed by the Authorized Officer in person.

Section 16. **Additional Authorization**. Each Authorized Officer, the City Treasurer, and, upon the approval and availability of the Additional Financing as shown in ***Exhibit A*** (the "**Additional Financing**"), the Authorized DPD Officer are each hereby authorized to execute and deliver and the City Clerk and the Deputy City Clerk are each hereby authorized to enter into, execute and deliver such other documents and agreements, including, without limitation, any documents necessary to evidence the receipt or assignment of any collateral for the Funding Loan Agreement and the Note, the Borrower Loan Agreement or the Borrower Note from the Borrower, and perform such other acts as may be necessary or desirable in connection with the City Agreements (as defined in **Section 22** hereof), including, but not limited to, the exercise following the delivery date of the City Agreements of any power or authority delegated to such official under this Ordinance with respect to the City Agreements upon original execution and delivery, but subject to any limitations on, or restrictions of such power or authority as herein set forth. Notwithstanding anything contained herein (including but not limited to **Sections 4 and 12** hereof), if any portion of the Additional Financing is not approved and available at such time as the Authorized Officer and the Authorized DPD Officer otherwise deem it in the best interest of the City to execute the City Agreements, then the Authorized Officer and the Authorized DPD Officer may so execute the City Agreements (with such changes thereto as the Authorized Officer and the Authorized DPD Officer deem necessary and advisable) and any necessary ancillary documents and may impose such conditions upon the approval and availability of such Additional Financing as they deem necessary and advisable.

Section 17. **Affordable Housing Loan Authorization**. Upon the approval and availability of the Additional Financing, the Authorized DPD Officer is hereby authorized, subject to approval by the Corporation Counsel, to enter into and execute such agreements and instruments, and perform any and all acts as shall be necessary or advisable in connection with the implementation of the Affordable Housing Loan. The Authorized DPD Officer is hereby authorized, subject to the approval of the Corporation Counsel, to negotiate any and all terms and provisions in connection with the Affordable Housing Loan which do not substantially modify the terms described in ***Exhibit A*** hereto. Upon the execution and receipt of proper documentation, the Authorized DPD Officer is hereby authorized to disburse the proceeds of the Affordable Housing Loan to the Borrower.

Section 18. **Public Hearing**. This City Council hereby directs that the Note shall not be issued unless and until the requirements of Section 147(1) of the Code, including particularly the approval requirement following any required public hearing, have been fully satisfied, and that no contract, agreement or commitment to issue the Note shall be executed or undertaken prior to satisfaction of the requirements of said Section 147(f) unless the performance of said contract, agreement or commitment is expressly conditioned upon the prior satisfaction of such requirements. All such actions taken prior to the enactment of this Ordinance are hereby ratified and confirmed.

Section 19. **Severability**. If any provision of this Ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the remaining provisions of this Ordinance.

Section 20. **Administrative Fee.** DPD is hereby authorized to charge an administrative fee or fees in connection with the delivery and administration of the Funding Loan Agreement and the Note, which shall be collected under such terms and conditions as determined by the Authorized DPD Officer and which shall be in an amount as determined by the Authorized DPD Officer but not to exceed the maximum amount permitted under Section 148 of the Code to avoid characterization of the Funding Loan Agreement and the Note as "arbitrage bonds" as defined in such Section 148. Such administrative fee or fees shall be used by DPD for administrative expenses and other housing activities. Initially, such administrative fee or fees shall be an amount equal to (i) 1.5% of the original principal amount of the Note payable upon issuance of the Note, plus (ii) an on-going compliance fee of $25 per unit payable annually.

Section 21. **Reserve for Legal Expenses**. The City is authorized to assess a legal reserve fee with respect to the Project, payable upon issuance of the Note from the proceeds of the Note or from funds contributed by the Borrower, which shall be in an amount equal to 0.10% of the original principal amount of the Note. Such fee shall be used by the City to pay legal costs or other expenses in connection with the Project, the Note, or other City issuances.

Section 22. **No Recourse**. No recourse shall be had for the payment of the principal of, prepayment premium, if any, or interest on the Note or for any claim based thereon or upon any obligation, covenant or agreement contained in this Ordinance, the Funding Loan Agreement, the Note, the Borrower Loan Agreement, the Land Use Restriction Agreement, the Tax Agreements, the Redevelopment Agreement, or the Affordable Housing Loan (collectively, the "**City Agreements**") against any past, present or future officer, member or employee of the City, or any officer, employee, director or trustee of any successor, as such, either directly or through the City, or any such successor, under any rule of law or equity, statute or constitution or by the enforcement of any assessment or penalty or otherwise, and all such liability of any such member, officer, employee, director or trustee as such is hereby expressly waived and released as a condition of and consideration for the execution of the City Agreements and the issuance of the Note.

Section 23. **No Impairment**. To the extent that any ordinance, resolution, rule, order or provision of the Municipal Code, or part thereof, is in conflict with the provisions of this Ordinance, the provisions of this Ordinance shall be controlling. No provision of the Municipal Code or violation of any provision of the Municipal Code shall be deemed to render voidable at the option of the City any document, instrument or agreement authorized hereunder or to impair the validity of this Ordinance or the instruments authorized by this Ordinance or to impair the rights of the holders of the Funding Loan and the Note to receive payment of the principal of, prepayment premium, if any, or interest on the Note or to impair the security for the Funding Loan Agreement and the Note; provided further that the foregoing shall not be deemed to affect the availability of any other remedy or penalty for any violation of any provision of the Municipal Code. Section 2-45-110 of the Municipal Code shall not apply to the Project.

Section 24. **Effective Date**. This Ordinance shall be in full force and effect immediately upon its passage and approval.

Section 1.4. Designation of Time for Performance. Except as otherwise expressly provided herein, any reference in this Funding Loan Agreement to the time of day shall mean the time of day in the city where the Funding Lender maintains its place of business for the performance of its obligations under this Funding Loan Agreement.

ARTICLE II
TERMS; GOVERNMENTAL LENDER NOTE

Section 2.1. Terms.

(a) Principal Amount. The total aggregate principal amount of the Funding Loan is hereby expressly limited to the Authorized Amount.

(b) Draw-Down Funding. The Funding Loan is originated on a draw-down basis. The proceeds of the Funding Loan shall be advanced by the Funding Lender directly to the Borrower for the account of the Governmental Lender as and when needed to make each advance in accordance with the disbursement provisions of the Borrower Loan Agreement and this Funding Loan Agreement. Upon each advance of principal under the Borrower Loan Agreement and this Funding Loan Agreement, a like amount of the Funding Loan shall be deemed concurrently and simultaneously advanced under this Funding Loan Agreement, including the initial advance of $_____. Notwithstanding anything in this Funding Loan Agreement to the contrary, no additional amounts of the Funding Loan may be drawn down and

funded hereunder after December 31, 2017; provided, however, that upon the delivery of a Tax Counsel No Adverse Effect Opinion to the Governmental Lender and the Funding Lender such date may be changed to a later date as specified in such Tax Counsel No Adverse Effect Opinion. The Governmental Lender has reviewed and approved the form of Contingency Draw-Down Agreement and consents to the terms thereof and agrees to take all actions reasonably required of the Governmental Lender in connection with the conversion of the Funding Loan to a fully drawn loan pursuant to the provisions of the Contingency Draw-Down Agreement in the event a Draw-Down Notice is filed by the Funding Lender or the Borrower.

(c) Origination Date; Maturity. The Funding Loan shall be originated, and the Governmental Lender Note shall be issued, on the Closing Date and shall mature on the Maturity Date at which time the entire principal amount, to the extent not previously paid, and all accrued and unpaid interest, shall be due and payable.

(d) Principal. The outstanding principal amount of the Governmental Lender Note and of the Funding Loan as of any given date shall be the total amount advanced by the Funding Lender to or for the account of the Governmental Lender to fund corresponding advances under the Borrower Loan Agreement and this Funding Loan Agreement as proceeds of the Borrower Loan, less any payments of principal of the Governmental Lender Note previously received upon payment of corresponding principal amounts under the Borrower Note, including regularly scheduled principal payments and voluntary and mandatory prepayments. The principal amount of the Governmental Lender Note and interest thereon shall be payable on the basis specified in this paragraph (d) and in paragraphs (e) and (f) of this Section 2.1.

The Funding Lender shall keep a record of all principal advances and principal repayments made under the Governmental Lender Note and shall upon written request provide the Governmental Lender with a statement of the outstanding principal balance of the Governmental Lender Note and the Funding Loan.

(e) Interest. Interest shall be paid on the outstanding principal amount of the Governmental Lender Note at the rate or rates set forth in the Borrower Note and otherwise as set forth in the Borrower Loan Agreement.

(f) Corresponding Payments. The payment or prepayment of principal, interest and premium, if any, due on the Governmental Lender Note shall be identical with and shall be made on the same dates, terms and conditions, as the principal, interest, premiums, late payment fees and other amounts due on the Borrower Note. Any payment or prepayment made by the Borrower of principal, interest, premium, if any, due on the Borrower Note shall be deemed to be like payments or prepayments of principal, interest and premium, if any, due on the Governmental Lender Note.

(g) Usury. The Governmental Lender intends to conform strictly to the usury laws applicable to this Funding Loan Agreement and the Governmental Lender Note and all agreements made in the Governmental Lender Note, this Funding Loan Agreement and the Funding Loan Documents are expressly limited so that in no event whatsoever shall the amount paid or agreed to be paid as interest or the amounts paid for the use of money advanced or to be advanced hereunder exceed the highest lawful rate prescribed under any law which a court of competent jurisdiction may deem applicable hereto. If, from any circumstances whatsoever, the fulfillment of any provision of the Governmental Lender Note, this Funding Loan Agreement

or the other Funding Loan Documents shall involve the payment of interest in excess of the limit prescribed by any law which a court of competent jurisdiction may deem applicable hereto, then the obligation to pay interest hereunder shall be reduced to the maximum limit prescribed by law. If from any circumstances whatsoever, the Funding Lender shall ever receive anything of value deemed interest, the amount of which would exceed the highest lawful rate, such amount as would be excessive interest shall be deemed to have been applied, as of the date of receipt by the Funding Lender, to the reduction of the principal remaining unpaid hereunder and not to the payment of interest, or if such excessive interest exceeds the unpaid principal balance, such excess shall be refunded to the Borrower. This paragraph shall control every other provision of the Governmental Lender Note, this Funding Loan Agreement and all other Funding Loan Documents.

In determining whether the amount of interest charged and paid might otherwise exceed the limit prescribed by law, the Governmental Lender intends and agrees that (i) interest shall be computed upon the assumption that payments under the Borrower Loan Agreement and other Funding Loan Documents will be paid according to the agreed terms, and (ii) any sums of money that are taken into account in the calculation of interest, even though paid at one time, shall be spread over the actual term of the Funding Loan.

Section 2.2. Form of Governmental Lender Note. As evidence of its obligation to repay the Funding Loan, simultaneously with the delivery of this Funding Loan Agreement to the Funding Lender, the Governmental Lender hereby agrees to execute and deliver the Governmental Lender Note. The Governmental Lender Note shall be substantially in the form set forth in Exhibit A attached hereto, with such appropriate insertions, omissions, substitutions and other variations as are required or permitted by this Funding Loan Agreement and the Ordinance.

Section 2.3. Execution and Delivery of Governmental Lender Note. The Governmental Lender Note shall be executed on behalf of the Governmental Lender by the manual or facsimile signature of its Chief Financial Officer, and its corporate seal (or a facsimile thereof) shall be thereunto affixed, imprinted, engraved or otherwise reproduced, and attested by the manual or facsimile signature of its City Clerk or Deputy City Clerk. In case any officer of the Governmental Lender whose signature or facsimile signature shall appear on the Governmental Lender Note shall cease to be such officer before the Governmental Lender Note so signed and sealed shall have been actually delivered, such Governmental Lender Note may, nevertheless, be delivered as herein provided, and may be executed and delivered as if the persons who signed or sealed such Governmental Lender Note had not ceased to hold such offices or be so employed. The Governmental Lender Note may be signed and sealed on behalf of the Governmental Lender by such persons as, at the actual time of the execution of the Governmental Lender Note, shall be duly authorized or hold the proper office in or employment by the Governmental Lender, although at the date of the Governmental Lender Note such persons may not have been so authorized nor have held such office or employment.

Section 2.4. Required Transferee Representations; Participations; Sale and Assignment.

(a) The Funding Lender shall deliver to the Governmental Lender the Required Transferee Representations in substantially the form attached hereto as Exhibit B on the Closing Date.

(b) The Funding Lender shall have the right to sell (i) the Governmental Lender Note and the Funding Loan or (ii) any portion of or a participation interest in the Governmental Lender Note and the Funding Loan to the extent permitted by Section 2.4(c) below, provided that (A) such sale shall be only to Approved Transferees that execute and deliver to the Funding Lender, with a copy to the Governmental Lender, the Required Transferee Representations and (B) if any amendment is to be made to this Funding Loan Agreement or any other Funding Loan Document in conjunction with such transfer, a Tax Counsel No Adverse Effect Opinion.

(c) Notwithstanding the other provisions of this Section 2.4, no beneficial ownership interest in the Governmental Lender Note and Funding Loan shall be sold in an amount that is less than the Minimum Beneficial Ownership Amount.

(d) The Governmental Lender Note or any interest therein, shall be in fully-registered form transferable to subsequent holders only on the registration books which shall be maintained by the Funding Lender for such purpose and which shall be open to inspection by the Governmental Lender. The Governmental Lender Note shall not be transferred through the services of the Depository Trust Company or any other third party registrar.

(e) The parties agree that no rating shall be sought from a rating agency with respect to the Funding Loan or the Governmental Lender Note.

(f) No service charge shall be made for any sale or assignment of the Governmental Lender Note or a participation therein, but the Governmental Lender may require payment of a sum sufficient to cover any tax or other charge that may be imposed in connection with any such sale or assignment and payment of any fees and expenses incurred by the Governmental Lender in connection therewith. Such sums shall be paid in every instance by the purchaser or assignee of the Governmental Lender Note or a participation therein.

ARTICLE III
PREPAYMENT

Section 3.1. Prepayment of the Governmental Lender Note from Prepayment under the Borrower Note. The Governmental Lender Note is subject to voluntary and mandatory prepayment as follows:

(a) The Governmental Lender Note shall be subject to voluntary prepayment in full or in part by the Governmental Lender, from funds of the Governmental Lender received by the Governmental Lender to the extent and in the manner and on any date that the Borrower Note is subject to voluntary prepayment as set forth therein, at a prepayment price equal to the principal balance of the Borrower Note to be prepaid, plus interest thereon to the date of prepayment and the amount of any Prepayment Premium payable under the Borrower Note, plus any Additional Borrower Payments due and payable under the Borrower Loan Agreement through the date of prepayment.

The Borrower shall not have the right to voluntarily prepay all or any portion of the Borrower Note, thereby causing the Governmental Lender Note to be prepaid, except as specifically permitted in the Borrower Note, without the prior Written Consent of Funding Lender, which may be withheld in Funding Lender's sole and absolute discretion.

(b) The Governmental Lender Note shall be subject to mandatory prepayment in whole or in part upon prepayment of the Borrower Note at the direction of the Funding Lender in accordance with the terms of the Borrower Note at a prepayment price equal to the outstanding principal balance of the Borrower Note prepaid, plus accrued interest plus any other amounts payable under the Borrower Note or the Borrower Loan Agreement.

Section 3.2. Notice of Prepayment. Notice of prepayment of the Governmental Lender Note shall be deemed given to the extent that notice of prepayment of the Borrower Note is timely and properly given to Funding Lender in accordance with the terms of the Borrower Note and the Borrower Loan Agreement, and no separate notice of prepayment of the Governmental Lender Note is required to be given.

ARTICLE IV
SECURITY

Section 4.1. Security for the Funding Loan. To secure the payment of the Funding Loan and the Governmental Lender Note, to declare the terms and conditions on which the Funding Loan and the Governmental Lender Note are secured, and in consideration of the premises and of the funding of the Funding Loan by the Funding Lender, the Governmental Lender by these presents does grant, bargain, sell, remise, release, convey, assign, transfer, mortgage, hypothecate, pledge, set over and confirm to the Funding Lender (except as limited herein), a lien on and security interest in the following described property (excepting, however, in each case, the Unassigned Rights) (said property, rights and privileges being herein collectively called, the "**Security**"):

(a) All right, title and interest of the Governmental Lender in, to and under the Borrower Loan Agreement and the Borrower Note, including, without limitation, all rents, revenues and receipts derived by the Governmental Lender from the Borrower relating to the Project and including, without limitation, all Pledged Revenues, Borrower Loan Payments and Additional Borrower Payments derived by the Governmental Lender under and pursuant to, and subject to the provisions of, the Borrower Loan Agreement; provided that the pledge and assignment made under this Funding Loan Agreement shall not impair or diminish the obligations of the Governmental Lender under the provisions of the Borrower Loan Agreement;

(b) All right, title and interest of the Governmental Lender in, to and under, together with all rights, remedies, privileges and options pertaining to, the Funding Loan Documents, and all other payments, revenues and receipts derived by the Governmental Lender under and pursuant to, and subject to the provisions of, the Funding Loan Documents;

(c) Any and all moneys and investments from time to time on deposit in, or forming a part of, all funds and accounts created and held under this Funding Loan Agreement and any amounts held at any time in the Remaining Funding Loan Proceeds Account and the Remaining Funding Loan Proceeds Account Earnings Subaccount, any Negative Arbitrage Deposit and any other amounts held under the Contingency Draw-Down Agreement, subject to the provisions of this Funding Loan Agreement permitting the application thereof for the purposes and on the terms and conditions set forth herein; and

(d) Any and all other real or personal property of every kind and nature or description, which may from time to time hereafter, by delivery or by writing of any kind, be

subjected to the lien of this Funding Loan Agreement as additional security by the Governmental Lender or anyone on its part or with its consent, or which pursuant to any of the provisions hereof or of the Borrower Loan Agreement may come into the possession or control of the Funding Lender or a receiver appointed pursuant to this Funding Loan Agreement; and the Funding Lender is hereby authorized to receive any and all such property as and for additional security for the Funding Loan and the Governmental Lender Note and to hold and apply all such property subject to the terms hereof.

The pledge and assignment of and the security interest granted in the Security pursuant to this Section 4.1 for the payment of the principal of, premium, if any, and interest on the Governmental Lender Note, in accordance with its terms and provisions, and for the payment of all other amounts due hereunder, shall attach and be valid and binding from and after the time of the delivery of the Governmental Lender Note by the Governmental Lender. The Security so pledged and then or thereafter received by the Funding Lender shall immediately be subject to the lien of such pledge and security interest without any physical delivery or recording thereof or further act, and the lien of such pledge and security interest shall be valid and binding and prior to the claims of any and all parties having claims of any kind in tort, contract or otherwise against the Governmental Lender irrespective of whether such parties have notice thereof.

Section 4.2. Delivery of Security. To provide security for the payment of the Funding Loan and the Governmental Lender Note, the Governmental Lender has pledged and assigned to secure payment of the Funding Loan and the Governmental Lender Note its right, title and interest in the Security to the Funding Lender. In connection with such pledge, assignment, transfer and conveyance, the Governmental Lender shall deliver to the Funding Lender the following documents or instruments promptly following their execution and, to the extent applicable, their recording or filing:

(a) The Borrower Note endorsed without recourse to the Funding Lender by the Governmental Lender;

(b) The originally executed Borrower Loan Agreement and Regulatory Agreement;

(e) Uniform Commercial Code financing statements giving notice of the pledge by the Governmental Lender of the Security pledged under this Funding Loan Agreement.

The Governmental Lender shall deliver and deposit with the Funding Lender such additional documents, financing statements, and instruments as the Funding Lender may reasonably require from time to time for the better perfecting and assuring to the Funding Lender of its lien and security interest in and to the Security including, at the request of the

Funding Lender, any amounts held under the Contingency Draw-Down Agreement, at the expense of the Borrower.

Section 5.1. Source of Payment of Governmental Lender Note and Other Obligations; Disclaimer of General Liability. The Governmental Lender Note, together with premium, if any, and interest thereon, are special, limited obligations of the Governmental Lender, payable solely from the security pledged hereunder. The Governmental Lender Note is not a general obligation of the Governmental Lender or a charge against its general credit or the general credit taxing powers of the State, the Governmental Lender, or any other political subdivision thereof, and shall never give rise to any pecuniary liability of the Governmental Lender, and neither the Governmental Lender, the State nor any other political subdivision thereof shall be liable for the payments of principal of and, premium, if any, and interest on the Governmental Lender Note, and the Governmental Lender Note is payable from no other source, but are special, limited obligations of the Governmental Lender, payable solely out of the security pledged hereunder and receipts of the Governmental Lender derived pursuant to this Funding Loan Agreement. Section 5.2. Exempt from Individual Liability. No recourse shall be had for the payment of the principal of, premium, if any, or the interest on the Governmental Lender Note or for any claim based thereon or any obligation, covenant or agreement in this Funding Loan Agreement against any official, officer, agent, employee or independent contractor of the Governmental Lender or any person executing the Governmental Lender Note in his or her personal capacity. No covenant, stipulation, promise, agreement or obligation contained in the Governmental Lender Note, this Funding Loan Agreement or any other document executed in connection herewith shall be deemed to be the covenant, stipulation, promise, agreement or obligation of any present or future official, officer, agent or employee of the Governmental Lender in his or her individual capacity and neither any official of the Governmental Lender nor any officers executing the Governmental Lender Note shall be liable personally on the Governmental Lender Note or under this Funding Loan Agreement or be subject to any personal liability or accountability by reason of the execution and delivery of the Governmental Lender Note or the execution of this Funding Loan Agreement.

The Funding Lender and the Servicer, if any, are authorized to establish and create from time to time such other funds and accounts or subaccounts as may be necessary for the deposit of moneys (including, without limitation, insurance proceeds and/or condemnation awards), if any, received by the Governmental Lender, the Funding Lender or the Servicer pursuant to the terms hereof or any of the other Funding Loan Documents and not immediately transferred or disbursed pursuant to the terms of the Funding Loan Documents and/or the Borrower Loan Documents.

(a) The Governmental Lender is a municipality and home rule unit of local government duly organized and validly existing under the Constitution and laws of the State. The Governmental Lender has power and lawful authority to adopt the Ordinance, to execute and deliver the Funding Loan Documents to which it is a party (the "Governmental Lender Documents"), to execute and deliver the Governmental Lender Note and receive the proceeds of the Funding Loan, to apply the proceeds of the Funding Loan to make the Borrower Loan, to assign the revenues derived and to be derived by the Governmental Lender from the Borrower Loan to the Funding Lender, and to perform and observe the provisions of the Governmental Lender Documents and the Governmental Lender Note on its part to be performed and observed.

(b) The City Council of the Governmental Lender has approved the Ordinance and the Ordinance has not been amended, modified or rescinded and is in full force and effect as of the date hereof.

(c) The Governmental Lender has duly authorized the execution and delivery of each of the Funding Loan Agreement and the Governmental Lender Note and the performance of the obligations of the Governmental Lender thereunder.

(d) The Governmental Lender makes no representation or warranty, express or implied, that the proceeds of the Funding Loan will be sufficient to finance the acquisition, construction and equipping of the Project or that the Project will be adequate or sufficient for the Borrower's intended purposes.

(e) The revenues and receipts to be derived from the Borrower Loan Agreement, the Borrower Note and this Funding Loan Agreement have not been pledged previously by the Governmental Lender to secure any of its notes or bonds other than the repayment of the Funding Loan.

THE GOVERNMENTAL LENDER MAKES NO REPRESENTATION, COVENANT OR AGREEMENT AS TO THE FINANCIAL POSITION OR BUSINESS CONDITION OF THE BORROWER OR THE PROJECT AND DOES NOT REPRESENT OR WARRANT AS TO ANY STATEMENTS, MATERIALS, REPRESENTATIONS OR CERTIFICATIONS FURNISHED BY THE BORROWER IN CONNECTION WITH THE FUNDING LOAN OR THE BORROWER LOAN OR AS TO THE CORRECTNESS, COMPLETENESS OR ACCURACY THEREOF.

Section 8.2. Further Assurances. The Governmental Lender will do, execute, acknowledge, when appropriate, and deliver from time to time at the request of the Funding Lender, to the extent permitted by the Ordinance, such further acts, instruments, financing statements and other documents as are necessary or desirable to better assure, transfer, pledge or assign to the Funding Lender or holders of interest in the Funding Loan, and grant a security interest unto the Funding Lender or holders of interests in the Funding Loan in and to

the Security and the other properties and revenues herein described and otherwise to carry out the intent and purpose of the Funding Loan Documents and the Funding Loan.

Section 8.3. Payment of Funding Loan Obligations. The Governmental Lender will pay or cause to be paid the principal of, prepayment premium, if any, and the interest on the Funding Loan as the same become due, but solely from the Security, as described in Section 5.1 of this Funding Loan Agreement.

Section 8.4. Funding Loan Agreement Performance. The Funding Lender, on behalf of the Governmental Lender and with the Written Consent of the Governmental Lender, may (but shall not be required or obligated) perform and observe any such agreement or covenant of the Governmental Lender under this Funding Loan Agreement, all to the end that the Governmental Lender's rights under the Borrower Loan Agreement may be unimpaired and free from default.

Section 8.5. Servicer. The Funding Lender may appoint a Servicer to service and administer the Governmental Loan and the Borrower Loan on behalf of the Funding Lender, including without limitation the fulfillment of rights and responsibilities granted by Governmental Lender to Funding Lender pursuant to Section 2.1 of the Borrower Loan Agreement; provided, however, that no appointment of a Servicer shall release the Funding Lender from ultimate responsibility for any obligation hereunder.

Section 8.6. Tax Covenants. The Governmental Lender covenants to and for the benefit of the Funding Lender and any other holders of an interest in the Governmental Lender Note that, notwithstanding any other provisions of this Funding Loan Agreement or of any other instrument, it will:

(i) At all times do and perform all acts and things permitted by law and this Funding Loan Agreement which are necessary or desirable in order to assure, and will not knowingly take any action which will adversely affect, the tax-exempt status of the Governmental Lender Note; and

(ii) Not use or knowingly permit the use of any proceeds of the Funding Loan or other funds of the Governmental Lender, directly or indirectly, in any manner, and will not take or permit to be taken any other action or actions, which would result in any of the Governmental Lender Note being treated as an obligation not described in Section 142(a)(7) of the Code by reason of the Governmental Lender Note or interest thereon not meeting the requirements of Section 142(d) of the Code;

In furtherance of the covenants in this Section 8.6, the Governmental Lender and the Borrower shall execute, deliver and comply with the provisions of the Tax Compliance Agreement, which are by this reference incorporated into this Funding Loan Agreement and made a part of this Funding Loan Agreement as if set forth in this Funding Loan Agreement in full, and by its acceptance of this Funding Loan Agreement the Funding Lender acknowledges receipt of the Tax Compliance Agreement and acknowledges its incorporation in this Funding Loan Agreement by this reference. The Funding Lender agrees it will invest funds held under this Funding Loan Agreement in Permitted Investments in accordance with the direction of the Borrower and the terms of this Funding Loan Agreement and the Tax Compliance Agreement (this covenant shall extend throughout the term of the Funding Loan, to all funds and accounts

created under or in connection with this Funding Loan Agreement and all moneys on deposit to the credit of any Fund or Account); provided that the Funding Lender shall be deemed to have complied with such requirements and shall have no liability to the extent it reasonably follows directions of the Borrower not inconsistent with the terms of this Funding Loan Agreement and the Tax Compliance Agreement or otherwise complies with the provisions of the Funding Loan Agreement relating to funds and accounts.

For purposes of this Section 8.6 the Governmental Lender's compliance shall be based solely on matters within the Governmental Lender's control and no acts, omissions or directions of the Borrower, the Funding Lender or any other Persons shall be attributed to the Governmental Lender.

In complying with the foregoing covenants, the Governmental Lender may rely from time to time on a Tax Counsel No Adverse Effect Opinion or other appropriate opinion of Tax Counsel.

Section 8.7. Performance by the Borrower. Without relieving the Governmental Lender from the responsibility for performance and observance of the agreements and covenants required to be performed and observed by it hereunder, the Borrower, on behalf of the Governmental Lender and with the Written Consent of the Governmental Lender, may perform any such agreement or covenant if no Borrower Loan Agreement Default or Potential Default under the Borrower Loan Agreement exists.

Section 8.8. Repayment of Funding Loan. Subject to the provisions of Article V hereof, the Governmental Lender will duly and punctually repay, or cause to be repaid, but solely from the Security set forth in Article IV hereof, the Funding Loan, as evidenced by the Governmental Lender Note, as and when the same shall become due, all in accordance with the terms of the Governmental Lender Note and this Funding Loan Agreement.

Section 8.9. Borrower Loan Agreement Performance.

(a) The Servicer and the Funding Lender, on behalf of the Governmental Lender and with the Written Consent of the Governmental Lender, may (but shall not be required or obligated to) perform and observe any such agreement or covenant of the Governmental Lender under the Borrower Loan Agreement, all to the end that the Governmental Lender's rights under the Borrower Loan Agreement may be unimpaired and free from default.

(b) The Governmental Lender will promptly notify the Borrower, the Servicer and the Funding Lender in writing of the occurrence of any Borrower Loan Agreement Default, provided that the Governmental Lender has received written notice or otherwise has actual knowledge of such event; and further provided that the Governmental Lender shall have no liability to any person for its failure to provide any such notice so long as it has made a good faith effort to comply with such provisions.

(c) The Funding Lender will promptly notify the Borrower, the Servicer, if any, and the Governmental Lender in writing of the occurrence of any Event of Default or any Borrower Loan Agreement Default known to the Funding Lender.

Section 8.10. Maintenance of Records; Inspection of Records.

(a) The Funding Lender shall keep and maintain adequate records pertaining to the funds and accounts, if any, established hereunder, including all deposits to and disbursements from said funds and accounts and shall keep and maintain the registration books for the Funding Loan and interests therein. The Funding Lender shall retain in its possession all certifications and other documents presented to it, all such records and all records of principal, interest and prepayment premium, if any, paid on the Funding Loan, subject to the inspection of the Borrower, the Governmental Lender, the Servicer and their representatives at all reasonable times and upon reasonable prior notice.

(b) The Governmental Lender will at any and all times, upon the reasonable request of the Servicer, the Borrower or the Funding Lender, afford and procure a reasonable opportunity by their respective representatives to inspect the books, records, reports and other papers of the Governmental Lender relating to the Project and the Funding Loan, if any, and to make copies thereof.

Section 8.11. Representations and Warranties of the Funding Lender. The Funding Lender hereby represents to the Governmental Lender and the Borrower that it is duly authorized to enter into and perform this Funding Loan Agreement, and has full authority to take such action as it may deem advisable with respect to all matters pertaining to this Funding Loan Agreement.

Section 8.12. Funding Lender Limitations. Notwithstanding anything herein or in the Borrower Loan Agreement to the contrary, prior to the advancement by the Funding Lender of all advances of loan funds hereunder (and, by virtue hereof, under the Borrower Loan Agreement and the Construction Funding Agreement), and only prior to such final advancement of all loan funds hereunder, no notice to or consent of the Funding Lender shall be required under any provision of this Funding Loan Agreement or the Borrower Loan Agreement nor shall the Funding Lender have any right to receive notice of, consent to, direct or control any actions, restrictions, rights, remedies, waivers or acceleration pursuant to any provision of this Funding Loan Agreement or the Borrower Loan Agreement during any time that (a) any Material Funding Lender Event shall have occurred and be continuing; or (b) the Funding Loan Agreement and the Construction Funding Agreement are not in effect and all obligations of the Governmental Lender and the Borrower, including payment obligations, pursuant to the Funding Loan Agreement, Governmental Lender Note, Borrower Loan Agreement and Borrower Note have been fully satisfied.

ARTICLE IX
DEFAULT; REMEDIES

Section 9.1. Events of Default. Any one or more of the following shall constitute an event of default (an "**Event of Default**") under this Funding Loan Agreement (whatever the reason for such event and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(a) A default in the payment of any interest upon the Governmental Lender Note when such interest becomes due and payable; or

(b) A default in the payment of principal of, or premium on, the Governmental Lender Note when such principal or premium becomes due and payable, whether at its stated maturity, by declaration of acceleration or call for mandatory prepayment or otherwise; or

(c) Subject to Section 8.7 hereof, default in the performance or breach of any material covenant or warranty of the Governmental Lender in this Funding Loan Agreement (other than a covenant or warranty or default in the performance or breach of which is elsewhere in this Section specifically dealt with), and continuance of such default or breach for a period of 30 days after there has been given written notice, as provided in Section 11.1 hereof, to the Governmental Lender and the Borrower by the Funding Lender or the Servicer, specifying such default or breach and requiring it to be remedied and stating that such notice is a "Notice of Default" under this Funding Loan Agreement; provided that, so long as the Governmental Lender has commenced to cure such failure to observe or perform within the thirty (30) day cure period and the subject matter of the default is not capable of cure within said thirty (30) day period and the Governmental Lender is diligently pursuing such cure to the Funding Lender's satisfaction, with the Funding Lender's Written Direction or Written Consent, then the Governmental Lender shall have an additional period of time as reasonably necessary (not to exceed 30 days unless extended in writing by the Funding Lender) within which to cure such default; or

(d) A default in the payment of any Additional Borrower Payments; or

(e) Any other "Default" or "Event of Default" under any of the other Funding Loan Documents (taking into account any applicable grace periods therein).

Section 9.2. Acceleration of Maturity; Rescission and Annulment.

(a) Subject to the provisions of Section 9.9 hereof, upon the occurrence of an Event of Default under Section 9.1 hereof, then and in every such case, the Funding Lender may declare the principal of the Funding Loan and the Governmental Lender Note and the interest accrued to be immediately due and payable, by notice to the Governmental Lender and the Borrower and upon any such declaration, all principal of and Prepayment Premium, if any, and interest on the Funding Loan and the Governmental Lender Note shall become immediately due and payable.

(b) At any time after a declaration of acceleration has been made pursuant to subsection (a) of this Section, the Funding Lender may by Written Notice to the Governmental Lender, rescind and annul such declaration and its consequences if:

There has been deposited with the Funding Lender a sum sufficient to pay (1) all overdue installments of interest on the Governmental Lender Note, (2) the principal of and Prepayment Premium on the Governmental Lender Note that has become due otherwise than by such declaration of acceleration and interest thereon at the rate or rates prescribed therefor in the Governmental Lender Note, (3) to the extent that payment of such interest is lawful, interest upon overdue installments of interest at the rate or rates prescribed therefor in the Governmental Lender Note, and (4) all sums paid or advanced by the Funding Lender and the reasonable compensation, expenses, disbursements and advances of the Funding Lender, its agents and counsel (but only to the extent not duplicative with subclauses (1) and (3) above); and

All Events of Default, other than the non payment of the principal of the Government Lender Note which have become due solely by such declaration of acceleration, have been cured or have been waived in writing as provided in Section 9.9 hereof.

No such rescission and annulment shall affect any subsequent default or impair any right consequent thereon.

Notwithstanding the occurrence and continuation of an Event of Default, it is understood that the Funding Lender shall pursue no remedies against the Borrower or the Project if no Borrower Loan Agreement Default has occurred and is continuing. An Event of Default hereunder shall not in and of itself constitute a Borrower Loan Agreement Default or a default under any other Funding Loan Document.

Section 9.3. Additional Remedies; Funding Lender Enforcement.

(a) Upon the occurrence of an Event of Default, the Funding Lender may, subject to the provisions of this Section 9.3 and Section 9.9 hereof, proceed to protect and enforce its rights by mandamus or other suit, action or proceeding at law or in equity. No remedy conferred by this Funding Loan Agreement upon or remedy reserved to the Funding Lender is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and shall be in addition to any other remedy given to the Funding Lender hereunder or now or hereafter existing at law or in equity or by statute.

(b) Upon the occurrence and continuation of any Event of Default, the Funding Lender may proceed forthwith to protect and enforce its rights and this Funding Loan Agreement by such suits, actions or proceedings as the Funding Lender, in its sole discretion, shall deem expedient. Funding Lender shall have upon the occurrence and continuation of any Event of Default all rights, powers, and remedies with respect to the Security as are available under the Uniform Commercial Code applicable thereto or as are available under any other applicable law at the time in effect and, without limiting the generality of the foregoing, the Funding Lender may proceed at law or in equity or otherwise, to the extent permitted by applicable law:

(i) to take possession of the Security or any part thereof, with or without legal process, and to hold, service, administer and enforce any rights thereunder or thereto, and otherwise exercise all rights of ownership thereof, including (but not limited to) the sale of all or part of the Security;

(ii) to become mortgagee of record for the Borrower Loan including, without limitation, completing the assignment of the Security Instrument by the Governmental Lender to the Funding Lender as anticipated by this Funding Loan Agreement, and recording the same in the real estate records of the jurisdiction in which the Project is located, without further act or consent of the Governmental Lender, and to service and administer the same for its own account;

(iii) to service and administer the Funding Loan as agent and on behalf of the Governmental Lender or otherwise, and, if applicable, to take such actions necessary to

enforce the Borrower Loan Documents and the Funding Loan Documents on its own behalf, and to take such alternative courses of action, as it may deem appropriate; or

(iv) to take such steps to protect and enforce its rights whether by action, suit or proceeding in equity or at law for the specific performance of any covenant, condition or agreement in the Governmental Lender Note, this Funding Loan Agreement or the other Funding Loan Documents, or the Borrower Loan Documents, or in and of the execution of any power herein granted, or for foreclosure hereunder, or for enforcement of any other appropriate legal or equitable remedy or otherwise as the Funding Lender may elect.

Whether or not an Event of Default has occurred, and except as provided in Section 9.15, the Funding Lender, in its sole discretion, shall have the sole right to waive or forbear any term, condition, covenant or agreement of the Security Instrument, the Borrower Loan Agreement, the Borrower Note or any other Borrower Loan Documents or Funding Loan Documents applicable to the Borrower, or any breach thereof, other than a covenant that would adversely impact the tax-exempt status of the interest on the Governmental Lender Note, and provided that the Governmental Lender may enforce specific performance with respect to the Unassigned Rights.

If the Borrower defaults in the performance or observance of any covenant, agreement or obligation of the Borrower set forth in the Regulatory Agreement, and if such default remains uncured for a period of 60 days after the Borrower and the Funding Lender receive Written Notice stating that a default under the Regulatory Agreement has occurred and specifying the nature of the default, the Funding Lender shall have the right to seek specific performance of the provisions of the Regulatory Agreement or to exercise its other rights or remedies thereunder.

If the Borrower defaults in the performance of its obligations under the Borrower Loan Agreement to make rebate payments, to comply with any applicable continuing disclosure requirements, or to make payments owed pursuant to Sections 2.5, 5.14 or 5.15 of the Borrower Loan Agreement for fees, expenses or indemnification, the Funding Lender shall have the right to exercise all its rights and remedies thereunder (subject to the last paragraph of Section 9.14 hereof).

Section 9.4. Application of Money Collected. Any money collected by the Funding Lender pursuant to this Article and any other sums then held by the Funding Lender as part of the Security, shall be applied in the following order, at the date or dates fixed by the Funding Lender:

(a) First: To the payment of any and all fees due the Governmental Lender, the Servicer or the Rebate Analyst under the Borrower Loan Documents;

(b) Second: To the payment of any and all amounts due under the Funding Loan Documents other than with respect to principal and interest accrued on the Funding Loan;

(c) Third: To the payment of the whole amount of the Funding Loan, as evidenced by the Governmental Lender Note, then due and unpaid in respect of which or for the benefit of which such money has been collected, with interest (to the extent that such interest has been

collected or a sum sufficient therefor has been so collected and payment thereof is legally enforceable at the respective rate or rates prescribed therefor in the Governmental Lender Note) on overdue principal of, and Prepayment Premium and overdue installments of interest on the Governmental Lender Note; provided, however, that partial interests in any portion of the Governmental Lender Note shall be paid in such order of priority as may be prescribed by Written Direction of the Funding Lender in its sole and absolute discretion; and

(d) Fourth: The payment of the remainder, if any, to the Borrower or to whosoever may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

(e) If and to the extent this Section 9.4 conflicts with the provisions of the Servicing Agreement, the provisions of the Servicing Agreement shall control. Capitalized terms used in this Section 9.4 but not otherwise defined in this Funding Loan Agreement shall have the meanings given such terms in the Servicing Agreement.

Section 9.5. Remedies Vested in Funding Lender. All rights of action and claims under this Funding Loan Agreement or the Governmental Lender Note may be prosecuted and enforced by the Funding Lender without the possession of the Governmental Lender Note or the production thereof in any proceeding relating thereto.

Section 9.6. Restoration of Positions. If Funding Lender shall have instituted any proceeding to enforce any right or remedy under this Funding Loan Agreement and such proceeding shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Funding Lender, then and in every such case the Governmental Lender and the Funding Lender shall, subject to any determination in such proceeding, be restored to their former positions hereunder, and thereafter all rights and remedies of the Governmental Lender and the Funding Lender shall continue as though no such proceeding had been instituted.

Section 9.7. Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Funding Lender is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 9.8. Delay or Omission Not Waiver. No delay or omission of the Funding Lender to exercise any right or remedy accruing upon an Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Funding Lender may be exercised from time to time, and as often as may be deemed expedient, by Funding Lender. No waiver of any default or Event of Default pursuant to Section 9.9 hereof shall extend to or shall affect any subsequent default or Event of Default hereunder or shall impair any rights or remedies consequent thereon.

Section 9.9. Waiver of Past Defaults. Before any judgment or decree for payment of money due has been obtained by the Funding Lender, the Funding Lender may, subject to Section 9.6 hereof, by Written Notice to the Governmental Lender and the Borrower, waive any

past default hereunder or under the Borrower Loan Agreement and its consequences except for default in obligations due the Governmental Lender pursuant to or under the Unassigned Rights. Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Funding Loan Agreement and the Borrower Loan Agreement; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

Section 9.10. Remedies under Borrower Loan Agreement or Borrower Note. As set forth in this Section 9.10 but subject to Section 9.9 hereof, the Funding Lender shall have the right, in its own name or on behalf of the Governmental Lender, to declare any default and exercise any remedies under the Borrower Loan Agreement or the Borrower Note, whether or not the Governmental Lender Note has been accelerated or declared due and payable by reason of an Event of Default.

Section 9.11. Waiver of Appraisement and Other Laws.

(a) To the extent permitted by law, the Governmental Lender will not at any time insist upon, plead, claim or take the benefit or advantage of, any appraisement, valuation, stay, extension or redemption law now or hereafter in force, in order to prevent or hinder the enforcement of this Funding Loan Agreement; and the Governmental Lender, for itself and all who may claim under it, so far as it or they now or hereafter may lawfully do so, hereby waives the benefit of all such laws. The Governmental Lender, for itself and all who may claim under it, waives, to the extent that it may lawfully do so, all right to have the property in the Security marshaled upon any enforcement hereof.

(b) If any law now in effect prohibiting the waiver referred to in Section 9.11(a) shall hereafter be repealed or cease to be in force, such law shall not thereafter be deemed to constitute any part of the contract herein contained or to preclude the application of this Section 9.11.

Section 9.12. Suits to Protect the Security. The Funding Lender shall have power to institute and to maintain such proceedings as it may deem expedient to prevent any impairment of the Security by any acts that may be unlawful or in violation of this Funding Loan Agreement and to protect its interests in the Security and in the rents, issues, profits, revenues and other income arising therefrom, including power to institute and maintain proceedings to restrain the enforcement of or compliance with any Governmental enactment, rule or order that may be unconstitutional or otherwise invalid, if the enforcement of or compliance with such enactment, rule or order would impair the security hereunder or be prejudicial to the interests of the Funding Lender.

Section 9.13. Remedies Subject to Applicable Law. All rights, remedies and powers provided by this Article may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law in the premises, and all the provisions of this Article are intended to be subject to all applicable mandatory provisions of law which may be controlling in the premises and to be limited to the extent necessary so that they will not render this Funding Loan Agreement invalid, unenforceable or not entitled to be recorded, registered or filed under the provisions of any applicable law.

Section 9.14. Assumption of Obligations. In the event that the Funding Lender or its permitted assignee or designee in accordance with Section 2.4 hereof shall become the legal or beneficial owner of the Project by foreclosure or deed in lieu of foreclosure, such party shall succeed to the rights and the obligations of the Borrower under the Borrower Loan Agreement, the Borrower Note, the Regulatory Agreement and any other Funding Loan Documents to which the Borrower is a party. Such assumption shall be effective from and after the effective date of such acquisition and shall be made with the benefit of the limitations of liability set forth therein and without any liability for the prior acts of the Borrower.

It is the intention of the parties hereto that upon the occurrence and continuance of an Event of Default hereunder, rights and remedies may be pursued pursuant to the terms of the Funding Loan Documents, subject to the last paragraph of Section 9.2.

Section 9.15. Remedies upon Unremedied Material Funding Lender Event. Upon the occurrence of a Material Funding Lender Event which shall continue unremedied for a period of 60 days (a "**Funding Lender Event of Default**"), (i) the Governmental Lender may direct that the Governmental Lender Note be transferred to and obligations and liabilities thereunder be assumed by another lender approved to act as Funding Lender by the Governmental Lender pursuant to Section 2.4(b) hereof and acceptable to the Borrower; provided, however, that no such transfer shall become effective until the Funding Lender has been fully reimbursed for all advances made and all expenses incurred and all other amounts owed to Funding Lender with respect to the Governmental Lender Note through the date of transfer, and shall be fully released in writing by the Governmental Lender, the Borrower and the successor Funding Lender from any and all continuing obligations and liabilities with respect to the Funding Loan and, unless the loss has not in any material respect been caused by the action or inaction of the Borrower, be indemnified by the Borrower for any losses incurred by Funding Lender with respect thereto (except for losses resulting from remedies awarded at law or equity pursuant to clause (ii) below, as to which no indemnity shall be provided), and (ii) the Governmental Lender (or the Borrower pursuant to the Borrower Loan Agreement or this Funding Loan Agreement) may pursue any other remedy available at law or in equity.

ARTICLE X
AMENDMENT; AMENDMENT OF BORROWER LOAN AGREEMENT AND OTHER DOCUMENTS

Section 10.1. Amendment of Funding Loan Agreement. Any of the terms of this Funding Loan Agreement and the Governmental Lender Note may be amended or waived only by an instrument signed by the Funding Lender and the Governmental Lender, provided, however, no such amendment which materially affects the rights, duties, obligations or other interests of the Borrower shall be made without the consent of the Borrower, and, provided further, that if the Borrower is in default under any Funding Loan Document, no Borrower consent shall be required unless such amendment has a material adverse effect on the rights, duties, obligations or other interests of the Borrower. All of the terms of this Funding Loan Agreement shall be binding upon the successors and assigns of and all persons claiming under or through the Governmental Lender or any such successor or assign, and shall inure to the benefit of and be enforceable by the successors and assigns of the Funding Lender.

Section 10.2. Amendments Requiring Funding Lender Consent. The Governmental Lender shall not consent to any amendment, change or modification of the Borrower Loan

Agreement or any other Borrower Loan Document or Funding Loan Document without the prior Written Consent of the Funding Lender; provided, however, that such prior Written Consent shall not be required with respect to any such amendment, change or modification undertaken by the Governmental Lender in order to preserve one or more of its Unassigned Rights. Governmental Lender agrees to provide the Funding Lender with prompt notification of any such amendments, modifications or changes not requiring the prior Written Consent of the Funding Lender.

Section 10.3. Consents and Opinions. No amendment to this Funding Loan Agreement or any other Funding Loan Document entered into under this Article X or any amendment, change or modification otherwise permitted under this Article X shall become effective unless and until (i) the Funding Lender shall have approved the same in writing in its sole discretion and (ii) the Funding Lender and the Governmental Lender shall have received, at the expense of the Borrower, a Tax Counsel No Adverse Effect Opinion and an Opinion of Counsel to the effect that any such proposed amendment is authorized and complies with the provisions of this Funding Loan Agreement and is a legal, valid and binding obligation of the parties thereto, subject to normal exceptions relating to bankruptcy, insolvency and equitable principles limitations. No modification or amendment of the terms of the Borrower Loan Agreement or the Borrower Note may be undertaken without the prior Written Consent of the Governmental Lender and the Funding Lender and the provision to the Funding Lender and the Governmental Lender, at the expense of the Borrower, of a Tax Counsel No Adverse Effect Opinion with regard to such proposed modification.

Any consents required pursuant to this Article X from, or on behalf of, the Governmental Lender may be executed by an Authorized City Representative.

Section 11.4. Legal Holidays. In any case in which the date of payment of any amount due hereunder or the date on which any other act is to be performed pursuant to this Funding Loan Agreement shall be a day that is not a Business Day, then payment of such amount or such act need not be made on such date but may be made on the next succeeding Business Day, and such later payment or such act shall have the same force and effect as if made on the

If any provision of this Funding Loan Agreement shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining portions shall not in any way be affected or impaired. In case any covenant, stipulation, obligation or agreement contained in the Governmental Lender Note or in this Funding Loan Agreement shall for any reason be held to be usurious or in violation of law, then such covenant, stipulation, obligation or agreement shall be deemed to be the covenant, stipulation, obligation or agreement of the Governmental Lender or the Funding Lender only to the full extent permitted by law.

CITY OF CHICAGO
$_____ MULTI-FAMILY MORTGAGE REVENUE NOTE
(CASA QUERETARO APARTMENTS), SERIES 2014

DATED _____, 2014 **not to exceed** $[FUNDING LOAN AMOUNT]

FOR VALUE RECEIVED, the undersigned CITY OF CHICAGO ("Obligor") promises to pay to the order of CITIBANK, N.A. ("Holder") the maximum principal sum of _____ Thousand and no/100 Dollars $_____, on ____ ___, 20___, or earlier as provided herein, together with interest thereon at the rates, at the times and in the amounts provided below.

Obligor shall pay to the Holder on or before each date on which payment is due under that certain Funding Loan Agreement, dated as of October 1, 2014 (the "Funding Loan Agreement"), between Obligor and Holder, an amount in immediately available funds sufficient to pay the principal amount of and Prepayment Premium, if any, on the Funding Loan then due and payable, whether by maturity, acceleration, prepayment or otherwise. In the event that amounts held derived from proceeds of the Borrower Loan, condemnation awards or insurance proceeds or investment earnings thereon are applied to the payment of principal due on the Funding Loan in accordance with the Funding Loan Agreement, the principal amount due hereunder shall be reduced to the extent of the principal amount of the Funding Loan so paid. Capitalized terms not otherwise defined herein shall have the meaning assigned in the Funding Loan Agreement.

Obligor shall pay to the Holder on or before each date on which interest on the Funding Loan is payable interest on the unpaid balance hereof in an amount in immediately available funds sufficient to pay the interest on the Funding Loan then due and payable in the amounts and at the rate or rates set forth in the Funding Loan Agreement.

The Funding Loan and this Governmental Lender Note are pass-through obligations relating to a construction loan (the "Borrower Loan") made by Obligor from proceeds of the Funding Loan to Casa Queretaro LP, an Illinois limited partnership, as borrower (the "Borrower"), under that certain Borrower Loan Agreement, dated as of October 1, 2014 (as the same may be modified, amended or supplemented from time to time, the "Borrower Loan Agreement"), between the Obligor and the Borrower, evidenced by the Borrower Note (as defined in the Borrower Loan Agreement). Reference is made to the Borrower Loan Agreement

and to the Borrower Note for complete payment and prepayment terms of the Borrower Note, payments on which are passed-through under the Governmental Lender Note.

This Governmental Lender Note is a limited obligation of the Obligor, payable solely from the Pledged Revenues and other funds and moneys and Security pledged and assigned under the Funding Loan Agreement. This Governmental Lender Note is not a general obligation of the Governmental Lender or a charge against its general credit or the general credit taxing powers of the State, the Governmental Lender, or any other political subdivision thereof, and shall never give rise to any pecuniary liability of the Governmental Lender, and neither the Governmental Lender, the State nor any other political subdivision thereof shall be liable for the payments of principal of and, premium, if any, and interest on this Governmental Lender Note, and the Governmental Lender Note is payable from no other source, but are special, limited obligations of the Governmental Lender, payable solely out of the security pledged hereunder and receipts of the Governmental Lender derived pursuant to this Funding Loan Agreement. No holder of this Governmental Lender Note or any interest therein has the right to compel any exercise of the taxing power of the State, the Governmental Lender or any other political subdivision thereof to pay the Governmental Lender Note or the interest or premium, if any, thereon.

All capitalized terms used but not defined herein shall have the meanings ascribed to them in the Funding Loan Agreement or in the Borrower Loan Agreement.

This Governmental Lender Note is subject to the express condition that at no time shall interest be payable on this Governmental Lender Note or the Funding Loan at a rate in excess of the Maximum Rate provided in the Funding Loan Agreement; and Obligor shall not be obligated or required to pay, nor shall the Holder be permitted to charge or collect, interest at a rate in excess of such Maximum Rate. If by the terms of this Governmental Lender Note or of the Funding Loan Agreement, Obligor is required to pay interest at a rate in excess of such Maximum Rate, the rate of interest hereunder or thereunder shall be deemed to be reduced immediately and automatically to such Maximum Rate, and any such excess payment previously made shall be immediately and automatically applied to the unpaid balance of the principal sum hereof and not to the payment of interest.

Amounts payable hereunder representing late payments, penalty payments or the like shall be payable to the extent allowed by law.

This Governmental Lender Note is subject to all of the terms, conditions, and provisions of the Funding Loan Agreement, including those respecting prepayment and the acceleration of maturity.

If there is an Event of Default under the Funding Loan Documents, then in any such event and subject to the requirements set forth in the Funding Loan Agreement, the Holder may declare the entire unpaid principal balance of this Governmental Lender Note and accrued interest, if any, due and payable at once. All of the covenants, conditions and agreements contained in the Funding Loan Documents are hereby made part of this Governmental Lender Note.

No delay or omission on the part of the Holder in exercising any remedy, right or option under this Governmental Lender Note or the Funding Loan Documents shall operate as a

waiver of such remedy, right or option. In any event a waiver on any one occasion shall not be construed as a waiver or bar to any such remedy, right or option on a future occasion. The rights, remedies and options of the Holder under this Governmental Lender Note and the Funding Loan Documents are and shall be cumulative and are in addition to all of the rights, remedies and options of the Holder at law or in equity or under any other agreement.

Obligor shall pay all costs of collection on demand by the Holder, including without limitation, reasonable attorneys' fees and disbursements, which costs may be added to the indebtedness hereunder, together with interest thereon, to the extent allowed by law, as set forth in the Funding Loan Agreement.

This Governmental Lender Note may not be changed orally. Presentment for payment, notice of dishonor, protest and notice of protest are hereby waived. The acceptance by the Holder of any amount after the same is due shall not constitute a waiver of the right to require prompt payment, when due, of all other amounts due hereunder. The acceptance by the Holder of any sum in an amount less than the amount then due shall be deemed an acceptance on account only and upon condition that such acceptance shall not constitute a waiver of the obligation of Obligor to pay the entire sum then due, and Obligor's failure to pay such amount then due shall be and continue to be a default notwithstanding such acceptance of such amount on account, as aforesaid. Consent by the Holder to any action of Obligor which is subject to consent or approval of the Holder hereunder shall not be deemed a waiver of the right to require such consent or approval to future or successive actions.

(Remainder of this page intentionally left blank)

IN WITNESS WHEREOF, the undersigned has duly executed and delivered this Governmental Lender Note or caused this Governmental Lender Note to be duly executed and delivered by its authorized representative as of the date first set forth above. Section 2.7. Calculation of Interest Payments and Deposits to Real Estate Related Reserve Funds. The Borrower acknowledges as follows: (a) calculation of all interest payments shall be made by the Funding Lender; (b) deposits with respect to the Taxes and Other Charges shall be calculated by the Servicer or if there is no Servicer, the Funding Lender in accordance with the Security Instrument; and (c) deposits with respect to any replacement reserve funds required by the Funding Lender shall be calculated by the Servicer in accordance with the Replacement Reserve Agreement. In the event and to the extent that the Servicer or the Funding Lender, pursuant to the terms hereof, shall determine at any time that there exists a deficiency in amounts previously owed but not paid with respect to deposits to such replacement reserve fund, such deficiency shall be immediately due and payable hereunder following Written Notice to the Borrower.

Section 2.8. Grant of Security Interest; Application of Funds. To the extent not inconsistent with the Security Instrument and as security for payment of the Borrower Payment Obligations and the performance by the Borrower of all other terms, conditions and provisions of the Borrower Loan Documents, the Borrower hereby pledges and assigns to the Funding Lender, and grants to the Funding Lender, a security interest in, all the Borrower's right, title and interest in and to all payments to or moneys held in the funds and accounts created and held by the Funding Lender or the Servicer for the Project. This Borrower Loan Agreement is, among other things, intended by the parties to be a security agreement for purposes of the UCC. Upon

the occurrence and during the continuance of an Event of Default hereunder, the Funding Lender and the Servicer shall apply or cause to be applied any sums held by the Funding Lender and the Servicer with respect to the Project in any manner and in any order determined by Funding Lender, in Funding Lender's sole and absolute discretion.

Section 2.9. Marshalling; Payments Set Aside. The Governmental Lender and Funding Lender shall be under no obligation to marshal any assets in favor of Borrower or any other Person or against or in payment of any or all of the proceeds. To the extent that Borrower makes a payment or payments or transfers any assets to the Governmental Lender or Funding Lender, or the Governmental Lender or Funding Lender enforces its liens, and such payment or payments or transfers, or the proceeds of such enforcement or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party in connection with any insolvency proceeding, or otherwise, then: (i) any and all obligations owed to the Governmental Lender or Funding Lender and any and all remedies available to the Governmental Lender or Funding Lender under the terms of the Borrower Loan Documents and the Funding Loan Documents or in law or equity against Borrower, Guarantor or General Partner and/or any of their properties shall be automatically revived and reinstated to the extent (and only to the extent) of any recovery permitted under clause (ii) below; and (ii) the Governmental Lender and Funding Lender shall be entitled to recover (and shall be entitled to file a proof of claim to obtain such recovery in any applicable bankruptcy, insolvency, receivership or fraudulent conveyance or fraudulent transfer proceeding) either: (x) the amount of payments or the value of the transfer or (y) if the transfer has been undone and the assets returned in whole or in part, the value of the consideration paid to or received by Borrower for the initial asset transfer, plus in each case any deferred interest from the date of the disgorgement to the date of distribution to the Governmental Lender or Funding Lender in any bankruptcy, insolvency, receivership or fraudulent conveyance or fraudulent transfer proceeding, and any costs and expenses due and owing, including, without limitation, any reasonable attorneys' fees incurred by the Governmental Lender or Funding Lender in connection with the exercise by the Governmental Lender or Funding Lender of its rights under this Section 2.9.

Section 2.10. Borrower Loan Disbursements. The Borrower Loan shall be disbursed by the Funding Lender, as agent for the Governmental Lender, pursuant to the Funding Loan Agreement.

ARTICLE III
[RESERVED]

ARTICLE IV
REPRESENTATIONS AND WARRANTIES

Section 4.1. Borrower Representations. To induce the Governmental Lender to execute this Borrower Loan Agreement and to induce Funding Lender to make Disbursements, Borrower represents and warrants for the benefit of the Governmental Lender, Funding Lender and the Servicer, that the representations and warranties set forth in this Section 4.1 are complete and accurate as of the Closing Date and will be complete and accurate, and deemed remade, as of the date of each Disbursement and as of the Maturity Date in accordance with the terms and conditions of the Borrower Note. Subject to Section 4.2 hereof, the representations, warranties and agreements set forth in this Section 4.1 shall survive the making of the Borrower Loan, and shall remain in effect and true and correct in all material respects until the Borrower Loan and all other Payment Obligations have been repaid in full.

Section 4.1.1 Organization; Special Purpose. The Borrower is in good standing under the laws of the State (and under the laws of the state in which the Borrower was formed if the Borrower was not formed under the laws of the State), has full legal right, power and authority to enter into the Borrower Loan Documents to which it is a party, and to carry out and consummate all transactions contemplated by the Borrower Loan Documents to which it is a party, and by proper corporate limited partnership or limited liability company action, as appropriate has duly authorized the execution, delivery and performance of the Borrower Loan Documents to which it is a party. The Person(s) of the Borrower executing the Borrower Loan Documents and the Funding Loan Documents to which the Borrower is a party are fully authorized to execute the same. The Borrower Loan Documents and the Funding Loan Documents to which the Borrower is a party have been duly authorized, executed and delivered by the Borrower. The sole business of the Borrower is the ownership, management and operation of the Project.

Section 4.1.2 Proceedings; Enforceability. Assuming due execution and delivery by the other parties thereto, the Borrower Loan Documents and the Funding Loan Documents to which the Borrower is a party will constitute the legal, valid and binding agreements of the Borrower enforceable against the Borrower in accordance with their terms; except in each case as enforcement may be limited by bankruptcy, insolvency or other laws affecting the enforcement of creditors' rights generally, by the application of equitable principles regardless of whether enforcement is sought in a proceeding at law or in equity and by public policy.

Section 4.1.3 No Conflicts. The execution and delivery of the Borrower Loan Documents and the Funding Loan Documents to which the Borrower is a party, the consummation of the transactions herein and therein contemplated and the fulfillment of or compliance with the terms and conditions hereof and thereof, will not conflict with or constitute a violation or breach of or default (with due notice or the passage of time or both) under the Partnership Agreement of the Borrower, or to the best knowledge of the Borrower and with respect to the Borrower, any applicable law or administrative rule or regulation, or any applicable court or administrative decree or order, or any mortgage, deed of trust, loan agreement, lease, contract or other agreement or instrument to which the Borrower is a party or by which it or its properties are otherwise subject or bound, or result in the creation or imposition of any lien, charge or encumbrance of any nature whatsoever upon any of the property or assets of the Borrower, which conflict, violation, breach, default, lien, charge or encumbrance might have consequences that would materially and adversely affect the consummation of the transactions contemplated by the Borrower Loan Documents and the Funding Loan Documents, or the financial condition, assets, properties or operations of the Borrower.

Section 4.1.4 Litigation; Adverse Facts. There is no Legal Action, nor is there a basis known to Borrower for any Legal Action, before or by any court or federal, state, municipal or other governmental authority, pending, or to the knowledge of the Borrower, after reasonable investigation, threatened, against or affecting the Borrower, the General Partner or the Guarantor, or their respective assets, properties or operations which, if determined adversely to the Borrower or its interests, would have a material adverse effect upon the consummation of the transactions contemplated by, or the validity of, the Borrower Loan Documents or the Funding Loan Documents, upon the ability of each of Borrower, General Partner and Guarantor to perform their respective obligations under the Borrower Loan Documents, the Funding Loan Documents and the Related Documents to which it is a party, or upon the financial condition, assets (including the Project), properties or operations of the Borrower, the General Partner or the Guarantor, none of the Borrower, General Partner or

Guarantor is in default (and no event has occurred and is continuing which with the giving of notice or the passage of time or both could constitute a default) with respect to any order or decree of any court or any order, regulation or demand of any federal, state, municipal or other governmental authority, which default might have consequences that would materially and adversely affect the consummation of the transactions contemplated by the Borrower Loan Documents and the Funding Loan Documents, the ability of each of Borrower, General Partner and Guarantor to perform their respective obligations under the Borrower Loan Documents, the Funding Loan Documents and the Related Documents to which it is a party, or the financial condition, assets, properties or operations of the Borrower, General Partner or Guarantor. None of Borrower, General Partner or Guarantor are (a) in violation of any applicable law, which violation materially and adversely affects or may materially and adversely affect the business, operations, assets (including the Project), condition (financial or otherwise) or prospects of Borrower, General Partner or Guarantor, as applicable; (b) subject to, or in default with respect to, any other Legal Requirement that would have a material adverse effect on the business, operations, assets (including the Project), condition (financial or otherwise) or prospects of Borrower, General Partner or Guarantor, as applicable; or (c) in default with respect to any agreement to which Borrower, General Partner or Guarantor, as applicable, are a party or by which they are bound, which default would have a material adverse effect on the business, operations, assets (including the Project), condition (financial or otherwise) or prospects of Borrower, General Partner or Guarantor, as applicable; and (d) there is no Legal Action pending or, to the knowledge of Borrower, threatened against or affecting Borrower, General Partner or Guarantor questioning the validity or the enforceability of this Borrower Loan Agreement or any of the other Borrower Loan Documents or the Funding Loan Documents or of any of the Related Documents. All tax returns (federal, state and local) required to be filed by or on behalf of the Borrower have been filed, and all taxes shown thereon to be due, including interest and penalties, except such, if any, as are being actively contested by the Borrower in good faith, have been paid or adequate reserves have been made for the payment thereof which reserves, if any, are reflected in the audited financial statements described therein. The Borrower enjoys the peaceful and undisturbed possession of all of the premises upon which it is operating its facilities.

Section 4.1.5 Agreements; Consents; Approvals. Except as contemplated by the Borrower Loan Documents and the Funding Loan Documents, the Borrower is not a party to any agreement or instrument or subject to any restriction that would materially adversely affect the Borrower, the Project, or the Borrower's business, properties, operations or financial condition or business prospects, except the Permitted Encumbrances. The Borrower is not in default in any material respect in the performance, observance or fulfillment of any of the obligations, covenants or conditions contained in any Permitted Encumbrance or any other agreement or instrument to which it is a party or by which it or the Project is bound.

No consent or approval of any trustee or holder of any indebtedness of the Borrower, and to the best knowledge of the Borrower and only with respect to the Borrower, no consent, permission, authorization, order or license of, or filing or registration with, any governmental authority (except no representation is made with respect to any state securities or "blue sky" laws) is necessary in connection with the execution and delivery of the Borrower Loan Documents or the Funding Loan Documents, or the consummation of any transaction herein or therein contemplated, or the fulfillment of or compliance with the terms and conditions hereof or thereof, except as have been obtained or made and as are in full force and effect.

Section 4.1.6 Title. The Borrower shall have marketable title to the Project, free and clear of all Liens except the Permitted Encumbrances. The Security Instrument, when

properly recorded in the appropriate records, together with any UCC financing statements required to be filed in connection therewith, will create (i) a valid, perfected first priority lien on the fee (or leasehold, if applicable) interest in the Project and (ii) perfected security interests in and to, and perfected collateral assignments of, all personalty included in the Project (including the Leases), all in accordance with the terms thereof, in each case subject only to any applicable Permitted Encumbrances. To the Borrower's knowledge, there are no delinquent real property taxes or assessments, including water and sewer charges, with respect to the Project, nor are there any claims for payment for work, labor or materials affecting the Project which are or may become a Lien prior to, or of equal priority with, the Liens created by the Borrower Loan Documents and the Funding Loan Documents.

Section 4.1.7 Survey. To the best knowledge of the Borrower, the survey for the Project delivered to the Governmental Lender and the Funding Lender does not fail to reflect any material matter affecting the Project or the title thereto.

Section 4.1.8 No Bankruptcy Filing. The Borrower is not contemplating either the filing of a petition by it under any state or federal bankruptcy or insolvency law or the liquidation of all or a major portion of its property (a "**Bankruptcy Proceeding**"), and the Borrower has no knowledge of any Person contemplating the filing of any such petition against it. As of the Closing Date, the Borrower has the ability to pay its debts as they become due.

Section 4.1.9 Full and Accurate Disclosure. No statement of fact made by the Borrower in any Borrower Loan Document or any Funding Loan Document contains any untrue statement of a material fact or omits to state any material fact necessary to make statements contained therein in light of the circumstances in which they were made, not misleading. There is no material fact or circumstance presently known to the Borrower that has not been disclosed to the Governmental Lender and the Funding Lender which materially and adversely affects the Project or the business, operations or financial condition or business prospects of the Borrower or the Borrower's ability to meet its obligations under this Borrower Loan Agreement and the other Borrower Loan Documents and Funding Loan Documents to which it is a party in a timely manner.

Section 4.1.10 No Plan Assets. The Borrower is not an "employee benefit plan," as defined in Section 3(3) of ERISA, subject to Title I of ERISA, and none of the assets of the Borrower constitutes or will constitute "plan assets" of one or more such plans within the meaning of 29 C.F.R. Section 2510.3 101.

Section 4.1.11 Compliance. The Borrower, the Project and the use thereof will comply, to the extent required, in all material respects with all applicable Legal Requirements. The Borrower is not in default or violation of any order, writ, injunction, decree or demand of any Governmental Authority, the violation of which would materially adversely affect the financial condition or business prospects or the business of the Borrower. There has not been committed by the Borrower or any Affiliate involved with the operation or use of the Project any act or omission affording any Governmental Authority the right of forfeiture as against the Project or any part thereof or any moneys paid in performance of the Borrower's obligations under any Borrower Loan Document or any Funding Loan Documents.

Section 4.1.12 Contracts. All service, maintenance or repair contracts affecting the Project have been entered into at arm's length (except for such contracts between the Borrower and its affiliates or the affiliates of the Borrower Controlling Entity of the Borrower) in

the ordinary course of the Borrower's business and provide for the payment of fees in amounts and upon terms comparable to existing market rates.

Section 4.1.13 Financial Information. All financial data, including any statements of cash flow and income and operating expense, that have been delivered to the Governmental Lender or the Funding Lender in respect of the Project by or on behalf of the Borrower, to the best knowledge of the Borrower, (i) are accurate and complete in all material respects, (ii) accurately represent the financial condition of the Project as of the date of such reports, and (iii) to the extent prepared by an independent certified public accounting firm, have been prepared in accordance with GAAP consistently applied throughout the periods covered, except as disclosed therein. Other than pursuant to or permitted by the Borrower Loan Documents or the Funding Loan Documents or the Borrower organizational documents, the Borrower has no contingent liabilities, unusual forward or long-term commitments or unrealized or anticipated losses from any unfavorable commitments. Since the date of such financial statements, there has been no materially adverse change in the financial condition, operations or business of the Borrower from that set forth in said financial statements.

Section 4.1.14 Condemnation. No Condemnation or other proceeding has been commenced or, to the Borrower's knowledge, is contemplated, threatened or pending with respect to all or part of the Project or for the relocation of roadways providing access to the Project.

Section 4.1.15 Federal Reserve Regulations. No part of the proceeds of the Borrower Loan will be used for the purpose of purchasing or acquiring any "margin stock" within the meaning of Regulation U of the Board of Governors of the Federal Reserve System or for any other purpose that would be inconsistent with such Regulation U or any other regulation of such Board of Governors, or for any purpose prohibited by Legal Requirements or any Borrower Loan Document or Funding Loan Document.

Section 4.1.16 Utilities and Public Access. To the best of the Borrower's knowledge, the Project is or will be served by water, sewer, sanitary sewer and storm drain facilities adequate to service it for its intended uses. All public utilities necessary or convenient to the full use and enjoyment of the Project are or will be located in the public right-of-way abutting the Project, and all such utilities are or will be connected so as to serve the Project without passing over other property absent a valid easement. All roads necessary for the use of the Project for its current purpose have been or will be completed and dedicated to public use and accepted by all Governmental Authorities. Except for Permitted Encumbrances, the Project does not share ingress and egress through an easement or private road or share on-site or off-site recreational facilities and amenities that are not located on the Project and under the exclusive control of the Borrower, or where there is shared ingress and egress or amenities, there exists an easement or joint use and maintenance agreement under which (i) access to and use and enjoyment of the easement or private road and/or recreational facilities and amenities is perpetual, (ii) the number of parties sharing such easement and/or recreational facilities and amenities must be specified, (iii) the Borrower's responsibilities and share of expenses are specified, and (iv) the failure to pay any maintenance fee with respect to an easement will not result in a loss of usage of the easement.

Section 4.1.17 Not a Foreign Person. The Borrower is not a "foreign person" within the meaning of §1445(f)(3) of the Code.

Section 4.1.18 Separate Lots. Each parcel comprising the Land is a separate tax lot and is not a portion of any other tax lot that is not a part of the Land.

Section 4.1.19 Assessments. There are no pending or, to the Borrower's best knowledge, proposed special or other assessments for public improvements or otherwise affecting the Project, or any contemplated improvements to the Project that may result in such special or other assessments.

Section 4.1.20 Enforceability. The Borrower Loan Documents and the Funding Loan Documents are not subject to, and the Borrower has not asserted, any right of rescission, set-off, counterclaim or defense, including the defense of usury.

Section 4.1.21 Insurance. The Borrower has obtained the insurance required by this Borrower Loan Agreement, if applicable, and the Security Instrument and has delivered to the Servicer copies of insurance policies or certificates of insurance reflecting the insurance coverages, amounts and other requirements set forth in this Borrower Loan Agreement, if applicable, and the Security Instrument.

Section 4.1.22 Use of Property; Licenses. The Project will be used as a multifamily residential rental project and other appurtenant and related uses, which use is consistent with the zoning classification for the Project. All certifications, permits, licenses and approvals, including certificates of completion and occupancy permits required for the legal use or legal, nonconforming use, as applicable, occupancy and operation of the Project (collectively, the "**Licenses**") required at this time for the construction or rehabilitation, as appropriate, and equipping of the Project have been obtained. To the Borrower's knowledge, all Licenses obtained by the Borrower have been validly issued and are in full force and effect. The Borrower has no reason to believe that any of the Licenses required for the future use and occupancy of the Project and not heretofore obtained by the Borrower will not be obtained by the Borrower in the ordinary course following the Completion Date. No Licenses will terminate, or become void or voidable or terminable, upon any sale, transfer or other disposition of the Project, including any transfer pursuant to foreclosure sale under the Security Instrument or deed in lieu of foreclosure thereunder. The Project does not violate any density or building setback requirements of the applicable zoning law except to the extent, if any, shown on the survey. No proceedings are, to the best of the Borrower's knowledge, pending or threatened that would result in a change of the zoning of the Project.

Section 4.1.23 Flood Zone. Either all Improvements will be constructed above the flood grade or the Borrower will obtain appropriate flood insurance as directed by the Servicer.

Section 4.1.24 Physical Condition. The Project, including all Improvements, parking facilities, systems, fixtures, Equipment and landscaping, are or, after completion of the construction, rehabilitation and/or repairs, as appropriate, will be in good and habitable condition in all material respects and in good order and repair in all material respects (reasonable wear and tear excepted). The Borrower has not received notice from any insurance company or bonding company of any defect or inadequacy in the Project, or any part thereof, which would adversely affect its insurability or cause the imposition of extraordinary premiums or charges thereon or any termination of any policy of insurance or bond. The physical configuration of the Project is not in material violation of the ADA, if required under applicable law.

Section 4.1.25 Encroachments. All of the Improvements included in determining the appraised value of the Project will lie wholly within the boundaries and building restriction lines of the Project, and no improvement on an adjoining property encroaches upon the Project, and no easement or other encumbrance upon the Project encroaches upon any of the Improvements, so as to affect the value or marketability of the Project, except those insured against by the Title Insurance Policy or disclosed in the survey of the Project as approved by the Funding Lender.

Section 4.1.26 State Law Requirements. The Borrower hereby represents, covenants and agrees to comply with the provisions of all applicable State laws relating to the Borrower Loan, the Funding Loan and the Project.

Section 4.1.27 Filing and Recording Taxes. All transfer taxes, deed stamps, intangible taxes or other amounts in the nature of transfer taxes required to be paid by any Person under applicable Legal Requirements in connection with the transfer of the Project to the Borrower have been paid. All mortgage, mortgage recording, stamp, intangible or other similar taxes required to be paid by any Person under applicable Legal Requirements in connection with the execution, delivery, recordation, filing, registration, perfection or enforcement of any of the Borrower Loan Documents and the Funding Loan Documents have been or will be paid.

Section 4.1.28 Investment Company Act. The Borrower is not (i) an "investment company" or a company "controlled" by an "investment company," within the meaning of the Investment Company Act of 1940, as amended; or (ii) a "holding company" or a "subsidiary company" of a "holding company" or an "affiliate" of either a "holding company" or a "subsidiary company" within the meaning of the Public Utility Holding Company Act of 1935, as amended.

Section 4.1.29 Fraudulent Transfer. The Borrower has not accepted the Borrower Loan or entered into any Borrower Loan Document or Funding Loan Document with the actual intent to hinder, delay or defraud any creditor, and the Borrower has received reasonably equivalent value in exchange for its obligations under the Borrower Loan Documents and the Funding Loan Documents. Giving effect to the transactions contemplated by the Borrower Loan Documents and the Funding Loan Documents, the fair saleable value of the Borrower's assets exceeds and will, immediately following the execution and delivery of the Borrower Loan Documents and the Funding Loan Documents, exceed the Borrower's total liabilities, including subordinated, unliquidated, disputed or contingent liabilities. The fair saleable value of the Borrower's assets is and will, immediately following the execution and delivery of the Borrower Loan Documents and the Funding Loan Documents, be greater than the Borrower's probable liabilities, including the maximum amount of its contingent liabilities or its debts as such debts become absolute and matured. The Borrower's assets do not and, immediately following the execution and delivery of the Borrower Loan Documents and the Funding Loan Documents will not, constitute unreasonably small capital to carry out its business as conducted or as proposed to be conducted. The Borrower does not intend to, and does not believe that it will, incur debts and liabilities (including contingent liabilities and other commitments) beyond its ability to pay such debts as they mature (taking into account the timing and amounts to be payable on or in respect of obligations of the Borrower).

Section 4.1.30 Ownership of the Borrower. Except as set forth in the Partnership Agreement of the Borrower, the Borrower has no obligation to any Person to purchase, repurchase or issue any ownership interest in it.

Section 4.1.31 Environmental Matters. To the best of Borrower's knowledge and except as disclosed in environmental reports previously delivered to the Funding Lender and the Governmental Lender and in the no further remediation letter (the "Prior Environmental Disclosures"), the Project is not in violation of any Legal Requirement pertaining to or imposing liability or standards of conduct concerning environmental regulation, contamination or clean-up, and will comply with covenants and requirements relating to environmental hazards as set forth in the Security Instrument. The Borrower will execute and deliver the Agreement of Environmental Indemnification.

Section 4.1.32 Name; Principal Place of Business. Unless prior Written Notice is given to the Funding Lender, the Borrower does not use and will not use any trade name, and has not done and will not do business under any name other than its actual name set forth herein. The principal place of business of the Borrower is its primary address for notices as set forth in Section 10.1 hereof, and the Borrower has no other place of business, other than the Project and such principal place of business.

Section 4.1.33 Subordinated Debt. There is no secured or unsecured indebtedness with respect to the Project or any residual interest therein, other than Permitted Encumbrances and the permitted secured indebtedness described in Section 6.7 hereof, except an unsecured deferred developer fee not to exceed the amount permitted by Funding Lender as determined on the Closing Date.

Section 4.1.34 Filing of Taxes. The Borrower has filed (or has obtained effective extensions for filing) all federal, state and local tax returns required to be filed and has paid or made adequate provision for the payment of all federal, state and local taxes, charges and assessments, if any, payable by the Borrower.

Section 4.1.35 General Tax. All representations, warranties and certifications of the Borrower set forth in the Regulatory Agreement and the Tax Compliance Agreement are incorporated by reference herein and the Borrower will comply with such as if set forth herein.

Section 4.1.36 Approval of the Borrower Loan Documents and Funding Loan Documents. By its execution and delivery of this Borrower Loan Agreement, the Borrower approves the form and substance of the Borrower Loan Documents and the Funding Loan Documents, and agrees to carry out the responsibilities and duties specified in the Borrower Loan Documents and the Funding Loan Documents to be carried out by the Borrower. The Borrower acknowledges that (a) it understands the nature and structure of the transactions relating to the financing of the Project, (b) it is familiar with the provisions of all of the Borrower Loan Documents and the Funding Loan Documents and other documents and instruments relating to the financing, (c) it understands the risks inherent in such transactions, including without limitation the risk of loss of the Project, and (d) it has not relied on the Governmental Lender, the Funding Lender or the Servicer for any guidance or expertise in analyzing the financial or other consequences of the transactions contemplated by the Borrower Loan Documents and the Funding Loan Documents or otherwise relied on the Governmental Lender, the Funding Lender or the Servicer in any manner.

Section 4.1.37 Funding Loan Agreement. The Borrower has read and accepts and agrees that it is bound by the Funding Loan Agreement and the Funding Loan Documents.

Section 4.1.38 Americans with Disabilities Act. The Project, as designed, will conform in all material respects with all applicable zoning, planning, building and environmental

laws, ordinances and regulations of governmental authorities having jurisdiction over the Project, including, but not limited to, the Americans with Disabilities Act of 1990 ("**ADA**"), to the extent required (as evidenced by an architect's certificate to such effect).

Section 4.1.39 Requirements of Code and Regulations. The Project satisfies all requirements of the Code and the Regulations applicable to the Project.

Section 4.1.40 Regulatory Agreement. The Project is, as of the date of origination of the Funding Loan, in compliance with all requirements of the Regulatory Agreement to the extent such requirements are applicable; and the Borrower intends to cause the residential units in the Project to be rented or available for rental on a basis which satisfies the requirements of the Regulatory Agreement, including all applicable requirements of the Code and the Regulations, and pursuant to leases which comply with all applicable laws.

Section 4.1.41 Intention to Hold Project. The Borrower intends to hold the Project for its own account and has no current plans, and has not entered into any agreement, to sell the Project or any part of it; and the Borrower intends to occupy the Project or cause the Project to be occupied and to operate it or cause it to be operated at all times during the term of this Borrower Loan Agreement in compliance with the terms of this Borrower Loan Agreement and the Regulatory Agreement and does not know of any reason why the Project will not be so used by it in the absence of circumstances not now anticipated by it or totally beyond its control.

Section 4.1.42 Concerning General Partner.

(a) The General Partner of Borrower is an Illinois not-for-profit corporation. The General Partner has all requisite power and authority, rights and franchises to enter into and perform its obligations under the Borrower Loan Documents and the Funding Loan Documents to be executed by such General Partner for its own account and on behalf of Borrower, as General Partner of Borrower, under this Borrower Loan Agreement and the other Borrower Loan Documents and the Funding Loan Documents.

(b) General Partner has made all filings (including, without limitation, all required filings related to the use of fictitious business names) and is in good standing in the State and in each other jurisdiction in which the character of the property it owns or the nature of the business it transacts makes such filings necessary or where the failure to make such filings could have a material adverse effect on the business, operations, assets, condition (financial or otherwise) or prospects of General Partner.

(c) General Partner is duly authorized to do business in the State.

(d) The execution, delivery and performance by Borrower of the Borrower Loan Documents and the Funding Loan Documents have been duly authorized by all necessary action of General Partner on behalf of Borrower, and by all necessary action on behalf of General Partner.

(e) The execution, delivery and performance by General Partner, on behalf of Borrower, of the Borrower Loan Documents and the Funding Loan Documents will not violate (i) General Partner's organizational documents; (ii) any other Legal Requirement affecting General Partner or any of its properties; or (iii) any agreement to which General Partner is bound or to which it is a party; and will not result in or require the creation (except as provided in or contemplated by this Borrower Loan Agreement) of any Lien

upon any of such properties, any of the Collateral or any of the property or funds pledged or delivered to Funding Lender pursuant to the Security Documents.

Section 4.1.43 Government and Private Approvals. All governmental or regulatory orders, consents, permits, authorizations and approvals required for the construction, rehabilitation, use, occupancy and operation of the Improvements, that may be granted or denied in the discretion of any Governmental Authority, have been obtained and are in full force and effect (or, in the case of any of the foregoing that Borrower is not required to have as of the Closing Date, will be obtained), and will be maintained in full force and effect at all times during the construction or rehabilitation of the Improvements. All such orders, consents, permits, authorizations and approvals that may not be denied in the discretion of any Governmental Authority shall be obtained prior to the commencement of any work for which such orders, consents, permits, authorizations or approvals are required, and, once obtained, such orders, consents, permits, authorizations and approvals will be maintained in full force and effect at all times during the construction or rehabilitation of the Improvements. Except as set forth in the preceding two sentences, no additional governmental or regulatory actions, filings or registrations with respect to the Improvements, and no approvals, authorizations or consents of any trustee or holder of any indebtedness or obligation of Borrower, are required for the due execution, delivery and performance by Borrower or General Partner of any of the Borrower Loan Documents or the Funding Loan Documents or the Related Documents executed by Borrower or General Partner, as applicable. All required zoning approvals have been obtained, and the zoning of the Land for the Project is not conditional upon the happening of any further event.

Section 4.1.44 Concerning Guarantor. The Borrower Loan Documents and the Funding Loan Documents to which the Guarantor is a party or a signatory executed simultaneously with this Borrower Loan Agreement have been duly executed and delivered by the Guarantor and are legally valid and binding obligations of the Guarantor, enforceable against the Guarantor in accordance with their terms, except as enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditors' rights generally and by general principles of equity.

Section 4.1.45 No Material Defaults. Except as previously disclosed to Funding Lender in writing, there exists no material violation of or material default by Borrower under, and, to the best knowledge of Borrower, no event has occurred which, upon the giving of notice or the passage of time, or both, would constitute a material default with respect to: (i) the terms of any instrument evidencing, securing or guaranteeing any indebtedness secured by the Project or any portion or interest thereof or therein; (ii) any lease or other agreement affecting the Project or to which Borrower is a party; (iii) any license, permit, statute, ordinance, law, judgment, order, writ, injunction, decree, rule or regulation of any Governmental Authority, or any determination or award of any arbitrator to which Borrower or the Project may be bound; or (iv) any mortgage, instrument, agreement or document by which Borrower or any of its respective properties is bound; in the case of any of the foregoing: (1) which involves any Borrower Loan Document or Funding Loan Document; (2) which involves the Project and is not adequately covered by insurance; (3) that might materially and adversely affect the ability of Borrower, General Partner or Guarantor or to perform any of its respective obligations under any of the Borrower Loan Documents or the Funding Loan Documents or any other material instrument, agreement or document to which it is a party; or (4) which might adversely affect the priority of the Liens created by this Borrower Loan Agreement or any of the Borrower Loan Documents or the Funding Loan Documents.

Section 4.1.46 Payment of Taxes. Except as previously disclosed to Funding Lender in writing: (i) all tax returns and reports of Borrower, General Partner and Guarantor required to be filed have been timely filed, and all taxes, assessments, fees and other governmental charges upon Borrower, General Partner and Guarantor, and upon their respective properties, assets, income and franchises, which are due and payable have been paid when due and payable; and (ii) Borrower knows of no proposed tax assessment against it or against General Partner or Guarantor that would be material to the condition (financial or otherwise) of Borrower, General Partner or Guarantor, and none of Borrower or General Partner have contracted with any Government Authority in connection with such taxes.

Section 4.1.47 Rights to Project Agreements and Licenses. Borrower is the legal and beneficial owner of all rights in and to the Plans and Specifications and all existing Project Agreements and Licenses, and will be the legal and beneficial owner of all rights in and to all future Project Agreements and Licenses. Borrower's interest in the Plans and Specifications and all Project Agreements and Licenses is not subject to any present claim (other than under the Borrower Loan Documents and the Funding Loan Documents or as otherwise approved by Funding Lender in its sole discretion), set-off or deduction other than in the ordinary course of business.

Section 4.1.48 Patriot Act Compliance. Borrower is not now, nor has ever been (i) listed on any Government Lists (as defined below), (ii) a person who has been determined by a Governmental Authority to be subject to the prohibitions contained in Presidential Executive Order No. 13224 (Sept. 23, 2001) or any other similar prohibitions contained in the rules and regulations of the Office of Foreign Assets Control ("**OFAC**") or in any enabling legislation or other Presidential Executive Orders in respect thereof, (iii) indicted for or convicted of any felony involving a crime or crimes of moral turpitude or for any Patriot Act Offense, or (iv) under investigation by any Governmental Authority for alleged criminal activity. "Patriot Act Offense" also includes the crimes of conspiracy to commit, or aiding and abetting another to commit, a Patriot Act Offense. For purposes hereof, the term "Government Lists" shall mean (1) the Specially Designated Nationals and Blocked Persons Lists maintained by OFAC, (2) any other list of terrorists, terrorist organizations or narcotics traffickers maintained pursuant to any of the Rules and Regulations of OFAC that Funding Lender notified Borrower in writing is now included in "Government Lists", or (3) any similar lists maintained by the United States Department of State, the United States Department of Commerce or any other Government Authority or pursuant to any Executive Order of the President of the United States of America that Funding Lender notified Borrower in writing is now included in "Government Lists".

Section 4.1.49 Rent Schedule. Section 4.1.52 [Reserved]

Section 4.2. Survival of Representations and Covenants. All of the representations and warranties in Section 4.1 hereof and elsewhere in the Borrower Loan Documents (i) shall survive for so long as any portion of the Borrower Payment Obligations remains due and owing and (ii) shall be deemed to have been relied upon by the Governmental Lender and the Servicer notwithstanding any investigation heretofore or hereafter made by the Governmental Lender or the Servicer or on its or their behalf, provided, however, that the representations, warranties and covenants set forth in Section 4.1.31 hereof shall survive in perpetuity and shall not be subject to the exculpation provisions of Section 11.1 hereof.

Section 5.2. Taxes and Other Charges. The Borrower shall pay all Taxes and Other Charges as the same become due and payable and prior to their becoming delinquent in accordance with the Security Instrument, except to the extent that the amount, validity or application thereof is being contested in good faith as permitted by the Security Instrument.

The Borrower covenants to pay all taxes and Other Charges of any type or character charged to the Funding Lender affecting the amount available to the Funding Lender from payments to be received hereunder or in any way arising due to the transactions contemplated hereby (including taxes and Other Charges assessed or levied by any public agency or governmental authority of whatsoever character having power to levy taxes or assessments) but excluding franchise taxes based upon the capital and/or income of the Funding Lender and taxes based upon or measured by the net income of the Funding Lender; provided, however, that the Borrower shall have the right to protest any such taxes or Other Charges and to require

the Funding Lender, at the Borrower's expense, to protest and contest any such taxes or Other Charges levied upon them and that the Borrower shall have the right to withhold payment of any such taxes or Other Charges pending disposition of any such protest or contest unless such withholding, protest or contest would adversely affect the rights or interests of the Funding Lender. This obligation shall remain valid and in effect notwithstanding repayment of the Borrower Loan hereunder or termination of this Borrower Loan Agreement.

Section 5.3. Repairs; Maintenance and Compliance; Physical Condition. The Borrower shall cause the Project to be maintained in a good, habitable and safe (so as to not threaten the health or safety of the Project's tenants or their invited guests) condition and repair (reasonable wear and tear excepted) as set forth in the Security Instrument and shall not remove, demolish or materially alter the Improvements or Equipment (except for removal of aging or obsolete equipment or furnishings in the normal course of business), except as provided in the Security Instrument.

Section 5.4. Litigation. The Borrower shall give prompt Written Notice to the Governmental Lender, the Funding Lender and the Servicer of any litigation, governmental proceedings or claims or investigations regarding an alleged actual violation of a Legal Requirement pending or, to the Borrower's knowledge, threatened against the Borrower which might materially adversely affect the Borrower's condition (financial or otherwise) or business or the Project.

Section 5.5. Performance of Other Agreements. The Borrower shall observe and perform in all material respects each and every term to be observed or performed by it pursuant to the terms of any agreement or instrument materially affecting or pertaining to the Project.

If the Borrower becomes subject to federal or state securities law filing requirements, the Borrower shall cause to be delivered to the Governmental Lender, the Funding Lender and the Servicer any Securities and Exchange Commission or other public filings, if any, of the Borrower within two (2) Business Days of such filing.

Section 5.7. Cooperate in Legal Proceedings. The Borrower shall cooperate fully with the Governmental Lender, the Funding Lender and the Servicer with respect to, and permit the Governmental Lender, the Funding Lender and the Servicer at their option, to participate in, any proceedings before any Governmental Authority that may in any way affect the rights of the Governmental Lender, the Funding Lender and/or the Servicer under any Borrower Loan Document or Funding Loan Document.

Section 5.8. Further Assurances. The Borrower shall, at the Borrower's sole cost and expense (except as provided in Section 9.1 hereof), (i) furnish to the Servicer and the Funding Lender all instruments, documents, boundary surveys, footing or foundation surveys (to the extent that Borrower's construction or renovation of the Project alters any existing building foundations or footprints), certificates, plans and specifications, appraisals, title and other insurance reports and agreements, reasonably requested by the Servicer or the Funding Lender

for the better and more efficient carrying out of the intents and purposes of the Borrower Loan Documents and the Funding Loan Documents; (ii) execute and deliver to the Servicer and the Funding Lender such documents, instruments, certificates, assignments and other writings, and do such other acts necessary or desirable, to evidence, preserve and/or protect the collateral at any time securing or intended to secure the Borrower Loan, as the Servicer and the Funding Lender may reasonably require from time to time; (iii) do and execute all and such further lawful and reasonable acts, conveyances and assurances for the better and more effective carrying out of the intents and purposes of the Borrower Loan Documents and the Funding Loan Documents, as the Servicer or the Funding Lender shall reasonably require from time to time; provided, however, with respect to clauses (i)-(iii) above, the Borrower shall not be required to do anything that has the effect of (A) changing the essential economic terms of the Borrower Loan or (B) imposing upon the Borrower greater personal liability under the Borrower Loan Documents and the Funding Loan Documents; and (iv) upon the Servicer's or the Funding Lender's request therefor given from time to time after the occurrence of any Potential Default or Event of Default for so long as such Potential Default or Event of Default, as applicable, is continuing pay for (a) reports of UCC, federal tax lien, state tax lien, judgment and pending litigation searches with respect to the Borrower and (b) searches of title to the Project, each such search to be conducted by search firms reasonably designated by the Servicer or the Funding Lender in each of the locations reasonably designated by the Servicer or the Funding Lender.

Section 5.9. Delivery of Financial Information. After notice to the Borrower of a Secondary Market Disclosure Document, the Borrower shall, concurrently with any delivery to the Funding Lender or the Servicer, deliver copies of all financial information required under Article IX.

Section 5.10. Environmental Matters. So long as the Borrower owns or is in possession of the Project, the Borrower shall (a) keep the Project in compliance with all Hazardous Materials Laws (as defined in the Security Instrument), (b) promptly notify the Funding Lender and the Servicer if the Borrower shall become aware that any Hazardous Materials (as defined in the Security Instrument) are on or near the Project in violation of Hazardous Materials Laws, and (c) commence and thereafter diligently prosecute to completion all remedial work necessary with respect to the Project required under any Hazardous Material Laws, in each case as set forth in the Security Instrument or the Agreement of Environmental Indemnification.

Section 5.11. Governmental Lender's and Funding Lender's Fees. The Borrower covenants to pay the reasonable fees and expenses of the Governmental Lender (including the Ongoing Governmental Lender Fee) and the Funding Lender or any agents, attorneys, accountants, consultants selected by the Governmental Lender or the Funding Lender to act on its behalf in connection with this Borrower Loan Agreement and the other Borrower Loan Documents, the Regulatory Agreement and the Funding Loan Documents, including, without limitation, any and all reasonable expenses incurred in connection with the making of the Borrower Loan or in connection with any litigation which may at any time be instituted involving the Borrower Loan, this Borrower Loan Agreement, the other Borrower Loan Documents, the Regulatory Agreement and the Funding Loan Documents or any of the other documents contemplated thereby, or in connection with the reasonable supervision or inspection of the Borrower, its properties, assets or operations or otherwise in connection with the administration of the foregoing. This obligation shall remain valid and in effect notwithstanding repayment of the Borrower Loan hereunder or termination of this Borrower Loan Agreement.

Section 5.12. Estoppel Statement. The Borrower shall furnish to the Funding Lender or the Servicer for the benefit of the Funding Lender or the Servicer within ten (10) days after request by the Funding Lender and the Servicer, with a statement, duly acknowledged and certified, setting forth, as applicable, with respect to the Borrower Note, (i) the unpaid principal of the Borrower Note, (ii) the applicable Interest Rate, (iii) the date installments of interest and/or principal were last paid, (iv) any offsets or defenses to the payment of the Borrower Payment Obligations, and (v) that the Borrower Loan Documents and the Funding Loan Documents to which the Borrower is a party are valid, legal and binding obligations of the Borrower and have not been modified or, if modified, giving particulars of such modification, and no Event of Default exists thereunder or specify any Event of Default that does exist thereunder. The Borrower shall use commercially reasonable efforts to furnish to the Funding Lender or the Servicer, within 30 days of a request by the Funding Lender or Servicer, tenant estoppel certificates from each commercial tenant at the Project, if any, in form and substance reasonably satisfactory to the Funding Lender and the Servicer; provided that the Funding Lender and the Servicer shall not make such requests more frequently than twice in any year.

Section 5.13. Defense of Actions. The Borrower shall appear in and defend any action or proceeding purporting to affect the security for this Borrower Loan Agreement hereunder or under the Borrower Loan Documents and the Funding Loan Documents, and shall pay, in the manner required by Section 2.4 hereof, all costs and expenses, including the cost of evidence of title and attorneys' fees, in any such action or proceeding in which Funding Lender may appear. If the Borrower fails to perform any of the covenants or agreements contained in this Borrower Loan Agreement or any other Borrower Loan Document, or if any action or proceeding is commenced that is not diligently defended by the Borrower which affects the Funding Lender's interest in the Project or any part thereof, including eminent domain, code enforcement or proceedings of any nature whatsoever under any Federal or state law, whether now existing or hereafter enacted or amended, then the Funding Lender may make such appearances, disburse such sums and take such action as the Funding Lender deems necessary or appropriate to protect its interests. Such actions include disbursement of attorneys' fees, entry upon the Project to make repairs or take other action to protect the security of the Project, and payment, purchase, contest or compromise of any encumbrance, charge or lien which in the judgment of Funding Lender appears to be prior or superior to the Borrower Loan Documents or the Funding Loan Documents. The Funding Lender shall have no obligation to do any of the above. The Funding Lender may take any such action without notice to or demand upon the Borrower. No such action shall release the Borrower from any obligation under this Borrower Loan Agreement or any of the other Borrower Loan Documents or Funding Loan Documents. In the event (i) that the Security Instrument is foreclosed in whole or in part or that any Borrower Loan Document is put into the hands of an attorney for collection, suit, action or foreclosure, or (ii) of the foreclosure of any mortgage, deed of trust or deed to secure debt prior to or subsequent to the Security Instrument or any Borrower Loan Document in which proceeding the Funding Lender is made a party or (iii) of the bankruptcy of the Borrower or an assignment by the Borrower for the benefit of its creditors, the Borrower shall be chargeable with and agrees to pay all costs of collection and defense, including actual attorneys' fees in connection therewith and in connection with any appellate proceeding or post-judgment action involved therein, which shall be due and payable together with all required service or use taxes.

Section 5.14. Expenses. The Borrower shall pay all reasonable expenses incurred by the Governmental Lender, the Funding Lender and the Servicer (except as provided in Section 9.1 hereof) in connection with the Borrower Loan and the Funding Loan, including reasonable fees and expenses of the Governmental Lender's, the Funding Lender's and the Servicer's attorneys, environmental, engineering and other consultants, and fees, charges or taxes for the

recording or filing of Borrower Loan Documents and the Funding Loan Documents. The Borrower shall pay or cause to be paid all reasonable expenses of the Governmental Lender, the Funding Lender and the Servicer (except as provided in Section 9.1 hereof) in connection with the issuance or administration of the Borrower Loan and the Funding Loan, including audit costs, inspection fees, settlement of condemnation and casualty awards, and premiums for title insurance and endorsements thereto. The Borrower shall, upon request, promptly reimburse the Governmental Lender, the Funding Lender and the Servicer for all reasonable amounts expended, advanced or incurred by the Governmental Lender, the Funding Lender and the Servicer to collect the Borrower Notes, or to enforce the rights of the Governmental Lender, the Funding Lender and the Servicer under this Borrower Loan Agreement or any other Borrower Loan Document, or to defend or assert the rights and claims of the Governmental Lender, the Funding Lender and the Servicer under the Borrower Loan Documents and the Funding Loan Documents arising out of an Event of Default or with respect to the Project (by litigation or other proceedings) arising out of an Event of Default, which amounts will include all court costs, attorneys' fees and expenses, fees of auditors and accountants, and investigation expenses as may be reasonably incurred by the Governmental Lender, the Funding Lender and the Servicer in connection with any such matters (whether or not litigation is instituted), together with interest at the Default Rate on each such amount from the Date of Disbursement until the date of reimbursement to the Governmental Lender, the Funding Lender and the Servicer, all of which shall constitute part of the Borrower Loan and the Funding Loan and shall be secured by the Borrower Loan Documents and the Funding Loan Documents. The obligations and liabilities of the Borrower under this Section 5.14 shall survive the Term of this Borrower Loan Agreement and the exercise by the Governmental Lender, the Funding Lender or the Servicer, as the case may be, of any of its rights or remedies under the Borrower Loan Documents and the Funding Loan Documents, including the acquisition of the Project by foreclosure or a conveyance in lieu of foreclosure. Notwithstanding the foregoing, the Borrower shall not be obligated to pay amounts incurred as a result of the gross negligence or willful misconduct of any other party, and any obligations of the Borrower to pay for environmental inspections or audits will be governed by Sections [18(i) and 43(i)] of the Security Instrument.

Section 5.15. Indemnity. In addition to its other obligations hereunder, and in addition to any and all rights of reimbursement, indemnification, subrogation and other rights of Governmental Lender or Funding Lender pursuant hereto and under law or equity, to the fullest extent permitted by law, the Borrower agrees to indemnify, hold harmless and defend the Governmental Lender, the Funding Lender, the Servicer, the Beneficiary Parties, Citigroup, Inc., Citicorp Funding, Inc., and each of their respective officers, directors, employees, attorneys and agents (each an "**Indemnified Party**"), against any and all losses, damages, claims, actions, liabilities, reasonable costs and expenses of any nature, kind or character (including, without limitation, reasonable attorneys' fees, litigation and court costs, amounts paid in settlement (to the extent that the Borrower has consented to such settlement) and amounts paid to discharge judgments) (hereinafter, the "**Liabilities**") to which the Indemnified Parties, or any of them, may become subject under federal or state securities laws or any other statutory law or at common law or otherwise, to the extent arising out of or based upon or in any way relating to:

(a) The Borrower Loan Documents and the Funding Loan Documents or the execution or amendment thereof or in connection with transactions contemplated thereby, including the sale, transfer or resale of the Borrower Loan or the Funding Loan, except with respect to any Secondary Market Disclosure Document (other than any Borrower's obligations under Article IX);

(b) Any act or omission of the Borrower or any of its agents, contractors, servants, employees or licensees in connection with the Borrower Loan, the Funding Loan or the Project, the operation of the Project, or the condition, environmental or otherwise, occupancy, use, possession, conduct or management of work done in or about, or from the planning, design, acquisition, construction, installation or rehabilitation of, the Project or any part thereof;

(c) Any lien (other than a Permitted Lien) or charge upon payments by the Borrower to the Governmental Lender or the Funding Lender hereunder, or any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and Other Charges imposed on the Governmental Lender or the Funding Lender in respect of any portion of the Project;

(d) Any violation of any environmental law, rule or regulation with respect to, or the release of any toxic substance from, the Project or any part thereof during the period in which the Borrower is in possession or control of the Project, except as disclosed in the Prior Environmental Disclosures;

(e) The enforcement of, or any action taken by the Governmental Lender or the Funding Lender related to remedies under, this Borrower Loan Agreement and the other Borrower Loan Documents and the Funding Loan Documents;

(f) [Reserved];

(g) Any untrue statement or misleading statement or alleged untrue statement or alleged misleading statement of a material fact by the Borrower made in the course of Borrower applying for the Borrower Loan or the Funding Loan or contained in any of the Borrower Loan Documents or Funding Loan Documents to which the Borrower is a party;

(h) Any Determination of Taxability;

(i) Any breach (or alleged breach) by Borrower of any representation, warranty or covenant made in or pursuant to this Borrower Loan Agreement or in connection with any written or oral representation, presentation, report, appraisal or other information given or delivered by Borrower, General Partner, Guarantor or their Affiliates to Governmental Lender, the Funding Lender, Servicer or any other Person in connection with Borrower's application for the Borrower Loan and the Funding Loan (including, without limitation, any breach or alleged breach by Borrower of any agreement with respect to the provision of any substitute credit enhancement);

(j) any failure (or alleged failure) by Borrower, the Funding Lender or Governmental Lender to comply with applicable federal and state laws and regulations pertaining to the making of the Borrower Loan and the Funding Loan;

(k) the Project, or the condition, occupancy, use, possession, conduct or management of, or work done in or about, or from the planning, design, acquisition, installation, construction or rehabilitation of, the Project or any part thereof; or

(l) the use of the proceeds of the Borrower Loan and the Funding Loan,

except in the case of the foregoing indemnification of the Governmental Lender, the Funding Lender or the Servicer or any related Indemnified Party, to the extent such damages are caused by the gross negligence or willful misconduct of such Indemnified Party.

Without limiting the foregoing, to the fullest extent permitted by law, the Borrower agrees to indemnify, hold harmless and defend the Governmental Lender, and each of its officers, officials, directors, employees, attorneys and agents ("**City Indemnified Parties**") against any Liability to which the City Indemnified Parties, or any of them, may become subject under federal or state securities laws or any other statutory law or at common law or otherwise, to the extent arising out of or based upon or in any way relating to any declaration of taxability of interest on the Funding Loan or allegations (or regulatory inquiry) that interest on the Funding Loan is taxable for federal income tax purposes, except to the extent such damages are caused by the gross negligence or willful misconduct of a City Indemnified Party.

Notwithstanding anything herein to the contrary, the Borrower's indemnification obligations to the parties specified in Section 9.1.4 hereof with respect to any securitization or Secondary Market Transaction described in Article IX hereof shall be limited to the indemnity set forth in Section 9.1.4 hereof. In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought hereunder, the Borrower, upon written notice from the Indemnified Party (which notice shall be timely given so as not to materially impair the Borrower's right to defend), shall assume the investigation and defense thereof, including the employment of counsel reasonably approved by the Indemnified Party, and shall assume the payment of all expenses related thereto, with full power to litigate, compromise or settle the same in its sole discretion; provided that the Indemnified Party shall have the right to review and approve or disapprove any such compromise or settlement, which approval shall not be unreasonably withheld. Each Indemnified Party shall have the right to employ separate counsel in any such action or proceeding and to participate in the investigation and defense thereof; provided, however, the Governmental Lender shall have the absolute right to employ separate counsel at the expense of the Borrower. The Borrower shall pay the reasonable fees and expenses of such separate counsel; provided, however, that such Indemnified Party may only employ separate counsel at the expense of the Borrower if and only if in such Indemnified Party's good faith judgment (based on the advice of counsel) a conflict of interest exists or could arise by reason of common representation, except that the Borrower shall always pay the reasonable fees and expenses of the Governmental Lender's separate counsel.

Notwithstanding any transfer of the Project to another owner in accordance with the provisions of this Borrower Loan Agreement or the Regulatory Agreement, the Borrower shall remain obligated to indemnify each Indemnified Party pursuant to this Section 5.15 if such subsequent owner fails to indemnify any party entitled to be indemnified hereunder, unless the Governmental Lender and the Funding Lender have consented to such transfer and to the assignment of the rights and obligations of the Borrower hereunder.

The rights of any persons to indemnity and the right to payment of fees and reimbursement of expenses hereunder shall survive the final payment or defeasance of the Borrower Loan and the Funding Loan and in the case of the Servicer, any resignation or removal. The provisions of this Section 5.15 shall survive the termination of this Borrower Loan Agreement.

Nothing in this Section 5.15 shall in any way limit the Borrower's indemnification and other payment obligations set forth in the Regulatory Agreement.

Section 5.16. No Warranty of Condition or Suitability by the Governmental Funding Lender. Neither the Governmental Lender nor the Funding Lender makes any warranty, either express or implied, as to the condition of the Project or that it will be suitable for the Borrower's purposes or needs.

Section 5.17. Right of Access to the Project. The Borrower agrees that the Governmental Lender, the Funding Lender, the Servicer and the Construction Consultant, and their duly authorized agents, attorneys, experts, engineers, accountants and representatives shall have the right, but no obligation at all reasonable times during business hours and upon reasonable notice, to enter onto the Land (a) to examine, test and inspect the Project without material interference or prejudice to the Borrower's operations and (b) to perform such work in and about the Project made necessary by reason of the Borrower's default under any of the provisions of this Borrower Loan Agreement. The Governmental Lender, the Funding Lender, the Servicer, and their duly authorized agents, attorneys, accountants and representatives shall also be permitted, without any obligation to do so, at all reasonable times and upon reasonable notice during business hours, to examine the books and records of the Borrower with respect to the Project.

Section 5.18. Notice of Default. The Borrower will advise the Governmental Lender, the Funding Lender, and the Servicer promptly in writing of the occurrence of any Potential Default or Event of Default hereunder, specifying the nature and period of existence of such event and the actions being taken or proposed to be taken with respect thereto.

Section 5.19. Covenant with Governmental Lender and Funding Lender. The Borrower agrees that this Borrower Loan Agreement is executed and delivered in part to induce the purchase by others of the Governmental Lender Note and, accordingly, all covenants and agreements of the Borrower contained in this Borrower Loan Agreement are hereby declared to be for the benefit of the Governmental Lender, the Funding Lender and any lawful owner, holder or pledgee of the Borrower Note or the Governmental Lender Note from time to time.

Section 5.20. Obligation of the Borrower to Construct or Rehabilitate the Project. The Borrower shall proceed with reasonable dispatch to construct or rehabilitate, as appropriate, and equip the Project. If the proceeds of the Borrower Loan, together with the Other Borrower Moneys, available to be disbursed to the Borrower are not sufficient to pay the costs of such construction or rehabilitation, as appropriate, and equipping, the Borrower shall pay such additional costs from its own funds. The Borrower shall not be entitled to any reimbursement from the Governmental Lender, the Funding Lender or the Servicer in respect of any such costs or to any diminution or abatement in the repayment of the Borrower Loan. The Governmental Lender and the Funding Lender shall not be liable to the Borrower or any other person if for any reason the Project is not completed or if the proceeds of the Borrower Loan are insufficient to pay all costs of the Project. The Governmental Lender and the Funding Lender do not make any representation or warranty, either express or implied, that moneys, if any, which will be made available to the Borrower will be sufficient to complete the Project, and the Governmental Lender and the Funding Lender shall not be liable to the Borrower or any other person if for any reason the Project is not completed.

Section 5.21. Maintenance of Insurance. Borrower will maintain the insurance required by the Security Instrument.

Section 5.22. Information; Statements and Reports. Borrower shall furnish or cause to be furnished to Governmental Lender and Funding Lender:

(a) Notice of Default. As soon as possible, and in any event not later than five (5) Business Days after the occurrence of any Event of Default or Potential Default, a statement of an Authorized Representative of Borrower describing the details of such Event of Default or Potential Default and any curative action Borrower proposes to take;

On a monthly basis (and in any event within fifteen (15) days after the end of each Calendar Month), a report of all efforts made by Borrower, if any, to lease all or any portion of the Project during such Calendar Month and on a cumulative basis since Project inception, which report shall be prepared and delivered by Borrower, shall be in form and substance satisfactory to Funding Lender, and shall, if requested by Funding Lender, be supported by copies of letters of intent, leases or occupancy agreements, as applicable;

(e) Audit Reports. Promptly upon receipt thereof, copies of all reports, if any, submitted to Borrower by independent public accountants in connection with each annual, interim or special audit of the financial statements of Borrower made by such accountants, including the comment letter submitted by such accountants to management in connection with their annual audit;

(f) Notices; Certificates or Communications. Immediately upon giving or receipt thereof, copies of any notices, certificates or other communications delivered at the Project or to Borrower or General Partner naming Governmental Lender or Funding Lender as addressee or which could reasonably be deemed to affect the structural integrity of the Project or the ability of Borrower to perform its obligations under the Borrower Loan Documents and the Funding Loan Documents;

(g) Certification of Non-Foreign Status. Promptly upon request of Funding Lender from time to time, a Certification of Non-Foreign Status, executed on or after the date of such request by Funding Lender;

Together with each of the documents required pursuant to Section 5.22(b) hereof submitted by or on behalf of Borrower, a statement, in form and substance satisfactory to Funding Lender and certified by an Authorized Borrower Representative, to the effect that Borrower is in compliance with all covenants, terms and conditions applicable to Borrower, under or pursuant to the Borrower Loan

Documents and the Funding Loan Documents and under or pursuant to any other Debt owing by Borrower to any Person, and disclosing any noncompliance therewith, and any Event of Default or Potential Default, and describing the status of Borrower's actions to correct such noncompliance, Event of Default or Potential Default, as applicable; and

(i) Other Items and Information. Such other information concerning the assets, business, financial condition, operations, property, prospects and results of operations of Borrower, General Partner, Guarantor or the Project, as Funding Lender or Governmental Lender reasonably requests from time to time.

Section 5.23. Additional Notices. Borrower will, promptly after becoming aware thereof, give notice to Funding Lender and the Governmental Lender of:

(a) any Lien affecting the Project, or any part thereof, other than Liens expressly permitted under this Borrower Loan Agreement;

(b) any Legal Action which is instituted by or against Borrower, General Partner or Guarantor, or any Legal Action which is threatened against Borrower, General Partner or Guarantor which, in any case, if adversely determined, could have a material adverse effect upon the business, operations, properties, prospects, assets, management, ownership or condition (financial or otherwise) of Borrower, General Partner, Guarantor or the Project;

(c) any Legal Action which constitutes an Event of Default or a Potential Default or a default under any other Contractual Obligation to which Borrower, General Partner or Guarantor is a party or by or to which Borrower, General Partner or Guarantor, or any of their respective properties or assets, may be bound or subject, which default would have a material adverse effect on the business, operations, assets (including the Project), condition (financial or otherwise) or prospects of Borrower, General Partner or Guarantor, as applicable;

(d) any default, alleged default or potential default on the part of Borrower under any of the CC&R's (together with a copy of each notice of default, alleged default or potential default received from any other party thereto);

(e) any notice of default, alleged default or potential default on the part of Borrower received from any tenant or occupant of the Project under or relating to its lease or occupancy agreement (together with a copy of any such notice), if, in the aggregate, notices from at least fifteen percent (15%) of the tenants at the Project have been received by Borrower with respect to, or alleging, the same default, alleged default or potential default;

(f) any change or contemplated change in (i) the location of Borrower's or General Partner's executive headquarters or principal place of business; (ii) the legal, trade, or fictitious business names used by Borrower or General Partner; or (iii) the nature of the trade or business of Borrower; and

(g) any default, alleged default or potential default on the part of any general or limited partner (including, without limitation, General Partner and the Equity Investor) under the Partnership Agreement.

Section 5.24. Compliance with Other Agreements; Legal Requirements.

(a) Borrower shall timely perform and comply with, and shall cause General Partner to timely perform and comply with the covenants, agreements, obligations and restrictions imposed on them under the Partnership Agreement, and Borrower shall not do or permit to be done anything to impair any such party's rights or interests under any of the foregoing.

(b) Borrower will comply and, to the extent it is able, will require others to comply with, all Legal Requirements of all Governmental Authorities having jurisdiction over the Project or construction and/or rehabilitation of the Improvements, and will furnish Funding Lender with reports of any official searches for or notices of violation of any requirements established by such Governmental Authorities. Borrower will comply and, to the extent it is able, will require others to comply, with applicable CC&R's and all restrictive covenants and all obligations created by private contracts and leases which affect ownership, construction, rehabilitation, equipping, fixturing, use or operation of the Project, and all other agreements requiring a certain percentage of the Units to be rented to persons of low or moderate income. The Improvements, when completed, shall comply with all applicable building, zoning and other Legal Requirements, and will not violate any restrictions of record against the Project or the terms of any other lease of all or any portion of the Project. Funding Lender shall at all times have the right to audit, at Borrower's expense, Borrower's compliance with any agreement requiring a certain percentage of the Units to be rented to persons of low or moderate income, and Borrower shall supply all such information with respect thereto as Funding Lender may request and otherwise cooperate with Funding Lender in any such audit. Without limiting the generality of the foregoing, Borrower shall properly obtain, comply with and keep in effect (and promptly deliver copies to Funding Lender of) all permits, licenses and approvals which are required to be obtained from Governmental Authorities in order to construct, occupy, operate, market and lease the Project.

Section 5.25. Completion and Maintenance of Project. Borrower shall cause the construction or rehabilitation, as the case may be, of the Improvements, to be prosecuted with diligence and continuity and completed substantially in accordance with the Plans and Specifications, and in accordance with the Construction Funding Agreement, free and clear of any liens or claims for liens (but without prejudice to Borrower's rights of contest under Section 10.16 hereof) ("**Completion**") on or before the Completion Date. Borrower shall thereafter maintain the Project and the related and appurtenant uses as a residential apartment complex in good order and condition, ordinary wear and tear excepted. A maintenance program shall be in place at all times to assure the continuation of first class maintenance, which shall mean and be no less than the highest quality of maintenance provided by the Manager for similarly situated properties managed by the Manager.

Section 5.26. Fixtures. Borrower shall deliver to Funding Lender, on demand, any contracts, bills of sale, statements, receipted vouchers or agreements under which Borrower or any other Person claims title to any materials, fixtures or articles incorporated into the Improvements.

Section 5.27. Income from Project. Borrower shall first apply all Gross Income to Expenses of the Project, including all amounts then required to be paid under the Borrower Loan Documents and the Funding Loan Documents and the funding of all sums necessary to meet the Replacement Reserve Fund Requirement before using or applying such Gross Income

for any other purpose. Borrower shall not make or permit any distributions or other payments of Net Operating Income to its partners, shareholders or members, as applicable, in each case, without the prior Written Consent of Funding Lender.

Section 5.28. Leases and Occupancy Agreements.

(a) Lease Approval.

(i) Borrower has submitted to Funding Lender, and Funding Lender has approved, Borrower's standard form of tenant lease (the "**Tenant Lease Form**") for use in the Project. Borrower shall not materially modify the Tenant Lease Form without Funding Lender's prior Written Consent in each instance, which consent shall not be unreasonably withheld or delayed. Borrower may enter into leases of space within the Improvements (and amendments to such leases) in the ordinary course of business with bona fide third party tenants without Funding Lender's prior Written Consent if:

(A) The Tenant Lease Form is a Permitted Lease, and is executed in the form attached as an exhibit to the Construction Funding Agreement without material modification;

(B) Borrower, acting in good faith following the exercise of due diligence, has determined that the tenant meets requirements imposed under any applicable CC&R and is financially capable of performing all of its obligations under the Tenant Lease Form; and

(C) The Tenant Lease Form conforms to the Rent Schedule attached as an exhibit to the Construction Funding Agreement and reflects an arm's-length transaction, subject to the requirement that the Borrower comply with any applicable CC&R.

(ii) If any Event of Default has occurred and is continuing, Funding Lender may make written demand on Borrower to submit all future leases for Funding Lender's approval prior to execution. Borrower shall comply with any such demand by Funding Lender.

(iii) No approval of any lease by Funding Lender shall be for any purpose other than to protect Funding Lender's security for the Borrower Loan and to preserve Funding Lender's rights under the Borrower Loan Documents and the Funding Loan Documents. No approval by Funding Lender shall result in a waiver of any default of Borrower. In no event shall any approval by Funding Lender of a lease be a representation of any kind with regard to the lease or its enforceability, or the financial capacity of any tenant or Guarantor.

(b) Obligations. Borrower shall perform all obligations required to be performed by it as landlord under any lease affecting any part of the Project or any space within the Improvements.

(c) Leasing and Marketing Agreements. Except as may be contemplated in the Management Agreement with Borrower's Manager, Borrower shall not without the

approval of Funding Lender enter into any leasing or marketing agreement and Funding Lender reserves the right to approve the qualifications of any marketing or leasing agent.

Section 5.29. Project Agreements and Licenses. To the extent not heretofore delivered to Funding Lender, Borrower will furnish to Funding Lender, as soon as available, true and correct copies of all Project Agreements and Licenses and the Plans and Specifications, together with assignments thereof to Funding Lender and consents to such assignments where required by Funding Lender, all in form and substance acceptable to Funding Lender. Neither Borrower nor General Partner has assigned or granted, or will assign or grant, a security interest in any of the Project Agreements and Licenses, other than to Funding Lender.

Section 5.30. Payment of Debt Payments. In addition to its obligations under the Borrower Note, Borrower will (i) duly and punctually pay or cause to be paid all principal of and interest on any Debt of Borrower as and when the same become due on or before the due date; (ii) comply with and perform all conditions, terms and obligations of other instruments or agreements evidencing or securing such Debt; (iii) promptly inform Funding Lender of any default, or anticipated default, under any such note, agreement, instrument; and (iv) forward to Funding Lender a copy of any notice of default or notice of any event that might result in default under any such note, agreement, instrument, including Liens encumbering the Project, or any portion thereof, which have been subordinated to the Security Instrument (regardless of whether or not permitted under this Borrower Loan Agreement).

Section 5.31. ERISA. Borrower will comply, and will cause each of its ERISA Affiliates to comply, in all respects with the provisions of ERISA.

Section 5.32. Patriot Act Compliance. Borrower shall use its good faith and commercially reasonable efforts to comply with the Patriot Act and all applicable requirements of Governmental Authorities having jurisdiction over Borrower and/or the Project, including those relating to money laundering and terrorism. Funding Lender shall have the right to audit Borrower's compliance with the Patriot Act and all applicable requirements of Governmental Authorities having jurisdiction over Borrower and/or the Project, including those relating to money laundering and terrorism. In the event that Borrower fails to comply with the Patriot Act or any such requirements of Governmental Authorities, then Funding Lender may, at its option, cause Borrower to comply therewith and any and all costs and expenses incurred by Funding Lender in connection therewith shall be secured by the Security Instrument and shall be immediately due and payable.

Section 5.33. Funds from Equity Investor. Borrower shall cause the Equity Investor to fund all installments of the Equity Contributions in the amounts and at the times subject and according to the terms of the Partnership Agreement.

Section 5.34. Tax Covenants. The Borrower further represents, warrants and covenants as follows:

(a) General. The Borrower shall not take any action or omit to take any action which, if taken or omitted, respectively, would adversely affect the exclusion of interest on the Governmental Lender Note from gross income (as defined in Section 61 of the Code), for federal income tax purposes and, if it should take or permit any such action, the Borrower will take all lawful actions that it can take to rescind such action promptly upon having knowledge thereof and that the Borrower will take such action or actions, including amendment of this Borrower Loan Agreement, the Security Instrument

and the Regulatory Agreement, as may be necessary, in the opinion of Tax Counsel, to comply fully with all applicable rules, rulings, policies, procedures, regulations or other official statements promulgated or proposed by the Department of the Treasury or the Internal Revenue Service applicable to the Governmental Lender Note, the Funding Loan or affecting the Project. Capitalized terms used in this Section 5.34 shall have the respective meanings assigned to them in the Regulatory Agreement or, if not defined therein, in the Funding Loan Agreement. With the intent not to limit the generality of the foregoing, the Borrower covenants and agrees that, prior to the final maturity of the Governmental Lender Note, unless it has received and filed with the Governmental Lender and the Funding Lender a Tax Counsel No Adverse Effect Opinion (other than with respect to interest on any portion of the Governmental Lender Note for a period during which such portion of the Governmental Lender Note is held by a "substantial user" of any facility financed with the proceeds of the Governmental Lender Note or a "related person," as such terms are used in Section 147(a) of the Code), the Borrower will comply with this Section 5.34.

(b) Use of Proceeds. The use of the net proceeds of the Funding Loan at all times will satisfy the following requirements:

(i) Limitation on Net Proceeds. At least 95% of the net proceeds of the Funding Loan (within the meaning of the Code) actually expended shall be used to pay Qualified Project Costs that are costs of a "qualified residential rental project" (within the meaning of Sections 142(a)(7) and 142(d) of the Code) and property that is "functionally related and subordinate" thereto (within the meaning of Sections 1.103-8(a)(3) and 1.103-8(b)(4)(iii) of the Regulations).

(ii) Limit on Costs of Funding. The proceeds of the Funding Loan will be expended for the purposes set forth in this Borrower Loan Agreement and in the Funding Loan Agreement and no portion thereof in excess of two percent of the proceeds of the Funding Loan, within the meaning of Section 147(g) of the Code, will be expended to pay Costs of Funding of the Funding Loan.

(iii) Prohibited Facilities. The Borrower shall not use or permit the use of any proceeds of the Funding Loan or any income from the investment thereof to provide any airplane, skybox, or other private luxury box, health club facility, any facility primarily used for gambling, or any store the principal business of which is the sale of alcoholic beverages for consumption off premises.

(iv) Limitation on Land. Less than 25 percent of the net proceeds of the Funding Loan actually expended will be used, directly or indirectly, for the acquisition of land or an interest therein, nor will any portion of the net proceeds of the Funding Loan be used, directly or indirectly, for the acquisition of land or an interest therein to be used for farming purposes.

(v) Limitation on Existing Facilities. No portion of the net proceeds of the Funding Loan will be used for the acquisition of any existing property or an interest therein unless (A) the first use of such property is pursuant to such acquisition or (B) the rehabilitation expenditures with respect to any building and the equipment therefor equal or exceed 15 percent of the cost of acquiring such building financed with the proceeds of the Funding Loan (with respect to structures other than buildings, this clause shall be applied by substituting 100

percent for 15 percent). For purposes of the preceding sentence, the term "rehabilitation expenditures" shall have the meaning set forth in Section 147(d)(3) of the Code.

(vi) Accuracy of Information. The information furnished by the Borrower and used by the Governmental Lender in preparing its certifications with respect to Section 148 of the Code and the Borrower's information statement pursuant to Section 149(e) of the Code is accurate and complete as of the date of origination of the Funding Loan.

(vii) Limitation of Project Expenditures. The acquisition, construction and equipping of the Project were not commenced (within the meaning of Section 144(a) of the Code) prior to the 60th day preceding the adoption of the resolution of the Governmental Lender with respect to the Project on March ___, 2014, and no obligation for which reimbursement will be sought from proceeds of the Funding Loan relating to the acquisition, construction or equipping of the Project was paid or incurred prior to 60 days prior to such date, except for permissible "preliminary expenditures", which include architectural, engineering surveying, soil testing, reimbursement bond issuance and similar costs incurred prior to the commencement of construction, rehabilitation or acquisition of the Project, and which do not exceed 20% of the aggregate issue price of the Governmental Lender Note.

(viii) Qualified Costs. The Borrower hereby represents, covenants and warrants that the proceeds of the Funding Loan shall be used or deemed used exclusively to pay costs which are (A) capital expenditures (as defined in Section 1.150-1(b) of the Code's regulations) and (B) not made for the acquisition of existing property, to the extent prohibited in Section 147(d) of the Code and that for the greatest number of buildings the proceeds of the Governmental Lender Note shall be deemed allocated on a pro rata basis to each building in the Project and the land on which it is located so that each building and the land on which it is located will have been financed fifty percent (50%) or more by the proceeds of the Governmental Lender Note for the purpose of complying with Section 42(h)(4)(B) of the Code; provided however, the foregoing representation, covenant and warranty is made for the benefit of the Borrower and its partners and neither the Funding Lender nor the Governmental Lender shall have any obligation to enforce this statement nor shall they incur any liability to any person, including without limitation, the Borrower, the partners of the Borrower, any other affiliate of the Borrower or the holders or payees of the Governmental Lender Note and the Borrower Note for any failure to meet the intent expressed in the foregoing representation, covenant and warranty; and provided further, failure to comply with this representation, covenant and warranty shall not constitute a default or event of default under this Borrower Loan Agreement or the Funding Loan Agreement.

(c) Limitation on Maturity. The average maturity of the Governmental Lender Note does not exceed 120 percent of the average reasonably expected economic life of the Project to be financed by the Funding Loan, weighted in proportion to the respective cost of each item comprising the property the cost of which has been or will be financed, directly or indirectly, with the Net Proceeds of the Funding Loan. For purposes of the preceding sentence, the reasonably expected economic life of property shall be

determined as of the later of (A) the Closing Date for the Funding Loan or (B) the date on which such property is placed in service (or expected to be placed in service). In addition, land shall not be taken into account in determining the reasonably expected economic life of property.

(d) No Arbitrage. The Borrower shall not take any action or omit to take any action with respect to the Gross Proceeds of the Governmental Lender Note or of any amounts expected to be used to pay the principal thereof or the interest thereon which, if taken or omitted, respectively, would cause the Governmental Lender Note to be classified as an "arbitrage bond" within the meaning of Section 148 of the Code. Except as provided in the Funding Loan Agreement and this Borrower Loan Agreement, the Borrower shall not pledge or otherwise encumber, or permit the pledge or encumbrance of, any money, investment, or investment property as security for payment of any amounts due under this Agreement or the Borrower Note relating to the Governmental Lender Note, shall not establish any segregated reserve or similar fund for such purpose and shall not prepay any such amounts in advance of the redemption date of an equal principal amount of the Governmental Lender Note, unless the Borrower has obtained in each case a Tax Counsel No Adverse Effect Opinion with respect to such action, a copy of which shall be provided to the Governmental Lender and the Funding Lender. The Borrower shall not, at any time prior to the final maturity of the Governmental Lender Note, invest or cause any Gross Proceeds to be invested in any investment (or to use Gross Proceeds to replace money so invested), if, as a result of such investment the Yield of all investments acquired with Gross Proceeds (or with money replaced thereby) on or prior to the date of such investment exceeds the Yield of the Governmental Lender Note to the Maturity Date, except as permitted by Section 148 of the Code and Regulations thereunder or as provided in the Regulatory Agreement. The Borrower further covenants and agrees that it will comply with all applicable requirements of said Section 148 and the rules and Regulations thereunder relating to the Governmental Lender Note and the interest thereon, including the employment of a Rebate Analyst acceptable to the Governmental Lender and Funding Lender at all times from and after the Closing Date for the calculation of rebatable amounts to the United States Treasury Department. The Borrower agrees that it will cause the Rebate Analyst to calculate the rebatable amounts not later than forty-five days after the fifth anniversary of the Closing Date and each five years thereafter and not later than forty-five days after the final Computation Date and agrees that the Borrower will pay all costs associated therewith. The Borrower agrees to provide evidence of the employment of the Rebate Analyst satisfactory to the Governmental Lender and Funding Lender.

(e) No Federal Guarantee. Except to the extent permitted by Section 149(b) of the Code and the Regulations and rulings thereunder, the Borrower shall not take or omit to take any action which would cause the Governmental Lender Note to be "federally guaranteed" within the meaning of Section 149(b) of the Code and the Regulations and rulings thereunder.

(f) Representations. The Borrower has supplied or caused to be supplied to Tax Counsel all documents, instruments and written information requested by Tax Counsel, and all such documents, instruments and written information supplied by or on behalf of the Borrower at the request of Tax Counsel, which have been reasonably relied upon by Tax Counsel in rendering its opinion with respect to the exclusion from gross income of the interest on the Governmental Lender Note for federal income tax purposes, are true and correct in all material respects, do not contain any untrue

statement of a material fact and do not omit to state any material fact necessary to be stated therein in order to make the information provided therein, in light of the circumstances under which such information was provided, not misleading, and the Borrower is not aware of any other pertinent information which Tax Counsel has not requested.

(g) Qualified Residential Rental Project. The Borrower hereby covenants and agrees that the Project will be operated as a "qualified residential rental project" within the meaning of Section 142(d) of the Code, on a continuous basis during the longer of the Qualified Project Period (as defined in the Regulatory Agreement) or any period during which any portion of the Governmental Lender Note remains outstanding, to the end that the interest on the Governmental Lender Note shall be excluded from gross income for federal income tax purposes. The Borrower hereby covenants and agrees, continuously during the Qualified Project Period, to comply with all the provisions of the Regulatory Agreement.

(h) Information Reporting Requirements. The Borrower will comply with the information reporting requirements of Section 149(e)(2) of the Code requiring certain information regarding the Governmental Lender Note to be filed with the Internal Revenue Service within prescribed time limits.

(i) Governmental Lender Note Not a Hedge Bond. The Borrower covenants and agrees that not more than 50% of the proceeds of the Governmental Lender Note will be invested in Nonpurpose Investments having a substantially guaranteed Yield for four years or more within the meaning of Section 149(f)(3)(A)(ii) of the Code, and the Borrower reasonably expects that at least 85% of the spendable proceeds of the Governmental Lender Note will be used to carry out the governmental purposes of the Governmental Lender Note within the three-year period beginning on the Closing Date.

(j) Termination of Restrictions. Although the parties hereto recognize that, subject to the provisions of the Regulatory Agreement, the provisions of this Borrower Loan Agreement shall terminate in accordance with Section 10.14 hereof, the parties hereto recognize that pursuant to the Regulatory Agreement, certain requirements, including the requirements incorporated by reference in this Section, may continue in effect beyond the term hereof.

(k) Public Approval. The Borrower covenants and agrees that the proceeds of the Governmental Lender Note will not be used in a manner that deviates in any substantial degree from the Project described in the written notice of a public hearing regarding the Governmental Lender Note.

(l) 40/60 Test Election. The Borrower and the Governmental Lender hereby elect to apply the requirements of Section 142(d)(1)(B) to the Project. The Borrower hereby represents, covenants and agrees, continuously during the Qualified Project Period, to comply with all the provisions of the Regulatory Agreement.

(m) Modification of Tax Covenants. Subsequent to the origination of the Funding Loan and prior to its payment in full (or provision for the payment thereof having been made in accordance with the provisions of the Funding Loan Agreement), this Section 5.34 hereof may not be amended, changed, modified, altered or terminated except as permitted herein and by the Funding Loan Agreement and with the Written

Consent of the Governmental Lender and the Funding Lender. Anything contained in this Agreement or the Funding Loan Agreement to the contrary notwithstanding, the Governmental Lender, the Funding Lender and the Borrower hereby agree to amend this Borrower Loan Agreement and, if appropriate, the Funding Loan Agreement and the Regulatory Agreement, to the extent required, in the opinion of Tax Counsel, in order for interest on the Governmental Lender Note to remain excludable from gross income for federal income tax purposes. The party requesting such amendment, which may include the Funding Lender, shall notify the other parties to this Borrower Loan Agreement of the proposed amendment and send a copy of such requested amendment to Tax Counsel. After review of such proposed amendment, Tax Counsel shall render to the Funding Lender and the Governmental Lender an opinion as to the effect of such proposed amendment upon the includability of interest on the Governmental Lender Note in the gross income of the recipient thereof for federal income tax purposes. The Borrower shall pay all necessary fees and expenses incurred with respect to such amendment. The Borrower, the Governmental Lender and, where applicable, the Funding Lender per written instructions from the Governmental Lender shall execute, deliver and, if applicable, the Borrower shall file of record, any and all documents and instruments, including without limitation, an amendment to the Regulatory Agreement, with a file-stamped copy to the Funding Lender, necessary to effectuate the intent of this Section 5.34, and the Borrower and the Governmental Lender hereby appoint the Funding Lender as their true and lawful attorney-in-fact to execute, deliver and, if applicable, file of record on behalf of the Borrower or the Governmental Lender, as is applicable, any such document or instrument (in such form as may be approved by and upon instruction of Tax Counsel) if either the Borrower or the Governmental Lender defaults in the performance of its obligation under this Section 5.34; provided, however, that the Funding Lender shall take no action under this Section 5.34 without first notifying the Borrower or the Governmental Lender, as is applicable, of its intention to take such action and providing the Borrower or the Governmental Lender, as is applicable, a reasonable opportunity to comply with the requirements of this Section 5.34.

The Borrower irrevocably authorizes and directs the Funding Lender and any other agent designated by the Governmental Lender to make payment of such amounts from funds of the Borrower, if any, held by the Funding Lender, or any agent of the Governmental Lender or the Funding Lender. The Borrower further covenants and agrees that, pursuant to the requirements of Treasury Regulation Section 1.148-1(b), it (or any related person contemplated by such regulations) will not purchase interests in the Governmental Lender Note in an amount related to the amount of the Borrower Loan.

Section 5.35. Payment of Rebate.

(a) Arbitrage Rebate. The Borrower agrees to take all steps necessary to compute and pay any rebatable arbitrage relating to the Funding Loan or the Governmental Lender Note in accordance with Section 148(f) of the Code including:

(i) Delivery of Documents and Money on Computation Dates. The Borrower will deliver to the Servicer, within 55 days after each Computation Date:

(A) a statement, signed by the Borrower, stating the Rebate Amount as of such Computation Date;

(B) if such Computation Date is an Installment Computation Date, an amount that, together with any amount then held for the credit of the Rebate Fund, is equal to at least 90% of the Rebate Amount as of such Installment Computation Date, less any "previous rebate payments" made to the United States (as that term is used in Section 1.148-3(f)(1) of the Regulations), or (2) if such Computation Date is the final Computation Date, an amount that, together with any amount then held for the credit of the Rebate Fund, is equal to the Rebate Amount as of such final Computation Date, less any "previous rebate payments" made to the United States (as that term is used in Section 1.148-3(f)(1) of the Regulations); and

(C) an Internal Revenue Service Form 8038-T properly signed and completed as of such Computation Date.

(ii) Correction of Underpayments. If the Borrower shall discover or be notified as of any date that any payment paid to the United States Treasury pursuant to this Section 5.35 of an amount described in Section 5.35(a)(i)(A) or (B) above shall have failed to satisfy any requirement of Section 1.148-3 of the Regulations (whether or not such failure shall be due to any default by the Borrower, the Governmental Lender or the Funding Lender), the Borrower shall (1) pay to the Servicer (for deposit to the Rebate Fund) and cause the Servicer to pay to the United States Treasury from the Rebate Fund the underpayment of the Rebate Amount, together with any penalty and/or interest due, as specified in Section 1.148-3(h) of the Regulations, within 175 days after any discovery or notice and (2) deliver to the Servicer an Internal Revenue Service Form 8038-T completed as of such date. If such underpayment of the Rebate Amount, together with any penalty and/or interest due, is not paid to the United States Treasury in the amount and manner and by the time specified in the Regulations, the Borrower shall take such steps as are necessary to prevent the Governmental Lender Note from becoming an arbitrage bond within the meaning of Section 148 of the Code.

(iii) Records. The Borrower shall retain all of its accounting records relating to the funds established under this Borrower Loan Agreement and all calculations made in preparing the statements described in this Section 5.35 for at least six years after the later of the final maturity of the Governmental Lender Note or the date the Funding Loan is retired in full.

(iv) Costs. The Borrower agrees to pay all of the fees and expenses of a nationally recognized Tax Counsel, the Rebate Analyst, a certified public accountant and any other necessary consultant employed by the Borrower or the Funding Lender in connection with computing the Rebate Amount.

(v) No Diversion of Rebatable Arbitrage. The Borrower will not indirectly pay any amount otherwise payable to the federal government pursuant to the foregoing requirements to any person other than the federal government by entering into any investment arrangement with respect to the Gross Proceeds of the Funding Loan which is not purchased at Fair Market Value or includes terms that the Borrower would not have included if the Funding Loan were not subject to Section 148(f) of the Code.

(vi) Modification of Requirements. If at any time during the term of this Agreement, the Governmental Lender, the Funding Lender or the Borrower desires to take any action which would otherwise be prohibited by the terms of this Section 5.35, such Person shall be permitted to take such action if it shall first obtain and provide to the other Persons named herein a Tax Counsel No Adverse Effect Opinion with respect to such action.

(b) Rebate Fund. The Servicer shall establish and hold a separate fund designated as the "Rebate Fund." The Servicer shall deposit or transfer to the credit of the Rebate Fund each amount delivered to the Servicer by the Borrower for deposit thereto and each amount directed by the Borrower to be transferred thereto.

(c) Within 15 days after each receipt or transfer of funds to the Rebate Fund, the Servicer shall withdraw from the Rebate Fund and pay to the United States of America the entire balance of the Rebate Fund.

(d) All payments to the United States of America pursuant to this Section 5.35 shall be made by the Servicer for the account and in the name of the Governmental Lender and shall be paid through the United States Mail (return receipt requested or overnight delivery), addressed to the appropriate Internal Revenue Service Center and accompanied by the appropriate Internal Revenue Service forms (such forms to be provided to the Servicer by the Borrower or the Rebate Analyst as set forth in this Section 5.35).

(e) The Borrower shall preserve all statements, forms and explanations received delivered pursuant this Section 5.35 and all records of transactions in the Rebate Fund until six years after the retirement of the Funding Loan.

(f) Moneys and securities held in the Rebate Fund shall not be deemed funds of the Funding Lender or of the Governmental Lender and are not pledged or otherwise subject to any security interest in favor of the Funding Lender to secure the Funding Loan or any other obligations.

(g) Notwithstanding anything to the contrary in this Borrower Loan Agreement, no payment shall be made to the United States if the Borrower shall furnish to the Governmental Lender and the Funding Lender an opinion of Tax Counsel to the effect that such payment is not required under Section 148(d) and (f) of the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Governmental Lender Note. In such event, the Borrower shall be entitled to withdraw funds from the Rebate Fund to the extent the Borrower shall provide a Tax Counsel No Adverse Effect Opinion to the Governmental Lender and the Funding Lender with respect to such withdrawal.

(h) Notwithstanding the foregoing, the computations and payments of rebate amounts referred to in this Section 5.35 need not be made to the extent that neither the Governmental Lender nor the Borrower will thereby fail to comply with any requirements of Section 148(f) of the Code based on a Tax Counsel No Adverse Effect Opinion, a copy of which shall be provided to the Funding Lender.

Section 5.36. Covenants under Funding Loan Agreement. The Borrower will fully and faithfully perform all the duties and obligations which the Governmental Lender has

covenanted and agreed in the Funding Loan Agreement to cause the Borrower to perform and any duties and obligations which the Borrower is required in the Funding Loan Agreement to perform. The foregoing will not apply to any duty or undertaking of the Governmental Lender which by its nature cannot be delegated or assigned.

Section 5.37. Notice of Default. The Borrower will advise the Governmental Lender, the Funding Lender, and the Servicer promptly in writing of the occurrence of any Potential Default or Event of Default hereunder, specifying the nature and period of existence of such event and the actions being taken or proposed to be taken with respect thereto.

Section 5.38. Continuing Disclosure Agreement. The Borrower and the Funding Lender shall enter into the Continuing Disclosure Agreement to provide for the continuing disclosure of information about the Governmental Lender Note, the Borrower and other matters as specifically provided for in such agreement.

ARTICLE VI
NEGATIVE COVENANTS

Borrower hereby covenants and agrees as follows, which covenants shall remain in effect so long as any Payment Obligation or other obligation of Borrower under any of the other Borrower Loan Documents or the Funding Loan Documents remains outstanding or unperformed. Borrower covenants and agrees that it will not, directly or indirectly:

Section 6.1. Management Agreement. Without first obtaining the Funding Lender's prior Written Consent, enter into the Management Agreement, and thereafter the Borrower shall not, without the Funding Lender's prior Written Consent (which consent shall not be unreasonably withheld) and subject to the Regulatory Agreement: (i) surrender, terminate or cancel the Management Agreement or otherwise replace the Manager or enter into any other management agreement; (ii) reduce or consent to the reduction of the term of the Management Agreement; (iii) increase or consent to the increase of the amount of any charges under the Management Agreement; (iv) otherwise modify, change, supplement, alter or amend in any material respect, or waive or release in any material respect any of its rights and remedies under, the Management Agreement; or (v) suffer or permit the occurrence and continuance of a default beyond any applicable cure period under the Management Agreement (or any successor management agreement) if such default permits the Manager to terminate the Management Agreement (or such successor management agreement).

Section 6.2. Dissolution. Dissolve or liquidate, in whole or in part, merge with or consolidate into another Person.

Section 6.3. Change in Business or Operation of Property. Borrower and General Partner agree that no sign shall be posted on the Project in connection with the construction or rehabilitation of the Improvements unless such sign identifies Citigroup and its affiliates as the source of the financing provided for herein or Funding Lender consents to not being identified on any such sign.

(p) the construction or rehabilitation of the Improvements is abandoned or halted prior to completion for any period of thirty (30) consecutive days;

However, no such notice or grace period shall apply to the extent such failure could, in the Funding Lender's judgment, absent immediate exercise by the Funding Lender of a right or remedy under this Borrower Loan Agreement, result in harm to the Funding Lender, impairment of the Borrower Note or this Borrower Loan Agreement or any security given under any other Borrower Loan Document.

Section 8.2. Remedies.

Section 8.2.1 Acceleration. Upon the occurrence of an Event of Default (other than an Event of Default described in paragraph (e), (f) or (i) of Section 8.1) and at any time and from time to time thereafter, as long as such Event of Default continues to exist, in addition to any other rights or remedies available to the Governmental Lender pursuant to the Borrower Loan Documents or at law or in equity, the Funding Lender may, take such action, without notice or demand, as the Funding Lender deems advisable to protect and enforce its rights against the Borrower and in and to the Project, including declaring the Borrower Payment Obligations to be immediately due and payable (including, without limitation, the principal of, Prepayment Premium, if any, and interest on and all other amounts due on the Borrower Note to be immediately due and payable), without notice or demand, and apply such payment of the Borrower Payment Obligations in any manner and in any order determined by Funding Lender, in Funding Lender's sole and absolute discretion; and upon any Event of Default described in paragraph (e), (f) or (i) of Section 8.1, the Borrower Payment Obligations shall become immediately due and payable, without notice or demand, and the Borrower hereby expressly waives any such notice or demand, anything contained in any Borrower Loan Document to the contrary notwithstanding. Notwithstanding anything herein to the contrary, enforcement of

remedies hereunder and under the Funding Loan Agreement shall be controlled by the Funding Lender.

Section 8.2.2 Remedies Cumulative. Upon the occurrence of an Event of Default, all or any one or more of the rights, powers, privileges and other remedies available to the Funding Lender against the Borrower under the Borrower Loan Documents or at law or in equity may be exercised by the Funding Lender, at any time and from time to time, whether or not all or any of the Borrower Payment Obligations shall be declared due and payable, and whether or not the Funding Lender shall have commenced any foreclosure proceeding or other action for the enforcement of its rights and remedies under any of the Borrower Loan Documents. Any such actions taken by the Funding Lender shall be cumulative and concurrent and may be pursued independently, singly, successively, together or otherwise, at such time and in such order as the Funding Lender may determine in its sole discretion, to the fullest extent permitted by law, without impairing or otherwise affecting the other rights and remedies of the Funding Lender permitted by law, equity or contract or as set forth in the Borrower Loan Documents. Without limiting the generality of the foregoing, the Borrower agrees that if an Event of Default is continuing, all Liens and other rights, remedies or privileges provided to the Funding Lender shall remain in full force and effect until they have exhausted all of its remedies, the Security Instrument has been foreclosed, the Project has been sold and/or otherwise realized upon satisfaction of the Borrower Payment Obligations or the Borrower Payment Obligations has been paid in full. To the extent permitted by applicable law, nothing contained in any Borrower Loan Document shall be construed as requiring the Funding Lender to resort to any portion of the Project for the satisfaction of any of the Borrower Payment Obligations in preference or priority to any other portion, and the Funding Lender may seek satisfaction out of the entire Project or any part thereof, in its absolute discretion.

Notwithstanding any provision herein to the contrary, the Governmental Lender and the Funding Lender agrees that any cure of any default made or tendered by the Equity Investor shall be deemed to be a cure by the Borrower and shall be accepted or rejected on the same basis as if made or tendered by the Borrower.

Section 8.2.3 Delay. No delay or omission to exercise any remedy, right, power accruing upon an Event of Default, or the granting of any indulgence or compromise by the Funding Lender shall impair any such remedy, right or power hereunder or be construed as a waiver thereof, but any such remedy, right or power may be exercised from time to time and as often as may be deemed expedient. A waiver of one Potential Default or Event of Default shall not be construed to be a waiver of any subsequent Potential Default or Event of Default or to impair any remedy, right or power consequent thereon. Notwithstanding any other provision of this Borrower Loan Agreement, the Funding Lender reserves the right to seek a deficiency judgment or preserve a deficiency claim, in connection with the foreclosure of the Security Instrument to the extent necessary to foreclose on the Project, the Rents, the funds or any other collateral.

Section 8.2.4 Set Off; Waiver of Set Off. Upon the occurrence of an Event of Default, Funding Lender may, at any time and from time to time, without notice to Borrower or any other Person (any such notice being expressly waived), set off and appropriate and apply (against and on account of any obligations and liabilities of Borrower to Funding Lender arising under or connected with this Borrower Loan Agreement and the other Borrower Loan Documents and the Funding Loan Documents, irrespective of whether or not Funding Lender shall have made any demand therefor, and although such obligations and liabilities may be contingent or unmatured), and Borrower hereby grants to Funding Lender, as security for the

Payment Obligations, a security interest in, any and all deposits (general or special, including but not limited to Debt evidenced by certificates of deposit, whether matured or unmatured, but not including trust accounts) and any other Debt at any time held or owing by Funding Lender to or for the credit or the account of Borrower.

Section 8.2.5 Assumption of Obligations. In the event that the Funding Lender or its assignee or designee shall become the legal or beneficial owner of the Project by foreclosure or deed in lieu of foreclosure, such party shall succeed to the rights and the obligations of the Borrower under this Borrower Loan Agreement, the Borrower Note, the Regulatory Agreement, and any other Borrower Loan Documents and Funding Loan Documents to which the Borrower is a party. Such assumption shall be effective from and after the effective date of such acquisition and shall be made with the benefit of the limitations of liability set forth therein and without any liability for the prior acts of the Borrower.

Section 8.2.6 Accounts Receivable. Upon the occurrence of an Event of Default, Funding Lender shall have the right, to the extent permitted by law, to impound and take possession of books, records, notes and other documents evidencing Borrower's accounts, accounts receivable and other claims for payment of money, arising in connection with the Project, and to make direct collections on such accounts, accounts receivable and claims for the benefit of Funding Lender.

Section 8.2.7 Defaults under Other Documents. Funding Lender shall have the right to cure any default under any of the Related Documents and the Subordinate Loan Documents, but shall have no obligation to do so.

Section 8.2.8 Abatement of Disbursements. Notwithstanding any provision to the contrary herein or any of the other Borrower Loan Documents or the Funding Loan Documents, Funding Lender's obligation to make further Disbursements shall abate (i) during the continuance of any Potential Default, (ii) after any disclosure to Funding Lender of any fact or circumstance that, absent such disclosure, would cause any representation or warranty of Borrower to fail to be true and correct in all material respects, unless and until Funding Lender elects to permit further Disbursements notwithstanding such event or circumstance; and (iii) upon the occurrence of any Event of Default.

Section 8.2.9 Completion of Improvements. Upon the occurrence of any Event of Default, Funding Lender shall have the right to cause an independent contractor selected by Funding Lender to enter into possession of the Project and to perform any and all work and labor necessary for the completion of the Project substantially in accordance with the Plans and Specifications, if any, and to perform Borrower's obligations under this Borrower Loan Agreement. All sums expended by Funding Lender for such purposes shall be deemed to have been disbursed to and borrowed by Borrower and shall be secured by the Security Documents.

Section 8.2.10 Right to Directly Enforce. Notwithstanding any other provision hereof to the contrary, the Funding Lender shall have the right to directly enforce all rights and remedies hereunder with or without involvement of the Governmental Lender, provided that only the Governmental Lender may enforce the Unassigned Rights and Funding Lender shall not impair Governmental Lender's enforcement of Unassigned Rights. In the event that any of the provisions set forth in this Section 8.2.10 are inconsistent with the covenants, terms and conditions of the Security Instrument, the covenants, terms and conditions of the Security Instrument shall prevail.

Section 8.2.11 Power of Attorney. Effective upon the occurrence of an Event of Default, and continuing until and unless such Event of Default is cured or waived, Borrower hereby constitutes and appoints Funding Lender, or an independent contractor selected by Funding Lender, as its true and lawful attorney-in-fact with full power of substitution, for the purposes of completion of the Project and performance of Borrower's obligations under this Borrower Loan Agreement in the name of Borrower, and hereby empowers said attorney-in-fact to do any or all of the following upon the occurrence and continuation of an Event of Default (it being understood and agreed that said power of attorney shall be deemed to be a power coupled with an interest which cannot be revoked until full payment and performance of all obligations under this Borrower Loan Agreement and the other Borrower Loan Documents and the Funding Loan Documents):

(a) to use any of the funds of Borrower or General Partner, including any balance of the Borrower Loan, as applicable, and any funds which may be held by Funding Lender for Borrower (including all funds in all deposit accounts in which Borrower has granted to Funding Lender a security interest), for the purpose of effecting completion of the construction or rehabilitation, as the case may be, of the Improvements, in the manner called for by the Plans and Specifications;

(b) to make such additions, changes and corrections in the Plans and Specifications as shall be necessary or desirable to complete the Project in substantially the manner contemplated by the Plans and Specifications;

(c) to employ any contractors, subcontractors, agents, architects and inspectors required for said purposes;

(d) to employ attorneys to defend against attempts to interfere with the exercise of power granted hereby;

(e) to pay, settle or compromise all existing bills and claims which are or may be liens against the Project, the Improvements or the Project, or may be necessary or desirable for the completion of the construction or rehabilitation, as the case may be, of the Improvements, or clearance of objections to or encumbrances on title;

(f) to execute all applications and certificates in the name of Borrower, which may be required by any other construction contract;

(g) to prosecute and defend all actions or proceedings in connection with the Project and to take such action, require such performance and do any and every other act as is deemed necessary with respect to the completion of the construction or rehabilitation, as the case may be, of the Improvements, which Borrower might do on its own behalf;

(h) to let new or additional contracts to the extent not prohibited by their existing contracts;

(i) to employ watchmen and erect security fences to protect the Project from injury; and

(j) to take such action and require such performance as it deems necessary under any of the bonds or insurance policies to be furnished hereunder, to make

settlements and compromises with the sureties or insurers thereunder, and in connection therewith to execute instruments of release and satisfaction.

It is the intention of the parties hereto that upon the occurrence and continuance of an Event of Default, rights and remedies may be pursued pursuant to the terms of the Borrower Loan Documents and the Funding Loan Documents. The parties hereto acknowledge that, among the possible outcomes to the pursuit of such remedies, is the situation where the Funding Lender assignees or designees become the owner of the Project and assume the obligations identified above, and the Borrower Note, the Borrower Loan and the other Borrower Loan Documents and Funding Loan Documents remain outstanding.

Without limiting the generality of the foregoing, the Borrower shall, so long as the Borrower Loan is still outstanding:

(a) (i) provide such financial and other information with respect to the Borrower Loan, and with respect to the Project, the Borrower, the Manager, the contractor of the Project or the Borrower Controlling Entity, (ii) provide financial statements, audited, if available, relating to the Project with customary disclaimers for any forward looking statements or lack of audit, and (iii), at the expense of the Funding Lender or the Servicer, perform or permit or cause to be performed or permitted such site inspection, appraisals, surveys, market studies, environmental reviews and reports (Phase I's and, if appropriate, Phase II's), engineering reports and other due diligence investigations of the Project, as may be reasonably requested from time to time by the Funding Lender or the Servicer or the Rating Agencies or as may be necessary or appropriate in connection with a Secondary Market Transaction or Exchange Act requirements (the items provided to the Funding Lender or the Servicer pursuant to this paragraph (a) being called the "**Provided Information**"), together, if customary, with appropriate verification of and/or consents to the Provided Information through letters of auditors or opinions of counsel of independent attorneys acceptable to the Funding Lender or the Servicer and the Rating Agencies;

(b) make such representations and warranties as of the closing date of any Secondary Market Transaction with respect to the Project, the Borrower, the Borrower Loan Documents and the Funding Loan Documents reasonably acceptable to the Funding Lender or the Servicer, consistent with the facts covered by such representations and warranties as they exist on the date thereof; and

(c) execute such amendments to the Borrower Loan Documents and the Funding Loan Documents to accommodate such Secondary Market Transaction so long as such amendment does not affect the material economic terms of the Borrower Loan Documents and the Funding Loan Documents and is not otherwise adverse to the Borrower in its reasonable discretion.

Section 9.1.2 Use of Information. The Borrower understands that certain of the Provided Information and the required records may be included in disclosure documents in connection with a Secondary Market Transaction, including a prospectus or private placement memorandum (each, a "**Secondary Market Disclosure Document**"), or provided or made available to investors or prospective investors in the Securities, the Rating Agencies and service providers or other parties relating to the Secondary Market Transaction. In the event that the Secondary Market Disclosure Document is required to be revised, the Borrower shall cooperate, subject to Section 9.1.1(c) hereof, with the Funding Lender and the Servicer in updating the Provided Information or required records for inclusion or summary in the Secondary Market Disclosure Document or for other use reasonably required in connection with a Secondary Market Transaction by providing all reasonably requested current information pertaining to the Borrower and the Project necessary to keep the Secondary Market Disclosure Document accurate and complete in all material respects with respect to such matters. The Borrower hereby consents to any and all such disclosures of such information.

Section 9.1.3 Borrower Obligations Regarding Secondary Market Disclosure Documents. In connection with a Secondary Market Disclosure Document, the Borrower shall provide, or in the case of a Borrower-engaged third party such as the Manager, cause it to provide, information reasonably requested by the Funding Lender pertaining to the Borrower, the Project or such third party (and portions of any other sections reasonably requested by the Funding Lender pertaining to the Borrower, the Project or the third party). The Borrower shall, if requested by the Funding Lender and the Servicer, certify in writing that the Borrower has carefully examined those portions of such Secondary Market Disclosure Document, pertaining to the Borrower, the Project or the Manager, and such portions (and portions of any other sections reasonably requested and pertaining to the Borrower, the Project or the Manager) do not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading; provided that the Borrower shall not be required to make any representations or warranties regarding any Provided Information obtained from a third party except with respect to information it provided to such parties. Furthermore, the Borrower hereby indemnifies the Funding Lender, the Governmental Lender and the Servicer for any Liabilities to which any such parties may become subject to the extent such Liabilities arise out of or are based upon the use of the Provided Information in a Secondary Market Disclosure Document; provided that the Borrower shall not provide any indemnification regarding any Provided Information obtained from unrelated third parties except with respect to information it provided to such parties.

Section 9.1.4 Borrower Indemnity Regarding Filings. In connection with filings under the Exchange Act or the Securities Act, the Borrower shall (i) indemnify Funding

Lender, the Governmental Lender and the underwriter group for any securities (the "**Underwriter Group**") and all officials, employees and agents of any of them for any Liabilities to which Funding Lender, the Servicer or the Underwriter Group may become subject insofar as the Liabilities arise out of or are based upon the omission or alleged omission to state in the Provided Information of a material fact required to be stated in the Provided Information in order to make the statements in the Provided Information, in the light of the circumstances under which they were made not misleading and (ii) reimburse the Funding Lender, the Servicer, the Underwriter Group and other indemnified parties listed above for any legal or other expenses reasonably incurred by the Funding Lender, the Servicer or the Underwriter Group in connection with defending or investigating such Liabilities; provided that the Borrower shall not provide any indemnification regarding any Provided Information obtained from unrelated third parties except with respect to information it provided to such parties.

Section 9.1.5 Indemnification Procedure. Promptly after receipt by an indemnified party under Sections 9.1.3 and 9.1.4 hereof of notice of the commencement of any action for which a claim for indemnification is to be made against the Borrower, such indemnified party shall notify the Borrower in writing of such commencement, but the omission to so notify the Borrower will not relieve the Borrower from any liability that it may have to any indemnified party hereunder except to the extent that failure to notify causes prejudice to the Borrower. In the event that any action is brought against any indemnified party, and it notifies the Borrower of the commencement thereof, the Borrower will be entitled, jointly with any other indemnifying party, to participate therein and, to the extent that it (or they) may elect by Written Notice delivered to the indemnified party promptly after receiving the aforesaid notice of commencement, to assume the defense thereof with counsel selected by the Borrower and reasonably satisfactory to such indemnified party in its sole discretion. After notice from the Borrower to such indemnified party under this Section 9.1.5, the Borrower shall not be responsible for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation. No indemnified party shall settle or compromise any claim for which the Borrower may be liable hereunder without the prior Written Consent of the Borrower.

Section 9.1.6 Contribution. In order to provide for just and equitable contribution in circumstances in which the indemnity agreement provided for in Section 9.1.4 hereof is for any reason held to be unenforceable by an indemnified party in respect of any Liabilities (or action in respect thereof) referred to therein which would otherwise be indemnifiable under Section 9.1.4 hereof, the Borrower shall contribute to the amount paid or payable by the indemnified party as a result of such Liabilities (or action in respect thereof); provided, however, that no Person guilty of fraudulent misrepresentation (within the meaning of Section 10(f) of the Securities Act) shall be entitled to contribution from any Person not guilty of such fraudulent misrepresentation. In determining the amount of contribution to which the respective parties are entitled, the following factors shall be considered: (i) the indemnified parties and the Borrower's relative knowledge and access to information concerning the matter with respect to which the claim was asserted; (ii) the opportunity to correct and prevent any statement or omission; and (iii) any other equitable considerations appropriate in the circumstances. The parties hereto hereby agree that it may not be equitable if the amount of such contribution were determined by pro rata or per capita allocation.

Section 10.2. Brokers and Financial Advisors. The Borrower hereby represents that it has dealt with no financial advisors, brokers, underwriters, placement agents, agents or finders in connection with the Borrower Loan, other than those disclosed to the Funding Lender and whose fees shall be paid by the Borrower pursuant to separate agreements. The Borrower and the Funding Lender shall indemnify and hold the other harmless from and against any and all claims, liabilities, costs and expenses of any kind in any way relating to or arising from a claim by any Person that such Person acted on behalf of the indemnifying party in connection with the transactions contemplated herein. The provisions of this Section 10.2 shall survive the expiration and termination of this Borrower Loan Agreement and the repayment of the Borrower Payment Obligations.

Section 10.3. Survival. This Borrower Loan Agreement and all covenants, agreements, representations and warranties made herein and in the certificates delivered pursuant hereto shall survive the making by the Governmental Lender of the Borrower Loan and the execution and delivery to the Governmental Lender of the Borrower Note and the

assignment of the Borrower Note to the Funding Lender, and shall continue in full force and effect so long as all or any of the Borrower Payment Obligations is unpaid. All the Borrower's covenants and agreements in this Borrower Loan Agreement shall inure to the benefit of the respective legal representatives, successors and assigns of the Governmental Lender, the Funding Lender and the Servicer.

Section 10.4. Preferences. The Governmental Lender shall have the continuing and exclusive right to apply or reverse and reapply any and all payments by the Borrower to any portion of the Borrower Payment Obligations. To the extent the Borrower makes a payment to the Governmental Lender or the Servicer, or the Governmental Lender or the Servicer receives proceeds of any collateral, which is in whole or part subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, state or federal law, common law or equitable cause, then, to the extent of such payment or proceeds received, the Borrower Payment Obligations or part thereof intended to be satisfied shall be revived and continue in full force and effect, as if such payment or proceeds had not been received by the Governmental Lender or the Servicer.

Section 10.5. Waiver of Notice. The Borrower shall not be entitled to any notices of any nature whatsoever from the Funding Lender or the Servicer except with respect to matters for which this Borrower Loan Agreement or any other Borrower Loan Document specifically and expressly provides for the giving of notice by the Funding Lender or the Servicer, as the case may be, to the Borrower and except with respect to matters for which the Borrower is not, pursuant to applicable Legal Requirements, permitted to waive the giving of notice. The Borrower hereby expressly waives the right to receive any notice from the Funding Lender or the Servicer, as the case may be, with respect to any matter for which no Borrower Loan Document specifically and expressly provides for the giving of notice by the Funding Lender or the Servicer to the Borrower.

Section 10.6. Offsets, Counterclaims and Defenses. The Borrower hereby waives the right to assert a counterclaim, other than a compulsory counterclaim, in any action or proceeding brought against it by the Funding Lender or the Servicer with respect to a Borrower Loan Payment. Any assignee of Funding Lender's interest in and to the Borrower Loan Documents or the Funding Loan Documents shall take the same free and clear of all offsets, counterclaims or defenses that are unrelated to the Borrower Loan Documents or the Funding Loan Documents which the Borrower may otherwise have against any assignor of such documents, and no such unrelated offset, counterclaim or defense shall be interposed or asserted by the Borrower in any action or proceeding brought by any such assignee upon such documents, and any such right to interpose or assert any such unrelated offset, counterclaim or defense in any such action or proceeding is hereby expressly waived by the Borrower.

Section 10.7. Publicity. The Funding Lender and the Servicer (and any Affiliates of either party) shall have the right to issue press releases, advertisements and other promotional materials describing the Funding Lender's or the Servicer's participation in the making of the Borrower Loan or the Borrower Loan's inclusion in any Secondary Market Transaction effectuated by the Funding Lender or the Servicer or one of its or their Affiliates. All news releases, publicity or advertising by the Borrower or its Affiliates through any media intended to reach the general public, which refers to the Borrower Loan Documents or the Funding Loan Documents, the Borrower Loan, the Funding Lender or the Servicer in a Secondary Market Transaction, shall be subject to the prior Written Consent of the Funding Lender or the Servicer, as applicable.

Section 10.8. Construction of Documents. The parties hereto acknowledge that they were represented by counsel in connection with the negotiation and drafting of the Borrower Loan Documents and the Funding Loan Documents and that the Borrower Loan Documents and the Funding Loan Documents shall not be subject to the principle of construing their meaning against the party that drafted them.

Section 10.9. No Third Party Beneficiaries. The Borrower Loan Documents and the Funding Loan Documents are solely for the benefit of the Governmental Lender, the Funding Lender, the Servicer and the Borrower and, with respect to Sections 9.1.3 and 9.1.4 hereof, the Underwriter Group, and nothing contained in any Borrower Loan Document shall be deemed to confer upon anyone other than the Governmental Lender, the Funding Lender, the Servicer, and the Borrower any right to insist upon or to enforce the performance or observance of any of the obligations contained therein.

Section 10.10. Assignment. The Borrower Loan, the Security Instrument, the Borrower Loan Documents and the Funding Loan Documents and all Funding Lender's rights, title, obligations and interests therein may be assigned by the Funding Lender, at any time in its sole discretion, whether by operation of law (pursuant to a merger or other successor in interest) or otherwise. Upon such assignment, all references to Funding Lender in this Borrower Loan Agreement and in any Borrower Loan Document shall be deemed to refer to such assignee or successor in interest and such assignee or successor in interest shall thereafter stand in the place of the Funding Lender. Borrower shall accord full recognition to any such assignment, and all rights and remedies of Funding Lender in connection with the interest so assigned shall be as fully enforceable by such assignee as they were by Funding Lender before such assignment. In connection with any proposed assignment, Funding Lender may disclose to the proposed assignee any information that Borrower has delivered, or caused to be delivered, to Funding Lender with reference to Borrower, General Partner, Guarantor or any Affiliate, or the Project, including information that Borrower is required to deliver to Funding Lender pursuant to this Borrower Loan Agreement, provided that such proposed assignee agrees to treat such information as confidential. The Borrower may not assign its rights, interests or obligations under this Borrower Loan Agreement or under any of the Borrower Loan Documents or Funding Loan Documents, or Borrower's interest in any moneys to be disbursed or advanced hereunder, except only as may be expressly permitted hereby.

Section 10.11. [Intentionally Omitted].

Section 10.12. Governmental Lender, Funding Lender and Servicer Not in Control; No Partnership. None of the covenants or other provisions contained in this Borrower Loan Agreement shall, or shall be deemed to, give the Governmental Lender, the Funding Lender or the Servicer the right or power to exercise control over the affairs or management of the Borrower, the power of the Governmental Lender, the Funding Lender and the Servicer being limited to the rights to exercise the remedies referred to in the Borrower Loan Documents and the Funding Loan Documents. The relationship between the Borrower and the Governmental Lender, the Funding Lender and the Servicer is, and at all times shall remain, solely that of debtor and creditor. No covenant or provision of the Borrower Loan Documents or the Funding Loan Documents is intended, nor shall it be deemed or construed, to create a partnership, joint venture, agency or common interest in profits or income between the Borrower and the Governmental Lender, the Funding Lender or the Servicer or to create an equity in the Project in the Governmental Lender, the Funding Lender or the Servicer. Neither the Governmental Lender, the Funding Lender nor the Servicer undertakes or assumes any responsibility or duty to the Borrower or to any other person with respect to the Project or the Borrower Loan, except

as expressly provided in the Borrower Loan Documents or the Funding Loan Documents; and notwithstanding any other provision of the Borrower Loan Documents and the Funding Loan Documents: (1) the Governmental Lender, the Funding Lender and the Servicer are not, and shall not be construed as, a partner, joint venturer, alter ego, manager, controlling person or other business associate or participant of any kind of the Borrower or its stockholders, members, or partners and the Governmental Lender, the Funding Lender and the Servicer do not intend to ever assume such status; (2) the Governmental Lender, the Funding Lender and the Servicer shall in no event be liable for any the Borrower Payment Obligations, expenses or losses incurred or sustained by the Borrower; and (3) the Governmental Lender, the Funding Lender and the Servicer shall not be deemed responsible for or a participant in any acts, omissions or decisions of the Borrower, the Borrower Controlling Entities or its stockholders, members, or partners. The Governmental Lender, the Funding Lender and the Servicer and the Borrower disclaim any intention to create any partnership, joint venture, agency or common interest in profits or income between the Governmental Lender, the Funding Lender, the Servicer and the Borrower, or to create an equity in the Project in the Funding Lender or the Servicer, or any sharing of liabilities, losses, costs or expenses.

Section 10.13. Release. The Borrower hereby acknowledges that it is executing this Borrower Loan Agreement and each of the Borrower Loan Documents and the Funding Loan Documents to which it is a party as its own voluntary act free from duress and undue influence.

Section 10.14. Term of Borrower Loan Agreement. This Borrower Loan Agreement shall be in full force and effect until all payment obligations of the Borrower hereunder have been paid in full and the Borrower Loan and the Funding Loan have been retired or the payment thereof has been provided for; except that on and after payment in full of the Borrower Note, this Borrower Loan Agreement shall be terminated, without further action by the parties hereto; provided, however, that the obligations of the Borrower under Sections 5.11 (Governmental Lender's Fees), 5.14 (Expenses), 5.15 (Indemnity), 9.1.3, 9.1.4, 9.1.5, 9.1.6 and 10.15 (Reimbursement of Expenses) hereof, as well as under Section 5.7 of the Construction Funding Agreement, shall survive the termination of this Borrower Loan Agreement.

Section 10.15. Reimbursement of Expenses. If, upon or after the occurrence of any Event of Default or Potential Default, the Governmental Lender, the Funding Lender or the Servicer shall employ attorneys or incur other expenses for the enforcement of performance or observance of any obligation or agreement on the part of the Borrower contained herein, the Borrower will on demand therefor reimburse the Governmental Lender, the Funding Lender and the Servicer for fees of such attorneys and such other expenses so incurred.

The Borrower's obligation to pay the amounts required to be paid under this Section 10.15 shall be subordinate to its obligations to make payments under the Borrower Note.

Section 10.16. Permitted Contests. Notwithstanding anything to the contrary contained in this Borrower Loan Agreement, Borrower shall have the right to contest or object in good faith to any claim, demand, levy or assessment (other than in respect of Debt or Contractual Obligations of Borrower under any Borrower Loan Document or Related Document) by appropriate legal proceedings that are not prejudicial to Funding Lender's rights, but this shall not be deemed or construed as in any way relieving, modifying or providing any extension of time with respect to Borrower's covenant to pay and comply with any such claim, demand, levy or assessment, unless Borrower shall have given prior Written Notice to the Governmental Lender and the Funding Lender of Borrower's intent to so contest or object thereto, and unless (i) Borrower has, in the Governmental Lender's and the Funding Lender's judgment, a

reasonable basis for such contest, (ii) Borrower pays when due any portion of the claim, demand, levy or assessment to which Borrower does not object, (iii) Borrower demonstrates to Funding Lender's satisfaction that such legal proceedings shall conclusively operate to prevent enforcement prior to final determination of such proceedings, (iv) Borrower furnishes such bond, surety, undertaking or other security in connection therewith as required by law, or as requested by and satisfactory to Funding Lender, to stay such proceeding, which bond, surety, undertaking or other security shall be issued by a bonding company, insurer or surety company reasonably satisfactory to Funding Lender and shall be sufficient to cause the claim, demand, levy or assessment to be insured against by the Title Company or removed as a lien against the Project, (v) Borrower at all times prosecutes the contest with due diligence, and (vi) Borrower pays, promptly following a determination of the amount of such claim, demand, levy or assessment due and owing by Borrower, the amount so determined to be due and owing by Borrower. In the event that Borrower does not make, promptly following a determination of the amount of such claim, demand, levy or assessment due and owing by Borrower, any payment required to be made pursuant to clause (vi) of the preceding sentence, an Event of Default shall have occurred, and Funding Lender may draw or realize upon any bond or other security delivered to Funding Lender in connection with the contest by Borrower, in order to make such payment.

Section 10.17. Funding Lender Approval of Instruments and Parties. All proceedings taken in accordance with transactions provided for herein, and all surveys, appraisals and documents required or contemplated by this Borrower Loan Agreement and the persons responsible for the execution and preparation thereof, shall be satisfactory to and subject to approval by Funding Lender. Funding Lender's approval of any matter in connection with the Project shall be for the sole purpose of protecting the security and rights of Funding Lender. No such approval shall result in a waiver of any default of Borrower. In no event shall Funding Lender's approval be a representation of any kind with regard to the matter being approved.

Section 10.18. Funding Lender Determination of Facts. Funding Lender shall at all times be free to establish independently, to its reasonable satisfaction, the existence or nonexistence of any fact or facts, the existence or nonexistence of which is a condition of this Borrower Loan Agreement.

Section 10.19. Calendar Months. With respect to any payment or obligation that is due or required to be performed within a specified number of Calendar Months after a specified date, such payment or obligation shall become due on the day in the last of such specified number of Calendar Months that corresponds numerically to the date so specified; provided, however, that with respect to any obligation as to which such specified date is the 29th, 30th or 31st day of any Calendar Month: if the Calendar Month in which such payment or obligation would otherwise become due does not have a numerically corresponding date, such obligation shall become due on the first day of the next succeeding Calendar Month.

Section 10.20. Determinations by Lender. Except to the extent expressly set forth in this Borrower Loan Agreement to the contrary, in any instance where the consent or approval of the Governmental Lender and the Funding Lender may be given or is required, or where any determination, judgment or decision is to be rendered by the Governmental Lender and the Funding Lender under this Borrower Loan Agreement, the granting, withholding or denial of such consent or approval and the rendering of such determination, judgment or decision shall be made or exercised by the Governmental Lender and the Funding Lender, as applicable (or

its designated representative) at its sole and exclusive option and in its sole and absolute discretion.

Section 10.21. Governing Law. This Borrower Loan Agreement shall be governed by and enforced in accordance with the laws of the State, without giving effect to the choice of law principles of the State that would require the application of the laws of a jurisdiction other than the State.

Section 10.22. Consent to Jurisdiction and Venue. Borrower agrees that any controversy arising under or in relation to this Borrower Loan Agreement shall be litigated exclusively in the State. The state and federal courts and authorities with jurisdiction in the State shall have exclusive jurisdiction over all controversies which shall arise under or in relation to this Borrower Loan Agreement. Borrower irrevocably consents to service, jurisdiction, and venue of such courts for any such litigation and waives any other venue to which it might be entitled by virtue of domicile, habitual residence or otherwise. However, nothing herein is intended to limit Beneficiary Parties' right to bring any suit, action or proceeding relating to matters arising under this Borrower Loan Agreement against Borrower or any of Borrower's assets in any court of any other jurisdiction.

Section 10.23. Successors and Assigns. This Borrower Loan Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective heirs, legal representatives, successors, successors-in-interest and assigns, as appropriate. The terms used to designate any of the parties herein shall be deemed to include the heirs, legal representatives, successors, successors-in-interest and assigns, as appropriate, of such parties. References to a "person" or "persons" shall be deemed to include individuals and entities.

Section 10.24. Severability. The invalidity, illegality or unenforceability of any provision of this Borrower Loan Agreement shall not affect the validity, legality or enforceability of any other provision, and all other provisions shall remain in full force and effect.

Section 10.25. Entire Agreement; Amendment and Waiver. This Borrower Loan Agreement contains the complete and entire understanding of the parties with respect to the matters covered. This Borrower Loan Agreement may not be amended, modified or changed, nor shall any waiver of any provision hereof be effective, except by a written instrument signed by the party against whom enforcement of the waiver, amendment, change, or modification is sought, and then only to the extent set forth in that instrument. No specific waiver of any of the terms of this Borrower Loan Agreement shall be considered as a general waiver. Without limiting the generality of the foregoing, no Disbursement shall constitute a waiver of any conditions to the Governmental Lender's or the Funding Lender's obligation to make further Disbursements nor, in the event Borrower is unable to satisfy any such conditions, shall any such waiver have the effect of precluding the Governmental Lender or the Funding Lender from thereafter declaring such inability to constitute a Potential Default or Event of Default under this Borrower Loan Agreement.

Section 10.26. Counterparts. This Borrower Loan Agreement may be executed in multiple counterparts, each of which shall constitute an original document and all of which together shall constitute one agreement.

Section 10.27. Captions. The captions of the sections of this Borrower Loan Agreement are for convenience only and shall be disregarded in construing this Borrower Loan Agreement.

Section 10.28. Servicer. Borrower hereby acknowledges and agrees that, pursuant to the terms of Section 39 of the Security Instrument: (a) from time to time, the Governmental Lender or the Funding Lender may appoint a servicer to collect payments, escrows and deposits, to give and to receive notices under the Borrower Note, this Borrower Loan Agreement or the other Borrower Loan Documents, and to otherwise service the Borrower Loan and (b) unless Borrower receives Written Notice from the Governmental Lender or the Funding Lender to the contrary, any action or right which shall or may be taken or exercised by the Governmental Lender or the Funding Lender may be taken or exercised by such servicer with the same force and effect.

Section 10.29. Beneficiary Parties as Third Party Beneficiary. Each of the Beneficiary Parties shall be a third party beneficiary of this Borrower Loan Agreement for all purposes.

Section 10.30. Waiver of Trial by Jury. TO THE MAXIMUM EXTENT PERMITTED UNDER APPLICABLE LAW, EACH OF BORROWER AND THE BENEFICIARY PARTIES (A) COVENANTS AND AGREES NOT TO ELECT A TRIAL BY JURY WITH RESPECT TO ANY ISSUE ARISING OUT OF THIS BORROWER LOAN AGREEMENT OR THE RELATIONSHIP BETWEEN THE PARTIES THAT IS TRIABLE OF RIGHT BY A JURY AND (B) WAIVES ANY RIGHT TO TRIAL BY JURY WITH RESPECT TO SUCH ISSUE TO THE EXTENT THAT ANY SUCH RIGHT EXISTS NOW OR IN THE FUTURE. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS SEPARATELY GIVEN BY EACH PARTY, KNOWINGLY AND VOLUNTARILY WITH THE BENEFIT OF COMPETENT LEGAL COUNSEL.

Section 10.31. Time of the Essence. Time is of the essence with respect to this Borrower Loan Agreement.

Section 10.32. Modifications. Modifications (if any) to this Borrower Loan Agreement ("**Modifications**") are set forth on Exhibit __ attached to this Borrower Loan Agreement. In the event of a Transfer under the terms of the Security Instrument, some or all of the Modifications to this Borrower Loan Agreement may be modified or rendered void by the Governmental Lender or the Funding Lender at its option by notice to Borrower or such transferee.

Section 10.33. Reference Date. This Borrower Loan Agreement is dated for reference purposes only as of the first day of October, 2014, and will not be effective and binding on the parties hereto unless and until the Closing Date (as defined herein) occurs.

ARTICLE XI
LIMITATIONS ON LIABILITY

Section 11.1. Limitation on Liability. Notwithstanding anything to the contrary herein, the liability of the Borrower hereunder and under the other Borrower Loan Documents and the Funding Loan Documents shall be limited to the extent set forth in the Borrower Note.

Section 11.2. Limitation on Liability of Governmental Lender. The Funding Loan, and interest thereon, are special, limited obligations of the Governmental Lender, payable solely from the Security pledged under the Funding Loan Agreement. The Funding Loan is not a general indebtedness of the Governmental Lender or a charge against its general credit or the general credit taxing powers of the State, the Governmental Lender, or any other political subdivision thereof, and shall never give rise to any pecuniary liability of the Governmental Lender, and neither the Governmental Lender, the State nor any other political subdivision

thereof shall be liable for the payments of principal and interest on the Funding Loan, and the Funding Loan is payable from no other source, but are special, limited obligations of the Governmental Lender, payable solely out of the security pledged hereunder and receipts of the Governmental Lender derived pursuant to this Funding Loan Agreement (and not against any money due or to become due to the Governmental Lender pursuant to Unassigned Rights). No holder of the Funding Loan or any interest therein has the right to compel any exercise of the taxing power of the State, the Governmental Lender or any other political subdivision thereof to pay the Funding Loan or the interest thereon.

No recourse shall be had for the payment of the principal of, premium, if any, or the interest on the Funding Loan or for any claim based thereon or any obligation, covenant or agreement in this Funding Loan Agreement against any official of the Governmental Lender, or any official, officer, agent, employee or independent contractor of the Governmental Lender or any person executing this Borrower Loan Agreement. No covenant, stipulation, promise, agreement or obligation contained in this Borrower Loan Agreement or any other document executed in connection herewith shall be deemed to be the covenant, stipulation, promise, agreement or obligation of any present or future official, officer, agent or employee of the Governmental Lender in his or her individual capacity and neither any official of the Governmental Lender nor any officers executing this Borrower Loan Agreement shall be liable personally or be subject to any personal liability or accountability by reason of this Borrower Loan Agreement.

Section 11.3. Waiver of Personal Liability. No member, officer, agent or employee of the Governmental Lender or any director, officer, agent or employee of the Governmental Lender shall be individually or personally liable for the payment of any principal (or prepayment price) of or interest on the Governmental Lender Note or any other sum hereunder or be subject to any personal liability or accountability by reason of the execution and delivery of this Borrower Loan Agreement; but nothing herein contained shall relieve any such member, director, officer, agent or employee from the performance of any official duty provided by law or by this Borrower Loan Agreement.

Section 11.4. Limitation on Liability of Funding Lender's Officers, Employees, Etc.

(a) Borrower assumes all risks of the acts or omissions of the Governmental Lender and the Funding Lender (except to the extent that such acts or omissions constitute gross negligence or willful misconduct), provided, however, this assumption is not intended to, and shall not, preclude Borrower from pursuing such rights and remedies as it may have against the Governmental Lender and the Funding Lender at law or under any other agreement. None of Governmental Lender and the Funding Lender, nor the other Beneficiary Parties or their respective officers, directors, employees or agents shall be liable or responsible for (i) for any acts or omissions of the Governmental Lender and the Funding Lender; or (ii) the validity, sufficiency or genuineness of any documents, or endorsements, even if such documents should in fact prove to be in any or all respects invalid, insufficient, fraudulent or forged. In furtherance and not in limitation of the foregoing, the Governmental Lender and the Funding Lender may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, unless acceptance in light of such notice or information constitutes gross negligence or willful misconduct on the part of the Governmental Lender and the Funding Lender.

(b) None of the Governmental Lender, the Funding Lender, the other Beneficiary Parties or any of their respective officers, directors, employees or agents shall be liable to any contractor, subcontractor, supplier, laborer, architect, engineer or any other party for services performed or materials supplied in connection with the Project. The Governmental Lender and the Funding Lender shall not be liable for any debts or claims accruing in favor of any such parties against Borrower or others or against the Project. Borrower is not and shall not be an agent of the Governmental Lender and the Funding Lender for any purpose. Neither the Governmental Lender nor the Funding Lender is a joint venture partner with Borrower in any manner whatsoever. Prior to default by Borrower under this Borrower Loan Agreement and the exercise of remedies granted herein, the Governmental Lender and the Funding Lender shall not be deemed to be in privity of contract with any contractor or provider of services to the Project, nor shall any payment of funds directly to a contractor, subcontractor or provider of services be deemed to create any third party beneficiary status or recognition of same by the Governmental Lender and the Funding Lender. Approvals granted by the Governmental Lender and the Funding Lender for any matters covered under this Borrower Loan Agreement shall be narrowly construed to cover only the parties and facts identified in any written approval or, if not in writing, such approvals shall be solely for the benefit of Borrower.

(c) Any obligation or liability whatsoever of the Governmental Lender and the Funding Lender that may arise at any time under this Borrower Loan Agreement or any other Borrower Loan Document shall be satisfied, if at all, out of the Funding Lender's assets only. No such obligation or liability shall be personally binding upon, nor shall resort for the enforcement thereof be had to, the Project or any of the Governmental Lender's or the Funding Lender's shareholders (if any), directors, officers, employees or agents, regardless of whether such obligation or liability is in the nature of contract, tort or otherwise.

Section 11.5. Delivery of Reports, Etc. The delivery of reports, information and documents to the Governmental Lender and the Funding Lender as provided herein is for informational purposes only and the Governmental Lender's and the Funding Lender's receipt of such shall not constitute constructive knowledge of any information contained therein or determinable from information contained therein. The Governmental Lender and the Funding Lender shall have no duties or responsibilities except those that are specifically set forth herein, and no other duties or obligations shall be implied in this Borrower Loan Agreement against the Governmental Lender and the Funding Lender.

LAND USE RESTRICTION AGREEMENT

THIS LAND USE RESTRICTION AGREEMENT (this "**Agreement**"), entered into as of _____ 1, 2014, between the **CITY OF CHICAGO**, a municipal corporation and home rule unit of local government duly organized and validly existing under the Constitution and laws of the State of Illinois (the "**Issuer**"), and **CASA QUERETARO LP**, an Illinois limited partnership (the "**Owner**"),

WITNESSETH:

WHEREAS, pursuant to a Funding Loan Agreement, dated as of _____ 1, 2014 (the "**Funding Loan Agreement**") between the Issuer and Citibank, N.A. (the "**Funding Lender**") and an ordinance adopted by the Issuer on _____ ____, 2014 (the "**Ordinance**"), the Funding Lender will advance funds (the "**Funding Loan**") in an aggregate principal amount not to exceed Eight Million Five Hundred Thousand and 00/100 Dollars ($8,500,000) and the Issuer will issue, sell and deliver its $8,500,000 Multifamily Mortgage Revenue Note, Series 2014 (Casa Queretaro Apartments) (the "**Note**") evidencing the obligation to repay the Funding Loan; and

WHEREAS, the proceeds derived from the issuance and sale of the Note have been lent by the Issuer to the Owner pursuant to the a loan agreement of even date herewith (the "**Borrower Loan Agreement**"), between the Issuer and the Owner for the purpose of financing a portion of the costs of construction and equipping of low- and moderate-income residential facilities consisting of a new, four-story, residential building and related common facilities and containing approximately 45 dwelling units, which will include 30 units available to households with incomes up to 60% of area median income and 15 units dedicated for use as public housing, pursuant to the United States Housing Act of 1937 (42 USC §1437, et seq.), as amended from time to time, any successor legislation and all implementing regulations issued thereunder or in furtherance thereof (together with all rights and interests of the Owner in common areas in such buildings and on the related site, the "**Units**"), located on the site described in **Exhibit A** hereto (the "**Site**" and, together with the Units, the "**Project**"); and

WHEREAS, the Units will be leased entirely to low- and moderate-income tenants; and

WHEREAS, the Site is currently owned by the City and will be conveyed to The Resurrection Project, an Illinois not-for-profit corporation (the "**Developer**") and thereafter re-conveyed by the Developer to Owner; and

WHEREAS, the Owner will construct the Units on the Site and will own the Units; and

WHEREAS, in order to assure the Issuer and the Funding Lender that interest on the Note will be excluded from gross income for federal income tax purposes under the Internal Revenue Code of 1986, as amended (the "**Code**"), and to further the public purposes of the Issuer, certain restrictions on the use and occupancy of the Project under the Code must be established;

NOW, THEREFORE, in consideration of the mutual promises and covenants hereinafter set forth, and of other good and valuable consideration, the receipt, sufficiency and adequacy of which are hereby acknowledged, the Owner and the Issuer agree as follows:

Section 1. Term of Restrictions.

(a) ***Occupancy Restrictions***. The term of the Occupancy Restrictions set forth in Section 3 hereof shall commence on the first day on which at least 10% of the Units are first occupied following completion of such Units and shall end on the latest of (i) the date which is 15 years after the date on which at least 50% of the Units in the Project are first occupied; (ii) the first date on which no tax-exempt note or bond (including any refunding note or bond) issued with respect to the Project is outstanding (treating, for such purpose, the Project as being financed in part by the Note); or (iii) the date on which any housing assistance provided with respect to the Project under Section 8 of the United States Housing Act of 1937, as amended, terminates (which period is hereinafter referred with respect to the Project as the "**Qualified Project Period**").

(b) ***Rental Restrictions***. The Rental Restrictions with respect to the Project set forth in Section 4 hereof shall remain in effect during the Qualified Project Period.

(c) ***Involuntary Loss or Substantial Destruction***. The Occupancy Restrictions set forth in Section 3 hereof, and the Rental Restrictions set forth in Section 4 hereof, shall cease to apply to the Project in the event of involuntary noncompliance caused by fire, seizure, requisition, foreclosure, transfer of title by deed in lieu of foreclosure, change in federal law or an action of a federal agency (with respect to the Project) after the date of delivery of the Note, which prevents the Issuer from enforcing the Occupancy Restrictions and the Rental Restrictions (with respect to the Project), or condemnation or similar event (with respect to the Project), but only if, within a reasonable time, (i) the Note is promptly retired, or amounts received as a consequence of such event are used to provide a new project which meets all of the requirements of this Agreement, which new project is subject to new restrictions substantially equivalent to those contained in this Agreement, and which is substituted in place of the Project by amendment of this Agreement; and (ii) an opinion from nationally recognized bond counsel (selected by the Issuer) is received to the effect that noncompliance with the Occupancy Restrictions and the Rental Restrictions applicable to the Project as a result of such involuntary loss or substantial destruction resulting from an unforeseen event with respect to the Project will not adversely affect the exclusion of the interest on the Note from the gross incomes of the owners thereof for purposes of federal income taxation; provided, however, that the preceding provisions of this paragraph shall cease to apply in the case of such involuntary noncompliance caused by foreclosure, transfer of title by deed in lieu of foreclosure or similar event if at any time during the Qualified Project Period with respect to the Project subsequent to such event the Owner or any Affiliated Party (as hereinafter defined) obtains an ownership interest in the Project for federal income tax purposes. "**Affiliated Party**" means a person whose relationship to another person is such that (i) the relationship between such persons would result in a disallowance of losses under Section 267 or 707(b) of the Code; or (ii) such persons are members of the same controlled group of corporations (as defined in Section 1563(a) of the Code, except that "more than 50%" shall be substituted for "at least 80%" each place it appears therein).

(d) ***Termination***. This Agreement shall terminate with respect to the Project upon the earliest of (i) termination of the Occupancy Restrictions and the Rental Restrictions with respect to the Project, as provided in paragraphs (a) and (b) of this Section 1; or (ii) delivery to the Issuer and the Owner of an opinion of nationally recognized bond counsel (selected by the Issuer) to the effect that continued compliance of the Project with the Rental Restrictions and the Occupancy Restrictions applicable to the Project is not required in order for interest on the Note to remain excludible from gross income for federal income tax purposes.

(e) ***Certification***. Upon termination of this Agreement, the Owner and the Issuer shall execute and cause to be recorded (at the Owner's expense), in all offices in which this Agreement was recorded, a certificate of termination, specifying which of the restrictions contained herein has terminated.

(f) ***Encumbrance of Fee***. In furtherance of enforcing compliance with the provisions of Section 142(d) of the Code and Section 1.103-8(b) of the Regulations applicable to this Agreement, unless the provisions of paragraph (c) or (d) above apply to the Project resulting in a termination of the restrictions set forth herein, such restrictions shall continue to apply to the Project following the termination of the Owner's or any other party's leasehold estate therein, whether or not the Project is thereafter released by the Issuer.

Section 2. Project Restrictions. The Owner represents, warrants and covenants that:

(a) The Owner has reviewed the provisions of the Code and the Treasury Regulations thereunder (the "**Regulations**") applicable to this Agreement (including, without limitation, Section 142(d) of the Code and Section 1.103-8(b) of the Regulations) with its counsel and understands said provisions.

(b) The Project is being acquired, constructed and equipped for the purpose of providing a "qualified residential rental project" (as such phrase is used in Section 142(d) of the Code) and will, during the term of the Rental Restrictions and Occupancy Restrictions hereunder applicable to the Project, continue to constitute a "qualified residential rental project" under Section 142(d) of the Code and any Regulations heretofore or hereafter promulgated thereunder and applicable thereto.

(c) Substantially all (not less than 95%) of the Project will consist of a "building or structure" (as defined in Section 1.103-8(b)(8)(iv) of the Regulations), or several proximate buildings or structures, of similar construction, each containing one or more similarly constructed residential units (as defined in Section 1.103-8(b)(8)(i) of the Regulations) located on a single tract of land or contiguous tracts of land (as defined in Section 1.103-8(b)(4)(ii)-(B) of the Regulations), which will be owned, for federal tax purposes, at all times by the same person, and financed pursuant to a common plan (within the meaning of Section 1.103-8(b)(4)(ii) of the Regulations), together with functionally related and subordinate facilities (within the meaning of Section 1.103-8(b)(4)(iii) of the Regulations). If any such building or structure contains fewer than five (5) units, no unit in such building or structure shall be Owner-occupied.

(d) None of the Units in the Project will at any time be used on a transient basis, nor will the Project itself be used as a hotel, motel, dormitory, fraternity or sorority house, rooming house, hospital, nursing home, sanitarium, rest home or trailer park or court for use on a transient basis; nor shall any portion. of the Project be operated as an assisted living facility which provides continual or frequent nursing, medical or psychiatric services; provided, however that nothing herein shall be understood to prohibit single room occupancy units occupied under month to month leases.

(e) All of the Units in the Project will be leased or rented, or available for lease or rental, on a continuous basis to members of the general public (other than (i) Units for resident managers or maintenance personnel, (ii) Units for Qualifying Tenants as provided for in Section 3 hereof, and (iii) Units which may be rented under the Section 8 assistance program,

which units (subject to the Section 8 assistance program) shall be leased to eligible tenants in accordance with Section requirements), subject, however, to the requirements of Section 3(a) hereof. Each Qualifying Tenant (as hereinafter defined) occupying a Unit in the Project shall be required to execute a written lease with a stated term of not less than 30 days nor more than one year.

(f) Any functionally related and subordinate facilities (*e.g.*, parking areas, swimming pools, tennis courts, etc.) which are included as part of the Project will be of a character and size commensurate with the character and size of the Project, and will be made available to all tenants in the Project on an equal basis; fees will only be charged with respect to the use thereof if the charging of fees is customary for the use of such facilities at similar residential rental properties in the surrounding area (*i.e.*, within a one-mile radius), or, if none, then within comparable urban settings in the City of Chicago, and then only in amounts commensurate with the fees being charged at similar residential rental properties within such area. In any event, any fees charged will not be discriminatory or exclusionary as to the Qualifying Tenants (as defined in Section 3 hereof). No functionally related and subordinate facilities will be made available to persons other than tenants or their guests.

(g) Each residential unit in the Project will contain separate and complete facilities for living, sleeping, eating, cooking and sanitation for a single person or family.

(h) No portion of the Project will be used to provide any health club facility (except as provided in (f) above), any facility primarily used for gambling, or any store, the principal business of which is the sale of alcoholic beverages for consumption off premises, in violation of Section 147(e) of the Code.

Section 3. Occupancy Restrictions. The Owner represents, warrants and covenants with respect to the Project that:

(a) Pursuant to the election of the Issuer in accordance with the provisions of Section 142(d)(1)(A) of the Code, at all times during the Qualified Project Period with respect to the Project at least **40%** of the completed Units in the Project shall be continuously occupied (or treated as occupied as provided herein) or held available for occupancy by Qualifying Tenants as herein defined. For purposes of this Agreement, "**Qualifying Tenants**" means individuals or families whose aggregate adjusted incomes do not exceed **60%** of the applicable median gross income (adjusted for family size) for the area in which the Project is located, as such income and area median gross income are determined by the Secretary of the United States Treasury in a manner consistent with determinations of income and area median gross income under Section 8 of the United States Housing Act of 1937, as amended (or, if such program is terminated, under such program as in effect immediately before such determination).

(b) Prior to the commencement of occupancy of any unit to be occupied by a Qualifying Tenant, the prospective tenant's eligibility shall be established by execution and delivery by such prospective tenant of an Income Computation and Certification in the form attached hereto as **Exhibit B** (the "**Income Certification**") evidencing that the aggregate adjusted income of such prospective tenant does not exceed the applicable income limit. In addition, such prospective tenant shall be required to provide whatever other information, documents or certifications are reasonably deemed necessary by the Owner or the Issuer to substantiate the Income Certification.

(c) Not less frequently than annually, the Owner shall determine whether the current aggregate adjusted income of each tenant occupying any unit being treated by the Owner as occupied by a Qualifying Tenant exceeds the applicable income limit. For such purpose the Owner shall require each such tenant to execute and deliver the Income Certification; *provided, however*, that for any calendar year during which no unit in the Project is occupied by a new resident who is not a qualifying tenant, no Income Computation and Certification for existing tenants shall be required.

(d) Any unit vacated by a Qualifying Tenant shall be treated as continuing to be occupied by such tenant until reoccupied, other than for a temporary period not to exceed 31 days, at which time the character of such unit as a unit occupied by a Qualifying Tenant shall be redetermined.

(e) If an individual's or family's income exceeds the applicable income limit as of any date of determination, the income of such individual or family shall be treated as continuing not to exceed the applicable limit, provided that the income of an individual or family did not exceed the applicable income limit upon commencement of such tenant's occupancy or as of any prior income determination, and provided, further, that if any individual's or family's income as of the most recent income determination exceeds 140% of the applicable income limit, such individual or family shall cease to qualify as a Qualifying Tenant if, prior to the next income determination of such individual or family, any unit in the Project of comparable or smaller size to such individual's or family's unit is occupied by any tenant other than a Qualifying Tenant.

(f) The lease to be utilized by the Owner in renting any Unit in the Project to a prospective Qualifying Tenant shall provide for termination of the lease and consent by such person to eviction following 30 days' written notice, subject to applicable provisions of Illinois law (including for such purpose all applicable home rule ordinances), for any material misrepresentation made by such person with respect to the Income Certification with the effect that such tenant is not a Qualified Tenant.

(g) All Income Certifications will be maintained on file at the Project as long as any Notes are outstanding and for five years thereafter with respect to each Qualifying Tenant who occupied a Unit in the Project during the period the restrictions hereunder are applicable, and the Owner will, promptly upon receipt, file a copy thereof with the Issuer.

(h) On the first day of the Qualified Project Period with respect to the Project, on the fifteenth days of January, April, July and October of each year during the Qualified Project Period with respect to the Project, and within 30 days after the final day of each month in which there occurs any change in the occupancy of a Unit in the Project, the Owner will submit to the Issuer a "Certificate of Continuing Program Compliance," in the form attached hereto as **Exhibit C** executed by the Owner with respect to the Project.

(i) The Owner shall submit to the Secretary of the United States Treasury (at such time and in such manner as the Secretary shall prescribe) with respect to the Project an annual certification on Form 8703 as to whether the Project continues to meet the requirements of Section 142(d) of the Code. Failure to comply with such requirement may subject the Owner to the penalty provided in Section 6652(j) of the Code.

Section 4. Rental Restrictions. The Owner represents, warrants and covenants with respect to the Project that once available for occupancy, each Unit in the Project will be

rented or available for rental on a continuous basis to members of the general public (other than (a) Units for resident managers or maintenance personnel, (b) Units for Qualifying Tenants as provided for in Section 3 hereof, and (c) Units which may be rented under the Section 8 assistance program, which Units (subject to the Section 8 assistance program) shall be leased to eligible tenants in accordance with Section 8 requirements). If a Housing Assistance Payments Contract is subsequently entered into with respect to the Project under the Section 8 assistance program, in administering the restrictions hereunder with respect to the Project the Owner will comply with all Section 8 requirements.

Section 5. Transfer Restrictions. The Owner covenants and agrees that no conveyance, transfer, assignment or any other disposition of title to any portion of the Project (a "**Transfer**") shall be made prior to the termination of the Rental Restrictions and Occupancy Restrictions hereunder with respect to the Project, unless the transferee pursuant to the Transfer assumes in writing (the "Assumption Agreement"), in a form reasonably acceptable to the Issuer, all of the executory duties and obligations hereunder of the Owner with respect to such portion of the Project, including those contained in this Section 5, and agrees to cause any subsequent transferee to assume such duties and obligations in the event of a subsequent Transfer by the transferee prior to the termination of the Rental Restrictions and Occupancy Restrictions hereunder with respect to the Project. The Owner shall deliver the Assumption Agreement to the Issuer at least 30 days prior to a proposed Transfer. This Section 5 shall not apply to any involuntary transfer pursuant to Section 1(c) hereof. This Section shall not be deemed to restrict the transfer of any partnership interest in the Owner or a transfer by foreclosure or deed in lieu of foreclosure.

Section 6. Enforcement.

(a) The Owner shall permit all duly authorized representatives of the Issuer to inspect any books and records of the Owner regarding the Project and the incomes of Qualifying Tenants which pertain to compliance with the provisions of this Agreement and Section 142(d) of the Code and the regulations heretofore or hereafter promulgated thereunder.

(b) In addition to the information provided for in Section 3(i) hereof, the Owner shall submit any other information, documents or certifications reasonably requested by the Issuer, which the Issuer deems reasonably necessary to substantiate continuing compliance with the provisions of this Agreement and Section 142(d) of the Code and the regulations heretofore or hereafter promulgated thereunder.

(c) The Issuer and the Owner each covenants that it will not take or permit to be taken any action within its control that it knows would adversely affect the exclusion of interest on the Note from the gross income of the owners thereof for purposes of federal income taxation pursuant to Section 103 of the Code. Moreover, each covenants to take any lawful action within its control (including amendment of this Agreement as may be necessary in the opinion of nationally recognized bond counsel selected by the Issuer) to comply fully with all applicable rules, rulings, policies, procedures, regulations or other official statements promulgated or proposed by the Department of the Treasury or the Internal Revenue Service from time to time pertaining to obligations issued under Section 142(d) of the Code and affecting the Project.

(d) The Owner covenants and agrees to inform the Issuer by written notice of any violation of its obligations hereunder within five days of first discovering any such violation. If

any such violation is not corrected to the satisfaction of the Issuer within the period of time specified by either the Issuer, which shall be (i) the lesser of (A) 60 days after the effective date of any notice to or from the Owner, or (B) 75 days from the date such violation would have been discovered by the Owner by the exercise of reasonable diligence, or (ii) such longer period as may be necessary to cure such violation, provided bond counsel (selected by the Issuer) of nationally recognized standing in matters pertaining to the exclusion of interest on municipal bonds from gross income for purposes of federal income taxation issues an opinion that such extension will not result in the loss of such exclusion of interest on the Note, without further notice, the Issuer shall declare a default under this Agreement effective on the date of such declaration of default, and the Issuer shall apply to any, court, state or federal, for specific performance of this Agreement or an injunction against any violation of this Agreement, or any other remedies at law or in equity or any such other actions as shall be necessary or desirable so as to correct noncompliance with this Agreement.

(e) The Owner and the Issuer each acknowledges that the primary purposes for requiring compliance with the restrictions provided in this Agreement are to preserve the exclusion of interest on the Note from gross income for purposes of federal income taxation, and that the Issuer, on behalf of the owners of the Note, who are declared to be third-party beneficiaries of this Agreement, shall be entitled for any breach of the provisions hereof, to all remedies both at law and in equity in the event of any default hereunder.

(f) In the enforcement of this Agreement, the Issuer may rely on any certificate delivered by or on behalf of the Owner or any tenant with respect to the Project.

(g) Nothing in this Section shall preclude the Issuer from exercising any remedies it might otherwise have, by contract, statute or otherwise, upon the occurrence of any violation hereunder.

(h) Notwithstanding anything to the contrary contained herein, the Issuer hereby agrees that any cure of any default made or tendered by one or more of the Owner's partners shall be deemed to be a cure by the Owner and shall be accepted or rejected on the same basis as if made or tendered by the Owner.

Section 7. Covenants to Run with the Land. The Owner hereby subjects the Project, the Site and the Units to the covenants, reservations and restrictions set forth in this Agreement. The Issuer and the Owner hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall be deemed covenants, reservations and restrictions running with the land to the extent permitted by law, and shall pass to and be binding upon the Owner's successors in title to the Project, the Units, and the Site, throughout the term of this Agreement. Each and every contract, deed, mortgage, lease or other instrument hereafter executed covering or conveying the Project, the Units or the Site, or any portion thereof or interest therein (excluding any transferee of a partnership interest in the Owner), shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed, mortgage, lease or other instrument.

Section 8. Recording. The Owner shall cause this Agreement and all amendments and supplements hereto to be recorded in the conveyance and real property records of Cook County, Illinois, and in such other places as the Issuer may reasonably request. The Owner shall pay all fees and charges incurred in connection with any such recording.

Section 9. **Agents of the Issuer**. The Issuer shall have the right to appoint agents to carry out any of its duties and obligations hereunder, and shall, upon written request, certify in writing to the other party hereto any such agency appointment.

Section 10. **No Conflict with Other Documents**. The Owner warrants and covenants that it has not and will not execute any other agreement with provisions inconsistent or in conflict with the provisions hereof (except documents that are subordinate to the provisions hereof), and the Owner agrees that the requirements of this Agreement are paramount and controlling as to the rights and obligations herein set forth, which supersede any other requirements in conflict herewith.

Section 11. **Interpretation**. Any capitalized terms not defined in this Agreement shall have the same meaning as terms defined in the Funding Loan Agreement, the Borrower Loan Agreement or Section 142(d) of the Code and the regulations heretofore or hereafter promulgated thereunder.

Section 12. **Amendment**. Subject to any restrictions set forth in the Funding Loan Agreement, this Agreement may be amended by the parties hereto to reflect changes in Section 142(d) of the Code, the regulations hereafter promulgated thereunder and revenue rulings promulgated thereunder, or in the interpretation thereof.

Section 13. **Severability**. The invalidity of any clause, part or provision of this Agreement shall not affect the validity of the remaining portions thereof.

Section 14. **Notices**. Any notice, demand or other communication required or permitted hereunder shall be in writing and shall be deemed to have been given if and when personally delivered and receipted for, or, if sent by private courier service or sent by overnight mail service, shall be deemed to have been given if and when received (unless the addressee refuses to accept delivery, in which case it shall be deemed to have been given when first presented to the addressee for acceptance), or on the first day after being sent by telegram, or on the third day after being deposited in United States registered or certified mail, postage prepaid. Any such notice, demand or other communication shall be given as provided for in Section 11.1 of the Funding Loan Agreement.

Section 15. **Governing Law**. This Agreement shall be construed in accordance with and governed by the laws of the State of Illinois, and where applicable, the laws of the United States of America.

Section 16. **Limited Liability of Owner**. Notwithstanding any other provision or obligation stated in or implied by this Agreement to the contrary, any and all undertakings and agreements of the Owner contained herein shall not (other than as expressly provided hereinafter in this paragraph) be deemed, interpreted or construed as the personal undertaking or agreement of, or as creating any personal liability upon, any past, present or future partner of the Owner, and no recourse (other than as expressly provided hereinafter in this paragraph) shall be had against the property of the Owner or any past, present or future partner of the Owner, personally or individually for the performance of any undertaking, agreement or obligation, or the payment of any money, under this Agreement or any document executed or delivered by or on behalf of the Owner pursuant hereto or in connection herewith, or for any claim based thereon. It is expressly understood and agreed that the Issuer and the registered owners of the Notes, and their respective successors and assigns, shall have the right to sue for

specific performance of this Agreement and to otherwise seek equitable relief for the enforcement of the obligations and undertakings of the Owner hereunder, including, without limitation, obtaining an injunction against any violation of this Agreement or the appointment of a receiver to take over and operate all or any portion of the Project in accordance with the terms of this Agreement. This Section shall survive termination of this Agreement.

This Casa Queretaro Rental Project Redevelopment Agreement (the "**Agreement**") is made as of this ___ day of _____, 20___, by and among the City of Chicago, an Illinois municipal corporation (the "**City**"), through its Department of Planning and Development ("**DPD**"), and Casa Queretaro LP, an Illinois limited partnership ("**Partnership**") and The Resurrection Project, an Illinois not-for-profit corporation ("**TRP**", and together with Partnership, the "**Developer Parties**").

RECITALS:

A. **Constitutional Authority:** As a home rule unit of government under Section 6(a), Section VII of the 1970 Constitution of the State of Illinois (the "**State**"), the City has the power to regulate for the protection of the public health, safety, morals, and welfare of its inhabitants and, pursuant thereto, has the power to encourage private development in order to enhance the local tax base and create employment opportunities, and to enter into contractual agreements with private parties in order to achieve these goals.

B. **Statutory Authority:** The City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 et seq., as amended from time-to-time (the "**Act**"), to finance projects that eradicate blighted conditions and conservation area factors through the use of tax increment allocation financing for redevelopment projects.

C. **City Council Authority:** To induce redevelopment under the provisions of the Act, the City Council of the City (the "**City Council**") adopted the following ordinances on February 5, 1998: (1) "An Ordinance of the City of Chicago, Illinois Approving a Redevelopment Plan for the Western/Ogden Redevelopment Project Area"; (2) "An Ordinance of the City of Chicago, Illinois Designating the Western/Ogden Redevelopment Project Area as a Redevelopment Project Area Pursuant to Tax Increment Allocation Redevelopment Act"; and (3) "An Ordinance of the City of Chicago, Illinois Adopting Tax Increment Allocation Financing for

the Western/Ogden Redevelopment Project Area" (the "**TIF Adoption Ordinance**"). Collectively the three ordinances are defined as the "**TIF Ordinances**". The Redevelopment Area (as defined below) is legally described on Exhibit A.

D. The Project: TRP has acquired from the City (the "**Acquisition**") certain property comprised of approximately one acre generally located at 1614 South Damen Avenue at the Northwest corner of South Damen and West 17th Street located wholly within the Redevelopment Area as legally described on Exhibit B hereto (the "**Property**"). TRP will contribute or otherwise convey the Property to Partnership, and, in accordance with this Agreement and within the time frames set forth in Section 3.01 hereof, the Developer Parties shall commence and complete the following activities (collectively, the "Project"): construct one new 45-unit multi-family rental building for low-income families, including 15 units to be dedicated for use as public housing (the "**CHA Units**"), and an adjacent 35-vehicle surface parking lot (the "**Facility**") on the Property, which will consist of one-, two- and three-bedroom rental units and related common areas. The Facility shall have energy efficient features such as double glazed windows; high efficiency individual furnaces and central air conditioning in each unit; Energy Star-refrigerators; high efficiency lighting in units and common areas; low VOC paints and adhesives; floor materials will include 75% recycled content material. The following standard features will be included in each unit: kitchens with a large stainless steel sink, and a gas stove with a fully vented exhaust hood; at least one bathroom that is fully adaptable to ADA requirements, with full size tubs and linen closets; cable; and an intercom entry system. The Facility and related improvements (including but not limited to those TIF-Funded Improvements as defined below and set forth on Exhibit C) are collectively referred to herein as the "**Project**." The completion of the Project would not reasonably be anticipated without the financing contemplated in this Agreement.

E. Redevelopment Plan: The Project will be carried out in accordance with this Agreement and the City of Chicago Western/Ogden Tax Increment Finance Program Redevelopment Plan and Project, as amended from time-to-time (the "**Redevelopment Plan**").

F. City Financing and Assistance: The City agrees to use, in the amounts set forth in Section 4.03 hereof, Incremental Taxes to pay or reimburse the Developer Parties for the costs of TIF-Funded Improvements pursuant to the terms and conditions of this Agreement. In addition, the City may, in its discretion, issue tax increment allocation bonds ("**TIF Bonds**") secured by Incremental Taxes (as defined below) pursuant to a TIF bond ordinance (the "**TIF Bond Ordinance**"), at a later date as described and conditioned in Section 4.07 hereof. The proceeds of the TIF Bonds (the "**TIF Bond Proceeds**") may be used to pay for the costs of the TIF-Funded Improvements not previously paid for from Available Incremental Taxes.

G. Environmental Matters: In 2008, GSG Consultants, Inc. ("**GSG**") conducted a Comprehensive Site Investigation of the Property for TRP. GSG prepared a Phase I Environmental Site Assessment Report, dated February 24, 2014, for TRP (the "**Phase I Report**"). GSG prepared a Remediation Objectives Report Remedial Action Plan, dated February 2009, for TRP. Due to a change in the plans for the development of the Property, GSG prepared an Updated Comprehensive Site Investigation Report, dated April 2014, for TRP. Due to a change in the plans for the development of the Property, GSG prepared an Updated Remediation Objectives Report Remedial Action Plan, dated April 2014, for TRP (the "**ROR/RAP**"). The ROR/RAP contained the following recommendations for remedial action activities: soil will be excavated to a minimum of three feet across the entire Property and disposed of off-site at an approved landfill; upon completion of soil excavation and off-site disposal activities at the Property engineered barriers will be installed across the entire Property; proposed engineered barriers will consist of a minimum of three feet of clean fill across the entire Property and then capped with concrete, permeable pavers, granite and other landscaping materials; clean imported materials will be utilized as backfill for the excavated

Developer Parties will submit all necessary documents to the City's Department of Buildings, Department of Transportation, and to such other City departments or governmental authorities as may be necessary to acquire building permits and other required approvals for the Project.

3.03 **Project Budget.** Partnership has furnished to DPD, and DPD has approved, a Project Budget which is Exhibit C-1, showing total costs for the Project in an amount not less than [$15,459,182.] Partnership hereby certifies to the City that: (a) in addition to City Funds, the Lender Financing and/or Equity described in Exhibit K shall be sufficient to pay for all Project costs; and (b) the Project Budget is true, correct and complete in all material respects. Partnership will promptly deliver to DPD copies of any Change Orders with respect to the Project Budget as provided in Section 3.04.

The Developer Parties shall not commence construction of the Project until Developer Parties have obtained all necessary permits and approvals (including but not limited to DPD's approval of the Plans and Specifications) and proof of the General Contractor's and each subcontractor's bonding as and when required hereunder.

3.07 **Progress Reports and Survey Updates.** After the Closing Date, on or before the 15th day of each reporting month, Partnership will provide DPD with written quarterly construction progress reports detailing the status of the Project, including a revised completion date, if necessary (with any delay in completion date being considered a Change Order, requiring DPD's written approval under Section 3.04). At Project completion, upon the request of DPD, Partnership will provide 3 copies of an updated Survey to DPD reflecting improvements made to the Property.

3.11 **Accessibility for Disabled Persons.** Partnership acknowledges that it is in the public interest to design, construct and maintain the Project in a manner that promotes, enables, and maximizes universal access throughout the Project. Plans for all buildings on the Property and related improvements have been reviewed and approved by the Mayor's Office for People with Disabilities ("MOPD") to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.

3.12 **Conveyance of Property**.

The following provisions shall govern the City's conveyance of the Property to TRP:

(a) Purchase Price. The City hereby agrees to sell, and TRP hereby agrees to purchase, upon and subject to the terms and conditions of this Agreement, the Property, for One Dollar ($1.00) (the "**Purchase Price**"), which is to be paid to the City on or before the Closing Date in cash or by certified or cashier's check. The Developer shall pay all escrow fees and other title insurance fees, premiums and closing costs. The Developer acknowledges and agrees that (i) the appraised fair market value of the Property is approximately $0 (i.e., the estimated cost to remediate the Property ($812,000) exceeds the appraised fair market value of

the land ($500,000)), and (ii) the City has only agreed to sell the Property to TRP for the Purchase Price because TRP and the Partnership have agreed to execute this Agreement and comply with its terms and conditions.

(b) Form of Deed. The City shall convey the Property to TRP by one or more quitclaim deeds (each such deed, the "**Deed**"), subject to the terms of this Agreement and, without limiting the quitclaim nature of the Deed, the following:

(i) the Redevelopment Plan, until such plan expires;

(ii) the standard exceptions in an ALTA title insurance policy;

(iii) all general real estate taxes and any special assessments or other taxes;

(iv) all easements, encroachments, covenants and restrictions of record and not shown of record;

(v) such other title defects as may exist; and

(vi) any and all exceptions caused by the acts of the Developer, its Affiliates and their agents.

(c) Title and Survey. TRP and the Partnership each acknowledges that it has received a commitment for an owner's policy of title insurance for the Property, Commitment No. _____, with an effective date of _____, 20___, issued by the Title Company (the "**City Title Commitment**"), showing the City in title to the Property. TRP shall be solely responsible for and shall pay all costs associated with updating the City Title Commitment (including all search, continuation and later date fees), and obtaining the Title Policy. The City shall have no obligation to cure title defects; provided, however, if there are exceptions for general real estate taxes due or unpaid prior to the Closing Date with respect to the Property or liens for such unpaid property taxes, the City shall, as applicable, request that the County void the unpaid taxes as provided in Section 21-100 of the Property Tax Code, 35 ILCS 200/21-100, or file an application for a Certificate of Error with the Cook County Assessor, or file a tax injunction suit or petition to vacate a tax sale in the Circuit Court of Cook County. If, after taking the foregoing actions and diligently pursuing same, the Property remains subject to any tax liens, or if the Property is encumbered with any other exceptions that would adversely affect the use and insurability of the Property for the development of the Project, TRP shall have the option to do one of the following: (i) accept title to the Property subject to the exceptions; or (ii) terminate this Agreement. If TRP elects not to terminate this Agreement as aforesaid, TRP agrees to accept title subject to all exceptions.

(d) The Land Closings. The conveyances of the Property (from the City to TRP, and from TRP to the Partnership) shall take place on the Closing Date at the downtown offices of the Title Company or such other place as the parties may mutually agree upon in writing; provided, however, in no event shall the closing of the land sale occur unless TRP and the Partnership have satisfied all conditions precedent set forth in this Agreement, unless DPD, in its sole discretion, waives such conditions. On or before the Closing Date, the City shall deliver to the Title Company: the Deed; all necessary state, county and municipal real estate transfer tax declarations; and an ALTA statement. The City will not provide a gap undertaking. TRP shall immediately re-convey the Property to the Partnership.

(e) Recording Costs. TRP shall pay to record the Deed, this Agreement, and any other documents incident to the conveyance of the Property to the Developer.

(f) "AS IS" SALE. THE CITY MAKES NO COVENANT, REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, OF ANY KIND, AS TO THE STRUCTURAL, PHYSICAL OR ENVIRONMENTAL CONDITION OF THE PROPERTY OR THE SUITABILITY OF THE PROPERTY FOR ANY PURPOSE WHATSOEVER. TRP AND THE PARTNERSHIP EACH ACKNOWLEDGES THAT IT HAS HAD ADEQUATE OPPORTUNITY TO INSPECT AND EVALUATE THE STRUCTURAL, PHYSICAL AND ENVIRONMENTAL CONDITION AND RISKS OF THE PROPERTY AND ACCEPTS THE RISK THAT ANY INSPECTION MAY NOT DISCLOSE ALL MATERIAL MATTERS AFFECTING THE PROPERTY. TRP AGREES TO ACCEPT THE PROPERTY IN ITS "AS IS," "WHERE IS" AND "WITH ALL FAULTS" CONDITION AT CLOSING WITHOUT ANY COVENANT, REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, OF ANY KIND, AS TO THE STRUCTURAL, PHYSICAL OR ENVIRONMENTAL CONDITION OF THE PROPERTY OR THE SUITABILITY OF THE PROPERTY FOR ANY PURPOSE WHATSOEVER. TRP AND THE PARTNERSHIP EACH ACKNOWLEDGES THAT IT IS RELYING SOLELY UPON ITS OWN INSPECTION AND OTHER DUE DILIGENCE ACTIVITIES AND NOT UPON ANY INFORMATION (INCLUDING, WITHOUT LIMITATION, ENVIRONMENTAL STUDIES OR REPORTS OF ANY KIND) PROVIDED BY OR ON BEHALF OF THE CITY OR ITS AGENTS OR EMPLOYEES WITH RESPECT THERETO. THE PARTNERSHIP AGREES THAT IT IS ITS SOLE RESPONSIBILITY AND OBLIGATION TO PERFORM AT ITS EXPENSE ANY ENVIRONMENTAL REMEDIATION WORK (AS DEFINED BELOW) AND TAKE SUCH OTHER ACTION AS IS NECESSARY TO PUT THE PROPERTY IN A CONDITION WHICH IS SUITABLE FOR ITS INTENDED USE.

"Environmental Remediation Work" shall mean all investigation, sampling, monitoring, testing, reporting, removal (including, excavation, transportation and disposal), response, storage, remediation, treatment and other activities necessary for the performance of the Project, all in accordance with all requirements of IEPA, and all applicable Laws, including, without limitation, all applicable Environmental Laws.

(g) Release and Indemnification. TRP and the Partnership each, on behalf of itself and its officers, directors, employees, successors, assigns and anyone claiming by, through or under them (collectively, the "**TRP/Partnership Parties**"), hereby releases, relinquishes and forever discharges the City, its officers, agents and employees, from and against any and all Losses which TRP, the Partnership or any of the TRP/Partnership Parties ever had, now have, or hereafter may have, whether grounded in tort or contract or otherwise, in any and all courts or other forums, of whatever kind or nature, whether known or unknown, foreseen or unforeseen, now existing or occurring after the Closing Date, based upon, arising out of or in any way connected with, directly or indirectly (i) any environmental contamination, pollution or hazards associated with the Property or any improvements, facilities or operations located or formerly located thereon, including, without limitation, any release, emission, discharge, generation, transportation, treatment, storage or disposal of Hazardous Materials, or threatened release, emission or discharge of Hazardous Materials; (ii) the structural, physical or environmental condition of the Property, including, without limitation, the presence or suspected presence of Hazardous Materials in, on, under or about the Property or the migration of Hazardous Materials from or to other Property; (iii) any violation of, compliance with, enforcement of or liability under any Environmental Laws, including, without limitation, any governmental or regulatory body response costs, natural resource damages or Losses arising under CERCLA; and (iv) any investigation, cleanup, monitoring, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision or other third party in connection or associated with the Property or any improvements, facilities or operations located or formerly located thereon (collectively, "**Released Claims**"); provided, however, the foregoing release shall not apply to the extent such Losses are proximately caused by the gross negligence or willful misconduct of the City following the Closing Date. Furthermore, TRP shall indemnify, defend (through an attorney reasonably acceptable to the City) and hold the City and

its officers, agents and employees harmless from and against any and all Losses which may be made or asserted by any third parties (including, without limitation, any of the TRP/Partnership Parties) arising out of or in any way connected with, directly or indirectly, any of the Released Claims, except as provided in the immediately preceding sentence for the City's gross negligence or willful misconduct following the Closing Date.

(h) Release Runs with the Property. The covenant of release in Section 3.12(g) above shall run with the Property, and shall be binding upon all successors and assigns of the Developer with respect to the Property, including, without limitation, each and every person, firm, corporation, limited liability company, trust or other entity owning, leasing, occupying, using or possessing any portion of the Property under or through TRP or the Partnership following the date of the Deed. TRP and the Partnership each acknowledges and agrees that the foregoing covenant of release constitutes a material inducement to the City to enter into this Agreement, and that, but for such release, the City would not have agreed to convey the Property to TRP. It is expressly agreed and understood by and among TRP, the Partnership and the City that, should any future obligation of TRP, the Partnership or any of the TRP/Partnership Parties arise or be alleged to arise in connection with any environmental, soil or other condition of the Property, TRP, the Partnership and any of the TRP/Partnership Parties shall not assert that those obligations must be satisfied in whole or in part by the City, because Section 3.12(g) contains a full, complete and final release of all such claims, except as provided in such section for the City's gross negligence or willful misconduct following the Closing Date.

(i) Survival. This Section 3.12 shall survive the Closing Date or any termination of this Agreement (regardless of the reason for such termination).

SECTION FOUR: FINANCING

4.01 **Total Project Cost and Sources of Funds.** The cost of the Project is estimated to be [$15,459,182] to be applied in the manner stated in the Project Budget and funded from the sources identified in Exhibit K.

4.02 **Developer Parties Funds.** Equity and Lender Financing will be used to pay the majority of Project costs, including but not limited to costs of TIF-Funded Improvements.

4.03 **City Funds.**

(a) Uses of City Funds. City Funds may only be used to pay directly or reimburse the Developer Parties for costs of TIF-Funded Improvements that constitute Redevelopment Project Costs. Exhibit D sets forth, by line item, the TIF-Funded Improvements for the Project, and the maximum amount of costs that may be paid by or reimbursed from City Funds for each line item therein (subject to Section 4.03(b)), contingent upon receipt by the City of documentation satisfactory in form and substance to DPD evidencing such cost and its eligibility as a Redevelopment Project Cost.

(b) Sources of City Funds. Subject to the terms and conditions of this Agreement, including but not limited to this Section 4.03 and Section 5 hereof, the City hereby agrees to provide up to $4,372,080 of City funds (the "**City Funds**") from Available Incremental Taxes to pay for or reimburse the Developer Parties for the costs of the TIF-Funded Improvements; provided, however, that the total amount of City Funds expended for TIF-Funded Improvements shall be an amount not to exceed Four Million Three Hundred Seventy-Two Thousand Eighty Dollars ($4,372,080); and provided further, that the $4,372,080 to be derived from Available Incremental Taxes and/or TIF Bond proceeds, if any, shall be available to pay costs related to TIF-Funded Improvements and allocated by the City for that purpose only to the extent that the

amount of the Available Incremental Taxes deposited into the Redevelopment Project Area Special Tax Allocation Fund shall be sufficient to pay for such costs.

The Developer Parties acknowledge and agree that the City's obligation to pay for TIF-Funded Improvements is contingent upon the fulfillment of the conditions set forth above. In the event that such conditions are not fulfilled, the amount of Equity to be contributed by the Developer Parties pursuant to Section 4.01 hereof shall increase proportionately until such City Funds are available.

(c) Disbursement of City Funds. Subject to the terms and conditions of this Agreement, including but not limited to this Section 4.03, Section 4.08 and Section 5 hereof, the City shall disburse the City Funds in two payments to TRP as follows: (i) $2,186,040 upon the completion of 50% of the construction of the Project as certified to the City in a Requisition Form with required supporting documentation; and (ii) $2,186,040 upon the issuance of the Certificate.

4.04 **Construction Escrow**. The City and the Developer Parties hereby agree to enter into the Escrow Agreement. All disbursements of Project funds shall be made through the funding of draw requests with respect thereto pursuant to the Escrow Agreement and this Agreement. In case of any conflict between the terms of this Agreement and the Escrow Agreement, the terms of this Agreement shall control.

4.05 **Sale or Transfer of the Property or Project by Developer Parties.**

(a) Prior to the Date of Issuance of the Certificate. Subject to Section 16.01 hereof, Partnership must obtain the prior approval of the City for any sale or transfer to an entity that is not a Developer Party of any part of the Property or the Project prior to the issuance of the Certificate. Such approval by the City will be subject to the reasonable discretion requirement stated in Section 18.19. For purposes of this Section 4.05, the phrase: "sale or transfer of any part of the Property or Project" includes any sales or transfers which are a part of the sale or transfer of all or substantially all of Partnership's assets or equity but does not include the lease of residential units in accordance with Section 8.19 hereof.

4.06 **Treatment of Prior Expenditures.** Only those expenditures made by Developer Parties with respect to the Project prior to the Closing Date, evidenced by documentation satisfactory to DPD and approved by DPD as satisfying costs covered in the Project Budget, will be considered previously contributed Equity or Lender Financing, if any, hereunder (the "**Prior Expenditure(s)**"). DPD has the right, in its sole discretion, to disallow any such expenditure (not listed on Exhibit F) as a Prior Expenditure as of the date hereof. Exhibit F states the prior expenditures approved by DPD as Prior Expenditures. Prior Expenditures made for items other than TIF-Funded Improvements will not be reimbursed to Developer Parties, but will reduce the amount of Equity and/or Lender Financing, if any, required to be contributed by Developer Parties under Section 4.01.

4.07 **Cost Overruns.** If the aggregate cost of the TIF-Funded Improvements exceeds City Funds available under Section 4.03, or if the cost of completing the Project exceeds the Project Budget, Developer Parties will be solely responsible for such excess costs, and will hold the City harmless from any and all costs and expenses of completing the TIF-Funded Improvements in excess of City Funds and from any and all costs and expenses of completing the Project.

4.08 **Preconditions of Disbursement.** Prior to each disbursement of City Funds hereunder, the Partnership shall submit documentation regarding the applicable expenditures to DPD, which shall be satisfactory to DPD in its sole discretion. Delivery by the Partnership to

DPD of any request for disbursement of City Funds hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for disbursement, that:

(a) the total amount of the disbursement request represents the actual amount payable to (or paid to) the General Contractor and/or subcontractors who have performed work on the Project, and/or their payees;

(b) all amounts shown as previous payments on the current disbursement request have been paid to the parties entitled to such payment;

(c) the Developer Parties have approved all work and materials for the current disbursement request, and such work and materials conform to the Plans and Specifications;

(d) the representations and warranties contained in this Agreement are true and correct and the Developer Parties are in compliance with all covenants contained herein;

(e) the Developer Parties have received no notice and have no knowledge of any liens or claim of lien either filed or threatened against the Property except for the Permitted Liens;

(f) no Event of Default or condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default exists or has occurred; and

(g) the Project is In Balance. The Project shall be deemed to be in balance ("**In Balance**") only if the total of the Available Project Funds equals or exceeds the aggregate of the amount necessary to pay all unpaid Project costs incurred or to be incurred in the completion of the Project. The Developer Parties hereby agree that, if the Project is not In Balance, the Developer Parties shall, within 10 days after a written request by the City, deposit with the escrow agent or will make available (in a manner acceptable to the City), cash in an amount that will place the Project In Balance, which deposit shall first be exhausted before any further disbursement of the City Funds shall be made.

The City shall have the right, in its discretion, to require the Developer Parties to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and any disbursement by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Developer Parties. In addition, the Developer Parties shall have satisfied all other preconditions of disbursement of City Funds for each disbursement, including but not limited to requirements set forth in the Bond Ordinance, if any, TIF Bond Ordinance, if any, the Bonds, if any, the TIF Bonds, if any, the TIF Ordinances, this Agreement and/or the Escrow Agreement.

4.09 **City Fee**. Annually, the City may allocate an amount not to exceed five percent (5%) of the Incremental Taxes for payment of costs incurred by the City for the administration and monitoring of the Redevelopment Area, including the Project. Such fee shall be in addition to and shall not be deducted from or considered a part of the City Funds, and the City shall have the right to receive such funds prior to any payment of City Funds hereunder.

4.10 **Conditional Grant**. The City Funds being provided hereunder are being granted on a conditional basis, subject to the Developer Parties' compliance with the provisions of this Agreement. The City Funds are subject to being suspended, terminated and/or reimbursed as provided in Sections 7.03 and 15.02 hereof.

4.11 **TIF Bonds.** The Commissioner of DPD may, in his or her sole discretion, recommend that the City Council approve an ordinance or ordinances authorizing the issuance of TIF Bonds in an amount which, in the opinion of the City Comptroller, is marketable under the then current market conditions. The costs of issuance of the TIF Bonds would be borne solely by the City. The Developer Parties will cooperate with the City in the issuance of the TIF Bonds, as provided in Section 8.05.

SECTION FIVE: CONDITIONS PRECEDENT

The following conditions precedent to closing must be complied with to the City's satisfaction within the time periods set forth below or, if no time period is specified, prior to the Closing Date:

5.01 **Project Budget.** Developer Parties will have submitted to DPD, and DPD will have approved, a Project Budget in accordance with the provisions of Section 3.03.

(d) The City agrees that the Developer Parties may collaterally assign their respective interests in this Agreement to any of their Lender if such Lender requires such collateral assignment.

5.05 **Acquisition and Title.** On the Closing Date, Developer Parties will furnish the City with a copy of the Title Policy for the Property, showing Partnership as the named insured. The Title Policy will be dated as of the Closing Date and will contain only those title exceptions listed as Permitted Liens on Exhibit G and will evidence the recording of this Agreement under

the provisions of Section 8.17. The Title Policy will also contain the following endorsements as required by Corporation Counsel: an owner's comprehensive endorsement and satisfactory endorsements regarding zoning (i.e., Zoning 3.1 plans and specifications) with parking, contiguity, location, access, and survey.

5.13 **Environmental Audit.** Partnership will have provided DPD with copies of all phase I environmental audits completed with respect to the Property, if any, and a letter from the environmental engineer(s) who completed such audit(s), authorizing the City to rely on such audits. If environmental issues exist on the Property, the City will require written verification from the Illinois Environmental Protection Agency that all identified environmental issues have

been or will be resolved to its satisfaction.

5.14 **Entity Documents.** Each of TRP and CQAC shall provide a copy of its current Articles of Incorporation, with all amendments, containing the original certification of the Secretary of State of its state of incorporation; certificates of good standing from the Secretary of State of its state or incorporation and all other states in which TRP or CQAC is qualified to do business; its current bylaws; a secretary's certificate in such form and substance as the Corporation Counsel may require; and such organizational documentation as the City may request. Notwithstanding acceptance by the City of the EDS, failure of the EDS to include all information required under the Municipal Code renders this Agreement voidable at the option of the City. Developer and any other parties required by this Section 5.14 to complete an EDS must promptly update their EDS(s) on file with the City pursuant to the requirements of Section 2-154-020 of the Municipal Code, including changes in ownership and changes in disclosures and information pertaining to ineligibility to do business with the City under Chapter 1-23 of the Municipal Code, and failure to promptly provide such updated EDS(s) to the City will constitute an Event of Default under this Agreement.

5.15 **Litigation.** Developer Parties will provide to Corporation Counsel and DPD a description of all pending or threatened litigation or administrative proceedings involving Developer Parties or any Affiliate of Developer Parties (excluding any limited partners of the Partnership) specifying, in each case, the amount of each claim, an estimate of probable liability, the amount of any reserves taken in connection therewith, and whether (and to what extent) such potential liability is covered by insurance.

SECTION SIX: AGREEMENTS WITH CONTRACTORS

6.01 **Bid Requirement for General Contractor and Subcontractors.**

(a) DPD acknowledges that Partnership has selected _____ as the General Contractor for the Project. Partnership will cause the General Contractor to solicit bids for work on the Project solely from qualified subcontractors eligible to do business with the City of Chicago.

(b) Partnership must submit copies of the Construction Contract to DPD as required under Section 6.02 below. Upon the written request of the City, Partnership will provide photocopies of all subcontracts entered or to be entered into in connection with the Project within five (5) Business Days of the execution thereof. The Partnership must ensure that the General Contractor will not (and must cause the General Contractor to ensure that the subcontractors will not) begin work on the Project until the Plans and Specifications have been approved by the City and all requisite permits have been obtained.

6.02 **Construction Contract.** Prior to the execution thereof, Partnership must deliver to DPD a copy of the proposed Construction Contract with the General Contractor selected to work on the Project, for DPD's prior written approval. Following execution of such contract by Developer Parties, the General Contractor and any other parties thereto, Partnership must deliver to DPD and Corporation Counsel a certified copy of such contract together with any modifications, amendments or supplements thereto.

6.03 **Performance and Payment Bonds.** Prior to commencement of construction of any portion of the Project, Developer Parties will require that the General Contractor and any applicable subcontractor(s) be bonded for their respective payment and performance by sureties having an AA rating or better using the bond form attached as Exhibit I. The City will be named as obligee or co-obligee on such bond.

6.04 **Employment Opportunity.** Developer Parties will contractually obligate and cause the General Contractor to agree and contractually obligate each subcontractor to agree to the provisions of Section 10; provided, however, that the contracting, hiring and testing requirements associated with the MBE/WBE and the City resident obligations in Section 10 shall be applied on an aggregate basis and the failure of the General Contractor to require each subcontractor to satisfy or the failure of any one subcontractor to satisfy, such obligation shall not result in a default or a termination of this Agreement or require payment of the City resident hiring shortfall amounts so long as such Section 10 obligations are satisfied on an aggregate basis.

6.05 **Other Provisions.** In addition to the requirements of this Section 6, the Construction Contract and each contract with any subcontractor must contain provisions required under Section 3.04 (Change Orders), Section 8.08 (Prevailing Wage), Section 10.01(e) (Employment Opportunity), Section 10.02 (City Resident Construction Worker Employment Requirement), Section 10.03 (MBE/WBE Commitment), Section 12 (Insurance) and Section 14.01 (Books and Records).

SECTION SEVEN: COMPLETION OF CONSTRUCTION

7.01 **Certificate of Completion of Construction.**

(a) Upon completion of the construction of the Project in compliance with the terms and conditions of this Agreement, and upon Partnership's written request, DPD will issue to Developer Parties a recordable certificate of completion of construction in substantially the form attached hereto as Exhibit M (the "**Certificate**") certifying that Developer Parties have fulfilled their obligations to complete the Project in compliance with the terms and conditions of this Agreement. DPD will respond to Partnership's written request for a Certificate within 30 days by issuing either a Certificate or a written statement detailing the ways in which the Project does not conform to this Agreement or has not been satisfactorily completed and the measures which must be taken by Developer Parties in order to obtain the Certificate. Partnership may resubmit a written request for a Certificate upon completion of such measures, and the City will respond within 30 days in the same way as the procedure for the initial request. Such process may repeat until the City issues a Certificate.

(b) Each Developer Party acknowledges and understands that the City will not issue a Certificate if there exists an Event of Default which is continuing or there exists a condition or event, which, with the giving of notice or the passage of time or both, would constitute an Event of Default. Each Developer Party further acknowledges and understands that the City will not issue the Certificate until (i) the City's Monitoring and Compliance unit has determined in writing that Partnership is in complete compliance with all City requirements (M/WBE, City residency and prevailing wage) as required in this Agreement, (ii) the Project, including all 45 residential units, the parking spaces and all related improvements, has been completed, (iii) Developer Parties have received a Certificate of Occupancy from the City or other evidence reasonably acceptable to DPD that the Developer Parties have complied with building permit requirements and (iv) the Facility is in the process of being leased to tenants pursuant to Section 8.19 hereof.

7.02 **Effect of Issuance of Certificate; Continuing Obligations.**

(a) The Certificate relates only to the construction of the Project, and upon its issuance, the City will certify that the terms of the Agreement specifically related to Developer Parties' obligation to complete such activities have been satisfied. After the issuance of the Certificate, however, all executory terms and conditions of this Agreement and all representations and covenants contained herein will continue to remain in full force and effect throughout the Term of the Agreement as to the parties described in the following paragraph, and the issuance of the Certificate must not be construed as a waiver by the City of any of its rights and remedies under such executory terms.

(b) Those covenants specifically described at Sections 8.01(m), 8.01(n), 8.02 (Covenant to Redevelop), 8.18 (Real Estate Provisions), 8.19 (Affordability Requirements) 8.24 (Annual Compliance Report), as covenants that run with the land are the only covenants in this Agreement intended to be binding upon any transferee of the Property (including an assignee as described in the following sentence) throughout the Term of the Agreement. The other executory terms of this Agreement that remain after the issuance of the Certificate will be binding only upon each Developer Party or a permitted assignee of such Developer Party who, as provided in Section 18.14 (Assignment) of this Agreement, has contracted to take an assignment of such Developer Party's rights under this Agreement and assume such Developer Party's liabilities hereunder.

7.03 **Failure to Complete.** If Developer Parties fail to timely complete the Project in compliance with the terms of this Agreement, then the City will have, but will not be limited to, any of the following rights and remedies:

(a) the right to terminate this Agreement and cease all disbursement of City Funds not yet disbursed under this Agreement;

(b) the right (but not the obligation) to complete those TIF-Funded Improvements that are public improvements and to pay for the costs of such TIF-Funded Improvements (including interest costs) out of City Funds or other City monies. If the aggregate cost of completing the TIF-Funded Improvements exceeds the amount of City Funds available under Section 4.01, Partnership will reimburse the City for all reasonable costs and expenses incurred by the City in completing such TIF-Funded Improvements in excess of the available City Funds; and

(c) the right to seek reimbursement of the City Funds from the Developer Parties, provided that the City is entitled to rely on an opinion of counsel that such reimbursement will not jeopardize the tax-exempt status, if any, of any TIF Bonds.

7.04 **Notice of Expiration of Term of Agreement.** Upon the expiration of the Term of the Agreement, DPD will provide Developer Parties, at their written request, with a written notice in recordable form stating that the Term of the Agreement has expired.

For purposes of this subsection only, "affiliate" means a person or entity that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with such specified person or entity, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise;

(q) The Developer Parties represent, acknowledge and agree that (1) payments of City Funds are subject to the amount of Available Incremental Taxes on deposit in the Redevelopment Project Area Special Tax Allocation Fund being sufficient for such payments. If the Available Incremental Taxes turn out to be insufficient to make such payments, such insufficiency shall not give the Developer or any other party any claim or right to any other Incremental Taxes or other funds of the City; (2) the City Funds are limited obligations of the City, payable Available Incremental Taxes on deposit in the Redevelopment Project Area Special Tax Allocation Fund; (3) the City Funds do not constitute indebtedness of the City within the meaning of any constitutional or statutory provision or limitation; (4) Developer Parties have no right to compel the exercise of any taxing power of the City for payment of the City Funds; and (5) the City Funds do not and will not represent or constitute a general obligation or a pledge of the faith and credit of the City, the State or any political subdivision thereof; (6) the Developer Parties have sufficient knowledge and experience in financial and business matters, including municipal projects and revenues of the kind represented by the City Funds, and has been supplied with access to information to be able to evaluate the risks associated with the receipt of City Funds; (7) there is no assurance as to the amount or timing of receipt of City Funds, and that the amount of City Funds actually received by such party may be substantially less than the maximum amounts set forth in Section 4.03(b) hereof; (8) the Developer Paties may not sell, assign, pledge or otherwise transfer its interest in this Agreement or City Funds in whole or in part without the prior written consent of the City, and, to the fullest extent permitted by law, agrees to indemnify the City for any losses, claims, damages or expenses relating to or based upon any, sale, assignment, pledge or transfer of City Funds in violation of this Agreement; and (9) the City has no continuing obligation to provide it with any information concerning the City Funds or otherwise, except as set forth in this Agreement; and

Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Developer intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

(B) neither party is married; and
(C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
(D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
(E) two of the following four conditions exist for the partners:
    1. The partners have been residing together for at least 12 months.
    2. The partners have common or joint ownership of a residence.

        c. a joint checking account;
        d. a lease for a residence identifying both domestic partners as tenants.
    4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code, as amended.

8.02 **Covenant to Redevelop.** Upon DPD's approval of the Scope Drawings and Plans and Specifications as provided in Section 3.02, and DPD's approval of the Project Budget as provided in Section 3.03, and Partnership's receipt of all required building permits and

governmental approvals, Developer Parties will redevelop the Property in compliance with this Agreement, the TIF Ordinances, the CHA Documents, the Scope Drawings, the Plans and Specifications, the Project Budget and all amendments thereto, and all Federal, State and local laws, ordinances, rules, regulations, executive orders and codes applicable to the Project and/or Partnership.

The covenants set forth in this Section 8.02 will run with the land and will be binding upon any transferee of the Property, or a portion thereof, unless this covenant is terminated in whole or in part by the City, acting through DPD, pursuant to a written instrument executed pursuant to Section 7.02 and recorded against the Property, or any portion thereof.

8.03 **Redevelopment Plan.** Developer Parties represent that the Project is and will be in compliance with all applicable terms of the Redevelopment Plan, as in effect on the date of this Agreement.

8.04 **Use of City Funds.** City Funds disbursed to Developer Parties will be used by Developer Parties solely to pay for or reimburse Developer Parties for their payment for the TIF-Funded Improvements as provided in this Agreement.

8.05 **Other Bonds.** At the request of the City, Developer Parties will agree to any reasonable amendments to this Agreement that are necessary or desirable in order for the City to issue (in its sole and absolute discretion) TIF Bonds or other bonds **("Bonds")** in connection with the Project or the Redevelopment Area, the proceeds of which are to be used to reimburse the City for expenditures made in connection with the TIF-Funded Improvements; provided, however, that any such amendments will not have a material adverse effect on Developer Parties or the Project. Developer Parties will cooperate and provide reasonable assistance in connection with the marketing of any such Bonds, including but not limited to providing written descriptions of the Project, making representations, providing information regarding its financial condition, and assisting the City in its preparation of an offering statement with respect thereto. None of the Developer Parties will have any liability with respect to any disclosures made in connection with any such issuance that are actionable under applicable securities laws unless such disclosures are based on factual information provided by Developer Parties that is determined to be false and misleading.

8.06 **Employment Opportunity.**

(a) Developer Parties covenant and agree to abide by, and contractually obligate and use reasonable efforts to cause the General Contractor and, as applicable, to cause the General Contractor to contractually obligate each subcontractor to abide by the terms set forth in Section 8.08 and Section 10; provided, however, that the contracting, hiring and testing requirements associated with the MBE/WBE and City resident obligations in Section 10 shall be applied on an aggregate basis and the failure of the General Contractor to require each subcontractor to satisfy, or the failure of any one subcontractor to satisfy, such obligations shall not result in a default or a termination of the Agreement or require payment of the City resident hiring shortfall amount so long as such Section 10 obligations are satisfied on an aggregate basis. Partnership will submit to DPD a plan describing their compliance program prior to the Closing Date. It is anticipated that 40 temporary FTE construction jobs and 2 permanent FTE jobs will be created as a result of construction and completion of the Project.

(b) Partnership will deliver to the City written progress reports by draw, but not less than quarterly, detailing compliance with the requirements of Sections 8.08, 10.02 and 10.03 of this Agreement. If any such reports indicate a shortfall in compliance, Partnership will also deliver a plan to DPD which will outline, to DPD's satisfaction, the manner in which Developer Parties will correct any shortfall.

8.07 **Employment Profile.** Partnership will submit, and Developer Parties contractually shall obligate and cause the General Contractor to submit and contractually obligate any subcontractor to submit, to DPD, from time to time, statements of its employment profile upon DPD's request.

8.08 **Prevailing Wage.** Developer Parties covenant and agree to pay, and to contractually obligate and cause the General Contractor to pay and to contractually cause each subcontractor to pay, the prevailing wage rate as ascertained by the federal government pursuant to the Davis-Bacon Act, to all their respective employees working on constructing the Project or otherwise completing the TIF-Funded Improvements. All such contracts will list the specified rates to be paid to all laborers, workers and mechanics for each craft or type of worker or mechanic employed pursuant to such contract. If federal prevailing wage rates are revised, the revised rates will apply to all such contracts. Upon the City's request, Partnership will provide the City with copies of all such contracts entered into by any Developer Party or the General Contractor to evidence compliance with this Section 8.08.

8.09 **Arms-Length Transactions.** Unless DPD has given its prior written consent with respect thereto, no Affiliate of a Developer Party may receive any portion of City Funds, directly or indirectly, in payment for work done, services provided or materials supplied in connection with any TIF-Funded Improvement. Developer Parties will provide information with respect to any entity to receive City Funds directly or indirectly (whether through payment to an Affiliate by a Developer Party and reimbursement to such Developer Party for such costs using City Funds, or otherwise), upon DPD's request, prior to any such disbursement.

8.10 **No Conflict of Interest.** Under Section 5/11-74.4-4(n) of the Act, each Developer Party represents, warrants and covenants that to the best of its knowledge, no member, official, or employee of the City, or of any commission or committee exercising authority over the Project, the Redevelopment Area or the Redevelopment Plan, or any consultant hired by the City or Developer Parties with respect thereto, (a **"City Group Member"**) owns or controls, has owned or controlled or will own or control any interest, and no such City Group Member will represent any person, as agent or otherwise, who owns or controls, has owned or controlled, or will own or control any interest, direct or indirect, in any Developer Party, the Property, the Project, or to any Developer Party's actual knowledge, any other property in the Redevelopment Area.

8.11 **Disclosure of Interest.** None of the Developer Parties' counsel has direct or indirect financial ownership interest in a Developer Party, the Property, or any other feature of the Project.

8.12 **Financial Statements.** Partnership will obtain and provide to DPD Financial Statements for Partnership's fiscal year ended 20___ and each yearly thereafter for the Term of the Agreement. In addition, if requested by DPD, Partnership will submit unaudited financial statements as soon as reasonably practical following the close of each fiscal year and for such other periods as DPD may request.

8.13 **Insurance.** Solely at their own expense, Developer Parties will comply with all provisions of Section 12 hereof.

8.14 **Non-Governmental Charges.**

(a) Payment of Non-Governmental Charges. Except for the Permitted Liens, and subject to subsection (b) below, Developer Parties agree to pay or cause to be paid when due any Non-Governmental Charges assessed or imposed upon the Project, or any fixtures that are

or may become attached thereto and which are owned by a Developer Party, which create, may create, or appear to create a lien upon all or any portion of the Project; provided however, that if such Non-Governmental Charges may be paid in installments, Developer Parties may pay the same together with any accrued interest thereon in installments as they become due and before any fine, penalty, interest, or cost may be added thereto for nonpayment. Developer Parties will furnish to DPD, within thirty (30) days of DPD's request, official receipts from the appropriate entity, or other evidence satisfactory to DPD, evidencing payment of the Non-Governmental Charges in question.

(b) Right to Contest. Developer Parties will have the right, before any delinquency occurs:

(i) to contest or object in good faith to the amount or validity of any Non-Governmental Charges by appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charges, prevent the imposition of a lien or remove such lien, or prevent the transfer or forfeiture of the Property (so long as no such contest or objection shall be deemed or construed to relieve, modify or extend Developer Parties' covenants to pay any such Non-Governmental Charges at the time and in the manner provided in this Section 8.14); or

(ii) at DPD's sole option, to furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD will require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such transfer or forfeiture of the Property or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully any such contested Non-Governmental Charges and all interest and penalties upon the adverse determination of such contest.

8.15 **Developer's Liabilities.** No Developer Party will enter into any transaction that would materially and adversely affect its ability to perform its obligations under this Agreement. Each Developer Party will immediately notify DPD of any and all events or actions which may materially affect such party's ability to carry on its business operations or perform its obligations under this Agreement or any other documents and agreements related to this Agreement or the Project.

8.16 **Compliance with Laws.** To the best of each Developer Party's knowledge, after diligent inquiry, the Property and the Project are in compliance with all applicable Federal, State and local laws, statutes, ordinances, rules, regulations, executive orders and codes pertaining to or affecting the Property and the Project. Upon the City's request, Developer Parties will provide evidence satisfactory to the City of such current compliance.

8.17 **Recording and Filing.** Partnership will cause this Agreement, certain exhibits (as specified by Corporation Counsel) and all amendments and supplements hereto to be recorded and filed on the date hereof in the conveyance and real property records of Cook County, Illinois against the Property. Partnership will pay all fees and charges incurred in connection with any such recording. Upon recording, Partnership will immediately transmit to the City an executed original of this Agreement showing the date and recording number of record.

8.18 **Real Estate Provisions.**

(a) Governmental Charges.

(i) Payment of Governmental Charges. Subject to subsection (ii) below, Developer Parties agree to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon Developer Parties, the Property or the Project, or become due and payable, and which create, may create, or appear to create a lien upon Developer Parties or all or any portion of the Property or the Project. "**Governmental Charge**" means all Federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties of the State other than Cook County, and municipalities other than the City) relating to Developer Parties, the Property, or the Project, including but not limited to real estate taxes.

(ii) Right to Contest. Developer Parties have the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or transfer or forfeiture of the Property. No such contest or objection will be deemed or construed in any way as relieving, modifying or extending Developer Parties' covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless Partnership has given prior written notice to DPD of a Developer Party's intent to contest or object to a Governmental Charge and, unless, at DPD's sole option:

(x) Developer Parties will demonstrate to DPD's satisfaction that legal proceedings instituted by Developer Parties contesting or objecting to a Governmental Charge will conclusively operate to prevent or remove a lien against, or the sale or transfer or forfeiture of, all or any part of the Property to satisfy such Governmental Charge prior to final determination of such proceedings, and/or;

(y) Developer Parties will furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD may require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or transfer or forfeiture of the Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

(iii) Notification to the Cook County Assessor of Change in Use and Ownership. Prior to the Closing Date, the Partnership shall complete a letter of notification, in accordance with 35 ILCS 200/15-20, notifying the Cook County Assessor that there has been a change in use and ownership of the Property. On the Closing Date, TRP [or the Partnership] shall pay to the Title Company the cost of sending the notification to the Cook County Assessor via certified mail, return receipt requested. After delivery of the notification, the Partnership shall forward a copy of the return receipt to DPD, with a copy to the City's Corporation Counsel's office.

(b) Developer Parties' Failure To Pay Or Discharge Lien. If Developer Parties fail to pay or contest any Governmental Charge or to obtain discharge of the same as required by this Section 8.18, Partnership will advise DPD thereof in writing, at which time DPD may, but will not be obligated to, and without waiving or releasing any obligation or liability of Developer Parties

under this Agreement, in DPD's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which DPD deems advisable. All sums so paid by DPD, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, will be promptly disbursed to DPD by Developer Parties. Notwithstanding anything contained herein to the contrary, this paragraph must not be construed to obligate the City to pay any such Governmental Charge. Additionally, if Developer Parties fail to pay any Governmental Charge, the City, in its sole discretion, may require Developer Parties to submit to the City audited Financial Statements at Developer Parties' own expense.

8.19 **Affordability Requirements.**

(a) Affordable Units. Of the 45 units comprising the Project, 15 units (or 34% of the Project's units) shall be CHA Units affordable to households with incomes not greater than 60% AMI; and 30 units (or 66% of the Project's units) shall be affordable to households with AMI not greater than 60%.

(b) CHA Units. The Developer Parties agree and covenant to the City that notwithstanding anything herein to the contrary contained, the CHA Units in the Project shall be operated and maintained in compliance with All Applicable Public Housing Requirements.

(c) The covenants set forth in this Section 8.19 shall run with the land and be binding upon any transferee.

(d) The City and the Partnership may enter into a separate agreement to implement the provisions of this Section 8.19, as necessary.

8.20 **Job Readiness Program.** If requested by the City, Partnership will use its best efforts to encourage its tenants at the Project to participate in job readiness programs established by the City to help prepare individuals to work for businesses located within the Redevelopment Area.

8.21 **Broker's Fees.** Partnership has no liability or obligation to pay any fees or commissions to any broker, finder, or agent with respect to any of the transactions contemplated by this Agreement for which the City could become liable or obligated.

8.22 **No Business Relationship with City Elected Officials.** Partnership acknowledges receipt of a copy of Section 2-156-030(b) of the Municipal Code and that Partnership has read and understands such provision. Under Section 2-156-030(b) of the Municipal Code of Chicago, it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected official has a "**Business Relationship**" (as defined in Section 2-156-080(b)(2) of the Municipal Code), or to participate in any discussion of any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship. Violation of Section 2-156-030(b) by any elected official, or any person acting at the direction of such official, with respect to this Agreement, or in connection with the transactions contemplated thereby, will be grounds for termination of this Agreement and the transactions contemplated thereby. Partnership hereby represents and warrants that, to the best of its knowledge after due inquiry, no violation of Section 2-156-030(b) has occurred with respect to this Agreement or the transactions contemplated thereby.

8.23 **Environmental Features.** The design of the Project incorporates the following environmentally-friendly elements for which Partnership shall be responsible: permeable pavers

covering 100% of the outdoor parking spaces; high efficiency heating and hot water; high insulation values in the windows and walls using environmentally-friendly insulation; insulated domestic hot water tanks; and a gearless elevator.

8.24 **Annual Compliance Report**. Beginning with the issuance of the Certificate and continuing throughout the Term of the Agreement, the Partnership shall submit to DPD the Annual Compliance Report within 30 days after the end of the calendar year to which the Annual Compliance Report relates.

8.25. **FOIA and Local Records Act Compliance**.

(a) FOIA. Developer Parties acknowledge that the City is subject to the Illinois Freedom of Information Act, 5 ILCS 140/1 et. seq., as amended ("**FOIA**"). The FOIA requires the City to produce records (very broadly defined in FOIA) in response to a FOIA request in a very short period of time, unless the records requested are exempt under the FOIA. If Developer Parties receive a request from the City to produce records within the scope of FOIA, then the Developer Partiescovenant to comply with such request within 48 hours of the date of such request. Failure by the Developer Parties to timely comply with such request shall be an Event of Default.

(b) Exempt Information. Documents that the Developer Parties submit to the City under Section 8.21 (Annual Compliance Report) or otherwise during the Term of the Agreement that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents submitted by the Developer Parties to be treated as a trade secret or information that would cause competitive harm, FOIA requires that Developer Parties mark any such documents as "proprietary, privileged or confidential." If the Developer Parties mark a document as "proprietary, privileged and confidential", then DPD will evaluate whether such document may be withheld under the FOIA. DPD, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General's Office and/or the courts.

(c) Local Records Act. Developer Parties acknowledge that the City is subject to the Local Records Act, 50 ILCS 205/1 et. seq, as amended (the "**Local Records Act**"). The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, the Developer Parties covenant to use best efforts consistently applied to assist the City in its compliance with the Local Records Act.

8.26 **Survival of Covenants.** All warranties, representations, covenants and agreements of Partnership contained in this Section 8 and elsewhere in this Agreement are true, accurate and complete at the time of Partnership's execution of this Agreement, and will survive the execution, delivery and acceptance by the parties and (except as provided in Section 7 upon the issuance of the Certificate) will be in effect throughout the Term of the Agreement.

SECTION NINE: REPRESENTATIONS, WARRANTIES AND COVENANTS OF CITY

9.01 **General Covenants.** The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations hereunder.

9.02 **Survival of Covenants.** All warranties, representations, and covenants of the City contained in this Section 9 or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the

Agreement.

SECTION TEN: DEVELOPER PARTIES' EMPLOYMENT OBLIGATIONS

10.01 **Employment Opportunity.** Developer Parties, on behalf of itself and its successors and assigns, hereby agree, and shall contractually obligate its or their various contractors, subcontractors or any Affiliate of such Developer Party operating on the Project (collectively, such parties are defined herein as the **"Employers,"** and individually defined herein as an **"Employer"**) to agree, that for the Term of this Agreement with respect to Partnership and during the period of any other party's provision of services in connection with the construction of the Project or occupation of the Property:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time-to-time (the **"Human Rights Ordinance"**). Each Employer must take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, must state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Redevelopment Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

(c) Each Employer will comply with all applicable Federal, State and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the State Human Rights Act, 775 ILCS 5/1-101 et. seq. (2002 State Bar Edition, as amended), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section, will cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of Federal, State and municipal agencies.

(e) Each Employer will include the foregoing provisions of subparagraphs (a) through (d) in every construction contract entered into in connection with the Project (other than for remediation and demolition entered into prior to the date of this Agreement), and will require inclusion of these provisions in every subcontract entered into by any subcontractors and every

agreement with any Affiliate operating on the Property, so that each such provision will be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 10.01 will be a basis for the City to pursue remedies under the provisions of Section 15.02 hereof, subject to the cure rights under Section 15.03.

10.02 **City Resident Construction Worker Employment Requirement.**

(a) Developer Parties agree for itself and its successors and assigns, and will contractually obligate its General Contractor and will cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they will comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code of Chicago (at least 50 percent of the total worker hours worked by persons on the site of the Project will be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, Developer Parties, the General Contractor and each subcontractor will be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions. Developer Parties, the General Contractor and each subcontractor will use their respective best efforts to exceed the minimum percentage of hours stated above, and to employ neighborhood residents in connection with the Project.

(b) Partnership may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

(c) **"Actual residents of the City"** means persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

(d) Partnership, the General Contractor and each subcontractor will provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer will maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

(e) Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) will be submitted to the Commissioner of DPD in triplicate, which will identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

(f) Upon 2 Business Days prior written notice, Developer Parties, the General Contractor and each subcontractor will provide full access to their employment records related to the Construction of the Project to the Chief Procurement Officer, the Commissioner of DPD, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. Developer Parties, the General Contractor and each subcontractor will maintain all relevant personnel data and records related to the Construction of the Project for a period of at least 3 years after final acceptance of the work constituting the Project.

(g) At the direction of DPD, affidavits and other supporting documentation will be required of Developer Parties, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

(h) Good faith efforts on the part of Developer Parties, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) will not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

(i) When work at the Project is completed, in the event that the City has determined that Developer Parties have failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual residents of the City or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project Budget undertaken by Developer Parties (and specifically excluding any tenant improvements which are not undertaken by Developer Parties) (the product of .0005 x such aggregate hard construction costs) (as the same will be evidenced by approved contract value for the actual contracts) will be surrendered by Partnership to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly will result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject Developer Parties, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to Developer Parties pursuant to Section 2-92-250 of the Municipal Code of Chicago may be withheld by the City pending the Chief Procurement Officer's determination as to whether Developer Parties must surrender damages as provided in this paragraph.

(j) Nothing herein provided will be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

(k) Developer Parties will cause or require the provisions of this Section 10.02 to be included in all construction contracts and subcontracts related to the Project (other than contracts for remediation and demolition entered into prior to the date of this Agreement).

10.03 **Developer Parties' MBE/WBE Commitment.** Developer Parties agree for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that during the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the **"Procurement Program"**), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the **"Construction Program,"** and collectively with the Procurement Program, the **"MBE/WBE Program"**), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 10.03, during the course of the Project, at least the following percentages of the aggregate hard construction costs (as set forth in the Project Budget) shall be expended for contract participation by minority-owned businesses (**"MBEs"**) and by women-owned businesses (**"WBEs"**):

(1) At least 24 percent by MBEs.

(2) At least four percent by WBEs.

(b) For purposes of this Section 10.03 only:

(i) Developer Parties (and any party to whom a contract is let by Developer Parties in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by Partnership in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(ii) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iii) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, Developer Parties' MBE/WBE commitment may be achieved in part by Developer Parties' status as an MBE or WBE (but only to the extent of any actual work performed on the Project by such Developer Party) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by Developer Parties utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials or services used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to Developer Parties' MBE/WBE commitment as described in this Section 10.03. In accordance with Section 2-92-730, Municipal Code of Chicago, Developer Parties shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of DPD.

(d) The Partnership shall deliver quarterly reports to the City's monitoring staff during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by Developer Parties or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining Developer Parties' compliance with this MBE/WBE commitment. Developer Parties shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by Developer Parties, on five Business Days' notice, to allow the City to review Developer Parties' compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if

such status was misrepresented by the disqualified party, Partnership shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(f) Any reduction or waiver of Developer Parties' MBE/WBE commitment as described in this Section 10.03 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

(g) Prior to the commencement of the Project, Partnership shall be required to meet with the City's monitoring staff with regard to Developer Parties' compliance with its obligations under this Section 10.03. The General Contractor and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, Partnership shall demonstrate to the City's monitoring staff its plan to achieve its obligations under this Section 10.03, the sufficiency of which shall be approved by the City's monitoring staff. During the Project, Partnership shall submit the documentation required by this Section 10.03 to the City's monitoring staff, including the following: (i) subcontractor's activity report; (ii) contractor's certification concerning labor standards and prevailing wage requirements; (iii) contractor letter of understanding; (iv) monthly utilization report; (v) authorization for payroll agent; (vi) certified payroll; (vii) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (viii) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that Partnership is not complying with its obligations under this Section 10.03, shall, upon the delivery of written notice to Partnership, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to Partnership to halt the Project, (2) withhold any further payment of any City Funds to Developer Parties or the General Contractor, or (3) seek any other remedies against Partnership available at law or in equity.

SECTION ELEVEN: ENVIRONMENTAL MATTERS

11.01 **Environmental Matters.** Partnership hereby represents and warrants to the City that Partnership has conducted environmental studies sufficient to conclude that the Project may be constructed, completed and operated in accordance with all Environmental Laws (taking into account the anticipated issuance and applicability of any NFRLs issued with respect to the Property), this Agreement and all Exhibits, the Scope Drawings, the Plans and Specifications and all amendments thereto, the TIF Bond Ordinance, if any, and the Redevelopment Plan.

Without limiting any other provisions hereof, Partnership agrees to indemnify, defend and hold the City (except with respect to Existing Materials and any gross negligence or wanton or willful misconduct by the City) harmless from and against any and all losses, liabilities, damages, injuries, costs, expenses or claims of any kind whatsoever including, without limitation, any losses, liabilities, damages, injuries, costs, expenses or claims asserted or arising under any Environmental Laws incurred, suffered by or asserted against the City as a direct or indirect result of any of the following, regardless of whether or not caused by, or within the control of Partnership: (i) the presence of any Hazardous Materials on or under, or the escape, seepage, leakage, spillage, emission, discharge or release of any Hazardous Materials from all or any portion of the Property, or (ii) any liens against the Property permitted or imposed by any Environmental Laws, or any actual or asserted liability or obligation of the City or Partnership or any of its Affiliates under any Environmental Laws relating to the Property.

11.02 **Environmental Remediation**. Partnership shall, at its sole cost and expense,

undertake all Environmental Remediation Work that may be needed on the Property promptly after the Closing. Partnership shall incorporate the requirements of the ROR/RAP for the Property into its final construction plans and specifications for the Project, and shall coordinate with the City to ensure that all requirements of the SRP are satisfied. The contractors selected by Partnership, and the terms of the contract must be approved by the City, which approval shall not be unreasonably withheld, prior to the commencement of any Environmental Remediation Work on the Property. Partnership shall be solely responsible for all site preparation costs, including, but not limited to, the removal of soil, pre-existing building foundations, soil exceeding the IEPA's Tiered Approach to Cleanup Objectives most stringent site remediation objectives, and demolition debris, and the removal, disposal, storage, remediation, removal or treatment of Hazardous Materials from the Property. TRP and Partnership each acknowledges and agrees that the City will not issue a Certificate of Occupancy until the IEPA has issued, and the City has approved, a Comprehensive Final NFR Letter for the Property, which approval shall not be unreasonably withheld. The City shall have the right to approve any changes or modifications to the ROR/RAP, which approval shall not be unreasonably withheld. If an Event of Default attributable to TRP's or CQAC's acts or omissions occurs, in no event shall the City be entitled to exercise remedies against Partnership. If an Event of Default attributable to Partnership's acts or omissions occurs, in no event shall the City be entitled to exercise remedies against TRP or CQAC.

15.03 **Curative Period.**

(a) In the event a Developer Party fails to perform a monetary covenant which it is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default will not be deemed to have occurred unless the applicable party has failed to perform such monetary covenant within 10 days of its receipt of a written notice from the City specifying that it has failed to perform such monetary covenant.

(b) In the event a Developer Party fails to perform a non-monetary covenant which it is required to perform under this Agreement, an Event of Default will not be deemed to have occurred unless the applicable party (or the non-defaulting Developer Party) has failed to cure such default within 30 days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such 30 day period, the applicable party will not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such 30 day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured; ; provided, further, that there shall be no cure period with respect to the filing of the Annual Compliance Report pursuant to Section 8.24 hereof.

15.04 **Right to Cure by the Limited Partner and/or Lender**. If a default occurs under this Agreement and as a result thereof, the City intends to exercise any right or remedy available to it that could result in termination of this Agreement and all related agreements, or the suspension, cancellation, reduction or reimbursement of City Funds disbursed hereunder, or any other remedy under this Agreement, the City shall prior to exercising such right or remedy, send notice of such intended exercise to the Limited Partner and Lenders, and the Limited Partner (including, without limitation, by exercise of management take over rights of the Owner under its partnership agreement) and Lenders shall have the right (but not the obligation) to cure such default as follows:

If the Limited Partner does not cause such monetary default to be cured within such 90-day time period set forth in the preceding sentence, then the Lenders may cure such monetary

default in the manner set forth in Section 15.04(c); and

(b) if a non-monetary default exists (except for a Personal Developer Default, as later defined), the Limited Partner may cause to be cured such non-monetary default within 90 days after the later of (and Lenders, except as provided in Section 15.04(h) below, and the City shall take no action during such 90 day period): (i) the expiration of the cure period, if any, granted under Section 15.03 to Developer with respect to such non-monetary default; or (ii) receipt by the Limited Partner and Lenders of notice of default from the City. If the Limited Partner does not cause such non-monetary default to be cured within such 90-day time period set forth in the preceding sentence, then a Lender may cure such monetary default in the manner set forth in Section 15.04(d); and

(c) if a monetary default exists, a Lender may cure such monetary default within 60 days after the later of (and the non-electing party and the City shall take no action during such 60-day period): (i) the expiration of the Limited Partner's 90-day cure period; or (ii) receipt by a Lender of notice from the City that the Limited Partner has failed to cure the default within the timeframe set forth in Section 15.04(a) above; provided however, to the extent the cure right set forth in this Section 15.04(c) is exercised by a Lender, the exercise of such cure right shall be first by the non-governmental Lender, if any, and secondly by any governmental Lender; and

(e)(1) If such non-monetary default would be an Event of Default set forth in Section 15.01(e), (f), (g), (i) or (j) hereof (each such default being a "Personal Developer Default"), the Limited Partner or Lenders (as applicable and in that strict order as more fully provided in this Section 15.04(e) below and not otherwise, the "Electing Party"), may provide written notice (the "Assumption Notice") to the City and the Limited Partner or Lenders (as applicable, the "Non-Electing Parties") within 30 days of receipt of notice from the City of such Personal Developer Default, as more fully provided in Section 15.04(e)(2) below. Such Assumption Notice, if and when delivered within said 30-day period, shall set forth how the Electing Party shall, in accordance with Section 15.04(e)(2) below, either cure or cause to be cured such Personal Developer Default by the assignment pursuant to Section 18.14 hereof of all of the Developer Parties' rights, obligations and interests in this Agreement to the Electing Party or any other party agreed to in writing by Lender and the City, which assumption shall be deemed to cure the Personal Developer Default.

(2) Upon receipt by the City and Lenders (as applicable) of an Assumption Notice from the Limited Partner or a Lender, as applicable, pursuant to subsection (e)(1) above, the cure period shall be extended for such reasonable period of time as may be necessary to complete such assignment and assumption of the Developer Parties' rights, obligations and interests in this Agreement (but in no event longer than 120 days without the written consent of the City and the non-assuming Lenders). If the Limited Partner or a Lender, as applicable, does

not (i) provide such Assumption Notice within the 30-day period specified in subsection (e)(1), or (ii) identify to the City and the Non-Electing Parties any other party (which may be an affiliate of the Limited Partner other than any of the Developer Parties) to assume the Developer Parties' rights, obligations and interests in this Agreement within 30 days from the date of the Assumption Notice, then such Lender shall have 30 days to cure such Personal Developer Default by the assignment, in accordance with the provisions of Section 18.14 hereof, of all of the Developer Parties' rights, obligations and interests in this Agreement to such Lender, or an affiliate thereof, or any other party agreed to in writing by the Lenders and the City.

(f) If such Personal Developer Default is not cured by the Limited Partner or any Lender within the timeframes set forth in Section 15.04(e), then the City shall have available all remedies set forth in this Agreement, including those in Sections 15.02.

(g) During all such times as a Personal Developer Default exists and remains uncured after the expiration of all cure periods, no payments of City Funds shall occur until such time as such Personal Developer Default is thereafter cured.

(h) The City agrees that at any time during which an Event of Default has occurred under the Lender Financing Documents, during the period that a Lender is diligently and continuously pursuing actions or remedies under the Lender Financing, with or without the Developer Parties, which are intended to cause substantial completion of the Project, and, as part of such actions or remedies, continues to fund or make advances to pay Project costs, the City shall likewise forbear from exercising its remedies under Section 15.02.

(i) Notwithstanding anything to the contrary contained in this Agreement, including, without limitation, the continuation of any cure periods under Section 15.03 and Section 15.04, in the event Lender initiates a foreclosure proceeding, or the Limited Partner and Lender provide a joint notice of discontinuance of actions or remedies intending to achieve substantial completion, the City may immediately commence to exercise any and all of the remedies specified in Section 15.02 above.

SECTION SIXTEEN: MORTGAGING OF THE PROJECT

16.01 **Mortgaging of the Project.** All mortgages or deeds of trust in place as of the date hereof with respect to the Property or any portion thereof are listed on Exhibit G (including but not limited to mortgages made prior to or on the date hereof in connection with Lender Financing) and are referred to herein as the "**Existing Mortgages**." Any mortgage or deed of trust that a Developer Party may hereafter elect to record or permit to be recorded against the Property or any portion thereof without obtaining the prior written consent of the City is referred to herein as a "**New Mortgage**." Any mortgage or deed of trust that a Developer Party may hereafter elect to record or permit to be recorded against the Property or any portion thereof with the prior written consent of the City is referred to herein as a **"Permitted Mortgage."** It is hereby agreed by and between the City and the Developer Parties as follows:

(a) If a mortgagee or any other party shall succeed to a Developer Party's interest in the Property or any portion thereof by the exercise of remedies under a mortgage or deed of trust (other than an Existing Mortgage or a Permitted Mortgage) whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of such Developer Party's interest hereunder in accordance with Section 18.14 hereof, the City may, but will not be obligated to, attorn to and recognize such party as the successor in interest to such Developer Party for all purposes under this Agreement and, unless so recognized by the City as the successor in interest, such party will be entitled to no rights or benefits under this Agreement, but such party will be bound by those provisions of this Agreement that are covenants expressly

running with the land specified in Section 7.02.

(b) If any mortgagee or any other party shall succeed to a Developer Party's interest in the Property or any portion thereof by the exercise of remedies under an Existing Mortgage or a Permitted Mortgage, whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of a Developer Party's interest hereunder in accordance with Section 18.14 hereof, then the City hereby agrees to attorn to and recognize such party as the successor in interest to such Developer Party for all purposes under this Agreement so long as such party accepts all of the executory obligations and liabilities of a "Developer Party" hereunder. Notwithstanding any other provision of this Agreement to the contrary, it is understood and agreed that if such party accepts an assignment of a Developer Party's interest under this Agreement, such party will have no liability under this Agreement for any Event of Default of such Developer Party which occurred prior to the time such party succeeded to the interest of such Developer Party under this Agreement, nor shall the City have the right to record a lien against or otherwise enforce any remedies hereunder against the Project, in which case such Developer Party will be solely responsible. However, if such mortgagee under a Permitted Mortgage or an Existing Mortgage does not expressly accept an assignment of such Developer Party's interest hereunder, such party will be entitled to no rights and benefits under this Agreement, and such party will be bound only by those provisions of this Agreement, if any, which are covenants expressly running with the land specified in Section 7.02.

(c) Prior to the issuance by the City to Developer Parties of a Certificate under Section 7 hereof, no New Mortgage will be executed with respect to the Property or the Project or any portion thereof without the prior written consent of the Commissioner of DPD. A feature of such consent will be that any New Mortgage will subordinate its mortgage lien to the covenants in favor of the City that run with the land. After the issuance of a Certificate, consent of the Commissioner of DPD is not required for any such New Mortgage.

_____ ___, 2014

City of Chicago
Department of Planning and Development
121 North LaSalle Street
Chicago, Illinois 60602

Ladies and Gentlemen:

We have acted as special counsel to Casa Queretaro LP, an Illinois limited partnership ("Partnership") and Casa Queretaro Apartments Corporation, NFP, an Illinois not-for-profit corporation and its sole general partner ("General Partner"), in connection with a loan of $_____ from the City of Chicago ("City") acting by and through its Department of Planning and Development, to the Partnership (the "Loan"). Proceeds of the Loan are to be used to help finance the acquisition, development, construction and permanent financing of Casa Queretaro Apartments, a low-income residential facility located at property commonly known as 614 South Damen Avenue, Chicago, Illinois, within the Western/Ogden Tax Increment Financing Redevelopment Project Area, consisting of one multi-family building containing a total of 45 residential units, and which is more particularly described on Schedule A attached hereto and made a part hereof (the "Property").

The Partnership and General Partner have requested that this opinion be furnished to the City. As such special counsel, we have examined and reviewed the following documents:

A. an executed original Note dated as of _____ 1, 2014 by the Partnership in favor of the City, in the principal amount of $_____, evidencing the Loan ("Note");

B. an executed original of the Housing Loan Agreement dated as of _____ 1, 2014 by and among the City and Partnership setting forth the terms and conditions of the Loan;

F. an executed original of the Assignment of Contracts and Documents dated as of _____ 1, 2014 made by the Partnership in favor of the City;

G. an executed original of the Escrow Agreement dated as of _____ 1, 2014 among the Partnership, the City, Citibank, N.A., Chicago Housing Authority, The Resurrection Project, an Illinois not-for-profit corporation ("TRP"), _____, and Greater Illinois Title Company;

H. an executed original of the Environmental Indemnity Agreement dated as of June 1, 2014 among the the General Partner, the Partnership, TRP, and the City;

I. a certain UCC-1 financing statement with respect to certain property described in the Mortgage (the "Financing Statement") and executed by the Partnership;

J. an executed original of the Casa Queretaro Rental Project Redevelopment Agreement dated as of _____ 1, 2014 among the Partnership, TRP, and the City (the "TIF RDA");

K. the original of the Amended and Restated Agreement of Limited Partnership dated as of _____ 1, 2014, in respect of the Partnership;

L. the Certificate of Limited Partnership in respect of the Partnership filed with the Secretary of State of the State of Illinois and the Certificate of Good Standing dated _____, 2014, issued by the Office of the Secretary of State of the State of Illinois as to the good standing of the Partnership;

M. the Articles of Incorporation, including all amendments thereto, of the General Partner, as furnished and certified by the Secretary of State of the State of Illinois;

N. the Bylaws of the General Partner, as certified by the General Partner as of _____ _____, 2014;

O. the Certificate of Good Standing dated _____, 2014, issued by the Office of the Secretary of State of the State of Illinois as to the good standing of the General Partner;

P. the Articles of Incorporation, Bylaws and Certificate of Good Standing dated _____, 2014, issued by the Office of the Secretary of State of the State of Illinois as to the good standing of TRP;

Q. Policy for Title Insurance No. _____ dated _____, 2014 (the "Title Policy"), issued by _____ as issuing agent for _____, in respect of the Property; and

R. such other records, documents, sources and matters of law as we have considered pertinent and necessary for us to examine in order to render this opinion.

The instruments referred to in subparagraphs (A) through (I) above are referred to herein collectively as the "Loan Documents." The instruments referred to in subparagraphs (A) through (J) above are referred to herein collectively as the "Financing Documents." The documents referred to in subparagraphs (K) through (P) above are referred to herein collectively as the "Organizational Documents." The documents referred to in subparagraphs (A) through (R) above are referred to herein collectively as the "Documents".

On the basis of the foregoing examination and review, we give you our opinion, as follows:

1. The Partnership is a limited partnership duly created and validly existing under the laws of the State of Illinois ("State"). The General Partner is an Illinois not-for-profit corporation duly created and validly existing under the laws of the State. The Partnership and General Partner have made all filings required by the laws of the State in respect of their formation and continuing existence, and have all requisite authority to carry on their businesses and to consummate the transactions set forth in each of the Financing Documents to which they are a party.

2. The Financing Documents have been duly authorized, executed and delivered by and on behalf of, and are within the partnership and company powers of, the Partnership and General Partner, as applicable. The Financing Documents constitute legal, valid and binding obligations of the Partnership and General Partner, to which they are a party and are enforceable in accordance with their respective terms.

3. To the best of our knowledge, after diligent inquiry, no litigation or proceeding by any governmental body, or by any other person, firm or corporation, is presently pending or

threatened against the Partnership and General Partner, or the Premises (as defined in the Mortgage) which, if determined adversely to the Partnership, General Partner, or the Premises (as defined in the Mortgage) would have a material adverse effect upon the financial condition of any of them or their ability to perform under the Financing Documents.

4. Based solely upon our review of the Title Policy, the property described in Schedule A of the Title Policy is not subject to any liens or encumbrances other than those matters described in Schedule B of the Title Policy and liens and encumbrances permitted pursuant to the Loan Documents (collectively, the "Permitted Exceptions"). We have no knowledge of any liens or encumbrances affecting the Partnership's title to the Property other than the Permitted Exceptions. Based solely upon our review of the Title Policy, the Mortgage creates, as security for the Note, a valid mortgage lien, subject to the Permitted Exceptions and such priority as may be reflected by the Title Policy.

5. To the best of our knowledge, after diligent inquiry, neither the Partnership nor General Partner is in default (a) with respect to any order, writ, injunction or decree of any court, government or regulatory authority, or (b) in any respect under any law, order, regulation or demand of any governmental agency or instrumentality, a default under which would have a material adverse effect on the Partnership or General Partner or their businesses, or (c) under any material contract, lease, agreement, instrument or commitment to which the Partnership or General Partner is a party or by which their respective properties are bound.

6. None of the transactions contemplated by the Loan Documents violate the usury laws of the State.

7. The transactions contemplated by the Loan Documents are governed by the laws of the State.

8. No action of, or filing with, any governmental or public body is required to authorize, or is otherwise required for the validity, execution, delivery and performance by the Partnership, General Partner of any of the material covenants and obligations set forth in the Financing Documents to which they are a party. The execution, delivery and performance of the Financing Documents will not conflict with or result in a breach of the Organizational Documents or, to the best of our knowledge after diligent inquiry, result in a breach or other violation of any of the terms, conditions or provisions of any law or regulation, order, writ, injunction or decree of any court, government or regulatory authority, or, to the best of our knowledge after diligent inquiry, any of the terms, conditions or provisions of any agreement, instrument or document to which the Partnership is a party or by which the Partnership or General Partner or their respective properties are bound.

9. The Mortgage, which was filed in the appropriate offices of the Cook County Recorder of Deeds (based solely on the copy of the Mortgage received from the title company with recording information on the first page), creates, as security for the Note, a valid perfected security interest in the fixtures described therein pursuant to the Illinois Uniform Commercial Code. Upon the filing of the Financing Statement in the appropriate offices of the State of Illinois, the Mortgage and the Financing Statement will create, as security for the Note, a valid perfected security interest in the personal property described therein pursuant to the Illinois Uniform Commercial Code. It is not necessary to file any other financing statements pursuant to the Illinois Uniform Commercial Code in order to perfect said security interest in such fixtures and personal property other than the Mortgage, the Financing Statement and continuation statements.

10. The TIF RDA, Regulatory Agreement and Assignment of Rents (based solely on the copies of each such document received from the title company with recording information on the first page thereof) each create a valid encumbrance of record on the Premises.

The foregoing opinions are subject to the following qualification and assumptions:

(i) Our opinions set forth above with respect to the enforceability of instruments are subject to applicable laws related to bankruptcy, insolvency, reorganization, fraudulent conveyance, avoidance, moratorium and other similar laws from time to time in effect affecting creditors' rights generally, whether now or hereafter in effect, and are subject to general principles of equity.

(ii) Our opinions set forth above with respect to the enforceability of particular remedies provided for in the instruments therein referred to are qualified in that said provisions are or may be unenforceable in whole or in part under the laws of the State, but the inclusion of such provisions does not affect the validity of any of such instruments and such instruments contain adequate provisions for enforcing payment of the Note, and for the practical realization of the principal benefits or security expressed in said instruments, namely, (a) judicial enforcement of the obligations of the Partnership as provided in the Loan Documents to pay principal on the Note together with interest thereon and other payments as provided in the Loan Documents (to the extent not deemed a penalty), and (b) enforcement pursuant to the Illinois Mortgage

Foreclosure Law of the lien on the Premises evidenced by the Mortgage.

(iii) Our opinions set forth above with respect to the enforceability of the instruments referred to therein are qualified in that we express no opinion as to the validity or enforceability of any provision which (a) provides for the payment of interest based on non-payment of interest otherwise due under said instrument, (b) provides that delays by the City will not operate as waivers, or (c) provides for payment by the Partnership of any loss or expenses the City may sustain as a result of non-payment of an obligation secured by the Loan Documents.

(iv) In rendering the foregoing opinions, we have assumed the authenticity of all signatures (other than those of the Partnership and General Partner) and all documents submitted to us as originals, the conformity to the originals of all documents submitted to us as copies and the due authorization, execution and delivery of each instrument referred to herein by all parties to such instruments other than the Partnership and General Partner.

(v) Except as specifically described in paragraphs 4, 9 and 10 hereof, no opinion is rendered with respect to the title of the Partnership to any of its property or the priority or perfection of the lien, security interest or other encumbrances created by the Loan Documents.

(vi) The opinions as to factual matters, if qualified by the phrase "to the best of our knowledge", "known to us" or similar phrases are based on the actual knowledge of those attorneys in our firm involved in providing professional services in connection with the project contemplated hereby as well as representations made by the Partnership and General Partner, as set forth in the Financing Documents, as the case may be, and are not based on any independent factual investigation other than the CT Corporation searches of the court records of the Circuit Court of Cook County, Illinois, and the United States District Court and Bankruptcy Court for the Northern

District of Illinois for Partnership and General Partner (copies of which have been previously provided to you). Nothing has come to our attention which would cause us to believe that said representations are untrue or inaccurate.

This opinion is limited to the matters expressly set forth herein, and no opinion is implied or may be inferred beyond the matters expressly set forth herein.

We are qualified to practice law in the State and we do not purport to be experts on, or to express any opinion herein concerning, any law other than the laws of the State and the federal laws of the United States of America and any matters relating to the securities laws of the United States of America, the State or any other state.

The opinions expressed above are intended solely for your use in the transactions described above and may not be reproduced, filed publicly or relied upon by any other persons for any purpose without the express written consent of the undersigned.

Very truly yours,

Applegate & Thorne-Thomsen, P.C.

In the ordinary course of business, Citigroup Inc. ("Citigroup") and its subsidiaries and affiliates are defendants or co-defendants in various litigation matters incidental to and typical of the broad range of businesses in which they are engaged. For example, typical actions in broker-dealer subsidiaries are civil suits, arbitration proceedings, and other matters related to activities occurring in the normal course of business as a broker and dealer in securities, as an underwriter of securities, as an investment banker or otherwise. From time to time Citigroup, and certain affiliated entities, are the subjects of inquiries and investigations conducted by federal or state regulatory agencies. Citigroup and its affiliated entities routinely cooperate with such investigations.

Citigroup is a public company, and as such files periodic and current reports with the U.S. Securities and Exchange Commission as required by the Securities Exchange Act of 1934 that include current descriptions of material regulatory proceedings, investigations and litigation.

Information on Citigroup's litigation (Note 25 – Contingencies), as filed via Form 10K for year-end December 31, 2013, and as updated via Form 10Q for the period ending June 30, 2014 is attached.

25. CONTINGENCIES

The following information supplements and amends, as applicable, the disclosures in Note 28 to the Consolidated Financial Statements of Citigroup's 2013 Annual Report on Form 10-K and Note 25 to the Consolidated Financial Statements of Citigroup's Quarterly Report on Form 10-Q for the quarterly period ended March 31, 2014. For purposes of this Note, Citigroup, its affiliates and subsidiaries, and current and former officers, directors and employees, are sometimes collectively referred to as Citigroup and Related Parties.

In accordance with ASC 450, Citigroup establishes accruals for contingencies, including the litigation and regulatory matters disclosed herein, when Citigroup believes it is probable that a loss has been incurred and the amount of the loss can be reasonably estimated. Once established, accruals are adjusted from time to time, as appropriate, in light of additional information. The amount of loss ultimately incurred in relation to those matters may be substantially higher or lower than the amounts accrued for those matters.

If Citigroup has not accrued for a matter because the matter does not meet the criteria for accrual (as set forth above), or Citigroup believes an exposure to loss exists in excess of the amount accrued for a particular matter, in each case assuming a material loss is reasonably possible, Citigroup discloses the matter. In addition, for such matters, Citigroup discloses an estimate of the aggregate reasonably possible loss or range of loss in excess of the amounts accrued for those matters as to which an estimate can be made. At June 30, 2014, Citigroup's estimate was materially unchanged from its estimate of approximately $5 billion at December 31, 2013, as more fully described in Note 28 to the Consolidated Financial Statements in the 2013 Annual Report on Form 10-K.

As available information changes, the matters for which Citigroup is able to estimate will change, and the estimates themselves will change. In addition, while many estimates presented in financial statements and other financial disclosure involve significant judgment and may be subject to significant uncertainty, estimates of the range of reasonably possible loss arising from litigation and regulatory proceedings are subject to particular uncertainties. For example, at the time of making an estimate, Citigroup may have only preliminary, incomplete or inaccurate information about the facts underlying the claim; its assumptions about the future rulings of the court or other tribunal on significant issues, or the behavior and incentives of adverse parties or regulators, may prove to be wrong; and the outcomes it is attempting to predict are often not amenable to the use of statistical or other quantitative analytical tools. In addition, from time to time an outcome may occur that Citigroup had not accounted for in its estimates because it had deemed such an outcome to be remote. For all these reasons, the amount of loss in excess of accruals ultimately incurred for the matters as to which an estimate has been made could be substantially higher or lower than the range of loss included in the estimate.

Subject to the foregoing, it is the opinion of Citigroup's management, based on current knowledge and after taking into account its current legal accruals, that the eventual outcome of all matters described in this Note would not be likely to have a material adverse effect on the consolidated financial condition of Citigroup. Nonetheless, given the substantial or indeterminate amounts sought in certain of these matters, and the inherent unpredictability of such matters, an adverse outcome in certain of these matters could, from time to time, have a material adverse effect on Citigroup's consolidated results of operations or cash flows in particular quarterly or annual periods.

For further information on ASC 450 and Citigroup's accounting and disclosure framework for contingencies, including for litigation and regulatory matters disclosed herein, see Note 28 to the Consolidated Financial Statements of Citigroup's 2013 Annual Report on Form 10-K.

Commodities Financing Contracts

Beginning in May 2014, Citigroup became aware of reports of potential fraud relating to the financing of physical metal stored at the Qingdao and Penglai ports in China. Citigroup has contracts with a counterparty in relation to Citigroup's providing financing collateralized by physical metal stored at these ports. On July 22, 2014, Citigroup commenced proceedings in the Commercial Court in London to enforce its rights against that counterparty under the relevant agreements in relation to approximately $285 million in financing. That counterparty and a Chinese warehouse provider previously brought actions in the English courts to establish the parties' rights and obligations under these agreements.

Credit Crisis-Related Litigation and Other Matters

Mortgage-Related Litigation and Other Matters

Regulatory Actions: On June 4, 2014, the United States Court of Appeals for the Second Circuit issued an opinion and order reversing the district court's order in UNITED STATES SECURITIES & EXCHANGE COMMISSION v. CITIGROUP GLOBAL MARKETS INC. refusing to approve Citigroup's proposed settlement with the U.S. Securities and Exchange Commission (SEC). The action has been remanded for further proceedings consistent with the Second Circuit's decision. Additional information relating to this action is publicly available in court filings under the docket numbers 11 Civ. 7387 (S.D.N.Y.) (Rakoff, J.) and 11-5227 (2d Cir.).

As of July 30, 2014, the SEC had advised Citigroup that it had concluded its investigation of Citigroup's mortgage-backed securities (MBS) practices and did not intend to recommend an enforcement action.

As previously disclosed, on July 14, 2014, Citigroup reached a settlement of an investigation by the Residential Mortgage-Backed Securities Working Group. The settlement resolved actual and potential civil claims by the Department of Justice, several state attorneys general, and the Federal Deposit Insurance Corporation (FDIC) relating to MBS and collateralized debt obligations (CDOs) issued, structured, or underwritten by Citigroup between 2003 and 2008. The settlement included a $4.0 billion civil monetary payment to the Department of Justice, $500 million in payments to certain state attorneys general and the FDIC, and $2.5 billion in consumer relief (to be provided by the end of 2018). The consumer relief will be in the form of financing provided for

the construction and preservation of affordable multifamily rental housing, principal reduction and forbearance for residential loans, as well as other direct consumer benefits from various relief programs.

Mortgage-Backed Securities and CDO Investor Actions: Certain of the actions brought by purchasers of MBS sponsored, underwritten, or sold by Citigroup have been resolved through settlement and dismissed with prejudice. Additional information relating to these actions is publicly available in court filings under the docket numbers 11 Civ. 2890 (S.D.N.Y.) (Daniels, J.), 653100/2012 (N.Y. Sup. Ct.) (Friedman, J.), and 11 Civ. 10952 (D. Mass) (O'Toole, J.).

As of June 30, 2014, the aggregate original purchase amount of the purchases at issue in the pending MBS and CDO investor suits was approximately $7.1 billion, and the aggregate original purchase amount of the purchases covered by tolling agreements with MBS and CDO investors threatening litigation was approximately $1.4 billion.

On May 20, 2014, Commerzbank A.G. London Branch filed a complaint in COMMERZBANK A.G. LONDON BRANCH v. UBS AG, ET AL., alleging fraud and other claims in connection with various financial institutions', including Citigroup's, issuance and underwriting of MBS. Additional information relating to this action is publicly available in court filings under the docket number 654464/2013 (N.Y. Sup. Ct.) (Friedman, J.).

Mortgage-Backed Security Repurchase Claims: The deadline for trustees to accept or reject Citigroup's April 7, 2014 offer of settlement to resolve representation and warranty repurchase claims related to certain legacy securitizations initially was extended to August 14, 2014. Citigroup subsequently agreed to further extend that deadline to October 31, 2014.

Mortgage-Backed Securities Trustee Actions: On June 18, 2014, a group of investors in 48 MBS trusts for which Citibank, N.A. served or currently serves as trustee filed a complaint in New York Supreme Court in BLACKROCK ALLOCATION TARGET SHARES: SERIES S. PORTFOLIO, ET AL. v. CITIBANK, N.A. The complaint, like those filed against other MBS trustees, alleges that Citibank, N.A. failed to pursue contractual remedies against loan originators, securitization sponsors, and servicers. The securitizations at issue were sponsored by American Home Mortgage, BNC, Countryplace, First Franklin, Goldman Sachs, Lehman Brothers, Merrill Lynch, PHH Mortgage, Wachovia and Washington Mutual. Additional information concerning this action is publicly available in court filings under the docket number 651868/2014 (N.Y. Sup. Ct.) (Friedman, J.). On June 27, 2014, a separate group of MBS investors filed a summons with notice in FEDERAL HOME LOAN BANK OF TOPEKA, ET AL. v. CITIBANK, N.A. The summons with notice alleges that Citibank, N.A., as trustee for an unspecified number of MBS, failed to pursue remedies on behalf of the securitization trusts. Additional information concerning this action is publicly available in court filings under the docket number 651973/2014 (N.Y. Sup. Ct.).

Counterparty and Investor Actions

On June 18, 2014, Abu Dhabi Investment Authority (ADIA) filed a petition for a writ of certiorari in the United States Supreme Court seeking review of the Second Circuit's affirmance of the District Court's confirmation of the arbitration award in favor of Citigroup. The petition is pending. Additional information concerning this action is publicly available in court filings under the docket numbers 12 Civ. 283 (S.D.N.Y.) (Daniels, J.), 13-1068-cv (2d Cir.) and No. 13-1500 (U.S.).

KIKOs

As of June 30, 2014, there were 103 civil lawsuits filed by small and medium sized export businesses against Citibank Korea Inc. (CKI). To date, 96 decisions have been rendered at the district court level, and CKI has prevailed in 76 of those decisions. In the other 20 decisions, plaintiffs were awarded only a portion of the damages sought. The damage awards total in the aggregate approximately $38.7 million. CKI is appealing the 20 adverse decisions. A significant number of plaintiffs that had decisions rendered against them are also filing appeals, including plaintiffs that were awarded less than all of the damages they sought.

Of the 96 cases decided at the district court level, 65 have been appealed to the high court, including the 20 in which an adverse decision was rendered against CKI in the district court. Of the 62 appeals decided or settled at high court level, CKI prevailed in 45 cases, and in the other 17 cases plaintiffs were awarded partial damages. As a result, the aggregate damages awarded against CKI decreased by approximately $10.5 million. CKI is appealing nine of the adverse decisions to the Korean Supreme Court and many plaintiffs have filed appeals to the Supreme Court as well.

As of June 30, 2014, the Supreme Court has rendered 24 judgments relating to CKI. CKI prevailed in 21 cases. The Supreme Court confirmed lower court judgments in which plaintiffs were awarded partial damages in three cases. As a result, the aggregate damages awarded against CKI decreased by approximately $0.3 million.

After taking into account all decisions rendered through June 30, 2014 at the district court, high court, or Supreme Court levels, the damages awarded against CKI currently total in the aggregate approximately $27.9 million.

"Lobbyist" means any person or entity who undertakes to influence any legislative or administrative action on behalf of any person or entity other than: (1) a not-for-profit entity, on an unpaid basis, or (2) himself. "Lobbyist" also means any person or entity any part of whose duties as an employee of another includes undertaking to influence any legislative or administrative action.

If the Disclosing Party is uncertain whether a disclosure is required under this Section, the Disclosing Party must either ask the City whether disclosure is required or make the disclosure.

In the ordinary course of business, Citigroup Inc. ("Citigroup") and its subsidiaries and affiliates are defendants or co-defendants in various litigation matters incidental to and typical of the broad range of businesses in which they are engaged. For example, typical actions in broker-dealer subsidiaries are civil suits, arbitration proceedings, and other matters related to activities occurring in the normal course of business as a broker and dealer in securities, as an underwriter of securities, as an investment banker or otherwise. From time to time Citigroup, and certain affiliated entities, are the subjects of inquiries and investigations conducted by federal or state regulatory agencies. Citigroup and its affiliated entities routinely cooperate with such investigations.

Citigroup is a public company, and as such files periodic and current reports with the U.S. Securities and Exchange Commission as required by the Securities Exchange Act of 1934 that include current descriptions of material regulatory proceedings, investigations and litigation.

Information on Citigroup's litigation (Note 25 – Contingencies), as filed via Form 10K for year-end December 31, 2013, and as updated via Form 10Q for the period ending June 30, 2014 is attached.

25. CONTINGENCIES

The following information supplements and amends, as applicable, the disclosures in Note 28 to the Consolidated Financial Statements of Citigroup's 2013 Annual Report on Form 10-K and Note 25 to the Consolidated Financial Statements of Citigroup's Quarterly Report on Form 10-Q for the quarterly period ended March 31, 2014. For purposes of this Note, Citigroup, its affiliates and subsidiaries, and current and former officers, directors and employees, are sometimes collectively referred to as Citigroup and Related Parties.

In accordance with ASC 450, Citigroup establishes accruals for contingencies, including the litigation and regulatory matters disclosed herein, when Citigroup believes it is probable that a loss has been incurred and the amount of the loss can be reasonably estimated. Once established, accruals are adjusted from time to time, as appropriate, in light of additional information. The amount of loss ultimately incurred in relation to those matters may be substantially higher or lower than the amounts accrued for those matters.

If Citigroup has not accrued for a matter because the matter does not meet the criteria for accrual (as set forth above), or Citigroup believes an exposure to loss exists in excess of the amount accrued for a particular matter, in each case assuming a material loss is reasonably possible, Citigroup discloses the matter. In addition, for such matters, Citigroup discloses an estimate of the aggregate reasonably possible loss or range of loss in excess of the amounts accrued for those matters as to which an estimate can be made. At June 30, 2014, Citigroup's estimate was materially unchanged from its estimate of approximately $5 billion at December 31, 2013, as more fully described in Note 28 to the Consolidated Financial Statements in the 2013 Annual Report on Form 10-K.

As available information changes, the matters for which Citigroup is able to estimate will change, and the estimates themselves will change. In addition, while many estimates presented in financial statements and other financial disclosure involve significant judgment and may be subject to significant uncertainty, estimates of the range of reasonably possible loss arising from litigation and regulatory proceedings are subject to particular uncertainties. For example, at the time of making an estimate, Citigroup may have only preliminary, incomplete or inaccurate information about the facts underlying the claim; its assumptions about the future rulings of the court or other tribunal on significant issues, or the behavior and incentives of adverse parties or regulators, may prove to be wrong; and the outcomes it is attempting to predict are often not amenable to the use of statistical or other quantitative analytical tools. In addition, from time to time an outcome may occur that Citigroup had not accounted for in its estimates because it had deemed such an outcome to be remote. For all these reasons, the amount of loss in excess of accruals ultimately incurred for the matters as to which an estimate has been made could be substantially higher or lower than the range of loss included in the estimate.

Subject to the foregoing, it is the opinion of Citigroup's management, based on current knowledge and after taking into account its current legal accruals, that the eventual outcome of all matters described in this Note would not be likely to have a material adverse effect on the consolidated financial condition of Citigroup. Nonetheless, given the substantial or indeterminate amounts sought in certain of these matters, and the inherent unpredictability of such matters, an adverse outcome in certain of these matters could, from time to time, have a material adverse effect on Citigroup's consolidated results of operations or cash flows in particular quarterly or annual periods.

For further information on ASC 450 and Citigroup's accounting and disclosure framework for contingencies, including for litigation and regulatory matters disclosed herein, see Note 28 to the Consolidated Financial Statements of Citigroup's 2013 Annual Report on Form 10-K.

Commodities Financing Contracts

Beginning in May 2014, Citigroup became aware of reports of potential fraud relating to the financing of physical metal stored at the Qingdao and Penglai ports in China. Citigroup has contracts with a counterparty in relation to Citigroup's providing financing collateralized by physical metal stored at these ports. On July 22, 2014, Citigroup commenced proceedings in the Commercial Court in London to enforce its rights against that counterparty under the relevant agreements in relation to approximately $285 million in financing. That counterparty and a Chinese warehouse provider previously brought actions in the English courts to establish the parties' rights and obligations under these agreements.

Credit Crisis-Related Litigation and Other Matters

Mortgage-Related Litigation and Other Matters

Regulatory Actions: On June 4, 2014, the United States Court of Appeals for the Second Circuit issued an opinion and order reversing the district court's order in UNITED STATES SECURITIES & EXCHANGE COMMISSION v. CITIGROUP GLOBAL MARKETS INC. refusing to approve Citigroup's proposed settlement with the U.S. Securities and Exchange Commission (SEC). The action has been remanded for further proceedings consistent with the Second Circuit's decision. Additional information relating to this action is publicly available in court filings under the docket numbers 11 Civ. 7387 (S.D.N.Y.) (Rakoff, J.) and 11-5227 (2d Cir.).

As previously disclosed, on July 14, 2014, Citigroup reached a settlement of an investigation by the Residential Mortgage-Backed Securities Working Group. The settlement resolved actual and potential civil claims by the Department of Justice, several state attorneys general, and the Federal Deposit Insurance Corporation (FDIC) relating to MBS and collateralized debt obligations (CDOs) issued, structured, or underwritten by Citigroup between 2003 and 2008. The settlement included a $4.0 billion civil monetary payment to the Department of Justice, $500 million in payments to certain state attorneys general and the FDIC, and $2.5 billion in consumer relief (to be provided by the end of 2018). The consumer relief will be in the form of financing provided for

the construction and preservation of affordable multifamily rental housing, principal reduction and forbearance for residential loans, as well as other direct consumer benefits from various relief programs.

ATTACHMENT B FURTHER CERTIFICATION

In the ordinary course of business, Citigroup Inc. ("Citigroup") and its subsidiaries and affiliates are defendants or co-defendants in various litigation matters incidental to and typical of the broad range of businesses in which they are engaged. For example, typical actions in broker-dealer subsidiaries are civil suits, arbitration proceedings, and other matters related to activities occurring in the normal course of business as a broker and dealer in securities, as an underwriter of securities, as an investment banker or otherwise. From time to time Citigroup, and certain affiliated entities, are the subjects of inquiries and investigations conducted by federal or state regulatory agencies. Citigroup and its affiliated entities routinely cooperate with such investigations.

Citigroup is a public company, and as such files periodic and current reports with the U.S. Securities and Exchange Commission as required by the Securities Exchange Act of 1934 that include current descriptions of material regulatory proceedings, investigations and litigation.

Information on Citigroup's litigation (Note 25 – Contingencies), as filed via Form 10K for year-end December 31, 2013, and as updated via Form 10Q for the period ending June 30, 2014 is attached.

25. CONTINGENCIES

The following information supplements and amends, as applicable, the disclosures in Note 28 to the Consolidated Financial Statements of Citigroup's 2013 Annual Report on Form 10-K and Note 25 to the Consolidated Financial Statements of Citigroup's Quarterly Report on Form 10-Q for the quarterly period ended March 31, 2014. For purposes of this Note, Citigroup, its affiliates and subsidiaries, and current and former officers, directors and employees, are sometimes collectively referred to as Citigroup and Related Parties.

In accordance with ASC 450, Citigroup establishes accruals for contingencies, including the litigation and regulatory matters disclosed herein, when Citigroup believes it is probable that a loss has been incurred and the amount of the loss can be reasonably estimated. Once established, accruals are adjusted from time to time, as appropriate, in light of additional information. The amount of loss ultimately incurred in relation to those matters may be substantially higher or lower than the amounts accrued for those matters.

If Citigroup has not accrued for a matter because the matter does not meet the criteria for accrual (as set forth above), or Citigroup believes an exposure to loss exists in excess of the amount accrued for a particular matter, in each case assuming a material loss is reasonably possible, Citigroup discloses the matter. In addition, for such matters, Citigroup discloses an estimate of the aggregate reasonably possible loss or range of loss in excess of the amounts accrued for those matters as to which an estimate can be made. At June 30, 2014, Citigroup's estimate was materially unchanged from its estimate of approximately $5 billion at December 31, 2013, as more fully described in Note 28 to the Consolidated Financial Statements in the 2013 Annual Report on Form 10-K.

As available information changes, the matters for which Citigroup is able to estimate will change, and the estimates themselves will change. In addition, while many estimates presented in financial statements and other financial disclosure involve significant judgment and may be subject to significant uncertainty, estimates of the range of reasonably possible loss arising from litigation and regulatory proceedings are subject to particular uncertainties. For example, at the time of making an estimate, Citigroup may have only preliminary, incomplete or inaccurate information about the facts underlying the claim; its assumptions about the future rulings of the court or other tribunal on significant issues, or the behavior and incentives of adverse parties or regulators, may prove to be wrong; and the outcomes it is attempting to predict are often not amenable to the use of statistical or other quantitative analytical tools. In addition, from time to time an outcome may occur that Citigroup had not accounted for in its estimates because it had deemed such an outcome to be remote. For all these reasons, the amount of loss in excess of accruals ultimately incurred for the matters as to which an estimate has been made could be substantially higher or lower than the range of loss included in the estimate.

Subject to the foregoing, it is the opinion of Citigroup's management, based on current knowledge and after taking into account its current legal accruals, that the eventual outcome of all matters described in this Note would not be likely to have a material adverse effect on the consolidated financial condition of Citigroup. Nonetheless, given the substantial or indeterminate amounts sought in certain of these matters, and the inherent unpredictability of such matters, an adverse outcome in certain of these matters could, from time to time, have a material adverse effect on Citigroup's consolidated results of operations or cash flows in particular quarterly or annual periods.

For further information on ASC 450 and Citigroup's accounting and disclosure framework for contingencies, including for litigation and regulatory matters disclosed herein, see Note 28 to the Consolidated Financial Statements of Citigroup's 2013 Annual Report on Form 10-K.

Commodities Financing Contracts

Beginning in May 2014, Citigroup became aware of reports of potential fraud relating to the financing of physical metal stored at the Qingdao and Penglai ports in China. Citigroup has contracts with a counterparty in relation to Citigroup's providing financing collateralized by physical metal stored at these ports. On July 22, 2014, Citigroup commenced proceedings in the Commercial Court in London to enforce its rights against that counterparty under the relevant agreements in relation to approximately $285 million in financing. That counterparty and a Chinese warehouse provider previously brought actions in the English courts to establish the parties' rights and obligations under these agreements.

Credit Crisis-Related Litigation and Other Matters

Mortgage-Related Litigation and Other Matters

Regulatory Actions: On June 4, 2014, the United States Court of Appeals for the Second Circuit issued an opinion and order reversing the district court's order in UNITED STATES SECURITIES & EXCHANGE COMMISSION v. CITIGROUP GLOBAL MARKETS INC. refusing to approve Citigroup's proposed settlement with the U.S. Securities and Exchange Commission (SEC). The action has been remanded for further proceedings consistent with the Second Circuit's decision. Additional information relating to this action is publicly available in court filings under the docket numbers 11 Civ. 7387 (S.D.N.Y.) (Rakoff, J.) and 11-5227 (2d Cir.).

As of July 30, 2014, the SEC had advised Citigroup that it had concluded its investigation of Citigroup's mortgage-backed securities (MBS) practices and did not intend to recommend an enforcement action.

As previously disclosed, on July 14, 2014, Citigroup reached a settlement of an investigation by the Residential Mortgage-Backed Securities Working Group. The settlement resolved actual and potential civil claims by the Department of Justice, several state attorneys general, and the Federal Deposit Insurance Corporation (FDIC) relating to MBS and collateralized debt obligations (CDOs) issued, structured, or underwritten by Citigroup between 2003 and 2008. The settlement included a $4.0 billion civil monetary payment to the Department of Justice, $500 million in payments to certain state attorneys general and the FDIC, and $2.5 billion in consumer relief (to be provided by the end of 2018). The consumer relief will be in the form of financing provided for

the construction and preservation of affordable multifamily rental housing, principal reduction and forbearance for residential loans, as well as other direct consumer benefits from various relief programs.

Mortgage-Backed Securities and CDO Investor Actions: Certain of the actions brought by purchasers of MBS sponsored, underwritten, or sold by Citigroup have been resolved through settlement and dismissed with prejudice. Additional information relating to these actions is publicly available in court filings under the docket numbers 11 Civ. 2890 (S.D.N.Y.) (Daniels, J.), 653100/2012 (N.Y. Sup. Ct.) (Friedman, J.), and 11 Civ. 10952 (D. Mass) (O'Toole, J.).

As of June 30, 2014, the aggregate original purchase amount of the purchases at issue in the pending MBS and CDO investor suits was approximately $7.1 billion, and the aggregate original purchase amount of the purchases covered by tolling agreements with MBS and CDO investors threatening litigation was approximately $1.4 billion.

On May 20, 2014, Commerzbank A.G. London Branch filed a complaint in COMMERZBANK A.G. LONDON BRANCH v. UBS AG, ET AL., alleging fraud and other claims in connection with various financial institutions', including Citigroup's, issuance and underwriting of MBS. Additional information relating to this action is publicly available in court filings under the docket number 654464/2013 (N.Y. Sup. Ct.) (Friedman, J.).

Mortgage-Backed Security Repurchase Claims: The deadline for trustees to accept or reject Citigroup's April 7, 2014 offer of settlement to resolve representation and warranty repurchase claims related to certain legacy securitizations initially was extended to August 14, 2014. Citigroup subsequently agreed to further extend that deadline to October 31, 2014.

Mortgage-Backed Securities Trustee Actions: On June 18, 2014, a group of investors in 48 MBS trusts for which Citibank, N.A. served or currently serves as trustee filed a complaint in New York Supreme Court in BLACKROCK ALLOCATION TARGET SHARES: SERIES S. PORTFOLIO, ET AL. v. CITIBANK, N.A. The complaint, like those filed against other MBS trustees, alleges that Citibank, N.A. failed to pursue contractual remedies against loan originators, securitization sponsors, and servicers. The securitizations at issue were sponsored by American Home Mortgage, BNC, Countryplace, First Franklin, Goldman Sachs, Lehman Brothers, Merrill Lynch, PHH Mortgage, Wachovia and Washington Mutual. Additional information concerning this action is publicly available in court filings under the docket number 651868/2014 (N.Y. Sup. Ct.) (Friedman, J.). On June 27, 2014, a separate group of MBS investors filed a summons with notice in FEDERAL HOME LOAN BANK OF TOPEKA, ET AL. v. CITIBANK, N.A. The summons with notice alleges that Citibank, N.A., as trustee for an unspecified number of MBS, failed to pursue remedies on behalf of the securitization trusts. Additional information concerning this action is publicly available in court filings under the docket number 651973/2014 (N.Y. Sup. Ct.).

Counterparty and Investor Actions

On June 18, 2014, Abu Dhabi Investment Authority (ADIA) filed a petition for a writ of certiorari in the United States Supreme Court seeking review of the Second Circuit's affirmance of the District Court's confirmation of the arbitration award in favor of Citigroup. The petition is pending. Additional information concerning this action is publicly available in court filings under the docket numbers 12 Civ. 283 (S.D.N.Y.) (Daniels, J.), 13-1068-cv (2d Cir.) and No. 13-1500 (U.S.).

KIKOs

As of June 30, 2014, there were 103 civil lawsuits filed by small and medium sized export businesses against Citibank Korea Inc. (CKI). To date, 96 decisions have been rendered at the district court level, and CKI has prevailed in 76 of those decisions. In the other 20 decisions, plaintiffs were awarded only a portion of the damages sought. The damage awards total in the aggregate approximately $38.7 million. CKI is appealing the 20 adverse decisions. A significant number of plaintiffs that had decisions rendered against them are also filing appeals, including plaintiffs that were awarded less than all of the damages they sought.

Of the 96 cases decided at the district court level, 65 have been appealed to the high court, including the 20 in which an adverse decision was rendered against CKI in the district court. Of the 62 appeals decided or settled at high court level, CKI prevailed in 45 cases, and in the other 17 cases plaintiffs were awarded partial damages. As a result, the aggregate damages awarded against CKI decreased by approximately $10.5 million. CKI is appealing nine of the adverse decisions to the Korean Supreme Court and many plaintiffs have filed appeals to the Supreme Court as well.

As of June 30, 2014, the Supreme Court has rendered 24 judgments relating to CKI. CKI prevailed in 21 cases. The Supreme Court confirmed lower court judgments in which plaintiffs were awarded partial damages in three cases. As a result, the aggregate damages awarded against CKI decreased by approximately $0.3 million.

After taking into account all decisions rendered through June 30, 2014 at the district court, high court, or Supreme Court levels, the damages awarded against CKI currently total in the aggregate approximately $27.9 million.

C. City Council Authority: To induce redevelopment pursuant to the Act, the City Council of the City (the "City Council") adopted the following ordinances on May 17, 2000: (1) "An Ordinance of the City of Chicago, Illinois Approving a Redevelopment Plan for the Midwest Redevelopment Project Area" (the "Plan Adoption Ordinance") as amended pursuant to an ordinance adopted on April 14, 2010, and as subsequently amended pursuant to an ordinance adopted on May 9, 2012,

and as may be amended in the future by the City; (2) "An Ordinance of the City of Chicago, Illinois Designating the Midwest Redevelopment Project Area as a Redevelopment Project Area Pursuant to the Tax Increment Allocation Redevelopment Act"; and (3) "An Ordinance of the City of Chicago, Illinois Adopting Tax Increment Allocation Financing for the Midwest Redevelopment Project Area" (the "TIF Adoption Ordinance") (items(1)-(3) collectively referred to herein as the "TIF Ordinances"). The redevelopment project area referred to above (the "Redevelopment Area") is legally described in Exhibit A-1 hereto.

To induce redevelopment pursuant to the Act, the City Council adopted the following ordinances on February 5, 1998: (1) "An Ordinance of the City of Chicago, Illinois Approving a Tax Increment Redevelopment Plan for the Western/Ogden Redevelopment Project Area;" (2) "An Ordinance of the City of Chicago, Illinois Designating the Western/Ogden Redevelopment Project Area as a Tax Increment Financing District;" and (3) "An Ordinance of the City of Chicago, Illinois Adopting Tax Increment Allocation Financing for the Western/Ogden Redevelopment Project Area" (the "Western/Ogden TIF Adoption Ordinance") (items (1)-(3) collectively referred to herein as the "Western/Ogden TIF Ordinances," the redevelopment plan approved by the Western/Ogden TIF Ordinances is referred to herein as the "Western/Ogden Redevelopment Plan" and the redevelopment project area created by the Western/Ogden TIF Ordinances is referred to herein as the "Western/Ogden Redevelopment Area") and is legally described in Exhibit A-2 hereto.

SECTION 3. THE PROJECT

3.01 The Project. With respect to the Facility, Developer shall, pursuant to the Plans and Specifications and subject to the provisions of Section 18.17 hereof, complete construction and conduct business operations therein no later than December 31, 2023, which may be extended pursuant to DPD's sole discretion and under other stated limitations stated herein.

3.02 Scope Drawings and Plans and Specifications. Developer has delivered the Scope Drawings and Plans and Specifications to DPD and DPD has approved same. After such initial approval, subsequent proposed changes to the Scope Drawings or Plans and Specifications shall be submitted to DPD as a Change Order pursuant to Section 3.04 hereof. The Scope Drawings and Plans and Specifications shall at all times conform to the Redevelopment Plan, and all applicable federal, state and local laws, ordinances and regulations. Developer shall submit all necessary documents to the City's Building Department, Department of Transportation and such other City departments or governmental authorities as may be necessary to acquire building permits and other required approvals for the Project.

3.03 Project Budget and Milestone Budget. Developer has furnished to DPD, and DPD has approved, a Project Budget showing total costs for the Project in an amount not less than One Hundred Million Dollars ($100,000,000), as set forth in Exhibit H-1 hereto. The Developer hereby certifies to the City that prior to commencing a Milestone, the Developer shall have Lender Financing and/or Equity in an amount sufficient to pay for all Project costs for such Milestone. The Developer shall submit a Milestone Budget to DPD as soon as it is available and will obtain DPD's approval of such Milestone Budget prior to commencing the Milestone work to be completed thereunder. The Developer shall promptly deliver to DPD certified copies of any Change Orders with respect to a Milestone Budget for approval pursuant to Section 3.04 hereof.

3.04 Change Orders. Except as provided below in this Section 3.04, all Change Orders (and documentation substantiating the need and identifying the source of funding therefor) relating to changes to a Milestone or the Project must be submitted by Developer to DPD concurrently with the progress reports described in Section 3.07 hereof; provided, that any Change Order relating to any of the following must be submitted by Developer to DPD for DPD's prior written approval: (a) a reduction in the gross or net square footage of Facility by five percent (5%) or more (either individually or cumulatively); excluding however, reduction in square footage resulting from the demolition of facilities resulting from the demolition of facilities included as part of the Project or pursuant to the CHA Land Transfer Agreement (as defined hereinafter); (b) a change in the use of the Project to a use other than as described in Recital D to this Agreement; (c) a delay in the completion of a Milestone of the Project by six (6) months or more; or (d) Change Orders resulting in an aggregate increase to a Milestone Budget of ten percent (10%) or more. Developer shall not authorize or permit the performance of any work relating to any Change Order described in the preceding clauses (a) through (d) or the furnishing of materials in connection therewith prior to the receipt by Developer of DPD's written approval (to the extent said City prior approval is required pursuant to the terms of this Agreement). The Construction Contract, and each contract between the General Contractor or Developer and any subcontractor, shall contain a provision to this effect. An approved Change Order shall not be deemed to imply any obligation on the part of the City to increase the amount of City Funds which the City has pledged pursuant to this Agreement or provide any other additional assistance to Developer. Notwithstanding anything to the contrary in this Section 3.04, Change Orders other than those set forth above do not require DPD's prior written approval as set forth in this Section 3.04; but DPD shall be notified in writing of all such Change

Orders within 10 business days after the execution of such Change Order and the Developer, in connection with such notice, shall identify to DPD the source of funding therefor.

3.05 DPD Approval. Any approval granted by DPD of the Scope Drawings, Plans and Specifications and the Change Orders is for the purposes of this Agreement only and does not affect or constitute any approval required by any other City department or pursuant to any City ordinance, code, regulation or any other governmental approval, nor does any approval by DPD pursuant to this Agreement constitute approval of the quality, structural soundness or safety of the Property or the Project.

3.06 Other Approvals. Any DPD approval under this Agreement shall have no effect upon, nor shall it operate as a waiver of, the Developer's obligations to comply with the provisions of Section 5.03 (Other Governmental Approvals) hereof. The Developer shall not commence construction of the Project until Developer has obtained all necessary permits and approvals (including but not limited to DPD's approval of the Scope Drawings and Plans and Specifications) and proof of the General Contractor's and each subcontractor's bonding as and when required hereunder.

3.07 Progress Reports and Survey Updates. Developer shall provide DPD with written quarterly construction progress reports detailing the status of the Project, including a revised completion date, if necessary (with any change in completion date being considered a Change Order, requiring DPD's written approval pursuant to Section 3.04). Developer shall provide three (3) copies of an updated Survey to DPD upon the request of DPD or any Lender providing Lender Financing, reflecting improvements made to the Property.

3.08 Intentionally Omitted.

3.09 Barricades. Prior to commencing any construction requiring barricades, Developer shall install a construction barricade of a type and appearance satisfactory to the City and constructed in compliance with all applicable Laws. DPD retains the right to approve the maintenance, appearance, color scheme, painting, nature, type, content and design of all barricades.

3.10 Signs and Public Relations. Developer shall erect a sign of size and style approved by the City in a conspicuous location on the Property during the Project, indicating that financing has been provided by the City. The City reserves the right to include the name, photograph, artistic rendering of the Project and other pertinent information regarding Developer, the Property and the Project in the City's promotional literature and communications.

SECTION 4. FINANCING

4.01 Total Project Cost and Sources of Funds. The cost of the Project is estimated to be $100,000,000, to be applied in the manner set forth in the Project Budget. Such costs shall be funded from the following sources:

Equity (subject to Sections 4.03(b) and 4.06)

- State of Illinois Grants	$10,500,000
- TIF Bridge Funds (Capital from Operations)	$31,000,000
- Philanthropy	$24,000,000

- Capital from Operations	$34,500,000
ESTIMATED TOTAL	$100,000,000

4.02 Developer Funds. Equity and/or Lender Financing may be used to pay any Project cost, including but not limited to Redevelopment Project Costs and costs of TIF-Funded Improvements in connection with the Sinai Project.

4.03 City Funds.

(a) Uses of City Funds. City Funds may only be used to pay directly or reimburse Developer for costs of TIF-Funded Improvements that constitute Redevelopment Project Costs. Exhibit C sets forth, by line item, the TIF-Funded Improvements for the Sinai Project, and the maximum amount of costs that may be paid by or reimbursed from City Funds for each line item therein (subject to Sections 4.03(b) and 4.05(b)), contingent upon receipt by the City of documentation satisfactory in form and substance to DPD evidencing such cost and its eligibility as a Redevelopment Project Cost. In no event, however, shall City Funds be paid to the Developer in excess of the Maximum Per Phase TIF Assistance.

(b) Payment of City Funds.

The Project shall be completed in phases and Exhibit B-3 hereto describes by phase the site improvements, demolition, rehabilitation, reconstruction, repair and/or remodeling that comprise each phase of the Project (the "Milestone") to be completed prior to any payment of City Funds. Subject to the terms and conditions of this Agreement, including but not limited to this Section 4.03, Section 4.05(b) and Section 5 hereof, the City hereby agrees to provide City funds (the "City Funds") from Available Incremental Taxes to pay for or reimburse the Developer for the actual Sinai Project costs of the TIF-Funded Improvements upon the completion of a Milestone, in an amount not to exceed the maximum per phase TIF assistance as stated below (the "Maximum Per Phase TIF Assistance").

(i) The City Funds shall be paid to the Developer in installments (each, a "Milestone Payment," pursuant to the time frames set forth herein and in accordance with the terms and conditions of this Agreement, as follows:

Payment	Timing of Payment	Milestone Payment Amount (Maximum Per Phase TIF Assistance)
Milestone Payment #1	Issuance of Milestone 1 Certificate	$4,500,000
Milestone Payment #2	Issuance of Milestone 2 Certificate	$4,500,000
Milestone Payment #3	Issuance of Milestone 3 Certificate	$4,500,000
Milestone Payment #4	Issuance of Milestone 4 Certificate	$4,500,000
Milestone Payment #5	Issuance of Milestone 5 Certificate	$3,000,000
Milestone Payment #6	Issuance of Milestone 6 Certificate	$3,000,000
Milestone Payment #7	Issuance of Milestone 7 Certificate	$3,000,000

Milestone Payment #8	First Anniversary of Issuance of Milestone 7 Certificate	$3,000,000
Milestone Payment #9	Second Anniversary of Issuance of Milestone 7 Certificate	$1,000,000

(ii) The actual amount may vary depending on the final Milestone Budget and the amount of TIF-Funded Improvements incurred for each Milestone.

(iii) The City's financial commitment to provide Available Incremental Taxes for such purposes is subject to the Prior TIF Financings and the availability of sufficient Available Incremental Taxes.

(iv) City Funds derived from Available Incremental Taxes and available to pay such costs and allocated for such purposes shall be paid in accordance with the terms of this Agreement only so long as no Event of Default or condition for which the giving of notice or the passage of time, or both, would constitute an Event of Default exists under this Agreement.

The Developer acknowledges and agrees that the City's obligation to pay installments of City Funds in an amount not to exceed the applicable Maximum Per Phase TIF Amount is contingent upon the fulfillment of the conditions set forth in (i) through (iv) above, as well as the prior issuance of a Certificate, and the Developer's satisfaction of all other applicable terms and conditions of this Agreement. In the event that such condition is not fulfilled, the amount of Equity and/or Lender Financing to be contributed by Developer pursuant to Section 4.01 hereof shall increase proportionately.

Notwithstanding the foregoing, the Developer may request that DPD permit the combining of up to three (3) Milestones in order for the Developer to avoid a reduction of City Funds or to fulfill the City Construction Compliance Requirements and such combining may be requested multiple times during the Term of the Agreement. If permitted, the combined Milestones may be considered one (1) Milestone for purposes of calculating a Milestone Final Budget for the applicable combined Milestones upon the issuance of a Certificate.

Upon submitting a Milestone Budget for DPD's approval, the Developer may request that scope for a later numbered Milestone be substituted for scope of earlier numbered Milestone provided the amount of the Milestone Budget for such later numbered Milestone shall be no less than the Milestone Budget for such earlier numbered Milestone.

(c) Reduction of City Funds. Upon the occurrence of the following, without limitation, a Milestone Payment may be reduced:

(i) subject to the Developer's right to combine Milestones pursuant to Section 4.02(b), if the Milestone Budget(s) is less than the Maximum Per Phase TIF Amount as described in Section 4.03(b), the City Funds will be reduced by $.912 for every $1.00 (or portion thereof) by which such Milestone Budget(s) is less than the stated amount;

(ii) by ten percent (10%) if the Sustainability Requirement is not achieved for a Milestone, if applicable to that particular Milestone;

(iii) pursuant to Section 7.03 (Failure to Complete) or if there is a default under Section 8.06 (Jobs and Operating Covenants);

(iv) if the Developer fails to meet the City Construction Compliance Requirements (MBE/WBE, prevailing wage and city residency) as defined in Section 10.03(g); and

(v) if there is a transfer under Section 15.01 (Sale or Transfer of the Facility) prior to the Term of the Agreement.

4.04. Conditions for Payment of City Funds. No City Funds shall be paid to the Developer unless all of the following conditions have been met:

(a) Issuance of the applicable Certificate(s) of Completion.

(b) Subject to the City's ability to reduce the City Funds as described in Section 4.03(c) and Section 7.01(a)(iv), the Developer has submitted evidence acceptable to DPD that the actual cumulative Milestone Costs are equal to, or in excess of, the cumulative Milestone Costs reflected in this Agreement.

(c) When the Developer submits documentation to the City in connection with a request for the payment of the City Funds as described in Section 4.03(b), beginning on the first request for payment and continuing until the earlier of (i) the end of the Term of the Agreement or (ii) the date that the Developer has been reimbursed in full under this Agreement, the Developer shall provide DPD with a Requisition Form, along with the documentation described therein. Requisition for reimbursement of TIF-Funded Improvements shall be made not more than one time per calendar year (or as otherwise permitted by DPD). All required Annual Compliance Reports have been submitted as required by this Agreement. The Developer will be required to provide the Annual Compliance Report throughout the Compliance Period.

(d) The Developer has submitted evidence acceptable to DPD that the Sustainability Requirement has been achieved. Each payment request submitted by the Developer shall be accompanied by an affidavit from the Developer regarding compliance to the Sustainability Requirement.

4.05 Requisition Form. Conditioned upon the issuance of a Certificate pursuant to Section 7 hereof, Developer shall provide DPD with a Requisition Form, substantially in the form of Exhibit L hereto, documentation satisfactory in form and substance to DPD as set forth in Section 8.06, along with the documentation described therein and such other supporting documentation as DPD shall request to the attention of the Deputy Commissioner of TIF Administration at the address provided for the City in Section 17 hereof.

A Requisition Form for each Milestone Payment shall be submitted following the issuance of the applicable Certificate. Subject to the availability of Available Incremental Taxes and the submission of a Requisition Form no fewer than sixty (60) days prior to the payment, the City will make reasonable effort to pay the Developer a Milestone Payment by the earlier of the first quarter of the calendar year following the issuance of a Certificate or 180 days of the issuance of a Certificate.

The Developer shall meet with DPD at the request of DPD to discuss the Requisition Form(s) previously delivered. Upon the written request by the Developer accompanying a Requisition Form for reimbursement of TIF-Funded Improvements, the City agrees to make

payments of City Funds then owing to the Developer directly to a Lender using wire transfer instructions provided by the Developer.

4.05 Treatment of Prior Expenditures and Subsequent Disbursements.

(a) Prior Expenditures. Only those expenditures made by Developer with respect to the Project prior to the Closing Date, evidenced by documentation satisfactory to DPD and approved by DPD as satisfying costs covered in the Project Budget, shall be considered previously contributed Equity or Lender Financing hereunder (the "Prior Expenditures"). DPD shall have the right, in its sole discretion, to disallow any such expenditure as a Prior Expenditure. Exhibit I hereto sets forth the prior expenditures approved by DPD as of the Closing Date as Prior Expenditures. Prior Expenditures made for items other than TIF-Funded Improvements shall not be reimbursed to Developer, but shall reduce the amount of Equity and/or Lender Financing required to be contributed by Developer pursuant to Section 4.01 hereof.

(b) Allocation Among Line Items. Disbursements for expenditures related to TIF-Funded Improvements may be allocated to and charged against the appropriate line only, with transfers of costs and expenses from one line item to another, without the prior written consent of DPD, being prohibited; provided, however, that such transfers among line items, in an amount not to exceed $25,000 or $100,000 in the aggregate, may be made without the prior written consent of DPD.

4.06 Cost Overruns. If the aggregate cost of the TIF-Funded Improvements exceeds City Funds available pursuant to Section 4.03 hereof, or if the cost of completing the Project exceeds the Project Budget, Developer shall be solely responsible for such excess cost, and shall hold the City harmless from any and all costs and expenses of completing the TIF-Funded Improvements in excess of City Funds and of completing the Project.

4.07 Preconditions of Disbursement. Prior to the payment of each installment of City Funds hereunder, Developer shall submit, in the timeframe set forth in Section 4.04 hereof, a Requisition Form and documentation regarding the applicable expenditures to DPD, that are satisfactory to DPD in its sole discretion. Delivery by Developer to DPD of any request for payment of an installment of City Funds hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for payment, that:

(a) the total amount of the disbursement request represents the actual amount payable to (or paid to) the General Contractor and/or subcontractors who have performed work on the Project, and/or their payees;

(b) all amounts shown as previous payments on the current disbursement request have been paid to the parties entitled to such payment;

(c) Developer has approved all work and materials for the current disbursement request, and such work and materials conform to the Plans and Specifications;

(d) the representations and warranties contained in this Agreement are true and correct and Developer is in compliance with all covenants contained herein;

(e) Developer has received no notice and has no knowledge of any liens or claim of lien either filed or threatened against the Property except for the Permitted Liens;

(f) no Event of Default or condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default exists or has occurred; and

(g) the Milestone Budget is In Balance. A Milestone Budget shall be deemed to be in balance ("In Balance") only if the total of the Available Project Funds equals or exceeds the aggregate of the amount necessary to pay all unpaid Project costs incurred or to be incurred in the completion of such Milestone. Developer hereby agrees that, if the Milestone Budget is not In Balance, Developer shall, within 10 days after a written request by the City, provide the City with evidence of sufficient sources of funds that will place the Milestone Budget In Balance.

The City shall have the right, in its discretion, to require Developer to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and any disbursement by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by Developer. In addition, Developer shall have satisfied all other preconditions of disbursement of City Funds for each disbursement, including but not limited to requirements set forth in the Bond Ordinance, if any, the Bonds, if any, the TIF Ordinances and/or this Agreement.

4.08 Conditional Grant. The City Funds being provided hereunder are being granted on a conditional basis, subject to the Developer's compliance with the provisions of this Agreement. The City Funds are subject to being terminated, suspended and/or reimbursed as provided in Section 15 hereof.

SECTION 5. CONDITIONS PRECEDENT

The following conditions have been complied with to the City's satisfaction on or prior to the Closing Date, or as applicable, before commencing the work on a particular Milestone:

On the Closing Date, Developer has furnished the City with a copy of the Title Policy for the Property, certified by the Title Company, showing Developer as the named insured. The Title Policy is dated as of the Closing Date and contains only those title exceptions listed as Permitted Liens on Exhibit G hereto and evidences the recording of this Agreement pursuant to the provisions of Section 8.18 hereof. The Title Policy also contains such endorsements as shall be required by Corporation Counsel, including but not limited to an owner's comprehensive endorsement and satisfactory endorsements regarding zoning (3.1 with parking), contiguity, location, access and survey. Developer has provided to DPD, on or prior to the Closing Date, documentation related to the purchase of the Property and certified copies of all easements and encumbrances of record with respect to the Property not addressed, to DPD's satisfaction, by the Title Policy and any endorsements thereto and copies of ground leases, if any, and operating leases, if any, applicable to the Facility.

6.02 Construction Contract. Prior to the execution thereof, Developer shall deliver to DPD a copy of the proposed Construction Contract with the General Contractor, if any, selected to handle the Project in accordance with Section 6.01 above, for DPD's prior written approval, which shall be granted or denied within ten (10) business days after delivery thereof. (a) Upon completion of each Milestone of the Project in accordance with the terms of this Agreement, and upon satisfaction in DPD's sole discretion of the conditions set forth in (i) through (v) of this Section 7.01(a), and upon Developer's written request, which shall include a final budget for the applicable Milestone detailing the total actual costs of such Milestone (a "Final Milestone Project Cost"), DPD shall issue to Developer a Certificate. Exhibit B-3 attached hereto describes the site improvements, demolition, rehabilitation, reconstruction, repair and/or remodeling that comprise each Milestone. As set forth in Section 4.03(b)(4), if DPD permits the Developer to combine up to three (3) Milestones, a single Certificate shall be issued for those Milestones and they will be considered together as an individual Milestone. The City will issue a Certificate for each Milestone of the Project and a Final Certificate of the completed Project, upon the following conditions:

i. The Developer has completed construction of the Milestone accordance with the Plans and Specifications;

ii. The Developer has provided an affidavit that the Milestone, if subject to the LEED requirements, has achieved the Sustainability Requirement;

iii. The City's Monitoring and Compliance unit has determined in writing that the Developer is in complete compliance with all City Construction Compliance Requirements (MBE/WBE, City Residency, and Prevailing Wage) with respect to that Milestone;

iv. The Developer has submitted adequate documentation that the Milestone Final Project Cost is at least the amount set forth in Section 4.03(b); provided, however, that in the event that the Milestone Final Project Cost is less than the amount stated, the total amount of City Funds shall be reduced by $.912 for every $1.00 (or portion thereof) by which the Milestone Final Project Cost is less than the amount stated, as described in Section 4.03(b) and otherwise subject to the provisions of Section 4.03(c); and

DPD shall respond to Developer's written request for a Certificate within sixty (60) days by issuing either a Certificate or a written statement detailing the ways in which a Milestone does not conform to this Agreement or has not been satisfactorily completed, and the measures which must be taken by Developer in order to obtain the Certificate. Developer may resubmit a written request for a Certificate upon completion of such measures.

(c) Upon completion of the construction of the Project in accordance with the terms of this Agreement, and upon Developer's written request, which shall include a final budget for the Project, DPD shall issue to Developer a final certificate of completion of rehabilitation (the "Final Certificate" in recordable form certifying that Developer has fulfilled its obligation to complete the Project in accordance with the terms of this Agreement.

7.02 Effect of Issuance of Certificate; Continuing Obligations. Upon the Final Certificate issuance, the City will certify that the terms of the Agreement specifically related to Developer's obligation to complete the renovation of the Project have been satisfied. After the issuance of the Final Certificate, however, all executory terms and conditions of this Agreement and all representations and covenants contained herein will continue to remain in full force and effect throughout the Term of the Agreement as to the parties described in the following paragraph, and the issuance of the Final Certificate shall not be construed as a waiver by the City of any of its rights and remedies pursuant to such executory terms.

Those covenants specifically described in Sections 8.01(j) (Permitted Transfers), 8.01(k) (Permitted Liens), 8.02 (Covenant to Redevelop), 8.06 (Operating and Job Covenants), 8.19 (Value Assessments), 8.20 (Annual Compliance Report), 8.23 (LEED Requirements) Section 8.24 (FOIA and Local Records Act Compliance) and 8.25 (Survival of Covenants) are covenants that run with the land and are the only covenants in this Agreement intended to be binding upon any transferee of the Property (including an assignee as described in the following sentence) throughout the Term of the Agreement notwithstanding the issuance of the Final Certificate; provided, that upon the issuance of the Final Certificate, the covenants set forth in Section 8.02 shall be deemed to have been fulfilled. The other executory terms of this Agreement that remain after the issuance of the Final Certificate shall be binding only upon Developer or a permitted assignee of Developer who, pursuant to Section 18.15 of this Agreement, has contracted to take an assignment of Developer's rights under this Agreement and assume Developer's liabilities hereunder.

7.03 Failure to Complete. If Developer fails to complete the Project in accordance with the terms of this Agreement, then the City has, but shall not be limited to, any of the following rights and remedies:

(a) the right to terminate this Agreement and cease all disbursement of City Funds not yet disbursed pursuant hereto;

(b) the right (but not the obligation) to complete those TIF-Funded Improvements that are public improvements and to pay for the costs of TIF-Funded Improvements (including interest costs) out of City Funds or other City monies. In the event that the aggregate cost of completing the TIF-Funded Improvements exceeds the amount of City Funds available pursuant to Section 4.01, Developer shall reimburse the City for all reasonable costs and expenses incurred by the City in completing such TIF-Funded Improvements in excess of the available City Funds; and
