147-4. The fee for a city retail liquor dealer's license shall be [six hundred and sixty-nine] *eight hundred and thirty-six* dollars for the whole or any portion of the license period for which application is made. Provided, that in the case of a lodge, or local chapter or corresponding unit of any fraternal order or other association of a kindred nature which is national or state-wide in organization or character, or any body, the membership of which is comprised of persons

who have served in the military or naval services of the United States, and which are organized under the "General Not for Profit Corporation Act" of the state of Illinois and which has been in active and continuous existence for at least three years prior to the date on which application for license is filed and which in good faith maintains a membership roll during said three-year period and has, at the time application is filed, more than fifty members with dues paid to date, and which is the owner, licensee, or occupant of an establishment operated solely for objects of a national or state-wide social, patriotic, recreational, benevolent purpose or the like, but for pecuniary gain or profit, and the property as well as the advantages of which belong to all the members thereof, the fee for a city retail liquor dealer's license for the sale to members only shall be [seventy-five] *ninety-four* dollars for the whole or any portion of the license period for which application is made.

* * * * *

147-12. Any person licensed under this chapter shall have the privilege, upon the payment of an additional fee of one hundred [seven] *thirty-four* dollars, of providing upon the licensed premises an orchestra of not to exceed eight pieces and permitting dancing by patrons therein, provided, however, no entertainers other than the members of such orchestra shall be engaged or permitted to perform therein. Such privilege shall terminate upon the termination, for any cause, of the city retail license for the sale of alcoholic liquor.

147-13. No person licensed hereunder as a retailer of alcoholic liquor shall sell, permit to be sold, or give away any alcoholic liquor between the hours of two o'clock a.m. and seven o'clock a.m. on weekdays and between the hours of three o'clock a.m. and twelve o'clock noon on Sundays.

Any person licensed hereunder as a retailer of alcoholic liquor may sell at retail any alcoholic liquor on Sundays until the hour of three o'clock a.m. and between the hours of twelve o'clock noon and midnight.

It shall be the duty of the Commissioner of Inspectional Services to cause an investigation to be made and to endorse on the application for such privilege whether or not one-half of the buildings wholly within such area are used for residence or apartment house purposes.

SECTION 1. Chapter 200.1 of the Municipal Code is hereby amended by deleting the language bracketed and adding the language in italics, as follows:

200.1-1. A. For the purpose of this chapter, whenever any of the following words, terms or definitions are used herein, they shall have the meaning ascribed to them in this section:

* * * * *

7. Transactions consummated in the City of Chicago. The term "Transaction consummated in the City of Chicago" shall mean: (a) an agreement or contract signed *or otherwise entered into* by the parties thereto, or their duly authorized officers, employees or agents, in the City of Chicago or (b) [the bargain of the parties in fact, as found either in their language or by implementation from other circumstances including course of dealing or usage of trade or course of performance, as further defined in Section 1-205 of the Uniform Commercial Code within the City of Chicago when delivery or use of the object of the agreement, contract or bargain, through the transfer of possession thereof, also takes place in the City of Chicago under (a) or (b) hereof.] *the use in the City of Chicago of the object of an agreement or contract between the parties. Only one tax is payable with respect to a single purchaser or lessee involved in any transaction. A lessee who will in turn act as a lessor of property subject to this tax shall not be required to pay the tax on his lease of such property if he subsequently leases such property and this subsequent lease is also subject to this tax.

The term "Transactions Consummated in the City of Chicago" does not include any transaction that is part of the gross receipts subject to tax under Sections 132-4, 132-17 or 132-31 of Chapter 132 of the Municipal Code of Chicago, where such tax is passed on to the consumer as a separate charge pursuant to 36 of "An Act concerning public utilities" of the state of Illinois (Ill. Rev. Stat. 1981, Ch. 111 2/3, par. 36).

200.1-2. A. Transactions consummated in the City of Chicago involving the lease or rental of any personal property, valued in money, whether received in money or otherwise by an individual person, domestic or foreign association, company, or corporation or certificates of interest in a business conducted by a trustee or trustees, made after the 1st day of January, 1974, whether made upon or shown by the books of the person, association, company, corporation, or trustee, or by any paper or agreement or memorandum or other evidence of such lease or rental, when delivery or use also takes place in the City of Chicago.

5. (a) As used in paragraph 200.1-2A, personal property [means] *includes but shall not be limited to* motor and other vehicles, which shall include but are not limited to automobiles, automobile trailers, bicycles, motor driven bicycles, motorcycles, buses, trucks, truck tractors, truck trailers, construction and demolition equipment, which shall include but is not limited to ditch digging equipment, well boring apparatus, road construction and maintenance equipment such as spreaders, mixers, loaders, graders, rollers, scarifiers, scrapers, earth movers, power shovels, cranes, compressors, concrete mixers, garden and landscaping equipment, ladders, floor machines, searchlights, floodlights, hand and electrical tools, spraying equipment, and scaffolding; household and office equipment, which shall include but is not limited to carpets and rugs, chairs and tables, chinaware and glassware, furniture, beds, television and radio, washing machines, dryers and ironers, water softening equipment; clothing, including but not limited to formal wear and other types of clothing; office and computing equipment, including but not limited to data processing equipment, computers, accounting and bookkeeping machines, adding and calculating machines, typewriters, addressing machines, dictating machines, duplicating machines, mailing machines, copy machines; and such miscellaneous equipment as musical instruments.

B. Transactions consummated in the City of Chicago involving transference of title to real property which is located within the City of Chicago as evidenced by the filing or recordation of a deed in the Office of the Recorder of Deeds of Cook County or in the Office of the Registrar of Titles of Cook County made after the 1st day of January, 1974, by any person, domestic or foreign association, company, or corporation, or a trustee, or by delivery of any deed of said real property in the City of Chicago, and whether investing the owner with the beneficial interest in or legal title to said real property, or merely possession or use thereof for any purpose, or to secure future payment of money or the future transfer of any real property.

1. The tax imposed by this Subsection 200.1-2B shall be [\$1.00]. \$2.50 for each \$500 of the transfer price or fraction thereof.

200.1-8. A. Whenever it appears that an amount of tax, interest or penalty has been paid in error to the Department of Revenue by a person, association, firm, partnership, corporation, receiver, executor, conservator, trustee or other representative appointed by any court (hereinafter referred to as "taxpayer"), who is required or authorized to collect and remit such transaction tax, whether such amount be paid through a mistake of fact or an error of law, *not later than three (3) years from the date upon which such payment was made*, such taxpayer may file a claim for credit with the Department of Revenue on forms provided by said Department for that purpose. No credit shall be allowed for any amount paid by such taxpayer unless it appears that he bore the burden of such amount and did not shift the burden thereof to another person, or unless it appears that he or his legal representative has unconditionally repaid such amount to a person who bore the burden thereof and has not shifted such burden directly or indirectly in any manner whosoever, or who, if he has shifted such burden, has repaid unconditionally such amount to the person to whom the burden of such amount was shifted, and who is not entitled to receive any reimbursement therefor in any other manner whatsoever.

* * * * *

200.1-9. A. Any person who shall be required to collect a transaction tax from such other person designated under this ordinance shall collect said tax as a trustee for and on account of the City of Chicago and shall pay said tax over to the Department of Revenue of the City of Chicago under the terms of this Chapter and such other and further rules and regulations as may be promulgated by the Department of Revenue.

* * * * *

D. *All taxes imposed by this Chapter and remaining unpaid after they are due shall bear interest at the rate of 2% per month, or fraction thereof, and, in addition thereto, unless the Director of Revenue determines that the failure to remit or pay such tax is not due to any fault on the part of the person required to remit or pay the tax, such person shall be liable for a late payment penalty of 10% of the amount of the tax unpaid or not remitted.*

SECTION 2. This ordinance shall be effective 10 days from and after passage and due publication.

The following is said ordinance as passed:

WHEREAS, Certain amendments to the Chicago Sales Tax Ordinance are needed to insure proper collection of the tax; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Chapter 200.6 of the Municipal Code of Chicago is hereby amended by deleting the language bracketed and inserting the language in italics as follows:

Section 200.6-6. Except as provided in this Section, every retailer required or authorized to collect the tax imposed by this Chapter shall, on or before the last day of each calendar month, file a return for the preceding calendar month with the Department, stating:

* * * * *

[If the retailer's average monthly liability to the Department does not exceed \$175, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February and March of a given year being due by April 30 of such year; with the return for April, May and June of a given year being due July 31 of such year; with the return for July, August and September of a given year being due by October 31 of such year, and with the return for October, November and December of a given year being due by January 31 of the following year.]

If the retailer's average monthly liability with the Department does not exceed [50] \$20, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 31 of the following year.

Such [quarter annual and] annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

* * * * *

With respect to motor vehicles and aircraft, every retailer selling this kind of tangible personal property shall file, with the Department, upon a form to be prescribed and supplied by the Department, a separate return for each item of tangible personal property which the retailer sells, except that where, in the same transaction, a retailer of motor vehicles transfers more than one motor vehicle to another motor vehicle retailer for the purpose of resale, such seller for resale may report the transfer of all the motor vehicles involved in that transaction to the Department on the same uniform invoice-transaction reporting return form. Such transaction reporting return in the case of motor vehicles shall be the same document as the Uniform Invoice referred to in Section 5-402 of the Illinois Vehicle Code and must show the name and address of the seller; the name and address of the purchaser; the amount of selling price, including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 200.6-2 of this Chapter allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale; a sufficient identification of the property sold; such other information as is required in Section 5-402 of the Illinois Vehicle Code, and such other information as the department may reasonably require. Such transaction reporting return in the case of aircraft must show the name and address of the retailer; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 200.6-2 of this Ordinance allowed an exemption for the value of trade-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale, a sufficient identification of the property sold, and such other information as the Department may reasonably require. Such transaction reporting return shall be filed not later than 30 days after the date of delivery of the item that is being sold, but may be filed by the retailer at any time sooner than that if he chooses to do so. The transaction reporting return and tax remittance or proof of exemption from the tax that is imposed by this Chapter may be transmitted to the Department by way of the State agency with which, or State officer with whom, the tangible personal property must be titled or registered (if titling or registration is required). With each such transaction reporting return, the retailer, shall remit the proper amount of tax due (or shall submit satisfactory evidence that the sale is not taxable if that is the case), to the Department or its agents, whereupon the Department shall issue, in the purchaser's name, a tax receipt (or a certificate of exemption if the Department is satisfied that the particular sale is tax exempt). If the purchaser or user who would otherwise pay tax to the retailer wants the transaction reporting return filed and the payment of tax or proof of exemption made to the Department

before the retailer is willing to take these actions and such purchaser or user has not paid the tax to the retailer, such purchaser or user may certify to the fact of such delay by the retailer, and may (upon the Department being satisfied of the truth of such certification) transmit the information required by the transaction reporting return and the remittance for tax or proof of exemption directly to the Department and obtain his tax receipt or exemption determination, in which event the transaction reporting return and tax remittance (if a tax payment was required) shall be credited by the Department to the proper retailer's account with the Department, but without the 2% discount provided for in this Section being allowed. When the purchaser or user pays the tax *due on such transaction* directly to the Department, he shall pay the tax in the same amount and in the same form in which it would be remitted if the tax had been remitted to the Department by the retailer, *but without the 2% or \$5 discount.*

Any retailer filing a return under this Section shall also include (for the purpose of paying tax thereon) the total tax, if any, imposed upon him hereunder for the purchase or use of tangible personal property purchased by him at retail from a retailer, but as to which the tax imposed by this Chapter was not collected from the retailer filing such return, and such retailer shall remit the amount of such tax to the Department when filing such return. *The retailer will be entitled to the 2% or \$5 discount provided in this Section, on such remittance, unless the retailer could have paid the tax to the seller of the property who was a registered tax collector for the City, instead of remitting the tax due directly to the Department.*

Section 200.6-8. Except as to motor vehicles and aircraft, when tangible personal property is purchased from a retailer in the City or for use in the City by a purchaser who did not pay the tax imposed by this Chapter to the retailer, and who does not file returns with the Department as a retailer under Section 200.6-6 of this Chapter, such purchaser (by the last day of the month following the calendar month in which such purchaser makes any payment upon the selling price of such property) shall, except as provided in this section, file a return with the Department and pay the tax upon that portion of the selling price so paid by the purchaser during the preceding calendar month. When tangible personal property is purchased by a lessor, under a lease for one year or longer, executed or in effect at the time of purchase to an interstate carrier for hire, who did not pay the tax imposed by this Chapter to the retailer, such lessor (by the last day of the month following the calendar month in which such property reverts to the use of such lessor) shall file a return with the Department and pay the tax upon the fair market value of such property on the date of such reversion. Such return shall be filed on a form prescribed by the Department and shall contain such information as the Department may reasonably require. Such return and payment from the purchaser shall be submitted to the Department sooner than the last day of the month after the month in which the purchase is made to the extent that may be necessary in order to secure the title to a motor vehicle or the certificate of registration for an aircraft.

When purchaser pays a tax imposed by this Chapter directly to the Department, the Department (upon request therefor from such purchaser) shall issue an appropriate receipt to such purchaser showing that he had paid such tax to the Department. Such receipt shall be sufficient to relieve the purchaser from further liability for the tax to which such receipt may refer. A purchaser or user who is liable to pay tax directly to the Department only occasionally and not on a frequently recurring basis, and who is not required to file returns with the Department as a retailer under Section 200.6-6 of this Chapter, need not register with the Department. However, if such a purchaser or user has frequently recurring direct tax liability to pay to the Department, such purchaser or user shall be required to register with the Department on forms prescribed by the Department and to obtain and display a certificate of registration from the Department. In that event, all of the provisions of Section 200.6-6 of this Chapter concerning the filing of regular monthly, quarterly or annual tax returns and all of the provisions of this Chapter concerning the requirements for registrants to post bond or other security with the Department, as the provisions now exist or may hereafter be amended, shall apply to such purchasers or users; *except that such a purchaser or user shall not be entitled to the 2% or \$5 discount provided in Section 200.6-6, on any remittance, when he could have paid the tax to the seller of the property who was a registered tax collector for the City, instead of remitting the tax due directly to the Department.*

Section 200.6-9. In case any person engaged in the business of selling tangible personal

property at retail fails to file a return when and as herein required, but thereafter, prior to the Department's issuance of a notice of tax liability under this Section, files a return and pays the tax, he shall also pay a penalty of 5% of the amount of the tax.

* * * * *

In case of failure to pay the tax, or any portion thereof, or any penalty provided for in this Chapter, or interest, when due, the Department may bring suit against the tax collector or the purchaser or user to recover the amount of such tax or portion thereof, or penalty or interest; or, if the tax collector or purchaser or user has died or become incompetent, may file a claim therefor against his estate [; provided that no such suit with respect to any tax, or portion thereof, or penalty, or interest shall be instituted more than 2 years after the later of (i) the date any proceedings in court for review thereof have terminated or (ii) the time for the filing of such proceedings has expired without such proceedings being instituted, except with the consent of the person from whom such tax or penalty or interest is due; nor, except with such consent, shall such suit be instituted more than 2 years after the date any return is filed with the Department in cases where the return constitutes the basis for the suit for unpaid tax, or portion thereof, or penalty provided for in this Chapter, or interest; provided that the time limitation period on the Department's right to bring any such suit shall not run during any period of time in which the order of any court has the effect of enjoining or restraining the Department from bringing such suit].

Except in the case of a fraudulent return, or in the case of a wilful failure or refusal to file a return when due, or with the consent of the person to whom the notice of the tax liability or assessment is to be issued, or in the case of any amended return (which a notice of tax liability or assessment may be issued on or after each January 1 and July 1 for an amended return filed not more than 3 years prior to such January 1 or July 1, respectively), no notice of tax liability or assessment shall be issued on and after each January 1 and July 1 covering the amount of tax due for any month or period of time more than 3 years prior to such January 1 and July 1, respectively. Provided, however, that the foregoing limitations upon the issuance of a notice of tax liability or assessment shall not apply to the issuance of a notice of tax liability or assessment with respect to any period of time prior thereto in cases where the Department has, within the period of limitations then provided, notified the person of the amount of tax computed even though the Department had not determined the amount of tax due from such person, in the manner required herein prior to the issuance of such notice, but in no case shall the amount of any such notice of tax liability or assessment for any period otherwise barred by this Chapter exceed for such period the amount shown in the notice theretofore issued.

It is hereby found and declared that the financing of the Project and the use thereof by the Borrower as hereinafter provided is necessary to accomplish the public purposes described in the preamble hereto and in the Enabling Ordinance.

Authorization and Prepayment of Bond.

SECTION 3. That for the purpose of financing the cost of said Project there shall be and there is hereby authorized to be issued by the Issuer its Industrial Revenue Bond (Peerless Confection Company Project), in the principal sum of \$2,750,000 dated the date of issuance thereof, and payable to the order of the Bank in 180 consecutive monthly principal installments in accordance with the schedule attached to the Bond that become due on February 1, 1984 and on the first day of each month thereafter to and including January 1, 1999, and bearing interest on the unpaid principal installments at the rate (based on a year of 360 days, with 30-day months) equal to 70% of the Prime Rate in effect on such date; provided however that said interest rate shall not be less than seven and seven-tenths percent (7.7%) nor more than ten and twenty-five hundredths percent (10.25%), payable on February 1, 1984 and continuing on the first day of each month thereafter.

In certain events (relating to the taxability for federal income tax purposes of interest on the Bond), on the conditions, in the matter and with the effect set forth in the Agreement, the rate of interest on the Bond shall be one percent (1%) over the Prime Rate, as determined from time to time.

The Bond shall bear interest on any overdue principal and interest at the rate per annum of the Prime Rate for such period as no determination of taxability (as defined in the Agreement) is effective, and one percent (1%) over the Prime Rate for such period as any determination of taxability (as defined in the Agreement) is effective, until paid, to the maximum extent permitted by law.

The principal installments of the Bond are subject to prepayment at any installment payment date in whole or in part in the inverse order of their maturity in principal amounts not less than \$1,000 or any integral multiple thereof, at a prepayment price of par without premium plus accrued interest to the prepayment date upon written notice given by the Borrower on behalf of the Issuer, at least five business days prior to the installment payment date the Borrower shall designate as the prepayment date.

If other funds in an amount in excess of \$1,000 or any integral multiple thereof shall become available in the Bond Fund, and are not otherwise required to be applied to the payment of Bond, the Bank shall, without notice from the Borrower or the Issuer, promptly, but in any event within fifteen business days from the receipt of such funds, apply such funds to the prepayment of the Bond at the prepayment price set forth above, and shall give notice to the Borrower of such prepayment. All principal installments of the Bond or portion thereof designated for prepayment will cease to bear interest on the specified prepayment date, provided funds for their prepayment are on deposit at the place of payment at that time.

The principal of and interest on the Bond shall be payable to the order of the Bank or its assigns in lawful money of the United States of America in immediately available funds at the principal office of the Bank in the City of Chicago, Illinois. The Bank shall note on the payment record attached as Schedule A to the Bond the date and amount of payment of principal and interest then being paid and of interest theretofore paid and not yet noted thereon and upon request of the Borrower or the Issuer, the Bond shall be available for inspection by the Borrower or the Issuer at the offices of the Bank at Chicago, Illinois. The Bond is nontransferable by the Bank, except as a whole and after notice in writing to the Borrower of such transfer, provided however that the Bank may issue participation interests in the Bond. The Bond shall be signed by the Mayor and attested by the City Clerk of the Issuer and the corporate seal of the Issuer shall be affixed thereto. No transfer shall be effective until noted on the registration blank appearing on the Bond and upon the books of the Issuer kept for that purpose by the Bank and such transfer is in compliance with all provisions of Section 103(j) of the Code, and the regulations promulgated thereunder or proposed regulations published in the Federal Register. The Bank is hereby appointed as registrar for purposes of bond registration.

The Bond, together with interest thereon, shall be a limited obligation of the Issuer secured by the Mortgage and certain other collateral as specified in the Agreement and payable solely from the receipts derived from the Agreement (except to the extent paid out of moneys attributable to the Bond proceeds or the income from the temporary investment thereof) and shall be a valid claim of the owner thereof only against the Bond Fund and other moneys held by the Bank pursuant to, and the receipts derived from, the Agreement, which receipts shall be used for no other purpose than to pay the principal of and interest on the Bond, except as may be otherwise expressly authorized in this Bond Ordinance. The Bond and the obligation to pay interest thereon does not

now and shall never constitute an indebtedness or a loan of credit of the Issuer, the State of Illinois or any political subdivision thereof, or a charge against their general taxing powers, within the meaning of any constitutional or statutory provisions of the State of Illinois, but shall be secured by the Mortgage and payable solely from the receipts from the Agreement.

The City of Chicago, Illinois, a unit of local government and a body politic and corporate organized and existing under the constitution and laws of the State of Illinois (the "Issuer"), for value received promises to pay solely and only from the source and as hereinafter provided, to the order of American National Bank and Trust Company of Chicago, Chicago, Illinois (the "Bank"), or its assigns, the principal sum of:

Two Million Seven Hundred Fifty Thousand Dollars (\$2,750,000) in one hundred eighty (180) consecutive monthly principal installments in accordance with the schedule attached hereto that become due on February 1, 1984 and on the first day of each month thereafter to and including January 1, 1999, and bearing interest on the unpaid principal installments at the rate (based on a year of 360 days, with 30-day months) equal to seventy percent (70%) of the interest rate per annum announced from time to time by American National Bank and Trust Company of Chicago at its principal office in Chicago, Illinois, as its prime rate (the "Prime Rate") in effect on such date; provided however, that said interest rate shall not be less than seven and seven-tenths percent (7.7%) nor more than ten and twenty-five hundredths percent (10.25%) payable on February 1, 1984 and continuing on the first day of each month thereafter. From and effective as of the effective date of taxability, as defined in the hereinafter described loan agreement, the Bond shall bear interest at a rate per annum of one percent (1%) over the Prime Rate, as determined from time to time. This Bond shall bear interest on any overdue principal and interest at the rate per annum of the Prime Rate for such period as no determination of taxability is effective, and one percent (1%) over the Prime Rate for such period as any determination of taxability is effective, until paid. Both principal hereof and interest hereon are payable in immediately available funds at the principal office of the Bank.

Payments of principal and interest, including prepayments of principal installments, shall be noted on the Payment Record - Schedule "A" made a part of this Bond as provided in the Bond Ordinance hereinafter identified pursuant to which the Bond is issued.

This Bond is issued in the principal sum of \$2,750,000 pursuant to Chapter 15.2 of the Municipal Code of the City of Chicago adopted by the City Council of the Issuer on February 10, 1982, as from time to time amended and supplemented (the "Enabling Ordinance") and to an Ordinance (the "Bond Ordinance") duly adopted by the governing body of the Issuer for the purpose of providing funds to finance the cost of constructing a two-story addition to an existing manufacturing facility and the acquisition and installation of equipment therein (hereinafter called the "Project") and paying expenses incidental thereto, to the end that the Issuer may be able to relieve conditions of unemployment and encourage the increase of industry and economic development within the City of Chicago, Illinois. The proceeds of this Bond will be used by the Issuer to pay or reimburse

Peerless Confection Company, an Illinois corporation, (the "Borrower") for the costs of construction and equipping of the Project, under the terms of a Loan Agreement dated as of December 1, 1983 (which agreement, as from time to time supplemented and amended, is hereinafter referred to as the "Agreement").

This Bond is secured by a pledge and assignment of receipts derived by the Issuer pursuant to the Agreement and a mortgage on the Project pursuant to an Assignment and Agreement dated as of December 1, 1983 (the "Assignment") from the Issuer to the Bank, and certain additional collateral as more fully described in the Bond Ordinance. All principal installments of this Bond or portion thereof designated for prepayment will cease to bear interest on the specified prepayment date, provided funds for their prepayment are on deposit at the place of payment at that time.

This Bond is issued pursuant to and in full compliance with the constitution and laws of the State of Illinois and the Enabling Ordinance. This Bond and the obligation to pay interest hereon are limited obligations of the Issuer, secured by a mortgage and assignment and payable solely out of the receipts derived by the Issuer from the Agreement and otherwise as provided in the Bond Ordinance and the Agreement. This Bond and the obligation to pay interest hereon shall not be deemed to constitute an indebtedness or a loan of credit of the Issuer, the State of Illinois or any political subdivision thereof, or a charge against their general taxing powers, within the meaning of any constitutional or statutory provision of the State of Illinois, but shall be secured by a mortgage and payable solely from the receipts derived by the Issuer from the Agreement. Pursuant to the provisions of the Agreement, payments sufficient for the prompt payment when due of the principal of and interest on this Bond are to be paid by the Borrower to the Bank for the account of the Issuer and deposited in a special account created by the Issuer and designated "City of Chicago, Illinois Bond Fund (Peerless Confection Company Project)," and all receipts under the Agreement have been duly pledged and assigned to the Bank pursuant to the Assignment for that purpose, under the Bond Ordinance to secure payment of such principal and interest.

In certain events, on the conditions, in the manner and with the effect set forth in the Bond Ordinance, the principal installments of this Bond may become or may be declared due and payable before the stated maturity thereof, together with interest accrued thereon.

This Bond shall be fully registered as to both principal and interest in the name of the holder in accordance with the Bond Ordinance, after which it shall be transferable only upon presentation to the Bank as Registrar with a written transfer duly acknowledged by the registered holder or his attorney, and such transfer shall not be effective until it is noted upon this Bond and upon the books of the Issuer kept for that purpose by the Bank and is in compliance with all provisions of Section 103(j) of the Internal Revenue Code of 1954, as amended, and the regulations promulgated thereunder or proposed regulations published in the Federal Register. The Mayor is hereby authorized to execute and acknowledge said Agreement for and on behalf of the Issuer, and the City Clerk is hereby authorized to attest same and to affix thereto the corporate seal of the Issuer.

Said Agreement and the receipts thereof, including all moneys received under its terms and conditions, are to be sufficient to pay the principal of and interest on the Bond hereby authorized and are hereby pledged and ordered paid into the Bond Fund. The Agreement provides that the Borrower shall remit the required payments thereunder directly to the Bank for the account of the Issuer for deposit in said Bond Fund and such provision is hereby expressly approved.

Revenues: Bond Fund.

SECTION 7. The Bond and all payments required of the Issuer hereunder are not general obligations of the Issuer but are special and limited obligations secured by the Mortgage and payable by the Issuer solely and only out of the receipts derived from the Agreement as provided herein.

There is hereby created by the Issuer and ordered established with the Bank, as depository, a special fund to be designated "City of Chicago, Illinois Bond Fund (Peerless Confection Company Project)", which shall be used to pay the principal of and the interest on the Bond.

There shall be deposited into the Bond Fund, as and when received (a) all prepayments specified in Article IV of the Agreement; (b) all payments and other amounts paid by the Borrower pursuant to Section 3.3 of the Agreement; and (c) all other moneys received by the Bank under and pursuant to any of the provisions of the Agreement. The Bank is authorized and directed to apply amounts available therefor in the Bond Fund to the payment when due of the principal of and interest on the Bond.

The Issuer covenants and agrees that should there be an Event of Default or event that with the passing of time or otherwise may become an Event of Default under the Agreement, the Issuer shall fully cooperate with the Bank and with the owners of the Bond to the end of fully protecting the rights and security of such owners. Nothing herein shall be construed as requiring the Issuer to use any funds or revenues from any source other than funds and revenues derived from the Agreement.

Any amounts remaining in the Bond Fund, after payment in full of the principal of and interest on the Bond (or provision for payment thereof as provided in this Bond Ordinance) and the reasonable charges and expenses of the Bank, shall be paid to the Borrower upon the expiration or sooner termination of the term of the Agreement.

Notwithstanding anything herein to the contrary, reference to the Bond Fund shall not preclude direct payment of funds to the Bank for direct application for the purposes for which payments are made.

Assignment.

SECTION 8. As security for the due and punctual payment of the principal of and interest on the Bond hereby authorized and all sums due under the documents relating to the Project the Issuer hereby and pursuant to the Assignment assigns and pledges to the Bank all receipts derived by the Issuer pursuant to the Agreement (except any payment made pursuant to Section 6.4 of the Agreement relating to indemnification of the Issuer by the Borrower), and all rights and remedies of the Issuer under the Agreement, the Note and the Mortgage to enforce payment thereof including a mortgage of the Project and in evidence of such assignment and pledge and in consideration of the agreement of the Bank to accept its responsibilities with respect to the Bond Fund created pursuant to Section 7 hereof, the Mayor is hereby authorized to execute for and on behalf of the Issuer the Assignment and the City Clerk is hereby authorized to attest the same and to affix thereto the corporate seal of the Issuer, and the Mayor and the City Clerk are authorized and directed to cause the Assignment to be executed by the Bank with the Assignment to be in substantially the form which has been presented to and is hereby approved by the governing body of the Issuer and which is now on file in the official records of the Issuer.

Investments; Arbitrage.

SECTION 9. Any moneys held as part of the Construction Fund created pursuant to Section 5 hereof or as part of Bond Fund created pursuant to Section 7 hereof, may be invested or reinvested on the direction of the Borrower, in accordance with the provisions of Section 3.10 of the Agreement. Any such investment shall be held by or under control of the Bank and shall be deemed at all times a part of the fund from which such investment was made and the interest accruing thereon and any profit realized from such investments shall be credited to such fund, and any loss resulting from such investments shall be charged to such fund, which loss shall be an obligation of the Borrower as provided in the Agreement.

As and when any amount invested pursuant to this Section may be needed for disbursement, the Borrower may direct the Bank to cause a sufficient amount of the investments to be sold and reduced to cash to the credit of such funds regardless of the loss on such liquidation.

The Issuer hereby covenants with the purchaser and the owners of the Bond that so long as any principal of the Bond remains unpaid, the governing body of the Issuer will not take or authorize the taking of any action which will cause the Bond to be classified as an "arbitrage bond" within the meaning of Section 103(c) of the Code and any regulations promulgated thereunder, including Section 1.103-13 and Section 1.103-14 of the Income Tax Regulations (26 CFR Part 1) as the same presently exist. For purposes of certifying as to matters of arbitrage, the Mayor is hereby designated an officer responsible for issuing the Bond.

General Covenants.

SECTION 10. The Issuer covenants that it will promptly cause to be paid solely and only from the source mentioned in the Bond, the principal of and interest on the Bond hereby authorized at the place, on the dates and in the manner provided herein and in the Bond according to the true intent and meaning thereof. The Bond and the obligation to pay interest thereon are limited obligations of the Issuer, secured by the Mortgage and pursuant to the Assignment are payable solely out of the receipts derived by the Issuer from the Agreement and otherwise as provided herein and in the Agreement. The Bond and the obligation to pay interest thereon shall not be deemed to constitute an indebtedness or a loan of credit of the Issuer, the State of Illinois or any political subdivision thereof, or a charge against their general taxing powers, within the meaning of any constitutional or statutory provision of the State of Illinois.

The Issuer covenants that it will faithfully perform at all times any and all covenants, undertakings, stipulations and provisions contained in the Bond Ordinance, in the Bond and in all proceedings of its governing body pertaining thereto. The Issuer covenants that it is duly authorized under the Constitution and laws of the State of Illinois, including particularly and without limitation the Enabling Ordinance, to issue the Bond authorized hereby, and to pledge and assign the receipts hereby pledged and assigned in the manner and to the extent herein set forth; that all action on its part for the issuance of the Bond has been duly and effectively taken and that the Bond is and will be a valid and enforceable limited obligation of the Issuer according to the true intent and meaning thereof.

The Issuer covenants that it will execute, acknowledge and deliver such instruments and other documents as the owners of the Bond or the Bank may reasonably require for the better assuring, granting, pledging and assigning unto the Bank the interest of the Issuer in the Agreement as well as the rights of the Issuer in and to the receipts pursuant to the Assignment and hereby assigned and pledged to the payment of the principal of and interest on the Bond. The Issuer covenants and agrees that, except as herein and in the Agreement provided, it will not sell, convey, mortgage, encumber or otherwise dispose of any part of the receipts derived from the Agreement or of its rights under the Agreement.

The Issuer covenants and agrees that all books and documents in its possession relating to the receipts derived from the Agreement shall at all reasonable times be open to inspection by the owners of the Bond or such accountants or other agencies as such owners may from time to time designate.

The Issuer covenants and agrees that it shall through the Bank enforce all of its rights and all of the obligations of the Borrower under the Agreement for the benefit of the owners of the Bond. The Issuer shall protect the rights of the Bank hereunder with respect to the assignment and pledge of the receipts coming due under the Agreement.

The Issuer hereby elects to have the provisions of Section 103(b)(6)(D) of the Code, as amended, apply to the issuance of the Bond.

Events of Default and Remedies.

SECTION 11. If any of the following events occur it is hereby defined as and declared to be and to constitute an "Event of Default":

(a) Default for a period of three business days in the due and punctual payment of principal or of interest on the Bond.

(b) Any Event of Default under Section 7.1 of the Agreement shall have occurred.

Upon the occurrence of an Event of Default and so long as such Event is continuing, the Bank by notice in writing delivered to the Issuer and the Borrower, may declare the principal installments of the Bond and the interest accrued thereon immediately due and payable, and such principal installments and interest shall thereupon become and be immediately due and payable. Upon any such declaration all payments under the Agreement from the Borrower immediately shall become due and payable as provided in Section 7.2 of the Agreement.

While any principal of or interest on the Bond is unpaid, the Issuer shall not exercise any of the remedies on default specified in Section 7.3 of the Agreement without prior written consent of the Bank.

Upon the occurrence of an Event of Default, the Bank may pursue any available remedy at law or in equity by suit, action, mandamus or other proceeding to enforce the payment of the principal of and interest on the Bond and to enforce and compel the performance of the duties and obligations of the Issuer as herein set forth.

No remedy by the terms of the Bond Ordinance conferred upon or reserved to the Bank is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Bank or to the owner hereunder or now or hereafter existing at law or in equity or by statute.

No delay or omission to exercise any right, power or remedy accruing upon any Event of Default shall impair any such right, power or remedy or shall be construed to be a waiver of any such Event of Default or acquiescence therein; and every such right, power or remedy may be exercised from time to time as often as may be deemed expedient.

All moneys received pursuant to any right given or action taken under the provisions of this Section or under the provisions of Article VII of the Agreement (after payments of the costs and expenses of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by the Issuer, the Bank or the owners of the Bond) and all such moneys in the Bond Fund shall be applied to the payment of the principal of and interest on the Bond then due and unpaid to the person entitled thereto.

Whenever moneys are to be applied pursuant to the provisions of this Section, such moneys shall be applied at such times, and from time to time, as the Bank shall determine, but in any event within fifteen business days after deposit of such moneys in the Bond Fund. The Bank shall give such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date, and shall not be required to make payment to the owner of any Bond until such Bond shall be presented to the Bank for appropriate endorsement or for cancellation if fully paid.

Whenever all principal of and interest on the Bond have been paid under the provisions of this Section and all reasonable expenses of the Bank and the Issuer have been paid, any balance remaining in the Bond Fund shall be paid to the Borrower.

With regard to any Default concerning which notice is given to the Borrower under the provisions of the Bond Ordinance, the Issuer hereby grants the Borrower full authority for account of the Issuer to perform or observe any covenant or obligation alleged in said notice not to have been performed or observed, in the name and stead of the Issuer with full power to do any and all things and acts to the same extent that the Issuer could do in order to remedy such default.

(a) The sale of the Bond hereby authorized to the Bank at a price of \$2,750,000, plus accrued interest, if any, and payment pursuant to the Bond Purchase Agreement in substantially the form which has been presented to it is hereby approved by the governing body of the Issuer and which is now on file in the official records of the Issuer, is hereby in all respects authorized, approved and confirmed.

The Mayor is hereby authorized and directed to execute said Bond Purchase Agreement for and on behalf of the Issuer, and the City Clerk is hereby authorized to attest the same and to affix thereto the corporate seal of the Issuer.

156.1-2. (a) There is hereby levied and imposed upon the use and privilege of parking a motor vehicle in or upon any parking lot or garage, as defined in this chapter, in the City of Chicago a tax of [thirty] *fifty* cents for each such motor vehicle parked in or on each parking lot or garage for every twenty-four (24) hour period or any fraction thereof. The parking tax herein imposed applicable for a period other than daily, weekly, or monthly, shall be computed by multiplying the sum of [thirty] *fifty* cents, [One Dollar] *Two Dollars Fifty Cents* or [Six] *Ten Dollars*, whichever amount is applicable, by the total number of days, weeks or months in the particular period of time involved. * * * * *

156.1-9. All proceeds resulting from the imposition of the tax under this Chapter, including penalties and interest, shall be paid into the treasury of the City of Chicago and shall be credited to and deposited in the Corporate fund of the City.
