- (e) All C.P.D. officers participating in S.E.P. shall have had standard police officer training. The C.H.A. special detail shall have full authorization to enter into C.H.A. properties with full rights to enforce law and order and to protect all C.H.A. residents, employees and properties.

Special Order entitled "Voluntary Special Employment Program" or any amendment thereto or modification thereof promulgated by the Superintendent of Police, provided that any such special order or amendment thereto or modification thereof will only permit officers to participate in this C.H.A. special detail when they are on furlough, regular day off, day off due to holiday, personal day or compensatory time.

2. Operations. C.H.A. shall establish overall goals and objectives for the C.H.A. special details. The C.H.A. shall determine those C.H.A. properties to be patrolled by this C.H.A. special detail. In addition, the following shall govern operations of this C.H.A. special detail:

- (b) All calls for police service will be received, processed and dispatched in accordance with the policies and procedures of the C.P.D.
- (c) The C.P.D. shall maintain separate daily logs and statistics on C.H.A. crimes, incidents, arrests, service requests and any activity performed by this special detail relating to such incidents. The C.H.A. shall have the right, upon reasonable notice to the C.P.D., to inspect and copy the above daily logs and statistics. It will be the responsibility of the C.P.D. to forward a summary of said data to the C.H.A. on a monthly basis.
- (d) The Commander of the Public Housing Section of the C.P.D. shall have ongoing meetings and dialogue with C.H.A. representatives to discuss areas of concern relating to incidents that affect residents, employees, and properties of C.H.A.

Stateway Gardens, and the Washington Park Homes, or any other developments determined by the C.H.A. in consultation with the C.P.D., so long as the number of developments does not exceed eight Public Housing developments.

- (g) Each development or combination of developments shall be assigned at least one (1) sergeant who shall be the supervisor for that development. In the event of a lack of sufficient supervisory personnel, the supervisory personnel, subject to the availability of C.P.D. vehicles, shall be mobile, per the judgment of the C.P.D. generally, and specifically the Commander of the Public Housing Section, or his designee.
- (h) Those assigned to the C.P.D. foot patrol beats will maintain a high level of visibility, and shall patrol lobbies, laundry rooms, elevators, outside areas, and vacant apartments as necessary. Under no circumstances shall the C.P.D. foot patrol units be assigned or assume any custodial responsibilities for C.H.A. buildings or land. Keys for vacant apartments shall be provided to C.P.D. by C.H.A. and after use returned to the C.H.A.
- (i) Each foot patrol unit shall be informed by C.P.D. supervisory personnel of any "Special Attention Notice(s)", identifying buildings, conditions or locations on their beat which require special attention because of known or suspected criminal activity or other identified problems.
- (j) A beat is assigned a foot patrol unit who will then be stationed in that beat area, leaving only in the event of emergency, such as acting as a back-up unit. Under such conditions, their police supervisor is to be notified in accordance with C.P.D. guidelines.

3. Radio. The C.H.A. shall furnish the C.P.D. with a C.H.A. radio at Public Housing Section, South Unit, which is capable of communicating with the C.H.A. Emergency Services Communication Center (C.H.A. E.S.) dispatcher. This radio shall be used solely for communications between the C.H.A. E.S. dispatcher and a supervisor assigned to the Public Housing Section, South Unit facility. C.H.A. shall be solely responsible for the maintenance and repair of this radio, its batteries and charger. C.H.A. will replace this radio if lost or destroyed. Upon the expiration or termination of this Agreement, the radio, its batteries and charger will be promptly returned to the C.H.A. All C.H.A. property may have a C.H.A. decal attached thereto.

4. Vehicles. Subject to their availability for use on the special detail, C.P.D. agrees to provide up to eight (8) police vehicles for limited use by supervisory personnel on this special detail, as determined by the C.P.D. These vehicles shall remain the property of the

C.P.D. and the C.H.A. will be responsible for providing fuel, maintenance and repair, and for assignment of the vehicles.

5. Emergencies. Nothing contained herein shall preclude the emergency use of C.H.A. special detail officers, equipment or vehicles referred to herein in any manner at the direction of the C.P.D.

6. Compensation of C.H.A. Special Detail. The officers on this C.H.A. special detail shall be paid wages for their work hereunder at a rate equal to the then-current straight time rate which they normally would receive for their regular employment with C.P.D., except in those instances where payment of overtime and/or premium pay, if any, is provided for by the C.P.D.'s General and/or Special Orders, or where such payment, if any, is otherwise required by law. The C.P.D. shall establish procedures for the officers to receive their pay for this C.H.A. special detail through the C.P.D.'s payroll system.

7. Reimbursement by C.H.A. Provided that in no event shall C.H.A. reimburse the C.P.D. more than \$1,484,032.00 for the remainder of this calendar year, C.H.A. shall be responsible for reimbursing C.P.D. for all wages paid under paragraph 6 herein, including any premium and/or overtime pay, if any, plus ten percent (10%) of those wages, said ten percent (10%) being deemed to cover:

- (a) Pay for court appearances relating to work on the C.H.A. special detail;
- (b) Pay for time lost and medical benefits paid due to injury while engaged in work as part of a C.H.A. special detail;
- (c) Administrative overhead.

Upon execution of this Agreement, the C.P.D. will submit an invoice to the C.H.A., which shall be promptly paid, for a sum equal to forty-five days wages for the C.H.A. special details. Thereafter, on a monthly basis, the C.P.D. will submit an invoice to the C.H.A. for reimbursement of said wages earned plus said percentage. C.H.A. will reimburse the C.P.D. within thirty (30) days of receipt of said invoices, provided that the C.H.A. shall replenish the amount originally advanced so as to maintain at all times a balance as security for payment of wages and costs hereunder, equal to the amount originally advanced. Upon expiration of the Agreement, or its earlier termination, for any reason, the C.P.D. shall promptly return to the C.H.A. any excess monies held by the C.P.D. as security for such wages and costs.

8. Labor Guidelines. Under no circumstances shall C.H.A. be considered a party to the collective bargaining agreement between the City of Chicago and the Fraternal Order of Police (F.O.P.). C.H.A. understands that this Agreement is subject to General and/or Special Orders of the C.P.D. governing the Voluntary Special Employment Program, including the provisions relating to officers' compensation. The C.P.D. believes that the officers in the C.H.A. special details are not and shall not be legally entitled to any additional overtime or premium compensation for their work hereunder under any collective bargaining agreement or any federal, state or local law or judicial ruling.

9. Indemnification by C.H.A. Upon receipt of reasonable notice of a claim or suit seeking additional compensation alleged or claimed to be due to any officers employed on the special detail for overtime or premium compensation which in any manner result from, arise out of, or are connected with work performed by these officers on the C.H.A. special details, the C.H.A. shall indemnify and hold harmless the City of Chicago, the C.P.D., and each of their officers, agents and employees from, for, and against, and agrees to defend same from and against, any and all suits, claims, grievances, damages, costs, expenses, judgments and/or liabilities, including costs of defense and reasonable attorney's fees, and further agrees to pay any settlement entered into or on behalf of, or judgment entered against, the foregoing individuals and/or entities, for any additional compensation.

Any liability on the part of C.H.A. for overtime shall not include liquidated damages in excess of actual damages for overtime pay under 29 U.S.C. § 216, which in any manner results from, arises out of, or are connected with work performed on C.H.A. special details. This obligation of the C.H.A., pursuant to this paragraph, to reimburse, indemnify and hold harmless is not limited to the \$1,484,032.00 referenced in Section 7.

10. Compensation Indemnification Procedures. In such instances where the City of Chicago, the C.P.D. and/or their officers, agents and employees are entitled to be indemnified and held harmless with respect to such overtime or premium compensation claims against them, the parties further agree as follows:

- (a) Such party(ies) shall have a right to counsel.
- (b) In grievance and arbitration proceedings, the Corporation Counsel of the City of Chicago shall act as counsel and direct the defense, or at his option, appoint outside counsel, and in the latter instance, the City of Chicago will be responsible for the payment of attorney's fees, but not the other costs of defense.
- (c) The City of Chicago, with the approval of the C.H.A. which will not be unreasonably withheld, is authorized to settle such grievance and/or arbitration proceedings, and the C.H.A. will be responsible for payment of those settlements. The service of notice of the settlement of any of the aforesaid claims shall be upon the C.H.A. by certified mail, and the failure of the C.H.A. to respond in writing within thirty (30) days from the date of receipt, shall constitute approval of the settlement by the C.H.A.
- (d) Except as otherwise provided above, in all other matters, counsel shall be selected by the C.H.A. in consultation with the Corporation Counsel of the City of Chicago, and the C.H.A. will also direct the defense of the claim in consultation with the Corporation Counsel of the City of Chicago.
- (e) If any claim against the City of Chicago or any of its officers, agents, or employees is made for overtime or premium compensation wherein liquidated damages are sought pursuant to 29 U.S.C. § 216, and where the claim results from, arises out of or is connected with work performed by officers on C.H.A. special details, the Corporation Counsel of the City of Chicago, at the expense of the City of Chicago, may appoint counsel and direct the defense of said claim for liquidated damages.

This will not affect the C.H.A.'s obligation to assume the representation and/or defense of claims for actual damages and to pay for settlements or awards based on said claims.

In any instance where the Office of the Corporation Counsel of the City of Chicago is designated to defend the claim pursuant to the above provisions, the C.H.A. will assume the costs and expenses of defending the litigation, but will not reimburse the City of Chicago for time spent by the Corporation Counsel's Office in defending the claim.

11. *Indemnification by City of Chicago.* Upon receipt of reasonable notice of a claim or suit, based on the theory of *respondeat superior* for the action of C.P.D. officers while performing duties on the C.H.A. special detail as part of the C.P.D.'s S.E.P., the City of Chicago shall indemnify and hold harmless the C.H.A. and any of its officers, agents, or employees from, for, and against, and agrees to defend same from and against, any and all suits, claims, grievances, damages, costs, expenses, judgments and/or liabilities, including costs of defense and reasonable attorney's fees, and further agrees to pay any settlement entered into or on behalf of, or judgment entered against, the foregoing individuals and/or entities, excluding punitive damages. The City of Chicago shall not assume the representation nor the defense of claims based on any theory other than *respondeat superior*, and shall not pay any settlements or awards based on such claims.

12. *Respondeat Superior Indemnification Procedures.* In such instances where the C.H.A. or any of its officers, agents and employees are entitled to be indemnified, and held harmless with respect to *respondeat superior* claims against them, the parties further agree as follows:

- (a) Such party(ies) shall have a right to counsel
- (b) Such counsel shall be selected by the Corporation Counsel of the City of Chicago, who will also be responsible for directing the defense of the claim.

The C.H.A., its officers, agents and employees are obligated to cooperate with the City of Chicago during the course of the investigation, administration and/or litigation of any tort or civil rights claim. Failure to cooperate with the City of Chicago during the course of the investigation, administration or litigation of claims extinguishes any obligation of the City of Chicago hereunder to represent and/or defend against the claim or to pay for any settlement or award based on such claim with regard to the C.H.A. and/or the non-cooperating officer, agent or employee.

13. *Claims Against Special Detail.* The City of Chicago, upon receipt of reasonable notice of a claim or suit, shall be responsible for, hold officers harmless from, and pay for damages or monies which may be adjudged, assessed, otherwise levied against any officer working on a C.H.A. special detail pursuant to the C.P.D.'s S.E.P., subject to the conditions set forth herein and excluding punitive damages. These officers shall have legal representation by the City of Chicago in any civil cause of action brought against an officer resulting from or arising out of the performance of duties on a C.H.A. special detail. The City of Chicago will provide the protections set forth above so long as the officer is acting within the scope of his/her employment on the C.H.A. special detail and the officer

cooperates with the City of Chicago during the course of the investigation, administration and/or litigation of the claim.

The City of Chicago shall not assume the representation and/or defense of any of the aforementioned claims if it is determined by the City of Chicago that the officer alleged to have committed the tortious act or violation of civil rights was acting outside the scope of his/her employment on the special detail, was not acting in the performance of duties of the special detail, or is deemed to have acted in a willful and wanton manner, nor shall the City of Chicago pay any settlements or awards based on such claims. The City of Chicago shall have the sole right to determine whether or not the officer was working within the scope of his/her employment or performance of duty on the C.H.A. special detail or acted in a willful and wanton manner.

14. Consents. Whenever the consent or approval of one or both parties to this Agreement is required hereunder, such consent or approval shall not be unreasonably withheld.

15. Notices. Notice to the C.H.A. of pending claims as provided for in paragraph 9 shall be addressed to:

General Counsel
Chicago Housing Authority
22 W. Madison St.
Chicago, Illinois 60602

Notice to the City of Chicago of pending claims as provided for in paragraphs 11 and 13 shall be addressed to:

121 North LaSalle Street
Chicago, Illinois 60602

All notices shall be sent, at a minimum, by first class mail, postage prepaid.

16. No Waivers. It is understood and agreed that nothing contained herein is intended or should be construed as in any way affecting the status of the C.H.A. and City of Chicago as separate, independent and distinct municipal corporations under Illinois or any other law. It is further understood and agreed that the entry into this Agreement by the City of Chicago or the C.H.A. shall not operate or be construed as a waiver of any rights, claims or actions they may have against the other, including but not limited to any claims resulting from the providing of officers to the C.H.A. pursuant to the C.P.D. S.E.P. prior to the execution of this Agreement.

17. Term and Extension. This Agreement shall expire on December 31, 1987. This Agreement may be extended by execution of a written Agreement for extension, or execution of a written Agreement substantially similar to this Agreement. In no event can this Agreement be extended without written consent of the parties, and no extension may arise out of performance of the terms of this Agreement after expiration, if any, the parties

agreeing that in such event the performance shall be deemed a mere accommodation in the interest of public safety.

18. Termination. It is the intent of each party to this Agreement that its commitments made hereunder be conditioned upon satisfactory performance of the commitments made by the other party hereto. Each party shall have the right to terminate this Agreement if the other fails or refuses to honor any of its commitments under this Agreement. Otherwise, this Agreement may be terminated by either party upon the giving of ninety (90) days prior written notice. Upon termination of this Agreement, the C.P.D. shall have no obligation to continue to provide officers for, or otherwise administer this special C.H.A. detail provided for herein.

19. Governing Law. This Agreement shall be governed by the laws of the State of Illinois.

20. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original.

EXPRESSION OF CITY COUNCIL OPPOSITION TO
COMMONWEALTH EDISON RATE
PLAN PROPOSAL.

On motion of Alderman T. Evans, the City Council took up for consideration the report of the Committee on Energy, Environmental Protection and Public Utilities, deferred and published in the Journal of the Proceedings of June 24, 1987, pages 1493 and 1494, recommending that the City Council adopt a proposed resolution opposing the Commonwealth Edison Rate Plan Proposal and urging an exploration of alternatives.

On motion of Alderman Rush, the said proposed resolution was *Adopted* by yeas and nays as follows:

Yeas -- Aldermen Rush, T. Evans, Bloom, Sawyer, Caldwell, Shaw, Fary, Carter, Langford, Streeter, Kellam, Sheahan, Jones, J. Evans, Garcia, Krystyniak, Henry, Butler, Smith, Davis, Hagopian, Figueroa, Gabinski, Austin, Banks, Giles, Pucinski, Natarus, Eisendrath, Shiller, Schulter, Osterman, Orr, Stone -- 34.

Nays -- Alderman Burke -- 1.

The following is said resolution as adopted:

WHEREAS, Commonwealth Edison has proposed a rate plan with a price tag of at least \$3.3 billion; and

WHEREAS, The proposal would demand of the City of Chicago and consumer groups that they drop on-going legal actions against Commonwealth Edison which would provide a benefit to consumers of billions of dollars; and

WHEREAS, The proposal would have consumers pay for three new nuclear power plants whether they ever produce power or not; and

WHEREAS, The proposal would take the three new nuclear plants out of the jurisdiction of the Illinois Commerce Commission, which has become increasingly responsive to consumer interests, and put them under the jurisdiction of the Federal Energy Regulatory

Commission which, historically, has been far more generous to utilities than the I.C.C.; and

WHEREAS, It is important to facilitate the process of negotiation begun in good faith by Commonwealth Edison and aided by the diligent efforts of this Administration to seek the best possible proposal for consumers: now, therefore,

Be It Resolved, That the City Council of the City of Chicago oppose Commonwealth Edison's rate plan as currently proposed: and

Be It Further Resolved, That the City Council Committee on Energy, Environmental Protection and Public Utilities initiate hearings to explore alternatives and facilitate the Administration's efforts towards seeking a proposal that would best promote a fair rate structure, economic development, and job creation in Chicago.
