Committee(s) Assignment:	Committee on License and Consumer Protection

LICENSE
APRIL 15, 2015

ORDINANCE

WHEREAS, Sections 4-60-022 and 4-60-023 of the Municipal Code set forth restrictions on liquor sales for, respectively, consumption on premises and packaged goods; and

WHEREAS, For organizational efficiency and for ease of reference, sections 4-60-022 and 4-60-023 set out affected areas using a ward-based numbering system; and

WHEREAS, As a result of the 2010 National Decennial Census, ward boundaries in the City of Chicago were re-drawn; and

WHEREAS, The ordinance which re-drew the ward boundaries was passed by the City Council on January 19, 2012 and is found in the Journal of the Proceedings of that date at pages 19792 through 19849. This ordinance is numbered by the City Clerk's office as SO2012-582; and

WHEREAS, Subsequent to the City Council passing SO2012-582, an ordinance to make corrections to said ordinance was passed by the City Council on September 12, 2012 and is found in the Journal of the Proceedings of that date at pages 33628 through 33683. This ordinance is numbered by the City Clerk's office as O2012-5439; and

WHEREAS, As a consequence of re-drawing ward boundaries, numerous liquor sale restrictions in sections 4-60-022 and 4-60-023 are no longer numbered accurately according to the wards in which they are now located; and

WHEREAS, It is necessary and appropriate to correct these numbering inaccuracies so that the liquor sale restrictions shown in sections 4-60-022 and 4-60-023 are numbered according to the wards in which they are located; now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The intent of this ordinance is solely to correct numbering errors for ease of reference, and not to reduce, increase or otherwise change the restrictions on liquor sales currently in place for consumption on premises and packaged goods.

SECTION 3. The subsections of sections 4-60-022 and 4-60-023 that are renumbered by this ordinance are intended to be published in proper sequential numerical order.

SECTION 4. Title:	Expanding support of mortgage interest tax benefits to middle class and lower income homeowners
Committee(s) Assignment:	Committee on Housing and Real Estate

CITY OF CHICAGO RESOLUTION IN SUPPORT OF UNITED FOR HOMES CAMPAIGN SUPPORTING EXPANDED HOUSING OPTIONS AND GREATER TAX FAIRNESS

WHEREAS, "Stable housing is the foundation upon which people build their lives – absent a safe, decent and affordable place to live, it is next to impossible to achieve good health, positive educational outcomes, or reach one's economic potential." (U.S. Interagency Council on Homelessness, *Opening Doors: Federal Strategic Plan to Prevent and End Homelessness.* 2010); and

WHEREAS, in Chicago there are 164,110 extremely low income renter households whose income is $21,649 or less for a family of four; and

WHEREAS, in Chicago there are only 26 rental homes both affordable and available for every 100 renter households considered extremely low-income, equaling a deficit of 101,420 rental units.

WHEREAS, 66% of extremely low income renter households in Chicago pay more than half of their incomes for rent; and

WHEREAS, this shortage of homes that are affordable and available for extremely low income renter households is the cause of homelessness in the United States; and

WHEREAS, extremely low-income renter households should have access to quality affordable housing in every neighborhood in Chicago; and

WHEREAS, Congress established the National Housing Trust Fund in 2008 as a dedicated source of funding for the production, preservation, rehabilitation, and operation of housing for people with the lowest incomes, including people who are homeless; and

WHEREAS, investing in the National Housing Trust Fund will create jobs in the construction trades and in property management; and

WHEREAS, for every $5 billion appropriated to the National Housing Trust Fund, approximately $238,900,000 would be allocated to Illinois; and

WHEREAS, the mortgage interest deduction is under consideration for change by the U.S. Congress; and

WHEREAS, over three-quarters of the benefit for the mortgage interest deduction goes to households with income in the top fifth of all taxpayers; and

WHEREAS, only slightly more than half of homeowners who pay interest on their mortgages benefit from the mortgage interest deduction; and

WHEREAS, by converting the mortgage interest tax deduction to a 15% non-refundable credit and lowering the cap of eligible mortgage value from $1 million to $500,000, the number of taxpayers with mortgages who get a tax break would increase by 16 million, 99% of whom have incomes under $100,000 a year; and

WHEREAS, these modest modifications would reduce the cost of the mortgage interest tax expenditure, thereby freeing up an estimated $197 billion in federal resources over 10 years for housing assistance to low income households; and

NOW, THEREFORE, BE IT RESOLVED That we, the Mayor and members of the Chicago City Council assembled this Fifteenth day of April, endorses the United for Homes Campaign, and supports expanding mortgage interest tax benefits to more middle class and lower income homeowners by modifying the mortgage interest deduction by converting the tax deduction to a tax credit and by reducing the maximum size of a mortgage for which interest can be deducted.

RESOLUTION

WHEREAS, on March 26, 2015, New York City witnessed a tragic and sudden explosion in Manhattan's East Village neighborhood, devastating a part of a vibrant and active community and igniting and leveling two buildings; and

WHEREAS, the blast and subsequent gas-fed fire claimed the life of at least one individual and injured many, and occurred only 30 minutes after gas utility inspectors completed inspection of work in the basement of the building; and
