We do not expect that resolution of these examinations will have a significant effect on our consolidated financial position, but could have a significant impact on the consolidated results of operations for the period in which resolution occurs. Over the next twelve months, we believe it is reasonably possible that various tax examinations will be concluded and statutes of limitation will expire which would have the effect of reducing the balance of unrecognized tax benefits by $6.2 million. If recognized, the total amount of unrecognized tax benefits reflected in the table above would lower our effective income tax rate.

Note 23. Net Realized Securities Gains (Losses)

The following summarizes net realized securities gains (losses) for each of the three years in the period ended December 31, 2014 (in thousands):

	2014	2013	2012
Net realized gains on securities	$ 30,686	$ 245,262	$ 592,978
Write-down of investments (a)	(111)	(1,621)	(2,461)
Other	(181)	316	64
	$ 30,394	$ 243,957	$ 590,581

(a) Consists of provisions to write down investments resulting from declines in fair values believed to be other than temporary.

During 2006 and 2007, we invested an aggregate of $452.2 million in Fortescue Metals Group Ltd's Pilbara iron ore and infrastructure project in Western Australia. In exchange for our cash investment, we received 278 million common shares of Fortescue and a $100.0 million unsecured note issued by Fortescue's subsidiary, Chichester Metals Pty Ltd, that accrued interest at 4% of the revenue, net of government royalties, invoiced from the iron ore produced from certain project areas (the "FMG Note"). We sold our Fortescue common shares during 2010 to 2012, recognizing net realized security gains on the sales of $543.7 million for the year ended December 31, 2012.

During the fourth quarter of 2012, Chichester redeemed the FMG Note for aggregate cash consideration of $715.0 million, resulting in the recognition in investment and other income of a pre-tax gain of $526.2 million, and the parties agreed to settle all pending litigation and disputes without any additional payment. As a result, we no longer receive interest payments on the FMG Note.

Net realized gains on securities during 2013 include a gain of $227.6 million related to our exchange of Inmet shares for First Quantum shares and cash as discussed above.

Proceeds from sales of investments classified as available for sale were $1.9 billion, $1.8 billion and $1.4 billion during 2014, 2013 and 2012, respectively. Gross gains of $12.6 million, $240.4 million and $546.4 million were realized on these sales during 2014, 2013 and 2012, respectively; gross losses were not significant during these three years.

Note 25. Earnings (Loss) Per Common Share

Basic and diluted earnings (loss) per share amounts were calculated by dividing net income (loss) by the weighted average number of common shares outstanding. The numerators and denominators used to calculate basic and diluted earnings (loss) per share are as follows for the years ended December 31, 2014, 2013 and 2012 (in thousands):

	2014	2013	2012
Numerator for earnings (loss) per share:			
Net income attributable to Leucadia National Corporation common shareholders	$ 204,306	$ 369,240	$ 854,466
Less: Allocation of earnings to participating securities (1)	(4,761)	(4,919)	–
Net income attributable to Leucadia National Corporation common shareholders for basic earnings (loss) per share	199,545	364,321	854,466
Less: Adjustment to allocation of earnings to participating securities related to diluted shares (1)	(75)	(110)	–

Denominator for earnings (loss) per share:

3.75% Convertible Notes	1,415	4,538	4,331
Denominator for diluted earnings (loss) per share	373,333	347,734	248,914

(1) Represents dividends declared during the period on participating securities plus an allocation of undistributed earnings to participating securities. Net losses are not allocated to participating securities. Participating securities represent restricted stock and RSUs for which requisite service has not yet been rendered and amounted to weighted average shares of 9,040,900 and 9,353,400 for the years ended December 31, 2014 and 2013, respectively. Dividends declared on participating securities during the years ended December 31, 2014 and 2013 were $2.2 million and $2.8 million, respectively. Undistributed earnings are allocated to participating securities based upon their right to share in earnings if all earnings for the period had been distributed.

Options to purchase 1,572,777, 1,711,096 and 2,280,711 weighted-average shares of common stock were outstanding during the years ended December 31, 2014, 2013 and 2012, respectively, but were not included in the computation of diluted per share amounts as the effect was antidilutive.

For each year in the table above, the denominator for diluted earnings (loss) per share does not include weighted-average common shares of 4,000,000 related to outstanding warrants to purchase common shares at $33.33 per share, as the effect was antidilutive.

For the years ended December 31, 2014 and 2013, shares related to the 3.875% Convertible Senior Debentures were not included in the computation of diluted per share amounts as the conversion price exceeded the average market price. For the year ended December 31, 2014, 4,162,200 shares related to the mandatorily redeemable convertible preferred shares were not included in the computation of diluted per share amounts as the effect was antidilutive.

Note 26. Commitments, Contingencies and Guarantees

Effective December 30, 2004, National Beef finalized an agreement with the City of Dodge City, Kansas, whereby in consideration of certain improvements made to the city water and wastewater systems, National Beef committed to make a series of service charge payments totaling $19.3 million over a 20 year period, of which $7.4 million remains as of December 31, 2014. Payments under the commitment will be approximately $0.8 million in each of the years 2015 through 2017, with the remaining balance of $5.0 million to be paid in subsequent years.

National Beef makes verbal commitments to cattle producers to purchase cattle approximately one week in advance of delivery of those cattle to its plants. The actual value paid for these cattle is determined after the cattle are delivered, weighed and inspected at National Beef's facilities. The total value of verbal commitments to purchase cattle as of December 31, 2014 was $121.6 million.

The table below presents Jefferies credit exposure from loan commitments, including funded amounts, summarized by period of expiration as of December 31, 2014. Credit exposure is based on the external credit ratings of the underlying or referenced assets of the loan commitments. Since commitments associated with these business activities may expire unused, they do not necessarily reflect the actual future cash funding requirements (in millions):

Credit Ratings	0 - 12 Months	1 - 5 Years	Greater Than 5 Years	Total Corporate Lending Exposure (1)	Corporate Lending Exposure at Fair Value (2)	Corporate Lending Commitments (3)
Investment grade	$ –	$ 55.1	$ –	$ 55.1	$ –	$ 55.1

(1) Total corporate lending exposure represents the potential loss assuming the fair value of funded loans and lending commitments were zero.

(2) The corporate lending exposure at fair value includes $22.6 million of funded loans included in Trading assets and a $18.7 million net liability related to lending commitments recorded in Trading liabilities in the Consolidated Statement of Financial Condition as of December 31, 2014.

(3) Amounts represent the notional amount of unfunded lending commitments.

Equity Commitments. Equity commitments include commitments to invest in Jefferies joint ventures, Jefferies Finance and Jefferies LoanCore, and commitments to invest in private equity funds and in Jefferies Capital Partners, LLC, the manager of the private equity funds, which are managed by a team led by Brian P. Friedman, our President and a Director. As of December 31, 2014, Jefferies outstanding commitments relating to Jefferies Capital Partners, LLC and its private equity funds was $30.5 million.

See Note 11 for additional information regarding Jefferies investments in Jefferies Finance and Jefferies LoanCore.

In August 2014, we and Solomon Kumin established Folger Hill Asset Management LLC ("Folger Hill"), which has registered as an investment adviser with the SEC, and expects to launch a multi-manager investment partnership. We have committed to invest $400 million in Folger Hill's investment partnership, which we expect to fund in the first quarter of 2015. We also committed to provide Folger Hill with a 3-year, $20 million revolving credit facility to fund its start-up and initial operating expenses. As of December 31, 2014, $3.2 million has been provided to Folger Hill under the revolving credit facility.

Additionally, as of December 31, 2014, Jefferies had other equity commitments to invest up to $1.8 million in various other investments.

Loan Commitments. From time to time Jefferies makes commitments to extend credit to investment banking and other clients in loan syndication, acquisition finance and securities transactions and to SPE sponsors in connection with the funding of CLO and other asset-backed transactions. These commitments and any related drawdowns of these facilities typically have fixed maturity dates and are contingent on certain representations, warranties and contractual conditions applicable to the borrower. As of December 31, 2014, Jefferies has $444.9 million of outstanding loan commitments to clients.

Loan commitments outstanding as of December 31, 2014, also include Jefferies portion of the outstanding secured revolving credit facility provided to Jefferies Finance, to support loan underwritings by Jefferies Finance. The unfunded loan commitments to Jefferies Finance of $104.0 million is unrated and included in the total unrated lending commitments of $567.4 million presented in the table above.

Mortgage-Related and Other Purchase Commitments. Jefferies enters into forward contracts to purchase mortgage participation certificates, mortgage-backed securities and consumer loans. The mortgage participation certificates evidence interests in mortgage loans insured by the Federal Housing Administration and the mortgage-backed securities are insured or guaranteed by the FNMA (Fannie Mae), the Federal Home Loan Mortgage Corporation (Freddie Mac) or the GNMA (Ginnie Mae). Jefferies frequently securitizes the mortgage participation certificates and mortgage-backed securities. The fair value of mortgage-related and other purchase commitments recorded in the Consolidated Statement of Financial Condition at December 31, 2014 was $99.6 million.

Forward Starting Reverse Repos and Repos. Jefferies enters into commitments to take possession of securities with agreements to resell on a forward starting basis and to sell securities with agreements to repurchase on a forward starting basis that are primarily secured by U.S. government and agency securities.

Other Unfunded Commitments. Other unfunded commitments include obligations in the form of revolving notes to provide financing to asset-backed and CLO vehicles. Upon advancing funds, drawn amounts are collateralized by the assets of an entity.

Contingencies

Seven class-action lawsuits had been filed in New York and Delaware on behalf of a class consisting of Jefferies Group's stockholders concerning the transaction through which Jefferies Group LLC became our wholly-owned subsidiary. The class actions named as defendants the Company, Jefferies Group, certain members of our board of directors, certain members of Jefferies board of directors and, in certain of the actions, certain transaction-related subsidiaries. On October 31, 2014, the remaining defendants in the Delaware litigation entered into a settlement agreement with the plaintiffs in the Delaware litigation. The terms of that agreement, which are subject to court approval, provide for an aggregate payment of $70.0 million to certain former equity holders of Jefferies Group, other than the defendants and certain of their affiliates, along with attorneys' fees to be determined and approved by the court; we have accrued for this aggregate payment and attorneys' fees. The agreement further provides that the settlement will be paid, at the Company's option, in either cash or the Company's common shares. If approved by the court, the settlement will resolve all of the class-action claims in Delaware, and release the claims brought in New York. While the defendants continue to deny each of the plaintiffs' claims and deny any liability, the defendants have entered into the agreement solely to settle and resolve their disputes, to avoid the costs and risks of further litigation and to avoid further distractions to our management. A hearing has been scheduled for March 25, 2015 to consider final approval of the settlement as well as an award of legal fees and reimbursement to plaintiffs' counsel in an aggregate amount not to exceed $27.5 million in fees and $1.1 million in expenses.

We and certain of our subsidiaries and officers are named as defendants in a consumer class action captioned Sykes v. Mel Harris & Associates, LLC, et al., 09 Civ. 8486 (DC), in the United States District Court for the Southern District of New York. The named defendants also include the Mel Harris law firm, certain individuals and members associated with the law firm, and a process server, Samserv, Inc. and certain of its employees. The complaint alleges that default judgments obtained by the law firm against approximately 124,000 individuals in New York City Civil Court with respect to consumer debt purchased by our subsidiaries violated the Fair Debt Collection Practices Act, the Racketeer Influenced and Corrupt Organizations Act, the New York General Business Law and the New York Judiciary Law (alleged only as to the law firm). The complaint seeks injunctive relief, declaratory relief and damages on behalf of the named plaintiffs and others similarly situated. We asserted that we were an investor with respect to the subject purchased consumer debt and were regularly informed of the amounts received from debt collections, but otherwise had no involvement in any alleged illegal debt collection activities.

On December 29, 2010, the District Court denied defendants' motions to dismiss in part (including as to the claims made against us and our subsidiaries) and granted them in part (including as to certain of the claims made against our officers). On March 28, 2013, the Court certified a Rule 23(b)(2) class and a Rule 23(b)(3) class. Neither of the decisions issued by the Court addresses the ultimate merits of the case.

The United States Court of Appeals for the Second Circuit permitted us to appeal the District Court's March 28, 2013 class certification and the District Court granted a stay of the proceedings pending the Court of Appeals' decision. On February 10, 2015, the Second Circuit affirmed the certification of the class.

On December 14, 2014, we and plaintiffs executed a binding term sheet to settle the matter pursuant to which we expensed $3.2 million in the fourth quarter, which is in addition to the $20.0 million previously accrued for this matter and the $22.8 million in deferred revenue. The parties are in the process of drafting a formal settlement agreement consistent with the term sheet. The settlement is subject to the District Court's approval.

On May 2, 2014, plaintiff Haverhill Retirement System ("Haverhill") filed an amended putative class action and derivative lawsuit (the "Complaint") entitled *Haverhill Retirement System v. Asali, et al.* in the Court of Chancery of the State of Delaware (the "Court of Chancery") against Harbinger Capital Partners LLC, Harbinger Capital Partners Master Fund I, Ltd., Global Opportunities Breakaway Ltd., Harbinger Capital Partners Special Situations Fund, L.P. (collectively, the "Harbinger Funds"), the members of the board of directors of Harbinger Group, Inc. ("Harbinger"), nominal defendant Harbinger, as well as Leucadia. The Complaint alleges, among other things, that the directors of Harbinger breached their fiduciary duties in connection with Leucadia's March 2014 purchase of preferred securities of subsidiaries of the Harbinger Funds that were exchangeable into Harbinger common stock owned by the Harbinger Funds, certain flaws in the process employed by the special committee of directors appointed by the Harbinger board in connection therewith, and that Leucadia aided and abetted the Harbinger board's breaches of fiduciary, as well as a claim of unjust enrichment against Leucadia. On April 1, 2014, the Chancery Court denied Haverhill's motion for expedited proceedings associated with the complaint originally filed by Haverhill on March 26, 2014. Haverhill filed an amended complaint on May 2, 2014. On July 2, 2014, the defendants moved to dismiss the amended complaint. On August 12, 2014, Plaintiffs filed another amended complaint. The amended complaint dropped Plaintiff's unjust enrichment claim against Leucadia. With respect to remedies sought, the amended complaint no longer sought an injunction against installing Leucadia designees as Board members and no longer sought rescission of Leucadia's right to select the director class to which one of its designees would be appointed. A settlement has been agreed by the parties that does not provide for any payment by the Company and includes, among other things, additional disclosures by Harbinger. A term sheet reflecting the settlement was signed on October 15, 2014. On December 19, 2014, final settlement papers were submitted to the Court. A settlement hearing is scheduled for April 6, 2015.

During the first quarter of 2014, Jefferies reached a non-prosecution agreement ("NPA") with the United States Attorney for the District of Connecticut and a settlement agreement with the SEC relating to an investigation of purchases and sales of mortgage-backed securities. That NPA expired on January 29, 2015. That investigation arose from a matter that came to light in late 2011, at which time Jefferies terminated a mortgage-backed-securities trader who was then indicted by the United States Attorney for the District of Connecticut in January 2013 and separately charged in a civil complaint by the SEC. Those settlement agreements included an aggregate $25.0 million in payments, of which approximately $11.0 million were payments to trading counterparties impacted by those activities, approximately $10.0 million of which is a fine payable to the U.S. Attorney's Office, and approximately $4.0 million of which is a fine payable to the SEC. All such amounts were recognized in our consolidated financial statements for the year ended December 31, 2013. At December 31, 2014, Jefferies outstanding reserve with respect to remaining payments to be made under the agreements was approximately $1.9 million. Additionally, pursuant to an undertaking required by the SEC settlement, Jefferies has retained an Independent Compliance Consultant, whose work was completed in January 2015.

We and our subsidiaries are parties to other legal and regulatory proceedings that are considered to be either ordinary, routine litigation incidental to their business or not significant to our consolidated financial position. We and our subsidiaries are also involved, from time to time, in other exams, investigations and similar reviews (both formal and informal) by governmental and self-regulatory agencies regarding our businesses, certain of which may result in judgments, settlements, fines, penalties or other injunctions. We do not believe that any of these actions will have a significant adverse effect on our consolidated financial position or liquidity, but any amounts paid could be significant to results of operations for the period.

Guarantees

Derivative Contracts. Jefferies dealer activities cause it to make markets and trade in a variety of derivative instruments. Certain derivative contracts that Jefferies has entered into meet the accounting definition of a guarantee under GAAP, including credit default swaps, written foreign currency options and written equity put options. On certain of these contracts, such as written interest rate caps and foreign currency options, the maximum payout cannot be quantified since the increase in interest or foreign exchange rates are not contractually limited by the terms of the contract. As such, we have disclosed notional values as a measure of Jefferies maximum potential payout under these contracts.

The following table summarizes the notional amounts associated with our derivative contracts meeting the definition of a guarantee under GAAP (in millions):

	Expected Maturity Date					
Guarantee Type	2015	2016	2017 and 2018	2019 and 2020	2021 and Later	Notional/ Maximum Payout
Derivative contracts – non-credit related	$ 59,875.6	$ 229.6	$ 252.1	$ 721.8	$ 487.7	$ 61,566.8
Written derivative contracts – credit related	–	–	–	485.0	–	485.0
Total derivative contracts	$ 59,875.6	$ 229.6	$ 252.1	$1,206.8	$ 487.7	$ 62,051.8

The external credit ratings of the underlying or referenced assets for our credit related derivatives contracts (in millions):

	External Credit Rating						
	AAA/ Aaa	AA/ Aa	A	BBB/Baa	Below Investment Grade	Unrated	Notional/ Maximum Payout
Credit related derivative contracts:							
Index credit default swaps	$ 480.0	$ –	$ –	$ –	$ –	$ –	$ 480.0
Single name credit default swaps	–	–	–	5.0	–	–	5.0

The derivative contracts deemed to meet the definition of a guarantee under GAAP are before consideration of hedging transactions and only reflect a partial or "one-sided" component of any risk exposure. Written equity options and written credit default swaps are often executed in a strategy that is in tandem with long cash instruments (e.g., equity and debt securities). Jefferies substantially mitigates its exposure to market risk on these contracts through hedges, such as other derivative contracts and/or cash instruments and Jefferies manages the risk associated with these contracts in the context of its overall risk management framework. Jefferies believes notional amounts overstate its expected payout and that fair value of these contracts is a more relevant measure of its obligations. The fair value of derivative contracts meeting the definition of a guarantee is approximately $851.7 million.

Berkadia. We have agreed to reimburse Berkshire Hathaway for up to one-half of any losses incurred under a $2.5 billion surety policy securing outstanding commercial paper issued by an affiliate of Berkadia. As of December 31, 2014, the aggregate amount of commercial paper outstanding was $2.47 billion.

Other Guarantees Jefferies is a member of various exchanges and clearing houses. In the normal course of business Jefferies provides guarantees to securities clearinghouses and exchanges. These guarantees generally are required under the standard membership agreements, such that members are required to guarantee the performance of other members. Additionally, if a member becomes unable to satisfy its obligations to the clearinghouse, other members would be required to meet these shortfalls. To mitigate these performance risks, the exchanges and clearinghouses often require members to post collateral. Jefferies obligations under such guarantees could exceed the collateral amounts posted. Jefferies maximum potential liability under these arrangements cannot be quantified; however, the potential for Jefferies to be required to make payments under such guarantees is deemed remote. Accordingly, no liability has been recognized for these arrangements.

Indemnification. In connection with the 2013 sale of Empire Insurance Company, we agreed to indemnify the buyer for certain of Empire's lease obligations that were assumed by another subsidiary of ours as part of the sale of Empire. Our subsidiary was subsequently sold in 2014 to HomeFed as part of the real estate transaction with HomeFed. Although HomeFed has agreed to indemnify us for these lease obligations, our indemnification obligation under the Empire transaction remains. The primary lease expires in 2018 and the aggregate amount of lease obligation as of December 31, 2014 was approximately $41.2 million. Substantially all of the space under the primary lease has been sublet to various third-party tenants for the full length of the lease term in amounts in excess of the obligations under the primary lease.

Standby Letters of Credit. At December 31, 2014, Jefferies provided guarantees to certain counterparties in the form of standby letters of credit in the amount of $47.8 million, which expire within one year. Standby letters of credit commit Jefferies to make payment to the beneficiary if the guaranteed party fails to fulfill its obligation under a contractual arrangement with that beneficiary. Since commitments associated with these collateral instruments may expire unused, the amount shown does not necessarily reflect the actual future cash funding requirement.

Other subsidiaries of ours have outstanding letters of credit aggregating $26.2 million at December 31, 2014.

Note 27. Net Capital Requirements

As broker-dealers registered with the SEC and member firms of the Financial Industry Regulatory Authority ("FINRA"), Jefferies LLC and Jefferies Execution Services, Inc. ("Jefferies Execution"), are subject to the SEC Net Capital Rule ("Rule 15c3-1"), which requires the maintenance of minimum net capital. Jefferies LLC and Jefferies Execution have elected to calculate minimum capital requirements under the alternative method as permitted by Rule 15c3-1.

On September 1, 2014, Jefferies Bache, LLC (an FCM) merged with and into Jefferies LLC, with Jefferies LLC as the surviving entity, registered as an FCM and is subject to Rule 1.17 of the CFTC, which sets forth minimum financial requirements. The minimum net capital requirement in determining excess net capital for a dually-registered U.S. broker-dealer and FCM is equal to the greater of the requirement under Rule 15c3-1 or CFTC Rule 1.17.

Jefferies LLC and Jefferies Execution's net capital and excess net capital are as follows (in thousands):

	Net Capital	Excess Net Capital
Jefferies LLC	$1,025,113	$ 913,465
Jefferies Execution	6,150	5,900

FINRA is the designated self-regulatory organization ("DSRO") for our U.S. broker-dealers and the Chicago Mercantile Exchange is the DSRO for Jefferies LLC as an FCM.

Certain other U.S. and non-U.S. subsidiaries of Jefferies are subject to capital adequacy requirements as prescribed by the regulatory authorities in their respective jurisdictions, including Jefferies International Limited and Jefferies Bache Limited which are authorized and regulated by the Financial Conduct Authority in the United Kingdom.

The regulatory capital requirements referred to above may restrict our ability to withdraw capital from our regulated subsidiaries.

Note 28. Other Fair Value Information

The carrying amounts and estimated fair values of our principal financial instruments that are not recognized at fair value on a recurring basis are as follows (in thousands):

	December 31, 2014		December 31, 2013	
	Carrying Amount	Fair Value	Carrying Amount	Fair Value
Other Assets:				
Notes and loans receivable (a)	$ 213,174	$ 217,171	$ 95,042	$ 95,606

Long-term debt (b)	8,527,929	8,806,700	8,180,865	8,230,191

(a) Notes and loans receivable: The fair values are primarily measured using Level 2 and 3 inputs principally based on discounted future cash flows using market interest rates for similar instruments.

(b) Short-term borrowings and long-term debt: The fair values of short term borrowings are estimated to be the carrying amount. The fair values of non-variable rate debt are estimated using quoted prices and estimated rates that would be available for debt with similar terms. The fair value of variable rate debt is estimated to be the carrying amount.

Jefferies Capital Partners and JEP IV Related Funds. Jefferies has loans to and/or equity investments in private equity funds and in Jefferies Capital Partners, LLC, the manager of the Jefferies Capital Partners funds, which are managed by a team led by Brian P. Friedman, our President and a Director ("Private Equity Related Funds"). Reflected in our Consolidated Statements of Financial Condition at December 31, 2014 and 2013 are loans to and/or equity investments in Private Equity Related Funds of $60.7 million and $61.7 million, respectively. For further information regarding our commitments and funded amounts to Private Equity Related Funds, see Note 26.

Berkadia Commercial Mortgage, LLC. At December 31, 2014 and 2013, Jefferies has commitments to purchase $344.8 million and $300.0 million, respectively, in agency commercial mortgage-backed securities from Berkadia.

Officers, Directors and Employees. We have $20.1 million and $13.9 million of loans outstanding to certain employees (none of whom are an executive officer or director of the Company) that are included in Other assets in the Consolidated Statements of Financial Condition at December 31, 2014 and 2013, respectively. Receivables from and payables to customers includes balances arising from officers, directors and employees individual security transactions. These transactions are subject to the same regulations as all customer transactions and are provided on substantially the same terms. During 2014, Jefferies sold private equity interests with a fair value of $4.0 million at their then fair value to a private equity fund owned by Jefferies employees and has also provided a guarantee of the fund's credit agreement.

National Beef. National Beef participates in a cattle supply agreement with a minority owner and holder of a redeemable noncontrolling interest in National Beef. Under this agreement National Beef has agreed to purchase 735,385 head of cattle each year (subject to adjustment), from the members of the minority owner, with prices based on those published by the U.S. Department of Agriculture, subject to adjustments for cattle performance. National Beef obtained approximately 23% and 20% of its cattle requirements under this agreement during 2014 and 2013, respectively.

National Beef also enters into transactions with an affiliate of another minority owner and holder of a redeemable noncontrolling interest in National Beef to buy and sell a limited number of beef products. HomeFed. As more fully described in Note 11, during 2014 we sold to HomeFed substantially all of our real estate properties and operations, our interest in BRP and cash of approximately $14.0 million, in exchange for 7,500,000 newly issued

Note 30. Discontinued Operations and Assets Held for Sale

In September 2014, we decided not to proceed with further development of the Lake Charles clean energy project that would have used gasification technology to convert low-grade fuel fossils into clean-energy products. Our decision was based on final estimates of the likely ultimate cost of completion of the project. Project development costs to date have been expensed as incurred. As a result, we have classified the clean energy project as a discontinued operation.

In July 2014, we sold Premier, through which we had conducted our gaming operations, for aggregate cash consideration of $250.0 million, subject to working capital adjustment. We recorded a pre-tax gain on sale of discontinued operations of $12.1 million in the third quarter of 2014.

During the third quarter of 2013, we sold a small power production business and recorded a pre-tax gain on sale of discontinued operations of $6.4 million.

In October 2013, we concluded that we would no longer continue to fund Sangart's research and development operations, through which we had conducted our medical product development operations. We commenced and completed an orderly shut-down of Sangart's operations during 2013; as a result, our medical product development operations have been classified as a discontinued operation.

In October 2012, we sold Keen Energy Services, LLC for cash consideration of $100.0 million and a four-year interest bearing promissory note issued by the purchaser which was valued at $37.5 million. We also retained Keen's net working capital, principally customer receivables and trade payables. We recorded a pre-tax loss on sale of discontinued operations of $18.0 million for the year ended December 31, 2012.

A summary of the results of discontinued operations for the clean energy project, Premier, Sangart, Keen and the small power production business is as follows for the three years ended December 31, 2014 (in thousands):

Income from discontinued operations also reflects distributions of $5.7 million for 2012 from our subsidiary, Empire Insurance Company, which has been undergoing a voluntary liquidation, was classified as a discontinued operation in 2001 and was written-off based on its expected future cash flows at that time. During 2013, we sold Empire for cash consideration of $3.2 million, subject to certain post-closing working capital adjustments, and the sale resulted in the recognition of a tax benefit of $5.4 million. Gain on disposal of discontinued operations for 2013 reflects an after tax gain of $8.6 million for this sale.

During 2012, we sold our small Caribbean-based telecommunications provider for aggregate considcration of $27.5 million, net of working capital adjustments, and recognized a pre-tax gain on sale of discontinued operations of $11.7 million. We have not classified this business' historical results of operations or its assets and liabilities as discontinued operations because such amounts were not significant.

In February 2014 we agreed to sell substantially all of our real estate properties and operations and BRP to HomeFed for HomeFed common shares. Results of operations for our real estate properties and operations are reflected in other merchant banking businesses. Assets included in the transaction with HomeFed have been included with Other assets as Assets held for sale in the Consolidated Statement of Financial Condition at December 31, 2013 and include the following components (in thousands):

AFFIDAVIT OF FRANKLIN BEST

I, Franklin Best, hereby declare and state as follows:

1. I am competent and authorized to make this Affidavit.

2. I am the Vice President, General Counsel, Insurance Operations, and Corporate Secretary of Penn Mutual Life Insurance Company (Penn Mutual), the parent company of Janney Montgomery Scott LLC, and have a business address of 600 Dresher Road, Horsham, PA 19044-2204.

3. I verify that the statements made herein are true and correct to the best of my knowledge, information and belief and understand that the statements herein are made pursuant to penalties of law relating to false swearing under 18 PA. CONS. STAT. ANN. § 4903.

4. I submit this affidavit in connection with the Janney Montgomery Scott LLC's City of Chicago Economic Disclosure Statement and Affidavit submission pertaining to the O'Hare General Airport Revenue Bonds, Series 2013.

5. Penn Mutual was founded in 1847 and is the nation's second oldest mutual life insurer.

6. Penn Mutual's record retention policy provides for the destruction of insurance policy records ten (10) years after an insurance policy terminates. Penn Mutual has searched its historical records and was unable to find any evidence or documents which demonstrate that Penn Mutual issued life insurance policies to slaveholders.

7. However, Penn Mutual did find two (2) documents regarding rates for policies to be issued to slaveholders providing coverage on the lives of slaves under the name of "Franklin Slaughter," underwriter and general insurance agent for an unidentified insurance company.

8. The documents provide no indication of the identity of the insurance company that issued those policies and no indication of how or why Penn Mutual had acquired the documents in its historical archive. Copies of the documents are attached to this Affidavit as Exhibit "A."

I hereby state that the foregoing facts are true and correct,

Franklin Best, Esquire
Vice President, General Counsel, Insurance Operations, and Corporate Secretary

1. I am competent and authorized to make this Affidavit.

2. I am the Vice President, General Counsel, Insurance Operations, and Corporate Secretary of Penn Mutual Life Insurance Company (Penn Mutual), the parent company of Janney Montgomery Scott LLC, and have a business address of 600 Dresher Road, Horsham, PA 19044-2204.

3. I verify that the statements made herein are true and correct to the best of my knowledge, information and belief and understand that the statements herein are made pursuant to penalties of law relating to false swearing under 18 PA. CONS. STAT. ANN. § 4903.

4. I submit this affidavit in connection with the Janney Montgomery Scott LLC's City of Chicago Economic Disclosure Statement and Affidavit submission pertaining to the O'Hare General Airport Revenue Bonds, Series 2013.

I hereby state that the foregoing facts are true and correct,

ORDINANCE

WHEREAS, the City of Chicago ("**City**") is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970, and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the City, through the foreclosure of demolition liens, tax sales and other methods of acquisition, has acquired title to numerous parcels of real property which are of minimal value and costly to clean up and maintain; and

WHEREAS, because title to such properties was vested in the City, the properties were exempted from real estate taxes, thus depriving the City of revenue; and

WHEREAS, pursuant to an ordinance (the "**Original Program Ordinance**") adopted by the City Council of the City ("**City Council**") on March 6, 1981 and published on pages 5584 - 5585 of the Journal of Proceedings of the City Council ("**Journal**") for such date, the City established a program for the disposition of certain vacant real property owned by the City known as the Adjacent Neighbors Land Acquisition Program; and

WHEREAS, the Original Program Ordinance was amended by ordinances adopted on July 23, 1982 and published in the Journal for such date at pages 11830-11833, and on January 7, 1983 and published in the Journal for such date at pages 14803-14805 (the Original Program Ordinance and such two amending ordinances, collectively, the "**Original ANLAP Ordinances**"); and

WHEREAS, pursuant to an ordinance adopted by the City Council on September 14, 1994 and published in the Journal for such date at pages 56195-56198, the City Council repealed the Original ANLAP Ordinances, and established a new program, also known as the Adjacent Neighbors Land Acquisition Program, for the disposition of certain vacant real property owned by the City, which ordinance was subsequently amended by ordinances adopted on September 4, 2002 and published in the Journal for such date at pages 92771-92773, on July 28, 2010, and published in the Journal for such date at pages 97370-97374, and on June 25, 2014, and published in the Journal for such date at pages 83533-83535 (such new program, as amended, the "**ANLAP Program**"); and

WHEREAS, pursuant to the ANLAP Program, as codified at Municipal Code Chapter 2-159-010 et seq. (the "**ANLAP Program Ordinance**"), a qualified City-owned parcel may be sold if it has an appraised value of not more than Fifty Thousand Dollars ($50,000); and

WHEREAS, pursuant to the ANLAP Program, if the property appraises at or for less than Ten Thousand Dollars ($10,000), the minimum acceptable bid must be at least One Thousand Dollars ($1,000); if the property appraises at or for less than Twenty Thousand Dollars ($20,000) but more than Ten Thousand Dollars ($10,000), the minimum acceptable bid must be at least Two Thousand Dollars ($2,000); and if the property appraises for more than Twenty Thousand Dollars ($20,000), the minimum acceptable bid must be Two Thousand Dollars ($2,000), plus fifty percent (50%) of the appraised value which exceeds Twenty Thousand Dollars ($20,000); and

WHEREAS, pursuant to the ANLAP Program, an Adjacent Neighbor means a person

who owns one parcel, or two or more contiguous parcels, of real property that is or are immediately adjacent to a City-owned parcel and at least one of the parcels is an improved parcel which the person occupies as his primary residence; and

WHEREAS, pursuant to the ANLAP Program, any deed conveying a parcel pursuant thereto shall contain covenants which: (1) prohibit the grantee from conveying, assigning or otherwise transferring the parcel except in conjunction with the sale of the real estate on which grantee's primary residence is located, including the adjacent side yard if any; and (2) require that the parcel be improved with landscaped open space within six (6) months of the conveyance of such parcel and prohibit the construction of any permanent improvements on the parcel, excluding only improvements made by the grantee on the parcel that constitute an integrated addition to the grantee's primary residence, or a garage appurtenant thereto; and (3) require the grantee to maintain the parcel in accordance with the provisions of the Municipal Code of Chicago; and

WHEREAS, the foregoing covenants shall terminate ten (10) years after the date of the conveyance of the parcel to the grantee; and

WHEREAS, the Department of Planning and Development ("**DPD**") of the City desires to convey the vacant parcel of real property identified on Exhibit A to this ordinance (the "**ANLAP Parcel**") to Neophia Walter (the "**Purchaser**"), who has a principal residence of 724 N. Christiana Avenue, Chicago, Illinois 60624, which ANLAP Parcel is located in the Chicago/Central Park Redevelopment Project Area ("**Area**") established pursuant to ordinances adopted by the City Council on February 27, 2002, and published in the Journal for such date at pages 79794 through 80025; and

WHEREAS, DPD has caused notice of the proposed sale of the ANLAP Parcel to be sent to all eligible adjacent neighbors (if any) and has also caused public notice advertising the City's intent to enter into the sale of the ANLAP Parcel to the Purchaser to be published in the *Chicago Sun-Times* on May 6, 2015; and

WHEREAS, Purchaser's proposal was the only proposal received by the deadline indicated in the aforesaid notice; and

WHEREAS, pursuant to Resolution Number 15-050-21 adopted on June 18, 2015, by the Chicago Plan Commission ("**Commission**"), the Commission approved the sale of the ANLAP Parcel to the Purchaser; ***now, therefore***

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

TO THE HONORABLE, THE CITY COUNCIL

Ladies and Gentlemen:

At the request of the Commissioner of Planning and Development, I transmit herewith ordinances authorizing the sale of city-owned property.

Your favorable consideration of these ordinances will be appreciated.

Very truly yours,

ORDINANCE

WHEREAS, the City of Chicago ("City") is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970, and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the City, through the foreclosure of demolition liens, tax sales and other methods of acquisition, has acquired title to numerous parcels of real property which are of minimal value and costly to clean up and maintain, and because title to such properties was vested in the City, the properties were exempted from real estate taxes, thus depriving the City of revenue; and

WHEREAS, pursuant to an ordinance (the "Original Program Ordinance") adopted by the City Council of the City ("City Council") on March 6, 1981 and published at pages 5584 - 5585 of the Journal of Proceedings of the City Council ("Journal") for such date, the City established a program for the disposition of certain vacant real property owned by the City known as the Adjacent Neighbors Land Acquisition Program; and

WHEREAS, the Original Program Ordinance was amended by ordinances adopted on July 23, 1982 and published in the Journal for such date at pages 11830 - 11833, and on January 7, 1983 and published in the Journal for such date at pages 14803 - 14805 (the Original Program Ordinance and such two amending ordinances, collectively, the "Original ANLAP Ordinances"); and

WHEREAS, pursuant to an ordinance adopted by the City Council on September 14, 1994 and published in the Journal for such date at pages 56195 - 56198, the City Council repealed the Original ANLAP Ordinances, and established a new program, also known as the Adjacent Neighbors Land Acquisition Program, for the disposition of certain vacant real property owned by the City, which ordinance was subsequently amended by ordinances adopted on September 4, 2002 and published in the Journal for such date at pages 92771 - 92773, and on July 28, 2010 and published in the Journal for such date at pages 97370 - 97374, and on June 25, 2014 and published in the Journal for such date at pages 83533 - 83535 (such new program, as amended, the "ANLAP Program"); and

WHEREAS, pursuant to the ANLAP Program, as codified at Municipal Code Chapter 2-159-010 et seq. (the "ANLAP Program Ordinance"), a qualified City-owned parcel may be sold if it has an appraised value of not more than Fifty Thousand Dollars ($50,000); and

WHEREAS, pursuant to the ANLAP Program, if the property appraises at or for less than Ten Thousand Dollars ($10,000.00) the minimum acceptable bid must be at least One Thousand Dollars ($1,000.00); if the property appraises at or for less than Twenty Thousand Dollars ($20,000.00) but more than Ten Thousand Dollars ($10,000.00) the minimum acceptable bid must be at least Two Thousand Dollars ($2,000.00); and if the property appraises for more than Twenty Thousand Dollars ($20,000.00) the minimum acceptable bid must be Two Thousand Dollars ($2,000.00), plus fifty percent (50%) of the appraised value which exceeds Twenty Thousand Dollars ($20,000.00); and

WHEREAS, pursuant to the ANLAP Program, an Adjacent Neighbor means a person who owns one parcel, or two or more contiguous parcels, of real property that is immediately

adjacent to a city-owned parcel and at least one of the parcels is an improved parcel which the person occupies as his primary residence; and

WHEREAS, pursuant to the ANLAP Program, any deed conveying a parcel pursuant thereto shall contain covenants which: (1) prohibit the grantee from conveying, assigning or otherwise transferring the parcel except in conjunction with the sale of the real estate on which grantee's primary residence is located, including the adjacent side yard if any; and (2) require that the parcel be improved with landscaped open space within six (6) months of the conveyance of such parcel and prohibit the construction of any permanent improvements on the parcel, excluding only improvements made by the grantee on the parcel that constitute an integrated addition to the grantee's primary residence, or a garage appurtenant thereto; and (3) require the grantee to maintain the parcel in accordance with the provisions of the Municipal Code of Chicago. The covenants shall terminate ten (10) years after the date of the conveyance of the parcel to the grantee; and

WHEREAS, the Department of Planning and Development ("DPD") of the City desires to convey the vacant parcel of real property identified on Exhibit A to this ordinance (the "ANLAP Parcel") to Abelardo Navarro (the "Purchaser"), who has a principal residence of 1040 North Lawndale Avenue, Chicago, Illinois 60651, which ANLAP Parcel is located in the Chicago/Central Park Redevelopment Project Area ("Area") established pursuant to ordinances adopted by the City Council on February 27, 2002 and published in the Journal of Proceedings of the City of Chicago for such date at pages 79794 through 80025; and

WHEREAS, DPD has caused notice of the proposed sale of the ANLAP Parcel to be sent to all eligible adjacent neighbors (if any) and has also caused public notice advertising the City's intent to enter into the sale of the ANLAP Parcel to the Purchaser to be published in the *Chicago Sun-Times* on June 8, 2015; and

WHEREAS, Purchaser's proposal was the only proposal received by the deadline indicated in the aforesaid notice; and

WHEREAS, pursuant to Resolution Number 15-067-21 adopted on July 16, 2015, by the Plan Commission of the City of Chicago ("Commission"), the Commission approved the sale of the Property to the Purchaser; now, therefore

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The City hereby accepts the bid of the Purchaser to purchase the ANLAP Parcel, which purchase shall be subject to all of the terms, conditions, covenants and restrictions of the ANLAP Program and the ANLAP Program Ordinance.

Such deed shall include a covenant obligating the Purchaser to use the ANLAP Parcel only for a use consistent with the land uses permitted under the redevelopment plan for the Area and consistent with the requirements of the ANLAP Program Ordinance.

SECTION 3. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity of such provision shall not affect any of the other provisions of this ordinance.

ORDINANCE

WHEREAS, the City of Chicago ("City") is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970, and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the City, through the foreclosure of demolition liens, tax sales and other methods of acquisition, has acquired title to numerous parcels of real property which are of minimal value and costly to clean up and maintain, and because title to such properties was vested in the City, the properties were exempted from real estate taxes, thus depriving the City of revenue; and

WHEREAS, pursuant to an ordinance (the "Original Program Ordinance") adopted by the City Council of the City ("City Council") on March 6, 1981 and published on pages 5584 - 5585 of the Journal of Proceedings of the City Council ("Journal") for such date, the City established a program for the disposition of certain vacant real property owned by the City known as the Adjacent Neighbors Land Acquisition Program; and

WHEREAS, the Original Program Ordinance was amended by ordinances adopted on July 23, 1982 and published in the Journal for such date at pages 11830 - 11833, and on January 7, 1983 and published in the Journal for such date at pages 14803 - 14805 (the Original Program Ordinance and such two amending ordinances, collectively, the "Original ANLAP Ordinances"); and

WHEREAS, pursuant to an ordinance adopted by the City Council on September 14, 1994 and published in the Journal for such date at pages 56195 - 56198, the City Council repealed the Original ANLAP Ordinances, and established a new program, also known as the Adjacent Neighbors Land Acquisition Program, for the disposition of certain vacant real property owned by the City, which ordinance was subsequently amended by ordinances adopted on September 4, 2002 and published in the Journal for such date at pages 92771 - 92773, and on July 28, 2010 and published in the Journal for such date at pages 97370 - 97374, and on June 25, 2014 and published in the Journal for such date at pages 83533 - 83535 (such new program, as amended, the "ANLAP Program"); and

WHEREAS, pursuant to the ANLAP Program, if the property appraises at or for less than Ten Thousand Dollars ($10,000.00) the minimum acceptable bid must be at least One Thousand Dollars ($1,000.00); if the property appraises at or for less than Twenty Thousand Dollars ($20,000.00) but more than Ten Thousand Dollars ($10,000.00) the minimum acceptable bid must be at least Two Thousand Dollars ($2,000.00); and if the property appraises for more than Twenty Thousand Dollars ($20,000.00) the minimum acceptable bid must be Two Thousand Dollars ($2,000.00), plus fifty percent (50%) of the appraised value which exceeds Twenty Thousand Dollars ($20,000.00); and

WHEREAS, pursuant to the ANLAP Program, an Adjacent Neighbor means a person who owns one parcel, or two or more contiguous parcels, or real property that is immediately adjacent to a city-owned parcel and at least one of the parcels is an improved parcel which the person occupies as his primary residence; and

WHEREAS, pursuant to the ANLAP Program, any deed conveying a parcel pursuant thereto shall contain covenants which: (1) prohibit the grantee from conveying, assigning or otherwise transferring the parcel except in conjunction with the sale of the real estate on which grantee's primary residence is located, including the adjacent side yard if any; and (2) require that the parcel be improved with landscaped open space within six (6) months of the conveyance of such parcel and prohibit the construction of any permanent improvements on the parcel, excluding only improvements made by the grantee on the parcel that constitute an integrated addition to the grantee's primary residence, or a garage appurtenant thereto; and (3) require the grantee to maintain the parcel in accordance with the provisions of the Municipal Code of Chicago. The covenants shall terminate ten (10) years after the date of the conveyance of the parcel to the grantee; and

WHEREAS, the Department of Planning and Development ("DPD") of the City desires to convey the vacant parcel of real property identified on Exhibit A to this ordinance (the "ANLAP Parcel") to Martha Yesenia Muñoz Perez (the "Purchaser"), who has a principal residence of 1428 West 49th Place, Chicago, Illinois 60609, which ANLAP Parcel is located in 47th/Ashland Redevelopment Project Area ("Area") established pursuant to ordinances adopted by the City Council on March 27, 2002 and published in the Journal of Proceedings of the City of Chicago for such date at pages 81473 through 81652; and

TO THE HONORABLE, THE CITY COUNCIL

Ladies and Gentlemen:

At the request of the Commissioner of Planning and Development, I transmit herewith ordinances authorizing the sale of city-owned property.

Your favorable consideration of these ordinances will be appreciated.

Very truly yours,

ORDINANCE

WHEREAS, the City of Chicago ("City") is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970, and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the City, through the foreclosure of demolition liens, tax sales and other methods of acquisition, has acquired title to numerous parcels of real property which are of minimal value and costly to clean up and maintain, and because title to such properties was vested in the City, the properties were exempted from real estate taxes, thus depriving the City of revenue; and

WHEREAS, pursuant to an ordinance (the "Original Program Ordinance") adopted by the City Council of the City ("City Council") on March 6, 1981 and published on pages 5584 - 5585 of the Journal of Proceedings of the City Council ("Journal") for such date, the City established a program for the disposition of certain vacant real property owned by the City known as the Adjacent Neighbors Land Acquisition Program; and

WHEREAS, the Original Program Ordinance was amended by ordinances adopted on July 23, 1982 and published in the Journal for such date at pages 11830 - 11833, and on January 7, 1983 and published in the Journal for such date at pages 14803 - 14805 (the Original Program Ordinance and such two amending ordinances, collectively, the "Original ANLAP Ordinances"); and

WHEREAS, pursuant to an ordinance adopted by the City Council on September 14, 1994 and published in the Journal for such date at pages 56195 - 56198, the City Council repealed the Original ANLAP Ordinances, and established a new program, also known as the Adjacent Neighbors Land Acquisition Program, for the disposition of certain vacant real property owned by the City, which ordinance was subsequently amended by ordinances adopted on September 4, 2002 and published in the Journal for such date at pages 92771 - 92773, and on July 28, 2010 and published in the Journal for such date at pages 97370 – 97374, and on June 25, 2014 and published in the Journal for such date at pages 83533 - 83535 (such new program, as amended, the "ANLAP Program"); and

WHEREAS, pursuant to the ANLAP Program, as codified at Municipal Code Chapter 2-159-010 et seq. (the "ANLAP Program Ordinance"), a qualified City-owned parcel may be sold if it has an appraised value of not more than Fifty Thousand Dollars ($50,000.00); and

WHEREAS, pursuant to the ANLAP Program, if the property appraises at or for less than Ten Thousand Dollars ($10,000.00) the minimum acceptable bid must be at least One Thousand Dollars ($1,000.00); if the property appraises at or for less than Twenty Thousand Dollars ($20,000.00) but more than Ten Thousand Dollars ($10,000.00) the minimum acceptable bid must be at least Two Thousand Dollars ($2,000.00); and if the property appraises for more than Twenty Thousand Dollars ($20,000.00) the minimum acceptable bid must be Two Thousand Dollars ($2,000.00), plus fifty percent (50%) of the appraised value which exceeds Twenty Thousand Dollars ($20,000.00); and

WHEREAS, pursuant to the ANLAP Program, an Adjacent Neighbor means a person who owns one parcel, or two or more contiguous parcels, or real property that is immediately adjacent to a city-owned parcel and at least one of the parcels is an improved parcel which the person occupies as his primary residence; and

WHEREAS, pursuant to the ANLAP Program, any deed conveying a parcel pursuant thereto shall contain covenants which: (1) prohibit the grantee from conveying, assigning or otherwise transferring the parcel except in conjunction with the sale of the real estate on which grantee's primary residence is located, including the adjacent side yard if any; and (2) require that the parcel be improved with landscaped open space within six (6) months of the conveyance of such parcel and prohibit the construction of any permanent improvements on the parcel, excluding only improvements made by the grantee on the parcel that constitute an integrated addition to the grantee's primary residence, or a garage appurtenant thereto; and (3) require the grantee to maintain the parcel in accordance with the provisions of the Municipal Code of Chicago. The covenants shall terminate ten (10) years after the date of the conveyance of the parcel to the grantee; and

WHEREAS, the Department of Planning and Development ("DPD") of the City desires to convey the vacant parcel of real property identified on Exhibit A to this ordinance (the "ANLAP Parcel") to Roberto Sigala (the "Purchaser"), who has a principal residence of 4730 South Justine Street, Chicago, Illinois 60609; and

WHEREAS, DPD has caused notice of the proposed sale of the ANLAP Parcel to be sent to all eligible adjacent neighbors (if any); and

WHEREAS, Purchaser's proposal was the only proposal received by the deadline indicated in the aforesaid notice; and

WHEREAS, pursuant to Resolution Number 15-067-21 adopted on July 16, 2015, by the Plan Commission of the City of Chicago ("Commission"), the Commission approved the sale of the Property to the Purchaser; now, therefore

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 3. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity of such provision shall not affect any of the other provisions of this ordinance.
