Title:	Call for Chicago Department of Aviation to work in conjunction with airline industry and concessionaires to establish public-private partnership to combat terrorism
Committee(s) Assignment:	Committee on Aviation

RESOLUTION

WHEREAS, the City of Chicago is facing an unprecedented gang and gun violence crisis. If this situation continues unchecked, violent crime will have a devastating impact on the City's future growth and development; and

WHEREAS, illegal firearms flow freely throughout the City at an alarming rate jeopardizing the public safety of all Chicagoans. Easy access to firearms also creates an unacceptable risk of terrorism at and around our airports; and

WHEREAS, maintaining safe and secure airports is crucial not only to the millions of people who utilize those airports each year, but also the residents and business owners who live in the surrounding communities and the many companies aligned with the aviation industry. As such, the financial burden of that police presence should not fall entirely on the taxpayers of the City of Chicago; and

WHEREAS, through the creation of a first of its kind public-private partnership to combat terrorism, the airline industries, City of Chicago, and airline passengers could work together to achieve an unparalleled level of security at both O'Hare and Midway Airports; and

WHEREAS, through this partnership, airline companies servicing O'Hare and Midway can voluntarily impose a \$1 service charge on the nearly 100 million passengers flying into or out of Chicago, and then pass on those funds to the City to increase police presence at and around the airports; and

WHEREAS, airport concessionaires currently gross more than \$1.8 billion annually as a result of the safe and secure airports that the City of Chicago maintains. Dedicating funds specifically for police protection at and around our airports through this public-private partnership should be included in any concessions agreement; and

WHEREAS, the establishment of this public-private partnership could generate hundreds of millions of dollars for additional police protection at and around O'Hare and Midway Airports. Such action would provide Chicagoans with the safest airports in the United States and reallocate existing resources to communities badly in need of additional police protection; and therefore,

BE IT RESOLVED, that we, the members of the City Council of the City of Chicago, do hereby request that the Chicago Department of Aviation work in conjunction with the airline industry and concessionaires to establish a public-private partnership to combat terrorism; and

BE IT FUTHER RESOVLED, that copies of this resolution be delivered to the presidents of all airline companies currently servicing O'Hare and Midway Airports as well as representatives of major concession companies for their input.

Title:	Call for hearing(s) on "Welcoming City Ordinance" to determine if further actions are necessary to promote protection of all residents, regardless of immigration status
Committee(s) Assignment:	Committee on Public Safety

New Business – Committee on Public Safety

R E S O L U T I O N

WHEREAS, Throughout the history of the United States, states and local jurisdictions have protected their residents regardless of their legal status under federal law. For example, during the time of legalized slavery, some northern states passed a range of “sanctuary” laws that protected runaway slaves within their boundaries, including giving them a range of due process rights, access to employment and education, and protection from capture; and

WHEREAS, In keeping with this proud tradition of protecting their most vulnerable citizens, many major jurisdictions across the nation have enacted sanctuary ordinances that prohibit the use of municipal funds and resources to enforce federal immigration laws that would tear innocent families apart; and

WHEREAS, The City of Chicago (the “City”), one of the most ethnically, racially and religiously diverse cities in the world, where one-out-of-five of the City’s residents is an immigrant, was built on the strength of its immigrant communities; and

WHEREAS, In furtherance of its commitment to ensuring a better quality of life for all of its residents, in 2006, the City Council passed an ordinance that prohibited conditioning City benefits or services on a person’s immigration status; and

WHEREAS, In 2012, in order to effectuate the City’s goals of protecting life and property, preventing crime and resolving problems in the entire City by encouraging the cooperation of all persons, both documented citizens and those without documentation status, the City amended the Welcoming City ordinance to prohibit city officials and agencies from cooperating with federal detainer requests, except in certain exceptions, such as a person being a convicted felon; and

WHEREAS, Recent events have caused similar sanctuary ordinances to come under attack. The United States House of Representatives has gone as far as passing the “Enforce the Law for Sanctuary Cities Act” that would deny federal funding to cities that refuse to report detained immigrants; and

WHEREAS, In a recent joint statement, the U. S. Conference of Mayors and the National League of Cities stated that sanctuary policies strengthen police-community relations and build trust, thereby actually improving policing for all of its citizens; now, therefore;

BE IT RESOLVED, That we, the Mayor and Members of the City Council of the City of Chicago, assembled this fourteenth day of October, 2015, do hereby call upon the City Council Committee on Public Safety to hold a hearing on the City’s Welcoming City Ordinance to determine whether any further action is necessary to promote the City’s goal of protecting all of its residents, regardless of their immigration status; and

BE IT FURTHER RESOLVED, That a suitable copy of this resolution is presented to the Chairman of the City Council Committee on Public Safety.

Committee(s) Assignment:

Committee on Public Safety

RESOLUTION

WHEREAS, one in three women will experience domestic violence in her lifetime, and victims are often controlled and monitored by abusive partners, limiting their ability to seek help; and

WHEREAS, in March of 2015, the Ohio Attorney General's office partnered with a program sponsored by the Professional Beauty Association Foundation to identify victims of domestic violence; and

WHEREAS, this program trains salon workers to identify victims of domestic violence or human trafficking by recognizing indications of domestic violence, and leverages close relationships with clients to assist them in seeking help or to notify authorities of a potential domestic violence situation; and

WHEREAS, the Ohio board of cosmetology plans on training the board's 120,000 licensees on how to recognize the signs of domestic violence and the proper information to pass along; and

WHEREAS, the Illinois General Assembly has taken steps towards the creation of a similar program in Illinois through House Bill 4264, which would provide continuing education for the first renewal of a cosmetologists license to also include both domestic violence and sexual assault awareness education, and for these courses to be optional to help fulfill the continuing education requirements during every subsequent renewal of a cosmetologists license; and

WHEREAS, the City Council of the City of Chicago believes that House Bill 4264 will provide citizens of Illinois with further awareness of the signs of domestic violence and sexual assault, and serve as a step towards ending domestic violence in Illinois; now, therefore,

BE IT RESOLVED, that we, the Mayor and members of the City Council of the City of Chicago, assembled here this twenty-fourth day of September, do hereby express our strong support for House Bill 4264, and urge both Houses of the Illinois General Assembly pass this bill, and the Governor of Illinois to sign the bill when it arrives on his desk; and

BE IT FUTHER RESOVLED, that copies of this resolution be delivered to the Governor of the State of Illinois, The President of the Illinois Senate, the Minority Leader of the Illinois Senate, the Speaker of the Illinois House of Representatives, and the Minority Leader of the Illinois House of Representatives.
