**City Council Informed As To Miscellaneous
Documents Filed In City Clerk's Office.**

Honorable Walter S. Kozubowski, City Clerk, informed the City Council that documents have been filed in his office relating to the respective subjects designated as follows:

Placed on File – MAYORAL VETO OF ORDINANCE AUTHORIZING
SUBMISSION OF FINAL STATEMENT OF OBJECTIVES AND
PROPOSED USE OF FUNDS FOR COMMUNITY
DEVELOPMENT BLOCK GRANT
ENTITLEMENT --
YEAR XI.

Honorable Harold Washington, Mayor, submitted the following communication, which was
Placed on File:

OFFICE OF THE MAYOR
CITY OF CHICAGO

June 27, 1985.

To the Honorable, The City Council of the City of Chicago:

LADIES AND GENTLEMEN – I return herewith, without my approval, an ordinance authorizing the submission of final statement of objectives and proposed use of funds for the Community Development Block Grant program for Year XI which the Committee on Finance recommended on June 24, and the City Council passed on June 26, 1985. I must withhold my approval from this ordinance because, like those previously vetoed, it seeks to put forward programs that do not meet federally-mandated eligibility standards and that

ignore the comprehensive evaluation process established with the concurrence of the Committee on Finance. On June 24, 1985, the Budget Director was notified by the U.S. Department of Housing and Urban Development that several organizations, funded by C.D.B.G. ordinances in prior years, were and are ineligible for such funding. These are some of the same organizations which were rejected by the Community Development Advisory Committee as ineligible for Year XI, but which the council majority have repeatedly inserted into the program. The persistence of the council majority in attempting to force these ineligible and improper elements into the C.D.B.G. program, and their continuing refusal to negotiate meaningfully on this matter threaten the city with the loss of millions of dollars in much needed funds, threaten the jobs of 1,300 city employees paid through the C.D.B.G. program, and threaten the ability of delegate agencies to continue vital services in their neighborhoods. Nevertheless, I cannot approve of this program in its present form. It also contains contract, loan, grant and re-programming restrictions which are wholly unacceptable to this administration.

I have transmitted to the Council once again, a 1985 General Obligation Bond Ordinance. This ordinance will refund outstanding 1982 General Obligation Bonds and raise \$125 million for other uses. This includes \$15 million for the rehabilitation of Navy Pier, \$16 million for the replacement of WPA streets, \$44 million for the resurfacing of residential streets, and \$8 million to replace vaulted sidewalks. Neighborhood infrastructure improvements under this ordinance total \$82.4 million. Together with my proposed C.D.B.G. program, it will provide an equitable distribution of needed services and capital improvements to the citizens of Chicago. It will accomplish these objectives without any measurable impact on property taxes levied for this year.

Since assuming office, I have attempted repeatedly to put forward a general obligation bond ordinance because it is imperative to begin immediate work on certain capital improvements which will benefit all of the residents in the City, regardless of neighborhood. It is critical to begin work on the maintenance and replacement of the City's aging infrastructure before the termination of federal programs which fund supplemental services. We have waited far too long to correct the years of inadequate or non-existent maintenance. We can wait no longer to replace crumbling sidewalks that endanger our senior citizens, to repair streets that have become laced with potholes, and to make other essential repairs. The funds raised by this General Obligation Bond Ordinance will be put to use throughout all of the wards of this City, so that each neighborhood may have its most pressing needs attended to. In preparing the residential street repair component of the bond ordinance, my staff contacted all fifty aldermen and asked them to rank areas in their wards which needed attention most seriously. Once this bond ordinance passed, we may begin addressing those needs and the other problems identified in the preparation of this ordinance.

By refunding the 1982 General Obligation Bonds, we will be able to take advantage of a precious opportunity to reduce the interest rate on the City's bonded debt. It is essential that we take advantage immediately of lowered interest rates to finance our General Obligation Bonds. This is a one-time opportunity which will be lost if we do not act expeditiously. The Council majority have already approved the bond refunder ordinance in substance; I was, however, forced to veto that ordinance in view of the attempts by the Council to control the bond issue by naming bond counsel and underwriters' counsel. The savings on the 1985 tax levy by passage of the refunder would be sufficient to finance the

first year cost of the new programs contained in the General Obligation Bond issue without any measurable impact on property taxes.

If the Council majority would abandon its myopic view of the C.D.B.G. program and consider it concurrently with the General Obligation Bond program I have put forward, they would see that all of the residents of our City can benefit. The federal dollars provided for in the C.D.B.G. program are clearly designed to benefit those who have suffered from a long history of neglect. The decisions incorporated into my C.D.B.G. program were not based on whim -- they reflect the long, hard work of the Community Development Advisory Committee in sorting through community needs and availability of funds. This was a completely open process, with public hearings and input from all sides. The council majority have sought to portray the battle over C.D.B.G. funds as an attempt to fight for the residents of their wards and to obtain services from this administration. If the council majority are serious in their concern for the residents of their wards and sincerely want to provide infrastructure improvement, they would pass the 1985 General Obligation Bond Ordinance, rather than insist that the C.D.B.G. program be used to pay for W.P.A. streets and other public improvements in ineligible parts of the City. If the Council passes a proper C.D.B.G. ordinance and the General Obligation Bond Ordinance, then we can get about the serious business of repairing potholes and fixing those W.P.A. streets without sacrificing funds intended for the needy of this City.

As a result, I cannot approve the C.D.B.G. ordinance recommended by the City Council Committee on Finance. It is irresponsible, illegal and unwise. I submit with this veto a substitute ordinance for your favorable consideration. I call upon the City Council to join with me in reaching an equitable compromise on this issue so that these much needed funds can be distributed.

Very truly yours,
(Signed) HAROLD WASHINGTON,
Mayor.

Section 4.1. -- Rates. The rates of salary and job classifications for full time nurses for the term of this Agreement set forth in the attached Exhibit "A" are by reference made part of this Agreement for all purposes.

Section 4.2. -- Compensatory Time Off. All hours worked approved under Employer rules in excess of seven (7) hours in a workday or thirty-five (35) hours in a workweek required of a nurse by reason of the nurse's regular duty, whether of an emergency nature or of a non-emergency nature, shall be compensated for by compensatory time off, on an hour-for-hour basis. Compensatory time off shall be computed on the basis of completed fifteen (15)-minute segments.

Section 4.3. -- Part-Time Nurses' Wages. The rates of salary for part time nurses in the attached Exhibit "C" are by reference made part of this Agreement for all purposes.

Section 4.4. -- Pay During Absence. All leaves of absence or other time off shall be without pay except as otherwise expressly provided in Article V of this Agreement.

Section 4.5. -- Pay on Promotion or Transfer. Nurses promoted or transferred to a different job title shall be compensated in accordance with the then current Regulations Governing the Administration of the Compensation Plan and Employee Benefits for Classified Positions Set Forth in the Annual Appropriation Ordinance.

Section 4.6. -- No Pay During Strikes or Lockout. Nurses shall not be entitled to any wages or benefits whatsoever if, despite all efforts to maintain peace, they are engaged in a strike, work stoppage, walkout or other interruption of work, or are locked out by the Employer.

Section 4.7. -- Uniform Allowance. Each nurse will receive a uniform allowance of \$300 per year. Nurses may purchase uniforms from the store of their choice, provided, however, they follow the policies issued by the Employer from time to time.

Section 4.8. -- Reporting Pay. A nurse who reports for work at her/his assigned day and starting time, without having been previously notified at his/her last known address or telephone number, as recorded in the personnel file, at least three (3) hours prior to starting time to report, shall be given a minimum of two (2) hours' work or two (2) hours' pay. However, the foregoing obligation shall not apply in the event the failure to provide work is because of an emergency, an Act of God, a failure of heat, light or power, or by any other cause beyond the control of the City. The nurse must accept any nursing job to which she/he may be assigned.

Section 4.9. -- Life Insurance.

a. The Employer agrees to provide \$2500 Group Term Life Insurance at no cost to the nurse. Nurses must complete a City of Chicago Group Term Insurance enrollment formset, including the employee beneficiary section of the formset, in order to qualify for coverage in the Basic Group Term Life Plan. The failure of the nurse to complete the enrollment formset will result in termination of the nurse's Basic Group Term Life Insurance coverage.

b. The Employer agrees to provide procedures for nurses to purchase Group Term Life Insurance, in addition to the basic \$2500 Group Term Life Insurance coverage, at nominal additional cost to the nurses. Nurses will be permitted to purchase any amount of optional insurance coverage in \$1000 multiples up to an amount equal to their annual salary. During the first thirty-one (31) days of employment, the additional insurance will be available on the first of the month following receipt and approval of the enrollment form. After the first thirty-one (31) days of employment, the additional insurance will be available on the first of the month following receipt and approval of the enrollment form. After the first thirty-one (31) days of employment, such insurance will be available only with evidence of insurability satisfactory to the insurance carrier.

Section 4.10. -- Insurance. The Employer shall provide individual or family hospital and medical care insurance, individual or family dental coinsurance and individual or family vision care coinsurance as set forth in the Annual Appropriation Ordinance under the same terms and conditions applicable to a majority of other employees of the City under the same terms and conditions applicable to said other employees; provided, however, that the benefits under this Section shall be maintained without change through December 31,

| 2. Dr. Martin Luther King's Birthday | 8. Labor Day |
| 3. Lincoln's Birthday | 9. Columbus Day |
| 4. Washington's Birthday | 10. Veteran's Day |
| 5. Good Friday | 11. Thanksgiving Day |
| 6. Memorial Day | 12. Christmas Day |

a. In order to qualify:

1. A nurse should otherwise have been scheduled to work on such day if it had not been observed as a holiday, or if she/he were not on vacation at that time.

2. Any paid holiday in the pay period shall be counted as a regular working day. If an employee is absent without pay on the last working day preceding or the first working day following such holiday, the holiday shall be considered as an additional day absent without pay.

b. When any of the above listed holidays falls on a Saturday or Sunday, the closest workday, Friday or Monday, will be recognized as the holiday.

c. A nurse who is authorized to work on one of the holidays will be granted compensatory time off, on an hour-for-hour basis:

d. In case a holiday is observed on any work day during a full week of a nurse's regularly scheduled vacation, an additional day off with pay or an additional day's pay, at the Employer's option, shall be allowed for each such holiday.

Section 5.2. -- Vacations.

a. Each nurse shall have her/his vacation computed on the basis of time earned during the previous year, as follows:

Effective Jan. 1, 1985:

Length of Service	Vacation
Less than 5 years	10 working days
5 to 9 years	15 working days
10 years or more	20 working days

Effective Jan. 1, 1986:

Length of Service	Vacation
Less than 4 years	11 working days

b. Part-time employees who have worked at least 80 hours per month in the prior calender year shall be granted vacation leave on a pro-rated basis, as follows:

Hours Worked Per Year	Hours of Vacation
1,000	40
916	36
830	33
750	30
666	27
580	23
500	20
416	17
330	13
250	10
166	7
80	4

One extra vacation hour is earned for each 25 hours over minimum hours worked.

c. Vacation leave earned will be determined by dividing the number of months worked in the prior year by twelve (12) and then multiplying by the number of yearly vacation days based on service. Any fraction will be rounded off to the nearest whole number of days. Any month in which the nurse worked for at least 50% of the time shall be credited for purposes of computing vacation leave.

d. All vacation leave earned after the execution of this Agreement not taken in the vacation year it is due shall be forfeited, unless the employee was denied vacation by the

Employer or such employee was on duty disability during the vacation period. All earned vacation leave earned before the execution of this Agreement must be taken within 9 months of the execution of this Agreement, or it shall be forfeited.

e. On termination a nurse shall be paid for her/his accrued and pro rata vacation, except where she/he was discharged for cause.

f. In the event of the death of nurse while in the employ of the Employer, her/his accrued vacation pay shall be paid to her/his spouse or legal representative. Payment to either shall relieve the Employer from any further liability.

g. By January 31 of each calendar year, nurses may submit their preferences for utilization of vacation time for the ensuing year to the Employer in writing. The request must set forth the beginning and ending date of the desired vacation. In establishing vacation schedules, the Employer shall consider both the nurse's preference and the operating needs of the agency. Where the Employer is unable to grant vacation preferences for all nurses within a position classification within a facility, but is able to grant some, the preferred vacation periods will be granted on the basis of total continuous service.

h. Employees who file their preference by January 31 shall be notified of the vacation schedules not later than April 1 of that vacation year.

Section 5.3. -- Sick Leave.

a. Full time nurses. Each full time nurse may be allotted a sick leave with pay for periods not exceeding twelve (12) working days in the aggregate during each calendar year on account of sickness, or related cause of absence, which may be considered by the department head a sufficient and legitimate excuse for the nurse's failure to be present and in attendance upon her duties. Each nurse appointed after January 1 of the calendar year shall be allowed sick leave at the rate of one day for each month of employment through December 31 of that year.

Sick leave credit earned by a nurse subsequent to January 1, 1959, shall accrue to a maximum of two hundred (200) work days at the rate of twelve (12) days per year less days of sick leave used. Sick leave not taken at the time of termination shall cease and end all rights for compensation. Sick leave accrued while working for another public agency shall not be transferable.

b. Part time nurses shall receive one-half day of paid sick leave for each month where the nurse works 84 hours or more, with a maximum accumulation of 50 work days.

Section 5.4. -- Jury Duty. Each nurse who is required to serve on a jury shall receive full pay, based on the regular work week, for such time spent on jury duty, contingent upon deposit with the City Comptroller of the payment received for such jury duty.

Section 5.5. -- Death in Family.

a. Leave with pay as a result of death in the immediate family may be granted to nurses up to a maximum of 3 consecutive days including the day of the funeral.

b. "Immediate family" shall be defined to be any member who is the mother, father, husband, wife, brother or sister (including blood, step or half), son or daughter (including blood, step or adopted), father-in-law, mother-in-law, daughter-in-law, son-in-law, grandparents and grandchildren.

Section 5.6. -- Military Leave. Any full time nurse who is a member of the National Guard or organized military or naval reserves of the United States and who is ordered to attend training camp or special duty not in excess of fourteen (14) calendar days in any calendar year, shall be granted absence with pay for attending such training or special duty tours. Such absence shall be approved by the Commissioner of Personnel upon submission of copies of pertinent military orders, and shall not result in deduction from vacation leave credit. The nurse shall deposit all military pay received for days compensated by the Employer with the City Comptroller.

Article VI

Service Status.

Section 6.1. -- Changes. The Employer shall have the right to increase or decrease the working force, to eliminate, change or combine job classifications in whole or in part, and to establish new job classifications as the Employer may determine to be necessary from time to time for the efficient conduct of its business. The Employer shall notify the Association of the establishment of a new job classification. The Employer shall set the wage rate for the new job classification. Upon request, the Employer will discuss the new rate with the Association. If the Association does not agree with the new rate set by the Employer, the Association may grieve the Employer's decision through the grievance and arbitration procedure under this Agreement.

a. Service requirements for advancement within the salary ranges of Exhibit "A" shall have the implication of continuous service with the City of Chicago. This means continuously paid employment without a break or interruption; provided, that any absence or leave without pay or layoffs for thirty (30) days or less or absence in individual cases adjudged eligible for duty disability compensation shall not effect the continuity of service.

b. Absence from the service of the Employer on leave without pay for periods in excess of thirty (30) days, all suspensions, time after layoff for more than thirty (30) days and all absences without leave shall be deducted in computing continuous service.

c. Separations, discharges and resignations shall result in the loss of all prior service credit.

d. Non-probationary nurses shall lose their prior service credit after one year of layoff.

e. Nurses hired prior to the effective date of this Agreement, who have rendered service to the County of Cook, the Chicago Park District, the Forest Preserve District, the Chicago Housing Authority, the Metropolitan Sanitary District of Greater Chicago, the State of Illinois, the Chicago Board of Education, City Colleges of Chicago, Community College District 508, Public Building Commission of Chicago, Chicago Urban Transportation

District, the Chicago Transit Authority, and the Regional Transportation Authority shall have the right to have the period of such service credited and counted for the purpose of advancement within longevity salary schedules, provided the above interpretation of continuous service shall apply. Nurses hired after the effective date of this Agreement who have rendered service to another employer as stated above shall not have the period of such service credited and counted for the purpose of advancement within longevity salary schedules.

f. Seasonal employment of less than 120 calendar days in any year shall not be credited towards continuity of service.

g. Non-seasonal nurses who work a minimum of eighty (80) hours per month shall be credited with continuity of service for the time worked.

h. Nurses will not be reduced from full-time or part-time status solely to avoid the payment of fringe benefits under this Agreement. It is recognized, however, that nurses may continue to voluntarily request such reduction in status for personal reasons.

Section 6.3. -- Probation. When a nurse is appointed from a general employment list, she/he is given a probationary appointment and serves under the probationary appointment for one (1) year. Completion of the probationary period will be based on time of compensated employment except that compensated medical or sick leave in excess of twelve (12) days shall not be credited as probationary time served. Probationary nurses shall have no rights under this Agreement during the probationary period, and their employment may be terminated at any time in the sole discretion of the Employer. Discharge during the probationary period shall not be subject to review. Any nurse appointed from a reemployment list must either serve a probationary period of six (6) months, or complete the probationary period which was in progress at the time of resignation, whichever is longer.

Section 6.4. -- Career Service Status. Any nurse who completes a probationary period shall have Career Service status in that title.

Section 6.5. -- Layoff and Recall. Where ability, skill and efficiency are equal, nurses shall be laid off in order of their seniority, provided that the Employer may retain nurses with special knowledge or skills. Seniority for purposes of layoff shall be time in title City-wide, applied by department. Laid off nurses shall be placed on a layoff list for one year for purposes of recall to the title from which they were laid off. The Employer will give preference to laid off nurses when filling vacancies of equal or lower salary grades, provided said nurses have the required qualifications and the then present ability to perform the duties required by the Employer. The Employer shall recall nurses from layoff in the reverse order they were laid off.

Section 6.6. -- Vacancies. The Employer shall notify the Association when the Employer intends to fill a vacancy or create an eligibility list. The Employer will give preference to qualified candidates for vacant positions from the appropriate eligibility lists.

Section 6.7. -- Maternity Leave of Absence. The Employer shall grant a career service nurse with one year of service maternity leave of absence. The nurse shall have a right to return to her job if it is still in existence, provided she returns to work promptly after the doctor releases her to return to work. If the nurse's job is not in existence when she is ready to return to work, her rights to return to work shall be the same as if she had not been on leave. If a nurse is granted a leave for a longer period after her doctor releases her, she will be returned to her job upon the completion of her leave, if her job is open. If not, she will be placed on a reinstatement list.

Section 6.8. -- Seniority Lists. The Employer shall provide the Association with a seniority list annually. Each month the Employer shall notify the Association of additions and deletions to that list.

Article VII

Grievance and Arbitration.

Section 7.1. -- Suspensions over 10 days and discharge shall be excluded from this grievance procedure and shall be governed exclusively by the City of Chicago's Personnel Board Rules; provided that said suspensions or discharges may be before or after final hearings are held by the Personnel Board. The grievance procedure provisions herein and the Personnel Board appeals procedure are mutually exclusive, and no relief shall be available under both. Disciplinary action, up to and including suspensions for 10 days or less shall be governed by Section 7.2 of this Agreement.

Section 7.2. -- Procedure for Department Review of Disciplinary Action Including Suspension for Ten (10) Days Or Less.

Step 1 Within three working days after a nurse receives written notice of any disciplinary action, including a suspension for ten (10) days or less which is not appealable to the Personnel Board, the nurse shall request in writing to the department head a review of the said disciplinary action on a form provided by the Employer. The failure to submit a written request within three working days will preclude the nurse's right to review.

Step 2 Within three working days after the department head or his/her designee receives the nurse's request for review, the department head or his/her designated representative shall conduct a meeting to review the suspension.

At the meeting, the department will give the basis for its action and the nurse and/or his/her Association representative will be heard and provided the opportunity to ask questions. The nurse shall have an opportunity to respond to the disciplinary action. The department head or his/her designated representative shall render a written decision within two working days of the meeting, except where both parties agree a further investigation is required. A copy of such decision shall be sent to the nurse and the Association.

Step 3 Where further investigation is agreed upon, a second meeting shall be held between the department head or his/her designated representative and the

nurse and/or his/her Association representative to discuss the results of the investigation. Said meeting shall be conducted within five (5) working days of the close of the Step 2 meeting, unless otherwise agreed by the parties. The department head or his/her designated representative shall render a written decision within two working days of the second meeting. A copy of such decision shall be sent to the nurse and the Association.

Except where otherwise indicated, the time limits set forth herein are to encourage the prompt reviews of said disciplinary action and failure to comply with these time limits will not affect the validity of the said disciplinary action. This procedure shall be the nurse's exclusive remedy for all said disciplinary action, including suspension for ten days or less.

It is agreed that the time limitations set forth herein are of the essence and that no action or matter not in compliance therewith shall be considered the subject of a grievance unless said time limitations are extended by written agreement of both parties to this Agreement.

Step 4 If the matter is not settled in Steps 2 or 3, the Association may submit the matter to arbitration under the terms of this Agreement.

Section 7.3. -- Except as in 7.1 and 7.2 above, any and all disputes and differences involving Department of Personnel Rules, or an agency administrative action, or an interpretation or application of a specific section in this Agreement between the Employer and the Association or any of the nurses it represents shall be exclusively settled in the following manner and there shall be no interruption of the operation of the Employer. It is agreed that the time limitations set forth herein are of the essence and that no action or matter not in compliance therewith shall be considered the subject of a grievance unless said time limitations are extended by written agreement of both parties to this Agreement.

Before a formal grievance is initiated, the nurse shall discuss the matter with his/her immediate supervisor. If the problem is not resolved in discussion, the following procedure shall be used to adjust the grievance:

- Step I A. The nurse shall put the grievance or complaint in writing on the Employee Problems Form Step I within five calendar days of having knowledge of the event which gives rise to the grievance. In the space provided, the nurse will indicate what Section and part of the Agreement is in violation and the requested remedy, and submit the form to his/her immediate supervisor.
- B. The immediate supervisor will notify the nurse in writing of his/her decision in the space provided on the original Employee Problems Form Step I. This form will be returned to the employee and the Association within five calendar days after receipt of the written complaint.

- Step II
- A. If the grievance is not settled at the first Step, the Association representative and/or the nurse shall have the right to make an appeal in writing on Employee Problems Form Step II to the Department Head's designee within seven calendar days after the date of the decision by the immediate supervisor. A meeting shall be held within three working days thereafter. The name of the Department Head's designee shall be posted for nurses in areas where nurse notices are normally posted and submitted to the Association.
 - B. The Department Head's designee will notify the nurse in writing with a copy to the Association of his/her decision on Employee Problems Form Step II form within seven calendar days of the Step II meeting.
- Step III
- A. If the grievance is not settled in Step II, the Association or the nurse may appeal in writing on the space provided on Employee Problems Form Step III along with Steps I and II to the Department Head within seven calendar days of receipt of the senior supervisor's decision. If the dispute involves nursing practice issues, the appeal, upon request, shall be heard by the Department Head and the Director of Labor Relations who shall seek the full input of the Director of Nursing concerning the dispute before the Employer gives the Association and the grievant a final answer.
 - B. The Department Head shall meet with the Association in an effort to resolve said grievance and reply in writing of his/her decision within seven calendar days from receipt of Step III to the nurse and the Association.
 - C. Any settlement at Step I, II or III shall be binding upon the Employer, Association and the aggrieved nurse(s). Failure of the Employer to answer a grievance within the time limits herein shall permit the Association to refer the case to the succeeding step of the procedure. The Association will be informed of and allowed to be in attendance at all grievance or disciplinary hearings.
 - D. If the grievance is not settled at the third step, either the Association or the Employer may notify the other in writing within ten days of receipt of the Step III decision, that they request final and binding arbitration.
 - E. If the grievance or arbitration affects more than one nurse, the grievance or arbitration may be presented by a single selected employee representative of the group or class. Either the Employer or the Association may file a grievance at Step III.
 - F. Even though a grievance has been filed, nurses are obligated to follow instructions or orders of supervisors of the Employer, except where the instruction or order is so inherently dangerous to the employee that it could cause death or serious physical harm. The Employer agrees that by following instructions or orders the employee does not waive the nurse's

right to process his or her grievance. Refusal to follow instructions or orders shall be cause for suspension or discharge at the option of the Employer.

Step IV If the matter is not settled in Step III, the Association or the Employer, but not an individual nurse(s), may submit the dispute to arbitration only if it involves an interpretation or application of a specific section of this Agreement by serving a written request to arbitrate, setting forth the facts and specific relief requested, within ten calendar days after the answer is given at Step III hereof.

The parties will contact the Federal Mediation and Conciliation Service for a listing of arbitrators in the Chicagoland area. The Employer and the Association will alternately strike names from the listing of arbitrators until the arbitrator is chosen. The Employer will strike first. Arbitrator will advise the parties of his/her fees and expenses prior to selection and will be expected to charge such fees and expenses. The fee and expenses of the arbitrator shall be borne equally between the Association and the Employer.

Each party shall be responsible for compensating its own representatives and witnesses. The cost of a transcript shall be shared if the necessity of a transcript is mutually agreed upon between the parties. The arbitrator shall select a date for arbitration within 60 days of notice that a grievance is ready for arbitration and submit his/her decision within 30 days following such hearing.

The parties may agree to submit more than one grievance to an arbitrator.

An arbitrable matter must involve the meaning and application or interpretation of a specific provision of this Agreement. The provisions of this Agreement shall be the sole source of any rights which either party may assert in arbitration. The arbitrator shall have no power to amend, add to, subtract from, or change the terms of this Agreement, and shall be authorized only to interpret the existing provisions of this Agreement and apply them to the specific facts of the grievance or dispute. The decision of the arbitrator shall be based wholly on the evidence and arguments presented to him by the parties in the presence of each other. No arbitration hearing shall be held unless both parties are present. The decision of the arbitrator shall be final and binding on all parties to the dispute, including the employee or employees involved.

Section 9.7. -- Attendance at State and National Conferences. Subject to staffing needs, a reasonable number of elected delegates will be permitted to attend state and national conferences of the INA/ANA. The City will continue its practice of reimbursing such attendees for wages lost while enroute to and from, and attending, the conference. It is expected that travel shall be by the most expeditious method available.

Article X

No Strike or Lockout.

Section 10.1. -- No Strike. During the term of this Agreement neither the Association, its officers, or members shall instigate, call, encourage, sanction, recognize, condone, or

participate in any strike (including, but not limited to sympathy strikes and strikes to protest Union or third party conduct), slowdown, stoppage of work, boycott, picketing, or willful interference with rendering of services by the Employer.

Section 10.2. -- Association Responsibility. The Association agrees that it will use its best efforts to prevent any acts forbidden in this Article and that in the event any such acts take place or are engaged in by any nurse or group of nurses, the Association further agrees it will use its best efforts to cause an immediate cessation thereof. If the Association immediately takes steps in good faith to end any strike, slowdown, stoppage, boycott, picketing or interference, the Employer agrees that it will not bring action against the Association to establish responsibility for such wildcat or unauthorized conduct.

Section 10.3. -- Discipline for Breach. The Employer in its sole discretion may terminate the employment or otherwise discipline any nurse or nurses who engage in any act forbidden in this Article.

Section 10.4. -- No Lockout. The Employer agrees not to lock out the nurses during the term of this Agreement.

Article XI

Miscellaneous.

Section 11.1. -- Personnel Files. The Employer's personnel files and disciplinary history files, except for confidential documents, relating to any nurse shall be open and available for inspection by the affected nurse during regular business hours. Any material and/or matter not available for inspection shall not be used in any forum adverse to the nurse's interest. Records of disciplinary action which are over two years after the date of the incident or the date upon which the violation was discovered, whichever is longer, shall not be used against the nurse unless the matter is the subject of either civil or criminal court litigation prior to the expiration of the two-year period.

Section 11.2. -- Bulletin Boards. The Employer or her/his designee in the department shall, upon the request of a nurse of that department or agency, and subject to the availability of space, designate space on a bulletin board for the nurse to post materials which do not relate to official City business. The nurse shall not use such space for posting abusive, inflammatory or partisan political material. All materials which are posted by the nurse must be signed and dated by such nurse prior to posting, and bear the approval of the Department Head or his designee.

Section 11.3. -- Waiver. The parties acknowledge that, during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties, after the exercise of that right and opportunity, are set forth in this Agreement. The parties expressly waive and relinquish the right, and each agrees that the other shall not be obligated during the term of this Agreement, to bargain collectively with respect to any subject matter concerning wages, hours or conditions of employment referred to or

covered in this Agreement, or discarded during the negotiations, even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated this Agreement.

Section 11.4. -- Complete Agreement. This Agreement represents the sole and complete Agreement between the parties, and supersedes all prior agreements.

Section 11.5. -- Modifications. After this Agreement has been executed, no provision may be altered or modified during the term of the Agreement except by mutual consent in writing between the Employer and the Association, and only at a conference called for such purpose by the parties and ratified by their respective organizations. All such alterations or modifications shall be executed with the same formality as this Agreement.

Section 11.6. -- Nursing Council. A Nursing Council shall be established to meet and discuss issues that affect the practice of nursing and the delivery of care to the public. Grievances and changes to this Agreement shall not be discussed. The committee will report their findings and recommendations to the Director of the Department of Health. The committee's role is advisory. The Council shall have an equal number of INA representatives and management representatives from the Department of Health, not to exceed five (5) representatives from each party. INA shall select the five (5) INA representatives and will be responsible for notifying management of their selection.

Article XII

Should any provision of this Agreement be rendered or declared invalid by reason of any existing or subsequently enacted legislation, or by decree of a court of competent jurisdiction, only that portion of the Agreement shall become null and void, and the remainder shall remain in full force and effect in accordance with its terms.

Article XIII

All proposed reprogramming of funds as outlined in the Final Statement of Projected Use of Funds by program for the Year XI and in the allocations for the prior years shall be made by providing citizens with reasonable notice of and the opportunity to comment on any proposed reprogramming of 10% or more of the funds from one activity to another, which includes the deletion of an activity or the addition of an activity.

SECTION 6. SECTION 9. The following sums of money set apart according to the departments of city government and contract-delegate agencies are allocated from the Community Development Block Grant to the City of Chicago for the Year XI and are to be expended during the fiscal year beginning July 1, 1985, and extended to and including June 30, 1986 for the objects and purposes as set forth in Section 13 hereof. No expenditures or encumbrance of Year XI Community Development Block Grant funds shall be made until such time as the C.D.B.G. Appropriation Ordinance is approved by the City Council. Sections 10 through 13 hereof set forth the provisions which shall be included in the C.D.B.G. Appropriation Ordinance.

SECTION 10. Included in the appropriation for Personal Services in applicable departments shall be an account appearing as Code No. ".015 Schedule Salary Adjustments."

Also to be included in the allocation for Personal Services shall be an account appearing as Code No. ".070 Fringe Benefits" for the purpose of providing City Employees with health insurance, dental insurance, optical insurance, life insurance, pension (employer's share), unemployment insurance, workers' compensation, tuition reimbursement, paid vacation, in-house training programs, sick leave, deferred compensation, holidays, time off with pay for family death, paid salary while on jury duty, and disability payments.

SECTION 11. The appropriations set forth in the C.D.B.G. Appropriation Ordinance for personal services shall be regarded as maximum amounts to be expended from such appropriations. Such expenditures shall be further limited to employment personnel only as needed, or as may be required by law, not to exceed the specified maximum number designated in this ordinance for any office or position by title. When there is no limitation as to the maximum number that may be employed for any office or position by title, one

person may be employed or more than one person may be employed with the approval of the Budget Director and Comptroller regardless of whether such title is printed in the singular or plural. The salary or wage rate fixed shall be regarded as the maximum salary or wage rate for the respective offices or positions; provided that wage rates fixed on a daily or monthly basis are subject to change by the City Council during the fiscal year beginning July 1, 1985, in accordance with the prevailing wage rates in private employment for such employees; and provided further that salaries or wage rates are subject to change by the City Council during the fiscal year in accordance with contracts approved by the City Council between the City of Chicago and recognized collective bargaining agents. The salary or wage rates fixed are on a yearly basis unless otherwise indicated.

Initial appointments to any positions shall be made at the entrance rate of the salary range prescribed by the applicable class grade. In exceptional cases, upon recommendation by the department head and approval of the Commissioner of Personnel, the Budget Director and the Chairman of the Committee on Finance of the City Council, initial appointment may be made at a rate above normal entrance rate. Entrance above the normal entrance rate shall be based on the outstanding and unusual character of the applicant's education, experience and training over and above the minimum qualifications specified for the class. In no event shall the authority conferred herein be exercised in violation of the Shakman Judgment.

No officer or employee shall have the right to demand continuous employment or compensation by reason of any appropriation if upon the determination of the department head, his services are not needed and it becomes necessary to lay him off on account of lack of work or lack of funds. In case of a vacancy in any office or position, the head of a department in which the vacancy occurs shall not be required to fill such office or position if, in his judgment and discretion, there is no necessity therefor.

The Commissioner of Personnel and each department head shall prepare and present to the City Council such reports as required by the 1985 Annual Appropriation Ordinance as set forth in Section 7 thereof.

"The Regulations governing the administration of the Compensation Plan and Employees Benefits for Classified Positions set forth in the Annual Appropriation" of 1982 (Council Journal pages 10270 to and including 10280) shall apply to all City of Chicago employees compensated by Community Development Block Grant Funds.

SECTION 12. Any employee who is required and is authorized to use his personally owned automobile in the regular conduct of official City business shall be allowed and paid eighteen (\$.18) cents per mile allowance for the number of miles per month use of such privately owned automobile, to a maximum amount of One Hundred Fifty Dollars (\$150.00) per month; and provided further that this allowance is subject to change by the City Council during the fiscal year beginning July 1, 1985 and ending June 30, 1986, in accordance with contracts approved by the City Council between the City of Chicago and recognized collective bargaining agents. City-owned or leased automobiles shall be used only for City business.

SECTION 13. The objects and purposes for which allocations are made in this ordinance are classified and standardized by the following items:

- 1) Personal Services
- 2) Contractural Services
- 3) Travel
- 4) Commodities
- 5) Equipment
- 6) Permanent Improvements
- 7) Land

An appropriation in one or more of the items above specified shall be construed in accordance with the definitions and limitations specified in Illinois Revised Statutes, Ch. 24, Section 8-2-5 (1983), unless this ordinance otherwise provides. An allocation for a purpose other than one specified and defined in this section may be made only as an additional, separate and distinct item, specifically stating the object and purpose thereof.

SECTION 14. All work to be performed by the City of Chicago pursuant to the C.D.B.G. Appropriation Ordinance shall be done using the current work force of the City of Chicago and the persons on the following lists shall have preference over any new employees to be hired for positions for which such lists exist in accordance with City of Chicago personnel rules:

- (a) Persons on City of Chicago layoff lists;
- (b) Persons on City of Chicago reinstatement lists;
- (c) Persons on City of Chicago reemployment lists;
- (d) Persons on City of Chicago promotion lists;
- (e) Persons on City of Chicago general employment lists.

Provided, however, that the preferences hereinabove specified shall not apply where other methods of hiring must be utilized in order to comply with the terms of any order or decree of a Court or administrative agency, collective bargaining agreement or Title VII, 42 U.S.C. Section 2000e, *et seq.*

SECTION 15. The Office of Budget and Management shall prepare and present to the City Council within 45 days of the end of each six months a report explaining the reasons for all unencumbered and unexpended allocations in all block grant years, as reported in the Department of Finance's monthly "Community Development Block Grant Fund, Schedule of H.U.D. Approved Allocations, Current Committee Approved Allocations, Expenditures, Accruals, Encumbrances and Available Balances".

SECTION 16. Except as provided in Section 5 hereof, all unencumbered and unexpended Community Development Block Grant funds from this fiscal year and all prior block grant years shall be jointly reviewed no later than March 15, 1986, by the Budget Director and the Comptroller for the purpose of preparing for the Year XII Community Development Block Grant Proposed Statement. This joint review committee shall prepare a report of funds available for reprogramming and the proposed use of such funds in Community Development Block Grant Year XII. This report shall be submitted to the City Council no later than April 1, 1986, and shall be subject to public comment and hearings along with the Year XII Community Development Block Grant Proposed Statement. Such information shall be available, on request, through the Office of Budget and Management and the Department of Finance.

Placed on File -- APPLICATION FOR CITY OF CHICAGO CHARITABLE
SOLICITATION (TAG DAY) PERMIT.

The Committee on Finance submitted a report recommending that the City Council *Place on File* an application for City of Chicago charitable solicitation (Tag Day) permit for The Salvation Army, June 16, 1986 (City Wide).

On motion of Alderman Burke the committee's recommendation was *Concurred In* and said communication and report were *Placed on File*.

Action Deferred -- APPOINTMENT OF WILLIAM J. HARTE AS ATTORNEY
TO REPRESENT CHICAGO CITY COUNCIL IN MATTER
ENTITLED KETCHUM V. BYRNE.

The Committee on Finance submitted the following report, which was, on motion of Alderman Huels and Alderman Burke, *Deferred* and ordered published:

CHICAGO, July 9, 1985.

To the President and Members of the City Council:

Your Committee on Finance submitted a resolution authorizing the appointment of William J. Harte as attorney representing the Chicago City Council in a matter entitled Ketchum v. Byrne, having had the same under advisement, begs leave to report and recommend that Your Honorable Body pass the proposed resolution transmitted herewith.

This recommendation was concurred in by 18 members of the committee with 4 dissenting votes.

Respectfully submitted,
(Signed) EDWARD M. BURKE,
Chairman.

The following is said ordinance transmitted with the foregoing committee report:

WHEREAS, The United States Supreme Court has denied certiorari in that certain case styled Ketchum v. Byrne, the case concerning redistricting of the wards in the City of Chicago; and

WHEREAS, The case has been remanded to the Honorable Charles R. Norgle of the United States District Court for the Northern District of Illinois, Eastern Division, and Judge Norgle has set a pretrial schedule and a hearing date in November to determine further proceedings on remand; and

WHEREAS, The City Council of the City of Chicago has been ably represented by William J. Harte, Ltd. in these proceedings to date and the City Council desires that the said firm continue in its representation in lieu of the Corporation Counsel; and

WHEREAS, It is not the desire of the City Council to be represented by the Corporation Counsel in this matter because there appears to be and are differing views on the issues involved in this case between a majority of the Council, the legislative branch of the City of Chicago, and the Mayor of the City of Chicago and his Corporation Counsel, the executive branch of the City of Chicago; and

WHEREAS, Given this perceived conflict between the executive and legislative branches of the City's government and the fact that the Code of Professional Responsibility prohibits attorneys from representing two clients when the interest of the two clients may conflict, the Corporation Counsel may not represent both these branches of government and meet the minimum level of conduct set forth in the Code of Professional Responsibility with which all attorneys must comply; and

WHEREAS, In order to insure that all interested parties are fairly and equitably represented in this case, now, therefore,

Be It Resolved by the City Council of the City of Chicago:

SECTION 1. That William J. Harte, Ltd. is hereby designated to represent the City Council of the City of Chicago in the case of Ketchum v. Byrne, now pending before the Honorable Charles R. Norgle, under the terms and conditions of employment of the firm's letter of September 10, 1982 to Robert R. Retke, Assistant Corporation Counsel, dated September 10, 1982.

SECTION 2. This resolution shall be effective immediately after its passage.

Action Deferred -- CHAPTER 200.6, SECTION 200.6-4
AMENDED OF THE MUNICIPAL CODE OF
CHICAGO CONCERNING CITY OF
CHICAGO USE TAX.

The Committee on Finance submitted the following report, which was, on motion of Alderman Evans and Alderman Kelley, *Deferred* and ordered published:

CHICAGO, July 9, 1985.

To the President and Members of the City Council:

Your Committee on Finance, to which was referred an ordinance amending the Municipal Code of the City of Chicago, Section 200.6-4 by adding a new Section which exempts from the City of Chicago Use Tax all purchases of motor vehicles outside the City by residents of the City prior to July 1, 1985, having had the same under advisement, begs

leave to report and recommend that Your Honorable Body pass the proposed ordinance transmitted herewith.

This recommendation was concurred in by 16 members of the committee with 2 dissenting votes.

Respectfully submitted,
(Signed) EDWARD M. BURKE,
Chairman.

The following is said ordinance transmitted with the foregoing committee report:

WHEREAS, In the past week the City's Revenue Department has notified almost 20,000 Chicago citizens that they have 15 days to pay a one percent (1%) use tax on motor vehicles purchased outside the City since August, 1981; and

WHEREAS, While as a matter of course the government of this City must seek out ways in which to increase revenues, this retroactive tax seems unduly awkward and inconvenient for many citizens, in that, as an example, a used car purchased four years ago may well not exist today, and a former owner would have some hardship in remembering the exact cost, or in researching the exact cost in 15 days; and

WHEREAS, Supposedly the reason for this sudden notice of tax debt, said to eventually reach some 78,000 citizens, is that the Illinois Secretary of State's Office only recently made available to our Revenue Department copies of vehicle registrations that disclose the point of purchase of licensed motor vehicles; and

WHEREAS, While this delay is understandable, it becomes impractical when applied, on 15-day notice, to some 80,000 citizens who may or may not still own the vehicles in question, or who may or may not remember the exact cost of said vehicles; indeed, many citizens have already indicated to their aldermen and to other City officials that they feel these tax due notices are uncalled for and unfair; and

WHEREAS, It seems more fitting and proper, and far more viable, to apply the tax to all future out-of-City motor vehicle purchases rather than causing so many citizens such undue and unannounced inconvenience; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That Section 200.6-4 of the Municipal Code of Chicago is hereby amended by adding thereto, in its proper alphabetical sequence, a new sub- paragraph (n), as shown in italics below:

200.6-4. Purchases or uses of tangible personal property under the following circumstances shall not be subject to the tax imposed by this Chapter:

...

(n) purchase of a motor vehicle outside the City by a resident purchaser of this City

prior to July 1, 1985.

SECTION 2. This ordinance shall be in full force and effect from and after its date of passage.

COMMITTEE ON ECONOMIC DEVELOPMENT.

CONDITIONAL APPROVAL OF INDUSTRIAL REVENUE BOND AUTHORIZED FOR PROJECT BY DEARBORN STATION ASSOCIATES.

The Committee on Economic Development submitted the following report:

CHICAGO, July 9, 1985.

To the President and Members of the City Council:

Your Committee on Economic Development, having had under consideration a proposed ordinance transmitted with a communication signed by Mayor Harold Washington (which was referred on June 26, 1985) providing for the conditional approval on an industrial revenue bond in the amount of \$6,800,000 to finance a development project in the City of Chicago to be owned by Dearborn Station Associates, begs leave to recommend that Your Honorable Body *Pass* said ordinance which is transmitted herewith.

This recommendation was concurred in by seven (7) members of the committee with no dissenting vote.

Respectfully submitted,
(Signed) BERNARD J. HANSEN,
Chairman.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The recommendation of the Commissioner, on behalf of the Department, is hereby accepted and the Memorandum of Agreement in the form submitted to this City Council is hereby approved.

Upon the fulfillment of the conditions stated in the Memorandum of Agreement, this City Council will take such other actions and adopt such further proceedings as may be necessary under the Enabling Ordinance to issue such Industrial Revenue Bonds in an amount not to exceed \$6,800,000 for the purpose aforesaid.

SECTION 4. This ordinance shall be in full force and effect from and after its passage.

Memorandum of Agreement and Exhibit A attached to this ordinance read as follows:

Memorandum of Agreement.

This Memorandum of Agreement (the "Agreement") is by and between the Department of Economic Development of the City of Chicago (the "Department") and Dearborn Station Associates, an Illinois general partnership (the "Company").

1. Preliminary Statement. Among the matters of mutual inducement which have resulted in this Agreement are the following:

(a) The City of Chicago, Cook County, Illinois (the "City") is a municipality and a home rule unit of government under Section 6(a) of Article VII of the 1970 Constitution of the State of Illinois and as such home rule unit has duly adopted Chapter 15.2 of the Municipal Code of the City of Chicago, as supplemented and amended (the "Enabling Ordinance"), authorizing and empowering the City to issue its revenue bonds for the purpose of financing the cost of the acquisition, purchase, construction, rehabilitation, redevelopment or extension of "industrial development projects" (as defined in the Enabling Ordinance) in order to encourage and promote the retention and expansion of existing commercial and industrial businesses within the City and the attraction of new businesses to the City.

(b) The Company proposes to acquire certain land and an existing building located on the south side of Polk Street at its intersection with Dearborn Street in Chicago, Illinois and to make improvements thereto and to be owned and used by the Company as a retail and office facility (the "Project") and to be located in the City of Chicago, Illinois. The Company wishes to obtain satisfactory assurance from the City that the proceeds from the sale of the revenue bonds of the City will be made available to finance the cost of the Project.

(c) The Department is authorized pursuant to the Enabling Ordinance to enter into agreements with respect to industrial development projects and the financing thereof and to make recommendations to the City with respect to the issuance of its revenue bonds.

(d) Subject to due compliance with all requirements of law, the Department will proceed to take such action, and recommend that the City take such action, as may be necessary to cause to be prepared such agreements, mortgages, indentures or such other documents as may be necessary to cause the City, by virtue of such authority as may now or hereafter be conferred by the Enabling Ordinance, to issue and sell its revenue bonds in an amount not to exceed \$6,800,000 (the "Bonds") to pay costs of the Project and costs incidental to the issuance of the Bonds.

(e) Pursuant to the Enabling Ordinance, the Economic Development Commission of the City of Chicago (the "Commission") has identified the Project as an industrial development project which may be undertaken to strengthen and promote the economic vitality of the City of Chicago, Illinois, has approved the form of this Agreement, and has advised the Commissioner of Economic Development of the City of Chicago to recommend to the City Council of the City that the City issue and sell the Bonds to finance the cost of the Project.

(f) The Department, with and upon the advice of the Commission, considers that the financing by the City of the cost of the Project on behalf of the Company will promote and further the purposes of the Enabling Ordinance.

(g) The Department and the City reserve the right to give priority to the issuance of industrial development bonds and certain other "private activity bonds" of the City, as may be required by Section 103(n) of the Internal Revenue Code of 1954, as amended, or as they, in their sole discretion, may determine, with the result that the City may not issue the Bonds in calendar year 1985.

2. Undertakings on the Part of the Department. Subject to the conditions above stated and to the limits of the authority of the Department, the Department agrees as follows:

(a) That it will begin the proceedings necessary on its part to cause the City Council of the City to authorize the issuance and sale of the Bonds, pursuant to the terms of the Enabling Ordinance as then in force.

(b) That it will cooperate with the Company in finding a purchaser or purchasers for the Bonds, and if satisfactory purchase arrangements can be made, the Department will recommend that the City adopt such proceedings authorizing the execution of such documents as may be necessary or advisable for the authorization, issuance and sale of the Bonds and the financing of the Project, all as shall be authorized by law and mutually satisfactory to the Department, the City and the Company.

(c) That, if the City issues and sells the Bonds, the financing instruments will provide that the City will use the proceeds of the Bonds to finance the Project and the aggregate payments, basic rents or sale price (i.e., the amounts to be paid by the Company and used by the City to pay the principal of, interest and redemption premium, if any, on the Bonds) payable under the instruments whereby the Project shall be financed, shall be such sums as shall be sufficient to pay the principal of, interest and redemption premium, if any, on the Bonds as and when the same shall become due and payable.

(d) That it will take or cause to be taken such other acts and adopt such further proceedings as may be required to implement the aforesaid undertakings or as it may deem appropriate in pursuance thereof.

3. Undertakings on the Part of the Company. Subject to the conditions above stated, the Company agrees as follows:

(a) That it will use all reasonable efforts to find one or more purchasers for the Bonds.

(b) That contemporaneously with the issuance of the Bonds, the Company will enter into a revenue agreement, as defined in the Enabling Ordinance, with the City under the terms of which the Company will obligate itself to pay to the City sums sufficient in the aggregate to pay the principal of, interest and redemption premium, if any, on the Bonds as and when the same shall become due and payable, such revenue agreement to be in form and substance satisfactory to the Department, the City and the Company.

(c) That during the period beginning on the date of the sale and delivery of the Bonds by the City to the purchaser thereof and ending three years after the date of completion of the acquisition, construction and equipping of the Project or after payment of all costs of the acquisition, construction and equipping of the Project, whichever is later, the Company (1) will furnish upon the request of the Department a report in a form satisfactory to the Department, containing information relating to the Project, including but not limited to, the numbers and types of jobs and employment opportunities which have been created or maintained within the City as a result of the acquisition, construction and equipping of the Project, and (2) will permit any duly authorized agent of the Department to enter upon and inspect the Project during regular business hours, and to examine and copy at the principal office of the Company located within the City of Chicago, Illinois, during regular business hours all books, records and other documents of the Company relating to expenditures from the Bond proceeds for the Project and the numbers and types of jobs at the Project.

(d) That it will take such further action and adopt such further proceedings as may be required to implement its aforesaid undertakings or as it may deem appropriate in pursuance thereof.

4. General Provisions.

(a) All commitments of the Department under paragraph 2 hereof and of the Company under paragraph 3 hereof, are subject to the conditions that on or before one (1) year from the date hereof (or such other date as shall be mutually satisfactory to the Department and the Company), the Department, the City and the Company shall have agreed to mutually acceptable terms for the Bonds and of the sale and delivery thereof, and mutually acceptable terms and conditions of the agreements and instruments referred to in paragraphs 2 and 3 hereof and the proceedings referred to in paragraphs 2 and 3 hereof.

(b) All costs and expenses in connection with the financing and the acquisition, construction and equipping of the Project, including the fees and expenses of counsel to the City and the Department, Chapman and Cutler, as bond counsel, and the agent or underwriter for the sale of the Bonds, shall be paid from the proceeds of the Bonds or by the Company. If the events set forth in (a) of this paragraph do not take place within the time set forth or any extension thereof and the Bonds are not sold within such time, the Company agrees that it will reimburse the City and the Department for all reasonable and necessary direct out-of-pocket expenses which the City and the Department may incur from the execution of this Agreement and the performance by the City of its obligations hereunder, and will pay upon demand the preliminary fees of bond counsel, and this Agreement shall thereupon terminate.

In Witness Whereof, the parties hereto have entered into this Agreement by their officers thereunto duly authorized as of this 14th day of June, 1985.
