WHEREAS, The City of Chicago, Cook County, Illinois (the "City") has, pursuant to its home rule powers granted under the 1970 Constitution of the State of Illinois, duly adopted Sections 7-85 to 7-98, inclusive, of the Municipal Code of Chicago, as amended (the "Act"); (1) to provide for and promote the public health, safety and welfare; (2) to relieve conditions of unemployment and encourage the increase of industry and commercial activities and economic development of the municipality, so as to reduce the evils attendant upon unemployment; (3) to provide for efficient and well-planned urban growth and development including the elimination and prevention of slum areas and urban blight, and the proper coordination of industrial facilities with public services, mass transportation facilities, and residential development; (4) to assist low and moderate income persons in acquiring and owning decent, safe and sanitary housing which they can afford; (5) to promote the integration of families of varying economic means; and (6) to preserve and increase the municipality's ad valorem tax base; and

WHEREAS, The City has determined that, under existing economic conditions affecting the cost and availability of funds for the financing of home improvements in the City and the relative cost of such home improvement, it is desirable to supplement the funds presently available to the private sector for the purpose of financing home improvement loans; and

WHEREAS, The City has consulted with members of the residential lending industry and others, and has determined that it is desirable to provide such supplemental funds for the purpose of financing home improvement loans through (i) the establishment of a multi-lender Home Improvement Loan Program (the "Program"), (ii) the sale and issuance of its revenue bonds and (iii) the application of the proceeds of such sale to the purchase of home improvement loans, insured under the Federal Housing Administration Title I Property Improvement Loan Program, to be originated and serviced in accordance with the program by various lending institutions; and

WHEREAS, The City has determined that certain lending institutions which maintain an office and originate and service home improvement loans in the City have demonstrated the ability to originate and service home improvement loans in accordance with recognized governmental and industry standards ("Qualified Lenders" as hereinafter defined) and has afforded such Qualified Lenders the opportunity to originate and service home improvement loans under the Program; and

WHEREAS, The City has received offers from various Qualified Lenders to participate in the Program and wishes to enter into agreements with those Qualified Lenders, thereby obligating each of such Qualified Lenders to originate and service home improvement loans under the Program, the respective amounts allocated to each Qualified Lender to be determined by the City in accordance with the allocation formula set forth in this ordinance; and

WHEREAS, The City has undertaken to use a portion of the Community Development Block Grant ("CDBG") funds received by the City pursuant to the Housing and Community Development Act of 1974, as amended, to assist in the financing of home improvement loans pursuant to the Program, such funds to be deposited with the Trustee (as hereinafter defined) in accordance with the Indenture (as hereinafter defined); and

WHEREAS, The City has determined that it is desirable to target a portion of the Program to certain geographic areas within the City in order to comply with the provisions of the Mortgage Subsidy Bond Tax Act of 1980, as amended, and the Housing and Community Development Act of 1974, as amended; and to provide greater assistance to neighborhood strategy areas and community development program planning areas; and

WHEREAS, Pursuant to and in accordance with the provisions of the Act, the City is now prepared to proceed with establishing the Program and financing the origination of such home improvement loans; and to issue and sell not to exceed \$25,000,000 in principal amount of its Home Improvement Loan Revenue Bonds, 1981 Series A (the "Bonds"), such Bonds to be secured by the Indentures and, except to the extent payable from Bond proceeds, certain insurance proceeds or CDBG funds or moneys from the investment thereof, to be payable solely from the revenues and receipt and other amounts received by the City pursuant to the Note Purchase Agreements (hereinafter defined) and the Indenture; and

WHEREAS, E. F. Hutton & Company Inc., Continental Illinois National Bank and Trust Company of Chicago and Goldman, Sachs and Co., as representatives of a group of underwriters, have submitted to the City a form of Bond Purchase Agreement (hereinafter defined) setting forth their proposal to purchase the Bonds; and

"Note Purchase Agreements" shall mean the Note Purchase Agreements between the City, the Trustee and the respective Participants, as approved by this ordinance, and as the same may be amended from time to time.

"Official Statement" shall mean the Preliminary Official Statement and the Official Statement as further described and defined in the Bond Purchase Agreement.

"Participants" shall mean the Applicants who enter into the Note Purchase Agreement and any surviving, resulting, assignee or transferee corporations as permitted by the Note Purchase Agreements.

"Qualified Lender" shall mean any lending institution (as defined in the Act) which (i) maintains an office in the City; (ii) originates and services home mortgages (as defined in the Act), including home improvement loans, in the City; (iii) is (a) a member of, or subject to regulation by, the Federal Savings and Loan Insurance Corporation, the Federal Deposit Insurance Corporation or the National Credit Union Administration or any successor of the foregoing, or (b) qualified to sell mortgages to and service mortgages for the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation; (iv) satisfies the requirements of The Federal Housing Administration of the United States Department of Housing and Urban Development under its Title I Property Improvement Loan Insurance Program; and (v) is able to repurchase home improvement loans if required to do so pursuant to the Note Purchase Agreement.

"Trustee" shall mean the First National Bank of Chicago, a national banking association, and any successor acting as such under the Indenture.

SECTION 2. Pursuant to the Act, the City does hereby authorize the origination of the Home Improvement Loans and the acquisition of the Home Improvement Loans in accordance with the terms of the Note Purchase Agreements and does hereby find and declare that this ordinance is being enacted pursuant to the powers granted by the Act and that the issuance of the Bonds is for the public purposes as set forth in the Act and herein.

SECTION 3. To provide for the financing of the cost of the acquisition of the Home Improvement Loans, the City does hereby authorize the issuance of revenue bonds of the City under the Act to be designated "City of Chicago, Cook County, Illinois, Home Improvement Loan Revenue Bonds, 1981 Series A" in the aggregate amount of up to \$25,000,000. The Bonds shall be issued in the forms and denominations set forth in the Indenture; shall be dated and numbered as provided in the Indenture, shall mature as provided in the Indenture, but not later than October 1, 2000; shall have a weighted average interest rate not to exceed fourteen and one-quarter percent (14.25%) per annum; shall be subject to redemption prior to maturity upon the terms and conditions set forth in the Indenture; and shall be sold to the underwriters at a price of not less than 97% of the aggregate principal amount thereof plus accrued interest thereon from the dated date of the Bonds to the date of Closing (as defined in the Bond Purchase Agreement). The Mayor or the Comptroller is hereby authorized to enter into an agreement with the underwriters in order to establish, subject to the foregoing limitations, the aggregate principal amount of the Bonds, the maturity dates and amounts and the exact interest rates, redemption terms and sale price of the Bonds.

SECTION 4. The Bonds shall be limited obligations of the City and, except to the extent payable from Bond proceeds, certain insurance proceeds or CDBG funds or moneys from the investment thereof, shall be payable solely from the revenues and receipts and other amounts received by or on behalf of the City pursuant to the Note Purchase Agreements and the Indenture. The Bonds and interest thereon shall not be deemed to constitute a debt or liability of the City, the State of Illinois or any political subdivision thereof, and their issuance shall not, directly or indirectly or contingently, obligate the City or any political subdivision thereof to levy any form of taxation therefor or to make any appropriation for their payment, nor shall the Bonds be construed to create any moral obligation on the part of the City or any political subdivision thereof with respect to their payment. Nothing in the Bonds or in the Indenture or the proceedings of the City authorizing the issuance of the Bonds or in the Act shall be construed to authorize the City to create a debt of the City or any political subdivision thereof within the meaning of any constitutional or statutory provision of the State of Illinois. The Nature of the obligations represented by the Bonds is as more fully set forth in the Indenture.

SECTION 5. The Bonds shall be executed on behalf of the City in the manner provided in the Indenture. If any of the Officers who shall have signed or sealed any of the Bonds shall cease to be such Officers of the City before the Bonds so signed and sealed shall have been actually authenticated by the Trustee or delivered by the City, the Bonds nevertheless may be authenticated, issued, and delivered with the same force and effect as though the person or persons who signed or sealed the Bonds had not ceased to be such Officer or Officers of the City; and also the Bonds may be signed and sealed on behalf of the City by those persons who, at the actual date of the execution of the Bonds, shall be the proper Officers of the City, although at the nominal date of the Bonds any such person shall not have been such Officer of the City.

SECTION 6. The Indenture in substantially the form attached hereto as Exhibit A is hereby approved and the Mayor or the Comptroller of the City is hereby authorized on behalf of the City to execute, acknowledge and deliver the Indenture, attested by the City Clerk, with such changes therein as shall be approved by such persons executing such document, their execution to constitute conclusive evidence of such approval, and the City Clerk is hereby authorized to affix to the Indenture the corporate seal of the City.

SECTION 7. The Note Purchase Agreement in substantially the form attached hereto as Exhibit B is hereby approved and the Mayor or Comptroller of the City is hereby authorized on behalf of the City to execute and deliver the Note Purchase Agreements with the Applicants and determine the amount of each Applicant's commitment, subject to the provisions of Section 8 of this ordinance, with such changes therein as shall be approved by such persons executing such document, such execution to constitute conclusive evidence of such approval; provided, however, that the servicing fee provided for therein shall not exceed an amount equal to \$2.75 per loan per month. No Home Improvement Loan shall be made to any borrower whose adjusted annual income (as defined in the Act) exceeds \$37,500. The participants shall undertake to accept and process applications for Home Improvement Loans on a non-discriminatory, "first-come, first-served" basis; provided, however, that the acceptance and processing of Home Improvement Loans on a "first-come, first-served" basis shall be subject to any restrictions, limitations and requirements contained in the Note Purchase Agreements with respect to (i) origination of Home Improvement Loans within certain geographic areas of the City or (ii) any other restrictions, limitations and requirements as to the use of the Bond proceeds or CDBG funds.

SECTION 8. The proceeds from the sale of the Bonds and certain CDBG funds available for the purchase of Home Improvement Loans ("Available Proceeds") shall be allocated among the Participants in accordance with the following procedure:

1. The Commissioner of the Department of Housing shall set aside the portion of the Available Proceeds required to be targeted pursuant to the Mortgage Subsidy Bond Tax Act of 1980, as amended. Such proceeds shall be available to all participants on a first-come, first-served basis in accordance with the requirements of the Note Purchase Agreement. The balance of the Available Proceeds ("Allocated Proceeds") shall be allocated as hereinafter provided.

2. Each Applicant shall submit an application requesting the amount of Allocated Proceeds ("Requested Amount") such Applicant wishes to use to originate Title I Home Improvement Loans (which amount shall not be less than \$200,000).

3. If total Requested Amounts exceed Allocated Proceeds, all applicants shall have their commitment amounts reduced on a pro rata basis to the extent necessary to make the sum of the Requested Amounts of all Applicants equal to Allocated Proceeds with the following modifications:

(a) No Applicant's commitment amount shall be decreased to less than \$200,000.

(b) Where an Applicant's Requested Amount exceeds its proportionate share of the total volume of single family (one-to-four unit) residential mortgage loans secured by property located within the City and home improvement loans made within the City originated and serviced by all Program Participants during the most recent calendar year, its Requested Amount may be further reduced to reflect its demonstrated level of lending activity.

(c) An Applicant's Requested Amount may be adjusted on other than a pro rata basis in order to assure an adequate geographic distribution of Program activity throughout the City, particularly in low and moderate income areas, or in order to assure compliance with the requirements for targeting in the Mortgage Subsidy Bond Tax Act of 1980 as amended.

4. If total requested amounts are less than Allocated Proceeds, any Allocated Proceeds remaining unallocated shall be allocated among any Applicants who shall then apply therefor in accordance with the criteria set forth in Section 3 hereof.

5. The Commissioner of the Department of Housing of the City may adjust allocations upward or downward to round off allocations to a multiple of \$1,000; provided, however, that no such adjustment shall cause an Applicant's allocation to exceed his Requested Amount.

SECTION 9: The Bond Purchase Agreement, in substantially the form attached hereto as Exhibit C, is hereby approved and the Mayor or Comptroller of the City is hereby authorized to execute and deliver the Bond Purchase Agreement on behalf of the City with such changes and completions therein with respect to the representatives of the underwriters named therein, interest rates, redemption provisions and the sale price of the Bonds (subject to the limitations set forth in Section 3 hereof) and such other changes as shall be approved by such person executing the document, his execution to constitute evidence of such approval, and the sale of the Bonds pursuant to the Bond Purchase Agreement is hereby authorized. Notwithstanding the authority herein granted to the Mayor and the Comptroller, such authorized officials may in their absolute discretion determine not to execute and deliver any Bond Purchase Agreement even though the same shall comply with this ordinance and the Act, in which event the City shall have no obligations whatsoever with respect thereto.

SECTION 10: The Mayor or the Comptroller is hereby authorized to prepare, execute and deliver an Official Statement for and on behalf of the City pursuant to the Bond Purchase Agreement.

SECTION 11: The Program Handbook shall contain the substance of the following clause:

The Participant will not arbitrarily reject mortgage loans for residential properties within a specific geographic area in Chicago because of the location and/or the age of the property, or, in the case of a proposed borrower, arbitrarily vary the terms of those loans or the application procedures for those loans because of race, color, religion, national origin, age, sex or marital status. In addition the participant will make loans available on low and moderate income residential property in the neighborhoods of the City of Chicago within the limits of its legal restrictions and prudent financial practices.

The Participants shall report to the City Council at such times as the City may reasonably request the following information:

- (1) Number and amount of Home Improvement Loans by census tract and/or zip code;
- (2) The adjusted gross income of all borrowers for the previous year; and
- (3) Such other information as the City may reasonably request.

SECTION 12. The Mayor, Comptroller, the Commissioner of the Department of Housing, City Clerk and Deputy City Clerk for and on behalf of the City be, and each of them hereby is, authorized and directed to do any and all things necessary to effect the performance of all obligations of the City under and pursuant to this ordinance and making of the Home Improvement Loans, the execution and delivery of the Bonds and the performance of all other acts of whatever nature necessary to effect and carry out the authority conferred by this ordinance. The Commissioner of the Department of Housing of the City is authorized to publish and implement the Program Handbook setting forth the policies and procedures to be followed by the Participants in the Program and to adopt forms for the use of the Participants in the Program. The Mayor, Comptroller, City Clerk, and Deputy City Clerk be, and they are hereby, further authorized and directed, for and on behalf of the City, to execute all documents, certificates and other instruments that may be required under the terms of the Bond Purchase Agreement, the Note Purchase Agreements or the Indenture or that may be required for the carrying out the authority conferred by this ordinance or to evidence said authority and to exercise and otherwise take all necessary action to the full realization of the rights and purposes of the City under the Bond Purchase Agreement, the Note Purchase Agreements and the Indenture and to discharge all of the obligations of the City hereunder and thereunder.

SECTION 13. If any section, paragraph, clause or provision of this ordinance shall be ruled by any court of competent jurisdiction to be invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the remaining provisions hereof. Upon the occurrence of a Determination of Taxability, principal installments of the Series 1981 Bond unpaid on the date of said Determination of Taxability shall bear interest from the date of said Determination of Taxability to the maturity of each such principal installments, at the annual rate of fourteen and one-half per cent (14.50%) per annum if the Series 1981 Bond is then owned by American Can and if the Series 1981 bond is then owned by MNIF at an annual rate equal to the Prime Rate plus three per cent (3%).

The principal installments of and interest on the Series 1981 Bond shall be payable to American Can, or its assigns, in lawful money of the United States of America at the principal office of American Can in Greenwich, Connecticut, or at such other location in the United States as American Can, or its assigns, may designate to the Issuer and the Company. American Can or any other owner of the Series 1981 Bond shall note on the Payment Record attached as Schedule A to the Series 1981 Bond the date and amount of payment of each principal installment (whether at maturity or upon redemption or acceleration) and interest then being paid and of principal installments (whether at maturity or upon redemption or acceleration) and interest theretofore paid and not yet noted thereon, and upon request of the Company or the Issuer, the Series 1981 Bond shall be made available by American Can or any other owner of the Series 1981 Bond for inspection by the Company or the Issuer at a location in the City of Chicago, Illinois, designated by American Can or its assigns. At least annually, American Can or any other owner of the Series 1981 Bond shall notify the Issuer of the payment of the principal installments of the Series 1981 Bond (whether at maturity or upon redemption or acceleration) and shall include in such notification a statement of the unpaid balance of the Series 1981 Bond.

The Series 1981 Bond, together with interest thereon, shall be a limited obligation of the Issuer secured by the Agreement and the Note and shall be payable solely from the revenues and income derived from the Agreement and the Note (except to the extent paid out of moneys attributable to the Series 1981 Bond proceeds or the income from the temporary investment thereof), and shall be a valid claim of the owner thereof only against the revenues and income derived from the Agreement and the Note, which revenues and income shall be used for no other purpose than to pay the principal installments and interest on the Series 1981 Bond, except as may be expressly authorized otherwise in this Ordinance and in the Agreement. The Series 1981 Bond and the obligation to pay interest thereon does not now and shall never constitute an indebtedness or a loan or credit of the Issuer, the State of Illinois or any political subdivision thereof, or a charge against their general taxing powers, within the meaning of any constitutional or statutory provision, but shall be secured and shall be payable only as aforesaid.

The principal installments of the Series 1981 Bond are subject to redemption prior to maturity at the option of the Issuer from any available funds, including funds derived from the prepayment of principal installments of the Note by the Company pursuant to Section 7.1 of the Agreement or borrowed funds, at any time, in whole and not in part, at the redemption price of par plus accrued interest to the date fixed for redemption and without premium.

Should the Company be obligated to prepay outstanding principal installments of the Note pursuant to Section 7.4 of the Agreement, such prepayments shall be applied to the redemption in whole of the Series 1981 Bond, at the redemption price of par plus accrued interest to the date fixed for redemption, and without premium.

Upon the receipt by the American Can or its assigns of at least 15 days' prior written notice from the Issuer specifying a date for the prior redemption of the outstanding principal installments of the Series 1981 Bond, American Can shall, to the extent that amounts are or become available therefor, apply said amounts on behalf of the Issuer to the redemption of the outstanding principal installments of the Series 1981 Bond in accordance with the preceding paragraphs. All principal installments of the Series 1981 Bond designated for prior redemption will cease to bear interest on the specified redemption date, provided funds for their redemption are paid to American Can on behalf of the Issuer on such date.

The Series 1981 Bond may be prepared in typewritten, printed or engraved form.

The Series 1981 Bond shall be signed by the Mayor of the Issuer by her manual signature and attested by the manual signature of the City Clerk of the Issuer, and the corporate seal of the Issuer shall be affixed thereto. In case any official whose signature shall appear on the Series 1981 Bond shall cease to be such official before the delivery of the Series 1981 Bond, such signature shall nevertheless be valid and sufficient for all purposes, the same as if said official had remained in office until delivery.

In the event the Series 1981 Bond issued hereunder is mutilated, lost, stolen or destroyed, the Issuer may execute a new Series 1981 Bond of like date, tenor and maturity as the Series 1981 Bond mutilated, lost, stolen or destroyed; provided that, in the case the Series 1981 Bond is mutilated, the mutilated Series 1981 Bond shall first be surrendered to the Issuer, and in the case the Series 1981 Bond is lost, stolen or destroyed, there shall be first furnished to the Issuer, together with indemnity satisfactory to the Issuer. The Issuer shall duplicate on the Payment Record of the new Series 1981 Bond replacing the mutilated, lost, stolen or destroyed Series 1981 Bond all payments of principal installments (whether at maturity or upon redemption or acceleration) and interest which the records of the Issuer indicate as having appeared on the mutilated, lost, stolen or destroyed Series 1981 Bond. In the event all the principal installments of the Series 1981 Bond shall be matured, instead of issuing a duplicate Series 1981 Bond the Issuer may pay the same without surrender thereof. The Issuer may charge the owner of the Series 1981 Bond with reasonable fees and expenses in this connection.
