WHEREAS, the June 2013 Ordinance also authorized the City's conveyance to NeighborSpace of the property identified in Exhibit B attached hereto ("Phase II Site") for the expansion of the urban farm, such conveyance to occur following the City's completion of certain environmental and site preparation work for the Phase II Site and subject to an ingress/egress easement, to be approved by separate ordinance, in, on, over and across a portion of the Phase II Site (such portion, legally described in Exhibit C attached hereto, the "Sub-Phase II Site") in favor of the business located immediately to the east of the Sub-Phase II Site (the "Easement"); and

Form of Counsel's Opinion

_____, 2015

City of Chicago

RE: Amending Agreement to Administrative Services Agreement (the "Agreement")

Ladies and Gentlemen:

I have acted as counsel for SomerCor 504, Inc., an Illinois not-for-profit corporation ("SomerCor"), in connection with the execution and delivery of the Agreement by and between SomerCor and the City of Chicago, acting by and through its Department of Planning and Development (the "City"). SomerCor has requested that this opinion be furnished to the City.

In so acting as counsel for SomerCor I have examined:

(i) an executed original of the Agreement;

(ii) the Articles of Incorporation, including all amendments thereto, of SomerCor as furnished and certified by the Secretary of State of the State of Illinois;

(iii) the By-Laws of SomerCor, as certified by the Secretary of SomerCor as of the date hereof; and

(iv) the Certificate of Good Standing dated _____, issued by the Office of the Secretary of State of the State of Illinois, as to the good standing of SomerCor.

In my capacity as counsel, I have also examined such other documents or instruments as I have deemed relevant for the purposes of rendering the opinions hereinafter set forth.

I have also assumed, but have no reason to question, the legal capacity, authority and the genuineness of the signatures of and due and proper execution and delivery by the respective parties other than SomerCor which has made, executed or delivered or will make, execute and deliver the agreements and documents examined by me.

I express no opinion as to (i) the laws of any state or jurisdiction other than the State of Illinois (and any political subdivisions thereof) and the United States of America; and (ii) any matters pertaining or relating to the securities laws of the United States of America, the State of Illinois or any other state.

Based upon and subject to the assumptions and qualifications herein stated, it is my opinion that:

1. SomerCor is a not-for-profit corporation, duly organized and validly existing under the laws of the State of Illinois, SomerCor has made all filings required by the laws of the State of Illinois in respect of its formation and continuing existence, and has all requisite authority to carry on its business and to execute and deliver, and to consummate the transactions contemplated by, the Agreement.

2. The Agreement has been duly executed and delivered on behalf of SomerCor, and constitutes a legal, valid and binding obligation of SomerCor, enforceable against SomerCor in accordance with its terms, except to the extent that enforcement of any such terms may be limited by: (a) applicable bankruptcy, reorganization, debt arrangement, insolvency or other similar laws generally affecting creditors' rights; or (b) judicial and public policy limitations upon the enforcement of certain remedies including those which a court of equity may in its discretion decline to enforce.

3. There is no action, suit or proceeding at law or in equity pending, nor to my knowledge threatened, against or affecting SomerCor, before any court or before any governmental or administrative agency, which if adversely determined could materially and adversely affect the ability of SomerCor to perform under the Agreement or any of its business or properties or financial or other conditions.

4. The transactions contemplated by the Agreement are governed by the laws of the State of Illinois.

5. The execution and delivery of the Agreement and the consummation of the transactions contemplated thereby will not constitute:

   A. a violation or breach of (i) the Articles of Incorporation of SomerCor, (ii) the By-Laws of SomerCor, (iii) any provision of any contract or other instrument to which SomerCor is bound, or (iv) any order, writ, injunction, decree, statute, rule or regulation binding on SomerCor, or

   B. a breach of any of the provisions of, or constitute a default under, or result in the creation or imposition of any lien or encumbrance upon any of the property of SomerCor pursuant to any agreement or other instrument to which SomerCor is a party or by which SomerCor is bound.

6. No action of, or filing with, any governmental or public body is required to authorize, or is otherwise required for the validity of, the execution, delivery and performance of any of the Agreement.

This opinion is furnished for your benefit and may be relied upon by you and any such other party in connection with the Agreement, but may not be delivered to or relied upon by any other person or entity without written consent from the undersigned.

Very truly yours,

CITY OF CHICAGO

TO THE HONORABLE, THE CITY COUNCIL

Ladies and Gentlemen:

At the request of the Commissioner of Fleet and Facility Management, I transmit herewith ordinances authorizing the execution of lease agreements.

Your favorable consideration of these ordinances will be appreciated.

Very truly yours,

ORDINANCE

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1: On behalf of the City of Chicago as Landlord, the Commissioner of the Department of Fleet and Facility Management is authorized to execute a Lease with the Montclare Senior Residences SLF of Lawndale, LLC, as Tenant, for use of City owned property located at 4340 West 18th Place; such Lease to be approved by the Commissioner of the Department of Planning and Development, and approved as to form and legality by the Corporation Counsel in substantially the following form:

LEASE

THIS LEASE is made and entered into this _____ day of _____, 2015, ("**Commencement Date**") by and between the **CITY OF CHICAGO,** an Illinois Municipal Corporation and Home Rule Unit of Government (hereinafter referred to as "**Landlord**" or "**City**") and **MONTCLARE SENIOR RESIDENCES SLF OF LAWNDALE, LLC,** an Illinois limited liability company (hereinafter referred to as "**Tenant**").

RECITALS

WHEREAS, Landlord is the owner of the vacant lot located at 4340 West 18th Place, Chicago, Cook County, Illinois (the "Premises"), which has no present municipal use; and

WHEREAS, Tenant is planning to develop a low income senior residence (the "Project") on the vacant lot adjacent to the Premises located at 4339 West 18th Place (the "Development Parcel"); and

WHEREAS, Tenant wishes to use the Premises for construction staging and parking for construction personnel during the construction of the Project on the adjacent lot.

NOW THEREFORE, in consideration of the covenants, terms, and conditions set forth herein, the parties agree and covenant as follows:

SECTION 1. GRANT

1.1 Grant. Landlord hereby leases to Tenant, and Tenant hereby leases from Landlord, the following described premises situated in the City of Chicago, County of Cook, State of Illinois, to wit:

> Approximately 61,368 square feet of land located on that certain parcel of real estate more commonly known as 4340 West 18th Place, Chicago, Illinois, which is the portion of PIN 16-22-409-036-0000 lying north of the centerline of vacated 18th Place (the "Premises"), as further depicted on **Exhibit A** attached hereto.

SECTION 2. TERM

2.1 Term. The term of this Lease (the "Term") shall begin on the Commencement Date and shall end on the earlier of (i) the completion of construction of the Project or (ii) two (2) years, unless sooner terminated as set forth in this Lease.

SECTION 3. RENT, TAXES, AND UTILITIES

3.1 Rent. Tenant shall pay base rent for the Premises in the amount of one dollar ($1) per year.

3.2 Taxes. Tenant acknowledges that Premises are exempt from leasehold, real estate, and other property taxes. Tenant shall pay when due any leasehold, real estate, and other property taxes assessed or levied on the Premises where attributable to Tenant's use of the Premises. Tenant shall pay such amounts and Tenant shall provide Landlord with proof of such payment within ten (10) days of such payment. Tenant further acknowledges that real estate taxes are one (1) year in arrears in Cook County and that as a result Tenant shall be responsible for satisfaction of leasehold, real estate, and other property taxes assessed or levied on the Premises on account of Tenant's use for at least one year after Tenant vacates the Premises. Tenant's failure to pay any such taxes shall constitute a default under this Lease. Notwithstanding the foregoing, nothing herein shall preclude Tenant from contesting any charge or tax levied against the Premises. The failure of Tenant to pay such taxes during the pendency of the contest shall not constitute a default under this Lease. Tenant's tax responsibilities under this section shall survive the expiration, cancellation, or termination of this Lease.

3.3 Utilities. Tenant shall pay when due all charges for gas, electricity, water, sewer, telephone, other communication, and any other utilities and charges that may be assessed on the Premises during the Term, or as a result of, Tenant's occupancy of the Premises. Landlord shall not have any responsibility for providing, delivering, or paying for any utilities supplied to the Premises.

3.4 Accord and Satisfaction. No payment by Tenant or receipt by Landlord of a lesser amount than any installment or payment of the rent or any amounts due hereunder shall be deemed to be other than on account of the amount due, and no endorsement of statement or any check or any letter accompanying any check or payment of rent shall be deemed an accord and satisfaction. Landlord may accept such check or payment without prejudice as to Landlord's right to recover the balance of such installment or payment or to pursue any other remedies available to Landlord.

SECTION 4. CONDITION AND ENJOYMENT OF PREMISES, ALTERATIONS, ADDITIONS, AND SURRENDER

4.1 Satisfaction with Condition. Tenant agrees that Tenant has inspected the Premises and all related areas and grounds and that Tenant is satisfied with the physical condition thereof and accepts the Premises in its "As-Is" condition.

4.2 Covenant of Quiet Enjoyment. Landlord covenants and agrees that Tenant, upon paying the rent and upon observing and keeping the covenants, agreements, and conditions of this Lease on its part to be kept, observed, and performed, shall lawfully occupy and enjoy the Premises (subject to the provisions of this Lease) during the Term without hindrance or molestation by Landlord.

4.3 Tenant's Duty to Maintain Premises. Tenant shall, at Tenant's expense, keep the Premises in a condition of good repair and order, and in compliance with all applicable provisions of the Municipal Code of Chicago. If Tenant shall refuse or neglect to performed needed maintenance within fifteen (15) days after written notice thereof sent by Landlord, unless such matter cannot be remedied within fifteen (15) days, and Tenant shall have commenced and is diligently pursuing all necessary action to remedy such matter, Landlord, at Landlord's option, is authorized to either perform such maintenance and Tenant will, within thirty (30) business days of demand, reimburse Landlord for the reasonable cost thereof, or Landlord can immediately terminate this Lease by providing the Tenant with written notice thereof. Landlord shall have the right of access to the Premises for the purpose of inspecting and making repairs to the Premises, provided that, except in the case of emergencies, Landlord shall first give notice to Tenant of its desire to enter the Premises and will schedule its entry so as to minimize any interference with Tenant's use of the Premises.

4.4 Use of the Premises. Tenant shall only use the Premises as a construction staging area (storage of construction related equipment and materials) and parking for construction personnel. Tenant shall not use the Premises in a manner that would violate any laws, ordinances, orders, rules, regulations, and requirements of all federal, state and municipal governmental departments (collectively – the "Laws") which may be applicable to the Premises or to the use or manner of use of the Premises. Tenant further covenants not to do or suffer any waste or damage, comply in all respects with the Laws and requirements of all federal, state, and municipal governmental departments which may be applicable to the Premises or to the use or manner of use of the Premises. Tenant shall not use said Premises for political or religious activities.

The parking use contemplated under this Lease is limited to providing parking for Tenant's and Tenant's contractors' vehicles, and Tenant shall not allow any general or public parking at the Premises. Tenant shall not operate the Premises so as to cause the Premises to be deemed a "Competing Parking Facility" under the Chicago Metered Parking System Agreement dated December 4, 2008 by and between the City of Chicago and Chicago Parking Meters, LLC.

4.5 Alterations, Additions and Improvements. Tenant may not make any alterations, additions, or improvements to the Premises without the prior written approval of the Commissioner of the Department of Fleet and Facility Management. Any such alterations, additions, and improvements shall be in full compliance with the applicable Laws. Landlord shall not be obligated to pay for any alterations, additions, or improvements to the Premises.

SECTION 5. ASSIGNMENT, SUBLEASE, AND LIENS

5.1 Assignment and Sublease. Tenant shall not assign this Lease in whole or in part, or sublet or license the Premises or any part thereof.

5.2 Tenant's Covenant against Encumbering Title. Tenant shall not do any act which shall in any way encumber the fee simple estate of Landlord in and to the Premises, nor shall the interest or estate of Landlord in the Premises be in any way subject to any claim by way of lien or encumbrance, whether by operation of law or by virtue of any express or implied contract by Tenant. Any claim to, or lien upon, the Premises arising from any act or omission of Tenant shall accrue only against the leasehold estate of Tenant and shall be subject to and subordinate to the paramount title and rights of Landlord in and to the Premises.

5.3 Tenant's Covenant against Liens. Tenant shall not permit the Premises to become subject to any mechanic's, laborer's, or materialmen's liens on account of labor or material furnished to Tenant or claimed to have been furnished to Tenant. In case of any such lien attaching, Tenant shall immediately pay and remove such lien or furnish security or indemnify Landlord in a manner satisfactory to Landlord in its sole discretion to protect Landlord against any defense or expense arising from such lien. Except during any period in which Tenant appeals any judgment or obtains a rehearing of any such lien, or in the event judgment is stayed, Tenant shall immediately pay any judgment rendered against Tenant, with all proper costs and charges, and shall have the lien released and any judgment satisfied. If Tenant fails to pay and remove any lien or contest such lien in accordance herewith, Landlord, at its election, may pay and satisfy same, and all sums so paid by Landlord shall become immediately due and payable by Tenant, with interest from the date of payment at the rate set at 12% per annum provided that such rate shall not be deemed usurious by any Federal, State, or Local law.

SECTION 6. INSURANCE AND INDEMNIFICATION

6.1 Insurance. Tenant shall procure and maintain at all times, at Tenant's own expense, during the Term, the insurance coverages and requirements specified below, insuring all operations related to the Lease. The kind and amounts of insurance required are as follows:

(a) Worker's Compensation and Employer's Liability. Workers Compensation as prescribed by applicable law, covering all employees who are to provide a service under this Lease, and Employer's Liability Insurance with limits of not less than $500,000 each accident, illness or disease.

(b) Commercial General Liability (Primary and Umbrella). Commercial General Liability Insurance or equivalent, with limits of not less than $2,000,000 per occurrence, for bodily injury, personal injury, and property damage liability. Coverage shall include the following: All premises and operations, products/completed operations, defense, separation of insureds, and contractual liability (not to include Endorsement CG 21 39 or equivalent).

The City of Chicago shall be named as an additional insured under the policy. Such additional insured coverage shall be provided on CG 20 10 or on a similar additional insured form acceptable to the City. The additional insured coverage shall not have any limiting endorsements or language under the policy such as, but not limited to, Tenant's

sole negligence or the Additional Insured's vicarious liability. Tenant's liability insurance shall be primary without right of contribution by any other insurance or self-insurance maintained by or available to the City.

Subcontractors performing work for the Tenant must maintain limits of not less than $2,000,000 with the same terms herein.

(c) Automobile Liability Insurance (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with the Lease, Tenant shall provide and maintain Automobile Liability Insurance with limits of not less than $2,000,000 per occurrence for bodily injury and property damage. The City of Chicago shall be named as an additional insured on a primary, non-contributory basis.

Subcontractors performing work for the Tenant must maintain limits of not less than $2,000,000 with the same terms herein.

(d) The Tenant shall be responsible for all loss or damage personal property (including, but not limited to materials, equipment, tools and supplies), owned, rented or used by Tenant.

6.2 Other Terms of Insurance. Tenant will furnish the City of Chicago, Department of Fleet and Facility Management, Office of Real Estate Management, 30 North LaSalle Street, Suite 300, Chicago, Illinois 60602, original Certificates of Insurance evidencing the required coverage to be in force on the date of this Lease, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the Term. Tenant shall submit evidence of insurance prior to execution of the Lease. The receipt of any certificate does not constitute agreement by Landlord that the insurance requirements in this Lease have been fully met or that the insurance policies indicated on the certificate are in compliance with all requirements in the Lease. The failure of Landlord to obtain certificates or other insurance evidence from Tenant shall not be deemed to be a waiver by Landlord. Tenant shall advise all insurers of the Lease provisions regarding insurance. Non-conforming insurance shall not relieve Tenant of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Lease and the Landlord retains the right to terminate or suspend the Lease until proper evidence of insurance is provided.

The Tenant shall provide for 60 days prior written notice to be given to the Landlord in the event coverage is substantially changed, cancelled, or non-renewed.

Any and all deductibles or self-insured retentions on referenced insurance coverages shall be borne by Tenant.

Tenant hereby grants to the Landlord a waiver of any right of subrogation which any insurer of Tenant may acquire against the Landlord by virtue of the payment of any loss under the insurance. Tenant agrees to obtain any endorsement that may be necessary to affect this

waiver of subrogation, but this provision applies regardless of whether or not the Landlord has received a waiver of subrogation endorsement from the insurer(s).

Tenant expressly understands and agrees that any coverages and limits furnished by Tenant shall in no way limit the Tenant's liabilities and responsibilities specified in this Lease or by law.

Tenant expressly understands and agrees that its insurance is primary and any insurance or self-insurance programs maintained by the Landlord shall not contribute with insurance provided by Tenant.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Lease or any limitation placed on the indemnity in this Lease given as a matter of law.

If Tenant is a joint venture or limited liability company, the insurance policies shall name the joint venture or limited liability company as a named insured.

If Tenant maintains higher limits than the minimums shown above, Landlord shall be entitled to coverage for the higher limits maintained by Tenant. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the Landlord.

Notwithstanding any provision to the contrary, the City of Chicago, Department of Finance, Office of Risk Management, maintains the rights to modify, delete, alter or change these requirements at any time during the Term of Lease.

6.3 Tenant's Indemnification. Tenant shall indemnify, defend, and hold Landlord harmless against all liabilities, judgments, amounts paid in settlement, arbitration or mediation awards, costs, damages, and expenses (including reasonable attorney's fees, expenses, and court costs), whether such claim is related to or arises from personal injury or property damage which may be expended by or accrue against, be charged to, or be recovered from Landlord or Tenant by reason of Tenant's performance of or failure to perform any of Tenant's obligations under this Lease or Tenant's negligent acts or failure to act, or resulting from the acts or failure to act of Tenant's contractors, respective officers, directors, agents, or employees. This Section 6.3 shall survive the expiration or termination of this Lease (regardless of the reason for such termination).

SECTION 7. CONFLICT OF INTEREST AND GOVERNMENTAL ETHICS

7.1 Conflict of Interest. No official or employee of the City of Chicago, nor any member of any board, commission or agency of the City of Chicago, shall have any financial interest (as defined in Chapter 2-156 of the Municipal Code of Chicago), either direct or indirect, in the Premises. No such official, employee, or member shall participate in making or in any

way attempt to use his or her position to influence any City governmental decision or action with respect to this Lease.

7.2 Duty to Comply with Governmental Ethics Ordinance. Landlord and Tenant shall comply with Chapter 2-156 of the Municipal Code of Chicago, "Governmental Ethics," including, but not limited to, section 2-156-120, which states that no payment, gratuity, or offer of employment shall be made in connection with any City of Chicago contract as an inducement for the award of that contract or order. Any contract or lease negotiated, entered into, or performed in violation of any of the provisions of Chapter 2-156 shall be voidable in the sole discretion of the City.

SECTION 8. ADDITIONAL RESPONSIBILITIES OF TENANT

8.1 Security and Fencing. Tenant is responsible for properly securing the Premises. Tenant shall erect construction fencing to secure the Premises during the Term.

8.2 Repairs for Tenant Negligence, Vandalism, or Misuse. Tenant shall not destroy, deface, damage, impair, nor remove any part of the Premises or facilities, equipment or appurtenances, unless approved as part of an alteration, addition, or improvement under this Lease. Tenant shall assume all responsibility for any repairs to the Premises necessitated by the negligence, vandalism, or misuse of the Premises or equipment therein by Tenant's employees, clients, invitees, agents, or contractors.

8.3 Hazardous Substances. Tenant shall not use or store any Hazardous Substances (defined below) on the Premises. Tenant shall promptly notify the Landlord if Tenant discovers any Hazardous Substances on the Premises. As used in this Lease, the term "Hazardous Substances" shall mean any toxic substance, hazardous material, hazardous chemical or hazardous, toxic or dangerous waste defined or qualifying as such in (or for the purposes of) any Environmental Laws (as defined hereunder), or any pollutant, toxic vapor, or contaminant, and shall include, but not be limited to, polychlorinated biphenyls (PCBs), crude oil, any fraction thereof, or refined petroleum products such as oil, gasoline, or other petroleum-based fuels, lead paint, asbestos or asbestos-containing materials, urea formaldehyde, any radioactive material or by-product material, radon and mold. "Environmental Laws" shall mean any and all Laws, permits and other requirements or guidelines of governmental authorities applicable to the Premises and relating to the regulation and protection of human health, safety, the environment, natural resources or to any Hazardous Substances, including without limitation, any Laws requiring the filing of reports and notices relating to Hazardous Substances.

8.4 Permits. For any activity which Tenant desires to conduct on the Premises in which a license or permit is required, said license or permit must be obtained by Tenant prior to using the Premises for such activity. The Department of Fleet and Facility Management must be notified of any such license or permit. Failure to obtain a required license or permit shall constitute a material breach of the terms of this Lease. Tenant understands that this Lease shall

in no way act as a substitute for any other permitting or approvals that may be required to undertake any activities on the Premises.

8.5 Full Liability. Tenant assumes full legal and financial responsibility and liability for any and all use of the Premises by Tenant, Tenant's employees, clients, invitees, contractors, and any other person entering the Premises.

8.11 Economic Disclosure Statement Affidavit Updates. Throughout the Term, Tenant shall provide Landlord with any material updates to the information submitted in Tenant's Economic Disclosure Statement and Affidavit. Landlord may also request such updates from time to time. Failure to provide such information on a timely basis shall constitute a default under this Lease.

9.2 Partial Invalidity. If any covenant, condition, provision, term or agreement of this Lease shall, to any extent, be held invalid or unenforceable, the remaining covenants, conditions, provisions, terms and agreements of this Lease shall not be affected thereby, but each covenant, condition, provision, term or agreement of this Lease shall be valid and in force to the fullest extent permitted by law.

9.3 Governing Law. This Lease shall be construed and be enforceable in accordance with the laws of the State of Illinois.

9.4 Entire Agreement. All preliminary and contemporaneous negotiations are merged into and incorporated in this Lease. This Lease contains the entire agreement between the parties and shall not be modified or amended in any manner except by an instrument in writing executed by the parties hereto.

9.10 Termination of Lease. Landlord shall have the right to terminate this Lease for convenience without penalty by providing Tenant with sixty (60) days' prior written notice.

Upon written receipt of such notice, Tenant must cure such default within ten (10) business days. If Tenant does not cure such default within ten (10) business days, Landlord may cancel this Lease with five (5) days written notice.

9.13 No Brokers. The Department of Fleet and Facility Management, Office of Real Estate Management, does not use brokers, tenant representatives, or other finders. Tenant warrants to Landlord that no broker, landlord or tenant representative, or other finder (a) introduced Tenant to Landlord, (b) assisted Tenant in the negotiation of this Lease, or (c) dealt with Tenant on Tenant's behalf in connection with the Premises or this Lease. Under no circumstances shall Tenant make any payments due hereunder to any broker(s).

9.14 Amendments. From time to time, the parties hereto may amend this Lease without City Council approval with respect to any provisions reasonably related to Tenant's use of the Premises and/or Landlord's administration of this Lease. Provided, however, that such amendment(s) shall not serve to extend the Term hereof nor serve, in the sole opinion of the Landlord, to otherwise materially alter the essential provisions contained herein. Such amendment(s) shall be in writing, shall establish the factual background necessitating such alteration, shall set forth the terms and conditions of such modification, and shall be duly executed by both Landlord and Tenant. Such amendment(s) shall only take effect upon execution by both parties. Upon execution, such amendment(s) shall become a part of this Lease and all other provisions of this Lease shall otherwise remain in full force and effect.

9.15 No Construction against Preparer. This Lease shall not be interpreted in favor of either Landlord or Tenant. Landlord and Tenant each acknowledge that both parties participated fully in the mutual drafting of this Lease.

SECTION 10. TENANT DISCLOSURES AND AFFIRMATIONS

10.1 Business Relationships. Tenant acknowledges (A) receipt of a copy of Section 2-156-030(b) of the Municipal Code of Chicago, (B) that it has read such provision and understands that pursuant to such Section 2-156-030(b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (C) notwithstanding anything to the contrary contained in this Lease, that a violation of Section 2-156-030(b) by an elected official, or any person acting at the direction of such official, with respect to this Lease shall be grounds for termination of this Lease. Tenant hereby represents and warrants that no violation of Section 2-156-030(b) has occurred with respect to this Lease.

10.2 Patriot Act Certification. Tenant represents and warrants that neither Tenant nor any Affiliate (as hereafter defined) thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. As used in this Section, an "Affiliate" shall be deemed to be a person or entity related to Tenant that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Tenant, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

10.3 Prohibition on Certain Contributions-Mayoral Executive Order No. 2011-4. Tenant agrees that Tenant, any person or entity who directly or indirectly has an ownership or beneficial interest in Tenant of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Tenant's contractors (i.e., any person or entity in direct contractual privity with Tenant regarding the subject matter of this Lease) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Tenant and all the other preceding classes of persons and entities are together the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (a) after execution of this Lease by Tenant, (b) while this Lease or any Other Contract (as hereinafter defined) is executory, (c) during the Term of this Lease or any Other Contract, or (d) during any period while an extension of this Lease or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

Tenant represents and warrants that from the later of (a) May 16, 2011, or (b) the date the City approached Tenant, or the date Tenant approached the City, as applicable, regarding the formulation of this Lease, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Tenant agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Tenant agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Notwithstanding anything to the contrary contained herein, Tenant agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Lease, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Lease, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Tenant intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the execution of this Lease, the City may elect to decline to lease the Premises to Tenant or to terminate the Lease after execution.

For purposes of this provision:

(a) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fundraising committee.

(b) "Other Contract" means any other agreement with the City of Chicago to which Tenant is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

(c) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

(d) Individuals are "domestic partners" if they satisfy the following criteria:

(i) they are each other's sole domestic partner, responsible for each other's common welfare; and

(ii) neither party is married; and

(iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(iv) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

(v) two of the following four conditions exist for the partners:

(1) The partners have been residing together for at least 12 months.

(2) The partners have common or joint ownership of a residence.

(3) The partners have at least two of the following arrangements:

(A) joint ownership of a motor vehicle;

(B) joint credit account;

(C) a joint checking account;

(D) a lease for a residence identifying both domestic partners as tenants.

(4) Each partner identifies the other partner as a primary beneficiary in a will.

(e) "Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

10.4 Waste Ordinance Provisions. In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Tenant warrants and represents that it, and to the best of its knowledge, its Contractors and its subcontractors regarding the subject matter of this Lease ("Subcontractors"), have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Lease is executory, Tenant's, any general Contractor's or any Subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Lease, constitutes a breach of and an event of default under this Lease, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Commissioner of the Department of Fleet and Facility Management. Such breach and default entitles the City to all remedies under this Lease, at law or in equity. This section does not limit Tenant's, its general Contractors' and its Subcontractors' duty to comply with all applicable federal, state, county and municipal Laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Lease. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Lease, and may further affect the Tenant's eligibility for future contract awards.

10.5 Failure to Maintain Eligibility to do Business with City. Failure by Tenant or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this Lease and the

transactions contemplated thereby. Tenant shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

10.6 Cooperation with Office of Inspector General and Legislative Inspector General. It is the duty of Tenant and any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of any such grantee, subgrantee, bidder, proposer, contractor, subcontractor or such applicant to cooperate with the Legislative Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-55 of the Municipal Code, and to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. Tenant represents and warrants that it understands and will abide by all provisions of Chapter 2-55 and Chapter 2-56 of the Municipal Code and that Tenant will inform its Contractors and Subcontractors of this provision and require their compliance.

10.7 2014 Hiring Plan Prohibitions.

(i) The City is subject to the June 16, 2014 "City of Chicago Hiring Plan", as amended (the "2014 City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Tenant is aware that City policy prohibits City employees from directing any individual to apply for a position with Tenant, either as an employee or as a subcontractor, and from directing Tenant to hire any individual as an employee or as a subcontractor. Accordingly, Tenant must follow its own hiring and contracting procedures, without being influenced by City or City employees. Any and all personnel provided by Tenant under this Lease are employees or subcontractors of Tenant, not employees of the City. This Lease is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Tenant.

(iii) Tenant will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Lease, or offer employment to any individual to provide services under this Lease, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Lease, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to Tenant by a City employee or City official in violation of paragraph (ii) above, or advocating a violation of paragraph (iii) above, Tenant will,

as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("OIG Hiring Oversight"), and also to the head of the relevant City department utilizing services provided under this Lease. Tenant will also cooperate with any inquiries by OIG Hiring Oversight.

ORDINANCE

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1: On behalf of the City of Chicago as Landlord, the Commissioner of the Department of Fleet and Facility Management is authorized to execute a Lease with Logan Square Preservation, as Tenant, for use of the former Logan Square Comfort Station located at 2579 North Milwaukee Avenue; such Lease to be approved by the Commissioner of the Department of Planning and Development, and approved as to form and legality by the Corporation Counsel in substantially the following form:

LEASE

THIS LEASE is made and entered into this _____ day of _____, 2015, ("**Commencement Date**") by and between the **CITY OF CHICAGO,** an Illinois Municipal Corporation and Home Rule Unit of Government (hereinafter referred to as "**Landlord**" or "**City**") and **LOGAN SQUARE PRESERVATION** an Illinois not-for-profit corporation (hereinafter referred to as "**Tenant**").

RECITALS

WHEREAS, Landlord is the owner of the Comfort Station, an approximately 675 square foot historic building located at 2579 North Milwaukee Avenue, Chicago, Cook County, Illinois; and

WHEREAS, Tenant is a not-for-profit organization that is dedicated to architectural preservation, history, and beautification in the Logan Square neighborhood; and

WHEREAS, Tenant wishes to operate the Comfort Station as a public information and community arts center.

NOW THEREFORE, in consideration of the covenants, terms and conditions set forth herein, the parties agree and covenant as follows:

SECTION 1. GRANT

1.1 Grant. Landlord hereby leases to Tenant, and Tenant hereby leases from Landlord, the following described premises situated in the City of Chicago, County of Cook, State of Illinois, to wit:

> The historic 675 square foot Comfort Station building located at 2579 North Milwaukee Avenue, Chicago, Cook County, Illinois (the "Premises").

SECTION 2. TERM

2.1 Term. The term of this Lease (the "Term") shall begin on the Commencement Date and shall end on December 31, 2020, unless sooner terminated as set forth in this Lease.

SECTION 3. RENT, TAXES, AND UTILITIES

3.1 Rent. Tenant shall pay base rent for the Premises in the amount of one dollar ($1) per year.

3.2 Utilities. Tenant shall pay when due all charges for gas, electricity, light, heat, water, power and telephone or other communication service, and all other utility services used in or supplied to the Premises. Landlord shall assume no responsibility for payment of any utilities or any other services used or supplied to the Premises.

3.3 Taxes. Tenant shall pay when due any real estate or leasehold taxes, if any, assessed or levied on the subject Premises. Tenant shall direct the appropriate taxing bodies that all requests for payment of leasehold or real estate taxes should be mailed to Tenant. Tenant shall contact the appropriate taxing bodies to ascertain the tax amount assessed on the Premises. Tenant shall provide Landlord with proof of payment in full within ten (10) days of such payment. Tenant further acknowledges that real estate taxes are one (1) year in arrears in Cook County and that as a result Tenant shall be responsible for satisfaction of leasehold, real estate, and other property taxes assessed or levied on the Premises on account of Tenant's use for at least one year after Tenant vacates the Premises. Tenant's failure to pay any such taxes shall constitute a default under this Lease. Notwithstanding the foregoing, nothing herein shall preclude Tenant from contesting any charge or tax levied against the Premises. The failure of Tenant to pay such taxes during the pendency of the contest shall not constitute a default under this Lease. Tenant's tax responsibilities under this section shall survive the expiration, cancellation, or termination of this Lease.

3.4 Accord and Satisfaction. No payment by Tenant or receipt by Landlord of a lesser amount than any installment or payment of the rent or any amounts due hereunder shall be deemed to be other than on account of the amount due, and no endorsement of statement or any check or any letter accompanying any check or payment of rent shall be deemed an accord and satisfaction. Landlord may accept such check or payment without prejudice as to Landlord's right to recover the balance of such installment or payment or to pursue any other remedies available to Landlord.

SECTION 4. CONDITION AND ENJOYMENT OF PREMISES, ALTERATIONS, ADDITIONS, AND SURRENDER

4.1 Covenant of Quiet Enjoyment. Landlord covenants and agrees that Tenant, upon paying the rent and upon observing and keeping the covenants, agreements and conditions of this Lease on its part to be kept, observed and performed, shall lawfully and quietly hold, occupy and enjoy the Premises (subject to the provisions of this Lease) during the Term without hindrance or molestation by Landlord.

4.2 Tenant's Duty to Maintain Premises and Right of Access. Unless otherwise provided in this Lease, Tenant shall, at Tenant's expense, keep the Premises in a condition of thorough repair and good order, and in compliance with all applicable provisions of the Municipal Code of Chicago, including but not limited to those provisions in Title 13 ("Building and Construction"), Title 14 ("Electrical Equipment and Installation"), Title 15 ("Fire Prevention") and all applicable provisions of the Landscape Ordinance of the City of Chicago. If Tenant shall refuse or neglect to make needed repairs within thirty (30) days after written notice

thereof sent by Landlord, unless such repair cannot be remedied by thirty (30) days, and Tenant shall have commenced and is diligently pursuing all necessary action to remedy such repair, Landlord, at Landlord's option, is authorized to either make such repairs and Tenant will promptly and within thirty (30) days of demand reimburse Landlord for the reasonable cost thereof, or Landlord can immediately terminate this Lease by providing the Tenant with written notice thereof. Landlord shall have the right of access to the Premises for the purpose of inspecting and making repairs to the Premises, provided that except in the case of emergencies, Landlord shall first give notice to Tenant of Landlord's desire to enter the Premises and Landlord will schedule its entry so as to minimize any interference with Tenant's use of Premises.

4.3 Use of the Premises. Any activities on the Premises must be limited to operating a public information facility, community arts space, community center, and related educational and not-for-profit purposes that celebrate the history of greater Logan Square. Tenant shall not use the Premises in a manner that would violate any laws, ordinances, orders, rules, regulations, and requirements of all federal, state and municipal governmental departments (collectively – the "Laws") which may be applicable to the Premises or to the use or manner of use of the Premises. Tenant further covenants not to do or suffer any waste or damage, comply in all respects with the Law which may be applicable to the Premises or to the use or manner of use of the Premises. Tenant shall not commit or allow any disfigurement or injury to any building or improvement on the Premises, or to fixtures and equipment thereof.

4.4 Alterations and Additions. Tenant may make alterations, additions and improvements on the Premises, provided that any such alterations, additions and improvements shall be in full compliance with the applicable Laws, permit requirements, and codes. Tenant must obtain the prior written consent of the Commissioner of the Department of Planning and Development before commencing any alterations, additions and or improvements. Any additions and improvements shall be without cost to Landlord and shall become property of Landlord at Lease termination without offset or other credit to Tenant.

SECTION 5. ASSIGNMENT, SUBLEASE, AND LIENS

5.1 Assignment and Sublease. Tenant shall not assign this Lease in whole or in part, or sublet the Premises or any part thereof.

5.2 Tenant's Covenant Against Liens. Tenant shall not cause or permit any lien or encumbrance, whether created by act of Tenant, operation of law or otherwise, to attach to or be placed upon Landlord's title or interest in the Premises. All liens and encumbrances created by Tenant shall attach to Tenant's interest only. In case of any such lien attaching, Tenant shall immediately pay and remove such lien or furnish security or indemnify Landlord in a manner satisfactory to Landlord in its sole discretion to protect Landlord against any defense or expense arising from such lien. Except during any period in which Tenant appeals any judgment or obtains a rehearing of any such lien, or in the event judgment is stayed, Tenant shall immediately pay any judgment rendered against Tenant, with all proper costs and charges, and shall have the lien released and any judgment satisfied. If Tenant fails to pay and remove any lien or contest such lien in accordance herewith, Landlord, at its election, may pay and satisfy

same, and all sums so paid by Landlord, with interest from the date of payment at the rate set at 12% per annum.

SECTION 6. INSURANCE AND INDEMNIFICATION

6.1 Insurance. Tenant shall procure and maintain at all times, at Tenant's own expense, during the Term, the insurance coverages and requirements specified below, insuring all operations related to the Lease. The kind and amounts of insurance required are as follows:

(a) Worker's Compensation and Employer's Liability. Workers Compensation as prescribed by applicable law, covering all employees who are to provide a service under this Lease, and Employer's Liability Insurance with limits of not less than $500,000 each accident, illness or disease.

(b) Commercial General Liability (Primary and Umbrella). Commercial General Liability Insurance or equivalent, with limits of not less than $1,000,000 per occurrence, for bodily injury, personal injury, and property damage liability. Coverage shall include the following: All premises and operations, products/completed operations, defense, separation of insureds, and contractual liability (not to include Endorsement CG 21 39 or equivalent).

The City of Chicago shall be named as an additional insured under the policy. Such additional insured coverage shall be provided on CG 20 10 or on a similar additional insured form acceptable to the City. The additional insured coverage shall not have any limiting endorsements or language under the policy such as, but not limited to, Tenant's sole negligence or the Additional Insured's vicarious liability. Tenant's liability insurance shall be primary without right of contribution by any other insurance or self-insurance maintained by or available to the City.

(c) Automobile Liability Insurance (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with the Lease, Tenant shall provide and maintain Automobile Liability Insurance with limits of not less than $1,000,000 per occurrence for bodily injury and property damage. The City of Chicago shall be named as an additional insured on a primary, non-contributory basis.

The Tenant shall be responsible for all loss or damage personal property (including, but not limited to materials, equipment, tools and supplies), owned, rented or used by Tenant.

6.2 Other Terms of Insurance. Tenant will furnish the City of Chicago, Department of Fleet and Facility Management, Office of Real Estate Management, 30 North LaSalle Street, Suite 300, Chicago, Illinois 60602, original Certificates of Insurance evidencing the required coverage to be in force on the date of this Lease, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the Term. Tenant shall submit evidence of insurance prior to execution of the Lease. The receipt of any certificate does not constitute agreement by Landlord that the insurance requirements in this Lease have

been fully met or that the insurance policies indicated on the certificate are in compliance with all requirements in the Lease. The failure of Landlord to obtain certificates or other insurance evidence from Tenant shall not be deemed to be a waiver by Landlord. Tenant shall advise all insurers of the Lease provisions regarding insurance. Non-conforming insurance shall not relieve Tenant of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Lease and the Landlord retains the right to terminate or suspend the Lease until proper evidence of insurance is provided.

The Tenant shall provide for 60 days prior written notice to be given to the Landlord in the event coverage is substantially changed, cancelled, or non-renewed.

Any and all deductibles or self-insured retentions on referenced insurance coverages shall be borne by Tenant.

Tenant hereby grants to the Landlord a waiver of any right of subrogation which any insurer of Tenant may acquire against the Landlord by virtue of the payment of any loss under the insurance. Tenant agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the Landlord has received a waiver of subrogation endorsement from the insurer(s).

Tenant expressly understands and agrees that any coverages and limits furnished by Tenant shall in no way limit the Tenant's liabilities and responsibilities specified in this Lease or by law.

Tenant expressly understands and agrees that its insurance is primary and any insurance or self-insurance programs maintained by the Landlord shall not contribute with insurance provided by Tenant.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Lease or any limitation placed on the indemnity in this Lease given as a matter of law.

If Tenant is a joint venture or limited liability company, the insurance policies shall name the joint venture or limited liability company as a named insured.

If Tenant maintains higher limits than the minimums shown above, Landlord shall be entitled to coverage for the higher limits maintained by Tenant. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the Landlord.

Notwithstanding any provision to the contrary, the City of Chicago, Department of Finance, Office of Risk Management, maintains the rights to modify, delete, alter or change these requirements at any time during the Term of Lease.

6.3 Tenant's Indemnification. Tenant shall indemnify, defend, and hold Landlord harmless against all liabilities, judgments, amounts paid in settlement, arbitration or mediation

awards, costs, damages, and expenses (including reasonable attorney's fees, expenses, and court costs), whether such claim is related to or arises from personal injury or property damage which may be expended by or accrue against, be charged to, or be recovered from Landlord or Tenant by reason of Tenant's performance of or failure to perform any of Tenant's obligations under this Lease or Tenant's negligent acts or failure to act, or resulting from the acts or failure to act of Tenant's contractors, respective officers, directors, agents, or employees. This section shall survive the expiration or termination of this Lease.

SECTION 7. DAMAGE OR DESTRUCTION

7.1 Damage or Destruction. If the Premises are damaged or destroyed or a casualty to such extent that Tenant cannot continue, occupy or conduct its normal business therein, or if, in Tenant's opinion, the Premises are rendered untenantable, either Landlord or Tenant shall have the option to declare this Lease terminated as of the date of such damage or destruction by giving the other party written notice to such effect.

SECTION 8. CONFLICT OF INTEREST AND GOVERNMENTAL ETHICS

8.1 Conflict of Interest. No official or employee of the City of Chicago, nor any member of any board, commission or agency of the City of Chicago, shall have any financial interest (as defined in Chapter 2-156 of the Municipal Code of Chicago), either direct or indirect, in the Premises. No such official, employee, or member shall participate in making or in any way attempt to use his or her position to influence any City governmental decision or action with respect to this Lease.

8.2 Duty to Comply with Governmental Ethics Ordinance. Landlord and Tenant shall comply with Chapter 2-156 of the Municipal Code of Chicago, "Governmental Ethics," including, but not limited to, section 2-156-120, which states that no payment, gratuity, or offer of employment shall be made in connection with any City of Chicago contract as an inducement for the award of that contract or order. Any contract or lease negotiated, entered into, or performed in violation of any of the provisions of Chapter 2-156 shall be voidable in the sole discretion of the City.

SECTION 9. HOLDING OVER

9.1 Holding Over. Any holding over by Tenant shall be construed to be a tenancy from month to month only beginning on January 1, 2021 and the rent shall be as stipulated in Section 3.1 above. During any holdover period all provisions of this Lease shall remain in full force and effect.

If any covenant, condition, provision, term or agreement of this Lease shall, to any extent, be held invalid or unenforceable, the remaining covenants, conditions, provisions, terms and agreements of this Lease shall not be affected thereby, but each covenant, condition, provision, term or agreement of this Lease shall be valid and in force to the fullest extent permitted by law.

11.9 Alarm Service and Security. Tenant shall pay for monthly alarm service and security if necessary. Tenant is responsible for properly securing the Premises at all times. 11.16 Scavenger Service. Tenant shall provide its own scavenger service if necessary.

In the alternative, Landlord may treat such property as being conveyed to Landlord with this Lease as a bill of sale, without further payment or credit by Landlord to Tenant.

11.23 Hazardous Substances. Tenant shall not use or store any Hazardous Substances (defined below) on the Premises. Tenant shall promptly notify the Landlord if Tenant discovers any Hazardous Substances on the Premises. As used in this Lease, the term "Hazardous Substances" shall mean any toxic substance, hazardous material, hazardous chemical or hazardous, toxic or dangerous waste defined or qualifying as such in (or for the purposes of) any Environmental Laws (as defined hereunder), or any pollutant, toxic vapor, or contaminant,

SECTION 12. TENANT DISCLOSURES AND AFFIRMATIONS

12.1 Business Relationships. Tenant acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (B) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (C) notwithstanding anything to the contrary contained in this Lease, that a violation of Section 2-156-030(b) by an elected official, or any person acting at the direction of such official, with respect to this Lease shall be grounds for termination of this Lease. Tenant hereby represents and warrants that no violation of Section 2-156-030(b) has occurred with respect to this Lease.

12.2 Patriot Act Certification. Tenant represents and warrants that neither Tenant nor any Affiliate (as hereafter defined) thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. As used in this Section, an "Affiliate" shall be deemed to be a person or entity related to Tenant that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Tenant, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

12.3 Prohibition on Certain Contributions-Mayoral Executive Order No. 2011-4. Tenant agrees that Tenant, any person or entity who directly or indirectly has an ownership or beneficial interest in Tenant of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Tenant's contractors (i.e., any person or entity in direct contractual privity with Tenant regarding the subject matter of this Lease) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5

percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Tenant and all the other preceding classes of persons and entities are together the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (a) after execution of this Lease by Tenant, (b) while this Lease or any Other Contract (as hereinafter defined) is executory, (c) during the Term of this Lease or any Other Contract, or (d) during any period while an extension of this Lease or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

Tenant represents and warrants that from the later of (a) May 16, 2011, or (b) the date the City approached Tenant, or the date Tenant approached the City, as applicable, regarding the formulation of this Lease, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Tenant agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Tenant agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Notwithstanding anything to the contrary contained herein, Tenant agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Lease, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Lease, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Tenant intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the execution of this Lease, the City may elect to decline to lease the Premises to Tenant or to terminate the Lease after execution.

For purposes of this provision:

(a) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fundraising committee.

(b) "Other Contract" means any other agreement with the City of Chicago to which Tenant is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

(c) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

(d) Individuals are "domestic partners" if they satisfy the following criteria:

(i) they are each other's sole domestic partner, responsible for each other's common welfare; and

(ii) neither party is married; and

(iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(iv) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

(v) two of the following four conditions exist for the partners:

(1) The partners have been residing together for at least 12 months.

(2) The partners have common or joint ownership of a residence.

(3) The partners have at least two of the following arrangements:

(A) joint ownership of a motor vehicle;

(B) joint credit account;

(C) a joint checking account;

(D) a lease for a residence identifying both domestic partners as tenants.

(4) Each partner identifies the other partner as a primary beneficiary in a will.

(e) "Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

12.4 Waste Ordinance Provisions. In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Tenant warrants and represents that it, and to the best of its knowledge, its Contractors and its subcontractors regarding the subject matter of this Lease ("Subcontractors"), have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Lease is executory, Tenant's, any general Contractor's or any Subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Lease, constitutes a breach of and an event of default under this Lease, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Commissioner of the Department of Fleet and Facility Management. Such breach and default entitles the City to all remedies under this Lease; at law or in equity. This section does not limit Tenant's, its general Contractors' and its Subcontractors' duty to comply with all applicable federal, state, county and municipal Laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Lease. Non-compliance with these terms and conditions may be used by the City as

grounds for the termination of this Lease, and may further affect the Tenant's eligibility for future contract awards.

12.5 Failure to Maintain Eligibility to do Business with City. Failure by Tenant or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this Lease and the transactions contemplated thereby. Tenant shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

12.6 Cooperation with Office of Inspector General and Legislative Inspector General. It is the duty of Tenant and any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of any such grantee, subgrantee, bidder, proposer, contractor, subcontractor or such applicant to cooperate with the Legislative Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-55 of the Municipal Code, and to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. Tenant represents and warrants that it understands and will abide by all provisions of Chapter 2-55 and Chapter 2-56 of the Municipal Code and that Tenant will inform its Contractors and Subcontractors of this provision and require their compliance.

12.7 2014 Hiring Plan Prohibitions.

(i) The City is subject to the June 16, 2014 "City of Chicago Hiring Plan", as amended (the "2014 City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Tenant is aware that City policy prohibits City employees from directing any individual to apply for a position with Tenant, either as an employee or as a subcontractor, and from directing Tenant to hire any individual as an employee or as a subcontractor. Accordingly, Tenant must follow its own hiring and contracting procedures, without being influenced by City or City employees. Any and all personnel provided by Tenant under this Lease are employees or subcontractors of Tenant, not employees of the City. This Lease is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Tenant.

(iii) Tenant will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Lease, or offer employment to any individual to provide services under this Lease, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Lease, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition

to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to Tenant by a City employee or City official in violation of paragraph (ii) above, or advocating a violation of paragraph (iii) above, Tenant will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("OIG Hiring Oversight"), and also to the head of the relevant City department utilizing services provided under this Lease. Tenant will also cooperate with any inquiries by OIG Hiring Oversight.

THIS FIRST AMENDMENT TO GROUND SERVICE EQUIPMENT STAGING AND STORAGE FACILITY I LEASE (this "**Amendment**") is made and entered into as of _____, 2015 (the "**Effective Date**") by and between the **CITY OF CHICAGO**, a municipal corporation and home rule unit of local government organized and existing under Article VII, Sections 1 and 6(a), respectively, of the 1970 Constitution of the State of Illinois (the "**City**"), and **AMERICAN AIRLINES, INC.**, a corporation organized and existing under and by virtue of the laws of the State of Delaware ("**Airline**").

RECITALS:

A. The City owns and operates that certain airport located within the City and commonly known as Chicago O'Hare International Airport (the "**Airport**").

B. The City is vested with the authority to make provisions for the needs of aviation, commerce, shipping, and travel in, to, and around the Airport to promote and develop the Airport, and in the exercise of such power, to enter into any lease of City-owned properties in the Airport area, upon such terms and conditions as the corporate authorities of the City shall prescribe.

C. In the exercise of its authority to promote and develop the Airport, the City has established the O'Hare Modernization Program (the "**OMP**") to provide for, among other things, the reconfiguration of the Airport's existing runways into a more modern and efficient configuration which is intended to promote and enhance aviation and commerce, shipping, and travel in, to, and around the Airport.

D. The City and Airline have heretofore entered into that certain Ground Service Equipment Staging and Storage Facility I Lease dated as of July 15, 1986 (the "**Original Lease**") whereby the City leased to Airline, and Airline leased from the City, a portion of the Airport more specifically described therein (the "**Original Premises**") for glycol and fuel storage and dispensing and the operation of ground service equipment staging and storage facility for a term ("**Term**") as currently set forth therein, all on the terms and conditions set forth therein.

E. The City has determined that, as part of the OMP and the runway reconfiguration and improvements being constructed in connection therewith, the Original Premises will need to be relocated to certain other space at the Airport, and Airline is willing to so relocate the Original Premises, all on the terms and conditions hereinafter set forth.

F. Upon execution and delivery of this Amendment by each of the City and Airline, the Original Lease and this Amendment will collectively be referred to as the "**Lease**".

G. In addition to the forgoing, the City and Airline have heretofore entered into that certain Ground Service Equipment Staging and Storage Facility II Lease dated as of _____,

1993 (the "**GSE II Lease**") whereby the City leased to Airline, and Airline leased from the City, an additional portion of the Airport as more specifically described therein for staging, storing and parking of ground support service equipment, all on the terms and conditions set forth therein.

H. Concurrently herewith, the City and Airline are entering into that certain Lease Termination Agreement, dated of even date herewith, pursuant to which the GSE II Lease will be terminated, all on the terms and conditions to be outlined therein.

NOW, THEREFORE, in consideration of the foregoing recitals (which are hereby incorporated by reference thereto), the mutual covenants and agreements herein contained, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties do hereby agree that the Lease shall be and hereby is modified as follows:

1. Extension of Term. Effective as of the Effective Date hereof, the Term shall be and is hereby extended for an additional period through and including November 30, 2022, the same as if November 30, 2022 had been the Termination Date as initially set forth therein. Airline shall continue paying rent during such period at the amount of $0.42 per square foot of the Original Premises, which rent shall otherwise be paid pursuant to and in accordance with Section 4.01 (Rent) of the Lease, as amended hereby.

2. Relocation; Lease of Demised Premises; Turnover of Demised Premises.

(a) Effective on ***October 1, 2015*** ("**Occupancy Date**"), that certain real property comprising a portion of the Airport and consisting of approximately ***131,419*** square feet, which real property is depicted on and legally described on Exhibit A attached hereto and made a part hereof (the "**Land**"), together with the buildings, facilities, improvements, paving, and structures constructed therein or thereon (collectively, the "**Improvements**") (the Land and the Improvements are sometimes referred to hereinafter, collectively, as the "**Demised Premises**"), shall be and become the Demised Premises hereunder, subject to the terms and conditions hereinafter set forth. The final square footage of the Demised Premises, if different than the above figures, shall be confirmed by the parties in the Relocation Confirmation (as hereinafter defined).

(b) The City shall deliver the Land "as is" upon execution of this Amendment ("**Initial Airline Access Date**"). The City makes no representation or warranty with respect to the soil conditions of the Demised Premises or the adequacy of the Demised Premises for Airline's intended use. All work required to prepare the Demised Premises for construction of Airline Improvements (as hereinafter defined), shall be performed by Airline at the City's cost and expense in accordance with all terms and provisions of this Amendment and the Construction Agreement (as hereinafter defined), which work shall include without limitation the removal or remediation of Hazardous Materials, to the extent required under applicable Law, in order to prepare the Demised Premises for construction of Airline Improvements.

(c) On April 3, 2015 (the "**Relocation Date**"), Airline has vacated and surrendered the entirety of the Original Premises to the City. Airline shall fully comply with all of its

obligations under the Original Lease with respect to the Original Premises accruing through the Relocation Date, including, without limitation, Airline's obligations for rentals and other charges, and those provisions relating to the condition of the Original Premises and the removal of Airline's personal property therefrom upon termination or expiration of the Term of the Original Lease. Notwithstanding anything to the contrary contained in the Original Lease, Airline shall have the right to remove from the Original Premises any personal property or trade fixtures that Airline desires to remove, but Airline shall not have any obligation to remove or repair any property from the Original Premises so long as the Original Premises is not left in a dangerous or hazardous condition.

(e) Effective as of the Effective Date, each of Exhibit B (Procedures for Design and Construction of Improvements) and Exhibit C (Equal Employment and Affirmative Action) to the Original Lease shall be amended by deleting them in their entirety, it being understood and agreed that the terms and provisions of Exhibit B-1 and Exhibit B-2 attached hereto and made a part hereof shall supersede such exhibits, and shall be applicable to the Airline Improvements. Exhibit C to this Amendment shall be utilized for any future Improvements to the Demised Premises.

3. Relocation Payment.

(a) Within thirty (30) business days following the effective date of the ordinance approving this Amendment, the City shall pay to Airline via wire transfer the sum of Twenty Million Six Hundred Twenty-Three Thousand Four Hundred Ninety-Seven and 10/100 Dollars ($20,623,497.10), less any amounts actually paid by the City to Airline under that Design Letter Agreement dated as of May 15, 2014 and that Interim Funding Letter Agreement dated as of November 21, 2014 and the amended Interim Funding Letter Agreement dated as of May 26, 2015 (the "**Relocation Payment**"), which Relocation Payment may, but shall not be required to be applied by Airline towards the costs of designing and constructing the Airline Improvements (as hereinafter defined) and Airline's relocation and move from the Original Premises to the Demised Premises, it being acknowledged and agreed by Airline, however, that such Relocation Payment shall be deemed full and adequate compensation to Airline for any and all such costs and expenses. Except for the roadway access modifications and parking improvements that American has agreed to perform on behalf of the city under a separate reimbursement agreement, in no event shall the City have any liability or responsibility to compensate or reimburse Airline for any amounts in excess of the Relocation Payment as a result of Airline's design or construction of the Airline Improvements, Airline's relocation and the move from the Original Premises to the Demised Premises hereunder, or Airline's performance of any of its other obligations hereunder or under the Lease, and in no event shall Airline be required to refund any portion of the Relocation Payment to the City in the event that any such costs are less than the

Relocation Payment hereunder. The improvements which will be constructed under a separate reimbursement agreement include: Landside Chicago Fire Department ("**CFD**") Parking lot immediately west of the new AA Glycol & Fuel Dispensing Site; Landside CFD Parking immediately South of the New Airfield Access Road; RB-40 Access Gate immediately South of the New Airfield Access Road; and New Access Gate to the Com Ed Switch Yard ("**Separate Reimbursement Improvements**").

(b) Notwithstanding anything in the Lease, as amended by this Amendment, to the contrary, neither the City nor the OMP, nor any of their respective departments, divisions, elected officials, officers, agents, employees, representatives, or contractors, makes any representations or warranties of any type whatsoever, nor have such parties provided any advice whatsoever, with respect to the treatment of the Relocation Payment, or of any other payments or sums, paid or otherwise made available by the City or the OMP to Airline under federal, state, or local income tax laws or revenue laws.

4. Rent.

(a) Effective on the Occupancy Date, Subsection 4.01(a) of the Lease shall be amended by deleting it in its entirety and by substituting the following Subsection 4.01(a) in lieu thereof:

> "(a) At such time and in such manner as set forth in subsection (b) hereof, Airline shall pay the City rent (the "**Fixed Rent**") for the Demised Premises as follows:
>
> (i) For the period through and including November 30, 2022, Fixed Rent shall be $0.42 per square foot per year for ***131,419*** square feet, representing the square footage of the Demised Premises;
>

Airline shall perform the same with reasonable diligence, at its own cost and expense (subject to the City's payment of the Relocation Payment). The Airline Improvements shall consist of the construction of a glycol and fueling center for glycol and fuel storage and dispensing, de-icing truck staging, and ground service equipment and cargo pod storage, all as more specifically described in the Final Demised Premises Plans, but does not include the Separate

(b) The City does not warrant the accuracy of any of the information provided by third parties as part of the Airline Improvements, or any drawings, plans, or specifications prepared in connection therewith, and shall have no liability arising out of any inaccurate information provided by third parties as a part thereof. The City's approval of the Airline Improvements, or any drawings, plans, or specifications prepared in connection therewith, or any portion thereof, shall not impose upon the City or its officials, officers, employees, or agents any liability or obligation with respect to the design or construction of the Airline Improvements, or the compliance of the Airline Improvements with any applicable Laws.

(c) Except as expressly provided to the contrary in this Amendment, and except for the City's obligations to the extent expressly set forth in the Original Lease, the City shall not be required to perform any work or construct any improvements, furnish any services or facilities, perform any maintenance, make any repairs or alterations, or perform any environmental remediation or clean-up in or to the Demised Premises, or any portion thereof, throughout the Term hereof. Further, and for the avoidance of doubt, nothing herein is intended or shall be construed to obligate Airline to perform, provide, or complete any work to the extent expressly required of the City under this Amendment, or to cure, correct, or remediate any City-Caused Environmental Condition (as such term is hereinafter defined) or such other condition as identified in Section 15(e)(iii).

(d) EXCEPT AS EXPRESSLY PROVIDED TO THE CONTRARY IN THIS AMENDMENT (INCLUDING, WITHOUT LIMITATION, SUBSECTION 2(b) HEREOF), THE CITY MAKES NO WARRANTY, EITHER EXPRESS OR IMPLIED, AS TO THE CONDITION OF THE DEMISED PREMISES OR THAT THE DEMISED PREMISES SHALL BE SUITABLE FOR AIRLINE'S PURPOSES OR NEEDS.

Subject to the terms and provisions of this Section 6, Airline shall have and is hereby granted three (3) options (each, an "**Extension Option**", and collectively, the "**Extension Options**") to extend the term of the Lease for the entirety of the Demised Premises, the first such option (the "**First Extension Option**") being for an additional period of five (5) years commencing on December 1, 2022 and ending on November 30, 2027 (the "**First Extended Term**"), the second such option (the "**Second Extension Option**") being for an additional period of period of five (5) years commencing on December 1, 2027 and ending on November 30, 2032 (the "**Second Extended Term**"), and the third such option (the "**Third Extension Option**") being for an additional period of period of five (5) years, five (5) months, eleven (11) days commencing on December 1, 2032 and ending on May 11, 2038 (the "**Third Extended Term**").

(a) The First Extension Option shall be exercised by Airline, if at all, by giving binding written notice (the "**First Extension Notice**") to the City on or before, but not later than, May 31, 2022 (the "**First Extension Option Exercise Date**"), the Second Extension Option shall be exercised by Airline, if at all, by giving binding (subject to Subsection 6(c)(iv) below) written notice (the "**Second Extension Notice**") to the City on or before, but not later than May 31, 2027 (the "**Second Extension Notice**"), and the Third Extension Option shall be exercised by Airline,

if at all, by giving binding (subject to Subsection 6(c)(iv) below) written notice (the "**Third Extension Notice**") to the City on or before, but not later than, May 31, 2032 (the "**Third Extension Option Exercise Date**"). In the event that Airline fails to deliver Airline's First Extension Notice to the City on or before the First Extension Option Exercise Date, Airline shall be deemed to have irrevocably waived its First Extension Option hereunder, in the event that Airline fails to deliver Airline's Second Extension Notice to the City on or before the Second Extension Option Exercise Date, Airline shall be deemed to have irrevocably waived its Second Extension Option hereunder, and in the event that Airline fails to deliver Airline's Third Extension Notice to the City on or before the Third Extension Option Exercise Date, Airline shall be deemed to have irrevocably waived its Third Extension Option hereunder. If any of the foregoing occurs, this Section 6 and Airline's rights hereunder shall become null, void, and of no further force or effect. Airline's right to exercise the Second Extension Option hereunder shall be subject to and conditioned upon Airline's valid exercise of the First Extension Option hereunder, and Airline's right to exercise the Third Extension Option hereunder shall be subject to and conditioned upon Airline's valid exercise of each of the First Extension Option and the Second Extension Option hereunder.

(b) Each of the First Extended Term, the Second Extended Term, and the Third Extended Term shall be on the same terms, covenants, and conditions of the Lease, excluding the provisions of this Section 6 (except with respect to each of the First Extended Term and the Second Extended Term, for which this Section 6 shall continue to apply with respect to Tenant's right to exercise the Second Extension Option, and the Third Extension Option, as the case may be, hereunder), except for the Fixed Rent payable during the First Extended Term, the Second Extended Term, or the Third Extended Term, as the case may be. Airline shall have no further right or option to extend the Term of the Lease beyond the Third Extended Term. Any termination of the Lease during the original Term thereof or during the First Extended Term, the Second Extended Term, or the Third Extended Term, as the case may be, shall terminate all rights of Airline under this Section 6. In addition to the Fixed Rent as hereinafter provided, Airline shall and hereby agrees to continue to pay to the City during each of the First Extended Term, the Second Extended Term, and the Third Extended Term Taxes, Utilities, and all other sums due and payable by Airline under the Lease in accordance with the terms and provisions thereof, as amended hereby.

(c) Unless otherwise expressly agreed to in writing by Airline and the City in connection with the implementation of the OMP, the Fixed Rent during the First Extended Term, the Second Extended Term, and the Third Extended Term, as the case may be, shall be at the Fair Rental Value applicable thereto. The term "**Fair Rental Value**" as used herein shall mean, as applied to the Fixed Rent, the then applicable fair rental value for the Demised Premises for the First Extended Term, the Second Extended Term, or the Third Extended Term, as the case may be, determined as if unencumbered by the Lease or any mortgage, but subject to limitations on use of the Demised Premises as set forth therein, and taking into account the location and configuration of the Demised Premises, any relevant market factors and benchmarks, and the absence of typical or customary tenant improvements, tenant allowances, rent abatements or free rent periods, brokerage commissions, and other concessions then typically associated with comparable new tenancies, to the extent applicable. Within forty-five (45) days following the City's receipt of Airline's First Extension Notice, Second Extension Notice, or Third Extension

Notice, as the case may be, the City shall advise Airline in writing (each, a "**Fair Rental Value Notice**") of the City's determination of the Fair Rental Value for the First Extended Term, the Second Extended Term, or the Third Extended Term, as the case may be, including applicable annual escalations thereof, which Fair Rental Value shall be based upon an appraisal obtained by the City (the "**City Appraisal**") from an independent appraiser selected by the City (the "**City Appraiser**"). Annual escalations in the Fair Rental Value applicable during the First Extended Term, the Second Extended Term, or the Third Extended Term, as the case may be, shall in no event exceed five percent (5%) per annum. Airline shall advise the City in writing within fifteen (15) business days following the date of such Fair Rental Value Notice whether Airline agrees or disagrees with the Fair Rental Value set forth therein (and in the event Airline fails to so notify the City within such 15-business day period, Airline shall be deemed to have disagreed with such determination). If Airline agrees with the City's determination as set forth in the Fair Rental Value Notice, the Fair Rental Value so determined shall become the Rent applicable during the First Extended Term, the Second Extended Term, or the Third Extended Term, as the case may be (subject to such escalations as may be part of such Fair Rental Value determination). If Airline disagrees (or is deemed to have disagreed) with such determination, the City and Airline shall negotiate the applicable Fair Rental Value in good faith for a period not to exceed an additional thirty (30) days (the "**Negotiation Period**"). If the City and Airline are unable to agree upon Fair Rental Value prior to expiration of the Negotiation Period, the Fair Rental Value shall be determined as follows:

(i) Airline shall, within fifteen (15) business days following expiration of the Negotiation Period, notify the City in writing of the name of an independent appraiser with not less than ten (10) years of experience in the appraisal of commercial real estate in the O'Hare area of the Chicago, Illinois metropolitan area, who is a member of MAI or a comparable organization whom Airline designates as its appraiser for purposes of determining such Fixed Rent (the "**Airline Appraiser**"). The Airline Appraiser shall submit to the City and Airline, within forty-five (45) days after such appointment, its written appraisal of the Fair Rental Value as applied to Rent hereunder (the "**Airline Appraisal**"). The City shall advise Airline within fifteen (15) business days following the City's receipt of such Airline Appraisal whether the City agrees or disagrees with the Fair Rental Value set forth therein (and in the event the City fails to so notify Airline within such 15-business day period, the City shall be deemed to have disagreed with such determination). If the City agrees with the Airline Appraisal, the Fair Rental Value so determined shall become the Fixed Rent applicable during the First Extended Term, the Second Extended Term, or the Third Extended Term, as the case may be (subject to such escalations as may be part of such Fair Rental Value determination).

(ii) If the City disagrees (or is deemed to have disagreed) with such determination, then, within fifteen (15) business days thereafter, the City and Airline shall mutually select a third appraiser with the same qualifications or who meets the same criteria as required of the Airline Appraiser ("**Third Appraiser**"), which Third Appraiser shall be reasonably acceptable to each of the City and Airline. Prior to the Third Appraiser's appointment, neither Airline nor the City will reveal to the Third Appraiser such party's opinion regarding the Fair Rental Value (unless otherwise requested by such

Third Party Appraiser, in which event both the City and Airline will submit such information). The Third Appraiser shall submit to the City and Airline, within thirty (30) days after its appointment, its written appraisal of the Fair Rental Value as applied to Fixed Rent hereunder (the "**Third Appraiser Determination**"). Subject in all events to applicable laws and FAA regulations: (a) if the Third Appraiser Determination is ten percent (10%) or less at variance from the point that is equidistant between the City Appraisal and the Airline Appraisal, the average of the three (3) appraisals shall determine the Fair Rental Value as applied to Fixed Rent hereunder; (b) if the Third Appraiser Determination is more than ten percent (10%) at variance from the point that is equidistant between the City Appraisal and the Airline Appraisal, the Fair Rental Value as applied to Fixed Rent hereunder shall be determined by taking the average of the two (2) closest appraisals. **Notwithstanding the foregoing, in** no event shall the Fair Rental Value be higher than the initial City Appraisal or lower than the initial Airline Appraisal.

(iii) If Airline fails to designate an Airline Appraiser as herein required, or if the parties fail to designate a Third Appraiser, when required, then both parties, acting jointly, shall apply to a court of competent jurisdiction or to the American Arbitration Association at Chicago, Illinois to make such designation. The determination of such appraisal as herein provided shall be final and binding upon the parties (subject only to Airline's right to withdraw its exercise of the applicable Extension Option as hereinafter provided) and a final judgment thereon may be entered in a court of competent jurisdiction on the petition of either party. Each party will bear the expenses of the appraiser appointed by such party and the parties shall share equally the expenses of the Third Appraiser.

(iv) In the event that Airline is not satisfied with the Fair Rental Value as determined by the Third Appraiser in Airline's sole discretion, Airline shall have the right, by delivery of written notice to the City within thirty (30) days after the Third Appraiser Determination, to rescind its exercise of the First Extension Option, the Second Extension Option, or the Third Extension Option, as the case may be, which rescission shall be final and irrevocable, and in which event the Lease shall terminate as originally provided, the Term shall not be extended, and Airline's rights under this Section 6 shall become null, void, and of no further force or effect. In such event, Airline shall reimburse the City, within thirty (30) days following the City's invoice therefor, for any and all reasonable, documented, out-of-pocket third-party costs and expenses incurred by the City in connection with the arbitration process outlined in this Subsection 6(c).

(v) In the event that the Fixed Rent payable during the First Extended Term, the Second Extended Term, or the Third Extended Term, as the case may be, has not been determined for any reason by the commencement of the First Extended Term, the Second Extended Term, or the Third Extended Term, as the case may be, Airline shall in such event continue to pay Fixed Rent at the then-applicable rate hereunder until such time as the Fixed Rent payable during the First Extended Term, the Second Extended Term, or the Third Extended Term, as the case may be, has been determined as aforesaid (and any adjustments based upon such Fixed Rent determination shall be payable by Airline retroactively as of the commencement of the First Extended Term, the Second Extended

Term, or the Third Extended Term, as the case may be).

(d) The Extension Options are personal to American Airlines, Inc. and any Affiliate (as hereinafter defined) and may not be exercised by or for the benefit of any other party, nor shall such Extension Options extend to any assignee, subtenant, or any other party (other than an Affiliate). It shall be a condition of Airline's right to exercise the Extension Options that, at the time of delivery of Airline's First Extension Notice, the Second Extension Notice, or the Third Extension Notice, as the case may be, or upon the commencement of the First Extended Term, the Second extended Term, or the Third Extended Term, as the case may be, (i) Airline is not in default under any of the terms, covenants, or conditions of the Lease at the time that Airline delivers the First Extension Notice, the Second Extension Notice, or the Third Extension Notice, as the case may be, or upon commencement of the First Extended Term, the Second extended Term, or the Third Extended Term, as the case may be, (ii) Airline (or an Affiliate) is then leasing and occupying not less than fifty-one percent (51%) of the Demised Premises, and (iii) the Lease is then in full force and effect and neither the Lease nor Airline's right to possession of the Demised Premises has been terminated.

(e) In the event that Airline exercises any Extension Option under this Section 6, Airline and City shall execute an extension confirmation agreement within thirty (30) days following the determination of Rent payable during the First Extended Term, the Second Extended Term, or the Third Extended Term, as the case may be, as hereinabove provided, with respect to the First Extension Option, the Second Extension Option, or the Third Extension Option.

7. **Additional City Obligations.**

(a) At all times during the Term of the Lease, and any renewal or extension thereof, but subject in all events to applicable Laws (other than any ordinance or other law enacted by the City after the Effective Date hereof that has as its effect the prohibition or substantial limitation of the City's right to carry out its obligations under this Subsection 7(a)), the City shall maintain reasonable vehicular (including ground service equipment) access to the Demised Premises, and shall maintain such vehicular access in a manner which does not interfere (other than to a de minimis extent) with Airline's use and occupancy of the Demised Premises for the uses permitted under the Lease, including vehicular access in connection therewith. If applicable Laws substantially limit or prohibit the City from carrying out its obligations under this Subsection 7(a), the City shall use its best efforts to provide the maximum level of vehicular access permitted by Law. If reasonable vehicular access to the Demised Premises is not or cannot be provided such that the Demised Premises can no longer be used for the purposes permitted under the Lease, then Airline and City shall work together to find a mutually agreeable replacement space for the Demised Premises in the Airport. Upon locating a mutually agreeable replacement space for the Demised Premises at the Airport, the parties shall then diligently execute a lease amendment for such replacement space.

8. **Reservation of Rights.** The following rights (which may be exercised by the City's officers, employees, agents, licensees, contractors, or designees) are hereby reserved by the City:

(a) rights to air or space above the top level of the Airline Improvements to be constructed on the Demised Premises for purposes of aircraft flyover and passage, and for such other easements as the City may require, including, for the use and benefit of the public, a right of flight for passage of aircraft in the airspace above the Airline Improvements to be constructed on the Demised Premises, which public right shall include the right to cause in said airspace any noise inherent in the operation of any aircraft used for navigation or flight through the airspace or landing at, taking off from or operation on the Airport.

(b) to exhibit the Demised Premises to prospective tenants during the last six (6) months of the Term (or the applicable Extended Term, if and when the Extension Options are exercised by Airline hereunder) at reasonable hours upon the giving of reasonable notice, and to decorate, remodel, repair, alter, or otherwise prepare the Demised Premises for reoccupancy at any time after Airline Abandons the Demised Premises;

(c) to maintain, replace, repair, alter, construct, or reconstruct existing and future utility, mechanical, electrical, and other systems or portions thereof on the Demised Premises, including, without limitation, systems for the supply of heat, water, gas, fuel, electricity, and for the furnishing of sprinkler, sewerage, drainage, and telephone service, including all related lines, pipes, mains, wires, conduits, and equipment; provided, such work by the City shall not reduce the square footage of the Demised Premises (other than to a de minimis extent), nor shall such work by the City interfere (other than to a de minimis extent) with Airline's use of the Demised Premises for the purposes permitted under the Lease, including vehicular and aircraft access in connection therewith, or impair Airline's systems or facilities located on the Demised Premises. If the City is performing any such activity on the Demised Premises, the City shall provide reasonable advance notice to Airline (except in the event of an emergency). In the exercise of such rights, the City shall not unreasonably interfere with the business conducted by Airline in the Demised Premises;

(d) to exercise such other rights as may be granted the City elsewhere in the Lease; and

(e) upon the giving of reasonable notice and at reasonable times (it being understood and agreed that Airline shall be permitted to have a representative of Airline accompany the City so long as the City is not required to delay, other than to a de minimis extent, entry due to the unavailability of any such Airline representative), Airline shall allow the City, and its officials, officers, agents, employees, and contractors, reasonable access to the Demised Premises for the purpose of inspecting the same, or for examining the same to ascertain if Airline is performing its obligations under the Lease, and for conducting tests and inspections for any other reason deemed reasonably necessary by the City under the Lease.

9. Airport Conditions. Notwithstanding anything in the Lease to the contrary, the following covenants, agreements, and restrictions shall apply to Airline's use and occupancy of the Demised Premises, which covenants, agreements, and restrictions shall run with the land, for the benefit of the City and its successors and assigns in the ownership and operation of the Airport:

(a) Airline shall neither construct nor permit to stand on the Demised Premises any building, structure, poles, trees, or other object, whether natural or otherwise, in violation of FAR Part 77, or which would otherwise interfere (other than to a de minimis extent) with the use and operation of the Airport.

(b) Airline's use of the Demised Premises shall be compatible with noise levels associated with the operation of the Airport.

(c) Airline shall not knowingly or negligently undertake, or knowingly or negligently permit, any activity which could create a potential for attracting birds or other wildlife which may pose a hazard to aircraft operations at the Airport.

10. Other Legal Requirements.

(a) Notwithstanding anything in the Original Lease to the contrary, if performing any work related to this Lease and entering into contracts in furtherance thereof, the Airline shall at all times observe and comply, and shall require its consultants, contractors, and subcontractors (including, without limitation, requiring the inclusion of such requirements in all of Airline's contracts or agreements with such consultants, contractors, or subcontractors and the City shall be expressly identified as a third party beneficiary in the contracts and granted a direct right of enforcement thereunder) to observe and comply, with all applicable federal, state, and local laws, ordinances, rules (including Airport Rules), regulations, and executive orders, now existing or hereinafter in effect (each, a "**Law**", and collectively, "**Laws**"), which may in any manner affect the Land, the Demised Premises and/or the performance of the Services, to the same extent the City would be required to comply with such Laws. Provisions required by Law to be inserted in this Lease shall be deemed inserted, whether or not they appear in this Lease or, upon application by either party, this Lease shall forthwith be amended by physically making such insertion; provided, however, in no event shall the failure to insert such provisions prevent the application or enforcement of such provisions or of this Lease. The Airline shall execute, and further shall cause its contractors and subcontractors to execute, any certifications required by such Laws in connection with contracts for the performance of the work. The Laws shall include, but shall not be limited to, the following:

(b) Nothing herein contained shall be construed to grant or authorize the granting of an exclusive right to conduct any business (other than the exclusive right to use and occupy the Demised Premises), and the City reserves the right to grant to others the privileges and right of conducting any or all activities at the Airport (other than the right to use and occupy the Demised Premises).

(c) The Lease involves the use of or access to space on, over, or under real property acquired or improved in connection with the Airport, and therefore involves activity which serves the public. Airline, for itself, its personal representatives, successors in interest, and assigns, as part of the consideration hereof, does hereby covenant and agree, as a covenant running with the land, that: (i) no person on the grounds of race, creed, color, religion, age, sex, or national origin shall be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination in the use of said facilities; (ii) that no person on the grounds of race, creed, color, religion, age, sex, or national origin shall be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination in the construction of improvements on, over, or under such land and the furnishing of services thereon; and (iii) that Airline shall use the Demised Premises in compliance with all other requirements imposed by or pursuant to applicable Laws, including, without limitation, the regulations of the U.S. Department of Transportation.

(d) Airline agrees to furnish services in the United States in compliance with applicable Laws and on a fair and not unjustly discriminatory basis to all users thereof, and to charge fair, reasonable, and not unjustly discriminatory prices for each unit of service; provided, that Airline may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar types of price reductions.

11. Airport and Other Agreements; No Violations.

(a) Notwithstanding anything in the Lease to the contrary, Airline's use and occupancy of the Demised Premises shall be and remain subject to (a) the provisions of any

existing or future agreements between the City and the United States government, the FAA, or any other governmental authority with jurisdiction over the operation or maintenance of the Airport, the execution of which has been or will be required as a condition precedent to the granting of federal or other governmental funds, including, without limitation, grant agreements, and (b) the Airport Use Agreement, as the same may be amended or superseded from time to time. Notwithstanding the foregoing, to the extent of any conflicts between the Lease and the Airport Use Agreement with respect to Airline's use and occupancy of the Demised Premises, the Lease shall govern and control.

(b) Airline further agrees, subject to Airline's rights under the Airport Use Agreement, that it shall not cause the City to violate any written, statutory, or regulatory assurances made by the City to the United States government, FAA, or other governmental authority in connection with the granting of any federal or other funds and/or approvals of PFCs; provided: (i) Airline's use of the Demised Premises for the purposes permitted under the Lease in accordance with the terms and provisions thereof shall not, in and of itself, be deemed to be a violation of such assurances for purposes hereof; (ii) Airline's obligations under this Subsection 11(b) shall not interfere with Airline's ability to operate at the Demised Premises for the purposes permitted under the Lease in accordance with the terms and provisions thereof, or conflict with the Lease, as amended hereby, or the Airport Use Agreement; and (iii) Airline's obligations under this Subsection 11(b) shall not be deemed to mitigate, restrict, or otherwise lessen Airline's rights or obligations under the Lease, the Airport Use Agreement, or any other written agreement between Airline and the City.

(c) Nothing contained in the Lease, as amended hereby, shall be construed as Airline's waiver of any of its rights or obligations under the Airport Use Agreement or as establishing a course of conduct by Airline that it is expressly or impliedly waiving its rights or obligations under the Airport Use Agreement.

12. **Airport Security Act.** Notwithstanding anything in the Lease to the contrary, the Lease is expressly subject to 49 U.S.C. § 40101 *et seq.*, 49 U.S.C. § 44901 *et seq.*, and the rules and regulations promulgated thereunder, including, without limitation, 49 C.F.R. 1542 and 49 C.F.R. 1544, the same may be amended from time to time (collectively, the "**Airport Security Act**"), the provisions of which are hereby incorporated by reference. In the event that Airline or its employees, agents, contractors, subcontractors, suppliers of materials, or providers of services, in the performance of the Lease, has: (i) unescorted access to secured areas located on or at the Airport; or (ii) capability to allow others to have unescorted access to such secured areas, Airline shall be subject to, and further shall conduct with respect to its employees, agents, contractors, subcontractors, suppliers of materials, or providers of services, and the respective employees or contractors of each, such employment investigations, including criminal history record checks, as the City or the FAA may deem necessary or as may be required by applicable Law. Further, in the event of any threat to civil aviation, as defined in the Airport Security Act, Airline shall promptly report any information in accordance with those regulations promulgated by the Secretary of the United States Department of Transportation and by the City. Airline shall, notwithstanding anything contained herein to the contrary, at no additional cost to the City, perform under the Lease in compliance with those guidelines developed by the City and the FAA with the objective of maximum security enhancement.

(3) provide the City with such notices as may be required by applicable Laws with respect to any release, discharge, spill, leak, disposal, or transportation of any Hazardous Material on or from the Demised Premises in violation of this provision, and any damage, loss or injury to persons, property or business resulting or claimed to have resulted therefrom.

(ii) If any Hazardous Material is released, discharged, or disposed of, or permitted to spill or leak, by Airline or Airline's employees, agents, contractors, subtenants, or assignees, or other occupants of the Demised Premises within Airline's reasonable control, in violation of the foregoing provisions, Airline shall immediately and properly clean up and remove the Hazardous Materials from the Demised Premises and any other affected property and clean or replace any affected personal property (whether or not owned by the City) in compliance with applicable Laws, at Airline's expense (without limiting the City's other remedies therefor). Such clean up and removal work ("**Airline Remedial Work**") shall be subject to the provisions thereof, including the City's prior written approval (except in emergencies), which approval shall not be unreasonably withheld, conditioned, or delayed so long as such Airline Remedial Work is performed in accordance with applicable Laws, the applicable terms and provisions of this Lease, and any court orders or any orders or directives of any regulatory authority having jurisdiction thereof. In connection therewith, Airline shall provide documentation to the City evidencing that all Airline Remedial Work has been properly and lawfully completed (including, upon the City's request, a certification addressed to the City from a licensed environmental consultant confirming that the Airline Remedial Work was properly and lawfully completed). Airline shall pay, prior to delinquency, any and all fees, taxes (including excise taxes), penalties, and fines to the extent resulting from Airline's activities involving Hazardous Material on or about the Demised Premises, and

shall not allow such obligations to become a lien or charge against the Demised Premises or the City.

(iii) Except to the extent caused by or arising from the acts or omissions of Airline or Airline's officers, directors, agents, employees, contractors, subcontractors, subtenants, assignees, guests, or invitees, Airline shall have no obligation or liability for any Hazardous Materials to the extent brought upon, produced, stored, used, disposed of, or discharged in, on, or under the Demised Premises: (1) by or through the City or the City's agents, employees, contractors, or subcontractors (each, a "**City-Caused Environmental Condition**"); or (2) by or through any third party which is not the Airline's officers, directors, agents, employees, contractors, subcontractors, subtenants, assignees, guests, or invitees, including without limitation any Hazardous Materials which migrate onto or into the Demised Premises; or (3) on or prior to the Effective Date.

with not less than thirty (30) days' written notice that the City has identified either a third party tenant for, or a necessary surrender date for, the Demised Premises, or any portion thereof, and Airline continues such holding over beyond the date set forth in such notice). Any holding over shall constitute a lease from month to month on the same terms and conditions as the Lease, including payment of the rent as set forth herein.

17. Security Cameras and the Airport Camera System. Airline shall comply with any and all security camera and security camera system initiatives, policies, programs, procedures, requirements, capital projects, and payment/funding obligations as may be agreed to from time to time by the City and airlines operating at the Airport through the so-called "TOP Committee" (collectively, the "**Security Camera Requirements**") to the extent that such Security Camera Requirements are applicable to the Demised Premises. The City agrees that no "fly quiet" or other approach shall be instituted or enforced in a discriminatory manner so as to treat Airline less favorably (other than to a de minimis extent) than other airlines operating at the Airport.

20. Sustainability. Airline shall also use its best efforts to implement commercially reasonable "sustainable best practices" in the maintenance and operation of the Demised Premises. In furtherance of the foregoing, Airline agrees to use commercially reasonable efforts to use environmentally preferable processes, products, and materials which do one or more of the following: (i) contain recycled material, are bio-based, are non-threatened species, or have other positive environmental attributes; (ii) minimize the consumption of resources, energy, or water; (iii) prevent the creation of solid waste, air pollution, or water pollution; and/or (iv) promote the use of non-toxic substances and avoid toxic materials or processes, including with regard to Airline's selection and use of janitorial cleaning products and equipment. Airline has conducted a review of products, processes, and materials and Airline will implement the City's above requests by continuing to assess additional processes, products, and materials on an ongoing basis. Airline is also encouraged to implement a recycling program.

21. Subleasing and Assignment to Affiliates.

(a) Airline may, without the prior consent of the City, assign the Lease or sublet all or any portion of the Demised Premises to any Affiliate (as hereinafter defined) of Airline, provided that (1) no sublease or assignment shall relieve Airline from primary liability for its obligations under the Lease, and Airline shall continue to remain primarily liable for the payment of all rent under the Lease and for the payment, performance, and observance of Airline's other obligations and agreements therein provided, (2) Airline is not in default under the Lease at the time of giving notice thereof or on the effective date of such sublease or assignment, and (3) Airline delivers to the City, within thirty (30) days following the mutual execution by both parties of such assignment or subletting documentation (or, if no such documentation is executed, then within thirty (30) days following the effective date of such assignment or subletting), written notice thereof, together with copies of all documents, if any, relating to such assignment or sublease and information establishing that the proposed assignee or sublessee is an Affiliate. For purposes of the foregoing, "**Affiliate**" shall mean: (i) any subsidiary or parent of Airline; (ii) any

entity which directly or indirectly controls, is controlled by, or is under common control with Airline; or (iii) any entity which acquires or succeeds to all or substantially all of the assets or business (including, without limitation, all rights and obligations of Airline under this Lease) of Airline; provided, in each case, such Affiliate has a net worth equal to the greater of the net worth of Airline as of the effective date of such assignment or sublease or the net worth of Airline as of the Effective Date hereof. The term "control" (including the terms "controlling", "controlled by", and "under common control with") shall mean the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of an entity, whether through the ownership of voting securities, by contract or otherwise.

22. **Other Terms.** All terms and conditions of the Lease now or hereafter in effect shall apply to the Demised Premises, except as expressly provided to the contrary herein. Capitalized terms not otherwise defined herein shall have the meaning specified therefor in the Lease.

23. **Full Force.** Except as expressly amended hereby, all terms and provisions of the Lease shall remain in full force and effect. 24. **Whole Amendment.** This Amendment sets forth the entire agreement between the parties with respect to the matters set forth herein. There have been no additional oral or written representations or agreements. In case of any inconsistency between the provisions of the Lease and this Amendment, the latter provisions shall govern and control.

25. **Governing Law.** This Amendment shall be governed by and construed in accordance with the laws of the State of Illinois.

26. **Counterparts.** This Amendment may be executed in counterparts, each of which shall be deemed an original, and all of which, when taken together, shall be deemed and shall constitute a single, integrated original document.

LEGAL DESCRIPTION OF DEMISED PREMISES

EXHIBIT B-1

AIRLINE IMPROVEMENTS

1. Airline, in consultation with the City, submitted preliminary plans and specifications for the Airline Improvements (collectively, the "**Preliminary Demised Premises Plans**") prepared by Airline's designated architect or engineer, which Preliminary Demised Premises Plans include all improvements, buildings, and related structures comprising the Airline Improvements necessary to make the Demised Premises suitable for the Permitted Use. Prior to the Effective Date of the Amendment, the City approved the Preliminary Demised Premises Plans in all respects and such final plans and specifications constitute the "**Final Demised Premises Plans**".

2. As construction of the Airline Improvements progresses, Airline shall furnish to the City from time to time copies of all shop drawings, construction drawings, and samples furnished to Airline or its agents by contractors, subcontractors, and suppliers engaged in that construction. The City's right to review shop drawings, construction drawings, and samples hereunder does not constitute a right to approve them, and the City will conduct its review solely for the purposes of determining the extent of conformity with the design concept and other information reflected in the Final Demised Premises Plans. Airline shall provide the City with "as-built" drawings and any other similar documents relating to the Airline Improvements that the City reasonably requests as soon as reasonably practicable after Demised Premises Substantial Completion. The submission of "as-built" drawings hereunder shall be recorded electronically in customary "AutoCAD" or "dgn" format. "**Demised Premises Substantial Completion**" means the stage in the progress of the Airline Improvements work at the Demised Premises is sufficiently complete for the Airline to occupy and use the Demised Premises for its intended purpose.

3. Airline may, but shall not be required, to commence construction of the Airline Improvements as soon as reasonably practicable following the Initial Airline Access Date. If Airline so elects to construct the Airline Improvements hereunder, Airline shall proceed with reasonable diligence with the construction of such Airline Improvements and shall achieve Demised Premises Substantial Completion on or before the *//_____ (___)//* day following the Initial Airline Access Date. Airline shall keep the City reasonably apprised of key milestones with respect to commencement and completion of each component of the Airline Improvements, and shall use commercially reasonable efforts to cause the Airline Improvements to progress in substantial accordance with such milestone dates. The Airline Improvements shall be constructed by Airline in substantial accordance with applicable Laws and applicable City and OMP guidelines and requirements, and otherwise in accordance with the terms and provisions of the Lease, as amended by this Amendment, and the exhibits attached hereto.

4. The City makes no representation or warranty as to the accuracy of any of the information provided by third parties related to the construction of the Airline Improvements, and shall have no liability arising out of any inaccurate information provided by third parties as a part thereof. The City's approval of the plans shall not impose upon the City or its officials,

officers, employees, or agents any liability or obligation with respect to the design or construction of the Airline Improvements, or the compliance of the Airline Improvements with any applicable Laws.

5. It shall be the responsibility of Airline to ensure that the construction of the Airline Improvements results in structurally sound improvements that comply with the terms of the Lease, as amended by this Amendment, all applicable Laws, and all applicable City and OMP guidelines and requirements, and in building systems that function at the levels of performance specified in the Final Demised Premises Plans.

6. Airline shall complete construction and equipping of the Airline Improvements free and clear of mechanic's, materialmen's, or other liens or encumbrances arising in favor of those contractors, suppliers, or other parties that Airline or its contractors directly or indirectly engages in the design and construction of the Airline Improvements, and subject to the City timely making the Relocation Payment to Airline, shall defend, indemnify, and hold the City harmless from and against any and all claims, actions, losses, costs, damages, expenses, liabilities, and obligations, including, without limitation, court costs and reasonable attorneys' fees, resulting or arising from (i) the assertion or filing of any claim for amounts alleged to be due to the claimant for labor, services, materials, supplies, machinery, fixtures, or equipment furnished to or at the request of Airline or its contractors in connection with the construction of the Airline Improvements (collectively, "**Airline Improvement Lien Claims**"), (ii) the foreclosure of any mechanic's, materialmen's, or other lien that actually or allegedly secures the amounts owed or claimed to be owed to the claimant for Airline Improvement Lien Claims, or (iii) any other legal proceedings initiated in connection with any such Airline Improvement Lien Claims.

7. Without invalidating this Agreement, Airline may request changes in the Final Demised Premises Plans consisting of additions, deletions or other revisions to the Airline Improvements and extensions of the progress schedule, or items of work, alterations, or improvements, whether in design or construction, to the extent necessitated by field conditions, coordination issues, unforeseen conditions, or other customary contingency items beyond the reasonable control of the parties, or which are otherwise in excess or above the standards set forth in the Final Demised Premises Plans (collectively, "**Airline Changes**"). Each of the City and Airline agree to cause all such Airline Changes to be reviewed and executed as soon as reasonably practicable following the date thereof (but in no event more than ten (10) business days following the date thereof at which time such Airline Changes shall be deemed approved). No Airline Changes may be incorporated unless and until such Airline Changes have been authorized as provided above.

8. Airline and the City shall each designate in written notice to the other party hereto one or two representatives to act on its behalf in dealings with the other party in matters relating to the construction of the Airline Improvements. Each representative shall (i) attend each regular project meeting relating to the construction of the Airline Improvements, and (ii) be qualified to give authorizations, render decisions, and take such other action as may be required at those meetings, subject in all events to applicable Laws and ordinances. Any consents or approvals given by a designated representative will bind the party on whose behalf the representative acts.

Either party may change its designated representatives at any time by giving written notice of a change of designation to the other party. The designated representatives will exert commercially reasonable efforts to render decisions and take actions in a timely manner so as to avoid unreasonable delay in the other party's work and actions relating to the Airline Improvements.

9. In performing the Airline Improvements and entering into contracts in furtherance thereof, Airline shall at all times observe and comply, and shall require its Contractors to observe and comply, with all applicable federal, state, and local Laws (including Airport Rules, so long as such Airport Rules are not otherwise in direct conflict with the terms and provisions of the Lease, as amended hereby) now existing or hereinafter in effect, which may in any manner affect the Airline Improvements or the performance of the Airline Improvements or other work, to the same extent the City would be required to comply with such Laws. Airline shall execute, and further shall cause its Contractors to execute, any certifications required by such Laws in connection with contracts for the performance of the Airline Improvements or other work.

MBE & WBE SPECIAL CONDITIONS FOR COMMODITIES OR SERVICES CONTRACTS

CITY OF CHICAGO
Department of Procurement Services
Jamie L. Rhee, Chief Procurement Officer
121 North LaSalle Street, Room 806
Chicago, Illinois 60602-1284
Fax: 312-744-3281

MBE & WBE SPECIAL CONDITIONS FOR COMMODITIES OR SERVICES CONTRACTS

ARTICLE 1. SPECIAL CONDITIONS REGARDING MINORITY BUSINESS ENTERPRISE COMMITMENT AND WOMEN BUSINESS ENTERPRISE COMMITMENT FOR COMMODITIES OR SERVICES

1.1. **Policy and Terms**

It is the policy of the City of Chicago that Local Businesses certified as Minority Owned Business Enterprises (MBE) and Women Owned Business Enterprises (WBE) in accordance with Section 2-92-420 et seq. of the Municipal Code of Chicago and Regulations Governing Certification of Minority and Women-owned Businesses and all other Regulations promulgated under the aforementioned sections of the Municipal Code, as well as MBEs and WBEs certified by Cook County, Illinois, will have full and fair opportunities to participate fully in the performance of this contract. Therefore, the Contractor will not discriminate against any person or business on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status or source of income and will take affirmative action to ensure that women and minority businesses will have the maximum opportunity to compete for and perform subcontracts for supplies or services.

Pursuant to Section 2-92-430 of the Municipal Code of Chicago, the Chief Procurement Officer has established a goal of awarding not less than 25% of the annual dollar value of all non-construction contracts to certified MBEs and 5% of the annual dollar value of all non-construction contracts to certified WBEs.

Accordingly, the Contractor commits to make Good Faith Efforts to expend at least the following percentages of the total contract price (inclusive of any and all modifications and amendments), if awarded, for contract participation by MBEs and WBEs:

MBE Percentage	WBE Percentage
25%	5%

This commitment is met by the Contractor's status as a MBE or WBE, or by a joint venture with one or more MBEs or WBEs as prime contractor (to the extent of the MBE or WBE

participation in such joint venture), or by subcontracting a portion of the work to one or more MBEs or WBEs, or by the purchase of materials used in the performance of the contract from one or more MBEs or WBEs, or by the indirect participation of MBEs or WBEs in other aspects of the Contractor's business (but no dollar of such indirect MBE or WBE participation will be credited more than once against a Contractor's MBE or WBE commitment with respect to all government Contracts of such Contractor), or by any combination of the foregoing.

Note: MBE/WBE participation goals are separate and those businesses certified with the City of Chicago as both MBE and WBE may only be listed on a bidder's compliance plan as either a MBE or a WBE, but not both to demonstrate compliance with the Contract Specific Goals.

As noted above, the Contractor may meet all or part of this commitment by contracting with MBEs or WBEs for the provision of goods or services not directly related to the performance of this Contract. However, in determining the manner of MBE/WBE participation, the Contractor will first consider involvement of MBEs/WBEs as joint venture partners, subcontractors, and suppliers of goods and services directly related to the performance of this Contract. In appropriate cases, the Chief Procurement Officer will require the Contractor to demonstrate the specific efforts undertaken by it to involve MBEs and WBEs directly in the performance of this Contract.

The Contractor also may meet all or part of this commitment through credits received pursuant to Section 2-92-530 of the Municipal Code of Chicago for the voluntary use of MBEs or WBEs in private sector contracts.

Pursuant to 2-92-535, the prime contractor may apply be awarded an additional 0.333 percent credit, up to a maximum of a total of 5 percent additional credit, for every 1 percent of the value of a contract self-performed by MBEs or WBEs, or combination thereof, that have entered into a mentor agreement with the contractor. This up to 5% may be applied to the Contract Specific Goals, or it may be in addition to the Contract Specific Goals.

1.2. **Definitions**

"Area of Specialty" means the description of an MBE or WBE firm's business which has been determined by the Chief Procurement Officer to be most reflective of the MBE or WBE firm's claimed specialty or expertise. Each MBE/WBE letter of certification contains a description of the firm's Area of Specialty. This information is also contained in the Directory (defined below). Credit toward this Contract's MBE and WBE participation goals shall be limited to the participation of firms performing within their Area of Specialty.

> **NOTICE:** *The City of Chicago does not make any representation concerning the ability of any MBE/WBE to perform work within their Area of Specialty. It is the responsibility of all contractors to determine the capability and capacity of MBEs/WBEs to satisfactorily perform the work proposed.*

"B.E.P.D." means an entity certified as a Business enterprise owned or operated by people with disabilities as defined in MCC Section 2-92-586.

"Bid" means a bid, proposal, or submittal detailing a description of the services or work to be provided by the contractor in response to a bid solicitation, request for proposal, request

for qualification of task order request (issued in accordance with the Master Consulting Agreement) that is issued by the City.

"Bidder" means any person or business entity that submits a bid, proposal, qualification or submittal that seeks to enter into a contract with the City, and includes all partners, affiliates and joint ventures of such person or entity.

"Broker" means a person or entity that fills orders by purchasing or receiving supplies from a third party supplier rather than out of its own existing inventory and provides no commercially useful function other than acting as a conduit between his or her supplier and his or her customer.

"Chief Procurement Officer" or "CPO" means the chief procurement officer of the City of Chicago or his or her designee.

"Commercially Useful Function" means responsibility for the execution of a distinct element of the work of the contract, which is carried out by actually performing, managing, and supervising the work involved, evidencing the responsibilities and risks of a business owner such as negotiating the terms of (sub)contracts, taking on a financial risk commensurate with the contract or its subcontract, responsibility for acquiring the appropriate lines of credit and/or loans, or fulfilling responsibilities as a joint venture partner as described in the joint venture agreement.

"Contract Specific Goals" means the subcontracting goals for MBE and WBE participation established for a particular contract.

"Contractor" means any person or business entity that has entered into a contract with the City as described herein, and includes all partners, affiliates, and joint ventures of such person or entity.

"Direct Participation" the value of payments made to MBE or WBE firms for work that is performed in their Area of Specialty directly related to the performance of the subject matter of the Contract will count as Direct Participation toward the Contract Specific Goals.

"Directory" means the Directory of Certified "Minority Business Enterprises" and "Women Business Enterprises" maintained and published by the City of Chicago. The Directory identifies firms that have been certified as MBEs and WBEs, and includes both the date of their last certification and the area of specialty in which they have been certified. Contractors are responsible for verifying the current certification status of all proposed MBE, and WBE firms.

"Good Faith Efforts" means actions undertaken by a bidder or contractor to achieve a Contract Specific Goal that the CPO or his or her designee has determined, by their scope, intensity, and appropriateness to the objective, can reasonably be expected to fulfill the program's requirements.

"Indirect Participation" refers to the value of payments made to MBE or WBE firms for work that is done in their Area of Specialty related to other aspects of the Contractor's business. (Note: no dollar of such indirect MBE or WBE participation shall be credited more than once against a contractor's MBE or WBE commitment with respect to all government contracts held by that contractor.)

"Joint venture" means an association of a MBE or WBE firm and one or more other firms to carry out a single, for-profit business enterprise, for which each joint venture partner contributes property, capital, efforts, skills and knowledge, and in which the MBE or WBE is responsible for a distinct, clearly defined portion of the work of the contract and whose share in the capital contribution, control, management, risks, and profits of the joint venture are commensurate with its ownership interest.

"Mentor-Protégé Agreement" means an agreement between a prime and MBE or WBE subcontractor pursuant to MCC 2-92-535, that is approved by the City of Chicago and complies with all requirements of MCC 2-92-535 and any rules and regulations promulgated by the Chief Procurement Officer.

"Minority Owned Business Enterprise" or **"MBE"** means a firm awarded certification as a minority owned and controlled business in accordance with City Ordinances and Regulations as well as a firm awarded certification as a minority owned and controlled business by Cook County, Illinois.

"Municipal Code of Chicago" or **"MCC"** means the Municipal Code of the City of Chicago.

"Supplier" or **"Distributor"** refers to a company that owns, operates, or maintains a store, warehouse or other establishment in which materials, supplies, articles or equipment are bought, kept in stock and regularly sold or leased to the public in the usual course of business. A regular distributor or supplier is a firm that owns, operates, or maintains a store, warehouse, or other establishment in which the materials or supplies required for performance of a contract are bought, kept in stock, and regularly sold to the public in the usual course of business. To be a regular distributor the firm must engage in, as its principal business and in its own name, the purchase and sale of the products in question. A regular distributor in such bulk items as steel, cement, gravel, stone, and petroleum products need not keep such products in stock if it owns or operates distribution equipment.

"Women Owned Business Enterprise" or **"WBE"** means a firm awarded certification as a women owned and controlled business in accordance with City Ordinances and Regulations as well as a firm awarded certification as a women owned business by Cook County, Illinois.

1.3. **Joint Ventures**

The formation of joint ventures to provide MBEs and WBEs with capacity and experience at the prime contracting level, and thereby meet Contract Specific Goals (in whole or in part) is encouraged. A joint venture may consist of any combination of MBEs, WBEs, and non-certified firms as long as one member is an MBE or WBE.

a. The joint venture may be eligible for credit towards the Contract Specific Goals only if:

   i. The MBE or WBE joint venture partner's share in the capital contribution, control, management, risks and profits of the joint venture is equal to its ownership interest;

ii. The MBE or WBE joint venture partner is responsible for a distinct, clearly defined portion of the requirements of the contract for which it is at risk;

iii. Each joint venture partner executes the bid to the City; and

iv. The joint venture partners have entered into a written agreement specifying the terms and conditions of the relationship between the partners and their relationship and responsibilities to the contract, and all such terms and conditions are in accordance with the conditions set forth in Items i, ii, and iii above in this Paragraph a.

b. The Chief Procurement Officer shall evaluate the proposed joint venture agreement, the Schedule B submitted on behalf of the proposed joint venture, and all related documents to determine whether these requirements have been satisfied. The Chief Procurement Officer shall also consider the record of the joint venture partners on other City of Chicago contracts. The decision of the Chief Procurement Officer regarding the eligibility of the joint venture for credit towards meeting the Contract Specific Goals, and the portion of those goals met by the joint venture, shall be final.

The joint venture may receive MBE or WBE credit for work performed by the MBE or WBE joint venture partner(s) equal to the value of work performed by the MBE or WBE with its own forces for a distinct, clearly defined portion of the work.

Additionally, if employees of the joint venture entity itself (as opposed to employees of the MBE or WBE partner) perform the work, then the value of the work may be counted toward the Contract Specific Goals at a rate equal to the MBE or WBE firm's percentage of participation in the joint venture as described in Schedule B.

The Chief Procurement Officer may also count the dollar value of work subcontracted to other MBEs and WBEs. Work performed by the forces of a non-certified joint venture partner shall not be counted toward the Contract Specific Goals.

c. **Schedule B: MBE/WBE Affidavit of Joint Venture**

Where the bidder's Compliance Plan includes the participation of any MBE or WBE as a joint venture partner, the bidder must submit with its bid a Schedule B and the proposed joint venture agreement. These documents must both clearly evidence that the MBE or WBE joint venture partner(s) will be responsible for a clearly defined portion of the work to be performed, and that the MBE's or WBE's responsibilities and risks are proportionate to its ownership percentage. The proposed joint venture agreement must include specific details related to:

i. The parties' contributions of capital, personnel, and equipment and share of the costs of insurance and bonding;

ii. Work items to be performed by the MBE's or WBE's own forces and/or work to be performed by employees of the newly formed joint venture entity;

iii. Work items to be performed under the supervision of the MBE or WBE joint venture partner; and

iv. The MBE's or WBE's commitment of management, supervisory, and operative personnel to the performance of the contract.

NOTE: Vague, general descriptions of the responsibilities of the MBE or WBE joint venture partner do not provide any basis for awarding credit. For example, descriptions such as "participate in the budgeting process," "assist with hiring," or "work with managers to improve customer service" do not identify distinct, clearly defined portions of the work. Roles assigned should require activities that are performed on a regular, recurring basis rather than as needed. The roles must also be pertinent to the nature of the business for which credit is being sought. For instance, if the scope of work required by the City entails the delivery of goods or services to various sites in the City, stating that the MBE or WBE joint venture partner will be responsible for the performance of all routine maintenance and all repairs required to the vehicles used to deliver such goods or services is pertinent to the nature of the business for which credit is being sought.

1.4. **Counting MBE/WBE Participation Toward the Contract Specific Goals**

Refer to this section when preparing the MBE/WBE compliance plan and completing Schedule D-1 for guidance on what value of the participation by MBEs and WBEs will be counted toward the stated Contract Specific Goals. The "Percent Amount of Participation" depends on whether and with whom a MBE or WBE subcontracts out any portion of its work and other factors.

Firms that are certified as both MBE and WBE may only be listed on a bidder's compliance plan as either a MBE or a WBE to demonstrate compliance with the Contract Specific Goals. For example, a firm that is certified as both a MBE and a WBE may only be listed on the bidder's compliance plan under one of the categories, but not both. Only Payments made to MBE and WBE firms that meet BOTH the Commercially Useful Function and Area of Specialty requirements above will be counted toward the Contract Specific Goals.

a. Only expenditures to firms that perform a Commercially Useful Function as defined above may count toward the Contract Specific Goals.

i. The CPO will determine whether a firm is performing a commercially useful function by evaluating the amount of work subcontracted, whether the amount the firm is to be paid under the contract is commensurate with the work it is actually performing and the credit claimed for its performance of the work, industry practices, and other relevant factors.

ii. A MBE or WBE does not perform a commercially useful function if its participation is only required to receive payments in order to obtain the appearance of MBE or WBE participation. The CPO may examine similar commercial transactions, particularly those in which MBEs or WBEs do

not participate, to determine whether non MBE and non WBE firms perform the same function in the marketplace to make a determination.

iii. Indications that a subcontractor is not performing a commercially useful function include, but are not limited to, labor shifting and equipment sharing or leasing arrangements with the prime contractor or a first tier subcontractor.

b. Only the value of the dollars paid to the MBE or WBE firm for work that it performs in its Area of Specialty in which it is certified counts toward the Contract Specific Goals.

c. For maintenance, installation, repairs or inspection, or professional services, if the MBE or WBE performs the work itself: 100% of the value of work actually performed by the MBE's or WBE's own forces shall be counted toward the Contract Specific Goals, including the cost of supplies and materials purchased or equipment leased by the MBE or WBE from third parties or second tier subcontractors in order to perform its (sub)contract with its own forces (except supplies and equipment the MBE or WBE subcontractor purchases or leases from the prime contractor or its affiliate). 0% of the value of work at the project site that a MBE or WBE subcontracts to a non-certified firm counts toward the Contract Specific Goals.

d. If the MBE or WBE is a manufacturer: 100% of expenditures to a MBE or WBE manufacturer for items needed for the Contract shall be counted toward the Contract Specific Goals. A manufacturer is a firm that operates or maintains a factory or establishment that produces on the premises the materials or supplies obtained by the bidder or contractor.

e. If the MBE or WBE is a distributor or supplier: 60% of expenditures for materials and supplies purchased from a MBE or WBE that is certified as a regular dealer or supplier shall be counted toward the Contract Specific Goals.

f. If the MBE or WBE is a broker:

i. Zero percent (0%) of expenditures paid to brokers will be counted toward the Contract Specific Goals.

ii. As defined above, Brokers provide no commercially useful function.

g. If the MBE or WBE is a member of the joint venture contractor/bidder:

i. A joint venture may count the portion of the total dollar value of the contract equal to the distinct, clearly defined portion of the work of the contract that the MBE or WBE performs with its own forces toward the Contract Specific Goals; or

ii. If employees of this distinct joint venture entity perform the work then the value of the work may be counted toward the Contract Specific Goals at a rate equal to the MBE or WBE firm's percentage of participation in the joint venture as described in the Schedule B.

iii. A joint venture may also count the dollar value of work subcontracted to other MBEs and WBEs.

h. If the MBE or WBE subcontracts out any of its work:

i. 100% of the value of the work subcontracted to other MBEs or WBEs performing work in its Area of Specialty may be counted toward the Contract Specific Goals.

ii. 0% of the value of work that a MBE or WBE subcontracts to a non-certified firm counts toward the Contract Specific Goals (except as allowed by (c) above).

iii. The fees or commissions charged for providing a bona fide service, such as professional, technical, consulting or managerial services or for providing bonds or insurance and assistance in the procurement of essential personnel, facilities, equipment, materials or supplies required for performance of the Contract, provided that the fee or commission is determined by the Chief Procurement Officer to be reasonable and not excessive as compared with fees customarily allowed for similar services.

iv. The fees charged for delivery of materials and supplies required on a job site (but not the cost of the materials and supplies themselves) when the hauler, trucker, or delivery service is not also the manufacturer of or a regular dealer in the materials and supplies, provided that the fee is determined by the Chief Procurement Officer to be reasonable and not excessive as compared with fees customarily allowed for similar services.

v. The fees or commissions charged for providing any bonds or insurance, but not the cost of the premium itself, specifically required for the performance of the Contract, provided that the fee or commission is determined by the Chief Procurement Officer to be reasonable and not excessive as compared with fees customarily allowed for similar services.

1.5. **Regulations Governing Reductions to or Waiver of MBE/WBE Goals**

The following Regulations set forth the standards to be used in determining whether or not a reduction or waiver of the MBE/WBE commitment goals of a particular contract is appropriate. If a bidder determines that it is unable to meet the MBE and/or WBE Contract-Specific Goals on a City of Chicago contract, a written request for the reduction or waiver of the commitment must be included in the bid or proposal.

The written request for reduction or waiver from the commitment must be in the form of a signed petition for grant of relief from the MBE/WBE percentages submitted on the bidder's letterhead, and must demonstrate that all required efforts as set forth in this document were taken to secure eligible Minority and Women Business Enterprises to meet the commitments. The Chief Procurement Officer or designee shall determine whether the request for the reduction or waiver will be granted.

A bidder will be considered responsive to the terms and conditions of these Regulations if, at the time of bid, it submits a waiver request and all supporting documentation that adequately

addresses the conditions for waiver of MBE/WBE goals, including proof of notification to assist agencies except:

- Bidders responding to Request for Proposals (RFPs) who have been identified as a short listed candidate and/or a prospective awardee will be given a designated time allowance, but no more than fourteen (14) calendar days to submit to the Department of Procurement Services complete documentation that adequately addresses the conditions for waiver described herein; and
- Bidders responding to Request for Information and or Qualifications (RFI/RFQs) deemed by the Chief Procurement Officer or authorized designee to be the most responsive and responsible shall submit documentation that adequately addresses the conditions for waiver described herein during negotiations.

Failure to submit documentation sufficient to support the waiver request will cause the bid/proposal to be found non-responsive by the Chief Procurement Officer, and the bid/proposal will be rejected. In such cases the remedies to be taken by the Chief Procurement Officer, in his or her discretion, may include, but are not limited to, forfeiture of bid deposit; negotiating with the next lowest bidder; or re-advertising the bid/proposal. All bidders must submit all required documents at the time of bid opening to expedite the contract award.

1.5.1. Direct / Indirect Participation

Each of the following elements must be present in order to determine whether or not such a reduction or waiver is appropriate.

a. The bidder has documented the unsuccessful solicitation for either subcontractors or joint venture partners of at least 50% (or at least five when there are more than eleven certified firms in the commodity area) of the appropriate certified MBE/WBE firms to perform any direct or indirect work identified or related to the advertised bid/proposal. Documentation must include but is not necessarily limited to:

1. A detailed statement of efforts to identify and select portions of work identified in the bid solicitation for subcontracting to certified MBE/WBE firms;

2. A listing of all MBE/WBE firms contacted that includes:

- Name, address, telephone number and email of MBE/WBE firms solicited;
- Date and time of contact;
- Method of contact (written, telephone, transmittal of facsimile documents, email, etc.)

3. Copies of letters or any other evidence of mailing that substantiates outreach to MBE/WBE vendors that includes:

- Project identification and location;
- Classification/commodity of work items for which quotations were sought;
- Date, item and location for acceptance of subcontractor bid proposals;

- o Detailed statement which summarizes direct negotiations with appropriate MBE/WBE firms for specific portions of the work and indicates why negotiations were unsuccessful;
- o Affirmation that Good Faith Efforts have been demonstrated by:
- choosing subcontracting opportunities likely to achieve MBE/WBE goals;
- not imposing any limiting conditions which were not mandatory for all subcontractors;
- providing notice of subcontracting opportunities to M/WBE firms and assist agencies at least five (5) business days in advance of the initial bid due date.

OR

b. Subcontractor participation will be deemed excessively costly when the MBE/WBE subcontractor proposal exceeds the average price quoted by more than twenty percent (20%). In order to establish that a subcontractor's quote is excessively costly, the bidder must provide the following information:

1. A detailed statement of the work identified for MBE/WBE participation for which the bidder asserts the MBE/WBE quote(s) were excessively costly (in excess of 20% higher).

- o A listing of all potential subcontractors contacted for a quotation on that work item;
- o Prices quoted for the subcontract in question by all such potential subcontractors for that work item.

2. Other documentation which demonstrates to the satisfaction of the Chief Procurement Officer that the MBE/WBE proposals are excessively costly, even though not in excess of 20% higher than the average price quoted. This determination will be based on factors that include, but are not limited to the following:

- o The City's estimate for the work under a specific subcontract;
- o The bidder's own estimate for the work under the subcontract;
- o An average of the bona fide prices quoted for the subcontract;
- o Demonstrated increase in other contract costs as a result of subcontracting to the M/WBE or other firm.

1.5.2. Assist Agency Participation in wavier/reduction requests

Every waiver and/or reduction request must include evidence that the bidder has provided timely notice of the need for subcontractors to an appropriate association/assist agency representative of the MBE/WBE business community. This notice must be given at least five (5) business days in advance of the initial bid due date.

The notice requirement of this Section will be satisfied if a bidder contacts at least one of the associations on Attachment A to these Regulations when the prime contractor seeks a waiver or reduction in the utilization goals. Attachment B to these Regulations provides the letter format that a prime contractor may use. Proof of notification prior to bid submittal (e.g. certified mail receipt or facsimile transmittal receipt) will be required to be

submitted with the bid for any bid/proposal to be deemed responsive. If deemed appropriate, the Contract Compliance Officer may contact the assist agency for verification of notification.

1.5.3. Impracticability

If the Chief Procurement Officer determines that a lesser MBE and/or WBE percentage standard is appropriate with respect to a particular contract subject to competitive bidding prior to the bid solicitations for such contract, bid specifications shall include a statement of such revised standard.

The requirements set forth in these Regulations (this subsection 1.5 "Regulations Governing Reductions to or Waiver of MBE/WBE Goals") shall not apply where the Chief Procurement Officer determines prior to the bid solicitations that MBE/WBE subcontractor participation is impracticable.

This may occur whenever the Chief Procurement Officer determines that for reasons of time, need, industry practices or standards not previously known by the Chief Procurement Officer, or such other extreme circumstances as may be deemed appropriate, such a Waiver is in the best interests of the City. This determination may be made in connection with a particular contract, whether before the contract is let for bid, during the bid or award process, before or during negotiation of the contract, or during the performance of the contract.

For all notifications required to be made by bidders, in situations where the Chief Procurement Officer has determined that time is of the essence, documented telephone contact may be substituted for letter contact.

1.6. **Procedure to Determine Bid Compliance**

A bid may be rejected as non-responsive if it fails to submit one or more of the following with its bid demonstrating its Good Faith Efforts to meet the Contract Specific Goals by reaching out to MBEs and WBEs to perform work on the contract:

- An MBE/WBE compliance plan demonstrating how the bidder plans to meet the Contract Specific Goals; and/or
- A request for reduction or waiver of the Contract Specific Goals in accordance with Section 2-92-450 of the MCC.

Only compliance plans utilizing MBE and WBE firms that meet BOTH the Commercially Useful Function and Area of Specialty requirements will be counted toward the Contract Specific Goals.

The following Schedules and described documents constitute the bidder's MBE/WBE proposal, and must be submitted in accordance with the guidelines stated:

(1) **Schedule C-1: Letter of Intent from MBE/WBE to Perform as Subcontractor, Supplier and/or Consultant.**

The bidder must submit the appropriate Schedule C-1 with the bid for each MBE and WBE included on the Schedule D-1. Suppliers must submit the Schedule C-1 for Suppliers, first tier subcontractors must submit a Schedule C-1 for Subcontractors to the Prime Contractor and second or lower tier subcontractors

must submit a Schedule C-1 for second tier Subcontractors. The City encourages subcontractors to utilize the electronic fillable format Schedule C-1, which is available at the Department of Procurement Services website, http://cityofchicago.org/forms. Each Schedule C-1 must be executed by each MBE and WBE and accurately detail the work to be performed by the MBE or WBE and the agreed upon rates/prices. Each Schedule C must also include a separate sheet as an attachment on which the MBE or WBE fully describes its proposed scope of work, including a description of the commercially useful function being performed by the MBE or WBE in its Area of Specialty. If a facsimile copy of the Schedule C-1 has been submitted with the bid, an executed original Schedule C-1 must be submitted by the bidder for each MBE and WBE included on the Schedule D-1 within five business days after the date of the bid opening.

Failure to submit a completed Schedule C-1 in accordance with this section shall entitle the City to deem the bid/proposal non-responsive and therefore reject the bid/proposal.

(2) Letters of Certification.

A copy of each proposed MBE/WBE firm's current Letter of Certification from the City of Chicago or Cook County Illinois, must be submitted with the bid/proposal. All Letters of Certification issued by the City of Chicago and Cook County include a statement of the MBE/WBE firm's Area of Specialty. The MBE/WBE firm's scope of work, as detailed by their Schedule C-1, must conform to their stated Area of Specialty.

(3) Schedule B: Affidavit of Joint Venture, and Joint Venture Agreements (if applicable).

If the bidder's MBE/WBE proposal includes the participation of a MBE/WBE as joint venture on any tier (either as the bidder or as a subcontractor), the bidder must provide a copy of the joint venture agreement and a Schedule B along with all other requirements listed in Section 1.3, "Joint Ventures," above. In order to demonstrate the MBE/WBE partner's share in the ownership, control, management responsibilities, risks and profits of the joint venture, the proposed joint venture agreement must include specific details related to: (1) contributions of capital and equipment; (2) work responsibilities or other performance to be undertaken by the MBE/WBE; and (3) the commitment of management, supervisory and operative personnel employed by the MBE/WBE to be dedicated to the performance of the contract. The joint venture agreement must also clearly define each partner's authority to contractually obligate the joint venture and each partner's authority to expend joint venture funds (e.g., check signing authority).

(4) Schedule D-1: Required Schedules Regarding MBE/WBE Utilization

Bidders must submit, together with the bid, a completed Schedule D-1 committing them to the utilization of each listed MBE/WBE firm. The City encourages bidders to utilize the electronic fillable format Schedule D-1, which is available at the Department of Procurement Services website, http://cityofchicago.org/forms. Except in cases where the bidder has submitted a request for a complete waiver of

or variance from the MBE/WBE commitment in accordance with Section 1.5 "Regulations Governing Reductions to or Waiver of MBE/WBE Goals" herein, the bidder must commit to the expenditure of a specific dollar amount of participation by each MBE/WBE firm included on their Schedule D-1. The total dollar commitment to proposed MBEs must at least equal the MBE goal, and the total dollar commitment to proposed WBEs must at least equal the WBE goal. Bidders are responsible for calculating the dollar equivalent of the MBE and WBE goals as percentages of their total base bids or in the case of Term Agreements, depends upon requirements agreements and blanket agreements, as percentages of the total estimated usage. All commitments made by the bidder's Schedule D-1 must conform to those presented in the submitted Schedule C-1. If Schedule C-1 is submitted after the opening, the bidder may submit a revised Schedule D-1 (executed and notarized to conform with the Schedules C-1). Bidders shall not be permitted to add MBEs or WBEs after bid opening to meet the Contract Specific Goals, however, contractors are encouraged to add additional MBE/WBE vendors to their approved compliance plan during the performance of the contract when additional opportunities for participation are identified. Except in cases where substantial and documented justification is provided, bidders will not be allowed to reduce the dollar commitment made to any MBE or WBE in order to achieve conformity between the Schedules C-1 and D-1.

All commitments for joint venture agreements must be delineated in the Schedule B.

(5) Application for Approval of Mentor Protégé Agreement

Any applications for City approval of a Mentor Protégé agreement must be included with the bid. If the application is not approved, the bidder must show that it has made good faith efforts to meet the contract specific goals.

1.7. **Reporting Requirements During the Term of the Contract**

a. The Contractor will, not later than thirty (30) calendar days from the award of a contract by the City, execute formal contracts or purchase orders with the MBEs and WBEs included in their approved MBE/WBE Utilization Plan. These written agreements will be made available to the Chief Procurement Officer upon request.

b. The Contractor will be responsible for reporting payments to all subcontractors on a monthly basis in the form of an electronic report. Upon the first payment issued by the City of Chicago to the contractor for services performed, on the first day of each month and every month thereafter, email and or fax audit notifications will be sent out to the Contractor with instructions to report payments that have been made in the prior month to each subcontractor. The reporting of payments to all subcontractors must be entered into the Certification and Compliance Monitoring System (C2), or whatever reporting system is currently in place, on or before the fifteenth (15th) day of each month.

c. Once the prime Contractor has reported payments made to each subcontractor, including zero dollar amount payments, the subcontractor will receive an email and or fax notification requesting them to log into the system and confirm payments received. All monthly confirmations must be reported on or before the

20th day of each month. Contractor and subcontractor reporting to the C2 system must be completed by the 25th of each month or payments may be withheld.

d. All subcontract agreements between the contractor and MBE/WBE firms or any first tier non-certified firm and lower tier MBE/WBE firms must contain language requiring the MBE/WBE to respond to email and/or fax notifications from the City of Chicago requiring them to report payments received for the prime or the non-certified firm.

Access to the Certification and Compliance Monitoring System (C2), which is a web based reporting system, can be found at: https://chicago.mwdbe.com

e. The Chief Procurement Officer or any party designated by the Chief Procurement Officer, shall have access to the contractor's books and records, including without limitation payroll records, tax returns and records and books of account, to determine the contractor's compliance with its commitment to MBE and WBE participation and the status of any MBE or WBE performing any portion of the contract. This provision shall be in addition to, and not a substitute for, any other provision allowing inspection of the contractor's records by any officer or official of the City for any purpose.

f. The Contractor shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs, retaining these records for a period of at least five years after project closeout. Full access to these records shall be granted to City, federal or state authorities or other authorized persons.

1.8. **Changes to Compliance Plan**

1.8.1. Permissible Basis for Change Required

No changes to the Compliance Plan or contractual MBE and WBE commitments or substitution of MBE or WBE subcontractors may be made without the prior written approval of the Contract Compliance Officer. Unauthorized changes or substitutions, including performing the work designated for a subcontractor with the contractor's own forces, shall be a violation of these Special Conditions and a breach of the contract with the City, and may cause termination of the executed Contract for breach, and/or subject the bidder or contractor to contract remedies or other sanctions. The facts supporting the request for changes must not have been known nor reasonably could have been known by the parties prior to entering into the subcontract. Bid shopping is prohibited. The bidder or contractor must negotiate with the subcontractor to resolve the problem. If requested by either party, the Department of Procurement Services shall facilitate such a meeting. Where there has been a mistake or disagreement about the scope of work, the MBE or WBE can be substituted only where an agreement cannot be reached for a reasonable price for the correct scope of work.

Substitutions of a MBE or WBE subcontractor shall be permitted only on the following basis:

a) Unavailability after receipt of reasonable notice to proceed;

b) Failure of performance;

c) Financial incapacity;

d) Refusal by the subcontractor to honor the bid or proposal price or scope;

e) Mistake of fact or law about the elements of the scope of work of a solicitation where a reasonable price cannot be agreed;

f) Failure of the subcontractor to meet insurance, licensing or bonding requirements;

g) The subcontractor's withdrawal of its bid or proposal; or

h) De-certification of the subcontractor as a MBE or WBE (graduation from the MBE/WBE program does not constitute de-certification).

i) Termination of a Mentor Protégé Agreement.

1.8.2. Procedure for Requesting Approval

If it becomes necessary to substitute a MBE or WBE or otherwise change the Compliance Plan, the procedure will be as follows:

a) The bidder or contractor must notify the Contract Compliance Officer and Chief Procurement Officer in writing of the request to substitute a MBE or WBE or otherwise change the Compliance Plan. The request must state specific reasons for the substitution or change. A letter from the MBE or WBE to be substituted or affected by the change stating that it cannot perform on the contract or that it agrees with the change in its scope of work must be submitted with the request.

b) The City will approve or deny a request for substitution or other change within 15 business days of receipt of the written request.

c) Where the bidder or contractor has established the basis for the substitution to the satisfaction of the Chief Procurement Officer, it must make Good Faith Efforts to meet the Contract Specific Goal by substituting a MBE or WBE subcontractor. Documentation of a replacement MBE or WBE, or of Good Faith Efforts, must meet the requirements in section 5. If the MBE or WBE Contract Specific Goal cannot be reached and Good Faith Efforts have been made, as determined by the Chief Procurement Officer, the bidder or contractor may substitute with a non-MBE or non-WBE.

d) If a bidder or contractor plans to hire a subcontractor for any scope of work that was not previously disclosed in the Compliance Plan, the bidder or contractor must obtain the approval of the Chief Procurement Officer to modify the Compliance Plan and must make Good Faith Efforts to ensure that MBEs or WBEs have a fair opportunity to bid on the new scope of work.

e) A new subcontract must be executed and submitted to the Contract Compliance Officer within five business days of the bidder's or contractor's receipt of City approval for the substitution or other change.

The City shall not be required to approve extra payment for escalated costs incurred by the contractor when a substitution of subcontractors becomes necessary to comply with MBE/WBE contract requirements.

1.9. **Non-Compliance and Damages**

Without limitation, the following shall constitute a material breach of this contract and entitle the City to declare a default, terminate the contract, and exercise those remedies provided for in the contract, at law or in equity: (1) failure to demonstrate Good Faith Efforts; and (2) disqualification as a MBE or WBE of the contractor or any joint venture partner, subcontractor or supplier if its status as an MBE or WBE was a factor in the award of the contract and such status was misrepresented by the contractor.

Payments due to the contractor may be withheld until corrective action is taken.

Pursuant to MCC 2-92-445 or 2-92-740, as applicable, remedies or sanctions may include a penalty in the amount of the discrepancy between the amount of the commitment in the Compliance Plan, as such amount may be amended through change orders or otherwise over the term of the contract, and the amount paid to MBEs or WBEs, and disqualification from contracting or subcontracting on additional City contracts for up to three years. The consequences provided herein shall be in addition to any other criminal or civil liability to which such entities may be subject.

The contractor shall have the right to protest the final determination of non-compliance and the imposition of any penalty by the Chief Procurement Officer pursuant to MCC 2-92-445 or 2-92-740, within 15 business days of the final determination.

1.10. **Arbitration**

a) In the event a contractor has not complied with the contractual MBE/WBE percentages in its Schedule D, underutilization of MBEs/WBEs shall entitle the affected MBE/WBE to recover from the contractor damages suffered by such entity as a result of being underutilized; provided, however, that this provision shall not apply to the extent such underutilization occurs pursuant to a waiver or substitution approved by the City. The Ordinance and contracts subject thereto provide that any disputes between the contractor and such affected MBEs/WBEs regarding damages shall be resolved by binding arbitration before an independent arbitrator other than the City, with reasonable expenses, including attorney's fees, being recoverable by a prevailing MBE/WBE in accordance with these regulations. This provision is intended for the benefit of any MBE/WBE affected by underutilization and grants such entity specific third party beneficiary rights. Any rights conferred by this regulation are non-waivable and take precedence over any agreement to the contrary, including but not limited to those contained in a subcontract, suborder, or communicated orally between a contractor and a MBE/WBE.

b) An MBE/WBE desiring to arbitrate shall contact the contractor in writing to initiate the arbitrative process. Except as otherwise agreed to in writing by the affected parties subject to the limitation contained in the last sentence of the previous paragraph, within ten (10) calendar days of the contractor receiving notification of the intent to arbitrate from the MBE/WBE the above-described disputes shall be arbitrated in accordance with the Commercial Arbitration Rules of the American Arbitration Association (AAA), a not-for-profit agency, with an office at 225 North Michigan Avenue, Suite 2527, Chicago, Illinois 60601-7601 [Phone: (312) 616-6560; Fax: (312) 819-0404]. All such arbitrations shall be initiated by the MBE/WBE filing a demand for arbitration with the AAA; shall be conducted by the AAA; and held in Chicago, Illinois.

c) All arbitration fees are to be paid pro rata by the parties, however, that the arbitrator is

authorized to award reasonable expenses, including attorney and arbitrator fees, as damages to a prevailing MBE/WBE.

d) The MBE/WBE must send the City a copy of the Demand for Arbitration within ten (10) calendar days after it is filed with the AAA. The MBE/WBE also must send the City a copy of the decision of the arbitrator within ten (10) calendar days of receiving such decision. Judgment upon the award rendered by the arbitrator may be entered in any court of competent jurisdiction.

1.11. **Equal Employment Opportunity**

Compliance with MBE and WBE requirements will not diminish or supplant equal employment opportunity and civil rights provisions as required by law.

1.12. **Attachments and Schedules**

DESIGN, RENOVATION AND CONSTRUCTION PROCEDURES
(for future improvements)

CHICAGO O'HARE INTERNATIONAL AIRPORT
and
CHICAGO MIDWAY INTERNATIONAL AIRPORT

DESIGN, RENOVATION, AND CONSTRUCTION

Tenant Projects
STANDARD OPERATING PROCEDURE ("SOP")

July, 2014

The City of Chicago, acting through its Chicago Department of Aviation ("**CDA**"), is responsible for the management of the Airports, and accordingly CDA reserves the right to review and approve the construction and/or modification of any structure on Airport property. The CDA, through its Design and Construction Division, reviews, oversees, and approves design and work for all new construction, renovation, and remodeling projects at the Airports. The procedures, submission requirements and deadlines set forth in this standard operating procedure ("SOP") are mandatory and may be waived only upon approval of the CDA Commissioner or designated representative in unique circumstances. The CDA reserves the right to modify the following procedural requirements based on the scope of each project and items discovered throughout the design and construction process.

The Tenant's design team shall provide evidence of professional services throughout the design, documentation, and field review stages of the work. Design, drawings, documents, materials, and as-builts shall be prepared, signed, and sealed by a licensed design professional, and a Leadership in Energy and Environmental Design (LEED) Accredited Professional (AP) to the extent dictated in the tenant's lease.

All Tenants, defined as any entity with a legal right to occupy Airport property including airlines, concessionaires, government agencies or other entities operating on Airport property, who desire to perform construction or renovation on Airport property shall use the following procedure.

DESIGN

Step 1: Project Initiation Letter

The Tenant must submit to the CDA Coordinating Architect, Design and Construction, a Project Initiation Letter on Tenant letterhead that includes:

- Tenant Point of Contact (POC) name, phone number and e-mail address, Tenant's Architectural/Engineering firm's (if applicable) POC name and phone number
- Narrative of the Intended Project Scope
- Photos of the Current Conditions of the Project Location (showing adjacencies)
- Proposed Location Key Plan (if project is within the terminal facilities, show column lines, tenant lease line, and adjacencies within 3 to 5 bays, in addition to clearly identifying impacts to others)
- List of all items that need to be relocated by others (CDA or adjacent tenant) in order for the project to be built (advertising, phones, vending devices, internet kiosks, charging stations, AED's, fire extinguishers, CDA signage, public address speakers, mechanical/electrical/plumbing equipment, etc.)
- Conceptual Drawings defining the basic parameters of the project
- Estimated Construction Cost
- Preliminary Project Schedule including the appropriate time frame for CDA's review and response per the Design section in this SOP

- Indication if this is going to be a self-certified project
- Indication if this is the first time the designer has performed work at either ORD or MDW

Please address all design submittals as identified below, and copy as indicated on all emails. For concession projects only, please also copy the CDA Deputy Commissioner of Concessions and the CDA Retail Management Company:

Within ten working days of receiving the Project Initiation Letter, the CDA will send a "Response to Project Initiation Letter" to the Tenant with comments and direction regarding the design submittals, including your assigned Project Number which must be included on all future project correspondence and submittals including on all permits. The letter will also identify the CDA Point of Contact for the design phase of the project who will either be a CDA employee or a designated representative. All Tenant questions, concerns, or requests for information or project coordination should be directed to the CDA Point of Contact.

During the project initiation step, the tenant and designer should proactively consider potential sustainable design elements for further consideration and detail in preparation of sustainable design requirements as outlined in Step 2.

Requests-for Drawings:
Tenants requesting drawings from the CDA for use in their design shall use the link below for the "Document Request Form" and submit it to the CDA Point of Contact for required approvals. Drawings will not be available until the form is signed by CDA. Tenant will be notified by the CDA Point of Contact when the drawings are available.

CDA Document Request Form

Step 2: Design Submittals and CDA Review

The Tenant will submit to the CDA Coordinating Architect, Design and Construction, the 30%, 60%, 90%, and 100% design levels, or other completion level combinations based upon review and completeness of the initial and follow-up submittals. Less complex projects may be approved to deviate from this requirement, which will be addressed in CDA's "Response to Project

Initiation Letter". Tenant may be requested to conduct a 30% design level presentation to the CDA. This request will also be addressed in the CDA's "Response to Project Initiation Letter".

The Design Documents must illustrate and describe the refinement of the design of the Project and define the scope, relationships, forms, size and appearance of the Project by means of plans, sections, and elevations, typical sectional details, diagrams, and equipment layouts. The Design Documents must include specifications that identify major materials and systems, and establish, in general, their quality levels. Design Documents must also include all calculations, studies, Consultant must ensure that all projects are in compliance with all local, state and federal requirements and codes.

All concession tenant projects are required to include an updated project schedule and cost estimate with each design submittal. All other tenant projects shall be required to provide schedule and cost information at the CDA's request.

Projects requiring building permits–will require reviews with the Department of Buildings. Complex projects may require multiple reviews at various stages during the design process. These reviews are mandatory for more complex projects to familiarize the Department of Buildings with the project and to provide the-project manager with productive input during the design process, thus avoiding issues later in the Design, Renovation & Construction Procedures permit review process. The Tenants must coordinate the schedule for these meetings early on in the design process.

All CDA design reviews require a minimum ten (10) working day review period plus an additional five (5) working days for consolidation of comments and responding back to the Tenant. The tenant will receive either a "reviewed as noted" or a "revise and resubmit" in the "Review and Conditions Letter". The letter will include the "Submittal Review Comments Form" spreadsheet containing all design review comments.

The Tenant is required to include responses to all review comments listed in the "Submittal Review Comments Form" spreadsheet, as well as any issues identified in the "Review and Conditions Letter", by CDA and any other reviewing agencies/departments. The spreadsheet column titled "Tenant Response" must be completed and accompany the next designated design submittal. The Tenant must also incorporate all review comments into the next designated design submittal. Failure to do so will affect the design review process.

Adjacencies:
Designs requiring any work in spaces outside the tenant's lease line needs to be clearly identified on all drawings, communicated to the CDA Point of Contact and, if applicable, coordinated with the tenant of the impacted space during the design phase of the project. Designs must also specify any items that need to be relocated by others such as advertising, phones, vending devices, internet kiosks, charging stations, AED's, fire extinguishers, CDA signage, public address speakers, mechanical/electrical/plumbing equipment, etc.

Construction Components:
The components of construction including dumpster locations, phasing, haul routes of material to site and through terminal facility, required shutdowns of systems, and laydown/material storage areas should be coordinated to the best of the tenant's and designer's ability during the design phase. Due diligence should be taken to determine the exact locations of all system tie-ins, and to provide a design that requires minimal system shut downs in order to avoid the project being assessed multiple shut down fees. Work hours for the project must be included in the notes of the design submittal including work components planned for daytime versus work components planned for nighttime.

Barricades:
Projects requiring barricades that are within the view of passengers in the terminal facility must adhere to the CDA Temporary Barricade Standard for each airport. Please select the link below for the current version of CDA's Barricade Standard for ORD and MDW. Barricade details (height, material, color, location) must be included on the demolition drawing of the design submittal for review and approval by the CDA. Any requested deviations to the standard must be highlighted in the design submittal and must be approved by the CDA. All barricade graphics must also be included in the design submittal for review and approval by CDA.

ORD Barricade Detail
MDW Barricade Detail

Projects requiring barricades outside the view of passengers are not required to adhere to the CDA standard but must still include the proposed barricade design on the demolition drawing of the design submittal for review and approval by the CDA during the design review process. Any deviations to the CDA standard must be highlighted to assist in the review process.

Sustainable Airport manual (SAM):
Included with each design submittal, the Tenant must also submit a Sustainable Airport Manual (SAM) Checklist. The relevant SAM chapter is Concessions & Tenants – Design & Construction which can be found along with all its supporting documentation at www.airportsgoinggreen.org/SAM.

Tenant and CDA Signage:
If the project includes new storefront and/or blade signage, the final design submittal must include side view renderings or photos, the sign location, the exact dimensions, and an elevation for review by CDA to ensure the signage meets the terminal specific requirements. Please note that if a sign permit is required, it can only be obtained by a licensed sign contractor. All storefront and blade signs, with and without electrical components, require a sign permit.

The Tenant must inform the CDA Point of Contact if the project requires CDA signage be removed, modified, or supplemented. A walk through with CDA will be scheduled to ensure CDA has adequate time to schedule the required signage work to occur during the construction phase. Please note that any CDA signage needing to be removed or relocated within the project area must be performed by CDA. If CDA signage is located within the project area, the Tenant

must include in the construction documents that the contractor will adequately protect all CDA signage to ensure it is not damaged during construction.

FAA 7460:
A Federal Aviation Administration (FAA) Form 7460 (Notice of Proposed Construction or Alteration) may be required for certain projects that are expecting to use cranes or any other equipment that could impact the Airport Operations Area (AOA) due to its height. This should be confirmed with the FAA, and it is the responsibility of the Tenant to prepare and submit the Form 7460, if required, to the FAA. In addition to the Form 7460, the local FAA office also requires an FAA checklist and detailed site plan. For further information on this process, please contact the CDA Planning Office at (773) 894-6907 or (773) 686-3732. Select the link below to learn more about the 7460 process, to complete the form, and for the FAA's contact information. Please note, this process takes approximately 45 days to complete.

FAA 7460 Form

Impacts to CDA Security:
The Tenants must notify the CDA Point of Contact if the project scope of work includes the removal, installation, deactivation, reactivation, or relocation of an access control device or boundary including perimeter fence, perimeter gate or checkpoint, or new openings (temporary or permanent) from the public area to the sterile area/airside, access control door, camera, alarm, or supporting hardware. If the scope of work includes any of these items, CDA Security must comply with TSA regulations. Conditions lasting less than 60 days require a TSA Change Condition, and conditions lasting 60 days or longer require a TSA Amendment. Both submittal processes require a TSA approval process of up to 45 days. Information on scope will be required by the Tenant to assist CDA Security with the process.

Step 3: Construction Document Approval

Upon review of the 100% design submittal and a determination that the documents are complete to the 100% level, the CDA Coordinating Architect, Design and Construction, will issue a "Construction Document Approval" to the Tenant, including any outstanding issues that need to be incorporated into the documents and/or addressed. For those projects requiring a building permit, a letter will also be included addressed to the City of Chicago, Department of Buildings indicating the documents have been reviewed and are acceptable for beginning the permit application process.

After receiving the CDA's "–Construction Document Approval" letter and completing all necessary construction document modifications required from the 100% design review, the Tenant may then apply for the required permits from the City of Chicago, and any other applicable state and federal authorities. The Tenant must coordinate the method, process and schedule for the permit application submittals. It is the Tenant's sole responsibility to follow-up on the permit issuance process.

The Chicago Department of Buildings is the department which conducts building inspections and processes and issues building permits. A list of work requiring a permit is located on the Department of Buildings website. Please note that if a sign construction permit is required, it can only be obtained by a licensed sign contractor.

All Chicago Department of Buildings permit applications and submittals are fully electronic via the City's online system "E-Plan" available at the following website: http://www.cityofchicago.org/buildings.

For work being performed at the terminal, the Description of Work on the permit must include the associated terminal (i.e. Terminal 2), the closest gate (i.e. E4) if applicable, the project name, and CDA project number.

CONSTRUCTION

Step 4: Preconstruction Meeting

Following completion of Steps 1-3, the construction phase of the process begins. The Tenant shall request a Preconstruction Meeting through the CDA as directed in the "Construction Document Approval" letter. Requests shall be submitted to the CDA in a single email with all required documentation, as listed below, attached:

- All required City, State and Federal Permits
- FAA approved 7460 Forms, if required
- 100% design submittal response to comments
- CDA 100% Document Review Comments spreadsheet with completed responses by Tenant's architect/engineer
- Transmittal letter or email to the CDA Coordinating Architect, Design and Construction, documenting that the comments have been sent
- Certificate of Insurance documenting that all appropriate insurance has been obtained. All City contractors and subcontractors must a copy of the Certificate of Insurance indicating the City of Chicago and its representatives as additional insured. Insured amounts should match requirements dictated in the tenant's lease documents.
- Contractor's Safety Representative documentation per the CDA Construction Safety Manual
    - Incident Notification Plan
    - Site Specific Safety Plan or Job Hazard Analysis
    - Dedicated On-Site Safety Professional
        - 3 year resume showing minimum of 3 year verifiable construction projects safety experience
        - 30 hour Occupational Safety and Health Administration (OSHA) card
        - Current Automated External Defibrillator (AED) / Cardiopulmonary Resuscitation (CPR) certification
- Construction schedule that includes: All phases from Permit Application through

Construction Completion and Punchlist Walkthrough, including expected Department of Buildings inspections

- List of contractors/subcontractors with 24 hour phone numbers
- Compliance plan including Minority Business Enterprise (MBE)/Women-owned Business Enterprise (WBE) and City of Chicago residency requirements to the extent dictated in the tenant's lease
- Barricade Plan and elevation showing signage/graphics with dimensions
- Staging, dumpster location, and haul route
- Copy of ComEd electrical meter application if project requires a new electrical meter

The CDA will arrange a pre-construction meeting and notify the Tenant of the meeting time and location. Every project must have a construction manager assigned by the Tenant who attends the preconstruction meeting. The Tenant and construction team shall answer any outstanding questions and exchange documentation. The Tenant shall submit one (1) hardcopy of all submittals listed above in addition to one (1) full size hardcopy set of stamped approved building plans and one (1) PDF of stamped approved building plans. The Tenant must also state in the preconstruction meeting if this is the first project for the contractor or any subcontractors at ORD or MDW.

The Tenant must present the barricade graphic as approved by CDA during the design phase. If the size of the graphic precludes the Tenant from bringing it to the preconstruction meeting, the Tenant must provide proof that the graphic has been produced and is ready for installation. The barricade graphic must be installed within 24 hours of erecting the barricade.

During the pre-construction meeting, the CDA will assign a Point of Contact for the construction phase of the project who will either be a CDA employee or a designated representative. The CDA Point of Contact will act as the project tenant coordinator. All Tenant questions, coordination requests, changes in schedule, or adjacency/infrastructure impacts should be directed to the CDA Point of Contact.

No construction may begin until all required documentation has been submitted and reviewed by the CDA, and all required coordination is complete.

Processes for all required Airport ID Badges and permits must be completed for every employee and vehicle involved in the Project before work begins and should be substantially completed by the time of this meeting. All Tenant badging requests must be handled by CARE Plus (Chicago Airports Resources Enterprise Plus) as specified in the Security ID Badging section included in this document.

Step 5: Notice to Airport Users

For all tenant projects, the Tenant is required to submit a Notice to Airport User Form. The Tenant shall register or login to the online Notice to Airport Users Form at https://eforms.cityofchicago.org/uforms and create a project start up form indicating scope, start and completion dates. Additional user forms required during the course of construction will be

discussed at the Pre-Construction Meeting. All User Forms must be submitted at least 3 days in advance of the anticipated start of work to allow adequate time for review. Select the link below to learn more about how to submit a Notice to Airport Users Form for O'Hare International Airport and Midway International Airport.

ORD Quick Reference Guide
MDW Quick Reference Guide

Step 6: Construction

All permits and the User Form shall be prominently displayed on the exterior of the barricade in a frame approved by the CDA. One full size stamped set of drawings and the original permit must be kept on site at all times for use by the CDA and the Chicago Department of Buildings during inspections.

During construction, contractors must request inspections by Ventilation, Electrical, Plumbing, and New Construction Department of Buildings Inspection Bureaus on all projects with issued building permits, regardless of scope, for both rough and final inspections. Failure to request these inspections may result in suspension or revocation of the permit and issuance of citations by the Chicago Department of Buildings for violation of licensing requirements against general and subcontractors. All rough and final inspections will conclude with the inspector signing the back of the original permit. If an inspector determines a walkthrough is not necessary or does not respond to the request for an inspection, the contractor must indicate on the back of the permit when the inspection was requested and the reason, if known, for an inspection not occurring. Please note that the Department of Buildings assigned Chief Inspector for the project will not sign off on the permit if necessary inspections have not been completed.

Chicago Department of Buildings inspections shall be scheduled via the web-based, on-line inspection scheduling system at www.cityofchicago.org/buildings. All requests for rough and final Chicago Department of Buildings inspections should be requested fourteen (14) working days in advance.

If needed, you may also contact the Department of Buildings Inspection Bureaus by phone as listed below:

Ventilation Department – (312) 743-3573
Electrical Department – (312) 743-3622
Plumbing Department – (312) 743-3572
New Construction Department – (312) 743-3531

In addition, contractors must offer the terminal manager and building engineer an opportunity to perform an inspection at demolition, rough, and final phases. The Tenant shall contact the CDA Point of Contact for notification to the terminal manager and building engineer for demolition, rough and final inspections.

Demolition:
Once demolition is completed, the CDA terminal manager and the CDA building engineer shall be offered the opportunity to perform an inspection of the site prior to beginning construction. Please note that demolition and construction waste management

Rough Inspections:
All internal structural components and mechanical systems shall remain exposed for completion of the preliminary rough inspection by the appropriate inspectors. Drywall should be installed only upon verification of code compliance for any work performed on any altered structural and/or mechanical systems. In addition, while rough components and systems are exposed, the CDA terminal manager and the CDA building engineer shall be offered the opportunity to perform an inspection.

Final Inspections:
Once the rough inspection is approved and the balance of construction completed, a final inspection must also be performed by Chicago Department of Buildings inspectors from bureaus having jurisdiction over the related work. In addition, the CDA terminal manager, and the CDA building engineer shall be offered the opportunity to perform a final inspection.

Retail food establishments are required to provide a building license which triggers a health inspection to be conducted by the Chicago Department of Public Health. Concessions applying for a liquor license require a separate inspection coordinated by the Business Affairs and Consumer Protection Department, in addition to the Department of Buildings inspections.
During construction, the tenant shall submit monthly Chicago residency utilization reports per 2-92-330 of the Municipal Code of the City of Chicago to the extent dictated in the tenant's lease. All monthly reports shall be submitted to the assigned CDA point of contact.

Non-compliance with any of the "Conditions of Approval" listed in the "Submittal Review Comments Form" may be just cause for the CDA to order work stoppage until corrective measures are completed and compliance is obtained. Any cost or claims due to this work stoppage shall be borne by the contractor.

Step 7: Notification to the City of Substantial Completion.

Upon substantial completion and prior to opening/occupancy, the Tenant shall request a site inspection/punchlist walk through with the CDA Point of Contact as instructed during the pre-construction meeting. Attendees should include the Tenant's designer and contractor, the CDA terminal manager, the CDA building engineer, the CDA Point of Contact, and any other attendees identified during the preconstruction meeting. During the walkthrough, an oral punch list will be communicated followed within a week by a written punch list produced and distributed to all attendees by the Tenant. Documentation showing the completion of punchlist items must be submitted to the CDA Point of Contact within 30 days of the punchlist walkthrough. If additional time is needed, the Tenant must coordinate that request through the CDA Point of Contact.

If a Certificate of Occupancy is required, as determined by the City of Chicago Department of Buildings, it will need to be submitted to the CDA prior to-any occupancy of the renovated or newly constructed space. It is the Tenant's responsibility to arrange for inspection by the Department of Buildings for the Certificate of Occupancy.

The Tenant shall close out the Notice to Airport Users Form by electronically attaching a PDF of the permit's front and back showing inspector sign-offs, by entering the substantial completion date, by entering the punchlist walkthrough date, and by entering the anticipated submittal of redlined drawings which must be within 30 days of the punchlist walk through. An automatic email reminder will be sent to the Tenant/Contractor if this information is not entered into the Notice to Airport Users Form on or before the scheduled substantial completion date.

The Tenant must also submit a final construction SAM Checklist at construction completion that incorporates information on final quantities, contractor submittals, and other SAM-related data that is incorporated during the construction phase. SAM checklists will be reviewed concurrently with the contract documents with the exception of the final construction submittal which is submitted by the Tenant and reviewed separately by the Sustainable Review Panel (SRP). Recognition in the form of a Green Airplane Certification will be awarded at completion of final checklist review.

CLOSEOUT

Step 8: As-Builts

The as-built documents (all required prints and electronic files) shall be transmitted to the CDA Coordinating Architect, Design and Construction, within ninety (90) days of substantial completion unless the CDA has formerly approved an alternate time frame. The items listed below are required to support maintenance of accurate facility records and future construction:

- One full-size hardcopy of final as-built drawings
- One CD/DVD of CAD files either in AutoCAD or Microstation format
- One CD/DVD of all image files in PDF format
- One PDF of the finalized SAM Construction Checklist
- One PDF of all O&M manuals for equipment being maintained by the CDA
- One PDF of the building permit (both sides) with all required rough and final inspection sign-offs
- One PDF of the preventative maintenance schedule listing the systems and equipment that require preventative maintenance, scope of maintenance to be performed, frequency, and which entity is responsible
- All concession tenant projects are required to include one PDF of the tenant certified statement detailing the final improvement cost including change orders. All other tenant projects shall be required to provide this information at the CDA's request.
- All concession tenant projects are required to include one PDF documenting the project's Minority Business Enterprise (MBE)/Women-owned Business Enterprise (WBE) participation as well as the City of Chicago residency. All other tenant projects shall be

required to provide this information at the CDA's request.

SAFETY

All contractors and subcontractors and the work they perform are subject to the CDA Construction Safety Manual. The contractor's Safety Representative's credentials must comply with the requirements as outlined in the most recent CDA Construction Safety Manual and must be approved prior to beginning any work on the project. Copies of the Safety Representative's resume, OSHA card, AED/CPR card, Site Specific Safety Plan/Job Hazard Analysis (JHA), Incident Notification Plan and any other documentation as required by the CDA Construction Safety Manual must be submitted to CDA or its representatives at the Pre-Construction Meeting.

SECURITY ID BADGING

All companies conducting business at the Airport and having an operational need for access to the Secured Area, Security Identification Display Area (SIDA), Air Operations Area (AOA), and/or the Sterile Area must be properly registered as a "Tenant" in the Airport ID Badging and Access Control System, or be sponsored by a registered Tenant, before its employees may be issued ID Badges, and its vehicles issued airfield vehicle permits. Tenants that are companies servicing an existing Airport Tenant must be sponsored by that Airport Tenant. All companies must be in compliance with the CDA – Identification Badge Regulations and Practices containing Policies and Procedures and Rules and Regulations of the CDA.

Registration of companies as Tenants in the system, and employee screening/ID Badging procedures, are a lengthy, but mandatory process. The Tenant should keep this in mind when scheduling a project. Tenants are advised to begin this process at the earliest opportunity, become familiar with required procedures, and allow adequate lead time, to preclude delays. Tenants or their contractors must know all access codes for required door access prior to starting the badging process.

Airport ID badges, driving privileges, and airfield vehicle permits are as crucial to this process as are required construction permits. Tenants' failure to understand, or comply with, ID Badging and vehicle permit/operating regulations can impose significant and costly project delays.
Requirements, and detailed instructions, for obtaining required badges, driving privileges, and Ground Motor Vehicle Operation Regulations Manual. These documents are available on request from CDA. *See ID Badging website*:
www.flychicago.com/badging

Tenants must review and understand these procedures thoroughly, before attempting to obtain badges, driving privileges, or vehicle permits. Companies must complete the Employer Information and Authorization Form to register as Tenants and designate an authorized Signatory (required if the Tenant is not already established as a Tenant in the ID Badging System). Signatories must be established in accordance with the rules defined in the Handbook, which typically requires 2 business days to accomplish upon submittal.

The Access Control and Photo ID Badge Application is required to register company employees.

The Company Vehicle Access Form-AIRFIELD must be completed to register the company vehicles.

NOTE: CARE Plus acts as "Tenant" for ID Badging purposes for those Tenants that are airfield construction companies under contract to the City. Such construction companies do not need to register as Tenants themselves but shall instead contact CARE Plus, and contact/proceed to ID Badging only as directed by CARE Plus. The above directives should be reviewed and understood before contacting CARE Plus.

CARE Plus may be reached at:

CARE Plus
P.O. Box 66790, AMF O'Hare
Chicago, IL 60666
Attn: Lisa Kleopa
(773) 894-3828
lkleopa@careplusllc.org

However, Tenants who already have established ID Badge accounts as Tenants shall continue to obtain ID Badges in the manner previously established.

Airport ID Badges and vehicle permits must be returned at the conclusion of each project.

ID Badges for Secured Areas

Any employee who works at the Airport and has operational duties requiring access to a Secured Area is required to obtain an ID badge. Requirements for obtaining an ID badge include the following: a successful completion of the Access Control and Photo ID Badge Application; favorable results of an FBI fingerprint-based Criminal History Records Check (CHRC); favorable results of a TSA Security Threat Assessment (STA); successful completion of the Security Identification Display Area (SIDA) training; and an understanding and commitment to follow federal and CDA regulations listed in the Handbook.

Depending on individual training and testing requirements, issuance of an individual employee badge typically requires a minimum of two visits, per applicant, with approximately 1-3 hours per visit, not including travel to CARE Plus and ID Badging. In addition, the required fingerprint- based investigations CHRC and STA typically require a minimum of 10 business days, per employee, to accomplish.

Applicants seeking airfield-driving privileges within the Airport airfield perimeter (AOA or Secured Area) must be trained and tested and, therefore, must be thoroughly familiar with the Ground Motor Vehicle Operation Regulations Manual to obtain the driving privileges.

Airfield Vehicle Permits

If a project involves driving on the airfield, all vehicles driven on the movement or non-movement area (ramp, service roads, runways and taxiways) must be properly insured and registered with the ID Badging Office. While in these areas, registered vehicles must have a valid Vehicle Permit sticker affixed to the lower left (driver's side) of the windshield of the vehicle. All documentation should be submitted at least 15 business days before the expiration or new issue date of the Vehicle Permit with a valid Certificate of Insurance covering the vehicles identified, with a minimum amount of $5,000,000 of vehicle liability insurance.

BAC and its subsidiaries, which include Disclosing Party, had approximately 224,000 full time equivalent employees as of December 31, 2014. Accordingly, It is not possible for the Disclosing Party to perform due diligence across the full panoply of associates and the Disclosing Party related entities in preparing the Disclosing Party's response. Additionally, the Disclosing Party is routinely involved in litigation in various state and federal courts. The Disclosing Party makes all disclosures required by its regulators, including all required disclosures in its Annual Reports on Form 10-K and Quarterly Reports on Form 10-Q, which are updated In Reports on Form 8-K (the "Reports"), all of which are filed with the Securities and Exchange Commission. Those Reports include disclosures of investigations and other matters as required by federal law and are publicly available. The Disclosing Party cannot confirm or deny the existence of any other, non-public investigation conducted by any government investigator unless required to do so by law. Further, to the knowledge of the individual signing below and without independent inquiry, there are no Officers, Directors, or key employees of the Disclosing Party who are also employed by the City. However, employees of BAC and its affiliates are subject to a written Code of Ethics (which each employee, on an annual basis, is required to read and acknowledge in writing) that requires all employees to disclose any outside activities and relationships that may pose a conflict of interest with BAC and its activities. Attached to this Addendum is a copy of the Litigation and Regulatory Matters from a recent Report.

B. Further Clarifications

1. Disclosing Party is not the Applicant.

Neither BAC nor its Executive Officers and Director identified within this EDS is subject to any order, judgment or decree by any court or government authority in which it is barred, suspended or otherwise limited from engaging in any type of business practice.

SECTION V(B)(2) b, c and e:

In addition, BAC's registered broker-dealer and investment adviser subsidiaries make all required disclosures on their Form BDs and filed with FINRA and their Form ADVs as filed with the SEC. These filings include disclosures of investigations and litigation as required by the securities regulatory organizations and federal law, and are publicly available. BAC cannot confirm or deny the existence of

any other non-public investigation conducted by any governmental agency unless required to do so by law.

Please let us know if any additional information is needed.

SECTION V(B)(2)d

SECTION V(B)(3)a, b, c and d

Please note that our responses are on behalf of the Disclosing Party only and not on behalf of any contractors or retained parties disclosed in SECTION IV.

Litigation and Regulatory Matters

Document Follows This Page

Litigation and Regulatory Matters

In the ordinary course of business, the Corporation and its subsidiaries are routinely defendants in or parties to many pending and threatened legal actions and proceedings, including actions brought on behalf of various classes of claimants. These actions and proceedings are generally based on alleged violations of consumer protection, securities, environmental, banking, employment, contract and other laws. In some of these actions and proceedings, claims for substantial monetary damages are asserted against the Corporation and its subsidiaries.

In the ordinary course of business, the Corporation and its subsidiaries are also subject to regulatory and governmental examinations, information gathering requests, inquiries, investigations, and threatened legal actions and proceedings. For example, certain subsidiaries of the Corporation are registered broker-dealers or investment advisors and are subject to regulation by the SEC, the Financial Industry Regulatory Authority, the European Commission, the PRA, the FCA and other international, federal and state securities regulators. In connection with formal and informal inquiries, the Corporation and its subsidiaries receive numerous requests, subpoenas and orders for documents, testimony and information in connection with various aspects of the Corporation's regulated activities.

In view of the inherent difficulty of predicting the outcome of such litigation, regulatory and governmental matters, particularly where the claimants seek very large or indeterminate damages or where the matters present novel legal theories or involve a large number of parties, the Corporation generally cannot predict what the eventual outcome of the pending matters will be, what the timing of the ultimate resolution of these matters will be, or what the eventual loss, fines or penalties related to each pending matter may be.

In accordance with applicable accounting guidance, the Corporation establishes an accrued liability for litigation, regulatory and governmental matters when those matters present loss contingencies that are both probable and estimable. In such cases, there may be an exposure to loss in excess of any amounts accrued. As a litigation, regulatory or governmental matter develops, the Corporation, in conjunction with any outside counsel handling the matter, evaluates on an ongoing basis whether such matter presents a loss contingency that is probable and estimable. When a loss contingency is not both probable and estimable, the Corporation does not establish an accrued liability. If, at the time of evaluation, the loss contingency related to a litigation, regulatory or governmental matter is not both probable and estimable, the matter will continue to be monitored for further developments that would make such loss contingency both probable and estimable. Once the loss contingency related to a litigation, regulatory or governmental matter is deemed to be both probable and

estimable, the Corporation will establish an accrued liability with respect to such loss contingency and record a corresponding amount of litigation-related expense. The Corporation continues to monitor the matter for further developments that could affect the amount of the accrued liability that has been previously established. Excluding expenses of internal or external legal service providers, litigation-related expense of $16.4 billion was recognized for 2014 compared to $6.1 billion for 2013.

For a limited number of the matters disclosed in this Note for which a loss, whether in excess of a related accrued liability or where there is no accrued liability, is reasonably possible in future periods, the Corporation is able to estimate a range of possible loss. In determining whether it is possible to estimate a range of possible loss, the Corporation reviews and evaluates its material litigation, regulatory and governmental matters on an ongoing basis, in conjunction with any outside counsel handling the matter, in light of potentially relevant factual and legal developments. These may include information learned through the discovery process, rulings on dispositive motions, settlement discussions, and other rulings by courts, arbitrators or others. In cases in which the Corporation possesses sufficient appropriate information to estimate a range of possible loss, that estimate is aggregated and disclosed below. There may be other disclosed matters for which a loss is probable or reasonably possible but such an estimate of the range of possible loss may not be possible. For those matters where an estimate of the range of possible loss is possible, management currently estimates the aggregate range of possible loss is $0 to $2.7 billion in excess of the accrued liability (if any) related to those matters. This estimated range of possible loss is based upon currently available information and is subject to significant judgment and a variety of assumptions, and known and unknown uncertainties. The matters underlying the estimated range will change from time to time, and actual results may vary significantly from the current estimate. Those matters for which an estimate is not possible are not included within this estimated range. Therefore, this estimated range of possible loss represents what the Corporation believes to be an estimate of possible loss only for certain matters meeting these criteria. It does not represent the Corporation's maximum loss exposure.

Information is provided below regarding the nature of all of these contingencies and, where specified, the amount of the claim associated with these loss contingencies. Based on current knowledge, management does not believe that loss contingencies arising from pending matters, including the matters described herein, will have a material adverse effect on the consolidated financial position or liquidity of the Corporation. However, in light of the inherent uncertainties involved in these matters, some of which are beyond the Corporation's control, and the very large or indeterminate damages sought in some of these matters, an adverse outcome in one or more of these matters could be material to the Corporation's results of operations or cash flows for any particular reporting period.

Bond Insurance Litigation

Ambac Countrywide Litigation

The Corporation, Countrywide and other Countrywide entities are named as defendants in an action filed on September 29, 2010 and as amended on May 28, 2013, by Ambac Assurance Corporation and the Segregated Account of Ambac Assurance Corporation (together, Ambac), entitled *Ambac Assurance Corporation and The Segregated Account of Ambac Assurance Corporation v. Countrywide Home Loans, Inc., et al.* This action, currently pending in New York Supreme Court, New York County, relates to bond insurance policies provided by Ambac on certain securitized pools of second-lien (and in one pool, first-lien) HELOCs, first-lien subprime home equity loans and fixed-rate second-lien mortgage loans. Plaintiffs allege that they have paid claims as a result of defaults in the underlying loans and assert that the Countrywide defendants misrepresented the characteristics of the underlying loans and breached certain contractual representations and warranties regarding the underwriting and servicing of the loans. Plaintiffs also allege that the Corporation is liable based on successor liability theories. Damages claimed by Ambac are in excess of $2.2 billion and include the amount of payments for current and future claims it has paid or claims it will be obligated to pay under the policies, increasing over time as it pays claims under relevant policies, plus unspecified punitive damages.

On December 30, 2014, Ambac filed a second complaint in the same court against the same defendants, claiming fraudulent inducement against Countrywide and successor and vicarious liability against the Corporation relating t o eight partially Ambac-insured RMBS transactions that closed between 2005 and 2007, all backed by negative amortization pay option adjustable-rate mortgage (ARM) loans that were originated in whole or in part by Countrywide. Seven of the eight securitizations were issued and underwritten by non-parties to the litigation. Ambac claims damages in excess of $600 million consisting of all alleged past and future claims against its policies, plus other unspecified compensatory and punitive damages.

Also on December 30, 2014, Ambac filed a third action in Wisconsin Circuit Court, Dane County, against Countrywide Home Loans, Inc., claiming that it was fraudulently induced to insure portions of five securitizations issued and underwritten in 2005 by a non-party that included Countrywide originated first-lien negative amortization pay option ARM loans. The complaint claims damages in excess of $350 million for all alleged past and future Ambac insured claims payment obligations plus other unspecified compensatory and punitive damages.

Ambac First Franklin Litigation

On April 16, 2012, Ambac sued First Franklin Financial Corp., BANA, MLPF&S, Merrill Lynch Mortgage Lending, Inc. (MLML), and Merrill Lynch Mortgage Investors, Inc. in New York Supreme Court, New York County. Plaintiffs' claims relate to guaranty insurance Ambac provided on a First Franklin securitization (Franklin Mortgage Loan Trust, Series 2007-FFC). The securitization was sponsored by MLML, and certain certificates in the securitization were insured by Ambac. The complaint alleges that defendants breached representations and warranties concerning the origination of the underlying mortgage loans and asserts claims for fraudulent inducement, breach of contract and indemnification. Plaintiffs also assert breach of contract claims against BANA based upon its servicing of the loans in the securitization. The complaint alleges that Ambac has paid hundreds of millions of dollars in claims and has accrued and continues to accrue tens of millions of dollars in additional claims, and Ambac seeks as damages the total claims it has paid and its projected claims payment obligations, as well as specific performance of defendants' contractual repurchase obligations.

On July 19, 2013, the court denied defendants' motion to dismiss Ambac's contract and fraud causes of action but granted dismissal of Ambac's indemnification cause of action. In addition, the court denied defendants' motion to dismiss Ambac's claims for attorneys' fees and punitive damages.

European Commission – Credit Default Swaps Antitrust Investigation

On July 1, 2013, the European Commission (Commission) announced that it had addressed a Statement of Objections (SO) to the Corporation, BANA and Banc of America Securities LLC (together, the Bank of America Entities), a number of other financial institutions, Markit Group Limited, and the International Swaps and Derivatives Association (together, the Parties). The SO sets forth the Commission's preliminary conclusion that the Parties infringed European Union competition law by participating in alleged collusion to prevent exchange trading of CDS and futures. According to the SO, the conduct of the Bank of America Entities took place between August 2007 and April 2009. As part of the Commission's procedures, the Parties have reviewed the evidence in the investigative file, responded to the Commission's preliminary conclusions and attended a hearing before the Commission. If the Commission is satisfied that its preliminary conclusions are proved, the Commission has stated that it intends to impose a fine and require appropriate remedial measures.

Fontainebleau Las Vegas Litigation

On June 9, 2009, *Avenue CLO Fund Ltd., et al. v. Bank of America, N.A., Merrill Lynch Capital Corporation, et al.* was filed in the U.S. District Court for the District of Nevada by certain Fontainebleau Las Vegas, LLC (FBLV) project lenders. Plaintiffs alleged that, among other things, BANA breached its duties as disbursement agent under the agreement governing the disbursement of loaned funds to FBLV, then a Chapter 11 debtor-in-possession. Plaintiffs seek monetary damages of more than $700 million, plus interest. This action was subsequently transferred by the U.S. Judicial Panel on Multidistrict Litigation (JPML) to the U.S. District Court for the Southern District of Florida.

On March 19, 2012, the district court granted BANA's motion for summary judgment on all causes of action against it in its capacity as disbursement agent and denied plaintiffs' motion for summary judgment on those claims. On July 26, 2013, the U.S. Court of Appeals for the Eleventh Circuit affirmed in part and reversed in part the district court's dismissal of the disbursement agent claims against BANA, holding that there were factual disputes that could not be resolved on a summary judgment motion, and remanded the case to the district court for further proceedings.

Dismissal of the other claims was affirmed on a separate appeal. On December 13, 2013, the JPML remanded the action to the District of Nevada for trial.

The parties have settled the action for $300 million, an amount that was fully accrued as of December 31, 2014. Pursuant to the settlement, plaintiffs have stipulated to the voluntary dismissal of their remaining claims with prejudice.

In re Bank of America Securities, Derivative and Employee Retirement Income Security Act (ERISA) Litigation

Beginning in January 2009, the Corporation, as well as certain current and former officers and directors, among others, were named as defendants in a variety of actions filed in state and federal courts. The actions generally concern alleged material misrepresentations and/or omissions with respect to certain securities filings by the Corporation. The securities filings contained information with respect to events that took place from September 2008 through January 2009 contemporaneous with the Corporation's acquisition of Merrill Lynch & Co., Inc. (Merrill Lynch). Certain federal court actions were consolidated and/or coordinated in the U.S. District Court for the Southern District of New York (the District Court) under the caption *In re Bank of America Securities, Derivative and Employee Retirement Income Security Act (ERISA) Litigation*.

Plaintiffs in the consolidated securities class action (the Consolidated Securities Class Action) asserted claims under Sections 14(a), 10(b) and 20(a) of the Securities Exchange Act of 1934, and Sections 11, 12(a)(2) and 15 of the Securities Act of 1933 and asserted damages based on the drop in the stock price upon subsequent disclosures. On April 5, 2013, the District Court granted final approval of the settlement of the Consolidated Securities Class Action. On November 5, 2014, the U.S. Court of Appeals for the Second Circuit affirmed the final approval of the settlement of the Consolidated Securities Class Action. On February 3, 2015, the deadline for filing a petition for writ of certiorari with the U.S. Supreme Court elapsed without any objector filing a petition.

Certain shareholders opted to pursue their claims apart from the Consolidated Securities Class Action. Following settlements in an aggregate amount that was fully accrued as of December 31, 2013, the District Court dismissed the claims of these plaintiffs with prejudice.

In addition, on January 11, 2013, the District Court approved the settlement of claims filed by plaintiffs in a derivative action in the Consolidated Securities Class Action, which also resolved a consolidated derivative action filed in the Delaware Court of Chancery.

In addition, the District Court dismissed a complaint filed by plaintiffs in the ERISA actions in the Consolidated Securities Class Action on August 27, 2010, and the parties stipulated to the withdrawal of the appeal of that decision on January 14, 2013.

Interchange and Related Litigation

In 2005, a group of merchants filed a series of putative class actions and individual actions directed at interchange fees associated with Visa and MasterCard payment card transactions. These actions, which were consolidated in the U.S. District Court for the Eastern District of New York under the caption *In Re Payment Card Interchange Fee and Merchant Discount Anti-Trust Litigation* (Interchange), named Visa, MasterCard and several banks and bank holding companies (BHCs), including the Corporation, as defendants. Plaintiffs allege that defendants conspired to fix the level of default interchange rates and that certain rules of Visa and MasterCard related to merchant acceptance of payment cards at the point of sale were unreasonable restraints of trade Plaintiffs sought unspecified damages and injunctive relief.

On October 19, 2012, defendants settled the matter. The settlement provides for, among other things, (i) payments by defendants to the class and individual plaintiffs totaling approximately $6.6 billion, allocated proportionately to each defendant based upon various loss-sharing agreements; (ii) distribution to class merchants of an amount equal to 10 bps of default interchange across all Visa and MasterCard credit card transactions for a period of eight consecutive months, to begin by July 29, 2013, which otherwise would have been paid to issuers and which effectively reduces credit interchange for that period of time; and (iii) modifications to certain Visa and MasterCard rules regarding merchant point of sale practices.

The court granted final approval of the class settlement agreement on December 13, 2013. Several class members appealed to the U.S. Court of Appeals for the Second Circuit. In addition, a number of class members opted out of the settlement of their past damages claims. The cash portion of the settlement was adjusted downward as a result of these opt outs.

The Corporation is named in three of the opt-out suits, including one brought by cardholders, and, as a result of various sharing agreements from the main Interchange litigation, the Corporation remains liable for any settlement or judgment in opt-out suits where it is not named as a defendant. All but one of the opt-out suits filed to date have been consolidated in the U.S. District Court for the Eastern District of New York. On July 18, 2014, the court denied defendants' motion to dismiss opt-out complaints filed by merchants, and on November 26, 2014, the court granted defendants' motion to dismiss the Sherman Act claim in the cardholder complaint.

LIBOR, Other Reference Rate and Foreign Exchange (FX) Inquiries and Litigation

The Corporation has received subpoenas and information requests from government authorities in North America, Europe and the Asia Pacific region, including the DoJ, the U.S. Commodity Futures Trading Commission (CFTC) and the FCA, concerning submissions made by panel banks in connection with the setting of LIBOR and other reference rates. The Corporation is cooperating with these inquiries.

In addition, the Corporation and BANA have been named as defendants along with most of the other LIBOR panel banks in a series of individual and class actions in various U.S. federal and state courts relating to defendants' LIBOR contributions. All cases naming the Corporation have been or are in the process of being consolidated for pre-trial purposes in the U.S. District Court for the Southern District of New York by the JPML. The Corporation expects that any future cases naming it will similarly be consolidated for pre-trial purposes. Plaintiffs allege that they held or transacted in U.S. Dollar LIBOR-based derivatives or other financial instruments and sustained losses as a result of collusion or manipulation by defendants regarding the setting of U.S. Dollar LIBOR. Plaintiffs assert a variety of claims, including antitrust and Racketeer Influenced and Corrupt Organizations (RICO), common law fraud, and breach of contract claims, and seek compensatory, treble and punitive damages, and injunctive relief.

In a series of rulings, the court dismissed antitrust, RICO and certain state law claims, while permitting the Commodity Exchange Act and other state law claims to proceed. As a result of a procedural ruling by the Supreme Court, plaintiffs are pursuing an immediate appeal of the dismissal of their antitrust claims. Further, based on the statute of limitations, the court has substantially limited the time period for which manipulation claims under the Commodity Exchange Act may be pursued. As to the Corporation and BANA, the court has also dismissed manipulation claims based on alleged trader conduct, and certain common law claims by plaintiffs who alleged no direct dealings with the Corporation or BANA. Other claims against the Corporation and BANA remain pending, however, and the court is continuing to consider motions regarding them, including the applicability of its prior rulings to subsequently filed actions.

Certain regulatory and government authorities in North America, Europe and the Asia Pacific region are conducting investigations and making inquiries of a significant number of FX market participants, including the Corporation, regarding FX market participants' conduct and systems and controls over multiple years. The Corporation is cooperating with these investigations and inquiries, some of which are likely to lead to regulatory or legal proceedings and expose the Corporation to material penalties, fines or losses, and could adversely affect its reputation.

In particular, in November 2014, the Corporation resolved a matter with the Office of the Comptroller of the Currency (OCC) by agreeing to the imposition of mandatory remedial measures and payment of $250 million in civil penalties associated with the Corporation's FX business and its systems and controls.

The Corporation is in separate advanced discussions to resolve the regulatory matters of concern to another U.S. banking regulator involving the Corporation's FX business and its systems and controls. There can be no assurances that these discussions will lead to a resolution, or of the amount or timing of any such resolution.

In addition, in a consolidated amended complaint filed on March 31, 2014, the Corporation and BANA were named as defendants along with other FX market participants in a putative class action filed in the U.S. District Court for the Southern District of New York on behalf of plaintiffs and a putative class who allegedly transacted in FX and are domiciled in the U.S. or transacted in FX in the U.S. (the U.S. Action). On April 30, 2014, a substantively similar class action was filed against the Corporation and other FX market participants on behalf of a plaintiff and putative class allegedly located in Norway (the Foreign Action). The complaints allege that class members transacted with defendants at or around the time of the fixing of the WM/Reuters Closing Spot Rates or entered into transactions that settled in whole or in part based on the WM/Reuters Closing Spot Rates and that they sustained losses as a result of the defendants' alleged conspiracy to manipulate the WM/Reuters Closing Spot Rates. Plaintiffs in the U.S. Action assert a single claim for violations of Sections 1 and 3 of the Sherman Act, and plaintiff in the Foreign Action asserts claims for violations of the Sherman Act, as well as certain claims under New York statutory and common law. Plaintiffs seek compensatory and treble damages, and declaratory and injunctive relief.

On January 28, 2015, the court denied defendants' motion to dismiss the U.S. Action, finding that plaintiffs had sufficiently pleaded the elements of an antitrust claim. In the same decision, the court granted with prejudice defendants' motion to dismiss the Foreign Action, finding that the Sherman Act does not apply extraterritorially, except in limited circumstances not present in the case, and that plaintiff had failed to plead an actionable state law claim.

Montgomery

The Corporation, several current and former officers and directors, Banc of America Securities LLC (BAS), MLPF&S and other unaffiliated underwriters have been named as defendants in a putative class action filed in the U.S. District Court for the Southern District of New York entitled *Montgomery v. Bank of America, et al.* Plaintiff filed an amended complaint on January 14, 2011. Plaintiff seeks to sue on behalf of all persons who acquired certain series of preferred stock offered by the Corporation pursuant to a shelf registration statement dated May 5, 2006. Plaintiff's claims arise from three offerings dated January 24, 2008, January 28, 2008 and May 20, 2008, from which the Corporation allegedly received proceeds of $15.8 billion. The amended complaint asserts claims under Sections 11, 12(a)(2) and 15 of the Securities Act of 1933, and alleges that the prospectus supplements associated with the offerings: (i) failed to disclose that the Corporation's loans, leases, CDOs and commercial MBS were impaired to a greater extent than disclosed; (ii) misrepresented the extent of the impaired assets by failing to establish adequate reserves or properly record losses for its impaired assets; (iii) misrepresented the adequacy of the Corporation's internal controls in light of the alleged impairment of its assets; (iv) misrepresented the Corporation's capital base and Tier 1 leverage ratio for risk-based capital in light of the allegedly impaired assets; and (v) misrepresented the thoroughness and adequacy of the Corporation's due diligence in connection with its acquisition of Countrywide. The amended complaint seeks rescission, compensatory and other damages. On March 16, 2012, the court granted defendants' motion to dismiss the first amended complaint. On December 3, 2013, the court denied plaintiffs' motion to file a second amended complaint. On February 6, 2014, plaintiffs appealed the denial of their motion to amend to the U.S. Court of Appeals for the Second Circuit.

Mortgage-backed Securities Litigation

The Corporation and its affiliates, Countrywide entities and their affiliates, and Merrill Lynch entities and their affiliates have been named as defendants in a number of cases relating to their various roles as issuer, originator, seller, depositor, sponsor, underwriter and/or controlling entity in MBS offerings, pursuant to which the MBS investors were entitled to a portion of the cash flow from the underlying pools of mortgages. These cases generally include purported class action suits and actions by individual MBS purchasers. Although the allegations vary by lawsuit, these cases generally allege that the registration statements, prospectuses and prospectus supplements for securities issued by securitization trusts contained material misrepresentations and omissions, in violation of the Securities Act of 1933 and/or state securities laws and other state statutory and common laws.

These cases generally involve allegations of false and misleading statements regarding: (i) the process by which the properties that served as collateral for the mortgage loans underlying the MBS were appraised; (ii) the percentage of equity that mortgage borrowers had in their homes; (iii) the borrowers' ability to repay their mortgage loans; (iv) the underwriting practices by which those mortgage loans were originated; (v) the ratings given to the different tranches of MBS by rating agencies; and (vi) the validity of each issuing trust's title to the mortgage loans comprising the pool for that securitization (collectively, MBS Claims). Plaintiffs in these cases generally seek unspecified compensatory damages, unspecified costs and legal fees and, in some instances, seek rescission.

The Corporation, Countrywide, Merrill Lynch and/or their affiliates may have claims for and/or may be subject to claims for contractual indemnification in connection with their various roles in regard to MBS.

On August 15, 2011, the JPML ordered multiple federal court cases involving Countrywide MBS consolidated for pretrial purposes in the U.S. District Court for the Central District of California in a multi-district litigation entitled *In re Countrywide Financial Corp. Mortgage-Backed Securities Litigation* (the Countrywide RMBS MDL).

Federal Home Loan Bank Litigation

On March 15, 2010, the Federal Home Loan Bank of San Francisco (FHLB San Francisco) filed an action in California Superior Court, San Francisco County, entitled *Federal Home Loan Bank of San Francisco v. Credit Suisse Securities (USA) LLC, et al.* FHLB San Francisco's complaint asserts certain MBS Claims against BAS, Countrywide and several related entities in connection with its alleged purchase of 51 MBS offerings and one private placement issued and/or underwritten by those defendants between 2004 and 2007 and seeks rescission and unspecified damages. FHLB San Francisco dismissed the federal claims with prejudice on August 11, 2011. On September 8, 2011, the court denied defendants' motions to dismiss the state law claims. On December 20, 2013, FHLB San Francisco voluntarily dismissed its negligent misrepresentation claims with prejudice. On October 15, 2014, the court denied the parties' cross-motions for summary judgment with respect to two Countrywide trusts that were to be part of a bellwether trial.

The parties have settled the action and other related actions for $420 million, as well as with respect to certain claims, additional consideration; all amounts were fully accrued as of December 31, 2014. Pursuant to the settlement, FHLB San Francisco has voluntarily dismissed its remaining claims with prejudice.

Luther Class Action Litigation and Related Actions

Beginning in 2007, a number of pension funds and other investors filed putative class action lawsuits alleging certain MBS Claims against Countrywide, several of its affiliates, MLPF&S, the Corporation, NB Holdings Corporation and certain other defendants. Those class action lawsuits concerned a total of 429 MBS offerings involving over $350 billion in securities issued by subsidiaries of Countrywide between 2005 and 2007. The actions, entitled *Luther v. Countrywide Financial Corporation, et al., Maine State Retirement System v. Countrywide Financial Corporation, et al., Western Conference of Teamsters Pension Trust Fund v. Countrywide Financial Corporation, et al.*, and *Putnam Bank v. Countrywide Financial Corporation, et al.*, were all assigned to the Countrywide RMBS MDL court. On December 6, 2013, the court granted final approval to a settlement of these actions in the amount of $500 million. Beginning on January 14, 2014, a number of class members appealed to the U.S. Court of Appeals for the Ninth Circuit.

Prudential Insurance Litigation

On March 14, 2013, The Prudential Insurance Company of America and certain of its affiliates (collectively Prudential) filed a complaint in the U.S. District Court for the District of New Jersey, in a case entitled *Prudential Insurance Company of America, et al. v. Bank of America, N.A., et al.* Prudential has named the Corporation, Merrill

Lynch and a number of related entities as defendants. Prudential asserts certain MBS Claims pertaining to 54 MBS offerings from which Prudential alleges that it purchased securities between 2004 and 2007. Prudential seeks, among other relief, compensatory damages, rescission or a rescissory measure of damages, punitive damages and other unspecified relief. On April 17, 2014, the court granted in part and denied in part defendants' motion to dismiss the complaint. Prudential thereafter split its claims into two separate complaints, filing an amended complaint in the original action and a complaint in a separate action entitled *Prudential Portfolios 2, et al. v. Bank of America, N.A., et al.* Both cases are pending in the U.S. District Court for the District of New Jersey. On February 5, 2015, the court granted in part and denied in part defendants' motion to dismiss those complaints, granting plaintiff leave to replead in certain respects.

Mortgage Repurchase Litigation

U.S. Bank Litigation

On August 29, 2011, U.S. Bank, National Association (U.S. Bank), as trustee for the HarborView Mortgage Loan Trust 2005-10 (the Trust), a mortgage pool backed by loans originated by Countrywide Home Loans, Inc. (CHL), filed a complaint in New York Supreme Court, New York County, in a case entitled *U.S. Bank National Association, as Trustee for HarborView Mortgage Loan Trust, Series 2005-10 v. Countrywide Home Loans, Inc. (dba Bank of America Home Loans), Bank of America Corporation, Countrywide Financial Corporation, Bank of America, N.A. and NB Holdings Corporation.* U.S. Bank asserts that, as a result of alleged misrepresentations by CHL in connection with its sale of the loans, defendants must repurchase all the loans in the pool, or in the alternative that it must repurchase a subset of those loans as to which U.S. Bank alleges that defendants have refused specific repurchase demands. U.S. Bank asserts claims for breach of contract and seeks specific performance of defendants' alleged obligation to repurchase the entire pool of loans (alleged to have an original aggregate principal balance of $1.75 billion) or alternatively the aforementioned subset (alleged to have an aggregate principal balance of "over $100 million"), together with reimbursement of costs and expenses and other unspecified relief. On May 29, 2013, the New York Supreme Court dismissed U.S. Bank's claim for repurchase of all the mortgage loans in the Trust. The court granted U.S. Bank leave to amend this claim. On June 18, 2013, U.S. Bank filed its second amended complaint seeking to replead its claim for repurchase of all loans in the Trust. On February 13, 2014, the court granted defendants' motion to dismiss the repleaded claim seeking repurchase of all mortgage loans in the Trust; plaintiff has appealed that order.

On November 13, 2014, the court granted U.S. Bank's motion for leave to amend the complaint; defendants have appealed that order. The amended complaint alleges breach of contract based upon defendants' failure to repurchase loans that were the subject of specific repurchase demands and also alleges breach of contract based upon defendants' discovery, during origination and servicing, of loans with material breaches of representations and warranties.

U.S. Bank Summonses with Notice

On August 29, 2014, U.S. Bank, solely in its capacity as Trustee for seven securitization trusts (the Trusts), served seven summonses with notice commencing potential actions against First Franklin Financial Corporation, Merrill Lynch Mortgage Lending, Inc., Merrill Lynch Mortgage Investors, Inc., and Ownit Mortgage Solutions Inc. in New York Supreme Court, New York County. The summonses indicate that defendants may be subject to breach of contract claims alleging that they breached representations and warranties related to loans securitized in the Trusts. The summonses allege that defendants failed to repurchase breaching mortgage loans from the Trusts. The summonses seek specific performance of defendants' alleged obligation to repurchase breaching loans, declaratory judgment, compensatory, rescissory and other damages, and indemnity. On February 5, 2015, defendants demanded complaints on three of the Trusts. Defendants currently have until March 3, 2015 to demand the complaint with respect to one of the remaining Trusts, and until July 15, 2015 to demand complaints on the final three Trusts.

Ocala Investor Litigation

On November 25, 2009, BNP Paribas Mortgage Corporation (BNP) and Deutsche Bank AG each filed claims (the 2009 Actions) against BANA in the U.S. District Court for the Southern District of New York entitled *BNP Paribas Mortgage Corporation v. Bank of America, N.A* and *Deutsche Bank AG v. Bank of America, N.A.* Plaintiffs allege that BANA failed to properly perform its duties as indenture trustee, collateral agent, custodian and depositary for Ocala Funding, LLC (Ocala), a home mortgage warehousing facility, resulting in the loss of plaintiffs' investment in Ocala. Ocala was a wholly-owned subsidiary of Taylor, Bean & Whitaker Mortgage Corp. (TBW), a home mortgage originator and servicer which is alleged to have committed fraud that led to its eventual bankruptcy. Ocala provided funding for TBW's mortgage origination activities by issuing notes, the proceeds of which were to be used by TBW to originate home mortgages. Such mortgages and other Ocala assets in turn were pledged to BANA, as collateral agent, to secure the notes. Plaintiffs lost most or all of their investment in Ocala when, as the result of the alleged fraud committed by TBW, Ocala was unable to repay the notes purchased by plaintiffs and there was insufficient collateral to satisfy Ocala's debt obligations. Plaintiffs allege that BANA breached its contractual, fiduciary and other duties to Ocala, thereby permitting TBW's alleged fraud to go undetected. Plaintiffs seek compensatory damages and other relief from BANA, including interest and attorneys' fees, in an unspecified amount, but which plaintiffs allege exceeds $1.6 billion.

On March 23, 2011, the court granted in part and denied in part BANA's motions to dismiss the 2009 Actions. Plaintiffs filed amended complaints on October 1, 2012 that included additional contractual, tort and equitable claims. On June 6, 2013, the court granted BANA's motion to dismiss plaintiffs' claims for failure to sue, negligence, negligent misrepresentation and equitable relief.

On November 24, 2014, BANA moved for summary judgment and plaintiffs moved for partial summary judgment.

On February 19, 2015, BANA and BNP reached an agreement in principle to settle the 2009 actions for an amount not material to the Corporation's results of operations, subject to the execution of a final settlement agreement.

O'Donnell Litigation

On February 24, 2012, Edward O'Donnell filed a sealed *qui tam* complaint under the Financial Institutions Reform, Recovery and Enforcement Act of 1989 (FIRREA) and the False Claims Act against the Corporation, individually, and as successor to Countrywide,

CHL and a Countrywide business division known as Full Spectrum Lending. On October 24, 2012, the DoJ filed a complaint-in-intervention to join the matter, adding BANA, Countrywide and CHL as defendants. The action is entitled *United States of America, ex rel, Edward O'Donnell, appearing Qui Tam v. Bank of America Corp., et al.*, and was filed in the U.S. District Court for the Southern District of New York. The complaint-in-intervention asserted certain fraud claims in connection with the sale of loans to FNMA and FHLMC by Full Spectrum Lending and by the Corporation and BANA. On January 11, 2013, the government filed an amended complaint which added Countrywide Bank, FSB (CFSB) and a former officer of the Corporation as defendants. The court dismissed False Claims Act counts on May 8, 2013. On September 6, 2013, the government filed a second amended complaint alleging claims under FIRREA concerning allegedly fraudulent loan sales to the GSEs between August 2007 and May 2008. On September 24, 2013, the government dismissed the Corporation as a defendant.

Following a trial, on October 23, 2013, a verdict of liability was returned against CHL, CFSB and BANA. On July 30, 2014, the court imposed a civil penalty of $1.3 billion on BANA. On February 3, 2015, the court denied the Corporation's motions for judgment as a matter of law, or in the alternative, a new trial. The Corporation will appeal the verdict and judgment.

Pennsylvania Public School Employees' Retirement System

The Corporation and several current and former officers were named as defendants in a putative class action filed in the U.S. District Court for the Southern District of New York entitled *Pennsylvania Public School Employees' Retirement System v. Bank of America, et al.*

Following the filing of a complaint on February 2, 2011, plaintiff subsequently filed an amended complaint on September 23, 2011 in which plaintiff sought to sue on behalf of all persons who acquired the Corporation's common stock between February 27, 2009 and October 19, 2010 and "Common Equivalent Securities" sold in a December 2009 offering. The amended complaint asserted claims under Sections 10(b) and 20(a) of the Securities Exchange Act of 1934 and Sections 11 and 15 of the Securities Act of 1933, and alleged that the Corporation's public statements: (i) concealed problems in the Corporation's mortgage servicing business resulting from the widespread use of the Mortgage Electronic Recording System; (ii) failed to disclose the Corporation's exposure to mortgage repurchase claims; (iii) misrepresented the adequacy of internal controls; and (iv) violated certain Generally Accepted Accounting Principles. The amended complaint sought unspecified damages.

On July 11, 2012, the court granted in part and denied in part defendants' motions to dismiss the amended complaint. All claims under the Securities Act were dismissed against all defendants, with prejudice. The motion to dismiss the claim against the Corporation under Section 10(b) of the Exchange Act was denied. All claims under the Exchange Act against the officers were dismissed, with leave to replead. Defendants moved to dismiss a second amended complaint in which plaintiff sought to replead claims against certain current and former officers under Sections 10(b) and 20(a). On April 17, 2013, the court granted in part and denied in part the motion to dismiss, sustaining Sections 10(b) and 20(a) claims against the current and former officers.

Policemen's Annuity Litigation

On April 11, 2012, the Policemen's Annuity & Benefit Fund of the City of Chicago, on its own behalf and on behalf of a proposed class of purchasers of 41 RMBS trusts collateralized mostly by Washington Mutual-originated (WaMu) mortgages, filed a proposed class action complaint against BANA and other unrelated parties in the U.S. District Court for the Southern District of New York, entitled *Policemen's Annuity and Benefit Fund of the City of Chicago v. Bank of America, N.A. and U.S. Bank National Association*. BANA and U.S. Bank are named as defendants in their capacities as trustees, with BANA (formerly LaSalle Bank National Association) having served as the original trustee and U.S. Bank having replaced BANA as trustee. Plaintiff asserted claims under the federal Trust Indenture Act as well as state common law claims. Plaintiff alleged that, in light of the performance of the RMBS at issue, and in the wake of publicly-available information about the quality of loans originated by WaMu, the trustees were required to take certain steps to protect plaintiff's interest in the value of the securities, and that plaintiff was damaged by defendants' failures to notify it of deficiencies in the loans and of defaults under the relevant agreements, to ensure that the underlying mortgages could properly be foreclosed, and to enforce remedies available for loans that contained breaches of representations and warranties. Plaintiff sought unspecified compensatory damages and/or equitable relief, and costs and expenses. The court dismissed some of the common law claims, but allowed the Trust Indenture Act claim and a claim for breach of contract to proceed. After the filing of two amended complaints and the consolidation of the case with a related matter filed on August 23, 2013, entitled *Vermont Pension Investment Committee and the Washington State Investment Board v. Bank of America, N.A. and U.S. Bank National Association*, 10 named plaintiffs filed a third amended complaint on October 31, 2013, on behalf of two proposed classes of purchasers of 35 trusts collateralized mostly by WaMu-originated mortgages (later reduced to 34 trusts).

On June 5, 2014, the parties informed the court that they had reached an agreement in principle to settle the case for an amount not material to the Corporation's results of operations, subject to approval of plaintiffs' boards. The settlement remains subject to final court approval and various conditions. On November 10, 2014, the court preliminarily approved the proposed settlement, and scheduled a final approval hearing for March 12, 2015.

Takefuji Litigation

In April 2010, Takefuji Corporation (Takefuji) filed a claim against Merrill Lynch International and Merrill Lynch Japan Securities (MLJS) in Tokyo District Court. The claim concerns Takefuji's purchase in 2007 of credit-linked notes structured and sold by defendants that resulted in a loss to Takefuji of approximately JPY29.0 billion (approximately $270 million) following an event of default. Takefuji alleges that defendants failed to meet certain disclosure obligations concerning the notes.

On July 19, 2013, the Tokyo District Court issued a judgment in defendants' favor, a decision that Takefuji subsequently appealed to the Tokyo High Court. On August 27, 2014, the Tokyo High Court vacated the decision of the District Court and issued a judgment awarding Takefuji JPY14.5 billion (approximately $135 million) in damages, plus interest at a rate of five percent from March 18, 2008. On September 10, 2014, defendants filed an appeal with the Japanese Supreme Court.

Litigation and Regulatory Matters

Document Follows This Page

Litigation and Regulatory Matters

In the ordinary course of business, the Corporation and its subsidiaries are routinely defendants in or parties to many pending and threatened legal actions and proceedings, including actions brought on behalf of various classes of claimants. These actions and proceedings are generally based on alleged violations of consumer protection, securities, environmental, banking, employment, contract and other laws. In some of these actions and proceedings, claims for substantial monetary damages are asserted against the Corporation and its subsidiaries.

In the ordinary course of business, the Corporation and its subsidiaries are also subject to regulatory and governmental examinations, information gathering requests, inquiries, investigations, and threatened legal actions and proceedings. For example, certain subsidiaries of the Corporation are registered broker-dealers or investment advisors and are subject to regulation by the SEC, the Financial Industry Regulatory Authority, the European Commission, the PRA, the FCA and other international, federal and state securities regulators. In connection with formal and informal inquiries, the Corporation and its subsidiaries receive numerous requests, subpoenas and orders for documents, testimony and information in connection with various aspects of the Corporation's regulated activities.

In view of the inherent difficulty of predicting the outcome of such litigation, regulatory and governmental matters, particularly where the claimants seek very large or indeterminate damages or where the matters present novel legal theories or involve a large number of parties, the Corporation generally cannot predict what the eventual outcome of the pending matters will be, what the timing of the ultimate resolution of these matters will be, or what the eventual loss, fines or penalties related to each pending matter may be.

In accordance with applicable accounting guidance, the Corporation establishes an accrued liability for litigation, regulatory and governmental matters when those matters present loss contingencies that are both probable and estimable. In such cases, there may be an exposure to loss in excess of any amounts accrued. As a litigation, regulatory or governmental matter develops, the Corporation, in conjunction with any outside counsel handling the matter, evaluates on an ongoing basis whether such matter presents a loss contingency that is probable and estimable. When a loss contingency is not both probable and estimable, the Corporation does not establish an accrued liability. If, at the time of evaluation, the loss contingency related to a litigation, regulatory or governmental matter is not both probable and estimable, the matter will continue to be monitored for further developments that would make such loss contingency both probable and estimable. Once the loss contingency related to a litigation, regulatory or governmental matter is deemed to be both probable and

estimable, the Corporation will establish an accrued liability with respect to such loss contingency and record a corresponding amount of litigation-related expense. The Corporation continues to monitor the matter for further developments that could affect the amount of the accrued liability that has been previously established. Excluding expenses of internal or external legal service providers, litigation-related expense of $16.4 billion was recognized for 2014 compared to $6.1 billion for 2013.

For a limited number of the matters disclosed in this Note for which a loss, whether in excess of a related accrued liability or where there is no accrued liability, is reasonably possible in future periods, the Corporation is able to estimate a range of possible loss. In determining whether it is possible to estimate a range of possible loss, the Corporation reviews and evaluates its material litigation, regulatory and governmental matters on an ongoing basis, in conjunction with any outside counsel handling the matter, in light of potentially relevant factual and legal developments. These may include information learned through the discovery process, rulings on dispositive motions, settlement discussions, and other rulings by courts, arbitrators or others. In cases in which the Corporation possesses sufficient appropriate information to estimate a range of possible loss, that estimate is aggregated and disclosed below. There may be other disclosed matters for which a loss is probable or reasonably possible but such an estimate of the range of possible loss may not be possible. For those matters where an estimate of the range of possible loss is possible, management currently estimates the aggregate range of possible loss is $0 to $2.7 billion in excess of the accrued liability (if any) related to those matters. This estimated range of possible loss is based upon currently available information and is subject to significant judgment and a variety of assumptions, and known and unknown uncertainties. The matters underlying the estimated range will change from time to time, and actual results may vary significantly from the current estimate. Those matters for which an estimate is not possible are not included within this estimated range. Therefore, this estimated range of possible loss represents what the Corporation believes to be an estimate of possible loss only for certain matters meeting these criteria. It does not represent the Corporation's maximum loss exposure.

Information is provided below regarding the nature of all of these contingencies and, where specified, the amount of the claim associated with these loss contingencies. Based on current knowledge, management does not believe that loss contingencies arising from pending matters, including the matters described herein, will have a material adverse effect on the consolidated financial position or liquidity of the Corporation. However, in light of the inherent uncertainties involved in these matters, some of which are beyond the Corporation's control, and the very large or indeterminate damages sought in some of these matters, an adverse outcome in one or more of these matters could be material to the Corporation's results of operations or cash flows for any particular reporting period.

Bond Insurance Litigation

Ambac Countrywide Litigation

The Corporation, Countrywide and other Countrywide entities are named as defendants in an action filed on September 29, 2010 and as amended on May 28, 2013, by Ambac Assurance Corporation and the Segregated Account of Ambac Assurance Corporation (together, Ambac), entitled *Ambac Assurance Corporation and The Segregated Account of Ambac Assurance Corporation v. Countrywide Home Loans, Inc., et al.* This action, currently pending in New York Supreme Court, New York County, relates to bond insurance policies provided by Ambac on certain securitized pools of second-lien (and in one pool, first-lien) HELOCs, first-lien subprime home equity loans and fixed-rate second-lien mortgage loans. Plaintiffs allege that they have paid claims as a result of defaults in the underlying loans and assert that the Countrywide defendants misrepresented the characteristics of the underlying loans and breached certain contractual representations and warranties regarding the underwriting and servicing of the loans. Plaintiffs also allege that the Corporation is liable based on successor liability theories. Damages claimed by Ambac are in excess of $2.2 billion and include the amount of payments for current and future claims it has paid or claims it will be obligated to pay under the policies, increasing over time as it pays claims under relevant policies, plus unspecified punitive damages.

On December 30, 2014, Ambac filed a second complaint in the same court against the same defendants, claiming fraudulent inducement against Countrywide and successor and vicarious liability against the Corporation relating t o eight partially Ambac-insured RMBS transactions that closed between 2005 and 2007, all backed by negative amortization pay option adjustable-rate mortgage (ARM) loans that were originated in whole or in part by Countrywide. Seven of the eight securitizations were issued and underwritten by non-parties to the litigation. Ambac claims damages in excess of $600 million consisting of all alleged past and future claims against its policies, plus other unspecified compensatory and punitive damages.

Also on December 30, 2014, Ambac filed a third action in Wisconsin Circuit Court, Dane County, against Countrywide Home Loans, Inc., claiming that it was fraudulently induced to insure portions of five securitizations issued and underwritten in 2005 by a non-party that included Countrywide originated first-lien negative amortization pay option ARM loans. The complaint claims damages in excess of $350 million for all alleged past and future Ambac insured claims payment obligations plus other unspecified compensatory and punitive damages.

Ambac First Franklin Litigation

On April 16, 2012, Ambac sued First Franklin Financial Corp., BANA, MLPF&S, Merrill Lynch Mortgage Lending, Inc. (MLML), and Merrill Lynch Mortgage Investors, Inc. in New York Supreme Court, New York County. Plaintiffs' claims relate to guaranty insurance Ambac provided on a First Franklin securitization (Franklin Mortgage Loan Trust, Series 2007-FFC). The securitization was sponsored by MLML, and certain certificates in the securitization were insured by Ambac. The complaint alleges that defendants breached representations and warranties concerning the origination of the underlying mortgage loans and asserts claims for fraudulent inducement, breach of contract and indemnification. Plaintiffs also assert breach of contract claims against BANA based upon its servicing of the loans in the securitization. The complaint alleges that Ambac has paid hundreds of millions of dollars in claims and has accrued and continues to accrue tens of millions of dollars in additional claims, and Ambac seeks as damages the total claims it has paid and its projected claims payment obligations, as well as specific performance of defendants' contractual repurchase obligations.

On July 19, 2013, the court denied defendants' motion to dismiss Ambac's contract and fraud causes of action but granted dismissal of Ambac's indemnification cause of action. In addition, the court denied defendants' motion to dismiss Ambac's claims for attorneys' fees and punitive damages.

European Commission – Credit Default Swaps Antitrust Investigation

On July 1, 2013, the European Commission (Commission) announced that it had addressed a Statement of Objections (SO) to the Corporation, BANA and Banc of America Securities LLC (together, the Bank of America Entities), a number of other financial institutions, Markit Group Limited, and the International Swaps and Derivatives Association (together, the Parties). The SO sets forth the Commission's preliminary conclusion that the Parties infringed European Union competition law by participating in alleged collusion to prevent exchange trading of CDS and futures. According to the SO, the conduct of the Bank of America Entities took place between August 2007 and April 2009. As part of the Commission's procedures, the Parties have reviewed the evidence in the investigative file, responded to the Commission's preliminary conclusions and attended a hearing before the Commission. If the Commission is satisfied that its preliminary conclusions are proved, the Commission has stated that it intends to impose a fine and require appropriate remedial measures.

Fontainebleau Las Vegas Litigation

On June 9, 2009, *Avenue CLO Fund Ltd., et al. v. Bank of America, N.A., Merrill Lynch Capital Corporation, et al.* was filed in the U.S. District Court for the District of Nevada by certain Fontainebleau Las Vegas, LLC (FBLV) project lenders. Plaintiffs alleged that, among other things, BANA breached its duties as disbursement agent under the agreement governing the disbursement of loaned funds to FBLV, then a Chapter 11 debtor-in-possession. Plaintiffs seek monetary damages of more than $700 million, plus interest. This action was subsequently transferred by the U.S. Judicial Panel on Multidistrict Litigation (JPML) to the U.S. District Court for the Southern District of Florida.

On March 19, 2012, the district court granted BANA's motion for summary judgment on all causes of action against it in its capacity as disbursement agent and denied plaintiffs' motion for summary judgment on those claims. On July 26, 2013, the U.S. Court of Appeals for the Eleventh Circuit affirmed in part and reversed in part the district court's dismissal of the disbursement agent claims against BANA, holding that there were factual disputes that could not be resolved on a summary judgment motion, and remanded the case to the district court for further proceedings.

Dismissal of the other claims was affirmed on a separate appeal. On December 13, 2013, the JPML remanded the action to the District of Nevada for trial.

The parties have settled the action for $300 million, an amount that was fully accrued as of December 31, 2014. Pursuant to the settlement, plaintiffs have stipulated to the voluntary dismissal of their remaining claims with prejudice.

In re Bank of America Securities, Derivative and Employee Retirement Income Security Act (ERISA) Litigation

Beginning in January 2009, the Corporation, as well as certain current and former officers and directors, among others, were named as defendants in a variety of actions filed in state and federal courts. The actions generally concern alleged material misrepresentations and/or omissions with respect to certain securities filings by the Corporation. The securities filings contained information with respect to events that took place from September 2008 through January 2009 contemporaneous with the Corporation's acquisition of Merrill Lynch & Co., Inc. (Merrill Lynch). Certain federal court actions were consolidated and/or coordinated in the U.S. District Court for the Southern District of New York (the District Court) under the caption *In re Bank of America Securities, Derivative and Employee Retirement Income Security Act (ERISA) Litigation*.

Plaintiffs in the consolidated securities class action (the Consolidated Securities Class Action) asserted claims under Sections 14(a), 10(b) and 20(a) of the Securities Exchange Act of 1934, and Sections 11, 12(a)(2) and 15 of the Securities Act of 1933 and asserted damages based on the drop in the stock price upon subsequent disclosures. On April 5, 2013, the District Court granted final approval of the settlement of the Consolidated Securities Class Action. On November 5, 2014, the U.S. Court of Appeals for the Second Circuit affirmed the final approval of the settlement of the Consolidated Securities Class Action. On February 3, 2015, the deadline for filing a petition for writ of certiorari with the U.S. Supreme Court elapsed without any objector filing a petition.

Certain shareholders opted to pursue their claims apart from the Consolidated Securities Class Action. Following settlements in an aggregate amount that was fully accrued as of December 31, 2013, the District Court dismissed the claims of these plaintiffs with prejudice.

In addition, on January 11, 2013, the District Court approved the settlement of claims filed by plaintiffs in a derivative action in the Consolidated Securities Class Action, which also resolved a consolidated derivative action filed in the Delaware Court of Chancery.

In addition, the District Court dismissed a complaint filed by plaintiffs in the ERISA actions in the Consolidated Securities Class Action on August 27, 2010, and the parties stipulated to the withdrawal of the appeal of that decision on January 14, 2013.

Interchange and Related Litigation

In 2005, a group of merchants filed a series of putative class actions and individual actions directed at interchange fees associated with Visa and MasterCard payment card transactions. These actions, which were consolidated in the U.S. District Court for the Eastern District of New York under the caption *In Re Payment Card Interchange Fee and Merchant Discount Anti-Trust Litigation* (Interchange), named Visa, MasterCard and several banks and bank holding companies (BHCs), including the Corporation, as defendants. Plaintiffs allege that defendants conspired to fix the level of default interchange rates and that certain rules of Visa and MasterCard related to merchant acceptance of payment cards at the point of sale were unreasonable restraints of trade. Plaintiffs sought unspecified damages and injunctive relief.

On October 19, 2012, defendants settled the matter. The settlement provides for, among other things, (i) payments by defendants to the class and individual plaintiffs totaling approximately $6.6 billion, allocated proportionately to each defendant based upon various loss-sharing agreements; (ii) distribution to class merchants of an amount equal to 10 bps of default interchange across all Visa and MasterCard credit card transactions for a period of eight consecutive months, to begin by July 29, 2013, which otherwise would have been paid to issuers and which effectively reduces credit interchange for that period of time; and (iii) modifications to certain Visa and MasterCard rules regarding merchant point of sale practices.

The court granted final approval of the class settlement agreement on December 13, 2013. Several class members appealed to the U.S. Court of Appeals for the Second Circuit. In addition, a number of class members opted out of the settlement of their past damages claims. The cash portion of the settlement was adjusted downward as a result of these opt outs.

The Corporation is named in three of the opt-out suits, including one brought by cardholders, and, as a result of various sharing agreements from the main Interchange litigation, the Corporation remains liable for any settlement or judgment in opt-out suits where it is not named as a defendant. All but one of the opt-out suits filed to date have been consolidated in the U.S. District Court for the Eastern District of New York. On July 18, 2014, the court denied defendants' motion to dismiss opt-out complaints filed by merchants, and on November 26, 2014, the court granted defendants' motion to dismiss the Sherman Act claim in the cardholder complaint.

LIBOR, Other Reference Rate and Foreign Exchange (FX) Inquiries and Litigation

The Corporation has received subpoenas and information requests from government authorities in North America, Europe and the Asia Pacific region, including the DoJ, the U.S. Commodity Futures Trading Commission (CFTC) and the FCA, concerning submissions made by panel banks in connection with the setting of LIBOR and other reference rates. The Corporation is cooperating with these inquiries.

In addition, the Corporation and BANA have been named as defendants along with most of the other LIBOR panel banks in a series of individual and class actions in various U.S. federal and state courts relating to defendants' LIBOR contributions. All cases naming the Corporation have been or are in the process of being consolidated for pre-trial purposes in the U.S. District Court for the Southern District of New York by the JPML. The Corporation expects that any future cases naming it will similarly be consolidated for pre-trial purposes. Plaintiffs allege that they held or transacted in U.S. Dollar LIBOR-based derivatives or other financial instruments and sustained losses as a result of collusion or manipulation by defendants regarding the setting of U.S. Dollar LIBOR. Plaintiffs assert a variety of claims, including antitrust and Racketeer Influenced and Corrupt Organizations (RICO), common law fraud, and breach of contract claims, and seek compensatory, treble and punitive damages, and injunctive relief.

In a series of rulings, the court dismissed antitrust, RICO and certain state law claims, while permitting the Commodity Exchange Act and other state law claims to proceed. As a result of a procedural ruling by the Supreme Court, plaintiffs are pursuing an immediate appeal of the dismissal of their antitrust claims. Further, based on the statute of limitations, the court has substantially limited the time period for which manipulation claims under the Commodity Exchange Act may be pursued. As to the Corporation and BANA, the court has also dismissed manipulation claims based on alleged trader conduct, and certain common law claims by plaintiffs who alleged no direct dealings with the Corporation or BANA. Other claims against the Corporation and BANA remain pending, however, and the court is continuing to consider motions regarding them, including the applicability of its prior rulings to subsequently filed actions.

Certain regulatory and government authorities in North America, Europe and the Asia Pacific region are conducting investigations and making inquiries of a significant number of FX market participants, including the Corporation, regarding FX market participants' conduct and systems and controls over multiple years. The Corporation is cooperating with these investigations and inquiries, some of which are likely to lead to regulatory or legal proceedings and expose the Corporation to material penalties, fines or losses, and could adversely affect its reputation.

In particular, in November 2014, the Corporation resolved a matter with the Office of the Comptroller of the Currency (OCC) by agreeing to the imposition of mandatory remedial measures and payment of $250 million in civil penalties associated with the Corporation's FX business and its systems and controls.

The Corporation is in separate advanced discussions to resolve the regulatory matters of concern to another U.S. banking regulator involving the Corporation's FX business and its systems and controls. There can be no assurances that these discussions will lead to a resolution, or of the amount or timing of any such resolution.

In addition, in a consolidated amended complaint filed on March 31, 2014, the Corporation and BANA were named as defendants along with other FX market participants in a putative class action filed in the U.S. District Court for the Southern District of New York on behalf of plaintiffs and a putative class who allegedly transacted in FX and are domiciled in the U.S. or transacted in FX in the U.S. (the U.S. Action). On April 30, 2014, a substantively similar class action was filed against the Corporation and other FX market participants on behalf of a plaintiff and putative class allegedly located in Norway (the Foreign Action). The complaints allege that class members transacted with defendants at or around the time of the fixing of the WM/Reuters Closing Spot Rates or entered into transactions that settled in whole or in part based on the WM/Reuters Closing Spot Rates and that they sustained losses as a result of the defendants' alleged conspiracy to manipulate the WM/Reuters Closing Spot Rates. Plaintiffs in the U.S. Action assert a single claim for violations of Sections 1 and 3 of the Sherman Act, and plaintiff in the Foreign Action asserts claims for violations of the Sherman Act, as well as certain claims under New York statutory and common law. Plaintiffs seek compensatory and treble damages, and declaratory and injunctive relief.

On January 28, 2015, the court denied defendants' motion to dismiss the U.S. Action, finding that plaintiffs had sufficiently pleaded the elements of an antitrust claim. In the same decision, the court granted with prejudice defendants' motion to dismiss the Foreign Action, finding that the Sherman Act does not apply extraterritorially, except in limited circumstances not present in the case, and that plaintiff had failed to plead an actionable state law claim.

Montgomery

The Corporation, several current and former officers and directors, Banc of America Securities LLC (BAS), MLPF&S and other unaffiliated underwriters have been named as defendants in a putative class action filed in the U.S. District Court for the Southern District of New York entitled *Montgomery v. Bank of America, et al.* Plaintiff filed an amended complaint on January 14, 2011. Plaintiff seeks to sue on behalf of all persons who acquired certain series of preferred stock offered by the Corporation pursuant to a shelf registration statement dated May 5, 2006. Plaintiff's claims arise from three offerings dated January 24, 2008, January 28, 2008 and May 20, 2008, from which the Corporation allegedly received proceeds of $15.8 billion. The amended complaint asserts claims under Sections 11, 12(a)(2) and 15 of the Securities Act of 1933, and alleges that the prospectus supplements associated with the offerings: (i) failed to disclose that the Corporation's loans, leases, CDOs and commercial MBS were impaired to a greater extent than disclosed; (ii) misrepresented the extent of the impaired assets by failing to establish adequate reserves or properly record losses for its impaired assets; (iii) misrepresented the adequacy of the Corporation's internal controls in light of the alleged impairment of its assets; (iv) misrepresented the Corporation's capital base and Tier 1 leverage ratio for risk-based capital in light of the allegedly impaired assets; and (v) misrepresented the thoroughness and adequacy of the Corporation's due diligence in connection with its acquisition of Countrywide. The amended complaint seeks rescission, compensatory and other damages. On March 16, 2012, the court granted defendants' motion to dismiss the first amended complaint. On December 3, 2013, the court denied plaintiffs' motion to file a second amended complaint. On February 6, 2014, plaintiffs appealed the denial of their motion to amend to the U.S. Court of Appeals for the Second Circuit.

Mortgage-backed Securities Litigation

The Corporation and its affiliates, Countrywide entities and their affiliates, and Merrill Lynch entities and their affiliates have been named as defendants in a number of cases relating to their various roles as issuer, originator, seller, depositor, sponsor, underwriter and/or controlling entity in MBS offerings, pursuant to which the MBS investors were entitled to a portion of the cash flow from the underlying pools of mortgages. These cases generally include purported class action suits and actions by individual MBS purchasers. Although the allegations vary by lawsuit, these cases generally allege that the registration statements, prospectuses and prospectus supplements for securities issued by securitization trusts contained material misrepresentations and omissions, in violation of the Securities Act of 1933 and/or state securities laws and other state statutory and common laws.

These cases generally involve allegations of false and misleading statements regarding: (i) the process by which the properties that served as collateral for the mortgage loans underlying the MBS were appraised; (ii) the percentage of equity that mortgage borrowers had in their homes; (iii) the borrowers' ability to repay their mortgage loans; (iv) the underwriting practices by which those mortgage loans were originated; (v) the ratings given to the different tranches of MBS by rating agencies; and (vi) the validity of each issuing trust's title to the mortgage loans comprising the pool for that securitization (collectively, MBS Claims). Plaintiffs in these cases generally seek unspecified compensatory damages, unspecified costs and legal fees and, in some instances, seek rescission.

The Corporation, Countrywide, Merrill Lynch and/or their affiliates may have claims for and/or may be subject to claims for contractual indemnification in connection with their various roles in regard to MBS.

On August 15, 2011, the JPML ordered multiple federal court cases involving Countrywide MBS consolidated for pretrial purposes in the U.S. District Court for the Central District of California in a multi-district litigation entitled *In re Countrywide Financial Corp. Mortgage-Backed Securities Litigation* (the Countrywide RMBS MDL).

Federal Home Loan Bank Litigation

On March 15, 2010, the Federal Home Loan Bank of San Francisco (FHLB San Francisco) filed an action in California Superior Court, San Francisco County, entitled *Federal Home Loan Bank of San Francisco v. Credit Suisse Securities (USA) LLC, et al.* FHLB San Francisco's complaint asserts certain MBS Claims against BAS, Countrywide and several related entities in connection with its alleged purchase of 51 MBS offerings and one private placement issued and/or underwritten by those defendants between 2004 and 2007 and seeks rescission and unspecified damages. FHLB San Francisco dismissed the federal claims with prejudice on August 11, 2011. On September 8, 2011, the court denied defendants' motions to dismiss the state law claims. On December 20, 2013, FHLB San Francisco voluntarily dismissed its negligent misrepresentation claims with prejudice. On October 15, 2014, the court denied the parties' cross-motions for summary judgment with respect to two Countrywide trusts that were to be part of a bellwether trial.

The parties have settled the action and other related actions for $420 million, as well as with respect to certain claims, additional consideration; all amounts were fully accrued as of December 31, 2014. Pursuant to the settlement, FHLB San Francisco has voluntarily dismissed its remaining claims with prejudice.

Luther Class Action Litigation and Related Actions

Beginning in 2007, a number of pension funds and other investors filed putative class action lawsuits alleging certain MBS Claims against Countrywide, several of its affiliates, MLPF&S, the Corporation, NB Holdings Corporation and certain other defendants. Those class action lawsuits concerned a total of 429 MBS offerings involving over $350 billion in securities issued by subsidiaries of Countrywide between 2005 and 2007. The actions, entitled *Luther v. Countrywide Financial Corporation, et al., Maine State Retirement System v. Countrywide Financial Corporation, et al., Western Conference of Teamsters Pension Trust Fund v. Countrywide Financial Corporation, et al.*, and *Putnam Bank v. Countrywide Financial Corporation, et al.*, were all assigned to the Countrywide RMBS MDL court. On December 6, 2013, the court granted final approval to a settlement of these actions in the amount of $500 million. Beginning on January 14, 2014, a number of class members appealed to the U.S. Court of Appeals for the Ninth Circuit.

Prudential Insurance Litigation

On March 14, 2013, The Prudential Insurance Company of America and certain of its affiliates (collectively Prudential) filed a complaint in the U.S. District Court for the District of New Jersey, in a case entitled *Prudential Insurance Company of America, et al. v. Bank of America, N.A., et al.* Prudential has named the Corporation, Merrill

Lynch and a number of related entities as defendants. Prudential asserts certain MBS Claims pertaining to 54 MBS offerings from which Prudential alleges that it purchased securities between 2004 and 2007. Prudential seeks, among other relief, compensatory damages, rescission or a rescissory measure of damages, punitive damages and other unspecified relief. On April 17, 2014, the court granted in part and denied in part defendants' motion to dismiss the complaint. Prudential thereafter split its claims into two separate complaints, filing an amended complaint in the original action and a complaint in a separate action entitled *Prudential Portfolios 2, et al. v. Bank of America, N.A., et al.* Both cases are pending in the U.S. District Court for the District of New Jersey. On February 5, 2015, the court granted in part and denied in part defendants' motion to dismiss those complaints, granting plaintiff leave to replead in certain respects.

Mortgage Repurchase Litigation

U.S. Bank Litigation

On August 29, 2011, U.S. Bank, National Association (U.S. Bank), as trustee for the HarborView Mortgage Loan Trust 2005-10 (the Trust), a mortgage pool backed by loans originated by Countrywide Home Loans, Inc. (CHL), filed a complaint in New York Supreme Court, New York County, in a case entitled *U.S. Bank National Association, as Trustee for HarborView Mortgage Loan Trust, Series 2005-10 v. Countrywide Home Loans, Inc. (dba Bank of America Home Loans), Bank of America Corporation, Countrywide Financial Corporation, Bank of America, N.A. and NB Holdings Corporation.* U.S. Bank asserts that, as a result of alleged misrepresentations by CHL in connection with its sale of the loans, defendants must repurchase all the loans in the pool, or in the alternative that it must repurchase a subset of those loans as to which U.S. Bank alleges that defendants have refused specific repurchase demands. U.S. Bank asserts claims for breach of contract and seeks specific performance of defendants' alleged obligation to repurchase the entire pool of loans (alleged to have an original aggregate principal balance of $1.75 billion) or alternatively the aforementioned subset (alleged to have an aggregate principal balance of "over $100 million"), together with reimbursement of costs and expenses and other unspecified relief. On May 29, 2013, the New York Supreme Court dismissed U.S. Bank's claim for repurchase of all the mortgage loans in the Trust. The court granted U.S. Bank leave to amend this claim. On June 18, 2013, U.S. Bank filed its second amended complaint seeking to replead its claim for repurchase of all loans in the Trust. On February 13, 2014, the court granted defendants' motion to dismiss the repleaded claim seeking repurchase of all mortgage loans in the Trust; plaintiff has appealed that order.

On November 13, 2014, the court granted U.S. Bank's motion for leave to amend the complaint; defendants have appealed that order. The amended complaint alleges breach of contract based upon defendants' failure to repurchase loans that were the subject of specific repurchase demands and also alleges breach of contract based upon defendants' discovery, during origination and servicing, of loans with material breaches of representations and warranties.

U.S. Bank Summonses with Notice

On August 29, 2014, U.S. Bank, solely in its capacity as Trustee for seven securitization trusts (the Trusts), served seven summonses with notice commencing potential actions against First Franklin Financial Corporation, Merrill Lynch Mortgage Lending, Inc., Merrill Lynch Mortgage Investors, Inc., and Ownit Mortgage Solutions Inc. in New York Supreme Court, New York County. The summonses indicate that defendants may be subject to breach of contract claims alleging that they breached representations and warranties related to loans securitized in the Trusts. The summonses allege that defendants failed to repurchase breaching mortgage loans from the Trusts. The summonses seek specific performance of defendants' alleged obligation to repurchase breaching loans, declaratory judgment, compensatory, rescissory and other damages, and indemnity. On February 5, 2015, defendants demanded complaints on three of the Trusts. Defendants currently have until March 3, 2015 to demand the complaint with respect to one of the remaining Trusts, and until July 15, 2015 to demand complaints on the final three Trusts.

Ocala Investor Litigation

On November 25, 2009, BNP Paribas Mortgage Corporation (BNP) and Deutsche Bank AG each filed claims (the 2009 Actions) against BANA in the U.S. District Court for the Southern District of New York entitled *BNP Paribas Mortgage Corporation v. Bank of America, N.A* and *Deutsche Bank AG v. Bank of America, N.A.* Plaintiffs allege that BANA failed to properly perform its duties as indenture trustee, collateral agent, custodian and depositary for Ocala Funding, LLC (Ocala), a home mortgage warehousing facility, resulting in the loss of plaintiffs' investment in Ocala. Ocala was a wholly-owned subsidiary of Taylor, Bean & Whitaker Mortgage Corp. (TBW), a home mortgage originator and servicer which is alleged to have committed fraud that led to its eventual bankruptcy. Ocala provided funding for TBW's mortgage origination activities by issuing notes, the proceeds of which were to be used by TBW to originate home mortgages. Such mortgages and other Ocala assets in turn were pledged to BANA, as collateral agent, to secure the notes. Plaintiffs lost most or all of their investment in Ocala when, as the result of the alleged fraud committed by TBW, Ocala was unable to repay the notes purchased by plaintiffs and there was insufficient collateral to satisfy Ocala's debt obligations. Plaintiffs allege that BANA breached its contractual, fiduciary and other duties to Ocala, thereby permitting TBW's alleged fraud to go undetected. Plaintiffs seek compensatory damages and other relief from BANA, including interest and attorneys' fees, in an unspecified amount, but which plaintiffs allege exceeds $1.6 billion.

On March 23, 2011, the court granted in part and denied in part BANA's motions to dismiss the 2009 Actions. Plaintiffs filed amended complaints on October 1, 2012 that included additional contractual, tort and equitable claims. On June 6, 2013, the court granted BANA's motion to dismiss plaintiffs' claims for failure to sue, negligence, negligent misrepresentation and equitable relief.

On November 24, 2014, BANA moved for summary judgment and plaintiffs moved for partial summary judgment.

On February 19, 2015, BANA and BNP reached an agreement in principle to settle the 2009 actions for an amount not material to the Corporation's results of operations, subject to the execution of a final settlement agreement.

O'Donnell Litigation

On February 24, 2012, Edward O'Donnell filed a sealed *qui tam* complaint under the Financial Institutions Reform, Recovery and Enforcement Act of 1989 (FIRREA) and the False Claims Act against the Corporation, individually, and as successor to Countrywide,

CHL and a Countrywide business division known as Full Spectrum Lending. On October 24, 2012, the DoJ filed a complaint-in-intervention to join the matter, adding BANA, Countrywide and CHL as defendants. The action is entitled *United States of America, ex rel, Edward O'Donnell, appearing Qui Tam v. Bank of America Corp., et al.*, and was filed in the U.S. District Court for the Southern District of New York. The complaint-in-intervention asserted certain fraud claims in connection with the sale of loans to FNMA and FHLMC by Full Spectrum Lending and by the Corporation and BANA. On January 11, 2013, the government filed an amended complaint which added Countrywide Bank, FSB (CFSB) and a former officer of the Corporation as defendants. The court dismissed False Claims Act counts on May 8, 2013. On September 6, 2013, the government filed a second amended complaint alleging claims under FIRREA concerning allegedly fraudulent loan sales to the GSEs between August 2007 and May 2008. On September 24, 2013, the government dismissed the Corporation as a defendant.

Following a trial, on October 23, 2013, a verdict of liability was returned against CHL, CFSB and BANA. On July 30, 2014, the court imposed a civil penalty of $1.3 billion on BANA. On February 3, 2015, the court denied the Corporation's motions for judgment as a matter of law, or in the alternative, a new trial. The Corporation will appeal the verdict and judgment.

Pennsylvania Public School Employees' Retirement System

The Corporation and several current and former officers were named as defendants in a putative class action filed in the U.S. District Court for the Southern District of New York entitled *Pennsylvania Public School Employees' Retirement System v. Bank of America, et al.*

Following the filing of a complaint on February 2, 2011, plaintiff subsequently filed an amended complaint on September 23, 2011 in which plaintiff sought to sue on behalf of all persons who acquired the Corporation's common stock between February 27, 2009 and October 19, 2010 and "Common Equivalent Securities" sold in a December 2009 offering. The amended complaint asserted claims under Sections 10(b) and 20(a) of the Securities Exchange Act of 1934 and Sections 11 and 15 of the Securities Act of 1933, and alleged that the Corporation's public statements: (i) concealed problems in the Corporation's mortgage servicing business resulting from the widespread use of the Mortgage Electronic Recording System; (ii) failed to disclose the Corporation's exposure to mortgage repurchase claims; (iii) misrepresented the adequacy of internal controls; and (iv) violated certain Generally Accepted Accounting Principles. The amended complaint sought unspecified damages.

On July 11, 2012, the court granted in part and denied in part defendants' motions to dismiss the amended complaint. All claims under the Securities Act were dismissed against all defendants, with prejudice. The motion to dismiss the claim against the Corporation under Section 10(b) of the Exchange Act was denied. All claims under the Exchange Act against the officers were dismissed, with leave to replead. Defendants moved to dismiss a second amended complaint in which plaintiff sought to replead claims against certain current and former officers under Sections 10(b) and 20(a). On April 17, 2013, the court granted in part and denied in part the motion to dismiss, sustaining Sections 10(b) and 20(a) claims against the current and former officers.

Policemen's Annuity Litigation

On April 11, 2012, the Policemen's Annuity & Benefit Fund of the City of Chicago, on its own behalf and on behalf of a proposed class of purchasers of 41 RMBS trusts collateralized mostly by Washington Mutual-originated (WaMu) mortgages, filed a proposed class action complaint against BANA and other unrelated parties in the U.S. District Court for the Southern District of New York, entitled *Policemen's Annuity and Benefit Fund of the City of Chicago v. Bank of America, N.A. and U.S. Bank National Association*. BANA and U.S. Bank are named as defendants in their capacities as trustees, with BANA (formerly LaSalle Bank National Association) having served as the original trustee and U.S. Bank having replaced BANA as trustee. Plaintiff asserted claims under the federal Trust Indenture Act as well as state common law claims. Plaintiff alleged that, in light of the performance of the RMBS at issue, and in the wake of publicly-available information about the quality of loans originated by WaMu, the trustees were required to take certain steps to protect plaintiff's interest in the value of the securities, and that plaintiff was damaged by defendants' failures to notify it of deficiencies in the loans and of defaults under the relevant agreements, to ensure that the underlying mortgages could properly be foreclosed, and to enforce remedies available for loans that contained breaches of representations and warranties. Plaintiff sought unspecified compensatory damages and/or equitable relief, and costs and expenses. The court dismissed some of the common law claims, but allowed the Trust Indenture Act claim and a claim for breach of contract to proceed. After the filing of two amended complaints and the consolidation of the case with a related matter filed on August 23, 2013, entitled *Vermont Pension Investment Committee and the Washington State Investment Board v. Bank of America, N.A. and U.S. Bank National Association*, 10 named plaintiffs filed a third amended complaint on October 31, 2013, on behalf of two proposed classes of purchasers of 35 trusts collateralized mostly by WaMu-originated mortgages (later reduced to 34 trusts).

On June 5, 2014, the parties informed the court that they had reached an agreement in principle to settle the case for an amount not material to the Corporation's results of operations, subject to approval of plaintiffs' boards. The settlement remains subject to final court approval and various conditions. On November 10, 2014, the court preliminarily approved the proposed settlement, and scheduled a final approval hearing for March 12, 2015.

Takefuji Litigation

In April 2010, Takefuji Corporation (Takefuji) filed a claim against Merrill Lynch International and Merrill Lynch Japan Securities (MLJS) in Tokyo District Court. The claim concerns Takefuji's purchase in 2007 of credit-linked notes structured and sold by defendants that resulted in a loss to Takefuji of approximately JPY29.0 billion (approximately $270 million) following an event of default. Takefuji alleges that defendants failed to meet certain disclosure obligations concerning the notes.

On July 19, 2013, the Tokyo District Court issued a judgment in defendants' favor, a decision that Takefuji subsequently appealed to the Tokyo High Court. On August 27, 2014, the Tokyo High Court vacated the decision of the District Court and issued a judgment awarding Takefuji JPY14.5 billion (approximately $135 million) in damages, plus interest at a rate of five percent from March 18, 2008. On September 10, 2014, defendants filed an appeal with the Japanese Supreme Court.

We understand that becoming a predatory lender or becoming an affiliate of a predatory lender may result in the loss of the privilege of doing business with the City." The Disclosing Party makes the above pledge.

If the Disclosing Party is unable to make this pledge because it or any of its affiliates (as defined in Section 2-32-455(b) of the Municipal Code) is a predatory lender within the meaning of Chapter 2-32 of the Municipal Code, explain here (attach additional pages if necessary):

Litigation and Regulatory Matters

Document Follows This Page

Litigation and Regulatory Matters

In the ordinary course of business, the Corporation and its subsidiaries are routinely defendants in or parties to many pending and threatened legal actions and proceedings, including actions brought on behalf of various classes of claimants. These actions and proceedings are generally based on alleged violations of consumer protection, securities, environmental, banking, employment, contract and other laws. In some of these actions and proceedings, claims for substantial monetary damages are asserted against the Corporation and its subsidiaries.

In the ordinary course of business, the Corporation and its subsidiaries are also subject to regulatory and governmental examinations, information gathering requests, inquiries, investigations, and threatened legal actions and proceedings. For example, certain subsidiaries of the Corporation are registered broker-dealers or investment advisors and are subject to regulation by the SEC, the Financial Industry Regulatory Authority, the European Commission, the PRA, the FCA and other international, federal and state securities regulators. In connection with formal and informal inquiries, the Corporation and its subsidiaries receive numerous requests, subpoenas and orders for documents, testimony and information in connection with various aspects of the Corporation's regulated activities.

In view of the inherent difficulty of predicting the outcome of such litigation, regulatory and governmental matters, particularly where the claimants seek very large or indeterminate damages or where the matters present novel legal theories or involve a large number of parties, the Corporation generally cannot predict what the eventual outcome of the pending matters will be, what the timing of the ultimate resolution of these matters will be, or what the eventual loss, fines or penalties related to each pending matter may be.

In accordance with applicable accounting guidance, the Corporation establishes an accrued liability for litigation, regulatory and governmental matters when those matters present loss contingencies that are both probable and estimable. In such cases, there may be an exposure to loss in excess of any amounts accrued. As a litigation, regulatory or governmental matter develops, the Corporation, in conjunction with any outside counsel handling the matter, evaluates on an ongoing basis whether such matter presents a loss contingency that is probable and estimable. When a loss contingency is not both probable and estimable, the Corporation does not establish an accrued liability. If, at the time of evaluation, the loss contingency related to a litigation, regulatory or governmental matter is not both probable and estimable, the matter will continue to be monitored for further developments that would make such loss contingency both probable and estimable. Once the loss contingency related to a litigation, regulatory or governmental matter is deemed to be both probable and

estimable, the Corporation will establish an accrued liability with respect to such loss contingency and record a corresponding amount of litigation-related expense. The Corporation continues to monitor the matter for further developments that could affect the amount of the accrued liability that has been previously established. Excluding expenses of internal or external legal service providers, litigation-related expense of $16.4 billion was recognized for 2014 compared to $6.1 billion for 2013.

For a limited number of the matters disclosed in this Note for which a loss, whether in excess of a related accrued liability or where there is no accrued liability, is reasonably possible in future periods, the Corporation is able to estimate a range of possible loss. In determining whether it is possible to estimate a range of possible loss, the Corporation reviews and evaluates its material litigation, regulatory and governmental matters on an ongoing basis, in conjunction with any outside counsel handling the matter, in light of potentially relevant factual and legal developments. These may include information learned through the discovery process, rulings on dispositive motions, settlement discussions, and other rulings by courts, arbitrators or others. In cases in which the Corporation possesses sufficient appropriate information to estimate a range of possible loss, that estimate is aggregated and disclosed below. There may be other disclosed matters for which a loss is probable or reasonably possible but such an estimate of the range of possible loss may not be possible. For those matters where an estimate of the range of possible loss is possible, management currently estimates the aggregate range of possible loss is $0 to $2.7 billion in excess of the accrued liability (if any) related to those matters. This estimated range of possible loss is based upon currently available information and is subject to significant judgment and a variety of assumptions, and known and unknown uncertainties. The matters underlying the estimated range will change from time to time, and actual results may vary significantly from the current estimate. Those matters for which an estimate is not possible are not included within this estimated range. Therefore, this estimated range of possible loss represents what the Corporation believes to be an estimate of possible loss only for certain matters meeting these criteria. It does not represent the Corporation's maximum loss exposure.

Information is provided below regarding the nature of all of these contingencies and, where specified, the amount of the claim associated with these loss contingencies. Based on current knowledge, management does not believe that loss contingencies arising from pending matters, including the matters described herein, will have a material adverse effect on the consolidated financial position or liquidity of the Corporation. However, in light of the inherent uncertainties involved in these matters, some of which are beyond the Corporation's control, and the very large or indeterminate damages sought in some of these matters, an adverse outcome in one or more of these matters could be material to the Corporation's results of operations or cash flows for any particular reporting period.

Bond Insurance Litigation

Ambac Countrywide Litigation

The Corporation, Countrywide and other Countrywide entities are named as defendants in an action filed on September 29, 2010 and as amended on May 28, 2013, by Ambac Assurance Corporation and the Segregated Account of Ambac Assurance Corporation (together, Ambac), entitled *Ambac Assurance Corporation and The Segregated Account of Ambac Assurance Corporation v. Countrywide Home Loans, Inc., et al.* This action, currently pending in New York Supreme Court, New York County, relates to bond insurance policies provided by Ambac on certain securitized pools of second-lien (and in one pool, first-lien) HELOCs, first-lien subprime home equity loans and fixed-rate second-lien mortgage loans. Plaintiffs allege that they have paid claims as a result of defaults in the underlying loans and assert that the Countrywide defendants misrepresented the characteristics of the underlying loans and breached certain contractual representations and warranties regarding the underwriting and servicing of the loans. Plaintiffs also allege that the Corporation is liable based on successor liability theories. Damages claimed by Ambac are in excess of $2.2 billion and include the amount of payments for current and future claims it has paid or claims it will be obligated to pay under the policies, increasing over time as it pays claims under relevant policies, plus unspecified punitive damages.

On December 30, 2014, Ambac filed a second complaint in the same court against the same defendants, claiming fraudulent inducement against Countrywide and successor and vicarious liability against the Corporation relating t o eight partially Ambac-insured RMBS transactions that closed between 2005 and 2007, all backed by negative amortization pay option adjustable-rate mortgage (ARM) loans that were originated in whole or in part by Countrywide. Seven of the eight securitizations were issued and underwritten by non-parties to the litigation. Ambac claims damages in excess of $600 million consisting of all alleged past and future claims against its policies, plus other unspecified compensatory and punitive damages.

Also on December 30, 2014, Ambac filed a third action in Wisconsin Circuit Court, Dane County, against Countrywide Home Loans, Inc., claiming that it was fraudulently induced to insure portions of five securitizations issued and underwritten in 2005 by a non-party that included Countrywide originated first-lien negative amortization pay option ARM loans. The complaint claims damages in excess of $350 million for all alleged past and future Ambac insured claims payment obligations plus other unspecified compensatory and punitive damages.

Ambac First Franklin Litigation

On April 16, 2012, Ambac sued First Franklin Financial Corp., BANA, MLPF&S, Merrill Lynch Mortgage Lending, Inc. (MLML), and Merrill Lynch Mortgage Investors, Inc. in New York Supreme Court, New York County. Plaintiffs' claims relate to guaranty insurance Ambac provided on a First Franklin securitization (Franklin Mortgage Loan Trust, Series 2007-FFC). The securitization was sponsored by MLML, and certain certificates in the securitization were insured by Ambac. The complaint alleges that defendants breached representations and warranties concerning the origination of the underlying mortgage loans and asserts claims for fraudulent inducement, breach of contract and indemnification. Plaintiffs also assert breach of contract claims against BANA based upon its servicing of the loans in the securitization. The complaint alleges that Ambac has paid hundreds of millions of dollars in claims and has accrued and continues to accrue tens of millions of dollars in additional claims, and Ambac seeks as damages the total claims it has paid and its projected claims payment obligations, as well as specific performance of defendants' contractual repurchase obligations.

On July 19, 2013, the court denied defendants' motion to dismiss Ambac's contract and fraud causes of action but granted dismissal of Ambac's indemnification cause of action. In addition, the court denied defendants' motion to dismiss Ambac's claims for attorneys' fees and punitive damages.

European Commission – Credit Default Swaps Antitrust Investigation

On July 1, 2013, the European Commission (Commission) announced that it had addressed a Statement of Objections (SO) to the Corporation, BANA and Banc of America Securities LLC (together, the Bank of America Entities), a number of other financial institutions, Markit Group Limited, and the International Swaps and Derivatives Association (together, the Parties). The SO sets forth the Commission's preliminary conclusion that the Parties infringed European Union competition law by participating in alleged collusion to prevent exchange trading of CDS and futures. According to the SO, the conduct of the Bank of America Entities took place between August 2007 and April 2009. As part of the Commission's procedures, the Parties have reviewed the evidence in the investigative file, responded to the Commission's preliminary conclusions and attended a hearing before the Commission. If the Commission is satisfied that its preliminary conclusions are proved, the Commission has stated that it intends to impose a fine and require appropriate remedial measures.

Fontainebleau Las Vegas Litigation

On June 9, 2009, *Avenue CLO Fund Ltd., et al. v. Bank of America, N.A., Merrill Lynch Capital Corporation, et al.* was filed in the U.S. District Court for the District of Nevada by certain Fontainebleau Las Vegas, LLC (FBLV) project lenders. Plaintiffs alleged that, among other things, BANA breached its duties as disbursement agent under the agreement governing the disbursement of loaned funds to FBLV, then a Chapter 11 debtor-in-possession. Plaintiffs seek monetary damages of more than $700 million, plus interest. This action was subsequently transferred by the U.S. Judicial Panel on Multidistrict Litigation (JPML) to the U.S. District Court for the Southern District of Florida.

On March 19, 2012, the district court granted BANA's motion for summary judgment on all causes of action against it in its capacity as disbursement agent and denied plaintiffs' motion for summary judgment on those claims. On July 26, 2013, the U.S. Court of Appeals for the Eleventh Circuit affirmed in part and reversed in part the district court's dismissal of the disbursement agent claims against BANA, holding that there were factual disputes that could not be resolved on a summary judgment motion, and remanded the case to the district court for further proceedings.

Dismissal of the other claims was affirmed on a separate appeal. On December 13, 2013, the JPML remanded the action to the District of Nevada for trial.

The parties have settled the action for $300 million, an amount that was fully accrued as of December 31, 2014. Pursuant to the settlement, plaintiffs have stipulated to the voluntary dismissal of their remaining claims with prejudice.

In re Bank of America Securities, Derivative and Employee Retirement Income Security Act (ERISA) Litigation

Beginning in January 2009, the Corporation, as well as certain current and former officers and directors, among others, were named as defendants in a variety of actions filed in state and federal courts. The actions generally concern alleged material misrepresentations and/or omissions with respect to certain securities filings by the Corporation. The securities filings contained information with respect to events that took place from September 2008 through January 2009 contemporaneous with the Corporation's acquisition of Merrill Lynch & Co., Inc. (Merrill Lynch). Certain federal court actions were consolidated and/or coordinated in the U.S. District Court for the Southern District of New York (the District Court) under the caption *In re Bank of America Securities, Derivative and Employee Retirement Income Security Act (ERISA) Litigation*.

Plaintiffs in the consolidated securities class action (the Consolidated Securities Class Action) asserted claims under Sections 14(a), 10(b) and 20(a) of the Securities Exchange Act of 1934, and Sections 11, 12(a)(2) and 15 of the Securities Act of 1933 and asserted damages based on the drop in the stock price upon subsequent disclosures. On April 5, 2013, the District Court granted final approval of the settlement of the Consolidated Securities Class Action. On November 5, 2014, the U.S. Court of Appeals for the Second Circuit affirmed the final approval of the settlement of the Consolidated Securities Class Action. On February 3, 2015, the deadline for filing a petition for writ of certiorari with the U.S. Supreme Court elapsed without any objector filing a petition.

Certain shareholders opted to pursue their claims apart from the Consolidated Securities Class Action. Following settlements in an aggregate amount that was fully accrued as of December 31, 2013, the District Court dismissed the claims of these plaintiffs with prejudice.

In addition, on January 11, 2013, the District Court approved the settlement of claims filed by plaintiffs in a derivative action in the Consolidated Securities Class Action, which also resolved a consolidated derivative action filed in the Delaware Court of Chancery.

In addition, the District Court dismissed a complaint filed by plaintiffs in the ERISA actions in the Consolidated Securities Class Action on August 27, 2010, and the parties stipulated to the withdrawal of the appeal of that decision on January 14, 2013.

Interchange and Related Litigation

In 2005, a group of merchants filed a series of putative class actions and individual actions directed at interchange fees associated with Visa and MasterCard payment card transactions. These actions, which were consolidated in the U.S. District Court for the Eastern District of New York under the caption *In Re Payment Card Interchange Fee and Merchant Discount Anti-Trust Litigation* (Interchange), named Visa, MasterCard and several banks and bank holding companies (BHCs), including the Corporation, as defendants. Plaintiffs allege that defendants conspired to fix the level of default interchange rates and that certain rules of Visa and MasterCard related to merchant acceptance of payment cards at the point of sale were unreasonable restraints of trade. Plaintiffs sought unspecified damages and injunctive relief.

On October 19, 2012, defendants settled the matter. The settlement provides for, among other things, (i) payments by defendants to the class and individual plaintiffs totaling approximately $6.6 billion, allocated proportionately to each defendant based upon various loss-sharing agreements; (ii) distribution to class merchants of an amount equal to 10 bps of default interchange across all Visa and MasterCard credit card transactions for a period of eight consecutive months, to begin by July 29, 2013, which otherwise would have been paid to issuers and which effectively reduces credit interchange for that period of time; and (iii) modifications to certain Visa and MasterCard rules regarding merchant point of sale practices.

The court granted final approval of the class settlement agreement on December 13, 2013. Several class members appealed to the U.S. Court of Appeals for the Second Circuit. In addition, a number of class members opted out of the settlement of their past damages claims. The cash portion of the settlement was adjusted downward as a result of these opt outs.

The Corporation is named in three of the opt-out suits, including one brought by cardholders, and, as a result of various sharing agreements from the main Interchange litigation, the Corporation remains liable for any settlement or judgment in opt-out suits where it is not named as a defendant. All but one of the opt-out suits filed to date have been consolidated in the U.S. District Court for the Eastern District of New York. On July 18, 2014, the court denied defendants' motion to dismiss opt-out complaints filed by merchants, and on November 26, 2014, the court granted defendants' motion to dismiss the Sherman Act claim in the cardholder complaint.

LIBOR, Other Reference Rate and Foreign Exchange (FX) Inquiries and Litigation

The Corporation has received subpoenas and information requests from government authorities in North America, Europe and the Asia Pacific region, including the DoJ, the U.S. Commodity Futures Trading Commission (CFTC) and the FCA, concerning submissions made by panel banks in connection with the setting of LIBOR and other reference rates. The Corporation is cooperating with these inquiries.

In addition, the Corporation and BANA have been named as defendants along with most of the other LIBOR panel banks in a series of individual and class actions in various U.S. federal and state courts relating to defendants' LIBOR contributions. All cases naming the Corporation have been or are in the process of being consolidated for pre-trial purposes in the U.S. District Court for the Southern District of New York by the JPML. The Corporation expects that any future cases naming it will similarly be consolidated for pre-trial purposes. Plaintiffs allege that they held or transacted in U.S. Dollar LIBOR-based derivatives or other financial instruments and sustained losses as a result of collusion or manipulation by defendants regarding the setting of U.S. Dollar LIBOR. Plaintiffs assert a variety of claims, including antitrust and Racketeer Influenced and Corrupt Organizations (RICO), common law fraud, and breach of contract claims, and seek compensatory, treble and punitive damages, and injunctive relief.

In a series of rulings, the court dismissed antitrust, RICO and certain state law claims, while permitting the Commodity Exchange Act and other state law claims to proceed. As a result of a procedural ruling by the Supreme Court, plaintiffs are pursuing an immediate appeal of the dismissal of their antitrust claims. Further, based on the statute of limitations, the court has substantially limited the time period for which manipulation claims under the Commodity Exchange Act may be pursued. As to the Corporation and BANA, the court has also dismissed manipulation claims based on alleged trader conduct, and certain common law claims by plaintiffs who alleged no direct dealings with the Corporation or BANA. Other claims against the Corporation and BANA remain pending, however, and the court is continuing to consider motions regarding them, including the applicability of its prior rulings to subsequently filed actions.

Certain regulatory and government authorities in North America, Europe and the Asia Pacific region are conducting investigations and making inquiries of a significant number of FX market participants, including the Corporation, regarding FX market participants' conduct and systems and controls over multiple years. The Corporation is cooperating with these investigations and inquiries, some of which are likely to lead to regulatory or legal proceedings and expose the Corporation to material penalties, fines or losses, and could adversely affect its reputation.

In particular, in November 2014, the Corporation resolved a matter with the Office of the Comptroller of the Currency (OCC) by agreeing to the imposition of mandatory remedial measures and payment of $250 million in civil penalties associated with the Corporation's FX business and its systems and controls.

The Corporation is in separate advanced discussions to resolve the regulatory matters of concern to another U.S. banking regulator involving the Corporation's FX business and its systems and controls. There can be no assurances that these discussions will lead to a resolution, or of the amount or timing of any such resolution.

In addition, in a consolidated amended complaint filed on March 31, 2014, the Corporation and BANA were named as defendants along with other FX market participants in a putative class action filed in the U.S. District Court for the Southern District of New York on behalf of plaintiffs and a putative class who allegedly transacted in FX and are domiciled in the U.S. or transacted in FX in the U.S. (the U.S. Action). On April 30, 2014, a substantively similar class action was filed against the Corporation and other FX market participants on behalf of a plaintiff and putative class allegedly located in Norway (the Foreign Action). The complaints allege that class members transacted with defendants at or around the time of the fixing of the WM/Reuters Closing Spot Rates or entered into transactions that settled in whole or in part based on the WM/Reuters Closing Spot Rates and that they sustained losses as a result of the defendants' alleged conspiracy to manipulate the WM/Reuters Closing Spot Rates. Plaintiffs in the U.S. Action assert a single claim for violations of Sections 1 and 3 of the Sherman Act, and plaintiff in the Foreign Action asserts claims for violations of the Sherman Act, as well as certain claims under New York statutory and common law. Plaintiffs seek compensatory and treble damages, and declaratory and injunctive relief.

On January 28, 2015, the court denied defendants' motion to dismiss the U.S. Action, finding that plaintiffs had sufficiently pleaded the elements of an antitrust claim. In the same decision, the court granted with prejudice defendants' motion to dismiss the Foreign Action, finding that the Sherman Act does not apply extraterritorially, except in limited circumstances not present in the case, and that plaintiff had failed to plead an actionable state law claim.

Montgomery

The Corporation, several current and former officers and directors, Banc of America Securities LLC (BAS), MLPF&S and other unaffiliated underwriters have been named as defendants in a putative class action filed in the U.S. District Court for the Southern District of New York entitled *Montgomery v. Bank of America, et al.* Plaintiff filed an amended complaint on January 14, 2011. Plaintiff seeks to sue on behalf of all persons who acquired certain series of preferred stock offered by the Corporation pursuant to a shelf registration statement dated May 5, 2006. Plaintiff's claims arise from three offerings dated January 24, 2008, January 28, 2008 and May 20, 2008, from which the Corporation allegedly received proceeds of $15.8 billion. The amended complaint asserts claims under Sections 11, 12(a)(2) and 15 of the Securities Act of 1933, and alleges that the prospectus supplements associated with the offerings: (i) failed to disclose that the Corporation's loans, leases, CDOs and commercial MBS were impaired to a greater extent than disclosed; (ii) misrepresented the extent of the impaired assets by failing to establish adequate reserves or properly record losses for its impaired assets; (iii) misrepresented the adequacy of the Corporation's internal controls in light of the alleged impairment of its assets; (iv) misrepresented the Corporation's capital base and Tier 1 leverage ratio for risk-based capital in light of the allegedly impaired assets; and (v) misrepresented the thoroughness and adequacy of the Corporation's due diligence in connection with its acquisition of Countrywide. The amended complaint seeks rescission, compensatory and other damages. On March 16, 2012, the court granted defendants' motion to dismiss the first amended complaint. On December 3, 2013, the court denied plaintiffs' motion to file a second amended complaint. On February 6, 2014, plaintiffs appealed the denial of their motion to amend to the U.S. Court of Appeals for the Second Circuit.

Mortgage-backed Securities Litigation

The Corporation and its affiliates, Countrywide entities and their affiliates, and Merrill Lynch entities and their affiliates have been named as defendants in a number of cases relating to their various roles as issuer, originator, seller, depositor, sponsor, underwriter and/or controlling entity in MBS offerings, pursuant to which the MBS investors were entitled to a portion of the cash flow from the underlying pools of mortgages. These cases generally include purported class action suits and actions by individual MBS purchasers. Although the allegations vary by lawsuit, these cases generally allege that the registration statements, prospectuses and prospectus supplements for securities issued by securitization trusts contained material misrepresentations and omissions, in violation of the Securities Act of 1933 and/or state securities laws and other state statutory and common laws.

These cases generally involve allegations of false and misleading statements regarding: (i) the process by which the properties that served as collateral for the mortgage loans underlying the MBS were appraised; (ii) the percentage of equity that mortgage borrowers had in their homes; (iii) the borrowers' ability to repay their mortgage loans; (iv) the underwriting practices by which those mortgage loans were originated; (v) the ratings given to the different tranches of MBS by rating agencies; and (vi) the validity of each issuing trust's title to the mortgage loans comprising the pool for that securitization (collectively, MBS Claims). Plaintiffs in these cases generally seek unspecified compensatory damages, unspecified costs and legal fees and, in some instances, seek rescission.

The Corporation, Countrywide, Merrill Lynch and/or their affiliates may have claims for and/or may be subject to claims for contractual indemnification in connection with their various roles in regard to MBS.

On August 15, 2011, the JPML ordered multiple federal court cases involving Countrywide MBS consolidated for pretrial purposes in the U.S. District Court for the Central District of California in a multi-district litigation entitled *In re Countrywide Financial Corp. Mortgage-Backed Securities Litigation* (the Countrywide RMBS MDL).

Federal Home Loan Bank Litigation

On March 15, 2010, the Federal Home Loan Bank of San Francisco (FHLB San Francisco) filed an action in California Superior Court, San Francisco County, entitled *Federal Home Loan Bank of San Francisco v. Credit Suisse Securities (USA) LLC, et al.* FHLB San Francisco's complaint asserts certain MBS Claims against BAS, Countrywide and several related entities in connection with its alleged purchase of 51 MBS offerings and one private placement issued and/or underwritten by those defendants between 2004 and 2007 and seeks rescission and unspecified damages. FHLB San Francisco dismissed the federal claims with prejudice on August 11, 2011. On September 8, 2011, the court denied defendants' motions to dismiss the state law claims. On December 20, 2013, FHLB San Francisco voluntarily dismissed its negligent misrepresentation claims with prejudice. On October 15, 2014, the court denied the parties' cross-motions for summary judgment with respect to two Countrywide trusts that were to be part of a bellwether trial.

The parties have settled the action and other related actions for $420 million, as well as with respect to certain claims, additional consideration; all amounts were fully accrued as of December 31, 2014. Pursuant to the settlement, FHLB San Francisco has voluntarily dismissed its remaining claims with prejudice.

Luther Class Action Litigation and Related Actions

Beginning in 2007, a number of pension funds and other investors filed putative class action lawsuits alleging certain MBS Claims against Countrywide, several of its affiliates, MLPF&S, the Corporation, NB Holdings Corporation and certain other defendants. Those class action lawsuits concerned a total of 429 MBS offerings involving over $350 billion in securities issued by subsidiaries of Countrywide between 2005 and 2007. The actions, entitled *Luther v. Countrywide Financial Corporation, et al., Maine State Retirement System v. Countrywide Financial Corporation, et al., Western Conference of Teamsters Pension Trust Fund v. Countrywide Financial Corporation, et al.*, and *Putnam Bank v. Countrywide Financial Corporation, et al.*, were all assigned to the Countrywide RMBS MDL court. On December 6, 2013, the court granted final approval to a settlement of these actions in the amount of $500 million. Beginning on January 14, 2014, a number of class members appealed to the U.S. Court of Appeals for the Ninth Circuit.

Prudential Insurance Litigation

On March 14, 2013, The Prudential Insurance Company of America and certain of its affiliates (collectively Prudential) filed a complaint in the U.S. District Court for the District of New Jersey, in a case entitled *Prudential Insurance Company of America, et al. v. Bank of America, N.A., et al.* Prudential has named the Corporation, Merrill

Lynch and a number of related entities as defendants. Prudential asserts certain MBS Claims pertaining to 54 MBS offerings from which Prudential alleges that it purchased securities between 2004 and 2007. Prudential seeks, among other relief, compensatory damages, rescission or a rescissory measure of damages, punitive damages and other unspecified relief. On April 17, 2014, the court granted in part and denied in part defendants' motion to dismiss the complaint. Prudential thereafter split its claims into two separate complaints, filing an amended complaint in the original action and a complaint in a separate action entitled *Prudential Portfolios 2, et al. v. Bank of America, N.A., et al.* Both cases are pending in the U.S. District Court for the District of New Jersey. On February 5, 2015, the court granted in part and denied in part defendants' motion to dismiss those complaints, granting plaintiff leave to replead in certain respects.

Mortgage Repurchase Litigation

U.S. Bank Litigation

On August 29, 2011, U.S. Bank, National Association (U.S. Bank), as trustee for the HarborView Mortgage Loan Trust 2005-10 (the Trust), a mortgage pool backed by loans originated by Countrywide Home Loans, Inc. (CHL), filed a complaint in New York Supreme Court, New York County, in a case entitled *U.S. Bank National Association, as Trustee for HarborView Mortgage Loan Trust, Series 2005-10 v. Countrywide Home Loans, Inc. (dba Bank of America Home Loans), Bank of America Corporation, Countrywide Financial Corporation, Bank of America, N.A. and NB Holdings Corporation.* U.S. Bank asserts that, as a result of alleged misrepresentations by CHL in connection with its sale of the loans, defendants must repurchase all the loans in the pool, or in the alternative that it must repurchase a subset of those loans as to which U.S. Bank alleges that defendants have refused specific repurchase demands. U.S. Bank asserts claims for breach of contract and seeks specific performance of defendants' alleged obligation to repurchase the entire pool of loans (alleged to have an original aggregate principal balance of $1.75 billion) or alternatively the aforementioned subset (alleged to have an aggregate principal balance of "over $100 million"), together with reimbursement of costs and expenses and other unspecified relief. On May 29, 2013, the New York Supreme Court dismissed U.S. Bank's claim for repurchase of all the mortgage loans in the Trust. The court granted U.S. Bank leave to amend this claim. On June 18, 2013, U.S. Bank filed its second amended complaint seeking to replead its claim for repurchase of all loans in the Trust. On February 13, 2014, the court granted defendants' motion to dismiss the repleaded claim seeking repurchase of all mortgage loans in the Trust; plaintiff has appealed that order.

On November 13, 2014, the court granted U.S. Bank's motion for leave to amend the complaint; defendants have appealed that order. The amended complaint alleges breach of contract based upon defendants' failure to repurchase loans that were the subject of specific repurchase demands and also alleges breach of contract based upon defendants' discovery, during origination and servicing, of loans with material breaches of representations and warranties.

U.S. Bank Summonses with Notice

On August 29, 2014, U.S. Bank, solely in its capacity as Trustee for seven securitization trusts (the Trusts), served seven summonses with notice commencing potential actions against First Franklin Financial Corporation, Merrill Lynch Mortgage Lending, Inc., Merrill Lynch Mortgage Investors, Inc., and Ownit Mortgage Solutions Inc. in New York Supreme Court, New York County. The summonses indicate that defendants may be subject to breach of contract claims alleging that they breached representations and warranties related to loans securitized in the Trusts. The summonses allege that defendants failed to repurchase breaching mortgage loans from the Trusts. The summonses seek specific performance of defendants' alleged obligation to repurchase breaching loans, declaratory judgment, compensatory, rescissory and other damages, and indemnity. On February 5, 2015, defendants demanded complaints on three of the Trusts. Defendants currently have until March 3, 2015 to demand the complaint with respect to one of the remaining Trusts, and until July 15, 2015 to demand complaints on the final three Trusts.

Ocala Investor Litigation

On November 25, 2009, BNP Paribas Mortgage Corporation (BNP) and Deutsche Bank AG each filed claims (the 2009 Actions) against BANA in the U.S. District Court for the Southern District of New York entitled *BNP Paribas Mortgage Corporation v. Bank of America, N.A* and *Deutsche Bank AG v. Bank of America, N.A.* Plaintiffs allege that BANA failed to properly perform its duties as indenture trustee, collateral agent, custodian and depositary for Ocala Funding, LLC (Ocala), a home mortgage warehousing facility, resulting in the loss of plaintiffs' investment in Ocala. Ocala was a wholly-owned subsidiary of Taylor, Bean & Whitaker Mortgage Corp. (TBW), a home mortgage originator and servicer which is alleged to have committed fraud that led to its eventual bankruptcy. Ocala provided funding for TBW's mortgage origination activities by issuing notes, the proceeds of which were to be used by TBW to originate home mortgages. Such mortgages and other Ocala assets in turn were pledged to BANA, as collateral agent, to secure the notes. Plaintiffs lost most or all of their investment in Ocala when, as the result of the alleged fraud committed by TBW, Ocala was unable to repay the notes purchased by plaintiffs and there was insufficient collateral to satisfy Ocala's debt obligations. Plaintiffs allege that BANA breached its contractual, fiduciary and other duties to Ocala, thereby permitting TBW's alleged fraud to go undetected. Plaintiffs seek compensatory damages and other relief from BANA, including interest and attorneys' fees, in an unspecified amount, but which plaintiffs allege exceeds $1.6 billion.

On March 23, 2011, the court granted in part and denied in part BANA's motions to dismiss the 2009 Actions. Plaintiffs filed amended complaints on October 1, 2012 that included additional contractual, tort and equitable claims. On June 6, 2013, the court granted BANA's motion to dismiss plaintiffs' claims for failure to sue, negligence, negligent misrepresentation and equitable relief.

On November 24, 2014, BANA moved for summary judgment and plaintiffs moved for partial summary judgment.

On February 19, 2015, BANA and BNP reached an agreement in principle to settle the 2009 actions for an amount not material to the Corporation's results of operations, subject to the execution of a final settlement agreement.

O'Donnell Litigation

On February 24, 2012, Edward O'Donnell filed a sealed *qui tam* complaint under the Financial Institutions Reform, Recovery and Enforcement Act of 1989 (FIRREA) and the False Claims Act against the Corporation, individually, and as successor to Countrywide,

CHL and a Countrywide business division known as Full Spectrum Lending. On October 24, 2012, the DoJ filed a complaint-in-intervention to join the matter, adding BANA, Countrywide and CHL as defendants. The action is entitled *United States of America, ex rel, Edward O'Donnell, appearing Qui Tam v. Bank of America Corp., et al.*, and was filed in the U.S. District Court for the Southern District of New York. The complaint-in-intervention asserted certain fraud claims in connection with the sale of loans to FNMA and FHLMC by Full Spectrum Lending and by the Corporation and BANA. On January 11, 2013, the government filed an amended complaint which added Countrywide Bank, FSB (CFSB) and a former officer of the Corporation as defendants. The court dismissed False Claims Act counts on May 8, 2013. On September 6, 2013, the government filed a second amended complaint alleging claims under FIRREA concerning allegedly fraudulent loan sales to the GSEs between August 2007 and May 2008. On September 24, 2013, the government dismissed the Corporation as a defendant.

Following a trial, on October 23, 2013, a verdict of liability was returned against CHL, CFSB and BANA. On July 30, 2014, the court imposed a civil penalty of $1.3 billion on BANA. On February 3, 2015, the court denied the Corporation's motions for judgment as a matter of law, or in the alternative, a new trial. The Corporation will appeal the verdict and judgment.

Pennsylvania Public School Employees' Retirement System

The Corporation and several current and former officers were named as defendants in a putative class action filed in the U.S. District Court for the Southern District of New York entitled *Pennsylvania Public School Employees' Retirement System v. Bank of America, et al.*

Following the filing of a complaint on February 2, 2011, plaintiff subsequently filed an amended complaint on September 23, 2011 in which plaintiff sought to sue on behalf of all persons who acquired the Corporation's common stock between February 27, 2009 and October 19, 2010 and "Common Equivalent Securities" sold in a December 2009 offering. The amended complaint asserted claims under Sections 10(b) and 20(a) of the Securities Exchange Act of 1934 and Sections 11 and 15 of the Securities Act of 1933, and alleged that the Corporation's public statements: (i) concealed problems in the Corporation's mortgage servicing business resulting from the widespread use of the Mortgage Electronic Recording System; (ii) failed to disclose the Corporation's exposure to mortgage repurchase claims; (iii) misrepresented the adequacy of internal controls; and (iv) violated certain Generally Accepted Accounting Principles. The amended complaint sought unspecified damages.

On July 11, 2012, the court granted in part and denied in part defendants' motions to dismiss the amended complaint. All claims under the Securities Act were dismissed against all defendants, with prejudice. The motion to dismiss the claim against the Corporation under Section 10(b) of the Exchange Act was denied. All claims under the Exchange Act against the officers were dismissed, with leave to replead. Defendants moved to dismiss a second amended complaint in which plaintiff sought to replead claims against certain current and former officers under Sections 10(b) and 20(a). On April 17, 2013, the court granted in part and denied in part the motion to dismiss, sustaining Sections 10(b) and 20(a) claims against the current and former officers.

Policemen's Annuity Litigation

On April 11, 2012, the Policemen's Annuity & Benefit Fund of the City of Chicago, on its own behalf and on behalf of a proposed class of purchasers of 41 RMBS trusts collateralized mostly by Washington Mutual-originated (WaMu) mortgages, filed a proposed class action complaint against BANA and other unrelated parties in the U.S. District Court for the Southern District of New York, entitled *Policemen's Annuity and Benefit Fund of the City of Chicago v. Bank of America, N.A. and U.S. Bank National Association*. BANA and U.S. Bank are named as defendants in their capacities as trustees, with BANA (formerly LaSalle Bank National Association) having served as the original trustee and U.S. Bank having replaced BANA as trustee. Plaintiff asserted claims under the federal Trust Indenture Act as well as state common law claims. Plaintiff alleged that, in light of the performance of the RMBS at issue, and in the wake of publicly-available information about the quality of loans originated by WaMu, the trustees were required to take certain steps to protect plaintiff's interest in the value of the securities, and that plaintiff was damaged by defendants' failures to notify it of deficiencies in the loans and of defaults under the relevant agreements, to ensure that the underlying mortgages could properly be foreclosed, and to enforce remedies available for loans that contained breaches of representations and warranties. Plaintiff sought unspecified compensatory damages and/or equitable relief, and costs and expenses. The court dismissed some of the common law claims, but allowed the Trust Indenture Act claim and a claim for breach of contract to proceed. After the filing of two amended complaints and the consolidation of the case with a related matter filed on August 23, 2013, entitled *Vermont Pension Investment Committee and the Washington State Investment Board v. Bank of America, N.A. and U.S. Bank National Association*, 10 named plaintiffs filed a third amended complaint on October 31, 2013, on behalf of two proposed classes of purchasers of 35 trusts collateralized mostly by WaMu-originated mortgages (later reduced to 34 trusts).

On June 5, 2014, the parties informed the court that they had reached an agreement in principle to settle the case for an amount not material to the Corporation's results of operations, subject to approval of plaintiffs' boards. The settlement remains subject to final court approval and various conditions. On November 10, 2014, the court preliminarily approved the proposed settlement, and scheduled a final approval hearing for March 12, 2015.

Takefuji Litigation

In April 2010, Takefuji Corporation (Takefuji) filed a claim against Merrill Lynch International and Merrill Lynch Japan Securities (MLJS) in Tokyo District Court. The claim concerns Takefuji's purchase in 2007 of credit-linked notes structured and sold by defendants that resulted in a loss to Takefuji of approximately JPY29.0 billion (approximately $270 million) following an event of default. Takefuji alleges that defendants failed to meet certain disclosure obligations concerning the notes.

On July 19, 2013, the Tokyo District Court issued a judgment in defendants' favor, a decision that Takefuji subsequently appealed to the Tokyo High Court. On August 27, 2014, the Tokyo High Court vacated the decision of the District Court and issued a judgment awarding Takefuji JPY14.5 billion (approximately $135 million) in damages, plus interest at a rate of five percent from March 18, 2008. On September 10, 2014, defendants filed an appeal with the Japanese Supreme Court.

Litigation and Regulatory Matters

Litigation and Regulatory Matters

In the ordinary course of business, the Corporation and its subsidiaries are routinely defendants in or parties to many pending and threatened legal actions and proceedings, including actions brought on behalf of various classes of claimants. These actions and proceedings are generally based on alleged violations of consumer protection, securities, environmental, banking, employment, contract and other laws. In some of these actions and proceedings, claims for substantial monetary damages are asserted against the Corporation and its subsidiaries.

In the ordinary course of business, the Corporation and its subsidiaries are also subject to regulatory and governmental examinations, information gathering requests, inquiries, investigations, and threatened legal actions and proceedings. For example, certain subsidiaries of the Corporation are registered broker-dealers or investment advisors and are subject to regulation by the SEC, the Financial Industry Regulatory Authority, the European Commission, the PRA, the FCA and other international, federal and state securities regulators. In connection with formal and informal inquiries, the Corporation and its subsidiaries receive numerous requests, subpoenas and orders for documents, testimony and information in connection with various aspects of the Corporation's regulated activities.

In view of the inherent difficulty of predicting the outcome of such litigation, regulatory and governmental matters, particularly where the claimants seek very large or indeterminate damages or where the matters present novel legal theories or involve a large number of parties, the Corporation generally cannot predict what the eventual outcome of the pending matters will be, what the timing of the ultimate resolution of these matters will be, or what the eventual loss, fines or penalties related to each pending matter may be.

In accordance with applicable accounting guidance, the Corporation establishes an accrued liability for litigation, regulatory and governmental matters when those matters present loss contingencies that are both probable and estimable. In such cases, there may be an exposure to loss in excess of any amounts accrued. As a litigation, regulatory or governmental matter develops, the Corporation, in conjunction with any outside counsel handling the matter, evaluates on an ongoing basis whether such matter presents a loss contingency that is probable and estimable. When a loss contingency is not both probable and estimable, the Corporation does not establish an accrued liability. If, at the time of evaluation, the loss contingency related to a litigation, regulatory or governmental matter is not both probable and estimable, the matter will continue to be monitored for further developments that would make such loss contingency both probable and estimable. Once the loss contingency related to a litigation, regulatory or governmental matter is deemed to be both probable and

estimable, the Corporation will establish an accrued liability with respect to such loss contingency and record a corresponding amount of litigation-related expense. The Corporation continues to monitor the matter for further developments that could affect the amount of the accrued liability that has been previously established. Excluding expenses of internal or external legal service providers, litigation-related expense of $16.4 billion was recognized for 2014 compared to $6.1 billion for 2013.

For a limited number of the matters disclosed in this Note for which a loss, whether in excess of a related accrued liability or where there is no accrued liability, is reasonably possible in future periods, the Corporation is able to estimate a range of possible loss. In determining whether it is possible to estimate a range of possible loss, the Corporation reviews and evaluates its material litigation, regulatory and governmental matters on an ongoing basis, in conjunction with any outside counsel handling the matter, in light of potentially relevant factual and legal developments. These may include information learned through the discovery process, rulings on dispositive motions, settlement discussions, and other rulings by courts, arbitrators or others. In cases in which the Corporation possesses sufficient appropriate information to estimate a range of possible loss, that estimate is aggregated and disclosed below. There may be other disclosed matters for which a loss is probable or reasonably possible but such an estimate of the range of possible loss may not be possible. For those matters where an estimate of the range of possible loss is possible, management currently estimates the aggregate range of possible loss is $0 to $2.7 billion in excess of the accrued liability (if any) related to those matters. This estimated range of possible loss is based upon currently available information and is subject to significant judgment and a variety of assumptions, and known and unknown uncertainties. The matters underlying the estimated range will change from time to time, and actual results may vary significantly from the current estimate. Those matters for which an estimate is not possible are not included within this estimated range. Therefore, this estimated range of possible loss represents what the Corporation believes to be an estimate of possible loss only for certain matters meeting these criteria. It does not represent the Corporation's maximum loss exposure.

Information is provided below regarding the nature of all of these contingencies and, where specified, the amount of the claim associated with these loss contingencies. Based on current knowledge, management does not believe that loss contingencies arising from pending matters, including the matters described herein, will have a material adverse effect on the consolidated financial position or liquidity of the Corporation. However, in light of the inherent uncertainties involved in these matters, some of which are beyond the Corporation's control, and the very large or indeterminate damages sought in some of these matters, an adverse outcome in one or more of these matters could be material to the Corporation's results of operations or cash flows for any particular reporting period.

Bond Insurance Litigation

Ambac Countrywide Litigation

The Corporation, Countrywide and other Countrywide entities are named as defendants in an action filed on September 29, 2010 and as amended on May 28, 2013, by Ambac Assurance Corporation and the Segregated Account of Ambac Assurance Corporation (together, Ambac), entitled *Ambac Assurance Corporation and The Segregated Account of Ambac Assurance Corporation v. Countrywide Home Loans, Inc., et al.* This action, currently pending in New York Supreme Court, New York County, relates to bond insurance policies provided by Ambac on certain securitized pools of second-lien (and in one pool, first-lien) HELOCs, first-lien subprime home equity loans and fixed-rate second-lien mortgage loans. Plaintiffs allege that they have paid claims as a result of defaults in the underlying loans and assert that the Countrywide defendants misrepresented the characteristics of the underlying loans and breached certain contractual representations and warranties regarding the underwriting and servicing of the loans. Plaintiffs also allege that the Corporation is liable based on successor liability theories. Damages claimed by Ambac are in excess of $2.2 billion and include the amount of payments for current and future claims it has paid or claims it will be obligated to pay under the policies, increasing over time as it pays claims under relevant policies, plus unspecified punitive damages.

On December 30, 2014, Ambac filed a second complaint in the same court against the same defendants, claiming fraudulent inducement against Countrywide and successor and vicarious liability against the Corporation relating t o eight partially Ambac-insured RMBS transactions that closed between 2005 and 2007, all backed by negative amortization pay option adjustable-rate mortgage (ARM) loans that were originated in whole or in part by Countrywide. Seven of the eight securitizations were issued and underwritten by non-parties to the litigation. Ambac claims damages in excess of $600 million consisting of all alleged past and future claims against its policies, plus other unspecified compensatory and punitive damages.

Also on December 30, 2014, Ambac filed a third action in Wisconsin Circuit Court, Dane County, against Countrywide Home Loans, Inc., claiming that it was fraudulently induced to insure portions of five securitizations issued and underwritten in 2005 by a non-party that included Countrywide originated first-lien negative amortization pay option ARM loans. The complaint claims damages in excess of $350 million for all alleged past and future Ambac insured claims payment obligations plus other unspecified compensatory and punitive damages.

Ambac First Franklin Litigation

On April 16, 2012, Ambac sued First Franklin Financial Corp., BANA, MLPF&S, Merrill Lynch Mortgage Lending, Inc. (MLML), and Merrill Lynch Mortgage Investors, Inc. in New York Supreme Court, New York County. Plaintiffs' claims relate to guaranty insurance Ambac provided on a First Franklin securitization (Franklin Mortgage Loan Trust, Series 2007-FFC). The securitization was sponsored by MLML, and certain certificates in the securitization were insured by Ambac. The complaint alleges that defendants breached representations and warranties concerning the origination of the underlying mortgage loans and asserts claims for fraudulent inducement, breach of contract and indemnification. Plaintiffs also assert breach of contract claims against BANA based upon its servicing of the loans in the securitization. The complaint alleges that Ambac has paid hundreds of millions of dollars in claims and has accrued and continues to accrue tens of millions of dollars in additional claims, and Ambac seeks as damages the total claims it has paid and its projected claims payment obligations, as well as specific performance of defendants' contractual repurchase obligations.

On July 19, 2013, the court denied defendants' motion to dismiss Ambac's contract and fraud causes of action but granted dismissal of Ambac's indemnification cause of action. In addition, the court denied defendants' motion to dismiss Ambac's claims for attorneys' fees and punitive damages.

European Commission – Credit Default Swaps Antitrust Investigation

On July 1, 2013, the European Commission (Commission) announced that it had addressed a Statement of Objections (SO) to the Corporation, BANA and Banc of America Securities LLC (together, the Bank of America Entities), a number of other financial institutions, Markit Group Limited, and the International Swaps and Derivatives Association (together, the Parties). The SO sets forth the Commission's preliminary conclusion that the Parties infringed European Union competition law by participating in alleged collusion to prevent exchange trading of CDS and futures. According to the SO, the conduct of the Bank of America Entities took place between August 2007 and April 2009. As part of the Commission's procedures, the Parties have reviewed the evidence in the investigative file, responded to the Commission's preliminary conclusions and attended a hearing before the Commission. If the Commission is satisfied that its preliminary conclusions are proved, the Commission has stated that it intends to impose a fine and require appropriate remedial measures.

Fontainebleau Las Vegas Litigation

On June 9, 2009, *Avenue CLO Fund Ltd., et al. v. Bank of America, N.A., Merrill Lynch Capital Corporation, et al.* was filed in the U.S. District Court for the District of Nevada by certain Fontainebleau Las Vegas, LLC (FBLV) project lenders. Plaintiffs alleged that, among other things, BANA breached its duties as disbursement agent under the agreement governing the disbursement of loaned funds to FBLV, then a Chapter 11 debtor-in-possession. Plaintiffs seek monetary damages of more than $700 million, plus interest. This action was subsequently transferred by the U.S. Judicial Panel on Multidistrict Litigation (JPML) to the U.S. District Court for the Southern District of Florida.

On March 19, 2012, the district court granted BANA's motion for summary judgment on all causes of action against it in its capacity as disbursement agent and denied plaintiffs' motion for summary judgment on those claims. On July 26, 2013, the U.S. Court of Appeals for the Eleventh Circuit affirmed in part and reversed in part the district court's dismissal of the disbursement agent claims against BANA, holding that there were factual disputes that could not be resolved on a summary judgment motion, and remanded the case to the district court for further proceedings.

Dismissal of the other claims was affirmed on a separate appeal. On December 13, 2013, the JPML remanded the action to the District of Nevada for trial.

The parties have settled the action for $300 million, an amount that was fully accrued as of December 31, 2014. Pursuant to the settlement, plaintiffs have stipulated to the voluntary dismissal of their remaining claims with prejudice.

In re Bank of America Securities, Derivative and Employee Retirement Income Security Act (ERISA) Litigation

Beginning in January 2009, the Corporation, as well as certain current and former officers and directors, among others, were named as defendants in a variety of actions filed in state and federal courts. The actions generally concern alleged material misrepresentations and/or omissions with respect to certain securities filings by the Corporation. The securities filings contained information with respect to events that took place from September 2008 through January 2009 contemporaneous with the Corporation's acquisition of Merrill Lynch & Co., Inc. (Merrill Lynch). Certain federal court actions were consolidated and/or coordinated in the U.S. District Court for the Southern District of New York (the District Court) under the caption *In re Bank of America Securities, Derivative and Employee Retirement Income Security Act (ERISA) Litigation*.

Plaintiffs in the consolidated securities class action (the Consolidated Securities Class Action) asserted claims under Sections 14(a), 10(b) and 20(a) of the Securities Exchange Act of 1934, and Sections 11, 12(a)(2) and 15 of the Securities Act of 1933 and asserted damages based on the drop in the stock price upon subsequent disclosures. On April 5, 2013, the District Court granted final approval of the settlement of the Consolidated Securities Class Action. On November 5, 2014, the U.S. Court of Appeals for the Second Circuit affirmed the final approval of the settlement of the Consolidated Securities Class Action. On February 3, 2015, the deadline for filing a petition for writ of certiorari with the U.S. Supreme Court elapsed without any objector filing a petition.

Certain shareholders opted to pursue their claims apart from the Consolidated Securities Class Action. Following settlements in an aggregate amount that was fully accrued as of December 31, 2013, the District Court dismissed the claims of these plaintiffs with prejudice.

In addition, on January 11, 2013, the District Court approved the settlement of claims filed by plaintiffs in a derivative action in the Consolidated Securities Class Action, which also resolved a consolidated derivative action filed in the Delaware Court of Chancery.

In addition, the District Court dismissed a complaint filed by plaintiffs in the ERISA actions in the Consolidated Securities Class Action on August 27, 2010, and the parties stipulated to the withdrawal of the appeal of that decision on January 14, 2013.

Interchange and Related Litigation

In 2005, a group of merchants filed a series of putative class actions and individual actions directed at interchange fees associated with Visa and MasterCard payment card transactions. These actions, which were consolidated in the U.S. District Court for the Eastern District of New York under the caption *In Re Payment Card Interchange Fee and Merchant Discount Anti-Trust Litigation* (Interchange), named Visa, MasterCard and several banks and bank holding companies (BHCs), including the Corporation, as defendants. Plaintiffs allege that defendants conspired to fix the level of default interchange rates and that certain rules of Visa and MasterCard related to merchant acceptance of payment cards at the point of sale were unreasonable restraints of trade. Plaintiffs sought unspecified damages and injunctive relief.

On October 19, 2012, defendants settled the matter. The settlement provides for, among other things, (i) payments by defendants to the class and individual plaintiffs totaling approximately $6.6 billion, allocated proportionately to each defendant based upon various loss-sharing agreements; (ii) distribution to class merchants of an amount equal to 10 bps of default interchange across all Visa and MasterCard credit card transactions for a period of eight consecutive months, to begin by July 29, 2013, which otherwise would have been paid to issuers and which effectively reduces credit interchange for that period of time; and (iii) modifications to certain Visa and MasterCard rules regarding merchant point of sale practices.

The court granted final approval of the class settlement agreement on December 13, 2013. Several class members appealed to the U.S. Court of Appeals for the Second Circuit. In addition, a number of class members opted out of the settlement of their past damages claims. The cash portion of the settlement was adjusted downward as a result of these opt outs.

The Corporation is named in three of the opt-out suits, including one brought by cardholders, and, as a result of various sharing agreements from the main Interchange litigation, the Corporation remains liable for any settlement or judgment in opt-out suits where it is not named as a defendant. All but one of the opt-out suits filed to date have been consolidated in the U.S. District Court for the Eastern District of New York. On July 18, 2014, the court denied defendants' motion to dismiss opt-out complaints filed by merchants, and on November 26, 2014, the court granted defendants' motion to dismiss the Sherman Act claim in the cardholder complaint.

LIBOR, Other Reference Rate and Foreign Exchange (FX) Inquiries and Litigation

The Corporation has received subpoenas and information requests from government authorities in North America, Europe and the Asia Pacific region, including the DoJ, the U.S. Commodity Futures Trading Commission (CFTC) and the FCA, concerning submissions made by panel banks in connection with the setting of LIBOR and other reference rates. The Corporation is cooperating with these inquiries.

In addition, the Corporation and BANA have been named as defendants along with most of the other LIBOR panel banks in a series of individual and class actions in various U.S. federal and state courts relating to defendants' LIBOR contributions. All cases naming the Corporation have been or are in the process of being consolidated for pre-trial purposes in the U.S. District Court for the Southern District of New York by the JPML. The Corporation expects that any future cases naming it will similarly be consolidated for pre-trial purposes. Plaintiffs allege that they held or transacted in U.S. Dollar LIBOR-based derivatives or other financial instruments and sustained losses as a result of collusion or manipulation by defendants regarding the setting of U.S. Dollar LIBOR. Plaintiffs assert a variety of claims, including antitrust and Racketeer Influenced and Corrupt Organizations (RICO), common law fraud, and breach of contract claims, and seek compensatory, treble and punitive damages, and injunctive relief.

In a series of rulings, the court dismissed antitrust, RICO and certain state law claims, while permitting the Commodity Exchange Act and other state law claims to proceed. As a result of a procedural ruling by the Supreme Court, plaintiffs are pursuing an immediate appeal of the dismissal of their antitrust claims. Further, based on the statute of limitations, the court has substantially limited the time period for which manipulation claims under the Commodity Exchange Act may be pursued. As to the Corporation and BANA, the court has also dismissed manipulation claims based on alleged trader conduct, and certain common law claims by plaintiffs who alleged no direct dealings with the Corporation or BANA. Other claims against the Corporation and BANA remain pending, however, and the court is continuing to consider motions regarding them, including the applicability of its prior rulings to subsequently filed actions.

Certain regulatory and government authorities in North America, Europe and the Asia Pacific region are conducting investigations and making inquiries of a significant number of FX market participants, including the Corporation, regarding FX market participants' conduct and systems and controls over multiple years. The Corporation is cooperating with these investigations and inquiries, some of which are likely to lead to regulatory or legal proceedings and expose the Corporation to material penalties, fines or losses, and could adversely affect its reputation.

In particular, in November 2014, the Corporation resolved a matter with the Office of the Comptroller of the Currency (OCC) by agreeing to the imposition of mandatory remedial measures and payment of $250 million in civil penalties associated with the Corporation's FX business and its systems and controls.

The Corporation is in separate advanced discussions to resolve the regulatory matters of concern to another U.S. banking regulator involving the Corporation's FX business and its systems and controls. There can be no assurances that these discussions will lead to a resolution, or of the amount or timing of any such resolution.

In addition, in a consolidated amended complaint filed on March 31, 2014, the Corporation and BANA were named as defendants along with other FX market participants in a putative class action filed in the U.S. District Court for the Southern District of New York on behalf of plaintiffs and a putative class who allegedly transacted in FX and are domiciled in the U.S. or transacted in FX in the U.S. (the U.S. Action). On April 30, 2014, a substantively similar class action was filed against the Corporation and other FX market participants on behalf of a plaintiff and putative class allegedly located in Norway (the Foreign Action). The complaints allege that class members transacted with defendants at or around the time of the fixing of the WM/Reuters Closing Spot Rates or entered into transactions that settled in whole or in part based on the WM/Reuters Closing Spot Rates and that they sustained losses as a result of the defendants' alleged conspiracy to manipulate the WM/Reuters Closing Spot Rates. Plaintiffs in the U.S. Action assert a single claim for violations of Sections 1 and 3 of the Sherman Act, and plaintiff in the Foreign Action asserts claims for violations of the Sherman Act, as well as certain claims under New York statutory and common law. Plaintiffs seek compensatory and treble damages, and declaratory and injunctive relief.

On January 28, 2015, the court denied defendants' motion to dismiss the U.S. Action, finding that plaintiffs had sufficiently pleaded the elements of an antitrust claim. In the same decision, the court granted with prejudice defendants' motion to dismiss the Foreign Action, finding that the Sherman Act does not apply extraterritorially, except in limited circumstances not present in the case, and that plaintiff had failed to plead an actionable state law claim.

Montgomery

The Corporation, several current and former officers and directors, Banc of America Securities LLC (BAS), MLPF&S and other unaffiliated underwriters have been named as defendants in a putative class action filed in the U.S. District Court for the Southern District of New York entitled *Montgomery v. Bank of America, et al.* Plaintiff filed an amended complaint on January 14, 2011. Plaintiff seeks to sue on behalf of all persons who acquired certain series of preferred stock offered by the Corporation pursuant to a shelf registration statement dated May 5, 2006. Plaintiff's claims arise from three offerings dated January 24, 2008, January 28, 2008 and May 20, 2008, from which the Corporation allegedly received proceeds of $15.8 billion. The amended complaint asserts claims under Sections 11, 12(a)(2) and 15 of the Securities Act of 1933, and alleges that the prospectus supplements associated with the offerings: (i) failed to disclose that the Corporation's loans, leases, CDOs and commercial MBS were impaired to a greater extent than disclosed; (ii) misrepresented the extent of the impaired assets by failing to establish adequate reserves or properly record losses for its impaired assets; (iii) misrepresented the adequacy of the Corporation's internal controls in light of the alleged impairment of its assets; (iv) misrepresented the Corporation's capital base and Tier 1 leverage ratio for risk-based capital in light of the allegedly impaired assets; and (v) misrepresented the thoroughness and adequacy of the Corporation's due diligence in connection with its acquisition of Countrywide. The amended complaint seeks rescission, compensatory and other damages. On March 16, 2012, the court granted defendants' motion to dismiss the first amended complaint. On December 3, 2013, the court denied plaintiffs' motion to file a second amended complaint. On February 6, 2014, plaintiffs appealed the denial of their motion to amend to the U.S. Court of Appeals for the Second Circuit.

Mortgage-backed Securities Litigation

The Corporation and its affiliates, Countrywide entities and their affiliates, and Merrill Lynch entities and their affiliates have been named as defendants in a number of cases relating to their various roles as issuer, originator, seller, depositor, sponsor, underwriter and/or controlling entity in MBS offerings, pursuant to which the MBS investors were entitled to a portion of the cash flow from the underlying pools of mortgages. These cases generally include purported class action suits and actions by individual MBS purchasers. Although the allegations vary by lawsuit, these cases generally allege that the registration statements, prospectuses and prospectus supplements for securities issued by securitization trusts contained material misrepresentations and omissions, in violation of the Securities Act of 1933 and/or state securities laws and other state statutory and common laws.

These cases generally involve allegations of false and misleading statements regarding: (i) the process by which the properties that served as collateral for the mortgage loans underlying the MBS were appraised; (ii) the percentage of equity that mortgage borrowers had in their homes; (iii) the borrowers' ability to repay their mortgage loans; (iv) the underwriting practices by which those mortgage loans were originated; (v) the ratings given to the different tranches of MBS by rating agencies; and (vi) the validity of each issuing trust's title to the mortgage loans comprising the pool for that securitization (collectively, MBS Claims). Plaintiffs in these cases generally seek unspecified compensatory damages, unspecified costs and legal fees and, in some instances, seek rescission.

The Corporation, Countrywide, Merrill Lynch and/or their affiliates may have claims for and/or may be subject to claims for contractual indemnification in connection with their various roles in regard to MBS.

On August 15, 2011, the JPML ordered multiple federal court cases involving Countrywide MBS consolidated for pretrial purposes in the U.S. District Court for the Central District of California in a multi-district litigation entitled *In re Countrywide Financial Corp. Mortgage-Backed Securities Litigation* (the Countrywide RMBS MDL).

Federal Home Loan Bank Litigation

On March 15, 2010, the Federal Home Loan Bank of San Francisco (FHLB San Francisco) filed an action in California Superior Court, San Francisco County, entitled *Federal Home Loan Bank of San Francisco v. Credit Suisse Securities (USA) LLC, et al.* FHLB San Francisco's complaint asserts certain MBS Claims against BAS, Countrywide and several related entities in connection with its alleged purchase of 51 MBS offerings and one private placement issued and/or underwritten by those defendants between 2004 and 2007 and seeks rescission and unspecified damages. FHLB San Francisco dismissed the federal claims with prejudice on August 11, 2011. On September 8, 2011, the court denied defendants' motions to dismiss the state law claims. On December 20, 2013, FHLB San Francisco voluntarily dismissed its negligent misrepresentation claims with prejudice. On October 15, 2014, the court denied the parties' cross-motions for summary judgment with respect to two Countrywide trusts that were to be part of a bellwether trial.

The parties have settled the action and other related actions for $420 million, as well as with respect to certain claims, additional consideration; all amounts were fully accrued as of December 31, 2014. Pursuant to the settlement, FHLB San Francisco has voluntarily dismissed its remaining claims with prejudice.

Luther Class Action Litigation and Related Actions

Beginning in 2007, a number of pension funds and other investors filed putative class action lawsuits alleging certain MBS Claims against Countrywide, several of its affiliates, MLPF&S, the Corporation, NB Holdings Corporation and certain other defendants. Those class action lawsuits concerned a total of 429 MBS offerings involving over $350 billion in securities issued by subsidiaries of Countrywide between 2005 and 2007. The actions, entitled *Luther v. Countrywide Financial Corporation, et al., Maine State Retirement System v. Countrywide Financial Corporation, et al., Western Conference of Teamsters Pension Trust Fund v. Countrywide Financial Corporation, et al.*, and *Putnam Bank v. Countrywide Financial Corporation, et al.*, were all assigned to the Countrywide RMBS MDL court. On December 6, 2013, the court granted final approval to a settlement of these actions in the amount of $500 million. Beginning on January 14, 2014, a number of class members appealed to the U.S. Court of Appeals for the Ninth Circuit.

Prudential Insurance Litigation

On March 14, 2013, The Prudential Insurance Company of America and certain of its affiliates (collectively Prudential) filed a complaint in the U.S. District Court for the District of New Jersey, in a case entitled *Prudential Insurance Company of America, et al. v. Bank of America, N.A., et al.* Prudential has named the Corporation, Merrill

Lynch and a number of related entities as defendants. Prudential asserts certain MBS Claims pertaining to 54 MBS offerings from which Prudential alleges that it purchased securities between 2004 and 2007. Prudential seeks, among other relief, compensatory damages, rescission or a rescissory measure of damages, punitive damages and other unspecified relief. On April 17, 2014, the court granted in part and denied in part defendants' motion to dismiss the complaint. Prudential thereafter split its claims into two separate complaints, filing an amended complaint in the original action and a complaint in a separate action entitled *Prudential Portfolios 2, et al. v. Bank of America, N.A., et al.* Both cases are pending in the U.S. District Court for the District of New Jersey. On February 5, 2015, the court granted in part and denied in part defendants' motion to dismiss those complaints, granting plaintiff leave to replead in certain respects.

Mortgage Repurchase Litigation

U.S. Bank Litigation

On August 29, 2011, U.S. Bank, National Association (U.S. Bank), as trustee for the HarborView Mortgage Loan Trust 2005-10 (the Trust), a mortgage pool backed by loans originated by Countrywide Home Loans, Inc. (CHL), filed a complaint in New York Supreme Court, New York County, in a case entitled *U.S. Bank National Association, as Trustee for HarborView Mortgage Loan Trust, Series 2005-10 v. Countrywide Home Loans, Inc. (dba Bank of America Home Loans), Bank of America Corporation, Countrywide Financial Corporation, Bank of America, N.A. and NB Holdings Corporation.* U.S. Bank asserts that, as a result of alleged misrepresentations by CHL in connection with its sale of the loans, defendants must repurchase all the loans in the pool, or in the alternative that it must repurchase a subset of those loans as to which U.S. Bank alleges that defendants have refused specific repurchase demands. U.S. Bank asserts claims for breach of contract and seeks specific performance of defendants' alleged obligation to repurchase the entire pool of loans (alleged to have an original aggregate principal balance of $1.75 billion) or alternatively the aforementioned subset (alleged to have an aggregate principal balance of "over $100 million"), together with reimbursement of costs and expenses and other unspecified relief. On May 29, 2013, the New York Supreme Court dismissed U.S. Bank's claim for repurchase of all the mortgage loans in the Trust. The court granted U.S. Bank leave to amend this claim. On June 18, 2013, U.S. Bank filed its second amended complaint seeking to replead its claim for repurchase of all loans in the Trust. On February 13, 2014, the court granted defendants' motion to dismiss the repleaded claim seeking repurchase of all mortgage loans in the Trust; plaintiff has appealed that order.

On November 13, 2014, the court granted U.S. Bank's motion for leave to amend the complaint; defendants have appealed that order. The amended complaint alleges breach of contract based upon defendants' failure to repurchase loans that were the subject of specific repurchase demands and also alleges breach of contract based upon defendants' discovery, during origination and servicing, of loans with material breaches of representations and warranties.

U.S. Bank Summonses with Notice

On August 29, 2014, U.S. Bank, solely in its capacity as Trustee for seven securitization trusts (the Trusts), served seven summonses with notice commencing potential actions against First Franklin Financial Corporation, Merrill Lynch Mortgage Lending, Inc., Merrill Lynch Mortgage Investors, Inc., and Ownit Mortgage Solutions Inc. in New York Supreme Court, New York County. The summonses indicate that defendants may be subject to breach of contract claims alleging that they breached representations and warranties related to loans securitized in the Trusts. The summonses allege that defendants failed to repurchase breaching mortgage loans from the Trusts. The summonses seek specific performance of defendants' alleged obligation to repurchase breaching loans, declaratory judgment, compensatory, rescissory and other damages, and indemnity. On February 5, 2015, defendants demanded complaints on three of the Trusts. Defendants currently have until March 3, 2015 to demand the complaint with respect to one of the remaining Trusts, and until July 15, 2015 to demand complaints on the final three Trusts.

Ocala Investor Litigation

On November 25, 2009, BNP Paribas Mortgage Corporation (BNP) and Deutsche Bank AG each filed claims (the 2009 Actions) against BANA in the U.S. District Court for the Southern District of New York entitled *BNP Paribas Mortgage Corporation v. Bank of America, N.A* and *Deutsche Bank AG v. Bank of America, N.A.* Plaintiffs allege that BANA failed to properly perform its duties as indenture trustee, collateral agent, custodian and depositary for Ocala Funding, LLC (Ocala), a home mortgage warehousing facility, resulting in the loss of plaintiffs' investment in Ocala. Ocala was a wholly-owned subsidiary of Taylor, Bean & Whitaker Mortgage Corp. (TBW), a home mortgage originator and servicer which is alleged to have committed fraud that led to its eventual bankruptcy. Ocala provided funding for TBW's mortgage origination activities by issuing notes, the proceeds of which were to be used by TBW to originate home mortgages. Such mortgages and other Ocala assets in turn were pledged to BANA, as collateral agent, to secure the notes. Plaintiffs lost most or all of their investment in Ocala when, as the result of the alleged fraud committed by TBW, Ocala was unable to repay the notes purchased by plaintiffs and there was insufficient collateral to satisfy Ocala's debt obligations. Plaintiffs allege that BANA breached its contractual, fiduciary and other duties to Ocala, thereby permitting TBW's alleged fraud to go undetected. Plaintiffs seek compensatory damages and other relief from BANA, including interest and attorneys' fees, in an unspecified amount, but which plaintiffs allege exceeds $1.6 billion.

On March 23, 2011, the court granted in part and denied in part BANA's motions to dismiss the 2009 Actions. Plaintiffs filed amended complaints on October 1, 2012 that included additional contractual, tort and equitable claims. On June 6, 2013, the court granted BANA's motion to dismiss plaintiffs' claims for failure to sue, negligence, negligent misrepresentation and equitable relief.

On November 24, 2014, BANA moved for summary judgment and plaintiffs moved for partial summary judgment.

On February 19, 2015, BANA and BNP reached an agreement in principle to settle the 2009 actions for an amount not material to the Corporation's results of operations, subject to the execution of a final settlement agreement.

O'Donnell Litigation

On February 24, 2012, Edward O'Donnell filed a sealed *qui tam* complaint under the Financial Institutions Reform, Recovery and Enforcement Act of 1989 (FIRREA) and the False Claims Act against the Corporation, individually, and as successor to Countrywide,

CHL and a Countrywide business division known as Full Spectrum Lending. On October 24, 2012, the DoJ filed a complaint-in-intervention to join the matter, adding BANA, Countrywide and CHL as defendants. The action is entitled *United States of America, ex rel, Edward O'Donnell, appearing Qui Tam v. Bank of America Corp., et al.*, and was filed in the U.S. District Court for the Southern District of New York. The complaint-in-intervention asserted certain fraud claims in connection with the sale of loans to FNMA and FHLMC by Full Spectrum Lending and by the Corporation and BANA. On January 11, 2013, the government filed an amended complaint which added Countrywide Bank, FSB (CFSB) and a former officer of the Corporation as defendants. The court dismissed False Claims Act counts on May 8, 2013. On September 6, 2013, the government filed a second amended complaint alleging claims under FIRREA concerning allegedly fraudulent loan sales to the GSEs between August 2007 and May 2008. On September 24, 2013, the government dismissed the Corporation as a defendant.

Following a trial, on October 23, 2013, a verdict of liability was returned against CHL, CFSB and BANA. On July 30, 2014, the court imposed a civil penalty of $1.3 billion on BANA. On February 3, 2015, the court denied the Corporation's motions for judgment as a matter of law, or in the alternative, a new trial. The Corporation will appeal the verdict and judgment.

Pennsylvania Public School Employees' Retirement System

The Corporation and several current and former officers were named as defendants in a putative class action filed in the U.S. District Court for the Southern District of New York entitled *Pennsylvania Public School Employees' Retirement System v. Bank of America, et al.*

Following the filing of a complaint on February 2, 2011, plaintiff subsequently filed an amended complaint on September 23, 2011 in which plaintiff sought to sue on behalf of all persons who acquired the Corporation's common stock between February 27, 2009 and October 19, 2010 and "Common Equivalent Securities" sold in a December 2009 offering. The amended complaint asserted claims under Sections 10(b) and 20(a) of the Securities Exchange Act of 1934 and Sections 11 and 15 of the Securities Act of 1933, and alleged that the Corporation's public statements: (i) concealed problems in the Corporation's mortgage servicing business resulting from the widespread use of the Mortgage Electronic Recording System; (ii) failed to disclose the Corporation's exposure to mortgage repurchase claims; (iii) misrepresented the adequacy of internal controls; and (iv) violated certain Generally Accepted Accounting Principles. The amended complaint sought unspecified damages.

On July 11, 2012, the court granted in part and denied in part defendants' motions to dismiss the amended complaint. All claims under the Securities Act were dismissed against all defendants, with prejudice. The motion to dismiss the claim against the Corporation under Section 10(b) of the Exchange Act was denied. All claims under the Exchange Act against the officers were dismissed, with leave to replead. Defendants moved to dismiss a second amended complaint in which plaintiff sought to replead claims against certain current and former officers under Sections 10(b) and 20(a). On April 17, 2013, the court granted in part and denied in part the motion to dismiss, sustaining Sections 10(b) and 20(a) claims against the current and former officers.

Policemen's Annuity Litigation

On April 11, 2012, the Policemen's Annuity & Benefit Fund of the City of Chicago, on its own behalf and on behalf of a proposed class of purchasers of 41 RMBS trusts collateralized mostly by Washington Mutual-originated (WaMu) mortgages, filed a proposed class action complaint against BANA and other unrelated parties in the U.S. District Court for the Southern District of New York, entitled *Policemen's Annuity and Benefit Fund of the City of Chicago v. Bank of America, N.A. and U.S. Bank National Association*. BANA and U.S. Bank are named as defendants in their capacities as trustees, with BANA (formerly LaSalle Bank National Association) having served as the original trustee and U.S. Bank having replaced BANA as trustee. Plaintiff asserted claims under the federal Trust Indenture Act as well as state common law claims. Plaintiff alleged that, in light of the performance of the RMBS at issue, and in the wake of publicly-available information about the quality of loans originated by WaMu, the trustees were required to take certain steps to protect plaintiff's interest in the value of the securities, and that plaintiff was damaged by defendants' failures to notify it of deficiencies in the loans and of defaults under the relevant agreements, to ensure that the underlying mortgages could properly be foreclosed, and to enforce remedies available for loans that contained breaches of representations and warranties. Plaintiff sought unspecified compensatory damages and/or equitable relief, and costs and expenses. The court dismissed some of the common law claims, but allowed the Trust Indenture Act claim and a claim for breach of contract to proceed. After the filing of two amended complaints and the consolidation of the case with a related matter filed on August 23, 2013, entitled *Vermont Pension Investment Committee and the Washington State Investment Board v. Bank of America, N.A. and U.S. Bank National Association*, 10 named plaintiffs filed a third amended complaint on October 31, 2013, on behalf of two proposed classes of purchasers of 35 trusts collateralized mostly by WaMu-originated mortgages (later reduced to 34 trusts).

On June 5, 2014, the parties informed the court that they had reached an agreement in principle to settle the case for an amount not material to the Corporation's results of operations, subject to approval of plaintiffs' boards. The settlement remains subject to final court approval and various conditions. On November 10, 2014, the court preliminarily approved the proposed settlement, and scheduled a final approval hearing for March 12, 2015.

Takefuji Litigation

In April 2010, Takefuji Corporation (Takefuji) filed a claim against Merrill Lynch International and Merrill Lynch Japan Securities (MLJS) in Tokyo District Court. The claim concerns Takefuji's purchase in 2007 of credit-linked notes structured and sold by defendants that resulted in a loss to Takefuji of approximately JPY29.0 billion (approximately $270 million) following an event of default. Takefuji alleges that defendants failed to meet certain disclosure obligations concerning the notes.

On July 19, 2013, the Tokyo District Court issued a judgment in defendants' favor, a decision that Takefuji subsequently appealed to the Tokyo High Court. On August 27, 2014, the Tokyo High Court vacated the decision of the District Court and issued a judgment awarding Takefuji JPY14.5 billion (approximately $135 million) in damages, plus interest at a rate of five percent from March 18, 2008. On September 10, 2014, defendants filed an appeal with the Japanese Supreme Court.

Litigation and Regulatory Matters

Document Follows This Page

Litigation and Regulatory Matters

In the ordinary course of business, the Corporation and its subsidiaries are routinely defendants in or parties to many pending and threatened legal actions and proceedings, including actions brought on behalf of various classes of claimants. These actions and proceedings are generally based on alleged violations of consumer protection, securities, environmental, banking, employment, contract and other laws. In some of these actions and proceedings, claims for substantial monetary damages are asserted against the Corporation and its subsidiaries.

In the ordinary course of business, the Corporation and its subsidiaries are also subject to regulatory and governmental examinations, information gathering requests, inquiries, investigations, and threatened legal actions and proceedings. For example, certain subsidiaries of the Corporation are registered broker-dealers or investment advisors and are subject to regulation by the SEC, the Financial Industry Regulatory Authority, the European Commission, the PRA, the FCA and other international, federal and state securities regulators. In connection with formal and informal inquiries, the Corporation and its subsidiaries receive numerous requests, subpoenas and orders for documents, testimony and information in connection with various aspects of the Corporation's regulated activities.

In view of the inherent difficulty of predicting the outcome of such litigation, regulatory and governmental matters, particularly where the claimants seek very large or indeterminate damages or where the matters present novel legal theories or involve a large number of parties, the Corporation generally cannot predict what the eventual outcome of the pending matters will be, what the timing of the ultimate resolution of these matters will be, or what the eventual loss, fines or penalties related to each pending matter may be.

In accordance with applicable accounting guidance, the Corporation establishes an accrued liability for litigation, regulatory and governmental matters when those matters present loss contingencies that are both probable and estimable. In such cases, there may be an exposure to loss in excess of any amounts accrued. As a litigation, regulatory or governmental matter develops, the Corporation, in conjunction with any outside counsel handling the matter, evaluates on an ongoing basis whether such matter presents a loss contingency that is probable and estimable. When a loss contingency is not both probable and estimable, the Corporation does not establish an accrued liability. If, at the time of evaluation, the loss contingency related to a litigation, regulatory or governmental matter is not both probable and estimable, the matter will continue to be monitored for further developments that would make such loss contingency both probable and estimable. Once the loss contingency related to a litigation, regulatory or governmental matter is deemed to be both probable and

estimable, the Corporation will establish an accrued liability with respect to such loss contingency and record a corresponding amount of litigation-related expense. The Corporation continues to monitor the matter for further developments that could affect the amount of the accrued liability that has been previously established. Excluding expenses of internal or external legal service providers, litigation-related expense of $16.4 billion was recognized for 2014 compared to $6.1 billion for 2013.

For a limited number of the matters disclosed in this Note for which a loss, whether in excess of a related accrued liability or where there is no accrued liability, is reasonably possible in future periods, the Corporation is able to estimate a range of possible loss. In determining whether it is possible to estimate a range of possible loss, the Corporation reviews and evaluates its material litigation, regulatory and governmental matters on an ongoing basis, in conjunction with any outside counsel handling the matter, in light of potentially relevant factual and legal developments. These may include information learned through the discovery process, rulings on dispositive motions, settlement discussions, and other rulings by courts, arbitrators or others. In cases in which the Corporation possesses sufficient appropriate information to estimate a range of possible loss, that estimate is aggregated and disclosed below. There may be other disclosed matters for which a loss is probable or reasonably possible but such an estimate of the range of possible loss may not be possible. For those matters where an estimate of the range of possible loss is possible, management currently estimates the aggregate range of possible loss is $0 to $2.7 billion in excess of the accrued liability (if any) related to those matters. This estimated range of possible loss is based upon currently available information and is subject to significant judgment and a variety of assumptions, and known and unknown uncertainties. The matters underlying the estimated range will change from time to time, and actual results may vary significantly from the current estimate. Those matters for which an estimate is not possible are not included within this estimated range. Therefore, this estimated range of possible loss represents what the Corporation believes to be an estimate of possible loss only for certain matters meeting these criteria. It does not represent the Corporation's maximum loss exposure.

Information is provided below regarding the nature of all of these contingencies and, where specified, the amount of the claim associated with these loss contingencies. Based on current knowledge, management does not believe that loss contingencies arising from pending matters, including the matters described herein, will have a material adverse effect on the consolidated financial position or liquidity of the Corporation. However, in light of the inherent uncertainties involved in these matters, some of which are beyond the Corporation's control, and the very large or indeterminate damages sought in some of these matters, an adverse outcome in one or more of these matters could be material to the Corporation's results of operations or cash flows for any particular reporting period.

Bond Insurance Litigation

Ambac Countrywide Litigation

The Corporation, Countrywide and other Countrywide entities are named as defendants in an action filed on September 29, 2010 and as amended on May 28, 2013, by Ambac Assurance Corporation and the Segregated Account of Ambac Assurance Corporation (together, Ambac), entitled *Ambac Assurance Corporation and The Segregated Account of Ambac Assurance Corporation v. Countrywide Home Loans, Inc., et al.* This action, currently pending in New York Supreme Court, New York County, relates to bond insurance policies provided by Ambac on certain securitized pools of second-lien (and in one pool, first-lien) HELOCs, first-lien subprime home equity loans and fixed-rate second-lien mortgage loans. Plaintiffs allege that they have paid claims as a result of defaults in the underlying loans and assert that the Countrywide defendants misrepresented the characteristics of the underlying loans and breached certain contractual representations and warranties regarding the underwriting and servicing of the loans. Plaintiffs also allege that the Corporation is liable based on successor liability theories. Damages claimed by Ambac are in excess of $2.2 billion and include the amount of payments for current and future claims it has paid or claims it will be obligated to pay under the policies, increasing over time as it pays claims under relevant policies, plus unspecified punitive damages.

On December 30, 2014, Ambac filed a second complaint in the same court against the same defendants, claiming fraudulent inducement against Countrywide and successor and vicarious liability against the Corporation relating t o eight partially Ambac-insured RMBS transactions that closed between 2005 and 2007, all backed by negative amortization pay option adjustable-rate mortgage (ARM) loans that were originated in whole or in part by Countrywide. Seven of the eight securitizations were issued and underwritten by non-parties to the litigation. Ambac claims damages in excess of $600 million consisting of all alleged past and future claims against its policies, plus other unspecified compensatory and punitive damages.

Also on December 30, 2014, Ambac filed a third action in Wisconsin Circuit Court, Dane County, against Countrywide Home Loans, Inc., claiming that it was fraudulently induced to insure portions of five securitizations issued and underwritten in 2005 by a non-party that included Countrywide originated first-lien negative amortization pay option ARM loans. The complaint claims damages in excess of $350 million for all alleged past and future Ambac insured claims payment obligations plus other unspecified compensatory and punitive damages.

Ambac First Franklin Litigation

On April 16, 2012, Ambac sued First Franklin Financial Corp., BANA, MLPF&S, Merrill Lynch Mortgage Lending, Inc. (MLML), and Merrill Lynch Mortgage Investors, Inc. in New York Supreme Court, New York County. Plaintiffs' claims relate to guaranty insurance Ambac provided on a First Franklin securitization (Franklin Mortgage Loan Trust, Series 2007-FFC). The securitization was sponsored by MLML, and certain certificates in the securitization were insured by Ambac. The complaint alleges that defendants breached representations and warranties concerning the origination of the underlying mortgage loans and asserts claims for fraudulent inducement, breach of contract and indemnification. Plaintiffs also assert breach of contract claims against BANA based upon its servicing of the loans in the securitization. The complaint alleges that Ambac has paid hundreds of millions of dollars in claims and has accrued and continues to accrue tens of millions of dollars in additional claims, and Ambac seeks as damages the total claims it has paid and its projected claims payment obligations, as well as specific performance of defendants' contractual repurchase obligations.

On July 19, 2013, the court denied defendants' motion to dismiss Ambac's contract and fraud causes of action but granted dismissal of Ambac's indemnification cause of action. In addition, the court denied defendants' motion to dismiss Ambac's claims for attorneys' fees and punitive damages.

European Commission – Credit Default Swaps Antitrust Investigation

On July 1, 2013, the European Commission (Commission) announced that it had addressed a Statement of Objections (SO) to the Corporation, BANA and Banc of America Securities LLC (together, the Bank of America Entities), a number of other financial institutions, Markit Group Limited, and the International Swaps and Derivatives Association (together, the Parties). The SO sets forth the Commission's preliminary conclusion that the Parties infringed European Union competition law by participating in alleged collusion to prevent exchange trading of CDS and futures. According to the SO, the conduct of the Bank of America Entities took place between August 2007 and April 2009. As part of the Commission's procedures, the Parties have reviewed the evidence in the investigative file, responded to the Commission's preliminary conclusions and attended a hearing before the Commission. If the Commission is satisfied that its preliminary conclusions are proved, the Commission has stated that it intends to impose a fine and require appropriate remedial measures.

Fontainebleau Las Vegas Litigation

On June 9, 2009, *Avenue CLO Fund Ltd., et al. v. Bank of America, N.A., Merrill Lynch Capital Corporation, et al.* was filed in the U.S. District Court for the District of Nevada by certain Fontainebleau Las Vegas, LLC (FBLV) project lenders. Plaintiffs alleged that, among other things, BANA breached its duties as disbursement agent under the agreement governing the disbursement of loaned funds to FBLV, then a Chapter 11 debtor-in-possession. Plaintiffs seek monetary damages of more than $700 million, plus interest. This action was subsequently transferred by the U.S. Judicial Panel on Multidistrict Litigation (JPML) to the U.S. District Court for the Southern District of Florida.

On March 19, 2012, the district court granted BANA's motion for summary judgment on all causes of action against it in its capacity as disbursement agent and denied plaintiffs' motion for summary judgment on those claims. On July 26, 2013, the U.S. Court of Appeals for the Eleventh Circuit affirmed in part and reversed in part the district court's dismissal of the disbursement agent claims against BANA, holding that there were factual disputes that could not be resolved on a summary judgment motion, and remanded the case to the district court for further proceedings.

Dismissal of the other claims was affirmed on a separate appeal. On December 13, 2013, the JPML remanded the action to the District of Nevada for trial.

The parties have settled the action for $300 million, an amount that was fully accrued as of December 31, 2014. Pursuant to the settlement, plaintiffs have stipulated to the voluntary dismissal of their remaining claims with prejudice.

In re Bank of America Securities, Derivative and Employee Retirement Income Security Act (ERISA) Litigation

Beginning in January 2009, the Corporation, as well as certain current and former officers and directors, among others, were named as defendants in a variety of actions filed in state and federal courts. The actions generally concern alleged material misrepresentations and/or omissions with respect to certain securities filings by the Corporation. The securities filings contained information with respect to events that took place from September 2008 through January 2009 contemporaneous with the Corporation's acquisition of Merrill Lynch & Co., Inc. (Merrill Lynch). Certain federal court actions were consolidated and/or coordinated in the U.S. District Court for the Southern District of New York (the District Court) under the caption *In re Bank of America Securities, Derivative and Employee Retirement Income Security Act (ERISA) Litigation*.

Plaintiffs in the consolidated securities class action (the Consolidated Securities Class Action) asserted claims under Sections 14(a), 10(b) and 20(a) of the Securities Exchange Act of 1934, and Sections 11, 12(a)(2) and 15 of the Securities Act of 1933 and asserted damages based on the drop in the stock price upon subsequent disclosures. On April 5, 2013, the District Court granted final approval of the settlement of the Consolidated Securities Class Action. On November 5, 2014, the U.S. Court of Appeals for the Second Circuit affirmed the final approval of the settlement of the Consolidated Securities Class Action. On February 3, 2015, the deadline for filing a petition for writ of certiorari with the U.S. Supreme Court elapsed without any objector filing a petition.

Certain shareholders opted to pursue their claims apart from the Consolidated Securities Class Action. Following settlements in an aggregate amount that was fully accrued as of December 31, 2013, the District Court dismissed the claims of these plaintiffs with prejudice.

In addition, on January 11, 2013, the District Court approved the settlement of claims filed by plaintiffs in a derivative action in the Consolidated Securities Class Action, which also resolved a consolidated derivative action filed in the Delaware Court of Chancery.

In addition, the District Court dismissed a complaint filed by plaintiffs in the ERISA actions in the Consolidated Securities Class Action on August 27, 2010, and the parties stipulated to the withdrawal of the appeal of that decision on January 14, 2013.

Interchange and Related Litigation

In 2005, a group of merchants filed a series of putative class actions and individual actions directed at interchange fees associated with Visa and MasterCard payment card transactions. These actions, which were consolidated in the U.S. District Court for the Eastern District of New York under the caption *In Re Payment Card Interchange Fee and Merchant Discount Anti-Trust Litigation* (Interchange), named Visa, MasterCard and several banks and bank holding companies (BHCs), including the Corporation, as defendants. Plaintiffs allege that defendants conspired to fix the level of default interchange rates and that certain rules of Visa and MasterCard related to merchant acceptance of payment cards at the point of sale were unreasonable restraints of trade. Plaintiffs sought unspecified damages and injunctive relief.

On October 19, 2012, defendants settled the matter. The settlement provides for, among other things, (i) payments by defendants to the class and individual plaintiffs totaling approximately $6.6 billion, allocated proportionately to each defendant based upon various loss-sharing agreements; (ii) distribution to class merchants of an amount equal to 10 bps of default interchange across all Visa and MasterCard credit card transactions for a period of eight consecutive months, to begin by July 29, 2013, which otherwise would have been paid to issuers and which effectively reduces credit interchange for that period of time; and (iii) modifications to certain Visa and MasterCard rules regarding merchant point of sale practices.

The court granted final approval of the class settlement agreement on December 13, 2013. Several class members appealed to the U.S. Court of Appeals for the Second Circuit. In addition, a number of class members opted out of the settlement of their past damages claims. The cash portion of the settlement was adjusted downward as a result of these opt outs.

The Corporation is named in three of the opt-out suits, including one brought by cardholders, and, as a result of various sharing agreements from the main Interchange litigation, the Corporation remains liable for any settlement or judgment in opt-out suits where it is not named as a defendant. All but one of the opt-out suits filed to date have been consolidated in the U.S. District Court for the Eastern District of New York. On July 18, 2014, the court denied defendants' motion to dismiss opt-out complaints filed by merchants, and on November 26, 2014, the court granted defendants' motion to dismiss the Sherman Act claim in the cardholder complaint.

LIBOR, Other Reference Rate and Foreign Exchange (FX) Inquiries and Litigation

The Corporation has received subpoenas and information requests from government authorities in North America, Europe and the Asia Pacific region, including the DoJ, the U.S. Commodity Futures Trading Commission (CFTC) and the FCA, concerning submissions made by panel banks in connection with the setting of LIBOR and other reference rates. The Corporation is cooperating with these inquiries.

In addition, the Corporation and BANA have been named as defendants along with most of the other LIBOR panel banks in a series of individual and class actions in various U.S. federal and state courts relating to defendants' LIBOR contributions. All cases naming the Corporation have been or are in the process of being consolidated for pre-trial purposes in the U.S. District Court for the Southern District of New York by the JPML. The Corporation expects that any future cases naming it will similarly be consolidated for pre-trial purposes. Plaintiffs allege that they held or transacted in U.S. Dollar LIBOR-based derivatives or other financial instruments and sustained losses as a result of collusion or manipulation by defendants regarding the setting of U.S. Dollar LIBOR. Plaintiffs assert a variety of claims, including antitrust and Racketeer Influenced and Corrupt Organizations (RICO), common law fraud, and breach of contract claims, and seek compensatory, treble and punitive damages, and injunctive relief.

In a series of rulings, the court dismissed antitrust, RICO and certain state law claims, while permitting the Commodity Exchange Act and other state law claims to proceed. As a result of a procedural ruling by the Supreme Court, plaintiffs are pursuing an immediate appeal of the dismissal of their antitrust claims. Further, based on the statute of limitations, the court has substantially limited the time period for which manipulation claims under the Commodity Exchange Act may be pursued. As to the Corporation and BANA, the court has also dismissed manipulation claims based on alleged trader conduct, and certain common law claims by plaintiffs who alleged no direct dealings with the Corporation or BANA. Other claims against the Corporation and BANA remain pending, however, and the court is continuing to consider motions regarding them, including the applicability of its prior rulings to subsequently filed actions.

Certain regulatory and government authorities in North America, Europe and the Asia Pacific region are conducting investigations and making inquiries of a significant number of FX market participants, including the Corporation, regarding FX market participants' conduct and systems and controls over multiple years. The Corporation is cooperating with these investigations and inquiries, some of which are likely to lead to regulatory or legal proceedings and expose the Corporation to material penalties, fines or losses, and could adversely affect its reputation.

In particular, in November 2014, the Corporation resolved a matter with the Office of the Comptroller of the Currency (OCC) by agreeing to the imposition of mandatory remedial measures and payment of $250 million in civil penalties associated with the Corporation's FX business and its systems and controls.

The Corporation is in separate advanced discussions to resolve the regulatory matters of concern to another U.S. banking regulator involving the Corporation's FX business and its systems and controls. There can be no assurances that these discussions will lead to a resolution, or of the amount or timing of any such resolution.

In addition, in a consolidated amended complaint filed on March 31, 2014, the Corporation and BANA were named as defendants along with other FX market participants in a putative class action filed in the U.S. District Court for the Southern District of New York on behalf of plaintiffs and a putative class who allegedly transacted in FX and are domiciled in the U.S. or transacted in FX in the U.S. (the U.S. Action). On April 30, 2014, a substantively similar class action was filed against the Corporation and other FX market participants on behalf of a plaintiff and putative class allegedly located in Norway (the Foreign Action). The complaints allege that class members transacted with defendants at or around the time of the fixing of the WM/Reuters Closing Spot Rates or entered into transactions that settled in whole or in part based on the WM/Reuters Closing Spot Rates and that they sustained losses as a result of the defendants' alleged conspiracy to manipulate the WM/Reuters Closing Spot Rates. Plaintiffs in the U.S. Action assert a single claim for violations of Sections 1 and 3 of the Sherman Act, and plaintiff in the Foreign Action asserts claims for violations of the Sherman Act, as well as certain claims under New York statutory and common law. Plaintiffs seek compensatory and treble damages, and declaratory and injunctive relief.

On January 28, 2015, the court denied defendants' motion to dismiss the U.S. Action, finding that plaintiffs had sufficiently pleaded the elements of an antitrust claim. In the same decision, the court granted with prejudice defendants' motion to dismiss the Foreign Action, finding that the Sherman Act does not apply extraterritorially, except in limited circumstances not present in the case, and that plaintiff had failed to plead an actionable state law claim.

Montgomery

The Corporation, several current and former officers and directors, Banc of America Securities LLC (BAS), MLPF&S and other unaffiliated underwriters have been named as defendants in a putative class action filed in the U.S. District Court for the Southern District of New York entitled *Montgomery v. Bank of America, et al.* Plaintiff filed an amended complaint on January 14, 2011. Plaintiff seeks to sue on behalf of all persons who acquired certain series of preferred stock offered by the Corporation pursuant to a shelf registration statement dated May 5, 2006. Plaintiff's claims arise from three offerings dated January 24, 2008, January 28, 2008 and May 20, 2008, from which the Corporation allegedly received proceeds of $15.8 billion. The amended complaint asserts claims under Sections 11, 12(a)(2) and 15 of the Securities Act of 1933, and alleges that the prospectus supplements associated with the offerings: (i) failed to disclose that the Corporation's loans, leases, CDOs and commercial MBS were impaired to a greater extent than disclosed; (ii) misrepresented the extent of the impaired assets by failing to establish adequate reserves or properly record losses for its impaired assets; (iii) misrepresented the adequacy of the Corporation's internal controls in light of the alleged impairment of its assets; (iv) misrepresented the Corporation's capital base and Tier 1 leverage ratio for risk-based capital in light of the allegedly impaired assets; and (v) misrepresented the thoroughness and adequacy of the Corporation's due diligence in connection with its acquisition of Countrywide. The amended complaint seeks rescission, compensatory and other damages. On March 16, 2012, the court granted defendants' motion to dismiss the first amended complaint. On December 3, 2013, the court denied plaintiffs' motion to file a second amended complaint. On February 6, 2014, plaintiffs appealed the denial of their motion to amend to the U.S. Court of Appeals for the Second Circuit.

Mortgage-backed Securities Litigation

The Corporation and its affiliates, Countrywide entities and their affiliates, and Merrill Lynch entities and their affiliates have been named as defendants in a number of cases relating to their various roles as issuer, originator, seller, depositor, sponsor, underwriter and/or controlling entity in MBS offerings, pursuant to which the MBS investors were entitled to a portion of the cash flow from the underlying pools of mortgages. These cases generally include purported class action suits and actions by individual MBS purchasers. Although the allegations vary by lawsuit, these cases generally allege that the registration statements, prospectuses and prospectus supplements for securities issued by securitization trusts contained material misrepresentations and omissions, in violation of the Securities Act of 1933 and/or state securities laws and other state statutory and common laws.

These cases generally involve allegations of false and misleading statements regarding: (i) the process by which the properties that served as collateral for the mortgage loans underlying the MBS were appraised; (ii) the percentage of equity that mortgage borrowers had in their homes; (iii) the borrowers' ability to repay their mortgage loans; (iv) the underwriting practices by which those mortgage loans were originated; (v) the ratings given to the different tranches of MBS by rating agencies; and (vi) the validity of each issuing trust's title to the mortgage loans comprising the pool for that securitization (collectively, MBS Claims). Plaintiffs in these cases generally seek unspecified compensatory damages, unspecified costs and legal fees and, in some instances, seek rescission.

The Corporation, Countrywide, Merrill Lynch and/or their affiliates may have claims for and/or may be subject to claims for contractual indemnification in connection with their various roles in regard to MBS.

On August 15, 2011, the JPML ordered multiple federal court cases involving Countrywide MBS consolidated for pretrial purposes in the U.S. District Court for the Central District of California in a multi-district litigation entitled *In re Countrywide Financial Corp. Mortgage-Backed Securities Litigation* (the Countrywide RMBS MDL).

Federal Home Loan Bank Litigation

On March 15, 2010, the Federal Home Loan Bank of San Francisco (FHLB San Francisco) filed an action in California Superior Court, San Francisco County, entitled *Federal Home Loan Bank of San Francisco v. Credit Suisse Securities (USA) LLC, et al.* FHLB San Francisco's complaint asserts certain MBS Claims against BAS, Countrywide and several related entities in connection with its alleged purchase of 51 MBS offerings and one private placement issued and/or underwritten by those defendants between 2004 and 2007 and seeks rescission and unspecified damages. FHLB San Francisco dismissed the federal claims with prejudice on August 11, 2011. On September 8, 2011, the court denied defendants' motions to dismiss the state law claims. On December 20, 2013, FHLB San Francisco voluntarily dismissed its negligent misrepresentation claims with prejudice. On October 15, 2014, the court denied the parties' cross-motions for summary judgment with respect to two Countrywide trusts that were to be part of a bellwether trial.

The parties have settled the action and other related actions for $420 million, as well as with respect to certain claims, additional consideration; all amounts were fully accrued as of December 31, 2014. Pursuant to the settlement, FHLB San Francisco has voluntarily dismissed its remaining claims with prejudice.

Luther Class Action Litigation and Related Actions

Beginning in 2007, a number of pension funds and other investors filed putative class action lawsuits alleging certain MBS Claims against Countrywide, several of its affiliates, MLPF&S, the Corporation, NB Holdings Corporation and certain other defendants. Those class action lawsuits concerned a total of 429 MBS offerings involving over $350 billion in securities issued by subsidiaries of Countrywide between 2005 and 2007. The actions, entitled *Luther v. Countrywide Financial Corporation, et al., Maine State Retirement System v. Countrywide Financial Corporation, et al., Western Conference of Teamsters Pension Trust Fund v. Countrywide Financial Corporation, et al.*, and *Putnam Bank v. Countrywide Financial Corporation, et al.*, were all assigned to the Countrywide RMBS MDL court. On December 6, 2013, the court granted final approval to a settlement of these actions in the amount of $500 million. Beginning on January 14, 2014, a number of class members appealed to the U.S. Court of Appeals for the Ninth Circuit.

Prudential Insurance Litigation

On March 14, 2013, The Prudential Insurance Company of America and certain of its affiliates (collectively Prudential) filed a complaint in the U.S. District Court for the District of New Jersey, in a case entitled *Prudential Insurance Company of America, et al. v. Bank of America, N.A., et al.* Prudential has named the Corporation, Merrill

Lynch and a number of related entities as defendants. Prudential asserts certain MBS Claims pertaining to 54 MBS offerings from which Prudential alleges that it purchased securities between 2004 and 2007. Prudential seeks, among other relief, compensatory damages, rescission or a rescissory measure of damages, punitive damages and other unspecified relief. On April 17, 2014, the court granted in part and denied in part defendants' motion to dismiss the complaint. Prudential thereafter split its claims into two separate complaints, filing an amended complaint in the original action and a complaint in a separate action entitled *Prudential Portfolios 2, et al. v. Bank of America, N.A., et al.* Both cases are pending in the U.S. District Court for the District of New Jersey. On February 5, 2015, the court granted in part and denied in part defendants' motion to dismiss those complaints, granting plaintiff leave to replead in certain respects.

Mortgage Repurchase Litigation

U.S. Bank Litigation

On August 29, 2011, U.S. Bank, National Association (U.S. Bank), as trustee for the HarborView Mortgage Loan Trust 2005-10 (the Trust), a mortgage pool backed by loans originated by Countrywide Home Loans, Inc. (CHL), filed a complaint in New York Supreme Court, New York County, in a case entitled *U.S. Bank National Association, as Trustee for HarborView Mortgage Loan Trust, Series 2005-10 v. Countrywide Home Loans, Inc. (dba Bank of America Home Loans), Bank of America Corporation, Countrywide Financial Corporation, Bank of America, N.A. and NB Holdings Corporation.* U.S. Bank asserts that, as a result of alleged misrepresentations by CHL in connection with its sale of the loans, defendants must repurchase all the loans in the pool, or in the alternative that it must repurchase a subset of those loans as to which U.S. Bank alleges that defendants have refused specific repurchase demands. U.S. Bank asserts claims for breach of contract and seeks specific performance of defendants' alleged obligation to repurchase the entire pool of loans (alleged to have an original aggregate principal balance of $1.75 billion) or alternatively the aforementioned subset (alleged to have an aggregate principal balance of "over $100 million"), together with reimbursement of costs and expenses and other unspecified relief. On May 29, 2013, the New York Supreme Court dismissed U.S. Bank's claim for repurchase of all the mortgage loans in the Trust. The court granted U.S. Bank leave to amend this claim. On June 18, 2013, U.S. Bank filed its second amended complaint seeking to replead its claim for repurchase of all loans in the Trust. On February 13, 2014, the court granted defendants' motion to dismiss the repleaded claim seeking repurchase of all mortgage loans in the Trust; plaintiff has appealed that order.

On November 13, 2014, the court granted U.S. Bank's motion for leave to amend the complaint; defendants have appealed that order. The amended complaint alleges breach of contract based upon defendants' failure to repurchase loans that were the subject of specific repurchase demands and also alleges breach of contract based upon defendants' discovery, during origination and servicing, of loans with material breaches of representations and warranties.

U.S. Bank Summonses with Notice

On August 29, 2014, U.S. Bank, solely in its capacity as Trustee for seven securitization trusts (the Trusts), served seven summonses with notice commencing potential actions against First Franklin Financial Corporation, Merrill Lynch Mortgage Lending, Inc., Merrill Lynch Mortgage Investors, Inc., and Ownit Mortgage Solutions Inc. in New York Supreme Court, New York County. The summonses indicate that defendants may be subject to breach of contract claims alleging that they breached representations and warranties related to loans securitized in the Trusts. The summonses allege that defendants failed to repurchase breaching mortgage loans from the Trusts. The summonses seek specific performance of defendants' alleged obligation to repurchase breaching loans, declaratory judgment, compensatory, rescissory and other damages, and indemnity. On February 5, 2015, defendants demanded complaints on three of the Trusts. Defendants currently have until March 3, 2015 to demand the complaint with respect to one of the remaining Trusts, and until July 15, 2015 to demand complaints on the final three Trusts.

Ocala Investor Litigation

On November 25, 2009, BNP Paribas Mortgage Corporation (BNP) and Deutsche Bank AG each filed claims (the 2009 Actions) against BANA in the U.S. District Court for the Southern District of New York entitled *BNP Paribas Mortgage Corporation v. Bank of America, N.A* and *Deutsche Bank AG v. Bank of America, N.A.* Plaintiffs allege that BANA failed to properly perform its duties as indenture trustee, collateral agent, custodian and depositary for Ocala Funding, LLC (Ocala), a home mortgage warehousing facility, resulting in the loss of plaintiffs' investment in Ocala. Ocala was a wholly-owned subsidiary of Taylor, Bean & Whitaker Mortgage Corp. (TBW), a home mortgage originator and servicer which is alleged to have committed fraud that led to its eventual bankruptcy. Ocala provided funding for TBW's mortgage origination activities by issuing notes, the proceeds of which were to be used by TBW to originate home mortgages. Such mortgages and other Ocala assets in turn were pledged to BANA, as collateral agent, to secure the notes. Plaintiffs lost most or all of their investment in Ocala when, as the result of the alleged fraud committed by TBW, Ocala was unable to repay the notes purchased by plaintiffs and there was insufficient collateral to satisfy Ocala's debt obligations. Plaintiffs allege that BANA breached its contractual, fiduciary and other duties to Ocala, thereby permitting TBW's alleged fraud to go undetected. Plaintiffs seek compensatory damages and other relief from BANA, including interest and attorneys' fees, in an unspecified amount, but which plaintiffs allege exceeds $1.6 billion.

On March 23, 2011, the court granted in part and denied in part BANA's motions to dismiss the 2009 Actions. Plaintiffs filed amended complaints on October 1, 2012 that included additional contractual, tort and equitable claims. On June 6, 2013, the court granted BANA's motion to dismiss plaintiffs' claims for failure to sue, negligence, negligent misrepresentation and equitable relief.

On November 24, 2014, BANA moved for summary judgment and plaintiffs moved for partial summary judgment.

On February 19, 2015, BANA and BNP reached an agreement in principle to settle the 2009 actions for an amount not material to the Corporation's results of operations, subject to the execution of a final settlement agreement.

O'Donnell Litigation

On February 24, 2012, Edward O'Donnell filed a sealed *qui tam* complaint under the Financial Institutions Reform, Recovery and Enforcement Act of 1989 (FIRREA) and the False Claims Act against the Corporation, individually, and as successor to Countrywide,

CHL and a Countrywide business division known as Full Spectrum Lending. On October 24, 2012, the DoJ filed a complaint-in-intervention to join the matter, adding BANA, Countrywide and CHL as defendants. The action is entitled *United States of America, ex rel, Edward O'Donnell, appearing Qui Tam v. Bank of America Corp., et al.*, and was filed in the U.S. District Court for the Southern District of New York. The complaint-in-intervention asserted certain fraud claims in connection with the sale of loans to FNMA and FHLMC by Full Spectrum Lending and by the Corporation and BANA. On January 11, 2013, the government filed an amended complaint which added Countrywide Bank, FSB (CFSB) and a former officer of the Corporation as defendants. The court dismissed False Claims Act counts on May 8, 2013. On September 6, 2013, the government filed a second amended complaint alleging claims under FIRREA concerning allegedly fraudulent loan sales to the GSEs between August 2007 and May 2008. On September 24, 2013, the government dismissed the Corporation as a defendant.

Following a trial, on October 23, 2013, a verdict of liability was returned against CHL, CFSB and BANA. On July 30, 2014, the court imposed a civil penalty of $1.3 billion on BANA. On February 3, 2015, the court denied the Corporation's motions for judgment as a matter of law, or in the alternative, a new trial. The Corporation will appeal the verdict and judgment.

Pennsylvania Public School Employees' Retirement System

The Corporation and several current and former officers were named as defendants in a putative class action filed in the U.S. District Court for the Southern District of New York entitled *Pennsylvania Public School Employees' Retirement System v. Bank of America, et al.*

Following the filing of a complaint on February 2, 2011, plaintiff subsequently filed an amended complaint on September 23, 2011 in which plaintiff sought to sue on behalf of all persons who acquired the Corporation's common stock between February 27, 2009 and October 19, 2010 and "Common Equivalent Securities" sold in a December 2009 offering. The amended complaint asserted claims under Sections 10(b) and 20(a) of the Securities Exchange Act of 1934 and Sections 11 and 15 of the Securities Act of 1933, and alleged that the Corporation's public statements: (i) concealed problems in the Corporation's mortgage servicing business resulting from the widespread use of the Mortgage Electronic Recording System; (ii) failed to disclose the Corporation's exposure to mortgage repurchase claims; (iii) misrepresented the adequacy of internal controls; and (iv) violated certain Generally Accepted Accounting Principles. The amended complaint sought unspecified damages.

On July 11, 2012, the court granted in part and denied in part defendants' motions to dismiss the amended complaint. All claims under the Securities Act were dismissed against all defendants, with prejudice. The motion to dismiss the claim against the Corporation under Section 10(b) of the Exchange Act was denied. All claims under the Exchange Act against the officers were dismissed, with leave to replead. Defendants moved to dismiss a second amended complaint in which plaintiff sought to replead claims against certain current and former officers under Sections 10(b) and 20(a). On April 17, 2013, the court granted in part and denied in part the motion to dismiss, sustaining Sections 10(b) and 20(a) claims against the current and former officers.

Policemen's Annuity Litigation

On April 11, 2012, the Policemen's Annuity & Benefit Fund of the City of Chicago, on its own behalf and on behalf of a proposed class of purchasers of 41 RMBS trusts collateralized mostly by Washington Mutual-originated (WaMu) mortgages, filed a proposed class action complaint against BANA and other unrelated parties in the U.S. District Court for the Southern District of New York, entitled *Policemen's Annuity and Benefit Fund of the City of Chicago v. Bank of America, N.A. and U.S. Bank National Association*. BANA and U.S. Bank are named as defendants in their capacities as trustees, with BANA (formerly LaSalle Bank National Association) having served as the original trustee and U.S. Bank having replaced BANA as trustee. Plaintiff asserted claims under the federal Trust Indenture Act as well as state common law claims. Plaintiff alleged that, in light of the performance of the RMBS at issue, and in the wake of publicly-available information about the quality of loans originated by WaMu, the trustees were required to take certain steps to protect plaintiff's interest in the value of the securities, and that plaintiff was damaged by defendants' failures to notify it of deficiencies in the loans and of defaults under the relevant agreements, to ensure that the underlying mortgages could properly be foreclosed, and to enforce remedies available for loans that contained breaches of representations and warranties. Plaintiff sought unspecified compensatory damages and/or equitable relief, and costs and expenses. The court dismissed some of the common law claims, but allowed the Trust Indenture Act claim and a claim for breach of contract to proceed. After the filing of two amended complaints and the consolidation of the case with a related matter filed on August 23, 2013, entitled *Vermont Pension Investment Committee and the Washington State Investment Board v. Bank of America, N.A. and U.S. Bank National Association*, 10 named plaintiffs filed a third amended complaint on October 31, 2013, on behalf of two proposed classes of purchasers of 35 trusts collateralized mostly by WaMu-originated mortgages (later reduced to 34 trusts).

On June 5, 2014, the parties informed the court that they had reached an agreement in principle to settle the case for an amount not material to the Corporation's results of operations, subject to approval of plaintiffs' boards. The settlement remains subject to final court approval and various conditions. On November 10, 2014, the court preliminarily approved the proposed settlement, and scheduled a final approval hearing for March 12, 2015.

Takefuji Litigation

In April 2010, Takefuji Corporation (Takefuji) filed a claim against Merrill Lynch International and Merrill Lynch Japan Securities (MLJS) in Tokyo District Court. The claim concerns Takefuji's purchase in 2007 of credit-linked notes structured and sold by defendants that resulted in a loss to Takefuji of approximately JPY29.0 billion (approximately $270 million) following an event of default. Takefuji alleges that defendants failed to meet certain disclosure obligations concerning the notes.

On July 19, 2013, the Tokyo District Court issued a judgment in defendants' favor, a decision that Takefuji subsequently appealed to the Tokyo High Court. On August 27, 2014, the Tokyo High Court vacated the decision of the District Court and issued a judgment awarding Takefuji JPY14.5 billion (approximately $135 million) in damages, plus interest at a rate of five percent from March 18, 2008. On September 10, 2014, defendants filed an appeal with the Japanese Supreme Court.

B. **Statutory Authority:** The City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 et seq. (2002 State Bar Edition), as amended from time-to-time (the **"Act"**), to finance projects that eradicate blighted conditions through the use of tax increment allocation financing for redevelopment projects.

C. **City Council Authority:** To induce redevelopment under the provisions of the Act, the City Council of the City (the "**City Council**") adopted the following ordinances on July 30, 1997: (1) "An Ordinance of the City of Chicago, Illinois Approving a Redevelopment Plan for the Near North Redevelopment Project Area"; (2) "An Ordinance of the City of Chicago, Illinois Designating the Near North Redevelopment Project Area as a Redevelopment Project Area Pursuant to Tax Increment Allocation Redevelopment Act"; and (3) "An Ordinance of the City of Chicago, Illinois Adopting Tax Increment Allocation Financing for the Near North

Redevelopment Project Area" (the "**TIF Adoption Ordinance**"). Collectively the three ordinances are defined as the "**TIF Ordinances**". The Redevelopment Area (as defined below) is legally described on Exhibit A.

E. **Redevelopment Plan:** The Project will be carried out in accordance with this Agreement, the PD and the City of Chicago Near North Redevelopment Project Area Tax Increment Finance Program Redevelopment Plan and Project (the "**Redevelopment Plan**"), and as amended from time-to-time.

F. **City Financing and Assistance:** The City agrees to use, in the amounts set forth in Section 5.03 hereof, Incremental Taxes to pay or reimburse the Developer Parties for the costs of TIF-Funded Improvements pursuant to the terms and conditions of this Agreement. In addition, the City may, in its discretion, issue tax increment allocation bonds ("**TIF Bonds**") secured by Incremental Taxes (as defined below) pursuant to a TIF bond ordinance (the "**TIF Bond Ordinance**"), at a later date as described and conditioned in Section 5.07 hereof. (iv) all easements, encroachments, covenants and restrictions of record and not shown of record;

(v) such other title defects as may exist; and

(vi) any and all exceptions caused by the acts of the Developer Parties or their agents.

(c) Title and Survey. The Developer Parties acknowledge that they have obtained title insurance commitments for the Property, showing the City in title to the Property. The Developer Parties shall be solely responsible for and shall pay all costs associated with updating such title commitments (including all search, continuation and later-date fees), and obtaining any title insurance, extended coverage or other endorsements it deems necessary. The City shall have no obligation to cure title defects; provided; however, if there are exceptions for general real estate tax liens which accrued prior to the Property Closing with respect to the Property, the City shall file a petition to vacate the tax sale in the Circuit Court of Cook County if the tax liens have been sold and/or seek to abate the tax liens by filing a tax abatement letter with the appropriate Cook County authorities or, filing tax injunction proceedings in the Circuit Court of Cook County, but shall have no further obligation with respect to any such taxes. If the City is unable to obtain the waiver or release of any such tax liens or is unable to cause the Title Company to insure over such tax liens, or if the Property is encumbered with any other unpermitted exceptions, the Developer Parties shall have the option to do one of the following: (a) accept title to the Property subject to the unpermitted exceptions, which shall then become permitted exceptions; or (b) terminate this Agreement by delivery of written notice to the City at least fourteen (14) days prior to the scheduled date for the Property Closing.

The Developer Parties shall obtain and furnish the City with three (3) copies of a survey of the Property at the Developer Parties' sole cost and expense.

(d) Property Closing. The conveyance of the Property shall take place on the date of the Property Closing at the downtown offices of the Title Company or such other place as the parties may mutually agree upon in writing; provided, however, in no event shall the closing of the land sale occur unless the Developer Parties have satisfied all conditions precedent set forth in this Agreement, unless DPD, in its sole discretion, waives such conditions. On or before the Closing Date, the City shall deliver to the Title Company the Deed, all necessary state, county and municipal real estate transfer tax declarations, and an ALTA statement. The City will not provide a gap undertaking.

(e) Recordation of Quitclaim Deed and Other Documents. The Developer shall promptly record the Deed in the Office of the Recorder of Deeds of Cook County, Illinois and shall pay to record the Deed, this Agreement, and any other documents incident to the conveyance of the Property.

3.02 **Escrow.** In the event that the Developer Parties require conveyance through an escrow, the Developer Parties shall pay all escrow fees.

3.03 **Environmental Condition of the Property.** The City makes no covenant, representation or warranty as to the soil or environmental condition of the Property or the suitability of the Property for any purpose whatsoever, and the Developer Parties agree to accept the Property "as is". If after the Property Closing, the soil or environmental condition of the Property is not in all respects entirely suitable for the use to which the Property is to be utilized, it shall be the sole responsibility and obligation of the Developer Parties to take such action as is necessary to put the Property in a condition suitable for such intended use. The Developer Parties agree to release the City from any claims and liabilities relating to or arising from the environmental condition of the Property (including, without limitation, claims under CERCLA) and to undertake and discharge all liabilities of the City arising from any environmental condition which existed on the Property prior to the Property Closing.

The Developer Parties hereby waive and release the City from and against, any claims and liabilities relating to or arising from the structural, physical or environmental condition of the Property, including, without limitation, claims arising under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended ("**CERCLA**"), and shall undertake and discharge all liabilities of the City arising from any structural, physical or environmental condition that existed on the Property prior to the Property Closing, including, without limitation, liabilities arising under CERCLA. The Developer Parties hereby acknowledge that, in purchasing the Property, the Developer Parties are relying solely upon their own inspection and other due diligence activities and not upon any information (including, without limitation, environmental studies or reports of any kind) provided by or on behalf of the City or its agents or employees with respect thereto. The Developer Parties shall perform such studies and investigations, conduct such tests and surveys, and engage such specialists as the Developer Parties deems appropriate to evaluate fairly the structural, physical and environmental condition and risks of the Property. If, after the Property Closing, the structural, physical and environmental condition of the Property is not in all respects entirely suitable for their intended use, it shall be the Developer Parties' sole but collective responsibility and obligation to take such action as is necessary to put the Property in a condition which is suitable for their intended use.

3.04 **Restrictions on Use.** The Developer Parties agree that they:

(a) Shall devote the Property solely to the Project;

(b) Shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the use or occupancy of the Property or any part thereof or the Project or any part thereof.

(c) Shall devote the Property to a use consistent with the Redevelopment Plan.

The covenant contained in this Section 4.04 shall terminate upon the expiration of the Redevelopment Plan as such expiration may be amended from time to time in accordance with and pursuant to applicable law.

SECTION FOUR: THE PROJECT

4.01 **The Project.** The Developer Parties will: (i) begin redevelopment construction no later than ninety days after the Closing Date, and (ii) complete redevelopment construction no later than the third anniversary of the Closing Date, subject to the provisions of Section 19.16 (Force Majeure).

4.02 **Scope Drawings and Plans and Specifications.** Developer has delivered the Scope Drawings and Plans and Specifications to DPD and DPD has approved them. After such initial approval, subsequent proposed changes to the Scope Drawings or Plans and Specifications within the scope of Section 4.04 will be submitted to DPD as a Change Order under Section 4.04. The Scope Drawings and Plans and Specifications will at all times conform to the Redevelopment Plan as in effect on the date of this Agreement, and all applicable Federal, State and local laws, ordinances and regulations. Developer will submit all necessary documents to the City's Department of Buildings, Department of Transportation, and to such other City departments or governmental authorities as may be necessary to acquire building permits and other required approvals for the Project.

4.03 **Project Budget.** Developer has furnished to DPD, and DPD has approved, a Project Budget which is Exhibit C-1, showing total costs for the Project in an amount not less

than $39,776,055. Developer hereby certifies to the City that: (a) in addition to City Funds, the Lender Financing and/or Equity described in Exhibit K shall be sufficient to pay for all Project costs; and (b) the Project Budget is true, correct and complete in all material respects as of the date hereof. Developer will promptly deliver to DPD copies of any Change Orders with respect to the Project Budget as provided in Section 4.04.

4.04 **Change Orders.** All Change Orders (and documentation substantiating the need and identifying the source of funding therefor) relating to material changes to the Project must be submitted by the Developer to DPD for DPD's prior written approval. The Developer shall not authorize or permit the performance of any work relating to any Change Order or the furnishing of materials in connection therewith prior to the receipt by the Developer of DPD's written approval. The Construction Contract, and each contract between the General Contractor and any subcontractor, shall contain a provision to this effect. An approved Change Order shall not be deemed to imply any obligation on the part of the City to increase the amount of City Funds which the City has pledged pursuant to this Agreement or provide any other additional assistance to the Developer.

4.05 **DPD Approval.** Any approval granted by DPD under this Agreement of the Scope Drawings, Plans and Specifications and the Change Orders is for the purposes of this Agreement only, and any such approval does not affect or constitute any approval required by any other City department or under any City ordinance, code, regulation, or any other governmental approval, nor does any such approval by DPD under this Agreement constitute approval of the utility, quality, structural soundness, safety, habitability, or investment quality of the Project.

4.06 **Other Approvals.** Any DPD approval under this Agreement will have no effect upon, nor will it operate as a waiver of, the Developer Parties' obligations to comply with the provisions of Section 6.03 (Other Governmental Approvals).

4.07 **Progress Reports and Survey Updates.** After the Closing Date, on or before the 15th day of January, April, July and October, Developer will provide DPD with written quarterly construction progress reports detailing the status of the Project, including a revised completion date, if necessary (with any delay in completion date being considered a Change Order, requiring DPD's written approval under Section 4.04). Developer must also deliver to the City written progress reports by draw, but not less than quarterly, detailing compliance with the requirements of Section 9.08 (Prevailing Wage), Section 11.02 (City Resident Construction Worker Employment Requirement) and Section 11.03 (Developer's MBE/WBE Commitment). If the reports reflect a shortfall in compliance with the requirements of Sections 9.08, 11.02 and 11.03, then there must also be included a written plan from Developer acceptable to DPD to address and cure such shortfall. At Project completion, upon the request of DPD, Developer will provide 3 copies of an updated Survey to DPD reflecting improvements made to the Property.

4.08 **Inspecting Agent or Architect.** The independent agent or architect (other than Developer's architect) selected by the lender providing Lender Financing will also act as the inspecting agent or architect for DPD for the Project, and any fees and expenses connected with its work or incurred by such independent agent or architect will be solely for Developer's account and will be promptly paid by Developer. The inspecting agent or architect will perform periodic inspections with respect to the Project, providing written certifications with respect thereto to DPD, prior to requests for disbursements for costs related to the Project.

4.09 **Barricades.** Developer has installed (or shall install) a construction barricade of a type and appearance satisfactory to the City and which barricade was constructed in compliance with all applicable Federal, State or City laws, ordinances, rules and regulations. DPD retains the right to approve the maintenance, appearance, color scheme, painting, nature,

type, content, and design of all barricades (other than the name and logo of the Project) installed after the date of this Agreement.

4.10 **Signs and Public Relations.** Developer will erect in a conspicuous location on the Property during the Project a sign of commercially reasonable size and style, indicating that financing has been provided by the City. The City reserves the right to include the name, photograph, artistic rendering of the Project and any other pertinent, non-confidential information regarding Developer and the Project in the City's promotional literature and communications.

4.11 **Utility Connections.** Developer may connect all on-site water, sanitary, storm and sewer lines constructed as a part of the Project to City utility lines existing on or near the perimeter of the Property, provided Developer first complies with all City requirements governing such connections, including the payment of customary fees and costs related thereto.

4.12 **Permit Fees.** In connection with the Project, Developer is obligated to pay only those building, permit, engineering, tap on, and inspection fees that are assessed on a uniform basis throughout the City of Chicago and are of general applicability to other property within the City of Chicago.

4.13 **Accessibility for Disabled Persons.** Developer acknowledges that it is in the public interest to design, construct and maintain the Project in a manner that promotes, enables, and maximizes universal access throughout the Project. Plans for all buildings on the Property and related improvements have been reviewed and approved by the Mayor's Office for People with Disabilities ("MOPD") to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.

SECTION FIVE: FINANCING

5.01 **Total Project Cost and Sources of Funds.** The cost of the Project is estimated to be $39,776,055 to be applied in the manner stated in the Project Budget and funded from the sources identified in Exhibit K.

5.02 **Developer Funds.** Equity and Lender Financing will be used to pay the majority of Project costs, including but not limited to costs of TIF-Funded Improvements.

5.03 **City Funds.**

(a) Uses of City Funds. City Funds may only be used to pay directly or reimburse the Developer Parties for costs of TIF-Funded Improvements that constitute Redevelopment Project Costs. Exhibit D sets forth, by line item, the TIF-Funded Improvements for the Project, and the maximum amount of costs that may be paid by or reimbursed from City Funds for each line item therein (subject to Section 5.03(b) and subject to revision by approved Change Orders), contingent upon receipt by the City of documentation satisfactory in form and substance to DPD evidencing such cost and its eligibility as a Redevelopment Project Cost.

(b) Sources of City Funds. Subject to the terms and conditions of this Agreement, including but not limited to this Section 5.03 and Section 6 hereof, the City hereby agrees to provide up to $8,100,000 of City funds (the "City Funds") from Available Incremental Taxes to pay for or reimburse the Developer Parties for the costs of the TIF-Funded Improvements; provided, however, that the $8,100,000 to be derived from Available Incremental Taxes and/or TIF Bond proceeds, if any, shall be available to pay costs related to TIF-Funded Improvements and allocated by the City for that purpose only so long as the amount of the Available Incremental Taxes deposited into the Redevelopment Project Area Special Tax Allocation Fund

shall be sufficient to pay for such costs. The City hereby represents to the Developer Parties that except for the Prior TIF Obligations the City has not made a senior or superior pledge of Incremental Taxes to any entity, party or person.

The Developer Parties acknowledge and agree that the City's obligation to pay for TIF-Funded Improvements up to a maximum of $8,100,000 is contingent upon the fulfillment of the conditions set forth above. In the event that such conditions are not fulfilled, the amount of Equity to be contributed by the Developer Parties pursuant to Section 5.01 hereof or Lender Financing shall increase proportionately. In the event that the final certified Project costs are less than the Project Budget, the City and CHA shall share the savings on a pro-rata basis. The City's share of the savings shall be deducted from the final installment paid to the Developer Parties after the issuance of the Final Certificate.

(c) Disbursement of City Funds. Subject to the terms and conditions of this Agreement, including but not limited to this Section 5.03, Section 5.08 and Section 6 hereof, the City shall disburse the City Funds in five payments as follows: (i) $2,025,000 upon the completion of 25% of the construction of the Project as evidenced by an Architect's Certificate; (ii) $2,025,000 upon the completion of 50% of the construction of the Project as evidenced by an Architect's Certificate; (iii) $2,025,000 upon the completion of 75% of the construction of the Project as evidenced by an Architect's Certificate; (iv) $1,012,500 upon the issuance by DPD of the Substantial Completion Certificate; and (v) $1,012,500 upon the issuance by DPD of the Final Certificate.

5.04 **Construction Escrow**. The City and the Developer Parties hereby agree to enter into the Escrow Agreement. All disbursements of Project funds shall be made through the funding of draw requests with respect thereto pursuant to the Escrow Agreement and this Agreement. In case of any conflict between the terms of this Agreement and the Escrow Agreement, the terms of this Agreement shall control.

5.05 **Sale or Transfer of the Property or Project by Developer.**

(a) Prior to the Date of Issuance of the Final Certificate. Subject to Sections 5.05(c) and 17.01 below, Developer must obtain the prior approval of the City for any sale or transfer of any part of the Property or the Project prior to the issuance of the Final Certificate. Such approval by the City will be subject to the reasonable discretion requirement stated in Section 19.19.

(b) Prior to the End of the Affordability Covenant. Subject to Sections 5.05(c) and 17.01 below, if Developer shall enter into a sale or transfer of any part of the Residential Project prior to the termination of the affordability covenant set forth in Section 9.19, Developer agrees to remit City Funds to the City in an amount equal to $202,500 multiplied by X, where X equal 40 minus the number of years elapsed since the date of the Final Certificate.

(c) Sales of Assets or Equity. For purposes of this Section 5.05, the phrase: "sale or transfer of any part of the Residential Project" includes any sales or transfers which are a part of the sale or transfer of all or substantially all of Developer's assets or equity. Notwithstanding anything in this Section 5.05 to the contrary, the foregoing restrictions of this Section 5.05 and the penalty due in accordance with Section 5.05(b) do not apply to: (i) Developer's investor member to transfer its investor member interest to any person at any time, (ii) the removal by the investor member of the Manager, in accordance with Developer's operating agreement, provided the substitute managing member is acceptable to City in its reasonable discretion, (iii) Manager's pledge of Manager's rights, title and interest in and to Developer and under Developer's operating agreement as collateral for Developer's obligations under any Lender Financing; (iv) transfers to any condominium association or community association; (v) any

dedications or easements required by the subdivision, PD or applicable law and (vi) any sale or transfer of the Residential Project that is explicitly made subject to the Affordability Covenant. Developer must, however during the Term of the Agreement, notify the City not less than 60 days after any transfer is made.

(d) Sale and Transfer of the Commercial Project. Notwithstanding any other provision of this Agreement, after the issuance of the Substantial Completion Certificate, Developer will convey the Commercial Project to Clydiv Commercial LLC, an Illinois limited liability company.

5.06 **Treatment of Prior Expenditures.** Only those expenditures made by the Developer Parties with respect to the Project prior to the Closing Date, evidenced by documentation satisfactory to DPD and approved by DPD as satisfying costs covered in the Project Budget, will be considered previously contributed Equity or Lender Financing, if any, hereunder (the "**Prior Expenditure(s)**"). DPD has the right, in its sole discretion, to disallow any such expenditure (not listed on Exhibit F) as a Prior Expenditure as of the date hereof. Exhibit F states the prior expenditures approved by DPD as Prior Expenditures. Prior Expenditures made for items other than TIF-Funded Improvements will not be reimbursed to the Developer Parties, but will reduce the amount of Equity and/or Lender Financing, if any, required to be contributed by the Developer Parties under Section 5.01.

5.07 **Cost Overruns.** If the aggregate cost of the TIF-Funded Improvements exceeds City Funds available under Section 5.03, the Developer Parties will be solely responsible for such excess costs, and will hold the City harmless from any and all costs and expenses of completing the TIF-Funded Improvements in excess of City Funds and from any and all costs and expenses of completing the Project in excess of the Project Budget.

5.08 **Preconditions of Disbursement.** Prior to each disbursement of City Funds hereunder, the Developer Parties shall submit documentation regarding the applicable expenditures to DPD, which shall be satisfactory to DPD in its sole discretion. Delivery by the Developer Parties to DPD of any request for disbursement of City Funds hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for disbursement, that:

(a) the total amount of the disbursement request represents the actual amount payable to (or paid to) the General Contractor and/or subcontractors who have performed work on the Project, and/or their payees;

(b) all amounts shown as previous payments on the current disbursement request have been paid to the parties entitled to such payment;

(c) the Developer Parties have approved all work and materials for the current disbursement request, and such work and materials substantially conform to the Plans and Specifications;

(d) the representations and warranties contained in this Redevelopment Agreement are true and correct in all material respects and the Developer Parties are in compliance with all covenants contained herein;

(e) the Developer Parties have received no notice and have no knowledge of any liens or claim of lien either filed or threatened against the Property except for the Permitted Liens and Non-Governmental Charges in accordance with Section 9.14(b);

(f) no Event of Default or condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default exists or has occurred; and

(g) the Project is In Balance. The Project shall be deemed to be in balance ("**In Balance**") only if the total of the available Project funds equals or exceeds the aggregate of the amount necessary to pay all unpaid Project costs incurred or to be incurred in the completion of the Project. "**Available Project Funds**" as used herein shall mean: (i) the undisbursed City Funds; (ii) the undisbursed Lender Financing, if any; (iii) the undisbursed Equity and (iv) any other amounts deposited by the Developer pursuant to this Agreement. The Developer Parties hereby agree that, if the Project is not In Balance, the Developer Parties shall, within 10 days after a written request by the City, defer developer fee or other amounts due the Developer, or deposit with the escrow agent or will make available (in a manner acceptable to the City), cash in an amount that will place the Project In Balance, which deposit shall first be exhausted before any further disbursement of the City Funds shall be made.

The City shall have the right, in its discretion, to require the Developer Parties to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and any disbursement by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct in all material respects; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Developer Parties. In addition, the Developer Parties shall have satisfied all other preconditions of disbursement of City Funds for each disbursement, including but not limited to requirements set forth in the Bond Ordinance, if any, TIF Bond Ordinance, if any, the Bonds, if any, the TIF Bonds, if any, the TIF Ordinances, this Agreement and/or the Escrow Agreement.

5.09 **Conditional Grant**. The City Funds being provided hereunder are being granted on a conditional basis, subject to the Developer Parties' compliance with the provisions of this Agreement. The City Funds are subject to being reimbursed as provided in Sections 5.05, 8.03 and 16.02 hereof.

5.10 **TIF Bonds.** The Commissioner of DPD may, in his or her sole discretion, recommend that the City Council approve an ordinance or ordinances authorizing the issuance of TIF Bonds in an amount which, in the opinion of the City Comptroller, is marketable under the then current market conditions. The costs of issuance of the TIF Bonds would be borne solely by the City. The Developer Parties will cooperate with the City in the issuance of the TIF Bonds, as provided in Section 9.05.

SECTION SIX: CONDITIONS PRECEDENT

The following conditions precedent to closing must be complied with to the City's satisfaction within the time periods set forth below or, if no time period is specified, prior to the Closing Date:

(b) Prior to the Closing Date, Developer will deliver to DPD a copy of the Escrow Agreement. The Escrow Agreement must provide that DPD will receive copies of all construction draw request materials submitted by Developer after the date of this Agreement.

The Title Policy will be dated as of the Closing Date and will contain only those title exceptions listed as Permitted Liens on Exhibit G and will evidence the recording of this Agreement under the provisions of Section 9.17. 6.07 **Surveys.** Developer will have furnished the City with 3 copies of the Survey.

6.08 **Insurance.** Developer, at its own expense, will have insured the Property and the Project as required under Section 13. Prior to the Closing Date, certificates required under Section 13 evidencing the required coverages will have been delivered to DPD.

6.09 **Opinions of Developer Parties' Counsel.** On the Closing Date, the Developer Parties will furnish the City with an opinion of counsel, substantially in the form of Exhibit H, with such changes as may be required by or acceptable to Corporation Counsel. If the Developer Parties have engaged special counsel in connection with the Project, and such special counsel is unwilling or unable to give some of the opinions stated in Exhibit H, such opinions shall be obtained by the Developer Parties from its general corporate counsel.

SECTION SEVEN: AGREEMENTS WITH CONTRACTORS

7.01 **Bid Requirement for General Contractor and Subcontractors.**

(a) DPD acknowledges that Developer has selected McShane Construction Inc. or an Affiliate as the General Contractor for the Project. Developer will cause the General Contractor to solicit bids for work on the Project solely from qualified subcontractors eligible to do business with the City of Chicago.

(b) Developer must submit copies of the Construction Contract to DPD as required under Section 7.02 below. Upon the written request of the City, Developer will provide photocopies of all subcontracts entered or to be entered into in connection with the Project within five (5) Business Days of the execution thereof. The Developer must ensure that the General Contractor will not (and must cause the General Contractor to ensure that the subcontractors will not) begin work on the Project (or any phase thereof) until the applicable Plans and Specifications for that phase have been approved by the City and all requisite permits have been obtained.

7.02 **Construction Contract.** Prior to the execution thereof, Developer must deliver to DPD a copy of the proposed Construction Contract with the General Contractor selected to work on the Project, for DPD's prior written approval. Following execution of such contract by Developer, the General Contractor and any other parties thereto, Developer must deliver to DPD and Corporation Counsel a certified copy of such contract together with any modifications, amendments or supplements thereto.

7.03 **Performance and Payment Bonds.** Prior to commencement of construction of any work in the public way, Developer will require that the General Contractor and any applicable subcontractor(s) be bonded (as to such work in the public way) for their respective payment and performance by sureties having an AA rating or better using the bond form attached as Exhibit I. The City will be named as obligee or co-obligee on such bond.

7.04 **Employment Opportunity.** Developer will contractually obligate and cause the General Contractor to agree and contractually obligate each subcontractor to agree to the provisions of Section 11; provided, however, that the contracting, hiring and testing requirements associated with the MBE/WBE and the City resident obligations in Section 11 shall be applied on an aggregate basis and the failure of the General Contractor to require each subcontractor to satisfy or the failure of any one subcontractor to satisfy, such obligation shall not result in a default or a termination of this Agreement or require payment of the City resident hiring shortfall amounts so long as such Section 11 obligations are satisfied on an aggregate basis.

7.05 **Other Provisions.** In addition to the requirements of this Section 7, the Construction Contract and each contract with any subcontractor must contain provisions required under Section 4.04 (Change Orders), Section 9.08 (Prevailing Wage), Section 11.01(e) (Employment Opportunity), Section 11.02 (City Resident Construction Worker Employment Requirement), Section 11.03 (Developer's MBE/WBE Commitment), Section 13 (Insurance) and Section 15.01 (Books and Records).

8.01 **Certificate of Completion of Construction**. (a) Upon each of the substantial completion and the final completion of the construction of the Project in accordance with the terms of this Agreement, and upon the Developer's written request, DPD shall issue to the Developer either the Substantial Completion Certificate or the Final Certificate, as applicable. The Final Certificate shall be in recordable form (substantially in the form attached hereto as Exhibit N) certifying that the Developer has fulfilled its obligation to complete the Project in accordance with the terms of this Agreement. DPD shall respond to the Developer's written request for either certificate within forty-five (45) days by issuing either the requested certificate or a written statement detailing the ways in which the Project does not conform to this Agreement or has not been satisfactorily completed (or substantially completed in the case of the Substantial Completion Certificate), and the measures which must be taken by the Developer in order to obtain the requested certificate. The Developer may resubmit a written request for either certificate upon completion of such measures.

(b) The Substantial Completion Certificate will not be issued until the following requirements have been met:

(i) The Developer has obtained a partial or temporary Certificate of Occupancy that covers all 84 residential units, and commercial space;

(ii) The 84 residential units, and the commercial space have been constructed substantially according to the Plans and Specifications;

(iii) There exists neither an Event of Default (after any applicable cure period) which is continuing nor a condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default; and

(iv) Developer has incurred costs for TIF-Funded Improvements in an amount equal to or higher than $7,087,500.

(c) The Final Certificate will not be issued until the following requirements have been met:

(i) The City's Monitoring and Compliance unit has determined in writing that the Developer is in complete compliance with all City requirements (M/WBE, City residency and prevailing wage) as required in this Agreement;

(ii) The Project, including all 84 residential units, the parking spaces and all related improvements, has been completed;

(iii) The Developer has received a Certificate of Occupancy from the City or other evidence reasonably acceptable to DPD that the Developer has complied with building permit requirements; and

(iv) Developer has incurred costs for TIF-Funded Improvements or such amounts are included in the Project Budget in an amount equal to or higher than $8,100,000.

8.02 **Effect of Issuance of Certificate; Continuing Obligations.**

(a) The Final Certificate relates only to the construction of the Project, and upon its issuance, the City will certify that the terms of the Agreement specifically related to Developer Parties' obligation to complete such activities have been satisfied. After the issuance of the Final Certificate, however, all executory terms and conditions of this Agreement and all representations and covenants contained herein will continue to remain in full force and effect throughout the Term of the Agreement as to the parties described in the following paragraph, and the issuance of the Final Certificate must not be construed as a waiver by the City of any of its rights and remedies under such executory terms.

(b) Those covenants specifically described at Section 9.02 (Covenant to Redevelop), Section 9.18 (Real Estate Provisions), and Section 9.19 (Affordability Requirements) as covenants that run with the land are the only covenants in this Agreement intended to be binding upon any transferee of the Property (including an assignee as described in the following sentence) throughout the Term of the Agreement, provided that (a) upon the issuance of the Final Certificate the covenants of Section 9.02 (Covenant to Redevelop) shall be deemed fulfilled and (b) upon the issuance of the Substantial Completion Certificate, the covenant of Section 9.19 (Affordability Requirements) shall not apply to and be deemed released from the Commercial Project. The other executory terms of this Agreement that remain after the issuance of the Final Certificate will be binding only upon Developer or a permitted assignee of Developer who, as provided in Section 19.14 (Assignment) of this Agreement, has contracted to take an assignment of Developer's rights under this Agreement and assume Developer's liabilities hereunder.

(a) the right to terminate this Agreement and cease all disbursement of City Funds not yet disbursed under this Agreement;

(b) the right (but not the obligation), upon not less than thirty (30) days prior written notice to the Developer to complete those TIF-Funded Improvements that are public improvements and to pay for the costs of such TIF-Funded Improvements (including interest costs) out of City Funds or other City monies. If the aggregate cost of completing the TIF-Funded Improvements exceeds the amount of City Funds available under Section 5.01, the Developer Parties will reimburse the City for all reasonable costs and expenses incurred by the City in completing such TIF-Funded Improvements in excess of the available City Funds; and

(c) the right to seek reimbursement of the City Funds from the Developer Parties, provided that the City is entitled to rely on an opinion of counsel that such reimbursement will not jeopardize the tax-exempt status, if any, of any TIF Bonds.

8.04 **Notice of Expiration of Term of Agreement.** Upon the expiration of the Term of the Agreement, DPD will provide the Developer Parties, at their written request, with a written notice in recordable form stating that the Term of the Agreement has expired.

The Developer Parties will cooperate and provide reasonable assistance in connection with the marketing of any such Bonds, including but not limited to providing written descriptions of the Project, making representations, providing information regarding its financial condition, and assisting the City in its preparation of an offering statement with respect thereto. None of the Developer Parties will have any liability with respect to any disclosures made in connection with any such issuance that are actionable under applicable securities laws unless such disclosures are based on factual information provided by the Developer Parties that is determined to be false and misleading.

9.06 **Employment Opportunity.**

Developer will submit to DPD a plan describing its compliance program prior to the Closing Date.

(b) Developer will deliver to the City written progress reports by draw, but not less than quarterly, detailing compliance with the requirements of Sections 9.08, 11.02 and 11.03 of this Agreement. If any such reports indicate a shortfall in compliance, Developer will also deliver a plan to DPD which will outline, to DPD's satisfaction, the manner in which Developer will correct any shortfall

9.07 **Employment Profile.** Developer will submit, and contractually obligate and cause the General Contractor to submit and contractually obligate any subcontractor to submit, to DPD, from time to time, statements of its employment profile upon DPD's request.

In addition, if requested by DPD, Developer will submit unaudited financial statements as soon as reasonably practical following the close of each fiscal year and for such other periods as DPD may request.

9.13 **Insurance.** Solely at its own expense, Developer will comply with all provisions of Section 13 hereof.

9.14 **Non-Governmental Charges.**

(a) Payment of Non-Governmental Charges. Except for the Permitted Liens, and subject to subsection (b) below, Developer agree to pay or cause to be paid when due any Non-Governmental Charges assessed or imposed upon the Project, or any fixtures that are or may become attached thereto and which are owned by Developer, which create, may create, or

appear to create a lien upon all or any portion of the Project; provided however, that if such Non-Governmental Charges may be paid in installments, Developer may pay the same together with any accrued interest thereon in installments as they become due and before any fine, penalty, interest, or cost may be added thereto for nonpayment. Developer will furnish to DPD, within thirty (30) days of DPD's request, official receipts from the appropriate entity, or other evidence satisfactory to DPD, evidencing payment of the Non-Governmental Charges in question.

(b) Right to Contest. Developer will have the right, before any delinquency occurs:

(i) to contest or object in good faith to the amount or validity of any Non-Governmental Charges by appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charges, prevent the imposition of a lien or remove such lien, or prevent the transfer or forfeiture of the Property (so long as no such contest or objection shall be deemed or construed to relieve, modify or extend Developer's covenants to pay any such Non-Governmental Charges at the time and in the manner provided in this Section 9.14); or

(ii) to furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD will require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such transfer or forfeiture of the Property or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully any such contested Non-Governmental Charges and all interest and penalties upon the adverse determination of such contest.

9.15 **Developer Parties' Liabilities.** The Developer Parties will not enter into any transaction that would materially and adversely affect its ability to perform its obligations under this Agreement. The Developer Parties will immediately notify DPD of any and all events or actions which may materially affect such party's ability to carry on its business operations or perform its obligations under this Agreement or any other documents and agreements related to this Agreement or the Project.

9.16 **Compliance with Laws.** To the best of the Developer Parties' knowledge, after diligent inquiry, the Property and the Project are in compliance with all applicable Federal, State and local laws, statutes, ordinances, rules, regulations, executive orders and codes pertaining to or affecting the Property and the Project. Upon the City's request, the Developer Parties will provide evidence satisfactory to the City of such current compliance.

9.17 **Recording and Filing.** The Developer Parties will cause this Agreement, certain exhibits (as specified by Corporation Counsel) and all amendments and supplements hereto to be recorded and filed on the date hereof in the conveyance and real property records of Cook County, Illinois against the Property. The Developer Parties will pay all fees and charges incurred in connection with any such recording. Upon recording, The Developer Parties will immediately transmit to the City an executed original of this Agreement showing the date and recording number of record.

9.18 **Real Estate Provisions.**

(a) Governmental Charges.

(i) Payment of Governmental Charges. Subject to subsection (ii) below, Developer agrees to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon Developer, the Property or the Project, or become due and payable, and which create, may create, or appear to create a lien upon Developer or all or any portion of the Property or the Project. **"Governmental Charge"** means all Federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties of the State other than Cook County, and municipalities other than the City) relating to Developer, the Property, or the Project, including but not limited to real estate taxes.

(ii) Right to Contest. Developer has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or transfer or forfeiture of the Property. No such contest or objection will be deemed or construed in any way as relieving, modifying or extending Developer's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless Developer has given prior written notice to DPD of Developer's intent to contest or object to a Governmental Charge and, unless, at DPD's sole option:

(x) Developer will demonstrate to DPD's satisfaction that legal proceedings instituted by Developer contesting or objecting to a Governmental Charge will conclusively operate to prevent or remove a lien against, or the sale or transfer or forfeiture of, all or any part of the Property to satisfy such Governmental Charge prior to final determination of such proceedings, and/or;

(y) Developer will furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD may require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or transfer or forfeiture of the Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

(b) Developer's Failure To Pay Or Discharge Lien. If Developer fail to pay or contest any Governmental Charge or to obtain discharge of the same as required by this Section 9.18, Developer will advise DPD thereof in writing, at which time DPD may, but will not be obligated to, and without waiving or releasing any obligation or liability of Developer under this Agreement, in DPD's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which DPD deems advisable. All sums so paid by DPD, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, will be promptly disbursed to DPD by Developer. Notwithstanding anything contained herein to the contrary, this paragraph must not be construed to obligate the City to pay any such Governmental Charge. Additionally, if Developer fail to pay any Governmental Charge, the City, in its sole discretion, may require Developer to submit to the City audited Financial Statements at Developer's own expense.

9.19 **Affordability Requirements.**

(a) Affordable Units. Of the 84 units comprising the Residential Project, 40 units (or 47.6% of the Residential Project's units) shall be affordable to households with AMI not greater than 60%, of which 24 units (or 31% of the Project's units) shall be CHA Units; 10 units (or 12% of the Project's units) shall be affordable to households with AMI not greater than 80% but not reserved for CHA households; 2 units (2.4% of the Residential Projects units) shall be CHA units affordable to households with AMI not greater than 80%; and 32 units shall not have any affordability restrictions.

(b) CHA Units. The Developer Parties agree and covenant to the City that, prior to any foreclosure of the Property by a lender providing Lender Financing, the provisions of that certain Regulatory Agreement executed by the Developer and DPD as of the date hereof shall govern the terms of the Developer's obligation to provide affordable housing. Following foreclosure, if any, and from the date of such foreclosure through the date set forth in subparagraph (c) below, the following provisions shall govern the terms of the obligation to provide affordable housing under this Agreement:

(i) All of the CHA Units shall be operated and maintained solely as residential rental housing;

(ii) 24 of the 26 CHA Units shall be available for occupancy to and be occupied solely by Low Income Families (as defined below) upon initial occupancy; and

(iii) 24 of the 26 CHA Units have monthly rents not in excess of thirty percent (30%) of the maximum allowable income for a Low Income Family (with the applicable Family size for such units determined in accordance with the rules specified in Section 42(g)(2) of the Internal Revenue Code of 1986, as amended); provided, however, that for any unit occupied by a Family (as defined below) that no longer qualifies as a Low Income Family due to an increase in such Family's income since the date of its initial occupancy of such unit, the maximum monthly rent for such unit shall not exceed thirty percent (30%) of such Family's monthly income.

(iv) As used in this Section 9.19, the following terms have the following meanings:

(A) "Family" shall mean one or more individuals, whether or not related by blood or marriage; and

(B) "Low Income Families" shall mean Families whose annual income does not exceed sixty percent (60%) of the Chicago-area median income, adjusted for Family size, as such annual income and Chicago-area median income are determined from time to time by the United States Department of Housing and Urban Development, and thereafter such income limits shall apply to this definition.

(c) The covenants set forth in this Section 9.19 shall run with the land for a period of forty (40) years from the date of the Final Certificate and be binding upon any transferee. Provided, however, upon the issuance of the Substantial Completion Certificate the Commercial Project shall be released from and no longer subject to the covenants of this Section 9.19.

(d) The City and the Developer Parties may enter into a separate agreement to implement the provisions of this Section 9.19;

9.21 **Broker's Fees.** Developer has no liability or obligation to pay any fees or commissions to any broker, finder, or agent with respect to any of the transactions contemplated by this Agreement for which the City could become liable or obligated.

9.22 **No Business Relationship with City Elected Officials.** The Developer Parties acknowledge receipt of a copy of Section 2-156-030(b) of the Municipal Code and that the Developer Parties have read and understand such provision. Under Section 2-156-030(b) of the Municipal Code of Chicago, it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected official has a "Business Relationship" (as defined in Section 2-156-080(b)(2) of the Municipal Code), or to participate in any discussion of any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship. Violation of Section 2-156-030(b) by any elected official, or any person acting at the direction of such official, with respect to this Agreement, or in connection with the transactions contemplated thereby, will be grounds for termination of this Agreement and the transactions contemplated thereby. The Developer Parties hereby represents and warrants that, to the best of its knowledge after due inquiry, no violation of Section 2-156-030(b) has occurred with respect to this Agreement or the transactions contemplated thereby.

9.23 **Environmental Features.** The design of the Project incorporates the following environmentally-friendly elements for which Developer shall be responsible: permeable materials for all walkways, patios and driveways; high efficiency heating and hot water (including a solar thermal hot water boosting gas hot water); high insulation values in the windows and walls using environmentally-friendly insulation; insulated domestic hot water tanks; energy star advanced lighting package; recycled/recovered content gypsum wallboard; energy star labeled roofing materials; energy star rated programmable thermostat; low toxic adhesives; natural or recycled-content carpet pad; minimal VOC content paint and finishes, water-based lacquer finishes on woodwork and water-based urethane finishes.

9.24 **Annual Compliance Report**. Beginning with the issuance of the Final Certificate and continuing throughout the Term of the Agreement, the Developer shall submit to DPD the Annual Compliance Report within 30 days after the end of the calendar year to which the Annual Compliance Report relates.

9.25 **Survival of Covenants.** All warranties, representations, covenants and agreements of the Developer Parties contained in this Section 9 and elsewhere in this Agreement are true, accurate and complete at the time of the Developer Parties' execution of this Agreement, and will survive the execution, delivery and acceptance by the parties and (except as provided in Section 8 upon the issuance of the Final Certificate) will be in effect throughout the Term of the Agreement.

SECTION TEN: REPRESENTATIONS, WARRANTIES AND COVENANTS OF CITY

10.01 **General Covenants.** The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations hereunder.

10.02 **Survival of Covenants.** All warranties, representations, and covenants of the City contained in this Section 10 or elsewhere in this Agreement shall be true, accurate, and

complete at the time of the City's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

SECTION ELEVEN: DEVELOPER PARTIES' EMPLOYMENT OBLIGATIONS

11.01 **Employment Opportunity.** Developer, on behalf of itself and its successors and assigns, hereby agrees, and shall contractually obligate its various contractors, subcontractors or any Affiliate of Developer operating on the Project (collectively, with Developer, such parties are defined herein as the **"Employers,"** and individually defined herein as an **"Employer"**) to agree, that for the Term of this Agreement with respect to Developer and during the period of any other party's provision of services in connection with the construction of the Project or occupation of the Property:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time-to-time (the **"Human Rights Ordinance"**). Each Employer must take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, must state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Redevelopment Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

(c) Each Employer will comply with all applicable Federal, State and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the State Human Rights Act, 775 ILCS 5/1-101 et. seq. (2002 State Bar Edition, as amended), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section, will cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of Federal, State and municipal agencies.

(e) Each Employer will include the foregoing provisions of subparagraphs (a) through (d) in every construction contract entered into in connection with the Project (other than

for remediation and demolition entered into prior to the date of this Agreement), and will require inclusion of these provisions in every subcontract entered into by any subcontractors and every agreement with any Affiliate operating on the Property, so that each such provision will be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 11.01 will be a basis for the City to pursue remedies under the provisions of Section 16.02 hereof, subject to the cure rights under Section 16.03.

11.02 **City Resident Construction Worker Employment Requirement.**

(a) Developer agrees for itself and its successors and assigns, and will contractually obligate its General Contractor and will cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they will comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code of Chicago (at least 50 percent of the total worker hours worked by persons on the site of the Project will be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, Developer, its General Contractor and each subcontractor will be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions. Developer, the General Contractor and each subcontractor will use their respective best efforts to exceed the minimum percentage of hours stated above, and to employ neighborhood residents in connection with the Project.

(b) Developer may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

(c) **"Actual residents of the City"** means persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

(d) Developer, the General Contractor and each subcontractor will provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer will maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

(e) Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) will be submitted to the Commissioner of DPD in triplicate, which will identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

(f) Upon 5 Business Days prior written notice, Developer, the General Contractor and each subcontractor will provide full access to their employment records related to the Construction of the Project to the Chief Procurement Officer, the Commissioner of DPD, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. Developer, the General Contractor and each subcontractor will maintain all relevant personnel data and records related to the Construction of the Project for a period of at least 3 years after final acceptance of the work constituting the Project.

(g) At the direction of DPD, affidavits and other supporting documentation will be required of Developer, the General Contractor and each subcontractor to verify or clarify an

employee's actual address when doubt or lack of clarity has arisen.

(h) Good faith efforts on the part of Developer, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) will not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

(i) When work at the Project is completed, in the event that the City has determined that Developer has failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual residents of the City or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project Budget undertaken by Developer (and specifically excluding any tenant improvements which are not undertaken by Developer) (the product of .0005 x such aggregate hard construction costs) (as the same will be evidenced by approved contract value for the actual contracts) will be surrendered by Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly will result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject Developer, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to Developer pursuant to Section 2-92-250 of the Municipal Code of Chicago may be withheld by the City pending the Chief Procurement Officer's determination as to whether Developer must surrender damages as provided in this paragraph.

(j) Nothing herein provided will be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

(k) Developer will cause or require the provisions of this Section 11.02 to be included in all construction contracts and subcontracts related to the Project (other than contracts for remediation and demolition entered into prior to the date of this Agreement).

11.03 **Developer's MBE/WBE Commitment.** The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that during the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the **"Procurement Program"**), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the **"Construction Program,"** and collectively with the Procurement Program, the **"MBE/WBE Program"**), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 11.03, during the course of the Project, at least the following percentages of the aggregate hard construction costs (as set forth in the Project Budget) shall be expended for contract participation by minority-owned businesses (**"MBEs"**) and by women-owned businesses (**"WBEs"**):

(1) At least 24 percent by MBEs.

(2) At least four percent by WBEs.

(b) For purposes of this Section 11.03 only:

(i) The Developer (and any party to whom a contract is let by Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(ii) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iii) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, Developer's MBE/WBE commitment may be achieved in part by Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by Developer utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials or services used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to Developer's MBE/WBE commitment as described in this Section 11.03. In accordance with Section 2-92-730, Municipal Code of Chicago, Developer shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of DPD.

(d) The Developer shall deliver quarterly reports to the City's monitoring staff during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by Developer or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by Developer, on five Business Days' notice, to allow the City to review Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if

such status was misrepresented by the disqualified party, Developer shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(f) Any reduction or waiver of Developer's MBE/WBE commitment as described in this Section 11.03 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

(g) Prior to the commencement of the Project, Developer shall be required to meet with the City's monitoring staff with regard to Developer's compliance with its obligations under this Section 11.03. The General Contractor and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, Developer shall demonstrate to the City's monitoring staff its plan to achieve its obligations under this Section 11.03, the sufficiency of which shall be approved by the City's monitoring staff. During the Project, Developer shall submit the documentation required by this Section 11.03 to the City's monitoring staff, including the following: (i) subcontractor's activity report; (ii) contractor's certification concerning labor standards and prevailing wage requirements; (iii) contractor letter of understanding; (iv) monthly utilization report; (v) authorization for payroll agent; (vi) certified payroll; (vii) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (viii) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that Developer is not complying with its obligations under this Section 11.03, shall, upon the delivery of written notice to Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to Developer to halt the Project, (2) withhold any further payment of any City Funds to Developer or the General Contractor, or (3) seek any other remedies against Developer available at law or in equity.

SECTION TWELVE: ENVIRONMENTAL MATTERS

12.01 **Environmental Matters.** Developer hereby represents and warrants to the City that Developer has conducted environmental studies sufficient to conclude that the Project may be constructed, completed and operated in accordance with all Environmental Laws (taking into account the anticipated issuance and applicability of any NFRLs issued with respect to the Property), this Agreement and all Exhibits, the Scope Drawings, the Plans and Specifications and all amendments thereto, the TIF Bond Ordinance, if any, and the Redevelopment Plan.

(a) the failure of the Developer Parties to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of such party under this Agreement or any related agreement;

(b) the failure of the Developer Parties to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations under any other agreement with any person or entity if such failure may have a material adverse effect on the Developer Parties' business, property (including the Property or the Project), assets (including the Property or the Project), operations or condition, financial or otherwise;

(c) the making or furnishing by the Developer Parties to the City of any representation, warranty, certificate, schedule, report or other communication within or in connection with this Agreement or any related agreement which is untrue or misleading in any material respect when made;

is involuntary, such action will not constitute an Event of Default unless such proceedings are not dismissed within 120 days after the commencement of such proceedings;

(f) the appointment of a receiver or trustee for Developer, for any substantial part of Developer's assets, or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of Developer; provided, however, that if such appointment or commencement of proceedings is involuntary, such action will not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within 120 days after the commencement thereof;

(g) the entry of any judgment or order against Developer for an amount in excess of $1.0 million which remains unsatisfied or undischarged and in effect for 60 days after such entry without a stay of enforcement or execution;

For purposes of Section 16.01(j) hereof, a natural person with a material interest in the Developer Parties is one owning in excess of thirty-three percent (33%) of such party's (or such party's ultimate parent entity's) issued and outstanding ownership shares or interest.

16.02 **Remedies.** Upon the occurrence of an Event of Default, the City may terminate this Agreement and any other agreements to which the City and the Developer Parties are or shall be parties and/or suspend disbursement of City Funds, except as otherwise provided in Section 5.03(c)(vii). The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to injunctive relief or the specific performance of the agreements contained herein. To the extent permitted by law, the City may also lien the Property. Without limiting the generality of the foregoing, with respect to Events of Defaults by the Developer Parties prior to the issuance of a Final Certificate, the City shall be entitled to seek reimbursement of City Funds from the Developer Parties.

16.03 **Curative Period.**

(a) In the event the Developer Parties fail to perform a monetary covenant which it is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default will not be deemed to have occurred unless the applicable party has failed to perform such monetary covenant within 10 days of its receipt of a written notice from the City specifying that it has failed to perform such monetary covenant.

(b) In the event the Developer Parties fail to perform a non-monetary covenant which it is required to perform under this Agreement, an Event of Default will not be deemed to have occurred unless the applicable party has failed to cure such default within 30 days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such 30 day period, the applicable party will not be deemed to have committed an Event of Default under this

Agreement if it has commenced to cure the alleged default within such 30 day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

16.04 **Right to Cure by the Limited Partner and/or Citibank**. If a default occurs under this Agreement and as a result thereof, the City intends to exercise any right or remedy available to it that could result in termination of this Agreement and all related agreements, or the suspension, cancellation, reduction or reimbursement of City Funds disbursed hereunder, or any other remedy under this Agreement, the City shall prior to exercising such right or remedy, send notice of such intended exercise to the Limited Partner and Citibank, and the Limited Partner (including, without limitation, by exercise of management take over rights of the Owner under its partnership agreement) and Citibank shall have the right (but not the obligation) to cure such default as follows:

(a) if a monetary default exists, the Limited Partner may cause to be cured such monetary default within 90 days after the later of (and Citibank, except as provided in Section 16.04(h) below, and the City shall take no action during such 90 day period): (i) the expiration of the cure period, if any, granted under Section 16.03 to Developer Parties with respect to such monetary default; or (ii) receipt by the Limited Partner and Citibank of notice of default from the City. If the Limited Partner does not cause such monetary default to be cured within such 90-day time period set forth in the preceding sentence, then Citibank may cure such monetary default in the manner set forth in Section 16.04(c); and

(b) if a non-monetary default exists (except for a Personal Developer Default, as later defined), the Limited Partner may cause to be cured such non-monetary default within 90 days after the later of (and Citibank, except as provided in Section 16.04(h) below, and the City shall take no action during such 90 day period): (i) the expiration of the cure period, if any, granted under Section 16.03 to Developer with respect to such non-monetary default; or (ii) receipt by the Limited Partner and Citibank of notice of default from the City. If the Limited Partner does not cause such non-monetary default to be cured within such 90-day time period set forth in the preceding sentence, then Citibank may cure such monetary default in the manner set forth in Section 16.04(d); and

(c) if a monetary default exists, Citibank may cure such monetary default within 60 days after the later of (and the non-electing party and the City shall take no action during such 60-day period): (i) the expiration of the Limited Partner's 90-day cure period; or (ii) receipt by Citibank of notice from the City that the Limited Partner has failed to cure the default within the timeframe set forth in Section 16.04(a) above; and

(e)(1) If such non-monetary default would be an Event of Default set forth in Section 16.01(e), (f), (g), (i) or (j) hereof (each such default being a "Personal Developer Default"), the Limited Partner or Citibank (as applicable and in that strict order as more fully provided in this Section 16.04(e) below and not otherwise, the "Electing Party"), may provide written notice (the

"Assumption Notice") to the City and the Limited Partner or Citibank (as applicable, the "Non-Electing Parties") within 30 days of receipt of notice from the City of such Personal Developer Default, as more fully provided in Section 16.04(e)(2) below. If notice is delivered within said 30-day period, the Electing Party shall, in accordance with Section 16.04(e)(2) below, either cure or cause to be cured such Personal Developer Default by the assignment pursuant to Section 19.14 hereof of all of the Developer Parties' rights, obligations and interests in this Agreement to the Electing Party or any other party agreed to in writing by Citibank and the City, which assumption shall be deemed to cure the Personal Developer Default.

(2) Upon receipt by the City and Citibank of an Assumption Notice from the Limited Partner pursuant to subsection (e)(1) above, the cure period shall be extended for such reasonable period of time as may be necessary to complete such assignment and assumption of the Developer Parties' rights, obligations and interests in this Agreement (but in no event longer than 90 days without the written consent of the City and Citibank). If the Limited Partner does not (i) provide such Assumption Notice within the 30-day period specified in subsection (e)(1), or (ii) identify to the City and the Non-Electing Parties any other party (which may be an affiliate of the Limited Partner other than any of the Developer Parties) to assume the Developer Parties' rights, obligations and interests in this Agreement within 30 days from the date of the Assumption Notice, then Citibank shall have 30 days to cure such Personal Developer Default by the assignment, in accordance with the provisions of Section 18.14 hereof, of all of the Developer Parties' rights, obligations and interests in this Agreement to Citibank, or an affiliate thereof, or any other party agreed to in writing by Citibank and the City.

(f) If such Personal Developer Default is not cured by the Limited Partner or Citibank within the timeframes set forth in Section 16.04(e), then the City shall have available all remedies set forth in this Agreement, including those in Sections 16.02.

(g) During all such times as a Personal Developer Default exists and remains uncured after the expiration of all cure periods, no payments of City Funds shall occur until such time as such Personal Developer Default is thereafter cured.

(h) The City agrees that at any time during which an Event of Default has occurred under the Lender Financing Documents, during the period that Citibank is diligently and continuously pursuing actions or remedies under the Lender Financing, with or without the Developer Parties, which are intended to cause substantial completion of the Project, and, as part of such actions or remedies, continues to fund or make advances to pay Project costs, the City shall likewise forbear from exercising its remedies under Section 16.02.

(i) Notwithstanding anything to the contrary contained in this Agreement, including, without limitation, the continuation of any cure periods under Section 16.03 and Section 16.04, in the event Citibank initiates a foreclosure proceeding, or the Limited Partner and Citibank provide a joint notice of discontinuance of actions or remedies intending to achieve substantial completion, the City may immediately commence to exercise any and all of the remedies specified in Section 16.02 above.

SECTION SEVENTEEN: MORTGAGING OF THE PROJECT

17.01 **Mortgaging of the Project.** All mortgages or deeds of trust in place as of the date hereof with respect to the Property or any portion thereof are listed on Exhibit G (including but not limited to mortgages made prior to or on the date hereof in connection with Lender Financing) and are referred to herein as the "**Existing Mortgages.**" Any mortgage or deed of trust that Developer may hereafter elect to record or permit to be recorded against the Property or any portion thereof without obtaining the prior written consent of the City is referred to herein as a "**New Mortgage.**" Any mortgage or deed of trust that Developer may hereafter elect to record or permit to be recorded against the Property or any portion thereof with the prior written consent of the City is referred to herein as a **"Permitted Mortgage."** It is hereby agreed by and between the City and the Developer as follows:

(a) If a mortgagee or any other party shall succeed to Developer's interest in the Property or any portion thereof by the exercise of remedies under a mortgage or deed of trust (other than an Existing Mortgage or a Permitted Mortgage) whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of Developer's interest hereunder in accordance with Section 19.14 hereof, the City may, but will not be obligated to, attorn to and recognize such party as the successor in interest to Developer for all purposes under this Agreement and, unless so recognized by the City as the successor in interest, such party will be entitled to no rights or benefits under this Agreement, but such party will be bound by those provisions of this Agreement that are covenants expressly running with the land specified in Section 8.02.

(b) If any mortgagee or any other party shall succeed to Developer's interest in the Property or any portion thereof by the exercise of remedies under an Existing Mortgage or a Permitted Mortgage, whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of Developer's interest hereunder in accordance with Section 19.14 hereof, then the City hereby agrees to attorn to and recognize such party as the successor in interest to Developer for all purposes under this Agreement so long as such party accepts all of the executory obligations and liabilities of a "Developer" hereunder. Notwithstanding any other provision of this Agreement to the contrary, it is understood and agreed that if such party accepts an assignment of Developer's interest under this Agreement, such party will have no liability under this Agreement for any Event of Default of Developer or other claim of the City against the Developer based on events which occurred prior to the time such party succeeded to the interest of Developer under this Agreement, nor shall the City have the right to record a lien against or otherwise enforce any remedies hereunder against the Project, in which case Developer will be solely responsible. If the City placed a lien on the Project pursuant to Section 16.02 hereof in connection with an Event of Default of Developer or other claim of the City against the Developer based on events which accrued prior to the time such party succeeded to the interest of the Developer under this Agreement, the City shall release such lien upon written request to do so by such succeeding mortgagee. However, if such mortgagee under a Permitted Mortgage or an Existing Mortgage does not expressly accept an assignment of Developer's interest hereunder, such party will be entitled to no rights and benefits under this Agreement, and such party will be bound only by those provisions of this Agreement, if any, which are covenants expressly running with the land specified in Section 8.02.

(c) Prior to the issuance by the City to Developer of a Final Certificate under Section 8 hereof, no New Mortgage will be executed with respect to the Property or the Project or any portion thereof without the prior written consent of the Commissioner of DPD. A feature of such consent will be that any New Mortgage will subordinate its mortgage lien to the covenants in favor of the City that run with the land. After the issuance of a Final Certificate, consent of the Commissioner of DPD is not required for any such New Mortgage.

OPINION OF COUNSEL FOR DEVELOPER PARTIES

[To be retyped on Developer Parties' Counsel's letterhead]

_____, 2015
City of Chicago
City Hall, Room 600
121 North LaSalle Street
Chicago, IL 60602

ATTENTION: Corporation Counsel

Ladies and Gentlemen:

We have acted as counsel to Clydiv, LLC, an Illinois limited liability company (the "Developer") and Cabrini Green CDC-SPE, LLC, an Illinois limited liability company (the "Sponsor"), in connection with the construction of certain improvements on _____ _____ located in the Near North Redevelopment Project Area (the "Project"). In that capacity, we have examined, among other things, the following agreements, instruments and documents of even date herewith, hereinafter referred to as the "Documents":

(a) Clybourn Division Rental Project Redevelopment Agreement (the "Agreement") of even date herewith, executed by Developer and the City of Chicago (the "City"); and

(b) all other agreements, instruments and documents executed in connection with the foregoing.

In addition to the foregoing, we have examined

(a) the original or certified, conformed or photostatic copies of Developer's and Sponsor's (i) Certificate of Organization, as amended to date, (ii) Amended and Restated Agreement of Limited Liability Company, (iii) qualifications to do business and certificates of good standing in all states in which Developer is qualified to do business, and (iv) records of all corporate proceedings relating to the Project; and

(b) such other documents, records and legal matters as we have deemed necessary or relevant for purposes of issuing the opinions hereinafter expressed.

In all such examinations, we have assumed the genuineness of all signatures (other than those of Developer), the authenticity of documents submitted to us as originals and conformity to the originals of all documents submitted to us as certified, conformed or photostatic copies.

Based on the foregoing, it is our opinion that:

1. Each of Developer and Sponsor is a limited liability company duly organized, validly existing and in good standing under the laws of its state of organization, has

full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a foreign organization under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business.

2. Each of Developer and Sponsor has full right, power and authority to execute and deliver the Documents to which it is a party and to perform its obligations thereunder. Such execution, delivery and performance will not conflict with, or result in a breach of, Developer's or Sponsor's Certificate of Organization or Amended and Restated Agreement of Limited Liability Company or result in a breach or other violation of any of the terms, conditions or provisions of any law or regulation, order, writ, injunction or decree of any court, government or regulatory authority, or, to the best of our knowledge after diligent inquiry, any of the terms, conditions or provisions of any agreement, instrument or document to which Developer or Sponsor is a party or by which Developer or Sponsor or its respective properties is bound. To the best of our knowledge after diligent inquiry, such execution, delivery and performance will not constitute grounds for acceleration of the maturity of any agreement, indenture, undertaking or other instrument to which Developer is a party or by which it or any of its property may be bound, or result in the creation or imposition of (or the obligation to create or impose) any lien, charge or encumbrance on, or security interest in, any of its property pursuant to the provisions of any of the foregoing, other than in favor of any lender providing lender financing.

3. The execution and delivery of each Document and the performance of the transactions contemplated thereby have been duly authorized and approved by all requisite action on the part of Developer and Sponsor.

4. Each of the Documents to which Developer is a party has been duly executed and delivered by a duly authorized officer of Developer, and each such Document constitutes the legal, valid and binding obligation of Developer, enforceable in accordance with its terms, except as limited by applicable bankruptcy, reorganization, insolvency or similar laws affecting the enforcement of creditors' rights generally. Each of the Documents to which Sponsor is a party has been duly executed and delivered by a duly authorized officer of Sponsor, and each such Document constitutes the legal, valid and binding obligation of Sponsor, enforceable in accordance with its terms, except as limited by applicable bankruptcy, reorganization, insolvency or similar laws affecting the enforcement of creditors' rights generally.

5. Exhibit A attached hereto (a) identifies the members and managers of Developer and the percentage interest held by each member. To the best of our knowledge after diligent inquiry, except as set forth on Exhibit A, there are no warrants, options, rights or commitments of purchase, conversion, call or exchange or other rights or restrictions with respect to any of the equity of Developer. Each outstanding interest of Developer is duly authorized, validly issued, fully paid and nonassessable. Exhibit B attached hereto (a) identifies the members and managers of Sponsor and the percentage interest held by each member. To the best of our knowledge after diligent inquiry, except as set forth on Exhibit B, there are no warrants, options, rights or commitments of purchase, conversion, call or exchange or other rights or restrictions with respect to any of the equity of Sponsor. Each outstanding interest of Sponsor is duly authorized, validly issued, fully paid and nonassessable.

6. To the best of our knowledge after diligent inquiry, no judgments are outstanding against Developer, nor is there now pending or threatened, any litigation, contested claim or governmental proceeding by or against Developer or affecting Developer or its property, or seeking to restrain or enjoin the performance by Developer of the Agreement or the transactions contemplated by the Agreement, or contesting the validity thereof. To the best of

our knowledge after diligent inquiry, Developer is not in default with respect to any order, writ, injunction or decree of any court, government or regulatory authority or in default in any respect under any law, order, regulation or demand of any governmental agency or instrumentality, a default under which would have a material adverse effect on Developer or its business.

7. To the best of our knowledge after diligent inquiry, there is no default by Developer or any other party under any material contract, lease, agreement, instrument or commitment to which Developer is a party or by which the company or its properties is bound.

8. To the best of our knowledge after diligent inquiry, all of the assets of Developer are free and clear of mortgages, liens, pledges, security interests and encumbrances except for those specifically set forth in the Documents.

9. The execution, delivery and performance of the Documents by Developer have not and will not require the consent of any person or the giving of notice to, any exemption by, any registration, declaration or filing with or any taking of any other actions in respect of, any person, including without limitation any court, government or regulatory authority.

10. To the best of our knowledge after diligent inquiry, Developer owns or possesses or is licensed or otherwise has the right to use all licenses, permits and other governmental approvals and authorizations, operating authorities, certificates of public convenience, goods carriers permits, authorizations and other rights that are necessary for the operation of its business.

11. A federal or state court sitting in the State of Illinois and applying the choice of law provisions of the State of Illinois would enforce the choice of law contained in the Documents and apply the law of the State of Illinois to the transactions evidenced thereby.

We are attorneys admitted to practice in the State of Illinois and we express no opinion as to any laws other than federal laws of the United States of America or the laws of the State of Illinois.

This opinion is issued at Developer's and Sponsor's request for the benefit of the City and its counsel, and may not be disclosed to or relied upon by any other person.

Very truly yours,

_____

TO THE HONORABLE, THE CITY COUNCIL
OF THE CITY OF CHICAGO

Ladies and Gentlemen:

At the request of the Commissioner of Planning and Development, I transmit herewith an ordinance authorizing the ceding of volume cap to the Chicago Housing Authority in conjunction with a senior housing project.

Your favorable consideration of this ordinance will be appreciated.

Very truly yours,

Rahm Emanuel

Mayor

ORDINANCE

WHEREAS, the City of Chicago (the "City"), a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois, has heretofore found and does hereby find that there exists within the City a serious shortage of decent, safe and sanitary rental housing available to persons of low and moderate income; and

WHEREAS, the City has determined that the continuance of a shortage of affordable rental housing is harmful to the health, prosperity, economic stability and general welfare of the City; and

WHEREAS, pursuant to Section 146 of the Internal Revenue Code of 1986, as amended, the City, as a constitutional home rule city, is allocated a certain amount of volume cap per calendar year in connection with the issuance of tax-exempt bonds by the City; and

WHEREAS, the Illinois Private Activity Bond Allocation Act, 30 ILCS 345/1 et seq., as amended, provides, among other things, that the corporate authorities of any home rule unit may reallocate all or any portion of its unused allocation of volume cap; and

WHEREAS, the City has available unused volume cap from calendar year 2015 ("2015 Cap") and may have available certain unused volume cap from calendar year 2016 ("2016 Cap"); and

WHEREAS, the Chicago Housing Authority (the "CHA"), an Illinois municipal corporation, desires to issue up to $35,000,000 of tax-exempt multi-family housing revenue bonds (the "Bonds") to finance a portion of the costs of acquisition, rehabilitation, and equipping of an affordable housing development located at 3916 W. Washington Blvd. in the City (the "Property"), which will consist of approximately 181 residential rental dwelling units for low-income senior families (the "Project") to be owned by Fannie Emmanuel Senior Housing Limited Partnership, an Illinois limited partnership (the "Owner"), the general partner of which is Fannie Emanuel Housing Development, LLC, an Illinois limited liability company, and has been advised by its bond counsel that all or a portion of the Bonds requires the allocation of volume cap; and

WHEREAS, the CHA has requested that the City reallocate a portion of its unused 2015 Cap, if available, or a portion of its unused 2016 Cap in 2016, if available, to the CHA for the Bonds, pursuant to an intergovernmental agreement between the City and the CHA for that purpose; and

WHEREAS, it is anticipated that (i) the Owner will be eligible to claim low income housing tax credits (the "Tax Credits") pursuant to Section 42 of the Internal Revenue Code of 1986, in connection with the Project, and (ii) the Tax Credits for the Project will be administered by the City's Department of Planning and Development; and

WHEREAS, this ordinance now sets forth the request for City Council's authorization of the reallocation to the CHA of a portion of its unused 2015 Cap in 2015, if available, or a portion of its unused 2016 Cap in 2016, if available; now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The above recitals are expressly incorporated in and made a part of this ordinance as though fully set forth herein.

SECTION 2. The City hereby authorizes the Chief Financial Officer of the City appointed by the Mayor or, if there is no such officer then holding said office, the City Comptroller (such officer being referred to herein as the "Chief Financial Officer"), to reallocate, effective on the date of issuance of the Bonds, up to $35,000,000 of the City's unused 2015 Cap (the "2015 Reallocation") for application by the CHA to the Bonds; provided that if the Bonds are not issued as of or prior to 11:00 P.M. on December 31, 2015, the 2015 Reallocation shall not be made. The exact amount of the 2015 Reallocation shall be determined by the Chief Financial Officer based on the best interests of the City and on the amount of 2015 Cap available at the time of the 2015 Reallocation. If the 2015 Reallocation is not made, then the Chief Financial Officer is authorized to reallocate in connection with the issuance of the Bonds up to $35,000,000 of the City's unused 2016 Cap (the "2016 Reallocation") for application by the CHA to the Bonds; provided that if the Bonds are not issued as of or prior to 11:00 P.M. on December 31, 2016, the 2016 Reallocation shall not be made. The exact amount of the 2016 Reallocation shall be determined by the Chief Financial Officer based on the best interests of the City and on the amount of 2016 Cap available at the time of the 2016 Reallocation. The Chief Financial Officer is further authorized to determine, based on the best interests of the City, the amount, if any, of any compensation to be paid by the CHA to the City in consideration for the 2015 Reallocation or 2016 Reallocation. Any such compensation paid to the City shall be used for any affordable housing-related activities of the City. After the 2015 Reallocation or 2016 Reallocation have been made, the Chief Financial Officer shall file a certificate with the City Clerk stating the amount of 2015 Cap, if applicable, or 2016 Cap, if applicable, reallocated to the CHA pursuant to this ordinance.

SECTION 3. The Chief Financial Officer is hereby authorized, subject to the approval of the Corporation Counsel, to enter into such agreements and other documents, including agreements with the CHA, in connection with the Reallocation as shall be deemed necessary or desirable by the Chief Financial Officer.

SECTION 4. To the extent that any ordinance, resolution, rule, order or provision of the Municipal Code of Chicago (the "Municipal Code"), or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall control. If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this ordinance. Section 2-45-110 of the Municipal Code shall not apply to the Project or the Property.
