WHEREAS, the Borrower has met with certain financial difficulties in the operation of the Building, and requested that DPD approve a proposed restructuring of the Loan; and

The City agrees to provide the Title Company with a completed ALTA owner's statement, and other transfer documents typically required by the Title Company and typically provided by the City (but expressly excluding, however, "gap" undertakings, title indemnities and similar liabilities) at or prior to the City Land Closing. At the City Land Closing, the Partnership shall deliver to the City a copy of the owner's policy of title insurance that it obtains with respect to the City Land.

The City shall have no obligation to cure title defects; provided; however, if there are exceptions for general real estate tax liens which accrued prior to the City Land Closing with respect to the City Land, the City shall file a petition to vacate the tax sale in the Circuit Court of Cook County if the tax liens have been sold and/or seek to abate the tax liens by filing a tax abatement letter with the appropriate Cook County authorities or, filing tax injunction proceedings in the Circuit Court of Cook County, but shall have no further obligation with respect to any such taxes. If the City is unable to obtain the waiver or release of any such tax liens or is unable to cause the Title Company to insure over such tax liens, or if the City Land is encumbered with any other unpermitted exceptions, the Partnership shall have the option to do one of the following: (a) accept title to the City Land subject to the unpermitted exceptions, which shall then become permitted exceptions; or (b) terminate this Agreement by delivery of written notice to the City at least fourteen (14) days prior to the scheduled date for the City Land Closing.

The Partnership shall obtain and furnish the City with three (3) copies of a survey of the Property at the Partnership's sole cost and expense.

The Bickerdike / Partnership Parties hereby acknowledge that, in purchasing the City Land, the Bickerdike / Partnership Parties are relying solely upon their own inspection and other due diligence activities and not upon any information (including, without limitation, environmental studies or reports of any kind) provided by or on behalf of the City or its agents or employees with respect thereto. The Bickerdike / Partnership Parties shall perform such studies and investigations, conduct such tests and surveys, and engage such specialists as the Bickerdike / Partnership Parties deem appropriate to evaluate fairly the structural, physical and environmental condition and risks of the City Land. If, after the City Land Closing, the structural, physical and environmental condition of the City Land is not in all respects entirely suitable for their intended use, it shall be the Bickerdike / Partnership Parties' sole responsibility and obligation to take such action as is necessary to put the City Land in a condition which is suitable for its intended use.

4.05 DPD Approval. Any approval granted by DPD of the Scope Drawings, Plans and Specifications and the Change Orders is for the purposes of this Agreement only and does not affect or constitute any approval required by any other City department or pursuant to any City ordinance, code, regulation or any other governmental approval, nor does any approval by DPD

pursuant to this Agreement constitute approval of the quality, structural soundness or safety of the Property or the Project.

4.06 Other Approvals. Any DPD approval under this Agreement shall have no effect upon, nor shall it operate as a waiver of, Partnership's obligations to comply with the provisions of Section 6.03 (Other Governmental Approvals) hereof. Partnership shall not commence construction of the Project until Partnership has obtained all necessary permits and approvals (including but not limited to DPD's approval of the Scope Drawings and Plans and Specifications) and proof of the General Contractor's and each subcontractor's bonding as required hereunder.

4.07 Progress Reports and Survey Updates. Partnership shall provide DPD with written quarterly progress reports detailing the status of the Project, including a revised completion date, if necessary (with any change in completion date being considered a Change Order, requiring DPD's written approval pursuant to Section 4.04). If approved by DPD, the inspecting agent or architect may be the same one being used in such role by the lender providing Lender Financing, provided that such agent or architect (a) is not also the Partnership's agent or architect and (b) acknowledges in writing to the City that the City may rely on the findings of such agent or architect.

4.09 Barricades. Prior to commencing any construction requiring barricades, Partnership shall install a construction barricade of a type and appearance satisfactory to the City and constructed in compliance with all applicable federal, state or City laws, ordinances and regulations. DPD retains the right to approve the maintenance, appearance, color scheme, painting, nature, type, content and design of all barricades.

4.10 Signs and Public Relations. Partnership shall erect a sign of size and style approved by the City in a conspicuous location on the Property during the Project, indicating that financing has been provided by the City. Exhibit C sets forth, by line item, the TIF-Funded Improvements for the Project, and the maximum amount of costs that may be paid by or reimbursed from City Funds for each line item therein (subject to Sections 5.03(b) and 5.05(d)), contingent upon receipt by the City of documentation satisfactory in form and substance to DPD evidencing such cost and its eligibility as a Redevelopment Project Cost.

(b) Sources of City Funds. Subject to the terms and conditions of this Agreement, including but not limited to this Section 5.03 and Section 6 hereof, the City hereby agrees to provide City funds from the sources and in the amounts described directly below (the "City Funds") to pay for or reimburse Developer Parties for the costs of the TIF-Funded Improvements:

Source of City Funds	Maximum Amount

provided, however, that the total amount of City Funds expended for TIF-Funded Improvements shall be an amount not to exceed $6,450,503 of the Final Project Cost; and provided further,

that the $6,450,503 to be derived from Available Incremental Taxes and/or TIF Bond proceeds shall be available to pay costs related to TIF-Funded Improvements and allocated by the City for that purpose only so long as the amount of the Available Incremental Taxes deposited into the TIF Fund shall be sufficient to pay for such costs.

Developer Parties acknowledge and agree that the City's obligation to pay for TIF-Funded Improvements up to a maximum of $6,450,503 is contingent upon the fulfillment of the conditions set forth in parts (i) and (ii) above. In the event that such conditions are not fulfilled, the amount of Equity to be contributed by Developer Parties pursuant to Section 5.01 hereof shall increase proportionately.

(c) City Funds. Subject to the conditions described in this Section 5.03, the City shall pay City Funds to Developer Parties in four installments as follows:

DPD shall have the right, in its sole discretion, to disallow any such expenditure as a Prior Expenditure. Exhibit I hereto sets forth the prior expenditures approved by DPD as of the date hereof as Prior Expenditures. (ii) For Project work other than the TIF-Funded Improvements, if Developer selected a General Contractor (or the General Contractor selects any subcontractor) who did not submit the lowest responsible bid, the difference between the lowest responsible bid and the higher bid selected shall be subtracted from the actual total Project costs for purposes of the calculation of the amount of City Funds to be contributed to the Project pursuant to Section 5.03(b) hereof. (f) There exists neither an Event of Default (after any applicable cure period) which is continuing nor a condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default.

DPD shall respond to the Partnership's written request for a Certificate within forty-five (45) days by issuing either the requested Certificate or a written statement detailing the ways in which the Project as a whole does not conform to this Agreement or has not been satisfactorily completed, and the measures that must be taken by the Partnership in order to obtain the Certificate. The Partnership may resubmit a written request for a Certificate upon its completion of such measures.

8.02 Effect of Issuance of Certificate; Continuing Obligations. The Certificate relates only to the construction of the Project, and upon its issuance, the City will certify that the terms of the Agreement specifically related to Partnership's obligation to complete such activities have been satisfied. After the issuance of a Certificate, however, all executory terms and conditions of this Agreement and all representations and covenants contained herein will continue to remain in full force and effect throughout the Term of the Agreement as to the parties described in the following paragraph, and the issuance of the Certificate shall not be construed as a waiver by the City of any of its rights and remedies pursuant to such executory terms.

Those covenants specifically described at Sections 9.02, 9.06, 9.19 and 9.21 as covenants that run with the land are the only covenants in this Agreement intended to be binding upon any transferee of the Property (including an assignee as described in the following sentence) throughout the Term of the Agreement notwithstanding the issuance of a Certificate; provided, that upon the issuance of a Certificate, the covenants set forth in Section 9.02 shall be deemed to have been fulfilled. The other executory terms of this Agreement that remain after the issuance of a Certificate shall be binding only upon Developer Parties or a permitted assignee of Developer Parties who, pursuant to Section 19.15 of this Agreement, has contracted to take an assignment of Developer's rights under this Agreement and assume Developer Parties' liabilities hereunder.

(b) the right (but not the obligation) to complete those TIF-Funded Improvements that are public improvements and to pay for the costs of TIF-Funded Improvements (including interest costs) out of City Funds or other City monies. In the event that the aggregate cost of completing the TIF-Funded Improvements exceeds the amount of City Funds available pursuant to Section 5.01, Developer Parties shall reimburse the City for all reasonable costs and expenses incurred by the City in completing such TIF-Funded Improvements in excess of the available City Funds; and

(c) the right to seek reimbursement of the City Funds from Developer Parties, provided that the City is entitled to rely on an opinion of counsel that such reimbursement will not jeopardize the tax-exempt status of the TIF Bonds.

(q) such party understands it may not sell, assign, pledge or otherwise transfer its interest in this Agreement or City Funds in whole or in part, and, to the fullest extent permitted by law, agrees to indemnify the City for any losses, claims, damages or expenses relating to or based upon any sale, assignment, pledge or transfer of City Funds in violation of this Agreement; and

(r) such party acknowledges that with respect to City Funds, the City has no obligation to provide any continuing disclosure to the Electronic Municipal Market Access System maintained by the Municipal Securities Rulemaking Board, to any holder of a note relating to City Funds or any other person under Rule 15c2-12 of the Commission promulgated under the Securities Exchange Act of 1934 or otherwise, and shall have no liability with respect thereto.

Developer Parties shall, at Developer Parties' expense, cooperate and provide reasonable assistance in connection with the marketing of any such Bonds, including but not limited to providing written descriptions of the Project, making representations, providing information regarding its financial condition and assisting the City in preparing an offering statement with respect thereto.

Developer shall deliver to the City written progress reports detailing compliance with the requirements of Sections 9.09, 11.02 and 11.03 of this Agreement. Such reports shall be delivered to the City on a monthly basis until the Project is completed. If any such reports indicate a shortfall in compliance, Developer shall also deliver a plan to DPD which shall outline, to DPD's satisfaction, the manner in which Developer Parties shall correct any shortfall.

9.08 Employment Profile. Developer Parties shall submit, and contractually obligate and cause the General Contractor or any subcontractor to submit, to DPD, from time to time, statements of its employment profile upon DPD's request.

9.09 Prevailing Wage. Developer Parties covenant and agree to pay, and to contractually obligate and cause the General Contractor and each subcontractor to pay, the prevailing wage rate as ascertained by the Illinois Department of Labor (the "Department"), to all Project employees. All such contracts shall list the specified rates to be paid to all laborers, workers and mechanics for each craft or type of worker or mechanic employed pursuant to such contract. If the Department revises such prevailing wage rates, the revised rates shall apply to all such contracts. Upon the City's request, Developer Parties shall provide the City with copies of all such contracts entered into by Developer or the General Contractor to evidence compliance with this Section 9.09.

9.10 Arms-Length Transactions. Unless DPD has given its prior written consent with respect thereto, no Affiliate of Developer Parties may receive any portion of City Funds, directly or indirectly, in payment for work done, services provided or materials supplied in connection with any TIF-Funded Improvement. Developer Parties shall provide information with respect to any entity to receive City Funds directly or indirectly (whether through payment to the Affiliate by Developer Parties and reimbursement to Developer Parties for such costs using City Funds, or otherwise), upon DPD's request, prior to any such disbursement.

9.11 Conflict of Interest. Pursuant to Section 5/11-74.4-4(n) of the Act, each of Developer Parties represent, warrant and covenant that, to the best of its knowledge, no member, official, or employee of the City, or of any commission or committee exercising authority over the Project, the Redevelopment Area or the Redevelopment Plan, or any consultant hired by the City or Developer Parties with respect thereto, owns or controls, has owned or controlled or will own or control any interest, and no such person shall represent any person, as agent or otherwise, who owns or controls, has owned or controlled, or will own or

Except for the Permitted Liens, Partnership agrees to pay or cause to be paid when due any Non-Governmental Charge assessed or imposed upon the Project, the Property or any fixtures that are or may become attached thereto, which creates, may create, or appears to create a lien upon all or any portion of the Property or Project; provided however, that if such Non-Governmental Charge may be paid in installments, Partnership may pay the same together with any accrued interest thereon in installments as they become due and before any fine, penalty, interest, or cost may be added thereto for nonpayment. Partnership shall furnish to DPD, within thirty (30) days of DPD's request, official receipts from the appropriate entity, or other proof satisfactory to DPD, evidencing payment of the Non-Governmental Charge in question.

(b) Right to Contest. Partnership has the right, before any delinquency occurs:

(i) to contest or object in good faith to the amount or validity of any Non-Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charge, prevent the imposition of a lien or remove such lien, or prevent the sale or forfeiture of the Property (so long as no such contest or objection shall be deemed or construed to relieve, modify or extend Partnership's covenants to pay any such Non-Governmental Charge at the time and in the manner provided in this Section 9.15); or

(ii) at DPD's sole option, to furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully any such contested Non-Governmental Charge and all interest and penalties upon the adverse determination of such contest.

9.16 Developer Parties' Liabilities. None of the Developer Parties shall enter into any transaction that would materially and adversely affect its ability to perform its obligations hereunder or to repay any material liabilities or perform any material obligations of Developer Parties to any other person or entity. Developer Parties shall immediately notify DPD of any and all events or actions which may materially affect Developer Parties' ability to carry on its

business operations or perform its obligations under this Agreement or any other documents and agreements.

9.17 Compliance with Laws.

(a) Representation. To the best of Developer Parties' knowledge, after diligent inquiry, the Property and the Project are and shall be, as and when required, in compliance with all applicable Laws pertaining to or affecting the Project and the Property. Upon the City's request, Developer Parties shall provide evidence satisfactory to the City of such compliance.

(b) Covenant. Partnership covenants that the Property and the Project will be operated and managed in compliance with all Laws. Upon the City's request, the Partnership shall provide evidence to the City of its compliance with this covenant.

9.18 Recording and Filing. Partnership shall cause this Agreement, certain exhibits (as specified by Corporation Counsel), all amendments and supplements hereto to be recorded and filed against the Property on the date hereof in the conveyance and real property records of the county in which the Project is located. This Agreement shall be recorded prior to any mortgage made in connection with Lender Financing. Partnership shall pay all fees and charges incurred in connection with any such recording. Upon recording, Partnership shall immediately transmit to the City an executed original of this Agreement showing the date and recording number of record.

9.19 Real Estate Provisions.

(a) Governmental Charges.

(i) Payment of Governmental Charges. Partnership agrees to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon Partnership, the Property or the Project, or become due and payable, and which create, may create, a lien upon Partnership or all or any portion of the Property or the Project. "Governmental Charge" shall mean all federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties of the State other than Cook County, and municipalities other than the City) relating to Partnership, the Property or the Project including but not limited to real estate taxes.

(ii) Right to Contest. Partnership has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or forfeiture of the Property. No such contest or objection shall be deemed or construed in any way as relieving, modifying or extending Partnership's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless Partnership has given prior written notice to DPD of Partnership's intent to contest or object to a Governmental Charge and, unless, at DPD's sole option,

(iii) Partnership shall demonstrate to DPD's satisfaction that legal proceedings instituted by Partnership contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of, all or any part of the Property to satisfy such Governmental Charge prior to final determination of such proceedings; and/or

(iv) Partnership shall furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

(b) Partnership's Failure To Pay Or Discharge Lien. If Partnership fails to pay any Governmental Charge or to obtain discharge of the same, Partnership shall advise DPD thereof in writing, at which time DPD may, but shall not be obligated to, and without waiving or releasing any obligation or liability of Partnership under this Agreement, in DPD's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which DPD deems advisable. All sums so paid by DPD, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be promptly disbursed to DPD by Partnership. Notwithstanding anything contained herein to the contrary, this paragraph shall not be construed to obligate the City to pay any such Governmental Charge. Additionally, if Partnership fails to pay any Governmental Charge, the City, in its sole discretion, may require Partnership to submit to the City audited Financial Statements at Partnership's own expense.

(c) Real Estate Taxes.

(i) Real Estate Tax Exemption. With respect to the Property or the Project, neither the Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to the Partnership shall, during the Term of this Agreement, seek, or authorize any exemption (as such term is used and defined in the Illinois Constitution, Article IX, Section 6 (1970)) for any year that the Redevelopment Plan is in effect, except any exemption for which DPD has provided its prior written consent.

(ii) Covenants Running with the Land. The parties agree that the restrictions contained in this Section 9.19(c) are covenants running with the land and this Agreement shall be recorded by the Partnership as a memorandum thereof, at the Partnership's expense, with the Cook County Recorder of Deeds on the Closing Date. These restrictions shall be binding upon the Partnership and its agents, representatives, lessees, successors, assigns and transferees from and after the date hereof, provided however, that the covenants shall be released when the Redevelopment Area is no longer in effect. The Partnership agrees that any sale, lease, conveyance, or transfer of title to all or any portion of the Property or Redevelopment Area from and after the date hereof shall be made explicitly subject to such covenants and restrictions. Notwithstanding anything contained in this Section 9.19(c) to the contrary, the City, in its sole discretion and by its sole action, without the joinder or concurrence of the

Partnership, their successors or assigns, may waive and terminate the Developer Parties' covenants and agreements set forth in this Section 9.19(c).

(d) Notification to the Cook County Assessor of Change in Use and Ownership. Prior to the Closing Date, Partnership shall complete a letter of notification, in accordance with 35 ILCS 200/15-20, notifying the Cook County Assessor that there has been a change in use and ownership of the Property. On the Closing Date, Partnership shall pay to the Title Company the cost of sending the notification to the Cook County Assessor via certified mail, return receipt requested. After delivery of the notification, Partnership shall forward a copy of the return receipt to DPD, with a copy to the City's Corporation Counsel's office.

9.20 Survival of Covenants. All warranties, representations, covenants and agreements of Developer Parties contained in this Section 9 and elsewhere in this Agreement shall be true, accurate and complete at the time of Developer Parties' execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and (except as provided in Section 8 hereof upon the issuance of a Certificate) shall be in effect throughout the Term of the Agreement.

9.21 Annual Compliance Report. Beginning in the year of the issuance of the Certificate and continuing for the subsequent ten years, Partnership shall submit to DPD the Annual Compliance Report within 30 days after the end of the calendar year to which the Annual Compliance Report relates. Failure by Developer to submit the Annual Compliance Report shall constitute an Event of Default under Section 16.01 hereof, without notice or opportunity to cure pursuant to Section 16.03 hereof. The covenants contained in this Section 9.21 shall run with the land and be binding upon any transferee for the Term of the Agreement.

9.22 Inspector General. It is the duty of Developer Parties and the duty of any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all of Developer Parties' officers, directors, agents, partners, and employees and any such bidder, proposer, contractor, subcontractor or such applicant: (a) to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code and (b) to cooperate with the Legislative Inspector General in any investigation undertaken pursuant to Chapter 2-55 of the Municipal Code. Each of the Developer Parties represents that it understands and will abide by all provisions of Chapters 2-56 and 2-55 of the Municipal Code and that it will inform subcontractors of this provision and require their compliance.

9.23 Energy Star Recognition. Not later than the second anniversary of the Certificate issuance, the Developer Partnership shall provide evidence of Energy Star Recognition.

9.24. FOIA and Local Records Act Compliance.

(a) FOIA. The Developer Parties acknowledges that the City is subject to the Illinois Freedom of Information Act, 5 ILCS 140/1 et. seq., as amended ("FOIA"). The FOIA requires the City to produce records (very broadly defined in FOIA) in response to a FOIA request in a very short period of time, unless the records requested are exempt under the FOIA. If the Developer Parties receive a request from the City to produce records within the scope of FOIA, then the Developer Parties covenant to comply with such request within 48 hours of the date of

such request. Failure by the Developer Parties to timely comply with such request shall be an Event of Default.

(b) Exempt Information. Documents that any of the Developer Parties submits to the City under Section 9.21, (Annual Compliance Report) or otherwise during the Term of the Agreement that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents submitted by any of the Developer Parties to be treated as a trade secret or information that would cause competitive harm, FOIA requires that Developer Parties mark any such documents as "proprietary, privileged or confidential." If any Developer Parties marks a document as "proprietary, privileged and confidential", then DPD will evaluate whether such document may be withheld under the FOIA. DPD, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General's Office and/or the courts.

(c) Local Records Act. Each of the Developer Parties acknowledges that the City is subject to the Local Records Act, 50 ILCS 205/1 et. seq, as amended (the "Local Records Act"). The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, the Developer covenants Parties covenant to use its best efforts consistently applied to assist the City in its compliance with the Local Records Act

9.25 Survival of Covenants. All warranties, representations, covenants and agreements of Developer Parties contained in this Section 9 and elsewhere in this Agreement shall be true, accurate and complete at the time of Developer Parties' execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and (except as provided in Section 8 hereof upon the issuance of a Certificate of Completion) shall be in effect throughout the Term of the Agreement.

SECTION 10. COVENANTS/REPRESENTATIONS/WARRANTIES OF CITY

10.01 General Covenants. The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations hereunder.

10.02 Survival of Covenants. All warranties, representations, and covenants of the City contained in this Section 10 or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

SECTION 11. DEVELOPER PARTIES' EMPLOYMENT OBLIGATIONS

11.01 Employment Opportunity. Developer Parties, on behalf of itself and its successors and assign, hereby agree, and shall contractually obligate its or their various contractors, subcontractors or any Affiliate of Developer Parties operating on the Property (collectively, with Developer Parties, the "Employers" and individually an "Employer") to agree, that for the Term of this Agreement with respect to Developer Parties and during the period of any other party's provision of services in connection with the construction of the Project or occupation of the Property:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time to time (the "Human Rights Ordinance"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Redevelopment Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

(c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Project, and shall require inclusion of

these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 11.01 shall be a basis for the City to pursue remedies under the provisions of Section 16.02 hereof.

11.02 City Resident Construction Worker Employment Requirement. Developer Parties agree for itself and its successors and assigns, and shall contractually obligate its General Contractor and shall cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code (at least 50 percent of the total worker hours worked by persons on the site of the Project shall be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, Developer Parties, its General Contractor and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

Developer Parties may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

"Actual residents of the City" shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

Developer Parties, the General Contractor and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of DPD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

Developer Parties, the General Contractor and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DPD, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. Developer Parties, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

At the direction of DPD, affidavits and other supporting documentation will be required of Developer Parties, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of Developer Parties, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that Developer Parties have failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by Developer Parties to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject Developer Parties, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to Developer Parties pursuant to Section 2-92-250 of the Municipal Code may be withheld by the City pending the Chief Procurement Officer's determination as to whether Developer Parties must surrender damages as provided in this paragraph.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246 " and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

Developer Parties shall cause or require the provisions of this Section 11.02 to be included in all construction contracts and subcontracts related to the Project.

11.03. MBE/WBE Commitment. Developer Parties agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that during the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 11.03, during the course of the Project, at least the following percentages of the MBE/WBE Budget (as set forth in Exhibit H-2 hereto) shall be expended for contract participation by MBEs and by WBEs:

(1) At least 24 percent by MBEs.
(2) At least four percent by WBEs.

(b) For purposes of this Section 11.03 only, Developer Parties (and any party to whom a contract is let by Developer Parties in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by Developer Parties in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code, Developer Parties' MBE/WBE commitment may be achieved in part by Developer Parties's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by Developer Parties) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by Developer Parties utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials or services used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to Developer Parties's MBE/WBE commitment as described in this Section 11.03. In accordance with Section 2-92-730, Municipal Code, Developer Parties shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of DPD.

(d) Developer Parties shall deliver quarterly reports to the City's monitoring staff during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by Developer Parties or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining Developer Parties's compliance with this MBE/WBE commitment. Developer Parties shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by Developer Parties, on five Business Days' notice, to allow the City to review Developer Parties' compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, Developer Parties shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code, as applicable.

(f) Any reduction or waiver of Developer Parties' MBE/WBE commitment as described in this Section 11.03 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code, as applicable.

(g) Prior to the commencement of the Project, Developer Parties shall be required to meet with the City's monitoring staff with regard to Developer Parties' compliance with its obligations under this Section 11.03. The General Contractor and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, Developer Parties shall demonstrate to the City's monitoring staff its plan to achieve its obligations under this Section 11.03, the sufficiency of which shall be approved by the City's monitoring staff. The City's Department of Fleet and Facility Management ("2FM") shall have the right to review and approve the sufficiency of the Phase I report for 3145 West Franklin Boulevard and the limited Phase II report for 524-530 North Troy Street. 16.04 Right to Cure by Lenders and Investors. In the event that an Event of Default occurs under this Agreement, and if, as a result thereof, the City intends to exercise any right or remedy available to it that could result in the termination of this Agreement or the cancellation, suspension, or reduction of any payment due from the City under this Agreement, the City shall send notice of such intended exercise to the parties identified in Section 18 and to any Lender providing Lender Financing or the Investor Limited Partner shall have the right (but not the obligation) to cure such an Event of Default under the following conditions:

However, if such mortgagee under a Permitted Mortgage or an Existing Mortgage does not expressly accept an assignment of Partnership's interest hereunder, such party shall be entitled to no rights and benefits under this Agreement, and such party shall be bound only by those provisions of this Agreement, if any, which are covenants expressly running with the land.

OPINION OF DEVELOPER'S COUNSEL

[To be retyped on Developer's Counsel's letterhead]

[Subject to revision following review of form of opinion provided by Developer's counsel]

City of Chicago
121 North LaSalle Street
Chicago, IL 60602

ATTENTION: Corporation Counsel

Ladies and Gentlemen:

We have acted as counsel to Nelson Mandela, LP, an Illinois limited partnership ("Developer"), in connection with the construction of certain facilities located in the Chicago/Central Park and Kinzie Industrial Corridor Redevelopment Project Areas (the "Project"). In that capacity, we have examined, among other things, the following agreements, instruments and documents of even date herewith, hereinafter referred to as the "Documents":

(a) Nelson Mandela Redevelopment Agreement (the "Agreement") of even date herewith, executed by Developer and the City of Chicago (the "City");

(b) [insert other documents including but not limited to documents related to purchase and financing of the Property and all lender financing related to the Project]; and

(c) all other agreements, instruments and documents executed in connection with the foregoing.

In addition to the foregoing, we have examined

(a) the original or certified, conformed or photostatic copies of Developer's (i) Articles of Incorporation, as amended to date, (ii) qualifications to do business and certificates of good standing in all states in which Developer is qualified to do business, (iii) By-Laws, as amended to date, and (iv) records of all corporate proceedings relating to the Project [revise if Developer is not a corporation]; and

(b) such other documents, records and legal matters as we have deemed necessary or relevant for purposes of issuing the opinions hereinafter expressed.

In all such examinations, we have assumed the genuineness of all signatures (other than those of Developer), the authenticity of documents submitted to us as originals and

conformity to the originals of all documents submitted to us as certified, conformed or photostatic copies.

Based on the foregoing, it is our opinion that:

1. Developer is a corporation duly organized, validly existing and in good standing under the laws of its state of [incorporation] [organization], has full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a foreign [corporation] [entity] under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business.

2. Developer has full right, power and authority to execute and deliver the Documents to which it is a party and to perform its obligations thereunder. Such execution, delivery and performance will not conflict with, or result in a breach of, Developer's [Articles of Incorporation or By-Laws] [describe any formation documents if Developer is not a corporation] or result in a breach or other violation of any of the terms, conditions or provisions of any law or regulation, order, writ, injunction or decree of any court, government or regulatory authority, or, to the best of our knowledge after diligent inquiry, any of the terms, conditions or provisions of any agreement, instrument or document to which Developer is a party or by which Developer or its properties is bound. To the best of our knowledge after diligent inquiry, such execution, delivery and performance will not constitute grounds for acceleration of the maturity of any agreement, indenture, undertaking or other instrument to which Developer is a party or by which it or any of its property may be bound, or result in the creation or imposition of (or the obligation to create or impose) any lien, charge or encumbrance on, or security interest in, any of its property pursuant to the provisions of any of the foregoing, other than liens or security interests in favor of the lender providing Lender Financing (as defined in the Agreement).

3. The execution and delivery of each Document and the performance of the transactions contemplated thereby have been duly authorized and approved by all requisite action on the part of Developer.

4. Each of the Documents to which Developer is a party has been duly executed and delivered by a duly authorized officer of Developer, and each such Document constitutes the legal, valid and binding obligation of Developer, enforceable in accordance with its terms, except as limited by applicable bankruptcy, reorganization, insolvency or similar laws affecting the enforcement of creditors' rights generally.

5. Exhibit A attached hereto (a) identifies each class of capital stock of Developer, (b) sets forth the number of issued and authorized shares of each such class, and (c) identifies the record owners of shares of each class of capital stock of Developer and the number of shares held of record by each such holder. To the best of our knowledge after diligent inquiry, except as set forth on Exhibit A, there are no warrants, options, rights or commitments of purchase, conversion, call or exchange or other rights or restrictions with respect to any of the capital stock of Developer. Each outstanding share of the capital stock of Developer is duly authorized, validly issued, fully paid and nonassessable.

6. To the best of our knowledge after diligent inquiry, no judgments are outstanding against Developer, nor is there now pending or threatened, any litigation, contested claim or governmental proceeding by or against Developer or affecting Developer or its property, or seeking to restrain or enjoin the performance by Developer of the Agreement or the transactions contemplated by the Agreement, or contesting the validity thereof. To the best of our knowledge after diligent inquiry, Developer is not in default with respect to any order, writ, injunction or decree of any court, government or regulatory authority or in default in any respect under any law, order, regulation or demand of any governmental agency or instrumentality, a default under which would have a material adverse effect on Developer or its business.

7. To the best of our knowledge after diligent inquiry, there is no default by Developer or any other party under any material contract, lease, agreement, instrument or commitment to which Developer is a party or by which the company or its properties is bound.

8. To the best of our knowledge after diligent inquiry, all of the assets of Developer are free and clear of mortgages, liens, pledges, security interests and encumbrances except for those specifically set forth in the Documents.

9. The execution, delivery and performance of the Documents by Developer have not and will not require the consent of any person or the giving of notice to, any exemption by, any registration, declaration or filing with or any taking of any other actions in respect of, any person, including without limitation any court, government or regulatory authority.

10. To the best of our knowledge after diligent inquiry, Developer owns or possesses or is licensed or otherwise has the right to use all licenses, permits and other governmental approvals and authorizations, operating authorities, certificates of public convenience, goods carriers permits, authorizations and other rights that are necessary for the operation of its business.

11. A federal or state court sitting in the State of Illinois and applying the choice of law provisions of the State of Illinois would enforce the choice of law contained in the Documents and apply the law of the State of Illinois to the transactions evidenced thereby.

We are attorneys admitted to practice in the State of Illinois and we express no opinion as to any laws other than federal laws of the United States of America and the laws of the State of Illinois.

[Note: include a reference to the laws of the state of incorporation/organization of Developer, if other than Illinois.]

This opinion is issued at Developer's request for the benefit of the City and its counsel, and may not be disclosed to or relied upon by any other person.

Very truly yours,

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

SECTION 1. INCORPORATION OF RECITALS.

The recitals set forth above constitute an integral part of this Agreement and are incorporated herein by this reference with the same force and effect as if set forth herein as agreements of the parties.

SECTION 2. PURCHASE PRICE / EARNEST MONEY / PERFORMANCE DEPOSIT.

2.1 Purchase Price. Subject to the terms, covenants and conditions of this Agreement, the City agrees to sell the Property and the Personal Property to the Developer, and the Developer agrees to purchase the Property and the Personal Property from the City, for One and 00/100 Dollars ($1.00) (the "Purchase Price") to be paid by cashier's check, certified check or wire transfer of immediately available funds, on the Closing Date (defined in Section 3).

2.2 Earnest Money. [Intentionally omitted.]

2.3 Performance Deposit. [Intentionally omitted.]

SECTION 3. CLOSING.

The closing of the transfer of the Property and the Personal Property from the City to the Developer (the "Closing" or, the "Closing Date") shall take place at the downtown offices of Greater Illinois Title Company, 120 North LaSalle Street, Chicago, Illinois 60602 or such other reputable title company as may be selected by the Developer (the "Title Company"). In no event shall the Closing occur (1) until and unless the conditions precedent set forth in Section 8 are all satisfied, unless the Department, in its sole discretion, waives one or more of such conditions; and (2) any later than sixty (60) days after City Council approval (the "Outside Closing Date"), unless, at the Developer's request, the Department, in its sole discretion, extends the Outside Closing Date. At the Closing, the City shall deliver to the Developer (a) the Deed (as defined below); (b) all necessary state, county and municipal real estate transfer declarations; and (c) possession of the Property and the Personal Property.

SECTION 4. CONVEYANCE OF TITLE.

4.1 Form of Deed. The City shall convey the Property to the Developer by quitclaim deed ("Deed"), subject to the terms of this Agreement and, without limiting the quitclaim nature of the Deed, to the following:

a. the Plan for the Area;
b. standard exceptions in an ALTA title insurance policy;
c. general real estate taxes and any special assessments or other taxes;

d. all easements, encroachments, covenants and restrictions of record and not shown of record;
e. such other title defects that may exist; and
f. any and all exceptions caused by the acts of the Developer or its agents.

4.2 Conveyance of Personal Property. Concurrently with the conveyance of the Property from the City to the Developer, title to the Personal Property shall be sold, assigned and transferred by the City to the Developer without the need for a written instrument to effectuate such transfer.

4.3 Recording Costs. The Developer shall pay to record the Deed, this Agreement, and any other documents incident to the conveyance of the Property to the Developer.

4.4 Escrow. If the Developer requires conveyance through escrow, the Developer shall pay all escrow fees.

SECTION 5. TITLE, SURVEY AND REAL ESTATE TAXES.

5.1 Title Commitment and Insurance. Not less than 30 days before the anticipated Closing Date, the Developer shall order a current title commitment for the Property issued by the Title Company. The Developer shall pay the cost of, and shall be responsible for, obtaining on the Closing Date, any title insurance, extended coverage and any endorsements it deems necessary. The City agrees to provide the Title Company with a completed ALTA owner's statement, and other transfer documents typically required by the Title Company and typically provided by the City (but expressly excluding, however, "gap" undertakings, title indemnities and similar liabilities) at or prior to the Closing. At the Closing, the Developer shall deliver to the City a copy of the owner's policy of title insurance that it obtains with respect to the Property.

5.2 Survey. The Developer will be responsible for obtaining, at Developer's expense, a survey for the Property.

5.3 Real Estate Taxes. The City shall use reasonable efforts to obtain the waiver or release of any delinquent real estate taxes or tax liens on the Property prior to the Closing Date, to the extent such taxes or tax liens can be waived or released through submission of an abatement letter to the Cook County Treasurer, a motion to vacate a tax sale, or a petition for exemption. If, after using such reasonable efforts, the City is unable to obtain the waiver or release of any such tax liens or is unable to cause the Title Company to insure over such tax liens, or if the Property is encumbered with any other exceptions that would adversely affect the use and insurability of the Property for the development of the Project, the Developer shall have the option to do one of the following: (1) accept title to the Property subject to the exceptions, without reduction in the Purchase Price; or (2) terminate this Agreement by delivery of written notice to the City, in which event this Agreement shall be null and void, and except as otherwise specifically provided herein, neither party shall have any further right, duty or obligation hereunder. If the Developer elects not to terminate this Agreement as aforesaid, the Developer agrees to accept title subject to all exceptions.

SECTION 6. BUILDING PERMITS AND OTHER GOVERNMENTAL APPROVALS.

The Developer shall apply for and obtain all necessary building permits and other approvals, including, without limitation, zoning approval (collectively, the "Governmental Approvals") necessary for the Project, no later than one-hundred eighty (180) days after the Closing, unless, at the Developer's request, the Department, in its sole discretion, grants an extension.

SECTION 7. PROJECT BUDGET AND FINANCING.

The total budget for the Project is $21.4 Million Dollars. Funds for the Project will be secured and may be provided from a variety of sources, including cash equity, cash and in-kind services, bank loan, Tax Credits and government grants and loans. If Developer fails to secure funding for remediation costs from either the Illinois Environmental Protection Agency (the "IEPA") or the United States Environmental Protection Agency (the "USEPA"), by March 31, 2017, Developer shall so notify Department.

Developer shall be granted one (1) one-year extension to March 31, 2018 to re-apply for the USEPA funding. If Developer still does not secure funding from both sources, Developer shall be granted one additional six-month extension to September 30, 2018 to secure remediation funding from other sources. If Developer does not secure funding within such additional six month period, the Department shall have the right to terminate this Agreement and record the Reconveyance Deed as set forth in Section 18.3 of this Agreement.

SECTION 8. CONDITIONS TO THE CITY'S OBLIGATION TO CLOSE.

The obligations of the City under this Agreement are contingent upon each of the following being satisfied at least seven (7) days prior to the Closing Date, or by such other date as may be specified, unless waived or extended in writing by the Commissioner of the Department (the "Commissioner"):

8.1 Insurance. The Developer shall provide evidence of insurance reasonably acceptable to the City. Prior to the issuance of the Certificate of Completion (as defined in Section 12), the City shall be named as an additional insured on any liability insurance policies ($1M per occurrence and $2M aggregate) and as a loss payee (subject to the rights of any permitted mortgagee) on any property insurance policies from the Closing Date through the date the City issues the Certificate of Completion. With respect to property insurance, the City will accept an ACORD 28 form. With respect to liability insurance, the City will accept an ACORD 25 form, together with a copy of the endorsement that is added to the Developer's policy showing the City as an additional insured.

8.2 Legal Opinion. The Developer shall have delivered to the City a legal opinion stating, in part, that the Developer has been duly organized and that the Developer is duly authorized to enter into this Agreement. Such opinion shall be in a form and substance reasonably acceptable to the City's Corporation Counsel.

8.3 Due Diligence. The Developer shall have delivered to the City due diligence searches in Developer's name (UCC, State and federal tax lien, pending litigation and judgments

in Cook County and the U.S. District Court for the Northern District of Illinois, and bankruptcy) showing no unacceptable liens, litigation, judgments or filings, as reasonably determined by the City's Corporation Counsel.

8.4 Organization and Authority Documents. The Developer shall have delivered to the City certified articles of incorporation, including all amendments thereto, of the Developer, as furnished and certified by the Secretary of State of the State of Illinois; a Certificate of Good Standing dated no more than thirty (30) days prior to the Closing Date, issued by the Office of the Secretary of State of the State of Illinois, as to the good standing of the Developer; and by-laws, resolutions and such other organizational documents as the City may reasonably request.

8.5 Subordination Agreement. On the Closing Date, and prior to recording any mortgage approved pursuant to Section 8.2, the Developer shall, at the City's request, deliver to the City a subordination agreement substantially in the form attached hereto as Exhibit E attached hereto (the "Subordination Agreement"), in which the construction lender agrees to subordinate the lien of its mortgage to the covenants running with the land.

8.6 MBE/WBE and Local Hiring Compliance Plan. The Developer and the Developer's general contractor and all major subcontractors, if selected, shall meet with staff from the Department for an informational meeting regarding compliance with the MBE/WBE and other requirements set forth in Section 22, and at least fourteen (14) days prior to the Closing Date. The City shall have approved the Developer's compliance plan in accordance with Section 22.4 at least 14 days prior to the Construction Commencement Date as defined in Section 11.

8.7 Representations and Warranties. On the Closing Date, each of the representations and warranties of the Developer in this Agreement shall be true and correct.

8.8 Other Obligations. On the Closing Date, the Developer shall have performed all of the other obligations required to be performed by the Developer under this Agreement as of the Closing Date.

8.9 Reconveyance Deed. Prior to the conveyance of the Property to the Developer, the Developer and Green Era Sustainability, LLC shall each deliver to the City a special warranty deed for the Property in recordable form naming the City as grantee ("Reconveyance Deed"), for possible recording in accordance with Section 18.3.d. below, if applicable. The City will deposit the Reconveyance Deeds into a sole order escrow account with the Title Company, with the City having sole power of direction with respect to such escrow account. The Developer shall pay all costs associated with such escrow account.

8.10 Right to Terminate. If any of the conditions in this Section 8 have not been satisfied to the City's reasonable satisfaction within the time period provided for herein, the City may, at its option, terminate this Agreement after (a) delivery of written notice to the Developer at any time after the expiration of the applicable time period, stating the condition or conditions that have not been fulfilled, and (b) providing the Developer with forty-five (45) days to fulfill those conditions. If, after receiving notice and an opportunity to cure as described in the preceding sentence, the Developer still has not fulfilled the applicable conditions to the City's reasonable satisfaction, this Agreement shall be null and void and, except as otherwise

specifically provided, neither party shall have any further right, duty or obligation hereunder. Any forbearance by the City in exercising its right to terminate this Agreement upon a default hereunder shall not be construed as a waiver of such right.

SECTION 9. SITE PLANS AND ARCHITECTURAL DRAWINGS.

9.1 The Developer shall construct the Project on the Property in accordance with the Planned Development Zoning designation ("PD") which shall be approved prior to the Construction Commencement Date as defined in Section 11.

9.2 Relocation of Utilities, Curb Cuts and Driveways. To the extent necessary to complete the Project, the Developer shall be solely responsible for and shall pay all costs in regard to: (1) the relocation, installation or construction of public or private utilities located on the Property; (2) the relocation, installation and construction of any curb cuts and driveways; (3) the repair or reconstruction of any curbs, vaults, sidewalks or parkways required in connection with the Developer's redevelopment; (4) the removal of existing pipes, utility equipment or building foundations located on the Property; and (5) the termination of existing water or other services. Any streetscaping, including any paving of sidewalks, landscaping and lighting provided by the Developer, as part of the Project, must be approved by the City.

9.3 Inspection by the City. For the period commencing on the Closing Date and continuing through the date the City issues the Certificate of Completion, any duly authorized representative of the City shall have access to the Property at all reasonable times for the purpose of determining whether the Developer is constructing the Project in accordance with the terms of this Agreement and all applicable federal, state and local statutes, laws, ordinances, codes, rules, regulations, orders and judgments, including, without limitation, Sections 7-28 and 11-4 of the Municipal Code of Chicago relating to waste disposal (collectively, "Laws").

9.4 Barricades and Signs. Upon the City's request, the Developer agrees to erect such signs as the City may reasonably require identifying the Property as a City redevelopment project. The Developer may erect signs of its own incorporating such approved identification information upon the execution of this Agreement. Prior to the commencement of any construction activity requiring barricades, the Developer shall install a construction barricade of a type and appearance satisfactory to the City and constructed in compliance with all applicable Laws. The City shall have the right to approve all barricades, the maintenance, appearance, color scheme, painting, nature, type, content and design of all barricades, and all signage, which approval shall not be unreasonably withheld or delayed.

SECTION 10. LIMITED APPLICABILITY.

The approval of any Working Drawings and Specifications by the Department's Bureau of Economic Development is for the purpose of this Agreement only and does not constitute the approval required by the City's Department of Buildings, any other Department Bureau (such as, but not limited to, the Department's Bureau of Zoning), or any other City department; nor does the approval by the Department pursuant to this Agreement constitute an approval of the quality, structural soundness or the safety of any improvements located or to be located on the Property.

The approval given by the Department shall be only for the benefit of the Developer and any lienholder authorized by this Agreement.

SECTION 11. COMMENCEMENT AND COMPLETION OF PROJECT.

Subject to the receipt of all necessary government approvals, the Developer shall commence remediation/construction of the Project no later than May 1, 2017(the date on which construction/remediation commences, the "Construction Commencement Date"), and shall complete the Project, as reasonably determined by the Department and evidenced by a "Certificate of Completion" (as defined in Section 12), no later than March 31, 2019.

The Commissioner shall have discretion to grant one extension of the Construction Commencement and Completion dates for good cause shown by issuing a written extension letter. The Developer shall give written notice to the City within five (5) days after it commences construction of the Project. The Project shall be constructed in accordance with all applicable Laws.

SECTION 12. CERTIFICATE OF COMPLETION.

A. Upon the later of completion of the Project and, the Developer's receipt from the IEPA of a Final Comprehensive No Further Remediation Letter for the Property, the Developer shall request from the City a Certificate of Completion (the "Certificate of Completion"). Within forty-five (45) days thereof, the City shall provide the Developer with either the Certificate of Completion or a written statement indicating in adequate detail how the Developer has failed to complete the Project in compliance with this Agreement, or is otherwise in default, and what measures or acts are necessary, in the sole and reasonable opinion of the Department, for the Developer to take or perform in order to obtain the Certificate of Completion. If the Department requires additional measures or acts to assure compliance, the Developer shall resubmit a written request for the Certificate of Completion upon compliance with the City's response. The Certificate of Completion shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of certain of the covenants in this Agreement and the Deed (but excluding those on-going covenants as referenced in Section 17) with respect to the Developer's obligations to construct the Project.

SECTION 13. RESTRICTIONS ON USE.

The Developer, for itself and its successors and assigns, agrees as follows:

13.1 The Developer shall construct the Project in accordance with the PD, this Agreement and all applicable Laws.

13.2 The Developer shall not, in violation of applicable law, discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the sale, lease, rental, use or occupancy of the Property or any part thereof, except as permitted by applicable law.

13.3 The Developer shall use the Property for the Project and for no other purpose, other than an anaerobic digester and renewable energy uses, without the prior written consent of the Commissioner.

13.4 The Developer shall devote the Property to a use consistent with the Plan.

13.5 Developer, its successors and assigns, shall not, without the prior written consent of the Department, amend or terminate the PD or the uses permitted by the PD for twenty (20) years and one day after the date of the Certificate of Completion.

SECTION 14. TRANSFER OF PROPERTY; TRANSFER OF INTERESTS IN DEVELOPER.

A. Restriction on Transfer Prior to Issuance of Certificate of Completion. Prior to the City's issuance of the Certificate of Completion, as provided herein, the Developer may not, without the prior written consent of the Department, which consent shall be in the Department's sole and absolute discretion: (a) directly or indirectly sell, transfer, convey, lease or otherwise dispose of all or substantially all of its assets or all or any portion of the Property (including but not limited to any fixtures or equipment now or hereafter attached thereto) or any interest therein or the Developer's controlling interests therein (including, without limitation, a transfer by assignment of any beneficial interest under a land trust), except for leases of tenant space in the Building and further except for sales, transfers, conveyances, leases or other dispositions to an "Insider Party" (as defined in Section 14.F. below); or (b) directly or indirectly assign this Agreement. The Developer acknowledges and agrees that the Department may withhold its consent under (a) or (b) above if, among other reasons, the proposed purchaser, transferee or assignee (or such entity's principal officers, members or directors) is in violation of any Laws, or if the Developer fails to submit sufficient evidence of the financial responsibility, business background and reputation of the proposed purchaser, transferee or assignee. In the event of a proposed sale, transfer, conveyance, lease or other disposition of all or any portion of the Property, the Developer shall provide the City copies of any and all sales contracts, legal descriptions, descriptions of intended use, certifications from the proposed purchaser, transferee or assignee, as applicable, regarding this Agreement and such other information as the City may reasonably request. The proposed purchaser, transferee or assignee (including any purchaser, transferee or assignee that is an Insider Party), must be qualified to do business with the City (including but not limited to anti-scofflaw requirement).

B. Transfer of Property Within Ten (10) Years Following Issuance of Certificate of Completion. If the Developer sells the Property within ten (10) years following the City's issuance of the Certificate of Completion (except for sales, transfers, conveyances, leases or other dispositions to an Insider Party), the Developer shall pay to the City as follows:

(i) if the Net Sale Proceeds are greater than or equal to the dollar amount of the Developer's equity contribution to the Project plus FMV of the City Land, then the Developer shall pay to the City a dollar amount equal to the sum of the "FMV of the City Land" and fifty percent (50%) of the Net Profit;

(ii) if the Net Sales Proceeds are greater than One Dollar ($1.00), but less than the dollar amount of the Developer's equity contribution to the Project plus FMV of the City Land, then the Developer shall pay to the City on a pari passu basis a pro rata dollar amount

equal to the FMV of the City Land divided by (the FMV of the City Land plus the dollar amount of the Developer's equity contribution to the Project); or

(iii) if the Net Sales Proceeds are negative (i.e., the Property is sold for a loss), then the Developer does not owe any money to the City pursuant to this Section 14.B.

For purposes of this Section 14.B., the following definitions shall apply:

2.5%ROI Amount: Dollar amount which represents 2.5% project ROI (determined using a method of calculation acceptable to the Department).

FMV of the City Land: The fair market value of the City Land, valued without improvements, as of date of the Developer's sale of the Property, as determined by an appraiser selected by the City and paid for by the Developer.

Net Profit: Net Sale Proceeds minus FMV of the City Land, which will be paid on a pari passu basis with a return of Developer's equity to Developer minus 2.5%ROI Amount.

Net Sale Proceeds: Gross sales price at which the Developer sells the Property to a third-party less closing costs and commissions less the dollar amount of the mortgage that was approved by the Department.

C. Transfer Does Not Occur Within Ten (10) Years Following Issuance of Certificate of Completion. If the Developer does not sell the Property within ten (10) years following the City's issuance of the Certificate of Completion, then:

(i) if the Developer's project ROI (determined using a method of calculation acceptable to the Department) is greater than 2.5% for the period commencing on the date the City issues the Certificate of Completion and ending ten years following such date, the Developer shall pay the City $1,680,000 (which amount equals the appraised fair market value of the City Land as of June 16, 2015, plus an annual 2% increase).

(ii) if the Developer's average annual ROI (determined using a method of calculation acceptable to the Department) is 2.5% or less for the period commencing on the date the City issues the Certificate of Completion and ending ten (10) years following such date, the Developer shall not owe the City any funds with respect to this Section 14.

D. City Lien. Concurrent with the City Land Closing, the City shall record a lien in the amount of Six Hundred Thirty-Six Thousand Dollars ($1,686,000), which lien shall be subordinated to any construction or primary loan that is associated with the Project and has been approved by the Department. The Developer shall complete all documents required by the City in connection with the recording of such lien.

E. Transfer of Interests in the Developer. If the Developer is a business entity, no principal party of the Developer (e.g., a general partner, member, manager or shareholder) may sell, transfer or assign any of its interest in the entity prior to the City's issuance of the Certificate of Completion to anyone other than an Insider Party, without the prior written consent of the Department, which consent shall be in the Department's sole and absolute discretion. The Developer must disclose the identity of all members to the City at the time such members obtain an interest in the Developer.

F. Insider Party. For purposes of this Section 14, "Insider Party" means an individual or entity that is eligible to do business with the City, and that satisfies one or more of the following criteria:

(i) existing (as of the Effective Date) shareholder, partner, or member of the Developer;

(ii) a spouse and/or issue or an entity solely controlled by a spouse and/or issue of any existing (as of the Effective Date) shareholders, partners, or members of the Developer;

(iii) the trustee(s) of a testamentary trust for the benefit of the spouse and/or issue of any existing (as of the Effective Date) shareholders, partners, or members of the Developer, that succeeded to Developer's interest upon any existing (as of the Effective Date) shareholders, partners, or members of the Developer's death, divorce, or legal separation; or

(iv) a new entity solely composed of any existing (as of the Effective Date) shareholders, partners, or members of the Developer and their spouse and/or issues.

SECTION 15. LIMITATION UPON ENCUMBRANCE OF PROPERTY.

15.1 Prior to the issuance of the Certificate of Completion, the Developer shall not, without the Department's prior written consent, which shall be in the Department's sole discretion, engage in any financing or other transaction which creates a financial encumbrance or lien on the Property, except for the purposes of obtaining: (a) funds necessary to acquire the Property; (b) funds necessary to construct the Project in substantial accordance with the Budget; (c) after construction, funds necessary to own, maintain and operate the Property and the Project in accordance with the requirements of this Agreement; and (d) any refinancing of the loans specified herein. After the issuance of the Certificate of Completion, no City consent shall be required for any type of financing or other transaction which creates a financial encumbrance or lien on the Property.

15.2 During the period commencing on the issuance of the Certificate of Completion and expiring on the date that is twenty (20) years after the date of the Certificate of Completion, the Developer shall not, without the Department's prior written consent, which consent shall be in the Department's sole discretion, engage in any redevelopment of the Property other than the Project.

SECTION 16. MORTGAGEES NOT OBLIGATED TO CONSTRUCT

Notwithstanding any other provision of this Agreement or of the Deed, the holder of any mortgage authorized by this Agreement (or any affiliate of such holder) shall not itself be obligated to construct or complete the Project, or to guarantee such construction or completion, but shall be bound by the other covenants running with the land specified in Section 17 and, at Closing, at the City's request, shall execute a Subordination Agreement (as defined in Section 8.8). If any such mortgagee or its affiliate succeeds to the Developer's interest in the Property prior to the issuance of the Certificate of Completion, whether by foreclosure, deed-in-lieu of foreclosure or otherwise, and thereafter transfers its interest in the Property to another party (that is not also a mortgagee), such transferee shall be obligated to complete the Project, and shall also be bound by the other covenants running with the land specified in Section 17.

SECTION 17. COVENANTS RUNNING WITH THE LAND.

The parties agree, and the Deed shall so expressly provide, that the covenants provided in

Section 11 (Commencement and Completion of Project), Section 13 (Restrictions on Use), and Section 14 (Transfer of Property; Transfer of Interests in Developer) and Section 15 (Limitation Upon Encumbrance of Property) will be covenants running with the land, binding on the Developer and its successors and assigns (subject to the limitations set forth in Section 16 above as to any permitted mortgagees) to the fullest extent permitted by law and equity for the benefit and in favor of the City, and shall be enforceable by the City. The covenants provided in Section 11, and Section 13.1 shall terminate upon the issuance of the Certificate of Completion. The covenants contained in Section 13.2 shall remain in effect without limitation as to time. The covenants contained in Section 13.3, 13.5 and Section 14 and Section 15 shall terminate twenty (20) years and one (1) day after the date the City issues the Certificate of Completion, unless terminated in writing at an earlier date in the sole discretion of the Commissioner. The covenant contained in Section 13.4 shall terminate upon the expiration of the Plan, as such expiration may be amended from time to time in accordance with and pursuant to applicable law.

SECTION 18. PERFORMANCE AND BREACH.

18.1 Time of the Essence. Time is of the essence in the Developer's performance of its obligations under this Agreement.

18.2 Permitted Delays. The Developer shall not be considered in breach of its obligations under this Agreement in the event of a delay due to unforeseeable causes beyond the Developer's control and without the Developer's fault or negligence, including but not limited to, acts of God, acts of the public enemy, acts of the United States government, fires, floods, epidemics, quarantine restrictions, strikes, embargoes, material shortages, and unusually severe weather or delays of contractors or subcontractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the Developer requests it in writing of the City within thirty (30) days after the beginning of any such delay.

18.3 Breach.

a. Generally. If the Developer defaults in performing its obligations under this Agreement, the City shall deliver written notice of such default, after which the Developer shall have a 45-day cure period to remedy such default. If the default is not capable of being cured within the 45-day period, then provided the Developer has commenced to cure the default and is diligently proceeding to cure the default within the 45-day period, and thereafter diligently prosecutes such cure through to completion, then the 45-day period shall be extended for the length of time that is reasonably necessary to cure the default. If the default is not cured in the time period provided for herein, the City may institute such proceedings at law or in equity as may be necessary or desirable to cure and remedy the default, including but not limited to, proceedings to compel specific performance.

No notice or cure period shall apply to a failure to obtain funding as set forth in Section 7 or to close by the respective dates as set forth in Section 3 herein. Unless the failure to close or obtain funding is due to circumstances described in Section 18.2. above or caused by a breach by the City under the terms of this Agreement,

such failure shall constitute an immediate "Event of Default". Failure to close or obtain funding by the dates set forth in Sections 3 and 7 shall entitle the City to terminate this Agreement.

b. Event of Default. The occurrence of any one or more of the following shall constitute an "Event of Default" after written notice from the City (if required):

1. The Developer fails to perform any obligation of the Developer under this Agreement; which default is not cured pursuant to Section 18.3.a.; or

2. The Developer makes or furnishes a warranty, representation, statement or certification to the City (whether in this Agreement, an Economic Disclosure Form, or another document) which is not true and correct, which default is not cured pursuant to Section 18.3.a.; or

3. A petition is filed by or against the Developer under the Federal Bankruptcy Code or any similar state or federal law, whether now or hereafter existing, which is not vacated, stayed or set aside within thirty (30) days after filing; or

4. Except as excused by Section 18.2 above, the Developer abandons or substantially suspends the construction work for a period of time greater than 60 days (no notice or cure period shall apply); or

5. The Developer fails to comply with the operating covenant set forth in Section 13.3 (no notice or cure period shall apply); or

6. Unless being contested in good faith by the Developer, the Developer fails to timely pay real estate taxes or assessments affecting the Property or suffers or permits any levy or attachment, material suppliers' or mechanics' lien, or any other lien or encumbrance unauthorized by this Agreement to attach to the Property, which default is not cured pursuant to Section 18.3(a); or

7. The Developer makes an assignment, pledge, unpermitted financing, encumbrance, transfer or other disposition in violation of this Agreement (no notice or cure period shall apply); or

8. The Developer's financial condition or operations adversely change to such an extent that would materially and adversely affect the Developer's ability to complete the Project, which default is not cured pursuant to Section 18.3.a.; or

9. The Developer fails to perform, keep or observe any of the other covenants, promises, agreements, or obligations under this Agreement, including but not limited to, the covenants set forth in

Sections 13 and 17 herein, or any other written agreement entered into with the City with respect to this Project, which default is not cured pursuant to Section 18.3.a.; or

10. Failure to close by the Outside Closing Date, unless the Department in its sole discretion extends the Outside Closing Date in accordance with Section 3 of this Agreement; or

11. Failure to commence or completion construction in accordance with the timeframes set forth in Section 11 of this Agreement.

12. Failure to either (a) timely apply with the Board of Review for Cook County, Illinois, for an exemption from real estate property taxes, (b) timely move the Property back to the tax rolls, or (c) timely pay real estate property taxes, which default is not cured pursuant to Section 18.3.a.

c. Prior to Conveyance. Prior to Closing, if an Event of Default occurs and is continuing, and the default is not cured in the time period provided herein, the City may terminate this Agreement, and institute any action or proceeding at law or in equity against the Developer.

d. After Conveyance. If an Event of Default occurs after the Closing but prior to the issuance of the Certificate of Completion, and the default is not cured in the time period provided for in this Section 18.3, the City may terminate this Agreement and exercise any and all remedies available to it at law or in equity, including, without limitation, the right to re-enter and take possession of the Property, terminate the estate conveyed to the Developer, and direct the Title Company to record the Reconveyance Deed for the purpose of revesting title to the Property in the City (the "Right of Reverter"); provided, however, the City's Right of Reverter shall be limited by, and shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by this Agreement. If the Reconveyance Deed is recorded by the Title Company, the Developer shall be responsible for all real estate taxes and assessments which accrued during the period the Property was owned by the Developer, and shall cause the release of all liens or encumbrances placed on the Property during the period of time the Property was owned by the Developer. The Developer will cooperate with the City and Title Company to ensure that if the Title Company records the Reconveyance Deed, such recording is effective for purposes of transferring title to the Property to the City, subject only to those title exceptions that were on title as of the date and time that the City conveyed the Property to the Developer.

If title to the Property revests in the City pursuant to the Right of Reverter, the Developer shall be responsible for all real estate taxes and assessments which accrued during the period the Property was owned by the Developer, and shall cause the release of all liens or encumbrances placed on the Property during the period of time the Property was owned by the Developer. Notwithstanding the foregoing to the

contrary, prior to its exercise of its Right of Reverter, the City shall provide written notice to the Developer of its intent to exercise its Right of Reverter, and the Developer shall have an additional ninety (90) days to cure the applicable Event of Default.

Notwithstanding anything contained herein to the contrary, the City's Right of Reverter shall terminate on the date that is twenty (20) years after the date on which the City issues the Certificate of Completion.

e. Waiver and Estoppel. Any delay by the City in instituting or prosecuting any actions or proceedings or otherwise asserting its rights shall not operate as a waiver of such rights or operate to deprive the City of or limit such rights in any way. No waiver made by the City with respect to any specific default by the Developer shall be construed, considered or treated as a waiver of the rights of the City with respect to any other defaults of the Developer.

SECTION 19. CONFLICT OF INTEREST; CITY'S AND DEVELOPER'S REPRESENTATIVES NOT INDIVIDUALLY LIABLE.

The Developer warrants that no agent, official, or employee of the City shall have any personal interest, direct or indirect, in this Agreement or the Property, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any entity or association in which he or she is directly or indirectly interested. No agent, official, or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer or successor or on any obligation under the terms of this Agreement. It is expressly understood and agreed to by and between the parties hereto, anything herein to the contrary notwithstanding, that no individual member of the Developer, its officers, members of its board of directors, officials, agents, representatives or employees shall be personally liable for any of the Developer's obligations or any undertaking or covenant of the Developer contained in this Agreement.

SECTION 20. INDEMNIFICATION.

The Developer agrees to indemnify, defend and hold the City harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) (collectively "Losses") suffered or incurred by the City arising from or in connection with: (1) an Event of Default that has occurred; (2) the failure of the Developer or any of Developer's contractors, subcontractors or agents to pay contractors, subcontractors or material suppliers in connection with the construction of the Project; (3) the failure of the Developer to redress any misrepresentations or omissions in this Agreement or any other agreement relating hereto; and (4) any actions, including but not limited to, conducting environmental tests on the Property as set forth in Section 21 herein, resulting from any activity undertaken by the Developer on the Property prior to or after the conveyance of said Property to the Developer by the City; provided, however, the Developer shall have no obligation to indemnify the City for Losses to the extent such Losses are

caused by the City or its agents. This indemnification shall survive any termination of this Agreement (regardless of the reason for such termination).

SECTION 21. ENVIRONMENTAL MATTERS.

21.1 "AS IS" SALE. THE CITY MAKES NO COVENANT, REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, OF ANY KIND, AS TO THE STRUCTURAL, PHYSICAL OR ENVIRONMENTAL CONDITION OF THE PROPERTY OR THE SUITABILITY OF THE PROPERTY FOR ANY PURPOSE WHATSOEVER. THE DEVELOPER ACKNOWLEDGES THAT IT HAS HAD ADEQUATE OPPORTUNITY TO INSPECT AND EVALUATE THE STRUCTURAL, PHYSICAL AND ENVIRONMENTAL CONDITION AND RISKS OF THE PROPERTY AND ACCEPTS THE RISK THAT ANY INSPECTION MAY NOT DISCLOSE ALL MATERIAL MATTERS AFFECTING THE PROPERTY. THE DEVELOPER AGREES TO ACCEPT THE PROPERTY IN ITS "AS IS," "WHERE IS" AND "WITH ALL FAULTS" CONDITION AT CLOSING WITHOUT ANY COVENANT, REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, OF ANY KIND, AS TO THE STRUCTURAL, PHYSICAL OR ENVIRONMENTAL CONDITION OF THE PROPERTY OR THE SUITABILITY OF THE PROPERTY FOR ANY PURPOSE WHATSOEVER. THE DEVELOPER ACKNOWLEDGES THAT IT IS RELYING SOLELY UPON ITS OWN INSPECTION AND OTHER DUE DILIGENCE ACTIVITIES AND NOT UPON ANY INFORMATION (INCLUDING, WITHOUT LIMITATION, ENVIRONMENTAL STUDIES OR REPORTS OF ANY KIND) PROVIDED BY OR ON BEHALF OF THE CITY OR ITS AGENTS OR EMPLOYEES WITH RESPECT THERETO. THE DEVELOPER AGREES THAT IT IS ITS SOLE RESPONSIBILITY AND OBLIGATION TO PERFORM AT ITS EXPENSE ANY ENVIRONMENTAL REMEDIATION WORK (AS DEFINED BELOW) AND TAKE SUCH OTHER ACTION AS IS NECESSARY TO PUT THE PROPERTY IN A CONDITION WHICH IS SUITABLE FOR ITS INTENDED USE. "Environmental Remediation Work" shall mean all investigation, sampling, monitoring, testing, reporting, removal (including, excavation, transportation and disposal), response, storage, remediation, treatment and other activities necessary for the performance of the Project, all in accordance with all requirements of IEPA, and all applicable Laws, including, without limitation, all applicable Environmental Laws.

21.2 Right of Entry. Pursuant to the Developer's request, the City previously granted the Developer the right, at its sole cost and expense, to enter the Property pursuant to one or more right of entry agreements to inspect the same, perform surveys, environmental assessments, soil and any other due diligence it deems necessary or desirable to satisfy itself as to the condition of the Property. The Developer acknowledges that it is satisfied with the condition of the Property. The Developer agrees to deliver to the City a copy of each report prepared by or for the Developer regarding the environmental condition of the Property.

21.3 Environmental Remediation. The Developer shall enroll the Property in the IEPA Site Remediation Program as set forth in Title XVII of the Illinois Environmental Protection Act, 415 ILCS 5/58 et seq., and the regulations promulgated thereunder, and undertake all remediation work that may be needed on the Property promptly after the Closing in order to obtain a Final Comprehensive No Further Remediation Letter. The contractors selected by the Developer, and the terms of the contract ("Remediation Contract") must be approved by the City,

which approval shall not be unreasonably withheld, prior to the commencement of any remediation work on the Property. The Developer shall be solely responsible for all site preparation costs, including, but not limited to, the removal of soil, pre-existing building foundations, soil exceeding the IEPA's Tiered Approach to Cleanup Objectives most stringent site remediation objectives, and demolition debris, and the removal, disposal, storage, remediation, removal or treatment of Hazardous Waste from the Property.

The Developer shall enroll the Property in the IEPA Site Remediation Program as set forth in Title XVII of the Illinois Environmental Protection Act, 415 ILCS 5/58 et seq., and the regulations promulgated thereunder (the "SRP"), and take all necessary and proper steps to obtain a draft Comprehensive No Further Remediation Letter based on TACO remediation objectives ("Draft NFR Letter"). The City, acting through its Department of Fleet and Facility Management, and any successor department thereto ("DFFM") shall have the right to review and approve the Draft NFR Letter.

After DFFM approves the Draft NFR Letter (as applicable), the Developer covenants and agrees to complete all investigation, removal, response, disposal, remediation and other activities ("Remediation Work") necessary to obtain (as applicable) a Final Comprehensive No Further Remediation Letter from the IEPA approving the use of the Property for the Project, based on the Draft NFR Letter ("Final NFR Letter"). The Final NFR Letter may be reasonably conditioned upon use and maintenance of engineered barriers and other institutional or engineering controls acceptable to the IEPA. The City shall have the right to review in advance and approve all documents submitted to the IEPA under the SRP Program, as amended or supplemented from time to time, including, without limitation, the Comprehensive Site Investigation and Remediation Objectives Report, the Remedial Action Plan, and the Remedial Action Completion Report (collectively, the "SRP Documents") and any changes thereto. The Developer shall cooperate and consult with the City at all relevant times (and in all cases upon the City's request) with respect to environmental matters. The Developer shall bear sole responsibility for all aspects of the Remediation Work and any other investigative and cleanup costs associated with the Property. The Developer shall promptly transmit to the City copies of all Environmental Documents prepared or received after the date hereof, including, without limitation, any written communications delivered to or received from the IEPA or other regulatory agencies with respect to the Remediation Work.

The Developer acknowledges and agrees that the City will not issue a Certificate of Completion or a Certificate of Occupancy for the Project until the IEPA has issued, and the City has approved, a Final Comprehensive NFR Letter for the Property. The Developer must abide by the terms and conditions of the final NFR letter.

21.4 Release and Indemnification. The Developer, on behalf of itself and its officers, directors, employees, successors, assigns and anyone claiming by, through or under them (collectively, the "Developer Parties"), hereby releases, relinquishes and forever discharges the City, its officers, agents and employees, from and against any and all Losses which the Developer ever had, now have, or hereafter may have, whether grounded in tort or contract or otherwise, in any and all courts or other forums, of whatever kind or nature, whether known or unknown, foreseen or unforeseen, now existing or occurring after the Closing Date, based upon,

arising out of or in any way connected with, directly or indirectly (i) any environmental contamination, pollution or hazards associated with the Property or any improvements, facilities or operations located or formerly located thereon, including, without limitation, any release, emission, discharge, generation, transportation, treatment, storage or disposal of Hazardous Materials, or threatened release, emission or discharge of Hazardous Materials; (ii) the structural, physical or environmental condition of the Property, including, without limitation, the presence or suspected presence of Hazardous Materials in, on, under or about the Property or the migration of Hazardous Materials from or to other Property; (iii) any violation of, compliance with, enforcement of or liability under any Environmental Laws, including, without limitation, any governmental or regulatory body response costs, natural resource damages or Losses arising under CERCLA; and (iv) any investigation, cleanup, monitoring, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision or other third party in connection or associated with the Property or any improvements, facilities or operations located or formerly located thereon (collectively, "Released Claims"); provided, however, the foregoing release shall not apply to the extent such Losses are proximately caused by the gross negligence or willful misconduct of the City following the Closing Date. Furthermore, the Developer shall indemnify, defend (through an attorney reasonably acceptable to the City) and hold the City and its officers, agents and employees harmless from and against any and all Losses which may be made or asserted by any third parties (including, without limitation, any of the Developer Parties) arising out of or in any way connected with, directly or indirectly, any of the Released Claims, except as provided in the immediately preceding sentence for the City's gross negligence or willful misconduct following the Closing Date.

21.5 Release Runs with the Property. The covenant of release in Section 21.4 above shall run with the Property, and shall be binding upon all successors and assigns of the Developer with respect to the Property, including, without limitation, each and every person, firm, corporation, limited liability company, trust or other entity owning, leasing, occupying, using or possessing any portion of the Property under or through the Developer following the date of the Deed. The Developer acknowledges and agrees that the foregoing covenant of release constitutes a material inducement to the City to enter into this Agreement, and that, but for such release, the City would not have agreed to convey the Property to the Developer. It is expressly agreed and understood by and between the Developer and the City that, should any future obligation of the Developer or Developer Parties arise or be alleged to arise in connection with any environmental, soil or other condition of the Property, the Developer and any of the Developer Parties shall not assert that those obligations must be satisfied in whole or in part by the City, because Section 21.4 contains a full, complete and final release of all such claims, except as provided in such section for the City's gross negligence or willful misconduct following the Closing Date.

21.6 Survival. This Section 21 shall survive the Closing Date or any termination of this Agreement (regardless of the reason for such termination).

SECTION 22. DEVELOPER'S EMPLOYMENT OBLIGATIONS.

22.1 Employment Opportunity. The Developer agrees, and shall contractually obligate its various contractors, subcontractors and any affiliate of the Developer operating on the

Property (collectively, the "Employers" and individually, an "Employer") to agree, that with respect to the provision of services in connection with the construction of the Project:

(a) Neither the Developer nor any Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, gender identity, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010 et seq. of the Municipal Code of Chicago, as amended from time to time (the "Human Rights Ordinance"). The Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon the foregoing grounds, and are treated in a non-discriminatory manner with regard to all job-related matters, including, without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Developer and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Developer and each Employer, in all print solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon the foregoing grounds.

(b) To the greatest extent feasible, the Developer and each Employer shall present opportunities for training and employment of low and moderate income residents of the City, and provide that contracts for work in connection with the construction of the Project be awarded to business concerns which are located in or owned in substantial part by persons residing in, the City.

(c) The Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, without limitation, the Human Rights Ordinance, and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) The Developer, in order to demonstrate compliance with the terms of this Section 22.1, shall cooperate with and promptly and accurately respond to reasonable inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) The Developer and each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the construction of the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 22.1 shall be a basis for the City to pursue remedies under the provisions of Section 18.

22.2 City Resident Employment Requirement. The Developer agrees, and shall contractually obligate each Employer to agree, that during the construction of the Project, the Developer and each Employer shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 2-92-330 of the Municipal Code of Chicago (at least fifty percent); provided, however, that doing so does not violate a collective bargaining agreement of Developer or an Employer and that in addition to complying with this percentage, the Developer and each Employer shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

(a) The Developer and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the chief procurement officer of the City of Chicago.

(b) "Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

(c) The Developer and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of Project. The Developer and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

(d) The Developer and the Employers shall submit weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) to the Department in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Developer or Employer hired the employee should be written in after the employee's name.

(e) The Developer and the Employers shall provide full access to their employment records to the chief procurement officer, the Department, the Superintendent of the Chicago Police Department, the inspector general, or any duly authorized representative thereof. The Developer and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years after the issuance of the Certificate of Completion.

(f) At the direction of the Department, the Developer and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

(g) Good faith efforts on the part of the Developer and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the chief procurement officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section 22.2 concerning the worker hours performed by actual Chicago residents.

(h) If the City determines that the Developer or an Employer failed to ensure the fulfillment of the requirements of this Section 22.2 concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section 22.2. If such non-compliance is not remedied in accordance with the breach and cure provisions of Section 18.3, the parties agree that 1/20 of 1 percent (.05%) of the aggregate hard construction costs set forth in the Final Budget shall be surrendered by the Developer and for the Employers to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer and/or the other Employers or employees to prosecution.

(i) Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement.

(j) The Developer shall cause or require the provisions of this Section 22.2 to be included in all construction contracts and subcontracts related to the construction of the Project.

22.3 Developer's MBE/WBE Commitment. Developer's MBE/WBE Commitment. The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the general contractor to agree, that during the construction of the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 22.3, during the course of construction of the Project, at least 24% of the aggregate hard construction costs shall be expended for contract participation by

minority-owned businesses and at least 4% of the aggregate hard construction costs shall be expended for contract participation by women-owned businesses.

(b) For purposes of this Section 22.3 only:

(i) The Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(ii) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iii) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture, or (ii) the amount of any actual work performed on the Project by the MBE or WBE); by the Developer utilizing a MBE or a WBE as the general contractor (but only to the extent of any actual work performed on the Project by the general contractor); by subcontracting or causing the general contractor to subcontract a portion of the construction of the Project to one or more MBEs or WBEs; by the purchase of materials or services used in the construction of the Project from one or more MBEs or WBEs; or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 23.3. In accordance with Section 2-92-730, Municipal Code of Chicago, the Developer shall not substitute any MBE or WBE general contractor or subcontractor without the prior written approval of the Department.

(d) The Developer shall deliver quarterly reports to the City's monitoring staff describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE

solicited by the Developer or the general contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the construction of the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the construction of the Project for at least five (5) years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on prior notice of at least five (5) business days, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the construction of the Project.

(e) Upon the disqualification of any MBE or WBE general contractor or subcontractor, if the disqualified party misrepresented such status, the Developer shall be obligated to discharge or cause to be discharged the disqualified general contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(f) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 22.3 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

22.4 Pre-Construction Conference and Post-Closing Compliance Requirements. Not less than fourteen (14) days prior to the Commencement of Construction, the Developer and the Developer's general contractor and all major subcontractors shall meet with the Department monitoring staff regarding compliance with all Section 22 requirements. During this pre-construction meeting, the Developer shall present its plan to achieve its obligations under this Section 22, the sufficiency of which the City's monitoring staff shall approve as a precondition to the Commencement of Construction. During the construction of the Project, the Developer shall submit all documentation required by this Section 22 to the City's monitoring staff, including, without limitation, the following: (a) subcontractor's activity report; (b) contractor's certification concerning labor standards and prevailing wage requirements; (c) contractor letter of understanding; (d) monthly utilization report; (e) authorization for payroll agent; (f) certified payroll; (g) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (h) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 22, shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (w) issue a written demand to the Developer to halt construction of the Project, (x) withhold any further payment of

any City funds to the Developer or the general contractor, or (y) seek any other remedies against the Developer available at law or in equity.

SECTION 23. REPRESENTATIONS AND WARRANTIES.

23.1 Representations and Warranties of the Developer. To induce the City to execute this Agreement and perform its obligations hereunder, the Developer hereby represents and warrants to the City that as of the date of this Agreement and as of the Closing Date the following shall be true and correct in all respects:

b. All certifications and statements contained in the Economic Disclosure Statement last submitted to the City by the Developer (and any legal entity holding an interest in the Developer) are true, accurate and complete.

c. The Developer's execution, delivery and performance of this Agreement and all instruments and agreements contemplated hereby will not, upon the giving of notice or lapse of time, or both, result in a breach or violation of, or constitute a default under, any other agreement to which the Developer, or any party affiliated with the Developer, is a party or by which the Developer or the Property is bound.

d. To the best of the Developer's knowledge, no action, litigation, investigation or proceeding of any kind is pending or threatened against the Developer, or any party affiliated with the Developer, and the Developer knows of no facts which could give rise to any such action, litigation, investigation or proceeding, which could: (a) affect the ability of the Developer to perform its obligations hereunder; or (b) materially affect the operation or financial condition of the Developer.

e. To the best of the Developer's knowledge, the Project will not violate: (a) any Laws, including, without limitation, any zoning and building codes and environmental regulations; or (b) any building permit, restriction of record or other agreement affecting the Property.

23.2 Representations and Warranties of the City. To induce the Developer to execute this Agreement and perform its obligations hereunder, the City hereby represents and warrants to the Developer that the City has authority under its home rule powers to execute and deliver this Agreement and perform the terms and obligations contained herein, and the person signing this Agreement on behalf of the City has the authority to do so.

23.3 Survival of Representations and Warranties. Each of the parties agrees that all of its representations and warranties set forth in this Section 23 or elsewhere in this Agreement are true as of the date of this Agreement and will be true in all material respects at all times

thereafter, except with respect to matters which have been disclosed in writing and approved by the other party.

SECTION 24. PROVISIONS NOT MERGED WITH DEED.

The provisions of this Agreement shall not be merged with the Deed, and the delivery of the Deed shall not be deemed to affect or impair the provisions of this Agreement.

SECTION 25. HEADINGS.

The headings of the various sections of this Agreement have been inserted for convenient reference only and shall not in any manner be construed as modifying, amending, or affecting in any way the express terms and provisions thereof.

SECTION 26. ENTIRE AGREEMENT.

This Agreement constitutes the entire agreement between the parties and supersedes and replaces completely any prior agreements between the parties with respect to the subject matter hereof. This Agreement may not be modified or amended in any manner other than by supplemental written agreement executed by the parties.

SECTION 27. SEVERABILITY.

If any provision of this Agreement, or any paragraph, sentence, clause, phrase or word, or the application thereof is held invalid, the remainder of this Agreement shall be construed as if such invalid part were never included and this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

SECTION 33. OTHER ACTS

The parties agree to perform such other acts and to execute, acknowledge and deliver such other instruments, documents and materials as may be reasonably necessary to consummate the transactions contemplated by this Agreement.

SECTION 34. BUSINESS RELATIONSHIPS.

The Developer acknowledges (1) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (2) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (3) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Developer hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

SECTION 35. PATRIOT ACT CERTIFICATION.

The Developer represents and warrants that neither the Developer nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to the Developer that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Developer, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

SECTION 36. PROHIBITION ON CERTAIN CONTRIBUTIONS – MAYORAL EXECUTIVE ORDER NO. 2011-4.

Developer agrees that Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Developer's contractors (i.e., any person or entity in direct

contractual privity with Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Developer and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (1) after execution of this Agreement by Developer, (2) while this Agreement or any Other Contract is executory, (3) during the term of this Agreement or any Other Contract between Developer and the City, or (4) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Developer represents and warrants that from the later to occur of (1) May 16, 2011, and (2) the date the City approached the Developer or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Developer agrees that it shall not: (1) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (2) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (3) Bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Developer intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source, which is then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Developer is a party that is (1) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (2) entered into for the purchase or lease of real or personal property; or (3) for

materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

1. they are each other's sole domestic partner, responsible for each other's common welfare; and
2. neither party is married; and
3. the partners are not related by blood closer than would bar marriage in the State of Illinois; and
4. each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
5. two of the following four conditions exist for the partners:
    a. The partners have been residing together for at least 12 months.
    b. The partners have common or joint ownership of a residence.
    c. The partners have at least two of the following arrangements:
        i. joint ownership of a motor vehicle;
        ii. a joint credit account;
        iii. a joint checking account;
        iv. a lease for a residence identifying both domestic partners as tenants.
    d. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

SECTION 37. FAILURE TO MAINTAIN ELIGIBILITY TO DO BUSINESS WITH THE CITY.

Failure by Developer or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of the Agreement and the transactions contemplated thereby. Developer shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

SECTION 38. INSPECTOR GENERAL AND LEGISLATIVE INSPECTOR GENERAL.

It is the duty of every officer, employee, department, agency, contractor, subcontractor, developer and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. The Developer understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago.

SECTION 39. 2014 CITY HIRING PLAN.

(i) The City is subject to the June 16, 2014 "City of Chicago Hiring Plan" (as amended, the "2014 City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with Developer, either as an employee or as a subcontractor, and from directing Developer to hire an individual as an employee or as a subcontractor. Accordingly, Developer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Developer under this Agreement are employees or subcontractors of Developer, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Developer.

(iii) Developer will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to Developer by a City employee or City official in violation of subparagraph (ii) above, or advocating a violation of subparagraph (iii) above, Developer will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General (the "OIG"), and also to the head of the relevant City Department utilizing services provided under this Agreement. Developer will also cooperate with any inquiries by the OIG.
