City Council Informed As To Miscellaneous Documents Filed In City Clerk's Office.

Honorable Walter S. Kozubowski, City Clerk, informed the City Council that documents have been filed in his office relating to the respective subjects designated as follows:

Placed on File -- REASON FOR MAYORAL APPROVAL OF ORDINANCE CONCERNING LEVY OF TAXES FOR FISCAL YEAR 1985-1986 FOR BOARD OF EDUCATION.

Honorable Harold Washington, Mayor, submitted the following communication, which was *Placed on File:*

OFFICE OF THE MAYOR
CITY OF CHICAGO

October 23, 1985.

To the Honorable, The City Council of the City of Chicago:

LADIES AND GENTLEMEN -- I return herewith, with my approval, an ordinance passed by the City Council on October 17, 1985, levying property taxes for the Board of Education of the City of Chicago for the 1985-1986 fiscal year. In the past it has not been my practice to comment on ordinances that I have signed. Because of the Council's extraordinary actions on this matter, however, I feel that it is appropriate to explain my position on the levy.

Section 34-55 of the Illinois School Code (Ill. Rev. Stat. 1983, ch. 122, ¶34-55) provides in relevant part that "the city council shall, upon the demand and under the direction of the board [of Education], annually levy all school taxes." Section 34.54.1 of the School Code (Ill. Rev. Stat. 1983, ch. 122, ¶34-54.1) provides that the fiscal year of the Board of Education begins on September 1 and that the necessary school taxes must be levied no later than 60 days after the commencement of the fiscal year. In order to fulfill our respective statutory duties, it is incumbent on the aldermen to pass the levy, and incumbent on the Mayor to sign the ordinance by October 31, 1985. In compliance with the School Code, the Board transmitted its levy ordinance to the City Council for timely passage as required by law. Rather, than fulfill this obligation, which is a part of their office, certain members of the Committee on Finance attached amendments to the levy ordinance. The law is clear that the amendments are a nullity.

First and foremost, the sole function of the City Council regarding the levy is passage, as a mere formality. Any *bona fide* dispute on this issue ended last year, when the Illinois Supreme Court ruled that the City Council is under a statutory duty to enact the tax levy ordinance of the School Finance Authority. *Chicago School Finance Authority v. City Council of the City of Chicago,* 104 Ill. 2d 437 (1984). The language imposing that duty (Ill. Rev. Stat. 1983, ch. 122, ¶34A-503) is so similar to the language of ¶34-54.1 that no different result is possible here. Some aldermen have argued that the Council, although under a duty to pass the levy ordinance, has the power to amend it. Such an argument is

patently wrong: the School Code requires that the City Council levy school taxes "at the demand and under the direction" of the Board. Unless the Board has demanded or directed an amendment to its levy ordinance, the City Council has no authority to take such action. This is not a proposition of law. The Illinois courts have stated repeatedly that the home rule authority of municipalities does not extend to matters of public education. *See Polich v. Chicago School Finance Authority*, 79 Ill. 2d 188 (1980); *Board of Education v. City of Peoria*, 76 Ill. 2d 469 (1979). The State maintains plenary control over public education, and the relationship between the City Council and the Board of Education therefore remains the same as it was prior to the home rule provisions of the 1970 Constitution. That relationship, insofar as financial matters is concerned, is described in *City of Chicago v. Board of Education*, 246 Ill. App. 405 (1927). The Court there recognized that, then as now, the City Council was required to pass the tax levy of the Board; however, the funds thus generated were, then as now, "subject to the absolute control and direction of the board of education; the role of the City Council was described then, as it is now, as "mainly ministerial and mandatory on request or action of said board." 246 Ill. App. at 408. The passage of the tax levy and other actions were, then as now, to be performed *"nolens volens," i.e.* whether the Council is willing or not. *Id.*

Second, the City Council has no authority to limit the function of the Board as these amendments purport to do. The School Code expressly prohibits the City Council from exercising any power vested in the Board of any of its officers. See Ill. Rev. Stat. 1983, ch. 122, ¶34-17. The Code states explicitly that the Board "shall exercise general supervision and management of the public education and public school system of the city" (Ill. Rev. Stat. 1983, ch. 122 ¶34-18). The Code further provides that the "specifications of the powers [t]herein granted are not to be construed as exclusive but the board shall also exercise all other powers that may be requisite or proper for the maintenance and development of a public school system." *Id.* The amendments to the levy ordinance go to the very heart of the administration of the City's public schools, by attempting to control the use of Board funds and property, and by attempting to structure the financial operations of the Board. These are matters within the province of the Board, and not for the Council to decide. "No independent control or authority is exercised by the city over either the school lands or the school funds, nor is its concurrence or that of its officers required in direction of the use of the former or of the expenditure of the latter." *City of Chicago v. Board of Education*, 246 Ill. App. at 408.

The amendments added to the levy ordinance would, under other circumstances, cause me either to withhold my approval of this ordinance altogether or to allow it to take effect without my signature. To pursue the latter course would cloud the levy, by having it take effect after the date set by law. To pursue the former would, in my opinion, be a refusal to perform my clear legal duty. I have therefore signed the ordinance and return it herewith. I take this opportunity to commend those aldermen who, knowing that the amendments were improper, ignored the attempts of some members of the Council to interfere with the management and administration of the public school system, and fulfilled their legal obligation to pass this vital ordinance within the time set by law.

Very truly yours,
(Signed) HAROLD WASHINGTON,
Mayor.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. *Levy of Taxes.* (a) In compliance with the demand and direction set forth in the Refunding Series Resolution that the City Council levy and provide for the collection of a direct annual tax sufficient to pay the principal of and interest on the Refunding Series Bonds, there is levied and there shall be collected a direct annual tax upon all the taxable property within the City of Chicago (the "City"), being the school district named the Board of Education of the City of Chicago, for the purpose of paying principal of and interest on the Bonds, sufficient to pay and discharge the principal of the Refunding Series Bonds at maturity or on sinking fund installment dates and to pay interest on the Refunding Series Bonds as it falls due, and in particular, but not in limitation of the foregoing, including a tax sufficient to produce the following sums for the following years:

(b) The Refunding Series Resolution provides that the Authority shall, upon the sale of the Refunding Series Bonds, by a resolution supplementing the Refunding Series Resolution (the "Supplemental Resolution"), determine the amount of the Refunding Series Bonds that shall be issued, awarded the sale of those Refunding Series Bonds and provide for their interest rates. The Refunding Series Resolution also provides that the Supplemental Resolution shall determine the exact amounts of taxes sufficient to pay the principal of and interest on the Refunding Series Bonds so to be issued, and shall abate any taxes levied by this Ordinance (the "Refunding Series Tax Levy Ordinance") to the extent they are in excess of those exact amounts of taxes. The Authority shall find in the Supplemental Resolution that issuance of that amount of Refunding Series Bonds at those interest rates will provide net present value debt service savings on the Authority's Bonds. If the Authority shall determine not to award the sale of any Refunding Series Bonds, it will abate all taxes levied by this Refunding Series Tax Levy Ordinance.

SECTION 2. *Additional Levy for Deficiencies.* The taxes which are levied by this Refunding Series Tax Levy Ordinance include the additional sums provided in this Section, which are in addition to the dollar amount specifically set forth in Section 1 of this Ordinance and not abated by the Supplemental Resolution. For paying principal of and interest on the Bonds, and for the purpose of providing money to be deposited in the debt service reserve fund established by the Bond Resolution (the "Reserve Fund"), there is levied and there shall be collected a direct annual tax upon all taxable property within the City, being the school district named Board of Education of the City of Chicago, sufficient to

produce the sums specified in this Section. The additional sums provided in this Section are levied for each levy year, beginning with the levy year 1986, and shall be collected in each year, beginning with calendar year 1987, while any of the Refunding Series Bonds are outstanding and unpaid, either as to principal or interest. The additional amount levied for each such year pursuant to this Section is the sum sufficient to produce the amount, if any, by which:

(i) the cumulative total principal amounts due on the Refunding Series Bonds at maturity or on sinking fund installment dates and the interest on the Refunding Series Bonds as it shall have come due, after June 1, 1986 and in each case through December 1 of such levy year (all as provided in the Bond Resolution and the Refunding Series Resolution), shall have exceeded;

(ii) the cumulative total of the collections, up to and through December 1 of such levy year, of all taxes levied as provided by this Refunding Series Tax Levy Ordinance, and not abated by the Supplemental Resolution (including taxes levied pursuant to this Section, and treating as tax collections the total amount of all such taxes which shall have been abated pursuant to Section 601 of the Bond Resolution, other than by the Supplemental Resolution, with respect to extensions for all years through such December 1). The language following the comma in the foregoing parenthetical phrase is included as a clarification of the operation of this Section and does not affect any change in meaning from the corresponding sections in the ordinances levying taxes with respect to previously issued series of Bonds. For purposes of this part (ii) (and the corresponding parts (ii) in the ordinances levying taxes with respect to the Series of Bonds of which the Refunded Bonds are parts), collections, after December 1, 1985, of taxes levied for years prior to 1985 by those prior ordinances shall be treated as collections of taxes levied by this ordinance and those prior ordinances in proportion to the total debt service in the year of collection on the then Outstanding Bonds of those respective Series of Bonds.

No later than December 31 of each year, beginning in 1986, the Trustee under the Bond Resolution shall file in the offices of the County Clerks of each county in which any taxable property in the City is located, a statement, certified by a corporate trust officer of that Trustee, of the amount of the additional taxes which are included in the levy for that year as provided in this Section. The failure of the Trustee to file the certificate referred to in the preceding sentence shall not affect the validity of the levy of taxes as provided in this Section and, whether or not the Trustee shall file the statement, the County Clerks and Collectors of each county in which any taxable property in the City is located are directed to cause to be extended and collected all the amounts levied by this Section, all as provided in this Section. Taxes which have been levied pursuant to the Series Resolutions and Tax Levy Ordinances for the Refunded Bonds for years prior to 1985 shall continue to be extended, collected and paid to the Trustee and deposited in the debt service fund established by the Bond Resolution (the "Debt Service Fund").

SECTION 3. *Filing of Ordinance.* After the adoption of this Refunding Series Tax Levy Ordinance, the City Clerk of the City is directed to cause copies of this Refunding Series Tax Levy Ordinance, duly certified by or on behalf of that officer, to be filed in the office of the County Clerk and of the County Collector of each county in which any taxable property in the City is located. The Secretary of the Authority shall file copies of the Supplemental

Resolution, duly certified by or on behalf of the Secretary, in the offices of such County Clerks and County Collectors. Upon the filing of such copies of this Refunding Series Tax Levy Ordinance and the Supplemental Resolution with the County Clerks, it shall be the duty of those County Clerks to extend the taxes so levied for the Refunding Series Bonds, all as provided in the Act, this Refunding Series Tax Levy Ordinance, the Bond Resolution, the Refunding Series Resolution and the Supplemental Resolution. Except as specifically provided in the Bond Resolution, the Refunding Series Resolution, the Supplemental Resolution or this Refunding Series Tax Levy Ordinance, the taxes levied as provided in this Refunding Series Tax Levy Ordinance shall be computed, extended and collected in the same manner as is now or may subsequently be provided for the computation, extension and collection of *ad valorem* property taxes in the City generally. The taxes to be levied as provided in this Refunding Series Tax Levy Ordinance shall be extended without limitation as to rate and shall be extended in amounts sufficient to produce the amounts so specified and provided for in this Refunding Series Tax Levy Ordinance. No further action of this City Council shall be required for the levy of taxes as provided in this Refunding Series Tax Levy Ordinance or for their extension and collection by the appropriate county officers.

SECTION 4. *Tax for Sole Benefit of Bondholders; Payment to Trustee.*

(a) As provided by the Act and the Bond Resolution, while any Refunding Series Bonds remain outstanding and unpaid, the taxes levied by this Refunding Series Tax Levy Ordinance shall be for the sole benefit of the holders of the outstanding Bonds. The Act and the Bond Resolution provide that such holders of Bonds shall have a security interest in, and a lien upon, all rights, claims and interest of the Authority arising pursuant to the levy and all present and future proceeds of the levy and that the security interest in and lien upon those rights, claims and interest is valid and binding from the time the Refunding Series Bonds are issued, without any physical delivery or further act, and shall be valid and binding as against, and prior to any claims, if any, of all other parties having claims of any kind in contract, tort or otherwise against the State, the Authority, the Board of Education of the City of Chicago (the "Board") or the City, or any other person, irrespective of whether such other parties have notice of such lien or security interest, all as provided in the Act and the Bond Resolution.

(b) As provided by the Act and the Bond Resolution, all proceeds of the levy of taxes made by this Refunding Series Tax Levy Ordinance shall be deposited by the county collectors of each county in which any taxable property in the City shall be located directly in the Debt Service Fund established with the Trustee by the Bond Resolution. The Bond Resolution provides that such amounts shall be applied solely for the payment and discharge of principal of the Bonds (at maturity or on sinking fund installment dates) and of interest on the Bonds as it falls due, or for redemption or purchase of Bonds as provided by the Bond Resolution, or for transfer to the Reserve Fund as provided by the Bond Resolution, and shall not be used for any other purpose.

SECTION 5. *Tax in Addition to and Separate from Other Taxes.* As provided by the Act, the taxes levied as provided in this Refunding Series Tax Levy Ordinance shall be in addition to and exclusive of the maximum of all other taxes which the Authority, the Board or the City Council is now, or may hereafter be, authorized constitutionally or by law to levy for any and all school (or any other) purposes. The taxes so levied by this Refunding

Series Tax Levy Ordinance shall be separate and apart from all other taxes of the Authority, the Board and the City.

SECTION 6. *Bonds Not Obligations of City.* This Refunding Series Tax Levy Ordinance is adopted in order to carry out the functions of the City Council as specified in the Act and the Refunding Series Bonds shall not be deemed to constitute a debt or liability of the City, within the meaning of the Constitution and laws of the State, or a pledge of the full faith and credit of the City. Other than as set forth in this Refunding Series Tax Levy Ordinance, the issuance of the Refunding Series Bonds shall not directly, indirectly or contingently obligate the City to levy any form of taxation for the Refunding Series Bonds or to make any appropriation for payment of the Refunding Series Bonds. The City shall not in any event be liable for the payment of principal, redemption price or interest on the Refunding Series Bonds or for the performance of any pledge, obligation or agreement of any kind whatsoever which may be undertaken by the Authority. No breach of any such pledge, obligation or agreement may impose any liability upon the City or any charge upon its general credit or against its taxing power.

SECTION 7. *Allowance for Loss and Cost of Collection and Anticipated Deferred Collections.* The Act, the Bond Resolution and the Refunding Series Resolution provide that in extending the taxes levied by this Refunding Series Tax Levy Ordinance, the county clerks of each county in which any taxable property in the City is located shall include in each year an amount to cover loss and cost of collection and anticipated deferred collections of the taxes so levied as is and shall be determined by the Authority pursuant to the Act, the Bond Resolution and the Refunding Series Resolution. The Refunding Series Resolution initially determines the amounts to be included for such purpose in the extension of the taxes levied by this Refunding Series Tax Levy Ordinance. The Bond Resolution and the Refunding Series Resolution provide for such determination to be modified by the Authority as provided in those Resolutions; provided that no action of the City Council shall be required with respect to any such determination or modification of the determination of the allowance for loss and cost of collection and anticipated deferred collections for taxes to be extended in any year.

SECTION 8. *Covenants.* It is covenanted and agreed with the Holders (as defined in the Bond Resolution) of all Bonds issued under the Bond Resolution as follows:

(a) The City Council will not take any action to repeal, abate or reduce the taxes levied by this Refunding Series Tax Levy Ordinance, or otherwise to restrict the extension and collection of those taxes, except upon the direction of the Authority and only to the extent expressly permitted by the Bond Resolution.

(b) Without limiting any provisions of this Refunding Series Tax Levy Ordinance, the City Council will take any or all additional steps, make any or all additional directions and cause to be filed any or all additional documents as may be or may become necessary to cause to be levied and extended for collection a direct annual tax upon all taxable property within the City, being the school district named the Board of Education of the City of Chicago, sufficient to pay and discharge the principal of the Refunding Series Bonds, at maturity or on sinking fund installment dates, and interest on the Refunding Series Bonds as it falls due.

SECTION 9. *Conflict.* To the extent that any ordinances, resolutions or rules of the City Council are in conflict with this Refunding Series Tax Levy Ordinance or its adoption, the provisions of this Refunding Series Tax Levy Ordinance and its adoption shall be controlling.

SECTION 10. *Effectiveness.* This Refunding Series Tax Levy Ordinance shall be effective and in force immediately upon its adoption.

ARTICLE II

Authorization and Issuance of Bonds

201. *Authorization of Bonds.* There is established and created an issue of Bonds of the Authority to be known and designated as "General Obligation School Assistance Bonds". The Bonds may be issued as provided in this Resolution without limitation as to principal amount except as provided in this Resolution or as may be limited by law. All the Bonds are payable from the sources and are secured as provided in this Resolution. The Bonds shall be general obligations of the Authority. To the payment as it falls due of the interest on the Bonds and of the principal of the Bonds at maturity or on Sinking Fund Installment dates, the full faith and credit of the Authority are irrevocably pledged. The principal, Redemption Date and interest on Bonds are payable solely (a) from the taxes levied as provided by this Resolution, (b) from the Debt Service Fund and the Reserve Fund, including from deposits in those Funds of proceeds from the sale of Bonds and of amounts transferred from (i) the Working Cash Fund as provided in Section 504 of this Resolution, (ii) the School Construction Fund as provided in Section 505 of this Resolution, (iii) the School Rehabilitation Fund as provided in Section 506 of this Resolution, and (iv) the Administrative Fund as provided in Section 507 of this Resolution, and (c) from investment earnings on the Debt Service Fund and the Reserve Fund, all as provided in this Resolution and the various Series Resolutions; provided, however, nothing in this Resolution shall prohibit the use for any such payment of Bonds of any funds which lawfully may be used for that purpose.

202. *Bonds Not Obligations of State, City or Board.* The Bonds shall not be deemed to constitute a debt or liability of the State, the City or the Board or of any other political subdivision of the State (other than the Authority) within the meaning of the Constitution of the State or any State law, or a pledge of the full faith and credit of the State, the City or the Board or any other political subdivision of the State (other than the Authority). The issuance of the Bonds shall not directly, indirectly or contingently obligate the State, the City or the Board, or any other political subdivision of the State (other than the Authority) to levy any form of taxation for the Bonds (except as explicitly provided in the Act, this Resolution, the various Series Resolutions and the various Tax Levy Ordinances) or to make any appropriation for payment of the Bonds. The State, the City and the Board shall not in any event be liable for the payment of principal, Redemption Price or interest on the Bonds or for the performance of any pledge, obligation or agreement of any kind whatsoever which may be undertaken by the Authority. No breach of any such pledge, obligation or agreement may impose any liability upon the State, the City or the Board or any charge upon their general credit or against their taxing power. The Bonds shall state on their face that they are payable solely from the funds and revenues provided for their payment in accordance with this Resolution and the various Series Resolutions; provided, however, nothing in this Resolution or in any Series Resolution shall prohibit the use for such payment of Bonds of any funds which lawfully may be used for that purpose.

203. *Pledge of State.* By the Act, the State pledges to and agrees with the Holders of the Bonds that the State will not limit or alter the rights and powers vested in the Authority by the Act so as to

impair the terms of the contract made by this Resolution, the various Series Resolutions or the various Tax Levy Ordinances with the Holders of the Bonds and of the coupons pertaining to the Bonds or so as in any way to impair the rights and remedies of the Holders of the Bonds and of the coupons pertaining to the Bonds until the Bonds are paid in full as to both principal and interest, and all costs and expenses in connection with any action or proceeding by or on behalf of the Holders of the Bonds and of the coupons pertaining to the Bonds are fully met and discharged or provision is made for their payment.

204. *Provisions for Issuance of Bonds.* The Bonds may be issued in one or more Series. The issuance of the Bonds shall be authorized by one or more Series Resolutions of the Authority adopted subsequent to this Resolution. The Bonds of each Series shall, in addition to the title "General Obligation School Assistance Bonds", contain an appropriate Series designation.

The Bonds of each Series shall be executed by the Authority for issuance under the Resolution and delivered to the Trustee, authenticated by the Trustee, if authentication is required by the Series Resolution, and delivered by the Trustee to the Authority or upon its order, but only upon the receipt by the Trustee of:

(1) A Counsel's Opinion of nationally recognized bond counsel to the effect that (a) the Authority has the legal right and power to adopt the Resolution and the Series Resolution pertaining to that Series of Bonds, and the Resolution has been duly and lawfully adopted by the Authority, is in full force and effect and is valid and binding upon the Authority, (b) the Series Resolution and the Tax Levy Ordinance pertaining to the Series of Bonds being issued have been duly and lawfully adopted, are in full force and effect and are valid and binding and conform to the requirements of this Resolution for such Series Resolutions and Tax Levy Ordinances, and (c) the Bonds of such Series are valid and binding obligations of the Authority as provided in the Resolution and entitled to the benefits of the Resolution and of the Act as amended to the date of such Counsel's Opinion, and that such Bonds have been duly and validly authorized and issued in accordance with law, including the Act as amended to the date of such Counsel's Opinion, and in accordance with the Resolution.

(2) A written order as to the delivery of such Series of Bonds, signed by an Authorized Officer of the Authority.

(3) In the case of each Series of Bonds, a copy of the Series Resolution authorizing such Bonds, certified by the Secretary of the Authority, which Series Resolution shall specify:

(a) The authorized principal amount of that Series of Bonds;

(b) The purposes for which the Series of Bonds is being issued, which may be for any purpose for which the Authority by law is (or may, at the time of issuance of such Series of Bonds, be) authorized to issue such Series of Bonds;

(d) The interest rate or rates for such Series of Bonds or the manner of determining such rate or rates;

(e) The denomination or denominations of, and the manner of numbering and lettering the Bonds of such Series, provided that each Bond shall be of the denomination of $5,000 or an integral multiple of that principal amount, not exceeding the aggregate principal amount of the Bonds of such Series maturing in the year of maturity of the Bond for which the denomination is to be specified;

(f) The Paying Agents or the method of appointing the Paying Agents, if any, and the place or places of payment of the principal and Redemption Price, if any, of and interest on the Bonds of such Series;

(g) The Redemption Price or Redemption Prices, if any, and, subject to Article IV, the redemption terms, if any, for the Bonds of such Series;

(h) If so determined by the Authority, the provisions for the sale of the Bonds of such Series;

(i) The forms of the Bonds of such Series and the coupons to be attached to the coupon Bonds, if any, of such Series;

(j) The manner in which the Bonds of such Series are to be executed, including any provision for authentication of such Series of Bonds; and

(k) The amount and due date of each Sinking Fund Installment for Term Bonds of such Series of Bonds, if any.

Each Series Resolution shall demand and direct the City Council of the City to levy taxes sufficient to pay the Bonds of such Series as provided in Section 906 of this Resolution. Each Series Resolution shall determine an allowance for loss and cost of collection of taxes and anticipated deferred collections of those taxes in accordance with the provisions of Section 906 of this Resolution. Bonds of a Series may be either Serial Bonds or Term Bonds, or a combination of Serial and Term Bonds. Each Series Resolution shall provide for principal maturities or Sinking Fund Installments, or both, as the case may be. All Bonds of each such Series of like maturity shall be identical in all respects, except as to denominations, numbers and letters, and except that they may be in either coupon or fully registered form.

(4) The amount, if any, necessary to deposit in the Reserve Fund so that the value of the Reserve Fund shall at least equal the Reserve Requirement calculated immediately after the delivery of such Series Bonds on all Bonds then to be Outstanding.

(6) A copy of the Tax Levy Ordinance, certified by or on behalf of the City Clerk of the City, for such Series of Bonds levying taxes sufficient to pay the Bonds of such Series as provided in Section 906 of this Resolution.

(7) Such further documents and monies as are required by the provisions of Article X of this Resolution or by any Series Resolution or any Supplemental Resolution adopted pursuant to Article X of this Resolution.

ARTICLE III

General Terms and Provisions of Bonds

301. *Medium of Payment; Form and Date.* (1) Principal, interest and the Redemption Price on the Bonds shall be payable in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts. The Bonds are authorized to be issued in the form of coupon bonds, registrable as to principal only, or in the form of fully registered bonds without coupons, or in both such forms. A Series Resolution may provide that Bonds of that Series shall be issued solely in fully registered form, shall not be registrable to bearer and shall not be exchangeable for Bonds in coupon form. Bonds in coupon form shall each be exchangeable for Bonds in fully registered form and Bonds in fully registered form shall be exchangeable for Bonds in coupon form, all as provided in this Resolution.

(2) Bonds of each Series in coupon form shall be dated as of the date specified in the Series Resolution authorizing their issuance. Bonds of each Series in fully registered form issued before the first interest payment date for that Series shall be dated as of the date specified in the Series Resolution for Bonds of that Series in coupon form. Bonds in fully registered form issued on or after that

first interest payment date shall be dated as of their date of issue if issued on June 1 or December 1, or if not issued on such a date, shall be dated as of the June 1 or December 1 next preceding their date of issue. However, notwithstanding the previous sentence, if the interest on Bonds shall be in default, as shown by the records of the Trustee, Bonds issued in fully registered form in exchange or transfer for Bonds in default shall be dated as of the date specified in the Series Resolution for Bonds of that Series in coupon form (or if no bonds are to be issued in coupon form, then on the date specified in the Series Resolution), or the date to which interest has been paid in full on the Bonds surrendered, whichever date is later. The Bonds shall bear interest from their date. All Bonds of each Series shall mature and each Sinking Fund Installment shall fall due on June 1 of the years as specified by the related Series Resolution. Interest on all Bonds of each Series shall be payable semi-annually on June 1 and December 1 of each year as specified by a Series Resolution. The first interest payment date on the Bonds of a Series shall be such date as the Authority shall specify by the related Series Resolution.

302. *Interchangeability of Bonds.* Bonds in coupon form, upon their surrender at the corporate trust office of the Trustee with all unmatured coupons attached, may, at the option of their Holder, be exchanged for an equal aggregate principal amount of Bonds in fully registered form of the same Series and maturity of any authorized denomination. Bonds in fully registered form, upon their surrender at the principal trust office of the Trustee may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of Bonds in coupon form of the same Series and maturity with appropriate coupons attached, or of Bonds in fully registered form of the same Series and maturity of any other authorized denomination or denominations.

303. *Negotiability, Transfer and Registry.* All the Bonds issued under this Registration shall, as provided in the Act, be negotiable, subject to the provisions for registration and transfer contained in this Resolution and in the Bonds. So long as any of the Bonds shall remain outstanding, the Authority shall maintain and keep, at the corporate trust office of the Trustee, books for the registration and transfer of Bonds. Upon presentation of any Bond for registration and transfer at the office, the Authority shall register or cause to be registered in those books, and shall permit to be transferred on those books, under such reasonable regulations as it or the Trustee may prescribe, any Bond entitled to registration or transfer. So long as any of the Bonds remain Outstanding, the Authority shall make all necessary provisions to permit the transfer and exchange of Bonds pursuant to this Resolution at the corporate trust office of the Trustee. The Trustee is appointed Bond Registrar for the Bonds.

304. *Transfer and Registration of Bonds in Coupon Form.* (1) All Bonds in coupon form shall pass by delivery, unless registered as to principal other than to bearer in the manner provided in this Section. Any Bond in coupon form may be registered as to principal on the books of the Authority at the corporate trust office of the Trustee, upon presentation of the Bond at that office and the payment of a charge sufficient to reimburse the Authority or the Trustee for any tax, fee or other governmental charge, other than one imposed by the Authority, required to be paid with respect to such registration, and such registration shall be noted on such Bond. No other charge shall be made by the Authority or the Trustee as a condition precedent to such registration. After the registration no transfer shall be valid unless made on the books of the Trustee by the registered owner in person or by the registered owner's attorney duly authorized in writing, and similarly noted on such Bond. Such a Bond may be discharged from registration by being in like manner registered to bearer after which it shall again become transferable by delivery. Thereafter such Bond may again, from time to time, be registered or discharged from registration in the same manner. Registration of any Bond in coupon form as to principal, however, shall not affect the negotiability by delivery of the coupons pertaining to such Bond, but each such coupon shall continue to pass by delivery and shall remain payable to bearer.

(2) As to any Bond in coupon form registered as to principal (other than to bearer), the person in whose name the Bond shall be registered upon the books of the Authority may be deemed and regarded as the absolute owner of the Bond, whether such Bond shall be overdue or not, for all pur-

poses, except for the purpose of receiving payment of coupons. Payment of, or on account of, the principal or Redemption Price, if any, of such Bond shall be made only to, or upon the order of, such registered owner, but such registration may be changed as provided in this Article. All such payments shall be valid and effective to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid. The Authority, the Trustee and any Paying Agent may treat the bearer of any coupon as the absolute owner of the coupon, whether the coupon shall be overdue or not, for the purpose of receiving payment of the coupon and for all other purposes whatsoever, and may treat the bearer of any Bond in coupon form which shall not at the time be registered as to principal other than to bearer, as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of the principal or Redemption Price of that Bond and for all other purposes whatsoever except for the purpose of receiving payment of coupons, and neither the Authority, nor the Trustee nor any Paying Agent shall be affected by any notice to the contrary. The Authority agrees to indemnify and save the Trustee and each Paying Agent harmless from and against any and all loss, cost, charge, expense, judgment or liability incurred by it, acting in good faith and without negligence under this Resolution, in so treating such bearer or registered owner.

305. *Transfer of Bonds in Fully Registered Form.* (1) Each Bond in fully registered form shall be transferable only upon the books of the Authority, which shall be kept for that purpose at the corporate trust office of the Trustee. Such a transfer may be made by the registered owner of the Bond in person or by such owner's attorney duly authorized in writing, upon surrender of the Bond together with a written instrument of transfer satisfactory to the Trustee, duly executed by the registered owner or such owner's duly authorized attorney. Upon the transfer of any such Bond in fully registered form, the Authority shall issue (and cause to be authenticated by the Trustee) new Bond or Bonds in fully registered form registered as directed by the instrument of transfer, or, at the option of the transferee, Bonds in coupon form, with appropriate coupons attached, of the same Series, aggregate principal amount and maturity as the surrendered Bonds.

(2) The Authority and the Trustee may deem and treat the person in whose name any outstanding Bond in fully registered form shall be registered upon the books of the Authority as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal and Redemption Price, if any, of and interest on such Bond and for all other purposes, and all such payments so made to any such registered owner or upon such owner's order shall be valid and effective to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the Authority, nor the Trustee shall be affected by any notice to the contrary. The Authority agrees to indemnify and save the Trustee harmless from and against any and all loss, cost, charge, expense, judgment or liability incurred by it, acting in good faith and without negligence under this Resolution, in so treating such registered owner.

306. *Regulations with Respect to Exchange and Transfer.* In all cases in which the privilege of exchanging Bonds or transferring registered Bonds is exercised, the Authority shall execute and cause to be authenticated and the Trustee shall deliver Bonds in accordance with the provisions of this Resolution. All Bonds in fully registered form surrendered in any such exchanges or transfers shall forthwith be cancelled by the Trustee. All Bonds in coupon form, and the coupons pertaining to such Bonds surrendered in any such exchange or transfer shall be retained in the possession of the Trustee for the purpose of reissuance upon subsequent exchanges. The Trustee, prior to reissuance of any such Bonds in coupon form, shall detach and cancel all matured coupons (as to dates as to which interest on Bonds of that Series have been paid) from those Bonds. For every such exchange or transfer of Bonds, whether temporary or definitive, the Authority or the Trustee may make a charge sufficient to reimburse it for any tax, fee or other governmental charge, other than one imposed by the Authority, required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. No other charge shall be made by the Authority or the Trustee as a condition precedent to such exchange or transfer. The cost of preparing each new Bond in coupon

form or Bond in fully registered form upon each exchange or transfer, and any other expenses of the Authority or the Trustee incurred in connection with the exchange or transfer (except any applicable tax, fee or other governmental charge, other than one imposed by the Authority), shall be paid by the Authority. The Authority shall not be obliged to make any such exchange or transfer of Bonds of any Series during the ten (10) days next preceding an interest payment date on the Bonds of that Series or, to make any such exchange or transfer in the case of any Bond proposed to be redeemed, after the first publication of notice of such redemption.

307. *Bonds Mutilated, Destroyed, Stolen or Lost.* In the case any Bonds of any Series shall become mutilated or be destroyed, stolen or lost, the Authority shall execute, cause to be authenticated by the Trustee, if authentication is required by the Series Resolution authorizing the Bonds of that Series, and deliver new Bonds (with appropriate coupons attached in the case of coupon Bonds) of like Series, maturity and principal amount as the Bonds and attached coupons, if any, so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bonds, upon surrender and cancellation of such mutilated Bonds and attached coupons, if any, or in lieu of and substitution for the Bonds and coupons, if any, destroyed, stolen or lost, upon filing with the Authority of evidence satisfactory to the Authority and the Trustee that such Bonds and attached coupons, if any, have been destroyed, stolen or lost and proof of ownership thereof, and upon furnishing the Authority with indemnity satisfactory to it and complying with such other reasonable regulations as the Authority may prescribe and paying such expenses as the Authority may incur. All Bonds and coupons so surrendered to the Authority shall be cancelled by it. An Authorized Officer shall advise the Trustee and Paying Agents of the issuance of substitute Bonds or coupons.

308. *Preparation of Definitive Bonds; Temporary Bonds.* Until definitive Bonds of any Series are prepared, the Authority may execute and cause to be authenticated by the Trustee (if authentication is required by the Series Resolution authorizing the Bonds of that Series) in the same manner as is provided in this Resolution, and deliver, in lieu of definitive Bonds, but subject to the same provisions, limitations and conditions, as the definitive coupon or fully registered Bonds (except as to the denominations and as to exchangeability for registered Bonds) one or more temporary Bonds (which may be registrable as to principal and interest), substantially of the tenor of the definitive Bonds in lieu of which such temporary Bond or Bonds are issued, but with or without coupons, in denominations of $5,000 or any integral multiples of that amount authorized by the Authority, and with such omissions, insertions and variations as may be appropriate to temporary Bonds. The installments of interest payable on such temporary Bonds in bearer form shall be payable only upon the presentation and surrender of the coupons pertaining to those Bonds or, if no coupons for such interest are attached, then only upon presentation of such temporary Bonds for notation on those Bonds of the payment of such interest. The Chairman or other Authorized Officer is authorized to enter into such agreements as may be necessary or desirable with the purchasers of any Series of Bonds for issuance of such temporary Bonds. The Authority at its own expense shall prepare, execute and cause to be authenticated by the Trustee (if authentication is required by the Series Resolution authorizing the Bonds of that Series) and, upon the surrender of such temporary Bonds, with there being attached all unmatured coupons and all matured coupons for which no payment or only partial payment has been provided, for exchange and the cancellation of such surrendered temporary Bonds and coupons, without charge to the Holder of such Bonds and coupons, deliver in exchange, at the corporate trust office of the Trustee, definitive Bonds. Until so exchanged, the temporary Bonds shall in all respects be entitled to the same benefits and security as definitive Bonds issued pursuant to this Resolution. All temporary Bonds surrendered in exchange for a definitive Bond or Bonds shall then be promptly cancelled by the Trustee.

ARTICLE IV

Redemption of Bonds

401. *Privilege of Redemption and Redemption Price.* Bonds subject to redemption prior to maturity pursuant to the provisions of a Series Resolution shall be redeemable, upon published notice as provided in this Article IV, at such times, at such Redemption Prices and upon such terms as may be specified in the Series Resolution authorizing such Series.

402. *Redemption at the Election of the Authority.* In the case of any redemption of Bonds at the option of the Authority, an Authorized Officer shall give written notice to the Trustee of the Authority's election so to redeem such Bonds, of the redemption date, of the Series, of the principal amounts of the Bonds of each maturity of such Series so to be redeemed (the Series, maturities and principal amounts of the Bonds to be redeemed to be determined by the Authority, subject to the limitations with respect to such determination contained in this Resolution and any Series Resolution) and of the monies to be applied to the payment of the Redemption Price and the interest accrued and unpaid on the principal amount of the Bonds to be redeemed to the redemption date. That notice shall be given at least sixty (60) days prior to the redemption date or such shorter period (not less than thirty (30) days) as shall be acceptable to the Trustee. In the event notice of redemption shall have been given as provided in Section 405 of this Resolution, the Trustee shall, if it holds the monies to be applied to the payment of the Redemption Price and the interest to the redemption date accrued and unpaid on the principal amount of the Bonds to be redeemed or otherwise the Authority shall, prior to the redemption date, pay to the Trustee and the appropriate Paying Agents an amount in cash which, together with other monies, if any, available for that payment held by the Trustee and those Paying Agents, will be sufficient to redeem all of the Bonds to be redeemed, on the redemption date and at the Redemption Price for those Bonds together with accrued and unpaid interest on those Bonds to the redemption date. The Authority shall promptly notify the Trustee in writing of all such payments made by the Authority to a Paying Agent other than the Trustee.

403. *Redemption Otherwise Than at Authority's Election.* Whenever by the terms of this Resolution and any Series Resolution the Authority is required to redeem Bonds pursuant to Sinking Fund Installments or otherwise, the Trustee shall select the Bonds to be redeemed, give the notice of redemption and pay out the Redemption Price and interest accrued and unpaid to the redemption date on those Bonds to itself and the appropriate Paying Agents in accordance with the terms of this Article IV in order to effect such redemption.

404. *Selection of Bonds to Be Redeemed by Lot.* In the event of redemption of less than all of the outstanding Bonds of any Series and maturity, the Trustee shall assign to each Outstanding Bond in fully registered form of the Series and maturity to be redeemed a distinctive number for each $5,000 of the principal amount of such Bond. The Trustee shall then select by lot, using such method of selection as it shall deem proper in its discretion, from the numbers of all such Bonds in coupon form of such maturity and the numbers assigned to those Bonds in fully registered form as many numbers as, at $5,000 for each number, shall equal the principal amount of such Bonds of such Series and maturity to be redeemed. The Bonds to be redeemed shall be the Bonds in coupon form of the denomination of $5,000 bearing the numbers so selected and the Bonds in fully registered form to which were assigned numbers so selected; provided, however, that only so much of the principal amount of each such Bond in fully registered form of a denomination of more than $5,000 shall be redeemed as shall equal $5,000 for each number assigned to it and so selected.

405. *Notice of Redemption.* When the Trustee shall receive notice from an Authorized Officer of the Authority's election to redeem Bonds pursuant to Section 402 of this Resolution, or when redemption of Bonds is required by this Resolution pursuant to Section 403 of this Resolution, the Trustee shall give notice, in the name of the Authority, of the redemption of such Bonds. The notice shall specify the Series and maturities of the Bonds to be redeemed, the redemption date and the place or places where amounts due upon such redemption will be payable and, if less than all of the Bonds

of any series and maturity are to be redeemed, the letters and numbers of such Bonds so to be redeemed. In the case of Bonds in fully registered form to be redeemed in part only, the notice shall also specify the respective portions of the principal amount to be redeemed. The notice shall further state that on the redemption date there shall become due and payable upon each Bond to be redeemed the Redemption Price, or in case of Bonds in fully registered form the Redemption Price of the specified portions of the principal to be redeemed, together with unpaid interest accrued to the redemption date on the principal of the Bonds to be redeemed, and that from and after that date interest on such principal amount shall cease to accrue and be payable. The notice shall be given by publication once a week for at least two (2) successive weeks in a daily newspaper of general circulation in the City of Chicago, Illinois, and in a financial newspaper of general circulation in the City of New York, New York, the first such publication to be not less than thirty (30) days nor more than sixty (60) days prior to the redemption date. The Trustee shall also mail a copy of such notice, postage prepaid, not less than thirty (30) days nor more than sixty (60) days prior to the redemption date, to the registered owners of any Bonds or portions of Bonds which are to be redeemed at their last address, if any, appearing upon the registry books, but such mailing shall not be a condition precedent to such redemption and failure so to mail any such notice shall not affect the validity of the proceedings for the redemption of Bonds. A Series Resolution which provides for Bonds of the Series to be issued solely in fully registered form may provide that, with respect to Bonds of that Series, notice of redemption need not be given by publication but may be given solely by mailing, all as provided by that Series Resolution.

406. *Payment of Redeemed Bonds.* Notice having been given by publication in the manner provided in Section 405 of this Resolution, the Bonds or portions of Bonds so called for redemption shall become due and payable on the redemption date so designated at the Redemption Price, plus interest accrued and unpaid to the redemption date on the principal of the Bonds to be redeemed, and, upon presentation and surrender of such Bonds at the offices specified in such notice, together with, in the case of Bonds registered other than to bearer presented by other than the registered owner, a written instrument of transfer duly executed by the registered owner or that owner's duly authorized attorney, and, in the case of Bonds in coupon form, all coupons pertaining to those Bonds maturing subsequent to the redemption date, such Bonds, or portions thereof, as the case may be, shall be paid at the Redemption Price plus interest accrued and unpaid to the redemption date on the Bonds to be redeemed to the extent that such interest is not represented by coupons for matured interest installments. All interest installments represented by coupons which shall have matured on or prior to the redemption date shall continue to be payable to the bearers of such coupons. If there shall be selected for redemption less than all of the principal amount of a Bond in fully registered form, the Authority shall execute and deliver, upon the surrender of such Bond, without charge to the owner thereof, for the unredeemed portion of the principal amount of the registered Bond so surrendered, at the option of the owner thereof, either Bonds in coupon form or Bonds in fully registered form of like Series and maturity in any of the authorized denominations. If, on the redemption date, monies for the redemption of all the Bonds or portions thereof of any Series and maturity to be redeemed, together with interest to the redemption date, shall be held by the Trustee and Paying Agents so as to be available for that redemption on that date and if notice of redemption shall have been published as provided in this Article, then, from and after the redemption date, interest on the Bonds or portions of Bonds of such Series and maturity so called for redemption shall cease to accrue and become payable, and the coupons for interest pertaining to those Bonds maturing subsequent to the redemption date shall be void. If those monies shall not be so available on the redemption date, such Bonds or portions thereof shall continue to bear interest until paid at the same rate as they would have borne had they not been called for redemption.

ARTICLE V

Custody and Application of Certain Proceeds of Bonds

501. *Establishment of and Deposits in School Assistance Fund.* There is created and established a separate and distinct fund to be maintained by the Trustee and entitled the "School Assistance Fund". To the credit of this Fund deposits shall be made as required in this Section. All proceeds of any Series of Bonds which are designated by the Series Resolution authorizing the issuance of that Series of Bonds to be used to provide financial assistance to the Board (including, without limitation, providing it with money for ordinary and necessary expenditures for educational purposes, maintenance of school facilities, and other operational needs of the Board), other than for School Construction and Rehabilitation Purposes, shall be deposited in the School Assistance Fund. In addition, there shall be deposited in the School Assistance Fund amounts required to be paid to and deposited in that Fund as provided in Section 503 of this Resolution. However, the portion of the proceeds of any Series of Bonds which is to be used to refund any Bonds or other notes and bonds of the Authority or is to be used to pay any debt obligations of the Board or of the City issued to provide financing for the Board shall be used and applied as provided in the Series Resolution authorizing the issuance of that Series of Bonds and may be applied by the Authority directly to such purposes without being deposited in the School Assistance Fund.

502. *Application of School Assistance Fund.* The amounts in the School Assistance Fund shall be paid by the Trustee from time to time to the Board upon the filing with the Trustee of a requisition of the Chairman or other Authorized Officer so authorizing the Trustee to pay amounts in that Fund. The Chairman or other Authorized Officer is authorized and directed so to file from time to time with the Trustee requisitions to pay amounts deposited in the School Assistance Fund to the Board if the Chairman or such other Authorized Officer shall find that such amounts are then required by the Board for the purposes for which the Series Resolution authorizing the issuance of such Series of Bonds provides such amounts are to be used, all in accordance with the Board's budget or revised budget then in effect as approved by the Authority. The Chairman or other Authorized Officer and the Trustee shall not be responsible for the use or application of any amounts paid to the Board from the School Assistance Fund. Should there remain any amounts in the School Assistance Fund on June 1, 1985, the Trustee shall pay and deposit all such amounts to the Debt Service Fund to the credit of the Principal and Interest Account, and the School Assistance Fund shall then be closed.

503. *Establishment of, Deposits in and Application of Cost of Issuance Accounts.* There is created and established a series of separate and distinct accounts to be maintained by the Trustee and designated collectively as "School Assistance Bonds Cost of Issuance Accounts." Upon the issuance, sale and delivery of any Series of Bonds pursuant to this Resolution, the Series Resolution authorizing such Series of Bonds may (but is not required to) establish a separate account designated "Series Cost of Issuance Account" (inserting in the title the appropriate Series and any other necessary designation). The Series Resolution shall provide for the payment into the related Cost of Issuance Account of the amount of the proceeds from the sale of such Series of Bonds designated by that Series Resolution to be used to pay the Costs of Issuance of that Series of Bonds. That amount shall be expended for Costs of Issuance of that Series of Bonds upon a requisition signed by an Authorized Officer stating the amount and purpose of any such payment. Upon receipt by the Trustee of a certificate of an Authorized Officer stating that all Costs of Issuance for a Series of Bonds have been paid and that amounts remaining in the related Cost of Issuance Account are no longer needed for the payment of Costs of Issuance of that Series of Bonds, the Trustee shall pay such remaining amounts in that Account to and deposit them in the School Assistance Fund, or if it has been closed, then to the Debt Service Fund to the credit of the Principal and Interest Account. In any event, on the first business day of the twelfth month following the last date of delivery of a Series of Bonds, the Trustee shall pay any amounts remaining in the Cost of Issuance Account for that Series of Bonds to and deposit them in the School Assistance Fund, or if it has been closed then to the Debt Service Fund to the credit of the Principal and Interest Account. When all amounts in

any Cost of Issuance Account have been expended or transferred as provided in this Section, that Account shall be closed.

504. *Establishment of, Deposits in and Application of Working Cash Fund.* (1) There is created and established a separate and distinct fund to be maintained by the Trustee and entitled the "Working Cash Fund." To the credit of the Working Cash Fund deposits shall be made as required in this Section. All proceeds of any Series of Bonds which are designated by the Series Resolution authorizing the issuance of that Series of Bonds to be used to provide or increase a working cash fund as provided by the Act shall be deposited in the Working Cash Fund.

(2) Amounts in the Working Cash Fund shall be used by the Authority (a) to make loans to the Board from time to time to enable the Board to cover anticipated cash flow deficiencies which it may experience, all as provided by the Act, as it may from time to time be amended, or (b) for any other lawful purpose for which the Act, as it may from time to time be amended, may permit amounts in the Working Cash Fund to be used. The Trustee shall, from time to time, apply amounts in the Working Cash Fund as specified by written direction of the Chairman or other Authorized Officer, which direction shall be accompanied by a certified copy of a resolution of the Authority so authorizing such loan or other application of amounts in the Working Cash Fund and, in the case any amounts are to be applied in accordance with (b) above, by a Counsel's Opinion of nationally recognized bond counsel to the effect that such amounts may be used for that purpose.

(3) The Authority shall not at any time be obligated to make any loan to the Board from the Working Cash Fund. No interest need be charged on any such loan. Each loan made to the Board from the Working Cash Fund shall mature at such time or times, bear interest at such rate or rates, if any, be payable and be secured in such manner and have such other terms as shall be provided by the resolution of the Authority authorizing the loan and as shall be permitted by the Act, as it may from time to time be amended. A single resolution of the Authority may authorize one or more loans from the Working Cash Fund to be made at such times as the Chairman or other Authorized Officer shall determine. All payments of principal of and interest, if any, on any such loan shall be deposited in the Working Cash Fund.

(4) The Authority may, by resolution, at any time reduce the amount of or abolish the Working Cash Fund, all pursuant to the provisions of the Act, as it may from time to time be amended. Upon receipt by the Trustee of a certified copy of such a resolution of the Authority, the Trustee shall withdraw all amounts in the Working Cash Fund in excess of the amount which is to remain in the Working Cash Fund and deposit those excess amounts in the Debt Service Fund to the credit of the Special Payments Account. However, instead of paying those excess amounts into the Debt Service Fund, the Trustee shall apply those excess amounts in such other manner as may be directed in the resolution of the Authority reducing or abolishing the Working Cash Fund, but only upon receipt by the Trustee of a Counsel's Opinion of nationally recognized bond counsel to the effect that the directed application of the excess amounts is authorized by the Act, as amended to the date of the opinion.

505. *Establishment of, Deposits in and Application of School Construction Fund.* There is created and established a separate and distinct fund to be maintained by the Trustee and entitled the "School Construction Fund". To the credit of this Fund deposits shall be made of amounts received upon the issuance of a Series of Bonds as is provided by the Series Resolution for that Series of Bonds. Amounts in the School Construction Fund shall be used to provide the Board with money for School Construction Purposes or shall be used for other purposes as provided in this Section.

Prior to providing the Board with money from the School Construction Fund for any School Construction Purpose, the Authority shall have adopted a resolution determining that those amounts may be used for that School Construction Purpose. That resolution shall also contain a finding and determination of the Authority that money so to be provided to the Board is to be used for School Construction Purposes and not for providing the Board with money for its ordinary and necessary expenditures for educational purposes, maintenance of school facilities or other operational needs. The adoption of such a resolution shall be in the sole judgment and discretion of the Authority. That

resolution may be adopted by the Authority to cover an entire program of School Construction and Rehabilitation Purposes and it shall not be necessary that a separate resolution be adopted for each individual School Construction Purpose. The Authority may, in making its findings and determinations, rely upon information provided by or on behalf of the Board. The Authority may from time to time make and amend regulations and issue directives, including to the Board, with respect to the use and application of moneys so to be provided the Board.

The Chairman or other Authorized Officer is authorized and directed to file from time to time with the Trustee directions to disburse amounts in the School Construction Fund for a School Construction Purpose. Such directions shall be filed only if (i) the Authority shall have adopted the resolution described in the preceding paragraph and (ii) the Chairman or other Authorized Officer shall have determined that, under the regulations of the Authority, it is then appropriate to provide the Board with that amount of money for that School Construction Purpose. The Chairman or other Authorized Officer is authorized to make that determination.

Amounts in the School Construction Fund shall be disbursed by the Trustee for School Construction Purposes from time to time upon the filing with the Trustee of a direction of the Chairman or other Authorized Officer that the Trustee shall so disburse amounts in that Fund to the Board. The Trustee shall make the disbursements as so directed and shall not be obligated to examine the purposes for which the money is to be disbursed.

The Authority and its Chairman or other Authorized Officer and the Trustee shall not be responsible for the use or application of any amounts disbursed from the School Construction Fund for School Construction Purposes. The Authority and its directors, officers, members, agents and employees and the Trustee shall not be liable for any obligations incurred by the Board for School Construction Purposes.

On December 1 of each year beginning in 1988, the Trustee shall pay to and deposit in the Debt Service Fund to the credit of the Principal and Interest Account, or to one or more other accounts of that Fund as directed by resolution of the Authority, amounts in the School Construction Fund to the extent of all interest and other investment earnings accrued and received on or after December 1, 1987, on investments of the School Construction Fund and not previously transferred to the Debt Service Fund. The Authority, by resolution, in its sole judgment and discretion, may at any time direct that any or all amounts remaining unexpended in the School Construction Fund, in excess of the difference between (i) the minimum amount required by law to have been so deposited and (ii) the amount theretofore paid to the Board from the Fund for School Construction Purposes, be withdrawn from that Fund and be deposited in and credited to the School Rehabilitation Fund. In addition, the Authority by resolution, in its sole judgment and discretion, may at any time direct that any or all amounts in the School Construction Fund, which have not been or shall not have been by a certain date expended, be withdrawn from the School Construction Fund and be deposited in the Debt Service Fund to the credit of one or more accounts of that Fund, as designated by the resolution. Upon receipt by the Trustee of a certified copy of a resolution of the Authority directing a transfer of amounts from the School Construction Fund to the School Rehabilitation Fund or the Debt Service Fund, the Trustee shall withdraw the specified amounts from the School Construction Fund and deposit those amounts in the School Rehabilitation Fund or the Debt Service Fund (to the credit of the designated account or accounts), as directed by the resolution.

506. *Establishment of, Deposits in and Application of School Rehabilitation Fund.* There is created and established a separate and distinct fund to be maintained by the Trustee and entitled the "School Rehabilitation Fund". To the credit of this Fund deposits shall be made of amounts received upon the issuance of a Series of Bonds as is provided by the Series Resolution for that Series of Bonds. Amounts in the School Rehabilitation Fund shall be used to provide the Board with money for School Rehabilitation Purposes or shall be used for other purposes as provided below.

Prior to providing the Board with money from the School Rehabilitation Fund for any School Rehabilitation Purpose, the Authority shall have adopted a resolution determining that those amounts

may be used for that School Rehabilitation Purpose. That resolution shall also contain a finding and determination of the Authority that money so to be provided to the Board is to be used for School Rehabilitation Purposes and not for providing the Board with money for its ordinary and necessary expenditures for educational purposes, maintenance of school facilities or other operational needs. The adoption of such a resolution shall be in the sole judgment and discretion of the Authority. That resolution may be adopted by the Authority to cover an entire program of School Construction and Rehabilitation Purposes and it shall not be necessary that a separate resolution be adopted for each individual School Rehabilitation Purpose. The Authority may, in making its findings and determinations, rely upon information provided by or on behalf of the Board. The Authority may from time to time make and amend regulations and issue directives, including to the Board, with respect to the use and application of moneys so to be provided the Board.

The Chairman or other Authorized Officer is authorized and directed to file from time to time with the Trustee directions to disburse amounts in the School Rehabilitation Fund for a School Rehabilitation Purpose. Such directions shall be filed only if (i) the Authority shall have adopted the resolution described in the preceding paragraph and (ii) the Chairman or other Authorized Officer shall have determined that, under the regulations of the Authority, it is then appropriate to provide the Board with that amount of money for that School Rehabilitation Purpose. The Chairman or other Authorized Officer is authorized to make that determination.

Amounts in the School Rehabilitation Fund shall be disbursed by the Trustee for School Rehabilitation Purposes from time to time upon the filing with the Trustee of a direction of the Chairman or other Authorized Officer that the Trustee shall so disburse amounts in that Fund to the Board. The Trustee shall make the disbursements as so directed and shall not be obligated to examine the purposes for which the money is to be disbursed.

The Authority and its Chairman or other Authorized Officer and the Trustee shall not be responsible for the use or application of any amounts disbursed from the School Rehabilitation Fund for School Rehabilitation Purposes. The Authority and its directors, officers, members, agents and employees and the Trustee shall not be liable for any obligations incurred by the Board for School Rehabilitation Purposes.

On December 1 of each year beginning in 1988, the Trustee shall pay to and deposit in the Debt Service Fund to the credit of the Principal and Interest Account, or to one or more other accounts of that Fund as directed by resolution of the Authority, amounts in the School Rehabilitation Fund to the extent of all interest and other investment earnings accrued and received on or after December 1, 1987, on investments of the School Rehabilitation Fund and not previously transferred to the Debt Service Fund. The Authority, by resolution in its sole judgment and discretion, may at any time direct that any or all amounts remaining unexpended in the School Rehabilitation Fund be withdrawn from that Fund and be deposited in and credited to the School Construction Fund, but only if the transfer shall not cause the amount which shall have been deposited in the School Construction Fund to exceed the maximum amount allowed by law to be used for School Construction Purposes. In addition, the Authority by resolution, in its sole judgment and discretion, may at any time direct that any or all amounts in the School Rehabilitation Fund, which have not been or shall not have been by a certain date expended, be withdrawn from the School Rehabilitation Fund and be deposited in the Debt Service Fund to the credit of one or more accounts of that Fund, as designated by the resolution. Upon receipt by the Trustee of a certified copy of a resolution of the Authority directing a transfer of amounts from the School Rehabilitation Fund to the School Construction Fund or the Debt Service Fund, the Trustee shall withdraw the specified amounts from the School Rehabilitation Fund and deposit those amounts in the School Construction Fund or the Debt Service Fund (to the credit of the designated account or accounts) as directed by the resolution.

507. *Establishment of, Deposits in and Application of School Assistance Bonds Administrative Fund.* There is created and established a separate and distinct fund to be maintained by the

Trustee and entitled the "School Assistance Bonds Administrative Fund". To the credit of this Fund, deposits shall be made of amounts received upon the issuance of a Series of Bonds as is provided by the Series Resolution for that Series of Bonds. Amounts in the Administrative Fund shall be used to pay Administrative Expenses or shall be used for other purposes as provided in this Section.

Amounts in the Administrative Fund shall be distributed by the Trustee for Administrative Expenses from time to time upon the filing with it of a requisition signed by the Chairman or other Authorized Officer stating the amount and purpose of any such payment. The Chairman or other Authorized Officer is authorized and directed to file such requisitions from time to time with the Trustee as needed to pay Administrative Expenses for the Authority.

The Authority, by resolution, in its sole judgment and discretion, may at any time direct that any or all amounts in the Administrative Fund, which have not been or shall not have been expended by a certain date, be withdrawn from the Administrative Fund and be deposited in the Debt Service Fund to the credit of one or more accounts of that Fund, as designated by the resolution. Upon receipt by the Trustee of a certified copy of a resolution of the Authority so directing a transfer of amounts from the Administrative Fund to the Debt Service Fund, the Trustee shall withdraw the specified amounts from the Administrative Fund and deposit those amounts in the Debt Service Fund (to the credit of the designated account or accounts) as directed by the resolution.

508. *Separate Funds and Accounts.* Except as allowed by the following sentence, the School Assistance Fund, the School Construction Fund, the School Rehabilitation Fund, the Administrative Fund, the Working Cash Fund and each Cost of Issuance Account shall be separate and segregated from all other funds and accounts of the Authority or the Board. Cash funds and investments in any Cost of Issuance Account, in the School Assistance Fund, in the School Construction Fund, in the School Rehabilitation Fund, in the Administrative Fund or in the Working Cash Fund shall never be commingled with other funds or accounts of the Authority or the Board for any purpose whatsoever, except that the cash funds and investments of the School Construction Fund may be commingled with the cash funds and investments of the School Rehabilitation Fund.

ARTICLE VI

Establishment and Application of Funds and Accounts for Payment of Bonds

601. *Debt Service Fund.* (1) There is created and established a separate and distinct fund to be maintained by the Trustee and entitled the "School Assistance Bonds Debt Service Fund" (the "Debt Service Fund"). There are created and established in the Debt Service Fund as separate and distinct accounts to be maintained by the Trustee an account entitled "Principal and Interest Account," an account entitled "Redemption Account," an account entitled "Special Payments Account" and a series of accounts entitled collectively the "Capitalized Interest Accounts." Each Series Resolution authorizing the issuance of a Series of Bonds interest on which is required to be paid from a Capitalized Account pursuant to Section 909 of this Resolution shall create and establish such an account entitled "Series . . . Capitalized Interest Account" (inserting in the title the appropriate Series and any other necessary designation).

(2) There shall be deposited by the Trustee in the Debt Service Fund to the credit of the Principal and Interest Account:

(a) all collections of taxes to be levied as provided by this Resolution, the Series Resolutions and the Tax Levy Ordinances;

(b) all amounts required to be transferred and credited to the Principal and Interest Account from the Redemption Account as provided in paragraph (11) of this Section:

(c) all amounts required to be paid and deposited in the Debt Service Fund from the Reserve Fund as provided in paragraph (3) or paragraph (5) of Section 602 of this Resolution;

(d) all amounts transferred to the Principal and Interest Account from a Capitalized Interest Account as provided in paragraph (8) of this Section;

(e) all amounts transferred to the Principal and Interest Account from the Special Payments Account as provided in paragraph (11) or paragraph (12) of this Section; and

(f) all amounts transferred to the Principal and Interest Account pursuant to Article V of this Resolution.

(3) Amounts in the Principal and Interest Account shall be applied by the Trustee to the payment of the interest on the Bonds as it falls due (other than interest paid from a Capitalized Interest Account as provided in paragraph (8) of this Section), and the principal of the Bonds at maturity or on Sinking Fund Installment dates. Prior to June 1 and December 1 of each year (but not more than 5 days prior to such date), beginning with December 1, 1981, the Trustee shall pay out of the amounts in the Principal and Interest Account to itself and the appropriate Paying Agents, the amounts required for the payment by it and the Paying Agents of the Debt Service Requirements then coming due on the Bonds (other than interest to be paid from a Capitalized Interest Account as provided in paragraph (8) of this Section).

(4) In December of each year, after paying all interest due on the Bonds on December 1 of that year (but before making any deposits to the Principal and Interest Account from the Special Payments Account as provided in paragraph (12) of this Section), the Trustee shall transfer from the Principal and Interest Account the following amounts in the following priority:

(a) to the Reserve Fund the amount, if any, by which the value of the Reserve Fund is less than the Reserve Requirement; and then

(b) to the Special Payments Account the aggregate amount of all previous transfers made to the Principal and Interest Account from the Special Payments Account pursuant to paragraph (11) of this Section which have not previously been retransferred to the Special Payments Account pursuant to the requirements of this sentence.

No transfer shall be made pursuant to this paragraph except to the extent that amounts in the Principal and Interest Account are in excess of the Debt Service Requirements on the Bonds for the next June 1.

(5) In December of each year (beginning in 1981), upon receipt of the Trustee's Annual Report and after all transfers required from the Principal and Interest Account to the Reserve Fund and the Special Payments Account, as provided by paragraph (4) of this Section, have been made and after the transfers of amounts from the Reserve Fund to the Principal and Interest Account as provided by paragraph (5) of Section 602 of this Resolution have been made, and after the transfers of amounts from the School Construction Fund and School Rehabilitation Fund to the Principal and Interest Account as provided in Sections 505 and 506, respectively, of this Resolution have been made, and after any transfers of amounts from the Special Payments Account to the Principal and Interest Account as provided by paragraph (12) of this Section have been made, the Authority (i) may by resolution direct the Trustee to transfer amounts from the Principal and Interest Account to the Redemption Account, (ii) may by resolution determine to abate the amount of taxes levied with respect to that year (and provided to be collected in the next calendar year) for payment of principal of the Bonds, at maturity or on Sinking Fund Installment dates and of interest on Bonds as it falls due, or (iii) may so direct and determine a combination of such transfers and abatements. Upon a certified copy of such a resolution being filed with the Trustee directing such a transfer to the Redemption Account, the Trustee shall promptly make such a transfer. The total amount of any such abatement and transfer so directed and determined by resolution of the Authority in any year shall not exceed the amount, if any, by which the value of the Principal and Interest Account.

after the transfers between the Principal and Interest Account and the Special Payments Account or the Reserve Fund referred to in the first sentence of this paragraph, exceeds the sum of:

(a) the Debt Service Requirements for the next June 1, plus

(b) the amount, if any, by which all taxes levied pursuant to all Tax Levy Ordinances and received by the Trustee through December 1 of each year exceeds the sum of (i) the amount of principal of Bonds due at maturity or on Sinking Fund Installment dates, and of the interest due on the Bonds, through such December 1 (other than interest which was paid from a Capitalized Interest Account) plus (ii) the Debt Service Requirements for the next June 1.

(6) At any time after any December 1, the Trustee, in its sole discretion, may, and upon direction of an Authorized Officer shall, withdraw moneys from the Principal and Interest Account and purchase Bonds or portions of Bonds, which Bonds mature or are subject to mandatory redemption pursuant to Sinking Fund Installments on the next June 1. The principal amount of Bonds so purchased within any period after any December 1 and prior to the next June 1 shall not exceed the sum of the Sinking Fund Installments on Term Bonds due on that June 1 and the principal amount of Serial Bonds maturing on that June 1. The principal amount of Term Bonds so purchased shall be a credit against and reduction of the amount of the Sinking Fund Installments on those Bonds on the next June 1. No purchase of Bonds shall be made after notice of redemption of those Bonds shall have been given as provided in this Resolution. No such purchase shall be made at a price in excess of the principal amount of the Bonds purchased plus accrued and unpaid interest on those Bonds to the date of purchase.

(7) The Authority shall pay to and deposit in the Debt Service Fund to the credit of the Capitalized Interest Account for each Series of Bonds the amount from proceeds of that Series of Bonds provided in the Series Resolution for that Series of Bonds. The Trustee shall pay to and deposit in the Capitalized Interest Account for each Series of Bonds all amounts required to be paid to such Account from the Reserve Fund as provided in paragraph (4) of Section 602 of this Resolution. A Series Resolution may provide for the temporary deposit of proceeds of a Series of Bonds in the Capitalized Interest Account for a Series of Bonds until the exact amount of the deposit required is ascertained and may provide for any excess amounts then to be deposited, as if the deposit were a deposit directly from proceeds of the sale of that Series of Bonds, in the School Assistance Fund, or for the use of such excess amounts for other purposes for which Bonds may be or may then be issued.

(8) Amounts in a Capitalized Interest Account for any Series of Bonds shall be used to pay all or a portion of the interest, as specified in the Series Resolution for that Series of Bonds, on that Series of Bonds coming due on the date specified in the Series Resolution for that Series of Bonds. After all interest to be paid from a Capitalized Interest Account for a Series of Bonds has been paid in full (or the payment of that interest has been provided for) any remaining amounts in that Account shall be transferred by the Trustee to the Principal and Interest Account. Prior to any interest payment date on Bonds of any Series for which interest is so to be paid from a Capitalized Interest Account, the Trustee shall pay out of the amounts in that Account to itself and the Paying Agents for that Series of Bonds the amounts required then to pay that interest on the Bonds of that Series then coming due.

(9) There shall be deposited by the Trustee in the Debt Service Fund to the credit of the Redemption Account all amounts transferred to the Redemption Account from the Principal and Interest Account pursuant to paragraph (5) of this Section and from the Special Payments Account pursuant to paragraph (12) of this Section and all amounts transferred to the Debt Service Fund to the credit of the Redemption Account pursuant to Article V of this Resolution.

(10) Amounts at any time in the Redemption Account may be used by the Trustee at the direction of an Authorized Officer to redeem Bonds or to purchase Bonds. No purchase of Bonds shall be at a price in excess of the Redemption Price of the Bonds for an optional redemption at the next optional redemption date, plus accrued and unpaid interest on the principal of the Bonds to be redeemed to the date of redemption. An Authorized Officer may direct the Trustee as to the method of making

any such purchase. No purchase of any Bonds from the Redemption Account shall be made by the Trustee within the period of forty-five (45) days next preceding a date on which those Bonds are subject to redemption. The Series Resolution authorizing a Series of Bonds which includes Term Bonds may provide for such redemption or purchase of Term Bonds pursuant to this paragraph (10) to be a credit against and reduction of such Sinking Fund Installments as is determined by that Series Resolution.

(11) If at any time the amounts in the Principal and Interest Account are insufficient to pay interest on the Bonds as it falls due and to pay principal on Bonds at maturity or on Sinking Fund Installment dates, the Trustee shall transfer to the Principal and Interest Account moneys from the Redemption Account which, when added to funds in the Principal and Interest Account, shall be sufficient to make such payments. If, after that transfer, the amounts in the Principal and Interest Account remain insufficient to make such payments, the Trustee shall transfer amounts from the Special Payments Account to the Principal and Interest Account sufficient to make such payments. If after that transfer the amounts in the Principal and Interest Account still remain insufficient to make such payments, the Trustee shall transfer amounts from the Reserve Fund to the Principal and Interest Account sufficient to make such payments.

(12) There shall be deposited by the Trustee to the credit of the Special Payments Account all amounts required to be paid to and deposited in the Debt Service Fund from the Working Cash Fund as provided in Section 504 of this Resolution, all amounts required to be transferred and credited to the Special Payments Account pursuant to paragraph (4) of this Section and any other amounts which the Authority shall cause to be deposited in the Special Payments Account pursuant to law. The Authority may at any time by resolution direct the Trustee to transfer amounts from the Special Payments Account to the Redemption Account. At any time after December 1 of any year and prior to June 1 of the next year, the Authority may by resolution direct the Trustee to transfer amounts from the Special Payments Account to the Principal and Interest Account. The amounts so to be transferred to the Principal and Interest Account shall not exceed the total amount of the principal of Bonds due at maturity or pursuant to Sinking Fund Installments on the next June 1, plus interest to be paid on those Bonds on that June 1. The amounts so transferred shall be used to pay principal of Bonds on that June 1 and interest on those Bonds on that date. Upon a certified copy of a resolution of the Authority being filed with the Trustee so directing a transfer of amounts in the Special Payments Account to either the Redemption Account or the Principal and Interest Account, the Trustee shall make the directed transfer. In December of each year in which there are amounts in the Special Payments Account, prior to the adoption of any resolution as provided in paragraph (5) of this Section, the Authority shall determine whether or not then to transfer any amounts in the Special Payments Account to the Principal and Interest Account, but that determination shall not preclude the Authority from making any subsequent transfers to the Principal and Interest Account pursuant to this paragraph.

(13) As long as any of the Bonds remain outstanding and unpaid as to either principal or interest, in whole or in part, all amounts in the Debt Service Fund shall be held in trust by the Trustee for the sole benefit of the Holders of Bonds or coupons and shall be applied solely for the payment, redemption or purchase of the Bonds or coupons, all as provided in this Section, and shall not be used for any other purpose.

(14) The Debt Service Fund and each Account in it shall be separate and segregated from all other funds and accounts of the Authority or the Board. Cash funds and investments in the Debt Service Fund and each Account in it shall never be commingled with other funds or accounts of the Authority or the Board for any purpose whatsoever.

602. *Reserve Fund.* (1) There is established and created a separate and distinct fund to be maintained by the Trustee and entitled the "School Assistance Bonds Debt Service Reserve Fund" (the "Reserve Fund"). The Authority shall pay to the Trustee for deposit in the Reserve Fund that portion of the proceeds of the sale of any Series of Bonds as shall be provided by the Series Resolution

authorizing that Series of Bonds. The Trustee shall pay to and deposit in the Reserve Fund all amounts provided to be transferred to the Reserve Fund from the Principal and Interest Account pursuant to paragraph (4) of Section 601 of this Resolution.

(2) All amounts on deposit in the Reserve Fund shall be held in trust for the sole benefit of the Holders of the Bonds and coupons as provided in this Resolution and shall be applied and used solely for the payment of principal of the Bonds, at maturity or on Sinking Fund Installment dates, and for the payment of interest on the Bonds as it falls due, or for transfer to the Principal and Interest Account for application as provided by this Resolution, and shall not be used for any other purpose.

(3) Amounts in the Reserve Fund shall be transferred by the Trustee to the Debt Service Fund to the credit of the Principal and Interest Account at the times and in the amounts as required by paragraph (11) of Section 601 of this Resolution, in order to pay principal of the Bonds at maturity or on Sinking Fund Installment dates and to pay interest on the Bonds as it falls due.

(4) On or prior to December 1, 1980, and on or prior to June 1, 1981, the Trustee shall pay to and deposit in the Debt Service Fund to the credit of the Capitalized Interest Account for each Series of Bonds for which interest on those dates is provided by the Series Resolutions for those Series of Bonds to be paid from such an Account, all interest or investment earnings, if any, received through those dates on the Investment Obligations purchased from amounts deposited from proceeds of that Series of Bonds in the Reserve Fund pursuant to Section 909 of this Resolution.

(5) On December 1 of each year beginning in 1981 the Trustee shall pay to and deposit in the Debt Service Fund to the credit of the Principal and Interest Account all amounts in the Reserve Fund to the extent the value of the Reserve Fund is in excess of the Reserve Requirement.

(6) Whenever the Trustee shall determine that the total amount in the Reserve Fund, together with all amounts in the Debt Service Fund, will be sufficient to pay or to redeem or to provide for the payment or redemption of all the Outstanding Bonds, the Trustee shall pay to and deposit in the Debt Service Fund to the credit of the Redemption Account such remaining amounts in the Reserve Fund.

(7) The Reserve Fund shall be separate and segregated from all other funds and accounts of the Authority or the Board. Cash funds and investments in the Reserve Fund shall never be commingled with other funds or accounts of the Authority or the Board for any purpose whatsoever.

603. *Lien and Security Interest in Debt Service Fund and Reserve Fund.* The Debt Service Fund, including all its accounts, and the Reserve Fund shall be funds held in trust for the Holders of the Bonds and coupons as provided in this Resolution. The Holders of the Bonds and coupons shall have and are granted a security interest in and lien upon all cash and investments of such Funds, and such Funds shall be applied solely as provided in this Resolution, except that only the Holders of Bonds and coupons of a particular Series shall have and are granted such a security interest in and lien upon amounts in the Capitalized Interest Account for that Series of Bonds. The security interests and liens described in this Section are valid and binding from the date the Bonds are issued, without any physical delivery or further action, and shall be valid and binding as against, and prior to any claim of all other parties having claims of any kind in tort, contract or otherwise against the State, the Authority, the Board, the City, or any other person, irrespective of whether such other parties have notice of the lien or security interest.

604. *Disposition of Bonds and Coupons Upon Payment.* All Bonds paid and redeemed, or purchased by the Trustee, under the provisions of this Resolution, either at or before maturity, together with all unmatured coupons, if any, pertaining to those Bonds, shall be cancelled when such payment, redemption or purchase is made, and such Bonds and coupons, unless then held by the Trustee, shall be delivered to the Trustee. All interest coupons shall be cancelled upon their payment and delivered to the Trustee. All cancelled Bonds and coupons shall from time to time, upon direction of an Authorized Officer, be cremated or otherwise destroyed by the Trustee. The Trustee shall execute a certificate

of cremation or other destruction in duplicate describing the Bonds and coupons so cremated or otherwise destroyed, listing their numbers, and one executed certificate shall be filed with the Authority and the other executed certificate shall be retained by the Trustee.

605. *Notice to Bond Insurer.* With respect to any Series of Bonds for which the Authority shall have notified the Trustee that it has purchased bond insurance, the Trustee shall give that insurer prompt notice of the failure for there to be on deposit with the Trustee money, at the times, in the amounts and in the Funds and Accounts under the Resolution, as shall be sufficient to allow the Trustee to pay in full the interest as it comes due and the principal, at maturity or pursuant to sinking fund installments, on such Series of Bonds.

ARTICLE VII

Security for Deposits and Investment of Funds

701. *Security for Deposits.* All moneys held under this Resolution by the Trustee or any Paying Agent shall be continuously and fully secured for the benefit of the Authority and the Holders of the Bonds and the coupons, as their respective interests may appear, by Investment Obligations of a market value equal at all times to the amount of the deposit so held by the Trustee. However, it shall not be necessary for the Trustee or any Paying Agent to give security for such amount of moneys as is insured by Federal deposit insurance, for the Trustee to give security for any moneys which shall be represented by Investment Obligations purchased under the provisions of this Resolution as an investment of such moneys or for any moneys loaned to the Board from the Working Cash Fund, or for any Paying Agent to give security for the deposit of any moneys held by it in trust for the Holders of Bonds and coupons.

702. *Investment of Funds and Accounts Held by the Trustee.* (1) Upon direction of the Authorized Officer, moneys in the Funds and Accounts established by this Resolution shall be invested by the Trustee in Investment Obligations so that the maturity date or date of redemption at the option of the holder of such Investment Obligations shall coincide, as nearly as practicable, with the times at which moneys in these Funds and Accounts will be required for the purposes provided in this Resolution.

(2) Moneys in the Reserve Fund shall be invested by the Trustee upon direction of an Authorized Officer, in Investment Obligations the maximum maturity of which shall not be more than ten (10) years from the date of such investment; provided, however, that at least 25% of the moneys in the Reserve Fund shall from time to time be invested in Investment Obligations the average maturity of which shall not be more than two (2) years from the date of any investment.

(3) Obligations purchased as an investment of moneys in any Fund or Account held by the Trustee under the provisions of this Resolution shall be deemed at all times to be a part of such Fund or Account and the income or interest earned by a Fund or Account due to the investment thereof shall be deposited in and credited to such Fund or Account.

(4) In computing the value of any Fund or Account held by the Trustee under the provisions of this Resolution, except the Reserve Fund, obligations purchased as an investment of moneys therein shall be valued at the cost or market price thereof, whichever is lower, exclusive of accrued interest. In computing the value of the Reserve Fund, obligations purchased as an investment of moneys therein shall be valued at par, or if purchased at less than par, at their cost to the Authority.

(5) The Trustee shall sell at the best price obtainable, or present for redemption, any obligation purchased by it as an investment whenever it shall be necessary in order to provide moneys to meet any payment or transfer from the Fund or Account for which such investment was made. The Trustee shall advise the Authority in writing, on or before the last day of each calendar month, of the details of all investments held for the credit of each Fund and Account in its custody under the provisions of this Resolution as of the end of the preceding month.

(6) The Trustee shall continuously invest all amounts deposited in a Capitalized Interest Account for a Series of Bonds in such Investment Obligations referred to in subparagraphs (a) or (d) of the definition of Investment Obligations in Section 101 of this Resolution, as directed in writing by an Authorized Officer pursuant to Section 909 of this Resolution, until all the interest to be paid from the Account has been paid. The Trustee shall continuously invest all amounts deposited in the Reserve Fund from proceeds of any Series of Bonds for which interest is payable from a Capitalized Interest Account on December 1, 1980, or June 1, 1981, in Investment Obligations referred to in subparagraphs (a) or (d) of the definition of Investment Obligations in Section 101 of this Resolution as directed in writing by an Authorized Officer pursuant to Section 909 of this Resolution.

703. *Liability of Trustee for Investments.* The Authority shall authorize, direct and confirm in writing by an Authorized Officer, all investments by the Trustee. If the Authority fails to direct investments, the Trustee shall invest such amount at its discretion in such Investment Obligations as is permitted by this Resolution. The Trustee shall not be liable or responsible for the making of any investment authorized by the provisions of this Article, in the manner provided in this Section, or for any loss resulting from any such investment so made, except for its own gross negligence or willful default.

ARTICLE VIII

The Trustee and Paying Agents

801. *Trustee; Appointment and Acceptance of Duties.* The First National Bank of Chicago, Chicago, Illinois is appointed Trustee under this Resolution. The Trustee shall signify its acceptance of the duties and obligations imposed on it by this Resolution by a written instrument of acceptance deposited with the Authority prior to issuance of the first Series of Bonds.

802. *Paying Agents; Appointment and Acceptance of Duties.* (1) The Authority shall appoint one or more Paying Agents for the Bonds of any Series in the Series Resolution authorizing such Bonds, and may at any time or from time to time appoint one or more other Paying Agents in the manner and subject to the conditions set forth in Section 811 of this Resolution for the appointment of a successor Paying Agent. The Trustee may be appointed to act as Paying Agent notwithstanding that it may then be acting in the capacity of the Trustee. Moneys paid to Paying Agents pursuant to this Resolution shall be held in trust for the Holders of the Bonds and coupons and any risk of loss of such amounts shall be the risk of such Holders and not the Authority.

(2) Each Paying Agent shall signify its acceptance of the duties and obligations imposed upon it by the Resolution by written instrument of acceptance deposited with the Authority and the Trustee.

(3) The corporate trust offices of the Paying Agents are designated as the respective agencies of the Authority for the payment of the interest and principal and Redemption Price of the Bonds, except that interest, principal and Redemption Price of all Bonds in fully registered form and principal and Redemption Price of all Bonds in coupon form registered as to principal (other than to bearer) shall be payable at the corporate trust office of the Trustee. Interest on Bonds in fully registered form shall be payable by check mailed by the Trustee to the Holders of those Bonds at their address as shown on the registry books of the Authority maintained at the Trustee.

803. *Responsibilities of Trustee and Paying Agents.* The recitals of fact in this Resolution, the Series Resolutions, the Tax Levy Ordinances and the Bonds shall be taken as the statements of the Authority (or the City Council in the case of the Tax Levy Ordinances), and neither the Trustee nor any Paying Agent assumes any responsibility for their correctness. Except as explicitly provided in this Resolution, neither the Trustee nor any Paying Agent shall be deemed to make any representations as to the validity or sufficiency of this Resolution, the Series Resolutions, the Tax Levy Ordinances or the Bonds or in respect of the security afforded by such documents. Except as explicitly provided in this Resolution, neither the Trustee nor the Paying Agent shall have any responsibility or duty with respect to the issuance of the Bonds or the application of the proceeds of the Bonds or the application of any moneys paid to the Board. Neither the Trustee nor any Paying Agent shall be under

any obligation or duty to perform any act which would involve it in expense or liability or to institute or defend any suit in respect of its duties and obligations under this Resolution, or to advance any of its own moneys unless properly indemnified to its reasonable satisfaction. Neither the Trustee nor any Paying Agent shall be liable in connection with the performance of its duties and obligations under this Resolution except for its own gross negligence or willful default or breach of trust. Neither the Trustee nor any Paying Agent shall have any responsibility or duty with respect to the application of any moneys paid by any of them to any other.

804. *Evidence on Which Trustee and Paying Agents May Act.* The Trustee and any Paying Agent may act upon any notice, resolution, request, consent, order, certificate, report, opinion, bond, or other paper or document believed by it to be genuine, and to have been signed or presented by the proper party or parties and shall not be liable for any such action. The Trustee and any Paying Agent may consult with counsel of recognized competency in such matters who may or may not be counsel to the Authority, and the opinion or advice of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the Trustee or any Paying Agent under this Resolution in good faith and in accordance with such opinion or advice. Whenever the Trustee or any Paying Agent shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action under this Resolution, any Series Resolution, or any Tax Levy Ordinance, such matter (unless other evidence is specifically prescribed by such document) may be deemed to be conclusively proved and established by a certificate of an Authorized Officer of the Authority, and such certificate shall be full warrant for any action taken or suffered in good faith under the provisions of such document, but in its discretion the Trustee or any Paying Agent may in lieu of such certificate accept other evidence of such fact or matter or may require such further or additional evidence as may seem reasonable to it. Except as otherwise expressly provided in this Resolution, any request, order, notice or other direction required or permitted to be furnished pursuant to any provision of this Resolution by the Authority to the Trustee or any Paying Agent shall be sufficiently executed if executed in the name of the Authority by an Authorized Officer.

805. *Compensation.* The Authority shall pay to the Trustee and to each Paying Agent from time to time reasonable compensation for all services rendered under this Resolution, and also all reasonable expenses, charges, counsel fees and other disbursements, including those of its attorneys, agents and employees, incurred in the performance of their powers and duties under this Resolution. The Authority further agrees to defend, indemnify and save the Trustee or any Paying Agent harmless against any liabilities which it may incur in the exercise and performance of its powers and duties under this Resolution, and which are not due to the Trustee's gross negligence or willful default. Such payment of fees and indemnification of the Trustee and each Paying Agent shall be from available funds of the Authority. The Trustee and the Paying Agents shall have no right to use any amounts in the Debt Service Fund or the Reserve Fund or to have any set-off, lien or other right to any such amounts for such purposes.

806. *Permitted Acts and Functions.* The Trustee and any Paying Agent may buy, own, hold and sell (including acting as an underwriter in respect of) any Bonds or other bonds or notes of the Authority; any may engage or be interested in any financial or other transaction with the Authority with like effect and with the same rights as if it were not such Trustee or Paying Agent.

807. *Resignation or Removal of Trustee.* (1) The Trustee may at any time, except during such time as the Authority shall have failed to pay (and shall continue to fail to pay) principal on any Bonds at maturity or on Sinking Fund Installment dates or to pay interest on any Bond as it comes due, resign and be discharged of the duties and obligations created by this Resolution by giving not less than sixty (60) days' written notice to the Authority and publishing notice of the resignation specifying the date when such resignation shall take effect, once in a daily newspaper of general circulation in the City. Such resignation shall take effect upon the day specified in such notice unless previously a successor shall have been appointed, as provided in Section 808 of this Resolution, in which event such resignation shall take effect immediately on the appointment of the successor.

(2) The Trustee shall be removed by the Authority if at any time the Authority is so requested by an instrument or concurrent instruments in writing filed with the Trustee and the Authority, and signed by the Holders of a majority in principal amount of the Bonds then Outstanding or their attorneys-in-fact duly authorized, excluding any Bonds held by or for the account of the Authority. The Authority may remove the Trustee at any time, except during such time as the Authority shall have failed to pay (and shall continue to fail to pay) principal of any Bond at maturity or on Sinking Fund Installment dates) or to pay interest on any Bond as it falls due, for such cause as shall be determined by the Authority by filing with the Trustee an instrument of removal signed by an Authorized Officer of the Authority.

808. *Appointment of Successor Trustee.* In case at any time the Trustee shall resign or shall be removed or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator or conservator of the Trustee, or of its property, shall be appointed, or if any public officer shall take charge or control of the Trustee or of its property or affairs, the Authority covenants and agrees that it will then by resolution appoint a successor Trustee. The Authority shall publish notice of any such appointment made by it in a daily newspaper of general circulation in the City, such publication in each case to be made within twenty (20) days after such appointment. The Authority shall also promptly give notice as to the appointment of the successor Trustee to the county collector of each county in which any taxable property in the City is located. If appointment of a successor Trustee shall not be made as required by the foregoing provisions of this Section within forty-five (45) days after the Trustee shall have given to the Authority written notice, as provided in Section 807 of this Resolution, or after a vacancy in the office of the Trustee shall have otherwise occurred, the Trustee or any Holder of the Bonds may apply to any court of competent jurisdiction to appoint a successor Trustee. That court may thereupon, after such notice, if any, as such court may deem proper and prescribe, appoint a successor Trustee. A copy of the order of court so appointing a successor Trustee shall be given promptly by an Authorized Officer to the county collector of each county in which any taxable property in the City is located. Any Trustee appointed under the provisions of this Section in succession to the Trustee shall be a bank or trust company organized under the laws of the State of Illinois or a national banking association doing business and having its principal office in the City of Chicago, State of Illinois, and having a capital and undivided surplus aggregating at least Twenty Million Dollars ($20,000,000), and willing and able to accept the office on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by this Resolution.

809. *Transfer of Rights and Property to Successor Trustee.* Any successor Trustee appointed under this Resolution shall execute, acknowledge and deliver to its predecessor as Trustee, and also to the Authority, an instrument accepting such appointment, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become fully vested with all moneys, estates, properties, rights, powers, duties and obligations of such predecessor Trustee, with like effect as it originally named as Trustee; but the Trustee ceasing to act shall nevertheless, on the written request of the Authority or of the successor Trustee, execute, acknowledge and deliver such instruments of conveyance and further assurance and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor Trustee all the right, title and interest of the predecessor Trustee in and to any property or right held by it under this Resolution, and shall pay over, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions set forth in this Resolution. Should any deed, conveyance or instrument in writing from the Authority be required by such successor Trustee for more fully and certainly vesting in and confirming to such successor Trustee any such estates, rights, powers and duties, any and all such deeds, conveyances and instruments in writing shall, on request, and so far as may be authorized by law, be executed, acknowledged and delivered by the Chairman or other Authorized Officer. Any successor Trustee shall promptly notify the Paying Agents of its appointment.

810. *Merger, Conversion or Consolidation.* Any company into which the Trustee or any Paying Agent may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which the

Trustee or any Paying Agent may sell or transfer all or substantially all of its corporate trust business, shall be the successor to such Trustee or Paying Agent without the execution or filing of any paper or the performance of any further act, provided with the respect to the Trustee that such company shall be a bank or trust company organized under the laws of the State, and otherwise qualifying under Section 808 of this Resolution for appointment as a Trustee and shall be authorized by law to perform all the duties imposed upon it by this Resolution.

811. *Resignation or Removal of Paying Agents and Appointment of Successors.* Any Paying Agent may at any time resign and be discharged of the duties and obligations created by this Resolution by giving at least sixty (60) days' written notice to the Authority and the Trustee. Any Paying Agent may be removed at any time by an instrument filed with such Paying Agent and the Trustee and signed by an Authorized Officer of the Authority. Any successor Paying Agent shall be appointed by the Authority and shall be a bank or trust company organized under the laws of any state of the United States or a national banking association, having a capital and surplus aggregating at least Twenty Million Dollars ($20,000,000), and willing and able to accept the office of Paying Agent on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by this Resolution. In the event of the resignation or removal of any Paying Agent, such Paying Agent shall pay over, assign and deliver any monies held by it as Paying Agent to its successor, or if there be no successor then appointed, to the Trustee until such successor is appointed. At all times at least one Paying Agent shall be a bank or trust company which maintains its corporate trust office in the City. The Authority shall notify the Trustee as to the appointment of a successor Paying Agent.

812. *Powers of Bondholder or Trustee to Enforce Compliance.* The Trustee shall have all the rights, duties and powers as provided in other sections of this Resolution. In addition, the Trustee shall have power, in its sole discretion, but shall not be obligated, to bring any legal proceedings on behalf of any Holders of the Bonds to enforce the provisions of the Act, this Resolution, any Series Resolution or any Tax Levy Ordinance or any security for the Bonds or coupon as provided by such documents, but this provision shall not exclude any Holder of the Bonds from bringing any such legal proceedings in his or her own name. The Trustee and any Holder of the Bonds may bring any legal proceedings to compel the performance by any person of the obligations, duties and responsibilities imposed under the Act, the Resolution, any Series Resolution or any Tax Levy Ordinance or the Bonds. Those legal proceedings may include, without limitation, actions for injunctive or other equitable relief or for a writ or writs of mandamus. It shall not be necessary in order for any such proceeding to be brought that Bonds have not then been paid as to principal due either at maturity or on Sinking Fund Installment dates or as to interest then due.

813. *Trustee's Annual Valuation of Funds and Report and Tax Levy Certificate.* As promptly as practicable after December 1 in each year (beginning in 1981) but in any event on or prior to December 15 of such year, the Trustee shall determine the value of the cash and investments in the Principal and Interest Account, the Special Payments Account and the Reserve Fund and shall prepare and submit to the Authority a Trustee's Annual Report. The Trustee's Annual Report shall contain a full and complete report on all receipts and expenditures of all Funds and Accounts established under this Resolution and of all transfers between such Funds and Accounts for the year ending the previous November 30. The report shall also include all expenditures and transfers to be made in December of the year of the Report pursuant to Sections 505 and 506, paragraphs (4) and (11) of Section 601 and paragraph (5) of Section 602 of this Resolution. In addition, the Report shall state:

(a) The value of the Principal and Interest Account and the Special Payments Account as of such December 1, after payment of the interest then due on the Bonds and after giving effect to any transfers in that December pursuant to Sections 505 and 506, paragraphs (4) and (11) of Section 601 or to paragraph (5) of Section 602 of this Resolution.

(b) The value of the Reserve Fund as of such December 1 after giving effect to any transfers pursuant to paragraph (4) of Section 601 or paragraph (5) of Section 602 of this Resolution.

(c) The total amount of taxes received by the Trustee in all years prior to the date of the Report, shown by year of receipt.

(d) The total amount, if any, of all taxes required to be collected in the next calendar year pursuant to paragraph (3) of Section 906 of this Resolution.

(e) The total amount of all taxes required to have been collected pursuant to this Resolution in all years, up to and including the year of the Report (less any abatements of those taxes allowed by this Resolution).

(f) The Debt Service Requirements for the next June 1.

(g) The percentage by which the total ad valorem property taxes on taxable property in the City collected during the preceding calendar year was less than the total of such taxes extended for collection in that year.

The Trustee's Annual Report shall remind the Authority of its obligations under Section 908 of this Resolution. In addition, no later than December 31 of each year, beginning in 1981, the Trustee shall file in the offices of the county clerks of each county in which any taxable property in the City shall be located a statement, certified by a corporate trust officer of the Trustee, of the amount of the taxes which are to be included in the levy for that year pursuant to paragraph (3) of Section 906 of this Resolution.

ARTICLE IX

Covenants of the Authority

The Authority covenants and agrees with the Holders of the Bonds and coupons as follows:

901. *Payment of Bonds.* The Authority shall duly and punctually pay or cause to be paid the principal of the Bonds at maturity or on Sinking Fund Installment dates and the interest thereon, at the dates and places and in the manner provided in the Bonds and in the coupons pertaining to the Bonds, according to the true intent and meaning of the Bonds and coupons.

902. *Offices for Payment and Registration of Bonds and Coupons.* The Authority shall at all times maintain an office or agency in the City of Chicago, State of Illinois, where Bonds and coupons may be presented for payment. The Authority may by a Series Resolution designate an additional Paying Agent or Paying Agents where Bonds and coupons of the Series authorized by that Series Resolution may be presented for payment. The Authority shall at all times maintain an office or agency in the City of Chicago, State of Illinois, where Bonds and coupons may be presented for registration, transfer or exchange. The Trustee is appointed as its agent to maintain such office or agency for the registration, transfer or exchange of Bonds and coupons.

903. *Further Assurances and Actions.* At any and all times the Authority shall, so far as it may be authorized or permitted by law, pass, make, do, execute, acknowledge and deliver all and every such further resolutions, acts, assignments, grants, transfers and assurances as may be necessary or desirable for the better assuring, conveying, granting, confirming and effecting all and singular the liens upon and security interests in all rights, claims and interests in any levy of taxes for payment of any Bonds and coupons or in any present or future proceeds of those levies or in any Funds or Accounts created or established by this Resolution or by any Series Resolution pursuant to this Resolution for the Holders of the Bonds and coupons. It will take all necessary actions of all kinds to cause the taxes which are to be levied as provided in Section 906 of this Resolution to be extended and collected as provided by that Section.

904. *Security Interests and Liens.* The Authority shall not assign, pledge or grant a security interest in or lien upon any of its rights, claims or interests arising pursuant to any levy of taxes made pursuant to this Resolution with respect to the Bonds or in any present or future proceeds of such levies or in any Fund or Account created or established by this Resolution or any Series Resolution

except as provided by this Resolution, for the payment of principal, Redemption Price or interest on the Bonds.

905. *Issuance of Additional Obligations* (1) The Authority shall not create or permit the creation of or issue any obligations or create any indebtedness which will be secured by a lien upon or security interest in any rights, claims or interests of the Authority to any levy of taxes for payment of Bonds or in any present or future proceeds of those levies or by a lien upon or security interest in any Funds or Accounts created or established by or pursuant to Article VI of this Resolution, or which will be payable from the Debt Service Fund or the Reserve Fund, except that Series of Bonds may be issued from time to time pursuant to a Series Resolution under this Resolution on a parity with the Outstanding Bonds and secured by an equal and ratable charge and payable equally and ratably from the Debt Service Fund and Reserve Fund for any lawful purposes (except that Capitalized Interest Accounts shall be established for paying interest solely on particular Series of Bonds).

(2) No Series of Bonds shall be issued under this Resolution unless

(a) the principal amount of the Bonds then to be issued, together with the principal amount of the obligations of the Authority theretofore issued and outstanding, will not exceed in aggregate principal amount any limitation imposed by law;

(b) there is at the time of the issuance of such additional Bonds no deficiency in the amounts required by this Resolution or any Series Resolution to be paid into the Capitalized Interest Account for such additional Series of Bonds (as provided in Section 909 of this Resolution);

(c) the value of the Reserve Fund, upon the issuance and delivery of such additional Bonds and the depositing in the Reserve Fund of any amount provided so to be deposited by the Series Resolution authorizing the issuance of such additional Bonds, shall not be less than the Reserve Requirement;

(d) the Series Resolution authorizing the issuance of such Series of Bonds shall demand and direct the City Council of the City to levy taxes sufficient to pay the Bonds of the Series as provided in Section 906 of this Resolution;

(e) the City Council of the City shall have duly adopted a Tax Levy Ordinance levying taxes sufficient to pay the Bonds of that Series as provided in Section 906 of this Resolution which Tax Levy Ordinance shall include as Exhibits a copy of this Resolution and a copy of the related Series Resolution (exhibits to a Series Resolution may be deleted from the copy attached to the Tax Levy Ordinance);

(f) certified copies of the Tax Levy Ordinance shall have been duly filed in the offices of the clerks and the collectors of each county in which any taxable property in the City is located;

(g) the various requirements specified in Section 204 for issuance of Bonds under this Resolution shall have been fulfilled with respect to such additional Bonds; and

(h) there shall be no maturity of any Serial Bonds or any Sinking Fund Installments on any Term Bonds of any Series on any date as to which interest on Bonds of that Series is to be paid from a Capitalized Interest Account.

(3) No Bonds, except Bonds issued to pay principal or interest on Bonds or to redeem Bonds (whether issued at or before the time of payment or redemption), to provide deposits to the Reserve Fund, or to pay costs of issuance, shall be issued after 1984.

906. *Levy of Taxes.* (1) Prior to the issuance of any Series of Bonds, the Authority shall by the Series Resolution authorizing that Series of Bonds, demand and direct the City Council of the City to provide by ordinance (the "Tax Levy Ordinance") for the levy and collection of a direct annual tax upon all taxable property with the City, being the school district named the Board of Education of the City of Chicago, without limitation as to rate or amount, sufficient to pay and discharge the

principal of Bonds of that Series, at maturity or on Sinking Fund Installment dates, and to pay interest on Bonds of that Series as it falls due, and in particular, but not in limitation of the foregoing, sufficient to produce the amounts set out or described in paragraphs (2) and (3) of this Section. Prior to the issuance of any such Series of Bonds, the City Council shall have adopted such a Tax Levy Ordinance with respect to such Series of Bonds.

(2) The Series Resolution and the Tax Levy Ordinance for such Series of Bonds shall specify the amounts of taxes to be levied for each year for the purpose of providing for the payment of the principal of Bonds at maturity or on Sinking Fund Installment dates, and for payment of interest on Bonds as it falls due. The amount of the tax which shall be so specified for the levy provided for each year shall be an amount (which dollar amount shall be stated in the Series Resolution and the related Tax Levy Ordinance) sufficient to produce a sum equal to the Debt Service Requirements on that Series of Bonds on December 1 of the year following the year of levy and on June 1 of the next succeeding year. No tax need be levied to pay any interest on any Bonds, which interest is to be paid from a Capitalized Interest Account as provided in Section 909 of this Resolution.

(3) The taxes which the Series Resolution shall provide to be collected and which the Tax Levy Ordinance shall levy for the purpose of paying and discharging the principal of the Bonds at maturity or on Sinking Fund Installment dates and paying interest on the Bonds as it falls due, and for the purpose of providing money to be deposited in the Reserve Fund pursuant to the Act, shall include the additional sums provided in this paragraph (3). These amounts shall be in addition to the dollar amounts specifically required by paragraph (2) of this Section to be set forth. The additional amounts provided in this paragraph shall be collected in each year while any of the Bonds are outstanding and unpaid, either as to principal or interest, beginning with the tax levy for 1981. The additional amount required by this paragraph (3) to be levied for each such year shall be the sum sufficient to produce the amount, if any, by which

(a) the cumulative total of Debt Service Requirements on that Series of Bonds authorized by that Series Resolution through December 1 of such levy year, less an amount equal to the interest paid from a Capitalized Interest Account shall have exceeded

(b) the cumulative total of the collections of all taxes levied as provided by the Tax Levy Ordinance with respect to that Series of Bonds (including taxes levied pursuant to this paragraph) for all years up to and through December 1 of such levy year, treating as tax collections the total amount of all such taxes which shall have been abated pursuant to Section 601 of this Resolution with respect to extensions for all years through such December 1).

Section 813 of this Resolution provides for the Trustee to file statements in December of each year (beginning in 1981) as to the amount of taxes to be included in the levy under this paragraph in the year of filing. The failure of the Trustee to file the certificate referred to in that Section 813 shall not affect the validity of the levy of taxes as provided for by this paragraph and whether or not the Trustee shall file the statement, the county clerks and collectors of each county in which any taxable property in the City shall be located shall be directed by the Tax Levy Ordinances to cause to be extended and collected all the amounts provided to be collected in each year pursuant to this paragraph and the Tax Levy Ordiances.

(4) After the adoption and effectiveness of this Resolution and each Series Resolution, the Secretary of the Authority shall cause to be filed a copy of each such resolution duly certified by or on behalf of the Secretary of the Authority with the City Clerk of the City. After the adoption and effectiveness of any Tax Levy Ordinance, the City Clerk of the City shall cause copies of that Tax Levy Ordinance, duly certified by or on behalf of that officer, to be filed in the offices of the county clerks and county collector of each county in which any taxable property in the City is located. Upon filing of such copies of the Tax Levy Ordinance with the offices of such county clerks, it shall be the duty of those county clerks to extend the taxes so levied by that Tax Levy Ordinance, all as provided in the Act, the Series Resolution, this Resolution and the Tax Levy Ordinance. Except as specifically provided in this Resolution, the taxes so to be levied as provided in this Resolution shall be com-

puted, extended and collected in the same manner as is now or may subsequently be provided for the computation, extension and collection of *ad valorem* property taxes in the City generally. The taxes to be levied as provided by this Resolution, the Series Resolutions and Tax Levy Ordinances shall be extended without limitation as to rate and shall be extended in amounts sufficient to produce the taxes as so levied.

(5) In extending the taxes provided by this Resolution and the Series Resolutions to be levied and the taxes levied by Tax Levy Ordinances, the county clerks of each county in which any taxable property in the City is located, shall include in each year an amount to cover loss and cost of collection and anticipated deferred collections of the taxes so levied. Such amount shall be determined by the Authority pursuant to the Act, this Resolution and the Series Resolutions. The amount so determined by the Authority shall be expressed as a percentage of the amounts of taxes required to be collected in such year as provided by the Act, this Resolution, the Series Resolutions and the Tax Levy Ordinances. Each Series Resolution shall determine the amounts so to be included in each extension year as an allowance which the Authority shall reasonably estimate to be needed to cover loss and cost of collection and anticipated deferred collections of such taxes as extended in the collectors' books, for such years. The amounts so determined shall be based on the actual recent experience of tax collections of levies of taxes in the City, as of the adoption of the Series Resolution giving account to the time in which levies for any year have been collected. The amounts as so determined by any Series Resolution for inclusion in the taxes to be extended in any year shall be subject to change as provided in Section 908 of this Resolution.

(6) The taxes to be levied as provided in this Resolution, the Series Resolutions and the Tax Levy Ordinances shall be in addition to and exclusive of the maximum of all other taxes which the Authority, the Board or the City Council of the City is now, or may hereafter be, authorized by law to levy for any and all school (or any other) purposes. The taxes so to be levied as provided in this Resolution, the Series Resolutions and the Tax Levy Ordinances shall be separate and apart from all other taxes of the Authority, the Board and the City and shall be separately identified as such by the proper tax collectors for such taxes.

(7) While any Bonds remain Outstanding and unpaid, the tax levies to be made as provided by this Resolution, the Series Resolutions and the Tax Levy Ordinances shall be for the sole benefit of the Holders of the Outstanding Bonds and the coupons pertaining to such Bonds and such Holders shall have and are granted a security interest in, and a lien upon, all rights, claims and interests of the Authority arising pursuant to those levies and all present and future proceeds of such levies. The security interest in and lien upon those rights, claims and interests are valid and binding from the time the Bonds are issued, without any physical delivery or further act, and shall be valid and binding as against, and prior to any claims of, all other parties having claims, if any, of any kind in contract, tort or otherwise against the State, the Authority, the Board or the City, or any other person, irrespective of whether such other parties have notice of such lien or security interest.

(8) Upon all Bonds of any Series being paid in full as to both principal and interest, or provision having been made for such payment as provided in Section 1101 of this Resolution, the Trustee shall give notice of that fact to the county clerks of each county in which any taxable property of the City is located, and all further taxes levied pursuant to the Series Resolution and the Tax Levy Ordinance for that Series of Bonds shall then be abated. However, if any Series of Bonds are issued to refund any Outstanding Bonds, the Series Resolution and the Tax Levy Ordinance for that refunding Series of Bonds may provide that the taxes which have been levied pursuant to the Series Resolution and Tax Levy Ordinance for the Bonds being refunded for years prior to the year in which the Tax Levy Ordinance for the refunding Bonds is adopted and filed with the appropriate county clerks, will continue to be extended, collected and paid to the Trustee and deposited in the Debt Service Fund. The amount of any such levy in a prior year for Bonds being refunded which shall not be required to pay principal on those Bonds being refunded at maturity or on Sinking Fund Installment dates or interest on those Bonds being refunded as it falls due may reduce the required amounts of taxes to be levied for the refunding Bonds for those years.

(9) As to tax payments made with respect to estimated tax bills which are computed on the basis of a prior year's extension of taxes, the county collectors of taxes are directed to pay to the Trustee not less than the percentage of such tax receipts which the prior year's extension of levies for the Bonds was of all extensions of taxes of the Authority in that prior year.

(10) All proceeds from the levy of any taxes by any Tax Levy Ordinance shall be deposited by the county collector of each county in which any taxable property in the City is located directly in the Debt Service Fund with the Trustee and shall be applied, as provided by this Resolution, solely for the payment and discharge of the Bonds (at maturity or on Sinking Fund Installment dates) and of interest on the Bonds as it falls due, or for the redemption or purchase of Bonds as provided by this Resolution or for transfer to the Reserve Fund as provided by this Resolution and shall not be used for any other purpose.

907. *Abatement of Taxes.* The Authority will not repeal, abate or reduce the taxes levied pursuant to the Act, this Resolution, any Series Resolution or any Tax Levy Ordinance, or otherwise take any action to restrict the extension and collection of those taxes, except that the Authority may take action to cause those taxes to be abated to the following extent:

(a) The Authority may abate any such taxes to the extent that taxes are levied to pay principal of or interest on Bonds which at the time of the abatement shall have been paid or redeemed in full as to both principal and interest or for the payment or redemption of which provision shall have been made as provided in Article XI of this Resolution;

(b) The Authority may abate any such taxes as provided pursuant to Section 601 of this Resolution.

908. *Allowance for Loss.* (1) Pursuant to Section 906 of this Resolution the Authority is required in each Series Resolution to determine an amount to be included in the extension of taxes levied by the related Series Tax Levy Ordinance, for an allowance for loss and cost of collection and anticipated deferred collections of those taxes. The allowance for such loss and cost of collection and anticipated deferred collections is to be expressed as a percentage of the taxes required to be produced in any year, all as provided in Section 906 of this Resolution.

(2) The Authority may, and when required by this Resolution shall, in accordance with this Section from time to time by resolution modify the determination of the allowance for loss and cost of collection and anticipated deferred collections made by a Series Resolution. In December of each year, beginning in 1981, the Authority shall by resolution determine whether to modify the allowance for loss and cost of collection and anticipated deferred collections for all those taxes to be extended in any future year or years. The Series Resolution may contain restrictions on the powers of the Authority to reduce the allowance as determined by that Series Resolution. A certified copy of any resolution of the Authority modifying the determination of the allowance for loss and cost of collection and anticipated deferred collections shall be filed by the Secretary of the Authority or an Authorized Officer in the offices of the county clerks of each county in which any taxable property in the City is located prior to December 31 of the year in which the resolution is adopted.

(3) The allowance for loss and cost of collection and anticipated deferred collections for any extension of taxes levied with respect to any Series of Bonds for any year shall not in any event be less than the percentage which would have been needed to be added to the total of all property taxes collected in the City for the second full calendar year preceding the year of extension to equal the total of the gross property taxes in the City extended in such preceding calendar year. In any event, the Authority shall for each tax levy with respect to each Series of Bonds for each year determine an allowance for loss and cost of collection and anticipated deferred collections of taxes of an amount which the Authority shall by resolution find to be sufficient so that the amount of taxes to be collected will produce the amounts required to be produced pursuant to this Resolution.

909. *Capitalized Interest.* (1) Each Series Resolution authorizing any Series of Bonds shall determine the interest payment dates on which interest from the Bonds of that Series shall be paid from a Capitalized Interest Account for that Series of Bonds. All interest payable on any interest payment date on or prior to the June 1 of the year succeeding the year of the first levy of taxes with respect to that Series of Bonds shall be paid from a Capitalized Interest Account (except, with respect to a Series of Bonds issued to refund Outstanding Bonds, to the extent that taxes levied for the Outstanding Bonds being refunded will be available for payment of interest on the refunding Bonds).

(2) Upon the issuance of any Series of Bonds there shall be deposited into the Capitalized Interest Account for that Series of Bonds, from the proceeds of that Series, an amount as shall be sufficient to purchase Investment Obligations of any types described in subparagraphs (a) or (d) of paragraph 15 of Section 101 of this Resolution as shall be designated in writing to the Trustee by an Authorized Officer, the principal of and interest on which, when due, will provide money which (when added to any money to be transferred to the Capitalized Interest Account for that Series from the Reserve Fund) will produce money sufficient to pay interest on the Bonds of that Series in the amounts and on the interest payment dates on which interest is to be paid from that Capitalized Interest Account, as specified in the Series Resolution for that Series of Bonds. The amount of money which shall be treated as transferable from the Reserve Fund shall be calculated on the basis of the amount of interest and investment earnings to be received in time to make such transfer on Investment Obligations to be purchased by the Trustee as designated in writing by an Authorized Officer from amounts deposited in the Reserve Fund from proceeds of such Bonds.

910. *Arbitrage.* The Authority will not use or invest any proceeds of the sale of any of the Bonds or any other funds in any manner which would cause any Bonds to be "arbitrage bonds" within the meaning of Section 103(c) of the United States Internal Revenue Code of 1954, as amended, and any lawful regulations promulgated under the Section.

911. *Application of Taxes, Funds and Accounts.* The Authority shall faithfully apply pursuant to the terms of this Resolution all proceeds of taxes levied with respect to the Bonds and all moneys and Investment Obligations in the Debt Service Fund and the Reserve Fund pursuant to this Resolution and the Series Resolutions.

912. *Payment of Trustee and Paying Agents.* The Authority will promptly pay all amounts owed by it under this Resolution to the Trustee and the Paying Agents.

ARTICLE X

Series Resolutions and Supplemental Resolutions

1001. *Adoption and Filing.* The Authority may adopt at any time or from time to time Series Resolutions to provide for the issuance of a Series of Bonds in accordance with the provisions of this Resolution and to prescribe the terms and conditions pursuant to which such Bonds may be issued, paid or redeemed. The Authority may adopt at any time or from time to time Supplemental Resolutions for any one or more of the following purposes:

(1) To add additional covenants and agreements of the Authority for the purpose of further securing the payment of the Bonds, provided such additional covenants and agreements are not contrary to or inconsistent with the covenants and agreements of the Authority contained in this Resolution;

(2) To prescribe further limitations and restrictions upon the issuance of Bonds and the incurring of indebtedness by the Authority which are not contrary to or inconsistent with the limitations and restrictions on such issuance or incurring of indebtedness in effect prior to the adoption of such Supplemental Resolution;

(3) To surrender any right, power or privilege reserved to or conferred upon the Authority by the terms of this Resolution;

(4) To confirm as further assurance any covenant, lien or security interest created or recognized by the provisions of this Resolution;

(5) To take any further action necessary or desirable for the levy, collection and application of taxes sufficient to pay the Bonds as to principal at maturity or on Sinking Fund Installment dates and to pay interest on the Bonds as it falls due;

(6) With the consent of the Trustee, to correct any ambiguity or defect or inconsistent provisions in this Resolution or any Series Resolution or to insert such provisions clarifying matters or questions arising under this Resolution or any Series Resolution as are necessary or desirable in the event any such modifications are not contrary to or inconsistent with this Resolution or such Series Resolution as in effect prior to the adoption of any such Supplemental Resolution; or

(7) To create one or more sub-accounts within the Principal and Interest Account, to provide for the crediting of amounts in the Principal and Interest Account to the various sub-accounts and to provide for the order in which amounts in the various sub-accounts shall be applied for the purposes for which the Principal and Interest Account is to be applied as provided in this Resolution; provided, however, that a Supplemental Resolution adopted pursuant to this paragraph (7) shall not in any way affect the rights or duties of the Authority or the Trustee to pay amounts to, deposit amounts in or credit them to the Principal and Interest Account or to apply amounts in that Account at the times, in the manner and for the purposes all as provided in this Resolution.

Any Series Resolution or Supplemental Resolution shall become effective in accordance with its terms upon the filing with the Trustee of a copy certified by an Authorized Officer.

1002. *General Provisions Relating to Series Resolutions and Supplemental Resolutions.* This Resolution shall not be modified or amended in any respect except in accordance with and subject to the provisions of this Article X. Nothing contained in this Article X shall affect or limit the right or obligation of the Authority to adopt, make, do, execute or deliver any resolution, act or other instrument pursuant to the provisions of Section 903 of this Resolution or the right or obligation of the Authority to execute and deliver to the Trustee or any Paying Agent any instrument elsewhere in this Resolution provided or permitted to be delivered to the Trustee or any Paying Agent. A copy of every Supplemental Resolution adopted by the Authority when filed with the Trustee shall be accompanied by a Counsel's Opinion stating that such Supplemental Resolution has been duly and lawfully adopted in accordance with the provisions of the Act as amended to the date of the Counsel's Opinion, is authorized or permitted by the Act as so amended and by this Resolution and is valid and binding upon the Authority. The Trustee is authorized to accept delivery of a certified copy of any Series Resolution or Supplemental Resolution permitted or authorized pursuant to the provisions of this Resolution and to make all further agreements and stipulations which may be contained in that Series Resolution or Supplemental Resolution. In taking such action, the Trustee shall be fully protected in relying on Counsel's Opinion that such Series Resolution or Supplemental Resolution is authorized or permitted by the provisions of this Resolution. No Series Resolution or Supplemental Resolution changing, amending or modifying any of the rights, duties or obligations of the Trustee or any Paying Agent may be adopted by the Authority without the written consent of the Trustee or Paying Agent affected by the Series Resolution or Supplemental Resolution.

ARTICLE XI

Defeasance

1101. *Defeasance.* (1) If the Authority shall pay or cause to be paid, or there shall otherwise be paid, to the Holders of the Bonds and coupons then Outstanding, the principal and interest and Redemption Price, if any, to become due thereon, at the times and in the manner stipulated in the Bonds, the Bond Resolution and the Series Resolutions, then and in that event the covenants, agreements and other obligations of the Authority to the Holders of the Bonds and the coupons per-

taining to the Bonds, shall be discharged and satisfied. In such event, the Trustee shall, upon request of the Authority, execute and deliver to the Authority all such instruments as may be desirable to evidence such release and discharge and the Trustee and the Paying Agent shall pay over or deliver to the Authority all monies or securities held by them pursuant to the Bond Resolution which are no longer required for the payment or redemption of Bonds or coupons not theretofore surrendered for such payment or redemption.

(2) Bonds or coupons for the payment or redemption of which monies shall have been set aside and shall be held in trust by the Trustee or any Paying Agents (through deposit by the Authority of funds for such payment or redemption or otherwise), whether at or prior to the maturity or the redemption date of such Bonds, shall be deemed to have been paid within the meaning and with the effect expressed in paragraph (1) of this Section 1101. All Outstanding Bonds of any Series and all coupons pertaining to those Bonds shall, prior to their maturity or redemption date, be deemed to have been paid within the meaning and with the effect expressed in paragraph (1) of this Section 1101 if (a) there shall have been deposted with such Trustee or Paying Agents either monies in an amount which shall be sufficient, or Investment Obligations the principal of and interest on which when due will provide monies which, when added to the monies, if any, deposited with such Trustee or Paying Agents at the same time, shall be sufficient to pay the principal of those Bonds at maturity or on Sinking Fund Installment dates or the Redemption Price, if applicable, and interest due and to become due on those Bonds on and prior to the redemption date or maturity date thereof, as the case may be, and (b) in case any of the Bonds are to be redeemed on any date prior to their maturity, the Authority shall have given to the Trustee, in form satisfactory to it, irrevocable instructions to publish or give as provided in Article IV of this Resolution notice of redemption on that date of such Bonds, and (c) in the event those Bonds are not by their terms subject to redemption and do not mature within the next succeeding 60 days, the Authority shall have given the Trustee in form satisfactory to it irrevocable instructions to publish, as soon as practicable, at least twice, at an interval of not less than seven days between publication, in a daily newspaper of general circulation in the City and in a financial newspaper of general circulation in the City of New York a notice to the Holders of such Bonds and coupons that the deposit required by (b) above has been made with the Trustee and that those Bonds and coupons are deemed to have been paid in accordance with paragraph (1) of this Section 1101 and stating such maturity or redemption date upon which monies are to be available for the payment of the principal or Redemption Price, if applicable, on those Bonds. Neither Investment Obligations nor monies deposited with the Trustee pursuant to this Section nor principal or interest payments on any such Investment Obligations shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal or Redemption Price, if applicable, and interest on those Bonds; provided that any cash received from such principal or interest payments on such Investment Obligations deposited with the Trustee, if not then needed for such purpose, shall, to the extent practicable, be reinvested in Investment Obligations maturing at times and in principal amounts sufficient to pay when due the principal or Redemption Price, if applicable, and interest to become due on those Bonds on and prior to such redemption date or maturity date thereof, as the case may be.

(3) Anything in the Bond Resolution to the contrary notwithstanding, any moneys held by the Trustee or Paying Agents in trust for the payment and discharge of any of the Bonds or coupons which remain unclaimed for six years after the date when such Bonds have become due and payable, either at their stated maturity dates or by call for earlier redemption, if such moneys were held by the Trustee or Paying Agents at such date, or for six years after the date of deposit of such moneys if deposited with the Trustee or Paying Agents after the date when the Bonds became due and payable, shall, at the written request of the Authority, be repaid by the Trustee or Paying Agents to the Authority, as its absolute property and free from trust, and the Trustee or Paying Agents shall thereupon be released and discharged with respect thereto and the Bondholders shall look only to the Authority for the payment of such Bonds and coupons; provided, however, that before being required to make any such payment to the Authority, the Trustee or Paying Agents shall, at the expense of the Authority, cause to be published at least twice, at any interval of not less than seven days between publications, in a daily

newspaper of general circulation in the City and in a financial newspaper of general circulation in the City of New York, a notice that those moneys remain unclaimed and that, after a date named in the notice, which date shall be not less than 30 days after the date of the first publication of the notice, the balance of such moneys then unclaimed will be returned to the Authority.

(4) For the purpose of this Section 1101 Investment Obligations shall mean only direct obligations of the United States of America.

ARTICLE XII

1204. *Severability.* If any one or more of the covenants, stipulations, promises, agreements or obligations provided in this Resolution on the part of the Authority, Trustee or any Paying Agent to be performed should be determined by a court of competent jurisdiction to be contrary to law, then such covenant(s), stipulation(s), promise(s), agreement(s) or obligation(s) shall be deemed and construed to be severable from the remaining covenants, stipulations, promises, agreements and obligations contained in this Resolution and shall in no way affect the validity of the other provisions of this Resolution.

The principal of and interest on the Refunding Series Bonds will be payable out of taxes levied on all taxable property within the City of Chicago, Illinois, and from certain funds and accounts, as described in this Official Statement. Such taxes will be levied for the sole benefit of the holders of the Refunding Series Bonds and the holders of Bonds of the Authority which have been and which may be issued on a parity with the Refunding Series Bonds, as described in this Official Statement. Such holders shall have a security interest in and a lien upon such taxes. Upon collection, such taxes will be deposited directly with the Trustee. The Refunding Series Bonds do not constitute a debt or liability of the State of Illinois, the City of Chicago or the Board of Education of the City of Chicago.

OFFICIAL STATEMENT
OF
CHICAGO SCHOOL FINANCE AUTHORITY

Relating to $194,195,000*
General Obligation School Assistance Bonds
Refunding Series (1985)

This Official Statement, which includes the Cover Page and the Appendices, sets forth certain information concerning the Chicago School Finance Authority (the "Authority") and its General Obligation School Assistance Bonds of various series (the "Bonds") in connection with the proposed offering and sale of $194,195,000* aggregate principal amount of the Authority's General Obligation School Assistance Bonds, Refunding Series (1985) (the "Refunding Series Bonds").

The Refunding Series Bonds will be issued pursuant to the School Finance Authority Act of the State of Illinois (the "State"), effective January 16, 1980, as amended (the "Act"), the School Assistance Bond Resolution of the Authority, adopted April 29, 1980, as supplemented on December 9, 1980 and on November 13, 1984, and as further supplemented on November , 1985 (the "Bond Resolution"), and a Refunding Series (1985) Resolution of the Authority adopted on October 29, 1985, as supplemented on November , 1985 (the "Refunding Series Resolution"). The Bond Resolution, the Refunding Series Resolution and an implementing tax levy ordinance (the "Refunding Series Tax Levy Ordinance") adopted on November 6, 1985 by the City Council (the "City Council") of the City of Chicago, Illinois (the "City"), set forth the terms and provisions of the Refunding Series Bonds and the covenants and agreements made for the security of the Refunding Series Bonds.

The Refunding Series Bonds are the sixth Series of Bonds. The first five Series of Bonds were issued in the total principal amount of $687.5 million, primarily to provide financial assistance to the Board of Education of the City of Chicago (the "Board"). The Refunding Series Bonds are being issued primarily to (1) provide funds for deposit in a trusteed Escrow Account to enable the Authority to pay interest on and to redeem a portion of its outstanding Bonds (the "Refunded Bonds") and (2) pay expenses incurred in connection with the issuance of the Refunding Series Bonds, the establishment of the Escrow Account and the redemption of the Refunded Bonds. See "The Refunding Plan." No additional Bonds, except Bonds issued to pay principal of or interest on Bonds or to redeem Bonds, to provide deposits to the Reserve Fund, or to pay costs of issuance, may be issued under the Bond Resolution.

The Refunding Series Bonds will be general obligations of the Authority, for the payment of which the Authority will pledge its full faith and credit, and will be on a parity with all outstanding Bonds issued under the Bond Resolution. The Bonds are payable out of taxes levied for the sole benefit of holders of the Bonds. The Board, the City or any creditor of the Board or the City has no right to any such taxes or any amounts held by the Trustee under the Bond Resolution for the benefit of the Bondholders. No assurance can be given that financial developments with respect to the Board, the City or other governmental bodies in the Chicago area whose tax bases overlap that of the Authority will not affect the market prices or marketability of the Authority's Bonds.

The references in this Official Statement to the Act, the Bond Resolution, the Refunding Series Resolution, the Refunding Series Tax Levy Ordinance, the Refunding Series Bonds, the bond insurance policy and other documents and instruments are brief summaries of certain provisions thereof. Such summaries do not purport to be complete. Reference is made to such documents and instruments, copies or forms of which are available from the Authority, for full and complete statements of the provisions of such documents and instruments.

DESCRIPTION OF THE REFUNDING SERIES BONDS

The Refunding Series Bonds will mature on June 1 of the years and in the principal amounts and will bear interest at the rates per year set forth on the Cover Page of this Official Statement. Interest will accrue from the date of the Bonds and will be payable on June 1 and December 1 of each year with the first interest payment date being June 1, 1986.

The Refunding Series Bonds will be issued solely as fully registered bonds in the denomination of $5,000 or integral multiples thereof and shall not be registrable to bearer. Refunding Series Bonds are transferable or exchangeable at the corporate trust office of The First National Bank of Chicago, as Trustee under the Bond Resolution (the "Trustee"). No fee will be charged by the Trustee or the Authority for any such transfer or exchange. The Trustee may, however, require that it be reimbursed for any tax, fee or other governmental charge imposed with respect to any such transfer or exchange by any governmental body other than the Authority. The Authority shall not be obligated to make any transfer or exchange during the 10 days preceding an interest payment date on the Refunding Series Bonds, or, in the case of any Refunding Series Bonds proposed to be redeemed, after notice of that redemption.

The principal and redemption price of Refunding Series Bonds shall be payable at the corporate trust office of the Trustee. Interest on Refunding Series Bonds shall be payable by check mailed by the Trustee to the holders of Refunding Series Bonds at their addresses as shown on the registration books of the Authority maintained by the Trustee as Bond Registrar. The interest (computed on the basis of a 360-day year consisting of twelve 30-day months) payable on Refunding Series Bonds on each interest payment date will be paid to the person in whose name it is registered at the close of business on the applicable record date (the May 15 or November 15, as the case may be, next preceding such interest payment date).

Redemption Provisions

Sinking Fund Redemption. Refunding Series Bonds maturing on June 1, are subject to mandatory redemption in part by lot on June 1, and on each June 1 thereafter, to and including June 1, , at their principal amount plus acrued interest to the date of redemption, without premium, pursuant to sinking fund installments in the years and amounts as follows:

Year	Amount	Year	Amount

The total principal amount of any maturity of Term Bonds of the Refunding Series Bonds purchased or redeemed shall be a credit against and a reduction of the Sinking Fund Installments of Term Bonds of that maturity, in the inverse order of those Sinking Fund Installments.

Optional Redemption. Refunding Series Bonds maturing on or after June 1, 1996 shall be subject to redemption at the option of the Authority, in whole or in part, on any interest payment date occurring on or after June 1, 1995, in the inverse order of maturity and within a maturity by lot, at the respective redemption prices (expressed as percentages of the principal amount of the Refunding Series Bonds or portions thereof to be redeemed) set forth below, plus in each case accrued interest to the date of redemption:

When any of the Refunding Series Bonds shall have been called for redemption, and payment made or provided for, interest on it shall cease to accrue from and after the date so specified.

SECURITY FOR THE BONDS

The Bonds of all Series issued under the Bond Resolution are general obligations of the Authority. The full faith and credit of the Authority are pledged to the payment of the principal of and interest on the Bonds. Taxes on all taxable property in the City, unlimited as to rate or amount, are to be levied to pay the principal of and interest on the Bonds. Those taxes are to be extended (that is, computed for billing to property owners) at rates sufficient to produce amounts to pay the principal of the Bonds (at maturity for Serial Bonds and pursuant to sinking fund installments for Term Bonds) and interest on the Bonds when due.

The taxes levied to pay principal of and interest on the Bonds will be for the sole benefit of the holders of Bonds. Holders of Bonds have a lien upon and security interest in all taxes levied to pay Bonds. Those taxes are to be paid by the tax collectors for the two counties in which taxable property in the City is located directly to the Trustee to be held in trust for the holders of Bonds. Taxes to be extended for collection in any year are to be sufficient to pay debt service on the Bonds through June 1 of the following year. Based on tax collection experience, it is estimated that amounts of taxes that will have been collected and on deposit in the Debt Service Fund immediately following each debt service payment will be not less than the amount of the next succeeding debt service payment. See "Funds and Accounts—Debt Service Fund" and "Real Property Assessment, Tax Levy and Collection Procedures."

The Bonds will also be secured by amounts on deposit from time to time in the Debt Service Fund and in the Reserve Fund. The Reserve Requirement for the Bonds is equal to one-half of the maximum annual debt service requirement on all outstanding Bonds. See "Funds and Accounts—Reserve Fund."

Bonds of all Series issued and outstanding under the Bond Resolution will be on a parity with respect to the application of proceeds of taxes levied for the payment of principal of and interest on Bonds, as well as with respect to application to the payment of principal of and interest on Bonds of amounts on deposit in the Debt Service Fund (other than a separate Capitalized Interest Account for a certain Series of outstanding Bonds) and in the Reserve Fund.

Other than (i) the proceeds of taxes levied to pay Bonds, (ii) the proceeds of Bonds deposited in the Debt Service Fund and the Reserve Fund, (iii) the proceeds of any refunding obligations, (iv) any amounts transferred to and deposited in the Debt Service Fund, and (v) investment earnings on the Debt Service Fund and the Reserve Fund, the Authority is not expected to have any monies available for payment of the Bonds. Except to pay its bonds and notes, the Authority has no taxing power. Under the Act, the Bonds have no claim for payment other than from the taxes levied for their payment, from amounts on deposit in the Debt Service Fund and the Reserve Fund and from investment earnings on those Funds.

Taxes to Pay the Bonds

Under the Bond Resolution, prior to the issuance of any Series of Bonds, the Authority is required to demand and direct the City Council to levy taxes sufficient to pay the principal of and interest on that Series

of Bonds (other than amounts, if any, to be paid from a Capitalized Interest Account). The City Council will by an ordinance with respect to that Series of Bonds (a "Series Tax Levy Ordinance") levy those taxes. Those taxes, although formally levied by action of the City Council upon the demand and direction of the Authority, will be taxes of the Authority. The Bonds will have no claim on the taxes or credit of the City. Under the Bond Resolution no Series of Bonds may be issued unless the City Council has levied taxes sufficient to pay that Series of Bonds.

All actions of the Authority and of the City Council towards levying taxes sufficient to pay each Series of Bonds must be taken prior to the issuance of that Series of Bonds. Accordingly, it will not be necessary for the Authority or for the City Council to take any further action for the levy of taxes sufficient to pay any Series of Bonds. As described below, however, the Authority will be required from time to time to specify the allowance for loss and cost of collection of taxes and anticipated deferred collections of taxes (the "Allowance").

On November 6, 1985, the City Council adopted the Refunding Series Tax Levy Ordinance providing for the levy and collection of taxes sufficient to pay the Refunding Series Bonds, as specified in the Refunding Series Resolution.

The taxes will be ad valorem taxes on all taxable property in the City. The Bond Resolution requires that the Series Resolution for each Series of Bonds (a "Series Resolution") and the related Series Tax Levy Ordinance specify that the taxes to be extended in each year be sufficient to produce an amount equal to the debt service on the Bonds of that Series through June 1 of the following year, excluding interest to be paid from the Capitalized Interest Account for that Series. Thus, for example, the taxes levied with respect to the Refunding Series Bonds to be extended in 1986 are to be sufficient to produce an amount equal to the debt service requirements on the Refunding Series Bonds coming due on December 1, 1986 and June 1, 1987. Since property taxes in the State are generally extended for collection in the year following the year of the levy, the first tax extension for the Refunding Series Bonds will be in 1986. See "Real Property Assessment, Tax Levy and Collection Procedures." Interest coming due on the Refunding Series Bonds on June 1, 1986 is to be paid from taxes levied for the Refunded Bonds which are available for such purpose. Accordingly, no Capitalized Interest Account will be established from the proceeds of the Refunding Series Bonds.

In addition to the taxes to be levied as described above, the Bond Resolution requires that each Series Resolution and the related Series Tax Levy Ordinance include in the levy additional amounts to the extent that, at any time, the tax collections have been insufficient to pay debt service on the Bonds. These additional amounts will provide funds for, among other things, reducing or eliminating any deficiency in the Reserve Fund.

In computing the amount of the Authority's taxes to be billed to property owners, the county clerks of the two counties in which taxable property in the City is located are required by the Act to include the Allowance. Under the Act, the Allowance is to be determined by the Authority. The Bond Resolution requires that each Series Resolution specify the Allowance with respect to that Series of Bonds. The Authority has initially determined, based on tax collection experience, that the Allowance with respect to the Refunding Series Bonds is to be in the amount in each year of 4.5% of the amount of taxes required to be collected in that year. The Authority is required under the Bond Resolution to consider in December of each year whether to make any modification of the Allowance, based on tax collection experience in the City.

Under the Bond Resolution, the levies of taxes to pay the principal of and interest on the Bonds may not be repealed. Those taxes may be abated only to the extent not needed to pay debt service (as for example upon a purchase and cancellation of Bonds or a redemption of Bonds, or to the extent excess amounts are available in the Principal and Interest Account in the Debt Service Fund). See "Summary of Certain Provisions of the Bond Resolution." The Refunding Series Tax Levy Ordinance similarly provides that the taxes levied with respect to the Refunding Series Bonds may not be repealed and may be abated only to the extent allowed by the Bond Resolution. The Refunding Series Resolution provides that the Authority will abate the taxes levied for extension after 1985 with respect to the Refunded Bonds. Taxes levied with respect to the Refunded Bonds previously extended shall continue to be extended, collected and deposited in the Debt Service Fund.

Funds and Accounts

The Bond Resolution establishes a Debt Service Fund and a Reserve Fund, each to be maintained by the Trustee for the benefit of the holders of the Bonds. For descriptions of various other Funds and the Refunding Series Bonds Cost of Issuance Account established by the Bond Resolution, see "Summary of Certain Provisions of the Bond Resolution."

Debt Service Fund. Amounts in the Debt Service Fund are to be used to pay the principal of and interest on the Bonds as such amounts come due or to redeem or purchase Bonds. The Debt Service Fund contains a Principal and Interest Account, a Redemption Account and a Special Payments Account for all Bonds, and for a certain Series of Bonds a separate Capitalized Interest Account.

The Principal and Interest Account, into which all collections of taxes levied to pay Bonds and certain other amounts are to be deposited, is to be used to pay principal of the Bonds (at maturity for Serial Bonds and pursuant to sinking fund installments for Term Bonds) and to pay interest on the Bonds when due.

Following December 1 of each year, amounts in the Principal and Interest Account in excess of the debt service requirements on the Bonds for the following June 1 may, at the direction of the Authority, be used to abate taxes for Bonds or be transferred to the Redemption Account.

The Redemption Account is to be used to redeem or to purchase and cancel Bonds, at the direction of the Authority. No Bond shall be purchased from the Redemption Account at a price in excess of its redemption price at its next redemption date plus accrued interest to the date of purchase. Amounts in the Redemption Account are to be transferred by the Trustee to the Principal and Interest Account to pay debt service on the Bonds whenever the amounts in the Principal and Interest Account are inadequate for that purpose.

Under the Bond Resolution, any amounts transferred to the Debt Service Fund upon a reduction or abolition of the Working Cash Fund shall be deposited in the Special Payments Account in the Debt Service Fund. Amounts in the Special Payments Account may, as directed by the Authority, either be transferred to the Principal and Interest Account and applied to the payment when due of principal of Bonds and interest on those Bonds or be transferred to the Redemption Account. The Trustee shall transfer amounts in the Special Payments Account to the Principal and Interest Account to the extent required to pay debt service on Bonds whenever the amounts in the Principal and Interest Account and the Redemption Account are inadequate for that purpose. Any transfers to the Principal and Interest Account as described in the preceding sentence are to be repaid to the Special Payments Account from amounts which may subsequently become available for that purpose in the Principal and Interest Account.

Under the Bond Resolution, any amounts transfered to the Debt Service Fund from the School Construction Fund, the School Rehabilitation Fund or the School Assistance Bonds Administrative Fund by resolution of the Authority shall be deposited in one or more of the accounts of the Debt Service Fund as designated by the resolution of the Authority directing the transfer.

Reserve Fund. The Bond Resolution establishes a Reserve Fund for the Bonds. The Reserve Fund is to be used to pay principal of or interest on the Bonds when the amounts in the Debt Service Fund are inadequate for that purpose.

The Bond Resolution requires that the Reserve Fund be maintained in an amount equal, as of any date of calculation, to one-half of the maximum debt service requirement on all Bonds for any twelve-month period ending any June 1 after the date of calculation (the "Reserve Requirement"). Proceeds from the sale of each Series of Bonds are to be deposited in the Reserve Fund in an amount sufficient so that the amount on deposit in the Reserve Fund, upon the issuance of that Series of Bonds, will be equal to the Reserve Requirement. Following December 1 in each year, (a) all amounts in the Reserve Fund in excess of the Reserve Requirement are to be transferred to the Debt Service Fund to the credit of the Principal and Interest Account, or (b) certain amounts available in the Principal and Interest Account are to be transferred to the Reserve Fund to reduce or eliminate any deficiency therein. The Bond Resolution provides that when all Bonds issued prior to the Refunding Series Bonds are no longer outstanding, all or a portion of the Reserve Requirement may be met by one or more Reserve Fund Credit Instruments.

Information Regarding Collections and Abatements of Taxes Levied to Pay Bonds; Purchases of Bonds by the Authority

Pursuant to the Bond Resolution and the Series Resolution for each of the first five Series of Bonds, taxes (including the Allowance) sufficient to pay the principal of and interest on those Series of Bonds were levied prior to the issuance of those Bonds. Actual collections of those taxes have been in excess of debt service requirements for the Bonds. Thus, there has been no need to transfer any amounts from the Reserve Fund to the Principal and Interest Account or to include in the Authority's levies any additional amounts to cover deficiencies in the collections of taxes levied to meet debt service requirements for the Bonds.

Under the Bond Resolution, monies in various Funds and Accounts in excess of amounts needed to meet debt service requirements on Bonds and in excess of the Reserve Requirement may be used, at the election of the Authority, either to abate taxes of the Authority or to redeem or purchase Bonds. Following receipt of the Trustee's reports as of December 1 of the years 1981 through 1984, inclusive, amounts (including interest and investment earnings) aggregating approximately $72.4 million have been available for those purposes. Of this amount, approximately $32.5 million reflected a reduction in the Working Cash Fund. The remainder reflected interest earnings on various Funds and Accounts, a more favorable loss collection experience of Authority taxes than the Allowance, and a reduction of the Reserve Requirement resulting from the purchase of Bonds, as described below. The Authority has made the following abatements of taxes and purchases of Bonds:

(a) In December, 1982, the Authority abated approximately $13.8 million of its previously-levied taxes that would have been collected in 1983.

(b) During 1983 and 1984, the Authority purchased and cancelled, through invitations for tenders from holders of Bonds, $22,950,000 and $12,080,000, respectively, principal amount of its outstanding Bonds. The Authority has abated taxes levied to pay principal of and interest on the Bonds purchased in 1983 and 1984.

As of November 30, 1985, approximately $29 million will be available in the Redemption Account to make further purchases of Bonds or to redeem Bonds. The Authority has no present plans to purchase additional outstanding Bonds through invitations for tenders from holders of Bonds.

Appendix C sets forth the debt service requirements on the outstanding Bonds and the Refunding Series Bonds. The audited Combined Financial Statements of the Authority as at August 31, 1985 set forth as Appendix D contain information regarding amounts held by the Trustee in the various Funds and Accounts established under the Bond Resolution.

Bonds Not Obligations of State, City or Board

The Bonds are not obligations of, and have no claim on the credit of, or on any taxes levied for, the State, the City or the Board. Neither the State, the City nor the Board is directly or indirectly or contingently obligated to pay principal of or interest on the Bonds.

State's Promise Not to Impair Contract with Bondholders

Section 34A-510 of the Act provides as follows:

Pledge of the State. The State of Illinois pledges to and agrees with the holders of Bonds that the State will not limit or alter the rights and powers vested in the Authority by this Act with respect to Sections 34A-501 through 34A-512 hereof so as to impair the terms of any contract made by the Authority with such holders or in any way impair the rights and remedies of such holders until the Bonds, together with interest thereon, with interest on any unpaid installments of interest, and all costs and expenses in connection with any action or proceedings by or on behalf of such holders, are fully met and discharged or provisions made for their payment. The Authority is authorized to include such pledge and agreement of the State in any resolution or Contract with the holders of Bonds.

Bond Insurance

Issuance of Additional Bonds

Under the Act, the Authority presently is authorized to issue bonds in an amount not to exceed at any time $695 million (excluding bonds to refund bonds). No referendum is required for issuance of bonds or notes of the Authority. The Authority has issued $687.5 million of bonds authorized by the Act, such amounts constituting all bonds presently authorized by the Act to be issued for the purpose of providing financial assistance to the Board.

The Bond Resolution does not restrict the issuance of bonds or notes of the Authority issued other than under the Bond Resolution. No additional Bonds, except for Bonds issued to pay principal of or interest on Bonds or to redeem Bonds, to provide deposits to the Reserve Fund, or to pay costs of issuance, may be issued under the Bond Resolution. Amounts in the Debt Service and Reserve Funds established by the Bond Resolution relate to Bonds issued under the Bond Resolution and will not be available for the payment of bonds or notes of the Authority not issued under the Bond Resolution. Similarly, the taxes levied pursuant to the Bond Resolution, the Series Resolutions and the Series Tax Levy Ordinances are solely for the benefit of the holders of Bonds and not for holders of bonds or notes of the Authority not issued under the Bond Resolution.

The Refunding Series Bonds and other refunding Bonds, if any, will be on a parity with the then outstanding Bonds issued under the Bond Resolution as regards the lien upon and security interest in taxes levied to pay Bonds and with respect to the right to payment from the Debt Service Fund (other than the Capitalized Interest Accounts which are established to pay interest on particular Series) and from the Reserve Fund. Should the Authority issue bonds or notes other than under the Bond Resolution, under present law, real property taxes collected on behalf of the Authority will be apportioned between the Bonds

and such other bonds or notes on the basis of the respective tax levies for the Bonds and such other bonds and notes.

THE REFUNDING PLAN

The Refunded Bonds consist of all or a portion of the following outstanding Bonds:

Series	Maturity	Interest Rate	Principal Amount
		%	$

The Authority has determined that it is in its best interest to issue the Refunding Series Bonds in order to achieve substantial net present value debt service savings by reason of lower interest rates. The Refunded Bonds are expected to consist of a portion of the Authority's Series C and Series D Bonds. The net proceeds of the Refunding Series Bonds will be applied to pay the redemption price of the Refunded Bonds on June 1, 1990 and to pay interest on the Refunded Bonds through that date. The net proceeds of the Refunding Series Bonds will be used to purchase United States Treasury Securities, State and Local Government Series (the "Government Obligations") which will be deposited and held in an irrevocable trusteed escrow account (the "Escrow Account") created pursuant to an escrow agreement (the "Escrow Agreement") between the Authority and the Trustee, as Escrow Trustee. The Government Obligations on deposit in the Escrow Account will be in a principal amount, which, together with the interest to be earned thereon, and cash, if any, held in the Escrow Account, without regard to any reinvestment thereof, will be sufficient to pay the redemption price of the Refunded Bonds on June 1, 1990 and to pay interest on the Refunded Bonds through that date. Any net proceeds of the Refunding Series Bonds in excess of that amount required to be deposited in the Escrow Account will be deposited in the Redemption Account of the Debt Service Fund for the purpose of redeeming or purchasing Bonds.

APPLICATION OF PROCEEDS

The proceeds to the Authority from the sale of the Refunding Series Bonds, excluding accrued interest, are expected to be applied as follows:

For deposit in the Escrow Account	$
For deposit in the Redemption Account	
For deposit in the Refunding Series Bonds Cost of Issuance Account (including bond insurance premium)	
Application of Proceeds (excluding accrued interest)	$
Underwriters' Discount	
Aggregate Principal Amount of the Refunding Series Bonds (excluding accrued interest)	$

The foregoing assumes delivery of the Refunding Series Bonds on December 17, 1985. Accrued interest from the date of the Refunding Series Bonds to the date of delivery of those Bonds is expected to be deposited in the Debt Service Fund to the credit of the Principal and Interest Account.

Various Funds and Accounts of the Authority established with the Trustee under the Bond Resolution and the Refunding Series Resolution are described under "Summary of Certain Provisions of the Bond Resolution" and "Security For The Bonds—Funds and Accounts."

carrying out its other financial oversight responsibilities. The First National Bank of Chicago serves as Trustee under the Bond Resolution and as Escrow Trustee under the Escrow Agreement.

The Act provides that the operating expenses of the Authority (other than expenses in connection with the issuance of its bonds and notes and those paid from the School Assistance Bonds Administrative Fund) are to be paid in the following manner. The Authority must certify to the State Board of Education an annual budget for its operations and thereafter the general State school aid from the State of Illinois Common School Fund otherwise payable to the Board shall be reduced by an amount equal to the Authority's budget and such amount shall be paid to the Authority for its operating expenses.

Upon request of the Authority, any State agency, unit of local government or school district may render services or transfer officers and employees to the Authority as deemed necessary by the Authority to carry out its functions and duties. The Authority has never made any such request.

Financial Control and Oversight Powers

Under the Act, the Authority has broad powers of control and oversight with respect to the financial affairs of the Board. Among the powers and duties granted to the Authority are the following:

(a) The Authority shall approve, reject or amend estimates of revenues available to the Board, or, if the Board fails to submit such revenue estimates to the Authority, the Authority may prepare such revenue estimates.

(b) The Authority shall approve or reject the Board's financial plans. Each financial plan of the Board must cover a period of at least three fiscal years. The financial plan for each fiscal year or part thereof must contain a description of revenues and expenditures, provision for debt service, cash resources and uses, and capital improvements. In connection with approving each financial plan, the Authority may review the Board's operations, obtain budgetary data and financial statements and require the Board to produce reports, and has a right of access to all information in possession of the Board that it deems relevant. The Authority may also issue recommendations or directives within its powers to the Board to assure compliance with financial plans and may require the Board to submit modified financial plans based upon revised revenue or expenditure estimates or for any other good reason.

(c) The Authority shall approve or reject the annual budget of the Board for each fiscal year. Each budget must contain such information and detail as may be prescribed by the Authority and must be based upon revenue estimates approved or prepared by the Authority. In the absence of a budget and financial plan approved by the Authority, the Act prohibits the Board from making any expenditures other than for its debt service obligations.

(d) The Authority shall prescribe an accounting system and procedure for the Board pursuant to which the Board's budget for each fiscal year shall be balanced.

(e) The Authority shall approve a certified public accountant appointed by the Board to audit the Board's annual financial statements.

(f) The Authority may adopt, and from time to time amend, regulations identifying categories and types of contracts and other obligations of the Board that shall be subject to approval by the Authority, and the procedures for submitting contracts for approval. Those contracts shall be approved if in the judgment of the Authority the information required to be submitted is complete and the contract is consistent with the budget and financial plan of the Board then in effect.

(g) The Authority shall approve the appointment of the chief financial officer of the Board, and may remove such officer.

(h) The Authority may examine the business records of the Board and audit the accounts of the Board.

(i) The Authority may direct the Board to reorganize its financial accounts, management and budgetary systems in whatever manner the Authority deems appropriate to achieve greater financial responsibility and to reduce financial inefficiency.

(j) The Authority may require the Board to establish and maintain separate cash accounts and separate bank accounts in accordance with rules, standards and procedures as the Authority may prescribe, and may assume exclusive administration of and withdraw funds from the cash accounts and bank accounts of the Board for the lawful expenditures of the Board.

(k) The Authority may adopt, and from time to time amend, regulations with respect to the application of proceeds of Bonds issued to provide the Board with Funds for School Construction Purposes and School Rehabilitation Purposes.

The Authority has promulgated regulations, rules and directives governing the preparation, submission and approval of the Board's revenue estimates, financial plans and budgets, the accounting system and procedure by which the Board must balance its budgets, the submission and approval of certain of the Board's contracts, requests by the Board for loans from the Working Cash Fund and requests by the Board for payment of funds from the School Construction Fund or the School Rehabilitation Fund.

Duration of the Authority; Suspension of Certain Powers

The Act provides that the Authority shall remain in existence until one year after all bonds and notes issued by it have been fully paid and discharged or otherwise provided for. The Act provides that certain of the financial control and oversight powers and responsibilities granted to or imposed upon the Authority and the Board other than to approve or reject the annual budget of the Board will not be exercisable in the event that the Authority certifies to the Governor and the Mayor that the Board has completed six successive fiscal years of budgets balanced in accordance with accounting and other principles and standards prescribed by the Authority pursuant to the Act. The earliest that the Authority could so certify is after the completion of the Board's fiscal year 1987. The Act provides that the powers and responsibilities of the Authority shall be restored if the Board subsequently fails to adopt a balanced budget for any fiscal year or fails to achieve a balanced budget for any two successive fiscal years.

Constitutionality

Following the adoption of the Act, in original proceedings commenced in the Supreme Court of Illinois contesting the constitutionality of the Act under the Illinois Constitution of 1970 and the United States Constitution, the Supreme Court of Illinois upheld the constitutionality of the Act.

THE BOARD OF EDUCATION

Information with respect to the Board is provided for reference only. Although there can be no assurance that certain actions taken by or affecting the Board will not affect the market prices or marketability of the Bonds, including the Refunding Series Bonds, the Board is not an obligor on the Bonds and payment of the Bonds is in no way dependent upon the credit of or any action taken by or affecting the Board.

The Board is a body politic and corporate and a school district of the State having boundaries coterminous with the boundaries of the City. The Board is established under and governed by The Illinois School Code, as amended ("The School Code"). The Board maintains a system of public schools in the City for grades kindergarten through twelve (the "School System"). At the beginning of the Board's fiscal year 1986, the enrollment of the School System was approximately 429,000 students, the Board operated 70 high schools and 526 elementary and other schools, had approximately 41,400 full-time equivalent positions, and approximately 90% of its employees were represented by 21 unions and employee groups that engage in collective bargaining with the Board.

The Board is governed by eleven members with responsibility for general supervision and management of the School System, subject to the provisions of The School Code and the Act. The members of the Board are appointed by the Mayor with the approval of the City Council for five-year terms. General responsibility for administration of the School System, subject to approval of the Board, rests in a General Superintendent of Schools. Under the Act, the Board is required to appoint, subject to approval by the Authority, a Chief Financial Officer with responsibility for the preparation of budgets and financial plans of the Board and for overseeing its expenditures. The Chief Financial Officer reports to the Board, but may be removed by either the Board or the Authority. The position of Chief Financial Officer has been vacant since March, 1983.

The Board's budget for its fiscal year 1986 is approximately $1.8 billion, of which approximately $1.67 billion constitutes the operating budget. The Board estimates that its revenues, on an accrual basis, will be provided from the following sources in the following proportions: (i) real property taxes, approximately 31.3%; (ii) personal property replacement taxes, approximately 3.9%; (iii) amounts from the State, consisting principally of State school Aid, approximately 47%; (iv) amounts from Federal sources, principally categorical in nature and involving reimbursements under Federally funded programs, approximately 12%; and (v) miscellaneous sources, approximately 5.8%. See "Overlapping Entities and Indebtedness—Comparative Tax Rates of Major Local Governmental Units" for information respecting the rates of real property taxes extended on behalf of the Board.

As of September 1, 1985 the total outstanding long-term debt of the Board was approximately $312.5 million, of which approximately $53.3 million is due within the remainder of its 1986 fiscal year. These amounts are composed of the Board's general obligation bonds and its obligations under leases with the Public Building Commission of Chicago ("PBC") (excluding amounts representing imputed interest) At present, the Board has no short-term debt for borrowed money outstanding.

FINANCING AND OVERSIGHT ACTIVITIES OF THE AUTHORITY

Establishment

In late 1979 and early 1980, the Board experienced severe financial difficulties. In periods preceding that financial crisis, the Board had been meeting cash requirements in part by increasing its short-term borrowings. The Board also, in effect, had borrowed money to meet cash requirements for operating expenses from various of its non-operating funds, including funds for the payment of debt service. Cash in the Board's various funds, including the debt service funds, had been pooled and not segregated

The Board's financial problems became acute in November, 1979, when the Board lost its access to credit markets and became unable to borrow cash needed to finance continued operations. With the loss of access to the credit markets, the cash needed to pay maturing short-term debt (issued in anticipation of future receipts) and to cover its continuing cash deficits was estimated in late 1979 at approximately $460 million. The Board has not yet regained access to the credit markets.

Prior to development of a plan to deal with the crisis, the Board was approximately 20 days late in making payment of a portion of its lease rental payments due the PBC on December 1, 1979. Those lease rental payments were for the purpose of providing the PBC with funds to make debt service payments due in 1980 on its bonds secured by leases with the Board.

As part of a plan to address the substantial difficulties facing the Board, the State legislature adopted the Act, which amended The School Code and created the Authority. The Act empowered the Authority to furnish financial assistance to the Board and to exercise oversight and control with respect to the financial affairs of the Board.

The Authority's Financial Assistance to the Board

The Act authorized the Authority to issue bonds to provide monies that would enable payment of the Board's outstanding short-term indebtedness to be made and that would assist the Board in defraying cash shortfalls. The Act initially authorized the Authority to issue up to $500 million aggregate principal amount of its general obligation bonds (excluding bonds issued to refund outstanding bonds). That authorization was increased to $573 million in September, 1980, principally in connection with providing funds for the Authority to establish a Working Cash Fund for temporary cash-flow deficiencies of the Board, and further increased to $695 million in August, 1984, principally in connection with providing funds for the Authority to establish a School Construction Fund and a School Rehabilitation Fund for certain capital project needs of the Board.

As required by the legislation that contained the Act, the Board itself has established trusteed debt service funds for its outstanding long-term bonds and for its lease rental payments due the PBC. Taxes collected for debt service purposes for the Board are now deposited directly in those funds by the County Collectors, without the funds being deposited with the Board.

Board Finances Under Authority Oversight

Since the establishment of the Authority, certain of the Board's financial affairs have been subject to the oversight and control of the Authority. See "Information Concerning the Authority" and "Financial Control and Oversight Powers." Operating under this oversight, the Board has adopted balanced budgets for each of its fiscal years since 1982 and has revised its accounting practices and financial systems to improve the accuracy, quality and timeliness of its budgeting procedures, financial reporting, cash flow forecasts and identification of variances between financial projections and actual results.

On October 8, 1985, the Authority approved the Board's financial plan covering the three fiscal years ending August 31, 1986, 1987 and 1988 (the "1986-88 Financial Plan"). The 1986-88 Financial Plan projects a balanced budget for its current fiscal year (fiscal year 1986) and cash shortfalls of approximately $48 million and $61 million for fiscal years 1987 and 1988, respectively.

REAL PROPERTY ASSESSMENT, TAX LEVY AND COLLECTION PROCEDURES

The information set forth under this caption relates to the procedures for assessing real property and levying and collecting real property taxes in Illinois. Separate taxes to pay principal of and interest on the Bonds have been levied on all taxable property within the City. Substantially all (approximately 99.9%) of the Equalized Assessed Valuation of taxable property in the City ("EAV") is located in Cook County (the "County"). The remainder is located in DuPage County. Accordingly, unless otherwise indicated, the information set forth under this caption and elsewhere in this Official Statement with respect to taxable property in the City does not reflect the portion situated in DuPage County.

Assessment

The County Assessor (the "Assessor") is responsible for the assessment of all taxable real property within the County except for certain railroad property that is assessed directly by the State. One quarter of the County is reassessed each year on a repeating quadrennial schedule established by the Assessor.

Property in the County is separated into eight classifications for assessment purposes. After the Assessor establishes the fair market value of a parcel of land, that value is multiplied by one of the classification percentages to arrive at the assessed valuation (the "Assessed Valuation") for that parcel. The classification percentages range from 16% for certain residential, commercial and industrial property to 40% for other commercial and industrial property.

The Assessor has established procedures enabling taxpayers to contest their Assessed Valuation set by the Assessor. Taxpayers can also petition for review of their assessments by the Cook County Board of (Tax) Appeals. In addition, limited judicial review of assessments is available during the collection process when the County Collector presents the Warrant Books (as defined below) to the Circuit Court for judgment.

Equalization

After the Assessor has established the Assessed Valuation for each parcel for a given year, and following any revisions by the Cook County Board of (Tax) Appeals, the Illinois Department of Revenue is required by statute to review the Assessed Valuations. The Department of Revenue establishes an equalization factor (the "Equalization Factor"), commonly called the "multiplier," for each county to make all valuations uniform among the 102 counties in the State. Under State law, the aggregate of the assessments within each county is to be equalized at 33⅓% of estimated fair market value of the real property located within the county prior to any applicable exemptions.

Once the Equalization Factor is established, the Assessed Valuation for each parcel determined by the Assessor, as revised by the Board of (Tax) Appeals, is multiplied by the Equalization Factor to determine the equalized assessed valuation of that parcel. The Equalization Factor for 1984 for taxes collected in 1985 is 1.8445. The equalized assessed valuation for each parcel is the final property valuation used for determination of tax liability. The aggregate equalized assessed valuation for all parcels in any taxing body's jurisdiction, plus the valuation of certain railroad property assessed directly by the State, constitutes the total real estate tax base for that taxing body and is the figure used to calculate tax rates.

Equalized Assessed Valuation Exemptions

The Annual Homestead Exemption provides that the equalized assessed valuation of certain property owned and used exclusively for residential purposes may be reduced for 1979 and subsequent years by the amount of any increase over the 1977 equalized assessed valuation, up to a maximum reduction of $3,500 beginning with the 1983 equalized assessed valuation. Additional exemptions exist for (i) Senior Citizens, whereby the Assessor may annually reduce the equalized assessed valuation on a senior citizen's home by $2,000, and (ii) Disabled Veterans, whereby the Assessor may annually exempt up to $30,000 of the Assessed Valuation of property owned and used exclusively by such veterans for residential purposes. The Home Improvement Exemption allows owners of single family residences to make up to $30,000 in home improvements without increasing the Assessed Valuation of their property for at least four years.

Tax Increment Financing

Municipalities are permitted to issue tax increment bonds to finance certain costs of redevelopment of vacant or blighted areas. Upon the issuance of any such tax increment bonds, all tax revenues resulting from increases in the equalized assessed valuation of property in such redevelopment areas could be pledged to the tax increment bonds. Those revenues would not, accordingly, be available to the various taxing bodies, including the Authority. However, taxes levied to pay debt service on the Bonds must nevertheless be extended at rates sufficient to produce amounts to pay the principal of the Bonds at maturity or pursuant to sinking fund installments and the interest on the Bonds when due. No tax increment bonds have as yet been issued by the City, but they have been proposed to finance the City's costs of land acquisition and public improvements for certain areas designated by the City Council.

Tax Levy

There are over six hundred units of local government in whole or in part in the County having taxing powers (the "Units"). The major Units having taxing power over property within the City are the City, the Board, the Chicago Park District, Community College District No. 508, the Metropolitan Sanitary District of Greater Chicago, the County and the Forest Preserve District of Cook County.

As part of the annual operating budgetary process of the Units, ordinances are adopted by the designated body for each Unit in each year in which they determine to levy real estate taxes. These tax levy ordinances impose their respective real estate taxes in terms of a dollar amount. Each unit certifies its real estate tax levy, as established by ordinance, to the County Clerk's Office. The remaining administration and collection of the real estate taxes is statutorily assigned to the County Clerk and the County Treasurer.

After the Units file their annual tax levies, the County Clerk computes the annual tax rate for each Unit by dividing the levy of each Unit by the equalized assessed valuation of the respective Unit. If any tax rate thus calculated exceeds any applicable statutory rate limit, the County Clerk disregards the excessive rate and applies the maximum rate permitted by law. (Taxes levied for debt service on the Bonds are not subject to any statutory rate limit.)

The County Clerk then computes the total tax rate applicable to each parcel of real property by aggregating the tax rates of all of the Units having jurisdiction over the particular parcel. The County Clerk enters the tax determined by multiplying that total tax rate by the equalized assessed valuation of that parcel in the books prepared for the County Collector (the "Warrant Books") along with the tax rates, the Assessed Valuation and the equalized assessed valuation. The Warrant Books are the Collector's authority for the collection of taxes and are used by the Collector as the basis for issuing tax bills to all property owners.

The Illinois Truth in Taxation Act imposes procedural limitations on a Unit's real estate taxing powers. Under the Illinois Truth in Taxation Act, notice in prescribed form must be published if the aggregate annual levy (exclusive of debt service levies) is estimated to exceed 105% of the levy of the preceding year, exclusive of election costs. A public hearing must also be held, which may be in conjunction with the budget hearing of the taxing district. No amount in excess of 105% of the preceding year's levy may be extended unless the levy is accompanied by a certification of compliance with the foregoing procedures. (The Illinois Truth in Taxation Act does not impose any limitation on the rate or the amount of the levies extended to pay principal of and interest on the Bonds.)

Collection

Property taxes are collected by the Cook County Collector, who is also the Cook County Treasurer, who remits to each Unit its share of the collections. Taxes levied in one year become payable during the following year in two installments, the first due on March 1 and the second on the later of August 1 or 30 days after the mailing of the tax bills. The first installment is an estimated bill, and is one-half of the prior year's tax bill. The second installment is based on the current levy, assessment and equalization, and reflects any changes from the prior year in those factors. Taxes on railroad real property used for transportation purposes are payable in one lump sum on the same date as the second installment.

During the periods of peak collections, tax receipts are forwarded to each Unit on a daily basis. The tax receipts for the Authority are deposited directly with the Trustee.

At the end of each collection year, the Collector presents the Warrant Books to the Circuit Court, and applies for a judgment for all unpaid taxes. The court order resulting from that application for judgment provides for a sale of all property with unpaid taxes shown on that year's Warrant Books. A public sale is held, at which time successful bidders pay the unpaid taxes plus penalties. Unpaid taxes accrue penalties at the rate of 1.5% per month from their due date until the date of sale. Taxpayers can redeem their property by paying the tax buyer the amount paid at the sale, plus a maximum of 18 percent for each six month period after the sale. If no redemption is made within two years, the tax buyer receives a deed to the property. In addition, there are miscellaneous statutory provisions for foreclosure of tax liens.

Delay in Tax Collections

Since 1973 the first installment due date has been March 1. Although the second installment due date is August 1, delays in certifying the final Equalization Factor or, occasionally, litigation, have delayed sending out the second installment tax bills. The following table shows the second installment due dates in the County in recent years:

(2) The School Code permits an increase in the maximum statutory rate applicable to one of the Board's operating funds to the extent of the difference between (i) $.50 per $100 of EAV and (ii) the rate at which taxes are extended for the Authority's Series A through D Bonds (and Bonds issued to refund or to continue to refund those Bonds). The annual taxes which would have been extended to pay debt service on the Refunded Bonds exceed the annual taxes which are to be extended to pay debt service on the Refunding Series Bonds.

OVERLAPPING ENTITIES AND INDEBTEDNESS

Although the Bonds and other obligations of the Authority issued pursuant to the Act are not obligations of the State, the City or the Board, the property tax base for such obligations and for certain other obligations of the City, the Board and other units of local government in the Chicago area are overlapping. No assurance can be given that financial developments with respect to the City, the Board and such other taxing bodies will not affect the market for and market prices of the Authority's obligations. The factors affecting the financial condition of those taxing bodies are complex, and the following information constitutes a brief summary of some of those factors. Although such information has been obtained from sources that are believed by the Authority to be reliable, the Authority has made no independent verification of that information and does not warrant its accuracy or completeness.

Overlapping Entities

Certain major Chicago area units of local government are described below. Each of these entities is a separate government entity under laws of the State, derives its power and authority under the Constitution and laws of the State, has an independent tax levy, and maintains its own financial records and accounts. Property taxes for these overlapping entities are levied upon all taxable property in the City and, in some cases, in other parts of the County as well; each receives an allocation of the personal property replacement tax; and each is authorized to issue debt obligations. The Authority does not receive personal property replacement taxes. These replacement taxes, imposed in 1979 when the personal property tax on businesses was abolished, are a surcharge on the businesses' State income tax and a public utility invested capital tax. Non-home rule units of local government are subject to statutory debt limits established by the Illinois General Assembly. Home rule units are not presently subject to such limits.

The following is a description of entities in the Chicago area whose property tax base overlaps that of the Authority:

The City, a home rule unit under the State Constitution, was incorporated in 1837. The City has a total area of approximately 228 square miles and is situated in the County, with a small portion, at O'Hare International Airport, situated in DuPage County. The City operates under the mayor/council form of government. The legislative body of the City is the City Council, which consists of 50 elected aldermen, each representing one of the City's 50 wards, and the Mayor who is elected citywide. The Mayor is the chief executive officer of the City and is responsible for administering and executing City policy, including the appointment, with the advice and consent of the City Council, of all officers of the City whose appointment is not otherwise provided by law. Appendix B to this Official Statement sets forth information regarding certain economic and social factors relating to the City and the Chicago area.

The Board is responsible for exercising general supervision and management of public education within the School System. See "The Board of Education."

The Chicago Park District has boundaries coterminous with the City and is responsible for exercising control over and supervising the operations of all parks, boulevards and other public properties under its jurisdiction. The Mayor, with the approval of the City Council, appoints five Commissioners of the Chicago Park District.

Community College District No. 508 is responsible for maintaining a system of community colleges under the charge of seven board members appointed by the Mayor with the approval of the City Council. The District 508 board appoints a chief administrative officer.

The County, a home rule unit under the State Constitution, includes virtually all of the City plus numerous surrounding suburbs and unincorporated areas. The County is governed by a board of seventeen Commissioners, ten of whom are elected at large from the City and seven of whom are elected at large from the suburbs. The voters of the entire County also elect a number of other officials, including the County Assessor, the County Clerk and the County Treasurer. The County Commissioners are also directly responsible for the operation of Cook County Hospital which provides medical care to indigent residents of the County. The Cook County Hospital has encountered frequent financial problems.

The Forest Preserve District of Cook County is coterminous with the boundaries of the County and is charged with creating, maintaining and operating forest preserves in Cook County. Its governing body is a board composed of the members of the County Board of Commissioners discussed above.

The Metropolitan Sanitary District of Greater Chicago includes most of the County and finances the acquisition, enlargement, improvement, repair and replacement of sewers, sewage treatment plants and outlets for the drainage of the District. The District's nine governing commissioners are elected at large by the voters residing in the District.

In addition, *The Public Building Commission*, which has no taxing power, finances the construction, acquisition and enlargement of public improvements, buildings and facilities to be made available for use by governmental agencies. The Public Building Commission uses the proceeds of its bond and note issues to carry out these functions and leases its facilities to various governmental agencies, including the City, the County, the Board, the Chicago Park District, and Community College District No. 508. Property taxes are levied by the lessee governments to pay the lease rentals. The Mayor appoints six of the eleven members of

The Public Building Commission. The presiding officers of the County, the Forest Preserve District, the Board, the Metropolitan Sanitary District and the Chicago Park District each appoint one member.

Other Public Bodies

Other governmental bodies in the Authority's geographical area include:

The *Chicago Transit Authority* (the "CTA"), a municipal corporation which acquires, constructs, owns, operates and maintains a transportation system in the County. The governing body of the CTA is a seven member board. The Mayor, with the approval of the City Council, appoints four members of the Board, and the Governor, with the approval of the State Senate, appoints three members. The CTA has no power to levy property or other taxes.

The *Regional Transportation Authority* (the "RTA") provides public transportation services, facilities and funding in Cook, Lake, McHenry, Kane, DuPage, and Will Counties in northeastern Illinois. The governing body of the RTA is a 13-member Board of Directors, four of whom are appointed by the Mayor with the advice and consent of the City Council, one of whom is the Chairman of the CTA and seven of whom are appointed by either suburban members of the County Board of Commissioners or by the chairmen of the county boards of the other counties. The thirteenth director is the Chairman who is appointed by the Governor. The RTA may operate its own public transportation services, and may provide such services through other agencies, including the CTA., by purchase of service agreements or by grants to such agencies. The RTA is empowered to impose sales, motor fuel and parking taxes, but has no power to levy property taxes.

SUMMARY OF CERTAIN PROVISIONS OF THE BOND RESOLUTION

The following is a summary of certain provisions of the Bond Resolution. The Bond Resolution as adopted by the Authority on April 29, 1980 and supplemented by the Authority on December 9, 1980 and on November 13, 1984, was further supplemented by the Authority on October 29, 1985 to provide for the use of Reserve Fund Credit Instruments, after all Bonds issued prior to 1985 are no longer outstanding. This summary describes the Bond Resolution as so supplemented. This summary does not purport to be complete and reference is made to the Bond Resolution for a full and complete statement of its terms and provisions.

Certain Definitions

The following are definitions of certain terms used in the Bond Resolution and the Refunding Series Resolution. These definitions are qualified by reference to the usage of terms in the Bond Resolution and the Refunding Series Resolution.

"Debt Service Requirements" as applied to the Bonds or any Series of Bonds means, with respect to any date, all payments of principal of and interest on all such Bonds which are outstanding and which shall be due and payable on that date. In calculating the Debt Service Requirements for any date:

(a) there shall be included the Sinking Fund Installments on that date for Term Bonds;

(b) there shall be excluded the principal amount of Term Bonds maturing on that date but required to be redeemed prior to that date pursuant to Sinking Fund Installments; and

(c) there shall be excluded the interest which would be due on such date on the amount of Term Bonds required to be redeemed prior to that date pursuant to Sinking Fund Installments.

"Investment Obligations" means any of the following obligations which at the time of investment of any amounts in any Fund or Account established pursuant to the Bond Resolution are legal investments under the laws of the State for those amounts:

(a) direct obligations of, or obligations the principal of and interest on which are unconditionally guaranteed by, the United States of America;

(b) direct and general obligations of, or obligations guaranteed by, the State, to the payment of the principal of and interest on which the full faith and credit of the State are pledged;

(c) negotiable or non-negotiable time deposits evidenced by certificates of deposit issued by banks, trust companies or national banking associations (which may include the Trustee or any Paying Agent) which are members of the Federal Deposit Insurance Corporation, or by savings and loan associations which are members of the Federal Savings and Loan Insurance Corporation, provided that such time deposits in any such bank, trust company, national banking association or savings and loan association are continuously secured by obligations described in subparagraphs (a) or (b) of this definition, and provided further that such obligations at all times have a market value at least equal to the maturity value of the deposits so secured, including accrued interest; and

(d) repurchase agreements with banks (which may include the Trustee or any Paying Agent) described in subparagraph (c) of this definition or with government bond dealers reporting to, trading with, and recognized as primary dealers by a Federal Reserve Bank, the underlying securities of which are obligations described in subparagraph (a) of this definition, provided that the underlying securities are required to be physically held by the Trustee or its agent (which shall not be the bank or dealer with respect to which the agreement is made) or for which securities other steps are taken which shall have the effect of securing the Trustee to the same extent as if it or its agent were the physical holder of the underlying securities, in the opinion of counsel selected by the Authority, and are required to be continuously maintained at a market value not less than the amount so invested.

"Outstanding" when used with reference to Bonds, shall mean, as of any date, Bonds theretofore or then being delivered under the provisions of the Bond Resolution, except:

(a) any Bonds cancelled by the Trustee or any Paying Agent at or prior to such date;

Resolution and Series Resolutions Constitute Contract

In consideration of the purchase and acceptance of any and all of the Bonds issued under the Bond Resolution by those who shall hold the same from time to time, the Bond Resolution shall be deemed to be and shall constitute a contract between the Authority and the holders of the Bonds and coupons. Each Series Resolution shall be deemed to be and shall constitute a contract between the Authority and the holders of the Bonds and of the coupons pertaining to the Bonds. The liens and security interests provided for in the Bond Resolution and the covenants and agreements set forth in the Bond Resolution to be performed by the Authority shall be for the equal benefit, protection and security of the holders of any and all of the Bonds and coupons, all of which, without regard to the time or times of their issue or maturity, shall be of equal rank without preference, priority or distinction of any of the Bonds or coupons over any other Bonds or coupons, except as expressly provided in or permitted by the Bond Resolution.

Authorization of Bonds

The Bond Resolution establishes an issue of Bonds of the Authority known and designated as "General Obligation School Assistance Bonds". The Bonds may be issued as provided in the Bond Resolution without limitation as to principal amount except as provided in the Bond Resolution or as may be limited by law. All the Bonds are payable from the sources and are secured as provided in the Bond Resolution. The Bonds shall be general obligations of the Authority. To the payment as it falls due of the interest on the Bonds and of the principal of the Bonds at maturity or on Sinking Fund Installment dates, the full faith and credit of the Authority are irrevocably pledged. The principal, redemption price and interest on the Bonds are payable solely from the taxes levied as provided by the Bond Resolution, from the Debt Service Fund and the Reserve Fund, including from deposits in those Funds of proceeds from the sale of Bonds and of amounts transferred from the School Construction Fund, the School Rehabilitation Fund, the School Assistance Bonds Administrative Fund or the Working Cash Fund, and from investment earnings on the Debt Service Fund and the Reserve Fund, all as provided in the Bond Resolution and the various Series Resolutions; provided, however, nothing in the Bond Resolution shall prohibit the use for any such payment of any funds which lawfully may be used for that purpose.

Bonds Not Obligations of State, City or Board

The Bonds shall not be deemed to constitute a debt or liability of the State, the City or the Board or any other political subdivision of the State (other than the Authority) within the meaning of the Constitution of the State or any State law, or a pledge of the full faith and credit of the State, the City or the Board or any other political subdivision of the State (other than the Authority). The issuance of the Bonds shall not directly, indirectly or contingently obligate the State, the City or the Board, or any other political subdivision of the State (other than the Authority) to levy any form of taxation for the Bonds (except as explicitly provided in the Act, the Bond Resolution, the various Series Resolutions and the various Series Tax Levy Ordinances) or to make any appropriation for payment of the Bonds.

Custody and Application of Certain Proceeds of Bonds

Each Series Resolution authorizing the issuance of a Series of Bonds is required to specify the authorized principal amount of Bonds of that Series and the purposes for which such Series of Bonds is being issued and to provide for the disposition of proceeds of that Series. Bonds may be issued for any purpose for which the Authority by law is (or may be, at the time of issuance of such Series of Bonds) authorized to issue such Series of Bonds. A School Assistance Fund for proceeds of Bonds issued to provide financial assistance to the Board (including, without limitation, providing it with money for ordinary and necessary expenditures for educational purposes, maintenance of school facilities and other operational needs of the Board) other than for School Construction and Rehabilitation Purposes, a School Construction Fund and a School Rehabilitation Fund for proceeds of Bonds issued to provide the Board with funds for School Construction Purposes and School Rehabilitation Purposes respectively, both as described below, and a Working Cash Fund, as described below, are established with and held by the Trustee.

Upon the issuance of any such Series of Bonds, the Authority is required to deposit in the School Assistance Fund all proceeds of that Series of Bonds which are designated by the Series Resolution authorizing the issuance of that Series of Bonds to be used to provide financial assistance to the Board, other than for School Construction and Rehabilitation Purposes. The amounts in the School Assistance Fund shall be paid by the Trustee from time to time to the Board upon the filing with the Trustee of a requisition of the Chairman or other Authorized Officer of the Authority so authorizing the Trustee to pay amounts from that Fund. The Chairman or other Authorized Officer is authorized and directed so to file from time to time with the Trustee requisitions to pay amounts deposited in the School Assistance Fund to the Board if the Chairman or such other Authorized Officer shall find that such amounts are then required by the Board for the purposes for which the Series Resolution authorizing the issuance of such Series of Bonds provides such amounts are to be used, all in accordance with the Board's budget or revised budget then in effect as approved by the Authority. The Chairman or other Authorized Officer and the Trustee shall not be responsible for the use of any amounts paid to the Board from the School Assistance Fund. Should there remain any amounts in the School Assistance Fund on June 1, 1985, the Trustee shall pay and deposit all such amounts to the Debt

The portion of proceeds of any Series of Bonds which is to be used to refund Bonds, or other bonds and notes, of the Authority, or debt obligations of the City or the Board, may be applied by the Authority directly to that payment without being deposited in the School Assistance Fund.

Cost of Issuance Accounts are established with and held by the Trustee. Upon the issuance of any Series of Bonds, the Series Resolution may (but is not required to) provide for the deposit in a Cost of Issuance Account for that Series of Bonds of the amount of the proceeds derived from the sale of such Series of Bonds which is designated by that Series Resolution to be used to pay the costs of issuance of that Series of Bonds.

Debt Service Fund

The Debt Service Fund is established with and held by the Trustee. It includes a Principal and Interest Account, a Redemption Account, a Special Payments Account and Capitalized Interest Accounts.

(1) All collections of taxes to be levied as provided by the Bond Resolution are to be deposited upon receipt in the Debt Service Fund to the credit of the Principal and Interest Account. In addition, amounts in the Reserve Fund in December of each year in excess of the Reserve Requirement are to be deposited in the Debt Service Fund to the credit of the Principal and Interest Account. Also, any interest and other investment earnings accrued and received after November 30, 1987, on the investments of the School Construction Fund and School Rehabilitation Fund are to be deposited in the Debt Service Fund to the credit of the Principal and Interest Account, or one or more other accounts of that Fund as directed by the Authority. As long as any of the Bonds remain outstanding and unpaid as to either principal or interest, in whole or in part, all amounts in the Debt Service Fund shall be held in trust by the Trustee for the sole benefit of the holders of the Bonds and coupons and shall be applied solely for the payment, redemption or purchase of the Bonds and coupons, all as provided in the Bond Resolution, and shall not be used for any other purpose.

(a) Amounts in the Principal and Interest Account shall be applied by the Trustee to the payment of the interest (other than interest paid from a Capitalized Interest Account) on the Bonds as it falls due and the principal of the Bonds at maturity or on Sinking Fund Installment dates. Prior to June 1 and December 1 of each year (but not more than 5 days prior to such dates), the Trustee shall pay out of the amounts in the Principal and Interest Account to itself and the Paying Agents, the amounts required for the payment by it and the Paying Agents of the Debt Service Requirements then coming due on the Bonds (other than interest to be paid from a Capitalized Interest Account). In December of each year, after paying all interest due on the Bonds on December 1 of that year (but before any deposits are made to the Principal and Interest Account from the Special Payments Account for the payment of principal and interest on any Bonds) the Trustee shall transfer from the Principal and Interest Account the following amounts in the following priority: (i) to the Reserve Fund the amount, if any, by which the value of the Reserve Fund is less than the Reserve Requirement; and then (ii) to the Special Payments Account the aggregate amount of all previous transfers made to the Principal and Interest Account from the Special Payments Account to make up deficiencies in the Principal and Interest Account which have not previously been retransferred to the Special Payments Account as described in this sentence. No transfers shall be made as described in the preceding sentence except to the extent that amounts in the Principal and Interest Account are in excess of the Debt Service Requirements on the Bonds for the next June 1.

(b) In December of each year, and after all transfers between the Principal and Interest Account and the School Construction Fund, the School Rehabilitation Fund, the Special Payments Account or the Reserve Fund which are required by the Bond Resolution have been made, the Authority (i) may by resolution direct the Trustee to transfer amounts from the Principal and Interest Account to the Redemption Account, (ii) may by resolution determine to abate the amount of taxes provided to be collected in the next calendar year for payment of principal at maturity or on Sinking Fund Installment dates and of interest on Bonds as it falls due, or (iii) may so direct and determine a combination of such transfers and abatements. Upon a certified copy of such a resolution being filed with the Trustee directing such a transfer to the Redemption Account, the Trustee shall promptly make such a transfer.

The total amount of any such abatement and transfer so directed and determined by resolution of the Authority in any year shall not exceed the amount, if any, by which the value of the Principal and Interest Account, after the transfers in such month between the Principal and Interest Account and the Special Payments Account or the Reserve Fund, exceeds the sum of:

(i) the Debt Service Requirements for the next June 1; plus

(ii) the amount, if any, by which all taxes levied pursuant to all Series Tax Levy Ordinances and received by the Trustee through December 1 of such year exceeds the sum of (a) the amount of principal of Bonds due at maturity or on Sinking Fund Installment dates and of the interest due on the Bonds through such December 1 (other than interest which was paid from a Capitalized Interest Account) plus (b) the Debt Service Requirements for the next June 1.

In effect such abatements and transfers to the Redemption Account may be made as a result of receipts in the Principal and Interest Account other than tax collections or as a result of a reduction in Debt Service Requirements (as for example upon purchase of Bonds prior to maturity).

(c) If at any time the amounts in the Principal and Interest Account are insufficient to pay interest on Bonds as it falls due and to pay principal on Bonds at maturity or on Sinking Fund Installment dates, the Trustee shall transfer to the Principal and Interest Account moneys from the Redemption Account which, when added to funds in the Principal and Interest Account, shall be sufficient to make such payments. If, after that transfer, the amounts in the Principal and Interest Account remain insufficient to make such payments, the Trustee shall transfer amounts from the Special Payments Account to the Principal and Interest Account sufficient to make such payments. If after that transfer the amounts in the Principal and Interest Account still remain insufficient to make such payments, the Trustee shall transfer amounts from the Reserve Fund to the Principal and Interest Account sufficient to make such payments.

(d) At any time after any December 1, the Trustee, in its sole discretion, may, and upon the direction of an Authorized Officer shall, withdraw moneys from the Principal and Interest Account and purchase Bonds or portions of Bonds, which Bonds mature or are subject to mandatory redemption pursuant to Sinking Fund Installments on the next June 1. The principal amount of Bonds so purchased within any period after any December 1 and prior to the next June 1 shall not exceed the sum of the Sinking Fund Installments on Term Bonds due on that June 1 and the principal amount of Serial Bonds maturing on that June 1. No purchase of Bonds shall be made after notice of redemption of those Bonds shall have been given as provided in the Bond Resolution. No such purchase shall be made at a price in excess of the principal amount of the Bonds purchased plus accrued and unpaid interest on those Bonds to the date of purchase.

(2) Amounts at any time in the Redemption Account may be used by the Trustee at the direction of an Authorized Officer of the Authority to redeem Bonds or to purchase Bonds. No purchase of Bonds from the Redemption Account shall be at a price in excess of the Redemption Price of the Bonds for an optional redemption at the next optional redemption date, plus accrued and unpaid interest on the principal of the Bonds to be redeemed to the date of redemption. An Authorized Officer of the Authority may direct the Trustee as to the method of making any such purchase. No purchase of any Bonds shall be made by the Trustee from the Redemption Account within the period of forty-five (45) days next preceding a date on which those Bonds are subject to redemption.

(3) The Authority shall pay to and deposit in the Debt Service Fund to the credit of the Capitalized Interest Account for each Series of Bonds the amount from proceeds of that Series of Bonds provided in the Series Resolution for that Series of Bonds. Amounts in a Capitalized Interest Account for any Series of Bonds shall be used to pay interest on that Series of Bonds coming due on the dastes and in the amounts specified in the Series Resolution for that Series of Bonds.

(4) In addition to the deposits to be made in the Special Payments Account as described in (1) above, there shall be deposited by the Trustee to the Credit of the Special Payments Account all amounts required to be deposited in the Debt Service Fund from the Working Cash Fund upon the reduction or abolition of the Working Cash Fund as provided in the Bond Resolution and any other amounts which the Authority shall cause to be deposited in the Special Payments Account pursuant to law. resolution direct the Trustee to transfer amounts from the Special Payments Account to the Redemption Account. At any time after December 1 of any year and prior to June 1 of the next year, the Authority may by resolution direct the Trustee to transfer amounts from the Special Payments Account to the Principal and Interest Account. The amounts so to be transferred to the Principal and Interest Account shall not exceed the total amount of the principal of Bonds due at maturity or pursuant to Sinking Fund Installments on the next June 1, plus interest to be paid on those Bonds on that June 1. The amounts so transferred shall be used to pay principal of Bonds on that June 1 and interest on those Bonds on that date.

(5) The Debt Service Fund and each Account in it shall be separate and segregated from all other funds and accounts of the Authority or the Board. Cash funds and investments in the Debt Service Fund and each Account in it shall never be commingled with other funds or accounts of the Authority or the Board for any purpose whatsoever.

Reserve Fund

The Reserve Fund is established under the Bond Resolution. The Authority shall pay to the Trustee for deposit in the Reserve Fund that portion of the proceeds of the sale of any Series of Bonds as shall be provided by the Series Resolution authorizing that Series of Bonds. In addition, the Trustee shall pay to and deposit in the Reserve Fund all amounts provided to be transferred to the Reserve Fund from the Principal and Interest Account pursuant to the Bond Resolution. The Bond Resolution prohibits the Authority from issuing any Series of Bonds if the value of the Reserve Fund, upon the issuance and delivery of those Bonds and the depositing in the Reserve Fund of the amount provided in the applicable Series Resolution so to be deposited, is less than the Reserve Requirement.

All amounts on deposit in the Reserve Fund shall be held in trust for the sole benefit of the Holders of the Bonds and coupons as provided in the Bond Resolution and shall be applied and used solely for the payment of principal of the Bonds at maturity or on Sinking Fund Installment dates and for the payment of interest as it comes due or for transfer to the Principal and Interest Account for application as provided by the Bond Resolution, and shall not be used for any other purpose.

Amounts in the Reserve Fund shall be transferred by the Trustee to the Debt Service Fund to the credit of the Principal and Interest Account at the times and in the amounts as required in order to pay principal of the Bonds at maturity or on Sinking Fund Installment dates and to pay interest on the Bonds as it falls due, and for which other moneys are not available. Whenever the Trustee shall determine that the total amount in the Reserve Fund, together with all amounts in the Debt Service Fund, will be sufficient to pay or to redeem or to provide for the payment or redemption of all the outstanding Bonds, the Trustee shall pay to and deposit in the Debt Service Fund to the credit of the Redemption Account all remaining amounts in the Reserve Fund. On December 1 of each year the Trustee shall pay to and deposit in the Debt Service Fund to the credit of the Principal and Interest Account all amounts in the Reserve Fund to the extent the value of the Reserve Fund is in excess of the Reserve Requirement.

Upon all Bonds issued prior to 1985 being no longer Outstanding, all or any part of the Reserve Requirement may be met by deposit with the Trustee of a Reserve Fund Credit Instrument. A Reserve Fund Credit Instrument shall, for purposes of determining the value of the Reserve Fund, be valued at the Reserve Fund Credit Instrument Coverage for the Instrument less any unreimbursed draws on that Instrument, except as provided in the next two sentences. If a Reserve Fund Credit Instrument is to terminate (or is subject to termination) prior to the last principal payment date on any Outstanding Bond, then the value of that Instrument shall be reduced by the amount provided in the next sentence. The amount of the reduction (as of any date of determination) shall be the amount, if any, by which the value of the Reserve Fund, not counting the value of that Instrument, is (as of that date of determination) less than one-half of the maximum amount of the sum of the Debt Service Requirement for the Outstanding Bonds for any twelve-month period ending on a June 1 after the first date that the Instrument is so to terminate (or is subject to termination). Any amounts in the Reserve Fund which are not then required to be transferred to the Debt Service Fund to pay principal or interest on Bonds may be used to pay costs of acquiring a Reserve Fund Credit Instrument or to make payments due under a Reimbursement Agreement, but only if after such payment, the value of the Reserve Fund shall not be less than the Reserve Requirement. A Reserve Fund Credit Instrument shall be treated as an investment in an Investment Obligation of a maturity equal to the number of days that advance

School Construction Fund

The School Construction Fund is established with and to be held by the Trustee. Upon the issuance of any Series of Bonds, the Authority is to deposit in this Fund the proceeds of the Bonds as provided by the appropriate Series Resolution.

Amounts in the School Construction Fund shall be disbursed by the Trustee for School Construction Purposes from time to time upon the filing with the Trustee of a direction of the Chairman or other Authorized Officer that the Trustee shall so disburse amounts in that Fund to the Board. The Trustee shall make the disbursements as so directed and shall not be obligated to examine the purposes for which the money is to be disbursed.

The Authority and its Chairman or other Authorized Officer and the Trustee shall not be responsible for the use or application of any amounts disbursed from the School Construction Fund for School Construction Purposes. The Authority and its directors, officers, members, agents or employees and the Trustee shall not be liable for any obligations incurred by the Board for School Construction Purposes.

On December 1 of each year, beginning in 1988, the Trustee shall pay to and deposit in the Debt Service Fund to the credit of the Principal and Interest Account, or to one or more other accounts of that Fund as directed by resolution of the Authority, amounts in the School Construction Fund to the extent of all interest and other investment earnings accrued and received on or after December 1, 1987 on investments of the School Construction Fund and not previously transferred to the Debt Service Fund. The Authority, by resolution, in its sole judgment and discretion may at any time direct that any or all amounts remaining unexpended in the School Construction Fund, in excess of the difference between (i) the minimum amount required by law to have been so deposited and (ii) the amount theretofore paid to the Board from the Fund for School Construction Purposes, be withdrawn from that Fund and be deposited in and credited to the School Rehabilitation Fund. In addition, the Authority by resolution, in its sole judgment and discretion, may at any time direct that any or all amounts in the School Construction Fund, which have not been or shall not have been by a certain date expended, be withdrawn from the School Construction Fund and be deposited in the Debt Service Fund to the credit of one or more accounts of that Fund, as designated by the resolution. Upon receipt by the Trustee of a certified copy of a resolution of the Authority directing a transfer of amounts from the School Construction Fund to the School Rehabilitation Fund or the Debt Service Fund, the Trustee shall withdraw the specified amounts from the School Construction Fund and deposit those amounts in the School Rehabilitation Fund or the Debt Service Fund (to the credit of the designated account or accounts), as directed by the resolution.

School Rehabilitation Fund

The School Rehabilitation Fund is established with and to be held by the Trustee. Upon the issuance of any Series of Bonds, the Authority is to deposit in this Fund the proceeds of the Bonds as provided by the appropriate Series Resolution.

Amounts in the School Rehabilitation Fund shall be disbursed by the Trustee for School Rehabilitation Purposes from time to time upon the filing with the Trustee of a direction of the Chairman or other Authorized Officer that the Trustee shall so disburse amounts in that Fund to the Board. The Trustee shall make the disbursements as so directed and shall not be obligated to examine the purposes for which the money is to be disbursed.

The Authority and its Chairman or other Authorized Officer and the Trustee shall not be responsible for the use or application of any amounts disbursed from the School Rehabilitation Fund for School Rehabilitation Purposes. The Authority and its directors, officers, members, agents or employees and the Trustee shall not be liable for any obligations incurred by the Board for School Rehabilitation Purposes.

On December 1 of each year, beginning in 1988, the Trustee shall pay to and deposit in the Debt Service Fund to the credit of the Principal and Interest Account, or to one or more other accounts of that Fund as directed by resolution of the Authority, amounts in the School Rehabilitation Fund to the extent of all interest and other investment earnings accrued and received on or after December 1, 1987 on investments of the School Rehabilitation Fund and not previously transferred to the Debt Service Fund. The authority, by resolution, in its sole judgment and discretion, may at any time direct that any or all amounts remaining unexpended in the School Rehabilitation Fund be withdrawn from that Fund and be deposited in and credited to the School Construction Fund, but only if the transfer shall not cause the amount which shall have been deposited in the School Construction Fund to exceed the maximum amount allowed by law to be used for School Construction Purposes. In addition, the Authority, by resolution, in its sole judgment and discretion, may at any time direct that any or all amounts in the School Rehabilitation Fund, which have not been or shall not have been by a certain date expended, be withdrawn from the School Rehabilitation Fund and be deposited in the Debt Service Fund to the credit of one or more accounts of that Fund, as designated by the resolution. Upon receipt by the Trustee of a certified copy of a resolution of the Authority directing a transfer of amounts from the School Rehabilitation Fund to the School Construction Fund or the Debt Service Fund, the Trustee shall withdraw the specified amounts from the School Rehabilitation Fund and deposit those amounts in the School Construction Fund or the Debt Service Fund (to the credit of the designated account or accounts) as directed by the resolution.

School Assistance Bonds Administrative Fund

The School Assistance Bonds Administrative Fund is established with and to be held by the Trustee. Upon the issuance of any Series of Bonds, the Authority is to deposit in this Fund the proceeds of the Bonds as provided by the appropriate Series resolution.

Amounts in the School Assistance Bonds Administrative Fund shall be used to pay fees and costs incurred by the Authority relating to the investment of amounts in the various funds and accounts established pursuant to the Bond Resolution, relating to the securing and paying of Bonds, relating to the use and application of amounts in the School Construction Fund and the School Rehabilitation Fund and relating to the providing of credit support for the Bonds. The Authority by resolution, in its sole judgment and discretion, may at any time direct that any or all amounts in the School Assistance Bonds Administrative Fund, which have not been or shall not have been expended by a certain date, be withdrawn from that Fund and be deposited in the Debt Service Fund to the credit of one or more accounts of that Fund, as Directed by the resolution.

Working Cash Fund

The Working Cash Fund is established with and to be held by the Trustee. Upon the issuance of any Series of Bonds, the Authority is required to deposit in the Working Cash Fund all proceeds of that Series of Bonds which are designated by the Series Resolution authorizing the issuance of that Series of Bonds to be used to provide or increase a working cash fund as provided by the Act.

Amounts in the Working Cash Fund shall be used by the Authority (i) to make loans to the Board from time to time to enable the Board to cover anticipated cash flow deficiencies which it may experience, all as provided by the Act, as it may from time to time be amended, or (ii) for any other lawful purpose for which the act, at it may from time to time be amended, may permit amounts in the Working Cash Fund to be used. The Trustee shall, from time to time, apply amounts in the Working Cash Fund as specified by written direction of the Chairman or other Authorized Officer, which direction shall be accompanied by a certified copy of a resolution of the Authority so authorizing such loan or other application of amounts in the Working Cash Fund and, in the case any amounts are to be applied in accordance with (ii) above, by a Counsel's Opinion of nationally recognized bond counsel to the effect that such amounts may be used for that purpose.

The Authority shall not at any time be obligated to make any loan to the Board from the Working Cash Fund. No interest need be charged on any such loan. Each loan made to the Board from the Working Cash Fund shall mature at such time or times, bear interest at such rate or rates, if any, be payable and be secured in such manner and have such other terms as shall be provided by the resolution of the Authority authorizing

The Authority may, by resolution, at any time reduce the amount of or abolish the Working Cash Fund, all pursuant to the provisions of the Act, as it may from time to time be amended. Upon receipt by the Trustee of a certified copy of such a resolution of the Authority, the Trustee shall withdraw all amounts in the Working Cash Fund in excess of the amount which is to remain in the Working Cash Fund and deposit those excess amounts in the Debt Service Fund to the credit of the Special Payments Account. However, instead of paying those excess amounts into the Debt Service Fund, the Trustee shall apply those excess amounts in such other manner as may be directed in the resolution of the Authority reducing or abolishing the Working Cash Fund, but only upon receipt by the Trustee of a Counsel's Opinion of nationally recognized bond counsel to the effect that the directed application of the excess amounts is authorized by the Act, as amended to the date of the opinion.

Lien Upon and Security Interest in Debt Service Fund and Reserve Fund

The Debt Service Fund, including all its Accounts, and the Reserve Fund shall be held in trust for the Holders of the Bonds and coupons as provided in the Bond Resolution. The Holders of the Bonds and coupons shall have and are granted a security interest in and lien upon all cash and investments of such Funds and such Funds shall be applied solely as provided in the Bond Resolution, except that only the Holders of Bonds of a particular Series shall have and are granted such a security interest in and lien upon amounts in the Capitalized Interest Account for that Series of Bonds. The security interests and liens are valid and binding from the date the Bonds are issued, without any physical delivery or further action, and shall be valid and binding as against, and prior to any claim of all other parties having claims of any kind in tort, contract or otherwise against the State, the Authority, the Board, the City, or any other person, irrespective of whether such other parties have notice of the lien or security interest.

Notice to Bond Insurer

With respect to any Series of Bonds for which the Authority shall have notified the Trustee that it has purchased bond insurance, the Trustee shall give that insurer prompt notice of the failure for there to be on deposit with the Trustee money, at the times, in the amounts and in the Funds and Accounts under the Bond Resolution, as shall be sufficient to allow the Trustee to pay in full the interest as it comes due and the principal, at maturity or pursuant to sinking fund installments, on such Series of Bonds.

Security for Deposits and Investment of Funds

The Bond Resolution provides that all moneys held under Bond Resolution by the Trustee or any Paying Agent shall be continuously and fully secured for the benefit of the Authority and the Holders of the Bonds and the coupons, as their respective interests may appear, by Investment Obligations of a market value equal at all times to the amount of the deposit so held by the Trustee. However, it shall not be necessary for the Trustee or any Paying Agent to give security for such amount of moneys as is insured by Federal deposit insurance, for the Trustee to give security for any moneys which shall be represented by Investment Obligations purchased under the provisions of the Bond Resolution as an investment of such moneys or for any moneys loaned to the Board from the Working Cash Fund, or for any Paying Agent to give security for the deposit of any moneys held by it in trust for the Holders of Bonds and coupons.

The Bond Resolution provides that, upon the direction of an Authorized Officer of the Authority, moneys in the Funds and Accounts established by the Bond Resolution shall be invested by the Trustee in Investment Obligations so that the maturity date or date of redemption at the option of the holder of such Investment Obligations shall coincide, as nearly as practicable, with the times at which moneys in those Funds and Accounts will be required for the purposes provided in the Bond Resolution. Moneys in the Reserve Fund shall be invested by the Trustee as promptly as practicable upon the direction of an Authorized Officer of the Authority in Investment Obligations the maximum maturity of which shall not be more than ten (10) years from the date of such investment; provided, however, that, at least 25% of the moneys in the

Reserve Fund shall from time to time be invested in Investment Obligations the average maturity of which shall not be more than two (2) years from the date of any investment.

Investment Obligations purchased as an investment of moneys in any Fund or Account held by the Trustee under the provisions of the Bond Resolution shall be deemed at all times to be a part of such Fund or Account and the income or interest earned by a Fund or Account due to the investment thereof shall be deposited in and credited to that Fund or Account.

In computing the value of any Fund or Account held by the Trustee under the provisions of the Bond Resolution, except the Reserve Fund, obligations purchased as an investment of moneys therein shall be valued at the cost or market price thereof, whichever is lower, exclusive of accrued interest. In computing the value of the Reserve Fund, obligations purchased as an investment of moneys therein shall be valued at par, or if purchased at less than par, at their cost to the Authority.

The Trustee shall continuously invest all amounts deposited in a Capitalized Interest Account for a Series of Bonds in such Investment Obligations (referred to in subparagraphs (a) or (d) of the definition of Investment Obligations) as directed in writing by an Authorized Officer of the Authority until all the interest to be paid from the Capitalized Interest Account has been paid.

Issuance of Additional Obligations

The Authority shall not create or permit the creation of or issue any obligations or create any indebtedness which will be secured by a lien upon or security interest in any rights, claims or interests of the Authority to any levy of taxes for payment of Bonds or in any present or future proceeds of those levies or by a lien upon or security interest in the Debt Service Fund or the Reserve Fund, or which will be payable from those Funds, except that Series of Bonds may be issued from time to time pursuant to a Series Resolution under the Bond Resolution on a parity with the Outstanding Bonds and secured by an equal and ratable charge and payable equally and ratably from the Debt Service Fund and Reserve Fund for any lawful purposes (except that Capitalized Interest Accounts shall be established for paying interest solely on particular Series of Bonds).

No additional Series of Bonds shall be issued under the Bond Resolution unless

(a) the principal amount of the additional Bonds then to be issued, together with the principal amount of the obligations of the Authority theretofore issued and outstanding, will not exceed in aggregate principal amount any limitation imposed by law;

(b) there is at the time of the issuance of such additional Bonds no deficiency in the amounts required by the Bond Resolution or any Series Resolution to be paid into the Capitalized Interest Account for such additional Series of Bonds;

(c) the value of the Reserve Fund, upon the issuance and delivery of such additional Bonds and the depositing in the Reserve Fund of any amount provided so to be deposited by the Series Resolution authorizing the issuance of such additional Bonds, shall not be less than the Reserve Requirement;

(d) the Series Resolution authorizing the issuance of such Series of Bonds shall demand and direct the City Council of the City to levy taxes sufficient to pay the Bonds of that Series as described below under Taxes to Pay Bonds;

(e) the City Council of the City shall have duly adopted a Series Tax Levy Ordinance levying such taxes sufficient to pay the Bonds of that Series;

(f) a certified copy of the Series Tax Levy Ordinance for that Series of Bonds shall have been duly filed in the offices of the clerks and collectors of each county in which any taxable property in the City is located; and

(g) there shall be no maturity of any Serial Bonds or any Sinking Fund Installments on any Term Bonds of any Series on any date as to which interest on Bonds of that Series is to be paid from a Capitalized Interest Account.

Under the Bond Resolution, no Bonds, except refunding Bonds, Bonds to provide deposits to the Reserve Fund or Bonds to pay costs of issuance, shall be issued after December 31, 1984. The Authority reserves the right to issue obligations not under the Bond Resolution which are not payable from taxes levied with respect to Bonds or from the Debt Service Fund or the Reserve Fund.

Taxes to Pay Bonds

Levies. Prior to the issuance of any Series of Bonds, the Authority shall by the Series Resolution authorizing that series of Bonds, demand and direct the City Council of the City to provide by a Series Tax Levy Ordinance for the levy and collection of a direct annual tax upon all taxable property within the City, without limitation as to rate or amount, sufficient to pay and discharge the principal of the Bonds of that Series, at maturity or on Sinking Fund Installment dates, and to pay interest on the Bonds of that Series as it falls due.

The Series Resolution and the Series Tax Levy Ordinance for such Series of Bonds shall specify the amounts of taxes to be levied in each year for the purpose of providing for the payment of the principal of Bonds at maturity or on Sinking Fund Installment dates and for payment of interest on the Bonds as it falls due. The amount of the tax which shall be so specified for the levy provided for each year shall be an amount (which dollar amount shall be stated in the Series Resolution and the related Series Tax Levy Ordinance) sufficient to produce a sum equal to the Debt Service Requirements on that Series of Bonds on December 1 of the year following the year of levy and June 1 of the next succeeding year. No tax need be levied to pay any interest on any Bonds, which interest is to be paid from a Capitalized Interest Account.

The taxes which the Series Resolution shall provide to be collected and which the Series Tax Levy Ordinance shall levy for the purpose of paying and discharging the principal of the Bonds at maturity or on Sinking Fund Installment dates and for the purpose of paying interest on the Bonds as it falls due, and for the purpose of providing money to be deposited in the Reserve Fund pursuant to the Act, shall include the additional amounts provided in this paragraph. These amounts shall be in addition to the dollar amounts specifically required by the preceding paragraph. The additional amounts shall be collected in each year while any of the Bonds are outstanding and unpaid, either as to principal or interest. The additional amount to be levied for each such year (to be extended in the following year) shall be the amount, if any, by which

(a) the cumulative total of Debt Service Requirements on that Series of Bonds through December 1 of such levy year, excluding any interest paid from a Capitalized Interest Account shall have exceeded;

(b) the cumulative total of the collections of all taxes levied as provided by the Series Tax Levy Ordinance with respect to that Series of Bonds for all years up to and through December 1 of such levy year (treating as tax collections the total amount of all such taxes which shall have been abated pursuant to the Bond Resolution with respect to extensions for all years through such December 1).

No later than December 31 of each year, the Trustee shall file in the offices of the county clerks of each county in which any taxable property in the City shall be located a statement of the amount of the taxes which are to be included in the levy for that year, as provided in this paragraph. The failure of the Trustee to file the certificate referred to in the preceding sentence shall not affect the validity of the levy of taxes as provided in this paragraph and, whether or not the Trustee shall file the certificate, the county clerks and collectors of each county in which any taxable property in the City is located shall be directed by the Series Tax Levy Ordinance to cause to be extended all the amounts levied as provided in this paragraph in each year, all as provided in this paragraph.

Upon the filing of copies of the Series Tax Ordinances with the appropriate county clerks in each county in which taxable property in the City is located, it shall be the duty of those county clerks to extend the taxes so levied by the Series Tax Levy Ordinances, all as provided in the Act, the Series Resolutions, the Bond Resolution and the Series Tax Levy Ordinances. Except as specifically provided in the Bond Resolution, the taxes so to be levied as provided in the Bond Resolution shall be computed, extended and collected in the same manner as is now or may subsequently be provided for the computation, extension and collection of ad valorem property taxes in the City generally. The taxes to be levied as provided by the Bond Resolution shall

be extended without limitation as to rate and shall be extended in amounts sufficient to produce the taxes as so levied.

Allowance for Loss. In extending the taxes provided by the Bond Resolution and the Series Resolutions to be levied, and the taxes levied by the Series Tax Levy Ordinances, the county clerks of each county in which any taxable property of the City is located shall include in each year an amount to cover loss and cost of collection and anticipated deferred collections of the taxes so levied. Such amount shall be determined by the Authority pursuant to the Act, the Bond Resolution and the Series Resolutions. The amount so determined by the Authority shall be expressed as a percentage of the amounts of taxes required to be collected in such year as provided by the Act, the Bond Resolution, the Series Resolutions and the Series Tax Levy Ordinances. Each Series Resolution shall determine the amounts so to be included in each extension year as an allowance which the Authority shall reasonably estimate to be needed to cover loss and cost of collection and anticipated deferred collections of such taxes as extended in the collector's books for such year. The amounts so determined shall be based on the actual recent experience of tax collections of levies of taxes in the City, as of the adoption of the Series Resolution, giving account to the time in which levies for any year have been collected.

In December of each year, the Authority must by resolution determine whether to modify the allowance for loss and cost of collection of taxes and anticipated deferred collections for taxes to be extended in any future year or years. A certified copy of any resolution of the Authority modifying the determination of such allowance for loss and cost of collection and anticipated deferred collections shall be filed in the offices of the county clerks of each county in which any taxable property of the City is located prior to December 31 of the year in which the resolution is adopted. The allowance for loss and cost of collection and anticipated deferred collections for any extension of taxes levied with respect to any Series of Bonds for any year shall not in any event be less than the percentage which would have been needed to be added to the total of all property taxes collected in the City for the second full calendar year preceding the year of extension to equal the total of the gross taxes extended in that calendar year. In any event, the Authority shall for each tax levy with respect to each Series of Bonds for each year determine an allowance for loss and cost of collection and anticipated deferred collections of an amount which the Authority shall by resolution find to be sufficient so that the amounts of taxes to be collected will produce the amounts required to be produced pursuant to the Bond Resolution.

Taxes in Addition to Other Taxes. The taxes to be levied as provided in the Bond Resolution, the Series Resolutions and the Series Tax Levy Ordinances shall be in addition to and exclusive of the maximum of all other taxes which the Authority, the Board or the City Council of the City is now, or may hereafter be, authorized by law to levy for any and all purposes. The taxes so to be levied as provided in the Bond Resolution, the Series Resolutions and the Series Tax Levy Ordinances shall be separate and apart from all other taxes of the Authority, the Board and the City and shall be separately identified as such by the proper tax collectors for such taxes.

Lien and Security Interest. While any Bonds remain Outstanding and unpaid, the tax levies to be made as provided by the Bond Resolution, the Series Resolutions and the Series Tax Levy Ordinances shall be for the sole benefit of the Holders of the Outstanding Bonds and the coupons pertaining to such Bonds and such Holders shall have and are granted a security interest in, and a lien upon, all rights, claims and interests of the Authority arising pursuant to those levies and all present and future proceeds of such levies. The security interest in and lien upon those rights, claims and interests are valid and binding from the time the Bonds are issued, without any physical delivery or further act, and shall be valid and binding as against, and prior to any claims of, all other parties having claims, if any, of any kind in contract, tort or otherwise against the State, the Authority, the Board or the City, or any other person, irrespective of whether such other parties have notice of such lien or security interest.

Abatement of Taxes. The Authority will not repeal, abate or reduce the taxes levied pursuant to the Act, the Bond Resolution, any Series Resolution or any Series Tax Levy Ordinance, or otherwise take any action to restrict the extension and collection of those taxes, except that the Authority may take action to cause those taxes to be abated to the following extent:

(a) The Authority may abate any such taxes to the extent that taxes are levied to pay principal of or interest on Bonds which at the time of the abatement shall have been paid or redeemed in full as to both principal and interest or for the payment or redemption of which provision shall have been made as provided in the Bond Resolution;

(b) The Authority may abate any such taxes as provided from excess amounts in the Principal and Interest Account as described above under Debt Service Fund.

Other Covenants

Among other covenants made by the Authority in the Bond Resolution are the following:

No Other Lien. The Authority will not assign, pledge, grant a security interest in or lien upon any of its rights, claims or interests arising pursuant to any levy of taxes made pursuant to the Bond Resolution with respect to the Bonds or in any present or future proceeds of such levies or in any Fund or Account created or established by the Bond Resolution or any Series Resolution, except as provided by the Bond Resolution for the payment of principal, redemption price or interest on the Bonds.

Capitalized Interest. Each Series Resolution authorizing any Series of Bonds shall determine the interest payment dates on which interest from the Bonds of that Series shall be paid from a Capitalized Interest Account for that Series of Bonds. All interest payable on any interest payment date on or prior to the June 1 of the year succeeding the year of the first levy of taxes with respect to the Series of Bonds shall be paid from a Capitalized Interest Account (except, with respect to a Series of Bonds issued to refund Outstanding Bonds, to the extent that taxes levied for the Outstanding Bonds being refunded will be available for payment of interest on the refunding Bonds). Upon the issuance of any Series of Bonds there shall be deposited into the Capitalized Interest Account for that Series of Bonds, from the proceeds of that Series, an amount as shall be sufficient to purchase Investment Obligations (of the type described in subparagraph (a) or (d) of the definition of Investment Obligations) as shall be designated in writing to the Trustee by an Authorized Officer of the Authority, the principal of and interest on which, when due, will provide money which shall be sufficient to pay interest on the Bonds of that Series in the amounts and on the interest payment dates on which interest is to be paid from the Capitalized Interest Account, as specified in the Series Resolution for that Series of Bonds.

Arbitrage. The Authority will not use or invest any proceeds of the sale of any of the Bonds or any other funds in any manner which would cause any Bonds to be "arbitrage bonds" within the meaning of Section 103(c) of the United States Internal Revenue Code of 1954, as amended, and any lawful regulations promulgated under that Section.

Application of Taxes, Funds and Accounts. The Authority shall faithfully apply pursuant to the terms of the Bond Resolution all proceeds of taxes levied with respect to the Bonds and all moneys and Investment Obligations in the Debt Service Fund and the Reserve Fund.

Modification of Bond Resolution

The Bond Resolution includes provisions by which the Authority may, by Supplemental Resolution, modify the Bond Resolution or any Series Resolution without the consent of Bondholders in order to further secure or provide for payment of Bonds or to impose further limitations on or surrender rights of the Authority.

Other than these modifications and, with the consent of the Trustee, modifications to correct ambiguities, defects or inconsistent provisions, the Bond Resolution may not be amended while any Bonds are Outstanding.

Defeasance

If the Authority shall pay or cause to be paid, or there shall otherwise be paid, to the Holders of the Bonds and coupons then Outstanding, the principal and interest and redemption price, if any, to become due thereon, at the times and in the manner stipulated in the Bonds, the Bond Resolution and the Series

Bonds or coupons for the payment or redemption of which moneys shall have been set aside and shall be held in trust by the Trustee or the Paying Agents (through deposit by the Authority of funds for such payment or redemption or otherwise), whether at or prior to the maturity or the redemption date of such Bonds, shall be deemed to have been paid within the meaning and with the effect expressed in the paragraph above. All Outstanding Bonds of any Series and all coupons pertaining to such Bonds shall, prior to the maturity or redemption date thereof, be deemed to have been paid within the meaning and with the effect expressed in the paragraph above if there shall have been deposited with the Trustee or Paying Agents either moneys in an amount which shall be sufficient, or Investment Obligations the principal of and interest on which when due will provide moneys which, when added to the moneys, if any, deposited with the Trustee or Paying Agents at the same time, shall be sufficient to pay when due the principal or redemption price, if applicable, and interest due and to become due on those Bonds on and prior to the redemption date or maturity date thereof, as the case may be, and the Authority shall have given the Trustee irrevocable instructions to publish notice of redemption of such Bonds as provided in the Bond Resolution. Neither Investment Obligations nor moneys deposited with the Trustee nor principal or interest payments on any such Investment Obligations shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal or redemption price, if applicable, and interest on those Bonds

For purposes of defeasance of Bonds, Investment Obligations means only direct obligations of the United States of America.

FEDERAL BANKRUPTCY

Under present provisions of the Federal bankruptcy law, political subdivisions and public agencies or instrumentalities of a state may under certain circumstances file a bankruptcy petition. Any such entity having filed a petition must file a plan to adjust its debts. Such a plan would become effective only upon the confirmation of the bankruptcy court, which must determine that the plan is in the best interests of the creditors and is feasible.

The Board is not an obligor on the Bonds and their repayment is in no way dependent upon the credit of or any action taken by or affecting the Board. There can be no assurance that the filing of a petition in bankruptcy with respect to the Board, or other financial developments with respect to the Board, will not affect the market price or marketability of the Refunding Series Bonds.

In the opinion of Bond Counsel:

> The City, the Board, or any creditor of the City or Board, has no right, including in any proceeding under present Federal bankruptcy law, or otherwise, to any taxes levied for payment of Bonds or to any amounts in the Debt Service Fund or the Reserve Fund, while the Refunding Series Bonds are outstanding and unpaid.

LITIGATION

There is no action, proceeding or litigation pending or, to the knowledge of the Authority, threatened, in any way contesting or affecting the issuance, sale, execution or delivery of the Refunding Series Bonds or the validity or enforceability of the Refunding Series Bonds or the security therefor, or the legal existence or powers of the Authority or the title of the Directors or officers of the Authority to their respective offices, or seeking to restrain or enjoin the issuance, execution, sale or delivery of the Refunding Series Bonds. Upon delivery of the Refunding Series Bonds, the Authority will furnish a certificate to the effect that no such litigation is then pending or, to its knowledge, threatened.

Any such downward change in or withdrawal of either such rating may have an adverse effect on the market prices of the Refunding Series Bonds.

UNDERWRITING

The Refunding Series Bonds have been sold at public sale by the Authority to a successful bidder that is Senior Manager for the several Underwriters, and the successful bidder has agreed, subject to certain conditions, to purchase the Refunding Series Bonds at an aggregate discount of % from the several Underwriters' initial public offering prices set forth on the Cover Page to this Official Statement.

We have examined a certified copy of the record of proceedings of the Chicago School Finance Authority (the "Authority"), together with various accompanying certificates, pertaining to the issuance by the Authority of $194,195,000 aggregate principal amount of its General Obligation School Assistance Bonds, Refunding Series ; 1985) ; the "Refunding Series Bonds"). The Refunding Series Bonds are issuable solely in fully registered form without coupons in denominations of $5,000 or integral multiples of that amount. Refunding Series Bonds are subject to redemption prior to their maturity as provided in the Refunding Series Bonds.

Interest on the Refunding Series Bonds is payable semiannually on June 1 and December 1 of each year, with the first interest payment date being June 1, 1986.

Based upon this examination, we are of the opinion that:

1. The Authority is a legally existing body corporate and politic and unit of local government of the State of Illinois (the "State").

2. The Authority has the legal right and power to adopt the Bond Resolution, the Refunding Series Resolution and the Supplement to the Refunding Series Resolution. Those Resolutions have been duly and lawfully adopted by the Authority, are in full force and effect, are valid and binding upon the Authority and are enforceable in accordance with their terms, except as their enforceability may be limited by bankruptcy or other similiar laws affecting the enforceability of creditors' rights generally (in connection with a proceeding under such laws with respect to the Authority). We express no opinion as to whether mandamus or specific forms of equitable relief would be granted in a particular case.

3. The City Council has the legal right and power to adopt the Refunding Series Tax Levy Ordinance and the Prior Tax Levy Ordinances. Those Ordinances have each been duly and lawfully adopted by the City Council, are in full force and effect and are valid and binding in accordance with their terms.

4. The Refunding Series Tax Levy Ordinance, the Refunding Series Resolution and the Supplement to the Refunding Series Resolution conform to the requirements of the Bond Resolution for tax levy ordinances and series resolutions.

5. The Refunding Series Bonds have been duly and validly authorized by the Authority and issued in accordance with law, including the School Finance Authority Act of the State, as amended to the date of this letter (the "Act"), and in accordance with the Bond Resolution, the Refunding Series Resolution and the Supplement to the Refunding Series Resolution.

6. The Refunding Series Bonds are the valid and legally binding general obligations of the Authority as provided in the Bond Resolution, the Refunding Series Resolution, the Supplement to the Refunding Series Resolution and the Act, are entitled to the benefits of the Bond Resolution and of the Act, and are enforceable in accordance with their terms, except as their enforceability may be limited by bankruptcy or other similar laws affecting the enforceability of creditors' rights generally (in connection with a proceeding under such laws with respect to the Authority). We express no opinion as to whether mandamus or specific forms of equitable relief would be granted in a particular case. The full faith and credit of the Authority are pledged to the payment of the principal of the Refunding Series Bonds at maturity or on sinking fund installment dates and to the payment of the interest on the Refunding Series Bonds as it falls due.

7. The Refunding Series Bonds, together with the Authority's presently Outstanding Bonds (as defined in the Bond Resolution) (the "Outstanding Bonds") and any additional bonds which subsequently may be issued under the Bond Resolution (together, the "Bonds"), will be payable from ad valorem property taxes levied or to be levied against all taxable property in the City, without limitation as to rate or amount, to pay the principal of the Bonds at maturity or on sinking fund installment dates and to pay interest on the Bonds as it falls due. Taxes sufficient so to pay the Outstanding Bonds and the Refunding Series Bonds (other than interest to be paid from a Capitalized Interest Account) have been duly levied. No additional Bonds may be issued under the Bond Resolution unless taxes sufficient so to pay those additional Bonds shall have been levied. Pursuant to the Act, those taxes so levied or to be levied to pay Bonds shall be for the sole benefit of the holders of the Bonds.

8. The county collectors of each county in which any taxable property in the City is located are legally required to pay all taxes levied for payment of Bonds, when collected, directly to the Trustee for the Bonds under the Bond Resolution. The Bond Resolution legally and validly creates a Debt Service

Fund (the "Debt Service Fund") and a Debt Service Reserve Fund (the "Reserve Fund") for the Bonds. The Refunding Series Bonds are secured by a lien upon and security interest in all rights, claims and interests of the Authority in all taxes levied for payment of the Bonds and all proceeds of those taxes and by a lien upon and security interest in amounts in the Debt Service Fund (other than amounts, if any, in Capitalized Interest Accounts for Bonds other than the Refunding Series Bonds) and in the Reserve Fund. Those liens and security interests are valid and legally binding, except as may be limited by Federal bankruptcy law (in connection with a proceeding under that law with respect to the Authority) and are enforceable in accordance with their terms, except as their enforceability may be limited by bankruptcy or other similar laws affecting the enforceability of creditors' rights generally (in connection with a proceeding under such laws with respect to the Authority). We express no opinion as to whether mandamus or specific forms of equitable relief would be granted in a particular case.

9. The Refunding Series Bonds are payable solely from the levy of taxes to pay Bonds, from proceeds of Bonds deposited in the Debt Service Fund (other than amounts, if any, in Capitalized Interest Accounts for Bonds other than the Refunding Series Bonds) and in the Reserve Fund, from any amounts deposited in the Debt Service Fund from the Working Cash Fund, the School Construction Fund, the School Rehabilitation Fund or the Administrative Fund established by the Bond Resolution, and from investment earnings on the Debt Service Fund and the Reserve Fund. Nothing in the Bond Resolution, the Refunding Series Resolution or the Supplement to the Refunding Series Resolution prohibits the use for payment of Refunding Series Bonds of any funds which lawfully may be used for that purpose.

10. The Refunding Series Bonds are not obligations of the City, the Board of Education of the City of Chicago (the "Board"), or the State. The City, the Board, and the State are not directly or indirectly or contingently obligated to pay principal of or interest on the Refunding Series Bonds.

11. The Refunding Series Bonds will be on a parity with the Outstanding Bonds and any additional Bonds which subsequently may be issued under the Bond Resolution with respect to the lien upon and security interest in taxes of the Authority and with respect to the lien upon and security interest in the amounts in the Debt Service Fund (other than amounts in Capitalized Interest Accounts) and in the Reserve Fund.

12. The City, the Board, or any creditor of the City or Board, has no right, including in any proceeding under present Federal bankruptcy law, or otherwise, to any taxes levied for payment of Bonds or to any amounts in the Debt Service Fund or the Reserve Fund, while the Refunding Series Bonds are outstanding and unpaid.

13. Interest on the Refunding Series Bonds is exempt from Federal income taxes under present law.

We have also examined executed Refunding Series Bond number RSR-1 and, in our opinion, the form of that Bond and its execution and authentication conform to requirements of the Bond Resolution, the Refunding Series Resolution and the Supplement to the Refunding Series Resolution.

Appendix B

ECONOMIC AND SOCIAL FACTORS

This Appendix presents information regarding certain of the major economic and social factors affecting the Chicago area.

The data set forth herein has been extracted from current sources. Those sources of information are indicated in the text or immediately following the charts and tables. Although the Authority considers the sources to be reliable, the Authority has made no independent verification of the information presented herein and does not warrant its accuracy.

The boundaries of the Authority are coterminous with the boundaries of the City of Chicago. Certain information, such as employment figures, is reported for the City but not for the Authority and for this reason information on the City is presented below.

General Information

The City of Chicago is located in northeastern Illinois encompassing an area of 228.1 square miles with a resident population of three million people. Incorporated as a city on March 4, 1837, Chicago developed as a major commercial, financial, industrial and transportation center.

The City is the industrial and commercial hub of the Chicago Consolidated Metropolitan Statistical Area (CMSA)—a 5,680 square mile area that includes Cook, DuPage, Grundy, Kane, Kendall, Lake, McHenry and Will Counties, Illinois; Lake and Porter Counties, Indiana; and Kenosha County, Wisconsin. With a population of nearly 8 million and total personal income of $102 billion, this is the third largest CMSA in the nation.

Its midwest location makes Chicago a central transportation and economic center for the nation. The City is the largest trucking center in the U.S., has the busiest U.S. airport and is a major rail and port link. Chicago is the headquarters of 45 of the Fortune 500 largest industrial corporations. The City is a domestic and international commodities and options trading center through the Chicago Board of Trade, the Chicago Mercantile Exchange and the Chicago Board Options Exchange. The Midwest Stock Exchange is also located in Chicago.

The Chicago area's cultural and artistic activity is exemplified by the Lyric Opera, the Chicago Symphony Orchestra, the Art Institute of Chicago, the Museum of Science and Industry, the Field Museum of Natural History, plus numerous colleges and universities including the University of Chicago, Northwestern University, two campuses of the University of Illinois, Loyola University and DePaul University.

Data Presentation

Redefinitions of the metropolitan areas of the United States, adopted by the federal government in 1983, have produced massive data problems, particularly in the instance of time series analysis. As mentioned above, the Chicago Consolidated Metropolitan Statistical Area includes counties in Illinois, Indiana, and Wisconsin. The Illinois portion of the CMSA, under the new definitions, consists of four Primary Metropolitan Statistical Areas: the Chicago PMSA—Cook, DuPage and McHenry counties; the Aurora-Elgin PMSA—Kane and Kendall counties; the Joliet PMSA—Will and Grundy counties, and the Lake County PMSA. This differs from the old Chicago Standard Metropolitan Statistical Area ("SMSA") because of the addition of Kendall and Grundy counties.

Data for the Chicago CMSA in the following tables include *only* the eight Illinois Counties, unless otherwise indicated. Since historical data for Kendall and Grundy Counties are not available, no comparisons with years prior to 1983 are possible at this time.

Appendix E

Specimen of Bond Insurance Policy

A Series Resolution Authorizing the Issuance of $200,000,000 Chicago School Finance Authority General Obligation School Assistance Bonds, Refunding Series (1985)

ARTICLE I

Authority and Definitions

101. *Refunding Series Resolution and Bond Resolution.* This Series Resolution (the "Refunding Series Resolution") is adopted in accordance with the provisions of the School Assistance Bond Resolution of the Authority, adopted April 29, 1980, as supplemented by the Authority on December 9, 1980 and on November 13, 1984 (the "Bond Resolution"), and pursuant to the authority contained in the Act, as amended to the date of this Refunding Series Resolution.

102. *Definitions.* (1) All terms which are defined in Article I of the Bond Resolution shall have the same meanings, respectively, in this Refunding Series Resolution as such terms are given in Article I of the Bond Resolution.

(2) In this Refunding Series Resolution, the following terms shall have the following meanings:

(a) "Refunded Bonds" means the Authority's General Obligation School Assistance Bonds, Series C and Series D, maturing in each case after June 1, 1990, or such portion of those Bonds as determined by the Supplemental Resolution, which are to be refunded pursuant to this Refunding Series Resolution.

(b) "Refunding Series Bonds" means the General Obligation School Assistance Bonds authorized by Article II of this Refunding Series Resolution.

(c) "Refunding Series Resolution" means this Resolution.

(d) "Refunding Series Tax Levy Ordinance" means the ordinance which is to be adopted pursuant to Section 503 of this Refunding Series Resolution.

(e) "Supplemental Resolution" means the resolution which is to be adopted awarding sale of the Refunding Series Bonds and supplementing this Refunding Series Resolution, as provided in Section 209 of this Refunding Series Resolution.

103. *Findings.* It is found and declared as follows:

(a) The Board of Directors of the Authority, by the Bond Resolution, has created and established an issue of General Obligation School Assistance Bonds of the Authority.

(b) The Bond Resolution authorizes the issuance of General Obligation School Assistance Bonds in one or more Series pursuant to Series Resolutions authorizing Series of Bonds. The Bond Resolution authorizes the Authority to issue Bonds to refund outstanding Series of Bonds or portions of such Series.

(c) The Refunded Bonds constitute parts of Series of Bonds originally issued for the purpose of providing moneys to the Authority to enable it to carry out certain of its purposes. The issuance of Refunding Series Bonds to refund the Refunded Bonds, as provided in this Refunding Series Resolution and the Supplemental Resolution, will provide substantial net present value debt service savings to the Authority by reason of interest rates now prevailing in the municipal bond market which are lower than those on the Refunded Bonds. It is in the best interests of the Authority for the Authority to issue at this time a Series of Bonds to be designated "General Obligation School Assistance Bonds, Refunding Series (1985)," to refund the Refunded Bonds. It is in the best interests of the Authority to apply proceeds of the Refunding Series Bonds, as provided in this Refunding Series Resolution, to redeem the Refunded Bonds on June 1, 1990 and to pay interest on the Refunded Bonds through that date and for the other purposes provided in this Refunding Series Resolution.

(d) It is necessary and in the best interests of the Authority and the public for the Authority to borrow the sum of not to exceed $200,000,000 and in evidence of its obligation to repay that borrowing to issue the Refunding Series Bonds, as provided in this Refunding Series Resolution and the Supplemental Resolution, and for the Authority to use the amounts received from the sale of the Refunding Series Bonds as provided in this Refunding Series Resolution.

(e) The Authority has been advised by its financial advisor that the purchase of municipal bond insurance on the Refunding Series Bonds is likely to result in a reduction in the present value of debt service

on the Refunding Series Bonds, even with the premium on the insurance being treated as interest. It is in the best interests of the Authority and the public for the Authority to investigate and consider the purchase of a policy of bond insurance and to purchase such policy of bond insurance if it is available and at an acceptable premium; such policy to be provided by a bond insurance company or association designated in the Supplemental Resolution.

(f) It is necessary and in the best interests of the Authority and the public for the Authority to demand and direct the City Council of the City to provide by ordinance for the levy and collection of direct annual taxes sufficient to pay the principal of and interest on the Refunding Series Bonds, all as provided in the Act, the Bond Resolution, this Refunding Series Resolution and the Supplemental Resolution, and for the Authority to determine an amount for loss and cost of collection of taxes and anticipated deferred collections of taxes, as extended on the collectors' books, all as provided in the Act, the Bond Resolution and this Refunding Series Resolution.

(g) The interest cost to the Authority of the proceeds of the Refunding Series Bonds, (taking into account the discount on their purchase price and the interest rates to be specified in the Supplemental Resolution, and treating any municipal bond insurance premium as interest on the Bonds), computed to stated maturity according to standard tables of bond values shall not exceed 125% of the 20 G.O. Bond Index published by The Bond Buyer most recently before the adoption of the Supplemental Resolution.

ARTICLE II

Authorization of Refunding Series Bonds

201. *Principal Amount, Designation and Series.* Pursuant to the provisions of the Bond Resolution, a Series of Bonds is authorized in the aggregate principal amount of $200,000,000. Those Bonds shall be designated as General Obligation School Assistance Bonds, Refunding Series (1985).

202. *Purposes.* The purposes for which the Refunding Series Bonds are being issued are (i) to provide for the refunding of the Refunded Bonds by redeeming the Refunded Bonds on June 1, 1990 and paying interest on the Refunded Bonds through that date; (ii) to establish and pay into a Cost of Issuance Account with respect to the Refunding Series Bonds an amount to pay Costs of Issuance of the Refunding Series Bonds, including but not limited to, the payment of the premium for bond insurance on the Refunding Series Bonds, if any, and (iii) to pay into the Debt Service Fund, to the credit of the Redemption Account, available amounts to provide for the redemption of a portion of Bonds on June 1, 1990.

204. *Sinking Fund Installments.* The amounts and due dates of Sinking Fund Installments for the Refunding Series Bonds which are Term Bonds shall be as set forth in the Supplemental Resolution.

The total principal amount of any Refunding Series Bonds of any maturity which shall have been redeemed by the Authority pursuant to optional redemption provisions or which shall have been purchased by the Trustee pursuant to paragraph (10) of Section 601 of the Bond Resolution shall be a credit against and reduction of any Sinking Fund Installments for the Refunding Series Bonds of that maturity in inverse order of those Sinking Fund Installments.

205. *Interest Payments.* The Refunding Series Bonds shall bear interest from their dates until paid, payable semiannually on June 1 and December 1 of each year, with the first interest payment date being June 1, 1986. 206. *Denominations, Numbers and Letters.* The Refunding Series Bonds will be issued in denominations of $5,000 or integral multiples of that amount not exceeding the aggregate principal amount of Refunding Series Bonds maturing in the year of maturity from which the denomination is to be specified for

Refunding Series Bonds in fully registered form. The Refunding Series Bonds shall be lettered RSR and shall be numbered from one (1) consecutively upwards.

207. *Places of Payment.* The principal and Redemption Price of all Refunding Series Bonds shall be payable at the corporate trust office of the First National Bank of Chicago, in the City of Chicago, Illinois, as Trustee. The Trustee shall be considered the paying agent for the Refunding Series Bonds. Interest on the Refunding Series Bonds shall be payable by check mailed by the Trustee to the Holders of those Bonds at their addresses as shown on the registration books of the Authority maintained at the Trustee. The interest payable on Refunding Series Bonds on each interest payment date will be paid to the persons in whose names they are registered at the close of business on the applicable record date (the May 15 or November 15, as the case may be, next preceding the interest payment date).

208. *Redemption Prices, Notice and Terms.* (a) The Refunding Series Bonds maturing on or after June 1, 1996, shall be subject to redemption at the option of the Authority, in whole or in part, on any interest payment date occuring on or after June 1, 1995, in the inverse order of maturity and within a maturity by lot, at the respective Redemption Prices (expressed as percentages of the principal amount of the Refunding Series Bonds or portions of Refunding Series Bonds to be redeemed) set forth below, plus in each case accrued interest to the date of redemption:

Redemption Dates	Redemption Prices
On June 1, 1995, through May 31, 1996	102%
On June 1, 1996, through May 31, 1997	101½
On June 1, 1997, through May 31, 1998	101
On June 1, 1998, through May 31, 1999	100½

(b) The Refunding Series Bonds which are designated by the Supplemental Resolution as Term Bonds shall be subject to mandatory redemption, pursuant to Sinking Fund Installments, by lot on June 1 in the years and in the amounts as set forth in the Supplemental Resolution at a price equal to their principal amount plus accrued interest to the date of redemption, without premium.

(c) Notice of optional or mandatory redemption shall be given as provided in the form of Refunding Series Bond and need not be given by publication.

209. *Sale of Refunding Series Bonds.* As provided in the form of Notice of Sale described below, the Refunding Series Bonds shall be sold in one or more blocks in the amounts as specified in the Supplemental Resolution.

(a) The Authority shall advertise for proposals to purchase the Refunding Series Bonds in such amount or amounts, up to the principal amount of Refunding Series Bonds authorized by this Refunding Series Resolution, as shall be determined by the Chairman or other Authorized Officer. Those advertisements shall appear in a daily newspaper published in the City, and in a daily newspaper published in the City of Springfield, Illinois. Each of those advertisements shall be published not less than ten days prior to the date for the opening of the bids for the Refunding Series Bonds. That date shall be established by the Chairman or other Authorized Officer. In addition, the Authority shall cause there to be distributed to prospective purchasers of the Refunding Series Bonds a Preliminary Official Statement and a Notice of Sale and Official Bid Form, each pertaining to the Refunding Series Bonds and substantially in the form attached to this Refunding Series Resolution as Exhibits A and B, respectively, with such changes therein, including without limitation the specification of all amounts or sums therein as shall be approved by the Chairman or other Authorized Officer.

(b) Upon the receipt of bids for the Refunding Series Bonds, the Authority may accept a bid for some or all of them or may reject all bids. If the Authority determines to accept a bid for some or all of the Refunding Series Bonds, it shall adopt a Supplemental Resolution awarding the sale of the Refunding Series Bonds in the principal amount to be issued and providing the various details with respect to them as provided in this Refunding Series Resolution. In addition, the Supplemental Resolution shall provide which block or blocks of Refunding Series Bonds shall be sold and delivered and shall provide the principal amounts and

maturities of the Refunded Bonds. The Authority shall not sell any Refunding Series Bonds unless it shall, pursuant to the Supplemental Resolution, determine that the refunding, as contemplated by this Refunding Series Resolution and the Supplemental Resolution, shall result in net present value debt service savings to the Authority. If the Authority shall determine not to sell any Refunding Series Bonds, such determination shall be set forth in the Supplemental Resolution and, in such event, no details as to the Refunding Series Bonds shall be provided in the Supplemental Resolution.

ARTICLE III

Disposition of Refunding Series Bond Proceeds

301. *Escrow Account.*

(a) The Authority shall establish an escrow account (the "Escrow Account") with the Trustee, as escrow trustee (the "Escrow Trustee"). The Authority shall enter into an agreement (the "Escrow Agreement") with the Escrow Trustee in substantially the form of Exhibit C to this Refunding Series Resolution, with such changes therein, including, without limitation, the specification of all amounts or sums therein as shall be approved by the Chairman or other Authorized Officer. The Chairman, Treasurer or other Authorized Officer of the Authority is authorized and directed to execute the Escrow Agreement on behalf of and in the name of the Authority.

(b) There shall be deposited into the Escrow Account an amount sufficient to purchase Investment Obligations, as provided in paragraph (c) of this Section, and to provide for an initial cash balance, such that the principal and interest payable on those Investment Obligations when due, together with the initial cash balance on hand in the Escrow Account will be sufficient, without any consideration of reinvestment, to pay the Redemption Price on the Refunded Bonds on June 1, 1990, and to pay when due the interest coming due on the Refunded Bonds from June 1, 1986, through June 1, 1990. The amounts so deposited shall be irrevocably set aside and held in trust in the Escrow Account to be used solely for those purposes, subject to the release of any excess funds to the Trustee pursuant to the Escrow Agreement. Any such released amounts shall be deposited in the Debt Service Fund to the credit of the Principal and Interest Account.

(c) Except for the initial cash balance, the amounts deposited in the Escrow Account shall be used to purchase United States Treasury Obligations, State and Local Government Series. Those Investment Obligations shall be limited in yield so as not to exceed the yield on the Refunding Series Bonds by an amount greater than that allowed by the applicable United States Treasury Regulations. The Treasurer or other Authorized Officer of the Authority is authorized and directed to instruct the Escrow Trustee as to the proper Investment Obligations so to be acquired consistent with this paragraph, which Investment Obligations shall be set forth as a Schedule to the Escrow Agreement.

(d) The Trustee is irrevocably instructed to cause notice of redemption of the Refunded Bonds to be published or given to the Holders of the Refunded Bonds as provided in the Bond Resolution, and to redeem the Refunded Bonds as provided in paragraph (b) of this Section. The Trustee is also irrevocably instructed to cause notice to be given, as provided in the Bond Resolution, of the provision for payment of the Refunded Bonds. The Refunded Bonds shall be redeemed on June 1, 1990.

(e) All amounts deposited in the Escrow Account are appropriated for the purposes specified in this Refunding Series Resolution.

302. *Cost of Issuance Account; Purchase of Municipal Bond Insurance.* There is created and established a separate account to be deposited with and held by the Trustee, pursuant to Section 503 of the Bond Resolution, and designated the Refunding Series Cost of Issuance Account. Upon receipt of the proceeds of the sale of the Refunding Series Bonds, the Authority shall deposit in the Refunding Series Cost of Issuance Account the sum specified in the Supplemental Resolution. Costs of giving notice of redemption of the Refunded Bonds and fees of the Escrow Trustee may be paid from the Refunding Series Cost of Issuance Account. The Authority may purchase a policy of municipal bond insurance for the Refunding Series Bonds and, if such purchase is made, the bond insurance company or association shall be designated in the Supplemental Resolution, and the Chairman or other Authorized Officer of the Authority is authorized and directed on behalf of the Authority to obtain that insurance and to cause the premium for it to be paid from the Refunding Series Cost of Issuance Account.

303. *Accrued Interest.* All accrued interest received upon the sale of the Refunding Series Bonds shall be deposited in the Debt Service Fund to the credit of the Principal and Interest Account and applied for paying interest on the Bonds on June 1, 1986, as provided in the Bond Resolution.

304. *Redemption Account Deposit.* There shall be deposited in the Debt Service Fund to the credit of the Redemption Account all amounts received upon the sale of the Refunding Series Bonds which are not required to be deposited in the Escrow Account, the Cost of Issuance Account or the Debt Service Fund to the credit of the Principal and Interest Account, as provided in Sections 301, 302 and 303 of this Refunding Series Resolution and in the Supplemental Resolution. All amounts so deposited to the credit of the Redemption Account shall be invested in United States Treasury Obligations, State and Local Goverment Series, maturing not later than June 1, 1990. All interest and principal received on those Investment Obligations shall be reinvested in Investment Obligations of the same character and maturity, or if that is not possible, shall be retained uninvested. All such Investment Obligations shall have a yield not in excess of the yield limit expressed in paragraph (c) of Section 301 of this Refunding Series Resolution. The Treasurer or other Authorized Officer of the Authority is authorized and directed to instruct the Trustee from time to time as to the proper Investment Obligations to be acquired consistent with this Section. All amounts in the Redemption Account derived either from the investment of Investment Obligations or from uninvested deposits, all as described in this Section, shall be used, (i) on June 1, 1990, to redeem, by payment of the applicable Redemption Price plus accrued interest to the date of redemption, or (ii) prior to June 1, 1990, to purchase, at a price not to exceed the applicable Redemption Price, plus accrued interest to the date of purchase, Bonds of the Authority, Series A, B or C, which bear the highest interest rate, as directed by the Authority.

305. *Payment of June 1, 1986, Interest; No Capitalized Interest Account.* Interest payable on June 1, 1986, on the Refunding Series Bonds will be payable from taxes levied for the Refunded Bonds which are available to make such payment. Therefore, no Capitalized Interest Account for the Refunding Series Bonds is required and none is established.

This Bond is one of a duly authorized issue of bonds of the Authority designated "General Obligation School Assistance Bonds" (the "Bonds"), issued and to be issued in various series under and pursuant to the School Finance Authority Act of the State of Illinois, as amended (the "Act"), and under and pursuant to the School Assistance Bond Resolution of the Authority duly adopted April 29, 1980, as supplemented by the Authority on December 9, 1980, November 13, 1984 and October 29, 1985 (the "Bond Resolution"), series resolutions authorizing each such series, and ordinances of the City Council of the City of Chicago levying taxes to pay principal of and interest on the Bonds.

This Bond is one of a series of Bonds designated "General Obligation School Assistance Bonds, Refunding Series (1985)" (the "Refunding Series Bonds"), issued in the aggregate principal amount of $ under the Bond Resolution, a series resolution authorizing the issuance of such series (the "Refunding Series Resolution") and a resolution supplementing the Refunding Series Resolution (the "Supplemental Resolution"). As provided in the Bond Resolution, the Bonds may be issued from time to time pursuant to series resolutions in one or more series, in various principal amounts, may mature at different times, may bear interest at different rates and, subject to the provisions of the Bond Resolution, may otherwise vary. The aggregate principal amount of Bonds which may be issued under the Bond Resolution is not limited except as provided in the Bond Resolution and the Act, as amended from time to time, and all Bonds issued and to be issued under the Bond Resolution are and will be equally and ratably secured by the covenants, liens and security interests made or provided for in the Bond Resolution (except as to any Capitalized Interest Accounts which are established for the purpose of paying interest on particular Series of Bonds).

The Refunding Series Bonds are general obligations of the Authority. To the payment when due of the interest on the Refunding Series Bonds and of the principal of the Refunding Series Bonds, at stated maturity or on sinking fund installment dates, the full faith and credit of the Authority are irrevocably pledged. The Refunding Series Bonds are not obligations of the City of Chicago (the "City"), the Board of Education of the City (the "Board"), the State of Illinois (the "State") or any other political subdivision of the State (other than the Authority) or any charge upon the general credit or against the taxing power of the City, the Board, the State or any other political subdivision of the State (other than the Authority).

The Refunding Series Bonds are issued for the purpose of refunding certain outstanding Bonds as provided by the Act, the Bond Resolution, the Refunding Series Resolution and the Supplemental Resolution. The Refunding Series Bonds have been issued by the Authority upon full payment for the Refunding Series Bonds as provided in the Refunding Series Resolution and the Supplemental Resolution.

The City Council of the City has by duly adopted ordinances levied direct annual taxes upon all taxable property in the City sufficient to pay the interest, not to be paid from capitalized interest accounts, on the outstanding Bonds issued under the Bond Resolution, including the Refunding Series Bonds, as it falls due and to pay the principal of the outstanding Bonds, including the Refunding Series Bonds, at maturity or on sinking fund installment dates. The Refunding Series Bonds, together with the outstanding Bonds issued under the Bond Resolution, are payable solely from taxes levied or to be levied to pay the principal of and interest on such Bonds and from funds and revenues as provided in the Bond Resolution and the series resolutions. Nothing in this Bond or in the Bond Resolution, the Refunding Series Resolution or the Supplemental Resolution prohibits the use for such payment of any funds which lawfully may be used for that purpose.

The issuance by the Authority of the Refunding Series Bonds will not cause the Authority to exceed or violate any applicable limitation or condition regarding the issuance of obligations of the Authority imposed by the Constitution or laws of the State.

Refunding Series Bonds maturing on or after June 1, 1996, are subject to redemption at the option of the Authority, in whole or in part, on any interest payment date occuring on or after June 1, 1995, in the inverse order of maturity and within a maturity by lot, if less than a whole maturity is redeemed, at the respective redemption prices (expressed as percentages of the principal amounts of the Refunding Series Bonds to be redeemed) on the dates, all as set forth below, plus interest accrued on such Refunding Series Bonds to the date fixed for redemption:

Redemption Dates	Redemption Prices
On June 1, 1995, through May 31, 1996	102 %
On June 1, 1996, through May 31, 1997	101½
On June 1, 1997, through May 31, 1998	101
On June 1, 1998, through May 31, 1999	100½
On June 1, 1999, and after that date	100

Refunding Series Bonds maturing after June 1, , are subject to mandatory redemption in part on June 1 in the years and in the amounts of the sinking fund installments for each of such years as set forth in the Refunding Series Resolution and the Supplemental Resolution at their principal amount plus accrued interest, without premium.

Notice of redemption of any of the Refunding Series Bonds shall be given by mailing a copy of the notice, postage prepaid, to the registered owners of the Refunding Series Bonds which are to be redeemed at their last addresses appearing on the Bond Register. The notice shall be mailed not less than thirty nor more than sixty days prior to the date fixed for redemption. The failure of any person to receive the notice shall not affect the validity of the redemption. When any of the Refunding Series Bonds, including this Bond, shall have been called for redemption, and payment made or provided for, interest thereon shall cease to accrue from and after the date so specified.

It is certified and recited that all acts, conditions and things required to be done, to happen, or to be performed precedent to and in the issuance of this Bond, have been done, have happened and have been performed in regular and due form of law. The Authority covenants with the holder of this Bond that it will keep and perform all covenants and agreements contained in the Bond Resolution, the Refunding Series Resolution and the Supplemental Resolution.

This Bond is transferable by the registered owner of this Bond in person or by such owner's attorney duly authorized in writing at the principal office of The First National Bank of Chicago, in Chicago, Illinois, as Bond Registrar, but only in the manner, subject to the limitations and upon payment of the charges provided in the Bond Resolution, and upon surrender and cancellation of this Bond.

The Authority and the Trustee may deem and treat the registered holder as the absolute owner of this Bond (whether or not this Bond shall be overdue) for the purpose of receiving payment of or on account of principal of this Bond and the redemption price, if any, and interest due on this Bond and for all other purposes and neither the Authority nor the Trustee shall be affected by any notice to the contrary.

The Refunding Series Bonds are issuable only in fully registered form without coupons in denominations of $5,000 or integral multiples of that sum. The Refunding Series Bonds are not registrable to bearer. Subject to the limitations and upon payment of the charges provided in the Bond Resolution, Refunding Series Bonds in fully registered form may be exchanged for a like aggregate principal amount of Refunding Series Bonds in fully registered form of other authorized denominations.

This Bond shall not be valid for any purpose until the certificate of authentication on this Bond shall have been executed by the Trustee.

IN WITNESS WHEREOF, the Authority has caused this Bond to be executed by the facsimile signatures of its Chairman and Secretary, its corporate seal to be affixed to this Bond (or a facsimile of the seal printed on this Bond), this Bond being dated as of the Date of Bond specified forth above.

(b) There shall not be sold and delivered Refunding Series Bonds which shall have principal and interest due in the various periods as described in this Section in excess of the various amounts set forth above for each of such periods. The Supplemental Resolution shall specify (i) the exact amounts which the tax levies shall be required to produce for each of the various periods, which amounts shall not be greater in any

period than the amounts provided above, and (ii) provide for the abatement of taxes which are in excess of such exact amounts; provided that if the Authority shall, as prescribed in Section 209 of this Resolution, determine not to sell any Refunding Series Bonds, the Supplemental Resolution shall provide for the abatement of all the taxes levied by Section 501(a) of this Resolution.

502. *Additional Levy.* The taxes to be collected as provided in this Article V for the purpose of paying the principal of and interest on the Bonds, and for the purpose of providing money to be deposited in the Reserve Fund pursuant to the Act, shall include the additional amounts provided in this Section, in accordance with paragraph (3) of Section 906 of the Bond Resolution. These amounts shall be in addition to the amount specifically set forth in Section 501(a) of this Refunding Series Resolution and not abated by the Supplemental Resolution. The additional amounts provided in this Section shall be levied for each levy year, beginning with the tax levy for levy year 1986, and shall be collected in each year after each such levy year while any of the Refunding Series Bonds are outstanding and unpaid, either as to principal or interest. The additional amount to be levied for each levy year shall be the sum sufficient to produce the amount, if any, by which

(a) the cumulative total of Debt Service Requirements on the Refunding Series Bonds, after June 1, 1986, and through December 1 of such levy year, shall have exceeded

(b) the cumulative total of the collections of all taxes levied as provided by the Refunding Series Tax Levy Ordinance, and not abated by the Supplemental Resolution, with respect to the Refunding Series Bonds (including taxes levied pursuant to this Section) for all years up to and through December 1 of such levy year (treating as tax collections the total amount of all such taxes which shall have been abated, other than by the Supplemental Resolution, pursuant to Section 601 of the Bond Resolution with respect to extensions for all years through such December 1). For purposes of this subsection (b) and the corresponding subsections (b) in the prior Series Resolutions for the Series of Bonds of which the Refunded Bonds are parts, collections, after December 1, 1985, of taxes levied for years prior to 1985 with respect to those prior Series shall be treated as collections of taxes levied with respect to the Refunding Series Bonds and those prior Series of Bonds in proportion to the total debt service in the year of collection on the then Outstanding Bonds of those respective Series of Bonds.

No later than December 31 of each year, beginning in 1986, the Trustee shall file in the offices of the county clerks of each county in which any taxable property in the City is located, a statement, certified by a corporate trust officer of the Trustee, of the amount of the taxes which are to be included in the levy in that year as provided in this Section. The failure of the Trustee to file the certificate referred to in the preceding sentence shall not affect the validity of the levy of taxes as provided in this Section and, whether or not the Trustee shall file the statements, the county clerks and collectors of each county in which any taxable property in the City is located are directed to cause to be extended and collected all the amounts provided to be collected in each year pursuant to this Section. Taxes which have been levied pursuant to the Series Resolutions and Tax Levy Ordinances for the Refunded Bonds for levy years prior to 1985 shall continue to be extended, collected and paid to the Trustee and deposited in the Debt Service Fund.

503. *Direction and Demand to City Council.* Pursuant to the Act, demand is made upon the City Council of the City and the City Council is directed to provide by ordinance for the levy and collection of a direct annual tax upon all taxable property within the City, being the school district named Board of Education of the City of Chicago, without limitation as to rate or amount, sufficient to pay and discharge the principal of the Refunding Series Bonds at maturity or on Sinking Fund Installment dates and to pay the interest on the Refunding Series Bonds as it falls due and to make deposits in the Reserve Fund, and in particular, but not in limitation of the foregoing, sufficient to produce the amounts set out and described in Sections 501(a) and 502 of this Article.

504. *Filing of Tax Levy Ordinance; Extension of Taxes.* After the adoption of this Refunding Series Resolution, the Secretary of the Authority is authorized and directed to file a copy of it, duly certified by or on behalf of the Secretary, with the City Clerk of the City. After the adoption and effectiveness of the Refunding Series Tax Levy Ordinance of the City Council levying the taxes described in this Article, the City Clerk of the City is directed to file copies of that Refunding Series Tax Levy Ordinance, duly certified by or on behalf of that officer, in the office of the County Clerk of each county in which any taxable property in the City is located and in the offices of the County Collectors for those counties. After adoption of the

Supplemental Resolution, the Secretary of the Authority is authorized and directed to file a copy of it duly certified by or on behalf of the Secretary, in the office of the County Clerk of each county in which any taxable property of the City is located and in the offices of the County Collectors for those counties and with City Clerk of the City. Upon the filing of such copies of the Refunding Series Tax Levy Ordinance and the Supplemental Resoulution with those County Clerks, it shall be the duty of those County Clerks to extend the taxes so levied for the payment of the Refunding Series Bonds, all as provided in the Act, the Refunding Series Tax Levy Ordinance, the Bond Resolution, this Refunding Series Resolution and the Supplemental Resolution. Except as specifically provided in the Bond Resolution, this Refunding Series Resolution, the Supplemental Resolution or the Refunding Series Tax Levy Ordinance, the taxes levied as provided in this Refunding Series Resolution shall be computed, extended and collected in the same manner as is now or may subsequently be provided for the computation, extension and collection of *ad valorem* taxes in the City generally. The taxes to be levied as provided by this Refunding Series Resolution shall be extended without limitation as to rate and shall be extended in amounts sufficient to produce the taxes as so levied, subject to abatement as provided in Section 501(b) of this Refunding Series Resolution. After the issuance of the Refunding Series Bonds and provision for payment having been made as provided in the Bond Resolution for the Refunded Bonds, the Authority shall take all needed steps to abate taxes levied pursuant to Section 501 of the Series Resolutions for the Refunded Bonds for levy years 1985 and subsequent, to the extent those taxes are no longer needed to be extended and collected.

505. *Allowance for Loss and Cost of Collection and Anticipated Deferred Collections.* In extending the taxes provided by this Refunding Series Resolution, the Supplemental Resolution and the Refunding Series Tax Levy Ordinance to be levied, the county clerks of each county in which any taxable property in the City is located shall include in each year an amount to cover loss and cost of collection and anticipated deferred collections of the taxes so levied. Such amount is and shall be determined by the Authority pursuant to the Act, the Bond Resolution and this Refunding Series Resolution. The amount so determined by the Authority is and shall be expressed as a percentage of the amounts of taxes required to be collected in each such year as provided by the Bond Resolution, this Refunding Series Resolution,the Supplemental Resolution and the Refunding Series Tax Levy Ordinance. It is determined that the amounts so to be included in extensions as an allowance which the Authority reasonably estimates to be needed to cover loss and cost of collection and anticipated deferred collections of such taxes as extended in the collectors' books is 4.5% of the amount of taxes required to be collected in each extension year, commencing in 1986. These amounts are not less than the percentage which would have been needed to have been added to the total of all property taxes collected in the City in 1984 to equal the total of the gross property taxes in the City extended in 1984. The amounts as so determined are found to be presently sufficient so that the amounts of taxes to be levied and collected will produce the amounts required to be produced pursuant to this Article V.

The amounts in respect of the Refunding Series Bonds determined in this Section 505 for inclusion in the taxes to be extended in any year shall be subject to change as provided in Section 908 of the Bond Resolution.

Each bid, to be considered, must contain a bid for all of the Refunding Series Bonds (Block 1) and for all of the Refunding Series Bonds (Block 2), although the Authority may accept a bid either for both Blocks 1 and 2 together or for Block 1 alone. interest on the School Assistance Bonds as it falls due. The Refunding Series Bonds have no claim for payment other than from taxes levied to pay School Assistance Bonds, from amounts in the Debt Service Fund and the Reserve Fund established by the Bond Resolution, from investment earnings on those Funds and from bond insurance. An ordinance has been adopted by the City Council of the City on November 6, 1985 levying taxes sufficient to pay the principal of and interest on Refunding Series Bonds of the Block or Blocks to be issued (the "Refunding Series Tax Levy Ordinance").

Reference should be made to the Preliminary Official Statement for a description of the security for the Refunding Series Bonds, the taxes levied to pay the School Assistance Bonds (including the Refunding Series Bonds) and the Funds and Accounts established with respect to the School Assistance Bonds.

The Refunding Series Bonds shall not be a debt or liability of, or be secured by a pledge of the full faith and credit of, the State of Illinois, the City, the Board of Education of the City of Chicago (the "Board") or of any other political subdivision of the State (other than the Authority).

Trustee:

The Trustee for the School Assistance Bonds is The First National Bank of Chicago, Three First National Plaza, 10th Floor, Chicago, Illinois 60690. Notices should be directed to the attention of Donna Godin.

Bond Insurance:

The Authority has received a commitment from the for a policy of insurance (the "Bond Insurance Policy") on the Refunding Series Bonds of the Block or Blocks to be issued. The Bond Insurance Policy unconditionally guarantees the timely payment of principal (whether at maturity or on Sinking Fund Installment dates) of and interest on the Refunding Series Bonds.

Purpose:

The Refunding Series Bonds will be issued for the purpose of advance refunding certain of the Authority's outstanding School Assistance Bonds.

Good Faith Deposit:

A certified or cashier's check in the amount of $1,941,950 drawn upon any national banking association in the United States or any bank within the State of Illinois and payable to the order of the Chicago School Finance Authority must accompany each bid as a guarantee of good faith on the part of the bidder. Checks from the unsuccessful bidders will be promptly returned upon the award of the accepted bid. The check of the successful bidder will be held uncashed by the Authority and will be returned to the successful bidder at the time of delivery of the Refunding Series Bonds. Should the Authority determine to issue the Refunding Series Bonds only of Block 1 the Authority will, upon the request of the successful bidder, exchange the good faith check of the successful bidder for a new good faith check of similar nature but in the amount of $887,750. If such bidder fails to take up and pay for the Refunding Series Bonds of the Block or Blocks to be issued when they are ready for delivery for any reason not expressly permitted by this Notice of Sale, the check of the successful bidder shall be cashed and the good faith deposit shall be forfeited as liquidated damages to the Authority and in full satisfaction of any claims of the Authority against the successful bidder relating to the Refunding Series Bonds of the Block or Blocks to be issued.

Acceptance of Bid:

For the purpose of determining the winning bid for the Refunding Series Bonds (whether the Authority determines to issue Block 1 alone or both Blocks 1 and 2), the interest cost of each bid for the Block or Blocks to be issued will be computed by determining the True Interest Cost ("TIC") to the Authority (Canadian method) on the Refunding Series Bonds of the Block or Blocks to be issued from November 15, 1985, to maturity in the case of Serial Bonds, and to Sinking Fund Installment dates in the case of Term Bonds, taking into account the purchase price of the Refunding Series Bonds of the Block or Blocks to be issued. The Refunding Series Bonds will be awarded to the bidder whose bid on the above computation produces the lowest TIC to the Authority for the Block or Blocks to be issued. Each bidder, for the convenience of the Authority, should supply with its bid the TIC to the Authority, computed in the manner specified above, for

Block 1 alone and for Blocks 1 and 2 combined. The TIC as so supplied is not a part of the bid and is for information purposes only.

The right is reserved to reject any or all bids. The Authority may also, at its sole discretion, waive any irregularity or informality in any bid.

CUSIP:

CUSIP identification numbers will be printed on the Refunding Series Bonds, without cost to the successful bidder, but neither the failure to print that number on any Refunding Series Bonds nor any error with respect to the number shall constitute cause for a failure or refusal by the successful bidder to accept delivery of and pay for the Refunding Series Bonds.

Legal Opinion:

A copy of the approving legal opinion of Isham, Lincoln & Beale, Chicago, Illinois, bond counsel to the Authority, in substantially the form attached to the Preliminary Official Statement, will be printed on each Refunding Series Bond, and the original of the opinion of bond counsel, dated the date of the delivery of the Refunding Series Bonds, will be delivered without expense to the successful bidder at the delivery of the Refunding Series Bonds.

Purchasers' Counsel:

The fees and disbursements of Friedman & Koven, Chicago, Illinois, which is serving as counsel to the purchasers of the Refunding Series Bonds, are to be paid by the successful bidder. The successful bidder shall have no responsibility to Friedman & Koven for such fees and disbursements if either (i) all of the Refunding Series Bonds are not delivered to the successful bidder in accordance with this Notice of Sale by reason of the failure or inability of the Authority (except for any such failure or inability caused by the successful bidder) to issue, sell or deliver all the Refunding Series Bonds or (ii) the successful bidder refuses to accept delivery of all the Refunding Series Bonds for any reason for which, by the express terms of this Notice of Sale, the successful bidder is permitted to refuse to accept all the Refunding Series Bonds. Friedman & Koven will, on request, advise any prospective bidder of the estimated amount of such fees and disbursements to be paid by the successful bidder.

Blue Sky and Legal Investment:

The successful bidder will be furnished with memoranda prepared by Friedman & Koven with respect to (i) the status of the Refunding Series Bonds for sale under the securities or Blue Sky laws of various jurisdictions and (ii) the legality of the Refunding Series Bonds for investment by savings banks, trustees, life insurance companies and other insurance companies in various jurisdictions.

Delivery of Bonds:

ESCROW AGREEMENT

This Escrow Agreement, dated as of November 1, 1985, is by and between the Chicago School Finance Authority (the "Authority") and The First National Bank of Chicago, Chicago, Illinois, as Escrow Trustee (the "Escrow Trustee").

1. Preliminary.

(a) The Authority at present has outstanding its General Obligation School Assistance Bonds, Series C (the "Series C Bonds") and General Obligation School Assistance Bonds, Series D (the "Series D Bonds"), authorized by the Authority's General Obligation School Assistance Bond Resolution (the "Bond Resolution") and its 1980 Series C Resolution (the "Series C Resolution") and 1980 Series D Resolution (the "Series D Resolution"), respectively.

(b) Certain of the Series C Bonds are payable as to principal on June 1 in each of the following years and amounts and bear interest per year at the following rates:

Due June 1	Principal Amount	Interest Rate
2000....	$20,405,000	10.50%
2009....	75,565,000	10.70

(c) Certain of the Series D Bonds are payable as to principal on June 1 in each of the following years and amounts and bear interest per year at the following rates:

Due June 1	Principal Amount	Interest Rate
1991....	$ 1,265,000	11.50%
1998....	14,035,000	12.00
2009....	60,820,000	12.50

(d) The Series C Bonds and the Series D Bonds described in Sections 1(b) and 1(c) of this Agreement are referred to herein as the "Refunded Bonds". The Refunded Bonds are payable as to interest on each June 1 and December 1, to and including their date of maturity or earlier redemption. Principal, redemption premium and interest on the Refunded Bonds is payable at the offices of the Paying Agent (as defined in the Bond Resolution).

(e) The Refunded Bonds are subject to redemption on on June 1, 1990, at the redemption price of 103% of their principal amount, plus accrued interest to such date (the "Redemption Price").

(f) The Authority has determined to provide for (i) payment of the interest on the Refunded Bonds as it becomes due, from the date of this Escrow Agreement through June 1, 1990 (when the Refunded Bonds are to be redeemed) and (ii) payment of the Redemption Price of the Refunded Bonds on June 1, 1990 by depositing with the Escrow Trustee money and investment obligations sufficient to provide for those interest payments and that Redemption Price, all as more fully described in this Escrow Agreement.

2. Creation of Escrow Account.

There is created and established with the Escrow Trustee a special and irrevocable escrow account designated Chicago School Finance Authority Escrow Account #_____ (the "Escrow Account") to be held in the custody of the Escrow

Trustee. The Escrow Account shall be held as a trust fund for the benefit of the holders of the Refunded Bonds, separate and apart from other funds of the Authority or the Trustee (as defined in the Bond Resolution) or the Escrow Trustee, all as provided in this Escrow Agreement.

3. Deposits in and Transfers from Escrow Account.

(a) Concurrently with the execution of this Escrow Agreement, the Authority is depositing with the Escrow Trustee, for deposit in the Escrow Account, the investment obligations listed in Schedule 1 to this Escrow Agreement (the "Investment Obligations") together with money (the "Initial Cash") in the amount of $_____. The Investment Obligations and the Initial Cash are to be derived from the proceeds of the Authority's General Obligation School Assistance Bonds, Refunding Series Bonds (1985), issued pursuant to the Bond Resolution and to the Authority's Refunding Series Resolution, as supplemented by a Supplemental Resolution (collectively the "Refunding Series Resolution").

(b) All of the Investment Obligations are United States Treasury Securities, State and Local Government Series, which are non-callable, direct obligations of the United States of America. Except as provided in Section 10 of this Agreement, there shall be no right of the Authority or the Escrow Trustee to substitute any obligation for the Investment Obligations. The principal of and interest on those Investment Obligations when due, together with the Initial Cash, will be

sufficient, without reinvestment for (i) payment of the interest on the Refunded Bonds as it becomes due from the date of this Escrow Agreement until the Refunded Bonds are redeemed and (ii) payment of the Redemption Price of the Refunded Bonds on June 1, 1990. The Escrow Trustee acknowledges receipt of the Investment Obligations and the Initial Cash and of irrevocable instructions from the Authority to provide the notice required by the Bond Resolution, the Series C Resolution and the Series D Resolution, of the redemption of the Refunded Bonds on June 1, 1990, as provided in the preceding sentence. The deposit of the Investment Obligations and the Initial Cash constitutes an irrevocable deposit for the benefit of the holders of the Refunded Bonds, subject to Section 4 of this Agreement. Those Investment Obligations and that Initial Cash, together with any income or interest earned thereon while on deposit in the Escrow Account, shall be held in escrow and shall be applied to the payment of the interest and Redemption Price on the Refunded Bonds as follows:

(i) On, or on the business day next preceding, each interest payment date on the Refunded Bonds through June 1, 1990, the Escrow Agent shall pay from the Escrow Account to the Paying Agent an amount equal to the interest on the Refunded Bonds which is payable on that interest payment date (including interest on the Refunded Bonds to be redeemed which is payable upon redemption of those Refunded Bonds); and

(ii) On, or on the business day next preceding, June 1, 1990, the Escrow Trustee shall pay from the Escrow Account to the Paying Agent an amount equal to the Redemption Price of the Refunded Bonds.

Upon those amounts being so applied, any remaining amounts in the Escrow Account shall be paid by the Escrow Agent to the Trustee for deposit in the Debt Service Fund to the credit of the Principal and Interest Account.

4. Payment of the Bonds.

The Escrow Agent acknowledges that it holds in the Escrow Account Investment Obligations the principal of and interest on which when due, together with the Initial Cash presently held in such Account, will be sufficient, without reinvestment, to pay principal of and interest on the Bonds as described in Section 3 above.

5. Payment of Excess Funds to Agency.

To the extent that at any time the Escrow Trustee shall hold in the Escrow Account Investment Obligations or money in excess of the Investment Obligations or the Initial Cash sufficient, without reinvestment, to pay the interest and Redemption Price on the Refunded Bonds, that excess amount shall be paid by the Escrow Agent to the Trustee for deposit in the Debt Service Fund to the credit of the Principal and Interest Account. No such payment shall be made unless the Escrow Trustee shall have received (i) a certificate from an independent certified public accountant, selected by the

Authority, to the effect that the Investment Obligations and the Initial Cash to remain in the Escrow Account will be sufficient, without reinvestment, to pay the interest coming due and the Redemption Price on the Refunded Bonds, as described in Section 3 of this Agreement; and (ii) an opinion of nationally recognized bond counsel, selected by the Authority, to the effect that the payment to the Authority will not cause any bonds of the Authority to become subject to federal income taxation and that provision for the payment of the Refunded Bonds shall continue to have been made within the meaning of the Bond Resolution.

6. Acceptance by Escrow Trustee.

By this Escrow Agreement the Escrow Trustee establishes the Escrow Account and accepts the Initial Cash and Investment Obligations deposited in the Escrow Account by the Authority and agrees to apply that money in accordance with the provisions of this Escrow Agreement. The Escrow Trustee shall to the extent practicable invest cash balances on hand from time to time in the Escrow Account in United States Treasury Certificates of Indebtedness, Notes or Bonds, State and Local Government Series, with a yield (computed in accordance with the actuarial method of computing yield) of 0% and maturing on or as shortly as possible before the next interest payment date on the Refunded Bonds (no more than six months thereafter) so as to be available when required to pay interest and Redemption Price on the Refunded Bonds. To the extent it is not

practicable so to invest cash balances, the Escrow Trustee shall not in any manner invest such cash balances on hand from time to time in the Escrow Account.

7. Liabilities of Agency and Escrow Trustee.

The Authority assumes liability for, and agrees (whether or not any of the transactions contemplated by this Escrow Agreement are consummated) to indemnify, protect, save and keep harmless the Escrow Trustee and its respective successors, assigns, agents and servants from and against, any and all liabilities, obligations, losses, damages, penalties, claims, actions, suits, costs, expenses and disbursements (including legal fees and disbursements) of whatsoever kind and nature which may be imposed on, incurred by, or asserted against, at any time, the Escrow Trustee (whether or not also indemnified against by the Authority or any other person under any other agreement or instrument) and in any way relating to or arising out of the execution and delivery of this Escrow Agreement, the establishment of the Escrow Account, the acceptance of the Investment Obligations and money deposited in the Escrow Account, the purchase, sale or retention of securities or the proceeds of those Investment Obligations or any payment, transfer or other application of money or securities by the Escrow Trustee in accordance with the provisions of this Escrow Agreement; provided, however, that the Authority shall not be required to indemnify the Escrow Trustee against its own gross negligence or willful misconduct. In no event shall the

Authority be liable to any person by reason of the transactions contemplated by this Escrow Agreement other than to the Escrow Trustee as set forth in this section. The indemnities contained in this section shall survive the termination of this Escrow Agreement.

The Escrow Trustee and its respective successors, assigns, agents and servants shall not be held to any personal liability whatsoever, in tort, contract or otherwise, in connection with the execution and delivery of this Escrow Agreement, the establishment of the Escrow Account, the acceptance of the Investment Obligations and money deposited in the Escrow Account, the sale, purchase or retention of securities or investments or the proceeds of those securities or any payment, transfer or other application of money or securities by the Escrow Trustee in accordance with the provisions of this Escrow Agreement or by reason of any act, omission or error of the Escrow Trustee made in good faith in the conduct of its duties.

8. Fees and Expenses of Escrow Trustee.

The Authority agrees to pay the Escrow Trustee its fees and expenses, including reasonable attorneys fees and expenses, for its services rendered under this Escrow Agreement, and shall include in its annual budget under the Bond Resolution an adequate provision for such expenses which are reasonably anticipated or accrued. The Escrow Trustee agrees that it shall have no claim against or lien upon any money or investments in the Escrow Account for payment of its fees or expenses

or for payment of any amounts owed to it by the Authority under this Escrow Agreement (including, without limitation, under Section 7) or otherwise.

9. Annual Reports.

On or about June 15 in each year commencing June, 1986 and ending June, 1990 the Escrow Trustee shall submit to the Authority a report covering all money it shall have received and all payments it shall have made or caused to be made under this Escrow Agreement during the preceding twelve months. Such report shall also list all obligations held in the Escrow Account and the amount of money contained therein as of the June 2 preceding the date of the report. The June 1990 report shall set forth the amounts transferred by the Escrow Agent to the Principal and Interest Account of the Debt Service Fund, as provided in Section 3 of this Agreement.

10. Subsequent Action

This Escrow Agreement may be amended or supplemented, the Investment Obligations or any portion thereof sold or redeemed, or invested or reinvested in any manner provided (and such amendment, supplement, direction to sell or redeem or invest to be referred to as a "Subsequent Action"), upon submission to the Escrow Trustee of each of the following:

(1) a certified copy of proceedings of the Authority authorizing the Subsequent Action signed by an Authorized Officer.

(2) an opinion of nationally recognized bond counsel, selected by the Authority to the effect that the Subsequent Action (a) will not cause the interest on the Series C Bonds, the Series D Bonds or the Refunding Bonds to become includable in the gross income of the holders thereof for Federal income tax purposes and not exempt from Federal income taxes of such holders under the laws of the United States of America providing for taxation of income; (b) will not violate the covenants in the Bond Resolution, the Refunding Series Resolution, the Series C Resolution or the Series D Resolution not to cause the Refunding Bonds, the Series C Bonds or the Series D Bonds to become "arbitrage bonds" under Section 103(c) of the Internal Revenue Code of 1954, as amended and the Treasury Regulations thereunder; (c) does not materially adversely affect the legal rights of the holders of the Refunding Bonds, the Series C Bonds or the Series D Bonds and (d) will not have the effect of causing the Refunded Bonds not to be defeased under the provisions of Article XI of the Bond Resolution.

(3) an opinion of a firm of independent certified public accountants, selected by the Authority, to the effect that the Investment Obligations and money available or to be available for payment of the Refunded Bonds will remain sufficient to pay when due all principal of, redemption price, if any, and interest on the Refunded Bonds after the taking of the Subsequent Action.

Except as provided in the foregoing paragraph, all of the rights, powers, duties and obligations of the Escrow Trustee under this Escrow Agreement shall not be subject to amendment by the Escrow Trustee and shall be binding on any successor to the Escrow Trustee during the term of this Agreement.

Except as provided above, all of the rights, powers, duties and obligations of the Authority under this Escrow Agreement shall not be subject to amendment by the Authority and shall be binding on any successor to the Authority during the term of this Agreement.

11. Receipt by Escrow Trustee of Resolutions.

Receipt of a true and correct copy of each of the Bond Resolution, the Refunding Series Resolution, the Series C Resolution and the Series D Resolution is acknowledged by the Escrow Trustee.

12. Escrow Irrevocable.

The escrow created by this Escrow Agreement shall be irrevocable. This Escrow Agreement shall terminate when the Escrow Trustee shall have paid all funds from the Escrow Account in accordance with Section 3 above.

The Authority and the Escrow Trustee have each caused this Escrow Agreement to be executed by its duly authorized officers as of its date.

All such payments shall be valid and effectual to satisfy and discharge the liability upon the Bond to the extent of the sum or sums so paid. In each case the Issuer shall require the payment by the owner of the Bond requesting transfer of any tax or other government charge required to be paid with respect to such transfer.

In the event the Bond is mutilated, lost, stolen, or destroyed, the Issuer may execute a new Bond of like date, tenor and maturity as the Bond mutilated, lost, stolen, or destroyed; provided that, in the case the Bond is mutilated, the mutilated Bond shall first be surrendered to the Issuer, and in the case the Bond is lost, stolen, or destroyed, there shall be first furnished to the Issuer evidence of such loss, theft or destruction satisfactory to the Issuer, together with indemnity satisfactory to the Issuer. The Issuer shall duplicate on the Payment Record of the new Bond replacing the mutilated, lost, stolen, or destroyed Bond all payments of interest which the Issuer's records indicate as having appeared on the mutilated, lost, stolen, or destroyed Bond. In the event all the principal installments of the Bond shall have matured, instead of issuing a duplicate Bond the Issuer may pay the same without surrender thereof. thereafter (such default not having previously been cured as set forth in Section 10 above), Lender, at its option, may declare all Borrower's Liabilities secured hereby immediately due and payable and shall have the remedies of a secured party under the Uniform Commercial Code as adopted in Illinois ("Code") (and the foreclosure provisions of Ill. Section 12. No Waiver By Lender.

Lender's failure at any time or times hereafter to require strict performance by Borrower of any provision of this Agreement shall not waive, affect or diminish any right of Lender thereafter to demand strict compliance and performance therewith, nor shall any waiver by Lender of a Borrower's Event of Default waive, suspend or affect any other Event of

Default under this Agreement, whether the same is prior or subsequent thereto, and whether of the same or of a different type.

Section 13. Labor Standards.

If Loan proceeds are used for construction, Borrower shall be required to meet (including all contractors of Borrower) labor standards and prevailing wage schedules of the Davis-Bacon Act, as amended (40 U.S.C. 276-a-5).

The Bonds shall mature no later than November 1, 2015, and shall bear interest as provided in the Indenture, provided that the Bonds may not bear interest at a rate greater than the lesser of (i) twenty-five percent (25%) per annum, and (ii) for as long as the Letter of Credit or Alternate Letter of Credit (as defined in the Indenture) issued in connection with the Bonds is in effect, the maximum interest rate stated in such Letter of Credit or Alternate Letter of Credit for purposes of calculating the interest portion of the stated amount of such Letter of Credit or Alternate Letter of Credit, all as more fully set forth in the Indenture.

SECTION 6. Execution of Bonds. The Bonds shall be executed on behalf of the City by the Mayor and by the City Clerk or Deputy City Clerk of the City in the manner provided in the Indenture. Be It Ordained by the City Council of the City of Chicago:

SECTION 3. The Chairman of the Finance Committee is hereby directed to cause the Finance Committee or any subcommittee thereof, or in lieu thereof and with the consent of the Chairman of the Finance Committee, the Commissioner of the Department of Housing or the Commissioner's designee, to hold a hearing on the Project in compliance with Section 103 of the Internal Revenue Code of 1954, as amended and particularly as amended by the Tax Equity and Fiscal Responsibility Act of 1982.

SECTION 4. This ordinance shall be in full force and effect from and after its passage.

Memorandum of Agreement attached to this ordinance reads as follows:

Memorandum of Agreement.

This Memorandum of Agreement (the "Agreement") is by and between the City of Chicago (the "City") and Riverwest Development Limited Partnership, an Illinois limited partnership to be formed (the "Partnership"), the general partner of which is Riverwest Development, Ltd., a corporation whose principals are Marc Berger and Jack Berger.

1. Preliminary Statement. Among the matters of mutual inducement which have resulted in this Agreement are the following:

(a) The City of Chicago is a home rule unit of government under Section 6(a) of Article VII of the 1970 Constitution of the State of Illinois with power to adopt ordinances and take actions relating to its government and affairs and it has been determined that assisting in the acquisition, rehabilitation, and equipping of the hereinafter described Project is a proper exercise of the home rule powers of the City.

(b) It is proposed that the Partnership acquire, rehabilitate and equip a residential housing project located at 691 North Sangamon (the "Project"). Upon completion of the rehabilitation, the Project will provide approximately one hundred forty-seven (147) residential rental dwelling units, together with some commercial space. It is presently contemplated that the Project will be owned by the trustee of an Illinois land trust (the "Owner") under which the Partnership will be the sole beneficiary. The undersigned, on behalf of the Partnership, wishes to obtain satisfactory assurance from the City that the proceeds from the sale of revenue bonds of the City will be made available to finance the cost of the Project.

(c) Subject to due compliance with all requirements of law, the City will proceed to take such action as may be necessary to cause to be prepared such agreements, indentures or such other documents as may be required to permit the City, by virtue of its authority as a home rule unit of government, to sell and issue its revenue bonds in an amount not to exceed $12,000,000 (the "Bonds") to pay costs of the Project and costs incidental to the issuance of the Bonds.

(d) The City considers that its financing of the cost of the Project on behalf of the Partnership will promote and further the affairs and welfare of the City and its inhabitants.

(e) The revenue Bonds to be issued by the City shall not constitute an indebtedness of the City or a loan of credit thereof within the meaning of any constitutional or statutory provision, and such fact shall be plainly stated on the face of each of said Bonds. No holder or owner of any of said Bonds shall ever have the right to compel any exercise of the taxing power of the City to pay said Bonds or the interest thereon. The principal of, premium, if any, and interest on said Bonds to be issued to finance the cost of the Project shall be secured by a pledge to a trustee acting under an indenture of trust for the benefit of the holders of said revenue Bonds, or by a pledge directly to the holders and owners of said Bonds, of the revenues and income to be derived by the City from the Project; and may be further secured by a mortgage on the Project.

2. Undertakings on the Part of the City. Subject to the conditions above stated, the City agrees as follows:

(a) That it will begin the proceedings necessary on its part to cause the City Council to authorize the issuance and sale of the Bonds, pursuant to terms mutually acceptable to the City, the Partnership and potential purchasers of the Bonds.

(b) That it will cooperate with the Partnership in finding a purchaser or purchasers for the Bonds, will permit the Bonds to be sold or placed by such underwriter or underwriters as are approved by the City Comptroller and the Commissioner of the Department of Housing, and, if satisfactory purchase arrangements can be made, the City will adopt such proceedings authorizing the execution of such documents as may be necessary or advisable for the authorization, issuance and sale of the Bonds and the financing of the Project, all as shall be authorized in an ordinance of the City Council and mutually satisfactory to the City, the Partnership and potential purchasers of the Bonds.

(c) That, if the City issues and sells the Bonds, the financing instruments will provide (i) that the City will lend the proceeds of the Bonds (A) to the Partnership, or (B) to the Owner for the benefit of the Partnership, or (C) to a lending institution acceptable to the City and Partnership (the "Project Lender") to relend to the Partnership or the Owner, to be used to finance the Project and (ii) that the aggregate amounts (i.e., the repayments to be made by the Partnership or the Owner or the Project Lender upon such loan and used by the City to pay the principal of, interest and redemption premium, if any, on the bonds) payable under the instruments whereby the Project shall be financed, shall be such sums as shall be sufficient to pay the principal of, interest and redemption premium, if any, on the Bonds as and when the same shall become due and payable.

(d) That it will take or cause to be taken such other acts and adopt such further proceedings as may be required to implement the aforesaid undertakings or as it may deem appropriate in pursuance thereof.

3. Undertakings on the Part of the Partnership. Subject to the conditions above stated, the Partnership agrees as follows:

(a) The Partnership will use all reasonable efforts to find one or more purchasers for the Bonds.

(b) The Partnership will take all actions which may be necessary in order for the City to market, sell and deliver the Bonds in a manner which will enable the Partnership to secure a Mortgage Loan at an interest rate not to exceed 10% or such higher rate as may be acceptable to the Partnership and the City, both during construction and as the permanent loan rate. Such stated rate of interest shall not include the amounts necessary to provide for payment of costs in connection with the Mortgage Loan, including administrative expenses of the City, trustee's fees and expenses and servicing fees of a mortgage servicer mutually acceptable to the Partnership and the City, which costs shall be paid by the Partnership in addition to the interest on the Mortgage Loan. Without limiting the generality of the foregoing, the undersigned on behalf of the Partnership agrees to (i) obtain other security for the Mortgage Loan sufficient in nature for the City to market, sell and deliver the Bonds and the Partnership to achieve the desired interest rate on the Mortgage Loan; (ii) take such actions as may be necessary to obtain at least an A rating for the Bonds from a nationally recognized rating agency; and (iii) pay costs, fees, expenses, underwriting and bond discounts and such other payments and/or deposits (in an aggregate amount not to exceed 10% of the Mortgage Loan, including any financing fees permitted to be paid from Mortgage Loan proceeds) as the City shall determine to be necessary to market and sell the Bonds and achieve the desired interest on the Mortgage Loan.

(c) That contemporaneously with the issuance of the Bonds, the Partnership, the Owner and/or the Project Lender, as applicable, will enter into a financing agreement with the City under the terms of which the Partnership or the Owner or the Project Lender will be obligated to pay to the City sums sufficient in the aggregate to pay the principal of, interest and redemption premium, if any, on the Bonds as and when the same shall become due and payable, such financing agreement to be in form and substance and secured in a manner satisfactory to the City, the Partnership and the purchasers of the Bonds. Said financing agreement shall include without limitation, customary provisions whereby the Partnership shall indemnify the City from and against any losses, claims, liabilities or costs arising from the Bond transactions.

(d) That during the period beginning on the date of the sale and delivery of the Bonds by the City to the purchasers thereof and continuing for at least the period required by Section 103(b) (4)(A) of the Internal Revenue Code of 1954, as amended (i) the Project will be maintained and operated as a "residential rental property" as defined in said Section of the Code, (ii) any duly authorized agent of the City will be permitted to enter upon and inspect the Project during regular business hours, and to examine and copy at the principal office of the Partnership located within the City of Chicago, Illinois, during regular business hours, all books, records and other documents of the Partnership relating to expenditures from the Bond proceeds for the Project, the rental of units within the Project and the revenues therefrom and (iii) the Partnership will furnish such evidence of compliance as may be reasonably requested by the City.

(e) That prior to the adoption of the ordinance authorizing the issuance of the Bonds, the Partnership will have complied with Section 26.1 of the Municipal Code of the City.

(f) The Partnership agrees that it will not take, or permit to be taken on its behalf, by any person within its control, any action which would discriminate against any worker, employee or job applicant, or any member of the public, because of race, creed, color, religion, age, sex or national origin. Partnership agrees that it shall take or shall cause to be taken on its behalf, by any person within its control, affirmative action to ensure that Project applicants are employed and that Project employees are treated during employment without regard to their race, creed, color, religion, age, sex or national origin. Such action shall include, but not be limited to the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising; layoff or termination; rate of pay or other forms of compensation; and selection for training programs, if any.

(g) The Partnership represents and warrants that it is committed to providing fair and representative opportunities for minority and female personnel in both the construction and post-construction phases of the Project. Further, the Partnership agrees to follow the standards established in the City of Chicago Executive Order 85-2, which requires 25% minority participation and 5% participation by women.

(h) The Partnership will develop and adhere to an Affirmative Marketing Plan which will ensure that all individuals, regardless of race, creed, color, religion, age, sex or national origin, shall have available to them the full range of rental choices offered by the Project, limited only by their capacity to afford rental and other costs. The Partnership also agrees to institute and carry out an affirmative program to attract minority and female tenants who have been or may be subject to housing discrimination, and who are least likely to apply for Project housing without special out reach efforts.

(i) The Partnership will comply with all provisions of the "Tax Exempt Multifamily Property Opportunities" guidelines (the "TEMPO Guidelines") said TEMPO Guidelines having been published by the Department of Housing and effective as of February 1, 1985.

(j) The Partnership will take such further action and adopt such further proceedings as may be required to implement the aforesaid undertakings or as they may deem appropriate in pursuance thereof, all to the satisfaction of the City.

4. City Financing and Monitoring Fees. The City requires that all developers who receive below-market rate financing for multi-unit rental project developments pay certain developer fees to meet City administrative and monitoring costs. Such fees shall be paid by the Partnership in accordance with the "Fee Schedule" published in the TEMPO Guidelines. All such fees are subject to such adjustment as may be necessary to maintain the tax exempt nature of interest paid on the Bonds under the "arbitrage regulations" of the Internal Revenue Code of 1954, as amended.

5. Time Limitation on Issuance of Bonds. Any Bonds issued by the City for the benefit of the Project must be issued within one (1) year from the date of passage by the City Council of the ordinance authorizing the execution of this Memorandum of Agreement. All obligations, rights and duties of the respective parties and their successors and assigns to this Agreement shall be void upon the expiration of the one (1) year period.

6. Successors and Assigns. This Agreement is binding on and inures to the benefit of the parties thereto and their respective successors and assigns. Without limiting the

WHEREAS, The City Council of the City has heretofore found and does hereby find that there exists within the City a serious shortage of decent, safe and sanitary housing which persons of low and moderate income, including but not limited to elderly and handicapped persons, can afford and that such housing shortage is harmful to the health, prosperity, economic stability and general welfare of the City and adversely affects that tax base; and

Be It Ordained by the City Council of the City of Chicago:

Upon the fulfillment of the conditions stated in the Memorandum of Agreement, as executed, the City will take such actions as may be necessary to issue its revenue bonds in an amount not to exceed $4,000,000 for the aforementioned purpose.

SECTION 3. The Chairman of the Finance Committee is hereby directed to cause the Finance Committee or any subcommittee thereof, or in lieu thereof and with the consent of the Chairman of the Finance Committee, the Commissioner of the Department of Housing or the Commissioner's designee, to hold a hearing on the Project in compliance with Section 103 of the Internal Revenue Code of 1954, as amended and particularly as amended by the Tax Equity and Fiscal Responsibility Act of 1982.

SECTION 4. This ordinance shall be in full force and effect from and after its passage.

Memorandum of Agreement attached to this ordinance reads as follows:

Memorandum of Agreement.

This Memorandum of Agreement (the "Agreement") is by and between the City of Chicago (the "City") and Sheridan Beach Associates, an Illinois limited partnership to be formed (the "Partnership"), the general partners of which are Bruce Besser, Robert J. Cisek and Theodore Maka.

1. Preliminary Statement. Among the matters of mutual inducement which have resulted in this Agreement are the following:

(a) The City of Chicago is a home rule unit of government under Section 6(a) of Article VII of the 1970 Constitution of the State of Illinois with power to adopt ordinances and take actions relating to its government and affairs and it has been determined that assisting in the acquisition, rehabilitation, and equipping of the hereinafter described Project is a proper exercise of the home rule powers of the City.

(b) It is proposed that the Partnership acquire, rehabilitate and equip a residential elderly housing project located at 7301 North Sheridan Road (the "Project"). Upon completion of the rehabilitation, the Project will provide approximately ninety eight (98) residential rental dwelling units, together with some commercial space. It is presently contemplated that the Project will be owned by the trustee of an Illinois land trust (the "Owner") under which the Partnership will be the sole beneficiary. The undersigned, on behalf of the Partnership, wishes to obtain satisfactory assurance from the City that the proceeds from the sale of revenue bonds of the City will be made available to finance the cost of the Project.

(c) Subject to due compliance with all requirements of law, the City will proceed to take such action as may be necessary to cause to be prepared such agreements, indentures or such other documents as may be required to permit the City, by virtue of its authority as a home rule unit of government, to sell and issue its revenue bonds in an amount not to exceed $4,000,000 (the "Bonds") to pay costs of the Project and costs incidental to the issuance of the Bonds.

(d) The City considers that its financing of the cost of the Project on behalf of the Partnership will promote and further the affairs and welfare of the City and its inhabitants.

(e) The revenue Bonds to be issued by the City shall not constitute an indebtedness of the City or a loan of credit thereof within the meaning of any constitutional or statutory provision, and such fact shall be plainly stated on the face of each of said Bonds. No holder or owner of any of said Bonds shall ever have the right to compel any exercise of the taxing power of the City to pay said Bonds or the interest thereon. The principal of, premium, if any, and interest on said Bonds to be issued to finance the cost of the Project shall be secured by a pledge to a trustee acting under an indenture of trust for the benefit of the holders of said revenue Bonds, or by a pledge directly to the holders and owners of said Bonds, of the revenues and income to be derived by the City from the Project; and may be further secured by a mortgage on the Project.

2. Undertakings on the Part of the City. Subject to the conditions above stated, the City agrees as follows:

(a) That it will begin the proceedings necessary on its part to cause the City Council to authorize the issuance and sale of the Bonds, pursuant to terms mutually acceptable to the City, the Partnership and potential purchasers of the Bonds.

(b) That it will cooperate with the Partnership in finding a purchaser or purchasers for the Bonds, will permit the Bonds to be sold or placed by such underwriter or underwriters as are approved by the City Comptroller and the Commissioner of the Department of Housing, and, if satisfactory purchase arrangements can be made, the City will adopt such proceedings authorizing the execution of such documents as may be necessary or advisable for the authorization, issuance and sale of the Bonds and the financing of the Project, all as shall be authorized in an ordinance of the City Council and mutually satisfactory to the City, the Partnership and potential purchasers of the Bonds.

(c) That, if the City issues and sells the Bonds, the financing instruments will provide (i) that the City will lend the proceeds of the Bonds (A) to the Partnership, or (B) to the Owner for the benefit of the Partnership, or (C) to a lending institution acceptable to the City and the Partnership (the "Project Lender") to relend to the Partnership or the Owner, to be used to finance the Project and (ii) that the aggregate amounts (i.e., the repayments to be made by the Partnership or the Owner or the Project Lender upon such loan and used by the City to pay the principal of, interest and redemption premium, if any, on the bonds) payable under the instruments whereby the Project shall be financed, shall be such sums as shall be sufficient to pay the principal of, interest and redemption premium, if any, on the Bonds as and when the same shall become due and payable.

(d) That it will take or cause to be taken such other acts and adopt such further proceedings as may be required to implement the aforesaid undertakings or as it may deem appropriate in pursuance thereof.

3. Undertakings on the Part of the Partnership. Subject to the conditions above stated, the Partnership agrees as follows:

(a) The Partnership will use all reasonable efforts to find one or more purchasers for the Bonds.

(b) The Partnership will take all actions which may be necessary in order for the City to market, sell and deliver the Bonds in a manner which will enable the Partnership to secure a Mortgage Loan at an interest rate not to exceed 10% or such higher rate as may be acceptable to the Partnership and the City, both during construction and as the permanent loan rate. Such stated rate of interest shall not include the amounts necessary to provide for payment of costs in connection with the Mortgage Loan, including administrative expenses of the City, trustee's fees and expenses and servicing fees of a mortgage servicer mutually acceptable to the Partnership and the City, which costs shall be paid by the Partnership in addition to the interest on the Mortgage Loan. Without limiting the generality of the foregoing, the undersigned on behalf of the Partnership agrees to (i) obtain other security for the Mortgage Loan sufficient in nature for the City to market, sell and deliver the Bonds and the Partnership to achieve the desired interest rate on the Mortgage Loan; (ii) take such actions as may be necessary to obtain at least an A rating for the Bonds from a nationally recognized rating agency; and (iii) pay costs, fees, expenses, underwriting and bond discounts and such other payments and/or deposits (in an aggregate

amount not to exceed 10% of the Mortgage Loan, including any financing fees permitted to be paid from Mortgage Loan proceeds) as the City shall determine to be necessary to market and sell the Bonds and achieve the desired interest on the Mortgage Loan.

(c) That contemporaneously with the issuance of the Bonds, the Partnership, the Owner and/or the Project Lender, as applicable, will enter into a financing agreement with the City under the terms of which the Partnership or the Owner or the Project Lender will be obligated to pay to the City sums sufficient in the aggregate to pay the principal of, interest and redemption premium, if any, on the Bonds as and when the same shall become due and payable, such financing agreement to be in form and substance and secured in a manner satisfactory to the City, the Partnership and the purchasers of the Bonds. Said financing agreement shall include without limitation, customary provisions whereby the Partnership shall indemnify the City from and against any losses, claims, liabilities or costs arising from the Bond transactions.

(d) That during the period beginning on the date of the sale and delivery of the Bonds by the City to the purchasers thereof and continuing for at least the period required by Section 103(b) (4)(A) of the Internal Revenue Code of 1954, as amended (i) the Project will be maintained and operated as a "residential rental property" as defined in said Section of the Code, (ii) any duly authorized agent of the City will be permitted to enter upon and inspect the Project during regular business hours, and to examine and copy at the principal office of the Partnership located within the City of Chicago, Illinois, during regular business hours, all books, records and other documents of the Partnership relating to expenditures from the Bond proceeds for the Project, the rental of units within the Project and the revenues therefrom and (iii) the Partnership will furnish such evidence of compliance as may be reasonably requested by the City.

(e) That prior to the adoption of the ordinance authorizing the issuance of the Bonds, the Partnership will have complied with Section 26.1 of the Municipal Code of the City.

(f) The Partnership agrees that it will not take, or permit to be taken on its behalf, by any person within its control, any action which would discriminate against any worker, employee or job applicant, or any member of the public, because of race, creed, color, religion, age, sex or national origin. Partnership agrees that it shall take or shall cause to be taken on its behalf, by any person within its control, affirmative action to ensure that Project applicants are employed and that Project employees are treated during employment without regard to their race, creed, color, religion, age, sex or national origin. Such action shall include, but not be limited to the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising; layoff or termination; rate of pay or other forms of compensation; and selection for training programs, if any.

(g) The Partnership represents and warrants that it is committed to providing fair and representative opportunities for minority and female personnel in both the construction and post-construction phases of the Project. Further, the Partnership agrees to follow the standards established in the City of Chicago Executive Order 85-2, which requires 25% minority participation and 5% participation by women.

(h) The Partnership will develop and adhere to an Affirmative Marketing Plan which will ensure that all individuals, regardless of race, creed, color, religion, age, sex or

national origin, shall have available to them the full range of rental choices offered by the Project, limited only by their capacity to afford rental and other costs. The Partnership also agrees to institute and carry out an affirmative program to attract minority and female tenants who have been or may be subject to housing discrimination, and who are least likely to apply for Project housing without special outreach efforts.

(i) The Partnership will comply with all provisions of the "Tax Exempt Multifamily Property Opportunities" guidelines (the "T.E.M.P.O. Guidelines") said T.E.M.P.O. Guidelines having been published by the Department of Housing and effective as of February 1, 1985.

(j) The Partnership will take such further action and adopt such further proceedings as may be required to implement the aforesaid undertakings or as they may deem appropriate in pursuance thereof, all to the satisfaction of the City.

4. City Financing and Monitoring Fees. The City requires that all developers who receive below-market rate financing for multi-unit rental project developments pay certain developer fees to meet City administrative and monitoring costs. Such fees shall be paid by the Partnership in accordance with the "Fee Schedule" published in the T.E.M.P.O. Guidelines. All such fees are subject to such adjustment as may be necessary to maintain the tax exempt nature of interest paid on the Bonds under the "arbitrage regulations" of the Internal Revenue Code of 1954, as amended.

5. Time Limitation on Issuance of Bonds. Any Bonds issued by the City for the benefit of the Project must be issued within one (1) year from the date of passage by the City Council of the ordinance authorizing the execution of this Memorandum of Agreement. All obligations, rights and duties of the respective parties and their successors and assigns to this Agreement shall be void upon the expiration of the one (1) year period.

6. Successors and Assigns. This Agreement is binding on and inures to the benefit of the parties thereto and their respective successors and assigns. Without limiting the generality of the foregoing, the Partnership may, with the prior written approval of the Commissioner of the Department of Housing, assign its interest herein and the assignee, following assignment, shall possess all rights and assume all obligations of the Partnership and all references to the Partnership herein shall refer to the assignee.

In Witness Whereof, the parties hereto have entered into this Agreement by their officers thereunto duly authorized as of this _____ day of _____, 1985.

The Bonds are limited obligations of the City payable solely from Revenues (as such term is defined in the Bond Ordinance) derived by the City from the use and operation of Chicago-O'Hare International Airport and certain other moneys and securities held by the Trustee and are entitled to the pledge under the Bond Ordinance of all Revenues and all moneys and securities held or set aside or to be held or set aside pursuant to the Bond

Ordinance, subject only to the provisions of the Bond Ordinance requiring or permitting the payment, setting apart or appropriation thereof for or to the purposes and on the terms, conditions, priorities and order set forth therein. The Bond and the interest thereon do not constitute an indebtedness or a loan of credit of the City within the meaning of any constitutional or statutory limitation, and neither the full faith and credit nor the taxing power of the City, the State of Illinois or any political subdivision thereof is pledged to the payment of the principal and redemption premium, if any, of, and interest on, the Bonds.

As provided in the Bond Ordinance, Bonds may be issued from time to time pursuant to supplemental ordinances in one or more series, in various principal amounts, may mature at different times, may bear interest at different rates and may otherwise vary as provided in the Bond Ordinance. The pledge of Revenues and other moneys and securities under the Bond Ordinance may be discharged at or prior to the maturity or redemption of

the Bonds upon the making of provisions for the payment thereof on the terms and conditions set forth in the Bond Ordinance.

APPROVAL OF JOURNAL OF PROCEEDINGS.

JOURNAL (October 17, 1985).

The City Clerk submitted the printed Official Journal of the Proceedings of the regular meeting held on October 17, 1985 at 10:00 A.M., signed by him as such City Clerk.

Alderman Burke moved to *Approve* said printed Official Journal and to dispense with the reading thereof. The question being put, the motion *Prevailed.*

UNFINISHED BUSINESS.

CORPORATION COUNSEL ACTIONS WITH RESPECT TO CASE OF *KETCHUM V. BYRNE* DECLARED ILLEGAL.

On motion of Alderman Burke, the City Council took up for consideration the report of the Committee on Finance, deferred and published in the Journal of the Proceedings of October 17, 1985 pages 20874 and 20884-20885, recommending that the City Council adopt a proposed resolution declaring the actions of the Corporation Counsel with respect to case of *Ketchum v. Byrne* as illegal.

Alderman Vrdolyak moved to substitute the following proposed resolution:

WHEREAS, There is presently pending before the Honorable Charles R. Norgle of the United States District Court for the Northern District of Illinois, Eastern Division, that certain case styled *Ketchum v. Byrne*, the case concerning the redistricting of the wards in the City of Chicago which was returned to that court on remand from the United States Court of Appeals for the seventh Circuit; and

WHEREAS, On August 7, 1985, the City Council passed a Resolution designating William J. Harte as attorney to respresent the Chicago City Council in the aforesaid matter entitled *Ketchum v. Byrne* and reciting that there appeared to be a conflict of interest between the executive and legislative branches of the City's government; and

WHEREAS, The said resolution was vetoed by the Mayor of the City of Chicago on August 15, 1985; and

WHEREAS, By order of the Honorable Charles R. Norgle, Judge of the United States District Court for the Northern District of Illinois, the Corporation Counsel was determined to be the attorney for the City Council in the said matter in view of the Mayor's veto; and

WHEREAS, On October 11, 1985, the Corporation Counsel, by and through his Chief Assistant Corporation Counsel, Joel D. Stein, filed a certain document with the District Court purporting to propose "Plaintiffs" Alternative Map Number 1 as the City Council's Map"; and

WHEREAS, No authority whatever was sought by the said Corporation Counsel nor given by the City Council to make such proposal; and

WHEREAS, Since the statutory responsibility relative to redistricting wards within the City of Chicago lies exclusively with the City Council [Ch. 24, Sec. 21-38, Ill. Rev. Stat.], the Corporation Counsel has unlawfully relegated to himself legislative statutory prerogatives of the City Council; and

WHEREAS, The Corporation Counsel has refused to obtain the consent and judgment of the City Council in his actions in said case, purporting to state that he needs no authority of the City Council in the conduct of his actions in fulfilling a statutory duty of the Council; and

WHEREAS, The United States Court of Appeals for the Seventh Circuit in its decision on this matter, reported at 740 F. 2d 1398 (1984), concluded "we consider that the number of wards with a minority population majority should be restored to the number which existed in 1980 under the 1970 ward map. This means nineteen black majority ward and probably four majority Hipanics wards...." (740 F.2d at 1417); and

WHEREAS, The Seventh Circuit indicated a need to provide *effective* majorities, taking into consideration all pertinent factors, including additional evidence - primarily statistical but including other types of data; and

WHEREAS, Upon remand, there have been substantial negotiations between the parties in the *Ketchum* case which has led to proposed settlement of the issues relating to all wards north of the Sanitary District Canal and the Stevenson Highway, a settlement to which a majority of the Aldermen, as parties in the *Ketchum* case, have acquiesced; and

WHEREAS, There remains in the litigation the resolution of the issues involving the wards south of the Sanitary District Canal and the Stevenson Highway; and

WHEREAS, There is substantial evidence that the 15th Ward as it is presently constituted has an effective majority of black population based upon current statistical evidence and other types of data; and

WHEREAS, There has been presented to the City Council a proposed ward redistricting plan, denominated "Plan A As Directed By Court's Remand Order," for the wards of the City of Chicago, a copy of which is attached hereto as Appendix A, along with the population figures and detail listing of the assignment of census geography to wards; and

WHEREAS, There has been presented to the City Council an alternative proposed ward redistricting plan, denominated "Plan B As Directed By Court's Remand Order," for the wards of the City of Chicago, a copy of which is attached hereto as Appendix B, along with

the population figures and the detail listing of the assignment of census geography to wards; and

WHEREAS, The aforesaid Plans establish an effective black majority in nineteen wards and an effective Hispanic majority in four wards; and

WHEREAS, The United States Court of Appeals of the Seventh Circuit in its decision on this matter expressly states:

> In remanding this case for reconsideration of the appropriate remedy under the principles enunciated here, we recognize that at least two black majority wards, and possibly a third, will need to be redrawn in order to eliminate the retrogression of the court-approved map. These wards are the 15th Ward, the 37th Ward and possibly the 7th Ward. In the case of the 15th and 37th Wards, the adoption of a 65% guideline, for example, might be fairly viewed as a limitation on restoration of the pre-redistricting black majorities (approximately 66% and 76%, respectively) . . . .

(740 F.2d at 1417); and

WHEREAS, The aforesaid "Plan A As Directed By Court's Remand Order" maintains the 15th Ward with an effective black majority of 60.0%, redraws the 37th Ward so as to establish an effective black majority of 80.45%, and maintains an effective black majority of 58.40% in the 7th Ward; and

WHEREAS, The aforesaid "Plan B As Directed By Court's Remand Order" redraws the 15th Ward so as to establish an effective black majority of 75.52%, redraws the 37th Ward so as to establish an effective black majority of 80.45%, and maintains an effective black majority of 58.40% in the 7th Ward; and

WHEREAS, The United States Court of Appeals for the Seventh Circuit noted that in order to "provide four Hispanic majority wards (two on the Southwest Side and two on the Northwest Side)" (740 F.2d at 1418) those wards "requiring further scrutiny by the district court include the 25th, 22nd, 26th, 30th, 31st, 32nd, 33rd and 35th Wards with possibly some attention to the 1st and 12th Wards" (740 F.2d at 1417); and

WHEREAS, The aforesaid Plans A and B adjust the present boundaries of the 25th, 22nd, 26th, 30th, 31st, 32nd, 33rd, 35th and 1st Wards, with some minor adjustments to other wards, so as to provide an effective Hispanic majority in two wards on the Northwest Side, to wit: the 26th Ward with a 64.20% Hispanic population and the 31st Ward with a 59.59% Hispanic population, and an effective Hispanic majority in two wards on the Southwest Side, to wit: the 22nd Ward with a 78.11% Hispanic population and the 25th Ward with a 72.95% Hispanic population; and

WHEREAS, The United States Court of Appeals for the Seventh Circuit in its decision on this matter states that the remedy it discusses in its decision is adequate to remedy any violation of Section 2 of the Voting Rights Act, as amended (740 F.2d at 1417); and

WHEREAS, The aforesaid Plans A and B As Directed By Court's Remand Order reflect the remedy discussed by the United States Court of Appeals for the Seventh Circuit in its

decision and thereby remedy any violation of Section 2 of the Voting Rights Act, as amended; and

WHEREAS, The aforesaid Plans A and B As Directed By Court's Remand Order are otherwise fair, just and equitable to all of the citizens of the City of Chicago, now, therefore,

Be It Resolved by the City Council of the City of Chicago:

SECTION 1. That all prior actions and statements taken or made by the Corporation Counsel for and on behalf of the City Council with respect to the case of *Ketchum v. Byrne* are without the authority of the City Council and are declared to be illegal, null, void and without any foundation in the law.

SECITON 2. That the ward redistricting plan denominated "Plan A As Directed By Court's Remand Order," a copy of which is attached hereto as Appendix A, along with the population figures and the detail listing of the assignment of census geography to wards, is hereby adopted by the City Council of the City of Chicago as its proposed ward redistricting plan for the City of Chicago.

SECTION 3. That the ward redistricting plan denominated "Plan B As Directed By Court's Remand Order," a copy of which is attached hereto as Appendix B, along with the population figures and the detail listing of the assignment of census geography to wards, is hereby adopted by the City Council of the City of Chicago as its alternative proposed ward redistricting plan for the City of Chicago.

SECTION 4. That the City Council of the City of Chicago hereby directs the Corporation Counsel to submit the aforesaid "Plan A As Directed By Court's Remand Order" and "Plan B As Directed By Court's Remand Order" to the Honorable Charles R. Norgle of the United States District Court for the Northern District of Illinois, Eastern Division, as the proposed ward redistricting plan and the alternative proposed ward redistricting plan of the City Council and to take all steps necessary to secure the Court's approval of the proposed plan or the alternative proposed plan and its implementation.

SECTION 5. That this resolution shall be effective immediately after its passage.

[Appendix A and B along with population figures and detailed figures listing of the assignment of census geography to wards are printed on pages 21879 through 21980 of this Journal.

The following is said resolution as adopted:

WHEREAS, There is presently pending before the Honorable Charles R. Norgle of the United States District Court for the Northern District of Illinois, Eastern Division, that certain case styled *Ketchum v. Byrne*, the case concerning the redistricting of the wards in the City of Chicago which was returned to that court on remand from the United States Court of Appeals for the Seventh Circuit; and

WHEREAS, On August 7, 1985, the City Council passed a Resolution designating William J. Harte as attorney to represent the Chicago City Council in the aforesaid matter entitled *Ketchum v. Byrne* and reciting that there appeared to be a conflict of interest between the executive and legislative branches of the City's government; and

WHEREAS, The said Resolution was vetoed by the Mayor of the City of Chicago on August 15, 1985; and

WHEREAS, By order of the Honorable Charles R. Norgle, Judge of the United States District Court for the Northern District of Illinois, the Corporation Counsel was determined to be the attorney for the City Council in the said matter in view of the Mayor's veto; and

WHEREAS, On October 11, 1985, the Corporation Counsel, by and through his Chief Assistant Corporation Counsel, Joel D. Stein, filed a certain document with the District Court purporting to propose "Plaintiffs' Alternative Map Number 1 as the City Council's Map"; and

WHEREAS, No authority whatever was sought by the said Corporation Counsel nor given by the City Council to make such a proposal; and

WHEREAS, Since the statutory responsiblity relative to redistricting wards within the City of Chicago lies exclusively with the City Council [Ch. 24, Sec. 21-38, Ill. Rev. Stat.], the Corporation Counsel has unlawfully relegated to himself legislative statutory prerogatives of the City Council; and

WHEREAS, The Corporation Counsel has refused to obtain the consent and judgment of the City Council in his actions in said case, purporting to state that he needs no authority of the City Council in the conduct of his actions in fulfilling statutory duty of the Council; and

WHEREAS, The United States Court of Appeals for the Seventh Circuit in its decision on this matter, reported at 740 F.2d 1398 (1984), concluded "we consider that the number of wards with a minority population majority should be restored to the number which existed in 1980 under the 1970 ward map. This means nineteen black majority wards and probably four majority Hispanic wards . . ." (740 F.2d at 1417); and

WHEREAS, The Seventh Circuit indicated a need to provide *effective* majorities, taking into consideration all pertinent factors, including additional evidence -- primarily statistical but including other types of data; and

WHEREAS, Upon remand, there have been substantial negotiations between the parties in the *Ketchum* case which has led to a proposed settlement of the issues relating to

all wards north of the Sanitary District Canal and the Stevenson Highway, a settlement to which a majority of the Aldermen, as parties in the *Ketchum* case, have acquiesced; and

WHEREAS, There remains in the litigation the resolution of the issues involving the wards south of the Sanitary District Canal and the Stevenson Highway; and

WHEREAS, There is substantial evidence that the 15th Ward as it is presently constituted has an effective majority of black population based upon current statistical evidence and other types of data; and

WHEREAS, There has been presented to the City Council a proposed ward redistricting plan, denominated "Plan A As Directed By Court's Remand Order," for the ward of the City of Chicago, a copy of which is attached hereto as Appendix A, along with the population figures and the detail listing of the assignment of census geography to wards; and

WHEREAS, There has been presented to the City Council an alternative proposed ward redistricting plan, denominated "Plan B As Directed By Court's Remand Order," for the wards of the City of Chicago, a copy of which is attached hereto as Appendix B, along with the population figures and the detail listing of the assignment of census geography to wards; and

WHEREAS, The aforesaid Plans establish an effective black majority in nineteen wards and an effective Hispanic majority in four wards; and

WHEREAS, The United States Court of Appeals for the Seventh Circuit in its decision on this matter expressly states:

> In remanding this case for consideration of the approprate remedy under the principles enunciated here, we recognize that at least two black majority wards, and possibly a third, will need to be redrawn in order to eliminate the retrogression of the court-approved map. These wards are the 15th Ward, the 37th Ward and possibly the 7th Ward. In the case of the 15th and 37th Wards, the adoption of a 65% guideline, for example, might be fairly viewed as a limitation on restoration of the pre-redistricting black majorities (approximately 66% and 76% respectively) . . .

(740 F.2d at 1417); and

WHEREAS, The aforesaid "Plan A As Directed By Court's Remand Order" maintains the 15th Ward with an effective black majority of 60.0% redraws the 37th Ward so as to establish an effective black majority of 80.45%, and maintains an effective black majority of 58.40% in the 7th Ward; and

WHEREAS, The aforesaid "Plan B As Directed By Court's Remand Order" redraws the 15th Ward so as to establish an effective black majority of 75.52%, redraws the 37th Ward so as to establish an effective black majority of 80.45%, and maintains an effective black majority of 58.40% in the 7th Ward; and

WHEREAS, The United States Court of Appeals for the Seventh Circuit noted that in order to "provide four Hispanic majority wards (two on the Southwest Side and two on the

Northwest Side)" (740 F.2d at 1418) those wards "requiring further scrutiny by the district court include the 25th, 22nd, 26th, 30th, 31st, 32nd, 33rd and 35th Wards with possibly some attention to the 1st and 12th Wards" (740 F.2d at 1417); and

WHEREAS, The aforesaid Plans A and B adjust the present boundaries of the 25th, 22nd, 26th, 30th, 31st, 32nd, 33rd, 35th and 1st Wards, with some minor adjustments to other wards, so as to provide an effective Hispanic majority in two wards on the Northwest Side, to wit: the 26th Ward with a 64.20% Hispanic population and the 31st Ward with a 59.59% Hispanic population, and an effective Hispanic majority in two wards on the Southwest Side, to wit: the 22nd Ward with 78.11% Hispanic population and the 25th Ward with a 72.95% Hispanic population; and

WHEREAS, The United States Court of Appeals for the Seventh Circuit in its decision on this matter states that the remedy it discusses in its decision is adequate to remedy any violation of Section 2 of the Voting Rights Act, as amended (740 F.2d at 1417); and

WHEREAS, The aforesaid Plans A and B as Directed By Court's Remand Order reflect the remedy discussed by the United States Court of Appeals for the Seventh Circuit in its decision and thereby remedy any violation of Section 2 of the Voting Rights Act, as amended; and

WHEREAS, The aforesaid Plans A and B as Directed By Court's Remand Order are otherwise fair, just and equitable to all of the citizens of the City of Chicago; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That all prior actions and statements taken or made by the Corporation Counsel for and on behalf of the City Council with respect to the case of *Ketchum v. Byrne* are without the authority of the City Council and are declared to be illegal, null, void and without any foundation in the law.

SECTION 2. That the ward redistricting plan denominated "Plan A As Directed By Court's Remand Order," a copy of which is attached hereto as Appendix A, along with the population figures and the detail listing of the assignment of census geography to wards, is hereby adopted by the City Council of the City of Chicago as its proposed ward redistricting plan for the City of Chicago.

SECTION 3. That the ward redistricting plan denominated "Plan B As Directed By Court's Remand Order," a copy of which is attached hereto as Appendix B, along with the population figures and the detail listing of the assignment of census geography to wards, is hereby adopted by the City Council of the City of Chicago as its alternative proposed ward redistricting plan for the City of Chicago.

SECTION 4. That the City Council of the City of Chicago hereby directs the Corporation Counsel to submit the aforesaid "Plan A As Directed By Court's Remand Order" and "Plan B As Directed By Court's Remand Order" to the Honorable Charles R. Norgle of the United States District Court for the Northern District of Illinois, Eastern Division, as the proposed ward redistricting plan and the alternative proposed ward redistricting plan of the City

Council and to take all steps necessary to secure the Court's approval of the proposed plan or the alternative proposed plan and its implementation.

SECTION 5. That this resolution shall be effective immediately after its passage.

[Appendix A and Appendix B along with population figures and detail listing of the assignment of census geography to wards, attached to this resolution printed on pages 21986 through 22087 of this Journal.]

Nays -- None.

Alderman Natarus moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:
