Alderman Beavers moved to reconsider the foregoing vote. The motion was lost.

The following is said resolution as adopted:

WHEREAS, The Cook County Board of Commissioners has amended the Cook County Real Property Classification Ordinance to provide real estate tax incentives to property owners who build, rehabilitate, enhance and occupy property which is located within Cook County and which is used for manufacturing purposes; and

WHEREAS, The City of Chicago, consistent with the Cook County Real Property Classification Ordinance, as amended, wishes to induce industry to locate and expand in the City by offering financial incentives in the form of property tax relief; and

WHEREAS, Quality Snack Foods is the owner of the property commonly known as 4040 South Normal Avenue, Chicago, Illinois (hereinafter referred to as the "subject property"), and intends to construct an 11,500 square foot addition on the subject property in the expectation that the subject property will be eligible for Class 6(b) incentives pursuant to the Cook County Real Property Classification Ordinance; and

WHEREAS, The subject property will be occupied by Quality Snack Foods and used for manufacturing and processing food items; and

WHEREAS, The granting of Class 6(b) tax incentives for the subject property is necessary for the execution of the intended project; and

WHEREAS, The execution of this new construction and the future use of the subject property will provide significant present and future employment, both temporary and permanent; and

WHEREAS, Notwithstanding the Class 6(b) status of the subject property, the improvements to and utilization thereof will generate significant new revenue to the City in the form of real estate and other tax revenues; and

WHEREAS, The permanent real estate index numbers for the subject property are: 20-04-110-045 and 20-04-110-046; now, therefore,

Be It Resolved, That we, the Mayor and the members of the City Council of the City of Chicago do hereby resolve that:

SECTION 1. The City of Chicago has determined that the incentive provided by the Class 6(b) tax incentive is both necessary and appropriate for the said development to occur on the subject property; and

SECTION 2. The City of Chicago, Illinois, hereby supports and consents to the Class 6(b) classification of the subject property pursuant to the Cook County Real Property Classification Ordinance, as amended, and the application of the Class 6(b) tax incentives to the property identified as Permanent Real Estate Tax Numbers: 20-04-110-045 and 20-04-110-046; and

SECTION 3. The Clerk of the City of Chicago is authorized and directed to send a certified copy of this resolution to the Office of the Cook County Assessor, Room 312, County Building, Chicago, Illinois; and

Be It Further Resolved, That this resolution shall be in effect immediately upon its passage or as otherwise provided by law.

COOK COUNTY BOARD URGED TO PROVIDE QUARTERLY PROPERTY TAX PAYMENT STRUCTURE FOR CITY OF CHICAGO TAXPAYERS.

The Committee on Finance submitted the following report:

CHICAGO, September 16, 1992.

To the President and Members of the City Council:

Your Committee on Finance, having had under consideration a resolution memorializing the Cook County Board to provide a quarterly tax payment structure, having had the same under advisement, begs leave to report and recommend that Your Honorable Body *Adopt* the proposed substitute resolution transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee.

Respectfully submitted,

(Signed) EDWARD M. BURKE,
Chairman.

On motion of Alderman Burke, the said proposed substitute resolution transmitted with the foregoing committee report was *Adopted* by yeas and nays as follows:

Yeas -- Aldermen Mazola, Preckwinkle, Bloom, Steele, Beavers, Dixon, Shaw, Buchanan, Huels, Fary, Madrzyk, Burke, Jones, Coleman, Murphy, Rugai, Troutman, Evans, Garcia, Laski, Miller, Medrano, Hendon, E. Smith, Burrell, Suarez, Gabinski, Mell, Austin, Wojcik, Banks, Giles, Cullerton, Laurino, O'Connor, Doherty, Natarus, Eisendrath, Hansen, Levar, Shiller, M. Smith, Moore, Stone -- 44.

Nays -- None.

Alderman Beavers moved to reconsider the foregoing vote. The motion was lost.

The following is said resolution as adopted:

WHEREAS, Taxes on real property comprise the very basis -- the cost -- of efficient and beneficial government; and

WHEREAS, Property taxes are thus necessary for the maintenance of public services, and therefore for the preservation of the public safety and welfare; and

WHEREAS, Property taxes are never intended to be a burden on the property owner; rather, they are designated as payments for the great many public services which the property owner enjoys and through which said property owner is protected; and

WHEREAS, The steady increase in demand for services has resulted in a steady increase in property taxes, and the increased payments, even when divided into twice-a-year payments, present a burden to many good citizens, particularly those on fixed incomes; and

WHEREAS, With property taxes higher than ever before, it seems fitting and proper to allow property taxpayers the benefit of quarterly payments instead of the semi-annual payments which constitute a burden to many Chicagoans; now, therefore,

Be It Resolved, That the City Council of the City of Chicago does hereby memorialize the members of the Cook County Board to provide a quarterly tax payment structure for Chicago taxpayers, rather than the current, often crippling semi-annual payments, to the end that many of Chicago's property owners will find such structure far less burdensome.

AUTHORIZATION FOR EXECUTION OF INTERGOVERNMENTAL AGREEMENT FOR CONVEYANCE OF PROPERTY AT WEST 31ST STREET AND SOUTH CALIFORNIA AVENUE TO COOK COUNTY FOR EXPANSION OF CORRECTIONAL FACILITIES.

The Committee on Finance submitted the following report:

CHICAGO, September 16, 1992.

To the President and Members of the City Council:

Your Committee on Finance, having had under consideration an ordinance authorizing the execution of an intergovernmental agreement between the City of Chicago and Cook County for the conveyance of City-owned land located at 31st Street and California Avenue, having had the same under advisement, begs leave to report and recommend that Your Honorable Body *Pass* the proposed ordinance transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee.

Respectfully submitted,

(Signed) EDWARD M. BURKE,
Chairman.

On motion of Alderman Burke, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

Yeas -- Aldermen Mazola, Preckwinkle, Bloom, Steele, Beavers, Dixon, Shaw, Buchanan, Huels, Fary, Madrzyk, Burke, Jones, Coleman, Murphy, Rugai, Troutman, Evans, Garcia, Laski, Miller, Medrano, Hendon, E. Smith, Burrell, Suarez, Gabinski, Mell, Austin, Wojcik, Banks, Giles, Cullerton, Laurino, O'Connor, Doherty, Natarus, Eisendrath, Hansen, Levar, Shiller, M. Smith, Moore, Stone -- 44.

Nays -- None.

Alderman Beavers moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, The City of Chicago is the owner of a tract of land consisting of approximately ten acres located in the vicinity of 31st and California Avenue and legally described on Exhibit A attached hereto ("Property"); and

WHEREAS, The County of Cook desires to acquire the Property for the purpose of expanding its correctional facilities in order to promote public safety and welfare; and

WHEREAS, The City desires to assist the County by conveying the Property to the County; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The Mayor or his proxy is authorized to execute on behalf of the City of Chicago an intergovernmental agreement between the City and County substantially in the form attached hereto.

SECTION 2. The Mayor or his proxy is further authorized to execute, and the City Clerk to attest, a quitclaim deed conveying the Property to the County.

SECTION 3. This ordinance shall be effective upon its passage.

Exhibit "A" and Intergovernmental Agreement attached to this ordinance read as follows:

Exhibit "A".

Legal Description Of Property.

Intergovernmental Agreement Regarding The Transfer Of Real Property From The City Of Chicago To The County Of Cook.

This Agreement is made on or as of the ____ day of _____, 1992, by and between the County of Cook, a body politic and corporate of Illinois ("County") and the City of Chicago, an Illinois municipal corporation ("City").

Recitals:

Whereas, The City is the owner of a tract of land consisting of approximately ten (10) acres located in the vicinity of 31st and California Avenue and legally described on Exhibit A attached hereto ("Property"); and

Whereas, The County desires to acquire the Property for the purpose of expanding its adjacent Department of Corrections Facilities; and

Whereas, The City is cognizant of the County's need to provide criminal justice facilities in order to promote public safety and welfare; and

Whereas, The County is cognizant of the City's desire to create new job opportunities by encouraging the growth of industrial development and expansion in the area; and

Whereas, The 1970 Illinois Constitution, Article VII, Section 10 permits units of local government to cooperate with each other in the performance of their responsibilities by contract and agreements;

Now, Therefore, In consideration of the mutual covenants and agreements herein contained, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties covenant and agree as follows:

Section 1. Incorporation Of Recitals.

The recitals set forth above constitute an integral part of this Agreement and are hereby incorporated herein by this reference with the same force and effect as if set forth herein as agreement of the parties.

Section 2. Conveyance.

The City agrees to convey the Property, together with all buildings and improvements located thereon, in fee simple to the County by recordable quitclaim deed for the sum of Ten Dollars ($10.00) on the terms and conditions herein set forth. The quitclaim deed shall contain a condition that the Property must be used by the County only in connection with the operation of its criminal justice facilities and shall be subject only to the following exceptions ("Permitted Exceptions"):

A. All real estate taxes and special assessments not yet due and owing as of the closing;

B. Exceptions resulting from acts done or suffered by the County; and

C. Covenants, conditions and restrictions of record; private, public and utility easements, rights-of-way and such other exceptions which are reasonably acceptable to the County and which will not materially interfere with or materially impair the County's intended use of the Property.

Section 3. Evidence Of Title.

A. The County acknowledges that it has received a copy of title commitment No. 73 00 342 dated July 12, 1991 ("Title Commitment") issued by Chicago Title Insurance Company showing title to the Property in the City and subject only to the Permitted Exceptions. If the Title Commitment discloses exceptions to title other than Permitted Exceptions and items to be removed or insured over or against for the benefit of the County ("Unpermitted Exceptions"), the County shall have thirty (30) days from the date of this Agreement to deliver to the City a written notice of such title exceptions to which it objects. If the County fails to provide the City with a written notice as to any Unpermitted Exceptions within such thirty (30) day period, the County shall be deemed to have waived any right to object to such Unpermitted Exception, and such Unpermitted Exception shall be deemed to be a Permitted Exception approved by the County. The City shall have thirty (30) days from the date of its receipt from the County of a written notice as to an Unpermitted Exception (or such longer period of time as may be reasonably required) ("Clearance Period") to cause the removal of the Unpermitted Exception. The closing shall be extended to a date no later than five (5) business days after the earlier of (i) the date upon which all Unpermitted Exceptions have been removed, corrected or insured over; or (ii) the expiration of the Clearance Period. If the City fails or is unable to have any Unpermitted Exceptions removed or cured, the County may, as its sole remedy, either:

1. accept title to the Property as it is, in which case the sale of the Property shall close in accordance with the terms of this Agreement; or

2. terminate this Agreement, in which case neither party shall have any liability to the other hereunder.

B. The County agrees to pay the cost of all title insurance premiums, extended coverage and all endorsements required by the County.

Section 4. Plat Of Survey.

The County acknowledges that is has received a Plat of Survey of the Property prepared by Nakawatase, Wyns and Associates, Inc., dated July 10, 1991, which has been paid for by the City. Any updates or revisions to the Plat of Survey shall be at the County's sole cost and expense.

Section 5. Closing; Escrow.

The closing shall take place at City Hall on _____, 1992, or on such date and at such place as the parties may mutually agree to in writing.

In the event that either party requests conveyance of the Property through escrow, all escrow fees will be paid by the party requesting the escrow. The party requesting an escrow closing shall do so by giving written notice thereof to the other party not less than ten (10) days prior to the date of closing.

Section 6. Casualty.

If at any time prior to the closing, any building on the Property is wholly or partially damaged or destroyed through no fault of the City, the parties agree that the closing shall occur in accordance with the terms of this Agreement.

If at any time prior to the closing, any building on the Property is wholly or partially damaged or destroyed as a result of the negligent or intentional act of the City, the County may as its sole remedy, terminate this Agreement.

Section 7. Environmental Conditions.

The City makes no covenant or warranty as to the environmental condition of the Property or the suitability of the Property for any purpose whatsoever except as required by the Illinois Responsible Property Transfer Act. The City represents that it has not received any request for information, notice, inquiry, demand, letter, formal or informal complaint, inspection, or claim from any governmental agency relating to contamination of the Property, a violation of any environmental law or potential liability for off-site treatment, storage, or disposal of a hazardous substance, which was generated or transported from this site.

The County agrees to indemnify and hold harmless the City, its employees, agents and officers, from and against, and to reimburse the City with respect to any and all claims, demands, obligations, causes of action, loss, damage, liabilities, costs and expenses (specifically excluded herefrom are attorney's fees, court costs and any fines, penalties, interest or charge whatsoever arising from the City's failure to comply with any State, local or federal law or regulation), asserted against or incurred by the City, its employees, agents and officers, by reason of or arising out of any event, occurrence or exposure that pertains to the environmental condition of the Property existing at or prior to the time of closing; provided, however, that this indemnity shall not apply to any tortious

claim brought against the City by an individual(s) who was injured prior to the closing as a result of the environmental condition of the Property. The City may not settle or compromise any claim against the County's indemnity expressed in this paragraph without the prior written consent of the County, which consent shall not be unreasonably withheld. If the County fails to respond within ten (10) business days to the City's request for consent, the settlement or compromise proposed by the City shall be deemed approved. For the purposes of this Section 7, "environmental condition" includes contamination of the soil, groundwater or the ambient air by a hazardous material as defined below.

For purposes of this Section 7, "hazardous material" includes any hazardous, toxic or dangerous substance, waste or material, specifically including any petroleum or crude oil or fraction thereof, friable asbestos or asbestos containing material, polychlorinated biphenyls defined as such, in, regulated by or for the purpose of, the Comprehensive Environmental Response Liability and Compensation Act, 42 U.S.C. Section 9601, et seq.; the Resource Conservation and Recovery Act, 42 U.S.C. Section 6910, et seq.; the Toxic Substances Control Act, 15 U.S.C. Section 2601 et seq.; the Illinois Environmental Protection Act; and the Municipal Code of the City of Chicago and regulations issued pursuant to these Acts, or as any of the foregoing may be amended from time to time.

The City agrees to indemnify and hold harmless the County, its employees, agents and officers, from and against, and to reimburse the County for any fines, penalties, interest or charge whatsoever arising as a result of any violation of any state, local or federal law or regulation regarding the one known underground storage tank located on the site from which the City would, prior to the date of closing, have been liable as owner. As of the date of closing, the County assumes all future obligations of compliance with any and all federal, state and local environmental laws and regulations including remediation of all environmental conditions at the site.

The provisions of this Section shall not merge into the deed but shall survive the conveyance.

Section 8. Notices.

Any notice, demand or request given by one party to the other under this Agreement shall be in writing and delivered in person or by certified mail, return receipt requested, postage prepaid, as follows:

If To The County:	Office of the President Cook County Board of Commissioners 500 County Building 118 North Clark Street Chicago, Illinois 60602 Attention: Director of Capital Planning and Policy
With A Copy To:	Cook County State's Attorney 500 Richard J. Daley Center Chicago, Illinois 60602 Attention: Chief of the Civil Division
If To The City:	Department of General Services 510 North Peshtigo Court Chicago, Illinois 60611 Attention: Commissioner
With A Copy To:	Department of Law 610 City Hall 121 North LaSalle Street Chicago, Illinois 60602 Attention: Real Estate Division

Notices delivered by mail shall be deemed effective three (3) days after mailing. Notices delivered personally shall be deemed effective upon receipt.

Section 9. Future Development.

The County and the City agree to jointly explore jail expansion needs and industrial development opportunities on land in the surrounding area with the goal of determining whether the County's expansion needs and industrial development can both be accommodated. In furtherance of said goal, the parties agree to specifically explore the possibility of exchanging the City-owned property located at the northwest corner of 31st Street and the railroad embankment for an equivalent acreage of County-owned property at the southwest corner of 26th Street and the railroad embankment so as to accommodate the City's need to develop an industrial park, and the County's need for further expansion of its correctional facilities. The County and the City agree to cooperate in

performing studies which may include environmental audits and appraisals which may be required to meet these objectives.

The provisions of this Section 9 shall not merge into the deed and shall remain in effect for a period of five (5) years from the date of this Agreement or until such time as the exchange of property is consummated.

Section 10. Miscellaneous Provisions.

A. Modifications; Waivers. No modifications, waivers or amendments to this Agreement shall be valid unless the same is in writing and signed by all parties.

B. Entire Agreement. This Agreement, including all exhibits, constitutes the entire understanding between the parties with respect to the transaction contemplated herein. All prior or contemporaneous agreements, understandings, representations and statements are merged into the Agreement.

C. Headings. The headings of the various sections of this Agreement have been inserted for convenient reference only and shall not in any manner be construed as modifying, amending, or affecting in any way the express terms and provisions thereof.

D. Time of Essence. The parties agree that time shall be of the essence in this Agreement.

E. Non-Liability of Public Officials. The parties agree that none of their respective employees, agents or officials shall be personally liable in the event of a breach or default of this Agreement.

F. Counterparts. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original having identical legal effect.

G. Assignability. Neither party may assign its rights under this Agreement without the prior written consent of the other party.

H. Invalid Provisions. If any provision or term of this Agreement shall be held illegal, inoperative or unenforceable as a matter of law, the remaining provisions shall remain in full force and effect.

Section 11. Authority.

A. Execution of this Agreement by the County has been authorized by a

resolution passed by the County Board of Commissioners on _____.

B. Execution of this Agreement by the City has been authorized by an ordinance passed by the City Council of the City of Chicago on _____ (Council Journal of Proceedings, page _____).

In Witness Whereof, The parties have executed this Agreement at Chicago, Illinois, as of the date first above written.

EXECUTION OF CITY/STATE PROJECT AGREEMENT TO PROVIDE FOR PURCHASE AND INSTALLATION OF BICYCLE RACKS AT VARIOUS SITES CITYWIDE.

The Committee on Finance submitted the following report:

CHICAGO, September 16, 1992.

To the President and Members of the City Council:

Your Committee on Finance, having had under consideration an ordinance authorizing the execution of an intergovernmental agreement with the State of Illinois providing for the purchase and installation of bicycle racks, in the amount of $750,000, having had the same under advisement, begs leave to report and recommend that Your Honorable Body *Pass* the proposed ordinance transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee, with one dissenting vote.

Respectfully submitted,

(Signed) EDWARD M. BURKE,
Chairman.

On motion of Alderman Burke, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

Yeas -- Aldermen Mazola, Preckwinkle, Bloom, Beavers, Dixon, Shaw, Buchanan, Huels, Fary, Madrzyk, Burke, Jones, Coleman, Murphy, Rugai, Troutman, Evans, Garcia, Laski, Miller, Medrano, Hendon, E. Smith, Burrell, Suarez, Gabinski, Mell, Austin, Wojcik, Banks, Giles, Cullerton, Laurino, O'Connor, Natarus, Eisendrath, Hansen, Levar, Shiller, M. Smith, Moore, Stone -- 42.

Nays -- Aldermen Steele, Doherty -- 2.

Alderman Beavers moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The Mayor is authorized to execute, and the Commissioner of the Chicago Department of Transportation to approve, subject to the review of the Corporation Counsel as to form and legality, a project agreement with the State of Illinois providing for the Purchase and installation of bicycle racks at various sites throughout the City of Chicago described therein, said agreement to be substantially in the following form:

[City/State Project Agreement immediately follows Section 3 of this ordinance.]

SECTION 2. The City Clerk is hereby directed to transmit two (2) certified copies of this ordinance to the Division of Highways, Department of Transportation of the State of Illinois through the District Engineer of District 1 of said Division of Highways.

SECTION 3. This ordinance shall be in full force and effect from and after its passage.

City/State Project Agreement attached to this ordinance reads as follows:

City/State Project Agreement.

Purchase And Installation Of Bicycle Racks At Various Sites Throughout The City Of Chicago To Be Determined By The City Of Chicago, Department Of Transportation.

Federal Project No.: _____

City Section No.: _____

State Job No.: _____

C.D.O.T. Job No.: _____

This Agreement, entered into this ___ day of _____, 19__, by and between the State of Illinois, acting through its Department of Transportation, hereinafter called the "State", and the City of Chicago, acting through its Department of Transportation, hereinafter called the "City".

Witnesseth:

Whereas, The State and the City, in the interest of relieving congestion and improving air quality by reducing auto use, find it necessary to install bicycle racks at sites throughout the city, hereinafter referred to as the "Project" and identified in numbered Paragraph 11 of this Agreement; and

Whereas, The Department of Transportation of the State of Illinois, under Chapter 121, Article 4-409 of the Illinois Revised Statutes, as currently in effect, may enter into a written contract with any other highway authority for the jurisdiction, maintenance, administration, engineering or improvement of any highway or portion thereof; and

Whereas, The State and the City wish to avail themselves, where possible, of Congestion Mitigation and Air Quality Improvement Program funds authorized by the Intermodal Surface Transportation Efficiency Act of 1991 or subsequent federal legislation for the contract construction, force account construction and construction engineering/supervision of said Project; and

Whereas, The City will provide the required local match for the Project; and

Whereas, The City is proceeding with studies and engineering required for the Project; and

Whereas, Under the federal regulations, certain written Agreements for the Project may be required; and

The State Hereby Agrees:

1. To reimburse the City 100% for the federal share of the costs incurred in connection with the contract construction, force account construction, and construction engineering/supervision of the Project, as hereinafter provided in numbered Paragraph 12, upon receipt of progressive billings supported by documentation as required by the State and Federal Highway Administration.

2. To review, approve and submit to the Federal Highway Administration without delay, all submittals which require Federal Highway Administration review, approval or other action.

The City Hereby Agrees:

3. To prepare, or cause to be prepared, studies, surveys, plans, specifications and estimates of costs for said Project.

4. Upon approval from the State and the Federal Highway Administration, to let and award the contract for the Project, and to provide and/or cause to be provided, all force account construction and construction engineering/supervision, all in accordance with established procedures of the City, the State and the Federal Highway Administration.

5. To finance the work pending progressive reimbursement by the State of the federal share of costs, to appropriate such funds as necessary therefore, and to prepare a complete and accurate breakdown of the costs of the Project.

6. To comply with all applicable Executive Orders and federal legislation pursuant to the Equal Employment Opportunity and Nondiscrimination Regulations as may be required by the State and under federal law.

7. That failure on the part of the City to fulfill the responsibilities assigned in Paragraphs 6 and 10 of this Agreement may render the City ineligible for future federal participation in projects for which the City has similar responsibilities, until such failures are corrected.

8. To retain all Project records and to make them available for audit by State and federal auditors during the Project development and construction stages, and for a period of three (3) years after final acceptance of the Project.

The Parties Hereto Mutually Agree:

9. That prior to initiation of work to be performed hereunder, the disposition of encroachments will be cooperatively determined by representatives of the City and State.

10. That upon completion of the improvement, the City will maintain or cause to be maintained those portions of the improvement under its established jurisdictional authority, in a manner satisfactory to the State and the Federal Highway Administration. The State will maintain or cause to be maintained those portions of the improvement under its established jurisdictional authority, in a manner satisfactory to the Federal Highway Administration.

11. That said Project generally consists of the purchase and installation of heavy-duty, low-maintenance bicycle racks at sites throughout the City of Chicago.

    Potential sites include but are not restricted to commercial districts, strip malls, public buildings, parks, and museums. Rack types and locations will be determined by the City of Chicago, Department of Transportation.

12. That the estimated costs of the Project covered and described by this Agreement are:

Contract Construction	$700,000
Construction Engineering/Supervision	50,000
TOTAL:	$750,000

and that based upon the current ratio of federal to non-federal (City) funds for Congestion Mitigation and Air Quality (C.M.A.Q.) Improvement Program projects, the proportional participation for the Project will be:

Federal-Aid Share (C.M.A.Q.) (80% of $750,000)	$600,000
Non-Federal Share (City) (20% of $750,000)	150,000
TOTAL:	$750,000

and that any non-federal share required in excess of the specified amount will be provided by the City or by Amendment to this Agreement.

13. That the City shall be responsible for 100% of the costs of any work not eligible for federal participation.

14. That standard federal-aid procedures and requirements shall apply to all phases of this Project.

15. That the Commissioner of the Chicago Department of Transportation is authorized to execute revisions to this Agreement relative to budgetary items, upon approval by the State, as long as such revisions do not increase the total cost of the Project ($750,000) as authorized by the City Council.

16. That this Agreement and the covenants contained herein shall be void ab initio in the event the contract covering the construction work contemplated herein is not awarded and/or the force account engineering/construction supervision work is not authorized by January 1, 1995.

17. That all prior Agreements, or portions thereof, between the City and the State which refer to the construction of this Project are superseded by this Agreement.

This Agreement shall be binding upon and inure to the benefit of the parties hereto, their successors and assigns.

The Local Agency certified to the best of its knowledge and belief its officials:*

(1) are not presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from covered transactions by any federal department or agency;

(2) have not within a three-year period preceding this Agreement been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain or performing a public (federal, state or local) transaction or contract under a public transaction: violation of federal or state anti-trust statutes or commissions of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

(3) are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (federal, state or local) with commission of any of the offenses enumerated in item (2) of this certification;

(4) have not within a three-year period preceding this Agreement had one or more public transactions (federal, state or local) terminated for cause or default;

(5) have not been barred from signing this Agreement as a result of a violation of Sections 33E-3 and 33E-4 of the Criminal Code of 1961 (Chapter 38 of the Illinois Revised Statutes);

(6) are not in default of an educational loan as provided in Public Act 85-827; and

Minority Business Enterprises Provisions attached to this Agreement read as follows:

Minority Business Enterprises Provisions.

"It is the Policy of the U. S. Department of Transportation that minority business enterprises, as defined in 49 C.F.R., Part 23, shall have the maximum opportunity to participate in the performance of contracts financed in whole or in part with federal funds under this agreement. Consequently, the M.B.E. requirements of 49 C.F.R., Part 23 apply to this agreement.

The State and City agree to ensure that minority business enterprises, as defined in 49 C.F.R., Part 23, have the maximum opportunity to participate in the performance of this agreement. In this regard the State and City shall take all necessary and reasonable steps, in accordance with 49 C.F.R., Part 23, to ensure that minority business enterprises have the maximum opportunity to compete for and perform portions of contracts and subcontracts financed in whole or in part with federal funds provided under this agreement. The State and City shall not discriminate on the basis of race, color, national origin, or sex in the selection and retention of contractor or subcontractors, including procurement of materials and lease of equipment.

The City shall include the provisions of this 'Policy' in every contract, including procurement of materials and leases of equipment.

Failure to carry out the requirements set forth above shall constitute a breach of this agreement and may result in termination of the agreement or such remedy as deemed appropriate."

This Agreement shall be administered under the provisions of the City of Chicago's federally approved Disadvantaged Business Enterprise Program.

AUTHORIZATION FOR EXECUTION OF LOAN AND SECURITY AGREEMENT WITH FOSTER ENTERPRISES, INC., FOR REHABILITATION OF PROPERTY AT 4156 WEST MADISON STREET.

The Committee on Finance submitted the following report:

CHICAGO, September 16, 1992.

To the President and Members of the City Council:

Your Committee on Finance, having had under consideration an ordinance authorizing the execution of a loan and security agreement with Foster Enterprises, Inc. for the rehabilitation of the property located at 4156 West Madison Street, in an amount not to exceed $568,000, having had the same under advisement, begs leave to report and recommend that Your Honorable Body *Pass* the proposed ordinance transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee.

Respectfully submitted,

(Signed) EDWARD M. BURKE,
Chairman.

On motion of Alderman Burke, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

Yeas -- Aldermen Mazola, Preckwinkle, Bloom, Steele, Beavers, Dixon, Shaw, Buchanan, Huels, Fary, Madrzyk, Burke, Jones, Coleman, Murphy, Rugai, Troutman, Evans, Garcia, Laski, Miller, Medrano, Hendon, E. Nays -- None.

Alderman Beavers moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, The City of Chicago (the "City"), a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois, has heretofore found and does hereby find that there exists within the City a serious shortage of decent, safe and sanitary rental housing available to persons of low- and moderate-income; and

WHEREAS, The City has determined that the continuance of a shortage of affordable rental housing is harmful to the health, prosperity, economic stability and general welfare of the City; and

WHEREAS, The City has programmed $7,250,000 of Community Development Block Grant funds for its Housing Rehabilitation and New Construction Program (the "Multi-Program") in Program Year XVIII, wherein acquisition and rehabilitation loans are made available to owners of rental properties containing five or more dwelling units located in low- and moderate-income areas, and the Multi-Program is administered by the City's Department of Housing ("D.O.H."); and

WHEREAS, The government of the United States, pursuant to authority granted it in Section 17 of the United States Housing Act of 1937, as amended, created the Rental Rehabilitation Program in Section 301 of the Housing and Urban Rural Recovery Act of 1983 (which was repealed as of October 1, 1991 by the Cranston-Gonzalez National Affordable Housing Act, 42 U.S.C. §12701, et seq.) which provided for federal grants to local governments to help finance rehabilitation of privately owned residential structures devoted primarily to rental use and which units are eligible for rent subsidy programs so as to increase their accessibility to low- and moderate-income persons; and

WHEREAS, Prior to October 1, 1991, the United States Department of Housing and Urban Development approved an allocation of $2,441,000 of Rental Rehabilitation Program grant funds to the City for Program Year VII (1991) and D.O.H. administers the Rental Rehabilitation Program grant funds on behalf of the City; and

WHEREAS, D.O.H. has preliminarily reviewed and approved the making of a loan to Foster Enterprises, Inc., an Illinois corporation (the "Borrower") in an amount not to exceed $568,000 (the "Loan"), to be funded from $286,000 of Multi-Program Year XVIII funds and $282,000 of Rental Rehabilitation Program Year VII funds pursuant to the terms and conditions set forth in Exhibit A attached hereto and made a part hereof; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The above recitals are expressly incorporated in and made a part of this ordinance as though fully set forth herein.

SECTION 2. Upon the approval and availability of the Additional Financing as shown in Exhibit A hereto, the Commissioner of D.O.H. (the "Commissioner") is hereby authorized, subject to approval by the Corporation Counsel, to enter into and execute such agreements and instruments, and perform any and all acts as shall be necessary or advisable in connection with all implementation of the Loan and the terms and program objectives of the Multi-Program and the Rental Rehabilitation

Program. The Commissioner is hereby authorized, subject to the approval of the Corporation Counsel, to negotiate any and all terms and provisions in connection with the Loan which do not substantially modify the terms described in Exhibit A hereto. Upon the execution and receipt of proper documentation, the Commissioner is hereby authorized to disburse the proceeds of the Loan to the Borrower.

SECTION 3. This ordinance shall be effective as of the date of its passage.

WHEREAS, The City of Chicago (the "City"), a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois, has heretofore found and does hereby find that there exists within the City a serious shortage of decent, safe and sanitary rental housing available to persons of low-income; and

WHEREAS, The City has determined that the continuance of a shortage of affordable rental housing is harmful to the health, prosperity, economic stability and general welfare of the City; and

WHEREAS, The Congress of the United States has enacted the Cranston-Gonzalez National Affordable Housing Act, 42 U.S.C. Section 12701 et seq., authorizing, inter alia, the HOME Investment Partnership Program ("HOME Program") pursuant to which the United States Department of Housing and Urban Development is authorized to make funds available to participating jurisdictions to increase the number of families served with decent, safe, sanitary and affordable housing and to expand the long-term supply of affordable housing; and

WHEREAS, The City in the Annual Appropriation Ordinance for the year 1992, as amended by ordinance passed on June 17, 1992, has appropriated the amount of $40,364,000 of HOME Program funds to make loans and grants for the purposes enumerated above and such HOME Program funds are administered by the Department of Housing ("D.O.H."); and

WHEREAS, D.O.H. has preliminarily reviewed and approved the making of a loan to Rezmar Corporation (the "Borrower"), in an amount not to exceed $3,063,939 (the "Loan"), to be funded from HOME Program funds pursuant to the terms and conditions set forth in Exhibit A attached hereto and made a part hereof; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The above recitals are expressly incorporated in and made a part of this ordinance as though fully set forth herein.

SECTION 2. Upon the approval and availability of the Additional Financing as shown in Exhibit A hereto, the Commissioner of D.O.H. (the "Commissioner") is hereby authorized, subject to the approval of the Corporation Counsel, to enter into and execute any and all documents, agreements and instruments, and perform any and all acts as shall be necessary or advisable in connection with the implementation of the Loan and the terms and program objectives of the HOME Program. The

Commissioner is hereby authorized, subject to the approval of the Corporation Counsel, to negotiate any and all terms and provisions in connection with the Loan which do not substantially modify the terms described in Exhibit A hereto. Upon the execution and receipt of proper documentation, the Commissioner is hereby authorized to disburse the proceeds of the Loan to the Borrower.

SECTION 3. This ordinance shall be effective as of the date of its passage.

SECTION 3. That Section 2 of the Enterprise Zone 4 Ordinance, as amended, is hereby further amended by deleting the language bracketed and inserting the language in italics as follows:

That Zone 4 meets the qualification requirements of Section 4 of the Illinois Enterprise Zone Act, in that:

1. it is a contiguous area entirely within the City of Chicago;

2. it comprises [10.75] *10.775* square miles, which is within the range allowed by the Illinois Enterprise Zone Act;

3. is a depressed area as shown by census tract data and other data; and

4. it satisfies all other additional criteria established to date by regulation of the Illinois Department of Commerce and Community Affairs.

SECTION 4. That Attachment A of the Enterprise Zone 4 Ordinance, as amended, is hereby deleted in its entirety and replaced with a new Attachment A attached to this ordinance.

SECTION 5. The modification of the boundaries for Enterprise Zone 4 provided herein shall not become effective unless the State of Illinois, through the Illinois Department of Commerce and Community Affairs approves such modification, as provided in the Illinois Enterprise Zone Act, and until such approval is given none of the tax and regulatory incentives provided in the Chicago Enterprise Zone Ordinance shall apply to this expanded area.

SECTION 6. The tax incentives provided in the Chicago Enterprise Zone Ordinance shall only apply in the expanded area provided herein for transaction occurring on or after the date of the approval of such expanded area by the Illinois Department of Commerce and Community Affairs.

SECTION 7. The Zone Administrator is hereby authorized to make a formal written application to the Illinois Department of Commerce and Community Affairs and to supply such other information as needed to have this amendment to the boundaries of Enterprise Zone 4 approved and certified by the State of Illinois.

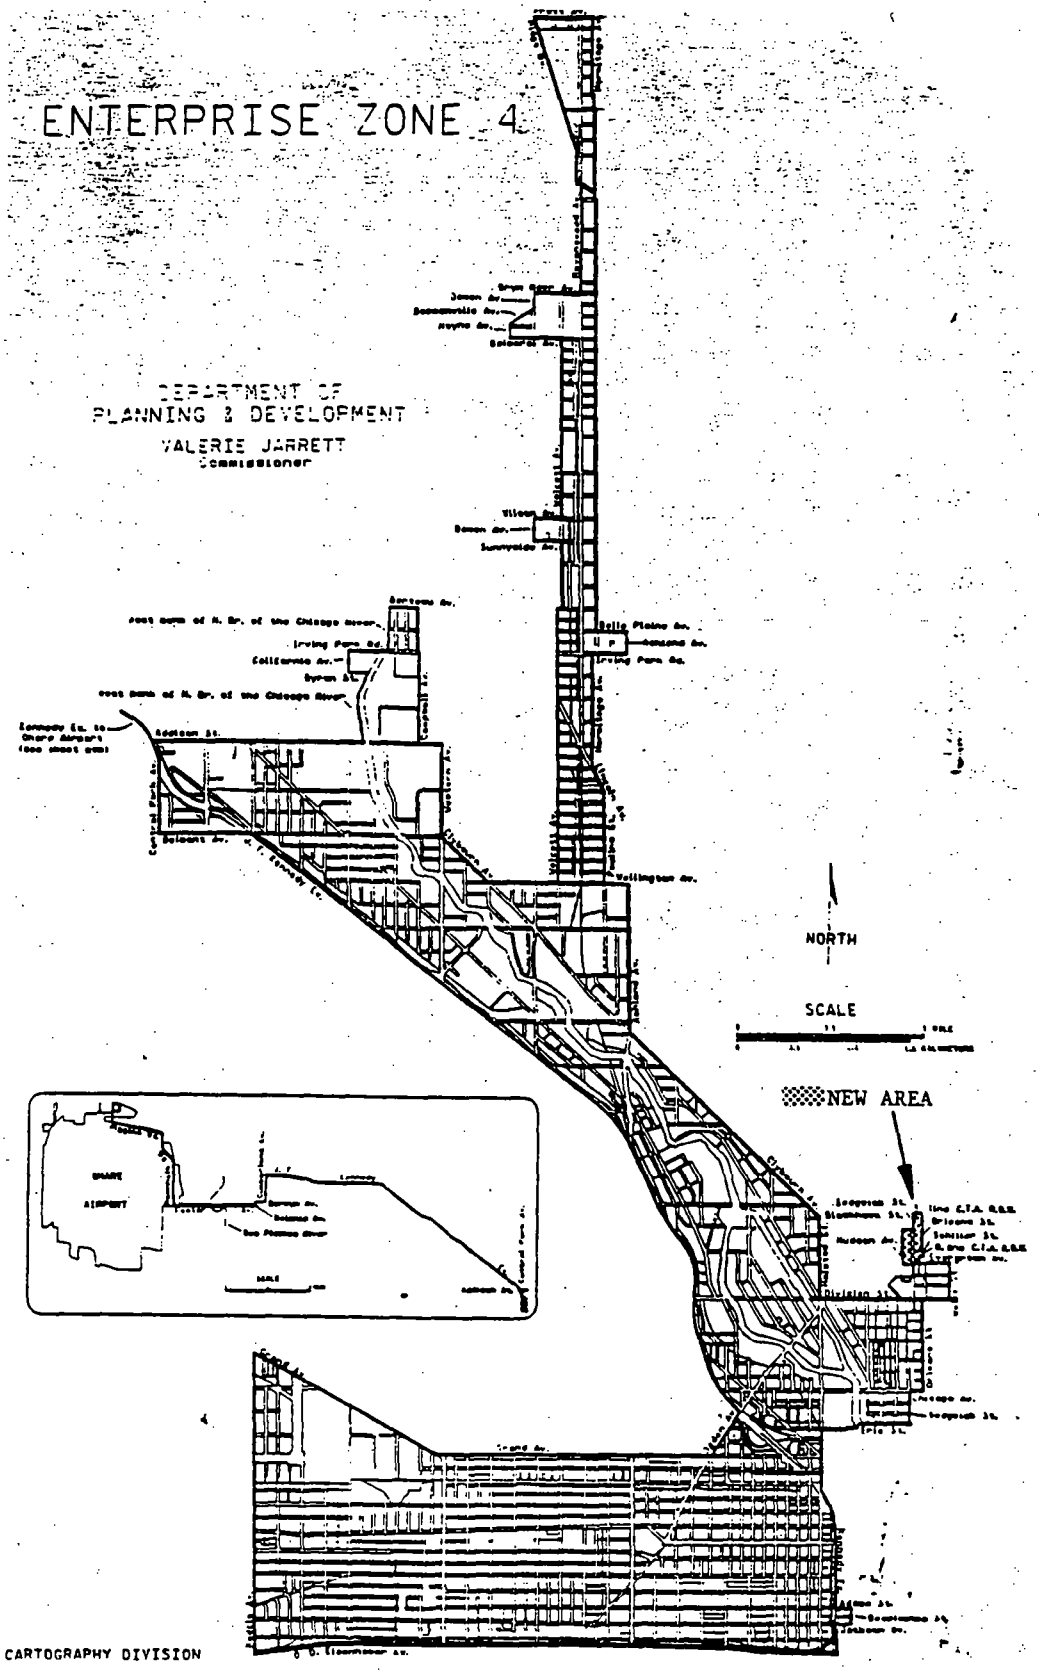

SECTION 8. The modification of the boundaries of Enterprise Zone 4 as provided for herein shall be contingent on, and shall not go into effect until the Commissioner of the Department of Planning and Development ("Commissioner") files a certificate with the City Clerk stating that an agreement between the Local Economic and Employment Development Division ("L.E.E.D.") Council of the New City Y.M.C.A.; and Light Associates Limited Partnership ("Light"), to provide for the creation of jobs, and a job readiness and training program for the benefit of residents of the Town and Garden Apartments Project, located within the boundaries of Enterprise Zone 4 as modified by this ordinance, has been executed by the parties thereto and approved by the Commissioner, and a copy of such agreement is filed with the City Clerk.

SECTION 9. The Commissioner is hereby authorized to collect an administrative fee not to exceed $1,000.00 for any related expenses with respect to the modification of the boundaries of Enterprise Zone 4. Such fee shall be used by the Department of Planning and Development for administrative expenses and other economic development activities.

SECTION 10. This ordinance shall be effective from and after its passage.

EXECUTION OF INTERGOVERNMENTAL COOPERATION AGREEMENT WITH ILLINOIS DEPARTMENT OF TRANSPORTATION FOR TRAFFIC DIVERSION ROUTE ENFORCEMENT DURING KENNEDY EXPRESSWAY CONSTRUCTION PROJECT.

The Committee on Finance submitted the following report:

CHICAGO, September 16, 1992.

To the President and Members of the City Council:

Your Committee on Finance, having had under consideration an ordinance authorizing the execution of an Intergovernmental Cooperation agreement for traffic control on the Kennedy Expressway reconstruction project, having had the same under advisement, begs leave to report and recommend that Your Honorable Body *Pass* the proposed ordinance transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee.

Respectfully submitted,

(Signed) EDWARD M. BURKE,
Chairman.

On motion of Alderman Burke, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

Yeas -- Aldermen Mazola, Preckwinkle, Bloom, Steele, Beavers, Dixon, Shaw, Buchanan, Huels, Fary, Madrzyk, Burke, Jones, Coleman, Murphy, Rugai, Troutman, Evans, Garcia, Laski, Miller, Medrano, Hendon, E. Smith, Burrell, Suarez, Gabinski, Mell, Austin, Wojcik, Banks, Giles, Cullerton, Laurino, O'Connor, Doherty, Natarus, Eisendrath, Hansen, Levar, Shiller, M. Smith, Moore, Stone -- 44.

Nays -- None.

Alderman Beavers moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, The City of Chicago (the "City"), a municipal corporation, is a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois; and

WHEREAS, The Illinois Department of Transportation ("I.D.O.T.") and the City acting by and through its Department of Police ("C.P.D.") desire to enter into an Intergovernmental Agreement whereby I.D.O.T. will reimburse C.P.D. for the cost of traffic diversion route enforcement during the construction of the Kennedy Expressway Project; and

WHEREAS, The 1970 Illinois Constitution, Article VII, Section 10 and the Illinois Intergovernmental Cooperation Act, Illinois Revised Statutes, Chapter 127 Paragraph 741 gives local units of government and State Agencies the right to contract among themselves to obtain services and purchase, lease or transfer any property, real or personal, and encourage intergovernmental cooperation; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The above recitals, including the legislative findings, are expressly incorporated in and made a part of this ordinance as though fully set forth herein.

SECTION 2. The Mayor is hereby authorized, subject to review by the Corporation Counsel, to enter into an Intergovernmental Agreement (the "Agreement") substantially in the form shown in Exhibit A, attached hereto and made a part hereof by reference.

SECTION 3. The Superintendent of Police (the "Superintendent") is hereby authorized, subject to review by the Corporation Counsel, to enter into and execute such agreements, amendments and documents as are required or necessary to implement the terms of the Agreement.

SECTION 4. This ordinance shall be in full force and effect by and from the date of its passage.

Exhibit "A" attached to this ordinance reads as follows:

Exhibit "A".

Intergovernmental Cooperation Agreement.

This Agreement entered into this ____ day of _____, 1992, by and between the City of Chicago, a municipal corporation and a home rule unit of government under Article 7, Section 6(a) of the 1970 Constitution of the State of Illinois, acting by and through its Department of Police (the "City"), and the State of Illinois, acting by and through its Department of Transportation ("I.D.O.T.").

Witnesseth:

Whereas, I.D.O.T. is authorized to construct, repair and maintain state highways pursuant to Chapter 121, Par. 4-201.1 et seq., of the Illinois Revised Statutes, as amended; and

Whereas, F.A.I. 90/94 (commonly known as the "John F. Kennedy Expressway" and hereinafter referred to as the "Expressway") is a state highway and currently in need of rehabilitation between approximately Edens Junction and Hubbard's Cave; and

Whereas, I.D.O.T. intends to commence with approximately $250 Million of expressway rehabilitation contracts beginning March 28, 1992 and extending for three construction seasons with completion anticipated for October 1994 with major pavement work activities extending approximately from April 1 to October 31 each season (hereinafter referred to collectively as "Project"); and

Whereas, I.D.O.T., in anticipation of a reduction in expressway traffic capacity, and a diversion of traffic to adjacent arterial routes within the City limits, has caused some $32 Million in improvements to be constructed along and upon said adjacent arterial routes to facilitate accommodation of the increased traffic loading during the three construction seasons; and

Whereas, To further promote and ensure safety to the monitoring public which may occasion to utilize said adjacent arterial routes, I.D.O.T. recognizes that additional City police traffic services (hereinafter referred to as "Services") over and above the current routine level of police traffic services provided by the City in arterial areas which will be affected by the Projects will be necessary; and

Whereas, I.D.O.T. is prepared to reimburse the City for a portion of those additional costs incurred in providing these services; and

Whereas, The Services to be provided under this Agreement will be funded with State and Federal Highway Administration funds, making this Agreement subject to all applicable requirements for the use of such funds; and

Whereas, The City and I.D.O.T. are authorized to enter into agreements in accordance with the provisions of the Intergovernmental Cooperation Act, Chapter 127, Par. 741 et seq. of the Illinois Revised Statutes, as amended;

Now, Therefore, In consideration of the mutual promises and covenants contained herein, the parties agree as follows:

Section 1. Services.

1.01

The City shall provide the Services referred to herein in those areas affected by the Project when, where, and in such levels of effort as may be determined to be necessary in the sole discretion of the Superintendent of Police of the City of Chicago (the "Superintendent") in accordance with the memorandum dated January 22, 1992 from the City's Commander of its Traffic Group to the Superintendent attached hereto as "(Sub)Exhibit A". The parties hereto expect that the Services will be required for intersection patrol off the Expressway only. This provision shall not be construed, however, to in any way limit or restrict the City's ability to exercise its normal arrest powers or to respond to emergent situations when and where requested or as necessary.

1.02

The City shall, for no more than the first four weeks after Services have commenced, use a deployment plan to be substantially similar to that attached hereto as "(Sub)Exhibit A". The City reserves the right to adjust such plan as circumstances warrant without amendment to this Agreement. The City shall use the information and Project-related experience gained during that initial period and thereafter to formulate such deployment plan(s) as may be necessary to accommodate those alternative traffic patterns resulting from the Project.

1.03

The City shall assign only sworn officers to perform these Services. The City shall further provide such equipment as may be necessary, including vehicles and radios, to maintain the mobility and communications capability of the officers. The City requires that its officers respond to the City's established chain of command and

otherwise act in accordance with standard City procedures, rules and regulations, and that I.D.O.T. convey any requests for Services under this Agreement accordingly.

1.04

The City shall not subcontract, assign or otherwise transfer any of its law enforcement responsibilities or obligations under this Agreement without the prior written consent of I.D.O.T.. In the event I.D.O.T. gives such consent, all of the terms and conditions of this Agreement shall be binding upon and inure to the benefit of the respective legal representatives, successors, transferees and assigns of the parties hereto.

1.05

The City shall permit authorized officials, employees, or agents of I.D.O.T., and, to the extent federal funds are used to fund this Agreement, authorized representatives of the Federal Highway Administration and the Comptroller General of the United States, to inspect and audit all data and records of the City relating to the Services performed under this Agreement.

1.06

The City shall identify to I.D.O.T. the party with whom I.D.O.T. should consult regarding any questions relating to or requests for Services to be provided under this Agreement.

Section 2. Compensation.

2.01

All funds provided hereunder shall be designated for the account of "City of Chicago Fund Number _____".

2.02

Commencing upon execution of this Agreement, and continuing the fifteenth of each month thereafter for the term of the Agreement, the City shall submit an invoice to I.D.O.T., to the attention of D.P. Carlson, District Engineer, in such form and detail as may be required by I.D.O.T., evidencing those costs incurred by the City providing Services

during the preceding calendar month or, in the case of the first such invoice, the costs incurred from the beginning of Services under this Agreement. This Agreement shall be based on "actual costs plus fee". The City's invoices may include the cost of the officer's wages, including overtime; the cost for the use of vehicles, radios, or other equipment used in connection with the Services; plus a fee of 10% of the total invoice amount as compensation for court appearances, time lost and medical benefits paid due to injury while engaged in performing the Services, and administrative overhead created by the Services. The anticipated costs for the Services are set forth in a budget attached hereto as "(Sub)Exhibit B" and incorporated by reference herein.

2.03

I.D.O.T. shall process invoices submitted by the City and provide payment within no less than forty-five (45) calendar days after submission of the invoice by the City. I.D.O.T. shall reimburse the City, subject to the terms and conditions stated herein, for no less than 27.3% of the total costs stated on each invoice submitted in accordance with this Agreement. The City agrees that it shall be responsible for the remaining 72.7% of such invoice costs.

2.04

The estimated budget for the Services as set forth in "(Sub)Exhibit B" is 6.6 Million Dollars for the three year term of this Agreement. I.D.O.T. hereby commits, subject to the terms and conditions stated herein, to reimburse the City the maximum amount of Six Hundred Thousand Dollars ($600,000) of the costs incurred annually. The maximum amount to be reimbursed the City by I.D.O.T. under this agreement, without written amendment, shall be One Million Eight Hundred Thousand Dollars ($1,800,000) for the three year term of this Agreement.

2.05

Except as to Services already rendered prior to the date of notification to the City, I.D.O.T.'s obligations to reimburse the City shall cease immediately, without penalty, in any year for which the General Assembly of the State of Illinois, or the federal funding source for the Services to be provided by this Agreement, fails to make an appropriation or reappropriation to pay for such obligations. Further, except as to Services already tendered prior to the date of notification to the City, I.D.O.T.'s obligations of payment hereunder shall cease immediately, without penalty, at any time when there are not sufficient

authorized funds lawfully available to I.D.O.T. to meet such obligations. I.D.O.T. shall give the City immediate notice of such termination.

Section 3. Term Of Agreement.

3.01

The Services to be provided under this Agreement shall commence no later than April 1, 1992, and shall continue until October 31, 1994, unless otherwise changed by mutual agreement of the parties. It is expected that the Services will not be required November through February each year, starting November, 1992 and ending in October, 1994 inclusive, and the compensation recited herein has been set in accordance with such expectation.

3.02

This Agreement may be terminated at any time by either party upon thirty (30) days written notice to the other party. The City shall be entitled to compensation for all Services rendered hereunder up to and including the date of such termination.

Section 4. Special Provisions.

4.01

The City of Chicago shall indemnify and save harmless I.D.O.T., its officers, agents, and employees, against all suits or claims based upon injury or death to any person or loss or damage to property arising or resulting from or out of or by reason of the negligent acts, errors or omissions of the City's officers in performing the Services under this Agreement. I.D.O.T. acknowledges that the officers performing the Services under this Agreement are to report to the established City chain of command and otherwise act in accordance with standard City procedures, rules, and regulations. I.D.O.T. further acknowledges that any interference with such procedures shall result in the automatic suspension of the indemnity provisions of this Section 4.01.

4.02

I.D.O.T. acknowledges that the officers performing Services under this Agreement are subject to the provisions of a collective bargaining agreement between the City of Chicago and the Fraternal Order of Police. Under no circumstances shall I.D.O.T. be construed to be a party to such agreement. In addition, I.D.O.T. shall not act in conflict with the provisions of such agreement or any federal, state, or local law or judicial ruling relating to same.

4.03

It is understood and agreed that nothing herein contained is intended or should be construed as in any way creating or establishing the relationship of co-partners or joint ventures between the parties hereto, or as constituting I.D.O.T. or the City as representatives of each other for any purpose.

Section 5. General Provisions.

5.01

This Agreement and any exhibits attached hereto shall constitute the entire Agreement between the parties and no warranties, inducements, considerations, promises, or other references shall be implied or impressed upon this Agreement that are not expressly addressed herein. Any reference to any exhibit shall be deemed to include all subsequent amendments made thereto as a result of any law, rule, regulation, policy or collective bargaining agreement.

5.02

This Agreement shall be comprised of several identical counterparts, each to be fully executed by the parties and each to be deemed an original having identical legal effect.

5.03

No changes, amendments, modifications, or discharge of this Agreement, or any part hereof, shall be valid unless in writing and signed by the parties hereto, or their respective successors or assigns.

5.04

This Agreement shall be governed by and construed only in accordance with the laws of the State of Illinois. Any claim or action brought by the City of Chicago, its officers, employees, or agents in their official capacities, on this Agreement shall be maintained only in the Illinois Court of Claims and in no other court or tribunal of this or any other State or jurisdiction. It is the sole purpose of the parties in making this Agreement to provide for cost reimbursement of the Services. Nothing contained in the Agreement is intended for the benefit of third persons.

5.05

Any headings of this Agreement are for convenience of reference only and do not define or limit the provisions thereof. Overview.

In April 1992, the Illinois Department of Transportation (I.D.O.T.) will begin Phase II of the already in-progress Kennedy Reconstruction Project. This is a five year undertaking, lasting from 1990 to 1995. Work on Phase II will begin about February 15, 1992 although traffic lanes will not be affected until April 1, 1992.

Preparatory work for Phase II of the Kennedy Reconstruction Project has been under way for the past two years. Shoulders were upgraded and bridges were widened to accommodate traffic when moving lanes are closed. Lake Shore Drive was resurfaced in anticipation of the increased volume of traffic redirected to this major alternate route. Elston Avenue and Clybourn Avenue were identified as alternate routes. They were also upgraded by resurfacing, replacing traffic signals, et cetera.

Under the current configuration, the expressway operates with 4 inbound, 4 outbound and 2 reversible lanes that permit flexibility and the ability to add capacity in the peak direction. The 1992 reconstruction focus will be on the reversible lanes, which will be closed during all reconstruction phases. By using the shoulders, which were rebuilt in 1991, I.D.O.T. says four lanes of traffic will be maintained during peak hours throughout the construction season.

The reconstruction is being conducted in 5 phases or stages:

1) Stage 1 which began in 1990 and continued through 1991, consisted of advance and off-system work including bridge repairs, structure widening and the resurfacing of Lake Shore Drive.

2) Stage 2 -- scheduled for 1992 -- reversible lanes will be reconstructed.

3) Stage 3 is the reconstruction of the inbound (southeast bound) lanes in 1993.

4) Stage 4, the northwest or outbound lanes will be reconstructed in 1994.

5) Stage 5 is landscaping, traffic signals and lighting, taking place during 1995.

The Kennedy Expressway extends from the Eisenhower Expressway (I-290) on the south to Mannheim Road on the north -- a distance of 16.1 miles (Figure 1). The area affected, however, will be from Hubbard's Cave to the junction of the Eden's Expressway -- a distance of seven (7) miles (Figure 2). In addition, the Ohio/Ontario feeder ramps will also be rebuilt at the same time. These areas are some of the most heavily traveled sections of highway in the world. This expressway serves the north/south traffic corridor for trips between the northwest suburban communities and the Chicago Central Business District, the south side of Chicago and the south suburbs. It is the major route to O'Hare Airport from the Central Business District. According to the Chicago Area Transportation Study (C.A.T.S.), on a typical weekday, almost 3/4 of a million trips (703,600 or 348,100 inbound and 355,500 outbound) are made on some portion of the Kennedy (Figure 3). The affected seven miles has an Average Daily Traffic (A.D.T.) of 210,000 vehicles, with the segment just south of the junction with the Edens Expressway carrying the highest traffic volumes.[1] A comparison of 1990 counts at Sacramento to those from 1984 reveals that traffic has increased by slightly under 10% for the inbound lanes and 6% for the outbound over the six years period.[2] It should be pointed out that further traffic increases will be small, especially in the peak periods, since the expressway is operating near its theoretical capacity. The other major north/south route for motorists in the Chicago area, the Tri-State Tollway (I-294), will be reconstructed at the same time as the Kennedy Expressway.

More accidents occur on the Kennedy than any other expressway in northeastern Illinois. In terms of the numbers, 1989 data puts the Kennedy at the top of the list for Chicago area expressways (Figure 4). Twenty-six percent of all Chicago area expressway accidents occurred on the Kennedy, followed by the Dan Ryan with 20%, the Eisenhower with 14%, the Eisenhower extension with 12% and the Stevenson with 9%. It is expected that the accident frequency will be reduced as a result of the reconstruction, as many safety improvements will be made.

2 Chicago Area Transportation Study, Transportation Facts, Volume 8, Number 2, May, 1991

During November 1990, several data collection activities were initiated. Early in the month the Illinois Department of Transportation measured the vehicle mix; passenger cars and trucks were counted as were the number of occupants in the passenger cars. This data was collected for both an A.M. and P.M. peak period.

From data compiled by C.A.T.S. in past expressway studies, it is known that Illinois passenger cars represent the majority of vehicles using the Kennedy Expressway. Nearly 85% of the inbound local lane traffic and 95% of the inbound reversible lane traffic on a typical weekday were passenger cars.

Impact.

This project will have a dramatic impact on the delivery of Police Traffic Services. Of concern to the Chicago Police Department is the potential for tremendous volumes of traffic leaving the expressway system and searching for alternate routes on local streets. Although there have been planning meetings with the traffic engineers, it is evident that no one can accurately predict the impact on local traffic or where the new routes will form.

There are serious implications when all of these facts are taken in their totality. In 1988/1989 when a three mile portion of the Dan Ryan was reconstructed, there were major shifts in traffic patterns, mostly to local arterials within 1-2 miles of the Dan Ryan Expressway. The Kennedy Reconstruction Project encompasses a physical area over twice the length of the Dan Ryan Reconstruction Project. No other expressways underwent major reconstruction at the same time the Dan Ryan was reconstructed. With both major north/south routes, the Kennedy Expressway and the Tri-State Tollway, being severely restricted in capacity at the same time, traffic will likely leave the system.

As mentioned above, the current six lanes of traffic on the Ohio/Ontario feeder will be reduced to two westbound and one eastbound lane. Although there are no traffic studies available at this time regarding this area, we can reasonably expect this to compound an already over-taxed traffic system.

The Chicago Area Transportation Study (C.A.T.S.) analyzed the effect on the upcoming reconstruction of the Kennedy from Hubbard's Cave to the Edens Junction, using its regional highway simulation model. The following assumptions were made:

-- Express lanes were removed

-- Initial speed reduced to 90% of existing

-- Capacity reduced to 85% of existing

Based upon past experience with construction projects, it is likely that there will be some decrease or change in trips, travel times, and mode choice for trips in origins-destination pairs that currently use the Kennedy Expressway corridor. This fact is not quantifiable and no estimation was calculated to adjust the regional assignments. Therefore, the reconstruction assignments discussed here likely represent the worst case scenarios of no decrease in travel. There are a certain number of individuals who will continue to use private transportation regardless of the delays involved.

Vehicle miles of travel and hours of travel were computed for corridors approximately two miles on either side of the expressway sections to be reconstructed. Because of the aggregate nature of these results, they provide little detail, but, some interesting generalizations. The major conclusions were that there would be reduced capacity and speed, and that a considerable amount of traffic would leave the expressway system headed for local arterials. In short, no one really knows exactly what will happen beyond the obvious. Moreover, no one can accurately predict the impact on local traffic or where new traffic patterns will form. Lake Shore Drive will become a major alternate route for motorists between the Kennedy Expressway and Lake Michigan. The Eisenhower Expressway will receive additional traffic from motorists west of the Kennedy Expressway. And, of course, local arterials will receive a large amount of traffic also.

Another major concern is the total closure of all lanes due to an emergency. In a situation of this nature, vehicles would be exiting the system at every available opportunity. Because there is no ready mobile force available, the Communications Operations Section is going to play a major role in this situation. This is the most frightening situation in terms of traffic control and will have to be dealt with as the situation develops. This would indicate the need for mobility to the officers assigned to this project.

Again, during the Dan Ryan Reconstruction Project, Interagency Cooperation was a key in addressing the problem. The Chicago Fire Department, the Chicago Police Department, the Illinois State Police, Minutemen, City and State Traffic Engineers and contractors involved in the construction project, over a period of months, developed a written plan entitled "*Response Plan For Major Incidents On The Dan Ryan System.*" This plan divided the construction project site into eight (8) zones and outlined how all affected agencies would respond and what their specific responsibilities would be.

In brief, the role of the Chicago Police Department in disasters would be to escort backup fire units to street sites adjacent to the disaster if necessary. Intersections along frontage roads would be manned by Chicago Police if there was a complete expressway closure. District personnel (Figure 5) would be activated by the Communications Operations Section. The on-duty Street Assistant Deputy Superintendent would respond to the construction command post located at 800 South Desplaines to coordinate our response.

Police Response.

The Dan Ryan Construction Project involved several different governmental agencies and several private contractors and was successful because of one single factor; Interagency Cooperation. State and City engineers, Police, Fire and Minutemen all worked jointly in planning each group's involvement and outlining support services from the others.

Each agency involved in this project is a very complex organization. The complexity of these diverse organizations adds to the difficulty of establishing a framework to assist the motoring public in traversing the affected areas in reasonable time frames. There is not a single agency or individual who is able to exactly predict traffic response to the partial closure of the Kennedy Expressway. Years of experience and best guesses are tantamount in developing the final plans. Because of the uncertainties of the motoring public's reactions, the Chicago Police Department must insure that a majority of the officers assigned to this detail are mobile. We feel that by having a group of mobile officers, feedback from the engineers and the Chicago Area Transportation Study (C.A.T.S.), the officers can effectively respond to and be able to counter any problems that arise.

The police personnel detailed to this project will be instructed to make weekly evaluations of their assignments and traffic conditions in their area of responsibility. These requests will be forwarded to the Commander, Traffic Group, for evaluation and if appropriate to the Department of Transportation Bureau of Traffic, requesting engineering changes.

As was done with the Dan Ryan Reconstruction Project, the Chicago Transit Authority will be advised to pull their buses completely into all bus stops on alternate routes. Drivers will be expected to notify the police when there are illegally parked vehicles in bus stops or in some way obstructing a lane of traffic. This Also Means That District Personnel Must Be Constantly Alert To Illegal Parking On Alternate Routes.

In order to plan a strategy for the Chicago Police Department in terms of traffic control and alleviating vehicle congestion, one must consider a historical perspective. The only other project of this magnitude was the Dan Ryan Reconstruction Project. As mentioned before, the Kennedy Reconstruction area is twice the length of the Dan Ryan Reconstruction Project. There are certain applications that are common to both projects:

1) Key intersections must be identified for point control.

2) The detailed officers must be mobile to react to an ever changing environment.

Public service agencies such as the Illinois State Police, Chicago Fire Department, Minutemen and the Chicago Police Department are going to be involved in attempting to alleviate the resultant congestion when reconstruction begins on 1 April 1992.

The Traffic Group has developed a manpower deployment strategy after discussing expected traffic scenarios with the traffic engineers involved with this project. This included both state and City traffic engineers. As a result of our discussions and traffic surveys, it was felt that three (3) Sectors and one (1) additional Lake Shore Drive Enforcement Beat are needed.

Two of the Sectors will work 2nd (0500 -- 1330) and 3rd (1300 -- 2130) watches, and one will work 3rd watch only. As traffic patterns settle out, watch hours may be adjusted accordingly.

The detail will commence on 30 March 1992. It will consist of 4 Sergeants and 76 Police Officers. All personnel will be placed in a Saturday/Sunday Day Off Group. Four Sergeants are needed to provide adequate supervision for this detail:

1 Sergeant	Sector 1 --	2nd watch
1 Sergeant	Sector 1 --	3rd watch
	Sector 2 --	3rd watch
1 Sergeant	Sector 3 --	2nd watch
1 Sergeant	Sector 3 --	3rd watch

The Traffic Group will provide the Sergeants for Sectors 1 and 2. There will be a need to request two (2) Sergeants for Sector 3, 2nd and 3rd watch coverage. 7 vehicles will be supplied by the Motor Maintenance Division.

Deployment Of Personnel.

The Traffic Group Deployment Strategy will have Four Separate Elements. The concept is to place traffic control posts on the three major approach routes to the City through and adjacent to the construction area, and place an additional car on Lake Shore Drive.

The First Element will be to place officers for traffic control in the southwest portion of the Central Business District on Congress Expressway From Michigan Avenue To Wells (Figure 6). These officers will ensure traffic entering and exiting the Central Business District does not gridlock. Years of experience with special events, repair projects, and general traffic

control has demonstrated that the Congress Expressway corridor is a key route in and out of the Central Business District because of its access to the Interstate System. Furthermore, traffic engineers have indicated that this will be the major alternate route from the south and west. Because of reduced traffic lanes, northbound traffic will be forced off the Kennedy/Dan Ryan before it reaches Hubbard's Cave. It now seems likely that the closer motorists get to the construction zone, the more congested the roadway will become. Thus, they will opt to leave at the most convenient site, which is the Congress Expressway (Figure 7). In short, this route must remain open and allowed to flow freely. 2nd watch personnel would handle inbound traffic on eastbound Congress, and the 3rd watch would control outbound traffic on westbound Congress.

These officers would be assigned to the Loop Traffic Unit and would be assigned to the following intersections:

Sector 1

1)	Congress and Michigan	2 officers
2)	Congress and Wabash	1 officer
3)	Congress and State	2 officers
4)	Congress and Plymouth Court	1 officer
5)	Congress and Dearborn	1 officer
6)	Congress and Federal	1 officer
7)	Congress and Clark	1 officer
8)	Congress and LaSalle	1 officer
9)	Congress and Financial Place	1 officer
10)	Congress and Wells	1 officer
10	Traffic Control Posts	12 officers

2 watches = 24 P.O.s

Sergeants:	2nd watch --	(1) Loop Traffic Unit
	3rd watch --	(1) Loop Traffic Unit
		(This assignment covers Sectors 1 and 2)

The Second Element would be to assign officers to the Ontario Feeder Corridor which will be under construction again in 1992. This is the second major area of concern because it is the leading route from the Central Business District to the northern suburbs, O'Hare Airport and north and south sides of the City via the Kennedy/Dan Ryan Expressway. This would be exactly the same detail that was in effect in 1991 during preparatory stages of construction on the Ontario feeder ramp. A detail of 18 Police Officers and 1 Sergeant were assigned to expedite the flow of traffic. They would again be assigned to the Loop Traffic Unit, and would work the 3rd watch. Experience showed that the peak hours of need occurred during the 3rd watch. They were assigned primary posts on Ontario and also secondary posts north or south of Ontario as traffic conditions dictated. Due to the physical area covered and the distance from the Kraft Building, one (1) squad car would be obtained from the Motor Maintenance Division and assigned to the supervisory Sergeant.

Sector 2

1)	Ontario and Rush	2 officers
2)	Ontario and Wabash	2 officers
3)	Ontario and State	1 officer
4)	Ontario and Dearborn	1 officer
5)	Ontario and Clark	1 officer
6)	Ontario and LaSalle	1 officer
7)	Ontario and Wells	2 officers
8)	Ontario and Franklin	2 officers
9)	Ontario and Orleans	3 officers
10)	Ohio and Orleans	1 officer

11)	Erie and Orleans	1 officer
12)	Grand and Orleans	1 officer
12	Traffic Posts	18 Officers x 1 watch = 18 P.O.s
		1 Sergeant (covers Sector 1 on 3rd watch)
		1 Squad Car

The Third Element of this strategy would be to position officers in the Elston/Clybourn Corridor (Figure 9). Traffic engineers for the City of Chicago identified several major streets running parallel within 1 mile to the Kennedy Expressway as major alternative routes. Elston Avenue and Clybourn Avenue were chosen because of their positions and also due to several traffic studies which indicated the strong possibility that traffic would reroute on these streets. As a result, during the past year these alternatives were upgraded by resurfacing certain areas, widening, changing signs, traffic signals, et cetera.

Officers in this group would be assigned to the Traffic Enforcement Unit. Their function would be to expedite the flow of traffic off of the Kennedy Expressway and through the alternate routes of Elston and Clybourn. They would be assigned primary posts but would also have to be mobile to respond to changing traffic patterns and local contingencies. This group of individuals would work both 2nd and 3rd watches. Due to the physical area covered and the distance from the Kraft Building, six (6) squad cars would be obtained from the Motor Maintenance Division and assigned for transportation.

Sector 3

1)	Elston, Diversey and Western	3 officers
2)	Elston, Fullerton and Damen	3 officers
3)	Elston, Armitage and Ashland	3 officers
4)	Clybourn, Diversey and Damen	3 officers
5)	Clybourn, Fullerton and Ashland	3 officers
5	Traffic Control Posts	15 Officers x 2 watches = 30 P.O.s
2	Sergeants (2nd and 3rd watches)	

6 Squad Cars

Due to the mobility of personnel assigned to the above locations, they could be used at locations wherever an emergency situation might arise.

Experience with the Dan Ryan Reconstruction Project demonstrated that there was a need for the above type of traffic control primarily on the 2nd and 3rd watches (0500 -- 1300 and 1300 -- 2130 hours). These time frames covered the vast majority of traffic congestion, due mainly to the normal fluctuations in rush hours. Any extraordinary traffic congestion at other times was handled by District personnel after approximately 2130 hours or before 0500 hours.

The Fourth Element of this design is to place an additional beat car on Lake Shore Drive on two watches Monday through Friday for the duration of the project. This component was also built into the Dan Ryan Reconstruction Plan because Lake Shore Drive was a major alternate route during that undertaking. Traffic engineers estimated that the number of vehicles on Lake Shore Drive would conservatively increase by at least 32%.[3] The Department of Streets and Sanitation will be requested to provide additional tow truck support on Lake Shore Drive in the form of at least one (1) truck committed full time to Lake Shore Drive.

Sector 4.

2nd Watch 1 P.O. 1 squad

3rd Watch 2 P.O.s 1 squad

3 P.O.s

3 P.O.s x 1.2 Relief Factor = 4 P.O.s

The need for police traffic services during off hours will be handled by the Communications Operations Section after notification on point to point by the Illinois State Police. Communications Operations Section personnel will assign vehicles from Districts as needed. Notifications by the Illinois State Police during the 2nd and 3rd watches will be handled by detailed members.

---

[3] Chicago Area Transportation Study, Transportation Facts, Volume 8, Number 2, May, 1991.

Again, this segment of operations will be subject to the greatest amount of change. Not a single person can accurately predict where traffic will go. Once the routes are demonstratively established then more detailed and defined action can take place.

Total Manpower Request.

Sector 1. Congress Boulevard Corridor -- Loop Traffic Unit

10 Traffic Posts

12 officers x 2 watches = 24 P.O.s

1 Sergeant x 1 watch (2nd) = 1 Sergeant

1 Sergeant x 1 watch (3rd) = 1 Sergeant

Conclusion.

This plan is submitted for approval so that further progress can be made on the project. The Finance Division needs to know the final number of personnel, vehicles and radios assigned to this detail so that it can compute the total cost. This information will be passed to the Legal Affairs Section so that negotiations can be started with the legal counsel to the Illinois Department of Transportation. Funds have been set aside for the Chicago Police Department for this project. Patrol Division Administration will need to identify personnel for this project. Traffic Group Administrative personnel will need to prioritize coverage and develop a set of instructions for assigned personnel's safety and knowledge.

To conclude, the project is extraordinarily complex. Massive traffic jams could cost millions of dollars to the City's economy; could cause an increase in property damage and serious personal injury accidents, and in general cause a great deal of aggravation to the motoring public. We can either be proactive or reactive. By being proactive we can assume the role of highly organized professionals. By being reactive it would be assumed that the Chicago Police Department has not committed itself to the well being of the citizens of Chicago.

Be It Further Ordered, That the City Comptroller is authorized and directed to issue warrants, in conformity with the schedule herein set forth, to physicians, hospitals, nurses or other individuals, in settlement for hospital, medical and nursing services rendered to the injured members of the Police Department and/or Fire Department herein named, provided such members of the Police Department and/or Fire Department shall enter into an agreement in writing with the City of Chicago to the effect that, should it appear that any of said members of the Police Department and/or Fire Department have received any sum of money from the party whose negligence caused such injury, or have instituted proceedings against such party for the recovery of damages on account of such injury or medical expenses, then in that event the City shall be reimbursed by such member of the Police Department and/or Fire Department out of any sum that such member of the Police Department and/or Fire Department has received or may hereafter receive from such third party on account of such injury or medical expenses, not to exceed the expense in accordance with Opinion No. 1422 of the Corporation Counsel of said City, dated March 19, 1926. The payment of any of these bills shall not be construed as approval of any previous claims pending or future claims for expenses or benefits on account of any alleged injury to the individuals named. The total amount of such claims, as allowed, is set opposite the names of the injured members of the Police Department and/or Fire Department and warrants are to be drawn in favor of the proper claimants and charged to Account No. 100.9112.937:

[Third party orders printed on pages 20697 through 20699 of this Journal.]

CHICAGO, September 16, 1992.

To the President and Members of the City Council:

Your Committee on Finance, having had under consideration an order authorizing the payment of various small claims against the City of Chicago, having had the same under advisement, begs leave to report and recommend that Your Honorable Body *Pass* the proposed order transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee.

Respectfully submitted,

(Signed) EDWARD M. BURKE,
Chairman.

On motion of Alderman Burke, the said proposed order transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

Yeas -- Aldermen Mazola, Rush, Tillman, Preckwinkle, Bloom, Steele, Beavers, Dixon, Shaw, Buchanan, Huels, Fary, Madrzyk, Burke, Jones, Coleman, Murphy, Rugai, Troutman, Evans, Garcia, Laski, Miller, Medrano, Hendon, E. CHICAGO, September 16, 1992.

To the President and Members of the City Council:

Your Committee on Finance, having had under consideration an order authorizing the payment of senior citizen sewer rebate claims, having had the same under advisement, begs leave to report and recommend that Your Honorable Body *Pass* the proposed order transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee.

Respectfully submitted,

(Signed) EDWARD M. BURKE,
Chairman.

On motion of Alderman Burke, the said proposed order transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

Yeas -- Aldermen Mazola, Rush, Tillman, Preckwinkle, Bloom, Steele, Beavers, Dixon, Shaw, Buchanan, Huels, Fary, Madrzyk, Burke, Jones, Coleman, Murphy, Rugai, Troutman, Evans, Garcia, Laski, Miller, Medrano, Hendon, E. Smith, Burrell, Suarez, Gabinski, Mell, Austin, Wojcik, Banks, Giles, Cullerton, Laurino, O'Connor, Doherty, Natarus, Eisendrath, Hansen, Levar, Shiller, Schulter, M. Smith, Moore, Stone -- 47.

Nays -- None.

Alderman Natarus moved to reconsider the foregoing vote. The motion was lost.

The following is said order as passed:

Ordered, That the City Comptroller is authorized and directed to pay the following named claimants the respective amounts set opposite their names, said amounts to be paid in full as follows, and charged to Account Number 314-99-2005-9128-0938:

COMMITTEE ON AVIATION.

AUTHORIZATION FOR EXECUTION OF AMENDMENT TO LEASE AGREEMENT WITH HILTON HOTEL CORPORATION, AS SUCCESSOR TO MIDWESTERN HOTEL, INCORPORATED, FOR OPERATION OF HOTEL AT CHICAGO O'HARE INTERNATIONAL AIRPORT.

The Committee on Aviation submitted the following report:

Chicago, September 16, 1992.

To the President and Members of the City Council:

Your Committee on Aviation, having had under consideration a communication from the office of the Honorable Mayor, Richard M. Daley, transmitting an ordinance authorizing execution of an amendment to the lease agreement between the City of Chicago and Hilton Hotel Corp., as successor to Midwestern Hotel, Inc., for operation of a hotel at O'Hare International Airport, begs leave to recommend that Your Honorable Body do *Pass* said proposed ordinance which is transmitted herewith.

This recommendation was concurred in by all the members of the committee present, with no dissenting votes.

Respectfully submitted,

(Signed) THOMAS W. CULLERTON,
Chairman.

On motion of Alderman Cullerton, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

Yeas -- Aldermen Mazola, Rush, Tillman, Preckwinkle, Bloom, Steele, Beavers, Dixon, Shaw, Buchanan, Huels, Fary, Madrzyk, Burke, Jones, Coleman, Murphy, Rugai, Troutman, Evans, Garcia, Laski, Miller, Medrano, Hendon, E. Nays -- None.

Alderman Natarus moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, On or about May 15, 1970, the City of Chicago (the "City") and Western Concessions, Inc., entered into an agreement (the "Lease") for the construction and operation of a hotel on property leased to Western Concessions, Inc., and located at Chicago O'Hare International Airport, said hotel being commonly known as the O'Hare Hilton; and

WHEREAS, Western Concessions, Inc., was renamed Midwestern Hotel, Inc., and the Lease was amended and supplemented pursuant to an ordinance passed by the City Council of the City on January 18, 1989; and

WHEREAS, The Lease was further amended and supplemented pursuant to an agreement between the City and Midwestern Hotel effective May 25, 1990, in compromise and settlement of litigation then pending between the parties; and

WHEREAS, Pursuant to the settlement, Midwestern Hotel, Inc., agreed to make capital improvements, valued at $13,000,000, to the hotel, over and above capital improvements previously required under the Lease; and

WHEREAS, Midwestern Hotel, Inc., assigned its rights and interests under the Lease to Hilton Hotel Corporation ("Hilton") as of October 21, 1991, whereupon Hilton became the lessee of the hotel property; and

WHEREAS, Due to continued redevelopment of Chicago O'Hare International Airport and the hotel's proximity to the passenger terminals and the visibility and accessibility of the hotel to travelers visiting the City of Chicago, it is desirable to upgrade and maintain the hotel as an attractive and efficient facility; and

WHEREAS, In order to upgrade and improve the hotel, Hilton undertook an extensive program of renovation, including capital improvements valued at $28,000,000; and

WHEREAS, In order to accomplish the renovation of the hotel in an efficient manner, it was necessary to close the hotel during the period of renovation; and

WHEREAS, It is mutually desirable and advantageous to the City and Hilton to amend the Lease further in order to enable Hilton to complete a more substantial renovation of the hotel and to provide the City with a greater income stream and a stable source of revenue; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The City Council hereby incorporates the statements made in the preamble to this ordinance as its legislative findings.

SECTION 2. The Amendment to Lease Agreement, dated as of _____, 1992, by and between the City of Chicago and Hilton Hotel Corporation, in substantially the form attached hereto as Exhibit A, is hereby approved.

SECTION 3. Subject to approval of the Corporation Counsel as to form and legality, the Mayor is authorized to execute and deliver the Amendment to Lease Agreement. The City Clerk is directed to attest the Amendment to Lease Agreement upon its execution.

SECTION 4. This ordinance shall be in full force and effect from and after its passage and approval.

Exhibit "A" attached to this ordinance reads as follows:

Exhibit "A".

Amendment To Lease Agreement.

This Agreement constitutes an amendment to the "Lease" described below, and is made as of this ____ day of _____, 1992, by and between the City of Chicago, as "Lessor", and Hilton Hotels Corporation, a Delaware corporation, as "Lessee". The "Lease" is a collective term referring to (1) that certain agreement dated May 15, 1970, by and between the City of Chicago, as lessor, and Western Concessions, Inc., as lessee, for the construction, lease and operation of a hotel (known as the "O'Hare Hilton") at Chicago-O'Hare International Airport (the "Airport") in Chicago, Illinois, and any amendments thereto (the "Original Lease") and (2) that certain lease agreement (the "1988 Lease") dated as of December 1, 1988, by and between the City of Chicago, as lessor, and Midwestern Hotel, Inc., (the successor-in-interest to Western Concessions, Inc.) as lessee, which 1988 Lease amended and restated the Original Lease and (3) that certain Settlement Agreement dated May 25, 1990, by and between the City of Chicago and Midwestern Hotel, Inc., which Settlement Agreement, inter alia, modified and amended the 1988 Lease. All words and expressions defined in the Lease shall have the same meaning when used in this Agreement.

Witnesseth:

Whereas, The Lessor owns and operates the Airport and has the power to lease premises and facilities and to grant rights and privileges with respect to the Airport; and

Whereas, The Lessor has determined that it is convenient and necessary that there be constructed and operated upon said Airport hotel facilities for the accommodation of the traveling public; and

Whereas, The Lessor and Lessee's predecessor-in-interest have heretofore entered into the Lease whereby the Lessor leased the Leased Premises (as defined in the Lease) to the Lessee's predecessor-in-interest; and

Whereas, Since the date of the Original Lease, the Lessor has planned, financed and undertaken extensive redevelopment and expansion of Airport facilities, has expanded Airport capacity, and has entered into new Use Agreements and Terminal Facilities Leases with airlines using the Airport; and these changes at the Airport make it mutually desirable to modify certain terms of the Lease; and

Whereas, The Lessee's predecessor-in-interest constructed (and until October 21, 1991, operated) a hotel and related facilities on the Leased Premises; and

Whereas, The existing hotel is in need of substantial renovation and capital improvement in order to replace obsolete equipment, improve life safety systems, refurbish guest rooms and public areas and undertake other renovation activities in order to insure that the hotel is a first-class, efficient facility in keeping with the current needs of the traveling public and to provide a stable and enhanced source of revenue to the Lessor and the Lessee; and

Whereas, Due to redevelopment of the Airport and the hotel's proximity to the passenger terminals and the visibility and accessibility of the hotel to travelers visiting the City of Chicago, it is desirable to upgrade and maintain the hotel as an attractive and efficient facility; and

Whereas, Lessee's predecessor-in-interest, pursuant to the terms of the Settlement Agreement, was required to spend no less than $13,000,000 on capital improvement programs, but had not done so as of October 21, 1991, the date on which Lessee's predecessor-in-interest assigned its interest in the Lease to the Lessee; and

Whereas, Hilton Hotels Corporation, prior to October 21, 1991, had managed the hotel on behalf of Midwestern Hotel, Inc., and desired to see the hotel renovated and improved, but believed that in order for the renovation to succeed more extensive improvements than previously contemplated under the Settlement Agreement should be made, and that in order to effect such more extensive improvements certain modifications to the Lease would be necessary, and that the hotel would need to be closed during the renovation period and that during such period of closure, the hotel would suffer a substantial loss of income; and

Whereas, Pursuant to the Assignment and Assumption of Lease dated October 21, 1991, Midwestern Hotel, Inc., assigned to Hilton Hotels Corporation its interest as Lessee under the Lease, and Hilton agreed with the Lessor to assume such obligations; and

Whereas, Pursuant to that certain estoppel letter dated October 17, 1991, the City of Chicago confirmed that its consent to such Assignment and Assumption of Lease was not required because Hilton Hotels Corporation is a "Qualified Purchaser" pursuant to Section 14.04 of the 1988 Lease; and

Whereas, Hilton Hotels Corporation, as the current Lessee, is willing to make substantial improvements to the hotel in excess of the amounts required under the Settlement Agreement, provided that certain terms and conditions of the Lease are modified; and

Whereas, Due to the assignment of the Lease to the Lessee, the commencement of the hotel renovations occurred later than was contemplated and than would have been the case had the Lessee's predecessor-in-interest undertaken the renovation under the Settlement Agreement; and

Whereas, The parties desire to modify the rent schedule and otherwise modify the Lease as provided herein in order to enable the Lessee to complete a more substantial renovation of the hotel and to provide the Lessor with a greater income stream and a stable source of revenue;

Now, Therefore, For and in consideration of the premises, agreements, covenants, and conditions contained herein, the adequacy and sufficiency of which are hereby expressly acknowledged by each of the parties, the Lessor and the Lessee hereby agree as follows:

1. Renovation Program. Pursuant to Section 10.01(c) of the 1988 Lease, the Lessor hereby consents to the closure of the hotel commencing October 21, 1991, for the purpose of enabling the Lessee to implement a comprehensive renovation and capital improvements, including the Initial Capital Improvements referred to in Paragraph 5 of the Settlement Agreement ("Renovation Program"). The Lessee shall expend no less than $28,000,000 in completing the Renovation Program (inclusive of all hard and soft costs of the Renovation Program and pre-opening expenses, but excluding real estate taxes applicable during such period), which amount shall be in lieu of the amounts specified under Sections 3.01 or 3.02 of the 1988 Lease, as heretofore in effect, or Paragraph 5 of the Settlement Agreement. The Renovation Program shall be completed and the hotel reopened no later than September 30, 1992, subject to Unavoidable Delays.

2. Annual Capital Improvements. Section 3.02 of the 1988 Lease is hereby deleted in its entirety and restated as follows:

"3.02. Annual Capital Improvements.

(a) Commencing with Lease Year 1993, the Lessee shall expend each Lease Year no less than the 'Required Percentage' of the Gross Revenues for such Lease Year for Capital Improvements, pursuant to the terms and conditions of Article III hereof. The 'Required Percentage' for Lease Year 1993 shall be one percent (1%); for Lease Year 1994, two percent (2%); for Lease Year 1995, three percent (3%); for Lease Year 1996 and all Lease Years thereafter, four percent (4%). If the Lessee shall fail to spend the Required Percentage of Gross Revenues for Capital Improvements within any Lease Year, the Lessee shall pay such

amount to the Lessor, less the amount actually expended for Capital Improvements, as liquidated damages and not as a penalty.

(b) If the Lessee expends more than the Required Percentage of Gross Revenues for Capital Improvements within any Lease Year subsequent to Lease Year 1992, the Lessee shall be entitled to a credit against its yearly obligation to spend the Required Percentage of Gross Revenues for Capital Improvements in an amount equal to the monies expended in excess of the Required Percentage of Gross Revenues. Such credit may be applied against the Lessee's obligation to expend monies for Capital Improvements for the following two Lease Years, provided that if said credit is not used prior to the expiration of said two Lease Years, such credit is forfeited."

3. Abatement of Rent. In consideration of the Lessee's obligations with respect to the Renovation Program, the Lessor hereby agrees that all forms of rental under Sections 2.03 and 2.04 of the 1988 Lease, as amended by Paragraph 6 of the Settlement Agreement, are hereby abated during the period agreed in Paragraph 1 hereof for the completion of the Renovation Program, and no such rental will accrue during that period. Pursuant to Section 2.04 of the 1988 Lease, Minimum Rent shall be prorated for any partial Lease Years resulting from such closure and abatement period. The parties hereby confirm that, pursuant to Paragraph 6b of the Settlement Agreement, the Minimum Rent shall commence to accrue upon the reopening of the hotel, and effective on such date Minimum Rent shall be increased to a total of $1,725,000 per Lease Year. The first installment of the resumed Minimum Rent shall be due and payable on the first day of the calendar month following reopening of the hotel. If the reopening occurs on a day other than the first day of a calendar month, then the first installment shall also include a prorated payment for the partial month in which the reopening occurred. Lessee shall receive a credit equal to any rent which Lessee may have paid for any periods in which the hotel was closed during the Renovation Program, which credit Lessee may apply against payment of the Minimum Rent due upon the reopening of the hotel.

4. Except as amended by Paragraphs 1 through 3 hereof, inclusive, all terms of the Lease shall remain in full force and effect.

In Witness Whereof, The City of Chicago has caused this Agreement to be executed on behalf of its Mayor, pursuant to due authorization of the City Council of the City of Chicago, and its seal to be hereunto affixed and attested by the City Clerk of the City of Chicago; and Hilton Hotels Corporation has caused this Lease to be executed in its corporate name by its

President duly authorized and its corporate seal to be hereunto affixed, attested by its Secretary, all as of the day and year first above written.

AUTHORIZATION FOR RENEWAL OF LICENSE AGREEMENT WITH VILLAGE OF ROSEMONT FOR OPERATION OF WATER MAIN ON CITY PROPERTY.

The Committee on Aviation submitted the following report:

CHICAGO, September 16, 1992.

To the President and Members of the City Council:

Your Committee on Aviation, having had under consideration a communication from the Honorable Mayor, Richard M. Daley, transmitting an ordinance authorizing the renewal of a license agreement granting the village of Rosemont the right to operate and maintain a water main on City property, begs leave to recommend that Your Honorable Body do *Pass* said ordinance, which is transmitted herewith.

This recommendation was concurred in by all the members of the committee present, with no dissenting votes.

Respectfully submitted,

(Signed) THOMAS W. CULLERTON,
Chairman.

On motion of Alderman Cullerton, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

Yeas -- Aldermen Mazola, Rush, Tillman, Preckwinkle, Bloom, Steele, Beavers, Dixon, Shaw, Buchanan, Huels, Fary, Madrzyk, Burke, Jones, Coleman, Murphy, Rugai, Troutman, Evans, Garcia, Laski, Miller, Medrano, Hendon, E. Smith, Burrell, Suarez, Gabinski, Mell, Austin, Wojcik, Banks, Giles, Cullerton, Laurino, O'Connor, Doherty, Natarus, Eisendrath, Hansen, Levar, Shiller, Schulter, M. Smith, Moore, Stone -- 47.

Nays -- None.

Alderman Natarus moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, The City of Chicago ("City") owns, controls and operates the property north and east of Chicago O'Hare International Airport and west of the Illinois Toll Road ("Property"), as set forth in Exhibit A, attached hereto and made a part hereof; and

WHEREAS, The Village of Rosemont ("Rosemont") desires to operate and maintain a 1,900 foot long water main upon City Property; and

WHEREAS, The City Council approved the installation, maintenance and operation of said 1,900 foot long water main, and authorized the City to enter into a License Agreement with Rosemont for this purpose on January 17, 1962 (City Council Journal of Proceedings, pages 6609 -- 6610) and renewed said License Agreement on January 31, 1973 (City Council Journal of Proceedings, pages 5100 -- 5101) and April 13, 1983 (City Council Journal of Proceedings, pages 17148 -- 17151); and

WHEREAS, The City desires to renew said License Agreement with Rosemont commencing on December 2, 1992 and terminating on December 1, 2002 for the purpose of continuing the operation and maintenance of said water main; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That the Mayor or his proxy is authorized to execute on behalf of the City a renewal of a License Agreement substantially in the form attached hereto as Exhibit B, granting the Village of Rosemont the right to operate and maintain a 1,900 foot long water main upon City Property, as set forth in Exhibit A attached hereto.

SECTION 2. That this ordinance shall take effect upon its passage.

[Exhibit "A" attached to this ordinance printed on pages 20799 and 20800 of this Journal.]

Exhibit "B" attached to this ordinance reads as follows:

Exhibit "B".

License Agreement

Between

The City Of Chicago

And

The Village Of Rosemont.

Witnesseth:

Whereas, The parties hereto have heretofore entered into a license agreement dated January 17, 1962, wherein Licensee was given authority to intall a 1,900 foot long underground water main in Licensor's properties hereinafter described; and

Whereas, Pursuant to said Agreement Licensee did install said water main; and

Whereas, The parties hereto have heretofore extended into successive license agreements wherein Licensee was granted a license to occupy and use the properties hereto to continue said license; now, therefore,

In consideration of the mutual covenants hereinafter stated, the parties hereto agree as follows:

1. The Licensor hereby grants to the Licensee a license to occupy and use, subject to all of the terms and conditions hereinafter stated, certain properties located and legally described as follows, to wit:

That part of the west 10 feet of the east 26 feet of the east half of the west half of Section 4, Township 40 North, Range 12 East of the Third Principal Meridian lying south of the south line of Lot 53 (extended east) in F.H. Bartlett's "Higgins Road Farms" subdivision of the east half of the southwest quarter of Section 33, Township 41 North, Range 12 and part of the east half of the west half of Section 4, Township 40

North, Range 12, East of the Third Principal Meridian (except that part thereof lying south of the northerly line of the Illinois State Toll Highway);

said properties being outlined on the plat attached hereto as Exhibit "A" and by this reference made a part hereof.

2. The properties may be occupied and used by the Licensee solely for the operation, maintenance, renewal, relocation and removal of the 1,900 foot long underground water main during the period commencing on the 2nd day of December 1992, and terminating on the 1st day of December 2002, unless said agreement is otherwise terminated as hereinafter provided.

3. The Licensee shall pay the Licensor for this license the sum of Two Thousand Fifty and no/100 Dollars ($2,050.00) per annum, predicated upon a rate of Two Hundred Dollars ($200.00) for the first fifty (50) lineal feet of water main and One Dollar ($1.00) for each additional lineal foot or fraction thereof per annum, traversing along, through, and under, properties owned by the Licensor. The first payment shall be made on the date of this agreement and subsequent payments shall be made on the anniversary date of said date thereafter during the continuation of this agreement.

4. All installation heretofore and hereinafter placed upon properties by the Licensee shall be and remain the property of the Licensee. The operation, maintenance, renewal, relocation, and removal of said installation shall be accomplished by the Licensee at its sole cost and expense, in such manner as will at all times enable the Licensor to use the surface of the properties.

5. Throughout the term of this agreement, if, in Licensor's sole determination, said water main must be relocated horizontally, vertically, or otherwise, Licensee agrees that it will, upon receipt of written notice, promptly relocate same as directed in said notice and at its sole cost and expense.

6. Licenser shall not be liable for damages to property or injuries to persons arising from the construction, operation, maintenance, renewal, relocation or removal of said installations by the Licensee.

7. Licensee agrees that it will assume the defense of any action in which the City of Chicago may be made a Party-Defendant anywise arising out of and in connection with the aforesaid water main and will satisfy any judgments resulting therefrom at no cost to the Licensor.

8. Licensee further agrees that it will at all times carry insurance, naming the City of Chicago co-assured thereunder, in such amounts and

types as may be satisfactory to the City Comptroller of the City of Chicago. Certificates of said insurance shall be delivered to and held by the City Comptroller.

9. It is understood that the permission herein granted is in no way to be construed by Licensee as permission to otherwise enter upon the Licensor's other properties for any purpose whatsoever, it being further understood that Licensee will not extend its water main westerly from a point on Higgins Road three hundred feet west of the center line of the intersection of said Higgins Road with Mannheim Road, nor attempt or permit, either directly or indirectly the transmission of water to any of the areas west or north of said point.

10. It is further understood that Licensee shall not construct nor attempt to service or to receive water from the premises owned by the United States Government situated on Chicago O'Hare International Airport.

11. This agreement is subject to an agreement between Licensor and Licensee as passed by the City Council of the City of Chicago, June 24, 1964, (Council Journal of the Proceedings, pages 2887 -- 2891), and any subsequent agreements entered into to date and hereafter, and is further subject to compliance with the provisions of Part 157 of the Regulations of the Administrator, Federal Aviation Administration, U. S. Department of Transportation, prior to entering upon said lands hereinbefore described and owned by Licensor.

12. This agreement, with the rights and privileges herein granted, may be terminated by either party upon 30 days written notice to the other party, in the event the terms and conditions hereof are not fulfilled, or in the further event the Licensee abandons the use of the properties herein granted.

13. The Licensee hereby covenants and agrees that on or before the termination of this license by expiration of time or as otherwise provided herein it will remove said installations from the properties of the Licensor and restore said properties to the condition existing at the time of entering upon the same pursuant to the original license dated January 17, 1962.

14. Any notice mailed, addressed to the Licensee at the Village Hall, Village of Rosemont, 9501 Devon Avenue, Rosemont, Illinois 60018, or delivered to the Licensee, shall be notice hereunder by the Licensor. Any notice mailed or delivered to the Commissioner of Aviation, 20 North Clark, Suite 3000, Chicago, Illinois, 60602, shall be notice by the Licensee hereunder unless and until the Licensor shall designate a different representative or address.

15. Execution of this agreement authorized by ordinance of the City Council of the City of Chicago passed on the ____ day of _____, A.D.

19__, (Council Journal of the Proceedings _____) and by ordinance of the Village Board of the Village of Rosemont passed on the ____ day of _____, A.D. 1992.

Action Deferred -- AUTHORIZATION FOR EXECUTION OF AGREEMENT WITH QVS CHICAGO JOINT VENTURE FOR OPERATION OF LUGGAGE CART RENTAL CONCESSION AT CHICAGO O'HARE INTERNATIONAL AIRPORT.

The Committee on Aviation submitted the following report, which was, on motion of Alderman Jones and Alderman Shaw, *Deferred* and ordered published:

CHICAGO, September 16, 1992.

To the President and Members of the City Council:

Your Committee on Aviation, having had under consideration a communication from the Honorable Mayor, Richard M. Daley, an ordinance authorizing the execution of a Luggage Cart Concession License Agreement ("Agreement") between the City of Chicago ("City") and QVS Chicago Joint Venture ("QVS") to provide luggage carts at O'Hare International Airport ("O'Hare"), begs leave to recommend that Your Honorable Body do pass said proposed ordinance, which is transmitted herewith.

This recommendation was concurred in by all the members of the committee present, with no dissenting votes.

Respectfully,

(Signed) THOMAS W. CULLERTON,
Chairman.

Exhibit "A".
(Page 2 Of 2)

(Continued from page 20798)

The following is said proposed ordinance transmitted with the foregoing committee report:

WHEREAS, The City of Chicago owns and operates O'Hare International Airport (the "Airport"); and

WHEREAS, The Department of Aviation of the City of Chicago ("D.O.A.") desires to have luggage cart rental service at the Airport; and

WHEREAS, Pursuant to D.O.A.'s request for proposals for luggage cart rental service, Specification Number C961910045 ("R.F.P."), D.O.A. solicited proposals from vendors willing to provide luggage cart rental service on an exclusive basis; and

WHEREAS, D.O.A. received numerous responses to the R.F.P., including a proposal to D.O.A. from QVS Chicago Joint Venture ("QVS") dated September 9, 1991; and

WHEREAS, D.O.A. after a thorough evaluation of all the proposals has chosen QVS as the contractor providing the proposal most advantageous to the City; and

WHEREAS, QVS is ready, willing and able to supply such services; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The Mayor and the Commissioner of Aviation with the approval of the Corporation Counsel as to form and legality are hereby authorized to execute on behalf of the City of Chicago an Agreement with QVS, substantially in the form attached hereto as Exhibit "A".

SECTION 2. This ordinance shall be effective upon its passage and approval.

Exhibit "A" attached to this ordinance reads as follows:

Exhibit "A".

Agreement

Between

QVS Chicago Joint Venture

And

City Of Chicago

(Department Of Aviation).

This agreement (hereinafter the "Agreement") is entered into and effective as of this ____ day of _____, 1992 by and between QVS Chicago Joint Venture, a joint venture duly authorized to do business in the State of Illinois (hereinafter the "Contractor"), and the City of Chicago, a municipal corporation and home rule unit of local government under the Constitution of the State of Illinois, acting through its Department of Aviation (hereinafter the "City").

Recitals.

Whereas, The City owns and operates O'Hare International Airport (hereinafter the "Airport"); and

Whereas, The City desires to select the Contractor to provide for the establishment and operation of a luggage cart rental service concession (the "Concession") at the Airport as a necessary service to the traveling public; and

Whereas, The City solicited proposals from vendors seeking selection as the provider of the above referenced services pursuant to the City's Request for Proposals for luggage cart rental service, Specification Number C961910045 (hereinafter the "R.F.P."); and

Whereas, The City received numerous responses to the R.F.P., including a proposal to the City from the Contractor dated September 9, 1991 (hereinafter the "Proposal"); and

Whereas, On the basis of the responses submitted, the City selected the vendor to serve as the Contractor as described herein; and

Whereas, The Contractor represents that it is ready, willing and able to perform under this Agreement to the full satisfaction of the City;

Now, Therefore, In consideration of the mutual promises contained in this Agreement, the City and the Contractor agree as follows:

Article 1.

Incorporation Of Recitals.

The recitals set forth above are incorporated by reference as if fully set forth here.

Article 2.

Definitions.

In addition to terms defined in the recitals and elsewhere in this Agreement, the following words and phrases shall have the following meanings for purposes of this Agreement:

"Agreement" means this Agreement, including all exhibits attached to it and incorporated in it by reference, and all amendments, modifications or revisions made in accordance with its terms.

"Airport" means the City-owned real estate located at O'Hare International Airport and all public ways, City buildings and City facilities which are on such real estate.

"City" means the City of Chicago, a municipal corporation and home rule unit of local government under the Constitution of the State of Illinois.

"Code" means the Municipal Code of Chicago (1990), as amended from time to time.

"Commissioner" means the Commissioner of the Department of Aviation of the City and any representative duly authorized in writing to act on his behalf.

"Comptroller" means the Chief Executive of the Department of Finance of the City and any individual authorized in writing to act on his behalf.

"Contractor" means QVS Chicago Joint Venture, a joint venture consisting of QVS Illinois, Inc., and Hill Taylor & ompany, duly organized and existing under the laws of the State of Illinois and duly authorized to do business under the laws of the State of Illinois, and its successors and assigns as authorized under this Agreement.

"Department" means the Department of Aviation of the City of Chicago.

"Gross Revenues" means the sum of all amounts collected by the Contractor, directly or indirectly, or in any manner received by the Contractor from rental of luggage carts pursuant to the Concession.

"Purchasing Agent" means the Chief Executive of the Department of Purchases, Contracts and Supplies of the City and any representative duly authorized in writing to act on his behalf.

"Risk Management Office" means the Risk Management Office in the Department of Finance of the City which is under the direction of the City Comptroller of the City and is charged with reviewing and analyzing insurance and related liability matters for the City.

"Subcontractor" means any person or entity with whom the Contractor contracts to provide any portion of the luggage cart rental service provided for hereunder. The term "Subcontractor" also includes subconsultants of any tier, subcontractors of any tier, suppliers and materialmen, whether or not in privity with the Contractor.

Article 3.

Scope Of The Agreement.

Section 3.1. Exclusive Vendor.

The City hereby selects the Contractor as the exclusive vendor to establish and operate a luggage cart rental service concession at the Airport during the term of this Agreement.

The Contractor shall provide for the installation, operation, and maintenance of luggage carts. Luggage carts and all cart rental dispensers must have the general characteristics listed in (Sub)Exhibit A attached hereto and incorporated by this reference herein.

Section 3.2. Cart Rental Locations.

The Contractor is hereby granted the exclusive right to dispense, operate and maintain all cart rentals at the Airport; current locations of all cart rental dispensers are set forth in (Sub)Exhibit B attached hereto and incorporated by this reference herein. The Contractor also is hereby authorized to install, operate and maintain additional cart rental dispensers subject to the prior written approval of the Commissioner. The Contractor shall be responsible for the installation, maintenance and repair of such dispensers. Contractor shall place a minimum of three thousand luggage carts at the Airport except as otherwise directed by the Commissioner.

The Contractor may not abandon or remove cart rental dispensers without the prior written approval of the Commissioner. The Commissioner may require the Contractor to relocate any cart rental dispensers. The Contractor must relocate any cart rental dispenser within two (2) days of a written request from the Commissioner regarding such dispenser.

Section 3.3. Cart Rental Dispenser Installation.

The Contractor shall install cart rental dispensers in compliance with all applicable laws, rules, and regulations; the documentation approved by the City; manufacturers' specifications; reasonable requests of the City; and professional standards of care. The Contractor shall burden the Airport in as limited a manner as reasonably feasible, and shall, pursuant to the written request of the Commissioner, modify any plans which the Commissioner, in the exercise of reasonable discretion, deems burdensome to Airport facilities. The Contractor shall use existing conduit and wires to the extent reasonably feasible.

The Contractor shall minimize interference with existing utilities and facilities at the Airports to the extent reasonably feasible. The Contractor shall disturb such facilities only after receiving the written approval of the owner or Lessee of such facilities and the Commissioner. The Commissioner may inspect such cart rental dispensers and locations thereof at any time prior to, during, or after, installation.

Section 3.4. Cart Rental Dispenser Documentation.

The Contractor must provide the Commissioner with the specifications, standards and procedures for all cart rental dispensers and the installation thereof. Attached as (Sub)Exhibit C are drawings of the luggage carts and luggage cart dispensers which the Contractor will use in operating the Concession. Whenever a change to such drawings occurs the Contractor shall provide the Commissioner with revised drawings. The drawings shall, at a minimum, include the dimensions and the location of each cart rental dispenser.

Cart rental dispensers must be in compliance with all applicable federal, state and local regulations. More specifically, cart rental dispensers must be accessible to the extent required by all federal, state and local laws and regulations regarding accessibility standards for disabled or environmentally limited persons as applicable to the City including, but not limited to, the following: Americans with Disabilities Act, P.L. 101-336 (1990) ("A.D.A."); the Uniform Federal Accessibility Standards ("U.F.A.S.") or the Americans with Disabilities Act Accessibility Guidelines for Buildings and Facilities ("A.D.A.A.G."); and the Illinois Environmental Barriers Act, Ill. Rev. Stat, Ch. 111-1/2, Sec. 3711 et seq. (1989), and the regulations promulgated therefor at 71 Ill. Adm. Code, Ch. 1, Sec. 400.110. The Contractor shall, prior to installation of new cart rental dispensers, review the plans and specifications and notify the City in the event that the plans and specifications are not in compliance with the standards set forth in this Section. In addition, the cart rental dispensers themselves and the location thereof must comply with all the applicable requirements of the A.D.A..

Section 3.5. Customer Charges.

The Contractor shall at all times supply luggage cart rental service for all passengers who utilize domestic service terminals at the Airport. The Contractor shall charge such passengers One Dollar ($1.00) per cart rented. The Contractor shall charge departing passengers who utilize international service terminals One Dollar ($1.00) per cart rented. The City and the Contractor shall consult with each other from time to time concerning the amount of such charge which shall not be increased or decreased without the written approval of the Commissioner and without reasonable market justification. The Contractor shall at all times provide cart rental service for all arriving passengers who utilize international service terminals free of charge.

Section 3.6. Enhancements.

The Contractor shall notify the City of any enhancements or upgrades in connection with cart rental dispensers within sixty (60) days of a Contractor release or announcement making such upgrade or enhancement generally available to its customers. Such upgrades shall be made at no cost to the City. The City shall provide the Contractor with a list of the cart rental dispensers where it would like to install a particular upgrade or enhancement. Within fifteen (15) days of receipt of the request for upgrade or enhancement, the Contractor will provide the Commissioner with a written response stating whether such upgrade or enhancement could be provided and stating whether any changes would be required for such upgrade or enhancement, and if so, the basis therefor. Upon mutual agreement regarding which cart rental dispensers shall receive any such upgrade or enhancement and the terms and conditions thereof, the

Contractor shall install or provide such upgrades or enhancements pursuant to a reasonable schedule agreed upon by the parties. Any dispute regarding the foregoing Section shall be resolved pursuant to the dispute resolution provision set forth in Section 8.6.

Section 3.7. Repairs And Replacement.

During the term of this Agreement, the Contractor hereby agrees to repair, replace and maintain all its luggage cart dispensers as promptly as possible. All of the Contractor's repair, replacement and maintenance responsibilities shall be fulfilled by local service personnel operating from a local service center with a telephone line for reporting service problems at all times during Airport operating hours.

The Contractor must have a qualified, professional repair person on site within two hours of the time it was aware or reasonably should have been aware of damage or inoperability. The repair person must perform the repair within a reasonable period of time. The Contractor shall insure that each of its employees wears an easily identifiable uniform and carries a photo identification whenever making a service call pursuant to this Agreement.

Section 3.8. Licenses And Permits.

The Contractor shall bear responsibility for and, in a timely manner consistent with its obligations under this Agreement, shall secure and maintain at its expense such permits, licenses, authorizations and approvals as are necessary for the Contractor to provide luggage cart rental service.

Section 3.9. Signs And Advertising.

The Contractor may, at its own expense, install and operate appropriate advertising on the carts and dispensers and necessary and appropriate identification signs at the Airport for its purpose, subject to the prior written approval of the Commissioner as to the number, size, height, location and general type and design. Such approval shall be subject to revocation by the Commissioner at any time. Without the prior written consent of the Commissioner, the Contractor shall not display any advertising, promotional or informational pamphlets, circulars, brochures or similar materials at the Airport.

Section 3.10. Airport Security Act.

This Agreement is expressly subject to the Aviation Security Improvement Act of 1990 (P.L. 101-604) ("Act"), the provisions of which are

hereby incorporated by reference, including without limitation Sections 105, 109 and 110, and all rules and regulations promulgated thereunder. In the event that the Contractor, or any individual employed by the Contractor, in the performance of this Agreement, has (i) unescorted access to secured areas located on or at O'Hare; or (ii) capability to allow others to have unescorted access to such secured areas, Contractor shall be subject to, and further shall conduct with respect to its Subcontractors and the respective employees of each, such employment investigations, including criminal history record checks, as the Administrator or the Federal Aviation Administration and the City may require pursuant to written instruction to the Contractor. Further, in the event of any threat to civil aviation, as defined in the Act, the Contractor shall promptly report any information in accordance with those regulations promulgated by the Secretary of the United States Department of Transportation and by the City. Finally, in the event this Agreement involves the construction, reconstruction, demolition or alteration of facilities to be located at or on O'Hare, the Contractor shall, notwithstanding anything contained herein to the contrary, at no additional cost to the City, perform the Agreement in compliance with those guidelines developed by the City and the Federal Aviation Administration with the objective of maximum security enhancement. In the event the Agreement involves the design of facilities or equipment, the drawings, plans, and specifications to be provided under the Agreement shall comply with those guidelines developed by the City and the Federal Aviation Administration and in effect at the time of the submittal of such drawings, plans and specifications.

Section 3.11. Transition And Office Space.

The City shall use reasonable efforts to remove or cause to be removed, on or before the date on which the Contractor commences operation of the Concession, all luggage carts located at the Airport which have not been placed at the Airport pursuant to this Agreement.

In the event the City is unable to remove all luggage carts 190 days after the date on which the Contractor commences services, the Contractor may terminate this Agreement by written notice to City without liability to either party.

The City will provide to the Contractor the use of the area designated on (Sub)Exhibit D for use by the Contractor as an office and equipment servicing area (the "Contractor's Office"). The Contractor shall pay to the Comptroller the sum of Thirty Dollars ($30.00) a square foot for each foot rented (the "Rent") on or before the first day of each calendar month during the term of this Agreement for the use of the aforementioned area during that calendar month. If as a result of commencement or termination or expiration of this Agreement the Contractor occupies the Contractor's Office for less than the entirety of a calendar month, the Contractor shall pay to the

City the proportionate fraction of the Rent for the portion of such month during which the Contractor occupies the Contractor's Office.

Section 3.12. Contractor's Property.

All luggage cart dispensers and luggage carts and ancillary equipment placed at the Airport by the Contractor pursuant to this Agreement shall remain the property of the Contractor or its affiliates or lessors. Except as expressly provided in this Agreement, neither the City nor any other party shall remove, relocate or modify such dispensers, carts or equipment or place signage, advertisements, or any other item upon such dispensers, carts and equipment without the prior written consent of the Contractor and the Commissioner.

Section 3.13. Removal of Cart Dispensers.

In the event the Commissioner determines that there is a valid reason within the legitimate interests of the City to remove a luggage cart dispenser from the Airport, Contractor shall remove such dispenser within five (5) days of its receipt of a written request from the City regarding removal of such dispenser.

Article 4.

Term Of Agreement.

Section 4.1. Initial Term.

Unless sooner terminated or otherwise extended pursuant to this Agreement, this Agreement shall be effective for a term of five (5) years from the effective date stated above. Contractor shall commence operations in the Airport within ninety (90) days following execution of this Agreement or on such other date as the Contractor and the Commissioner may agree in writing.

Section 4.2. Agreement Extension.

The Commissioner may elect to extend the term of this Agreement for two (2) additional periods of one (1) year each. Such extensions, if any, shall be upon the same terms and conditions as this original Agreement.

In the event the Contractor shall, with the consent of the City, continue operations of luggage cart rentals at the Airport after the expiration of the

term of this Agreement, such continuation shall not be deemed to operate as a renewal or extension of this Agreement, but shall only create a concession from month-to-month on the same terms, conditions, and covenants, including consideration, herein contained.

Article 5.

Compensation.

Section 5.1. Fees.

For each calendar year during the term of this Agreement, the Contractor agrees to pay the City the greater of the Guaranteed Amount or fifteen percent (15%) (the "Percentage Fee") of Gross Revenues as defined herein. The Guaranteed Amount for the calendar years 1992, as may be prorated pursuant to Section 5.3 hereof, and 1993 shall be Two Hundred Thousand Dollars ($200,000.00), hereof. For each calendar year thereafter during the term of this Agreement, the Guaranteed Amount shall be an amount equal to eighty percent (80%) of the Percentage Fee paid for the immediately preceding calendar year. In every year of the Agreement the Contractor shall never pay the City less than the Guaranteed Amount regardless of Gross Revenues.

Section 5.2. Schedule Of Payments.

The Contractor shall pay to the Comptroller, in arrears, on or before the first day of each calendar month during the entire term of this Agreement and any extensions thereof, a sum equal to one-twelfth (1/12) of the Guaranteed Amount for the then current calendar year. The initial monthly installment of the Guaranteed Amount shall be paid on or before the first day of the first calendar month after the Contractor has commenced operating the Concession. Within fifteen (15) days after the end of each calendar month, the Contractor shall pay to the Comptroller the Percentage Fee for such calendar month, less the portion of the Guaranteed Amount previously paid for that month. Concurrently with such monthly payment of the Percentage Fee, the Contractor shall furnish to the City a report of the Gross Revenues for the immediately preceding calendar month.

Concurrently with the payment of the Percentage Fee, the Contractor shall make such additional payments of, and take such credits against the Percentage Fee, as may be required by adjustments, if any, for monies paid in excess of the cumulative amount required to be paid hereunder for the year to date in any given calendar year. The Guaranteed Amount is intended to be and is an annual fee, and not a monthly fee.

Section 5.3. Pro Rata Payment.

Except as otherwise specifically provided herein, if the dates of termination of operations of this Agreement fall upon any date other than the first or last day of any calendar year, the Guaranteed Amount for said year shall be paid by the Contractor to the City pro rata based on the number of days during such calendar year that the Contractor is expected to operate the Concession.

Section 5.4. Material Underpayment Or Late Payment.

Without waiving any other remedies available to the City, in the event that the independent audit provided for herein determines that, or it is otherwise determined that, the Contractor mistakenly made underpayments in any calendar year which exceeded five percent (5%) of the amount due in said year, or in the event that the Contractor fails to make any payments within ten (10) days of the date due, the Contractor shall pay, in addition to the amount due the City, interest thereon at the rate of two percent (2%) over the reference rate announced from time to time by the First National Bank of Chicago. Interest on the entire sum originally due shall accrue from the date on which the original payment should have been made.

Section 5.5. Other Fees.

In addition to and unrelated to the payments of the fees required by Section 5.1, the Contractor shall pay all fees of general application necessary to obtain federal, state, local and City licenses, permits and authorizations required for installation, maintenance or provision of Cart Rental Service. The payment by the Contractor to the City of compensation pursuant to this Agreement shall not be considered to be a tax and shall be in addition to and exclusive of all license fees, or taxes, franchise fees or taxes which the Contractor may now or in the future be obligated to pay to the City.

Section 5.6. Books, Records And Audits.

The Contractor shall maintain at its office in Chicago or make available in Chicago if requested its books, ledgers, journals, accounts and records wherein are kept all entries reflecting its operations under this Agreement for at least five (5) years. Such books, ledgers, journals, accounts and records shall be available for inspection and examination by the City at reasonable times during business hours, and the City shall be permitted to make copies and excerpts therefrom as may be necessary to make a full, proper and complete audit of all business transacted by Contractor in connection with its operations hereunder.

Within one hundred twenty (120) days of the effective date of this Agreement, the Contractor shall furnish the City with a written statement indicating its election to report either on a calendar year or on a fiscal year basis; such letter shall explain the fiscal year, if elected. Within one hundred twenty (120) days after the close of each calendar or fiscal year, as previously elected, or the termination of the Agreement, the Contractor will provide the City with a "Statement of Revenues" representing Gross Revenues by month for the year being reported on, together with an opinion thereon of an independent certified public accountant.

Section 5.7. Abatement Of Guaranteed Amount Due To Force Majeure.

In the event of an interruption or reduction of the Contractor's operations conducted pursuant to this Agreement due to reasons or causes beyond the control of the Contractor including without limitation:

(a) acts of God;

(b) accidents;

(c) weather and conditions arising therefrom;

(d) strikes, boycotts and lockouts;

(e) substantial reduction of airline service at the Airport;

(f) riot, insurrection, rebellion, revolution, war or the declaration of a state of emergency and conditions arising therefrom; and

(g) compliance with any law, ruling, order, regulation, requirement or instruction of any government or any department or agency thereof enacted after the effective date of the Agreement;

(hereinafter "Events of Force Majeure") which results in the reduction in Gross Revenues for any calendar month of thirty percent (30%) or more as compared to the average Gross Revenues for the immediately preceding three (3) calendar months, the Guaranteed Amount shall be abated thereafter in direct proportion to such reduction in Gross Revenues and such abatement shall continue until (i) the end of the then current calendar year or (ii) such time as Gross Revenues for a calendar month attain a level equal to eighty percent (80%) of the average Gross Revenues for the three calendar months immediately preceding the month in which the abatement took effect, whichever occurs first.

Article 6.

(Risk Management)

Section 6.1. Insurance.

The Contractor shall procure at the Contractor's sole expense and maintain at all times during the term of this Agreement the types of insurance specified below, with insurance companies authorized to do business in the State of Illinois covering all operations under this Contract, whether performed by the Contractor or by Subcontractors.

The kinds and amounts of insurance required are as follows:

(a) Worker's Compensation and Occupational Disease Insurance.

Worker's Compensation and Occupational Disease Insurance, in statutory amounts, covering all employees of the Contractor and any Subcontractors. Employer's liability coverage with limits of not less than One Hundred Thousand Dollars ($100,000) for each accident or illness shall be included.

(b) Commercial Liability Insurance (Primary and Umbrella).

Commercial Liability Insurance or equivalent with limits of not less than Two Million Dollars ($2,000,000) per occurrence, combined single limit, for bodily injury, personal injury and property damage liability. Products/completed operation, independent contractors, broad form property damage and contractual liability coverages are to be included. The City is to be named as an additional insured.

(c) Automobile Liability Insurance.

When any motor vehicles are used in connection with operating the Concession, the Contractor shall provide Automobile Liability Insurance with limits of not less than One Million Dollars ($1,000,000) per occurrence combined single limit, for bodily injury and property damage. The City is to be named as an additional insured.

(d) Property Insurance.

The Contractor shall maintain all risk property insurance for telephones, equipment, fixtures and materials which are furnished by the Contractor pursuant to this Agreement.

The Contractor will furnish the City, Department of Purchases, Contracts and Supplies, City Hall, Room 402, 121 North LaSalle Street, Chicago, Illinois 60602, original Certificates of Insurance evidencing the required coverage to be in force on the date of this Agreement, and renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the term of this Agreement.

The insurance hereinbefore specified shall be carried at all times during the term of this Agreement. Failure to carry or keep such insurance in force shall constitute a violation of this Agreement, and the City maintains the right to suspend the Contractor's performance and rights under this Agreement until proper evidence of insurance is provided. The insurance shall provide for sixty (60) days prior written notice to be given to the City in the event that coverage is substantially changed, cancelled or non-renewed.

The Contractor shall require all Subcontractors to carry the insurance required herein, or the Contractor may provide the coverage for any or all Subcontractors, and, if so, the evidence of insurance submitted shall so stipulate.

Contractor and Subcontractors agree that insurers shall waive their rights of subrogation against the City of Chicago, including its appointed and elected officials, representatives, agents and employees.

The Contractor expressly understands and agrees that any insurance maintained by the City shall apply in excess of and not contribute to insurance provided by the Contractor under the Agreement.

The Contractor expressly understands and agrees that any insurance protection furnished by the Contractor hereunder shall in no way limit its responsibility to indemnify and save harmless the City under the indemnity provisions of this Agreement.

The City maintains the right to reasonably modify, or to delete these insurance requirements.

Section 6.2. Indemnification.

The Contractor agrees to defend, indemnify, keep and hold harmless the City, its officers, officials, agents and employees, from and against any and all liabilities, losses, deaths, damages, costs, payments and expenses of every

kind and nature (including court costs and reasonable attorneys' fees and disbursements) as a result of claims, demands, actions, suits, proceedings, judgments or settlements, which in any way arise out of or in any way relate to the Contractor's performance or non-performance of this Agreement or enforcement hereof, including but not limited to, the enforcement of this indemnification provision upon notice from the Contractor of any claim or liability which the Contractor believes to be covered under this provision. The Contractor shall defend all suits brought upon all such claims and shall pay all costs and expenses incidental thereto, but the City shall have the right, at its option, to participate independently in the defense of any suit, without relieving the Contractor of any of its obligations under this Agreement. The indemnities contained in this Section shall survive expiration or termination of this Agreement. The Contractor expressly understands and agrees that the requirements set forth in this Section to indemnify, keep and save harmless and defend the City are apart from and not limited by the Contractor's responsibility to obtain insurance or to provide a bond or letter of credit pursuant to this Section.

Section 6.3. Letter Of Credit.

A. Terms Of The Letter Of Credit.

The Contractor shall provide the City with and maintain an irrevocable letter of credit in the principal amount equal to the sum of one-fourth ($\frac{1}{4}$) of the Guaranteed Amount as in effect from time to time, plus One Thousand One Hundred Twenty-five Dollars ($1,125.00) in the form set forth in (Sub) Exhibit E or as otherwise approved by the Corporation Counsel of the City. The executed letter of credit shall be provided on or before the effective date to this Agreement, and such letter of credit (or a replacement letter of credit issued pursuant to this Section) shall be effective from such date until this Agreement expires or is earlier terminated pursuant hereto. Said letter of credit shall be used to ensure the faithful performance by the Contractor of all provisions of this Agreement and compliance with all orders, permits and directions of any agency, commission, board, department, division or office of the City having jurisdiction over the Contractor's acts or defaults under this Agreement and for payment by the Contractor of any penalties, liens, claims and taxes due the City which arise by reason of Contractor's acts pursuant to this Agreement. The City shall be entitled to draw on said letter of credit five (5) business days after the Contractor's receipt of written notice that the Contractor: (i) has failed to pay the City in whole or in part any compensation due the City within the time fixed in this Agreement; (ii) has failed to repay the City in whole or in part any damages, expenses or cost which the City is compelled to pay by reason of the Contractor's act or omission to act in connection with this Agreement; or (iii) has failed to comply with any provisions of this Agreement which the Commissioner of Aviation has reasonably determined can be remedied by a draw on the letter of credit. The City shall also be entitled to draw on any such letter of credit

which expires (either by its terms or because of nonrenewal) on a date prior to the termination date of this Agreement unless proof of renewal of such letter of credit or a replacement letter of credit in form and substance satisfactory to the Commissioner and the City's Corporation Counsel has been furnished to the City's Corporation Counsel at least thirty (30) days prior to the expiration date thereof. Upon sole condition of delivery by the City to the issuer of said letter of credit of a sight draft and a statement specifying the grounds on which the City is entitled to draw against the letter of credit, signed by the Commissioner or Comptroller, the City can immediately draw up to the amount thereof outstanding, from the letter of credit. Upon such draw, the City shall notify the Contractor of the amount and date thereof and shall include in such notice the basis pursuant to which the City's right to draw has been exercised. If amounts are drawn under the letter of credit, the Contractor shall take such actions as may be necessary to maintain such letter of credit at full amount within three (3) days of notification by the City of its withdrawal against such letter of credit. The rights reserved to the City under such letter of credit shall be in addition to any rights it may have pursuant to this Agreement or under law.

B. Qualified Issuers.

The letter of credit called for in this Agreement shall either be issued by or confirmed by companies or financial institutions authorized to do business in Illinois, satisfactory to the Comptroller, and which have an office in the City of Chicago where the City may draw on the letter of credit. The City also reserves the right to stop the Contractor from operating as provided for in this Agreement unless such letter of credit is in place and effective.

C. Right To Require Replacement Of Letter Of Credit.

If the financial condition of any letter of credit issuer issuing the letter of credit materially and adversely changes, the City may, at any time, require that such letter of credit be replaced with a letter of credit consistent with the requirements set forth in this Section.

D. No Excuse From Performance.

None of the provisions contained herein nor the letter of credit required herein shall be construed to excuse the faithful performance by Contractor of the terms and conditions of this Agreement or limit the liability of Contractor under this Agreement for any and all damages in excess of the amounts of such letter of credit.

Section 6.4. No Damages For Delay.

The Contractor agrees that is shall make no claims against the City for damages, charges, additional costs or fees for any lost profits or costs incurred by reason of delays or hindrances by the City in the performance of its obligations under this Agreement.

Section 6.5. Non-Liability Of Public Officials.

No official, employee or agent of the City shall be charged personally by the Contractor, or by any assignee or Subcontractor of the Contractor, with any liability or expenses of defense or be held personally liable to them under any term or provision of this Agreement, or because of the City's execution or attempted execution, or because of any breach hereof.

Article 7.

Default, Remedies And Termination.

Section 7.1. Contractor's Defaults.

The following shall constitute defaults by the Contractors under this Agreement:

(a) Any material misrepresentation made by the Contractor to the City in connection with this Agreement;

(b) The Contractor's material failure to perform any of its obligations under this Agreement, including, but not limited to, the following:

(1) Failure to timely pay compensation, or to file the reports required hereunder;

(2) Failure to comply with any other material term of this Agreement, including, but not limited to, the provisions concerning insurance and a letter of credit; and

(3) Any other acts specifically and expressly stated in this Agreement as constituting an event of default; and

(c) The Contractor's default under any other agreement it may presently have or may enter into with the City during the term of this Agreement. The Contractor acknowledges and agrees that in the event of a default under this Agreement the City may also declare a default under any such other agreements.

Section 7.2. City's Remedies.

In the event of a default by the Contractor pursuant to this Agreement, the City may deliver to the Contractor written notice of such default. If the Contractor has failed to cure such default within thirty (30) calendar days after receipt of a default notice given in accordance with the terms of this Agreement and specifying the event of default, or if such default cannot be reasonably cured within thirty (30) calendar days after notice, the Contractor has failed to commence and continue diligent efforts to cure such default, provided, however, that the Contractor shall not be entitled to an opportunity to cure any defaults pursuant to Section 7.1(a) of this Agreement, the City may declare the Contractor in default. Whether to declare the Contractor in default is within the sole discretion of the Purchasing Agent and neither that decision nor the factual basis for it is subject to review or challenge under the disputes resolution provision set forth in Section 8.6 of this Agreement. Written notification of the default, and any intention of the Purchasing Agent to terminate this Agreement, shall be provided to the Contractor, and such decision shall be final and effective upon the Contractor's receipt, as defined herein, of such notice. Upon the giving of such notice as provided herein, the City may invoke any or all of the following remedies:

(a) The right to terminate this Agreement, in whole or in part, effective thirty (30) days after Contractor's receipt of written notice of termination;

(b) The right of specific performance, an injunction or any other appropriate equitable remedy;

(c) The right to money damages; and

(d) The right to deem the Contractor non-respective in future contracts to be awarded by the City.

Upon the occurrence of an event of default hereunder, the City may elect not to terminate this Agreement. The parties acknowledge that this provision is solely for the benefit of the City and that if the City permits the Contractor to continue to provide the services required hereunder despite one or more events of default, the Contractor shall in no way be relieved of

any of its responsibilities, duties or obligations under this Agreement nor shall the City waive or relinquish any of its rights.

The remedies under the terms of this Agreement are not intended to be exclusive of any other remedies provided, but each and every such remedy shall be cumulative and shall be in addition to any other remedies, existing now or hereafter, at law, in equity or by statute. No delay or omission to exercise any right or power accruing upon any event of default shall impair any such right or power nor shall it be construed as a waiver of any event of default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

Section 7.3. Termination For Convenience.

In addition to the City's right to terminate pursuant to Section 7.2 hereof in the event the City determines in good faith that there is a valid, compelling reason in the legitimate interests of the City to eliminate luggage cart rental service at the Airport, the City may terminate this Agreement, by a notice in writing from the City to the Contractor. If the City elects to terminate this Agreement pursuant to this Section 7.3, all cart rental service to be provided hereunder shall cease on the effective date stated in the notice, but in no event later than ten (10) days after the notice is received by the Contractor. The Contractor shall remove from the Airport the cart rental dispensers and luggage carts within thirty (30) days after receiving written notice of termination by the City pursuant to this Section 7.3. Payment to the City of compensation accrued before the effective date of the termination shall be paid on a pro rata basis and shall be mutually agreed upon by the City and the Contractor and, if not agreed to, the dispute shall be settled in accordance with Section 8.6 of this Agreement.

Article 8.

Special Conditions.

Section 8.1. Warranties And Representations.

In connection with the execution of this Agreement, the Contractor warrants and represents:

(a) That it is financially solvent; that it and each of its joint venture members, employees, agents, Subcontractors of any tier are competent to perform as required under this Agreement; and that the Contractor is legally authorized to execute and perform or cause to be performed this Agreement under the terms and conditions stated herein; and

(b) That no officer, agent or employee of the City is employed by the Contractor or its joint venture members or has a financial interest directly or indirectly in this Agreement or the compensation to be paid hereunder except as may be permitted in writing by the Board of Ethics established pursuant to the Code (Chapter 2-156); and that no payment, gratuity or offer of employment shall be made in connection with this Agreement by or on behalf of any Subcontractors to the Contractor or higher tier Subcontractors or anyone associated therewith, as an inducement for the award of a subcontract or order; and the Contractor further acknowledges that any agreement entered into, negotiated or performed in violation of any of the provisions of Chapter 2-156 of the Code shall be voidable as to the City; and

(c) That the Contractor or its joint venture members shall not knowingly use the services of any ineligible contractor or consultant for any purpose in its performance under this Agreement; and

(d) That the Contractor, its joint venture members and its Subcontractors are not in default at the time of the execution of this Agreement, or deemed by the Purchasing Agent to have, within five (5) years immediately preceding the date of this Agreement, been found to be in default under any contract awarded by the City; and

(e) That the Contractor has carefully examined and analyzed the provisions and requirements of this Agreement; that it understands the nature of its obligations hereunder; that, from its own analysis, it has satisfied itself as to the nature of all things needed for the performance of this Agreement, and all matters which in any way may affect this Agreement or its performance; and that the time available to it for such examination, analysis and preparation of its proposal for the Concession was adequate; that it was permitted access to any person or information in connection with its preparation of its proposal for the Concession; and

(f) That this Agreement is feasible of performance in accordance with all of its provisions and requirements and that the Contractor can and shall perform, or cause to be performed, such obligations in strict accordance with the provisions and requirements of this Agreement; and

(g) That, except only for those representations, statements or promises expressly contained in this Agreement, including any exhibits attached hereto and incorporated by reference herein, no representation, statement or promise, oral or in writing, or of any kind whatsoever, by the City, its officials, agents or employees, has induced the Contractor to enter into this Agreement or has been relied upon by the Contractor, including any with reference to: (i) the meaning, correctness, suitability or completeness of any provisions or requirements of this Agreement; (ii) the nature of the services to be performed; (iii) the nature, quantity, quality or volume of any materials, equipment, labor and other facilities, needed for the

performance of this Agreement; (iv) the general conditions which may in any way affect this Agreement or its performance; (v) the compensation provisions of this Agreement; or (vi) any other matters, whether similar to or different from those referred to in clauses (i) through (v) immediately above, affecting or having any connection with this Agreement, the negotiation hereof, any discussions hereof, the performance hereof or those employed in connection herewith; and

(h) That the Contractor was given ample opportunity and time and was requested by the City to review thoroughly all documents forming this Agreement prior to execution of this Agreement in order that it might request inclusion in this Agreement of any statement, representation, promise or provision which it desired or on which it wished to place reliance; that it did so review those documents, and that either every such statement, representation, promise or provision has been included in this Agreement or else, if omitted, that the Contractor expressly hereby relinquishes the benefit of any such omitted statement, representation, promise or provision and is willing to perform this Agreement in its entirety without claiming reliance thereon or making any other claim on account of such omission; and

(i) That the Contractor, its joint venture members, and to the best of its knowledge, its Subcontractors are not in violation of the provisions of Section 2-92-320 of the Code. Section 2-92-320 of the Code states, in pertinent part, that, except as provided for therein, no person or business entity shall be awarded a contract or subcontract if that person or business entity or an affiliated entity thereof (as defined in Chapter 2-92 of the Code): (i) has been convicted of bribery or attempting to bribe a public officer or employee of the City, the State of Illinois, or any other public entity, in that officer's or employee's official capacity; or (ii) has been convicted of agreement or collusion among bidders or prospective bidders in restraint of freedom of competition by agreement to bid a fixed price, or otherwise; or (iii) has made an admission of guilt to such conduct described in clauses (i) or (ii) above, which is a matter of record but has not been prosecuted for such conduct. Ineligibility under Section 2-92-320 of the Code shall continue for three years following such conviction or admission. For purposes of Section 2-92-320 of the Code, when an official, agent or employee of a business entity has committed any offense under such section on behalf of such an entity and pursuant to the direction or authorization of a responsible official thereof, the business entity shall be chargeable with the conduct. In connection herewith the Contractor has executed a certification as required under the Illinois Criminal Code, Ill. Rev. Stat., Ch. 38, ¶33E-11 (1989) as amended, and under the Illinois Municipal Code, Ill. Rev. Stat., Ch. 24, ¶11-42.1-1 (1989) (1990 Supp.) which is attached hereto as (Sub)Exhibit F and incorporated by reference as if fully set forth here. Prior to entering into any contractual relationship with any third party in order to perform under this Agreement, the Contractor shall conduct a diligent investigation in order to determine compliance with this Section. If after the Contractor enters

into such a contractual relationship it is determined that such contractual relationship is in violation of this subsection, the Contractor shall immediately cease to use such third party in performing under this Agreement. In all cases in which the Contractor enters into a contractual relationship with such third parties, the terms of such contract shall provide that the Contractor shall be entitled to recover all payments made by the Contractor to such third party if prior to or subsequent to the beginning of such contractual relationship the use of such third party in order to perform under this Agreement would be violative of this subsection; and

(j) That the Contractor acknowledges that the City, in its selection of the Contractor to perform hereunder, materially relied upon the Contractor's proposal for the Concession; that the aforesaid information was accurate at the time it was made; that except as affected by this Agreement, no material changes in it have been or will be made without the express consent of the City; and that the City relied among other things during negotiations for this Agreement on the Contractor's statements and representations that the Contractor holds itself to very high standards of quality and professionalism as a provider of luggage cart rental services; and

(k) That it shall be the duty of the Contractor, its joint venture members and all Subcontractors and all officers, directors, agents, partners and employees of the Contractor and all Subcontractors to cooperate with the Inspector General of the City in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Code. The Contractor understands and will abide by all provisions of Chapter 2-56 of the Code. The Contractor shall inform all its Subcontractors of this provision and require understanding and compliance herewith.

Section 8.2. Business Documents And Disclosure Of Ownership Interests.

The Contractor shall provide copies of its latest articles of incorporation, by-laws and resolutions, or partnership or joint venture agreement, as applicable, and evidence of its authority to do business in the State of Illinois, including without limitation, registrations of assumed names or limited partnerships and certifications of good standing with the Office of the Secretary of State of Illinois. Contractor shall provide the City with a Disclosure of Ownership Interest Affidavit and an Anti-Apartheid Affidavit, completed copies of which are attached hereto and incorporated by reference herein as (Sub)Exhibits G and H, respectively, and further agrees to provide such other affidavits or certifications as may be required by federal, state or local law in the award of public contracts, all to be attached under (Sub)Exhibit F and incorporated by reference into this Agreement as if set forth here. Contractor shall further cause its Subcontractors or, if a

partnership or joint venture, all members of the partnership or joint venture, to submit all such documents to the City.

In connection with the City's Anti-Apartheid Ordinance, the Contractor understands and acknowledges that the City may declare a default and terminate all existing contracts with the Contractor if the Contractor violates any provision of Chapter 3-68 of the Municipal Code of Chicago (as applicable), including but not limited to: (i) a violation of the certifications contained in the Affidavit; (ii) the concealment of an existing contractual relationship or entering into a contractual relationship with: (a) South Africa, (b) a South African business, or (c) any business or corporation for the express purpose of assisting operations in, or trading with any private or public entity located in South Africa; produced, assembled, grown or mined in South Africa. This right of termination is supplemental to any other remedy which the City may have under this Agreement, at law or in equity, and shall entitle the City to direct, indirect, special and consequential damages and any other applicable legal or equitable remedy.

Further, the Contractor understands and acknowledges that any person who violates any provision of Chapter 3-68 of the Municipal Code of Chicago shall be subject to a fine of not less than $500 and more than $1,000 for each offense. Every day that the violation continues shall constitute a separate and distinct offense. This fine shall be in addition to the remedy of termination enumerated above, and any other remedy available under applicable law.

Section 8.3. Conflict Of Interest.

No member of the governing body of the City or other units of government and no other officer, employee, or agent of the City or other unit of government who exercises any functions or responsibilities in connection with the Services to which this Agreement pertains, shall have any personal interest, direct or indirect, in this Agreement. No member of or delegate to the Congress of the United States or the Illinois General Assembly and no alderman of the City or City employee shall be admitted to any share or part of this Agreement or to any financial benefit to arise from it.

The Contractor covenants that it, its officers, directors and employees, and the officers, directors and employees of each of its members if a joint venture, and subcontractors, presently have no interest and shall acquire no interest, direct or indirect, in the project to which this Agreement pertains which would conflict in any manner or degree with the performance of the Services hereunder. The Contractor further covenants that in the performance of this Agreement no person having any such interest shall be employed. Contractor agrees that if the City, by the Commissioner in his reasonable judgment, determines that any of Contractor's Services for other conflict with the Services Contractor is to render for the City under this Agreement,

Contractor shall terminate such other services immediately upon request of the City.

Section 8.4. Non-Liability Of Public Officials.

No official, employee or agent of the City shall be charged personally by the Contractor, or by any assignee or Subcontractor of the Contractor, with any liability or expenses of defense or be held personally liable to them under any term or provision of this Agreement, or because of the City's execution or attempted execution, or because of any breach hereof.

Section 8.5. Independent Contractor.

This Agreement is not intended to and will not constitute, create, give rise to, or otherwise recognize a joint venture, partnership, corporation or other formal business association or organization of any kind between the parties, and the rights, and the obligations of the parties shall be only those expressly set forth in this Agreement. The Contractor shall perform under this Agreement as an independent Contractor to the City and not as a representative, employee, agent or partner of the City.

Section 8.6. Joint And Several Liability.

In the event that Contractor or its successors or assigns, if any, is comprised of more than one individual or other legal entity (or a combination thereof), then and in that event, each and every obligation or undertaking herein stated to be fulfilled or performed by Contractor shall be the joint and several obligation or undertaking of each such individual or other legal entity.

Section 8.7. Nondiscrimination.

A. Federal Requirements.

It shall be an unlawful employment practice for the Contractor: (1) to fail or refuse to hire or to discharge any individual with respect to his compensation, or the terms, conditions, or privileges of his employment, because of such individual's race, color, religion, sex, age, handicap or national origin; or (2) to limit, segregate, or classify his employees or applicants for employment in any way which would deprive any individual of employment opportunities or otherwise adversely affect his status as an employee, because of such individual's race, color, religion, sex, age, handicap or national origin. Contractor shall comply with the Civil Rights Act of 1964, 42 U.S.C., Sec. 2000 et

seq. (1981), as amended. Attention is called to the following to the extent they are applicable by their terms: Exec. Order No. 11,246, 30 Fed. Reg. 12,319 (1965), reprinted in 42 U.S.C., 2000(e) note, as amended by Exec. Order No. 11,375, 32 Fed. Reg. 14,303 (1967) and by Exec. Order No. 12,086, 43 Fed. Reg. 46,501 (1978); Age Discrimination Act, 42 U.S.C., Secs. 6101 -- 6106 (1981); Rehabilitation Act of 1973, 29 U.S.C., Secs. 793 -- 794 (1981); Americans with Disabilities Act, P.L. 101-336; and 41 C.F.R., Part 60 et seq. (1990).

B. State Requirements.

Contractor shall comply with the Illinois Human Rights Act, Ill. Rev. Stat., Ch. 68, Par. 1-101 et seq. (1990), as amended and any rules and regulations promulgated in accordance therewith, including, but not limited to the Equal Employment Opportunity Clause, 5 Ill. Admin. Code §750 Appendix A. Furthermore, the Contractor shall comply with the Discrimination in Public Contracts Act, Ill. Rev. Stat., Ch. 29, Par. 17 et seq. (1990), as amended.

C. City Requirements.

Contractor shall comply with the Chicago Human Rights Ordinance, Ch. 2-160, Sec. 2-160-010 et seq. of the Chicago Municipal Code (1990), as amended. Further, Contractor shall furnish or shall cause each of its subcontractor(s) to furnish such reports and information as requested by the Chicago Commission on Human Relations.

D. Subcontractors.

Contractor agrees that all of the above provisions, (A), (B) and (C), will be incorporated in all agreements entered into with any suppliers of materials, furnisher of services, subcontractors of any tier, and labor organizations which furnish skilled, unskilled and craft union skilled labor, or which may provide any such materials, labor or services in connection with this Agreement.

E. Disadvantaged Business Enterprises.

This Agreement is subject to the requirements of the U. S. Department of Transportation's regulations, 49 C.F.R., Part 23, Subpart F. The Concessionaire agrees that it will not discriminate against any business owner because of the owner's race, color, national origin, or sex in connection with the award or performance of any concessions agreement covered by 49

C.F.R., Part 23, Subpart F. The Concessionaire agrees to include the above statements in any subcontracts that it enters and cause those businesses to similarly include the statements in further agreements.

The Additional Special Conditions Regarding Disadvantaged Business Enterprise Commitment (in connection with Airport Business Opportunities) and executed schedules are hereby incorporated as (Sub)Exhibit I and made a part of this Agreement. Notwithstanding anything contained herein to the contrary, the D.B.E. Concession Goal for this Agreement is thirty percent (30%).

Section 8.8. Disputes.

In the event of any dispute between the City and the Contractor which the City and the Contractor have attempted, but been unable to resolve relating to any question of fact arising under this Agreement, a request for resolution may be submitted to the Purchasing Agent. The Purchasing Agent may consider issues of contract interpretation in connection with decisions to be made in resolving disputes. This clause excludes disputes concerning breach of contract, default or termination of the Contractor.

Requests for determination of disputes shall be made by the Contractor in writing specifically referencing this Section, and shall include: 1) the issue(s) presented for resolution; 2) a statement of the respective positions of the Contractor and the City; 3) the facts underlying the dispute; 4) reference to the applicable provisions of the Agreement by page and section; 5) identify any other parties believed to be necessary to the resolution; and 6) all documentation which describes and relates to the dispute. Copies of the request for determination of the dispute shall promptly be provided to the Commissioner. The City shall have thirty (30) business days to respond in writing to the dispute by supplementing the submission or providing its own submission to the Purchasing Agent. Failure by the City to respond shall not be deemed to be an admission of any allegations made in the request for dispute resolution, but shall be deemed to constitute a waiver of the opportunity to respond to such allegation(s), if any. The Purchasing Agent's decision may thereafter be reached in accordance with such other information or assistance as he may deem reasonable, necessary or desirable.

The Purchasing Agent's final decision shall be rendered in writing no more than forty-five (45) business days after receipt of the response by the City was filed or was due unless the Contractor and the City consent to an extension of such time for the decision. Within thirty (30) days after the Contractor's receipt of the Purchasing Agent's determination, the Contractor shall respond to the determination in writing, either accepting the determination or stating the factual and/or legal objections to the

determination. If the Contractor's response is an objection, the Purchasing Agent shall respond in writing to such objection within thirty (30) business days after receipt thereof. No further response by either party shall be required. The Purchasing Agent's final determination shall be conclusive, final and binding on all parties, provided that either the Contractor or the City may challenge such determination within ninety (90) days after its date by filing an appropriate complaint or petition with the Circuit Court of Cook County, Illinois or with the federal courts located in Cook County, Illinois challenging such determination. If no such filing is made within such ninety (90) day period, the Purchasing Agent's determination shall be conclusive, final and binding on all parties and enforceable in any court of competent jurisdiction.

The Contractor shall not withhold performance as required pursuant to this Agreement during the dispute resolution period including judicial dispute.

Section 8.9. Subcontracts And Assignments.

The Contractor shall not assign, delegate otherwise transfer all or any part of its rights or obligations under this Agreement or any part hereof, unless otherwise provided for herein or without the express written consent of the Purchasing Agent and the Commissioner provided that the Contractor may grant a security interest in this Agreement upon five (5) days written notice to the Commissioner. The Commissioner shall have five (5) days to approve or disapprove the grant of a security interest. The absence of such provision or written consent shall void the attempted assignment, delegation or transfer and shall be of no effect as to this Agreement. The City expressly reserves the right to assign or otherwise transfer all or any part of its interests hereunder.

All subcontracts and all approvals of Subcontractors and any assignment to which the Commissioner and the Purchasing Agent consent shall be, regardless of their form, deemed conditioned upon performance by the Subcontractor or assignee in accordance with the terms and conditions of this Agreement; and if any Subcontractor or assignee shall fail to observe or perform the terms and conditions of this Agreement to the satisfaction of the Commissioner, the City shall have the absolute right upon written notification to rescind approval forthwith and to require the performance of this Agreement by the Contractor itself or by any other City-approved Subcontractor or assignee. Any approval for the use of Subcontractors or assignees in the performance of the services under this Agreement shall under no circumstance operate to relieve the Contractor of any of its obligations or liabilities hereunder.

The Contractor, upon entering into any agreement with a Subcontractor, shall furnish the Purchasing Agent with five (5) copies thereof. All subcontracts shall contain provisions that require the services to be

performed in strict accordance with the requirements of this Agreement and shall provide that the Subcontractors are subject to all the terms of this Agreement, and are subject to the approval of the Commissioner and the Purchasing Agent.

Section 8.9. Confidentiality.

All of the reports, information or data prepared or assembled by or provided under this Agreement to one party by the other party are confidential and both parties agree that, except as specifically authorized herein or as may be required by law, it shall not make available said reports, information or data to any other individual or organization without the prior approval of the other party. In the event the Contractor is presented with a request for documents by any administrative agency or with a subpoena duces tecum regarding any documents which may be in its possession by reason of this Agreement, the Contractor shall immediately give notice to the Corporation Counsel for the City. The City may contest such process by any means available to it before such records or documents are submitted to a court or other third party, provided; however, that the Contractor shall not be obligated to withhold such delivery beyond that time as may be ordered by the court or administrative agency, unless the subpoena or request is quashed or the time to produce is otherwise extended.

Article 9.

General Conditions.

Section 9.1. Counterparts.

This Agreement is comprised of several identical counterparts, each to be fully executed by the parties and each to be deemed an original having identical legal effect.

Section 9.2. Amendments.

No changes, amendments or modifications of this Agreement, or any part hereof including, without limitation, the exhibits to this Agreement, shall be valid unless specifically authorized by this Agreement. Whenever in this Agreement the Contractor is required to obtain prior written approval, any City approval shall be effective prospectively from the later of the date approval was requested or the date the action for which the approval was sought is scheduled to begin. In no event may approval apply retroactively to a date before the Contractor requested approval was requested.

Section 9.3. Compliance With All Laws.

The Contractor shall at all times observe and comply with all applicable tariffs, laws, ordinances, rules, regulations, court orders and executive orders of the federal, state and local government and the Airport, now existing or hereinafter in effect, which may in any manner affect the performance of this Agreement. Provision(s) required by law, ordinances, rules, regulations or executive orders to be inserted in this Agreement shall be deemed inserted in this Agreement whether or not they appear in this Agreement or, upon application by either party, this Agreement shall forthwith be amended to make such insertion; however, in no event shall the failure to insert such provision(s) prevent the enforcement of this Agreement.

Section 9.4. Governing Law.

This Agreement shall be governed as to performance and interpretation in accordance with the laws of the State of Illinois. Contractor hereby irrevocably submits itself to the original jurisdiction of those courts located within the County of Cook, State of Illinois, with regard to any controversy arising out of, relating to, or in any way concerning the execution or performance of this Agreement. The Contractor agrees that service of process on the Contractor may be made, at the option of the City, either by registered or certified mail addressed to the applicable office as provided for in this Agreement, by registered or certified mail addressed to the office actually maintained by the Contractor, or by personal delivery on any officer, director, or managing or general Agent of the Contractor. If any action is brought by the Contractor against the City concerning this Agreement, the action shall only be brought in those courts located within the County of Cook, State of Illinois.

Section 9.5. Severability.

If any provision of this Agreement shall be held or deemed to be or shall in fact be inoperative or unenforceable as applied in any particular case in any jurisdiction or in all cases because it conflicts with any other provision or provisions hereof or of any constitution, statute, ordinance, rule of law or public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstance, or of rendering any other provision or provisions herein contained invalid, inoperative, or unenforceable to any extent whatever. The invalidity of any one or more phrases, sentences, clauses or sections contained in this Agreement shall not effect the remaining portions of this Agreement or any part hereof.

Section 9.6. Interpretation.

Any headings of this Agreement are for convenience of reference only and do not define or limit the provisions hereof. Words of any gender shall be deemed and construed to include correlative words of the other genders. Words importing the singular number shall include the plural number and vice versa, unless the context shall otherwise indicate. All references to any exhibit or document shall be deemed to include all supplements and/or amendments to any such exhibits or documents entered into in accordance with the terms and conditions hereof and thereof. All references to any person or entity shall be deemed to include any person or entity succeeding to the rights, duties, and obligations of such persons or entities in accordance with the terms and conditions of this Agreement.

Section 9.7. Cooperation.

The Contractor and the City agree at all times to cooperate fully with each other with respect to this Agreement. If this Agreement is terminated for any reason, or if it is to expire on its own terms, the Contractor shall make every effort to assure an orderly transition to another provider of luggage cart rental services, if any; orderly demobilization of its own operations; uninterrupted provision of luggage cart rental services during any transition period and shall otherwise comply with the reasonable requests and requirements of the Commissioner in connection with the termination or expiration.

Section 9.8. Notices.

Except for requests for special meetings, bills, invoices, requests for maintenance (which may be made verbally), any notices or other communications pertaining to this Agreement shall be in writing and shall be deemed to have been duly given by a party if sent by registered or certified mail, return receipt requested, postage prepaid and addressed to the other party. A notice sent, registered or certified mail shall be deemed given on the date of receipt or refusal of receipt. All notices or communications intended for the Contractor shall be addressed to:

Either party may change its address or the individual to whom such notices are to be given by a notice given to the other party in the manner set forth above.

Section 9.9. Parties.

Except where the context would require a different meaning, all references to the Contractor or the City include each of its and their officials, officers, directors, employees, shareholders, agents, successors, beneficiaries, permitted assigns, legal representatives, Subcontractors, suppliers and materialmen; provided, however, that, in the case of the Contractor, all obligations and liabilities arising under this Agreement shall not be individual or personal, but shall be borne by the Contractor solely and only to the extent of its corporate capacity, and in the case of the City, shall be borne by it solely and to the extent permissible under state and local law as a municipal corporation and a home rule unit of local government.

Section 9.10. No Third Party Beneficiaries.

This Agreement shall inure to the benefit of, and be binding upon, the parties. Nothing in this Agreement, express or implied, is intended to confer on any other person, sole proprietorship, partnership, corporation, trust or other entity, other than the parties any right, remedy, obligation, or liability under, or by reason of, this Agreement unless otherwise expressly agreed to by the parties in writing. No benefits, payments or considerations received by the Contractor for the performance of services associated and pertinent to this Agreement shall accrue, directly or indirectly, to any employees, elected or appointed officers or representatives, or by any other person or persons identified as agents of, or who are by definition an employee of the City.

Section 9.11. Cumulative Remedies; No Waiver.

The remedies under the terms of this Agreement are not intended to be exclusive of any other remedies provided, but each and every such remedy shall be cumulative and shall be in addition to any other remedies, existing now or hereafter, at law, in equity or by statute. Except as expressly provided herein, no delay or omission to exercise any right or power accruing upon any event of default shall impair any such right or power nor shall it be construed as a waiver of any event of default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

In Witness Whereof, The City and the Contractor have executed this Agreement in Chicago, Illinois as of the date first written above.

(Sub)Exhibits "A", "E", "F", "G", "H" and "I" attached to this Luggage Cart Concession License Agreement read as follows:

(Sub)Exhibit "A".

Characteristics Of Luggage Carts.

Trolley Specifications.

1.

Physical Size:

Height	945mm (overall)
Width	680mm (excluding rear bumpers)
Length	965mm (at ground level)

Stacking Dimensions: Trolleys stack at 160mm intervals. (i.e. 6 trolleys per meter.)

Wheel Details:

Type	Heavy duty ball bearing.
Front	1 x 125 x 32m dia.
Rear	2 x 125mm dia.

Unladen Weight:	17 kgs
Capacity (Loaded):	240 kgs (using wheels as basis)
Frame Material:	Tubular steel 25.4mm outside diameter x 2mm wall thickness hot rolled seamless tubing (heavy wall)
Finish:	Polished nickel chrome.

Features.

a. Unique Limited Travel Castor.

Trolleys are fitted with a swivelling front castor, and fixed rear castors, which from our experience enables the trolley to be positively steered, without floor scuffing and difficult maneuverability.

b. Trolley Stacking Capacity.

The trolley has been designed with stacking/storage capacities being a critical feature. Stacking intervals at 160mm minimizes the space required for trolley storage in critical locations such as the limited area of a Customs Hall.

c. Trolley Finish.

The trolleys are constructed of 25.4mm bright ERW tube, with 2mm wall thickness, and are finished in polished nickel chrome. A two colour metal sign measuring 430mm x 330mm is available as an extra to fill in the back of the trolley and can be used for advertising or identification purposes.

d. Baggage Stacking.

A slight layback towards the handle supports has been incorporated so as to stabilize luggage. This prevents luggage falling forward off the trolley.

In addition, we have designed a collapsible storage tray for personal or small items. This tray, when not in use, folds neatly away which allows tighter trolley stacking.

City of Chicago
c/o Commissioner of Aviation
20 North Clark Street
30th Floor
Chicago, Illinois 60602

Gentlemen:

We hereby issue Irrevocable Stand-By Letter of Credit No. _____ in your favor for the account of QVS Chicago Joint Venture _____ up to an aggregate amount of _____ in connection with that certain Agreement between the City of Chicago and QVS Chicago Joint Venture dated _____, 1992.

Funds under this Credit are available to you unconditionally upon presentation of (i) your sight drafts for any sum or sums not exceeding a total of _____ drawn on us mentioning our Credit No. _____; and (ii) a statement that you are entitled to draw against this Credit which statement specifies the grounds under Section 6.3 of the Agreement on which you are entitled to draw against this Credit. Both the sight draft and your statement shall be signed

by the Commissioner of Aviation or the City Comptroller of the City of Chicago (whether acting or actual).

Our obligations hereunder are primary obligations to the City and shall not be affected by the performance or non-performance by QVS Chicago Joint Venture under any agreement with the City or by any bankruptcy or other insolvency proceeding initiated by or against QVS Chicago Joint Venture. QVS Chicago Joint Venture is not the owner of or beneficiary under this Credit and possesses no interest whatsoever in this Credit or proceeds of same. We engage with you that any draws under this Credit shall be duly honored on sight if presented to us on or before _____.

This Credit is subject to the Uniform Customs and Practice for Documentary Credits ((1983) Revision), International Chamber of Commerce publication No. 400 (I.U.C.P.) and to the Uniform Commercial Code -- Letters of Credit, Ill. Rev. Stat., Ch. 26, Sec. 5-101, et seq. (1989), as amended, as in effect in the State of Illinois (U.C.C.). To the extent the provisions of the I.U.C.P. and the U.C.C. conflict, the provisions of the U.C.C. shall control.

Certification.

The undersigned Gervase Thomas and James Hill, (Name) as officers of the partners (Title) and on behalf of QVS Chicago Joint Venture *("Contractor") having been duly sworn under oath certifies that:

---

* Each Joint Venture Partner must submit a completed Certification Affidavit.

Section I.

Contractor Certification.

A. The Contractor or any subcontractor to be used in the performance of this contract, or any affiliated entity[1] of the Contractor or any such subcontractor, or any responsible official thereof, or any other official, agent or employee of the Contractor, any such subcontractor or any such affiliated entity[1], acting pursuant to the direction or authorization of a responsible official thereof has not, during a period of 3 years prior to the date of execution of this certification, or if a subcontractor or subcontractor's affiliated entity[1] during a period of three years prior to the date of award of the subcontract:

1) Bribed or attempted to bribe, or been convicted of bribery or attempting to bribe a public officer or employee of the City of Chicago, the State of Illinois, any agency of the federal government or any state or local government in the United States (if an officer or employee, in that officer's or employee's official capacity); or

2) Agreed or colluded, or been convicted of agreement or collusion among bidders or prospective bidders in restraint of freedom of competition by agreement to bid a fixed price or otherwise; or

3) Made an admission of guilt of such conduct described in A (1) and (2) above which is a matter of record but has not been prosecuted for such conduct.

B. The Contractor or any agent, partner, employee or officer of the Contractor is not barred from contracting with any unit of state or local government as a result of engaging in or being convicted of bid-rigging [3] in violation of Section 3 of Article 33E of the Illinois Criminal Code of 1961, as amended (Ill. Rev. Stat., 1989, Chapter 38, Section 33E-3) or any similar offense of any state or the United States which contains the same elements as the offense of bid-rigging [3] during a period of five years prior to the date of submittal of this bid, proposal or response.

C. The Contractor or any agent, partner, employee, or officer of the Contractor is not barred from contracting with any unit of state or local government as a result of engaging in or being convicted of bid-rotating [4] in violation of Section 4 of Article 33E of the Illinois Criminal Code of 1961, as amended (Ill. Rev. Stat., 1989, Chapter 38, Section 33E-4) or any similar offense of any state or the United States which contains the same elements as the offense of bid-rotating [4].

D. The Contractor understands and will abide by all provisions of Chapter 2-56 of the Municipal Code of Chicago entitled "Office of Inspector General".

Section II.

Subcontractor Certification.

1. The Contractor has obtained from all subcontractors to be used in the performance of this contract, known by the Contractor at this time, certifications in form and substance equal to Section I of this certification. Based on such certification(s) and any other information known or obtained by the Contractor, the Contractor is not aware of any such subcontractor, subcontractor's affiliated entity[1], or any agent, partner, employee or officer of such subcontractor or subcontractor's affiliated entity[1] having engaged in or been convicted of: (a) any of the conduct described in Section IA (1) or (2) of this certification, (b) bid-rigging[3], bid-rotating[4], or any similar offense of any state or the United States which contains the same elements as bid-rigging and bid-rotating, or having made an admission of guilt of the conduct described in Section IA (1) or (2) which is a matter of record but has/have not been prosecuted for such conduct.

2. The Contractor will, prior to using them as subcontractors, obtain from all subcontractors to be used in the performance of this contract, but not yet known by the Contractor at this time, certifications in form and substance equal to this certification. The Contractor shall not, without the prior written permission of the City, use any of such subcontractors in the performance of this contract if the Contractor, based on such certifications or any other information known or obtained by Contractor, becomes aware of such subcontractor, subcontractor's affiliated entity[1] or any agent, employee or officer of such subcontractor or subcontractor's affiliated entity[1] having engaged in or been convicted of: (a) any of the conduct described in Section IA (1) or (2) of this certification; or (b) of bid-rigging[3], bid-rotating[4] or any similar offense of any state or the United States which contains the same elements as bid-rigging or bid-rotating or having made an admission of guilt of the conduct described in Section IA (1) or (2) which is a matter of record but has/have not been prosecuted for such conduct.

3. The Contractor will maintain on file for the duration of the contract all certifications required by Section II, (1) and (2) above, for all subcontractors to be used in the performance of this contract and will make such certifications promptly available to the City of Chicago upon request.

4. The Contractor will not, without the prior written consent of the City, use as subcontractors any individual, firm, partnership, corporation, joint

venture or other entity from whom the Contractor is unable to obtain a certification in form and substance equal to this certification.

5. Contractor hereby agrees, if the City so demands, to terminate its subcontract with any subcontractor, if such Contractor or subcontractor was ineligible at the time that the subcontract was entered into for award of such subcontract under Chapter 2-92-320 of the Chicago Municipal Code, or if applicable, under Section 33-E of Article 33 of the State of Illinois Criminal Code of 1961, as amended. Contractor shall insert adequate provisions in all subcontracts to allow it to terminate such subcontracts as required by this certification.

Section III.

State Tax Delinquencies.

* (In completing this Section III, mark the box and place your initials in the appropriate subsection)

(x) A. Contractor is not delinquent in the payment of any tax administered by the Illinois Department of Revenue or, if delinquent, Contractor is contesting, in accordance with the procedures established by the appropriate Revenue Act, its liability for the tax or amount of the tax.

Initials: G.A.T.

( ) B. Contractor has entered into an agreement with the Illinois Department of Revenue for the payment of all such taxes that are due and is in compliance with such agreement.

---

* Before signing, mark and initial the appropriate box in Section III.

( ) C. Contractor is delinquent in the payment of any tax administered by the Department of Revenue and is not covered under any of the situations described in Subsections A and B of this Section III, above.[5]

Initials: _____

Section IV.

Punishment.

A Contractor who makes a false statement, material to Section IB of this certification commits a Class 3 felony, Ill. Rev. Stat., 1989, Ch. 38, 33E-11 (B). Making a false statement concerning Section III of this certification is a Class A misdemeanor, voids the contract and allows the municipality to recover all amounts paid to the Contractor under the contract in a civil action, Ill. Rev. Stat., Ch. 24, 11-42.1-1.

Section V.

Incorporation Into Contract.

This certification shall become part of any contract awarded to the Contractor pursuant to the specification set forth on page 1 of this certification.

Notes 1 -- 5 To Contractor's Certification.

1. In accordance with Chapter 2-92-320 of the City of Chicago Municipal Code, the Contractor or a subcontractor shall be chargeable with the conduct of an affiliated entity. Business entities are affiliated if, directly or indirectly, one controls or has the power to control the other, or if a third person controls or has the power to control both entities. Indicia of control include without limitation: interlocking management or ownership; identity of interests among family members; shared facilities and

equipment; common use of employees; or organization of a business entity following the ineligibility of a business entity under Chapter 2-29-320 of the City of Chicago Municipal Code using substantially the same management, ownership or principals as the ineligible entity.

2. No corporation shall be barred from contracting with any unit of state or local government as a result of a conviction, under either Section 33E-3 or Section 33E-4 of Article 33 of the State of Illinois Criminal Code of 1961, as amended, of any employee or agent of such corporation if the employee so convicted is no longer employed by the corporation and: (1) it has been finally adjudicated not guilty or (2) if it demonstrates to the governmental entity with which it seeks to contract and that entity finds that the commission of the offense was neither authorized, requested, commanded, nor performed by a director, officer or a high managerial agent in behalf of the corporation as provided in paragraph (2) of Subsection (a) of Section 5-4 of the State of Illinois Criminal Code.

3. For purposes of Section I of this certification, a person commits the offense of and engages in bid-rigging when he knowingly agrees with any person who is, or but for such agreement would be, a competitor of such person concerning any bid submitted or not submitted by such person or another to a unit of State or local government when with the intent that the bid submitted or not submitted will result in the award of a contract to such person or another and he either (1) provides such person or receives from another information concerning the price or other material term or terms of the bid which would otherwise not be disclosed to a competitor in an independent noncollusive submission of bids or (2) submits a bid that is of such a price or other material term or terms that he does not intend the bid to be accepted. Ill. Rev. Stat., 1989, Ch. 38, §33E-3.

4. For purposes of Section I of this certification, a person commits the offense of and engages in bid-rotating when, pursuant to any collusive scheme or agreement with another, he engages in a pattern over time (which, for the purposes hereof, shall include at least 3 contract bids within a period of ten years, the most recent of which occurs after January 1, 1989) of submitting sealed bids to units of State or local government with the intent that the award of such bids rotates, or is distributed among, persons or business entities which submit bids on a substantial number of the same contracts. Ill. Rev. Stat., 1989, Ch. 38, §33E-4.

5. Chapter 24, §11-42.1-1 of the Illinois Revised Statutes provides that a municipality may not enter into a contract or agreement with an individual or other entity that is delinquent in the payment of any tax administered by the Illinois Department of Revenue unless the contracting party is contesting, in accordance with the procedures established by the appropriate Revenue Act, its liability for the tax or the amount of the tax or unless the contracting party has entered into an agreement to pay the tax and is in compliance with the Agreement. Notwithstanding the above, the

municipality may enter into the contract if the contracting authority for the municipality determines that:

(1) the contract is for goods or services vital to the public health, safety, or welfare; and

(2) the municipality is unable to acquire the goods or services at a comparable price and of comparable quality from other sources.

Anti-Apartheid Affidavit.
(Non-Bid, Non-Professional Service Contract)

(QVS Illinois, Inc.)

Specification No. C 961910045

Contract No. _____

Purpose Of Affidavit.

Each Contractor with whom the City enters into a contract, without competitive bidding and for a purpose other than professional services, must complete this affidavit of compliance with the Chicago Anti-Apartheid Ordinance, Chapter 3-68 of the Municipal Code. Certain terms used in this affidavit are defined in the Anti-Apartheid Ordinance and the regulations issued thereunder, and have the same meanings in this affidavit as in the ordinance and regulations. In order to assure the accuracy of this affidavit, refer to the ordinance and regulations when completing this affidavit. Copies of the ordinance and regulations may be obtained in the offices of the City's Purchasing Agent or Comptroller.

Instructions.

Indicate whether the statements below are true by having the authorized representative of the Contractor sign his/her initials in the brackets below. If the Contractor is not able to certify that statements below are true, the Contractor will not be eligible to be awarded the contract unless a waiver is granted pursuant to §3-68-086 of the Anti-Apartheid Ordinance.

Additional Special Conditions Regarding Disadvantaged Business Enterprise Commitment.

(In connection with Airport Business Opportunities)

I.

Commitment.

In accordance with the requirements of federal statutes and regulations and the City's Minority and Women Business Enterprise Ordinance (Section 2-92-420 et seq. of the Municipal Code of the City of Chicago) ("Ordinance"), it is the City's policy that disadvantaged business enterprises ("D.B.E.s"), as

defined below, shall have the maximum opportunity practicable to participate in the operation of concessions (the "Concessionaire") under any concession license agreement entered into with the City in connection with its airports ("D.B.E. Concession Goal"). The City's goal in 1992 is 15.8%, which means the City wants at least 15.8% of gross receipts from concession operations at the airports to be those of D.B.E. concessionaires. While there is no specific goal for this concession license agreement unless specified in this agreement, the maximum D.B.E. participation in the operation of this concession is desired to compensate for instances when such participation cannot be obtained.

In addition to encouraging D.B.E. participation in operating concessions, the City has a further goal of encouraging D.B.E.s to participate in providing the goods, work and services the Concessionaire may require in order to operate the concession ("Specific Concession Agreement D.B.E. Goal"). The Specific Concession Agreement D.B.E. Goal shall be thirty percent (30%) of gross receipts of each concession, unless these goals are modified: (i) elsewhere in this concession license agreement; (ii) in applicable federal regulations; or (iii) any relevant regulations promulgated by the City under the Ordinance.

II.

General Provisions.

A. Definitions.

(1) "Disadvantaged Business Enterprise" or "D.B.E." means a small business concern awarded certification as a business owned and controlled by socially and economically disadvantaged individuals in accordance with 49 C.F.R., Part 23 and the City Ordinance and relevant regulations.

(2) "Socially and Economically Disadvantaged Individuals" means those individuals who are citizens of the United States (or lawfully admitted permanent residents) and who are Black Americans, Hispanic Americans, Native Americans, Asian-Pacific Americans, or Asian-Indian Americans (as defined below) or women and any other minorities or individuals found to be disadvantaged by the Small Business Administration pursuant to Section 8(a) of the Small Business Act. The Purchasing Agent shall make a rebuttable presumption that individuals in the following groups are socially and economically disadvantaged. The Purchasing Agent also may determine, on a case-by-case basis, that individuals who are not

members of one of the following groups are socially and economically disadvantaged:

a. "Black Americans", which includes persons having origins in any of the Black racial groups of Africa;

b. "Hispanic Americans", which includes persons of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish or Portuguese culture or origin, regardless of race;

c. "Native Americans", which includes persons who are American Indians, Eskimos, Aleuts, or Native Hawaiians;

d. "Asian-Pacific Americans", which includes persons whose origins are from Japan, China, Taiwan, Korea, Vietnam, Laos, Cambodia, the Philippines, Samoa, Guam, the U.S. Trust Territories of the Pacific, and the Northern Marianas;

e. "Asian-Indian Americans", which includes persons whose origins are from India, Pakistan, and Bangladesh; and

f. "Women".

(3) "Small Business Concern" means a small business as defined pursuant to Section 3 of the Small Business Act and relevant regulations promulgated pursuant thereto, except that a small business concern shall not include any concern or group of concerns controlled by the same socially and economically disadvantaged individual or individuals which has annual average gross receipts in excess of a certain sum over the previous three fiscal years, as adjusted periodically by the Secretary of Transportation for inflation.

(4) "Directory" means the Directory of Certified "Disadvantaged Business Enterprises", "Minority Business Enterprises" and "Women Business Enterprises" maintained and published by the Department of Purchases. The Directory identifies firms that have been certified as D.B.E.s, and includes both the date of their last certification and the area of specialty in which they have been certified. Concessionaires are responsible for verifying the current certification status of all proposed D.B.E. firms.

(5) "Area of Specialty" means the description of a D.B.E. firm's business which has been determined by the Purchasing Agent to be most reflective of the D.B.E. firm's claimed specialty or expertise. Each D.B.E. letter of certification contains a description of the firm's Area of Specialty. This information is also contained in the Directory. Credit toward this contract's D.B.E. participation goal shall be limited to the participation of firms performing within their Area of Specialty.

Notice: The Department of Purchases does not make any representation concerning the ability of any D.B.E. to perform work within its Area of Specialty. It is the responsibility of all Concessionaires to determine the capability and capacity of D.B.E. firms to satisfactorily perform the work proposed.

(6) "Joint Venture" means an association of two or more businesses to carry out a single business enterprise for profit, and for which purpose they combine their expertise, property, capital, efforts, skill and knowledge. Contractors may develop joint venture agreements as an instrument to provide participation by D.B.E.s in contract work. A joint venture seeking to be credited for D.B.E. participation may be formed among D.B.E. firms or between a D.B.E. firm(s) and a non-D.B.E. firm(s).

A joint venture is eligible for D.B.E. credit if the D.B.E. venturer(s) shares in the ownership, control, management responsibilities, risks and profits of the joint venture, and is responsible for a clearly defined portion of work to be performed, in proportion with the D.B.E. ownership percentage.

B. Third Party Challenges To Eligibility Of D.B.E. Firm.

Any third party may challenge the socially and economically disadvantaged status of any individual (except an individual who has a current 8(a) certification from the Small Business Administration) presumed to be socially and economically disadvantaged if that individual is an owner of a firm certified by or seeking certification from the City as a D.B.E.. The challenge shall be made in writing to the City, and shall include all information available to the challenging party relevant to a determination of whether the challenged party is in fact socially and economically disadvantaged. The City will notify the challenged party of the statements and identity of the challenging party and may permit them to respond to the allegations, and will notify both parties in writing of the outcome. If the City determines first that there were not reasonable grounds presented in the challenge sufficient to justify an inquiry, then the City will notify the challenger that the proceedings are now terminated. During the

pendency of any challenge, the presumption that the challenged party is a socially and economically disadvantaged individual shall remain in effect.

C. Joint Ventures.

Bidders/Proposers may develop joint venture agreements as an instrument to provide participation by D.B.E.s in contract work or airport business opportunities. A joint venture seeking to be credited for D.B.E. participation may be formed among D.B.E. firms or between a D.B.E. firm and a non-D.B.E. firm.

A Joint Venture Is Eligible To Be Counted Toward D.B.E. Goals If, And Only If, All Of The Following Requirements Are Satisfied:

(1) the D.B.E. venturer(s) shares in the (1) ownership, (2) control, (3) management responsibilities, (4) risks and (5) profits of the joint venture in proportion with the D.B.E. ownership percentage;

(2) the D.B.E. venturer(s) is responsible for a clearly defined portion of work to be performed or the business to be operated, in proportion with the D.B.E. ownership percentage;

(3) in the case of work, the D.B.E. venturer(s) actually performs (with its own forces and using its own equipment) work equal to at least 50% of the value of its ownership of the joint venture. For example, if the D.B.E. is proposed as a 25% venturer on a $1,000,000 contract (or subcontract) for work, the D.B.E. must, in addition to its other joint venture responsibilities, perform work equal to at least $125,000 (or 50% of 25% of $1,000,000); and

(4) in the case of the operation of a business such as a concession, the D.B.E. venturer(s) actually performs the services or operates the business (with its own forces and its own supervising staff) to an extent commensurate with the value of its ownership of the joint venture. For example, if the D.B.E. is proposed as a 25% venturer in a concession business, the D.B.E. must, in addition to its other joint venture responsibilities, operate at least that much of the business as would constitute 25% of the business's gross revenues.

The Purchasing Agent will evaluate the proposed joint venture agreement, the Schedule B submitted on behalf of the proposed joint venture, and all related documents to determine whether these requirements have been

satisfied. In addition, the Purchasing Agent shall consider the record of the joint venturers as joint venturers on City of Chicago contracts. The decision of the Purchasing Agent regarding the eligibility of the joint venture shall be final.

Note: Credit for participation by D.B.E.s in a joint venture with non-D.B.E.s does not require a minimum participation of 51% in venture ownership and control on the part of the D.B.E.. A junior ownership interest in the venture by the D.B.E. can be credited toward the Specific Concession Agreement D.B.E. Goal in a pro rata fashion, but not the D.B.E. Concession Goal.

D.B.E./non-D.B.E. joint ventures are creditable on either the prime or the subcontractor level and are otherwise subject to federal, state and City contract limitations restricting second tier subcontracting.

Notice: The City requires that, whenever a joint venture is proposed as the prime contractor, each joint venturer must separately sign the proposal to the City.

III.

Measuring D.B.E. Participation.

A. Counting D.B.E. Participation For The D.B.E. Concession Goal.

D.B.E. participation shall be counted toward the D.B.E. Concession Goal as follows: where a D.B.E. is a Concessionaire, once the D.B.E. is determined to be eligible under these rules, the total gross receipts generated by the D.B.E. from the concession counts towards the D.B.E. Concession Goal.

In the event of a joint venture or subconcession arrangement between a non-D.B.E. and a D.B.E. for the operation of a concession, only that portion of the gross receipts contributed by the commercially useful efforts of the D.B.E. joint venturer(s) or subconcessionaire(s) count towards the D.B.E. Concession Goal, but in no case may the percentage contribution attributable to a D.B.E. joint venture exceed the D.B.E.'s percentage interest in the joint venture. Where the Purchasing Agent has reason to doubt the extent of a D.B.E. joint venturer's or subconcessionaire's commercially useful contribution towards the Concessionaire's gross receipts, the Purchasing Agent may request evidence to substantiate the D.B.E.'s contribution. No credit shall be given toward the D.B.E. Concession Goal if

the subconcessionaire or joint venturer is not participating in the actual operation of the concession, but rather is providing goods or services used by a Concessionaire.

B. Counting D.B.E. Participation Toward The Specific Concession Agreement D.B.E. Goal.

(1) Where a D.B.E. is a contractor for work, goods or services and is determined to be eligible in accordance with these rules, except as provided below, the total dollar value of the contract awarded to the D.B.E. may be counted toward the Specific Concession Agreement D.B.E. Goal, except that a Concessionaire may count only a portion of the total dollar value of a contract with a joint venture subcontractor eligible under the standards of these Special Conditions equal to the percentage of the ownership and control of the D.B.E. joint venturer.

(2) Where a Concessionaire contracts out for work, a Concessionaire may count toward its Specific Concession Agreement D.B.E. Goal only expenditures to firms that perform a commercially useful function in the work of a concession. A firm is considered to perform a commercially useful function when it is responsible for execution of a distinct element of the work of a concession and carries out its responsibilities by actually performing, managing and supervising the work involved. To determine whether a firm is performing a commercially useful function, the Purchasing Agent shall evaluate the amount of work subcontracted, industry practices, and other relevant factors.

Consistent with normal industry practices, a D.B.E. may enter into subcontractors. If a D.B.E. contractor subcontracts a significantly greater portion of the work of the contract than would be expected on the basis of normal industry practices, the D.B.E. shall be presumed not to be performing a commercially useful function. Evidence may be presented by the contractors involved to rebut this presumption.

(3) Where a Concessionaire contracts out for goods, including equipment and material, a Concessionaire may count toward its specific Concession Agreement D.B.E. Goal sixty percent (60%) of its expenditures for materials and supplies required under the contract and obtained from a D.B.E. regular dealer, and one hundred percent (100%) of such expenditures to a D.B.E. manufacturer.

For purposes of this Section, a manufacturer is a firm that operates or maintains a factory or establishment that produces on the premises the materials or supplies obtained by the contractor.

For purposes of this Section, a regular dealer is a firm that owns, operates, or maintains a store, warehouse, or other establishment in which the materials or supplies required for performance of the contract are bought, kept in stock, and regularly sold to the public in the usual course of business. To be a regular dealer, the firm must engage in, as its principal business, and in its own name, the purchase and sale of the products in question. A regular dealer in such bulk items as steel, cement, gravel, stone, and petroleum products need not keep such products in stock, if it owns or operates distribution equipment. Brokers and packagers shall not be regarded as manufacturers or regular dealers within the meaning of this Section.

(4) A Concessionaire may count toward its D.B.E. goal the following expenditures to D.B.E. firms that are not manufacturers or regular dealers:

1. The fees or commissions charged for providing a bona fide service, such as professional, technical, consultant or managerial services and assistance in the procurement of essential personnel, facilities, equipment, materials or supplies required for performance of the concession agreement, provided that the fee or commission is determined by the Purchasing Agent to be reasonable and not excessive as compared with fees customarily allowed for similar services.

2. The fees charged for delivery of materials and supplies required on a job site (but not the cost of the materials and supplies themselves) when the hauler, trucker, or delivery service is not also the manufacturer of or a regular dealer in the materials and supplies, provided that the fee is determined by the Purchasing Agent to be reasonable and not excessive as compared with fees customarily allowed for similar services.

3. The fees or commissions charged for providing any bonds or insurance specifically required under the concession agreement, provided that the fee or commission is determined by the Purchasing Agent to be reasonable and not excessive as compared with fees customarily allowed for similar services.

IV.

Procedure To Determine Bid/Proposal Compliance.

A. The following schedules and documents constitute the bidder's or proposer's D.B.E. proposal, and must be submitted in accordance with the guidelines stated. The proposal should indicate whether the bidder or proposer believes it is a D.B.E. and to what extent it can be counted toward the D.B.E. Concession Goal and should clearly indicate the Specific Concession Agreement D.B.E. commitment.

(1) Schedule B: Affidavit of D.B.E./Non-D.B.E. Joint Venture.

Where the D.B.E. proposal includes the participation of any D.B.E. as a joint venturer prime or subcontractor, the proposers must submit, together with their proposal, a Schedule B: Affidavit of D.B.E./Non-D.B.E. Joint Venture with an attached copy of the joint venture agreement proposed among the parties.

The Schedule B, in conjunction with the joint venture agreement must clearly evidence that the D.B.E. venturer will be responsible for a clearly defined portion of the work to be performed or the concession(s) to be operated and that the D.B.E. firm's responsibilities are in proportion with their ownership percentage, as described under II(C) Joint Ventures. In order to demonstrate the D.B.E. venturer's share in the ownership, control, management responsibilities, risks and profits of the joint venture, the proposed joint venture agreement shall include specific details related to (i) the contributions of capital and equipment; (ii) work items or management services or concession(s) to be performed or operated by the D.B.E.'s own forces; (iii) work items, management services or concessions to be performed or operated under the supervision of the D.B.E. venturer and (iv) the commitment of management, supervisory and operative personnel employed by the D.B.E. to be dedicated to the performance of the project.

The Schedule B, together with the joint venture agreement must, in addition, clearly evidence the commitment of the D.B.E. venturer to actually perform (with its own forces and equipment) work equal to at least fifty percent (50%) of the value of its ownership of the joint venture or to operate a concession business (with its own forces and supervisory

staff) to an extent commensurate with the value of its ownership in the joint venture.

(2) Schedule C: Letter Of Intent To Perform As A Subcontractor, Subconsultant, Or Goods Or Material Supplier.

A Schedule C, executed by the D.B.E. firm (or joint venture subcontractor) must be submitted by the proposer for each D.B.E. included on the proposer's Schedule D. Each Schedule C must accurately detail the work to be performed by the D.B.E. firm and the agreed rates and prices to be paid. If any fully complete and executed Schedule C is not or cannot be submitted with the proposal, it must be received by the Purchasing Agent within two (2) business days after the date set for receipt of proposals except as provided for elsewhere in the R.F.P..

(3) Letters Of Certification.

A copy of each proposed D.B.E. firm's Letter of Certification from the City of Chicago must be submitted with the proposal.

All Letters of Certification issued by the City of Chicago include a statement of the D.B.E. firm's area of specialization. The D.B.E. firm's scope of work, as detailed by its Schedule C must conform to its stated area of specialization. Where a D.B.E. is proposed to perform work or supply goods, materials or services not covered by its area of certification, it must request an expansion of its certification at least thirty (30) calendar days prior to its being proposed to perform such work or supply such goods, materials or services. The D.B.E. firm's request to expand the scope of its certification, together with all documentation required by the City to process that request, must be received by the City at least thirty (30) calendar days before execution of any agreement with the City.

(4) Schedule D: Affidavit Of Prime Contractor Regarding D.B.E.s.

Proposers must submit, together with the proposal, a completed Schedule D committing them to the utilization of each listed D.B.E. firm. Except in cases where the proposer has submitted a complete request for a waiver or variance of

the Specific Concession Agreement D.B.E. Goal (See V. Grant of Relief for Proposers, below), the proposer must commit with respect to the acquisition of goods, work or services to the expenditure of a specific dollar amount of participation by each D.B.E. firm included on its Schedule D. The total dollar commitment to proposed D.B.E. firms must at least equal the Specific Concession Agreement D.B.E. Goal.

All commitments made by the proposer's Schedule D must conform to those presented in the submitted Schedule Cs. Where Schedule Cs will be submitted after the date set for receipt of proposals, the proposer may submit a revised Schedule D (executed and notarized in triplicate) to conform with the Schedule Cs. Except in cases where substantial and documented justification is provided, proposers will not be allowed to reduce the dollar commitment made to any D.B.E. in order to achieve conformity between the Schedules C and D.

B. The submittals must have all blank spaces on the Schedule pages applicable to the subject specification correctly filled in.

C. Agreements between a proposer and a D.B.E. in which the D.B.E. promises not to provide subcontracting quotations to other proposers are prohibited.

D. During the period before award, the submitted documentation will be evaluated. Furthermore, the proposer agrees to give, upon request, earnest and prompt cooperation to the Purchasing Agent and/or Contract Compliance Officer or authorized delegate in submitting to interviews that may be necessary, or in allowing entry to places of business or in providing further documentation, or in soliciting the cooperation of a proposed D.B.E. in providing such assistance. A proposal may be treated as non-responsive by reason of the determination that a proposer's proposal contains an insufficient level of D.B.E. participation, or that the proposer was found to be unresponsive or uncooperative when asked for further information relative to the proposal, or that false statements were made in the Schedules.

E. In cases where the City's review of a proposal concludes that the D.B.E. proposal was deficient, the proposer will be instructed to submit (within three business days of such notice given by the City), a modification of the D.B.E. proposal, in proper format, which remedies all the deficiencies cited. The failure to correct all deficiencies as required by this section may result in a Purchasing Agent's determination that a proposal is "non-responsive". The

Purchasing Agent shall have the discretion to apply suitable sanctions against any proposer who fails to comply with these requirements. Appropriate sanctions may include, without limitation, forfeiture of the proposal deposit, if any, rejection of the proposal, and suspension of the proposer's eligibility to enter into future contracting opportunities with the City.

F. Proposers will not be permitted to modify their D.B.E. proposals except insofar as directed to do so by the City. All terms and conditions stipulated for prospective D.B.E. subcontractors or suppliers therefore should be satisfactorily negotiated prior to the submission to the City of the proposer's D.B.E. commitment as part of a proposer's proposal. If circumstances should arise, however, where a proposed D.B.E. becomes no longer available, the process described below in the section entitled VII. D.B.E. Substitutions and Waivers of Requirements should be followed.

G. When necessary in the interest of time, the City may treat as non-responsive a proposal instead of granting extended time for a proposer to replace D.B.E.s named in the proposer's proposal which were later determined to be ineligible or unavailable.

V.

Grant Of Relief For Proposers.

The following Regulations set forth the standards to be used in determining whether or not a reduction or waiver of the Specific Concession Agreement D.B.E. Goal is appropriate. As explained above, no D.B.E. Concession Goal is set for this concession license agreement unless contained elsewhere in this concession license agreement, since the goal is based on gross receipts of all airport concessions; however, maximum participation by D.B.E.s in operating this concession is desired.

In the event a D.B.E. Concession Goal for this particular concession license agreement is provided for elsewhere in this agreement, the procedure set forth below for waiver of the Specific Concession Agreement D.B.E. Goal. In the event a proposer determines that it is unable to meet the Specific Concession Agreement D.B.E. Goal for a City concession license agreement, a written request for the reduction or waiver of the commitment must be included in the proposal. The written request for reduction or waiver from the commitment must be in the form of a signed petition for grant of relief from the D.B.E. percentages. The request must be submitted on the proposer's letterhead and must demonstrate that all required efforts as set forth in this document were taken to secure eligible D.B.E.s to meet the

commitments. The Purchasing Agent or designee shall determine whether the request for the reduction or waiver will be granted.

Proposers will be considered responsive to the terms and conditions of these Regulations if a waiver request and proof of notification to an assist agency is submitted at the time of proposal opening. Once the proposals have been opened, the most responsive and responsible proposer so deemed by the Purchasing Agent or authorized designee will have 14 calendar days to submit to the Department of Purchases complete documentation that adequately addresses the conditions for waiver described herein. Failure to submit documentation sufficient to support the waiver request may cause the proposal to be found non-responsive by the Purchasing Agent, and the proposal may be rejected. In such cases the remedies to be taken by the Purchasing Agent, in his discretion, may include, but are not limited to, forfeiture of proposal deposit, negotiating with the next lowest proposer, or readvertising the proposal. All proposers are encouraged to submit all required documents at the time of proposal opening to expedite the contract award.

A. D.B.E. Participation.

Each of the following elements must be present in order to determine whether or not such a reduction or waiver is appropriate.

(1) The proposer has documented the unsuccessful solicitation for either subcontractors or joint venture partners of at least 50% (or at least five when there are more than nine certified firms in the commodity area) of the appropriate certified D.B.E. firms to operate any part of the concession or to furnish any direct work, goods or services identified or related to the concession. Direct participation involves subcontracting a portion of the goods/services specifically required in the proposal. Documentation must include but is not necessarily limited to:

a. A detailed statement of efforts to identify and select portions of the concession operation or the work, goods or services required for the concession for subcontracting to certified D.B.E. firms;

b. A listing of all D.B.E. firms contacted that includes:

i) Names, addresses and telephone numbers of D.B.E. firms solicited;

ii) Date and time of contact;

iii) Method of contact (written, telephone transmittal of facsimile documents, etc.);

c. Copies of letters or any other evidence of mailing that substantiates outreach to D.B.E. operators or vendors that includes:

i) Project identification and location;

ii) Classification/commodity of work items for which quotations were sought;

iii) Date, item and location for acceptance of subcontractor proposals;

iv) Detailed statement which summarizes direct negotiations with appropriate D.B.E. firms for specific portions of the work and indicates why negotiations were unsuccessful;

v) Affirmation that good faith efforts have been demonstrated by choosing subcontracting opportunities likely to achieve the Specific Concession Agreement D.B.E. Goal by not imposing any limiting conditions which were not mandatory for all subcontractors; or denying the benefits ordinarily conferred on D.B.E. subcontractors for the type of work that was solicited;

Or

(2) In case of work, goods or services to be furnished for the concession, subcontractor participation will be deemed excessively costly when the D.B.E. subcontractor proposal exceeds the average price quoted by more than fifteen percent (15%). In order to establish that a subcontractor's quote is excessively costly, the proposer must provide the following information:

a. A detailed statement of the work identified for D.B.E. participation for which the proposer asserts the D.B.E. quote(s) were excessively costly (in excess of 15% higher).

i) A listing of all potential subcontractors contacted for a quotation on that work item;

ii) Prices quoted for the subcontract in question by all such potential subcontractors for that work item.

b. Other documentation which demonstrates to the satisfaction of the Purchasing Agent that the D.B.E. proposals are excessively costly, even though not in excess of 15% higher than the average price quoted. This determination will be based on factors that include, but are not limited to the following:

i) The City's estimate for the work under a specific subcontract;

ii) The proposer's own estimate for the work under the subcontract;

iii) An average of the bona fide prices quoted for the subcontract;

iv) Demonstrated increase in other contract costs as a result of subcontracting to the D.B.E..

B. Assist Agency Participation.

Every waiver and/or reduction request must include evidence that the proposer has provided timely notice of the need for subcontractors to an appropriate association/assist agency representative of the D.B.E. business community.

The notice requirement of this Section will be satisfied if a proposer contacts at least one of the associations on Attachment A to these Regulations when the Concessionaire seeks a waiver or reduction in the utilization goals. Attachment B to these Regulations provides the letter format that a prime contractor may use. Proof of notification prior to proposal submittal (e.g., certified mail receipt or facsimile transmittal receipt) will be required for any proposal submitted to be deemed responsive on the date of proposal opening. If deemed appropriate, the Purchasing Agent or Contract Compliance Administrator may contact the assist agency for verification of notification.

C. Impracticability.

(1) If the Purchasing Agent determines that a lesser Specific Concession Agreement D.B.E. percentage standard is appropriate with respect to a particular concession agreement subject to competitive proposing prior to the solicitations for the concession agreement, proposal specifications shall include a statement of such revised standard.

(2) The requirements set forth in these Regulations shall not apply where the Purchasing Agent determines that D.B.E. subcontractor participation is impracticable. This may occur whenever the Purchasing Agent determines that for reasons of time, need, industry practices or standards not previously known by the Purchasing Department administrator, or such other extreme circumstances as may be deemed appropriate, such a waiver is in the best interests of the City. This determination may be made in connection with a particular concession agreement, whether before the concession is let for proposal, during the proposal or award process, before or during negotiation of the concession agreement, or during the performance of the agreement.

For all notifications required to be made by proposers, in situations where the Purchasing Agent has determined that time is of the essence, documented telephone contact may be substituted for letter contact.

Reporting.

A. Operation Of Concession.

(1) The Concessionaire shall, within five working days of receiving the awarded concession agreement, execute a formal subcontract with any D.B.E. subcontractor which was proposed to operate a portion of the concession.

(2) The Concessionaire shall file monthly D.B.E. utilization reports, together with its monthly concession license fee payment, delineating the D.B.E. contribution to Concessionaire's gross receipts for the month and cumulatively for the year-to-date.

Each D.B.E. utilization report shall be signed by an authorized officer or representative of the Concessionaire and notarized.

B. Furnishing Of Work, Goods And Services.

(1) The Concessionaire shall, within five working days of receiving the awarded concession agreement, execute a formal subcontract or purchase order with the D.B.E.s which were proposed all in accordance with the terms of the Concessionaire's proposal and D.B.E. assurances, and shall promptly submit to the City at that time a copy of the D.B.E. subcontracts or purchase orders, each showing acceptance of the subcontract or purchase order by the D.B.E..

(2) During the term of the concession agreement, the Concessionaire shall submit partial and final waivers of lien, where appropriate, from D.B.E. subcontractors which are drawn up to show the true cumulative dollar amount of subcontractor payments made to date.

(3) The Concessionaire shall file regular D.B.E. utilization reports on Purchases Form D.B.E. Status -- 1 entitled "Status Report of D.B.E. (Sub)Contract Payments". The Concessionaire shall present the notarized D.B.E. status form executed to reflect the current status of effective and projected payments to D.B.E.s.

IX.

D.B.E. Substitutions And Waivers Of Goals.

A. Arbitrary changes by the Concessionaire of the commitments earlier certified in the Schedule D are prohibited. Further, after once entering into each approved D.B.E. sub-agreement, the Concessionaire shall thereafter neither terminate the sub-agreement, nor reduce the scope of the work to be performed by the D.B.E., nor decrease the price to or the level of participation of the D.B.E., without in each instance receiving the prior written approval of the City. In some cases, however, it may become necessary to substitute a new D.B.E. in order to actually fulfill the D.B.E. requirements. In such cases, the City must be given reasons justifying the release by the City of prior specific D.B.E. commitments established in the Concessionaire's D.B.E. proposal, and will need to review the eligibility of the D.B.E. presented as a substitute. The substitution procedure will be as follows:

(1) The Concessionaire must notify the Purchasing Agent immediately in writing of an apparent necessity to reduce or terminate a D.B.E. subcontract or joint venture and to propose a substitute firm for some phase of the operation or the work, goods or services, if needed in order to sustain the fulfillment of the D.B.E. Concession Goal or the Specific Concession Agreement D.B.E. Goal.

(2) The Concessionaire's notification should include the specific reasons for the proposed substitution. Stated reasons which would be acceptable include any of the following examples: a previously committed D.B.E. was found not to be able to perform, or not to be able to perform on time; a committed D.B.E. was found not to be able to produce acceptable work; a committed D.B.E. was discovered later to be not bona fide; a D.B.E. previously committed at a given price later demands an unreasonable escalation of price.

The Concessionaire's position in these cases must be fully explained and supported with adequate documentation. Stated reasons which will not be acceptable include: a replacement firm has been recruited to perform the same work under terms more advantageous to the Concessionaire; issues about performance by the committed D.B.E. were disputed (unless every reasonable effort has already been taken to have the issues resolved or mediated satisfactorily); and a D.B.E. has requested reasonable price escalation which may be justified due to unforeseen circumstances.

(3) The Concessionaire's notification should include the name, address, and principal official of any proposed substitute D.B.E. and the dollar value and scope of work of the proposed subcontract. Attached should be all the same D.B.E. affidavits, documents, and Letter of Intent which are required of bidders, as enumerated above in Section IV. Procedure to Determine Bid/Proposal Compliance.

(4) The City will evaluate the submitted documentation, and respond within fifteen working days to the request for approval of a substitution. The response may be in the form of requesting more information, or requesting an interview to clarify or mediate the problem. In the case of an expressed emergency need to receive the necessary decision for the sake of job progress, the City will instead respond as soon as practicable.

(5) Actual substitution of a replacement D.B.E. should not be made before City approval is given of the acceptability of the substitute D.B.E.. A subcontract with the substitute D.B.E. must be executed within five working days, and a copy of the

D.B.E. subcontract with signatures of both parties to the agreement should be submitted immediately to the City.

B. After award of a concession, no relief of the D.B.E. requirements will be granted by the City except in exceptional circumstances. Requests for complete or partial waiver of the D.B.E. requirements of this agreement must be made in writing, stating all details of the request, the circumstances, and any additional relevant information. The request must be accompanied by a record of all efforts taken by the Concessionaire to locate specific firms, solicit D.B.E. bids, seek assistance from technical assistance agencies, etc., as outlined above in Section V. Grant of Relief for Proposers.

C. In a case where an enterprise under contract was previously considered to be a D.B.E. but is later found not to be, or whose work is found not to be creditable toward D.B.E. goals fully as planned, the City will consider the following special criteria in evaluating a waiver request:

1. Whether the Concessionaire was reasonable in believing the enterprise was a D.B.E. or that eligibility or "counting" standards were not being violated.

2. The adequacy of unsuccessful efforts taken to obtain a substitute D.B.E. as outlined in Section VII. Grant of Relief for Proposers.

D. The Purchasing Agent solely will determine grants of waiver and all matters of D.B.E. compliance.

X.

Non-Compliance And Damages.

The following constitute a material breach of any concession agreement entered into of which these special conditions form a part and shall entitle the City to declare a default, terminate the contract and exercise those remedies provided for in the agreement, at law or in equity:

1. Failure to satisfy the D.B.E. percentages required by the concession agreement; and

2. The Concessionaire, joint venturer or subcontractor is disqualified as a D.B.E., such status was a factor in concession award, and was misrepresented by the Concessionaire.

In the event that the Concessionaire is determined not to have been involved in any misrepresentation of the status of the disqualified joint venturer or subcontractor or supplier, the Concessionaire shall discharge the disqualified subcontractor or supplier and, if possible, identify and engage a qualified D.B.E. as its replacement. Furthermore, continued eligibility to enter into future contracting arrangements with the City may be jeopardized as a result of non-compliance. Payments due to the Concessionaire, if any, may be withheld until corrective action is taken.

In the event the Concessionaire has not complied with the contractual D.B.E. percentages, underutilization of identified D.B.E.s shall entitle the affected D.B.E.s to recover from the Concessionaire damages suffered by these D.B.E.s as a result of such underutilization. Therefore, the Concessionaire hereby agrees that any disputes between the Concessionaire and such affected D.B.E.s regarding damages shall be resolved by binding arbitration before an independent arbitrator other than the City, with reasonable expenses, including attorneys' fees, being recoverable by a prevailing D.B.E. in accordance with applicable City regulations. This provision is intended for the benefit of any D.B.E. affected by underutilization and grants them specific third party beneficiary rights. In cases where deemed appropriate by the Purchasing Agent, notification of a dispute by the affected D.B.E. or the Concessionaire may lead to the withholding of sums that the City may owe Concessionaire until the City receives a copy of the final arbitration decision, but in no event shall the Concessionaire be excused from making any payments due to the City during the pendency of a dispute.

XI.

Record Keeping.

The Concessionaire shall maintain records of all relevant data with respect to the utilization of D.B.E.s, retaining these records for a period of at least three years after termination or expiration of the concession agreement. Concessionaire grants full access to these records to the City of Chicago, federal or state authorities, the U.S. Department of Justice, or any duly authorized representatives thereof.

XIII.

Concessionaire Assistance.

Concessionaires must themselves assist D.B.E.s in overcoming barriers to program participation. The following instruments of assistance, for example, should be used as applicable:

A. Developing solicitations of subcontract proposals so as to increase potential D.B.E. participation. This can take the form of breaking down large subcontracts into smaller ones, and of issuing notice of solicitations in a timely manner;

B. Providing technical assistance and guidance in the proposing, estimating, and scheduling processes;

C. Considering purchasing supplies and/or leasing the required equipment for a job, then subcontracting only for the expertise required to perform the work;

D. Providing accelerated payments or establishing prorated payment and delivery schedules so as to minimize cash flow problems faced by small firms;

E. Providing, waiving, or reducing subcontractor bonding requirements; allowing stage bonding (bonding carried over from one project state to the next); and

F. Providing a pre-bid conference for potential subcontractors.

In addition to the employment of minority and women business enterprises for construction work and materials, and goods and services directly used for the concession, the Concessionaire should consider the utilization of D.B.E.s in fields indirectly related to management and concession contracts: banking, office equipment sales, vehicles sales, mechanical repair, legal and accounting services, building security, graphics and advertising et cetera.

XIV.

Equal Employment Opportunity.

Compliance with D.B.E. requirements will not diminish or supplant Equal Employment Opportunity and Civil Rights provisions as specified elsewhere in the concession agreement and as they relate to Concessionaire and subcontractor obligations.

The following is said ordinance as passed:

WHEREAS, The City of Chicago ("City") is a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois and may exercise any power related to its local governmental affairs; and

WHEREAS, The City Council of the City, by ordinance adopted May 22, 1991 (Council Journal of Proceedings, pages 180 -- 227) authorized the City to enter into a redevelopment agreement with Metro-Chicago Sports Stadium Joint Venture ("Venture") for the construction of a new sports stadium ("Stadium Agreement") which Stadium Agreement was executed on June 24, 1991; and

WHEREAS, The Stadium Agreement provides that the City shall convey up to 75 vacant City-owned lots in the vicinity of the new Stadium for nominal consideration to the Venture or its designee for the construction of housing to be sold for the cost of construction plus reasonable costs associated with the development and marketing of said homes ("For-Sale Housing"); and

WHEREAS, The Venture has selected Near West Side Community Development Corporation, Inc. as its designee responsible for the construction, marketing, and sale of the For-Sale Housing; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The City is authorized to enter into a redevelopment agreement with the Near West Side Community Development Corporation, Inc. ("Near West Corp."), as the designee of the Venture, for the sale of up to 75 vacant City-owned lots at a cost of One Dollar ($1.00) each, and the Commissioner of the Department of Housing is authorized to execute such other documents, subject to the approval of the Corporation Counsel, as may be necessary in connection with the For-Sale Housing project.

SECTION 2. The City shall identify up to 10 lots at a time for sale to Near West Corp. to be approved by the City Council, the first group of which is identified on Exhibit A attached hereto and incorporated herein.

SECTION 3. The Mayor or his proxy is authorized to execute a Redevelopment Agreement consistent with the provisions of this ordinance subject to the revision and approval of the Corporation Counsel.

SECTION 4. The Mayor or his proxy is authorized to execute, and the City Clerk is authorized to attest, a quitclaim deed conveying title to the lots described on Exhibit A to Near West Corp. pursuant to the terms and conditions of the Redevelopment Agreement.

SECTION 5. This ordinance shall be effective immediately upon its passage.

The following is said ordinance as passed:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That the Commissioner of the Department of General Services is authorized to execute on behalf of the City of Chicago a license agreement with American National Bank and Trust Company of Chicago, not personally, but solely as Trustee under Trust No. 43427, as Licensor, for the use of approximately 300 square feet of roof space of the office building located at 8420 West Bryn Mawr Avenue for the installation and maintenance of an electronic navigational and communications facility by the Department of Police, as Licensee, such license to be approved by the Superintendent of Police and to be approved as to form and legality by the Corporation Counsel in substantially the following form:

Agreement.

This Agreement ("Agreement") made and entered into this ____ day of _____, 19__, by and between American National Bank and Trust Company of Chicago, not personally, but solely as trustee under Trust

No. 43427 ("Licensor"), and the City of Chicago, a municipal corporation of the State of Illinois ("Licensee").

Witnesseth:

In consideration of the mutual covenants hereinafter stated, the parties hereby agree as follows:

Licensor hereby grants to the Licensee a license to occupy and use, subject to all of the terms and conditions hereinafter stated, the property described as follows ("Property"):

Area not to exceed 300 square feet of area on the roof and/or penthouse of the office building ("Building") located at 8420 West Bryn Mawr Avenue which is a portion of the complex ("Complex") commonly known as Citicorp Plaza.

The Property shall be occupied and used by the Licensee, at its expense, solely for the installation, operation and maintenance of an electronic navigational and communication facility and necessary appurtenances related thereto during the period beginning on the date of acceptance hereof and continuing for a period of no more than fifteen (15) years. Licensor shall have the right to approve the size, height and design of said facility and appurtenances, which approval shall not be unreasonably withheld. Licensee, at its expense, shall obtain all federal, state and local licenses and permits necessary to install, operate and maintain said facility and appurtenances.

Licensor hereby grants to the Licensee a license to occupy and use the Property, subject to all of the terms and conditions hereinbefore and hereinafter stated, with the right of ingress to and egress from the Property at all times for any and all such purposes. Licensor reserves the right to itself to use and to grant to tenants of the Complex and other users or licensees of the Complex, other licenses, easements or rights to use the roof of the Building for any purpose whatsoever. The license herein granted is limited to the uses and purposes hereinabove expressed and for no other purpose whatsoever.

This Agreement shall continue for a period of no more than fifteen (15) years at an annual rate of $1.00, and may be terminated at any time by Licensee. Licensor may terminate this Agreement at any time after the expiration of one year from the date of acceptance hereof upon ninety (90) days written notice.

Licensee shall be solely responsible for and maintain the electronic navigational and communication facility and appurtenance thereto, and shall install, maintain and operate same in a good, safe and legal manner so as to avoid interference with the use or operation of the Complex or of any other communication equipment, facilities or appurtenances located in, on, or attached to the Complex.

Licensee, upon prior written approval of Licensor, shall have the right and privilege to assign this license or any interest herein to any other appropriate agency or government be it federal, state or local to occupy and use the Property for the purposes herein set forth; otherwise this license shall be nonassignable.

Licensee agrees that it does not and shall not claim at any time any interest or estate of any kind or extent whatsoever in the Property by virtue of this license, by occupancy or use hereunder.

On any termination of this Agreement, Licensee shall quit the Property, and shall remove therefrom the electronic navigational and communication facility and appurtenances thereto installed in, on, or attached to the Property, at no cost or expense to Licensor and return the area used to its original condition.

The Licensee agrees to indemnify and save harmless Licensor, its beneficiary and their respective officers, partners, agents and employees from any and all expenses (including reasonable attorney's fees), claims, suits or demands on account or growing out of any injury to or the death of any person or persons whomsoever, or damage to property, resulting in any manner from the exercise of the privileges herein given.

The making, execution and delivery of this Agreement has been induced by no representations, statements, warranties, or agreements other than those herein expressed. This Agreement embodies the entire understanding of the parties and there are no further or other agreements or understandings, written or oral between the parties relating to the subject matter hereof.

This instrument may be amended or modified only by an instrument of equal formality signed by the respective parties.

In Witness Whereof, This Agreement is signed by and on behalf of the parties hereto the day and year first above written.

(iv) "Expenses" shall mean all expenses, costs and disbursements (other than Taxes) paid or incurred by Landlord in connection with the ownership, management, maintenance, operation, replacement and repair of the Building. Expenses shall not include: (a) costs of tenant alterations; (b) costs of capital improvements (except for costs of any capital

improvements (1) made or installed (or service agreement or lease entered into) for the purpose of reducing Expenses or improving the operating efficiency of any system within the building (provided, however, that such costs shall not exceed the reduction in expenses attributable to such capital improvements, service agreement, or lease) or (2) made or installed pursuant to governmental requirement or insurance requirement, which costs shall be amortized by Landlord in accordance with sound accounting and management principles); (c) interest and principal payments on mortgages (except interest on the cost of any capital improvements for which amortization may be included in the definition of Expenses) or any rental payments on any ground leases (except for rental payments which constitute reimbursement for Taxes and Expenses); (d) advertising expenses and leasing commissions; (e) any cost or expenditure for which Landlord is reimbursed, or, in Landlord's sole judgment is entitled to be reimbursed, whether by insurance proceeds or otherwise, except through Adjustment Rent (hereinafter defined); (f) the cost of any kind of service furnished to any other tenant in the Building which Landlord does not generally make available to all tenants in the Building; (g) legal expenses of negotiating leases or of negotiating or disputing with tenants or occupants; (h) salaries and fringe benefits of employees above the grade of building manager; (i) management fees in excess of those customarily charged for similar types of buildings in downtown Chicago; or (j) depreciation expenses on any fixed assets. Expenses shall be determined on a cash or accrual basis, as Landlord may elect, based on generally accepted accounting principles, consistently applied.

(v) "Rent" shall mean Base Rent, Adjustment Rent, and any other sums or charges due by Tenant hereunder.

(vi) "Taxes" shall mean all taxes, assessments and fees levied upon the Building, the property of Landlord located therein or the rents collected therefrom, by any governmental entity based upon the ownership, leasing, renting or operation of the Building, including all costs and expenses of protesting any such taxes, assessments or fees. Taxes shall not include any net income, capital stock, succession, transfer, franchise, gift, estate or inheritance taxes; provided, however, if at any time during the Term, a tax or excise on income is levied or assessed by any governmental entity, in lieu of or as a substitute for, in whole or in part, real estate taxes or other ad valorem taxes, such tax shall constitute and be included in Taxes. For the purpose of determining Taxes for any given year, the amount to be included for such year (a) from special assessments payable in installments shall be the amount of the installments (and any interest) due and payable during such year, and (b) from all other Taxes shall be the amount due and payable in such year.

(vii) "Tenant's Proportionate Share" shall mean the percentage set forth in Item 5 of the Schedule which has been determined by dividing the Rentable Square Feet of the Premises by the Rentable Square Feet of the Building.

B. Components Of Rent.

Tenant agrees to pay the following amounts to Landlord at the office of the Building or at such other place as Landlord designates:

(i) Base rent ("Base Rent") to be paid in monthly installments in the amounts set forth in Item 4 of the Schedule in advance on or before the first day of each month of the Term, without demand.

(ii) Adjustment rent ("Adjustment Rent") in an amount equal to Tenant's Proportionate Share of (a) Expenses for any calendar year and (b) Taxes for any calendar year. Prior to each August 1, Landlord shall estimate and notify Tenant of the amount of Adjustment Rent due for the succeeding calendar year, and Tenant shall pay Landlord one-twelfth of such estimate on or before the first day of each month during such calendar year. Prior to each August 1, Landlord shall deliver to Tenant a report setting forth the actual Expenses and Taxes for the preceding calendar year and a statement of the amount of Adjustment Rent that Tenant has paid and is payable for such calendar year. On or before January 15 in the calendar year following such report and statement, Tenant shall pay to Landlord the amount of Adjustment Rent due, minus any estimated payments of Adjustment Rent made by Tenant, as shown on the statement. If Tenant's estimated payments of Adjustment Rent exceed the amount due Landlord, Landlord shall apply such excess as a credit against Tenant's other obligations under this Lease, on or before January 15 following such report and statement, or promptly refund such excess to Tenant if the Term has already expired, provided Tenant is not then in default hereunder, in either case without interest to Tenant.

Landlord and Tenant agree that Landlord's Adjustment Rent estimate for the period beginning from the Commencement Date until the end of calendar year 1993 shall be $80,598.00 per month.

((iii) intentionally deleted)

C. Payment of Rent. The following provisions shall govern the payment of Rent: (i) if this Lease commences or ends on a day other than the first day or last day of a calendar year, respectively, the Rent for the year in which this Lease so begins or ends shall be prorated and the monthly installments shall be adjusted accordingly; (ii) all Rent shall be paid to Landlord without offset or deduction, and the covenant to pay Rent shall be independent of every other covenant in this Lease; (iii) if during all or any portion of any year the Building is not fully rented and occupied (fully rented and occupied shall mean that ninety-five percent (95%) of the Rentable Square Feet of the Building is occupied by Tenants under lease), Landlord may elect to make an appropriate adjustment of variable Expenses (Expenses which vary with occupancy for such year to determine the Expenses that would have been

paid or incurred by Landlord had the Building been fully rented and occupied for the entire year and the amount so determined shall be deemed to have been the Expenses for such year; (iv) any sum due from Tenant to Landlord which is not paid when due shall bear interest from the date due until the date paid at the annual rate of two percentage (2%) points above the rate then most recently announced by The First National Bank of Chicago as its corporate base lending rate, from time to time in effect, but in no event higher than the maximum rate permitted by law (the "Default Rate"); (v) if changes are made to this Lease changing the number of square feet contained in the Premises, Landlord shall make an appropriate adjustment to Tenant's Proportionate Share; (vi) Tenant shall have the right to inspect Landlord's accounting records relative to Expenses and Taxes during normal business hours at any time within ninety (90) days following the furnishing to Tenant of the annual statement of Adjustment Rent; and, unless Tenant shall take written exception to any item in any such statement within such ninety (90) day period, such statement shall be considered as final and accepted by Tenant; (vii) in the event of the termination of this Lease prior to the determination of any Adjustment Rent or Index Rent, Tenant's agreement to pay any such sums and Landlord's obligation to refund any such sums (provided Tenant is not in default hereunder) shall survive the termination of this Lease; (viii) no adjustment to the Rent by virtue of the operation of the rent adjustment provisions in this Lease shall result in the payment by Tenant in any year or less than the Base Rent shown on the Schedule; (ix) Landlord may at any time change the fiscal year of the Building; (x) each amount owed to Landlord under this Lease for which the date of payment is not expressly fixed shall be set forth in a statement and shall be due on the same date as the other Rent listed on such statement or thirty (30) days after receipt of such statement, whichever is later; and (xi) if Landlord fails to give Tenant an estimate of Adjustment Rent, Tenant shall continue to pay Adjustment Rent or Index Rent, as the case may be, at the rate for the previous calendar year.

D. Rent Abatement. Notwithstanding the provisions with respect to the payment of Rent, provided Tenant is not then in default, Landlord agrees to abate Rent in the amounts set forth under Rent Abatement in Item 4 of the Schedule. Provided, however, if Tenant exercises Option One to Terminate this Lease, the abatement of Rent will continue only through the 24th month of the Term. Should Tenant not be entitled to a portion of the Rent Abatement as a result of Tenant being in default hereunder, Landlord agrees that if and when Tenant subsequently cures such default, Landlord will credit such portion of the Rent Abatement against the Rent next due hereunder.

E. Allocation of Rent Abatement for Tax Purposes. Landlord and Tenant agree that no portion of the Base Rent paid by Tenant during the portion of the Term of this Lease occurring after the expiration of any period during which such rent was abated shall be allocated, for income tax purposes, nor is such rent intended by the parties to be allocable, for income tax purposes, to any abatement period.

Section 3. Use.

Tenant agrees that it shall occupy and use the Premises only as business offices for the City of Chicago -- Law Department and for no other purposes, provided however that the City of Chicago may use the Premises as business offices for another department of the City of Chicago, provided that such department uses the Premises only for general office purposes similar to those of Tenant, the number of department's employees using the Premises (on a full or part time basis) is substantially the same as or less than the number of Law Department employees, and the traffic to and from the Premises will be substantially the same as or less than the traffic during the Law Department's use of the Premises. In the event Landlord consents to a Transfer pursuant to Section 14 hereof, the transferee shall occupy and use the Premises only as non-governmental business and/or law offices and for no other purposes, and shall otherwise comply with all provisions of this Section 3. Tenant shall comply with all federal, state and municipal laws, ordinances and regulations and all covenants, conditions and restrictions of record applicable to Tenant's use or occupancy of the Premises. Without limiting the foregoing, Tenant shall not cause, nor permit, any hazardous or toxic substances, other than in the ordinary course of office business, to be brought upon, produced, stored, used, discharged or disposed of in, on or about the Premises without the prior written consent of Landlord. Any such hazardous or toxic substances can be brought upon, produced, stored, used, discharged or disposed of in, on, or about the Premises only in compliance with all applicable environmental laws.

Section 4. Condition Of Premises.

Tenant's taking possession of the Premises shall be conclusive evidence that the Premises were in good order and satisfactory condition when Tenant took possession, subject to latent defects and to the punchlist, as set forth in Section 1 of the Workletter attached hereto. No agreement of Landlord to alter, remodel, decorate, clean or improve the Premises or the Building (or to provide Tenant with any credit or allowance for the same), and no representation regarding the condition of the Premises or the Building, have been made by or on behalf of Landlord or relied upon by Tenant, except as stated in the Tenant Improvement Work Agreement attached hereto as Exhibit B.

Section 5. Building Services.

A. Basic Services. Landlord shall furnish the following services: (i) heating, ventilating and air conditioning to provide a temperature condition required, in Landlord's reasonable judgment, for comfortable occupancy of the Premises under normal business operations, daily from 8:00 A.M. to 6:00 P.M. (Saturday from 8:00 A.M. to 1:00 P.M.), Sundays and holidays excepted; (ii) warm and cold water for restrooms and office kitchens; (iii)

men's and women's restrooms at the locations that currently exist, in common with other tenants on the floor of the Premises to the extent that any floor is a multi-tenant floor; (iv) daily janitor service in the Premises and common areas of the Building, as set forth in the Cleaning Specifications attached hereto as Exhibit C, weekends and holidays excepted, including periodic outside window washing of the perimeter windows in the Premises not less than three times per year; (v) automatic passenger elevator service in common with Landlord and other tenants of the Building, 24 hours a day, 7 days a week; and freight elevator service daily, weekends and holidays excepted, upon request of Tenant and subject to scheduling and reasonable charges by Landlord; (vi) prompt removal of snow and ice from sidewalks abutting the Building; and (vii) security 24 hours a day, consistent with a first-class office building.

B. Electricity. The Premises are currently separately metered for electrical use. Electricity shall be distributed to the Premises either by the electric utility company serving the Building or, at Landlord's option, by Landlord; and Landlord shall permit Landlord's wire and conduits, to the extent available, suitable and safely capable, to be used for such distribution. If and so long as Landlord is distributing electricity to the Premises, Tenant shall obtain all of its electricity from Landlord and shall pay all of Landlord's charges, which charges shall be based on meter readings. If the electric utility company is distributing electricity to the Premises, Tenant at its cost shall make all necessary arrangements with the electric utility company for metering and paying for electric current furnished to the Premises. All electricity used during the performance of janitor service, or the making of any alterations or repairs in the Premises, or the operation of any special air conditioning systems serving the Premises shall be paid for by Tenant.

C. Telephones. Tenant shall arrange for telephone service directly with one or more of the public telephone companies servicing the Building and shall be solely responsible for paying for such telephone service. If Landlord acquires ownership of the telephone cables in the Building at any time, Landlord shall permit Tenant to connect to such cables on such terms and conditions as Landlord may reasonably prescribe. In no event does Landlord make any representation or warranty with respect to telephone service in the Building, and Landlord shall have no liability with respect thereto, other than for its own gross negligence and that of its agents and employees.

D. Additional Services. Landlord shall furnish other services which Landlord is capable of providing, as reasonably requested by Tenant upon reasonable prior written notice to Landlord, in addition to those stated above (including services at times other than those stated above), and Tenant shall pay one hundred ten percent (110%) of Landlord's actual cost to furnish such services. If Tenant shall fail to make any such payment, Landlord may, without notice to Tenant and in addition to all other remedies available to Landlord, discontinue any additional services. No discontinuance of any such service shall result in any liability of Landlord to Tenant or be

considered as an eviction or a disturbance of Tenant's use of the Premises. In addition, if Tenant's concentration of personnel or equipment adversely affects the temperature or humidity in the Premises or the Building, and Landlord can demonstrate such effect, Landlord may install supplementary air conditioning units in the Premises; and Tenant shall pay one hundred ten percent (110%) of the cost of installation, operation and maintenance thereof.

E. Failure or Delay in Furnishing Services. Tenant agrees that Landlord shall not be liable for damages for failure or delay in furnishing any service stated above if such failure or delay is caused, in whole or in part, by any one or more of the events stated in Section 25 (j) below, nor shall any such failure or delay be considered to be an eviction or disturbance of Tenant's use of the Premises, or relieve Tenant from its obligation to pay any Rent when due or from any other obligations of Tenant under this Lease, provided, however, that if as a result of any failure in furnishing any service which Landlord is required to furnish under Section 5A above (unless such failure in furnishing such service is a result of the act or neglect of Tenant, or its agents, servants, employees, guests, licensees of invitees), more than fifty percent (50%) of the Premises is rendered untenantable for a period in excess of five (5) consecutive business days (and Tenant does not, in fact, conduct business from such portion of the Premises during such period), then commencing upon the sixth (6th) day of such failure and continuing until such failure in furnishing said service is corrected, a proportionate portion of the obligation of Tenant to pay Rent hereunder shall abate, which proportion shall be based upon the square footage of the portion of Premises rendered untenantable and not, in fact, occupied by Tenant for the conduct of business.

Section 6. Rules And Regulations.

Tenant shall observe and comply, and shall cause its subtenants, assignees, invitees, employees, contractors and agents to observe and comply, with the Rules and Regulations listed on Exhibit D attached hereto and with such reasonable modifications and additions thereto as Landlord may make from time to time. Landlord shall not be liable for failure of any person to obey the Rules and Regulations. Landlord shall not be obligated to enforce the rules and regulations against any person, and the failure of Landlord to enforce any such Rules and Regulations shall not constitute a waiver thereof or relieve Tenant from Compliance therewith, provided, however, that Landlord shall not enforce such Rules and Regulations in a manner which unreasonably interferes with Tenant's use of the Premises.

Section 7. Certain Rights Reserved To Landlord.

Landlord reserves the following rights, each of which Landlord may exercise without notice to Tenant unless the specific sub-paragraph states

otherwise and without liability to Tenant, except in the case of Landlord's gross negligence, or that of its agents and employees, and the exercise of any such rights shall not be deemed to constitute an eviction or disturbance of Tenant's use or possession of the Premises and shall not give rise to any claim for set-off or abatement of rent or any other claim: (a) to change the name or street address of the Building upon ninety (90) days prior written notice to Tenant; (b) to install, affix and maintain any and all signs on the exterior or interior of the Building; (c) to make repairs, decorations, alterations, additions, or improvements, whether structural or otherwise, in and about the Building, and for such purposes, to enter upon the Premises, temporarily close doors, corridors and other areas in the Building and interrupt or temporarily suspend services or use of common areas, and Tenant agrees to pay Landlord for overtime and similar expenses incurred if such work is done other than during ordinary business hours at Tenant's request, provided, however, Landlord agrees that if any such work is done within the Premises, Landlord shall provide reasonable prior notice to Tenant, except in the case of an emergency; (d) to retain at all times, and to use in appropriate instances, keys to all doors within and into the Premises; (e) to grant to any person or to reserve unto itself the exclusive right to conduct any business or render any service in the Building; (f) to show or inspect the Premises at reasonable times and upon reasonable prior notice, except in the case of an emergency and, if vacated or abandoned, to prepare the Premises for reoccupancy; (g) to install, use and maintain in and through the Premises pipes, conduits, wires and ducts serving the Building, provided that such installation, use and maintenance does not unreasonably interfere with Tenant's use of the Premises; (h) to take any other action which Landlord deems reasonable in connection with the operation, maintenance, marketing, or preservation of the Building; and (i) to approve the weight, size, and location of safes or other heavy equipment or articles, which articles may be moved in, about, or out of the Building or Premises at Tenant's sole risk and responsibility, only at such times and in such manner as Landlord shall direct.

Section 8. Maintenance And Repairs.

Tenant, at its expense, shall maintain and keep the Premises in good order and repair at all times during the Term. Landlord shall perform any maintenance or make any repairs to the Building or Premises as Landlord shall desire or deem necessary for the safety, operation or preservation of the Building, or as Landlord may be required or requested to do by the order or decree of any court or by any other proper authority. Tenant shall reimburse Landlord for any such maintenance or repairs of the Premises.

Landlord, at its expense, subject to reimbursement by Tenant through Adjustment Rent, as provided in Section 2(B)(ii) hereof, shall maintain, repair and replace, as reasonably necessary and expected for first-class office buildings in Chicago, Illinois: (i) the sprinkler, H.V.A.C. systems (including without limitation all Building air handlers, chillers, the cooling towers and

loops, but excluding the air conditioning systems specifically installed to serve Tenant's computer facilities and other specialized air handlers or systems installed in the Premises or common areas serving the Premises); (ii) broken or damaged glass (excluding all interior windows, window frames or other glass located within the Premises); (iii) the exterior walls and roof and exterior structures of the Building, including sidewalks; (iv) the common areas located outside the Premises, including common entrances, corridors, doors, windows, loading dock, stairways and elevators; (v) the common facilities located inside those portions of the Premises which comprise full floors of the Building, including stairways, elevators and lavatory facilities; and (vi) the plumbing and electrical lines and equipment located outside but serving the Leased Premises; provided, however, that Landlord shall not be required to make any repairs with respect to any alterations by Tenant or any of its agents, employees, independent contractors, subtenants, patrons, customers or invitees, which repairs may be made by Landlord in its sole and absolute discretion at the cost and expense of Tenant.

Section 9. Alterations.

A. Requirements. Tenant shall not make any replacement, alteration, improvement or addition to or removal from the Premises, the cost of which exceeds Ten Thousand Dollars ($10,000.00) (collectively an "Alteration") or to any mechanical, structural, electrical or plumbing system within the Premises regardless of the cost, without the prior written consent of Landlord, which consent shall not be unreasonably withheld or delayed. In the event Tenant proposes to make any Alteration, Tenant shall, prior to commencing such Alteration, submit to Landlord for prior written approval: (i) detailed plans and specifications where such are appropriate for the work to be performed; (ii) the names, addresses and copies of contracts for all contractors; (iii) all necessary permits evidencing compliance with all applicable governmental rules, regulations and requirements; (iv) certificates of insurance in form and amounts reasonably required by Landlord, naming Landlord, its managing agent, and any other parties reasonably designated by Landlord as additional insureds; and (v) all other documents and information as Landlord may reasonably request in connection with such alteration. Tenant agrees to pay Landlord's actual charges for review of all such items. Neither approval of the plans and specifications nor supervision of such Alteration by Landlord shall constitute a representation or warranty by Landlord as to the accuracy, adequacy, sufficiency or propriety of such plans and specifications or the quality of workmanship or the compliance of such Alteration with applicable law. Tenant shall pay the entire cost of all alterations, including the Alterations referred to above. Each alteration or Alteration shall be performed in a good and workmanlike manner, in accordance with the plans and specifications approved by Landlord, if required, and shall meet or exceed the standards for construction and quality of materials as reasonably necessary and expected for first-class office buildings in Chicago, Illinois. In

addition, each alteration or Alteration shall be performed in compliance with all applicable governmental and insurance company laws, regulations and requirements. Each alteration or Alteration shall be performed at Tenant's option, by Landlord or by Tenant's contractor, acceptable to Landlord, under Landlord's supervision, and in harmony with Landlord's employees, contractors and other tenants. Each alteration or Alteration, whether temporary or permanent in character, made by Landlord or Tenant in or upon the Premises (excepting only Tenant's furniture, equipment and trade fixtures) shall become Landlord's property and shall remain upon the Premises at the expiration or termination of this Lease without compensation to Tenant; provided, however, that Landlord shall have the right to require Tenant to remove such alteration or Alteration at Tenant's sole cost and expense in accordance with the provisions of Section 15 of this Lease, which required removal shall be specified by Landlord when Landlord consents to Tenant's requested Alterations. Landlord will not require Tenant to remove the Work set forth in Exhibit B.

B. Liens. Upon completion of any alteration or Alteration, Tenant shall promptly furnish Landlord with sworn owner's and contractors' statements and full and final waivers of lien covering all labor and materials included in such alteration or Alteration. Tenant shall not permit any mechanic's lien to be filed against the Building, or any part thereof, arising out of any alteration or Alteration performed, or alleged to have been performed, by or on behalf of Tenant. If any such lien is filed, Tenant shall within thirty (30) days thereafter, have such lien released of record or deliver to Landlord a bond in form, amount, and issued by a surety reasonably satisfactory to Landlord, indemnifying Landlord against all costs and liabilities resulting from such lien and the foreclosure or attempted foreclosure thereof. If Tenant fails to have such lien so released or to deliver such bond to Landlord, Landlord, without investigating the validity of such lien, may pay or discharge the same; and Tenant shall reimburse Landlord upon demand for the amount so paid by Landlord, including Landlord's reasonable expenses and reasonable attorneys' fees.

Section 10. Insurance.

In consideration of the leasing of the Premises at the rent stated herein, Landlord and Tenant agree to provide insurance and allocate the risks of loss as follows:

A. Tenant's Insurance. Tenant, at its sole cost and expense but for the mutual benefit of Landlord (when used in this Section 10. A the term "Landlord" shall include Landlord's partners, beneficiaries, officers, agents, servants and employees and the term "Tenant" shall include Tenant's partners, beneficiaries, officers, agents, servants and employees), agrees to purchase and keep in force and effect during the term hereof, insurance which is available at commercially reasonable rates and

otherwise carried by tenants in the area, under policies issued by insurers of recognized responsibility licensed to do business in the state of Illinois with a Best's rating of A+ or better on all alterations, additions, and improvements owned by Tenant, and on all personal property located in the Premises, protecting Landlord and Tenant from damage or other loss caused by fire or other casualty, including but not limited to vandalism and malicious mischief, perils covered by extended coverage, theft, sprinkler leakage, water damage (however caused), explosion malfunction or failure of heating and cooling or other apparatus, and other similar risks in amounts not less than the full insurable replacement value of such property. Such insurance shall provide that it is specific and not contributory and shall name the Landlord, and its management agent, PREMISYS Real Estate Services, Inc., as an additional insured and shall contain a replacement cost endorsement. Such insurance shall also contain a clause pursuant to which the insurance carriers waive all rights of subrogation against the Landlord with respect to losses payable under such policies.

Tenant also agrees to maintain comprehensive public liability insurance covering Tenant as the insured party, and naming Landlord as an additional insured, against claims for bodily injury and death and property damage occurring in or about the Premises, with limits of not less than One Million Dollars ($1,000,000.00) for each injury or death to a person and Three Million Dollars ($3,000,000.00) for each occurrence and, in case of property damage, not less than One Million Dollars ($1,000,000.00) for any one occurrence.

Tenant shall, prior to commencement of the term, furnish to Landlord certificates evidencing such coverage, which certificates shall state that such insurance coverage may not be changed or canceled without at least thirty (30) days prior written notice to Landlord and Tenant. In the event Tenant shall fail to procure such insurance, Landlord may at its option after giving Tenant no less than fourteen (14) days prior written notice of its election to do so procure the same for the account of Tenant and the cost thereof shall be paid to Landlord as additional rent upon receipt by Tenant of bills therefor.

Tenant may self-insure as to its property and its liability insurance obligations set forth herein, provided Tenant maintains a general obligation municipal bond rating of not less than BB. Tenant acknowledges that its current municipal bond rating is A. Should Tenant's general obligation municipal bond rating become B or below Tenant agrees to notify Landlord within fifteen (15) days after any such change. Should Tenant's general obligation municipal bond rating become B or below, Tenant's right to self-insure may be revoked by Landlord, and Tenant shall provide Landlord with the insurance coverage required in this Lease. All self-insurance shall be deemed to include the waiver of subrogation set forth above in this Section 10. Standard &

Poor's Bond Guide and Moody's Bond Guide shall be used in determining the municipal bond rating of Tenant.

B. Landlord's Insurance. Landlord agrees to purchase and keep in force and effect comprehensive general liability insurance in an amount not less than Three Million Dollars ($3,000,000.00) and insurance on the Building against fire or other casualty, including but not limited to vandalism and malicious mischief, perils covered by extended coverage, theft, sprinkler leakage, water damage (however caused), explosion, malfunction or failure of heating and cooling or other apparatus, and other similar risks in an amount not less than one hundred percent (100%) of the full insurable replacement value of the Building. Such insurance shall provide that it is specific and not contributory and shall contain a replacement cost endorsement and a clause pursuant to which the insurance carriers waive all rights of subrogation against the Tenant with respect to losses payable under such policies.

C. Risk of Loss. By this Section 10, Landlord and Tenant intend that the risk of loss or damage as described above be borne by responsible insurance carriers to the extent above provided, and Landlord and Tenant hereby agree to look solely to, and to seek recovery only from, their respective insurance carriers in the event of a loss of a type described above to the extent that such coverage is agreed to be provided hereunder. For this purpose, any applicable deductible amount shall be treated as though it were recoverable under such policies. Landlord and Tenant agree that applicable portions of all monies collected from such insurance shall be used toward the full compliance with the obligations of Landlord and Tenant under this Lease in connection with damage resulting from fire or other casualty.

Section 11. Tenant's And Landlord's Responsibilities.

To the extent permitted by law, Tenant shall assume the risk of responsibility for, have the obligation to insure against, and indemnify Landlord (and its management agent) and hold it harmless from, any and all liability for any loss of or damage or injury to Tenant's employees or any other person (including death resulting therefrom) or any property occurring in or on the Premises, regardless of cause, except for any loss or damage caused by the gross negligence or willful misconduct of Landlord, and its employees and agents, and Tenant hereby releases Landlord from any and all liability for same. Tenant's obligation to indemnify Landlord hereunder shall include the duty to defend Landlord and its management agent against any claims asserted by reason of such loss, damage or injury and to pay any claims, judgements, settlements, costs, fees and expenses, including attorneys' fees, incurred by Landlord or its management agent in connection therewith. To the extent permitted by law, Landlord shall assume the risk of responsibility for, have the obligation to insure against, and indemnify Tenant and hold it harmless from, any and all liability for any loss of or

damage or injury to any person (including death resulting therefrom) or property occurring in, on or about the Building excluding the Premises, regardless of cause, except for any loss or damage caused by the gross negligence or willful misconduct of Tenant, and its employees and agents, and Landlord hereby releases Tenant from any and all liability for same. Landlord's obligation to indemnify Tenant hereunder shall include the duty to defend against any claims asserted by reason of such loss, damage or injury and to pay any judgements, settlements, costs, fees and expenses, including attorneys' fees, incurred in connection therewith.

Section 12. Fire Or Other Casualty.

A. Destruction of the Building. If the Building should be substantially destroyed (which, as used herein, means destruction or damage to at least 75% of the Building) by fire or other casualty, either party hereto may, at its option, terminate this Lease by giving written notice thereof to the other party within thirty (30) days of such casualty. In such event, the Rent shall be apportioned to and shall cease as of the date of such casualty. In the event neither party exercises this option, then the Premises shall be reconstructed and restored, at Landlord's expense, to substantially the same condition as they were prior to the casualty.

B. Destruction of the Premises. If the Premises are damaged, in whole or in part, by fire or other casualty, but the Building is not substantially destroyed as provided above, then the parties hereto shall have the following options:

(i) If, in Landlord's reasonable judgement, the Premises cannot be reconstructed or restored within one hundred twenty (120) days of such casualty to substantially the same condition as they were prior to such casualty, Landlord shall so notify Tenant, within thirty (30) days of the casualty, and Tenant may elect to terminate this Lease or require that the Premises be reconstructed and restored, at Landlord's expense, to substantially the same condition as they were prior to the casualty. This election shall be made by Tenant by giving written notice to Landlord within fifteen (15) days after the date of Landlord's notice, and if Tenant elects reconstruction of the Premises, Rent shall be abated in the proportion which the approximate area of the damaged portion bears to the total area in the Premises, from the date of the casualty until substantial completion of the reconstruction of the Premises, whereupon this Lease shall continue in full force and effect for the balance of the term, upon the same terms, conditions and covenants as are contained herein. If Tenant makes no election within such fifteen (15) day period, Landlord shall then have the right, to be exercised within fifteen (15) days following the expiration of Tenant's election period, by giving written notice to Tenant, to reconstruct and restore the Premises to substantially the same condition as they were prior to the casualty. In such event this Lease shall

continue in full force and effect to the balance of the term, upon the same terms, conditions and covenants as are contained herein; provided, however, that the Rent shall be abated in the proportion which the approximate area of the damaged portion bears to the total area in the Premises, from the date of the casualty until substantial completion of the reconstruction of the Premises. If Landlord fails to exercise the last mentioned right, this Lease shall be terminated as of the date of the casualty, to which date Rent shall be apportioned and shall thereafter cease.

Notwithstanding the above, if the casualty occurs during the last twelve (12) months of the term of this Lease, either party hereto shall have the right to terminate this Lease as of the date of the casualty, which right shall be exercised by written notice to be given by either party to the other party within thirty (30) days therefrom. If this right is exercised, Rent shall be apportioned to and shall cease as of the date of the casualty. After a casualty occurs during the last twelve (12) months of the term of the Lease, Tenant may not exercise any renewal options without first obtaining Landlord's written consent.

(ii) If, in Landlord's reasonable judgement, the Premises are able to be restored within one hundred twenty (120) days of such casualty to substantially the same condition as they were prior to such casualty, Landlord shall so notify Tenant within fifteen (15) days of the casualty, and Landlord shall then proceed to reconstruct and restore the damaged portion of the Premises, at Landlord's expense, to substantially the same condition as it was prior to the casualty; Rent shall be abated in the proportion which the unused portion of the Premises during the construction period bears to the total area in the Premises from the date of the casualty until substantial completion of the reconstruction repairs; and this Lease shall continue in full force and effect for the balance of the term, upon the same terms, conditions and covenants as are contained herein.

(iii) In the event Landlord undertakes reconstruction or restoration of the Premises pursuant to subparagraph (i) or (ii) above, Landlord shall use reasonable diligence in completing such reconstruction repairs, but in the event Landlord fails to substantially complete the same within one hundred eighty (180) days from the date of the casualty, except as a result of any of the occurrences set forth in subparagraph 25 (j) below, Tenant may, at its option, terminate this Lease upon giving Landlord written notice to that effect, whereupon both parties shall be released from all further obligations and liability hereunder.

Section 13. Condemnation.

If the Premises or the Building is rendered untenantable by reason of a condemnation (or by a deed given in lieu thereof), then either party may

terminate this Lease by giving written notice of termination to the other party within thirty (30) days after such condemnation, in which event this Lease shall terminate effective as of the date of such condemnation. If this Lease so terminates, Rent shall be paid through and apportioned as of the date of such condemnation. If such condemnation does not render the Premises or the Building untenantable, this Lease shall continue in effect and Landlord shall promptly restore the portion not condemned to the extent reasonably possible to the condition existing prior to the condemnation. In such event, however, Landlord shall not be required to expend an amount in excess of the proceeds received by Landlord from the condemning authority. Landlord reserves all rights to compensation for any condemnation. Notwithstanding any other provisions of this Lease, Tenant shall have the right to make a separate claim with the condemning authority for the value of Tenant's property and/or moving and relocation expenses; provided, however, that such separate award shall not reduce or adversely affect Landlord's recovery of the amount of Landlord's award.

Section 14. Assignment And Subletting.

A. Landlord's Consent. Tenant shall not, without the prior written consent of Landlord: (i) assign, convey, mortgage or otherwise transfer this Lease or any interest hereunder, or sublease the Premises, or any part thereof, whether voluntarily or by operation of law; or (ii) permit the use of the Premises by any person other than Tenant and its employees. Any such transfer, sublease or use described in the preceding sentence (a "Transfer") occurring without the prior written consent of Landlord shall be void and of no effect. Landlord's consent to any Transfer shall not constitute a waiver of Landlord's right to withhold its consent to any future Transfer. Landlord's consent to any Transfer or acceptance of rent from any party other than Tenant shall not release Tenant from any covenant or obligation under this Lease. Landlord may require as a condition to its consent to any assignment of this Lease that the assignee execute an instrument in which such assignee assumes the obligations of Tenant hereunder.

B. Standards for Consent. If Tenant desires the consent of Landlord to a Transfer, Tenant shall submit to Landlord, at least forty-five (45) days prior to the proposed effective date of the Transfer, a written notice which includes such information as Landlord may reasonably require about the proposed Transfer and the transferee. If Landlord does not terminate this Lease, in whole or in part, pursuant to Section 14C, Landlord shall not unreasonably withhold its consent to any assignment or sublease, which consent or lack thereof shall be provided within twenty (20) days of receipt of Tenant's notice. Landlord shall not be deemed to have unreasonably withheld its consent if, in the judgment of Landlord: (i) the transferee is of a character or engaged in a business which is not in keeping with the standards or criteria used by Landlord in leasing the Building; (ii) the financial condition of the transferee is such that it may not be able to perform its obligations in connection with this Lease; (iii) the transferee is a tenant of or negotiating

for space in the Building; (iv) the transferee is a governmental unit; (v) Tenant is in Default under this Lease; or (vi) in the judgment of Landlord, such a Transfer would violate any term, condition, covenant, or agreement of the Landlord involving the Building or any other tenant's lease within it. If Landlord wrongfully withholds its consent to any Transfer, Tenant's sole and exclusive remedy therefor shall be to seek specific performance of Landlord's obligation to consent to such Transfer.

C. Recapture. Landlord shall have the right to terminate this Lease as to that portion of the Premises covered by a Transfer. Landlord may exercise such right to terminate by giving notice to Tenant at any time within twenty (20) days after the date on which Tenant has furnished to Landlord all of the items required under Section 14B above. If Landlord exercises such right to terminate, Landlord shall be entitled to recover possession of, and Tenant shall surrender such portion of, the Premises (with appropriate demising partitions erected at the expense of Tenant) on the later of (i) the effective date of the proposed Transfer, or (ii) thirty (30) days after the date of Landlord's notice of termination. In the event Landlord exercises such right to terminate, Landlord shall have the right to enter into a lease with the proposed transferee without incurring any liability to Tenant on account thereof. If Landlord consents to any Transfer, Tenant shall pay to Landlord fifty percent (50%) of all rent and other consideration received by Tenant in excess of the Rent paid by Tenant hereunder for the portion of the Premises so transferred, after Tenant recovers all reasonable leasing costs including, without limitation, marketing, advertising, legal, accounting and brokerage fees and commissions, and rent abatements, construction allowances and any and all other concessions made to such transferee. Such rent shall be paid as and when received by Tenant. In addition, Tenant shall pay to Landlord any reasonable attorneys' or other fees and expenses incurred by Landlord in connection with any proposed Transfer, whether or not Landlord consents to such Transfer.

Section 15. Surrender.

Upon termination of the Term or Tenant's right to possession of the Premises, Tenant shall return the Premises to Landlord in good order and condition, ordinary wear and damage by fire or other casualty excepted. If Landlord requires Tenant to remove any alterations pursuant to Section 9, then such removal shall be done in a good and workmanlike manner; and upon such removal Tenant shall restore the Premises to its condition prior to the installation of such alterations. If Tenant does not remove such alterations after request to do so by Landlord, Landlord may remove the same and restore the Premises; and Tenant shall pay the cost of such removal and restoration to Landlord upon demand. Tenant shall also remove its furniture, equipment, trade fixtures and all other items of personal property from the Premises prior to termination of the Term or Tenant's right to possession of the Premises. If Tenant does not remove such items, Tenant shall be conclusively presumed to have conveyed the same to

Landlord without further payment or credit by Landlord to Tenant; or at Landlord's sole option such items shall be deemed abandoned, in which event Landlord may cause such items to be removed and disposed of at Tenant's expense, which shall be one hundred ten percent (110%) of Landlord's actual cost of removal, without notice to Tenant and without obligation to compensate Tenant.

Section 16. Defaults And Remedies.

A. Default. The occurrence of any of the following shall constitute a default (a "Default") by Tenant under this Lease: (i) Tenant fails to pay any Rent when due and such failure is not cured within ten (10) days after written notice from Landlord (which notice may be in the form of a Landlord statutory five (5) day notice); (ii) Tenant fails to perform any other provision of this Lease and such failure is not cured within thirty (30) days (or immediately if the failure involves a hazardous condition) after written notice from Landlord; (iii) Tenant abandons or vacates the Premises without notice to Landlord; or (iv) any voluntary or involuntary proceedings are filed by or against Tenant or any guarantor of this Lease under any bankruptcy, insolvency or similar laws and, in the case of any involuntary proceedings, are not dismissed within thirty (30) days after filing.

B. Right of Re-Entry. Upon the occurrence of a Default, Landlord may elect to terminate this Lease or, without terminating this Lease, terminate Tenant's right to possession of the Premises. Upon any such termination, Tenant shall immediately surrender and vacate the Premises and deliver possession thereof to Landlord. Tenant grants to Landlord the right to enter and repossess the Premises and to expel Tenant and any others who may be occupying the Premises and to remove any and all property therefrom, without being deemed in any manner guilty of trespass and without relinquishing Landlord's rights to Rent or any other right given to Landlord hereunder or by operation of law.

C. Termination of Right to Possession. If Landlord terminates Tenant's right to possession of the Premises without terminating this Lease, Landlord may relet the Premises or any part thereof. In such case, Landlord shall use reasonable efforts to mitigate damages by reletting the Premises on such terms as Landlord shall reasonably deem appropriate; provided, however, Landlord may first lease Landlord's other available space and shall not be required to accept any tenant offered by Tenant or to observe any instructions given by Tenant about such reletting. Tenant shall reimburse Landlord for the costs and expenses of reletting the Premises including, but not limited to, all brokerage, advertising, legal, alteration, redecorating, repairs, and other expenses incurred to secure a new tenant for the Premises. In addition, if the consideration collected by Landlord upon any such reletting, after payment of the expenses of reletting the Premises which have not been reimbursed by Tenant, is insufficient to pay monthly the full amount of the Rent, Tenant shall pay to Landlord the amount of each

monthly deficiency as it becomes due. If such consideration is greater than the amount necessary to pay the full amount of the Rent, the full amount of such excess shall be retained by Landlord and shall in no event be payable to Tenant.

D. Termination of Lease. If Landlord terminates this Lease, Landlord may recover from Tenant and Tenant shall pay to Landlord, on demand, as and for liquidated and final damages, an accelerated lump sum amount equal to the amount by which Landlord's estimate of the aggregate amount of Rent owing from the date of such termination through the Expiration Date plus Landlord's estimate of the aggregate expenses of reletting the Premises, exceeds Landlord's estimate of the fair rental value of the Premises for the same period (after deducting from such fair rental value the time needed to relet the Premises and the amount of concessions which would normally be given to a new tenant) both discounted to present value at the rate of five percent (5%) per annum.

E. Other Remedies. Landlord may but shall not be obligated to perform any obligation of Tenant under this Lease; and, if Landlord so elects, all costs and expenses paid by Landlord in performing such obligation, together with interest at the Default Rate, shall be reimbursed by Tenant to Landlord on demand. Any and all remedies set forth in this Lease: (i) shall be in addition to any and all other remedies Landlord may have at law or in equity; (ii) shall be cumulative; and (iii) may be pursued successively or concurrently as Landlord may elect. The exercise of any remedy by Landlord shall not be deemed an election of remedies or preclude Landlord from exercising any other remedies in the future.

F. Bankruptcy. If Tenant becomes bankrupt, the bankruptcy trustee shall not have the right to assume or assign this Lease unless the trustee complies with all requirements of the United States Bankruptcy Code; and Landlord expressly reserves all of its rights, claims, and remedies thereunder.

(G. intentionally deleted)

H. Venue. If either Landlord or Tenant desires to bring an action against the other in connection with this Lease, such action shall be brought in the federal or state courts located in Chicago, Illinois. Landlord and Tenant consent to the jurisdiction of such courts and waive any right to have such action transferred from such courts on the grounds of improper venue or inconvenient forum.

Section 17. Holding Over.

If Tenant retains possession of the Premises after the expiration or termination of the Term or Tenant's right to possession of the Premises, Tenant shall pay Rent during such holding over at double the rate in effect

immediately preceding such holding over computed on a monthly basis for each month or partial month that Tenant remains in possession. Tenant shall also pay, indemnify and defend Landlord from and against all claims and damages, consequential as well as direct, sustained by reason of Tenant's holding over, provided, however, if Tenant is unable to relinquish its possession of the Premises upon expiration or termination of the Term because of causes beyond the reasonable control of Tenant occurring within the Building, and provided Tenant continues to comply with all obligations of Tenant under this Lease, including but not limited to payment of Rent at double the rate in effect immediately preceding such holding over, Tenant shall not be responsible for such damages of Landlord with respect to the first one hundred eighty (180) days of such holding over. The provisions of this Section do not waive Landlord's right of re-entry or right to regain possession by actions at law or in equity or any other rights hereunder, and any receipt of payment by Landlord shall not be deemed a consent by Landlord to Tenant's remaining in possession or be construed as creating or renewing any lease or right of tenancy between Landlord and Tenant.

(Section 18 intentionally deleted)

(Section 19 intentionally deleted)

Section 20. Estoppel Certificate.

Tenant and Landlord each agree that, from time to time upon not less than ten (10) days prior request by the other, the requested party shall execute and deliver to the other party a written certificate certifying: (i) that this Lease is unmodified and in full force and effect (or if there have been modifications, a description of such modifications and that this Lease as modified is in full force and effect); (ii) the dates to which Rent has been paid; (iii) that Tenant is in possession of the Premises, if that is the case; (iv) that the requesting party is not in Default under this Lease, or, if the requested party believes the other is in Default, the nature thereof in detail; (v) that the requested party has no off-sets or defenses to the performance of its obligations under this Lease (or if the requested party believes there are any off-sets or defenses, a full and complete explanation thereof); (vi) that the Premises have been completed in accordance with the terms and provisions hereof or the Workletter, that Tenant has accepted the Premises and the condition thereof and of all improvements thereto and has no claims against Landlord or any other party with respect thereto; and (vii) such additional matters as may be requested by the requesting party, it being agreed that such certificate may be relied upon by any prospective purchaser, mortgagee, or other person having or acquiring an interest in the Building. If the requested party fails to execute and deliver any such certificate within ten days after request, the requested party shall be deemed to have irrevocably appointed the requesting party as its attorneys-in-fact to execute and deliver such certificate in the requesting party's name.

Section 21. Subordination.

The Landlord hereby represents that there is currently no mortgage or trust deed encumbering Landlord's interest in the Building. This Lease is and shall be expressly subject and subordinate at all times to (i) any ground or underlying lease of the Building, now or hereafter existing, and all amendments, renewals and modifications to any such lease, and (ii) the lien of any mortgage or trust deed hereafter encumbering fee title to the Building and/or the leasehold estate under any such lease, unless such ground lease or ground lessor, or mortgage or mortgagee, expressly provides or elects that the Lease shall be superior to such lease or mortgage. If any such mortgage or trust deed is foreclosed, or if any such lease is terminated, upon request of the mortgagee, holder or lessor, as the case may be, Tenant will attorn to the purchaser at the foreclosure sale or to the lessor under such lease, as the case may be. The foregoing provisions are declared to be self-operative and no further instruments shall be required to effect such subordination and/or attornment; provided, however, that Tenant agrees upon request by any such mortgagee, holder, lessor or purchaser at foreclosure, to execute and deliver such subordination and/or attornment instruments as may be required by such person to confirm such subordination and/or attornment, or any other documents required to evidence superiority of the ground lease or mortgage, should ground lessor or mortgagee elect such superiority, provided that any such instrument or document required by any future mortgagee shall a) provide that so long as Tenant is not in Default under this Lease, Tenant may remain in possession of the Premises under the terms and conditions of this Lease notwithstanding the foreclosure of such mortgage or trust deed, and b) otherwise be in form and substance satisfactory to such mortgagee. Tenant shall pay all costs, including reasonable attorneys' fees, of any such instrument or document required by any future mortgagee. If Tenant fails to execute and deliver any such instrument or document within ten days after request, Tenant shall be deemed to have irrevocably appointed Landlord and Landlord's beneficiaries as Tenant's attorneys-in-fact to execute and deliver such instrument or document in Tenant's name.

Section 22. Quiet Enjoyment.

As long as no Default exists, Tenant shall peacefully and quietly have and enjoy the Premises for the Term, free from interference by Landlord, subject, however, to the provisions of this Lease. The loss or reduction of Tenant's light or view will not be deemed a disturbance of Tenant's occupancy of the Premises nor will it affect Tenant's obligations under this Lease or create any liability of Landlord to Tenant.

Section 23. Broker.

Tenant represents to Landlord that Tenant has dealt only with the broker(s) set forth in Item 9 of the Schedule (collectively, the "Broker") in connection with this Lease and that, insofar as Tenant knows, no other broker negotiated this Lease or is entitled to any commission in connection herewith. Tenant agrees to indemnify, defend and hold Landlord and Landlord's beneficiaries and agents harmless from and against any claims for a fee or commission made by any broker, other than the Broker, claiming to have acted by or on behalf of Tenant in connection with this Lease. Landlord agrees to pay the Broker a commission in accordance with a separate agreement between Landlord and the Broker. Landlord acknowledges that L. J. Sheridan & Co. is its exclusive leasing agent as of the date hereof.

Section 24. Notices.

All notices and demands to be given by one party to the other party under this Lease shall be given in writing, mailed or delivered to Landlord or Tenant, as the case may be, at the address set forth above or at such other address as either party may hereafter designate, with a copy of all notices to Tenant going to: City of Chicago, Department of General Services, Asset Manager, Real Estate, 510 North Peshtigo Court, Chicago, Illinois 60611. Notices shall be delivered by hand or by United States certified or registered mail, postage prepaid, return receipt requested, or by a nationally recognized overnight air courier service. Notices shall be considered to have been given upon the earlier to occur of actual receipt or five (5) business days after posting in the United States mail.

Section 25. Miscellaneous.

A. Successors and Assigns. Subject to Section 14 of this Lease, each provision of this Lease shall extend to, bind and inure to the benefit of Landlord and Tenant and their respective legal representatives, successors and assigns; and all references herein to Landlord and Tenant shall be deemed to include all such parties.

B. Entire Agreement. This Lease, and the riders and exhibits, if any, attached hereto which are hereby made a part of this Lease, represent the complete agreement between Landlord and Tenant; and neither Landlord or Tenant has made any representations or warranties except as expressly set forth in this Lease. No modification or amendment of or waiver under this Lease shall be binding upon Landlord or Tenant unless in writing signed by Landlord and Tenant.

C. Time of Essence. Time is of the essence of this Lease and each and all of its provisions.

D. Execution and Delivery. Submission of this instrument for examination or signature by Tenant does not constitute a reservation of space or an option for lease, and it is not effective until execution and delivery by both Landlord and Tenant and approval by the Chicago City Council.

E. Severability. The invalidity or unenforceability of any provision of this Lease shall not affect or impair any other provisions.

F. Governing Law. This Lease shall be governed by and construed in accordance with the laws of the State of Illinois.

G. Attorneys' Fees. The prevailing party shall be entitled to collect from the other party all costs and expenses, including reasonable attorneys' fees, incurred by the prevailing party in enforcing this Lease or as a result of any litigation with respect to this Lease.

H. Delay in Possession. In no event shall Landlord be liable to Tenant if Landlord is unable to deliver possession of the Premises to Tenant on the Commencement Date for causes outside Landlord's reasonable control. If Landlord is unable to deliver possession of the Premises to Tenant by the Commencement Date, the Commencement Date shall be deferred until Landlord can deliver possession to Tenant.

I. Joint and Several Liability. If Tenant is comprised of more than one party, each such party shall be jointly and severally liable for Tenant's obligations under this Lease.

J. Force Majeure. Landlord shall not be in default hereunder and Tenant shall not be excused from performing any of its obligations hereunder (except for the rent abatement set forth in Section 5.E. above) if Landlord is prevented from performing any of its obligations hereunder due to any accident, breakage, strike, shortage of materials, acts of God or other causes beyond Landlord's reasonable control.

K. Captions. The headings and titles in this Lease are for convenience only and shall have no effect upon the construction or interpretation of this Lease.

L. No Waiver. No receipt of money by Landlord from Tenant after termination of this Lease or after the service of any notice or after the commencing of any suit or after final judgment for possession of the Premises shall renew, reinstate, continue or extend the Term or affect any such notice or suit. No waiver of any default of Tenant shall be implied from any omission by Landlord to take any action on account of such default if

such default persists or be repeated, and no express waiver shall affect any default other than the default specified in the express waiver and then only for the time and to the extent therein stated.

M. Limitation of Liability. Any liability of Landlord under this Lease shall be limited solely to its interest in the Building, and in no event shall any personal liability be asserted against Landlord in connection with this Lease nor shall any recourse be had to any other property or assets of Landlord.

Section 26. Moving Allowance.

Landlord agrees to pay Tenant's moving contractor up to $77,374.00 for moving expenses within thirty (30) days after Tenant provides Landlord with a copy of an invoice for such expenses, together with written approval and authorization from Tenant's authorized construction representative to Landlord to pay such invoice.

Section 27. Option One To Terminate.

A. Provided Tenant is not in default and has performed (or will have performed prior to termination) all of its obligations under this Lease, Tenant shall have the option to terminate this Lease, effective at the end of the 42nd month of the Term, as though such were the expiration date of the Lease, on the following terms and conditions.

B. Tenant shall exercise this option only by so notifying Landlord in writing, not later than the 24th month of the Term, which notice shall be accompanied by a Termination Fee in the amount of $3,036,930.00. If Tenant has leased any additional space in the Building, such Termination Fee will be payable only with respect to the original Premises, and Landlord shall establish and Tenant shall pay an additional termination fee based on Landlord's unamortized costs of leasing the additional space, including without limitation commission, rent abatement, construction allowance and any and all concessions, using a ten percent (10 %) amortization schedule.

C. In the event Tenant fails to timely exercise this option pursuant to Section 27B above, or is in default under this Lease at the termination date, this Option One to Terminate shall automatically terminate and shall thereafter be null and void.

D. The option hereby granted is personal to the City of Chicago and is not transferable; in the event of any assignment or subletting under this Lease, this option shall automatically terminate and shall thereafter be null and void.

E. If and from the date Tenant exercises this Option One to Terminate, Tenant agrees that it waives any right it may have to assign this Lease or sublet all or any part of the Premises.

Section 28. Option Two To Terminate.

A. Provided Tenant is not in default and has performed (or will have performed prior to termination) all of its obligations under this Lease, Tenant shall have the option to terminate this Lease, effective at the end of the 90th month of the Term, as though such were the expiration date of the Lease, on the following terms and conditions.

B. Tenant shall exercise this option only by so notifying Landlord in writing, not later than the 78th month of the Term, which notice shall be accompanied by a Termination Fee in the amount of $1,992,381.00. If Tenant has leased any additional space in the Building, or if Tenant has exercised the option to lease Option Space One, such Termination Fee will be payable only with respect to the original Premises, and, Landlord shall establish and Tenant shall pay an additional termination fee based on Landlord's unamortized costs of leasing Option Space One and/or any other additional space, including without limitation commission, rent abatement, construction allowance and any and all concessions, using a ten percent (10%) amortization schedule.

C. In the event Tenant fails to timely exercise this option pursuant to Section 28B above, or is in default under this Lease at the termination date, this Option Two to Terminate shall automatically terminate and shall thereafter be null and void.

D. The option hereby granted is personal to the City of Chicago and is not transferable; in the event of any assignment or subletting under this Lease, this option shall automatically terminate and shall thereafter be null and void.

E. If and from the date Tenant exercises this Option Two to Terminate, Tenant agrees that it waives any right it may have to exercise the option to lease Option Space Two or to assign this Lease or sublet all or any part of the Premises.

Section 29. Option To Extend.

A. Provided Tenant is not in default and has performed (or will have performed prior to May 31, 2003) all of its obligations under this Lease, Tenant shall have the option to extend the Term of this Lease for one (1) period of five (5) years (the "Extension Period") upon the same terms and conditions of this Lease, except as hereinafter set forth.

B. Tenant shall exercise this option only by so notifying Landlord in writing not earlier than May 1, 2001 nor later than May 31, 2002. Base Rent for the Extension Period shall be prevailing market rate which is then being offered by Landlord to the general public for such space, other than rent-free periods.

C. Within thirty (30) days after receipt of notice of exercise of this option from Tenant, Landlord shall advise Tenant in writing of the Base Rent for the Extension Period. Within twenty (20) days after receipt of Landlord's written notice of the Base Rent, Tenant shall, by written notice to Landlord, either (i) accept the Base Rent proposed by Landlord, or (ii) reject the Base Rent and thereby revoke the exercise of the option.

D. In the event Tenant (i) fails to timely exercise the option pursuant to Section B above, or (ii) fails to make an election pursuant to Section C above within the time provided, or (iii) elects to reject the Base Rent for the Extension Period proposed by Landlord, or (iv) is in default under this Lease on May 31, 2003, then the option hereby granted shall automatically terminate and shall thereafter be null and void.

Section 30. Option One To Lease Additional Space.

A. Provided Tenant is not in default and has performed (or will have performed prior to the Availability Date for Option Space One) all of its obligations under this Lease, Tenant shall have the option to lease between 3,000 and 5,500 square feet of contiguous space on the 10th floor of the Building, the amount and configuration of which shall be selected by Landlord, in its discretion, and shall be located within the area delineated on Exhibit E-1 attached hereto and made a part hereof ("Option Space One"), upon the following terms and conditions.

Option Space One shall be available on a date specified by Landlord, which shall be between the 60th and 78th month of the Term, in Landlord's discretion ("Availability Date for Option Space One").

B. At lease fifteen (15) months prior to the Availability Date for Option Space One, Landlord shall notify Tenant in writing specifying the exact square footage, location, configuration, and Availability Date of Option Space One, each in Landlord's discretion. Tenant shall exercise this option only by so notifying Landlord in writing not later than twelve (12) months prior to the Availability Date for Option Space One. Tenant shall lease all of Option Space One as selected by Landlord.

C. The commencement date for Option Space One shall begin on the first to occur of the following dates: a) the date that the tenant improvement work is completed and Option Space One is delivered to Tenant; b) the date that the Tenant occupies Option Space One; or c) ninety (90) days after the Availability Date for Option Space One provided, however, that if tenant

improvement work is not substantially completed due to any of the events set forth in Section 25.J., such commencement date shall be delayed until such tenant improvement work is substantially completed. The term for Option Space One shall end on the Expiration Date of the Lease, or upon the earlier termination of this Lease.

D. The Base Rent for Option Space One shall be at the applicable per square foot rates as set forth in the Base Rent section of Item 4 of the Schedule in this Lease. Tenant's Proportionate Share shall be adjusted accordingly. In the event Tenant has exercised this option to lease Option Space One, and Tenant subsequently exercises Option Two to Terminate, Tenant shall pay an additional termination fee based on the unamortized costs, including without limitation commission, rent abatement, construction allowance and any and all concessions, using a ten percent (10%) amortization schedule for the additional leased space.

E. Landlord shall contribute for tenant improvements in Option Space One up to twenty-five cents ($0.25) per square foot of Option Space One (or fifty cents ($.50) per square foot if Option Space One was never built out) for each month of the initial Term remaining after the commencement date of Option Space One ("Option Space One Construction Allowance"). Costs of the tenant improvements in excess of the Option Space One Construction Allowance shall be paid by Tenant. Any unused funds shall be returned to Tenant as a credit against Base Rent due hereunder.

F. In the event Tenant fails to timely exercise the option pursuant to Section B above, or is in default under this Lease at the Availability Date for Option Space One, then the option hereby granted shall automatically terminate and shall thereafter be null and void.

Section 31. Option Two To Lease Additional Space.

A. Provided Tenant is not in default and has performed (or will have performed prior to the Availability Date for Option Space Two) all of its obligations under this Lease, and has not exercised Option Two to Terminate, Tenant shall have the option to lease between 3,000 and 5,500 square feet of contiguous space on the 10th Floor of the Building, the amount and configuration of which shall be selected by Landlord, in its discretion, and shall be located within the area delineated on Exhibit E-2 attached hereto and made a part hereof ("Option Space Two"), upon the following terms and conditions.

Option Space Two shall be available on a date specified by Landlord, which shall be between the 84th and 112th month of the Term, in Landlord's discretion ("Availability Date for Option Space Two").

B. At least fifteen months prior to the Availability Date for Option Space Two Landlord shall notify Tenant in writing specifying the exact square

footage, location, configuration, and the Availability Date of Option Space Two, each in Landlord's discretion. Tenant shall exercise this option only by so notifying Landlord in writing not later than twelve (12) months prior to the Availability Date for Option Space Two. Tenant shall lease all of Option Space Two as selected by Landlord.

C. The commencement date for Option Space Two shall begin on the first to occur of the following dates: a) the date that the tenant improvement work is completed and Option Space Two is delivered to Tenant, b) the date that the Tenant occupies Option Space Two, or c) ninety (90) days after the Availability Date for Option Space Two provided, however, that if the tenant improvement work is not substantially completed due to any of the events set forth in Section 25.J., such commencement date shall be delayed until such tenant improvement work is substantially completed. The term for Option Space Two shall end on the Expiration Date of the Lease, or upon the earlier termination of this Lease.

D. The Base Rent for Option Space Two shall be at the applicable per square foot rates as set forth in the Base Rent section of Item 4 of the Schedule in this Lease. Tenant's Proportionate Share shall be adjusted accordingly. In the event Tenant has exercised this option to lease Option Space Two, and Tenant subsequently exercises Option Two to Terminate, Tenant shall pay an additional termination fee based on Landlord's unamortized costs of leasing Option Space Two, including without limitation commission, rent abatement, construction allowance and any and all concessions, using a ten percent (10%) amortization schedule.

E. Landlord shall contribute for tenant improvements in Option Space Two up to twenty-five cents ($0.25) per square foot of Option Space Two (or fifty cents ($0.50) per square foot if Option Space Two was never built out) for each month of the initial Term remaining after the commencement date of Option Space Two ("Option Space Two Construction Allowance"). Costs of the tenant improvements in excess of the Option Space Two Construction Allowance shall be paid by Tenant. Any unused funds shall be returned to Tenant as a credit against Base Rent due hereunder.

F. In the event Tenant fails to timely exercise the option pursuant to Section B above, or has exercised Option Two to Terminate, or is in default under the Lease at the Availability Date for Option Space Two, then the option hereby granted shall automatically terminate and shall thereafter be null and void.

Section 32. First Opportunity To Lease Additional Space.

A. Provided Tenant is not in default and has performed all of its obligations hereunder, Tenant shall have the first opportunity to lease such other space on the 10th floor of the Building as delineated on Exhibit F

hereto, as becomes available for leasing during the first 8 years of the Term ("First Opportunity Space"), at the rental rates and upon such other terms and conditions as are then being offered by Landlord to the general public for such space, and for a term coterminous with this Lease. A portion of the First Opportunity Space shall be deemed to be "available for leasing" if (i) such space has been initially leased and built out for a tenant, and (ii) subsequently becomes vacant, or if not vacant, such space shall become "available for leasing" upon the expiration or termination of such existing tenant's lease of such space, unless such lease is renewed or a new lease for such space is entered into with such existing tenant.

B. Upon notification in writing by Landlord that such space is available for leasing, Tenant shall have ten (10) business days in which to elect in writing to lease such First Opportunity Space, in which event the lease for same shall commence on the first to occur of the following dates: a) the date that the tenant improvement work is completed and the First Opportunity Space is delivered to Tenant; b) the date that Tenant occupies the First Opportunity Space for the purpose of conducting its business thereon; or c) the date set forth in Landlord's notification to Tenant (which in any event will allow a reasonable period to complete tenant improvements in the First Opportunity Space).

C. In the event Tenant declines or fails to elect so to lease the First Opportunity Space offered to Tenant, then the first opportunity hereby granted shall automatically terminate and shall thereafter be null and void as to such First Opportunity Space, unless and until Landlord subsequently leases and builds out such First Opportunity Space for another tenant, and such First Opportunity Space again becomes available for leasing.

D. It is understood that this first opportunity shall not be construed to prevent a) any Tenant in the Building from exercising any option to expand, or from extending or renewing its lease, or b) Landlord from granting any option to expand, extend or renew.

E. The first opportunity hereby granted is personal to the City of Chicago and is not transferable; in the event of any assignment or subletting under this Lease, it shall automatically terminate and shall thereafter be null and void.

In Witness Whereof, The parties hereto have executed this Lease in manner sufficient to bind them as of the day and year first above written.

Exhibit "B"

To Lease Dated September 15, 1992.

Workletter

City of Chicago
Suites 700, 800, 900, 1020
30 North LaSalle Street
Chicago, Illinois 60602

Gentlemen:

RE: Construction of Suites 700, 800, 900, 1020
30 North LaSalle Street
Chicago, Illinois 60602

You ("Tenant") and we ("Landlord") are executing simultaneously herewith a written Lease (the "Lease") covering the space referred to above, as more particularly described in the Lease (the "Premises").

To induce Tenant to enter into the Lease and in consideration of the mutual covenants hereinafter contained, Landlord and Tenant mutually agree as follows:

1. Landlord, at its expense, agrees to improve the Premises with skilled tradesmen and first quality materials and deliver the Premises to Tenant, free and clear of all liens and encumbrances, according to layout dated August 28, 1992 submitted by ISI Architects, as thereafter and hereafter amended from time to time (provided, however, that said amendments shall not change the basic character and design of the Premises as reflected in the original layout and do not require any structural alterations or alterations including public areas on the 7th, 8th, 9th and 10th floors, and provided the plans and amendments thereto have been approved by Landlord, which approval shall not be unreasonably withheld (the "Plans"). All labor and materials required by the Plans are herein referred to as (the "Work"). Landlord shall not be obligated to expend a sum in excess of $3,094,960.00 for the Work (the "Construction Allowance"). Cost of the Work in excess of $3,094,960.00 shall be paid by Tenant. To the extent that any Construction Allowance remains unused, Tenant shall be allowed to apply such excess funds to payment of furniture and equipment costs, and related freight charges, which Landlord will pay

within thirty (30) days after Tenant provides Landlord with a copy of the invoice for such costs, together with written approval and authorization from Tenant's construction representatives to Landlord to pay such invoices. Any unused additional funds shall be returned to Tenant in the form of a credit against Rent due hereunder, after applying the Rent Abatement set forth in Item 4 of the Schedule.

Landlord hereby agrees to repair and/or correct or cause to be repaired and/or corrected any latent defects in labor or material furnished by Landlord in the improvement of the Premises which are discovered within the first 12 months of the Lease term.

Prior to move-in, Tenant and/or a representative of Tenant and Landlord shall inspect the Premises to confirm its completion and to create a punchlist of items, mutually agreed to by Landlord and Tenant, which need to be repaired and/or completed or corrected and Landlord agrees to make such repairs, completions or corrections within thirty (30) days of occupancy by Tenant, or within such additional period of time as is reasonably possible to complete such items.

2. Tenant and Tenant's architect shall have the right to inspect the Work in order that the Work shall be completed in an expeditious and harmonious fashion in accordance with the Plans. Procedures relating to any and all extras, changes and deletions in the Work, and costs thereof and credit therefor, shall be governed by the terms of the construction contract. No such extras, changes or deletions in the Work materially affecting the cost or character of the Work shall be permitted without the prior written consent of Landlord, which shall not be unreasonably withheld. All changes, extras and deletions submitted to Landlord shall be considered approved unless rejected within five (5) days following submission. No extras, changes or deletions in the Work shall be permitted without the prior written consent of Tenant.

3. If Tenant wishes Landlord to do any Work in connection with the demised premises other than the Work (such other work is hereinafter called "Tenant's Extra Work"), the following terms, conditions, agreements and procedures shall be applicable:

a. Tenant shall, at its sole cost and expense, cause the consultants to prepare and submit to Landlord, on or before the Plans due date, or such other date as may be expressly provided herein, all necessary drawings, plans and specifications covering the proposed Tenant's Extra Work (such drawings, plans and specifications are hereinafter called "Tenant's Extra Work Plans").

b. Landlord agrees to construct the Tenant's Extra Work provided the Tenant's Extra Work Plans are acceptable to Landlord and approved in writing by it (which approval shall not be unreasonably withheld or

delayed) and Tenant has complied with all the applicable provisions, terms and conditions of this Workletter.

c. All such Tenant's Extra Work shall be done at the Tenant's sole cost and expense. Prior to commencing any Tenant's Extra Work, Landlord shall submit to Tenant for Tenant's approval a written estimate of the cost of Tenant's Extra Work, thereinafter called "Estimate"). Under no circumstances shall Landlord be permitted or obligated to proceed with Tenant's Extra Work unless and until the Estimate covering the same is approved in writing by Tenant and the approved copy is delivered to Landlord.

d. If Tenant shall request any modifications, revisions or changes to the Tenant's Extra Work at any time and from time to time, it shall follow the same procedure herein prescribed for the initiation, approval and commencement of the Tenant's Extra Work in each such case.

e. Tenant agrees to pay Landlord, all general contractors, subcontractors and general conditions costs pertaining to Tenant's Extra Work. Tenant shall pay to Landlord promptly upon being billed therefor, at any time and from time to time, all such costs for Tenant's Extra Work set forth in such billings. Landlord shall have, in connection with all such billings, all of the rights and remedies granted under the Lease in connection with the enforcement of the collection of rents owing to Landlord thereunder.

4. Notwithstanding the date provided in the Lease for the commencement thereof, the term of the Lease and Tenant's obligations for the payment of rent thereunder shall not commence until Landlord shall have substantially completed all Work. Notwithstanding the preceding sentence, the commencement date and the obligation to pay rent shall not be extended by reason of delays in completing the Work as a result of any of the following:

a. Tenant's request for materials, finishes or installations other than as shown on the Plans.

b. Changes in the Plans or in the Work made by Tenant (notwithstanding Landlord's approval of such changes).

c. Any other actual delay caused by the act or omission of Tenant or its employees or agents.

5. Tenant, and Landlord's permission, will be allowed to enter the subject Premises prior to the date specified for the commencement of

payment or rent under the Lease, in order that Tenant may perform through Tenant's own contractors such other Work and decorations as Tenant may desire, at the same time that Landlord's contractors are working in the space. The foregoing license to enter prior to the said date, however, is conditioned upon Tenant's workmen and mechanics working in harmony and not interfering with contractors or by any other Tenants or their contractors. If, at any time, such entry causes disharmony or interference therewith, this license may be withdrawn by Landlord immediately (no notice required). Such entry shall be deemed to be under all of the terms, covenants, conditions, provisions and agreements of the Lease except the covenant to pay rent. Landlord shall not be liable in any way for any injury, loss or damage which may occur to any of the Tenant's decorations or installations so made prior to the said date specified for the commencement of the payment of rent, the same being solely at Tenant's risk.

6. Miscellaneous.

a. The Work and Tenant's Extra Work, if any, shall be done by Landlord, or its designers, contractors or subcontractors, in accordance with the terms, conditions and provisions herein contained.

b. Except as herein expressly set forth, Landlord has no agreement with Tenant and has no obligation to do any other work with respect to the demised premises. Any other work in the demised premises which may be permitted by Landlord pursuant to the terms and conditions of the Lease shall be done at Tenant's sole cost and expense and in accordance with the terms and provisions herein set forth pertaining to Tenant's Extra Work and such additional reasonable requirements as Landlord deems necessary or desirable.

c. If the Plans for the Tenant's Work or the Plans for the Tenant's Extra Work require the construction and installation of more fire hose cabinets than the number regularly provided by the Landlord in the core of the building in which the demised premises are located, the Tenant agrees to pay all costs and expenses arising from the construction and installation of such additional fire hose cabinets.

d. Under no circumstance shall the rent otherwise payable under the Lease abate in whole or in part because of any delay, expense, or cost arising or incurred in connection with any modification, revision or change made by Tenant at any time and from time to time to any or all of the Work or the Tenant's Extra Work.

e. Time is of the essence under this Workletter.

f. Any person signing this Workletter on behalf of the Tenant warrants and represents he has the express authority of the Tenant to do so.

g. This Workletter shall not be deemed applicable to any additional office space added to the original demised premises at any time or from time to time, whether by any options under the Lease or otherwise, or to any portion of the original demised premises or any additions thereto in the event of a renewal or extension of the original term of this Lease, whether by any options under the Lease or otherwise, unless expressly so provided in the lease or any amendment or supplement thereto.

h. This Workletter shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, legal representatives, successors and assigns.

7. Plans.

Tenant agrees to prepare at Tenant's sole cost (subject to the reimbursement for the build-out credit provided in Section 1 above) plans and specifications (the "Plans") for the completion of Work in the Leased Premises and to submit the same to Landlord's approval on or before September 4, 1992. The Plans prepared by Tenant's architects shall describe the Work in sufficient detail to permit the solicitation of contractors' bids and their actual construction. Landlord shall, within two (2) business days after receipt of Plans from Tenant, either approve or disapprove the same, which approval shall not be unreasonably withheld or delayed. If Landlord disapproves the same, Landlord shall specify in reasonable detail the reasons for any such disapproval. Any redrawing of the Plans or changes therein occasioned by Tenant after Landlord's initial approval shall be accomplished at Tenant's sole cost and expense.

8. Construction Contract.

Construction of the Work shall be accomplished by Landlord in accordance with the Plans as finally approved by Landlord and Tenant pursuant to the provisions hereof under the terms of a single General Contract (herein so called) that shall be executed by Landlord and by Nico Construction, which General Contractor is acceptable to Tenant. With the exception of fire protection, Landlord shall not require any specific subcontractors. The General Contract shall: (i) provide for a fixed price for the cost of the Work; and (ii) separately state and account for the costs and any associated fee for installation of sprinklers as being installed or constructed by Landlord or its fire protection contractor. The General Contractor will respond to alternate pricing as requested by the Tenant provided alternate items are shown on the Plans.

9. Authorized Construction Representatives.

Tenant's authorized construction representatives for the Work are Kelly R. Welsh, Susan S. Sher and Barbara Porter. Only the authorized construction representatives are authorized to sign any change order, or other document on behalf of Tenant related to the Work, and without the signature of such an authorized construction representative, no such document shall be binding upon Tenant. Tenant may from time to time change or add to the list of authorized construction representatives by giving Landlord written notice of the addition or change.

10. Base Building By Landlord.

In addition to the Construction Allowance, Landlord agrees to supply, at its sole cost, the following on or before Commencement Date:

-- new elevator lobby and corridor finishes on the tenth floor.

-- stubbed sprinkler system, including main loop.

-- loop H.V.A.C. system (existing system) excluding branch ductwork and drops within the Premises.

-- filled floor cores, demolished existing floor tiles.

-- drinking fountains per City of Chicago code and in compliance with A.D.A. on floors eight and ten.

-- bathrooms on 7th, 8th, 9th and 10th floors in compliance with A.D.A. and City of Chicago code.

-- corridor hardware on all public doors in compliance with A.D.A..

-- install new layer of drywall on all core walls.

-- all existing doors on the 7th, 8th, 9th and 10th floors primed and ready for paint.

-- removal of existing walls and doors (and tube system) in internal rentable areas and removal of supplemental mechanical room on floor seven.

-- window blinds to be cleaned and rehung (if any are missing, new or refurbished ones shall be installed) and aluminum mullion covers replaced where missing, interior surface film repaired or replaced where needed.

-- repair convertors where partitions are located but are currently demolished.

-- replace access panel at elevator bank on floors eight and ten.

11. Engineering Drawing.

E.S.D. will design all H.V.A.C. electrical and plumbing work on behalf of the Landlord. A fee of not to exceed $0.50 per square foot will be charged to the job, paid out of the Construction Allowance, as provided above.

12. Construction Supervision Fee.

A construction supervision fee for Landlord's supervision of the Work, in the amount of five percent (5%) of the total cost of the Work shall be paid to Landlord out of the Construction Allowance, provided however that in no event shall such fee exceed $1.75 per rentable square foot of the Premises.

13. Architectural Allowance.

In addition to the Construction Allowance provided above, Landlord agrees to pay Tenant's architect up to $232,895.74 for preparation of the Plans and design services and for performance of an inventory of Tenant's existing furniture, within thirty (30) days after Tenant provides Landlord with: (a) a copy of an invoice for such expenses, together with Tenant's written approval and authorization to pay such invoice, and (b) full and final waivers of lien from such architect and all of its subcontractors. Any unused funds shall be returned to Tenant in the form of a credit against Rent due hereunder, after applying the Rent Abatement set forth in Item 4 of the Schedule.

Rules And Regulations.

30 North LaSalle Street Building.

1. Tenant shall not make any room-to-room canvas to solicit business from other tenants in the Building and shall not exhibit, sell or offer to sell, use, rent or exchange any item or services in or from the Premises unless ordinarily included within Tenant's use of the Premises as specified in the Lease.

2. Tenant shall not make any use of the Premises which may be dangerous to person or property or which shall increase the cost of insurance or require additional insurance coverage.

3. Tenant shall not paint, display, inscribe or affix any sign, picture, advertisement, notice, lettering or direction or install any lights on any part of the outside or inside of the Building, other than the Premises, and not on any part of the inside of the Premises which can be seen from outside the Premises, except as approved by Landlord in writing.

4. Tenant shall not use the name of the building in advertising or other publicity, except as the address of its business, and shall not use pictures of the Building in advertising or publicity.

5. Tenant shall not obstruct or place objects on or in sidewalks, entrances, passages, courts, corridors, vestibules, halls, elevators and stairways in and about the Building. Tenant shall not place objects against glass partitions or doors or windows or adjacent to any open common space which would be unsightly from the Building corridors or from the exterior of the Building.

6. Bicycles shall not be permitted in the Building other than in locations designated by Landlord.

7. Tenant shall not allow any animals, other than seeing eye dogs, in the Premises or the Building.

8. Tenant shall not disturb other tenants or make excessive noises, cause disturbances, create excessive vibrations, odors or noxious fumes or use or operate any electrical or electronic devices or other devices that emit excessive sound waves or are dangerous to other tenants of the Building or that would interfere with the operation of any device or equipment or radio or television broadcasting or reception from or within the Building or elsewhere, and shall not place or install any projections, antennae, aerials or similar devices outside of the Building or the Premises.

9. Tenant shall not waste electricity or water and shall cooperate fully with Landlord to assure the most effective operation of the Building's heating and air conditioning and shall refrain from attempting to adjust any controls except for the thermostats within the Premises. Tenant shall keep all doors to the Premises closed.

10. Unless Tenant installs new doors to the Premises, Landlord shall furnish two sets of keys for all doors to the Premises at the commencement of the term. All locks must be on building master key system. When the Lease is terminated, Tenant shall deliver all keys to Landlord and will provide to Landlord the means of opening any safes, cabinets or vaults left in the Premises.

11. Except as otherwise provided in the Lease, Tenant shall not install any signal, communication, alarm or other utility or service system or equipment without the prior written consent of Landlord, which consent will not be unreasonably withheld or delayed.

12. Tenant shall not use any draperies or other window coverings instead of or in addition to the Building standard window coverings designated and approved by Landlord for exclusive use throughout the Building.

13. Landlord may require that all persons who enter or leave the Building identify themselves to watchmen, by registration or otherwise. Landlord, however, shall have no responsibility or liability for any theft, robbery or other crime in the Building. Tenant shall assume full responsibility for protecting the Premises, including keeping all doors to the Premises locked after the close of business.

14. Tenant shall not overload floors; and Tenant shall obtain Landlord's prior written approval as to size, maximum weight, routing and location of business machines, safes, and heavy objects. Tenant shall not install or operate machinery or any mechanical devices of a nature not directly related to Tenant's ordinary use of the Premises.

15. In no event shall Tenant bring into the Building inflammables such as gasoline, kerosene, naphtha and benzene, or explosives or firearms or any other articles of an intrinsically dangerous nature.

16. Furniture, equipment and other large articles may be brought into the Building only at the time and in the manner designated by Landlord. Tenant shall furnish Landlord with a list of furniture, equipment and other large articles which are to be removed from the Building, and Landlord may require permits before allowing anything to be moved in or out of the Building. Movements of Tenant's property into or out of the Building and within the Building are entirely at the risk and responsibility of Tenant.

17. No person or contractor, unless approved in advance by Landlord, shall be employed to do janitorial work, interior window washing, cleaning, decorating or similar services in the Premises.

18. Tenant shall not use the Premises for lodging, cooking (except for microwave reheating and coffee makers) or manufacturing or selling any alcoholic beverages or for any illegal purposes.

19. Tenant shall comply with all safety, fire protection and evacuation procedures and regulations established by Landlord or any governmental agency.

20. Tenant shall cooperate and participate in all reasonable security and safety programs affecting the Building.

21. Tenant shall not loiter, eat, drink, sit or lie in the lobby or other public areas in the Building. Tenant shall not go onto the roof of the Building or any other non-public areas of the Building (except the Premises), and Landlord reserves all rights to control the public and non-public areas of the Building. In no event shall Tenant have access to any electrical, telephone, plumbing or other mechanical closets without Landlord's, prior written consent.

22. Tenant shall not use the freight or passenger elevators, loading docks or receiving areas of the Building except in accordance with regulations for their use established by Landlord.

23. Tenant shall not dispose of any foreign substances in the toilets, urinals, sinks or other washroom facilities, nor shall Tenant permit such items to be used other than for their intended purposes; and Tenant shall be liable for all damage as a result of a violation of this rule.

24. In no event shall Tenant allow its employees to use the public areas of the Building as smoking areas. Washrooms are considered to be public areas.

The following is said ordinance as passed:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Section 4-16-420 of the Municipal Code of Chicago is hereby amended by inserting the language in italics, as follows:

4-16-420 Billiard Rooms And Poolrooms.

It is unlawful for any person who has not reached the age of 18 years, unless accompanied by a parent or guardian, to play billiards or to be permitted to remain in a billiard room for any purpose, or to play any coin-operated pool table; and it is unlawful for any person to represent himself to have reached the age of 18 years in order to obtain admission to such billiard room or to be permitted to remain therein, or to play any coin-operated pool table, when such person is in fact under 18 years of age.

No person shall operate any billiard or poolroom between the hours of 1:00 A.M. and 7:00 A.M. or harbor or permit any person to be or remain in any such room between such hours. This section, however, shall not be construed to prevent regular employees from performing necessary work within the premises during such prohibited hours of operation. *Nor shall this section prohibit a licensed billiard or poolroom which is also a duly licensed liquor establishment from operating during the hours established by the liquor license; provided, however, that no game of billiards or pool shall be allowed to commence later than 30 minutes before the end of liquor service as allowed by the license. The licensee of the billiard or poolroom shall post a sign, visible in the area of the billiard or pool table, indicating the latest time for commencing a game of pool or billiards.*

No person conducting or operating any billiard or poolroom shall allow or permit any screens, curtains, blinds, partitions or other obstructions to be placed between the front windows and back or rear wall of such room, but an unobstructed view of the entire interior must be maintained at all times. This provision, however, shall not be construed to preclude the

maintenance of washrooms or toilet rooms, or the maintenance of closets for storing purposes exclusively.

SECTION 2. This ordinance shall be in full force and effect from and after its passage and publication.

AMENDMENT OF TITLE 4, CHAPTER 172, SUBSECTION 020(e) OF MUNICIPAL CODE OF CHICAGO TO DISALLOW ISSUANCE OF NEW ALCOHOLIC PACKAGE GOODS LICENSES IN SPECIFIED AREAS OF THIRTEENTH AND FOURTEENTH WARDS.

COMMITTEE ON TRANSPORTATION AND PUBLIC WAY.

AUTHORIZATION FOR EXECUTION OF AMENDMENT TO TELECOMMUNICATIONS SYSTEMS USE AGREEMENT WITH TELEPORT COMMUNICATIONS CHICAGO, INC. FOR FIBER OPTIC NETWORK.

The Committee on Transportation and Public Way submitted the following report:

CHICAGO, September 9, 1992.

To the President and Members of the City Council:

Your Committee on Transportation and Public Way begs leave to recommend that Your Honorable Body *Pass* an ordinance authorizing execution of an amendment to the Telecommunications Systems Use Agreement between the City of Chicago and Teleport Communications Chicago, Inc. for the expansion of their fiber optic network. This ordinance was referred to the committee on July 29, 1992.

This recommendation was concurred in unanimously by a viva voce vote of the members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) PATRICK M. HUELS,
Chairman.

On motion of Alderman Huels, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

Yeas -- Aldermen Mazola, Preckwinkle, Bloom, Steele, Beavers, Dixon, Shaw, Buchanan, Huels, Fary, Madrzyk, Burke, Jones, Coleman, Murphy, Rugai, Troutman, Evans, Garcia, Laski, Miller, Medrano, Hendon, E. Alderman Beavers moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, Teleport Communications Chicago, Inc. ("Grantee") is a Delaware corporation, which is engaged in the business of common or contract carriage for compensation of high-speed telecommunications services and facilities; and

WHEREAS, Grantee was granted authority to construct, install, maintain and operate a high-speed commercial telecommunications system, consisting primarily of fiber optic facilities in the public way of the City and the Chicago Freight Tunnels pursuant to an ordinance adopted by the City Council on February 7, 1990 (the "Prior Ordinance") and a Telecommunications Use Agreement dated as of April 1, 1990 between Grantee and the City (the "Agreement"); and

WHEREAS, Grantee wishes to expand its authorization to use the public ways of the City and Chicago Freight Tunnels from 15 to 45 miles in order to construct, maintain and operate a larger commercial telecommunications system, consisting primarily of fiber optic cables (the "Proposed Expansion"); and

WHEREAS, Grantee and the City are willing to enter into an Amendment to the Agreement (the "Amendment") in substantially the form attached hereto as Exhibit A, upon approval of the form of the Amendment by ordinance of this City Council; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Subject to approval of the Corporation Counsel as to form and legality, the Director of the Department of Revenue and the Commissioner of the Department of Transportation are authorized to execute, on behalf of the City, an amendment to the Agreement between the City and the Grantee, such Amendment to be substantially in the form attached hereto as Exhibit A (the "Amendment"), subject to such changes as may be approved by the Director of the Department of Revenue. Only upon execution of the Amendment by the authorized officials of the City and the Grantee shall Grantee be authorized to conduct the Proposed Expansion in the City's public ways and the Chicago Freight Tunnels pursuant to the terms thereof.

SECTION 2. This ordinance shall be in full force and effect from and after its passage.

SECTION 3. All ordinances and resolutions, or parts thereof, in conflict with this ordinance are, to the extent of such conflict, hereby repealed.

Exhibit "A" attached to this ordinance reads as follows:

Exhibit A.

Amendment No. 1 To The Telecommunications System Use Agreement Between The City Of Chicago, Illinois And Teleport Communications Chicago, Inc.

This Amendment No. 1 dated this ____ day of _____, 1992 (the "Amendment Effective Date"), to the Telecommunications System Use Agreement, dated as of April 1, 1990, by and between the City of Chicago, Illinois (the "City"), a home rule unit and municipality under Article VII of the Constitution of the State of Illinois and Teleport Communications Chicago, Inc., a Delaware corporation (the "Grantee"):

Whereas, Grantee is a Delaware corporation, which is engaged in the business of common or contract carriage for compensation of high-speed telecommunications services and facilities; and

Whereas, Grantee was granted authority to construct, install, maintain and operate a high speed commercial telecommunications system, consisting primarily of fiber optic facilities in the public ways of the City and the Chicago Freight Tunnels pursuant to an ordinance adopted by the City Council on February 7, 1990 (the "Prior Ordinance") and a Telecommunications System Use Agreement dated as of April 1, 1990 between Grantee and the City (the "Agreement"); and

Whereas, The City has the authority to deny access to persons seeking to use the public ways on public property except on such terms as the City deems appropriate; and

Whereas, Grantee wishes to expand its authorization in phases to use the public ways of the City and Chicago Freight Tunnels from 15 to 45 miles in order to construct, maintain and operate a larger commercial telecommunications system, consisting primarily of fiber optic cables (the "Expansion"); and

Whereas, The City and the Grantee have reached agreement as to the terms and conditions, including consideration for phased expansion of an existing system, through an amendment to the Agreement ("Amendment No. 1"), under which Grantee will be permitted to undertake the Expansion using the City's public ways and the Chicago Freight Tunnels;

Now, Therefore, It is hereby agreed by the parties hereto as follows:

Section 1. The existing language of Section 1.2 shall be amended to read as follows:

"Adjustment Dates shall mean March 12, 1991, _____, 1995, January 1, 1998 and January 1, 2001".

Section 2. A new Section 1.10.1 shall be added to the Agreement to read as follows:

" 'Expansion Period' shall mean a period of twelve consecutive months beginning on the Amendment Effective Date or its anniversary, as applicable, and ending on the last day of the month in such 12 month period."

Section 3. A new Section 1.7.1 shall be added to the Agreement to read as follows:

" 'City of Chicago' or 'City' shall mean the municipal boundaries of the City of Chicago excluding the City-owned real estate (as it may be configured from time to time) located at Chicago O'Hare International Airport, Midway Airport and Meigs Field Airport, including all public ways, City buildings and City facilities which are on such real estate (collectively the 'Airports'). Nothing in this Agreement referring to the City is intended to apply to the Airports, including, but not limited to, the Authorized Routes, the Minimum Annual Fee, and the Annual Gross Billings Based Fee."

Section 4. Section 1.13 of the Agreement shall be amended to read as follows:

" 'Minimum Annual Fee' shall mean the minimum amount payable to the City, calculated on the basis of a twelve-month period, as General Compensation during any Compensation Year pursuant to Section 5 hereof, and shall be based on a formula (subject to adjustment as to certain footage as set forth in Section 5.1.5 hereof) calculated as follows:

$3.54 per linear foot which the Authorized Routes occupy in the Downtown Business Area;

$1.77 per linear foot which the Authorized Routes occupy outside the Downtown Business Area (exclusive of the O'Hare Development Area); and

$2.21 per linear foot which the Authorized Routes occupy in the O'Hare Development Area.

When calculating the Minimum Annual Fee for any Compensation Year, only the months in any Expansion Period which fall within such Compensation Year shall be taken into account as described in Section 2.6(b) and Section 5.1.5 hereof.

Subject to Section 3.4 hereof, in calculating the Minimum Annual Fee, the number of linear feet of Authorized Area is determined without regard to the number of conduits, cables, fibers or other telecommunications facilities to be installed by Grantee in a particular portion of the Public Ways."

Section 5. A new Section 1.13.1 shall be added to the Agreement which shall read as follows:

" 'O'Hare Development Area' shall mean the areas within City boundaries encompassed within and by the following boundaries (exclusive of the real property comprising at any time Chicago O'Hare International Airport):

Higgins Road on the northern boundary, Canfield Avenue on the eastern boundary, Catalpa Avenue on the southern boundary (as continued by the area extending in a straight line between breaks in Catalpa Avenue), and East River Road on the western boundary."

Section 6. Section 1.14 of the Agreement shall be deleted in its entirety and replaced to read as follows:

" 'Ordinance' shall mean collectively (i) the Ordinance adopted by the City Council of the City on February 7, 1990, authorizing the execution of the Agreement by the Mayor, the Commissioner of the Department of General Services, the Commissioner of the Department of Public Works and the City Clerk of the City; and (ii) all amendments thereto adopted by the City Council of the City."

Section 7. The second to last sentence of Section 1.19 of the Agreement shall be deleted in its entirety and replaced to read as follows:

" 'Total Gross Billings' shall only include amounts related to Grantee's Chicago-based operations and, subject to Section 5.1.3 of the Agreement, shall not include amounts charged for Telecommunications Services provided within or apportioned to the Airports."

Section 8. The existing language of Section 2.6 of the Agreement shall be re-designated as subparagraph (a) and shall be amended to read as follows:

"(a) Prior to the Amendment Effective Date, Grantee's Telecommunications System may extend for a total distance of 80,256 linear feet or approximately 15.2 miles along the Authorized Routes as set forth in Part A to Exhibit 1 attached hereto and made a part hereof (the 'Original Footage'). All of the Original Footage is in the Downtown Business Area."

Section 9. A new subparagraph (b) is added to Section 2.6 which shall read as follows:

"On and after the Amendment Effective Date, Grantee's Telecommunications System shall be authorized to expand in phases ('Expansion Phases') described below by a total of 158,400 linear feet or 30 miles in the Public Ways and the Chicago Freight Tunnels (the 'Expansion Footage'). Except as set forth in this Section 2.6(b) and in Section 5.1.5, Grantee shall be authorized to install the Expansion Footage at a rate of 5 miles or 26,400 linear feet per year, as follows:

Expansion Period	Expansion Footage (Linear Feet)
1992 -- 1993	26,400
1993 -- 1994	26,400
1994 -- 1995	26,400
1995 -- 1996	26,400
1996 -- 1997	26,400
1997 -- 1998	26,400

Grantee is authorized to install each Expansion Phase within the City limits as set forth in Parts B and C to Exhibit 1 so long as Grantee complies with all requirements of this Agreement and no default shall have occurred, including, but not limited to the provisions relating to Compensation set forth in Section 5, the provisions related to insurance and surety bonds set forth in Section 6 and the provisions relating to specific installation permits set forth in Section 7. Grantee may, subject to the provisions of Section 5.1.5, at its option and upon written notice to the City, accelerate the Expansion in increments of 26,400 feet up to the maximum extent of the Authorized Routes ('Acceleration')."

Section 10. Subparagraph (B) of Section 4.2.1 of the Agreement is hereby deleted in its entirety and replaced to read as follows:

"Grantee shall furnish to the City of Chicago, Department of Revenue, such information as may be required by the Department (including customer lists, if so required) to effect compliance by Grantee and Grantee's customers with the Chicago Transaction Tax Ordinance (Chapter 3-32 of the Municipal Code), the Chicago Telecommunications Tax Ordinance (Chapter 3-70 of the Municipal Code) and any other ordinances of the City of Chicago which shall be in effect from time to time regulating, taxing or otherwise concerning Grantee's operation of a telecommunications network pursuant to the Agreement. The parties hereto expressly intend and acknowledge that Grantee's fiber optic cables and telecommunications lines will be personal property of the Grantee and not fixtures. Grantee also specifically acknowledges its duty to collect and remit to the City the Chicago Transaction Tax, if applicable, on its lease of telecommunications lines (pursuant to Section 4.2.2), bandwidth or capacity on telecommunications lines located within the City and, if applicable, its duty to collect and remit to the City the Chicago Telecommunications Tax on its sales of telecommunications at retail, and acknowledges its duty and obligation to comply with the ordinances of the City, including any ordinances that require the payment or collection of another City tax or the obtaining of any City licenses. Breaching the provisions of said subparagraph B shall be a default under this Agreement."

Section 11. The first paragraph of Section 5.1 shall be deleted and replaced to read as follows:

"Section 5.1 General Compensation.

Grantee agrees to pay the City as General Compensation during each Compensation Year for the use of the Authorized Routes throughout the

duration of this Agreement (although subject to the City's rights of adjustment set forth in Section 2.3 hereof) a sum equal to the greater of the Minimum Annual Fee or the Annual Gross Billings Based Fee. The Minimum Annual fee for this Grantee during the 1991 Compensation Year (after the construction period waiver provided in Section 5.1.4) is prorated and shall be $213,079.68. The Minimum Annual Fee for each Compensation Year, beginning in 1992, shall be the sum of (i) $284,106.24 and (ii) the applicable

Expansion Footage Minimum Fee for such Compensation Year, calculated as set forth in Section 5.1.5."

Section 12. Section 5.1.1 of the Agreement is hereby deleted and replaced to read as follows:

"5.1.1 Calculation and Payment on a Monthly Basis. On or prior to the Agreement Effective Date Grantee shall pay to the Department of Revenue for each month during a Compensation Year an amount equal to the greater of:

(a) $23,676.32; or

(b) estimated Annual Gross Billings Based Fee for such month.

After the Amendment Effective Date, Grantee shall pay to the Department of Revenue for each month during a Compensation Year an amount equal to the higher of:

(a) the sum of (i) $23,676.52 and (ii) one-twelfth of the applicable Expansion Footage Minimum Fee, as calculated pursuant to Section 5.1.5; or

(b) estimated Annual Gross Billings Based Fee for such month.

The greater of (a) or (b) above shall be referred to as the 'Monthly Payment'. Grantee shall forward to the City's Department of Revenue by check or money order an amount equal to the Monthly Payment by the fifteenth day of the calendar month immediately following the month for which such Monthly Payment is due. Any necessary prorations shall be made."

Section 13. The following phrase shall be added to the end of Section 5.1.3 of the Agreement: "For purposes of this Section and the entire Agreement, the Airports shall be considered beyond the City limits of Chicago and the circuits connecting areas within the City of Chicago to areas within any of the Airports shall be considered Intercity Circuits."

Section 14. A new Section 5.1.5 shall be added and the existing Section 5.1.5 in the Agreement shall be numbered Section 5.1.6. The new Section 5.1.5 shall read as follows:

"Expansion Footage Minimum Fee. On and after Amendment Effective Date, the portion of the Minimum Annual Fee attributable to the Expansion Phases described in Section 2.6(b) ('Expansion Footage Minimum Fee') shall be calculated for each of the categories set forth in Table 1 below on a monthly basis as a sum equal to a fraction, the numerator of which is the applicable Annual Rate Per Foot for Expansion Footage set forth in Table 1 below times the number of linear feet of Expansion Footage within such category, and the denominator of which is 12:

Table 1.

Expansion Period	Total Authorized Miles Of Expansion Footage	Annual Rate Per Foot For Expansion Footage Located In The Downtown Business Area (Per Linear Foot)	Annual Rate Per Foot For Expansion Footage Located In The O'Hare Development Area (Per Linear Foot)	Annual Rate Per Foot For Expansion Footage Located Outside Both The Downtown Business Area And The O'Hare Development Area (Per Linear Foot)
1992 -- 1993	5	$4.22	$2.70	$2.19
1993 -- 1994	10	4.08	2.60	2.10
1994 -- 1995	15	3.94	2.50	2.01
1995 -- 1996	20	3.80	2.40	1.92

Expansion Period	Total Authorized Miles Of Expansion Footage	Annual Rate Per Foot For Expansion Footage Located In The Downtown Business Area (Per Linear Foot)	Annual Rate Per Foot For Expansion Footage Located In The O'Hare Development Area (Per Linear Foot)	Annual Rate Per Foot For Expansion Footage Located Outside Both The Downtown Business Area And The O'Hare Development Area (Per Linear Foot)
1996 -- 1997	25	3.66	2.30	1.83
1997 -- 1998	30	3.54	2.21	1.77

Beginning on the Amendment Effective Date, on or before a date which is thirty (30) days prior to the first day of the next succeeding Expansion Period, except 1992 -- 1993, Grantee shall provide the City with a certified statement setting forth: (i) that portion of the 26,400 feet of Expansion Footage being authorized for the immediately succeeding Expansion Period Grantee intends to install within the Downtown Business Area; (ii) that portion of such footage Grantee intends to install within the O'Hare Development Area; (iii) that portion of such footage Grantee intends to install outside both of the Downtown Business Area and the O'Hare Development Area; and (iv) a general route description of the reasonably anticipated installations of Grantee's facilities along the Expansion Footage; provided, however, that for the Expansion Footage authorized for the 1992 -- 1993 Expansion Period, Grantee shall certify as to the above within 30 days after the Amendment Effective Date. The foregoing certificates shall be used to calculate the applicable Expansion Footage Minimum Fee. When calculating an Expansion Footage Minimum Fee attributable to a Compensation Year, only the months in an Expansion Period which occurs during such Compensation Year shall be taken into account. No later than 45 days after the last day of the applicable Expansion Period, Grantee shall furnish the City with a certified statement indicating the actual locations Grantee's facilities were installed along the Expansion Footage during the preceding Expansion Period and the applicable linear foot rate attributable to such locations. To the extent that the foregoing statement shows an underpayment to the City, Grantee shall pay the City the amount due the City at such time such statement is provided. If Grantee has overpaid the City, the excess should be taken as a credit against future General Compensation due the City pursuant to the Agreement. Upon Acceleration, as described in Section 2.6(b) of the Agreement, the Expansion Footage Minimum Fee shall be adjusted to include the 26,400 feet in each Expansion Phase being

Accelerated retroactive to the first day of the month in which notice of Acceleration is given to the City, at the applicable rate or rates set forth in this Section 5.1.5. In case of Acceleration, Grantee would also provide in the notice described in Section 2.6(b) of the Agreement (i) a certified statement as to the intended allocation of the 26,400 additional linear feet of Expansion Footage subject to the Acceleration among the Downtown Business Area, the O'Hare Development Area and elsewhere in the City; and (ii) a general route description of the reasonably anticipated location of Grantee's Facilities to be installed pursuant to any Acceleration. All statements and other information described herein are subject to financial and physical audit as provided in this Agreement."

Section 15. A new Section 15A shall be added to the Agreement to read as follows:

"Section 15A. Equal Opportunity/Affirmative Action.

Equal Opportunity. During the Term of the Agreement, the Grantee shall continue to expand employment, business and economic opportunities on an equal-opportunity basis. Grantee in relation to its Telecommunications Services and the construction of its Telecommunications System within the City will endeavor to comply with the goals in the City's Minority and Women-Owned Business Enterprise Program, Municipal Code Section 2-92-420 et seq. Grantee's initiatives in this area shall include the items set forth below:

Nondiscrimination. Grantee shall not discriminate against any employee or applicant for employment, customer or applying customer, or any contractor or potential contractor, because of race, creed, color, religion, age, sex, national origin, handicap or disability, ancestry, marital status, parental status, sexual orientation or military discharge. Grantee shall comply with all federal, state and City laws, ordinances and orders that prohibit discrimination, including, but not limited to, the aforementioned forms of discrimination.

Affirmative Action. Grantee shall endeavor to expand opportunities for minorities and women in all areas of employment, including, but not limited to, hiring, promotion, recruitment or recruitment advertising, compensation and selection for training and apprenticeship. The primary objectives of the Grantee's future affirmative action initiatives shall be:

(i) expansion of employment opportunities for minorities and women in the work force of the Grantee;

(ii) expansion of employment and promotion of minorities and women in those job categories and classifications, particularly in those managerial and professional levels where minorities and women have been underutilized; and

(iii) implementation of training program to increase the awareness of the Grantee's supervisory personnel regarding the Grantee's commitment to equal-opportunity initiatives.

Purchasing. Grantee shall endeavor to increase contracting and procurement opportunities for minority and women's business enterprises.

Specific Activities.

(a) Grantee shall continue to target areas of significant expenditure by Grantee for which no certified minority or women's business enterprise suppliers or contractors are currently known. As part of its efforts, the Grantee shall discuss those targeted areas of opportunity with representative minority and women's business organizations.

(b) Grantee shall also make efforts to encourage general contractors and architecture/engineering firms with which it does business to expand their use of certified minority and women's business enterprises as subcontractors and joint venture partners.

Participation Goals. Grantee shall use good-faith efforts to achieve participation of Certified minority business enterprises in the Grantee's contracts related to installation of Grantee's network.

Community Outreach. Grantee shall expand, as appropriate, its community outreach programs focused on employment and procurement for minorities and women. In continuing the development and implementation of these programs, Grantee shall endeavor to seek the advice of representative minority and women's organizations.

Implementation. It shall be the responsibility of the Grantee to continue to develop and implement the equal-opportunity initiatives described above. To facilitate and assure that efforts are made as required herein, Grantee shall designate the employee who shall be responsible for implementing, monitoring and evaluating these initiatives. Grantee shall provide adequate staff and support resources to meet these responsibilities."

Section 16. Exhibit 1 of the Agreement shall be deleted in its entirety and replaced to read as follows:

Exhibit 1.

"Grantee is authorized to construct routes within the public ways and the Chicago Freight Tunnels of the City of Chicago (exclusive of the Airports), subject to the limitation on the number of miles of Grantee's system (approximately 45.2 miles) using the public ways of the City and the Chicago Freight Tunnels and any other requirements set forth in this Agreement. Grantee's Authorized Routes consist of the Original Footage as described in Part A of this Exhibit 1 and the Expansion Footage described in Part B of the Exhibit 1. Part C of this Exhibit 1 is applicable to both Original Footage and Expansion Footage.

A. Original Footage. The Original Footage of Grantee's System within the City's public ways and the Chicago Freight Tunnels is authorized to run for a distance of no more than 80,256 linear feet, or approximately 15.2 miles, within the Downtown Business Area of the City. The Original Footage has been and shall be constructed within a general area within the City whose boundaries are described below:

From Lake Michigan at the north curb line of Oak Street proceeding southerly along Shoreline to 15th Street; proceeding from south curb line of 15th Street west to Halsted Street; proceeding north along west curb line of Halsted Street to Grand Avenue; proceeding along the north curb line of Grand Avenue east to State Street; proceeding along the west curb line of State Street to Oak Street and proceeding along the north curb line of Oak Street east to Lake Michigan.

As of July 1, 1992, Grantee's System extended for approximately 7.06 miles in the City's Public Ways or the Chicago Freight Tunnel and has been installed as follows:

Route 1:

From 10 South LaSalle Street proceeding north on LaSalle Street to Randolph Street; proceeding east on Randolph Street to Wabash Street; proceeding north on Wabash Street to Lake Street; proceeding east on Lake Street to Michigan Avenue; and then proceeding north on Michigan Avenue to the water riser shaft. Total footage 4,202 feet.

Route 2:

From 10 South LaSalle Street proceeding south on LaSalle Street to Monroe Street; proceeding west on Monroe Street to Wacker Drive; and then proceeding north on Wacker Drive into 20 North Wacker Drive. Total footage 2,380 feet.

Route 3:

From 10 South LaSalle Street proceeding south on LaSalle Street to Jackson Boulevard; proceeding east on Jackson Boulevard to LaSalle Street; proceeding south on LaSalle Street to entrance into the Chicago Board of Trade; proceeding south on LaSalle Street from manhole at Van Buren and LaSalle Streets to Congress Parkway; proceeding east on Congress Parkway to Federal Street; then proceeding south on Federal Street to Harrison Street. Total footage 3,737 feet.

Route 4:

From 10 South LaSalle Street proceeding south to Jackson Boulevard; proceeding west on Jackson Boulevard to Wacker Drive; proceeding north and then east on Wacker Drive to Franklin Street; proceeding south on Franklin Street to Madison Street, then to 10 South LaSalle Street. Total footage 8,864 feet.

Route 5:

From 10 South LaSalle Street proceeding south on LaSalle Street to Jackson Boulevard; proceeding west on Jackson Boulevard to Franklin Street; proceeding north on Franklin Street to the alley south of Washington Street; proceeding south on Franklin Street to Madison Street; and then proceeding east on Madison Street to 10 South LaSalle Street. Total footage 4,860 feet.

Route 6:

From 10 South LaSalle Street proceeding north on LaSalle Street to Randolph Street; proceeding west on Randolph Street to Canal Street; proceeding south on Canal Street to Monroe Street; then from 10 South Canal Street proceeding north on Canal Street to Washington Street; proceeding west on Washington Street to Clinton Street; and then proceeding south on Clinton Street to Jackson Boulevard. Total footage 7,301 feet.

Route 7:

From 10 South LaSalle Street proceeding east on Madison Street to 200 feet east of Clark Street. Total footage 817 feet.

Building Entrance Cable.

Multiple building entrance cables serving buildings situated along the Authorized Routes. Total footage 5,127 feet.

B. Expansion Footage. As currently anticipated, the Expansion Footage shall be installed in phases (subject to the provisions of Part C and the requirements of the Agreement) anywhere within the Downtown Business Area, anywhere within the O'Hare Development Area, and anywhere outside of the Downtown Business Area and the O'Hare Development Area, and may include the following routes:

Chicago West Side

From the Intersection of Harrison and Federal Streets, proceeding south on Federal Street to Polk Street; then proceeding west on Polk Street to Canal Street; proceeding south on Canal Street to Taylor Street; proceeding west on Taylor Street to Morgan Street. This link represents approximately 7,040 feet of City right-of-way.

From the intersection of Taylor and Morgan Streets, proceeding west along Taylor Street to Wood Street. This link represents approximately 5,280 feet of City right-of-way.

Chicago South Side

From the intersection of Taylor and Wood Streets, proceeding west along Taylor to Damen Streets; proceeding south along to Damen Street to the Illinois Central Gulf Railroad; proceeding along the I.C.G. Railroad to right-of-way to Keeler Avenue; then proceeding south along Keeler Avenue to the 4000 block of Keeler Avenue. This link represents approximately 17,600 feet of City right-of-way (not including the additional footage from public street crossing along railroad rights-of-way).

Access To The Northwest Suburbs

From the intersection of Madison and LaSalle Streets, proceed north along LaSalle to Randolph Streets. From this point proceed west along Randolph to Canal Streets, then proceed north on Canal Street to Lake Street. This location will serve as the entry point to the Chicago Northwestern Railroad right-of-way. This link represents approximately 14,060 feet of City right-of-way (not including the additional footage from public street crossing along railroad rights-of-way).

C. Locations Subject to Change. The exact location of each component of Grantee's Telecommunications System (both Original Footage and New Footage) not already installed as described in Part A shall be presented to and reviewed by the Director of Revenue and the Department of Transportation on an on-going basis prior to construction as Grantee files for construction permits and constructs its Telecommunications System, and, subject to the requirements of the Agreement, construction permits shall be issued by the Department of Transportation specifying the exact locations of Grantee's Telecommunications System.

The component system described above represents the most current plans and expectations for the development of the Grantee's Telecommunications System in Chicago. However, due to uncertain and changing market conditions, the timing of construction and actual locations for the component system may differ from those specifically described above."

Section 17. Section 6.1(E) of the Agreement provides that Grantee shall have a surety bond in favor of the City to secure performance of all obligations of Grantee and to insure the cost of removal, relocation or abandonment of Grantee's Telecommunications System at any time the City determines the need for such removal. Upon the Effective Amendment Date and on each January thereafter, Grantee shall increase the amount of such bond or provide a replacement bond satisfactory to the City of not less than the estimated Minimum Annual Fee as calculated in Section 14 of this Amendment. All other provisions of Section 6 of the Agreement related to surety bonds remain applicable.

Section 18. Pursuant to Section 6.5 of the Agreement, the amounts of the insurance policies are subject to reasonable increase upon sixty (60) days notice from the City's Risk Management office that such amounts need to be increased to ensure the City adequate protection.

Section 19. Throughout the Agreement, the terms "Department of General Services" and "Commissioner of General Services" shall where

applicable, be replaced with the terms "Department of Revenue" and "Director of Revenue", respectively, in all relevant sections.

Section 20. Throughout the Agreement, the terms "Department of Public Works" and "Commissioner of Public Works" shall, where applicable, be replaced with the terms "Department of Transportation" and "Commissioner of Transportation", respectively, in all relevant sections.

Section 21. Throughout the Agreement, including Exhibits, the term "Agreement" shall be deemed to mean the Agreement as amended by this Amendment No. 1. All terms and conditions of the Agreement not modified by this Amendment No. 1 shall remain in full force and effect.

Section 22. Conflict Of Interest.

No member of the governing body of the City and no other official, officer, agent or employee of the City is employed by Grantee or has a financial or economic interest directly or indirectly in the Agreement or this Amendment No. 1 or any subcontract resulting therefrom or in the privileges to be granted hereunder except as may be permitted in writing by the Board of Ethics established pursuant to the Municipal Code of Chicago (Chapter 2-156). No payment, gratuity or offer of employment shall be made in connection with the Agreement or this Amendment No. 1 by or on behalf of any subcontractors to the Grantee or higher tier subcontractors or anyone associated therewith, as an inducement for the award of a subcontract or order. Any agreement entered into, negotiated or performed in violation of any of the provisions of Chapter 2-156 shall be voidable as to the City.

Section 23. Anti-Apartheid Covenant.

Grantee has executed the appropriate Anti-Apartheid Affidavit (the "Affidavit") attached to this Amendment No. 1 as Attachment 1 and incorporated into this Agreement by this reference.

Grantee understands and acknowledges that the City may declare a default and terminate all existing contracts, including repeal of the Ordinance, with Grantee if the Grantee violates any provision of Chapter 3-68 of the Municipal Code of Chicago (as applicable), including but not limited to (i) a violation of the certifications contained in the Affidavit; (ii) the concealment of an existing contractual relationship or entering into a contractual relationship with (a) South Africa, (b) a South African business or (c) any business or corporation for the express purpose of assisting operations in, or trading with any private or public entity located in South Africa; and (iii) the sale to the City of goods principally manufactured, produced, assembled, grown or mined in South Africa. This right of

termination is supplemental to any other remedy which the City may have under the Agreement or this Amendment No. 1, at law or in equity, and shall entitle the City to direct, indirect, special and consequential damages and any other applicable legal or equitable remedy.

Further, Grantee understands and acknowledges that any person who violates any provision of Chapter 3-68 of the Municipal Code of Chicago shall be subject to a fine of not less than $500 and not more than $1,000 for each offense. Every day that the violation continues shall constitute a separate and distinct offense. This fine shall be in addition to the remedy of termination enumerated above, and any other remedy available under applicable law.

Section 24. Anti-Corruption Covenant And Representation.

Grantee represents neither it nor, to the best of its knowledge, its subcontractors, are in violation of the provisions of Section 2-92-320, Chapter 2-92 of the Municipal Code of Chicago. In connection herewith, Grantee has executed the applicable Certification required under the Illinois Criminal Code, Ill. Rev. Stat., Ch. 38 § 33E-11 (1989) as amended, and under the Illinois Municipal Code, Ill. Rev. Stat., Ch. 24, §11-41-1 (1989) (1990 Supp.) which is attached hereto as Attachment 2 and incorporated by reference as if fully set forth here.

Section 25. Cooperation With Inspector General.

It shall be the duty of Grantee, all subcontractors, and all officers, directors, agents, partners, and employees of Grantee to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Chicago Municipal Code. Grantee understands and will abide by all provisions of Chapter 2-56 of the Municipal Code of Chicago. Grantee shall inform all its subcontractors of the provisions and require understanding and compliance herewith.

Section 26. Business Documents And Disclosure Of Ownership.

Grantee has provided copies of its latest articles of incorporation and bylaws, its certification of good standing from the office of the Secretary of State of the State of Illinois and a certificate signed by an authorized officer of the Grantee certifying that the Grantee is authorized to do business in the State of Illinois. Grantee has provided the City with the Disclosure of Ownership Interest Affidavit for the Grantee, completed copies of which are attached hereto and incorporated by reference herein as Attachment 3.

[Attachment 3 to this Agreement printed on pages 21145 through 21153 of this Journal.]

In Witness Whereof, The City has caused this Amendment No. 1 to be duly executed in its name and behalf as of the date first written by its Mayor, its Director of Revenue and its Commissioner of Transportation and its seal to be hereunto duly affixed and attested by its City Clerk, and the Grantee has signed and sealed the same on or as of the day and year first written.

The Committee on Transportation and Public Way submitted the following report:

CHICAGO, September 9, 1992.

To the President and Members of the City Council:

Your Committee on Transportation and Public Way begs leave to recommend that Your Honorable Body *Pass* the proposed ordinances and substitute ordinance transmitted herewith (referred on July 29, 1992) for grants of privilege in the public way.

This recommendation was concurred in unanimously by a viva voce vote of the members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) PATRICK M. HUELS,
Chairman.

On motion of Alderman Huels, the said proposed ordinances and substitute ordinance transmitted with the foregoing committee report were *Passed* by yeas and nays as follows:

Yeas -- Aldermen Mazola, Rush, Tillman, Preckwinkle, Bloom, Steele, Beavers, Dixon, Shaw, Buchanan, Huels, Fary, Madrzyk, Burke, Jones, Coleman, Murphy, Rugai, Troutman, Evans, Garcia, Laski, Miller, Medrano, Hendon, E. Smith, Burrell, Suarez, Gabinski, Mell, Austin, Wojcik, Banks, Giles, Cullerton, Laurino, O'Connor, Doherty, Natarus, Eisendrath, Hansen, Levar, Shiller, Schulter, M. Smith, Moore, Stone -- 47.

Nays -- None.

Alderman Natarus moved to reconsider the foregoing vote. The motion was lost.

Said ordinances, as passed, read as follows (the italic heading in each case not being a part of the ordinance):

Mr. Samuel R. Aiello.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Permission and authority are hereby given and granted to Samuel R. Aiello, upon the terms and subject to the conditions of this ordinance, to construct, maintain and use two (2) lint basins in the public way adjacent to its premises located at 3435 North Southport Avenue. Said lint basins shall be located on the west side of North Southport Avenue, and each shall be eight (8) feet in depth and four (4) feet in diameter. Authority for the above named privilege is herein given and granted for a period of five (5) years from and after date of passage of this ordinance.

The location of said privilege shall be as shown on print hereto attached, which by reference is made a part of this ordinance. Said privilege shall be maintained and used in accordance with the ordinances of the City of Chicago and the directions of the Commissioner of Streets and Sanitation, the Commissioner of Buildings, the Commissioner of Transportation and the Director of Revenue. The grantee shall keep that portion of the public way over or under said privilege in good condition and repair, safe for public travel, free from snow, ice and debris to the satisfaction of the Commissioner of Streets and Sanitation.

SECTION 2. The grantee agrees to pay to the City of Chicago as compensation for the privilege herein granted the sum of Six Hundred and no/100 Dollars ($600.00) per annum, in advance. In case of termination of the privilege herein granted or the grantee transfers title or vacates the premises, the grantee shall, nevertheless, remain liable to the City of

Chicago for the annual compensation which shall become due and payable under the provisions hereof, until the structures and appliances herein authorized are removed and the public way is restored as herein required. Further, renewal authority for the continued maintenance and use of the public ways as herein described shall be obtained prior to the date of expiration of this ordinance.

SECTION 3. This ordinance is subject to amendment, modification or repeal, and permission and authority herein granted may be revoked by the Mayor of the City of Chicago and the Director of Revenue at their discretion, at any time for good cause without the consent of said grantee. Upon termination of the privilege herein granted, by lapse of time or otherwise, the grantee, without cost or expense to the City of Chicago, shall remove the structures and appliances herein authorized and restore the public way where disturbed by said structures or appliances or by the removal thereof, to a proper condition under the supervision and to the satisfaction of the Commissioner of Streets and Sanitation and in accordance with the City Municipal Code. In the event of failure, neglect or refusal of said grantee so to do, the City of Chicago will have the choice of either performing said work and charging the cost thereof to said grantee or determining what the cost of said work shall be and billing the grantee for said cost.

SECTION 4. The insurance company and the grantee, as provided in Section 5, will hold and save the City of Chicago, its officers, agents and employees harmless from any and all liability and expense, including judgments, costs and damages, for removal, relocation, alteration, repair, maintenance and restoration of the structures or appliances herein authorized, and from any and all damages thereto on account of the location, construction, alteration, repair or maintenance of any public ways, bridges, subways, tunnels, vaults, sewers, water mains, conduits, pipes, poles and other utilities. For the City of Chicago to recover from the insurance company and the grantee under this Section, it is not necessary that the City of Chicago first make said removal, relocation, alteration, repair, maintenance or restoration. The Commissioner of Streets and Sanitation is hereby authorized to determine what cost would be involved to perform said removal, relocation, alteration, repair, maintenance or restoration and that decision as to the amount shall be final and binding. The grantee and the insurance company, upon receiving written notification from the Commissioner of Streets and Sanitation of the cost of said removal and restoration shall pay immediately said amount upon demand. It shall be the responsibility of the grantee to furnish the City of Chicago, prior to issuance of the permit for this privilege, a copy of proof of insurance (Certificate of Insurance) in an amount not less than $1,000,000 Combined Single Limit with said insurance covering all liability, both Public Liability and Property Damage, that may result from the granting of said privilege. The grantee must furnish the City of Chicago a Certificate of Insurance which names the City of Chicago as additional insured and also clearly indicates that the privilege being granted by this ordinance is covered by the insurance policy. Certificates renewing insurance must be furnished to the Department of

Revenue, Compensation Unit, no later than 30 days prior to the expiration of the policy. The aforementioned insurance coverage shall be maintained at all times by the grantee until the structures or appliances described in this ordinance are removed and the public way is restored as herein required.

SECTION 5. The Permittee(s) shall also indemnify, keep and save harmless the City of Chicago, its agents, officers and employees for any personal injuries or deaths occurring out of the reconstruction, maintenance and operation of the (vaults, canopies, etc.) and arising out of and including the passive negligence of the City of Chicago.

SECTION 6. The permission and authority herein granted shall not be exercised until a permit authorizing same shall have been issued by the Director of Revenue and upon the faithful observance and performance of all and singular the conditions and provisions of this ordinance, and conditioned further to indemnify, keep and save harmless the City of Chicago against all liabilities, judgments, costs, damages and other expenses which may in any way come against said City in consequence of the permission given by this ordinance, or which may accrue against, be charged to or recovered from said City from or by reason or on account of any act or thing done or omitted or neglected to be done by the grantee in and about the construction, reconstruction, maintenance, use and removal of said structures or appliances and the restoration of the public way as herein required. Said insurance coverage shall be continuing in effect until the structures or appliances herein authorized are removed and the public way is restored as herein required.

SECTION 7. The grantee will further be liable to the City of Chicago for the annual compensation for the use of the public way.

SECTION 8. This ordinance shall take effect and be in force from and after its passage; provided, however, that said grantee file a written acceptance of this ordinance with the City Clerk; provided further, that proof of indemnification on behalf of the City of Chicago, as herein requested, and payment of the first year's compensation be paid to the Department of Revenue.

SECTION 1. Permission and authority are hereby given and granted to Allied Film and Video, upon the terms and subject to the conditions of this ordinance, to construct, install, maintain and use a water sampling chamber basin located in the public right-of-way adjacent to the premises known as 1322 West Belmont Avenue.

Said basin shall measure four (4) feet in length and four (4) feet in width and shall be installed at a depth of five (5) feet and shall have a thirty-six (36) inch manhole cover over said sampling chamber to allow sewage water to be tested to comply with the Metropolitan Water Reclamation District ordinance for waste discharge sampling.

Said basin shall be located along West Belmont Avenue, three (3) feet from the face of the building at 1322 West Belmont Avenue and approximately one hundred thirty (130) feet west of North Lakewood Avenue.

Authority herein given and granted shall be for a period of five (5) years from and after date of passage of this ordinance.

The location of said privilege shall be as shown on print hereto attached, which by reference is made a part of this ordinance. Said privilege shall be maintained and used in accordance with the ordinances of the City of Chicago and the directions of the Commissioner of Streets and Sanitation, the Commissioner of Buildings, the Commissioner of Transportation and the Director of Revenue. The grantee shall keep that portion of the public way over or under said privilege in good condition and repair, safe for public travel, free from snow, ice and debris to the satisfaction of the Commissioner of Streets and Sanitation.

SECTION 2. The grantee agrees to pay to the City of Chicago as compensation for the privilege herein granted the sum of Three Hundred and no/100 Dollars ($300.00) per annum, in advance. In case of termination of the privilege herein granted or the grantee transfers title or vacates the premises, the grantee shall, nevertheless, remain liable to the City of Chicago for the annual compensation which shall become due and payable under the provisions hereof, until the structures and appliances herein authorized are removed and the public way is restored as herein required. Further, renewal authority for the continued maintenance and use of the public ways as herein described shall be obtained prior to the date of expiration of this ordinance.

SECTION 3. This ordinance is subject to amendment, modification or repeal, and permission and authority herein granted may be revoked by the Mayor of the City of Chicago and the Director of Revenue at their discretion, at any time for good cause without the consent of said grantee. Upon

termination of the privilege herein granted, by lapse of time or otherwise, the grantee, without cost or expense to the City of Chicago, shall remove the structures and appliances herein authorized and restore the public way where disturbed by said structures or appliances or by the removal thereof, to a proper condition under the supervision and to the satisfaction of the Commissioner of Streets and Sanitation and in accordance with the City Municipal Code. In the event of failure, neglect or refusal of said grantee so to do, the City of Chicago will have the choice of either performing said work and charging the cost thereof to said grantee or determining what the cost of said work shall be and billing the grantee for said cost.

SECTION 4. The insurance company and the grantee, as provided in Section 5, will hold and save the City of Chicago, its officers, agents and employees harmless from any and all liability and expense, including judgments, costs and damages, for removal, relocation, alteration, repair, maintenance and restoration of the structures or appliances herein authorized, and from any and all damages thereto on account of the location, construction, alteration, repair or maintenance of any public ways, bridges, subways, tunnels, vaults, sewers, water mains, conduits, pipes, poles and other utilities. For the City of Chicago to recover from the insurance company and the grantee under this Section, it is not necessary that the City of Chicago first make said removal, relocation, alteration, repair, maintenance or restoration. The Commissioner of Streets and Sanitation is hereby authorized to determine what cost would be involved to perform said removal, relocation, alteration, repair, maintenance or restoration and that decision as to the amount shall be final and binding. The grantee and the insurance company, upon receiving written notification from the Commissioner of Streets and Sanitation of the cost of said removal and restoration shall pay immediately said amount upon demand. It shall be the responsibility of the grantee to furnish the City of Chicago, prior to issuance of the permit for this privilege, a copy of proof of insurance (Certificate of Insurance) in an amount not less than $1,000,000 Combined Single Limit with said insurance covering all liability, both Public Liability and Property Damage, that may result from the granting of said privilege. The grantee must furnish the City of Chicago a Certificate of Insurance which names the City of Chicago as additional insured and also clearly indicates that the privilege being granted by this ordinance is covered by the insurance policy. Certificates renewing insurance must be furnished to the Department of Revenue, Compensation Unit, no later than 30 days prior to the expiration of the policy. The aforementioned insurance coverage shall be maintained at all times by the grantee until the structures or appliances described in this ordinance are removed and the public way is restored as herein required.

SECTION 5. The Permittee(s) shall also indemnify, keep and save harmless the City of Chicago, its agents, officers and employees for any personal injuries or deaths occurring out of the reconstruction, maintenance and operation of the (vaults, canopies, etc.) and arising out of and including the passive negligence of the City of Chicago.

SECTION 6. The permission and authority herein granted shall not be exercised until a permit authorizing same shall have been issued by the Director of Revenue and upon the faithful observance and performance of all and singular the conditions and provisions of this ordinance, and conditioned further to indemnify, keep and save harmless the City of Chicago against all liabilities, judgments, costs, damages and other expenses which may in any way come against said City in consequence of the permission given by this ordinance, or which may accrue against, be charged to or recovered from said City from or by reason or on account of any act or thing done or omitted or neglected to be done by the grantee in and about the construction, reconstruction, maintenance, use and removal of said structures or appliances and the restoration of the public way as herein required. American National Bank And Trust Company Of Chicago, Under Trust Number 62451.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Permission and authority are hereby given and granted to the The American National Bank and Trust Company of Chicago, under Trust Number 62451, upon the terms and subject to the conditions of this ordinance, to maintain and use a grease catch basin in the public way located adjacent to the premises known as 325 West Huron Street.

Said grease basin shall be four (4) feet in diameter and shall be placed at a depth of eight (8) feet under the public sidewalk along North Orleans Street approximately forty-three (43) feet south of the south line of West Huron Street.

Authority herein given and granted shall be for a period of five (5) years from and after passage of this ordinance.

The location of said privilege shall be as shown on print hereto attached, which by reference is made a part of this ordinance. Said privilege shall be maintained and used in accordance with the ordinances of the City of Chicago and the directions of the Commissioner of Streets and Sanitation, the Commissioner of Buildings, the Commissioner of Transportation and the Director of Revenue. The grantee shall keep that portion of the public way over or under said privilege in good condition and repair, safe for public travel, free from snow, ice and debris to the satisfaction of the Commissioner of Streets and Sanitation.

SECTION 2. The grantee agrees to pay to the City of Chicago as compensation for the privilege herein granted the sum of Three Hundred and no/100 Dollars ($300.00) per annum, in advance. In case of termination of the privilege herein granted or the grantee transfers title or vacates the premises, the grantee shall, nevertheless, remain liable to the City of Chicago for the annual compensation which shall become due and payable under the provisions hereof, until the structures and appliances herein authorized are removed and the public way is restored as herein required. Further, renewal authority for the continued maintenance and use of the public ways as herein described shall be obtained prior to the date of expiration of this ordinance.

SECTION 3. This ordinance is subject to amendment, modification or repeal, and permission and authority herein granted may be revoked by the Mayor of the City of Chicago and the Director of Revenue at their discretion, at any time for good cause without the consent of said grantee. Upon termination of the privilege herein granted, by lapse of time or otherwise, the grantee, without cost or expense to the City of Chicago, shall remove the structures and appliances herein authorized and restore the public way

where disturbed by said structures or appliances or by the removal thereof, to a proper condition under the supervision and to the satisfaction of the Commissioner of Streets and Sanitation and in accordance with the City Municipal Code. In the event of failure, neglect or refusal of said grantee so to do, the City of Chicago will have the choice of either performing said work and charging the cost thereof to said grantee or determining what the cost of said work shall be and billing the grantee for said cost.

SECTION 4. The insurance company and the grantee, as provided in Section 5, will hold and save the City of Chicago, its officers, agents and employees harmless from any and all liability and expense, including judgments, costs and damages, for removal, relocation, alteration, repair, maintenance and restoration of the structures or appliances herein authorized, and from any and all damages thereto on account of the location, construction, alteration, repair or maintenance of any public ways, bridges, subways, tunnels, vaults, sewers, water mains, conduits, pipes, poles and other utilities. For the City of Chicago to recover from the insurance company and the grantee under this Section, it is not necessary that the City of Chicago first make said removal, relocation, alteration, repair, maintenance or restoration. The Commissioner of Streets and Sanitation is hereby authorized to determine what cost would be involved to perform said removal, relocation, alteration, repair, maintenance or restoration and that decision as to the amount shall be final and binding. The grantee and the insurance company, upon receiving written notification from the Commissioner of Streets and Sanitation of the cost of said removal and restoration shall pay immediately said amount upon demand. It shall be the responsibility of the grantee to furnish the City of Chicago, prior to issuance of the permit for this privilege, a copy of proof of insurance (Certificate of Insurance) in an amount not less than $1,000,000 Combined Single Limit with said insurance covering all liability, both Public Liability and Property Damage, that may result from the granting of said privilege. The grantee must furnish the City of Chicago a Certificate of Insurance which names the City of Chicago as additional insured and also clearly indicates that the privilege being granted by this ordinance is covered by the insurance policy. Certificates renewing insurance must be furnished to the Department of Revenue, Compensation Unit, no later than 30 days prior to the expiration of the policy. The aforementioned insurance coverage shall be maintained at all times by the grantee until the structures or appliances described in this ordinance are removed and the public way is restored as herein required.

SECTION 5. The Permittee(s) shall also indemnify, keep and save harmless the City of Chicago, its agents, officers and employees for any personal injuries or deaths occurring out of the reconstruction, maintenance and operation of the (vaults, canopies, etc.) and arising out of and including the passive negligence of the City of Chicago.

SECTION 6. The permission and authority herein granted shall not be exercised until a permit authorizing same shall have been issued by the Director of Revenue and upon the faithful observance and performance of all

and singular the conditions and provisions of this ordinance, and conditioned further to indemnify, keep and save harmless the City of Chicago against all liabilities, judgments, costs, damages and other expenses which may in any way come against said City in consequence of the permission given by this ordinance, or which may accrue against, be charged to or recovered from said City from or by reason or on account of any act or thing done or omitted or neglected to be done by the grantee in and about the construction, reconstruction, maintenance, use and removal of said structures or appliances and the restoration of the public way as herein required. Said insurance coverage shall be continuing in effect until the structures or appliances herein authorized are removed and the public way is restored as herein required.

SECTION 7. The grantee will further be liable to the City of Chicago for the annual compensation for the use of the public way.

SECTION 8. This ordinance shall take effect and be in force from and after its passage; provided, however, that said grantee file a written acceptance of this ordinance with the City Clerk; provided further, that proof of indemnification on behalf of the City of Chicago, as herein requested, and payment of the first year's compensation be paid to the Department of Revenue.

Said signs shall be installed perpendicular to the building starting at a point fifteen (15) feet, three (3) inches above street grade and extending to a height of twenty-six (26) feet, three (3) inches above street grade.

Said signs shall be used to identify The Auditorium Theatre and relate upcoming attractions to the general public.

Authority herein given and granted shall be for a period of five (5) years from and after date of passage of this ordinance.

The location of said privilege shall be as shown on print hereto attached, which by reference is made a part of this ordinance. Said privilege shall be maintained and used in accordance with the ordinances of the City of Chicago and the directions of the Commissioner of Streets and Sanitation, the Commissioner of Buildings, the Commissioner of Transportation and the Director of Revenue. The grantee shall keep that portion of the public way over or under said privilege in good condition and repair, safe for public travel, free from snow, ice and debris to the satisfaction of the Commissioner of Streets and Sanitation.

SECTION 2. The grantee agrees to pay to the City of Chicago as compensation for the privilege herein granted the sum of One Hundred Twenty-nine and no/100 Dollars ($129.00) per annum, in advance. In case of termination of the privilege herein granted or the grantee transfers title or vacates the premises, the grantee shall, nevertheless, remain liable to the City of Chicago for the annual compensation which shall become due and payable under the provisions hereof, until the structures and appliances herein authorized are removed and the public way is restored as herein required. Further, renewal authority for the continued maintenance and use of the public ways as herein described shall be obtained prior to the date of expiration of this ordinance.

SECTION 3. This ordinance is subject to amendment, modification or repeal, and permission and authority herein granted may be revoked by the Mayor of the City of Chicago and the Director of Revenue at their discretion, at any time for good cause without the consent of said grantee. Upon termination of the privilege herein granted, by lapse of time or otherwise, the grantee, without cost or expense to the City of Chicago, shall remove the structures and appliances herein authorized and restore the public way where disturbed by said structures or appliances or by the removal thereof, to a proper condition under the supervision and to the satisfaction of the Commissioner of Streets and Sanitation and in accordance with the City Municipal Code. In the event of failure, neglect or refusal of said grantee so to do, the City of Chicago will have the choice of either performing said work and charging the cost thereof to said grantee or determining what the cost of said work shall be and billing the grantee for said cost.

SECTION 4. The insurance company and the grantee, as provided in Section 5, will hold and save the City of Chicago, its officers, agents and employees harmless from any and all liability and expense, including judgments, costs and damages, for removal, relocation, alteration, repair, maintenance and restoration of the structures or appliances herein authorized, and from any and all damages thereto on account of the location, construction, alteration, repair or maintenance of any public ways, bridges, subways, tunnels, vaults, sewers, water mains, conduits, pipes, poles and other utilities. For the City of Chicago to recover from the insurance company and the grantee under this Section, it is not necessary that the City of Chicago first make said removal, relocation, alteration, repair, maintenance or restoration. The Commissioner of Streets and Sanitation is hereby authorized to determine what cost would be involved to perform said removal, relocation, alteration, repair, maintenance or restoration and that decision as to the amount shall be final and binding. The grantee and the insurance company, upon receiving written notification from the Commissioner of Streets and Sanitation of the cost of said removal and restoration shall pay immediately said amount upon demand. It shall be the responsibility of the grantee to furnish the City of Chicago, prior to issuance of the permit for this privilege, a copy of proof of insurance (Certificate of Insurance) in an amount not less than $1,000,000 Combined Single Limit with said insurance covering all liability, both Public Liability and Property Damage, that may result from the granting of said privilege. The grantee must furnish the City of Chicago a Certificate of Insurance which names the City of Chicago as additional insured and also clearly indicates that the privilege being granted by this ordinance is covered by the insurance policy. Certificates renewing insurance must be furnished to the Department of Revenue, Compensation Unit, no later than 30 days prior to the expiration of the policy. The aforementioned insurance coverage shall be maintained at all times by the grantee until the structures or appliances described in this ordinance are removed and the public way is restored as herein required.

SECTION 5. The Permittee(s) shall also indemnify, keep and save harmless the City of Chicago, its agents, officers and employees for any personal injuries or deaths occurring out of the reconstruction, maintenance and operation of the (vaults, canopies, etc.) and arising out of and including the passive negligence of the City of Chicago.

SECTION 6. The permission and authority herein granted shall not be exercised until a permit authorizing same shall have been issued by the Director of Revenue and upon the faithful observance and performance of all and singular the conditions and provisions of this ordinance, and conditioned further to indemnify, keep and save harmless the City of Chicago against all liabilities, judgments, costs, damages and other expenses which may in any way come against said City in consequence of the permission given by this ordinance, or which may accrue against, be charged to or recovered from said City from or by reason or on account of any act or thing done or omitted or neglected to be done by the grantee in and about the construction,

reconstruction, maintenance, use and removal of said structures or appliances and the restoration of the public way as herein required. Said insurance coverage shall be continuing in effect until the structures or appliances herein authorized are removed and the public way is restored as herein required.

SECTION 7. The grantee will further be liable to the City of Chicago for the annual compensation for the use of the public way.

SECTION 8. This ordinance shall take effect and be in force from and after its passage; provided, however, that said grantee file a written acceptance of this ordinance with the City Clerk; provided further, that proof of indemnification on behalf of the City of Chicago, as herein requested, and payment of the first year's compensation be paid to the Department of Revenue.

Chinese American Development Corporation.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Permission and authority are hereby given and granted to the Chinese American Development Corporation, upon the terms and subject to the conditions of this ordinance, to construct, install, maintain and use an occupation of space privilege for a sign and planter box area to be located in the public parkway area at the intersection of Archer Avenue, Cermak Road and Princeton Avenue adjacent to the premises known as 2131-F South Archer Avenue.

Said area shall measure twelve (12) feet, eight (8) inches in length and ten (10) feet, three (3) inches in width. Said sign shall measure thirteen (13) feet in width and twenty-six (26) feet in height for a total of one hundred thirty (130) square feet of space. Authority herein given and granted shall be for a period of five (5) years from and after passage of this ordinance.

The location of said privilege shall be as shown on print hereto attached, which by reference is made a part of this ordinance. Said privilege shall be maintained and used in accordance with the ordinances of the City of Chicago and the directions of the Commissioner of Streets and Sanitation, the Commissioner of Buildings, the Commissioner of Transportation and the Director of Revenue. The grantee shall keep that portion of the public way over or under said privilege in good condition and repair, safe for public travel, free from snow, ice and debris to the satisfaction of the Commissioner of Streets and Sanitation.

SECTION 2. The grantee agrees to pay to the City of Chicago as compensation for the privilege herein granted the sum of Three Hundred and no/100 Dollars ($300.00) per annum, in advance. In case of termination of the privilege herein granted or the grantee transfers title or vacates the premises, the grantee shall, nevertheless, remain liable to the City of Chicago for the annual compensation which shall become due and payable under the provisions hereof, until the structures and appliances herein authorized are removed and the public way is restored as herein required. Further, renewal authority for the continued maintenance and use of the public ways as herein described shall be obtained prior to the date of expiration of this ordinance.

SECTION 3. This ordinance is subject to amendment, modification or repeal, and permission and authority herein granted may be revoked by the Mayor of the City of Chicago and the Director of Revenue at their discretion, at any time for good cause without the consent of said grantee. Upon termination of the privilege herein granted, by lapse of time or otherwise, the grantee, without cost or expense to the City of Chicago, shall remove the structures and appliances herein authorized and restore the public way where disturbed by said structures or appliances or by the removal thereof,

to a proper condition under the supervision and to the satisfaction of the Commissioner of Streets and Sanitation and in accordance with the City Municipal Code. In the event of failure, neglect or refusal of said grantee so to do, the City of Chicago will have the choice of either performing said work and charging the cost thereof to said grantee or determining what the cost of said work shall be and billing the grantee for said cost.

SECTION 4. The insurance company and the grantee, as provided in Section 5, will hold and save the City of Chicago, its officers, agents and employees harmless from any and all liability and expense, including judgments, costs and damages, for removal, relocation, alteration, repair, maintenance and restoration of the structures or appliances herein authorized, and from any and all damages thereto on account of the location, construction, alteration, repair or maintenance of any public ways, bridges, subways, tunnels, vaults, sewers, water mains, conduits, pipes, poles and other utilities. For the City of Chicago to recover from the insurance company and the grantee under this Section, it is not necessary that the City of Chicago first make said removal, relocation, alteration, repair, maintenance or restoration. The Commissioner of Streets and Sanitation is hereby authorized to determine what cost would be involved to perform said removal, relocation, alteration, repair, maintenance or restoration and that decision as to the amount shall be final and binding. The grantee and the insurance company, upon receiving written notification from the Commissioner of Streets and Sanitation of the cost of said removal and restoration shall pay immediately said amount upon demand. It shall be the responsibility of the grantee to furnish the City of Chicago, prior to issuance of the permit for this privilege, a copy of proof of insurance (Certificate of Insurance) in an amount not less than $1,000,000 Combined Single Limit with said insurance covering all liability, both Public Liability and Property Damage, that may result from the granting of said privilege. The grantee must furnish the City of Chicago a Certificate of Insurance which names the City of Chicago as additional insured and also clearly indicates that the privilege being granted by this ordinance is covered by the insurance policy. Certificates renewing insurance must be furnished to the Department of Revenue, Compensation Unit, no later than 30 days prior to the expiration of the policy. The aforementioned insurance coverage shall be maintained at all times by the grantee until the structures or appliances described in this ordinance are removed and the public way is restored as herein required.

SECTION 5. The Permittee(s) shall also indemnify, keep and save harmless the City of Chicago, its agents, officers and employees for any personal injuries or deaths occurring out of the reconstruction, maintenance and operation of the (vaults, canopies, etc.) and arising out of and including the passive negligence of the City of Chicago.

SECTION 6. The permission and authority herein granted shall not be exercised until a permit authorizing same shall have been issued by the Director of Revenue and upon the faithful observance and performance of all and singular the conditions and provisions of this ordinance, and conditioned

further to indemnify, keep and save harmless the City of Chicago against all liabilities, judgments, costs, damages and other expenses which may in any way come against said City in consequence of the permission given by this ordinance, or which may accrue against, be charged to or recovered from said City from or by reason or on account of any act or thing done or omitted or neglected to be done by the grantee in and about the construction, reconstruction, maintenance, use and removal of said structures or appliances and the restoration of the public way as herein required. Said insurance coverage shall be continuing in effect until the structures or appliances herein authorized are removed and the public way is restored as herein required.

SECTION 7. The grantee will further be liable to the City of Chicago for the annual compensation for the use of the public way.

SECTION 8. This ordinance shall take effect and be in force from and after its passage; provided, however, that said grantee file a written acceptance of this ordinance with the City Clerk; provided further, that proof of indemnification on behalf of the City of Chicago, as herein requested, and payment of the first year's compensation be paid to the Department of Revenue.

Ordinance associated with this drawing printed on pages 21188 through 21190 of this Journal.

(Continued from page 21190)

The location of said privilege shall be as shown on print hereto attached, which by reference is made a part of this ordinance. Said privilege shall be maintained and used in accordance with the ordinances of the City of Chicago and the directions of the Commissioner of Streets and Sanitation, the Commissioner of Buildings, the Commissioner of Transportation and the Director of Revenue. The grantee shall keep that portion of the public way over or under said privilege in good condition and repair, safe for public travel, free from snow, ice and debris to the satisfaction of the Commissioner of Streets and Sanitation.

SECTION 2. The grantee agrees to pay to the City of Chicago as compensation for the privilege herein granted the sum of Four Hundred Forty-four and no/100 Dollars ($444.00) per annum, in advance. In case of termination of the privilege herein granted or the grantee transfers title or vacates the premises, the grantee shall, nevertheless, remain liable to the City of Chicago for the annual compensation which shall become due and payable under the provisions hereof, until the structures and appliances herein authorized are removed and the public way is restored as herein required. Further, renewal authority for the continued maintenance and use of the public ways as herein described shall be obtained prior to the date of expiration of this ordinance.

SECTION 3. This ordinance is subject to amendment, modification or repeal, and permission and authority herein granted may be revoked by the Mayor of the City of Chicago and the Director of Revenue at their discretion, at any time for good cause without the consent of said grantee. Upon termination of the privilege herein granted, by lapse of time or otherwise, the grantee, without cost or expense to the City of Chicago, shall remove the structures and appliances herein authorized and restore the public way where disturbed by said structures or appliances or by the removal thereof, to a proper condition under the supervision and to the satisfaction of the Commissioner of Streets and Sanitation and in accordance with the City Municipal Code. In the event of failure, neglect or refusal of said grantee so to do, the City of Chicago will have the choice of either performing said work and charging the cost thereof to said grantee or determining what the cost of said work shall be and billing the grantee for said cost.

SECTION 4. The insurance company and the grantee, as provided in Section 5, will hold and save the City of Chicago, its officers, agents and employees harmless from any and all liability and expense, including judgments, costs and damages, for removal, relocation, alteration, repair, maintenance and restoration of the structures or appliances herein authorized, and from any and all damages thereto on account of the location, construction, alteration, repair or maintenance of any public ways, bridges, subways, tunnels, vaults, sewers, water mains, conduits, pipes, poles and

other utilities. For the City of Chicago to recover from the insurance company and the grantee under this Section, it is not necessary that the City of Chicago first make said removal, relocation, alteration, repair, maintenance or restoration. The Commissioner of Streets and Sanitation is hereby authorized to determine what cost would be involved to perform said removal, relocation, alteration, repair, maintenance or restoration and that decision as to the amount shall be final and binding. The grantee and the insurance company, upon receiving written notification from the Commissioner of Streets and Sanitation of the cost of said removal and restoration shall pay immediately said amount upon demand. It shall be the responsibility of the grantee to furnish the City of Chicago, prior to issuance of the permit for this privilege, a copy of proof of insurance (Certificate of Insurance) in an amount not less than $1,000,000 Combined Single Limit with said insurance covering all liability, both Public Liability and Property Damage, that may result from the granting of said privilege. The grantee must furnish the City of Chicago a Certificate of Insurance which names the City of Chicago as additional insured and also clearly indicates that the privilege being granted by this ordinance is covered by the insurance policy. Certificates renewing insurance must be furnished to the Department of Revenue, Compensation Unit, no later than 30 days prior to the expiration of the policy. The aforementioned insurance coverage shall be maintained at all times by the grantee until the structures or appliances described in this ordinance are removed and the public way is restored as herein required.

SECTION 5. The Permittee(s) shall also indemnify, keep and save harmless the City of Chicago, its agents, officers and employees for any personal injuries or deaths occurring out of the reconstruction, maintenance and operation of the (vaults, canopies, etc.) and arising out of and including the passive negligence of the City of Chicago.

SECTION 6. The permission and authority herein granted shall not be exercised until a permit authorizing same shall have been issued by the Director of Revenue and upon the faithful observance and performance of all and singular the conditions and provisions of this ordinance, and conditioned further to indemnify, keep and save harmless the City of Chicago against all liabilities, judgments, costs, damages and other expenses which may in any way come against said City in consequence of the permission given by this ordinance, or which may accrue against, be charged to or recovered from said City from or by reason or on account of any act or thing done or omitted or neglected to be done by the grantee in and about the construction, reconstruction, maintenance, use and removal of said structures or appliances and the restoration of the public way as herein required. Said insurance coverage shall be continuing in effect until the structures or appliances herein authorized are removed and the public way is restored as herein required.

SECTION 7. The grantee will further be liable to the City of Chicago for the annual compensation for the use of the public way.

SECTION 8. This ordinance shall take effect and be in force from and after its passage; provided, however, that said grantee file a written acceptance of this ordinance with the City Clerk; provided further, that proof of indemnification on behalf of the City of Chicago, as herein requested, and payment of the first year's compensation be paid to the Department of Revenue.

East-West University.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Permission and authority are hereby given and granted to the East-West University, upon the terms and subject to the conditions of this ordinance, to maintain and use as now constructed, subsurface space (vaults) along the west side of South Michigan Avenue between 8th and 9th Streets, which is contiguous to and extends east of the building line of the Olivetti Building located at 816 South Michigan Avenue. Said subsurface space consists of a strip approximately 16.5 feet wide, extending immediately east from the Olivetti Building line, being approximately 48.2 feet in length along Michigan Avenue, containing a total of approximately 799 gross square feet, of which approximately 780 square feet is useable. Said subsurface space is used to house mechanical equipment for the sprinkler system and as storage area for typewriters. The authority herein granted shall be for a period of five (5) years from and after date of passage of this ordinance.

The location of said privilege shall be as shown on print hereto attached, which by reference is made a part of this ordinance. Said privilege shall be maintained and used in accordance with the ordinances of the City of Chicago and the directions of the Commissioner of Streets and Sanitation, the Commissioner of Buildings, the Commissioner of Transportation and the Director of Revenue. The grantee shall keep that portion of the public way over or under said privilege in good condition and repair, safe for public travel, free from snow, ice and debris to the satisfaction of the Commissioner of Streets and Sanitation.

SECTION 2. The grantee agrees to pay to the City of Chicago as compensation for the privilege herein granted the sum of Seven Hundred Forty-four and no/100 Dollars ($744.00) per annum, in advance. In case of termination of the privilege herein granted or the grantee transfers title or vacates the premises, the grantee shall, nevertheless, remain liable to the City of Chicago for the annual compensation which shall become due and payable under the provisions hereof, until the structures and appliances herein authorized are removed and the public way is restored as herein required. Further, renewal authority for the continued maintenance and use of the public ways as herein described shall be obtained prior to the date of expiration of this ordinance.

SECTION 3. This ordinance is subject to amendment, modification or repeal, and permission and authority herein granted may be revoked by the Mayor of the City of Chicago and the Director of Revenue at their discretion, at any time for good cause without the consent of said grantee. Upon termination of the privilege herein granted, by lapse of time or otherwise, the grantee, without cost or expense to the City of Chicago, shall remove the structures and appliances herein authorized and restore the public way

where disturbed by said structures or appliances or by the removal thereof, to a proper condition under the supervision and to the satisfaction of the Commissioner of Streets and Sanitation and in accordance with the City Municipal Code. In the event of failure, neglect or refusal of said grantee so to do, the City of Chicago will have the choice of either performing said work and charging the cost thereof to said grantee or determining what the cost of said work shall be and billing the grantee for said cost.

SECTION 4. The insurance company and the grantee, as provided in Section 5, will hold and save the City of Chicago, its officers, agents and employees harmless from any and all liability and expense, including judgments, costs and damages, for removal, relocation, alteration, repair, maintenance and restoration of the structures or appliances herein authorized, and from any and all damages thereto on account of the location, construction, alteration, repair or maintenance of any public ways, bridges, subways, tunnels, vaults, sewers, water mains, conduits, pipes, poles and other utilities. For the City of Chicago to recover from the insurance company and the grantee under this Section, it is not necessary that the City of Chicago first make said removal, relocation, alteration, repair, maintenance or restoration. The Commissioner of Streets and Sanitation is hereby authorized to determine what cost would be involved to perform said removal, relocation, alteration, repair, maintenance or restoration and that decision as to the amount shall be final and binding. The grantee and the insurance company, upon receiving written notification from the Commissioner of Streets and Sanitation of the cost of said removal and restoration shall pay immediately said amount upon demand. It shall be the responsibility of the grantee to furnish the City of Chicago, prior to issuance of the permit for this privilege, a copy of proof of insurance (Certificate of Insurance) in an amount not less than $1,000,000 Combined Single Limit with said insurance covering all liability, both Public Liability and Property Damage, that may result from the granting of said privilege. The grantee must furnish the City of Chicago a Certificate of Insurance which names the City of Chicago as additional insured and also clearly indicates that the privilege being granted by this ordinance is covered by the insurance policy. Certificates renewing insurance must be furnished to the Department of Revenue, Compensation Unit, no later than 30 days prior to the expiration of the policy. The aforementioned insurance coverage shall be maintained at all times by the grantee until the structures or appliances described in this ordinance are removed and the public way is restored as herein required.

SECTION 5. The Permittee(s) shall also indemnify, keep and save harmless the City of Chicago, its agents, officers and employees for any personal injuries or deaths occurring out of the reconstruction, maintenance and operation of the (vaults, canopies, etc.) and arising out of and including the passive negligence of the City of Chicago.

SECTION 6. The permission and authority herein granted shall not be exercised until a permit authorizing same shall have been issued by the Director of Revenue and upon the faithful observance and performance of all

and singular the conditions and provisions of this ordinance, and conditioned further to indemnify, keep and save harmless the City of Chicago against all liabilities, judgments, costs, damages and other expenses which may in any way come against said City in consequence of the permission given by this ordinance, or which may accrue against, be charged to or recovered from said City from or by reason or on account of any act or thing done or omitted or neglected to be done by the grantee in and about the construction, reconstruction, maintenance, use and removal of said structures or appliances and the restoration of the public way as herein required. Said insurance coverage shall be continuing in effect until the structures or appliances herein authorized are removed and the public way is restored as herein required.

SECTION 7. The grantee will further be liable to the City of Chicago for the annual compensation for the use of the public way.

SECTION 8. This ordinance shall take effect and be in force from and after its passage; provided, however, that said grantee file a written acceptance of this ordinance with the City Clerk; provided further, that proof of indemnification on behalf of the City of Chicago, as herein requested, and payment of the first year's compensation be paid to the Department of Revenue.

Evans Food Products Company.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Permission and authority are hereby given and granted to Evans Food Products Company, upon the terms and subject to the conditions of this ordinance, to maintain and use as now installed a manhole adjacent to its property located at 4118 South Halsted Street. Said manhole shall be located in the west side of South Halsted Street at a point three hundred (300) feet south of the south line of West 41st Street, and shall be maintained flush with the grade of the surrounding sidewalk at that location. Said manhole shall be four (4) feet in diameter and six feet in depth. Authority for the above named privilege is herein given and granted for a period of five (5) years from and after September 15, 1992.

The location of said privilege shall be as shown on print hereto attached, which by reference is made a part of this ordinance. Said privilege shall be maintained and used in accordance with the ordinances of the City of Chicago and the directions of the Commissioner of Streets and Sanitation, the Commissioner of Buildings, the Commissioner of Transportation and the Director of Revenue. The grantee shall keep that portion of the public way over or under said privilege in good condition and repair, safe for public travel, free from snow, ice and debris to the satisfaction of the Commissioner of Streets and Sanitation.

SECTION 2. The grantee agrees to pay to the City of Chicago as compensation for the privilege herein granted the sum of Three Hundred and no/100 Dollars ($300.00) per annum, in advance. In case of termination of the privilege herein granted or the grantee transfers title or vacates the premises, the grantee shall, nevertheless, remain liable to the City of Chicago for the annual compensation which shall become due and payable under the provisions hereof, until the structures and appliances herein authorized are removed and the public way is restored as herein required. Further, renewal authority for the continued maintenance and use of the public ways as herein described shall be obtained prior to the date of expiration of this ordinance.

SECTION 3. This ordinance is subject to amendment, modification or repeal, and permission and authority herein granted may be revoked by the Mayor of the City of Chicago and the Director of Revenue at their discretion, at any time for good cause without the consent of said grantee. Upon termination of the privilege herein granted, by lapse of time or otherwise, the grantee, without cost or expense to the City of Chicago, shall remove the structures and appliances herein authorized and restore the public way where disturbed by said structures or appliances or by the removal thereof, to a proper condition under the supervision and to the satisfaction of the Commissioner of Streets and Sanitation and in accordance with the City Municipal Code. In the event of failure, neglect or refusal of said grantee so to do, the City of Chicago will have the choice of either performing said work and charging the cost thereof to said grantee or determining what the cost of said work shall be and billing the grantee for said cost.

SECTION 4. The insurance company and the grantee, as provided in Section 5, will hold and save the City of Chicago, its officers, agents and employees harmless from any and all liability and expense, including judgments, costs and damages, for removal, relocation, alteration, repair, maintenance and restoration of the structures or appliances herein authorized, and from any and all damages thereto on account of the location, construction, alteration, repair or maintenance of any public ways, bridges, subways, tunnels, vaults, sewers, water mains, conduits, pipes, poles and other utilities. For the City of Chicago to recover from the insurance company and the grantee under this Section, it is not necessary that the City of Chicago first make said removal, relocation, alteration, repair, maintenance or restoration. The Commissioner of Streets and Sanitation is

hereby authorized to determine what cost would be involved to perform said removal, relocation, alteration, repair, maintenance or restoration and that decision as to the amount shall be final and binding. The grantee and the insurance company, upon receiving written notification from the Commissioner of Streets and Sanitation of the cost of said removal and restoration shall pay immediately said amount upon demand. It shall be the responsibility of the grantee to furnish the City of Chicago, prior to issuance of the permit for this privilege, a copy of proof of insurance (Certificate of Insurance) in an amount not less than $1,000,000 Combined Single Limit with said insurance covering all liability, both Public Liability and Property Damage, that may result from the granting of said privilege. The grantee must furnish the City of Chicago a Certificate of Insurance which names the City of Chicago as additional insured and also clearly indicates that the privilege being granted by this ordinance is covered by the insurance policy. Certificates renewing insurance must be furnished to the Department of Revenue, Compensation Unit, no later than 30 days prior to the expiration of the policy. The aforementioned insurance coverage shall be maintained at all times by the grantee until the structures or appliances described in this ordinance are removed and the public way is restored as herein required.

SECTION 5. The Permittee(s) shall also indemnify, keep and save harmless the City of Chicago, its agents, officers and employees for any personal injuries or deaths occurring out of the reconstruction, maintenance and operation of the (vaults, canopies, etc.) and arising out of and including the passive negligence of the City of Chicago.

SECTION 6. The permission and authority herein granted shall not be exercised until a permit authorizing same shall have been issued by the Director of Revenue and upon the faithful observance and performance of all and singular the conditions and provisions of this ordinance, and conditioned further to indemnify, keep and save harmless the City of Chicago against all liabilities, judgments, costs, damages and other expenses which may in any way come against said City in consequence of the permission given by this ordinance, or which may accrue against, be charged to or recovered from said City from or by reason or on account of any act or thing done or omitted or neglected to be done by the grantee in and about the construction, reconstruction, maintenance, use and removal of said structures or appliances and the restoration of the public way as herein required. Said insurance coverage shall be continuing in effect until the structures or appliances herein authorized are removed and the public way is restored as herein required.

SECTION 7. The grantee will further be liable to the City of Chicago for the annual compensation for the use of the public way.

SECTION 8. This ordinance shall take effect and be in force from and after its passage; provided, however, that said grantee file a written acceptance of this ordinance with the City Clerk; provided further, that proof of indemnification on behalf of the City of Chicago, as herein requested, and

payment of the first year's compensation be paid to the Department of Revenue.

SECTION 2. The grantee agrees to pay to the City of Chicago as compensation for the privilege herein granted the sum of Twenty-eight Thousand Five Hundred Sixty and no/100 Dollars ($28,560.00) per annum, in advance. In case of termination of the privilege herein granted or the grantee transfers title or vacates the premises, the grantee shall, nevertheless, remain liable to the City of Chicago for the annual compensation which shall become due and payable under the provisions hereof, until the structures and appliances herein authorized are removed and the public way is restored as herein required. Further, renewal authority for the continued maintenance and use of the public ways as herein described shall be obtained prior to the date of expiration of this ordinance.

SECTION 3. This ordinance is subject to amendment, modification or repeal, and permission and authority herein granted may be revoked by the Mayor of the City of Chicago and the Director of Revenue at their discretion, at any time for good cause without the consent of said grantee. Upon termination of the privilege herein granted, by lapse of time or otherwise, the grantee, without cost or expense to the City of Chicago, shall remove the structures and appliances herein authorized and restore the public way where disturbed by said structures or appliances or by the removal thereof, to a proper condition under the supervision and to the satisfaction of the Commissioner of Streets and Sanitation and in accordance with the City Municipal Code. In the event of failure, neglect or refusal of said grantee so to do, the City of Chicago will have the choice of either performing said work and charging the cost thereof to said grantee or determining what the cost of said work shall be and billing the grantee for said cost.

SECTION 4. The insurance company and the grantee, as provided in Section 5, will hold and save the City of Chicago, its officers, agents and employees harmless from any and all liability and expense, including judgments, costs and damages, for removal, relocation, alteration, repair, maintenance and restoration of the structures or appliances herein authorized, and from any and all damages thereto on account of the location, construction, alteration, repair or maintenance of any public ways, bridges, subways, tunnels, vaults, sewers, water mains, conduits, pipes, poles and other utilities. For the City of Chicago to recover from the insurance company and the grantee under this Section, it is not necessary that the City of Chicago first make said removal, relocation, alteration, repair, maintenance or restoration. The Commissioner of Streets and Sanitation is hereby authorized to determine what cost would be involved to perform said removal, relocation, alteration, repair, maintenance or restoration and that decision as to the amount shall be final and binding. The grantee and the insurance company, upon receiving written notification from the Commissioner of Streets and Sanitation of the cost of said removal and restoration shall pay immediately said amount upon demand. It shall be the

responsibility of the grantee to furnish the City of Chicago, prior to issuance of the permit for this privilege, a copy of proof of insurance (Certificate of Insurance) in an amount not less than $1,000,000 Combined Single Limit with said insurance covering all liability, both Public Liability and Property Damage, that may result from the granting of said privilege. The grantee must furnish the City of Chicago a Certificate of Insurance which names the City of Chicago as additional insured and also clearly indicates that the privilege being granted by this ordinance is covered by the insurance policy. Certificates renewing insurance must be furnished to the Department of Revenue, Compensation Unit, no later than 30 days prior to the expiration of the policy. The aforementioned insurance coverage shall be maintained at all times by the grantee until the structures or appliances described in this ordinance are removed and the public way is restored as herein required.

SECTION 5. The Permittee(s) shall also indemnify, keep and save harmless the City of Chicago, its agents, officers and employees for any personal injuries or deaths occurring out of the reconstruction, maintenance and operation of the (vaults, canopies, etc.) and arising out of and including the passive negligence of the City of Chicago.

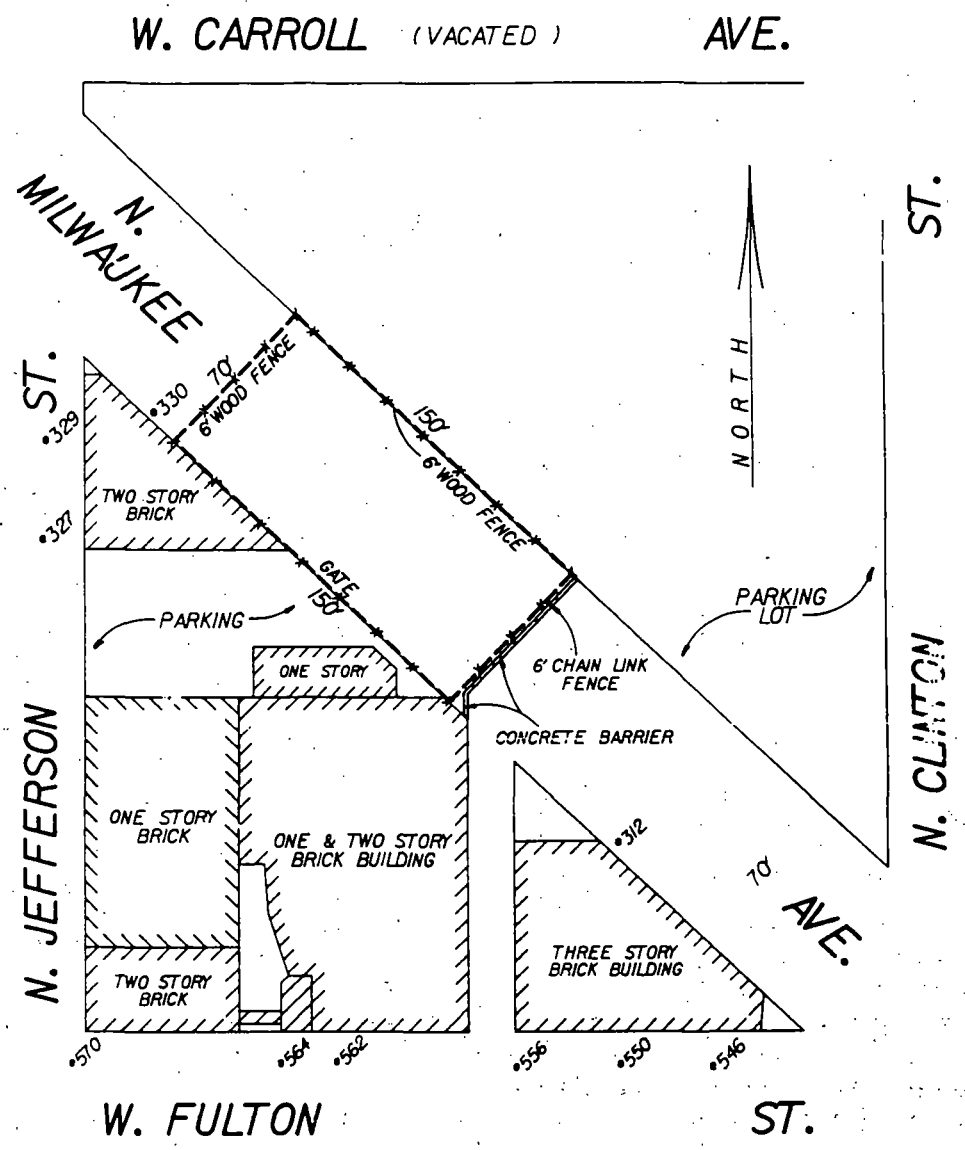

SECTION 6. The permission and authority herein granted shall not be exercised until a permit authorizing same shall have been issued by the Director of Revenue and upon the faithful observance and performance of all and singular the conditions and provisions of this ordinance, and conditioned further to indemnify, keep and save harmless the City of Chicago against all liabilities, judgments, costs, damages and other expenses which may in any way come against said City in consequence of the permission given by this ordinance, or which may accrue against, be charged to or recovered from said City from or by reason or on account of any act or thing done or omitted or neglected to be done by the grantee in and about the construction, reconstruction, maintenance, use and removal of said structures or appliances and the restoration of the public way as herein required. Said insurance coverage shall be continuing in effect until the structures or appliances herein authorized are removed and the public way is restored as herein required.

SECTION 7. The grantee will further be liable to the City of Chicago for the annual compensation for the use of the public way.

SECTION 8. This ordinance shall take effect and be in force from and after its passage; provided, however, that said grantee file a written acceptance of this ordinance with the City Clerk; provided further, that proof of indemnification on behalf of the City of Chicago, as herein requested, and payment of the first year's compensation be paid to the Department of Revenue.

Grant Hospital.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Permission and authority are hereby given and granted to Grant Hospital, upon the terms and subject to the conditions of this ordinance, to maintain and use as now installed, an inspection manhole adjacent to its premises located at 550 West Grant Place and described as follows: Said manhole shall be in the east sidewalk of the above named premises at a point eight point five (8.5) feet west of the property line on Geneva Terrace and ninety-five (95) feet south of the south line of Grant Place. Authority for the above named privilege is herein given and granted for a period of five (5) years from and after February 10, 1992.

The location of said privilege shall be as shown on print hereto attached, which by reference is made a part of this ordinance. Said privilege shall be maintained and used in accordance with the ordinances of the City of Chicago and the directions of the Commissioner of Streets and Sanitation, the Commissioner of Buildings, the Commissioner of Transportation and the Director of Revenue. The grantee shall keep that portion of the public way over or under said privilege in good condition and repair, safe for public travel, free from snow, ice and debris to the satisfaction of the Commissioner of Streets and Sanitation.

SECTION 2. The grantee agrees to pay to the City of Chicago as compensation for the privilege herein granted the sum of Three Hundred and no/100 Dollars ($300.00) per annum, in advance. In case of termination of the privilege herein granted or the grantee transfers title or vacates the premises, the grantee shall, nevertheless, remain liable to the City of Chicago for the annual compensation which shall become due and payable under the provisions hereof, until the structures and appliances herein authorized are removed and the public way is restored as herein required. Further, renewal authority for the continued maintenance and use of the public ways as herein described shall be obtained prior to the date of expiration of this ordinance.

SECTION 3. This ordinance is subject to amendment, modification or repeal, and permission and authority herein granted may be revoked by the Mayor of the City of Chicago and the Director of Revenue at their discretion, at any time for good cause without the consent of said grantee. Upon termination of the privilege herein granted, by lapse of time or otherwise, the grantee, without cost or expense to the City of Chicago, shall remove the structures and appliances herein authorized and restore the public way where disturbed by said structures or appliances or by the removal thereof, to a proper condition under the supervision and to the satisfaction of the Commissioner of Streets and Sanitation and in accordance with the City Municipal Code. In the event of failure, neglect or refusal of said grantee so

to do, the City of Chicago will have the choice of either performing said work and charging the cost thereof to said grantee or determining what the cost of said work shall be and billing the grantee for said cost.

SECTION 4. The insurance company and the grantee, as provided in Section 5, will hold and save the City of Chicago, its officers, agents and employees harmless from any and all liability and expense, including judgments, costs and damages, for removal, relocation, alteration, repair, maintenance and restoration of the structures or appliances herein authorized, and from any and all damages thereto on account of the location, construction, alteration, repair or maintenance of any public ways, bridges, subways, tunnels, vaults, sewers, water mains, conduits, pipes, poles and other utilities. For the City of Chicago to recover from the insurance company and the grantee under this Section, it is not necessary that the City of Chicago first make said removal, relocation, alteration, repair, maintenance or restoration. The Commissioner of Streets and Sanitation is hereby authorized to determine what cost would be involved to perform said removal, relocation, alteration, repair, maintenance or restoration and that decision as to the amount shall be final and binding. The grantee and the insurance company, upon receiving written notification from the Commissioner of Streets and Sanitation of the cost of said removal and restoration shall pay immediately said amount upon demand. The grantee must furnish the City of Chicago a Certificate of Insurance which names the City of Chicago as additional insured and also clearly indicates that the privilege being granted by this ordinance is covered by the insurance policy. Certificates renewing insurance must be furnished to the Department of Revenue, Compensation Unit, no later than 30 days prior to the expiration of the policy. The aforementioned insurance coverage shall be maintained at all times by the grantee until the structures or appliances described in this ordinance are removed and the public way is restored as herein required.

SECTION 5. The Permittee(s) shall also indemnify, keep and save harmless the City of Chicago, its agents, officers and employees for any personal injuries or deaths occurring out of the reconstruction, maintenance and operation of the (vaults, canopies, etc.) and arising out of and including the passive negligence of the City of Chicago.

SECTION 6. The permission and authority herein granted shall not be exercised until a permit authorizing same shall have been issued by the Director of Revenue and upon the faithful observance and performance of all and singular the conditions and provisions of this ordinance, and conditioned further to indemnify, keep and save harmless the City of Chicago against all liabilities, judgments, costs, damages and other expenses which may in any way come against said City in consequence of the permission given by this

ordinance, or which may accrue against, be charged to or recovered from said City from or by reason or on account of any act or thing done or omitted or neglected to be done by the grantee in and about the construction, reconstruction, maintenance, use and removal of said structures or appliances and the restoration of the public way as herein required. Said insurance coverage shall be continuing in effect until the structures or appliances herein authorized are removed and the public way is restored as herein required.

SECTION 7. The grantee will further be liable to the City of Chicago for the annual compensation for the use of the public way.

In the event of failure, neglect or refusal of said grantee so to do, the City of Chicago will have the choice of either performing said work and charging the cost thereof to said grantee or determining what the cost of said work shall be and billing the grantee for said cost.

SECTION 4. The insurance company and the grantee, as provided in Section 5, will hold and save the City of Chicago, its officers, agents and employees harmless from any and all liability and expense, including judgments, costs and damages, for removal, relocation, alteration, repair, maintenance and restoration of the structures or appliances herein authorized, and from any and all damages thereto on account of the location, construction, alteration, repair or maintenance of any public ways, bridges, subways, tunnels, vaults, sewers, water mains, conduits, pipes, poles and other utilities. For the City of Chicago to recover from the insurance company and the grantee under this Section, it is not necessary that the City of Chicago first make said removal, relocation, alteration, repair, maintenance or restoration. The Commissioner of Streets and Sanitation is hereby authorized to determine what cost would be involved to perform said removal, relocation, alteration, repair, maintenance or restoration and that decision as to the amount shall be final and binding. The grantee and the insurance company, upon receiving written notification from the Commissioner of Streets and Sanitation of the cost of said removal and restoration shall pay immediately said amount upon demand. It shall be the responsibility of the grantee to furnish the City of Chicago, prior to issuance of the permit for this privilege, a copy of proof of insurance (Certificate of

Insurance) in an amount not less than $1,000,000 Combined Single Limit with said insurance covering all liability, both Public Liability and Property Damage, that may result from the granting of said privilege. The grantee must furnish the City of Chicago a Certificate of Insurance which names the City of Chicago as additional insured and also clearly indicates that the privilege being granted by this ordinance is covered by the insurance policy. Certificates renewing insurance must be furnished to the Department of Revenue, Compensation Unit, no later than 30 days prior to the expiration of the policy. The aforementioned insurance coverage shall be maintained at all times by the grantee until the structures or appliances described in this ordinance are removed and the public way is restored as herein required.

SECTION 5. The Permittee(s) shall also indemnify, keep and save harmless the City of Chicago, its agents, officers and employees for any personal injuries or deaths occurring out of the reconstruction, maintenance and operation of the (vaults, canopies, etc.) and arising out of and including the passive negligence of the City of Chicago.

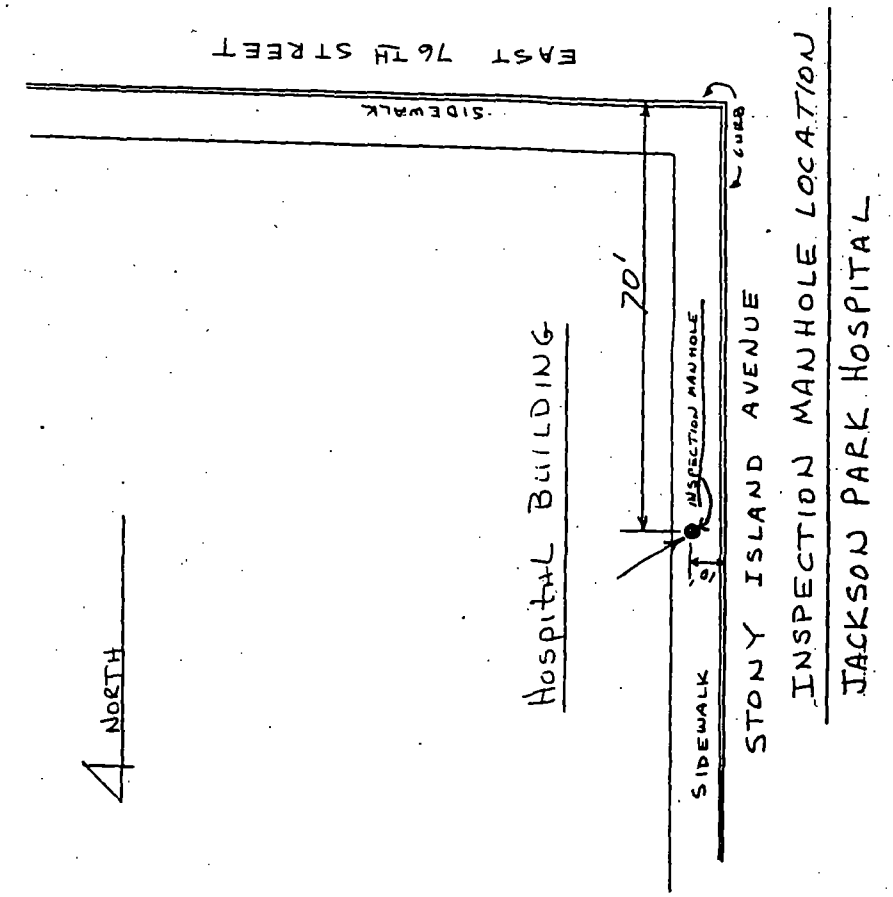

SECTION 6. The permission and authority herein granted shall not be exercised until a permit authorizing same shall have been issued by the Director of Revenue and upon the faithful observance and performance of all and singular the conditions and provisions of this ordinance, and conditioned further to indemnify, keep and save harmless the City of Chicago against all liabilities, judgments, costs, damages and other expenses which may in any way come against said City in consequence of the permission given by this ordinance, or which may accrue against, be charged to or recovered from said City from or by reason or on account of any act or thing done or omitted or neglected to be done by the grantee in and about the construction, reconstruction, maintenance, use and removal of said structures or appliances and the restoration of the public way as herein required. Said insurance coverage shall be continuing in effect until the structures or appliances herein authorized are removed and the public way is restored as herein required.

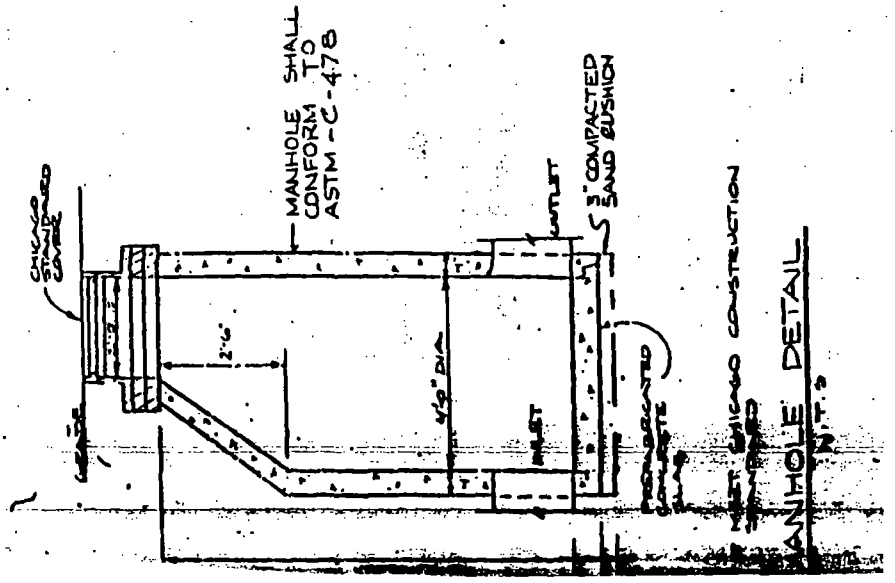

SECTION 7. The grantee will further be liable to the City of Chicago for the annual compensation for the use of the public way.

SECTION 8. This ordinance shall take effect and be in force from and after its passage; provided, however, that said grantee file a written acceptance of this ordinance with the City Clerk; provided further, that proof of indemnification on behalf of the City of Chicago, as herein requested, and payment of the first year's compensation be paid to the Department of Revenue.

Jewel Food Stores, Inc.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Permission and authority are hereby given and granted to Jewel Food Stores, Inc., upon the terms and subject to the conditions of this ordinance, to maintain and use as now constructed two (2) loading platforms adjacent to its premises located at 6202 South Halsted Street and described as follows: said loading platforms shall be located in the north/south sixteen (16) foot public alley at the rear of the above named premises and each loading platform shall be thirty (30) feet, two (2) inches in length, twelve (12) feet, two (2) inches in width. Authority for the above named privilege is herein given and granted for a period of five (5) years from and after March 29, 1993.

The location of said privilege shall be as shown on print hereto attached, which by reference is made a part of this ordinance. Said privilege shall be maintained and used in accordance with the ordinances of the City of Chicago and the directions of the Commissioner of Streets and Sanitation, the Commissioner of Buildings, the Commissioner of Transportation and the Director of Revenue. The grantee shall keep that portion of the public way over or under said privilege in good condition and repair, safe for public travel, free from snow, ice and debris to the satisfaction of the Commissioner of Streets and Sanitation.

SECTION 2. The grantee agrees to pay to the City of Chicago as compensation for the privilege herein granted the sum of Two Hundred Seventy-five and no/100 Dollars ($275.00) per annum, in advance. In case of termination of the privilege herein granted or the grantee transfers title or vacates the premises, the grantee shall, nevertheless, remain liable to the City of Chicago for the annual compensation which shall become due and payable under the provisions hereof, until the structures and appliances herein authorized are removed and the public way is restored as herein required. Further, renewal authority for the continued maintenance and use of the public ways as herein described shall be obtained prior to the date of expiration of this ordinance.

SECTION 3. This ordinance is subject to amendment, modification or repeal, and permission and authority herein granted may be revoked by the Mayor of the City of Chicago and the Director of Revenue at their discretion, at any time for good cause without the consent of said grantee. Upon termination of the privilege herein granted, by lapse of time or otherwise, the grantee, without cost or expense to the City of Chicago, shall remove the structures and appliances herein authorized and restore the public way where disturbed by said structures or appliances or by the removal thereof, to a proper condition under the supervision and to the satisfaction of the Commissioner of Streets and Sanitation and in accordance with the City

Municipal Code. In the event of failure, neglect or refusal of said grantee so to do, the City of Chicago will have the choice of either performing said work and charging the cost thereof to said grantee or determining what the cost of said work shall be and billing the grantee for said cost.

SECTION 4. The insurance company and the grantee, as provided in Section 5, will hold and save the City of Chicago, its officers, agents and employees harmless from any and all liability and expense, including judgments, costs and damages, for removal, relocation, alteration, repair, maintenance and restoration of the structures or appliances herein authorized, and from any and all damages thereto on account of the location, construction, alteration, repair or maintenance of any public ways, bridges, subways, tunnels, vaults, sewers, water mains, conduits, pipes, poles and other utilities. For the City of Chicago to recover from the insurance company and the grantee under this Section, it is not necessary that the City of Chicago first make said removal, relocation, alteration, repair, maintenance or restoration. The Commissioner of Streets and Sanitation is hereby authorized to determine what cost would be involved to perform said removal, relocation, alteration, repair, maintenance or restoration and that decision as to the amount shall be final and binding. The grantee and the insurance company, upon receiving written notification from the Commissioner of Streets and Sanitation of the cost of said removal and restoration shall pay immediately said amount upon demand. It shall be the responsibility of the grantee to furnish the City of Chicago, prior to issuance of the permit for this privilege, a copy of proof of insurance (Certificate of Insurance) in an amount not less than $1,000,000 Combined Single Limit with said insurance covering all liability, both Public Liability and Property Damage, that may result from the granting of said privilege. The grantee must furnish the City of Chicago a Certificate of Insurance which names the City of Chicago as additional insured and also clearly indicates that the privilege being granted by this ordinance is covered by the insurance policy. Certificates renewing insurance must be furnished to the Department of Revenue, Compensation Unit, no later than 30 days prior to the expiration of the policy. The aforementioned insurance coverage shall be maintained at all times by the grantee until the structures or appliances described in this ordinance are removed and the public way is restored as herein required.

SECTION 5. The Permittee(s) shall also indemnify, keep and save harmless the City of Chicago, its agents, officers and employees for any personal injuries or deaths occurring out of the reconstruction, maintenance and operation of the (vaults, canopies, etc.) and arising out of and including the passive negligence of the City of Chicago.

SECTION 6. The permission and authority herein granted shall not be exercised until a permit authorizing same shall have been issued by the Director of Revenue and upon the faithful observance and performance of all and singular the conditions and provisions of this ordinance, and conditioned further to indemnify, keep and save harmless the City of Chicago against all liabilities, judgments, costs, damages and other expenses which may in any

way come against said City in consequence of the permission given by this ordinance, or which may accrue against, be charged to or recovered from said City from or by reason or on account of any act or thing done or omitted or neglected to be done by the grantee in and about the construction, reconstruction, maintenance, use and removal of said structures or appliances and the restoration of the public way as herein required. Said insurance coverage shall be continuing in effect until the structures or appliances herein authorized are removed and the public way is restored as herein required.

SECTION 7. The grantee will further be liable to the City of Chicago for the annual compensation for the use of the public way.

SECTION 8. This ordinance shall take effect and be in force from and after its passage; provided, however, that said grantee file a written acceptance of this ordinance with the City Clerk; provided further, that proof of indemnification on behalf of the City of Chicago, as herein requested, and payment of the first year's compensation be paid to the Department of Revenue.

Authority is herein granted for a period of five (5) years from and after June 5, 1992.

The location of said privilege shall be as shown on print hereto attached, which by reference is made a part of this ordinance. Said privilege shall be maintained and used in accordance with the ordinances of the City of Chicago and the directions of the Commissioner of Streets and Sanitation, the Commissioner of Buildings, the Commissioner of Transportation and the Director of Revenue. The grantee shall keep that portion of the public way over or under said privilege in good condition and repair, safe for public travel, free from snow, ice and debris to the satisfaction of the Commissioner of Streets and Sanitation.

SECTION 2. The grantee agrees to pay to the City of Chicago as compensation for the privilege herein granted the sum of Eleven Thousand Seven Hundred Three and no/100 Dollars ($11,703.00) per annum, in advance. In case of termination of the privilege herein granted or the grantee transfers title or vacates the premises, the grantee shall, nevertheless, remain liable to the City of Chicago for the annual compensation which shall become due and payable under the provisions hereof, until the structures and appliances herein authorized are removed and the public way is restored as herein required. Further, renewal authority for the continued maintenance and use of the public ways as herein described shall be obtained prior to the date of expiration of this ordinance.

SECTION 3. This ordinance is subject to amendment, modification or repeal, and permission and authority herein granted may be revoked by the Mayor of the City of Chicago and the Director of Revenue at their discretion, at any time for good cause without the consent of said grantee. Upon termination of the privilege herein granted, by lapse of time or otherwise, the grantee, without cost or expense to the City of Chicago, shall remove the structures and appliances herein authorized and restore the public way where disturbed by said structures or appliances or by the removal thereof, to a proper condition under the supervision and to the satisfaction of the Commissioner of Streets and Sanitation and in accordance with the City Municipal Code. In the event of failure, neglect or refusal of said grantee so to do, the City of Chicago will have the choice of either performing said work and charging the cost thereof to said grantee or determining what the cost of said work shall be and billing the grantee for said cost.

SECTION 4. The insurance company and the grantee, as provided in Section 5, will hold and save the City of Chicago, its officers, agents and employees harmless from any and all liability and expense, including judgments, costs and damages, for removal, relocation, alteration, repair, maintenance and restoration of the structures or appliances herein authorized, and from any and all damages thereto on account of the location, construction, alteration, repair or maintenance of any public ways, bridges, subways, tunnels, vaults, sewers, water mains, conduits, pipes, poles and other utilities. For the City of Chicago to recover from the insurance company and the grantee under this Section, it is not necessary that the City of Chicago first make said removal, relocation, alteration, repair, maintenance or restoration. The Commissioner of Streets and Sanitation is hereby authorized to determine what cost would be involved to perform said removal, relocation, alteration, repair, maintenance or restoration and that decision as to the amount shall be final and binding. The grantee and the insurance company, upon receiving written notification from the Commissioner of Streets and Sanitation of the cost of said removal and restoration shall pay immediately said amount upon demand. It shall be the responsibility of the grantee to furnish the City of Chicago, prior to issuance of the permit for this privilege, a copy of proof of insurance (Certificate of Insurance) in an amount not less than $1,000,000 Combined Single Limit with said insurance covering all liability, both Public Liability and Property Damage, that may result from the granting of said privilege. The grantee must furnish the City of Chicago a Certificate of Insurance which names the City of Chicago as additional insured and also clearly indicates that the privilege being granted by this ordinance is covered by the insurance policy. Certificates renewing insurance must be furnished to the Department of Revenue, Compensation Unit, no later than 30 days prior to the expiration of the policy. The aforementioned insurance coverage shall be maintained at all times by the grantee until the structures or appliances described in this ordinance are removed and the public way is restored as herein required.

SECTION 5. The Permittee(s) shall also indemnify, keep and save harmless the City of Chicago, its agents, officers and employees for any personal injuries or deaths occurring out of the reconstruction, maintenance and operation of the (vaults, canopies, etc.) and arising out of and including the passive negligence of the City of Chicago.

SECTION 6. The permission and authority herein granted shall not be exercised until a permit authorizing same shall have been issued by the Director of Revenue and upon the faithful observance and performance of all and singular the conditions and provisions of this ordinance, and conditioned further to indemnify, keep and save harmless the City of Chicago against all liabilities, judgments, costs, damages and other expenses which may in any way come against said City in consequence of the permission given by this ordinance, or which may accrue against, be charged to or recovered from said City from or by reason or on account of any act or thing done or omitted or neglected to be done by the grantee in and about the construction, reconstruction, maintenance, use and removal of said structures or appliances and the restoration of the public way as herein required. Said insurance coverage shall be continuing in effect until the structures or appliances herein authorized are removed and the public way is restored as herein required.

SECTION 7. The grantee will further be liable to the City of Chicago for the annual compensation for the use of the public way.

SECTION 8. This ordinance shall take effect and be in force from and after its passage; provided, however, that said grantee file a written acceptance of this ordinance with the City Clerk; provided further, that proof of indemnification on behalf of the City of Chicago, as herein requested, and payment of the first year's compensation be paid to the Department of Revenue.

St. Paul Federal Bank For Savings.

Be It Ordained by the City Council of the City of Chicago:

(Continued on page 21257)

Ordinance associated with this drawing printed on pages 21251 through 21255 of this Journal.

(Continued from page 21255)

SECTION 1. Permission and authority are hereby given and granted to St. Paul Federal Bank for Savings, upon the terms and subject to the conditions of this ordinance, to construct, install, maintain and use an overhead communication cable adjacent to the premises known as 6700 West North Avenue. Said telecommunication cable shall measure one hundred sixty (160) feet in length, of which fifty (50) feet shall cross over the public right-of-way of the City of Chicago and shall connect the main bank building at 6700 West North Avenue and the annex office property at 6701 West North Avenue.

Said cable to be installed shall be for inter-office communications and shall be either one 300-pair cable or three 100-pair cables and a messenger cable.

Said overhead telecommunication cable shall be removed by St. Paul Federal Bank if property is sold or razed or if said grantee ceases to require use of this privilege.

Authority herein given and granted shall be for a period of five (5) years from and after date of passage of this ordinance.

The location of said privilege shall be as shown on print hereto attached, which by reference is made a part of this ordinance. Said privilege shall be maintained and used in accordance with the ordinances of the City of Chicago and the directions of the Commissioner of Streets and Sanitation, the Commissioner of Buildings, the Commissioner of Transportation and the Director of Revenue. The grantee shall keep that portion of the public way over or under said privilege in good condition and repair, safe for public travel, free from snow, ice and debris to the satisfaction of the Commissioner of Streets and Sanitation.

SECTION 2. The grantee agrees to pay to the City of Chicago as compensation for the privilege herein granted the sum of Two Hundred and no/100 Dollars ($200.00) per annum, in advance. In case of termination of the privilege herein granted or the grantee transfers title or vacates the premises, the grantee shall, nevertheless, remain liable to the City of Chicago for the annual compensation which shall become due and payable under the provisions hereof, until the structures and appliances herein authorized are removed and the public way is restored as herein required. Further, renewal authority for the continued maintenance and use of the public ways as herein described shall be obtained prior to the date of expiration of this ordinance.

SECTION 3. This ordinance is subject to amendment, modification or repeal, and permission and authority herein granted may be revoked by the

Mayor of the City of Chicago and the Director of Revenue at their discretion, at any time for good cause without the consent of said grantee. Upon termination of the privilege herein granted, by lapse of time or otherwise, the grantee, without cost or expense to the City of Chicago, shall remove the structures and appliances herein authorized and restore the public way where disturbed by said structures or appliances or by the removal thereof, to a proper condition under the supervision and to the satisfaction of the Commissioner of Streets and Sanitation and in accordance with the City Municipal Code. In the event of failure, neglect or refusal of said grantee so to do, the City of Chicago will have the choice of either performing said work and charging the cost thereof to said grantee or determining what the cost of said work shall be and billing the grantee for said cost.

SECTION 4. The insurance company and the grantee, as provided in Section 5, will hold and save the City of Chicago, its officers, agents and employees harmless from any and all liability and expense, including judgments, costs and damages, for removal, relocation, alteration, repair, maintenance and restoration of the structures or appliances herein authorized, and from any and all damages thereto on account of the location, construction, alteration, repair or maintenance of any public ways, bridges, subways, tunnels, vaults, sewers, water mains, conduits, pipes, poles and other utilities. For the City of Chicago to recover from the insurance company and the grantee under this Section, it is not necessary that the City of Chicago first make said removal, relocation, alteration, repair, maintenance or restoration. The Commissioner of Streets and Sanitation is hereby authorized to determine what cost would be involved to perform said removal, relocation, alteration, repair, maintenance or restoration and that decision as to the amount shall be final and binding. The grantee and the insurance company, upon receiving written notification from the Commissioner of Streets and Sanitation of the cost of said removal and restoration shall pay immediately said amount upon demand. It shall be the responsibility of the grantee to furnish the City of Chicago, prior to issuance of the permit for this privilege, a copy of proof of insurance (Certificate of Insurance) in an amount not less than $1,000,000 Combined Single Limit with said insurance covering all liability, both Public Liability and Property Damage, that may result from the granting of said privilege. The grantee must furnish the City of Chicago a Certificate of Insurance which names the City of Chicago as additional insured and also clearly indicates that the privilege being granted by this ordinance is covered by the insurance policy. Certificates renewing insurance must be furnished to the Department of Revenue, Compensation Unit, no later than 30 days prior to the expiration of the policy. The aforementioned insurance coverage shall be maintained at all times by the grantee until the structures or appliances described in this ordinance are removed and the public way is restored as herein required.

SECTION 5. The Permittee(s) shall also indemnify, keep and save harmless the City of Chicago, its agents, officers and employees for any personal injuries or deaths occurring out of the reconstruction, maintenance

and operation of the (vaults, canopies, etc.) and arising out of and including the passive negligence of the City of Chicago.

SECTION 6. The permission and authority herein granted shall not be exercised until a permit authorizing same shall have been issued by the Director of Revenue and upon the faithful observance and performance of all and singular the conditions and provisions of this ordinance, and conditioned further to indemnify, keep and save harmless the City of Chicago against all liabilities, judgments, costs, damages and other expenses which may in any way come against said City in consequence of the permission given by this ordinance, or which may accrue against, be charged to or recovered from said City from or by reason or on account of any act or thing done or omitted or neglected to be done by the grantee in and about the construction, reconstruction, maintenance, use and removal of said structures or appliances and the restoration of the public way as herein required. Mr. Dominick Reebie (Doing Business As Reebie Storage And Moving Company).

Be It Ordained by the City Council of the City of Chicago:

(Continued on page 21261)

Ordinance associated with this drawing printed on pages 21255 through 21259 of this Journal.

(Continued from page 21259)

SECTION 1. Permission and authority are hereby given and granted to Dominick Reebie, doing business as Reebie Storage and Moving Company, upon the terms and subject to the conditions of this ordinance, to construct, install, maintain and use a lift-gate loading platform adjacent to the premises located at 6542 North Clark Street. Said privilege shall measure eight (8) feet in length and five (5) feet in width and shall be used to move freight from ground level to the building's elevated entrance. Authority herein given and granted shall be for a period of five (5) years from and after the date of passage of this ordinance.

The location of said privilege shall be as shown on print hereto attached, which by reference is made a part of this ordinance. Said privilege shall be maintained and used in accordance with the ordinances of the City of Chicago and the directions of the Commissioner of Streets and Sanitation, the Commissioner of Buildings, the Commissioner of Transportation and the Director of Revenue. The grantee shall keep that portion of the public way over or under said privilege in good condition and repair, safe for public travel, free from snow, ice and debris to the satisfaction of the Commissioner of Streets and Sanitation.

SECTION 2. The grantee agrees to pay to the City of Chicago as compensation for the privilege herein granted the sum of Two Hundred and no/100 Dollars ($200.00) per annum, in advance. In case of termination of the privilege herein granted or the grantee transfers title or vacates the premises, the grantee shall, nevertheless, remain liable to the City of Chicago for the annual compensation which shall become due and payable under the provisions hereof, until the structures and appliances herein authorized are removed and the public way is restored as herein required. Further, renewal authority for the continued maintenance and use of the public ways as herein described shall be obtained prior to the date of expiration of this ordinance.

SECTION 3. This ordinance is subject to amendment, modification or repeal, and permission and authority herein granted may be revoked by the Mayor of the City of Chicago and the Director of Revenue at their discretion, at any time for good cause without the consent of said grantee. Upon termination of the privilege herein granted, by lapse of time or otherwise, the grantee, without cost or expense to the City of Chicago, shall remove the structures and appliances herein authorized and restore the public way where disturbed by said structures or appliances or by the removal thereof, to a proper condition under the supervision and to the satisfaction of the Commissioner of Streets and Sanitation and in accordance with the City Municipal Code. In the event of failure, neglect or refusal of said grantee so to do, the City of Chicago will have the choice of either performing said work and charging the cost thereof to said grantee or determining what the cost of said work shall be and billing the grantee for said cost.

SECTION 4. The insurance company and the grantee, as provided in Section 5, will hold and save the City of Chicago, its officers, agents and employees harmless from any and all liability and expense, including judgments, costs and damages, for removal, relocation, alteration, repair, maintenance and restoration of the structures or appliances herein authorized, and from any and all damages thereto on account of the location, construction, alteration, repair or maintenance of any public ways, bridges, subways, tunnels, vaults, sewers, water mains, conduits, pipes, poles and other utilities. For the City of Chicago to recover from the insurance company and the grantee under this Section, it is not necessary that the City of Chicago first make said removal, relocation, alteration, repair, maintenance or restoration. The Commissioner of Streets and Sanitation is hereby authorized to determine what cost would be involved to perform said removal, relocation, alteration, repair, maintenance or restoration and that decision as to the amount shall be final and binding. The grantee and the insurance company, upon receiving written notification from the Commissioner of Streets and Sanitation of the cost of said removal and restoration shall pay immediately said amount upon demand. It shall be the responsibility of the grantee to furnish the City of Chicago, prior to issuance of the permit for this privilege, a copy of proof of insurance (Certificate of Insurance) in an amount not less than $1,000,000 Combined Single Limit with said insurance covering all liability, both Public Liability and Property Damage, that may result from the granting of said privilege. The grantee must furnish the City of Chicago a Certificate of Insurance which names the City of Chicago as additional insured and also clearly indicates that the privilege being granted by this ordinance is covered by the insurance policy. Certificates renewing insurance must be furnished to the Department of Revenue, Compensation Unit, no later than 30 days prior to the expiration of the policy. The aforementioned insurance coverage shall be maintained at all times by the grantee until the structures or appliances described in this ordinance are removed and the public way is restored as herein required.

SECTION 5. The Permittee(s) shall also indemnify, keep and save harmless the City of Chicago, its agents, officers and employees for any personal injuries or deaths occurring out of the reconstruction, maintenance and operation of the (vaults, canopies, etc.) and arising out of and including the passive negligence of the City of Chicago.

SECTION 6. The permission and authority herein granted shall not be exercised until a permit authorizing same shall have been issued by the Director of Revenue and upon the faithful observance and performance of all and singular the conditions and provisions of this ordinance, and conditioned further to indemnify, keep and save harmless the City of Chicago against all liabilities, judgments, costs, damages and other expenses which may in any way come against said City in consequence of the permission given by this ordinance, or which may accrue against, be charged to or recovered from said City from or by reason or on account of any act or thing done or omitted or neglected to be done by the grantee in and about the construction,

reconstruction, maintenance, use and removal of said structures or appliances and the restoration of the public way as herein required. Said insurance coverage shall be continuing in effect until the structures or appliances herein authorized are removed and the public way is restored as herein required.

SECTION 7. The grantee will further be liable to the City of Chicago for the annual compensation for the use of the public way.

SECTION 8. This ordinance shall take effect and be in force from and after its passage; provided, however, that said grantee file a written acceptance of this ordinance with the City Clerk; provided further, that proof of indemnification on behalf of the City of Chicago, as herein requested, and payment of the first year's compensation be paid to the Department of Revenue.

the Commissioner of Buildings, the Commissioner of Transportation and the Director of Revenue. The grantee shall keep that portion of the public way over or under said privilege in good condition and repair, safe for public travel, free from snow, ice and debris to the satisfaction of the Commissioner of Streets and Sanitation.

SECTION 2. The grantee agrees to pay to the City of Chicago as compensation for the privilege herein granted the sum of Three Hundred Thirty-five and no/100 Dollars ($335.00) per annum, in advance. In case of termination of the privilege herein granted or the grantee transfers title or vacates the premises, the grantee shall, nevertheless, remain liable to the City of Chicago for the annual compensation which shall become due and payable under the provisions hereof, until the structures and appliances herein authorized are removed and the public way is restored as herein required. Further, renewal authority for the continued maintenance and use of the public ways as herein described shall be obtained prior to the date of expiration of this ordinance.

SECTION 3. This ordinance is subject to amendment, modification or repeal, and permission and authority herein granted may be revoked by the Mayor of the City of Chicago and the Director of Revenue at their discretion, at any time for good cause without the consent of said grantee. Upon termination of the privilege herein granted, by lapse of time or otherwise, the grantee, without cost or expense to the City of Chicago, shall remove the structures and appliances herein authorized and restore the public way where disturbed by said structures or appliances or by the removal thereof, to a proper condition under the supervision and to the satisfaction of the Commissioner of Streets and Sanitation and in accordance with the City Municipal Code. In the event of failure, neglect or refusal of said grantee so to do, the City of Chicago will have the choice of either performing said work and charging the cost thereof to said grantee or determining what the cost of said work shall be and billing the grantee for said cost.

SECTION 4. The insurance company and the grantee, as provided in Section 5, will hold and save the City of Chicago, its officers, agents and employees harmless from any and all liability and expense, including judgments, costs and damages, for removal, relocation, alteration, repair, maintenance and restoration of the structures or appliances herein authorized, and from any and all damages thereto on account of the location, construction, alteration, repair or maintenance of any public ways, bridges, subways, tunnels, vaults, sewers, water mains, conduits, pipes, poles and other utilities. For the City of Chicago to recover from the insurance company and the grantee under this Section, it is not necessary that the City of Chicago first make said removal, relocation, alteration, repair, maintenance or restoration. The Commissioner of Streets and Sanitation is hereby authorized to determine what cost would be involved to perform said

removal, relocation, alteration, repair, maintenance or restoration and that decision as to the amount shall be final and binding. The grantee and the insurance company, upon receiving written notification from the Commissioner of Streets and Sanitation of the cost of said removal and restoration shall pay immediately said amount upon demand. It shall be the responsibility of the grantee to furnish the City of Chicago, prior to issuance of the permit for this privilege, a copy of proof of insurance (Certificate of Insurance) in an amount not less than $1,000,000 Combined Single Limit with said insurance covering all liability, both Public Liability and Property Damage, that may result from the granting of said privilege. The grantee must furnish the City of Chicago a Certificate of Insurance which names the City of Chicago as additional insured and also clearly indicates that the privilege being granted by this ordinance is covered by the insurance policy. Certificates renewing insurance must be furnished to the Department of Revenue, Compensation Unit, no later than 30 days prior to the expiration of the policy. The aforementioned insurance coverage shall be maintained at all times by the grantee until the structures or appliances described in this ordinance are removed and the public way is restored as herein required.

SECTION 5. The Permittee(s) shall also indemnify, keep and save harmless the City of Chicago, its agents, officers and employees for any personal injuries or deaths occurring out of the reconstruction, maintenance and operation of the (vaults, canopies, etc.) and arising out of and including the passive negligence of the City of Chicago.

SECTION 6. The permission and authority herein granted shall not be exercised until a permit authorizing same shall have been issued by the Director of Revenue and upon the faithful observance and performance of all and singular the conditions and provisions of this ordinance, and conditioned further to indemnify, keep and save harmless the City of Chicago against all liabilities, judgments, costs, damages and other expenses which may in any way come against said City in consequence of the permission given by this ordinance, or which may accrue against, be charged to or recovered from said City from or by reason or on account of any act or thing done or omitted or neglected to be done by the grantee in and about the construction, reconstruction, maintenance, use and removal of said structures or appliances and the restoration of the public way as herein required. Said insurance coverage shall be continuing in effect until the structures or appliances herein authorized are removed and the public way is restored as herein required.

SECTION 7. The grantee will further be liable to the City of Chicago for the annual compensation for the use of the public way.

SECTION 8. This ordinance shall take effect and be in force from and after its passage; provided, however, that said grantee file a written acceptance of this ordinance with the City Clerk; provided further, that proof of indemnification on behalf of the City of Chicago, as herein requested, and

payment of the first year's compensation be paid to the Department of Revenue.

The aforementioned insurance coverage shall be maintained at all times by the grantee until the structures or appliances described in this ordinance are removed and the public way is restored as herein required.

SECTION 5. The Permittee(s) shall also indemnify, keep and save harmless the City of Chicago, its agents, officers and employees for any personal injuries or deaths occurring out of the reconstruction, maintenance and operation of the (vaults, canopies, etc.) and arising out of and including the passive negligence of the City of Chicago.

SECTION 6. The permission and authority herein granted shall not be exercised until a permit authorizing same shall have been issued by the Director of Revenue and upon the faithful observance and performance of all and singular the conditions and provisions of this ordinance, and conditioned further to indemnify, keep and save harmless the City of Chicago against all liabilities, judgments, costs, damages and other expenses which may in any way come against said City in consequence of the permission given by this ordinance, or which may accrue against, be charged to or recovered from said City from or by reason or on account of any act or thing done or omitted or neglected to be done by the grantee in and about the construction, reconstruction, maintenance, use and removal of said structures or

appliances and the restoration of the public way as herein required. Said insurance coverage shall be continuing in effect until the structures or appliances herein authorized are removed and the public way is restored as herein required.

SECTION 7. The grantee will further be liable to the City of Chicago for the annual compensation for the use of the public way.

SECTION 8. This ordinance shall take effect and be in force from and after its passage; provided, however, that said grantee file a written acceptance of this ordinance with the City Clerk; provided further, that proof of indemnification on behalf of the City of Chicago, as herein requested, and payment of the first year's compensation be paid to the Department of Revenue.

7617 -- 7619 North Eastlake Terrace Townhouse Association.

Be It Ordained by the City Council of the City of Chicago:

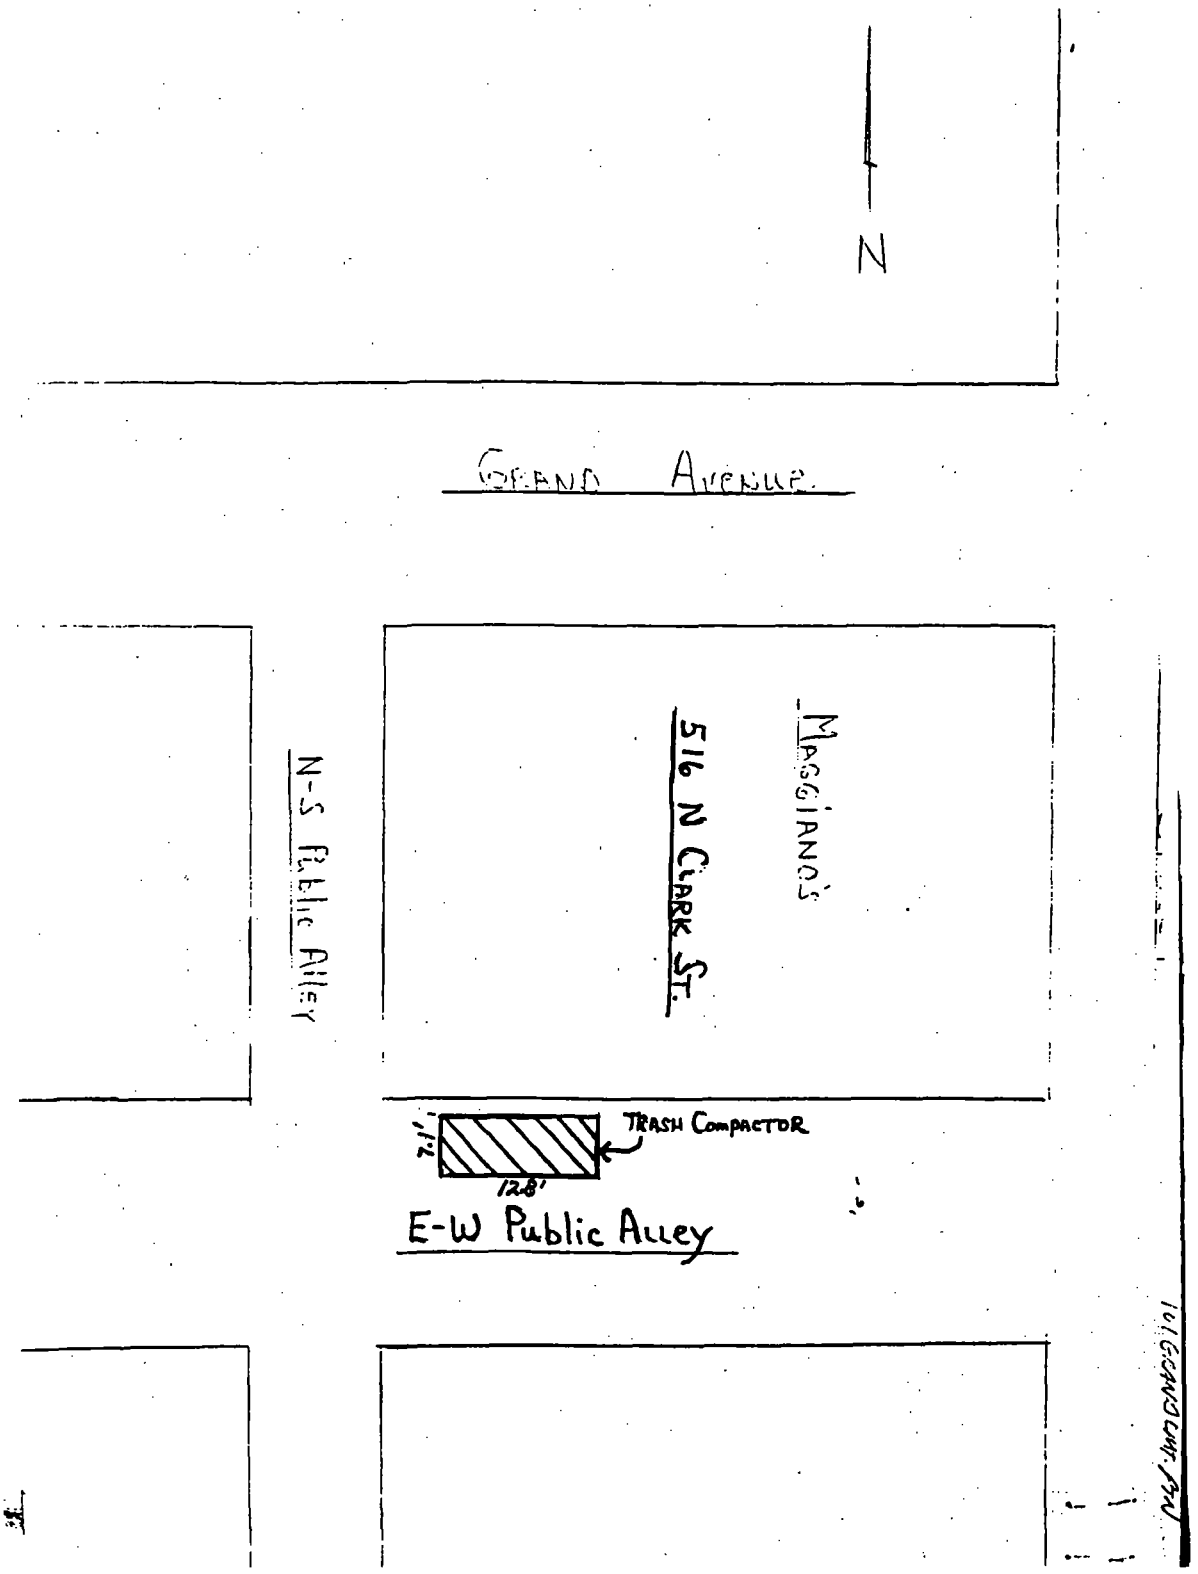

SECTION 1. Permission and authority are hereby given and granted to the 7617 -- 7619 North Eastlake Terrace Townhouse Association, upon the terms and subject to the conditions of this ordinance, to construct, install, maintain and use a driveway guard rail in the public right-of-way located adjacent to the premises known as 7619 North Eastlake Terrace.

Said guard rail shall measure seven (7) feet six (6) inches in length and one (1) foot in width and twenty-five (25) inches in height and shall be constructed of steel with two (2) steel I-Beam supports sunk approximately three (3) feet underground.

Said guard rail shall be used to prevent illegal ingress and egress through the parking lot for the residents of 7619 North Eastlake Terrace. Authority is herein given and granted for a period of five (5) years from and after date of passage of this ordinance.

Ordinance associated with this drawing printed on pages 21274 through 21278 of this Journal.

(Continued from page 21278)

The location of said privilege shall be as shown on print hereto attached, which by reference is made a part of this ordinance. Said privilege shall be maintained and used in accordance with the ordinances of the City of Chicago and the directions of the Commissioner of Streets and Sanitation, the Commissioner of Buildings, the Commissioner of Transportation and the Director of Revenue. The grantee shall keep that portion of the public way over or under said privilege in good condition and repair, safe for public travel, free from snow, ice and debris to the satisfaction of the Commissioner of Streets and Sanitation.

SECTION 2. The grantee agrees to pay to the City of Chicago as compensation for the privilege herein granted the sum of Three Hundred and no/100 Dollars ($300.00) per annum, in advance. In case of termination of the privilege herein granted or the grantee transfers title or vacates the premises, the grantee shall, nevertheless, remain liable to the City of Chicago for the annual compensation which shall become due and payable under the provisions hereof, until the structures and appliances herein authorized are removed and the public way is restored as herein required. Further, renewal authority for the continued maintenance and use of the public ways as herein described shall be obtained prior to the date of expiration of this ordinance.

SECTION 3. This ordinance is subject to amendment, modification or repeal, and permission and authority herein granted may be revoked by the Mayor of the City of Chicago and the Director of Revenue at their discretion, at any time for good cause without the consent of said grantee. Upon termination of the privilege herein granted, by lapse of time or otherwise, the grantee, without cost or expense to the City of Chicago, shall remove the structures and appliances herein authorized and restore the public way where disturbed by said structures or appliances or by the removal thereof, to a proper condition under the supervision and to the satisfaction of the Commissioner of Streets and Sanitation and in accordance with the City Municipal Code. In the event of failure, neglect or refusal of said grantee so to do, the City of Chicago will have the choice of either performing said work and charging the cost thereof to said grantee or determining what the cost of said work shall be and billing the grantee for said cost.

SECTION 4. The insurance company and the grantee, as provided in Section 5, will hold and save the City of Chicago, its officers, agents and employees harmless from any and all liability and expense, including judgments, costs and damages, for removal, relocation, alteration, repair, maintenance and restoration of the structures or appliances herein authorized, and from any and all damages thereto on account of the location, construction, alteration, repair or maintenance of any public ways, bridges, subways, tunnels, vaults, sewers, water mains, conduits, pipes, poles and other utilities. For the City of Chicago to recover from the insurance

company and the grantee under this Section, it is not necessary that the City of Chicago first make said removal, relocation, alteration, repair, maintenance or restoration. The Commissioner of Streets and Sanitation is hereby authorized to determine what cost would be involved to perform said removal, relocation, alteration, repair, maintenance or restoration and that decision as to the amount shall be final and binding. The grantee and the insurance company, upon receiving written notification from the Commissioner of Streets and Sanitation of the cost of said removal and restoration shall pay immediately said amount upon demand. It shall be the responsibility of the grantee to furnish the City of Chicago, prior to issuance of the permit for this privilege, a copy of proof of insurance (Certificate of Insurance) in an amount not less than $1,000,000 Combined Single Limit with said insurance covering all liability, both Public Liability and Property Damage, that may result from the granting of said privilege. The grantee must furnish the City of Chicago a Certificate of Insurance which names the City of Chicago as additional insured and also clearly indicates that the privilege being granted by this ordinance is covered by the insurance policy. Certificates renewing insurance must be furnished to the Department of Revenue, Compensation Unit, no later than 30 days prior to the expiration of the policy. The aforementioned insurance coverage shall be maintained at all times by the grantee until the structures or appliances described in this ordinance are removed and the public way is restored as herein required.

SECTION 5. The Permittee(s) shall also indemnify, keep and save harmless the City of Chicago, its agents, officers and employees for any personal injuries or deaths occurring out of the reconstruction, maintenance and operation of the (vaults, canopies, etc.) and arising out of and including the passive negligence of the City of Chicago.

SECTION 6. The permission and authority herein granted shall not be exercised until a permit authorizing same shall have been issued by the Director of Revenue and upon the faithful observance and performance of all and singular the conditions and provisions of this ordinance, and conditioned further to indemnify, keep and save harmless the City of Chicago against all liabilities, judgments, costs, damages and other expenses which may in any way come against said City in consequence of the permission given by this ordinance, or which may accrue against, be charged to or recovered from said City from or by reason or on account of any act or thing done or omitted or neglected to be done by the grantee in and about the construction, reconstruction, maintenance, use and removal of said structures or appliances and the restoration of the public way as herein required. Said insurance coverage shall be continuing in effect until the structures or appliances herein authorized are removed and the public way is restored as herein required.

SECTION 7. The grantee will further be liable to the City of Chicago for the annual compensation for the use of the public way.

SECTION 8. This ordinance shall take effect and be in force from and after its passage; provided, however, that said grantee file a written acceptance of this ordinance with the City Clerk; provided further, that proof of indemnification on behalf of the City of Chicago, as herein requested, and payment of the first year's compensation be paid to the Department of Revenue.

Nays -- None.

Alderman Natarus moved to reconsider the foregoing vote. The motion was lost.

Said ordinances, as passed, read as follows (the italic heading in each case not being a part of the ordinance):

Little Bucharest, Inc. (Doing Business As Little Bucharest Restaurant).

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Permission and authority are hereby given and granted to Little Bucharest, Inc., doing business as Little Bucharest Restaurant, upon the terms and subject to the conditions of this ordinance, to maintain and use a portion of the public right-of-way for a sidewalk cafe adjacent to its premises located at 3001 North Ashland Avenue. Said sidewalk cafe area shall be fifty (50) feet in length and eight (8) feet, ten (10) inches in width, for a total of four hundred forty-five (445) square feet and shall begin seven (7) feet from the face of the building line along West Wellington Avenue. The compensation for said space and the days and hours of operation for the sidewalk cafe shall be as follows:

Monday through Sunday, 11:00 A.M. to 11:00 P.M.

Compensation: $303.00/Seating: 40.

Authority for the above named privilege is herein given and granted for a period beginning April 1, 1992 through, and including, November 1, 1992.

Said privilege shall be maintained and used in accordance with the ordinances of the City of Chicago and the directions of the Commissioner of Streets and Sanitation, the Commissioner of Inspectional Services and the Director of Revenue. The grantee shall keep that portion of the public way

under said privilege in good condition and repair, safe for public travel, free from snow, ice and debris to the satisfaction of the Commissioner of Public Works.

SECTION 2. The grantee agrees to pay to the City of Chicago as compensation for the privilege herein granted the sum as stated in Section 1, in advance. In case of termination of the privilege herein granted or the grantee transfers title or vacates the premises, the grantee shall, nevertheless, remain liable to the City of Chicago for the compensation which shall have become due and payable under the provisions hereof, until the structures and appliances herein authorized are removed and the public way is restored as herein required.

SECTION 3. This ordinance is subject to amendment, modification or repeal, and permission and authority herein granted may be revoked by the Mayor of the City of Chicago at any time for good cause without the consent of said grantee. Upon termination of the privilege herein granted, by lapse of time or otherwise, the grantee, without cost or expense to the City of Chicago, shall remove the structures and appliances herein authorized and restore the public way where disturbed by said structures or appliances or by the removal thereof, to a proper condition under the supervision and to the satisfaction of the Commissioner of Public Works and in accordance with the City Municipal Code. In the event of failure, neglect or refusal of said grantee so to do, the City of Chicago will have the choice of either performing said work and charging the cost thereof to said grantee or determining what the cost of said work shall be and billing the grantee for said cost.

SECTION 4. The insurance company and the grantee, as provided in Section 5, will hold and save the City of Chicago, its officers, agents and employees harmless from any and all liability and expense, including judgments, costs and damages, for removal, relocation, alteration, repair, maintenance and restoration of the structures or appliances herein authorized, and from any and all damages thereto on account of the location, construction, alteration, repair or maintenance of any public ways, bridges, subways, tunnels, vaults, sewers, water mains, conduits, pipes, poles and other utilities. For the City of Chicago to recover from the insurance company and the grantee under this Section, it is not necessary that the City of Chicago first make said removal, relocation, alteration, repair, maintenance or restoration. The Commissioner of Streets and Sanitation is hereby authorized to determine what cost would be involved to perform said removal, relocation, alteration, repair, maintenance, or restoration and that decision as to the amount shall be final and binding. The grantee and the insurance company, upon receiving written notification from the Commissioner of Streets and Sanitation of the cost of said removal and restoration shall pay immediately said amount upon demand. It shall be the responsibility of the grantee to furnish the City of Chicago, prior to issuance of the permit for this privilege, a copy of proof of insurance (Certificate of Insurance) in an amount not less than $1,000,000 Combined Single Limit with said insurance covering all liability, including Public Liability,

Property Damage and Dramshop Liability that may result from the granting of said privilege. The grantee must furnish the City of Chicago a Certificate of Insurance which names the City of Chicago as additional insured and also clearly indicates that the privilege being granted by this ordinance is covered by the insurance policy. Certificates renewing insurance must be furnished to the Department of Revenue no later than 30 days prior to the expiration of the policy. The aforementioned insurance coverage shall be maintained at all times by the grantee until the structures or appliances described in this ordinance are removed and the public way is restored as herein required.

SECTION 5. The permission and authority herein granted shall not be exercised until a permit authorizing same shall have been issued by the Director of Revenue and upon the faithful observance and performance of any and all conditions and provisions of this ordinance, and conditioned further to indemnify, keep and save harmless the City of Chicago, its agents, officers and employees, against all liabilities, judgments, costs, damages and expenses, including any dramshop liability, which may in any way come against said City in consequence of the permission given by this ordinance, or which may accrue against, be charged to, or recovered from said City from, or by reason, or on account of, any act or thing done, or omitted, or neglected to be done by the grantee in and about the construction, reconstruction, maintenance, use and removal of said structures or appliances and the restoration of the public way as herein required. Said insurance coverage shall be continuing in effect until the structures and appliances herein authorized are removed and the public way is restored as herein required.

SECTION 6. This ordinance shall take effect and be in force from and after its passage; provided, however, that said grantee file proof of indemnification on behalf of the City of Chicago, as herein requested, and payment of the compensation be paid to the Department of Revenue.

Martini Bros., Inc. (Doing Business As The Martini Ranch).

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Permission and authority are hereby given and granted to Martini Bros., Inc., doing business as The Martini Ranch, upon the terms and subject to the conditions of this ordinance, to maintain and use a portion of the public right-of-way for a sidewalk cafe adjacent to its premises located at 311 West Chicago Avenue. Said sidewalk cafe area shall be thirty-five (35) feet in length and eight (8) feet in width, for a total of two hundred eighty (280) square feet and shall begin twelve (12) feet from the face of the

curb line along West Chicago Avenue. The compensation for said space and the days and hours of operation for the sidewalk cafe shall be as follows:

Monday through Sunday, 11:00 A.M. to 11:00 P.M.

Compensation: $300.00/Seating: 16.

Amplification of music is prohibited on the above referenced portion of the public right-of-way during the operation of said sidewalk cafe.

Authority for the above named privilege is herein given and granted for a period beginning April 1, 1992 through, and including, November 1, 1992.

Said privilege shall be maintained and used in accordance with the ordinances of the City of Chicago and the directions of the Commissioner of Streets and Sanitation, the Commissioner of Inspectional Services and the Director of Revenue. The grantee shall keep that portion of the public way under said privilege in good condition and repair, safe for public travel, free from snow, ice and debris to the satisfaction of the Commissioner of Public Works.

SECTION 2. The grantee agrees to pay to the City of Chicago as compensation for the privilege herein granted the sum as stated in Section 1, in advance. In case of termination of the privilege herein granted or the grantee transfers title or vacates the premises, the grantee shall, nevertheless, remain liable to the City of Chicago for the compensation which shall have become due and payable under the provisions hereof, until the structures and appliances herein authorized are removed and the public way is restored as herein required.

SECTION 3. This ordinance is subject to amendment, modification or repeal, and permission and authority herein granted may be revoked by the Mayor of the City of Chicago at any time for good cause without the consent of said grantee. Upon termination of the privilege herein granted, by lapse of time or otherwise, the grantee, without cost or expense to the City of Chicago, shall remove the structures and appliances herein authorized and restore the public way where disturbed by said structures or appliances or by the removal thereof, to a proper condition under the supervision and to the satisfaction of the Commissioner of Public Works and in accordance with the City Municipal Code. In the event of failure, neglect or refusal of said grantee so to do, the City of Chicago will have the choice of either performing said work and charging the cost thereof to said grantee or determining what the cost of said work shall be and billing the grantee for said cost.

SECTION 4. The insurance company and the grantee, as provided in Section 5, will hold and save the City of Chicago, its officers, agents and employees harmless from any and all liability and expense, including

judgments, costs and damages, for removal, relocation, alteration, repair, maintenance and restoration of the structures or appliances herein authorized, and from any and all damages thereto on account of the location, construction, alteration, repair or maintenance of any public ways, bridges, subways, tunnels, vaults, sewers, water mains, conduits, pipes, poles and other utilities. For the City of Chicago to recover from the insurance company and the grantee under this Section, it is not necessary that the City of Chicago first make said removal, relocation, alteration, repair, maintenance or restoration. The Commissioner of Streets and Sanitation is hereby authorized to determine what cost would be involved to perform said removal, relocation, alteration, repair, maintenance, or restoration and that decision as to the amount shall be final and binding. The grantee and the insurance company, upon receiving written notification from the Commissioner of Streets and Sanitation of the cost of said removal and restoration shall pay immediately said amount upon demand. It shall be the responsibility of the grantee to furnish the City of Chicago, prior to issuance of the permit for this privilege, a copy of proof of insurance (Certificate of Insurance) in an amount not less than $1,000,000 Combined Single Limit with said insurance covering all liability, including Public Liability, Property Damage and Dramshop Liability that may result from the granting of said privilege. The grantee must furnish the City of Chicago a Certificate of Insurance which names the City of Chicago as additional insured and also clearly indicates that the privilege being granted by this ordinance is covered by the insurance policy. Certificates renewing insurance must be furnished to the Department of Revenue no later than 30 days prior to the expiration of the policy. The aforementioned insurance coverage shall be maintained at all times by the grantee until the structures or appliances described in this ordinance are removed and the public way is restored as herein required.

SECTION 5. The permission and authority herein granted shall not be exercised until a permit authorizing same shall have been issued by the Director of Revenue and upon the faithful observance and performance of any and all conditions and provisions of this ordinance, and conditioned further to indemnify, keep and save harmless the City of Chicago, its agents, officers and employees, against all liabilities, judgments, costs, damages and expenses, including any dramshop liability, which may in any way come against said City in consequence of the permission given by this ordinance, or which may accrue against, be charged to, or recovered from said City from, or by reason, or on account of, any act or thing done, or omitted, or neglected to be done by the grantee in and about the construction, reconstruction, maintenance, use and removal of said structures or appliances and the restoration of the public way as herein required. Said insurance coverage shall be continuing in effect until the structures and appliances herein authorized are removed and the public way is restored as herein required.

SECTION 6. This ordinance shall take effect and be in force from and after its passage; provided, however, that said grantee file proof of

indemnification on behalf of the City of Chicago, as herein requested, and payment of the compensation be paid to the Department of Revenue.

Ms. Nancy Reiff (Doing Business As Mambo Mambo Expresso Bar And Gallery).

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Permission and authority are hereby given and granted to Ms. Nancy Reiff, doing business as Mambo Mambo Expresso Bar and Gallery, upon the terms and subject to the conditions of this ordinance, to maintain and use a portion of the public right-of-way for a sidewalk cafe adjacent to its premises located at 2819 North Southport Avenue. Said sidewalk cafe area shall be twenty-four (24) feet in length and ten (10) feet in width, for a total of two hundred forty (240) square feet and shall begin seven (7) feet, four (4) inches from the face of the building line along North Southport Avenue. The following is said ordinance as passed:

WHEREAS, The City Council of the City of Chicago, after due investigation and consideration, has determined that the nature and extent of the public use and the public interest to be subserved is such as to warrant the vacation of part of public street and part of public way described in the following ordinance; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That all that part of North Ogden Avenue (presently closed to vehicular traffic by ordinance passed November 16, 1970 and recorded December 30, 1970 as Document No. 21355464) as opened by Order of Possession March 1, 1945 (County Court General No. 42162) and described as follows:

That part of Lots 11 and 12 lying south of the north line of Lot 11; lying southeasterly of a line drawn from a point on the west line of North Sedgwick Street which is 235.78 feet south of the south line of West Wisconsin Street to a point on the east line of North Hudson Avenue which is 31.41 feet north of the north line of West Menomonee Street; lying northwesterly of a line drawn from a point on the east line of Lot 11 which is 16.92 feet south of the northeast corner of Lot 11 to a point on the south line of the north 4.63 feet of Lot 12, said point being 11.58 feet west of the east line of Lot 12; lying west of the east line of Lot 11; lying north of the south line of the north 4.63 feet of Lot 12; all in Hambleton's Subdivision of Block 43 in Canal Trustees' Subdivision of the north half and the north half of the southeast quarter and the east half of the southwest quarter of Section 33, Township 40 North, Range 14 East of the Third Principal Meridian;

Also

That part of the public way as opened by resolution adopted by the City Council on November 16, 1970 and recorded on December 30, 1970 as Document No. 21355464 and described as follows:

point on the south line of the north 4.63 feet of Lot 12, said point being 11.58 feet west of the east line of Lot 12; lying west of the east line of Lot 11; lying north of the south line of the north 4.63 feet of Lot 12; all in Hambleton's Subdivision of Block 43 in Canal Trustees' Subdivision of the north half and the north half of the southeast quarter and the east half of the southwest quarter of Section 33, Township 40 North, Range 14 East of the Third Principal Meridian;

Also

That part of the public way as opened by resolution adopted by the City Council on November 16, 1970 and recorded on December 30, 1970 as Document No. 21355464 and described as follows:

That part of Lot 12; beginning at the northwest corner of Lot 12; thence south along the west line of Lot 12, a distance of 5.23 feet; thence easterly parallel to the north line of Lot 12, a distance of 0.63 feet; thence east, a distance of 38.65 feet, to a point 39.28 feet east of the west line of Lot 12 and 6.17 feet south of the north line of Lot 12; thence north parallel to the west line of Lot 12, a distance of 1.83 feet; thence east parallel to the north line of Lot 12 to the intersection with a line which is drawn from a point on the west line of North Sedgwick Street 235.78 feet south of the south line of West Wisconsin Street to a point on the east line of North Hudson Avenue which is 31.41 feet north of the north line of West Menomonee Street (said line being the northwesterly line of North Ogden Avenue as established by Order of Possession March 1, 1945 (County Court General No. 42162); thence northeasterly on the northwesterly line of North Ogden Avenue aforesaid to the intersection with the north line of Lot 12; thence west on the north line of Lot 12 to the place of beginning; all in Hambleton's Subdivision of Block 43 in Canal Trustees' Subdivision of the north half and the north half of the southeast quarter and the east half of the southwest quarter of Section 33, Township 40 North, Range 14 East of the Third Principal Meridian;

said part of the public street and part of public way herein vacated being further described as the northwesterly 13 feet, more or less, of North Ogden Avenue lying west of the west line of North Sedgwick Street and lying north of a line 268.63 feet south of the south line of West Wisconsin Street; also the north 5 feet, more or less, of the public way located at the northwest corner of North Ogden Avenue and North Sedgwick Street as colored in red and indicated by the words "To Be Vacated" on the drawing hereto attached, which drawing for greater certainty, is hereby made a part of this ordinance, be and the same are hereby vacated and closed, inasmuch as the same are no longer required for public use and the public interest will be subserved by such vacations.

SECTION 2. The City of Chicago hereby reserves for the benefit of Commonwealth Edison Company, their successors or assigns, an easement to operate, maintain, construct, replace, and renew overhead poles, wires, and associated equipment, and underground conduit, cables and associated equipment for the transmission and distribution of electric energy under, over, and along all of the public street and public way as herein vacated with the right of ingress and egress.

SECTION 3. The vacations herein provided for are made upon the express condition that within 90 days after the passage of this ordinance, American National Bank and Trust Company of Chicago, as Trustee, Trust No. 107037-00 shall pay or cause to be paid to the City of Chicago as compensation for the benefits which will accrue to the owner of the property abutting said part of public street and part of public way hereby vacated, the sum of Sixty-six Thousand and no/100 Dollars ($66,000.00), which sum in the judgment of this body will be equal to such benefits; and further, shall within 90 days after the passage of this ordinance, provide or deposit in the City Treasury of the City of Chicago, a sum sufficient to defray the cost of providing access to North Sedgwick Street from the alley next west of North Sedgwick Street through the park adjacent to the portion of North Ogden Avenue herein vacated, such access to be acceptable to the Commissioner of Transportation upon terms and conditions acceptable to the Corporation Counsel.

SECTION 4. The vacations herein provided for are made upon the express condition that within 90 days after the passage of this ordinance, American National Bank and Trust Company of Chicago, as Trustee, Trust No. 107037-00 shall file or cause to be filed for record in the Office of the Recorder of Deeds of Cook County, Illinois, a certified copy of this ordinance, together with an attached drawing approved by the Superintendent of Maps.

SECTION 5. The City Council hereby finds that it is not necessary, appropriate or in the interest of the City of Chicago that the City retain title to that part of the public street vacated by this ordinance. Accordingly, upon payment of compensation and costs as provided in Section 3 of this ordinance, and the recording of a certified copy of this ordinance as provided in Section 4, the mayor or his proxy is authorized to execute or deliver and the City Clerk is authorized to attest a quitclaim deed to American National Bank and Trust Company of Chicago, as Trustee, Trust No. 107037-00 for the above referenced part of public street vacated by this ordinance, such quitclaim deed to be in recordable form subject to the approval of the Corporation Counsel.

SECTION 6. This ordinance shall take effect and be in force from and after its passage.

SECTION 2. This ordinance shall take effect upon its passage and publication.

Action Deferred -- AMENDMENT OF TITLE 9, CHAPTERS 104 AND 112 OF MUNICIPAL CODE OF CHICAGO REGARDING TAXICAB DRIVER SAFETY AND OPERATION OF UNLICENSED PUBLIC PASSENGER VEHICLES.

The Committee on Transportation and Public Way submitted the following report, which was on motion of Alderman Steele and Alderman Moore, *Deferred* and ordered published:

CHICAGO, August 26, 1992.

To the President and Members of the City Council:

Your Committee on Transportation and Public Way begs leave to recommend that Your Honorable Body pass a proposed ordinance amending Chapters 9-104 and 9-112 of the Municipal Code of Chicago for the purpose of improving taxicab driver safety and discouraging the operation of unlicensed public passenger vehicles. This ordinance was referred to the committee on August 26, 1992.

This recommendation was concurred in unanimously by a viva voce vote of the members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) PATRICK M. HUELS,
Chairman.

The following is said proposed ordinance transmitted with the foregoing committee report:

WHEREAS, Taxicab driver safety has become an issue of serious concern in cities throughout the nation; and

WHEREAS, In Chicago three taxicab drivers have been murdered this year, and many more have been the victims of other armed violence; and

WHEREAS, Taxicab companies have the responsibility to ensure that their drivers are provided with vehicles that are equipped with adequate driver protection systems; and

WHEREAS, Safety shields, silent alarms and other safety devices can protect taxicab drivers against much of the crime that is otherwise inflicted upon them; and

WHEREAS, Another problem affecting the taxicab industry and the riding public has been the operation of unlicensed taxicabs and liveries within the City; and

WHEREAS, Unlicensed taxicabs, liveries and charter vehicles are a danger to the public because they ordinarily have not been subject to safety inspections and are much more likely to be operated by unlicensed and untrained drivers;

WHEREAS, Most persons who are convicted of operating unlicensed taxicabs, liveries and charter vehicles are subjected to fines that are difficult to collect because of the difficulty in locating offenders and their property; and

WHEREAS, Persons cited for operating unlicensed vehicles often have little incentive to appear at trial because of such difficulties in enforcement; and

WHEREAS, In order to further discourage the operation of unlicensed taxicabs, liveries and charter vehicles, it is necessary to implement a system whereby the City will be able to ensure enforcement of sanctions against persons who use or permit the use of their motor vehicle for such an offense, by seizing and impounding those vehicles; and

WHEREAS, The system will have the additional benefit of temporarily removing from the street vehicles that constitute nuisances because they are used for the illegal transportation of passengers for hire; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Section 9-112-030 of the Municipal Code of Chicago is hereby amended by inserting the language in italics, as follows:

9-112-030

(a) It is unlawful for any person other than a metropolitan transit authority employee to operate a motor vehicle, or for the registered owner thereof to permit it to be operated, for the transportation of passengers for hire within the city, except on a funeral trip, unless it is licensed by the city as a public passenger vehicle pursuant to this chapter or unless it is exempt from licensure under Section 9-112-010(q).

(b) Any person who solicits for the transportation of passengers for hire when such transportation would be in violation of subsection (a), and the registered owner of any motor vehicle who permits such solicitation, shall be in violation of this section.

SECTION 2. Chapter 9-112 of the Municipal Code of Chicago is hereby amended by adding new Sections 9-112-105 and 9-112-555, as follows:

9-112-105

(a) No license for a taxicab shall be issued or renewed for a license period beginning on or after January 1, 1993 unless the taxicab is equipped with at least one of the following safety features or combination of safety features, all of which shall be in compliance with specifications set forth in regulations promulgated by the commissioner:

(1) A safety shield device capable of completely separating the driver's seat from the rear passenger compartment.

(2) A system enabling the silent activation of distress or trouble lights, plus a permanently installed safe.

(3) A system enabling the silent activation of a warning to a dispatcher or the police department either by radio or telephonic communication, plus a permanently installed safe.

(4) Such other system that the commissioner determines by rule provides at least as much protection as the systems described above.

The specifications promulgated by the commissioner under this section shall be designed to maximize public chauffeur safety in light of current technology and reasonable economic concerns.

(b) The equipment required by this section shall be maintained in good working order at all times. The license of any licensee who violates this section shall be subject to immediate suspension until the licensee demonstrates compliance with this section.

9-112-555

(a) The owner of record of any motor vehicle that is used for the transportation or the solicitation for the transportation of passengers for

hire in violation of Section 9-112-030 shall be liable to the City for an administrative penalty of $500 plus any towing and storage fees applicable under Section 9-92-080. Any such vehicle shall be subject to seizure and impoundment pursuant to this section. This subsection shall not apply if the vehicle used in the violation was stolen at that time and the theft was reported to the appropriate police authorities within 24 hours after the theft was discovered or reasonably should have been discovered.

(b) Whenever a police officer has probable cause to believe that a vehicle is subject to seizure and impoundment pursuant to this section, the police officer shall provide for the towing of the vehicle to a facility controlled by the City or its agents. Before or at the time the vehicle is towed, the police officer shall notify any person identifying himself as the owner of the vehicle or any person who is found to be in control of the vehicle at the time of the alleged violation, of the fact of the seizure and of the vehicle owner's right to request a vehicle impoundment hearing to be conducted under this section.

(c) Whenever the owner of record of a vehicle seized pursuant to this section makes a request of the department of consumer services in person and in writing for a vehicle impoundment hearing within 18 hours after the seizure exclusive of Saturdays, Sundays and legal holidays, a hearing officer of the department of consumer services shall conduct the hearing within 24 hours after the seizure, excluding Saturdays, Sundays and legal holidays. All interested persons shall be given a reasonable opportunity to be heard at the vehicle impoundment hearing. The formal rules of evidence will not apply at the hearing, and hearsay evidence shall be admissible. If, after the hearing, the hearing officer determines that there is probable cause to believe that the vehicle is subject to seizure and impoundment under Subsection (a), the hearing officer shall order the continued impoundment of the vehicle as provided in this section unless the owner of the vehicle posts with the department of consumer services a cash bond in the amount of $500 plus any applicable towing and storage fees.

(d) Within 10 days after a vehicle is seized and impounded pursuant to this section, the City shall notify by certified mail, return receipt requested, the owner of record of the date, time and location of a hearing that will be conducted pursuant to this section. The hearing shall be conducted no later than 30 days after the vehicle was seized. The hearing shall be conducted by a hearing officer of the department of consumer services. All interested persons shall be given a reasonable opportunity to be heard at the hearing. If, after the hearing, the hearing officer determines by a preponderance of evidence that a violation for which a penalty is applicable under this section has occurred, the hearing officer shall enter an order finding the owner of record of the vehicle civilly liable to the City for an administrative penalty in the amount of $500. If the owner of record fails to appear at the hearing, the hearing officer shall enter a default order in favor of the City requiring the payment to the City of an administrative penalty in the amount of $500. If

the hearing officer finds that no such violation occurred, the hearing officer shall order the immediate return of the owner's vehicle or cash bond.

(e) An administrative penalty imposed pursuant to this section shall constitute a debt due and owing to the City. Any cash bond posted pursuant to this section shall be applied to the penalty. If a vehicle has been impounded when such a penalty is imposed the City may seek to obtain a judgment on the debt and enforce such judgment against the vehicle and its owner as provided by law. Except as provided otherwise in this section, a vehicle shall continue to be impounded until (1) the penalty, plus any applicable towing and storage fees, is paid to the City, in which case possession of the vehicle shall be given to the person who is legally entitled to possess the vehicle or (2) the vehicle is sold or otherwise disposed of to satisfy a judgment or enforce a lien as provided by law. If the administrative penalty and applicable fees are not paid within 30 days after an administrative penalty is imposed under subsection (d) against an owner of record who defaults by failing to appear at the hearing, the vehicle shall be deemed unclaimed and shall be disposed of in the manner provided by law for the disposition of unclaimed vehicles. In all cases, if the administrative penalty and applicable fees are not paid within 30 days after the expiration of time at which administrative review of the hearing officer's determination may be sought, or within 30 days after an action seeking administrative review has been resolved in favor of the City, whichever is applicable, the vehicle shall be deemed unclaimed and shall be disposed of in the manner provided by law for the disposition of unclaimed vehicles.

Except as otherwise specifically provided by law, no owner, lienholder or other person shall be legally entitled to take possession of a vehicle impounded under this section until the civil penalty and fees applicable under this section have been paid. However, whenever a person with a lien of record against an impounded vehicle has commenced foreclosure proceedings, possession of the vehicle shall be given to that person if he or she agrees in writing to refund to the City the amount of the net proceeds of any foreclosure sale, less any amounts required to pay all lienholders of record, up to $500 plus the applicable fee.

(f) For purposes of this section, the "owner of record" of the vehicle is the record title holder.

SECTION 3. Chapter 9-104 of the Municipal Code of Chicago is hereby amended by adding a new Section 9-104-125, as follows:

9-104-125

No public chauffeur may activate a distress or trouble light installed in a taxicab under Section 9-112-105 unless the chauffeur reasonably believes that his or her physical safety is in immediate danger. The refusal of a

customer to pay a fare shall not by itself be considered a cause for such reasonable belief. Any person who violates this section shall be subject to a fine of not more than $500 and such other penalties as are prescribed under Section 9-104-040.

SECTION 4. This ordinance shall take effect upon its passage and publication.

Action Deferred -- AUTHORIZATION FOR ISSUANCE OF PERMIT TO WATERSTONE'S BOOKSELLERS (U.S.A.) INC. TO MAINTAIN EXISTING CANOPY AT 840 NORTH MICHIGAN AVENUE.

The Committee on Transportation and Public Way submitted the following report which was, on motion of Alderman Huels and Alderman Natarus *Deferred* and ordered published:

CHICAGO, September 9, 1992.

To the President and Members of the City Council:

Your Committee on Transportation and Public Way begs leave to recommend that Your Honorable Body pass the proposed order transmitted herewith (referred on July 29, 1992) to maintain and use one (1) canopy at Waterstone's Booksellers (U.S.A.) Inc., 840 North Michigan Avenue.

This recommendation was concurred in unanimously by a viva voce vote of the members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) PATRICK M. HUELS,
Chairman.

The following is said proposed order transmitted with the foregoing committee report:

Ordered, That the Director of Revenue is hereby authorized to issue a

permit to Waterstone's Booksellers (U.S.A.) Inc. ("Permittee") to maintain and use one (1) canopy over the public right-of-way in North Michigan Avenue attached to the building or structure located at 840 North Michigan Avenue for a period of three (3) years from and after date of passage in accordance with the ordinances of the City of Chicago and the plans and specifications filed with the Commissioner of Public Works and approved by the Commissioner of Inspectional Services and the Division Marshal in charge of the Bureau of Fire Prevention. Said canopy shall not exceed 20 feet in length, nor 8 feet in width.

The Permittee shall pay to the City of Chicago as compensation for the privilege the sum of Fifty and no/100 Dollars ($50.00) per annum, in advance. In the event the Permittee transfers title or vacates the premises, the Permittee shall, nevertheless, remain liable to the City of Chicago for the annual compensation until the canopy is removed. The Permittee shall renew the privilege herein granted prior to the date of expiration.

The Permittee shall protect, defend, indemnify and hold harmless the City of Chicago, its officers, agents and employees, against and from any expense claim, controversy, damage, personal injury, death, liability, judgment, or obligation arising out of the construction, repair, replacement, cleaning, use, maintenance or operation of the canopy arising out of and including the passive negligence of the City of Chicago.

The permit shall be subject to amendment, modification or revocation by the Mayor and the Director of Revenue in their discretion without the consent of the Permittee. Upon termination of the privilege herein granted, by lapse of time or otherwise, the Permittee shall remove the canopy without cost to the City of Chicago.

The privilege herein granted shall not be exercised until a permit shall have been issued by the Director of Revenue.

COMMITTEE ON ZONING.

APPROVAL OF ZONING EXCEPTIONS FOR CHANGE OF LICENSEE AND CONTINUED OPERATION OF TAVERNS/BANQUET HALLS AT DESIGNATED LOCATIONS.

The Committee on Zoning submitted the following report:

CHICAGO, September 16, 1992.

To the President and Members of the City Council:

Reporting for your Committee on Zoning, for which a meeting was held on September 9, 1992, I beg leave to recommend that Your Honorable Body pass various ordinances transmitted herewith to amend the Chicago Zoning Ordinance for the purpose of reclassifying the particular areas.

I beg leave to recommend the passage of two ordinances and one text amendment which were corrected and amended in their corrected form. They are as follows: Application Numbers TAD-065, 10969 and 10900.

I also beg leave to recommend the passage of five applications for exceptions, and the denial of one application for an exception at 4800 South Wood Street.

At this time, I, along with Alderman Ed Smith, move that this report be deferred and published with the exception of the five applications for exceptions for which I request immediate passage.

Respectfully submitted,

(Signed) WILLIAM J. P. BANKS,
Chairman.

On motion of Alderman Banks, the said proposed resolutions transmitted with the foregoing committee report were *Adopted* by yeas and nays as follows:

Yeas -- Aldermen Mazola, Rush, Tillman, Preckwinkle, Bloom, Steele, Beavers, Dixon, Shaw, Buchanan, Huels, Fary, Madrzyk, Burke, Jones, Coleman, Murphy, Rugai, Troutman, Evans, Garcia, Laski, Miller, Medrano, Hendon, E. Nays -- None.

Alderman Natarus moved to reconsider the foregoing vote. The motion was lost.

Said resolutions, as adopted, read as follows (the italic heading in each case not being a part of the resolution):

1925 West Cortland Avenue.

WHEREAS, Pub Festivals, Inc., Diana Fallon, President, as licensee, filed on July 23, 1992, an application for an exception pursuant to Article 11.7A-3 of the Chicago Zoning Ordinance for the approval of the change of licensee and continued operation of an existing tavern in a one-story building, in an R3 General Residence District, on premises at 1925 West Cortland Avenue; and

WHEREAS, The decision of the Office of the Zoning Administrator rendered July 21, 1992 reads:

> "Application not approved. Requested certification does not conform with the applicable provisions of the Chicago Zoning Ordinance, Chapter 194A of the Municipal Code of Chicago, specifically, Articles 7.3-4, 11.7A-1."

; and

WHEREAS, The district maps show that the premises is located in an R3 General Residence District; and

WHEREAS, The Zoning Administrator, having fully reviewed all information and being fully advised of the premises, hereby makes the following findings of fact: the said use is located in an R3 General Residence District; that the subject site is improved with a one-story building containing an existing tavern; that on July 12, 1990, the City Council passed an ordinance requiring an exception for the approval of the change of licensee of an existing tavern located in a residence district; that the existing tavern is to be operated under a new license; that the majority of the tavern patrons come from the local neighborhood and that the continued operation of the tavern at this location is necessary for the public convenience; that the applicant, as the new licensee, proposes to operate the tavern in such a manner to insure that the public health, safety and welfare will be adequately protected; and that the continued operation of the existing tavern will not cause substantial injury to the value of other property in the neighborhood; now, therefore,

Be It Resolved, That the application for an exception is approved for the change of licensee and continued operation of an existing tavern in a one-story building, on premises at 1925 West Cortland Avenue, and that all

applicable ordinances of the City of Chicago shall be complied with before a license is issued; and

Be It Further Resolved, That the granting of this exception shall run only with the applicant, Pub Festivals, Inc., Diana Fallon, President, as licensee, and that a change of licensee shall terminate the exception granted herein; and

Be It Further Resolved, That the tavern in the subject building is, and shall continue to be, subject to all applicable provisions of Article 6 of the Zoning Ordinance.

2201 North Latrobe Avenue.

WHEREAS, Elizabeth Adolfie, as licensee, filed on June 19, 1992, an application for an exception pursuant to Article 11.7A-3 of the Chicago Zoning Ordinance for the approval of the change of licensee and continued operation of an existing tavern in a two-story building, in an R3 General Residence District, on premises at 2201 North Latrobe Avenue; and

WHEREAS, The decision of the Office of the Zoning Administrator rendered May 29, 1992 reads:

; and

WHEREAS, The district maps show that the premises is located in an R3 General Residence District; and

WHEREAS, The Zoning Administrator, having fully reviewed all information and being fully advised of the premises, hereby makes the following findings of fact: the said use is located in an R3 General Residence District; that the subject site is improved with a one-story building containing an existing tavern; that on July 12, 1990, the City Council passed an ordinance requiring an exception for the approval of the change of licensee of an existing tavern located in a residence district; that the existing tavern is to be operated under a new license; that the majority of the tavern patrons come from the local neighborhood and that the continued operation of the tavern at this location is necessary for the public convenience; that the applicant, as the new licensee, proposes to operate the tavern in such a manner to insure that the public health, safety and welfare will be adequately protected; and that the continued operation of the existing tavern will not cause substantial injury to the value of other property in the neighborhood; now, therefore,

Be It Resolved, That the application for an exception is approved for the change of licensee and continued operation of an existing tavern in a one-story building, on premises at 4500 South Richmond Street, and that all applicable ordinances of the City of Chicago shall be complied with before a license is issued; and

Be It Further Resolved, That the granting of this exception shall run only with the applicant, Sarenka, Inc., Christiana S. Paduch, President/Secretary, as licensee, and that a change of licensee shall terminate the exception granted herein; and

Be It Further Resolved, That the tavern in the subject building is, and shall continue to be, subject to all applicable provisions of Article 6 of the Chicago Zoning Ordinance.

Action Deferred -- AMENDMENT OF TITLE 17, VARIOUS SECTIONS OF MUNICIPAL CODE OF CHICAGO (CHICAGO ZONING ORDINANCE) BY DEFINING SINGLE-ROOM OCCUPANCY UNITS AND BUILDINGS.

The Committee on Zoning submitted the following report which was, on motion of Alderman Banks and Alderman E. Smith, *Deferred* and ordered published:

CHICAGO, September 16, 1992.

To the President and Members of the City Council:

Reporting for your Committee on Zoning, for which a meeting was held on September 9, 1992, I beg leave to recommend that Your Honorable Body pass various ordinances transmitted herewith to amend the Chicago Zoning Ordinance for the purpose of reclassifying the particular areas.

I beg leave to recommend the passage of two ordinances and one text amendment which were corrected and amended in their corrected form. They are as follows:

Application Numbers TAD-065, 10969 and 10900.

I also beg leave to recommend the passage of five applications for exceptions, and the denial of one application for an exception at 4800 South Wood Street.

At this time, I, along with Alderman Ed Smith move that this report be *Deferred* and published with the exception of the five applications for exceptions for which I request immediate passage.

Respectfully submitted,

(Signed) WILLIAM J. P. BANKS,
Chairman.

The following is said proposed ordinance transmitted with the foregoing committee report:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Title 17 of the Municipal Code of Chicago, Section 3.2 is hereby amended by deleting the bracketed language as follows:

[Hotel, Apartment. An "apartment hotel" is a residential building in which no less than 90 percent of the units are dwelling units designed for use by permanent guests, and in which no more than 10 percent of the total occupancy shall consist of transient guests for which ordinary hotel services are provided.]

SECTION 2. Title 17 of the Municipal Code of Chicago, Section 3.2 is hereby amended by adding the following new definitions in italics, in their proper alphabetical order:

Single Room Occupancy Building. A "single room occupancy building" is a residential building containing three (3) or more single room occupancy units in which no less than 90 percent of the units are single room occupancy units occupied by permanent residents.

Single Room Occupancy Unit. A "single room occupancy unit" is a room used or intended to be used as sleeping or living quarters, with or without cooking facilities, and contains not more than one habitable room consisting of not more than 250 square feet of floor area excluding from the calculation of floor area any kitchen having less than 70 square feet of floor area.

SECTION 3. Title 17 of the Municipal Code of Chicago, Section 3.2 is hereby amended by adding the language in italics, as follows:

Dwelling. A "dwelling" is a building, or portion thereof, but not an automobile house trailer, desinged or used exclusively for residential occupancy, including one-family dwellings, two-family dwellings, and multiple-family dwellings, but not including hotels, *single room occupancy buildings or units*, or lodging houses.

Dwelling Units. A "dwelling unit" consists of one or more rooms which are arranged, designed, or used as living quarters for one family only. Individual bathrooms are not necessarily provided, but complete single kitchen facilities, permanently installed *and located in a separate room from the living quarters*, shall always be included for each "dwelling unit".

Lodging House. A "lodging house" is a residential building, or portion thereof, containing lodging rooms which accommodate persons, *on a temporary basis*, who are not members of the keepers family. Lodging or meals or both are provided for compensation on a weekly or monthly basis.

SECTION 4. Title 17 of the Municipal Code of Chicago, Section 7.4-3 is hereby amended by deleting the bracketed language and adding the language in italics, as follows:

7.3-4 Permitted Uses -- R4 General Residence District.

SECTION 23. This ordinance shall be in force and effect from and after its passage and due publication.

Action Deferred -- CHICAGO ZONING ORDINANCE AMENDED TO RECLASSIFY PARTICULAR AREAS.

The Committee on Zoning submitted the following report which was, on motion of Alderman Banks and Alderman E. Smith, *Deferred* and ordered published:

CHICAGO, September 16, 1992.

To the President and Members of the City Council:

Reporting for your Committee on Zoning, for which a meeting was held on September 9, 1992, I beg leave to recommend that Your Honorable Body pass various ordinances transmitted herewith to amend the Chicago Zoning Ordinance for the purpose of reclassifying the particular areas.

I beg leave to recommend the passage of two ordinances and one text amendment which were corrected and amended in their corrected form. They are as follows:

Application Numbers TAD-065, 10969 and 10900.

I also beg leave to recommend the passage of five applications for exceptions, and the denial of one application for an exception at 4800 South Wood Street.

At this time, I, along with Alderman Ed Smith move that this report be *Deferred* and published with the exception of the five applications for exceptions for which I request immediate passage.

Respectfully submitted,

(Signed) WILLIAM J. P. BANKS,
Chairman.

The following are said proposed ordinances transmitted with the foregoing committee report (the italic heading in each case not being a part of the ordinance):

Reclassification Of Area Shown On Map Number 3-E.
(As Amended)

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That the Chicago Zoning Ordinance be amended by changing all the R5 General Residence District symbols and indications as shown on Map No. 3-E in the area bounded by:

East Pearson Street; a line 416.15 feet east of Mies Van Der Rohe Way; East Chicago Avenue; and Mies Van Der Rohe Way,

to those of an Institutional Planned Development which is hereby established in the area above described subject to such use and bulk regulations as are set forth in the Plan of Development attached hereto and to no others.

SECTION 2. This ordinance shall be in force and effect from and after its passage and due publication.

Plan of Development attached to this ordinance reads as follows:

Plan Of Development Statements.

1. The area delineated herein as an Institutional Planned Development (the "Planned Development") consists of approximately 91,434 square feet (2.09 acres) of property which is depicted on the attached Planned Development Boundary and Property Line Map (the "Property"). Title to the Property is held by the State of Illinois. The Applicant, Museum of Contemporary Art, controls the Property under a lease with an initial term of ninety-nine years.

2. All applicable official reviews, approvals or permits are required to be obtained by the Applicant.

3. The requirements, obligations and conditions contained within this Planned Development shall be binding upon the Applicant, its successors and assigns and, if different than the Applicant, the legal title holders and any ground lessors. All rights granted hereunder to the Applicant shall insure to the benefit of the Applicant's successors and assigns and, if different than the Applicant, the legal title holder and any ground lessors. Furthermore, pursuant to the requirements of Section 11.11-1 of the Chicago Zoning Ordinance, the Property, at the time applications for amendments, modifications or changes (administrative, legislative or otherwise) to this Planned Development are made, shall be under single ownership or under single designated control. Single designated control for purposes of this paragraph shall mean that any application to the City for any amendment to this Planned Development or any other modification or change thereto (administrative, legislative or otherwise) shall be made or authorized by all the owners or controlling parties of the Property and any ground lessors.

   Nothing herein shall be construed to mean that any individual owner or any ground lessors of the Property or any portions thereof is relieved of obligations imposed hereunder or rights granted herein or is not subject to City action pursuant to this Planned Development. In addition, nothing herein shall prohibit or in any way restrict the alienation, sale or any other transfer of all or any portion of the Property or any rights, interests or obligations therein. Upon any alienation, sale or any other transfer of all or any portion of the Property or the rights therein, except any assignment or transfer of rights pursuant to a mortgage or otherwise as collateral for any indebtedness, and solely with respect to the portion of the Property so transferred, the term Applicant shall be deemed amended to apply to the transferee thereof (and its beneficiaries if such transferee is a land trust) and the seller or transferor thereof (and its beneficiaries

if such seller or transferor is a land trust) shall thereafter be released from any and all obligations or liability hereunder.

4. This Plan of Development consists of Eighteen (18) Statements; an Existing Zoning Map; a Planned Development Boundary and Property Line Map; a Generalized Land Use Map; an Existing Land Use Map; a Table of Use and Bulk Regulations and Related Controls; a Site Plan, depicting any proposed landscaping on the property and on adjacent public rights-of-way, prepared by Josef P. Kleihues, Inc., dated August 13, 1992 (the "Site Plan"); and Elevations of the Proposed Improvements consisting of three sheets prepared by Josef P. Kleihues, Inc., dated August 13, 1992 (the "Elevations"). Reduced copies of the Site Plan and the Elevations are attached hereto and full-sized copies of these items are on file with the Department of Planning and Development. These and no other zoning controls shall apply to the Property. This Planned Development conforms to the intent and purpose of the Chicago Zoning Ordinance, Title 17 of the Municipal Code of Chicago, and all requirements thereof, and satisfies the established criteria for approval as a planned development.

5. The following uses shall be permitted in the Planned Development subject to the restrictions in Statement 12 and in the Table of Use and Bulk Regulations:

Museums, parking and accessory uses, including education and research facilities, libraries, book stores, restaurants, auditoriums, theaters and broadcast and telecommunications structures, equipment and installations including parabolic transmitting and receiving antennae which may exceed eight feet in diameter.

6. Permanent business identification signs shall be permitted within the Planned Development subject to the review and approval of the Department of Planning and Development. Temporary business identification signs as related to the Applicant's exhibitions and programs shall be permitted. Temporary construction signs shall be permitted subject to the review and approval of the Department of Planning and Development.

7. Any dedication or vacation of streets, alleys or easements or any adjustment of right-of-way shall require a separate submittal on behalf of the Applicant and approval by the City Council.

8. Off-street parking and loading facilities shall be provided in compliance with this Planned Development subject to the review of the Department of Transportation and the approval of the

Department of Planning and Development. A minimum of two percent of all parking spaces provided within the Planned Development shall be designated and designed for parking for the handicapped.

9. Any service drive or other ingress or egress shall be adequately designed and paved, in accordance with the regulations of the Department of Transportation in effect at the time of construction and in compliance with the Municipal Code of the City of Chicago, to provide ingress and egress for motor vehicles, including emergency vehicles. There shall be no parking within such paved areas. Ingress and egress shall be subject to the review and approval of the Bureau of Traffic Engineering and Operations and of the Commissioner of Planning and Development.

10. In addition to the maximum heights of the buildings and any appurtenance attached thereto prescribed in this Planned Development, the height of the improvements and any appurtenance attached thereto also shall be subject to:

(A) Height limitations as certified and approved by the Federal Aviation Administration; and

(B) Airport Zoning Regulations as established by the Department of Planning, Department of Aviation, and Department of Law and approved by the City Council.

11. This Planned Development shall be subject to the "Rules, Regulations and Procedures in Relation to Planned Development Amendments" as promulgated by the Commissioner of the Department of Planning and Development and in effect on the date hereof.

12. The improvements on the Property, including the on-site exterior landscaping and the landscaping along the adjacent rights-of-way and all entrances and exits to and from the parking and loading areas, shall be designed, constructed and maintained in substantial conformance with the Site Plan and the Elevations. In addition, the improvements on the Property shall be subject to the following regulations:

A) Landscaping.

i) Parkway trees shall be installed and maintained in accordance with the Site Plan and the parkway tree planting provisions of the Chicago Zoning Ordinance.

ii) All parkway trees shall have a minimum caliper dimension of six inches measured at a point six inches above grade level.

iii) All reasonable precautions shall be taken to protect the existing trees on the Pearson Street and Chicago Avenue frontages of the Property, except those the removal of which is indicated on the Site Plan. Should any of the proposed or existing trees, other than those existing trees which the Site Plan indicates are to be removed, have to be removed because of damage or death, they shall be replaced with trees of the same species and initial caliper dimension as the proposed trees.

iv) At least fifty-one percent of the surface of the sculpture garden shall be covered with vegetation or other natural pervious materials such as gravel, wood chips, peat moss or other similar items. The edge of each terrace level of the sculpture garden shall be planted, as deemed appropriate by the Applicant to best feature works of art, with vegetation designed to hang downward or grow up along or in front of the eastern facades of the terrace levels so as to be visible from the eastern property line.

B) Architectural Treatment Of Improvements.

The exterior walls of the improvements and the fencing along the perimeter of the sculpture garden shall be constructed of the materials indicated on the Elevations or of materials substantially similar in appearance.

C) Screening Of Exterior Broadcast And Telecommunications Structures.

Any broadcast and telecommunications structures, equipment or installations that are to be placed along the exterior shall be screened pursuant to plans reviewed and approved by the Department of Planning and Development.

D) Access To The Sculpture Garden.

The eastern gate may be used for public access to the sculpture garden at the Applicant's discretion.

E) Drop-Off/Pick-Up Activity.

The Applicant shall use reasonable efforts to promote the use of the Mies Van Der Rohe Way drop-off area by all cars and buses bringing individuals to or retrieving them from the Property and to prevent vehicles from standing in this area for extended periods of time.

F) Parking.

i) All automobiles using the parking garage shall enter only from and exit only onto Chicago Avenue, except in the event of an emergency.

ii) A maximum of 20% of the parking spaces required under this Planned Development may be 7.5 feet by 15 feet in size to accommodate compact cars.

iii) The parking required under this Planned Development may be operated under a valet service arrangement, as a self-park facility or a combination thereof. During special events held at the museum and to the extent that valet service is provided, parking spaces served by valet service may be provided in a tandem or stacked arrangement.

G) Loading.

1) The vehicular doors to the loading area along the Pearson Street and Chicago Avenue frontages of the Property shall be designed, constructed and maintained in such a fashion as to be compatible with the design of the adjacent facades. The design of and exterior materials to be used for these doors shall be reviewed and approved by the Department of Planning and Development prior to the issuance of any permits, licenses or determination under Section 11.11-3(b) of the Zoning Ordinance.

2) The vehicular doors to the loading area along the Pearson Street and Chicago Avenue frontages of the

Property shall be closed at all times unless they must be opened for servicing of the loading area or for vehicular ingress or egress.

3) The Pearson Street loading exit shall be used only by semi-tractor trailers and other vehicles with a length of thirty-five feet or more or a height of ten feet or more. Vehicles using the loading area shall not be permitted to exit using the Pearson Street loading doors, except between the hours of 9:00 A.M. and 4:00 P.M. and between 6:00 P.M. and 10:00 P.M..

4) Semi-tractor trailers using the Pearson Street vehicular loading exit shall leave the immediate vicinity of the Property only by traveling east on Pearson Street, south on inner Lake Shore Drive and thereafter either continuing south on inner Lake Shore Drive or proceeding west on Chicago Avenue.

5) The impact of vehicles using the Pearson Street vehicular loading exit on the portion of Pearson Street east of Mies Van Der Rohe Way shall be reviewed by the Department of Planning and Development in consultation with the Department of Transportation after the eighteen month anniversary of the issuance of a certificate of occupancy for the museum. Particular attention shall be given to whether the frequency of trucks departing from the site via this exit has exceeded, on average, three per month and the effect, if any, thereof. The following procedure shall be used to undertake said review:

a) On the eighteen month anniversary of the issuance of a certificate of occupancy for the museum, or upon the next business day if the anniversary date shall fall on a weekend or City of Chicago holiday, the Applicant shall submit to the Commissioner of the Department of Planning and Development (the "Commissioner") a traffic impact study (the "Traffic Impact Study") assessing the impact of the use of the loading exit on Pearson Street east of Mies Van Der Rohe Way during the immediately preceding twelve months. Simultaneously with the submission of the Traffic Impact Study, the Applicant also shall submit to the Commissioner a list of persons that would be

required to receive notice under Section 11.9-3.1 of the Zoning Ordinance if an application for an amendment to the Zoning Ordinance were filed.

b) Within sixty days from the receipt by the Commissioner of the Traffic Impact Study and the notice list, the Commissioner shall hold a public hearing on this matter. Notice of the public hearing shall be forwarded to all individuals on the notice list, to the Alderman of the Ward within which the Property is located and published in a newspaper of general circulation in the City of Chicago.

c) The public hearing shall be conducted by the Commissioner or her designee and all individuals wishing to address the impact of the use of the loading exit on Pearson Street shall be provided with a reasonable opportunity to express their opinions and to present evidence on the subject matter of the hearing.

d) Within thirty days of the conclusion of the public hearing, the Commissioner shall issue a written determination on whether the use of the loading exit has resulted in a substantial detrimental impact to Pearson Street. The Commissioner's determination shall be based on the information contained in the Traffic Impact Study, any other relevant information received at the public hearing and on the advice of the Commissioner of the Department of Transportation.

e) The City of Chicago shall use its full powers to secure any modifications in the use of the loading exit as the Commissioner deems necessary to mitigate any substantial detrimental impacts.

H) Modification Of Requirements.

The requirements of this Statement 12 may be modified, administratively, by the Commissioner of the Department of Planning upon the application for such a modification by the Applicant and a determination by the Commissioner of the

Department of Planning that such modification is appropriate and consistent with the nature of the improvements contemplated by this Planned Development and the purposes underlying the provisions hereof. Any such modification of the requirements of this Statement by the Commissioner of the Department of Planning shall be deemed to be a minor change in the Planned Development as contemplated by Section 11.11-3 (c) of the Chicago Zoning Ordinance.

13. Violation of the provisions of this Planned Development shall subject the Applicant to such fines as are authorized by the Municipal Code of Chicago for violations of the provisions of the Chicago Zoning Ordinance. Each violation of the provisions of this Planned Development shall constitute a separate offense. Repeated violations of the provisions of this Planned Development may be used by the Zoning Administrator as grounds for requesting that the Department of Law bring an action to enjoin further violations of this Planned Development.

14. The Applicant acknowledges that it is in the public interest to design, construct and maintain all buildings in a manner which promotes and maximizes the conservation of energy resources. The Applicant shall use best and reasonable efforts to design, construct and maintain all buildings located within this Planned Development in an energy efficient manner, generally consistent with the most current energy efficiency standards published by the American Society of Heating, Refrigeration and Air-Conditioning Engineers ("A.S.H.R.A.E.") and the Illuminating Engineering Society ("I.E.S.").

15. Unless substantial construction of the improvements contemplated by this Planned Development has commenced within ten years following adoption of this Planned Development, and unless completion thereof is diligently pursued, then this Planned Development shall expire, provided, however, that if the City Council amends the Chicago Zoning Ordinance to provide for a shorter expiration period which is applicable to all planned developments, then this Planned Development shall expire upon the expiration of such shorter time period as provided by said amendatory ordinance (the first day of which as applied to this Planned Development shall be the effective date of the amendatory Ordinance). If this Planned Development expires under the provision of this section, then the zoning of the Property shall automatically revert to an R5 General Residence District.

16. In addition, and the foregoing notwithstanding, this Planned Development shall expire upon the expiration of the lease referred to

in Statement 1 above. If this Planned Development expires under the provision of this section, then the zoning of the property shall automatically revert to an R5 General Residence District.

17. If any court of competent jurisdiction shall adjudge any provision of this Planned Development to be invalid, such judgment shall not affect any other provision of this Planned Development not specifically included in said judgment.

18. Notwithstanding any other provision of this Planned Development, no permits, licenses or determinations shall be issued by the Commissioner of the Department of Planning and Development under Section 11.11-3(b) of the Zoning Ordinance until and unless the lease referred to in Statement 1 above is amended to authorize improvement of the property with a museum building the foot print of which (exclusive of any terraced structure on which the sculpture garden is located) does not exceed approximately one-half of the total land area of the Property.

Action Deferred -- DENIAL OF ZONING EXCEPTION FOR CHANGE OF LICENSEE AND CONTINUED OPERATION OF TAVERN/BANQUET HALL AT 4800 SOUTH WOOD STREET.

The Committee on Zoning submitted the following report which was, on motion of Alderman Banks and Alderman E. Smith, *Deferred* and ordered published:

CHICAGO, September 16, 1992.

To the President and Members of the City Council:

Reporting for your Committee on Zoning, for which a meeting was held on September 9, 1992, I beg leave to recommend that Your Honorable Body pass various ordinances transmitted herewith to amend the Chicago Zoning Ordinance for the purpose of reclassifying the particular areas.

I beg leave to recommend the passage of two ordinances and one text amendment which were corrected and amended in their corrected form. They are as follows:

Application Numbers: TAD-065, 10969 and 10900.

I also beg leave to recommend the passage of five applications for exceptions, and the denial of one application for an exception at 4800 South Wood Street.

At this time, I, along with Alderman Ed Smith, move that this report be *Deferred* and published with the exception of the five applications for exceptions for which I request immediate passage.

Respectfully submitted,

(Signed) WILLIAM J. P. BANKS,
Chairman.

The following is said proposed resolution transmitted with the foregoing committee report:

WHEREAS, Yolanda Soto, as Licensee, filed on August 14, 1992, an application for an exception pursuant to Article 11.7A-3 of the Chicago Zoning Ordinance for the approval of the change of licensee and continued operation of an existing tavern in a two-story building, in an R3 General Residence District, on premises at 4800 South Wood Street; and

WHEREAS, The decision of the Office of the Zoning Administrator rendered August 14, 1992 reads:

> "Application not approved. Requested certification does not conform with the applicable provisions of the Chicago Zoning Ordinance, Chapter 194A of the Municipal Code of Chicago, specifically, Articles 7.3-4, 11.7A.1."

; and

WHEREAS, The district maps show that the premises is located in an R3 General Residence District; and

WHEREAS, The Zoning Administrator, having fully reviewed all information and being fully advised of the premises, hereby makes the following findings of fact: the said use is located in an R3 General Residence District; that the subject site is improved with a two-story building containing an existing tavern; that on July 12, 1990, the City Council passed an ordinance requiring an exception for the approval of the change of license of an existing tavern located in a residence district; that many neighbors were opposed to the reissuance of a tavern license at this location due to numerous problems arising from previous operations and that many taverns exist in the vicinity; that no evidence was presented to indicate that the continued operation of a tavern is necessary for the public convenience at this location in a residential district in that the area south of the subject site

on West 51st Street in a B4-1 Restricted Service District contains taverns at the present time; that the continued operation of a tavern at the subject site would be injurious to the public health, safety and welfare in that tavern operations at this site have a history of complaints and problems in the neighborhood; and that the continued operation of a tavern at the subject site is not in the public interest in that property values and future development in this residential district would be negatively affected; now, therefore,

Be It Resolved, That the application for an exception is hereby Denied.

JOINT COMMITTEE.

COMMITTEE ON FINANCE.

COMMITTEE ON HOUSING AND REAL ESTATE.

AUTHORIZATION TO ENTER INTO REDEVELOPMENT AGREEMENT WITH VOICE OF THE PEOPLE IN UPTOWN, INC. UNDER PHASE II OF NEW HOMES FOR CHICAGO PROGRAM.

A Joint Committee, composed of the members of the Committee on Finance and the members of the Committee on Housing and Real Estate, submitted the following report:

CHICAGO, September 16, 1992.

To the President and Members of the City Council:

Your Joint Committee on Finance/Housing and Real Estate, having had under consideration an ordinance authorizing the execution of a redevelopment agreement with the Voice of the People in Uptown, Inc. under Phase II of the New Homes for Chicago Program, having had the same under advisement, begs leave to report and recommend that Your Honorable Body *Pass* the proposed ordinance transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee.

Respectfully submitted,

(Signed) EDWARD M. BURKE,
Committee on Finance,
Chairman.

(Signed) LUIS V. GUTIERREZ,
Committee on Housing and Real Estate,
Chairman.

On motion of Alderman Burke, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

Yeas -- Aldermen Mazola, Preckwinkle, Bloom, Steele, Beavers, Dixon, Shaw, Buchanan, Huels, Fary, Madrzyk, Burke, Jones, Coleman, Murphy, Rugai, Troutman, Evans, Garcia, Laski, Miller, Medrano, Hendon, E. Smith, Burrell, Suarez, Gabinski, Mell, Austin, Wojcik, Banks, Giles, Cullerton, Laurino, O'Connor, Doherty, Natarus, Eisendrath, Hansen, Levar, Shiller, M. Smith, Moore, Stone -- 44.

Nays -- None.

Alderman Beavers moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, The City of Chicago ("City") is a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois and may exercise any power related to its local governmental affairs; and

WHEREAS, The City Council of the City, by Ordinance adopted June 7, 1990 (Council Journal of the Proceedings, pages 17038 -- 17045), established the New Homes for Chicago Program ("New Homes Program") to assist with the construction of new single-family housing which shall be affordable to many families; and

WHEREAS, In accordance with the New Homes Program guidelines, the Department of Housing ("Department") solicited proposals for the construction of new homes on either privately owned lots or lots to be provided by the City; and

WHEREAS, Pursuant to the New Homes Program, selected developers may receive a subsidy up to $20,000 per housing unit and may receive waivers of City fees and deposits related to new construction; and

WHEREAS, The Department recommends to the City Council that it accept certain proposals for the construction of single-family housing under the New Homes Program; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The following proposal for construction of single-family housing under the New Homes Program is hereby approved:

Developer:	Voice of the People in Uptown, Inc., an Illinois not-for-profit corporation
Numbers of Units:	Not to exceed 22 units
Location:	Uptown neighborhood: bordered by North Sheridan Road, West Foster Avenue, West Lawrence Avenue and North Broadway
Amount of Subsidy per Unit:	Not to exceed $20,000.

SECTION 2. The Commissioner of the Department of Housing, on behalf of the City, is authorized to enter into a redevelopment agreement with the Developer and to execute such other documents, subject to approval of the Corporation Counsel, as may be necessary to provide for the construction of new single-family housing by Developer pursuant to the New Homes Program.

SECTION 3. The new homes may be constructed on those certain parcels presently owned by Developer ("Private Lots") and those certain parcels presently owned or to be acquired by the City and to be conveyed to Developer as provided by the New Homes Program ("City Lots"), all as more fully described on Exhibit A attached hereto.

SECTION 4. The Mayor or his proxy is authorized to execute and the City Clerk to attest, quitclaim deeds conveying to Developer the City Lots in

accordance with the schedule contained in the proposed redevelopment agreement described in Section 2 above.

SECTION 5. The Commissioner is further authorized to accept from Developer a mortgage and such other documents, subject to the approval of the Corporation Counsel, as are necessary to secure the City's subsidy in this project.

SECTION 6. The Department of Zoning of the City is hereby authorized to permit a reduction or waiver of any required yard restriction concerning the City Lots and the Private Lots which may be redeveloped by Developer pursuant to the New Homes Program.

SECTION 7. This ordinance shall take effect immediately upon its passage.

Exhibit "A" attached to this ordinance reads as follows:

THE HONORABLE RICHARD M. DALEY, MAYOR:

TRIBUTE TO LATE MR. MARTY FAYE.

WHEREAS, Marty Faye, a Chicago broadcasting legend, departed this life on August 28, 1992; and

WHEREAS, Mr. Faye entered Chicago broadcasting as a performer in live television commercials in 1952; and

WHEREAS, Mr. Faye's vigorous style soon led to great demand for his services, so that he was soon performing in seventy live commercials a week, and became one of the most recognized figures in local television; and

WHEREAS, Mr. Faye also turned his talents to other aspects in broadcasting, first as a disk jockey and then as host of a radio talk show called "Marty's Morgue"; and

WHEREAS, Mr. Faye was also the host of the television interview programs "Apartment 7A" and "The Marty Faye Show" during the 1960s and 1970s, and he returned to radio until his retirement in 1986; and

WHEREAS, Mr. Faye's outspoken nature, probing intellect and refusal to avoid provocative topics were the hallmarks of his long and successful career; and

WHEREAS, Mr. Faye is survived by his wife, Vivian; and his daughter, Sydney Faye Petrizzi; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, assembled this sixteenth day of September, 1992, do hereby honor the life and memory of Marty Faye and mourn his passing; and

Be It Further Resolved, That suitable copies of this resolution be presented to Mr. Faye's family as a sign of our sympathy and good wishes.

TRIBUTE TO LATE MRS. VIRGINIA LUKACZEWSKI SCHERER.

WHEREAS, Almighty God in his infinite wisdom and mercy called Virginia Lukaczewski Scherer from this life on September 6, 1992 at the age of eighty; and

WHEREAS, Mrs. Scherer, a lifelong resident of Chicago, was the mother of Alderman Mary Ann Smith of the 48th Ward; and

WHEREAS, Mrs. Scherer was the daughter of Polish immigrants and fiercely proud of her Polish heritage, carrying a pouch of earth from her parents' farm in her ancestral home; and

WHEREAS, Mrs. Scherer was also a person of profound faith, deeply expressed by her devotion to the Black Madonna of Czestochowa, the symbol of perseverance and triumph over adversity; and

WHEREAS, Mrs. Scherer expressed her faith to others in the traditional Polish manner, by her generous hospitality and by providing food to those who were hungry; and

WHEREAS, Mrs. Scherer also took delight in helping the young, through her volunteer work as a Girl Scout leader; and

WHEREAS, Mrs. Scherer is survived by her husband, Harold; her daughters, Mary Ann and Alice; and four grandchildren; and

WHEREAS, Mrs. Scherer will be deeply missed, but her generous spirit will live on in her family and all those she has helped and inspired; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, assembled this sixteenth day of September, 1992, do hereby honor the life and memory of Virginia Lukaczewski Scherer, and we extend our heartfelt condolences to our colleague, Alderman Mary Ann Smith, and to the other members of the Scherer family; and

Be It Further Resolved, That suitable copies of this resolution be presented to the Scherer family as a sign of our sympathy and good wishes.

TRIBUTE TO LATE MR. LOUIS C. SUDLER.

WHEREAS, Louis C. Sudler departed this life on August 25, 1992 at the age of eighty-nine years; and

WHEREAS, Mr. Sudler, a lifelong resident of Chicago, was founder of Sudler & Company Real Estate, which since its inception in 1927 has managed many of Chicago's most important and prestigious residential and commercial properties; and

WHEREAS, Mr. Sudler was passionately devoted to the performing arts, serving from 1966 to 1972 as Chairman and from 1977 until death as Chairman Emeritus of the Board of the Orchestral Association, the governing body of the Chicago Symphony Orchestra; and

WHEREAS, During his term as Chairman of the Orchestral Association, Mr. Sudler was instrumental in retaining Sir Georg Solti as Conductor and Musical Director of the Chicago Symphony Orchestra, and in arranging concert tours for the orchestra, all of which established the orchestra's reputation as the greatest in the world; and

WHEREAS, Mr. Sudler also endowed awards in perpetuity for the performing arts at fifteen colleges and universities, and established the John Philip Sousa Foundation for the support of marching bands; and

WHEREAS, Mr. Sudler was also an accomplished musician in his own right, singing the role of Silvio in *I Pagliacci* with the Chicago Civic Opera Company and other roles with the opera and the symphony; and

WHEREAS, Mr. Sudler is survived by his wife, Virginia; his son, Louis, Jr.; seven grandchildren; and three great-grandchildren; and

WHEREAS, Mr. Sudler's dedication to improving his community, through his real estate business and through his dedication to the performing arts, is an example to all Chicagoans; and

WHEREAS, It is especially appropriate that we commemorate Mr. Sudler on this, the date of the opening of the Chicago Symphony Orchestra's new season; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, assembled this sixteenth day of September, 1992, do hereby honor the life and memory of Louis C. Sudler, and mourn his passing from our midst; and

Be It Further Resolved, That suitable copies of this resolution be presented to Mr. Sudler's family as a sign of our sympathy and good wishes.

STATE REPRESENTATIVE JOHN MC DONOUGH HONORED FOR ACT OF HEROISM.

WHEREAS, State Representative John McDonough of the 21st District, while attending a pool-side reception in Springfield on June 24, 1992, observed a four year old girl in the swimming pool; and

WHEREAS, As a result of his training in water safety, Representative McDonough was able to determine that the little girl was in distress; as she began to sink deeper into the water, Representative McDonough leaped into the pool and removed her from the water, thereby saving the child's life; and

WHEREAS, Tragedy was averted by Representative McDonough's training and prompt response; and

WHEREAS, Representative McDonough has received the Performance of Excellence Award from the American Red Cross for his actions, and has been nominated for a Presidential Certificate of Merit; and

WHEREAS, Representative McDonough by his heroic actions has given new meaning to the phrase "public service"; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, assembled this sixteenth day of September, 1992, do hereby congratulate Representative John McDonough on his heroic effort in saving the life of a child in distress; and

Be It Further Resolved, That we encourage all citizens to undertake training in water safety, including cardiopulmonary resuscitation and first aid; and

Be It Further Resolved, That a suitable copy of this resolution be presented to Representative McDonough as a token of our esteem.

SEPTEMBER 15 THROUGH OCTOBER 15, 1992 DECLARED "HISPANIC HERITAGE MONTH IN CHICAGO".

WHEREAS, The City of Chicago is an ethnically diverse city, greatly enriched by the culture and vitality of its many citizens from many parts of the world; and

WHEREAS, Chicago's Hispanic/Latino community continues to grow and make great economic, social, civic, artistic and cultural contributions to our City; and

WHEREAS, The United States Congress in 1968 passed a resolution authorizing a week of recognition of the many outstanding contributions Hispanics/Latinos have made to our country, and in 1989 amended the resolution to establish September 15 through October 15 of each year as "National Hispanic Heritage Month"; and

WHEREAS, Nations such as Belize, Bolivia, Mexico, El Salvador, Spain, Nicaragua, Guatemala, Honduras, Chile and Costa Rica will celebrate independence days or other national holidays between September 15, 1992 and October 15, 1992; and

WHEREAS, More than one hundred twenty-five non-profit Hispanic organizations have joined together to prepare for Hispanic Heritage Month 1992; and

WHEREAS, Ceremonies, sponsored by the Chicago Public Library and the State of Illinois, were held on September 15, 1992, at the Harold Washington Public Library to mark the opening of Hispanic Heritage Month; and

WHEREAS, Ceremonies closing Hispanic Heritage Month will be held on October 15, 1992, at the Palmer House under the sponsorship of the League of Latin American Citizens (L.U.L.A.C.); now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, assembled this sixteenth day of September, 1992, do hereby declare September 15 through October 15, 1992 to be "Hispanic Heritage Month in Chicago", and urge all citizens of Chicago to participate in this celebration and to salute the Hispanic community for its numerous contributions to our City.

CHICAGO CITIZENS URGED TO SUPPORT REFERENDUM QUESTION CONCERNING STATE MANDATES ON NOVEMBER 3, 1992 GENERAL ELECTION BALLOT.

WHEREAS, The State of Illinois has continuously imposed unfunded state mandates on local governments; and

WHEREAS, The cost of unfunded state mandates has placed financial burdens on local governments; and

WHEREAS, The opportunity to provide services is best determined by local officials; and

WHEREAS, The continued mandated programs from the State have eroded local control; and

WHEREAS, The citizens of each and every community have direct access to local governments; and

WHEREAS, The General Assembly and Governor Edgar have provided an opportunity for the people to speak this election year; and

WHEREAS, Public Act 87-0919 provides for an advisory nonbinding referendum to be placed on the November 3, 1992 ballot; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, assembled this sixteenth day of September, 1992, do

hereby unconditionally support an affirmative vote by the citizens of Chicago at the November 3, 1992 election on the referendum question concerning state mandates.

AUTHORIZATION FOR INSTALLATION OF "ABRAHAM LINCOLN MAROVITZ COURT" HONORARY STREET SIGNS ON PORTION OF SOUTH PLYMOUTH COURT.

WHEREAS, Judge Abraham Lincoln Marovitz has been universally recognized by his colleagues on the federal bench as an outstanding jurist; and

WHEREAS, Judge Abraham Lincoln Marovitz has throughout his distinguished career demonstrated impeccable judgement and integrity, setting an example for all men and women in the judiciary; and

WHEREAS, Having been born to poverty, Judge Marovitz has set an example to all citizens in our City that hard work, education and diligence can overcome any obstacles; and

WHEREAS, Judge Marovitz has been continually honored by numerous groups for his charitable and humanitarian contributions to various causes; and

WHEREAS, Throughout his entire life Judge Abraham Lincoln Marovitz has set an example for every citizen through his service to our City, our country and to his fellow man; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, gathered here in assembly, do hereby honor Judge Abraham Lincoln Marovitz for his years of service and do hereby extend to him our sincere thanks and appreciation for his efforts and our best wishes for future success; and

Be It Further Resolved, That pursuant to an ordinance heretofore passed by the City Council which authorized the erection of honorary street-name signs, the Commissioner of Transportation shall take the necessary action for standardization of South Plymouth Court between West Jackson

Boulevard and West Van Buren Street as "Abraham Lincoln Marovitz Court".

OCTOBER 19 THROUGH 26, 1992 DECLARED "PUBLIC ART AWARENESS WEEK IN CHICAGO" AND OCTOBER 23, 1992 DECLARED "JAMES FUTRIS DAY".

WHEREAS, The dedicated beautification of Chicago has established our great City as a center for the display of public art. Chicago has often been called a "museum without walls"; and

WHEREAS, Chicago's unique architecture has made ours one of the most famous and justly admired skylines in the world. Below that imposing skyline the Loop is dotted with great works of art displayed at no-cost locations; works by immortal masters who have defined our City as a public art capital. Also, throughout the neighborhoods of Chicago, one can enjoy the architecture and stained glass windows of religious and other edifices, sculptures in public places, and murals and portals of public and private structures all over this metropolis; and

WHEREAS, Chicago's reputation as a public art center began with the unveiling of the Picasso at Daley Center Plaza in 1967. Enactment of the 1978 "Percent For Art Ordinance" made it possible for Chicago to commission and purchase important art works for public places. Through our Public Art Program, artists have been able to work with municipal governments and community representatives to create an art collection which belongs to all Chicagoans; and

WHEREAS, This Council should acknowledge the enormous contribution made by the late Mr. James N. Futris in his capacity as the past Director of the City of Chicago's Art Program, which has resulted in the establishment of dozens of new art projects around the City; and

WHEREAS, It is fitting and proper to establish a "Public Art Appreciation Week" in order to build greater awareness among Chicagoans and to remind us that we have in our midst one of the finest collections of public art in the world; and to dedicate a day to the memory and contribution of James Futris; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, gathered here this sixteenth day of September, 1992, A.D., do hereby declare October 19 through October 26, 1992 "Public Art Awareness Week in Chicago", and that during this time all Chicagoans and visitors will be encouraged to visit the many art treasures on display

throughout the public areas of this City, and to take walking tours along those public ways which are lined with some of mankinds' most noble and most beautiful artifacts; and

Be It Also Resolved, That October 23, 1992 be declared "James Futris Day".

We do not say goodbye who come to mourn,
the tears we cry are really not for you,
We are the lonely, we are sad, forlorn,
for when you died a part of us died too.

It is for us the living to endure,
the aching pain your passing left behind,
Your happiness is finally secure,
you have the peace which none of us can find.

The reason you were chosen can't be known,
we would have kept you longer if we could,
But God called you unto His very own,
He surely must have thought that you were good.

While missing you will make life incomplete,
the memory of your presence will not die,
And since some happy day again we'll meet,
as you proceed we do not say Goodbye.

Be It Further Resolved, That a suitable copy of this resolution be prepared and presented to Gloria W. Gibson, the mother of Olivette Denise.

CITIZENS OF CHICAGO URGED TO SUPPORT ILLINOIS CONSTITUTIONAL AMENDMENT ON EDUCATION (NEW ARTICLE X) ON NOVEMBER 3, 1992 GENERAL ELECTION BALLOT.

A proposed resolution reading as follows:

WHEREAS, The state's share of school costs has steadily decreased from a high of forty-eight per cent in the mid-1970s to the current low of thirty-three per cent, ranking Illinois 48th among the states in education; and

WHEREAS, The quality of a child's educational opportunity in this state is almost solely dependent on the property taxes based upon where the child lives; and

WHEREAS, Appearing on the November ballot will be the Constitutional Amendment for Education, which will revise the Educational Article of the Illinois Constitution to establish education as a fundamental right instead of merely a goal; and

WHEREAS, The amendment would require the state to pay the "preponderant cost" of educating all of the children in the state instead of the one-third it presently contributes; and

WHEREAS, Passage of the amendment will mandate a "thorough and efficient system of high quality public educational institutions and services and to guarantee equality of educational opportunity as a fundamental right of each citizen"; and

WHEREAS, The proposed Constitutional Amendment on Education (New Article X) will be presented to the voters of Illinois for their approval on November 3, 1992; now, therefore,

Be It Resolved By The City Council Of The City Of Chicago, That all citizens are urged to vote for the passage of the Constitutional Amendment on Education, establishing education as a fundamental right of all children.

beginning at a point on the north line of said Lot 7, a distance of 100 feet west of the northeast corner thereof; thence south 0 degrees 08 minutes 58 seconds east, along the west line of the east 100 feet of said lot, 515.05 feet to the south line of said lot; thence north 89 degrees 10 minutes 06 seconds east, along said south line, 100.00 feet to the southeast corner of said lot; thence south 0 degrees 08 minutes 58 seconds east, along the southerly extension of the east line of said Lot 7 for a distance of 5.00 feet, more or less, to the easterly extension of the south face of the steel sheet pilings along the north side of the Ogden Slip; thence westerly, along the aforesaid south face of the pilings, 23.95 feet to the west face of a concrete dock wall; thence south 1 degree 52 minutes 23 seconds east, along the west face of a concrete dock wall, 138.32 feet to the north line of the land conveyed by quitclaim deed recorded April 10, 1931 as Document No. 10879128; thence east, along a line parallel with and 217 feet north of the north line of a tract of land conveyed by the City of Chicago to the United States of America by deed recorded December 8, 1921 as Document No. 7347325, a distance of 100 feet, more or less; thence south at right angles to the north line of the aforesaid tract 217 feet to the north line of the aforesaid

tract; thence easterly, along the north line of land conveyed by Document No. 7347325, a distance of 426 feet, more or less, to the east face of the concrete dock wall of the north and south municipal pier; thence northerly, along said east face of said concrete wall, 495 feet, more or less, to the south face of the concrete bulkhead of Navy Pier; thence northerly, parallel with the east line of Lot 7 aforesaid; 63.0 feet; thence westerly, parallel with the north line of said Lot 7, a distance of 44.0 feet; thence northerly, parallel with said east line, 37.0 feet; thence easterly, parallel with said north line, 2.60 feet; thence northerly, parallel with said east line, 289.23 feet, more or less, to the easterly extension of the north line of said Lot 7; thence westerly, along the north line of said lot and its easterly extension, 560.40 feet, more or less, to the hereinabove designated point of beginning, in Cook County, Illinois.

(iv) Tract "D" -- That part of the reclaimed lands and accretions thereto lying east of the fractional northeast quarter of Section 10, Township 39 North, Range 14 East of the Third Principal Meridian, bounded and described as follows:

beginning at the point of intersection of the north line of Lot 7 in Chicago Dock and Canal Company's Peshtigo Dock Addition, according to the plat thereof recorded on September 17, 1889 as Document No. 1157023 with the west line of the east 100 feet of Lot 7 aforesaid; thence westerly along the north line of said Lot 7, a distance of 588.02 feet to a point on a line drawn 139.00 feet east of and parallel with Lots 29 and 44 in the Circuit Court Partition of the Ogden Estate Subdivision of parts of Blocks 20, 31 and 32 in Kinzie's Addition to Chicago, being a subdivision of the north fractional quarter of Section 10 aforesaid; thence northerly along said parallel line and its northerly extension, 400.78 feet to the westerly extension of the northerly face of the concrete dock wall of said reclaimed lands lying east of North Lake Shore Drive and contiguous to East Grand Avenue; thence easterly, along said concrete dock wall and its easterly and westerly extensions,

519.77 feet to the northwesterly face of a concrete curb on the dike type cofferdam along the westerly side of the reclaimed land from Lake Michigan for the central filtration plant in the City of Chicago which lies east of the lands and accretions thereto in Kinzie's Addition to Chicago, being a subdivision of the North Fractional Section 10 aforesaid; thence southwesterly, along said northwesterly face of the concrete curb, 15.00 feet, to the westerly extension of the south face of the south concrete dock wall of the central filtration plant aforesaid; thence easterly, along said westerly extension, 75.95 feet to a point on the northerly extension of the west line of the east 100 feet of Lot 7 aforesaid; thence southerly, along said northerly extension, 387.86 feet to the point of beginning, in Cook County, Illinois.

(v) Tract "F" -- That part of the reclaimed lands and accretions thereto lying east of the fractional Northeast Quarter of Section 10, Township 39 North, Range 14 East of the Third Principal Meridian, bounded and described as follows:

beginning at the point of intersection of the north line of Lot 7 in Chicago Dock and Canal Company's Peshtigo Dock Addition, according to the plat thereof recorded on September 17, 1889 as Document Number 1157023 with the west line of the east 100 feet of Lot 7 aforesaid; thence easterly, along the north line of said Lot 7, and its easterly extension, 539.25 feet to the east face of a concrete dock wall of the aforesaid reclaimed lands; thence northerly, along said east face 387.68 feet to the south face of the south concrete dock wall of the central filtration plant in the City of Chicago which lies east of the lands and accretions thereto in Kinzie's Addition to Chicago, being a subdivision of the North Fractional Section 10 aforesaid; thence westerly, along the westerly extension of the south face of the south concrete dock wall of the central filtration plant aforesaid, 539.27 feet to a point on the northerly extension of the west line of the east 100 feet of Lot 7 aforesaid; thence southerly, along said northerly extension, 387.86 feet to the point of beginning, in Cook County, Illinois.

to the designation of a Planned Development which is hereby established in the area above described, subject to such use and bulk regulations as are set forth in the Plan of Development attached herewith and made a part hereof and to no other.

SECTION 2. This ordinance shall be in force and effect from and after its passage and due publication.

Planned Development attached to this ordinance reads as follows:

Planned Development For Navy Pier And The Navy Pier Headlands.

Plan Of Development.

1. The area delineated herein as a Planned Development and subject to the use and bulk restrictions of this Planned Development (the "Property") consists of five (5) tracts of land: Tracts A, B, C, D and F, and those portions of Grand Avenue and Illinois Street east of Lake Shore Drive located within the Planned Development boundary described on the Subarea Map, Exhibit 7, which is described in Statement 6 and attached hereto. The Navy Pier Subarea consists of Tract A, and the Headlands Subarea consists of Tracts B, C and F and those portions of Grand Avenue and Illinois Street east of Lake Shore Drive. The Navy Pier Park Subarea consists of Tract D. The boundaries of each Subarea are depicted on the Subarea Map, Exhibit 7 herein. The Metropolitan Pier and Exposition Authority (the "Applicant"), a political subdivision, body politic and municipal corporation created by an Act of the Illinois legislature, Ill. Rev. Stat., Ch. 85, Par. 1223, is the owner of two (2) of the five (5) tracts: Tracts A and B. The City of Chicago (the "City") is the owner of two (2) of the five (5) tracts: C and F. The Applicant has authority to act on the City's behalf for purposes of this application. The Chicago Park District is the owner of Tract D. The Applicant has the authority to act on the Chicago Park District's behalf for purposes of this application. All required disclosures are contained within the Economic Disclosure Statement filed with the City in accordance with applicable requirements.

Tract D of this Planned Development, known as the Navy Pier Park Subarea, is included in this Planned Development for the purpose of assuring a coordinated approach to the development of the Headlands Subarea. The Site/Landscape Plan for Tract D is attached to this Planned Development and made a part hereof as Exhibit 38 as described in Statement 6. The uses permitted in Tract D are public beach and bathing uses and those uses permitted in the Headlands Subarea except for public transportation facilities; and boat and ship docking, passenger embarking and disembarking. The Navy Pier Park Subarea is not intended or scheduled for redevelopment in the immediate future. Nothing in this Planned Development shall be construed as requiring or prohibiting such redevelopment. Until such time, the Chicago Park District's current uses and development of the Navy Pier Park Subarea, as well as repairs, rehabilitation and other minor work, are hereby expressly permitted uses and development.

Any substantial redevelopment of the Navy Pier Park Subarea, however, shall be in general conformance with the applicable portions of the Site/Landscape Plans described in Statement 6 herein as Exhibits 8, 9, and 10 and made part of this Planned Development. Notwithstanding any other terms of and provisions of this Planned Development, no obligations or requirements of this Planned Development shall be applicable to the Navy Pier Park Subarea until and unless the Navy Pier Park Subarea is redeveloped and then only to the extent that such obligations and requirements are applicable to the Navy Pier Park Subarea, such as for example, the prohibition against the parking of vehicles in the Headlands Subarea.

The Applicant's obligations and requirements imposed by this Planned Development shall not apply to the Navy Pier Park Subarea, and it shall have no obligation with respect to any Navy Pier Park Subarea development. Where applicable, any such obligations and requirements shall be imposed on the Chicago Park District.

Notwithstanding the provisions of Statement 18 hereof, applications for amendments, modifications or changes to the Navy Pier Park Subarea do not require the consent or authorization of the owners of the Navy Pier or Headlands Subareas. Notwithstanding the provisions of Statement 18 hereof, applications for amendments, modifications or changes to the Navy Pier and Headlands

Subareas do not require the consent or authorization of the owner of the Navy Pier Park Subarea.

The force and effect of any provisions of this Plan of Development relating to Tract D is expressly conditioned upon the approval by the Chicago Park District of this Planned Development within sixty (60) days following City Council adoption hereof. If such approval is not secured within the 60-day time period, then all provisions of this Plan of Development relating to Tract D shall be deemed to be automatically deleted herefrom, shall be null and void, and the zoning of said tract shall automatically revert to the previously underlying C3-6 zoning district.

2. This Planned Development shall not become effective until and unless an Intergovernmental Cooperation Agreement ("I.C.A.") has been entered into by and between the Applicant and the City pursuant to mutually agreeable terms, and the I.C.A. has been properly approved and executed by the Applicant and the City. In the event that such approval and execution does not occur within one year following the date of adoption of this Planned Development, then, unless extended by mutual written agreement of the City (through the Commissioner of the Department of Planning and Development) and the Applicant (through its authorized representative), this Planned Development shall expire and the zoning of the Property shall automatically revert to the C3-6 zoning district.

3. The Applicant acknowledges that the Applicant, its affiliates, successors, assigns, grantees or lessees shall obtain all official reviews, approvals and permits which may be necessary to implement the development of the Property, except as may otherwise be provided in the I.C.A..

4. This Plan of Development and the development of the Property is and shall be subject to the "Rules, Regulations and Procedures in Relation to Planned Development Amendments" promulgated by the Commissioner of the Department of Planning and Development.

5. Any dedication or vacation of streets or alleys or easements or any adjustments or rights-of-way which may be necessary to implement development of the Property shall require a separate submittal on behalf of

the owner and, if otherwise required, approval by the City Council.

6. This Plan of Development consists of 24 Planned Development Statements and the following Exhibits, all of which are incorporated herein and made a part hereof by this reference:

Full size sets of Exhibits 2 through 35 and 38 are on file with the Department of Planning and Development. This Planned Development is applicable to the area delineated herein and these and no other controls shall apply. This Planned Development conforms to the intent and purpose of the Chicago Zoning Ordinance, Chapter 194A of the Municipal Code of Chicago, and all requirements thereof, and satisfies the established criteria for approval as a Planned Development.

7. The following uses shall be permitted in the Navy Pier Subarea: pedestrian promenades; public open spaces; public, cultural, recreational, business and commercial uses; enclosed public spaces; multi-purpose exhibition, meeting and reception facilities; shops and restaurants; boat and ship docking, passenger embarking and disembarking; movable commercial vendors' facilities; kiosks and other similar structures; on-pier accessory and non-accessory parking; roadway ingress and egress; walkways, bicycle paths and ramps; and related and accessory uses and support facilities.

---

* With the exception of the Traffic Management Plan and the Navy Pier Guidelines, B.T.A./V.O.A. prepared all other exhibits and the final revision date for all such exhibits is June 23, 1992.

Within the Navy Pier Subarea, exposition and meeting uses shall not be permitted in the buildings west of the On-Pier Park. However, these uses are permitted in the buildings east of the On-Pier Park. Additionally, the business and commercial uses permitted east of the On-Pier Park shall be subordinate and ancillary to the exposition and meeting uses. All business and commercial uses permitted in and special uses of the C3-6 zoning district are permitted uses on the Navy Pier Subarea except the following: residential; hotel/motel; adult; battery, tire and auto service station; motor vehicle repair; warehouse establishments; railroad related uses; stadiums, forums or arenas with capacity of over 2,000 seats; hospital and convalescent related uses; penal and correctional facilities; electric substations; water filtration and pumping stations; recycling facilities; drive-through facilities; business and professional offices (except as ancillary uses); and transitional shelters.

The following uses shall be permitted in the Headlands Subarea: public parks, gardens and gathering places; walkways, bicycle paths and ramps; boat and ship docking, passenger embarking and disembarking; public transportation facilities; movable commercial vendor's facilities; kiosks and other similar structures; and related and accessory uses and support facilities.

All of the Property shall remain public places for the use and enjoyment of the public. Any limitations on the public use and any private uses shall be subordinate and ancillary as well as complementary to the predominantly public character of the Property. For purposes of this Planned Development, the term "operating hours" shall have the following meanings:

(i) During the period from May through September, it shall mean, for the interior public spaces of the structures, from at least 9:00 A.M. to 9:00 P.M.;

(ii) During the periods, it shall mean, for the interior public spaces of the structures, from at least 10:00 A.M. to 5:00 P.M.; and

(iii) During all periods, it shall mean, for the exterior spaces, from at least 6:00 A.M. to 11:00 P.M..

All uses of the Property shall be located, designed, constructed, maintained and operated in accordance with the provisions of this Planned Development.

8. Off-street parking and off-street loading shall be provided upon the Navy Pier Subarea in accordance with the Use and Bulk Regulation Data Sheet, Exhibit 1, described in Statement 6 and attached hereto.

9. Any service drive or other ingress or egress will be adequately designed and paved in accordance with the regulations of the Department of Transportation and in compliance with the Municipal Code of Chicago to provide ingress and egress for motor vehicles, including emergency vehicles. Fire lanes, if required, will be adequately designed and paved in compliance with the Municipal Code of Chicago. No parking shall be permitted within the service drives and other motor vehicles ingress and egress areas.

10. Business and advertising signs are permitted within the enclosed facilities on the Navy Pier subarea; provided however, these signs shall be of a limited size, and be appropriate and consistent with the character of the Navy Pier and Headlands Subarea development. Business and advertising signs of no more than 100 square feet in dimension are permitted outside of the facilities on the Navy Pier Subarea, provided that they are appropriate and consistent with the character of the Navy Pier Subarea and relate to the Navy Pier Subarea uses.

All other exterior signs, including flashing, animated or moving signs, and all signs inside or out facing and visible from the Headlands Subarea are subject to the prior approval of the Commissioner of the Department of Planning and Development.

11. The maximum allowable height of any structure upon the Property will conform with the Use and Bulk Regulation Data Sheet, Exhibit 1 attached hereto, and shall further be subject to the following:

(i) Height limitations as certified on Form FAA-117 (or on successor form or forms covering the same subject matter) and approved by the Federal Aviation Administration pursuant to Part 77 of the Regulations of the Administrator, Federal Aviation Administration.

(ii) Airport Zoning Regulations as established by the Department of Planning and Development, Department of Aviation and Department of Law and approved by the City Council.

12. The following additional principles shall govern the development of the Property:

(i) The improvements on the Property shall be designed, constructed and maintained in general conformance with all of the Exhibits described in Statement No. 6 of this Planned Development. Landscaping shall be installed and maintained in general conformance with all of the Site/Landscape Plan Exhibits described in Statement No. 6 of this Planned Development. All landscaping shall be properly maintained, at all times, by the Applicant.

(ii) Vehicular movement on the Navy Pier Subarea shall be limited to those areas designated on all of the Site Plans, Exhibits 11 through 16, described in Statement No. 6 and shall be in general conformance with the provisions of the Traffic Management Plan, Exhibit 36, described in Statement No. 6 of this Planned Development.

Public pedestrian and bicycle passage during operating hours over all exterior areas depicted on the Exhibits as pedestrian walks, paths or ways, including the south dock and the north dock, shall not be unreasonably restricted. Public pedestrian passage during operating hours over all interior areas depicted on the Pedestrian Circulation Plan, Exhibit 29, described in Statement No. 6 of this Planned Development shall not be unreasonably restricted.

The south dock shall be divided into east/west zones that are in general conformance with all of the Section Exhibits, Exhibits 24 through 28, described in Statement 6 of this Planned Development and attached hereto. These zones shall be reasonably sized to accommodate the predominantly public pedestrian and bike path character of the south dock. The edge of the south dock shall consist of an approximate 15-foot zone in which various boat and ship docking accessories are permitted. To the north and

adjacent to this 15-foot zone, there shall be a furniture/planter zone of approximately 8 feet. Notwithstanding the foregoing, within the approximate 23 feet width of these two zones, there shall be an approximate 10-foot clear zone, free and clear of all obstructions for easy pedestrian passage.

The edge of the north dock shall consist of an approximate 7-foot zone in which various boat and ship docking accessories are permitted provided that public pedestrian passage is feasible. To the south and immediately adjacent to this 7-foot zone, there shall be an approximate 8-foot clear zone, free and clear of all obstructions appropriate for easy pedestrian passage.

The boat and ship docking accessories described above include, but are not limited to, gangplanks, stairs and accessory structures, and kiosks. These accessories shall be appropriate and consistent with the character of the Navy Pier and Headlands Subareas development. They shall be sized and located to avoid unreasonable interference with public pedestrian passage or with public access to the water or lake front vistas. The location of the accessories of each boat or ship shall be limited to the boat dock areas set forth in Statement 13(i) hereof. They shall be limited to movable or semi-permanent structures.

Movable or semi-permanent kiosks are also permitted in the Headlands Subarea and elsewhere along the south dock of the Navy Pier Subarea, except in the clear zones. The kiosks shall be sized and located appropriately and consistently with the character of this Planned Development. Moreover, they shall not unreasonably interfere with public pedestrian passage or with public access to the water or the lake front vista.

Permanent kiosks or other permanent buildings or structures located anywhere on the Property are subject to the approval of the Commissioner of the Department of Planning and Development.

(iii) The areas depicted on the Site/Landscape Plan -- Crystal Garden, Exhibit 9, and the Site/Landscape Plan -- On-Pier Park, Exhibit 10, described by Statement No. 6 of this Planned Development as the Crystal Garden and the On-Pier Park respectively, shall be designed, constructed and maintained as public spaces to

provide areas for passive activities and public gathering and, except as provided herein, at no charge or cost to public users; provided, however, that the restaurant/cafe and catered dining areas depicted in Site/Landscape Plan -- On-Pier Park, Exhibit 10, described in Statement 6, may charge customers for their use of said restaurant/cafe and catered dining areas. Each of these areas shall be (a) handicapped accessible, (b) designed to function as a public space, (c) improved with seating and tables appropriately located and arranged and in reasonable and sufficient quantities to encourage public use, (d) provided with appropriate interior and exterior landscaping, (e) reasonably accessible to restroom facilities and to food and beverage facilities, and (f) except as provided herein, shall be open to the public during all operating hours. Regular musical entertainment and live performances within these areas are encouraged. The areas shall be maintained in a clean and litter free condition. The Crystal Garden shall have largely unobstructed views from within the space out to the lake and City.

Limited private uses of the Crystal Garden during operating hours are permitted; provided, however, these uses, except for the restaurant/cafe and catered dining areas, may occur only very occasionally (from time to time), must be more limited in the summer months than otherwise, and, during the period of May through September, may occur only after 6:00 P.M., and must be preceded by reasonable advance and posted notice.

It may be necessary in connection with live music, live performances or other events in the Crystal Garden and On-Pier Park to charge a fee to cover the cost of the entertainment. Also, the Applicant may charge a reasonable fee to ride the carousel and ferris wheel or for special entertainment in the tent on the On-Pier Park.

(iv) Appropriate and decorative lighting of all exterior public pedestrian areas and budget permitting, of appropriate Navy Pier Subarea building features, shall be provided and maintained. In no circumstances should lighting on the Property be directed at Lake Point Tower.

(v) The Applicant acknowledges that the draft *Navy Pier/Turning Basin Development Guidelines*, issued by the Department of Planning and Development in December, 1990 was, in large part, a result of the joint efforts of the Applicant, the City, the Chicago Park District and others to determine the appropriate guidelines for the development of the Navy Pier and Headlands Subareas. The City acknowledges that this proposed development, as described by the provisions and exhibits of this Planned Development, satisfies the intent and purpose of those Guidelines and of appropriate planning principles. The Applicant and the City further acknowledge, however, that the scope, complexity and nature of the proposed development may require refinements in the applicable development regulations from time to time and that it may be impractical and contrary to good planning to require compliance with excessively detailed or rigid conditions. Accordingly, to the extent not otherwise provided to the contrary in this Planned Development, the development and operation of the Navy Pier and Headlands Subareas shall be in general conformance with the principles described in the "Navy Pier Recommendations, Policies, and Standards" derived from the aforesaid draft Guidelines and made a part hereof as Exhibit 37 as described in Statement No. 6 of this Planned Development and attached hereto. The recommendations, policies, and standards embodied in Exhibit 37 shall be considered in any future amendment of modification to this Planned Development.

(vi) The Navy Pier and Headlands Subareas development contemplated herein is intended to be constructed as a single, integrated project. No Certificate of Occupancy shall be issued unless substantially all of the development has been completed; provided, however, that the Commissioner of the Department of Planning and Development may authorize exceptions to this requirement.

(vii) The Applicant shall make appropriate arrangements to ensure public safety and public access to the Headlands and Navy Pier Subareas, to the extent feasible, during construction. If requested by any appropriate department of the City, the Applicant shall provide and follow a reasonably acceptable plan and schedule of such arrangements; which plan shall be coordinated with the Department of Planning and Development and the Department of Transportation.

13. The perimeter of the north and south dock areas of the Navy Pier and Headlands Subareas may be used to dock boats and ships, and passengers may embark and disembark from such boats and ships along the docks of the Navy Pier and Headlands Subareas, provided that the following principles are followed:

(i) Pedestrian circulation along, and public access to, the dock's edge and views from the pedestrian areas of the Navy Pier and Headlands Subareas shall not be unreasonably impaired. In the Headlands Subarea and the south dock of the Navy Pier Subarea no more than 50% of each of the dock's length may be occupied by docked boats or ships at any one time, and each docked boat or ship shall be separated from every other docked boat or ship by 50 feet, or if separated by a lesser distance, the total length of any portion of the dock which is occupied by boats or ships at any one time shall not exceed 200 feet (unless occupied by a single boat longer than 200 feet in which case said boat shall be separated from every other boat by 50 feet).

(ii) The operation of docked boats and ships shall be regulated by the Applicant to avoid unreasonable adverse impacts of such uses on the surrounding neighborhood. These impacts include, but are not limited to, noise created by passengers and litter.

No boats or ships shall be permanently docked on the north, south or east side of the Navy Pier Subarea adjacent to the Auditorium. Embarking and disembarking of boat passengers along any portion of the Headlands (except the easternmost

docks) of the Headlands Subarea shall not be permitted after 11:00 P.M. on weekdays and 12:00 midnight on weekends.

14. For purposes of Floor Area Ratio (F.A.R.) calculations and floor area measurements, the definitions in the Chicago Zoning Ordinance shall apply.

15. The Applicant acknowledges that the development of the Navy Pier and Headlands Subareas will have unique traffic-generation and parking characteristics which will require diligent and ongoing operational control to assure that the impact of the development on the surrounding traffic network, park uses, pedestrian flow and parking supply will not be unreasonably adverse. The Applicant further acknowledges that, although the streets on the Headlands Subarea will be City-owned streets over which the City shall maintain legal jurisdiction, the generation of traffic activity and the traffic activity itself on these streets will largely be within the control of the Applicant.

Accordingly, the Applicant shall be responsible for implementing certain operational controls over parking and traffic activity expected to occur on the Navy Pier and Headlands Subareas. These operational controls are set forth in the "Traffic Management Plan" ("T.M.P.") Exhibit 36 described in Statement 6 in this Planned Development and shall become effective after the issuance of the Certificate of Occupancy for either the Family Pavilion or the Festival Hall on the Navy Pier Subarea. The T.M.P., as it may be amended or otherwise modified from time to time, shall be deemed an integral part of this Planned Development. The Applicant's compliance with the T.M.P. shall be a requirement of this Planned Development.

In order to assure the T.M.P.'s effectiveness, prior to December 31 on each year for five years following the issuance of the first Certificate of Occupancy for the Navy Pier Subarea, the Applicant shall submit to the Commissioner of the Department of Transportation (with a copy to the Commissioner of Planning and Development) a report describing the past year's traffic and parking activity and assessing the effectiveness of the various provisions of the T.M.P. and any recommended modifications thereto. Additionally, the Applicant, or its designated representative, shall cooperate with the City

and with applicable transit agencies in the on-going review and updating of the T.M.P..

Modifications may be made to the T.M.P. at any time with the approval of the Commissioner of the Department of Transportation and the Commissioner of the Department of Planning and Development. Such modifications and approvals shall be kept on file with the Department of Transportation and the Department of Planning and Development.

In order to assure that the provisions of the T.M.P. are properly carried out and that proper and prompt coordination exists among the Applicant and the various departments of the City and the applicable transit agencies and the public, the Applicant shall designate and maintain a Transportation Coordinator ("T.C."). The T.C. may consist of one or more individuals, but in any event, a single person, entity or division of the Applicant shall be readily available and apparent for inquiry by any parties concerned. The T.C. shall be in place and functioning within one year following the commencement of construction of the Navy Pier Subarea. The T.C. shall be charged with the responsibility, on behalf of the Applicant, to (a) oversee and coordinate the day-to-day implementation of the T.M.P., (b) act as a formal point of communication between the Applicant and any other agencies or individuals inquiring or concerned about traffic, or parking-related issues, and (c) coordinate traffic loading and parking management activity with representatives of the City and the appropriate transit agencies.

16. The area designated as the Future Development Zone ("F.D.Z.") in the Site/Landscape Plan-On-Pier Park, Exhibit 10, as described in Statement 6 of this Planned Development may be developed subject to the conditions hereof. The use and design of the development shall be in general conformance with both the predominantly public character of the Property and with the overall nature of the development contemplated by this Planned Development and shall be an appropriate and beneficial design. Development of any structure within the F.D.Z. shall also be subject to the following:

(i) The maximum boundaries of the F.D.Z. shall not exceed the general boundaries depicted on the Site/Landscape Plan-On-Pier Park, Exhibit 10

and the Elevation exhibits, described in Statement No. 6 of this Planned Development.

(ii) Pedestrian access to any structure within the F.D.Z. shall be designed, constructed and maintained to complement the pedestrian access ways on the Navy Pier Subarea and shall promote a safe, efficient, appropriate and beneficial design. Entrances to the structure shall be located and designed to complement the design of the Navy Pier Subarea. The main entrance should face the south dock promenade.

(iii) The exterior walls of any structure within the F.D.Z. which face or are visible from any location in or outside the Navy Pier Subarea shall be designed, constructed and maintained to complement the materials, design, detail and other architectural characteristics of the Navy Pier Subarea. Such walls shall avoid a monotonous and blank appearance.

(iv) Loading functions for any structure within the F.D.Z. shall be screened from view from the south dock and from the On-Pier Park and shall promote a safe, efficient, appropriate and beneficial design.

(v) Any structure within the F.D.Z. shall be limited to a single integrated building (which may be developed in phases) housing civic, cultural or recreational uses. Such uses may include, without limitation, theater, performing arts, museum, permanent displays open to the general public or other similar uses. Any such uses may include commercial or business uses, but only as subordinate and ancillary functions. Meeting, trade show, convention and reception uses shall not be permitted within the F.D.Z., except as subordinate and ancillary functions.

(vi) The intensity of the use of the F.D.Z. shall be generally consistent with the functions and operations of the Navy Pier and Headlands Subareas and shall be otherwise appropriate.

(vii) The use and design of any structure within the F.D.Z. shall be subject to the review and approval of the Commissioner of the Department of Planning and Development. In connection with

such review, the Applicant shall submit a development plan for the proposed structure to the Commissioner for approval. No approval by the Department of Planning and Development pursuant to Section 11.11-3(c) of the Chicago Zoning Ordinance for development within the F.D.Z. shall be granted until such development plan has first been approved. Any such development plan approved by the Commissioner shall be deemed to be an integral and authorized part of this Planned Development. The Commissioner's determination of approval shall be based upon compliance with the provisions of this statement. The development plan shall, at a minimum, provide the following information: the building's footprint, setbacks, loading areas, points of ingress and egress, building height, building elevations, floor plans and such other information as required by the Commissioner.

(viii) Prior to development of any such structure in the F.D.Z., the area within the F.D.Z. shall be designed, constructed and maintained in accordance with the Site/Landscape Plan-On -Pier Park, Exhibit 10, described in Statement No. 6 of this Planned Development.

17. The terms and conditions of Statement Nos. 12, 13 and 16 of this Planned Development may be modified administratively by the Commissioner of the Department of Planning and Development upon the request of the Applicant and after a determination by the Commissioner that such a modification is appropriate and consistent with the nature of the development of the Property contemplated in this Planned Development. Any such modification shall be deemed to be a minor change in the Planned Development as contemplated by Section 11.11-3(c) of the Chicago Zoning Ordinance. This statement shall not be construed as limiting the authority of the Commissioner pursuant to Section 11.11-3(c) of the Chicago Zoning Ordinance to authorize any other minor changes to any of the portions or statements of this Planned Development.

18. The requirements, obligations and conditions contained within this Planned Development shall be binding upon the Applicant, its successors and assigns and, if different than the Applicant, the owners of record title of the

Property. All rights granted hereunder to the Applicant shall inure to the benefit of the Applicant's succcessors and assigns. Furthermore, pursuant to the requirements of Section 11.11-1 of the Chicago Zoning Ordinance, the Property, at the time applications for amendments, modifications or changes (administrative, legislative or otherwise) to the Planned Development are made, shall be under single ownership or under single designated control. Single designated control for purposes of this paragraph shall mean that any application to the City for any amendment to this Planned Development, or any other modification or change thereto (administrative, legislative or otherwise), shall be made or authorized by all the owners of the Property.

Nothing herein shall be construed to mean that any individual owner of the Property, or any portion thereof, is relieved of obligations imposed hereunder or any rights granted herein or is not subject to City action pursuant to this Planned Development. Nothing herein shall prohibit, or in any way restrict, the alienation, sale or any other transfer of all or any portion of the Property or any rights, interests or obligations therein. Upon any alienation, sale or any other transfer of all or any portion of the Property, or the rights therein, except as assignment or transfer of rights pursuant to a mortgage or otherwise as collateral for any indebtedness, and solely with respect to the portion of the Property transferred, the term "Applicant" shall be deemed amended to apply to the legal titleholder thereof (and its beneficiaries if such title is held in a land trust), and the seller or transferor thereof (and its beneficiaries if such title is held in a land trust) shall thereafter be released from any and all obligation or liability hereunder.

19. Unless substantial construction of the proposed Navy Pier Subarea improvements has commenced within ten (10) years following adoption of this Planned Development, and unless completion is thereafter diligently pursued, then this Planned Development shall expire; provided, however, that if the City Council amends the Chicago Zoning Ordinance to provide for a shorter expiration period which is applicable to all planned developments, then this Planned Development shall expire upon the expiration of such shorter time period as provided by said amendatory ordinance (the first day of which as applied to this Planned Development shall be the effective date of the amendatory ordinance). If this Planned Development expires under the provisions of this statement, then the

zoning of the Property shall automatically revert to the previously existing C3-6 zoning district.

20. The design of the roadway network located on the Headlands Subarea as depicted on the Roadway Network Map, Exhibit 5, described in Statement No. 6 of this Planned Development has been determined by the City to be necessary and appropriate to handle the expected uses of the Navy Pier and Headlands Subareas in a safe and efficient manner, while maximizing the availability of open space and park land on the Headlands Subarea. The City acknowledges, however, that the actual uses of the Navy Pier and Headlands Subareas may vary from that expected. Accordingly, prior to the expiration of the fifth anniversary following the issuance of the first Certificate of Occupancy for the Navy Pier Subarea, the Applicant shall submit to the Commissioner of the Department of Planning and Development and the Commissioner of the Department of Transportation a traffic study prepared by a traffic engineer assessing the adequacy and sufficiency of the Headlands Subarea's roadway network to handle the actual traffic demand experienced during said five-year period. Following receipt of said study, the Commissioner of the Department of Planning and Development shall consult with the Commissioner of the Department of Transportation. If the Commissioner of the Department of Planning and Development and the Commissioner of the Department of Transportation determine that changes to said roadway network are necessary or appropriate to accommodate the actual uses of the Navy Pier and Headlands Subareas, while maximizing the availability of open space and park land, said Commissioners shall so notify the Applicant. Such changes shall be limited to modifications or changes to the roadway network. Said Commissioners shall make such determination and send such notice within 90 days following receipt of said study. The City shall, at its own expense and within one year thereafter, make such changes to the roadway network as are required. The Applicant shall, at its own expense and within one year thereafter, make such changes to the landscaping on the Headlands Subarea as are reasonably required as a result of the changes to the roadway network undertaken by the City.

21. The two parcels depicted on the Subarea Map, Exhibit 7, collectively as Tract E, Existing Federal Parcels, are outside the boundaries of this Planned Development. Applicant acknowledges, however, that such parcels shall

be served by accessways over and across the Headlands Subareas. In the event that the Applicant or the City acquires control of either or both of these parcels sufficient to allow redevelopment as park land, or either or both of these parcels are otherwise redeveloped as park land, then the Headlands Subarea park land included in this Planned Development shall be reconfigured and relandscaped to create a park area which is coordinated with the applicable parcel or parcels, as the case may be. Such reconfiguration and relandscaping shall be designed, constructed and maintained in general conformance with the Future Headlands Subarea Landscape Plan, Exhibit 35, described by Statement No. 6 and attached hereto. Such reconfiguration and relandscaping shall be completed by the Applicant within a reasonable time following the aforesaid acquisition of the necessary rights to the parcel or parcels or following substantial completion of the redevelopment of the applicable parcel as park land, whichever is earlier. This statement shall be deemed satisfied when the Headlands Subarea park area has been reconfigured and relandscaped to create a coordinated park area with the redeveloped parcel(s) and the Turning Basin Park.

Any development of the Headlands Subarea, and particularly of the applicable portions of Tract E, shall be coordinated with and shall be designed and constructed to accommodate the then existing or known plans for the Turning Basin Park. When and if the Turning Basin Park is developed, the Applicant will permit third parties reasonable access to Tract E in order to coordinate said development with Tract E.

22. The Applicant shall manage the uses of the Headlands and Navy Pier Subareas to avoid unreasonable adverse impacts on the surrounding residents. On the Headlands Subarea, no neighborhood festivals shall be permitted.

23. The Applicant acknowledges that the Norwegian Viking Ship, currently located in Lincoln Park, is an important Chicago artifact which needs to be relocated from Lincoln Park and that the Navy Pier Subarea may be a suitable site for such relocation. In the event that a study performed by others reaches a conclusion acceptable to the Applicant to the effect that the relocation of the vessel to the Navy Pier Subarea is feasible and appropriate, then subject to any and all conditions the Applicant deems necessary or appropriate, the Applicant shall permit the placement of the vessel on or near the Navy Pier Subarea

in an appropriate location for public display. The Applicant shall not be responsible for or pay any cost or expense whatsoever involved in the study, the relocation, or for any repair, on-going maintenance, or liability associated with said Norwegian Viking Ship.

24. The Applicant acknowledges that, although the City's Percent for Public Art ordinance is not applicable to the proposed development, the Navy Pier and Headlands Subareas development project is a public project and that the location and placement of art work in appropriate places on the Headlands and Navy Pier Subareas is a worthy public goal. Accordingly the Applicant shall, in its planning for the design and construction of the proposed development, take into consideration the installation of art work as an integral part of interior and exterior spaces. In connection with this requirement, the Applicant shall work with the appropriate representatives of the Public Art Program of the City's Department of Cultural Affairs.

Traffic Management Plan.

(1) Purpose.

It is the intent of this plan to help assure that the Navy Pier and Headlands Subareas will be operated in a manner which avoids unreasonable adverse impacts on existing traffic on nearby streets and expressways; assures reasonably safe and efficient traffic operations on the Headlands Subarea and reasonably safe and efficient parking and traffic operations on the Navy Pier Subarea and, as related to the Navy Pier and Headlands Subareas development, parking and traffic operations off the Property; assures reasonably safe and efficient pedestrian and bicycle movements on and about the Navy Pier and Headlands Subareas; and avoids unreasonable interference with the continuous flow of traffic to, through and from the Navy Pier and Headlands Subareas.

(2) General Principles.

(i) Traffic movement on the Navy Pier Subarea should be subordinate to traffic movements on the Headlands Subarea. Every reasonable effort should be made to assure that traffic flow into or out of the Navy Pier Subarea is managed to assure that the Headlands Subarea street network operates at a reasonably acceptable level, is reasonably safe for pedestrians and bicyclists and is reasonably efficient for vehicles.

(ii) Private automobile traffic to the Navy Pier Subarea should be minimized to avoid unreasonable adverse impact on the surrounding neighborhood. Every reasonable effort should be made to encourage use of public transit and remote parking and to minimize private automobile use, especially when design day and peak-peak conditions prevail.

Exhibit 36.
(Page 2 Of 10)

(iii) The Headlands Subarea should be maintained as a place of arrival and departure, not as a parking or staging area. Every reasonable effort should be made to assure the continuous flow of traffic on the Headlands Subarea and to prohibit stopping for lengthy periods of time, parking or vehicle staging, including restriction on vehicle lane movements and patterns of circulation on and about the Headlands Subarea. Reasonable steps should be taken to assure the safety of pedestrians crossing the Headlands Subarea roadway in front of the Head House.

(iv) The south dock of the Navy Pier Subarea is intended to be a pedestrian-oriented public way. All vehicles (other than the on-pier tram, emergency vehicles, small service vehicles as necessary and appropriate which are similar in character to golf carts, and bicycles) should be prohibited from using the south dock during operating hours.

(3) Specific Conditions.

(i) Headlands Subarea.

(a) Staging/Parking.

-- No vehicle of any kind is permitted to park at any time.

-- C.T.A. Buses: Allowed to stage within the designated bus terminal area only.

-- Taxis: Allowed in designated space on north side of Grand Avenue only. Taxi queue should not extend into the traffic lanes or across Grand Avenue or Head House Drive.

Exhibit 36.
(Page 3 Of 10)

-- Other motor vehicles: No staging at any time.

(b) Circulation.

-- No vehicular traffic should be allowed in C.T.A. terminal area at any time, other than C.T.A. buses or C.T.A. service vehicles. Bollards to remain in place except as permitted by the Chicago Department of Transportation.

-- C.T.A. vehicles should have ingress via Illinois Street to Streeter Drive to Jardine Drive; egress should be via Jardine Drive to Grand Avenue.

-- All charter buses, private buses, school buses, trucks, and other delivery and service vehicles (except trucks providing boat delivery service during the period from 11:00 P.M. to 9:00 A.M.) should be prohibited, at all times, from using Illinois Street's loop extension and the recirculation lane. These vehicles should have ingress via Illinois Street to Streeter Drive to the eastbound lane of Grand Avenue to the north dock roadway of the Navy Pier Subarea. Egress should be via the north dock roadway to Grand Avenue. The eastbound lane of Grand Avenue is limited to these vehicles, except during Design Day-Peak Hours and Peak-Peak Day-Peak Hours.

Exhibit 36.
(Page 4 Of 10)

-- Private automobiles, taxis, limousines and parking shuttles should have ingress via the Illinois Street loop extension.

-- Private automobiles, taxis, limousines and parking shuttles may use the recirculation lane.

(ii) Navy Pier Subarea.

(a) South Dock.

-- No motor vehicles (other than on-pier tram, emergency vehicles and small service vehicles as necessary and appropriate which are similar in character to the golf cart) should be permitted on the south dock during operating hours. Provided, however, service and maintenance vehicles may be permitted after 11:00 P.M. and before 9:00 A.M..

-- The south dock on-pier tram should not deviate from the south dock's designated tram lane. The tram should provide east-west service to the public on the south dock. In addition, but complementary to the south dock tram service, the on-pier tram may run on the north dock; provided however, the tram shall run to the north dock using the internal north-south connectors only.

Exhibit 36.
(Page 5 Of 10)

(b) North Dock.

-- Loading activity at the Family Pavilion loading docks should be scheduled to avoid conflicts on the north dock roadway.

-- Every reasonable effort should be taken to avoid unreasonable noise disturbance to the surrounding residential area due to loading activity after 11:00 P.M. and before 9:00 A.M.. This includes, to the extent reasonable and practical, discouraging semi-truck activity at the Festival Hall loading docks during this time.

(iii) Design Days-Peak Hours: Special Considerations.

Design Days-Peak Hours is defined as an approximately one-hour period occurring on Saturdays between mid-May and mid-September usually between the hours of 1:00 P.M. to 3:00 P.M. and 6:00 P.M. to 8:00 P.M. or during a similar peak hour period on other days when daily attendance in excess of 35,000 is anticipated. During Design Days the following provisions shall apply:

(a) Remote Parking System.

-- A remote parking system providing for an adequate number of available spaces to handle expected demand as determined by the Traffic Coordinator should be identified to supplement on-pier parking. More than one site may be utilized.

Exhibit 36.
(Page 6 Of 10)

-- Signs on Lake Shore Drive and on other appropriate roadways should be installed which direct motorists to off-site parking for the Navy Pier Subarea. Electronic early warning signs should be installed on Lake Shore Drive, the exit ramp at Grand Avenue and Illinois Street west of Lake Shore Drive. In addition, the occupancy of the Navy Pier Subarea parking lots should be monitored. When the on-pier lots are substantially full, the electronic early warning signs should be activated so that motorists seeking parking are discouraged from entering the Headlands Subarea, other than to drop off passengers.

-- Parking shuttles should be allowed to pick up and drop off passengers at designated and clearly marked points in front of the Head House and at the east and west drop-off areas reached from the north dock roadway. Regular and frequent shuttle intervals are recommended to enhance the attractiveness of off-site parking.

(b) North Dock.

-- The reversible third lane of the north dock roadway, normally an eastbound lane, may be used as a westbound lane, but only when the reduced eastbound capacity does not impede the Headlands Subarea traffic flow.

Exhibit 36.
(Page 7 Of 10)

(c) Intersection Control.

-- Trained private traffic personnel or City Police should be located at the Illinois Street/Streeter Drive intersection, in front of the Head House, and at the Grand Avenue/Head House intersection to direct and assist the flow of traffic.

-- Panel trucks or other vehicles of a similar nature may be permitted to enter the north dock at any time.

-- Private buses, taxis or limos in any lane of the north dock roadway should not be permitted to queue unless such queuing would lessen congestion on the Headlands Subarea at such times.

-- Use of the east and cul-de-sac turn-around at the end of the north dock roadway should be limited to private autos, taxis, limos, panel trucks and the parking shuttle.

During the Design Days-Peak Hours, the following provisions shall apply:

-- No semi-truck should be allowed to enter the north loading dock.

-- No trucks of any kind should be allowed to stage on the north dock.

-- No private buses shall be permitted to stage on the north dock roadway.

Exhibit 36.
(Page 8 Of 10)

(iv) Peak-Peak Days-Peak Hours, Special Conditions.

-- Peak-Peak Days-Peak Hours are defined as an approximately 2-hour peak traffic period occurring on those rare days designated as such by the Chicago Department of Transportation and the Chicago Police Department on which daily attendance in excess of 50,000 is reasonably anticipated. During these peak hours on such days, for example the fireworks display on July 3, it is critical that the number of vehicles allowed access to the Headlands Subarea be sharply curtailed. All vehicular traffic should be subordinate to public transit, parking shuttle operations and pedestrian and bicycle circulation. Each of the following provisions should apply to an approximately 2-hour period immediately preceding the event giving rise to the Peak-Peak Days-Peak Hour designation:

-- No vehicles should be allowed to enter the Navy Pier Subarea parking lots.

-- No vehicles, except the parking shuttle, should be allowed on the loop extension of Illinois Street or on the recirculation lane.

-- The parking shuttle may drop-off passengers in the two drop-off areas reached from the north dock roadway (via Streeter Drive and the eastbound lane on Grand Avenue between Streeter and Head House Drives).

Exhibit 36.
(Page 9 Of 10)

-- To direct and assist with the flow of traffic, trained private traffic personnel or City Police should be located at the Illinois/Streeter intersection, in front of the Head House, at the Grand/Head House intersection, on the north dock roadway, and at the Streeter/Grand intersection.

-- No semi-truck should be allowed to enter the north dock roadway.

-- Panel trucks or other vehicles of a similar nature making a delivery may be permitted to enter the north dock at any time.

-- No trucks of any kind should be allowed to stage on the north dock.

-- Use of the east end cul-de-sac turn-around at the end of the north dock roadway should be limited to private autos, taxis, limos, panel trucks and the parking shuttle.

(v) Public Awareness.

Every reasonable effort shall be made to promote public awareness and understanding of the traffic management system. Additionally, directional signage for motorist should be installed where appropriate. At a minimum, brochures, pamphlets and advertising should communicate the following in a reasonably clear and easily comprehensible manner:

Exhibit 36.
(Page 10 Of 10)

-- Transit facility locations, schedules and routes;

-- Headlands Subarea circulation routes depicting type of vehicles permitted on each roadway and applicable conditions; and

-- Location of all remote parking facilities, together with information on remote parking shuttle service (e.g. frequency and location of stops).

(4) Minor Deviations.

Minor deviations from the requirements of the T.M.P. are permitted from time to time when and to the extent unique circumstances warrant each deviation.

Navy Pier Recommendations.

Policies And Standards.

Key Recommendations.

1. Improve The Quality And Continuity Of Park Space Along The Entire Waterfront.

   -- Reclaim the existing surface parking lots on the Headlands for 12 acres of additional lakefront park.

   -- Convert the one-half mile long south dock of Navy Pier to a major public lakefront promenade and open space.

   -- Redesign the park area along the South Bank of the Chicago River to connect to the new Turning Basin Parks and to serve as the downtown's gateway to the entire Navy Pier/Turning Basin area.

   -- Reconfigure pedestrian and bicycle paths in order to promote better access to and through the lakefront parks.

   -- Create a monumental gateway to the City and a link between the lakefront parks and riverwalk system by constructing a circular River Mouth Turning Basin park.

2. Improve Regional Access To The Area And Minimize Traffic And Parking Impacts On The Surrounding Neighborhoods.

   -- Promote more efficient traffic movement -- and increase the available park land -- through a redesigned street system on the Navy Pier Headlands.

Exhibit 37.
(Page 2 Of 17)

-- Encourage more transit use to the area by creating accommodations for increased bus transit service and the proposed downtown circulator system.

-- Create up to 1,200 parking spaces on Navy Pier to meet the average daily demands of visitors coming to the area.

-- Develop a remote parking strategy to meet the needs of design-day visitors to the Pier by utilizing appropriate existing parking facilities. These facilities would be served by remote shuttle service.

3. Unite Parks, Public Facilities, And Support Functions In A Preeminent Downtown Waterfront Activity Center.

-- Create special design standards to ensure that new development will respect the overall historic silhouette of Navy Pier.

-- Promote a public activity center that emphasizes public uses of Navy Pier and discourages private hotel, commercial office and residential development.

-- Develop a new Festival Hall on Navy Pier to host a number of public and private events and to complement the existing auditorium at the east end of the Pier.

-- Develop complementary shopping, restaurant, theater and cultural facilities at Navy Pier for visitors and local residents.

-- Develop a new public winter garden and other winter-oriented uses on Navy Pier to encourage year-round lakefront activity.

Exhibit 37.
(Page 3 Of 17)

The following policies serve as the basis for redevelopment of parcels and facilities within the Navy Pier/Turning Basin planning area:

A. Land Use.

1. Enhance the public nature of the Navy Pier/Turning Basin area as a place for the use of and enjoyment by Chicago area residents, visitors and the adjacent community.

2. Develop Navy Pier and the Headlands in a way that emphasizes public uses and discourages future private hotel, commercial office or residential development.

3. Ensure sensitive water-side uses and development by addressing impacts of size, location, public access and operations of commercial tour boats.

B. Open Space/Pedestrian.

1. Complete and enhance the lakefront park system at Navy Pier, Pier Headlands and Chicago River Turning Basin.

2. Consider the policies of the *Lakefront Plan of Chicago* and *Chicago River Urban Design Guidelines -- Downtown Corridor.*

3. Give pedestrian movement priority in the design of Navy Pier, Headlands and the Turning Basin.

4. Provide public access, where feasible, along the entire waterfront.

Exhibit 37.
(Page 4 Of 17)

5. Create an area-wide pedestrian corridor and open space system that improves access from the Loop, Streeterville, Cityfront Center and Illinois Center to the lakefront.

6. Minimize noise from arrivals, departures and activities on Navy Pier, Headlands and the Turning Basin by promoting appropriate noise abatement.

7. Improve bicycle circulation within the Navy Pier/Turning Basin area.

8. Ensure that all new development at the Pier/Turning Basin area meets all governmental environmental quality standards.

C. Urban Design.

1. Maintain the historic silhouette of Navy Pier and preserve the existing Head House and east end building complex.

2. Orient development, pedestrian paths and open spaces towards the water edges.

3. Protect and frame views of the city skyline and the Lake to and from Navy Pier.

4. Conceal parking on Navy Pier from public view.

D. Transportation.

1. Design a more efficient street and block system for the Pier Headlands.

Exhibit 37.
(Page 5 Of 17)

2. Minimize roadway and ramp intrusions on the lakefront parks and around the water edges.

3. Increase the availability of public transportation to the area.

4. Provide adequate facilities for circulation within and through the site for pedestrians, public transit, shuttle service, charter buses and private vehicles.

5. Improve transit and pedestrian circulation on the Pier itself.

6. Provide only the amount of parking necessary to serve the needs of the average daily demands of the Navy Pier/Headlands.

7. Establish a traffic and parking management program, including remote parking and linked shuttle service, to reduce direct, private automobile traffic to Navy Pier and to accommodate design-day parking needs.

Appendix "A".

Lake Michigan And Chicago Lakefront Protection Ordinance.

The basic policies which govern present and future development for Chicago's lakefront include:

1) Complete the publicly owned and locally controlled park system along the entire Chicago lakefront.

Exhibit 37.
(Page 6 Of 17)

2) Maintain and enhance the predominantly landscaped, spacious and continuous character of the lakeshore parks.

3) Continue to improve the water quality and ecological balance of Lake Michigan.

4) Preserve the cultural, historical, and recreational heritage of the lakeshore parks.

5) Maintain and improve the formal character and open water vista of Grant Park with no new above-ground structures permitted.

6) Increase the diversity of recreational opportunities while emphasizing lake-oriented leisure-time activities.

7) Protect and develop natural lakeshore park and water areas for wildlife habitation.

8) Increase personal safety.

9) Design all lake edge and lake construction to prevent detrimental shoreline erosion.

10) Ensure a harmonious relationship between the lakeshore parks and the community edge, but in no instance will further private development be permitted east of Lake Shore Drive.

11) Improve access to the lakeshore parks and reduce through vehicular traffic on secondary park roads.

12) Strengthen the parkway characteristics of Lake Shore Drive and prohibit any roadway of expressway standards.

13) Ensure that all port, water supply and public facilities are designed to enhance lakefront character.

Exhibit 37.
(Page 7 Of 17)

14) Coordinate all public and private development within the water, park, and community zones.

Appendix "B".

Chicago River Urban Design Guidelines.

The City of Chicago Department of Planning in conjunction with the Friends of the Chicago River has prepared a set of urban design guidelines for the downtown portion of the Chicago River. These guidelines are intended for use by the Department of Planning and Chicago Plan Commission in reviewing Planned Developments proposed for the downtown portion of the Chicago River. The guidelines apply to the portion of the river bounded by Chicago Avenue on the north, Cermak Road on the south and the lock at Lake Michigan on the east. The guidelines were adopted by the Chicago Plan Commission in June, 1990.

The objectives of the guidelines are:

-- To establish a continuous riverside walkway throughout the downtown corridor.

-- To create oases of quiet green space easily accessible to central area workers, residents and visitors.

-- To transform the downtown portion of the Chicago River into a high-profile tourist attraction and recreational amenity, thereby enhancing Chicago's image as a desirable place to live, work and visit.

-- To reinforce and extend the visually impressive urban ensemble now in place on the river and thus promote the city's reputation as a center of quality design.

Exhibit 37.
(Page 8 Of 17)

-- To establish the river as a prestigious development corridor and create an appropriate centerpiece for the expanded downtown.

While the *Navy Pier/Turning Basin Development Guidelines* and *Chicago River Urban Design Guidelines -- Downtown Corridor* share some overlapping planning area boundaries, both Guidelines are consistent in policy and intent. However, the *Navy Pier/Turning Basin Development Guidelines* provide more detailed recommendations for this particular area.

The *Chicago River Urban Design Guidelines -- Downtown Corridor* is available to the general public from the City of Chicago, Department of Planning and Development.

Appendix "C".

General Urban Design And Landscaping Standards.

The following general urban design and landscaping standards should be considered in the design of the promenade and open spaces within the Navy Pier/Turning Basin planning area.

1. Public Promenade, Plaza And Streetscape Features.

   a. A comprehensive system of public and private signs should be developed for the Navy Pier/Turning Basin area. Standardized international symbols should be used for public service and information signs. A public/private system of "trailblazer" signs should be used to direct pedestrians and motorists to common destinations, including Navy Pier, Olive Park, Ohio Street Beach and remote parking.

Exhibit 37.
(Page 9 Of 17)

b. Walkways should be sized to accommodate specific functions, such as pedestrian movement between places or window shopping. Where uninterrupted and quick walking between places is the primary function of the path, a minimum unobstructed width should be provided.

c. Along a pedestrian walkway or sidewalk, the distance from one pedestrian cross-path to the next should be no greater than 500 feet where feasible, efficient and appropriate.

d. Walkways should not be obstructed or appear to be obstructed by gates, walls, chains, ropes or other barriers. Walkway routes should not be unnecessarily circuitous.

e. Railings, if any, along the water's edge should be relatively open and transparent, allowing pedestrians to view the water.

f. Where possible, promenades should be oriented towards the water's edge or building landmarks (e.g., Navy Pier Head House) for pedestrian orientation.

g. Where outdoor staircases are necessary to provide a transition between grades (such as at Navy Pier Park), the tread widths should be sized for easy removal of snow accumulation.

h. Pedestrian paths, seating areas and other high-traffic areas should be paved with attractive materials.

i. Pavement materials should consist of colorful, durable, non-slip surfaces. Paving should include flat, even surfaces to facilitate snow and ice removal and for public safety during the winter.

Exhibit 37.
(Page 10 Of 17)

j. For security, all walkways, stairways and public open spaces should be illuminated appropriately. Lighting must be attractively designed. To ensure pedestrian scale, the combined height of standard plus luminare should not be excessive. Coordination of lighting design within the planning area is strongly encouraged.

k. Arcades (covered walkways open to the pedestrian promenade on one side) should not be substituted for the minimum requirements for the pedestrian promenade.

l. Benches and group seating areas should be provided for public use. For comfort, benches with wooden seats and backs are preferred, although ledges and planters suitable for sitting are acceptable. Variety in the types of seating is encouraged. An appropriate number of the seating should permit a direct view of the water, where possible. Seating that faces the water, but has its view impaired by walls, vegetation or structures should be avoided.

m. Other street furniture elements such as traffic signals/sign/lighting supports, trash receptacles, newspaper boxes, mail boxes, flags, etc. should be designed and included as part of an overall system. Where possible and feasible, a standard kiosk should be designed and used throughout the area for events announcements and commercial advertising in lieu of billboards.

n. Storm run-off is one of the principal sources of lake and river pollution. Waterside projects, where feasible and appropriate, should be graded to direct storm run-off to the sewer system or suitable storm water retention areas, not into the lake or river. A one (1) percent slope away from the water's edge should be encouraged.

Exhibit 37.
(Page 11 Of 17)

o. Outside public promenades along the lake and river should be accessible to the public from 6:00 A.M. to 11:00 P.M. (Chicago Park District hours) every day, year-round, except when closed for maintenance.

2. Development Adjacent To Open Spaces And Promenades.

a. The ground floor of buildings along open spaces or sidewalks designated as pedestrian areas should maximize, within reason, the frontage in pedestrian-related uses. However, it is recognized that initially there may not be enough pedestrian traffic to support retail uses. In such cases, "punch-out" spaces that may be converted to retail use in the future, should be considered. Lobbies, service areas, and blank walls constituting more than 25 percent of the frontage along pedestrian designated areas should be discouraged.

b. The exterior facade of pedestrian-related uses should consist primarily of clear display windows or windows allowing for visibility into the shop, restaurant or other pedestrian use. Reflective glass, on both upper and lower floors, is discouraged.

c. Blank walls (i.e., without windows or doors) facing pedestrian paths should be discouraged. If a blank wall is necessary because an alternative treatment would create practical difficulty or hardship, such walls should be given an attractive architectural treatment using quality materials or else screened with planting.

d. Access doors into pedestrian-related uses should be spaced to avoid long expanses between doors.

Exhibit 37.
(Page 12 Of 17)

e. The ground floor of building fronting on pedestrian promenades or plazas should be located as feasible and appropriate to the promenade right-of-way lines or edge delineation, in order that ground floor pedestrian uses are directly accessible by persons using the open spaces.

f. To create a lively pedestrian environment, outdoor cafes and shops are encouraged. Small retail kiosks could be located along walkways and should be movable.

g. When seating for an outdoor cafe adjoins a public walkway, the two should be clearly differentiated. Massive barriers separating public and private uses should be discouraged. In configuring outdoor seating, walkway obstructions should be avoided. An eight (8) foot wide corridor should be reserved for pedestrian circulation.

h. Building frontages incompatible with open spaces and promenades should be discouraged, in particular:

1. Chain linked fences or barbed wire.

2. Utility doors or staircases.

3. Truck docks.

4. Service drives.

5. Parking curb cuts and spaces located at-grade.

6. Storage facilities.

7. Electrical and mechanical equipment.

Exhibit 37.
(Page 13 Of 17)

8. Trash or garbage containers or other building maintenance facilities or equipment.

9. Billboards or other off-premise commercial signs, except as encouraged on storefronts and advertising kiosks.

10. Ventilator exhaust equipment.

11. Concrete road barriers and utility guard rails.

i. Parking garages on Navy Pier should be designed to minimize, where feasible and possible, the visibility of parked automobiles from open spaces.

1. Garage facades should be treated with quality materials as though the garage was part of overall redevelopment (e.g., Exhibit Hall, Winter Garden).

2. Sloping or ramped floors of the structure should not be visible from the exterior of the structure, should be discouraged.

3. Automobiles parked within the structure visible from any portion of the exterior of the structure should be avoided.

4. Harsh or glaring lighting should be avoided. Bare bulbs and unenclosed lighting fixtures visible from the exterior of the structure should be discouraged. Automobile headlights shining onto any open space or adjoining building from within the garage should be avoided if feasible.

Exhibit 37.
(Page 14 Of 17)

5. Vehicular ingress and egress points should be located away from pedestrian circulation areas. Where this is unavoidable, the exit should be set back from the path or sidewalk so the exiting cars are visible to pedestrians before the cars cross the pedestrian area.

3. Landscaping.

a. All public promenades and plazas should have an appropriate minimum average landscaping coverage. Ground covered by tree grates may count towards the minimum.

b. All Pier Headlands and Turning Basins parks (except Head House Square) should also have an appropriate minimum average landscaping coverage.

c. Vegetation, if possible and feasible, should be planted in the ground rather than in planters to provide adequate root space and maintain pedestrian pathway widths. If planters are used, they should be as large (horizontally) as possible, particularly for trees. (Bear in mind that under ideal conditions, the horizontal diameter of a tree's roots may equal or exceed its height.) For trees, long pits permitting multiple plantings and shared root space are preferable to smaller pits with single plantings. Above ground pots, which crowd roots and expose them to freezing winds, should be discouraged.

d. To permit moisture and oxygen to reach roots, the ground surface around trees kept in a natural state should be considered. If paving is necessary, paving blocks set in sand, which permit moisture to seep into the ground, should be considered.

Exhibit 37.
(Page 15 Of 17)

e. Plants which tolerate the drying effects of strong wind, airborne salts and intermittent natural light are preferable. Trees should be chosen for year-round interest -- spring flowers, summer foliage, bright fall colors and attractive shape, bark, berries or other features in winter. Trees selected should have long-season leaf presence.

f. Trees native to the riverbank should be considered for planting in ground along the river. These include:

1. Bald Cypress
2. Black Adder
3. Green Ash
4. Swamp White Oak
5. Male Cottonwood

g. Trees appropriate to lakefront locations which should be considered include:

1. Burr, White, Scarlet and Northern Red Oaks
2. Sugar Maple
3. White and Red Ash
4. American Linden
5. London Plane

Exhibit 37.
(Page 16 Of 17)

6. Horse Chestnut
7. Black Cherry
8. Hackberry

h. Trees to be discouraged for lakefront locations include:

1. Norway Maple
2. Locust
3. Cottonwood
4. Tree of Heaven
5. Weeping Willow
6. Pin Oak
7. Beech
8. Black Walnut
9. Larch
10. Sweetgum
11. Tulip Tree
12. Mountain Ash
13. Birch

i. Trees which create shade and enhance walkways and streets within the planning area which should be considered include:

Exhibit 37.
(Page 17 Of 17)

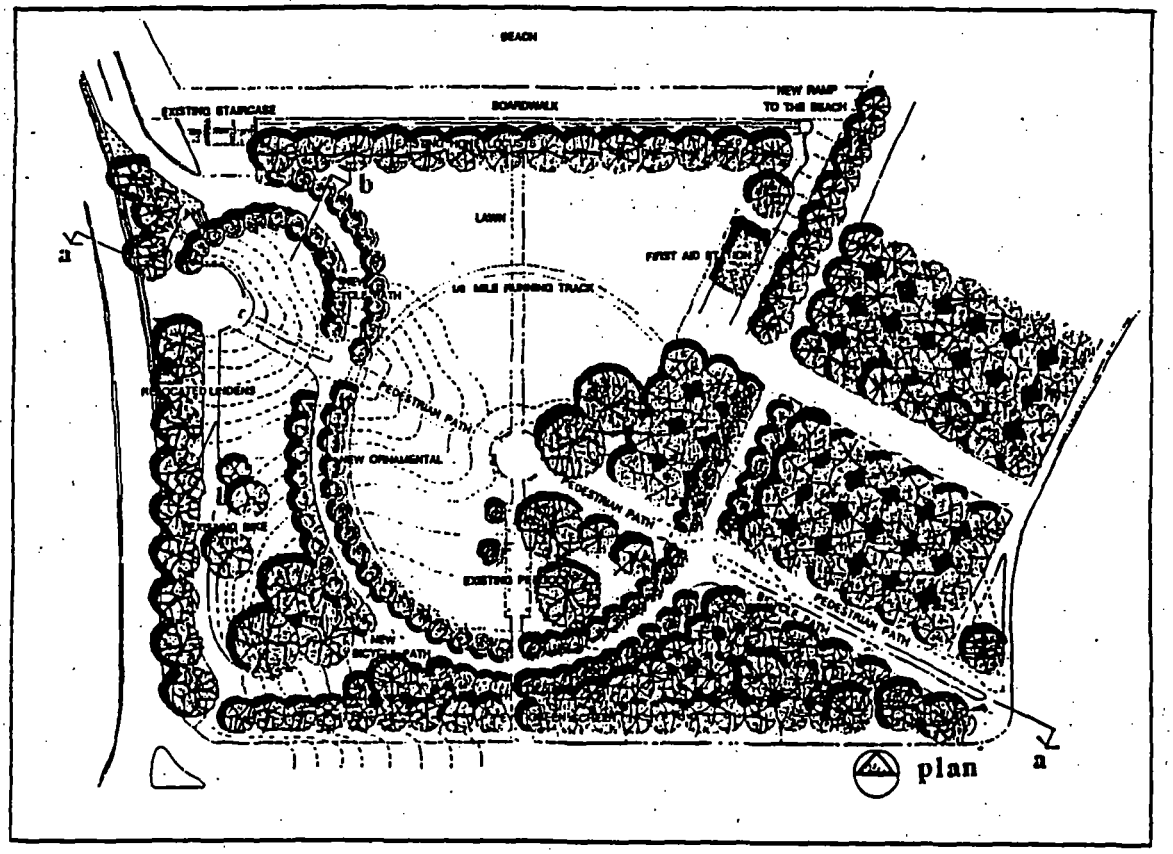

1. Honey Locust
2. Ash (numerous varieties)
3. Norway Maple
4. Green Spire Linden
5. Little Leaf Linden
6. Bradford Pear

j. Trees suitable for containers and other locations with limited root space which should be considered include:

1. Washington Hawthorn
2. Hedge Maple
3. Japanese Tree Lilac
4. Male Ginkgo
5. Amur Maple
6. Flowering Crabapple, particularly the Adams, Beverly, Zumi, Professor Sprenger and Donald Wayman varieties.

UNFINISHED BUSINESS.

AMENDMENT OF TITLE 11, CHAPTER 4 OF MUNICIPAL CODE OF CHICAGO BY ADDITION OF NEW ARTICLE XIV REGULATING OPERATION OF CONSTRUCTION MATERIAL REPROCESSING FACILITIES.

On motion of Alderman Burke, the City Council took up for consideration the report of the Committee on Energy, Environmental Protection and Public Utilities, deferred and published in the Journal of the Proceedings of July 29, 1992, pages 19927 through 19934, recommending that the City Council pass a proposed substitute ordinance amending Title 11, Chapter 4 of the Municipal Code of Chicago by regulating the operation of construction material reprocessing facilities.

Alderman Eisendrath presented the following proposed substitute ordinance for the proposed substitute ordinance, deferred and published in the Journal of the Proceedings of July 29, 1992.

WHEREAS, The City Council of the City of Chicago hereby finds that a significant amount of reprocessable construction material is generated within the City limits annually; and

WHEREAS, The City Council of the City of Chicago hereby finds that businesses which handle, store, transport and reuse this construction material are at present inadequately regulated by the City; and

WHEREAS, The City Council of the City of Chicago hereby finds that the inadequate regulation of these businesses has caused significant amounts of construction material to accumulate in and about the City; and

WHEREAS, The City Council of the City of Chicago hereby finds that the inadequate regulation of these businesses significantly contributes to an increase in the number of incidents of open dumping and fly dumping within the City; and

WHEREAS, The City Council of the City of Chicago hereby finds that increased and improved regulation of such businesses is necessary for the protection of the environment and the health, welfare and safety of the citizens of Chicago; and

WHEREAS, The City Council of the City of Chicago hereby finds that regulating the reprocessing of asphalt and concrete is a necessary environmental policy; and

WHEREAS, The City Council of the City of Chicago hereby finds that Section 2-30-030(17) of the Municipal Code of Chicago authorizes the Commissioner of the Department of the Environment to recommend revisions or amendments pertaining to environmental control; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Chapter 11-4 of the Municipal Code of Chicago is hereby amended by adding a new Article XIV as follows:

Article XIV.

Reprocessable Construction Material.

11-4-1910 Definitions.

As used in this Article:

"Reprocessable construction material" or "reprocessable demolition material" shall mean broken concrete, bricks, rock, stone or paving asphalt generated from construction or demolition activities.

"Incidental demolition debris" or "incidental debris" means uncontaminated dirt, metal, mortar, gypsum, plaster board, wood and sand which are derived from a construction or demolition site and intermingled with reprocessable material.

"Reprocessing device" means a device designed to crush or break reprocessable material into smaller constituent parts for the purpose of reprocessing such material and for which a permit has been issued under this Code.

"Closure" means those actions taken by the owner and/or operator to cease operations and to ensure that such facility is closed in conformance with this Chapter and all applicable federal, state and local laws in effect at the time of such closure.

"Reprocessable construction material facility" or "facility" shall mean a site used for purposes of receiving, storing, reprocessing and transport of reprocessable demolition or construction material.

"Open dumping" or "fly dumping" shall mean the disposal of garbage, material, refuse and other waste from one or more sources at a disposal site that is not permitted to receive such waste.

Other definitions relating to this Article will be found in Article I of Chapter 11-4.

11-4-1920 Purpose And Title.

The purpose and intent of this Article is to regulate the receipt, storage, reprocessing and transport of reprocessable construction and demolition material and to prevent the improper disposal of construction and demolition debris within the City of Chicago. This Article shall be entitled the "Reprocessable Construction Material Ordinance".

11-4-1930 Transfer And Disposal Of Construction Material Removed From The Site Of Origin.

Reprocessable construction material shall be received, stored and reprocessed at Facilities properly zoned and for which a permit for a Reprocessable Construction Material Facility has been issued pursuant to this chapter. All other construction debris received at such a Facility shall be separated and disposed of only at facilities properly zoned and permitted for the receipt and disposal of sanitary waste. The Commissioner may revoke the permit of the owner and/or operator of a Facility found to be engaging in open dumping or fly dumping or otherwise disposing of construction material or debris in violation of this Chapter or any other provision of the Municipal Code of Chicago.

11-4-1940 Commissioner's Duty To Promulgate Rules And Regulations.

The Commissioner is hereby authorized and directed to promulgate such rules and regulations as are necessary to effectuate the purpose of this Chapter. The Commissioner shall seek public comment on all such rules and regulations using the procedures set out in Section 2-30-030(12) of the Municipal Code of Chicago.

11-4-1950 Reprocessing Requirement.

A Facility shall be operated for the primary purpose of reprocessing reprocessable material. This ordinance shall not be construed, interpreted or implied to permit the use of land as a landfill or other similar use.

11-4-1960 Annual Permit Filing Fee.

The annual fee for filing a permit application shall be as follows:

For Facilities on lots covering not more than 25 acres	*$1,000.*
For Facilities on lots covering more than 25 and up to 50 acres	*$2,500.*
For Facilities on lots covering more than 50 acres	*$6,000.*

Each noncontiguous lot shall be considered a separate facility.

11-4-1965 Reprocessing Device Requirement.

To qualify for a permit, each Facility must have at least one Reprocessing Device for the purpose of reprocessing reprocessable material permitted for the site or have an alternative plan approved by the Commissioner for timely reprocessing of the material.

11-4-1970 Testing Of Materials.

The owner and/or operator of a Reprocessable Construction Material Facility shall perform, at its own expense, testing deemed necessary by the Commissioner of material delivered to the Facility for constituents and characteristics prescribed in rules and regulations. Such tests shall be

performed on a schedule contained in such regulations or upon the request of the Department of the Environment, provided, however, that the annual number of tests requested shall not exceed six within a 12 month period unless the Commissioner determines that sufficient cause exists for additional testing and such cause is provided to the owner and/or operator in written form.

11-4-1980 Reports And Record-keeping.

(A) Load Tickets. The owner and/or operator shall maintain Load Tickets for each truckload or other documentation acceptable to the Commissioner of material delivered to and removed from a Facility. The Load Tickets or other documentation shall contain the following information:

(1) the date the material was delivered to and removed from the Facility;

(2) the source of all loads delivered to the Facility;

(3) a description of the type of material delivered to or removed from the Facility;

(4) the weight or volume of each load delivered to or removed from the Facility expressed in tons or cubic yards, respectively;

(5) the name and address of the facility or site to which all reprocessed material or incidental debris removed from the site is to be delivered;

(6) the weight or volume of each load of reprocessed material or incidental debris removed from the Facility expressed in tons or cubic yards; and

(7) the date transported and description of each load of reprocessed material or incidental debris removed from the Facility.

The Load Tickets or other documentation shall be preserved for a period of one year following the end of the calendar year in which such tickets were written and recorded or in which such other documentation is made. Load Tickets or other documentation shall be made available upon written or oral request during normal business hours to an employee or agent of the Department of the Environment.

(B) Reports. The owner and/or operator shall prepare, upon the request of the Department of the Environment or on a schedule prescribed by

regulation, reports on materials delivered to and removed from a Facility and on the operations of the Facility.

(C) Affidavit of Reprocessing. The owner and/or operator shall provide to the Commissioner an annual affidavit stating the amount of reprocessed material sold or reused in the previous year. Such affidavit shall include the name and address of the entities which purchased such materials. The affidavit form shall be provided by the Commissioner. The owner and/or operator shall maintain adequate records to support the information stated in the affidavit.

11-4-1990 Operating Requirements.

The owner and/or operator of a Reprocessable Construction Material Facility shall comply with the following requirements:

(A) All Facilities shall keep permits on the premises at all times. Permits should be posted in a prominent location and available at all times for review by employees or agents of the Department of the Environment.

(B) No owner and/or operator of a Reprocessable Construction Material Facility shall receive, reprocess, remove or transport any construction material or debris between the hours of 7:00 P.M. and 6:00A.M. unless a waiver is granted by the Commissioner.

(C) The owner and/or operator shall undertake all necessary steps to ensure that a Facility is secure from unauthorized entry, sufficiently screened from the surrounding area and adequately lighted after dark. If the Commissioner deems the measures undertaken by an owner and/or operator pursuant to this subparagraph (C) to be inadequate, the Commissioner may require that additional steps be taken to bring the Facility into compliance.

(D) At no point within the Reprocessable Construction Material Facility shall the height of reprocessable or reprocessed material and other materials brought on the site exceed 30 feet. The Commissioner may, upon written application by an owner and/or operator, grant variances to this requirement.

(E) Each Reprocessable Construction Material Facility shall employ measures and/or devices approved by the Department of the Environment to prevent the emission of dust and to keep the streets, sidewalks and sewers adjacent to the Facility free and clear at all times of all material and debris transported to or from, or maintained or stored within, the Facility.

(F) At no point shall any portion of the Facility site be excavated for the purpose of storing reprocessed material, reprocessable material or incidental debris.

(G) Each Facility shall conform to the noise standards established by Article VII of this Chapter 11-4 of the Municipal Code of Chicago.

(H) Reprocessable material and incidental debris received at the Facility shall be handled as follows:

(1) Reprocessable construction material shall be separated from and kept separate from any other waste as defined in this Chapter 11-4 of the Municipal Code of Chicago.

(2) Reprocessable construction material shall be handled, stored, transported and reused in accordance with applicable federal, state, and local laws and regulations.

(3) Incidental debris received at the Facility shall be separated from reprocessable construction material and shall be removed from the Facility as soon as possible, but not later than 14 days after such debris was delivered to the Facility, and shall be disposed of in accordance with the applicable federal, state, and local laws and regulations.

(4) No waste, garbage or refuse except reprocessable material and incidental debris may be received or stored at a Facility at any time.

(5) The amount of incidental debris contained in any of reprocessable material received at a Facility shall not exceed 20% of the total volume of materials on site.

(6) The maximum amounts of reprocessable construction material and incidental debris an owner and/operator may maintain or store at a Facility shall be prescribed by the Commissioner in rules and regulations.

(7) The owner and/or operator shall be responsible for the proper transport and disposal of all waste stored, dumped or abandoned at the site.

(I) The owner and operator of a Facility shall ensure that all reprocessable material and incidental debris transported to or removed from the site shall be managed in a way to prevent release of materials into the environment.

(J) The trucks and other vehicles used in the operation at the Facility shall comply with the City of Chicago's weight limitations and other road requirements.

11-4-2000 Closure.

The owner and/or operator of a Facility shall notify the Commissioner in writing of an intention to terminate operations of the Facility at least 14 days prior to termination. Upon termination of operations on the Facility site, the owner and/or operator shall leave the site in a clean condition that is to be approved by the Department of the Environment, removing all waste and other materials and equipment from the site. The site shall be restored to a level grade for future development consistent with local zoning ordinances. Only City-approved fill material shall be used to regrade the site.

11-4-2010 Performance Bond.

No person shall operate a Facility which requires a permit under this Article unless such person has posted with the Department of the Environment a performance bond or other security in the amount of $100,000.00 for the purpose of insuring closure of the site and post-closure care in accordance with Section 11-4-2000. Such performance bond or other security shall be maintained in effect for 60 days after the notice of the official closure of the Facility has been given in writing to the Commissioner. If closure is not properly achieved, the Commissioner may assess the bond or other security to pay for actions appropriate to protect the public health and safety. In no event shall the bond or other security be deemed to be the limit of the permittee's liability for its activities at the Facility.

11-4-2020 Compliance With Other Code Provisions.

Nothing in this Article shall be construed to relieve any person receiving a permit from compliance with any other provisions of the Municipal Code of Chicago.

11-4-2030 Inspection -- Jurisdiction.

Inspections of Reprocessable Construction Material Facilities shall be under the jurisdiction of the Commissioner.

11-4-2040 Enforcement.

A. Public Nuisance Abatement.

Any unpermitted Reprocessable Construction Material Facility shall be deemed and is hereby declared to be a public nuisance and an ordinance violation and shall be subject to summary abatement procedures. Such abatement shall be in addition to the fines and penalties herein provided. The Commissioner is empowered to institute appropriate legal proceedings through the Corporation Counsel for an order directing the owner and/or operator to remove all material and other unpermitted materials from the site at their own expense, and to otherwise clean and remediate the site, and for the abatement of Reprocessable Construction Material Facilities operating without a permit.

B. Fines.

Any person owning and/or operating a Facility in violation of this Article shall be personally subject to a fine of $500 for each ordinance violation, plus court costs and reasonable attorneys fees. Each day that a violation continues shall constitute a separate and distinct offense.

11-4-2050 Prospective Effect.

This ordinance shall only apply prospectively and shall not be deemed to have any legal effect on litigation pending at the time this ordinance shall become effective.

SECTION 2. This ordinance shall take effect December 1, 1992.

Alderman Eisendrath then moved to *Substitute* the foregoing proposed ordinance for the ordinance printed in the Journal of the Proceedings of July 29, 1992 and appearing on pages 19927 through 19934. The motion to substitute *Prevailed* by a viva voce vote.

Alderman Evans moved to refer the said proposed substitute ordinance to the Committee on Energy, Environmental Protection and Public Utilities. The motion was lost by yeas and nays as follows:

Yeas -- Aldermen Tillman, Preckwinkle, Bloom, Steele, Dixon, Shaw, Buchanan, Jones, Coleman, Troutman, Evans, Garcia, Miller, Hendon, E. Smith, Burrell, Giles, Shiller, Moore -- 19.

Nays -- Aldermen Mazola, Huels, Fary, Burke, Murphy, Rugai, Laski, Medrano, Suarez, Gabinski, Mell, Austin, Wojcik, Banks, Cullerton, Laurino, Doherty, Natarus, Eisendrath, Hansen, Levar, Schulter, M. Smith -- 23.

Alderman Eisendrath then moved to pass the foregoing proposed substitute ordinance.

After further debate, Alderman Burke moved the *Previous Question*. The motion *Prevailed* by a viva voce vote.

The clerk then called the roll on the foregoing proposed substitute ordinance and the yeas and nays were as follows:

Yeas -- Aldermen Mazola, Huels, Fary, Madrzyk, Burke, Murphy, Rugai, Laski, Medrano, Suarez, Gabinski, Mell, Austin, Wojcik, Banks, Cullerton, Laurino, Doherty, Natarus, Eisendrath, Hansen, Levar, Schulter, M. Smith, Stone -- 25.

Nays -- Aldermen Tillman, Preckwinkle, Bloom, Steele, Dixon, Shaw, Buchanan, Jones, Coleman, Troutman, Evans, Miller, Hendon, E. Smith, Burrell, Giles, Shiller, Moore -- 18.

Alderman Bloom moved for a verification of the foregoing roll call vote.

Thereupon, the clerk re-called the roll, and the substitute ordinance was *Passed* by yeas and nays as follows:

Yeas -- Aldermen Mazola, Huels, Fary, Madrzyk, Burke, Murphy, Rugai, Laski, Medrano, Suarez, Gabinski, Mell, Austin, Wojcik, Banks, Cullerton, Laurino, O'Connor, Doherty, Natarus, Eisendrath, Hansen, Levar, Schulter, M. Smith, Stone -- 26.

Nays -- Aldermen Tillman, Preckwinkle, Bloom, Steele, Dixon, Shaw, Buchanan, Coleman, Troutman, Evans, Miller, Hendon, E. Smith, Burrell, Giles, Shiller, Moore -- 17.

The following is said ordinance as passed:

WHEREAS, The City Council of the City of Chicago hereby finds that a significant amount of reprocessable construction material is generated within the City limits annually; and

WHEREAS, The City Council of the City of Chicago hereby finds that businesses which handle, store, transport and reuse this construction material are at present inadequately regulated by the City; and

WHEREAS, The City Council of the City of Chicago hereby finds that the inadequate regulation of these businesses has caused significant amounts of construction material to accumulate in and about the City; and

WHEREAS, The City Council of the City of Chicago hereby finds that the inadequate regulation of these businesses significantly contributes to an increase in the number of incidents of open dumping and fly dumping within the City; and

WHEREAS, The City Council of the City of Chicago hereby finds that increased and improved regulation of such businesses is necessary for the protection of the environment and the health, welfare and safety of the citizens of Chicago; and

WHEREAS, The City Council of the City of Chicago hereby finds that regulating the reprocessing of asphalt and concrete is a necessary environmental policy; and

WHEREAS, The City Council of the City of Chicago hereby finds that Section 2-30-030(17) of the Municipal Code of Chicago authorizes the Commissioner of the Department of the Environment to recommend revisions or amendments pertaining to environmental control; now, therefore;

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Chapter 11-4 of the Municipal Code of Chicago is hereby amended by adding a new Article XIV as follows:

Article XIV.

Reprocessable Construction Material.

11-4-1910 Definitions.

As used in this Article:

"Reprocessable construction material" or "reprocessable demolition material" shall mean broken concrete, bricks, rock, stone or paving asphalt generated from construction or demolition activities.

"Incidental demolition debris" or "incidental debris" means uncontaminated dirt, metal, mortar, gypsum, plaster board, wood, and sand which are derived from a construction or demolition site and intermingled with reprocessable material.

"Reprocessing device" means a device designed to crush or break reprocessable material into smaller constituent parts for the purpose of reprocessing such material and for which a permit has been issued under this Code.

"Closure" means those actions taken by the owner and/or operator to cease operations and to ensure that such facility is closed in conformance with this Chapter and all applicable federal, state and local laws in effect at the time of such closure.

"Reprocessable construction material facility" or "facility" shall mean a site used for purposes of receiving, storing, reprocessing and transport of reprocessable demolition or construction material.

"Open dumping" or "fly dumping" shall mean the disposal of garbage, material, refuse and other waste from one or more sources at a disposal site that is not permitted to receive such waste.

Other definitions relating to this Article will be found in Article I of Chapter 11-4.

11-4-1920 Purpose And Title.

The purpose and intent of this Article is to regulate the receipt, storage, reprocessing and transport of reprocessable construction and demolition material and to prevent the improper disposal of construction and demolition debris within the City of Chicago. This Article shall be entitled the "Reprocessable Construction Material Ordinance".

11-4-1930 Transfer And Disposal Of Construction Material Removed From The Site Of Origin.

Reprocessable construction material shall be received, stored and reprocessed at Facilities property zoned and for which a permit for a Reprocessable Construction Material Facility has been issued pursuant to this Chapter. All other construction debris received at such a Facility shall be separated and disposed of only at facilities properly zoned and permitted for the receipt and disposal of sanitary waste. The Commissioner may revoke the permit of the owner and/or operator of a Facility found to be engaging in open dumping or fly dumping or otherwise disposing of construction material or debris in violation of this Chapter or any other provision of the Municipal Code of Chicago.

11-4-1940 Commissioner's Duty To Promulgate Rules And Regulations.

The Commissioner is hereby authorized and directed to promulgate such rules and regulations as are necessary to effectuate the purpose of this Chapter. The Commissioner shall seek public comment on all such rules and regulations using the procedures set out in Section 2-30-030(12) of the Municipal Code of Chicago.

11-4-1950 Reprocessing Requirement.

A Facility shall be operated for the primary purpose of reprocessing reprocessable material. This ordinance shall not be construed, interpreted or implied to permit the use of land as a landfill or other similar use.

11-4-1960 Annual Permit Filing Fee.

The annual fee for filing a permit application shall be as follows:

For Facilities on lots covering not more than 25 acres ..... $1,000.

For Facilities on lots covering more than 25 and up to 50 acres ..... $2,500.

For Facilities on lots covering more than 50 acres ..... $6,000.

Each noncontiguous lot shall be considered a separate facility.

11-4-1965 Reprocessing Device Requirement.

To qualify for a permit, each Facility must have at least one Reprocessing Device for the purpose of reprocessing reprocessable material permitted for the site or have an alternative plan approved by the Commissioner for timely reprocessing of the material.

11-4-1970 Testing Of Materials.

The owner and/or operator of a Reprocessable Construction Material Facility shall perform, at its own expense, testing deemed necessary by the Commissioner of material delivered to the Facility for constituents and characteristics prescribed in rules and regulations. Such tests shall be

performed on a schedule contained in such regulations or upon the request of the Department of the Environment, provided, however, that the annual number of tests requested shall not exceed six within a 12 month period unless the Commissioner determines that sufficient cause exists for additional testing and such cause is provided to the owner and/or operator in written form.

11-4-1980 Reports And Record-Keeping.

(A) Load Tickets. The owner and/or operator shall maintain Load Tickets for each truckload or other documentation acceptable to the Commissioner of material delivered to and removed from a Facility. The Load Tickets or other documentation shall contain the following information:

(1) the date the material was delivered to and removed from the Facility;

(2) the source of all loads delivered to the Facility;

(3) a description of the type of material delivered to or removed from the Facility;

(4) the weight or volume of each load delivered to or removed from the Facility expressed in tons or cubic yards, respectively;

(5) the name and address of the facility or site to which all reprocessed material or incidental debris removed from the site is to be delivered;

(6) the weight or volume of each load of reprocessed material or incidental debris removed from the Facility expressed in tons or cubic yards;

(7) the date transported and description of each load of reprocessed material or incidental debris removed from the Facility.

The Load Tickets or other documentation shall be preserved for a period of one year following the end of the calendar year in which such tickets were written and recorded or in which such other documentation is made. Load Tickets or other documentation shall be made available upon written or oral request during normal business hours to an employee or agent of the Department of the Environment.

(B) Reports. The owner and/or operator shall prepare, upon the request of the Department of the Environment or on a schedule prescribed by

regulation, reports on materials delivered to and removed from a Facility and on the operations of the Facility.

(C) Affidavit of Reprocessing. The owner and/or operator shall provide to the Commissioner an annual affidavit stating the amount of reprocessed material sold or reused in the previous year. Such affidavit shall include the name and address of the entities which purchased such materials. The affidavit form shall be provided by the Commissioner. The owner and/or operator shall maintain adequate records to support the information stated in the affidavit.

11-4-1990 Operating Requirements.

The owner and/or operator of a Reprocessable Construction Material Facility shall comply with the following requirements:

(A) All Facilities shall keep permits on the premises at all times. Permits should be posted in a prominent location and available at all times for review by employees or agents of the Department of the Environment.

(B) No owner and/or operator of a Reprocessable Construction Material Facility shall receive, reprocess, remove or transport any construction material or debris between the hours of 7:00 P.M. and 6:00 A.M. unless a waiver is granted by the Commissioner.

(C) The owner and/or operator shall undertake all necessary steps to ensure that a Facility is secure from unauthorized entry, sufficiently screened from the surrounding area and adequately lighted after dark. If the Commissioner deems the measures undertaken by an owner and/or operator pursuant to this subparagraph (C) to be inadequate, the Commissioner may require that additional steps be taken to bring the Facility into compliance.

(D) At no point within the Reprocessable Construction Material Facility shall the height of reprocessable or reprocessed material and other materials brought on the site exceed 30 feet. The Commissioner may, upon written application by an owner and/or operator, grant variances to this requirement.

(E) Each Reprocessable Construction Material Facility shall employ measures and/or devices approved by the Department of the Environment to prevent the emission of dust and to keep the streets, sidewalks and sewers adjacent to the Facility free and clear at all times of all material and debris transported to or from, or maintained or stored within, the Facility.

(F) At no point shall any portion of the Facility site be excavated for the purpose of storing reprocessed material, reprocessable material or incidental debris.

(G) Each Facility shall conform to the noise standards established by Article VII of this Chapter 11-4 of the Municipal Code of Chicago.

(H) Reprocessable material and incidental debris received at the Facility shall be handled as follows:

(1) Reprocessable construction material shall be separated from and kept separate from any other waste as defined in this Chapter 11-4 of the Municipal Code of Chicago.

(2) Reprocessable construction material shall be handled, stored, transported and reused in accordance with applicable federal, state, and local laws and regulations.

(3) Incidental debris received at the Facility shall be separated from reprocessable construction material and shall be removed from the Facility as soon as possible, but not later than 14 days after such debris was delivered to the Facility, and shall be disposed of in accordance with the applicable federal, state, and local laws and regulations.

(4) No waste, garbage or refuse except reprocessable material and incidental debris may be received or stored at a Facility at any time.

(5) The amount of incidental debris contained in any reprocessable material received at a Facility shall not exceed 20% of the total volume of materials on site.

(6) The maximum amounts of reprocessable construction material and incidental debris an owner and/operator may maintain or store at a Facility shall be prescribed by the Commissioner in rules and regulations.

(7) The owner and/or operator shall be responsible for the proper transport and disposal of all waste stored, dumped or abandoned at the site.

(I) The owner and operator of a Facility shall ensure that all reprocessable material and incidental debris transported to or removed from the site shall be managed in a way to prevent release of materials into the environment.

(J) The trucks and other vehicles used in the operation at the Facility shall comply with the City of Chicago's weight limitations and other road requirements.

11-4-2000 Closure.

The owner and/or operator of a Facility shall notify the Commissioner in writing of an intention to terminate operations of the Facility at least 14 days prior to termination. Upon termination of operations on the Facility site, the owner and/or operator shall leave the site in a clean condition that is to be approved by the Department of the Environment, removing all waste and other materials and equipment from the site. The site shall be restored to a level grade for future development consistent with local zoning ordinances. Only City-approved fill material shall be used to regrade the site.

11-4-2010 Performance Bond.

No person shall operate a Facility which requires a permit under this article unless such person has posted with the Department of the Environment a performance bond or other security in the amount of $100,000.00 for the purpose of insuring closure of the site and post-closure care in accordance with Section 11-4-2000. Such performance bond or other security shall be maintained in effect for 60 days after the notice of the official closure of the Facility has been given in writing to the Commissioner. If closure is not properly achieved, the Commissioner may assess the bond or other security to pay for actions appropriate to protect the public health and safety. In no event shall the bond or other security be deemed to be the limit of the permittee's liability for its activities at the Facility.

11-4-2020 Compliance With Other Code Provisions.

Nothing in this article shall be construed to relieve any person receiving a permit from compliance with any other provisions of the Municipal Code of Chicago.

11-4-2030 Inspection -- Jurisdiction.

Inspections of Reprocessable Construction Material Facilities shall be under the jurisdiction of the Commissioner.

11-4-2040 Enforcement.

A. Public Nuisance Abatement.

Any unpermitted Reprocessable Construction Material Facility shall be deemed and is hereby declared to be a public nuisance and an ordinance violation and shall be subject to summary abatement procedures. Such abatement shall be in addition to the fines and penalties herein provided. The Commissioner is empowered to institute appropriate legal proceedings through the Corporation Counsel for an order directing the owner and/or operator to remove all material and other unpermitted materials from the site at their own expense, and to otherwise clean and remediate the site, and for the abatement of Reprocessable Construction Material Facilities operating without a permit.

B. Fines.

Any person owning and/or operating a Facility in violation of this article shall be personally subject to a fine of $500 for each ordinance violation, plus court costs and reasonable attorneys fees. Each day that a violation continues shall constitute a separate and distinct offense.

11-4-2050 Prospective Effect.

This ordinance shall only apply prospectively and shall not be deemed to have any legal effect on litigation pending at the time this ordinance shall become effective.

SECTION 2. This ordinance shall take effect December 1, 1992.

CHICAGO ZONING ORDINANCE AMENDED TO RECLASSIFY PARTICULAR AREAS.

On motion of Alderman Burke, the City Council took up for consideration the report of the Committee on Zoning, deferred and published in the Journal of the Proceedings of July 29, 1992, pages 20303 through 20314, recommending that the City Council pass said proposed ordinances amending the Chicago Zoning Ordinance by reclassifying particular areas (with the exception of Map Number 7-H/Application Number 10949).
