*Motion to Suspend Rules--Congratulations Extended to
John O'Loughlin on Occasion of His Retirement.*

Alderman Burke moved to *Suspend the Rules Temporarily* to take up out of the Regular Order of Business a proposed resolution congratulating John O'Loughlin on the occasion of his retirement. The motion *Prevailed*.

Alderman Burke presented the following proposed resolution:

WHEREAS, John Finton O'Loughlin, a native of Bangor, Maine and an outstanding citizen of the great City of Chicago for the past 43 years, retired from Illinois Bell Telephone Company where he spent more than half of his career spreading good will, good cheer, good humor and good telephone service in all Ward offices and in that stately building on LaSalle Street, affectionately referred to as "The Hall"; and

WHEREAS, John O'Loughlin has held high office and has taken an active part in many Chicago charitable organizations, namely, the Chicago Youth Centers, the Telephone Pioneers of America and the St. Vincent DePaul Society. He has devoted countless hours and all his energy to helping others less fortunate to enjoy a better life; now, therefore,

Be It Resolved, That Johnny O'Loughlin, well-known barroom tenor, golfer extraordinaire, Sergeant-at-Arms Emeritus for the Chicago City Council, debonair usher at all Sunday masses, fanatical Notre Dame football fan, be defrocked of his altar boy cassock, that his season pass to all Notre Dame football games be declared null and void, that his permanent seat in the City Council gallery be dismantled, that his Knights of Columbus plumes be forever placed in mothballs and that he permanently be prohibited from participating in golf outings; and

Be It Further Resolved, That despite his personal and business handicaps and his questionable habits, this noble body, namely the members of the City Council of the City of Chicago, by unanimous vote can find no other recourse than wish him an extremely happy retirement and many, many years of good health and happiness so that he can pursue his hobby as gentlemen, nice guy and dear friend to all. Godspeed, John; and

Be It Further Resolved, That a suitable copy of this resolution be presented to John O'Loughlin.

Alderman Burke moved to *Suspend the Rules Temporarily* to permit immediate consideration of and action upon the foregoing proposed resolution. The motion *Prevailed*.

On motion of Alderman Burke (seconded by Aldermen Natarus, Stone, Mell, Sheahan, Gabinski, Kellam, Huels, Frost, Vrdolayk, Roti, Kelley and Laurino) the foregoing proposed resolution was *Adopted*, unanimously.

Honorable Harold Washington, Mayor, then presented a parchment copy of the resolution to John O'Loughlin. Mr. O'Loughlin thanked all the Members of the City Council for their kind words. He was warmly applauded by all the Members of the City Council and assembled guests.

B. The Redevelopment Documents set forth the City's overall objectives for the Project and set forth certain specific planning and design criteria.

C. The Redevelopment Documents provide that the City shall be a catalyst and coordinator for the redevelopment of the Project and shall utilize its resources to accomplish specific objectives within the Project area.

D. Developer desires to perform the Renovation Work and the Other Work in accordance with this Agreement and in accordance with the Redevelopment Documents.

NOW, THEREFORE, for and in consideration of the covenants and promises set out herein, the City and Developer hereby agree as follows:

1. Rehabilitation and Approval of Plans and Financing.

(F)

(b) Developer has delivered to the City schematic drawings listed in Exhibit "C" attached hereto for the Renovation Work and Other Work. Such drawings are approved by the City and hereinafter referred to as the "Approved Schematics."

(c) Developer shall submit its final design development drawings and specifications ("Design Plans") for the Renovation Work and Other Work consistent with and based on the Approved Schematics to the City for its approval thereof, in accordance with the dates shown on the schedule attached hereto as Exhibit "D". If the City disapproves such drawings and specifications because such drawings and specifications are not consistent with this Agreement, the Redevelopment Documents or the Approved Schematics, within ninety (90) days after notice thereof, Developer shall submit revisions of such disapproved Design Plans complying with the deficiencies specified by the City in its notice of disapproval. Such Design Plans as are approved by the City are hereinafter referred to as the "Approved Design Plans."

(d) On or before the date specified in Exhibit "D" attached hereto, the Developer shall furnish the City with a budget showing an estimate of all of costs for (i) the Renovation Work and (ii) the Other Work. Such costs and expenses shall include, but are not limited to, the following incurred from the date hereof through the Completion of the reconstruction and rehabilitation of the Renovation

Such budget shall be in form and content acceptable to the City. Developer shall furnish to the City its most recent annual report to its shareholders and its quarterly reports to its shareholders since such annual report. Such reports shall demonstrate that Developer has the financial capability to undertake and complete the Renovation Work and the Other Work and to make the cash contribution required by Paragraph 13 below.

(e) Within thirty (30) days after the City approves the Approved Design Plans, Developer shall submit a narrative description of the leasing program for approval by the City for the retail stores to be located at grade level of the Improvements describing the nature and kind of products or services to be sold or other occupancy or use to be permitted in such areas, all of which shall be directed toward the retail sale of consumer goods, services or foods and shall be satisfactory to the City. Such description as approved by the City is hereinafter referred to as the "Approved Leasing Program."

(f) Any drawings, plans, specifications, budget, reports and leasing description required to be submitted to the City for its approval pursuant to this Paragraph 1 shall be approved or disapproved by the City within sixty

EAT232-A/Q
(F)

(60) days of the receipt thereof by the City. If the City disapproves any such drawings, plans or specifications, budget or reports it shall state its reasons to Developer in writing. Failure to give such written disapproval within such sixty (60) day period specified above in this subparagraph shall be deemed approval by the City.

(g) Any approvals made by the City of the documents to be provided by the Developer under this Paragraph 1 shall be made by the Commissioner and are for the purposes of this Agreement only and do not affect or constitute approvals required for building permits or approvals required pursuant to any other ordinance of the City nor does any approval by the City pursuant to this Agreement constitute approval of the quality of the Renovation Work or Other Work or approval of the safety thereof or compliance with any rehabilitation standards.

2. Work Schedule. Developer covenants and agrees, subject to Permitted Delays, that it shall begin and Complete the Renovation Work and the Other Work in accordance with the dates shown in Exhibit "D" attached hereto.

3. Completion Certificate. EAT232-A/Q
(F)

have been Completed and the lien provided for in Paragraph 15 below has been released (the "Completion Certificate") or (ii) provide Developer with a written statement indicating how Developer has failed to Complete the Renovation Work or Other Work or how Developer is otherwise in default under this Agreement. The Completion Certificate shall be a conclusive determination that Developer has satisfied the requirements in this Agreement with respect to the obligations of Developer to perform the Renovation Work, to construct the Other Work shown in the Approved Design Plans and to make the contributions required by Paragraph 13 below; provided however, such certificate shall preserve the obligations of Developer under the written covenants delivered pursuant to Paragraph 9 below. The Completion Certificate shall be in recordable form. Any certification made by the City pursuant to this Agreement with respect to the Improvements shall be given by the Commissioner and shall be for the sole purpose of confirming that Developer has complied with this Agreement and shall not be deemed an approval of the quality or safety of the Renovation Work or Other Work or its compliance with any laws or ordinances.

4. Relocating Utilities. In the event Developer requests relocation of any existing utility lines in and under public streets or private property adjacent to the Site, the City agrees to cause such utilities to be relocated at Developer's expense. Any such request must be made no later than two months prior to the date for the commencement of construction shown in Exhibit "D" attached hereto. Prior to requesting such relocation, Developer shall deliver to the City plans and

EAT232-A/Q
(F)

specifications showing what utilities must be relocated, and on or before thirty (30) days thereafter the City shall advise the Developer in writing of the estimated amounts of the relocation expense, and on or before thirty (30) days after receipt of the City's advice, the Developer shall advance funds for such relocation in the amounts reasonably required or estimated by the City, and upon determination of the actual costs of any such relocation, the amount shall be adjusted between the parties.

5. Assignability and Transfer. Until the City issues the Completion Certificate, Developer shall not assign, lease (except for leases made in the ordinary course of commercial leasing at competitive terms), transfer or convey any right, title or interest in the Site, Improvements or this Agreement, or any of its duties or obligations under this Agreement, (such proposed assignments, leases, transfers and conveyances are hereinafter referred to as a "Proposed Transfer") without the prior written consent of the City being first obtained. The City may withhold consent to any such Proposed Transfer only if the assignee, lessee, grantee or transferee is a person precluded by Paragraph 6 below from having an interest in Purchaser, the Site or the Improvements or this Agreement, but shall not otherwise withhold consent. In the event that after a Proposed Transfer would be consummated, the assignee, lessee, transferee or grantee is a person precluded by Paragraph 6 below from having an interest in the Site, the Improvements or this Agreement, the City may withhold

EAT232-A/Q
(F)

its consent to such Proposed Transfer in its sole discretion. The City shall grant its consent or, in writing, specify the reasons for withholding its consent to any Proposed Transfer within ten (10) days after receipt from the Developer of documents disclosing the names of the parties interested, directly and indirectly, in such Proposed Transfer and copies of the proposed instruments of assignment, lease, transfer, or conveyance. Such documents disclosing such names shall be in accordance with and on forms meeting the requirements of the City. If the City fails to respond to any request for such consent within such ten (10) day period, such failure shall be deemed a consent to such Proposed Transfer. In the event the City fails to respond, upon written request of the Developer, the City will give Developer a written acknowledgement that it received such a request for a consent and failed to respond thereto. No assignment, lease, transfer or conveyance, whether or not consented to by the City, shall relieve the Developer of its obligations under this Agreement, and all assignees, lessees, grantees and transferees of any interest, direct or indirect, in the Site, the Improvements, or this Agreement, whether or not consented to by the City shall hold such interest subject to and be obligated in accordance with the terms and provisions of this Agreement. Notwithstanding the provisions of this Paragraph 5, the Developer may: (a) mortgage the Site and the Improvements to an institutional lender such as a bank, savings and loan association, insurance company, pension plan and the like, or (b) transfer or convey its right, title and interest

EAT232-A/Q
(F)

in the Site, Improvements or this Agreement to a subsidiary or other affiliated corporation or entity; provided however, any such transferee or grantee shall be wholly owned by Developer, and Developer's liability under this Agreement shall not be reduced or limited by reason of any such transfer or conveyance. After the City issues a Completion Certificate, the Developer and its successors shall have full rights to assign, lease or otherwise transfer any of its or their right title or interest in this Agreement, the Premises or any part thereof without the restraint of this Paragraph 5.

6. Conflict of Interest - City's Representatives Not Individually Liable. Prior to the City's issuing a Completion Certificate, no member of the Commission or other City board, commission or agency, official, or employee of the City shall have any personal interest, direct or indirect, in the Developer, this Agreement or the Premises; nor shall any such member, official, or employee participate in any decision relating to this Agreement which affects his or her personal interest or the interests of any corporation, partnership, or association in which he or she is directly or indirectly interested. No member, official or employee of the City shall be personally liable to Developer, or any successor in interest, to perform any commitment or obligation of the City under this Agreement nor shall any such person be personally liable in the event of any default or breach by the City.

7. Ownership Evidence and Disclosure. Within thirty (30) days from the date hereof, the Developer shall

EAT232-A/Q
(F)

deliver to the City evidence reasonably satisfactory to the Commissioner showing the ownership of the Premises and the names of all persons having any interest therein on the date hereof, including, but not limited to, all lessees and tenants. All parties having a legal and equitable interest in the Premises (except lessees of Developer whose leases are terminable by Developer within two years of the date of this Agreement) must execute this Agreement within one hundred twenty (120) days after the delivery of such evidence. In addition, within one hundred twenty (120) days of the date hereof, and not less than 10 days prior to any transfer, assignment or sale approved by the City, all parties presently having an interest or obtaining an interest by such approved transfer, assignment or sale, in this Agreement, the Developer or the Premises, whether any such interest is direct or indirect or through one or more entities, shall complete documents disclosing the names of such persons all in accordance with and on forms meeting the requirements of the City. If any person acquiring an interest by assignment, conveyance or other transfer in Developer, this Agreement or the Premises fails to comply with the requirements of this Paragraph, the City may declare any such interest, assignment or other transfer void. Developer hereby represents and warrants that Developer has the right to terminate within two years of the date of this Agreement the leases and occupancy of all tenants in the grade level retail space and theater spaces in the Improvements, and Developer undertakes to terminate such leases and occupancy within such period. This Agreement may be

EAT232-A/Q
(F)

recorded by the City with the recorder of Deeds of Cook County, Illinois or if appropriate, registered with the Register of Titles. Upon request of the City, Developer shall provide all documentation required to register or record this Agreement and pay all fees for such registration or recording.

8. Equal Employment Opportunity. Developer for itself and its successors and assigns agrees that during and for the performance of the Renovation Work or performance of Other Work required by this Agreement:

(a) Developer will not discriminate against any employee or applicant for employment because of race, religion, color, sex or national origin by following, implementing and enforcing its Fair Employment Practices Personnel Policy, its Affirmative Action Plan for Women and Minorities, its Affirmative Action Plan for the Handicapped and Disabled and Vietnam-era Veterans and its Manual of Fair Employment Practices in force at this date as further identified in Exhibit F attached hereto.

(b) In all solicitations or advertisements for employees placed by Developer, it shall be stated that Developer is an "equal opportunity employer," or there shall be similar language to the same effect.

(c) Developer shall include the provisions of subparagraph (b) and the substance of the following provisions in every contract and shall require the inclusion of these provisions in every subcontract entered into by any of its contractors, so that such provisions will be binding

EAT232-A/Q
(F)

upon each such contractor or subcontractor, as the case may be:

"Contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex or national origin. Contractor will take affirmative action to ensure that applicants are employed without regard to their race, religion, color, sex or national origin, and when employed that employees are treated during employment without regard to their race, religion, color, sex or national origin. Such affirmative action shall include, but not be limited to the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Contractor agrees to post on the Premises appropriate employment notices setting forth the provisions of this non-discrimination clause."

9. Restrictions on Use. Prior to the City issuing the Completion Certificate, Developer and all parties then having a fee ownership interest of record in the Site shall execute and deliver to the City, in recordable form, written covenants in form and content satisfactory to the City providing that Developer shall from the date of the recording of the written covenants and for a period of 40 years concerning (a), (b), (c), (d), and (e) below and five (5) years concerning (g) below:

EAT232-A/Q
(F)

(b) not discriminate upon the basis of race, color, religion, sex or national origin in the sale, lease, or rental or in the use or occupancy of the Improvements or any part thereof.

(c) not undertake any of the following in or for any of the Renovation Work or in the public right-of-way adjoining the Site without the prior written approval of the City given by the Commissioner in each case first obtained:

- (iii) change color of any exterior surface including, but not limited to, painted surfaces.

The above described work is hereinafter in this Agreement referred to as "Remodeling Work." In performing routine and ordinary or necessary maintenance (except for a change in surface color), the Developer shall not be required to obtain the prior approval of the City.

(e) maintain and keep the Renovation Work and Other Work in a good state of repair and condition in accordance with the Approved Design Plans.

(f) in the event the Improvements are so damaged by fire or other casualty that the repair of such damage is not economic to the Developer or the extent of such damage affects a substantial portion of the Improvements, then the Developer shall either (x) build a Replacement Structure within a reasonable period in accordance with plans and specifications approved by the City or (y) demolish the Improvements to grade in accordance with applicable City ordinances; in either event, the covenants of (c) and (e) above shall terminate and be of no further force or effect.

(g) not lease the grade level retail areas of the Improvements for a use or occupancy inconsistent with the Approved Leasing Program.

(h) Notwithstanding anything herein to the contrary, in the event the City shall terminate or withdraw the North Loop Redevelopment Project the obligations hereunder shall cease and these covenants as evidenced by an ordinance of the City Council terminating the Redevelopment Documents shall be null, void and of no further force and effect.

EAT232-A/Q
(F)

(i) If the City approves, in writing, a Replacement Structure proposed by the Developer, the Developer may demolish the Improvements and build the approved Replacement Structure, and the covenants of (c) and (e) above shall terminate and be of no further force or effect.

10. Covenants: Binding Upon Successors in Interest: Period of Duration. It is intended and agreed that the covenants and agreements provided in Paragraphs 1, 2, 5, 6, 8, 9, 12, 13, 14 and 15 shall be covenants running with the land binding to the fullest extent permitted by law and equity for the benefit and in favor of, and enforceable by, the City, its successors and assigns, and any successor in interest to the Site, or any part thereof, and the owner of any other land (or of any interest in such land) in the Project area which is (i) subject to the land use requirements and restrictions of the Redevelopment Documents and (ii) has made substantially similar covenants for the benefit of the Developer.

11. Mortgagee Not Obligated To Reconstruct. Notwithstanding any of the provisions of this Agreement, the holder of any mortgage (including any such holder who obtains title to the Premises or any part thereof as a result of foreclosure proceedings, or action in lieu thereof, but not including (a) any other party who thereafter obtains title to the Site or such part from or through such holder or (b) any other purchaser at a foreclosure sale other than the holder of the mortgage itself) shall not be obligated by the provisions of this Agreement to Complete the Renovation Work or the Other Work under

EAT232-A/Q
(F)

this Agreement or to guarantee such construction or Completion. Nothing in this Paragraph or any other provision of this Agreement shall be deemed or construed to permit or authorize any owner of the Premises, including the holder of any mortgage who acquires title to the Premises, to devote the Premises or any part thereof to any uses, to construct thereon any improvements or to reconstruct or rehabilitate the Improvements other than as provided or permitted in the Redevelopment Documents and this Agreement.

12. Adjoining Sidewalks. The performance of the Renovation Work and Other Work by the Developer pursuant to this Agreement shall include the removal and replacement of the sidewalks adjoining the Site on Lake Street, including the curbing, and all necessary work to fill or bridge any vaults under such sidewalks. The Developer shall also provide any landscaping or streetscaping in such sidewalks and the sidewalk on State Street as required by the City. The schematic drawings and design development drawings and specifications referred to in Paragraph 1 above shall include such work, plantings and installations. No work shall be done in the public right-of-way adjoining the Site, including but not limited to, the State Street Mall, without the approval of the Commissioner.

13. Contribution. Upon Completion of the Renovation Work and the Other Work, but no later than the Developer's request for the Completion Certificate from the City, the Developer shall deliver to the City a certified check payable to the City for Five Hundred Thousand Dollars (\$500,000) less

EAT232-A/Q
(F)

any amenities or other in-kind contributions accepted by the City; provided however in no event shall such check be in an amount less than One Hundred Thousand Dollars (\$100,000). The City shall use such funds to promote, underwrite or otherwise support cultural and entertainment activities in the Project area. In lieu of or in partial satisfaction of such cash contribution, the Developer may provide additional amenities or in-kind contributions acceptable to the City the value of which shall be determined by the City.

14. Planned Development. Notwithstanding the requirements of the Redevelopment Documents, the performance of the Renovation Work and Other Work and use of the Premises in accordance with this Agreement shall not require a Planned Development pursuant to the City's Zoning Ordinance; provided however, the Developer acknowledges that the Premises at a future time may be included as part of a Planned Development for part of the Project area. At the request of the City, the Developer will accept and co-operate in an application for such Planned Development by providing witnesses, copies of plans, specifications and requested information so long as any such Planned Development does not reduce the density of the land use of the Premises, change the uses of the Premises from those permitted under this Agreement or impair the rights granted Developer under this Agreement.

15. City's Remedies in the Event of Default. If the Developer fails to substantially Complete the Renovation Work and substantially Complete the Other Work in accordance with

EATZ32-A/Q
(F)

the Approved Design Plans or the provisions of Paragraph 2 above or fails to make payment of the cash portion of the contribution required by Paragraph 13 above; and the City has given written notice of such default to Developer and Developer has not corrected such default within one hundred eighty (180) days of such notice (except for a non-monetary default which cannot be corrected in one hundred eighty (180) days, provided that the Developer is diligently and continuously in good faith attempting to substantially Complete such work), the City shall have the right to suspend all permits issued by the City for the Renovation Work and Other Work and all work and activity of the Developer concerning such Renovation Work and Other Work shall immediately cease, until such default is cured by the Developer. As an additional remedy to the City, in the nature of liquidated damages and not a penalty, if the Developer has not cured such default within the said 180 days (except for a non-monetary default which cannot be corrected in 180 days, provided that the Developer is diligently and continuously in good faith attempting to substantially complete such work) the Developer shall pay to the City the sum of \$550.00 per day effective as of and commencing at the end of the cure period and continuing until such default is cured by the Developer. The City shall have a lien (the "City's Lien") on the Site and this Agreement hereby grants such lien to secure such possible liquidated damages. In the aggregate such lien shall not exceed \$100,000.00. The City's lien may be foreclosed by the City in accordance with the laws and statutes of the State of

EAT232-A/Q
(F)

The following is said proposed ordinance transmitted with the foregoing committee report:

Whereas, The City of Chicago desires the establishment of a cable communications system in the City of Chicago for the benefit of the City and all persons located therein; and

Whereas, Chapter 113.1 of the Municipal Code of Chicago, "The Chicago Cable Communications Ordinance", was adopted by the City Council on February 10, 1982, to provide for the franchising and regulation of cable systems within the City of Chicago; and

Whereas, The City Council adopted a Request for Proposals for Cable Communications Franchises on May 27, 1982, dividing the City of Chicago into five franchise areas and requesting proposal bids thereon by cable companies as applicants; and

Whereas, Ten proposal bids for the City of Chicago's five franchise areas were submitted to the City of Chicago by six applicants on August 31, 1982; and

Whereas, The City Council after considering the franchise applications of each applicant as well as their legal, financial, technical and character qualifications, the public comment thereon and the recommendations of the Cable Administrator for the preliminary award of franchises in each of the City of Chicago's five franchise areas, the City Council on January 7, 1983, passed a resolution designating Cablevision, Group W of North Central Chicago, Group W of North West Chicago, Chicago Cable Communications and Stellar Continental Cable as successful applicants for Franchise Areas 1, 2, 3, 4, and 5 respectively; and

Whereas, Said resolution of January 7, 1983, authorized the Cable Administrator to negotiate and draft franchise agreements between the City of Chicago and each of the designated successful applicants based on the Chicago Cable Communications Ordinance, the Chicago Cable Ethics Ordinance, the Request for Proposals, the proposal bids of the successful applicants, the consultant's draft and final evaluation reports and the applicants' comments thereon and the public hearing record; and

Whereas, The Cable Administrator successfully negotiated and drafted franchise agreements for Franchise Areas 2, 3, 4 and 5 between the City of Chicago and Group W Cable Associates of North Central Chicago, Group W Cable Associates of North West Chicago, Chicago Cable Communications and Stellar Continental Cable, Inc. respectively; and

Whereas, The City Council Committee on Cable Television conducted public hearings on said franchise agreements affording the public a reasonable opportunity to comment thereon and to appropriately review said franchise agreements; and

Whereas, The City Council Committee on Cable Television after amending said franchise agreements voted to recommend approval of said franchise agreements for Franchise Areas 2, 3, 4 and 5; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

Section 1. That it is in the best interests of the City of Chicago and all persons located therein to grant non-exclusive franchises to construct, install, maintain and operate cable communications systems in the City of Chicago to Group W Cable Associates of North Central Chicago, Group W Cable Associates of North West Chicago, Chicago Cable Communications and Stellar Continental Cable, Inc. for Franchise Areas 2, 3, 4 and 5, respectively.

Section 2. That the franchise agreements for Franchise Areas 2, 3, 4 and 5, which are attached hereto and made a part hereof are hereby approved and adopted.

Section 3. Section 4. That in approving and adopting said franchise agreements the City Council in accordance with Section 113.1-20 (C) of the Municipal Code of Chicago is authorizing each of the grantees for Franchise Areas 2, 3, 4 and 5 to secure indebtedness in excess of seventy-five percent (75%) of the fair market value of the property used by the grantees in the construction and operation of their cable television systems for the financing of said systems for Franchise Areas 2, 3, 4 and 5 on terms and conditions consistent with the terms and conditions of said franchise agreements and the Municipal Code of the City of Chicago, Chapters 113.1 and 113.2.
