SECTION 3. This ordinance shall be effective immediately upon the passage thereof.

Agreement attached to this ordinance reads as follows:

This Agreement is entered into this _____ day of _____, 1982, by and among the City of Chicago, Illinois, an Illinois Municipal corporation, through its Department of Planning ("City"), LaSalle National Bank, not individually, but as Trustee under Trust Agreement dated April 14, 1978 and known as Trust Number 54214 ("Borrower"), and Printer's Square, an Illinois partnership, reconstituted as an Illinois limited partnership on August 25, 1982 ("Developer").

WITNESSETH:

WHEREAS, City, Borrower and Developer entered into and executed a certain Development and Loan Agreement, Junior Promissory Mortgage Note, Junior Mortgage, recorded as Document 25794106, and Junior Assignment of Rents, recorded as Document 25794107, all dated February 2, 1981 (hereinafter collectively, the "Loan Agreement"), wherein Borrower and Developer agreed to borrow from City, and City agreed to lend to Borrower and Developer, the sum of \$5,000,000.00, which sum has been provided to the City by the United States Department of Housing and Urban Development ("HUD") under UDAG Grant Agreement No. B-81-AA-17-0054 ("Grant Agreement"), dated January 19, 1981, as amended, between City and HUD; and

WHEREAS, In the Loan Agreement, Developer agreed, among other things, to rehabilitate and construct certain improvements at the Borland Building ("Project"), located at 610-744 South Federal Street, Chicago, Illinois, as more fully described therein; and

WHEREAS, On April 17, 1981, City entered into a certain Contract For The Sale Of Land and Redevelopment ("Redevelopment Agreement"), with the Community Resources Corporation of Illinois ("CRC"), whereby the City agreed to acquire and sell to CRC certain parcels of land including a parcel designated Area C, the legal description for which is attached hereto and made a part hereof as Exhibit "A"; and

WHEREAS, The Redevelopment Agreement provides that CRC, its assignee or the City shall have thirty-six (36) months ("Improvement Date") to complete the improvements ("Improvements") in Area C (consisting of streets, sidewalks and a plaza connecting and situated between Federal and Dearborn Streets east of the Project), following acquisition of all the parcels therein, or CRC shall be entitled to obtain reconveyance of Area C to itself and to construct a multi-story apartment building with retail stores on the ground level; and

WHEREAS, With the written consent of the City, CRC and Developer, entered into a certain Agreement ("Area C Agreement"), also dated April 17, 1981, by which Developer acquired all the rights and benefits available to CRC, with respect to Area C, under the Redevelopment Agreement in return for Developer assuming all CRC's obligations thereunder; and

WHEREAS, City is willing to acquire the parcels of Area C and construct the Improvements, at its own expense; and

WHEREAS, City has available and has allocated, through a Community Development Block Grant ("Block Grant"), the sum of Seven Hundred Thousand (\$700,000.00) Dollars for the construction of certain improvements to Federal Street, between Harrison and Polk Streets, part of which funds may be used to construct certain of the Improvements; and

WHEREAS, Developer and Borrower are willing to advance to the City, when and as necessary, the funds required to acquire the parcels of Area C and to construct all or any part of the Improvements, since the funds available under the Block Grant are or may not be sufficient for such purposes, provided the City agrees that the amounts expended therefor shall constitute an offset against payments of principal and interest owing by Borrower to the City under the Loan Agreement; and

WHEREAS, City is agreeable to granting Borrower an offset against the aforesaid Loan Agreement equal to the aggregate amount of Developer's and Borrower's advances to the City for the acquisition of the parcels of Area C and the cost to complete the Improvements to Area C not paid for under the funds available under the Action Grant; and

WHEREAS, Because of the Improvement Date and the advance status of the Project, time is of the essence, and the parties have agreed that Developer and Borrower shall have the right to construct the Improvements in the event City is not in a position to do so in a timely fashion; and

WHEREAS, City considers the above-described arrangements with Borrower and Developer are in the best interest of the City as part of implementing the South Loop Redevelopment Plan, as amended, adopted by the City Council of the City of Chicago, on September 13, 1978,

Now, therefore, in consideration of the mutual premises stated herein the parties agree as follows:

1. The foregoing recitals are hereby made a part hereof. The words and terms, as defined and used in the Loan Agreement, Redevelopment Agreement and Area C Agreement, shall have the same meanings when used herein, except that such meanings as defined in this Agreement shall govern in the event of any conflict of interpretation between the Agreement and any of the aforesaid agreements.

2. Borrower and Developer shall advance to the City, when and as necessary, such funds as are required to acquire the parcels of Area C, provided, however, the purchase price in acquiring the various parcels in Area C shall be subject to Borrower's and Developer's prior approval. The acquisition of the various parcels in Area C shall be made through condemnation, or the threat thereof, and may be effected by the direct acquisition by Borrower and Developer, provided Borrower and Developer shall, upon acquiring any parcel in Area C, convey title to any such parcel to the City.

3. At any time after the acquisition of title to all of the parcels in Area C, Borrower and Developer shall have the right, but not the obligation upon written notice to the City, to advise the City that it intends to begin construction of all or any part of the Improvements, which Improvements shall be commenced no sooner than ten (10) days nor more than thirty (30) days therefrom.

4. The Improvements shall be in accordance with the plans and specifications previously submitted by Borrower and Developer and approved by the City. All work included in the Improvements shall be performed in a professional and workmanlike manner, and the completed work shall be delivered to the City free and clear of any and all claims for mechanic's liens.

5. Borrower shall have, and is hereby given, the right of offset against the amounts owing from Borrower to the City (including principal and interest) under the Loan Agreement to be applied as a credit in full against the next payments due to be made thereunder, in an amount equal to the aggregate amount of (a) the advances made by the Borrower to City for the cost of its acquiring the parcels in Area C and constructing the Improvements thereon, and (b) the costs to Borrower of its acquiring any parcels in Area C and its constructing any of the Improvements thereon, plus interest on said aggregate amount from and after each expenditure of funds therefor, from time to time at the same rate of interest accruing from time to time under the Loan Agreement, until the aggregate cost to Borrower and Developer of acquiring Area C, and constructing the Improvements, have been equalled. Notwithstanding the foregoing, Borrower's right of offset, as defined herein, shall not exceed One Million (\$1,000,000.00) Dollars.

6. It is understood that whether City, Borrower or Developer constructs the Improvements to Area C, as herein provided, and as provided in the Redevelopment Agreement, City shall, at all times, have the obligation to maintain, at its own cost and expense, Area C as improved by the Improvements.

7. The right of offset against the Loan Agreement shall be subject to the following:

- (a) Borrower and Developer having first conveyed, or caused to have conveyed title to the City of any parcel in Area C acquired by them; and
- (b) The acceptance of the Improvements by the City; and
- (c) Borrower and Developer having delivered to City documentation evidencing the payment in full of that part of the Improvements made by them.

8. The Loan Agreement shall be deemed to be amended to the extent necessary or required by the provisions of this Agreement.
