SECTION 1. Chapter 156.1 of the Municipal Code of Chicago is hereby amended by deleting the language bracketed and inserting the language in *italics*, as follows:

156.1-2. (a) There is hereby levied and imposed upon the use and privilege of parking a motor vehicle in or upon any parking lot or garage, as defined in this chapter, in the City of Chicago a tax of [thirty] *sixty cents* for each such motor vehicle parked in or on each parking lot or garage for every twenty-four (24) hour period or any fraction thereof. The parking tax herein imposed applicable for a period other than daily, weekly, or monthly, shall be computed by multiplying the sum of [thirty] *sixty cents*, [One Dollar Fifty Cents] *Three Dollars* or [Six] *Twelve Dollars*, whichever amount is applicable, by the total number of days, weeks or months in the particular period of time involved. At the time of filing said tax returns, the

operator shall pay over to the Director of Revenue all taxes due for the period to which the tax return applies.

(c) [If for any reason any tax is not paid when due, a penalty at the rate of ten percent (10%) per year on the amount of unpaid tax which remains unpaid shall be added and collected.]

All taxes imposed by this Chapter and remaining unpaid after they are due shall bear interest at a rate of 2% per month, or fraction thereof, and, in addition thereto, unless the Director of Revenue determines that the failure to pay over is not due to any fault on the part of the person required to pay over this tax, such person shall be liable for a late payment penalty of 10% of the amount of the underpayment.

156.1-9. All proceeds resulting from the imposition of the tax under this Chapter, including penalties and interest, shall be paid into the treasury of the City of Chicago and shall be credited to and deposited in the Corporate fund of the City.
