Azra Hodzic

RE: Parking Determination
Proposal: Day Care Center
Location: 2921 West Division St.
West Town Daycare

Dear Mr. Hodzic:

This is in reference to a determination of the minimum off-street parking requirement pursuant to Section 17-10-207-E of the Chicago Zoning Ordinance for a day care center proposing to locate in a RS-3 Residential District.

According to the information provided, the proposed day care center will accommodate up to twenty seven children ranging from infants to five years in age. There will be up to six employees staffed on any one shift.

The standard for employee parking is one space for every three staff, resulting in a requirement of two automobile parking spaces. In addition, the parking standard requires one bicycle space for every ten automobile spaces resulting in the minimum requirement of four bicycle spaces.

Since the facility is intended for children, parking is not required for its users. However, since the children will be dropped-off and picked-up, the Department determines that one drop-off space need to be provided to accommodate those movements.

Therefore, the Department of Planning and Development determines that the minimum off-street parking requirement for the day care center should be set at two (2) automobile parking spaces, four (4) bicycle parking spaces and one (1) designated drop-off space. The drop-off space may be located on-street provided it is within a designated loading zone.

Sincerely,

Heather Gleason

City of Chicago

I am requesting a 15 minute standing zone on Rockwell st. for municipal foods located at 2559 W Division. The reason are as follows:

We need additional parking for the business.

The other tenant of the building will also need additional spaces.

People park in the lot which can fit about 8 cars and leave to other business in the area.

Because we have a small lot it gets congested and we lose business, if someone had the opportunity to pull into a spot for a short time it will be beneficial for everyone.

Parking on Rockwell is difficult because people do not move their cars, they park there for long periods of time, sometimes days.

Please help us with this request.

Thank you,

Murad Farhan

CERTIFICATION

To be completed by business owner/manager:

I hereby certify that all statements made as part of this application and any attachments herein, are true to the best of my knowledge and belief. I also understand that a standing/loading zone ordinance is introduced to the City Council at the discretion of **26th Ward Alderman Roberto Maldonado** - **submission of this application does not guarantee the granting of a standing/loading zone.** The analysis of this application will weigh the benefits of placing the zone adjacent to my business versus the disadvantages of the reduction of available street parking in the area. I acknowledge that the issuance of a standing/loading zone is a privilege granted by the City of Chicago and not a right of my business ownership - the curb lane is and shall remain the property of the City. **I agree to accept the decision of the Alderman to partially or fully accept, or deny my application.**

Furthermore, I agree to follow all applicable laws as outlined by the Municipal Code of the City of Chicago, and requirements as put forth in this application and by the Committee on Traffic Control and Safety, the Department of Transportation, and the Department of Revenue. I also understand that the standing/loading zone may be removed at the Alderman's discretion or at the urging of any City Department.
