ARTICLE IV Duties and Obligations

4.1 NHS shall execute and deliver to DPD such documents as may be required by the Corporation Counsel to evidence NHS's participation in the Program, including, but not limited to, the City's current form of Economic Disclosure Statement and an opinion of counsel in substantially the form of Exhibit A attached hereto and incorporated herein.

4.2 (a) NHS agrees that the total amount of funds available for the Program hereunder shall be up to $972,159 and that there have been no representations, assurances or agreements that any other assistance shall be forthcoming from the City. NHS shall provide written notice to the City when the aggregate amount of Program Funds committed or paid hereunder, including Grants and administrative costs paid to or for the account of NHS pursuant to Section 6.5, equals $400,000 and thereafter when the amount of Program Funds committed or paid hereunder, including Grants and administrative costs paid to or for the account of NHS pursuant to Section 6.5, reaches $972,159. Program Funds are deemed committed for purposes of this Section when NHS has determined the amount of Program Funds to be the subject of a Grant and sent notice of final approval of an Application pursuant to Section 4.3(e) to an Eligible Homeowner. No Grants shall be made or committed to be made by NHS hereunder when such commitment would result in the aggregate amount of Grants, together with all administrative costs related to such Grants paid to NHS pursuant to Section 6.5, exceeding $972,159 (or such other amount as the City may determine from time to time). No Grants shall be made or committed to be made by NHS hereunder when such commitment occurs after the date of receipt of the notice from the City described in Section 6.2 hereof

regarding the termination of this Agreement.

(b) As of the date of this Agreement, the total amount of funds available hereunder for use in the CSX-NIP Area is $972,159. This amount may be changed from time to time upon written notice by DPD to NHS, provided that the aggregate amount shall not exceed $972,159 (or such other amount as the City may determine from time to time).

4.3 (a) NHS shall accept and process Applications in the following manner (or as otherwise agreed to by DPD and NHS):

(i) NHS shall make Application forms available for a period of four to six weeks;

(ii) NHS shall make applications available at certain locations within the CSX-NIP Area such as community centers or libraries (as agreed to by DPD);

(iii) Applications shall also be available by calling NHS;

(iv) The Application will be approximately three (3) pages in length, from which NHS will be able to determine eligibility hereunder. NHS will require homeowners to provide more information if needed;

(v) All Applications shall be returned directly to NHS; the City will not accept Applications; and

(vi) [intentionally omitted].

(b) NHS shall review all Applications for eligibility, completeness and compliance with the Agreement. NHS shall verify the initial eligibility of each applicant within five days after its receipt in the manner described in subsection (c) below. Only those Applications which meet such criteria will be part of the Lottery. Applications so approved are to be numbered as they are received until the expiration of the period in (a)(i) above. All such applicants shall be notified of the Lottery date and location by mail at least one week prior to holding the Lottery. The Lottery shall be conducted in a public place. At the lottery meeting, random numbers will be generated by computer (or such other method as determined by DPD and NHS) and the numbers will determine which Applications will be selected ("Selected Applicants") for further processing. The process by which the Selected Applicants are identified is referred to herein as the "Lottery." The amount of each Grant request from each Selected Applicant, including the applicable fee to be paid to NHS hereunder, will be deemed to be for the Maximum Program Assistance. When the aggregate amount entered in the log reaches $972,159, or such other amount as DPD shall in writing specify to NHS, then NHS shall stop selecting Applications.

To accommodate the possibility that additional Selected Applicants will need to be chosen from eligible Applications because some earlier Applications are not in compliance with this Agreement, or because Program Funds are still available to make Grants, NHS may establish a waiting list of up to 25 applicants, to be chosen by the same lottery process described above. If additional Applications are needed thereafter, then NHS will designate a time and place as set forth above to receive additional Applications.

(c) Prior to the date of the Lottery, for each potential Eligible Homeowner, NHS shall obtain identification and title information regarding the Eligible Homeowner and the Qualified

Housing Unit, respectively, and shall verify information presented in the Application. NHS shall assure that each applicant is an Eligible Homeowner at the time an Application is received by NHS.

(d) NHS shall forward the name, address and Social Security number of every Selected Applicant to the City's Department of Finance for a scofflaw check. NHS shall perform an initial site visit to verify that the property will qualify. NHS shall approve a scope of work. No building will qualify as a Qualified Housing Unit hereunder if the combination of the Grant funds and funds from the Eligible Homeowner do not cover the cost of correcting the health and safety issues which have been identified by NHS inspectors. For any Qualified Housing Unit, no more than 30% of the Eligible Costs paid for from Program Funds can relate to interior life/safety improvements.

(e) For applicants who do not meet the requirements of this Agreement, as determined by NHS after its initial review described in subsection (c) above, NHS shall provide notice to such applicants that their Application has been rejected within two weeks after the expiration of the period described in subsection (a)(i) above. For all applicants whose Application is in compliance with the requirements of this Agreement (based on NHS's initial review described in subsection (c) above), NHS will notify each such applicant, within two weeks of the date of the Lottery, as follows: those who are not Selected Applicants will be notified that their name has been placed on a waiting list; Selected Applicants will be asked for further information to process their Application. The notice to Selected Applicants will also inform the applicant that, if requested materials are not supplied within 45 days in a form satisfactory to NHS, the applicants will forfeit their status as a Selected Applicant and will be placed at the bottom of the waiting list. If the scofflaw check described in subsection (d) above reveals that any amounts are owed to the City, then the materials requested by NHS shall include evidence that all such amounts have been paid or that the applicant has entered into a payment plan with the City. Thereafter, NHS shall, within 90 days of the date of the Lottery, complete its review of all information required hereunder and notify each such Selected Applicant whether they are eligible for a Grant and the amount of the Grant. No Selected Applicant shall be eligible for a Grant hereunder until NHS has received the results of the scofflaw check described in (d) above and has received evidence either that all amounts owed to the City have been paid, or that the applicant has entered into a payment plan with the City. NHS shall provide the City with a copy of each such notice described above. All notices of rejection shall include the reasons for such rejection.

(f) [intentionally omitted]:

(i) [intentionally omitted];

(ii) [intentionally omitted];

(iii) [intentionally omitted].

4.4 NHS shall provide the following services:

(a) Technical/Rehabilitation Services. For all Selected Applicants, NHS shall make an initial site visit to the Qualified Housing Unit, and assist the Selected Applicant in the preparation of detailed plans and specifications for the renovation work. NHS shall monitor the process by

which the Selected Applicant selects a contractor (or contractors) to do the renovation work to ensure that any contractor has been selected through a competitive bid process. NHS must approve the contractor selected, which must be licensed and properly insured; in its approval, NHS shall consider the financial strength of the contractor. NHS shall review the contract(s) between the Selected Applicant and the contractor(s) for the renovation work. NHS shall make available to each Selected Applicant (i) a current list of contractors and subcontractors which are certified by the City as Minority Business Enterprises or Women Business Enterprises, and (ii) a current list of contractors and subcontractors which have current insurance certificates and proof of City home repair and/or business licenses on file with NHS. While the requirements of Section 2-92-330 of the Municipal Code of the City of Chicago (City Resident Employment Requirement) will not apply to the renovation work done pursuant to the Program, NHS shall use its best efforts to recruit and encourage the use of qualified contractors based in Chicago (particularly in the CSX-NIP Area) for the renovation work being funded pursuant to this Agreement.

(b) Requirements for Grants for Qualified Housing Units. After approving an Application, NHS shall promptly prepare and execute Grant Documents for each Grant. NHS shall assure that each Grant satisfies all applicable requirements of federal, State and local law, and that:

(i) Program Funds finance only Eligible Costs;

(ii) [intentionally omitted];

(iii) [intentionally omitted]; and

(iv) one or more (up to four) units of the Qualified Housing Unit shall be occupied by the Eligible Homeowner.

(c) Closing. NHS shall promptly close each Grant. Prior to disbursement of any Program Funds by NHS, NHS shall require each Eligible Homeowner to enter into the Grant Documents. NHS shall assure that the renovation of the Qualified Housing Unit commences within six months of the date on which a Grant closes. NHS shall provide in all Grant Documents that the City is a third-party beneficiary of the Grant Documents. NHS shall not provide Program Funds to any Eligible Homeowner in an amount in excess of the applicable Maximum Program Assistance; provided, that the maximum amount so provided may be adjusted by mutual agreement of DPD and NHS based on the availability of Program Funds and the projected need of a particular community.

(d) Disbursement of Proceeds. The City will from time to time place all or a portion of the Program Funds, in an amount determined by DPD but not exceeding $972,159 in the aggregate, into an interest-bearing segregated or escrow account established by NHS for this purpose. Any income earned on amounts held in the account shall be used at the sole discretion of the City: (i) to make Grants hereunder, or (ii) in such other manner as the City determines. NHS shall disburse funds from this account to the City at the written request of the City if income is earned on amounts held in the account. NHS shall make any such disbursement within 30 days of its receipt of the City's request. NHS agrees that any disbursements from this account which are later determined to have been made in violation of this Agreement will be repaid to this account by NHS. Prior to disbursing any proceeds of a

Grant, NHS shall determine the aggregate amount of Program Funds which have been provided or approved for a Qualified Housing Unit and shall not disburse any funds exceeding the Maximum Program Assistance. NHS shall also assure that no Program Funds shall be paid until such funds are needed to reimburse the Eligible Homeowner for the prior payment of Eligible Costs, and that the proceeds of a Grant do not exceed available Maximum Program Assistance with respect to the Qualified Housing Unit. No payment from Program Funds shall be made to the Eligible Homeowner until NHS receives evidence of prior payment to the contractor for the rehabilitation work (consisting of a copy of the check issued to the contractor, which is not required to be a cancelled check, and/or a copy of the sworn statement). There shall be no commingling of funds among Grants by NHS and each Grant shall be accounted for separately in the records maintained by NHS.

(e) Servicing; Monitoring.

(1) NHS shall specify an employee directly responsible for the working on each Grant. NHS shall provide DPD with notice of the person(s) responsible for these duties and the respective Grants.

(2) If an Eligible Homeowner breaches any covenant or agreement under the applicable Grant Documents, NHS shall mail notice of such breach to the Eligible Homeowner as provided in the Grant Documents (with a copy to DPD) and shall take such further action consistent with the terms of this Agreement.

(3) NHS shall monitor the progress of the renovation work to confirm compliance with this Agreement and the Grant Documents. The Grant Documents shall provide that the Eligible Homeowner must approve of payment of funds from NHS to a contractor for the rehabilitation work. NHS shall inspect the renovation work prior to providing payment. NHS shall make a final inspection of the renovation work at its completion to confirm compliance with this Agreement and the Grant Documents.

(f) Reporting. NHS shall cooperate (and shall bind its contractors to cooperate) with DPD in any program which DPD may undertake to promote and explain the Program. NHS shall dedicate sufficient employee time and resources to respond promptly to inquiries from potential applicants.

4.5 Prior to each disbursement of proceeds in connection with a Qualified Housing Unit (pursuant to Section 4.4 (d) hereof), NHS shall assure to its best efforts that the rehabilitation work performed by the contractor on that Qualified Housing Unit complies with the building codes of the City.

4.6 NHS shall be responsible for all actions of any agents, employees, officers of NHS performing any duties or obligations of NHS hereunder.

4.7 The City authorizes NHS to act, subject to the limitations contained herein: (i) to manage and service the Grants; (ii) to enforce or to refrain from enforcing the Grant Documents for each Grant; (iii) to give consents or approvals in connection with the Grant Documents for each Grant; (iv) to take or refrain from taking any action and make any determination provided for herein or in the Grant Documents; and (v) to exercise all such powers as are incidental thereto.

4.8 [intentionally omitted].

4.9 Insurance.

(a) NHS must provide and maintain at its own expense, except as may be otherwise provided herein, during the term of this Agreement and during the time period following expiration if NHS is required to return and perform any of the work or services under the agreement, the insurance coverages and requirements specified below, insuring all operations related to the Agreement.

1) Workers Compensation and Employers Liability

2) Commercial General Liability (Primary and Umbrella)

Commercial General Liability Insurance or equivalent with limits of not less than $2,000,000 per occurrence for bodily injury, personal injury, and property damage liability. Coverages must include the following: All premises and operations, products/completed operations and contractual liability (not to include Endorsement CG 21 39 or equivalent). The City of Chicago is to be named as an additional insured on a

primary, non-contributory basis for any liability arising directly or indirectly from the work or services.

Subcontractors performing work for NHS must maintain limits of not less than $1,000,000 with the same terms herein.

3) Automobile Liability (Primary and Umbrella)

When any motor vehicles (owned, non-owned and hired) are used in connection with work to be performed, NHS must provide Automobile Liability Insurance with limits of not less than $ 1,000,000 occurrence for bodily injury and property damage. The City of Chicago is to be named as an additional insured on a primary, non-contributory basis.

4) Errors & Omissions/Professional Liability

When any Program Managers/Administrators or any other professional consultants perform work in connection with this Agreement, Professional Liability Insurance covering acts, errors, or omissions must be maintained with limits of not less than $1,000,000. A claim-made policy which is not renewed or replaced must have an extended reporting period of two (2) years.

5) Valuable Papers

NHS must provide Blanket Crime coverage covering all persons handling funds under this Agreement against loss by dishonesty, robbery, burglary, theft, destruction, or disappearance, computer fraud, credit card forgery, and other related crime risks. occurring during the term of this Agreement. NHS must submit evidence of insurance on the City of Chicago Insurance Certificate Form (copy attached) or equivalent prior to execution of the Agreement. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all requirements. The failure of the City to obtain certificates or other insurance evidence from NHS is not a waiver by the City of any requirements for NHS to obtain and maintain the specified coverages. NHS must advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance does not relieve NHS of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to stop work until proper evidence of insurance is provided, or the Agreement may be terminated.

The insurance must provide for sixty (60) days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

Any deductibles or self insured retentions on referenced insurance coverages must be borne by NHS.

NHS hereby waives and agrees to require their insurers to waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents, or representatives.

The coverages and limits furnished by NHS in no way limit NHS's liabilities and responsibilities specified within this Agreement or by law.

Any insurance or self insurance programs maintained by the City of Chicago do not contribute with insurance provided by NHS under this Agreement.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If NHS is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

NHS must require all subcontractors to provide the insurance required herein, or NHS may provide the coverages for subcontractors. All subcontractors are subject to the same insurance requirements of NHS unless otherwise specified in this Agreement.

If NHS or subcontractor desire additional coverages, the party desiring the additional coverages is responsible for the acquisition and cost.

Notwithstanding any provision in the Agreement to the contrary, the City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements, and the City shall promptly notify NHS of any such changes.

ARTICLE V Events of Default; Remedies

5.1 Events of Default Defined. The following, subject to the notice and cure provisions of Section 5.2 hereof, shall each constitute an Event of Default hereunder:

(a) any misrepresentation, whether negligent or willful and whether in the inducement or in the performance of this Agreement, made by NHS to the City;

(b) failure by NHS to perform any of its duties or obligations under this Agreement;

(c) any change in ownership or control of NHS without the prior written approval of the City;

(d) the dissolution of NHS or the entry of a decree or order for relief by a court having jurisdiction with respect to NHS in an involuntary case under the federal bankruptcy laws, as now or hereafter constituted, or any other applicable federal or state bankruptcy, insolvency or other similar law, or appointing a receiver, liquidator, assignee, custodian, trustee or sequestrator (or other similar official) of NHS or for any substantial part of the property thereof or ordering the winding-up or liquidation of the affairs of NHS and the continuance of any such decree or order unstayed and in effect for a period of 30 consecutive days;

(e) the commencement by NHS of a voluntary case under the federal bankruptcy laws, as now or hereafter constituted, or any other applicable federal or state bankruptcy, insolvency or other similar law, or the consent by NHS to the appointment of or taking possession by a receiver, liquidator, assignee, trustee, custodian or sequestrator (or other similar official) of NHS or of any substantial part of the property of NHS or of any royalties, revenues, rents, issues or profits therefrom, or the making by NHS of any assignment for the benefit of creditors or the failure of NHS generally to pay its respective debts as such debts become due or the taking of action by NHS in furtherance of any of the foregoing;

(f) a final judgment for the payment of money in excess of $100,000 shall be rendered by a court of competent jurisdiction against NHS, and NHS shall not discharge the same or provide for its discharge in accordance with its terms, or procure a stay of execution thereof, within 60 days from the date of entry thereof, or such longer period during which execution of such judgment shall have been stayed;

(g) default by NHS under any other agreement which NHS may currently have or may enter into with the City during the term of this Agreement; or

(h) a failure by NHS to fulfill its obligations under any Grant Documents.

5.2 Remedies. If any event referred to in Section 5.1 hereof cannot reasonably be cured within 30 days after receipt of notice given in accordance with the terms of this Agreement, or if NHS has failed, in the sole opinion of the City, to commence and continue diligent efforts to cure such event, the City may, at its sole option, declare an Event of Default hereunder. Whether to declare an Event of Default hereunder is within the sole discretion of the City and neither that decision nor the factual basis for it is subject to review or challenge under this Agreement. Written notification of, or that results in, an Event of Default, and any intention of the City to terminate this Agreement, shall be provided to NHS and such decision shall be final and effective upon receipt of such notice pursuant to Section 6.14 hereof and failure to cure

within the stated applicable cure period. Upon the giving of such notice, the City may invoke any or all of the following remedies:

(a) the right to terminate this Agreement as to any or all of the services yet to be performed effective at a time specified by the City;

(b) the right of specific performance, an injunction or any other appropriate equitable remedy;

(c) the right to money damages;

(d) the right to withhold all or any part of the compensation of NHS hereunder; and

(e) the right to deem NHS non-responsible in future contracts to be awarded by the City.

If the City considers it to be in its best interests, it may elect not to declare an Event of Default hereunder or to terminate this Agreement. The parties acknowledge that this provision is solely for the benefit of the City and that if the City permits NHS to continue to provide the services despite one or more Events of Default, NHS shall in no way be relieved of any of its responsibilities, duties or obligations under this Agreement nor shall the City waive or relinquish any of its rights thereby.

The remedies under the terms of this Agreement are not intended to be exclusive of any other remedies provided, but each and every such remedy shall be cumulative and shall be in addition to any other remedies, existing now or hereafter, at law, in equity or by statute. No delay or failure to exercise any right or power accruing upon any Event of Default shall impair any such right or power nor shall it be construed as a waiver of any Event of Default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

ARTICLE VI General Provisions

6.1 Duration of the Agreement. This Agreement shall commence as of the Effective Date set forth above and unless earlier terminated pursuant to this Agreement shall terminate when the last Grant payment is made by NHS hereunder.

6.2 Termination. The City may terminate this Agreement for convenience upon thirty (30) days written notice from the City. In such event, all rights and obligations running to and from each party shall be terminated and of no further force and effect; provided that NHS shall be obligated to maintain all records and monitoring obligations with respect to any Grant made in accordance with the terms of this Agreement for a period of five years after the date of the Grant.

6.3 Indemnification. NHS shall pay, indemnify and save the City and the City's officers, employees and agents harmless of, from and against, any and all losses incurred by any such party under this Agreement and any claim brought by reason of any such loss due to NHS's negligence, bad faith or willful misconduct. In the event that any claim is brought against the City or any of the City's officers, employees or agents, by reason of any such loss, NHS, upon notice from the City, covenants to resist and defend such claim on behalf of the City and the City's

officers, employees and agents. The City shall have the right to employ separate counsel in any such claim and to participate in the defense thereof and the fees and expenses of such counsel incurred shall be at the expense of NHS, without regard to any authorization of such employment by NHS.

6.4 Non-Liability of Public Officials. No official, employee or agent of the City shall be charged personally by NHS or by any assignee or subcontractor of NHS with any liability or expenses of defense or shall be held personally liable to NHS, or any assignee or subcontractor of NHS under any terms or provisions of this Agreement because of the City's execution or attempted execution hereof or because of any breach hereof.

6.5 Compensation. NHS shall not charge any Eligible Homeowner any fees or charges for a Grant hereunder. The only compensation received by NHS for performance under this Agreement shall be in accordance with this Section. NHS shall be entitled to compensation hereunder in an amount equal to 15 percent (15%) of the aggregate Program Funds paid by the City for Eligible Costs hereunder each month; such amount shall be payable upon submission of a Voucher by NHS to DPD, which Voucher shall contain a line item for NHS compensation hereof. The City shall not be responsible for the payment of any fees other than as set forth in this Section.

6.6 Documentation of Costs and Income; Records and Availability. All Eligible Costs paid from the proceeds of a Grant shall be supported by properly executed invoices, contracts or vouchers, or other official documentation evidencing in proper detail the nature and propriety of the Eligible Costs. All checks, invoices, contracts, vouchers, orders or other accounting documents pertaining in whole or in part to this Agreement shall be maintained by NHS and shall be clearly identified and readily accessible to the City upon written request.

NHS shall maintain records evidencing compliance with the all requirements of the Program for each Qualified Housing Unit which is the subject of a Grant, including the provisions of Section 4.5. Such records shall be maintained for a period of five years after the date of the Grant. All Grant Documents shall be held by NHS for the benefit of the City during the term of this Agreement and for five years thereafter. Upon the written request of the City, NHS shall provide the City with access to and copies of such records.

At any time during normal business hours and as often as the City may deem necessary, NHS shall make available to the City (i) all of its records with respect to matters covered by this Agreement and (ii) access to its employees who have knowledge about the matters covered by this Agreement. NHS shall permit the City to audit, examine and make excerpts or transcripts from such records, and to make copies of records relating to personnel, conditions of employment and other data covered by this Agreement.

At any time during normal business hours and as often as the City may deem necessary, each Eligible Homeowner shall make available to the City the Qualified Housing Unit and records relating to tenants of the unit, if any, in order for the City to verify compliance with this Agreement, including Section 4.5. NHS shall include this requirement in the Grant Documents.

6.7 Non-discrimination. NHS agrees it shall be an unlawful employment practice for NHS (1) to fail or refuse to hire or to discharge any individual, or otherwise to discriminate against any individual with respect to his compensation, or the terms, conditions, or privileges of

his employment, because of such individual's race, color, religion, sex, age, handicap or national origin; or (2) to limit, segregate, or classify its employees or applicants for employment in any way which would deprive or tend to deprive any individual in any way of employment opportunities or otherwise adversely affect his status as an employee, because of such individual's race, color religion, sex, age, handicap or national origin.

NHS shall comply with the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. and any rules and regulations promulgated in accordance therewith, including, but not limited to the Equal Employment Opportunity clause, 56 Ill. Admin. Code 2520 Appendix G. Furthermore, NHS shall comply with and shall cause any contractor utilized under this Agreement to comply with the Discrimination in Public Contracts Act, 775 ILCS 10/0.01, et seq.

6.8 City Requirements. NHS shall comply with the Chicago Human Rights Ordinance, ch. 2.160, Section 2-160-010 et seq. of the Chicago Municipal Code (1990); and the Chicago Fair Housing Regulations ch. 5-8, Section 5-8-010 et seq. of the Chicago Municipal Code (1990).

NHS agrees to furnish and to cause each of its subcontractor(s) to furnish such reports and information as requested by the Chicago Commission on Human Relations.

NHS agrees that all of the aforementioned provisions will be incorporated in all agreements entered into with any suppliers of materials, furnisher of services, subcontractors of any tier, and labor organizations which furnish skilled, unskilled and craft union skilled labor, or which may provide any such materials, labor of services in connection with this Agreement.

6.9 Assignment. NHS may not assign, sell, transfer or delegate any of its duties or obligations under this Agreement without the prior written consent of the City. The City may assign, sell, transfer or otherwise dispose of any of its rights hereunder, in whole or in part, without the permission of NHS.

6.10 Savings Clause. In case any provision of this Agreement is held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not be affected.

6.11 Entire Agreement. This Agreement and the incorporated Exhibits constitute the entire Agreement and may not be modified, altered or amended unless agreed to by both parties in writing. Any waiver or any provision of this Agreement must be executed in writing by the party granting the waiver and such waiver shall not affect any other rights of the party granting the waiver or act to affect any other duty or obligation of the party receiving the waiver.

6.12 Counterparts. This Agreement is composed of several identical counterparts, each to be fully executed by the parties and each to be deemed an original having identical legal effect.

6.13 Headings. The headings and titles of this Agreement are for convenience only and shall not influence the construction or interpretation of this Agreement.

6.16 Approval. Wherever in this Agreement provision is made for the approval or consent of the City, or any matter is to be to the City's satisfaction, or the like, unless specifically stated to the contrary, such approval, consent, satisfaction or the like shall be made, given or determined by the City in its sole discretion, subject to the review by the Corporation Counsel. consistent with the professional obligations assumed by it in entering into this Agreement. NHS shall perform, or cause to be performed, all services hereunder in accordance with the terms and conditions of this Agreement and to the reasonable satisfaction of the City. Any review, approval, acceptance or payment for any and all of the services by the City shall not relieve NHS of its responsibility for the professional accuracy and due diligence of its services. This provision in no way limits the City's rights against NHS either under this Agreement or otherwise, at law or in equity.

6.18 References to Statutes, etc. All references herein to statutes, regulations, rules, executive orders, ordinances, resolutions or notices or circulars issued by any governmental body shall be deemed to include any and all amendments, supplements and restatements from time to time to or of such statutes, regulations, rules, executive orders, ordinances, resolutions, notices and circulars.

6.19 No Contractor Inducements. NHS shall comply with Chapter 2-156 of the Municipal Code of Chicago, "Governmental Ethics", including but not limited to Section 2-156-120 of such Chapter, pursuant to which no payment, gratuity or offer of employment shall be made in connection with any City contract, by or on behalf of a subcontractor to the prime contractor or higher tier subcontractor or any person associated therewith, as an inducement for the award of a subcontract or order. 6.20 No Business Relationship with City Elected Officials. Pursuant to Section 2-156-030(b) of the Municipal Code of Chicago, it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected official has a ABusiness Relationship@ (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion of any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship. Violation of Section 2-156-030(b) by any elected official, or any person acting at the direction of such official, with respect to this Agreement, or in connection with the transactions contemplated hereby, shall be grounds for termination of this Agreement and the transactions contemplated hereby. NHS hereby represents and warrants that, to the best of its knowledge after due inquiry, no violation of Section 2-156-030(b) has occurred with respect to this Agreement or the transactions contemplated hereby.

Section 6.21. City Hiring Plan Requirements.

(a) The City is subject to the June 24, 2011 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(b) NHS is aware that City policy prohibits City employees from directing any individual to apply for a position with NHS, either as an employee or as a subcontractor, and from directing NHS to hire an individual as an employee or as a subcontractor. Accordingly, NHS must follow its own hiring and contracting procedures, without being influenced by City

employees. Any and all personnel provided by NHS under this Agreement are employees or subcontractors of NHS, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by NHS.

(c) NHS will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(d) In the event of any communication to NHS by a City employee or City official in violation of paragraph (b) above, or advocating a violation of paragraph (c) above, NHS will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of DPD. NHS will also cooperate with any inquiries by IGO Hiring Oversight related to this Agreement.

IN WITNESS WHEREOF, the City and NHS have executed this Agreement as of the date first set forth above.

RE: First Amended and Restated CSX Neighborhood Improvement Program Agreement (the "Agreement")

Ladies and Gentlemen:

I am the Corporate General Counsel for Neighborhood Housing Services of Chicago, Inc., an Illinois not-for-profit corporation ("NHS"), in connection with the execution and delivery of the Agreement by and among NHS and the City of Chicago, acting by and through its Department of Planning and Development (the "City"). NHS has requested that this opinion be furnished to the City.

In so acting as counsel for NHS I have examined:

(i) an executed original of the Agreement;

(ii) the Articles of Incorporation, including all amendments thereto, of NHS as furnished and certified by the Secretary of State of the State of Illinois;

(iii) the By-Laws of NHS, as certified by the Secretary of NHS as of the date hereof; and

(iv) the Certificate of Good Standing dated _____, issued by the Office of the Secretary of State of the State of Illinois, as to the good standing of NHS.

In my capacity as counsel, I have also examined such other documents or instruments as I have deemed relevant for the purposes of rendering the opinions hereinafter set forth.

I have also assumed, but have no reason to question, the legal capacity, authority and the genuineness of the signatures of and due and proper execution and delivery by the respective parties other than NHS which has made, executed or delivered or will make, execute and deliver the agreements and documents examined by me.

I express no opinion as to (i) the laws of any state or jurisdiction other than the State of Illinois (and any political subdivisions thereof) and the United States of America; and (ii) any matters pertaining or relating to the securities laws of the United States of America, the State of

Illinois or any other state.

Based upon and subject to the assumptions and qualifications herein stated, it is my opinion that:

1. NHS is a not-for-profit corporation, duly organized and validly existing under the laws of the State of Illinois, NHS has made all filings required by the laws of the State of Illinois in respect of its formation and continuing existence, and has all requisite authority to carry on its business and to execute and deliver, and to consummate the transactions contemplated by, the Agreement.

2. The Agreement has been duly executed and delivered on behalf of NHS, and constitutes a legal, valid and binding obligation of NHS, enforceable against NHS in accordance with its terms, except to the extent that enforcement of any such terms may be limited by: (a) applicable bankruptcy, reorganization, debt arrangement, insolvency or other similar laws generally affecting creditors' rights; or (b) judicial and public policy limitations upon the enforcement of certain remedies including those which a court of equity may in its discretion decline to enforce.

3. To my knowledge, there is no action, suit or proceeding at law or in equity pending, against or affecting NHS, before any court or before any governmental or administrative agency, which if adversely determined could materially and adversely affect the ability of NHS to perform under the Agreement or any of its business or properties or financial or other conditions.

4. The transactions contemplated by the Agreement are governed by the laws of the State of Illinois.

5. The execution and delivery of the Agreement and the consummation of the transactions contemplated thereby will not constitute:

   A. a violation or breach of (i) the Articles of Incorporation of NHS, (ii) the By-Laws of NHS, (iii) any provision of any contract or other instrument to which NHS is bound, or (iv) any order, writ, injunction, decree, statute, rule or regulation binding on NHS, or

   B. a breach of any of the provisions of, or constitute a default under, or result in the creation or imposition of any lien or encumbrance upon any of the property of either NHS pursuant to, any agreement or other instrument to which NHS is a party or by which NHS is bound.

6. No action of, or filing with, any governmental or public body is required to authorize, or is otherwise required for the validity of, the execution, delivery and performance of any of the Agreement.

This opinion is furnished for your benefit and may be relied upon by you and any such other party in connection with the Agreement, but may not be delivered to or relied upon by any other person or entity without written consent from the undersigned.

Very truly yours,

ORDINANCE

WHEREAS, the City of Chicago (the "City") is a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois authorized to exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the Cook County Board of Commissioners has enacted the Real Property Assessment Classification Ordinance, as amended (the "Classification Ordinance"), which establishes the Class L property tax classification to encourage the preservation and rehabilitation of certain historically and architecturally significant buildings, which will enhance the general character of real estate in the county and contribute to the economic well-being of the county by increasing the level of economic activity, increasing employment opportunities and contributing to the long-term growth of the real property tax base; and

WHEREAS, 1514 West Division LLC, a Delaware limited liability company (the "Owner"), is the owner of the historic building known as the Polish National Alliance Building (the "Building") located at 1514-1520 W. Division in Chicago, Illinois, as more precisely described in Exhibit 1 attached hereto and hereby made a part hereof (the land and improvements thereon being herein referred to as the "Project Real Estate"); and

WHEREAS, it is expected that the City Council of the City (the "City Council") will adopt an ordinance designating the Building as a Chicago Landmark pursuant to the criteria established in Section 2-120-580 et seq. of the Municipal Code of Chicago, and such designation as a Chicago landmark meets the definition of landmark pursuant to Section 1 of the Classification Ordinance; and

WHEREAS, the Owner proposes to rehabilitate the Building thereby preserving the historic building, increasing employment opportunities in the area and contributing to the long-term growth of the real property tax base (the "Project"); and

WHEREAS, it is anticipated that the Project may require a transfer of a beneficial interest in the Owner to one or more entities who will receive an allocation of federal historic rehabilitation tax credits ("Tax Credit Investors"); and

WHEREAS, the Owner anticipates using the Building for the headquarters for Studio Gang Architects, and a portion of the Building located in the basement level and first floor for restaurant or retail space after the Project is completed (the "Use"); and

WHEREAS, the Owner has applied to the Office of the Assessor of Cook County, Illinois (the "Assessor"), for designation of the Project Real Estate as a Class L classification eligible for certain real estate tax incentives pursuant to the Classification Ordinance; and

WHEREAS, pursuant to the Classification Ordinance, the Class L classification is available to real estate which is to be used for commercial or industrial purposes and which (1) is a Landmark (as defined in Section 1 of the Classification Ordinance); and (2) has undergone Substantial Rehabilitation (as defined in Section 1 of the Classification Ordinance), which constitutes an investment by the owner of at least 50 percent of the building's full market value as determined by the Assessor in the assessment year prior to the commencement of the

Substantial Rehabilitation; and the Class L incentive shall apply to the building only, except that if the entire building has been vacant and unused for at least 24 continuous months prior to the filing of the eligibility application with the Assessor, the land upon which the building is situated shall be eligible for the incentive; and

WHEREAS, Section 2 of the Classification Ordinance requires that, in connection with the filing of a Class L eligibility application with the Assessor, an applicant must obtain from the unit of local government in which the real estate is located, an ordinance or resolution which expressly states that the local government: 1) has determined that the incentive provided by Class L is necessary for the Substantial Rehabilitation of the property; 2) supports and consents to the granting of the incentive; and 3) has reviewed and accepted its Preservation Commission's (as defined in Section 1 of the Classification Ordinance) written recommendation of the project for the Class L incentive, specifying the project budget and proposed scope of the work, which meets or exceeds the Standards of the United States Department of the Interior for Rehabilitation, Preservation, Restoration, and Reconstruction of historic properties; and

WHEREAS, the City is a Certified Local Government as defined in Section 1 of the Classification Ordinance and has established the City of Chicago Commission on Chicago Landmarks (the "Landmarks Commission"), and such Landmarks Commission is a Preservation Commission (as defined in Section 1 of the Classification Ordinance); and

WHEREAS, on August 7, 2014, the Landmarks Commission issued a written recommendation of the Project to the City Council; conditioned upon a final determination by the City Council to designate the building as a Chicago landmark, recommending that the Project be approved by the Assessor for the Class L incentive, a copy of which is attached hereto as Exhibit 2 and hereby made a part hereof; and

WHEREAS, the Project Real Estate has not been vacant and unused for the 24 continuous month period prior to the filing of the Class L eligibility application with the Assessor, making the Class L incentive applicable to the Building only; and

WHEREAS, the Department of Planning and Development of the City (the "DPD") has reviewed the proposed Project, has determined that it meets the necessary eligibility requirements for Class L designation, and hereby recommends to City Council that the City expressly determine by ordinance that: 1) the incentive provided by Class L is necessary for the Substantial Rehabilitation of the Project Real Estate; 2) the City supports and consents to the granting of the incentive; and 3) the City has reviewed and accepted the Landmarks Commission's written recommendation of the Project for the Class L incentive, specifying the Project budget and proposed scope of the work, and specifying that the Project meets or exceeds the Standards of the United States Department of the Interior for Rehabilitation, Preservation, Restoration, and Reconstruction of historic properties; **now, therefore,**

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The above recitals are hereby expressly incorporated as if fully set forth herein.

SECTION 2. The City hereby determines that the incentive provided by Class L is

necessary for the Substantial Rehabilitation of the Project Real Estate.

SECTION 3. The City hereby expressly supports and consents to the granting of the Class L incentive. The City's support and consent to the grant of certification for the Class L incentive for the Project Real Estate is expressly conditioned upon the substantial completion of the Project as proposed by the Owner and approved by the City, both upon completion of the Substantial Rehabilitation of the Project Real Estate and during the term of the Class L incentive.

SECTION 4. The Project is anticipated to be completed by December 31, 2015. The Commissioner of DPD (the "Commissioner") or a designee of the Commissioner (together with the Commissioner, an "Authorized Officer") shall have discretion to extend the construction completion date by issuing a written extension letter in response to a written request from the Owner. To the extent that the Project Real Estate is not rehabilitated, used or maintained during the term of the Class L incentive in a manner which is substantially consistent with the approved Project or Use, as determined by the Authorized Officer, the Authorized Officer is hereby authorized to take such steps as may be necessary and appropriate to withdraw the City's support and consent to the Class L incentive, which may cause the Class L certification to be terminated or revoked.

SECTION 5. The City has reviewed and hereby accepts the Landmarks Commission's written recommendation of the Project for the Class L incentive, which specifies the Project budget and proposed scope of the work, and which specifies that the Project meets or exceeds the Standards of the United States Department of the Interior for Rehabilitation, Preservation, Restoration, and Reconstruction of historic properties, a copy of which is attached hereto as Exhibit 2 and made a part hereof.

SECTION 6. The Authorized Officer is hereby authorized to deliver a certified copy of this ordinance to the Assessor and to furnish such additional information as may be required in connection with the filing of the application by the Owner with the Assessor for Class L designation of the Project Real Estate.

SECTION 7. The Authorized Officer is hereby authorized to enter into and execute such instruments and agreements, and perform any and all acts as shall be necessary or advisable in connection with the Project which reflect any terms and conditions as may be imposed or approved in connection with the Project by the Authorized Officer.

SECTION 8. The Authorized Officer is hereby authorized to approve minor changes in the scope of work and budget delineated on (Sub) Exhibits A and B to Exhibit 2 hereof, provided that changes in the Building conditions warrant such changes and will not change the suitability of the Project Real Estate for the Use (all as determined in the sole discretion of the Authorized Officer). Changes to the Project budget delineated on (Sub)Exhibit A to Exhibit 2 shall not require prior City approval provided that the Project is substantially completed in accordance with the scope of work defined in (Sub)Exhibit B to Exhibit 2 and achieves the minimum investment required for Class L eligibility.

SECTION 9. Upon request by the Owner for a final determination of the eligibility of the Project Real Estate for the Class L incentive by the Landmarks Commission pursuant to the Classification Ordinance upon completion of the Substantial Rehabilitation of the Project Real

Estate, the Authorized Officer shall verify that the work performed substantially conforms to the Project approved by the City and that the Project Real Estate is eligible for the Class L incentive (the "Final Determination").

SECTION 10. Any conveyance of all or a portion of the Project Real Estate by the Owner before the Final Determination shall render the support and consent of the City for the Class L incentive set forth hereunder in connection with the Project null and void. Any renewed support and consent of the City for the Class L incentive contemplated in connection with the Project undertaken by a successor in interest to the Owner of the Project Real Estate prior to the Final Determination shall require additional authorization by the City Council. Any change prior to the Final Determination in the direct owners in excess of 7.5% of the Owner or who constitute the direct or indirect controlling parties of the Owner, as determined by the Corporation Counsel (an "Ownership Change"), shall render the support and consent of the City for the Class L incentive set forth hereunder in connection with the Project null and void, unless such Ownership Change is approved by the Authorized Officer in his or her discretion. This Section 10 shall not apply to the transfer of a beneficial interest in the Owner to Tax Credit Investors with respect to the Project, or to the transfer of a leasehold interest in the Project Real Estate to a master tenant entity owned in whole or in part by one or more Tax Credit Investors, provided that such transfers do not involve a change to the direct or indirect controlling parties of the Owner.

SECTION 11. No permit fee waiver(s) pursuant to Section 2-120-815 of the Municipal Code of Chicago from the City related to the Project Real Estate shall be granted to the Owner during the rehabilitation of the Project and prior to the expiration of the Class L incentive related to the Project Real Estate.

SECTION 12. To the extent that any ordinance, resolution, order or provision of the Municipal Code of Chicago, or part thereof, is in conflict with the provisions of this Ordinance, the provisions of this Ordinance shall be controlling. If any section, paragraph, clause or provision shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this Ordinance.

SECTION 13. This Ordinance shall be effective from and after its passage and approval.

ORDINANCE

WHEREAS, the City of Chicago (the "City") is a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois authorized to exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the Cook County Board of Commissioners has enacted the Real Property Assessment Classification Ordinance, as amended (the "Classification Ordinance"), which establishes the Class L property tax classification to encourage the preservation and rehabilitation of certain historically and architecturally significant buildings, which will enhance the general character of real estate in the county and contribute to the economic well-being of the county by increasing the level of economic activity, increasing employment opportunities and contributing to the long-term growth of the real property tax base; and

WHEREAS, AG-OCG 360 North Michigan, L.L.C., a Delaware limited liability company (the "Owner"), is the owner of the historic building known as the London Guarantee Building (the "Building") located at 360 N. Michigan Ave. in Chicago, Illinois, as more precisely described in Exhibit 1 attached hereto and hereby made a part hereof (the land and improvements thereon being herein referred to as the "Project Real Estate"); and

WHEREAS, the City Council of the City (the "City Council") adopted an ordinance ("Designation Ordinance") on April 16, 1996, designating the Building as a Chicago Landmark pursuant to the criteria established in Section 2-120-580 et seq. of the Municipal Code of Chicago, and such designation as a Chicago landmark meets the definition of landmark pursuant to Section 1 of the Classification Ordinance; and

WHEREAS, the Owner proposes to rehabilitate the Building thereby preserving the historic building, increasing employment opportunities in the area and contributing to the long-term growth of the real property tax base (the "Project"); and

WHEREAS, it is anticipated that the Project may require a transfer of a beneficial interest in the Owner to one or more entities who will receive an allocation of federal historic rehabilitation tax credits ("Tax Credit Investors"); and

WHEREAS, the Owner anticipates using the Building as a mixed use hotel and retail building, and other uses permitted by the zoning designation, after the Project is completed (the "Use"); and

WHEREAS, the Owner will apply to the Office of the Assessor of Cook County, Illinois (the "Assessor"), for designation of the Project Real Estate as a Class L classification eligible for certain real estate tax incentives pursuant to the Classification Ordinance; and

WHEREAS, pursuant to the Classification Ordinance, the Class L classification is available to real estate which is to be used for commercial or industrial purposes and which (1) is a Landmark (as defined in Section 1 of the Classification Ordinance); and (2) has undergone Substantial Rehabilitation (as defined in Section 1 of the Classification Ordinance), which constitutes an investment by the owner of at least 50 percent of the building's full market value as determined by the Assessor in the assessment year prior to the commencement of the

Substantial Rehabilitation; and the Class L incentive shall apply to the building only, except that if the entire building has been vacant and unused for at least 24 continuous months prior to the filing of the eligibility application with the Assessor, the land upon which the building is situated shall be eligible for the incentive; and

WHEREAS, Section 2 of the Classification Ordinance requires that, in connection with the filing of a Class L eligibility application with the Assessor, an applicant must obtain from the unit of local government in which the real estate is located, an ordinance or resolution which expressly states that the local government: 1) has determined that the incentive provided by Class L is necessary for the Substantial Rehabilitation of the property; 2) supports and consents to the granting of the incentive; and 3) has reviewed and accepted its Preservation Commission's (as defined in Section 1 of the Classification Ordinance) written recommendation of the project for the Class L incentive, specifying the project budget and proposed scope of the work, which meets or exceeds the Standards of the United States Department of the Interior for Rehabilitation, Preservation, Restoration, and Reconstruction of historic properties; and

WHEREAS, the City is a Certified Local Government as defined in Section 1 of the Classification Ordinance and has established the City of Chicago Commission on Chicago Landmarks (the "Landmarks Commission"), and such Landmarks Commission is a Preservation Commission (as defined in Section 1 of the Classification Ordinance); and

WHEREAS, on September 4, 2014, the Landmarks Commission issued a written recommendation of the Project to the City Council, recommending that the Project be approved by the Assessor for the Class L incentive, a copy of which is attached hereto as Exhibit 2 and hereby made a part hereof; and

WHEREAS, the Project Real Estate has not been vacant and unused for the 24 continuous month period prior to the filing of the Class L eligibility application with the Assessor, making the Class L incentive applicable to the Building only; and

WHEREAS, the City requires, and the Owner has agreed to perform or cause to be performed, certain work as part of the Project as more fully described in Exhibit 3 attached hereto and incorporated herein, in furtherance of the City's efforts to promote a sustainable development policy; and

WHEREAS, the Department of Planning and Development of the City (the "DPD") has reviewed the proposed Project, has determined that it meets the necessary eligibility requirements for Class L designation, and hereby recommends to City Council that the City expressly determine by ordinance that: 1) the incentive provided by Class L is necessary for the Substantial Rehabilitation of the Project Real Estate; 2) the City supports and consents to the granting of the incentive; and 3) the City has reviewed and accepted the Landmarks Commission's written recommendation of the Project for the Class L incentive, specifying the Project budget and proposed scope of the work, and specifying that the Project meets or exceeds the Standards of the United States Department of the Interior for Rehabilitation, Preservation, Restoration, and Reconstruction of historic properties;

WHEREAS, the Designation Ordinance also includes an existing surface parking lot parcel (the "Vacant Lot") located adjacent to the Building; and,

WHEREAS, the Owner intends to construct a new 22-story hotel and retail addition on the Vacant Lot (the "New Addition"); and,

WHEREAS, the Class L incentive is applicable to the existing Building only and does not apply to the New Addition (which is not part of the Project) or any new construction in the Vacant Lot; **now, therefore**

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The above recitals are hereby expressly incorporated as if fully set forth herein.

SECTION 2. The City hereby determines that the incentive provided by Class L is necessary for the Substantial Rehabilitation of the Project Real Estate.

SECTION 3. The City hereby expressly supports and consents to the granting of the Class L incentive. The City's support and consent to the grant of certification for the Class L incentive for the Project Real Estate is expressly conditioned upon the substantial completion of the Project as proposed by the Owner and approved by the City, both upon completion of the Substantial Rehabilitation of the Project Real Estate and during the term of the Class L incentive.

SECTION 4. The Project is anticipated to be completed by September 30, 2016. The Commissioner of DPD (the "Commissioner") or a designee of the Commissioner (together with the Commissioner, an "Authorized Officer") shall have discretion to extend the construction completion date by issuing a written extension letter in response to a written request from the Owner. To the extent that the Project Real Estate is not rehabilitated, used or maintained during the term of the Class L incentive in a manner which is substantially consistent with the approved Project or Use, as determined by the Authorized Officer, the Authorized Officer is hereby authorized to take such steps as may be necessary and appropriate to withdraw the City's support and consent to the Class L incentive, which may cause the Class L certification to be terminated or revoked.

SECTION 5. The City has reviewed and hereby accepts the Landmarks Commission's written recommendation of the Project for the Class L incentive, which specifies the Project budget and proposed scope of the work, and which specifies that the Project meets or exceeds the Standards of the United States Department of the Interior for Rehabilitation, Preservation, Restoration, and Reconstruction of historic properties, a copy of which is attached hereto as Exhibit 2 and made a part hereof.

SECTION 6. The Authorized Officer is hereby authorized to deliver a certified copy of this ordinance to the Assessor and to furnish such additional information as may be required in connection with the filing of the application by the Owner with the Assessor for Class L designation of the Project Real Estate.

SECTION 7. The Authorized Officer is hereby authorized to enter into and execute such instruments and agreements, and perform any and all acts as shall be necessary or advisable in connection with the Project which reflect the terms described in Exhibit 3 hereto, or such other terms and conditions as may be imposed or approved in connection with the Project by the Authorized Officer.

SECTION 8. The Authorized Officer is hereby authorized to approve minor changes in the scope of work delineated on (Sub) Exhibit B to Exhibit 2 hereof, provided that changes in the Building conditions warrant such changes and will not change the suitability of the Project Real Estate for the Use (all as determined in the sole discretion of the Authorized Officer). Changes to the Project budget delineated on (Sub)Exhibit A to Exhibit 2 shall not require prior City approval provided that the Project is substantially completed in accordance with the scope of work defined in (Sub)Exhibit B to Exhibit 2 and achieves the minimum investment required for Class L eligibility.

SECTION 9. Upon request by the Owner, or its successor-in-interest, for a final determination of the eligibility of the Project Real Estate for the Class L incentive by the Landmarks Commission pursuant to the Classification Ordinance upon completion of the Substantial Rehabilitation of the Project Real Estate, the Authorized Officer shall verify that the work performed substantially conforms to the Project approved by the City and that the Project Real Estate is eligible for the Class L incentive (the "Final Determination").

SECTION 10. Prior to the issuance of Final Determination, (i) any conveyance of all or a portion of the Project Real Estate by the Owner, or (ii) any change in the direct owners in excess of 7.5% of the Owner or who constitute the direct or indirect controlling parties of the Owner, as determined by the Corporation Counsel (items (i) and (ii) collectively, an "Ownership Change", the purchaser or new ownership parties collectively, the "Purchaser"), shall render the support and consent of the City for the Class L incentive set forth hereunder in connection with the Project null and void, unless (a) the Purchaser submits relevant Economic Disclosure Statements on the most recent City form, (b) the Purchaser submits information to the City as required to demonstrate no Purchaser outstanding debt to the City, and (c) such Ownership Change is approved by the Authorized Officer in his or her discretion. This Section 10 shall not apply to the transfer of a beneficial interest in the Owner to Tax Credit Investors with respect to the Project, or to the transfer of a leasehold interest in the Project Real Estate to a master tenant entity owned in whole or in part by one or more Tax Credit Investors, provided that such transfers do not involve a change to the direct or indirect controlling parties of the Owner.

SECTION 11. No permit fee waiver(s) pursuant to Section 2-120-815 of the Municipal Code of Chicago from the City related to the Project Real Estate shall be granted to the Owner during the rehabilitation of the Project and prior to the expiration of the Class L incentive related to the Project Real Estate.

SECTION 12. To the extent that any ordinance, resolution, order or provision of the Municipal Code of Chicago, or part thereof, is in conflict with the provisions of this Ordinance, the provisions of this Ordinance shall be controlling. If any section, paragraph, clause or provision shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this Ordinance.

SECTION 13. This Ordinance shall be effective from and after its passage and approval.

October 8, 2014

TO THE HONORABLE, THE CITY COUNCIL
OF THE CITY OF CHICAGO

Ladies and Gentlemen:

At the request of the Commissioner of Planning and Development, I transmit herewith an ordinance authorizing bond inducement language for an issuance of multi-family revenue bonds and associated tax credits for WHP Village, LLC.

Your favorable consideration of this ordinance will be appreciated.

Very truly yours,

Rahm Emanuel

Mayor

ORDINANCE

WHEREAS, the City of Chicago (the "City"), a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois, has heretofore found and does hereby find that there exists within the City a serious shortage of decent, safe and sanitary rental housing available for persons of low and moderate income; and

WHEREAS, the City has determined that the continuance of a shortage of affordable rental housing is harmful to the health, prosperity, economic stability and general welfare of the City; and

WHEREAS, WHP Village, LLC, an Illinois limited liability company (the "Borrower"), the managing member of which is WHP Village Manager, LLC, an Illinois limited liability company, the sole members of which are Brinshore PL, LLC, and Michaels Chicago Holding Company, LLC, each an Illinois limited liability company, has proposed a certain low-income housing development project consisting of the acquisition of a leasehold interest in real property, rehabilitation, and equipping thereon of a total of approximately 199 residential dwelling units in twenty buildings located generally between West Lake Street, North Damen Avenue, West Maypole Avenue and North Leavitt Street, in the City and known as The Villages of Westhaven (the "Project"); and

WHEREAS, the Borrower has requested that the City issue multi-family housing revenue bonds, notes or other indebtedness in an amount not to exceed $45,000,000 (the "Bonds") for the purpose of financing all or a portion of the Project costs; and

WHEREAS, it is intended that the interest on the Bonds will be excluded from gross income for federal income tax purposes; and

WHEREAS, it is intended that this ordinance shall constitute a declaration of intent to reimburse certain eligible expenditures for the Project made prior to the issuance of the Bonds from the proceeds of the Bonds (if and when issued) within the meaning of Section 1.150-2 of the Treasury Regulations promulgated under the Internal Revenue Code of 1986, as amended (the "Treasury Regulations"); now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The above recitals are expressly incorporated in and made a part of this ordinance as though fully set forth herein.

SECTION 2. The City intends to issue the Bonds and lend the proceeds thereof to the Borrower, or an entity affiliated with or related to the Borrower, for the purpose of financing all or a portion of the Project costs. The maximum principal amount of Bonds which the City intends to issue for the Project will not exceed $45,000,000.

SECTION 3. Certain costs will be incurred by the Borrower, or an entity affiliated with or related to the Borrower, in connection with the Project prior to the issuance of the Bonds. The City reasonably expects to reimburse original expenditures (as that term is defined in the Treasury Regulations) incurred within 60 days preceding the adoption of this ordinance with respect to the Project with proceeds of the Bonds.

SECTION 4. The costs to be reimbursed will be paid from funds of the Borrower, or an entity affiliated with or related to the Borrower, which have been allocated to other purposes.

SECTION 5. This ordinance is consistent with the budgetary and financial circumstances of the City. No funds from sources other than the Bonds are, or are reasonably expected to be, reserved, allocated on a long-term basis or otherwise set aside by the City for the Project for costs to be paid from the proceeds of the Bonds.

SECTION 6. This ordinance constitutes a declaration of official intent under the Treasury Regulations.

SECTION 7. To the extent that any ordinance, resolution, rule, order or provision of the Municipal Code, or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall control. If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this ordinance.

SECTION 8. This ordinance shall be effective as of the date of its passage and approval.

WHEREAS, pursuant to the provisions of Article 34 of the School Code of the State of Illinois, as amended, the City, having a population exceeding 500,000, constitutes one school district, which school district is a body politic and corporate by the name of the "Board of Education of the City of Chicago" (the *"Board"*); and

WHEREAS, the Board desires to implement high quality pre-kindergarten programs (collectively, the *"CPS CPC Program"*) in certain schools serving at-risk children, in order to increase school readiness and reduce later public school spending on special education, student retention, individual intervention and English language training; and

WHEREAS, it is in the best interests of the inhabitants of the City that the City provide assistance to the Board through support of the CPS CPC Program and the benefits that will result from the CPS CPC Program; and

WHEREAS, the City will secure the funds necessary to support the CPS CPC Program through certain borrowings (the *"Loan Advances"*) from IFF Pay For Success I, LLC, an Illinois limited liability company (the *"Project Coordinator"*), pursuant to the terms of a Loan Agreement and Pay For Success Contract between the City, acting through its Department of Family and Support Services (*"DFSS"*), and the Project Coordinator in substantially the form attached hereto as *Exhibit I* (the *"Pay For Success Contract"*); and

WHEREAS, the obligation of the City to make City Pay-For-Success Payments to the extent the same shall become due and payable in accordance with the terms of the Pay For Success Contract will be secured by the deposit from time to time of certain appropriated funds of the City into certain Subaccounts held pursuant to an Escrow Agreement among the City, the Project Coordinator and an Escrow Agent designated as provided in Section 4 hereof, in substantially the form attached hereto as *Exhibit III* (the *"Escrow Agreement"*); and

ARTICLE I.

INTRODUCTION

Section 1.01. Term of this Contract. This Contract and the rights and obligations of the Parties will become effective on, and services under this Contract will commence as of, the date hereof, and will remain in effect until the last payments due from the City (either as payments of City Pay-For-Success Payments or transfers of Board Pay-For-Success Payments made pursuant to the Intergovernmental Agreement) are paid in accordance with this Contract (the *"Final Termination Date"*), unless terminated earlier or extended pursuant to the terms of this Contract.

Section 1.02. Purpose. The purpose of this Contract is to provide for the funding of the CPS CPC Program to the extent provided herein and to establish the method of determining Pay-For-Success Payments and the terms under which Pay-For-Success Payments will be made.

Section 1.03. Project Year Supplements. The City shall direct the Board to prepare (in consultation with the Technical Services Provider), not later than June 1 of each Project Year, commencing with the Initial Project Year, a Project Year Supplement for the Subsequent Project Year. If necessary, the deadline for the Board to prepare the Project Year Supplement can be extended twice, each extension for a period of up to one month and each extension with the Approval of the Lender Committee; provided, however, the deadline for preparation of such Project Year Supplement for the Subsequent Project Year shall not extend beyond July 31, unless waived by the City with the Approval of the Lender Committee. In order for a Project Year Supplement to be adopted, it will be necessary for the Board, the City and the Project Coordinator, with the Approval of the Lender Committee, to agree upon the Project Year Supplement for the Subsequent Project Year by August 15. As and when a Project Year Supplement is mutually agreed to by the Board, the City and the Project Coordinator, with the

Approval of the Lender Committee, the terms of such Project Year Supplement will be deemed to be incorporated by reference herein, and, to the extent provided by any Project Year Supplement, the terms of such Project Year Supplement and any applicable appendices thereto will replace and supersede the corresponding provisions and/or appendices of this Contract. Each Project Year Supplement will set forth for the applicable Subsequent Project Year: (i) the Board Project Year Budgeted Amount, (ii) the City Project Year Appropriated Amount, (iii) the size of the Subsequent Project Year Cohort, (iv) the Project Year Budget including the IFF Program Transfer Amounts, (v) the "base case" level of Pay-For-Success Payments resulting from a change in the size of the Subsequent Project Year Cohort and (vi) any revisions to the Core Program Principles for the Subsequent Project Year.

ARTICLE II.

CPS CPC PROGRAM; PERFORMANCE TARGETS

Section 2.01. Description of CPS CPC Program. The five major goals of the CPS CPC Program are to (1) promote readiness for kindergarten in language and literacy, math, science, and socio-emotional learning; (2) increase proficiency and excellence in early school achievement, including reading, math, and science; (3) enhance social adjustment and psychological development in the early grades, including socio-emotional learning, school commitment, and self-control; (4) increase parent involvement and engagement in children's education throughout early childhood; and (5) enhance educational attainment, career opportunities, and the personal development for parents and family members.

Section 2.02. Performance Measurement. As set out in the Evaluation Plan, which is attached hereto as *Appendix B*, the City will direct the Escrow Agent to transfer funds from the City PFS Escrow Account to the City Designated Account based on the Evaluator's evaluation of the CPS CPC Program's success with respect to (i) Kindergarten Readiness and (ii) Third Grade Literacy. In addition, as set out in Section 3.02(a) hereof, the City will direct the Board to transfer to the Board Designated Account any Board Pay-For-Success Payments owed to the City pursuant to the Intergovernmental Agreement. Reference is made to the attached Evaluation Plan for a detailed description of the evaluation criteria and performance measurement criteria. The Project Coordinator shall not amend or waive any provision of the Evaluation Plan without the prior written consent of the Board and the City and the Approval of the Lender Committee.

Section 2.03. Evaluation Roles. (a) Simultaneously with the execution and delivery of this Contract, the Project Coordinator is entering into the Evaluation Agreement with the Evaluator. The parties hereto anticipate that the Evaluator will deliver a final Evaluation Plan within ninety (90) days of the funding of the initial Loan Advance. Pursuant to the Evaluation Agreement, the Evaluator will be responsible for, all in accordance with the Evaluation Plan, (i) determining the CPS CPC Program's demonstrated success with respect to Kindergarten Readiness, Third Grade Literacy and reductions in the use of SPED resources, (ii) making the calculations described in Sections 3.01(a) and 3.01(b) of this Contract and in Article Four of the Intergovernmental Agreement, (iii) applying the evaluation criteria, performance measurement criteria and evaluation methodology set forth in the Evaluation Plan, (iv) giving notice to the

Board, the City, the Project Coordinator and the Lenders of the amounts due as Pay-For-Success Payments, and (v) performing such other functions as are set forth in the Evaluation Plan and the Evaluation Agreement. The Project Coordinator shall not replace the Evaluator or any successor thereto or amend or waive or consent to any deviation from any provision of the Evaluation Agreement without the prior written approval of the Board and the City with the Approval of the Lender Committee. For the Project Years ending June 30, 2015 and 2016, the Project Coordinator shall compensate the Evaluator, for all services provided pursuant to the Evaluation Agreement, using proceeds of a grant provided by the Finnegan Family Foundation. For the Project Years commencing with the Project Year ending June 30, 2017, the City shall use Other Funding Sources to compensate the Project Coordinator, who shall use such funds to pay the Evaluator, to the extent Other Funding Sources are available for such purpose. To the extent that Other Funding Sources are not available to compensate the Evaluator for the Project Years commencing with the Project Year ending June 30, 2017, the City shall use proceeds of Loan Advances to compensate the Project Coordinator, which Loan Advances shall be in the maximum aggregate principal amount of $319,000. No such use of Loan Advances to pay the Evaluator shall increase the City's maximum obligations to make City Pay-For-Success Payments hereunder or the Board's maximum obligations to make Board Pay-For-Success Payments under the Intergovernmental Agreement.

(b) Simultaneously with the execution and delivery of this Contract, the Project Coordinator is entering into the Technical Services Agreement with the Technical Services Provider. The Project Coordinator shall not replace the Technical Services Provider without the prior written approval of the Board and the City with the Approval of the Lender Committee. The City shall use certain proceeds of the initial Loan Advance to compensate the Project Coordinator, who shall use such funds to pay the Technical Services Provider, for all services provided pursuant to the Technical Services Agreement during the Initial Project Year, all as specified in *Appendix C* hereto. For Project Years subsequent to the Initial Project Year, the Project Coordinator shall compensate the Technical Services Provider from Other Funding Sources to the extent Other Funding Sources are available. In the event that Other Funding Sources are not available to compensate the Technical Services Provider, the Technical Services Provider's role with respect to the CPS CPC Program will terminate.

(c) The Project Coordinator shall not, without the prior written consent of the Board and the City, certify any fee or expense amount to the Lender Representative.

(d) The City shall use certain proceeds of the initial Loan Advance to compensate the Project Coordinator, who shall use such funds to pay the attorneys listed in *Appendix C* hereto (the *"Attorneys"*), for all services provided in connection with the transactions described herein, in the amounts specified in *Appendix C* hereto.

Section 2.04. Provision of Information. Each of the Parties hereby agrees to provide, and the City shall require in the Intergovernmental Agreement that the Board shall provide, such information as is required pursuant to this Contract and/or the Evaluation Plan to each other and to the Evaluator as is necessary for each Party to carry out its respective evaluation and other responsibilities in accordance with this Contract and the Evaluation Plan. Each of the Parties acknowledges that it will be bound by publicity provisions included as *Appendix D* hereto, which

provisions are deemed to be incorporated by reference into this Contract. The Project Coordinator shall not, without the prior written consent of the City and the Board, disseminate or release, or consent to the dissemination or release by the Lenders of, any Promotional Material (as defined in the GSSIF Senior Loan Agreement).

In the event that the Project Coordinator or the Evaluator shall resign or be replaced, the Project Coordinator shall, and shall direct the Evaluator to, return all documents, analyses and other data prepared by or received from the Evaluator under the Evaluation Agreement (the *"Work Products"*) to the Board. The Project Coordinator may furnish Work Products and copies thereof to the Lenders, its legal advisors and accountants, or, with the consent of the City and the Board, to other parties.

Section 2.05. Funding of CPS CPC Program. (a) The Initial Project Year Funding Schedule is set forth in the Funding Plan attached as *Appendix C* to this Contract under the heading "Initial Project Year Funding Schedule." The Subsequent Project Year Funding Schedule for each Subsequent Project Year shall be set forth in the Project Year Supplement for such Project Year. A Funding Schedule may be amended or modified from time to time by replacement of the Funding Schedule by the Project Coordinator with the prior written approval of the Board and the City and the Approval of the Lender Committee. The Project Year Budget for the Initial Project Year is attached as part of *Appendix C* to this Contract under the heading "Initial Project Year Budget." The Project Year Budget for each Subsequent Project Year shall be set forth in the applicable Project Year Supplement for such Project Year. A Project Year Budget may be amended from time to time with the prior written approval of the Board, the City and the Project Coordinator and the Approval of the Lender Committee. The Project Coordinator and the City agree that the Funding Schedule and the Project Year Budget are based on a "base case" level of Pay-For-Success Payments and that actual Pay-For-Success Payments may be greater or lesser than the "base case" and the CPS CPC Program costs may be less than the "base case" as required by the terms of this Contract depending on the operational savings realized by a reduction in the number of children in the CPS CPC Program Population (provided that in no event will any reduction in any Project Year Cohort be made without the prior written approval of the Board and the City and the Approval of the Lender Committee).

(b) The Project Coordinator shall loan the IFF Program Transfer Amounts for each Project Year (each, a *"Loan Advance"*) to the City hereunder in accordance with the applicable Program Budget to fund the CPS CPC Program. Such IFF Program Transfer Amounts shall be transferred, on behalf of the City to satisfy its obligations under the Intergovernmental Agreement, by the Project Coordinator promptly upon receipt from the Lenders, or by the Lenders directly, to an account designated by the Board. To the extent that the Project Coordinator does not receive any IFF Program Transfer Amounts from the Lenders, the Project Coordinator's obligation set forth in this paragraph shall be of no force and effect with respect to such amounts.

ARTICLE III.

PAY-FOR-SUCCESS PAYMENTS

Section 3.01. City Pay-For-Success Payments Calculation, Payment and Cap.

(a) *Kindergarten Readiness.* Pursuant to the Evaluation Agreement, commencing with the Project Year ending June 30, 2016 and ending on June 30 of the last Project Year in which a Project Year Cohort completes kindergarten, the Project Coordinator will direct the Evaluator to calculate, in accordance with the Evaluation Plan, the Total Number of Kindergarten Ready Children (as such term is used and described in the Evaluation Plan) for the applicable Project Year Cohort and to notify the City, the Project Coordinator, the Board and the Lenders by the October 1 following the completion of each Project Year to be evaluated of the amount of City Pay-For-Success Payments due from the City as a result (the *"Kindergarten Readiness Payments"*); *provided, however*, that if the City shall determine, within ten (10) Business Days of receipt of such notice, that the calculation of the amounts set forth by the Evaluator contains any manifest mathematical error, the City shall give notice describing such error to the Evaluator, the Board, the Project Coordinator and the Lenders, and each of such parties will work in good faith to resolve the error (and upon such resolution the City shall promptly pay the required amount as so resolved). The Kindergarten Readiness Payments shall be transferred from the City PFS Escrow Account to the City Designated Account within thirty days after the date of such notice from the Evaluator.

(b) *Third Grade Literacy.* Pursuant to the Evaluation Agreement, commencing with the Project Year ending June 30, 2019 and ending on June 30 of the last Project Year in which a Project Year Cohort completes third grade, the Project Coordinator will direct the Evaluator to calculate, in accordance with the Evaluation Plan, the Total Number of Third Grade Children Reading at Grade Level (as such term is used and described in the Evaluation Plan) for the applicable Project Year Cohort and to notify the City, the Project Coordinator, the Board and the Lenders by the October 1 following completion of each Project Year to be evaluated of the amount of City Pay-For-Success Payments due from the City as a result (the *"Third Grade Literacy Payments"* and, together with the Kindergarten Readiness Payments, the *"City Pay-For-Success Payments"*); *provided, however*, that if the City shall determine, within ten (10) Business Days of receipt of such notice, that the calculation of the amounts set forth by the Evaluator contains any manifest mathematical error, the City shall give notice describing such error to the Evaluator, the Board, the Project Coordinator and the Lenders, and each of such parties will work in good faith to resolve the error (and upon such resolution the City shall promptly pay the required amount as so resolved). Such Third Grade Literacy Payments shall be transferred from the City PFS Escrow Account to the City Designated Account within thirty days after the date of such notice from the Evaluator. If the results of the Third Grade Literacy Test do not reflect CPC Funded Program Enrollees' performance At Grade Level that is consistent with Historic Results, then the Project Coordinator and the City with the Approval of the Lender Committee will select an alternative Third Grade Literacy Test under which the percentage of CPC Funded Program Enrollees who perform At Grade Level is consistent with Historic Results.

(c) *Lack of Information from Board.* If, after receipt of notice (provided in accordance with the Evaluation Agreement) from the Evaluator to the Board that specified information that the Board is responsible for providing to the Evaluator and that is required to calculate Pay-For-Success Payments with respect to a particular Project Year Cohort in accordance with the Evaluation Agreement, the Board fails to provide such information required by the Evaluator with respect to such Project Year Cohort within 14 Business Days, the City Pay-For-Success Payments shall be calculated in accordance with Article Two, Section 5(e) of the Intergovernmental Agreement.

(d) *Caps on City's Pay-For-Success Payments.* The City Pay-For-Success Payments to be made pursuant to Section 3.01(a) and Section 3.01(b) above shall be capped in accordance with the provisions of *Appendix C* hereto for purposes of the Initial Project Year Cohort, the related Project Year Supplement for each Subsequent Project Year Cohort and the Pay For Success Escrow Agreement.

(e) The Project Coordinator and the City agree that the City shall not under any circumstances cause any City Pay-For-Success Payment to be made other than to the City Designated Account.

(f) If for any Project Year no notice described in Section 3.01(a) or (b) is received by the City from the Evaluator by October 15 of the applicable Project Year, then the City shall notify the Board, the Project Coordinator and the Lender Committee of such failure, and the Project Coordinator shall replace the Evaluator as promptly as practicable, subject to the approval of the City and the Board and the Approval of the Lender Committee.

Section 3.02. Board Pay-For-Success Payments Calculation, Payment and Cap.

(a) *Reduction in SPED Spending.* Pursuant to the Evaluation Agreement, commencing with the Project Year ending June 30, 2016 and ending on June 30 of the last Project Year in which a Project Year Cohort completes sixth grade, the Project Coordinator will direct the Evaluator to calculate, in accordance with the Evaluation Plan, the Total Number of Special Education Slots Avoided (as such term is used and described in the Evaluation Plan) for each Project Year Cohort and to notify the City, the Project Coordinator, the Board and the Lenders by the October 1 following completion of each Project Year to be evaluated of the amount of Board Pay-For-Success Payments due from the Board as a result (the *"SPED Payments"*); *provided, however*, that if the Board shall determine, within ten (10) Business Days of receipt of such notice, that the calculation of the amounts set forth by the Evaluator contains any manifest mathematical error, the Board shall give notice describing such error to the Evaluator, the City, the Project Coordinator and the Lenders, and each of such parties will work in good faith to resolve the error (and upon such resolution the Board shall promptly pay the required amount as so resolved). Pursuant to the Intergovernmental Agreement, the City has directed the Board to deposit such SPED Payments in the Board Designated Account.

(b) *Lack of Information from Board.* If, after receipt of notice (provided in accordance with the Evaluation Agreement) from the Evaluator to the Board that specified information that the Board is responsible for providing to the Evaluator and that is required to

calculate Pay-For-Success Payments with respect to a particular Project Year Cohort in accordance with the Evaluation Agreement, the Board fails to provide such information required by the Evaluator with respect to such Project Year Cohort within 14 Business Days, the Board Pay-For-Success Payments shall be calculated in accordance with Article Two, Section 5(e) of the Intergovernmental Agreement.

(c) *Caps on Board's Pay-For-Success Payments.* The Board Pay-For-Success Payments to be made pursuant to Section 3.02(a) above shall be capped in accordance with the provisions of the Intergovernmental Agreement and as set forth in *Appendix C.*

(d) The Project Coordinator and the City agree that the City shall not under any circumstances cause any Board Pay-For-Success Payment received by the City to be made other than to the Board Designated Account.

Section 3.03. City PFS Escrow Account. The City PFS Escrow Account has been established pursuant to the Pay-For-Success Escrow Agreement and subject to terms that have been approved by the Project Coordinator and the Lender Committee. The Initial City Project Year Appropriated Amount in an amount equal to $624,253 has been deposited into the City PFS Escrow Account for the Initial Project Year pursuant to the Ordinance. For each Subsequent Project Year, the City shall deposit the City Project Year Appropriated Amount for such Subsequent Project Year into the City PFS Escrow Account. The terms of the Pay-For-Success Escrow Agreement shall not be modified, revoked or amended without prior Approval of the Lender Committee. During the year immediately preceding each of the first three Subsequent Project Years, the City shall cause the Office of Budget and Management of the City and the Mayor to include in the proposed annual budget submitted to the City Council an amount equal to the City Project Year Appropriated Amount set forth on *Appendix C* under the heading "Projected City Project Year Appropriated Amount" for any Subsequent Project Year. The parties hereto acknowledge and agree that there shall be no default by the City hereunder if the City Project Year Appropriated Amount is not included (or is only partially included) in the budget adopted by the City Council, and the City acknowledges that in such event the Lenders will have the discretion not to make any further Loans for the applicable Project Year.

Section 3.04. Investments. The funds on deposit in the City PFS Escrow Account shall be invested in accordance with the Pay-For-Success Escrow Agreement.

Section 3.05. Wind-Up. Not later than 15 Business Days following the final payment of City Pay-For-Success Payments due hereunder, any remaining amounts in the City PFS Escrow Account that are not otherwise due to the Project Coordinator will be released to the City pursuant to the terms of the Pay-For-Success Escrow Agreement.

Section 3.06. Limitation on City Obligations. (a) The obligation of the City to fund City Pay-For-Success Payments or to make any other payments required by this Contract shall not constitute a general obligation of the City. All City Pay-For-Success Payments to be made by the City for each Project Year hereunder shall be made solely and only from the City Project Year Appropriated Amount on deposit in the City PFS Escrow Account for such Project Year.

(b) The City covenants and agrees that once any City Project Year Appropriated Amount has been deposited in the City PFS Escrow Account, there is no legal or other requirement pursuant to which the authority of the City to disburse such City Project Year Appropriated Amount pursuant to this Contract can be affected or such City Project Year Appropriated Amount can be withdrawn, reduced or applied other than in accordance with this Contract.

(c) The obligation of the City to transfer Board Pay-For-Success Payments to the Project Coordinator or to make any other payments required by this Contract on behalf of the Board shall not constitute a general obligation of the City and shall be made solely upon receipt by the City of the Board Pay-For-Success Payments from the Board necessary to make such payments pursuant to the Intergovernmental Agreement.

(d) The City has no obligation to implement, supervise or maintain the CPS CPC Program.

Section 3.07. City Pay-For-Success Payments. On each date that City Pay-For-Success Payments are due from the City pursuant to Section 3.01(a) and/or Section 3.01(b) above, the City shall direct the Escrow Agent to withdraw the required amount from the City PFS Escrow Account and wire transfer such amount to the City Designated Account in accordance with this Contract and the Pay-For-Success Escrow Agreement.

Section 3.08. Board Pay-For-Success Payments. On each date that Board Pay-For-Success Payments are due pursuant to Section 3.02(a) above, the City shall require the Board, pursuant to the Intergovernmental Agreement, to wire transfer such amounts to the Board Designated Account.

Section 3.09. Repayment of Loan Advances. The Pay-For-Success Payments deposited in the Designated Accounts pursuant to this Contract shall constitute repayment of the Loan Advances made by the Project Coordinator to the City hereunder. The parties hereto acknowledge that it is expected that the Project Coordinator will apply the funds on deposit in the Designated Accounts in accordance with the Priority of Payments Schedule. Each Loan Advance shall bear interest at the rate of 0% per annum. The maximum aggregate principal amount of the Loan Advances to be made hereunder is $_____. The final maturity date of the Loan Advances is December 31 of the year that the last Subsequent Project Year Cohort completes twelfth (12th) grade. Upon any waiver, extension or forgiveness of repayment of the Loans by the Lenders, the Project Coordinator shall notify the City and the Board of any such waiver, extension or forgiveness and payment by the City of the corresponding amount of Loan Advances shall be likewise waived, extended or forgiven. The Lenders and the Project Coordinator shall cooperate in good faith with the City and the Board to agree upon and determine any corresponding changes that are required in the amount of any City Pay-For-Success Payments or Board Pay-For-Success Payments as a result of such waiver, forgiveness or extension of the corresponding amount of Loan Advances.

Section 3.10. Payment of the Project Coordinator Fees and Expenses. The parties hereto agree that the Project Coordinator will be compensated in the amounts and at the times set

forth in *Appendix C* hereto for all services provided pursuant to this Agreement and the Loan Agreements, and all audit and tax expenses of the Project Coordinator (which expenses are capped at $10,000 annually) will be reimbursed, from proceeds of the initial Loan Advance for each Project Year made by the Project Coordinator to the City. The fee of the Project Coordinator shall be deemed to be earned in accordance with *Appendix C* hereto. If at any time the Project Coordinator resigns or is replaced and is required, pursuant to the terms of the Loan Agreements, to repay any unearned portion of its compensation to the Lenders, the return of such unearned portion shall be deemed a repayment of the corresponding amount of a Loan Advance but shall not result in any adjustment in the amount of any City Pay-For-Success Payments or Board Pay-For-Success Payments.

Section 3.11. Third Party Fees. The Project Coordinator shall be solely responsible to pay any and all third party vendors', advisors', legal counsel's and other professional service providers' costs, fees and expenses incurred in management of this Contract and any related agreements (other than the costs, fees and expenses of the Evaluator, the Technical Services Provider and the Attorneys, which are being paid as provided herein) and performing its obligations hereunder and thereunder, and the City shall have no liability for any of the foregoing costs, fees and expenses, including, but not limited to, fees paid to any financial advisor for assisting with this Contract and identifying and enlisting the Lenders for services provided under this Contract; provided, however, that the fees of the Evaluator, the Technical Services Provider and the Attorneys shall be paid from the sources of funds identified in Section 2.03(a), (b) and (d).

Section 3.12. Termination With Respect to Subsequent Project Year. If, for any Subsequent Project Year, the Board Project Year Budgeted Amount or the City Project Year Appropriated Amount is less than the amount reflected for such Subsequent Project Year in *Appendix C* hereto under the heading "Projected Board Budgeted Program Funds", "Projected Board Pay-For-Success Funds" or "Projected City Project Year Appropriated Amount," respectively, or a Project Year Supplement is not mutually agreed to by the Board, the City and the Project Coordinator with Approval of the Lender Committee, then each of the City and the Project Coordinator shall have the right by notice to the other and to the Lenders to terminate this Contract with respect to such and all future Subsequent Project Years; *provided*, that no such termination shall affect the obligations of the Project Coordinator and the City pursuant to this Contract for the Initial Project Year and any Subsequent Project Years prior to the Subsequent Project Year with respect to which such notice of termination is given.

ARTICLE IV.

The Project Coordinator shall direct the Board to prepare and submit a quarterly report (except during the Initial Project Year, when the Board shall prepare and submit a monthly report) (the *"CPS CPC Program Services Report"*) to the Steering Committee for the Steering Committee's review and discussion.

(a) The Steering Committee shall hold quarterly meetings (except during the Initial Project Year when such meetings shall be held monthly) (an *"Operational Meeting"*) during the term of this Contract. Each Operational Meeting may be attended by the Evaluator. In addition, each Lender is entitled to have one representative attend meetings of the Steering Committee; *provided* that (i) such representative will not have the right to vote on any matter before the Steering Committee; and (ii) the Lenders or their representatives shall not attend any part of an Operational Meeting that addresses an identifiable individual CPC Funded Program Enrollee.

The notice for the special meeting of the Steering Committee shall include the agenda and reason for the special meeting.

(e) All Operational Meetings may be held in person or by phone or similar communication medium.

The execution and delivery of this Contract, the performance of the obligations hereunder, and the consummation of the transactions contemplated hereby have been duly authorized by all necessary action on the part of the City and no other proceedings or actions on the part of the City are necessary to authorize the execution and delivery of this Contract and the consummation of the transactions contemplated hereby. This Contract has been duly and validly executed and delivered by the City and constitutes a valid and binding obligation of the City, enforceable in accordance with its terms, except as enforcement may be limited by (i) bankruptcy, insolvency, reorganization, moratorium or other laws of general application affecting enforcement of creditors' rights generally, or (ii) laws relating to the availability of specific performance, injunctive relief or other equitable remedies. The amounts deposited by the City into the City PFS Escrow Account in accordance with this Contract are and will be free and clear of any pledge, lien, charge or encumbrance with respect thereto prior to, or of equal rank with, the pledge created by this Contract. The City shall at all times, to the extent permitted by law, defend, preserve and protect the pledge of the amounts under this Contract and all the rights of the Project Coordinator and its successors and permitted assigns under this Contract against all claims and demands of all persons whomsoever.

Section 6.03. Covenant as to City PFS Escrow Account. The City covenants and agrees that amounts deposited to the City PFS Escrow Account shall not be diverted from the purposes identified in this Contract except as provided herein.

Section 6.04. Non-Contravention; No Violation. Neither the adoption of the Ordinance and compliance with the provisions thereof nor the execution and delivery of and performance

by the City of its obligations under this Contract violate any applicable law or administrative regulation of the State of Illinois or the United States of America or any department, division, agency or instrumentality of either, or any applicable judgment or decree to which the City is subject, or conflicts in a material manner with, or constitutes a material breach of or a material default under, any loan agreement, bond, note, resolution, ordinance, indenture, agreement or other instrument to which the City is a party or is otherwise subject.

ARTICLE VII.

REMEDIES, POWERS AND OBLIGATIONS AND INDEMNIFICATION OF THE PROJECT COORDINATOR

Section 7.01. Timeliness of Pay-For-Success Payments. If the City fails to make any Pay-For-Success Payment required by this Contract when due, the Project Coordinator will provide notice to the City of such failure (and if the Project Coordinator fails to give such notice, the Lender Representative may give such notice to the City), and the City will have 30 days after the receipt of such notice to make such Pay-For-Success Payment (at the end of which period if the required Pay-For-Success Payment has not been made then the City will be deemed to be in breach of its obligations to make Pay-for-Success Payments under this Contract, subject to the limitations on obligations to make Board Pay-for-Success Payments set forth in Section 7.02 below).

Section 7.02. Remedies for Breach by the City. If the City is in breach of its obligations to make Pay-For-Success Payments under this Contract, then the Project Coordinator may proceed to protect its rights hereunder and may seek to compel compliance by the City with the terms and provisions hereof by suit or suits in equity or at law, for the specific performance of any covenant, term or condition hereof, or in aid of the execution of any power herein granted, and may exercise any other right or remedy upon such breach as may be granted under any other applicable provisions of law. Nothing herein shall permit the Project Coordinator to compel the City Council of the City to include a City Project Year Appropriated Amount in any final budget or annual appropriation ordinance approved by the City Council for any year. Notwithstanding anything to the contrary contained herein, the parties acknowledge and agree that in no event shall the City be held responsible for any failure of the Board to perform its obligations or make

its required payments under the Intergovernmental Agreement with the City or for the Board's misconduct or negligence.

Section 7.03. Termination of the Project Coordinator Services. If the Project Coordinator fails to perform its obligations hereunder in any material respect and does not cure such failure within thirty days after having received written notice of such failure from the City, the City may terminate the Project Coordinator's participation under this Contract in accordance with the provisions of Section 7.11.

Section 7.04. Enforcement of Rights. The City may proceed to protect its rights hereunder and may seek to compel compliance by the Project Coordinator with the terms and provisions hereof by suit or suits in equity or at law, for the specific performance of any covenant, term or condition hereof, or in aid of the execution of any power herein granted, and may exercise any other right or remedy upon such default as may be granted under any other applicable provisions of law.

Section 7.05. Powers of the Project Coordinator. The Project Coordinator is irrevocably authorized and empowered to (a) enter into and perform its obligations under this Contract, the other Core Documents, and any other agreement to which it may be a party in connection with the CPS CPC Program and (b) to act as set forth in this Contract or as requested by an unanimous act of the City, the Board, and the Lenders.

Section 7.06. No Implied Duties. The Project Coordinator shall not have any duties, responsibilities, or obligations other than those expressly assumed by it in this Contract and the other Core Documents to which it is a party. The Project Coordinator shall not be required to take any action that is contrary to applicable law or any provision of this Contract, or the other Core Documents to which it is a party or that may result in recourse liability to it or its parent.

Section 7.07. Appointment of Agents and Advisors. The Project Coordinator may execute any of the powers hereunder or perform any duties hereunder either directly or by or through agents, attorneys, accountants, appraisers, or other experts or advisors selected by it in good faith as it reasonably requires, *provided* that no such execution shall relieve the Project Coordinator from any responsibility that it would have had it executed such powers or duties directly.

Section 7.08. Solicitation of Instruction. (a) The Project Coordinator may at any time solicit written confirmatory instructions, in the form of a unanimous written instruction of the City, the Board and the Lenders (a "*Unanimous Act of the Program Parties*") or an order of a court of competent jurisdiction, as to any action that it is requested to take, or that it proposes to take, in the performance of any of its obligations under this Contract or any other Core Document that is not clearly provided for or as to which the Project Coordinator has reasonable doubt as to the terms of such obligation.

(b) No written direction given to the Project Coordinator by a Unanimous Act of the Program Parties that is not otherwise expressly provided for in this Contract or another Core Document and that in the reasonable judgment of the Project Coordinator imposes, purports to

impose, or would reasonably be expected to impose upon the Project Coordinator any obligation or liability not set forth in or arising under this Contract and the other Core Documents shall be binding upon the Project Coordinator unless the Project Coordinator elects, at its sole option, to accept such direction. The acceptance of such direction may be conditioned upon the delivery to the Project Coordinator of security or indemnity satisfactory to the Project Coordinator against any and all costs, losses, liabilities, or expenses that may be incurred by it by reason of taking or continuing to take such direction.

Section 7.09. Indemnification. The City further agrees to indemnify and save the Project Coordinator harmless against any liabilities which it may incur in the exercise and performance of its powers and duties hereunder that are not due to its negligence or default; provided, however, that any payments required for such indemnification are subject to funds being legally available therefor.

Section 7.10. Entitled to Rely. The Project Coordinator may seek and rely upon, and shall be fully protected in relying upon, any judicial order or judgment, any advice, opinion or statement of legal counsel, independent consultants, and other experts selected by it in good faith and upon any certification, instruction, notice, opinion, report, or other writing delivered to it by any transaction participant (including, without limitation, the Evaluator and the Technical Services Provider) in compliance with the provisions of this Contract, or any other Core Document, without being required to determine the authenticity thereof, the correctness of any fact stated therein, or the propriety or validity of service thereof.

Section 7.11. Resignation or Removal of the Project Coordinator. Subject to and effective only upon (i) the appointment of a successor Project Coordinator as provided in Section 7.12, (ii) the acceptance of such appointment by the successor Project Coordinator in a written instrument that is accepted by the City and the Board, (iii) the assumption by such successor Project Coordinator of the obligations of the Project Coordinator under the Loan Documents in a written assumption agreement and (iv) Approval of the Lender Committee:

(a) the Project Coordinator may resign at any time by giving not less than 45 days' notice of resignation to each of the Lenders, the Evaluator, the City and the Board, provided that such notice period may be waived by the Unanimous Act of the Program Parties; and

(b) the Project Coordinator may be removed at any time, with or without cause, by Unanimous Act of the Program Parties.

Section 7.12. Appointment of Successor to the Project Coordinator. Upon any such resignation or removal described in Section 7.11, a successor to the Project Coordinator may be appointed by a Unanimous Act of the Program Parties. If no successor to the Project Coordinator has been so appointed and accepted such appointment within 120 days after the predecessor Project Coordinator gave notice of resignation or was removed, the retiring Project Coordinator may petition any court of competent jurisdiction for appointment of a successor Project Coordinator. The Project Coordinator shall fulfill its obligations hereunder until a

successor Project Coordinator has accepted its appointment as the Project Coordinator and the provisions of Section 7.13 have been satisfied.

Section 7.13. Succession. When the person appointed as successor Project Coordinator accepts such appointment, such person shall succeed to and become vested with all the rights, powers, privileges, and duties of the predecessor Project Coordinator, and the predecessor Project Coordinator shall be discharged from its duties and obligations hereunder with respect to acts and omissions occurring after to the effective date of the Project Coordinator's resignation or removal. Thereafter the predecessor Project Coordinator shall continue to have such responsibility under this Contract and the other Core Documents as the predecessor Project Coordinator would have had if the Project Coordinator had not resigned or been removed but only with respect to acts or omissions occurring prior to the effective date of such resignation or removal.

ARTICLE VIII.

VII. APPENDICES

INTRODUCTION AND STUDY OBJECTIVES

The purpose of this document is to describe the methodology to be used to evaluate the impact of the Child Parent Center (CPC) Social Impact Bond (SIB) expansion on three primary impact outcomes: Special Education Utilization, Kindergarten Readiness, and Third Grade Literacy. This document also describes additional research questions that the Evaluator will seek to explore in collaboration with CPS to help the CPCs improve their performance. This methodology will be developed in conjunction with CPS and other experts in the early education field.

Participants in the CPC program (the Treatment Group) will be compared to groups of matched comparison students who did not have a CPC experience through the use of a propensity score matching algorithm. One comparison group will consist of children who did not attend any form of CPS Pre-K (No Pre-K comparison group). Another group will consist of children who attended some other type of CPS pre-K program, such as Head Start or Pre-School for All (Other Pre-K comparison group).

Payments based on Special Education utilization for the SIB project will be calculated using the difference in outcomes between the Treatment group and the No Pre-K comparison group.

Payments based on Kindergarten Readiness and Third Grade literacy will be calculated using outcomes of the treatment group relative to national standards

The Other CPS Pre-K comparison group will be used for sensitivity analyses and for addressing other research questions not related to payment triggers.

For the purposes of calculating payments owed as part of the SIB transaction, impacts will estimated using the total population of eligible students at SIB CPC sites, and then scaled to reflect the actual number of seats funded by the Lenders. We will adjust the scaling factors annually to reflect observed mobility trends.

The primary impact outcome questions are as follows:

1. What is the impact of the CPC program on the rate at which students need an IEP?
2. What is the impact of the CPC program on Kindergarten Readiness as defined by performance on the TS Gold instrument (completed by teachers at the end of preschool)?
3. What is the impact of the CPC program on Third Grade literacy as defined by performance on the CPS 3rd grade assessment?

In addition to these impact outcome questions, this evaluation will also seek to answer qualitative research questions that will help improve the performance of the program going forward unrelated to the Pay for Success calculations. These research questions will be developed more fully in conjunction with CPS and other experts in the early education field, and will only be pursued subject to additional external funding. The questions may include:

1. How do the primary impact outcomes vary by key subgroups, including gender, race, prior pre-school attendance, English language learner status, and potentially other subgroups?
2. How is the CPC program impacting attendance in Pre-K? How does attendance vary by site? How does attendance vary compare to other CPS Pre-K programs? Are there policies in place at specific sites that could be driving improved attendance?
3. How does the CPC program support a transition to Kindergarten? What sites are better at retaining children from Pre-K to K, both within their host school and within the entire district? Where do children who transfer within CPS go and why? Are there different impact outcomes for students who have less mobility?
4. How successful is the CPC program at improving social-emotional learning outcomes (defined by the social-emotional components of the TS Gold instrument) compared to children enrolled in other CPS pre-K programs?
5. How successful is the CPC model at engaging parents? What strategies are the most effective at encouraging parental engagement? What strategies appear to have the greatest impact on children's outcomes?

This document will serve as a template for how the evaluation will be conducted. The Evaluator will draft a final Evaluation Plan to be approved by CPS, the City, the Project Coordinator with Approval of the Lender Committee (such term being defined herein as such term is defined in the Loan Documents of the Lenders) using this document as a framework. No changes to payment terms or payment terminology will be made.

STUDY POPULATION

Eligible Population – Treatment Group

The Treatment Group in this study will consist of four-year-olds[1] who are attending Pre-K at any of the CPC SIB sites, in full day or half day programs, who at any point during the school year are eligible for the National School Lunch Program (NSLP).

[1] The intention is to identify children in the "age cycle four" year – the year prior to when they are planning to attend Kindergarten. At the time of the drafting of this document, this was defined by CPS as attaining age four on or before September 1st. This age identification protocol may be adapted as necessary to capture these children

In the first year of the program, the following sites will be considered CPC SIB sites:

- De Diego
- Melody
- Peck
- Thomas
- Wadsworth
- Hanson Park

In the second year of the program, two additional sites, identified by CPS and approved by the City, will be added to the list of CPC SIB sites in addition to the sites listed above. If SIB funding in future years is used to add classrooms at additional schools as part of this project, those schools can be considered CPC SIB sites as well. If SIB funding is removed from one of the above sites, that site will no longer be considered a CPC SIB site.

A child may enter the program based on CPS age elibility criteria. For the 2014/15 school year, this entailed being age 4 as of September 1st.

All four-year-olds at CPC SIB sites, including children attending full-day classes, will be included in the treatment group, subject to the exclusions listed below.

In the first year of the program, we anticipate that 374 new slots for four-year-olds will be created through the SIB program. In the second year of the program, we anticipate that we will create an additional 408 new slots for four-year-olds in addition to maintaining funding for the original 374. In the third year of the program, we anticipate that we will maintain the 782 new slots that were created in years one and two. In the fourth year of the project, we expect to provide funding for at least 680 slots. Overall at CPC SIB sites, we anticipate that approximately 840 four-year-olds will be served per year once the program is operating at scale, with 782 of those positions funded by the SIB. The new slot amounts will be finalized prior to the launch of each new cohort.

Year 1 contingency for CPC Treatment Group

Due to the timing of the contracting, some of the new classrooms to be added in the 2014/15 school year will not be ready to serve children until the school year has already begun. Five of the Year 1 CPC SIB Sites where we will be adding additional classrooms (De Diego, Melody, Peck, Thomas, and Wadsworth) have been operating as a CPC for a year or more. As a result, they have an established leadership team, trained and experienced teachers, and fully outfitted classrooms.

To ensure that the children being tracked are receiving a sufficient dosage of the CPC program, for Year 1 only we will restrict the Treatment group eligibility to children who are enrolled in one of these five established CPC SIB sites, in a classroom that was already established as of September 2nd 2014 (the start of the 2014/15 school year). CPS will proceed with opening the new classrooms once all contractual issues have been resolved, but the children who are enrolled in those classrooms (including children at Hanson Park, the new CPC for Year 1) will not be included in the outcome calculations for the purposes of determining payments. This will allow CPS leeway to identify and train high quality teachers, and mitigate the risk that the outcomes (or underlying characteristics) of children who enroll in a CPC Pre-K after the start of the year are different from those of their peers who enrolled at the start of the year. The outcomes of these late-enrollees can be used as a unique sub-group, but will not factor into any calculations that determine payment amounts.

It is anticipated that the sample size of eligible four-year-olds in existing classrooms at existing CPC SIB sites will be at least 300 students. As with future analyses, when calculating payments this number will be scaled to reflect the actual number of slots funded by the Lenders as part of this initiative.

Eligible Population – No Pre-K Comparison Group

The No Pre-K Comparison Group in this study will be identified via a propensity score matching algorithm that pulls from a pool of eligible No Pre-K children districtwide. The pool of eligible No Pre-K children will include all children who meet the following criteria:

- Are enrolled in a CPS Kindergarten program, excluding:
  - Charter schools
  - Schools currently operating a CPC, as part of the SIB program or otherwise
  - Magnet and Selective Enrollment Schools
  - Schools that serve exclusively a special education population
- Are five years of age as of September 1st
- Did not attend a CPS Pre-K program in the school year prior to beginning Kindergarten
- Did not attend a Head Start program funded through the City of Chicago
- Are eligible for NSLP at any point during the school year

A child will be considered to have attended a Pre-K program if that child attended 10 days or more of a city funded pre-school program, or any days at any CPC site over the course of the school year. Days need not have been attended consecutively.

The No Pre-K Comparison group will be identified the year that their matched Treatment cohort begins Kindergarten to ensure that children within both groups are on the same age cycle.

Eligible Population – Other CPS Pre-K Comparison Group

The Other CPS Pre-K Comparison Group in this study will be identified via a propensity score matching algorithm that pulls from a pool of eligible children who attended other forms of CPS pre-K within the district. The pool of eligible Other CPS Pre-K children will include children who meet the following criteria:

- Are enrolled in a CPS Pre-K program, excluding:
  - Charter schools
  - Schools currently operating a CPC, as part of the SIB program or otherwise
  - Magnet and Selective Enrollment Schools
  - Schools that serve exclusively a special education population
- Are four years of age as of September 1st.
- Are eligible for NSLP at any point during the school year

The Other CPS Pre-K Comparison group will be identified the same year that their matched Treatment cohort begins pre-school to ensure that children within both groups are on the same age cycle. This group will only be identified subject to available external funding

Exclusions for payment calculations

The hypothesis is that the CPC program will have the biggest impact on children who are deemed at risk for poor school performance and achievement, but who lack a severe or significant disability. Without additional support, many of these children may end up being diagnosed with a mild learning disability, emotional disturbance, or developmental delay (including speech/language impairment). For these children, additional support in the classroom and at home can help ensure that they stay on track developmentally with their peers, avoiding the need for years of special education services.

The same impact is not expected for children with severe disabilities (identified in preschool or at a later date), and it is also not expected that a preschool intervention would meet the needs of the child without the benefit special education services, nor would that be appropriate or within the parameters of a child's right to a free and appropriate education. To ensure that children have access to the supports they need based on a clinical evaluation, if a child at any point during the course of the study is diagnosed with a severe disability, he or she will be removed from the study group during the year that the disability is added to the child's IEP onward. The preliminary list of severe disabilities, with input from the Independent Evaluator, may be as follows:

- autism
- deaf-blindness
- deafness
- hearing impairment
- orthopedic impairment
- other health impairment

- traumatic brain injury
- visual impairment
- multiply disabled[2]
- intellectual disability
- students placed into self-contained classrooms for children with special needs

This list may be adapted at the discretion of the Evaluator with approval from CPS, the City, the Project Coordinator, and the Approval of the Lender Committee.

RECRUITMENT PROCEEDURES

Children are identified for enrollment under the *Chicago: Ready to Learn!* application process. A timeline of application, placement, registration, and enrollment of children for the 2014/15 school year is provided below; this will also serve as an illustrative plan for how the process will occur in future years:

	Action	Description
April and June 2014	*Chicago: Ready to Learn!* Application Rounds 1 & 2	Parents obtain information about potential programs through chicagoearlylearning.org, cps.edu/readytolearn and the Chicago: Ready to Learn! hotline. Parents apply at application centers across the city for preschool under two application rounds.[3] The first round is held during the month of March - April and the second round is held during the month of May-June. Parents can choose up to three schools.
May and July/August 2014	Placement	Parents are offered a placement in a school and/or are placed on a waiting list. Children placed in a preschool program or on a waiting list are put into schools' Program Management in

[2] Intended to represent students with multiple severe disabilities

[3] For a complete list of application centers, see http://cps.edu/Schools/EarlyChildhood/Documents/ApplicationSites_SY14_15.pdf or http://cps.edu/readytolearn.Every CPC also is capable of accepting applications directly.

		the CPS SIM IMPACT system.
June through September 2014	Registration	Parents accept or decline placement. Schools notify parents of registration dates and times. Schools indicate parents' acceptance or decline of placement in Program Management and move registered children into the classroom Homerooms for IMPACT. Teachers complete the registration packet with families for all new students. Clerks enter identifying additional information into the IMPACT system.
September 2014	Enrollment	Children are enrolled upon attendance on the first day of school.
September 2014 onward	Rolling enrollment	Schools continue to enroll students throughout the school year as slots open up due to attrition, new funding, etc. Staff conduct additional outreach in communities with lower than expected enrollment to help fill all the slots. This includes additional ad spots, flyers, and community events. These children will only be included for evaluation purposes if they meet the dosage and eligibility requirements outlined in this document.

INTERVENTION AND OUTCOMES

Defining the Intervention

The CPC SIB intervention will provide one year of half-day CPC Pre-K to four-year-olds at CPC SIB sites. The key components of the CPC model are as follows:

Effective Learning Experiences

- Offer Pre-K classes that are limited to 34 children for half-day classrooms (two sessions of 17 children each) and have a minimum of 2 teaching staff. Full day classrooms, if available, will be limited to 20 children per session.
- Provide highly qualified educational staff that will provide the classroom instruction and parent engagement activities. For example, classroom teachers are certified with a bachelor's degree (or higher). Overall, program staff must adhere to the requirements set forth by the CPS Talent office, in accordance with collective bargaining unit agreements, and state regulations. Any changes in CPS education and certification requirements will be complied with.
- Use data to drive instruction by effectively documenting the organization and implementation of instructional practices to monitor quality and adherence to the Program, which is completed by all Program staff where appropriate.
- Program staff meet with parents over the course of each school year to review their child's progress and discuss parent program opportunities with the Parent Resource Teacher (PRT).

Aligned Curriculum

- Implement a CPS District curriculum and formative assessment that is aligned to standards, domains of learning, assessments, and learning activities.
- Collaborate with the PRT and classroom teachers to ensure that opportunities to engage families in student learning are available, appropriate and aligned to the program and parents' needs.
- CPS and, most specifically, the Office of Early Childhood Education provides meaningful professional development and ongoing coaching and feedback for teachers, aides, and other staff members that facilitates high-quality instructional practices.

Parent Involvement and Engagement

- Engage a PRT and School-Community Representative (SCR) to work closely with the Head Teacher and Liaisons to maintain a consistently supportive parent program.
- Encourage parents to sign a CPC school-home agreement at the start of the school year outlining a plan for fostering learning at home and participating in CPC activities.
- Offer and engage families in monthly activities. PRTs create and distribute a monthly parent involvement calendar, and conduct parent/teacher conferences over the year to review progress in the parent program.
- Provide a resource room dedicated to parent and family activities through Kindergarten when possible.
- Provide culturally responsive learning opportunities for families that provide flexibility for families' needs and schedules.

Collaborative Leadership Team

- Engage a Program leadership team that includes the Head Teacher, Parent Resource Teacher, and School-Community Representative.
- Meet regularly, under the direction of the Principal to discuss operations and best practices within the CPC.
- Meet regularly, under the direction of the OECE Management Team, with staff from across sites to share challenges, experiences, and best practices and makes frequent on-site visits to monitor quality and effectiveness to the Program.
- Establish meaningful partnerships with community providers to strengthen service delivery and enlist local universities in training opportunities.

Continuity and Stability

- CPC Pre-K classrooms are co-located in the same building as Kindergarten classrooms, when possible, to promote familiarity and integration for students as they transition to Kindergarten.
- Provide a structure of communication, planning, and joint activities, under the direction of the principal, Leadership team and OECE Management Team, from Pre-K through the primary grades.
  Provide a part-time Kindergarten aide when funding is available to support the transition into Kindergarten.

Professional Development System

- Offer ongoing professional development opportunities on current trends and needs in early childhood education classrooms, through the Office of Early Childhood Education and the CPC leadership teams, including topics such as quality curriculum and instruction, data driven instruction, learning environment, social and emotional needs, and parent engagement.
- Meet regularly and create professional learning communities to review ways to support their instruction in the classroom and with other teachers.

Defining Sufficient Dosage

Enrollment and attendance fluctuate throughout the year, with substantial changes during the early weeks of the school year. As a result, some of the children who start the year in a given classroom may not be the same children who end the year in that classroom. This may be due to for a variety of reasons such as mobility, a change in parents' schedules/ability to bring their children to school, or admission to a closer/more desirable program off of a waitlist later in the school year.

To ensure that CPC SIB children and families are receiving a minimum sufficient dosage of the CPC program, we will restrict analyses to children who attend a certain minimum cutoff of days. The Evaluator will examine historical data from CPS and other districts to determine trends in

attendance and identify a cutoff that sufficiently indicates that a child has received enough of the program for us to expect to see an impact. We are temporarily placing this cutoff at 66% of school days in a given school year; children who attended fewer than 66% of days during their Pre-K year will be omitted from the primary analyses.

The Evaluator may add additional criteria based on an analysis of enrollment and attendance data with the approval of CPS, the City, and the Project Coordinator and Approval of the Lender Committee.

Similarly, for the No Pre-K Comparison group, we will limit the primary analysis sample to eligible No Pre-K children who attend at least 66% of school days in a given school year. If a child at any point during the Kindergarten year attends a school operating a CPC program, that child will be omitted from primary analyses.

Defining Primary Impact Outcomes

Special Education Utilization
The primary Special Education utilization outcome will be defined as a binary indicator of whether or not a student has a CPS-issued Individualized Education Plan (IEP) in a given year. This will be a data point provided as part of the regular data collection points by CPS. As described above, if a student has a diagnosis on his or her IEP of a severe disability, that student will be removed from the study pool for the primary analyses. This indicator will be collected annually ever year Kindergarten through 6th grade.

Kindergarten Readiness
CPS uses the Teaching Strategies Gold (TS Gold) instrument in all their Pre-K classrooms to track the development of children. Based on teacher observations, TS Gold measures the progress of children in domains such as socio-emotional, physical, language, literacy, and cognitive development.

The TS Gold instrument is utilized nationally in Head Start programs and some publicly-funded preschool programs. The primary outcome metric for Kindergarten Readiness will be the share of children which are performing at or above the national trends across at least five out of the following six domains: Literacy, Language, Math, Cognitive Development, Socio-Emotional, Physical health.

Third Grade Literacy
Currently, CPS is planning to adopt the PARCC standardized exam. Treatment group children will be measured relative to national percentile rankings on this test or the accepted District assessment administered for 3rd grade. In following with Lesnick et al (2010)[4], every child

[4] See http://www.chapinhall.org/sites/default/files/Reading_on_Grade_Level_111710.pdf

reading at or above the 25th percentile on the English Language Arts/Literacy portion of the spring sitting of the PARCC test will be deemed to be reading at grade level. Any child reading at or above the 75th percentile nationally will be deemed to be reading above grade level. Any child reading below the 25th percentile will be deemed to be reading below grade level.

At the time of drafting this analysis, the PARCC test has yet to be officially implemented in CPS schools. Given the uncertainty of performance on this test and how its outcomes will compare to past tests taken by CPS students, the evaluator may suggest amendments to the definition of reading "on grade level" that could include utilizing a different test or metric. Any modifications must be made prior to the first cohort starting Third Grade, and must be approved by CPS, the City, the Project Coordinator, and Approved by the Lender Committee.

Defining Performance Improvement Questions

The details of these questions will be developed in conjunction with CPS and other partners over the 2014/15 school year. These analyses will be specified in full prior to the start of any data collection or analyses. These analyses will not affect the methodology or results of the primary impact outcomes, and will only be pursued subject to additional philanthropic or other funding.

DATA COLLECTION

Student data

Student data will be provided to the Evaluator by CPS. Pursuant to the data sharing agreement[5], CPS will strip sensitive individual identifiers and replace them with an anonymous student ID. The key variables CPS will provide are:

- Student ID
- CPS School ID of school currently enrolled in
- Date of Birth (or birth month & year)
- Days attended to date
- IEP status
- IEP diagnoses
- Reported race
- Reported ethnicity
- Free/reduced price lunch eligibility
- ZIP code of residence
- Fall and Spring TS Gold scores (if applicable)
- Any available variables on parental education
- Other variables deemed appropriate by the Evaluator and CPS for the purposes of creating a better propensity score match

[5] This data sharing agreement will be included as an appendix to this plan pending negotiation and drafting between CPS and the Evaluator.

Data will be collected on an annual basis on the based on the last school day in June which is reported for accuracy in the beginning of July. This may be adjusted based based on discussions between the Evaluator and CPS to reflect the earliest date that all the necessary data would be available.

Neighborhood data

The Evaluator will pull neighborhood data from publicly available census data, such as the American Community Survey 5-year averages, which break out characteristics by zip code. Neighborhood data include:

- Neighborhood % of population in poverty
- Neighborhood % of population that are single mothers
- Neighborhood % of population that is Black
- Neighborhood % of population that is Hispanic
- Neighborhood % of population employed
- Neighborhood crime statistics
- Neighborhood health indicators[6]

The Evaluator will update the neighborhood data file when creating a new cohort of matched groups.

School data

Data on school level characteristics will be provided by CPS, including:

- CPS School ID
- Total student body population
- % Free/RP lunch
- % Black
- % Hispanic
- School-wide attendance rate from the 2013/14 school year
- School Rating (Levels 1, 2, or 3) from the 2013/14 school year[7]

These data, except for attendance and the school rating, will be updated annually. Attendance and rating data from SY2013/14 (or the closest assessment prior to SY2013/14) will remain fixed to reflect the fact that the presence of a CPC may improve attendance and the school rating over time, which could affect the matching algorithm for later cohorts. The Evaluator may adjust this protocol if extraneous events such as school closures, new leadership, or expansive new programs are added at individual schools or system wide that could contribute to imbalanced matches.

Data Security

[6] Crime stats and health indicators subject to availability of data. It may be possible to pull data from a Chapin Hall neighborhood analysis. These covariates may be omitted if it proves too difficult or costly to obtain them.

[7] All these data are publicly available online at http://www.cps.edu/schools/find_a_school/pages/findaschool.aspx. School rating is based on the CPS Performance Policy which is used to rate CPS schools. A Level 1 rating is "excellent", a Level 2 rating is "good" and a Level 3 rating is "low".

A data sharing agreement between CPS and the Independent Evaluator will define the parameters for sharing data required under this agreement.

STUDY DESIGN & OVERVIEW OF ANALYSES

Propensity score Matching Protocol

Comparison group students will be selected using a propensity score matching technique. Individuals from the treatment group will be matched to up to two individuals from the No Pre-K Comparison group and up to two individuals from the Other CPS Pre-K Comparison group. Matching will be conducted with replacement to allow comparison individuals to be matched more than once.

To create the Treatment Group in school year *t*, the Evaluator will receive the data collected on the last day of June of school year *t* from CPS of all four-year-olds who attended a SIB CPC in school year *t* up to the date of the data collection. The data collected and shared will contain all the student data elements listed above. After screening for eligibility as described above and removing ineligible students from the sample, the Evaluator will use students' ZIP codes to merge on neighborhood data, and students' school IDs to merge on school characteristics. Neighborhood data will be collected from a reliable source such as Chapin Hall. This will create a de-identified student-level file that contains student-level characteristics, characteristics of that student's neighborhood of residence, and characteristics of that student's school.

To create the No CPS Pre-K pool to be used for matching to the Treatment cohort in school year *t*, the Evaluator will receive a data dump on the last day of June of school year *t*+1 from CPS of all five or six-year-olds who attended a CPS Kindergarten in school year *t*+1 up to the date of the data dump. The data dump will contain all the student data elements listed above. After screening for eligibility as described above and removing ineligible students from the sample, the Evaluator will use ZIP code data to merge on neighborhood data, and school ID data to merge on school characteristics.

To create the Other CPS Pre-K pool to be used for matching to the Treatment cohort in school year *t*, the Evaluator will receive a data dump on the last day of June of school year *t* from CPS of all four-year olds who attended a CPS Pre-K program other than CPC in school year *t* up to the date of the data dump. The data dump will contain all the student data elements listed above. After screening for eligibility as described above and removing ineligible students from the sample, the Evaluator will use ZIP code data to merge on neighborhood data, and school ID data to merge on school characteristics.

To create the matched No Pre-K Comparison group, the Evaluator will append the Treatment Group dataset and the No Pre-K Comparison pool dataset, creating an indicator to identify which children are members of the Treatment group. The Evaluator will then run a probit model using the treatment indicator as the dependent variable and the following variables as independent variables:

- Race binary indicators
- Ethnicity binary indicators

- Gender ("Male" binary indicator)
- Parental education (subject to availability)
- Language spoken at home binaries
- Neighborhood % poverty
- Neighborhood % single mothers
- Neighborhood % by race
- Neighborhood % by ethnicity
- Neighborhood % employed
- Neighborhood crime rates (subject to availability)
- Neighborhood health indicators (subject to availability)
- Total student population of school currently attending
- % Free/RP lunch at school currently attending
- Racial composition of school currently attending
- Ethnicity composition of school currently attending
- School-wide attendance rate from the 2013/14 school year
- School Rating binaries from the 2013/14 school year

Using the results of this model, the Evaluator will predict a propensity score based on a student's observed characteristics. This score effectively represents the likelihood that a child, given his individual, neighborhood, and school level characteristics, would be in the Treatment group.

The Evaluator will use a nearest-neighbor matching algorithm[8] to identify the two closest matches based on propensity score for each Treatment group observation, with replacement.

Individuals from either the Treatment group or Comparison pool who are not matched will be dropped.

The remaining students from the Comparison pool who were matched will become the No Pre-K Comparison group for the remainder of the study. Comparison group students will receive a frequency weight equal to the number of times they were matched. Note that as a result, the Comparison group should contain approximately two times as many unique individuals as the Treatment group.

The same protocol will be used to identify the Other CPS Pre-K Comparison group, replacing the No CPS Pre-K Comparison pool with the Other CPS Pre-K Comparison pool.

A unique set of comparison groups will be created for each Treatment cohort (see Appendix for a cohort timing chart).

Checking for covariate balance between groups

Once the comparison groups have been identified, the Evaluator will check for balance between the groups across matching demographics. The Evaluator will choose appropriate methods to check for balance, including but not limited to normalized differences and t-tests of mean values of covariates between groups. If the Evaluator determines that there is imbalance in covariates

[8] By way of example, see "nnmatch" stata command

between groups, the Evaluator may choose to pursue a Matching Methodology Remedy as described below. The decision to pursue a remedy will be at the discretion of the Evaluator, taking into account the fact that with many matching variables and a p-value cutoff of .05, approximately 1 in 20 variables could have a statistically significant difference by random chance alone. The evaluator will consider the magnitude of the difference and the relative importance of the unbalanced variable(s) in question, placing particular attention to the individual-level race and gender indicators, the home language indicators, the neighborhood poverty indicators, and the school rating indicators.

Matching Methodology Remedies

In the event that the Evaluator deems that the propensity score matching algorithm has produced an inadequate match, the Evaluator may make modifications to the matching methodology. This could include introducing a caliper to ensure that certain variables are matched to within a narrow range (or matched exactly), adding or subtracting additional covariates, increasing or decreasing the number of matches, or other techniques deemed rigorous and appropriate by the Evaluator.

The Evaluator may also explore utilizing a set of comparison schools to limit the comparison pool. In this methodology, the Evaluator would identify a set of comparison schools that match the SIB CPC sites, identifying one to three schools for each site. The Evaluator would use a similar propensity score matching protocol, using school level characteristics, to identify these schools. From those comparison schools, the Evaluator would then perform a student-level propensity score match using a comparable methodology to the one described above. The Evaluator will then check for covariate balance to see if this produces better match results.

Once the Evaluator identifies a suitable comparison group that they deem to be well-matched on covariates, the Evaluator will present the match results, describing any changes that were made to the matching algorithm, which must be approved by CPS, the City, the Project Coordinator and Approved by the Lender Committee. The Evaluator should endeavor to use a similar matching protocol from year to year.

Calculating mobility factor

The theory behind the financing component of the SIB project is that providing the upfront intervention of high quality Pre-K can produce savings to CPS downstream through reduced Special Education utilization among the students served. For CPS to realize these savings, however, those students must remain in the CPS school district. If a student leaves the district, CPS would realize no savings from the fact that the intervention may have helped that that student catch up to his peers and prevented him from acquiring an IEP.

As a result, the Evaluator will calculate a Mobility Factor for each cohort that will represent the share of the original cohort that is still enrolled in a CPS school in a given year. This will be used to adjust the payment amounts to better reflect savings realized by CPS.

To calculate mobility, every year Kindergarten through 6th grade the Evaluator will determine what share of the original children in a given group from the first year of observation are still

enrolled in any CPS school. To do this, every year the Evaluator will send CPS a list of all the student IDs of the original group. CPS will match these IDs to their current enrollment database to determine which students were enrolled in a CPS school at any point in that school year. CPS will then return a dataset to the Evaluator indicating which student IDs are enrolled in a CPS school that year. The Mobility Factor will be defined as:

1−# of original students currently enrolled in any CPS school# of students originally enrolled in the group

By way of example, assume 500 Treatment group students were identified for the 2014/15 cohort. In SY2015/16, the Evaluator sends a list of these student IDs to CPS, who informs the evaluator that 460 of them are still enrolled at a CPS school. The cumulative mobility for that year would be 1 - 460/500 = .08. In SY2016/17, the Evaluator sends the original list of student IDs to CPS again, who informs the evaluator that 440 of them are still enrolled at a CPS school. The cumulative mobility for SY2016/17 would be 1 – 440/500 = .12.

For grades 7th through 12th, the Evaluator will impute a marginal mobility rate by averaging the incremental annual increase in the Mobility Factor over the last three years.[9] Every year, the Evaluator will impute a new Mobility Factor based on the average imputed marginal mobility rate. See Appendix B for a full example using hypothetical data.

Calculating effect size for Special Education utilization

To calculate the impact on Special Education utilization, the Evaluator will calculate the Average Effect Size per Person, which will then be scaled to reflect the number of seats funded by the Lenders for the purposes of calculating payments. This will allow the Evaluator to utilize all the data available, increasing sample sizes and precision of estimates.

To calculate this, the Evaluator will use the following equation:

$$AESP_{i,t} = SPED_{C,i,t} - SPED_{T,i,t}$$

where $AESP_{i,t}$ is the Average Effect Size per Person for cohort i in year t, $SPED_{C,i,t}$ is equal to the average of a binary indicator of Special Education utilization among the No CPS Pre-K Comparison group for cohort i in year t and $SPED_{T,i,t}$ is the average of a binary indicator of Special Education utilization among the Treatment group for cohort i in year t. At the discretion of the Evaluator and with approval from CPS, the City, the Project Coordinator, and the Approval of the Lender Committee, the Evaluator may regression-adjust this estimate to help account for any differences in covariates between the Treatment group and the Comparison group.

[9] The Evaluator may revise the methodology for averaging the mobility rate if they determine that the current methodology includes a grade breakpoint year that could result in abnormally high mobility out of the district. This methodology must be finalized before the first cohort reaches 6th grade.

Special Education outcomes will be calculated annually every year Kindergarten through 6th grade. Outcomes will be calculated separately for each cohort. Based on conversations with special education experts and reviewing existing CPS data, we believe that the vast majority of children who have a disability will be identified by the end of 6th grade. As a result, after the 6th grade effect size has been calculated, we will average the effect size over the last three years (4th, 5th and 6th grades) and lock in that average rate for the purposes of calculating payments in grades 7th through 12th. This lock-in rate will be calculated separately for each Treatment cohort. The Evaluator may propose changes to this lock-in methodology in the event that the Evaluator determines that this methodology produces skewed results. Any modifications must be approved by CPS, the City, the Project Coordinator, and Approved by the Lender Committee.

Calculating payments for Special Education utilization

To determine the size of Special Education payments owed in a given year for a given treatment group cohort, the Evaluator will multiply the Special Education Average Effect Size per Person for such cohort by the base cohort size multiplied by the 1 minus the cumulative mobility rate for that year. This will determine the Total Number of Special Education Slots Avoided for a given cohort in a given year:

$$Total\ Number\ of\ Special\ Education\ Slots\ Avoided = AESPi,t * BCSi * (1 - MFi,t)$$

where $AESP_{i,t}$ is the Average Effect Size per Person for cohort i in year t, BCS_i is the base cohort size for cohort i, and $MF_{i,t}$ is the cumulative mobility rate for cohort i in year t.

The base cohort sizes are based on the number of seats actually funded by investors. It is anticipated that the base cohort sizes will be as follows[10]:

Cohort Year	Base Cohort Size
2014/15	374
2015/16	782
2016/17	782
2017/18	680

The Total Number of Special Education Slots Avoided will then be multiplied by the Annual Savings Rate to determine the Special Education Payments owed for a given cohort in a given year. Negative payments will be rounded to zero. The Annual Savings Rate starts at a base of $9,100 in 2015 and grows 1% annually. The table below provides the rates through 2030:

Year	Savings Rate

[10] Note that actual sample sizes used for calculating effect sizes may be larger or smaller than the number of seats funded.

2015	$9,100
2016	$9,191
2017	$9,283
2018	$9,376
2019	$9,469
2020	$9,564
2021	$9,660
2022	$9,756
2023	$9,854
2024	$9,953
2025	$10,052
2026	$10,153
2027	$10,254
2028	$10,357
2029	$10,460
2030	$10,565

If applicable, the Special Education Payments from each cohort will be summed to produce the Total Special Education Payment owed by CPS for that year. These calculations will be reported to the Project Coordinator for the purposes of triggering payments to the Project Coordinator to be used to repay the lenders.

Payments for Special Education will be made every year K – 12th for each Treatment cohort.

Calculating effect size for Kindergarten Readiness

As part of the annual data pull, the Evaluator will receive spring TS Gold scores for Treatment group students. TS Gold regularly publishes a set of averages that reflect how children have scored nationally on TS Gold assessment sub-categories, broken out by the time of the test and the age in months of the child. Students will be classified as "meeting the national norms" for a sub-category if they score at or above the national mean spring score for that category for children in their age band.[11] The Evaluator will use the most up to date tables available.

Every child who scores at or above the national norm on at least five of the six subcategories in spring of their four-year-old pre-school year will be deemed "Kindergarten Ready." To calculate the Kindergarten Readiness payment, the Evaluator will calculate the share of the Treatment group students deemed Kindergarten Ready. The Evaluator will then multiply this number by the base cohort size, multiplied by cumulative mobility from the Kindergarten year of a given cohort. This will determine the Total Number of Kindergarten Ready Children for a given cohort. The Evaluator will then multiply this number by the payment rate of $2,900 to determine the total Kindergarten Readiness payments owed by the City for that cohort.

[11] See tables 5-14 of https://www.k12.wa.us/assessment/pubdocs/GOLDTechnicalManual2ndEditionLambert2.pdf for a list of the score thresholds.

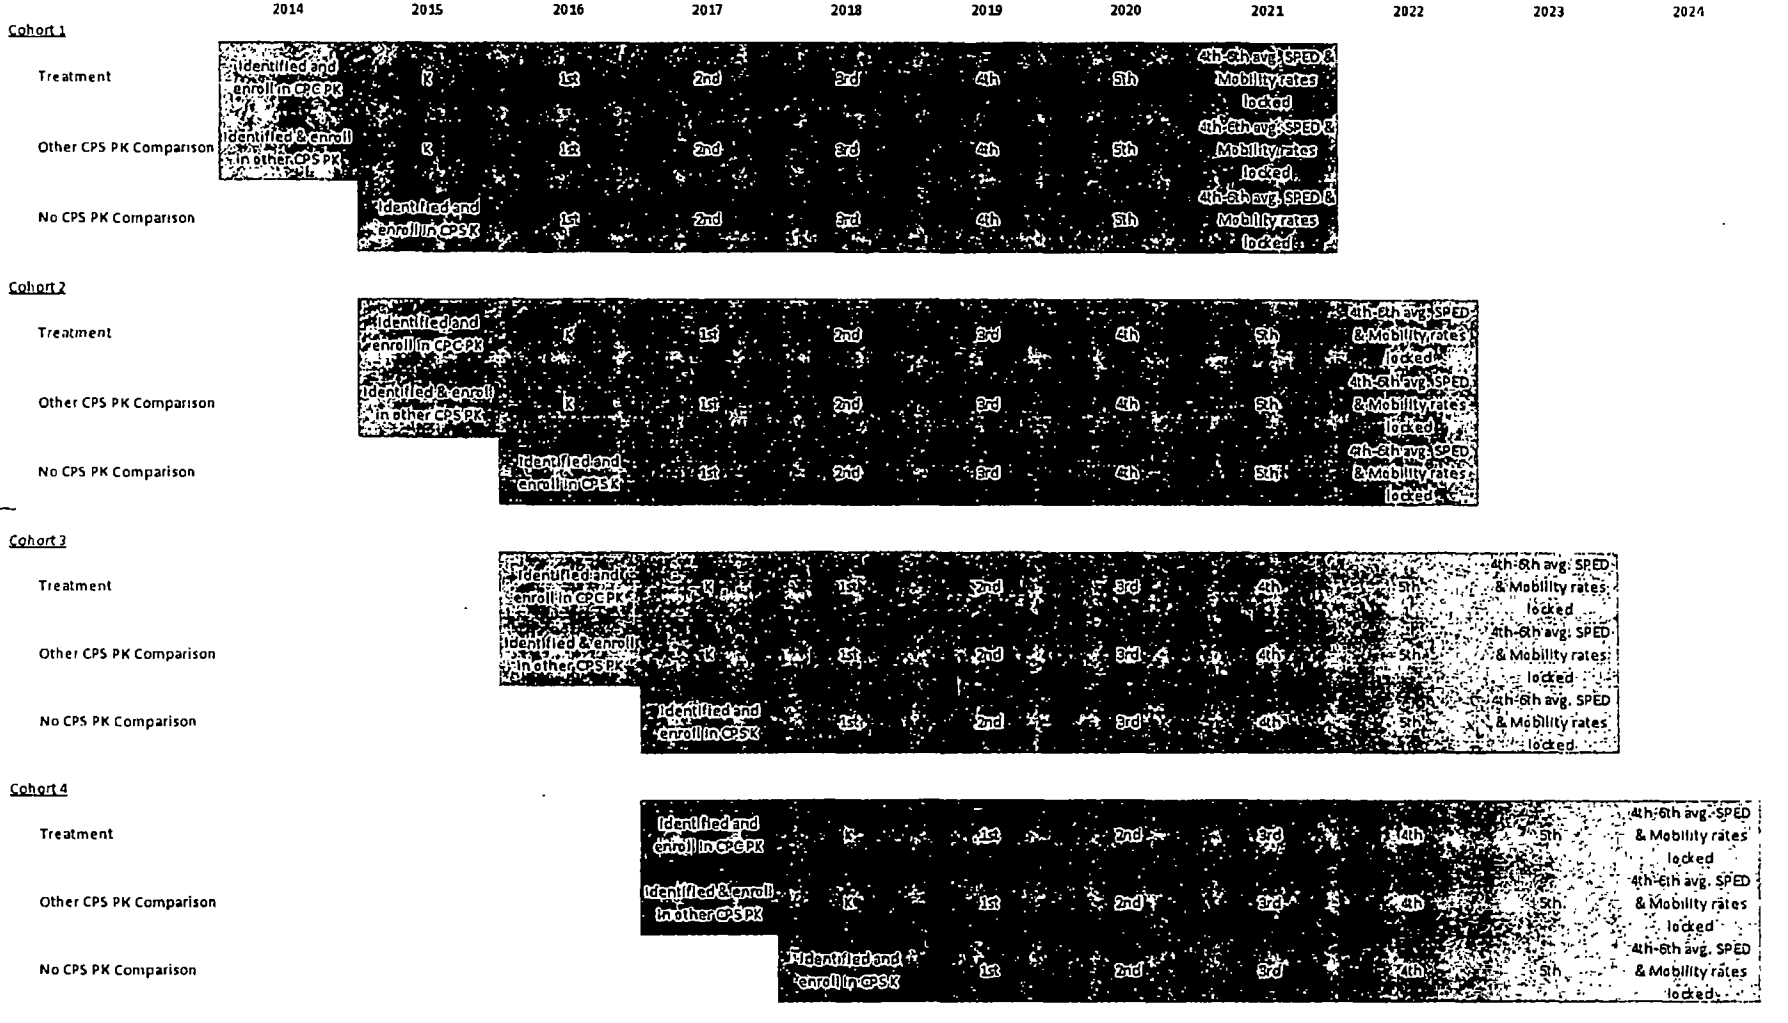
Calculating effect size for Third Grade Literacy

CPS is currently transitioning to the PARCC exam. As a result, the exact methodology for calculating Third Grade Literacy may have to be adapted pending observation of how the test is being administered, scored, etc. In particular, in the event that data suggests that fewer than 50% of students are scoring above the 25th percentile, the Evaluator will propose a new protocol or test for determining Third Grade Literacy that better captures the performance of students. The Evaluator will propose a final protocol for approval by CPS, the City, and the Project Coordinator with Approval of the Lender Committee prior to the start of the 2018/19 school year – the year the first cohort begins 3rd grade. A draft protocol is below:

As part of the annual data pull, the Evaluator will receive 3rd grade spring PARCC scores for Treatment group students. The PARCC test is administered nationally, and as a result the outcomes of Treatment students can be compared to national averages. Students will be classified as "reading at or above grade level" if they score at or above the 25th percentile on the English Language Arts/Literacy portions of the PARCC exam.

To calculate the Third Grade Literacy payment, the Evaluator will calculate the share of the Treatment group students deemed to be reading "at or above grade level". The Evaluator will then multiply this number by the base cohort size, multiplied by cumulative mobility from the Third Grade year of a given cohort. This will determine the Total Number of Third Grade Children Reading at Grade Level for a given cohort. The Evaluator will then multiply this number by the payment rate of $750 to determine the total Third Grade Literacy payments owed by the City for that cohort.

Investigating Highly Unexpected Outcomes



The results of this evaluation will govern the flow of millions of dollars of payments. While it is the full intention of all parties to accept the results of the evaluation, in the event that a highly irregular outcome is achieved, a mechanism must be in place to validate the findings and confirm that they are due to the impact of the program, and not a flaw in the analysis or evaluation design. The Evaluator will have complete discretion to decide if and when a validation of the findings may be necessary, but the following events will serve as guiding principles that could suggest that a validation may be warranted:

- The difference in Special Education Utilization rates between the Treatment group and No Pre-K comparison group is negative or not statistically different from zero (p-value <.05) for any cohort in any year after Kindergarten
- The No Pre-K comparison group Special Education Utilization rate is more than 2.5 times the Treatment group Special Education Utilization rate for any cohort in any year after Kindergarten
- An irregular pattern from one year to the next in Special Education utilization for a given group, defined as utilization shrinking by more than two percentage points for a given group, or increasing by more than seven percentage points
- A larger impact observed when comparing a Treatment group cohort to its corresponding Other CPS Pre-K Comparison group any year after 1st grade.

The Evaluator will determine the appropriate techniques and mechanisms to employ to confirm the cause of the irregularity, which could include handchecking code, checking for continued balance in the treatment and comparison groups, and looking for policy changes within specific schools or system-wide that could have affected outcomes.

If the Evaluator finds a mechanical error, the results will be recalculated using the correction. If the Evaluator finds a methodological flaw, the Evaluator may propose a remedy to the evaluation plan to mitigate the inconsistency in future years. However, the results will not be recalculated for that year or any other past year. Changes to the plan must be approved by CPS, the City, and the Project Coordinator, and Approved by the Lender Committee.

APPENDIX E

CORE PROGRAM PRINCIPLES

Effective Learning Experiences

- Offer Pre-K classes that are limited to 34 children for half-day classrooms (two sessions of 17 children each) and have a minimum of 2 teaching staff. Full day classrooms, if available, will be limited to 20 children per session.
- Provide highly qualified educational staff that will provide the classroom instruction and parent engagement activities. For example, classroom teachers are certified with a bachelor's degree (or higher). Overall, program staff must adhere to the requirements set forth by the CPS Talent office, in accordance with collective bargaining unit agreements, and state regulations. Any changes in CPS education and certification requirements will be complied with.
- Use data to drive instruction by effectively documenting the organization and implementation of instructional practices to monitor quality and adherence to the Program, which is completed by all Program staff where appropriate.
- Program staff meet with parents over the course of each school year to review their child's progress and discuss parent program opportunities with the Parent Resource Teacher (PRT).

Aligned Curriculum

- Implement a CPS District curriculum and formative assessment that is aligned to standards, domains of learning, assessments, and learning activities.
- Collaborate with the PRT and classroom teachers to ensure that opportunities to engage families in student learning are available, appropriate and aligned to the program and parents' needs.
- CPS and, most specifically, the Office of Early Childhood Education provides meaningful professional development and ongoing coaching and feedback for teachers, aides, and other staff members that facilitates high-quality instructional practices.

Parent Involvement and Engagement

- Engage a PRT and School-Community Representative (SCR) to work closely with the Head Teacher and Liaisons to maintain a consistently supportive parent program.
- Encourage parents to sign a CPC school-home agreement at the start of the school year outlining a plan for fostering learning at home and participating in CPC activities.
- Offer and engage families in monthly activities. PRTs create and distribute a monthly parent involvement calendar, and conduct parent/teacher conferences over the year to review progress in the parent program.
- Provide a resource room dedicated to parent and family activities through Kindergarten when possible.
- Provide culturally responsive learning opportunities for families that provide flexibility for families' needs and schedules.

Collaborative Leadership Team

- Engage a Program leadership team that includes the Head Teacher, Parent Resource Teacher, and School-Community Representative.
- Meet regularly, under the direction of the Principal to discuss operations and best practices within the CPC.
- Meet regularly, under the direction of the OECE Management Team, with staff from across sites to share challenges, experiences, and best practices and makes frequent on-site visits to monitor quality and effectiveness to the Program.
- Establish meaningful partnerships with community providers to strengthen service delivery and enlist local universities in training opportunities.

Continuity and Stability

- CPC Pre-K classrooms are co-located in the same building as Kindergarten classrooms, when possible, to promote familiarity and integration for students as they transition to Kindergarten.
- Provide a structure of communication, planning, and joint activities, under the direction of the principal, Leadership team and OECE Management Team, from Pre-K through the primary grades.
  Provide a part-time Kindergarten aide when funding is available to support the transition into Kindergarten.

Professional Development System

- Offer ongoing professional development opportunities on current trends and needs in early childhood education classrooms, through the Office of Early Childhood Education and the CPC leadership teams, including topics such as quality curriculum and instruction, data driven instruction, learning environment, social and emotional needs, and parent engagement.
- Meet regularly and create professional learning communities to review ways to support their instruction in the classroom and with other teachers.

APPENDIX F

CITY STANDARD CONTRACT PROVISIONS

FOIA & LOCAL RECORDS ACT COMPLIANCE

The Project Coordinator acknowledges that the City is subject to the Illinois Freedom of Information Act, 5ILCS 140/1 et. seq., as amended (*"FOIA"*). FOIA requires the City to produce records (as defined in FOIA) in response to a FOIA request in a short period of time, unless the records requested are exempt under FOIA. If the City asks the Project Coordinator to produce records within the scope of FOIA, then the Project Coordinator covenants to comply with such request within 48 hours of the date of such request. Documents that the Project Coordinator submits to the City pursuant to this paragraph or otherwise during the term of this Contract that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents that the Project Coordinator submits to be treated as a trade secret or information that would cause competitive harm, FOIA requires that the Project Coordinator mark any such documents as "proprietary, privileged or confidential." If the Project Coordinator marks a document as "proprietary, privileged and confidential", then the City will evaluate whether such document may be withheld under FOIA. The City, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General's Office and/or the courts.

The Project Coordinator acknowledges that the City is subject to the Local Records Act, 50 ILCS 205/1 *et. seq*, as amended (the *"Local Records Act"*). The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, the Project Coordinator covenants to use its best efforts consistently applied to assist the City in its compliance with the Local Records Act concerning records arising under or in connection with this Contract and the services, duties and responsibilities of the Project Coordinator (the *"Services"*) contemplated in this Contract.

COMPLIANCE WITH ALL LAWS

(a) The Project Coordinator must observe and comply with all applicable laws, ordinances, rules, executive orders and regulations of the federal, state, local and city government, which may in any manner affect the performance of this Contract, all of which will be deemed to be included in this Contract the same as though written herein in full. The Project Coordinator is responsible for ensuring compliance with all applicable laws, rules and regulations, including but not limited to those specifically referenced herein, and for paying when due all Governmental Charges (as defined below) and obtaining all required licenses, certificates and other authorizations. Except where expressly required by applicable laws and regulations, the City shall not be responsible for monitoring the Project Coordinator's compliance. Notwithstanding anything in this Contract to the contrary, references to a statute or law are considered to be a reference to (i) the statute or law as it may be amended from time to

time; (ii) all regulations and rules pertaining to or promulgated pursuant to the statute or law; and (iii) all future statutes, laws, regulations, rules and executive orders pertaining to the same or similar subject matter.

(b) The Project Coordinator will provide the City with a correctly completed Economic Disclosure Statement and Affidavit ("EDS"), which is incorporated by reference, and further will provide any other affidavits or certifications as may be required by federal, state or local law in the award of public contracts, all of which affidavits and certifications are incorporated by reference. The Project Coordinator will cause the Project Coordinator's Subcontractors or, if a partnership or joint venture, all members of the partnership or joint venture, to submit all required affidavits to the City. Notwithstanding acceptance by the City of the EDS, failure of the EDS to include all information required under the Municipal Code renders this Contract voidable at the option of the City. The Project Coordinator and any other parties required by this paragraph to complete an EDS must promptly update their EDS(s) on file with the City whenever any information or response provided in the EDS(s) is no longer complete and accurate, including changes in ownership, and changes in disclosures and information pertaining to ineligibility to do business with the City under Chapter 1-23 of the Municipal Code, as such is required under Sec. 2-154-020, and failure to promptly provide the updated EDS(s) to the City will constitute an event of default under this Contract.

The Project Coordinator certifies, as further evidenced in the EDS, by its acceptance of this Contract that neither the Project Coordinator nor the Project Coordinator's principals is presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this transaction by any federal department or agency. The Project Coordinator further agrees by executing this Contract that it will include this clause without modification in all lower tier transactions, solicitations, proposals, contracts and subcontracts. If the Project Coordinator or any lower tier participant is unable to certify to this statement, the Project Coordinator must attach an explanation to this Contract.

(c) The Project Coordinator has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or forfeiture of any program facility. No such contest or objection shall be deemed or construed in any way as relieving, modifying or extending the Project Coordinator's covenants to pay any such Governmental Charge at the time and in the manner provided in this Contract unless the Project Coordinator has given prior written notice to the City of the Project Coordinator's intent to contest or object to a Governmental Charge and, unless, at the City's sole option, (i) the Project Coordinator shall demonstrate to the City's satisfaction that legal proceedings instituted by the Project Coordinator contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of, all or any part of the program facility to satisfy such Governmental Charge prior to final determination of such proceedings; and/or (ii) the Project Coordinator shall furnish a good and sufficient bond or other security satisfactory to the City in such form and amounts as the City shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the program facility during the pendency of such contest, adequate to pay

fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest. A Governmental Charge shall mean all Federal, State, county, City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances relating to the Project Coordinator, its operations or the Services. If the Project Coordinator is delinquent in filing and/or paying any Governmental Charges and/or related returns, the City in its sole discretion may continue to reimburse the Project Coordinator for Services provided under this Contract only if the Project Coordinator (i) has entered into an installment payment agreement with the applicable authority, (ii) has delivered to the City a copy of such fully-signed installment payment agreement and (iii) remains in good standing therewith. The Project Coordinator may not use funds the Project Coordinator receives under this Contract to discharge outstanding Governmental Charges.

(d) To the best of the Project Coordinator's knowledge and belief, the Project Coordinator, its principals and key project personnel: (a) are not presently declared ineligible or voluntarily excluded from contracting with any Federal or State department or agency; (b) has not within a three-year period preceding this Contract been convicted of any felony; been convicted of a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State, or local) transaction or contract under a public transaction; had a civil judgment rendered against them for commission of fraud; been found in violation of Federal or State antitrust statutes; or been convicted of embezzlement, theft, larceny, forgery, bribery, falsification or destruction of records, making false statement, or receiving stolen property; and (c) are not presently indicted for or otherwise criminally or civilly charged by a government entity (Federal, State or local) with commission of any of the offenses enumerated in subparagraph (b) of this certification. Any request for an exception to the provisions of this paragraph must be made in writing, listing the name of the individual, home address, type of conviction and date of conviction.

NONDISCRIMINATION

In performing the Services under this Contract, the Project Coordinator must comply with applicable laws and regulations prohibiting discrimination against individuals and groups.

(a) Federal Requirements. In performing the Services under this Contract and in the Project Coordinator's employment practices, the Project Coordinator must not engage in unlawful employment practices, such as: (i) failing or refusing to hire or discharging any individual, or otherwise discriminating against any individual with respect to his or her compensation, or the terms, conditions, or privileges of his or her employment, because of such individual's race, color, religion, sex, age, handicap/disability or national origin; or (ii) limiting, segregating, or classifying the Project Coordinator's employees or applicants for employment in any way that would deprive or tend to deprive any individual of employment opportunities or otherwise adversely affect the individual's status as an employee, because of that individual's race, color, religion, sex, age, handicap/disability or national origin.

The Project Coordinator must comply with, and the procedures the Project Coordinator utilizes and the Services the Project Coordinator provides under this Contract must comply with,

the Civil Rights Act of 1964, 42 U.S.C. § 2000 et seq., as amended and the Civil Rights Act of 1991, P.L. 102-166; Fair Housing Act, 42 U.S.C. § 3601-3619; Executive Order No. 11246, as amended by Executive Order No. 11375 and by Executive Order No. 12086; Executive Order 13160 (2000); the Age Discrimination Act of 1975, 42 U.S.C. §§ 6101-6106; Age Discrimination in Employment Act, 29 U.S.C. §§ 621-34; Title IX of the Education Amendments of 1972, as amended (20 U.S.C. 1681-83 and 1685-86); the Rehabilitation Act of 1973, 29 U.S.C. §§ 793-794; the Americans with Disabilities Act, 42 U.S.C. § 12101 et seq.; 41 CFR part 60 et seq. (1990); Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (PL 104-193); and all other applicable federal statutes, regulations and other laws.

(b) State Requirements. In performing the Services under this Contract, the Project Coordinator must comply with the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq., the Public Works Employment Discrimination Act, 775 ILCS 10/0.01 et seq. and any rules and regulations promulgated thereunder, including, but not limited to, the Equal Employment Opportunity Clause, 44 Ill. Admin. Code § 750 Appendix A, and all other applicable state statutes, regulations and other laws.

(c) City Requirements. In performing the Services under this Contract, the Project Coordinator must comply with the Chicago Human Rights Ordinance, Municipal Code § 2-160-010, and all other applicable City ordinances and rules. Further, the Project Coordinator must furnish, and cause every Subcontractor to furnish, such reports and information as may be requested from time to time by the Chicago Commission on Human Relations.

(d) Subcontractors Required to Comply. The Project Coordinator shall incorporate all of the provisions set forth under this heading in all subcontracts entered into with all suppliers of materials, furnishers of services, Subcontractors of any tier, and labor organizations which furnish skilled, unskilled and craft union skilled labor, or which may provide any materials, labor or services in connection with this Contract.

The Project Coordinator must cause its Subcontractors to execute such certificates as may be necessary in furtherance of these provisions. Such certifications will be attached and incorporated by reference in the applicable subcontracts. If any Subcontractor is a partnership or joint venture, the Project Coordinator will also include provisions in the Project Coordinator's subcontract insuring that the entities comprising such partnership or joint venture will be jointly and severally liable for the partnership's or joint venture's obligations under the subcontract.

INSPECTOR GENERAL

It is the Project Coordinator's duty and the duty of any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all of the Project Coordinator's officers, directors, agents, partners, and employees and any such bidder, proposer, contractor, subcontractor or such applicant: (a) to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code and (b) to cooperate with the Legislative Inspector General in any investigation undertaken pursuant to Chapter 2-55 of the Municipal Code. The Project Coordinator represents that it understands and will abide by all provisions of Chapters 2-56 and 2-55 of the Municipal

The Project Coordinator shall report, directly and without undue delay, to the City's Inspector General any and all information concerning conduct by any person which the Project Coordinator knows to involve corrupt activity, pursuant to Section 2-156-018(b) of the Municipal Code of Chicago. The Project Coordinator's knowing failure to report corrupt activity as required in subsection (b) of Section 2-156-018 of the Municipal Code of Chicago shall constitute an event of default under this Agreement. For purposes of subsection (b) of Section 2-156-018 of the Municipal Code of Chicago, "corrupt activity" shall mean any conduct set forth in subparagraph (a)(1), (2) or (3) of Section 1-23-020 of the Municipal Code of Chicago:

(1) bribery or attempted bribery, or its equivalent under any local, state or federal law, of any public officer or employee of the City of Chicago or of any sister agency; or

(3) conspiring to engage in any of the acts set forth in items (1) or (2) of this subsection (a).

The Project Coordinator agrees and covenants that no payment, gratuity or offer of employment shall be made in connection with this Agreement, by or on behalf of a subcontractor to the Project Coordinator or any higher–tier subcontractor or any person associated therewith, as an inducement for the award of a subcontract or order related to this Agreement.

COMPLIANCE WITH ENVIRONMENTAL AND SAFETY LAWS

The Project Coordinator shall be subject to, obey and adhere to any and all federal, state and local laws, statutes, ordinances, codes, rules, regulations and executive orders relating to public health and safety and the environment as are now or may be in effect during the term of this Contract which may be applicable to the Project Coordinator, including but not limited to the following Sections of the Municipal Code: Section 7-28-390, 7-28-440, 11-4-1410, 11-4-1420, 11-4-1450, 11-4-1500, 11-4-1530, 11-4-1550, or 11-4-1560, whether or not in the performance of this Contract.

DEEMED INCLUSION

Provisions required by law, ordinances, rules, regulations, or executive orders to be inserted in this Contract are deemed inserted in this Contract whether or not they appear in this Contract or, upon application by either party, this Contract will be amended to make the insertion; however, in no event will the failure to insert the provisions before or after this Contract is signed prevent its enforcement.

WARRANTIES AND REPRESENTATIONS

The Project Coordinator acknowledges, represents, warrants and covenants, as of the date of this Contract and throughout its term, that:

(a) the Project Coordinator is appropriately licensed and/or certified under Illinois law to perform the Services required under this Contract and will perform no Services for which a professional license and/or certification is required by law and for which the Project Coordinator is not appropriately licensed and/or certified;

(c) the Project Coordinator is financially solvent; the Project Coordinator and each of its employees, agents and Subcontractors of any tier are competent to perform the Services required under this Contract; and the Project Coordinator is legally authorized to execute and perform or cause to be performed this Contract under the terms and conditions stated in this Contract;

(g) the Project Coordinator and, to the best of its knowledge, its Subcontractors are not in violation of the provisions of Section 2-92-320 of Chapter 2-92 of the Municipal Code, the

(ii) no payment, gratuity or offer of employment will be made in connection with this Contract by or on behalf of any Subcontractors to the Project Coordinator or higher tier Subcontractors or anyone associated with them, as an inducement for the award of a subcontract or order.

(b) The Project Coordinator further acknowledges that any Agreement entered into, negotiated or performed in violation of any of the provisions of Chapter 2-156 is voidable as to the City.

BUSINESS DOCUMENTS

At the request of the City, the Project Coordinator must provide copies of its latest articles of incorporation, by-laws and resolutions, or partnership or joint venture agreement, as applicable.

CONFLICTS OF INTEREST

(a) No member of the governing body of the City or other unit of government and no other officer, employee or agent of the City or other unit of government who exercises any functions or responsibilities in connection with the Services to which this Contract pertains is permitted to have any personal interest, direct or indirect, in this Contract. No member of or delegate to the Congress of the United States or the Illinois General Assembly and no alderman of the City or City employee is allowed to be admitted to any share or part of this Contract or to any financial benefit to arise from it.

(b) The Project Coordinator covenants that it, and to the best of its knowledge, its Subcontractors if any (collectively, *"Consulting Parties"*), presently have no direct or indirect interest and will not acquire any interest, direct or indirect, in any project or contract that would conflict in any manner or degree with the performance of the Project Coordinator's Services under this Contract.

(c) [intentionally omitted]

(d) Without limiting the foregoing, if the Consulting Parties assist the City in determining the advisability or feasibility of a project or in recommending, researching, preparing, drafting or issuing a request for proposals or bid specifications for a project, the Consulting Parties must not participate, directly or indirectly, as a prime, Subcontractor or joint venturer in that project or in the preparation of a proposal or bid for that project during the term of this Contract or afterwards. The Consulting Parties may, however, assist the City in reviewing the proposals or bids for the project if none of the Consulting Parties have a relationship with the persons or entities that submitted the proposals or bids for that project.

(e) The Project Coordinator further covenants that, in the performance of this Contract, no person having any conflicting interest will be assigned to perform any Services or have access to any confidential information. If the City, by the Commissioner in his or her reasonable judgment, determines that any of the Project Coordinator's Services for others conflict with the Services the Project Coordinator is to render for the City under this Contract, the Project Coordinator must terminate such other services immediately upon request of the City.

(f) Furthermore, if any federal funds are to be used to compensate or reimburse the Project Coordinator under this Contract, the Project Coordinator represents that it is and will remain in compliance with federal restrictions on lobbying set forth in Section 319 of the Department of the Interior and Related Agencies Appropriations Act for Fiscal Year 1990, 31 U.S.C. § 1352, and related rules and regulations set forth at 54 Fed. Reg. 52,309 ff. (1989), as amended. If federal funds are to be used, the Project Coordinator must execute a Certification

Regarding Lobbying, which is part of the EDS and incorporated by reference as if fully set forth here.

(g) The Project Coordinator shall establish safeguards to prohibit officers, directors, agents, employees and family members from using positions of employment for a purpose that is, or gives the appearance of, being motivated by a desire for a private gain for themselves or others, particularly those with whom they have family business or other ties. Safeguards; evidenced by rules or bylaws, shall be established to prohibit persons from engaging in actions, which create or which appear to create a conflict of interest as described herein.

NON-LIABILITY OF PUBLIC OFFICIALS

The Project Coordinator and any of its assignees or Subcontractors must not charge any official, employee or agent of the City personally with any liability or expenses of defense or hold any official, employee or agent of the City personally liable to them under any term or provision of this Contract or because of the City's execution, attempted execution or any breach of this Contract.

INDEPENDENT CONTRACTOR

(a) This Contract is not intended to and will not constitute, create, give rise to, or otherwise recognize a joint venture, partnership, corporation or other formal business association or organization of any kind between the Project Coordinator and the City. The rights and the obligations of the parties are only those set forth in this Contract. The Project Coordinator must perform under this Contract as an independent contractor and not as a representative, employee, agent, or partner of the City.

This Contract is between the City and an independent contractor and, if the Project Coordinator is an individual, nothing provided for under this Contract constitutes or implies an employer-employee relationship such that:

(i) The City will not be liable under or by reason of this Contract for the payment of any compensation award or damages in connection with the Project Coordinator performing the Services required under this Contract.

(ii) The Project Coordinator is not entitled to membership in any of the City of Chicago pension funds, Group Medical Insurance Program, Group Dental Program, Group Vision Care, Group Life Insurance Program, Deferred Income Program, vacation, sick leave, extended sick leave, or any other benefits ordinarily provided to individuals employed and paid through the regular payrolls of the City.

(iii) The City is not required to deduct or withhold any taxes, FICA or other deductions from any compensation provided to the Project Coordinator.

(b) The City is subject to the June 24, 2011 "City of Chicago Hiring Plan" (the *"City Hiring Plan"*) entered in Shakman v. Democratic Organization of Cook County, Case No 69 C

2145 (United States District Court for the Northern District of Illinois). Among other things, the City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(c) The Project Coordinator is aware that City policy prohibits City employees from directing any individual to apply for a position with the Project Coordinator, either as an employee or as a subcontractor, and from directing the Project Coordinator to hire an individual as an employee or as a subcontractor. Accordingly, the Project Coordinator must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by the Project Coordinator under this Contract are employees or subcontractors of the Project Coordinator, not employees of the City of Chicago. This Contract is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by the Project Coordinator.

(d) The Project Coordinator will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Contract, or offer employment to any individual to provide services under this Contract, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Contract, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(e) In the event of any communication to the Project Coordinator by a City employee or City official in violation of paragraph (c) above, or advocating a violation of paragraph (d) above, the Project Coordinator will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General (*"IGO Hiring Oversight"*), and also to the head of the Department. The Project Coordinator will also cooperate with any inquiries by IGO Hiring Oversight or the Shakman Monitor's Office related to this Contract.

RELIGIOUS ACTIVITIES

(a) The Project Coordinator warrants that it will not engage in any inherently religious activities, such as worship, religious instruction, or proselytization, as part of or while carrying out the funded programs or Services.

(b) The Project Coordinator warrants that if it does engage in inherently religious activities, such as worship, religious instruction, or proselytization,

i. such activities will always be conducted separately, in time or location, from the funded programs or Services; and

ii. any participation in such activities on the part of beneficiaries of the funded programs or Services must be wholly voluntary.

(c) The Project Coordinator warrants that it will not discriminate against a beneficiary or prospective beneficiary of the funded programs or Services on the basis of religion, religious belief, or participation or nonparticipation in any inherently religious activities.

(d) If the Agreement involves any grant of funds for the acquisition, construction, or rehabilitation of structures, the Project Coordinator warrants:

i. The room or space that the grant funds will be used to acquire, construct or rehabilitate is not the Project Coordinator's primary place of worship; and

ii. Grant funds will be used only for those portions of the acquisition, construction, or rehabilitation of the structures that are attributable to eligible activities; and

iii. If in the future the structure is used for inherently religious activities or otherwise ceases being used for eligible activities, the Project Coordinator will adhere to the rules on real property use and disposition and government reimbursement found in the applicable laws and regulations.

(e) For purposes of this section, "beneficiary" means a child participating in a Program and, in addition, his or her parents, guardians, other responsible adults and family members.

PROHIBITION ON CERTAIN CONTRIBUTIONS - MAYORAL EXECUTIVE ORDER NO. 2011-4

Neither the Project Coordinator nor any person or entity who directly or indirectly has an ownership or beneficial interest in the Project Coordinator of more than 7.5% (*"Owners"*), spouses and domestic partners of such Owners, the Project Coordinator's Subcontractors, any person or entity who directly or indirectly has an ownership or beneficial interest in any Subcontractor of more than 7.5% (*"Sub-owners"*) and spouses and domestic partners of such Sub-owners (the Project Coordinator and all the other preceding classes of persons and entities are together, the *"Identified Parties"*), shall make a contribution of any amount to the Mayor of the City of Chicago (the *"Mayor"*) or to his political fundraising committee during (i) the bid or other solicitation process for this Contract or Other Contract, including while this Contract or Other Contract is executory, (ii) the term of this Contract or any Other Contract between City and the Project Coordinator, and/or (iii) any period in which an extension of this Contract or Other Contract with the City is being sought or negotiated.

The Project Coordinator represents and warrants that since the date of public advertisement of the specification, request for qualifications, request for proposals or request for information (or any combination of those requests) or, if not competitively procured, from the date the City approached the Project Coordinator or the date the Project Coordinator approached

the City, as applicable, regarding the formulation of this Contract, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

The Project Coordinator shall not: (a) coerce, compel or intimidate the Project Coordinator's employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse the Project Coordinator's employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

The Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Contract, and under any Other Contract for which no opportunity to cure will be granted. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Contract, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If the Project Coordinator violates this provision or Mayoral Executive Order No. 2011-4 prior to award of the Agreement resulting from this specification, the Commissioner may reject the Project Coordinator's bid.

For purposes of this provision:

"Other Contract" means any agreement entered into between the Project Coordinator and the City that is (i) formed under the authority of Municipal Code Ch. 2-92; (ii) for the purchase, sale or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved and/or authorized by the City Council.

"Contribution" means a "political contribution" as defined in Municipal Code Ch. 2-156, as amended.

"Political fundraising committee" means a "political fundraising committee" as defined in Municipal Code Ch. 2-156, as amended.

EXHIBIT II

INTERGOVERNMENTAL AGREEMENT BETWEEN THE CITY OF CHICAGO, BY AND THROUGH ITS DEPARTMENT OF FAMILY AND SUPPORT SERVICES, AND THE BOARD OF EDUCATION OF THE CITY OF CHICAGO REGARDING THE CPS CPC PROGRAM

This Intergovernmental Agreement (this *"Agreement"*) is made and entered into as of the ____ day of _____, 2014 (the *"Agreement Date"*) by and between the City of Chicago (the *"City"*), a municipal corporation and home rule unit of government under Article VII, Section 6(a) of the 1970 Constitution of the State of Illinois, by and through its Department of Family and Support Services (the *"Department"*), and the Board of Education of the City of Chicago (the *"Board"* or *"CPS"*), a body corporate and politic, organized under and existing pursuant to Article 34 of the School Code of the State of Illinois.

RECITALS

WHEREAS, the Board desires to implement high quality pre-kindergarten programs (collectively, the *"CPS CPC Program"*) in certain schools identified by the Board as serving at-risk children in order to increase school readiness and reduce later public school spending on special education (*"SPED"*), student retention, individual intervention and English language training; and

WHEREAS, initial support for operational costs for the CPS CPC Program will come from funds provided by certain lenders (the *"Lenders"*) in the form of loans (the *"Loans"*) made to IFF Pay for Success I, LLC, an Illinois limited liability company (the *"Project Coordinator"*); and

WHEREAS, the Project Coordinator will loan the proceeds of the Loans (the *"IFF Program Transfer Amounts"*) to the City pursuant to the provisions of a Loan Agreement and Pay For Success Contract (the *"Pay For Success Agreement"*) between the City and the Project Coordinator; and

WHEREAS, the Board agrees, pursuant to this Agreement, to utilize the IFF Program Transfer Amounts transferred to it by the Project Coordinator, on behalf of the City, to pay costs associated with implementing the CPS CPC Program; and

WHEREAS, to the extent the Board, through the CPS CPC Program, is successful in reducing expenditures for special education services as set forth in the Evaluation Plan, the Board agrees to pay the Board Pay-For-Success Payments for application pursuant to the Pay For Success Agreement; and

WHEREAS, the City and the Board now desire to enter into this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

ARTICLE ONE: INCORPORATION OF RECITALS AND DEFINITIONS

The recitals set forth above are incorporated herein by reference and made a part hereof. Capitalized terms used herein without definition shall have the meanings assigned to such terms in Exhibit A hereto or in the GSSIF Senior Loan Agreement.

ARTICLE TWO: CPS CPC PROGRAM

1. Description of CPS CPC Program. The five major goals of the CPS CPC Program are to (1) promote readiness for kindergarten in language and literacy, math, science, and socio-emotional learning; (2) increase proficiency and excellence in early school achievement, including reading, math, and science; (3) enhance social adjustment and psychological development in the early grades, including socio-emotional learning, school commitment, and self-control; (4) increase parent involvement and engagement in children's education throughout early childhood; and (5) enhance educational attainment, career opportunities, and personal development for parents and family members.

2. Description of Services.

The Board shall use the IFF Program Transfer Amounts received by the City for application hereunder to pay the project-related fees and expenses set forth in Exhibit C under the heading "Project Fees" to provide the services needed to implement the CPS CPC Program funded by the IFF Program Transfer Amounts in the school facilities identified in the Evaluation Plan attached hereto as Exhibit D, as amended from time to time in accordance with this Agreement. The services provided by the Board under the CPS CPC Program and related, supportive services to be provided by the Technical Services Provider pursuant to the Technical Services Agreement with the Project Coordinator are referred to herein as the *"CPS CPC Program Services."*

The CPS CPC Program Services will be provided in accordance with the core program principles (the *"Core Program Principles"*) attached as Exhibit E hereto. The Board shall not amend the Core Program Principles in any material respect without the prior written approval of the City and the Approval of the Lender Committee. In the event any such amendment (including any aspect of implementation of the CPS CPC Program Services) is not so approved by the City and/or the Lender Committee and the Board determines that such amendment is necessary for the effective implementation of the CPS CPC Program, the Board may, by notice to the City, the Project Coordinator and the Lenders, terminate this Agreement with respect to Project Year Cohorts commencing preschool in a Subsequent Project Year following the Project Year in which the Board determines that such amendment is necessary (provided that such termination shall not affect the obligations of the City and the Board pursuant to this Agreement with respect to Board Pay-For-Success Payments in the Initial Project Year and any Subsequent Project Years prior to the Subsequent Project Year with respect to which such notice of termination is given).

The CPS CPC Program Services will be provided in the school facilities described in the Evaluation Plan. Any additional school facilities at which CPS CPC Program

Funded Services will be provided shall require the prior written approval of the City, which approval shall not be unreasonably withheld. The Board reserves the right to lease additional space and/or purchase equipment as needed to provide the CPS CPC Program Services, provided that the cost of any such additional space and/or equipment is paid for by the Board other than from the IFF Program Transfer Amounts.

The Board will ensure appropriate levels of staffing to perform the CPS CPC Program Services and in accordance with the Core Program Principles.

As set forth under the heading "Study Population" in the Evaluation Plan, the target population for the CPS CPC Program is preschool children residing primarily in low-income neighborhoods and who meet study eligibility criteria, as further described in the Evaluation Plan (the *"CPS CPC Program Population"*).

As required by the Evaluation Plan and pursuant to Article Four hereof, for each Project Year commencing with the Project Year ending June 30, 2016 and ending with the Project Year that ends on June 30 of the last Project Year in which the last Subsequent Project Year Cohort completes twelfth (12^{th}) grade, the Board will make Board Pay-For-Success Payments to the City in the amounts and at the times specified by notice to the Board from the Evaluator based on the Evaluator's evaluation of the Total Number of Special Education Slots Avoided (as such term is used and described in the Evaluation Plan) (each hereinafter referred to as *"Success"*). Reference is made to the Evaluation Plan for a detailed description of the evaluation criteria and performance measurement criteria. The Board and the City shall not, and shall not permit the Project Coordinator to, amend or modify the Evaluation Plan or the Evaluation Agreement or grant any waiver or consent under the Evaluation Agreement without the prior written approval of the other party hereto and the Approval of the Lender Committee.

3. Project Year Supplements.

(a) The Board and the City acknowledge and agree that Exhibit C sets forth only the project-related fees and expenses for the Initial Project Year. The Board shall prepare (in consultation with the Technical Services Provider) not later than June 1 of each Project Year, commencing with the Initial Project Year, a Project Year Supplement for the Subsequent Project Year. If necessary, the deadline for the Board to prepare the Project Year Supplement can be extended twice, each extension for a period of up to one month and each extension with the Approval of the Lender Committee; provided, however, the deadline for preparation of such Project Year Supplement for the Subsequent Project Year shall not extend beyond July 31. In order for a Project Year Supplement to be adopted, it will be necessary for the Board, the City and the Project Coordinator, with the Approval of the Lender Committee, to agree upon the Project Year Supplement for the Subsequent Project Year by August 15. As part of each Project Year Supplement that is agreed to by the Board, the City and the Project Coordinator and Approved by the Lender Committee, Exhibit C will be revised and updated to reflect the project-related fees and expenses for such applicable Project Year. Each Project Year Supplement will set forth for the applicable Subsequent Project Year: (i) the Board Project Year Budgeted Amount, (ii) the City Project Year Appropriated Amount, (iii) the size of the Subsequent Project Year Cohort, (iv) the Project Year Budget including the IFF Program Transfer Amounts, (v) the "base case" level of Pay-For-Success Payments resulting from a change in the size of the

Subsequent Project Year Cohort and (vi) any revisions to the Core Program Principles for the Subsequent Project Year.

4. Evaluator and Technical Services Provider.

(a) Simultaneously with the execution and delivery of this Agreement, the Project Coordinator shall enter into the Evaluation Agreement with the Evaluator (together with its successors duly appointed in accordance with the Pay For Success Agreement) to carry out the functions described in the Evaluation Agreement. The parties hereto anticipate that the Evaluator will deliver a final Evaluation Plan within ninety (90) days of the funding of the initial Loan Advance. The Evaluator will be responsible for, in accordance with the Evaluation Plan and the Evaluation Agreement, making the calculations described in Article Four hereof, applying the evaluation criteria, performance measurement criteria and evaluation methodology set forth in the Evaluation Plan, giving notice to the Board of the amounts and due dates of Board Pay-For-Success Payments hereunder and performing such other functions as are set forth in the Evaluation Plan. Pursuant to the Pay For Success Agreement, the Project Coordinator shall not replace the Evaluator or any successor thereto or amend, modify or terminate or waive or consent to any deviation from any material term or condition of the Evaluation Agreement without the prior written approval of the Board and the City and the Approval of the Lender Committee. The parties hereto agree that the Evaluator will be compensated, for all services provided pursuant to the Evaluation Agreement, by the Project Coordinator (i) for the Project Years ending June 30, 2015 and 2016, from proceeds of a grant provided by the Finnegan Family Foundation and (ii) for the Project Years commencing with the Project Year ending June 30, 2017, from Other Funding Sources to the extent Other Funding Sources are available for such purpose. To the extent that Other Funding Sources are not available to compensate the Evaluator for the Project Years commencing with the Project Year ending June 30, 2017, the Evaluator will be compensated by the Project Coordinator from proceeds of Loans, in the maximum aggregate principal amount of $319,000, made to the Project Coordinator by the Lenders and in turn loaned to the City as Loan Advances pursuant to the Pay For Success Agreement. No such use of Loan Advances to pay the Evaluator shall increase the City's maximum obligations to make City Pay-For-Success Payments under the Pay For Success Agreement or the Board's maximum obligations to made Board Pay-For-Success Payments hereunder.

(b) Simultaneously with the execution and delivery of this Agreement, the Project Coordinator shall enter into a contract with the Technical Services Provider (together with its successors duly appointed in accordance with the Pay For Success Agreement) to provide the services as set forth in the Technical Services Agreement. Pursuant to the Pay For Success Agreement, the Project Coordinator shall not replace the Technical Services Provider or amend, modify or terminate or waive or consent to any deviation from any material term or condition of the Technical Services Agreement without the prior written approval of the Board and the City and the Approval of the Lender Committee. The parties hereto agree that the Technical Services Provider will be compensated by the Project Coordinator for all services provided pursuant to the Technical Services Agreement during the Initial Project Year from proceeds of the Loans made to the Project Coordinator by the Lenders and in turn loaned to the City as Loan Advances on or about the date hereof and, for Project Years subsequent to the

Initial Project Year, from Other Funding Sources to the extent Other Funding Sources are available. In the event that Other Funding Sources are not available, the Technical Service Provider's role with respect to the CPS CPC Program will terminate. The Board hereby agrees to cooperate with the Technical Service Provider.

5. Provision of Information.

(a) The Board hereby agrees to provide such information as is required pursuant to this Agreement, the Evaluation Plan, the Evaluation Agreement and the Pay For Success Agreement to the Evaluator as is necessary for the Evaluator to carry out its respective evaluation and other responsibilities in accordance with this Agreement, the Evaluation Plan, the Evaluation Agreement and the Pay For Success Agreement. The Board acknowledges that, subject to applicable federal, State and local privacy laws, collective bargaining agreements, Freedom of Information Act requirements and Board policies, it will be bound by publicity provisions included as Appendix D to the Pay For Success Agreement, which provisions are deemed to be incorporated by reference into this Agreement.

(b) For so long as the Evaluator (or any successor thereto) is engaged and performing the duties set forth in Section 4(a) hereof, within 90 days after the end of each Semi-Annual Period, commencing with the Semi-Annual Period ending June 30, 2015, the CPS CPC Program Services Report shall be provided by the Board to the Evaluator for such Semi-Annual Period.

(c) The Board shall, and shall cause its officers, employees, auditors and agents to: (i) afford the officers, employees and authorized agents and representatives of the Project Coordinator, the Evaluator and the Technical Services Provider reasonable access, during normal business hours and upon a minimum of ten Business Days' notice, to its books and records directly related to this Agreement; and (ii) make available to such persons, the management, employees, officers, directors, accountants and auditors of the Board as the Project Coordinator may from time to time reasonably request, with a minimum of ten Business Days' notice.

(d) The Board hereby agrees to the provisions set forth in Article IV of the Pay For Success Agreement, and such provisions are deemed to be incorporated herein.

(e) The Board agrees that if, after receipt of notice (provided in accordance with the Evaluation Agreement) from the Evaluator that specified information that the Board is responsible for providing to the Evaluator and that is required to calculate Pay-For-Success Payments with respect to a particular Project Year Cohort in accordance with the Evaluation Agreement, the Board fails to provide such information required by the Evaluator with respect to such Project Year Cohort within 14 Business Days, the Evaluator shall assume that a "base case" level of Pay-For-Success Payments for the Project Year Cohort for which such required information was not provided has been achieved as specified in Exhibit C hereto for purposes of the Initial Project Year Cohort and as specified in the related Project Year Supplement for each Subsequent Project Year Cohort; provided, however, that if the Evaluator determines that the Board has demonstrated that its failure to deliver such information is due to an extraordinary

event beyond the control of the Board, the Board shall have seven Business Days after the extraordinary event has been remedied to provide such information to the Evaluator.

(f) The Board agrees to provide additional information to the Project Coordinator to the extent required for the Project Coordinator to provide the information required by the Social Impact Reporting Requirements attached hereto as Exhibit B, provided that such information is available to the Board without unreasonable effort or expense and provided further that the Evaluator has provided the Board any information the Board needs to provide such additional information.

(g) In the event that the Evaluator or the Project Coordinator shall resign or be replaced, the City shall direct the Project Coordinator to, and the Project Coordinator shall direct the Evaluator to, return all documents, analyses and other data prepared by or received from the Evaluator under the Evaluation Agreement (the "Work Products") to the Board. The Project Coordinator may furnish Work Products and copies thereof to the Lenders, its legal advisors and accountants, or, with the consent of the City and the Board, to other parties.

ARTICLE THREE: FUNDING OF CPS CPC PROGRAM

1. Funding Schedules and Project Year Budgets. The Initial Project Year Funding Schedule is set forth in the Funding Plan attached as Exhibit C to this Agreement under the heading "Funding Schedule." The Subsequent Project Year Funding Schedule for each Subsequent Project Year shall be set forth in the Project Year Supplement for such Project Year. A Funding Schedule may be amended or modified from time to time by replacement of the Funding Schedule by the Project Coordinator only with the prior written approval of the Board and the City and the Approval of the Lender Committee. The Project Year Budget for the Initial Project Year is attached as part of Exhibit C to this Agreement under the heading "Initial Project Year Budget." The Project Year Budget for each Subsequent Project Year shall be set forth in the applicable Project Year Supplement for such Project Year. A Project Year Budget may be amended from time to time as agreed to in writing by the Board, the City and the Project Coordinator, with the Approval of the Lender Committee. The Board and the City agree that the Funding Schedule and the Project Year Budget are based on a "base case" level of Pay-For-Success Payments and that actual Pay-For-Success Payments may be greater or lesser than the "base case" and the CPS CPC Program costs may be less than the "base case" as required by the terms of this Agreement depending on the operational savings realized by a reduction in the number of CPS CPC Funded Program Enrollees (provided that in no event will any reduction in any Project Year Cohort be made without the approval of the City and the Board and the Approval of the Lender Committee).

2. IFF Program Transfer Amounts. On each September 1 and January 1 (or if any such day is not a Business Day, on the immediately succeeding Business Day), the Board will submit a draw request (*"Project Draw Request"*), signed by the Board's Chief Financial Officer and the CPS Early Childhood Chief Officer, to the City's Commissioner of the Department of Family and Support Services with a copy to the Lenders and the Project Coordinator. Upon receipt of the signed Project Draw Request, the City agrees to request the Project Coordinator to transfer IFF Program Transfer Amounts pursuant to the Pay For Success Agreement to the

account identified by the Board in the Project Draw Request for application in accordance with this Agreement. The Board covenants to cause all IFF Program Transfer Amounts received from the Project Coordinator for a Project Year to be applied exclusively to the costs of the provision of the CPS CPC Program for the CPS CPC Funded Program Slots for such Project Year. The Board covenants to cause the CPS CPC Program that is provided each Project Year pursuant to this Agreement to adhere to the Core Program Principles.

3. Board Budget. For each Project Year, with the exception of the Initial Project Year for which funds have already been budgeted, the Board covenants to cause the CPS Chief Financial Officer (in conjunction with the CPS Early Childhood Chief Officer) to request as part of the Board's proposed budget an inclusion in the budget for the Board for the then-applicable budget and fiscal period (the *"Board Budget"*) of funds (the *"Board Budgeted Program Funds"*) in an amount equal to the amount set forth in the Project Year Supplement under the heading "Projected Board Project Year Budgeted Amount". Upon the appropriation of any Board Budgeted Program Funds for any Project Year, the Board covenants to cause all Board Budgeted Program Funds for a Project Year to be applied exclusively to the costs of the provision of the CPS CPC Program for the CPS CPC Funded Program Slots for such Project Year. Nothing contained herein shall permit the City or the Project Coordinator to compel the Board to include Board Budgeted Program Funds in any final budget approved by the Board for any year; provided, however the Board recognizes that no Loans will be provided by the Lenders to the Project Coordinator and no Loan Advances will be provided by the Project Coordinator to the City and hence no Project Draw Requests will be able to be made by the Board for any budget and fiscal period for which Board Budgeted Program Funds are not included in the final budget approved by the Board for such fiscal and budget period. If any final budget of the Board for any Project Year does not include the full amount of the Board Budgeted Program Funds as contemplated by this Article Three, Section 3, then promptly upon the adoption of such final Budget, the Board shall give notice to the City and to the Lenders to such effect.

4. Project Coordinator Fees and Expenses. The parties hereto agree that the Project Coordinator will be compensated in the amounts and at the times set forth in Exhibit C hereto, for all services provided pursuant to the Pay For Success Agreement and the Loan Agreements, and all audit and tax expenses of the Project Coordinator (which expenses are capped at $10,000 annually) will be reimbursed, from proceeds of the initial advance of the Loan for each Project Year made by the Lenders to the Project Coordinator and in turn loaned to the City as a Loan Advance on or about the date hereof. The fee of the Project Coordinator shall be deemed to be earned in accordance with Exhibit C hereto. If at any time the Project Coordinator resigns or is replaced and is required, pursuant to the terms of the Loan Agreements, to repay any unearned portion of its compensation to the Lenders, the return of such unearned portion shall be deemed a repayment of the corresponding amount of a Loan Advance.

5. Third Party Fees. The Project Coordinator shall be solely responsible to pay any and all third party vendors', advisors', legal counsel's and other professional service providers' costs, fees and expenses incurred in management of the Pay For Success Agreement and any related agreements (other than the costs, fees and expenses of the Evaluator, the Technical Services Provider and the Attorneys (as defined in the Pay For Success Agreement), which are being paid as provided in the Pay For Success Agreement) and performing its obligations

hereunder and thereunder, and the Board shall have no liability for any of the foregoing costs, fees and expenses, including, but not limited to, fees paid to any financial advisor for assisting with the Pay For Success Agreement and identifying and enlisting the Lenders for services provided under this Agreement; provided, however, that the fees of the Evaluator, the Technical Services Provider and the Attorneys shall be paid from the sources of funds identified in Section 2.03(a), (b) and (d) of the Pay For Success Agreement.

ARTICLE FOUR: PAY FOR SUCCESS PAYMENTS

1. Board Budget. Subject to the provisions set forth in the third paragraph of this Section 1, for each Project Year, commencing with the Project Year ending June 30, 2017 and ending on June 30 of the Project Year after the last Project Year in which a Project Year Cohort completes twelfth (12^{th}) grade, the Board covenants to cause the CPS Chief Financial Officer to request an inclusion in the Board Budget for the then-applicable fiscal period of funds necessary to pay either (i) the Board Pay-For-Success Payments for the prior Project Year based on a "base case" of Board Pay-For-Success Payments as specified in Exhibit C hereto for purposes of the Initial Project Year Cohort and as specified in the related Project Year Supplement for each Subsequent Project Year Cohort or (ii) if lesser and then known, the actual Board Pay-For-Success Payments determined to be due for the prior Project Year. If the Board shall determine that the "base case" of Board Pay-For-Success Payments is not the appropriate basis for a Board Budget request for any Project Year, the Board may propose an alternate basis to the Evaluator. If the Evaluator approves such alternate basis, the Board's request for inclusion in the Board Budget for the then-applicable fiscal period may be based on such alternate basis.

Further, the Board covenants that, to the extent it requests an inclusion in the Board Budget for the then applicable fiscal period funds for any early childhood program (defined for purposes hereof to mean any program for children prior to entering kindergarten), the Board will seek a request for Board Pay-For-Success Payments, determined in accordance with the preceding paragraph, due with respect to the preceding Project Year or due and unpaid for prior Project Years in accordance with the provisions of Article Two, this Article Four and the Pay For Success Agreement.

If the actual Board Pay-For-Success Payments owed by the Board for a particular Project Year are more than the amount included in the Board Budget for that Project Year, the Board shall request an amount equal to the deficiency in the Board Budget for the subsequent Project Year.

Unless the Board has received notice from the Project Coordinator that no further amounts are due and payable under the Loan Agreements and no further Board Pay-For-Success Payments are due from the Board hereunder as a result, the Board covenants to continue to make such budget requests until the later of (i) the Project Year after the Project Year in which the last Project Year Cohort completes twelfth (12^{th}) grade or (ii) all Board Pay-for-Success Payments required hereby have been paid in full.

Upon the approval by the Board of any funds requested by the Board to pay Board Pay-For-Success Payments for any Project Year (the *"Board Budgeted Pay-for-Success*

Funds"), the Board covenants to cause such Board Budgeted Pay-For-Success Funds to be deposited in the Board Designated Account in accordance with the provisions of this Article Four and the Pay For Success Agreement. If any final budget of the Board for any Project Year does not include the full amount of the Board Pay-For-Success Payments requested by the CPS Chief Financial Officer for such year, then promptly upon the adoption of such final budget, the Board shall give notice to the City and the Lenders to such effect.

2. Board Pay-For-Success Payments. Commencing with the Project Year ending on June 30, 2016 and ending with the last Project Year in which a Project Year Cohort completes sixth (6th) grade, the Evaluator shall calculate, pursuant to the Evaluation Plan, the amount, if any, of Board Pay-For-Success Payments due from the Board for such Project Year in accordance with the Evaluation Plan. By the October 1 following the completion of each Project Year under evaluation, the Evaluator shall deliver written notice of such amount (including the calculations supporting such amount) to the City, the Board, the Project Coordinator and the Lenders. The Evaluator's calculations delivered for each Project Year Cohort completing sixth (6^{th}) grade will also include the amounts of Board Pay-For-Success Payments due for each of the following six Subsequent Project Years for such Project Year Cohort.

If for any Project Year no such notice is received by the Board from the Evaluator by October 15 of the following Project Year, then the Board shall notify the City, the Project Coordinator and the Lender Committee of such failure, and the Project Coordinator shall replace the Evaluator as promptly as practicable, subject to the approval of the City and the Board and the Approval of the Lender Committee.

The Board Pay-For-Success Payments will be due 30 Business Days after receipt of the Evaluator's notice of any Board Pay-For-Success Payments (other than Board Pay-For-Success Payments due for Project Year Cohorts in grades beyond sixth (6th) grade, which are due by the September 1 following each Project Year for which payment is due), and the Board shall, on behalf of the City, deposit such Board Pay-For-Success Payments in the Board Designated Account; *provided, however*, that if the Board shall determine, within ten (10) Business Days of receipt of notice from the Evaluator, that the calculation of the amounts set forth by the Evaluator contains any manifest mathematical error, the Board shall give notice describing such error to the Evaluator, the City, the Project Coordinator and the Lenders, and each of such parties will work in good faith to resolve the error (and upon such resolution the Board shall promptly pay the required amount as so resolved).

Unless the Board has received notice from the Project Coordinator that no further amounts are due and payable under the Loan Agreements and no further Board Pay-For-Success Payments are due from the Board hereunder as a result, the Board covenants to make such required Board Pay-For-Success Payments until the later of (i) the Project Year after the sixth anniversary of the Project Year the last Project Year Cohort completes sixth (6^{th}) grade or (ii) the Board Pay-For-Success Payments required hereby have been paid in full.

3. Limit on Board Pay-For-Success Payments. Notwithstanding any provision of this Agreement or any other Core Document, (i) the maximum aggregate amount of Board Pay-For-Success Payments that are required to be made pursuant to and during the term of this

Agreement is $30,000,000, and the City shall cause all Board Pay-For-Success Payments to be paid to the Project Coordinator solely and only from (i) funds paid to it by the Board hereunder or (ii) other amounts legally available to be applied to such payments as expressly provided herein.

4. Prepayment. The Board shall have the right, but not the obligation, to prepay any portion or all of the Board Pay-For-Success Payments at any time. If the Board wishes to prepay any portion or all of the Board Pay-For-Success Payments, the Board shall, by notice to the Evaluator with copies to the City, the Project Coordinator and the Lenders, request the Evaluator to calculate the amount of Board Pay-For-Success Payments to be prepaid. With respect to Board Pay-For Success Payments deposited in the Board Designated Account to pay the GSSIF Senior Lender or the NT Senior Lender, the prepayment amount will be an amount equal to the outstanding principal amount of the Loans due to the respective Lender under the respective Loan Agreement on the date of prepayment, plus accrued and unpaid interest thereon. With respect to Board Pay-For-Success Payments deposited in the Board Designated Account to pay the Subordinate Lender, the prepayment amount will be an amount equal to the present value of the outstanding and unpaid Board Pay-For-Success Payments assuming a "base case" level of Board Pay-For-Success Payments discounted to present value as of the date of notice of prepayment (the *"Calculation Date"*) using a discount rate equal to the Treasury Rate (as defined below) plus 200 basis points. For purposes of the calculation described in the preceding sentence, "*Treasury Rate*" means, as of any Calculation Date, the yield to maturity as of such prepayment date of United States Treasury securities with a constant maturity (as compiled and published in the most recent Federal Reserve Statistical Release H.15 (519) that has become publicly available at least two Business Days prior to the Calculation Date (excluding inflation indexed securities) (or, if such Statistical Release is no longer published, any publicly available source of similar market data)) most nearly equal to the period from the Calculation Date to the payment dates of the Board Pay-For-Success Payments to be prepaid; provided, however, that if the period from the Calculation Date to such prepayment date is less than one year, the weekly average yield on actually traded United States Treasury securities adjusted to a constant maturity of one year will be used. Upon the giving by the Evaluator of notice to the Board, the City, the Project Coordinator and the Lenders of the amount to be prepaid by the Board as so calculated, the Board shall deposit the amount of the prepayment as so calculated by the Evaluator to the Board Designed Account.

5. Acceleration. The Board covenants to pay any Board Pay-For-Success Payments resulting from the acceleration on September 1, 2028 (the *"Acceleration Date"*) by any Lender of the outstanding amount of its respective Loan pursuant to Section 2.6.7 of the applicable Loan Agreement following receipt of notice from such Lender of such acceleration, which notice from such Lender must be sent 90 days prior to the Acceleration Date. The discount rate to be used in calculating the present value of the Board Pay-For-Success Payments as of the Acceleration Date shall be the discount rate set forth in Article 4, Section 4 hereof for voluntary prepayments of Board Pay-For-Success Payments. The Board's obligation to pay any accelerated Board Pay-For-Success Payments is subject to budgeted amounts being legally available to make such Board Pay-For-Success Payments. In the event that such amounts are not legally available, the provisions of Article 7, Section 2 hereof shall apply.

6. Limitations. The obligation of the Board to fund Board Pay-For-Success Payments or to make any other payments required by this Agreement shall not constitute an indebtedness or general obligation of the Board or a loan of its credit within the meaning of any statutory or Constitutional provision of the State.

ARTICLE FIVE: REPRESENTATIONS AND WARRANTIES OF THE BOARD

1. Organization. The Board represents and warrants that it is a (i) a body politic and corporate of the State of Illinois and governs the School District having boundaries coterminous with the boundaries of the City, (ii) established under and governed by Article 34 of the School Code and (iii) not a home rule unit of government.

2. Authorization; Enforceability. The Board has all requisite power and authority to enter into, execute and to deliver this Agreement and to perform its obligations hereunder. The execution and delivery of this Agreement, the performance of the obligations hereunder, and the consummation of the transactions contemplated hereby have been duly authorized by all necessary action on the part of the Board and no other proceedings or actions on the part of the Board are necessary to authorize the execution and delivery of this Agreement and the consummation of the transactions contemplated hereby. This Agreement has been duly and validly executed and delivered by the Board and constitutes a valid and binding obligation of the Board, enforceable in accordance with its terms, except as enforcement may be limited by (i) bankruptcy, insolvency, reorganization, moratorium or other laws of general application affecting enforcement of creditors' rights generally, or (ii) laws relating to the availability of specific performance, injunctive relief or other equitable remedies.

3. Non-Contravention; No Violation. The execution and delivery of and performance by the Board of its obligations under this Agreement do not violate any applicable law or administrative regulation of the State of Illinois or the United States of America or any department, division, agency or instrumentality of either, or any applicable judgment or decree to which the Board is subject, or conflict, in a material manner with, or constitute a material breach of or a material default under any loan agreement, bond, note, resolution, ordinance, indenture, agreement or other instrument to which the Board is a party or is otherwise subject.

4. Governmental Consents. No consent, approval, authorization, license, governmental order or permit of, or declaration, filing or registration with, or notification to, any governmental authority is required to be made or obtained, and no consent or approval of any other person is required by the Board in connection with the execution, delivery and performance of this Agreement or the consummation of the transactions contemplated hereby.

5. Compliance with Laws; Litigation.

(a) To the knowledge of the Board, the Board is in material compliance with all applicable laws, including, without limitation, laws that are applicable to its properties and assets, the conduct of its operations.

(b) There is no action of any nature pending or, to the knowledge of the Board, threatened against, relating to or affecting the Board or any of its properties or assets, or that challenges or seeks to prevent, enjoin or delay the transactions contemplated in this Agreement, nor, to the knowledge of the Board, is there any reasonable basis therefor or any facts, threats, claims or allegations that would reasonably be expected to result in any such action.

6. Initial Project Year Board Budgeted Program Funds. For the Initial Project Year, Board Budgeted Program Funds have been budgeted for the provision of the CPS CPC Program to the Initial Project Year Cohort in the aggregate amount of $2,104,498, which funds shall be advanced to the Board in accordance with Exhibit C hereto.

ARTICLE SIX: TERM AND TERMINATION

1. Term. The Term of the Agreement shall be deemed to have commenced as of the Agreement Date set forth above and shall remain in effect until the last Board Pay-For-Success Payments due from the Board are paid in accordance with this Agreement and the City, or the Board on its behalf, deposits the Board Pay-For-Success Payments in the Board Designated Account as detailed herein and in the Pay For Success Agreement.

2. Termination With Respect to Subsequent Project Year. If for any Subsequent Project Year the Board Project Year Budgeted Amount or the City Project Year Appropriated Amount is less than the amount reflected for such Subsequent Project Year in Exhibit C under the heading "Projected Board Project Year Budgeted Amount" or "Projected City Project Year Appropriated Amount" respectively and/or a Project Year Supplement is not mutually agreed to by the Board, the City and the Project Coordinator with the Approval of the Lender Committee, then each of the Board and the City shall have the right by notice to the other and to the Project Coordinator and the Lenders to terminate this Agreement with respect to such and all future Subsequent Project Years, and such termination shall be effective on the date such notice is received, provided that no such termination shall affect the obligations of the City and the Board pursuant to this Agreement with respect to Board Pay-For-Success Payments for the Initial Project Year and any Subsequent Project Years prior to the Subsequent Project Year with respect to which such notice of termination is given.

ARTICLE SEVEN: INDEMNITY; DEFAULT

1. Indemnification. The Board agrees to indemnify, defend and hold the City, its officers, officials, members, employees and agents harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) suffered or incurred by the City arising from or in connection with the Board's failure to comply with any of the terms, covenants and conditions contained within this Agreement. The City agrees to indemnify, defend and hold the Board, its officers, officials, members, employees and agents harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) suffered or incurred by the Board

arising from or in connection with the City's failure to comply with any of the terms, covenants and conditions contained within this Agreement.

2. Events of Default - Board. The failure of the Board to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Board under this Agreement shall constitute an "Event of Default" by the Board hereunder. Upon the occurrence of an Event of Default, the City may, by notice to the Board, the Project Coordinator and the Lenders, terminate this Agreement in accordance with Article Six hereof and terminate transfers of IFF Program Transfer Amounts to the Board (provided that no such termination shall affect the obligations of the City and the Board pursuant to this Agreement with respect to Board Pay-For-Success Payments due for the Initial Project Year and any Subsequent Project Years prior to such termination). The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, proceed to protect its rights hereunder and may seek to compel compliance by the Board with the terms and provisions hereof by suit or suits in equity or at law, for the specific performance of any covenant, term or condition hereof, or in aid of the execution of any power herein granted, and may exercise any other right or remedy upon such breach as may be granted under any other applicable provisions of law; provided, however, that the sole and absolute remedy for any breach of the Board's covenant, promise and agreement to make Board Pay-For-Success Payments shall be specific performance, and there shall be no right to declare an acceleration or accelerate the unpaid balance of Board Pay-For-Success Payments.

If the Board fails to make any Board Pay-For-Success Payment required by this Agreement within 30 Business Days after the due date of such payment, the City will (and any Lender may) provide notice to the Board of such failure, and the Board will have an additional 10 days after the giving of such notice to make such payment. If the Board's failure to make any Board Pay-For-Success Payments persists after such date, then the following provisions shall apply:

(i) The Board shall seek an appropriation of any due and unpaid Board Pay-For Success Payments for payment pursuant to this Agreement. To the extent that any funds are appropriated by the Board for early childhood education programs, the Board covenants to seek an appropriation for payment of any due and unpaid Board Pay-For-Success Payments;

(ii) The Board shall disclose any failure to pay the Board's Pay-For-Success Payments in the Board's comprehensive annual financial report ("CAFR") prepared by the certified public accounting firm engaged by the Board; and

(iii) The Board shall notify the Rating Services of any failure by the Board to pay the Board's Pay-For-Success Payments.

With respect to the covenants set forth in clauses (ii) and (iii) above, the Board may seek a waiver of such covenants with the Approval of the Lender Committee in the event that any non-payment of Board Pay-For-Success Payments is deemed immaterial in the opinion of the Board. The Approval of the Lender Committee of any such request shall not be unreasonably withheld.

Notwithstanding the foregoing, if the Board has included in the Board Budget for the then-applicable fiscal period the funds necessary to pay the Board Pay-For-Success Payments for the Prior Project Year based on a "base case" of Board Pay-For-Success Payments (or based on some alternate basis agreed to by the Evaluator pursuant to Article Four, Section 1 hereof) and such budgeted amount is less than the actual Board Pay-For-Success Payments due for such Project Year, the Board's failure to pay Board Pay-For-Success Payments due hereunder shall not constitute an Event of Default hereunder and the covenants set forth in clauses (ii) and (iii) above shall not apply. However, in such event, the Board shall request in the Board Budget for the subsequent Project Year an amount equal to satisfy such deficiency as required by Article Four, Section 1 hereof.

Anything herein to the contrary notwithstanding, nothing contained herein shall permit the City or the Project Coordinator to compel the Board to include Board Budgeted Pay-For-Success Funds in any final budget approved by the Board for any year.

If the Board has failed to make any Board Pay-For-Success Payment required by this Agreement as provided above or is in breach prior to the time that such payment is due, the City shall have no further obligations to transfer IFF Program Transfer Amounts to the Board pursuant to Article Three, Section 2 of this Agreement.

In the event the Board shall fail to perform a covenant other than its covenant to make Board Pay-For-Success Payments which the Board is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Board has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those defaults, other than a default in the payment of a Board Pay-For-Success Payment and other than a failure to provide required information to the Evaluator, which are not capable of being cured within such thirty (30) day period, the Board shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

3. Events of Default - City. The failure of the City to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the City under this Agreement shall constitute an "Event of Default" by the City hereunder after notice and the opportunity to cure as set forth in the following paragraph. Upon the occurrence of an Event of Default, the Board may, by notice to the City, the Project Coordinator and the Lenders, terminate this Agreement in accordance with Article Six hereof (provided that no such termination shall affect the obligations of the City and the Board pursuant to this Agreement with respect to Board Pay-For-Success Payments due for the Initial Project Year and any Subsequent Project Years prior to such termination). The Board may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to injunctive relief or the specific performance of the agreements contained herein.

In the event the City shall fail to perform a covenant which the City is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the

contrary, an Event of Default shall not be deemed to have occurred unless the City has failed to cure such default within thirty (30) days of its receipt of a written notice from the Board specifying the nature of the default; provided, however, with respect to those defaults which are not capable of being cured within such thirty (30) day period, the City shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

The Board acknowledges that the City has collaterally assigned its rights set forth in this Agreement to the Project Coordinator (together with its successors and assigns, the *"Assignee"*) as collateral for the obligations of the City to the Assignee, and that the Assignee has collaterally assigned such rights to the Lenders as collateral for the obligations of the Project Coordinator to the Lenders, and the Board hereby consents to such collateral assignments. INTRODUCTION AND STUDY OBJECTIVES

The purpose of this document is to describe the methodology to be used to evaluate the impact of the Child Parent Center (CPC) Social Impact Bond (SIB) expansion on three primary impact outcomes: Special Education Utilization, Kindergarten Readiness, and Third Grade Literacy. This document also describes additional research questions that the Evaluator will seek to explore in collaboration with CPS to help the CPCs improve their performance. This methodology will be developed in conjunction with CPS and other experts in the early education field.

Participants in the CPC program (the Treatment Group) will be compared to groups of matched comparison students who did not have a CPC experience through the use of a propensity score matching algorithm. One comparison group will consist of children who did not attend any form of CPS Pre-K (No Pre-K comparison group). Another group will consist of children who attended some other type of CPS pre-K program, such as Head Start or Pre-School for All (Other Pre-K comparison group).

Payments based on Special Education utilization for the SIB project will be calculated using the difference in outcomes between the Treatment group and the No Pre-K comparison group.

Payments based on Kindergarten Readiness and Third Grade literacy will be calculated using outcomes of the treatment group relative to national standards

The Other CPS Pre-K comparison group will be used for sensitivity analyses and for addressing other research questions not related to payment triggers.

For the purposes of calculating payments owed as part of the SIB transaction, impacts will estimated using the total population of eligible students at SIB CPC sites, and then scaled to reflect the actual number of seats funded by the Lenders. We will adjust the scaling factors annually to reflect observed mobility trends.

The primary impact outcome questions are as follows:

1. What is the impact of the CPC program on the rate at which students need an IEP?
2. What is the impact of the CPC program on Kindergarten Readiness as defined by performance on the TS Gold instrument (completed by teachers at the end of preschool)?
3. What is the impact of the CPC program on Third Grade literacy as defined by performance on the CPS 3rd grade assessment?

In addition to these impact outcome questions, this evaluation will also seek to answer qualitative research questions that will help improve the performance of the program going forward unrelated to the Pay for Success calculations. These research questions will be developed more fully in conjunction with CPS and other experts in the early education field, and will only be pursued subject to additional external funding. The questions may include:

1. How do the primary impact outcomes vary by key subgroups, including gender, race, prior pre-school attendance, English language learner status, and potentially other subgroups?
2. How is the CPC program impacting attendance in Pre-K? How does attendance vary by site? How does attendance vary compare to other CPS Pre-K programs? Are there policies in place at specific sites that could be driving improved attendance?
3. How does the CPC program support a transition to Kindergarten? What sites are better at retaining children from Pre-K to K, both within their host school and within the entire district? Where do children who transfer within CPS go and why? Are there different impact outcomes for students who have less mobility?
4. How successful is the CPC program at improving social-emotional learning outcomes (defined by the social-emotional components of the TS Gold instrument) compared to children enrolled in other CPS pre-K programs?
5. How successful is the CPC model at engaging parents? What strategies are the most effective at encouraging parental engagement? What strategies appear to have the greatest impact on children's outcomes?

This document will serve as a template for how the evaluation will be conducted. The Evaluator will draft a final Evaluation Plan to be approved by CPS, the City, the Project Coordinator with Approval of the Lender Committee (such term being defined herein as such term is defined in the Loan Documents of the Lenders) using this document as a framework. No changes to payment terms or payment terminology will be made.

STUDY POPULATION

Eligible Population – Treatment Group

The Treatment Group in this study will consist of four-year-olds[1] who are attending Pre-K at any of the CPC SIB sites, in full day or half day programs, who at any point during the school year are eligible for the National School Lunch Program (NSLP).

[1] The intention is to identify children in the "age cycle four" year – the year prior to when they are planning to attend Kindergarten. At the time of the drafting of this document, this was defined by CPS as attaining age four on or before September 1st. This age identification protocol may be adapted as necessary to capture these children.

In the first year of the program, the following sites will be considered CPC SIB sites:

- De Diego
- Melody
- Peck
- Thomas
- Wadsworth
- Hanson Park

In the second year of the program, two additional sites, identified by CPS and approved by the City, will be added to the list of CPC SIB sites in addition to the sites listed above. If SIB funding in future years is used to add classrooms at additional schools as part of this project, those schools can be considered CPC SIB sites as well. If SIB funding is removed from one of the above sites, that site will no longer be considered a CPC SIB site.

A child may enter the program based on CPS age elibility criteria. For the 2014/15 school year, this entailed being age 4 as of September 1st.

All four-year-olds at CPC SIB sites, including children attending full-day classes, will be included in the treatment group, subject to the exclusions listed below.

In the first year of the program, we anticipate that 374 new slots for four-year-olds will be created through the SIB program. In the second year of the program, we anticipate that we will create an additional 408 new slots for four-year-olds in addition to maintaining funding for the original 374. In the third year of the program, we anticipate that we will maintain the 782 new slots that were created in years one and two. In the fourth year of the project, we expect to provide funding for at least 680 slots. Overall at CPC SIB sites, we anticipate that approximately 840 four-year-olds will be served per year once the program is operating at scale, with 782 of those positions funded by the SIB. The new slot amounts will be finalized prior to the launch of each new cohort.

Year 1 contingency for CPC Treatment Group

Due to the timing of the contracting, some of the new classrooms to be added in the 2014/15 school year will not be ready to serve children until the school year has already begun. Five of the Year 1 CPC SIB Sites where we will be adding additional classrooms (De Diego, Melody, Peck, Thomas, and Wadsworth) have been operating as a CPC for a year or more. As a result, they have an established leadership team, trained and experienced teachers, and fully outfitted classrooms.

To ensure that the children being tracked are receiving a sufficient dosage of the CPC program, for Year 1 only we will restrict the Treatment group eligibility to children who are enrolled in one of these five established CPC SIB sites, in a classroom that was already established as of September 2nd 2014 (the start of the 2014/15 school year). CPS will proceed with opening the new classrooms once all contractual issues have been resolved, but the children who are enrolled in those classrooms (including children at Hanson Park, the new CPC for Year 1) will not be included in the outcome calculations for the purposes of determining payments. This will allow CPS leeway to identify and train high quality teachers, and mitigate the risk that the outcomes (or underlying characteristics) of children who enroll in a CPC Pre-K after the start of the year are different from those of their peers who enrolled at the start of the year. The outcomes of these late-enrollees can be used as a unique sub-group, but will not factor into any calculations that determine payment amounts.

It is anticipated that the sample size of eligible four-year-olds in existing classrooms at existing CPC SIB sites will be at least 300 students. As with future analyses, when calculating payments this number will be scaled to reflect the actual number of slots funded by the Lenders as part of this initiative.

Eligible Population – No Pre-K Comparison Group

The No Pre-K Comparison Group in this study will be identified via a propensity score matching algorithm that pulls from a pool of eligible No Pre-K children districtwide. The pool of eligible No Pre-K children will include all children who meet the following criteria:

- Are enrolled in a CPS Kindergarten program, excluding:
  - Charter schools
  - Schools currently operating a CPC, as part of the SIB program or otherwise
  - Magnet and Selective Enrollment Schools
  - Schools that serve exclusively a special education population
- Are five years of age as of September 1st
- Did not attend a CPS Pre-K program in the school year prior to beginning Kindergarten
- Did not attend a Head Start program funded through the City of Chicago
- Are eligible for NSLP at any point during the school year

A child will be considered to have attended a Pre-K program if that child attended 10 days or more of a city funded pre-school program, or any days at any CPC site over the course of the school year. Days need not have been attended consecutively.

The No Pre-K Comparison group will be identified the year that their matched Treatment cohort begins Kindergarten to ensure that children within both groups are on the same age cycle.

Eligible Population – Other CPS Pre-K Comparison Group

The Other CPS Pre-K Comparison Group in this study will be identified via a propensity score matching algorithm that pulls from a pool of eligible children who attended other forms of CPS pre-K within the district. The pool of eligible Other CPS Pre-K children will include children who meet the following criteria:

- Are enrolled in a CPS Pre-K program, excluding:
  - Charter schools
  - Schools currently operating a CPC, as part of the SIB program or otherwise
  - Magnet and Selective Enrollment Schools
  - Schools that serve exclusively a special education population
- Are four years of age as of September 1st.
- Are eligible for NSLP at any point during the school year

The Other CPS Pre-K Comparison group will be identified the same year that their matched Treatment cohort begins pre-school to ensure that children within both groups are on the same age cycle. This group will only be identified subject to available external funding

Exclusions for payment calculations

The hypothesis is that the CPC program will have the biggest impact on children who are deemed at risk for poor school performance and achievement, but who lack a severe or significant disability. Without additional support, many of these children may end up being diagnosed with a mild learning disability, emotional disturbance, or developmental delay (including speech/language impairment). For these children, additional support in the classroom and at home can help ensure that they stay on track developmentally with their peers, avoiding the need for years of special education services.

The same impact is not expected for children with severe disabilities (identified in preschool or at a later date), and it is also not expected that a preschool intervention would meet the needs of the child without the benefit special education services, nor would that be appropriate or within the parameters of a child's right to a free and appropriate education. To ensure that children have access to the supports they need based on a clinical evaluation, if a child at any point during the course of the study is diagnosed with a severe disability, he or she will be removed from the study group during the year that the disability is added to the child's IEP onward. The preliminary list of severe disabilities, with input from the Independent Evaluator, may be as follows:

- autism
- deaf-blindness
- deafness
- hearing impairment
- orthopedic impairment
- other health impairment

- traumatic brain injury
- visual impairment
- multiply disabled[2]
- intellectual disability
- students placed into self-contained classrooms for children with special needs

This list may be adapted at the discretion of the Evaluator with approval from CPS, the City, the Project Coordinator, and the Approval of the Lender Committee.

RECRUITMENT PROCEEDURES

Children are identified for enrollment under the *Chicago: Ready to Learn!* application process. A timeline of application, placement, registration, and enrollment of children for the 2014/15 school year is provided below; this will also serve as an illustrative plan for how the process will occur in future years:

	Action	Description
April and June 2014	*Chicago: Ready to Learn!* Application Rounds 1 & 2	Parents obtain information about potential programs through chicagoearlylearning.org, cps.edu/readytolearn and the Chicago: Ready to Learn! hotline. Parents apply at application centers across the city for preschool under two application rounds.[3] The first round is held during the month of March - April and the second round is held during the month of May-June. Parents can choose up to three schools.
May and July/August 2014	Placement	Parents are offered a placement in a school and/or are placed on a waiting list. Children placed in a preschool program or on a waiting list are put into schools' Program Management in

[2] Intended to represent students with multiple severe disabilities

[3] For a complete list of application centers, see http://cps.edu/Schools/EarlyChildhood/Documents/ApplicationSites_SY14_15.pdf or http://cps.edu/readytolearn Every CPC also is capable of accepting applications directly.

		the CPS SIM IMPACT system.
June through September 2014	Registration	Parents accept or decline placement. Schools notify parents of registration dates and times. Schools indicate parents' acceptance or decline of placement in Program Management and move registered children into the classroom Homerooms for IMPACT. Teachers complete the registration packet with families for all new students. Clerks enter identifying additional information into the IMPACT system.
September 2014	Enrollment	Children are enrolled upon attendance on the first day of school.
September 2014 onward	Rolling enrollment	Schools continue to enroll students throughout the school year as slots open up due to attrition, new funding, etc. Staff conduct additional outreach in communities with lower than expected enrollment to help fill all the slots. This includes additional ad spots, flyers, and community events. These children will only be included for evaluation purposes if they meet the dosage and eligibility requirements outlined in this document.

INTERVENTION AND OUTCOMES

Defining the Intervention

The CPC SIB intervention will provide one year of half-day CPC Pre-K to four-year-olds at CPC SIB sites. The key components of the CPC model are as follows:

Effective Learning Experiences

- Offer Pre-K classes that are limited to 34 children for half-day classrooms (two sessions of 17 children each) and have a minimum of 2 teaching staff. Full day classrooms, if available, will be limited to 20 children per session.
- Provide highly qualified educational staff that will provide the classroom instruction and parent engagement activities. For example, classroom teachers are certified with a bachelor's degree (or higher). Overall, program staff must adhere to the requirements set forth by the CPS Talent office, in accordance with collective bargaining unit agreements, and state regulations. Any changes in CPS education and certification requirements will be complied with.
- Use data to drive instruction by effectively documenting the organization and implementation of instructional practices to monitor quality and adherence to the Program, which is completed by all Program staff where appropriate.
- Program staff meet with parents over the course of each school year to review their child's progress and discuss parent program opportunities with the Parent Resource Teacher (PRT).

Aligned Curriculum

- Implement a CPS District curriculum and formative assessment that is aligned to standards, domains of learning, assessments, and learning activities.
- Collaborate with the PRT and classroom teachers to ensure that opportunities to engage families in student learning are available, appropriate and aligned to the program and parents' needs.
- CPS and, most specifically, the Office of Early Childhood Education provides meaningful professional development and ongoing coaching and feedback for teachers, aides, and other staff members that facilitates high-quality instructional practices.

Parent Involvement and Engagement

- Engage a PRT and School-Community Representative (SCR) to work closely with the Head Teacher and Liaisons to maintain a consistently supportive parent program.
- Encourage parents to sign a CPC school-home agreement at the start of the school year outlining a plan for fostering learning at home and participating in CPC activities.
- Offer and engage families in monthly activities. PRTs create and distribute a monthly parent involvement calendar, and conduct parent/teacher conferences over the year to review progress in the parent program.
- Provide a resource room dedicated to parent and family activities through Kindergarten when possible.
- Provide culturally responsive learning opportunities for families that provide flexibility for families' needs and schedules.

Collaborative Leadership Team

- Engage a Program leadership team that includes the Head Teacher, Parent Resource Teacher, and School-Community Representative.
- Meet regularly, under the direction of the Principal to discuss operations and best practices within the CPC.
- Meet regularly, under the direction of the OECE Management Team, with staff from across sites to share challenges, experiences, and best practices and makes frequent on-site visits to monitor quality and effectiveness to the Program.
- Establish meaningful partnerships with community providers to strengthen service delivery and enlist local universities in training opportunities.

Continuity and Stability

- CPC Pre-K classrooms are co-located in the same building as Kindergarten classrooms, when possible, to promote familiarity and integration for students as they transition to Kindergarten.
- Provide a structure of communication, planning, and joint activities, under the direction of the principal, Leadership team and OECE Management Team, from Pre-K through the primary grades.
  Provide a part-time Kindergarten aide when funding is available to support the transition into Kindergarten.

Professional Development System

- Offer ongoing professional development opportunities on current trends and needs in early childhood education classrooms, through the Office of Early Childhood Education and the CPC leadership teams, including topics such as quality curriculum and instruction, data driven instruction, learning environment, social and emotional needs, and parent engagement.
- Meet regularly and create professional learning communities to review ways to support their instruction in the classroom and with other teachers.

<u>Defining Sufficient Dosage</u>

Enrollment and attendance fluctuate throughout the year, with substantial changes during the early weeks of the school year. As a result, some of the children who start the year in a given classroom may not be the same children who end the year in that classroom. This may be due to for a variety of reasons such as mobility, a change in parents' schedules/ability to bring their children to school, or admission to a closer/more desirable program off of a waitlist later in the school year.

To ensure that CPC SIB children and families are receiving a minimum sufficient dosage of the CPC program, we will restrict analyses to children who attend a certain minimum cutoff of days. The Evaluator will examine historical data from CPS and other districts to determine trends in

attendance and identify a cutoff that sufficiently indicates that a child has received enough of the program for us to expect to see an impact. We are temporarily placing this cutoff at 66% of school days in a given school year; children who attended fewer than 66% of days during their Pre-K year will be omitted from the primary analyses.

The Evaluator may add additional criteria based on an analysis of enrollment and attendance data with the approval of CPS, the City, and the Project Coordinator and Approval of the Lender Committee.

Similarly, for the No Pre-K Comparison group, we will limit the primary analysis sample to eligible No Pre-K children who attend at least 66% of school days in a given school year. If a child at any point during the Kindergarten year attends a school operating a CPC program, that child will be omitted from primary analyses.

Defining Primary Impact Outcomes

Special Education Utilization
The primary Special Education utilization outcome will be defined as a binary indicator of whether or not a student has a CPS-issued Individualized Education Plan (IEP) in a given year. This will be a data point provided as part of the regular data collection points by CPS. As described above, if a student has a diagnosis on his or her IEP of a severe disability, that student will be removed from the study pool for the primary analyses. This indicator will be collected annually ever year Kindergarten through 6th grade.

Kindergarten Readiness
CPS uses the Teaching Strategies Gold (TS Gold) instrument in all their Pre-K classrooms to track the development of children. Based on teacher observations, TS Gold measures the progress of children in domains such as socio-emotional, physical, language, literacy, and cognitive development.

The TS Gold instrument is utilized nationally in Head Start programs and some publicly-funded preschool programs. The primary outcome metric for Kindergarten Readiness will be the share of children which are performing at or above the national trends across at least five out of the following six domains: Literacy, Language, Math, Cognitive Development, Socio-Emotional, Physical health.

Third Grade Literacy
Currently, CPS is planning to adopt the PARCC standardized exam. Treatment group children will be measured relative to national percentile rankings on this test or the accepted District assessment administered for 3rd grade. In following with Lesnick et al (2010)[4], every child

[4] See http://www.chapinhall.org/sites/default/files/Reading_on_Grade_Level_111710.pdf

reading at or above the 25th percentile on the English Language Arts/Literacy portion of the spring sitting of the PARCC test will be deemed to be reading at grade level. Any child reading at or above the 75th percentile nationally will be deemed to be reading above grade level. Any child reading below the 25th percentile will be deemed to be reading below grade level.

At the time of drafting this analysis, the PARCC test has yet to be officially implemented in CPS schools. Given the uncertainty of performance on this test and how its outcomes will compare to past tests taken by CPS students, the evaluator may suggest amendments to the definition of reading "on grade level" that could include utilizing a different test or metric. Any modifications must be made prior to the first cohort starting Third Grade, and must be approved by CPS, the City, the Project Coordinator, and Approved by the Lender Committee.

Defining Performance Improvement Questions

The details of these questions will be developed in conjunction with CPS and other partners over the 2014/15 school year. These analyses will be specified in full prior to the start of any data collection or analyses. These analyses will not affect the methodology or results of the primary impact outcomes, and will only be pursued subject to additional philanthropic or other funding.

DATA COLLECTION

Student data

Student data will be provided to the Evaluator by CPS. Pursuant to the data sharing agreement[5], CPS will strip sensitive individual identifiers and replace them with an anonymous student ID. The key variables CPS will provide are:

- Student ID
- CPS School ID of school currently enrolled in
- Date of Birth (or birth month & year)
- Days attended to date
- IEP status
- IEP diagnoses
- Reported race
- Reported ethnicity
- Free/reduced price lunch eligibility
- ZIP code of residence
- Fall and Spring TS Gold scores (if applicable)
- Any available variables on parental education
- Other variables deemed appropriate by the Evaluator and CPS for the purposes of creating a better propensity score match

[5] This data sharing agreement will be included as an appendix to this plan pending negotiation and drafting between CPS and the Evaluator.

Data will be collected on an annual basis on the based on the last school day in June which is reported for accuracy in the beginning of July. This may be adjusted based on discussions between the Evaluator and CPS to reflect the earliest date that all the necessary data would be available.

Neighborhood data

The Evaluator will pull neighborhood data from publicly available census data, such as the American Community Survey 5-year averages, which break out characteristics by zip code. Neighborhood data include:

- Neighborhood % of population in poverty
- Neighborhood % of population that are single mothers
- Neighborhood % of population that is Black
- Neighborhood % of population that is Hispanic
- Neighborhood % of population employed
- Neighborhood crime statistics
- Neighborhood health indicators[6]

The Evaluator will update the neighborhood data file when creating a new cohort of matched groups.

School data

Data on school level characteristics will be provided by CPS, including:

- CPS School ID
- Total student body population
- % Free/RP lunch
- % Black
- % Hispanic
- School-wide attendance rate from the 2013/14 school year
- School Rating (Levels 1, 2, or 3) from the 2013/14 school year[7]

These data, except for attendance and the school rating, will be updated annually. Attendance and rating data from SY2013/14 (or the closest assessment prior to SY2013/14) will remain fixed to reflect the fact that the presence of a CPC may improve attendance and the school rating over time, which could affect the matching algorithm for later cohorts. The Evaluator may adjust this protocol if extraneous events such as school closures, new leadership, or expansive new programs are added at individual schools or system wide that could contribute to imbalanced matches.

Data Security

[6] Crime stats and health indicators subject to availability of data. It may be possible to pull data from a Chapin Hall neighborhood analysis. These covariates may be omitted if it proves too difficult or costly to obtain them.

[7] All these data are publicly available online at http://www.cps.edu/schools/find_a_school/pages/findaschool.aspx. School rating is based on the CPS Performance Policy which is used to rate CPS schools. A Level 1 rating is "excellent", a Level 2 rating is "good" and a Level 3 rating is "low".

A data sharing agreement between CPS and the Independent Evaluator will define the parameters for sharing data required under this agreement.

STUDY DESIGN & OVERVIEW OF ANALYSES

Propensity score Matching Protocol

Comparison group students will be selected using a propensity score matching technique. Individuals from the treatment group will be matched to up to two individuals from the No Pre-K Comparison group and up to two individuals from the Other CPS Pre-K Comparison group. Matching will be conducted with replacement to allow comparison individuals to be matched more than once.

To create the Treatment Group in school year *t*, the Evaluator will receive the data collected on the last day of June of school year *t* from CPS of all four-year-olds who attended a SIB CPC in school year *t* up to the date of the data collection. The data collected and shared will contain all the student data elements listed above. After screening for eligibility as described above and removing ineligible students from the sample, the Evaluator will use students' ZIP codes to merge on neighborhood data, and students' school IDs to merge on school characteristics. Neighborhood data will be collected from a reliable source such as Chapin Hall. This will create a de-identified student-level file that contains student-level characteristics, characteristics of that student's neighborhood of residence, and characteristics of that student's school.

To create the No CPS Pre-K pool to be used for matching to the Treatment cohort in school year *t*, the Evaluator will receive a data dump on the last day of June of school year *t*+1 from CPS of all five or six-year-olds who attended a CPS Kindergarten in school year *t*+1 up to the date of the data dump. The data dump will contain all the student data elements listed above. After screening for eligibility as described above and removing ineligible students from the sample, the Evaluator will use ZIP code data to merge on neighborhood data, and school ID data to merge on school characteristics.

To create the Other CPS Pre-K pool to be used for matching to the Treatment cohort in school year *t*, the Evaluator will receive a data dump on the last day of June of school year *t* from CPS of all four-year olds who attended a CPS Pre-K program other than CPC in school year *t* up to the date of the data dump. The data dump will contain all the student data elements listed above. After screening for eligibility as described above and removing ineligible students from the sample, the Evaluator will use ZIP code data to merge on neighborhood data, and school ID data to merge on school characteristics.

To create the matched No Pre-K Comparison group, the Evaluator will append the Treatment Group dataset and the No Pre-K Comparison pool dataset, creating an indicator to identify which children are members of the Treatment group. The Evaluator will then run a probit model using the treatment indicator as the dependent variable and the following variables as independent variables:

- Race binary indicators
- Ethnicity binary indicators

- Gender ("Male" binary indicator)
- Parental education (subject to availability)
- Language spoken at home binaries
- Neighborhood % poverty
- Neighborhood % single mothers
- Neighborhood % by race
- Neighborhood % by ethnicity
- Neighborhood % employed
- Neighborhood crime rates (subject to availability)
- Neighborhood health indicators (subject to availability)
- Total student population of school currently attending
- % Free/RP lunch at school currently attending
- Racial composition of school currently attending
- Ethnicity composition of school currently attending
- School-wide attendance rate from the 2013/14 school year
- School Rating binaries from the 2013/14 school year

Using the results of this model, the Evaluator will predict a propensity score based on a student's observed characteristics. This score effectively represents the likelihood that a child, given his individual, neighborhood, and school level characteristics, would be in the Treatment group.

The Evaluator will use a nearest-neighbor matching algorithm[8] to identify the two closest matches based on propensity score for each Treatment group observation, with replacement.

Individuals from either the Treatment group or Comparison pool who are not matched will be dropped.

The remaining students from the Comparison pool who were matched will become the No Pre-K Comparison group for the remainder of the study. Comparison group students will receive a frequency weight equal to the number of times they were matched. Note that as a result, the Comparison group should contain approximately two times as many unique individuals as the Treatment group.

The same protocol will be used to identify the Other CPS Pre-K Comparison group, replacing the No CPS Pre-K Comparison pool with the Other CPS Pre-K Comparison pool.

A unique set of comparison groups will be created for each Treatment cohort (see Appendix for a cohort timing chart).

Checking for covariate balance between groups

Once the comparison groups have been identified, the Evaluator will check for balance between the groups across matching demographics. The Evaluator will choose appropriate methods to check for balance, including but not limited to normalized differences and t-tests of mean values of covariates between groups. If the Evaluator determines that there is imbalance in covariates

[8] By way of example, see "nnmatch" stata command

between groups, the Evaluator may choose to pursue a Matching Methodology Remedy as described below. The decision to pursue a remedy will be at the discretion of the Evaluator, taking into account the fact that with many matching variables and a p-value cutoff of .05, approximately 1 in 20 variables could have a statistically significant difference by random chance alone. The evaluator will consider the magnitude of the difference and the relative importance of the unbalanced variable(s) in question, placing particular attention to the individual-level race and gender indicators, the home language indicators, the neighborhood poverty indicators, and the school rating indicators.

Matching Methodology Remedies

In the event that the Evaluator deems that the propensity score matching algorithm has produced an inadequate match, the Evaluator may make modifications to the matching methodology. This could include introducing a caliper to ensure that certain variables are matched to within a narrow range (or matched exactly), adding or subtracting additional covariates, increasing or decreasing the number of matches, or other techniques deemed rigorous and appropriate by the Evaluator.

The Evaluator may also explore utilizing a set of comparison schools to limit the comparison pool. In this methodology, the Evaluator would identify a set of comparison schools that match the SIB CPC sites, identifying one to three schools for each site. The Evaluator would use a similar propensity score matching protocol, using school level characteristics, to identify these schools. From those comparison schools, the Evaluator would then perform a student-level propensity score match using a comparable methodology to the one described above. The Evaluator will then check for covariate balance to see if this produces better match results.

Once the Evaluator identifies a suitable comparison group that they deem to be well-matched on covariates, the Evaluator will present the match results, describing any changes that were made to the matching algorithm, which must be approved by CPS, the City, the Project Coordinator and Approved by the Lender Committee. The Evaluator should endeavor to use a similar matching protocol from year to year.

Calculating mobility factor

The theory behind the financing component of the SIB project is that providing the upfront intervention of high quality Pre-K can produce savings to CPS downstream through reduced Special Education utilization among the students served. For CPS to realize these savings, however, those students must remain in the CPS school district. If a student leaves the district, CPS would realize no savings from the fact that the intervention may have helped that that student catch up to his peers and prevented him from acquiring an IEP.

As a result, the Evaluator will calculate a Mobility Factor for each cohort that will represent the share of the original cohort that is still enrolled in a CPS school in a given year. This will be used to adjust the payment amounts to better reflect savings realized by CPS.

To calculate mobility, every year Kindergarten through 6th grade the Evaluator will determine what share of the original children in a given group from the first year of observation are still

enrolled in any CPS school. To do this, every year the Evaluator will send CPS a list of all the student IDs of the original group. CPS will match these IDs to their current enrollment database to determine which students were enrolled in a CPS school at any point in that school year. CPS will then return a dataset to the Evaluator indicating which student IDs are enrolled in a CPS school that year. The Mobility Factor will be defined as:

1−# of original students currently enrolled in any CPS school# of students originally enrolled in the group

By way of example, assume 500 Treatment group students were identified for the 2014/15 cohort. In SY2015/16, the Evaluator sends a list of these student IDs to CPS, who informs the evaluator that 460 of them are still enrolled at a CPS school. The cumulative mobility for that year would be 1 - 460/500 = .08. In SY2016/17, the Evaluator sends the original list of student IDs to CPS again, who informs the evaluator that 440 of them are still enrolled at a CPS school. The cumulative mobility for SY2016/17 would be 1 – 440/500 = .12.

For grades 7th through 12th, the Evaluator will impute a marginal mobility rate by averaging the incremental annual increase in the Mobility Factor over the last three years.[9] Every year, the Evaluator will impute a new Mobility Factor based on the average imputed marginal mobility rate. See Appendix B for a full example using hypothetical data.

Calculating effect size for Special Education utilization

To calculate the impact on Special Education utilization, the Evaluator will calculate the Average Effect Size per Person, which will then be scaled to reflect the number of seats funded by the Lenders for the purposes of calculating payments. This will allow the Evaluator to utilize all the data available, increasing sample sizes and precision of estimates.

To calculate this, the Evaluator will use the following equation:

$$AESP_{i,t} = SPEDC_{,i,t} - SPEDT_{,i,t}$$

where $AESP_{i,t}$ is the Average Effect Size per Person for cohort i in year t, $SPED_{C,i,t}$ is equal to the average of a binary indicator of Special Education utilization among the No CPS Pre-K Comparison group for cohort i in year t and $SPED_{T,i,t}$ is the average of a binary indicator of Special Education utilization among the Treatment group for cohort i in year t. At the discretion of the Evaluator and with approval from CPS, the City, the Project Coordinator, and the Approval of the Lender Committee, the Evaluator may regression-adjust this estimate to help account for any differences in covariates between the Treatment group and the Comparison group.

[9] The Evaluator may revise the methodology for averaging the mobility rate if they determine that the current methodology includes a grade breakpoint year that could result in abnormally high mobility out of the district. This methodology must be finalized before the first cohort reaches 6th grade.

Special Education outcomes will be calculated annually every year Kindergarten through 6th grade. Outcomes will be calculated separately for each cohort. Based on conversations with special education experts and reviewing existing CPS data, we believe that the vast majority of children who have a disability will be identified by the end of 6th grade. As a result, after the 6th grade effect size has been calculated, we will average the effect size over the last three years (4th, 5th and 6th grades) and lock in that average rate for the purposes of calculating payments in grades 7th through 12th. This lock-in rate will be calculated separately for each Treatment cohort. The Evaluator may propose changes to this lock-in methodology in the event that the Evaluator determines that this methodology produces skewed results. Any modifications must be approved by CPS, the City, the Project Coordinator, and Approved by the Lender Committee.

Calculating payments for Special Education utilization

To determine the size of Special Education payments owed in a given year for a given treatment group cohort, the Evaluator will multiply the Special Education Average Effect Size per Person for such cohort by the base cohort size multiplied by the 1 minus the cumulative mobility rate for that year. This will determine the Total Number of Special Education Slots Avoided for a given cohort in a given year:

$$Total\ Number\ of\ Special\ Education\ Slots\ Avoided = AESP_{i,t} * BCS_i * (1 - MF_{i,t})$$

where $AESP_{i,t}$ is the Average Effect Size per Person for cohort i in year t, BCS_i is the base cohort size for cohort i, and $MF_{i,t}$ is the cumulative mobility rate for cohort i in year t.

The base cohort sizes are based on the number of seats actually funded by investors. It is anticipated that the base cohort sizes will be as follows[10]:

Cohort Year	Base Cohort Size
2014/15	374
2015/16	782
2016/17	782
2017/18	680

The Total Number of Special Education Slots Avoided will then be multiplied by the Annual Savings Rate to determine the Special Education Payments owed for a given cohort in a given year. Negative payments will be rounded to zero. The Annual Savings Rate starts at a base of $9,100 in 2015 and grows 1% annually. The table below provides the rates through 2030:

Year	Savings Rate

[10] Note that actual sample sizes used for calculating effect sizes may be larger or smaller than the number of seats funded.

2015	$9,100
2016	$9,191
2017	$9,283
2018	$9,376
2019	$9,469
2020	$9,564
2021	$9,660
2022	$9,756
2023	$9,854
2024	$9,953
2025	$10,052
2026	$10,153
2027	$10,254
2028	$10,357
2029	$10,460
2030	$10,565

If applicable, the Special Education Payments from each cohort will be summed to produce the Total Special Education Payment owed by CPS for that year. These calculations will be reported to the Project Coordinator for the purposes of triggering payments to the Project Coordinator to be used to repay the lenders.

Payments for Special Education will be made every year K – 12th for each Treatment cohort.

Calculating effect size for Kindergarten Readiness

As part of the annual data pull, the Evaluator will receive spring TS Gold scores for Treatment group students. TS Gold regularly publishes a set of averages that reflect how children have scored nationally on TS Gold assessment sub-categories, broken out by the time of the test and the age in months of the child. Students will be classified as "meeting the national norms" for a sub-category if they score at or above the national mean spring score for that category for children in their age band.[11] The Evaluator will use the most up to date tables available.

Every child who scores at or above the national norm on at least five of the six subcategories in spring of their four-year-old pre-school year will be deemed "Kindergarten Ready." To calculate the Kindergarten Readiness payment, the Evaluator will calculate the share of the Treatment group students deemed Kindergarten Ready. The Evaluator will then multiply this number by the base cohort size, multiplied by cumulative mobility from the Kindergarten year of a given cohort. This will determine the Total Number of Kindergarten Ready Children for a given cohort. The Evaluator will then multiply this number by the payment rate of $2,900 to determine the total Kindergarten Readiness payments owed by the City for that cohort.

[11] See tables 5-14 of https://www.k12.wa.us/assessment/pubdocs/GOLDTechnicalManual2ndEditionLambert2.pdf for a list of the score thresholds.

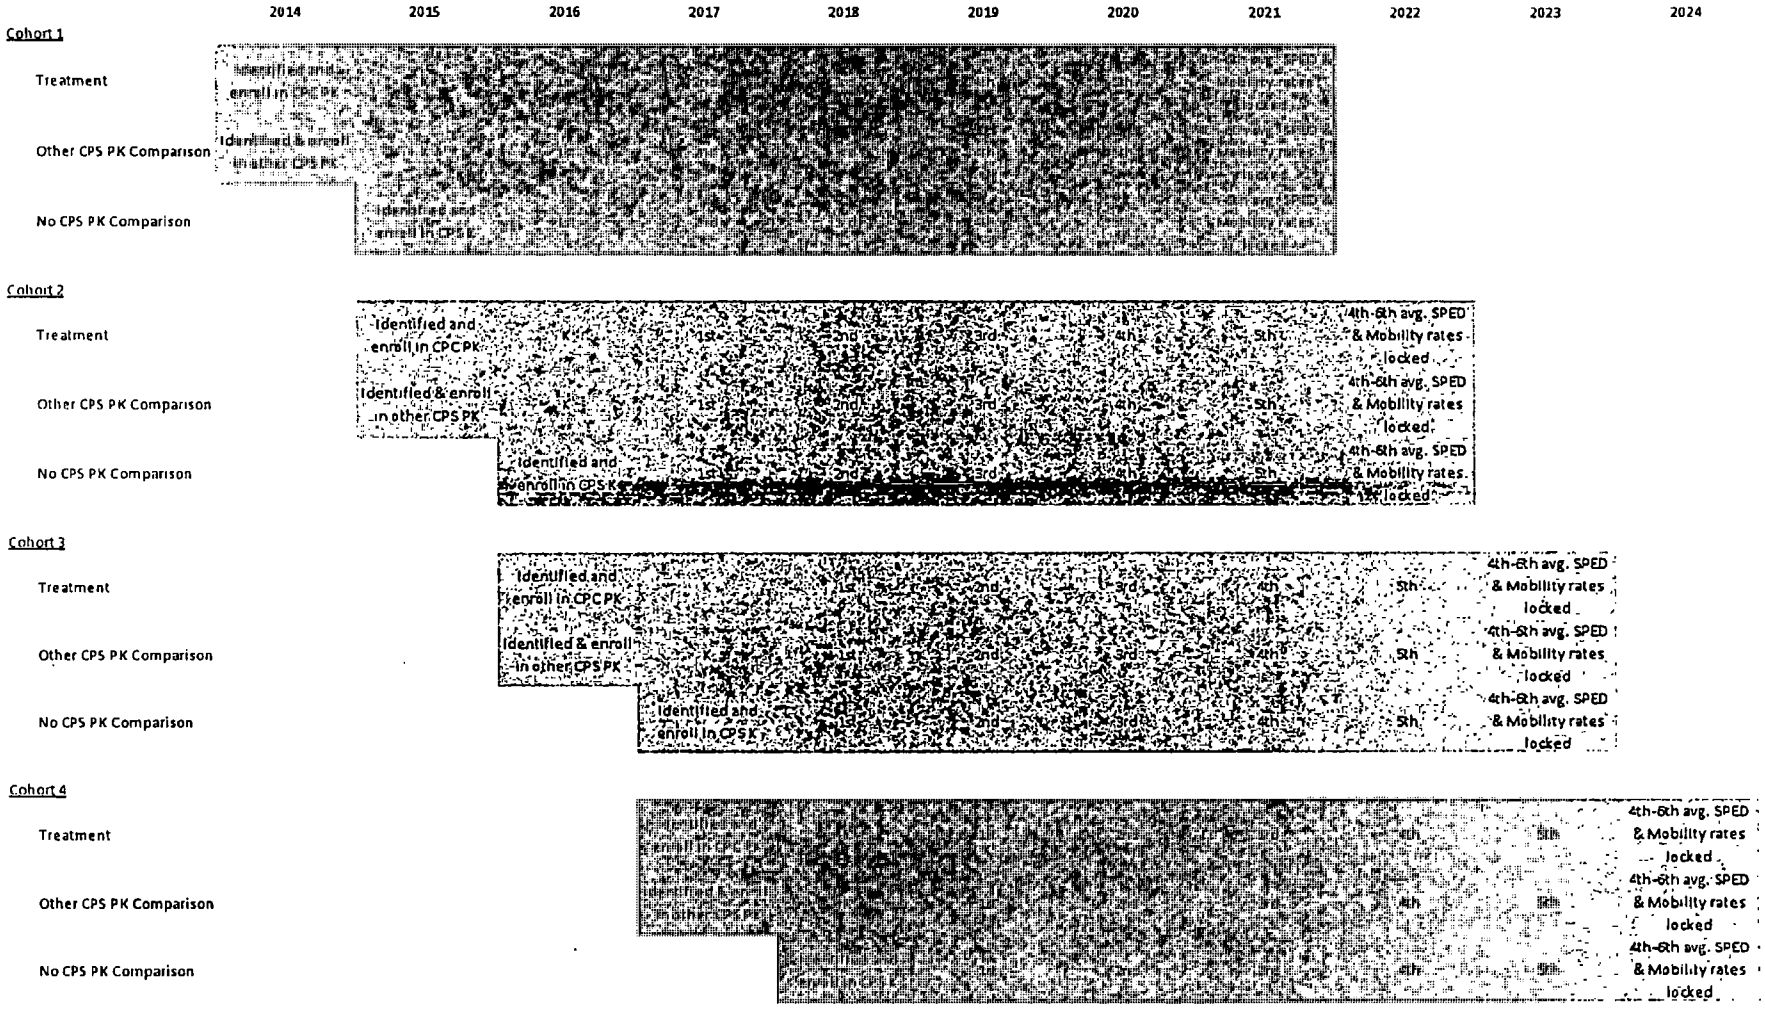
Calculating effect size for Third Grade Literacy

CPS is currently transitioning to the PARCC exam. As a result, the exact methodology for calculating Third Grade Literacy may have to be adapted pending observation of how the test is being administered, scored, etc. In particular, in the event that data suggests that fewer than 50% of students are scoring above the 25th percentile, the Evaluator will propose a new protocol or test for determining Third Grade Literacy that better captures the performance of students. The Evaluator will propose a final protocol for approval by CPS, the City, and the Project Coordinator with Approval of the Lender Committee prior to the start of the 2018/19 school year – the year the first cohort begins 3rd grade. A draft protocol is below:

As part of the annual data pull, the Evaluator will receive 3rd grade spring PARCC scores for Treatment group students. The PARCC test is administered nationally, and as a result the outcomes of Treatment students can be compared to national averages. Students will be classified as "reading at or above grade level" if they score at or above the 25th percentile on the English Language Arts/Literacy portions of the PARCC exam.

To calculate the Third Grade Literacy payment, the Evaluator will calculate the share of the Treatment group students deemed to be reading "at or above grade level". The Evaluator will then multiply this number by the base cohort size, multiplied by cumulative mobility from the Third Grade year of a given cohort. This will determine the Total Number of Third Grade Children Reading at Grade Level for a given cohort. The Evaluator will then multiply this number by the payment rate of $750 to determine the total Third Grade Literacy payments owed by the City for that cohort.

Investigating Highly Unexpected Outcomes



The results of this evaluation will govern the flow of millions of dollars of payments. While it is the full intention of all parties to accept the results of the evaluation, in the event that a highly irregular outcome is achieved, a mechanism must be in place to validate the findings and confirm that they are due to the impact of the program, and not a flaw in the analysis or evaluation design. The Evaluator will have complete discretion to decide if and when a validation of the findings may be necessary, but the following events will serve as guiding principles that could suggest that a validation may be warranted:

- The difference in Special Education Utilization rates between the Treatment group and No Pre-K comparison group is negative or not statistically different from zero (p-value <.05) for any cohort in any year after Kindergarten
- The No Pre-K comparison group Special Education Utilization rate is more than 2.5 times the Treatment group Special Education Utilization rate for any cohort in any year after Kindergarten
- An irregular pattern from one year to the next in Special Education utilization for a given group, defined as utilization shrinking by more than two percentage points for a given group, or increasing by more than seven percentage points
- A larger impact observed when comparing a Treatment group cohort to its corresponding Other CPS Pre-K Comparison group any year after 1st grade.

The Evaluator will determine the appropriate techniques and mechanisms to employ to confirm the cause of the irregularity, which could include handchecking code, checking for continued balance in the treatment and comparison groups, and looking for policy changes within specific schools or system-wide that could have affected outcomes.

If the Evaluator finds a mechanical error, the results will be recalculated using the correction. If the Evaluator finds a methodological flaw, the Evaluator may propose a remedy to the evaluation plan to mitigate the inconsistency in future years. However, the results will not be recalculated for that year or any other past year. Changes to the plan must be approved by CPS, the City, and the Project Coordinator, and Approved by the Lender Committee.

EXHIBIT E

CORE PROGRAM PRINCIPLES

Effective Learning Experiences

- Offer Pre-K classes that are limited to 34 children for half-day classrooms (two sessions of 17 children each) and have a minimum of 2 teaching staff. Full day classrooms, if available, will be limited to 20 children per session.
- Provide highly qualified educational staff that will provide the classroom instruction and parent engagement activities. For example, classroom teachers are certified with a bachelor's degree (or higher). Overall, program staff must adhere to the requirements set forth by the CPS Talent office, in accordance with collective bargaining unit agreements, and state regulations. Any changes in CPS education and certification requirements will be complied with.
- Use data to drive instruction by effectively documenting the organization and implementation of instructional practices to monitor quality and adherence to the Program, which is completed by all Program staff where appropriate.
- Program staff meet with parents over the course of each school year to review their child's progress and discuss parent program opportunities with the Parent Resource Teacher (PRT).

Aligned Curriculum

- Implement a CPS District curriculum and formative assessment that is aligned to standards, domains of learning, assessments, and learning activities.
- Collaborate with the PRT and classroom teachers to ensure that opportunities to engage families in student learning are available, appropriate and aligned to the program and parents' needs.
- CPS and, most specifically, the Office of Early Childhood Education provides meaningful professional development and ongoing coaching and feedback for teachers, aides, and other staff members that facilitates high-quality instructional practices.

Parent Involvement and Engagement

- Engage a PRT and School-Community Representative (SCR) to work closely with the Head Teacher and Liaisons to maintain a consistently supportive parent program.
- Encourage parents to sign a CPC school-home agreement at the start of the school year outlining a plan for fostering learning at home and participating in CPC activities.
- Offer and engage families in monthly activities. PRTs create and distribute a monthly parent involvement calendar, and conduct parent/teacher conferences over the year to review progress in the parent program.
- Provide a resource room dedicated to parent and family activities through Kindergarten when possible.
- Provide culturally responsive learning opportunities for families that provide flexibility for families' needs and schedules.

Collaborative Leadership Team

- Engage a Program leadership team that includes the Head Teacher, Parent Resource Teacher, and School-Community Representative.
- Meet regularly, under the direction of the Principal to discuss operations and best practices within the CPC.
- Meet regularly, under the direction of the OECE Management Team, with staff from across sites to share challenges, experiences, and best practices and makes frequent on-site visits to monitor quality and effectiveness to the Program.
- Establish meaningful partnerships with community providers to strengthen service delivery and enlist local universities in training opportunities.

Continuity and Stability

- CPC Pre-K classrooms are co-located in the same building as Kindergarten classrooms, when possible, to promote familiarity and integration for students as they transition to Kindergarten.
- Provide a structure of communication, planning, and joint activities, under the direction of the principal, Leadership team and OECE Management Team, from Pre-K through the primary grades.
  Provide a part-time Kindergarten aide when funding is available to support the transition into Kindergarten.

Professional Development System

- Offer ongoing professional development opportunities on current trends and needs in early childhood education classrooms, through the Office of Early Childhood Education and the CPC leadership teams, including topics such as quality curriculum and instruction, data driven instruction, learning environment, social and emotional needs, and parent engagement.
- Meet regularly and create professional learning communities to review ways to support their instruction in the classroom and with other teachers.

SECTION 3. THE PROJECT

3.01 The Project. With respect to the Facility, Developer shall, pursuant to the Plans and Specifications and subject to the provisions of Section 18.17 hereof: (i) commence construction no later than November 30, 2014; and (ii) complete construction and deliver the completed Facility to the Park District no later than May 31, 2016.

3.02 Scope Drawings and Plans and Specifications. Developer has delivered the Scope Drawings and Plans and Specifications to DPD and DPD has approved same. After such initial approval, subsequent proposed changes to the Scope Drawings or Plans and Specifications shall be submitted to DPD as a Change Order pursuant to Section 3.04 hereof. The Scope Drawings and Plans and Specifications shall at all times conform to the Redevelopment Plan and all applicable federal, state and local laws, ordinances and regulations. Developer shall submit all necessary documents to the City's Building Department, Department of Transportation and such other City departments or governmental authorities as may be necessary to acquire building permits and other required approvals for the Project.

3.03 Project Budget. Developer has furnished to DPD, and DPD has approved, a Project Budget showing total costs for the Project in an amount not less than $17,567,328. Developer hereby certifies to the City that (a) it has Lender Financing and Equity described in Section 4.01 hereof in amounts sufficient to complete the Project; and (b) the Project Budget is true, correct and complete in all material respects. Developer shall promptly deliver to DPD certified copies of any Change Orders with respect to the Project Budget for approval pursuant to Section 3.04 hereof.

3.04 Change Orders. Except as provided below in this Section 3.04, all Change Orders (and documentation substantiating the need and identifying the source of funding therefor) relating to changes to the Rehabilitation Project must be submitted by Developer to DPD concurrently with the progress reports described in Section 3.07 hereof; provided, that any Change Order relating to any of the following must be submitted by Developer to DPD for DPD's prior written approval: (a) a reduction in the gross or net square footage of the Project by two percent (2%) or more (either individually or cumulatively); (b) a change in the use of Project to a use other than as required under the Ground Lease; (c) a delay in the completion of the Project by two (2) months or more; or (d) Change Orders resulting in an aggregate increase to the Project Budget for the Project of ten percent (10%) or more. Developer shall not authorize or permit the performance of any work relating to any Change Order or the furnishing of materials in connection therewith prior to the receipt by Developer of DPD's written approval (to the extent said City prior approval is required pursuant to the terms of this Agreement). The Construction Contract, and each contract between the General Contractor and any subcontractor, shall contain a provision to this effect. An approved Change Order shall not be deemed to imply any obligation on the part of the City to increase the amount of City Funds which the City has pledged pursuant to this Agreement or provide any other additional assistance to Developer. Notwithstanding anything to the contrary in this Section 3.04, Change Orders other than those set forth above do not require DPD's prior written approval as set forth in this Section 3.04, but DPD shall be notified in writing of all such Change Orders within 10 business days after the execution of such Change Order and Developer, in connection with such notice, shall identify to DPD the source of funding therefor.

3.05 DPD Approval. Any approval granted by DPD of the Scope Drawings, Plans and Specifications and the Change Orders is for the purposes of this Agreement only and does not affect or constitute any approval required by any other City department or pursuant to any City ordinance, code, regulation or any other governmental approval, nor does any approval by DPD pursuant to this Agreement constitute approval of the quality, structural soundness or safety of the Property or the Project.

3.06 Other Approvals. Any DPD approval under this Agreement shall have no effect upon, nor shall it operate as a waiver of, Developer's obligations to comply with the provisions of Section 5.03 (Other Governmental Approvals) hereof. Developer shall not commence construction of the Project until Developer has obtained all necessary permits and approvals (including but not limited to DPD's approval of the Scope Drawings and Plans and Specifications) and proof of the General Contractor's and each subcontractor's bonding as required hereunder.

3.07 Progress Reports and Survey Updates. Developer shall provide DPD with written quarterly progress reports detailing the status of the Project, including a revised completion date, if necessary (with any change in completion date being considered a Change Order, requiring DPD's written approval pursuant to Section 3.04). Developer shall provide three (3) copies of an updated Survey to DPD upon the request of DPD or any lender providing Lender Financing, reflecting improvements made to the Property.

3.08 Inspecting Agent or Architect. If required by DPD, an independent agent or architect (other than Developer's architect) approved by DPD shall be selected to act as the inspecting agent or architect, at Developer's expense, for the Project. The inspecting agent or

architect shall perform periodic inspections with respect to the Project, providing certifications with respect thereto to DPD, prior to requests for disbursement for costs related to the Project hereunder. If approved by DPD, the inspecting agent or architect may be the same one being used in such role by the lender providing Lender Financing, provided that such agent or architect (a) is not also the Developer's agent or architect and (b) acknowledges in writing to the City that the City may rely on the findings of such agent or architect.

3.09 Barricades. Prior to commencing any construction requiring barricades, Developer shall install a construction barricade of a type and appearance satisfactory to the City and constructed in compliance with all applicable federal, state or City laws, ordinances and regulations. 3.10 Signs and Public Relations. Developer shall erect a sign of size and style approved by the City in a conspicuous location on the Property during the Project, indicating that financing has been provided by the City. The City reserves the right to include the name, photograph, artistic rendering of the Project and other pertinent information regarding Developer, the Property and the Project in the City's promotional literature and communications.

3.12 The Developer. Notwithstanding any other provisions of this Agreement to the contrary, each of TCB and Quad LLC shall be jointly and severally liable for the obligations of the other party under this Agreement.

SECTION 4. FINANCING

4.01 Total Project Cost and Sources of Funds. The cost of the Project is estimated to be $17,567,328, to be applied in the manner set forth in the Project Budget. Such costs shall be funded through an NMTC financing structure from the following sources:

Sources of Funds	**Amount**
Lender Financing: NMTC Loan (sources include the Bridge Loan and the CHA Financing)	$17,567,328
Cash Equity (subject to **Sections 4.03(b) and 4.06**)	$0
Total	$17,567,328

4.02 Developer Funds. Equity and/or Lender Financing may be used to pay any Project cost, including but not limited to Redevelopment Project Costs.

4.03 City Funds.(a) Uses of City Funds. City Funds may only be used to pay directly or reimburse TCB for costs of TIF-Funded Improvements incurred by TCB that constitute Redevelopment Project Costs. Exhibit C sets forth, by line item, the TIF-Funded Improvements for the Project, and the maximum amount of costs that may be paid by or reimbursed from City Funds for each line item therein (subject to Sections 4.03(b) and 4.05(d)), contingent upon receipt by the City of documentation satisfactory in form and substance to DPD evidencing such cost and its eligibility as a Redevelopment Project Cost. City Funds shall not be paid to TCB

hereunder before the issuance of a Certificate; provided, however, that in response to an Early Payment Request the City, subject to its review and approval of the Early Payment Request, may disburse City Funds before the Certificate is issued.

(b) Sources of City Funds. Subject to the terms and conditions of this Agreement, including but not limited to this Section 4.03 and Section 5 hereof, the City hereby agrees to provide City funds from the sources and in the amounts described directly below (the "City Funds") to pay for or reimburse TCB for the costs of the TIF-Funded Improvements:

Source of City Funds	Maximum Amount
Available Incremental Taxes and/or TIF Bond Proceeds	$4,300,000

provided, however, that the total amount of City Funds expended for TIF-Funded Improvements shall be an amount not to exceed the lesser of $4,300,000 or approximately 24.48% of the Final Project Cost, and provided further, that the $4,300,000 to be derived from Available Incremental Taxes and/or TIF Bond proceeds shall be available to pay costs related to TIF-Funded Improvements and allocated by the City for that purpose only so long as:

(i) The amount of the Available Incremental Taxes deposited into the TIF Fund shall be sufficient to pay for such costs; and

(ii) The City has been reimbursed from Available Incremental Taxes for the amount previously disbursed by the City for TIF-Funded Improvements.

Developer acknowledges and agrees that the City's obligation to pay for TIF-Funded Improvements up to a maximum of $4,300,000 is contingent upon the fulfillment of the conditions set forth in parts (i) and (ii) above. In the event that such conditions are not fulfilled, the amount of Equity to be contributed by Developer pursuant to Section 4.01 hereof shall increase proportionately.

If, prior to the issuance of the Certificate, the Developer fails to provide the LEED Affidavit, then the total amount of City Funds shall be reduced by $250,000.

4.04 Requisition Form. Concurrent with the request for the issuance of the Certificate (or such earlier date(s) before the Certificate is issued to which the City, in its discretion, may consent in response to an Early Payment Request) and continuing throughout the earlier of (i) the Term of the Agreement or (ii) the date that Developer has been reimbursed in full under this Agreement, Developer shall provide DPD with a Requisition Form, along with the documentation described therein. Except as otherwise permitted by DPD, requisition for reimbursement of TIF-Funded Improvements shall be made not more than one time per calendar quarter (other than the initial requisition submitted concurrently with the request for the issuance of the Certificate). On each December 1 (or such other date as may be acceptable to the parties), beginning in 2016 and continuing until all the City Funds have been fully disbursed, Developer shall meet with DPD at the request of DPD to discuss the Requisition Form(s) previously delivered. If Developer submits an Early Payment Request, then Developer shall at the same time submit a Requisition Form for the amount of City Funds covered by the Early Payment Request.

4.05 Treatment of Prior Expenditures and Subsequent Disbursements.

(a) Prior Expenditures. Only those expenditures made by Developer with respect to the Project prior to the Closing Date, evidenced by documentation satisfactory to DPD and approved by DPD as satisfying costs covered in the Project Budget, shall be considered previously contributed Equity or Lender Financing hereunder (the "Prior Expenditures"). DPD shall have the right, in its sole discretion, to disallow any such expenditure as a Prior Expenditure. Exhibit I hereto sets forth the prior expenditures approved by DPD as of the date hereof as Prior Expenditures. Prior Expenditures made for items other than TIF-Funded Improvements shall not be reimbursed to Developer, but shall reduce the amount of Equity and/or Lender Financing required to be contributed by Developer pursuant to Section 4.01 hereof.

(b) [intentionally omitted]

(c) TIF District Administration Fee. Annually, the City may allocate an amount not to exceed 10.0% of the Incremental Taxes for payment of costs incurred by the City for the administration and monitoring of the Redevelopment Area, including the Project. Such fee shall be in addition to and shall not be deducted from or considered a part of the City Funds, and the City shall have the right to receive such funds prior to any payment of City Funds hereunder.

(d) Allocation Among Line Items. Disbursements for expenditures related to TIF-Funded Improvements may be allocated to and charged against the appropriate line only, with transfers of costs and expenses from one line item to another, without the prior written consent of DPD, being prohibited; provided, however, that such transfers among hard cost line items, in an amount not to exceed $25,000 or $100,000 in the aggregate, may be made without the prior written consent of DPD.

4.06 Cost Overruns. If the aggregate cost of the TIF-Funded Improvements exceeds City Funds available pursuant to Section 4.03 hereof, or if the cost of completing the Project exceeds the Project Budget, Developer shall be solely responsible for such excess cost, and shall hold the City harmless from any and all costs and expenses of completing the TIF-Funded Improvements in excess of City Funds and of completing the Project.

4.07 Preconditions of Disbursement. Prior to each disbursement of City Funds hereunder, Developer shall submit documentation regarding the applicable expenditures to DPD, which shall be satisfactory to DPD in its sole discretion. Delivery by Developer to DPD of any request for disbursement of City Funds hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for disbursement, that:

(a) the total amount of the disbursement request represents the actual amount payable to (or paid to) the General Contractor and/or subcontractors who have performed work on the Project, and/or their payees;

(b) all amounts shown as previous payments on the current disbursement request have been paid to the parties entitled to such payment;

(c) Developer has approved all work and materials for the current disbursement request, and such work and materials conform to the Plans and Specifications;

(d) the representations and warranties contained in this Agreement are true and correct and Developer is in compliance with all covenants contained herein;

(e) Developer has received no notice and has no knowledge of any liens or claim of lien either filed or threatened against the Property except for the Permitted Liens;

(f) no Event of Default or condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default exists or has occurred; and

(g) the Project is In Balance. The Project shall be deemed to be in balance ("In Balance") only if the total of the available Project funds equals or exceeds the aggregate of the amount necessary to pay all unpaid Project costs incurred or to be incurred in the completion of the Project. "Available Project Funds" as used herein shall mean: (i) the undisbursed City Funds; (ii) the undisbursed Lender Financing, if any; (iii) the undisbursed Equity and (iv) any other amounts deposited by Developer pursuant to this Agreement. Developer hereby agrees that, if the Project is not In Balance, Developer shall, within 10 days after a written request by the City, deposit with the escrow agent or will make available (in a manner acceptable to the City), cash in an amount that will place the Project In Balance, which deposit shall first be exhausted before any further disbursement of the City Funds shall be made.

The City shall have the right, in its discretion, to require Developer to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and any disbursement by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by Developer. In addition, Developer shall have satisfied all other preconditions of disbursement of City Funds for each disbursement, including but not limited to requirements set forth in the Bond Ordinance, if any, TIF Bond Ordinance, if any, the Bonds, if any, the TIF Bonds, if any, the TIF Ordinances, this Agreement and/or the Escrow Agreement.

4.08 Conditional Grant. The City Funds being provided hereunder are being granted on a conditional basis, subject to Developer's compliance with the provisions of this Agreement. The City Funds are subject to being reimbursed as provided in Section 15.02 hereof.

SECTION 5. CONDITIONS PRECEDENT

The Title Policy also contains such endorsements as shall be required by Corporation Counsel, including but not limited to an owner's comprehensive endorsement and satisfactory endorsements regarding zoning (3.1 with parking), contiguity, location, access and survey. On the Closing Date, Developer has furnished the City with an opinion of counsel, substantially in the form attached hereto as Exhibit J, with such changes as required by or acceptable to Corporation Counsel. Developer has provided to the City an EDS, dated as of the Closing Date, which is incorporated by reference, and Developer further will provide any other affidavits or certifications as may be required by federal, state or local law in the award of public contracts, all of which affidavits or certifications are incorporated by reference. Notwithstanding acceptance by the City of the EDS, failure of the EDS to include all information required under the Municipal Code

renders this Agreement voidable at the option of the City. Developer and any other parties required by this **Section 5.14** to complete an EDS must promptly update their EDS(s) on file with the City whenever any information or response provided in the EDS(s) is no longer complete and accurate, including changes in ownership and changes in disclosures and information pertaining to ineligibility to do business with the City under Chapter 1-23 of the Municipal Code, as such is required under Sec. 2-154-020, and failure to promptly provide the updated EDS(s) to the City will constitute an event of default under this Agreement.

Complete copies of the Ground Lease, the Sublease, and all other written agreements, if any, setting forth the parties' understandings relating to Quad LLC's and Park District's occupancy of the Property and any financial agreements between the parties in any way relating to the Property, the Ground Lease or the Sublease, certified by the Developer, shall have been delivered to the City.

SECTION 6. AGREEMENTS WITH CONTRACTORS

6.01 Bid Requirement for General Contractor and Subcontractors. Prior to entering into an agreement with a General Contractor or any subcontractor for construction of the Project, Developer shall solicit, or shall cause the General Contractor to solicit, bids from qualified contractors eligible to do business with, and having an office located in, the City of Chicago, and shall submit all bids received to DPD for its inspection and written approval. (i) For the TIF-Funded Improvements, Developer shall select the General Contractor (or shall cause the General Contractor to select the subcontractor) submitting the lowest responsible bid who can complete the Project in a timely manner. If Developer selects a General Contractor (or the General Contractor selects any subcontractor) submitting other than the lowest responsible bid for the TIF-Funded Improvements, the difference between the lowest responsible bid and the bid selected may not be paid out of City Funds. (ii) For Project work other than the TIF-Funded Improvements, if Developer selects a General Contractor (or the General Contractor selects any subcontractor) who has not submitted the lowest responsible bid, the difference between the lowest responsible bid and the higher bid selected shall be subtracted from the actual total Project costs for purposes of the calculation of the amount of City Funds to be contributed to the Project pursuant to Section 4.03(b) hereof. Developer shall submit copies of the Construction Contract to DPD in accordance with Section 6.02 below. Photocopies of all subcontracts entered or to be entered into in connection with the TIF-Funded Improvements shall be provided to DPD within five (5) business days of the execution thereof. Developer shall ensure that the General Contractor shall not (and shall cause the General Contractor to ensure that the

subcontractors shall not) begin work on the Project until the Plans and Specifications have been approved by DPD and all requisite permits have been obtained. The City acknowledges that McShane Construction Company has been selected as the General Contractor, which the Developer represents was selected through the process described in this Section 6.01.

6.02 Construction Contract. Developer has furnished the City with a copy of the Construction Contract, a true and correct copy of which is attached hereto as Exhibit E.

6.03 Performance and Payment Bonds. Prior to the commencement of any portion of the Project which includes work on the public way, Developer shall require that the General Contractor be bonded for its payment by sureties having an AA rating or better using a bond in the form attached as Exhibit O hereto. The City shall be named as obligee or co-obligee on any such bonds.

6.04 Employment Opportunity. Developer shall contractually obligate and cause the General Contractor and each subcontractor to agree to the provisions of Section 10 hereof.

6.05 Other Provisions. In addition to the requirements of this Section 6, the Construction Contract and each contract with any subcontractor shall contain provisions required pursuant to Section 3.04 (Change Orders), Section 8.09 (Prevailing Wage; Davis Bacon), Section 10.01(e) (Employment Opportunity), Section 10.02 (City Resident Employment Requirement), Section 10.03 (MBE/WBE Requirements, as applicable), Section 12 (Insurance) and Section 14.01 (Books and Records) hereof. Photocopies of all contracts or subcontracts entered or to be entered into in connection with the TIF-Funded Improvements shall be provided to DPD within five (5) business days of the execution thereof.

SECTION 7. COMPLETION OF CONSTRUCTION OR REHABILITATION

7.01 Certificate of Completion of Construction or Rehabilitation. Upon completion of construction of the Project in accordance with the terms of this Agreement, and upon the Developer's written request, which shall include a final Project budget detailing the total actual cost of the construction of the Project (the "**Final Project Cost**"), DPD shall issue to the Developer the Certificate (the "**Certificate**"), in recordable form certifying that the Developer has fulfilled its obligation to complete the Project in accordance with the terms of this Agreement. No Certificate shall be issued unless DPD is satisfied that the Developer has fulfilled all of the following obligations:

(a) Receipt of a Certificate of Occupancy or other evidence acceptable to DPD that the Developer has complied with building permit requirements for the Project;

(b) Developer has completed construction of the Project according to the Plans and Specifications;

(c) The Commencement Date (as defined in the Sublease) has occurred;

(d) Evidence of the Final Project Cost; as described in Section 4.03(b), the City Funds will be reduced if the Final Project Cost is less than $17,567,328;

(e) Evidence that the Developer has incurred TIF-eligible costs in an equal amount to, or greater than, $4,300,000;

(f) The City's Monitoring and Compliance Unit has verified that, at the time the Certificate is issued, the Developer is in full compliance with City requirements set forth in **Section 10** and **Section 8.09** (M/WBE, City Residency and Prevailing Wage; Davis Bacon) with respect to construction of the Project, and that 100% of the Developer's MBE/WBE Commitment in **Section 10.03** has been fulfilled;

(g) The Developer has provided a LEED Affidavit; provided, however, that if Developer fails to provide such affidavit yet meets the remaining requirements in this Section 7.01, the City shall still issue the Certificate, but the total amount of City Funds shall be reduced by $250,000; and,

(h) There exists neither an Event of Default (after any applicable cure period) which is continuing nor a condition or event which, with the giving of notice or passage of time (if not cured) or both, would constitute an Event of Default.

DPD shall respond to the Developer's written request for a Certificate within forty-five (45) days by issuing either the requested Certificate or a written statement detailing the ways in which the Project as a whole does not conform to this Agreement or has not been satisfactorily completed, and the measures that must be taken by the Developer in order to obtain the Certificate. The Developer may resubmit a written request for a Certificate upon its completion of such measures.

7.02 Effect of Issuance of Certificate; Continuing Obligations. The Certificate relates only to the construction of the Project, and upon its issuance, the City will certify that the terms of the Agreement specifically related to Developer's obligation to complete such activities have been satisfied. After the issuance of a Certificate, however, all executory terms and conditions of this Agreement and all representations and covenants contained herein will continue to remain in full force and effect throughout the Term of the Agreement as to the parties described in the following paragraph, and the issuance of the Certificate shall not be construed as a waiver by the City of any of its rights and remedies pursuant to such executory terms.

Those covenants specifically described at Sections 8.02, 8.06, 8.19 and 8.21 as covenants that run with the land are the only covenants in this Agreement intended to be binding upon any transferee of the Property (including an assignee as described in the following sentence) throughout the Term of the Agreement notwithstanding the issuance of a Certificate; provided, that upon the issuance of a Certificate, the covenants set forth in Section 8.02 shall be deemed to have been fulfilled. The other executory terms of this Agreement that remain after the issuance of a Certificate shall be binding only upon Developer or a permitted assignee of Developer who, pursuant to Section 18.15 of this Agreement, has contracted to take an assignment of Developer's rights under this Agreement and assume Developer's liabilities hereunder.

7.03 Failure to Complete. If Developer fails to complete the Project in accordance with the terms of this Agreement, subject to applicable cure periods, then the City has, but shall not be limited to, any of the following rights and remedies:

(a) the right to terminate this Agreement and cease all disbursement of City Funds not yet disbursed pursuant hereto;

(b) the right (but not the obligation) to complete those TIF-Funded Improvements that are public improvements and to pay for the costs of TIF-Funded Improvements (including interest costs) out of City Funds or other City monies. In the event that the aggregate cost of completing the TIF-Funded Improvements exceeds the amount of City Funds available pursuant to Section 4.01, Developer shall reimburse the City for all reasonable costs and expenses incurred by the City in completing such TIF-Funded Improvements in excess of the available City Funds; and

(c) the right to seek reimbursement of the City Funds from TCB, provided that the City is entitled to rely on an opinion of counsel that such reimbursement will not jeopardize the tax-exempt status of the TIF Bonds.

7.04 Notice of Expiration of Term of Agreement. Upon the expiration of the Term of the Agreement, DPD shall provide Developer, at Developer's written request, with a written notice in recordable form stating that the Term of the Agreement has expired.

SECTION 8. COVENANTS/REPRESENTATIONS/WARRANTIES OF DEVELOPER.

8.01 General. Developer represents, warrants and covenants, as of the date of this Agreement and as of the date of each disbursement of City Funds hereunder, that:

(a) TCB and Quad LLC are each a nonprofit corporation or limited liability company duly organized, validly existing, qualified to do business in its state of incorporation/organization and in Illinois, and licensed to do business in any other state where, due to the nature of its activities or properties, such qualification or license is required;

(b) Each of TCB and Quad LLC has the right, power and authority to enter into, execute, deliver and perform this Agreement;

(c) the execution, delivery and performance by each of TCB and Quad LLC of this Agreement has been duly authorized by all necessary corporate action, and does not and will not violate its Articles of Incorporation/Articles of Organization or by-laws or operating agreement as amended and supplemented, any applicable provision of law, or constitute a breach of, default under or require any consent under any agreement, instrument or document to which Developer is now a party or by which TCB or Quad LLC is now or may become bound;

(d) unless otherwise permitted or not prohibited pursuant to or under the terms of this Agreement, Quad LLC shall acquire and shall maintain good, indefeasible and merchantable leasehold title to the Property (and all improvements thereon) pursuant to the Ground Lease free and clear of all liens (except for the Permitted Liens, Lender Financing as disclosed in the Project Budget and non-governmental charges that Developer is contesting in good faith pursuant to Section 8.15 hereof)

(e) Each of TCB and Quad LLC is now and for the Term of the Agreement shall remain solvent and able to pay its debts as they mature;

(f) there are no actions or proceedings by or before any court, governmental commission, board, bureau or any other administrative agency pending, threatened or affecting Developer which would impair its ability to perform under this Agreement;

(g) Developer has and shall maintain all government permits, certificates and consents (including, without limitation, appropriate environmental approvals) necessary to conduct its business and to construct, complete and operate the Project;

(h) Neither TCB nor Quad LLC is in default with respect to any indenture, loan agreement, mortgage, deed, note or any other agreement or instrument related to the borrowing of money to which TCB or Quad LLC is a party or by which TCB or Quad LLC, respectively, is bound;

(i) the Financial Statements are, and when hereafter required to be submitted will be, complete, correct in all material respects and accurately present the assets, liabilities, results of operations and financial condition of TCB, and there has been no material adverse change in the assets, liabilities, results of operations or financial condition of TCB since the date of TCB's most recent Financial Statements;

(j) prior to the issue of the Certificate, Developer shall not do any of the following without the prior written consent of DPD: (1) be a party to any merger, liquidation or consolidation; (2) sell, transfer, convey, lease or otherwise dispose of all or substantially all of its assets or any portion of the Property (including but not limited to any fixtures or equipment now or hereafter attached thereto) except in the ordinary course of business or pursuant to the terms of the Ground Lease or the Sublease; (3) enter into any transaction outside the ordinary course of Developer's business; (4) assume, guarantee, endorse, or otherwise become liable in connection with the obligations of any other person or entity, provided, that the City expressly consents to the guarantees and indemnities entered into by TCB or Quad LLC in conjunction with the NMTC Loan, CHA Financing and/or Bridge Loan (including, without limitation, an indemnity for loss of New Markets Tax Credits); or (5) enter into any transaction that would cause a material and detrimental change to Developer's financial condition;

(k) Developer has not incurred, and, prior to the issuance of a Certificate, shall not, without the prior written consent of the Commissioner of DPD, allow the existence of any liens against the Property (or improvements thereon) other than the Permitted Liens; or incur any indebtedness, secured or to be secured by the Property (or improvements thereon) or any fixtures now or hereafter attached thereto, except Lender Financing disclosed in the Project Budget;

(l) Developer has not made or caused to be made, directly or indirectly, any payment, gratuity or offer of employment in connection with the Agreement or any contract paid from the City treasury or pursuant to City ordinance, for services to any City agency ("City Contract") as an inducement for the City to enter into the Agreement or any City Contract with Developer in violation of Chapter 2-156-120 of the Municipal Code;

(m) neither Developer nor any affiliate of Developer is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. For purposes of this subparagraph (m) only, the term "affiliate," when used to indicate a relationship with a specified person or entity, means a person or entity that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with such specified person or entity, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise;

(n) such party understands that (i) the City Funds are limited obligations of the City, payable solely from moneys on deposit in the TIF Fund; (ii) the City Funds do not constitute indebtedness of the City within the meaning of any constitutional or statutory provision or limitation; (iii) such party will have no right to compel the exercise of any taxing power of the City for payment of the City Funds; and (iv) the City Funds do not and will not represent or constitute a general obligation or a pledge of the faith and credit of the City, the State of Illinois or any political subdivision thereof;

(o) such party has sufficient knowledge and experience in financial and business matters, including municipal projects and revenues of the kind represented by the City Funds, and has been supplied with access to information to be able to evaluate the risks associated with the receipt of City Funds;

(p) such party understands that there is no assurance as to the amount or timing of receipt of City Funds, and that the amounts of City Funds actually received by such party may be substantially less than the maximum amounts set forth in Section 4.03(b);

(q) such party understands it may not sell, assign, pledge or otherwise transfer its interest in this Agreement or City Funds in whole or in part except pursuant to a Collateral Assignment, and, to the fullest extent permitted by law, agrees to indemnify the City for any losses, claims, damages or expenses relating to or based upon any sale, assignment, pledge or transfer of City Funds in violation of this Agreement; and

(r) such party acknowledges that with respect to City Funds, the City has no obligation to provide any continuing disclosure to the Electronic Municipal Market Access System maintained by the Municipal Securities Rulemaking Board, to any holder of a note relating to City Funds or any other person under Rule 15c2-12 of the Commission promulgated under the Securities Exchange Act of 1934 or otherwise, and shall have no liability with respect thereto.

8.02 Covenant to Redevelop. Upon DPD's approval of the Project Budget, the Scope Drawings and Plans and Specifications as provided in Sections 3.02 and 3.03 hereof, and Developer's receipt of all required building permits and governmental approvals, Developer shall

redevelop the Property in accordance with this Agreement and all Exhibits attached hereto, the TIF Ordinances, the Bond Ordinance (if any), the TIF Bond Ordinance (if any), the Scope Drawings, Plans and Specifications, Project Budget and all amendments thereto, and all federal, state and local laws, ordinances, rules, regulations, executive orders and codes applicable to the Project, the Property and/or Developer. The covenants set forth in this Section shall run with the land and be binding upon any transferee, but shall be deemed satisfied upon issuance by the City of a Certificate with respect thereto.

8.03 Redevelopment Plan. Developer represents that the Project is and shall be in compliance with all of the terms of the Redevelopment Plan, which is hereby incorporated by reference into this Agreement.

8.04 Use of City Funds. City Funds disbursed to TCB shall be used by TCB solely to pay for (or to reimburse TCB for its payment for) the TIF-Funded Improvements as provided in this Agreement.

8.05 Other Bonds. Developer shall, at the request of the City, agree to any reasonable amendments to this Agreement that are necessary or desirable in order for the City to issue (in its sole discretion) any bonds in connection with the Redevelopment Area, the proceeds of which may be used to reimburse the City for expenditures made in connection with, or provide a source of funds for the payment for, the TIF-Funded Improvements (the "Bonds"); provided, however, that any such amendments shall not have a material adverse effect on Developer or the Project. Developer shall, at Developer's expense, cooperate and provide reasonable assistance in connection with the marketing of any such Bonds, including but not limited to providing written descriptions of the Project, making representations, providing information regarding its financial condition and assisting the City in preparing an offering statement with respect thereto.

8.06 Job Creation and Retention; Operating Covenant.

(a) Operating Covenant. Throughout the Compliance Period, Developer covenants and agrees that it (i) shall cause the Project to be used as a multi-use community recreation center for the benefit of the general public as required under the Ground Lease and as permitted pursuant to the Redevelopment Plan and this Agreement; and (ii) shall not lease the Project to tenant(s) other than the Park District under the Sublease without the prior written consent of DPD; provided, however, that the consent of DPD will not be required to a lease to a tenant in compliance with the use restrictions of the Ground Lease. The covenants in clauses (i) and (ii) shall be referred to collectively as the "Operating Covenant".

Wherever there is a conflict between the permitted uses of the Property and the Project, between this Agreement and the other controlling documents set forth above, the terms of the Ground Lease shall control. A default under the Operating Covenant shall constitute an Event of Default.

(b) The Developer anticipates that the Project will result in the creation of (i) approximately 100 FTE construction jobs at the Project during the construction thereof (the "Construction Jobs") and (ii) approximately 12 FTE permanent jobs at the Project at the completion thereof to be retained or created at the Facility by the Park District through the Term

of the Agreement (the "Permanent Jobs"); **provided**, that the failure of the Project to result in the creation of the anticipated number of Construction Jobs and/or Permanent Jobs described in this sentence shall not constitute an Event of Default.

Throughout the Term of the Agreement, the Developer shall submit to DPD annual certified Jobs and Occupancy Certificates disclosing information about Construction Jobs and Permanent Jobs and compliance with the Operating Covenant. These Jobs and Occupancy Certificates shall be submitted by February 1st for the prior calendar year. The Jobs and Occupancy Certificate shall include the names, addresses and zip codes of principal residence, and job titles of FTEs employed at the Project, whether employed by Developer or Park District, as of the end of the prior calendar year.

The covenants set forth in this Section shall run with the land and the leasehold interest and be binding upon any transferee.

A default by any party other than the City or the Park District under the Ground Lease or Sublease shall not (a) relieve Developer from its obligations under this Agreement or (b) constitute any defense, excuse of performance, release, discharge or similar form of equitable or other relief that would prevent or limit the City's enforcement of its remedies under this Agreement.

8.07 Employment Opportunity; Progress Reports. Developer covenants and agrees to abide by, and contractually obligate and use reasonable efforts to cause the General Contractor and each subcontractor to abide by the terms set forth in Section 10 hereof. Developer shall deliver to the City written progress reports detailing compliance with the requirements of Sections 8.09, 10.02 and 10.03 of this Agreement. Such reports shall be delivered to the City on a monthly basis until the Project is completed. If any such reports indicate a shortfall in compliance, Developer shall also deliver a plan to DPD which shall outline, to DPD's satisfaction, the manner in which Developer shall correct any shortfall.

8.08 Employment Profile. Developer shall submit, and contractually obligate and cause the General Contractor or any subcontractor to submit, to DPD, from time to time, statements of its employment profile upon DPD's request.

8.09 Prevailing Wage; Davis Bacon.

(a) At all times when Davis Bacon is applicable to the Project, Developer covenants and agrees to pay, and to contractually obligate and cause the General Contractor and each subcontractor to pay, to all Project employees not less than the minimum Federal Davis Bacon wage rate specified in a wage determination issued by the U.S. Secretary of Labor. Developer agrees to refrain from awarding any subcontractor work under this Agreement until the subcontractor agrees to the current prevailing wage determination issued by the U.S. Department of Labor. All such contracts shall list the specified rates to be paid to all laborers, workers and mechanics for each craft or type of worker or mechanic employed pursuant to such contract. If the federal government revises such Davis Bacon wage rates, the revised rates shall apply to all such contracts. Upon the City's request, Developer shall provide the City with copies of all such contracts entered into by Developer or the General Contractor to evidence

compliance with this Section 8.09. Developer further agrees to report to U.S. Department of Labor every suspected or reported violation of Davis Bacon.

(b) At all times when Davis Bacon does not apply to the Project, Developer covenants and agrees to pay, and to contractually obligate and cause the General Contractor and each subcontractor to pay, the prevailing wage rate as ascertained by the Illinois Department of Labor (the "Department"), to all Project employees. All such contracts shall list the specified rates to be paid to all laborers, workers and mechanics for each craft or type of worker or mechanic employed pursuant to such contract. If the Department revises such prevailing wage rates, the revised rates shall apply to all such contracts. Upon the City's request, Developer shall provide the City with copies of all such contracts entered into by Developer or the General Contractor to evidence compliance with this Section 8.09.

8.10 Arms-Length Transactions. Unless DPD has given its prior written consent with respect thereto, no Affiliate of Developer may receive any portion of City Funds, directly or indirectly, in payment for work done, services provided or materials supplied in connection with any TIF-Funded Improvement. Developer shall provide information with respect to any entity to receive City Funds directly or indirectly (whether through payment to the Affiliate by Developer and reimbursement to Developer for such costs using City Funds, or otherwise), upon DPD's request, prior to any such disbursement.

8.11 Conflict of Interest. Pursuant to Section 5/11-74.4-4(n) of the Act, Developer represents, warrants and covenants that, to the best of its knowledge, no member, official, or employee of the City, or of any commission or committee exercising authority over the Project, the Redevelopment Area or the Redevelopment Plan, or any consultant hired by the City or Developer with respect thereto, owns or controls, has owned or controlled or will own or control any interest, and no such person shall represent any person, as agent or otherwise, who owns or controls, has owned or controlled, or will own or control any interest, direct or indirect, in Developer's business, the Property or any other property in the Redevelopment Area.

8.12 Disclosure of Interest. Developer's counsel has no direct or indirect financial ownership interest in Developer, the Property or any other aspect of the Project.

8.13 Financial Statements. Developer shall obtain and provide to DPD Financial Statements for Developer's fiscal year ended 2014 and each year thereafter for the Term of the Agreement.

8.14 Insurance. Developer, at its own expense, shall comply with all provisions of Section 12 hereof.

8.15 Non-Governmental Charges. (a) Payment of Non-Governmental Charges. Except for the Permitted Liens, Developer agrees to pay or cause to be paid when due any Non-Governmental Charge assessed or imposed upon the Project, the Property or any fixtures that are or may become attached thereto, which creates, may create, or appears to create a lien upon all or any portion of the Property or Project; provided however, that if such Non-Governmental Charge may be paid in installments, Developer may pay the same together with any accrued interest thereon in installments as they become due and before any fine, penalty, interest, or cost may be added thereto for nonpayment. Developer shall furnish to DPD, within

thirty (30) days of DPD's request, official receipts from the appropriate entity, or other proof satisfactory to DPD, evidencing payment of the Non-Governmental Charge in question.

(b) Right to Contest. Developer has the right, before any delinquency occurs:

(i) to contest or object in good faith to the amount or validity of any Non-Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charge, prevent the imposition of a lien or remove such lien, or prevent the sale or forfeiture of the Property (so long as no such contest or objection shall be deemed or construed to relieve, modify or extend Developer's covenants to pay any such Non-Governmental Charge at the time and in the manner provided in this Section 8.15); or

(ii) at DPD's sole option, to furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully any such contested Non-Governmental Charge and all interest and penalties upon the adverse determination of such contest.

8.16 Developer's Liabilities. Developer shall not enter into any transaction that would materially and adversely affect its ability to perform its obligations hereunder or to repay any material liabilities or perform any material obligations of Developer to any other person or entity. Developer shall immediately notify DPD of any and all events or actions which may materially affect Developer's ability to carry on its business operations or perform its obligations under this Agreement or any other documents and agreements.

8.17 Compliance with Laws.

(a) Representation. To the best of Developer's knowledge, after diligent inquiry, the Property and the Project are and shall be, as and when required, in compliance with all applicable Laws pertaining to or affecting the Project and the Property. Upon the City's request, Developer shall provide evidence satisfactory to the City of such compliance.

(b) Covenant. Developer covenants that the Property and the Project will be operated and managed in compliance with all Laws. Upon the City's request, the Developer shall provide evidence to the City of its compliance with this covenant.

8.18 Recording and Filing. Developer shall cause this Agreement, certain exhibits (as specified by Corporation Counsel), all amendments and supplements hereto to be recorded and filed against the Property on the date hereof in the conveyance and real property records of the county in which the Project is located. This Agreement shall be recorded prior to any mortgage made in connection with Lender Financing; however if this Agreement is not recorded first, then a Subordination Agreement shall be recorded as described in Section 5.04. Upon recording, Developer shall immediately transmit to the City an executed original of this Agreement showing the date and recording number of record.

8.19 Real Estate Provisions.

(a) Governmental Charges.

(i) Payment of Governmental Charges. Developer agrees to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon Developer, the Property or the Project, or become due and payable, and which create, may create, a lien upon Developer or all or any portion of the Property or the Project. "Governmental Charge" shall mean all federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties of the State other than Cook County, and municipalities other than the City) relating to Developer, the Property or the Project including but not limited to real estate taxes.

(ii) Right to Contest. Developer has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or forfeiture of the Property. No such contest or objection shall be deemed or construed in any way as relieving, modifying or extending Developer's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless Developer has given prior written notice to DPD of Developer's intent to contest or object to a Governmental Charge and, unless, at DPD's sole option,

(i) Developer shall demonstrate to DPD's satisfaction that legal proceedings instituted by Developer contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of, all or any part of the Property to satisfy such Governmental Charge prior to final determination of such proceedings; and/or

(ii) Developer shall furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

(b) Developer's Failure To Pay Or Discharge Lien. If Developer fails to pay any Governmental Charge or to obtain discharge of the same, Developer shall advise DPD thereof in writing, at which time DPD may, but shall not be obligated to, and without waiving or releasing any obligation or liability of Developer under this Agreement, in DPD's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which DPD deems advisable. All sums so paid by DPD, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be promptly disbursed to DPD by Developer. Notwithstanding anything

contained herein to the contrary, this paragraph shall not be construed to obligate the City to pay any such Governmental Charge. Additionally, if Developer fails to pay any Governmental Charge, the City, in its sole discretion, may require Developer to submit to the City audited Financial Statements at Developer's own expense.

(c) Notification to the Cook County Assessor of Change in Use and Ownership. Prior to the Closing Date, Developer shall complete a letter of notification, in accordance with 35 ILCS 200/15-20, notifying the Cook County Assessor that there has been a change in use and ownership of the Property. On the Closing Date, Developer shall pay to the Title Company the cost of sending the notification to the Cook County Assessor via certified mail, return receipt requested. After delivery of the notification, Developer shall forward a copy of the return receipt to DPD, with a copy to the City's Corporation Counsel's office.

8.20 Survival of Covenants. All warranties, representations, covenants and agreements of Developer contained in this Section 8 and elsewhere in this Agreement shall be true, accurate and complete at the time of Developer's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and (except as provided in Section 7 hereof upon the issuance of a Certificate) shall be in effect throughout the Term of the Agreement.

8.21 Annual Compliance Report. Beginning with the issuance of the Certificate and continuing throughout the Term of the Agreement, Developer shall submit to DPD the Annual Compliance Report within 30 days after the end of the calendar year to which the Annual Compliance Report relates. Failure by Developer to submit the Annual Compliance Report shall constitute an Event of Default under Section 15.01 hereof, without notice or opportunity to cure pursuant to Section 15.03 hereof. The covenants contained in this Section 8.21 shall run with the land and be binding upon any transferee for the Term of the Agreement.

8.22 Inspector General. It is the duty of Developer and the duty of any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all of Developer's officers, directors, agents, partners, and employees and any such bidder, proposer, contractor, subcontractor or such applicant: (a) to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code and (b) to cooperate with the Legislative Inspector General in any investigation undertaken pursuant to Chapter 2-55 of the Municipal Code. Developer represents that it understands and will abide by all provisions of Chapters 2-56 and 2-55 of the Municipal Code and that it will inform subcontractors of this provision and require their compliance.

8.23 LEED Affidavit. Prior to issuance of the Certificate, the Developer shall provide the LEED Affidavit.

8.24. FOIA and Local Records Act Compliance.

(a) FOIA. The Developer acknowledges that the City is subject to the Illinois Freedom of Information Act, 5 ILCS 140/1 et. seq., as amended ("FOIA"). The FOIA requires the City to produce records (very broadly defined in FOIA) in response to a FOIA request in a very short period of time, unless the records requested are exempt under the FOIA. If the Developer receives a request from the City to produce records within the scope of FOIA, then

the Developer covenants to comply with such request within 48 hours of the date of such request. Failure by the Developer to timely comply with such request shall be an Event of Default.

(b) Exempt Information. Documents that the Developer submits to the City under Section 8.21, (Annual Compliance Report) or otherwise during the Term of the Agreement that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents submitted by the Developer to be treated as a trade secret or information that would cause competitive harm, FOIA requires that Developer mark any such documents as "proprietary, privileged or confidential." If the Developer marks a document as "proprietary, privileged and confidential", then DPD will evaluate whether such document may be withheld under the FOIA. DPD, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General's Office and/or the courts.

(c) Local Records Act. The Developer acknowledges that the City is subject to the Local Records Act, 50 ILCS 205/1 et. seq, as amended (the "Local Records Act"). The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, the Developer covenants to use its best efforts consistently applied to assist the City in its compliance with the Local Records Act

8.25 Ground Lease and Sublease Representations, Warranties and Covenants. The Developer represents, warrants and covenants as follows:

(a) as of the date hereof, each of the Ground Lease and Sublease is valid and binding as to Quad LLC, is in full force and effect, and is either unmodified or modified only by approved Material Amendments and/or amendments that do not constitute Material Amendments;

(b) as of the date hereof, Quad LLC has performed all of its current obligations under each of the Ground Lease and Sublease;

(c) Throughout the Term of the Agreement, Quad LLC: (i) shall promptly deliver to DPD a copy of written notice of any change in circumstances of which Developer has knowledge that makes the representations and warranties in this Section 8.25 inaccurate; (ii) shall, within 10 days after the occurrence thereof, deliver to DPD a copy of written notice of any change in use of the Facility from the use described in Recital D, and (iii) shall comply with its obligations under each of the Ground Lease and Sublease; and

(d) Throughout the Term of the Agreement, Quad LLC shall not (i) execute or consent to a Material Amendment or (ii) sell, sublease, release, assign or otherwise transfer its interest in the Ground Lease or the Sublease without the prior written consent of DPD, which consent shall be in DPD's sole discretion; provided, however, that DPD's consent shall not be required (x) for the exercise of remedies by any lender(s) providing the NMTC Loan or the subsequent transfer of the leasehold interest under the Ground Lease following such exercise to the extent such exercise of remedies and transfer are permitted pursuant to the Ground Lease, or (y) for any sublease entered into by Quad LLC or any permitted successor to Quad LLC

under the Ground Lease (including, without limitation, any lender) to the extent such sublease is permitted pursuant to the Ground Lease.

8.26 Survival of Covenants. All warranties, representations, covenants and agreements of Developer contained in this Section 8 and elsewhere in this Agreement shall be true, accurate and complete at the time of Developer's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and (except as provided in Section 7 hereof upon the issuance of a Certificate of Completion) shall be in effect throughout the Term of the Agreement.

SECTION 9. COVENANTS/REPRESENTATIONS/WARRANTIES OF CITY

9.01 General Covenants. The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations hereunder.

9.02 Survival of Covenants. All warranties, representations, and covenants of the City contained in this Section 9 or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

SECTION 10. DEVELOPER'S EMPLOYMENT OBLIGATIONS

10.01 Employment Opportunity. Developer, on behalf of itself and its successors and assigns, hereby agrees, and shall contractually obligate its or their various contractors, subcontractors or any Affiliate of Developer operating on the Property (collectively, with Developer, the "Employers" and individually an "Employer") to agree, that for the Term of this Agreement with respect to Developer and during the period of any other party's provision of services in connection with the construction of the Project or occupation of the Property:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time to time (the "Human Rights Ordinance"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for

employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Redevelopment Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

(c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 10.01 shall be a basis for the City to pursue remedies under the provisions of Section 15.02 hereof.

10.02 City Resident Construction Worker Employment Requirement. Developer agrees for itself and its successors and assigns, and shall contractually obligate its General Contractor and shall cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code (at least 50 percent of the total worker hours worked by persons on the site of the Project shall be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, Developer, its General Contractor and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

Developer may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

"Actual residents of the City" shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

Developer, the General Contractor and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of DPD in triplicate, on a monthly or quarterly basis, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

Developer, the General Contractor and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DPD, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. Developer, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

At the direction of DPD, affidavits and other supporting documentation will be required of Developer, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of Developer, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that Developer has failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject Developer, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to Developer pursuant to Section 2-92-250 of the Municipal Code may be withheld by the City pending the Chief Procurement Officer's determination as to whether Developer must surrender damages as provided in this paragraph.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246 " and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

Developer shall cause or require the provisions of this Section 10.02 to be included in all construction contracts and subcontracts related to the Project.

10.03. MBE/WBE Commitment. Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that during the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 10.03, during the course of the Project, at least the following percentages of the MBE/WBE Budget (as set forth in Exhibit H-2 hereto) shall be expended for contract participation by MBEs and by WBEs:

(1) At least 24 percent by MBEs.
(2) At least four percent by WBEs.

(b) For purposes of this Section 10.03 only, Developer (and any party to whom a contract is let by Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code, Developer's MBE/WBE commitment may be achieved in part by Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by Developer utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials or services used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to Developer's MBE/WBE commitment as described in this Section 10.03. In accordance with Section 2-92-730, Municipal Code, Developer shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of DPD.

(d) Developer shall deliver quarterly reports to the City's monitoring staff during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by Developer or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining Developer's compliance with this MBE/WBE commitment. Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by Developer, on five Business Days' notice, to allow the City to review Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, Developer shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code, as applicable.

(f) Any reduction or waiver of Developer's MBE/WBE commitment as described in this Section 10.03 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code, as applicable.

(g) Prior to the commencement of the Project, Developer shall be required to meet with the City's monitoring staff with regard to Developer's compliance with its obligations under this Section 10.03. The General Contractor and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, Developer shall demonstrate to the City's monitoring staff its plan to achieve its obligations under this Section 10.03, the sufficiency of which shall be approved by the City's monitoring staff. During the Project, Developer shall submit the documentation required by this Section 10.03 to the City's monitoring staff, including the following: (i) subcontractor's activity report; (ii) contractor's certification concerning labor standards and Davis Bacon wage or Illinois prevailing wage requirements, as applicable; (iii) contractor letter of understanding; (iv) monthly utilization report (or, at DPD's sole discretion, a monthly report from the LCP tracking system of the Chicago Housing Authority); (v) authorization for payroll agent; (vi) certified payroll (consisting of a cover page from the Chicago Housing Authority LCP tracker report and a signage page); (vii) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (viii) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that Developer is not complying with its obligations under this Section 10.03, shall, upon the delivery of written notice to Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to Developer to halt the Project, (2) withhold any further payment of any City Funds to TCB or the General Contractor, or (3) seek any other remedies against Developer available at law or in equity.

SECTION 11. ENVIRONMENTAL MATTERS

Developer hereby represents and warrants to the City that Developer has conducted environmental studies sufficient to conclude that the Project may be constructed, completed and operated in accordance with all Environmental Laws and this Agreement and all Exhibits attached hereto, the Scope Drawings, Plans and Specifications and all amendments thereto, the Bond Ordinance (if any) and the Redevelopment Plan.

Without limiting any other provisions hereof, Developer agrees to indemnify, defend and hold the City harmless from and against any and all losses, liabilities, damages, injuries, costs, expenses or claims of any kind whatsoever including, without limitation, any losses, liabilities, damages, injuries, costs, expenses or claims asserted or arising under any Environmental Laws incurred, suffered by or asserted against the City as a direct or indirect result of any of the following, regardless of whether or not caused by, or within the control of Developer: (i) the presence of any Hazardous Material on or under, or the escape, seepage, leakage, spillage, emission, discharge or release of any Hazardous Material from (A) all or any portion of the Property or (B) any other real property in which Developer, or any person directly or indirectly controlling, controlled by or under common control with Developer, holds any estate or interest whatsoever (including, without limitation, any property owned by a land trust in which the beneficial interest is owned, in whole or in part, by Developer), or (ii) any liens against the Property permitted or imposed by any Environmental Laws, or any actual or asserted liability or obligation of the City or Developer or any of its Affiliates under any Environmental Laws relating to the Property.

The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to damages, injunctive relief or the specific performance of the agreements contained herein. Upon the occurrence of an Event of Default under **Section 8.06**, TCB shall be obligated to repay to the City all previously disbursed City Funds.

15.03 Curative Period. In the event Developer shall fail to perform a monetary covenant which Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless Developer has failed to perform such monetary covenant within ten (10) days of its receipt of a written notice from the City specifying that it has failed to perform such monetary covenant. In the event Developer shall fail to perform a non-monetary covenant which Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless Developer has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such thirty (30) day period, Developer shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured; provided, further, that that there shall be no cure period under this Section 15.03 with respect to Developer's failure to comply with the Operating Covenant.

(a) if the Event of Default is a monetary default, the Bridge Lender or any NMTC Lender may cure it within 30 days after the later of: (i) the expiration of the cure period, if any, granted to the Developer with respect to such monetary default; or (ii) receipt by the Bridge Lender and the NMTC Lenders of such notice from the City; and

(b) if the Event of Default is of a non-monetary nature, the Bridge Lender and any NMTC Lender shall have the right to cure it within 30 days after the later of: (i) the expiration of the cure period, if any, granted to the Developer with respect to such non-

(b) In the event that any mortgagee shall succeed to Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under an Existing Mortgage or a Permitted Mortgage, whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of Developer's interest hereunder in accordance with Section 18.15 hereof, the City hereby agrees to attorn to and recognize such party as the successor in interest to Developer for all purposes under this Agreement so long as such party accepts all of the obligations and liabilities of "Developer" hereunder; provided, however, that, notwithstanding any other provision of this Agreement to the contrary, it is understood and agreed that if such party accepts an assignment of Developer's interest under this Agreement, such party has no liability under this Agreement for any Event of Default of Developer which accrued prior to the time such party succeeded to the interest of Developer under this Agreement, in which case Developer shall be solely responsible. However, if such mortgagee under a Permitted Mortgage or an Existing Mortgage does not expressly accept an assignment of Developer's interest hereunder, such party shall be entitled to no rights and benefits under this Agreement, and such

party shall be bound only by those provisions of this Agreement, if any, which are covenants expressly running with the land.

No delay or omission on the part of a party in exercising any right shall operate as a waiver of such right or any other right unless pursuant to the specific terms hereof. OPINION OF DEVELOPER'S COUNSEL

[To be retyped on Developer's Counsel's letterhead]

[Subject to revision following review of form of opinion provided by Developer's counsel]

____, ____

City of Chicago
121 North LaSalle Street
Chicago, IL 60602

ATTENTION: Corporation Counsel

Ladies and Gentlemen:

We have acted as counsel to The Community Builders, Inc., a Massachusetts not-for-profit corporation ("TCB") and Quad Communities Arts Recreation and Health Center LLC, an Illinois limited liability company ("Quad LLC" and together with TCB, collectively the "Developer"), in connection with the purchase of certain land and the construction of certain facilities thereon located in the Bronzeville Redevelopment Project Area (the "Project"). In that capacity, we have examined, among other things, the following agreements, instruments and documents of even date herewith, hereinafter referred to as the "Documents":

(a) Quad Communities Redevelopment Agreement (the "Agreement") of even date herewith, executed by Developer and the City of Chicago (the "City");

(b) [insert other documents including but not limited to documents related to purchase and financing of the Property and all lender financing related to the Project]; and

(c) all other agreements, instruments and documents executed in connection with the foregoing.

In addition to the foregoing, we have examined

(a) the original or certified, conformed or photostatic copies of Developer's (i) Articles of Incorporation, as amended to date, (ii) qualifications to do business and certificates of good standing in all states in which Developer is qualified to do business, (iii) By-Laws, as amended to date, and (iv) records of all corporate proceedings relating to the Project [revise if Developer is not a corporation]; and

(b) such other documents, records and legal matters as we have deemed necessary or relevant for purposes of issuing the opinions hereinafter expressed.

In all such examinations, we have assumed the genuineness of all signatures (other than those of Developer), the authenticity of documents submitted to us as originals and

conformity to the originals of all documents submitted to us as certified, conformed or photostatic copies.

Based on the foregoing, it is our opinion that:

1. Developer is a corporation duly organized, validly existing and in good standing under the laws of its state of [incorporation] [organization], has full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a foreign [corporation] [entity] under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business.

2. Developer has full right, power and authority to execute and deliver the Documents to which it is a party and to perform its obligations thereunder. Such execution, delivery and performance will not conflict with, or result in a breach of, Developer's [Articles of Incorporation or By-Laws] [describe any formation documents if Developer is not a corporation] or result in a breach or other violation of any of the terms, conditions or provisions of any law or regulation, order, writ, injunction or decree of any court, government or regulatory authority, or, to the best of our knowledge after diligent inquiry, any of the terms, conditions or provisions of any agreement, instrument or document to which Developer is a party or by which Developer or its properties is bound. To the best of our knowledge after diligent inquiry, such execution, delivery and performance will not constitute grounds for acceleration of the maturity of any agreement, indenture, undertaking or other instrument to which Developer is a party or by which it or any of its property may be bound, or result in the creation or imposition of (or the obligation to create or impose) any lien, charge or encumbrance on, or security interest in, any of its property pursuant to the provisions of any of the foregoing, other than liens or security interests in favor of the lender providing Lender Financing (as defined in the Agreement).

3. The execution and delivery of each Document and the performance of the transactions contemplated thereby have been duly authorized and approved by all requisite action on the part of Developer.

4. Each of the Documents to which Developer is a party has been duly executed and delivered by a duly authorized officer of Developer, and each such Document constitutes the legal, valid and binding obligation of Developer, enforceable in accordance with its terms, except as limited by applicable bankruptcy, reorganization, insolvency or similar laws affecting the enforcement of creditors' rights generally.

5. Exhibit A attached hereto (a) identifies each class of capital stock of Developer, (b) sets forth the number of issued and authorized shares of each such class, and (c) identifies the record owners of shares of each class of capital stock of Developer and the number of shares held of record by each such holder. To the best of our knowledge after diligent inquiry, except as set forth on Exhibit A, there are no warrants, options, rights or commitments of purchase, conversion, call or exchange or other rights or restrictions with respect to any of the capital stock of Developer. Each outstanding share of the capital stock of Developer is duly authorized, validly issued, fully paid and nonassessable.

6. To the best of our knowledge after diligent inquiry, no judgments are outstanding against Developer, nor is there now pending or threatened, any litigation, contested claim or governmental proceeding by or against Developer or affecting Developer or its property, or seeking to restrain or enjoin the performance by Developer of the Agreement or the transactions contemplated by the Agreement, or contesting the validity thereof. To the best of our knowledge after diligent inquiry, Developer is not in default with respect to any order, writ, injunction or decree of any court, government or regulatory authority or in default in any respect under any law, order, regulation or demand of any governmental agency or instrumentality, a default under which would have a material adverse effect on Developer or its business.

7. To the best of our knowledge after diligent inquiry, there is no default by Developer or any other party under any material contract, lease, agreement, instrument or commitment to which Developer is a party or by which the company or its properties is bound.

8. To the best of our knowledge after diligent inquiry, all of the assets of Developer are free and clear of mortgages, liens, pledges, security interests and encumbrances except for those specifically set forth in the Documents.

9. The execution, delivery and performance of the Documents by Developer have not and will not require the consent of any person or the giving of notice to, any exemption by, any registration, declaration or filing with or any taking of any other actions in respect of, any person, including without limitation any court, government or regulatory authority.

10. To the best of our knowledge after diligent inquiry, Developer owns or possesses or is licensed or otherwise has the right to use all licenses, permits and other governmental approvals and authorizations, operating authorities, certificates of public convenience, goods carriers permits, authorizations and other rights that are necessary for the operation of its business.

11. A federal or state court sitting in the State of Illinois and applying the choice of law provisions of the State of Illinois would enforce the choice of law contained in the Documents and apply the law of the State of Illinois to the transactions evidenced thereby.

We are attorneys admitted to practice in the State of Illinois and we express no opinion as to any laws other than federal laws of the United States of America and the laws of the State of Illinois.

[Note: include a reference to the laws of the state of incorporation/organization of Developer, if other than Illinois.]

This opinion is issued at Developer's request for the benefit of the City and its counsel, and may not be disclosed to or relied upon by any other person.

Very truly yours,

At the request of the Commissioner of Planning and Development, I transmit herewith ordinances authorizing the sale of city-owned property.

Your favorable consideration of these ordinances will be appreciated.

Very truly yours,

ORDINANCE

WHEREAS, the City of Chicago ("City") is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970, and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the City, through the foreclosure of demolition liens, tax sales and other methods of acquisition, has acquired title to numerous parcels of real property which are of minimal value and costly to clean up and maintain, and because title to such properties was vested in the City, the properties were exempted from real estate taxes, thus depriving the City of revenue; and

WHEREAS, pursuant to an ordinance (the "Original Program Ordinance") adopted by the City Council of the City ("City Council") on March 6, 1981 and published on pages 5584 - 5585 of the Journal of Proceedings of the City Council ("Journal") for such date, the City established a program for the disposition of certain vacant real property owned by the City known as the Adjacent Neighbors Land Acquisition Program; and

WHEREAS, the Original Program Ordinance was amended by ordinances adopted on July 23, 1982 and published in the Journal for such date at pages 11830 - 11833, and on January 7, 1983 and published in the Journal for such date at pages 14803 - 14805 (the Original Program Ordinance and such two amending ordinances, collectively, the "Original ANLAP Ordinances"); and

WHEREAS, pursuant to an ordinance adopted by the City Council on September 14, 1994 and published in the Journal for such date at pages 56195 - 56198, the City Council repealed the Original ANLAP Ordinances, and established a new program, also known as the Adjacent Neighbors Land Acquisition Program, for the disposition of certain vacant real property owned by the City, which ordinance was subsequently amended by ordinances adopted on September 4, 2002 and published in the Journal for such date at pages 92771 - 92773, and on July 28, 2010 and published in the Journal for such date at pages 97370 - 97374 , and on June 25, 2014 and published in the Journal for such date at pages 83533 - 83535 (such new program, as amended, the "ANLAP Program"); and

WHEREAS, pursuant to the ANLAP Program, as codified at Municipal Code Chapter 2-159-010 et seq. (the "ANLAP Program Ordinance"), a qualified City-owned parcel may be sold if it has an appraised value of not more than Fifty Thousand Dollars ($50,000.00); and

WHEREAS, pursuant to the ANLAP Program, if the property appraises at or for less than Ten Thousand Dollars ($10,000.00) the minimum acceptable bid must be at least One Thousand Dollars ($1,000.00); if the property appraises at or for less than Twenty Thousand Dollars ($20,000.00) but more than Ten Thousand Dollars ($10,000.00) the minimum acceptable bid must be at least Two Thousand Dollars ($2,000.00); and if the property appraises for more than Twenty Thousand Dollars ($20,000.00) the minimum acceptable bid must be Two Thousand Dollars ($2,000.00), plus fifty percent (50%) of the appraised value which exceeds Twenty Thousand Dollars ($20,000.00); and

WHEREAS, pursuant to the ANLAP Program, an Adjacent Neighbor means a person

who owns one parcel, or two or more contiguous parcels, or real property that is immediately adjacent to a city-owned parcel and at least one of the parcels is an improved parcel which the person occupies as his primary residence; and

WHEREAS, pursuant to the ANLAP Program, any deed conveying a parcel pursuant thereto shall contain covenants which: (1) prohibit the grantee from conveying, assigning or otherwise transferring the parcel except in conjunction with sale of the adjacent neighbor's parcel on which his primary residence is located and (2) require that the parcel be improved with landscaped open space within six (6) months of the conveyance of such parcel and prohibit the construction of any permanent improvements on the parcel, excluding only improvements made by the grantee on the parcel that constitute an integrated addition to the grantee's primary residence on the adjacent lot, or a garage appurtenant thereto; and (3) require the grantee to maintain the parcel in accordance with the provisions of the Municipal Code of Chicago. The covenants shall terminate ten (10) years after the date of the conveyance of the parcel to the grantee; and

WHEREAS, the Department of Planning and Development ("DPD") of the City desires to convey the vacant parcel of real property identified on Exhibit A to this ordinance (the "ANLAP Parcel") to Quintin L. Cole (the "Purchaser"), who has a principal residence of 4540 South Oakenwald Avenue, Chicago, Illinois 60653; and

WHEREAS, DPD has caused notice of the proposed sale of the ANLAP Parcel to be sent to all eligible adjacent neighbors (if any); and

WHEREAS, Purchaser's proposal was the only proposal received by the deadline indicated in the aforesaid notice; and

WHEREAS, pursuant to Resolution Number 14-074-21 adopted on August 21, 2014, by the Plan Commission of the City of Chicago ("Commission"), the Commission approved the sale of the Property to the Purchaser; now, therefore

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 4. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the other provisions of this ordinance.

3.01 Scope of Services

The Services which the Contractor shall provide include, but are not limited to, those described in this Article 3 and in Exhibit 1 which is attached hereto and incorporated by reference as if fully set forth here. The SSAC reserves the right to require the Contractor to perform revised services that are within the general scope of services of this Agreement and of the Special Services identified in the Establishment Ordinance subject to the same terms and conditions herein. Revised services are limited to changes or revisions to the line items in the Budget, do not affect the maximum compensation and require the prior written approval of the SSAC. The SSAC may, by written notice to the Department and the Contractor, delete or amend the figures contained and described in the Budget attached hereto as Exhibit 1 and incorporated by reference as if fully set forth herein. The Contractor shall provide the Services in accordance with the standards of performance set forth in Section 3.02.

3.02 Standard of Performance

The Contractor shall perform all Services required of it with that degree of skill, care and diligence normally shown by a contractor performing services of a scope, purpose and magnitude comparable with the nature of the Services to be provided hereunder. The Contractor shall at all times use every reasonable effort on behalf of the City to assure timely and satisfactory rendering and completion of its Services.

The Contractor shall at all times act in the best interests of the City consistent with the professional obligations assumed by it in entering into this Agreement. The Contractor shall perform all Services in accordance with the terms and conditions of this Agreement and to the

full satisfaction of the SSAC. The Contractor shall furnish efficient business administration and supervision to render and complete the Services at reasonable cost.

The Contractor shall assure that all Services that require the exercise of professional skills or judgment are accomplished by professionals qualified and competent in the applicable discipline and appropriately licensed, if required by law. The Contractor remains responsible for the professional and technical accuracy of all Services provided, whether by the Contractor or its Subcontractors or others on its behalf.

If the SSAC determines that the Contractor has failed to comply with the foregoing standards, the Contractor shall perform again, at its own expense, all Services required to be reperformed as a direct or indirect result of such failure. Any review, approval, acceptance or payment for any or all of the Services by the City does not relieve the Contractor of its responsibility for the professional and technical accuracy of its Services. This provision in no way limits the City's rights against Contractor, either under this Agreement, at law or in equity.

3.03 Personnel

A. Key Personnel

The Contractor shall, immediately upon receiving a fully executed copy of this Agreement, assign and maintain during the term of this Agreement and any extension thereof an adequate staff of competent personnel, who are fully equipped, licensed as appropriate, available as needed, qualified and assigned to perform the Services. Contractor shall pay the salaries and wages due all its employees performing Services under this Agreement unconditionally and at least once a month without deduction or rebate on any account, except only for such payroll deductions as are mandatory by law or are permitted under applicable law and regulations.

Contractor must comply with, and the procedures Contractor utilizes and the Services Contractor provides under this Agreement must comply with, the Civil Rights Act of 1964, 42 U.S.C. § 2000e et seq. (1981), as amended and the Civil Rights Act of 1991, P.L. 102-166. Attention is called to: Exec. Order No. 11246, 30 Fed. Reg. 12,319 (1965), reprinted in 42 U.S.C. § 2000e note, as amended by Exec. B. **Subcontractors**

Contractor must incorporate all of this Section 3.04 by reference in all agreements entered into with any suppliers of materials, furnisher of services, Subcontractors of any tier, and labor organizations that furnish skilled, unskilled and craft union skilled labor, or that may provide any such materials, labor or services in connection with this Agreement. The Contractor shall comply with the insurance provisions attached hereto as Exhibit 3 and incorporated by reference as if fully set forth herein, or such other insurance provisions as may be required in the reasonable judgment of the Risk Management Division. If the Contractor enters into a subcontract with a Security Firm such Security Firm shall comply with the insurance provisions attached hereto as Exhibit 4 and incorporated by reference as if fully set forth herein, or such other insurance provisions as may be required in the reasonable judgment of the Risk Management Division. If the Contractor subcontracts with a Subcontractor other than a Security Firm, such Subcontractor shall comply with the Contractor insurance provisions attached hereto as Exhibit 3.

The Risk Management Division may waive or reduce any of the insurance requirements set forth herein.

3.06 Indemnification

A. On written notice from the City of Losses the City believes are Losses Arising under this Agreement as defined in this Section 3.06, the Contractor shall defend, indemnify, and hold completely harmless the City Indemnitees from and against such Losses, regardless of whether Contractor challenges the City's belief. The defense, indemnification and hold harmless obligations of the Contractor toward City Indemnitees remain an affirmative obligation of Contractor following the City's notice of Losses the City believes are Losses Arising under this Agreement, unless and until a court of competent jurisdiction finally determines otherwise and all opportunities for appeal have been exhausted or have lapsed.

B. For purposes of this Section 3.06,

"City Indemnitees" means, individually and collectively, the City of Chicago, its officials, agents, employees and SSAC members.

"Losses" means, individually and collectively, all kinds of liabilities, losses, suits, claims, damages, judgments, fines, and demands, including all reasonable costs for investigation,

reasonable attorneys' fees, court costs, and experts' fees, arising by reason of injury or death of any person, damage to property, patent or copyright infringement.

"Arising under this Agreement" means (i) arising out of awarding this Agreement, (ii) arising out of the enforcement of this Agreement, including the enforcement of this indemnification provision; (iii) arising out of or in connection with Contractor's performance or non-performance of this Agreement (including the acts or omission of Contractor, its officers, agents, employees, consultants, subcontractors, licensees, or invitees), any breach by any of them of any warranty made under this Agreement, or any failure by any of them to meet any applicable standard of performance under this Agreement; or (iv) any combination of any of the foregoing.

C. To the extent permissible by law, Contractor waives any limits on Contractor's liability that it would otherwise have by virtue of the Worker's Compensation Act or any other related law or judicial decision (such as *Kotecki v. Cyclops Welding Corporation,* 146 Ill. 2d 155 (1991)). The City, however, does not waive any limitations it may have on its liability under the Worker's Compensation Act or under the Illinois Pension Code.

D. The City has the right, at its option and at its own expense, to participate in the defense of any suit without relieving Contractor of any of its obligations under this indemnity provision. The requirements set forth in this indemnity provision are separate from and not limited by the amount of insurance Contractor is required to obtain under this Agreement or by its bonds pursuant to other provisions in this Agreement. Further, the indemnitees contained in this provision survive the expiration or termination of this Agreement.

3.07 Records and Audits

The Contractor shall deliver or cause to be delivered all documents, data, studies, reports, findings or information to the SSAC promptly in accordance with the time limits prescribed herein and if no time limit is specified, then upon reasonable demand therefore, or upon termination or completion of the Services hereunder.

The Contractor agrees to adopt at its own expense such financial controls, including, without limitation, the employment of a fiscal agent approved by the Commissioner, as determined by the Commissioner in his sole discretion and communicated in writing to the Contractor after the date of execution of this Agreement, to ensure that the Contractor is fulfilling the terms of this Agreement.

The Contractor and any Subcontractors shall furnish the SSAC with semi-annual reports or provide such information as may be requested relative to the performance and cost of the Services. The Contractor shall maintain records showing actual time devoted and costs incurred. The Contractor shall keep books, documents, paper, records and accounts in connection with the Services open to inspection, copying, abstracting, transcription, and an independent audit by City employees or agents or third parties, and shall make these records available to the City and any other interested governmental agency at reasonable times during the performance of its Services.

Contractor must maintain any such records including Deliverables not delivered to the City or demanded by the City for a period that is the longer of (A) 5 years after the final payment made in connection with this Agreement (or, 6 years after the final payment made in connection with this Agreement, with respect to any records that are required to be maintained pursuant to the Contractor's obligations under the regulations implementing the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and the Health Information Technology for Economic and Clinical Health Act (HITECH), which was part of the American Recovery and Reinvestment Act of 2009, specifically 45 C.F.R. § 164.530(j)), or (B) as directed by the Local Records Act (50 ILCS 205) and relevant records retention schedule. Contractor must not dispose of such records following the expiration of the relevant period without notification of and written approval from the City in accordance with Article 10.

In addition to the records to be stored by Contractor, all records that are possessed by Contractor in its service to the City to perform a governmental function are public records of the City pursuant to the Illinois Freedom of Information Act ("FOIA"), unless the records are exempt under the Act. FOIA requires that the City produce records in a very short period of time. If the Contractor receives a request from the City to produce records, the Contractor shall do so within 72 hours of the notice.

THE CONTRACTOR SHALL NOT COMMINGLE SERVICE TAX FUNDS WITH FUNDS FROM OTHER SOURCES, and to the extent that the Contractor conducts any business operations separate and apart from the Services hereunder using, for example, personnel, equipment, supplies or facilities also used in connection with this Agreement, then the Contractor shall maintain and make similarly available to the City detailed records supporting the Contractor's allocation to this Agreement of the costs and expenses attributable to any such shared usages.

The Contractor shall provide an annual audited financial statement (a "Third Party Audit") to the Department and the SSAC within 120 calendar days after the end of the calendar year, and the system of accounting shall be in accordance with generally accepted accounting principles and practices, consistently applied throughout. Contractor must comply with the requirements in Exhibit 8 with respect to any Third Party Audit. If any Third Party Audit shows that Contractor or any of its Subcontractors has overcharged the City in any period, the City will notify Contractor, and Contractor must then promptly reimburse the City for any amounts the City has paid Contractor due to the overcharges. Any failure to comply with the audit requirements set forth in Exhibit 8 of the Agreement shall constitute an event of default under the Agreement. If such event of default is not corrected to the City's satisfaction within the cure period identified by the City, the City may incur costs to conduct any supplementary audit it deems necessary, and Contractor must then promptly reimburse the City for any such costs. No provision in this Agreement granting the City a right of access to records and documents is intended to impair, limit or affect any right of access to such records and documents that the City would have had in the absence of such provisions.

The City may in its sole discretion audit the records of Contractor or its Subcontractors,

or both, at any time during the term of this Agreement or within five years after the Agreement ends, in connection with the goods, work, or services provided under this Agreement. Each calendar year or partial calendar year is considered an "audited period." If, as a result of such an audit, it is determined that Contractor or any of its Subcontractors has overcharged the City in the audited period, the City will notify Contractor. Contractor must then promptly reimburse the City for any amounts the City has paid Contractor due to the overcharges and also some or all of the cost of the audit, as follows:

A. If the audit has revealed overcharges to the City representing less than 5% of the total value, based on the Agreement prices, of the goods, work, or services provided in the audited period, then the Contractor must reimburse the City for 50% of the cost of the audit and 50% of the cost of each subsequent audit that the City conducts;

B. If, however, the audit has revealed overcharges to the City representing 5% or more of the total value, based on the Agreement prices, of the goods, work, or services provided in the audited period, then Contractor must reimburse the City for the full cost of the audit and of each subsequent audit.

If the City is unable to make a determination regarding overcharges to City as a result of Contractor's not having maintained records as required under this Agreement, Contractor must promptly reimburse the City for some or all of the cost of the audit, as determined in the sole discretion of the City. Failure of Contractor to promptly reimburse the City in accordance with this Section 3.07 is an event of default under Section 7.01 of this Agreement, and Contractor will be liable for all of the City's costs of collection, including any court costs and attorneys' fees.

3.08 Subcontracts and Assignments

The Contractor shall not assign, delegate, subcontract or otherwise transfer all or any part of its rights or obligations under this Agreement or any part hereof, unless otherwise provided for herein or without the express written consent of the SSAC. The absence of such provision or written consent shall void the attempted assignment, delegation or transfer and shall be of no effect as to the Services or this Agreement.

All subcontracts, all approvals of Subcontractors and any assignment to which the SSAC consents are, regardless of their form, deemed conditioned upon performance by the Subcontractor or assignee in accordance with the terms and conditions of this Agreement.

If the Contractor subcontracts for security services, the Subcontractor shall be a Security Firm certified by the State of Illinois and the Security Firm's employees shall be licensed by the State of Illinois. The Contractor, upon entering into any subcontract with a Security Firm, shall furnish the SSAC and the Department with a copy of the subcontract for their approval. The City expressly reserves the right to approve all Security Firm subcontracts.

3.09 License, Permits and Safety Considerations

A. Licenses and Permits

If the Contractor engages in Construction, it is responsible for and, in a timely manner consistent with its obligations hereunder, shall secure and maintain at its expense such permits, licenses, authorizations and approvals as are necessary for it to engage Construction under this Agreement

B. Safety Considerations

If the Contractor engages in Construction, it shall at all times exercise reasonable care, shall comply with all applicable provisions of federal, state and local laws to prevent accidents or injuries, and shall take all appropriate precautions to avoid damage to and loss of City property and the property of third parties in connection with the Construction. The Contractor shall erect and properly maintain at all times all necessary safeguards, barriers, flags and lights for the protection of its and its Subcontractors' employees, City employees and the public.

If the Contractor engages in Construction, it shall report to the Department any damage on, about, under or adjacent to City property or the property of third persons resulting from its performance under this Agreement. The Contractor is responsible for any damage to City property and the property of third parties due, in whole or in part, to the Contractor's Construction activities under this Agreement, and the Contractor shall repair such damage to a reasonably acceptable standard.

3.10 Performance Bond

If the Contractor engages in Construction work where expenditures exceed $100,000, it shall, not later than the date the Contractor begins such work or executes a subcontract for such work, provide or cause to be provided to the Department a performance and payment bond in the amount allocated for the Construction work (but not including the amount allocated for design and preparation of specifications), by a surety or sureties acceptable to the City. The performance bond shall be in the form and to the effect of Exhibit 6 hereto, which is incorporated by reference as if fully set forth here.

If any of the sureties on such bond at any time fail financially, or are deemed to be insufficient security for the penalty of the bond, then the City may, on giving 10 days notice thereof in writing, require the Contractor to furnish a new and additional bond with sureties satisfactory to the City, and, if so required, Contractor must promptly provide such bond.

ARTICLE 4 TERM OF SERVICES

This Agreement shall take effect as of January 1, 2015 ("Effective Date") and shall continue through December 31, 2015, or until the Agreement is terminated earlier in accordance with its terms.

The maximum compensation that the Contractor may be paid under this Agreement between January 1, 2015 and December 31, 2015 is the sum of (a) $381,918 or the total amount of Service Tax Funds actually collected, plus interest earned on those funds, for tax year 2014, whichever is less; (b) Surplus TIF Funds in an amount not to exceed $514,408; and (c) Late Collections in an amount not to exceed $17,614; the maximum compensation that the Contractor may be paid under this Agreement between January 1, 2015 and December 31, 2015, therefore, shall not exceed $913,940.

5.02 Budget for Services

The Contractor in conjunction with the SSAC has prepared a Budget through December 31, 2015, attached hereto as Exhibit 1 and incorporated by reference as if fully set forth here, covering all services described in the Scope of Services. Subject to the restriction that the maximum amount that may be spent in calendar year 2015 may not exceed $913,940, the SSAC reserves the right to transfer funds between line items or make Budget revisions that do not affect the maximum compensation set forth in Section 5.01. The SSAC shall revise the Budget if any part of the Contractor's Services is terminated.

5.03 Method of Payment

Pursuant to a schedule to be determined by the Commissioner, after the performance of Services pursuant to the terms of this Agreement, Contractor may submit invoices to the City to request reimbursement for such expenses. The Contractor must provide, along with the invoices, such additional documentation as the Commissioner requests to substantiate the Services. Upon the Commissioner's determination that the invoices are accurate, the City will process payment of the invoices.

The Contractor shall establish a separate checking account ("Account") in a bank authorized to do business in the State of Illinois that is insured by the Federal Deposit Insurance Corporation. All Service Tax Funds that the Comptroller transfers to the Contractor shall be deposited in the Account and disbursements from the Account shall be pursuant to this Agreement. THE CONTRACTOR IS RESPONSIBLE FOR RECONCILING THE ACCOUNT MONTHLY AND ACCOUNTING FOR ALL SERVICE TAX FUNDS. THE CONTRACTOR MUST REQUIRE ITS AUDITOR TO REPORT ON THE ACTIVITIES THAT ARE SUPPORTED BY THESE FUNDS IN A SEPARATE AUDIT TO ACCOUNT FOR CURRENT AND PRIOR YEARS' SERVICE TAX FUNDS.

The Contractor shall provide to the SSAC the signature card and sample check from the bank which shows the signature(s) of the Contractor's authorized representative(s). The SSAC

reserves the right to audit the account and require the Contractor to refund any funds that were not spent pursuant to the Budget or that were not approved by the SSAC. The name and address of the bank is _____ and the wire transfer and the Account numbers are _____.

All funds remaining in the Account at the expiration or early termination of this Agreement, including any interest earned, belong to the City for the benefit of the Area and shall be returned to the City to be used only for Special Services.

5.04 Criteria for Payment

The SSAC shall determine the reasonableness, allocability and allowability of any rates, costs and expenses charged or incurred by the Contractor.

5.05 Funding

Payments under this Agreement shall be made from Service Tax Funds in fund number _____ and are subject to the availability of funds therein.

5.06 Non-Appropriation

In the event that no funds or insufficient funds are appropriated and budgeted in any City fiscal period for payments to be made under this Agreement, then the City will notify the Contractor of such occurrence and this Agreement shall terminate on the earlier of the last day of the fiscal period for which sufficient appropriation was made or whenever the funds appropriated for payment under this Agreement are exhausted. No payments shall be made or due to the Contractor under this Agreement beyond those amounts appropriated and budgeted by the City to fund payments hereunder.

ARTICLE 6 SPECIAL CONDITIONS

6.01 Warranties and Representations

In connection with the execution of this Agreement, the Contractor warrants and represents:

A. That it is financially solvent; that it and each of its employees, agents, and Subcontractors are competent to perform the Services required; that it is legally authorized to execute and perform or cause to be performed this Agreement under the terms and conditions stated herein.

F. That, except only for those representations, statements or promises expressly contained in this Agreement and any exhibits attached hereto, no representation, statement or promise, oral or written, or of any kind whatsoever, by the City, its officials, agents or employees, has induced the Contractor to enter into this Agreement.

G. That the Contractor understands and agrees that any certification, affidavit or acknowledgment made under oath in connection with this Agreement is made under penalty of perjury and, if false, is also cause for termination for default.

"Affiliate of Contractor" means a person or entity that directly (or indirectly through one or more intermediaries) controls, is controlled by or is under common control with Contractor. A person or entity will be deemed to be controlled by another person or entity if it is controlled in any manner whatsoever that results in control in fact by that other person or entity (either acting individually or acting jointly or in concert with others) whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

I. Contractor will abide by any policies promulgated by the Department or other City departments.

J. controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be a default for which no cure is available and grounds for termination of this Agreement.

6.02 Economic Disclosure Statement and Affidavit

The Contractor has provided the City with an Economic Disclosure Statement (EDS) and Affidavit, "Familial Relationships with Elected City Officials and Department Heads," which is attached hereto as Exhibit 2 and incorporated by reference as if fully set forth herein. Contractor shall apprise the Department promptly of any changes in the information provided in the EDS by completing and submitting a revised EDS.

In addition, the Contractor shall provide the City with copies of its latest articles of incorporation, by-laws and resolutions, or partnership or joint venture agreement, as applicable, and evidence of its authority to do business in the State of Illinois, including without limitation, registrations of assumed names or limited partnerships and certifications of good standing with the Office of the Secretary of State of Illinois.

6.03 Conflict of Interest

Pursuant to Chapter 2-156 of the Municipal Code of Chicago, and 65 ILCS 5/3.1-55-10, no member of the governing body of the City or other unit of government, no other officer, employee, SSAC member, or agent of the City or other unit of government who exercises any functions or responsibilities in connection with the Services to which this Agreement or any related subcontract pertain, and no relative of any SSAC member shall have any personal economic or financial interest, directly or indirectly, in this Agreement or any such subcontract except to the extent that such benefits are provided equally to all residents and/or business owners in the Area. Furthermore, no SSAC member, relative of any SSAC member, City official, agent or employee shall be a Subcontractor or have any financial interest in any Subcontractor, employee or shareholder of the Contractor or receive anything of value from the Contractor.

No member of or delegate to the Congress of the United States or the Illinois General Assembly and no alderman of the City or City employee shall be admitted to any share or part of this Agreement or to any financial benefit to arise from it. The Contractor acknowledges that any agreement entered into, negotiated or performed in violation of any of the provisions of Chapter 2-156 shall be voidable by the City.

The Contractor covenants that it, its officers, directors and employees, and the officers, directors and employees of each of its members if a joint venture, and Subcontractors presently have no financial interest and shall acquire no interest, direct or indirect, in the Services undertaken by the Contractor pursuant to the Agreement that would conflict in any manner or degree with the performance of the Services. The Contractor further covenants that in the

performance of this Agreement no person having any such interest shall be employed. The Contractor agrees that if the Commissioner in his reasonable judgment determines that any of the Contractor's services for others conflict with the Services the Contractor is to provide for the City under this Agreement, the Contractor shall terminate such other services immediately upon request of the City.

6.04 Non-liability of Public Officials

No official, employee or agent of the City shall be charged personally by the Contractor, or by any assignee or Subcontractor of the Contractor, with any liability or expenses of defense or be held personally liable to them under any term or provision hereof, because of the City's execution or attempted execution hereof, or because of any breach hereof.

6.05 Independent Contractor

(a) The Contractor shall perform under this Agreement as an independent contractor to the City and not as a representative, employee, agent or partner of the City.

Democratic Organization of Cook County, Case No 69 C 2145 (United State District Court for the Northern District of Illinois). Among other things, the City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Contractor is aware that City policy prohibits City employees from directing any individual to apply for a position with Contractor, either as an employee or as a subcontractor, and from directing Contractor to hire an individual as an employee or as a subcontractor. Accordingly, Contractor must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Contractor under this Agreement are employees or subcontractors of Contractor, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Contractor.

(iii) Contractor will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected

public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to Contractor by a City employee or City official in violation of Section (ii) above, or advocating a violation of Section (iii) above, Contractor will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General, and also to the head of the relevant City Department utilizing services provided under this Agreement. Contractor will also cooperate with any inquiries by OIG Hiring Oversight related to the contract.

(c) The parties agree that this Contract is solely for the benefit of the parties and nothing herein is intended to create any third party beneficiary rights for subcontractors or other third parties.

6.06 Business Relationships with Elected Officials.

Pursuant to MCC Sect. 2-156-030(b), it is illegal for any elected official, or any person acting at the direction of such official, to contact either orally or in writing any other City official or employee with respect to any matter involving any person with whom the elected official has any business relationship that creates a financial interest on the part of the official, or the domestic partner or spouse of the official, or from whom or which he has derived any income or compensation during the preceding twelve months or from whom or which he reasonably expects to derive any income or compensation in the following twelve months. In addition, no elected official may participate in any discussion in any City Council committee hearing or in any City Council meeting or vote on any matter involving the person with whom the elected official has any business relationship that creates a financial interest on the part of the official, or the domestic partner or spouse of the official, or from whom or which he has derived any income or compensation during the preceding twelve months or from whom or which he reasonably expects to derive any income or compensation in the following twelve months.

Violation of MCC Sect. 2-156-030 by any elected official with respect to this contract will be grounds for termination of this contract. The term financial interest is defined as set forth in MCC Chapter 2-156.

6.07 Chicago "Living Wage" Ordinance

(a) Section 2-92-610 of the Municipal Code of Chicago provides for a living wage for certain categories of workers employed in the performance of City contracts, specifically non-City employed security guards, parking attendants, day laborers, home and health care workers, cashiers, elevator operators, custodial workers and clerical workers ("**Covered Employees**"). Accordingly, pursuant to Section 2-92-610 and regulations promulgated under it:

(i) If Contractor has 25 or more full-time employees, and

(ii) If at any time during the performance of this Agreement, Contractor and/or any Subcontractor or any other entity that provides any portion of the Services (collectively "**Performing Parties**") uses 25 or more full-time security guards, or any number of other full-time Covered Employees, then

(iii) Contractor must pay its Covered Employees, and must assure that all other Performing Parties pay their Covered Employees, not less than the minimum hourly rate as determined in accordance with this provision (the "**Base Wage**") for all Services performed under this Agreement.

(b) Contractor's obligation to pay, and to assure payment of, the Base Wage will begin at any time during the term of this Agreement when the conditions set forth in (a)(i) and (a)(ii) above are met, and will continue until the end of the term of this Agreement.

(c) As of July 1, 2014, the Base Wage is $11.93 per hour, and each July 1 thereafter, the Base Wage will be adjusted, using the most recent federal poverty guidelines for a family of four as published annually by the U.S. Department of Health and Human Services, to constitute the following: the poverty guidelines for a family of four divided by 2000 hours or the current base wage, whichever is higher. At all times during the term of this Agreement, Contractor and all other Performing Parties must pay the Base Wage (as adjusted in accordance with the above). If the payment of prevailing wages is required for Services done under this Agreement, and the prevailing wages for Covered Employees are higher than the Base Wage, then Contractor and all other Performing Parties must pay the prevailing wage rates.

(d) Contractor must include provisions in all subcontracts requiring its Subcontractors to pay the Base Wage to Covered Employees. Contractor agrees to provide the City with documentation acceptable to the Chief Procurement Officer demonstrating that all Covered Employees, whether employed by Contractor or by a Subcontractor, have been paid the Base Wage, upon the City's request for such documentation. The City may independently audit Contractor and/or Subcontractors to verify compliance with this section. Failure to comply with the requirements of this section will be an event of default under this Agreement, and further, failure to comply may result in ineligibility for any award of a City contract or subcontract for up to 3 years.

(e) Not-for-Profit Corporations: If Contractor is a corporation having federal tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and is recognized under Illinois not-for-profit law, then the provisions of Sections (a) through (d) above do not apply.

6.08 Deemed Inclusion

Provisions required by law, ordinances, rules, regulations or executive orders to be inserted in this Agreement are deemed inserted in this Agreement whether or not they appear in this Agreement or, upon application by either party, this Agreement will be amended to make the insertion; however, in no event will the failure to insert the provisions before or after this Agreement is signed prevent its enforcement.

6.09 Environmental Warranties and Representations

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Contractor warrants and represents that it, and to the best of its knowledge, its subcontractors have not violated and are not in violation of the following sections of the Code (collectively, the Waste Sections):

7-28-390 Dumping on public way;
7-28-440 Dumping on real estate without permit;
11-4-1410 Disposal in waters prohibited;
11-4-1420 Ballast tank, bilge tank or other discharge;
11-4-1450 Gas manufacturing residue;
11-4-1500 Treatment and disposal of solid or liquid waste;
11-4-1530 Compliance with rules and regulations required;
11-4-1550 Operational requirements; and
11-4-1560 Screening requirements.

During the period while this Agreement is executory, Contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Commissioner. Such breach and default entitles the City to all remedies under the Agreement, at law or in equity.

This section does not limit Contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement.

Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect Contractor's eligibility for future contract awards.

6.10 EDS / Certification Regarding Suspension and Debarment

Contractor certifies, as further evidenced in the EDS attached as Exhibit 2, by its acceptance of this Agreement that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this

transaction by any federal department or agency. Contractor further agrees by executing this Agreement that it will include this clause without modification in all lower tier transactions, solicitations, proposals, contracts and subcontracts. If Contractor or any lower tier participant is unable to certify to this statement, it must attach an explanation to the Agreement.

6.11 Ethics

(a) In addition to other warranties and representations, Contractor warrants:

(i) no officer, agent or employee of the City is employed by Contractor or has a financial interest directly or indirectly in this Agreement or the compensation to be paid under this Agreement except as may be permitted in writing by the Board of Ethics established under Chapter 2-156 of the Municipal Code .

(ii) no payment, gratuity or offer of employment will be made in connection with this Agreement by or on behalf of any Subcontractors to Contractor or higher tier Subcontractors or anyone associated with them, as an inducement for the award of a subcontract or order.

(b) Contractor must comply with Chapter 2-156 of the Municipal Code. Contractor acknowledges that any Agreement entered into, negotiated or performed in violation of any of the provisions of Chapter 2-156, including any contract entered into with any person who has retained or employed a non-registered lobbyist in violation of Section 2-156-305 of the Municipal Code is voidable as to the City.

6.12 MacBride Ordinance

The City of Chicago through the passage of the MacBride Principles Ordinance seeks to promote fair and equal employment opportunities and labor practices for religious minorities in Northern Ireland and provide a better working environment for all citizens in Northern Ireland.

In accordance with Section 2-92-580 of the Municipal Code of the City of Chicago, if Contractor conducts any business operations in Northern Ireland, the Contractor must make all reasonable and good faith efforts to conduct any business operations in Northern Ireland in accordance with the MacBride Principles for Northern Ireland as defined in Illinois Public Act 85-1390 (1988 Ill. Laws 3220).

The provisions of this Section 6.12 do not apply to contracts for which the City receives funds administered by the United States Department of Transportation, except to the extent Congress has directed that the Department of Transportation not withhold funds from states and localities that choose to implement selective purchasing policies based on agreement to comply with the MacBride Principles for Northern Ireland, or to the extent that such funds are not otherwise withheld by the Department of Transportation.

6.13 Duty to Report Corrupt or Unlawful Activity

Pursuant to §2-156-018 of the Municipal Code, it is the duty of the Contractor to report to the Inspector General, directly and without undue delay, any and all information concerning conduct which it knows to involve corrupt activity. "Corrupt Activity" means any conduct set forth in Subparagraph (a)(1), (2) or (3) of §1-23-020 of the Municipal Code. Knowing failure to make such a report will be an event of default under this Agreement. Reports may be made to the Inspector General's toll free hotline, 866-IG-TIPLINE (866-448-4754).

ARTICLE 7 EVENTS OF DEFAULT, REMEDIES, TERMINATION, RIGHT TO OFFSET, SUSPENSION

7.01 Events of Default Defined

The following constitute events of default:

A. Any material misrepresentation, whether negligent or willful and whether in the inducement or in the performance, made by Contractor to the City.

B. Contractor's material failure to perform any of its obligations under the Agreement including, but not limited to, the following:

(1) failure to commence or ensure timely completion of the Services due to a reason or circumstance within Contractor's reasonable control;

(2) failure to perform the Services in a manner satisfactory to the City;

(3) failure to promptly re-perform within a reasonable time Services that were rejected as erroneous or unsatisfactory;

(4) discontinuance of the Services for reasons within the Contractor's reasonable control;

(5) failure to comply with a material term of this Agreement, including but not limited to the provisions concerning insurance and nondiscrimination; and

(6) any other acts specifically and expressly stated in this Agreement as constituting an event of default.

C. The Contractor's default under any other agreement it may presently have or may enter into with the City during the life of this Agreement. The Contractor acknowledges and agrees that in the event of a default under this Agreement the City may also declare a default under any such other agreements.

7.02 Remedies

The occurrence of any event of default which the Contractor fails to cure within 14 calendar days after receipt of notice specifying such default or which, if such event of default cannot reasonably be cured within 14 calendar days after notice, the Contractor fails, in the sole opinion of the Commissioner, to commence and continue diligent efforts to cure, permits the City to declare the Contractor in default. Whether to declare the Contractor in default is within the sole discretion of the Commissioner. Written notification of the default, and any intention of the City to terminate the Agreement, shall be provided to Contractor and such decision is final and effective upon Contractor's receipt of such notice. Upon receipt of such notice, the Contractor must discontinue any services, unless otherwise directed in the notice, and deliver all materials accumulated in the performance of this Agreement, whether completed or in the process of completion, to the City. At such time the City may invoke any legal or equitable remedy available to it including, but not limited to, the following:

A. The right to take over and complete the Services or any part thereof as agent for and at the cost of the Contractor, either directly or through others. The Contractor shall have, in such event, the right to offset from such cost the amount it would have cost the City under the terms and conditions herein had the Contractor completed the Services.

B. The right to terminate this Agreement as to any or all of the Services yet to be performed, effective at a time specified by the City.

C. The right of specific performance, an injunction or any other appropriate equitable remedy.

D. The right to money damages.

E. The right to withhold all or any part of Contractor's compensation hereunder.

F. The right to deem Contractor non-responsible in future contracts to be awarded by the City.

If the City considers it to be in its best interest, it may elect not to declare default or to terminate this Agreement. The parties acknowledge that this provision is solely for the benefit of the City and that if the City permits the Contractor to continue to provide the Services despite one or more events of default, the Contractor is in no way relieved of any of its responsibilities, duties or obligations under this Agreement nor does the City waive or relinquish any of its rights. No delay or omission to exercise any right accruing upon any event of default impairs any such right nor shall it be construed as a waiver of any event of default or acquiescence therein, and every such right may be exercised from time to time and as often as may be deemed expedient.

7.03 Right to Offset

The City reserves its rights under § 2-92-380 of the Municipal Code of Chicago and the Commissioner shall consult with the SSAC before exercising such rights.

7.04 Suspension

The City may at any time request that the Contractor suspend its Services, or any part thereof, by giving 15 days prior written notice to the Contractor or upon no notice in the event of emergency. No costs incurred after the effective date of such suspension shall be allowed. The Contractor shall promptly resume its performance upon written notice by the Department. The Budget may be revised pursuant to Section 5.02 to account for any additional costs or expenses actually incurred by the Contractor as a result of recommencing the Services.

7.05 No Damages for Delay

The Contractor agrees that it, its members, if a partnership or joint venture and its Subcontractors shall make no claims against the City for damages, charges, additional costs or hourly fees for costs incurred by reason of delays or hindrances by the City in the performance of its obligations under this Agreement.

7.06 Early Termination

In addition to termination for default, the City may, at any time, elect to terminate this Agreement or any portion of the Services to be performed under it at the sole discretion of the Commissioner by a written notice to the Contractor. If the City elects to terminate the Agreement in full, all Services shall cease and all materials accumulated in performing this Agreement, whether completed or in the process of completion, shall be delivered to the Department within 10 days after receipt of the notice or by the date stated in the notice.

During the final ten days or other time period stated in the notice, the Contractor shall restrict its activities, and those of its Subcontractors, to winding down any reports, analyses, or other activities previously begun. No costs incurred after the effective date of the termination are allowed. Payment for any Services actually and satisfactorily performed before the effective date of the termination shall be on the same basis as set forth in Article 5 hereof, but if any compensation is described or provided for on the basis of a period longer than ten days, then the compensation shall be prorated accordingly.

If a court of competent jurisdiction determines that the City's election to terminate this Agreement for default has been wrongful, then such termination shall be deemed to be an early termination.

8.10 Miscellaneous Provisions

Whenever under this Agreement the City by a proper authority waives the Contractor's

performance in any respect or waives a requirement or condition to the Contractor's performance, the waiver, whether express or implied, applies only to that particular instance and is not a waiver forever or for subsequent instances of the performance, requirement or condition. COOK COUNTY

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day and Veterans Day in some classifications/counties. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration. If in doubt, please check with IDOL.

TRUCK DRIVERS (WEST) - That part of the county West of Barrington Road.

ASBESTOS - MECHANICAL - removal of asbestos material from mechanical systems, such as pipes, ducts, and boilers, where the mechanical systems are to remain.

RIDER TO CONTRACTOR'S PERFORMANCE AND PAYMENT BOND

This Rider supplements Contractor's Performance and Payment Bond ("Bond") on that certain contract with the City of Chicago ("City") bearing Contract No._____ and Specification No._____ ("Contract"). Surety acknowledges that the Contract requires Contractor to obtain from each of its subcontractors consent to a collateral assignment of their contracts with Contractor to the City. The Contract further grants the City the right, upon Contractor's default for failure to comply with Chapter 4-36 of the Municipal Code of the City, and at the City's sole option, to take over and complete the work to be performed by Contractor through the City's assumption of some or all of Contractor's subcontracts. If the City, in its sole discretion, exercises this right, then Surety waives any rights it may have to cure Contractor's default by performing the work itself or through others and remains bound by its other obligations under the Bond.

Special Service Area - Additional Audit Requirements

Accounting System

The Department requires that the Contractor maintain its accounting system in a manner which allows the Contractor's expenditures to be categorized in its statement of activities according to the categories listed in the budget approved by the City for each Area.

Guidance for the Contractor's Selection of a CPA Firm (Independent Auditor)

The Contractor must use the following guidelines for engaging a qualified CPA Firm:

1. Issue a Request for Proposal ("RFP") that sets forth all of the terms and conditions of the engagement, evaluation criteria, and scope of the work required. Audit firm evaluations can replace an annual RFP process; an RFP process every three years is preferred.
2. Distribute and publicize the RFP sufficiently to ensure full and open competition.
3. Request in the RFP that bidders provide detail on:
    a. How the CPA Firm will conduct the audit.
    b. Qualifications of the CPA Firm, management, and staff, including experience in auditing like entities.
    c. Policies on notification of changes in key personnel.
    d. Whether the proposed staff has received continuing professional education that is relevant to the performance of this engagement during the previous 2 years,
    e. Whether the CPA Firm has received a positive peer review within the last 3 years.
    f. Whether the CPA Firm is independent, as defined by applicable auditing standards.
    g. Whether the CPA Firm has been the object of any disciplinary action during the past 3 years.
    h. Confirmation the CPA Firm and key personnel assigned to this engagement maintains an active license in the State of Illinois and attached a copy of a current license with the RFP response or annually.
    i. Confirmation the CPA Firm is not on the City's debarred vendor list.
    j. The audit fee.

4. Evaluate the proposals based on:
    a. The CPA Firm's understanding of the audit requirements, including the needs of the Area and the final products to be delivered.
    b. Soundness of technical approach to the audit, including the meeting of the Contractor's specific deadlines and other requirements.
    c. Qualifications of the CPA Firm.
    d. Qualifications of the audit team.
    e. The information provided by respondents in response to the RFP, including cost

and independence.

5. Rate the proposals as follows:
   a. Proposals should be evaluated as submitted.
   b. Make a list of strengths and weaknesses for each to support its technical rating.
   c. Review the proposed fees offered by the bidders after completion of the technical evaluation.
   d. Ask questions of the bidders to eliminate any ambiguities.
   e. Select a proposal that is most advantageous to the Area based on the evaluation criteria set forth in the RFP.

6. Once a CPA Firm is chosen based upon the foregoing criteria, require a written engagement letter to avoid misunderstandings that specifies:
   a. Audit scope, objectives, and purposes.
   b. Deadlines for the work to be performed.
   c. Audit fees.
   d. Report format, including providing a PDF digital version of the final audit.
   e. Type and timing of support to be provided to the CPA Firm by the Special Service Area Commission ("SSAC").
   f. Professional auditing standards to be followed in performing the audit.
   g. Independence of the CPA Firm to the SSAC.
   h. Terms of making changes to the scope of the agreement.
   i. CPA Firm's ownership of the work papers, retention period, and requirement for availability to the City upon request.

Summary Schedule of Findings.

In order to properly conduct the certified audit of the books and records of the Contractor, it is necessary for the CPA Firm to read and understand the requirements contained in the Agreement. Particular attention should be given to Sections 3 and 5 of the Agreement.

The CPA Firm must test the Contractor's compliance with the requirements contained in the Agreement. Should the CPA Firm find exception to the requirements of the Agreement, it must disclose all exceptions in a separate schedule, which shall be entitled "Summary Schedule of Findings". Each finding shall be listed separately. The schedule shall be incorporated with the other required financial statements.

If the CPA Firm finds no exceptions to the Agreement requirements, it shall still include a "Summary Schedule of Findings". On that schedule the CPA Firm shall make an affirmative statement indicating it has read the Agreement and, after conducting the audit, has determined that no exceptions were noted.

Subsections to note in Section 5 include:
   a. *Section 5.01, Basis of Payment*, describes "carry over" as the amount of Service

Tax Funds collected for prior tax years which remain previously unspent.

b. *Section 5.02, Budget for Services*, restricts the maximum amount that may be spent in a calendar year to the amount stated in the Agreement.

c. *Section 5.03, Method of Payment*, states that the Contractor shall establish a separate checking account and that Area funds shall not be commingled with other sources.

Audit of Financial Statements

As discussed in Section 3.07, "Records and Audits", the Contractor shall provide an annual audited financial statement to the Department and SSAC within 120 calendar days after the end of the calendar year and the system of accounting shall be in accordance with generally accepted accounting principles and practices, consistently applied throughout.

Audit Documents

The City requires an audit conducted in accordance with generally accepted accounting principles to include the following documents:

1. Statement of Financial Position.
2. Statement of Activities: Budget and Actual (period being audited compared to the previous year, e.g. columns should be 2015 Budget, 2015 Actual, Variance, 2014 Budget, 2014 Actual, Variance).
3. Statement of Cash Flows.
4. Notes to the Financial Statements.
5. Summary Schedule of Findings that also includes the management response to any audit findings and any subsequent CPA Firm and/or City's and/or management responses until the CPA Firm and/or the City consider the findings sufficiently remedied.

Expense descriptions included in the Statement of Activities must correspond to the expense descriptions in the budget submitted to the City.

CPA Firm License

The CPA Firm shall attach as an exhibit to the audit the firm's active license and key personnel to this engagement in the State of Illinois.

Audit Presentations

The CPA Firm shall attend at least one (1) SSAC meeting and be available for other meetings as requested by the City to present the draft and/or final audit and respond to questions.

Debarment

Upon issuance of the final audit, the CPA Firm shall confirm it is not on the City's debarred vendor list.

CITY OF CHICAGO

MULTI- PROJECT LABOR AGREEMENT

This Model Multi-Project Labor Agreement ("Agreement") is entered into by and between City of Chicago, an Illinois municipal corporation, as Owner, on behalf of itself and each of its contractors, subcontractors of whatsoever tier performing construction work on any project to which this Agreement shall be applicable, and each of the undersigned labor organizations signatory hereto.

Whereas, Owner is responsible for construction, demolition, rehabilitation, maintenance, and/or renovation of real property located in Chicago, Illinois; Due to the size, scope, cost and duration of the multitude of Projects traditionally performed by the City of Chicago, the parties to this Agreement have determined that it is in their interest to have these Projects completed in the most timely, productive, economical and orderly manner possible, and without labor disruptions of any kind that might interfere with, or delay, any of these Projects;

Whereas, the parties have determined that it is desirable to eliminate the potential for friction and disruption of these Projects by using their best efforts and ensuring that all work is performed by the trade unions that are signatory hereto and which have traditionally performed and have trade and geographic jurisdiction over such work. Experience has proven the value of such cooperation, and that such mutual undertakings should be maintained, and if possible, strengthened, and that the ultimate beneficiaries remain the Owner of the project; and,

Whereas, the Owner acknowledges that it has a serious and ongoing concern regarding labor relations associated with the Projects and through its completion irrespective of the existence of a collective bargaining relationship with any of the signatory labor organizations.

NOW THEREFORE, in order to further these goals and objectives and to maintain the spirit of harmony, labor-management cooperation and stability, the parties agree as follows:

1. During the term of this Agreement, Owner its representatives and agents shall not contract or subcontract, nor permit any other person, firm, company, or entity to contract or subcontract, any construction, demolition, rehabilitation or renovation work for the Project work covered under this Agreement or within the trade jurisdiction of the signatory labor organization, to be performed at the Site of construction or off-site solely for installation at the Site (including all tenant improvements, if applicable), unless such work is performed only by a person, firm or company signatory, or willing to become signatory, to the applicable area-wide collective bargaining agreement(s) with the union(s) or the appropriate trade/craft union(s) or subordinate body or affiliate of the Chicago & Cook County Building & Construction Trades Council ("Council") or the Teamsters' Joint Council No. 25. Copies of all such current collective bargaining agreements constitute Appendix "A" of this Agreement, attached hereto and made an integral part hereof, and as may be modified from time to time during the term of this Agreement. Said provisions of this Agreement shall be included in all Requests for Bids and/or Proposals and shall be explicitly included in all contracts or subcontracts of whatsoever tier by all contractors and subcontractors; provided that the total Project value exceeds $25,000.00. In no event shall contracts be "split" so as to avoid the applicability of this Agreement. In the event a dispute arises with respect to the applicability of this Multi-Project Labor Agreement to a particular project, the parties agree to submit said dispute to final and binding arbitration before a Permanent Umpire who shall be mutually agreed to by the parties.

2. With respect to a contractor or subcontractor who is the successful bidder, but is not signatory to the applicable collective bargaining agreement, the collective bargaining agreement(s) executed by said bidder shall be the relevant area-wide agreement(s) regulating or governing wages, hours and other terms and conditions of employment.

3. During the term of this Agreement, the Owner or any Project contractor and sub-contractor shall engage in no lockout.

4. During the term of this Agreement, no labor organization signatory hereto, or any of its members, officers, stewards, agents, representatives, or employees shall instigate, authorize, support, sanction, maintain, or participate in any strike, walkout, work stoppage, work slowdown, work curtailment, cessation or interruption of production, or in any picketing of any Site covered under this Agreement for any reason whatsoever, including but not limited to the expiration of any of the collective bargaining agreements referred to on Appendix A. In the event of an economic strike or other job action upon the termination of an existing collective bargaining agreement, in no event shall any adverse job action be directed against any covered Project. All provisions of the subsequently negotiated collective bargaining agreement shall be retroactive for all employees working at a Project Site, provided such a provision for retroactivity is contained in the newly negotiated collective bargaining agreement.

5. Each Union signatory hereto agrees that it will use its best efforts to prevent any of the acts forbidden in Paragraph 4, and that in the event any such act takes place or is engaged in by any employee or group of employees, each Union signatory hereto further agrees that it will use its best efforts (including its full disciplinary power under its Constitution and/or By-Laws) to cause an immediate cessation thereof.

6. Any contractor of subcontractor signatory or otherwise bound stipulated or required to abide by and to any provisions of this Agreement shall have the right to discharge or discipline any employee who violates the provisions of this Agreement. Such discharge or discipline by a contractor or subcontractor shall be subject to the Grievance/Arbitration procedure of the applicable collective bargaining agreement only as to the fact of such employee's violation of this Agreement. If such fact is established, the penalty imposed shall not be disturbed. Work at any Site covered under this Agreement shall continue without disruption or hindrance of any kind during any Grievance/Arbitration procedure.

7. The parties expressly authorize a court of competent jurisdiction to order appropriate injunctive relief to restrain any violation of this Agreement, any form of self-help remedy is expressly forbidden. Nothing in the foregoing shall restrict any party to otherwise judicially enforce any provision of its collective bargaining agreement between any labor organization and a contractor with whom it has a collective bargaining relationship.

8. This Agreement shall become effective, and shall be included in all Requests for Proposals and/or Bids, all Purchase Orders, Contracts or other arrangements issued by the City of Chicago for work described in Paragraph 1 above immediately subsequent to the ratification of the Ordinance authorizing this Multi-Project Labor Agreement by the City Council.

9. This Agreement shall expire on December 31, 2016 and shall be automatically extended for an additional five (5) year term unless the parties issue a notice to terminate between sixty (60) and (30) days prior to the initial expiration date.

10. In the event a dispute shall arise between any contractor or subcontractor of the Project and any signatory labor organization and/or fringe benefit fund established under any of the appropriate collective bargaining agreements as to the obligation and/or payment of fringe benefit contributions provided under the collective bargaining agreement, upon proper notice to the contractor(s) or subcontractor(s) by the applicable labor organization or fringe benefit fund and to the contractor or subcontractor, an amount sufficient to satisfy the amount claimed shall be withheld from the contractor's or subcontractor's regularly scheduled periodic payment from the contractor or subcontractor, or their agents until such time as said claim is resolved.

11. In the event of a jurisdictional dispute by and between any labor organizations signatory hereto, such labor organizations shall take all steps necessary to promptly resolve the dispute. In the event of a dispute relating to trade or work jurisdiction, all parties, including the employers, contractors or subcontractors, agree that a final and binding resolution of the dispute shall be resolved as follows:

a.) Representatives of the affected trades shall meet on the job site within forty-eight (48) hours after receiving notice in an effort to resolve the dispute. (In the event there is a dispute between local unions affiliated with the same International Union, the decision of the General President, or his/her designee, as the internal jurisdictional authority of that International Union, shall consfitute a find and binding decision and determination as to the jurisdiction of work.)

b.) If no settlement is achieved subsequent to the preceding Paragraph, the matter shall be referred to the Chicago & Cook County Building & Construction Trades Council, which shall meet with the affected trades within forty-eight (48) hours subsequent to receiving notice. An agreement reached at this Step shall be final and binding.

c.) If no settlement agreements is reached during the proceedings contemplated by Paragraph "a" or "b" above, the matter shall be immediately referred to the Joint Conference Board, established by the Standard Agreement between the Construction Employers' Association and the Chicago & Cook County Building & Construction Trades Council, which may be amended from time to time, for final and binding resolution of said dispute. Said Standard Agreement is attached hereto as Appendix "B" and specifically incorporated into this Agreement.

12. This Agreement shall be incorporated into and become part of the collective bargaining agreements between the Unions signatory hereto and contractors and subcontractors. In the event of any inconsistency between this Agreement and any collective bargaining agreement, the terms of this Agreement shall supersede and prevail except for all work performed under the NT Articles of Agreement, the National Stack/Chimney Agreement, the National Cooling Tower Agreement, all instrument calibration work and loop checking shall be performed under the terms of the UA/IBEW Joint National Agreement for instrument and Control Systems Technicians, and the National Agreement of the International Union of Elevator Constructors with the exception of the content and subject matter of Articles V, VI and VII of the AFL-CIO's Building & Construction Trades Department model Project Labor Agreement.

13. The parties agree that in the implementation and administration of this Agreement, it is vitally necessary to maintain effective and immediate communication so as to minimize the potential of labor relations disputes arising out of this Agreement. To that end, each party hereto agrees to designate, in writing, a representative to whom problems can be

directed which may arise during the term of this Agreement. Within forty-eight (48) hours after notice of the existence of any problem, representatives of each party shall meet to discuss and, where possible, resolve such problems. The representative of the signatory unions shall be Thomas Villanova, or his designee, President of the Chicago & Cook County Building & Construction Trades Council. The representative of Owner shall be the Corporation Counsel or his/her designee.

14. If any provision, section, subsection or other portion of this Agreement shall be determined by any court of competent jurisdiction to be invalid, illegal, or unenforceable in whole or in part, and such determination shall become final, such provision or portion shall be deemed to be severed or limited, but only to the extent required to render the remaining provisions and portions of this Agreement enforceable. This Agreement, as thus amended, shall be enforced so as to give effect to the intention of the parties insofar as that is possible. In addition, the parties hereby expressly empower a court of competent jurisdiction to modify any term or provision of this Agreement to the extent necessary to comply with existing law and to enforce this Agreement as modified.

15. Owner and General Contractor, on behalf of themselves and their contractors and subcontractors agree that the applicable substance abuse policy (i.e., drug, alcohol, etc.) applicable to the employees working on any covered Project shall be that as contained, or otherwise provided for, in the area-wide collective bargaining agreements attached at Appendix "A" to this Agreement. Nothing in the foregoing shall limit the Owners and/or General Contractor, its contractors or subcontractors from instituting its own substance abuse policy governing other employees performing work on a Project not otherwise covered under this Agreement. In the event there is no substance abuse policy in the applicable collective bargaining agreement, the policy adopted by the Owners and/or General Contractor may apply.

16. The parties recognize a desire to facilitate the entry into the building and construction trades of veterans who are interested in careers in the building and construction industry. The parties agree to utilize the services of the Center for Military Recruitment, Assessment and Veterans Employment (hereinafter referred to as the "Center") and the Center's Helmets to Hardhats" program to service as a resource for preliminary orientation, assessment of construction aptitude, referral to apprenticeship programs or hiring halls, counseling and mentoring, support network, employment opportunities and other needs as identified by the parties. The parties also agree to coordinate with the Center to create and maintain an integrated database of veterans interested in working on this project and of apprenticeship and employment opportunities for these Projects. To the extent permitted by law, the parties will give appropriate credit to such veterans for bona fide, provable past experience, in the building and construction industry.

The parties recognize the importance of facilitating the goals and objectives of the Apprenticeship & Training Initiative agreed to by the parties in separate collective bargaining agreements applicable to employees of the Owner. Additionally, parties agree to incorporate the duties and responsibilities associated with the Supplemental Addendum to the Multi-Project Labor Agreement between the signatory labor organizations and the Chicago Public Schools attached hereto in Appendix "C" and incorporated herein. Towards these ends, the undersigned labor organizations will assist and cooperate with the Owner, the Chicago Public Schools, City Colleges and contractors in monitoring and enforcing the foregoing commitments, including providing relevant information requested by the Owner for the purpose of such monitoring and enforcement, including

the information provided for in Paragraph 3(E) of the Supplemental Addendum with CPS. Upon execution of this Agreement, representatives of the Owner and the Chicago Building Trades Council will immediately meet for the purpose of establishing the specific mechanism by which this information will be gathered, processed and reported.

The parties hereto agree and acknowledge that the commitments set forth herein, including those in the attached Appendix "C" are interdependent. In the event the goals and commitments set forth in Appendix "C" are not realized, the City shall bring this to the attention of the Chicago Building Trades Council ("Council"), and the parties shall immediately meet for the purpose of identifying the cause(s) of said failure and implement necessary measures to remedy the failure. Should the Council's affiliate members refuse to implement measures reasonably necessary to realize these goals and commitments, the City may terminate this Agreement subsequent to January 13, 2013. A. On written notice from the City of Losses the City believes are Losses Arising under this Agreement as defined in this Section 3.06, the Contractor shall defend, indemnify, and hold completely harmless the City Indemnitees from and against such Losses, regardless of whether Contractor challenges the City's belief. The defense, indemnification and hold harmless obligations of the Contractor toward City Indemnitees remain an affirmative obligation of Contractor following the City's notice of Losses the City believes are Losses Arising under this Agreement, unless and until a court of competent jurisdiction finally determines otherwise and all opportunities for appeal have been exhausted or have lapsed.

B. For purposes of this Section 3.06,

"City Indemnitees" means, individually and collectively, the City of Chicago, its officials, agents, employees and SSAC members.

"Losses" means, individually and collectively, all kinds of liabilities, losses, suits, claims, damages, judgments, fines, and demands, including all reasonable costs for investigation,

To the extent permissible by law, Contractor waives any limits on Contractor's liability that it would otherwise have by virtue of the Worker's Compensation Act or any other related law or judicial decision (such as *Kotecki v. Cyclops Welding Corporation,* 146 Ill. 2d 155 (1991)). The City, however, does not waive any limitations it may have on its liability under the Worker's Compensation Act or under the Illinois Pension Code.

D. The City has the right, at its option and at its own expense, to participate in the defense of any suit without relieving Contractor of any of its obligations under this indemnity provision. The requirements set forth in this indemnity provision are separate from and not limited by the amount of insurance Contractor is required to obtain under this Agreement or by its bonds pursuant to other provisions in this Agreement. Further, the indemnitees contained in this provision survive the expiration or termination of this Agreement.

3.07 Records and Audits

The Contractor shall deliver or cause to be delivered all documents, data, studies, reports, findings or information to the SSAC promptly in accordance with the time limits prescribed herein and if no time limit is specified, then upon reasonable demand therefore, or upon termination or completion of the Services hereunder.

The Contractor agrees to adopt at its own expense such financial controls, including, without limitation, the employment of a fiscal agent approved by the Commissioner, as determined by the Commissioner in his sole discretion and communicated in writing to the Contractor after the date of execution of this Agreement, to ensure that the Contractor is fulfilling the terms of this Agreement.

The Contractor and any Subcontractors shall furnish the SSAC with semi-annual reports or provide such information as may be requested relative to the performance and cost of the Services. The Contractor shall maintain records showing actual time devoted and costs incurred. The Contractor shall keep books, documents, paper, records and accounts in connection with the Services open to inspection, copying, abstracting, transcription, and an independent audit by City employees or agents or third parties, and shall make these records available to the City and any other interested governmental agency at reasonable times during the performance of its Services.

Contractor must not dispose of such records following the expiration of the relevant period without notification of and written approval from the City in accordance with Article 10.

In addition to the records to be stored by Contractor, all records that are possessed by Contractor in its service to the City to perform a governmental function are public records of the City pursuant to the Illinois Freedom of Information Act ("FOIA"), unless the records are exempt under the Act. FOIA requires that the City produce records in a very short period of time. If the Contractor receives a request from the City to produce records, the Contractor shall do so within 72 hours of the notice.

THE CONTRACTOR SHALL NOT COMMINGLE SERVICE TAX FUNDS WITH FUNDS FROM OTHER SOURCES, and to the extent that the Contractor conducts any business operations separate and apart from the Services hereunder using, for example, personnel, equipment, supplies or facilities also used in connection with this Agreement, then the Contractor shall maintain and make similarly available to the City detailed records supporting the Contractor's allocation to this Agreement of the costs and expenses attributable to any such shared usages.

The Contractor shall provide an annual audited financial statement (a "Third Party Audit") to the Department and the SSAC within 120 calendar days after the end of the calendar year, and the system of accounting shall be in accordance with generally accepted accounting principles and practices, consistently applied throughout. Contractor must comply with the requirements in Exhibit 8 with respect to any Third Party Audit. If any Third Party Audit shows that Contractor or any of its Subcontractors has overcharged the City in any period, the City will notify Contractor, and Contractor must then promptly reimburse the City for any amounts the City has paid Contractor due to the overcharges. Any failure to comply with the audit requirements set forth in Exhibit 8 of the Agreement shall constitute an event of default under the Agreement. If such event of default is not corrected to the City's satisfaction within the cure period identified by the City, the City may incur costs to conduct any supplementary audit it deems necessary, and Contractor must then promptly reimburse the City for any such costs. No provision in this Agreement granting the City a right of access to records and documents is intended to impair, limit or affect any right of access to such records and documents that the City would have had in the absence of such provisions.

The City may in its sole discretion audit the records of Contractor or its Subcontractors,

or both, at any time during the term of this Agreement or within five years after the Agreement ends, in connection with the goods, work, or services provided under this Agreement. Each calendar year or partial calendar year is considered an "audited period." If, as a result of such an audit, it is determined that Contractor or any of its Subcontractors has overcharged the City in the audited period, the City will notify Contractor. Contractor must then promptly reimburse the City for any amounts the City has paid Contractor due to the overcharges and also some or all of the cost of the audit, as follows:

A. If the audit has revealed overcharges to the City representing less than 5% of the total value, based on the Agreement prices, of the goods, work, or services provided in the audited period, then the Contractor must reimburse the City for 50% of the cost of the audit and 50% of the cost of each subsequent audit that the City conducts;

B. If, however, the audit has revealed overcharges to the City representing 5% or more of the total value, based on the Agreement prices, of the goods, work, or services provided in the audited period, then Contractor must reimburse the City for the full cost of the audit and of each subsequent audit.

If the City is unable to make a determination regarding overcharges to City as a result of Contractor's not having maintained records as required under this Agreement, Contractor must promptly reimburse the City for some or all of the cost of the audit, as determined in the sole discretion of the City. Failure of Contractor to promptly reimburse the City in accordance with this Section 3.07 is an event of default under Section 7.01 of this Agreement, and Contractor will be liable for all of the City's costs of collection, including any court costs and attorneys' fees.

3.08 Subcontracts and Assignments

The Contractor shall not assign, delegate, subcontract or otherwise transfer all or any part of its rights or obligations under this Agreement or any part hereof, unless otherwise provided for herein or without the express written consent of the SSAC. The absence of such provision or written consent shall void the attempted assignment, delegation or transfer and shall be of no effect as to the Services or this Agreement.

All subcontracts, all approvals of Subcontractors and any assignment to which the SSAC consents are, regardless of their form, deemed conditioned upon performance by the Subcontractor or assignee in accordance with the terms and conditions of this Agreement.

If the Contractor subcontracts for security services, the Subcontractor shall be a Security Firm certified by the State of Illinois and the Security Firm's employees shall be licensed by the State of Illinois. The Contractor, upon entering into any subcontract with a Security Firm, shall furnish the SSAC and the Department with a copy of the subcontract for their approval. The City expressly reserves the right to approve all Security Firm subcontracts.

3.09 License, Permits and Safety Considerations

A. Licenses and Permits

If the Contractor engages in Construction, it is responsible for and, in a timely manner consistent with its obligations hereunder, shall secure and maintain at its expense such permits, licenses, authorizations and approvals as are necessary for it to engage Construction under this Agreement

B. Safety Considerations

If the Contractor engages in Construction, it shall at all times exercise reasonable care, shall comply with all applicable provisions of federal, state and local laws to prevent accidents or injuries, and shall take all appropriate precautions to avoid damage to and loss of City property and the property of third parties in connection with the Construction. The Contractor shall erect and properly maintain at all times all necessary safeguards, barriers, flags and lights for the protection of its and its Subcontractors' employees, City employees and the public.

If the Contractor engages in Construction, it shall report to the Department any damage on, about, under or adjacent to City property or the property of third persons resulting from its performance under this Agreement. The Contractor is responsible for any damage to City property and the property of third parties due, in whole or in part, to the Contractor's Construction activities under this Agreement, and the Contractor shall repair such damage to a reasonably acceptable standard.

3.10 Performance Bond

If the Contractor engages in Construction work where expenditures exceed $100,000, it shall, not later than the date the Contractor begins such work or executes a subcontract for such work, provide or cause to be provided to the Department a performance and payment bond in the amount allocated for the Construction work (but not including the amount allocated for design and preparation of specifications), by a surety or sureties acceptable to the City. The performance bond shall be in the form and to the effect of Exhibit 6 hereto, which is incorporated by reference as if fully set forth here.

If any of the sureties on such bond at any time fail financially, or are deemed to be insufficient security for the penalty of the bond, then the City may, on giving 10 days notice thereof in writing, require the Contractor to furnish a new and additional bond with sureties satisfactory to the City, and, if so required, Contractor must promptly provide such bond.

ARTICLE 4 TERM OF SERVICES

This Agreement shall take effect as of January 1, 2015 ("Effective Date") and shall continue through December 31, 2015, or until the Agreement is terminated earlier in accordance with its terms.

ARTICLE 5 COMPENSATION

5.01 Basis of Payment

The maximum compensation that the Contractor may be paid under this Agreement between January 1, 2015 and December 31, 2015 is the sum of (a) $848,576 or the total amount of Service Tax Funds actually collected, plus interest earned on those funds, for tax year 2014, whichever is less; (b) the total amount of Surplus Funds in the amount of $65,000 which are being carried over from previous program years and which contractor hereby acknowledges are in its possession; and (c) Late Collections in an amount not to exceed $5,000; the maximum compensation that the Contractor may be paid under this Agreement between January 1, 2015 and December 31, 2015, therefore, shall not exceed $918,576.

5.02 Budget for Services

The Contractor in conjunction with the SSAC has prepared a Budget through December 31, 2015, attached hereto as Exhibit 1 and incorporated by reference as if fully set forth here, covering all services described in the Scope of Services. Subject to the restriction that the maximum amount that may be spent in calendar year 2015 may not exceed $918,576, the SSAC reserves the right to transfer funds between line items or make Budget revisions that do not affect the maximum compensation set forth in Section 5.01. The SSAC shall revise the Budget if any part of the Contractor's Services is terminated.

5.03 Method of Payment

Pursuant to a schedule to be determined by the Commissioner, after the performance of Services pursuant to the terms of this Agreement, Contractor may submit invoices to the City to request reimbursement for such expenses. The Contractor must provide, along with the invoices, such additional documentation as the Commissioner requests to substantiate the Services. Upon the Commissioner's determination that the invoices are accurate, the City will process payment of the invoices.

The Contractor shall establish a separate checking account ("Account") in a bank authorized to do business in the State of Illinois that is insured by the Federal Deposit Insurance Corporation. All Service Tax Funds that the Comptroller transfers to the Contractor shall be deposited in the Account and disbursements from the Account shall be pursuant to this Agreement. THE CONTRACTOR IS RESPONSIBLE FOR RECONCILING THE ACCOUNT MONTHLY AND ACCOUNTING FOR ALL SERVICE TAX FUNDS. THE CONTRACTOR MUST REQUIRE ITS AUDITOR TO REPORT ON THE ACTIVITIES THAT ARE SUPPORTED BY THESE FUNDS IN A SEPARATE AUDIT TO ACCOUNT FOR CURRENT AND PRIOR YEARS' SERVICE TAX FUNDS.

The Contractor shall provide to the SSAC the signature card and sample check from the

bank which shows the signature(s) of the Contractor's authorized representative(s). The SSAC reserves the right to audit the account and require the Contractor to refund any funds that were not spent pursuant to the Budget or that were not approved by the SSAC. The name and address of the bank is _____ and the wire transfer and the Account numbers are _____.

All funds remaining in the Account at the expiration or early termination of this Agreement, including any interest earned, belong to the City for the benefit of the Area and shall be returned to the City to be used only for Special Services.

5.04 Criteria for Payment

The SSAC shall determine the reasonableness, allocability and allowability of any rates, costs and expenses charged or incurred by the Contractor.

5.05 Funding

Payments under this Agreement shall be made from Service Tax Funds in fund number _____ and are subject to the availability of funds therein.

5.06 Non-Appropriation

In the event that no funds or insufficient funds are appropriated and budgeted in any City fiscal period for payments to be made under this Agreement, then the City will notify the Contractor of such occurrence and this Agreement shall terminate on the earlier of the last day of the fiscal period for which sufficient appropriation was made or whenever the funds appropriated for payment under this Agreement are exhausted. No payments shall be made or due to the Contractor under this Agreement beyond those amounts appropriated and budgeted by the City to fund payments hereunder.

ARTICLE 6 SPECIAL CONDITIONS

6.01 Warranties and Representations

In connection with the execution of this Agreement, the Contractor warrants and represents:

A. That it is financially solvent; that it and each of its employees, agents, and Subcontractors are competent to perform the Services required; that it is legally authorized to execute and perform or cause to be performed this Agreement under the terms and conditions stated herein.

D. That it and, to the best of its knowledge, its Subcontractors are not in violation of the provisions of § 2-92-320 of the Municipal Code of Chicago, 720 ILCS 5/33E-1 et seq. of the Criminal Code of 1961, and 65 ILCS 5/11-42.1-1 of the Illinois Municipal Code.

E. F. That, except only for those representations, statements or promises expressly contained in this Agreement and any exhibits attached hereto, no representation, statement or promise, oral or written, or of any kind whatsoever, by the City, its officials, agents or employees, has induced the Contractor to enter into this Agreement.

G. That the Contractor understands and agrees that any certification, affidavit or acknowledgment made under oath in connection with this Agreement is made under penalty of perjury and, if false, is also cause for termination for default.

H. That neither Contractor nor an Affiliate of Contractor (as defined below) appears on the Specially Designated Nationals List, the Denied Persons List, the unverified List, the Entity List or the Debarred List as maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury or by the Bureau of Industry and Security of the U.S. Department of Commerce (or their successors), or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment. "Affiliate of Contractor" means a person or entity that directly (or indirectly through one or more intermediaries) controls, is controlled by or is under common control with Contractor. A person or entity will be deemed to be controlled by another person or entity if it is controlled in any manner whatsoever that results in control in fact by that other person or entity (either acting individually or acting jointly or in concert with others) whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

I. Contractor will abide by any policies promulgated by the Department or other City departments.

J. Contractor understands and will abide by, and will cause Subcontractors to abide by, the terms of Chapter 2-55 of the Municipal Code of Chicago pertaining to cooperation with the Office of the Legislative Inspector General. Contractor understands and will abide by the

terms of Section 2-154-020 of the Municipal Code of Chicago. Failure by the Contractor or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be a default for which no cure is available and grounds for termination of this Agreement.

6.02 Economic Disclosure Statement and Affidavit

The Contractor has provided the City with an Economic Disclosure Statement (EDS) and Affidavit, "Familial Relationships with Elected City Officials and Department Heads," which is attached hereto as Exhibit 2 and incorporated by reference as if fully set forth herein. Contractor shall apprise the Department promptly of any changes in the information provided in the EDS by completing and submitting a revised EDS.

In addition, the Contractor shall provide the City with copies of its latest articles of incorporation, by-laws and resolutions, or partnership or joint venture agreement, as applicable, and evidence of its authority to do business in the State of Illinois, including without limitation, registrations of assumed names or limited partnerships and certifications of good standing with the Office of the Secretary of State of Illinois.

6.03 Conflict of Interest

Pursuant to Chapter 2-156 of the Municipal Code of Chicago, and 65 ILCS 5/3.1-55-10, no member of the governing body of the City or other unit of government, no other officer, employee, SSAC member, or agent of the City or other unit of government who exercises any functions or responsibilities in connection with the Services to which this Agreement or any related subcontract pertain, and no relative of any SSAC member shall have any personal economic or financial interest, directly or indirectly, in this Agreement or any such subcontract except to the extent that such benefits are provided equally to all residents and/or business owners in the Area. Furthermore, no SSAC member, relative of any SSAC member, City official, agent or employee shall be a Subcontractor or have any financial interest in any Subcontractor, employee or shareholder of the Contractor or receive anything of value from the Contractor.

No member of or delegate to the Congress of the United States or the Illinois General Assembly and no alderman of the City or City employee shall be admitted to any share or part of this Agreement or to any financial benefit to arise from it. The Contractor acknowledges that any agreement entered into, negotiated or performed in violation of any of the provisions of Chapter 2-156 shall be voidable by the City.

The Contractor covenants that it, its officers, directors and employees, and the officers, directors and employees of each of its members if a joint venture, and Subcontractors presently have no financial interest and shall acquire no interest, direct or indirect, in the Services undertaken by the Contractor pursuant to the Agreement that would conflict in any manner or

degree with the performance of the Services. The Contractor further covenants that in the performance of this Agreement no person having any such interest shall be employed. The Contractor agrees that if the Commissioner in his reasonable judgment determines that any of the Contractor's services for others conflict with the Services the Contractor is to provide for the City under this Agreement, the Contractor shall terminate such other services immediately upon request of the City.

6.04 Non-liability of Public Officials

No official, employee or agent of the City shall be charged personally by the Contractor, or by any assignee or Subcontractor of the Contractor, with any liability or expenses of defense or be held personally liable to them under any term or provision hereof, because of the City's execution or attempted execution hereof, or because of any breach hereof.

6.05 Independent Contractor

(a) The Contractor shall perform under this Agreement as an independent contractor to the City and not as a representative, employee, agent or partner of the City.

(b) (i) The City is subject to June 24, 2011 the "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United State District Court for the Northern District of Illinois). Among other things, the City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Contractor is aware that City policy prohibits City employees from directing any individual to apply for a position with Contractor, either as an employee or as a subcontractor, and from directing Contractor to hire an individual as an employee or as a subcontractor. Accordingly, Contractor must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Contractor under this Agreement are employees or subcontractors of Contractor, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Contractor.

(iii) Contractor will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or

entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to Contractor by a City employee or City official in violation of Section (ii) above, or advocating a violation of Section (iii) above, Contractor will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General, and also to the head of the relevant City Department utilizing services provided under this Agreement. Contractor will also cooperate with any inquiries by OIG Hiring Oversight related to the contract.

(c) The parties agree that this Contract is solely for the benefit of the parties and nothing herein is intended to create any third party beneficiary rights for subcontractors or other third parties.

6.06 Business Relationships with Elected Officials

Pursuant to MCC Sect. 2-156-030(b), it is illegal for any elected official, or any person acting at the direction of such official, to contact either orally or in writing any other City official or employee with respect to any matter involving any person with whom the elected official has any business relationship that creates a financial interest on the part of the official, or the domestic partner or spouse of the official, or from whom or which he has derived any income or compensation during the preceding twelve months or from whom or which he reasonably expects to derive any income or compensation in the following twelve months. In addition, no elected official may participate in any discussion in any City Council committee hearing or in any City Council meeting or vote on any matter involving the person with whom the elected official has any business relationship that creates a financial interest on the part of the official, or the domestic partner or spouse of the official, or from whom or which he has derived any income or compensation during the preceding twelve months or from whom or which he reasonably expects to derive any income or compensation in the following twelve months.

Violation of MCC Sect. 2-156-030 by any elected official with respect to this contract will be grounds for termination of this contract. The term financial interest is defined as set forth in MCC Chapter 2-156.

6.07 Chicago "Living Wage" Ordinance

(a) Section 2-92-610 of the Municipal Code of Chicago provides for a living wage for certain categories of workers employed in the performance of City contracts, specifically non-City employed security guards, parking attendants, day laborers, home and health care workers, cashiers, elevator operators, custodial workers and clerical workers ("**Covered Employees**"). Accordingly, pursuant to Section 2-92-610 and regulations

promulgated under it:

(i) If Contractor has 25 or more full-time employees, and

(ii) If at any time during the performance of this Agreement, Contractor and/or any Subcontractor or any other entity that provides any portion of the Services (collectively "**Performing Parties**") uses 25 or more full-time security guards, or any number of other full-time Covered Employees, then

(iii) Contractor must pay its Covered Employees, and must assure that all other Performing Parties pay their Covered Employees, not less than the minimum hourly rate as determined in accordance with this provision (the "**Base Wage**") for all Services performed under this Agreement.

(b) Contractor's obligation to pay, and to assure payment of, the Base Wage will begin at any time during the term of this Agreement when the conditions set forth in (a)(i) and (a)(ii) above are met, and will continue until the end of the term of this Agreement.

(c) As of July 1, 2014, the Base Wage is $11.93 per hour, and each July 1 thereafter, the Base Wage will be adjusted, using the most recent federal poverty guidelines for a family of four as published annually by the U.S. Department of Health and Human Services, to constitute the following: the poverty guidelines for a family of four divided by 2000 hours or the current base wage, whichever is higher. At all times during the term of this Agreement, Contractor and all other Performing Parties must pay the Base Wage (as adjusted in accordance with the above). If the payment of prevailing wages is required for Services done under this Agreement, and the prevailing wages for Covered Employees are higher than the Base Wage, then Contractor and all other Performing Parties must pay the prevailing wage rates.

(d) Contractor must include provisions in all subcontracts requiring its Subcontractors to pay the Base Wage to Covered Employees. Contractor agrees to provide the City with documentation acceptable to the Chief Procurement Officer demonstrating that all Covered Employees, whether employed by Contractor or by a Subcontractor, have been paid the Base Wage, upon the City's request for such documentation. The City may independently audit Contractor and/or Subcontractors to verify compliance with this section. Failure to comply with the requirements of this section will be an event of default under this Agreement, and further, failure to comply may result in ineligibility for any award of a City contract or subcontract for up to 3 years.

(e) Not-for-Profit Corporations: If Contractor is a corporation having federal tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and is recognized under Illinois not-for-profit law, then the provisions of Sections (a) through (d) above do not apply.

6.08 Deemed Inclusion

Provisions required by law, ordinances, rules, regulations or executive orders to be inserted in this Agreement are deemed inserted in this Agreement whether or not they appear in this Agreement or, upon application by either party, this Agreement will be amended to make the insertion; however, in no event will the failure to insert the provisions before or after this Agreement is signed prevent its enforcement.

6.09 Environmental Warranties and Representations

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Contractor warrants and represents that it, and to the best of its knowledge, its subcontractors have not violated and are not in violation of the following sections of the Code (collectively, the Waste Sections):

7-28-390 Dumping on public way;
7-28-440 Dumping on real estate without permit;
11-4-1410 Disposal in waters prohibited;
11-4-1420 Ballast tank, bilge tank or other discharge;
11-4-1450 Gas manufacturing residue;
11-4-1500 Treatment and disposal of solid or liquid waste;
11-4-1530 Compliance with rules and regulations required;
11-4-1550 Operational requirements; and
11-4-1560 Screening requirements.

During the period while this Agreement is executory, Contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Commissioner. Such breach and default entitles the City to all remedies under the Agreement, at law or in equity.

This section does not limit Contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement.

Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect Contractor's eligibility for future contract awards.

6.10 EDS / Certification Regarding Suspension and Debarment

Contractor certifies, as further evidenced in the EDS attached as Exhibit 2, by its acceptance of this Agreement that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this

transaction by any federal department or agency. Contractor further agrees by executing this Agreement that it will include this clause without modification in all lower tier transactions, solicitations, proposals, contracts and subcontracts. If Contractor or any lower tier participant is unable to certify to this statement, it must attach an explanation to the Agreement.

6.11 Ethics

(a) In addition to other warranties and representations, Contractor warrants:

(i) no officer, agent or employee of the City is employed by Contractor or has a financial interest directly or indirectly in this Agreement or the compensation to be paid under this Agreement except as may be permitted in writing by the Board of Ethics established under Chapter 2-156 of the Municipal Code .

(ii) no payment, gratuity or offer of employment will be made in connection with this Agreement by or on behalf of any Subcontractors to Contractor or higher tier Subcontractors or anyone associated with them, as an inducement for the award of a subcontract or order.

(b) Contractor must comply with Chapter 2-156 of the Municipal Code. Contractor acknowledges that any Agreement entered into, negotiated or performed in violation of any of the provisions of Chapter 2-156, including any contract entered into with any person who has retained or employed a non-registered lobbyist in violation of Section 2-156-305 of the Municipal Code is voidable as to the City.

6.12 MacBride Ordinance

The City of Chicago through the passage of the MacBride Principles Ordinance seeks to promote fair and equal employment opportunities and labor practices for religious minorities in Northern Ireland and provide a better working environment for all citizens in Northern Ireland.

In accordance with Section 2-92-580 of the Municipal Code of the City of Chicago, if Contractor conducts any business operations in Northern Ireland, the Contractor must make all reasonable and good faith efforts to conduct any business operations in Northern Ireland in accordance with the MacBride Principles for Northern Ireland as defined in Illinois Public Act 85-1390 (1988 Ill. Laws 3220).

The provisions of this Section 6.12 do not apply to contracts for which the City receives funds administered by the United States Department of Transportation, except to the extent Congress has directed that the Department of Transportation not withhold funds from states and localities that choose to implement selective purchasing policies based on agreement to comply with the MacBride Principles for Northern Ireland, or to the extent that such funds are not otherwise withheld by the Department of Transportation.

6.13 Duty to Report Corrupt or Unlawful Activity

Pursuant to §2-156-018 of the Municipal Code, it is the duty of the Contractor to report to the Inspector General, directly and without undue delay, any and all information concerning conduct which it knows to involve corrupt activity. "Corrupt Activity" means any conduct set forth in Subparagraph (a)(1), (2) or (3) of §1-23-020 of the Municipal Code. Knowing failure to make such a report will be an event of default under this Agreement. Reports may be made to the Inspector General's toll free hotline, 866-IG-TIPLINE (866-448-4754).

ARTICLE 7 EVENTS OF DEFAULT, REMEDIES, TERMINATION, RIGHT TO OFFSET, SUSPENSION

7.01 Events of Default Defined

The following constitute events of default:

A. Any material misrepresentation, whether negligent or willful and whether in the inducement or in the performance, made by Contractor to the City.

B. Contractor's material failure to perform any of its obligations under the Agreement including, but not limited to, the following:

(1) failure to commence or ensure timely completion of the Services due to a reason or circumstance within Contractor's reasonable control;

(2) failure to perform the Services in a manner satisfactory to the City;

(3) failure to promptly re-perform within a reasonable time Services that were rejected as erroneous or unsatisfactory;

(4) discontinuance of the Services for reasons within the Contractor's reasonable control;

(5) failure to comply with a material term of this Agreement, including but not limited to the provisions concerning insurance and nondiscrimination; and

(6) any other acts specifically and expressly stated in this Agreement as constituting an event of default.

C. The Contractor's default under any other agreement it may presently have or may enter into with the City during the life of this Agreement. The Contractor acknowledges and agrees that in the event of a default under this Agreement the City may also declare a default under any such other agreements.

7.02 Remedies

The occurrence of any event of default which the Contractor fails to cure within 14 calendar days after receipt of notice specifying such default or which, if such event of default cannot reasonably be cured within 14 calendar days after notice, the Contractor fails, in the sole opinion of the Commissioner, to commence and continue diligent efforts to cure, permits the City to declare the Contractor in default. Whether to declare the Contractor in default is within the sole discretion of the Commissioner. Written notification of the default, and any intention of the City to terminate the Agreement, shall be provided to Contractor and such decision is final and effective upon Contractor's receipt of such notice. Upon receipt of such notice, the Contractor must discontinue any services, unless otherwise directed in the notice, and deliver all materials accumulated in the performance of this Agreement, whether completed or in the process of completion, to the City. At such time the City may invoke any legal or equitable remedy available to it including, but not limited to, the following:

A. The right to take over and complete the Services or any part thereof as agent for and at the cost of the Contractor, either directly or through others. The Contractor shall have, in such event, the right to offset from such cost the amount it would have cost the City under the terms and conditions herein had the Contractor completed the Services.

B. The right to terminate this Agreement as to any or all of the Services yet to be performed, effective at a time specified by the City.

C. The right of specific performance, an injunction or any other appropriate equitable remedy.

D. The right to money damages.

E. The right to withhold all or any part of Contractor's compensation hereunder.

F. The right to deem Contractor non-responsible in future contracts to be awarded by the City.

If the City considers it to be in its best interest, it may elect not to declare default or to terminate this Agreement. The parties acknowledge that this provision is solely for the benefit of the City and that if the City permits the Contractor to continue to provide the Services despite one or more events of default, the Contractor is in no way relieved of any of its responsibilities, duties or obligations under this Agreement nor does the City waive or relinquish any of its rights. No delay or omission to exercise any right accruing upon any event of default impairs any such right nor shall it be construed as a waiver of any event of default or acquiescence therein, and every such right may be exercised from time to time and as often as may be deemed expedient.

7.03 Right to Offset

The City reserves its rights under § 2-92-380 of the Municipal Code of Chicago and the Commissioner shall consult with the SSAC before exercising such rights.

7.04 Suspension

The City may at any time request that the Contractor suspend its Services, or any part thereof, by giving 15 days prior written notice to the Contractor or upon no notice in the event of emergency. No costs incurred after the effective date of such suspension shall be allowed. The Contractor shall promptly resume its performance upon written notice by the Department. The Budget may be revised pursuant to Section 5.02 to account for any additional costs or expenses actually incurred by the Contractor as a result of recommencing the Services.

7.05 No Damages for Delay

The Contractor agrees that it, its members, if a partnership or joint venture and its Subcontractors shall make no claims against the City for damages, charges, additional costs or hourly fees for costs incurred by reason of delays or hindrances by the City in the performance of its obligations under this Agreement.

7.06 Early Termination

In addition to termination for default, the City may, at any time, elect to terminate this Agreement or any portion of the Services to be performed under it at the sole discretion of the Commissioner by a written notice to the Contractor. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Contractor is not a waiver by the City of any requirements for the Contractor to obtain and maintain the specified coverages. Non-conforming insurance does not relieve Contractor of the obligation to provide insurance as specified in this Agreement. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to suspend this Agreement until proper evidence of insurance is provided, or the Agreement may be terminated.

The Contractor must provide for 60 days prior written notice to be given to the City in the event coverage is substantially changed, canceled or non-renewed.

Any insurance or self-insurance programs maintained by the City of Chicago do not contribute with insurance provided by Contractor under this Agreement.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If Contractor is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

Contractor must require all Subcontractors to provide the insurance required in this Agreement, or Contractor may provide the coverages for Subcontractors. All Subcontractors are subject to the same insurance requirements of Contractor unless otherwise specified in this Agreement.

COOK COUNTY

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day and Veterans Day in some classifications/counties. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration. If in doubt, please check with IDOL.

TRUCK DRIVERS (WEST) - That part of the county West of Barrington Road.

Special Service Area - Additional Audit Requirements

Accounting System

The Department requires that the Contractor maintain its accounting system in a manner which allows the Contractor's expenditures to be categorized in its statement of activities according to the categories listed in the budget approved by the City for each Area.

Guidance for the Contractor's Selection of a CPA Firm (Independent Auditor)

The Contractor must use the following guidelines for engaging a qualified CPA Firm:

1. Issue a Request for Proposal ("RFP") that sets forth all of the terms and conditions of the engagement, evaluation criteria, and scope of the work required. Audit firm evaluations can replace an annual RFP process; an RFP process every three years is preferred.
2. Distribute and publicize the RFP sufficiently to ensure full and open competition.
3. Request in the RFP that bidders provide detail on:
    a. How the CPA Firm will conduct the audit.
    b. Qualifications of the CPA Firm, management, and staff, including experience in auditing like entities.
    c. Policies on notification of changes in key personnel.
    d. Whether the proposed staff has received continuing professional education that is relevant to the performance of this engagement during the previous 2 years,
    e. Whether the CPA Firm has received a positive peer review within the last 3 years.
    f. Whether the CPA Firm is independent, as defined by applicable auditing standards.
    g. Whether the CPA Firm has been the object of any disciplinary action during the past 3 years.
    h. Confirmation the CPA Firm and key personnel assigned to this engagement maintains an active license in the State of Illinois and attached a copy of a current license with the RFP response or annually.
    i. Confirmation the CPA Firm is not on the City's debarred vendor list.
    j. The audit fee.

4. Evaluate the proposals based on:
    a. The CPA Firm's understanding of the audit requirements, including the needs of the Area and the final products to be delivered.
    b. Soundness of technical approach to the audit, including the meeting of the Contractor's specific deadlines and other requirements.
    c. Qualifications of the CPA Firm.
    d. Qualifications of the audit team.
    e. The information provided by respondents in response to the RFP, including cost

and independence.

5. Rate the proposals as follows:
   a. Proposals should be evaluated as submitted.
   b. Make a list of strengths and weaknesses for each to support its technical rating.
   c. Review the proposed fees offered by the bidders after completion of the technical evaluation.
   d. Ask questions of the bidders to eliminate any ambiguities.
   e. Select a proposal that is most advantageous to the Area based on the evaluation criteria set forth in the RFP.

6. Once a CPA Firm is chosen based upon the foregoing criteria, require a written engagement letter to avoid misunderstandings that specifies:
   a. Audit scope, objectives, and purposes.
   b. Deadlines for the work to be performed.
   c. Audit fees.
   d. Report format, including providing a PDF digital version of the final audit.
   e. Type and timing of support to be provided to the CPA Firm by the Special Service Area Commission ("SSAC").
   f. Professional auditing standards to be followed in performing the audit.
   g. Independence of the CPA Firm to the SSAC.
   h. Terms of making changes to the scope of the agreement.
   i. CPA Firm's ownership of the work papers, retention period, and requirement for availability to the City upon request.

Summary Schedule of Findings.

3. Statement of Cash Flows.
4. Notes to the Financial Statements.
5. Summary Schedule of Findings that also includes the management response to any audit findings and any subsequent CPA Firm and/or City's and/or management responses until the CPA Firm and/or the City consider the findings sufficiently remedied.

Expense descriptions included in the Statement of Activities must correspond to the expense descriptions in the budget submitted to the City.

CPA Firm License

The CPA Firm shall attach as an exhibit to the audit the firm's active license and key personnel to this engagement in the State of Illinois.

Audit Presentations

The CPA Firm shall attend at least one (1) SSAC meeting and be available for other meetings as requested by the City to present the draft and/or final audit and respond to questions.

CITY OF CHICAGO

MULTI- PROJECT LABOR AGREEMENT

This Model Multi-Project Labor Agreement ("Agreement") is entered into by and between City of Chicago, an Illinois municipal corporation, as Owner, on behalf of itself and each of its contractors, subcontractors of whatsoever tier performing construction work on any project to which this Agreement shall be applicable, and each of the undersigned labor organizations signatory hereto.

Whereas, Owner is responsible for construction, demolition, rehabilitation, maintenance, and/or renovation of real property located in Chicago, Illinois; Due to the size, scope, cost and duration of the multitude of Projects traditionally performed by the City of Chicago, the parties to this Agreement have determined that it is in their interest to have these Projects completed in the most timely, productive, economical and orderly manner possible, and without labor disruptions of any kind that might interfere with, or delay, any of these Projects;

Whereas, the parties have determined that it is desirable to eliminate the potential for friction and disruption of these Projects by using their best efforts and ensuring that all work is performed by the trade unions that are signatory hereto and which have traditionally performed and have trade and geographic jurisdiction over such work. Experience has proven the value of such cooperation, and that such mutual undertakings should be maintained, and if possible, strengthened, and that the ultimate beneficiaries remain the Owner of the project; and,

Whereas, the Owner acknowledges that it has a serious and ongoing concern regarding labor relations associated with the Projects and through its completion irrespective of the existence of a collective bargaining relationship with any of the signatory labor organizations.

NOW THEREFORE, in order to further these goals and objectives and to maintain the spirit of harmony, labor-management cooperation and stability, the parties agree as follows:

1. During the term of this Agreement, Owner its representatives and agents shall not contract or subcontract, nor permit any other person, firm, company, or entity to contract or subcontract, any construction, demolition, rehabilitation or renovation work for the Project work covered under this Agreement or within the trade jurisdiction of the signatory labor organization, to be performed at the Site of construction or off-site solely for installation at the Site (including all tenant improvements, if applicable), unless such work is performed only by a person, firm or company signatory, or willing to become signatory, to the applicable area-wide collective bargaining agreement(s) with the union(s) or the appropriate trade/craft union(s) or subordinate body or affiliate of the Chicago & Cook County Building & Construction Trades Council ("Council") or the Teamsters' Joint Council No. 25. Copies of all such current collective bargaining agreements constitute Appendix "A" of this Agreement, attached hereto and made an integral part hereof, and as may be modified from time to time during the term of this Agreement. Said provisions of this Agreement shall be included in all Requests for Bids and/or Proposals and shall be explicitly included in all contracts or subcontracts of whatsoever tier by all contractors and subcontractors; provided that the total Project value exceeds $25,000.00. In no event shall contracts be "split" so as to avoid the applicability of this Agreement. In the event a dispute arises with respect to the applicability of this Multi-Project Labor Agreement to a particular project, the parties agree to submit said dispute to final and binding arbitration before a Permanent Umpire who shall be mutually agreed to by the parties.

2. With respect to a contractor or subcontractor who is the successful bidder, but is not signatory to the applicable collective bargaining agreement, the collective bargaining agreement(s) executed by said bidder shall be the relevant area-wide agreement(s) regulating or governing wages, hours and other terms and conditions of employment.

3. During the term of this Agreement, the Owner or any Project contractor and sub-contractor shall engage in no lockout.

4. During the term of this Agreement, no labor organization signatory hereto, or any of its members, officers, stewards, agents, representatives, or employees shall instigate, authorize, support, sanction, maintain, or participate in any strike, walkout, work stoppage, work slowdown, work curtailment, cessation or interruption of production, or in any picketing of any Site covered under this Agreement for any reason whatsoever, including but not limited to the expiration of any of the collective bargaining agreements referred to on Appendix A. In the event of an economic strike or other job action upon the termination of an existing collective bargaining agreement, in no event shall any adverse job action be directed against any covered Project. All provisions of the subsequently negotiated collective bargaining agreement shall be retroactive for all employees working at a Project Site, provided such a provision for retroactivity is contained in the newly negotiated collective bargaining agreement.

5. Each Union signatory hereto agrees that it will use its best efforts to prevent any of the acts forbidden in Paragraph 4, and that in the event any such act takes place or is engaged in by any employee or group of employees, each Union signatory hereto further agrees that it will use its best efforts (including its full disciplinary power under its Constitution and/or By-Laws) to cause an immediate cessation thereof.

6. Any contractor of subcontractor signatory or otherwise bound stipulated or required to abide by and to any provisions of this Agreement shall have the right to discharge or discipline any employee who violates the provisions of this Agreement. Such discharge or discipline by a contractor or subcontractor shall be subject to the Grievance/Arbitration procedure of the applicable collective bargaining agreement only as to the fact of such employee's violation of this Agreement. If such fact is established, the penalty imposed shall not be disturbed. Work at any Site covered under this Agreement shall continue without disruption or hindrance of any kind during any Grievance/Arbitration procedure.

7. The parties expressly authorize a court of competent jurisdiction to order appropriate injunctive relief to restrain any violation of this Agreement, any form of self-help remedy is expressly forbidden. Nothing in the foregoing shall restrict any party to otherwise judicially enforce any provision of its collective bargaining agreement between any labor organization and a contractor with whom it has a collective bargaining relationship.

8. This Agreement shall become effective, and shall be included in all Requests for Proposals and/or Bids, all Purchase Orders, Contracts or other arrangements issued by the City of Chicago for work described in Paragraph 1 above immediately subsequent to the ratification of the Ordinance authorizing this Multi-Project Labor Agreement by the City Council.

9. This Agreement shall expire on December 31, 2016 and shall be automatically extended for an additional five (5) year term unless the parties issue a notice to terminate between sixty (60) and (30) days prior to the initial expiration date.

10. In the event a dispute shall arise between any contractor or subcontractor of the Project and any signatory labor organization and/or fringe benefit fund established under any of the appropriate collective bargaining agreements as to the obligation and/or payment of fringe benefit contributions provided under the collective bargaining agreement, upon proper notice to the contractor(s) or subcontractor(s) by the applicable labor organization or fringe benefit fund and to the contractor or subcontractor, an amount sufficient to satisfy the amount claimed shall be withheld from the contractor's or subcontractor's regularly scheduled periodic payment from the contractor or subcontractor, or their agents until such time as said claim is resolved.

11. In the event of a jurisdictional dispute by and between any labor organizations signatory hereto, such labor organizations shall take all steps necessary to promptly resolve the dispute. In the event of a dispute relating to trade or work jurisdiction, all parties, including the employers, contractors or subcontractors, agree that a final and binding resolution of the dispute shall be resolved as follows:

a.) Representatives of the affected trades shall meet on the job site within forty-eight (48) hours after receiving notice in an effort to resolve the dispute. (In the event there is a dispute between local unions affiliated with the same International Union, the decision of the General President, or his/her designee, as the internal jurisdictional authority of that International Union, shall consfitute a find and binding decision and determination as to the jurisdiction of work.)

b.) If no settlement is achieved subsequent to the preceding Paragraph, the matter shall be referred to the Chicago & Cook County Building & Construction Trades Council, which shall meet with the affected trades within forty-eight (48) hours subsequent to receiving notice. An agreement reached at this Step shall be final and binding.

c.) If no settlement agreements is reached during the proceedings contemplated by Paragraph "a" or "b" above, the matter shall be immediately referred to the Joint Conference Board, established by the Standard Agreement between the Construction Employers' Association and the Chicago & Cook County Building & Construction Trades Council, which may be amended from time to time, for final and binding resolution of said dispute. Said Standard Agreement is attached hereto as Appendix "B" and specifically incorporated into this Agreement.

12. This Agreement shall be incorporated into and become part of the collective bargaining agreements between the Unions signatory hereto and contractors and subcontractors. In the event of any inconsistency between this Agreement and any collective bargaining agreement, the terms of this Agreement shall supersede and prevail except for all work performed under the NT Articles of Agreement, the National Stack/Chimney Agreement, the National Cooling Tower Agreement, all instrument calibrafion work and loop checking shall be performed under the terms of the UA/IBEW Joint National Agreement for instrument and Control Systems Technicians, and the National Agreement of the International Union of Elevator Constructors with the exception of the content and subject matter of Articles V, VI and VII of the AFL-CIO's Building & Construction Trades Department model Project Labor Agreement.

13. The parties agree that in the implementation and administration of this Agreement, it is vitally necessary to maintain effective and immediate communication so as to minimize the potential of labor relations disputes arising out of this Agreement. To that end, each party hereto agrees to designate, in writing, a representative to whom problems can be

directed which may arise during the term of this Agreement. Within forty-eight (48) hours after notice of the existence of any problem, representatives of each party shall meet to discuss and, where possible, resolve such problems. The representative of the signatory unions shall be Thomas Villanova, or his designee, President of the Chicago & Cook County Building & Construction Trades Council. The representative of Owner shall be the Corporation Counsel or his/her designee.

14. If any provision, section, subsection or other portion of this Agreement shall be determined by any court of competent jurisdiction to be invalid, illegal, or unenforceable in whole or in part, and such determination shall become final, such provision or portion shall be deemed to be severed or limited, but only to the extent required to render the remaining provisions and portions of this Agreement enforceable. This Agreement, as thus amended, shall be enforced so as to give effect to the intention of the parties insofar as that is possible. In addition, the parties hereby expressly empower a court of competent jurisdiction to modify any term or provision of this Agreement to the extent necessary to comply with existing law and to enforce this Agreement as modified.

15. Owner and General Contractor, on behalf of themselves and their contractors and subcontractors agree that the applicable substance abuse policy (i.e., drug, alcohol, etc.) applicable to the employees working on any covered Project shall be that as contained, or otherwise provided for, in the area-wide collective bargaining agreements attached at Appendix "A" to this Agreement. Nothing in the foregoing shall limit the Owners and/or General Contractor, its contractors or subcontractors from instituting its own substance abuse policy governing other employees performing work on a Project not otherwise covered under this Agreement. In the event there is no substance abuse policy in the applicable collective bargaining agreement, the policy adopted by the Owners and/or General Contractor may apply.

16. The parties recognize a desire to facilitate the entry into the building and construction trades of veterans who are interested in careers in the building and construction industry. The parties agree to utilize the services of the Center for Military Recruitment, Assessment and Veterans Employment (hereinafter referred to as the "Center") and the Center's Helmets to Hardhats" program to service as a resource for preliminary orientation, assessment of construction aptitude, referral to apprenticeship programs or hiring halls, counseling and mentoring, support network, employment opportunities and other needs as identified by the parties. The parties also agree to coordinate with the Center to create and maintain an integrated database of veterans interested in working on this project and of apprenticeship and employment opportunities for these Projects. To the extent permitted by law, the parties will give appropriate credit to such veterans for bona fide, provable past experience, in the building and construction industry.

The parties recognize the importance of facilitating the goals and objectives of the Apprenticeship & Training Initiative agreed to by the parties in separate collective bargaining agreements applicable to employees of the Owner. Additionally, parties agree to incorporate the duties and responsibilities associated with the Supplemental Addendum to the Multi-Project Labor Agreement between the signatory labor organizations and the Chicago Public Schools attached hereto in Appendix "C" and incorporated herein. Towards these ends, the undersigned labor organizations will assist and cooperate with the Owner, the Chicago Public Schools, City Colleges and contractors in monitoring and enforcing the foregoing commitments, including providing relevant information requested by the Owner for the purpose of such monitoring and enforcement, including

the information provided for in Paragraph 3(E) of the Supplemental Addendum with CPS. Upon execution of this Agreement, representatives of the Owner and the Chicago Building Trades Council will immediately meet for the purpose of establishing the specific mechanism by which this information will be gathered, processed and reported.

The parties hereto agree and acknowledge that the commitments set forth herein, including those in the attached Appendix "C" are interdependent. In the event the goals and commitments set forth in Appendix "C" are not realized, the City shall bring this to the attention of the Chicago Building Trades Council ("Council"), and the parties shall immediately meet for the purpose of identifying the cause(s) of said failure and implement necessary measures to remedy the failure. Should the Council's affiliate members refuse to implement measures reasonably necessary to realize these goals and commitments, the City may terminate this Agreement subsequent to January 13, 2013. If, as of June 1, 2012, the City believes that the Council's affiliate members have failed to implement measures reasonably necessary to realize these goals and commitments, the City may at that time deliver to the Council formal written notice of intent to terminate this Agreement on January 1, 2013. Upon deliverance of such notice, the parties shall immediately meet to craft and implement additional measures to remedy such failure. If the parties are unsuccessful in implementing satisfactory measures, the City may implement said notice of termination on January 1, 2013.

The parties acknowledge the Residency requirement for employees of contractors and subcontractors in the standard City of Chicago construction contract. The parties also agree to cooperatively work and monitor compliance with these requirements and to work cooperatively to facilitate and work in good faith to the achievement of said required Residency provision including union attendance at pre-bid conferences with prospective contractors and subcontractors as well as other reasonable undertakings to demonstrate progress in this regard.

17. The parties agree that contractors and subcontractors working under the provisions of this Agreement shall be required to strive to utilize the maximum number of apprentices on said Project as permitted under the applicable collective bargaining agreement as contained in Appendix "A".

18. This document, with each of the Attachments, constitutes the entire agreement of the parties and may not be modified or changed except by the subsequent written agreement of the parties.

19. All parties represent that they have the full legal authority to enter into this Agreement.

The undersigned, as the Owner and Labor Organizations on the Project, agree to all of the terms and conditions contained in this Agreement.

Dated this the 9th day of February, 2011 in Chicago, Cook County, Illinois.

3.01 Scope of Services

The Services which the Contractor shall provide include, but are not limited to, those described in this Article 3 and in Exhibit 1 which is attached hereto and incorporated by reference as if fully set forth here. The SSAC reserves the right to require the Contractor to perform revised services that are within the general scope of services of this Agreement and of the Special Services identified in the Establishment Ordinance subject to the same terms and conditions herein. Revised services are limited to changes or revisions to the line items in the Budget, do not affect the maximum compensation and require the prior written approval of the SSAC. The SSAC may, by written notice to the Department and the Contractor, delete or amend the figures contained and described in the Budget attached hereto as Exhibit 1 and incorporated by reference as if fully set forth herein. The Contractor shall provide the Services in accordance with the standards of performance set forth in Section 3.02.

3.02 Standard of Performance

The Contractor shall perform all Services required of it with that degree of skill, care and diligence normally shown by a contractor performing services of a scope, purpose and magnitude comparable with the nature of the Services to be provided hereunder. The Contractor shall at all times use every reasonable effort on behalf of the City to assure timely and satisfactory rendering and completion of its Services.

The Contractor shall at all times act in the best interests of the City consistent with the professional obligations assumed by it in entering into this Agreement. The Contractor shall perform all Services in accordance with the terms and conditions of this Agreement and to the full satisfaction of the SSAC. The Contractor shall furnish efficient business administration and supervision to render and complete the Services at reasonable cost.

The Contractor shall assure that all Services that require the exercise of professional skills

or judgment are accomplished by professionals qualified and competent in the applicable discipline and appropriately licensed, if required by law. The Contractor remains responsible for the professional and technical accuracy of all Services provided, whether by the Contractor or its Subcontractors or others on its behalf.

If the SSAC determines that the Contractor has failed to comply with the foregoing standards, the Contractor shall perform again, at its own expense, all Services required to be reperformed as a direct or indirect result of such failure. Any review, approval, acceptance or payment for any or all of the Services by the City does not relieve the Contractor of its responsibility for the professional and technical accuracy of its Services. This provision in no way limits the City's rights against Contractor, either under this Agreement, at law or in equity.

3.03 Personnel

A. Key Personnel

The Contractor shall, immediately upon receiving a fully executed copy of this Agreement, assign and maintain during the term of this Agreement and any extension thereof an adequate staff of competent personnel, who are fully equipped, licensed as appropriate, available as needed, qualified and assigned to perform the Services. Contractor shall pay the salaries and wages due all its employees performing Services under this Agreement unconditionally and at least once a month without deduction or rebate on any account, except only for such payroll deductions as are mandatory by law or are permitted under applicable law and regulations.

Contractor must comply with, and the procedures Contractor utilizes and the Services Contractor provides under this Agreement must comply with, the Civil Rights Act of 1964, 42 U.S.C. § 2000e et seq. (1981), as amended and the Civil Rights Act of 1991, P.L. 102-166. Attention is called to: Exec. Order No. 11246, 30 Fed. Reg. 12,319 (1965), reprinted in 42 U.S.C. § 2000e note, as amended by Exec. B. **Subcontractors**

Contractor must incorporate all of this Section 3.04 by reference in all agreements entered into with any suppliers of materials, furnisher of services, Subcontractors of any tier, and labor organizations that furnish skilled, unskilled and craft union skilled labor, or that may provide any such materials, labor or services in connection with this Agreement. The Contractor shall comply with the insurance provisions attached hereto as Exhibit 3 and incorporated by reference as if fully set forth herein, or such other insurance provisions as may be required in the reasonable judgment of the Risk Management Division. If the Contractor enters into a subcontract with a Security Firm such Security Firm shall comply with the insurance provisions attached hereto as Exhibit 4 and incorporated by reference as if fully set forth herein, or such other insurance provisions as may be required in the reasonable judgment of the Risk Management Division. If the Contractor subcontracts with a Subcontractor other than a Security Firm, such Subcontractor shall comply with the Contractor insurance provisions attached hereto as Exhibit 3.

The Risk Management Division may waive or reduce any of the insurance requirements set forth herein.

3.06 Indemnification

A. On written notice from the City of Losses the City believes are Losses Arising under this Agreement as defined in this Section 3.06, the Contractor shall defend, indemnify, and hold completely harmless the City Indemnitees from and against such Losses, regardless of whether Contractor challenges the City's belief. The defense, indemnification and hold harmless obligations of the Contractor toward City Indemnitees remain an affirmative obligation of Contractor following the City's notice of Losses the City believes are Losses Arising under this Agreement, unless and until a court of competent jurisdiction finally determines otherwise and all opportunities for appeal have been exhausted or have lapsed.

B. For purposes of this Section 3.06,

"City Indemnitees" means, individually and collectively, the City of Chicago, its officials, agents, employees and SSAC members.

"Losses" means, individually and collectively, all kinds of liabilities, losses, suits, claims, damages, judgments, fines, and demands, including all reasonable costs for investigation,

reasonable attorneys' fees, court costs, and experts' fees, arising by reason of injury or death of any person, damage to property, patent or copyright infringement.

"Arising under this Agreement" means (i) arising out of awarding this Agreement, (ii) arising out of the enforcement of this Agreement, including the enforcement of this indemnification provision; (iii) arising out of or in connection with Contractor's performance or non-performance of this Agreement (including the acts or omission of Contractor, its officers, agents, employees, consultants, subcontractors, licensees, or invitees), any breach by any of them of any warranty made under this Agreement, or any failure by any of them to meet any applicable standard of performance under this Agreement; or (iv) any combination of any of the foregoing.

C. To the extent permissible by law, Contractor waives any limits on Contractor's liability that it would otherwise have by virtue of the Worker's Compensation Act or any other related law or judicial decision (such as *Kotecki v. Cyclops Welding Corporation,* 146 Ill. 2d 155 (1991)). The City, however, does not waive any limitations it may have on its liability under the Worker's Compensation Act or under the Illinois Pension Code.

D. The City has the right, at its option and at its own expense, to participate in the defense of any suit without relieving Contractor of any of its obligations under this indemnity provision. The requirements set forth in this indemnity provision are separate from and not limited by the amount of insurance Contractor is required to obtain under this Agreement or by its bonds pursuant to other provisions in this Agreement. Further, the indemnitees contained in this provision survive the expiration or termination of this Agreement.

3.07 Records and Audits

The Contractor shall deliver or cause to be delivered all documents, data, studies, reports, findings or information to the SSAC promptly in accordance with the time limits prescribed herein and if no time limit is specified, then upon reasonable demand therefore, or upon termination or completion of the Services hereunder.

The Contractor agrees to adopt at its own expense such financial controls, including, without limitation, the employment of a fiscal agent approved by the Commissioner, as determined by the Commissioner in his sole discretion and communicated in writing to the Contractor after the date of execution of this Agreement, to ensure that the Contractor is fulfilling the terms of this Agreement.

The Contractor and any Subcontractors shall furnish the SSAC with semi-annual reports or provide such information as may be requested relative to the performance and cost of the Services. The Contractor shall maintain records showing actual time devoted and costs incurred. The Contractor shall keep books, documents, paper, records and accounts in connection with the Services open to inspection, copying, abstracting, transcription, and an independent audit by City employees or agents or third parties, and shall make these records available to the City and any other interested governmental agency at reasonable times during the performance of its Services.

Contractor must maintain any such records including Deliverables not delivered to the City or demanded by the City for a period that is the longer of (A) 5 years after the final payment made in connection with this Agreement (or, 6 years after the final payment made in connection with this Agreement, with respect to any records that are required to be maintained pursuant to the Contractor's obligations under the regulations implementing the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and the Health Information Technology for Economic and Clinical Health Act (HITECH), which was part of the American Recovery and Reinvestment Act of 2009, specifically 45 C.F.R. § 164.530(j)), or (B) as directed by the Local Records Act (50 ILCS 205) and relevant records retention schedule. Contractor must not dispose of such records following the expiration of the relevant period without notification of and written approval from the City in accordance with Article 10.

In addition to the records to be stored by Contractor, all records that are possessed by Contractor in its service to the City to perform a governmental function are public records of the City pursuant to the Illinois Freedom of Information Act ("FOIA"), unless the records are exempt under the Act. FOIA requires that the City produce records in a very short period of time. If the Contractor receives a request from the City to produce records, the Contractor shall do so within 72 hours of the notice.

THE CONTRACTOR SHALL NOT COMMINGLE SERVICE TAX FUNDS WITH FUNDS FROM OTHER SOURCES, and to the extent that the Contractor conducts any business operations separate and apart from the Services hereunder using, for example, personnel, equipment, supplies or facilities also used in connection with this Agreement, then the Contractor shall maintain and make similarly available to the City detailed records supporting the Contractor's allocation to this Agreement of the costs and expenses attributable to any such shared usages.

The Contractor shall provide an annual audited financial statement (a "Third Party Audit") to the Department and the SSAC within 120 calendar days after the end of the calendar year, and the system of accounting shall be in accordance with generally accepted accounting principles and practices, consistently applied throughout. Contractor must comply with the requirements in Exhibit 8 with respect to any Third Party Audit. If any Third Party Audit shows that Contractor or any of its Subcontractors has overcharged the City in any period, the City will notify Contractor, and Contractor must then promptly reimburse the City for any amounts the City has paid Contractor due to the overcharges. Any failure to comply with the audit requirements set forth in Exhibit 8 of the Agreement shall constitute an event of default under the Agreement. If such event of default is not corrected to the City's satisfaction within the cure period identified by the City, the City may incur costs to conduct any supplementary audit it deems necessary, and Contractor must then promptly reimburse the City for any such costs. No provision in this Agreement granting the City a right of access to records and documents is intended to impair, limit or affect any right of access to such records and documents that the City would have had in the absence of such provisions.

The City may in its sole discretion audit the records of Contractor or its Subcontractors,

or both, at any time during the term of this Agreement or within five years after the Agreement ends, in connection with the goods, work, or services provided under this Agreement. Each calendar year or partial calendar year is considered an "audited period." If, as a result of such an audit, it is determined that Contractor or any of its Subcontractors has overcharged the City in the audited period, the City will notify Contractor. Contractor must then promptly reimburse the City for any amounts the City has paid Contractor due to the overcharges and also some or all of the cost of the audit, as follows:

A. If the audit has revealed overcharges to the City representing less than 5% of the total value, based on the Agreement prices, of the goods, work, or services provided in the audited period, then the Contractor must reimburse the City for 50% of the cost of the audit and 50% of the cost of each subsequent audit that the City conducts;

B. If, however, the audit has revealed overcharges to the City representing 5% or more of the total value, based on the Agreement prices, of the goods, work, or services provided in the audited period, then Contractor must reimburse the City for the full cost of the audit and of each subsequent audit.

If the City is unable to make a determination regarding overcharges to City as a result of Contractor's not having maintained records as required under this Agreement, Contractor must promptly reimburse the City for some or all of the cost of the audit, as determined in the sole discretion of the City. Failure of Contractor to promptly reimburse the City in accordance with this Section 3.07 is an event of default under Section 7.01 of this Agreement, and Contractor will be liable for all of the City's costs of collection, including any court costs and attorneys' fees.

3.08 Subcontracts and Assignments

The Contractor shall not assign, delegate, subcontract or otherwise transfer all or any part of its rights or obligations under this Agreement or any part hereof, unless otherwise provided for herein or without the express written consent of the SSAC. The absence of such provision or written consent shall void the attempted assignment, delegation or transfer and shall be of no effect as to the Services or this Agreement.

All subcontracts, all approvals of Subcontractors and any assignment to which the SSAC consents are, regardless of their form, deemed conditioned upon performance by the Subcontractor or assignee in accordance with the terms and conditions of this Agreement.

If the Contractor subcontracts for security services, the Subcontractor shall be a Security Firm certified by the State of Illinois and the Security Firm's employees shall be licensed by the State of Illinois. The Contractor, upon entering into any subcontract with a Security Firm, shall furnish the SSAC and the Department with a copy of the subcontract for their approval. The City expressly reserves the right to approve all Security Firm subcontracts.

3.09 License, Permits and Safety Considerations

A. Licenses and Permits

If the Contractor engages in Construction, it is responsible for and, in a timely manner consistent with its obligations hereunder, shall secure and maintain at its expense such permits, licenses, authorizations and approvals as are necessary for it to engage Construction under this Agreement

B. Safety Considerations

If the Contractor engages in Construction, it shall at all times exercise reasonable care, shall comply with all applicable provisions of federal, state and local laws to prevent accidents or injuries, and shall take all appropriate precautions to avoid damage to and loss of City property and the property of third parties in connection with the Construction. The Contractor shall erect and properly maintain at all times all necessary safeguards, barriers, flags and lights for the protection of its and its Subcontractors' employees, City employees and the public.

If the Contractor engages in Construction, it shall report to the Department any damage on, about, under or adjacent to City property or the property of third persons resulting from its performance under this Agreement. The Contractor is responsible for any damage to City property and the property of third parties due, in whole or in part, to the Contractor's Construction activities under this Agreement, and the Contractor shall repair such damage to a reasonably acceptable standard.

3.10 Performance Bond

If the Contractor engages in Construction work where expenditures exceed $100,000, it shall, not later than the date the Contractor begins such work or executes a subcontract for such work, provide or cause to be provided to the Department a performance and payment bond in the amount allocated for the Construction work (but not including the amount allocated for design and preparation of specifications), by a surety or sureties acceptable to the City. The performance bond shall be in the form and to the effect of Exhibit 6 hereto, which is incorporated by reference as if fully set forth here.

If any of the sureties on such bond at any time fail financially, or are deemed to be insufficient security for the penalty of the bond, then the City may, on giving 10 days notice thereof in writing, require the Contractor to furnish a new and additional bond with sureties satisfactory to the City, and, if so required, Contractor must promptly provide such bond.

ARTICLE 4 TERM OF SERVICES

The maximum compensation that the Contractor may be paid under this Agreement between January 1, 2015 and December 31, 2015 is the sum of (a) $667,350 or the total amount of Service Tax Funds actually collected, plus interest earned on those funds, for tax year 2014, whichever is less; (b) the total amount of Surplus Funds in the amount of $30,000 which are being carried over from previous program years and which contractor hereby acknowledges are in its possession; and (c) Late Collections in an amount not to exceed $000; the maximum compensation that the Contractor may be paid under this Agreement between January 1, 2015 and December 31, 2015, therefore, shall not exceed $697,350.

5.02 Budget for Services

The Contractor in conjunction with the SSAC has prepared a Budget through December 31, 2015, attached hereto as Exhibit 1 and incorporated by reference as if fully set forth here, covering all services described in the Scope of Services. Subject to the restriction that the maximum amount that may be spent in calendar year 2015 may not exceed $697,350, the SSAC reserves the right to transfer funds between line items or make Budget revisions that do not affect the maximum compensation set forth in Section 5.01. The SSAC shall revise the Budget if any part of the Contractor's Services is terminated.

5.03 Method of Payment

Pursuant to a schedule to be determined by the Commissioner, after the performance of Services pursuant to the terms of this Agreement, Contractor may submit invoices to the City to request reimbursement for such expenses. The Contractor must provide, along with the invoices, such additional documentation as the Commissioner requests to substantiate the Services. Upon the Commissioner's determination that the invoices are accurate, the City will process payment of the invoices.

The Contractor shall establish a separate checking account ("Account") in a bank authorized to do business in the State of Illinois that is insured by the Federal Deposit Insurance Corporation. All Service Tax Funds that the Comptroller transfers to the Contractor shall be deposited in the Account and disbursements from the Account shall be pursuant to this Agreement. THE CONTRACTOR IS RESPONSIBLE FOR RECONCILING THE ACCOUNT MONTHLY AND ACCOUNTING FOR ALL SERVICE TAX FUNDS. THE CONTRACTOR MUST REQUIRE ITS AUDITOR TO REPORT ON THE ACTIVITIES THAT ARE SUPPORTED BY THESE FUNDS IN A SEPARATE AUDIT TO ACCOUNT FOR CURRENT AND PRIOR YEARS' SERVICE TAX FUNDS.

The Contractor shall provide to the SSAC the signature card and sample check from the

bank which shows the signature(s) of the Contractor's authorized representative(s). The SSAC reserves the right to audit the account and require the Contractor to refund any funds that were not spent pursuant to the Budget or that were not approved by the SSAC. The name and address of the bank is _____ and the wire transfer and the Account numbers are _____.

All funds remaining in the Account at the expiration or early termination of this Agreement, including any interest earned, belong to the City for the benefit of the Area and shall be returned to the City to be used only for Special Services.

5.04 Criteria for Payment

The SSAC shall determine the reasonableness, allocability and allowability of any rates, costs and expenses charged or incurred by the Contractor.

5.05 Funding

Payments under this Agreement shall be made from Service Tax Funds in fund number _____ and are subject to the availability of funds therein.

5.06 Non-Appropriation

In the event that no funds or insufficient funds are appropriated and budgeted in any City fiscal period for payments to be made under this Agreement, then the City will notify the Contractor of such occurrence and this Agreement shall terminate on the earlier of the last day of the fiscal period for which sufficient appropriation was made or whenever the funds appropriated for payment under this Agreement are exhausted. No payments shall be made or due to the Contractor under this Agreement beyond those amounts appropriated and budgeted by the City to fund payments hereunder.

ARTICLE 6 SPECIAL CONDITIONS

Failure by the Contractor or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be a default for which no cure is available and grounds for termination of this Agreement.

6.02 Economic Disclosure Statement and Affidavit

The Contractor has provided the City with an Economic Disclosure Statement (EDS) and Affidavit, "Familial Relationships with Elected City Officials and Department Heads," which is attached hereto as Exhibit 2 and incorporated by reference as if fully set forth herein. Contractor shall apprise the Department promptly of any changes in the information provided in the EDS by completing and submitting a revised EDS.

In addition, the Contractor shall provide the City with copies of its latest articles of incorporation, by-laws and resolutions, or partnership or joint venture agreement, as applicable, and evidence of its authority to do business in the State of Illinois, including without limitation, registrations of assumed names or limited partnerships and certifications of good standing with the Office of the Secretary of State of Illinois.

Furthermore, no SSAC member, relative of any SSAC member, City official, agent or employee shall be a Subcontractor or have any financial interest in any Subcontractor, employee or shareholder of the Contractor or receive anything of value from the Contractor.

No member of or delegate to the Congress of the United States or the Illinois General Assembly and no alderman of the City or City employee shall be admitted to any share or part of this Agreement or to any financial benefit to arise from it. The Contractor acknowledges that any agreement entered into, negotiated or performed in violation of any of the provisions of Chapter 2-156 shall be voidable by the City.

The Contractor agrees that if the Commissioner in his reasonable judgment determines that any of the Contractor's services for others conflict with the Services the Contractor is to provide for the City under this Agreement, the Contractor shall terminate such other services immediately upon request of the City.

6.04 Non-liability of Public Officials

No official, employee or agent of the City shall be charged personally by the Contractor, or by any assignee or Subcontractor of the Contractor, with any liability or expenses of defense or be held personally liable to them under any term or provision hereof, because of the City's execution or attempted execution hereof, or because of any breach hereof.

6.05 Independent Contractor

Among other things, the City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Contractor is aware that City policy prohibits City employees from directing any individual to apply for a position with Contractor, either as an employee or as a subcontractor, and from directing Contractor to hire an individual as an employee or as a subcontractor. Accordingly, Contractor must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Contractor under this Agreement are employees or subcontractors of Contractor, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Contractor.

(iii) Contractor will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or

entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to Contractor by a City employee or City official in violation of Section (ii) above, or advocating a violation of Section (iii) above, Contractor will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General, and also to the head of the relevant City Department utilizing services provided under this Agreement. Contractor will also cooperate with any inquiries by OIG Hiring Oversight related to the contract.

(c) The parties agree that this Contract is solely for the benefit of the parties and nothing herein is intended to create any third party beneficiary rights for subcontractors or other third parties.

6.06 Business Relationships with Elected Officials

Pursuant to MCC Sect. 2-156-030(b), it is illegal for any elected official, or any person acting at the direction of such official, to contact either orally or in writing any other City official or employee with respect to any matter involving any person with whom the elected official has any business relationship that creates a financial interest on the part of the official, or the domestic partner or spouse of the official, or from whom or which he has derived any income or compensation during the preceding twelve months or from whom or which he reasonably expects to derive any income or compensation in the following twelve months. In addition, no elected official may participate in any discussion in any City Council committee hearing or in any City Council meeting or vote on any matter involving the person with whom the elected official has any business relationship that creates a financial interest on the part of the official, or the domestic partner or spouse of the official, or from whom or which he has derived any income or compensation during the preceding twelve months or from whom or which he reasonably expects to derive any income or compensation in the following twelve months.

Violation of MCC Sect. 2-156-030 by any elected official with respect to this contract will be grounds for termination of this contract. The term financial interest is defined as set forth in MCC Chapter 2-156.

6.07 Chicago "Living Wage" Ordinance

(a) Section 2-92-610 of the Municipal Code of Chicago provides for a living wage for certain categories of workers employed in the performance of City contracts, specifically non-City employed security guards, parking attendants, day laborers, home and health care workers, cashiers, elevator operators, custodial workers and clerical workers ("**Covered Employees**"). Accordingly, pursuant to Section 2-92-610 and regulations

promulgated under it:

(i) If Contractor has 25 or more full-time employees, and

(ii) If at any time during the performance of this Agreement, Contractor and/or any Subcontractor or any other entity that provides any portion of the Services (collectively "**Performing Parties**") uses 25 or more full-time security guards, or any number of other full-time Covered Employees, then

(iii) Contractor must pay its Covered Employees, and must assure that all other Performing Parties pay their Covered Employees, not less than the minimum hourly rate as determined in accordance with this provision (the "**Base Wage**") for all Services performed under this Agreement.

(b) Contractor's obligation to pay, and to assure payment of, the Base Wage will begin at any time during the term of this Agreement when the conditions set forth in (a)(i) and (a)(ii) above are met, and will continue until the end of the term of this Agreement.

(c) As of July 1, 2014, the Base Wage is $11.93 per hour, and each July 1 thereafter, the Base Wage will be adjusted, using the most recent federal poverty guidelines for a family of four as published annually by the U.S. Department of Health and Human Services, to constitute the following: the poverty guidelines for a family of four divided by 2000 hours or the current base wage, whichever is higher. At all times during the term of this Agreement, Contractor and all other Performing Parties must pay the Base Wage (as adjusted in accordance with the above). If the payment of prevailing wages is required for Services done under this Agreement, and the prevailing wages for Covered Employees are higher than the Base Wage, then Contractor and all other Performing Parties must pay the prevailing wage rates.

(d) Contractor must include provisions in all subcontracts requiring its Subcontractors to pay the Base Wage to Covered Employees. Contractor agrees to provide the City with documentation acceptable to the Chief Procurement Officer demonstrating that all Covered Employees, whether employed by Contractor or by a Subcontractor, have been paid the Base Wage, upon the City's request for such documentation. The City may independently audit Contractor and/or Subcontractors to verify compliance with this section. Failure to comply with the requirements of this section will be an event of default under this Agreement, and further, failure to comply may result in ineligibility for any award of a City contract or subcontract for up to 3 years.

(e) Not-for-Profit Corporations: If Contractor is a corporation having federal tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and is recognized under Illinois not-for-profit law, then the provisions of Sections (a) through (d) above do not apply.

6.08 Deemed Inclusion

Provisions required by law, ordinances, rules, regulations or executive orders to be inserted in this Agreement are deemed inserted in this Agreement whether or not they appear in this Agreement or, upon application by either party, this Agreement will be amended to make the insertion; however, in no event will the failure to insert the provisions before or after this Agreement is signed prevent its enforcement.

6.09 Environmental Warranties and Representations

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Contractor warrants and represents that it, and to the best of its knowledge, its subcontractors have not violated and are not in violation of the following sections of the Code (collectively, the Waste Sections):

7-28-390 Dumping on public way;
7-28-440 Dumping on real estate without permit;
11-4-1410 Disposal in waters prohibited;
11-4-1420 Ballast tank, bilge tank or other discharge;
11-4-1450 Gas manufacturing residue;
11-4-1500 Treatment and disposal of solid or liquid waste;
11-4-1530 Compliance with rules and regulations required;
11-4-1550 Operational requirements; and
11-4-1560 Screening requirements.

During the period while this Agreement is executory, Contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Commissioner. Such breach and default entitles the City to all remedies under the Agreement, at law or in equity.

This section does not limit Contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement.

Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect Contractor's eligibility for future contract awards.

6.10 EDS / Certification Regarding Suspension and Debarment

Contractor certifies, as further evidenced in the EDS attached as Exhibit 2, by its acceptance of this Agreement that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this

transaction by any federal department or agency. Contractor further agrees by executing this Agreement that it will include this clause without modification in all lower tier transactions, solicitations, proposals, contracts and subcontracts. If Contractor or any lower tier participant is unable to certify to this statement, it must attach an explanation to the Agreement.

6.11 Ethics

(a) In addition to other warranties and representations, Contractor warrants:

(i) no officer, agent or employee of the City is employed by Contractor or has a financial interest directly or indirectly in this Agreement or the compensation to be paid under this Agreement except as may be permitted in writing by the Board of Ethics established under Chapter 2-156 of the Municipal Code .

(ii) no payment, gratuity or offer of employment will be made in connection with this Agreement by or on behalf of any Subcontractors to Contractor or higher tier Subcontractors or anyone associated with them, as an inducement for the award of a subcontract or order.

(b) Contractor must comply with Chapter 2-156 of the Municipal Code. Contractor acknowledges that any Agreement entered into, negotiated or performed in violation of any of the provisions of Chapter 2-156, including any contract entered into with any person who has retained or employed a non-registered lobbyist in violation of Section 2-156-305 of the Municipal Code is voidable as to the City.

6.12 MacBride Ordinance

The City of Chicago through the passage of the MacBride Principles Ordinance seeks to promote fair and equal employment opportunities and labor practices for religious minorities in Northern Ireland and provide a better working environment for all citizens in Northern Ireland.

In accordance with Section 2-92-580 of the Municipal Code of the City of Chicago, if Contractor conducts any business operations in Northern Ireland, the Contractor must make all reasonable and good faith efforts to conduct any business operations in Northern Ireland in accordance with the MacBride Principles for Northern Ireland as defined in Illinois Public Act 85-1390 (1988 Ill. Laws 3220).

The provisions of this Section 6.12 do not apply to contracts for which the City receives funds administered by the United States Department of Transportation, except to the extent Congress has directed that the Department of Transportation not withhold funds from states and localities that choose to implement selective purchasing policies based on agreement to comply with the MacBride Principles for Northern Ireland, or to the extent that such funds are not otherwise withheld by the Department of Transportation.

6.13 Duty to Report Corrupt or Unlawful Activity

Pursuant to §2-156-018 of the Municipal Code, it is the duty of the Contractor to report to the Inspector General, directly and without undue delay, any and all information concerning conduct which it knows to involve corrupt activity. "Corrupt Activity" means any conduct set forth in Subparagraph (a)(1), (2) or (3) of §1-23-020 of the Municipal Code. Knowing failure to make such a report will be an event of default under this Agreement. Reports may be made to the Inspector General's toll free hotline, 866-IG-TIPLINE (866-448-4754).

ARTICLE 7 EVENTS OF DEFAULT, REMEDIES, TERMINATION, RIGHT TO OFFSET, SUSPENSION

7.01 Events of Default Defined

The following constitute events of default:

A. Any material misrepresentation, whether negligent or willful and whether in the inducement or in the performance, made by Contractor to the City.

B. Contractor's material failure to perform any of its obligations under the Agreement including, but not limited to, the following:

(1) failure to commence or ensure timely completion of the Services due to a reason or circumstance within Contractor's reasonable control;

(2) failure to perform the Services in a manner satisfactory to the City;

(3) failure to promptly re-perform within a reasonable time Services that were rejected as erroneous or unsatisfactory;

(4) discontinuance of the Services for reasons within the Contractor's reasonable control;

(5) failure to comply with a material term of this Agreement, including but not limited to the provisions concerning insurance and nondiscrimination; and

(6) any other acts specifically and expressly stated in this Agreement as constituting an event of default.

C. The Contractor's default under any other agreement it may presently have or may enter into with the City during the life of this Agreement. The Contractor acknowledges and agrees that in the event of a default under this Agreement the City may also declare a default under any such other agreements.

7.02 Remedies

The occurrence of any event of default which the Contractor fails to cure within 14 calendar days after receipt of notice specifying such default or which, if such event of default cannot reasonably be cured within 14 calendar days after notice, the Contractor fails, in the sole opinion of the Commissioner, to commence and continue diligent efforts to cure, permits the City to declare the Contractor in default. Whether to declare the Contractor in default is within the sole discretion of the Commissioner. Written notification of the default, and any intention of the City to terminate the Agreement, shall be provided to Contractor and such decision is final and effective upon Contractor's receipt of such notice. Upon receipt of such notice, the Contractor must discontinue any services, unless otherwise directed in the notice, and deliver all materials accumulated in the performance of this Agreement, whether completed or in the process of completion, to the City. At such time the City may invoke any legal or equitable remedy available to it including, but not limited to, the following:

A. The right to take over and complete the Services or any part thereof as agent for and at the cost of the Contractor, either directly or through others. The Contractor shall have, in such event, the right to offset from such cost the amount it would have cost the City under the terms and conditions herein had the Contractor completed the Services.

B. The right to terminate this Agreement as to any or all of the Services yet to be performed, effective at a time specified by the City.

C. The right of specific performance, an injunction or any other appropriate equitable remedy.

D. The right to money damages.

E. The right to withhold all or any part of Contractor's compensation hereunder.

F. The right to deem Contractor non-responsible in future contracts to be awarded by the City.

If the City considers it to be in its best interest, it may elect not to declare default or to terminate this Agreement. The parties acknowledge that this provision is solely for the benefit of the City and that if the City permits the Contractor to continue to provide the Services despite one or more events of default, the Contractor is in no way relieved of any of its responsibilities, duties or obligations under this Agreement nor does the City waive or relinquish any of its rights. No delay or omission to exercise any right accruing upon any event of default impairs any such right nor shall it be construed as a waiver of any event of default or acquiescence therein, and every such right may be exercised from time to time and as often as may be deemed expedient.

7.03 Right to Offset

The City reserves its rights under § 2-92-380 of the Municipal Code of Chicago and the Commissioner shall consult with the SSAC before exercising such rights.

7.04 Suspension

The City may at any time request that the Contractor suspend its Services, or any part thereof, by giving 15 days prior written notice to the Contractor or upon no notice in the event of emergency. No costs incurred after the effective date of such suspension shall be allowed. The Contractor shall promptly resume its performance upon written notice by the Department. The Budget may be revised pursuant to Section 5.02 to account for any additional costs or expenses actually incurred by the Contractor as a result of recommencing the Services.

7.05 No Damages for Delay

The Contractor agrees that it, its members, if a partnership or joint venture and its Subcontractors shall make no claims against the City for damages, charges, additional costs or hourly fees for costs incurred by reason of delays or hindrances by the City in the performance of its obligations under this Agreement.

7.06 Early Termination

In addition to termination for default, the City may, at any time, elect to terminate this Agreement or any portion of the Services to be performed under it at the sole discretion of the Commissioner by a written notice to the Contractor. If the City elects to terminate the Agreement in full, all Services shall cease and all materials accumulated in performing this Agreement, whether completed or in the process of completion, shall be delivered to the Department within 10 days after receipt of the notice or by the date stated in the notice.

During the final ten days or other time period stated in the notice, the Contractor shall restrict its activities, and those of its Subcontractors, to winding down any reports, analyses, or other activities previously begun. No costs incurred after the effective date of the termination are allowed. Payment for any Services actually and satisfactorily performed before the effective date of the termination shall be on the same basis as set forth in Article 5 hereof, but if any compensation is described or provided for on the basis of a period longer than ten days, then the compensation shall be prorated accordingly.

If a court of competent jurisdiction determines that the City's election to terminate this Agreement for default has been wrongful, then such termination shall be deemed to be an early termination.

8.10 Miscellaneous Provisions

Whenever under this Agreement the City by a proper authority waives the Contractor's

performance in any respect or waives a requirement or condition to the Contractor's performance, the waiver, whether express or implied, applies only to that particular instance and is not a waiver forever or for subsequent instances of the performance, requirement or condition. No waiver shall be construed as a modification of the Agreement regardless of the number of times the City may have waived the performance, requirement or condition.

The Contractor must also provide to the City, no later than June 1st of each year, a Full-Year Assessment. Explanations

COOK COUNTY

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day and Veterans Day in some classifications/counties. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration. If in doubt, please check with IDOL.

TRUCK DRIVERS (WEST) - That part of the county West of Barrington Road.

EXPLANATION OF CLASSES

ASBESTOS - MECHANICAL - removal of asbestos material from mechanical systems, such as pipes, ducts, and boilers, where the mechanical systems are to remain.
