ORDINANCE FOR LONG TERM EASEMENT

WHEREAS, The City of Chicago ("City") is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970 and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the City wishes to support the charitable, educational and philanthropic activities of established Not for Profit Corporations and encourage the continued viability and growth of their activities; and

WHEREAS, in furtherance of such activities, many Not for Profit Corporations must move large numbers of vulnerable clients between adjacent properties that are bisected by public streets and alleys that are still required for public use; and

WHEREAS, the City wishes to facilitate Not for Profit-originated services to the public, and provide safe passage above public street(s) and alley(s) where necessary, for no compensation; and

WHEREAS, Presence Saints Mary & Elizabeth Medical Center, an Illinois Not for Profit corporation organized and existing under and by virtue of the Statues of the State of Illinois ("Grantee") is owner of the hospital properties commonly identified as 2200 – 2224, 2234 – 2248, & 2201 – 2259 W. Division Street (together, the "Site"); and

WHEREAS, Grantee currently uses the Site for hospital purposes; and

WHEREAS, the City Council of the City of Chicago, after due investigation and consideration, has determined that the nature and extent of the public use and the public interest to be subserved is such as to warrant a long term easement for a pedestrian overpass over the public street described in the following ordinance; and

WHEREAS, Grantee has constructed a pedestrian overpass (the "Pedestrian Overpass') to bridge the public right of way between hospital buildings at the Site; and

WHEREAS, Grantee has expended substantial sums in constructing the Pedestrian Overpass and related construction in order to facilitate the interconnection between the hospital buildings at the Site; and

WHEREAS, the Pedestrian Overpass will continue to promote public health, safety and welfare by allowing patients, medical staff, program participants, staff and visitors to traverse between the Grantee's Site's hospital buildings, protected from weather and from vehicular traffic; and

WHEREAS, the Pedestrian Overpass requires the use of the public right-of-way, specifically the air rights above the street; and

WHEREAS, the Department of Transportation has determined that the Pedestrian Overpass will not interfere with the City's traffic infrastructure and will benefit the citizens of the City of Chicago; and

WHEREAS, the City is willing to grant Grantee an easement on the same terms and conditions set forth in the Public Way Easement Agreement (the "Public Way Easement Agreement") attached hereto and incorporated herein as Exhibit A; now, therefore,

SECTION 3. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the other provisions of this ordinance.

Public Way Easement Agreement
(Pedestrian Bridge)

This Agreement (the "Agreement") is entered into as of this ____day of ____ 2014, by and between the City of Chicago, an Illinois home rule municipal corporation, by and through its Department of Transportation, (the "City") and Presence Saints Mary and Elizabeth Medical Center, a not-for-profit corporation organized and existing under and by virtue of the statutes of the State of Illinois ("Grantee"). City and Grantee together shall be referred to herein from time to time as the "Parties".

Witnesseth:

WHEREAS, Grantee is the owner of real property commonly known as 2200-2224, 2234-2248, and 2201-2259 W. Division Street, Chicago, Illinois, as legally described on Exhibit A attached hereto and made a part hereof (the "Property"), and currently improved with buildings that serve as the Grantee's medical campus; and;

WHEREAS, Grantee, an Illinois not for profit institution, is the owner of the medical buildings along W. Division Street bounded by N. Oakley Boulevard and N. Leavitt Street; and

WHEREAS, the adjacent buildings together shall be referred to herein from time to time as the Overpass Buildings ("Overpass Buildings"); and

WHEREAS, Grantee erected and was previously permitted for a pedestrian overpass ("Overpass") to connect the Overpass Buildings over and above the grade of the City's public right-of-way ("Street") by approximately one thousand six hundred and forty one (1641) square feet, and twenty six thousand nine hundred and seventy eight (26,978) cubic feet, more or less ("Easement Area"), as more fully described on the Plat of Easement ("Plat") attached hereto as **Exhibit B**; and

WHEREAS, the Overpass will continue to require the use of the street, specifically use of certain of the air rights above the street, as more fully depicted on the Plat; and

WHEREAS, the Grantee requires the use of the Overpass, which lies above the grade of the street, and the Easement Area, for safe pedestrian movement within the Overpass Buildings; and

WHEREAS, the Overpass will benefit the facility by allowing vulnerable patients, visitors, doctors and other pedestrians to traverse between the Overpass Buildings protected from the weather and vehicular traffic; and

NOW, THEREFORE, in consideration of the above preambles, the mutual covenants herein contained, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. **Grant of Easement Area.** The City hereby grants to Grantee an easement ("Easement") to use and occupy, in accordance with this Agreement, those certain limited air rights in and above the Street in the Easement Area, as identified and legally described on the Plat, for the installation, operation, maintenance, repair and replacement of the Overpass. The Parties hereto may, upon review and approval of the Commissioner ("Commissioner") of the Department of Transportation, or any successor department ("CDOT"), substitute a revised Easement legal description for the Easement legal description set forth on **Exhibit C** attached hereto and made a part hereof, subject to review and approval of the City's Corporation Counsel.

2. **Terms.** The following terms and conditions apply to the Easement:

(a) The Easement is an easement appurtenant in favor of Presence Saints Mary and Elizabeth Medical Center and its successors and assigns.

(b) The Easement is granted for a term of twenty (20) years ("Term") provided that the Grantee or any successor to Grantee as owner of the hospital is recognized by the Federal Government as a not-for-profit entity.

(c) The Easement shall burden the Easement Area as the servient tenement.

(d) Grantee warrants to the City that it is the owner ("Owner") of the adjacent Property, is owner of the Overpass structure, and that the Grantee has sufficient title and fee interest to/in the Property to enter into this Agreement.

(e) The public way Easement granted pursuant to this Agreement constitutes a contemporaneous grant of interest in real property and is not executory in nature.

(f) Grantee shall not transfer any interest in the Easement without prior written consent by the Commissioner, which shall not be unreasonably withheld (provided, however, that such consent shall not be required in connection with any transfer of ownership of the hospital to another not-for-profit corporation).

3. **Grantee's Obligations.**

(a) The Grantee expressly warrants that the Overpass is designed and constructed in compliance with all federal, state and local laws and regulations. The Grantee further expressly warrants that the Overpass is designed and constructed in compliance with accessibility standards, including, but not limited to: (1) the Americans with Disabilities Act of 1990, 42 U.S.C. 12101, et seq., and the regulations promulgated thereunder; (2) the Illinois Environmental Barriers Act (410 ILCS 25/ 1 et seq. (1996)); (3) The Illinois Accessibility Code, 71 Ill. A. Code 400; and (4) all local City ordinances, codes, regulations.

(b) The Grantee shall be responsible for obtaining ongoing approvals of and payment for any and all removals, relocations, alterations, additional maintenance and restorations of or to any utility or public service structures or facilities, or any structures or facilities located in or adjacent to the Easement Area which are owned by the City, including pavements, bridges, poles, and other facilities and utilities, which are or may be necessary or appropriate to facilitate work related to the Overpass. The Grantee shall be responsible for obtaining the consent of and making suitable arrangements with all entities owning and having an interest in such structures and facilities, including any City department.

(d) The Grantee shall secure all necessary permits, including but not limited to, building permits.

4. **Uses Within the Easement Areas.**

a) The Overpass shall be open for use by the public at such times that the Overpass Buildings are open to the public.

b) The Grantee may not authorize the use of the Overpass for any purpose that will substantially interfere with the use of the Overpass by the public.

c) The Grantee may utilize the Overpass for exhibits, displays and the like that shall not substantially interfere with the public's use described in this Agreement.

d) Grantee may establish reasonable rules and regulations related to the use by the public of the Overpass. Grantee may at its sole discretion control the use of and access to the Overpass Buildings through the Overpass. Notwithstanding the foregoing, the City reserves a right to access the Overpass and Easement Area for City business purposes and services available to all similarly situated improvements.

5. **Overpass Alterations.**

Grantee may from time to time replace, remodel or demolish all or any portion of the Overpass so long as the Grantee secures the prior written approval of the Commissioner (or any successor department's Commissioner) and City Council for alterations that may affect the Easement Area or other portions of the public right-of-way before making any alterations to the Overpass that would change the description provided on the Plat.

6. **Not for Profit.** The Grantee covenants that it is a not-for-profit entity. In the event of a change in the Grantee's not-for-profit status, or Grantee's transfer of any interest

in the Easement, except as permitted by Section 2(f) hereof, the Easement will immediately terminate and the new owner of the Property must apply for an easement or promptly remove the Overpass at the new owner's sole cost and expense.

7. **Removal and Restoration.** Grantee shall have the right to terminate this Easement at any time. Upon termination of the Easement granted by this Agreement the Grantee, without cost or expense to the City, shall promptly remove the Overpass, and all other structures and facilities related to the Overpass as may be located in the Easement Area and other affected public way at the Grantee's sole cost and expense. Grantee shall restore the public way to the extent altered, disturbed, or damaged by the installation, construction, use, operation, inspection, maintenance, repair, replacement or removal of the Overpass, and all work related thereto, to a proper condition under the supervision and to the satisfaction of the Commissioner and in accordance with the Municipal Code of Chicago.

8. **Indemnity.** Except with respect to the negligent or wrongful intentional acts of City (to the extent the same are the cause of an injury or loss to a third person), Grantee hereby indemnifies and agrees to hold harmless and defend City from and against any and all claims, demands, damages, lawsuits, legal proceedings, losses, liens, liabilities, judgments, orders or decrees, and all reasonable costs and expenses (including, without limitation, reasonable attorneys' fees, court costs, and other reasonable expenses related to litigation), arising from or as a result of the death of, or any accident, injury, loss or damage whatsoever caused to the City, any natural person, or the City's property, including but not limited to the Easement Area and all other impacted City right-of-way, the property of any person, arising out of, or occurring in any manner relating to the Easement Area, or the Overpass. In the event any legal action is taken against City or its agents or any claim is made relating to the Easement Area or the Overpass, the City may elect to tender said defense to Grantee which shall and must defend such action or claim at Grantee's own expense and City shall cooperate with Grantee in the defense thereof. City shall have the right to join Grantee as a party defendant in any such legal action. This indemnity shall not be the exclusive remedy of the City, and City shall maintain whatever other right of indemnity it may have under common law, by statute, or by ordinance.

9. **Grantee's Operation, Maintenance and Security of the Easement Area and Overpass during the Term of this Agreement.**

(a) Grantee shall maintain the Easement Area and Overpass at its sole cost and expense.

(b) Grantee shall maintain the Easement Area and Overpass so that the improvement does not unduly interfere with any use of the public way by the City, the public, or any person or entity authorized to use or occupy the public way.

(c) Grantee shall conduct regular, documented inspections of the Overpass and the Easement Area and maintain the Overpass and Easement Area in a structurally sound, clean, aesthetically attractive, and usable condition consistent with the public use required by this Agreement. All Overpass and Easement Area maintenance records shall be made available to CDOT upon CDOT's written request for such documentation to Grantee.

(d) Grantee shall attach no fixtures, post no verbiage, signage, symbols, art or

advertising of any kind on the structure, or on the interior of the structure that may be visible from the exterior, other than the name of Grantee hospital in fixed letters no larger than one sixth of the functional height of the structure as permitted under a compensated Use of the Public Way permit submitted to the Department of Business Affairs & Consumer Protection, or its successor department. The Grantee shall not lease nor enter into any agreement for the Overpass or Easement Area lying over, under, on or in the public way for advertising space purposes, or for any other promotional use(s) for the Grantee or any third parties.

(e) Grantee shall cooperate with the City concerning the coordination of uses of the public way, including prompt responses to inquiries, attending meetings and site visits, and providing complete disclosure of information concerning the Easement Area and Overpass.

(f) Grantee shall pay for any and all utility expenses incurred with respect to the operation, maintenance, repair, replacement, and/or removal, or any part thereof, of the Overpass, or any part thereof, within the Easement Area.

(g) Grantee shall provide security over the Easement Area and Overpass at its sole cost and expense.

10. **City Has No Maintenance and Operational Duties.** The Grantee acknowledges that City is not responsible for the operation, maintenance, repair, replacement, and/or removal, or any part thereof, of or security of the Easement Area and the Overpass, and City has no obligations with respect thereto (other than the provision, through the exercise of the City's right to access the Overpass and Easement Area for City business purposes and services available to all similarly situated improvements).

11. **Insurance.**

(a) The Grantee shall procure and maintain, at all times, or shall cause to be procured and maintained, all of the types and coverages of insurance specified below, with insurance companies authorized to do business in the State of Illinois, covering all operations under this Agreement, whether performed by the Grantee or any of its contractors.

(b) The kinds and amounts of insurance required are as follows:

The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Grantee and contractor is not a waiver by the City of any requirements for the Grantee to obtain and maintain the specified coverages. The Grantee and contractor must advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance does not relieve Grantee and contractor of the obligation to provide insurance as specified herein. Non-fulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to stop work until proper evidence of insurance is provided.

Grantee agrees to make commercially reasonable efforts to obtain from its insurers, when and if available in the industry, a certificate providing that such coverage shall not be suspended, voided, canceled, non-renewed, or reduced in scope or limits except after thirty (30) days' prior written notice by certified mail, return receipt requested, has been given to the City.

Any deductibles or self–insured retentions on referenced insurance coverages must be borne by Grantee and contractor.

The Grantee hereby agrees and will cause its contractors to agree that insurers waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents, or representatives.

The coverages and limits furnished by Grantee and contractor in no way limit the Grantee's and contractor's liabilities and responsibilities specified within the Agreement or by law.

Any insurance or self-insurance programs maintained by the City of Chicago do not contribute with insurance provided by the Grantee and contractor under the Agreement.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If Grantee or contractor is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

The Grantee must require the contractor to provide the insurance required herein. All contractors are subject to the same insurance requirements of Grantee unless otherwise specified in this Agreement.

The City's Risk Management Department maintains the right to modify, delete, alter or change these requirements.

12. **Default.** The Grantee shall be in default hereunder in the event of a material breach by Grantee of any term or condition of this Agreement including, but not limited to, a representation or warranty, where Grantee has failed to cure such breach within sixty (60) days after written notice of breach is given to Grantee by City setting forth the nature of such breach. Failure of City to give written notice of breach to Grantee shall not be deemed to be a waiver of the City's right to assert such breach at a later time. If the default is not capable of being cured within the sixty (60) day period, then provided Grantee has commenced to cure the default and is diligently proceeding to cure the default within the sixty (60) day period, and thereafter diligently prosecutes such cure through to completion, then the sixty (60) day period shall be extended for the length of time that is reasonably necessary to cure the default. If the default is not cured in the time period provided for herein, the City may institute such proceedings at law or in equity as may be necessary or desirable to cure and remedy the default, including but not limited to, termination of this Agreement and removal of the Overpass at the Grantee's sole expense.

21. **Business Relationships.**

The Grantee acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (B) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this

Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Grantee hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

22. **Patriot Act Certification.**

The Grantee represents and warrants that neither the Grantee nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to the Grantee that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Grantee, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

23. **Prohibition on Certain Contributions Mayoral Executive Order 2011-4.**

Grantee agrees that Grantee, any person or entity who directly or indirectly has an ownership or beneficial interest in Grantee of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Grantee's contractors (i.e., any person or entity in direct contractual privity with Grantee regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Grantee and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (i) after execution of this Agreement by Grantee, (ii) while this Agreement or any Other Contract is executory, (iii) during the term of this Agreement or any Other Contract between Grantee and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Grantee represents and warrants that from the later to occur of (a) May 16, 2011, and (b) the date the City approached the Grantee or the date the Grantee approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Grantee agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) Bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Grantee agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Grantee agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Grantee intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source, which is then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Grantee is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

(A) they are each other's sole domestic partner, responsible for each other's common welfare; and
(B) neither party is married; and
(C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
(D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
(E) two of the following four conditions exist for the partners:
    1. The partners have been residing together for at least 12 months.
    2. The partners have common or joint ownership of a residence.
    3. The partners have at least two of the following arrangements:
        a. joint ownership of a motor vehicle;
        b. a joint credit account;
        c. a joint checking account;
        d. a lease for a residence identifying both domestic partners as tenants.
    4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

24. **Failure To Maintain Eligibility To Do Business With The City.**

Failure by Grantee or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of the Agreement and the transactions contemplated thereby. Grantee shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

25. **Inspector General and Legislative Inspector General.**

It is the duty of every officer, employee, department, agency, contractor, subcontractor, Grantee and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. The Grantee understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago.

26. **Waste Ordinance Provisions.**

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Grantee warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Amendment is executory, Grantee's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the Amendment, at law or in equity. This section does not limit Grantee's, general contractor's and its subcontractor's duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Amendment. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Amendment, and may further affect Grantee's eligibility for future contract awards.

27. **Shakman Accord.**

(a) The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and the August 16, 2007 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(b) Grantee is aware that City policy prohibits City employees from directing any individual to apply for a position with Grantee, either as an employee or as a subcontractor, and from directing Grantee to hire an individual as an employee or as a subcontractor. Accordingly,

Grantee must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Grantee under this Agreement are employees or subcontractors of Grantee, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Grantee.

(c) Grantee will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(d) In the event of any communication to Grantee by a City employee or City official in violation of Section 27 (b) above, or advocating a violation of Section 27 (c) above, Grantee will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant City Department utilizing services provided under this Agreement. Grantee will also cooperate with any inquiries by IGO Hiring Oversight or the *Shakman* Monitor's Office related to the contract.

THE BALANCE OF THIS PAGE IS INTENTIONALLY LEFT BLANK

IN WITNESS WHEREOF, Grantee and City have caused this Agreement to be executed by their duly authorized officers, as of the day and year first written above.

WHEREAS, the City Council of the City of Chicago, after due investigation and consideration, has determined that the nature and extent of the public use and the public interest to be subserved is such as to warrant a long term easement for an existing pedestrian overpass over the public alley described in the following ordinance; now therefore,

The Parties hereto may, upon review and approval of the Commissioner ("Commissioner") of the Department of Transportation, or any successor department ("CDOT"), may substitute a revised Easement legal description for the Easement legal description set forth on **Exhibit C** attached hereto and made a part hereof, subject to review and approval of the City's Corporation Counsel.

1. **Terms.** The following terms and conditions apply to the Easement:

(a) The Easement is an easement appurtenant in favor of First FM, LLC, and 40 W. Hubbard, LLC.

2. **Grantees' Obligations.**

(a) The Grantees expressly warrant that the Overpass is designed and constructed in compliance with all federal, state and local laws and regulations. The Grantees further expressly warrant that the Overpass is designed and constructed in compliance with accessibility standards, including, but not limited to: (1) the Americans with Disabilities Act of 1990, 42 U.S.C. 12101, et seq., and the regulations promulgated thereunder; (2) the Illinois Environmental Barriers Act (410 ILCS 25/ 1 et seq. (1996)); (3) The Illinois Accessibility Code, 71 Ill. A. Code 400; (4) all local City ordinances, codes, regulations.

(a) Grantees shall maintain the Easement Area and Overpass at their sole cost and expense.

8. **City Has No Maintenance and Operational Duties.** The Grantees acknowledge that City is not responsible for the operation, maintenance, repair, and/or replacement of or security of the Easement Area and the Overpass, and City has no obligations with respect thereto (other than the provision, through the exercise of the City's right to access the Overpass and Easement Area for City business purposes and services available to all similarly situated improvements).

9. **Insurance.**

(a) The Grantees shall procure and maintain, at all times, or shall cause to be procured and maintained, all of the types and coverages of insurance specified below, with insurance companies authorized to do business in the State of Illinois, covering all operations under this Agreement, whether performed by the Grantees or any of its contractors.

The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Grantees and contractor is not a waiver by the City of any requirements for the Grantees to obtain and maintain the specified coverages. The Grantees and contractor must advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance does not relieve Grantees and contractor of the obligation to provide insurance as specified herein. Grantees agree to make commercially reasonable efforts to obtain from its insurers, when and if available in the industry, a certificate providing that such coverage shall not be suspended, voided, canceled, non-renewed, or reduced in scope or limits except after thirty (30) days' prior written notice by certified mail, return receipt requested, has been given to the City.

The coverages and limits furnished by Grantees and contractor in no way limit the Grantees' and contractor's liabilities and responsibilities specified within the Agreement or by law.

Any insurance or self-insurance programs maintained by the City of Chicago do not contribute with insurance provided by the Grantees and contractor under the Agreement.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If Grantees or contractor are a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

The Grantees must require the contractor to provide the insurance required herein. All contractors are subject to the same insurance requirements of Grantees unless otherwise specified in this Agreement.

The City's Risk Management Department maintains the right to modify, delete, alter or change these requirements.

11. **Default.** The Grantees shall be in default hereunder in the event of a material breach by Grantee/s of any term or condition of this Agreement including, but not limited to, a representation or warranty, where Grantees have failed to cure such breach within sixty (60) days after written notice of breach is given to Grantees by City setting forth the nature of such breach. Failure of City to give written notice of breach to Grantees shall not be deemed to be a waiver of the City's right to assert such breach at a later time. If the default is not capable of being cured within the sixty (60) day period, then provided Grantees have commenced to cure the default and is diligently proceeding to cure the default within the sixty (60) day period, and thereafter diligently prosecutes such cure through to completion, then the sixty (60) day period shall be extended for the length of time that is reasonably necessary to cure the default. 21) **Business Relationships.**

The Grantees acknowledge (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (B) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Grantees hereby represent and warrant that no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

22) **Patriot Act Certification.**

The Grantees represent and warrant that neither the Grantees nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule,

regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to the Grantees that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Grantees, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

23) **Prohibition on Certain Contributions Mayoral Executive Order 2011-4.**

Grantees agree that Grantees, any person or entity who directly or indirectly have an ownership or beneficial interest in Grantees of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Grantees' contractors (i.e., any person or entity in direct contractual privity with Grantees regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Grantees and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (i) after execution of this Agreement by Grantees, (ii) while this Agreement or any Other Contract is executory, (iii) during the term of this Agreement or any Other Contract between Grantees and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Grantees represent and warrant that from the later to occur of (a) May 16, 2011, and (b) the date the City approached the Grantees or the date the Grantees approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Grantees agree that they shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) Bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Grantees agree that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Grantees agree that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Grantees intentionally violate this provision or Mayoral Executive Order No. 2011-4 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source, which is then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Grantees are a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

(A) they are each other's sole domestic partner, responsible for each other's common welfare; and
(B) neither party is married; and
(C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
(D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
(E) two of the following four conditions exist for the partners:
    1. The partners have been residing together for at least 12 months.
    2. The partners have common or joint ownership of a residence.
    3. The partners have at least two of the following arrangements:
        a. joint ownership of a motor vehicle;
        b. a joint credit account;
        c. a joint checking account;
        d. a lease for a residence identifying both domestic partners as tenants.
    4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

24) **Failure To Maintain Eligibility To Do Business With The City.**

Failure by Grantees or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of the Agreement and the transactions contemplated thereby. Grantees shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

25) **Inspector General and Legislative Inspector General.**

It is the duty of every officer, employee, department, agency, contractor, subcontractor, Grantees and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. The Grantees understand and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago.

26) **Waste Ordinance Provisions.**

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Grantees warrant and represent that they, and to the best of their knowledge, their contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Amendment is executory, Grantees, any general contractors or any subcontractors violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the Amendment, at law or in equity. This section does not limit Grantees', general contractor's and its subcontractor's duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Amendment. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Amendment, and may further affect Grantees' eligibility for future contract awards.

27) **Shakman Accord.**

(a) The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and the August 16, 2007 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(b) Grantees are aware that City policy prohibits City employees from directing any individual to apply for a position with Grantees, either as an employee or as a subcontractor, and from directing Grantees to hire an individual as an employee or as a subcontractor. Accordingly, Grantees must follow their own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Grantees under this Agreement are employees or subcontractors of Grantees, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Grantees.

(c) Grantees will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions,

promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(d) In the event of any communication to Grantees by a City employee or City official in violation of Section 27 (b) above, or advocating a violation of Section 27 (c) above, Grantees will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant City Department utilizing services provided under this Agreement. Grantees will also cooperate with any inquiries by IGO Hiring Oversight or the *Shakman* Monitor's Office related to the contract.

THE BALANCE OF THIS PAGE IS INTENTIONALLY LEFT BLANK

IN WITNESS WHEREOF, Grantees and City have caused this Agreement to be executed by their duly authorized officers, as of the day and year first written above.

This Agreement (the "Agreement") is entered into as of this ____day of ____ 2014, by and between the **CITY OF CHICAGO**, an Illinois home rule municipal corporation, by and through its Department of Transportation, (the "City") and **SP5 WOOD K2 APARTMENTS, LLC,** a Delaware limited liability company ("Grantee"). The City hereby grants to Grantee an easement ("Easement") to use and occupy, in accordance with this Agreement, those certain limited air rights in and above the Street in the Easement Area, as identified and legally described on the Plat, for the installation, operation, maintenance, use, repair and replacement of the Overpass at Grantee's sole cost and expense. The Parties hereto may, upon review and approval of the Commissioner ("Commissioner") of the Department of Transportation, or any successor department ("CDOT"), may substitute a revised Easement legal description for the Easement legal description set forth on **Exhibit C** attached hereto and made a part hereof, subject to review and approval of the City's Corporation Counsel.

(c) The Easement shall burden the Easement Area as the servient tenement.

(d) Grantee warrants to the City that it is the owner ("Owner") of the Property and will be the Owner of the Overpass upon its completion and that the Grantee has sufficient title and fee interest to/in the Property to enter into this Agreement.

(e) The public way Easement granted pursuant to this Agreement constitutes a contemporaneous grant of interest in real property and is not executory in nature.

(f) Grantee shall not transfer any interest in the Easement without prior written consent by the CDOT Commissioner.

2. **Grantee's Obligations.**

The Grantee shall be responsible for obtaining the consent of and making suitable arrangements with all entities owning and having an interest in such structures and facilities, including any City department.

(d) The Grantee shall secure all necessary permits, including but not limited to, building permits.

(f) In the event Grantor or any other party proceeds with construction of the high speed rail project, the planned route of which runs through Union Avenue under the Easement Area, Grantor hereby reserves the right to attach emergency pedestrian egress facilities relating to such high speed rail project to the Overpass, and Grantee hereby agrees to cooperate with Grantee and any other party construction the high speed rail project in connection therewith, provided such emergency egress facilities do not unreasonably interfere with Grantee's use of the Overpass for the purposes herein described.

3. **Uses Within the Easement Area.**

a) The Overpass shall be open for use by the public at such times that the Overpass Buildings are open to the public.

b) The Grantee may not authorize the Overpass for any purpose that will substantially interfere with the use of the Overpass by the public.

d) Grantee may establish reasonable rules and regulations related to the use by the public of the Overpass. 4. **Overpass Alterations.**

Grantee may from time to time replace, remodel or demolish all or any portion of the Overpass so long as the Grantee secures the prior written approval of the Commissioner (or any successor department's Commissioner) and City Council for alterations that may affect the Easement Area or other portions of the public right-of-way before making any alterations to the Overpass that would change the description provided on the Plat.

5. **Removal and Restoration.** Grantee shall have the right to terminate this Easement at any time. Upon termination of the Easement granted by this Agreement the Grantee, without cost or expense to the City, shall promptly remove the Overpass, and all other structures and facilities related to the Overpass as may be located in the Easement Area and other affected public way. Grantee shall restore the public way to the extent altered, disturbed, or damaged by the installation, construction, use, operation, inspection, maintenance, repair, replacement or removal of the Overpass, and all work related thereto, to a proper condition under the supervision and to the satisfaction of the Commissioner and in accordance with the Municipal Code of Chicago.

6. **Indemnity.** Except with respect to the negligent or wrongful intentional acts of City (to the extent the same are the cause of an injury or loss to a third person), Grantee hereby indemnifies and agrees to hold harmless and defend City from and against any and all claims, demands, damages, lawsuits, legal proceedings, losses, liens, liabilities, judgments, orders or decrees, and all reasonable costs and expenses (including, without limitation, reasonable attorneys' fees, court costs, and other reasonable expenses related to litigation), arising from or as a result of the death of, or any accident, injury, loss or damage whatsoever caused to the City, any natural person, or the City's property, including but not limited to the Easement Area and all other impacted City right-of-way, the property of any person, arising out of, or occurring in any manner relating to the Easement Area, or the Overpass. In the event any legal action is taken against City or its agents or any claim is made relating to the Easement Area or the Overpass, the City may elect to tender said defense to Grantee which shall and must defend such action or claim at Grantee's own expense and City shall cooperate with Grantee in the defense thereof. Grantor shall have the right to join Grantee as a party defendant in any such legal action. This indemnity shall not be the exclusive remedy of the City, and City shall maintain whatever other right of indemnity it may have under common law, by statute, or by ordinance. This indemnification shall survive any termination or expiration of this Agreement.

7. **Grantee's Operation, Maintenance and Security of the Easement Area and Overpass during the Term of this Agreement.**

(a) Grantee shall maintain the Easement Area and Overpass at its sole cost and expense.

(b) Grantee shall maintain the Easement Area and Overpass so that the improvement does not unduly interfere with any use of the public way by the City, the public, or any person or entity authorized to use or occupy the public way.

(c) Grantee shall conduct regular, documented inspections of the Overpass and the Easement Area and maintain the Overpass and Easement Area in a structurally sound, clean, aesthetically attractive, and usable condition consistent with the public use required by this Agreement. All Overpass and Easement Area maintenance records shall be made available to CDOT upon CDOT's written request for such documentation to Grantee.

(d) Grantee shall attach no fixtures, post no verbiage, signage, symbols, art or advertising of any kind on the structure, or on the interior of the structure that may be visible from the exterior. The Grantee shall not lease nor enter into any agreement for the Overpass or Easement Area lying over, under, on or in the public way for advertising space purposes, or for any other promotional use(s) for the Grantee or any third parties.

(e) Grantee shall cooperate with the City concerning the coordination of uses of the public way, including prompt responses to inquiries, attending meetings and site visits, and providing complete disclosure of information concerning the Easement Area and Overpass.

(f) Grantee shall pay for any and all utility expenses incurred with respect to the operation, maintenance, repair, and/or replacement of the Overpass, or any part thereof, within the Easement Area.

(g) Grantee shall provide security over the Easement Area and Overpass at its sole cost and expense.

8. **City Has No Maintenance and Operational Duties.** The Grantee acknowledges that City is not responsible for the operation, maintenance, repair, and/or replacement of or security of the Easement Area and the Overpass, and City has no obligations with respect thereto (other than the provision, through the exercise of the City's right to access the Overpass and Easement Area for City business purposes and services available to all similarly situated improvements).

9. **Insurance.**

(a) The Grantee shall procure and maintain, at all times, including but not limited to, prior to commencement of construction of the Overpass, all of the types and coverages of insurance specified below, with insurance companies authorized to do business in the State of Illinois, covering all operations under this Agreement, whether performed by the Grantee or any of its contractors or subcontractors ("Contractor"). Grantee shall procure and maintain, or shall cause any/all Contractors to procure and maintain, all of the types and coverages of insurance specified below, with insurance companies authorized to do business in the State of Illinois, covering all operations under this Agreement, whether performed by Grantee or any of its Contractors.

The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Grantee and contractor is not a waiver by the City of any requirements for the Grantee to obtain and maintain the specified coverages. The Grantee and contractor must advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance does not relieve Grantee and contractor of the obligation to provide insurance as specified herein. Non-fulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to stop work until proper evidence of insurance is provided.

Grantee agrees to make commercially reasonable efforts to obtain from its insurers, when and if available in the industry, a certificate providing that such coverage shall not be suspended, voided, canceled, non-renewed, or reduced in scope or limits except after thirty (30) days' prior written notice by certified mail, return receipt requested, has been given to the City.

The Grantee hereby agrees and will cause its Contractors to agree that insurers waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents, or representatives.

The coverages and limits furnished by Grantee and contractor in no way limit the Grantee's and contractor's liabilities and responsibilities specified within the Agreement or by law.

Any insurance or self-insurance programs maintained by the City of Chicago do not contribute with insurance provided by the Grantee and Contractor under the Agreement.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If Grantee or Contractor is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

The Grantee must require the contractor to provide the insurance required herein. All contractors are subject to the same insurance requirements of Grantee unless otherwise specified in this Agreement.

Notwithstanding any provisions in this Agreement to the contrary, the City's Risk Management Department maintains the right to modify, delete, alter or change these requirements.

10. **Default.** The Grantee shall be in default hereunder in the event of a material breach by Grantee of any term or condition of this Agreement including, but not limited to, a representation or warranty, where Grantee has failed to cure such breach within sixty (60) days after written notice of breach is given to Grantee by City setting forth the nature of such breach. Failure of City to give written notice of breach to Grantee shall not be deemed to be a waiver of the City's right to assert such breach at a later time. If the default is not capable of being cured within the sixty (60) day period, then provided Grantee has commenced to cure the default and is diligently proceeding to cure the default within the sixty (60) day period, and thereafter diligently prosecutes such cure through to completion, then the sixty (60) day period shall be extended for the length of time that is reasonably necessary to cure the default. If the default is not cured in the time period provided for herein, the City may institute such proceedings at law or in equity as may be necessary or desirable to cure and remedy the default, including but not limited to, termination of this Agreement and removal of the Overpass at the Grantee's sole expense.

11. **No Lien.** Grantee shall not permit any lien to stand against the Easement Area, North Union Avenue or any improvement thereon for any labor or material in connection with work of any character performed on the Easement Area or North Union Avenue at the discretion or sufferance of Grantee.

13. **Partial Invalidity.** If any clause, sentence or other portion of this Agreement shall become illegal, null or void for any reason, or shall be held by any court of competent jurisdiction to be so, the remaining portion hereof shall remain in full force and effect.

14. **Notices.** Any and all notices or other communications required or permitted pursuant hereto shall be in writing and shall be deemed to have been given if and when personally delivered or on the next following business day if transmitted by reputable overnight carrier. Notices shall be addressed to Grantee and City at their respective addresses set forth below, or to such substitute address as Grantee or City may have designated by notice in accordance herewith:

16) **Execution And Recordation of Agreement.** The execution and recordation of this Agreement shall be subject to the finalization of all utility negotiations and further provided that the Grantee supplies the City with sufficient proof of ownership of the Property, and when completed, the Overpass and Property, and any other documents that the City may deem necessary.

17) **No Third-Party Beneficiaries.** This Agreement shall be binding upon and inure to the benefit solely of Grantee and City and their respective successors, assigns, licensees and legal representatives. This document and the terms hereof are intended solely for the benefit of the parties hereto and their successors, licensee and assigns, as expressly referred to herein. No other person shall have any rights, responsibilities or obligations hereunder nor may such person enforce any of the terms or be entitled to any of the benefits hereof.

18) **Authority and Validity.** Each party represents and warrants to the other party that (i) this Agreement has been duly authorized, executed and delivered by it and (ii) this Agreement constitutes the legal, valid and binding obligation of it, enforceable against it in accordance with its terms.

19) **Miscellaneous.**

(b) If any provision of this Agreement, or any paragraph, sentence, clause, phrase, or word or the application thereof is held invalid, illegal, null or void for any reason, or shall be held by any court of competent jurisdiction to be so, the remainder of this Agreement shall be construed as if such invalid part were never included and this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law provided that this Agreement, in its entirety as so reconstituted, does not represent a material change to the rights or obligations of either of the Parties.

(c) In the event the time for performance hereunder falls on a Saturday, Sunday, or legal holiday, the actual time for performance shall be the next business day.

(d) This Agreement and the accompanying Plat shall be governed by, and construed in accordance with, the internal laws of the State of Illinois. In the event that an adjudication of any kind shall be required in connection with this Agreement, the Parties agree that the venue therefor shall be the state or federal courts located in Cook County, Illinois, whichever may be applicable.

(e) This Agreement constitutes the entire contract between the Parties with respect to the subject matter of this Agreement, and may not be modified except by an instrument in writing signed by all the Parties and dated a date subsequent to the date of this Agreement.

(f) Each Party agrees that it will execute and deliver such other reasonable documents and take such other reasonable actions as may be reasonably requested by the other party to effectuate the purposes and intention of this Agreement.

20) **Business Relationships.**

The Grantee acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (B) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Grantee hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

21) **Patriot Act Certification.**

The Grantee represents and warrants that neither the Grantee nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to the Grantee that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Grantee, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

22) **Prohibition on Certain Contributions Mayoral Executive Order 2011-4.**

Grantee agrees that Grantee, any person or entity who directly or indirectly has an ownership or beneficial interest in Grantee of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Grantee's contractors (i.e., any person or entity in direct contractual privity with Grantee regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Grantee and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (i) after execution of this Agreement by Grantee, (ii) while this Agreement or any Other Contract is executory, (iii) during the term of this Agreement or any Other Contract between Grantee and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Grantee represents and warrants that from the later to occur of (a) May 16, 2011, and (b) the date the City approached the Grantee or the date the Grantee approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Grantee agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) Bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Grantee agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Grantee agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Grantee intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source, which is then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Grantee is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

(A) they are each other's sole domestic partner, responsible for each other's common welfare; and
(B) neither party is married; and
(C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
(D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
(E) two of the following four conditions exist for the partners:
    1. The partners have been residing together for at least 12 months.
    2. The partners have common or joint ownership of a residence.
    3. The partners have at least two of the following arrangements:
        a. joint ownership of a motor vehicle;
        b. a joint credit account;
        c. a joint checking account;

d. a lease for a residence identifying both domestic partners as tenants.

4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

23) **Failure To Maintain Eligibility To Do Business With The City.**

Failure by Grantee or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of the Agreement and the transactions contemplated thereby. Grantee shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

24) **Inspector General and Legislative Inspector General.**

It is the duty of every officer, employee, department, agency, contractor, subcontractor, Grantee and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. The Grantee understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago.

25) **Waste Ordinance Provisions.**

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Grantee warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Amendment is executory, Grantees, any general contractors or any subcontractors violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the Amendment, at law or in equity. This section does not limit Grantee's, general contractor's and its subcontractor's duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Amendment. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Amendment, and may further affect Grantee's eligibility for future contract awards.

26) **Shakman Accord.**

(a) The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and the August 16, 2007 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(b) Grantee is aware that City policy prohibits City employees from directing any individual to apply for a position with Grantee, either as an employee or as a subcontractor, and from directing Grantee to hire an individual as an employee or as a subcontractor. Accordingly, Grantee must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Grantee under this Agreement are employees or subcontractors of Grantee, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Grantee.

(c) Grantee will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(d) In the event of any communication to Grantee by a City employee or City official in violation of Section 26 (b) above, or advocating a violation of Section 26 (c) above, Grantee will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant City Department utilizing services provided under this Agreement. Grantee will also cooperate with any inquiries by IGO Hiring Oversight or the *Shakman* Monitor's Office related to the contract.

THE BALANCE OF THIS PAGE IS INTENTIONALLY LEFT BLANK

IN WITNESS WHEREOF, Grantee and City have caused this Agreement to be executed by their duly authorized officers, as of the day and year first written above.

Public Way Easement Agreement
(Pedestrian Bridge)

This Agreement (the "Agreement") is entered into as of this _____ day of _____, 2014, by and between the City of Chicago, an Illinois home rule municipal corporation, by and through its Department of Transportation, (the "City") and Presence Saint Joseph Hospital-Chicago, an Illinois not-for-profit corporation organized and existing under and by virtue of the statutes of the State of Illinois ("Grantee"). City and Grantee together shall be referred to herein from time to time as the "Parties".

Witnesseth:

WHEREAS, Grantee is the owner of real property commonly known as 2822-2844 and 2817-2845 N. Commonwealth Avenue, Chicago, Illinois, as legally described on **Exhibit A** attached hereto and made a part hereof (the "Property"), and currently partially improved with a building on one side of the street that serves as part of the Grantee's medical hospital; and

WHEREAS, Grantee proposes to engage with Hammes Partnership Saint Joseph ACC, LLC ("Hammes"), a Delaware limited liability company, to construct a pedestrian overpass ("Overpass") to connect the existing hospital owned building and a new building to be owned by Hammes, with a majority of the occupancy (77%) of that new building to be to leased by Grantee, to be built on the opposite side of the street (together, the "Overpass Buildings") over and above the grade of the City's public right-of-way ("Street") by approximately nine hundred (900) square feet, and twenty thousand and one hundred (20,100) cubic feet, more or less ("Easement Area"), as more fully described on the Plat of Easement ("Plat") attached hereto as **Exhibit B**; and

WHEREAS, the Overpass will require the use of the street, specifically use of certain of the air rights above the street, as more fully depicted on the Plat; and

WHEREAS, the Grantee requires the use of the Overpass, which will lie above the grade of the street, and the Easement Area, for safe pedestrian movement between the Overpass Buildings; and

WHEREAS, the Overpass will benefit the Overpass Buildings by allowing vulnerable patients, visitors, doctors and other pedestrians to traverse between the Overpass Buildings protected from the weather and vehicular traffic; and

NOW, THEREFORE, in consideration of the above preambles, the mutual covenants herein contained, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. **Grant of Easement Area**. The City hereby grants to Grantee an easement ("Easement") to use and occupy, in accordance with this Agreement, those certain limited air rights in and above the Street in the Easement Area, as identified and legally described on the Plat, for the installation, operation, maintenance, repair and replacement of the Overpass. The Parties hereto may, upon review and approval of the Commissioner ("Commissioner") of the Department of Transportation, or any successor department ("CDOT"), and subject to Corporation Counsel approval, substitute a revised Easement legal description for the Easement legal description set forth on **Exhibit C** attached hereto and made a part hereof, subject to review and approval of the City's Corporation Counsel.

2. **Terms**. The following terms and conditions apply to the Easement:

a. The Easement is an easement appurtenant in favor of Presence Saint Joseph Hospital-Chicago and its successors and assigns.

b. The Easement is granted for a term of twenty (20) years ("Term") provided that the Grantee or any successor to Grantee as owner of the hospital is recognized by the Federal government as a not-for-profit entity.

c. The Easement shall burden the Easement Area as the servient tenement.

d. Grantee warrants to the City that it is the owner ("Owner") of the one of the Overpass Buildings, and shall hold a majority of the occupancy (currently estimated at 77% upon completion of construction) interests in the second Overpass Building. Grantee shall be the owner of the Overpass structure. Grantee has sufficient title and fee interest to/in the Property to enter into this Agreement.

e. The public way Easement granted pursuant to this Agreement constitutes a contemporaneous grant of interest in real property and is not executory in nature.

f. Grantee shall not transfer any interest in the Easement without prior written consent by the Commissioner ("Commissioner") of the City's Department of Transportation ("CDOT"), which shall not be unreasonably withheld (provided, however, that such consent shall not be required in connection with any transfer of ownership of the hospital to another not-for-profit corporation). Notwithstanding the foregoing, Grantee may allow Hammes use of the Overpass for purposes solely serving the Grantee and the needs of Grantee's agents, employees,

contractors, subcontractors, tenants, occupants, guests, invitees and licensees (together, the "Grantee's Beneficiaries").

3. **Grantee's Obligations**.

a. The Grantee expressly warrants that the Overpass shall be designed and constructed in compliance with all federal, state and local laws and regulations. The Grantee further expressly warrants that the Overpass shall be designed and constructed in compliance with accessibility standards, including, but not limited to: (1) the Americans with Disabilities Act of 1990, 42 U.S.C. 12101, et seq., and the regulations promulgated thereunder; (2) the Illinois Environmental Barriers Act (410 ILCS 25/ 1 et seq. (1996)); (3) the Illinois Accessibility Code, 71 III. A. Code 400; and (4) all local City ordinances, codes, regulations.

b. The Grantee shall be responsible for obtaining ongoing approvals of and payment for any and all removals, relocations, alterations, additional maintenance and restorations of or to any utility or public service structures or facilities, or any structures or facilities located in or adjacent to the Easement Area which are owned by the City, including pavements, bridges, poles, and other facilities and utilities, which are or may be necessary or appropriate to facilitate work related to the Overpass. The Grantee shall be responsible for obtaining the consent of and making suitable arrangements with all entities owning and having an interest in such structures and facilities, including any City department.

c. The Grantee shall secure, and shall cause Hammes to secure, all necessary permits, including but not limited to, building permits.

4. **Uses Within the Easement Areas**.

a. The Overpass shall be open for use by the public at such times that the Overpass Buildings are open to the public.

b. The Grantee may not authorize use of the Overpass for any purpose that will substantially interfere with the use of the Overpass by the public.

c. The Grantee may utilize the Overpass for exhibits, displays and the like that shall not substantially interfere with the public's use described in this Agreement.

d. Grantee may establish reasonable rules and regulations related to the use by the public of the Overpass. Grantee may at its sole discretion control the use of and access to the Overpass Buildings through the Overpass. Notwithstanding the foregoing, the City reserves a right to access the Overpass and Easement Area for City business purposes and services available to all similarly situated improvements.

5. **Overpass Alterations**. Grantee may from time to time replace, remodel or demolish all or any portion of the Overpass so long as the Grantee secures the prior written approval of the Commissioner (or any successor department's Commissioner) and City Council for alterations that may affect the Easement Area or other portions of the public right-of-way before making any alterations to the Overpass that would change the description provided on the Plat.

6. **Not for Profit**. The Grantee covenants that it is a not-for-profit entity. In the event of a change in the Grantee's not-for-profit status, or Grantee's transfer of any interest in the Easement, except as permitted by Section 2.(f) hereof, the Easement will immediately terminate and the new owner of the Property must apply for an easement or promptly remove the Overpass without cost or expense to the City.

7. **Removal and Restoration**. Grantee shall have the right to terminate this Easement at any time. Upon termination of the Easement granted by this Agreement the Grantee, without cost or expense to the City, shall promptly remove the Overpass, and all other structures and facilities related to the Overpass as may be located in the Easement Area and other affected public way at the Grantee's sole cost and expense. Grantee shall restore the public way to the extent altered, disturbed, or damaged by the installation, construction, use, operation, inspection, maintenance, repair, replacement or removal of the Overpass, and all work related thereto, to a proper condition under the supervision and to the satisfaction of the Commissioner and in accordance with the Municipal Code of Chicago.

8. **Indemnity**. Except with respect to the negligent or wrongful intentional acts of City (to the extent the same are the cause of an injury or loss to a third person), Grantee hereby indemnifies and agrees to hold harmless and defend City from and against any and all claims, demands, damages, lawsuits, legal proceedings, losses, liens, liabilities, judgments, orders or decrees, and all reasonable costs and expenses (including, without limitation, reasonable attorneys' fees, court costs, and other reasonable expenses related to litigation), including but not limited to all claims arising from Hammes' actions and inactions (together, the "Claims"), arising from or as a result of the death of, or any accident, injury, loss or damage whatsoever caused to the City, any natural person, any of the Grantee's Beneficiaries, or the City's property, including but not limited to the Easement Area and all other impacted City right-of-way, the property of any person, arising out of, or occurring in any manner relating to the Easement Area, or the Overpass. In the event any legal action is taken against City or its agents or any claim is made relating to the Easement Area or the Overpass, the City may elect to tender said defense to Grantee which shall and must defend such action or claim at Grantee's own expense and City shall cooperate with Grantee in the defense thereof. City shall have the right to join Grantee as a party defendant in any such legal action. This indemnity shall not be the exclusive remedy of the City, and City shall maintain whatever other right of indemnity it may have under common law, by statute, or by ordinance.

9. **Grantee's Operation, Maintenance and Security of the Easement Area and Overpass during the Term of this Agreement**.

a. Grantee shall maintain the Easement Area and Overpass without cost or expense to the City.

b. Grantee shall maintain the Easement Area and Overpass so that the improvement does not unduly interfere with any use of the public way by the City, the public, or any person or entity authorized to use or occupy the public way.

c. Grantee shall conduct regular, documented inspections of the Overpass and the Easement Area and maintain the Overpass and Easement Area in a structurally sound, clean,

aesthetically attractive, and usable condition consistent with the public use required by this Agreement. All Overpass and Easement Area maintenance records shall be made available to CDOT upon CDOT's written request for such documentation to Grantee.

The Grantee shall not lease nor enter into any agreement for the Overpass or Easement Area lying over, under, on or in the public way for advertising space purposes, or for any other promotional use(s) for the Grantee or any third parties, including but not limited to Hammes.

e. Grantee shall cooperate with the City concerning the coordination of uses of the public way, including prompt responses to inquiries, attending meetings and site visits, and providing complete disclosure of information concerning the Easement Area and Overpass.

f. Grantee shall pay for any and all utility expenses incurred with respect to the operation, maintenance, repair, replacement, and/or removal, or any part thereof, of the Overpass, or any part thereof, within the Easement Area.

g. Grantee shall provide security over the Easement Area and Overpass without cost or expense to the City.

10. **City Has No Maintenance and Operational Duties**. The Grantee acknowledges that City is not responsible for the operation, maintenance, repair, replacement and/or removal, or any part thereof, or security of the Easement Area and the Overpass, and City has no obligations with respect thereto (other than the provision, through the exercise of the City's right to access the Overpass and Easement Area for City business purposes and services available to all similarly situated improvements).

ii. Commercial Liability Insurance (Primary and Umbrella).

Commercial General Liability Insurance, or equivalent, with limits of not less than Five Million Dollars ($5,000,000) per occurrence for bodily injury, personal injury, and property damage liability. All premises and operations, products/completed operations, independent contractors, explosion, collapse, underground, pollution (if commercially available), separation of insureds, defense and contractual liability coverages are to be included. The City is to be named as an additional insured on a primary non-contributory basis for any liability related directly or indirectly to this Agreement.

Contractors performing work for Grantee must maintain limits of not less than $2,000,000 with the same terms herein.

iii. Automobile Liability Insurance. (Primary and Umbrella)

When any motor vehicles (owned, non-owned and hired) are used in connection with work to be performed, the Grantee provide or cause to be provided, Automobile Liability Insurance with limits of not less than Two Million Dollars ($2,000,000) per occurrence for bodily injury and property damage. The City is to be named as an additional insured on a primary, non-contributory basis.

Contractor performing work for Grantee must maintain limits of not less than $1,000,000 with the same terms herein.

c. Additional Requirements

The Grantee must provide and cause Hammes, and any of its contractors to provide the City of Chicago, Department of Transportation, 30 North LaSalle Street, Room 500, Chicago, Illinois 60602-2570, original Certificates of Insurance, to be in force on the date of this Agreement, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the term of this Agreement. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Grantee, Hammes, and contractor is not a waiver by the City of any requirements for the Grantee to obtain and maintain the specified coverages. The Grantee, Hammes, and contractor must advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance does not relieve Grantee, Hammes, and contractor of the obligation to provide insurance as specified herein. Non-fulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to stop work until proper evidence of insurance is provided.

Grantee agrees to make commercially reasonable efforts to obtain from its insurers, when and if available in the industry, a certificate providing that such coverage shall not be suspended, voided, canceled, non-renewed, or reduced in scope or limits except after thirty (30) days' prior written notice by certified mail, return receipt requested, has been given to the City.

Any deductibles or self-insured retentions on referenced insurance coverages must be borne by Grantee and contractor.

The Grantee hereby agrees and will cause its contractors to agree that insurers waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents, or representatives.

The coverages and limits furnished by Grantee and contractor in no way limit the Grantee's and contractor's liabilities and responsibilities specified within the Agreement or by law.

Any insurance or self-insurance programs maintained by the City of Chicago do not contribute with insurance provided by the Grantee, Hammes, and contractor under the Agreement.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If Grantee, Hammes, or contractor is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

The Grantee must require Hammes and the contractor to provide the insurance required herein. Hammes and all contractors are subject to the same insurance requirements of Grantee unless otherwise specified in this Agreement.

The City's Risk Management Department maintains the right to modify, delete, alter or change these requirements.

12. **Default**. The Grantee shall be in default hereunder in the event of a material breach by Grantee of any term or condition of this Agreement including, but not limited to, a representation or warranty, where Grantee has failed to cure such breach within sixty (60) days after written notice of breach is given to Grantee by City setting forth the nature of such breach. Failure of City to give written notice of breach to Grantee shall not be deemed to be a waiver of the City's right to assert such breach at a later time. If the default is not capable of being cured within the sixty (60) day period, then provided Grantee has commenced to cure the default and is diligently proceeding to cure the default within the sixty (60) day period, and thereafter diligently prosecutes such cure through to completion, then the sixty (60) day period shall be extended for the length of time that is reasonably necessary to cure the default. If the default is not cured in the time period provided for herein, the City may institute such proceedings at law or in equity as may be necessary or desirable to cure and remedy the default, including but not limited to, termination of this Agreement and removal of the Overpass at the Grantee's sole expense.

13. **Compliance With Law**. The Grantee agrees that the Easement Area and Overpass shall be used, and any alterations to the Overpass shall be constructed, installed, used, operated, inspected, maintained, repaired and replaced in complete compliance with all applicable laws, statutes and ordinances.

14. **Partial Invalidity**. If any clause, sentence or other portion of this Agreement shall become illegal, null or void for any reason, or shall be held by any court of competent jurisdiction to be so, the remaining portion hereof shall remain in full force and effect.

15. **Notices**. Any and all notices or other communications required or permitted pursuant hereto shall be in writing and shall be deemed to have been given if and when personally delivered or on the next following business day if transmitted by reputable overnight carrier. Notices shall be addressed to Grantee and City at their respective addresses set forth below, or to such substitute address as Grantee or City may have designated by notice in accordance herewith:

17. **Execution And Recordation of Agreement**. 18. **No Third-Party Beneficiaries**. This document and the terms hereof are intended solely for the benefit of the parties hereto and their successors, licensee and assigns, as expressly referred to herein. No other person shall have any rights, responsibilities or obligations hereunder nor may such person enforce any of the terms or be entitled to any of the benefits hereof.

19. **Authority and Validity**. Each party represents and warrants to the other party that (i) this Agreement has been duly authorized, executed and delivered by it and (ii) this Agreement constitutes the legal, valid and binding obligation of it, enforceable against it in accordance with its terms.

20. **Miscellaneous**.

a. The terms, benefits, and privileges set forth in this Agreement shall be deemed and taken to be covenants running with the Property and shall be binding upon the Grantee, its successors and assigns having any interest in the Property.

b. If any provision of this Agreement, or any paragraph, sentence, clause, phrase, or word or the application thereof is held invalid, illegal, null or void for any reason, or shall be held by any court of competent jurisdiction to be so, the remainder of this Agreement shall be construed as if such invalid part were never included and this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law provided that this Agreement, in its entirety as so reconstituted, does not represent a material change to the rights or obligations of either of the Parties.

c. In the event the time for performance hereunder falls on a Saturday, Sunday, or legal holiday, the actual time for performance shall be the next business day.

d. This Agreement and the accompanying Plat shall be governed by, and construed in accordance with, the internal laws of the State of Illinois. In the event that an adjudication of any kind shall be required in connection with this Agreement, the Parties agree that the venue therefor shall be the state or federal courts located in Cook County, Illinois, whichever may be applicable.

e. This Agreement constitutes the entire contract between the Parties with respect to the subject matter of this Agreement, and may not be modified except by an instrument in writing signed by all the Parties and dated a date subsequent to the date of this Agreement.

f. Each Party agrees that it will execute and deliver such other reasonable documents and take such other reasonable actions as may be reasonably requested by the other party to effectuate the purposes and intention of this Agreement.

21. **Business Relationships**.

The Grantee acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (B) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at

the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Grantee hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

22. **Patriot Act Certification**.

The Grantee represents and warrants that neither the Grantee nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to the Grantee that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Grantee, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

23. **Prohibition on Certain Contributions Mayoral Executive Order 2011-4**.

Grantee agrees that Grantee, any person or entity who directly or indirectly has an ownership or beneficial interest in Grantee of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Grantee's contractors (i.e., any person or entity in direct contractual privity with Grantee regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Grantee and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (i) after execution of this Agreement by Grantee, (ii) while this Agreement or any Other Contract is executory, (iii) during the term of this Agreement or any Other Contract between Grantee and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Grantee represents and warrants that from the later to occur of (a) May 16, 2011, and (b) the date the City approached the Grantee or the date the Grantee approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Grantee agrees that it shall not (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) Bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Grantee agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Grantee agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Grantee intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source, which is then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Grantee is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

(A) they are each other's sole domestic partner, responsible for each other's common welfare; and

(B) neither party is married; and

(C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

(E) two of the following four conditions exist for the partners:

1. The partners have been residing together for at least 12 months.

2. The partners have common or joint ownership of a residence.

3. The partners have at least two of the following arrangements:

   a. joint ownership of a motor vehicle;

   b. a joint credit account;

   c. a joint checking account;

   d. a lease for a residence identifying both domestic partners as tenants.

4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

24. **Failure To Maintain Eligibility To Do Business With The City**.

Failure by Grantee or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of the Agreement and the transactions contemplated thereby. Grantee shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

25. **Inspector General and Legislative Inspector General**.

It is the duty of every officer, employee, department, agency, contractor, subcontractor, Grantee and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. The Grantee understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago.

26. **Waste Ordinance Provisions**.

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Grantee warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Amendment is executory, Grantee's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the Amendment, at law or in equity. This section does not limit Grantee's, general contractor's and its subcontractor's duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Amendment. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Amendment, and may further affect Grantee's eligibility for future contract awards.

27. **Shakman Accord**.

a. The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and the August 16, 2007 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

b. Grantee is aware that City policy prohibits City employees from directing any individual to apply for a position with Grantee, either as an employee or as a subcontractor, and from directing Grantee to hire an individual as an employee or as a subcontractor. Accordingly, Grantee must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Grantee under this Agreement are employees or subcontractors of Grantee, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Grantee.

c. Grantee will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

d. In the event of any communication to Grantee by a City employee or City official in violation of Section 27 (b) above, or advocating a violation of Section 27 (c) above, Grantee will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant City Department utilizing services provided under this Agreement. Grantee will also cooperate with any inquiries by IGO Hiring Oversight or the *Shakman* Monitor's Office related to the contract.

THE BALANCE OF THIS PAGE IS INTENTIONALLY LEFT BLANK

IN WITNESS WHEREOF, Grantee and City have caused this Agreement to be executed by their duly authorized officers, as of the day and year first written above.

ORDER

WHEREAS, On August 8, 2011, the City of Chicago's Department of Aviation issued a request for proposals to develop, install, and operate commercial advertising concessions at Chicago O'Hare and Chicago Midway International Airports; and

WHEREAS, The goals of this commercial advertising program are to: (1) achieve a high quality, innovative advertising display and interaction program so that the Airports become the industry models in advertising delivery platforms; (2) enhance the image of the City; (3) provide business opportunities for airport concessions disadvantaged business enterprises ("ACDBE"s); and (4) optimize concession revenues to the Airports; and

WHEREAS, Clear Channel Airports, a unit of Clear Channel Outdoor and a subsidiary of Clear Channel Communications, Inc., a Texas-based corporation, filed a submission and eventually won a contract for the development, installation, and operation of commercial advertising kiosks at Chicago O'Hare International Airport; and

WHEREAS, It has come to the attention of this legislative body that certain information concerning the use of subcontractors that was provided in the submission by Clear Channel Airports and relied upon by the Department of Aviation and the City of Chicago's chief procurement officer in awarding the contract may have been falsified to give the impression that such work would be provided to minority and local companies when, in fact, the identical work was performed by a non-minority, non-local California-based corporation; and

ORDERED That the chief procurement officer is hereby authorized and directed to undertake a full review of any and all contracts let by the City of Chicago to Clear Channel Airports to determine if any substantive violations of said contracts have occurred and report the findings of this review within 60 days to the chairman of the committee on aviation.

Title: Call for reparations for victims and family members affected by law enforcement torture and abuse

Committee(s) Assignment: Committee on Finance

ORDINANCE

REPARATIONS FOR THE CHICAGO POLICE TORTURE SURVIVORS

WHEREAS, the City of Chicago acknowledges that former Chicago Police Commander Jon Burge and detectives under his command systematically engaged in acts of torture, physical abuse and coercion of African American men and women at Area 2 and 3 Police Headquarters from 1972 through 1991; and

WHEREAS, the acts of torture committed by Burge and detectives under his command included electrically shocking individuals on their genitals, lips and ears with an electric shock box or cattle prod; suffocating individuals with plastic bags; subjecting individuals to mock execution with guns; physical beatings with telephone books and rubber hoses; and other forms of physical and psychological abuse; and

WHEREAS, Burge and his men committed these acts of torture and abuse to extract confessions from the victims which were subsequently admitted against them in their criminal prosecutions resulting in their wrongful convictions; and

WHEREAS, these acts of torture, physical abuse and coercion violate state, federal and international law and such acts are universally condemned worldwide; and

WHEREAS, the trauma and damage caused by these heinous acts continue to deleteriously effect the torture survivors, their family members, African American communities and the City of Chicago; and

WHEREAS, the trauma and damage caused by these heinous acts will continue to cause egregious harm to those affected unless the City of Chicago and other municipal bodies enact reparations to mitigate the harm; and

WHERAS, the City of Chicago has been complicit in the torture practices and tacitly supported those acts by expending more than $20 million of taxpayers funds to defend Burge and other implicated detectives implicated in civil litigation brought by the torture survivors, and

WHEREAS, Mayor Emanuel has recently acknowledged that the torture scandal was a dark chapter in the history of the City of Chicago that stained its reputation and that he was sorry for it;

WHEREAS, the City of Chicago must officially acknowledge the torture that occurred in the City and resolve to never allow such acts to go undeterred and unpunished ever again, now therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF CHICAGO AND THE MAYOR OF CHICAGO:

§ Hereby issues a formal apology to the torture survivors, their family members, and other affected individuals and communities on behalf of the City of Chicago for the violations and harm incurred by these torture practices.

§ Hereby creates a Chicago Police Torture Reparations Commission that is responsible for administering financial reparations to the torture survivors to compensate them for the torture they endured.

§ Hereby creates a center on the south side of Chicago that will provide psychological counseling, health care services and vocational training to the torture survivors, their family members and others affected by law enforcement torture and abuse.

§ Hereby provides that all torture survivors and their family members be allowed to enroll in City Colleges and receive their education and degree for free.

§ Hereby calls on the Chicago Public School system to incorporate into its curriculum a history lesson about the Chicago Police torture cases and the struggles to hold those accountable and to seek reparations for the survivors and affected family members.

§ Hereby calls on local law enforcement officials to provide evidentiary hearings to the torture survivors who remain behind bars who had their coerced confessions used against in their criminal proceedings resulting in their wrongful convictions, and moreover, supports the torture survivors' rights to have a full and fair opportunity to present evidence that demonstrates they were physically coerced into giving a confession.

§ Hereby commits to supporting the creation of public memorials that memorialize the Chicago Police Torture survivors and the struggle for justice on their behalf.

§ Hereby provides a minimum of $20 million to finance the Chicago Police Torture Reparations Commission, the center on the Southside Center, the creation of a curriculum and to fund the creation of public memorials set forth herein.

Title:	Call on Chicago City Council to support plan to establish high-quality universal early care and education programs for all children from birth to age five
Committee(s) Assignment:	Committee on Education and Child Development

* Aldermen Sawyer & Others

Resolution supporting a plan to establish high-quality universal birth to five early care and education

Updated 9/8/14

* Referred to Committee on Education

Whereas, the State of Illinois's current "Preschool for All" program was and is an important and necessary step towards achieving universal affordable preschool for all, but has been forced to limit access and cap the number of slots available; and

Whereas, The State of Illinois's "Preschool for All" program is limited to partial day programs; and

Whereas, The State of Illinois and the City of Chicago lack adequate early care and education programs and funding to fully meet the needs of children and families, and the existing early care and education services make it difficult for families to navigate the multiple services, schedules, and early care and education settings; and

Whereas, More than 150,000 children birth through age four in Chicago do not have access to full-day quality, publicly-funded early care and education; and

Whereas, Only 5% of eligible Chicago infants and toddlers have access to federal Early Head Start programming in the city; and

Whereas, The average annual cost for child care for an infant in Cook County, at $12,359 per year, is higher than in-state tuition and fees at a public 4-year university; and

Whereas, The Mayor of the City of Chicago claims to have established access to universal preschool for low income students, but the City has, in fact, seen a net decline in enrollment and access during the Emanuel Administration's tenure, and

Whereas, Research shows that gaps in children's development appear earlier than preschool, and that supporting high-quality responses including early learning and care can diminish those gaps and build a strong foundation for the youngest children; and

Whereas, According to a report by America's Edge, a membership organization of business leaders, the average working parent in America misses five to nine days of work because of child care problems; and

Whereas, Also according to the report by America's Edge, for every $1 invested in early care and education in Illinois, $0.96 is generated in additional spending within the state, for a total new investment of $1.96 – higher than investments in other major sectors such as transportation, retail trade and manufacturing; and

Whereas, According to the National Research Council and Institute of Medicine, teacher-child relationships are central to child care quality and child outcomes, and research has found strong associations between staff wages and the quality of child care and early education programs; and

Whereas, According to the Bureau of Labor Statistics, the median wage for child care workers in the Chicago metropolitan area is $10.76 and for preschool teachers is $12.39, making it difficult for early childhood workforce to support their own families, and driving turnover that is disruptive to child development and drains the industry of experienced, skilled workers; and

Whereas, Funding levels for most early care and education programs are insufficient to provide affordable full-day early care and education to families while also covering the costs of fair compensation for early childhood workers; and

Whereas, According to Professor Howard Chernick of City University of New York, increasing progressive funding structures to finance programs like universal early care and education can in the long run increase productivity and increase economic growth; and

Whereas, the city and the schools have paid hundreds of millions of dollars on toxic interest rate swaps since the financial crisis in 2008, and

Whereas Rule G-17 of the Municipal Securities Rulemaking Board (MSRB) requires swap dealers and underwriters to deal fairly with municipal borrowers, which means that they "must not mispresent or omit the facts, risks, potential benefits, or other material information about municipal securities activities undertaken with the municipal issuer;" and

Whereas municipal borrowers may file an arbitration claim with the Financial Industry Regulatory Authority (FINRA) for violations of MSRB Rule G-17; and

Whereas, the Baldwin County Sewer Service in Alabama has already recovered $10 million by demanding arbitration on toxic interest swaps with banks; and

Whereas, The City of Chicago should enact progressive revenue measures – where the tax burden is shifted from working families to the wealthy and large corporations – for the purpose of providing full-day universal early care and education programs in the City of Chicago; now, therefore, be it

Resolved, That the Chicago City Council supports a plan to establish high-quality universal early care and education programs for all children birth to five– including full-day pre-school programs and high-quality universal child care and wrap-around services; and

RESOLUTION

WHEREAS, the intellectual growth, physical health and mental wellbeing of Chicago's school aged children are all of great importance to the future of our city; and

WHEREAS, lack of sleep has long been linked to weight gain, a compromised immune system, and irritability, but the problem is even more serious when sleep deprived teenagers are pushing their limits, putting them at risk for low academic performance, risk of car accidents, depression, and possible long-term health risks; and

WHEREAS, research into sleep health has shown that teenagers experience a biological shift in their circadian rhythm, and many teenagers do not get the required amount of sleep, affecting their academic performance and cognitive ability; and

WHEREAS, facing a competitive academic environment, a busier schedule, and increased pressure to perform in high school, teenagers face a dilemma between caring for their health and well-being and staying ahead in academics and extra-curricular activities; and

WHEREAS, it is the responsibility of school districts and governments to examine changing environments and scientific developments on the needs of children, and explore adjusting school schedules or environments to accommodate the necessities of young people's health; and

WHEREAS, a recent journal publication from the American Academy of Pediatrics suggests that quality of life, physical and mental health, and better academic performance, are all possible effects of a later school day start for adolescents; and

WHEREAS, individual schools and school districts in Virginia, Missouri, Nevada, and various other areas across the country have implemented later start times with success; now, therefore

BE IT RESOLVED, that the city council through its Committee on Health and Environmental Protection shall conduct one or more hearings and shall invite representatives of the pediatric medicine and education fields to provide information on the subject of sleep deprivation in teenagers and explore the possibility of a later school start time across Chicago Public Schools.

Committee on Finance
City Council Meeting September 10, 2014
Alderman Brendan Reilly, 42nd Ward
Resolution for the Consent Calendar

RESOLUTION IN SUPPORT OF "WE DON'T SERVE TEENS," AN INITIATIVE BY THE FEDERAL TRADE COMMISSION, CONSTELLATION BRANDS BEER DIVISION, AND OTHER CHICAGO BUSINESSES TO COMBAT UNDERAGE DRINKING

Whereas, Sustained effort is needed to continue progress in combating underage drinking in Chicago as each year, a new group of our younger citizens enter middle school, high school, and college when they are more mobile and independent of their parents and caregivers;

Whereas, Middle school, high school and younger college students in Chicago are at significant risk of serious illness, injury, and death when they engage in illegal underage drinking;

Whereas, underage drinking continues to pose a significant challenge to law enforcement, public health officials, educators, and parents;

Whereas, motor vehicle accidents--many of which involve illegal underage drinking--are the leading cause of death among and preventable injuries among citizens Illinois between the ages of 16 and 19;

Whereas, younger persons between the ages of 12 and 14 who experiment with alcohol are most likely to obtain it from their homes, the homes of friends, or from adult family members;

Whereas, research by government agencies and the American Academy of Pediatrics shows that those who begin drinking early in their teenage years face a substantially increased risk of lifetime substance abuse;

Whereas, the Federal Trade Commission has developed We Don't Serve Teens as a research-based initiative to educate adults on the basic facts about illegal underage drinking and remind them of the well known risks of harm to the underage drinkers themselves and to the general public; and

Whereas, We Don't Serve Teens provides parents and other adults with the means to play an active role in further reducing underage drinking through greater awareness of how teens obtain alcohol and the places where most underage drinking occurs; and

Whereas, We Don't Serve Teens provides young people with useful information on the dangers of underage drinking, the costs of violating the law, and strategies to overcome peer pressure and other negative influences; and

Whereas, Chicago-based Constellation Brands Beer Division will publicize the We Don't Serve Teens initiative in Chicago during the month of September;

Now, Therefore, Be It *Resolved*, the City of Chicago commends the Federal Trade Commission for its efforts to protect the safety of our teens and of the general public; and

Be it further *Resolved,* that the City of Chicago calls upon all licensed alcohol beverage retailers to actively participate in We Don't Serve Teens outreach efforts to their customers; and

Be it further *Resolved,* the City of Chicago commends Constellation Brands Beer Division, Chicago beer distributors, and Chicago alcohol beverage retailers for their ongoing support for We Don't Serve Teens; and

Be it further *Resolved*, the City of Chicago calls upon all parents and other adults involved in the lives of teens to post the We Don't Serve Teens logo and web address on their social network pages and to utilize the information available from www.dontserveteens.gov to inform other parents and friends of the measures they can take to further reduce underage drinking to protect our younger citizens and the broader Chicago community.

To Whom It May Concern:

As full-fledged, dedicated members of Sunrise Baptist Church, we are requesting an **honorary street sign** in honor and dedication to our Pastor, J.E. Storey. He truly has a story to tell and has become a great pillar in the Community since 1990.

Our Church is located on the corner of Central Park along the side street of Fillmore. We originated from 1701 W. Roosevelt Street. However, evolving from Pastor J.E. Storey's vision, a new church was built at 1101 S. Central Park in March 1999. At the inception of building this church, the neighborhood and the corners were highly infested with drugs. However, Pastor J.E. Storey remained steadfast in his preaching, teaching and canvassing this neighborhood compelling the lost to come to Christ. And as a result of that, many people throughout the neighborhood joined and became outstanding members in the church. The flock is still growing by leaps and bounds due to his community outreach.

Every year Sunrise Baptist Church hosts food drives, clothes giveaways, outdoor prayers for the street corners, outreach ministry and picnics located right on our property. Also, he opens up the community center to feed children and homeless people lunches at various times during the summer. Presently, he has allowed UCAN Organization to use the community center facility to take job applications and conduct interviews which is an integral part of Lawndale Community rising up. With all this taking place, people are embracing Sunrise Baptist Church and Pastor J.E. Storey as a pillar of the community. Some major accomplishments since moving to 1101 S. Central Park, is that Sunrise Baptist Church added a Community Center to facilitate the congregation and community and purchased lots on Fillmore St. for more parking space for the church members.

Pastor J.E. Storey is a family man who retired in 2013 after working 34 years in the ITG fields, designing and modifying systems for such companies as: TTX, Ameritech, Chicago Bridge and Iron (Liquid Carbonic) and Blue Cross and Blue Shield. He is an amazing husband of 29 years to Dianne Storey, a father of 5 and grandfather of 14. The beauty of it all, he still has full time stamina for his church and congregation. He is a people's person and very approachable. Since retiring, he is available for counseling on a daily basis.

Therefore, Pastor J.E. Storey is truly worthy of this honor which would be a great surprise to this humbled man. As a dedicated, faithful congregation, we hope you consider this petition as it was written from the hearts of Sunrise Baptist Church.

Sincerely,

Patrick Worthy

FINANCE

ORDINANCE

WHEREAS, Special Service Areas (SSAs) are local tax districts that expand services and programs through a localized property tax levy; and

WHEREAS, Structures placed in the public way such as trash cans, bike racks, bike corrals, benches, security cameras, public art projects, landscaping & all other SSA- associated structures are for the betterment of the community and the entire City; and

WHEREAS, SSAs improve our neighborhoods and deliver certain services the City of Chicago does not currently provide due to budget cuts such as servicing trash cans on city sidewalks; and

WHEREAS, When an SSA owns a trash can on the City's park way, the SSA has to fully service that trash can; and

WHEREAS, SSAs are charged a permit fee by the City for using the public way to provide this integral service; and

WHEREAS, The permit process is cumbersome for SSAs and it does not effectively provide a forum for SSAs to efficiently provide their services to the public; and

WHEREAS, Improving the permit process so that SSAs are able to apply for multiple structures throughout the SSA district with only one permit per structure would increase efficiency in the process; and

WHEREAS, Paying yearly permit fees on any and all structures provided by the SSA that are installed along the public way adds up immensely and inhibits the SSA from providing those services due to yearly permit fee costs; and

WHEREAS, SSAs should not have to pay a permit fee so that it can provide clean, green, and safety oriented services to the residents of Chicago, now therefore

BE IT ORDAINED BY THE CITY OF CHICAGO CITY COUNCIL:

(c) If the commissioner finds that the applicant meets the applicable requirements, the commissioner shall provide the application to the alderman of the affected ward. Upon passage and publication of an ordinance approving the application, the commissioner shall issue the public way use permit to the applicant. If approval by ordinance is withheld, the commissioner shall deny the application and shall notify the unsuccessful applicant in writing of the denial within ten business days after the denial.

A public way use permit shall be denied or revoked if: (i) the granting of the public way use is not in the best interest of the public, would have a deleterious impact on the neighborhood, or would create a nuisance either on the public way or in the surrounding area; (ii) the design of, or materials used in, the public way use does not comport with the quality or character of the existing streetscape; (iii) the use interferes with or impedes the flow of pedestrian or vehicular traffic, or ingress or egress from any surrounding building, the use of any pole, traffic signs or signals, hydrants, mailboxes or other objects located near the location of the proposed use; or (iv) the applicant makes any false statements, submits any false information or misrepresents any information required under this section.

The permittee shall keep that portion of the public way in, over, under or adjacent to the public way use in good condition and repair, safe for public travel, and free from snow, ice and debris to the satisfaction of the commissioner of transportation.

(2) Notwithstanding any other provision of this section, the public way use granted by the permit is subject to amendment, modification or repeal and a public way use permit may be revoked at the discretion of the mayor or the commissioner at any time, without cause and without the consent of the permittee. Upon termination of the permit, the permittee, at his or her own expense and without cost or expense to the city, shall remove, within 30 days of such termination and without the notice required in Section 10-28-010, the public way use and any structures and appliances authorized by the public way use permit and restore the public way where disturbed by the public way use or by the removal thereof, to a proper condition under the supervision and to the satisfaction of the commissioner of transportation.

(3) In the event of failure, neglect or refusal of the permittee to perform any of his or her obligations, the city may, at its option, either (i) perform such work and charge the cost to said permittee, or (ii) determine what the cost of the work shall be and bill the permittee for the cost, or combine the two methods. (4) The permittee shall be responsible for and shall pay for the removal, relocation, alteration, repair, maintenance, and restoration of, city-owned structures or appliances located in or adjacent to the public way, including pavement, bridges, subways, tunnels, vaults, sewers, water mains, conduits, pipes, poles and other facilities and utilities, which are necessary or appropriate on account of the permittee's use of the public way. The decision of the commissioner of transportation shall be final and binding. The permittee, upon receiving written notification from the commissioner of transportation of the required deposit or the cost of such work, shall immediately pay or deposit such amount as directed by the commissioner.

(5) The permittee shall furnish to the department, prior to issuance of the public way use permit, a certificate of insurance evidencing coverage in an amount not less than $1,000,000.00, combined single limit, with the insurance covering all liability, both public liability and property damage, that may result from issuance of the permit or use of the public way. The certificate of insurance shall name the city and its agents and employees as additional insureds and shall also clearly indicate that the public way use being permitted is covered by the insurance policy. Every policy required shall require 30 days advance notice to the commissioner prior to cancellation. Certificates renewing such insurance coverage must be furnished to the department no later than 30 days prior to the expiration of the policy. The insurance coverage shall be maintained at all times by the permittee until: (i) the public way use authorized by the permit is removed; (ii) the public way is restored to the satisfaction of the commissioner of transportation; and (iii) all fees due the city have been paid.

(6) The permittee shall indemnify, keep and save harmless the city, its agents and employees against all claims, liabilities, judgments, costs, damages and other expenses which may in any way arise or accrue against, be charged to or recovered from the city, its agents or employees in consequence of the permission given by the public way use permit, or any act or thing done or omitted or neglected to be done by the permittee, its agents or employees in and

(f) The permit shall be valid only to the person to whom it was issued and it shall not be subject to sale, assignment, or transfer, voluntary or involuntary, except upon the approval of the commissioner.

(g) As a condition of the permit, the permittee shall keep all information current. Any change in required information shall be reported to the department within 30 days after the change.

(h) In addition to any other penalties imposed in Section 10-28-010, any person who knowingly makes any false statement, submits any false information or misrepresents any information required under this section shall be subject to Chapter 1-21.

ORDINANCE
City of Chicago Keeping the Promise

An ordinance concerning preserving affordable housing supported by City of Chicago funds.

WHEREAS, It is a public purpose of the City of Chicago that all individuals and families in Chicago have access to safe, decent affordable housing for as long as they need it; and

WHEREAS, There is a scarcity of affordable housing in Chicago for low-income individuals and families in need; and

WHEREAS, The City of Chicago has allocated public dollars towards the development and the rehabilitation of federally supported public housing within the City of Chicago; and

WHEREAS, The State Housing Authorities Act (310 ILCS 10/8.10) requires all Illinois public housing authorities to report comprehensive financial, demographic and development information to the local City Council for their jurisdiction; and

WHEREAS, In spite of that commitment of public dollars by the City of Chicago more than 16,000 units of public housing have been lost due to rehabilitation, demolition, disposition, redevelopment, and/or conversion since 1999. This loss of public housing has exacerbated Chicago's affordable housing crisis; and

WHEREAS, The Chicago Housing Authority has been de-regulated under a federal demonstration program removing traditional HUD oversight and performance standards regarding public housing occupancy, voucher circulation, and reserve levels; and

WHEREAS, As a result of this de-regulation, Chicago Housing Authority has left an average of 4,600 public housing units unoccupied between 2009 and 2013; and

WHEREAS, Chicago Housing Authority has not circulated an average of 13,272 funded housing choice vouchers between 2009 and 2013; and

WHEREAS, Chicago Housing Authority has left unspent an average of $106 million in federal revenue annually between 2009 and 2013; and

WHEREAS, Discrimination against tenant-based Housing Choice Voucher holders continues to be a serious hindrance to housing choice and racial and economic integration within the City of Chicago; and

WHEREAS, It is in the City's long term interest to preserve the existing public housing especially when the City's public dollars are being utilized and that the City's public housing authority, to the maximum extent possible, make its public housing and Housing Choice Vouchers available as affordable housing to individuals and families in need; now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO, AS FOLLOWS:

SECTION ONE: RECITALS. The foregoing recitals are incorporated herein as the findings of the City Council.

SECTION TWO: A new Chapter of the Municipal Code of Chicago is hereby created as follows:

Article I. Chapter _____ . The City of Chicago Keeping the Promise Ordinance.

1 Title.
This Chapter _____, Sections _____ through _____ shall be entitled and referred to as the "The City of Chicago Keeping the Promise Ordinance".

This action will help meet the City's goal of reducing homelessness and preserving a critical supply of deeply subsidized public housing within the City of Chicago.

1.2 Applicability.

The provisions of this Chapter shall apply to any owner of a public housing project in the City of Chicago who proposes the redevelopment, rehabilitation, demolition, disposition, conversion, or new construction of all or a substantial part of a public housing development, except where any redevelopment, rehabilitation, demolition, disposition, conversion or new construction would result in less than 5% of the public housing units being lost or to meet the requirements of Section 504 of the Rehabilitation Act of 1974.

Prior to the approval of a Planned Development application for any parcel of land owned by the CHA at the time of enactment of this Ordinance, and prior to participation in any land swap of City-owned land for CHA land:

A. The Chicago Housing Authority shall present an Assisted Housing Replacement Plan to the Department of Planning and Development which:

In no case shall less than 10% of the temporary and permanent jobs created by the facility be set-aside for current public housing residents or other section 3 hires.

The Department of Planning and Development may allow an owner or developer of a covered project to comply with the requirements of Section 1.5 and 1.6 by constructing replacement housing units on a site within the City of Chicago other than that on which the covered project is located, subject to the following conditions:

(1) The owner has surveyed current residents and any household with a right to return to replacement housing units of the covered project to determine how many residents/ right to returners:

(a) Wish to return to replacement housing constructed on-site

(b) Wish to return to replacement housing constructed within 2 miles of the site on which the covered project is located

(c) Wish to relocate to a community area within the City of Chicago with less than 20% poverty;

(3) The survey results have been published electronically, with notification in print.

(4) The CHA and the Gautreaux Plaintiffs have acknowledged the survey results and, to the extent they have objections, provided such objections in a written response, demonstrating how their proposed changes to the Assisted Housing Replacement Plan respond to residents' stated wishes regarding the location of replacement housing.

(5) Off-site units must be constructed within the City of Chicago.

(6) The Department of Planning and Development has reviewed the proposal for off-site replacement housing and determined that off-site replacement units will be sited within a census tract not generally less desirable than the original site with regard to public utilities and public and commercial facilities, as well as crime and poverty rates.

A. Submit to the Department of Planning and Development an Assisted Housing Replacement Plan which specifies the number of units to be demolished, disposed of, or converted, identifies specific Replacement Units for each unit proposed to be demolished, disposed of, or converted, and sets a timetable for Demolition, Disposition, or Conversion, and the completion of Replacement Units in compliance with Sections 1.5-1.6.

B. Identify sources of available subsidy and financing that are sufficient to produce and operate the Replacement Units; ensures that all displaced households be given the option of being housed in the Replacement Units;

C. Provide other relevant information as required by the Commissioner.

Changes to an approved Assisted Housing Replacement Plan shall be required to undergo the same review, and be subject to the same requirements, as original approval of that plan.

The Commissioner shall publish notice in a newspaper of general circulation in the City of Chicago a notice of intent to approve an Assisted Housing Replacement Plan sixty (60) days before approving such a plan and submitting it to the Committee on Housing and Real Estate.

1.9 Review of Proposal for Phasing

Proposals for projects to be constructed in phases shall be reviewed by the Department of Planning and Development under the criteria set out in Sections 1.5-1.6. A schedule setting forth the phasing of the total number of units in a covered project, along with a schedule setting forth the proportional phasing of the required replacement housing units, shall be presented to the Commissioner for review and approval as part of the funding and/or Planned Development Application approval process, for any development subject to the provisions of this article. If phasing is not included as part of the review process, no phasing of the replacement housing units shall be allowed.

If a covered project is approved to be constructed in phases, the requirements of Sections 1.5-1.7 shall be applicable to each such phase.

Replacement housing units shall be made available for occupancy on approximately the same schedule and in a proportional manner to any market rate units in the covered project except that certificates of occupancy for the last ten percent (10%) of the market units shall be withheld until certificates of occupancy have been issued for all of the replacement housing units required. With respect to covered projects to be constructed in phases, certificates of occupancy may be issued on a phased basis consistent with the conditions of approval set forth previously in this Section.

2.0 City Funds suspended until Housing Choice Voucher Funding Utilization Goals Met.
As a condition of the receipt of the City's public dollars, the CHA will actively work to address the under utilization of its Housing Choice Voucher revenue. The CHA shall increase the proportion of Housing Choice Voucher Revenue used on its Housing Choice Voucher program, inclusive of administrative costs, mobility counseling, and other social service programs for voucher holders, until such time as the CHA can report to the City a voucher funding utilization rate in excess of 96%.

CHA will make additional Housing Choice Vouchers available annually to reach an 83% voucher funding utilization rate in the first year after passage of this Ordinance; 90% voucher funding utilization rate in the second year after passage; and 97% voucher funding utilization

rate in the third year after passage. CHA's failure to make additional Housing Choice Vouchers available to meet these utilization benchmarks will result in immediate suspension of new City funding awards to CHA projects.

2.1 City Funds suspended unless Chicago Housing Authority increases its commitment to Mobility Counseling for Housing Choice Voucher Holders

As a condition of the receipt of the City's public dollars for CHA revitalization projects, the CHA will increase its financial commitment to mobility counseling to expand the access of voucher holders to Communities of Opportunity and enable households with disabilities to live in the least restrictive settings possible.

The CHA's failure to increase funding for mobility counseling by ___% / ($____)[1] will result in immediate suspension of new City funding awards to CHA projects.

2.2 Enforcement of Housing Quality Standards in the Housing Choice Voucher Program

A. Creation of a Citywide Task Force on Improving Housing Quality in the CHA's voucher program
   1. The City shall convene a citywide task force to improve housing quality in the CHA's Housing Choice Voucher program and encourage the revitalization of properties assisted with housing choice voucher funds.
   2. The CHA shall designate representatives from the Housing Choice Voucher division to serve on this Task Force and work in active collaboration with other public and private agencies to ensure CHA's voucher program provides high quality housing across all of Chicago's communities to low-income families.
   3. The Task Force shall develop and implement initiatives to strengthen housing quality and promote reinvestment and revitalization of properties assisted with housing choice voucher funding.
   4. The Task Force shall further develop annual benchmarks by which to evaluate CHA's progress improving the quality of housing provided through the CHA's voucher program and CHA's own internal management of the voucher program

B. City Funds suspended unless Chicago Housing Authority progressively improves housing quality for housing choice voucher holders
   1) As a condition of the receipt of the City's public dollars for CHA revitalization projects, the CHA shall meet the benchmarks for improving the voucher program laid out by the Task Force established in 2.2(A).
   2) The CHA's failure to meet the annual benchmarks established by the Task Force will result in the immediate suspension of new City funding awards to CHA revitalization projects.
