# ORDINANCE

**WHEREAS,** Sections 4-60-022 and 4-60-023 of the Municipal Code set forth restrictions on liquor sales for, respectively, consumption on premises and packaged goods; and

**WHEREAS,** For organizational efficiency and for ease of reference, sections 4-60-022 and 4-60-023 set out affected areas using a ward-based numbering system; and

**WHEREAS,** As a result of the 2010 National Decennial Census, ward boundaries in the City of Chicago were re-drawn; and

**WHEREAS,** The ordinance which re-drew the ward boundaries was passed by the City Council on January 19, 2012 and is found in the Journal of the Proceedings of that date at pages 19792 through 19849. This ordinance is numbered by the City Clerk's office as SO2012-582; and

**WHEREAS,** It is necessary and appropriate to correct these numbering inaccuracies so that the liquor sale restrictions shown in sections 4-60-022 and 4-60-023 are numbered according to the wards in which they are located; now, therefore,

***BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:***

**SECTION 3.** The subsections of sections 4-60-022 and 4-60-023 that are renumbered by this ordinance are intended to be published in proper sequential numerical order.

**SECTION 4.** This is the fourth in a series of ordinances to correct the numbering of liquor moratoria in 4-60-022 and 4-60-023 of the Municipal Code due to the re-drawing of ward boundaries following the 2010 National Decennial Census. | **Title:** | Recommendation of salary reduction for all City Hall officials and employees earning more than $100,000 annually |
| **Committee(s) Assignment:** | Committee on Budget and Government Operations |

**ORDINANCE**

**ALDERMANIC AND EXECUTIVE SALARY REDUCTION**

**WHEREAS,** the City of Chicago is a home rule unit of government as defined in Article VII, Section 6 (a) of the Illinois Constitution, and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

**WHEREAS,** on September 3, 2015 the Mayor of the City of Chicago called for a property tax increase that may amount to a sixty percent increase over the City's 2014 levy; and

**WHEREAS,** a drastic property tax increase of this amount imperils the financial well-being of many residents;

**WHEREAS,** property taxes are intended as partial payment for city services, it would follow that an increase in property tax would not correspond with a decrease in city services,

**WHEREAS,** officials and employees of City Council owe a fiduciary duty to the City of Chicago and its residents under Chapter 2-156-020 the Governmental Ethics Ordinance; and

**WHEREAS,** the mismanagement of city funds and failure to pay into pension funds have directly caused a budget shortfall estimated at $754 million dollars to be paid in part by the proposed property tax increase; now, therefore,

**BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO, AS FOLLOWS:**

**Section 1. Purpose; Relation to other Ordinances.**
**The purpose of this Ordinance is to provide a salary cut correspondent to any percentage increase over the 2014 Average Tax Rate (ATR) of 6.81% for all City Hall officials and employees earning more than $100,000.00 annually. A further salary cut would occur in any percentage by which the funds to City Services may be cut. To the extent that the provisions of this Ordinance conflict with any prior Ordinance or provision of the City, this Ordinance shall control.**

**Section 2. Definitions.**
**For the purposes of this Ordinance, the following definitions shall apply:**

**"Official" means any person elected or appointed to any office of the City of Chicago earning an annual salary equal to or above $100,000.00.**

**"Employee" means any individual performing services for remuneration employed by the City of Chicago earning an annual salary equal to or above $100,000.00.**

**"City Services" includes, but is not limited to, Chicago Police Department, Chicago Fire Department, Fleet and Facility Management, Streets and Sanitation, Water Management, Emergency Management and Communication and Transportation.**

**Section 3. Calculation of Salary Decrease by Property Tax Increase**

Upon the passage of any ordinance resulting in an increase over the 2014 Average Tax Rate of 6.81%, a corresponding decrease in the salaries defined above would match the percentage over 6.81%. If, for instance, the increase is 0.8%, a salary of $100,000 would be decreased in the amount of $8000.00 annually. This formula would be applied to all salaries as defined above.

**Section 4. Calculation of Salary Decrease by Service Cut Percentages**

Upon the passage of a budget that increases property taxes and/or cuts city services, the percentage of the service cut will be added to the tax increase percentage referenced above and then applied to all salaries defined in Section 2.

In formula: ((TI% x 10) + SC%) x SAL) = Total cut to salaries.

TI %: Tax Increase in percentage points

SC %: Service Cut %

SAL: All salaries equal to or more than $100,000.00

**Section 5.**

This ordinance shall be in full force and effect from and after its passage and approval.

Housing

**CITY OF CHICAGO RESOLUTION IN SUPPORT OF UNITED FOR HOMES CAMPAIGN SUPPORTING EXPANDED HOUSING OPTIONS AND GREATER TAX FAIRNESS**

**WHEREAS**, "Stable housing is the foundation upon which people build their lives – absent a save, decent and affordable place to live, it is next to impossible to achieve good health, positive educational outcomes, or reach one's economic potential." (U.S. Interagency Council on Homelessness, *Opening Doors: Federal Strategic Plan to Prevent and End Homelessness.* 2010); and

**WHEREAS**, in Chicago there are 164,110 extremely low income renter households whose income is $21,649 or less for a family of four; and

**WHEREAS**, in Chicago there are only 26 rental homes both affordable and available for every 100 renter households considered extremely low-income, equaling a deficit of 101,420 rental units.

**WHEREAS**, 66% of extremely low income renter households in Chicago pay more than half of their incomes for rent; and

**WHEREAS**, this shortage of homes that are affordable and available for extremely low income renter households is the cause of homelessness in the United States; and

**WHEREAS**, extremely low-income renter households should have access to quality affordable housing in every neighborhood in Chicago; and

**WHEREAS**, Congress established the National Housing Trust Fund in 2008 as a dedicated source of funding for the production, preservation, rehabilitation, and operation of housing for people with the lowest incomes, including people who are homeless; and

**WHEREAS**, investing in the National Housing Trust Fund will create jobs in the construction trades and in property management; and

**WHEREAS**, for every $5 billion appropriated to the National Housing Trust Fund, approximately $238,900,000 would be allocated to Illinois; and

**WHEREAS**, the mortgage interest deduction is under consideration for change by the U.S. Congress; and

**WHEREAS**, over three-quarters of the benefit for the mortgage interest deduction goes to households with income in the top fifth of all taxpayers; and

**WHEREAS**, only slightly more than half of homeowners who pay interest on their mortgages benefit from the mortgage interest deduction; and

**WHEREAS**, by converting the mortgage interest tax deduction to a 15% non-refundable credit and lowering the cap of eligible mortgage value from $1 million to $500,000, the number of taxpayers with mortgages who get a tax break would increase by 16 million, 99% of whom have incomes under $100,000 a year; and

**WHEREAS**, these modest modifications would reduce the cost of the mortgage interest tax expenditure, thereby freeing up an estimated $197 billion in federal resources over 10 years for housing assistance to low income households; and

**NOW, THEREFORE, BE IT RESOLVED**, That we, the Mayor and members of the Chicago City Council assembled this 24th day of September 2015, do hereby endorse the United for Homes Campaign, and support expanding mortgage interest tax benefits to more middle class and lower income homeowners by modifying the mortgage interest deduction by converting the tax deduction to a tax credit and by reducing the maximum size of a mortgage for which interest can be deducted.

| **Committee(s) Assignment:** | Committee on Education and Child Development |

Education

**RESOLUTION**

WHEREAS, The Chicago Public School system (CPS) is currently in the midst of significant financial strain having recently passed an annual budget that has an operating deficit of $500 million dollars, and

WHEREAS, there have been more than 1000 layoffs in district-run schools in the last 3 months, with special education and bilingual education the most impacted among others, and

WHEREAS, CPS, like every other Illinois school district is legally required to accept applications for new charter schools; and

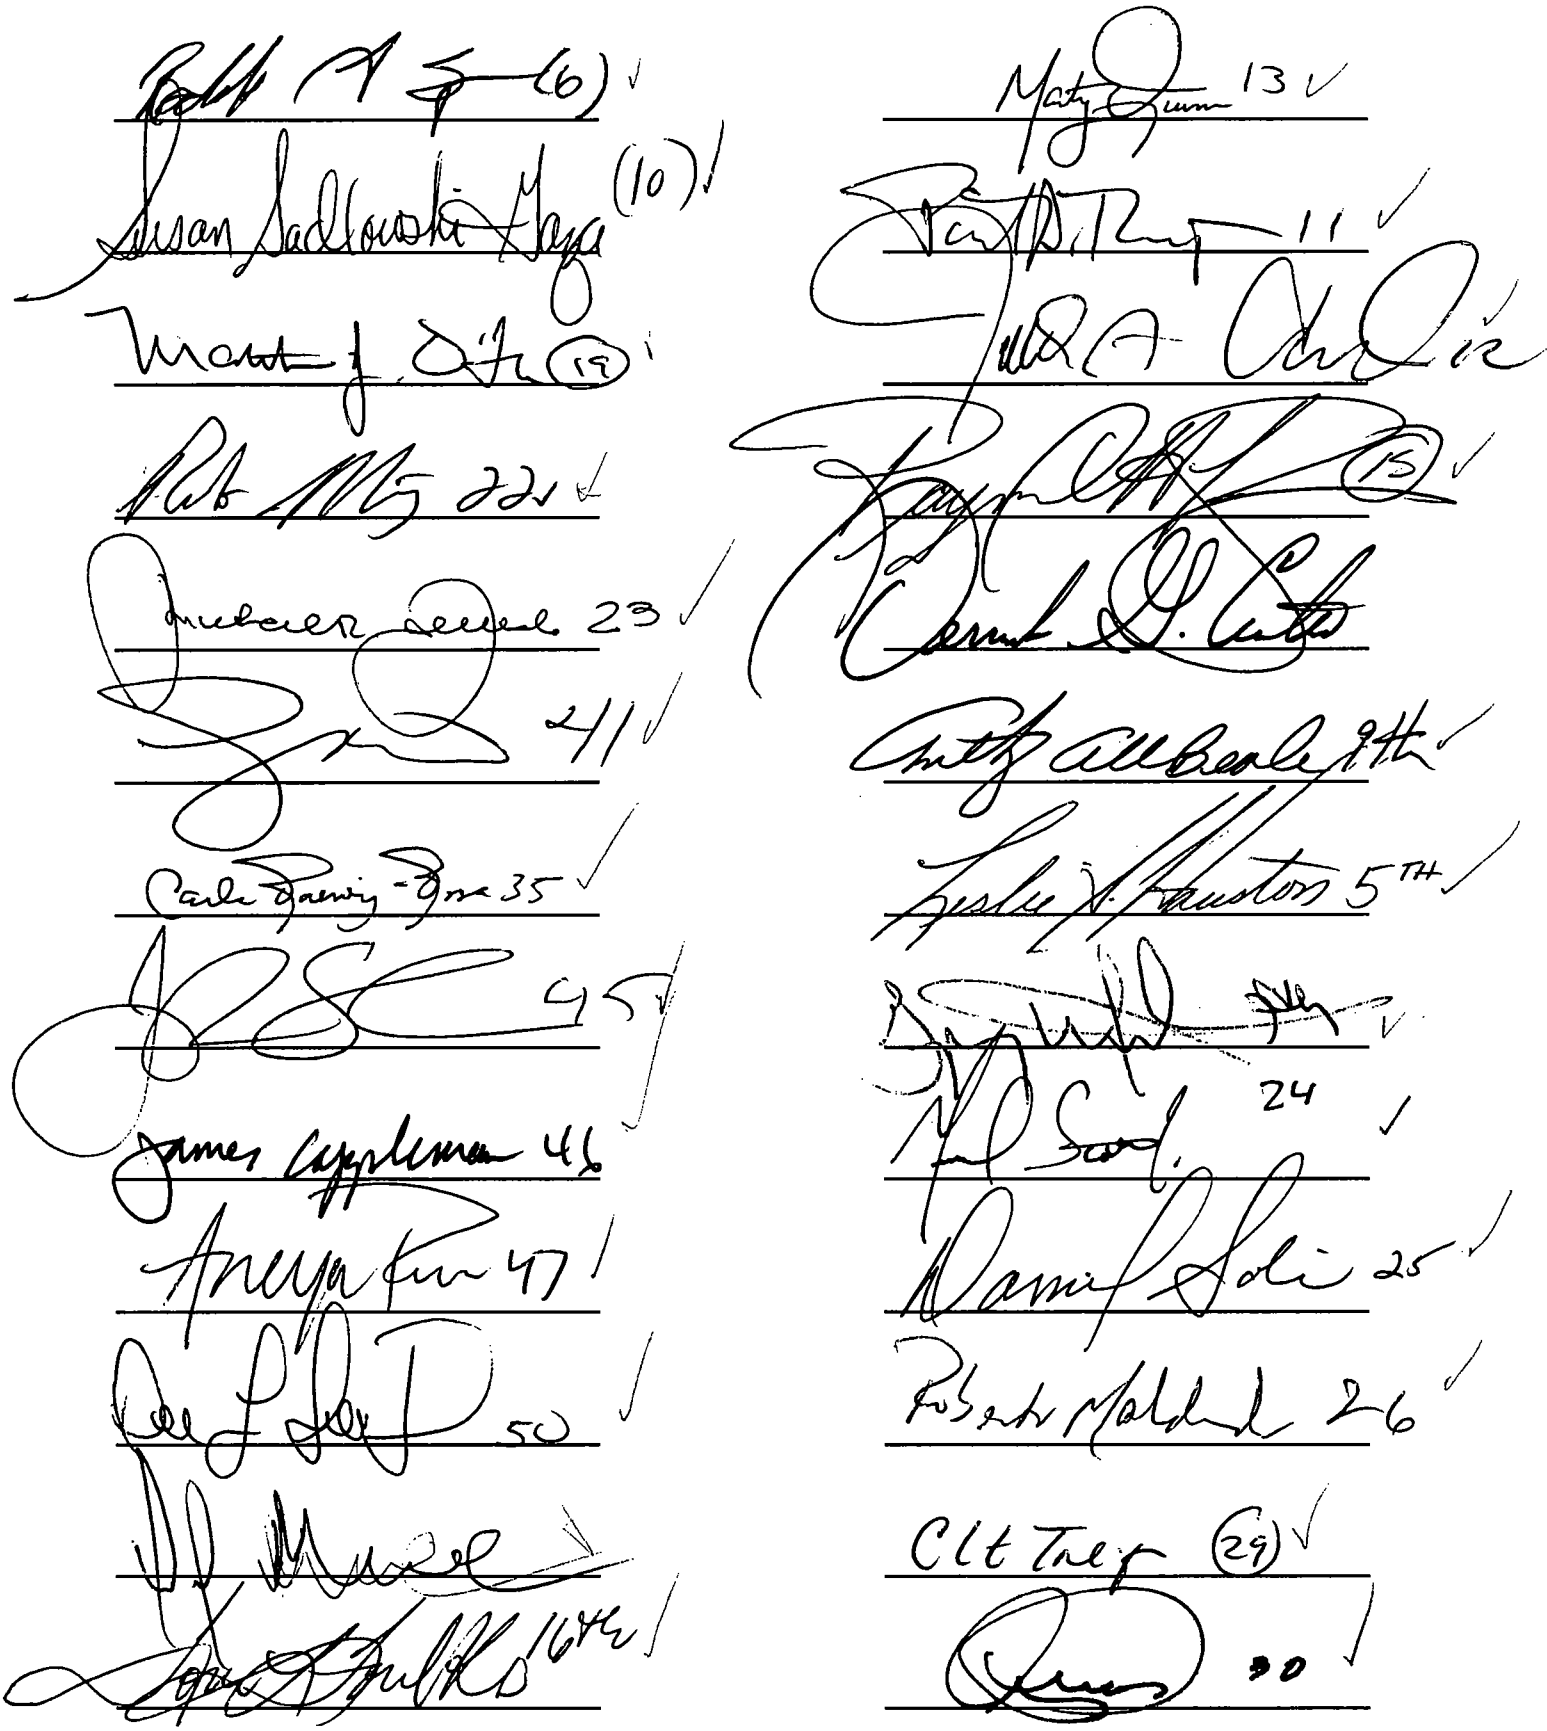

WHEREAS, the Illinois State Board of Education can and has granted charter school licenses over the objection of CPS; and

WHEREAS, it is not sound fiscal policy to fund the creation of any additional charter schools during a fiscal crisis when expenditures significantly overshadow revenue; so

WHEREAS, An independent analysis of CPS data by parent organization Raise Your Hand – Illinois has shown that there are more than 12000 un-filled charter school "seats" available, so

BE IT RESOLVED, that we, the undersigned members of the Chicago City Council do hereby express our desire for the Illinois State Board of Education and Chicago Board of Education to jointly impose a moratorium on charter school expansion for the 2015-2016 school year, and conduct a comprehensive study of long term facility and school programming needs as required by state law (IL P.A. 97-0474-as amended) through the mandated revision of the Chicago Public Schools' Educational Facilities Master Plan, a draft of which must be made public by CPS by January 2016; and provides the City Council and the public with a plan to bring CPS' financial balance sheet to long term stability.

BE IT FURTHER RESOLVED, that a copy of this resolution be transmitted by the City Clerk to Illinois State Board of Education Chairman James T. Meeks, State Superintendent of Education Tony Smith, Chicago Board of Education President Frank Clark, and Chicago Public Schools CEO Forrest Claypool.

# RESOLUTION

**WHEREAS,** Pursuant to its home rule authority, the City of Chicago enacted the Chicago Real Property Transfer Tax Ordinance, which imposes a tax upon the privilege of transferring title to, or beneficial interest in, real property located within the City; and

**WHEREAS,** Section 3-33-060(M) of the ordinance provides an exemption from payment of the tax for transfers in which the deed or other instrument of transfer is issued to the mortgagee or secured creditor pursuant to a mortgage or security interest foreclosure proceeding or sale or pursuant to a transfer in lieu of foreclosure (transfers as a result of foreclosures); and

**WHEREAS,** If the real estate transfers that involved transfers as a result of foreclosures were subject to the transfer tax, the transactions would raise much-needed revenue for the City and enable the City to provide more essential services, such as police and fire protection; and

**WHEREAS,** Those entities which are best able to pay the real property transfer tax should share in the responsibility to provide the resources for the protection of the health and welfare of the people; and

**WHEREAS,** In light of the above, the City Council is desirous of eliminating the exemption found in section 3-33-060(M) for transfers as a result of foreclosures; and

**WHEREAS,** Pursuant to the requirements of the Illinois Municipal Code (65 ILCS 5/8-3-19), which preempts home rule powers, in order to repeal the exemption for transfers as a result of foreclosures, the City must follow certain procedures, including the introduction of a resolution calling for a referendum to make such a change, then give notice and hold a public hearing prior to adoption of the resolution, adopt the resolution, and then certify the resolution and proposition to the proper election officials in accordance with the general election law for decision by the voters; and

**WHEREAS,** In an effort to make the law more equitable and to raise additional funds for the City and the Chicago Transit Authority, the voters are being asked if they approve of a proposal which would impose the same requirements on banks and other mortgage-related entities, as is currently imposed on homeowners, to pay real property transfer taxes on properties they acquire through foreclosure related transactions. To achieve this change, the City Council does hereby authorize and initiate the following public question to be submitted to the voters in accordance with the applicable provisions of the Illinois Election Code:

> Shall the City of Chicago impose a real estate transfer tax by repealing the exemption for the transfer of real estate transfers in which the deed or other instrument of transfer is issued to the mortgagee or secured creditor pursuant to a mortgage or security interest foreclosure proceeding or sale or pursuant to a transfer in lieu of foreclosure at a rate of $3.75 per $500.00 of the transfer price, or fraction thereof, plus a supplemental tax at the rate of $1.50 per $500.00 of the transfer price, or fraction thereof, with the revenue of the proposed transfer tax to be used for the general operations of the City of Chicago, and with the revenue of the proposed supplemental tax to be used to provide financial assistance to the Chicago Transit Authority?
>
> ☐Yes ☐No; and

**WHEREAS,** If the resolution is adopted, the City Clerk of Chicago shall certify the public question referenced herein to the Chicago Board of Election Commissioners in accordance with the applicable provisions of the Illinois Election Code; now, therefore,

**BE IT RESOLVED**, That we, the Mayor and the Members of the City Council of Chicago assembled this twenty-fourth day of September, 2015, do hereby call for a referendum to present the proposition to the voters on whether to eliminate the exemption from the real property transfer tax for transfers as a result of foreclosures, and request that the City Council on Finance hold public hearings in accordance with the requirements of the Illinois Municipal Code, 65 ILCS 5/8-3-19; and

**BE IT FURTHER RESOLVED**, That a copy of this resolution be sent to the Committee on Finance.

# ORDINANCE

## PROPERTY TAX INCREASE AND TAX RELIEF PROGRAM 2015

**WHEREAS**, the City of Chicago is facing a massive budget shortfall in four pension plans and a pension deficit of up to $550 million that must be paid December 2015; and

**WHEREAS,** in 2014, the City collected $824 million in property taxes and roughly $478 million went to payments for the four city pension funds: Police, Fire, Municipal, and Laborers; and

**WHEREAS**, on May 12, 2015, Moody's Investors Service announced it lowered the City of Chicago's credit rating to non-investment, or junk bond, status as a result of unfunded pension obligations; and

**WHEREAS**, there is a dire need for additional revenue to fulfill pension debt obligations; and

**WHEREAS,** by not funding pension liabilities, the debt will continue to grow and affect Chicago's fiscal operations and impact expenditures for critical areas such as education, public welfare, and infrastructure; and

**WHEREAS**, to fulfill obligations Chicago must raise additional revenue to address the city's financial liabilities; and

**WHEREAS,** increasing the property tax rate in the City may provide the financial soundness to pay for the city's fiscal obligations; and

**WHEREAS**, working families are already financially burdened and a significant property tax increase could harm them substantially; and

**WHEREAS,** to ease this burden the City will provide temporary property tax relief assistance to the hardest hit households; and

**WHEREAS**, in order to assist low and middle income families negatively affected by a property tax increase, the City of Chicago will institute a Property Tax Relief Program; **NOW, THEREFORE,**

**BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:**

**SECTION 1.** The above recitals are expressly incorporated herein and made part hereof as though fully set forth herein.

**SECTION 2.** Chapter 2-32 of the Municipal Code of Chicago is amended by adding a new Section 2-32-627 as follows:

**2-32-627 Property tax relief program.**

(a) As used in this Section:

"Applicable year" means the calendar year for which a Homeowner has received a final real estate tax bill that exceeds the final real estate tax bill for the immediately preceding year;

"Assessed value" means the equalized assessed value set for Real estate tax purposes, as determined by the Office of the Cook County Assessor or the Cook County Board of Review;

"Chief Financial Officer" means the Chief Financial Officer of the City of Chicago or his or her designee.

"City's real estate tax assessment rate" is that fraction which is multiplied by the Assessed value of the property to determine the amount of money the Homeowner must pay for his City of Chicago portion of his Real estate taxes.

"Eligible Homeowner" means a Homeowner who has adjusted gross income in the applicable year under $100,000.

"Homeowner" means an individual who, at the time of the application and since January 1 of the calendar year immediately preceding the applicable year: (i) is the owner of record of or has a legal or equitable interest, except for a leasehold interest that is not a residential cooperative, in property in this city that is used by the individual as the individual's principal place of residence; and (ii) is liable for paying the Real estate taxes on the property. For purposes of the definition of "homeowner," an equitable interest shall include a beneficial interest in property that is held in an Illinois land trust;

"Household" means the Homeowner, the spouse of the Homeowner if the spouse filed a joint federal income tax return with the Homeowner for the applicable year, and all persons using the residence of the Homeowner as their principal place of residence;

"Household income" means the combined income of the members of a Household for the applicable year;

"Real estate taxes" means the taxes on real property for which a Homeowner is liable under the Property Tax Code, 35 ILCS 200/1-1 *et seq.;* and

"Real estate tax increase" means the amount by which the total Real estate taxes payable in the applicable year exceeds the total Real estate taxes payable in the immediately preceding taxable year.

(b) The Chief Financial Officer is authorized to establish and administer a property tax relief program under this section for the purpose of providing assistance to certain Homeowners whose Real estate tax liability has significantly risen, particularly relative to their Household incomes as provided in this section. Under this program, a Homeowner who meets the eligibility requirements for a grant under this section may receive a grant in the amount specified in this section. A Homeowner shall be eligible for a grant under this section for that portion of an increase in taxes attributable to an increase in the tax rate assessed for the City of Chicago, and not for that portion attributable to either an increase in assessed value or an increase in tax rate of another taxing body.

(c) The relief the Homeowner is entitled to would be calculated as follows:

1. Start with 100,000 and subtract Household income
2. Take this result and divide by 100,000 to get the rebate rate
3. Multiply the rebate rate times the difference between the City's Real estate tax assessment rate for the applicable year and the City's Real estate tax assessment rate for the immediately preceding taxable year.
4. Multiply this number by the Assessed value. However, if the Assessed value is higher than the prior year's Assessed value, use the prior year's Assessed value. Use that prior year's Assessed value in future years, provided that the Assessed value does not drop below the prior year's Assessed value.

(d) A Homeowner must file an application to participate in the relief program with the Department of Finance. The application must be on a form prescribed by the Chief Financial Officer and include evidence of the Homeowner's Household income for the applicable year, evidence that the applicant became the Homeowner prior to January 1st of the calendar year immediately preceding the applicable year, evidence of the amount of the Homeowner's Real estate tax increase.

(e) The provisions of Section 2-156-110 of this Code does not apply to City employees with respect to their participation in the property tax relief program created pursuant to this section.

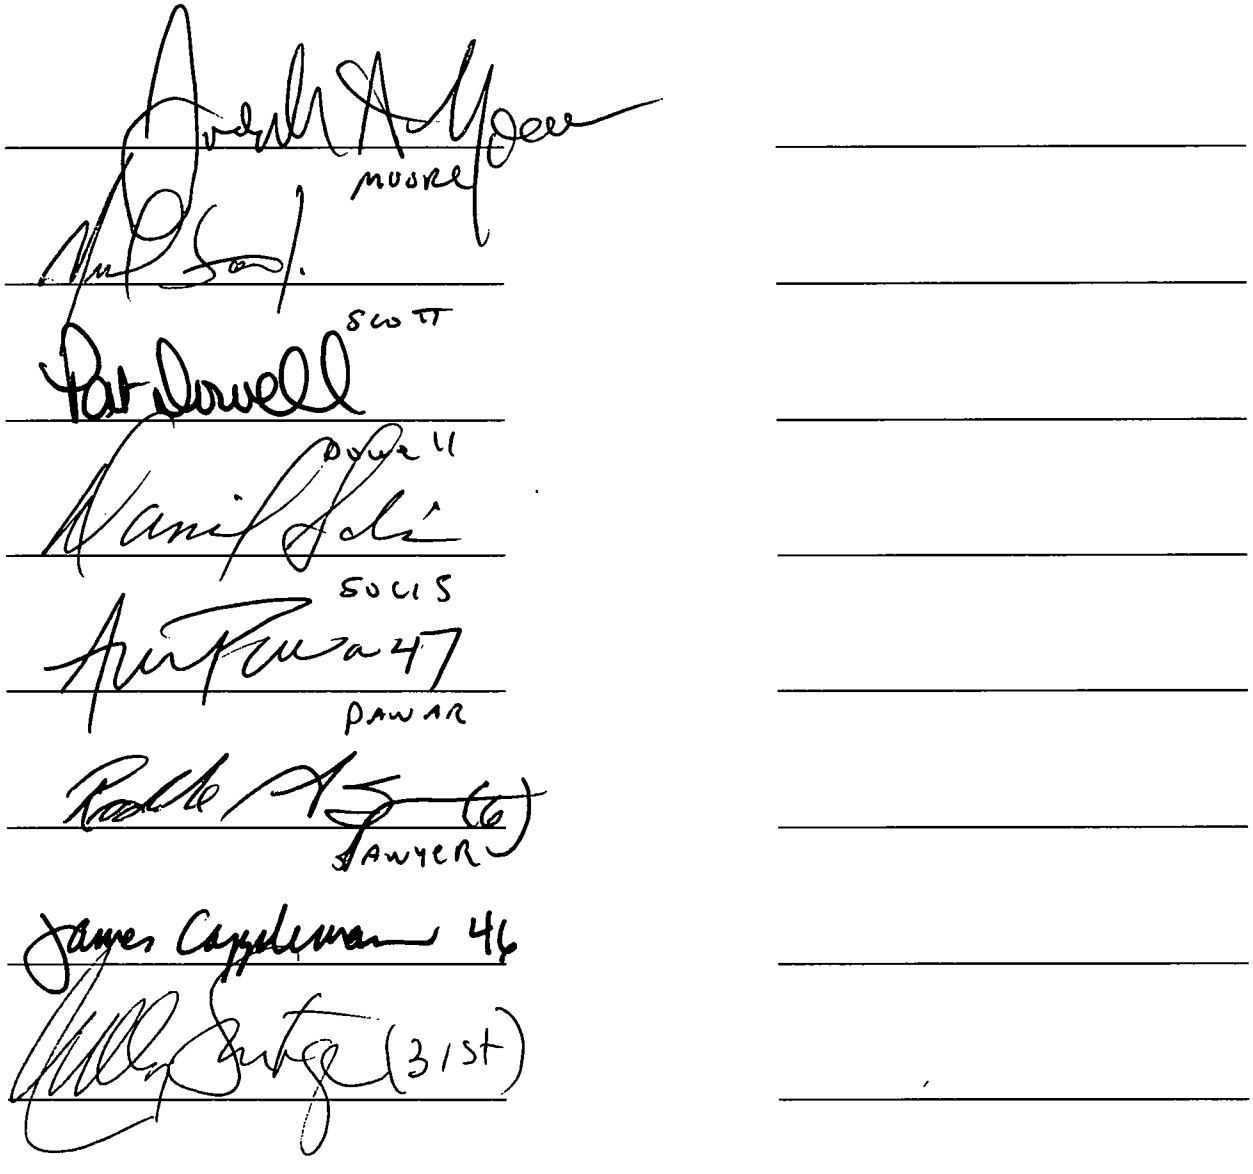

(f) The Chief Financial Officer is authorized to expend legally available funds for the implementation of this section. However, the program created pursuant to this section will be suspended at any time that no funds are legally available for the program. The Chief Financial Officer also is authorized to enter into agreements and

execute documents necessary to implement this section, to promulgate rules and regulations necessary to implement this section and to prescribe application forms and other forms necessary to elicit relevant information concerning participants in the property tax relief program. The Chief Financial Officer may request the Office of Compliance to conduct audits to determine eligibility of an applicant to participate in the property tax relief program created pursuant to this section. Any personal financial information provided to the City in connection with an application submitted under this section shall remain confidential.

(g) This Section will be effective for five tax years after its effective date.

**SECTION 3.** This ordinance takes effect upon its passage and approval.

**SECTION 1.** Section 9-64-050 of the Municipal Code of Chicago is hereby amended by deleting the language struck through and by inserting the language underscored, as follows:

**9-64-050 Parking restrictions – Parking for persons with disabilities.**

*(Omitted text is unaffected by this ordinance)*

(c) Subject to subsections (e)(2) and (l) of this section, all restricted parking spaces created pursuant to this section shall require approval by a vote of the city council to be effective. Upon receiving an initial application, the alderman of the ward in which the restricted parking space will be located may introduce an ordinance proposing approval of the creation of a restricted parking space. However, the city council shall not take action on the ordinance to create a restricted parking space during the 30 day period required for the comptroller to complete the parking study.

(d) (1) After introduction of an ordinance described in subsection (c), the comptroller shall arrange for a parking study if:

(~~1~~i) the applicant has tendered the required fee for restricted parking, and

(~~2~~ii) the comptroller concludes that the above conditions (1) through (3) of subsection (b) of this section are met and the application is otherwise acceptable.

(2) Such parking study shall ~~be completed within 30 days after the conditions in subsections (d)(1) and (d)(2) are met and shall~~ include a determination regarding the feasibility and, if appropriate, the proposed location of a proposed restricted parking space. The determination shall be based upon the number of restricted parking spaces currently installed on the residential street; the proximity of the requested restricted parking space to crosswalks, curb cuts, alleys, intersections and fire hydrants; and any other information concerning the applicant's needs and local traffic restrictions. The determination may also be based upon the extent of the alternative accessible off-street parking at the applicant's primary residence.

(3) Such parking study shall be completed within 30 days after the conditions in subsections (d)(1)(i) and (d)(1)(ii) are met.

*(Omitted text is unaffected by this ordinance)*

(l) Any holder of a permit for disability parking who changes a residence in the city prior to the expiration of that permit may apply to the department of finance for a transfer of the permit and restricted parking signs to the holder's new residence. The department of finance shall forward a copy of the application to the alderman of the ward in which the signage is being transferred. Eligibility for transfer of the permit and restricted parking signs is subject to completion of a parking study by the comptroller pursuant to subsection (d)(2). In addition, no such transfer of permit shall be allowed if the applicant has applied for such transfer in the

previous twelve months. If the comptroller recommends the transfer of the permit and restricted parking signs to the applicant's new residence, such transfer shall be made without assessing installation and maintenance fees for the transferred signs. Provided, however, the transfer of a permit pursuant to this subsection shall have no effect on that permit's expiration date, or on the fees associated with a permit renewal.

**SECTION 2.** This ordinance shall take effect upon its passage and publication.

**ORDINANCE**

**PROPERTY TAX REBATE PROGRAM**

**WHEREAS,** the City of Chicago is a home rule unit of government as defined in Article VII, Section 6 (a) of the Illinois Constitution, and, as such, may exercise any power and perform any function pertaining to its government and affairs;

**WHEREAS,** on September 3, 2015 the Mayor of the City called for a property tax increase that may amount to a sixty percent increase over the City's 2014 levy;

**WHEREAS,** such a large property tax increase threatens the stability of the City's neighborhoods by placing a burden on the limited incomes of the City's working families;

**WHEREAS,** it is in the best interests of the City's working families and neighborhoods to fashion a program of property tax relief; and

**WHEREAS,** the City Property Tax Rebate Program of 2010 identified $35 million in funds from the parking meter concession revenues, of which only $2.1 million was distributed; NOW, THEREFORE

**BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO, AS FOLLOWS:**

**Section 1.** Purpose; Relation to other Ordinances.
The purpose of this Ordinance is to provide for the implementation of a property tax relief program where the City will reimburse a portion of property taxes paid by qualified owner-occupants of certain residential units in the City upon application and presentation of proper documentation. Further, this Ordinance would reinstate relevant parts of the Property Tax Relief Program set forth in Section 2-32-627 of the Municipal Code of Chicago. To the extent that the provisions of this Ordinance conflict with any prior Ordinance or provision of the City, this Ordinance shall control.

**Section 2.** Definitions.
SECTION 1. Chapter 2-32 of the Municipal Code of Chicago is amended by adding a new Section 2-32-627, as follows:

2-32-627 Property Tax Rebate Program

(a) As used in this section:
"Applicable year" means the calendar year for which a homeowner has received a final real estate tax bill that exceeds the final real estate tax bill for the immediately preceding year in an amount that qualifies the homeowner for a grant under this section;

"Chief Financial Officer" means the Chief Financial Officer of the City of Chicago or his or her designee;

"Eligible homeowner" means an individual who, at the time of the application and since

January 1 of the calendar year immediately preceding the applicable year: (i) "has an adjusted gross income that is less than or equal to 400% of the Federal Poverty Level annually; (ii) is the owner of record of or has a legal or equitable interest, except for a leasehold interest that is not a residential cooperative, in property in this city that is used by the individual as the individual's principal place of residence; and (ii) is liable for paying the real estate taxes on the property. For purposes of the definition of "homeowner", an equitable interest shall include a beneficial interest in property that is held in an Illinois land trust;

"Household" means the homeowner, and the spouse or qualified domestic partner of the homeowner if the spouse or qualified domestic partner filed a joint federal income tax return with the homeowner for the applicable year;

"Household income" means the combined income of the members of a household for the applicable year;

"Property taxes" means the taxes on real property for which a homeowner is liable under the Property Tax Code, 35 ILCS 200/1-1, etseq. when that property is used by the homeowner as the homeowner's principal place of residence;

(b) The Chief Financial Officer is authorized to establish and administer a property tax rebate program under this section. Under this program, a homeowner who meets the eligibility requirements for a rebate under this section may receive a rebate in the amount specified in Section 3.

**Section 3. Method of Computing and Reflecting Tax Relief.**

**Commencing in 2016, the City will reimburse a portion of the City's share of the real estate property taxes paid by owner-occupants of single-family homes, owner-occupants of town homes, owner-occupants of apartment buildings, and owner-occupants of residential condominium units up to a total maximum rebate of two thousand dollars. The formula below will be used to calculate the Rebate:**

**((AV x TI%) x 2): Rebate Amount**

**Where:**
**AV = Assessed Value**
**TI % = Tax Increase on percentage points**
**Thus the Rebate on a home with an assessed value of $25,000 upon an increase of, for instance, .8%, would be ((25,000 x .008) x 2) = 400. This would be applied to all homeowners as defined above.**

**Section 4. Implementation, Eligibility and Enforcement**

The Chief Financial Officer of the City of Chicago will develop an application form and an application process for property tax rebates as prescribed by this Ordinance, incorporating

requirements as are necessary to effectuate the intent of this Ordinance, and incorporating the following specifications:

(a) A homeowner must file an application to participate in the relief program with the Chicago Tax Assistance Center within the Office of Budget and Management. The application shall be on a form prescribed by the Chief Financial Officer and shall include evidence of the homeowner's household income for the applicable year, evidence that the applicant became the homeowner prior to January 1st of the calendar year immediately preceding the applicable year, and evidence of the amount of the homeowner's real estate tax increase.

(b) The rebate will be paid only to owner-occupants who demonstrate that they, or their mortgage company, have paid the previous year's property taxes in full, and who certify that they have no prior year property taxes outstanding;

(c) The rebate will not be prorated for partial year residence;

(d) The rebate check will be mailed only to the address for which the owner-occupant demonstrated payment of the previous year's property taxes.

(e) Persons who are current on their taxes, but have other outstanding City debts shall be eligible for the grant.

(f) To be eligible for rebate the homeowner must have qualified for and claimed the Homestead Exemption for the previous tax year.

(g) The provisions of Section 2-156-110 of this Code shall not apply to city employees with respect to their participation in the property tax relief program created pursuant to this section.

(h)The Chief Financial Officer is authorized to expend legally available funds for the implementation of this section. The Chief Financial Officer shall additionally have authority to enter into agreements and execute documents necessary to implement this Ordinance, to promulgate rules and regulations necessary to implement this section and to prescribe application forms and other forms necessary to elicit relevant information concerning participants in the property tax rebate program. The Chief Financial Officer may request the Office of Compliance to conduct audits to determine eligibility of an applicant to participate in the property tax relief program created pursuant to this section. Any personal financial information provided to the City in connection with an application submitted under this section shall remain confidential.

**Section 5. Penalties and Fines**

(a) Should it be found that a property owner improperly receives a refund through misrepresentation or otherwise, the recipient of the rebate shall be liable to the City of Chicago in the amount of the rebate plus interest. Further, the property owner shall thereafter not be eligible for a rebate grant on that property, or any other properties that may become eligible for the following two tax years.

(b) Anyone found in improper receipt of a rebate is also subject to any other other remedies, fines and legal actions available to the City of Chicago.

**Section 6. Expiration of Program**

This section is repealed on June 30th, 2017; provided that this Section does not affect the authority of the City of the City to make payments pursuant to the rebate program on applications submitted on or before June 30th, 2017.

**Section 7.**

This ordinance shall be in full force and effect from and after its passage and approval.

(a) To the greatest degree permitted by law and in accord with the availability of one or more M.B.E.'s and W.B.E.'s relevant to a particular procurement, ~~Insert~~ insert within specifications for each bid notice or request for proposals with an estimated value in excess of $10,000 a requirement that the subject bid or proposal entail a demonstrably feasible commitment on the part of the bidder or proposer that the bid or proposal shall in fact result in the participation of one or more M.B.E.'s and one or more W.B.E.'s at the a specified percentage of the dollar value of the subject contract; and insert within specifications for each contract let through competitive bidding or request for proposal with an estimated value in excess of $10,000.00 a requirement, enforceable by the city and individually by subject M.B.E.'s or W.B.E.'s, that the contractor commit to the expenditure of at least the M.B.E. percentage of the dollar value of the contract with one or more M.B.E.'s and at least the W.B.E. percentage of the dollar value with one or more W.B.E.'s. ~~This~~ These commitments may be met by the contractor's status as M.B.E. or W.B.E., or by joint venture with one or more M.B.E.'s or W.B.E.'s as prime contractor (to the extent of the M.B.E. or W.B.E. participation in such joint venture), or by subcontracting a portion of the work to one or more M.B.E.'s or W.B.E.'s, or by purchase of materials or services for the work from one or more M.B.E.'s or W.B.E.'s, or by the indirect participation of M.B.E.'s or W.B.E.'s in other aspects of the contractor's business (but no dollar of such indirect M.B.E. or W.B.E. participation shall be credited more than once against a contractor's M.B.E. or W.B.E. commitment with respect to all contracts of such contractor), or by any combination of the foregoing;

(b) Review each proposed contract modification request that, by itself or aggregated with previous modification requests, increases the contract value by ten percent of the initial contract

(c) Consider the extent of each bidder's commitment to M.B.E./W.B.E. participation as further evidence of the responsibility of the bidder;

(d) Negotiate with any contractor whose contract is in excess of $10,000.00 in value and is not awarded by competitive bidding a commitment, where practicable, to M.B.E. participation of at least the M.B.E. percentage and W.B.E. participation of at least the W.B.E. percentage of the dollar value of the contract;

(e) Insert in each contract containing a commitment to M.B.E. and/or W.B.E. participation:

(i) A requirement of periodic reporting by the contractor to the chief procurement officer on all expenditures made to achieve compliance with the foregoing provisions. Such reports shall include the name and business address of each M.B.E. and W.B.E. solicited by the contractor to work as a subcontractor on the contract and the responses received by the contractor to such solicitation, the name and business address of each M.B.E. and W.B.E. actually involved in the contract, a description of the work performed and/or product or service supplied by each such M.B.E. or W.B.E., the date and amount of each expenditure, and such other information as may assist the chief procurement officer in determining the contractor's compliance with the foregoing provisions, and the status of any M.B.E. or W.B.E. performing any portion of the contract;

(ii) Remedies for a contractor's noncompliance with the commitment to M.B.E./W.B.E. participation, including an agreement to pay damages to the M.B.E.s and W.B.E.s which were underutilized. The unexcused reduction of M.B.E. or W.B.E. contract participation in connection with a contract (including any modification thereof) shall entitle the affected M.B.E.s and W.B.E.s to damages pursuant to such agreement. Such provisions shall include an undertaking by the contractor to submit any dispute concerning such damages to binding arbitration by an independent arbitrator, other than any department or agency of the city, with reasonable expenses, including attorney's fees, being recoverable by a prevailing M.B.E. or W.B.E. (v) Uniform provisions allowing the chief procurement officer access to the contractor's books and records, including without limitation payroll records, tax returns and records, and books of account, on five business days' notice, to allow the officer to determine the contractor's compliance with its commitment to M.B.E./W.B.E. participation and the status of any M.B.E. or W.B.E. performing any portion of the contract. This provision shall be in addition to, and not a substitute for, any other provision allowing inspection of the contractor's records by any officer or official of the city for any purpose;

(vi) Uniform provisions requiring that M.B.E.'s and W.B.E.'s receive prompt payment for goods tendered or services rendered under such rules and regulations as are, following consultation with organizations who represent M.B.E.s and W.B.Es, promulgated by the chief procurement officer no more than thirty days from the effective date of this amendatory ordinance, provided that, in the event such rules and regulations are not so promulgated within thirty days of the effective date of this amendatory ordinance, such provisions will require and result in payment being made to M.B.Es and W.B.Es no less than seven days from the date upon which goods are tendered or services are rendered.

**ORDINANCE**
**BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:**

Section 1. Title 5 of the Municipal Code of the Chicago is hereby amended by adding and deleting the following sections to Chapter 5-12-080 as follows.

**5-12-080 Security deposits.**

A security deposit and interest due thereon shall continue to be the property of the tenant making such deposit, shall not be commingled with the assets of the landlord, and shall not be subject to the claims of any creditor of the landlord or of the landlord's successors in interest, including a foreclosing mortgagee or trustee in bankruptcy.

(2) Notwithstanding subsection (a)(1), a landlord may accept the payment of the first month's rent and security deposit in one check or one electronic funds transfer, and deposit the check or electronic funds transfer into one account, if within 5 business days of the acceptance of the check or electronic transfer, the landlord transfers the amount of the security deposit into a separate account that complies with subsection (a)(1).

(3) The name and address of the financial institution where the security deposit will be deposited shall be clearly and conspicuously disclosed in the written rental agreement signed by the tenant. If no written rental agreement is provided, the landlord shall, within 14 days of receipt of the security deposit, notify the tenant in writing of the name and address of the financial institution where the security deposit was deposited.

If, during the pendency of the rental agreement, a security deposit is transferred from one financial institution to another, the landlord shall, within 14 days of such transfer, notify the tenant in writing of the name and address of the new financial institution.

(4) Notwithstanding subsection (a)(1), a landlord shall not be considered to be commingling the security deposits with the landlord's assets if there is excess interest in the account in which the security deposits are deposited. "Excess interest" means the amount of money in excess of the total amount of security deposits deposited into the account plus any interest due thereon.

(b) (1) Except as provided for in subsection (b)(2), any landlord who receives a security deposit from a tenant or prospective tenant shall give said tenant or prospective tenant at the time of receiving such security deposit a receipt indicating the amount of such security deposit, the name of the person receiving it and, in the case of the agent, the name of the landlord for whom such security deposit is received, the date on which it is received, and a description of the dwelling unit. The receipt shall be signed by the person receiving the security deposit. Failure to comply with this subsection shall entitle the tenant to immediate return of security deposit.

(2) Upon payment of the security deposit by means of an electronic funds transfer, the landlord shall give the tenant a receipt that complies with subsection (b)(1), or an electronic receipt that acknowledges the receipt of the security deposit. The electronic receipt shall set forth the date of the receipt of the security deposit, the amount of the deposit, a description of the dwelling unit and an electronic or digital signature, as those terms are defined in 5 ILCS 175/5-105, of the person receiving the deposit.

(c) A landlord who holds a security deposit or prepaid rent pursuant to this section for more than six months shall pay interest to the tenant accruing from the beginning date of the rental term specified in the rental agreement at the rate determined in accordance with Section 5-12-081 for the year in which the rental agreement was entered into. The landlord shall, within 30 days after the end of each 12-month rental period, pay to the tenant any interest, by cash or credit to be applied to the rent due.

(d) The landlord shall, within 45 days after the date that the tenant vacates the dwelling unit or within seven days after the date that the tenant provides notice of termination of the rental agreement pursuant to Section 5-12-110(g), return to the tenant the security deposit or any balance thereof and the required interest thereon; provided, however, that the landlord, or successor landlord, may deduct from such security deposit or interest due thereon for the following:

(1) Any unpaid rent which has not been validly withheld or deducted pursuant to state or federal law or local ordinance; and

(2) A reasonable amount necessary to repair any damage caused to the premises by the tenant or any person under the tenant's control or on the premises with the tenant's consent, reasonable wear and tear excluded. In case of such damage, the landlord shall deliver or mail to the last known address of the tenant within 30 days an itemized statement of the damages allegedly caused to the premises and the estimated or actual cost for repairing or replacing each item on that statement, attaching copies of the paid receipts for the repair or replacement. If estimated cost is given, the landlord shall furnish the tenant with copies of paid receipts or a certification of actual costs of repairs of damage if the work was performed by the landlord's employees within 30 days from the date the statement showing estimated cost was furnished to the tenant.

(e) In the event of a sale, lease, transfer of ownership or control or other direct or indirect disposition of residential real property by a landlord who has received a security deposit or prepaid rent from a tenant, the successor landlord of such property shall be liable to that tenant for any security deposit, including statutory interest, or prepaid rent which the tenant has paid to the transferor.

The successor landlord shall, within 14 days from the date of such transfer, notify the tenant who made such security deposit by delivering or mailing to the tenant's last known address that such security deposit was transferred to the successor landlord and that the successor landlord is holding said security deposit. Such notice shall also contain the successor landlord's name, business address, and business telephone number of the successor landlord's agent, if any. The notice shall be in writing.

The transferor shall remain jointly and severally liable with the successor landlord to the tenant for such security deposit or prepaid rent, unless and until such transferor transfers said security deposit or prepaid rent to the successor landlord and provides notice, in writing, to the tenant of such transfer of said security deposit or prepaid rent, specifying the name, business address and business telephone number of the successor landlord or his agent within ten days of said transfer.

(f) (1) Subject to subsection (f)(2), if the landlord fails to comply with any provision of Section 5-12-080(a) - (e), the tenant ~~shall~~ may be awarded damages in an amount equal to two times the security deposit plus interest at a rate determined in accordance with Section 5-12-081. This subsection does not preclude the tenant from recovering other damages to which he may be entitled under this chapter.

(2) If a landlord pays the interest on a security deposit or prepaid rent within the 30-day period provided for in subsection (c), or within the 45-day period provided for in subsection (d), whichever is applicable, but the amount of interest is deficient, the landlord shall not be liable for damages under subsection (f)(2) unless:

(A) the tenant gives written notice to the landlord that the amount of the interest returned was deficient; and

(B) within fourteen days of the receipt of the notice, the landlord fails to either:

(i) pay to the tenant the correct amount of interest due plus $50.00; or

(ii) provide to the tenant a written response which sets forth an explanation of how the interest paid was calculated.

If the tenant disagrees with the calculation of the interest, as set forth in the written response, the tenant may bring a cause of action in a court of competent jurisdiction challenging the correctness of the written response. If the court determines that the Interest calculation was not accurate, the tenant ~~shall~~ may be awarded damages in an amount equal to two times the security deposit plus interest at a rate determined in accordance with Section 5-12-081.

Section 2. This ordinance shall take effect 10 days after passage and publication.
