(b) Contain no environmentally hazardous materials.

Landlord's duty under this section shall survive Tenant's acceptance of the Premises.

4.2 Covenant of Quiet Enjoyment. Landlord covenants and agrees that Tenant, upon paying the rent and upon observing and keeping the covenants, agreements and conditions of this Lease on its part to be kept, observed and performed, shall lawfully and quietly hold, occupy and enjoy the Premises (subject to the provisions of this Lease) during the Term without hindrance or molestation by Landlord or by any person or persons claiming under Landlord.

4.3 Landlord's Duty to Maintain Premises and Right of Access. Landlord shall, at Landlord's expense, keep the Premises in a condition of thorough repair and good order, and in compliance with all applicable provisions of the Municipal Code of Chicago, including but not limited to those provisions in Title 13 ("Building and Construction"), Title 14 ("Electrical Equipment and Installation"), Title 15 ("Fire Prevention") and all applicable provisions of the Landscape Ordinance of the City of Chicago. If Landlord shall refuse or neglect to make needed repairs within fifteen (15) days after written notice thereof sent by Tenant, unless such repair cannot be remedied by fifteen (15) days, and Landlord shall have commenced and is diligently pursuing all necessary action to remedy such repair, Tenant is authorized to make such repairs and to deduct the cost thereof from rents accruing under this Lease, or immediately terminate this Lease by providing the Landlord with written notice sent by certified or registered mail to the address cited herein. Landlord shall have the right of access to the Premises for the purpose of inspecting and making repairs to the Premises, provided that except in the case of emergencies, Landlord shall first give notice to Tenant of its desire to enter the Premises and will schedule its entry so as to minimize any interference with Tenant's use of Premises to prospective or actual purchasers, mortgagees, tenants, workmen, or contractors or as otherwise necessary in the operation or protection of the Premises.

4.4 Use of the Premises. Tenant shall not use the Premises in a manner that would violate any Laws. Tenant further covenants not to do or suffer any waste or damage, comply in all respects with the laws, ordinances, orders, rules, regulations, and requirements of all federal, state and municipal governmental departments which may be applicable to the Premises or to the use or manner of use of the Premises, disfigurement or injury to any building or improvement on the Premises, or to fixtures and equipment thereof.

4.5 Alterations and Additions. Tenant shall have the right to make such alterations, additions and improvements on the Premises as it shall deem necessary, provided that any such alterations, additions and improvements shall be in full compliance with the applicable Laws and provided that Tenant has obtained the prior written consent of Landlord. Landlord shall not unreasonably withhold consent.

SECTION 5. ASSIGNMENT, SUBLEASE, AND LIENS

5.1 Assignment and Sublease. Tenant shall not assign, sublease, mortgage, encumber or otherwise transfer this Lease in whole or in part, or sublet the Premises or any part thereof without the written consent of Landlord in each instance. Landlord shall not unreasonably withhold consent to any assignment of the Lease or sublease of the Premises provided that (i) the assignee or sublessee will use the Premises in a manner similar to that being used as of the date of this Lease, (ii) no such assignment or sublease shall release Tenant from any liability under this Lease and (iii) Tenant shall pay to Landlord the excess if any of (a) the rent and other amounts paid to Tenant by the assignee or sublessee under the assignment or sublease over the rent payable by Tenant to Landlord under this Lease.

5.2 Tenant's Covenant Against Liens. Tenant shall not cause or permit any lien or encumbrance, whether created by act of Tenant, operation of law or otherwise, to attach to or be placed upon Landlord's title or interest in the Premises. All liens and encumbrances created by Tenant shall attach to Tenant's interest only.

SECTION 6. INSURANCE AND INDEMNIFICATION

6.1 Insurance. During the Term, Landlord shall procure and maintain at all times, at Landlord's own expense, the insurance coverages and requirements specified below, insuring all operations related to the Lease.

The kinds and amounts of insurance required are as follows:

(a) Worker's Compensation and Employer's Liability Insurance. Workers Compensation as prescribed by applicable law, covering all employees who are to provide a service under this Lease, and Employer's Liability Insurance with limits of not less than $500,000 each accident, illness or disease.

(b) Commercial General Liability Insurance. (Primary and Umbrella). General Liability Insurance or equivalent, with limits of not less than $1,000,000 per occurrence, for bodily injury, personal injury, and property damage liability. Coverage shall include the following: All premises and operations, products/completed operations, defense, separation of insureds, and contractual liability (not to include Endorsement CG 21 39 or equivalent). The City of Chicago shall be named as an additional insured under the policy. Such additional insured coverage shall be provided on CG 20 10 or on a similar additional insured form acceptable to the City. The additional insured coverage shall not have any limiting endorsements or language under the policy such as but not limited to, Landlord's sole negligence or the Additional Insured's vicarious liability. Landlord's liability insurance shall be primary without right of contribution by any other insurance or self-insurance maintained by or available to the City.

(c) Automobile Liability Insurance. (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with the Lease, the Landlord shall provide and maintain Automobile Liability Insurance with limits of not less than $1,000,000 per occurrence, for bodily injury and property damage. The City of Chicago shall be named as an additional insured on a primary, non-contributory basis.

(d) All Risk Property Insurance. All risk property insurance coverage shall be maintained by the Landlord for full replacement value to protect against loss of, damage to or destruction of property.

The Landlord shall be responsible for all loss or damage to personal property (including but not limited to materials, equipment, tools and supplies), owned, rented, or used by the Landlord.

6.2 Other Terms of Insurance. Landlord will furnish the City of Chicago, Department of Fleet and Facility Management, Office of Real Estate Management, 30 North LaSalle Street, Suite 300, Chicago, Illinois 60602, original Certificates of Insurance evidencing the required coverage to be in force on the date of this Lease, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the Term. Landlord shall submit evidence of insurance prior to execution of the Lease. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Lease have been fully met or that the insurance policies indicated on the certificate are in compliance with all Lease requirements. The failure of the City to obtain certificates or other insurance evidence from Landlord shall not be deemed to be a waiver by the City. The Landlord shall advise all insurers of the Lease provisions regarding insurance. Non-conforming insurance shall not relieve Landlord of its obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Lease, and the City retains the right to terminate or suspend the Lease until proper evidence of insurance is provided.

The Landlord shall provide for 60 days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

Any and all deductibles or self-insured retentions on referenced insurance coverages shall be borne by Landlord.

Landlord hereby grants to the City a waiver of any right of subrogation which any insurer of said Landlord may acquire against the City by virtue of the payment of any loss under the insurance. Landlord agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the City has received a waiver of subrogation endorsement from the insurer(s).

Landlord expressly understands and agrees that any coverages and limits furnished by Landlord shall in no way limit the Landlord's liabilities and responsibilities specified in this Lease or by law.

Landlord expressly understands and agrees that its insurance is primary and any insurance or self-insurance programs maintained by the City shall not contribute with insurance provided by Landlord.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Lease or any limitation placed on the indemnity in this Lease given as a matter of law.

If Landlord is a joint venture or limited liability company, the insurance policies shall name the joint venture or limited liability company as a named insured.

If Landlord maintains higher limits than the minimums shown above, the City requires and shall be entitled to coverage for the higher limits maintained by Landlord. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the City.

Notwithstanding any provision to the contrary, the City of Chicago, Department of Finance, Office of Risk Management, maintains the rights to modify, delete, alter or change these requirements at any time during the Term of Lease.

6.3 Mutual Indemnification. Landlord and Tenant shall indemnify and hold each other harmless against all liabilities, judgment costs, damages, and expenses which may accrue against, be charged to, or be recovered from either party by reason of any negligent performance of or failure to perform any of their obligations under this Lease.

SECTION 7. DAMAGE OR DESTRUCTION

7.1 Damage or Destruction. If the Premises are damaged or destroyed by fire or other casualty to such extent that Tenant cannot continue, occupy or conduct its normal business therein, or if the Premises do not meet all Municipal Building and Fire Code provisions and are therefore rendered untenantable, Tenant shall have the option to declare this Lease terminated as of the date of such damage or destruction by giving Landlord written notice to such effect. If Tenant exercises this option, the rent shall be apportioned as of the date of such damage or destruction and Landlord shall forthwith repay to Tenant all prepaid rent.

SECTION 8. CONFLICT OF INTEREST AND GOVERNMENTAL ETHICS

8.1 Conflict of Interest. No official or employee of the City of Chicago, nor any member of any board, commission or agency of the City of Chicago, shall have any financial interest (as directed in Chapter 2-156 of the Municipal Code of Chicago), either direct or indirect, in the Premises; nor shall any such official, employee, or member participate in making or in any way attempt to use his position to influence any City governmental decision or action with respect to this Lease.

8.2 Duty to Comply with Governmental Ethics Ordinance. Landlord and Tenant shall comply with Chapter 2-156 of the Municipal Code of Chicago, "Governmental Ethics," including but not limited to section 2-156-120, which states that no payment, gratuity, or offer of employment shall be made in connection with any City of Chicago contract as an inducement for the award of that contract or order. Any contract negotiated, entered into, or performed in violation of any of the provisions of Chapter 2-156 shall be voidable as to the City of Chicago.

SECTION 9. HOLDING OVER

9.1 Holding Over. Any holding over by Tenant shall be construed to be a tenancy from month to month only beginning on July 1, 2025 and the rent shall be at the same rate as set forth in Section 3.1(j) of this Lease. During such holding over all other provisions of this Lease shall remain in full force and effect.

SECTION 10. MISCELLANEOUS

10.1 Notice. All notices, demands and requests which may be or are required to be given demanded or requested by either party to the other shall be in writing. 10.2 Partial Invalidity. If any covenant, condition, provision, term or agreement of this Lease shall, to any extent, be held invalid or unenforceable, the remaining covenants, conditions, provisions, terms and agreements of this Lease shall not be affected thereby, but each covenant, condition, provision, term or agreement of this Lease shall be valid and in force to the fullest extent permitted by law.

10.3 Governing Law. This Lease shall be construed and be enforceable in accordance with the laws of the State of Illinois.

10.4 Entire Agreement. All preliminary and contemporaneous negotiations are merged into and incorporated in this Lease. This Lease contains the entire agreement between

the parties and shall not be modified or amended in any manner except by an instrument in writing executed by the parties hereto.

The parties executing this Lease hereby represent and warrant that they are the duly authorized and acting representatives of Landlord and Tenant respectively and that by their execution of this Lease, it became the binding obligation of Landlord and Tenant respectively, subject to no contingencies or conditions except as specifically provided herein.

10.10 Termination of Lease. Tenant shall have the right to terminate this Lease for convenience without penalty by providing Landlord with one hundred eighty (180) days prior written notice.

10.11 Force Majeure. When a period of time is provided in this Lease for either party to do or perform any act or thing, the party shall not be liable or responsible for any delays due to strikes, lockouts, casualties, acts of God, wars, governmental regulation or control, and other causes beyond the reasonable control of the party, and in any such event the time period shall be extended for the amount of time the party is so delayed.

10.12 Condemnation. If the whole or any substantial part of the Premises are taken or condemned by any competent authority for any public use or purpose, or if any adjacent property or street shall be so condemned or improved in such a manner as to require the use of any part of the Premises, the Term of this Lease shall, at the option of Landlord or the condemning authority, be terminated upon, and not before, the date when possession of the part so taken shall be required for such use or purpose, and Landlord shall be entitled to receive the entire award without apportionment with Tenant. Rent shall be apportioned as of the date of Tenant's vacating the Premises as the result of said termination.

From time to time, the parties hereto may administratively amend this Lease Agreement with respect to any provisions reasonably related to Tenant's use of the Premises and/or Landlord's administration of said Lease Agreement. Provided, however, that such amendment(s) shall not serve to extend the Lease term hereof nor serve to otherwise materially alter the essential provisions contained herein. Such amendment(s) shall be in writing, shall establish the factual background necessitating such alteration, shall set forth the terms and conditions of such modification, and shall be duly executed by both Landlord and Tenant. Such amendment(s) shall only take effect upon execution by both parties. Upon execution, such amendment(s) shall become a part of this Lease and all other provisions of this Lease shall otherwise remain in full force and effect.

10.15 Prior Lease. Landlord and Tenant acknowledge and agree that the Tenant has leased and occupied the Premises under a prior lease dated December 26, 2008. SECTION 13. LANDLORD DISCLOSURES AND AFFIRMATIONS

13.1 Business Relationships. Landlord acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (B) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2- 156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (C) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. Landlord hereby represents and warrants that no violation by Landlord of Section 2-156-030 (b) has occurred with respect to this Lease Agreement or the transactions contemplated hereby.

13.2 Patriot Act Certification. Landlord represents and warrants that neither Landlord nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in this Section, an "Affiliate" shall be deemed to be a person or entity related to Landlord that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Landlord, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

13.3 Prohibition on Certain. Contributions-Mayoral Executive Order No. 2011-4. Landlord agrees that Landlord, any person or entity that directly or indirectly has an ownership or beneficial interest in Landlord of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Landlord's contractors (i.e., any person or entity in direct contractual privity with Landlord regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than. 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Landlord and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (i) after execution of this Agreement by Landlord, (ii) while this Agreement or any Other Contract is executory, (iii) during the term of this Agreement or any Other Contract (as hereinafter defined) between Landlord and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

Landlord represents and warrants that from the later of (a) May 16, 2011, or (b) the date the City approached the Landlord or the date Landlord approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Landlord agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Landlord agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 05-1 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Notwithstanding anything to the contrary contained herein, Landlord agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this Agreement or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Agreement, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Landlord intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

(a) "Bundle" means to collect contributions from more than one source which are then delivered by one person to the Mayor or to his political fundraising committee.

(b) "Other Contract" means any other agreement with the City of Chicago to which Landlord is a party that is (i) formed under the authority of chapter 292 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

(c) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal. Code of Chicago, as amended.

(d) Individuals are "domestic partners" if they satisfy the following criteria:

(i) they are each other's sole domestic partner, responsible for each other's common welfare; and
(ii) neither party is married; and
(iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
(iv) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
(v) two of the following four conditions exist for the partners:
(1) The partners have been residing together for at least 12 months.
(2) The partners have common or joint ownership of a residence.
(3) The partners have at least two of the following arrangements:
A. joint ownership of a motor vehicle;
B. a joint credit account;
C. a joint checking account;
D. a lease for a residence identifying both domestic partners as tenants.
(4) Each partner identifies the other partner as a primary beneficiary in a will.

(e) "Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

13.4 Waste Ordinance Provisions. In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Landlord warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Agreement is executory, Landlord's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the

opportunity to cure, if curable, will be granted only at the sole designation of the Commissioner of the Department of Fleet and Facility Management. Such breach and default entitles the City to all remedies under the Agreement, at law or in equity. This section does not limit Landlord's, general contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement. Noncompliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect the Landlord's eligibility for future contract awards.

13.5 Failure to Maintain Eligibility to do Business with City. Failure by Landlord or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this Agreement and the transactions contemplated thereby. Landlord shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

13.6 Cooperation with Inspector General and Legislative Inspector General. It is the duty of every officer, employee, department, agency, contractor, subcontractor, user of real property and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. Landlord understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago.

13.7 2014 Hiring Plan Prohibitions.

1. The Tenant is subject to the June 16, 2014 "City of Chicago Hiring Plan", as amended (the "2014 City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the Tenant from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

2. Landlord is aware that Tenant policy prohibits Tenant employees from directing any individual to apply for a position with Landlord, either as an employee or as a subcontractor, and from directing Landlord to hire any individual as an employee or as a subcontractor. Accordingly, Landlord must follow its own hiring and contracting procedures, without being influenced by Tenant or Tenant employees. Any and all personnel provided by Landlord under this Lease are employees or subcontractors of Landlord, not employees of the City of Chicago. This Lease is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the Tenant and any personnel provided by Landlord.

3. Landlord will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Lease, or offer employment to any individual to provide services under this Lease, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a

political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Lease, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

4. In the event of any communication to Landlord by a Tenant employee or Tenant official in violation of paragraph 2 above, or advocating a violation of paragraph 3 above, Landlord will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the Tenant's Office of the Inspector General ("OIG Hiring Oversight"), and also to the head of the relevant Tenant department utilizing services provided under this Lease. Landlord will also cooperate with any inquiries by OIG Hiring Oversight.

10.12 Force Majeure. When a period of time is provided in this Lease for either party to do or perform any act or thing, the party shall not be liable or responsible for any delays due to strikes, lockouts, casualties, acts of God, wars, governmental regulation or control, and other causes beyond the reasonable control of the party, and in any such event the time period shall be extended for the amount of time the party is so delayed.

Rent shall be apportioned as of the date of Tenant's vacating as the result of said termination.

10.14 No Brokers. The Department of Fleet and Facility Management does not use brokers, tenant representatives, or other finders. Provided, however, that such amendment(s) shall not serve to extend the Lease term hereof nor serve to otherwise materially alter the essential provisions contained herein. Such amendment(s) shall be in writing, shall establish the factual background necessitating such alteration, shall set forth the terms and conditions of such modification, and shall be duly executed by both Landlord and Tenant. Such amendment(s) shall only take effect upon execution by both parties. Upon execution, such amendment(s) shall become a part of this Lease and all other provisions of this Lease shall otherwise remain in full force and effect.

SECTION 13. LANDLORD DISCLOSURES AND AFFIRMATIONS

13.1 Business Relationships. Landlord acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (B) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the Tenant, or any person acting at the direction of such official, to contact, either orally or in writing, any other Tenant official or employee with respect to any matter involving any person with whom the elected Tenant official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (C) notwithstanding anything to the contrary contained in this Lease, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Lease shall be grounds for termination of this Lease and the transactions contemplated hereby. Landlord hereby represents and warrants that no violation by Landlord of Section 2-156-030 (b) has occurred with respect to this Lease or the transactions contemplated hereby.

13.2 Patriot Act Certification. Landlord represents and warrants that neither Landlord nor, to the best of Landlord's knowledge, any Affiliate (as hereafter defined) thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the Tenant may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in this Section, an "Affiliate" shall be deemed to be a person or entity related to Landlord that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Landlord, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

13.3 Prohibition on Certain Contributions-Mayoral Executive Order No. 2011-4. Landlord agrees that Landlord, any person or entity that directly or indirectly has an ownership or beneficial interest in Landlord of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Landlord's contractors (i.e., any person or entity in direct contractual privity with Landlord regarding the subject matter of this Lease) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Landlord and all the other preceding classes of persons and entities are together the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (a) after execution of this Lease by Landlord, (b) while this Lease or any Other Contract (as hereinafter defined) is executory, (c) during the Term of this Lease or any Other Contract, or (d) during any period while an extension of this Lease or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

Landlord represents and warrants that from the later of (a) May 16, 2011, or (b) the date the Tenant approached Landlord, or the date Landlord approached the Tenant, as applicable, regarding the formulation of this Lease, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Landlord agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Landlord agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Notwithstanding anything to the contrary contained herein, Landlord agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this Lease or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Lease, and under any Other Contract for which no opportunity to cure will be granted, unless the Tenant, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the Tenant to all remedies (including, without limitation, termination for default) under this Lease, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Landlord intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the execution of this Lease, the Tenant may elect to decline to close the transaction contemplated by this Lease.

For purposes of this provision:

(a) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fundraising committee.

(b) "Other Contract" means any other agreement with the Tenant to which Landlord is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

(c) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

(d) Individuals are "domestic partners" if they satisfy the following criteria:

(i) they are each other's sole domestic partner, responsible for each other's common welfare; and

(ii) neither party is married; and

(iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(iv) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

(v) two of the following four conditions exist for the partners:

(1) The partners have been residing together for at least 12 months.

(2) The partners have common or joint ownership of a residence.

(3) The partners have at least two of the following arrangements:

(A) joint ownership of a motor vehicle;

(B) joint credit account;

(C) a joint checking account;

(D) a lease for a residence identifying both domestic partners as tenants.

(4) Each partner identifies the other partner as a primary beneficiary in a will.

(e) "Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

13.4 Waste Ordinance Provisions. In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Landlord warrants and represents that it, and to the best of its knowledge, its Contractors and its subcontractors regarding the subject matter of this Lease ("Subcontractors"), have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Lease is executory, Landlord's, any general Contractor's or any Subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Lease, constitutes a breach of and an event of default under this Lease, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Commissioner of the Department of Fleet and Facility

Management. Such breach and default entitles the Tenant to all remedies under this Lease, at law or in equity. This section does not limit Landlord's, its general Contractors' and its Subcontractors' duty to comply with all applicable federal, state, county and municipal Laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Lease. Non-compliance with these terms and conditions may be used by the Tenant as grounds for the termination of this Lease, and may further affect the Landlord's eligibility for future contract awards.

13.5 Failure to Maintain Eligibility to do Business with Tenant. Failure by Landlord or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this Lease and the transactions contemplated thereby, Landlord shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

13.6 Cooperation with Inspector General and Legislative Inspector General. It is the duty of every officer, employee, department, agency, contractor, subcontractor, user of real property and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. Landlord understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago.

13.7 2014 Hiring Plan Prohibitions.

(i) The Tenant is subject to the June 16, 2014 "City of Chicago Hiring Plan", as amended (the "2014 City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the Tenant from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Landlord is aware that Tenant policy prohibits Tenant employees from directing any individual to apply for a position with Landlord, either as an employee or as a subcontractor, and from directing Landlord to hire any individual as an employee or as a subcontractor. Accordingly, Landlord must follow its own hiring and contracting procedures, without being influenced by Tenant or Tenant employees. Any and all personnel provided by Landlord under this Lease are employees or subcontractors of Landlord, not employees of the City of Chicago. This Lease is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the Tenant and any personnel provided by Landlord.

(iii) Landlord will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Lease, or offer employment to any individual to provide services under this Lease, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions,

promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Lease, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to Landlord by a Tenant employee or Tenant official in violation of paragraph (ii) above, or advocating a violation of paragraph (iii) above, Landlord will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the Tenant's Office of the Inspector General ("OIG Hiring Oversight"), and also to the head of the relevant Tenant department utilizing services provided under this Lease. Landlord will also cooperate with any inquiries by OIG Hiring Oversight.

The Landlord shall be responsible for all loss or damage personal property (including, but not limited to materials, equipment, tools and supplies), owned, rented or used by Landlord.

6.2 Other Terms of Insurance. Landlord will furnish the City of Chicago, Department of Fleet and Facility Management, Office of Real Estate Management, 30 North LaSalle Street, Suite 300, Chicago, Illinois 60602, original Certificates of Insurance evidencing the required coverage to be in force on the date of this Lease, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the Term. Landlord shall submit evidence of insurance prior to execution of Lease. The receipt of any certificate does not constitute agreement by Tenant that the insurance requirements in this Lease have been fully met or that the insurance policies indicated on the certificate are in compliance with all requirements in the Lease. The failure of Tenant to obtain certificates or other insurance evidence from Landlord shall not be deemed to be a waiver by Tenant and Landlord shall advise all insurers of the Lease provisions regarding insurance. Non-conforming insurance shall not relieve Landlord of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Lease and the Tenant retains the right to terminate or suspend the Lease until proper evidence of insurance is provided.

The Landlord shall provide for 60 days prior written notice to be given to the Tenant in the event coverage is substantially changed, cancelled, or non-renewed.

Any and all deductibles or self-insured retentions on referenced insurance coverages shall be borne by Landlord.

Landlord hereby grants to the City a waiver of any right of subrogation which any insurer of said Landlord may acquire against the City by virtue of the payment of any loss under the insurance. Landlord agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the City has received a waiver of subrogation endorsement from the insurer(s).

Landlord expressly understands and agrees that any coverages and limits furnished by Landlord shall in no way limit the Landlord's liabilities and responsibilities specified in this Lease or by law.

Landlord expressly understands and agrees that its insurance is primary and any insurance or self-insurance programs maintained by the City shall not contribute with insurance provided by Landlord.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Lease or any limitation placed on the indemnity in this Lease given as a matter of law.

If Landlord is a joint venture or limited liability company, the insurance policies shall name the joint venture or limited liability company as a named insured.

If Landlord maintains higher limits than the minimums shown above, the City requires and shall be entitled to coverage for the higher limits maintained by Landlord. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the City.

Notwithstanding any provision to the contrary, the City of Chicago, Department of Finance, Office of Risk Management, maintains the rights to modify, delete, alter or change these requirements at any time during the Term of Lease.

Any contract negotiated, entered into, or performed in

violation of any of the provisions of Chapter 2-156 shall be voidable in the sole discretion of the Tenant.

SECTION 9. HOLDING OVER

9.1 Holding Over. Landlord hereby represents and warrants that no violation by Landlord of Section 2-145-030 (b) has occurred with respect to this Lease or the transactions contemplated hereby.

14.2 Patriot Act Certification. Landlord represents and warrants that neither Landlord nor, to the best of Landlord's knowledge, any Affiliate (as hereafter defined) thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the Tenant may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. 14.3 Prohibition on Certain Contributions-Mayoral Executive Order No. 2011-4. Landlord agrees that Landlord, any person or entity who directly or indirectly has an ownership or beneficial interest in Landlord of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Landlord's contractors (i.e., any person or entity in direct contractual privity with Landlord regarding the subject matter of this Lease) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Landlord and all the other preceding classes of persons and entities are together the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (a) after execution of this Lease by Landlord, (b) while this Lease or any Other Contract (as hereinafter defined) is executory, (c) during the Term of this Lease or any Other Contract, or (d) during any period while an extension of this

Lease or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

Landlord represents and warrants that to the best of Landlord's knowledge from the later of (a) May 16, 2011, or (b) the date the Tenant approached Landlord, or the date Landlord approached the Tenant, as applicable, regarding the formulation of this Lease, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Landlord agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Landlord agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Notwithstanding anything to the contrary contained herein, Landlord agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this Lease or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Lease, and under any Other Contract for which no opportunity to cure will be granted, unless the Tenant, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the Tenant to all remedies (including, without limitation, termination for default) under this Lease, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Landlord intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the execution of this Lease, the Tenant may elect to decline to close the transaction contemplated by this Lease.

For purposes of this provision:

(a) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fundraising committee.

(b) "Other Contract" means any other agreement with the Tenant to which Landlord is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

(c) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

(d) Individuals are "domestic partners" if they satisfy the following criteria:

(i) they are each other's sole domestic partner, responsible for each other's common welfare; and

(ii) neither party is married; and

(iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(iv) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

(v) two of the following four conditions exist for the partners:

(1) The partners have been residing together for at least 12 months.

(2) The partners have common or joint ownership of a residence.

(3) The partners have at least two of the following arrangements:

(A) joint ownership of a motor vehicle;

(B) joint credit account;

(C) a joint checking account;

(D) a lease for a residence identifying both domestic partners as tenants.

(4) Each partner identifies the other partner as a primary beneficiary in a will.

(e) "Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

14.4 Waste Ordinance Provisions. In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Landlord warrants and represents that it, and to the best of its knowledge, its Contractors and its subcontractors regarding the subject matter of this Lease ("Subcontractors"), have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Lease is executory, Landlord's, any general Contractor's or any Subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Lease, constitutes a breach of and an event of default under this Lease, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Commissioner of the Department of Fleet and Facility Management. Such breach and default entitles the Tenant to all remedies under this Lease, at law or in equity. This section does not limit Landlord's, its general Contractors' and its Subcontractors' duty to comply with all applicable federal, state, county and municipal Laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Lease. Non-compliance with these terms and conditions may be used by the Tenant as

grounds for the termination of this Lease, and may further affect the Landlord's eligibility for future contract awards.

14.5 Failure to Maintain Eligibility to do Business with Tenant. Failure by Landlord or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this Lease and the transactions contemplated thereby, Landlord shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

14.6 Cooperation with Office of Inspector General and Legislative Inspector General. It is the duty of Landlord and any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a Tenant contract or program, and all officers, directors, agents, partners, and employees of any such grantee, subgrantee, bidder, proposer, contractor, subcontractor or such applicant to cooperate with the Legislative Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-55 of the Municipal Code, and to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. Landlord represents and warrants that it understands and will abide by all provisions of Chapter 2-55 and Chapter 2-56 of the Municipal Code and that Landlord will inform its Contractors and Subcontractors of this provision and include a provision requiring their compliance with such Chapters 2-55 and 2-56 in any written agreement between Landlord and its Contractors and Subcontractors.

14.7 2014 Hiring Plan Prohibitions.

(i) The Tenant is subject to the June 16, 2014 "City of Chicago Hiring Plan", as amended (the "2014 City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the Tenant from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Landlord is aware that Tenant policy prohibits Tenant employees from directing any individual to apply for a position with Landlord, either as an employee or as a subcontractor, and from directing Landlord to hire any individual as an employee or as a subcontractor. Accordingly, Landlord must follow its own hiring and contracting procedures, without being influenced by Tenant or Tenant employees. Any and all personnel provided by Landlord under this Lease are employees or subcontractors of Landlord, not employees of the City of Chicago. This Lease is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the Tenant and any personnel provided by Landlord.

(iii) Landlord will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Lease, or offer employment to any individual to provide services under this Lease, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership

in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Lease, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

LEASE

THIS LEASE is made and entered into this _____ day of _____, 2015 (the "Commencement Date") by and between, the **CITY OF CHICAGO,** an Illinois Municipal Corporation and Home Rule Unit of Government (the "Landlord" or "City"), and **CHRISTY WEBBER & COMPANY D/B/A CHRISTY WEBBER LANDSCAPES,** an Illinois corporation (the "Tenant") (both parties are sometimes collectively referred to as the "Parties").

RECITALS

NOW THEREFORE, in consideration of the covenants, terms and conditions set forth herein, the Parties hereto agree and covenant as follows:

SECTION 1. GRANT

Landlord hereby leases to Tenant, and Tenant hereby leases from Landlord, the following described premises situated in the City of Chicago, County of Cook, State of Illinois, to wit:

> Unit 201-A consisting of approximately 840 square feet of office space, as depicted on **Exhibit A** attached hereto, located on the second floor of the Chicago Center for Green Technology at 445 North Sacramento Boulevard, Chicago, Illinois (the "Premises").

SECTION 2. TERM

The term of this Lease ("Term") shall begin on the Commencement Date and shall end on June 30, 2016, unless sooner terminated as set forth in this Lease.

SECTION 3. RENT, TAXES AND UTILITIES

3.1 Rent. Tenant shall pay base rent for the Premises in the amount of One Thousand Eighty Four and 29/100 Dollars ($1,084.29) per month.

3.2 Utilities and Common Area Maintenance. Tenant shall be responsible for reimbursing Landlord for its share of utilities and common area maintenance ("CAM") expenses. Utilities shall include gas, electricity, water and sewer, and all other utilities used in or supplied to the Premises. Landlord maintains utility accounts in its name for utility services provided to the Building, but Tenant is responsible for reimbursing Landlord for a pro-rated share of utility expenses based on the square footage that Tenant occupies in the Building. Landlord also provides CAM to the Building and Tenant is responsible for reimbursing Landlord for a pro-rated share of CAM expenses. The utility and CAM reimbursements will be due to Landlord in monthly installments in addition to the base monthly rent. Tenant acknowledges and agrees that 2014 utilities and CAM equaled $2.82 per square foot on an annual basis, and that Tenant's pro-rated share equates to $2,368.80 per year ($197.40 per month) for the remainder of 2015. Tenant further acknowledges and agrees that, commencing January 1, 2016, the annual reimbursement for utilities and CAM will increase by three percent (3%), which equates to $2,438.86 per year ($203.32 per month).

Landlord shall not be responsible for providing telephone and/or telecommunications services to the Premises, and Tenant shall be responsible for directly contracting with telephone and telecommunications providers. Tenant shall pay when due all telephone and other telecommunications charges to the Premises.

3.3 Taxes. Tenant acknowledges that Premises are exempt from leasehold, real estate, and other property taxes. Tenant shall pay when due any leasehold, real estate, and other property taxes assessed or levied on the Premises where attributable to Tenant's use of the Premises. Tenant shall pay such amounts and Tenant shall provide Landlord with proof of such payment within ten (10) days of such payment. Tenant further acknowledges that real estate taxes are one (1) year in arrears in Cook County and that as a result Tenant shall be responsible for satisfaction of leasehold, real estate, and other property taxes assessed or levied on the Premises on account of Tenant's use for at least one year after Tenant vacates the Premises. Tenant's failure to pay any such taxes shall constitute a default under this Lease. Notwithstanding the foregoing, nothing herein shall preclude Tenant from contesting any charge or tax levied against the Premises. The failure of Tenant to pay such taxes during the pendency of the contest shall not constitute a default under this Lease. Tenant's tax responsibilities under this section shall survive the expiration, cancellation, or termination of this Lease.

3.4 Accord and Satisfaction. No payment by Tenant or receipt by Landlord of a lesser amount than any installment or payment of the rent or any amounts due hereunder shall be deemed to be other than on account of the amount due, and no endorsement of statement or any check or any letter accompanying any check or payment of rent shall be deemed an accord and satisfaction. Landlord may accept such check or payment without prejudice as to Landlord's

right to recover the balance of such installment or payment or to pursue any other remedies available to Landlord.

SECTION 4. CONDITION AND ENJOYMENT OF PREMISES, MAINTENANCE, USE, ALTERATIONS, AND PARKING

4.1 Covenant of Quiet Enjoyment. Landlord covenants and agrees that Tenant, upon paying the rent and upon observing and keeping the covenants, agreements, and conditions of this Lease on its part to be kept, observed, and performed, shall lawfully enjoy the Premises (subject to the provisions of this Lease) during the Term without hindrance or molestation by Landlord.

4.2 Tenant's Duty to Maintain Premises. Tenant shall, at Tenant's expense, keep the Premises in a condition of good repair and order, and in compliance with all applicable provisions of the Municipal Code of Chicago. If Tenant shall refuse or neglect to make needed repairs within thirty (30) days after written notice thereof sent by Landlord, unless such repair cannot be remedied by thirty (30) days, and Tenant shall have commenced and is diligently pursuing all necessary action to remedy such repair, Landlord, at Landlord's option, is authorized to either make such repairs and Tenant will promptly and within thirty (30) business days of demand reimburse Landlord for the reasonable cost thereof, or Landlord can immediately terminate this Lease by providing the Tenant with written notice thereof. Landlord shall have the right of access to the Premises for the purpose of inspecting and making repairs to the Premises, provided that, except in the case of emergencies, Landlord shall first give notice to Tenant of its desire to enter the Premises and will schedule its entry so as to minimize any interference with Tenant's use of the Premises.

4.3 Use of the Premises. The use of the Premises is restricted to general office uses (the "Use"). Tenant shall not use the Premises in a manner that would violate any law. Tenant further covenants not to do or suffer any waste or damage, and to comply in all respects with the laws, ordinances, orders, rules, regulations, and requirements of all federal, state and municipal governmental departments which may be applicable to the Premises or to the use or manner of use of the Premises. Tenant shall not cause disfigurement or injury to any building or improvement on the Premises, or to fixtures and equipment thereof. Tenant shall not use said Premises for political or religious activities.

4.4 Alterations, Additions, and Improvements. Tenant may not make any alterations, additions, or improvements to the Premises without the prior written approval of the Commissioner of the Department of Fleet and Facility. Landlord shall not be obligated to pay for any alterations, additions, or improvements to the Premises.

4.5 Parking. Tenant shall have shared access to six (6) on-site parking spaces.

SECTION 5. ASSIGNMENT, SUBLEASE AND LIENS

5.1 Assignment and Sublease. Tenant shall not assign this Lease in whole or in part, or sublet or license the Premises or any part thereof.

5.2 Tenant's Covenant against Encumbering Title. Tenant shall not do any act which shall in any way encumber the fee simple estate of Landlord in and to the Premises, nor shall the interest or estate of Landlord in the Premises be in any way subject to any claim by way of lien or encumbrance, whether by operation of law or by virtue of any express or implied contract by Tenant. Any claim to, or lien upon, the Premises arising from any act or omission of Tenant shall accrue only against the leasehold estate of Tenant and shall be subject to and subordinate to the paramount title and rights of Landlord in and to the Premises.

5.3 Tenant's Covenant against Liens. Tenant shall not permit the Premises to become subject to any mechanic's, laborer's, or materialmen's liens on account of labor or material furnished to Tenant or claimed to have been furnished to Tenant. In case of any such lien attaching, Tenant shall immediately pay and remove such lien or furnish security or indemnify Landlord in a manner satisfactory to Landlord in its sole discretion to protect Landlord against any defense or expense arising from such lien. Except during any period in which Tenant appeals any judgment or obtains a rehearing of any such lien, or in the event judgment is stayed, Tenant shall immediately pay any judgment rendered against Tenant, with all proper costs and charges, and shall have the lien released and any judgment satisfied. If Tenant fails to pay and remove any lien or contest such lien in accordance herewith, Landlord, at its election, may pay and satisfy same, and all sums so paid by Landlord shall become immediately due and payable by Tenant, with interest from the date of payment at the rate set at 12% per annum provided that such rate shall not be deemed usurious by any Federal, State, or Local law.

SECTION 6. AGENTS, INSURANCE AND INDEMNIFICATION

6.1 Tenant's Agents. This Lease extends to, and Tenant shall be responsible for, its agents, employees, contractors, subcontractors, consultants, invitees, guests, vendors, patrons and any other parties who enter the Premises at Tenant's direction or with Tenant's consent (collectively, "Agents"). Tenant shall be responsible for ensuring that all Agents comply with Tenant's obligations under this Lease, and non-compliance by any Agent shall be deemed to be non-compliance by Tenant. This Lease is subject to all easements, encroachments, covenants, restrictions of record and not shown of record, and any other title encumbrances or defects affecting the Premises. Tenant acknowledges that Landlord has not performed any title or survey work in connection with the negotiation and execution of this Lease and agrees that it is

Tenant's sole responsibility and obligation to confirm that the Use occurs solely within the portions of the Premises permitted by this Lease and on property owned by Landlord.

6.2 Insurance. Tenant shall procure and maintain at all times, at Tenant's own expense, during the Term, the insurance coverages and requirements specified below, insuring all operations related to the Lease. The kind and amounts of insurance required are as follows:

(a) Worker's Compensation and Employer's Liability. Workers Compensation as prescribed by applicable law, covering all employees who are to provide a service under this Lease, and Employer's Liability Insurance with limits of not less than $500,000 each accident, illness or disease.

(b) Commercial General Liability (Primary and Umbrella). Commercial General Liability Insurance or equivalent, with limits of not less than $1,000,000 per occurrence, for bodily injury, personal injury, and property damage liability. Coverage shall include the following: All premises and operations, products/completed operations, defense, separation of insureds, and contractual liability (not to include Endorsement CG 21 39 or equivalent).

The City of Chicago shall be named as an additional insured under the policy. Such additional insured coverage shall be provided on CG 20 10 or on a similar additional insured form acceptable to the City. The additional insured coverage shall not have any limiting endorsements or language under the policy such as but not limited to, Tenant's sole negligence or the Additional Insured's vicarious liability. Tenant's liability insurance shall be primary without right of contribution by any other insurance or self-insurance maintained by or available to the City.

(c) Automobile Liability Insurance (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with the Lease, Tenant shall provide and maintain Automobile Liability Insurance with limits of not less than $1,000,000 per occurrence for bodily injury and property damage. The City of Chicago shall be named as an additional insured on a primary, non-contributory basis.

(d) All Risk Property. The Tenant shall be responsible for all loss or damage to personal property (including, but not limited to materials, equipment, tools and supplies), owned, rented or used by Tenant.

6.3 Other Terms of Insurance. Tenant will furnish the City of Chicago, Department of Fleet and Facility Management, Office of Real Estate Management, 30 North LaSalle Street, Suite 300, Chicago, Illinois 60602, original Certificates of Insurance evidencing the required coverage to be in force on the date of this Lease, and Renewal Certificates of Insurance, or such

similar evidence, if the coverages have an expiration or renewal date occurring during the Term. Tenant shall submit evidence of insurance prior to execution of Lease. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in this Lease have been fully met or that the insurance policies indicated on the certificate are in compliance with all requirements in the Lease have been fully met or that the insurance policies indicated on the certificate are in compliance with all Lease requirements. The failure of the City to obtain certificates or other insurance evidence from Tenant shall not be deemed to be a waiver by the City. Tenant shall advise all insurers of the Lease provision regarding insurance. Non-conforming insurance shall not relieve Tenant of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Lease and the City retains the right to terminate or suspend the Lease until proper evidence of insurance is provided.

The Tenant shall provide for 60 days prior written notice to be given to the City in the event coverage is substantially changed, cancelled, or non-renewed.

Any and all deductibles or self-insured retentions on referenced insurance coverages shall be borne by Tenant.

Tenant hereby grants to the City a waiver of any right of subrogation which any insurer of said Tenant may acquire against the City by virtue of the payment of any loss under the insurance. Tenant agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the City has received a waiver of subrogation endorsement from the insurer(s).

Tenant expressly understands and agrees that any coverages and limits furnished by Tenant shall in no way limit the Tenant's liabilities and responsibilities specified in this Lease or by law.

Tenant expressly understands and agrees that its insurance is primary and any insurance or self-insurance programs maintained by the City shall not contribute with insurance provided by Tenant.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Lease or any limitation placed on the indemnity in this Lease given as a matter of law.

If Tenant maintains higher limits than the minimums shown above, the City requires and shall be entitled to coverage for the higher limits maintained by Tenant. Any available insurance

proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the City.

Notwithstanding any provision to the contrary, the City of Chicago, Department of Finance, Office of Risk Management, maintains the rights to modify, delete, alter or change these requirements at any time during the Term of Lease.

6.4 Tenant's Indemnification. Tenant shall indemnify, defend (through an attorney reasonably acceptable to Landlord) and hold the Landlord, its officers, officials, employees, agents and representatives (collectively, the "City Parties"), harmless from and against any and all actions, claims, suits, complaints, demands, legal or administrative proceedings, losses, damages, debts, liens, obligations, liabilities, judgments, amounts paid in settlement, arbitration or mediation awards, interest, fines, penalties, costs and expenses (including, without limitation, attorneys' fees, consultants' fees and court costs) (collectively, "Claims"), of whatsoever kind and nature, including without limitation, any and all environmental Claims, made or asserted by any third parties for injury, including personal injury or death of any person or persons, and for loss or damage to any property, occurring in connection with, or in any way arising out of or incident to (a) any and all acts, alleged acts or omissions of Tenant, its Agents or any other person entering the Premises during the Term and (b) any entry upon or use of the Premises or performance of the Use by or on behalf of Tenant, its Agents or any other person entering the Premises during the Term and (c) the failure of Tenant or its Agents to pay contractors, subcontractors or material suppliers in connection with this Lease. The indemnification provided herein will be effective to the maximum extent permitted by Law and is not limited by any amount of insurance required under this Lease.

Tenant shall be solely responsible for the defense of any and all Claims against the City Parties, including without limitation, claims by any Agents of Tenant, even though the claimants may allege negligence or intentional and willful misconduct on the part of the City Parties. Landlord shall have the right, at its sole option, to participate in the defense of any such Claims, without relieving Tenant of its obligations hereunder.

Tenant shall promptly provide, or cause to be provided, to the City of Chicago, Department of Law, at 121 North LaSalle Street, Room 600, Chicago, Illinois 60602, copies of such notices as Tenant may receive of any Claims for which the City Parties are entitled to indemnification hereunder and to give the City Parties authority, information, and assistance for the defense of any such Claims.

SECTION 11. TENANT DISCLOSURES AND REPRESENTATIONS

11.1 Business Relationships. Tenant acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (B) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City

Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (C) notwithstanding anything to the contrary contained in this Lease, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Lease shall be grounds for termination of this Lease and the transactions contemplated hereby. Tenant hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Lease or the transactions contemplated hereby.

11.2 Patriot Act Certification. Tenant represents and warrants that neither Tenant nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment, the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to Tenant that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Tenant, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

11.3 Prohibition on Certain Contributions-Mayoral Executive Order No. 2011-4. Tenant agrees that Tenant, any person or entity who directly or indirectly has an ownership or beneficial interest in Tenant of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Tenant's contractors (i.e., any person or entity in direct contractual privity with Tenant regarding the subject matter of this Lease) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Tenant and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (i) after execution of this Lease by Tenant, (ii) while this Lease or any Other Contract is executory, (iii) during the Term of this Lease or any Other Contract between Tenant and the City, or (iv) during any period while an extension of this Lease or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

Tenant represents and warrants that from the date the City approached the Tenant or the date Tenant approached the City, as applicable, regarding the formulation of this Lease, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Tenant agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Tenant agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Notwithstanding anything to the contrary contained herein, Tenant agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Lease, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Lease, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Tenant intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the execution of this Lease, the City may elect to decline to lease the Premises to Tenant or to terminate the Lease after execution.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source which are then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Tenant is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

(A) they are each other's sole domestic partner, responsible for each other's common welfare; and
(B) neither party is married; and

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

11.4 Waste Ordinance Provisions. In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Tenant warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Lease is executory, Tenant's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Lease, constitutes a breach of and an event of default under this Lease, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Commissioner of the Department of Planning and Development. Such breach and default entitles the City to all remedies under the Lease, at law or in equity. This section does not limit Tenant's, general

contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Lease. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Lease, and may further affect the Tenant's eligibility for future contract awards.

11.5 Failure to Maintain Eligibility to do Business with City. Failure by Tenant or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this Lease and the transactions contemplated thereby. Tenant shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

11.6 Cooperation with Inspector General and Legislative Inspector General. It is the duty of every officer, employee, department, agency, contractor, subcontractor, user of real property and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. Tenant understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago.

11.7 2014 Hiring Plan Prohibitions.

1. The City is subject to the June 16, 2014 "City of Chicago Hiring Plan", as amended (the "2014 City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

2. Tenant is aware that City policy prohibits City employees from directing any individual to apply for a position with Tenant, either as an employee or as a subcontractor, and from directing Tenant to hire any individual as an employee or as a subcontractor. Accordingly, Tenant must follow its own hiring and contracting procedures, without being influenced by the City or City employees. Any and all personnel provided by Tenant under this Lease are employees or subcontractors of Tenant, not employees of the City of Chicago. This Lease is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Tenant.

3. Tenant will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Lease, or offer employment to any individual to provide services under this Lease, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions,

promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Lease, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

4. In the event of any communication to Tenant by a City employee or City official in violation of paragraph 2 above, or advocating a violation of paragraph 3 above, Tenant will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("OIG Hiring Oversight"), and also to the head of the relevant City department utilizing services provided under this Lease. Tenant will also cooperate with any inquiries by OIG Hiring Oversight.

ARTICLE 4

Impositions

4.01 Payment. Throughout the Term, subject to the provisions of Section 4.04, Tenant shall pay or cause to be paid, as and when the same become due, all Impositions, except that:

(a) All Impositions attributable on the accrual basis to a calendar year or other period for which this Lease is in effect for less than the entire calendar year or other period shall be equitably apportioned (taking into account that Landlord may be entitled to exemptions or abatements) consistent with the time a party hereto held its respective interests in the Real Estate and Improvements;

(c) Where any Imposition is entitled to an abatement, refund, exemption or other diminution or reduction under law, whether available to Landlord or Tenant, the parties shall use their best efforts, at Tenant's sole expense, to cause such benefits to be afforded to Tenant under this Lease.

4.02 Deposit of Impositions.

Further, upon the occurrence of any Event of Default, Tenant shall deposit, at least thirty (30) days prior to the due date of any Imposition, such additional amount as may be necessary to provide Landlord with sufficient funds in such deposit account to pay each such Imposition and annual insurance premium at least thirty (30) days in advance of the due date thereof. If, at any time, the amount of any Imposition or insurance premium is increased or Landlord receives reliable information from a Governmental Authority or insurer, as applicable, that an Imposition or insurance premium will be increased, and if the monthly deposits then being made by Tenant for such item (if continued) would not produce a fund sufficient to pay such item thirty (30) days prior to its due date, such monthly deposits shall thereupon be increased and Tenant shall deposit with Landlord, on demand by Landlord,

additional sums in an amount which, when added to the monies then on hand for the payment of said item plus the increased one-twelfth (1/12) payments, shall be sufficient to pay such item at least thirty (30) days before the same becomes due and payable. This Section 4.02(b) shall not apply to any Leasehold Mortgagee (or any nominee of a Leasehold Mortgagee) that becomes Tenant hereunder through foreclosure or transfer by deed in lieu of foreclosure unless: (i) the Event of Default arises after such Leasehold Mortgagee becomes Tenant hereunder; or (ii) the Event of Default arises prior to such Leasehold Mortgagee becoming Tenant hereunder and such Event of Default is not an Incurable Default and is an Event of Default that such Leasehold Mortgagee is obligated to cure under the provisions of this Lease, and such Leasehold Mortgagee fails to commence or cure such Event of Default within the time and in the manner required by this Lease.

4.03 Contest of Impositions. Tenant may, if it desires, contest the validity or amount of any Imposition, in whole or in part, by an appropriate proceeding diligently conducted in good faith. Nothing herein contained, however, shall be construed as to allow such Imposition to remain unpaid for such length of time as shall permit the Property, or any part thereof, or the lien thereon created by such Imposition, to be sold or forfeited for the nonpayment of the same. If the amount so deposited as aforesaid shall exceed the amount of such Imposition, interest and penalties when finally fixed and determined, the excess (or the entire amount if no such payment is required) shall be released from the escrow to Tenant, or in case there shall be a deficiency, the amount of such deficiency shall be forthwith paid by Tenant.

4.04 Reduction of Impositions. Tenant, at its expense, may, if it shall so desire, endeavor at any time or times, upon prior written notice to Landlord, to obtain a lowering of the assessed valuation upon the Real Estate or the Property for the purpose of reducing taxes thereon and, in such event, Landlord will offer no objection and, at the request of Tenant, will cooperate with Tenant, but without expense to Landlord, in effecting such a reduction. Tenant shall be authorized to collect any tax refund payable as a result of any proceeding Tenant may institute for that purpose and any such tax refund shall be the property of Tenant to the extent to which it may be based on a payment made by Tenant, subject, however, to the apportionment provisions contained in Section 4.01, after deducting from such refund the costs and expenses, including legal fees, incurred in connection with obtaining such refund.

Landlord shall not be required to join in any action or proceeding referred to in Sections 4.03 or 4.04 unless required by law or any rule or regulation in order to make such action or proceeding effective, in which event, any such action or proceeding may be taken by Tenant in the name of, but without expense to, Landlord. Notwithstanding the foregoing, Landlord shall execute, when and as required and requested to do so by Tenant in writing, all applications, affidavits and other documents required to obtain or maintain any tax abatement or exemption which may be available. Landlord acknowledges

that Tenant intends to pursue a charitable property tax exemption ("Charitable Tax Exemption") in accordance with 35 ILCS 200/15-65 and 86 Ill. Admin. Code Part 110.116. Notwithstanding the foregoing, the Tenant shall be liable to pay all Impositions not abated or exempted through any Governmental Authority processes. Tenant hereby agrees to indemnify, defend and hold Landlord's Protected Persons harmless from and against all costs, expenses, claims, loss or damage, including reasonable attorney's fees, by reason of, in connection with, on account of, growing out of, or resulting from, any such action or proceeding.

Upon receipt of such notices, the Cook County Assessor's Office may either (i) continue the existing PIN assigned to the Leasehold Estate and certain other leased property, or (ii) create a new PIN for the Leasehold Estate in accordance with 35 ILCS 200/9-195. Should the Cook County Assessor's Office not create a new PIN for the Leasehold Estate or if the PIN for the Leasehold Estate continues to apply to other leased property, then to the extent required by applicable law, Tenant shall, with the cooperation of Landlord and within one hundred eighty (180) days of the Commencement Date, file or cause to be filed a petition for a real estate tax division segregating (a) the Landlord's fee interest in the Real Estate from Tenant's Leasehold Estate and Tenant's interest in the Tenant Improvements, (b) the Real Estate from land owned by Landlord other than the Real Estate ("Other Land"), and (c) the Tenant's Leasehold Estate from other leasehold estates created on Other Land within the Campus, such that new, separate tax parcel designations are assigned to the Real Estate and the Tenant Property (and excluding the Other Land and any other leasehold estates created on the Other Land). Until such tax parcel redesignation occurs, Tenant agrees to pay or cause to be paid, when due (or, if paid by Landlord, to reimburse Landlord upon demand for) any property taxes attributable to the Real Estate, or any portion thereof, and any Improvements thereon that are taxed as part of a shared tax parcel. Landlord or Tenant may, if either shall so desire, contest the validity or amount of any such taxes, in whole or in part, by an appropriate proceeding diligently conducted in good faith. Landlord hereby grants Tenant, during the Term: (i) a non-exclusive permanent easement for vehicular and pedestrian access, both ingress and egress, through the Prete Access Easement Area; (ii) a non-exclusive permanent easement for a right of access from the 5801 N. Pulaski Road entrance to the Campus to the Development over those sidewalks, paved roadways, and streets depicted in Exhibit H (ALTA Survey), whether now existing (or, to the extent consented to by Landlord at a future date, hereafter existing, including the forthcoming Driveway Extension), for the purpose of ingress and egress, by vehicle and by foot, to and from the Real Estate; (iii) a temporary construction easement over those portions of the Campus depicted in Exhibit H (ALTA Survey) as may be reasonably necessary to construct the Tenant Improvements and Driveway Extension and renovate the Prete Access Easement Area in accordance with the Plans and Specifications and, after such initial construction, to perform such maintenance as may be reasonably required from time to time. Landlord and Tenant agree to cooperate in limiting and locating the easement interests granted in clauses (i), (ii), and (iii) after the date of the Lease, and to execute and record such additional documents as may be necessary or appropriate to memorialize the final location of such easement interests. Tenant will use reasonable efforts to return the Campus to nearly the same condition as it existed prior to any construction, maintenance and repairs.

Landlord will also grant any non-exclusive utility easement that may be required by a public or private utility in order to provide utility service to the Property across, under or through Other Land.

5.07 Easement Grant by Tenant. Upon execution of this Lease and pursuant to this Section 5.07, the Tenant, to the extent of its Leasehold Estate, does hereby subject the Tenant Property to the easements set forth in the next paragraph of this Section 5.07, which shall be deemed to be covenants appurtenant, running with the land, and shall at all times inure to the benefit of and be binding on any person or entity having at any time any interest or estate in any part of the Tenant Property or the applicable portion of the Campus during the Term of the Lease.

ARTICLE 6

Use, Maintenance, Alterations, Repairs, Etc.

6.01 Condition of Real Estate and Property. Tenant has leased the Real Estate and Improvements after a full and complete examination thereof, the Landlord's title thereto and its present uses and restrictions, and, except for Excluded Environmental Conditions, Tenant accepts the same without any representation or warranty, express or implied, in fact or by law, by Landlord and without recourse to Landlord as to the title thereto, the nature, condition or usability thereof or the use or uses to which the Property or any part thereof may be put; provided, however, that upon the commencement of this Lease, title to the Real Estate shall be subject only to the Permitted Exceptions. Except for Excluded Environmental Conditions, Landlord shall not be required to furnish any services or facilities or to make any repairs or alterations in or to the Property, throughout the Term. Other than the obligations of Landlord under this Section 6.01, Tenant hereby assumes the full and sole responsibility for the condition, operation, repair, replacement, maintenance and management of the Real Estate and Improvements.

6.02 Utilities. The Tenant, at the Tenant's sole costs and expense, shall install and connect the Tenant Utilities, in accordance with the Plans and Specifications. The Tenant Utilities shall be for the exclusive use of Tenant. Tenant, at its sole cost, shall maintain and repair the Tenant Utilities. Tenant shall pay when due all charges for water, gas, electricity, light, heat, and telephone or other communication service, and all other Utility services used in or supplied to the Real Estate.

6.03 Use of Tenant Property. The Tenant Property shall be used and occupied only for multi-family senior housing uses consistent with the Housing Act, and for uses incidental thereto and for no other purpose, unless Landlord has consented in writing to such other use, which consent may be granted, withheld or granted with such conditions as Landlord may require, in Landlord's sole and absolute discretion. At all times during which this Lease is in effect, the Tenant shall manage the Real Estate and Development in accordance with the terms of the Property Management Agreement, in the form attached hereto as Exhibit K, provided that all subsequent amendments thereto and any replacement property management agreement thereof shall be acceptable to Landlord and the First Leasehold Mortgagee. Notwithstanding anything to the contrary contained in this Lease, Landlord may not terminate this Lease by reason of an act or omission of an occupant of one of the affordable units in the Building, unless such act or omission results in a condition or circumstance that also constitutes an Event of Default under this Lease. Tenant shall promptly and diligently take all reasonable steps, in accordance with the provisions of such sub-tenant's lease and applicable Requirements, to evict a sub-tenant who materially violates any material provision of his or her lease.

6.04 Prohibited Use. Tenant shall not use or occupy the Property or permit the same to be used or occupied, in a manner that would (a) materially violate any construction permit or certificate of occupancy affecting the Property or any Requirement, (b) make void or voidable any insurance then in force, or make it impossible to obtain fire or other insurance required to be furnished by Tenant hereunder, (c) cause or be apt to cause structural injury to the Property, or any part thereof, or (d) materially violate any material provision of this Lease; provided, however, that the foregoing shall not impose any obligation on Tenant with respect to any Excluded Environmental Condition.

6.05 Maintenance of Property and Tenant Property. Subject to Section 8.01, Tenant shall make all necessary repairs to and replacements of the Improvements and Tenant Improvements, whether interior or exterior, structural or nonstructural, ordinary or extraordinary, and foreseen or unforeseen, and shall maintain and keep the Improvements and Tenant Improvements in good and safe order, repair and condition and in compliance with all applicable provisions of the Municipal Code of the City, including but not limited to those provisions in Title 13 ("Building and Construction"), Title 14 ("Electrical Equipment and Installation"), Title 15 ("Fire Prevention") and all applicable landscape ordinances. Tenant covenants and agrees that throughout the Term all building systems, facilities and equipment, including HVAC systems, common area lighting and the like, shall be maintained in good operating order and repair. Tenant shall indemnify, defend and hold Landlord's Protected Persons harmless from and against any and all claims and demands arising from the failure of Tenant to perform the covenants contained herein or arising from any accident, injury or damage to any person or property that shall or may happen in or upon the Property or Tenant Property, or any part thereof, however caused, other than Landlord's willful misconduct or any Excluded Environmental Condition, and shall keep the Property and Tenant Property free and clear of any and all mechanics' liens or other similar liens or charges incidental to work done or material supplied in or about the Property and Tenant Property subject to the provisions in Section 4.03 providing for contest of such liens.

6.06 Waste. Tenant shall not do, permit or suffer any waste, damage, disfigurement or injury to or upon the Property or Tenant Property, or any part thereof, without repairing the same within a reasonable period of time. Tenant shall have the right at any time and from time to time to sell or dispose of any equipment or fixtures subject to this Lease that may have become obsolete or unfit for use or that is no longer useful, necessary or profitable in the conduct of Tenant's business; provided, however, that Tenant shall have substituted or shall promptly substitute for the property so removed from the Property other equipment or fixtures at least of equal quality and utility in the performance of the particular function in question as that of the property so removed unless, in Tenant's reasonable opinion set forth in written notice to Landlord, the property so removed was performing an obsolete function and replacement thereof is not necessary or appropriate to maintain the operation or character of the Property or Tenant Property, or the use and occupancy by residents and licensees of the Tenant Property or its overall value without impairment.

6.07 Compliance with Requirements. Except for Excluded Environmental Conditions, Tenant shall comply, at its own expense, with all Requirements during the Term and with the reasonable requests of any insurance company having a policy outstanding with respect to the Property or Tenant Property, or any part thereof, whether or not such Requirements or requests require the making of structural alterations or the use or application of portions of the Property or Tenant Property, for compliance therewith, or interfere with the use and enjoyment of the Property or Tenant Property, and shall indemnify, defend and hold harmless Landlord's Protected Persons from and against all fines, penalties, and claims for damages of every kind and nature arising out of any failure to comply with any such Requirement or request. It is the intention of the parties that Tenant during the Term shall discharge and perform all obligations of Landlord, as well as all obligations of Tenant arising as aforesaid, and hold harmless Landlord's Protected Persons therefrom (except for Excluded Environmental Conditions), so that at all times the Rent shall be net to Landlord without deductions or expenses on account of any such Requirement or request, whatever it may be. Tenant may, in good faith upon prior written notice to Landlord (and wherever necessary, in the name of, but without expense to, Landlord) and receipt of Landlord's written consent, which shall be in Landlord's sole discretion, and after having secured Landlord to its reasonable

satisfaction against loss or damage, by cash or by a letter of credit or surety bond in an amount, with an issuer or surety, and in form and substance reasonably satisfactory to Landlord, contest the validity of any such Requirement (other than City requirements) and, pending the determination of such contest, may postpone compliance therewith, provided that in no event shall such contest or postponement: (i) subject Landlord, the Property, Tenant Property, other buildings or the Campus to any fine or penalty or to prosecution for a crime; (ii) cause the Property and Tenant Property, or any part thereof, to be condemned or to be vacated; or (iii) cause any material interference with the operation of the Property or Tenant Property for the purposes set forth in Section 6.03 or the occupancy, use, benefit and enjoyment thereof by any sub-tenant of the Development.

6.08 Exculpation of Landlord. Except as otherwise set forth in the Lease, Landlord shall not be responsible or liable for any destruction, damage or injury to any property or to any person or persons at any time on the Property or Tenant Property resulting from any casualty, occurrence or condition occurring or existing during the Term of this Lease (except for Excluded Environmental Conditions), including without limitation those from steam, gas or electricity, or from water, rain or snow, whether the same may leak into, issue or flow from or within any part of the Property or Tenant Property or from the pipes or plumbing of the same, or from any other place or quarter; nor shall Landlord be in any way responsible or liable in case of any accident or injury (including death) to any of Tenant's subtenants, employees or agents, or to any person or persons in or about the Property or Tenant Property or the streets, driveways, sidewalks, parkways or alleys adjacent thereto; and Tenant agrees that it will not hold Landlord in any way responsible or liable therefor (except for actions caused by Landlord's willful misconduct) and will further indemnify, defend and hold Landlord's Protected Persons harmless from and against any and all claims, liability, penalties, damages, expenses and judgments arising from injury to persons or property of any nature and also for any matter or thing arising out of or resulting as a direct or indirect consequence from the use or occupancy of the Property or Tenant Property; provided, however, that the foregoing obligations shall not apply to Excluded Environmental Conditions.

6.09 Exculpation of Leasehold Mortgagee. Until any Leasehold Mortgagee becomes a mortgagee in possession or the tenant under a new lease, no Leasehold Mortgagee shall, except to the extent of the gross negligence or willful misconduct of such Leasehold Mortgagee, its agents and employees on or about the Land be responsible or liable for any destruction, damage or injury to any property or to any person or persons at any time on the Property or Tenant Property resulting from any casualty, occurrence or condition occurring or existing during the Term of this Lease, including without limitation those from steam, gas or electricity, or from water, rain or snow, whether the same may leak into, issue or flow from or within any part of the Property or Tenant Property or from the pipes or plumbing of the same, or from any other place or quarter; nor shall any Leasehold Mortgagee be in any way responsible or liable in case of any accident or injury (including death) to any of Tenant's subtenants, employees or agents, or to any person or persons in or about the Property or Tenant Property or the sidewalks, parkways, and parking areas adjacent thereto.

6.10 Landlord's Right of Entry. Landlord shall have the right, upon reasonable advance notice to Tenant and sub-tenants, when appropriate, on any business day, to enter upon the Property or Tenant Property, for the purpose of ascertaining the condition thereof, or whether Tenant is observing and performing the obligations assumed by it under this Lease, or to make any repairs or perform any work, all without hindrance or molestation from Tenant, or anyone claiming by, through or under Tenant, whether as subtenant or otherwise. The above mentioned rights of entry shall be exercisable at reasonable times, at reasonable hours and on

reasonable advance notice; provided, however, that entry may be made at any time without notice in the event of an emergency (although Landlord shall endeavor to give Tenant prior notice thereof). Nothing contained herein, however, shall impose or imply any duty on the part of Landlord to make any such repairs or perform any such work.

6.11 No Liens. Notice is hereby given that Landlord shall not be liable for any labor or materials furnished or to be furnished to Tenant upon credit, and that no mechanics' or other lien for any such labor or material shall attach to or affect the estate or interest of Landlord in and to the Property, the Tenant Property (as applicable) or any part thereof.

6.12 Snow Removal. Tenant shall provide and pay for prompt removal of snow and ice from parking lots which serve and sidewalks that abut or lead to the Property and Tenant Property and shall assume total responsibility for failure to do so. Tenant acknowledges that Landlord shall have no snow or ice removal duties with respect to such parking lots or sidewalks or the Development.

6.13 No Other Rights. This Lease does not give Tenant any other right with respect to the Campus. Any rights not specifically granted to Tenant by and through this Lease are reserved exclusively to Landlord. Execution of this Lease does not obligate Landlord to perform any additional duties or services except as expressly set forth in this document.

6.14 Economic Disclosure Statement Affidavit ("EDS") Updates. Throughout the Lease Term, Tenant shall provide Landlord with any material updates to the information previously submitted in Tenant's Economic Disclosure Statement Affidavit ("EDS"). Landlord may also request such updates from time to time. Failure to provide such information on a timely basis shall constitute a default under this Lease.

6.15 Permits. For any activity which Tenant desires to conduct on the Real Estate in which a license or permit is required, said license or permit must be obtained by Tenant prior to using the Property or Tenant Property for such activity. The City, through its Department of Planning and Development and Department of General Services, must be notified of any such license or permit. Failure to obtain a required license or permit shall constitute a default under this Lease.

6.16 Security. Tenant acknowledges that Landlord shall have no security obligations relative to Tenant's use of the Property or Tenant Property. Tenant shall assume responsibility for properly securing the Property or Tenant Property.

6.17 Repairs for Tenant Negligence, Vandalism, or Misuse. Tenant shall assume all responsibility for any repairs to any portion of the Property, Tenant Property or Development necessitated by the negligence, vandalism, misuse, or other acts of Tenant, or Tenant's contractors, licensees, invitees, or agents, or third parties.

ARTICLE 7

Insurance

7.01 Maintenance of Insurance. During the Term, Tenant shall, at its sole expense, obtain and maintain, or cause to be obtained and maintained policies of insurance satisfying the requirements set forth on Exhibit I.

7.02 Form of Policies. Except as provided in Section 8.02, any policies of insurance covering the Development during construction, shall expressly provide that any losses thereunder shall be adjusted with Tenant and all Leasehold Mortgagees as their interests may appear (or, absent any Leasehold Mortgagees, with Landlord). All such insurance shall be carried in the name of Tenant and loss thereunder shall be payable to Tenant and the Leasehold Mortgagees, if any, and Landlord, as their respective interests may appear.

7.03 Evidence of Insurance and Payment. Upon the execution and delivery of this Lease, and thereafter not later than fifteen (15) days prior to the expiration date of an expiring policy theretofore furnished pursuant to this Article, certificates of insurance evidencing the required coverages, bearing notations evidencing the payment of premiums or accompanied by other evidence satisfactory to Landlord of such payment, shall be delivered by Tenant to Landlord. Upon request from Landlord, Tenant shall deliver to Landlord duplicate originals or certified copies of the policies required by this Article 7.

7.04 Separate Insurance. Tenant shall not obtain separate insurance concurrent in form or contributing in the event of loss with that required in this Article to be furnished by or that may reasonably be required to be furnished by Tenant unless Landlord is included therein as an additional insured, with loss payable as required in this Lease. Tenant shall immediately notify Landlord of the obtaining of any such separate insurance and shall deliver duplicate originals or certified copies of the policy or policies so obtained as provided in Section 7.03.

7.05 Cancellation. Each policy of insurance delivered hereunder shall contain an agreement by the insurer that such policy shall not be cancelled or materially altered without at least thirty (30) days' prior written notice given to Landlord and to each Leasehold Mortgagee named in such policy.

ARTICLE 8

Damage and Restoration

8.01 Damage or Destruction.

(a) In the event of any damage to or destruction of the Improvements during the Term, Tenant shall give Landlord immediate notice thereof and, unless the Insurance Proceeds are applied by a Leasehold Mortgagee to reduce its debt in accordance with Section 8.05, Tenant shall promptly and diligently restore, replace, rebuild and repair the same as nearly as possible to their value, condition and character immediately prior to such damage or destruction, in accordance with the following provisions of this Article 8. Landlord shall have no duty to restore, replace, rebuild or repair the Property or Tenant Property, as applicable, or any portion thereof, or to pay any of the costs or expenses thereof. All work in connection with such restoration, replacement, rebuilding and repairing, including all temporary repairs to the Property or Tenant Property, as applicable, or repairs made for the protection of the Property or Tenant Property, as applicable, pending the completion of the permanent restoration, replacement, rebuilding and repairing, is hereinafter collectively referred to as "Full Restoration." In the event of any damage to or destruction of the Improvements or Tenant Improvements occurring during the Term, Tenant shall, upon demand, deposit with the First Leasehold Mortgagee (or, if none, with Landlord), or into the Restoration Escrow (as hereinafter defined), the amount of any applicable deductible or self-insurance (the "Deductible"). If the Net Insurance Proceeds (as that term is hereinafter defined) available for a particular Restoration (as hereinafter defined) plus the amount of the Deductible, are

insufficient to accomplish the Full Restoration, then Landlord may terminate this Lease with respect to the portion of Real Estate on which such damaged or destroyed Improvements or Tenant Improvements, as applicable, were situated by written notice to Tenant and all Leasehold Mortgagees, unless: (1) within ninety (90) days after the amount of Net Insurance Proceeds has been determined, Tenant deposits with the First Leasehold Mortgagee (or, if none, with Landlord) cash, a letter of credit and/or evidence satisfactory to the First Leasehold Mortgagee (or, if none, to Landlord) of the availability of funds (from a loan or otherwise) in an amount equal to the Restoration Deficiency (as hereinafter defined); or (2) within ninety (90) days after the expiration of said 90-day period, any one or more of the Leasehold Mortgagees and/or any other Person so deposits the Restoration Deficiency with the First Leasehold Mortgagee (or, if none, with Landlord) or into the Restoration Escrow; or (3) within one hundred eighty (180) days after the amount of Net Insurance Proceeds has been determined, the First Leasehold Mortgagee agrees to a Partial Restoration and agrees to make the Net Insurance Proceeds available for such Restoration; or (4) at least one Leasehold Mortgagee is diligently proceeding to obtain such insurance proceeds and, if applicable, to exercise its rights with respect to the Restoration; provided, however, that the foregoing prohibition against termination shall no longer be applicable when the First Leasehold Mortgagee elects to apply such insurance proceeds to repay outstanding debt in lieu of Restoration. The First Leasehold Mortgagee shall consult with the other Leasehold Mortgagees with respect to the application of the Net Insurance Proceeds; provided however that in the event of any disagreement between the First Leasehold Mortgagee and the other Leasehold Mortgagees over the application of the Net Insurance Proceeds, the decision of the First Leasehold Mortgagee, in its sole discretion, shall prevail, subject to Section 8.01(c). The Full Restoration or Partial Restoration, as applicable, is hereinafter referred to as the "Restoration". As used herein, the term "Restoration Deficiency" shall mean additional funds in an amount sufficient, when added to the Net Insurance Proceeds available for a Restoration plus the Deductible, to complete such Restoration. If this Lease is terminated pursuant to this Section 8.01(a), with respect to a portion of the Real Estate only then, at the option of Landlord, Tenant shall, at Tenant's sole expense, demolish and/or remove such of the Improvements or Tenant Improvements, as applicable, on such portion of the Real Estate as are designated by Landlord, provided that, if the costs of such demolition and removal exceed the Deductible, sufficient Net Insurance Proceeds are made available to Tenant for that purpose.

(b) Landlord shall use reasonable efforts to demolish and remove all structures that are not part of the Property, at its cost, as required for the Full or Partial Restoration of the Property. Landlord shall use all reasonable efforts to cause such demolition and removal to occur without delay or interference with the Partial or Full Restoration.

(c) The determination of whether the Proceeds are sufficient for a Full Restoration and that such Full Restoration is feasible, shall be reasonably made by the First Leasehold Mortgagee in accordance with the requirements of the First Leasehold Mortgage (or, if there is no First Leasehold Mortgagee, by Landlord). The First Leasehold Mortgagee shall consult with the other Leasehold Mortgagees with respect to application of Net Insurance Proceeds; provided however that in the event of any disagreement between the First Leasehold Mortgagee and the other Leasehold Mortgagees over the application of Net Insurance Proceeds, the determination of the First Leasehold Mortgagee, in its sole discretion, shall prevail. If there is to be a Restoration, all Proceeds shall be deposited in a construction disbursement escrow among the First Leasehold Mortgagee, the Second Leasehold Mortgagee, Landlord and Tenant and a mutually acceptable title company (the "Restoration Escrow") (or, if there is no First Leasehold Mortgagee, with Landlord), and disbursed to pay the costs of such Restoration. The Second Leasehold Mortgagee and Third Leasehold

Mortgagee agree to be bound by the First Leasehold Mortgagee's determination and to make the Net Insurance Proceeds available for such Restoration. In the event of any such damage to or destruction of the Improvements, Tenant, Landlord or any Leasehold Mortgagee shall have the right (but not the obligation) to deposit the Restoration Deficiency into the Restoration Escrow. Unless the Restoration Deficiency is deposited with the First Leasehold Mortgagee or into the Restoration Escrow (or, if there is no First Leasehold Mortgagee, with Landlord), or all of the Leasehold Mortgagees agree to a Partial Restoration, within the time periods provided in Section 8.01(a), this Lease shall terminate as to the affected portions of the Real Estate and the provisions of Section 8.05 shall apply.

8.02 Adjustment of Insurance Claims and Disbursements. Adjustment of any insurance claim shall, subject to the terms of any Leasehold Mortgage, be negotiated by Tenant. All insurance proceeds shall be deposited with the First Leasehold Mortgagee (or, if none, with Landlord) or into a Restoration Escrow, and administered as hereinafter set forth. All insurance proceeds received by Landlord or Tenant on account of such damage or destruction, less the actual costs, expenses and fees, if any, incurred in connection with the adjustment of the loss (the "Net Insurance Proceeds"), shall be applied in accordance with the terms of this Article. Such Net Insurance Proceeds plus the Deductible shall be paid out from time to time as such Restoration progresses and is approved. All Proceeds held by the First Leasehold Mortgagee for purposes of Restoration shall be held in trust for the benefit of Tenant and the funding of such restoration work.

8.03 Deficiencies. If, at any time during the course of a Restoration, the projected Restoration Deficiency increases, Tenant shall either, before proceeding with the Restoration, deposit with the First Leasehold Mortgagee (or, if none, with Landlord) cash, a letter of credit and/or evidence satisfactory to Landlord of the availability of funds (from a loan or otherwise) in an amount equal to the increase in the Restoration Deficiency, or deliver to the First Leasehold Mortgagee (or, if none, to Landlord) a surety bond from a company and in form and substance satisfactory to the First Leasehold Mortgagee (or, if none, to Landlord), for such increase in the Restoration Deficiency, the premium for which shall have been paid by Tenant. Thereupon, Tenant may proceed with the Restoration.

8.04 Landlord's Right to Complete. Subject to the prior written consent of the First Leasehold Mortgagee under Section 8.01, if a Restoration is commenced or required to be commenced, and if Tenant shall fail to promptly and diligently commence and complete such Restoration, Landlord, after first giving all Leasehold Mortgagees written notice and at least sixty (60) days thereafter to commence such Restoration and thereafter promptly and diligently complete such Restoration, may, but is not obligated to, complete the same and apply the Net Insurance Proceeds plus the Deductible and any additional funds provided by Tenant to the cost of Restoration.

8.05 Leasehold Mortgages. Except as provided in Section 8.01: (1) all provisions of this Article 8 are subject to the rights of the First Leasehold Mortgagee and the provisions of the First Leasehold Mortgage; (2) the provisions of the First Leasehold Mortgage shall govern in the event of any conflict or inconsistency between the provisions of this Article 8 and the provisions of the First Leasehold Mortgage; and (3) application of Net Insurance Proceeds shall be subject to the terms of the Leasehold Mortgages, and the respective priorities of such Leasehold Mortgagees thereunder, including the Leasehold Mortgagees' rights, if any, to apply proceeds of insurance to the payment of outstanding debt owed by Tenant to such Leasehold Mortgagees in lieu of Restoration. In such an event, Landlord and Tenant shall adjust any remaining balance of insurance proceeds as their respective interests may be affected by such

damage or destruction, and this Lease shall terminate as to the affected portions of the Real Estate. No termination of this Lease shall occur under this Article 8 so long as at least one Leasehold Mortgagee is diligently proceeding to obtain such insurance proceeds and, if applicable, to exercise its rights with respect to the Restoration; provided, however, that the foregoing prohibition against termination shall no longer be applicable when the First Leasehold Mortgagee elects to apply such insurance proceeds to repay outstanding debt in lieu of Restoration.

ARTICLE 9

Title and Ownership; Leasehold Mortgage

9.01 Restrictions on Transfer.

(a) Except for Permitted Transfers and Permitted Refinancing: (i) Tenant shall not at any time without the prior written consent of Landlord: (A) sell, assign, transfer, or convey (any, a "Transfer") all or any part of its interest under this Lease, or (B) Transfer all or any part of any structure or other Improvement or Tenant Improvement located on the Real Estate; or (C) sublet all or any part of the Tenant Property except for subletting of the dwelling units to subtenants pursuant to subleases with a term (including options to extend or renew) not in excess of one (1) year and (ii) there shall not be a change of control of the Tenant or the Transfer of any interest in the Tenant. Landlord's consent to any of the foregoing may be granted, withheld or granted with such conditions as Landlord shall require, in its sole and absolute discretion.

(b) If a Permitted Transfer consisting of a Transfer of the Leasehold Estate occurs, the transferee or assignee shall enter into an assumption agreement with Landlord by which it assumes all of Tenant's rights and obligations under this Lease. Thereafter, the transferee or assignee shall succeed to all rights and obligations of Tenant under this Lease, and shall be deemed a permitted assignee of Tenant, and Tenant making such Transfer shall be and hereby is relieved of any continuing obligations hereunder arising thereafter and such permitted assignee, by accepting such assignment, shall be deemed to have assumed all obligations hereunder arising after such assignment. Landlord acknowledges that Tenant may cause the Improvements or Tenant Improvements, as applicable, or a portion thereof, to qualify for housing for "very low-income" households for the period required under Section 42 of the Code. Tenant may cause the Improvements or Tenant Improvements, or a portion thereof, to qualify for other state and/or federal assistance, including but not limited to financing arranged through or insured by HUD. To the extent required by the Code and/or HUD as a condition to such qualification, and as may be required under Article 19, Tenant is authorized to enter into restrictive covenants encumbering the Tenant Property pertaining to the use of the Tenant Property. Landlord agrees to enter into a subordination agreement relating to this Lease as to such restrictive covenants as may be required to obtain and maintain such qualifications.

(c) Landlord shall not, without the prior written consent of Tenant and all Leasehold Mortgagees, mortgage or create a lien upon (i) all or any part of the Real Estate, or (ii) all or any part of its interest in this Lease or any Improvement or Tenant Improvement.

(d) The Parties acknowledge that it may become necessary to grant easements and/or licenses over, under, upon and across the Real Estate for the provision of gas, electricity, telephone service, cable television, Internet access, water, sewer, and other utilities

to serve the Improvements and Tenant Improvements. All such easements and licenses shall be subject to the prior written consent of Landlord, which shall not be unreasonably withheld or delayed. If required, Landlord shall grant or join with Tenant in the grant of such easements and licenses, so as to subject Landlord's interest in the Real Estate to such easements and licenses. All costs in connection with such easements and licenses shall be borne by Tenant.

9.02 Liens. Other than the Permitted Exceptions and any Permitted Refinancing, Tenant shall not create or permit to be created or to remain, and shall promptly discharge, any lien (including but not limited to any mechanic's, contractor's, subcontractor's or materialman's lien or any lien, encumbrance or charge arising out of any Imposition, conditional sale, title retention agreement, chattel mortgage, security agreement, financing statement or otherwise) upon the Property or Tenant Property, as applicable, or any part thereof, or the income therefrom, and Tenant shall not suffer any matter or thing whereby the estate, rights and interests of Landlord in the Property or Tenant Property, or any part thereof, will be impaired (excluding any impairment, lien or encumbrance arising by action of Landlord). Notwithstanding the foregoing prohibitions, Tenant shall have the right to contest any such lien upon compliance with the same conditions as are applicable to the contest of any Imposition under Section 4.03 or to provide title insurance over any such lien in a manner reasonably satisfactory to Landlord. If Tenant shall fail to cause any such matter to be discharged of record or contested in the foregoing manner, then Landlord may, but shall not be obligated to, in addition to any other right or remedy, discharge such lien at any time after delivery of notice to Tenant, either by paying the amount claimed to be due or by procuring the discharge of such lien by deposit or bonding proceedings or otherwise, and in any such event Landlord shall be entitled, if it so elects, to compel the prosecution of an action for foreclosure of such lien by the lienholder and to pay the amount of judgment in favor of the lienholder with interest, costs and allowances. Any amount so paid by Landlord and all reasonable costs, expenses and fees incurred by Landlord in connection therewith shall be reimbursed by Tenant to Landlord. This Lease shall constitute notice that Landlord shall not be liable for any work performed or to be performed, or any materials furnished or to be furnished, at the Real Estate for Tenant or any subtenant upon credit, and that no mechanic's or other lien for such work or materials shall attach to or affect the estate or interest of Landlord in and to the Real Estate, unless such work or materials is specifically ordered by Landlord in writing.

9.03 Leasehold Mortgage.

(a) In order to enable Tenant to finance a portion of the cost of construction of the Development, Tenant shall have the right, at or prior to commencement of construction of the Tenant Improvements required under Section 5.01, to grant and record the First Leasehold Mortgage, Second Leasehold Mortgage and Third Leasehold Mortgage. The aggregate amounts financed by Tenant through the Leasehold Mortgages shall not exceed the estimated cost of the Development, or such other greater amount as is reasonably approved by Landlord. Landlord's interest in the Property, Tenant Property (as applicable) or this Lease shall at no time be encumbered by and shall at no time be subject or subordinate to any Leasehold Mortgage (i.e. the foreclosure of any such Leasehold Mortgage shall not divest Landlord of its fee simple title or reversionary interest). For purposes of this Article 9, the making of a Leasehold Mortgage shall not be deemed to constitute an assignment or transfer of this Lease or the Leasehold Estate, nor shall any Leasehold Mortgagee, as such, be deemed to be an assignee or transferee of this Lease or of the Leasehold Estate so as to require such Leasehold Mortgagee, as such, to assume the performance of any of the terms, covenants or conditions on the part of Tenant to be performed hereunder. A Leasehold

Mortgagee may become the holder of the Leasehold Estate and succeed to Tenant's interest under this Lease by foreclosure of its Leasehold Mortgage (either in its own name or in the name of its nominee) or as a result of the assignment of the Tenant's interest under this Lease in lieu of foreclosure, and any purchaser at any sale of Tenant's interest under this Lease in any proceeding for the foreclosure of any Leasehold Mortgage or the assignee or transferee of Tenant's interest under this Lease under any instrument of assignment or transfer in lieu of the foreclosure of any Leasehold Mortgage shall be deemed to be an assignee or transferee approved by Landlord and shall be deemed to have agreed to perform all of the obligations of Tenant from and after the date of such assignment, but only for so long as such purchaser, assignee or transferee is the owner of the Leasehold Estate.

(b) If an Event of Default by Tenant occurs, Landlord agrees that it will not terminate this Lease or take possession of the Tenant Property if: (i) any Leasehold Mortgagee shall cure the default within 180 days after expiration of the time for Tenant to cure said default, or if such default cannot reasonably be cured within said 180-day period, and any Leasehold Mortgagee in good faith commences within said 180-day period and thereafter diligently prosecutes all actions required to cure such default, such longer period as may be reasonably necessary; or (ii) within 180 days after notice of such default by Landlord to a Leasehold Mortgagee, such Leasehold Mortgagee commences legal proceedings (herein called "foreclosure proceedings") to foreclose the lien of its Leasehold Mortgage and if such Leasehold Mortgagee diligently proceeds with its foreclosure proceedings or obtains a deed in lieu of foreclosure (including seeking to be put in possession as mortgagee-in-possession or seeking to obtain the appointment of a receiver in such foreclosure proceedings), or (iii) such Event of Default cannot by its nature be cured by any Leasehold Mortgagee. The foregoing 180 day periods shall be extended for so long as such Leasehold Mortgagee is enjoined or stayed in any bankruptcy or insolvency proceedings filed by or against Tenant. Nothing in this Article 9 shall require any Leasehold Mortgagee, as a condition to the exercise of rights provided under this Article 9, to cure any Event of Default of Tenant that is specific to Tenant and therefore not reasonably susceptible of being cured by such Leasehold Mortgagee. The foregoing shall not be deemed to excuse a Leasehold Mortgagee from performing covenants relating to the construction or condition of the Tenant Improvements on the Leasehold Estate or other similar matters requiring access to and/or control of the Tenant Property from and after such time as such Leasehold Mortgagee acquires possession of the Tenant Property or Tenant's Leasehold Estate by receivership, foreclosure or otherwise, provided that the Construction Completion Deadline shall be extended accordingly during any such period given to initiate and complete any foreclosure proceeding. If no Leasehold Mortgagee commences and prosecutes either curative action or foreclosure proceedings as provided above, Landlord may invoke any or all of its remedies under this Lease, including the remedy of termination. In the event the purchaser at the foreclosure sale or the assignee of such purchaser or the recipient of any deed in lieu of foreclosure acquires the Leasehold Estate and Tenant's interest in the Tenant Improvements, such purchaser or assignee shall thereupon become Tenant under this Lease and hereby agrees to assume and perform each and all of Tenant's obligations and covenants hereunder from and after the date that such purchaser or assignee acquires the Leasehold Estate and Tenant's interest in the Tenant Improvements.

(c) In the event there is a First Leasehold Mortgage, Landlord agrees that it will not accept a surrender of the Tenant Property or a cancellation of this Lease from Tenant prior to the expiration of the Term of this Lease and will not amend this Lease without in each case obtaining the prior written consent of the First Leasehold Mortgagee.

(d) Each Leasehold Mortgagee, by accepting its Leasehold Mortgage, agrees for the benefit of Landlord:

(i) that such Leasehold Mortgagee will use reasonable efforts to give to Landlord notice of all events of default declared by such Leasehold Mortgagee with respect to its Leasehold Mortgage Loan that give such Leasehold Mortgagee the right of acceleration, concurrently with or promptly after notice thereof is given to Tenant; and Landlord shall have the right, but shall not be obligated, to cure any such defaults on the part of Tenant within the time period, if any, allowed by the Leasehold Mortgage; and

(ii) prior to commencing foreclosure proceedings or accepting a deed in lieu of foreclosure, such Leasehold Mortgagee shall give Landlord a written notice describing the action proposed to be taken by such Leasehold Mortgagee and stating the aggregate amount of the indebtedness then due and secured by the Leasehold Mortgage, and setting forth in reasonable detail the respective portions of said indebtedness attributable to principal, interest, attorneys' fees and expenses and other costs, fees and expenses. Landlord shall have a period of thirty (30) days after Landlord receives such notice from such Leasehold Mortgagee within which Landlord, at its election, may purchase from such Leasehold Mortgagee, without representation, warranty or recourse (other than as to the purchase price), the Leasehold Mortgage, the indebtedness secured thereby, and any other security held by such Leasehold Mortgagee for such indebtedness, for a purchase price equal to the amounts due such Leasehold Mortgagee under the Leasehold Mortgage.

(e) So long as the First Leasehold Mortgage is in existence, unless the First Leasehold Mortgagee shall otherwise expressly consent in writing, the fee title to the Real Estate and the Leasehold Estate shall not merge, but shall remain separate and distinct, notwithstanding the acquisition of said fee title and Leasehold Estate by the Landlord, other than by termination of this Lease by Landlord in compliance with the provisions of this Article 9.

(f) Notwithstanding any provisions to the contrary in Sections 6.05, 6.07, 6.08, 11.02 or 20.03, Landlord agrees (without waiving any rights that Landlord may have against any former Tenant) that: (a) the First Leasehold Mortgagee or purchaser at a foreclosure sale or assignee or transferee in lieu of foreclosure of a First Leasehold Mortgage that succeeds to the Leasehold Estate and becomes a successor Tenant hereunder (a "Successor") shall not be responsible for any then existing indemnification obligation of the former Tenant except to the extent the indemnification obligation relates to an act, omission or condition that continues after such Successor's succession to Tenant's possessory or leasehold interest and gives rise to additional damages or claims after such succession; (b) such Successor shall not be required to cure a default that is peculiar to Tenant's status, solvency or condition and that, therefore, cannot be cured by the payment of money or the taking of affirmative action (an "Incurable Default"); and (c) failure by such Successor to cure an Incurable Default or to assume such existing indemnification obligations of the former Tenant shall not constitute a basis for not recognizing such Successor as the successor Tenant or for terminating this Lease.

ARTICLE 10

Tenant Default: Rights and Remedies of Landlord

10.01 Tenant's Event of Default. Each of the following events shall be an "Event of Default" by Tenant under this Lease:

(a) Tenant's failure to pay, when due, any installment of Rent or any other amount to be paid by Tenant under this Lease, and such failure shall continue for a period of thirty (30) days after written notice from Landlord specifying such failure;

(b) Tenant shall be in default under Section 9.01(a);

(c) if any insurance required to be maintained by Tenant shall lapse without replacement, so that any required coverage is not in effect;

(d) Tenant shall fail to perform or observe any other material obligation, term or provision under this Lease and such failure continues beyond sixty (60) days after written notice from Landlord to Tenant specifying such Event of Default; provided, however, that if Tenant in good faith commences within said 60-day period and thereafter diligently prosecutes all actions required to cure such default, Tenant shall be allowed a reasonable additional period to effect such cure;

(e) a petition in bankruptcy is filed by or against Tenant, or if Tenant makes a general assignment for the benefit of creditors or is adjudged insolvent by any state or federal court, and in the case of any such involuntary petition, action or proceeding not initiated by Tenant such petition, action or proceeding is not dismissed or stayed within ninety (90) days after the commencement of such petition, action or proceeding; and

(f) Tenant shall fail to commence construction of the Development in accordance with the Plans and Specifications prior to sixty (60) days following the closing of the First Leasehold Mortgage or Tenant shall fail to complete the construction of the Development in accordance with the Plans and Specifications prior to the Construction Completion Deadline (or such later date as the First Leasehold Mortgagee may authorize, or in the absence of a First Leasehold Mortgagee, the Landlord), and such failure continues for a period of sixty (60) days after written notice from Landlord specifying such failure; provided, however, that if Tenant in good faith commences within said 60-day period and thereafter diligently prosecutes all actions required to cure any such failure, Tenant shall be allowed a reasonable additional period to effect such cure. Such commencement and completion deadlines shall be subject to reasonable extension in the event of an Unavoidable Delay.

10.02 Termination. If an Event of Default shall occur, Landlord may not terminate this Lease for so long as the provisions of Sections 9.03, 10.13 or any other provision of this Lease that expressly limits Landlord's ability to terminate this Lease precludes such termination. Otherwise Landlord, at its option, at any time thereafter during the continuance of such Event of Default, may give to Tenant and all Leasehold Mortgagees a notice of termination of this Lease, and, upon the date specified in such notice, which date shall be after all cure periods and foreclosure proceeding periods without a cure or foreclosure (or exercise by a Leasehold Mortgagee of other remedies contemplated by Section 9.03(b)) being effected, then this Lease and all of Tenant's rights under this Lease shall expire and terminate as if that date were the date herein originally fixed for the expiration of the Term of this Lease, and on the date so

specified, Tenant shall vacate and surrender the Property and Tenant Improvements to Landlord. If an Event of Default under Section 10.01(f) shall occur, then Landlord's right to terminate the entire Lease by reason of such Event of Default shall be limited as hereinafter provided.

10.03 Transfer of Deposits, etc. If this Lease terminates under Section 10.02, all unearned insurance premiums, all deposits theretofore made by Tenant with utility companies, any claims for refund of any Imposition, any pending claims for insurance proceeds or condemnation awards, and all fuel and supplies on the Property or Tenant Improvements owned by Tenant shall, subject to the rights of the Leasehold Mortgagees, be deemed to be and are hereby assigned to and transferred to Landlord to be applied in payment of Tenant's liability under this Lease.

10.04 Re-entry. If this Lease terminates under Section 10.02 or by operation of law or otherwise, Landlord may without further notice re-enter and repossess the Property and Tenant Improvements.

10.05 Injunctive Relief. In the event of any breach or threatened breach by Tenant of any of the covenants, agreements, terms or conditions contained in this Lease, Landlord shall be entitled, after expiration of any applicable notice and cure period, to injunctive relief against such breach or threatened breach, and shall have the right to invoke any right or remedy available at law or in equity or by statute or otherwise as though re-entry, summary proceedings and other remedies were not provided for in this Lease.

10.06 Re-letting by Landlord. If Landlord terminates this Lease under Section 10.02, Landlord may re-let the Property and Tenant Improvements or any part thereof and receive the rent therefor, whether such rent is in the aggregate greater than or less than the Rent payable hereunder. Landlord shall not be responsible or liable in any way for failure to re-let the Property or Tenant Improvements or any part thereof or for failure to collect any rent due on such re-letting, except as required by law to mitigate Landlord's damages.

10.07 Receipt of Monies: No Waiver. No receipt of money by Landlord from Tenant after termination of this Lease shall reinstate, continue or extend the term of this Lease or of any notice of termination theretofore given to Tenant, or operate as a waiver of Landlord's right to enforce the payment of Rent and any other payments or charges herein reserved or agreed to be paid by Tenant, then or thereafter falling due, or operate as a waiver of Landlord's right to recover possession of the Property or Tenant Improvements by proper remedy, it being agreed that after service of notice to terminate this Lease or the commencement of any suit or summary proceedings, or after final order for the possession of the Property or Tenant Improvements, Landlord may demand and collect any monies due or thereafter falling due in any manner without affecting such notice, proceeding, order, suit or judgment, and all such monies collected shall be deemed paid on account of the use and occupancy of the Tenant Property or, at Landlord's election, on account of Tenant's liability hereunder.

10.08 No Implied Waivers. Landlord's granting of a consent under this Lease, or Landlord's failure to object to an action taken by Tenant without Landlord's consent under this Lease, shall not be deemed a waiver by Landlord of its right to require such consent for any further similar act of Tenant. No waiver by Landlord of any breach of any of the conditions, covenants or agreements of this Lease shall be construed, taken or held to be a waiver of any other breach or be a waiver, acquiescence in or consent to any further or succeeding breach

of the same term, condition, covenant or agreement. None of Tenant's covenants, agreements, obligations or undertakings under this Lease, and no breach thereof, may be waived, altered or modified except by a written instrument executed by Landlord.

10.09 Remedies Not Exclusive. Subject to provisions of Article 18 and other provisions of this Lease restricting Landlord's right to terminate this Lease, no right, power or remedy conferred upon or reserved to Landlord under this Lease or under law shall be considered exclusive of any other right, power or remedy, but shall be cumulative and shall be in addition to those existing at law or in equity, or by statute or otherwise, and may be exercised from time to time, without precluding Landlord's simultaneous or later exercise of any or all other rights, powers or remedies. No delay or omission of Landlord in exercising any right, power or remedy arising from any default shall impair any such right, power or remedy or shall be construed to be a waiver of any such default.

10.10 Waiver of Notice. Tenant expressly agrees that any notice of intention to re-enter provided in any statute or to initiate legal proceedings to that end shall run concurrently with any applicable notice period provided hereby so that any required notice period shall not be longer than the longer of such statutory notice or notice required under this Lease. Tenant waives, for and on behalf of itself and all persons and parties claiming through or under it (other than any Leasehold Mortgagee), any and all right of redemption provided by any law or now in force or hereafter enacted or otherwise, for re-entry or repossession, or to restore the operation of this Lease, in case Tenant shall be dispossessed by a judgment or by warrant of any court or judge, or in case of re-entry or repossession by Landlord, or in case of any expiration or termination of this Lease.

10.11 Suits for Damages. Suits for damages or deficiencies, or for a sum equal to any installments of Rent, Impositions and other charges and payments hereunder shall be subject to the provisions of Article 18.

10.12 Bankruptcy. Nothing in this Article contained shall limit or prejudice the right of Landlord to prove and obtain as damages in any bankruptcy, insolvency, receivership, reorganization or dissolution proceeding an amount equal to the maximum allowed by any statute or rule of law governing such proceeding and in effect at the time when such damages are to be proved, whether or not such amount be greater, equal to or less than the amount of the damages referred to any of the preceding Sections.

10.13 Leasehold Mortgagee's Rights. Notwithstanding the remedies afforded to Landlord under this Article 10, such remedies shall be subject to and subordinate to the Leasehold Mortgagees' rights granted herein.

ARTICLE 11

Additional Rights and Remedies of Landlord

11.01 Performance by Landlord. If an Event of Default shall occur and provided that a Leasehold Mortgagee has not cured such failure within the time period provided herein for such cure (provided that any notice of default required by the terms of this Lease pursuant to Section 10.2 to be given to the Leasehold Mortgagees by Landlord), Landlord may, at its option (but shall not be required to), make any such payment or perform any such act, and for such purpose Landlord may enter upon the Property or Tenant Property, as applicable, and

take all actions thereon as may be deemed by Landlord necessary or desirable therefor. Any amount paid or incurred by Landlord in effecting or attempting to cure such failure shall be additional rent due from Tenant to Landlord, and shall be payable by Tenant upon demand.

11.02 Tenant to Provide Indemnification.

(a) Unless arising from Landlord's willful and wanton misconduct, or until Landlord shall have re-entered the Property or Tenant Improvements upon expiration or termination of this Lease, (and, then, only with respect to acts or omissions by Landlord after such re-entry), Tenant agrees to indemnify, defend and save Landlord's Protected Persons harmless against and from all liabilities, claims, suits, fines, penalties, damages, losses, charges, costs, expenses and fees (including reasonable attorney's fees) which may be imposed upon, incurred by or asserted against Landlord's Protected Persons by reason of any of the following occurring during the portion of the Term during which such indemnitor was Tenant hereunder:

(i) any use, non-use, possession, occupation, condition (other than Excluded Environmental Conditions), operation, repair, maintenance or management of the Property, or any part thereof, or any occurrence of any of the same;

(ii) any act or omission on the part of Tenant or any subtenant, licensee or invitee, or any of its or their agents, contractors, servants, employees, licensees or invitees relating to the Property or this Lease;

(iii) any accident, injury (including death) or damage, regardless of the cause thereof, to any person or property occurring in, on or about the Property or any part thereof;

(iv) any contest permitted pursuant to the provisions of Section 4.03 or 6.07;

(v) any litigation or proceeding related to the Property or this Lease to which Landlord becomes or is made a party without fault on its part, whether commenced by or against Tenant; and

(vi) any costs which may be incurred by Landlord in enforcing any of the covenants, agreements, terms and conditions of this Lease (provided Landlord prevails in the enforcement proceeding).

(b) The Tenant's indemnification shall survive any expiration, termination, transfer, and/or assignment of this Lease.

ARTICLE 12

Eminent Domain

12.01 Total Taking. Subject to Section 12.05, if, during the Term of this Lease, the entire Property, Tenant Property, or such substantial portion thereof of either, as shall in the reasonable good faith judgment of Tenant, make it economically unfeasible to continue to operate the remaining portion for the purposes herein stated, shall be taken by the exercise of the power of eminent domain, this Lease shall terminate on the date of vesting of title in the condemnor under such eminent domain proceedings, and all Rent and other sums payable by Tenant hereunder shall be prorated to the date of such vesting, and thereafter Tenant shall be

relieved of all obligations to pay the Rent and to otherwise perform its agreements, obligations and undertakings under this Lease except those that expressly survive the termination of this Lease. The award granted with respect to such eminent domain proceedings shall be divided between Landlord, Tenant and the Leasehold Mortgagees in the following order:

(a) to the First Leasehold Mortgagee, an amount sufficient to obtain the release and satisfaction of the First Leasehold Mortgage;

(b) to any and all other Leasehold Mortgagees, as their interests appear, an amount sufficient to obtain a release and satisfaction of the Leasehold Mortgages;

(c) to Tenant, an amount equal to the sum of: (y) the greater of: (1) the fair market value of the Tenant Improvements and the fair market value of the unexpired Leasehold Estate, reduced by the amount, if any, paid under the preceding Clauses (a) and (b); and (2) the replacement cost of the Tenant Improvements and the fair market value of the unexpired Leasehold Estate, reduced by the amount, if any, paid under the preceding Clauses (a) and (b); plus (3) the value of any low-income housing tax credits recaptured or not available in future years as a result of such taking; and

(d) the balance, if any, shall be paid to Landlord.

If this Lease is terminated under this Section, then Tenant shall, if so directed by Landlord, demolish and/or remove any damaged Improvements or Tenant Improvements on any remaining Property or Tenant Property, as applicable, at the sole cost and expense of Tenant provided that all condemnation proceeds allocable to the Property or Tenant Property remaining after satisfaction of the indebtedness secured by any Leasehold Mortgages shall be available to Tenant. The obligation under this Lease to demolish and/or remove Improvements or Tenant Improvements under the foregoing sentence shall not apply to any Leasehold Mortgagee (or nominee of a Leasehold Mortgagee) that succeeds to Tenant's interest under this Lease through foreclosure of its Leasehold Mortgage or deed-in-lieu thereof.

12.02 Partial Taking.

(a) If, during the Term, less than the entire Property or Tenant Property shall be taken by the exercise of the power of eminent domain, and, in the reasonable judgment of the First Leasehold Mortgagee, condemnation proceeds attributable to Tenant's interest in the Property or Tenant Property, as applicable, are sufficient to restore the remaining portion of the Property or Tenant Property, as applicable, so as to be not materially different from the prior value, condition and character of the Property or Tenant Property, as applicable, this Lease shall not terminate but shall continue for the remainder of the Term, subject to the provisions of this Section 12.02. The condemnation proceeds shall be made available to Tenant, and Tenant, at its expense, shall forthwith restore the remaining portion of the Property or Tenant Property, as applicable, to substantially the same value, condition and character as existed prior to such taking. If Tenant is obligated to restore the Property or Tenant Property, the proceeds of the award shall be deposited in the Restoration Escrow and disbursed to pay the costs of such restoration. If the sum of such awards is not sufficient, Tenant shall have the right, but not the obligation, to provide the additional funds required. Landlord shall have no obligation to provide any additional funds.

(b) If the First Leasehold Mortgagee reasonably determines that condemnation proceeds are insufficient to restore that portion of the Property or Tenant Property remaining

after the taking so as to be not materially different than the value, condition and character of the Property or Tenant Property prior to such taking, and neither Tenant nor any Leasehold Mortgagee deposits into the Restoration Escrow the additional funds necessary to satisfy such deficiency within ninety (90) days after the condemnation award, then the condemnation proceeds shall be applied as set forth in Section 12.01 and the requirements of Section 8.05 shall apply.

12.03 Temporary Taking. In the event of a taking for a temporary use, this Lease and the Term shall continue and the Rent thereafter due and payable shall be equitably reduced or abated. Tenant shall continue to perform and observe all of the other covenants, agreements, terms and conditions of this Lease. The entire amount of any proceeds with respect to such temporary taking shall be paid to Tenant.

12.04 Other Governmental Action. In the case of any governmental action not resulting in the taking of any portion of the Property or Tenant Property but creating a right to compensation therefor, this Lease shall continue in full force and effect without reduction or abatement of any Rent thereafter due and payable. If such governmental action results in any damage to the Improvements or Tenant Improvements, as applicable, Tenant shall be entitled to receive such portion of the proceeds (or all of the proceeds, if required for such purpose) estimated to be necessary to remedy any such damage, and Tenant shall proceed with reasonable diligence to make all repairs, replacements, restorations and improvements necessary so to remedy such damage to the extent economically feasible, and, if the amount of such proceeds is not sufficient, Tenant shall have the right, but not the obligation, to provide the additional funds required. Any balance remaining from such proceeds, or if no damage is involved then all of such proceeds, shall be divided between Landlord and Tenant as their respective interests may appear.

12.05 Leasehold Mortgagees. The rights granted to Landlord and Tenant under this Article 12 shall be subject to the rights and interests of the Leasehold Mortgagees under the Leasehold Mortgages (except as provided in Section 12.02(b)).

ARTICLE 13

Estoppel Certificates; Certificate of Completion

13.01 Estoppel Certificates. Upon written request by either party, or any Leasehold Mortgagee, the party to whom the request was made will promptly certify to the requesting Person, or to any proposed assignee or grantee or mortgagee or the proposed assignee of such mortgagee, whether or not this Lease is valid and subsisting, whether or not it has been modified (and if there are modifications, stating them) and whether or not the party executing the certificate has knowledge of any default or breach by the other party under any of the terms of this Lease (and if any exists, stating them). **Certificate of Completion**. Upon the issuance of a certificate of occupancy for the Development by the City in its municipal capacity following completion of the construction of the Building and related Tenant Improvements, Landlord shall give to Tenant a certificate of completion (in recordable form) certifying all obligations set forth in Section 5.01 have been satisfied, and Tenant shall cause such certificate to be recorded.

ARTICLE 14

Title to Improvements; Surrender at End of Term

14.01 Title to Improvements. Landlord acknowledges and agrees that throughout the Term and until expiration or earlier termination of this Lease, the Tenant shall own all of the Tenant Improvements in the Tenant's name and shall hold a Leasehold Estate in all other Improvements. As such, Tenant has, and shall be entitled to, all rights and privileges of ownership of such Tenant Improvements, including without limitation: (a) the right to claim depreciation or cost recovery deductions; (b) the right to claim the low-income housing tax credit described in Section 42 of the Code; (c) the right to amortize capital costs and to claim any other federal or state tax benefits attributable to the Tenant Property; and (d) the right to transfer such Tenant Improvements in accordance with the terms and conditions of this Lease; provided, however, that Tenant may not remove or substantially alter any of the Improvements or Tenant Improvements (other than the disposition and replacement of equipment, appliances and other personal property in the ordinary course of business or in connection with the performance of its obligations under Section 6.05) without having first obtained the prior written consent of Landlord, which shall not be unreasonably withheld or delayed.

14.02 Surrender at End of Term; Early Termination of Lease. Upon the expiration of the Term, or any termination of this Lease, all Improvements and Tenant Improvements then on the Real Estate shall, together with all fixtures, used in connection with the operation of the Development, shall become the property of Landlord or revert to Landlord, as applicable, without any payment or allowance whatever by Landlord on account of or for such Improvements, Tenant Improvements, and fixtures, whether or not the same or any part thereof shall have been constructed by, paid for, or purchased by Tenant. Tenant shall vacate and surrender possession of the Property to Landlord without delay, free and clear of all lettings, occupancies, and licenses, and free and clear of all mortgages and other liens, claims, encumbrances and security interests, other than (i) the Permitted Exceptions, (ii) the rights of sub-tenants in possession under leases (which shall expire not later than one (1) year after the end of the Term), (iii) those, if any, created by Landlord, and (iv) those related to Excluded Environmental Conditions. Tenant agrees to execute and deliver to Landlord such quit claim deeds, bills of sale, assignments or other instruments of conveyance and release as Landlord may reasonably deem necessary to evidence such transfer of possession and title to Landlord. Tenant hereby waives any notice now or hereafter required by law with respect to vacating the Property and Tenant Property at any such termination date. All personal property of the Tenant shall remain Tenant's property, subject to security interests, and shall be removed on expiration or as soon as reasonably practical after termination of the Lease. Tenant shall not remove or substantially alter any of the Improvements or Tenant Improvements (other than the disposition and replacement of equipment, appliances and other personal property in the ordinary course of business or in connection with the performance of its obligations under Section 6.05) without first having obtained the prior written consent of Landlord, which consent shall be exercised in the Landlord's sole and absolute discretion.

ARTICLE 15

Landlord Defaults

15.01 Landlord's Default. It shall be an event of default by Landlord under this Lease if Landlord fails to perform any term or provision to be performed by Landlord under this Lease, and such failure shall continue beyond sixty (60) days after written notice received by Landlord from Tenant specifying such event of default; provided, however, that if Landlord in good faith commences within said 60-day period and thereafter diligently prosecutes all actions required to cure such default, Landlord shall be allowed a reasonable period to effect such cure.

Upon an event of default by Landlord hereunder, Tenant shall have as its sole and exclusive remedies (a) the right to terminate this Lease, and (b) the right to injunctive relief or to specifically enforce Landlord's performance obligations, subject further to Section 18.01.

15.02 Exercise of Remedies. Tenant's exercise of its remedies under Section 15.01 may be exercised from time to time and as often as occasion may arise or may be deemed expedient, without precluding Tenant's simultaneous or later exercise of such remedy. No delay or omission of Tenant to exercise such remedy shall impair any such remedy or shall be construed to be a waiver of any such default or an acquiescence therein.

15.03 Waivers in Writing. None of Landlord's covenants, agreements, obligations or undertakings, and no events of default of Landlord may be waived, altered, or modified except by a written instrument executed by Tenant and all Leasehold Mortgagees.

15.04 Landlord's Representations. Landlord hereby represents and warrants to Tenant that:

(a) Landlord's execution of this Lease, and the performance by Landlord of all of the terms and conditions contained herein will not, or with the giving of notice or the passage of time, or both, would not violate or cause a breach or default under any other agreement relating to the Property to which Landlord is a party or by which it is bound;

(b) as of the Commencement Date, there is no tenant or other occupant of the Real Estate having any right or claim to possession or use of the Real Estate other than parties having rights under the Permitted Exceptions, and public and private utilities and telecommunication providers;

(c) the Landlord has obtained the approval of the City Council of the City to execute and perform its obligations under this Lease.

(d) [the conveyance set forth in this Lease qualifies as exception to the Plat Act, 765 ILCS 205/1(b), and Landlord shall, if necessary, execute and deliver a Plat Act affidavit in accordance with 765 ILCS 205/5a.]

ARTICLE 16

ARTICLE 17

Miscellaneous

17.01 Covenants Running With Land. All agreements, obligations and undertakings contained in this Lease shall, except as herein specifically limited or otherwise provided, extend and inure to be binding upon Landlord's successors and assigns and Tenant's permitted successors and permitted assigns, and shall be construed as covenants running with the land. Wherever reference is made in this Lease to either party, it shall be held to include and apply to such successors and assigns.

17.02 Amendments in Writing. From time to time, the parties hereto may amend this Lease with respect to any provisions reasonably related to Tenant's use of the Tenant Property and/or Landlord's administration of said Lease. Provided, however, that such amendment(s) shall not serve to extend the Term hereof nor serve to otherwise materially alter the essential provisions contained herein. Such amendment(s) shall be in writing, shall establish the factual background necessitating such alteration, shall set forth the terms and conditions of such modification, and shall be duly executed by both Landlord and Tenant and consented to in writing by any Leasehold Mortgagee.

17.03 Quiet Possession. Landlord agrees that during the Term and so long as no Event of Default exists and is continuing hereunder, Tenant shall and may peaceably and quietly have, hold and enjoy the Real Estate demised hereby, subject to the Permitted Exceptions, without molestation or disturbance by or from Landlord or any party claiming by, through or under Landlord, and free of any encumbrance created or suffered by Landlord except for the Permitted Exceptions expressly described herein to which this Lease is made subject and subordinate.

17.04 Time of Essence. Time is of essence of this Lease and of the performance of the respective obligations, covenants and agreements of Landlord and Tenant hereunder. If the day for the performance of any obligation hereunder occurs on a calendar day other than a business day, the time for such performance shall be extended to the next business day.

17.05 Approvals. All approvals or consents required under the provisions hereof shall be in writing. Unless herein expressly otherwise provided, any approval or consent of Landlord shall be sufficiently given if signed by the Commissioner of the Department of General Services or any successor department thereto.

17.06 Condition of Property. Landlord has made no warranties or representations whatever with respect to the Property and, except for Excluded Environmental Conditions (for which responsibility shall be determined under applicable law), Tenant accepts the Property "**AS IS**"; provided, however, that the foregoing shall not affect the obligations, if any, of Landlord under this Lease with respect to matters of title to the Real Estate and liens arising out of labor and/or materials furnished to the Real Estate, or any portion thereof, by or on behalf of Landlord.

17.07 Captions. The table of contents and captions of this Lease are for convenience of reference only and in no way define, limit or describe the scope or intent of this Lease nor in any way affect this Lease.

17.08 Partial Invalidity. If any term, provision or condition of this Lease or its application to any Person or circumstance shall to any extent be invalid or unenforceable, the remainder of this Lease and the application of such term, provision or condition to Persons or circumstances other than those as to which it is held invalid or unenforceable shall not be affected thereby, and each term, provision and condition of this Lease shall be valid and be enforced to the fullest extent permitted by law.

17.09 Applicable Law. This Lease shall be construed and enforced in accordance with the law of the State of Illinois.

17.10 Recording of Lease. This Lease shall be recorded in its entirety with the Cook County Recorder of Deeds.

17.11 Lease Not to be Construed Against Either Party. The parties have each been represented by counsel in connection with the negotiation and drafting of this Lease. Accordingly, this Lease shall not be construed against or for either party.

17.12 Cooperation. Landlord and Tenant agree that they will cooperate with one another in all respects in furtherance of the Development, the construction of the Driveway Extension and the renovation of the Prete Access Easement Area. Tenant shall obtain all required and necessary permits from all Governmental Authorities in furtherance of the

Development, the construction of the Driveway Extension and the renovation of the Prete Access Easement Area. From time to time, Tenant may request minor modifications to this Lease to satisfy the requirements of financing sources, including without limitation, government agencies and private lenders and equity sources. Landlord will use all reasonable efforts to accommodate such requests and will not unreasonably withhold or delay its approval and execution of modifications to this Lease that do not materially and adversely alter the basic terms hereof or Landlord's rights and remedies hereunder. Nothing herein shall impose upon Landlord any requirement to approve any modification or amendment to this Lease that would violate or contravene any applicable law or any contract or agreement to which Landlord is a party or which is binding on Landlord.

Tenant Disclosures and Representations

21.01 Business Relationships. Tenant acknowledges (a) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (b) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Lease, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Lease shall be grounds for termination of this Lease and the transactions contemplated hereby. Tenant hereby represents and warrants that no violation of Section 2-145-030 (b) has occurred with respect to this Lease or the transactions contemplated hereby.

21.02 Patriot Act Certification. Tenant represents and warrants that neither Tenant nor any Affiliate (as hereafter defined) thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. As used in this Section, an "Affiliate" shall be deemed to be a person or entity related to Tenant that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Tenant, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

Prohibition on Certain Contributions-Mayoral Executive Order No.2011-4. Tenant agrees that Tenant, any person or entity who directly or indirectly has an ownership or beneficial interest in Tenant of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Tenant's contractors (i.e., any person or entity in direct contractual privity with Tenant regarding the subject matter of this Lease) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Tenant and

all the other preceding classes of persons and entities are together the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (a) after execution of this Lease by Tenant, (b) while this Lease or any Other Contract (as hereinafter defined) is executory, (c) during the term of this Lease or any Other Contract, or (d) during any period while an extension of this Lease or any Other Contract is being sought or negotiated.
Tenant agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor"=s political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor'=s political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Tenant agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No.2011-4.

Tenant agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this Section 28 or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Lease, and under any Other Contract unless cured within thirty (30) days after written notice of default from the City, and, if not cured within such cure period (which may be by return of any contribution which violates said Executive Order) shall entitle the City to all remedies under this Agreement, and under any Other Contract, at law and in equity.

If Tenant intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the Closing, the City may elect to decline to close the transaction contemplated by this Lease.

For purposes of this provision:

(a) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fundraising committee.

(b) "Other Contract" means any other agreement with the City to which Tenant is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

(c) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

(d) Individuals are "domestic partners" if they satisfy the following criteria:

(i) they are each other's sole domestic partner, responsible for each other's common welfare; and

(ii) neither party is married; and

(iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(iv) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

(v) two of the following four conditions exist for the partners:

(1) The partners have been residing together for at least 12 months.

(2) The partners have common or joint ownership of a residence.

(3) The partners have at least two of the following arrangements:

(A) joint ownership of a motor vehicle;
(B) joint credit account;
(C) a joint checking account;
(D) a lease for a residence identifying both domestic partners as tenants.

(4) Each partner identifies the other partner as a primary beneficiary in a will.

(e) "Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

21.03 Waste Ordinance Provisions. In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Tenant warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Lease is executory, Tenant's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Lease, constitutes a breach of and an event of default under this Lease, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the Agreement, at law or in equity. This section does not limit Tenant's, general contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Lease. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Lease, and may further affect the Tenant's eligibility for future contract awards.

21.04 Failure to Maintain Eligibility to do Business with City. Failure by Tenant or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this Lease and the transactions contemplated thereby. Developer shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

21.05 Cooperation with Office of Inspector General and Legislative Inspector General. It is the duty of Tenant and any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of any such grantee, subgrantee, bidder, proposer,

contractor, subcontractor or such applicant to cooperate with the Legislative Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-55 of the Municipal Code, and to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. Tenant represents and warrants that it understands and will abide by all provisions of Chapter 2-55 and Chapter 2-56 of the Municipal Code and that Tenant will inform its contractors and subcontractors of this provision and require their compliance.

21.06 SHAKMAN ACCORD.

(a) The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "**Shakman Accord**") and the June 24, 2011 "City of Chicago Hiring Plan" (the "**City Hiring Plan**") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(b) Tenant is aware that City policy prohibits City employees from directing any individual to apply for a position with Tenant, either as an employee or as a subcontractor, and from directing Tenant to hire an individual as an employee or as a subcontractor. Accordingly, Tenant must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Tenant under this Lease are employees or subcontractors of Tenant, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Tenant.

(c) Tenant will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Lease, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Lease, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(d) In the event of any communication to Tenant by a City employee or City official in violation of paragraph (b) above, or advocating a violation of paragraph (c) above, Tenant will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("**IGO Hiring Oversight**"), and also to the Commissioner of Planning and Development. Tenant will also cooperate with any inquiries by IGO Hiring Oversight or the Shakman Monitor's Office related to this Agreement The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and the August 16, 2007 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the

Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

21.07. FOIA AND LOCAL RECORDS ACT COMPLIANCE.

(a) FOIA. Tenant acknowledges that the City is subject to the Illinois Freedom of Information Act, 5 ILCS 140/1 et. seq., as amended ("**FOIA**"). The FOIA requires the City to produce records (very broadly defined in the FOIA) in response to a FOIA request in a very short period of time, unless the records requested are exempt under the FOIA. If Tenant receives a request from the City to produce records within the scope of FOIA, that would be otherwise required under this Lease then Tenant covenants to comply with such request within two (2) Business Days of the date of such request. Failure by Tenant to timely comply with such request will be a breach of this Agreement.

(b) Exempt Information. Documents that Tenant submits to the City under Section 21.07, or otherwise during the Term of the Lease that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents submitted by Tenant to be treated as a trade secret or information that would cause competitive harm, FOIA requires that Tenant mark any such documents as "proprietary, privileged or confidential." If Tenant marks a document as "proprietary, privileged and confidential", then the Department of Planning and Development will evaluate whether such document may be withheld under the FOIA. The Department of Planning and Development, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General's Office and/or the courts.

(c) Local Records Act. Tenant acknowledges that the City is subject to the Local Records Act, 50 ILCS 205/1 et. seq, as amended (the "**Local Records Act**"). The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, Tenant covenants to use its best efforts consistently applied to assist the City in its compliance with the Local Records Act concerning records arising under or in connection with this Agreement and the transactions contemplated in the Lease.

IN WITNESS WHEREOF, this Lease is executed as of the date first written above by the duly authorized officers or representatives of the parties hereto.

After the date of taking, the annual Rent shall be reduced ratably by the proportion which the award paid to the Landlord bears to the total value of the Real Estate as established by the amount the Secretary of Housing and Urban Development would be required to pay upon acquisition of the fee.

(ii) In the event of a negotiated sale of all or a portion of the Tenant Property in lieu of condemnation, the proceeds shall be distributed and ground rents reduced as provided in cases of condemnation, but the written approval of HUD or its designee shall be required as to the amount and division of the payment to be received.

(f) Landlord, subject to the prior approval of its City Council (if required), within ten (10) days after receipt of written request from Tenant, agrees that it shall cooperate with Tenant, at Tenant's expense, with regard to any and all applications for permits, licenses or other authorizations required by any governmental or other body claiming jurisdiction in connection with any work which Tenant may perform in accordance with the Lease and also shall cooperate in the obtaining of any grants for easements for electric, telephone, cable, gas, water, sewer and such other public utilities as may be reasonably necessary for the operation of the Tenant Improvements located on the Leasehold Estate; and Landlord shall timely join in any such application or grants for easements, subject to the prior approval of its City Council (if required). If, at the expiration of such ten (10) day period, Landlord shall not have joined in any such application or grants for easements, Tenant shall have the right to execute such application and grants in the name of Landlord, and for that purpose, Landlord hereby irrevocably appoints Tenant as its attorney-in-fact to execute such papers on behalf of Landlord; provided, however, that the execution, application and appointment powers of this sentence shall not apply at any time that the City is the Landlord under the Lease.

(g) Nothing contained in the Lease shall require Tenant to pay any franchise, estate, inheritance, succession, capital levy, or transfer tax of Landlord, or any income, excess profits, or revenue tax, or any other tax, assessment, charge, or levy upon the Rent payable by Tenant under the Lease.

(h) Upon any default by Tenant of its obligations created by the Lease which authorizes the cancellation thereof by Landlord, Landlord shall give written notice to HUD or its designee within sixty (60) days of the occurrence of such default. HUD, its successors and assigns shall have the right within six (6) months from the date of such notice properly served to HUD to correct the default and reinstate the Lease if Landlord has terminated the Lease as provided herein.

At any time after said 6-month period after the date of service of a notice of default to HUD and provided any such default shall remain uncured at such time, Landlord may elect to terminate the Lease and acquire possession of the Tenant Property. Upon acquiring possession of the Tenant Property, Landlord shall immediately notify HUD by written notice. HUD shall have six (6) months from the date of such notice of acquisition to elect to take a new lease on the Real Estate, Improvements and Tenant Improvements located thereon. Such new lease shall have a term equal to the unexpired portion of the Term of the Lease and shall be on the same terms and conditions as contained in the Lease, except that HUD's liability for Rent shall not extend beyond its occupancy under such lease. Landlord shall tender such new lease to HUD within thirty (30) days after a request for such lease and shall deliver possession of the Tenant Property immediately upon the execution of the new lease by Landlord and HUD. Upon executing a new lease, HUD shall pay to Landlord any unpaid Rent due or that would have become due under this Lease to the date of execution of the new lease, including any taxes which were liens on the Leased Property and which were paid by Landlord, less any net rentals or other income which Landlord may have received on account of the Tenant Property since the date of default by Tenant under the Lease.

(i) In accordance with Article 16, all notices, demands and requests which are required to be given by the Landlord, the Tenant, or the Secretary shall be in writing and shall be sent by registered or certified mail, postage prepaid, and addressed to:

Statement Regarding Further Certifications

U.S. Bank National Association itself is a mortgage lender. U.S. Bank National Association is also one of the largest corporate trustees in the United States and in such capacity is trustee of numerous mortgage-backed securitization trusts that each hold multiple real property mortgages. From time to time, mortgage borrowers in Chicago default on payment of real estate taxes or otherwise fail to comply with City of Chicago's requirements with respect to certain mortgaged properties. This can result in legal action against the borrower by the City of Chicago, which legal action may name U.S. Bank National Association as the mortgage holder (either in its individual capacity or in its capacity as a trustee). As of December 22, 2014, U.S. Bank National Association was aware of outstanding claims against it (individually or in its capacity as trustee) totaling $154,040.89 wherein the City of Chicago or one of its departments or divisions (including the Department of Buildings and the Department of Streets and Sanitation) is the creditor. The vast majority of this amount is related to properties that U.S. Bank National Association holds in trust and for which it does not do the servicing. U.S. Bank National Association, both in its individual capacity and in its capacity as a trustee meets periodically with various City officials to address these claims.

Statement Regarding Slavery Era Business

U.S. Bank National Association was formed from the following major banks: (1) Star Bank, National Association (Cincinnati, Ohio) changed its name to Firstar Bank, National Association (Cincinnati, Ohio) effective February 1999; (2) Mercantile Bank National Association (St. Louis, Missouri) merged into Firstar Bank, National Association (Cincinnati, Ohio) effective April 2000; (3) United States National Bank of Oregon (Portland, Oregon) merged with First Bank, National Association under the title U.S. Bank National Association effective August 1997; (4) U.S. Bank National Association merged into Firstar Bank, National Association, and the succeeding bank, changed its name to U.S. Bank National Association effective August 2001. These banks acquired through mergers and acquisitions numerous smaller banks. There are five hundred and forty-two U.S. Bank National Association predecessors. Thirty-five predecessors were founded before the abolition of slavery in December 1865. Thirteen of the pre-1866 predecessors were established in southern slave-holding states and territories, including Kansas, Kentucky, Missouri, and Tennessee.

In reviewing historical records held in various external repositories in accordance with the research requirements as set forth in the City of Chicago Office of the Corporation Counsel opinion letter dated April 29, 2004 (attached hereto), U.S. Bank National Association has identified external records of its predecessors which necessitate disclosure. The conveyance records, while showing no record of direct ownership of enslaved individuals did contain records of founders and/or directors of predecessor banks owning enslaved individuals, as well as a record where an enslaved individual was the collateral for a loan. Specifically, the first president of predecessor Marion National Bank of Lebanon, Kentucky (founded in 1856), Benedict Spalding, owned two enslaved individuals in 1850. In 1860 someone with a similar name "Benidict Spalding" is also listed as having owned fourteen enslaved individuals. In addition, certain members of the Marion National Bank of Lebanon's board of directors (called "commissioners") owned approximately forty-seven enslaved individuals in total (the records include abbreviated names, which we conclude may be references to commissioners). The first president of predecessor First National Bank of Clarksville, Tennessee (founded in 1865), S.F. Beaumont, owned one enslaved individual in 1860. The first president of predecessor St. Louis Building and Savings Association, Missouri (formed in 1857), Marshall Brotherton, owned ten enslaved individuals in 1850 and four enslaved individuals in 1860. Merchants Bank (founded in 1857) and Bank of St. Louis (founded in 1857), both predecessors, along with a group of other St. Louis firms, issued a mortgage to Charles McLaran that was secured by his property, which included an unspecified number of enslaved individuals. However, the 1860 Federal Census Slave Schedule for St. Louis provided that Charles McLaran owned thirteen enslaved individuals.

The above is only a summary. U.S. Bank National Association has previously provided the City of Chicago with supporting attachments.

U.S. Bancorp, the parent company of U.S. Bank National Association, was founded after the slavery era and has no separate assets or activities that pre-date the 20th century. As such, it has no disclosure separate from that of the bank.

Re: Question regarding Economic Disclosure Statement and Affidavit, Part VI ("Certification Regarding Slavery Era Business") and Resolution pending before the Joint Committee on Finance and Human Relations

Dear Alderman Burke:

In a letter dated April 26, 2004, you indicated that a special committee of the City Council, consisting of the combined Committee on Finance and the Committee on Human Relations, currently has under consideration a resolution that raises certain issues regarding interpretation of Section 2-92-585 of the Chicago Municipal Code, the Business, Corporate and Slavery Era Insurance Ordinance. That ordinance requires every city contractor to "complete an affidavit verifying that the contractor has searched any and all records of the company *or any* predecessor company regarding records of investments or profits from slavery or slaveholder insurance policies during the slavery era. The names of any slaves or slaveholders described in those records must be disclosed in the affidavit." (Emphasis supplied)

The affidavit requirement of Section 2-92-585 has been incorporated into the standard Economic Disclosure Statement ("EDS") completed by city contractors as Part VI, entitled "Slavery Certification." The EDS requires an entity contracting with the city to verify that it has "searched any and all records of the Undersigned *and any and all* predecessor entities for records of investments or profits from slavery, the slave industry, or shareholder insurance policies." (Emphasis supplied) The EDS form then requires the contracting entity to disclose the results of that search.

You have asked specifically whether it is "reasonable to interpret the language 'records of the undersigned and any and all predecessor entities' to mean [the contracting entity's] records and the records of its predecessor entities." For the reasons that follow, it is the opinion of this office that the answer is in the

NEIGHBORHOODS Alive!
BUILDING CHICAGO TOGETHER

CHICAGO WORKS

affirmative. A search required for proper compliance with and disclosure under Section 2-92-585 must include all known records of the contracting entity and each of its predecessor entities, to which records the contracting entity has or can obtain access.

Neither the ordinance nor any Illinois decision defines a "predecessor" entity of a city contractor. Under the general rules of statutory construction, the word should be given its ordinary meaning. *Black's Law Dictionary* defines "predecessor" as "one who goes or has gone before; the correlative of 'successor'.....Applied to a body politic or corporate, in the same sense as 'ancestor' is applied to a natural person." This simple analogy indicates that every known antecedent entity of a city contractor – acquired entities, components of earlier mergers, entities acquired by and subsumed into a prior entity that became a predecessor of a contracting entity – should be treated as a predecessor. This is especially appropriate when one considers the preamble to the ordinance adding Section 2-92-385 to the Chicago Municipal Code. The fifth paragraph of the preamble (found at page 94891 of the Journal of Proceedings of the City Council of October 2, 2002) refers to records located in the archives of current insurance firms, documenting slave insurance policies "issued by a predecessor insurance firm; the sixth paragraph (*id.*) refers to "insurers and businesses whose successors remain in existence today." Thus the City Council recognized that, as the American economy has expanded and become more complex, modern business may include different business disciplines (insurers and other businesses).

The appropriate extent of the mandated records search can also be discerned from the preamble. The final paragraph of the preamble (p. 91892) contains a finding of the City Council that entities "doing business with the City of Chicago shall take *any and all steps in good faith* to disclose *any records within their possession or knowledge* relating to investments or profits from the slave industry including insurance policies...." (Emphasis supplied) In order to implement this statement of the Council's intent, a contracting entity may not ignore records that are archived outside the entity's possession (*e.g.* in a museum, university library, historical society or trade association). To ignore deliberately the existence of such known records could not possible constitute a "good faith" effort to take "any and all steps" to document the contractor's history. The breadth of the City Council's desired disclosure also led this department, in the revision of the EDS necessary to implement Section 2-92-585, to change the ordinance's disjunctive in the reference to "any and all records of the [contracting] company or its predecessors" to a conjunctive in the EDS ("any and all records of

the [contracting entity] and any and all predecessor entities").

Very truly yours,

ORDINANCE

AN ORDINANCE providing for the issuance of General Obligation Bonds of the City of Chicago, for the levy and collection of a direct annual tax sufficient to pay the principal of and interest on said Bonds, and for the making of certain designations and elections with respect to any of said Bonds.

WHEREAS, the City of Chicago (the *"City"*) is a body politic and corporate under the laws of the State of Illinois and a home rule unit under Article VII of the Illinois Constitution of 1970; and

WHEREAS, the City has heretofore (i) authorized the issuance of its general obligation bonds and notes (the *"Authorized General Obligation Bonds and Notes"*), (ii) authorized the borrowing of money pursuant to one or more general obligation line of credit agreements to provide funds for working capital or interim financing for capital projects (the *"General Obligation Line of Credit Indebtedness"*) and (ii) established a commercial paper program authorizing the issuance of its general obligation commercial paper notes from time to time (the *"General Obligation Commercial Paper Notes"*); and

WHEREAS, (i) the Authorized General Obligation Bonds and Notes currently outstanding, (ii) the General Obligation Line of Credit Indebtedness incurred and outstanding from time to time and (iii) the General Obligation Commercial Paper Notes currently or hereafter outstanding from time to time (collectively, the "*Outstanding Indebtedness*") mature and are subject to optional and mandatory redemption as provided in the respective proceedings authorizing the Outstanding Indebtedness; and

WHEREAS, the City has heretofore expended funds from the Corporate Fund of the City to pay debt service coming due on certain Outstanding Indebtedness; and

WHEREAS, it is in the best interests of the inhabitants of the City and necessary for the welfare of the government and affairs of the City to authorize the (i) payment or the refunding of all or a portion of the Outstanding Indebtedness in order to achieve debt service savings for the City or restructure debt service relating to the Outstanding Indebtedness (collectively, the *"Refunding Purposes"*), and (ii) reimbursements to the Corporate Fund of the City for amounts expended in connection with the payment of debt service relating to Outstanding Indebtedness (together with the Refunding Purposes, the "*Borrowing Purposes*"); and

WHEREAS, the cost of the Borrowing Purposes and other expenditures incurred in connection therewith is estimated to be not less than $500,000,000 and the City expects to pay a portion of such costs by borrowing money and issuing its general obligation bonds in one or more series and at one or more times in the aggregate principal amount of not to exceed $500,000,000 (plus the amount of any original issue discount as herein provided); and

WHEREAS, the City has determined that it is advisable and necessary to authorize the borrowing of the sum necessary at this time for any or all of the purposes of (i) paying costs of

the Borrowing Purposes, (iii) capitalizing or funding interest on Outstanding Indebtedness and (ii) paying the expenses of issuing the bonds herein authorized for the purposes described herein, and in evidence thereof to authorize the issuance of its General Obligation Bonds, in one or more series and at one or more times as herein provided (the *"Bonds"*), such borrowing being for a proper public purpose and in the public interest, and the City, by virtue of its constitutional home rule powers and all laws applicable thereto, has the power to issue such Bonds; and

WHEREAS, the Bonds may include one or more series of bonds the interest on which is, as designated by series, either includible or excludable from gross income of the owners thereof for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended (the "*Code*"); now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

Section 1. The City Council of the City (the *"City Council"*), after a public meeting heretofore held on this Ordinance by the Committee on Finance of the City Council, pursuant to proper notice and in accordance with the findings and recommendations of such Committee, hereby finds that all of the recitals contained in the preambles to this Ordinance are full, true and correct and does incorporate them into this Ordinance by this reference.

Section 2. There shall be borrowed on the credit of and for and on behalf of the City in one or more series and at one or more times the sum of not to exceed $500,000,000 plus an amount equal to the amount of any net original issue discount used in the marketing of the Bonds (not to exceed 15 percent of the principal amount of each series thereof) for the purposes aforesaid; and the Bonds shall be issued from time to time in said aggregate principal amount, or such lesser amount, as may be determined by the City's Chief Financial Officer or the City Comptroller (each such officer being hereinafter referred to as an *"Authorized Officer"*).

All or any portion of the Bonds may be issued as Bonds bearing interest at fixed rates and paying interest semiannually as described below (the *"Current Interest Bonds"*). Each series of Current Interest Bonds shall be dated such date as shall be agreed upon by an Authorized Officer and the purchasers of such Current Interest Bonds, shall be in fully registered form, shall be in such minimum denominations and integral multiples thereof as shall be agreed upon by an Authorized Officer and the purchasers of such Current Interest Bonds (but no single Bond shall represent installments of principal maturing on more than one date), and shall be numbered as determined by the applicable Bond Registrar (as hereinafter defined and including the hereinafter defined Trustee).

All or any portion of the Bonds may be issued as Bonds payable in one payment on a fixed date (*"Capital Appreciation Bonds"*). Each series of Capital Appreciation Bonds shall be dated the date of issuance thereof and shall also bear the date of authentication, shall be in fully registered form, shall be numbered as determined by the applicable Bond Registrar, and shall be in denominations equal to the original principal amounts of such Capital Appreciation Bonds or any integral multiple thereof, each such original principal amount representing Compound Accreted Value (as hereinafter defined) at maturity (the *"Maturity Amount"*) of such minimum amounts and integral multiples thereof as shall be agreed upon by an Authorized Officer and the

purchasers of such Capital Appreciation Bonds (but no single Bond shall represent Compound Accreted Value maturing on more than one date). As used herein, the "*Compound Accreted Value*" of a Capital Appreciation Bond on any date of determination shall be an amount equal to the original principal amount (or integral multiple thereof) plus an investment return accrued to the date of such determination at a semiannual compounding rate which is necessary to produce the yield to maturity borne by such Capital Appreciation Bond (the "*Yield to Maturity*").

The Bonds may be initially issued as Capital Appreciation Bonds containing provisions for the conversion of the Compound Accreted Value of such Bonds into Current Interest Bonds (the "*Convertible Bonds*") at such time following the initial issuance as shall be approved by an Authorized Officer. While in the form of Capital Appreciation Bonds, such Convertible Bonds shall be subject to all of the provisions and limitations of this Ordinance relating to Capital Appreciation Bonds, and while in the form of Current Interest Bonds, such Convertible Bonds shall be subject to all of the provisions and limitations of this Ordinance relating to Current Interest Bonds. In particular, when Convertible Bonds are in the form of Capital Appreciation Bonds prior to their conversion to Current Interest Bonds, the transfer, exchange and replacement provisions of this Ordinance with respect to Capital Appreciation Bonds shall apply to such Convertible Bonds; *provided* that the Convertible Bonds delivered in the form of Capital Appreciation Bonds in connection with any such transfer, exchange or replacement shall have identical provisions for conversion to Current Interest Bonds as set forth in the Convertible Bonds being transferred, exchanged or replaced. In connection with the issuance and sale of any Convertible Bonds, the terms and provisions relating to the conversion of the Compound Accreted Value of such Convertible Bonds into Current Interest Bonds shall be as approved by an Authorized Officer at the time of sale of such Convertible Bonds. Notwithstanding any other provision hereof, any series of Bonds may be issued as Capital Appreciation Bonds, Current Interest Bonds, Convertible Bonds or any combination thereof.

All or any portion of the Bonds may be issued and sold from time to time as a direct purchase by holders (the "*Direct Purchase Bonds*"). The Direct Purchase Bonds shall be sold as provided in Section 12 hereof.

Each series of Bonds may be issued pursuant to, and have such terms and provisions as are set forth in a trust indenture between the City and a bank or trust company selected by an Authorized Officer (the "*Trustee*"). The Mayor or an Authorized Officer is hereby authorized to enter into one or more such trust indentures on behalf of the City. Each such trust indenture shall be in substantially the form of the Trust Indenture attached hereto as Exhibit A (the "*Trust Indenture*") and hereby incorporated herein by reference, but with such revisions in text as the Mayor or the Authorized Officer executing the same shall determine are necessary or desirable, the execution thereof, and any amendment thereto, by the Mayor or such Authorized Officer to evidence the City Council's approval of all such revisions, which revisions may include, among other things, revisions required (i) to reflect the issuance of the Bonds as Current Interest Bonds, Capital Appreciation Bonds, Convertible Bonds or Direct Purchase Bonds and (ii) in the case of the issuance of a series of Bonds the interest on which is not excludable from the gross income of the owners thereof for federal income tax purposes. With respect to any series of Bonds issued pursuant to a Trust Indenture, in the event of any conflict between the provisions

of this Ordinance and such Trust Indenture (including in the form of Bond attached thereto as an exhibit), the terms of such Trust Indenture shall be deemed to control.

The principal of the Bonds of each series shall become due and payable on or before the earlier of (i) January 1, 2057, or (ii) 40 years after the date of issuance thereof. Each series of Current Interest Bonds shall bear interest at a rate or rates and each series of Capital Appreciation Bonds shall have Yields to Maturity not to exceed 18 percent per annum. Any portion of the Bonds may be issued as obligations the interest on which is not excludable from the gross income of the owner thereof for federal income tax purposes if determined by an Authorized Officer to be beneficial to the City.

Each Current Interest Bond shall bear interest from the later of its date or the most recent interest payment date to which interest has been paid or duly provided for, until the principal amount of such Bond is paid, such interest (computed upon the basis of a 360-day period of twelve 30-day months) being payable on January 1 and July 1 of each year, commencing on such January 1 or July 1 as shall be determined by an Authorized Officer at the time of the sale of each series of Current Interest Bonds. Interest on each Current Interest Bond shall be paid to the person in whose name such Current Interest Bond is registered at the close of business on the 15th day of the month next preceding the interest payment date, by check or draft of the applicable Bond Registrar, or, at the option of any registered owner of $1,000,000 or more in aggregate principal amount of Current Interest Bonds of a series, by wire transfer of immediately available funds to such bank in the continental United States of America as the registered owner of such Current Interest Bonds shall request in writing to the applicable Bond Registrar.

Each Capital Appreciation Bond shall accrue interest from its date at the rate per annum compounded semiannually on each January 1 and July 1, commencing on such January 1 or July 1 as determined by an Authorized Officer at the time of sale of such Capital Appreciation Bonds, which will produce the Yield to Maturity identified therein until the maturity date thereof. Interest on the Capital Appreciation Bonds shall be payable only at the respective maturity dates thereof.

The principal of the Current Interest Bonds and the Compound Accreted Value of the Capital Appreciation Bonds and any redemption premium shall be payable in lawful money of the United States of America upon presentation and surrender thereof at the designated corporate trust office of the applicable Bond Registrar.

Each of the Bonds shall be designated "General Obligation Bonds, Series ____," with such additions, modifications or revisions as shall be determined to be necessary by an Authorized Officer at the time of the sale of such Bonds to reflect the calendar year of issuance of the Bonds, the order of sale of the Bonds, the specific series of the Bonds, whether the Bonds are being issued on a taxable basis, whether the Bonds are Current Interest Bonds, Capital Appreciation Bonds, Convertible Bonds or Direct Purchase Bonds, and any other authorized features of the Bonds determined by an Authorized Officer as desirable to be reflected in the title of the Bonds being issued and sold.

The seal of the City or a facsimile thereof shall be affixed to or printed on each of the Bonds, and the Bonds shall be executed by the manual or facsimile signature of the Mayor and attested by the manual or facsimile signature of the City Clerk, and in case any officer whose signature shall appear on any Bond shall cease to be such officer before the delivery of such Bond, such signature shall nevertheless be valid and sufficient for all proposes, the same as if such officer had remained in office until delivery. As used in this Ordinance, *"City Clerk"* shall mean the duly qualified and acting City Clerk of the City or any Deputy City Clerk or other person that may lawfully take a specific action or perform a specific duty prescribed for the City Clerk pursuant to this Ordinance.

All Bonds shall have thereon a certificate of authentication substantially in the form hereinafter set forth duly executed by the applicable Bond Registrar as authenticating agent of the City and showing the date of authentication. No Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this Ordinance unless and until such certificate of authentication shall have been duly executed by the applicable Bond Registrar by manual signature, and such certificate of authentication upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Ordinance. The certificate of authentication on any Bond shall be deemed to have been executed by the applicable Bond Registrar or Trustee if signed by an authorized officer of such Bond Registrar or Trustee, but it shall not be necessary that the same officer sign the certificate of authentication on all of the Bonds issued hereunder.

Section 3. (a) *Registration and Transfer.* The City shall cause books (the *"Bond Register"*) for the registration and for the transfer of each series of Bonds as provided in this Ordinance to be kept at the designated corporate trust office of a bank or trust company designated by an Authorized Officer, and which shall, with respect to a series of Bonds issued pursuant to an Indenture, shall be the Trustee for such series of Bonds (the *"Bond Registrar"*), as the registrar for the City in connection with such series of Bonds. The City is authorized to prepare multiple Bond blanks executed by the City for use in the transfer and exchange of Bonds.

Upon surrender for transfer of any Bond at the designated corporate trust office of the applicable Bond Registrar, duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory to such Bond Registrar and duly executed by the registered owner or its attorney duly authorized in writing, the City shall execute and such Bond Registrar shall authenticate, date and deliver in the name of the transferee or transferees (a) in the case of any Current Interest Bond, one or more fully registered Current Interest Bonds of the same series, interest rate and maturity of authorized denominations, for a like principal amount or (b) in the case of any Capital Appreciation Bond, a new fully registered Capital Appreciation Bond or Bonds of the same series, maturity and Yield to Maturity of authorized denominations, for a like aggregate original principal amount of Capital Appreciation Bond or Bonds of the same series, maturity and Yield to Maturity of other authorized denominations. Any Current Interest Bond or Bonds may be exchanged at said office of the applicable Bond Registrar for a like aggregate principal amount of Bonds of the same series, interest rate and maturity of other authorized denominations. Any Capital Appreciation Bond or Bonds may be exchanged at said office of the applicable Bond Registrar for a like aggregate original principal amount of Capital

Appreciation Bond or Bonds of the same series, maturity and Yield to Maturity of other authorized denominations. The execution by the City of any fully registered Bond shall constitute full and due authorization of such Bond, and the applicable Bond Registrar shall thereby be authorized to authenticate, date and deliver such Bond; *provided* that (a) the principal amount of Current Interest Bonds of each series, maturity and interest rate authenticated by the applicable Bond Registrar shall not exceed the authorized principal amount of Current Interest Bonds for such series, maturity and interest rate less previous retirements and (b) the aggregate original principal amount of outstanding Capital Appreciation Bonds of each series, maturity and Yield to Maturity authenticated by the applicable Bond Registrar shall not exceed the authorized aggregate original principal amount of Capital Appreciation Bonds of such series, maturity and Yield to Maturity less previous retirements.

The applicable Bond Registrar shall not be required to transfer or exchange (a) any Bond after notice calling such Bond for redemption has been mailed, or (b) any Bond during a period of 15 days next preceding mailing of a notice of redemption of such Bond; *provided, however,* that provisions relating to the transfer or exchange of Bonds of a series shall be as determined by an Authorized Officer at the time of the sale thereof and may be set forth in a notification of sale as described in Section 12 hereof or in the Trust Indenture as authorized in Section 2 hereof.

The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal of, redemption premium, if any, Compound Accreted Value of or interest on any Bond, as appropriate, shall be made only to or upon the order of the registered owner thereof or its legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

No service charge shall be made for any transfer or exchange of Bonds, but the City or the applicable Bond Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds, except that no such payment may be required in the case of the issuance of a Bond or Bonds for the unredeemed portion of a Bond surrendered for redemption.

(b) *Book-Entry Only System.* If so determined and directed by an Authorized Officer in connection with the sale of any of the Bonds, such Bonds may be issued in book-entry only form. In connection with the issuance of Bonds in book-entry only form, an Authorized Officer is authorized to execute and deliver to the book-entry depository selected by such Authorized Officer such depository's standard form of representation letter. If any of the Bonds are registered in the name of a securities depository which uses a book-entry system, the standing of the beneficial owner to enforce any of the covenants herein may be established through the books and records of such securities depository or a participant therein.

(c) *Bonds Lost, Destroyed, etc.* If any Bond, whether in temporary or definitive form, is lost (whether by reason of theft or otherwise), destroyed (whether by mutilation, damage, in whole or in part, or otherwise) or improperly cancelled, the applicable Bond Registrar may authenticate a new Bond of like series, date, maturity date, interest rate (or, in the case of

Capital Appreciation Bonds, Yield to Maturity), denomination and principal amount (or, in the case of Capital Appreciation Bonds, original principal amount) and bearing a number not contemporaneously outstanding; *provided* that (i) in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the applicable Bond Registrar, and (ii) in the case of any lost Bond or Bond destroyed in whole, there shall be first furnished to the applicable Bond Registrar evidence of such loss or destruction, together with indemnification of the City and such Bond Registrar, satisfactory to such Bond Registrar. If any lost, destroyed or improperly cancelled Bond shall have matured or is about to mature, or has been called for redemption, instead of issuing a duplicate Bond, the applicable Bond Registrar shall pay the same without surrender thereof if there shall be first furnished to such Bond Registrar evidence of such loss, destruction or cancellation, together with indemnity, satisfactory to it. Upon the issuance of any substitute Bond, the applicable Bond Registrar may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto.

(d) *Redemption.* The Bonds may be made subject to redemption prior to maturity at the option of the City, in whole or in part on any date, at such times and at such redemption prices (to be expressed as a percentage of the principal amount of Current Interest Bonds being redeemed and expressed as a percentage of the Compound Accreted Value of Capital Appreciation Bonds to be redeemed or as a formula as described below) not to exceed 115 percent, plus, in the case of Current Interest Bonds, accrued interest to the date of redemption, as determined by an Authorized Officer at the time of the sale thereof.

Notwithstanding the foregoing, such 115 percent limitation on the redemption price of Bonds shall not apply where the redemption price is based upon a formula designed to compensate the owner of the Bonds to be redeemed based upon prevailing market conditions on the date fixed for redemption, commonly known as a "make-whole" redemption price (the *"Make-Whole Redemption Price"*). At the time of sale of the Bonds, an Authorized Officer shall determine the provisions of the formula to be used to establish any Make-Whole Redemption Price, which may vary depending on whether the Bonds are issued on a taxable or tax-exempt basis. An Authorized Officer shall confirm and transmit the applicable Make-Whole Redemption Price on such dates and to such parties as shall be necessary to effectuate such redemption.

If fewer than all of the outstanding Bonds of a series are to be optionally redeemed, the Bonds to be called shall be called from such maturities and interest rates of such series as may be determined by an Authorized Officer.

Certain of the Bonds of a series may be made subject to mandatory redemption, at par and accrued interest to the date fixed for redemption, as determined by an Authorized Officer at the time of the sale thereof.

An Authorized Officer is hereby authorized to sell (at a price determined by such Authorized Officer to be in the best interests of the City) or waive any right the City may have to call any of the Bonds for optional redemption, in whole or in part, and is hereby further authorized to expend the proceeds of any such sales for any purpose for which the proceeds of the Bonds are authorized to be expended and for the payment or prepayment of any City debt obligations whether issued before or after the date of adoption of this Ordinance, all as

determined by an Authorized Officer; *provided however,* to the extent that interest on such Bonds is excluded from gross income for federal income tax purposes, such expenditures shall not adversely affect such exclusion. If determined to be necessary or appropriate, an Authorized Officer is authorized to solicit the consent of holders of outstanding Bonds to any such sale or waiver.

At the time of sale of Bonds of a series, an Authorized Officer is authorized to determine the manner of redeeming such Bonds, either by lot in the manner hereinafter provided or pro-rata in the manner determined by an Authorized Officer at the time of sale, in the event less than all of the Bonds of the same series, maturity and interest rate are to be redeemed.

The Current Interest Bonds shall be redeemed only in amounts equal to the respective minimum authorized denominations and integral multiples thereof and the Capital Appreciation Bonds shall be redeemed only in amounts representing the respective minimum authorized Maturity Amounts and integral multiples thereof. In the event of the redemption of fewer than all the Bonds of the same series, maturity and interest rate by lot, the aggregate principal amount or Maturity Amount (as appropriate) thereof to be redeemed shall be the minimum authorized denomination or Maturity Amount (as appropriate) for such series or an integral multiple thereof, and the applicable Bond Registrar shall assign to each Bond of such series, maturity and interest rate, a distinctive number for each minimum authorized denomination or Maturity Amount (as appropriate) of such Bond and shall select by lot from the numbers so assigned as many numbers as, at such minimum authorized denomination or Maturity Amount (as appropriate) for each number, shall equal the principal amount or Maturity Amount (as appropriate) of such Bonds to be redeemed. In such case, the Bonds to be redeemed shall be those to which were assigned numbers so selected; *provided* that only so much of the principal amount or Maturity Amount (as appropriate) of each Bond shall be redeemed as shall equal such minimum authorized denomination or Maturity Amount (as appropriate) for each number assigned to it and so selected. In the event of the redemption of fewer than all Bonds of the same series, maturity and interest rate on a pro-rata basis, if the Bonds are held in book-entry form at the time of redemption, at the time of sale of the Bonds, an Authorized Officer is authorized to direct the Bond Registrar to instruct the book-entry depository to select the specific Bonds within such maturity and interest rate for redemption pro-rata among such Bonds. The City shall have no responsibility or obligation to ensure that the book-entry depository properly selects such Bonds for redemption.

The City shall, at least 45 days prior to any optional redemption date (unless a shorter time period shall be satisfactory to the applicable Bond Registrar), notify the applicable Bond Registrar of such redemption date and of the principal amount or Maturity Amount (as appropriate) of Bonds of such series to be redeemed.

In connection with any mandatory redemption of Bonds of a series as authorized above, the principal amounts of Bonds (or the Compound Accreted Value of the Capital Appreciation Bonds) of such series to be mandatorily redeemed in each year may be reduced through the earlier optional redemption thereof, with any partial optional redemptions of such Bonds of such series credited against future mandatory redemption requirements in such order of the mandatory redemption dates as an Authorized Officer may determine. In addition, on or prior to

the 60th day preceding any mandatory redemption date of Bonds of a series, the applicable Bond Registrar may, and if directed by an Authorized Officer shall, purchase Bonds of such series required to be retired on such mandatory redemption date at such prices as an Authorized Officer shall determine. Any such Bonds so purchased shall be cancelled and the principal amount (or Compound Accreted Value, as appropriate) thereof shall be credited against the payment required on such next mandatory redemption date with respect to such series of Bonds.

The applicable Bond Registrar shall promptly notify the City in writing of the Bonds, or portions thereof, selected for redemption and, in the case of any Bond selected for partial redemption, the principal amount, Compound Accreted Value or Maturity Amount (as appropriate) thereof, and the interest rate thereof to be redeemed.

Subject to the limitation on redemption price set forth above, the terms of such redemption shall be determined by an Authorized Officer at the time of sale of the Bonds of such series and may be set forth in a notification of sale as described in Section 12 hereof or in the Trust Indenture as authorized in Section 2 hereof.

Section 4. Unless waived by any owner of Bonds to be redeemed, notice of the call for any such redemption shall be given by the applicable Bond Registrar on behalf of the City by mailing the redemption notice by first class mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the registered owner of the Bond or Bonds to be redeemed at the address shown on the applicable Bond Register or at such other address as is furnished in writing by such registered owner to such Bond Registrar, but the failure to mail any such notice or any defect therein as to any Bond shall not affect the validity of the proceedings for the redemption of any other Bond. Any notice of redemption mailed as provided in this Section shall be conclusively presumed to have been given whether or not actually received by the addressee.

All notices of redemption shall state:

(1) the series designation of the Bonds to be redeemed,

(2) the redemption date,

(3) the redemption price, or in the case of a redemption of Bonds at a Make-Whole Redemption Price, a description of the formula by which the redemption price shall be determined,

(4) if less than all outstanding Bonds of a series are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts, interest rates, Compound Accreted Values or Maturity Amounts) of the Bonds to be redeemed,

(5) that on the redemption date the redemption price will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date,

(6) the place where such Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the designated corporate trust office of the applicable Bond Registrar, and

(7) such other information as shall be deemed necessary by the applicable Bond Registrar at the time such notice is given to comply with law, regulation or industry standard.

With respect to an optional redemption of any series of Bonds, such notice may state that said redemption is conditioned upon the receipt by the applicable Bond Registrar on or prior to the date fixed for redemption of moneys sufficient to pay the redemption price of the Bonds of such series. If such moneys are not so received, such redemption notice shall be of no force and effect, the City shall not redeem such Bonds and the applicable Bond Registrar shall give notice, in the same manner in which the notice of redemption was given, that such moneys were not so received and that such Bonds will not be redeemed. Unless the notice of redemption shall be made conditional as provided above, on or prior to any redemption date for a series of Bonds, the City shall deposit with the applicable Bond Registrar an amount of money sufficient to pay the redemption price of all the Bonds or portions thereof of such series which are to be redeemed on that date.

Notice of redemption having been given as aforesaid, the Bonds, or portions thereof, so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the City shall default in the payment of the redemption price or unless, in the event of a conditional notice as described above, the necessary moneys were not deposited) such Bonds, or portions thereof, shall cease to bear, accrue or compound interest. Upon surrender of such Bonds for redemption in accordance with said notice, such Bonds shall be paid by the applicable Bond Registrar at the redemption price. Installments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption (i) of any Current Interest Bond, there shall be prepared for the registered owner a new Current Interest Bond or Bonds of the same series, interest and maturity in the amount of the unpaid principal or (ii) of any Capital Appreciation Bond, there shall be prepared for the registered owner a new Capital Appreciation Bond or Bonds of the same series, Yield to Maturity and maturity date in the amount of the unpaid Maturity Amount.

If any Current Interest Bond, or portion thereof, called for redemption shall not be so paid upon surrender thereof for redemption, the principal shall, until paid, bear interest from the redemption date at the rate borne by such Bond, or portion thereof, so called for redemption. If any Capital Appreciation Bond, or portion thereof, called for redemption shall not be so paid upon surrender thereof for redemption, the Compound Accreted Value at such redemption date shall continue to accrue interest from such redemption date at the Yield to Maturity borne by such Capital Appreciation Bond, or portion thereof, so called for redemption. All Bonds which

have been redeemed shall be cancelled and destroyed by the applicable Bond Registrar and shall not be reissued.

If any Bond is not presented for payment when the principal amount, Compound Accreted Value or Maturity Amount thereof becomes due, either at maturity or at a date fixed for redemption thereof or otherwise, and if moneys sufficient to pay such Bond are held by the applicable Bond Registrar for the benefit of the registered owner of such Bond, such Bond Registrar shall hold such moneys for the benefit of the registered owner of such Bond without liability to the registered owner for interest. The registered owner of such Bond thereafter shall be restricted exclusively to such funds for satisfaction of any claims relating to such Bond.

Section 5. The Current Interest Bonds and the Capital Appreciation Bonds of each series shall be prepared in substantially the following forms with such insertions and revisions as shall be necessary to reflect the terms and provisions of the sale of the Bonds of such series pursuant to Section 12 hereof; *provided* that if the text of any Bond is to be printed in its entirety on the front side of such Bond, then the text shown or appearing on the reverse side of such Bond shall replace paragraph [2] and the legend, "See Reverse Side for Additional Provisions," shall be omitted. The Convertible Bonds shall be prepared incorporating the provisions of the forms of Capital Appreciation Bonds and Current Interest Bonds set forth below as necessary to reflect the terms and provisions of the sale of the Convertible Bonds pursuant to Section 12 hereof.

All Bonds may be prepared with such insertions and revisions as shall be necessary in connection with the issuance of such Bonds as Direct Purchase Bonds.

; provided that collections of such levy for any year in an amount in excess of that necessary to make the payments described in clauses (i) through (v), above (a) may be used for any lawful public purpose designated by the City Council or (b) may be reduced and abated by an Authorized Officer if such reduction is deemed desirable by an Authorized Officer in connection with the sale or sales of the Bonds, in each case as determined from time to time by an Authorized Officer as provided in Section 12 hereof.

The tax levy made in this Section is not subject to the *"Aggregate Levy"* limitation contained in the Chicago Property Tax Limitation Ordinance contained in Chapter 3-92 of the Municipal Code of Chicago (the *"Municipal Code"*), and Section 3-92-020 of the Municipal Code is hereby superseded to exclude the tax levy herein from the definition of "Aggregate Levy" contained therein.

The term *"Pledged Taxes"* means the taxes hereinabove levied for collection for the purpose of providing the funds necessary to make the payments described in clauses (i) through (v) of the first paragraph of this Section 7, and, subject to the provisions of Section 14 hereof, the proceeds of taxes levied for the years from and after 2014 in connection with the issuance of the Outstanding Indebtedness to the extent such tax collections are not necessary for the payment of the Outstanding Indebtedness due to the payment or refunding thereof as

authorized herein or pursuant to any other authorization, and the term *"Pledged Taxes"* shall also include any amounts deposited into the hereinafter-defined Bond Fund or deposited with the Ad Valorem Tax Escrow Agent (as defined in Section 9 hereof) by an Authorized Officer for the purpose of paying principal of and interest on the Bonds and any accrued interest received and deposited in the Bond Fund or the Ad Valorem Tax Escrow Account, if established pursuant to Section 9 hereof.

As provided in Section 12 or otherwise, the City reserves the right to abate all or a portion of the Pledged Taxes required to be levied in any year if and to the extent on or before March 31 of the next succeeding calendar year (or such earlier date as may be required by law), the City has on hand amounts dedicated to the payments described in clause (i) of the first paragraph of this Section 7 due during the one-year period commencing on January 2 of such succeeding calendar year. The City may, but shall not be required to, cause the extension and collection of the Pledged Taxes for the payment when due of any General Obligation Line of Credit Indebtedness or the principal of and interest on General Obligation Commercial Paper Notes or cause the levy or extension in any year of taxes for the payment of any amount described in clauses (iv) and (v) of the first paragraph of this Section 7.

Section 8. The City shall appropriate or otherwise provide amounts sufficient to pay principal of and interest on the Bonds (including the Compound Accreted Value of any Capital Appreciation Bonds) for the years such amounts are due, and the City hereby covenants to take timely action as required by law to carry out the provisions of this Section, but, if for any such year it fails to do so, this Ordinance shall constitute a continuing appropriation ordinance of such amounts without any further action on the part of the City Council.

Section 9. Each Authorized Officer is authorized to establish one or more special accounts, if determined to be necessary in connection with the sale of any of the Bonds, separate and segregated from all other funds and accounts of the City (each a *"Bond Fund"*), which shall either be (i) held by an Authorized Officer, (ii) maintained by the Trustee pursuant to a Trust Indenture or (iii) maintained with a bank or trust company to be designated by an Authorized Officer (each an *"Ad Valorem Tax Escrow Account"*) pursuant to an escrow agreement (each an *"Ad Valorem Tax Escrow Agreement"*), between the City and the applicable Escrow Agent named therein (each an *"Ad Valorem Tax Escrow Agent"*), and one or more of the Mayor or an Authorized Officer are hereby authorized to execute and deliver one or more Ad Valorem Tax Escrow Agreements in connection with the sale of the Bonds in such form as the officers so executing such agreement may deem appropriate in accordance with the provisions of this Ordinance.

In lieu of the proceeds of such taxes being deposited with the City Treasurer, each Authorized Officer is authorized to direct the County Collectors of Cook and DuPage Counties, Illinois (the *"County Collectors"*) to deposit the proceeds of such taxes directly into the Bond Fund held pursuant to the applicable Trust Indenture or the applicable Ad Valorem Tax Escrow Account, if such Trust Indenture has been executed and delivered or such Ad Valorem Tax Escrow Account has been created.

Section 10. If the Pledged Taxes to be applied to the payment of the Bonds are not available in time to make any payments of principal of or interest on the Bonds when due, then the appropriate fiscal officers of the City are hereby directed to make such payments from any other moneys, revenues, receipts, income, assets or funds of the City that are legally available for that purpose in advancement of the collection of such Pledged Taxes, and when the proceeds thereof are received, such other funds shall be replenished, all to the end that the credit of the City may be preserved by the prompt payment of the principal of and interest on the Bonds as the same become due.

Section 11. A copy of this Ordinance, duly certified by the City Clerk, shall be filed in the respective offices of the County Clerks of Cook and DuPage Counties, Illinois (the "County Clerks"), and such filing shall constitute the authority for and it shall be the duty of the County Clerks, in each year beginning in 2016, to and including 2056, to extend the taxes levied pursuant to Section 7 hereof for collection in such year, such taxes to be in addition to and in excess of all other taxes heretofore or hereafter authorized to be levied by the City on its behalf.

A copy of this Ordinance, duly certified by the City Clerk, shall also be filed with the Trustee, if any, each applicable Ad Valorem Tax Escrow Agent, if any, each applicable Bond Registrar, and if the County Collectors are authorized to deposit the proceeds of the taxes levied pursuant to Section 7 hereof directly with the Trustee or an Ad Valorem Tax Escrow Agent pursuant to Section 9 hereof, with the County Collectors.

Section 12. Each Authorized Officer is hereby authorized to sell all or any portion of the Bonds, other than the Direct Purchase Bonds which shall be sold as provided in the following paragraph, from time to time to or at the direction of an underwriter or group of underwriters to be selected by such Authorized Officer (the *"Underwriters"*), with the concurrence of the Chairman of the Committee on Finance of the City Council, on such terms as such Authorized Officer may deem to be in the best interests of the City within the limitations set forth in this Ordinance.

The Bonds may be sold as Direct Purchase Bonds in a manner and containing such terms authorized by an Authorized Officer, including pursuant to a placement agent arrangement, to a purchaser or purchasers other than the Underwriters (the *"Direct Purchasers"*), such Direct Purchasers to be selected by an Authorized Officer and such sale being permitted at a price of not less than 85 percent of the principal amount of the Direct Purchase Bonds being sold. The Mayor or an Authorized Officer is hereby authorized to do all such things and to execute and deliver such additional documents, agreements and certificates as shall be necessary in connection with the sale of Direct Purchase Bonds.

The principal amount of and the interest on the Bonds (including the Compound Accreted Value of any Capital Appreciation Bonds) sold of each series and maturity in the aggregate (after taking into account (i) interest on the Bonds of such series to be paid from proceeds thereof and (ii) mandatory redemptions) shall not exceed the amount levied therefor as specified in Section 7 hereof. The Bonds may be sold from time to time as an Authorized Officer shall determine that the proceeds of such sales are needed.

Either Authorized Officer is hereby authorized and directed to cause all necessary notices of redemption of the Outstanding Indebtedness selected for refunding as provided above to be given in accordance with the terms of the respective ordinances, indentures or agreements, as applicable, authorizing the Outstanding Indebtedness.

The Mayor or an Authorized Officer is hereby authorized to execute and deliver a contract of purchase with respect to each sale of the Bonds (i) to, or at the direction of, the Underwriters or (ii) to the Direct Purchasers, in substantially the form previously used for similar general obligation bonds of the City (the *"Contract of Purchase"*), with appropriate revisions to reflect the terms and provisions of the Bonds and such other revisions in text as the Mayor or an Authorized Officer shall determine are necessary or desirable in connection with the sale of the Bonds. Bonds sold pursuant to a Contract of Purchase shall be sold at a price of not less than 85 percent of the principal amount of the Bonds being sold and the compensation paid to the Underwriters in connection with any such sale of Bonds shall not exceed five percent of the principal amount of the Bonds being sold. Nothing contained in this Ordinance shall limit the sale of the Bonds or any maturity or maturities thereof at a price or prices in excess of the principal amount thereof.

In connection with any sale of the Bonds, an Authorized Officer is hereby authorized to obtain one or more policies of bond insurance from recognized bond insurers selected by an Authorized Officer, if such Authorized Officer determines such bond insurance to be desirable in connection with such sale of the Bonds. Either Authorized Officer may, on behalf of the City, make covenants with such bond insurer that are not inconsistent with the provisions of this Ordinance and are necessary to carry out the purposes of this Ordinance.

In the event that Bonds are sold so as to require the levy of taxes for any year specified in Section 7 hereof for the purpose of making the payments described in clause (i) of the first paragraph of Section 7 hereof in an amount less than the amount specified for such year in the first paragraph of Section 7 hereof, then an Authorized Officer shall, on or prior to March 31 (or such earlier date as may be required by law) of the calendar year next succeeding such year, notify the City Council of the determination made pursuant to clauses (a) and (b) of the first paragraph of Section 7 hereof regarding the application of any resulting excess levy collections, and, in addition, in connection with a determination made pursuant to clause (b) of the first paragraph of Section 7 hereof, an Authorized Officer shall file in the respective offices of the County Clerks certificates of tax abatement for such year. In the event that upon the final sale of the Bonds of all series, such Bonds have been sold so as to require the levy of taxes in any year specified in Section 7 hereof for the purpose of making the payments described in clause (i) of the first paragraph of Section 7 hereof in an amount less than the amount specified for such year in Section 7 hereof, then there shall be included, in the final notification of sale to the City Council described below in this Section 12, the determination made pursuant to clauses (a) and (b) of the first paragraph of Section 7 hereof regarding the application of any resulting excess levy collections for such year and any succeeding year and, in addition, in connection with a determination made pursuant to clause (b) of the first paragraph of Section 7 hereof, an Authorized Officer shall file in the respective offices of the County Clerks certificates of tax abatement for such year or years. If any of the Bonds are not to be sold and issued as provided herein and no levy collections are to be applied for the purposes of making the

payments described in clauses (ii), (iii), (iv) or (v) of Section 7 hereof as determined by an Authorized Officer, the corresponding taxes herein levied to pay debt service thereon shall be abated in full. Any certificate of abatement delivered pursuant to this paragraph shall refer to the amount of taxes levied pursuant to Section 7 hereof, shall indicate the amount of reduction in the amount of taxes levied by the City resulting from the sale or sales of the Bonds or the non-issuance thereof, which reduced amount is to be abated from such taxes, and shall further indicate the remainder of such taxes which is to be extended for collection by the County Clerks.

The preparation, use and distribution of a preliminary official statement, an official statement, a private placement memorandum or any other disclosure document relating to each sale and issuance of the Bonds are hereby ratified and approved. The Mayor and each Authorized Officer are each hereby authorized to execute and deliver an official statement or other disclosure document relating to each sale and issuance of the Bonds on behalf of the City. The preliminary official statement, official statement, private placement memorandum and other disclosure documents herein authorized shall be substantially similar to those previously used for general obligation bonds of the City, and shall contain the terms and provisions of, and security for, the Bonds, the use of proceeds of the Bonds, financial information for the City, and such other information as the Mayor or any Authorized Officer determines to be advisable under the circumstances.

Subsequent to the sale of any series of Bonds, an Authorized Officer shall file in the office of the City Clerk a notification of sale directed to the City Council setting forth (i) the series designation, the aggregate principal amount and authorized denominations of, maturity schedule and redemption provisions for the Bonds sold, (ii) the principal amounts of the Bonds sold as Current Interest Bonds, Capital Appreciation Bonds and Convertible Bonds, respectively, (iii) in the case of the sale of Direct Purchase Bonds, the principal amounts of such Bonds sold as Current Interest Bonds, Capital Appreciation Bonds and Convertible Bonds, respectively, (iv) in the case of Bonds sold as Capital Appreciation Bonds, (A) the Original Principal Amounts of and Yields to Maturity on the Capital Appreciation Bonds being sold and (B) a table of Compound Accreted Values per minimum authorized Compound Accreted Value at maturity for any Capital Appreciation Bonds being sold, setting forth the Compound Accreted Value of each such Capital Appreciation Bond on each semiannual compounding date, (v) the interest rates on the Current Interest Bonds sold, (vi) an identification of the Outstanding Indebtedness to be paid or refunded with proceeds of such Bonds and the date on and price at which the Outstanding Indebtedness so identified shall be paid or refunded, (vii) the amount to be reimbursed to the Corporate Fund of the City with proceeds of such Bonds for amounts expended in connection with the payment of debt service relating to Outstanding Indebtedness and an identification of such Outstanding Indebtedness, (viii) the identity of the insurer or insurers issuing the insurance policy or policies, if any, referred to below, for such Bonds, (ix) the identity of the Underwriters (or, in the case of Direct Purchase Bonds, the Direct Purchasers) selected for such Bonds, (x) the identity of the applicable Bond Registrar and Trustee, if any, selected by an Authorized Officer for such Bonds, (xi) the compensation paid to the Underwriters in connection with such sale, (xii) the identity of any Refunding Escrow Agent (as defined in subparagraph (ii) of Section 13 hereof) appointed by an Authorized Officer in connection with the refunding of Outstanding Indebtedness and (xiii) any other matter

authorized by this Ordinance to be determined by an Authorized Officer at the time of the sale of the Bonds of each series.

In connection with any sale of the Bonds, an Authorized Officer is hereby authorized to execute and deliver one or more Continuing Disclosure Undertakings (each a *"Continuing Disclosure Undertaking"*) evidencing the City's agreement to comply with the requirements of Section (b)(5) of Rule 15c2-12, adopted by the SEC under the Securities Exchange Act of 1934, in a form approved by the Corporation Counsel. Upon its execution and delivery on behalf of the City as herein provided, each Continuing Disclosure Undertaking will be binding on the City, and the officers, employees and agents of the City are hereby authorized to do all such acts and things and to execute all such documents as may be necessary to carry out and comply with the provisions of each Continuing Disclosure Undertaking as executed. Either Authorized Officer is hereby further authorized to amend each Continuing Disclosure Undertaking in accordance with its respective terms from time to time following its execution and delivery as said officer shall deem necessary. In addition, an Authorized Officer is authorized to make all future filings with the Electronic Municipal Market Access system operated by the Municipal Securities Rulemaking Board or such other municipal securities information repository as shall be designated by the SEC, all in accordance with the provisions of SEC Rule 15c2-12(b)(5) promulgated under the Securities Exchange Act of 1934. Notwithstanding any other provision of this Ordinance, the sole remedies for any failure by the City to comply with any Continuing Disclosure Undertaking shall be the ability of the beneficial owner of any applicable Bond to seek mandamus or specific performance by court order to cause the City to comply with its obligations under such Continuing Disclosure Undertaking.

The Bonds shall be duly prepared and executed in the form and manner provided herein and delivered to the purchasers in accordance with the applicable terms of sale.

The Mayor, each Authorized Officer, the City Treasurer and the City Clerk are each hereby authorized to execute and deliver such other documents and agreements and perform such other acts prior to or following the issuance of the Bonds as may be necessary or desirable in connection with the issuance of the Bonds and any transactions contemplated herein related to the application of the proceeds of the Bonds or collections or application of taxes levied for the payment of the Bonds or other purposes hereunder, but subject to any limitations on or restrictions of such power or authority as herein set forth, and any such actions heretofore taken by the Mayor, an Authorized Officer, the City Treasurer or the City Clerk in accordance with the provisions hereof are hereby ratified and approved.

Section 13. The proceeds from the sale of any series of the Bonds shall be used as follows:

(i) The sum representing the accrued interest received, if any, shall be used to pay the first interest becoming due on the Bonds sold, and to that end, shall be deposited in the applicable Bond Fund or the applicable Ad Valorem Tax Escrow Account, if established.

(ii) From the sale proceeds derived from any such sale of a series of the Bonds, (A) the sum determined by an Authorized Officer to capitalize or fund interest on such Bonds shall be deposited into the applicable Bond Fund established for such Bonds or the applicable Ad Valorem Tax Escrow Account, if established; (B) the sum determined by an Authorized Officer to be sufficient to pay the Outstanding Indebtedness being paid or refunded at or prior to their respective maturities, at a price of par, any applicable redemption premium and accrued interest thereon up to and including the dates of such payment or redemption shall be paid directly to the party to whom owed, deposited into the respective debt service funds, if any, established for the Outstanding Indebtedness being paid or refunded or into one or more "Refunded Bonds Escrow Accounts" to be held by one or more banks or trust companies to be designated by an Authorized Officer (each a *"Refunding Escrow Agent"*), each pursuant to the terms of an escrow agreement (each a *"Refunding Escrow Agreement"*), and the Mayor, an Authorized Officer and the City Clerk, or any of them, are hereby authorized to execute and deliver each Refunding Escrow Agreement, and any amendment thereto, in such form as the officer so executing shall deem appropriate to effect the payment or redemption of the Outstanding Indebtedness described in this paragraph. Notwithstanding any provision of the Municipal Code, investments acquired with proceeds of the Bonds or investment income thereon may mature beyond ten years from the date of acquisition, and may include but are not limited to agreements entered into between the City and providers of securities under which agreements such providers agree to purchase from or sell to the City specified securities on specific dates at predetermined prices, all as established at the time of execution of any such agreement and as set forth in such agreement, and guaranteed investment contracts, forward purchase agreements and other similar investment vehicles. Such guaranteed investment contracts, forward purchase agreements and other similar investment vehicles may, to the extent permitted by operative authorizing documents and by applicable law, be assigned or transferred from one bond transaction to another or apply to the proceeds of more than one bond transaction on a commingled or non-commingled basis, as determined by an Authorized Officer. The Mayor or an Authorized Officer is hereby authorized to enter into any amendments to or restatements of existing documents or to execute new documents, to consent to actions being taken by others or to obtain the consent of other parties, as may be necessary or desirable in this respect. Investment income derived from Bond proceeds may be (1) expended for the same purposes for which Bond proceeds may be expended, (2) used for the payment or prepayment of City debt obligations, (3) deposited in the Corporate Fund of the City or (4) rebated to the United States of America as provided in Section 15 hereof, all as determined by an Authorized Officer or the Budget Director. Any commingled investment income from guaranteed investment contracts, forward purchase agreements and other similar investment vehicles shall be apportioned among bond transactions as determined by an Authorized Officer or as otherwise required by operative authorizing documents and applicable law.

(iii) From the sale proceeds of a series of the Bonds not applied as provided in paragraphs (i) and (ii), above, the amount deemed necessary by an Authorized Officer shall be applied to the payment of the costs of issuance of such Bonds, including the

premium or fee for bond insurance, if any, and any unexpended portion of the sale proceeds shall be paid to the City.

Section 14. The taxes levied for the years from and after 2014 for the payment of the Outstanding Indebtedness, to the extent the collection of such taxes is not necessary for the payment of all or a portion of the Outstanding Indebtedness due to the refunding thereof or pursuant to any other authorization, may, at the direction of an Authorized Officer, be applied (A) as set forth in the next paragraph or (B) to any other lawful public purpose of the City designated by the City Council including (i) the purposes set forth in clauses (i) through (v) of the first paragraph of Section 7 of this Ordinance, (ii) the payment of the costs of any capital projects for which funds have been lawfully appropriated or (iii) the abatement of such taxes. There shall be prepared by an Authorized Officer and filed with the County Clerks a certificate of reduction of taxes heretofore levied for the payment of the Outstanding Indebtedness selected for refunding by an Authorized Officer as provided in Sections 12 and 13 hereof and directing the abatement of the taxes heretofore levied to pay the Outstanding Indebtedness being refunded, including the taxes levied for the years from and after 2015, if so determined by an Authorized Officer as provided in the preceding sentence. In addition, any proceeds of the Outstanding Indebtedness being held for the payment of the Outstanding Indebtedness, to the extent such proceeds are not necessary for the payment of the Outstanding Indebtedness due to the refunding thereof as authorized herein or pursuant to any other authorization, may, at the direction of an Authorized Officer, be applied to any lawful public purpose of the City designated by the City Council, including the payment of the Bonds (but in the case of Bonds the interest on which is excluded from gross income for federal income tax purposes, only upon receipt by the City of an opinion of Bond Counsel to the effect that such will not adversely affect the tax-exempt status of the Bonds).

Furthermore, notwithstanding any other provision hereof, taxes levied for the years 2014 to 2016, inclusive, for the payment of Outstanding Indebtedness, to the extent the collection of such taxes is not necessary for the payment of all or a portion of the Outstanding Indebtedness due to the refunding thereof with the proceeds of the Bonds may, in addition to the other purposes set forth above, be applied to the payment of the principal of and interest due on General Obligation Commercial Paper Notes due on or before January 31, 2018, at the direction of an Authorized Officer. Any directions or determinations by an Authorized Officer pursuant to this paragraph shall be filed with the City Clerk no later than the date a levy is applied to the payment of commercial paper as provided herein.

Section 15. The City covenants that it will take no action in the investment of the proceeds of the Bonds (other than Bonds issued as bonds the interest on which is not excludable from the gross income of the owner thereof for federal income tax purposes) which would result in making the interest payable on any of such Bonds subject to federal income taxes by reason of such Bonds being classified as *"arbitrage bonds"* within the meaning of Section 148 of the Code.

The City further covenants that it will act with respect to the proceeds of Bonds (other than Bonds issued as bonds the interest on which is not excludable from the gross income of the owner thereof for federal income tax purposes), the earnings on the proceeds of such Bonds

and any other moneys on deposit in any fund or account maintained in respect of such Bonds, including, if necessary, a rebate of such earnings to the United States of America, in a manner which would cause the interest on such Bonds to continue to be exempt from federal income taxation under Section 103(a) of the Code.

Each Authorized Officer is hereby authorized to execute such certifications, tax returns, covenants and agreements as shall be necessary, in the opinion of nationally recognized bond counsel, or in the best interest of the City, as determined by an Authorized Officer, to evidence the City's compliance with the covenants contained in this section.

Section 16. This Ordinance is prepared in accordance with the powers of the City as a home rule unit under Article VII of the 1970 Illinois Constitution. The appropriate officers of the City are hereby authorized to take such actions and do such things as shall be necessary to perform, carry out, give effect to and consummate the transactions contemplated by this Ordinance and the Bonds, including, but not limited to, the exercise following the delivery date of any of the Bonds of any power or authority delegated to such official of the City under this Ordinance with respect to the Bonds upon the initial issuance thereof, but subject to any limitations on or restrictions of such power or authority as herein set forth, and any actions heretofore taken by such officers of the City in accordance with the provisions of this Ordinance are hereby ratified and approved.

Section 17. The Mayor and each Authorized Officer may each designate another to act as their respective proxy and, as applicable, to affix their respective signatures to the Bonds whether in temporary or definitive form, and any other instrument, certificate or document required to be signed by the Mayor or an Authorized Officer pursuant to this Ordinance and any instrument, certificate or document required thereby. In such case, each shall send to the City Council written notice of the person so designated by each, such notice stating the name of the person so selected and identifying the instruments, certificates and documents which such person shall be authorized to sign as proxy for the Mayor and each Authorized Officer, respectively. A written signature of the Mayor or of an Authorized Officer, respectively, executed by the person so designated underneath, shall be attached to each notice. Each notice, with the signatures attached, shall be recorded in the Journal of Proceedings of the City Council for such date and filed in the office of the City Clerk. When the signature of the Mayor is placed on an instrument, certificate or document at the direction of the Mayor in the specified manner, the same, in all respects, shall be as binding on the City as if signed by the Mayor in person. When the signature of an Authorized Officer is so affixed to an instrument, certificate or document at the direction of such Authorized Officer, the same, in all respects, shall be as binding on the City as if signed by such Authorized Officer in person.

Section 18 If requested by the Bond Registrar, the Mayor, each Authorized Officer and the City Clerk are each authorized to execute the standard form of agreement between the City and the Bond Registrar with respect to the obligations and duties thereof.

Section 19. If payment or provision for payment is made, to or for the registered owners of all or a portion of the Bonds, of the principal of and interest due and to become due on any Current Interest Bond and of the Compound Accreted Value of any Capital Appreciation

Bond at the times and in the manner stipulated therein, and there is paid or caused to be paid to the applicable Bond Registrar, the applicable Trustee, the applicable Ad Valorem Tax Escrow Agent as provided in Section 9 hereof or such bank or trust company as shall be designated by an Authorized Officer (such bank or trust company hereinafter referred to as a *"Defeasance Escrow Agent"*), all sums of money due and to become due according to the provisions hereof, then these presents and the estate and rights hereby granted shall cease, terminate and be void as to those Bonds or portions thereof except for purposes of registration, transfer and exchange of Bonds and any such payment from such moneys or obligations. Any Bond shall be deemed to be paid within the meaning of this section when payment of the principal of any such Current Interest Bond, plus interest thereon to the due date thereof or the Compound Accreted Value of any such Capital Appreciation Bond (whether such due date be by reason of maturity or upon redemption as provided in this Ordinance or otherwise), either (a) shall have been made or caused to have been made in accordance with the terms thereof, or (b) shall have been provided for by irrevocably depositing with the applicable Bond Registrar, the applicable Trustee, the applicable Ad Valorem Tax Escrow Agent as provided in Section 9 hereof or a Defeasance Escrow Agent, in trust and exclusively for such payment, (1) moneys sufficient to make such payment or (2)(A) direct obligations of the United States of America; (B) obligations of agencies of the United States of America, the timely payment of principal of and interest on which are guaranteed by the United States of America; (C) obligations of the following agencies: Federal Home Loan Mortgage Corp. (FHLMC) debt obligations, Farm Credit System (formerly: Federal Land Banks, Federal Intermediate Credit Banks, and Banks for Cooperatives) debt obligations, Federal Home Loan Banks (FHL Banks) debt obligations, Fannie Mae debt obligations, Financing Corp. (FICO) debt obligations, Resolution Funding Corp. (REFCORP) debt obligations, and U.S. Agency for International Development (U.S. A.I.D.) Guaranteed notes; (D) pre-refunded municipal obligations defined as follows: any bonds or other obligations of any state of the United States of America or of any agency, instrumentality or local governmental unit of any such state which are not callable at the option of the obligor prior to maturity or as to which irrevocable instructions have been given by the obligor to call on the date specified in the notice; or (E) instruments evidencing an ownership interest in obligations described in the preceding clauses (A), (B) and (C), or (3) a combination of the investments described in clauses (1) and (2) above, such amounts so deposited being available or maturing as to principal and interest in such amounts and at such times, without consideration of any reinvestment thereof, as will insure the availability of sufficient moneys to make such payment (all as confirmed by a nationally recognized firm of independent public accountants). At such times as a Bond shall be deemed to be paid hereunder, as aforesaid, it shall no longer be secured by or entitled to the benefits of this Ordinance, except for the purposes of registration, transfer and exchange of Bonds and any such payment from such moneys or obligations. The defeasance of the Bonds under this Ordinance shall also be subject to any additional terms and conditions contained in the applicable Trust Indenture.

No such deposit under this section shall be made or accepted hereunder and no use made of any such deposit unless, in the case of Bonds other than Bonds issued as bonds the interest on which is not excludable from the gross income of the owner thereof for federal income tax purposes, the applicable Bond Registrar, the applicable Trustee, the applicable Ad Valorem Tax Escrow Agent or the applicable Defeasance Escrow Agent, as the case may be, shall have received an opinion of nationally recognized municipal bond counsel to the effect that

such deposit and use would not cause any of such Bonds to be treated as "*arbitrage bonds*" within the meaning of Section 148 of the Code or any successor provision thereto.

Nothing in this Ordinance shall prohibit a defeasance deposit of escrow securities as provided in this section or a defeasance deposit with respect to the Bonds or the Outstanding Indebtedness pursuant to any Refunding Escrow Agreement authorized by subparagraph (ii) of Section 13 hereof, from being subject to a subsequent sale of such escrow securities and reinvestment of all or a portion of the proceeds of that sale in escrow securities which, together with money to remain so held in trust, shall be sufficient to provide for payment of principal, redemption premium, if any, and interest on any of the defeased Bonds or Outstanding Indebtedness, as appropriate. Amounts held by the applicable Bond Registrar, the applicable Trustee, the applicable Ad Valorem Tax Escrow Agent, any Defeasance Escrow Agent or any Refunding Escrow Agent in excess of the amounts needed so to provide for payment of the defeased Bonds or Outstanding Indebtedness, as appropriate, may be subject to withdrawal by the City. The Mayor or an Authorized Officer is hereby authorized to execute and deliver from time to time one or more agreements (and amendments thereto) with counterparties selected by an Authorized Officer, with respect to the investment and use of such excess amounts held by the applicable Bond Registrar, the applicable Trustee, the applicable Ad Valorem Tax Escrow Agent, a Defeasance Escrow Agent or a Refunding Escrow Agent.

Section 20. To the extent that any ordinance, resolution, rule, order or provision of the Municipal Code, or part thereof, is in conflict with the provisions of this Ordinance, the provisions of this Ordinance shall be controlling. If any section, paragraph, clause or provision of this Ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this Ordinance. No provision of the Municipal Code or violation of any provision of the Municipal Code shall be deemed to render voidable at the option of the City any document, instrument or agreement authorized hereunder or to impair the validity of this Ordinance or the instruments authorized by this Ordinance or to impair the rights of the owners of the Bonds to receive payment of the principal of or interest on the Bonds or to impair the security for the Bonds; *provided further* that the foregoing shall not be deemed to affect the availability of any other remedy or penalty for any violation of any provision of the Municipal Code.

Section 21. This Ordinance shall be published by the City Clerk, by causing to be printed in special pamphlet form at least five copies hereof, which copies are to be made available in her office for public inspection and distribution to members of the public who may wish to avail themselves of a copy of this Ordinance.

Section 22. This Ordinance shall be in full force and effect from and after its adoption, approval by the Mayor and publication as provided herein.

If any lost, destroyed or improperly cancelled Bond shall have matured or is about to mature, or has been called for redemption, instead of issuing a duplicate Bond, the Trustee shall pay the same without surrender thereof if there shall be first furnished to the Trustee evidence of such loss, destruction or cancellation, together with indemnity, satisfactory to it. Upon the issuance of any substitute Bond, the Trustee may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto.

All Bonds shall be owned upon the express condition that the foregoing provisions, to the extent permitted by law, are exclusive with respect to the replacement or payment of mutilated,

destroyed, lost, stolen or purchased Bonds, and shall preclude any and all other rights or remedies.

(b) No service charge shall be made for any transfer or exchange of Bonds, but the City or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds, except that no such payment may be required in the case of the issuance of a Bond or Bonds for the unredeemed portion of a Bond surrendered for redemption.

(c) The Trustee shall not be required to transfer or exchange any Bond during the period commencing on the Record Date next preceding any Interest Payment Date of such Bond and ending on such Interest Payment Date, or to transfer or exchange such Bond after the mailing of notice calling such Bond for redemption has been made as herein provided or during the period of 15 days next preceding the giving of notice of redemption of Bonds of the same Maturity Date and interest rate.

(d) Bonds delivered upon any registration of transfer or exchange as provided herein or as provided in Section 2.07 hereof shall be valid general obligations of the City, evidencing the same debt as the Bonds surrendered, shall be secured by this Indenture and shall be entitled to all of the security and benefits hereof and of the Bond Ordinance to the same extent as the Bond surrendered. The City, the Trustee and any Paying Agent may treat the Registered Owner of any Bond as the absolute owner thereof for all purposes, whether or not such Bond shall be overdue, and shall not be bound by any notice to the contrary. All payments of or on account of the principal of, premium, if any, and interest on any such Bond as herein provided shall be made only to or upon the written order of the Registered Owner thereof or such Registered Owner's legal representative, but such registration may be changed as herein provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

Section 2.09. Required Information in Bond Form. On each date on which the Trustee authenticates and delivers a Bond, it shall complete the information required to be inserted by the Bond form and shall keep a record of such information.

Section 2.10. Cancellation. Any Bond surrendered for the purpose of payment or retirement, or for exchange, transfer or replacement, shall be canceled upon surrender thereof to the Trustee or any Paying Agent. If the City shall acquire any of the Bonds, the City shall deliver such Bonds to the Trustee for cancellation and the Trustee shall cancel the same. Any such Bonds canceled by any Paying Agent other than the Trustee shall be promptly transmitted by such Paying Agent to the Trustee. Certification of Bonds canceled by the Trustee and Bonds canceled by a Paying Agent other than the Trustee which are transmitted to the Trustee shall be made to the City. Canceled Bonds may be destroyed by the Trustee unless instructions to the contrary are received from the City.

Section 2.11. Book Entry Provisions. The provisions of this Section shall apply as long as the Bonds are maintained in book entry form with DTC or another Securities Depository, any provisions of this Indenture to the contrary notwithstanding. Notwithstanding anything else to the contrary herein, so long as DTC is the Securities Depository, the Bonds shall be subject to the operational arrangements of DTC in effect from time to time.

(a) The Bonds shall be payable to the Securities Depository, or its nominee, as the Registered Owner of the Bonds, in same day funds on each date on which the principal of, premium, if any, and interest on the Bonds is due as set forth in this Indenture and the Bonds. Such payments shall be made to the offices of the Securities Depository specified by the Securities Depository to the City and the Trustee in writing. Without notice to or the consent of the Beneficial Owners of the Bonds, the City and the Securities Depository may agree in writing to make payments of principal and interest in a manner different from that set forth herein. If such different manner of payment is agreed upon, the City shall give the Trustee notice thereof, and the Trustee shall make payments with respect to the Bonds in the manner specified in such notice. Neither the City nor the Trustee shall have any obligation with respect to the transfer or crediting of the principal of, premium, if any, and interest on the Bonds to Participants or the Beneficial Owners of the Bonds or their nominees.

(b) If (i) the City determines, or (ii) the City receives notice that the Securities Depository has received notice from its Participants having interests in at least 50 percent in principal amount of the Bonds, that the Securities Depository or its successor is incapable of discharging its responsibilities as a securities depository, or that it is in the best interests of the Beneficial Owners that they obtain certificated Bonds, the City may (or, in the case of clause (ii) above, the City shall) cause the Trustee to authenticate and deliver Bond certificates. The City shall have no obligation to make any investigation to determine the occurrence of any events that would permit the City to make any determination described in this paragraph.

(c) If, following a determination or event specified in paragraph (b) above, the City discontinues the maintenance of the Bonds in book entry form with the then current Securities Depository, the City will issue replacement Bonds to the replacement Securities Depository, if any, or, if no replacement Securities Depository is selected for the Bonds, directly to the Participants as shown on the records of the former Securities Depository or, to the extent requested by any Participant, to the Beneficial Owners of the

Bonds shown on the records of such Participant. Any such Bonds so issued in replacement shall be in fully registered form and in Authorized Denominations, be payable as to interest on the Interest Payment Dates of the Bonds by check mailed to each Registered Owner at the address of such Registered Owner as it appears on the Bond Register or, at the option of any Registered Owner of not less than $1,000,000 principal amount of Bonds, by wire transfer to any address in the United States of America on such Interest Payment Date to such Registered Owner as of such Record Date, if such Registered Owner provides the Trustee with written notice of such wire transfer address not later than the Record Date (which notice may provide that it will remain in effect with respect to subsequent Interest Payment Dates unless and until changed or revoked by subsequent notice). Principal and premium, if any, on the replacement Bonds are payable only upon presentation and surrender of such replacement Bond or Bonds at the Designated Corporate Trust Office of the Trustee.

(d) The Securities Depository and its Participants, and the Beneficial Owners of the Bonds, by their acceptance of the Bonds, agree that the City and the Trustee shall not have liability for the failure of such Securities Depository to perform its obligations to the Participants and the Beneficial Owners of the Bonds, nor shall the City or the Trustee be liable for the failure of any Participant or other nominee of the Beneficial Owners to perform any obligation of the Participant to a Beneficial Owner of the Bonds.

(e) As long as Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the Registered Owner of the Bonds, as nominee of DTC, references herein to the Registered Owners of the Bonds shall mean Cede & Co. and shall not mean the Beneficial Owners of the Bonds.

(f) As long as Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the Registered Owner of the Bonds:

(i) selection of Bonds to be redeemed upon partial redemption or presentation of Bonds to the Trustee upon partial redemption, shall be deemed made when the right to exercise ownership rights in such Bonds through DTC or DTC's Participants is transferred by DTC on its books;

(ii) any notices of the interest rate on the Bonds to be provided by the Trustee shall be provided to anyone identifying itself to the Trustee as a person entitled to exercise ownership rights with respect to such Bonds through DTC or its Participants; and

(iii) DTC may present notices, approvals, waivers or other communications required or permitted to be made by Registered Owners under this Indenture on a fractionalized basis on behalf of some or all of those persons entitled to exercise ownership rights in the Bonds through DTC or its Participants.

ARTICLE III

REDEMPTION OF BONDS

Section 3.01. Redemption Terms, Dates and Prices. The Bonds shall be subject to redemption prior to their Maturity Date in the amounts, at the times and in the manner provided in this Section.

(a) *Optional Redemption.* The Bonds are subject to optional redemption, on any date occurring or after _____ 1, 20__, in such principal amounts and from such maturities and interest rates as the City shall determine and by lot within a single maturity and interest rate, at a Redemption Price of 100% of the principal amount thereof being redeemed plus accrued interest, if any, to the date of redemption.

[*Insert make-whole redemption provisions authorized by Bond Ordinance if applicable*]

The City is authorized to sell or waive any right the City may have to call any of the Bonds for optional redemption, in whole or in part; *provided,* that such sale or waiver will not adversely affect the excludability of interest on the Bonds from gross income for federal income tax purposes.

(b) *General Provisions Regarding Redemptions.*

(i) No redemption of less than all of the Bonds Outstanding shall be made pursuant to Section 3.01(a) hereof unless the aggregate principal amount of Bonds to be redeemed is equal to $5,000 multiples. Any redemption of less than all of the Bonds Outstanding shall be made in such a manner that all Bonds Outstanding after such redemption are in Authorized Denominations. If fewer than all Bonds Outstanding are to be optionally redeemed, the Bonds to be called shall be called from such maturities and interest rates as may be determined by an Authorized Officer.

(ii) Bonds may be called for redemption by the Trustee pursuant to Sections 3.01(a) and 3.01(c) hereof upon receipt by the Trustee at least 45 days prior to the redemption date (unless a shorter time period shall be satisfactory to the Trustee) of, in the case of a redemption pursuant to Section 3.01(a) of a written request of the City requesting such redemption, or in the case of a redemption pursuant to Section 3.01(c) in accordance with the mandatory schedule provided herein.

(iii) In lieu of redeeming Bonds pursuant to Section 3.01(a) hereof, the Trustee may, at the request of the City, use such funds available hereunder for redemption of Bonds to purchase Bonds in the open market at a price not exceeding the Redemption Price then applicable hereunder. Any Bond so purchased in lieu of redemption shall be delivered to the Trustee for cancellation and shall be canceled, all as provided in Section 2.10 hereof.

(c) *Mandatory Redemption of Bonds.*

The Bonds maturing on January 1, 20__ are subject to mandatory redemption prior to maturity on January 1 of the years and in the amounts set forth below, at a Redemption Price equal to 100 percent of the principal amount thereof plus accrued interest to the date fixed for redemption:

YEAR	PRINCIPAL AMOUNT

*Final Maturity

The Bonds maturing on January 1, 20__ are subject to mandatory redemption prior to maturity at a Redemption Price on January 1 of the years and in the amounts set forth below, at a Redemption Price equal to 100 percent of the principal amount thereof plus accrued interest to the date fixed for redemption:

YEAR	PRINCIPAL AMOUNT

*Final Maturity

The principal amount of the Bonds to be mandatorily redeemed in each year may be reduced through the earlier optional redemption thereof, with any partial optional redemption of such Bonds credited against future mandatory redemption requirements in such order of the mandatory redemption dates as the City may determine. In addition, on or prior to the sixtieth (60th) day preceding any mandatory redemption date, the Trustee may, and if directed by the City shall, purchase Bonds required to be retired on such mandatory redemption date at such prices as the City shall determine. Any such Bond so purchased shall be canceled and the principal amount thereof shall be credited against the payment required on such next mandatory redemption date.

Section 3.02. Notice of Redemption. (a) Unless waived by any owner of Bonds to be redeemed, notice of the call for any such redemption shall be given by the Trustee on behalf of the City by mailing the redemption notice by first class mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the Registered Owner of the Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such Registered Owner to the Trustee, but the failure to mail any such notice or any defect therein as to any Bond shall not affect the validity of the proceedings for the redemption of any other Bond. Any notice of redemption mailed as provided in this Section 3.02 hereof shall be conclusively presumed to have been given whether or not actually received by the addressee.

All notices of redemption shall state:

(1) the Series designation of the Bonds to be redeemed,

(2) the redemption date,

(3) the Redemption Price,

(4) if less than all outstanding Bonds are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts and interest rates) of the Bonds to be redeemed,

(5) that on the redemption date the Redemption Price will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue or compound from and after said date,

(6) the place where such Bonds are to be surrendered for payment of the Redemption Price, and

(7) such other information as shall be deemed necessary by the Trustee at the time such notice is given to comply with law, regulation or industry standard.

(b) With respect to an optional redemption of Bonds, such notice may state that said redemption is conditioned upon the receipt by the Trustee on or prior to the date fixed for redemption of moneys sufficient to pay the Redemption Price of the Bonds. If such moneys are not so received, such redemption notice shall be of no force and effect, the City shall not redeem such Bonds and such failure to deposit such funds shall not constitute an Event of Default under this Indenture. The Trustee shall give notice, in the same manner in which the notice of redemption was given, that such moneys were not so received and that such Bonds will not be redeemed. Unless the notice of redemption shall be made conditional as provided above, on or prior to any redemption date for the Bonds, the City shall deposit with the Trustee an amount of money sufficient to pay the Redemption Price of all the Bonds or portions thereof which are to be redeemed on that date.

(c) Notice of redemption having been given as aforesaid, the Bonds, or portions thereof, so to be redeemed shall, on the redemption date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the City shall default in the payment of the Redemption Price or unless, in the event of a conditional notice as described above, the necessary moneys were not deposited) such Bonds, or portions thereof, shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Trustee at the Redemption Price. Installments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the Registered Owner a new Bond or Bonds of the same interest rate and maturity in the amount of the unpaid principal.

(d) If any Bond, or portion thereof, called for redemption shall not be so paid upon surrender thereof for redemption, the principal shall, until paid, bear interest from the redemption date at the rate borne by such Bond, or portion thereof, so called for redemption. All Bonds which have been redeemed shall be cancelled and destroyed by the Trustee and shall not be reissued.

(e) Failure to give notice in the manner prescribed hereunder with respect to any Bond, or any defect in such notice, shall not affect the validity of the proceedings for redemption for any Bond with respect to which notice was properly given. Upon the happening of the above conditions and if sufficient moneys are on deposit with the Trustee on the applicable redemption date to redeem the Bonds to be redeemed and to pay interest due thereon and premium, if any, the Bonds thus called shall not, after the applicable redemption date, bear interest, be protected by this Indenture or the Bond Ordinance or be deemed to be Outstanding under the provisions of this Indenture.

(f) If any Bond is transferred or exchanged on the Bond Register after notice has been given calling such Bond for redemption, the Trustee will attach a copy of such notice to the Bond issued in connection with such transfer or exchange.

(g) If any Bond is not presented for payment when the principal amount thereof becomes due, either at maturity or at a date fixed for redemption thereof or otherwise, and if moneys sufficient to pay such Bond are held by the Trustee for the benefit of the Registered Owner of such Bond, the Trustee shall hold such moneys for the benefit of the Registered Owner of such Bond without liability to the Registered Owner for interest. The Registered Owner of such Bond thereafter shall be restricted exclusively to such funds for satisfaction of any claims relating to such Bond.

Section 3.03. Selection of Bonds for Redemption. If less than all the Bonds shall be called for redemption under any provision of this Indenture permitting such partial redemption, (i) such redemption shall be by lot in such manner as the Trustee may determine among such Bonds, and (ii) subject to other applicable provisions of this Indenture, the portion of any Bond to be redeemed shall be in a principal amount equal to an Authorized Denomination. In selecting Bonds for redemption, the Trustee shall assign to each Bond of like Maturity Date and interest rate, a distinctive number for each minimum Authorized Denomination of such Bond and shall

select by lot from the numbers so assigned as many numbers as, at such minimum Authorized Denomination for each number, shall equal the principal amount of such Bonds to be redeemed. In such case, the Bonds to be redeemed shall be those to which were assigned numbers so selected; provided that only so much of the principal amount of each Bond shall be redeemed as shall equal such minimum authorized denomination for each number assigned to it and so selected. If it is determined that one or more, but not all, of the integral multiples of the Authorized Denomination of principal amount represented by any Bond is to be called for redemption, then, upon notice of intention to redeem such integral multiple of an Authorized Denomination, the Registered Owner of such Bond shall forthwith surrender such Bond to the Trustee for (a) payment to such Registered Owner of the Redemption Price of the integral multiple of the Authorized Denomination of principal amount called for redemption, and (b) delivery to such Registered Owner of a new Bond or Bonds in the aggregate principal amount of the unredeemed balance of the principal amount of such Bond. New Bonds representing the unredeemed balance of the principal amount of such Bond shall be issued to the Registered Owner thereof without charge therefor.

The Trustee shall promptly notify the City in writing of the Bonds, or portions thereof, selected for redemption and, in the case of any Bond selected for partial redemption, the principal amount thereof, and the interest rate thereof to be redeemed.

Section 3.04. Deposit of Funds. For the redemption of any of the Bonds, the City shall cause to be deposited in the Principal and Interest Account moneys sufficient to pay when due the principal of, and premium, if any, and interest on, the Bonds to be redeemed on the redemption date to be applied in accordance with the provisions hereof.

ARTICLE IV

(ii) Money on deposit in the Bond Fund shall be applied by the Trustee to pay the principal of (whether due at maturity or by mandatory redemption) and interest on the Bonds as the same become due.

(iii) Pending the use of moneys held in the Bond Fund, the Trustee shall invest such moneys in Permitted Investments upon the direction of an Authorized Officer or any person designated by an Authorized Officer. Income from such investments shall be credited to the Bond Fund.

(b) *Creation of Principal and Interest Account.* There is established with the Trustee an account within the Bond Fund, designated as the "Series 2015_ Principal and Interest Account" (the *"Principal and Interest Account"*).

The Trustee shall release funds, from time to time, from such account in accordance with written directions from an Authorized Officer of the City. Such funds shall be held by the Trustee uninvested in cash, without liability for interest. Upon the disbursement of all amounts from the City Reimbursement Account the Trustee shall close such account without further direction.]

Section 4.05. Deposits into Bond Fund and Account Therein. Not later than the Business Day prior to each Interest Payment Date, commencing _____ 1, 201_ (each such date referred to herein as the *"Deposit Date"*) there shall be on deposit in the Bond Fund an amount equal to the Principal and Interest Account Requirement (such amount with respect to any Deposit Date being referred to herein as the *"Series 2015_ Deposit Requirement"*).

In addition to the Series 2015_ Deposit Requirement, there shall be deposited into the Bond Fund any other moneys received by the Trustee under and pursuant to this Indenture, when accompanied by directions from the person depositing such moneys that such moneys are to be paid into the Bond Fund and to one or more accounts therein.

Upon calculation by the Trustee of each Series 2015_ Deposit Requirement under this Section, the Trustee shall notify the City of the Series 2015_ Deposit Requirement and the Deposit Date to which it relates, and shall provide the City with such supporting documentation and calculations as the City may reasonably request.

Section 4.06. Tax Covenants. (a) The City covenants that it will take no action in the investment of the proceeds of the Bonds which would result in making the interest payable on any of such Bonds subject to federal income taxes by reason of such Bonds being classified as "arbitrage bonds" within the meaning of Section 148 of the Code.

(b) The City further covenants that it will act with respect to the proceeds of the Bonds, the earnings on the proceeds of such Bonds and any other moneys on deposit in any fund or account maintained in respect of such Bonds, including, if necessary, a rebate of such earnings to the United States of America, in a manner which would cause the interest on such Bonds to continue to be exempt from federal income taxation under Section 103(a) of the Code.

Section 4.07. Non-presentment of Bonds. In the event any Bond shall not be presented for payment when the principal thereof becomes due, whether at maturity, at the date fixed for redemption or otherwise, if moneys sufficient to pay such Bond shall have been made available to the Trustee for the benefit of the Registered Owner thereof, subject to the provisions of the immediately following paragraph, all liability of the City to the Registered Owner thereof for the payment of such Bond shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Trustee to hold such moneys, without liability for interest thereon, for the benefit of the Registered Owner of such Bond who shall thereafter be restricted exclusively to such moneys, for any claim of whatever nature on his or her part under this Indenture or on, or with respect to, such Bond.

Any moneys so deposited with and held by the Trustee not so applied to the payment of Bonds within two years after the date on which the same shall have become due shall be repaid by the Trustee to the City, and thereafter the Registered Owners of such Bonds shall be entitled to look only to the City for payment, and then only to the extent of the amount so repaid, and all liability of the Trustee with respect to such moneys shall thereupon cease, and the City shall not be liable for any interest thereon and shall not be regarded as a trustee of such moneys. The obligation of the Trustee under this Section to pay any such funds to the City shall be subject, however, to any provisions of law applicable to the Trustee or to such funds providing other requirements for disposition of unclaimed property.

Section 4.08. Moneys Held in Trust. All moneys required to be deposited with or paid to the Trustee for the account of any fund or account referred to in any provision of this Indenture shall be held by the Trustee in trust as provided in Section 8.08 of this Indenture, and shall, while held by the Trustee, constitute part of the Trust Estate and be subject to the lien or security interest created hereby.

ARTICLE V

INVESTMENT OF MONEYS

Section 5.01. Investment of Moneys. Moneys held in the funds, accounts and subaccounts established hereunder shall be invested and reinvested in accordance with the provisions governing investments contained in this Indenture. All such investments shall be held by or

under the control of the Trustee and shall be deemed at all times a part of the fund, account or subaccount for which they were made.

Section 5.02. Investment Income. The interest earned on any investment of moneys held hereunder, any profit realized from such investment and any loss resulting from such investment shall be credited or charged to the fund, account or subaccount for which such investment was made.

ARTICLE VI

DISCHARGE OF LIEN

Section 6.01. Defeasance. (a) If the City shall pay to the Registered Owners of the Bonds, or provide for the payment of, the principal, premium, if any, and interest to become due on the Bonds, then this Indenture and the Bond Ordinance shall be fully discharged and satisfied with respect to the Bonds. Upon the satisfaction and discharge of this Indenture, the Trustee shall, upon the request of the City, execute and deliver to the City all such instruments as may be desirable to evidence such discharge and satisfaction, and all fiduciaries shall pay over or deliver to the City all funds, accounts and other moneys or securities held by them pursuant to this Indenture which are not required for the payment or redemption of the Bonds. If payment or provision for payment is made, to or for the Registered Owners of all or a portion of the Bonds, of the principal of and interest due and to become due on any Bond at the times and in the manner stipulated therein, and there is paid or caused to be paid to the Trustee all sums of money due and to become due according to the provisions of this Indenture, then these presents and the estate and rights hereby and by the Bond Ordinance granted shall cease, terminate and be void as to those Bonds or portions thereof except for purposes of registration, transfer and exchange of Bonds and any such payment from such moneys or obligations. Any Bond shall be deemed to be paid within the meaning of this Section when payment of the principal of any such Bond, plus interest thereon to the due date thereof (whether such due date be by reason of maturity or upon redemption as provided in this Indenture or otherwise), either (a) shall have been made or caused to have been made in accordance with the terms thereof, or (b) shall have been provided for by irrevocably depositing with the Trustee, in trust and exclusively for such payment, (1) moneys sufficient to make such payment or (2) Defeasance Obligations, or (3) a combination of the investments described in clauses (1) and (2) above, such amounts so deposited being available or maturing as to principal and interest in such amounts and at such times, without consideration of any reinvestment thereof, as will insure the availability of sufficient moneys to make such payment (all as confirmed by a nationally recognized firm of independent public accountants). If the City shall pay and discharge a portion of the Bonds as aforesaid, such portion shall cease to be entitled to any lien, benefit or security under this Indenture and the Bond Ordinance. The liability of the City with respect to such Bonds shall continue, but the Registered Owners thereof shall thereafter be entitled to payment (to the exclusion of all other Bondholders) only out of the Defeasance Obligations deposited with the Trustee under Article VIII of this Indenture.

(b) No such deposit under this Section shall be made or accepted hereunder and no use made of any such deposit unless the Trustee shall have received an opinion of nationally recognized municipal bond counsel to the effect that such deposit and use would not cause any of

such Bonds to be treated as "arbitrage bonds" within the meaning of Section 148 of the Code or any successor provision thereto.

(c) Nothing in this Indenture shall prohibit a defeasance deposit of escrow securities as provided in this section from being subject to a subsequent sale of such escrow securities and reinvestment of all or a portion of the proceeds of that sale in escrow securities which, together with money to remain so held in trust, shall be sufficient to provide for payment of principal, redemption premium, if any, and interest on any of the defeased Bonds. Amounts held by the Trustee in excess of the amounts needed so to provide for payment of the defeased Bonds may be subject to withdrawal by the City.

ARTICLE VII

DEFAULT PROVISIONS; REMEDIES

Section 7.01. Defaults. Each of the following events is hereby declared to be an "Event of Default":

(a) payment of the principal or Redemption Price, if any, of any Bonds shall not be made when and as the same shall become due, whether at maturity or upon call for redemption or otherwise;

(b) payment of any installment of interest on any Bonds shall not be made when and as the same shall become due; or

(c) the City shall fail or refuse to comply with the provisions of this Indenture, or shall default in the performance or observance of any of the covenants, agreements or conditions on its part contained herein or in the Bonds, which materially affects the rights of the owners of the Bonds and such failure, refusal or default shall continue for a period of 45 days after written notice thereof by the Trustee or the owners of not less than 25 percent in principal amount of the Outstanding Bonds; *provided, however,* that in the case of any such default which can be cured by due diligence but which cannot be cured within the 45-day period, the time to cure shall be extended for such period as may be necessary to remedy the default with all diligence.

Section 7.02. Remedies. (a) Upon the happening and continuance of any Event of Default specified in paragraph (a) or (b) of Section 7.01 hereof, the Trustee shall proceed, or upon the happening and continuance of any Event of Default (beyond the time periods specified therein) specified in paragraph (c) of Section 7.01 hereof, the Trustee may proceed, and upon the written request of the owners of not less than 25 percent in principal amount of the Outstanding Bonds, shall proceed, in its own name, subject to the provisions of this Section, to protect and enforce its rights and the rights of the owners of the Bonds by such of the following remedies as the Trustee, being advised by counsel, shall deem most effectual to protect and enforce such rights:

(i) by mandamus or other suit, action or proceeding at law or in equity, to enforce all rights of the owners of the Bonds including the right to require the City to

receive and collect taxes adequate to carry out the covenants and agreements as to such taxes and to require the City to carry out any other covenant or agreement with the owners of the Bonds and to perform its duties under this Indenture;

(ii) by bringing suit upon the Bonds;

(iii) by action or suit in equity, require the City to account as if it were the trustee of an express trust for the owners of the Bonds; and/or

(iv) by action or suit in equity, enjoin any acts or things which may be unlawful or in violation of the rights of the owners of the Bonds.

(b) In the enforcement of any rights and remedies under this Indenture, the Trustee shall be entitled to sue for, enforce payment of and receive any and all amounts then or during any default becoming, and at any time remaining, due from the City but only out of moneys pledged as security for the Bonds for principal, Redemption Price, interest or otherwise, under any provision of this Indenture or of the Bonds, and unpaid, with interest on overdue payments at the rate or rates of interest specified in such Bonds, together with any and all costs and expenses of collection and of all proceedings hereunder and under such Bonds without prejudice to any other right or remedy of the Trustee or of the owners of the Bonds, and to recover and enforce a judgment or decree against the City for any portion of such amounts remaining unpaid, with interest, costs and expenses, and to collect from any moneys available under this Indenture for such purpose, in any manner provided by law, the moneys adjudged or decreed to be payable.

(c) Under no circumstance may the Trustee declare the principal of or interest on any Bond to be due and payable prior to its Maturity Date following the occurrence of an Event of Default under this Indenture.

ARTICLE VIII

TRUSTEE AND PAYING AGENT

Section 8.01. Acceptance of Trusts. The Trustee hereby accepts the trusts imposed upon it by this Indenture, and agrees to perform said trusts, but only upon and subject to the express terms and conditions set forth herein. Except as otherwise expressly set forth in this Indenture, the Trustee assumes no duties, responsibilities or liabilities by reason of its execution of this Indenture other than as set forth in this Indenture, and this Indenture is executed and accepted by the Trustee subject to all the terms and conditions of its acceptance of the trust under this Indenture. The Trustee shall make payments to Bondholders and effect optional and mandatory redemptions when required, whether or not its fees and expenses have been fully paid.

Section 8.02. Dealing in Bonds. The Trustee, in its individual capacity, may buy, sell, own, hold and deal in any of the Bonds, and may join in any action which the Registered Owner of any Bond may be entitled to take with like effect as if it did not act in any capacity hereunder. The Trustee, in its individual capacity, either as principal or agent, may also engage in or be interested in any financial or other function with the City, and may act as depositary, trustee or

agent for any committee or body of the Registered Owners of Bonds secured hereby or other obligations of the City as freely as if it did not act in any capacity hereunder.

Section 8.03. Compensation of Trustee. The City shall pay to the Trustee from time to time reasonable compensation for all services rendered under this Indenture and also all reasonable expenses, charges, counsel fees and other disbursements, including those of their attorneys, agents and employees incurred in and about the performance of their powers and duties under this Indenture and, except as provided in Section 8.01 hereof the Trustee shall have a lien therefor on any and all moneys at any time held by it under this Indenture. The City further agrees to indemnify and save the Trustee harmless against any liabilities which it may incur in the exercise and performance of its powers and duties hereunder, which are not due to its negligence or default.

Section 8.04. Paying Agent. The Trustee may appoint a Paying Agent with power to act on its behalf and subject to its direction (i) in the authentication, registration and delivery of Bonds in connection with transfers and exchanges hereunder, as fully to all intents and purposes as though such Paying Agent had been expressly authorized by this Indenture to authenticate, register and deliver Bonds, and (ii) for effecting purchases and sales of Bonds pursuant hereto and accepting deliveries of Bonds, making deliveries of Bonds and holding Bonds pursuant hereto. The foregoing notwithstanding, the Trustee need not appoint a Paying Agent hereunder as long as the Bonds are held in book-entry form pursuant to Section 2.11 hereof; at any time the Bonds are not held in book-entry form pursuant to Section 2.11 hereof, the Trustee shall either maintain an office in New York, New York capable of handling the duties of Paying Agent hereunder, or shall appoint a Paying Agent with an office in New York, New York hereunder. Any Paying Agent appointed pursuant to this Section shall evidence its acceptance by a certificate filed with the Trustee, the Bank and the City. For all purposes of this Indenture, the authentication, registration and delivery of Bonds by or to any Paying Agent pursuant to this Section 8.04 shall be deemed to be the authentication, registration and delivery of Bonds "by or to the Trustee." Such Paying Agent shall at all times be a commercial bank or trust company having an office in New York, New York, and shall at all times be a corporation organized and doing business under the laws of the United States of America or of any state with combined capital and surplus of at least $50,000,000 and in each case authorized under such laws to exercise corporate trust powers and subject to supervision or examination by Federal or state authority. If such corporation publishes reports of condition at least annually pursuant to law or the requirements of such authority, then for the purposes of this Section the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published.

Any corporation into which such Paying Agent may be merged or converted, or with which it may be consolidated, or any corporation resulting from any merger, consolidation or conversion to which such Paying Agent shall be a party, or any corporation succeeding to the corporate trust business of such Paying Agent, shall be a successor of such Paying Agent hereunder, if such successor corporation is otherwise eligible under this Section, without the execution or filing or any further act on the part of the parties hereto or such Paying Agent or such successor corporation.

Any Paying Agent may at any time resign by giving written notice of resignation to the Trustee and the City, and such resignation shall take effect at the appointment by the Trustee of a successor Paying Agent pursuant to the succeeding provisions of this Section and the acceptance by the successor Paying Agent of such appointment. The Trustee may at any time terminate the agency of any Paying Agent by giving written notice of termination to such Paying Agent and the City, which termination shall not take effect until the acceptance by the successor Paying Agent of such appointment. Upon receiving such a notice of resignation or upon such a termination, or in case at any time such Paying Agent shall cease to be eligible under this Section, the Trustee shall promptly appoint a successor Paying Agent, shall give written notice of such appointment to the City and shall mail notice of such appointment to all Registered Owners of Bonds.

Notwithstanding anything herein to the contrary, any Paying Agent shall be entitled to rely on information furnished to it orally or in writing by the Trustee and shall be protected hereunder in relying thereon. The Trustee agrees to pay to any Paying Agent from time to time its fees and expenses for its services, and the Trustee shall be entitled to be reimbursed for such payments pursuant to Section 8.03 hereof.

Section 8.05. Notice to Rating Agencies. The Trustee hereby agrees that if at any time (a) the City redeems any portion of the Bonds Outstanding hereunder prior to their Maturity Date, (b) the City provides for the payment of any portion of the Bonds pursuant to Section 6.01, (c) a successor Trustee is appointed, (d) any supplement to this Indenture shall become effective, or any party thereto shall waive any provision of this Indenture, or (e) any other information that a Rating Agency may reasonably request in order to maintain the ratings on the Bonds, then, in each case, the Trustee shall give notice thereof to each Rating Agency then maintaining a rating on the Bonds.

Any notice given to a Rating Agency hereunder shall be mailed by first class mail as follows:

[*Insert addresses of Rating Agencies rating the Bonds*]

Section 8.06. Qualification of Trustee. The Trustee hereunder shall be a bank, trust company or national banking association having the powers of a trust company doing business and having a corporate trust office in the City of Chicago, Illinois.

Section 8.07. Responsibilities of Trustee. (a) The recitals of fact herein and in the Bonds shall be taken as the statements of the City and the Trustee assumes no responsibility for the correctness of the same. The Trustee makes no representations as to the validity or sufficiency of this Indenture or any Supplemental Indenture or of any Bonds issued hereunder or thereunder

or in respect of the security afforded by this Indenture or any Supplemental Indenture and the Trustee shall not incur any responsibility in respect thereof. The Trustee shall, however, be responsible for its representation contained in its certificate of authentication on the Bonds. The Trustee shall not be under any responsibility or duty with respect to the issuance of the Bonds for value or the application of the proceeds thereof except to the extent such proceeds are paid to the Trustee in its capacity as Trustee, or the application of any moneys paid to the City or others in accordance with this Indenture or any Supplemental Indenture. The Trustee shall not be under any obligation or duty to perform any act that would involve it in expense or liability or to institute or defend any action or suit in respect hereof, or to advance any of its own moneys, unless properly indemnified. Subject to the provisions of paragraph (b) of this Section, the Trustee shall not be liable in connection with the performance of its duties hereunder except for its own negligence or willful misconduct or that of its agents.

(b) The Trustee, prior to the occurrence of an Event of Default and after the remedy of all Events of Default that may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and each Supplemental Indenture. In case an Event of Default has occurred and has not been remedied, the Trustee shall exercise such of the rights and powers vested in it by law, this Indenture and each Supplemental Indenture and shall use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs. Any provision of this Indenture and any Supplemental Indenture and any Supplemental Indenture relating to action taken or so to be taken by the Trustee or to evidence upon which the Trustee may rely shall be subject to the provisions of this Section.

Section 8.08. Funds Held in Trust and Security Therefor. Any moneys held by the Trustee, as such, at any time pursuant to the terms of this Indenture or any Supplemental Indenture shall be and hereby are assigned, transferred and set over unto the Trustee in trust for the purposes and upon the terms and conditions of this Indenture or any Supplemental Indenture. Subject to the terms of this Indenture concerning Permitted Investments, all moneys (not including securities) held by the Trustee, as such, may be deposited by the Trustee in its banking department, or with such other banks, trust companies, or national banking associations, each having a place of business in the City of Chicago, Illinois, as may be designated by the City and approved by the Trustee. No such funds shall be deposited with any bank, trust company or national banking association, other than the Trustee, in an amount exceeding 25 percent of the amount which an officer of such bank, trust company or national banking association shall certify to the Trustee and the City as the combined capital, surplus and undivided profits of such bank, trust company or national banking association. No such funds shall be deposited or remain on deposit with any bank, trust company or national banking association in excess of the amount insured by the Federal Deposit Insurance Corporation, unless (a) such bank, trust company or national banking association shall have deposited in trust with the trust department of the Trustee or with a Federal Reserve Bank or branch or, with the written approval of the Trustee and the City, pledged to some other bank, trust company or national banking association, for the benefit of the City and the appropriate fund, account, subfund or subaccount, as collateral security for the moneys deposited, Qualified Collateral having a current market value (exclusive of accrued interest) at least equal to 110 percent of the amount of such moneys, or (b) in lieu of such collateral security as to all or any part of such moneys, there shall have been deposited in trust

with the trust department of the Trustee, for the benefit of the City and the appropriate fund, account, subfund or subaccount, and remain in full force and effect as security for such moneys or part thereof, the indemnifying bond or bonds of a surety company or companies qualified as surety for deposits of funds of the United States of America and qualified to transact business in the State in a sum at least equal to the amount of such moneys or part thereof. The Trustee shall allow and credit interest on any such moneys held by it at such rate as it customarily allows upon similar moneys of similar size and under similar conditions or as required by law. Interest in respect of moneys or on securities in any fund, account, subfund or subaccount shall be credited in each case to the fund, account, subfund or subaccount in which such moneys or securities are held.

Section 8.09. Evidence on which Trustee May Act. The Trustee shall be protected in acting upon any notice, resolution, request, consent, order, certificate, report, opinion, bond or other paper or document believed by it to be genuine, and to have been signed or presented by the proper party or parties. The Trustee may consult with counsel, who may or may not be counsel to the City, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith. Whenever the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, including payment of moneys out of any fund or account, such matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a Certificate, and such Certificate shall be full warrant for any action taken or suffered in good faith under the provisions of this Indenture upon the faith thereof, but in its discretion the Trustee may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as to it may seem reasonable. Except as otherwise expressly provided herein or therein, any request, order, notice or other direction required or permitted to be furnished pursuant to any provision hereof or thereof by the City to the Trustee shall be sufficiently executed if executed in the name of the City by an Authorized Officer.

Section 8.10. Permitted Acts and Functions. The Trustee may become the Owner of any Bonds, with the same rights it would have if it were not the Trustee. To the extent permitted by law, the Trustee may act as depositary for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of the Owners of Bonds or to effect or aid in any reorganization growing out of the enforcement of the Bonds or this Indenture, whether or not any such committee shall represent the Owners of a majority in principal amount of the Bonds then Outstanding.

Section 8.11. Resignation. The Trustee may at any time resign and be discharged of its duties and obligations created by this Indenture by giving not fewer than 60 days' written notice to the City and mailing notice thereof, to the owners of Bonds at their addresses shown on the registration books kept by the Trustee within 20 days after the giving of such written notice. Such resignation shall take effect upon the appointment and acceptance of appointment of a successor by the City or the Owners of Bonds as herein provided.

Section 8.12. Removal. The Trustee may be removed at any time by the Owners of a majority in principal amount of the Bonds then Outstanding, excluding any Bonds held by or for

the account of the City, by an instrument or concurrent instruments in writing signed and duly acknowledged by such Owners of Bonds or by their attorneys duly authorized in writing and delivered to the City. Copies of each such instrument shall be delivered by the City to the Trustee and any successor. The City may remove the Trustee at any time, except during the existence of an Event of Default, for such cause (or upon 30 days' notice for any reason) as shall be determined in the sole discretion of the City by filing with the Trustee an instrument signed by an Authorized Officer and by mailing notice thereof to the Bank and to the Owners of Bonds at their addresses shown on the registration books kept by the Trustee. Any removal of the Trustee shall take effect upon the appointment and acceptance of appointment of a successor Trustee.

Section 8.13. Appointment of Successor. In case at any time the Trustee shall resign or shall be removed or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator or conservator of the Trustee or of its property shall be appointed, or if any public officer shall take charge or control of the Trustee or of its property or affairs, a successor may be appointed by the Owners of a majority in principal amount of the Bonds then Outstanding, excluding any Bonds held by or for the account of the City, by an instrument or concurrent instruments in writing signed by such Owners or their attorneys duly authorized in writing and delivered to such successor Trustee, notification thereof being given to the City and the predecessor Trustee. Pending such appointment, the City shall forthwith appoint a Trustee to fill such vacancy until a successor Trustee (if any) shall be appointed by the Owners of Bonds as herein authorized. The City shall mail notice to Owners of Bonds of any such appointment within 20 days after such appointment. Any successor Trustee appointed by the City shall, immediately and without further act, be superseded by a Trustee appointed by the Owners of Bonds. If in a proper case no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Section within 45 days after the Trustee shall have given to the City written notice of resignation as provided in Section 8.11 hereof or after the occurrence of any other event requiring or authorizing such appointment, the Trustee, any Owner of Bonds may apply to any court of competent jurisdiction to appoint a successor. Said court may thereupon, after such notice, if any, as said court may deem proper and prescribe, appoint such successor Trustee. Any Trustee appointed under the provisions of this Section shall be a bank, trust company or national banking association, in any such case having corporate trust powers, doing business and having a corporate trust office in the City.

Section 8.14. Transfer of Rights and Property to Successor. Any successor Trustee appointed under this Indenture shall execute, acknowledge and deliver to its predecessor Trustee, and also to the City, a written instrument of acceptance respecting such appointment, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become fully vested with all moneys, estates, properties, rights, powers, duties and obligations of such predecessor Trustee, with like effect as if originally named as Trustee; but the Trustee ceasing to act shall nevertheless, on the request of the City, or of the successor Trustee, execute, acknowledge and deliver such instruments of conveyance and further assurance and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor Trustee all the right, title and interest of the predecessor Trustee in and to any property held by it under this Indenture, and shall pay over, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions herein set forth. Should

any deed, conveyance or instrument in writing from the City be required by such successor Trustee for more fully and certainly vesting in and confirming to such successor Trustee any such estates, rights, powers and duties, any and all such deeds, conveyances and instruments in writing shall, on request, and so far as may be authorized by law, be executed, acknowledged and delivered by the City.

Section 8.15. Merger or Consolidation. Any company into which the Trustee may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which the Trustee may sell or transfer all or substantially all of its corporate trust business, provided such company shall be a bank, trust company or national banking association which is qualified to be a successor to the Trustee under Section 8.13 hereof and shall be authorized by law to perform all the duties imposed upon it by this Indenture, shall be the successor to the Trustee without the execution or filing of any paper or the performance of any further act.

Section 8.16. Adoption of Authentication. In case any of the Bonds contemplated to be issued under this Indenture shall have been authenticated but not delivered, any successor Trustee may adopt the certificate of authentication of any predecessor Trustee so authenticating such Bonds and deliver such Bonds so authenticated, and in case any of the said Bonds shall not have been authenticated, any successor Trustee may authenticate such Bonds in the name of the predecessor Trustee, or in the name of the successor Trustee, and in all such cases such certificate shall have the full force which it is anywhere in the Bonds or in this Indenture *provided* that the certificate of the Trustee shall have.

Section 8.17. Evidence of Signatures of Owners and Ownership of Bonds. (a) Any request, consent or other instrument which this Indenture may require or permit to be signed and executed by the Owners of Bonds may be in one or more instruments of similar tenor, and shall be signed or executed by such Owners in person or by their attorneys appointed in writing. Proof of (i) the execution of any such instrument, or of an instrument appointing any such attorney, or (ii) the ownership by any person of the Bonds, shall be sufficient for any purpose of this Indenture (except as otherwise herein expressly provided) if made in the following manner, but the Trustee may nevertheless in its discretion require further or other proof in cases where it deems the same desirable:

(1) The fact and date of the execution by any Owner or his attorney of such instrument may be proved by the certificate, which need not be acknowledged or verified, of an officer of a bank or trust company satisfactory to the Trustee or of any notary public or other officer authorized to take acknowledgments of deeds to be recorded in the jurisdiction in which he purports to act, that the person signing such request or other instrument acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer.

(2) The authority of the person or persons executing any such instrument on behalf of a corporate Owner of Bonds may be established without further proof if such instrument is signed by a person purporting to be the president or vice president of such

corporation with a corporate seal affixed and attested by a person purporting to be its secretary or an assistant secretary.

(b) The ownership of Bonds and the amount, numbers and other identification, and date of ownership of the same shall be proved by the Bond Register. Any request, consent or vote of the Owner of any Bond shall bind all future Owners of such Bond in respect of anything done or suffered to be done by the City or the Trustee in accordance therewith.

Section 8.18. Preservation and Inspection of Documents. All documents received by the Trustee under the provisions of this Indenture shall be retained in its possession and shall be subject at all reasonable times to the inspection of the City and any Owner of Bonds and their agents and their representatives, any of whom may make copies thereof.

ARTICLE IX

SUPPLEMENTAL INDENTURE

Section 9.01. Supplemental Indenture Effective Upon Execution by the Trustee. For any one or more of the following purposes and the purposes enumerated in Section 9.04 hereof, and at any time or from time to time, a Supplemental Indenture may be authorized by an ordinance adopted by the City Council of the City, which, upon the filing with the Trustee of a copy of such ordinance certified by the City Clerk and the execution and delivery of such Supplemental Indenture by the City and the Trustee, shall be fully effective in accordance with its terms and not subject to consent by the Registered Owners of the Bonds:

(a) to add to the covenants and agreements of the City in this Indenture other covenants and agreements to be observed by the City which are not contrary to or inconsistent with this Indenture as theretofore in effect;

(b) to add to the limitations and restrictions in this Indenture other limitations and restrictions to be observed by the City which are not contrary to or inconsistent with this Indenture as theretofore in effect;

(c) to surrender any right, power or privilege reserved to or conferred upon the City by the terms of this Indenture, but only if the surrender of such right, power or privilege is not contrary to or inconsistent with the covenants and agreements of the City contained in this Indenture;

(d) to confirm, as further assurance, the pledge herein, and the subjection of, additional properties, taxes or other collateral to any lien, claim or pledge created or to be created by, this Indenture;

(e) to cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision in this Indenture;

(f) to insert such provisions clarifying matters or questions arising under this Indenture as are necessary or desirable and are not contrary to or inconsistent with this Indenture as theretofore in effect; or

(g) to provide additional duties of the Trustee under this Indenture.

Section 9.02. Supplemental Indentures Effective With Consent of Owners of Bonds. At any time or from time to time, a Supplemental Indenture may be authorized by an ordinance adopted by the City Council of the City, subject to consent by the Owners of Bonds in accordance with and subject to the provisions of this Article, which Supplemental Indenture, upon the filing with the Trustee of a copy of such ordinance certified by the City Clerk, upon compliance with the provisions of this Article, and upon execution and delivery of such Supplemental Indenture by the City and the Trustee, shall become fully effective in accordance with its terms.

Section 9.03. General Provisions. (a) This Indenture shall not be modified or amended in any respect except as provided in and in accordance with and subject to the provisions of this Article. Nothing in this Article shall affect or limit the right or obligation of the City to adopt, make, do, execute, acknowledge or deliver any ordinance, resolution, act or other instrument pursuant to the provisions of this Article or the right or obligation of the City to execute and deliver to the Trustee any instrument which elsewhere in this Indenture it is provided shall be delivered to the Trustee.

(b) Any ordinance authorizing a Supplemental Indenture referred to and permitted or authorized by Section 9.01 or 9.04 hereof may be adopted by the City Council of the City without the consent of any of the Owners of Bonds, but such Supplemental Indenture shall be executed and delivered by the City and the Trustee and shall become effective only on the conditions, to the extent and at the time provided in this Article. Every Supplemental Indenture delivered to the Trustee for execution shall be accompanied by an opinion of counsel stating that such Supplemental Indenture has been duly and lawfully authorized by the City Council of the City and executed by the City in accordance with the provisions of this Indenture, is authorized or permitted by this Indenture, and will, when executed and delivered by the Trustee, be valid and binding upon the City and enforceable in accordance with its terms.

(c) The Trustee is hereby authorized to enter into, execute and deliver any Supplemental Indenture referred to and permitted or authorized by this Article and to make all further agreements and stipulations which may be therein contained, and the Trustee, in taking such action, shall be fully protected in relying on an opinion of counsel that such Supplemental Indenture is authorized or permitted by the provisions of this Indenture.

(d) No Supplemental Indenture shall change or modify any of the rights or obligations of the Trustee without its written assent thereto.

(e) No Supplemental Indenture shall take effect unless and until there has been delivered to the Trustee an Opinion of Bond Counsel to the effect that such Supplemental

Indenture does not adversely affect the exclusion from gross income for federal income tax purposes to which interest on the Bonds would otherwise be entitled.

Section 9.04. Additional Matters. Additionally, this Indenture may, without the consent of, or notice to, any of the Bondholders, be supplemented and amended, in such manner as shall not be inconsistent with the terms and provisions hereof, for any one or more of the following purposes:

(a) to provide for certificated Bonds; and

(b) to secure or maintain ratings from any Rating Agency in the highest long term debt rating category, of such Rating Agency which are available for the Bonds, which changes will not restrict, limit or reduce the obligation of the City to pay the principal of, premium, if any, and interest on the Bonds as provided in this Indenture or otherwise adversely affect the Registered Owners of the Bonds under this Indenture.

Section 9.05. Mailing of Notice of Amendment. Any provision in this Article for the mailing of a notice or other paper to owners of Bonds shall be fully complied with if it is mailed postage prepaid only (i) to each Registered Owner of then Outstanding Bonds at his address, if any, appearing upon the registration books maintained by the City at the Designated Corporate Trust Office of the Trustee, and (ii) to the Trustee.

Section 9.06. Powers of Amendment. Any modification or amendment of this Indenture or of the rights and obligations of the City and of the Owners of the Bonds, in particular, which requires the consent of the Bondholders, may be made by a Supplemental Indenture, with the written consent given as provided in Section 9.07, (a) of the Owners of a majority in principal amount of the Bonds Outstanding at the time such consent is given, or (b) in case less than all of the then Outstanding Bonds are affected by the modification or amendment, of the Owners of a majority in principal amount of the then Outstanding Bonds so affected. No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any Outstanding Bonds or of any installment of interest thereon or a reduction in the principal amount or the Redemption Price thereof or in the rate of interest thereon, or in terms of purchase or the purchase price thereof, without the consent of the owner of such Bonds, or shall reduce the percentages or otherwise affect the classes of Bonds the consent of the owners of which is required to effect any such modification or amendment, or shall change or modify any of the rights or obligations of the Trustee without its written assent thereto. For the purposes of this Section, a Bond shall be deemed to be affected by a modification or amendment of this Indenture if the same adversely affects or diminishes the rights of the owners of such Bond.

Section 9.07. Consent of Owners of Bonds. (a) The City may at any time authorize a Supplemental Indenture making a modification or amendment permitted by the provisions of Section 9.06, to take effect when and as provided in this Section. A copy of such Supplemental Indenture (or brief summary thereof or reference thereto in form approved by the Trustee), together with a request to the Owners of the Bonds for their consent thereto in form satisfactory to the Trustee, shall be mailed by the City to the Owners of the Bonds (but failure to mail such copy and request shall not affect the validity of the Supplemental Indenture when consented to as

in this Section provided). Such Supplemental Indenture shall not be effective unless and until, and shall take effect in accordance with its terms when, (i) there shall have been filed with the Trustee (1) the written consents of Owners of the percentages of Outstanding Bonds specified in Section 9.06 and (2) an opinion of counsel stating that such Supplemental Indenture has been duly and lawfully executed and delivered by the City and the Trustee in accordance with the provisions of this Indenture, is authorized or permitted hereby and is valid and binding upon the City and enforceable in accordance with its terms upon its becoming effective as in this Section provided, and (ii) a notice shall have been mailed as hereinafter in this Section provided.

(b) The consent of an Owner of Bonds to any modification or amendment shall be effective only if accompanied by proof of the Ownership, at the date of such consent, of the Bonds with respect to which such consent is given, which proof shall be such as is permitted by Section 8.17. A certificate or certificates signed by the Trustee that it has examined such proof and that such proof is sufficient in accordance with Section 8.17 shall be conclusive that the consents have been given by the Owners of the Bonds described in such certificate or certificates. Any such consent shall be binding upon the Owner of the Bonds giving such consent and upon any subsequent Owner of such Bonds and of any Bonds issued in exchange therefor (whether or not such subsequent Owner thereof has notice thereof) unless such consent is revoked in writing by the Owner of such Bonds giving such consent or a subsequent Owner thereof by filing such revocation with the Trustee, prior to the time when the written statement of the Trustee hereinafter provided for in this Section is filed. The fact that a consent has not been revoked may likewise be proved by a certificate of the Trustee to the effect that no revocation thereof is on file with the Trustee.

(c) At any time after the Owners of the required percentages of Bonds shall have filed their consents to the Supplemental Indenture, the Trustee shall make and file with the City a written statement that the Owners of such required percentages of Bonds have filed such consents. Such written statement shall be conclusive that such consents have been so filed. At any time thereafter notice, stating in substance that the Supplemental Indenture (which may be referred to as a Supplemental Indenture entered into by the City and the Trustee as of a stated date, a copy of which is on file with the Trustee) has been consented to by the Owners of the required percentages of Bonds and will be effective as provided in this Section, shall be given to Owners by the Trustee by mailing such notice to the Owners of the Bonds and the Bank (but failure to mail such notice shall not prevent such Supplemental Indenture from becoming effective and binding as provided in this Section). The Trustee shall file with the City proof of the mailing of such notice. A record, consisting of the papers required or permitted by this Section to be filed with the Trustee, shall be proof of the matters therein stated. Such Supplemental Indenture making such amendment or modification shall be deemed conclusively binding upon the Trustee and the Owners of all Bonds at the expiration of 40 days after the filing with the Trustee of proof of the mailing of such last mentioned notice, except in the event of a final decree of a court of competent jurisdiction setting aside such Supplemental Indenture in a legal action or equitable proceeding for such purpose commenced within such 40-day period; except that the Trustee and the City, during such 40-day period and any such further period during which any such action or proceeding may be pending, shall be entitled in their absolute discretion to take such action, or to refrain from taking such action, with respect to such Supplemental Indenture as they may deem expedient.

Section 9.08. Modifications by Unanimous Consent. The terms and provisions of this Indenture and the rights and obligations of the City and of the Owners of the Bonds hereunder may be modified or amended in any respect upon the consent of the Owners of all the then Outstanding Bonds to the execution and delivery of such Supplemental Indenture, such consent to be given as provided in Section 9.07 except that no notice to the Owners of the Bonds shall be required; but no such modification or amendment shall change or modify any of the rights or obligations of the Trustee without its written assent thereto.

Section 9.09. Exclusion of Bonds. Bonds owned by or for the account of the City shall not be deemed Outstanding for the purpose of consent or other action or any calculation of Outstanding Bonds provided for in this Article, and the City shall not be entitled with respect to such Bonds to give any consent or take any other action provided for in this Article. At the time of any consent or other action taken under this Article, the City shall furnish the Trustee with a Certificate upon which the Trustee may rely, describing all Bonds so to be excluded.

Section 9.10. Notation on Bonds. Bonds authenticated and delivered after the effective date of any action taken as in this Article provided may, and, if the Trustee so determines, shall, bear a notation by endorsement or otherwise in form approved by the City and the Trustee as to such action, and in that case upon demand of the Owner of any Bond Outstanding at such effective date and presentation of his Bond for that purpose at the Designated Corporate Trust Office of the Trustee or upon any exchange or registration of transfer of any Bond Outstanding at such effective date, suitable notation shall be made on such Bond or upon any Bond issued upon any such exchange or registration of transfer by the Trustee as to any such action. If the City or the Trustee shall so determine, new Bonds so modified as in the opinion of the Trustee and the City to conform to such action shall be prepared, authenticated and delivered, and upon demand of the Owner of any Bond then Outstanding shall be exchanged, without cost to such Owner, for Bonds of the same maturity upon surrender of such Bond.

In the ordinary course of business, Citigroup Inc. ("Citi"), which holds an indirect interest in the Applicant, and its subsidiaries are defendants or co-defendants in various litigation matters incidental to and typical of the broad range of businesses in which they are engaged. In the ordinary course of business, Citigroup Inc. ("Citi"), which holds an indirect interest in the Applicant, and its subsidiaries are defendants or co-defendants in various litigation matters incidental to and typical of the broad range of businesses in which they are engaged. For example, typical actions in broker-dealer subsidiaries are civil suits, arbitration proceedings, and other matters related to activities occurring in the normal course of business as a broker and dealer in securities, as an underwriter of securities, as an investment banker or otherwise. From time to time Citi, and certain affiliated entities, are the subjects of inquiries and investigations conducted by federal or state regulatory agencies. Citi and its affiliated entities routinely cooperate with such investigations.

To the best of our knowledge, after a reasonable inquiry, we are not aware of any threatened or pending proceedings, investigations or litigation concerning Citi or its subsidiaries. which could reasonably be expected to have a material adverse effect on Citi's ability to perform the services contemplated by the Economic Disclosure Form.

Citi is a public company and as such files periodic and current reports with the U.S. Securities and Exchange Commission (SEC) as required by the Securities Exchange Act of 1934 that include current descriptions of material regulatory proceedings, investigations and litigation. Copies of Citi's periodic reports are on file with the SEC, which can be located at the SEC's website (www.sec.gov).

"We are not and will not become a predatory lender as defined in Chapter 2-32 of the Municipal Code. We further pledge that none of our affiliates is, and none of them will become, a predatory lender as defined in Chapter 2-32 of the Municipal Code. We understand that becoming a predatory lender or becoming an affiliate of a predatory lender may result in the loss of the privilege of doing business with the City."

If the Disclosing Party is unable to make this pledge because it or any of its affiliates (as defined in Section 2-32-455(b) of the Municipal Code) is a predatory lender within the meaning of Chapter 2-32 of the Municipal Code, explain here (attach additional pages if necessary):

If the letters "NA," the word "None," or no response appears on the lines above, it will be conclusively presumed that the Disclosing Party certified to the above statements.

Economic Disclosure Statement and Affidavit
Filed by
PNC Capital Markets LLC

This Attachment B modifies and supplements the information provided in the City of Chicago Economic Disclosure Statement and Affidavit executed by the Disclosing Party as of July 20, 2015 (the "EDS"). Any capitalized term used in this Attachment B will have the definition set forth in the EDS, except as provided below.

SECTION III: BUSINESS RELATIONSHIPS WITH CITY ELECTED OFFICIALS

To the best knowledge of the Disclosing Party, after reasonable inquiry, the Disclosing Party has not had a "business relationship," as defined in Chapter 2-156 of the Municipal Code, with any City elected official in the 12 months ending on the date that the Disclosing Party executed the EDS. For purposes of this statement, the term "City elected official" is treated as including only the City's Mayor, Aldermen, Treasurer and Clerk and not including their spouses, domestic partners (as defined in Chapter 2-156 of the Municipal Code) or any entity in which any such person has an interest.

SECTION V – CERTIFICATIONS

B. FURTHER CERTIFICATIONS

The Disclosing Party certifies that, as of the date that the Disclosing Party executed the EDS, to the best of its knowledge, after reasonable inquiry, (x) the statement contained in Section V, paragraph B.2.d is accurate with respect to itself; and (y) the statements contained in Section V, paragraphs B.1 and B.2.a through and including B.2.e are accurate with respect to the executive officers and managers of the Disclosing Party. With respect to Section V, paragraphs B.2.b, c and e, the Disclosing Party hereby makes reference to the information on legal proceedings set forth in the filings made by its ultimate parent company, The PNC Financial Services Group, Inc., with the Securities and Exchange Commission, which may be found at www.sec.gov or www.pnc.com/secfilings. Copies of the most current such disclosures are attached as Annex I to this Attachment B. The Disclosing Party certifies that none of the judgments set forth therein, individually or in the aggregate, would have a material adverse effect on its ability to perform with respect to the Matter.

The Disclosing Party certifies that, as of the date that the Disclosing Party executed the EDS, to the best of its knowledge, after reasonable inquiry, the statements contained in Section V, paragraphs B.3.a through and including B.3.d and B.4 are accurate with respect to any Affiliated Entity of the Disclosing Party or any responsible official of the Disclosing Party or any such Affiliated Entity acting in such capacity or any other official or employee of the Disclosing Party or any such Affiliated Entity acting in

such capacity pursuant to the direction or authorization of a responsible official of the Disclosing Party or any such Affiliated Entity acting in such capacity. The Disclosing Party makes no certification concerning (x) any Contractor, any Affiliated Entity of a Contractor or any Agent of any such Contractor or Affiliated Entity; (y) any agent of the Disclosing Party or any Affiliated Entity of the Disclosing Party; or (z) any partner of any Affiliated Entity of the Disclosing Party, except to the extent that such partner is also an Affiliated Entity of the Disclosing Party.

With respect to the statements contained in Section V, paragraph B.5, the Disclosing Party is certifying with respect to the Disclosing Party and any Affiliated Entity of the Disclosing Party.

For purposes of the certifications contained in the EDS as modified in this Attachment B: The term "Affiliated Entity" does not include BlackRock, Inc. or any of its subsidiaries or other affiliates (as such term is defined for purposes of the Securities Exchange Act of 1934, as amended), except to the extent that such entity would be an Affiliated Entity of the Disclosing Party for any other reason.

D. INTEREST IN CITY BUSINESS

As to the disclosure set forth in Section V, paragraph D.1., to the best knowledge of the Disclosing Party, after reasonable inquiry, no official or employee of the City of Chicago has a financial interest in his or her own name or in the name of any other person in the Matter.

As to the disclosure set forth in Section V, paragraph D.4., the Disclosing Party only certifies that no official or employee of the City of Chicago will acquire a prohibited financial interest in the Matter from the Disclosing Party, any Affiliated Entity of the Disclosing Party or any responsible official of the Disclosing Party or any such Affiliated Entity acting in such capacity or any other official or employee of the Disclosing Party or any such Affiliated Entity acting in such capacity pursuant to the direction or authorization of a responsible official of the Disclosing Party or any such Affiliated Entity acting in such capacity.

E. CERTIFICATION REGARDING SLAVERY ERA BUSINESS

The PNC Financial Services Group, Inc. extensively reviewed the historical records of banks it has acquired and has discovered two instances in the records of the National Bank of Kentucky, a predecessor of PNC Bank, National Association, an Affiliated Entity of the Disclosing Party.

In 1836, the National Bank of Kentucky loaned $200,000 to the City of Louisville. Records indicate the City then invested in the Lexington & Ohio Railroad Company

In 1852, the National Bank of Kentucky loaned $135,000 to the Louisville & Nashville Railroad Company.

Research indicates that both railroads employed forced labor. There is no evidence that the National Bank of Kentucky accepted individuals as collateral for either loan, or otherwise directly profited from slavery.

NOTE 14 INCOME TAXES

Table 111: Net Operating Loss Carryforwards and Tax Credit Carryforwards

In millions	March 31 2015	December 31 2014
Net Operating Loss Carryforwards:		
Federal	$ 977	$ 997
State	$2,536	$ 2,594
Tax Credit Carryforwards:		
Federal	$ 35	$ 35
State	$ 7	$ 7

The federal net operating loss carryforwards expire in 2032. The state net operating loss carryforwards will expire from 2015 to 2031. The majority of the tax credit carryforwards expire in 2032. All federal and most state net operating loss and credit carryforwards are from acquired entities and utilization is subject to various statutory limitations. It is anticipated that the company will be able to fully utilize its carryforwards for federal tax purposes, but a valuation allowance of $65 million has been recorded against certain state tax carryforwards as of March 31, 2015. If select uncertain tax positions were successfully challenged by a state, the state net operating losses listed above could be reduced by $60 million.

The Internal Revenue Service (IRS) is currently examining PNC's 2011 through 2013 returns. National City's consolidated federal income tax returns through 2008 have been audited by the IRS. Certain adjustments remain under review by the IRS Appeals Division for years 2004 through 2008.

The Company had unrecognized tax benefits of $83 million at March 31, 2015 and $77 million at December 31, 2014. At March 31, 2015, $68 million of unrecognized tax benefits, if recognized, would favorably impact the effective income tax rate.

It is reasonably possible that the balance of unrecognized tax benefits could increase or decrease in the next twelve months due to completion of tax authorities' exams or the expiration of statutes of limitations. Management estimates that the balance of unrecognized tax benefits could decrease by $58 million within the next twelve months.

During the three months ended March 31, 2015, we recognized $51 million of amortization, $55 million of tax credits, and $19 million of other tax benefits associated with qualified investments in low income housing tax credits within Income taxes.

NOTE 15 LEGAL PROCEEDINGS

We establish accruals for legal proceedings, including litigation and regulatory and governmental investigations and inquiries, when information related to the loss contingencies represented by those matters indicates both that a loss is probable and that the amount of loss can be reasonably estimated. Any such accruals are adjusted thereafter as appropriate to reflect changed circumstances. When we are able to do so, we also determine estimates of possible losses or ranges of possible losses, whether in excess of any related accrued liability or where there is no accrued liability, for disclosed legal proceedings ("Disclosed Matters," which are those matters disclosed in this Note 15 as well as those matters disclosed in Note 21 Legal Proceedings in Part II, Item 8 of our 2014 Form 10-K (such prior disclosure referred to as "Prior Disclosure")). For Disclosed Matters where we are able to estimate such possible losses or ranges of possible losses, as of March 31, 2015, we estimate that it is reasonably possible that we could incur losses in an aggregate amount of up to approximately $725 million. The estimates included in this amount are based on our analysis of currently available information and are subject to significant judgment and a variety of assumptions and uncertainties. As new information is obtained we may change our estimates. Due to the inherent subjectivity of the assessments and unpredictability of outcomes of legal proceedings, any amounts accrued or included in this aggregate amount may not represent the ultimate loss to us from the legal proceedings in question. Thus, our exposure and ultimate losses may be higher, and possibly significantly so, than the amounts accrued or this aggregate amount.

In our experience, legal proceedings are inherently unpredictable. One or more of the following factors frequently contribute to this inherent unpredictability: the proceeding is in its early stages; the damages sought are unspecified, unsupported or uncertain; it is unclear whether a case brought as a class action will be allowed to proceed on that basis or, if permitted to proceed as a class action, how the class will be defined; the other party is seeking relief other than or in addition to compensatory damages (including, in the case of regulatory and governmental investigations and inquiries, the possibility of fines and penalties); the matter presents meaningful legal uncertainties, including novel issues of law; we have not engaged in meaningful settlement discussions; discovery has not started or is not complete; there are significant facts in dispute; the possible outcomes may not be amenable to the use of statistical or quantitative analytical tools; predicting possible outcomes depends on making assumptions about future decisions of courts or regulatory bodies or the behavior of other parties; and there are a large number of parties named as defendants (including where it is uncertain how damages or liability, if any, will be shared among multiple defendants). Generally, the less progress that has been made in the proceedings or the broader the range of potential results, the harder it is for us to estimate losses or ranges of losses that it is reasonably possible we could incur.

Table of Contents

As a result of these types of factors, we are unable, at this time, to estimate the losses that it is reasonably possible that we could incur or ranges of such losses with respect to some of the matters disclosed, and the aggregate estimated amount provided above does not include an estimate for every Disclosed Matter. Therefore, as the estimated aggregate amount disclosed above does not include all of the Disclosed Matters, the amount disclosed above does not represent our maximum reasonably possible loss exposure for all of the Disclosed Matters. The estimated aggregate amount also does not reflect any of our exposure to matters not so disclosed, as discussed below under "Other."

We include in some of the descriptions of individual Disclosed Matters certain quantitative information related to the plaintiff's claim against us as alleged in the plaintiff's pleadings or other public filings or otherwise publicly available information. While information of this type may provide insight into the potential magnitude of a matter, it does not necessarily represent our estimate of reasonably possible loss or our judgment as to any currently appropriate accrual.

Some of our exposure in Disclosed Matters may be offset by applicable insurance coverage. We do not consider the possible availability of insurance coverage in determining the amounts of any accruals (although we record the amount of related insurance recoveries that are deemed probable up to the amount of the accrual) or in determining any estimates of possible losses or ranges of possible losses.

Captive Mortgage Reinsurance Litigation

In March 2015, the parties in *White, et al. v. The PNC Financial Services Group, Inc., et al* (Civil Action No. 11-7928), pending in the United States District Court for the Eastern District of Pennsylvania, stipulated to, and the court ordered, a stay of all proceedings pending the outcome of another matter currently on appeal before the United States Court of Appeals for the Third Circuit that involves overlapping issues.

Lender Placed Insurance Litigation

In March 2015, in *Montoya vs. PNC Bank, N.A., et al.*(Case No. 14-cv-20474-JG), the United States District Court for the Southern District of Florida denied PNC's motion to dismiss, except that it granted the motion as to the Ohio good faith and fair dealing claim.

Mortgage Repurchase Litigation

In January 2015, the lawsuit pending in the United States District Court for the District of Minnesota under the caption *Residential Funding Company, LLC v. PNC Bank, N.A., et al.* (Civil No. 13-3498- JRT-JSM) was consolidated for pre-trial purposes with other lawsuits pending in the District of Minnesota filed by Residential Funding Company, LLC against other originators of mortgage loans that it had purchased. The consolidated action is captioned *In Re. RFC and RESCAP Liquidating Trust Litigation*, Civil File No. 13-cv-3451 (SRN/JJK/HB).

Pre-need Funeral Arrangements

In March 2015, in the case pending in the United States District Court for the Eastern District of Missouri under the caption *Jo Ann Howard, P.C., et al. v. Cassity, et al.* (No. 4:09-CV-1252-ERW), the court, after a jury trial, entered a judgment against National City Bank and PNC Bank (the PNC defendants) in the amount of $355.5 million in compensatory damages and $35.6 million in punitive damages. In April 2015, the plaintiffs filed motions with the court seeking $178.8 million in pre-judgment interest. Also, in April 2015, the PNC defendants filed motions with the court to reduce the compensatory damages by the amounts paid in settlement by other defendants, to strike the punitive damages award, for judgment as a matter of law, and for a new trial. If the PNC defendants do not obtain sufficient relief through these motions, they intend to appeal the judgment to the U.S. Court of Appeals for the Eighth Circuit.

Other Regulatory and Governmental Inquiries

PNC is the subject of investigations, audits and other forms of regulatory and governmental inquiry covering a broad range of issues in our banking, securities and other financial services businesses, in some cases as part of reviews of specified activities at multiple industry participants. Over the last few years, we have experienced an increase in regulatory and governmental investigations, audits and other inquiries. Areas of current regulatory or governmental inquiry with respect to PNC include consumer protection, fair lending, mortgage origination and servicing, mortgage and non mortgage-related insurance and reinsurance, municipal finance activities, conduct by broker-dealers, automobile lending practices, and participation in government insurance or guarantee programs, some of which are described in Prior Disclosure. These inquiries, including those described in Prior Disclosure, may lead to administrative, civil or criminal proceedings, and possibly result in remedies including fines, penalties, restitution, or alterations in our business practices, and in additional expenses and collateral costs.

Our practice is to cooperate fully with regulatory and governmental investigations, audits and other inquiries, including those described in Prior Disclosure.

Other

In addition to the proceedings or other matters described above and in Prior Disclosure, PNC and persons to whom we may have indemnification obligations, in the normal course of business, are subject to various other pending and threatened legal proceedings in which claims for monetary damages and other relief are asserted. We do not anticipate, at the present time, that the ultimate aggregate liability, if any, arising out of such other legal proceedings will have a material adverse effect on our financial position. However, we cannot now determine whether or not any claims asserted against us or others to whom we may have indemnification obligations,

Table of Contents

whether in the proceedings or other matters described above or otherwise, will have a material adverse effect on our results of operations in any future reporting period, which will depend on, among other things, the amount of the loss resulting from the claim and the amount of income otherwise reported for the reporting period.

See Note 16 Commitments and Guarantees for additional information regarding the Visa indemnification and our other obligations to provide indemnification, including to current and former officers, directors, employees and agents of PNC and companies we have acquired.

NOTE 16 COMMITMENTS AND GUARANTEES

Commitments

In the normal course of business, we have various commitments outstanding, certain of which are not included on our Consolidated Balance Sheet. The following table presents our outstanding commitments to extend credit along with significant other commitments as of March 31, 2015 and December 31, 2014, respectively.

Table 112: Commitments to Extend Credit and Other Commitments

In millions	March 31 2015	December 31 2014
Commitments to extend credit		
Total commercial lending	$ 96,866	$ 99,837
Home equity lines of credit	17,784	17,839
Credit card	18,539	17,833
Other	4,771	4,178
Total commitments to extend credit	137,960	139,687
Net outstanding standby letters of credit (a)	9,750	9,991
Reinsurance agreements	2,428	4,297
Standby bond purchase agreements (b)	1,080	1,095
Other commitments related to equity investments (c)	970	962
Total commitments to extend credit and other commitments	$152,188	$156,032

(a) Net outstanding standby letters of credit include $5.4 billion and $5.2 billion which support remarketing programs at March 31, 2015 and December 31, 2014, respectively.
(b) We enter into standby bond purchase agreements to support municipal bond obligations
(c) Includes $411 million and $441 million related to investments in qualified affordable housing projects at March 31, 2015 and December 31, 2014, respectively

Commitments to Extend Credit

Commitments to extend credit, or net unfunded loan commitments, represent arrangements to lend funds or provide liquidity subject to specified contractual conditions. These commitments generally have fixed expiration dates, may require payment of a fee, and contain termination clauses in the event the customer's credit quality deteriorates. Based on our historical experience, some commitments expire unfunded, and therefore cash requirements are substantially less than the total commitment.

Net Outstanding Standby Letters of Credit

We issue standby letters of credit and share in the risk of standby letters of credit issued by other financial institutions, in each case to support obligations of our customers to third parties, such as insurance requirements and the facilitation of transactions involving capital markets product execution. Internal credit ratings related to our net outstanding standby letters of credit were as follows:

Table 113: Internal Credit Ratings Related to Net Outstanding Standby Letters of Credit

	March 31 2015	December 31 2014
Internal credit ratings (as a percentage of portfolio):		
Pass (a)	95%	95%
Below pass (b)	5%	5%

(a) Indicates that expected risk of loss is currently low.
(b) Indicates a higher degree of risk of default.

If the customer fails to meet its financial or performance obligation to the third party under the terms of the contract or there is a need to support a remarketing program, then upon a draw by a beneficiary, subject to the terms of the letter of credit, we would be obligated to make payment to them. The standby letters of credit outstanding on March 31, 2015 had terms ranging from less than 1 year to 8 years.

As of March 31, 2015, assets of $989 million secured certain specifically identified standby letters of credit. In addition, a portion of the remaining standby letters of credit issued on behalf of specific customers is also secured by collateral or guarantees that secure the customers' other obligations to us. The carrying amount of the liability for our obligations related to standby letters of credit and participations in standby letters of credit was $180 million at March 31, 2015 and is included in Other liabilities on our Consolidated Balance Sheet.

DOCUMENTS INCORPORATED BY REFERENCE

Portions of the definitive Proxy Statement of The PNC Financial Services Group, Inc. to be filed pursuant to Regulation 14A for the 2015 annual meeting of shareholders (Proxy Statement) are incorporated by reference into Part III of this Form 10-K.

The principal source of parent company cash flow is the dividends it receives from its subsidiary bank, which may be impacted by the following:

- Capital needs,
- Laws and regulations,
- Corporate policies,
- Contractual restrictions, and
- Other factors.

Also, there are statutory and regulatory limitations on the ability of national banks to pay dividends or make other capital distributions. The amount available for dividend payments to the parent company by PNC Bank without prior regulatory approval was approximately $1.5 billion at December 31, 2014.

Under federal law, a bank subsidiary generally may not extend credit to, or engage in other types of covered transactions (including the purchase of assets) with, the parent company or its non-bank subsidiaries on terms and under circumstances that are not substantially the same as comparable transactions with nonaffiliates. A bank subsidiary may not extend credit to, or engage in a covered transaction with, the parent company or a non-bank subsidiary if the aggregate amount of the bank's extensions of credit and other covered transactions with the parent company or non-bank subsidiary exceeds 10% of the capital stock and surplus of such bank subsidiary or the aggregate amount of the bank's extensions of credit and other covered transactions with the parent company and all non-bank subsidiaries exceeds 20% of the capital and surplus of such bank subsidiary. Such extensions of credit, with limited exceptions, must be at least fully collateralized in accordance with specified collateralization thresholds, with the thresholds varying based on the type of assets serving as collateral. In certain circumstances, federal regulatory authorities may impose more restrictive limitations.

Federal Reserve Board regulations require depository institutions to maintain cash reserves with a Federal Reserve Bank (FRB). At December 31, 2014, the balance outstanding at the FRB was $31.4 billion.

NOTE 21 LEGAL PROCEEDINGS

We establish accruals for legal proceedings, including litigation and regulatory and governmental investigations and inquiries, when information related to the loss contingencies represented by those matters indicates both that a loss is probable and that the amount of loss can be reasonably estimated. Any such accruals are adjusted thereafter as appropriate to reflect changed circumstances. When we are able to do so, we also determine estimates of possible losses or ranges of possible losses, whether in excess of any related accrued liability or where there is no accrued liability, for disclosed legal proceedings ("Disclosed Matters," which are those matters disclosed in this Note 21). For Disclosed Matters where we are able to estimate such possible losses or ranges of possible losses, as of December 31, 2014, we estimate that it is reasonably possible that we could incur losses in an aggregate amount of up to approximately $650 million. The estimates included in this amount are based on our analysis of currently available information and are subject to significant judgment and a variety of assumptions and uncertainties. As new information is obtained we may change our estimates. Due to the inherent subjectivity of the assessments and unpredictability of outcomes of legal proceedings, any amounts accrued or included in this aggregate amount may not represent the ultimate loss to us from the legal proceedings in question. Thus, our exposure and ultimate losses may be higher, and possibly significantly so, than the amounts accrued or this aggregate amount.

In our experience, legal proceedings are inherently unpredictable. One or more of the following factors frequently contribute to this inherent unpredictability: the proceeding is in its early stages; the damages sought are unspecified, unsupported or uncertain; it is unclear whether a case brought as a class action will be allowed to proceed on that basis or, if permitted to proceed as a class action, how the class will be defined; the other party is seeking relief other than or in addition to compensatory damages (including, in the case of regulatory and governmental investigations and inquiries, the possibility of fines and penalties); the matter presents meaningful legal uncertainties, including novel issues of law; we have not engaged in meaningful settlement discussions; discovery has not started or is not complete; there are significant facts in dispute; the possible outcomes may not be amenable to the use of statistical or quantitative analytical tools; predicting possible outcomes depends on making assumptions about future decisions of courts or regulatory bodies or the behavior of other parties; and there are a large number of parties named as defendants (including where it is uncertain how damages or liability, if any, will be shared among multiple defendants). Generally, the less progress that has been made in the proceedings or the broader the range of potential results, the harder it is for us to estimate losses or ranges of losses that it is reasonably possible we could incur.

As a result of these types of factors, we are unable, at this time, to estimate the losses that it is reasonably possible that we could incur or ranges of such losses with respect to some of the matters disclosed, and the aggregate estimated amount provided above does not include an estimate for every Disclosed Matter. Therefore, as the estimated aggregate amount disclosed above does not include all of the Disclosed Matters, the amount disclosed above does not represent our maximum reasonably possible loss exposure for all of the Disclosed Matters. The estimated aggregate amount also does not reflect any of our exposure to matters not so disclosed, as discussed below under "Other."

We include in some of the descriptions of individual Disclosed Matters certain quantitative information related to the plaintiff's claim against us as alleged in the plaintiff's pleadings or other public filings or otherwise publicly available information. While information of this type may provide insight into the potential magnitude of a matter, it does not necessarily represent our estimate of reasonably possible loss or our judgment as to any currently appropriate accrual.

Some of our exposure in Disclosed Matters may be offset by applicable insurance coverage. We do not consider the possible availability of insurance coverage in determining the amounts of any accruals (although we record the amount of related insurance recoveries that are deemed probable up to the amount of the accrual) or in determining any estimates of possible losses or ranges of possible losses.

Interchange Litigation

Beginning in June 2005, a series of antitrust lawsuits were filed against Visa®, MasterCard®, and several major financial institutions, including cases naming National City (since merged into PNC) and its subsidiary, National City Bank of Kentucky (since merged into National City Bank which in turn was merged into PNC Bank, N.A.). The cases have been consolidated for pretrial proceedings in the United States District Court for the Eastern District of New York under the caption *In re Payment Card Interchange Fee and Merchant-Discount Antitrust Litigation* (Master File No. 1:05-md-1720-JG-JO). Those cases naming National City were brought as class actions on behalf of all persons or business entities who have accepted Visa® or MasterCard®. The plaintiffs, merchants operating commercial businesses throughout the U.S. and trade associations, allege, among other things, that the defendants conspired to fix the prices for general purpose card network services and otherwise imposed unreasonable restraints on trade, resulting in the payment of inflated interchange fees, in violation of the antitrust laws. In January 2009, the plaintiffs filed amended and supplemental complaints adding, among other things, allegations that the restructuring of Visa and MasterCard, each of which included an initial public offering, violated the antitrust laws. In their complaints, the plaintiffs seek, among other things, injunctive relief, unspecified damages (trebled under the antitrust laws) and attorneys' fees.

In July 2012, the parties entered into a memorandum of understanding with the class plaintiffs and an agreement in principle with certain individual plaintiffs with respect to a settlement of these cases, under which the defendants will collectively pay approximately $6.6 billion to the class and individual settling plaintiffs and have agreed to changes in the terms applicable to their respective card networks (including an eight-month reduction in default credit interchange rates). The parties entered into a definitive agreement with respect to this settlement in October 2012. The court granted final approval of the settlement in December 2013. Several objectors have appealed the order of approval to the United States Court of Appeals for the Second Circuit, which appeal is pending. As a result of the previously funded litigation escrow (described in Note 22 Commitments and Guarantees), which will cover substantially all of our share of the Visa portion of this settlement, we anticipate no material financial impact from the monetary amount of this settlement. Numerous merchants, including some large national merchants, have objected to or requested exclusion (opted out) from the proposed class settlements, and some of those opting out have lawsuits pending in federal and state courts against Visa, MasterCard and, in some instances, one or more of the other issuing banks (including PNC).

National City and National City Bank entered into judgment and loss sharing agreements with Visa and certain other banks with respect to all of the above referenced litigation. All of the litigation against Visa is also subject to the indemnification obligations described in Note 22 Commitments and Guarantees. PNC Bank, N.A. is not named a defendant in any of the Visa or MasterCard related antitrust litigation nor was it initially a party to the judgment or loss sharing agreements, but it has been subject to these indemnification obligations and became responsible for National City Bank's position in the litigation and responsibilities under the agreements upon completion of the merger of National City Bank into PNC Bank, N.A. In March 2011, we entered into a MasterCard Settlement and Judgment Sharing Agreement with MasterCard and other financial institution defendants and an Omnibus Agreement Regarding Interchange Litigation Sharing and Settlement Sharing with Visa, MasterCard and other financial institution defendants. If there is a resolution of all claims against all defendants, the Omnibus Agreement, in substance, apportions that resolution into a Visa portion and a MasterCard portion, with the Visa portion being two-thirds and the MasterCard portion being one-third. This apportionment only applies in the case of either a global settlement involving all defendants or an adverse judgment against the defendants, to the extent that damages either are related to the merchants' inter-network conspiracy claims or are otherwise not attributed to specific MasterCard or Visa conduct or damages. The MasterCard portion (or any MasterCard-related liability not subject to the Omnibus

Table of Contents

Agreement) will then be apportioned under the MasterCard Settlement and Judgment Sharing Agreement among MasterCard and PNC and the other financial institution defendants that are parties to this agreement. The responsibility for the Visa portion (or any Visa-related liability not subject to the Omnibus Agreement) will be apportioned under the pre-existing indemnification responsibilities and judgment and loss sharing agreements.

CBNV Mortgage Litigation

Between 2001 and 2003, on behalf of either individual plaintiffs or proposed classes of plaintiffs, several separate lawsuits were filed in state and federal courts against Community Bank of Northern Virginia (CBNV), a PNC Bank predecessor, and other defendants asserting claims arising from second mortgage loans made to the plaintiffs. The state lawsuits were removed to federal court and, with the lawsuits that had been filed in federal court, were consolidated for pre-trial proceedings in a multidistrict litigation (MDL) proceeding in the United States District Court for the Western District of Pennsylvania under the caption *In re: Community Bank of Northern Virginia Lending Practices Litigation* (No. 03-0425 (W.D. Pa.), MDL No. 1674). In January 2008, the Pennsylvania district court issued an order sending back to the General Court of Justice, Superior Court Division, for Wake County, North Carolina the claims of two proposed class members. These claims are asserted in a case originally filed in 2001 and captioned *Bumpers, et al. v. Community Bank of Northern Virginia* (01-CVS-011342).

MDL Proceedings in Pennsylvania. In October 2011, the plaintiffs filed a joint consolidated amended class action complaint covering all of the class action lawsuits pending in this proceeding. The amended complaint names CBNV, another bank, and purchasers of loans originated by CBNV and the other bank (including the Residential Funding Company, LLC ("RFC")) as defendants. (In December 2013, the Chapter 11 bankruptcy proceeding involving the RFC was completed with the company being liquidated and claims against the company being resolved, including, through a settlement between the plaintiffs and RFC approved in November 2013, the claims in these lawsuits.) The principal allegations in the amended complaint are that a group of persons and entities collectively characterized as the "Shumway/Bapst Organization" referred prospective second residential mortgage loan borrowers to CBNV and the other bank, that CBNV and the other bank charged these borrowers improper title and loan fees at loan closings, that the disclosures provided to the borrowers at loan closings were inaccurate, and that CBNV and the other bank paid some of the loan fees to the Shumway/Bapst Organization as purported "kickbacks" for the referrals. The amended complaint asserts claims for violations of the Real Estate Settlement Procedures Act (RESPA), the Truth in Lending Act (TILA), as amended by the Home Ownership and Equity Protection Act (HOEPA), and the Racketeer Influenced and Corrupt Organizations Act (RICO).

The amended complaint seeks to certify a class of all borrowers who obtained a second residential non-purchase money mortgage loan, secured by their principal dwelling, from either CBNV or the other defendant bank, the terms of which made the loan subject to HOEPA. The plaintiffs seek, among other things, unspecified damages (including treble damages under RICO and RESPA), rescission of loans, declaratory and injunctive relief, interest, and attorneys' fees. In November 2011, the defendants filed a motion to dismiss the amended complaint. In June 2013, the court granted in part and denied in part the motion, dismissing the claims of any plaintiff whose loan did not originate or was not assigned to CBNV, narrowing the scope of the RESPA claim, and dismissing several of the named plaintiffs for lack of standing. The court also dismissed the claims against the other lender defendant on jurisdictional grounds. The limitation of the potential class to CBNV borrowers reduces its size to approximately 22,500 from the 50,000 members alleged in the amended complaint. Also in June 2013, the plaintiffs filed a motion for class certification, which was granted in July 2013. In August 2013, we filed a motion seeking leave to appeal the granting of the motion for class certification. The court granted the motion in October 2013, and our appeal is pending.

North Carolina Proceedings The plaintiffs in *Bumpers* make similar allegations to those included in the amended complaint in the MDL proceedings. Following the remand to North Carolina state court, the plaintiffs in *Bumpers* sought to represent a class of North Carolina borrowers in state court proceedings in North Carolina. The plaintiffs claim that this class consists of approximately 650 borrowers. The district court in Pennsylvania handling the MDL proceedings enjoined class proceedings in *Bumpers* in March 2008. In April 2008, the North Carolina Superior Court granted the *Bumpers* plaintiffs' motion for summary judgment on their individual claims and awarded them approximately $11,000 each plus interest. CBNV appealed the grant of the motion for summary judgment. In September 2011, the North Carolina Court of Appeals affirmed in part and reversed in part the granting of the plaintiffs' motion for summary judgment. The court affirmed the judgment on the plaintiffs' claim that they paid a loan discount fee but were not provided a loan discount. It reversed the judgment on the plaintiffs' claim that they were overcharged for settlement services and remanded that claim for trial. The court also held that, in light of the Pennsylvania district court's injunction against class proceedings having been vacated in September 2010, the trial court may on remand consider the issue of class certification. In August 2012, the North Carolina Supreme Court granted our petition for discretionary review of the decision of the North Carolina Court of Appeals. The appeal was argued in January 2013. In August 2013, the North Carolina Supreme Court reversed the decision of the Court of Appeals and remanded the case to the Superior Court for further proceedings. In September 2013,

after the other plaintiff voluntarily dismissed his case, the remaining plaintiff filed a motion for leave to amend his complaint in the trial court. The plaintiff's remaining claims, as reflected in the proposed amended complaint, relate exclusively to the loan discount fee.

Overdraft Litigation

Beginning in October 2009, PNC Bank, National City Bank and RBC Bank (USA) have been named in lawsuits brought as class actions relating to the manner in which they charged overdraft fees on ATM and debit transactions to customers and related matters. All but two of these lawsuits, both pending against RBC Bank (USA), have been settled. The following is a description of the remaining pending lawsuits.

The pending lawsuits naming RBC Bank (USA), along with similar lawsuits pending against numerous other banks, have been consolidated for pre-trial proceedings in the United States District Court for the Southern District of Florida (the "MDL Court") under the caption *In re Checking Account Overdraft Litigation* (MDL No. 2036, Case No. 1:09-MD-02036-JLK). A consolidated amended complaint was filed in December 2010 that consolidated all of the claims in these MDL Court cases. The first case against RBC Bank (USA) pending in the MDL Court (*Dasher v. RBC Bank* (10-cv-22190-JLK)) was filed in July 2010 in the United States District Court for the Southern District of Florida. The other case against RBC Bank (USA) (*Avery v. RBC Bank* (Case No. 10-cv-329)) was originally filed in North Carolina state court in July 2010 and was removed to the United States District Court for the Eastern District of North Carolina before being transferred to the MDL Court. An amended complaint was filed in *Avery* in August 2010.

These cases seek to certify multi-state classes of customers for the common law claims described below (covering all states in which RBC Bank (USA) had retail branch operations during the class periods), and subclasses of RBC Bank (USA) customers with accounts in North Carolina branches, with each subclass being asserted for purposes of claims under those states' consumer protection statutes. No class periods are stated in any of the complaints, other than for the applicable statutes of limitations, which vary by state and claim.

The customer agreements with the plaintiffs in these two cases contain arbitration provisions. RBC Bank (USA)'s original motion in *Dasher* to compel arbitration under these provisions was denied by the MDL Court. This denial was appealed to the United States Court of Appeals for the Eleventh Circuit. While this appeal was pending, the United States Supreme Court issued its decision in *AT&T Mobility v. Concepcion*, following which the court of appeals vacated the MDL Court's denial of the arbitration motion and remanded to the MDL Court for further consideration in light of the Concepcion decision. RBC Bank (USA)'s motion to compel arbitration, now covering both *Dasher* and *Avery*, was denied in January 2013. We appealed the denial of the motion to the United States Court of Appeals for the Eleventh Circuit, which, in February 2014, affirmed the order of the district court denying arbitration. We filed a motion asking the court of appeals to reconsider its decision, which it denied in March 2014. In April 2014, we filed a motion asking the court of appeals to stay its ruling pending the filing of a petition for a writ of certiorari with the U.S. Supreme Court. The court of appeals granted our motion later in April 2014 and stayed its ruling until July 2014. We filed a petition for a writ of certiorari in June 2014, which was denied in October 2014. Accordingly, the stay of the court of appeals' ruling is no longer in effect. In December 2014, we filed a motion to dismiss the complaint.

The complaints in each of these lawsuits allege that the banks engaged in unlawful practices in assessing overdraft fees arising from electronic point-of-sale and ATM debits. The principal practice challenged in these lawsuits is the banks' purportedly common policy of posting debit transactions on a daily basis from highest amount to lowest amount, thereby allegedly inflating the number of overdraft fees assessed. Other practices challenged include the failure to decline to honor debit card transactions where the account has insufficient funds to cover the transactions.

The plaintiffs assert claims for unconscionability; unjust enrichment; and violation of the consumer protection statute of North Carolina. In the *Dasher* complaint, the plaintiffs also assert claims for a breach of the covenant of good faith and fair dealing and for conversion. The plaintiffs seek, among other things, restitution of overdraft fees paid, unspecified actual and punitive damages (with actual damages, in some cases, trebled under state law), pre-judgment interest, attorneys' fees, and declaratory relief finding the overdraft policies to be unfair and unconscionable.

Fulton Financial

In 2009, Fulton Financial Advisors, N.A. filed lawsuits against PNC Capital Markets, LLC and NatCity Investments, Inc. in the Court of Common Pleas of Lancaster County, Pennsylvania arising out of Fulton's purchase of auction rate certificates (ARCs) through PNC and NatCity. Each of the lawsuits alleges violations of the Pennsylvania Securities Act, negligent misrepresentation, negligence, breach of fiduciary duty, common law fraud, and aiding and abetting common law fraud in connection with the purchase of the ARCs by Fulton. Specifically, Fulton alleges that, as a result of the decline of financial markets in 2007 and 2008, the market for ARCs became illiquid; that PNC and NatCity knew or should have known of the increasing threat of the ARC market becoming illiquid; and that PNC and NatCity did not inform Fulton of this increasing threat, but allowed Fulton to continue to purchase ARCs, to Fulton's detriment. In its complaints, Fulton alleges that it then held ARCs purchased through PNC for a price of more than $123 million and purchased through

NatCity for a price of more than $175 million. In each complaint, Fulton seeks, among other things, unspecified actual and punitive damages, rescission, attorneys' fees and interest.

In the case against PNC (*Fulton Financial Advisors, N.A v PNC Capital Markets, LLC* (CI 09-10838)), PNC filed preliminary objections to Fulton's complaint, which were denied. NatCity removed the case against it to the United States District Court for the Eastern District of Pennsylvania (*Fulton Financial Advisors, N.A. v. NatCity Investments, Inc.* (No. 5:09-cv-04855)), and in November 2009 filed a motion to dismiss the complaint. In October 2013, the court granted the motion to dismiss with respect to claims under the Pennsylvania Securities Act and for negligent misrepresentation, common law fraud, and aiding and abetting common law fraud and denied the motion with respect to claims for negligence and breach of fiduciary duty. Fulton filed an amended complaint in December 2013, reasserting its negligence and breach of fiduciary duty claims and adding a new claim under the Pennsylvania Securities Act. Fulton and NatCity filed motions for summary judgment in February 2015.

Weavering Macro Fixed Income Fund

In July 2009, the liquidators of the Weavering Macro Fixed Income Fund Limited ("Weavering") issued a Plenary Summons in the High Court, Dublin, Ireland, in connection with the provision of administration services to Weavering by a European subsidiary of PNC Global Investment Servicing ("PNC GIS"), then a subsidiary of PNC. The Plenary Summons was served on the PNC GIS subsidiary ("GIS Europe") on or about June 30, 2010.

In July 2010, PNC completed the sale of PNC GIS to The Bank of New York Mellon Corporation ("BNY Mellon"), pursuant to a stock purchase agreement dated February 1, 2010. In May 2011, BNY Mellon provided notice to PNC of an indemnification claim pursuant to the stock purchase agreement related to this litigation. PNC's responsibility for this litigation was subject to the terms and limitations included in the indemnification provisions of the stock purchase agreement.

In November 2014, the parties reached a settlement of this litigation. The settlement is conditioned on court approval in the Cayman Islands, where Weavering was organized. The Cayman Islands court approved the settlement in February 2015. The amount of the settlement is not material to PNC.

In its Notice of Intention to Proceed and Statement of Claim, which the liquidator served in May 2011, the liquidator alleged, among other things, that GIS Europe breached its contractual duties to Weavering as well as an alleged duty of care to Weavering, and investors in Weavering, and made claims of breach of the administration and accounting services agreement, negligence, gross negligence, breach of duty, misrepresentation and negligent misstatement. The statement of claim further alleged that investors in Weavering lost approximately €282,000,000 and that, in addition, expended approximately €98,000,000 in brokerage and exchange commissions, interest, and fees as a result of the transactions at issue. The statement of claim sought, among other things, damages, costs, and interest. In January 2014, in response to a motion made by GIS Europe, the court entered a consent order adjourning the motion and staying the plaintiff's claims until the plaintiff complies in full with its discovery obligations. The plaintiff was required to complete its production by early July 2014, but, in that month, the court extended the deadline for doing so until December 2014.

Captive Mortgage Reinsurance Litigation

In December 2011, a lawsuit (*White, et al. v. The PNC Financial Services Group, Inc., et al.* (Civil Action No. 11-7928)) was filed against PNC (as successor in interest to National City Corporation and several of its subsidiaries) and several mortgage insurance companies in the United States District Court for the Eastern District of Pennsylvania. This lawsuit, which was brought as a class action, alleges that National City structured its program of reinsurance of private mortgage insurance in such a way as to avoid a true transfer of risk from the mortgage insurers to National City's captive reinsurer. The plaintiffs allege that the payments from the mortgage insurers to the captive reinsurer constitute kickbacks, referral payments, or unearned fee splits prohibited under the Real Estate Settlement Procedures Act (RESPA), as well as common law unjust enrichment. The plaintiffs claim, among other things, that from the beginning of 2004 until the end of 2010 National City's captive reinsurer collected from the mortgage insurance company defendants at least $219 million as its share of borrowers' private mortgage insurance premiums and that its share of paid claims during this period was approximately $12 million. The plaintiffs seek to certify a nationwide class of all persons who obtained residential mortgage loans originated, funded or originated through correspondent lending by National City or any of its subsidiaries or affiliates between January 1, 2004 and the present and, in connection with these mortgage loans, purchased private mortgage insurance and whose residential mortgage loans were included within National City's captive mortgage reinsurance arrangements. Plaintiffs seek, among other things, statutory damages under RESPA (which include treble damages), restitution of reinsurance premiums collected, disgorgement of profits, and attorneys' fees. In August 2012, the district court directed the plaintiffs to file an amended complaint, which the plaintiffs filed in September 2012. In November 2012, we filed a motion to dismiss the amended complaint. The court dismissed, without prejudice, the amended complaint in June 2013 on statute of limitations grounds. A second amended complaint, in response to the court's dismissal order, was filed in July 2013. We filed a motion to dismiss the second amended complaint, also in July 2013. In August 2014, the court denied the motion to dismiss.

Table of Contents

We then filed an uncontested motion to stay all proceedings pending the outcome of another matter currently on appeal before the United States Court of Appeals for the Third Circuit that involves overlapping issues. In September 2014, the district court granted the stay. In October 2014, the court of appeals decided that other matter, holding that the RESPA claims in that case were barred by the statute of limitations. We then filed a motion for reconsideration of the denial of our motion to dismiss in light of the court of appeals' decision. In January 2015, the district court denied our motion.

Residential Mortgage-Backed Securities Indemnification Demands

We have received indemnification demands from several entities sponsoring residential mortgage-backed securities and their affiliates where purchasers of the securities have brought litigation against the sponsors and other parties involved in the securitization transactions. National City Mortgage had sold whole loans to the sponsors or their affiliates that were allegedly included in certain of these securitization transactions. According to the indemnification demands, the plaintiffs' claims in these lawsuits are based on alleged misstatements and omissions in the offering documents for these transactions. The indemnification demands assert that agreements governing the sale of these loans or the securitization transactions to which National City Mortgage was a party require us to indemnify the sponsors and their affiliates for losses suffered in connection with these lawsuits. The parties have settled several of these cases. There has not been any determination that the parties seeking indemnification have any liability to the plaintiffs in the other lawsuits and the amount, if any for which we are responsible in the settled cases has not been determined.

Lender Placed Insurance Litigation

In June 2013, a lawsuit (*Lauren vs. PNC Bank, N A., et al.*(Case No. 2:14-cv-00230)) was filed in the United States District Court for the Western District of Pennsylvania, subsequently transferred to the United States District Court for the Southern District of Ohio, against PNC Bank and American Security Insurance Company ("ASIC"), a provider of property and casualty insurance to PNC for certain residential mortgages. This lawsuit, which was brought as a class action, alleges, with respect to PNC Bank, that it breached alleged contractual (including the implied covenant of good faith and fair dealing) and fiduciary duties to residential mortgage borrowers, and, as to Ohio borrowers, violated the Ohio Consumer Sales Practice Act, all in connection with the administration of PNC Bank's program for placement of insurance for borrowers who fail to obtain hazard insurance coverages required by the terms of their mortgages. The plaintiff alleges, among other things, that defendants placed insurance in unnecessary and excessive amounts and that PNC Bank improperly profited from these arrangements, principally as a result of the payment of commissions to PNC Bank and of reinsurance arrangements between PNC and the insurance provider. The plaintiff originally sought to certify a nationwide class and an Ohio sub-class of all persons who, during applicable periods, have or had a residential mortgage loan or line of credit with PNC Bank, and had hazard insurance placed upon the property by PNC Bank. The plaintiff seeks, among other things, damages, restitution or disgorgement of profits improperly obtained, injunctive relief, interest, and attorneys' fees. In October 2013, the court ruled on our motion to dismiss the complaint, granting our motion with respect to the Ohio Consumer Sales Practice Act claim and otherwise denying the motion. We filed a motion seeking reconsideration of the denial as to the fiduciary duty claim, which motion was denied in November 2013. In January 2014, the court granted ASIC's motion to dismiss the nationwide class action allegations with respect to the state common law claim of unjust enrichment pending against ASIC. Later in January 2014, PNC Bank filed a similar motion to dismiss the nationwide class action allegations, on the same grounds as asserted in ASIC's motion to dismiss, with respect to the state common law claims of breach of contract, breach of the implied covenant of good faith and fair dealing, and breach of fiduciary duty pending against PNC Bank. The plaintiff thereafter agreed to withdraw those allegations. In February 2014, the court entered an order dismissing the plaintiff's nationwide class action allegations with regard to all remaining claims against PNC, thereby leaving an Ohio-only class sought by plaintiff as to those claims. Also in February 2014, the court on its own motion transferred the matter to the United States District Court for the Southern District of Ohio, and the plaintiff moved to amend her complaint to, among other things, assert a nationwide RICO claim on behalf of the class. In May 2014, the court granted the plaintiff's motion to amend her complaint, with the understanding that defendants may pursue their arguments against the viability of this claim by way of a motion to dismiss. In June 2014, the defendants moved to dismiss the amended complaint. The motion is pending.

In February and March 2014, two additional class action lawsuits were filed. One of them (*Montoya, et al v. PNC Bank, N.A., et al.*, Case No. 1:14-cv-20474-JEM) was filed in the United States District Court for the Southern District of Florida against PNC Bank, ASIC and its parent, Assurant, Inc. The other case (*Tighe v. PNC Bank, N.A., et al.*, Case No. 14-CV-2017) was filed in the United States District Court for the Southern District of New York against these same parties as well as Alpine Indemnity Limited, a reinsurance subsidiary of PNC. The allegations of these complaints are similar to those found in the *Lauren* complaint. In May 2014, the *Tighe* lawsuit was transferred to the United States District Court for the Southern District of Ohio. In June 2014, the *Tighe* plaintiff filed a notice of voluntary dismissal without prejudice, thereby terminating that action.

In the complaint, the plaintiffs in *Montoya* assert breach of contract by PNC, breach of its duty of good faith and fair dealing, unjust enrichment, breach of a fiduciary duty, and

Table of Contents

violations of Florida and New Jersey statutes pertaining to deceptive and unfair trade practices. These plaintiffs also assert claims under the federal TILA and RICO statutes. The plaintiffs seek a nationwide class on all claims except the state law statutory claims, for which they seek to certify subclasses of Florida and New Jersey residents, respectively. The plaintiffs seek, among other things, damages (including treble damages), disgorgement of "unjust benefits," injunctive relief, interest and attorneys' fees. PNC filed a motion to dismiss the complaint in *Montoya* in May 2014. In August 2014, the court in *Montoya* granted in part and denied in part PNC's motion to dismiss. Specifically, the court dismissed the breach of contract, Florida deceptive and unfair trade practices, and federal TILA and RICO claims, although it allowed the RICO claims to be re-pled. The remaining claims are state claims for breach of the covenant of good faith, unjust enrichment, the New Jersey Consumer Fraud Act, and breach of fiduciary duty. Thereafter, in September 2014, on plaintiffs' uncontested motions, the *Lauren* lawsuit was voluntarily dismissed and a third amended complaint in *Montoya* was filed adding Lauren as a plaintiff there. In October 2014, PNC moved to partially dismiss the third amended complaint. The motion to dismiss seeks dismissal of the re-pleaded RICO claims and plaintiff Lauren's state law claims for breach of the covenant of good faith and fair dealing and breach of fiduciary duty. At the same time, PNC also moved to strike nationwide class allegations with respect to the state law claims. Shortly thereafter, the plaintiffs stipulated to this relief, as a result of which the plaintiffs' state law claims are now being brought solely as statewide class action claims in the three states in which the plaintiffs reside. In January 2015, the plaintiffs filed a motion for class certification.

Patent Infringement Litigation

In June 2013, a lawsuit (*Intellectual Ventures I LLC and Intellectual Ventures II LLC vs. PNC Financial Services Group, Inc., and PNC Bank, NA*, Case No. 2 13-cv-00740-AJS) was filed in the United States District Court for the Western District of Pennsylvania against PNC and PNC Bank for patent infringement. The plaintiffs allege that multiple systems by which PNC and PNC Bank provide online banking services and other services via electronic means infringe five patents owned by the plaintiffs. The plaintiffs seek, among other things, a declaration that PNC and PNC Bank are infringing each of the patents, damages for past and future infringement, and attorneys' fees. In July 2013, we filed an answer with counterclaims, denying liability and seeking declarations that the asserted patents are invalid and that PNC has not infringed them. In November 2013, PNC filed Covered Business Method/Post Grant Review petitions in the U.S. Patent & Trademark Office ("PTO") seeking to invalidate all five of the patents. In December 2013, the court dismissed the plaintiffs' claims as to two of the patents and entered a stay of the lawsuit pending the PTO's consideration of PNC's review petitions, including any appeals from decisions of the PTO. The PTO instituted review proceedings in May 2014 on four of the five patents at issue, finding that the subject matter of those patents was "more likely than not" unpatentable. The court previously dismissed the plaintiffs' claims with respect to the one patent not selected for review by the PTO.

In June 2014, Intellectual Ventures filed a second lawsuit (*Intellectual Ventures I LLC and Intellectual Ventures II LLC v. PNC Bank Financial Services Group, Inc., PNC Bank NA, and PNC Merchant Services Company, LP*, Case No. 2:14-cv-00832-AKS) in the same court as the first lawsuit. This lawsuit alleges that PNC defendants infringed five patents, including the patent dismissed in the first lawsuit that is not subject to PTO review, and relates generally to the same technology and subject matter as the first lawsuit. The court has stayed this case pending the PTO's consideration of various review petitions of the patents at issue in this case, as well as the review of the patents at issue in the first lawsuit and the appeals from any PTO decisions.

Mortgage Repurchase Litigation

In December 2013, Residential Funding Company, LLC ("RFC") filed a lawsuit in the United States District Court for the District of Minnesota against PNC Bank, N.A., as alleged successor in interest to National City Mortgage Co., NCMC Newco, Inc., and North Central Financial Corporation (*Residential Funding Company, LLC v. PNC Bank, N.A., et al.* (Civil No. 13-3498- JRT-JSM)). In its complaint, RFC alleges that PNC Bank (through predecessors) sold $6.5 billion worth of residential mortgage loans to RFC during the timeframe at issue (approximately May 2006 through September 2008), a portion of which were allegedly materially defective, resulting in damages and losses to RFC. RFC alleges that PNC Bank breached representations and warranties made under seller contracts in connection with these sales. The complaint asserts claims for breach of contract and indemnification. RFC seeks, among other things, monetary damages, costs, and attorney's fees. In March 2014, we filed a motion to dismiss the complaint. RFC then filed an amended complaint, as well as a motion to transfer the lawsuit to the United States Bankruptcy Court for the Southern District of New York. In April 2014, we moved to dismiss the amended complaint. In June 2014, RFC withdrew its motion to transfer the lawsuit. In October 2014, the court granted our motion to dismiss with prejudice the breach of contract claims in the complaint with respect to loans sold before May 14, 2006 and otherwise denied our motion to dismiss.

Pre-need Funeral Arrangements

National City Bank and PNC Bank are defendants in a lawsuit pending in the United States District Court for the Eastern District of Missouri under the caption *Jo Ann Howard, P.C., et al. v. Cassity, et al.* (No. 4:09-CV-1252-ERW) arising out of trustee services provided by Allegiant Bank, a National City Bank and PNC Bank predecessor, with respect to Missouri trusts that held pre-need funeral contract assets. Under a pre-

need funeral contract, a customer pays an amount up front in exchange for payment of funeral expenses following the customer's death. In a number of states, including Missouri, pre-need funeral contract sellers are required to deposit a portion of the proceeds of the sale of pre-need funeral contracts in a trust account.

The lawsuit was filed in August 2009 by the Special Deputy Receiver for three insolvent affiliated companies, National Prearranged Services, Inc. a seller of pre-need funeral contracts (NPS), Lincoln Memorial Life Insurance Company (Lincoln), and Memorial Service Life Insurance Company (Memorial). Seven individual state life and health insurance guaranty associations, who claim they are liable under state law for payment of certain benefits under life insurance policies sold by Lincoln and Memorial, and the National Organization of Life & Health Guaranty Associations have also joined the action as plaintiffs. In addition to National City Bank and PNC Bank (added following filing of the lawsuit as successor-in-interest to National City Bank), other defendants included members of the Cassity family, who controlled NPS, Lincoln, and Memorial; officers and directors of NPS, Lincoln, and Memorial; auditors and attorneys for NPS, Lincoln, and Memorial; the trustees of each of the trusts that held pre-need funeral contract assets; and the investment advisor to the Pre-need Trusts. NPS retained several banks to act as trustees for the trusts holding NPS pre-need funeral contract assets (the "NPS Trusts"), with Allegiant Bank acting as one of these trustees with respect to seven Missouri NPS Trusts. All of the other defendants have settled with the plaintiffs, are otherwise no longer a party to the lawsuit, or are insolvent.

In their Third Amended Complaint, filed in 2012 following the granting by the court in part of motions to dismiss made by National City Bank and the other NPS Trust trustees, the plaintiffs allege that Allegiant Bank breached its fiduciary duties and acted negligently as the trustee for the Missouri NPS Trusts. In part as a result of these breaches, the plaintiffs allege, members of the Cassity family, acting in concert with other defendants, were able to improperly remove millions of dollars from the NPS Trusts, which in turn caused NPS, Lincoln, and Memorial to become insolvent. The complaint alleges $600 million in present and future losses to the plaintiffs due to the insolvency of NPS, Lincoln, and Memorial. The lawsuit seeks, among other things, unspecified actual and punitive damages, various equitable remedies including restitution, attorneys' fees, costs of suit and interest.

In July 2013, five of the six defendants in a parallel federal criminal action, including two members of the Cassity family, entered into plea agreements with the United States to resolve criminal charges arising out of their conduct at NPS, Lincoln and Memorial. In August 2013, after a jury trial, the sixth defendant, the investment advisor to the NPS Trusts, was convicted on all criminal counts against him. The criminal charges against the defendants alleged, among other thing, a scheme to defraud Allegiant Bank and the other trustees of the NPS Trusts.

In May 2014, the court granted the plaintiffs' motion to disallow National City Bank's affirmative defense relating to the plaintiffs' alleged failure to mitigate damages. In July 2014, National City Bank's motion for reconsideration was denied. In September 2014, the plaintiffs filed a motion seeking leave to amend their complaint to reassert aiding and abetting claims, previously dismissed by the court in 2012. The court denied this motion in December 2014. Also in December 2014, the court granted in part and denied in part National City Bank's motion for summary judgment.

A jury trial in this case began in February 2015.

Other Regulatory and Governmental Inquiries

PNC is the subject of investigations, audits and other forms of regulatory and governmental inquiry covering a broad range of issues in our banking, securities and other financial services businesses, in some cases as part of reviews of specified activities at multiple industry participants. Over the last few years, we have experienced an increase in regulatory and governmental investigations, audits and other inquiries. Areas of current regulatory or governmental inquiry with respect to PNC include consumer protection, fair lending, mortgage origination and servicing, mortgage and non mortgage-related insurance and reinsurance, municipal finance activities, conduct by broker-dealers, automobile lending practices, and participation in government insurance or guarantee programs, some of which are described below. These inquiries, including those described below, may lead to administrative, civil or criminal proceedings, and possibly result in remedies including fines, penalties, restitution, or alterations in our business practices, and in additional expenses and collateral costs.

- One area of significant regulatory and governmental focus has been mortgage lending and servicing. Numerous federal and state governmental, legislative and regulatory authorities are investigating practices in this area. PNC has received inquiries from, or is the subject of investigations by, a broad range of governmental, legislative and regulatory authorities relating to our activities in this area and is cooperating with these investigations and inquiries. As a result of the number and range of authorities conducting the investigations and inquiries, as well as the nature of these types of investigations and inquiries, among other factors, PNC cannot at this time predict the ultimate overall cost to or effect on PNC from potential governmental, legislative or regulatory actions arising out of these investigations and inquiries.
  - In April 2011, as a result of a publicly-disclosed interagency horizontal review of residential mortgage servicing operations at fourteen federally regulated mortgage servicers, PNC entered into a consent order with the Board of

Table of Contents

Governors of the Federal Reserve System and PNC Bank entered into a consent order with the Office of the Comptroller of the Currency. Collectively, these consent orders describe certain foreclosure-related practices and controls that the regulators found to be deficient and require PNC and PNC Bank to, among other things, develop and implement plans and programs to enhance PNC's residential mortgage servicing and foreclosure processes, retain an independent consultant to review certain residential mortgage foreclosure actions, take certain remedial actions, and oversee compliance with the orders and the new plans and programs. The two orders do not foreclose the potential for civil money penalties from either of these regulators, although the range of potential penalties communicated to PNC by the regulators in connection with the agreements described below is not material to PNC.

In connection with these orders, PNC established a Compliance Committee of the Boards of PNC and PNC Bank to monitor and coordinate PNC's and PNC Bank's implementation of the commitments under the orders. PNC and PNC Bank are executing Action Plans designed to meet the requirements of the orders. Consistent with the orders, PNC also engaged an independent consultant to conduct a review of certain residential foreclosure actions, including those identified through borrower complaints, and identify whether any remedial actions for borrowers are necessary.

In early 2013, PNC and PNC Bank, along with twelve other residential mortgage servicers, reached agreements with the OCC and the Federal Reserve to amend these consent orders. Pursuant to the amended consent orders, in order to accelerate the remediation process, PNC agreed to make a payment of approximately $70 million for distribution to potentially affected borrowers in the review population and to provide approximately $111 million in additional loss mitigation or other foreclosure prevention relief, which may be satisfied pursuant to the amended consent orders by a variety of borrower relief actions or by additional cash payments or resource commitments to borrower counseling or education. Fulfillment of these commitments will satisfy all of PNC's and PNC Bank's obligations under the consent orders in connection with the independent foreclosure review. We do not expect any additional financial charges related to the amendment to the consent orders to be material. PNC's and PNC Bank's obligations to comply with the remaining provisions of the consent orders remain.

- In February 2012, the Department of Justice, other federal regulators and 49 state attorneys general announced agreements with the five largest mortgage servicers. Written agreements were filed with the U.S. District Court for the Southern District of New York in March 2012. Under these agreements, the mortgage servicers will make cash payments to federal and state governments, provide various forms of financial relief to borrowers, and implement new mortgage servicing standards. These governmental authorities are continuing their review of, and have engaged in discussions with, other mortgage servicers, including PNC, that were subject to the interagency horizontal review, which could result in the imposition of substantial payments and other forms of relief (similar to that agreed to by the five largest servicers) on some or all of these mortgage servicers, including PNC. Whether and to what extent any such relief may be imposed on PNC is not yet known.
- PNC has received subpoenas from the U.S. Attorney's Office for the Southern District of New York. The first two subpoenas, served in 2011, concern National City Bank's lending practices in connection with loans insured by the Federal Housing Administration (FHA) as well as certain non-FHA-insured loan origination, sale and securitization practices, and a third, served in 2013, seeks information regarding claims for costs that are incurred by foreclosure counsel in connection with the foreclosure of loans insured or guaranteed by FHA, FNMA, or FHLMC. PNC is cooperating with the investigations.
- The Department of Justice, Consumer Protection Bureau, served a subpoena on PNC in 2013 seeking information concerning the return rate for certain merchant and payment processor customers with whom PNC has a depository relationship. We believe that the subpoena is intended to determine whether, and to what extent, PNC may have facilitated fraud committed by third-parties against consumers. We are cooperating with the subpoena.
- Through the U.S. Attorney's Office for the District of Maryland, the office of the Inspector General for the Small Business Administration ("SBA") served a subpoena on PNC in 2012 requesting documents concerning PNC's relationship with, including SBA-guaranteed loans made through, a broker named Jade Capital Investments, LLC ("Jade"), as well as information regarding other PNC-originated SBA guaranteed loans made to businesses located in the State of Maryland, the Commonwealth of Virginia,

and Washington, DC. Certain of the Jade loans have been identified in an indictment and subsequent superseding indictment charging persons associated with Jade with conspiracy to commit bank fraud, substantive violations of the federal bank fraud statute, and money laundering. PNC is cooperating with the U.S. Attorney's Office for the District of Maryland.

Our practice is to cooperate fully with regulatory and governmental investigations, audits and other inquiries, including those described in this Note 21.

Other

In addition to the proceedings or other matters described above, PNC and persons to whom we may have indemnification obligations, in the normal course of business, are subject to various other pending and threatened legal proceedings in which claims for monetary damages and other relief are asserted. We do not anticipate, at the present time, that the ultimate aggregate liability, if any, arising out of such other legal proceedings will have a material adverse effect on our financial position. However, we cannot now determine whether or not any claims asserted against us or others to whom we may have indemnification obligations, whether in the proceedings or other matters described above or otherwise, will have a material adverse effect on our results of operations in any future reporting period, which will depend on, among other things, the amount of the loss resulting from the claim and the amount of income otherwise reported for the reporting period.

See Note 22 Commitments and Guarantees for additional information regarding the Visa indemnification and our other obligations to provide indemnification, including to current and former officers, directors, employees and agents of PNC and companies we have acquired.

Net outstanding standby letters of credit (a)	9,991	10,521
Total credit commitments	$149,678	$140,391

(a) Net outstanding standby letters of credit include $5.2 billion and $6.6 billion which support remarketing programs at December 31, 2014 and December 31, 2013, respectively.

Net Unfunded Loan Commitments

Commitments to extend credit represent arrangements to lend funds or provide liquidity subject to specified contractual conditions. These commitments generally have fixed expiration dates, may require payment of a fee, and contain termination clauses in the event the customer's credit quality deteriorates. Based on our historical experience, some commitments expire unfunded, and therefore cash requirements are substantially less than the total commitment.

Net Outstanding Standby Letters of Credit

We issue standby letters of credit and have risk participations in standby letters of credit issued by other financial institutions, in each case to support obligations of our customers to third parties, such as insurance requirements and the facilitation of transactions involving capital markets product execution. Internal credit ratings related to our net outstanding standby letters of credit were as follows:

Internal credit ratings (as a percentage of portfolio):		
Pass (a)	95%	96%
Below pass (b)	5%	4%

(a) Indicates that expected risk of loss is currently low.
(b) Indicates a higher degree of risk of default.

If the customer fails to meet its financial or performance obligation to the third party under the terms of the contract or there is a need to support a remarketing program, then upon a draw by a beneficiary, subject to the terms of the letter of credit, we would be obligated to make payment to them. The standby letters of credit outstanding on December 31, 2014 had terms ranging from less than 1 year to 8 years.

As of December 31, 2014, assets of $1.0 billion secured certain specifically identified standby letters of credit. In addition, a portion of the remaining standby letters of credit issued on behalf of specific customers is also secured by collateral or guarantees that secure the customers' other obligations to us. The carrying amount of the liability for our obligations related to standby letters of credit and participations in standby letters of credit was $182 million at December 31, 2014 and is included in Other liabilities on our Consolidated Balance Sheet.
