LICENSE

ORDINANCE

WHEREAS, Sections 4-60-022 and 4-60-023 of the Municipal Code set forth restrictions on liquor sales for, respectively, consumption on premises and packaged goods; and

WHEREAS, For organizational efficiency and for ease of reference, sections 4-60-022 and 4-60-023 set out affected areas using a ward-based numbering system; and

WHEREAS, As a result of the 2010 National Decennial Census, ward boundaries in the City of Chicago were re-drawn; and

WHEREAS, The ordinance which re-drew the ward boundaries was passed by the City Council on January 19, 2012 and is found in the Journal of the Proceedings of that date at pages 19792 through 19849. This ordinance is numbered by the City Clerk's office as SO2012-582; and

WHEREAS, Subsequent to the City Council passing SO2012-582, an ordinance to make corrections to said ordinance was passed by the City Council on September 12, 2012 and is found in the Journal of the Proceedings of that date at pages 33628 through 33683. This ordinance is numbered by the City Clerk's office as O2012-5439; and

WHEREAS, As a consequence of re-drawing ward boundaries, numerous liquor sale restrictions in sections 4-60-022 and 4-60-023 are no longer numbered accurately according to the wards in which they are now located; and

WHEREAS, It is necessary and appropriate to correct these numbering inaccuracies so that the liquor sale restrictions shown in sections 4-60-022 and 4-60-023 are numbered according to the wards in which they are located; now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

LESSEE NOT TO MISUSE; SUBLET; ASSIGNMENT

3. Lessee will not allow the Premises to be used for any purpose that will increase the rate of insurance thereon, nor for any purpose other than that hereinbefore specified, and will not load floors with machinery or goods beyond the floor load rating prescribed by applicable municipal ordinances, and will not allow the Premises to be occupied in whole, or in part, by any other person, and will not sublet the same or any part thereof, nor assign this lease without in each case the written consent of the Lessor first had, and Lessee will not permit any transfer by operation of law of the interest in the Premises acquired through this lease, and will not permit the Premises to be used for any unlawful purpose, or for any purpose that will injure the reputation of the building or increase the fire hazard of the building, or disturb the tenants or the neighborhood, and will not permit the same to remain vacant or unoccupied for more than ten consecutive days; and will not allow any signs, cards or placards to be posted, or placed thereon, nor permit any alteration of or addition to any part of the Premises, except by written consent of Lessor; all alterations and additions to the Premises shall remain for the benefit of Lessor unless otherwise provided in the consent aforesaid. If in the event Lessee engages in a business other than that stated in the lease which is dangerous or unacceptable by the Lessor, this lease becomes immediately null and void. Lessee shall have 30 days to vacate.

MECHANIC'S LIEN

4. Lessee will not permit any mechanic's lien or liens to be placed upon the Premises or any building or improvement thereon during the term hereof, and in case of the filing of such lien Lessee will promptly pay same. If default in payment thereof shall continue for thirty (30) days after written notice thereof from Lessor to the Lessee, the Lessor shall have the right and privilege at Lessor's option of paying the same or any portion thereof without inquiry as to the validity thereof, and any amounts so paid, including expenses and interest, shall be so much additional indebtedness hereunder due from Lessee to Lessor and shall be repaid to Lessor immediately on rendition of bill therefor.

SM

INDEMNITY FOR ACCIDENTS

5. Lessee covenants and agrees that he will protect and save and keep the Lessor forever harmless and indemnified against and from any penalty or damages or charges imposed for any violation of any laws or ordinances, whether occasioned by the neglect of Lessee or those holding under Lessee, and that Lessee will at all times protect, indemnify and save and keep harmless the Lessor against and from any and all loss, cost, damage or expense, arising out of or from any accident or other occurrence on or about the Premises, causing injury to any person or property whomsoever or whatsoever and will protect, indemnify and save and keep harmless the Lessor against and from any and all claims and against and from any and all loss, cost, damage or expense arising out of any failure of Lessee in any respect to comply with and perform all the requirements and provisions hereof.

NON-LIABILITY OF LESSOR

6. Except as provided by Illinois statute, Lessor shall not be liable for any damage occasioned by failure to keep the Premises in repair, nor for any damage done or occasioned by or from plumbing, gas, water, sprinkler, steam or other pipes or sewerage or the bursting, leaking or running of any pipes, tank or plumbing fixtures, in, above, upon or about Premises or any building or improvement thereon nor for any damage occasioned by water, snow or ice being upon or coming through the roof, skylights, trap door or otherwise, nor for any damages arising from acts or neglect of any owners or occupants of adjacent or contiguous property.

WATER, GAS AND ELECTRIC CHARGES

7. Lessee will pay, in addition to the rent above specified, all gas and electric light and power bills taxed, levied or charged on the Premises, for and during the time for which this lease is granted, and in case said bills for gas, electric light and power shall not be paid when due, Lessor shall have the right to pay the same, which amounts so paid, together with any sums paid by Lessor to keep the Premises in a clean and healthy condition, as above specified, are declared to be so much additional rent and payable with the installment of rent next due thereafter.

KEEP PREMISES IN REPAIR

8. Lessor shall not be obliged to incur any expense for repairing any improvements upon said demised premises or connected therewith, and the Lessee at his own expense will keep all improvements in good repair (injury by fire, or other causes beyond Lessee's control excepted) as well as in a good tenantable and wholesome condition, and will comply with all local or general regulations, laws and ordinances applicable thereto, as well as lawful requirements of all competent authorities in that behalf. Lessee will, as far as possible, keep said improvements from deterioration due to ordinary wear and from falling temporarily out of repair. If Lessee does not make repairs as required hereunder promptly and adequately, Lessor may but need not make such repairs and pay the costs thereof, and such costs shall be so much additional rent immediately due from and payable by Lessee to Lessor.

ACCESS TO PREMISES

9. Lessee will allow Lessor free access to the Premises for the purpose of examining or exhibiting the same, or to make any needful repairs, or alterations thereof which Lessor may see fit to make and will allow to have placed upon the Premises at all times notice of "For Sale" and "To Rent", and will not interfere with the same. Lessor shall be notified in the event Lessee decides to add any locking security systems. It shall be understood that Lessor shall have a key to the premises in his possession. If locks are changed, Lessor must be notified and given a new key.

ABANDONMENT AND RELETTING

10. If Lessee shall abandon or vacate the premises, or if Lessee's right to occupy the Premises be terminated by Lessor by reason of Lessee's breach of any of the covenants herein, the same may be re-let by Lessor for such rent and upon such terms as Lessor may deem fit, subject to Illinois statute; and if a sufficient sum shall not thus be realized monthly, after paying the expenses of such re-letting and collecting to satisfy the rent hereby reserved, Lessee agrees to satisfy and pay all deficiency monthly during the remaining period of this lease.

HOLDING OVER

11. Lessee will, at the termination of this lease by lapse of time or otherwise, yield up immediate possession to Lessor, including the removal of any and all personal property of the Lessee and others then upon the premises, and failing so to do, will pay as liquidated damages, for the whole time such possession is withheld, the sum of___TWO HUNDRED__DOLLAR & 00/100 Dollars ($_200.00____) per day; but the provisions of this clause shall not be held as a waiver by Lessor of any right of re-entry as hereinafter set forth; nor shall the receipt of said rent or any part thereof, or any other act in apparent affirmance of tenancy, operate as a waiver of the right to forfeit this lease and the term hereby granted for the period still unexpired, for a breach of any of the covenants herein.

EXTRA FIRE HAZARD

12. There shall not be allowed, kept, or used on the Premises any flammable or explosive liquids or materials save such as may be necessary for use in the business of the Lessee, and in such case, any such substances shall be delivered and stored in amount, and used, in accordance with the rules of the applicable Board of Underwriters and statutes and ordinances now or hereafter in force. Lessee agrees not to carry on any activity or store flammable materials in a manner which would increase the fire insurance premium on the building or contents of other tenants (if any) occupying space in said building.

DEFAULT BY LESSEE

13. If default be made in the payment of the above rent, or any part thereof, or in any of the covenants herein contained to be kept by the Lessee, Lessor may at any time thereafter at his election declare said term ended and reenter the Premises or any part thereof, with or (to the extent permitted by law) without notice or process of law, and remove Lessee or any persons occupying the same, without prejudice to any remedies which might otherwise be used for arrears of rent, and Lessor shall have at all times the right to distrain for rent due, and shall have a valid and first lien

SM

NO RENT DEDUCTION OR SET OFF

14. Lessee's covenant to pay rent is and shall be independent of each and every other covenant of this lease. Lessee agrees that any claim by Lessee against Lessor shall not be deducted from rent nor set off against any claim for rent in any action.

RENT AFTER NOTICE OF SUIT

15. It is further agreed, by the parties hereto, that after the service of notice, or the commencement of a suit or after final judgment for possession of the Premises, Lessor may receive and collect any rent due, and the payment of said rent shall not waive or affect said notice, said suit, or said judgment.

PAYMENT OF COSTS

16. Lessee will pay and discharge all reasonable costs, attorney's fees and expenses that shall be made and incurred by Lessor in enforcing the covenants and agreements of this lease.

RIGHTS CUMULATIVE

17. The rights and remedies of Lessor under this lease are cumulative. The exercise or use of any one or more thereof shall not bar Lessor from exercise or use of any other right or remedy provided herein or otherwise provided by law, nor shall exercise nor use of any right or remedy by Lessor waive any other right or remedy.

FIRE AND CASUALTY

18. In case the Premises shall be rendered untenantable during the term of this lease by fire or other casualty, Lessor at his option may terminate the lease or repair the Premises within 60 days thereafter. If Lessor elects to repair, this lease shall remain in effect provided such repairs are completed within said time. If Lessor shall not have repaired the Premises within said time, then at the end of such time the term hereby created shall terminate. If this lease is terminated by reason of fire or casualty as herein specified, rent shall be apportioned and paid the day of such fire or other casualty.

SUBORDINATION

19. This lease is subordinate to all mortgages which may now or hereafter affect the Premises. Lessor shall have the right from time to time and at any time during the term of this Lease or renewal thereof, to sell, mortgage or otherwise dispose of Lessor's interest in the rented property subject to this lease. Lessee agrees that this Lease is subject and subordinate to the terms of any mortgage to be placed on or encumber the demised premises, provided, however, that Lessee's tenancy shall not be disturbed so long as Lessee is not in default under the terms of the within Lease. Lessee further agrees to execute any and all documents required by the mortgagee to evidence the subordination of this Lease, and in the event of default in the execution of such documents, Lessor is hereby appointed as agent for Lessee to execute such instruments of subordination or estoppel as may be required.

PLURALS; SUCCESSORS

20. The words "Lessor" and "Lessee" wherever herein occurring and used shall be construed to mean "Lessors" and "Lessees" in case more than one person constitutes either party to this lease; and all the covenants and agreements contained shall be binding upon, and inure to, their respective successors, heirs, executors, administrators and assigns and may be exercised by his or their attorney or agent.

21. Wherever possible each provision of this lease shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this lease shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this lease.

DEPOSITS

22. Lessee will deposit herewith, in addition to the first month's rent, a security deposit in the amount of $1,000.00 to be held by Lessor to guarantee faithful performance of this lease. Said security deposit shall be returned at the end of the lease term provided the Lessee shall not be in default hereunder and premises are surrendered in same condition as delivered.

23. At time of signing new lease for an additional period of rental time, Lessee shall be required to update security deposit to coincide with any monthly rental increase.

INSURANCE

24. Lessee, at Lessee's expense, shall purchase and maintain insurance during the entire term of the lease for the benefit of the Lessee and Lessor (as their interest may appear) with terms, coverages, and in responsible companies. Lessor agrees to adjust the amounts or type of coverage set forth herein if the customs or standards in the leasing community change during the term of this lease, but initially Lessee shall maintain the following coverages in the following amounts: (i) Commercial General Liability Insurance on an occurrence basis with a minimum limit of liability in an amount of $1,000,000; and (ii) Workmen's Compensation Insurance in not less than the statutory amounts outlined by the State of Illinois. **Such policies shall name ANTONIA KOZEL as additional insureds** with a requirement of ten-day notice of cancellation to the Lessor. The late payment charge shall be increased to $100.00 if monthly rent is not paid by the 12th day of any month of the term. If monthly rent is not paid by the 15th day of each of the two consecutive months of the term, the security deposit required under the lease shall be automatically doubled, and the Lessee shall deposit the additional security deposit required within five days after requested by the Lessor. This Guaranty is an absolute and unconditional guaranty of payment and of performance, and not of collection. The Guarantor hereby unconditionally waives (a) demand for payment, and all notices of any kind, including, without limitation, notice of acceptance hereof, notice of nonpayment, non-performance, or other default under the Lease; and notice of any action taken to collect upon or enforce any of the terms and provisions of the Lease; (b) any subrogation to the rights of Landlord against Tenant until all of the obligations of Tenant under the Lease have been fully complied with and the Lease has expired or terminated and such payments made by the Guarantor are not subject to a right of recovery; and (c) any setoffs or counterclaims against Landlord which would otherwise impair Landlord's rights against the Guarantor hereunder.

ORDINANCE

WHEREAS, The City of Chicago is a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois and, therefore, may pass legislation regulating matters that pertain to its municipal government and affairs; and

WHEREAS, In an effort to enforce collection of fines imposed on individuals who were adjudicated to be in violation of their vehicular traffic and parking laws, the city saw fit to double and triple these fines if they were not paid in a timely fashion; and

WHEREAS, It was determined that these penalties, while motivating some individuals to pay what was owed before the amount escalated, imposed an undue burden on many who might be willing and able to pay their original fines given the opportunity and the time to do so; and

WHEREAS, An amnesty program to provide relief from these accumulated penalties brought in more than $7,000,000 when it was last granted almost a decade ago. It behooves this legislative body to extend such a program at this time, now therefore

RESOLUTION REGARDING THE REGULATION OF CLASS A AND CLASS B TRANSPORTATION NETWORK PROVIDERS

WHEREAS, On January 14, 2015, a driver for Uber, one of the transportation network providers the City of Chicago has recently began regulating, was charged with criminal sexual assault, unlawful restraint and kidnapping against a male passenger; and

WHEREAS, On November 16, 2014, a man was charged with raping a 22-year-old woman while working as a driver for Uber; and

WHEREAS, These were not the only heinous incidents in which this company has been implicated. In December of 2014, a Boston Uber driver was arraigned on charges of kidnapping and raping a female passenger. Uber riders have reported sexual assaults in Washington D.C., Seattle, and West Hollywood; and

WHEREAS, Uber's rapid global expansion has put them in more than 250 cities and 50 countries where similar allegations have been reported as well. Government officials have halted Uber operations in New Delhi, India after a rape accusation. It has been reported that Spain and Thailand also have ordered Uber operations to cease in their countries; and

WHEREAS, In addition, many Uber drivers themselves have lodged complaints against the company, alleging unfair wage and business practices. Some Uber driver applicants have been encouraged to obtain subprime loans for vehicles that would qualify them as Uber drivers from the company's financial business partners; and

WHEREAS, Consumers have voiced bitter objection to Uber's exorbitant practice of dynamically adjusting prices for service, commonly known as "surge pricing", at times of peak demand. In one case, a woman was charged $362.57 after a 20-minute ride in Baltimore. A Denver customer was charged $539 for a 25-minute ride. During a terrorist incident in Sydney, Australia, Uber took full advantage of the scenario and quadrupled the cost of the average fare. No other regulated business in the City of Chicago is allowed to fluctuate their pricing in such an arbitrary, usurious and unscrupulous manner; and

WHEREAS, A January 2, 2015 Chicago Sun-Times editorial called for a thorough review by this legislative body concerning Uber and the other transportation network providers the City of Chicago now regulates While recognizing the popularity of this innovation in public transportation, this legislative body is mandated to recognize the overriding necessity for public safety and consumer protection. It has become apparent that these transportation network providers continue to face regulatory hurdles and challenges in many of the cities and countries in which they operate. It behooves the members of this council to revisit the regulations put in place on May 28, 2014; now therefore

BE IT RESOLVED, That we, the undersigned members of the City of Chicago City Council, gathered this 21st Day of January, 2015 AD, do hereby call upon the chair of the Committee on License and Consumer Protection to form a subcommittee that shall review the current business and employment practices of all Class A and Class B transportation network providers that operate within the City of Chicago, expeditiously hold hearings to take testimony and data from representatives of these providers and other interested parties regarding their operations and practices, and submit such findings in a report to this body within 90 days of the passage of this resolution.

BE IT FURTHER RESOLVED That copies of this resolution be prepared and presented to the Honorable Emma Mitts, Chair of the Committee on License and Consumer Protection and all principals and registered agents of all Class A and Class B transportation network providers that operate within the City of Chicago.

RESOLUTION

WHEREAS, publicly announced cyberattacks against companies such as Target, Neiman Marcus, Michaels, Yahoo! Mail, eBay, UPS, Home Depot, Apple iCloud, and J.P. Morgan Chase have highlighted the need for heightened cybersecurity; and

WHEREAS, last January, Target announced that the contact information of 70 million individuals was taken during a December 2013 breach in which cybercriminals also stole information from 40 million customer credit and debit cards; and

WHEREAS, last September, Home Depot announced that cybercriminals used malware to compromise the credit card information for roughly 56 million shoppers in its 2,000 U.S. and Canadian outlets; and

WHEREAS, the increases in the rate and severity of cyberattacks on American companies demonstrates the threat to U.S. commerce; and

WHEREAS, in 2013, cybercrime reportedly cost U.S. companies and individuals $38 billion; and

WHEREAS, North Korea recently organized a cyberattack targeting Sony Pictures Entertainment and made unacceptable threats of violence against movie theatres and moviegoers worldwide; and

WHEREAS, the cyberattack debilitated Sony computers and led to Sony temporarily canceling the release of "The Interview," a movie that depicts the assassination of the North Korean leader, Kim Jong-un; and

WHEREAS, North Korea's cyberattack was an attack on our freedom of expression and way of life; and

WHEREAS, between 2009 and 2011, there was a 17-fold increase in computer attacks on American infrastructure, initiated by criminal gangs, hackers and other nations; and

WHEREAS, cyberattacks on utilities, military defense systems, water treatment plants, and other critical infrastructure are a direct threat to our national security; and

WHEREAS, President Obama has said that cyberattacks are one of the most serious challenges we face as a nation and America's economic prosperity in the 21st century will depend on cybersecurity; and

WHEREAS, in his 2015 State of the Union address, President Obama stated, "No foreign nation, no hacker, should be able to shut down our networks, steal our trade secrets, or invade the privacy of American families, especially our kids";

WHEREAS, the only way to counteract cyberattacks is to be proactive and neither the private sector nor the government can successfully defend against cyberattacks alone; and

WHEREAS, President Obama has called on Congress to adopt legislation that would promote the sharing of cybersecurity information between the government and private companies, bolster law enforcement officials' ability to investigate and prosecute cybercriminals, and mandate hacked companies to disclose breaches to employees and customers who may be affected; and

WHEREAS, the City of Chicago, home to many of the world's largest corporations, including many technology firms, has the capacity to provide valuable insight to collectively bolster cybersecurity citywide; NOW THEREFORE

BE IT RESOLVED, that the City of Chicago does hereby urge its Congressional delegation to support federal legislation that would promote the sharing of cybersecurity information between the government and private companies, bolster law enforcement officials' ability to investigate and prosecute cybercriminals, and mandate hacked companies to disclose breaches to employees and customers who may be affected; and

RESOLUTION

WHEREAS, Integrys Energy Group Inc., the parent company of Peoples Gas and North Shore Gas, has proposed to increase fees on Chicago customers' heating bills; and

WHEREAS, the proposal would increase the fixed amount Chicago consumers would be charged from $27.00 a month to $38.50 a month while decreasing variable costs; and

WHEREAS, should the Illinois Commerce Commission approve the proposed rate hike, the natural gas bills of nearly 1 million customers in the Chicago area would rise by about $5 a month to an average of $98 a month; and

WHEREAS, Peoples Gas currently charges its customers the second highest fixed amount of any utility in the Midwest; and

WHEREAS, the fixed monthly fee has already risen 199 percent since 2007; and

WHEREAS, the Citizens Utility Board has criticized the proposed rate hike and the Illinois Attorney General and the Environmental Law and Policy Center have intervened in the rate case to oppose the higher fixed charges; and

WHEREAS, the proposed change violates the principle that utility rates should be designed to encourage energy efficiency; and

WHEREAS, increasing the fixed monthly fee would disproportionately harm residents of smaller homes who presumably use less gas; and

WHEREAS, in June 2014, Integrys announced a $5.8 billion deal to sell its utility operations to Milwaukee-based Wisconsin Energy Corp.; and

WHEREAS, the proposed merger is currently seeking approval from the Illinois Commerce Commission and other regulatory bodies; and

WHEREAS, the City of Chicago and the Citizens Utility Board have opposed the proposed deal unless Wisconsin Energy makes several concessions that will benefit Chicago ratepayers and residents; now therefore

BE IT RESOLVED, that the City Council of the City of Chicago does hereby urge the Illinois Commerce Commission to reject the proposed increase in fixed charges; and

BE IT FURTHER RESOLVED, that the City Council of the City of Chicago does hereby urge the Corporation Counsel to prepare all necessary pleadings to be filed

with the Illinois Commerce Commission to protect the interests of Chicago customers in consideration of the aforementioned proposed rate hike.

To: Alderman Carrie Austin

Barbara Carson McEwing was the first African American United Methodist Pastor. As a community leader, this virtuous woman pioneered the way for many African American women pastors. Her stance and declaration of equality in race and gender for the right to pastor and/or preach within any church became pervasive within the Rock River Conference which is now known as the United Methodist Church. Subsequently, her stance and declaration of equality influenced ethnical demographics of African American women pastors throughout Illinois. Due to her guidance, the society now has teachers, administrators, superintendents, pastors, preachers, students pursuing their doctorate degrees and other aspirations, a radio broadcast teaching Christian Theology, a CEO of a company, and a Fine Arts School.

Not only was Barbara McEwing exemplary in pastoring, but she walked in excellence in all facets of her life. "This Woman of God" was also deeply loved as an educator, wife, mother and friend.

We extend our appreciation to every person which will contribute to successfully executing this project of granting this request of providing honorary street signs on 10700 Sangamon, 10700 S. Peoria, 10700 S. Green and 10700 S. Halsted to commemorate the memory of such a beloved woman as Pastor Barbara McEwing.

To: Alderman Carrie Austin

We the undersigned respectfully request that the streets of 10700 S. Sangamon, 10700 S. Peoria, 10700 S. Green and 10700 S. Halsted be used to highly regard the distinguished Pastor Barbara Carson McEwing with an honorary street sign in recognition of her outstanding leadership.

Barbara Carson McEwing was the first African American United Methodist Pastor. As a community leader, this virtuous woman pioneered the way for many African American women pastors. Dear Rachel,

As the elected Historian of the Northern Illinois Conference of The United Methodist Church, I hereby certify that the following is a true and correct transcription of the "Record of Ministerial Service" for the Reverend Barbara C. McEwing as it appears in the *Journal of the Northern Illinois Conference*, 1980, page 396. This would have been the last entry prior to Rev. McEwing's death.

"McEWING, BARBARA C. (Simmons). Received on Probation, 1961 (Lexington Conference). Received in Full, 1963 (Lexington Conference). 1961 Indianapolis: St. Paul. 1962 Springfield, Ohio: Broaddus. 1963 Robbins: St. Paul. July 12, 1964 transferred to Rock River Conference. 1965 Evanston: Sherman. 1967 Supernumerary. 1969 Chicago: Washington Heights."

In her book, *Courageous Past, Bold Future: The Journey Toward Full Clergy Rights for Women in The United Methodist Church* (Nashville, Tennessee: General Board of Higher Education and Ministry of The United Methodist Church), page 163, author Patricia J. Thompson characterizes Rev. McEwing as the first woman to be received into full connection in the Lexington Conference, Central Jurisdiction, of the Methodist Church, the first African American woman to have full clergy rights in the Rock River Conference, and thereby the first African American woman to have this distinction in the Northern Illinois Conference of The United Methodist Church.

Respectfully submitted,

Dear Ms. McEwing:

The first African-American women ordained in the Illinois Great Rivers Conference were Lisa Joiner in 1987 in the Southern Illinois Conference and Beverly Wilkes Null in 1991 in the Central Illinois Conference. The two conferences merged in 1997 to form the Illinois Great Rivers Conference.

Thank you for your interest in our history.

Carrie M. Austin
Alderman, 34th Ward

PASTOR EUGENE OLISON

Pastor Eugene Olison: pastor, teacher, philanthropist, husband, father, citizen, and friend. Those that have been graced with his presence in any capacity knew him to have embodied of one of his many aforementioned roles with the humility and grace of a true humanitarian. His life was dedicated to restructuring the lost ideals that surround the family while incorporating Godly principles. His belief and teachings superseded the boundaries of bloodlines—giving no preference to race, ethnicity, creed, religious belief or denomination. He believed and taught that if we are to be productive in any facet of society, the familial structure must be maintained. While his audience was broad, he ministered this message from the pulpit in a community ravished with violence, fatherless homes, homelessness, poverty and hopelessness. Pastor Eugene Olison's devotion to ministry of the Bible was life changing; there was nothing to be added or taken away from it. Period. The covering of his family came second only to his homage to God and showing God's people the path to Hope that the Bible speaks about, it became his life's work.

Pastor Eugene Olison was born in Mississippi on August 20, 1948 to a slave and a servant in the United States Armed Forces. His father drowned when he was only 2 years old. At a very young age, he relocated to Chicago, Illinois with his mother and only sister. He was educated through the public school system. His life was plagued with many mistakes and failures, some of which prevented him from graduating the 12th grade. Life continued along this pattern until he met what would mean everything in the world to him: Rhonda Sharon Harris.

His union to Rhonda proved to be a defining moment in his life. He earned his GED and even went on to college. Pastor Olison and his family lived in an impoverished community, where few fathers or strong families existed. Although financial resources were extremely limited, he refused to allow his economic hardship to handicap him as it pertained to the rearing of his family. Determined to be the father and provider he had not himself had, Pastor Olison went to work at a uniform store and later a physically demanding construction career. He and his wife accepted Christ in 1985 and were ordained Pastors in 1988. Several sacrifices were required, but Pastor Olison never forsook his commitment to God or his family.

Pastor Eugene Olison founded Hope of Glory Full Gospel Ministries in 1989; the foundational years of services being held in a rented room at the Washington Park Y.M.C.A. It was a bible study that was open and available to all. Through the years, the ministry had metamorphasized. There were three services a week and under his guidance and leadership. In 2006, Hope of Glory acquired their own property to hold service, conferences, seminars, and counseling sessions for church-and-community members, located in the Morgan Park Community (1241 W 110th St, Chicago IL 60643). Pastor Olison vowed early on, never to charge people for the spreading of the gospel. That principle has afforded countless people and their families to share in the Hope that Pastor Olison found in Christ.

Pastor Eugene Olison and his wife successfully put 5 children through college; they all have earned at least a Bachelor's degree, with one holding a Masters Degree and another completing a Doctorate program at a top University in the state of Illinois. In addition to this, Pastor Olison was a father and mentor to so many that lack such in their lives; he gave sound advice and many charitable donations to those in need, within the community. Pastor Eugene Olison compiled his life's journey and experiences in an effort to effectively communicate a message of Hope to those that were lost, and continued to do so until his last breath on December 6, 2010.

Pastor Eugene Olison: A transformational staple in the Morgan Park community and surrounding areas, that will never be forgotten. His legacy remains.

November 19, 2014

To Alderman Carrie Austin and Mr. Chester Davis,

My name is Eugenia Olison, I am the daughter of Pastor Eugene Olison. I am requesting that my father obtain an honorary street name, on 110th St between Racine and Throop St. I have enclosed a letter about who he was and signatures from families on the block. Thank you in advance for your consideration regarding this.

ORDINANCE

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. Section 4-60-020 of the Municipal Code of the Chicago is hereby amended by deleting the language stricken through and adding the language underscored, as follows:

4-60-020 License required – Restricted areas.

(Omitted text is unaffected by this ordinance)

(d) In addition to the restrictions cited in Section 6-11 of the Illinois Liquor Control Act of 1934, as amended, no license shall be issued for the sale of retail alcoholic liquor within 100 feet of any Chicago Public library, with the exception of the main and regional libraries, open to the public, said measurement shall be from property line to property line~~; provided, however, that this limitation shall not apply to a restaurant and theater housed in separate rooms of the same building, if the theater seats not less than 275 persons for a single performance, and if the restaurant has a legal occupancy of not less than 100 persons, and if the building is separated from the library by a public way not less than 66 feet in width. An initial license for sale of alcoholic liquor on the premises of a restaurant as authorized in this subsection may be issued despite the fact that the adjacent theater is not yet completed and licensed, if the local liquor control commissioner determines that substantial progress has been made toward completion of the theater. Substantial progress refers to the issuance of appropriate permits by the department of buildings. No renewal of the license will be allowed unless the theater has been completed prior to commencement of the next liquor license period. In addition, the limitation shall not apply to a package goods license to be issued for a full service grocery store that is located within 100 feet of a public library that has less than 6,000 square feet of floor area, if the grocery store exceeds 50,000 square feet in floor area, where the display space for alcoholic liquor does not exceed 25 percent of the floor area of the store, and both the library and the grocery store are located in a shopping mall consisting of 23.8 acres~~.

(1) The local liquor control commissioner (for purposes of this subsection (d), "commissioner") may grant a reduction of the distance requirement in this subsection (d) if, based on a review of relevant factors, he concludes that such a reduction would not detrimentally

impact the affected library. The grant of a distance reduction shall not exempt the applicant from any application requirement associated with issuance of a liquor license.

(2) Factors which the commissioner may consider with regard to an application for a distance reduction include, by way of example and not limitation: (i) the type of activity to be conducted at the establishment and the days and times during which such activity will take place, (ii) the size of the establishment and of the affected library, (iii) the availability of adequate parking for patrons of both the establishment and the affected library, (iv) whether the license sought is for consumption on premises or for package goods, (v) a report from the police regarding the location, as well as the history of activity conducted at or in conjunction with the premises and any associated infractions or violations of the municipal code, (vi) the relevant geography, (vii) the legal nature and history of the applicant, and (viii) the measures the applicant proposes to implement to maintain quiet and security in conjunction with the establishment.

(3) A person seeking a distance requirement reduction shall make a written submission to the commissioner as part of the liquor license application process, presenting all factors which the applicant believes to be relevant to whether a reduction is appropriate. Upon receiving a submission for a distance requirement reduction, the commissioner shall notify the affected alderman and solicit a recommendation based on the alderman's analysis of relevant factors, and may seek additional information or supplementary proof from the applicant, and may also solicit information from the community. The commissioner shall review the information provided to him, in consultation with the library commissioner, and shall incorporate his decision regarding a distance reduction into his decision regarding whether to grant or deny the license.

(4) If the commissioner grants the application for a reduction, those factors that he deemed relevant to the determination may in his judgment be included in a plan of conduct. If the liquor license is granted, any such plan of conduct shall be deemed a part of the license, and compliance with the plan of conduct shall be a necessary condition to the continued validity of the license. Failure to comply with one or more elements of the plan of conduct shall subject the licensee to suspension or revocation of the liquor license.

(e) Where two or more premises are under the same roof or at one street address, a separate city retailer's license shall be obtained for each such premises; provided, that nothing herein contained shall be so construed as to prevent any hotel operator licensed under the provisions of this chapter from serving alcoholic liquor to his registered guests in any room or part of his hotel.

WHEREAS, as of January 1, 2015, employers in Illinois must provide pregnant workers who request them more or longer bathroom breaks, rest periods, light duty, job transfers, leave time or other accommodations, unless doing so creates an undue hardship for the employer; and

WHEREAS, the Illinois General Assembly concluded that current workplace laws are inadequate to protect pregnant workers from enjoying equal employment opportunities; and

WHEREAS, it found that women are nearly 50% of all workers in Illinois and failing to provide reasonable accommodations to pregnant women leads to lost wages, periods of unemployment, and lost employment opportunities and job benefits such as seniority, all of which have lifelong repercussions on women's economic security and advancement and the well-being of their families; and

WHEREAS, by continuing to work during pregnancy, women can maintain and advance their economic security; and

WHEREAS, women who work during pregnancy may be able to take a longer period of leave following childbirth, which in turn facilitates breastfeeding, bonding with and caring for a new child, and recovering from childbirth; and

WHEREAS, enabling pregnant workers to work through pregnancy is good for business because providing pregnant employees with reasonable, temporary accommodations increases worker productivity, retention, and morale, decreases re-training costs, and reduces health care costs associated with pregnancy complications; and

WHEREAS, the City Council of the City of Chicago intends to ensure full and equal participation for women in the Chicago labor force by requiring employers to provide reasonable accommodations to employees with conditions related to pregnancy or childbirth; NOW THEREFORE

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The above recitals are expressly incorporated herein and made part hereof as though fully set forth herein.

SECTION 2. Chapter 2-160 of the Municipal Code of Chicago is hereby amended by adding a new Section 2-160-075, as follows:

2-160-075 Pregnancy – reasonable accommodations.

(a) For purposes of this section, the following definitions shall apply:

"Employee" means any individual performing services for remuneration within the City of Chicago for an employer.

"Employer" includes: (i) any person employing one or more employees within the City of Chicago; and (ii) any municipal corporation or other local governmental unit or agency located within the City of Chicago. "Employer" does not include any religious corporation, association, educational institution, society, or non-profit nursing institution conducted by and for those who rely upon treatment by prayer through spiritual means in accordance with the tenets of a recognized church or religious denomination with respect to the employment of individuals of a particular religion to perform work connected with the carrying on by such corporation, association, educational institution, society or non-profit nursing institution of its activities.

"Pregnancy" means pregnancy, childbirth, or medical or common conditions related to pregnancy or childbirth.

"Reasonable accommodations" means reasonable modifications or adjustments to the job application process or work environment, or to the manner or circumstances under which the position desired or held is customarily performed, that enable an applicant or employee affected by pregnancy, childbirth, or medical or common conditions related to pregnancy or childbirth to be considered for the position the applicant desires or to perform the essential functions of that position, and may include, but is not limited to: more frequent or longer bathroom breaks, breaks for increased water intake, and breaks for periodic rest; private non-bathroom space for expressing breast milk and breastfeeding; seating; assistance with manual labor; light duty; temporary transfer to a less strenuous or hazardous position; the provision of an accessible worksite; acquisition or modification of equipment; job restructuring; a part-time or modified work schedule; appropriate adjustment or modifications of examinations, training materials, or policies; reassignment to a vacant position; time off to recover from conditions related to childbirth; and leave necessitated by pregnancy, childbirth, or medical or common conditions resulting from pregnancy or childbirth.

"Undue hardship" means an action that is prohibitively expensive or disruptive when considered in light of the following factors: (i) the nature and cost of the accommodation needed; (ii) the overall financial resources of the facility or facilities involved in the provision of the reasonable accommodation, the number of persons employed at the facility, the effect on expenses and resources, or the impact otherwise of the accommodation upon the operation of the facility; (iii) the overall financial resources

of the employer, the overall size of the business of the employer with respect to the number of its employees, and the number, type, and location of its facilities; and (iv) the type of operation or operations of the employer, including the composition, structure, and functions of the workforce of the employer, the geographic separateness, administrative, or fiscal relationship of the facility or facilities in question to the employer. The employer has the burden of proving undue hardship. The fact that the employer provides or would be required to provide a similar accommodation to similarly situated employees creates a rebuttable presumption that the accommodation does not impose an undue hardship on the employer.

(b) It shall be a violation of this section:

(i) If after a job applicant or employee, including a part-time, full-time, or probationary employee, requests a reasonable accommodation, for an employer to not make reasonable accommodations for any medical or common condition of a job applicant or employee related to pregnancy or childbirth, unless the employer can demonstrate that the accommodation would impose an undue hardship on the ordinary operation of the business of the employer. The employer may request documentation from the employee's health care provider concerning the need for the requested reasonable accommodation or accommodations to the same extent documentation is requested for conditions related to disability if the employer's request for documentation is job-related and consistent with business necessity. The employer may require only the medical justification for the requested accommodation or accommodations, a description of the reasonable accommodation or accommodations medically advisable, the date the reasonable accommodation or accommodations became medically advisable, and the probable duration of the reasonable accommodation or accommodations. It is the duty of the individual seeking a reasonable accommodation or accommodations to submit to the employer any documentation that is requested in accordance with this paragraph. Notwithstanding the provisions of this paragraph, the employer may require documentation by the employee's health care provider to determine compliance with other laws. The employee and employer shall engage in a timely, good faith, and meaningful exchange to determine effective reasonable accommodations.

(ii) For an employer to deny employment opportunities or benefits to or take adverse action against an otherwise qualified job applicant or employee, including a part-time, full-time, or probationary employee, if the denial or adverse action is based on the need of the employer to make reasonable accommodations to the known medical or common conditions related to the pregnancy or childbirth of the applicant or employee.

(iii) For an employer to require a job applicant or employee, including a part-time, full-time, or probationary employee, affected by pregnancy, childbirth, or medical or common conditions related to pregnancy or childbirth to accept an accommodation when the applicant or employee did not request an accommodation and the applicant or employee chooses not to accept the employer's accommodation.

(iv) For an employer to require an employee, including a part-time, full-time, or probationary employee, to take leave under any leave law or policy of the employer if another reasonable accommodation can be provided to the known medical or common conditions related to the pregnancy or childbirth of an employee. No employer shall fail or refuse to reinstate the employee affected by pregnancy, childbirth, or medical or common conditions related to pregnancy or childbirth to her original job or to an equivalent position with equivalent pay and accumulated seniority, retirement, fringe benefits, and other applicable service credits upon her signifying her intent to return or when her need for reasonable accommodation ceases, unless the employer can demonstrate that the accommodation would impose an undue hardship on the ordinary operation of the business of the employer.

(v) For an employer to fail to post or keep posted in a conspicuous location on the premises of the employer where notices to employees are customarily posted, or fail to include in any employee handbook information concerning an employee's rights under this Article, a notice, to be prepared or approved by the Chicago commission on human relations, summarizing the requirements of this section and information pertaining to the filing of a complaint, including the right to be free from unlawful discrimination and the right to certain reasonable accommodations The commission shall make the documents required under this subsection available for retrieval from the commission's website.

(c) No employer is required by this section to create additional employment that the employer would not otherwise have created, unless the employer does so or would do so for other classes of employees who need accommodation. The employer is not required to discharge any employee, transfer any employee with more seniority, or promote any employee who is not qualified to perform the job, unless the employer does so or would do so to accommodate other classes of employees who need it.

SECTION 3. This ordinance shall be in full force and effect upon its passage and publication.

RELEASE OF
RESTRICTIVE USE COVENANT

(The Above Space For Recorder's Use Only)

CITY OF CHICAGO, an Illinois municipal corporation ("CITY"), pursuant to a February 5, 1998 ordinance ("Ordinance") which such Ordinance was recorded on July 15, 1998 with the Office of the Cook County Recorder of Deeds as Document Number 98613112, attached hereto as **Exhibit A,** such Ordinance provided for an industrial program ("Industrial Program") alley vacation ("Vacation") of all of the east-west 12 foot public alley in the block bounded by North Milwaukee Avenue, West Erie Street and North Morgan Street ("Subject Property"), as legally described on **Exhibit B** attached hereto.

The Vacation Ordinance provided that the Vacation of the Subject Property was conditioned upon a restrictive use covenant running with the land ("Restrictive Use Covenant"), that required the Subject Property "be used only for manufacturing (including production, processing, cleaning, servicing, testing and repair) of materials, goods or products only, and for those structures and additional uses which are reasonably necessary to permit such manufacturing use including the location of necessary facilities, storage, employee and customer parking, and other similar uses and facilities".

The Restrictive Use Covenant was recorded on May 28, 1998 with the Office of the Cook County Recorder of Deeds as Document Number 98441670, attached hereto as **Exhibit C**.

Section 4 of the Vacation Ordinance set forth that the Restrictive Use Covenant "may be released or abandoned by the City only upon approval of the City Council which may condition its approval upon the payment of such additional compensation which it deems to be equal to the benefits accruing because of the release or abandonment".

The City, upon due investigation and consideration, has determined that the public interest now warrants a release of the Restrictive Use Covenant reserved in Section 4 of the Vacation Ordinance for the payment of such additional compensation which it deems to be equal to the benefits accruing because of the release appraised fair market value of such release of Restrictive Use Covenant.

The City hereby releases the Restrictive Use Covenant from the Subject Property, as legally described on **Exhibit B**, attached.
