Rules Suspended -- PRESIDENT AND CONGRESS MEMORIALIZED
TO PURCHASE AND DEDICATE CIVIL WAR BATTLE
SITE AND TO RECOGNIZE ARMY OF
THE JAMES MEDAL.

Alderman Orbach moved to *Suspend the Rules Temporarily* for the purpose of going out of the regular order of business, to consider a proposed resolution. The motion *Prevailed*.

The following is said proposed resolution:

WHEREAS, The Battle of New Market Heights, one of the most unique -- and certainly one of the most decisive -- battles of the American Civil War, took place in Virginia, September 29, 1864; and

WHEREAS, The battle resulted from a surprise attack on General Lee's Confederate troops by a 3000-man, all-black military force from the First and Second Brigade of the Third Division XVIII Corps of the United States Colored Troops; and

WHEREAS, Under the command of the Union forces' second highest ranking commander, Major General Benjamin Franklin Butler, and with no artillery support, nine black regiments, so-called U. S. Colored Troops, charged in wave after wave with bayoneted but unloaded guns until, with numerous losses, they overtook the surprised troops of the South and weakened General Lee's forces so that the Confederate Army ultimately lost Richmond; and

WHEREAS, In recognition of the magnificent contribution of black troops to the Union victory in the Civil War, Maj. General Butler ordered from Tiffany's of New York a medal struck in silver, called "the Army of James Medal", and awarded this medal to black troops, most of whom had performed with uncanny bravery in the Battle of New Market Heights, Virginia; and

WHEREAS, This medal has never been officially recognized by the U. S. Government, and, furthermore, the site of the Battle of New Market Heights, long in dispute as to exact location, has been discovered recently through diligent research. This property is currently purchasable and is, indeed, in danger of being taken over in a plan for a new Expressway; and

WHEREAS, In these times of Black Awareness, when U. S. history books are finally being altered to show the truth of black contributions to American history, it would be fitting and proper for the U. S. Government to purchase and dedicate the site of the Battle of New Market Heights, and to recognize the Army of the James Medal awarded to those heroic blacks who fought under the Union banner and thus gave tangible evidence that blacks fought for and earned their freedom in this country; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, gathered here this 7th day of August, 1985, A. D., do hereby memorialize President Reagan, the United States Congress and the United States Department of the Interior to bring about the purchase and dedication of that Virginia land now known as the site of the Battle of New Market Heights, in honor and recognition of the great contribution of black regiments to the American Civil War as well as to their own and our subsequent freedom; and

Be It Further Resolved, That President Reagan and the U.S. Congress be urged to recognize the Army of the James Medal awarded heroric black troops by General Benjamin Franklin Butler, second in command of Union troops to General Ulysses S. Grant, in honor of their outstanding contributions to the Union victory; and

Be It Further Resolved, That a suitable copy of this resolution be presented to President Reagan and the United States Congress.

Alderman Orbach moved to *Suspend the Rules Temporarily* for the immediate consideration of and action upon the foregoing proposed resolution. The motion *Prevailed*.

On motion of Alderman Orbach, seconded by Aldermen Rush, Langford and Streeter, the foregoing proposed resolution was *Adopted* by a viva voce vote.

Stating that his efforts were deeply appreciated, Mayor Washington invited to the rostrum Mr. Irwin "Pat" Rice, who dedicated ten years of his life to researching the medal and who located the exact battle site.

Mr. Rice then noted that the medal and battlefield were among the most important symbols in American history and requested that those assembled write the President to urge that the Medal be recognized and the New Market Heights battlefield be saved.

WHEREAS, We, the Mayor and members of the City Council hereafter known as the City Hall Sluggers -- do hereby accept the challenge of the City Hall Press Corps to match wits, gloves, bats and balls on the softball diamond; and

WHEREAS, Given the current idleness of the Cubs and White Sox, there is no finer entertainment we can provide the good people of Chicago than some robust competition on the field of play between government and the press; and

WHEREAS, The bleacher bums who traditionally inhabit the center field bleachers at Wrigley Field would jump at the chance to root for their next-to-favorite home team, the City Hall Sluggers (of course, who else?); and

WHEREAS, Since the Mayor and members of the Council need a little competition in their lives to liven up the daily happenings at City Hall and pull us out of the summer doldrums; now, therefore,

Be It Resolved, That, I, Harold Washington, being not only Mayor, but City Hall champion slugger, on this day of Wednesday, August 7, 1985 take this rare opportunity to shout "Play Ball" to the reporters of Chicago, and may the best set of sluggers win.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The assignment of the contract for the sale and redevelopment of Parcel C-22 in the Hyde Park-Kenwood Conservation Area dated October, 1979, between the City of Chicago and the Hyde Park-Kenwood Development Corporation to the 1500 E. 53rd Street Limited Partnership is hereby approved.

SECTION 2. Upon the approval of the Corporation Counsel as to form and legality the Mayor of the City of Chicago is authorized to execute, on behalf of the City of Chicago, an Agreement for Amendment, Assignment and Assumption of a contract for the sale of land redevelopment between and among the City of Chicago, the Hyde Park-Kenwood Development Corporation and the 1500 E. 53rd Street Limited Partnership; said Agreement shall be substantially in the following form:

Agreement made on or as of this _____ day of June, 1985, by and among the City of Chicago, a public body corporate with offices at 121 North LaSalle Street, Chicago, Illinois (hereinafter called "City"); Hyde Park-Kenwood Development Corporation, of 5240 S. Harper Avenue, Chicago, Illinois, (hereinafter called Hyde Park-

Kenwood) and 1500 East 53rd Street Limited Partnership, c/o Landau and Hayman, 120 South LaSalle Street, Chicago, Illinois (hereinafter called "Developer").

Witnesseth:

A. Whereas, on or about October, 1979, City and Hyde Park-Kenwood entered into a certain contract for sale of land and redevelopment (hereinafter called "Redevelopment Contract") for property commonly known and described as 1500- 1506 East 53rd Street, Chicago, Illinois (hereinafter called the "Property"), the legal description to which is attached hereto and made a part hereof as Exhibit "A", which property is also known as parcel C-22 in the Hyde Park-Kenwood Conservation Area; and

B. Whereas, Developer, through its nominee LaSalle National Bank, not individually but as Trustee under Trust Agreement dated March 14, 1985, and known as Trust No. 109551, has entered into a certain real estate sale contract dated May 2, 1985, and Hyde Park-Kenwood to acquire the Property (hereinafter called the "Real Estate Sale Contract") and assume all of Hyde Park-Kenwood's obligations under the Redevelopment Contract, subject, however to securing approval by City of such assignment and assumption and Developer's site plan, architectural drawings and specifications, and further subject to all of the parties approving certain other modifications to the Redevelopment Contract; and

C. Whereas, on May 7, 1985, the Department of Urban Renewal of the City of Chicago adopted a resolution approving the procedure and modifications set forth in this Agreement;

Now, Therefore, in consideration of the premises and the mutual obligations of the Parties hereto, the Parties do hereby covenant and agreed as follows:

1. The recitals set forth above are hereby incorporated into this Agreement as though fully set forth herein.

2. The City hereby waives any defaults in the Redevelopment Contract arising prior to the date of this Agreement and agrees to and approves of the assignment by Hyde Park-Kenwood to Developer of the Redevelopment Contract and the coveyance of the Property by Hyde Park-Kenwood to Developer prior to completion of redevelopment of the Property subject to the requirements and modifications hereinafter set forth.

3. Developer will acquire the property and assume the obligations of the Redevelopment Contract on or before sixty (60) days from the date of complete execution of this Agreement, subject to the ability of Hyde Park-Kenwood to deliver good title to Developer in accordance with the provisions of the Real Estate Sale Contract.

4. The improvements to be constructed on the Property shall be in substantial conformity (including materials and facade) with the architectural drawing entitled "53rd and Harper Proposal" prepared by Stowell, Cook and Frolichstein, Inc., Architects, as Project No. 1595, dated March 18, 1985, Sheet No. SP-1, a copy of which is attached hereto and made a part hereof as Exhibit "B".

5. The City hereby acknowledges that upon the closing of the transaction contemplated by the Real Estate Sale Contract, the good faith deposit in the amount of \$4,163.75 described in Section 3(a) of the Redevelopment Contract shall be assigned by Hyde Park-Kenwood to Developer. City hereby agrees to deliver said sum of \$4,163.75 to Developer when Developer has completed the improvements on the Property in accordance with the Redevelopment Contract as amended by this Agreement.

6. Section 5 of the Redevelopment Contract is hereby eliminated and the following is substituted in its place:

"Section 5. Time for Commencement and Completion of Improvements.

The construction of the improvements referred to on the architectural drawing attached hereto as Exhibit "B" shall be commenced in any event within six months after the recording date of the Deed from Hyde Park- Kenwood to Developer (or its nominee) and, except as otherwise provided in the Redevelopment Contract, shall be completed within eighteen months after such date."

7. That wherever and whenever the Redevelopment Contract requires certain acts or performances to occur within a time period commencing with the date of said Redevelopment Contract, the commencement date for any such time periods shall instead be the date of this Agreement.

8. Section 8 of the Redevelopment Contract is hereby eliminated and the following is substituted in its place:

"Section 8. Certificate of Completion.

Promptly after completion of the construction of the Improvements in accordance with this Agreement, the Seller will furnish the Purchaser with an appropriate instrument so certifying. The certification by the Seller shall be (and it shall be so provided in the Deed and in the certification itself) a conclusive determination of satisfaction and termination of the covenants in the Agreement and the Deed with respect to the obligations of the Purchaser, and its successors and assigns to construct the improvements and the dates for the beginning and completion thereof. The certification shall be in such form as will enable it to be recorded. If the Seller shall refuse or fail to provide the certification, the Seller shall, within thirty (30) days after written request by the Purchaser, provide the Purchaser with a written statement indicating in adequate detail how the Purchaser has failed to complete the construction or rehabilitation of the Improvements in conformity with the Urban Renewal Plan or this Agreement and what measures or acts it will be necessary, in the opinion of the Seller, for the Purchaser to take or perform in order to obtain the certification."

9. Section 11 of the Redevelopment Contract is hereby eliminated and the following is substituted in its place:

"Section 11. Prohibition Against Transfer of Property.

The Purchaser will not make or create, and, prior to the completion of the Improvements as certified by the Seller, make or suffer to be made any sale, assignment, conveyance, or transfer in any other form of or with respect to this Agreement or the Property, or any part thereof or any interest therein, or contract or agree to do any of the same, without the prior written approval of the Seller, except Purchaser may mortgage said premises as provided in Section 12. Provided, however, that the Purchaser may enter into lease or leases for the premises or part thereof which lease or leases shall come into effect upon completion of the redevelopment."

10. Section 15 of the Redevelopment Contract is hereby eliminated and the following is substituted in its place:

"Section 15. Remedies.

A. In General. Except as otherwise provided in this Agreement, in the event of any default in or breach of the Agreement, or any of its terms or conditions by either party hereto, or any successor to such party, such party (or successor) shall, upon written notice from the other, proceed to cure or remedy such default or breach immediately, or in any event not later than sixty (60) days after receipt of such notice. In case such action is not taken or diligently pursued, or the default or breach shall not be cured or remedied within a reasonable time, the aggrieved party may institute such proceedings as may be necessary or desirable in its opinion to cure and remedy such default or breach, including but not limited to, proceedings to compel specific performance by the party in default or breach of its obligations.

B. Prior to Conveyance. In the event that prior to conveyance of the Property the Purchaser assigns or attempts to assign this Agreement or any rights hereunder or fails to pay the Purchase Price and take title to the Property upon tender or conveyance by the City, or defaults in the provisions of Section 6, then this Agreement and any rights of the Purchaser in this Agreement may, at the option of the City, be terminated by the City and the deposit retained by the City as liquidated damages. In the event that the City does not tender conveyance or possession of the Property as provided in this Agreement, then this Agreement, at the option of the Purchaser, shall be terminated.

C. Retention by City. Upon termination of this Agreement for any default or breach by the Purchaser after the sale, the deposit, including all interest payable thereon after such termination, shall be retained by the City. This provision shall not operate nor be interpreted in any way as a waiver or limitation on any other rights or remedies for said default or breach to which the City may be entitled by this Agreement, operation of law or otherwise.

D. Return to Purchaser. Upon termination of this Agreement for failure to deliver the Deed, the deposit shall be returned to the Purchaser by the City. If the Agreement shall not have been terminated, the City shall return the deposit to the Purchaser upon satisfactory completion of the Improvements.

E. Revesting Title in City Upon Happening of Event Subsequent to Conveyance to Purchaser. In the event that subsequent to conveyance of the Property or any part

thereof to the Purchaser and prior to completion of the Improvements as certified by the City:

1. The Purchaser (or successor in interest) has not commenced construction of the Improvements within twelve (12) months from the date of conveyance or shall abandon or substantially suspend construction work for a period in excess of six (6) months thereafter; or
2. The Purchaser (or successor in interest) shall fail to pay real estate taxes or assessments on the Property or any part thereof when due, or shall place thereon any encumbrance or lien unauthorized by the Agreement, or shall suffer any levy or attachment to be made, or any materialmens' or mechanics' lien, or any other unauthorized encumbrance or lien, to attach and such taxes or assessments shall not have been paid, or the encumbrance or lien removed or discharged or provisions satisfactory to the City made for such payment, removal, or discharge, within ninety (90) days after written demand by the City so to do; or
3. There is, in violation of the Agreement, any transfer of the Property or any part thereof, or any change in the ownership or distribution of the stock of the Purchaser, or with respect to the identity of the parties in control of the Purchaser or the degree thereof, and such violation shall not be cured within sixty (60) days after written demand by the City to the Purchaser;

then the City in accordance with the general provisions of Section 15A of this Agreement, as a method of remedying said default, shall have the right to reenter and take possession of the Property and to terminate (and revert in the City) the estate conveyed by the Deed to the Purchaser, it being the intent of this provision, together with other provisions of the Agreement, that the conveyance of the Property to the Purchaser shall be made upon, and that the Deed shall contain, a condition subsequent to the effect that in the event of any default, failure, violation, or other action or inaction by the Purchaser specified in subdivisions (1), (2), and (3) of this Section 15E, failure on the part of the Purchaser to remedy, end, or abrogate such default, failure, violation, or other action or inaction, within the period and in the manner stated in such subdivision; the City at its option may declare a termination in favor of the City of the title, and of all the rights and interests in and to the Property conveyed by the Deed to the Purchaser, and that such title and all rights and interest of the Purchaser, and any assigns or successors in interest to and in the Property, shall revert to the City: Provided, that such condition subsequent and any revesting of title as a result thereof in the City:

1. Shall always be subject to and limited by, and shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by the Agreement for the protection of the holders of such mortgages; and
2. Shall not apply to individual parts or parcels of the Property (or in the case of parts or parcels leased, the leasehold interest) on which the Improvements to be constructed thereon have been completed in accordance with the Agreement and for which a certificate of completion is issued therefore as provided in Section 8 hereof.

In addition to, and without in any way limiting the City's right to re- entry as provided for in the preceding sentence, the City shall have the right to retain the Deposit, without any deduction, offset or recoupment whatsoever, in the event of a default, violation or failure of the Purchaser as specified in the preceding sentence.

F. Resale of Reacquired Property; Disposition of Proceeds. Upon the revesting in the City of title to the Property or any part thereof as provided in Section 15E the City shall, pursuant to its responsibilities under State law, use its best efforts to resell the Property or part thereof (subject to such mortgage liens and leasehold interests as in Section 15E set forth and provided) as soon and in such manner as the City shall find feasible and consistent with the objectives of such law and of the Conservation Plan to a qualified and responsible party or parties (as determined by the City) who will assume the obligations of making or completing the Improvements or such other improvements in their stead as shall be satisfactory to the City and in accordance with the uses specified for such Property or part thereof in the Conservation Plan. Upon such resale of the Property, the proceeds thereof shall be applied:

1. First, to reimburse the City for all costs and expenses incurred by the City, including but not limited to salaries of personnel, in connection with the recapture, management, and resale of the Property or part thereof (but less any income derived by the City from the Property or part thereof in connection with such management); all taxes, assessments, and water and sewer charges with respect to the Property or part thereof (or, in the event the Property is exempt from taxation or assessment or such charges during the period of ownership thereof by the City, an amount, if paid, equal to such taxes, assessments, or charges as determined by the City assessing official as would have been payable if the Property were not so exempt); any payments made or necessary to be made to discharge or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults, or acts of the Purchaser, its successors or transferees; any expenditures made or obligations incurred with respect to the making or completion of the Improvements or any part thereof on the Property or part thereof; and any amounts otherwise owing the City by the Purchaser and its successor or transferee; and
2. Second, to reimburse the Purchaser, its successor or transferee, up to the amount equal to (a) the sum to the purchase price paid by it for the Property (or allocable to the part thereof) and the cash actually invested by it in making any of the Improvements on the Property or part thereof, less (b) any gains or income withdrawn or made by it from the Agreement or the Property.

Any balance remaining after such reimbursements shall be retained by the City as its property.

G. Enforced Delay in Performance for Causes Beyond Control of Party. For the purposes of any of the provisions of the Agreement, neither the City nor the Purchaser, as the case may be, nor any successor in interest, shall be considered in breach of, or default in, its obligations with respect to the preparation of the Property for redevelopment, or the beginning and completion of construction of the improvements, or

progress in respect thereto, in the event of enforced delay in the performance of such obligations due to unforeseeable causes beyond its control and without its fault or negligence, including but not restricted to delays or halts in construction which are compelled by court order, acts of God, acts of the public enemy, acts of the Federal Government, acts of the other party, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather or delays of subcontractors due to such causes; it being the purpose and intent of this provision that in the event of the occurrence of any such enforced delay, the time or times for performance of the obligations of the City with respect to the preparation of the Property for redevelopment or of the Purchaser with respect to construction of the improvements, as the case may be, shall be extended for the period of the enforced delay as determined by the City: Provided, that the party seeking the benefit of the provisions of this Section shall, within twenty (20) days after the beginning of any such enforced delay, have first notified the other party thereof in writing, and of the cause or causes thereof, and requested an extension for the period of the enforced delay.

H. No Waiver by Delay. Any delay by the City in instituting or prosecuting any actions or proceedings or otherwise asserting its rights shall not operate as a waiver of such rights or to deprive it of or limit such rights in any way (it being the intent of this provision that the City should still hope otherwise to resolve the problems created by the default involved); nor shall any waiver in fact made by the City with respect to any specific default by the Purchaser under this Section be considered to be treated as a waiver of the rights of the City with respect to any other defaults by the Purchaser under this Section or with respect to the particular default except to the extent specifically waived in writing."

11. Section 19 of the Redevelopment Contract is hereby eliminated and the following is substituted in its place:

"Section 19. Special Provisions.

**City Council Informed As To Miscellaneous
Documents Filed In City Clerk's Office.**

Honorable Walter S. Kozubowski, City Clerk, informed the City Council that documents have been filed in his office relating to the respective subjects designated as follows:

Placed on File -- MAYORAL VETO OF LEGISLATION INSTRUCTING CITY
CABLE ADMINISTRATOR AND CHAIRMAN OF CITY COUNCIL
COMMITTEE ON CABLE TELEVISION TO CONVENE
MUNICIPAL UTILIZATION STUDY PANEL.

Honorable Harold Washington, Mayor, submitted the following communication, which was *Placed on File*:

OFFICE OF THE MAYOR
CITY OF CHICAGO

August 6, 1985.

To the Honorable, The City Council of the City of Chicago:

LADIES AND GENTLEMEN -- I return herewith, without my approval, an ordinance adopted by the City Council on July 9, 1985, relating to Cable Television. Although this ordinance is entitled a "Resolution," it is clear that this matter must be an ordinance or be of no legal effect. It attempts to amend certain Franchise agreements and to amend Chapter 113.1 of the Municipal Code relating to Cable Communications by limiting the power of the Mayor to define the role of the Cable Administrator with respect to use of local government access channels. An ordinance cannot be amended by resolution. As a consequence, this action taken by the Council must be treated as an ordinance, regardless of its title, if it is to have any effect whatsoever.

This piece of legislation purports to do three things. First, it requires that the Cable Administrator and the Chairman of the City Council Committee on Cable Television convene a "Municipal Utilization Study Panel" to draft an ordinance detailing the City's proposed use of Cable systems. Second, it requires that the composition of the proposed study panel be agreed upon by the Cable Administrator and the Chairman of the Committee on Cable Television. Third, it amends the ordinances embodying the Cable Franchise agreements and the Municipal Code by prohibiting the City from exercising its rights to the use of Municipal Utilization Channels without the *prior* approval of the City Council by ordinance.

Section 113.1-26 of the Cable Communication ordinance requires that Grantees under franchise agreements provide a minimum of two local government access channels for the use of local government authorities free of charge. Section H of the Cable Franchise Agreements provides that the "City shall administer" the local government access channels. Section 113.1-42 of the Municipal Code provides that the "Duties of the Cable Administrator shall be as directed by the Mayor and shall include, but not be limited to . . . performing such regulatory and monitoring functions as the Commission may direct." In accordance with this legislative grant of authority, I have already directed the Cable Administrator to develop and implement policy on the utilization of local government access channels.

There is no reason why use of government access channels should await council approval. The citizens of the City of Chicago have a right to know how their government is operating. My position has always been and continues to be in favor of greater government disclosure and access by citizens to the governing process. This action by the council majority would make access to the governing process by Chicago citizens more difficult by effectively preventing any utilization of local government access channels that meets with the disapproval of the council majority. This position does not and cannot have my support.

Consequently, I must withhold my approval of this ordinance which seeks to give the council majority veto power over what governmental affairs Chicago citizens may see on Cable Television.

Very truly yours,
(Signed) HAROLD WASHINGTON,
Mayor.

WHEREAS, It is deemed to be necessary, essential and for the best interests of the inhabitants of the City and necessary for the welfare of the government and affairs of the City to refund the March Series and the September Series (collectively the "Refunded Bonds"); and

WHEREAS, The cost of refunding the March Series is estimated to be not more than \$160,000,000 and the cost of refunding the September Series is estimated to be not more than \$80,000,000 and the City expects to pay such cost by borrowing such money and issuing its bonds in evidence thereof; and

General Obligation Bonds, Refunding Series 1985 (the "Refunding Bonds"), such borrowing being for a proper public purpose and in the public interest, and the City, by virtue of its constitutional home rule powers and all laws applicable thereto, has the power to issue such Bonds; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The City Council, after a public hearing heretofore held on this Ordinance by the Committee on Finance of the City Council, pursuant to proper notice having been given thereof, and in accordance with the findings and recommendations of such Committee, hereby finds that all of the recitals contained in the preambles to this ordinance are full, true and correct and does incorporate them into this ordinance by this reference.

SECTION 2. There shall be borrowed on the credit of and for and on behalf of the City the sum of not to exceed \$240,000,000 for the refunding purposes aforesaid; that Refunding Bonds of the City shall be issued in said amount; or such lesser amount, as may be determined by the City Comptroller. The Refunding Bonds shall be dated August 1, 1985, or such other date as shall be agreed upon between the City Comptroller and the purchasers of the Refunding Bonds, shall be in fully registered form, shall be in denominations of \$5,000 each and any integral multiple thereof (but no single Refunding Bond shall represent installments of principal maturing on more than one date), shall be numbered 1 and upward, and such Refunding Bonds shall become due and payable on or before January 1, 2013, and the principal amount of such Refunding bonds payable, whether at maturity or by virtue of mandatory redemption, on any January 1 (after taking into account prior required mandatory redemptions of such Refunding Bonds) and the interest to accrue thereon shall not exceed the applicable amount levied therefore herein and shall bear interest at a rate or rates not to exceed 11% per annum.

Each Refunding Bond shall bear interest from the later of its date or the most recent interest payment date to which interest has been paid or duly provided for, until the principal amount of such Refunding Bond is paid, such interest (computed upon the basis of a 360-day year of twelve 30-day months) being payable on the first days of January and July of each year, commencing on January 1, 1986. Interest on each Refunding Bond shall be paid by check or draft of the bank or trust company designated by the Comptroller, or its successor as bond registrar (the "Bond Registrar"), in lawful money of the United States of America, to the person in whose name such Refunding Bond is registered. The principal of the Refunding Bonds and redemption premium, if any, shall be payable in lawful money of the United States of America upon presentation and surrender at the principal corporate trust office of the Bond Registrar.

The facsimile of the seal of the City shall be fixed to each of the Refunding Bonds, and the Refunding Bonds shall be executed by the facsimile signature of the Mayor and the City Comptroller and attested by the facsimile signature of the City Clerk, and in case any officer whose signature shall appear on any Refunding Bond shall cease to be such officer before the delivery of such Refunding Bond, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

All Refunding Bonds shall have thereon a certificate of authentication substantially in the form hereinafter set forth duly executed by the Bond Registrar as authenticating agent of the City and showing the date of authentication. No Refunding Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this ordinance unless and until such certificate of authentication shall have been duly executed by the Bond Registrar by manual signature, and such certificate of authentication upon any such Refunding Bond shall be conclusive evidence that such Refunding Bond has been authenticated and delivered under this ordinance. The certificate of authentication on any Refunding Bond shall be deemed to have been executed by the Bond Registrar is signed by an authorized officer of the Bond Registrar, but it shall not be necessary that the same officer sign the certificate of authentication on all of the Refunding Bonds issued hereunder.

SECTION 3. The City shall cause books (the "Bond Register") for the registration and for the transfer of the Refunding Bonds as provided in this ordinance to be kept at the principal corporate trust office of the Bond Registrar, as the registrar for the City. The City is authorized to prepare, and the Bond Registrar shall keep custody of, multiple Refunding Bond blanks executed by the City for use in the transfer and exchange of Refunding Bonds.

Upon surrender for transfer of any Refunding Bond at the principal corporate trust office of the Bond Registrar, duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory to the Bond Registrar and duly executed by the registered owner of his attorney duly authorized in writing, the City shall execute and the Bond Registrar shall authenticate, date and deliver in the name of the transferee or transferees a new fully registered Refunding Bond or Refunding Bonds of the same interest rate and maturity of authorized denominations, for a like aggregate principal amount. Any fully registered Refunding Bond or Bonds may be exchanged at said office of the Bond Registrar for a like aggregate principal amount of Refunding Bond or Bonds of the same interest rate and maturity of other authorized denominations. The execution by the City of any fully registered Refunding Bond shall constitute full and due authorization of such Refunding Bond and the Bond Registrar shall thereby be authorized to authenticate, date and deliver such Refunding Bond; provided, however, the principal amount of outstanding Refunding Bonds of each maturity authenticated by the Bond Registrar shall not exceed the authorized principal amount of Refunding Bonds for such maturity less previous retirements.

The Bond Registrar shall not be required to transfer or exchange any Refunding Bond during the period after the fifteenth day of the calendar month next preceding any interest payment date on such Refunding Bond, nor to transfer or exchange any Refunding Bond after notice calling such Refunding Bond for redemption has been mailed, nor during a period of fifteen (15) days next preceding mailing of a notice of redemption of any Refunding Bonds.

The person in whose name any Refunding Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal of, redemption premium, if any, or interest on any Refunding Bond shall be made only to or upon the order of the registered owner thereof or his legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Refunding Bond to the extent of the sum or sums so paid. In the event any of the Refunding

Bonds are registered in the name of a securities depository which uses a book entry system, the standing of the registered owner to enforce any of the covenants herein may be established through the books and records of such securities depository or a participant therein.

No service charge shall be made for any transfer or exchange of Refunding Bonds, but the City or the Bond Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Refunding Bonds except that no such payment may be required in the case of the issuance of a Refunding Bond or Bonds for the unredeemed portion of a Refunding Bond surrendered for redemption.

If any Refunding Bond, whether in temporary or definitive form, is lost (whether by reason of theft or otherwise), destroyed (whether by mutilation, damage, in whole or in part, or otherwise) or improperly cancelled, the Bond Registrar may authenticate a new Refunding Bond of like date, denomination and principal amount and bearing a number not contemporaneously outstanding; provided that (a) in the case of any mutilated Refunding Bond, such mutilated Bond shall first be surrendered to the Bond Registrar and (b) in the case of any lost Refunding Bond or Bond destroyed in whole, there shall be first furnished to the Bond Registrar evidence of such loss or destruction, together with indemnification of the City and the Bond Registrar, satisfactory to such Bond Registrar. In the event any lost, destroyed or improperly cancelled Refunding Bond shall have matured or is about to mature, or has been called for redemption, instead of issuing a duplicate Refunding Bond, the Bond Registrar shall pay same without surrender thereof if there shall be first furnished to the Bond Registrar evidence of such loss, destruction or cancellation, together with indemnity, satisfactory to it. Upon the issuance of any substitute Refunding Bond, the Bond Registrar may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto.

Refunding Bonds due on or after January 1, 1996 are redeemable prior to maturity at the option of the City, in whole on any date on or after July 1, 1995, or in part on July 1, 1995 or on any interest payment date thereafter, and if less than all of the outstanding Refunding Bonds are to be redeemed the Refunding Bonds to be called shall be called in the inverse order of their maturity and if less than all of a single maturity is so redeemed then by lot within a maturity in the manner hereinafter provided, the Refunding Bonds to be redeemed at the redemption prices (being expressed as a percentage of the principal amount) set forth below, plus accrued interest to the date fixed for redemption:

Date of Redemption	Redemption Price
July 1, 1995 through December 31, 1995	103%
January 1, 1996 through June 30, 1996	102-1/2%
July 1, 1996 through December 31, 1996	102%
January 1, 1997 through June 30, 1997	101-1/2%
July 1, 1997 through December 31, 1997	101%
January 1, 1998 through June 30, 1998	100-1/2%
July 1, 1998 and thereafter	100%

Provided that certain of said Refunding Bonds may be made subject to mandatory redemption, at par and accrued interest to the date fixed for redemption, as determined by the City Comptroller, at the time of the sale of said Refunding Bonds.

The Refunding Bonds shall be redeemed only in the principal amount of \$5,000 each and integral multiples thereof. In the event of the redemption of less than all the Refunding Bonds of like maturity the aggregate principal amount thereof to be redeemed shall be \$5,000 or an integral multiple thereof and the Bond Registrar shall assign to each Refunding Bond of such maturity a distinctive number for each \$5,000 principal amount of such Refunding Bond and shall select by lot from the numbers so assigned as many numbers as, at \$5,000 for each number, shall equal the principal amount of such Bonds to be redeemed. The Refunding Bonds to be redeemed shall be the Refunding Bonds to which were assigned numbers so selected; provided that only so much of the principal amount of each Refunding Bond shall be redeemed as shall equal \$5,000 for each number assigned to it and so selected. The City shall, at least forty-five (45) days prior to the redemption date (unless a shorter time period shall be satisfactory to the Bond Registrar), notify the Bond Registrar of such redemption date and of the principal amount of Refunding Bonds to be redeemed. For purposes of any redemption of less than all of the outstanding Refunding Bonds of a single maturity, the particular Refunding Bonds or portions of Refunding Bonds to be redeemed shall be selected not more than sixty (60) days prior to the redemption date by the Bond Registrar.

The Bond Registrar shall promptly notify the City in writing of the Refunding Bonds, or portions thereof, selected for redemption and, in the case of any Refunding Bond selected for partial redemption, the principal amount thereof to be redeemed.

SECTION 4. Unless waived by any holder of Refunding Bonds to be redeemed, notice of the call for any such redemption shall be given by the Bond Registrar on behalf of the City by mailing the redemption notice by registered or certified mail at least thirty (30) days and not more than sixty (60) days prior to the date fixed for redemption to the registered owner of the Refunding Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such registered owner to the Bond Registrar, but the failure to mail any such notice or any defect therein as to any Refunding Bond shall not affect the validity of the proceedings for the redemption of any other Bond.

All notices of redemption shall state:

- (1) the redemption date;
- (2) the redemption price;
- (3) if less than all outstanding Refunding bonds are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Refunding Bonds to be redeemed;
- (4) that on the redemption date the redemption price will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date; and

(5) the place where such Refunding Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the principal corporate trust office of the Bond Registrar.

Prior to any redemption date, the City shall deposit with the Bond Registrar an amount of money sufficient to pay the redemption price of all the Refunding Bonds or portions of Refunding bonds which are to be redeemed on that date.

Notice of redemption having been given as aforesaid, the Refunding Bonds, or portions thereof, so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the City shall default in the payment of the redemption price) such Refunding Bonds, or portions thereof, shall cease to bear interest. Upon surrender of such Refunding Bonds for redemption in accordance with said notice, such Refunding Bonds shall be paid by the Bond Registrar at the redemption price. Installments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Refunding Bond, there shall be prepared for the registered holder a new Refunding Bond or Bonds of the same interest rate and maturity in the amount of the unpaid principal.

If any Refunding Bond, or portion thereof called for redemption shall not be so paid upon surrender thereof for redemption, the principal shall, until paid, bear interest from the redemption date at the rate borne by the Refunding Bond, or portion thereof, so called for redemption. All Refunding Bonds which have been redeemed shall be cancelled and destroyed by the Bond Registrar and shall not be reissued.

SECTION 5. The Refunding Bonds shall be prepared in substantially the following form with such insertions and revisions as shall be necessary; provided, however, that if the text of the Refunding Bond is to be printed in its entirety on the front side of such Bond, then paragraph [2] and the legend, "See Reverse Side for Additional Provisions", shall be omitted and paragraphs [6] through [13] shall be inserted immediately after paragraph [1] and paragraphs [3] through [5] shall be inserted immediately after paragraph [13]:

SECTION 8. The City shall appropriate amounts sufficient to pay principal of and interest on the Refunding Bonds for the years such amounts are due, and the City hereby covenants to take timely action as required by law to carry out the provisions of this Section, but, if for any such year it fails to do so, this Ordinance shall constitute a continuing appropriation ordinance of such amounts without any further action on the part of the City Council.

SECTION 9. The City Comptroller is authorized to establish a special account, if determined to be necessary in connection with the sale of such Refunding Bonds, separate and segregated from all other funds and accounts of the City, (the "Refunding Bonds Escrow Account"), and said Escrow Account to be maintained with a bank or trust company to be designated by the Comptroller pursuant to an escrow agreement (the "Escrow Agreement"), between the City and the Escrow Agent.

In lieu of the proceeds of such taxes being deposited with the City Treasurer, such Escrow Agreement may authorize the County Collectors of Cook and DuPage Counties to

deposit the proceeds of such taxes directly into the Escrow Account, if such Account has been created.

SECTION 10. In the event that proceeds of the taxes levied pursuant to Section 7 hereof are not available in time to make any payments of principal of or interest on the Refunding Bonds when due, then the fiscal officers of the City are hereby directed to make such payments in accordance with the Escrow Agreement from any other moneys, revenues, receipts, income, assets or funds of the City that are legally available for that purpose in advancement of the collection of such taxes and when the proceeds of the taxes are received, such other funds shall be replenished, all to the end that the credit of the City may be preserved by the prompt payment of the principal of and interest on the Refunding Bonds as the same become due.

SECTION 11. A copy of this Ordinance, duly certified by the City Clerk, shall be filed in the respective offices of the County Clerks of Cook and DuPage Counties, Illinois (the "County Clerks"), and such filing shall constitute the authority for and it shall be the duty of said County Clerks, in each year beginning in 1985 to and including 2011, to extend the taxes levied pursuant to Section 7 hereof for collection, such taxes to be in addition to and in excess of all other taxes heretofore or hereafter authorized to be levied by the City on its behalf.

A copy of this Ordinance, duly certified by the City Clerk, shall also be filed with the Refunding Bonds Escrow Agent, if any, the Bond Registrar, and if the County Collectors of Cook and DuPage Counties are authorized to deposit the proceeds of the taxes levied pursuant to Section 7 hereof directly with the Refunding Bonds Escrow Agent pursuant to Section 9 hereof, with such County Collectors.

SECTION 12. The City Comptroller is hereby authorized to sell all or any portion of the Refunding Bonds, with the concurrence of the Chairman of the Committee on Finance of the City Council, on such terms as he may deem to be in the best interests of the City; provided that the principal amount of and the interest on the Refunding Bonds of each maturity (after taking into account mandatory redemptions) shall not exceed the amount levied therefor as specified in Section 7 hereof. Subsequent to such sale, the City Comptroller shall file in the office of the City Clerk a notification of sale directed to the City Council setting forth the name of the purchaser or purchasers of the Refunding Bonds, the terms of the sale, the date of the Refunding Bonds, the principal amount of Refunding Bonds maturing and mandatorily redeemable in each year, the interest rate or rates on the Refunding Bonds and the name of the Bond Registrar designated for the Refunding Bonds, and thereafter the Refunding Bonds shall be duly prepared and executed in the form and manner provided herein and delivered to the City Treasurer for delivery to the purchaser or purchasers in accordance with the terms of sale.

The Mayor and the City Comptroller are hereby authorized to execute and deliver a contract of purchase with respect to the Refunding Bonds as they shall deem appropriate on behalf of the City.

In the event that the Refunding Bonds are sold (after taking into account mandatory redemptions) so as to require the levy of taxes in any year less than the amount specified

therefor in Section 7 hereof, then the City Comptroller shall include in the notification of sale referred to above further information to indicate the amount of reduction in the amounts levied in Section 7 hereof resulting from such sale with lesser maturities (after taking into account mandatory redemptions) or at a lower rate or rates of interest and in addition, the City Comptroller shall file in the respective offices of the County Clerks certificates of tax abatement. Such certificates shall refer to the amount of taxes levied pursuant to Section 7 hereof, shall indicate the amount of reduction in the amount of taxes levied by the City resulting from the sale of the Refunding Bonds, which reduced amount is to be abated from such taxes, and shall further indicate the remainder of such taxes which is to be extended for collection by said County Clerks.

The preparation, use and distribution of a preliminary official statement and an official statement relating to the sale and issuance of the Refunding Bonds are hereby approved. The Mayor and City Comptroller are hereby authorized to execute and deliver an official statement on behalf of the City.

The Refunding Bonds shall be duly prepared and executed in the form and manner provided herein and delivered to the City Treasurer for delivery to the purchasers in accordance with the terms of sale.

The proceeds from the sale of the Refunding Bonds shall be used as follows:

- (a) From the sale proceeds, a sum sufficient to pay the Refunded Bonds at or prior to their respective maturities, at a price of par, the applicable redemption premiums, if any, and accrued interest on such Refunded Bonds to be redeemed up to and including said redemption date shall be deposited into a "Series 1982 Refunded Bonds Trust Fund" and held pursuant to the terms of an Escrow Agreement (the "Series 1982 Refunded Bonds Escrow Agreement").
- (b) From the sale proceeds, the sum representing the accrued interest received shall be deposited in the Refunding Series of 1985 Escrow Account, if established, to be used to pay the first interest becoming due on the Refunding Bonds.
- (c) For payment of the costs of insurance, including the premium for bond insurance, if any, and any unexpended portion of the sale proceeds shall be paid to the City.

Pending the preparation and execution of the definitive Refunding Bonds, as herein provided, a temporary Refunding Bond, or Bonds, may be executed and delivered to the purchasers upon receipt of the purchase price therefor. The Refunding Bond or Bonds shall be in the same form and tenor as herein provided, except that it may be a single Refunding Bond in the principal amount of the Refunding Bonds sold to the purchasers, or a number of Refunding Bonds aggregating such principal sum, beginning with the number T-1, and shall be executed by the facsimile signatures of the Mayor and the City Comptroller, and attested by the facsimile signature of City Clerk or Deputy City Clerk and authenticated by the Bond Registrar by manual signature. The Refunding Bond or Bonds shall be exchanged for the definitive Refunding Bonds as soon as may be on the basis of par for par.

SECTION 13. The City Comptroller is hereby directed to prepare and file with the County Clerks of the County of Cook, Illinois, and the County of DuPage, Illinois, a

certificate of reduction of taxes heretofore levied for the payment of the Refunded Bonds and directing the abatement of the taxes heretofore levied to pay the Refunded Bonds.

SECTION 14. The City covenants that it will take no action in the investment of the proceeds of the Refunding Bonds which would result in making the interest payable on any of the Refunding Bonds subject to federal income taxes by reason of the Refunding Bonds being classified as 'arbitrage bonds' within the meaning of Section 103(c) of the Internal Revenue Code of 1954, as amended.

SECTION 15. This Ordinance is prepared in accordance with the powers of the City as a home rule unit under Article VII of the 1970 Illinois Constitution. The appropriate officers of the City are hereby authorized to take such actions and do such things as shall be necessary to perform, carry out, give effect to and consummate the transactions contemplated by this Ordinance, and the Refunding Bonds.

SECTION 16. The Mayor and the City Comptroller may each designate another to act as their respective proxy and to affix their respective signatures to the Refunding Bonds whether in temporary or definitive form, and any other instrument, certificate or document required to be signed by the Mayor or the City Comptroller pursuant to this Ordinance and any instrument, certificate or document required thereby. In such case, each shall send to the City Council written notice of the person so designated by each, such notice stating the name of the person so selected and identifying the instruments, certificates and documents which such person shall be authorized to sign as proxy for the Mayor and the City Comptroller, respectively. A written signature of the Mayor or of the City Comptroller, respectively, executed by the person so designated underneath, shall be attached to each notice. Each notice, with the signatures attached, shall be recorded in the Journal of the Proceedings of the City Council and filed with the City Clerk. When the signature of the Mayor is placed on an instrument, certificate or document at the direction of the Mayor in the specified manner, the same, in all respects, shall be as binding on the City as if signed by the Mayor in person. When the signature of the City Comptroller is so affixed to an instrument, certificate or document at the direction of the City Comptroller, the same, in all respects, shall be binding on the City as if signed by the City Comptroller in person.

SECTION 17. If requested by a bond registrar, paying agent or trustee in connection with the Refunding Bonds, the Mayor, City Comptroller and City Clerk are authorized to execute the standard form of agreement between the City and such bond registrar, paying agent or trustee with respect to the obligations and duties thereof.

SECTION 18. If payment or provision for payment is made, to or for the holders and owners of the Refunding Bonds, of the principal of and interest due and to become due thereon at the times and in the manner stipulated therein, and there is paid or caused to be paid to the bond registrar, or the Escrow Agent as provided in Section 9 hereof, all sums of money due and to become due according to the provisions hereof, then these presents and the estate and rights hereby granted shall cease, determine to be void except for purposes of registration, transfer and exchange of Bonds and any such payment from such moneys or obligations. Any Refunding Bond shall be deemed to be paid within the meaning of this Section when payment of the principal of such Refunding Bond, plus interest thereon to the due date thereof (whether such due date be by reason of maturity or upon redemption as

provided in this Ordinance or otherwise), either (a) shall have been made or caused to have been made in accordance with the terms thereof, or (b) shall have been provided for by irrevocably depositing with the bond registrar, or the Escrow Agent as provided in Section 9 hereof, in trust and exclusively for such payment, (1) moneys sufficient to make such payment or (2) noncallable obligations of, or obligations the timely payment of principal and interest is fully guaranteed by, the United States of America (the "Government Obligations"), maturing as to principal and interest in such amounts and at such times, without consideration of any reinvestment thereof, as will insure the availability of sufficient moneys to make such payment (all as confirmed by a nationally recognized firm of independent public accountants), or (3) a combination of such moneys and Government Obligations. At such times as a Refunding Bond shall be deemed to be paid hereunder, as aforesaid, it shall no longer be secured by or entitled to the benefits of this Ordinance, except for the purposes of registration, transfer and exchange of Refunding Bonds and any such payment from such moneys or obligations.

No such deposit under this Section shall be made or accepted hereunder and no use made of any such deposit unless the bond registrar, or the Escrow Agent, as the case may be, shall have received an opinion nationally recognized municipal bond counsel to the effect that such deposit and use would not cause any of the Refunding Bonds to be treated as arbitrage bonds within the meaning of Section 103(c) of the Code or any successor provision thereto.

SECTION 19. To the extent that any ordinance, resolution, rule, order or provision of the Municipal Code of the City of Chicago, or part thereof, is in conflict with the provisions of this Ordinance, the provisions of this Ordinance shall be controlling. If any section, paragraph, clause or provision of this Ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this Ordinance.

This Ordinance shall be published by the City Clerk, by causing to be printed in pamphlet form at least 100 copies hereof, which copies are to be made available in his office for public inspection and distribution to members of the public who may wish to avail themselves of a copy of this Ordinance, and this Ordinance shall be in full force and effect from and after its adoption, approval by the Mayor and publication as provided by law.

the date of the Bond at the rate (computed on the basis of actual days elapsed on a 360 day year) of sixty-five percent (65%) (the "Applicable Percentage") per annum of the Prime Rate (the "Applicable Rate") as in effect from time to time, payable on the first day of each quarter commencing with July 1, 1985 and on the first day of each October, January, April and July thereafter, with a final payment on the date of final payment of all principal.

In the event that at any time or times the maximum marginal tax rate at which the holder of the Bond could be taxed for federal income tax purposes pursuant to applicable provisions of the Code, or any future United States internal revenue or similar law applicable to said holder (hereinafter referred to as the "Tax Rate") is other than forty-six percent (46%), the Applicable Percentage utilized to determine the Applicable Rate during such time or times, unless the interest rate provided for in a Determination of Taxability or an Event of Default is applicable thereto, shall be the percentage arrived at by multiplying the difference between one hundred percent (100%) and the then applicable Tax Rate, by one hundred twenty percent (120%). If while a financial institution to which Section 291(a) (3) of the Code, or any successor provision thereto (Section 291(a) (3)) applies, is the registered owner of the Bond and there is a change ("Change") in the TEFRA Disallowance Deduction (as hereinafter defined), the Applicable Rate (as determined by the Applicable Percentage giving effect to any changes required by the preceding sentence) shall automatically be adjusted as of and on the effective date of any such Change by adding thereto a percentage equal to one hundred (100) times (the TEFRA Disallowance Deduction in effect after such Change minus the TEFRA Disallowance Deduction in effect immediately prior to such Change) times the tax rate times the Prime Rate, with the TEFRA Disallowance Deduction and the Tax Rate being expressed as decimals and the Tax Rate being that which is in effect on the effective date of such Change. "TEFRA Disallowance Deduction" as used herein shall mean the percentage of reduction set forth in Section 291(a) (3) of the Code with respect to any financial institution preference item.

After receipt of notice of a Determination of Taxability, the interest rate provided for in the Bond shall be adjusted from the rate then in effect to the Prime Rate as determined from time to time from the Effective Date of Taxability, as defined in the Agreement, until said principal is paid in full. In addition, there shall be paid to the holder thereof, in respect of interest on principal of the Bond not outstanding on the date of the Determination of Taxability but which was outstanding on the Effective Date of Taxability an amount equal to the difference between the amount actually paid as interest and the Prime Rate on the from time to time outstanding principal amounts of the Bond during such period including penalties and interest thereon, which the holder thereof has incurred or estimates it will incur by reason of such Determination of Taxability with respect to its current and past tax years.

There shall be paid to the holder thereof a late charge of three percent (3%) of any quarterly installment not received by the holder thereof within 10 calendar days after such installment is due.

The principal installments of the Bond are subject to prepayment on any installment payment date in whole or in part in the inverse order of their maturity upon written notice given by the Borrower on behalf of the Issuer, at least five business days prior to the installment payment date the Borrower shall designate as the prepayment date, at a prepayment price of par plus accrued interest to the prepayment date.

All principal installments of the Bond or portion thereof designated for prepayment will cease to bear interest on the specified prepayment date, provided funds for their prepayment are on deposit at the place of payment at that time.

The principal of and interest on the Bond shall be payable to the order of the Bank or its assigns in lawful money of the United States of America in immediately available funds at the principal office of the Bank in Chicago, Illinois.

Upon request of the Borrower or the Issuer, the Bond shall be available for inspection by the Borrower or the Issuer at the offices of the Bank in Chicago, Illinois. The Bond is nontransferable by the Bank, except as a whole and after notice in writing to the Borrower of such transfer, provided however that the Bank without such notice may issue participations in the Bond. No transfer shall be effective until noted on the registration blank appearing on the Bond and each transfer and participation shall be registered upon the books of the Issuer kept for that purpose by the Bank and each such transfer or participation shall be in compliance with all provisions of Section 103(j) of the Code, and the regulations promulgated thereunder or proposed regulations published in the Federal Register. The Bank is hereby appointed as registrar for purposes of bond registration.

The Bond shall be signed by the Mayor and attested by the City Clerk of the Issuer and the corporate seal of the Issuer shall be affixed thereto.

The Bond, together with interest thereon, shall be a limited obligation of the Issuer secured by a mortgage and an assignment of leases and rents and payable solely from the receipts derived from the Agreement and the Building Tenants Leases (except to the extent paid out of moneys attributable to the Bond proceeds or the income from the temporary investment thereof) and shall be a valid claim of the owner thereof only against the Bond Fund and other moneys held by the Bank pursuant to, and the receipts derived from, the Agreement and the Building Tenants Leases, which receipts shall be used for no other purpose than to pay the principal of and interest on the Bond, except as may be otherwise expressly authorized in this Bond Ordinance. The Bond and the obligation to pay interest thereon does not now and shall never constitute an indebtedness or a loan of credit of the Issuer, the State of Illinois or any political subdivision thereof, or a charge against their general taxing powers, within the meaning of any constitutional or statutory provisions of the State of Illinois, but shall be secured by a mortgage and an assignment of leases and rents and payable solely from the receipts from the Agreement and the Building Tenant Leases.

There is hereby created by the Issuer and ordered established with the Bank, as depository, a special fund to be designated "City of Chicago, Illinois Bond Fund (Total Sweeteners, Inc. The Issuer covenants and agrees that should there be an Event of Default or event that with the passing of time or otherwise may become an Event of Default under the Agreement, the Issuer shall fully cooperate with the Bank and with the owners of the Bond to the end of fully protecting the rights and security of such owners. Nothing herein shall be construed as requiring the Issuer to use any funds or revenues from any source other than funds and revenues derived from the Agreement and the Building Tenant Leases.

Any amounts remaining in the Bond Fund, after payment in full of the principal of and interest on the Bond (or provision for payment thereof as provided in this Bond Ordinance) and the reasonable charges and expenses of the Bank and of the Issuer, shall be paid to the Borrower upon the expiration or sooner termination of the term of the Agreement.

Notwithstanding anything herein to the contrary, reference to the Bond Fund shall not preclude direct payment of funds to the Bank for direct application for the purposes for which payments are made.

Any such investment shall be held by or under control of the Bank and shall be deemed at all times a part of the fund from which such investment was made and the interest accruing thereon and any profit realized from such investments shall be credited to such fund, and any loss resulting from such investments shall be charged to such fund, which loss shall be an obligation of the Borrower as provided in the Agreement.

As and when any amount invested pursuant to this Section may be needed for disbursement, the Bank may cause a sufficient amount of the investments to be sold and reduced to cash to the credit of such funds regardless of the loss on such liquidation.

The Issuer hereby covenants with the Bank and the owners of the Bonds that so long as any principal of the Bond remains unpaid, the governing body of the Issuer will not knowingly take or authorize the taking of any action which will cause the Bond to be classified as an "arbitrage bond" within the meaning of Section 103(c) of the Code and any regulations promulgated thereunder, including Section 1.103-13 and Section 1.103-14 of the Income Tax Regulations (26 CFR Part 1) as the same presently exist. Whenever moneys are to be applied pursuant to the provisions of this Section, such moneys shall be applied at such times, and from time to time, as the Bank shall determine, but in any event within fifteen business days after deposit of such moneys in the Bond Fund. The Bank shall give such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date, and shall not be required to make payment to the owner of any Bond until such Bond shall be presented to the Bank for appropriate endorsement or for cancellation if fully paid.

Whenever all principal of and interest on the Bond have been paid under the provisions of this Section and all reasonable expenses of the Bank and the Issuer have been paid, any balance remaining in the Bond Fund shall be paid to the Borrower.

On motion of Alderman Burke, the City Council took up for consideration the report of the Committee on Finance, deferred and published in the Journal of the Proceedings of July 9, 1985, pages 18676-18677, recommending that the City Council adopt a proposed resolution approving the appointment of William J. Harte as attorney to represent the Chicago City Council in the matter entitled *Ketchum v. Byrne*.

Yeas -- Aldermen Roti, Vrdolyak, Huels, Majerczyk, Madrzyk, Burke, Brady, Sheahan, Stemberk, Krystyniak, Marzullo, Nardulli, Hagopian, Gabinski, Mell, Kotlarz, Banks, Damato, Cullerton, Laurino, O'Connor, Pucinski, Hansen, McLaughlin, Orbach, Schulter, Stone -- 27.

The following is said resolution as adopted:

WHEREAS, The United States Supreme Court has denied certiorari in that certain case styled *Ketchum v. Byrne*, the case concerning redistricting of the wards in the City of Chicago; and

WHEREAS, The case has been remanded to the Honorable Charles R. Norgle of the United States District Court for the Northern District of Illinois, Eastern Division, and Judge Norgle has set a pretrial schedule and a hearing date in November to determine further proceedings on remand; and

WHEREAS, The City Council of the City of Chicago has been ably represented by William J. Harte, Ltd. in these proceedings to date and the City Council desires that the said firm continue in its representation in lieu of the Corporation Council; and

WHEREAS, It is not the desire of the City Council to be represented by the Corporation Council in this matter because there appears to be and are differing views on the issues involved in this case between a majority of the Council, the legislative branch of the City of Chicago, and the Mayor of the City of Chicago and his Corporation Counsel, the executive branch of the City of Chicago; and

WHEREAS, In order to insure that all interested parties are fairly and equitably represented in this case; now, therefore,

Be It Resolved by the City Council of the City of Chicago:
