1. Purpose.

The purpose of C.U.A.N. is to establish and maintain facilities to receive and transmit information to and from persons, firms, corporations and other entities intending to undertake activities (including, but not limited to, excavating, drilling, blasting, or otherwise disturbing the subsurface of the earth) which might interfere with or damage Members' Underground Facilities (as hereinafter defined), and to forward information to Members having Underground Facilities which might be affected by the proposed activity.

## 2. Membership.

(a) All owners and operators of underground utility facilities, including, without limitation, all television and electrical cable, sewer, gas, telephone and water lines and pipes and other conduits (the "Underground Facilities") within the City of Chicago, are eligible to become members of C.U.A.N.

(b) The Advisory Board (as hereinafter defined) may accept a new applicant for membership who:

## 3. Organization.

(a) C.U.A.N. shall be governed by an Advisory Board consisting of one representative of each Member. Each representative on the Advisory Board shall have one vote for each percent of Operating Expenses that it is obligated to pay pursuant to Section 2.07 of the Operating Guidelines on any action undertaken by the Advisory Board. Unless otherwise stated herein, the act of representatives having a majority of all votes entitled to be cast shall be the act of the Advisory Board. The Advisory Board shall have final approval over all matters pertaining to the following:

- (1) the nature and extent of C.U.A.N.'s activities;
- (2) the C.U.A.N. Operating Guidelines;
- (3) the C.U.A.N. budget;
- (4) additions to or changes in the membership of C.U.A.N.;
- (5) the rights and duties of new C.U.A.N. members; and
- (6) General Policies relating to day to day operations.

(b) Participation in C.U.A.N. shall be contingent upon each Member's obtaining such regulatory authorizations, consents, permits and orders as may be necessary or required.

(c) The day to day operations of C.U.A.N. shall be conducted by the Department of Public Works of the City of Chicago ("D.P.W.") as long as the City is a Member of C.U.A.N. and retains voting rights on the Advisory Board.

(d) Operating expenses shall be prorated among Members as set forth in Section 2.07 of the Operating Guidelines. Operating expenses ("Operating Expenses") shall include, without limitation, Capital Costs (as hereinafter defined), such costs as supplies, advertising, and compensation of permanent and temporary City employees (including overhead, wages and employee benefits) or independent contractors operating the C.U.A.N., and other incidental expenses which are incurred in the administration, maintenance, or operation of the C.U.A.N. Call Center. "Capital Costs" shall include the cost of computer equipment, software and related facilities which are acquired or leased by D.P.W. and which are necessary to the operation of C.U.A.N.

Operating Expenses shall not include access and message unit charges imposed by Illinois Bell Telephone Company for use of telephone lines to transmit C.U.A.N. messages. Members shall be billed separately for such charges pursuant to Section 2.08 of the Operating Guidelines.

(e) Each Member shall bear the cost of computer equipment, software and related facilities required by the Member to connect to the C.U.A.N. system. D.P.W. shall submit to the Advisory Board for approval any change in the design or operation of the C.U.A.N. system that would require a change in a Member's computer equipment, software and related equipment.

(f) D.P.W. shall adjust the percentages used for assessing Members upon the admission of a new Member or the voluntary or involuntary withdrawal or discharge of an existing Member, which adjusted percentages shall be subject to the approval of the Advisory Board.

(g) Members shall be responsible for all wages and other employee compensation and expenses of their representatives to the Advisory Board.

#### 4. Financing.

On or before November 15 of each year, D.P.W. shall prepare and submit to the Advisory Board a budget and program covering C.U.A.N.'s anticipated Operating Expenses and proposed activities for the following year. Such budget and program shall not become effective unless approved by a majority of all the votes entitled to be cast by the Advisory Board. If D.P.W. proposes to increase C.U.A.N.'s budget during the course of the year, the revised budget shall be submitted to the Advisory Board for its review and approval at least 45 days in advance of the effective date.

#### 5. Indemnification.

Except as set forth in Section 10(a), each Member shall indemnify and hold others Members, their employees and agents harmless from and against any and all liability or expense, including court costs and attorney's fees, for injury to person or damage to property, which liability or expense shall result from or be attributable to the willful or negligent acts or omissions of the indemnifying Member, its employees or agents while carrying on activities associated with C.U.A.N.

#### 6. Operating Guidelines.

Operating Guidelines for C.U.A.N. are attached hereto and by this reference made a part hereof. The Operating Guidelines may be amended only by a majority of all the votes entitled to be cast by the Advisory Board.

7. Discharge Of Member From C.U.A.N.

D.P.W. shall bill Members quarterly pursuant to Sections 2.07 and 2.08 of the C.U.A.N. Operating Guidelines. Members shall pay bills for services within thirty (30) days of receipt. In the event that a Member has failed to pay its bill within forty-five (45) days of receipt, the Advisory Board on its own motion may, or D.P.W. may, upon 2 business days' written notice to the delinquent Member, terminate the Member's right to receive Dig Notices under Section 3.01(b) of the Operating Guidelines.

In the event that a Member's bill has not been paid within sixty (60) days of receipt, D.P.W. may notify the Advisory Board of the delinquency and request the Advisory Board to meet, or on its own motion the Advisory Board may proceed to meet, for the purpose of determining whether to discharge the Member from C.U.A.N. D.P.W. shall send the delinquent Member a copy of the request to the Advisory Board.

The Advisory Board shall set the matter for a meeting within ten (10) days of the delivery of the request by D.P.W. or the Advisory Board's motion to hold the meeting. The delinquent Member shall be notified in writing of the date, time and place of the Advisory Board meeting at least three (3) days in advance thereof. At the Advisory Board meeting D.P.W., or if D.P.W. chooses not to, any person selected by the Advisory Board, shall establish the delinquency of the Member and the delinquent Member shall have the opportunity, if it so desires, to respond.

Within five (5) days after the meeting of the Advisory Board held to consider a Member's delinquency, the Advisory Board shall determine:

- (a) Whether the Member is delinquent in the payment of its bill;
- (b) Whether the delinquency is sufficient to warrant a discharge from membership in C.U.A.N.;
- (c) Whether the delinquent Member should be immediately discharged from C.U.A.N. or, in the alternative, be given additional time, not to exceed ninety (90) days, to make full and complete payment on its outstanding delinquent bill including interest at a rate determined by the Advisory Board, such interest not to be less than 10% on an annual basis, accruing from the date of the Advisory Board's determination of delinquency. Failure by the delinquent Member to render payment in full, as described above, within the time allotted by the Advisory Board shall result in immediate discharge of said Member without further action by the Advisory Board.

It is understood and agreed by all the parties hereto that no delinquency shall exist and no interest shall be paid with respect to any charges relating to any period prior to the date of execution and delivery of this Agreement (the "pre- Agreement Charges"). Payment and billing arrangements with respect to the pre-Agreement Charges shall be agreed to by separate mutual agreements between the City and each other Member hereto.

A Member found delinquent by a majority of all the votes entitled to be cast by the Advisory Board (other than the offending Member) shall not be subject to immediate discharge unless 75% of the votes of all the Members of the Advisory Board other than those of the offending Member concur in said immediate discharge. The offending Member shall not sit or have any vote on the Advisory Board in its deliberations on the delinquency of such Member. Notwithstanding anything to the contrary herein, the delinquent Member shall remain fully obligated for all unpaid bills and interest thereon and such delinquent share of Operating Expenses incurred by C.U.A.N. through the end of two quarters next succeeding the quarter in which such Member is discharged.

#### 8. Withdrawal.

A Member may withdraw from C.U.A.N. at the end of a quarter by delivering written notice thereof to the Advisory Board at least thirty (30) days prior to the end of such quarter. Such withdrawal, however, shall not relieve the Member of the responsibility of paying its proportionate share (as determined by the percentages set forth in Section 2.07 of the Operating Guidelines) of any Operating Expenses incurred by C.U.A.N. through the end of the quarter succeeding the quarter in which the Member withdraws provided that such Operating Expenses are incurred pursuant to a budget which the Advisory Board has approved under Section 4 hereof.

#### 9. Termination.

The Advisory Board may terminate C.U.A.N. upon giving written notice thereof to the Members. In the event that C.U.A.N. is terminated, any funds of C.U.A.N. not needed for the payment of its debts and the orderly cessation of its affairs shall be distributed to the Members in proportion to their respective shares of the Operating Expenses at the time the funds were provided. In addition, any funds required for the payment of C.U.A.N.'s debts and the orderly cessation of its affairs shall be obtained from the Members in proportion to their share of the Operating Expenses at the time the debts were incurred. The obligations contained in this Section 9 shall survive the termination of this Agreement.

#### 10. Waiver.

(a) Each Member hereby waives any right or action against the City or D.P.W. and any of their employees or agents for any loss, cost, expense or damage to such Member or to its property due to or arising out of City or D.P.W.'s negligence in connection with the City or D.P.W.'s conduct of the day to day operations of C.U.A.N. under this Agreement. As used herein, "day to day operations of C.U.A.N." does not include the actions or omissions arising in connection with each Member's responsibilities set forth in Sections 4.05 and 4.06 of the Operating Guidelines.

(b) Each Member hereby waives any right or action against C.U.A.N. for any loss, cost, expense or damage to such Member or to its property due to or arising out of this Agreement or any action or inaction associated with C.U.A.N. activities.

(c) Except as set forth under Sections 10(a) and (b) hereof, nothing in this Agreement shall prevent any Member from seeking recovery at law or equity against any other

Member for injury to person or damage to property resulting from or attributable to the willful or negligent act or omission of such other Member, its employees or agents.

In Witness Whereof, the Members have caused this instrument to be duly executed on the day and year first above written.

Respectfully submitted,  
(Signed) BOBBY RUSH;  
*Chairman.*

The following is said proposed resolution transmitted with the foregoing committee report:

WHEREAS, The House Ways and Means Committee, chaired by Representative Dan Rostenkowski, approved an amendment to a tax bill that would limit a municipality's ability to acquire the assets of utility companies; and

*Be It Resolved*, That the City Council of the City of Chicago join with the City Council of New Orleans in expressing its concern with any proposal to limit the City's options at a time when high electric rates threaten our neighborhoods and our businesses and urges Representative Rostenkowski to withdraw the proposed amendment.
