***Rules Suspended -- CONGRATULATIONS EXTENDED TO CHICAGO
POLICE OFFICERS THOMAS FLANAGAN AND JOSEPHINE

Very truly yours,

(Signed) RICHARD M. DALEY,

Alderman Burke moved to *Suspend the Rules Temporarily* for the immediate consideration of and action upon the said proposed resolution. The motion *Prevailed*.

The following is said proposed resolution:

WHEREAS, Two Chicago police officers, Officer Thomas Flanagan and Officer Josephine Tovar, rushed into a burning house on the south side early Christmas day and rescued a two-year-old girl, Michalae Johnson; and

WHEREAS, The police officers ran back into the house, found her in a bedroom, and fled out the front door with the child; and

WHEREAS, The second floor of the two-story frame house, in the 11600 block of Stewart Avenue, was severely damaged by the fire, and the family had to be given shelter by the City's Department of Human Services; and

WHEREAS, Officer Thomas Flanagan, thirty-three, and Officer Josephine Tovar, forty-one, performed above and beyond the call of duty, giving of themselves courageously; now, therefore,

On behalf of the City of Chicago, the Mayor is hereby authorized to enter into and execute, the City Clerk to attest and the Corporation Counsel to review as to form and legality, an Intergovernmental Cooperation Agreement between the Chicago Transit Authority and the City of Chicago, the agreement to be in substantially the same form as the agreement attached hereto as Exhibit 1.

Exhibit 1 attached to this ordinance reads as follows:

Exhibit "1".

*1992 C. T. A. Security Agreement
Intergovernmental Cooperation Agreement.*

This Agreement, made and entered into as of the ____ day of _____, 1992, by and between the City of Chicago, a home rule municipality and

municipal corporation organized and existing under and by virtue of the Constitution and laws of the State of Illinois, through its Department of Police (hereinafter referred to as the "C.P.D."), and the Chicago Transit Authority, a municipal corporation and unit of local government organized and existing under and by virtue of the Constitution and laws of the State of Illinois (hereinafter referred to as the "C.T.A.").

Witnesseth:

Whereas, The legislature of the State of Illinois approved on April 12, 1945, the Metropolitan Transit Authority Act creating the Chicago Transit Authority as a municipal corporation for the purpose of public ownership and operation of a transportation system in the metropolitan area of Cook County; and

Whereas, The security of C.T.A. passengers, employees and property is a matter of public concern, and the provision of such security is in the public interest; and

Whereas, Both the C.T.A. and C.P.D. desire to develop a long range strategy for the provision of such security to C.T.A. passengers, employees and property; and

Whereas, The C.P.D. Voluntary Special Employment Program allows sworn officers to volunteer to work during off-duty hours for municipal corporations separate and independent from the City of Chicago; and

Whereas, In furtherance of the provision of security to C.T.A. passengers, employees and property, the C.T.A. and the City of Chicago shall continue the C.P.D. Voluntary Special Employment Program with the addition of regularly assigned, full-time C.P.D. supervisory personnel; and

Whereas, The C.T.A. and City of Chicago are separate and independent municipal corporations authorized to enter into this Agreement under the Constitution and the laws of the State of Illinois in accordance with the provisions of the Intergovernmental Cooperation Act, Chapter 127, paragraph 741 et seq. of the Illinois Revised Statutes (1989), as amended;

Now, Therefore, In consideration of the covenants and mutual agreements herein contained, the parties hereto agree as follows:

1. Existing C.P.D. Services. The existing special details of C.P.D. officers engaged in voluntary special employment for the C.T.A. dedicated to enforcing law and order on C.T.A. vehicles and properties, shall be continued under this Agreement. In addition to C.P.D. officers engaged in voluntary special employment, full-time, regularly assigned C.P.D.

supervisors shall also be deployed for the purpose of and shall be responsible for protecting C.T.A. passengers, employees and property.

2. C.T.A. Special Employment. This Agreement involves the C.P.D.'s Voluntary Special Employment Program (hereinafter referred to as "S.E.P.") which is being used to provide security on C.T.A. surface vehicles and shall not obligate, alter or otherwise affect the C.P.D.'s ability to exercise its discretion in deploying officers of the Public Transportation Section of the C.P.D. or any other section or assignment with the C.P.D.. Pursuant to this Agreement to provide security on C.T.A. surface vehicles the C.P.D. agrees as follows:

- (a) The C.P.D. will assign C.P.D. officers on a daily basis, on such C.T.A. rail lines, surface vehicles, routes and locations as requested by C.T.A. and approved by the C.P.D..
- (b) The C.P.D. will facilitate the employment of C.P.D. officers on special details, on a daily basis, solely at each individual's option under the S.E.P.. - (c) Subject to the availability of officers and equipment and subject further to availability of funds, the C.P.D. will provide twenty-four (24) hour service, including weekends and holidays.
- (d) The number of C.P.D. officers assigned to C.T.A. may vary from time to time for reasons including, but not limited to, availability of a sufficient number of officers, radios and vehicles but generally will be a total complement of one-hundred (100) police officers working S.E.P. daily. On weekends and holidays there generally will be a total complement of seventy-three (73) police officers working S.E.P.. There generally will be twenty-two (22) Sergeants and one (1) Lieutenant assigned to supervise S.E.P. police officers over the course of a week. In the event that the number of S.E.P. participants on duty on any day shall be less than eighty (80) or in the event that the number of S.E.P. participants on duty on any weekend day or holiday shall be less than fifty (50), the C.P.D. shall provide C.T.A. with written notification of such shortage and the reasons therefor by 0900 hours on the day of such shortage or as soon thereafter as reasonable. Attached hereto for illustrative purposes is Exhibit A, which summarizes the parties' understanding of a typical deployment schedule pursuant to this Agreement under subparagraph 2(d).

- (e) The C.P.D. officers shall have full authorization to enter into or on all C.T.A. vehicles and properties with full rights to enforce law and order and to protect all C.T.A. passengers, employees and property.
- (f) The number of C.P.D. officers provided for herein shall be in addition to the C.P.D. officers in the Public Transportation Section of the C.P.D. currently serving the general public of the City of Chicago, including passengers on the C.T.A.
- (g) Participants in the C.T.A. special details shall be subject to the C.P.D. Special Order, Voluntary Special Employment Program or any amendment thereto or modification thereof promulgated by the Superintendent of Police, provided that any such special order or amendment thereto or modification thereof will only permit officers to participate in the C.T.A. special details when they are on furlough, regular day off, day off due to holiday, personal day or compensatory time.
- (h) Notwithstanding the provision of subparagraph 2(d) hereof, the Superintendent of Police and the Executive Director or his designee of the C.T.A. may temporarily increase the number of sworn Police personnel in the S.E.P. to meet seasonal or special security needs, and such personnel shall be subject to all the terms of this Agreement. The request for any increase shall be in writing which shall specify the approximate number of personnel, their rank, whether they are in S.E.P. or regularly assigned full-time C.P.D. supervisory personnel, the expected duration of the increase and the seasonal or special security need related to the increase. A copy of the written request shall be delivered by the C.P.D. to the Chairman of the Committee on Finance of the City Council.

3. Operations. C.T.A. shall establish overall goals and objectives for the security of its employees, passengers and property. The C.T.A. may make recommendations as to the locations and routes to be patrolled by the C.P.D. officers and the C.P.D. shall give those recommendations due consideration. Officers on the C.T.A. special details shall continue to be subject to the rules and regulations, practices and procedures, of any and all General and Special Orders and directives, any amendments thereto or modification of such rules and regulations, General Orders, Special Orders and directives, as promulgated by the Superintendent of Police. The daily performance of the C.T.A. special details shall also be monitored by C.T.A. personnel designated by its Chairman or Executive Director. The C.P.D. shall provide a suitable location of operation for the C.T.A. special details. In addition, the following shall govern operations of the C.T.A. special details:

- (a) The C.T.A. shall be responsible for establishing a communication system for C.P.D. officers and for the hiring, compensation and continued employment of dispatchers during the term of this Agreement, and the C.P.D. shall have no responsibility or liability for said dispatchers or their actions.
- (b) The C.P.D. shall maintain weekly deployment schedules and daily logs and statistics on C.T.A. crimes, incidents, arrests and any activity performed by C.P.D. officers relating to such incidents. The C.T.A. shall have the right, upon reasonable notice to the C.P.D., to inspect and copy the above daily logs and statistics. It will be the responsibility of the C.P.D. to forward a summary of said data to the C.T.A. on a monthly basis.
- (c) The Public Transportation Section Commander of the C.P.D. shall have ongoing meetings and dialogue with C.T.A. representatives to discuss areas of concern relating to incidents that affect passengers, employees and properties of C.T.A..

4. Emergencies. Nothing contained herein shall preclude the emergency use of C.P.D. officers or equipment referred to herein in any manner at the direction of the C.P.D..

5. Radios. The C.T.A. shall furnish the C.P.D. with sufficient C.T.A. radios with batteries and chargers. These radios shall be designated for the sole use of the C.P.D. officers participating in the C.T.A. special details under this Agreement. C.T.A. shall be solely responsible for the maintenance and repair of these radios, batteries and chargers. C.T.A. will replace all lost or destroyed radios. Upon the expiration or termination of this Agreement, the radios, batteries and chargers will be promptly returned to the C.T.A. All C.T.A. property, except vehicles, may have a C.T.A. decal attached thereto.

6. Vehicles. C.T.A. shall be responsible for providing sufficient vehicles which meet C.P.D. specifications. These vehicles will be used solely by the special detail for so long as this Agreement remains in effect. The C.P.D. shall provide adequate parking for vehicles provided by the C.T.A. and will be responsible for providing fuel, maintenance and repair. In addition, the following shall apply:

- (a) The City of Chicago holds title and has possession of the vehicles provided by C.T.A. for use by the S.E.P. officers.

- (b) During the term of this Agreement the C.P.D. shall promptly return to the C.T.A. title and possession of any and all vehicles which are permanently out of service. The C.T.A. shall promptly replace, without cost to the City of Chicago, said vehicle(s). Title to any replacement vehicles will be transferred to the City of Chicago upon transfer of possession.

7. Compensation of Officers -- Funded by the C.T.A. Security Agreement. All officers on the C.T.A. special details shall be paid wages for their work hereunder at a rate equal to the then current straight-time rate which they normally would receive for their regular employment with the C.P.D., except in those instances where a retroactive increase or payment of overtime and/or premium pay, if any, is provided for by the C.P.D.'s General and/or Special Orders, or where such payment, if any, is otherwise required by law. The C.P.D. shall establish procedures for the officers to receive their pay for the C.T.A. special detail through the C.P.D.'s payroll system.

8. Reimbursement by C.T.A. Provided that in no event shall C.T.A. reimburse the C.P.D. more than \$7,500,000 per annum, C.T.A. shall be responsible for reimbursing C.P.D. for all wages paid hereunder to all C.P.D. officers providing the additional C.T.A. security, including any retroactive increase, premium and/or overtime pay, if any, plus ten percent (10%) being deemed to cover the following, including but not limited to:

- (a) Pay for court appearances relating to work on the C.T.A. security assignment;
- (b) Pay for time loss and medical benefits paid due to injury while engaged in work as part of the C.T.A. security assignment; and
- (c) Other benefits and administrative overhead.

For regularly assigned full-time C.P.D. supervisory personnel a forty percent (40%) charge to cover a, b and c above will apply.

C.P.D. shall report and account to the C.T.A. on a quarterly basis within 45 days of the end of each quarter quantifying to whatever extent possible a, b, and c above.

Currently, the C.P.D. is in receipt of a sum equal to two months wages for the services provided hereunder. On a monthly basis, the C.P.D. will submit an invoice to the C.T.A. for reimbursement of said wages earned

plus said percentage. C.T.A. will reimburse the C.P.D. within thirty (30) days of receipt of said invoices, provided that the C.T.A. shall replenish the amount originally advanced so as to maintain at all times a balance as security for payment of wages and costs hereunder, equal to the amount originally advanced. Upon expiration of the Agreement, or its earlier termination, for any reason, the C.P.D. shall promptly return to the C.T.A. any excess monies held by the C.P.D. as security for such wages and costs.

9. Labor Guidelines. Under no circumstances shall C.T.A. be considered a party to the collective bargaining agreement between the City of Chicago and the Fraternal Order of Police (F.O.P.). C.T.A. understands that this Agreement is subject to General and/or Special Orders of the C.P.D. governing the Voluntary Special Employment Program, including the provisions relating to officers' compensation. The C.P.D. believes that the officers in the C.T.A. special details are not and shall not be legally entitled to any additional overtime or premium compensation for their work hereunder under any collective bargaining agreement or any federal, state or local law or judicial ruling.

10. Indemnification by C.T.A. Upon receipt of reasonable notice of a claim or suit seeking additional compensation alleged or claimed to be due to any officers employed on the special detail for overtime or premium compensation which in any manner results from, arises out of, or is connected with work performed by these officers on the C.T.A. special details, the C.T.A. shall indemnify and hold harmless the City of Chicago, the C.P.D., and each of their officers, agents and employees from, for, and against, and agrees to defend same from and against, any and all suits, claims, grievances, damages, costs, expenses, judgments and/or liabilities, including costs of defense and reasonable attorneys' fees, and further agrees to pay any settlement entered into or on behalf of, or judgment entered against, the foregoing individuals and/or entities, for any additional compensation.

Any liability on the part of C.T.A. for overtime shall not include liquidated damages in excess of actual damages for overtime pay under 29 U.S.C. §216 which in any manner results from, arises out of, or are connected with work performed on C.T.A. special details. The obligation of the C.T.A., pursuant to this paragraph, to reimburse, indemnify and hold harmless is not limited to the \$7,500,000 per annum referenced in Section 8.

11. Compensation Indemnification Procedures. In such instances where the City of Chicago, the C.P.D. and/or their officers, agents and employees are entitled to be indemnified and held harmless with respect to such overtime or premium compensation claims against them, the parties further agree as follows:

- (a) Such party(ies) shall have a right to counsel.

- (b) In grievance and arbitration proceedings, the Corporation Counsel of the City of Chicago shall act as counsel and direct the defense, or at his option, appoint outside counsel, and in the latter instance, the City of Chicago will be responsible for the payment of attorneys' fees, but not the other costs of defense.
- (c) The City of Chicago, with the approval of the C.T.A. which will not be unreasonably withheld, is authorized to settle such grievance and/or arbitration proceedings, and the C.T.A. will be responsible for payment of those settlements. The service of notice of the settlement of any of the aforesaid claims shall be personal service upon the C.T.A. or by certified mail, and the failure of the C.T.A. to respond in writing within thirty (30) days from the date of receipt, shall constitute approval of the settlement by the C.T.A.
- (d) Except as otherwise provided above, in all other matters, counsel shall be selected by the C.T.A. in consultation with the Corporation Counsel of the City of Chicago, and the C.T.A. will also direct the defense of the claim in consultation with the Corporation Counsel of the City of Chicago.
- (e) If any claim against the City of Chicago or any of its officers, agents, or employees is made for overtime or premium compensation wherein liquidated damages are sought pursuant to 29 U.S.C. §216, and where the claim results from, arises out of or is connected with work performed by officers pursuant to this Agreement, the Corporation Counsel of the City of Chicago, at the expense of the City of Chicago, may appoint counsel and direct the defense of said claim for liquidated damages. This will not affect the C.T.A.'s obligation to assume the representation and/or defense of claims for actual damages and to pay for settlements or awards based on said claims.

In any instance where the Office of the Corporation Counsel of the City of Chicago is designated to defend the claim pursuant to the above provisions, the C.T.A. will assume the costs and expenses of defending the litigation, but will not reimburse the City of Chicago for time spent by the Corporation Counsel's Office in defending the claim.

12. Indemnification by City of Chicago. Upon receipt of reasonable notice of a claim or suit, solely upon the action of C.P.D. officers while performing duties hereunder, the City of Chicago shall indemnify and hold harmless the C.T.A. and any of its officers, agents, or employees from,

for, and against, and agrees to defend same from and against, any and all suits, claims, grievances, damages, costs, expenses, judgments and/or liabilities, including costs of defense and reasonable attorney's fees, and further agrees to pay any settlement entered into or on behalf of, or judgment entered against, the foregoing individuals and/or entities, excluding punitive damages. The City of Chicago shall not assume the representation, pay any settlements or award(s) based on any such claims, nor defend nor indemnify the C.T.A. or any of its officers, agents, or employees from, for, and against, claims based on any theory other than one based solely upon the actions of the C.P.D. officers performing their duties under this agreement nor where the standard alleged is a breach of duty of a common carrier which invokes the highest degree of care for passengers.

13. **Respondeat Superior Indemnification Procedures.** In such instances where the C.T.A. or any of its officers, agents and employees are entitled to be indemnified, and held harmless with respect to any claim or suit based solely upon the actions of the C.P.D. officers while performing duties hereunder, the parties further agree as follows:

- (a) Such party(ies) shall have a right to counsel.
- (b) Such counsel shall be selected by the Corporation Counsel of the City of Chicago, who will also be responsible for directing the defense of the claim.

The C.T.A., its officers, agents and employees are obligated to cooperate with the City of Chicago during the course of the investigation, administration and/or litigation of any tort or civil rights claim. Failure to cooperate with the City of Chicago during the course of the investigation, administration or litigation of claims extinguishes any obligation of the City of Chicago hereunder to represent and/or defend against the claim or to pay for any settlement or award based on such claim with regard to the C.T.A. and/or the non-cooperating officer, agent or employee.

14. **Claims Against Special Detail.** The City of Chicago, upon receipt of reasonable notice of a claim or suit, shall be responsible for, hold officers harmless from and pay for damages or monies which may be adjudged, assessed, or otherwise levied against any officer working on a C.T.A. special detail pursuant to the C.P.D.'s S.E.P., subject to the conditions set forth herein and excluding punitive damages. These officers shall have legal representation by the City of Chicago in any civil cause of action brought against an officer resulting from or arising out of the performance of duties of the special detail. The City of Chicago will provide the protections set forth above so long as the officer is acting within the scope

of his/her employment on the special detail and the officer cooperates with the City during the course of the investigation, administration and/or litigation of the claim.

The City of Chicago shall not assume the representation and/or defense of any of the aforementioned claims if it is determined by the City of Chicago that the officer alleged to have committed the tortious act or violation of civil rights was acting outside that scope of his/her employment of the special detail, was not acting in the performance of duties of the special detail, or is deemed to have acted in a wilful and wanton manner, nor shall the City of Chicago pay any settlements or awards based on such claims. The City of Chicago shall have the sole right to determine whether or not the officer was working within the scope of his/her employment or performance of duty on the special detail or acted in a wilful and wanton manner.

15. Consents. Whenever the consent or approval of one or both parties to this Agreement is required hereunder, such consent or approval shall not be unreasonably withheld.

16. Notices. Notice to the C.T.A. of pending claims as provided for in Paragraph 7 shall be addressed to:

General Attorney
Chicago Transit Authority
Room 429
440 Merchandise Mart Plaza
Chicago, Illinois 60654

All notices shall be sent, at a minimum, by first class mail, postage prepaid.

17. No Waivers. It is understood and agreed that nothing contained herein is intended or should be construed as in any way affecting the status of the C.T.A. and City of Chicago as separate, independent and distinct municipal corporations under Illinois or any other law. It is further understood and agreed that the entry into this Agreement by the

City of Chicago or the C.T.A. shall not operate or be construed as a waiver of any rights, claims or actions they may have against the other, including but not limited to any claims resulting from the providing of officers to the C.T.A. pursuant to this Agreement.

18. Term and Extension. This Agreement shall expire on December 31, 1992. This Agreement may be extended by execution of a written agreement for extension, or execution of a written agreement substantially similar to this Agreement. In no event can this Agreement be extended without written consent of the parties, and no extension may arise out of performance of the terms of this Agreement after expiration, if any, the parties agreeing that in such event the performance shall be deemed a mere accommodation in the interest of public safety. The terms of the Agreement shall remain in force during such accommodation which may be terminated by the C.P.D. without notice.

19. Termination. It is the intent of each party to this Agreement that its commitments made hereunder be conditioned upon satisfactory performance of the commitments made by the other party hereto. Each party shall have the right to terminate this Agreement if the other fails or refuses to honor any of its commitments under this Agreement. Otherwise, this Agreement may be terminated by either party upon the giving of ninety (90) days prior written notice. Upon termination of this Agreement, the C.P.D. shall have no obligation to continue to provide officers for the additional security provided for herein.

20. Governing Law. This Agreement shall be governed by the laws of the State of Illinois. If any provision of this Agreement shall be held or deemed to be or shall in fact be inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions or in all cases because it conflicts with any other provision or provisions hereof or any constitution, statute, ordinance, rule of law, or public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstances, or of rendering any other provision or provisions herein contained invalid, inoperative or unenforceable to any extent whatever. The invalidity of any one or more phrases, sentences, clauses, or sections contained in this Agreement shall not affect the remaining portions of this Agreement or any part hereof.

21. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original.

22. Entire Agreement. This Agreement constitutes the entire agreement between the parties, and cannot be modified or amended except by mutual written agreement of the parties.

23. Separate Entities. It is understood and agreed that nothing herein contained is intended or should be construed as in any way creating or

establishing the relationship of co-partners or joint venturers between the parties hereto, or as constituting C.T.A. or the City of Chicago as representatives of each other for any purpose.

24. Authority. This Agreement is entered into by authority of and in accordance with the provisions of the Intergovernmental Cooperation Act, Chapter 127, Paragraph 741, et seq. of the Illinois Revised Statutes (1989), as amended.

Whereas, Licensor owns and operates the Chicago O'Hare International Airport (hereinafter referred to as "Airport"), situated in the City of Chicago, State of Illinois, containing certain terminal buildings and certain terminal concourses in which retail sales areas are located; and

Whereas, Licensee desires to obtain from Licensor a license to operate a concession with certain privileges and rights in Terminal Building No. 3 of the Airport; and

Whereas, Licensor and Licensee have previously entered into an agreement which was authorized by the Chicago City Council on June 6, 1986 (Council Journal of Proceedings, pages 30743 -- 30769) (hereinafter referred to as "Agreement"), granting Licensee the right to occupy certain premises at the Airport and operate a concession; and

Whereas, The parties have had a dispute regarding payments due from the Licensee to the Licensor pursuant to the Agreement accruing from the effective date of the Agreement; and

Whereas, The parties agree that the Licensee's Percentage License Fee from the effective date of the Agreement through 1991 shall be twenty-three percent (23%), and during that time there shall be no Fixed License Fee or Minimum Guarantee License Fee due to the Licensor, and at that rate through 1991 the Licensee is estimated to be in arrears One Hundred Thirteen Thousand Three Hundred Seventy-four Dollars and Ninety Cents (\$113,374.90); and

Whereas, Prior to and as a condition precedent to execution of this Amendment Licensee will execute a payment agreement in the form attached hereto as Appendix I (hereinafter referred to as "Payment Agreement") in the amount of One Hundred Thirteen Thousand Three Hundred Seventy-four Dollars and Ninety Cents (\$113,374.90) for the arrearage;

Now, Therefore, The parties agree as follows:

1. The above recitals are incorporated herein by reference as if fully set forth below.
2. The Agreement is hereby extended through December 31, 1994 subject to the terms and conditions of the Agreement as modified below.
3. Beginning January 1, 1992, the Percentage License Fee provided for in Article 3, Section A2 shall be twenty percent (20%).

4. Beginning January 1, 1992, the Minimum Guarantee License Fee provided for in Article 3, Section A3 shall be eighty percent (80%) of the actual amount paid in the previous year as Percentage License Fee or the direct proportion of that amount that the elapsed time bears to a full year in the event that the final portion of this Agreement or any extension of it is less than a full year.

5. The parties hereto agree that a certain claim alleged by Licensor to be due from Licensee for certain arrearages accruing from the beginning of the Agreement through 1991 arising under Article 3, Section A of the Agreement (hereinafter referred to as "Licensor's Claim") shall be and are hereby compromised to the sum of One Hundred Thirteen Thousand Three Hundred Seventy-four Dollars and Ninety Cents (\$113,374.90). Licensee agrees to enter into a payment agreement in that amount substantially in the form of Appendix I attached hereto and incorporated herein by reference. Licensee hereby waives and relinquishes any and all rights and claims against Licensor and releases Licensor of any and all liabilities that may have accrued or arisen as a result of Licensor's performance under or pursuant to the Agreement. The failure by the Licensee to: (i) satisfy its obligations under the above-mentioned payment agreement; or (ii) satisfy its obligations regarding a letter of credit contained in Section 20.5 of the Agreement shall constitute a default of this Agreement and shall render the settlement of the Licensor's Claim null and void without affecting the Licensee's release set forth above.

6. Article 3 of the Agreement shall be amended by adding the following as Section G: "In the event that Licensor shall substantially restructure the physical layout of all concession operation spaces in Terminal Building No. 3 so as to significantly modify its formula for the computation and assessment of license fees to be paid by Licensees operating in Terminal Building No. 3, then, at Licensor's request, Licensee shall negotiate in good faith with Licensor relative to the formulation of a mutually acceptable amendment for the provisions of Article 3 relating to the license fee to be charged to Licensee by Licensor".

7. It is understood between the parties that the operation costs referred to in Article 6 of the Agreement includes utilities, and are the responsibility of the Licensee.

8. Article 20.5 requiring a letter of credit shall be inserted as follows:

*"Section 20.5.**Letter Of Credit.***A. Terms Of The Letter Of Credit.**

Prior to or contemporaneously with the expiration of the Concessionaire's Bond in 1992 and in lieu thereof, Licensee shall provide the City with an irrevocable letter of credit in the principal amount of Twenty-six Thousand Two Hundred Ninety-five Dollars (\$26,295) in the form set forth in Exhibit B or as otherwise approved by the Corporation Counsel. Said letter of credit (or a replacement letter of credit pursuant to this Section) shall be provided for the length of this Agreement. Said letter of credit shall be used to ensure the faithful performance by Licensee of all provisions of this Agreement (including Appendix I) and compliance with all orders, permits and directions of any agency, commission, board, department, division or office of the City having jurisdiction over Licensee's acts or defaults under this Agreement and for payment by Licensee of any penalties, liens, claims and taxes due the City which arise by reason of Licensee's acts pursuant to this Agreement. The City shall be entitled to draw on said letter of credit if Licensee: (i) has failed to pay the City in whole or in part the Fixed License Fee, Percentage License Fee, Minimum Guarantee License Fee, or any other fee due the City within the time fixed in this Agreement; (ii) has failed to repay the City in whole or in part within ten (10) days any damages, expenses or cost which the City is compelled to pay by reason of Licensee's act or omission to act in connection with this Agreement; or (iii) has failed after three (3) days notice to Licensee of such failure to comply with any provisions of this Agreement which the Commissioner of Aviation has reasonably determined can be remedied by a draw on the letter of credit. The City shall also be entitled to draw on any such letter of credit which expires (either by its terms or because of nonrenewal) on a date prior to the termination date of this Agreement unless proof to renewal of such letter of credit or a replacement letter of credit in form and substance satisfactory to the City's Corporation Counsel has been furnished to the City's Corporation Counsel at least thirty (30) days prior to the expiration date thereof. Upon sole condition of delivery by City to the issuer of said letter of credit of a demand for payment, purportedly signed by the Commissioner of Aviation, the City can immediately draw up to the amount thereof outstanding, with interest and penalties, if any, from the letter of credit. Upon such draw, the City shall notify Licensee of the amount and date thereof and shall include in such notice the basis pursuant to which the City's right to draw has been exercised. If

amounts are drawn under the letter of credit, Licensee shall take such actions as may be necessary to maintain such letter of credit at full amount within three (3) days of notification by the City of its withdrawal against such letter of credit. The rights reserved to the City under such letter of credit shall be in addition to any rights it may have pursuant to this Agreement or under law.

B. Qualified Issuers.

The letter of credit called for in this Agreement shall be issued by companies or financial institutions authorized to do business in Illinois, satisfactory to the City Comptroller, and which have an office in the City of Chicago where the City may draw on the letter of credit. The City also reserves the right to stop the Licensee from operating as provided for in this Agreement unless such letter of credit is in place and effective.

C. Right To Require Replacement Of Letter Of Credit.

If the financial condition of any letter of credit issuer issuing the letter of credit materially and adversely changes, the City may, at any time, require that such letter of credit be replaced with a letter of credit consistent with the requirements set forth in this Section.

D. No Excuse From Performance.

None of the provisions contained herein nor the letter of credit required herein shall be construed to excuse the faithful performance by Licensee of the terms and conditions of this Agreement or limit the liability of Licensee under this Agreement for any and all damages in excess of the amounts of such letter of credit."

9. Article 25 of the Agreement shall be amended by replacing the last sentence with the following: "In the event the Licensee is relocated, the Licensee shall be responsible for all costs arising from such relocation, including but not limited to moving and capital improvement costs."

10. In all other respects, the said Agreement shall remain in full force and effect in accordance with the terms thereof.

In Witness Whereof, The parties hereto have caused this Agreement to be executed on the day and year first written above.

Now, Therefore, I, the maker, Chicago Sports Section, Inc., hereby agree, as of the date of this payment agreement to pay to the order of the City of Chicago, Law Department, the sum of One Hundred Thirteen Thousand Three Hundred Seventy-four and 90/100 Dollars (\$113,374.90) representing all concession fees due to the City through December, 1991.

I, the maker, understand and agree that, should I default in the payment of the downpayment or any installment as provided above, and that default is not cured within 10 days of receipt by Chicago Sports Section at 12560 Holiday Drive, Unit A, Alsip, Illinois 60658, of written notice of same from the City, the entire principal and accrued interest, if any, remaining to be paid under this payment agreement will then become due and owing and the City will be entitled to have the entire balance remaining paid immediately without further notice or demand. For purposes of this paragraph only, "default" shall be defined as any payment not received within 14 days of its original due date, and any notice, if mailed, shall be presumed to be received on the third business day after the notice is placed in the mail with sufficient postage prepaid.

I further agree that my failure to comply with the terms of this payment agreement may result in the termination, at the election of the City, of any and all concession agreements between the City and Chicago Sports Section, Inc. at O'Hare International Airport, including the 1992 Agreement, if

approved and executed by the parties, without prejudice to any other rights the City may have at law, in equity or otherwise against me.

I further agree that if Chicago Sports Section, Inc., should become insolvent, make a general assignment for the benefit of creditors or file a petition in bankruptcy, the entire balance will immediately be deemed due and payable to the City.

I agree that this payment agreement and note are executed, and are to be construed, under the laws of the State of Illinois. If any provision of this payment agreement is held to be unconstitutional or otherwise invalid in a court of competent jurisdiction, the invalid provision or provisions shall not affect any other provision of this payment agreement, as each provision is severable. I, the maker, further understand and agree that a default under the Amendment To Sports Section License Agreement of which this payment agreement is a part shall constitute a default hereunder, giving rise to all of the remedies herein set forth.

3. Section 6.5 requiring a letter of credit shall be inserted as follows:

"Section 6.5.

Said letter of credit (or a replacement letter of credit pursuant to this Section) shall be provided for the length of this Agreement. Said letter of credit shall be used to ensure the faithful performance by Licensee of all provisions of this Agreement and compliance with all orders, permits and directions of any agency, commission, board, department, division or office of the City having jurisdiction over Licensee's acts or defaults under this Agreement and for payment by Licensee of any penalties, liens, claims and taxes due the City which arise by reason of Licensee's acts pursuant to this Agreement. Amendment.

This Amendment to the Lease of Hangar Facilities, dated December 27, 1982 ("Lease"), is made and entered into as of _____, _____, by and between the City of Chicago, a municipal corporation and a home rule unit of local government under Sections 1 and 6(a), respectively, of Article VII of the 1970 Constitution of the State of Illinois ("City"), and Sheldon L. Solow, as Chapter 7 Trustee for Midway Airlines, Inc., a corporation organized and existing under and by virtue of the laws of the State of Delaware ("Airline").

Recitals.

Whereas, City owns and operates an airport known as Chicago Midway Airport, located in the County of Cook, State of Illinois ("Airport"), and possesses the power and authority to lease premises and facilities and to grant rights and privileges with respect thereto; and

Whereas, City and Airline entered into the Lease for the use by Airline of certain premises, and the facilities thereon, at the Airport; and

Whereas, Article I, Section 1.02(a), of such Lease granted a right to Airline to lease certain expansion property in addition to the premises originally demised under the Lease; and

Whereas, By letters dated February 28, 1986, and August 15, 1986, Airline notified City, in accordance with the terms and conditions of the Lease, of Airline's exercise of such right to lease all of the expansion property identified in Section 1.02(a); and

Whereas, Article II of the Lease granted to Airline an option to renew the term of the Lease for an additional ten (10) years, from December 31, 1992, to December 31, 2002; and

Whereas, By letter dated January 3, 1991, Airline notified City, in accordance with the terms and conditions of the Lease, of Airline's exercise of such option; and

Whereas, City and Airline now find it in their mutual best interests to amend the Lease, as set forth below;

Now, Therefore, In consideration of the promises and covenants set forth below, and in consideration of such other good and valuable consideration, the receipt of which is hereby acknowledged, the parties hereby agree as follows:

Section 1. The above recitals are hereby incorporated in and made a part of this Amendment as if fully set forth below.

Section 2. The provisions of the Lease are hereby amended as follows:

(a) Article I is modified to delete the fuel farm ("Fuel Farm"), which is identified in Section 1.01 and on Exhibit B to the Lease, and which is a portion of the premises comprised of the westernmost 35 feet of Parcel N-11 and the fuel tanks located thereon; provided, however, the Airline is not released from any responsibility relating to the Fuel Farm, which responsibility arose or was incurred prior to the date of this Amendment and provided further that nothing hereunder creates any personal liability for the Chapter 7 Trustee.

(b) Article I is further modified to add a new Section 1.08 as follows:

"Parcels N-9 and N-10, which are identified on Exhibit B to the Lease, and which are a portion of the premises within the Lease totalling approximately 146,000 square feet, and which contain an employees' parking lot, are, and shall remain, a portion of the premises demised pursuant to the Lease; provided, however, that, at such time as the City shall require such parking lot for airfield purposes in accordance with the then current F.A.A.-approved Airport Layout Plan, Commissioner of the City Department of Aviation ('Commissioner') shall have the option to provide to Airline, an alternate parking area, of comparable size and condition, in the general area indicated on the exhibit attached hereto and incorporated by reference herein and therein as 'Exhibit C', which alternate parking area, upon 30 days notice of its designation by the Commissioner to Airline, and without need of further written amendment, shall be substituted for Parcels N-9 and N-10 as premises demised pursuant to the

Lease. The City agrees to consult with the Airline on any Airport Layout Plan and give due consideration to Airline's concerns relating to the compatibility of any new use proposed by the City and the Airline's use of the demised premises."

- (c) Article I is further modified to add a new Section 1.09 as follows:

"Airline grants to City, as of the date of this Amendment, an easement for the purpose of performing work, including without limitation construction operations, remediation, and site restoration, relating to or in connection with the testing, repair, or removal of the fuel tanks located on the Fuel Farm, as defined herein; provided, however, that such work does not unreasonably interfere with Airline's use of or operations on the premises demised under the Lease."

- (d) Article III, Sections 3.03, 3.04, and 3.05, shall be modified in accordance with the exhibit, attached hereto and incorporated by reference herein and therein as "Exhibit D", to reflect the change in the dimensions of the premises demised under the Lease, which premises now total approximately 462,850 square feet.

Section 3. No other modifications are intended or implied. This Amendment, and any exhibits attached hereto and incorporated by reference herein, shall constitute the entire agreement between the parties as to the Amendment.

Section 4. The approval of this Amendment by the City Council ("City Council") of the City shall constitute the consent of the City Council for purposes of Article XIII, Section 13.05, of the Lease, of an assignment ("Assignment") by Airline to Southwest Airlines ("SWAL") of the Lease and Airline's rights hereunder, in whole, subject to the following conditions:

- (a) Airline obtains the approval of the Assignment from the Bankruptcy Court; and

the ones that leave us here
are better off than we
