WHEREAS, the City has determined that the continuance of a shortage of affordable rental housing is harmful to the health, prosperity, economic stability and general welfare of the City; and

WHEREAS, the City has certain funds available from a variety of funding sources ("Multi-Family Program Funds") to make loans and grants for the development of multi-family residential housing to increase the number of families served with decent, safe, sanitary and affordable housing and to expand the long-term supply of affordable housing, and such Multi-Family Program Funds are administered by the City's Department of Planning and Development ("DPD"); and

WHEREAS, DPD has preliminarily reviewed and approved the making of a loan to Midway Pointe, LLC, an Illinois limited liability company (the "Developer"), of which the managing member is Perlmark Midway, LLC, an Illinois limited liability company, of which James Perlman Trust is the sole member, in an amount not to exceed $4,589,397 (the "Loan"), to be funded from Multi-Family Program Funds pursuant to the terms and conditions set forth in Exhibit A attached hereto and made a part hereof; and

WHEREAS, the Redevelopment Plan and the use of tax increment financing provide a mechanism to support new growth through leveraging private investment, and helping to finance land acquisition, demolition, remediation, site preparation and infrastructure for new development in the Redevelopment Area; and

WHEREAS, the Developer intends to acquire certain real property located within the Redevelopment Area and commonly known as 5001-5021 West 47th Street, Chicago, Illinois 60638 (the "Property"), which is legally described on Exhibit B attached hereto (subject to final title commitment and survey); and

Source of City Funds Maximum Amount

Available Incremental Taxes and/or TIF Bond Proceeds $2,000,000

provided, however, that the total amount of City Funds expended for TIF-Funded Improvements shall be an amount not to exceed $2,000,000; and provided further, that the $2,000,000 to be derived from Available Incremental Taxes and/or TIF Bond proceeds shall be available to pay costs related to TIF-Funded Improvements and allocated by the City for that purpose only so long as:

(i) The amount of the Available Incremental Taxes deposited into the TIF Fund shall be sufficient to pay for such costs; and

(ii) The City has been reimbursed from Available Incremental Taxes for the amount previously disbursed by the City for TIF-Funded Improvements consisting of Public Works and Improvements per Exhibit C.

Developer acknowledges and agrees that the City's obligation to pay for TIF-Funded Improvements up to a maximum of $2,000,000 is contingent upon the fulfillment of the conditions set forth in parts (i) and (ii) above. In the event that such conditions are not fulfilled, the amount of Equity to be contributed by Developer pursuant to Section 4.01 hereof shall increase proportionately.

(c) City Funds. Subject to the conditions described in this Section 4.03, the City shall pay City Funds to Developer in three installments as follows:

(i) Upon the completion of 33% of the Project (based on the amount of expenditures incurred in relation to the Project Budget), an amount equal to 33% of the City Funds;

The Developer shall meet with DPD at the request of DPD to discuss the Requisition Form(s) previously delivered.

4.05 Treatment of Prior Expenditures and Subsequent Disbursements.

(a) Prior Expenditures. Only those expenditures made by Developer with respect to the Project prior to the Closing Date, evidenced by documentation satisfactory to DPD and approved by DPD as satisfying costs covered in the Project Budget, shall be considered previously contributed Equity or Lender Financing hereunder (the "Prior Expenditures"). DPD shall have the right, in its sole discretion, to disallow any such expenditure as a Prior Expenditure. Exhibit I hereto sets forth the prior expenditures approved by DPD as of the date hereof as Prior Expenditures. Prior Expenditures made for items other than TIF-Funded Improvements shall not be reimbursed to

Developer, but shall reduce the amount of Equity and/or Lender Financing required to be contributed by Developer pursuant to Section 4.01 hereof.

(b) [intentionally omitted]

(c) TIF District Administration Fee. Annually, the City may allocate an amount not to exceed 5.0% of the Incremental Taxes for payment of costs incurred by the City for the administration and monitoring of the Redevelopment Area, including the Project. Such fee shall be in addition to and shall not be deducted from or considered a part of the City Funds, and the City shall have the right to receive such funds prior to any payment of City Funds hereunder.

(d) Allocation Among Line Items. Disbursements for expenditures related to TIF-Funded Improvements may be allocated to and charged against the appropriate line only, with transfers of costs and expenses from one line item to another, without the prior written consent of DPD, being prohibited; provided, however, that such transfers among hard cost line items, in an amount not to exceed $25,000 or $100,000 in the aggregate, may be made without the prior written consent of DPD.

4.06 Cost Overruns. If the aggregate cost of the TIF-Funded Improvements exceeds City Funds available pursuant to Section 4.03 hereof, or if the cost of completing the Project exceeds the Project Budget, Developer shall be solely responsible for such excess cost, and shall hold the City harmless from any and all costs and expenses of completing the TIF-Funded Improvements in excess of City Funds and of completing the Project.

4.07 Preconditions of Disbursement. Prior to each disbursement of City Funds hereunder on the schedule and subject to the conditions described in Section 4.03(c), Developer shall submit documentation regarding the applicable expenditures to DPD, which shall be satisfactory to DPD in its sole discretion. Delivery by Developer to DPD of any request for disbursement of City Funds hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for disbursement, that:

(a) the total amount of the disbursement request represents the actual cost of the Acquisition or the actual amount payable to (or paid to) the General Contractor and/or subcontractors who have performed work on the Project, and/or their payees;

(b) all amounts shown as previous payments on the current disbursement request have been paid to the parties entitled to such payment;

(c) Developer has approved all work and materials for the current disbursement request, and such work and materials conform to the Plans and Specifications;

"Available Project Funds" as used herein shall mean: (i) the undisbursed City Funds; (ii) the undisbursed Lender Financing, if any; (iii) the undisbursed Equity and (iv) any other amounts deposited by Developer pursuant to this Agreement. Developer hereby agrees that, if the Project is not In Balance, Developer shall, within 10 days after a written request by the City, deposit with the escrow agent or will make available (in a manner acceptable to the City), cash in an amount that will place the Project In Balance, which deposit shall first be exhausted before any further disbursement of the City Funds shall be made.

The City shall have the right, in its discretion, to require Developer to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and any disbursement by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by Developer. In addition, Developer shall have satisfied all other preconditions of disbursement of City Funds for each disbursement, including but not limited to requirements set forth in the Bond Ordinance, if any, TIF Bond Ordinance, if any, the Bonds, if any, the TIF Bonds, if any, the TIF Ordinances, this Agreement and/or the Escrow Agreement.

Except as expressly set forth herein, all disbursements of Project funds shall be made through the funding of draw requests with respect thereto pursuant to the Escrow Agreement and this Agreement. In case of any conflict between the terms of this Agreement and the Escrow Agreement, the terms of this Agreement shall control. The City must receive copies of any draw requests and related documents submitted to the Title Company for disbursements under the Escrow Agreement. If Lender Financing is provided as contemplated by Section 4.01(a) to bridge

finance any of the City Funds, then the Developer may direct the amounts payable pursuant to Section 4.03 to be paid by the City in accordance with this Agreement to an account established by the Developer with the Lender providing the Lender Financing until the full repayment of the Lender Financing.

SECTION 7. COMPLETION OF CONSTRUCTION OR REHABILITATION

7.01 Certificate of Completion of Construction or Rehabilitation. Upon completion of construction of the Project in accordance with the terms of this Agreement, and upon the Developer's written request, which shall include a final Project budget detailing the total actual cost of the construction of the Project (the "**Final Project Cost**"), DPD shall issue to the Developer the

Certificate (the "**Certificate**"), all in recordable form certifying that the Developer has fulfilled its obligation to complete the Project in accordance with the terms of this Agreement. No Certificate shall be issued unless DPD is satisfied that the Developer has fulfilled all of the following obligations:

(a) Receipt of a Certificate of Occupancy or other evidence acceptable to DPD that the Developer has complied with building permit requirements for the Project;

(b) Developer has completed construction of the Project according to the Plans and Specifications;

(c) The Facility is open for operation and in the process of being marketed for lease to tenants pursuant to the requirements set forth in the affordability provisions of the regulatory agreement executed by the Developer in connection with the Low Income Housing Tax Credits;

(d) Evidence that the Developer has incurred TIF-eligible costs in an equal amount to, or greater than, $2,000,000;

(e) The City's Monitoring and Compliance Unit has verified that, at the time the Certificate is issued, the Developer is in full compliance with City requirements set forth in **Section 10** and **Section 8.09** (M/WBE, City Residency and Prevailing Wage) with respect to construction of the Project, and that 100% of the Developer's MBE/WBE Commitment in **Section 10.03** has been fulfilled; and

(f) There exists neither an Event of Default (after any applicable cure period) which is continuing nor a condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default.

DPD shall respond to the Developer's written request for a Certificate within forty-five (45) days by issuing either the requested Certificate or a written statement detailing the ways in which the Project as a whole does not conform to this Agreement or has not been satisfactorily completed, and the measures that must be taken by the Developer in order to obtain the Certificate. The Developer may resubmit a written request for a Certificate upon its completion of such measures.

7.02 Effect of Issuance of Certificate; Continuing Obligations. The Certificate relates only to the construction of the Project, and upon its issuance, the City will certify that the terms of the Agreement specifically related to Developer's obligation to complete such activities have been satisfied. After the issuance of a Certificate, however, all executory terms and conditions of this Agreement and all representations and covenants contained herein will continue to remain in full force and effect throughout the Term of the Agreement as to the parties described in the following paragraph, and the issuance of the Certificate shall not be construed as a waiver by the City of any of its rights and remedies pursuant to such executory terms.

Those covenants specifically described at Sections 8.02, 8.06, 8.19 and 8.21 as covenants that run with the land are the only covenants in this Agreement intended to be binding upon any transferee of the Property (including an assignee as described in the following sentence) throughout the Term of the Agreement notwithstanding the issuance of a Certificate; provided, that

upon the issuance of a Certificate, the covenants set forth in Section 8.02 shall be deemed to have been fulfilled. The other executory terms of this Agreement that remain after the issuance of a Certificate shall be binding only upon Developer or a permitted assignee of Developer who, pursuant to Section 18.15 of this Agreement, has contracted to take an assignment of Developer's rights under this Agreement and assume Developer's liabilities hereunder.

Notwithstanding the foregoing, until the City has made its initial installment payment of City Funds and/or the initial advance under the City Loan, the covenants specifically described at Sections 8.02, 8.06, 8.19(c) and 8.21 as covenants that run with the land shall not bind any successor by foreclosure or deed in lieu of foreclosure of any mortgage securing Lender Financing unless such transferee accepts an assignment of the Developer's interest hereunder in accordance with Section 16(b).

7.03 Failure to Complete. If Developer fails to complete the Project in accordance with the terms of this Agreement, then the City has, but shall not be limited to, any of the following rights and remedies:

(a) the right to terminate this Agreement and cease all disbursement of City Funds not yet disbursed pursuant hereto;

(b) the right (but not the obligation) to complete those TIF-Funded Improvements that are public improvements and to pay for the costs of TIF-Funded Improvements (including interest costs) out of City Funds or other City monies. In the event that the aggregate cost of completing the TIF-Funded Improvements exceeds the amount of City Funds available pursuant to Section 4.01, Developer shall reimburse the City for all reasonable costs and expenses incurred by the City in completing such TIF-Funded Improvements in excess of the available City Funds; and

(c) the right to seek reimbursement of the City Funds from Developer, provided that the City is entitled to rely on an opinion of counsel that such reimbursement will not jeopardize the tax-exempt status of the TIF Bonds.

7.04 Notice of Expiration of Term of Agreement. Upon the expiration of the Term of the Agreement, DPD shall provide Developer, at Developer's written request, with a written notice in recordable form stating that the Term of the Agreement has expired.

SECTION 8. COVENANTS/REPRESENTATIONS/WARRANTIES OF DEVELOPER.

8.01 General. Developer represents, warrants and covenants, as of the date of this Agreement and as of the date of each disbursement of City Funds hereunder, that:

(a) Developer is a corporation or limited liability company duly organized, validly existing, qualified to do business in its state of incorporation/organization and in Illinois, and licensed to do business in any other state where, due to the nature of its activities or properties, such qualification or license is required;

(b) Developer has the right, power and authority to enter into, execute, deliver and perform this Agreement;

(c) the execution, delivery and performance by Developer of this Agreement has been duly authorized by all necessary corporate action, and does not and will not violate its Articles of Incorporation/Articles of Organization or by-laws or operating agreement as amended and supplemented, any applicable provision of law, or constitute a breach of, default under or require any consent under any agreement, instrument or document to which Developer is now a party or by which Developer is now or may become bound;

(d) unless otherwise permitted or not prohibited pursuant to or under the terms of this Agreement, Developer shall acquire and shall maintain good, indefeasible and merchantable fee simple title to the Property (and all improvements thereon) free and clear of all liens (except for the Permitted Liens, Lender Financing as disclosed in the Project Budget and non-governmental charges that Developer is contesting in good faith pursuant to Section 8.15 hereof)

(e) Developer is now and for the Term of the Agreement shall remain solvent and able to pay its debts as they mature;

(f) there are no actions or proceedings by or before any court, governmental commission, board, bureau or any other administrative agency pending, threatened or affecting Developer which would impair its ability to perform under this Agreement;

(g) Developer has and shall maintain all government permits, certificates and consents (including, without limitation, appropriate environmental approvals) necessary to conduct its business and to construct, complete and operate the Project;

(h) Developer is not in default with respect to any indenture, loan agreement, mortgage, deed, note or any other agreement or instrument related to the borrowing of money to which Developer is a party or by which Developer is bound;

(i) the Financial Statements are, and when hereafter required to be submitted will be, complete, correct in all material respects and accurately present the assets, liabilities, results of operations and financial condition of Developer, and there has been no material adverse change in the assets, liabilities, results of operations or financial condition of Developer since the date of Developer's most recent Financial Statements;

(j) prior to the issuance of a Certificate, Developer shall not do any of the following without the prior written consent of DPD: (1) be a party to any merger, liquidation or consolidation; (2) sell, transfer, convey, lease or otherwise dispose of all or substantially all of its assets or any portion of the Property (including but not limited to any fixtures or equipment now or hereafter attached thereto) except in the ordinary course of business; (3) enter into any transaction outside the ordinary course of Developer's business; (4) assume, guarantee, endorse, or otherwise become liable in connection with the obligations of any other person or entity; or (5) enter into any transaction that would cause a material and detrimental change to Developer's financial condition;

(k) Developer has not incurred, and, prior to the issuance of a Certificate, shall not, without the prior written consent of the Commissioner of DPD, allow the existence of any liens against the Property (or improvements thereon) other than the Permitted Liens; or incur any indebtedness, secured or to be secured by the Property (or improvements thereon) or any fixtures now or hereafter attached thereto, except Lender Financing disclosed in the Project Budget;

(l) has not made or caused to be made, directly or indirectly, any payment, gratuity or offer of employment in connection with the Agreement or any contract paid from the City treasury or pursuant to City ordinance, for services to any City agency ("City Contract") as an inducement for the City to enter into the Agreement or any City Contract with Developer in violation of Chapter 2-156-120 of the Municipal Code;

(m) neither Developer nor any affiliate of Developer is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. For purposes of this subparagraph (m) only, the term "affiliate," when used to indicate a relationship with a specified person or entity, means a person or entity that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with such specified person or entity, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise;

(n) such party understands that (i) the City Funds are limited obligations of the City, payable solely from funds on deposit in the TIF Fund; (ii) the City Funds do not constitute indebtedness of the City within the meaning of any constitutional or statutory provision or limitation; (iii) such party will have no right to compel the exercise of any taxing power of the City for payment of the City Funds; and (iv) the City Funds do not and will not represent or constitute a general obligation or a pledge of the faith and credit of the City, the State of Illinois or any political subdivision thereof;

(o) such party has sufficient knowledge and experience in financial and business matters, including municipal projects and revenues of the kind represented by the City Funds, and has been supplied with access to information to be able to evaluate the risks associated with the receipt of City Funds;

(p) such party understands that there is no assurance as to the amount or timing of receipt of City Funds, and that the amounts of City Funds actually received by such party may be substantially less than the maximum amounts set forth in Section 4.03(b);

(q) such party understands it may not sell, assign, pledge or otherwise transfer its interest in this Agreement or City Funds in whole or in part, except in accordance with the terms of Section 18.14 of this Agreement, and, to the fullest extent permitted by law, agrees to indemnify the City for any losses, claims, damages or expenses relating to or based upon any sale, assignment, pledge or transfer of City Funds in violation of this Agreement; and

(r) such party acknowledges that with respect to City Funds, the City has no obligation to provide any continuing disclosure to the Electronic Municipal Market Access System maintained by the Municipal Securities Rulemaking Board, to any holder of a note relating to City Funds or any

other person under Rule 15c2-12 of the Commission promulgated under the Securities Exchange Act of 1934 or otherwise, and shall have no liability with respect thereto.

8.02 Covenant to Redevelop. Upon DPD's approval of the Project Budget, the Scope Drawings and Plans and Specifications as provided in Sections 3.02 and 3.03 hereof, and Developer's receipt of all required building permits and governmental approvals, Developer shall redevelop the Property in accordance with this Agreement and all Exhibits attached hereto, the TIF Ordinances, the Bond Ordinance, the TIF Bond Ordinance, the Scope Drawings, Plans and Specifications, Project Budget and all amendments thereto, and all federal, state and local laws, ordinances, rules, regulations, executive orders and codes applicable to the Project, the Property and/or Developer. The covenants set forth in this Section shall run with the land and be binding upon any transferee, but shall be deemed satisfied upon issuance by the City of a Certificate with respect thereto.

8.03 Redevelopment Plan. Developer represents that the Project is and shall be in compliance with all of the terms of the Redevelopment Plan, which is hereby incorporated by reference into this Agreement.

8.04 Use of City Funds. City Funds disbursed to Developer shall be used by Developer solely to pay for (or to reimburse Developer for its payment for) the TIF-Funded Improvements as provided in this Agreement.

8.05 Other Bonds. Developer shall, at the request of the City, agree to any reasonable amendments to this Agreement that are necessary or desirable in order for the City to issue (in its sole discretion) any bonds in connection with the Redevelopment Area, the proceeds of which may be used to reimburse the City for expenditures made in connection with, or provide a source of funds for the payment for, the TIF-Funded Improvements (the "Bonds"); provided, however, that any such amendments shall not have a material adverse effect on Developer or the Project, including the low income housing tax credits or the syndication thereof. Developer shall, at Developer's expense, cooperate and provide reasonable assistance in connection with the marketing of any such Bonds, including but not limited to providing written descriptions of the Project, making representations, providing information regarding its financial condition and assisting the City in preparing an offering statement with respect thereto.

8.06 Affordable Housing Covenant. In connection with the reservation of federal low-income housing tax credits for the Project, a Low-Income Housing Tax Credits Regulatory Agreement (the "**Tax Credit Regulatory Agreement**") between the City and Developer dated as of the Closing Date, shall be recorded against the Project, which shall impose certain affordability and other restrictions on the Project as set forth therein. Developer agrees and covenants to the City that the provisions of that certain Tax Credit Regulatory Agreement shall govern the terms of Developer's obligation to provide affordable housing.

8.07 Employment Opportunity; Progress Reports. Developer covenants and agrees to abide by, and contractually obligate and use reasonable efforts to cause the General Contractor and each subcontractor to abide by the terms set forth in Section 10 hereof. Developer shall deliver to the City written progress reports detailing compliance with the requirements of Sections 8.09, 10.02 and 10.03 of this Agreement. Such reports shall be delivered to the City on a monthly basis until the Project is completed. If any such reports indicate a shortfall in compliance, Developer shall also

deliver a plan to DPD which shall outline, to DPD's satisfaction, the manner in which Developer shall correct any shortfall.

8.08 Employment Profile. Developer shall submit, and contractually obligate and cause the General Contractor or any subcontractor to submit, to DPD, from time to time, statements of its employment profile upon DPD's request.

8.09 Prevailing Wage. Developer covenants and agrees to pay, and to contractually obligate and cause the General Contractor and each subcontractor to pay, the prevailing wage rate as ascertained by the Illinois Department of Labor (the "Department"), to all Project employees. All such contracts shall list the specified rates to be paid to all laborers, workers and mechanics for each craft or type of worker or mechanic employed pursuant to such contract. If the Department revises such prevailing wage rates, the revised rates shall apply to all such contracts. Upon the City's request, Developer shall provide the City with copies of all such contracts entered into by Developer or the General Contractor to evidence compliance with this Section 8.09.

8.10 Arms-Length Transactions. Unless DPD has given its prior written consent with respect thereto, no Affiliate of Developer may receive any portion of City Funds, directly or indirectly, in payment for work done, services provided or materials supplied in connection with any TIF-Funded Improvement. Developer shall provide information with respect to any entity to receive City Funds directly or indirectly (whether through payment to the Affiliate by Developer and reimbursement to Developer for such costs using City Funds, or otherwise), upon DPD's request, prior to any such disbursement.

8.11 Conflict of Interest. Pursuant to Section 5/11-74.4-4(n) of the Act, Developer represents, warrants and covenants that, to the best of its knowledge, no member, official, or employee of the City, or of any commission or committee exercising authority over the Project, the Redevelopment Area or the Redevelopment Plan, or any consultant hired by the City or Developer with respect thereto, owns or controls, has owned or controlled or will own or control any interest, and no such person shall represent any person, as agent or otherwise, who owns or controls, has owned or controlled, or will own or control any interest, direct or indirect, in Developer's business, the Property or any other property in the Redevelopment Area.

8.12 Disclosure of Interest. Developer's counsel has no direct or indirect financial ownership interest in Developer, the Property or any other aspect of the Project.

8.13 Financial Statements. Developer shall obtain and provide to DPD Financial Statements for Developer's fiscal year ended 2014 and each year thereafter for the Term of the Agreement.

8.14 Insurance. Developer, at its own expense, shall comply with all provisions of Section 12 hereof.

8.15 Non-Governmental Charges. (a) Payment of Non-Governmental Charges. Except for the Permitted Liens, Developer agrees to pay or cause to be paid when due any Non-Governmental Charge assessed or imposed upon the Project, the Property or any fixtures that are or may become attached thereto, which creates, may create, or appears to create a lien upon all or any portion of the Property or Project; provided however, that if such Non-Governmental Charge may be paid in

installments, Developer may pay the same together with any accrued interest thereon in installments as they become due and before any fine, penalty, interest, or cost may be added thereto for nonpayment. Developer shall furnish to DPD, within thirty (30) days of DPD's request, official receipts from the appropriate entity, or other proof satisfactory to DPD, evidencing payment of the Non-Governmental Charge in question.

(b) Right to Contest. Developer has the right, before any delinquency occurs:

(i) to contest or object in good faith to the amount or validity of any Non-Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charge, prevent the imposition of a lien or remove such lien, or prevent the sale or forfeiture of the Property (so long as no such contest or objection shall be deemed or construed to relieve, modify or extend Developer's covenants to pay any such Non-Governmental Charge at the time and in the manner provided in this Section 8.15); or

(ii) at DPD's sole option, to furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully any such contested Non-Governmental Charge and all interest and penalties upon the adverse determination of such contest.

8.16 Developer's Liabilities. Developer shall not enter into any transaction that would materially and adversely affect its ability to perform its obligations hereunder or to repay any material liabilities or perform any material obligations of Developer to any other person or entity. Developer shall immediately notify DPD of any and all events or actions which may materially affect Developer's ability to carry on its business operations or perform its obligations under this Agreement or any other documents and agreements.

8.17 Compliance with Laws.

(a) Representation. To the best of Developer's knowledge, after diligent inquiry, the Property and the Project are and shall be, as and when required, in compliance with all applicable Laws pertaining to or affecting the Project and the Property. Upon the City's request, Developer shall provide evidence satisfactory to the City of such compliance.

(b) Covenant. Developer covenants that the Property and the Project will be operated and managed in compliance with all Laws. Upon the City's request, the Developer shall provide evidence to the City of its compliance with this covenant.

8.18 Recording and Filing. Developer shall cause this Agreement, certain exhibits (as specified by Corporation Counsel), all amendments and supplements hereto to be recorded and filed against the Property on the date hereof in the conveyance and real property records of the county in which the Project is located. This Agreement shall be recorded prior to any mortgage made in connection with Lender Financing. Developer shall pay all fees and charges incurred in

connection with any such recording. Upon recording, Developer shall immediately transmit to the City an executed original of this Agreement showing the date and recording number of record.

8.19 Real Estate Provisions.

(a) Governmental Charges.

(i) Payment of Governmental Charges. Developer agrees to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon Developer, the Property or the Project, or become due and payable, and which create, may create, a lien upon Developer or all or any portion of the Property or the Project. "Governmental Charge" shall mean all federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties of the State other than Cook County, and municipalities other than the City) relating to Developer, the Property or the Project including but not limited to real estate taxes.

(ii) Right to Contest. Developer has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or forfeiture of the Property. No such contest or objection shall be deemed or construed in any way as relieving, modifying or extending Developer's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless Developer has given prior written notice to DPD of Developer's intent to contest or object to a Governmental Charge and, unless, at DPD's sole option,

(i) Developer shall demonstrate to DPD's satisfaction that legal proceedings instituted by Developer contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of, all or any part of the Property to satisfy such Governmental Charge prior to final determination of such proceedings; and/or

(ii) Developer shall furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

(b) Developer's Failure To Pay Or Discharge Lien. If Developer fails to pay any Governmental Charge or to obtain discharge of the same, Developer shall advise DPD thereof in writing, at which time DPD may, but shall not be obligated to, and without waiving or releasing any obligation or liability of Developer under this Agreement, in DPD's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which DPD deems advisable. All sums so paid by DPD, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall

be promptly disbursed to DPD by Developer. Notwithstanding anything contained herein to the contrary, this paragraph shall not be construed to obligate the City to pay any such Governmental Charge. Additionally, if Developer fails to pay any Governmental Charge, the City, in its sole discretion, may require Developer to submit to the City audited Financial Statements at Developer's own expense.

(c) Real Estate Taxes.

(i) Real Estate Tax Exemption. With respect to the Property or the Project, neither the Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to the Developer shall, during the Term of this Agreement, seek, or authorize any exemption (as such term is used and defined in the Illinois Constitution, Article IX, Section 6 (1970)) for any year that the Redevelopment Plan is in effect, except any exemption for which DPD has provided its prior written consent and, to the extent applicable, the Senior Citizens Homestead Exemption described in 35 ILCS 200/15-170, the Disabled Persons Homestead Exemption described in 35 ILCS 200/15-168, the Senior Citizen Assessment Freeze Homestead Exemption described in 35 ILCS 200/15-172, the General Homestead Exemption described in 35 ILCS 200/15-175, and/or the Long Time Occupant Homestead Exemption described in 35 ILCS 200/15-177.

(ii) Covenants Running with the Land. The parties agree that the restrictions contained in this **Section 8.19(c)** are covenants running with the land and this Agreement shall be recorded by the Developer as a memorandum thereof, at the Developer's expense, with the Cook County Recorder of Deeds on the Closing Date. These restrictions shall be binding upon the Developer and its agents, representatives, lessees, successors, assigns and transferees from and after the date hereof, provided however, that the covenants shall be released when the Redevelopment Area is no longer in effect. The Developer agrees that any sale, lease, conveyance, or transfer of title to all or any portion of the Property or Redevelopment Area from and after the date hereof shall be made explicitly subject to such covenants and restrictions. Notwithstanding anything contained in this **Section 8.19(c)** to the contrary, the City, in its sole discretion and by its sole action, without the joinder or concurrence of the Developer, their successors or assigns, may waive and terminate the Developer's covenants and agreements set forth in this **Section 8.19(c)**.

(d) Notification to the Cook County Assessor of Change in Use and Ownership. Prior to the Closing Date, Developer shall complete a letter of notification, in accordance with 35 ILCS 200/15-20, notifying the Cook County Assessor that there has been a change in use and ownership of the Property. On the Closing Date, Developer shall pay to the Title Company the cost of sending the notification to the Cook County Assessor via certified mail, return receipt requested. After delivery of the notification, Developer shall forward a copy of the return receipt to DPD, with a copy to the City's Corporation Counsel's office.

8.20 Survival of Covenants. All warranties, representations, covenants and agreements of Developer contained in this Section 8 and elsewhere in this Agreement shall be true, accurate and complete at the time of Developer's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and (except as provided in Section 7 hereof upon the issuance of a Certificate) shall be in effect throughout the Term of the Agreement.

8.21 Annual Compliance Report. Beginning with the issuance of the Certificate and continuing throughout the Term of the Agreement, Developer shall submit to DPD the Annual Compliance Report within 30 days after the end of the calendar year to which the Annual Compliance Report relates. Failure by Developer to submit the Annual Compliance Report shall constitute an Event of Default under Section 15.01 hereof, without notice or opportunity to cure pursuant to Section 15.03 hereof. The covenants contained in this Section 8.21 shall run with the land and be binding upon any transferee for the Term of the Agreement.

8.22 Inspector General. It is the duty of Developer and the duty of any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all of Developer's officers, directors, agents, partners, and employees and any such bidder, proposer, contractor, subcontractor or such applicant: (a) to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code and (b) to cooperate with the Legislative Inspector General in any investigation undertaken pursuant to Chapter 2-55 of the Municipal Code. Developer represents that it understands and will abide by all provisions of Chapters 2-56 and 2-55 of the Municipal Code and that it will inform subcontractors of this provision and require their compliance.

8.23 Energy Star Recognition. Not later than the second anniversary of the Certificate issuance, the Developer shall provide evidence of Energy Star Recognition.

8.24. FOIA and Local Records Act Compliance.

(a) FOIA. The Developer acknowledges that the City is subject to the Illinois Freedom of Information Act, 5 ILCS 140/1 et. seq., as amended ("FOIA"). The FOIA requires the City to produce records (very broadly defined in FOIA) in response to a FOIA request in a very short period of time, unless the records requested are exempt under the FOIA. If the Developer receives a request from the City to produce records within the scope of FOIA, then the Developer covenants to comply with such request within 48 hours of the date of such request. Failure by the Developer to timely comply with such request shall be an Event of Default.

(b) Exempt Information. Documents that the Developer submits to the City under Section 8.21, (Annual Compliance Report) or otherwise during the Term of the Agreement that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents submitted by the Developer to be treated as a trade secret or information that would cause competitive harm, FOIA requires that Developer mark any such documents as "proprietary, privileged or confidential." If the Developer marks a document as "proprietary, privileged and confidential", then DPD will evaluate whether such document may be withheld under the FOIA. DPD, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General's Office and/or the courts.

(c) Local Records Act. The Developer acknowledges that the City is subject to the Local Records Act, 50 ILCS 205/1 et. seq, as amended (the "Local Records Act"). The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, the Developer covenants to use its best efforts consistently applied to assist the City in its compliance with the Local Records Act

8.25 Survival of Covenants. All warranties, representations, covenants and agreements of Developer contained in this Section 8 and elsewhere in this Agreement shall be true, accurate and complete at the time of Developer's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and (except as provided in Section 7 hereof upon the issuance of a Certificate of Completion) shall be in effect throughout the Term of the Agreement.

SECTION 9. COVENANTS/REPRESENTATIONS/WARRANTIES OF CITY

9.01 General Covenants. The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations hereunder.

9.02 Survival of Covenants. All warranties, representations, and covenants of the City contained in this Section 9 or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

SECTION 10. DEVELOPER'S EMPLOYMENT OBLIGATIONS

10.01 Employment Opportunity. Developer, on behalf of itself and its successors and assigns, hereby agrees, and shall contractually obligate its or their various contractors, subcontractors or any Affiliate of Developer operating on the Property (collectively, with Developer, the "Employers" and individually an "Employer") to agree, that for the Term of this Agreement with respect to Developer and during the period of any other party's provision of services in connection with the construction of the Project or occupation of the Property:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time to time (the "Human Rights Ordinance"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the

Redevelopment Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

(c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 10.01 shall be a basis for the City to pursue remedies under the provisions of Section 15.02 hereof.

10.02 City Resident Construction Worker Employment Requirement. Developer agrees for itself and its successors and assigns, and shall contractually obligate its General Contractor and shall cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code (at least 50 percent of the total worker hours worked by persons on the site of the Project shall be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, Developer, its General Contractor and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

Developer may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

"Actual residents of the City" shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

Developer, the General Contractor and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of DPD in triplicate, which shall identify clearly the actual

residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

Developer, the General Contractor and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DPD, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. Developer, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

At the direction of DPD, affidavits and other supporting documentation will be required of Developer, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of Developer, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that Developer has failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject Developer, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to Developer pursuant to Section 2-92-250 of the Municipal Code may be withheld by the City pending the Chief Procurement Officer's determination as to whether Developer must surrender damages as provided in this paragraph.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246 " and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

Developer shall cause or require the provisions of this Section 10.02 to be included in all construction contracts and subcontracts related to the Project.

10.03. MBE/WBE Commitment. Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that during the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 10.03, during the course of the Project, at least the following percentages of the MBE/WBE Budget (as set forth in Exhibit H-2 hereto) shall be expended for contract participation by MBEs and by WBEs:

(1) At least 24 percent by MBEs.
(2) At least four percent by WBEs.

(b) For purposes of this Section 10.03 only, Developer (and any party to whom a contract is let by Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code, Developer's MBE/WBE commitment may be achieved in part by Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by Developer utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials or services used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to Developer's MBE/WBE commitment as described in this Section 10.03. In accordance with Section 2-92-730, Municipal Code, Developer shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of DPD.

(d) Developer shall deliver quarterly reports to the City's monitoring staff during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by Developer or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining Developer's compliance with this MBE/WBE commitment. Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by Developer, on five Business Days' notice, to allow the City to review

Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, Developer shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code, as applicable.

(f) Any reduction or waiver of Developer's MBE/WBE commitment as described in this Section 10.03 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code, as applicable.

(g) Prior to the commencement of the Project, Developer shall be required to meet with the City's monitoring staff with regard to Developer's compliance with its obligations under this Section 10.03. The General Contractor and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, Developer shall demonstrate to the City's monitoring staff its plan to achieve its obligations under this Section 10.03, the sufficiency of which shall be approved by the City's monitoring staff. During the Project, Developer shall submit the documentation required by this Section 10.03 to the City's monitoring staff, including the following: (i) subcontractor's activity report; (ii) contractor's certification concerning labor standards and prevailing wage requirements; (iii) contractor letter of understanding; (iv) monthly utilization report; (v) authorization for payroll agent; (vi) certified payroll; (vii) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (viii) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that Developer is not complying with its obligations under this Section 10.03, shall, upon the delivery of written notice to Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to Developer to halt the Project, (2) withhold any further payment of any City Funds to Developer or the General Contractor, or (3) seek any other remedies against Developer available at law or in equity.

SECTION 11. ENVIRONMENTAL MATTERS

Developer hereby represents and warrants to the City that Developer has conducted environmental studies sufficient to conclude that the Project may be constructed, completed and operated in accordance with all Environmental Laws and this Agreement and all Exhibits attached hereto, the Scope Drawings, Plans and Specifications and all amendments thereto, the Bond Ordinance and the Redevelopment Plan.

Without limiting any other provisions hereof, Developer agrees to indemnify, defend and hold the City harmless from and against any and all losses, liabilities, damages, injuries, costs, expenses or claims of any kind whatsoever including, without limitation, any losses, liabilities, damages, injuries, costs, expenses or claims asserted or arising under any Environmental Laws incurred, suffered by or asserted against the City as a direct or indirect result of any of the following, regardless of whether or not caused by, or within the control of Developer: (i) the presence of any

Hazardous Material on or under, or the escape, seepage, leakage, spillage, emission, discharge or release of any Hazardous Material from (A) all or any portion of the Property or (B) any other real property in which Developer, or any person directly or indirectly controlling, controlled by or under common control with Developer, holds any estate or interest whatsoever (including, without limitation, any property owned by a land trust in which the beneficial interest is owned, in whole or in part, by Developer), or (ii) any liens against the Property permitted or imposed by any Environmental Laws, or any actual or asserted liability or obligation of the City or Developer or any of its Affiliates under any Environmental Laws relating to the Property.

SECTION 12. INSURANCE

Developer must submit evidence of insurance on the City of Chicago Insurance Certificate Form (copy attached) or equivalent prior to closing. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Developer is not a waiver by the City of any requirements for Developer to obtain and maintain the specified coverages. Developer shall advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance does not relieve Developer of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to stop work and/or terminate agreement until proper evidence of insurance is provided.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If Developer is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

Developer must require Contractor and subcontractors to provide the insurance required herein, or Developer may provide the coverages for Contractor and subcontractors. All Contractors and subcontractors are subject to the same insurance requirements of Developer unless otherwise specified in this Agreement.

Developer agrees to indemnify, pay, defend and hold the City, and its elected and appointed officials, employees, agents and affiliates (individually an "Indemnitee," and collectively the "Indemnitees") harmless from and against, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (and including without limitation, the reasonable fees and disbursements of counsel for such Indemnitees in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not such Indemnitees shall be designated a party thereto), that may be imposed on, suffered, incurred by or asserted against the Indemnitees in any manner relating or arising out of:

(i) Developer's failure to comply with any of the terms, covenants and conditions contained within this Agreement; or

(ii) Developer's or any contractor's failure to pay General Contractors, subcontractors or materialmen in connection with the TIF-Funded Improvements or any other Project improvement; or

(iii) the existence of any material misrepresentation or omission in this Agreement, any offering memorandum or information statement or the Redevelopment Plan or any other document related to this Agreement that is the result of information supplied or omitted by Developer or any Affiliate Developer or any agents, employees, contractors or persons acting under the control or at the request of Developer or any Affiliate of Developer; or

(iv) Developer's failure to cure any misrepresentation in this Agreement or any other agreement relating hereto;

provided, however, that Developer shall have no obligation to an Indemnitee arising from the wanton or willful misconduct of that Indemnitee. To the extent that the preceding sentence may be unenforceable because it is violative of any law or public policy, Developer shall contribute the maximum portion that it is permitted to pay and satisfy under the applicable law, to the payment and satisfaction of all indemnified liabilities incurred by the Indemnitees or any of them. The provisions of the undertakings and indemnification set out in this Section 13.01 shall survive the termination of this Agreement.

SECTION 14. MAINTAINING RECORDS/RIGHT TO INSPECT

14.01 Books and Records. Developer shall keep and maintain separate, complete, accurate and detailed books and records necessary to reflect and fully disclose the total actual cost of the Project and the disposition of all funds from whatever source allocated thereto, and to monitor the Project. All such books, records and other documents, including but not limited to Developer's loan statements, if any, General Contractors' and contractors' sworn statements, general contracts, subcontracts, purchase orders, waivers of lien, paid receipts and invoices, shall be available at Developer's offices for inspection, copying, audit and examination by an authorized representative of the City, at Developer's expense. Developer shall incorporate this right to inspect, copy, audit and examine all books and records into all contracts entered into by Developer with respect to the Project.

14.02 Inspection Rights. Upon three (3) business days' notice, any authorized representative of the City has access to all portions of the Project and the Property during normal business hours for the Term of the Agreement.

SECTION 15. DEFAULT AND REMEDIES

15.01 Events of Default. The occurrence of any one or more of the following events, subject to the provisions of Section 15.03, shall constitute an "Event of Default" by Developer hereunder:

(a) the failure of Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of Developer under this Agreement or any related agreement;

(b) the failure of Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of Developer under any other agreement with any person or entity if such failure may have a material adverse effect on Developer's business, property, assets, operations or condition, financial or otherwise;

(c) the making or furnishing by Developer to the City of any representation, warranty, certificate, schedule, report or other communication within or in connection with this Agreement or any related agreement which is untrue or misleading in any material respect;

(d) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of, or any attempt to create, any lien or other encumbrance upon the Property, including any fixtures now or hereafter attached thereto, other than the Permitted Liens, or the making or any attempt to make any levy, seizure or attachment thereof;

(e) the commencement of any proceedings in bankruptcy by or against Developer or for the liquidation or reorganization of Developer, or alleging that Developer is insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of Developer's debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving Developer; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings;

(f) the appointment of a receiver or trustee for Developer, for any substantial part of Developer's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of Developer; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within sixty (60) days after the commencement thereof;

(g) the entry of any judgment or order against Developer which remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution;

(h) the occurrence of an event of default under the Lender Financing, which default is not cured within any applicable cure period;

(i) the dissolution of Developer, the Investor Member or the Managing Member;

(j) the institution in any court of a criminal proceeding (other than a misdemeanor) against Developer or any natural person who owns a material interest in Developer, which is not dismissed within thirty (30) days, or the indictment of Developer or any natural person who owns a material interest in Developer, for any crime (other than a misdemeanor);

(k) prior to the expiration of the Term of the Agreement, without the prior written consent of the City, any sale, transfer, conveyance, lease or other disposition of all or substantially all of Developer's assets or any portion of the Property (including but not limited to any fixtures or equipment now or hereafter attached thereto) except in the ordinary course of business, to a lender pursuant to the enforcement of an Existing Mortgage or Permitted Mortgage or as otherwise expressly permitted by this Agreement; or

(l) The failure of Developer, or the failure by any party that is a Controlling Person (defined in Section 1-23-010 of the Municipal Code) with respect to Developer, to maintain eligibility to do

business with the City in violation of Section 1-23-030 of the Municipal Code; such failure shall render this Agreement voidable or subject to termination, at the option of the Chief Procurement Officer.

For purposes of Sections 15.01(i) or 15.01(j) hereof, a person with a material interest in Developer shall be one owning ten (10%) or more of Developer's membership interests.

15.02 Remedies. Subject to the cure rights, including the applicable time periods, described in Section 15.04, upon the occurrence of an Event of Default, the City may terminate this Agreement and any other agreements to which the City and Developer are or shall be parties, suspend disbursement of City Funds, and/or seek reimbursement of any City Funds paid. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to damages, injunctive relief or the specific performance of the agreements contained herein.

15.03 Curative Period. In the event Developer shall fail to perform a monetary covenant which Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless Developer has failed to perform such monetary covenant within ten (10) days of its receipt of a written notice from the City specifying that it has failed to perform such monetary covenant. In the event Developer shall fail to perform a non-monetary covenant which Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless Developer has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such thirty (30) day period, Developer shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

15.04 Right to Cure by Lenders and Investor Member. In the event that an Event of Default occurs under this Agreement, and if, as a result thereof, the City intends to exercise any right or remedy available to it that could result in the termination of this Agreement or the cancellation, suspension, or reduction of any payment due from the City under this Agreement, the City shall send notice of such intended exercise to the parties identified in Section 17 and any Lender providing Lender Financing or the Investor Member shall have the right (but not the obligation) to cure such an Event of Default under the following conditions:

(i) if the Event of Default is a monetary default, any party entitled to cure such default may cure it within 30 days after the later of: (a) the expiration of the cure period, if any, granted to the Developer with respect to such monetary default; or (b) receipt by the Lenders or the Investor Member, as applicable, of such notice from the City; and

(ii) if the Event of Default is of a non-monetary nature, any party entitled to cure such default shall have the right to cure it within 30 days after the later of: (a) the expiration of the cure period, if any, granted to the Developer with respect to such non-monetary default; or (b) receipt of such notice from the City; provided, however, that if such non-monetary default is not capable of being cured by the Lenders or the Investor Member within such 30-day period, such period shall be extended for such period of time as may be necessary, in the City's discretion, to cure such default,

provided that the party seeking such cure has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured and, if possession of the Project is necessary to effect such cure, the party seeking such cure must have instituted appropriate legal proceedings to obtain possession.

SECTION 16. MORTGAGING OF THE PROJECT

All mortgages or deeds of trust in place as of the date hereof with respect to the Property or any portion thereof are listed on Exhibit G hereto (including but not limited to mortgages made prior to or on the date hereof in connection with Lender Financing) and are referred to herein as the "Existing Mortgages." Any mortgage or deed of trust that Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof is referred to herein as a "New Mortgage." Any New Mortgage that Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof with the prior written consent of the City are each referred to herein as a "Permitted Mortgage." It is hereby agreed by and between the City and Developer as follows:

(a) In the event that a mortgagee or any other party shall succeed to Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under a New Mortgage (other than a Permitted Mortgage), whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of Developer's interest hereunder in accordance with Section 18.15 hereof, the City may, but shall not be obligated to, attorn to and recognize such party as the successor in interest to Developer for all purposes under this Agreement and, unless so recognized by the City as the successor in interest, such party shall be entitled to no rights or benefits under this Agreement, but such party shall be bound by those provisions of this Agreement that are covenants expressly running with the land.

(b) In the event that any mortgagee shall succeed to Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under an Existing Mortgage or a Permitted Mortgage, whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of Developer's interest hereunder in accordance with Section 18.15 hereof, the City hereby agrees to attorn to and recognize such party as the successor in interest to Developer for all purposes under this Agreement so long as such party accepts all of the obligations and liabilities of "Developer" hereunder; provided, however, that, notwithstanding any other provision of this Agreement to the contrary, it is understood and agreed that if such party accepts an assignment of Developer's interest under this Agreement, such party has no liability under this Agreement for any Event of Default of Developer which accrued prior to the time such party succeeded to the interest of Developer under this Agreement, in which case Developer shall be solely responsible. However, if such mortgagee under a Permitted Mortgage or an Existing Mortgage does not expressly accept an assignment of Developer's interest hereunder, such party shall be entitled to no rights and benefits under this Agreement, and such party shall be bound only by those provisions of this Agreement, if any, which are covenants expressly running with the land.

(c) Prior to the issuance by the City to Developer of a Certificate pursuant to Section 7 hereof, no New Mortgage shall be executed with respect to the Property or any portion thereof without the prior written consent of the Commissioner of DPD.

This Agreement and the Exhibits attached hereto may not be amended or modified without the prior written consent of the parties hereto; provided, however, that the City, in its sole discretion, may amend, modify or supplement the Redevelopment Plan without the consent of any party hereto. It is agreed that no material amendment or change to this Agreement shall be made or be effective unless ratified or authorized by an ordinance duly adopted by the City Council. The term "material" for the purpose of this Section 18.01 shall be defined as any deviation from the terms of the Agreement which (a) operates to cancel or otherwise reduce any developmental, construction or job-creating obligations of Developer (including those set forth in Sections 10.02 and 10.03 hereof) by more than five percent (5%), or (b) materially changes the Project site or character of the Project or any activities undertaken by Developer affecting the Project site, the Project, or both, or increases any time agreed for performance by Developer by more than ninety (90) days.

18.02 Entire Agreement. This Agreement (including each Exhibit attached hereto, which is hereby incorporated herein by reference) constitutes the entire Agreement between the parties hereto and it supersedes all prior agreements, negotiations and discussions between the parties relative to the subject matter hereof.

18.03 Limitation of Liability. No member, official or employee of the City shall be personally liable to Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to Developer from the City or any successor in interest or on any obligation under the terms of this Agreement.

No delay or omission on the part of a party in exercising any right shall operate as a waiver of such right or any other right unless pursuant to the specific terms hereof. A waiver by a party of a provision of this Agreement shall not prejudice or constitute a waiver of such party's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by a party, nor any course of dealing between the parties hereto, shall constitute a waiver of any such parties' rights or of any obligations of any other party hereto as to any future transactions.

18.06 Remedies Cumulative. The remedies of a party hereunder are cumulative and the exercise of any one or more of the remedies provided for herein shall not be construed as a waiver of any other remedies of such party unless specifically so provided herein.

OPINION OF DEVELOPER'S COUNSEL
[To be retyped on Developer's Counsel's letterhead]
[Subject to revision following review of form of opinion provided by Developer's counsel]

—, ——

City of Chicago
121 North LaSalle Street
Chicago, IL 60602

ATTENTION: Corporation Counsel

Ladies and Gentlemen:

We have acted as counsel to Perlmark Midway, LLC, an Illinois limited liability company ("Perlmark"), and Midway Pointe, LLC, an Illinois limited liability company ("Midway" and collectively with Perlmark, the "Developer"), in connection with the construction of certain facilities located in the Cicero/Archer Redevelopment Project Area (the "Project"). In that capacity, we have examined, among other things, the following agreements, instruments and documents of even date herewith, hereinafter referred to as the "Documents":

(a) Midway Pointe Redevelopment Agreement (the "Agreement") of even date herewith, executed by Developer and the City of Chicago (the "City");

(b) [insert other documents including but not limited to documents related to purchase and financing of the Property and all lender financing related to the Project]; and

(c) all other agreements, instruments and documents executed in connection with the foregoing.

In addition to the foregoing, we have examined

(a) the original or certified, conformed or photostatic copies of Developer's (i) Articles of Incorporation, as amended to date, (ii) qualifications to do business and certificates of good standing in all states in which Developer is qualified to do business, (iii) By-Laws, as amended to date, and (iv) records of all corporate proceedings relating to the Project [revise if Developer is not a corporation]; and

(b) such other documents, records and legal matters as we have deemed necessary or relevant for purposes of issuing the opinions hereinafter expressed.

In all such examinations, we have assumed the genuineness of all signatures (other than those of Developer), the authenticity of documents submitted to us as originals and conformity to the originals of all documents submitted to us as certified, conformed or photostatic copies.

Based on the foregoing, it is our opinion that:

1. Developer is a corporation duly organized, validly existing and in good standing under the laws of its state of [incorporation] [organization], has full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a foreign [corporation] [entity] under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business.

2. Developer has full right, power and authority to execute and deliver the Documents to which it is a party and to perform its obligations thereunder. Such execution, delivery and performance will not conflict with, or result in a breach of, Developer's [Articles of Incorporation or By-Laws] [describe any formation documents if Developer is not a corporation] or result in a breach or other violation of any of the terms, conditions or provisions of any law or regulation, order, writ, injunction or decree of any court, government or regulatory authority, or, to the best of our knowledge after diligent inquiry, any of the terms, conditions or provisions of any agreement, instrument or document to which Developer is a party or by which Developer or its properties is bound. To the best of our knowledge after diligent inquiry, such execution, delivery and performance will not constitute grounds for acceleration of the maturity of any agreement, indenture, undertaking or other instrument to which Developer is a party or by which it or any of its property may be bound, or result in the creation or imposition of (or the obligation to create or impose) any lien, charge or encumbrance on, or security interest in, any of its property pursuant to the provisions of any of the foregoing, other than liens or security interests in favor of the lender providing Lender Financing (as defined in the Agreement).

3. The execution and delivery of each Document and the performance of the transactions contemplated thereby have been duly authorized and approved by all requisite action on the part of Developer.

4. Each of the Documents to which Developer is a party has been duly executed and delivered by a duly authorized officer of Developer, and each such Document constitutes the legal, valid and binding obligation of Developer, enforceable in accordance with its terms, except as limited by applicable bankruptcy, reorganization, insolvency or similar laws affecting the enforcement of creditors' rights generally.

5. Exhibit A attached hereto (a) identifies each class of capital stock of Developer, (b) sets forth the number of issued and authorized shares of each such class, and (c) identifies the record owners of shares of each class of capital stock of Developer and the number of shares held of record by each such holder. To the best of our knowledge after diligent inquiry, except as set forth on Exhibit A, there are no warrants, options, rights or commitments of purchase, conversion, call or exchange or other rights or restrictions with respect to any of the capital stock of Developer. Each outstanding share of the capital stock of Developer is duly authorized, validly issued, fully paid and nonassessable.

6. To the best of our knowledge after diligent inquiry, no judgments are outstanding against Developer, nor is there now pending or threatened, any litigation, contested claim or governmental proceeding by or against Developer or affecting Developer or its property, or seeking to restrain or enjoin the performance by Developer of the Agreement or the transactions

contemplated by the Agreement, or contesting the validity thereof. To the best of our knowledge after diligent inquiry, Developer is not in default with respect to any order, writ, injunction or decree of any court, government or regulatory authority or in default in any respect under any law, order, regulation or demand of any governmental agency or instrumentality, a default under which would have a material adverse effect on Developer or its business.

7. To the best of our knowledge after diligent inquiry, there is no default by Developer or any other party under any material contract, lease, agreement, instrument or commitment to which Developer is a party or by which the company or its properties is bound.

8. To the best of our knowledge after diligent inquiry, all of the assets of Developer are free and clear of mortgages, liens, pledges, security interests and encumbrances except for those specifically set forth in the Documents.

9. The execution, delivery and performance of the Documents by Developer have not and will not require the consent of any person or the giving of notice to, any exemption by, any registration, declaration or filing with or any taking of any other actions in respect of, any person, including without limitation any court, government or regulatory authority.

10. To the best of our knowledge after diligent inquiry, Developer owns or possesses or is licensed or otherwise has the right to use all licenses, permits and other governmental approvals and authorizations, operating authorities, certificates of public convenience, goods carriers permits, authorizations and other rights that are necessary for the operation of its business.

11. A federal or state court sitting in the State of Illinois and applying the choice of law provisions of the State of Illinois would enforce the choice of law contained in the Documents and apply the law of the State of Illinois to the transactions evidenced thereby.

We are attorneys admitted to practice in the State of Illinois and we express no opinion as to any laws other than federal laws of the United States of America and the laws of the State of Illinois.

[Note: include a reference to the laws of the state of incorporation/organization of Developer, if other than Illinois.]

This opinion is issued at Developer's request for the benefit of the City and its counsel, and may not be disclosed to or relied upon by any other person.

Very truly yours,

CITY OF CHICAGO

RAHM EMANUEL
MAYOR

October 14, 2015

TO THE HONORABLE, THE CITY COUNCIL
OF THE CITY OF CHICAGO

Ladies and Gentlemen:

At the request of the Commissioner of Planning and Development, I transmit herewith an ordinance authorizing a Class 7(b) tax status for 3456 CHI, LLC.

Your favorable consideration of this ordinance will be appreciated.

Very truly yours,

Rahm Emanuel

Mayor

ORDINANCE

WHEREAS, the City of Chicago (the "City") is a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois authorized to exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, pursuant to an ordinance adopted by the City Council of the City ("City Council"), the City established "Enterprise Zone 4" in accordance with the Illinois Enterprise Zone Act, 20 ILCS 665/1, *et seq.*, finding, among other things, that Enterprise Zone 4 is a depressed area; and

WHEREAS, certain real estate generally located at 3440 N Kedzie Avenue in the City, as more precisely described on Exhibit A attached hereto and hereby made a part hereof (the "Project Site"), is located within the boundaries of Enterprise Zone 4; and

WHEREAS, 3456.CHI, LLC, an Illinois limited liability company ("Applicant"), proposes to rehabilitate and currently intends to lease the property to Mid City Nissan, Inc., an Illinois corporation ("Tenant"), and Tenant intends to operate an approximately 134,655 square foot automobile dealership and service center on the approximately 266,000 square foot Project Site (the "Project"); and

WHEREAS, the Applicant purchased the Project Site for value; and

WHEREAS, the Project Site has been abandoned for approximately twenty-three months; and

WHEREAS, the City's Department of Planning and Development ("DPD") has determined that the property contains numerous depressed conditions that continue to impede the development of the property, including but not limited to functionally and economically obsolete buildings and site improvements, deteriorated structures, inadequate utilities, excessive site coverage and deleterious land use and layout (the "Special Circumstances") which DPD has determined justify a finding that the Project Site is abandoned for the purpose of the Class 7b designation; and

WHEREAS, the Project will increase employment opportunities, economic activity in the area and growth in the real property tax base; and

WHEREAS, the Applicant intends to apply to the Office of the Assessor of Cook County, Illinois (the "Assessor") for designation of the Project Site as a Class 7b classification eligible for certain real estate tax incentives; and

WHEREAS, Section 74-65(b) of the Cook County Real Estate Classification Ordinance, as amended, (the "Classification Ordinance"), provides that prior to filing an eligibility application with the Assessor, an applicant for Class 7b classification must obtain an ordinance or resolution from the municipality in which the real estate is located expressly stating that (a) the municipality has determined that eligibility factors (1) through (5) under Section 74-65(a) of the Classification Ordinance are present, and (b) the municipality supports and consents to the Class 7b application to the Assessor; and

WHEREAS, the DPD has reviewed the proposed Project, has determined that it meets the necessary eligibility requirements for Class 7b designation, and hereby recommends to City Council that the City expressly determine by ordinance that (a) the required eligibility factors are present, and (b) the City supports and consents to the Class 7b application to the Assessor by the Applicant for the Project; now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The above recitals are hereby expressly incorporated as if fully set forth herein.

SECTION 2. The City hereby determines that the Project meets eligibility factor (1) under Section 74-65(a) of the Classification Ordinance in that the Project Site is blighted and is located in an area in need of commercial development.

SECTION 3. The City hereby determines that the Project meets eligibility factor (2) under Section 74-65(a) of the Classification Ordinance in that real estate taxes in the area during the last six years have either declined, remained stagnant and/or potential real estate taxes are not being fully realized due to the depressed condition of the area.

SECTION 4. The City hereby determines that the Project meets eligibility factor (3) under Section 74-65(a) of the Classification Ordinance in that there is a reasonable expectation that the Project is viable and likely to go forward on a reasonably timely basis if granted Class 7b designation and will therefore result in the economic enhancement of the area.

SECTION 5. The City hereby determines that the Project meets eligibility factor (4) under Section 74-65(a) of the Classification Ordinance in that certification of the Project for Class 7b designation will materially assist development, redevelopment or rehabilitation of the area and the Project would not go forward without the full incentive offered under Class 7b.

SECTION 6. The City hereby determines that the Project meets eligibility factor (5) under Section 74-65(a) of the Classification Ordinance in that certification of the Project for Class 7b designation is reasonably expected to ultimately result in an increase in real property tax revenue and employment opportunities within the area.

SECTION 7. The City hereby expressly determines that eligibility factors (1) through (5) under Section 74-65(a) of the Classification Ordinance are present for the Project, and hereby expressly supports and consents to the Class 7b application of the Applicant to the Assessor for Class 7b designation of the Project and the Project Site.

SECTION 8. That the City determines that the Special Circumstances justify finding that the Project Site is deemed "abandoned" for the purpose of the Class 7b designation.

SECTION 9. The Commissioner of DPD (the "Commissioner"), or a designee of the Commissioner, are each hereby authorized to deliver a certified copy of this ordinance to the Assessor and to furnish such additional information as may be required in connection with the filing of the application by the Applicant with the Assessor for Class 7b designation of the Project.

SECTION 10. This ordinance shall be effective from and after its passage and approval.

TO THE HONORABLE, THE CITY COUNCIL

At the request of the Commissioner of Planning and Development, I transmit herewith ordinances authorizing the sale of city-owned property.

Your favorable consideration of these ordinances will be appreciated.

Very truly yours,

ORDINANCE

WHEREAS, the City of Chicago ("City") is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970, and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the City, through the foreclosure of demolition liens, tax sales and other methods of acquisition, has acquired title to numerous parcels of real property which are of minimal value and costly to clean up and maintain, and because title to such properties was vested in the City, the properties were exempted from real estate taxes, thus depriving the City of revenue; and

WHEREAS, pursuant to an ordinance (the "Original Program Ordinance") adopted by the City Council of the City ("City Council") on March 6, 1981 and published on pages 5584 - 5585 of the Journal of Proceedings of the City Council ("Journal") for such date, the City established a program for the disposition of certain vacant real property owned by the City known as the Adjacent Neighbors Land Acquisition Program; and

WHEREAS, the Original Program Ordinance was amended by ordinances adopted on July 23, 1982 and published in the Journal for such date at pages 11830 - 11833, and on January 7, 1983 and published in the Journal for such date at pages 14803 - 14805 (the Original Program Ordinance and such two amending ordinances, collectively, the "Original ANLAP Ordinances"); and

WHEREAS, pursuant to an ordinance adopted by the City Council on September 14, 1994 and published in the Journal for such date at pages 56195 - 56198, the City Council repealed the Original ANLAP Ordinances, and established a new program, also known as the Adjacent Neighbors Land Acquisition Program, for the disposition of certain vacant real property owned by the City, which ordinance was subsequently amended by ordinances adopted on September 4, 2002 and published in the Journal for such date at pages 92771 - 92773, and on July 28, 2010 and published in the Journal for such date at pages 97370 - 97374, and on June 25, 2014 and published in the Journal for such date at pages 83533 - 83535 (such new program, as amended, the "ANLAP Program"); and

WHEREAS, pursuant to the ANLAP Program, as codified at Municipal Code Chapter 2-159-010 et seq. (the "ANLAP Program Ordinance"), a qualified City-owned parcel may be sold if it has an appraised value of not more than Fifty Thousand Dollars ($50,000); and

WHEREAS, pursuant to the ANLAP Program, if the property appraises at or for less than Ten Thousand Dollars ($10,000.00) the minimum acceptable bid must be at least One Thousand Dollars ($1,000.00); if the property appraises at or for less than Twenty Thousand Dollars ($20,000.00) but more than Ten Thousand Dollars ($10,000.00) the minimum acceptable bid must be at least Two Thousand Dollars ($2,000.00); and if the property appraises for more than Twenty Thousand Dollars ($20,000.00) the minimum acceptable bid must be Two Thousand Dollars ($2,000.00), plus fifty percent (50%) of the appraised value which exceeds Twenty Thousand Dollars ($20,000.00); and

WHEREAS, pursuant to the ANLAP Program, an Adjacent Neighbor means a person who owns one parcel, or two or more contiguous parcels, of real property that is immediately

adjacent to a city-owned parcel and at least one of the parcels is an improved parcel which the person occupies as his primary residence; and

WHEREAS, pursuant to the ANLAP Program, any deed conveying a parcel pursuant thereto shall contain covenants which: (1) prohibit the grantee from conveying, assigning or otherwise transferring the parcel except in conjunction with the sale of the real estate on which grantee's primary residence is located, including the adjacent side yard if any; and (2) require that the parcel be improved with landscaped open space within six (6) months of the conveyance of such parcel and prohibit the construction of any permanent improvements on the parcel, excluding only improvements made by the grantee on the parcel that constitute an integrated addition to the grantee's primary residence, or a garage appurtenant thereto; and (3) require the grantee to maintain the parcel in accordance with the provisions of the Municipal Code of Chicago. The covenants shall terminate ten (10) years after the date of the conveyance of the parcel to the grantee; and

WHEREAS, the Department of Planning and Development ("DPD") of the City desires to convey the vacant parcel of real property identified on Exhibit A to this ordinance (the "ANLAP Parcel") to Julia M. Brown (the "Purchaser"), who has a principal residence of 2900 West Warren Boulevard, Chicago, Illinois 60612, which ANLAP Parcel is located in the Midwest Redevelopment Project Area ("Area") established pursuant to ordinances adopted by the City Council on May 17, 2000 and published in the Journal of Proceedings of the City of Chicago for such date at pages 30775 through 30953; and

WHEREAS, DPD has caused notice of the proposed sale of the ANLAP Parcel to be sent to all eligible adjacent neighbors (if any) and has also caused public notice advertising the City's intent to enter into the sale of the ANLAP Parcel to the Purchaser to be published in the *Chicago Sun-Times* on September 2, 2015; and

WHEREAS, Purchaser's proposal was the only proposal received by the deadline indicated in the aforesaid notice; and

WHEREAS, pursuant to Resolution Number 15-077-21 adopted on September 17, 2015, by the Plan Commission of the City of Chicago ("Commission"), the Commission approved the sale of the Property to the Purchaser; now, therefore

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The City hereby accepts the bid of the Purchaser to purchase the ANLAP Parcel, which purchase shall be subject to all of the terms, conditions, covenants and restrictions of the ANLAP Program and the ANLAP Program Ordinance.

SECTION 2. The Mayor or his proxy is authorized to execute, and the City Clerk or Deputy City Clerk is authorized to attest, a quitclaim deed conveying the ANLAP Parcel to the Purchaser for the purchase price of One Thousand and 00/100 Dollars ($1,000.00). Such deed shall include a covenant obligating the Purchaser to use the ANLAP Parcel only for a use consistent with the land uses permitted under the redevelopment plan for the Area and consistent with the requirements of the ANLAP Program Ordinance.

SECTION 3. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity of such provision shall not affect any of the other provisions of this ordinance.

At the request of the Commissioner of Planning and Development, I transmit herewith ordinances authorizing the sale of city-owned property.

Your favorable consideration of these ordinances will be appreciated.

Very truly yours,

ORDINANCE

WHEREAS, the City of Chicago ("City") is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970, and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the City, through the foreclosure of demolition liens, tax sales and other methods of acquisition, has acquired title to numerous parcels of real property which are of minimal value and costly to clean up and maintain, and because title to such properties was vested in the City, the properties were exempted from real estate taxes, thus depriving the City of revenue; and

WHEREAS, pursuant to an ordinance (the "Original Program Ordinance") adopted by the City Council of the City ("City Council") on March 6, 1981 and published on pages 5584 - 5585 of the Journal of Proceedings of the City Council ("Journal") for such date, the City established a program for the disposition of certain vacant real property owned by the City known as the Adjacent Neighbors Land Acquisition Program; and

WHEREAS, the Original Program Ordinance was amended by ordinances adopted on July 23, 1982 and published in the Journal for such date at pages 11830 - 11833, and on January 7, 1983 and published in the Journal for such date at pages 14803 - 14805 (the Original Program Ordinance and such two amending ordinances, collectively, the "Original ANLAP Ordinances"); and

WHEREAS, pursuant to an ordinance adopted by the City Council on September 14, 1994 and published in the Journal for such date at pages 56195 - 56198, the City Council repealed the Original ANLAP Ordinances, and established a new program, also known as the Adjacent Neighbors Land Acquisition Program, for the disposition of certain vacant real property owned by the City, which ordinance was subsequently amended by ordinances adopted on September 4, 2002 and published in the Journal for such date at pages 92771 - 92773, and on July 28, 2010 and published in the Journal for such date at pages 97370 – 97374, and on June 25, 2014 and published in the Journal for such date at pages 83533 - 83535 (such new program, as amended, the "ANLAP Program"); and

WHEREAS, pursuant to the ANLAP Program, as codified at Municipal Code Chapter 2-159-010 et seq. (the "ANLAP Program Ordinance"), a qualified City-owned parcel may be sold if it has an appraised value of not more than Fifty Thousand Dollars ($50,000); and

WHEREAS, pursuant to the current ANLAP Program, if the property appraises at or for less than Ten Thousand Dollars ($10,000.00) the minimum acceptable bid must be at least One Thousand Dollars ($1,000.00); if the property appraises at or for less than Twenty Thousand Dollars ($20,000.00) but more than Ten Thousand Dollars ($10,000.00) the minimum acceptable bid must be at least Two Thousand Dollars ($2,000.00); and if the property appraises for more than Twenty Thousand Dollars ($20,000.00) the minimum acceptable bid must be Two Thousand Dollars ($2,000.00), plus fifty percent (50%) of the appraised value which exceeds Twenty Thousand Dollars ($20,000.00); and

WHEREAS, pursuant to the ANLAP Program, an Adjacent Neighbor means a person who owns one parcel, or two or more contiguous parcels, or real property that is immediately

adjacent to a city-owned parcel and at least one of the parcels is an improved parcel which the person occupies as his primary residence; and

WHEREAS, pursuant to the ANLAP Program, any deed conveying a parcel pursuant thereto shall contain covenants which: (1) prohibit the grantee from conveying, assigning or otherwise transferring the parcel except in conjunction with the sale of the real estate on which the grantee's primary residence is located, including the adjacent side yard, if any; and (2) require that the parcel be improved with landscaped open space within six (6) months of the conveyance of such parcel and prohibit the construction of any permanent improvements on the parcel, excluding only improvements made by the grantee on the parcel that constitute an integrated addition to the grantee's primary residence, or a garage appurtenant thereto; and (3) require the grantee to maintain the parcel in accordance with the provisions of the Municipal Code of Chicago. The covenants shall terminate ten (10) years after the date of the conveyance of the parcel to the grantee; and

WHEREAS, the Department of Planning and Development ("DPD") of the City desires to convey the vacant parcel of real property identified on Exhibit A to this ordinance (the "ANLAP Parcel") to Gerald H. Richardson (the "Purchaser"), who has a principal residence of 4507 W. Wilcox Street, Chicago, Illinois 60624; and

WHEREAS, DPD has caused notice of the proposed sale of the ANLAP Parcel to be sent to all eligible adjacent neighbors (if any); and

WHEREAS, Purchaser's proposal was the only proposal received by the deadline indicated in the aforesaid notice; and

WHEREAS, pursuant to Resolution Number 15-090-21 adopted on October 15, 2015, by the Plan Commission of the City of Chicago ("Commission"), the Commission approved the sale of the Property to the Purchaser; now, therefore

Ladies and Gentlemen:

At the request of the Commissioner of Planning and Development, I transmit herewith ordinances authorizing the sale of city-owned property.

Your favorable consideration of these ordinances will be appreciated.

Very truly yours,

ORDINANCE

WHEREAS, the City of Chicago ("City") is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970, and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the City, through the foreclosure of demolition liens, tax sales and other methods of acquisition, has acquired title to numerous parcels of real property which are of minimal value and costly to clean up and maintain, and because title to such properties was vested in the City, the properties were exempted from real estate taxes, thus depriving the City of revenue; and

WHEREAS, pursuant to an ordinance (the "Original Program Ordinance") adopted by the City Council of the City ("City Council") on March 6, 1981 and published on pages 5584 - 5585 of the Journal of Proceedings of the City Council ("Journal") for such date, the City established a program for the disposition of certain vacant real property owned by the City known as the Adjacent Neighbors Land Acquisition Program; and

WHEREAS, the Original Program Ordinance was amended by ordinances adopted on July 23, 1982 and published in the Journal for such date at pages 11830 - 11833, and on January 7, 1983 and published in the Journal for such date at pages 14803 - 14805 (the Original Program Ordinance and such two amending ordinances, collectively, the "Original ANLAP Ordinances"); and

WHEREAS, pursuant to an ordinance adopted by the City Council on September 14, 1994 and published in the Journal for such date at pages 56195 - 56198, the City Council repealed the Original ANLAP Ordinances, and established a new program, also known as the Adjacent Neighbors Land Acquisition Program, for the disposition of certain vacant real property owned by the City, which ordinance was subsequently amended by ordinances adopted on September 4, 2002 and published in the Journal for such date at pages 92771 - 92773, and on July 28, 2010 and published in the Journal for such date at pages 97370 - 97374, and on June 25, 2014 and published in the Journal for such date at pages 83533 - 83535 (such new program, as amended, the "ANLAP Program"); and

WHEREAS, pursuant to the ANLAP Program, as codified at Municipal Code Chapter 2-159-010 et seq. (the "ANLAP Program Ordinance"), a qualified City-owned parcel may be sold if it has an appraised value of not more than Fifty Thousand Dollars ($50,000); and

WHEREAS, pursuant to the ANLAP Program, if the property appraises at or for less than Ten Thousand Dollars ($10,000.00) the minimum acceptable bid must be at least One Thousand Dollars ($1,000.00); if the property appraises at or for less than Twenty Thousand Dollars ($20,000.00) but more than Ten Thousand Dollars ($10,000.00) the minimum acceptable bid must be at least Two Thousand Dollars ($2,000.00); and if the property appraises for more than Twenty Thousand Dollars ($20,000.00) the minimum acceptable bid must be Two Thousand Dollars ($2,000.00), plus fifty percent (50%) of the appraised value which exceeds Twenty Thousand Dollars ($20,000.00); and

WHEREAS, pursuant to the ANLAP Program, an Adjacent Neighbor means a person who owns one parcel, or two or more contiguous parcels, of real property that is immediately

adjacent to a city-owned parcel and at least one of the parcels is an improved parcel which the person occupies as his primary residence; and

WHEREAS, pursuant to the ANLAP Program, any deed conveying a parcel pursuant thereto shall contain covenants which: (1) prohibit the grantee from conveying, assigning or otherwise transferring the parcel except in conjunction with the sale of the real estate on which grantee's primary residence is located, including the adjacent side yard if any; and (2) require that the parcel be improved with landscaped open space within six (6) months of the conveyance of such parcel and prohibit the construction of any permanent improvements on the parcel, excluding only improvements made by the grantee on the parcel that constitute an integrated addition to the grantee's primary residence, or a garage appurtenant thereto; and (3) require the grantee to maintain the parcel in accordance with the provisions of the Municipal Code of Chicago. The covenants shall terminate ten (10) years after the date of the conveyance of the parcel to the grantee; and

WHEREAS, the Department of Planning and Development ("DPD") of the City desires to convey the vacant parcel of real property identified on Exhibit A to this ordinance (the "ANLAP Parcel") to Karina Paredes (the "Purchaser"), who has a principal residence of 4828 South Princeton Avenue, Chicago, Illinois 60609, which ANLAP Parcel is located in the 47th/Halsted Redevelopment Project Area ("Area") established pursuant to ordinances adopted by the City Council on May 29, 2002 and published in the Journal for such date at pages 85676 through 85904; and

WHEREAS, DPD has caused notice of the proposed sale of the ANLAP Parcel to be sent to all eligible adjacent neighbors (if any) and has also caused public notice advertising the City's intent to enter into the sale of the ANLAP Parcel to the Purchaser to be published in the *Chicago Sun-Times* on August 24, 2015; and

WHEREAS, Purchaser's proposal was the only proposal received by the deadline indicated in the aforesaid notice; and

WHEREAS, pursuant to Resolution Number 15-077-21 adopted on September 17, 2015, by the Plan Commission of the City of Chicago ("Commission"), the Commission approved the sale of the Property to the Purchaser; now, therefore

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

TO THE HONORABLE, THE CITY COUNCIL

Ladies and Gentlemen:

At the request of the Commissioner of Planning and Development, I transmit herewith ordinances authorizing the sale of city-owned property.

Your favorable consideration of these ordinances will be appreciated.

Very truly yours,

Mayor

ORDINANCE

WHEREAS, the City of Chicago ("City") is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970, and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the City, through the foreclosure of demolition liens, tax sales and other methods of acquisition, has acquired title to numerous parcels of real property which are of minimal value and costly to clean up and maintain, and because title to such properties was vested in the City, the properties were exempted from real estate taxes, thus depriving the City of revenue; and

WHEREAS, pursuant to an ordinance (the "Original Program Ordinance") adopted by the City Council of the City ("City Council") on March 6, 1981 and published on pages 5584 - 5585 of the Journal of Proceedings of the City Council ("Journal") for such date, the City established a program for the disposition of certain vacant real property owned by the City known as the Adjacent Neighbors Land Acquisition Program; and

WHEREAS, the Original Program Ordinance was amended by ordinances adopted on July 23, 1982 and published in the Journal for such date at pages 11830 - 11833, and on January 7, 1983 and published in the Journal for such date at pages 14803 - 14805 (the Original Program Ordinance and such two amending ordinances, collectively, the "Original ANLAP Ordinances"); and

WHEREAS, pursuant to an ordinance adopted by the City Council on September 14, 1994 and published in the Journal for such date at pages 56195 - 56198, the City Council repealed the Original ANLAP Ordinances, and established a new program, also known as the Adjacent Neighbors Land Acquisition Program, for the disposition of certain vacant real property owned by the City, which ordinance was subsequently amended by ordinances adopted on September 4, 2002 and published in the Journal for such date at pages 92771 - 92773, and on July 28, 2010 and published in the Journal for such date at pages 97370 - 97374, and on June 25, 2014 and published in the Journal for such date at pages 83533 - 83535 (such new program, as amended, the "ANLAP Program"); and

WHEREAS, pursuant to the ANLAP Program, as codified at Municipal Code Chapter 2-159-010 et seq. (the "ANLAP Program Ordinance"), a qualified City-owned parcel may be sold if it has an appraised value of not more than Fifty Thousand Dollars ($50,000); and

WHEREAS, pursuant to the ANLAP Program, if the property appraises at or for less than Ten Thousand Dollars ($10,000.00) the minimum acceptable bid must be at least One Thousand Dollars ($1,000.00); if the property appraises at or for less than Twenty Thousand Dollars ($20,000.00) but more than Ten Thousand Dollars ($10,000.00) the minimum acceptable bid must be at least Two Thousand Dollars ($2,000.00); and if the property appraises for more than Twenty Thousand Dollars ($20,000.00) the minimum acceptable bid must be Two Thousand Dollars ($2,000.00), plus fifty percent (50%) of the appraised value which exceeds Twenty Thousand Dollars ($20,000.00); and

WHEREAS, pursuant to the ANLAP Program, an Adjacent Neighbor means a person who owns one parcel, or two or more contiguous parcels, of real property that is immediately

adjacent to a city-owned parcel and at least one of the parcels is an improved parcel which the person occupies as his primary residence; and

WHEREAS, pursuant to the ANLAP Program, any deed conveying a parcel pursuant thereto shall contain covenants which: (1) prohibit the grantee from conveying, assigning or otherwise transferring the parcel except in conjunction with the sale of the real estate on which grantee's primary residence is located, including the adjacent side yard if any; and (2) require that the parcel be improved with landscaped open space within six (6) months of the conveyance of such parcel and prohibit the construction of any permanent improvements on the parcel, excluding only improvements made by the grantee on the parcel that constitute an integrated addition to the grantee's primary residence, or a garage appurtenant thereto; and (3) require the grantee to maintain the parcel in accordance with the provisions of the Municipal Code of Chicago. The covenants shall terminate ten (10) years after the date of the conveyance of the parcel to the grantee; and

WHEREAS, the Department of Planning and Development ("DPD") of the City desires to convey the vacant parcel of real property identified on Exhibit A to this ordinance (the "ANLAP Parcel") to Karla G. Ruzich (the "Purchaser"), who has a principal residence of 12619 South Saginaw Avenue, Chicago, Illinois 60633, which ANLAP Parcel is located in the 126th Torrence Redevelopment Project Area ("Area") established pursuant to ordinances adopted by the City Council on December 21, 1994, and published in the Journal for such date at pages 63453 through 63510; and

WHEREAS, DPD has caused notice of the proposed sale of the ANLAP Parcel to be sent to all eligible adjacent neighbors (if any) and has also caused public notice advertising the City's intent to enter into the sale of the ANLAP Parcel to the Purchaser to be published in the *Chicago Sun-Times* on September 1, 2015; and

WHEREAS, Purchaser's proposal was the only proposal received by the deadline indicated in the aforesaid notice; and

WHEREAS, pursuant to Resolution Number 15-077-21 adopted on September 17, 2015, by the Plan Commission of the City of Chicago ("Commission"), the Commission approved the sale of the Property to the Purchaser; now, therefore

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:
