REPORTS OF COMMITTEES.

COMMITTEE ON FINANCE.

DEPARTMENT OF PLANNING AND DEVELOPMENT DIRECTED TO STUDY FEASIBILITY OF AMUSEMENT TAX EXEMPTION FOR LARGE LIVE THEATERS.

The Committee on Finance submitted the following report:

CHICAGO, December 21, 1994.

To the President and Members of the City Council:

Your Committee on Finance, having had under consideration a resolution directing the Department of Planning and Development to conduct a study concerning the feasibility of exempting large live theaters from the amusement tax, having had the same under advisement, begs leave to report and recommend that Your Honorable Body *Adopt* the proposed resolution transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee.

Respectfully submitted,

(Signed) EDWARD M. BURKE,
Chairman.

On motion of Alderman Burke, the said proposed resolution transmitted with the foregoing committee report was *Adopted* by yeas and nays as follows:

Yeas -- Aldermen Mazola, Haithcock, Tillman, Preckwinkle, Bloom, Beavers, Dixon, Buchanan, Huels, Fary, Olivo, Burke, Murphy, Rugai, Munoz, Laski, Miller, Medrano, Ocasio, Burrell, Bialczak, Suarez, Mell, Austin, Wojcik, Banks, Giles, Allen, Laurino, O'Connor, Doherty, Natarus, Bernardini, Hansen, Levar, Shiller, Schulter, M. Smith, Stone -- 39.

Nays -- Aldermen Steele, Shaw, Evans, Watson -- 4.

Alderman Beavers moved to reconsider the foregoing vote. The motion was lost.

The following is said resolution as adopted:

WHEREAS, Pursuant to Chapter 4-156 of its Municipal Code, the City of Chicago imposes a tax on the patrons of any amusement within the City, including professional live theater companies in an auditorium or theater that has a maximum seating capacity of more than 750 persons; and

WHEREAS, As of January 1, 1995, the Amusement Tax will be raised from six percent (6%) to seven percent (7%); and

WHEREAS, Representatives of the live theater industry have testified to the City Council that their industry has a positive impact on Chicago's economy, particularly in the central business district where most large live theaters are located, resulting in, among other things, increased Retailers' Occupation, Parking and Ground Transportation Tax revenue for the City; and

WHEREAS, Live theater representatives testified that the current six percent (6%) Amusement Tax represents a burden to their industry and that a one percent (1%) increase in the tax will encourage many productions to avoid Chicago; and

WHEREAS, If large live theaters are to be exempted from the tax increase, or exempted from the Amusement Tax entirely, the City must be able to identify a real and substantial difference between such theaters and other amusements, in order to satisfy the uniformity clause of the Illinois Constitution; now, therefore,

Be It Resolved, That the Department of Planning and Development is hereby directed to undertake a study of the economic impact of live theater on the economic climate of the City, especially the impact of large live theaters on the central business district, so that the City Council may determine whether or not a large live theater exemption from the tax increase, or the entire Amusement Tax, is justified; and

Be It Further Resolved, That the Commissioner of Planning and Development report the results of said study and her recommendations to the City Council no later than March 1, 1995.

Exhibit "A".

Memorandum Of Intent.

This Memorandum of Intent is between the City of Chicago, an Illinois municipal corporation (the "City") and Chicago Recycling Associates Limited Partnership, a Delaware limited partnership (the "Partnership").

1. Preliminary Statement. Among the matters of mutual inducement which have resulted in this Memorandum of Intent are the following:

(a) The City has the authority, subject to further City Council approval, to issue its revenue bonds and to lend the proceeds to the Partnership for the purpose of financing the Project (as hereinafter defined).

(b) The Partnership has proposed a certain de-inking recycling facility located at 4501 West Chicago Avenue, Chicago, Illinois or such other facility site as may be reasonably agreed to by the City and the Partnership, consisting of (i) the purchase of land, (ii) the acquisition and installation of new equipment, and (iii) the construction and improvement of facilities and equipment to provide de-inking recycling

facilities which provide for the recycling of office waste paper (the "Project"). The Partnership has requested the City's assistance in financing all or a portion of the costs of the Project, which assistance shall not exceed $225,000,000, through the issuance by the City of its bonds for the Project (the "Bonds"). Such costs may include reimbursement of Project costs incurred prior to the issuance of the Bonds including the costs of acquiring the site and improvements thereon. The amount of such expenditures which the City reasonably expects to reimburse from the proceeds of the Bonds will not exceed $20,000,000.

(c) The Bonds shall be limited obligations of the City payable solely out of the revenues derived by the City from the financing agreement referred to below. No holder of any such Bonds shall have the right to compel any exercise of the taxing power of the City or any political subdivision of the State of Illinois, and such Bonds shall not constitute an indebtedness or a loan of credit of the City. It is the expectation of the Partnership that interest on the Bonds will not be includable in gross income for federal tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the "Code").

(d) Subject to due compliance with all requirements of law, including further approval by the City Council of an ordinance authorizing the issuance of the Bonds, by virtue of such authority as may now or hereafter be conferred on the City, and subject to receipt of adequate assurance from the Partnership that there are one or more purchasers for the Bonds, the City intends to issue and sell the Bonds in an amount not to exceed $225,000,000, in order to finance all or a portion of the costs of the Project.

2. Undertaking on the part of the City. Subject to conditions stated herein, the City intends as follows:

(a) To authorize the issuance and sale of the Bonds pursuant to its lawful constitutional authority.

(b) To enter into a financing agreement with the Partnership whereby the Partnership will pay to, or on behalf of, the City such sums as shall be sufficient to pay the principal of and interest and redemption premium, if any, on the Bonds as and when the same shall become due and payable.

3. Approvals. The intention of the City to proceed is subject to approval by it and its attorneys of all appropriate documents, and to satisfaction of the requirements of local, state and federal laws, including but not limited to the public approval requirement of Section 147(f) of the Code.

4. Undertakings on the part of the Partnership. Subject to the conditions stated herein, the Partnership agrees as follows:

(a) To use all reasonable efforts to find one or more purchasers for the Bonds.

(b) To enter into agreements with the City, contemporaneously with the delivery of the Bonds, pursuant to which the Partnership will obligate itself to pay to or on behalf of the City, sums sufficient to pay the principal of and interest and redemption premium, if any, on the Bonds as and when the same shall become due and payable.

5. General Provisions. All commitments of the City under Paragraph 2 hereof and the Partnership under Paragraph 4 hereof are subject to the condition that, on or before June 30, 1995 (or such other date as shall be mutually satisfactory to the City and the Partnership), the City and the Partnership shall have agreed to mutually acceptable terms and conditions of the agreements referred to in Paragraphs 2 and 4 hereof and of the Bonds and other instruments or proceedings relating to the Bonds and that such Bonds have been issued by such date. In the event that the City and the Partnership do not agree to such mutually acceptable terms and conditions, or in the event that the Bonds are not issued hereunder, neither party shall be bound or obligated to perform any action under the terms of this Memorandum of Intent; provided, however, that the Partnership shall be obligated to pay all out-of-pocket costs reasonably incurred by the City in connection with this Memorandum of Intent.

6. Nonrecourse. Obligations of the Partnership hereunder are without recourse to the partners, officers, directors or employees of its general partner or any other partners of the Partnership.

In Witness Whereof, The parties hereto have entered into this Memorandum of Intent by their officers thereunder duly authorized as of the _____ day of _____, 1994.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Recitals. The above recitals are incorporated herein and made a part hereof by reference.

(e) The Certificates authorized herein shall be provided in the manner, amounts and time frames as are required by the Program Regulations in connection with owner-financed targeted area residences, if any, within the Program Area.

Certification Of Mayor Of City.

The undersigned, Mayor of the City of Chicago (the "Issuer"), hereby certifies as follows:

1. The Issuer is, and was on January 1, 1992, and on January 1, 1993, a home rule unit of government within the meaning of Article VII, Section 6 of the Constitution of the State of Illinois.

2. The population of the Issuer for 1992 and 1993 as determined by the 1990 Census issued by the United States Bureau of Census in August 1991 (being the most recent census estimate released by the U.S. Bureau of Census before January 1, 1993), was at least 2,783,726.

3. Except as set forth in Paragraph 4, the Issuer has not agreed to any different allocation of its volume cap for the calendar year 1992 (the "1992 Volume Cap") or calendar year 1993 (the "1993 Volume Cap") as described in Section 146 of the Internal Revenue Code of 1986, as amended (the "Code") and the regulations promulgated thereunder (the "Regulations"), from that afforded to it as a constitutional home rule city described in Section 146(d)(3) of the Code.

4. The Issuer's Volume Cap for 1992 and 1993, determined as provided in Section 146 of the Code and regulations promulgated thereunder on the basis of its population as set forth in Paragraph 2 above, was $140,554,929 and $141,626,423, respectively. Of the $140,554,929 in volume cap available to the City in 1992, the City issued $27,000,000 aggregate face amount of private activity bonds under Section 146 of the Code and the City ceded to other State agencies the amount of $11,000,000. Of the remaining $102,554,929, (i) $25,554,929 was subject to a carryforward for the purpose of issuing qualified mortgage bonds or mortgage credit certificates; (ii) $50,000,000 was subject to a carryforward for the purpose of financing solid waste disposal facilities under Section 142(a)(6) of the Code; and (iii) $27,000,000 was subject to a carryforward for the purpose of financing facilities for the local furnishing of electric energy or gas under Section 142(a)(8) of the Code. Of the $141,626,473 in volume cap available to the City in 1993, the City issued $0 aggregate face amount of private activity bonds under Section 146 of the Code and the City ceded to other State agencies the amount of $35,000,000. Of the remaining $106,626,473, (i) $25,000,000 was subject to a carryforward for the purpose of issuing qualified mortgage bonds or mortgage credit certificates; (ii) $56,626,473 was subject to a carryforward for the purpose of financing solid waste disposal facilities under Section 142(a)(6) of the Code; and (iii) $25,000,000 was subject to a carryforward for the purpose of financing facilities for the local furnishing of electric energy or gas under Section 142(a)(8) of the Code. The Issuer's 1992 Volume Cap and 1993 Volume Cap were not reduced by any other amounts referred to in Section 146(m) of the Code (relating to the non-qualified amount of any bonds) or

in Section 146(n) of the Code (relating to mortgage credit certificates). Accordingly, (a) the excess of the Issuer's Volume Cap for 1992 and 1993 over the aggregate amount of tax-exempt private activity bonds issued by the Issuer, or (b) surrendered to other issuers during 1992 and 1993, which were subject to and required an allocation of the Issuer's Volume Cap was $102,554,929 in 1992 and $106,626,473 in 1993 (such amounts being referred to as the "1992 Unused Cap" and "1993 Unused Cap", respectively).

5. Pursuant to a carryforward election executed and filed by the Issuer on February 11, 1993, with the Internal Revenue Service (a true and correct copy of which is attached hereto as (Sub)Exhibit A), the Issuer duly elected to treat $25,554,929 of its $102,554,929 of 1992 Unused Cap as a carryforward for the purpose of issuing qualified mortgage bonds or mortgage credit certificates (the "1992 Available Amount"). Pursuant to a carryforward election executed and filed by the Issuer on February 15, 1994, with the Internal Revenue Service (a true and correct copy of which is attached hereto as (Sub)Exhibit B), the Issuer duly elected to treat $25,000,000 of its $106,626,473 of 1993 Unused Cap as a carryforward for the purpose of issuing qualified mortgage bonds or mortgage credit certificates (the "1993 Available Amount"). (The 1992 Available Amount and the 1993 Available Amount are collectively referred to herein as the "Available Amount".)

6. In reliance on the affidavit of the City Comptroller attached hereto as (Sub)Exhibit C, during the calendar years 1993, 1994 and 1995 the Issuer has not issued any qualified mortgage bonds or mortgage credit certificates or elected not to issue any qualified mortgage bonds, which issuance or election would have required an allocation of any portion of the Available Amount under Section 146 of the Code.

7. On _____, 1995, the Issuer elected not to issue $_____ of qualified mortgage bonds included in the Available Amount in order to issue mortgage credit certificates. The aggregate principal amount of the qualified mortgage bonds which the Issuer is electing not to issue on this date does not exceed the Available Amount described in Paragraph 5 above.

8. On the basis of the foregoing, the Issuer hereby finds that the $_____ aggregate principal amount of the qualified mortgage bonds which the Issuer is electing not to issue on this date is within the Available Amount described in Paragraph 5 above. Accordingly, based on the facts and circumstances as of this date, the election not to issue qualified mortgage bonds in

the amount of $_____ meets the requirements of Section 146 of the Code and the Regulations.

9. Attached hereto as (Sub)Exhibit D is a copy of the Issuer's notice regarding its election not to issue qualified mortgage bonds mailed to the Governor's office of the State of Illinois pursuant to Section 7 of the Illinois Private Activity Allocation Act, as amended, together with evidence of the mailing of such notice.

In Witness Whereof, The undersigned has set his signature this ____ day of _____, 1995.

The following is said ordinance as passed:

WHEREAS, It is desirable and in the best interest of the citizens of the City of Chicago, Illinois (the "Municipality"), for the Municipality to implement tax increment allocation financing pursuant to the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1, et seq. (1992) as amended (the "Act") for the proposed redevelopment plan and redevelopment project (the "Plan" and "Project") for a proposed redevelopment project area to be known as the 126th and Torrence Redevelopment Project Area (the "Area") described in Section 1(a) of this

ordinance; which area is contiguous and constitutes in the aggregate more than one and one-half (1½) acres; and

WHEREAS, Pursuant to Sections 11-74.4-4 and 11-74.4-5 of the Act, the Community Development Commission (the "Commission") of the Municipality, by authority of the City Council of the Municipality (referred to herein collectively with the Commission as the "Corporate Authorities"), called a public hearing (the "Hearing") relative to the Plan and the Project and the designation of the Area as a redevelopment project area under the Act on November 8, 1994; and

WHEREAS, Due notice of such hearing was given pursuant to Section 11-74.4-6 of the Act, said notice being given to taxing districts and to the Department of Commerce and Community Affairs of the State of Illinois by certified mail on September 16, 1994, by publication in the *Chicago Sun-Times* on October 10, 1994 and October 24, 1994, and by certified mail to taxpayers within the Area on October 27, 1994; and

WHEREAS, A meeting of the Joint Review Board on the Plan and Project and on the designation of the Area was convened upon the provision of due notice on September 29, 1994 at 10:00 A.M., concerning the approval of the Plan and Project and designation of the Area; and

WHEREAS, The Plan and Project set forth the factors which cause the Area to be a combination of both a blighted area and a conservation area, and the Corporate Authorities have reviewed the information concerning such factors presented at the public hearing and have reviewed other studies and are generally informed of the conditions in the Area which cause such area to be a combination of both a blighted area and a conservation area, as said terms are defined in the Act; and

WHEREAS, The Corporate Authorities have reviewed the conditions pertaining to lack of private investment in the Area to determine whether private development would take place in the Area as a whole without the adoption of the Plan; and

WHEREAS, The Corporate Authorities have reviewed the conditions pertaining to real property in the Area to determine whether the Area includes only those contiguous parcels of real property and improvements thereon which would be substantially benefitted by the Project improvements; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Findings. The Corporate Authorities hereby make the following findings:

(a) The Area is legally described in Exhibit A attached hereto and incorporated herein. The street location (as near as practicable) for the

Area is described in Exhibit B attached hereto and incorporated herein. The map of the Area is depicted on Exhibit C attached hereto and incorporated herein.

(b) Conditions exist which cause the Area to be subject to designation as a redevelopment project area under the Act and to be classified as a combination of both a blighted area and a conservation area as defined in Subsections 11-74.4-3(a) and (b), respectively, of the Act.

(c) The Area on the whole has not been subject to growth and development through investment by private enterprise and would not reasonably be anticipated to be developed without adoption of the Plan.

(d) The Plan and Project includes land uses that have been approved by the planning commission of the Municipality.

(e) As set forth in the Plan, the estimated date of completion of the Project and retirement of all obligations issued to finance redevelopment project costs is not more than 23 years from the date of the adoption of the ordinance approving the designation of the Area as a redevelopment project area, and no such obligation shall have a maturity date greater than 20 years.

(f) The Area would not reasonably be anticipated to be developed without the use of incremental revenues pursuant to Section 11-74.4-8 of the Act, and such incremental revenues will be exclusively utilized for the development of the Area.

(g) The Area includes only those contiguous parcels of real property and improvements thereon which will be substantially benefitted by the Project improvements included in the Area.

SECTION 2. Exhibits Incorporated by Reference. A certified copy of the resolution of the Commission, and the Plan and Project which were the subject matter of the Hearing held November 8, 1994, are hereby adopted and approved. Copies of the resolution and of the Plan and Project are set forth in Exhibit D and Exhibit E, respectively, and are attached hereto and incorporated herein.

SECTION 3. Power of Eminent Domain. In compliance with Section 11-74.4-4(c) of the Act and with the Plan, the Corporation Counsel is authorized to negotiate for the acquisition by the Municipality of parcels contained within the Area. In the event that the Corporation Counsel is unable to acquire any of said parcels through negotiation, the Corporation Counsel is authorized to institute eminent domain proceedings to acquire said property. Nothing herein shall be in derogation of any proper authority.

SECTION 4. Invalidity of Any Section. If any section, paragraph or provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this ordinance.

SECTION 5. Superseder and Effective Date. All ordinances, resolutions, motions or orders in conflict with this ordinance are hereby repealed to the extent of such conflict, and this ordinance shall be in full force and effect immediately upon its passage.

The 126th and Torrence Redevelopment Project Area is located within an area consisting of industrial, service, retail and residential uses. The Redevelopment Project Area contains major areas which are underutilized and vacant and a few residential uses. The Redevelopment Project Area is located in the far southeast side of the City of Chicago in the South Deering and Hegewisch neighborhoods. According to the 1990 census figures this area has a combined total population of 27,891, which is a decrease of 10 percent over the 1980 census. The residential make-up of this community is primarily single-family residences and multi-family two-flats dating from the 1890s through the 1970s. The area to the east, north and west of the Redevelopment Project Area also contains industrial buildings of forty to seventy plus years in age. The industrial buildings reflect the once dominant land-use of the area prior to the closure of several major steel companies and their related industries. Building types include loft-type warehouse buildings, older industrial facilities, rail yards, grain elevators, chemical plants, truck terminals, and other facilities. Large tracts of vacant land also exist throughout the Redevelopment Project Area.

In order to redevelop this area numerous and costly improvements will be necessary; including environmental remediation, site improvements, infrastructure, utilities, et cetera.

The purpose of the Redevelopment Plan is to create a mechanism to allow for the development of new industrial facilities on existing vacant and/or underutilized land. The redevelopment of this land is expected to encourage economic revitalization within the community and surrounding area.

Tax Increment Allocation Redevelopment Act.

An analysis of conditions within this area indicates that it is appropriate for designation as a redevelopment project area, utilizing the State of Illinois tax increment financing legislation. The area is characterized by conditions which warrant the designation as a "blighted area" within the definitions set forth in the Tax Increment Allocation Redevelopment Act (hereafter referred to as the "Act"). The Act is found in 65 ILCS 5/11-74.4-1, et seq., as amended.

The Act provides a means for municipalities, after the approval of a "Redevelopment Plan and Project" to redevelop blighted areas by pledging the increase in tax revenues generated by public and private redevelopment in order to pay for the up front public costs which are required to stimulate such private investment in new redevelopment and rehabilitation. Municipalities may issue obligations to be repaid from the stream of real property tax increments that occur within the tax increment financing district.

The property tax increment revenue is calculated by determining the difference between the initial equalized assessed value (the Certified E.A.V. Base) for all real estate located within the district and the current year E.A.V.. Any increase in E.A.V. is then multiplied by the current tax rate, which determines the incremental real property tax.

The 126th and Torrence Redevelopment Area Project and Plan (hereafter referred to as the "Redevelopment Plan") has been formulated in accordance with the provisions of the Act. It is a guide to all proposed public and private action in the Redevelopment Project Area. In addition to describing the objectives of redevelopment, the Redevelopment Plan sets forth the overall program to be undertaken to accomplish these objectives. This program is the "Redevelopment Project".

This Redevelopment Plan also specifically describes the 126th and Torrence Tax Increment Redevelopment Project Area (hereinafter referred to as the "Redevelopment Project Area"). This area meets the eligibility requirements of the Act. The Redevelopment Project Area boundaries are

described in Section II of the Redevelopment Plan and shown in Map 1, Boundary Map.

After its approval of the Redevelopment Plan, the City Council then formally designates the Redevelopment Project Area.

The purpose of this Redevelopment Plan is to ensure that new development occurs:

1. On a coordinated rather than a piecemeal basis to ensure that the land-use, vehicular access, parking, service and urban design systems will meet modern day principles and standards.

2. On a reasonable, comprehensive and integrated basis to ensure that blighting factors are eliminated.

3. Within a reasonable and defined time period.

Revitalization of the Redevelopment Project Area is a large and complex undertaking and presents challenges and opportunities commensurate to its scale. The success of this effort will depend to a large extent on the cooperation between the private sector and agencies of local government. The adoption of the Redevelopment Plan makes possible the implementation of a logical program to stimulate redevelopment in the Redevelopment Project Area, an area which cannot reasonably be anticipated to be developed without the adoption of this Redevelopment Plan. Public investments will create the appropriate environment to attract the investment required for the rebuilding of the area. But for the investment of seed funds by the City, the proposed developments would not be financially feasible and would not go forward.

Successful implementation of the Redevelopment Plan and Project requires that the City of Chicago take full advantage of the real estate tax increments attributed to the Redevelopment Project as provided in accordance with the Act. The Redevelopment Project Area would not be reasonably developed without the use of such incremental revenues.

-- Provide needed incentives to encourage a broad range of improvements in new industrial development and rehabilitation efforts.

-- Encourage the participation of minorities and women in the development of the Redevelopment Project Area.

Development And Design Objectives:

-- Establish a pattern of land use activities arranged in compact, compatible groupings to increase efficiency of operation and economic relationships.

-- Encourage coordinated development of parcels and structures in order to achieve efficient building design.

-- Achieve development which is integrated both functionally and aesthetically with nearby existing development.

-- Encourage a high-quality appearance of buildings, rights-of-way and open spaces, and encourage high standards of design.

Blighted Area Conditions Existing In The Redevelopment Project Area.

Based upon surveys, inspections, research and analysis of the Area by Louik/Schneider & Associates, Inc. the Redevelopment Project Area qualifies as a "blighted area" and the improved areas as a "conservation area" as defined by the Act. A separate report entitled "Eligibility Study for a Proposed Redevelopment Project Area for Tax Increment Financing in the 126th and Torrence Study Area", dated July, 1994 describes in detail the surveys and analysis undertaken and the basis for the finding that the Redevelopment Project Area qualifies as a "blighted area" and a "conservation area" as defined by the Act. Summarized below are the findings of the Eligibility Study. The vacant area is characterized by the presence of three of the blighting factors as listed in the Act, impairing the sound growth of the taxing districts in this area of the City. Specifically:

-- Of the seven blighting factors set forth in the law for determining blight of vacant land, three are present in the Redevelopment Project Area and only one is necessary for a determination of blight.

-- The blighting factors which are present are reasonably distributed throughout the Redevelopment Area.

-- All areas within the Redevelopment Project Area show the presence of blighting factors.

Furthermore, the improved areas are characterized by the factors for a "conservation area" as listed in the Act, impairing the sound growth of the taxing districts in this area of the City and is detrimental to the public safety, health, morals or welfare. Specifically:

-- Of the fourteen factors for a conservation area set forth in the law for improved land, ten are present, seven to a very major extent, in the Redevelopment Project Area and only three are necessary for a determination of a "conservation area".

-- The conservation factors which are present are reasonably distributed throughout the improved areas of the Redevelopment Project Area.

-- All improved areas within the Redevelopment Project Area show the presence of conservation factors.

Factors For Vacant Area.

The following factors for a vacant area are present within the Redevelopment Project Area as far as a vacant area is concerned:

1. A combination of two or more of the following factors: obsolete platting of the vacant land; diversity of ownership of such land; tax and special assessment delinquencies on such land; flooding on all or part of such vacant land; deterioration of structures or site improvements in neighboring areas adjacent to the vacant land.

The Study Area exhibits: (a) obsolete platting; (b) diversity of ownership; (c) tax and special assessment delinquencies; and (d) does have flooding on portions of the vacant land.

2. The area, immediately prior to becoming vacant, qualified as a blighted improved area.

Prior to becoming vacant land, the Redevelopment Project Area had been utilized by LTV and Allied Signal and any predecessor companies. The Redevelopment Project Area, prior to the demolition of the improvements in the late 1980s, exhibited the following factors: age of structures, dilapidation, obsolescence, deterioration, presence of structures below minimum code standards, excessive vacancies, deleterious land-use or lay-out, depreciation of physical maintenance and lack of community planning on various portions of the Study Area.

3. The area consists of an unused disposal site, containing earth, stone, building debris or similar material, which were removed from construction, demolition, excavation or dredge sites.

Prior to becoming vacant, the Redevelopment Project Area was utilized by LTV for the following uses: LTV Waste Recycling Operation Plant, and LTV EAF-Dust Waste Pile site. These subsidiaries used substantial portions of the site for dumping flue dust, dumping of slag and wastewater treatment all from LTV's steel manufacturing operations.

On the basis of the vacant area approach, the entire Redevelopment Project Area if considered vacant is found to be eligible within the definition set forth in the legislation. Specifically:

-- Of the seven blighting factors set forth in the law for determining blight of vacant land, three are present in the Redevelopment Project Area and only one is necessary for a determination of blight.

-- The blighting factors which are present are reasonably distributed throughout the Redevelopment Area.

-- All areas within the Redevelopment Project Area show the presence of blighting factors.

Factors For Improved Area.

The following factors for an improved area are present in the Redevelopment Project Area:

1. Dilapidation.

Dilapidation is present in one block in Subarea 2 impacting one building.

2. Obsolescence.

Obsolescence as a factor is present in both of the blocks in Subarea 1 and in all three of the blocks in Subarea 2. Conditions contributing to this factor include obsolete buildings and obsolete platting.

3. Deterioration.

Deterioration as a factor is present in both of the blocks in Subarea 1 and all three of the blocks in Subarea 2 of the Redevelopment Project Area. Conditions contributing to this factor include deteriorating structures, deteriorating off-street parking and site surface areas, and deteriorating street pavement, curbs, gutters and sidewalks.

4. Abandonment.

Abandonment as a factor is found in one building in Subarea 2.

5. Excessive Vancancies.

Excessive vacancies as a factor is present to a major extent in both Subarea 1 and Subarea 2. All blocks in both Subareas exhibit excessive vacancies. One of the three buildings in Subarea 2 is vacant.

6. Lack Of Ventilation, Light Or Sanitary Facilities.

One building in Subarea 2 exhibits a lack of lighting and ventilation.

7. Inadequate Utilities.

Inadequate utilities are present to a major extent in both Subarea 1 and Subarea 2 of the Redevelopment Project Area in that there is a lack of paved streets, curbs, gutters and sidewalks.

8. Deleterious Land-Use Or Layout.

Deleterious land-use or layout is present in both Subarea 1 and Subarea 2 of the improved areas of the Redevelopment Project Area. Conditions contributing to this factor include parcels of irregular shape and limited size, many parcels lacking accessibility to streets and utilities, vacant and underutilized land, and one dilapidated structure.

9. Depreciation Of Physical Maintenance.

Depreciation of physical maintenance is present in all blocks of both Subarea 1 and Subarea 2 of the Redevelopment Project Area. Conditions contributing to this factor include deferred maintenance and lack of maintenance of buildings, parking and site improvements including streets, alleys, walks, curbs, gutters and utilities. Four of the six buildings in Subarea 1 and all three of the buildings in Subarea 2 exhibit this condition.

10. Lack Of Community Planning.

Lack of community planning is present in both Subarea 1 and Subarea 2 of the improved areas of the Redevelopment Project Area. Conditions contributing to this factor include parcels of inadequate size for contemporary development in accordance with current day needs and standards, and the lack of reasonable development controls for building uses, setbacks, off-street parking and loading and the limited access provided by the present street system in combination with the vacant inaccessible land areas. The area lacks an overall plan for coordinated development on a parcel by parcel basis.

The analysis above was based upon data assembled by Louik/Schneider & Associates, Inc.. The surveys, research and analysis conducted include:

1. Exterior surveys of the condition and use of the Redevelopment Project Area;

2. Field surveys of environmental conditions covering streets, sidewalks, curbs and gutters, lighting, traffic, parking facilities, landscaping, fences and walls, and general property maintenance;

3. Analysis of existing and previous uses and their relationships;

4. Comparison of current land-use to current zoning ordinance and the current zoning maps;

5. Historical analysis of site uses and users;

6. Analysis of original and current platting and building size layout;

7. Analysis of tax delinquency; and

8. Review of previously prepared plans, studies and data.

Based upon the findings of the Eligibility Study for the 126th and Torrence Area, the Redevelopment Project Area on the whole has not been subject to growth and development through investment by private enterprise and would not reasonably be anticipated to be developed without the adoption of this Redevelopment Plan. But for the investment of seed funds by the City, the proposed developments would not be financially feasible and would not go forward.

126th And Torrence Redevelopment Plan And Project.

A. Redevelopment Project Area Goal And Objectives.

The City proposes to realize its goals and objectives of redevelopment through public finance techniques, including but not limited to tax increment financing, and by undertaking some or all of the following actions:

1. Assemblage of Sites. To achieve the renewal of the Redevelopment Project Area, property identified in Map 3, Redevelopment Plan, attached hereto and made a part hereof, may be acquired by the City of Chicago and cleared of all improvements if any and either (a) sold or leased for private redevelopment, or (b) sold, leased or dedicated for construction of public improvements or facilities. The City may determine that to meet the renewal objectives of this Redevelopment Plan, other properties in the Redevelopment Project Area not scheduled for acquisition should be acquired or certain property currently listed for acquisition should not be acquired. Acquisition of land for public rights-of-way will also be necessary for the portions of said rights-of-way that the City does not own.

   As a necessary part of the redevelopment process, the City may hold and secure property which it has acquired and place it in temporary uses until such property is scheduled for disposition

and redevelopment. Such uses may include, but are not limited to, project office facilities, parking or other uses the City may deem appropriate.

2. Provision of Public Improvements and Facilities. Adequate public improvements and facilities will be provided to service the entire Redevelopment Project Area. Public improvements and facilities may include, but are not limited to:

   a. Reconstruction of interior streets.

   b. Provision of utilities necessary to serve the redevelopment.

3. Provision for Soil and Site Improvements. Funds may be made available for improvements to properties for the purpose of making land suitable for development.

   a. Entering into a redevelopment agreement for necessary site improvements in the Redevelopment Project Area.

   b. Environmental remediation necessary for redevelopment of the Redevelopment Project Area.

4. Redevelopment Agreements. Land assemblage may be conducted for (a) sale, lease or conveyance to private developers, or (b) sale, lease, conveyance or dedication for the construction of public improvements or facilities. Terms of conveyance shall be incorporated in appropriate disposition agreements which may contain more specific controls than those stated in the Redevelopment Plan. Any requirements for site improvements and public improvements may also be included in the Redevelopment Agreements.

In the event that the City determines that construction of certain improvements is not financially feasible, the City may reduce the scope of the proposed improvements.

B. Redevelopment Plan.

The Redevelopment Plan proposes the development of new industrial facilities that take advantage of the Redevelopment Project Area's excellent location. The Redevelopment Plan proposes to stimulate or stabilize not only the Redevelopment Project Area but also the properties within the

surrounding area. This plan proposes the following redevelopment improvements which are located within the approximately 302 acre 126th and Torrence Area (See Map 3):

The Redevelopment Plan proposes the redevelopment of the over 200 acres of presently vacant land for industrial purposes. The redevelopment of this currently unused property will make needed industrial land available for development. The assemblage of some parcels of land may be required in order to make available suitable sites to accommodate modern industrial and warehousing structures, within a secure, functional, economic and attractive industrial park setting.

The development of an industrial park will allow for the attraction and the expansion of industrial facilities onto the currently vacant land. An important element in the redevelopment of this Redevelopment Project Area is the implementation of an industrial infrastructure plan. It is anticipated that infrastructure improvements will include the following: access streets and interior roadways; sidewalks, curbs and gutters; street lighting and security; water and sewers; and public utilities.

The Plan proposes a multi-phased approach which will take place over ten (10) to fifteen (15) years. Using this approach those projects that are ready to be implemented will proceed and create the methodology and financial support necessary. It is anticipated that the first steps in the redevelopment process would be the development of the large tracts of vacant property. It is anticipated that the redevelopment including: construction of modern industrial/warehousing buildings and related facilities, will create approximately 6,500 new jobs; approximately 3,500 in distribution/warehousing and another 3,000 industrial jobs. Additionally, 1,250 construction jobs will be created in the next ten (10) to fifteen (15) years.

The 126th and Torrence Redevelopment Project Area will require planning and programming of improvements. The redevelopment agreement will generally provide for the City to provide funding for activities permitted by the Illinois Tax Increment Allocation Redevelopment Act. The funds for said improvements will come directly from the incremental increase in tax revenues generated from the entire Redevelopment Project Area or the City's issuance of bonds to be repaid from the incremental increase in tax revenues to be generated from the entire Redevelopment Project Area. A developer or user will undertake the responsibility for the required soil and site improvements, a portion of which may be paid for from the issuance of bonds, and will further be required to build any agreed to improvements and necessary ancillary improvements required for the project.

The estimated redevelopment project costs are shown in Table 1. To the extent that municipal obligations have been issued to pay for such redevelopment project costs incurred prior to, but in anticipation of, the adoption of tax increment financing, the City shall be reimbursed for such redevelopment project costs. The total redevelopment project costs provide an upper limit on expenditures (exclusive of capitalized interest, issuance costs, interest and other financing costs).

C. General Land-Use Plan.

The Redevelopment Plan and the proposed projects described herein conform to the land-uses and development policies for the City as a whole as currently provided by the requirements of the City of Chicago Zoning Ordinances.

The proposed land-use institutes changes within the area bounded by Torrence Avenue on the west, 122nd Street and the Calumet River to the north, Avenue O and the S. C. & S. Railroad as extended on the east and 130th Street on the south to industrial. As a result of the proposed plan a Highest and Best Use and Real Estate Impact Study was conducted of the Redevelopment Area. Based upon the factors stated in that Study, it was determined that the proposed industrial development is consistent with the definition of the highest and best use and meets the Chicago Zoning Ordinance.

D. Estimated Development Project Costs.

Redevelopment project costs mean the sum total of all reasonable or necessary costs incurred or estimated to be incurred, and any such costs incidental to this Redevelopment Plan and Redevelopment Project pursuant to the State of Illinois Tax Increment Allocation Redevelopment Act. Such costs may include, without limitation, the following:

1. Costs of studies, surveys, development of plans, and specifications, implementation and administration of the redevelopment plan, including but not limited to staff and professional service costs for architectural, engineering, legal, marketing, financial, planning or other services, provided, however, that no charges for professional services may be based on a percentage of the tax increment collected.

2. Property assembly costs, including but not limited to acquisition of land and other property, real or personal, or rights or interests therein, demolition of buildings, and the clearing and grading of land.

3. Costs of rehabilitation, reconstruction or repair or remodeling of existing public or private buildings and fixtures.

4. Costs of the construction of public works or improvements.

5. Costs of job training and retraining projects.

6. Financing costs, including but not limited to all necessary and incidental expenses related to the issuance of obligations and which may include payment of interest on any obligations issued hereunder accruing during the estimated period of construction of any redevelopment project for which such obligations are issued and for not exceeding thirty-six (36) months thereafter and including reasonable reserves related thereto.

7. All or a portion of a taxing district's capital costs resulting from the redevelopment project necessarily incurred or to be incurred in furtherance of the objectives of the redevelopment plan and project, to the extent the municipality by written agreement accepts and approves such costs.

8. Relocation costs to the extent that a municipality determines that relocation costs shall be paid or is required to make payment of relocation costs by federal or state law.

9. Payment in lieu of taxes as defined in the Act.

10. Costs of job training, advanced vocational education or career education, including but not limited to courses in occupational, semi-technical or technical fields leading directly to employment, incurred by one or more taxing districts, provided that such costs (i) are related to the establishment and maintenance of additional job training, advanced vocational education or career education programs for persons employed or to be employed by employers located in a redevelopment project area; and (ii) when incurred by a taxing district or taxing districts other than the municipality, are set forth in a written agreement by or among the municipality and the taxing district or taxing districts, which agreement describes the program to be undertaken, including but not limited to the number of employees to be trained, a description of the training and services to be provided, the number and type of positions available or to be available, itemized costs of the program and sources of funds to pay for the same, and the term of the agreement. Such costs include, specifically, the payment by community college districts of costs pursuant to Sections 3-37, 3-38, 3-40 and 3-40.1 of the Public Community College Act and by school districts of costs pursuant to Sections 10-22.20a and 10-23.3a of The School Code.

11. Interest costs incurred by a redeveloper related to the construction, renovation or rehabilitation of a redevelopment project provided that:

    a. such costs are to be paid directly from the special tax allocation fund established pursuant to the Act;

    b. such payments in any one year may not exceed thirty percent (30%) of the annual interest costs incurred by the redeveloper with regard to the redevelopment project during that year;

    c. if there are not sufficient funds available in the special tax allocation fund to make the payment pursuant to this paragraph (11) then the amount so due shall accrue and be payable when sufficient funds are available in the special tax allocation fund; and

    d. the total of such interest payments paid pursuant to this Act may not exceed thirty percent (30%) of the total (i) costs paid or incurred by the redeveloper for the redevelopment project plus (ii) redevelopment project costs excluding any property assembly costs and any relocation costs incurred by a municipality pursuant to this Act.

12. Unless explicitly stated in the Act, the cost of costruction of new privately-owned buildings shall not be an eligible redevelopment project cost.

The estimated redevelopment project costs are shown in Table 1. To the extent that municipal obligations have been issued to pay for such redevelopment project costs incurred prior to, but in anticipation of, the adoption of tax increment financing, the City shall be reimbursed for such redevelopment project costs. The total redevelopment project costs provide an upper limit on expenditures (exclusive of capitalized interest, issuance costs, interest and other financing costs). Within this limit, adjustments may be made in line items without amendment to this Redevelopment Plan.

Estimated Redevelopment Project Costs.

Program Action/Improvements.

Land Acquisition	$ 300,000
Demolition	100,000
Environmental Remediation	5,000,000
Site Preparation	15,000,000
Public Improvements	15,000,000
Planning, Legal, Studies, etc.	300,000
TOTAL PROJECT COST:*	$35,700,000

E. Sources Of Funds To Pay Redevelopment Project Costs.

Funds necessary to pay for redevelopment project costs and/or municipal obligations which have been issued or incurred to pay for such costs are to be derived principally from tax increment revenues and/or proceeds from municipal obligations which have as their revenue source tax increment revenue. To secure the issuance of these obligations, the City may permit the utilization of guarantees, deposits and other forms of security made available by private sector developers.

---

* Exclusive of capitalized interest, issuance costs and other financing costs.

The tax increment revenue which will be used to fund tax increment obligations and eligible redevelopment project costs shall be the incremental real property tax revenues. Incremental real property tax revenue is attributable to the increase in the current equalized assessed value of each taxable lot, block, tract or parcel of real property in the Redevelopment Project Area over and above the initial equalized assessed value of each such property in the Redevelopment Project Area. Other sources of funds which may be used to pay for redevelopment costs and obligations issued or incurred, the proceeds of which are used to pay for such costs, are land disposition proceeds, state and federal grants, investment income, and such other sources of funds and revenues as the municipality may from time to time deem appropriate such as municipal sales taxes, municipal amusement taxes, generated from the district. Without the use of such tax incremental revenues, the Redevelopment Project Area would not reasonably be developed. All incremental revenues utilized by the City of Chicago will be utilized exclusively for the development of the Redevelopment Project Area.

Issuance Of Obligations.

To finance redevelopment costs a municipality may issue obligations secured by the anticipated tax increment revenue generated within the tax increment financing ("T.I.F.") redevelopment area. In addition, a municipality may pledge towards payment of such obligations any part or any combination of the following: (a) net revenues of all or part of any redevelopment project; (b) taxes levied and collected on any or all property in the municipality; (c) the full faith and credit of the municipality; (d) a mortgage on part or all of the redevelopment project; or (e) any other taxes or anticipated receipts that the municipality may lawfully pledge.

All obligations issued by the City pursuant to this Redevelopment Plan and the Act shall be retired within twenty-three (23) years from the adoption of the ordinance approving the Redevelopment Project Area. Also, the final maturity date of any such obligations which are issued may not be later than twenty (20) years from their respective dates of issue. One or more series of obligations may be sold at one or more times in order to implement this Redevelopment Plan. The amounts payable in any year as principal and interest on all obligations issued by the City pursuant to the Redevelopment Plan and the Act shall not exceed the amounts available, or projected to be available, from tax increment revenues and from such bond sinking funds or other sources of funds (including ad valorem taxes) as may be provided by ordinance. Obligations may be of a parity or senior/junior lien natures. Obligations issued may be serial or term maturities, and may or may not be subject to mandatory, sinking fund, or optional redemptions.

Revenues shall be used for the scheduled and/or early retirement of obligations, and for reserves, bond sinking funds and redevelopment project costs, and, to the extent that real property tax increment is not used for such purposes, shall be declared surplus and shall then become available for

distribution annually to taxing districts in the Redevelopment Project Area in the manner provided by the Act.

Most Recent Equalized Assessed Valuation Of Properties In The Redevelopment Project Area.

The total 1992 equalized assessed valuation for the entire Redevelopment Project Area is $3,684,948. This equalized assessed valuation is subject to final verification by Cook County. After verification, the County Clerk of Cook County, Illinois will certify the amount, and this amount will serve as the "Initial Equalized Assessed Valuation".

Anticipated Equalized Assessed Valuation.

By the year 1998, when it is estimated that initial industrial development will be completed and fully assessed, the estimated equalized assessed valuation of real property within the Redevelopment Project Area is estimated at between $15,000,000 and $25,000,000. It is further anticipated that by the year 2002 when the additional industrial development is completed the estimated equalized assessed valuation of real property within the Redevelopment Project Area is estimated at between $60,000,000 and $80,000,000. These estimates are based on several key assumptions, including: (1) initial industrial development will be started in 1995 and completed in 1999; (2) the market value of the anticipated developments will increase following completion of the redevelopment activities described in the Redevelopment Project and Plan; (3) the most recent State Multiplier of 2.0897 as applied to 1992 assessed values will remain unchanged; and (4) for the duration of the project the tax rate for the entire Redevelopment Project Area is assumed to be the same and will remain unchanged from the 1993 level. The basis for this determination is that when completed approximately 5,000,000 to 6,000,000 square feet of industrial and warehousing space and that today for larger industrial and warehousing facilities there is an average of between $15.00 and $30.00 in equalized assessed value.

F. Lack Of Growth And Development Through Investment By Private Enterprise.

As described in the Blighted Area Conditions Section of this Redevelopment Project and Plan Report, the Redevelopment Project Area as a whole is adversely impacted by the presence of numerous blighting factors, and these factors are reasonably distributed throughout the area. Although some rehabilitation has occurred on a limited and scattered basis, the Redevelopment Project Area on the whole has not been subject to growth and development through investment by private enterprise. No large scale projects have been initiated in over 20 years. The lack of private investment

is evidenced by continued existence of blight, large tracts of vacant land and the limited number of new development projects undertaken on a planned basis.

It is clear from the study of this area that private investment in revitalization and redevelopment has not occurred to overcome the blighting conditions that currently exist. The Redevelopment Project Area is not reasonably expected to be developed without the efforts and leadership of the City, including the adoption of this Redevelopment Project and Plan.

G. Financial Impact Of The Redevelopment Project.

Without the adoption of this Redevelopment Project and Plan, and tax increment financing, the Redevelopment Project Area is not reasonably expected to be redeveloped by private enterprise. There is a real prospect that the blighted conditions will continue to exist and spread, and the whole area will become less attractive for the maintenance and improvement of existing buildings and sites. The possibility of the erosion of the assessed value of property which would result from the lack of a concerted effort by the City to stimulate revitalization and redevelopment could lead to a reduction of real estate tax revenue to all taxing districts.

Sections A, B and C of this Redevelopment Project and Plan describe the comprehensive redevelopment program proposed to be undertaken by the City to create an environment in which private investment can occur. The redevelopment program will be staged with various developments taking place over a period of years. If the Redevelopment Project is successful, various new private projects will be undertaken that will assist in alleviating blighted conditions, creating new jobs and promoting development in the area.

The Redevelopment Project is expected to have short- and long-term financial impacts on the taxing districts affected by the Redevelopment Plan. During the period when tax increment financing is utilized, real estate tax increment revenues (from the increases in Equalized Assessed Valuation [E.A.V.] over and above the certified initial E.A.V. established at the time of adoption of this Project and Plan) will be used to pay eligible redevelopment project costs for the Tax Increment Financing District. At the end of the T.I.F. time period, twenty-three (23) years, the real estate tax revenues will be distributed to all taxing districts levying taxes against property located in the Redevelopment Project Area.

H. Demand On Taxing District Services.

The following major taxing districts presently levy taxes on properties located within the Redevelopment Project Area: City of Chicago; Chicago Board of Education; Chicago School Finance Authority; Chicago Park

District; Chicago Community College District; Metropolitan Water Reclamation District of Greater Chicago; County of Cook; and Cook County Forest Preserve District.

The proposed Redevelopment Plan involves the acquisition of some improved and vacant and underutilized land, and the construction of new industrial facilities. Therefore, the financial burden of the Redevelopment Project on taxing districts is expected to be negligible.

While there will be increased demands for utility services, well within their present capacities, these will be strictly in the form of increased water and sewage treatment. Any necessary infrastructure will be paid from the Tax Increment Financing District or the developer. Therefore, no major investments from any taxing district affected by the Redevelopment Plan and Project are anticipated. Although no short-term financial demands are expected from the adoption of this Redevelopment Plan and Project, it is expected that two major private investments will take place within a year of the adoption of this Redevelopment Plan and Project. In addition, it is anticipated that other private investment will be attracted and take place on vacant land in the area over the life of the Redevelopment Project. Since the specifics of such additional investment cannot be determined at this time, the long-term financial impacts on the various taxing jurisdictions or increases in the demands for service resulting from such new development cannot be quantified at this time. However, because of the proposed zoning and proposed land-use, any new development will be for industrial uses.

As a result of the development of the first two projects being for industrial uses, increased service demands are likely to be limited to utilities either provided by the City of Chicago or the Metropolitan Water Reclamation District of Greater Chicago.

I. Program To Address Financial And Service Impacts.

As described in detail in prior sections of this report, the complete scale and amount of development in the Redevelopment Area cannot be predicted with complete certainty at this time and the demand for services provided by those affected taxing districts cannot be quantified at this time.

As indicated in Section D, Estimated Redevelopment Project Costs of the Redevelopment Project and Plan, the City plans to provide public improvements and facilities to service the Redevelopment Project Area. Such improvements may mitigate some of the additional service and capital demands placed on taxing districts as a result of the implementation of this Redevelopment Project and Plan.

Provision For Amending Action Plan.

The 126th and Torrence Redevelopment Project Area Tax Increment Redevelopment Plan and Project may be amended pursuant to the provisions of the Act.

Affirmative Action Plan.

The City is committed to and will affirmatively implement the following principles with respect to the 126th and Torrence Redevelopment Project Area.

A. The assurance of equal opportunity in all personnel and employment actions with respect to the Plan and Project, including but not limited to: hiring, training, transfer, promotion, discipline, fringe benefits, salary, employment working conditions, termination, et cetera, without regard to race, color, religion, sex, age, handicapped status, national origin, creed, or ancestry.

B. This commitment to affirmative action will ensure that all members of the protected groups are sought out to compete for all job openings and promotional opportunities.

In order to implement these principles for this Plan and Project, the City shall require and promote equal employment practices and affirmative action on the part of itself and its contractors and vendors. In particular, parties contracting for work on the Project shall be required to agree to the principles set forth in this section.

Amounts payable by the City under any such agreement shall constitute operating expenses of the City payable from any moneys, revenues, receipts, income, assets or funds of the City available for such purpose. Such amounts shall not constitute an indebtedness of the City for which its full faith and credit is pledged. Nothing contained in this Section 12 shall limit or restrict the authority of the Mayor or the City Comptroller to enter into similar agreements pursuant to prior or subsequent authorization of this City Council.

SECTION 13. Note Insurance. The Comptroller is hereby authorized to obtain a policy of note insurance if it is determined by him to be desirable in connection with the marketing and remarketing of any Series of Notes.

SECTION 15. Filing of Ordinance. A copy of this ordinance, duly certified by the City Clerk, shall be filed in the respective offices of the County Clerks and such filings shall constitute the authority for extending, and it shall be the duty of said County Clerks to extend, the taxes levied pursuant to Section 7 hereof for collection, such taxes to be in addition to and in excess of all other taxes heretofore or hereafter authorized to be levied by the City on its behalf.

SECTION 16. Additional Authorization. The use of such facsimile signatures to execute the Notes are authorized by this ordinance, and such facsimile signatures are hereby adopted as the respective manual signatures of such officers, without further action on the part of such officers. The Mayor, the City Clerk and the City Comptroller may each designate another person to act as their respective proxy and to affix their respective signature to the Notes, whether in temporary or definitive form, and any

instrument, agreement, certificate or document required to be signed by the Mayor, the City Clerk or the City Comptroller pursuant to this ordinance, and in such case, each shall send to the City Council written notice of the person so designated by each, such notice stating the name of the person so selected and identifying the instruments, certificates and documents which such person shall be authorized to sign as proxy for the Mayor, the City Clerk and the City Comptroller, respectively. A written signature of the Mayor, the City Clerk or of the City Comptroller, respectively, executed by the person so designated underneath, shall be attached to each notice. Each notice, with the signatures attached, shall be recorded in the Journal of the Proceedings of the City Council and filed with the City Clerk. When the signature of the Mayor is placed on an instrument, certificate or document at the direction of the Mayor in the specified manner, the same, in all respects, shall be as binding on the City as if signed by the Mayor in person. When the signature of the City Clerk is placed on an instrument, certificate or document at the direction of the City Clerk in the specified manner, the same, in all respects, shall be binding on the City as if signed by the City Clerk in person. SECTION 18. Defeasance.

(a) The Notes shall be subject to defeasance as provided in the related Indenture.

Amounts held by the Trustee or an escrow trustee in excess of the amounts needed so to provide for payment of the defeased Notes may be subject to withdrawal by the City. The Mayor or the City Comptroller is hereby authorized to execute and deliver from time to time one or more agreements with counterparties selected by the City Comptroller, with respect to the investment and use of such excess amounts held by the Trustee or escrow trustee.

SECTION 19. Repealer. To the extent that any ordinance, resolution, rule, order or provision of the Municipal Code of the City of Chicago, or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall be controlling; provided, however, that nothing contained in this ordinance shall amend, limit or repeal the Tax Limitation Ordinance. Section 2.02 Interest Rate Determination Methods For The Notes.

The Notes (or Sub-series, if applicable) shall bear interest at a Weekly Rate, a Short-Term Intermediate Rate or a Fixed Rate determined by the Comptroller in accordance with the provisions of this Indenture. The

determination of the Interest Rates on the Notes as provided in this Indenture shall be conclusive and binding upon the Noteholders.

(a) Weekly Rate.

(i) Determination of Weekly Rate. When interest on the Notes (or Sub-series, if applicable) is payable at a Weekly Rate, the Comptroller shall determine a Weekly Rate on Tuesday of each calendar week (if Tuesday is not a Business Day, then Monday; if Monday and Tuesday are not Business Days, then Wednesday whether or not a Business Day). Each Weekly Rate shall be the rate necessary (as determined by the Comptroller) for the Remarketing Agent to sell such Notes on the day the rate is set at one hundred percent (100%) of the principal amount of such Notes plus accrued interest, if any.

(ii) Duration of Weekly Rate. Each Weekly Rate determined by the Comptroller shall be in effect from and including Wednesday of each week to and including the following Tuesday, whether or not such days are Business Days.

(iii) Notice of Weekly Rate. The Comptroller shall give telephonic or facsimile notice (promptly confirmed in writing) of each Weekly Rate to the Trustee, the Remarketing Agent and the Bank not later than 4:00 P.M., New York City time, on the day each Weekly Rate is determined.

(iv) Weekly Rate Invalid or Unenforceable. If for any reason the Comptroller does not set a Weekly Rate while the Notes (or Sub-series, if applicable) bear interest at a Weekly Rate, or a court holds that a Weekly Rate is invalid or unenforceable, then the Weekly Rate in effect for the immediately preceding week shall remain in effect.

(b) Short-Term Intermediate Rate.

(i) Determination of Short-Term Intermediate Rate. When interest on the Notes (or Sub-series, if applicable) is payable at a Short-Term Intermediate Rate, the Comptroller shall establish the Short-Term Intermediate Rate for such Notes on the first Business Day of each Short-Term Intermediate Rate Period. Each Short-Term Intermediate Rate shall be the rate necessary (as determined by the Comptroller) for the Remarketing Agent to sell such Notes on the date such rate is set at one hundred percent (100%) of the principal amount of such Notes plus accrued interest, if any.

(ii) Determination of Short-Term Intermediate Rate Period. Each Short-Term Intermediate Rate Period shall be determined by the Comptroller (which may be from one to _____ days) based upon the Comptroller's judgment that the length of the Short-Term Intermediate Rate Period will be beneficial to the City. Interest on the Notes (or Sub-

series thereof, if applicable) bearing interest at a Short-Term Intermediate Rate will accrue from the first day of the applicable Short-Term Intermediate Rate Period to, and including, the last day of such Period. Notwithstanding the foregoing, (x) the day following the last day of any Short-Term Intermediate Rate Period shall be a Business Day or the maturity date of the Notes, and (y) if the Comptroller has previously determined that the Notes (or Sub-series thereof, if applicable) are to bear interest at a rate other than the Short-Term Intermediate Rate effective as of a future date, no new Short-Term Intermediate Rate Period shall be established for such Notes unless the last day of such Short-Term Intermediate Rate Period occurs before the effective date of the change to such other rate.

(iii) Notice of Short-Term Intermediate Rate and Short-Term Intermediate Rate Period. The Comptroller shall give telephonic or facsimile notice (promptly confirmed in writing) of each Short-Term Intermediate Rate and Short-Term Intermediate Rate Period to the Trustee, the Remarketing Agent and the Bank not later than 11:00 A.M., New York City time, on the date such rate and period are determined.

(iv) Short-Term Intermediate Rate or Short-Term Intermediate Rate Period Invalid or Unenforceable. If for any reason the Comptroller does not set a Short-Term Intermediate Rate or the duration of a Short-Term Intermediate Rate Period while the Notes (or Sub-series, if applicable) bear interest at a Short-Term Intermediate Rate, or a court holds that a Short-Term Intermediate Rate or the duration of any Short-Term Intermediate Rate Period is invalid or unenforceable, [then a 30-day Short-Term Intermediate Rate Period for such Notes will follow, and the Short-Term Intermediate Rate for such Notes for such Short-Term Intermediate Rate Period shall be that annual rate of interest equal to 85 percent of the interest rate applicable to 90-day United States Treasury bills determined on the basis of the average per annum discount rate at which such 90-day United States Treasury bills shall have been sold at the most recent Treasury auction within the preceding thirty (30) days.]

(c) Fixed Rate.

(i) Determination of Fixed Rate. If the interest rate on the Notes (or Sub-series, if applicable) is initially established as a Fixed Rate, the interest rate on such Notes shall be established by the Comptroller no later than the date the Notes are initially issued. If the interest rate on the Notes (or Sub-series, if applicable) is changed to a Fixed Rate pursuant to Section 2.03 hereof, the Comptroller shall establish the Fixed Rate for such Notes not less than seven nor more than fifteen days before the effective date of such Fixed Rate. The Fixed Rate shall be the rate necessary (as determined by the Comptroller on the date such rate is established) for the City to sell such Notes on the date such rate is set at 100 percent of the principal amount thereof plus accrued interest, if any.

(ii) Fixed Rate Period. The Fixed Rate shall remain in effect from its effective date to the maturity date of the Notes (the "Fixed Rate Period").

(iii) Notice of Fixed Rate. If the interest rate on any Notes is changed to a Fixed Rate pursuant to Section 2.03 hereof, the Comptroller shall give telephonic or facsimile notice (promptly confirmed in writing) of such Fixed Rate to the Trustee, the Remarketing Agent and the Bank not later than 4:00 P.M., New York City time, on the date the Fixed Rate is determined.

(iv) Conditions to Fixed Rate Not Satisfied. If any condition to a change in the Interest Rate Determination Method to the Fixed Rate for the Notes (or Sub-series, if applicable) pursuant to Section 2.03 hereof, shall not have been satisfied on the effective day of the proposed Fixed Rate Period, such change shall not be effective, and the Notes shall bear interest at a Weekly Rate commencing on the day that was to be the first day of the proposed Fixed Rate Period and lasting until another Interest Rate Determination Method is validly established for such Notes hereunder.

Section 2.03 Change In Interest Rate Determination Method.

(a) Change Directed by the City. The City may, acting through the Comptroller, change the Interest Rate Determination Method for the Notes (or Sub-series, if applicable) by notifying the Trustee, the Bank and the Remarketing Agent at least twenty (20) days prior to the proposed effective date of such change. Such notice shall contain (i) the effective date of such new Interest Rate Determination Method (which effective date must be a current Interest Payment Date for the Notes, and if the Notes currently bear interest at a Short-Term Intermediate Rate, the effective date of any new Interest Rate Determination Method may not be earlier than the end of any effective Short-Term Intermediate Rate Period), (ii) the new Interest Rate Determination Method, and (iii) if the change is to a Fixed Rate, the Determination Date. [If the change is to a Fixed Rate, the notice must be accompanied by an Opinion of Bond Counsel stating that the change is not prohibited by the laws of the State or this Indenture and will not adversely affect the exclusion of interest on the Notes from the gross income of the owner thereof for federal income tax purposes under the Code. If the Comptroller's notice complies with this paragraph, interest on such Notes will become payable on the basis of the new Interest Rate Determination Method on the effective date specified in the notice unless and until the Interest Rate Determination Method is changed as provided in this section.]

(b) Change Directed by the Remarketing Agent. If directed to do so by the Comptroller, the Remarketing Agent shall consider whether the Interest Rate Determination Method for the Notes (or Sub-series, if applicable) should be changed to a different Short-Term Rate because in the Remarketing Agent's judgment, conversion to a different Short-Term Rate

will be beneficial to the market for, or the relative yield of, such Notes. If a change is to be made, the Remarketing Agent will promptly so notify the Trustee, the City and the Bank and will specify the effective date of the change, which effective date must be a current Interest Payment Date for the Notes and shall not be before the end of any effective Short-Term Intermediate Rate Period for such Notes. For purposes of this Section 2.03(b), the Remarketing Agent's determination that a different Short-Term Rate will be "beneficial to the market for, or relative yield of, the Notes" shall be based upon (i) the performance of the such Notes measured by market supply and demand and yield, relative to other securities which bear interest at the current rate or the other Short-Term Rate or which, in the judgment of the Remarketing Agent, are otherwise comparable to such Notes, or (ii) any fact or circumstance relating to such Notes or affecting the market for such Notes or affecting such other comparable securities in a manner which in the judgment of the Remarketing Agent will affect the market for such Notes, which in any event leads the Remarketing Agent to conclude that such Notes should bear interest at the Short-Term Rate specified in such notice. As used in this Section 2.03(b), "beneficial" means beneficial to the City. The Remarketing Agent may use or not use any inputs and resources it deems appropriate, which may but need not include conversations with the City, and will make its decision based solely upon its judgment. On the effective date specified in such notice, unless a different determination shall have been made by the Remarketing Agent hereunder or by the City pursuant to paragraph (a) above, such Notes shall bear interest at the Short-Term Rate specified in such notice.

The Remarketing Agent will not have any obligation, responsibility or liability of any kind to the Noteholders, the Trustee, the City, the Bank or to any other person with respect to any determination that the Notes (or Sub-series, if applicable) will or will not bear interest at the current or any other Short-Term Rate, including but not limited to any omission by the Remarketing Agent to consider any facts or circumstances or any resources or inputs, it being the intent of this Indenture that the Remarketing Agent may, in its unrestricted judgment, choose to consider no inputs or resources other than its own expertise.

(c) Limitations on Changes in Interest Rate Determination Method. Any change in the method of determining interest on the Notes (or Sub-series, if applicable) pursuant to either Section 2.03(a) or (b) above must comply with the following:

(i) if a Short-Term Intermediate Rate is then in effect, the effective date of any change must be the day following the last day of the Short-Term Intermediate Rate Period of all Notes or applicable Sub-series;

(ii) if a Weekly Rate is then in effect, the effective date of any change must be the first Business Day of a month; and

(iii) no change shall be made in the Interest Rate Determination Method if the Trustee shall receive written notice prior to such change that the Opinion of Bond Counsel required under Section 2.03(a) has been withdrawn. If the Trustee shall have sent any notice to the Noteholders regarding a change in Interest Rate Determination Method under Section 2.03(d), then in the event of such withdrawal of opinion, the Trustee shall promptly notify all Noteholders of such withdrawal.

(d) Notice to Noteholders of Change in Interest Rate Determination Method. When a change in the Interest Rate Determination Method is to be made as to the Notes (or Sub-series, if applicable), the Trustee will notify the Owners of such Notes by Notice by Mail at least fifteen (15) but not more than sixty (60) days before the effective date of the change. The notice will be accompanied by the Opinion of Bond Counsel if required by Section 2.03(a). The notice will state:

(i) that the Interest Rate Determination Method will be changed and what the new method will be;

(ii) the effective date of the new Interest Rate Determination Method;

(iii) a description of the New Interest Rate Determination Method, including a statement that the Remarketing Agent will provide each new rate (and Short-Term Intermediate Rate Period when applicable) upon request;

(iv) the applicable Interest Payment Dates and Record Dates;

(v) whether Owners of such Notes have a right to tender their Notes while such Notes bear interest at the new Interest Rate Determination Method; and

(vi) that such Notes will be subject to mandatory tender for purchase on the effective date of the change.

In addition, if the change is to a Fixed Rate, the notice will state:

(i) the Determination Date;

(ii) that the Remarketing Agent will provide the Fixed Rate upon request and describing how to make such request;

(iii) the end of the Fixed Rate Period, which shall be the maturity date of the Notes;

(iv) any ratings assigned the Notes by the Rating Agencies effective on the change;

(v) that during the Fixed Rate Period there will be no right to tender the Notes;

(vi) that the Notes are not subject to redemption at the option of the City during the Fixed Rate Period; and

(vii) that during the Fixed Rate Period Notes will be issued in denominations of $5,000 or integral multiples thereof.

In addition, if the change is to a Short-Term Intermediate Rate, the notice will state:

(i) that during the Short-Term Intermediate Rate Period there will be no right to tender such Notes at the option of the Owner thereof;

(ii) that such Notes are not subject to redemption at the option of the City during the Short-Term Intermediate Rate Period; and

(iii) that on the first Business Day following the last day of each Short-Term Intermediate Rate Period for such Notes, each such Note will be subject to mandatory tender for purchase without further notice.

Section 2.04 Calculation Of Interest Due On Notes.

The Trustee will calculate the amount of interest payable on the Notes from the Interest Rates supplied to the Trustee by the person setting them and will confirm such amounts when computed with the Remarketing Agent. The Trustee will confirm any Interest Rate by telephone or in writing to any Noteholder who requests it in writing. The calculation of the interest payable on the Notes as provided in this Indenture will be conclusive and binding on all parties, including the holders of the Notes.

Section 2.05 Form, Payment And Dating Of Notes; Authorized Denominations.

(a) The Notes and the certificate of authentication to be executed on the Notes by the Trustee are to be in substantially the form thereof set forth in (Sub)Exhibit A hereto, with necessary or appropriate variations, omissions and insertions as permitted or required by this Indenture.

(b) The Notes shall be issuable only as fully registered Notes in Authorized Denominations. Notes shall be numbered from 1 consecutively upwards and shall contain an appropriate prefix to such numbers to identify such Notes.

(c) The principal or redemption price of each Note shall be payable upon surrender of such Note at the Principal Office of the Trustee. Payments of principal or redemption price of the Notes shall be payable in immediately available funds except as provided in paragraph (d)(iv) below. Such payments shall be made to the Owner of the Note so surrendered, as shown on the registration books maintained by the Trustee on the applicable Record Date.

(d) Each Note shall bear interest and be payable as to interest as follows:

(i) Each Note shall bear interest (at the applicable rate determined pursuant to Article II hereof) from the date of authentication, if authenticated on an Interest Payment Date to which interest has been paid, or from the last preceding Interest Payment Date to which interest has been paid (or the date of original issuance of the Notes if no interest thereon has been paid) in all other cases.

(ii) Subject to the provisions of subparagraph (iii) below, the interest due on any Note on any Interest Payment Date shall be paid to the Noteholder of such Note as shown on the registration books kept by the Trustee on the applicable Record Date. The amount of interest so payable on any Interest Payment Date shall be computed by the Trustee on the basis of a 365- or 366-day year as applicable for the number of days actually elapsed while the Notes bear interest at a Weekly Rate or a Short-Term Intermediate Rate, and on the basis of a 360-day year of twelve 30-day months while the Notes bear interest at a Fixed Rate.

(iii) If the available funds under this Indenture or the Letter of Credit are insufficient on any Interest Payment Date to pay the interest then due, the regular applicable Record Date shall no longer be applicable with respect to the Notes. If sufficient funds for the payment of such overdue interest thereafter become available, the Trustee shall immediately establish a special interest payment date for the payment of the overdue interest and a special record date (which shall be a Business Day) for determining the Noteholders entitled to such payments. Notice of each date so established shall be mailed by the Trustee to each Noteholder at least ten (10) days prior to the special record date, but not more than thirty (30) days prior to the special interest payment date. The overdue interest shall be paid on the special interest payment date to the Noteholders, as shown on the registration books kept by the Trustee as of the close of business on the special record date.

(iv) All payments of interest on the Notes shall be paid to the persons entitled thereto pursuant to Section 2.05(d)(ii) or (iii) above by the Trustee on the Interest Payment Date or special interest payment date, as applicable, (x) upon instructions to the Trustee from such person entitled to payment in immediately available funds (by federal funds check or by deposit to the account of the Owner of Notes if such Owner maintains an

account with the Trustee or, upon request of any Owner of Notes in the principal amount of $1,000,000 or more, by federal funds wire) on the Interest Payment Date according to such instructions, or (y) if no instructions are given as aforesaid, by clearinghouse funds check or draft mailed on the Interest Payment Date to the persons entitled thereto at such address appearing on the registration books of the Trustee or such other address as has been furnished to the Trustee in writing by such person.

(v) The payment of the purchase price of Notes tendered pursuant to Section 3.01 or 3.02 shall be made in immediately available funds to the tendering Noteholder in the same manner as interest on Notes pursuant to subparagraph (iv) above.

(e) All Notes will be dated the date of their original issuance.

(f) Interest on the Notes will accrue and be payable during the periods and at the times provided for in the form of the Notes.

Section 2.06 Execution Of Notes.

Each of the Notes shall be signed and executed on behalf of the City by the manual or facsimile signature of the Mayor and attested by the manual or facsimile signature of its City Clerk, and the corporate seal of the City shall be impressed, printed or lithographed on each Note. The Notes bearing the manual or facsimile signatures of individuals who were at the time of the execution thereof the proper officers of the City shall bind the City notwithstanding that such individuals shall cease to hold such offices prior to the registration, authentication or delivery of such Notes or shall not have held such offices at the dated date of such Notes.

Section 2.07 Delivery And Registration.

No Note shall be entitled to any right or benefit under this Indenture, or be valid or obligatory for any purpose, unless there appears on such Note a certificate of authentication substantially in the form provided in (Sub)Exhibit A hereto, executed by the Trustee by manual signature, and such certificate upon any such Note shall be conclusive evidence that such Note has been duly authenticated, registered and delivered.

Section 2.08 Lost, Destroyed, Improperly Cancelled Or Undelivered Notes.

If any Note, whether in temporary or definitive form, is lost (whether by reason of theft or otherwise), destroyed (whether by mutilation, damage or

otherwise) or improperly cancelled, the Trustee may authenticate a new Note of like series, date and denomination and bearing a number not contemporaneously outstanding; provided that (a) in the case of any mutilated Note, such mutilated Note shall first be surrendered to the Trustee and (b) in the case of any lost Note or Note destroyed in whole, there shall be first furnished to the Trustee evidence of such loss or destruction, together with indemnification of the City, the Trustee and the Bank, satisfactory to the Trustee. In the event any lost, destroyed or improperly cancelled Note shall have matured or is about to mature, or has been called for redemption, instead of issuing a duplicate Note, the Trustee shall pay the same without surrender thereof if there shall be first furnished to the Trustee evidence of such loss, destruction or cancellation, together with indemnification of the City, the Trustee and the Bank satisfactory to the Trustee. Upon the issuance of any substitute Note, the Trustee may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto. The Trustee may charge the Noteholder reasonable fees and expenses in connection with any transaction described in this Section 2.08, except for improper cancellation by the Trustee.

If the City elects to purchase for cancellation any Note tendered for purchase as provided in Section 4.02(a) and funds are deposited with the Trustee sufficient for the purchase, whether or not the Note subject to tender is ever delivered, interest on such Note shall cease to be payable to the prior holder thereof from and after the purchase date, such holder shall cease to be entitled to the benefits or security of this Indenture and shall have recourse solely to the funds held by the Trustee for the purchase of such Note and the Trustee shall not register any further transfer of such Note by such prior holder.

All Notes shall be owned upon the express condition that, to the extent permitted by law, the foregoing provisions are exclusive with respect to the replacement or payment of lost, destroyed or improperly cancelled Notes, notwithstanding any law or statute now existing or hereafter enacted.

Section 2.09 Transfer, Registration And Exchange Of Notes.

The Trustee shall maintain and keep, at its Principal Office, books for the registration and transfer of Notes, which at all reasonable times shall be open for inspection by the City.

The transfer of any Note shall be registered upon the books of the Trustee at the written request of the Noteholder or his attorney duly authorized in writing, upon surrender thereof at the Principal Office of the Trustee, together with a written instrument of transfer satisfactory to the Trustee duly executed by the Noteholder or his duly authorized attorney.

The City, the Trustee and the Remarketing Agent may deem and treat the Noteholder as the absolute owner of such Note, whether such Note shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal of and interest on, or the purchase price of, such Note and for all other purposes, and neither the City, the Trustee nor the Remarketing Agent shall be affected by any notice to the contrary. All such payments so made to any such Noteholder shall be valid and effectual to satisfy and discharge the liability upon such Note to the extent of the sum or sums so paid.

Any Note, upon surrender thereof at the Principal Office of the Trustee may, at the option of the Noteholder, be exchanged for an equal aggregate principal amount of Note or Notes of any Authorized Denomination of the same series and bearing interest pursuant to the same Interest Rate Determination Method as the Note being surrendered.

In all cases in which the privilege of exchanging Notes or registering the transfer of Notes is exercised, the City shall execute and the Trustee shall authenticate and deliver Notes in accordance with the provisions of this Indenture. For every such exchange or registration of transfer of Notes, whether temporary or definitive, the Trustee may make a charge in an amount sufficient to reimburse it for any tax or other governmental charge required to be paid with respect to such exchange or registration of transfer, which sum or sums shall be paid by the person requesting such exchange or registration of transfer as a condition precedent to the exercise of the privilege of making such exchange or registration of transfer. During the Fixed Rate Period for such Notes, the Trustee shall not be obligated to make any such exchange or registration of transfer of Notes during the ten (10) days next preceding the date of the mailing of notice of any redemption of Notes nor shall the Trustee be required to make any exchange or registration of transfer of any Notes called for redemption.

Section 2.10 Temporary Notes.

Pending the preparation of definitive Notes, the City may execute and the Trustee shall authenticate and deliver temporary Notes. Temporary Notes may be issuable as Notes of any Authorized Denomination and substantially in the form of the definitive Notes but with omissions, insertions and variations as may be appropriate for temporary Notes, all as may be approved by the City, as evidenced by the execution and delivery thereof. Temporary Notes may contain such reference to any provisions of this Indenture as may be appropriate. Every temporary Note shall be executed by the City and be authenticated by the Trustee upon the same conditions and in substantially the same manner, and with like effect, as the definitive Notes. As promptly as practicable the City shall execute and shall furnish definitive Notes and thereupon temporary Notes may be surrendered in exchange therefor without charge at the Principal Office of the Trustee, and the Trustee shall authenticate and deliver in exchange for such temporary

Notes a like aggregate principal amount of definitive Notes of Authorized Denominations. Until so exchanged the temporary Notes shall be entitled to the same benefits under this Indenture as definitive Notes.

Section 2.11 Cancellation Of Notes.

All Notes which shall have been surrendered to the Trustee for payment or redemption, and all Notes which shall have been surrendered to the Trustee for exchange or registration of transfer, shall be cancelled by the Trustee and cremated or otherwise destroyed, and counterparts of a certificate of destruction evidencing such cremation or other destruction shall be furnished by the Trustee to the City. The Trustee shall furnish to the City, the Bank and the Remarketing Agent, a certificate evidencing any such cancellation and specifying such Notes by number.

Section 2.12 Book-Entry Provisions.

(a) Except as provided in Paragraph (c) below, the Noteholder of all of the Notes shall be The Depository Trust Company ("D.T.C."), and the Notes shall be registered in the name of Cede & Co., as nominee for D.T.C.. Payment of interest for any Note registered in the name of Cede & Co. shall be made by wire transfer of immediately available funds to the account of Cede & Co. on the applicable Interest Payment Date for the Notes at the address indicated for Cede & Co. in the registration books of the City kept by the Trustee.

(b) The Trustee, the Remarketing Agent and the City may treat D.T.C. (or its nominee) as the sole and exclusive Noteholder of the Notes registered in its name for the purposes of payment of the principal or redemption or purchase price of or interest on the Notes, selecting the Notes or portions thereof to be redeemed or purchased, giving any notice permitted or required to be given to Noteholders under this Indenture, registering the transfer of Notes, obtaining any consent or other action to be taken by Noteholders and for all other purposes whatsoever; and neither the Trustee, the Remarketing Agent nor the City shall be affected by any notice to the contrary. Except as otherwise provided in paragraph (c) below, no Beneficial Owner shall receive an authenticated Note. Upon delivery by D.T.C. to the Trustee of written notice to the effect that D.T.C. has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions of this Indenture with respect to transfers of Notes, the words "Cede & Co." in this Indenture shall refer to such new nominee of D.T.C..

(c) In the event the Noteholder of all the Notes shall be D.T.C. and the City determines to discontinue D.T.C.'s book-entry system, the City may notify D.T.C., the Trustee, the Bank and the Remarketing Agent, whereupon D.T.C. will notify its participating organizations (the "Participants") of the availability through D.T.C. of certificated Notes. In

such event, the Trustee shall issue, transfer and exchange Note certificates as requested by D.T.C. in appropriate amounts in accordance with the provisions of this Indenture. D.T.C. may determine to discontinue providing its services with respect to the Notes at any time by giving written notice to the City, the Trustee and the Remarketing Agent and discharging its responsibilities with respect thereto under applicable law. Under such circumstances (if there is no successor securities depository), the City and the Trustee shall be obligated (at the sole cost and expense of the City) to make available for delivery Note certificates as described in this Indenture. Whenever D.T.C. requests the City and the Trustee to do so, the City will direct the Trustee (at the sole cost and expense of the City) to cooperate with D.T.C. in taking appropriate action after reasonable notice (i) to make available one or more separate certificates evidencing the Notes to any Participant having Notes credited to its D.T.C. account or (ii) to arrange for another securities depository to maintain custody of certificates evidencing the Notes.

(d) So long as any Note is registered in the name of Cede & Co., as nominee of D.T.C., all payments with respect to the principal, redemption or purchase price of and interest on such Note and all notices with respect to such Note shall be made and given, respectively, to D.T.C. or its nominee as provided in the City's representation letter to D.T.C..

(e) In connection with any notice or other communication to be provided to Noteholders pursuant to this Indenture by the City or the Trustee, or by the Trustee with respect to any consent or other action to be taken by Noteholders, the City or the Trustee, as the case may be, shall establish a record date for such consent or other action and give D.T.C. notice of such record date not less than fifteen (15) calendar days in advance of such record date to the extent possible. Such notice to D.T.C. or its nominee shall be given only when D.T.C. is the sole Noteholder.

(f) Neither the City, the Trustee, nor the Remarketing Agent will have any responsibility or obligation to the Participants or the Beneficial Owners with respect to (i) the accuracy of any records maintained by D.T.C. or any Participant; (ii) the payment by D.T.C. or any Participant of any amount due to any Beneficial Owner in respect of the principal, redemption or purchase price of or interest on the Notes; (iii) the delivery by D.T.C. or any Participant of any notice to any Beneficial Owner which is required or permitted under the terms of this Indenture to be given to Noteholders; (iv) the selection of the Beneficial Owners to receive payment in the event of any partial redemption of the Notes; (v) the delivery of Notes upon tender thereof; or (vi) any consent given or other action taken by D.T.C. as Noteholder.

(g) So long as Cede & Co. is the registered owner of the Notes, as nominee of D.T.C., references herein to the Noteholders or holders of the Notes or Owners of Notes shall mean Cede & Co. and shall not mean the Beneficial Owners of the Notes.

(h) So long as Cede & Co. is the registered owner of the Notes:

(i) selection of Notes to be redeemed upon partial redemption, presentation of Notes to the Trustee upon partial redemption, delivery of Notes to the Trustee in connection with an optional or mandatory tender, or redelivery of such Notes by the Trustee to Noteholders following a remarketing or failed conversion to the Fixed Rate shall be deemed made when the right to exercise ownership rights in such Notes through D.T.C. or D.T.C.'s Participants is transferred by D.T.C. on its books;

(ii) notice of a demand for purchase of Notes pursuant to Section 3.01 hereof shall be given by the Beneficial Owner of such Notes exercising ownership rights through D.T.C. or D.T.C.'s Participants by telephonic notice (confirmed in writing) or written notice;

(iii) any notices of the interest rate on the Notes to be provided by the Trustee shall be provided to anyone identifying itself to the Trustee as a person entitled to exercise ownership rights with respect to such Notes through D.T.C. or its Participants;

(iv) D.T.C. may present notices, approvals, waivers or other communications required or permitted to be made by Noteholders under this Indenture on a fractionalized basis on behalf of some or all of those persons entitled to exercise ownership rights in the Notes through D.T.C. or its Participants; and

(v) Notes held in the Custody Account on the records of D.T.C. will be registered in the name of the Trustee, or its nominee, as collateral security for the Bank.

Section 2.13 Application Of Proceeds Of The Notes.

The proceeds of the sale of the Notes shall be deposited with the Treasurer and used to make deposits in the following funds of the City in the following amounts for the purpose of paying amounts appropriated for such funds for the year 1995:

Fund	Amount
Corporate Fund	$
Chicago Public Library Fund (Maintenance and Operation)	
Chicago Public Library Fund (Building and Sites)	

Fund	Amount
City Relief (General Assistance)	
Judgment Fund	

[(a) The proceeds of the sale of the Notes shall be deposited in the Project Fund established hereunder and used for the purpose of financing the acquisition of certain equipment for the City as provided in the Note Ordinance.

(b) The Trustee shall establish a special trust fund designated as the Project Fund. The Trustee shall hold all moneys delivered to it for deposit into the Project Fund in trust.

(c) Moneys on deposit in the Project Fund shall be disbursed by the Trustee upon the receipt of a requisition therefor executed by the Comptroller specifying the purpose for which such disbursement is being made, which may include the payment of costs of issuance of the Notes and the reimbursement of the Bank for drawings made under the Letter of Credit to pay interest on the Notes or directly pay principal or purchase price of or interest on the Notes if the Bank shall have failed to honor a proper draw under the Letter of Credit.

(d) Pending the use of moneys held in the Project Fund, the Trustee shall invest such moneys in Permitted Investments upon the direction of the Comptroller, but subject to the requirements of the Reimbursement Agreement, if applicable. Income from such investments shall be credited to the Project Fund.]

Article III.

Optional And Mandatory Tenders Of Notes; Remarketing Of Purchased Notes.

Section 3.01 Optional Tender Of Notes.

Holders of Notes bearing interest at a Weekly Rate shall have the right to tender a Note, or a portion thereof, provided that such portion is an Authorized Denomination, for purchase at a purchase price equal to 100 percent of the principal amount thereof plus accrued interest, if any, to the date of purchase and to receive payment of the purchase price therefor, all as provided in the form of the Notes attached hereto as (Sub)Exhibit A.

Section 3.02 Mandatory Tender Of Notes.

The Notes are subject to mandatory tender and are required to be tendered to the Trustee for purchase at a purchase price equal to 100 percent of the principal amount thereof plus accrued interest, if any, as follows:

(i) When the Notes (or Sub-series, if applicable) bear interest at a Short-Term Intermediate Rate, each such Note shall be subject to mandatory tender for purchase on each Interest Payment Date for such Note; and

(ii) On the effective date of any change in the Interest Rate Determination Method for the Notes (or Sub-series, if applicable).

Section 3.03 Purchase Of Tendered Notes.

(a) In performing its duties under this Article III, the Trustee shall act as a conduit and not be considered to be purchasing Notes for its own account. No acceptance of Notes by the Trustee hereunder shall effect any merger or discharge of the indebtedness of the City evidenced by the Notes. The Trustee shall accept all Notes properly tendered to it for purchase in accordance with the provisions of the Notes as set forth in the form of Note attached hereto as (Sub)Exhibit A; provided, however, that the Trustee shall not accept any Notes tendered if at the time of the tender the principal of the Notes shall have been accelerated pursuant to Section 7.01 of this Indenture.

(b) The Trustee shall establish a special trust fund designated as the Purchase Fund. The Trustee shall hold all Notes delivered to it in trust for the benefit of the respective Noteholders delivering such Notes until moneys representing the purchase price of such Notes have been delivered to or for the account of such Noteholders. The Trustee shall hold all moneys delivered to it for the purchase of Notes in such fund in trust and without investment, solely for the benefit of the persons delivering such moneys until the Notes purchased with such moneys have been delivered to or for the account of such persons. The City hereby authorizes and directs the Trustee to withdraw sufficient funds from the Purchase Fund to pay the purchase price of tendered Notes as the same becomes due and payable, which authorization and direction the Trustee accepts.

Section 3.04 Remarketing Of Tendered Notes; Payment Of Purchase Price.

(a) The Remarketing Agent shall use its best efforts to remarket tendered Notes at a price equal to 100 percent of the principal amount thereof plus accrued interest, if any.

(b) Upon receipt of a duly tendered written notice of an optional tender of Notes conforming to the requirements in the form of Note attached hereto as (Sub)Exhibit A, the Trustee shall notify the Remarketing Agent, the Bank and the City of the principal amount of Notes tendered and the date fixed for purchase.

(c) Prior to 11:00 A.M., New York City time, on each purchase date (whether optional or mandatory), the Remarketing Agent shall give telephonic or facsimile notice (promptly confirmed in writing) to the Bank, the City and the Trustee of the principal amount of such Notes remarketed, the names, addresses and taxpayer identification numbers of the purchasers and the denominations in which the Notes are to be issued to each purchaser. If less than all of the Notes to be tendered on such purchase date have been remarketed, the Remarketing Agent shall, in addition, notify the Trustee, the Bank and the City prior to 11:00 A.M., New York City time, on the purchase date, of the principal amount of Notes which have not been remarketed and the amount of accrued interest to be paid on such Notes on such purchase date. Purchasers of Notes which have been remarketed shall be required to deliver the purchase price thereof directly to the Remarketing Agent for delivery to the Trustee for deposit in the Purchase Fund not later than 11:00 A.M., New York City time, on the purchase date. By 12:00 Noon, New York City time, on the purchase date, the Trustee shall notify the Remarketing Agent, the City and the Bank of any Notes which have been remarketed and for which payment has not been received.

(d) By 12:30 P.M., New York City time, on the purchase date (whether optional or mandatory), the Trustee shall draw upon the Letter of Credit in an amount equal to the purchase price of: (i) any tendered Notes not remarketed; and (ii) any tendered Notes remarketed and for which payment has not been received.

(e) Any Note tendered for purchase after the date on which the Trustee has notified the Noteholders of a change in Interest Rate Determination Method in accordance with the provisions of Section 2.03 hereof shall not be remarketed unless the purchaser has been notified by the Trustee of the change in Interest Rate Determination Method. Any such notice shall contain the same provisions as the notice required of the Trustee pursuant to Section 2.03(d) of this Indenture. Any purchaser so notified must deliver a notice to the Trustee stating that such purchaser will tender his Notes for purchase on the effective date of the change in Interest Rate Determination Method, and agreeing not to resell the Notes before such date.

Section 3.05 Funds For Purchase Price Of Notes.

On the date Notes are to be purchased pursuant to the provisions of this Indenture, the Trustee shall deliver the purchase price to the tendering

Noteholder only from the funds listed below, in the order of priority indicated:

(a) the proceeds of the sale of such Notes which have been remarketed by the Remarketing Agent to any person other than the City and delivered to the Trustee by 11:00 A.M., New York City time, on the purchase date;

(b) moneys drawn under the Letter of Credit; and

(c) moneys deposited by the City with the Trustee pursuant to this Indenture.

Notes purchased with moneys described in Section 3.05(a) hereof shall be registered in the manner directed by the Remarketing Agent and delivered to the Remarketing Agent for redelivery to the purchasers thereof. Notes purchased with moneys described in Section 3.05(b) hereof shall be held by the Trustee, and registered by the Trustee in the name of the City indicating their status as Pledged Notes pursuant to Section 3.08 hereof. Section 3.07 Delivery Of Proceeds Of Sale Of Purchased Notes.

Except in the case of the sale of any Pledged Notes, the proceeds of the sale of any Notes, to the extent not required to pay the purchase price thereof, shall be paid to or upon the order of the City.

Section 3.08 Custody Account.

(a) There is hereby created by the City and ordered established with the Trustee a separate and segregated trust account to be designated the Custody Account.

(b) If any Note is purchased by the Trustee pursuant to Section 3.03 hereof with moneys drawn under the Letter of Credit pursuant to Section 3.05(b) hereof, that Note shall be delivered to and held by the Trustee, shall be registered in the name of the City (and shall thereafter constitute a Pledged Note until released as herein provided), shall be deposited in the Custody Account, and shall be released only upon receipt by the Trustee of (i) an

amount equal to the principal amount thereof plus accrued interest, if any, thereon to the date of purchase, and (ii) evidence from the Bank that the Letter of Credit will be reinstated in an amount sufficient to cover the principal of and interest on the Pledged Notes being released. The Remarketing Agent shall use its best efforts to remarket Pledged Notes. If the Remarketing Agent remarkets any Pledged Note, the Remarketing Agent shall give the notice described in the first sentence of Section 3.04(c) hereof, and shall direct the purchaser of such Pledged Note to transfer on the purchase date, the purchase price of such remarketed Pledged Note directly to the Remarketing Agent for delivery to the Trustee not later than 11:00 A.M., New York City time, on the purchase date. The Remarketing Agent shall deliver remarketed Pledged Notes to the purchasers thereof in accordance with Section 3.06 hereof.

(c) The proceeds of the remarketing of Pledged Notes or purchase of Pledged Notes by the City shall be deposited into the Custody Account and held by the Trustee for the account of, and in trust solely for, the Bank, shall not be commingled with any other moneys held by the Trustee, and shall be paid over immediately to the Bank.

(d) On each Interest Payment Date prior to the release of Pledged Notes held in the Custody Account, the Trustee shall apply moneys in the Note Fund to the payment of principal of and interest on such Pledged Notes, but shall not draw on the Letter of Credit or use moneys in the Letter of Credit Fund for such purpose to any extent whatsoever; and the Trustee shall receive for the account of the Bank the interest and principal paid in respect of such Pledged Notes held in the Custody Account, and immediately upon such receipt the Trustee shall pay such interest and principal over to the Bank; provided, however, that if at such time the Trustee has been notified in writing by the Bank that there shall not remain any amount due and owing to the Bank under the Reimbursement Agreement, such interest and principal payments shall be paid over to the City.

(e) If, on any date prior to the release of Pledged Notes held in the Custody Account, all Notes are called for redemption pursuant to Article IV hereof, or the Trustee declares an acceleration of the Notes pursuant to Section 7.01 hereof, Pledged Notes held in the Custody Account shall be deemed to have been paid, and shall thereupon be cancelled by the Trustee.

(f) It is recognized and agreed by the Trustee that while it holds Pledged Notes, such Pledged Notes are held by the Trustee for the benefit of the Bank as a first priority secured creditor.

Article IV.

Redemption And Purchase Of Notes By City.

Section 4.01 Redemption Of Notes Prior To Maturity.

The Notes shall be subject to redemption prior to maturity at a redemption price equal to one hundred percent (100%) of the principal amount thereof plus accrued interest, if any, to the date of redemption, as follows:

(a) Any Notes bearing interest at a Weekly Rate shall be subject to redemption prior to maturity at the option of the City on the first Business Day of any month.

(b) Any Notes bearing interest at a Short-Term Intermediate Rate or a Fixed Rate shall not be subject to optional redemption by the City.

(c) All Notes shall be subject to mandatory redemption by the City (i) in the event that the Trustee receives written notice from the Bank that the Letter of Credit in respect of such Notes will not be reinstated in accordance with the provisions of the Reimbursement Agreement and the Letter of Credit, or (ii) if the Trustee receives written notice from the Bank that an event of default has occurred under the Reimbursement Agreement. If notice of either of such events shall have been received by the Trustee, the Notes shall be called for mandatory redemption in accordance with the provisions of Section 4.03(b) hereof and the Trustee shall promptly notify the City and the Remarketing Agent that it has received such notice from the Bank.

[(d) The Notes shall be subject to mandatory redemption on the sixtieth (60th) day after the last date for payment without interest or penalty of the taxes levied by the City to pay the amounts appropriated for the funds referred to in Section 2.01 hereof. If such day is not a Business Day, such redemption shall occur on the first Business Day next prior to such day. The Comptroller shall give notice to the Bank and the Trustee of such redemption no less than forty-five (45) days prior to such redemption date.]

Section 4.02 Purchase Of Notes By City.

(a) The City, acting through the Comptroller, reserves the right to purchase for cancellation any Note tendered for purchase pursuant to Section 3.01 hereof or subject to mandatory tender pursuant to Section 3.02 hereof or to purchase any Note held to the credit of the Custody Account, upon notice to the Trustee, the Bank and the Remarketing Agent given by irrevocable telephonic or facsimile notice (promptly confirmed in writing) (i) in the case of the purchase of a Note tendered pursuant to Section 3.01 hereof or a Note held to the credit of the Custody Account, given not later than 2:00

P.M., New York City time, on the Business Day preceding such day of purchase and (ii) in the case of the purchase of a Note subject to mandatory tender pursuant to Section 3.02 hereof, given not later than 3:00 P.M., New York City time, on the second-to-last Business Day before the mandatory tender date for such Note (or the first Business Day of any Short-Term Intermediate Rate Period which is shorter than two Business Days for Notes subject to mandatory tender at the end of such Short-Term Intermediate Rate Period). Such notice from the Comptroller shall state the principal amount of Notes to be purchased and whether any of the Notes to be purchased are being purchased on a mandatory tender date pursuant to Section 3.02 hereof. Prior to the applicable date of notice set forth in the first sentence of this Section 4.02(a), the City shall deposit with the Trustee funds sufficient to purchase such Notes. Any Notes so purchased for cancellation shall be selected first, from Notes held to the credit of the Custody Account, second, from any Notes as such become available upon optional tender, and thereafter from any Notes as such become available upon mandatory tender pursuant to Section 3.02 hereof; provided, however, that if less than all of the Notes subject to mandatory tender pursuant to Section 3.02 hereof are to be purchased for cancellation, the Notes so purchased shall be selected by lot in such manner as the Trustee deems appropriate.

(b) Notwithstanding the provisions of Section 4.02(a), the City may buy, sell, own and hold any of the Notes for its own account; provided, however, that such Notes may be sold or remarketed only if the City and the Remarketing Agent have received an Opinion of
Bond Counsel that such sale or remarketing will not adversely affect the exclusion of interest on the Notes from the gross income of the Owners thereof for federal income tax purposes under the Code. No purchase of Notes by the City or use of any funds to effectuate any such purchase shall be deemed to be a payment or redemption of the Notes or of any portion thereof and such purchase shall not operate to extinguish or discharge the indebtedness evidenced by such Notes.

Section 4.03 Procedure For Redemption.

(a) In order to exercise its option to redeem the Notes prior to maturity pursuant to paragraph (a) of Section 4.01 hereof, the City shall notify the Trustee, the Bank and the Remarketing Agent no later than forty-five (45) days prior to the designated redemption date.

(b) Notice by Mail of the redemption of Notes prior to maturity pursuant to Section 4.01 hereof shall be given by the Trustee in the name of the City: (i) in the case of the redemption of Notes pursuant to paragraphs (a) or (d) of Section 4.01, not less than thirty (30) days nor more than sixty (60) days prior to the redemption date; (ii) in the case of the redemption of Notes pursuant to paragraph (c) of Section 4.01, not less than five (5) days nor more than ten (10) days after the receipt by the Trustee of a notice given by the

Bank pursuant to such paragraph. A copy of each such redemption notice shall be given to the City and the Bank.

(c) Each such redemption notice shall specify (i) the Notes to be redeemed by C.U.S.I.P. number; (ii) the redemption date (which shall be not more than fifteen (15) days after the date on which the Trustee receives notice from the Bank pursuant to paragraph (c) of Section 4.01 hereof); (iii) the place where amounts due upon such redemption will be payable (which shall be the Principal Office of the Trustee); (iv) if less than all the Notes are to be redeemed, specify the specific Notes to be redeemed, identified by number, and the principal amounts of such Notes to be redeemed; and (v) that on the redemption date, the Notes shall cease to bear interest. Such notice may set forth any additional information relating to such redemption as shall be deemed necessary or appropriate by the Trustee.

(d) Failure to give Notice by Mail of optional redemption as to any Notes to any Noteholder, or any defect therein, shall not affect the validity of any proceedings for the redemption of Notes in respect of which no failure or defect occurs. Failure to give Notice by Mail of the mandatory redemption of any Notes to any Noteholder, or any defect therein, shall not affect the validity of any proceedings for redemption of such Notes. Any notice mailed as provided in this paragraph shall be conclusively presumed to have been given, whether or not actually received by the addressee.

(e) When Notes are called for partial redemption as provided in paragraph (a) of Section 4.01 hereof, the specific Notes to be redeemed shall be selected by the Trustee in Authorized Denominations.

If it is determined that one or more, but not all, of the units of Authorized Denominations represented by any Note is to be called for redemption, then, upon notice of intention to redeem such unit or units, the Noteholder shall forthwith surrender such Note to the Trustee for (i) payment to such Noteholder of such unit of the redemption price of such Note called for redemption and (ii) delivery to such Noteholder of a new Note or Notes of the same series and in the aggregate principal amount of the unredeemed balance of the principal amount of such Note, without charge therefore.

If the Noteholder of any such Note of a denomination greater than the amount called for partial redemption shall fail to present such Note to the Trustee for payment and exchange as aforesaid, such Note shall, nevertheless, become due and payable on the date fixed for redemption to the extent of the applicable unit or units of principal amount called for redemption (and to that extent only).

(f) Any Notes, or portions thereof, which have been duly selected for redemption shall be deemed to be paid and shall cease to bear interest on the specified redemption date, if moneys sufficient to pay such Notes are held by the Trustee for the benefit of the Noteholders.

Section 4.04 No Partial Redemption Of Notes After Default.

Anything in this Indenture to the contrary notwithstanding, if there shall have occurred and be continuing an Event of Default defined in paragraphs (i), (ii) or (iii) of Section 7.01(a) hereof, there shall be no redemption of less than all of the Notes at the time Outstanding.

(c) Moneys on deposit in the Note Fund shall be applied by the Trustee to reimburse the Bank in accordance with the terms and provisions of the Reimbursement Agreement for amounts drawn under the Letter of Credit or, if the Bank shall have failed to honor a proper drawing under the Letter of Credit, directly to pay the principal of or interest on the Notes as the same become due.

(d) Pending the use of moneys held in the Note Fund, the Trustee shall invest such moneys in Permitted Investments upon the direction of the Comptroller, but subject to the requirements of the Reimbursement Agreement, if applicable. Income from such investments shall be credited to the Note Fund.

Section 5.02 The Letter Of Credit Fund.

(a) There is hereby created by the City and established with the Trustee a trust fund to be designated "City of Chicago General Obligation Tender Notes, Series 1995__ Letter of Credit Fund".

(b) The City shall cause to be deposited into the Letter of Credit Fund amounts drawn under the Letter of Credit with respect to the payment of principal of and interest on the Notes. Moneys on deposit in the Letter of Credit Fund shall not be commingled with any other moneys held by the Trustee.

(c) Moneys on deposit in the Letter of Credit Fund shall be applied by the Trustee to pay the principal of and interest on the Notes.

(d) Pending the use of moneys held in the Letter of Credit Fund, the Trustee shall invest such moneys upon the direction of the Comptroller in general obligations of, or obligations the principal of and interest on which are fully guaranteed as to timely payment by, the United States of America, which obligations shall mature not later than the date or dates on which such funds will be needed for the purposes for which such funds were deposited into the Letter of Credit Fund, and in any event, not later than thirty (30) days from the date of such investment. Income from such investments shall be credited to the Letter of Credit Fund.

Section 5.03 The Letter Of Credit.

(a) So long as any Notes are Outstanding under this Indenture, the City covenants and agrees to maintain the Letter of Credit for the benefit of the holders of the Notes. The Letter of Credit shall entitle the Trustee to draw up to (a) an amount sufficient (i) to pay the principal amount of the Notes, or (ii) to pay the purchase price or the portion of the purchase price equal to the principal amount of the Notes delivered to it for purchase, plus (b) an amount not less than sixty-four (64) days interest on the Notes (calculated at the rate of twelve percent (12%) per annum) (i) to pay interest on the Notes, or (ii) to pay the portion of the purchase price of the Notes delivered to it equal to the accrued interest, if any, on such Notes.

(b) The Letter of Credit shall be held by the Trustee in its capacity as Trustee under this Indenture. The Trustee shall not sell, assign or transfer the Letter of Credit except to a Successor Trustee designated in accordance with the terms and provisions hereof.

(c) The Trustee shall make drawings under the Letter of Credit in accordance with the terms thereof to make timely payments of the principal of and interest on the Notes (other than Pledged Notes) as the same become due whether upon maturity, redemption or acceleration. The Trustee shall also make drawings under the Letter of Credit to pay the purchase price of tendered Notes in accordance with Section 3.04(d) hereof.

(d) During any period when the Notes (or Sub-series, if applicable) bear interest at a Short-Term Intermediate Rate or a Fixed Rate, commencing on the date on which such Notes begin to bear interest at a Short-Term Intermediate Rate or a Fixed Rate, and on the first Business Day of each calendar month thereafter while such Notes bear interest at a Short-Term Intermediate Rate or a Fixed Rate, the Trustee shall draw under the Letter of Credit an amount sufficient to cause the amount on deposit in the Letter of Credit Fund on such day to equal (i) the accrued and unpaid interest on such Notes, plus (ii) the interest that would accrue on such Notes from such day to and including the first Business Day of the following month assuming such Notes remain Outstanding until such day, calculated (x) at the actual rate of interest on such Notes for any day interest is to accrue at a rate known on the day such draw is made, and (y) at the rate of twelve percent (12%) for any day interest is to accrue at a rate unknown on the date such draw is made. Notwithstanding the deposit of any such moneys under the Indenture and the reimbursement of the Bank for any such drawing under the Letter of Credit, the City shall have no right, title and interest in and to such moneys, which shall be held exclusively for the holders of the Notes in accordance with the provisions of this Indenture. In the event the City causes to be delivered to the Trustee an effective amendment or supplement to the Letter of Credit increasing the stated amount thereof to an amount sufficient to pay principal amount of the Notes plus ____ days interest with respect to Notes bearing interest at a Short-Term Intermediate Rate and two hundred fifteen (215) days interest with respect to Notes bearing interest at a Fixed Rate, and if so directed in writing by the City, the Trustee shall make drawings under the Letter of Credit in accordance with Paragraph (c) of this Section 5.03 rather than this Paragraph (d).

Section 5.04 Alternate Letter Of Credit.

(a) Upon not less than thirty (30) days written notice to the Trustee, the Remarketing Agent and the Bank, and the satisfaction of conditions specified in this Section 5.04, the City may deliver to the Trustee an Irrevocable Letter of Credit in substitution for the Letter of Credit then held by the Trustee. Upon receipt of notice from the City that it intends to deliver an Alternate Letter of Credit to the Trustee, the Trustee shall give Notice by Mail to Noteholders of the intended delivery of such Alternate Letter of Credit (which notice shall be given not less than fifteen (15) days prior to the proposed delivery date thereof).

(b) Any Alternate Letter of Credit shall be an Irrevocable Letter of Credit issued by one or more commercial banks having the same material terms and provisions as the Letter of Credit delivered upon the original issuance of the Notes.

(c) On or prior to the date of delivery of an Alternate Letter of Credit to the Trustee, there shall be delivered to the Trustee (i) written evidence from Moody's, if the Notes are rated by Moody's, and from S. & P., if the Notes are

rated by S. & P., in each case to the effect that such rating agency has reviewed the proposed Alternate Letter of Credit and that the substitution of the proposed Alternate Letter of Credit for the Letter of Credit will not, by itself, result in a reduction or withdrawal of its ratings on the Notes from those which then prevail, and (ii) an opinion of counsel to the issuer of the Alternate Letter of Credit to the effect that the Alternate Letter of Credit is a valid and binding obligation of the Bank issuing such Alternate Letter of Credit.

(d) An Alternate Letter of Credit may not be delivered while any of the Notes bear interest at a Short-Term Intermediate Rate unless the effective date of such Alternate Letter of Credit coincides with an Interest Payment Date for all Notes that bear interest at a Short-Term Intermediate Rate.

(e) Upon delivery of an Alternate Letter of Credit to the Trustee satisfying the requirements of this Section 5.04, the Trustee shall accept such Alternate Letter of Credit and concurrently surrender the existing Letter of Credit to the Bank for cancellation. If the existing Letter of Credit and the Alternate Letter of Credit are contemporaneously effective for any period, any draws made during such period shall be made under the Alternate Letter of Credit.

Section 5.05 Tax Levy To Reimburse Bank Or Pay Notes.

Unless the Comptroller shall certify to the Bank on or before [October 1, 1996], that sufficient funds are legally available and will be used to reimburse the Bank on [October 31, 1996], for drawings under the Letter of Credit to pay the principal or purchase price of and interest on the Notes, or to pay directly the principal or purchase price of and interest on the Notes, a tax levy ordinance shall be adopted by the City Council and a certified copy thereof filed with the County Clerks of Cook and DuPage Counties, Illinois, and a certified copy thereof mailed to the Bank, on or before the maturity date of the Notes, such ordinance to levy to the extent permitted under the Tax Limitation Ordinance (unless repealed or superseded) an amount sufficient to reimburse the Bank for such drawing or drawings on or before [October 31, 1997], or to pay the principal or purchase price of and interest on the Notes if the Bank shall have failed to honor a proper draw under the Letter of Credit. If such reimbursement obligation or payment of principal or purchase price of and interest on the Notes is thereafter paid from any other funds or revenues of the City prior to the extension date for such levy, the taxes so levied shall be abated.

[For the purpose of providing funds to reimburse the Bank for drawings under the Letter of Credit to pay the principal or purchase price of and interest on the Notes, or to pay the principal or purchase price of and interest on the Notes, the City has levied, pursuant to Section 7 of the Note Ordinance, a direct annual tax upon all taxable property in the City estimated to be sufficient for such purposes.

Unless the Comptroller shall certify to the Bank on or before October 1, 199__, that sufficient funds are legally available and will be used to reimburse the Bank on October 31, 199__ for drawings under the Letter of Credit to pay the principal or purchase price of and interest on the Notes, or to pay directly the principal or purchase price of and interest on the Notes, a tax levy ordinance shall be adopted by the City Council and a certified copy thereof filed with the County Clerks of Cook and DuPage Counties, Illinois, and a certified copy thereof mailed to the Bank, on or before the maturity date of the Notes, such ordinance to levy an amount sufficient to reimburse the Bank for such drawing or drawings on or before October 31, 199__, or to pay the principal or purchase price of and interest on the Notes if the Bank has failed to honor a proper draw under the Letter of Credit. If such reimbursement obligation or payment of principal or purchase price of and interest on the Notes is thereafter paid from any other funds or revenues of the City prior to the extension date for such levy, the taxes so levied shall be abated.]

The Comptroller is hereby ordered and directed to deposit the proceeds of any taxes so levied pursuant to this paragraph into the Note Fund in accordance with the terms of the Reimbursement Agreement.

Section 5.06 Insufficiency Of Taxes To Reimburse Bank.

In the event that proceeds of the taxes levied or to be levied hereunder are not available in time to make any payments when due under the Reimbursement Agreement, then the Comptroller is hereby directed to make such payments in accordance with the Reimbursement Agreement from any other moneys, revenues, receipts, income, assets or funds of the City that are legally available for that purpose in anticipation of the collection of the taxes.

Section 5.07 Notes Not Presented For Payment.

(a) In the event any Notes shall not be presented for payment when the principal thereof becomes due, either at maturity or at the date fixed for redemption thereof or otherwise, if moneys sufficient to pay such Notes are held by the Trustee for the benefit of the Noteholders, the Trustee shall segregate and hold such moneys in a trust account separate and apart from the other funds and accounts held hereunder, without liability for interest thereon, for the benefit of Noteholders who shall (except as provided in the following paragraph) thereafter be restricted exclusively to such fund or funds for the satisfaction of any claim of whatever nature on their part under this Indenture. Any such moneys shall be invested in conformity with the provisions of paragraph (d) of Section 5.02 hereof relating to moneys in the Letter of Credit Fund.

(b) Any moneys which the Trustee shall segregate and hold in trust for the payment of the principal or purchase price of or interest on any Note and which shall remain unclaimed for two (2) years after such principal or purchase price or interest has become due and payable shall, upon the City's, and, so long as the Reimbursement Agreement is in effect, the Bank's, written request to the Trustee, be paid to the City. After the payment of such unclaimed moneys to the City, the holder of such Note shall thereafter look only to the City for the payment thereof, unless an abandoned property law designates another person, and all liability of the Trustee and the Bank with respect to such moneys shall thereupon cease.

Article VI.

General Covenants Of City.

Section 6.01 Pledge Of Full Faith, Credit And Resources Of The City.

The Notes are direct and general obligations of the City for the payment of which the City hereby pledges its full faith, credit and resources except to the extent the City's authority to levy property taxes in any year is limited by the Tax Limitation Ordinance. The principal of and interest on the Notes shall be paid by the City as the same become due at the place, at the time and in the manner provided herein and in the Notes from any moneys, revenues, receipts, income, assets or funds of the City legally available for such purpose.

Section 6.02 Indenture To Constitute Contract.

Section 6.03 Performance Of Covenants.

The City shall faithfully perform at all times to the extent applicable to the City any and all covenants, undertakings, stipulations and provisions contained in this Indenture, in any and every Note executed, authenticated and delivered hereunder, in the Reimbursement Agreement, in each Letter of Credit Note and in the Remarketing Agreement, and in all proceedings pertaining thereto.

Section 6.04 Arbitrage And Tax Exemption Covenants.

(a) The City covenants for the benefit of the holders of the Notes that it will not act so as to cause the proceeds of the Notes, the earnings thereon and any other moneys on deposit in any fund or account maintained in respect of the Notes (whether such moneys were derived from the proceeds of the sale of the Notes or from other sources) to be used in a manner which would cause the Notes to be "arbitrage bonds" within the meaning of Section 148 of the Code or any comparable provision of any successor Internal Revenue Code of the United States of America.

(b) The City agrees to comply with all provisions of the Code, which if not complied with by the City, would adversely affect the tax-exempt status of the Notes. The City further agrees: (i) through its officers, to make such further specific covenants, representations as shall be truthful, and assurances as may be necessary or advisable; (ii) to comply with all covenants, representations and assurances contained in any certificate or agreement executed and delivered by the City in connection with the issuance of the Notes; (iii) to establish with the Trustee a Rebate Fund into which the City shall deposit amounts required to be rebated to the United States; (iv) to pay to the United States, as necessary, such sums of money representing required rebates of excess arbitrage profits relating to the Notes; (v) to file such forms, statements and supporting documents as may be required and in a timely manner; and (vi) if deemed necessary or advisable by its officers, to retain fiscal agents, financial advisors, attorneys and other persons to assist the City in such compliance.

(iv) a failure by the City to maintain the Letter of Credit as provided in this Indenture; or

(v) a failure by the City to observe and perform any covenant, condition, agreement or provision (other than as specified in clauses (i), (ii), (iii) or (iv) of this Section 7.01) contained in the Notes or in this Indenture on the part of the City to be observed or performed, which failure shall continue for a period of ninety (90) days after written notice, specifying such failure and requesting that it be remedied, shall have been given to the Trustee and the City by Noteholders owning not less than a majority in aggregate principal amount of Notes then Outstanding.

(Form Of Note -- Reverse Side)

1. Authorization. This Note is one of the duly authorized General Obligation Tender Notes, Series 1995__, of the City of Chicago (the "Notes"), issued under and pursuant to the City's powers as a home rule unit under Article VII of the Illinois Constitution of 1970, and a Trust Indenture, dated as of _____ 1, 1995, from the City to the Trustee (the "Indenture"), for the purpose of providing funds [to pay amounts appropriated for Corporate

Fund purposes for the year 1995] [to pay amounts appropriated for specific purposes by the City for the year 1995] [to finance the acquisition of certain capital equipment by the City].

2. Definitions. Any term used herein but not defined herein shall be defined as in the Indenture.

3. Source of Payments. The City has caused to be delivered to the Trustee an irrevocable letter of credit (the "Letter of Credit") of _____, acting through its _____ Branch (the "Bank"), in its capacity as issuer of the Letter of Credit, its successors in such capacity and its assigns, which Letter of Credit will expire by its terms not earlier than the maturity date of the Notes. The Trustee shall be entitled under the Letter of Credit to draw up to (a) an amount sufficient (i) to pay the principal of the Notes, or (ii) to enable the Trustee to pay the purchase price or the portion of the purchase price equal to the principal amount of the Notes delivered to it for purchase, plus (b) an amount sufficient to pay accrued interest on the Outstanding Notes (i) to pay interest on the Notes or (ii) to enable the Trustee to pay the portion of the purchase price of the Notes delivered to it equal to the accrued interest, if any, on such Notes. The City may, upon the condition specified in the Indenture, provide for the delivery to the Trustee of an Alternate Letter of Credit.

This Note, and the issue of which it is a part, shall be direct and general obligations of the City for the payment of which, both principal and interest, the City pledges its full faith, credit and resources except to the extent the City's authority to levy property taxes in any year is limited by the Tax Limitation Ordinance (as defined in the Indenture), and each such Note shall be payable from any moneys, revenues, receipts, income, assets or funds of the City legally available for such purpose.

4. Interest Rate. Interest on the Notes will be paid at a Weekly Rate, a Short-Term Intermediate Rate or a Fixed Rate as determined by the City in accordance with the provisions of the Indenture. The City, acting through its Comptroller, or in certain cases, the Remarketing Agent, may change the Interest Rate Determination Method from time to time, which will result in a mandatory tender for purchase of the Notes (see "Tenders" below). Distinct portions of the aggregate principal amount of the Notes (a "Sub-series") may bear interest at a Weekly Rate, a Short-Term Intermediate Rate or a Fixed Rate and one or more other distinct portions of the aggregate principal amount of the Notes may bear interest at a different Short-Term Rate or a Fixed Rate, and, in addition, distinct Sub-series of the Notes bearing interest at a Short-Term Intermediate Rate may bear interest at distinct Short-Term Intermediate Rates for distinct Short-Term Intermediate Rate Periods, all as set forth in the Indenture.

When interest is payable at a Weekly Rate or Short-Term Intermediate Rate it will be computed on the basis of the actual number of days elapsed

over a year of 365 or 366 days, as applicable, and when payable at a Fixed Rate, on the basis of a 360-day year of twelve 30-day months.

5. Interest Payment and Record Dates. Interest will accrue on the unpaid portion of the principal of this Note from the last date to which interest has been paid, or if no interest has been paid, from the date of the original issuance of the Notes until the entire principal amount of this Note is paid. When Interest is payable at the rate in the first column below, interest accrued during the period (an "Interest Period") set forth in the second column will be paid on the date (an "Interest Payment Date") set forth in the third column to Noteholders of record on the date (a "Record Date") set forth in the fourth column:

Rate	Interest Period	Interest Payment Date	Record Date
Weekly	From any Interest Payment Date or the first day on which the Notes (or Sub-series, if applicable) bear interest at a Weekly Rate through the day preceding the next Interest Payment Date	First Business Day of each month and at maturity	Last Business Day before the Interest Payment Date
Short-Term Intermediate	From 1 to ____ days as determined for the Notes (or Sub-series, if applicable) pursuant to the Indenture("Short-Term Intermediate-Rate Period")	First Business Day immediately following the applicable Short-Term Intermediate Rate Period and at maturity	Last Business Day before the Interest Payment Date
Fixed	From any Interest Payment Date or the first day on which the Notes (or Sub-series, if applicable) bear interest at a Fixed Rate through each succeeding April 29 or October 30	The day following the end of the Interest Period	The fifteenth day of April or October preceding the Interest Payment Date

The term "Business Day" is defined in the Indenture.

6. Method of Payment. Noteholders must surrender Notes to the Trustee to collect principal or the redemption price (see "Tenders" below). All payments of interest on the Notes shall be paid by the Trustee to Noteholders of record as shown on the registration books kept by the Trustee on the applicable Record Date. Such interest shall be paid on the Interest Payment Date or special interest payment date, as applicable, in immediately available funds pursuant to instructions given in accordance with the provisions of the Indenture, or if no instructions are given as aforesaid, by clearinghouse funds check or draft mailed on the Interest Payment Date to the persons entitled thereto at such address appearing on the registration books of the Trustee or at such other address as has been furnished to the Trustee in writing by such person. Principal and interest will be paid in money of the United States that at the time of payment is legal tender for payment of public and private debts. If any payment on the Notes is due on a day other than a Business Day, it will be made on the next Business Day, and no interest will accrue as a result.

7. Tenders. "Tender" means to require, or the act of requiring, the purchase of a Note under the provisions of this paragraph 7 at one hundred percent (100%) of the principal amount thereof plus accrued interest, if any, to the date of purchase.

(a) Optional Weekly Rate Tender. When interest on the Notes (or Subseries, if applicable) is payable at a Weekly Rate, a holder of a Note may tender the Note or portion thereof, provided that such portion is in an Authorized Denomination, by delivering:

(i) an irrevocable written notice to the Trustee and the Remarketing Agent (see addresses below) by 4:00 P.M., New York City time, on a Business Day, stating the principal amount of the Note and the purchase date (which must be a Business Day not less than seven (7) days following the date of such notice); and

(ii) the Note to the Trustee (address below) by 12:00 Noon, New York City time, on the date of purchase (see additional requirements below), or while the Notes are in book-entry form, other delivery arrangements satisfactory to the Trustee shall have been made.

Notes Not So Tendered On The Applicable Optional Tender Date Pursuant To Paragraph (a) Above Shall Be Deemed Tendered By The Noteholder Thereof As Of Such Date And The Notes Shall Thereafter Cease To Bear Interest Provided Funds For The Payment Of The Purchase Price Of Such Notes Have Been Deposited With The Trustee.

(b) Mandatory Tenders. The Notes (or Sub-series, if applicable) are required to be tendered to the Trustee for purchase at a purchase price equal to one hundred percent (100%) of the principal amount thereof plus accrued interest, if any, to the date of purchase under the circumstances described below. By Acceptance Of This Note, The Registered Owner Agrees To Tender This Note For Purchase Under The Circumstances Described Below. Notes Not So Tendered On The Applicable Mandatory Tender Date Shall Be Deemed Tendered By The Noteholders Thereof As Of Such Date And The Notes Shall Thereafter Cease To Bear Interest Provided Funds For The Payment Of The Purchase Price Of Such Notes Have Been Deposited With The Trustee.

(i) Mandatory Tender on each Interest Payment Date During Short-Term Intermediate Rate Period. When the Notes (or Sub-series, if applicable) bear interest at a Short-Term Intermediate Rate, such Notes shall be subject to mandatory tender as provided above on the Interest Payment Date for such Notes. If Notes are also subject to mandatory tender under paragraph (ii), below, the mandatory tender will be governed by that paragraph and not this paragraph.

(ii) Mandatory Tender Upon a Change in the Interest Rate Determination Method for the Notes. On the effective date of a change in the Interest Rate Determination Method for the Notes (or Sub-series, if applicable) such Notes are subject to mandatory tender as provided above on the effective date of such change.

(c) Payment of Purchase Price. The purchase price for a Note tendered for purchase will be paid in immediately available funds by the close of business on the date of purchase. In order to receive such purchase price, the Note must conform in all respects to the description contained in the applicable notice delivered by the Noteholder pursuant to paragraph 7(a)(i) above, and must be physically delivered to the Trustee properly endorsed for transfer, or while the Notes are in book-entry form, other delivery arrangements satisfactory to the Trustee shall have been made. Any Note delivered to the Trustee must be accompanied by an instrument of transfer executed in blank by the Noteholder with the signature of such Noteholder guaranteed by a bank, trust company or member firm of The New York Stock Exchange, Inc.. The Trustee may refuse to accept tender of a Note delivered to the Trustee if a proper instrument of transfer is not provided.

(d) Delivery Addresses; Additional Delivery Requirements. Notices in respect of tenders and Notes tendered must be delivered as follows:

Notices To
Remarketing Agent: _____

_____

_____

Attention: Short-Term Desk

Notes (if applicable) And
Notices To Trustee: _____

_____

_____

Attention: Corporate Trust
Department

These addresses may be changed by notice mailed by first class mail to the Noteholders at their addresses shown in the registration books maintained by the Trustee.

(e) Effect of Redemption or Mandatory Tender. Notes optionally tendered for purchase on a date after a call for redemption but before the redemption date, and Notes optionally tendered for purchase before a mandatory tender date, shall be purchased pursuant to the optional tender.

8. Redemption of Notes Prior to Maturity. All redemptions will be made at a redemption price equal to one hundred percent (100%) of the principal amount of the Notes being redeemed plus interest, if any, accrued to the redemption date, as follows:

(a) Optional Redemption. When interest on the Notes (or Sub-series, if applicable) is payable at a Weekly Rate, such Notes may be redeemed in whole or in part at the option of the City on the first Business Day of any month. The Notes (or Sub-series, if applicable) are not subject to optional redemption during any Short-Term Intermediate Rate Period or any Fixed Rate Period.

(b) Mandatory Redemption for Failure to Reinstate the Letter of Credit Upon an Event of Default Under the Reimbursement Agreement [Or Not More Than Sixty (60) Days Following the Last Date for Payment of Taxes]. All Notes shall be subject to mandatory redemption by the City (i) in the event that the Trustee receives notice from the Bank that the Letter of Credit in respect of the Notes will not be reinstated in accordance with the provisions of the Reimbursement Agreement and the Letter of Credit,

(ii) in the event the Trustee receives notice from the Bank that an Event of Default has occurred under the Reimbursement Agreement [or (iii) not more than sixty (60) days following the last date for payment without interest or penalty of the taxes levied to pay the amounts appropriated for the funds to which the proceeds of the Notes were deposited].

(c) Notice of Redemption. Notice of the redemption of Notes shall be given by the Trustee by first class mail to each Noteholder at his or her address shown on the registration books of the Trustee: (i) in the case of the redemption of Notes pursuant to paragraph 8(a) hereof and clause (iii) of paragraph 8(b) hereof, not less than thirty (30) days nor more than sixty (60) days prior to the redemption date, and (ii) in the case of the redemption of Notes pursuant to clause (i) or (ii) of paragraph 8(b) hereof, not less than five (5) days nor more than ten (10) days after the receipt by the Trustee of the notice from the Bank described in clause (i) or (ii) of paragraph 8(b) hereof. Failure to give any required notice of optional redemption as to any Notes or any defect therein shall not affect the validity of the call for redemption of any Notes in respect of which no failure or defect occurs. Failure to give any required notice by mail of mandatory redemption of any Notes or any defect therein shall not affect the validity of the call for redemption of such Notes. Any notice mailed as provided in this paragraph will be conclusively presumed to have been given whether or not actually received by the addressee.

(d) Effect of Notice of Redemption. When notice of redemption is given as required, Notes (or portions thereof) called for redemption shall become due and payable on the redemption date at the applicable redemption price; provided that funds are deposited with the Trustee sufficient for such redemption, interest on the Notes (or portions thereof) to be redeemed shall cease to accrue as of the date of redemption.

9. Denominations; Transfer; Exchange. The Notes are issuable in fully registered form in Authorized Denominations. A holder may transfer or exchange Notes in accordance with the Indenture. The Trustee may exchange Notes in accordance with the Indenture. The Trustee may require a Noteholder, among other things, to furnish appropriate endorsements and transfer documents and to pay any taxes and fees required by law or permitted by the Indenture. The Notes may be exchanged for other Notes at the principal office of the Trustee upon the terms set forth in the Indenture.

10. Persons Deemed Owners. The registered Noteholder of this Note shall be treated as the Owner of this Note for all purposes.

11. Unclaimed Money. If moneys for the payment of principal, interest or purchase price remain unclaimed for two (2) years, the Trustee will, upon the request of the City and with the consent of the Bank, pay such moneys to or for the account of the City. Thereafter, Noteholders entitled to such

moneys must look only to the City and not to the Trustee or the Bank for payment.

12. Amendment and Supplement, Waiver. Subject to certain exceptions, the Indenture may be amended or supplemented, with the consent of the holders of sixty percent (60%) in aggregate principal amount of the Notes. Without the consent of any Noteholder, the City and the Trustee may enter into amendments or supplements to the Indenture as provided in the Indenture to, among other purposes, cure any ambiguity, omission, formal defect or inconsistency, or to make any change that does not materially adversely affect the rights of any Noteholder.

13. Defaults and Remedies. The Indenture provides that the occurrences of certain events constitute Events of Default. If certain Events of Default occur, the Trustee may, and at the written request of a majority in aggregate principal amount of the Notes shall, declare the principal of all the Notes to be due and payable immediately. An Event of Default and its consequences may be waived as provided in the Indenture. Noteholders may not enforce the Indenture or the Notes except as provided in the Indenture. The Trustee may refuse to enforce the Indenture or the Notes unless it receives indemnity satisfactory to it. Subject to certain limitations, holders of a majority in aggregate principal amount of the Notes may direct the Trustee in its exercise of any trust or power.

14. No Recourse Against Others. No member, official, officer, agent or employee, as such, of the City shall have any liability for any obligations of the City under the Notes or the Indenture or for any claim based on such obligations or their creation. Each Noteholder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for the issue of the Notes.

15. Authentication. This Note shall not be valid until the Trustee executes the certificate of authentication on this Note.

16. Abbreviations. Customary abbreviations may be used in the name of a Noteholder or an assignee, such as Ten. Com. (= tenants in common), Ten. Ent. (= tenants by the entireties), Jt. Ten. Action Deferred -- AUTHORIZATION FOR ISSUANCE OF CITY OF CHICAGO GENERAL OBLIGATION BONDS, PROJECT SERIES 1995.

The Committee on Finance submitted the following report which was, on motion of Alderman Steele, Alderman Shaw and Alderman Evans, *Deferred* and ordered published:

CHICAGO, December 21, 1994.

To the President and Members of the City Council:

Your Committee on Finance, having had under consideration an ordinance authorizing the issuance of City of Chicago General Obligation Bonds, Project Series 1995, in an amount not to exceed $160,000,000, having had the same under advisement, begs leave to report and recommend that Your Honorable Body pass the proposed ordinance transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee.

Respectfully submitted,

(Signed) EDWARD M. BURKE,
Chairman.

The following is said proposed ordinance transmitted with the foregoing committee report:

WHEREAS, The City of Chicago (the "City") is a body politic and corporate under the laws of the State of Illinois and a home rule unit of local government under Article VII of the Illinois Constitution of 1970; and

WHEREAS, It is necessary and in the best interests of the City to undertake a Neighborhood Public Safety and Infrastructure Program as described in Exhibit A to this ordinance; and

WHEREAS, It is deemed to be necessary, essential and in the best interest of the inhabitants of the City and necessary for the welfare of the government and affairs of the City to finance the Neighborhood Public Safety and Infrastructure Program; and

WHEREAS, The City determines that it is necessary and advisable to authorize the borrowing of not to exceed $160,000,000 for the purposes of (i) paying costs of the Neighborhood Pubic Safety and Infrastructure Program; (ii) capitalizing certain interest on the Bonds (as defined below); and (iii) paying the expenses of issuance of those Bonds. In evidence of the City's obligation to repay that borrowing it is necessary and advisable for the City to issue its General Obligation Tender Bonds, Project Series 1995 (the "Bonds") in an original principal amount of not to exceed $160,000,000 plus the amount to any net original issue discount, such borrowing being for a proper public purpose and in the public interest, and the City, by virtue of its constitutional home rule powers and all applicable laws, having the power to issue those Bonds; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Findings. The City Council, after a public meeting held on this ordinance by the Committee on Finance of the City Council, pursuant to proper notice, and in accordance with the findings and recommendations of such committee, adopts the recitals contained in the preambles to this ordinance as legislative findings and incorporates them into this ordinance by this reference.

SECTION 2. Borrowing. There shall be borrowed on the credit of and for and on behalf of the City the sum of not to exceed $160,000,000, plus the amount of any net original issue discount on the Bonds, for the purposes set forth in the fourth "Whereas" clause of this ordinance. The Bonds shall be issued in that amount, or such lesser amount, as may be determined by the City Comptroller. The amounts received upon the sale of the Bonds, and interest and other investment earnings on those amounts, are appropriated for those purposes.

SECTION 3. Bond Provisions. The Bonds shall be dated, bear interest at such rate or rates, not to exceed 12 percent per annum, mature, be subject to payment, redemption and purchase, be of the form and authorized denominations and be secured as provided in the form of Trust Indenture included as Exhibit B to this ordinance (the "Indenture"). Terms defined in the Indenture shall, for all purposes of this ordinance, have the meanings therein specified, unless the context clearly requires otherwise.

The Bonds shall become due and payable on or before January 1, 2025, as determined by the City Comptroller as provided in this ordinance. The aggregate principal amount of the Bonds (after taking into account prior required mandatory redemption of such Bonds) and the interest to accrue thereon (calculated at an assumed rate of seven percent per annum), shall not exceed the applicable amount levied therefor in Section 5 hereof.

Each of the Bonds shall be designated "General Obligation Tender Bond, Project Series 1995", with such additions or modifications as shall be determined to be necessary by the City Comptroller at the time of the sale of such Bonds to reflect any authorized features of the Bonds determined by the City Comptroller as desirable to be reflected in the title of the Bonds.

The seal of the City or a facsimile of the seal shall be affixed to each of the Bonds, and the Bonds shall be executed by the manual or facsimile signatures of the Mayor and the City Comptroller and attested by the manual or facsimile signature of the City Clerk, and in case any officer whose signature shall appear on any Bond shall cease to be such officer before the delivery of such Bond, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery. The use of such facsimile signature to execute the Bonds is authorized by this ordinance, and such facsimile signatures are hereby adopted as the respective manual signatures of such officers, without further action on the part of such officers.

SECTION 4. General Obligation. Each Bond shall be a direct and general obligation of the City for the payment of which (as to principal, purchase price, interest and redemption premium, if any, as appropriate) the City pledges its full faith, credit and resources except to the extent that the City's authority to levy property taxes in any year is limited by the Chicago Property Tax Limitation Ordinance adopted by the City Council of the City

on March 8, 1993 (the "Tax Limitation Ordinance"). Each Bond shall be payable (as to principal, purchase price, interest and redemption premium, if any, as appropriate) from any moneys, revenues, receipts, income, assets or funds of the City legally available for such purpose, including but not limited to the proceeds of the taxes levied in Section 5.

SECTION 5. Tax Levy. For the purpose of providing funds required to (i) reimburse any provider or providers of a Credit Facility (as described in Section 8) for any unpaid drawing or advance under a Credit Facility issued by such provider or providers to pay the principal or purchase price of and interest on the Bonds or (ii) pay principal or purchase price of and interest on the Bonds promptly as the same become due, and, in addition, to pay Credit Facility fees, remarketing agent fees, costs of issuance, bond insurance premiums, if any, and other administrative expenses relating to the Bonds, there are levied for the following years the following direct annual taxes upon all taxable property in the City:

No taxes are levied to pay interest on the Bonds through July 1, 1996, which interest is to be paid from proceeds of the Bonds or other amounts set aside by the City for that purpose.

SECTION 6. Appropriation. The City shall include in its annual appropriation ordinances for each year in which any of the Bonds are outstanding amounts sufficient to pay the principal of and interest on the Bonds. This ordinance irrevocably appropriates, as a continuing appropriation, amounts for each such year to the extent amounts sufficient so to pay principal of and interest on the Bonds are not so included in the annual appropriation ordinance.

SECTION 7. Tax Collection. A copy of this ordinance, duly certified by the City Clerk, shall be filed in the respective offices of the County Clerks of Cook and DuPage Counties, Illinois, and that filing shall constitute the authority for and it shall be the duty of those County Clerks, in each year beginning in 1996, to and including 2024, to extend the taxes levied pursuant to Section 5 for collection, such taxes to be in addition to and in excess of all other taxes previously or subsequently authorized to be levied by the City, and such taxes levied by this ordinance shall be extended for collection without limitation as to rate or amount, to the extent permitted under the Tax Limitation Ordinance.

SECTION 8. Sale of Bonds. Subject to the limitations set forth in this section, the City Comptroller is authorized to sell all or any portion of the Bonds from time to time, with the concurrence of the Chairman of the Committee on Finance of the City Council, on such terms as the City Comptroller may deem to be in the best interests of the City. Portions of the Bonds may be sold at one or more times. For the purpose of securing the Bonds, the form of the Indenture included as Exhibit B hereto is hereby approved. The Mayor or the City Comptroller is hereby authorized to execute and deliver the Indenture with respect to the Bonds, under the seal of the City affixed and attested by the City Clerk, in substantially the same form presented to this meeting and included as Exhibit B to this ordinance, but with such revisions in text as the Mayor or the City Comptroller shall determine are necessary or desirable in connection with the sale of the Bonds, including any changes necessary to reflect the terms and provisions of any Credit Facility (as described below), the execution by the Mayor or the City Comptroller of the Indenture to evidence this City Council's approval of all such revisions. An executed copy of the Indenture shall be attached to the notification of sale filed with the City Clerk pursuant to this section.

The Mayor or the City Comptroller is hereby authorized to enter into a remarketing agreement pertaining to the remarketing of the Bonds with a remarketing agent to be designated therein. Any remarketing agreement shall be in substantially the form of the remarketing agreements previously entered into by the City in connection with the sale of adjustable rate general obligation bonds or notes, but with such revisions in text as the Mayor or the City Comptroller shall determine are necessary or desirable, the execution thereof by the Mayor or the City Comptroller to evidence this City Council's approval of all such revisions. The annual fee paid to any remarketing agent shall not exceed one-quarter of one percent of the average principal amount of the Bonds outstanding during such annual period. Upon the conversion of any Bonds to bear interest at a fixed rate, the remarketing agent's fee shall not exceed one percent of the principal amount of the Bonds being remarketed as fixed rate Bonds. The final form of the remarketing agreement entered into by the City with respect to the Bonds shall be attached to the notification of sale filed with the City Clerk pursuant to this section.

The Mayor or the City Comptroller is hereby authorized to obtain a letter of credit, line of credit or similar credit facility (each herein called a "Credit Facility") with one or more financial institutions with respect to the Bonds. The Mayor or the City Comptroller is hereby authorized to enter into a reimbursement agreement and to execute and issue a promissory note in connection with the provision of each Credit Facility. Any Credit Facility and any reimbursement agreement shall be in substantially the form of the credit facilities and reimbursement agreements previously entered into by the City in connection with the sale of adjustable rate general obligation bonds or notes, but with such revisions in text as the Mayor or the City Comptroller shall determine are necessary or desirable, the execution thereof by the Mayor or the City Comptroller to evidence this City Council's approval of all such revisions. The annual fee paid to any financial institution that provides a Credit Facility shall not exceed three-quarters of one percent of the average principal amount of such Bonds outstanding during such annual period. The final form of the reimbursement agreement entered into by the City with respect to the Bonds shall be attached to the notification of sale filed with the City Clerk pursuant to this section. Each such promissory note shall be a general obligation of the City for the payment of which, both principal and interest, the City pledges its full faith, credit and resources, except to the extent that the City's authority to levy property taxes in any year is limited by the Tax Limitation Ordinance. Each such promissory note shall bear interest at a rate not exceeding 15 percent per annum. The Mayor or the City Comptroller is hereby authorized to execute and deliver each such reimbursement agreement, under the seal of the City affixed and attached by the City Clerk or the Deputy City Clerk.

Under the circumstances and upon the terms and conditions set forth in the Indenture as executed and delivered by the City in connection with the issuance and sale of the Bonds, including upon the original issuance of the Bonds, the City Comptroller is hereby authorized to determine that the Bonds shall bear interest at a fixed rate. If subsequent to the original issuance of the Bonds the interest rate on any Bonds is converted to a fixed rate, the City Comptroller shall file in the Office of the City Clerk a notification of conversion directed to the City Council setting forth the determinations made by the City Comptroller pursuant to this section.

In connection with the sale of the Bonds, the City Comptroller shall make the following determinations: (a) the original principal amount (which, together with all Bonds previously issued by the City pursuant to this ordinance, shall not exceed the applicable amount set forth in Section 2), (b) the aggregate principal amount of Bonds maturing or subject to mandatory redemption in each year (subject to the limitations set forth in Section 3), (c) the initial interest rate determination method or methods for the Bonds and the initial interest rates determined within each such interest rate determination method (subject to the applicable maximum interest rate set forth in Section 3), (d) whether the Bonds will be issued in book-entry or certificated form and the name of the book-entry depository, (e) the redemption provisions applicable to the Bonds, (f) the sale price of the Bonds

(not less than 98 percent of the original principal amount thereto less any net original issue discount), (g) whether the Bonds will be insured, the name of the bond insurer providing such insurance and any additional covenants with the bond insurer, (h) the underwriters of the Bonds in addition to their representative named in this ordinance, (i) the appointment of the Trustee under the Indenture, (j) the name of the Remarketing Agent and the annual fee to be paid to the Remarketing Agent, (k) the identity of the provider or providers of the Credit Facility and the annual fee to be paid to such provider or providers, and (l) the rate of interest to be paid on the letter of credit note to be issued to the provider or providers of such Credit Facility.

Subsequent to each such sale, the City Comptroller shall file in the Office of the City Clerk a notification of sale directed to the City Council setting forth each of the determinations made by the City Comptroller pursuant to this section, and the Bonds so sold shall be duly prepared and executed in the form and manner provided in this ordinance and in the Indenture.

The City Comptroller is authorized to execute and deliver a contract of purchase with respect to each sale of all or a portion of the Bonds. Each contract of purchase shall be in substantially the form previously used for general obligation financings of the City with appropriate revisions to reflect the terms and provisions of the Bonds. First Chicago Capital Markets, Inc. is appointed as the representative with respect to the initial Bonds issued pursuant to this ordinance.

In connection with any sale of the Bonds, the City Comptroller is authorized to obtain a policy of bond insurance from such recognized bond insurer as the City Comptroller shall determine, if the City Comptroller determines such bond insurance to be desirable in connection with such sale of the Bonds. The City Comptroller may, on behalf of the City, make covenants with the bond insurer consistent with this ordinance.

If the Bonds are sold so as to require the levy of taxes in any year less than the amount specified in Section 5, then the City Comptroller shall include, in the notification of sale for the sale of the final Bonds, the amount of any reduction in the amount levied in Section 5 for that year and any succeeding year resulting from the sale of Bonds with lesser maturities (after taking into account mandatory redemptions) or lesser payments of interest and the City Comptroller shall file in the respective offices of the County Clerk of DuPage and Cook Counties certificates of tax abatement for such years. Any certificate of abatement delivered pursuant to this paragraph shall refer to the amount of taxes levied pursuant to Section 5, shall indicate the amount of reduction in the amount of taxes levied by the City resulting from the sale of the Bonds, which reduced amount if to be abated from such taxes, and shall further indicate the remainder of such taxes which is to be extended for collection by those County Clerks.

The preparation, use and distribution of a preliminary official statement relating to each sale and issuance of the Bonds is approved. The City

Comptroller is authorized to execute and deliver an official statement relating to each sale and issuance of the Bonds on behalf of the City. The preliminary official statement and official statement authorized by this ordinance shall be in substantially the forms previously used for general obligation financings of the City with appropriate revisions to reflect the terms and provisions of the Bonds and to describe accurately the current financial condition of the City and the parties to the financing.

The Mayor, the City Comptroller, the City Clerk and the Deputy City Clerk are authorized to execute and deliver such other documents and perform such other acts as may be necessary or desirable in connection with the Bonds, including, but not limited to, the exercise following the delivery date of the Bonds of any power or authority delegated to such official under this ordinance with respect to the Bonds upon original issuance, but subject to any limitations on or restrictions of such power or authority as set forth in this ordinance.

SECTION 9. Use of Proceeds. The proceeds from the sale of the Bonds shall be used as follows:

(a) Any accrued interest received from each sale shall be used to pay the first interest becoming due on the Bonds.

(b) From the sale proceeds derived from time to time of the Bonds, (i) such sum as may be determined by the City Comptroller to be necessary to pay not more than four years of interest on the Bonds may be used to pay such interest, and (ii) the sum determined by the City Comptroller to be necessary to pay costs of the Neighborhood Public Safety and Infrastructure Program shall be deposited to the credit of the Project Fund created and established pursuant to Section 10 or otherwise shall be held by the City Comptroller on behalf of the City for paying those costs.

(c) From the sale proceeds of the Bonds not applied as provided in paragraphs (a) and (b) above, the amount deemed necessary by the City Comptroller shall be applied to the payment of the costs of issuance of the Bonds and related administrative costs, including fees related to any Credit Facility or the premium for any bond insurance and any unexpended portion of the sale proceeds shall be paid to the City.

SECTION 10. Project Fund. The City may establish a special depositary account, separate and segregated from all other funds and accounts of the City (the "Project Fund"), to be maintained with the Trustee or with a bank or trust company to be designated by the City Comptroller into which there shall be deposited the proceeds of the Bonds described in clause (ii) of paragraph (b) of Section 9. Money on deposit in the Project Fund shall be withdrawn upon requisition of the City Comptroller or his or her designee appointed in writing specifying the purpose for which such requisition is

being made. Money held in the Project Fund shall be invested at the direction of the City Comptroller. Income from investments of amounts received upon the sale of the Bonds shall be credited to the Project Fund, if created, unless otherwise directed by the City Comptroller, and is appropriated for the purposes for which the Bonds are issued.

SECTION 11. Tax Covenant. The covenants and agreements of the City set forth in this section shall apply as long as any of the Bonds continue to bear interest and shall also apply after the Bonds cease to bear interest within such subsequent period as shall be required for the City to comply with the covenants of this section. The City Comptroller may execute an agreement in the name of and on behalf of the City to ensure compliance with the requirements of this section.

(a) The City (i) will take all actions which are necessary to be taken (and avoid taking any action which is necessary to avoid being taken) so that interest on the Bonds will not be or become subject to federal income taxation under present law, and (ii) will take all actions reasonably within its power to take which are necessary to be taken (and avoid taking any action which is reasonably within its power to avoid taking and which is necessary to avoid) so that interest on the Bonds will not be or become includible in gross income for federal income tax purposes under the federal income tax laws as in effect from time to time.

(b) The City will, without limitation (i) restrict the yield on investments of amounts received upon the sale of the Bonds and other amounts, and (ii) timely rebate to the United States of America certain amounts which may be received as interest or other investment earnings on amounts received upon the sale of the Bonds or to be used to p[illegible] debt service on the Bonds, all as shall be necessary to comply with this section. The City shall also make or cause to be made identifiable investments of amount allocable to the Bonds as shall be necessary or appropriate in order to be able to ascertain the amounts which may be required so to be rebated to the United states of America. The City shall from time to time determine the amounts so to be rebated and those amounts from time to time shall be rebated to the United States of America in the amounts and at the times as required.

SECTION 12. Defeasance.

(a) The Bonds shall be subject to defeasance as provided in the Indenture.

(b) Nothing in this ordinance shall prohibit a defeasance deposit of escrow securities as provided in the Indenture, from being subject to a subsequent sale of such escrow securities and reinvestment of all or a portion of the proceeds of that sale in escrow securities which, together with money to remain so held in trust, shall be sufficient to provide for payment of

principal, redemption premium, if any, and interest on any defeased Bonds as provided in and subject to the conditions set forth in the Indenture. Amounts held by the Trustee or an escrow trustee in excess of the amounts needed so to provide for payment of the defeased Bonds may be subject to withdrawal by the City. The Mayor or the City Comptroller is hereby authorized to execute and deliver from time to time one or more agreements with counterparties selected by the City Comptroller, with respect to the investment and use of such excess amounts held by the Trustee or escrow trustee.

SECTION 13. Authorized Officers. This ordinance is adopted in accordance with the powers of the City as a home rule unit of local government under Article VII of the Illinois Constitution of 1970. The appropriate officers of the City are authorized to take such actions and do such things as shall be necessary to perform, carry out, give effect to and consummate the transactions contemplated by this ordinance and the Bonds, including, but not limited to, the exercise following the delivery date of any of the Bonds of any power or authority delegated to such official of the City under this ordinance with respect to the Bonds upon the initial issuance thereof, but subject to any limitations on or restrictions of such power or authority as herein set forth.

SECTION 14. Bond Contract. The provisions of this ordinance shall constitute a contract between the City and the registered owners of the Bonds. Any pledge made in this ordinance and the provisions, covenants and agreements set forth in this ordinance to be performed by or on behalf of the City shall be for the equal benefit, protection and security of such registered owners except as expressly provided in this ordinance or the Indenture. All of the Bonds, regardless of the time or times of their issuance, shall be of equal rank without preference, priority or distinction of any of the Bonds over any other except as expressly provided in or pursuant to this ordinance or the Indenture.

SECTION 15. Proxies. The Mayor, the City Clerk and the City Comptroller may each designate another to act as their respective proxy and to affix their respective signatures to the Bonds whether in temporary or definitive form, and any other instrument, certificate or document required to be signed by the Mayor, the City Clerk or the City Comptroller pursuant to this ordinance and any instrument, certificate or document required by this ordinance. In such case, each shall send to the City Council written notice of the person so designated by each, such notice stating the name of the person so selected and identifying the instruments, certificates and documents which such person shall be authorized to sign as proxy for the Mayor, the City Clerk and the City Comptroller, respectively. A written signature of the Mayor, the City Clerk or the City Comptroller, respectively, executed by the person so designated underneath, shall be attached to each notice. Each notice, with the signature attached, shall be recorded in the Journal of Proceedings of the City Council and filed with the City Clerk. When the signature of the Mayor, the City Clerk or the City Comptroller is

placed on an instrument, certificate or document at the direction of the Mayor, the City Clerk or the City Comptroller, as the case may be, in the specified manner, the same, in all respects, shall be as binding on the City as if signed by the Mayor, the City Clerk or the City Comptroller in person, as the case may be.

SECTION 16. Application of Proceeds. The Budget Director of the City may authorize the reallocation of the amounts set forth in Exhibit A among the various items referred to in Exhibit A as in the judgment of the Budget Director the needs of the City may require. The proceeds of the Bonds shall be applied to the payment of the costs exclusively of projects and related improvements of the nature set forth in Exhibit A, except, subject to the approval of the Budget Director, the proceeds of the Bonds may also be used for the purpose of paying costs of capital facilities and improvements of the City other than as so set forth, provided that such proceeds are reappropriated for such purpose by the City Council, subject to the requirements of Section 11.

SECTION 17. Interest Rate Agreement. The Mayor or the City Comptroller is hereby authorized to execute and deliver from time to time one or more agreements with counterparties selected by the City Comptroller, the purpose of which is to reduce the City's interest cost with respect to the Bonds, or to reduce the City's exposure to fluctuations in the interest rate or rates payable on the Bonds or to insure, protect or preserve its investments from any loss (including, without limitation, loss caused by fluctuations in interest rates, markets or in securities). The stated aggregate notional amount under all such agreements authorized hereunder shall not exceed the principal amount of the Bonds issued hereunder (net of offsetting transactions entered into by the City). Any such agreement to the extent practicable shall be in substantially the form of the Local Currency -- Single Jurisdiction version of the 1992 ISDA Master Agreement accompanied by the *U.S. Municipal Counterparty Schedule* published by the International Swap Dealers Association, and in appropriate confirmations of transactions governed by that agreement, with such insertions, completions and modifications thereof as shall be approved by the officer of the City executing the same, his or her execution to constitute conclusive evidence of this City Council's approval of such insertions, completions and modifications thereof. Amounts payable by the City under any such agreement shall constitute operating expenses of the City payable from any moneys, revenues, receipts, income, assets or funds of the City available for such purpose. Such amounts shall not constitute an indebtedness of the City for which its full faith and credit is pledged. Nothing contained in this Section 17 shall limit or restrict the authority of the Mayor or the City Comptroller to enter into similar agreements pursuant to prior or subsequent authorization of this City Council.

SECTION 18. Supremacy. To the extent that any ordinance, resolution, rule, order or provision of the Municipal Code of Chicago, or part of it, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall be controlling; provided that nothing contained in this ordinance shall amend, limit or repeal the Tax Limitation Ordinance. If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this ordinance.

SECTION 19. Effectiveness. This ordinance shall be published by the City Clerk, by causing to be printed in pamphlet form at least 25 copies which are to be made available in his or her office for public inspection and distribution to members of the public who may wish to avail themselves of a copy of this ordinance, and this ordinance shall be in full force and effect from and after its adoption, approval by the Mayor and such publication.

The Bonds (or Sub-series, if applicable) shall bear interest at a Weekly Rate, a Commercial Paper Rate or a Fixed Rate determined by the Comptroller in accordance with the provisions of this Indenture. The determination of the Interest Rates on the Bonds as provided in this Indenture shall be conclusive and binding upon the Bondholders. Commencing on the delivery date of the Bonds, _____.

(a) Weekly Rate.

(i) Determination of Weekly Rate. When interest on the Bonds (or Sub-series, if applicable) is payable at a Weekly Rate, the Comptroller shall determine a Weekly Rate on Tuesday of each calendar week (if Tuesday is not a Business Day, then Monday; if Monday and Tuesday are not Business Days, then Wednesday whether or not a Business Day). Each Weekly Rate shall be the rate necessary (as determined by the Comptroller) for the Remarketing Agent to sell such Bonds on the day the rate is set at 100 percent of the principal amount of such Bonds plus accrued interest, if any.

(ii) Duration of Weekly Rate. Each Weekly Rate determined by the Comptroller shall be in effect from and including Wednesday of each week to and including the following Tuesday, whether or not such days are Business Days.

(iii) Notice of Weekly Rate. The Comptroller shall give telephonic or facsimile notice (promptly confirmed in writing) of each Weekly Rate to the Trustee, the Remarketing Agent and the Bank not later than 4:00 P.M., New York City time, on the day each Weekly Rate is determined.

(iv) Weekly Rate Invalid or Unenforceable. If for any reason the Comptroller does not set a Weekly Rate while the Bonds (or Sub-series, if applicable) bear interest at a Weekly Rate, or a court holds that a Weekly Rate is invalid or unenforceable, then the Weekly Rate in effect for the immediately preceding week shall remain in effect.

(b) Commercial Paper Rate.

(i) Determination of Commercial Paper Rate. When interest on the Bonds (or Sub-series, if applicable) is payable at a Commercial Paper Rate, the Comptroller shall establish the Commercial Paper Rate for such Bonds on the first Business Day of each Commercial Paper Rate Period. Each Commercial Paper Rate shall be the rate necessary (as determined by the Comptroller) for the Remarketing Agent to sell such Bonds on the date such rate is set at 100 percent of the principal amount of such Bonds plus accrued interest, if any.

(ii) Determination of Commercial Paper Rate Period. Each Commercial Paper Rate Period shall be determined by the Comptroller (which may be from one to ____ days) based upon the Comptroller's judgment that the length of the Commercial Paper Rate Period will be beneficial to City. Interest on the Bonds (or Sub-series thereof, if applicable) bearing interest at a Commercial Paper Rate will accrue from the first day of the applicable Commercial Paper Rate Period to, and including, the last day of such Period. Notwithstanding the foregoing, (x) the day following the last day of any Commercial Paper

Rate Period shall be a Business Day or the maturity date of the Bonds, and (y) if the Comptroller has previously determined that the Bonds (or Sub-series thereof, if applicable) are to bear interest at a rate other than the Commercial Paper Rate effective as of a future date, no new Commercial Paper Rate Period shall be established for such Bonds unless the last day of such Commercial Paper Rate Period occurs before the effective date of the change to such other rate.

(iii) Notice of Commercial Paper Rate and Commercial Paper Rate Period. The Comptroller shall give telephonic or facsimile notice (promptly confirmed in writing) of each Commercial Paper Rate and Commercial Paper Rate Period to the Trustee, the Remarketing Agent and the Bank not later than 11:00 A.M., New York City time, on the date such rate and period are determined.

(iv) Commercial Paper Rate or Commercial Paper Rate Period Invalid or Unenforceable. If for any reason the Comptroller does not set a Commercial Paper Rate or the duration of a Commercial Paper Rate Period while the Bonds (or Sub-series, if applicable) bear interest at a Commercial Paper Rate, or a court holds that a Commercial Paper Rate or the duration of any Commercial Paper Rate Period is invalid or unenforceable, then a 30-day Commercial Paper Rate Period for such Bonds will follow, and the Commercial Paper Rate for such Bonds for such Commercial Paper Rate Period shall be that annual rate of interest equal to 85 percent of the interest rate applicable to 90-day United States Treasury Bills determined on the basis of the average per annum discount rate at which such 90-day United States Treasury Bills shall have been sold at the most recent Treasury auction within the preceding thirty (30) days.

(c) Fixed Rate.

(i) Determination of Fixed Rate. If the interest rate on the Bonds (or Sub-series, if applicable) is initially established as a Fixed Rate, the interest rate on such Bonds shall be established by the Comptroller no later than the date the Bonds are initially issued. If the interest rate on the Bonds (or Sub-series, if applicable) is changed to a Fixed Rate pursuant to Section 2.03 hereof, the Comptroller shall establish the Fixed Rate for such Bonds not less than seven (7) nor more than fifteen (15) days before the effective date of such Fixed Rate. The Fixed Rate shall be the rate necessary (as determined by the Comptroller on the date such rate is established) for the City to sell such Bonds on the date such rate is set at 100 percent of the principal amount thereof plus accrued interest, if any.

(ii) Fixed Rate Period. The Fixed Rate shall remain in effect from its effective date to the maturity date of the Bonds (the "Fixed Rate Period").

(iii) Notice of Fixed Rate. If the interest rate on any Bonds is changed to a Fixed Rate pursuant to Section 2.03 hereof, the Comptroller shall give telephonic or facsimile notice (promptly confirmed in writing) of such Fixed Rate to the Trustee, the Remarketing Agent and the Bank not later than 4:00 P.M., New York City time, on the date the Fixed Rate is determined.

(iv) Conditions to Fixed Rate Not Satisfied. If any condition to a change in the Interest Rate Determination Method to the Fixed Rate for such Bonds (or Sub-series, if applicable) Pursuant to Section 2.03 hereof shall not have been satisfied on the effective day of the proposed Fixed Rate Period, such change shall not be effective, and the Bonds shall bear interest at a Weekly Rate commencing on the day that was to be the first day of the proposed Fixed Rate Period and lasting until another Interest Rate Determination Method is validly established for such Bonds hereunder.

(v) Selection of Bonds for Mandatory Redemption Upon Conversion to Fixed Rate. Not later than twenty (20) days prior to a proposed Conversion Date, the City may direct the Trustee in writing to select in advance of the dates on which the Trustee would otherwise do so Bonds to be redeemed prior to maturity pursuant to Section 4.01 (c) hereof on each subsequent mandatory redemption date specified in such direction in an amount equal to the principal amount of Bonds proposed to bear interest at a Fixed Rate. Thereafter, but not later than ten (10) days prior to such Conversion Date, the Trustee shall:

(A) assign a distinctive number (a "Tentative Serial Bond Number") to each $5,000 in principal amount of such Bonds then Outstanding;

(B) treating each Tentative Serial Bond Number as a separate Bond, selected by lot in such manner as the Trustee deems appropriate and fair the particular Bonds to be redeemed on each subsequent mandatory redemption date specified at the City's direction, in such manner that there shall be redeemed on each mandatory redemption date an amount of Bonds converted to a Fixed Rate equal to the amount of Bonds otherwise subject to mandatory redemption pursuant to Section 4.01 (c) multiplied by a fraction the numerator of which is the amount of Bonds being converted to a Fixed Rate and the denominator of which is the aggregate principal amount of Bonds otherwise subject to mandatory redemption pursuant to Section 4.01 (c);

(C) assign to each Bond selected to be redeemed prior to maturity a distinctive number (a "Permanent Serial Bond Number") corresponding to its Tentative Serial Bond Number, whereupon the Tentative Serial Bond Numbers previously assigned to all such Bonds and to any Bonds not so selected shall lapse and shall no longer be effective; and

(D) provide the City, the Remarketing Agent and the Bank with copies of a list of all Permanent Serial Bond Numbers assigned to such Bonds and the date on which each such Bond bearing a Permanent Serial Bond Number is scheduled to be redeemed prior to its stated maturity.

The Trustee shall cause to be noted on each such Bond thereafter authenticated the Permanent Serial Bond Number or Numbers, if any, assigned to such Bond and the date on which the Bond or a portion thereof in the principal amount of $5,000 bearing such Permanent Serial Bond Number is scheduled to be redeemed. In addition, the Trustee shall apply for and, if available, cause to be printed on each Bond scheduled to be redeemed on a particular date pursuant to the preceding provisions of this Section a separate C.U.S.I.P. number that, either on its face or by reference to an index or directory or otherwise, identifies the date on which such Bond is schedule to be redeemed prior to its stated maturity date.

Soley for the purpose of selecting Bonds for redemption prior to maturity, whether at the option of the Issuer pursuant to Section 4.01 (b) hereof, by operation of Section 4.01 (c) hereof, or otherwise, all of the Bonds scheduled to be redeemed on a particular date pursuant to the preceding provisions of this section shall be deemed to mature on that date.

If any condition to the Conversion of the Bonds to a Fixed Rate Period shall not have been satisfied on the Conversion Date, the mandatory redemption dates determined pursuant to this Section 2.02(c)(v) shall be of no force or effect.

Section 2.03 Change In Interest Rate Determination Method.

(a) Changes Directed by the City. The City may, acting through the Comptroller, change the Interest Rate Determination Method for the Bonds (or Sub-series, if applicable) by notifying the Trustee, the Bank and the Remarketing Agent at least twenty (20) days prior to the proposed effective date of such change. Such notice shall contain (i) the effective date of such new Interest Rate Determination Method (which effective date must be a current Interest Payment Date for the Bonds, and if the Bonds currently bear interest at a Commercial Paper Rate, the effective date of any new

Interest Rate Determination Method may not be earlier than the end of any effective Commercial Paper Rate Period), (ii) the new Interest Rate Determination Method, and (iii) if the change is to a Fixed Rate, the Determination Date. If the change is to a Fixed Rate [or a Commercial Paper Rate Period of more than one year], the notice must be accompanied by an Opinion of Bond Counsel stating that the change is not prohibited by the laws of the State or this Indenture and will not adversely affect the exclusion of interest on the Bonds from the gross income of the owner thereof for federal income tax purposes under the Code. If the Comptroller's notice complies with this paragraph, the interest rate on such Bonds will become payable on the basis of the new Interest Rate Determination Method on the effective date specified in the notice unless and until the Interest Rate Determination Method is changed as provided in this section.

(b) Changes Directed by the Remarketing Agent. If directed to do so by the Comptroller, the Remarketing Agent shall consider whether the Interest Rate Determination Method for the Bonds (or Sub-series, if applicable) should be changed to a different Short-Term Rate because in the Remarketing Agent's judgment, conversion to a different Short-Term Rate will be beneficial to the market for, or the relative yield of, such Bonds. If a change is to be made, the Remarketing Agent will promptly so notify the Trustee, the City and the Bank and will specify the effective date of the change, which effective date must be a current Interest Payment Date for the Bonds and shall not be before the end of any effective Commercial Paper Rate Period for such Bonds. For purposes of this Section 2.03(b), the Remarketing Agent's determination that a different Short-Term Rate will be "beneficial to the market for, or relative yield of, the Bonds" shall be based upon (i) the performance of such Bonds, measured by market supply and demand and yield, relative to other securities which bear interest at the current rate or the other Short-Term Rate or which, in the judgment of the Remarketing Agent, are otherwise comparable to such Bonds, or (ii) any fact or circumstance relating to such Bonds or affecting the market for such Bonds or affecting such other comparable securities in a manner which in the judgment of the Remarketing Agent will affect the market for such Bonds, which in any event leads the Remarketing Agent to conclude that such Bonds should bear interest at the Short-Term Rate specified in such notice. As used in this Section 2.03(b), "beneficial" means beneficial to the City. The Remarketing Agent may use or not use any inputs and resources it deems appropriate, which may but need not include conversations with the City, and will make its decision based solely upon its judgment. On the effective date specified in such notice, unless a different determination shall have been made by the Remarketing Agent hereunder or by the City pursuant to paragraph (a) above, such Bonds shall bear interest at the Short-Term Rate specified in such notice.

The Remarketing Agent will not have any obligation, responsibility or liability of any kind to the Bondholders, the Trustee, the City, the Bank or to any other person with respect to any determination that the Bonds (or Sub-series, if applicable) will or will not bear interest at the current or any other

Short-Term Rate, including but not limited to any omission by the Remarketing Agent to consider any facts or circumstances or any resources or inputs, it being the intent of this Indenture that the Remarketing Agent may, in its unrestricted judgment, choose to consider no inputs or resources other than its own expertise.

(c) Limitations on Changes in Interest Rate Determination Method. Any change in the method of determining interest on any Bonds (or Sub-series, if applicable) pursuant to either Section 2.03(a) or (b) above must comply with the following:

(i) if a Commercial Paper Rate is then in effect, the effective date of any change must be the day following the last day of the Commercial Paper Rate Period of all Bonds or applicable Sub-series;

(ii) if a Weekly Rate is then in effect, the effective date of any change must be the first Business Day of a month; and

(iii) no change shall be made in the Interest Rate Determination Method if the Trustee shall receive written notice prior to such change that the Opinion of Bond Counsel required under Section 2.03(a) has been withdrawn. If the Trustee shall have sent any notice to the Bondholders regarding a change in Interest Rate Determination Method under Section 2.03(d), then in the event of such withdrawal of opinion, the Trustee shall promptly notify such Bondholders of such withdrawal.

(d) Notice to Bondholders of Change in Interest Rate Determination Method. When a change in the Interest Rate Determination Method is to be made as to the Bonds (or Sub-series, if applicable), the Trustee will notify the Owners of such Bonds by Notice by Mail at least fifteen (15) but not more than sixty (60) days before the effective date of the change. The notice will be accompanied by the Opinion of Bond Counsel if required by Section 2.03(a). The notice will state:

(i) that the Interest Rate Determination Method will be changed and what the new method will be,

(ii) the effective date of the new Interest Rate Determination Method,

(iii) a description of the new Interest Rate Determination Method, including a statement that the Remarketing Agent will provide each new rate (and Commercial Paper Rate Period, when applicable) upon request,

(iv) the applicable Interest Payment Dates and Record Dates,

(v) whether Owners of such Bonds have a right to tender their Bonds while such Bonds bear interest at the new Interest Rate Determination Method, and

(vi) that such Bonds will be subject to mandatory tender for purchase on the effective date of the change.

In addition, if the change is to a Fixed Rate, the notice will state:

(i) the Determination Date,

(ii) that the Remarketing Agent will provide the Fixed Rate upon request and describing how to make such request,

(iii) the end of the Fixed Rate Period, which shall be the maturity date of the Bonds,

(iv) any ratings assigned the Bonds by the Rating Agencies effective on the change,

(v) that during the Fixed Rate Period there will be no right to tender the Bonds,

(vi) that the Bonds are not subject to redemption at the option of the City during the Fixed Rate Period, and

(vii) that during the Fixed Rate Period, Bonds will be issued in denominations of $5,000 or integral multiples thereof.

In addition, if the change is to a Commercial Paper Rate, the notice will state:

(i) that during the Commercial Paper Rate Period there will be no right to tender such Bonds at the option of the Owner thereof,

(ii) that such Bonds are not subject to redemption at the option of the City during the Commercial Paper Rate Period, and

(iii) that on the first Business Day following the last day of each Commercial Paper Rate Period for such Bonds, each such Bond will be subject to mandatory tender for purchase without further notice.

Section 2.04 Calculation Of Interest Due On Bonds.

The Trustee will calculate the amount of interest payable on the Bonds from the Interest Rates supplied to the Trustee by the person setting them and will confirm such amounts when computed with the Remarketing Agent. The Trustee will confirm any Interest Rate by telephone or in writing to any Bondholder who requests it in writing. The calculation of the

interest payable on the Bonds as provided in this Indenture will be conclusive and binding on all parties, including the holders of the Bonds.

Section 2.05 Form, Payment And Dating Of Bonds; Authorized Denominations.

(a) The Bonds and the certificate of authentication to be executed on the Bonds by the Trustee are to be in substantially the form thereof set forth in (Sub)Exhibit A hereto, with necessary or appropriate variations, omissions and insertions as permitted or required by this Indenture.

(b) The Bonds shall be issuable only as fully registered Bonds in Authorized Denominations. Bonds shall be numbered from 1 consecutively upwards and shall contain an appropriate prefix to such numbers to identify such Bonds.

(c) The principal or redemption price of each Bond shall be payable upon surrender of such Bond at the Principal Office of the Trustee. Payments of principal or redemption price of the Bonds shall be payable in immediately available funds except as provided in paragraph (d)(iv) below. Such payments shall be made to the Owner of the Bond so surrendered, as shown on the registration books maintained by the Trustee on the applicable Record Date.

(d) Each Bond shall bear interest and be payable as to interest as follows:

(i) Each Bond shall bear interest (at the applicable rate determined pursuant to Article II hereof) from the date of authentication, if authenticated on an Interest Payment Date to which interest has been paid, or from the last preceding Interest Payment Date to which interest has been paid (or the date of original issuance of the Bonds if no interest thereon has been paid) in all other cases.

(ii) Subject to the provisions of subparagraph (iii) below, the interest due on any Bond on any Interest Payment Date shall be paid to the Bondholder of such Bond as shown on the registration books kept by the Trustee on the applicable Record Date. The amount of interest so payable on any Interest Payment Date shall be computed by the Trustee on the basis of a 365- or 366-day year as applicable for the number of days actually elapsed while the Bonds bear interest at a Weekly Rate or a Commercial Paper Rate, and on the basis of a 360-day year of twelve 30-day months while the Bonds bear interest at a Fixed Rate.

(iii) If the available funds under this Indenture or the Letter of Credit are insufficient on any Interest Payment Date to pay the interest then due, the regular applicable Record Date shall no longer be applicable with respect to the Bonds. If sufficient funds for the payment of such overdue interest thereafter become available, the Trustee shall immediately

establish a special Interest Payment Date for the payment of the overdue interest and a special Record Date (which shall be a Business Day) for determining the Bondholders entitled to such payments. Notice of each date so established shall be mailed by the Trustee to each Bondholder at least ten (10) days prior to the special record date, but not more than thirty (30) days prior to the special interest payment date. The overdue interest shall be paid on the special interest payment date to the Bondholders, as shown on the registration books kept by the Trustee as of the close of business on the special record date.

(iv) All payments of interest on the Bonds shall be paid to the persons entitled thereto pursuant to Section 2.05(d) (ii) or (iii) above by the Trustee on the Interest Payment Date or special interest payment date, as applicable, (x) upon instructions to the Trustee from such person entitled to payment in immediately available funds (by federal funds check or by deposit to the account of the owner of Bonds if such owner maintains an account with the Trustee or, upon request of any owner of Bonds in the principal amount of $1,000,000 or more, by federal funds wire) on the Interest Payment Date according to such instructions, or (y) if no instructions are given as aforesaid, by clearinghouse funds check or draft mailed on the Interest Payment Date to the persons entitled thereto at such address appearing on the registration books of the Trustee or such other address as has been furnished to the Trustee in writing by such person.

(v) The payment of the purchase price of Bonds tendered pursuant to Section 3.01 or 3.02 shall be made in immediately available funds to the tendering Bondholder in the same manner as interest on Bonds pursuant to subparagraph (iv) above.

(e) All Bonds will be dated the date of their original issuance.

(f) Interest on the Bonds will accrue and be payable during the periods and at the times provided for in the form of the Bonds.

Section 2.06 Execution Of Bonds.

Each of the Bonds shall be signed and executed on behalf of the City by the manual or facsimile signature of the Mayor and attested by the manual or facsimile signature of its City Clerk, and the corporate seal of the City shall be impressed, printed or lithographed on each Bond. The Bonds bearing the manual or facsimile signatures of individuals who were at the time of the execution thereof the proper officers of the City shall bind the City notwithstanding that such individuals shall cease to hold such offices prior to the registration, authentication or delivery of such Bonds or shall not have held such offices at the dated date of such Bonds.

Section 2.07 Delivery And Registration.

No Bond shall be entitled to any right or benefit under this Indenture, or be valid or obligatory for any purpose, unless there appears on such Bond a certificate of authentication substantially in the form provided in (Sub)Exhibit A hereto, executed by the Trustee by manual signature, and such certificate upon any such Bond shall be conclusive evidence that such Bond has been duly authenticated, registered and delivered.

Section 2.08 Lost, Destroyed, Improperly Cancelled Or Undelivered Bonds.

If any Bond, whether in temporary or definitive form, is lost (whether by reason of theft or otherwise), destroyed (whether by mutilation, damage or otherwise) or improperly cancelled, the Trustee may authenticate a new Bond of like series, date and denomination and bearing a number not contemporaneously outstanding; provided that (a) in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the Trustee and (b) in the case of any lost Bond or Bond destroyed in whole, there shall be first furnished to the Trustee evidence of such loss or destruction, together with indemnification of the City, the Trustee and the Bank, satisfactory to the Trustee. In the event any lost, destroyed or improperly cancelled Bond shall have matured or is about to mature, or has been called for redemption, instead of issuing a duplicate Bond, the Trustee shall pay the same without surrender thereof if there shall be first furnished to the Trustee evidence of such loss, destruction or cancellation, together with indemnification of the City, the Trustee and the Bank satisfactory to the Trustee. Upon the issuance of any substitute Bond, the Trustee may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto. The Trustee may charge the Bondholder reasonable fees and expenses in connection with any transaction described in this Section 2.08, except for improper cancellation by the Trustee.

If the City elects to purchase for cancellation any Bond tendered for purchase as provided in Section 4.02(a) and funds are deposited with the Trustee sufficient for the purchase, whether or not the Bond subject to tender is ever delivered, interest on such Bond shall cease to be payable to the prior holder thereof from and after the purchase date, such holder shall cease to be entitled to the benefits or security of this Indenture and shall have recourse solely to the funds held by the Trustee for the purchase of such Bond and the Trustee shall not register any further transfer of such Bond by such prior holder.

All Bonds shall be owned upon the express condition that, to the extent permitted by law, the foregoing provisions are exclusive with respect to the

replacement or payment of lost, destroyed or improperly cancelled Bonds, notwithstanding any law or statute now existing or hereafter enacted.

Section 2.09 Transfer, Registration And Exchange Of Bonds.

The Trustee shall maintain and keep, at its Principal Office, books for the registration and transfer of Bonds, which at all reasonable times shall be open for inspection by the City.

The transfer of any Bond shall be registered upon the books of the Trustee at the written request of the Bondholder or its attorney duly authorized in writing, upon surrender thereof at the Principal Office of the Trustee, together with a written instrument of transfer satisfactory to the Trustee duly executed by the Bondholder or its duly authorized attorney.

The City, the Trustee and the Remarketing Agent may deem and treat the Bondholder as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal of and interest on, or the purchase price of, such Bond and for all other purposes, and neither the City, the Trustee nor the Remarketing Agent shall be affected by any notice to the contrary. All such payments so made to any such Bondholder shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

Any Bond, upon surrender thereof at the Principal Office of the Trustee may, at the option of the Bondholder, be exchanged for an equal aggregate principal amount of Bond or Bonds of any Authorized Denomination of the same series and bearing interest pursuant to the same Interest Rate Determination Method as the Bond being surrendered.

In all cases in which the privilege of exchanging Bonds or registering the transfer of Bonds is exercised, the City shall execute and the Trustee shall authenticate and deliver Bonds in accordance with the provisions of this Indenture. For every such exchange or registration of transfer of Bonds, whether temporary or definitive, the Trustee may make a charge in an amount sufficient to reimburse it for any tax or other governmental charge required to be paid with respect to such exchange or registration of transfer, which sum or sums shall be paid by the person requesting such exchange or registration of transfer as a condition precedent to the exercise of the privilege of making such exchange or registration of transfer. During the Fixed Rate Period for such Bonds, the Trustee shall not be obligated to make any such exchange or registration of transfer of Bonds during the ten (10) days next preceding the date of the mailing of notice of any redemption of Bonds nor shall the Trustee be required to make any exchange or registration of transfer of any Bonds called for redemption.

Section 2.10 Temporary Bonds.

Pending the preparation of definitive Bonds, the City may execute and the Trustee shall authenticate and deliver temporary Bonds. Temporary Bonds may be issuable as Bonds of any Authorized Denomination and substantially in the form of the definitive Bonds but with omissions, insertions and variations as may be appropriate for temporary Bonds, all as may be approved by the City, as evidenced by the execution and delivery thereof. Temporary Bonds may contain such reference to any provisions of this Indenture as may be appropriate. Every temporary Bond shall be executed by the City and be authenticated by the Trustee upon the same conditions and in substantially the same manner, and with like effect, as the definitive Bonds. As promptly as practicable the City shall execute and shall furnish definitive Bonds and thereupon temporary Bonds may be surrendered in exchange therefor without charge at the Principal Office of the Trustee, and the Trustee shall authenticate and deliver in exchange for such temporary Bonds a like aggregate principal amount of definitive Bonds of Authorized Denominations. Until so exchanged the temporary Bonds shall be entitled to the same benefits under this Indenture as definitive Bonds.

Section 2.11 Cancellation Of Bonds.

All Bonds which shall have been surrendered to the Trustee for payment or redemption, and all Bonds which shall have been surrendered to the Trustee for exchange or registration of transfer, shall be cancelled by the Trustee and cremated or otherwise destroyed, and counterparts of a certificate of destruction evidencing such cremation or other destruction shall be furnished by the Trustee to the City. The Trustee shall furnish to the City, the Bank and the Remarketing Agent, a certificate evidencing any such cancellation and specifying such Bonds by number.

Section 2.12 Book-Entry Provisions.

(a) Except as provided in paragraph (c) below, the Bondholder of all of the Bonds shall be The Depository Trust Company ("D.T.C."), and the Bonds shall be registered in the name of Cede & Co., as nominee for D.T.C.. Payment of interest for any Bond registered in the name of Cede & Co. shall be made by wire transfer of immediately available funds to the account of Cede & Co. on the applicable Interest Payment Date for the Bonds at the address indicated for Cede & Co. in the registration books of the City kept by the Trustee.

(b) The Trustee, the Remarketing Agent and the City may treat D.T.C. (or its nominee) as the sole and exclusive Bondholder of the Bonds registered in its name for the purposes of payment of the principal or redemption or purchase price of or interest on the Bonds, selecting the Bonds or portions

thereof to be redeemed or purchased, giving any notice permitted or required to be given to Bondholders under this Indenture, registering the transfer of Bonds, obtaining any consent or other action to be taken by Bondholders and for all other purposes whatsoever; and neither the Trustee, the Remarketing Agent nor the City shall be affected by any notice to the contrary. Except as otherwise provided in paragraph (c) below, no Beneficial Owner shall receive an authenticated Bond. Upon delivery by D.T.C. to the Trustee of written notice to the effect that D.T.C. has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions of this Indenture with respect to transfers of Bonds, the words "Cede & Co." in this Indenture shall refer to such new nominee of D.T.C..

(c) In the event the Bondholder of all the Bonds shall be D.T.C. and the City determines to discontinue D.T.C.'s book-entry system, the City may notify D.T.C., the Trustee, the Bank and the Remarketing Agent, whereupon D.T.C. will notify its participating organizations (the "Participants") of the availability through D.T.C. of certificated Bonds. In such event, the Trustee shall issue, transfer and exchange Bond certificates as requested by D.T.C. in appropriate amounts in accordance with the provisions of this Indenture. D.T.C. may determine to discontinue providing its services with respect to the Bonds at any time by giving written notice to the City, the Trustee and the Remarketing Agent and discharging its responsibilities with respect thereto under applicable law. Under such circumstances (if there is no successor securities depository), the City and the Trustee shall be obligated (at the sole cost and expense of the City) to make available for delivery Bond certificates as described in this Indenture. Whenever D.T.C. requests the City and the Trustee to do so, the City will direct the Trustee (at the sole cost and expense of the City) to cooperate with D.T.C. in taking appropriate action after reasonable notice (i) to make available one or more separate certificates evidencing the Bonds to any Participant having Bonds credited to its D.T.C. account or (ii) to arrange for another securities depository to maintain custody of certificates evidencing the Bonds.

(d) So long as any Bond is registered in the name of Cede & Co., as nominee of D.T.C., all payments with respect to the principal, redemption or purchase price of and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, to D.T.C. or its nominee as provided in the City's representation letter to D.T.C..

(e) In connection with any notice or other communication to be provided to Bondholders pursuant to this Indenture by the City or the Trustee, or by the Trustee with respect to any consent or other action to be taken by Bondholders, the City or the Trustee, as the case may be, shall establish a record date for such consent or other action and give D.T.C. notice of such record date not less than fifteen (15) calendar days in advance of such record date to the extent possible. Such notice to D.T.C. or its nominee shall be given only when D.T.C. is the sole Bondholder.

(f) Neither the City, the Trustee, nor the Remarketing Agent will have any responsibility or obligation to the Participants or the Beneficial Owners with respect to (i) the accuracy of any records maintained by D.T.C. or any Participant; (ii) the payment by D.T.C. or any Participant of any amount due to any Beneficial Owner in respect of the principal, redemption or purchase price of or interest on the Bonds; (iii) the delivery by D.T.C. or any Participant of any notice to any Beneficial Owner which is required or permitted under the terms of this Indenture to be given to Bondholders; (iv) the selection of the Beneficial Owners to receive payment in the event of any partial redemption of the Bonds; (v) the delivery of Bonds upon tender thereof; or (vi) any consent given or other action taken by D.T.C. as Bondholder.

(g) So long as Cede & Co. is the registered owner of the Bonds, as nominee of D.T.C., references herein to the Bondholders or holders of the Bonds or Owners of Bonds shall mean Cede & Co. and shall not mean the Beneficial Owners of the Bonds.

(h) So long as D.T.C. is the registered owner of the Bonds:

(i) selection of Bonds to be redeemed upon partial redemption, presentation of Bonds to the Trustee upon partial redemption, delivery of Bonds to the Trustee in connection with an optional or mandatory tender, or redelivery of such Bonds by the Trustee to Bondholders following a remarketing or failed conversion to the Fixed Rate shall be deemed made when the right to exercise ownership rights in such Bonds through D.T.C. or D.T.C.'s Participants is transferred by D.T.C. on its books;

(ii) notice of a demand for purchase of Bonds pursuant to Section 3.01 hereof shall be given by the Beneficial Owner of such Bonds exercising ownership rights through D.T.C. or D.T.C.'s Participants by telephonic notice (confirmed in writing) or written notice;

(iii) any notices of the interest rate on the Bonds to be provided by the Trustee shall be provided to anyone identifying themselves to the Trustee as a person entitled to exercise ownership rights with respect to such Bonds through D.T.C. or its Participants;

(iv) D.T.C. may present notices, approvals, waivers or other communications required or permitted to be made by Bondholders under this Indenture on a fractionalized basis on behalf of some or all of those persons entitled to exercise ownership rights in the Bonds through D.T.C. or its Participants; and

(v) Bonds held in the Custody Account on the records of D.T.C. will be registered in the name of the Trustee, or its nominee, as collateral security for the Bank.

Section 2.13 Application Of Proceeds Of The Bonds.

(a) The proceeds of the sale of the Bonds shall be used as provided in the Bond Ordinance for the purposes of (i) paying the costs of certain capital projects of the City, (ii) capitalizing certain interest on the Bonds and (iii) paying the expenses of issuance of the Bonds.

(b) Upon the direction of the Comptroller, the Trustee may establish a special trust fund designated as the Project Fund into which the proceeds of the Bonds may be deposited. The Trustee shall hold all moneys delivered to it for deposit into the Project Fund in trust.

(c) Moneys on deposit in the Project Fund shall be disbursed by the Trustee upon the receipt of a requisition therefor executed by the Comptroller specifying the purpose for which such disbursement is being made, which may include the payment of costs of issuance of the Bonds and the reimbursement of the Bank for drawings made under the Letter of Credit to pay interest on the Bonds or directly to pay principal or purchase price of or interest on the Bonds if the Bank shall have failed to honor a proper draw under the Letter of Credit.

(d) Pending the use of moneys held in the Project Fund, the Trustee shall invest such moneys in Permitted Investments upon the direction of the Comptroller, but subject to the requirements of the Reimbursement Agreement, if applicable. Income from such investments shall be credited to the Project Fund.

Article III.

Optional And Mandatory Tenders Of Bonds; Remarketing Of Purchased Bonds.

Section 3.01 Optional Tender Of Bonds.

Holders of Bonds bearing interest at a Weekly Rate shall have the right to tender a Bond, or a portion thereof, provided that such portion is an Authorized Denomination, for purchase at a purchase price equal to 100 percent of the principal amount thereof plus accrued interest, if any, to the date of purchase and to receive payment of the purchase price therefor, all as provided in the form of the Bonds attached hereto as (Sub)Exhibit A.

Section 3.02 Mandatory Tender Of Bonds.

The Bonds are subject to mandatory tender and are required to be tendered to the Trustee for purchase at a purchase price equal to 100 percent of the principal amount thereof plus accrued interest, if any, as follows:

(i) When the Bonds (or Sub-series, if applicable) bear interest at a Commercial Paper Rate, each such Bond shall be subject to mandatory tender for purchase on each Interest Payment Date for such Bond; and

(ii) On the effective date of any change in the Interest Rate Determination Method for the Bonds (or Sub-series, if applicable).

Section 3.03 Purchase Of Tendered Bonds.

(a) In performing its duties under this Article III, the Trustee shall act as a conduit and not be considered to be purchasing Bonds for its own account. No acceptance of Bonds by the Trustee hereunder shall effect any merger or discharge of the indebtedness of the City evidenced by the Bonds. The Trustee shall accept all Bonds properly tendered to it for purchase in accordance with the provisions of the Bonds as set forth in the form of Bond attached hereto as (Sub)Exhibit A; provided, that the Trustee shall not accept any Bonds tendered if at the time of the tender the principal of the Bonds shall have been accelerated pursuant to Section 7.01 of this Indenture.

(b) The Trustee shall establish a special trust fund designated as the Purchase Fund. The Trustee shall hold all Bonds delivered to it in trust for the benefit of the respective Bondholders delivering such Bonds until moneys representing the purchase price of such Bonds have been delivered to or for the account of such Bondholders. The Trustee shall hold all moneys delivered to it for the purchase of Bonds in such fund in trust and without investment, solely for the benefit of the persons delivering such moneys until the Bonds purchased with such moneys have been delivered to or for the account of such persons. The City hereby authorizes and directs the Trustee to withdraw sufficient funds from the Purchase Fund to pay the purchase price of tendered Bonds as the same become due and payable, which authorization and direction the Trustee accepts.

Section 3.04 Remarketing Of Tendered Bonds; Payment Of Purchase Price.

(a) The Remarketing Agent shall use its best efforts to remarket tendered Bonds at a price equal to 100 percent of the principal amount thereof plus accrued interest, if any.

(b) Upon receipt of a duly tendered written notice of an optional tender of Bonds conforming to the requirements in the form of Bond attached hereto as (Sub)Exhibit A, the Trustee shall notify the Remarketing Agent, the Bank and the City of the principal amount of Bonds tendered and the date fixed for purchase.

(c) Prior to 11:00 A.M., New York City time, on each purchase date (whether optional or mandatory), the Remarketing Agent shall give telephonic or facsimile notice (promptly confirmed in writing) to the Bank, the City and the Trustee of the principal amount of such Bonds remarketed, the names, addresses and taxpayer identification numbers of the purchasers and the denominations in which the Bonds are to be issued to each purchaser. If less than all of the Bonds to be tendered on such purchase date have been remarketed, the Remarketing Agent shall, in addition, notify the Trustee, the Bank and the City prior to 11:00 A.M., New York City time, on the purchase date, of the principal amount of Bonds which have not been remarketed and the amount of accrued interest to be paid on such Bonds on such purchase date. Purchasers of Bonds which have been remarketed shall be required to deliver the purchase price thereof directly to the Remarketing Agent for delivery to the Trustee for deposit in the Purchase Fund not later than 11:00 A.M., New York City time, on the purchase date. By 12:00 Noon, New York City time, on the purchase date, the Trustee shall notify the Remarketing Agent, the City and the Bank of any Bonds which have been remarketed and for which payment has not been received.

(d) By 12:30 P.M., New York City time, on the purchase date (whether optional or mandatory), the Trustee shall draw upon the Letter of Credit in an amount equal to the purchase price of: (i) any tendered Bonds not remarketed; and (ii) any tendered Bonds remarketed and for which payment has not been received.

(e) Any Bond tendered for purchase after the date on which the Trustee has notified the Bondholders of a change in Interest Rate Determination Method in accordance with the provisions of Section 2.03 hereof shall not be remarketed unless the purchaser has been notified by the Trustee of the change in Interest Rate Determination Method. Any such notice shall contain the same provisions as the notice required of the Trustee pursuant to Section 2.03(d) of this Indenture. Any purchaser so notified must deliver a notice to the Trustee stating that such purchaser will tender his Bonds for purchase on the effective date of the change in Interest Rate Determination Method, and agreeing not to resell the Bonds before such date.

Section 3.05 Funds For Purchase Price Of Bonds.

On the date Bonds are to be purchased pursuant to the provisions of this Indenture, the Trustee shall deliver the purchase price to the tendering Bondholder only from the funds listed below, in the order of priority indicated:

(a) the proceeds of the sale of such Bonds which have been remarketed by the Remarketing Agent to any person other than the City and delivered to the Trustee by 11:00 A.M., New York City time, on the purchase date;

(b) moneys drawn under the Letter of Credit; and

(c) moneys deposited by the City with the Trustee pursuant to this Indenture.

Bonds purchased with moneys described in Section 3.05(b) hereof shall be held by the Trustee, and registered by the Trustee in the name of the City indicating their status as Pledged Bonds pursuant to Section 3.08 hereof. Bonds purchased with moneys described in Section 3.05(c) hereof shall be registered in the name of the City and held for the account of the City.

Section 3.07 Delivery Of Proceeds Of Sale Of Purchased Bonds.

Except in the case of the sale of any Pledged Bonds, the proceeds of the sale of any Bonds, to the extent not required to pay the purchase price thereof, shall be paid to or upon the order of the City.

Section 3.08 Custody Account.

(a) There is hereby created by the City and ordered established with the Trustee a separate and segregated trust account to be designated the Custody Account.

(b) If any Bond is purchased by the Trustee pursuant to Section 3.03 hereof with moneys drawn under the Letter of Credit pursuant to Section 3.05(b) hereof, that Bond shall be delivered to and held by the Trustee, shall be registered in the name of the City (and shall thereafter constitute a Pledged Bond until released as herein provided), shall be deposited in the Custody Account, and shall be released only upon receipt by the Trustee of (i) an amount equal to the principal amount thereof plus accrued interest, if any, thereon to the date of purchase, and (ii) evidence from the Bank that the Letter of Credit will be reinstated in an amount sufficient to cover the principal of and interest on the Pledged Bonds being released. The Remarketing Agent shall use its best efforts to remarket Pledged Bonds. If the Remarketing Agent remarkets any Pledged Bond, the Remarketing Agent shall give the notice described in the first sentence of Section 3.04(c) hereof, and shall direct the purchaser of such Pledged Bond to transfer on the purchase date, the purchase price of such remarketed Pledged Bond directly to the Remarketing Agent for delivery to the Trustee not later than

11:00 A.M., New York City time, on the purchase date. The Remarketing Agent shall deliver remarketed Pledged Bonds to the purchasers thereof in accordance with Section 3.06 hereof.

(c) The proceeds of the remarketing of Pledged Bonds or purchase of Pledged Bonds by the City shall be deposited into the Custody Account and held by the Trustee for the account of, and in trust solely for, the Bank, shall not be commingled with any other moneys held by the Trustee, and shall be paid over immediately to the Bank.

(d) On each Interest Payment Date prior to the release of Pledged Bonds held in the Custody Account, the Trustee shall apply moneys in the Bond Fund to the payment of principal of and interest on such Pledged Bonds, but shall not draw on the Letter of Credit or use moneys in the Letter of Credit Fund for such purpose to any extent whatsoever; and the Trustee shall receive for the account of the Bank the interest and principal paid in respect of such Pledged Bonds held in the Custody Account, and immediately upon such receipt the Trustee shall pay such interest and principal over to the Bank; provided that if at such time the Trustee has been notified in writing by the Bank that there shall not remain any amount due and owing to the Bank under the Reimbursement Agreement, such interest and principal payments shall be paid over to the City.

(e) If, on any date prior to the release of Pledged Bonds held in the Custody Account, all Bonds are called for redemption pursuant to Article IV hereof, or the Trustee declares an acceleration of the Bonds pursuant to Section 7.01 hereof, Pledged Bonds held in the Custody Account shall be deemed to have been paid, and shall thereupon be cancelled by the Trustee.

(f) It is recognized and agreed by the Trustee that while it holds Pledged Bonds, such Pledged Bonds are held by the Trustee for the benefit of the Bank as a first priority secured creditor.

Year	Principal Amount	Year	Principal Amount

(d) The Bonds shall be subject to mandatory redemption in whole by the City at 100 percent of the principal amount thereof plus accrued interest to the date of redemption (i) on the fifth Business Day immediately preceding the expiration date of the Letter of Credit unless (x) the expiration date will occur on the first day of a Fixed Rate Period and the City has elected not to have a Letter of Credit or Alternate Letter of Credit in effect during the Fixed Rate Period, or (y) an Alternate Letter of Credit shall be delivered to the Trustee not less than five (5) Business Days prior to the expiration date, (ii) as soon as practicable following receipt of notice by the Trustee from the Bank that the Letter of Credit will not be reinstated in accordance with its terms and the terms of the Reimbursement Agreement, and (iii) as soon as practicable following receipt of notice by the Trustee from the Bank that an event of default has occurred under the Reimbursement Agreement with the result that the Bank is exercising its right to direct the redemption of all outstanding Bonds secured by the Letter of Credit.

Section 4.02 Purchase Of Bonds By City.

(a) The City, acting through the Comptroller, reserves the right to purchase for cancellation any Bond tendered for purchase pursuant to Section 3.01 hereof or subject to mandatory tender pursuant to Section 3.02 hereof or to purchase any Bond held to the credit of the Custody Account, upon notice to the Trustee, the Bank and the Remarketing Agent given by irrevocable telephonic or facsimile notice (promptly confirmed in writing) (i) in the case of the purchase of a Bond tendered pursuant to Section 3.01 hereof or a Bond held to the credit of the Custody Account, given not later than 2:00 P.M., New York City time, on the Business Day preceding such day of purchase and (ii) in the case of the purchase of a Bond subject to mandatory tender pursuant to Section 3.02 hereof, given not later than 3:00 P.M., New York City time, on the second-to-last Business Day before the mandatory tender date for such Bond (or the first Business Day of any Commercial Paper Rate Period which is shorter than two Business Days for Bonds subject to mandatory tender at the end of such Commercial Paper Rate Period). Such notice from the Comptroller shall state the principal amount of Bonds to be purchased and whether any of the Bonds to be purchased are being purchased on a mandatory tender date pursuant to Section 3.02 hereof. Prior to the applicable date of notice set forth in the first sentence of this Section 4.02(a), the City shall deposit with the Trustee funds sufficient to purchase such Bonds. Any Bonds so purchased for cancellation shall be selected first, from Bonds held to the credit of the Custody Account, second, from any Bonds as such become available upon optional tender, and thereafter from any Bonds as such become available upon mandatory tender pursuant to Section 3.02 hereof; provided that if less than all of the Bonds subject to mandatory tender pursuant to Section 3.02 hereof are to be purchased for cancellation, the Bonds so purchased shall be selected by lot in such manner as the Trustee deems appropriate.

(b) Notwithstanding the provisions of Section 4.02(a), the City may buy, sell, own and hold any of the Bonds for its own account; provided that such Bonds may be sold or remarketed only if the City and the Remarketing Agent have received an Opinion of Bond Counsel that such sale or remarketing will not adversely affect the exclusion of interest on the Bonds from the gross income of the owners thereof for federal income tax purposes under the Code. No purchase of Bonds by the City or use of any funds to effectuate any such purchase shall be deemed to be a payment or redemption of the Bonds or of any portion thereof and such purchase shall not operate to extinguish or discharge the indebtedness evidenced by such Bonds.

Section 4.03 Procedure For Redemption.

(a) In order to exercise its option to redeem the Bonds prior to maturity pursuant to paragraph (a) of Section 4.01 hereof, the City shall notify the Trustee, the Bank and the Remarketing Agent no later than forty-five (45) days prior to the designated redemption date.

(b) Notice by Mail of the redemption of Bonds prior to maturity pursuant to Section 4.01 hereof shall be given by the Trustee in the name of the City: (i) in the case of the redemption of Bonds pursuant to paragraph (a) of Section 4.01, not less than thirty (30) days nor more than sixty (60) days prior to the redemption date; (ii) in the case of the redemption of Bonds pursuant to paragraph (c) of Section 4.01, not less than five days nor more than ten days after the receipt by the Trustee of a notice given by the Bank pursuant to such paragraph. A copy of each such redemption notice shall be given to the City and the Bank.

(c) Each such redemption notice shall specify (i) the Bonds to be redeemed by C.U.S.I.P. number, (ii) the redemption date (which shall be not more than fifteen (15) days after the date on which the Trustee receives notice from the Bank pursuant to paragraph (c) of Section 4.01 hereof); (iii) the place where amounts due upon such redemption will be payable (which shall be the Principal Office of the Trustee); (iv) if less than all the Bonds are to be redeemed, specify the specific Bonds to be redeemed, identified by number, and the principal amounts of such Bonds to be redeemed, and (v) that on the redemption date, the Bonds shall cease to bear interest. Such notice may set forth any additional information relating to such redemption as shall be deemed necessary or appropriate by the Trustee.

(d) Failure to give Notice by Mail of optional redemption as to any Bonds to any Bondholder, of any defect therein, shall not affect the validity of any proceedings for the redemption of Bonds in respect of which no failure or defect occurs. Failure to give Notice by Mail of the mandatory redemption of any Bonds to any Bondholder, or any defect therein, shall not affect the validity of any proceedings for redemption of such Bonds. Any notice mailed as provided in this paragraph shall be conclusively presumed to have been given, whether or not actually received by the addressee.

(e) When Bonds are called for partial redemption as provided in paragraph (a) of Section 4.01 hereof, the specific Bonds to be redeemed shall be selected by the Trustee in Authorized Denominations.

If it is determined that one or more, but not all, of the units of Authorized Denominations represented by any Bond is to be called for redemption, then, upon notice of intention to redeem such unit or units, the Bondholder shall forthwith surrender such Bond to the Trustee for (i) payment to such Bondholder of such unit of the redemption price of such Bond called for redemption and (ii) delivery to such Bondholder of a new Bond or Bonds of the same series and in the aggregate principal amount of the unredeemed balance of the principal amount of such Bond, without charge therefor.

If the Bondholder of any such Bond of a denomination greater than the amount called for partial redemption shall fail to present such Bond to the Trustee for payment and exchange as aforesaid, such Bond shall, nevertheless, become due and payable on the date fixed for redemption to the extent of the applicable unit or units of principal amount called for redemption (and to that extent only).

(f) Any Bonds, or portions thereof, which have been duly selected for redemption shall be deemed to be paid and shall cease to bear interest on the specified redemption date, if moneys sufficient to pay such Bonds are held by the Trustee for the benefit of the Bondholders.

Section 4.04 No Partial Redemption Of Bonds After Default.

Anything in this Indenture to the contrary notwithstanding, if there shall have occurred and be continuing an Event of Default as defined in paragraph (i), (ii) or (iii) of Section 7.01 (a) hereof, there shall be no redemption of less than all of the Bonds at the time Outstanding.

Article V.

Creation Of Funds And Security For Bonds.

Section 5.01 The Bond Fund.

(a) There is hereby created by the City and established with the Trustee a trust fund to be designated "City of Chicago General Obligation Tender Bonds, Project Series 1995 Bond Fund". There are hereby further established within the Bond Fund the following accounts to be held by the Trustee: the "Deposit Account", the "Debt Service Account" and the "Administrative Expense Account".

(b) Pursuant to Section __ of the Bond Ordinance, the City has levied direct annual taxes and authorized the collection thereof in amounts sufficient to provide for the reimbursement of the Bank in accordance with the terms of the Reimbursement Agreement or, if the Bonds are not secured by the Letter of Credit or the Bank has failed to honor a proper drawing under the Letter of Credit, to provide for the payment when due of the principal of and interest on the Bonds and to pay Administrative Expenses relating to the Bonds.

(c) From time to time, when and as received, the City shall deposit into the Deposit Account of the Bond Fund all of the proceeds from the collection of the taxes described in Section 5.01(d), such moneys to be applied as described below.

(d) Subject to the right of the City and the Bank to make alternate arrangements with respect to the reimbursement of the Bank by the City for draws under the Letter of Credit, the Trustee shall withdraw from the Deposit Account and deposit into the Debt Service Account amounts sufficient, together with amounts held in the Debt Service Account, to reimburse the Bank in accordance with the terms and provisions of the Reimbursement Agreement for amounts drawn under the Letter of Credit or, if the Bonds are not secured by a Letter of Credit or the Bank has failed to honor a proper drawing under the Letter of Credit, the Trustee shall withdraw from the Deposit Account and deposit into the Debt Service Account amounts sufficient, together with amounts held in the Debt Service Account, to pay the principal of and interest on the Bonds as the same become due. Moneys on deposit in the Debt Service Account shall be applied by the Trustee to reimburse the Bank in accordance with the terms and provisions of the Reimbursement Agreement for amounts drawn under the Letter of Credit or, if the Bonds are not secured by a Letter of Credit or the Bank has failed to honor a proper drawing under the Letter of Credit, directly to pay the principal of or interest on the Bonds as the same become due.

(e) From time to time as directed by the Comptroller the Trustee shall withdraw from the Deposit Account and deposit into the Administrative Expense Account such amounts as may be required to pay Administrative Expenses. Administrative Expenses shall be paid by the City from amounts credited to the Administrative Expense Account.

(f) Pending the use of moneys held in the Bond Fund, the Trustee shall invest such moneys in Permitted Investments upon the direction of the Comptroller, but subject to the requirements of the Reimbursement Agreement, if applicable. Income from such investments shall be credited to the Bond Fund.

Section 5.02 The Letter Of Credit Fund.

(a) There is hereby created by the City and established with the Trustee a trust fund to be designated "City of Chicago General Obligation Tender Bonds, Project Series 1995 Letter of Credit Fund".

(b) The City shall cause to be deposited into the Letter of Credit Fund amounts drawn under the Letter of Credit with respect to the payment of principal of and interest on the Bonds. Moneys on deposit in the Letter of Credit Fund shall not be commingled with any other moneys held by the Trustee.

(c) Moneys on deposit in the Letter of Credit Fund shall be applied by the Trustee to pay the principal of and interest on the Bonds.

(d) Pending the use of moneys held in the Letter of Credit Fund, the Trustee shall invest such moneys upon the direction of the Comptroller in general obligations of, or obligations the principal of and interest on which are fully guaranteed as to timely payment by, the United States of America, which obligations shall mature not later than the date or dates on which such funds will be needed for the purposes for which such funds were deposited into the Letter of Credit Fund, and in any event, not later than thirty (30) days from the date of such investment. Income from such investments shall be credited to the Letter of Credit Fund.

Section 5.03 The Letter Of Credit.

(a) So long as any Bonds are Outstanding under this Indenture and bear interest at a Short-Term Rate, the City covenants and agrees to maintain the Letter of Credit for the benefit of the holders of the Bonds. The Letter of Credit shall entitle the Trustee to draw up to (a) an amount sufficient (i) to pay the principal amount of the Bonds, or (ii) to pay the purchase price or the portion of the purchase price equal to the principal amount of the Bonds delivered to it for purchase, plus (b) an amount not less than ____ days interest on the Bonds (calculated at the rate of _____ percent (____%) per annum) (i) to pay interest on the Bonds, or (ii) to pay the portion of the purchase price of the Bonds delivered to it equal to the accrued interest, if any, on such Bonds.

(b) The Letter of Credit shall be held by the Trustee in its capacity as Trustee under this Indenture. The Trustee shall not sell, assign or transfer the Letter of Credit except to a Successor Trustee designated in accordance with the terms and provisions hereof.

(c) The Trustee shall make drawings under the Letter of Credit in accordance with the terms thereof to make timely payments of the principal of and interest on the Bonds (other than Pledged Bonds) as the same become due whether upon maturity, redemption or acceleration. The Trustee shall

also make drawings under the Letter of Credit to pay the purchase price of tendered Bonds in accordance with Section 3.04 (d) hereof.

(d) During any period when the Bonds (or Sub-series, if applicable) bear interest at a Commercial Paper Rate or a Fixed Rate, commencing on the date on which such Bonds begin to bear interest at a Commercial Paper Rate or a Fixed Rate, and on the first Business Day of each calendar month thereafter while such Bonds bear interest at a Commercial Paper Rate or a Fixed Rate, the Trustee shall draw under the Letter of Credit an amount sufficient to cause the amount on deposit in the Letter of Credit Fund on such day to equal (i) the accrued and unpaid interest on such Bonds, plus (ii) the interest that would accrue on such Bonds from such day to and including the first Business Day of the following month assuming such Bonds remain Outstanding until such day, calculated (x) at the actual rate of interest on such Bonds for any day interest is to accrue at a rate known on the day such draw is made, and (y) at the rate of _____ percent (____%) for any day interest is to accrue at a rate unknown on the date such draw is made. Notwithstanding the deposit of any such moneys under the Indenture and the reimbursement of the Bank for any such drawing under the Letter of Credit, the City shall have no right, title and interest in and to such moneys, which shall be held exclusively for the holders of the Bonds in accordance with the provisions of this Indenture. In the event the City causes to be delivered to the Trustee an effective amendment or supplement to the Letter of Credit increasing the stated amount thereof to an amount sufficient to pay principal amount of the Bonds plus ____ days interest with respect to Bonds bearing interest at a Commercial Paper Rate and ____ days interest with respect to Bonds bearing interest at a Fixed Rate, and if so directed in writing by the City, the Trustee shall make drawings under the Letter of Credit in accordance with paragraph (c) of this Section 5.03 rather than this paragraph (d).

Section 5.04 Alternate Letter Of Credit.

(a) Upon not less than thirty (30) days written notice to the Trustee, the Remarketing Agent and the Bank, and the satisfaction of conditions specified in this Section 5.04, the City may deliver to the Trustee an irrevocable Letter of Credit in substitution for the Letter of Credit then held by the Trustee. Upon receipt of notice from the City that it intends to deliver an Alternate Letter of Credit to the Trustee, the Trustee shall give Notice by Mail to Bondholders of the intended delivery of such Alternate Letter of Credit (which notice shall be given not less than fifteen (15) days prior to the proposed delivery date thereof).

(b) Any Alternate Letter of Credit shall be an irrevocable letter of credit issued by one or more commercial banks having the same material terms and provisions as the Letter of Credit delivered upon the original issuance of the Bonds.

(c) On or prior to the date of delivery of an Alternate Letter of Credit to the Trustee, there shall be delivered to the Trustee (i) written evidence from Moody's, if the Bonds are rated by Moody's, and from S. & P., if the Bonds are rated by S. & P., in each case to the effect that such rating agency has reviewed the proposed Alternate Letter of Credit and that the substitution of the proposed Alternate Letter of Credit for the Letter of Credit will not, by itself, result in a reduction or withdrawal of its ratings on the Bonds from those which then prevail, and (ii) an opinion of counsel to the issuer of the Alternate Letter of Credit to the effect that the Alternate Letter of Credit is a valid and binding obligation of the Bank issuing such Alternate Letter of Credit.

(d) An Alternate Letter of Credit may not be delivered while any of the Bonds bear interest at a Commercial Paper Rate unless the effective date of such Alternate Letter of Credit coincides with an Interest Payment Date for all Bonds that bear interest at a Commercial Paper Rate.

(e) Upon delivery of an Alternate Letter of Credit to the Trustee satisfying the requirements of this Section 5.04, the Trustee shall accept such Alternate Letter of Credit and concurrently surrender the existing Letter of Credit to the Bank for cancellation. If the existing Letter of Credit and the Alternate Letter of Credit are contemporaneously effective for any period, any draws made during such period shall be made under the Alternate Letter of Credit.

Section 5.05 Tax Levy To Reimburse Bank Or Pay Bonds.

For the purpose of providing funds to reimburse the Bank for drawings under the Letter of Credit to pay the principal or purchase price of and interest on the Bonds, or to pay the principal or purchase price of and interest on the Bonds, the City has levied, pursuant to Section ____ of the Bond Ordinance, a direct annual tax upon all taxable property in the City, which amount is estimated to be sufficient for such purposes.

Section 5.06 Insufficiency Of Taxes To Reimburse Bank.

If the proceeds of the taxes levied or to be levied hereunder are not available in time to make any payments when due under the Reimbursement Agreement, then the Comptroller is hereby directed to make such payments in accordance with the Reimbursement Agreement from any other moneys, revenues, receipts, income, assets or funds of the City that are legally available for that purpose in anticipation of the collection of the taxes.

Section 5.07 Bonds Not Presented For Payment.

(a) In the event any Bonds shall not be presented for payment when the principal thereof becomes due, either at maturity or at the date fixed for redemption thereof or otherwise, if moneys sufficient to pay such Bonds are held by the Trustee for the benefit of the Bondholders, the Trustee shall segregate and hold such moneys in a trust account separate and apart from the other funds and accounts held hereunder, without liability for interest thereon, for the benefit of Bondholders who shall (except as provided in the following paragraph) thereafter be restricted exclusively to such fund or funds for the satisfaction of any claim of whatever nature on their part under this Indenture. Any such moneys shall be invested in conformity with the provisions of paragraph (d) of Section 5.02 hereof relating to moneys in the Letter of Credit Fund.

(b) Any moneys which the Trustee shall segregate and hold in trust for the payment of the principal or purchase price of or interest on any Bond and which shall remain unclaimed for two (2) years after such principal or purchase price or interest has become due and payable shall, upon the City's, and, so long as the Reimbursement Agreement is in effect, the Bank's, written request to the Trustee, be paid to the City. After the payment of such unclaimed moneys to the City, the holder of such Bond shall thereafter look only to the City for the payment thereof, unless an abandoned property law designates another person, and all liability of the Trustee and the Bank with respect to such moneys shall thereupon cease.

Article VI.

General Covenants Of City.

Section 6.01 Pledge Of Full Faith, Credit And Resources Of The City.

The Bonds are general obligations of the City for the payment of which the City hereby pledges its full faith, credit and resources except to the extent the City's authority to levy property taxes in any year is limited by the Tax Limitation Ordinance. The principal of and interest on the Bonds shall be paid by the City as the same become due at the place, at the time and in the manner provided herein and in the Bonds from any moneys, revenues, receipts, income, assets or funds of the City legally available for such purpose.

Section 6.02 Indenture To Constitute Contract.

In consideration of the purchase and acceptance of the Bonds by the holders from time to time of the Bonds, the provisions of this Indenture and any Supplemental Indenture shall constitute a contract among the City, the Trustee and the Owners from time to time of the Bonds.

Section 6.03 Performance Of Covenants.

The City shall faithfully perform at all times to the extent applicable to the City any and all covenants, undertakings, stipulations and provisions contained in this Indenture, in any and every Bond executed, authenticated and delivered hereunder, in the Reimbursement Agreement, in each Letter of Credit Note and in the Remarketing Agreement, and in all proceedings pertaining thereto.

Section 6.04 Arbitrage And Tax Exemption Covenants.

(a) The City covenants for the benefit of the holders of the Bonds that it will not act so as to cause the proceeds of the Bonds, the earnings thereon and any other moneys on deposit in any fund or account maintained in respect of the Bonds (whether such moneys were derived from the proceeds of the sale of the Bonds or from other sources) to be used in a manner which would cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code or any comparable provision of any successor Internal Revenue Code of the United States of America.

(b) The City agrees to comply with all provisions of the Code, which if not complied with by the City, would adversely affect the tax-exempt status of the Bonds. The City further agrees: (i) through its officers, to make such further specific covenants, representations as shall be truthful, and assurances as may be necessary or advisable; (ii) to comply with all covenants, representations and assurances contained in any certificate or agreement executed and delivered by the City in connection with the issuance of the Bonds; (iii) to establish with the Trustee a Rebate Fund into which the City shall deposit amounts required to be rebated to the United States; (iv) to pay to the United States, as necessary, such sums of money representing required rebates of excess arbitrage profits relating to the Bonds; (v) to file such forms, statements and supporting documents as may be required and in a timely manner; and (vi) if deemed necessary or advisable by its officers, to retain fiscal agents, financial advisors, attorneys and other persons to assist the City in such compliance.

(ii) a failure to pay an installment of interest on the Bonds upon the day when the same shall become due;

(iii) a failure to pay the purchase price of and accrued interest on any validly tendered Bond under the provisions of Section 3.01 or 3.02 hereof, to the holder thereof upon the same Business Day such Bond is tendered;

(iv) a failure by the City to maintain the Letter of Credit as provided in this Indenture; or

(v) a failure by the City to observe and perform any covenant, condition, agreement or provision (other than as specified in clauses (i), (ii), (iii) or (iv) of this Section 7.01) contained in the Bonds or in this Indenture on the part of the City to be observed or performed, which failure shall continue for a period of ninety (90) days after written notice, specifying such failure and requesting that it be remedied, shall have been given to the Trustee and the City by Bondholders owning not less than a majority in aggregate principal amount of Bonds then Outstanding.

(b) Upon the occurrence and continuance of any Event of Default described in clauses (i), (ii), (iii), (iv) or (v) of paragraph (a) of this section, the Trustee may, and at the written request of Bondholders owning not less than a majority in aggregate principal amount of the Bonds then Outstanding, shall by written notice to the City, the Remarketing Agent and the Bank, declare the Bonds to be immediately due and payable, whereupon they shall without further action, become and be immediately due and payable, and the Trustee shall give notice thereof to the City, the Remarketing Agent and the Bank, and shall give Notice by Mail thereof to all Owners of Outstanding Bonds; provided that no such declaration shall be effective following the occurrence of an Event of Default under clause (v) of Paragraph (a) of this section without the express consent of the Bank unless the Bank shall have failed to honor a proper drawing under the Letter of Credit.

Section 7.02 Remedies.

Upon the occurrence and continuance of any Event of Default, then and in every such case the Trustee in its discretion may, and upon the written request of Bondholders owning not less than a majority in aggregate principal amount of the Bonds then Outstanding or the Bank (but only if the Bank shall not have failed to honor a proper drawing under the Letter of Credit) and, in addition, receipt of indemnity to its satisfaction shall, in its own name and as the trustee of an express trust:

(i) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Bondholders, and require the City or the Bank to carry out any agreements with or for the benefit of the Bondholders and to perform its or their duties under this Indenture and the Letter of Credit;

(ii) bring suit upon the Bonds; or

(iii) by action or suit at law or in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Bondholders.

Section 7.03 Rescission Of Notice Of Redemption; Restoration To Former Position.

(a) The provisions of Section 4.03(b) hereof are subject to the condition that any rescission and annulment of the consequences of the receipt of any notice given by the Bank pursuant to paragraph (c) of Section 4.01 hereof may constitute a rescission and annulment of the consequences thereof hereunder only if such notice of mandatory redemption shall not have been given to the Bondholders as provided herein and the Trustee shall have received written notice from the Bank that it has withdrawn the notice given pursuant to paragraph (c) of Section 4.01 and that the Letter of Credit is in force and effect in the aggregate principal amount thereof. Notice of such rescission and annulment shall be given by the Trustee to the City, the Remarketing Agent and the Bank prior to the notice to the Bondholders of such mandatory redemption.

(b) In the event that any proceeding taken by the Trustee to enforce any right under this Indenture shall have been discontinued or abandoned for any reason, or shall have been determined adversely to the Trustee, then the City, the Trustee, the Bank, the Bondholders and the Remarketing Agent respectively, shall be restored to their former positions and all rights, remedies and powers of each of such parties shall continue as though no such proceeding had been taken.

Section 7.04 Bondholders' Right To Direct Proceedings.

The Bondholders owning a majority in aggregate principal amount of the Bonds then Outstanding hereunder shall have the right, by an instrument in writing executed and delivered to the Trustee, to direct the time, method and place of conducting all remedial proceedings available to the Trustee under this Indenture or exercising any trust or power conferred on the Trustee by this Indenture; provided that (a) such direction shall not be in conflict with any rule of law or this Indenture, (b) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction and (c) the Trustee need not take any action which might involve it in personal liability unless indemnified to its satisfaction or which might be unjustly prejudicial to the Bondholders not consenting to such direction.

Section 7.05 Limitation On Bondholders' Right To Institute Proceedings.

No Bondholder, in its capacity as such, shall have any right to institute any suit, action or proceeding in equity or at law for the execution of any trust or power hereunder, or any other remedy hereunder or on said Bonds, unless such Bondholder previously shall have given to the Trustee written notice of an Event of Default as hereinabove provided and unless also Bondholders of not less than a majority in aggregate principal amount of the Bonds then Outstanding shall have made written request of the Trustee so to do, after the right to institute said suit, action or proceeding shall have accrued, and shall have afforded the Trustee a reasonable opportunity to proceed to institute the same in either its or their name, and unless there also shall have been offered to the Trustee security and indemnity satisfactory to it against the costs, expenses and liabilities to be incurred therein or thereby, and the Trustee shall not have complied with such request within a reasonable time; and such notification, request and offer of indemnity are hereby declared in every such case, at the option of the Trustee, to be conditions precedent to the institution of said suit, action or proceeding, it being understood and intended that no one or more of the Bondholders shall have any right in any manner whatever by its or their action to affect, disturb or prejudice the security of this Indenture, or to enforce any right hereunder or under the Bonds, except in the manner herein provided, and that all suits, actions and proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the equal benefit of all Bondholders.

Section 7.06 No Impairment Of Right To Enforce Payment.

All rights of action (including the right to file proof of claims) under this Indenture or under any of the Bonds secured hereby which are enforceable by the Trustee may be enforced by it without the possession of any of the Bonds, or the production thereof at the trial or other proceedings relative thereto, and any such suit, action or proceeding instituted by the Trustee shall be brought in its name for the equal and ratable benefit of the Bondholders, subject to the provisions of this Indenture.

Section 7.08 No Remedy Exclusive.

No remedy herein conferred upon or reserved to the Trustee, the Bank or to Bondholders is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative, and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute.

Section 7.09 No Waiver Of Remedies.

No delay or omission of the Trustee, the Bank or any Bondholder to exercise any right of power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default, or an acquiescence therein; and every power and remedy given hereunder to the Trustee, to the Bank and to the Bondholders, respectively, may be exercised from time to time and as often as may be deemed expedient.

Section 7.10 Application Of Moneys.

Any moneys received by the Trustee (except for proceeds of the remarketing of the Bonds and moneys drawn under the Letter of Credit, which shall be applied solely to the purposes for which such moneys were received or drawn, as provided herein, but including such Letter of Credit moneys if the Bank shall have failed to honor a proper drawing under the Letter of Credit), by any receiver or by any Bondholder pursuant to any right given or action taken under the provisions hereof, after payment of the costs and expenses of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by the Trustee, shall be deposited in the Bond Fund and all moneys so deposited in the Bond Fund during the continuance of an Event of Default (other than moneys for the payment of Bonds which have matured or otherwise become

payable prior to such Event of Default or for the payment of interest due prior to such Event of Default) shall be applied as follows:

(a) Unless the principal of all the Bonds shall have been declared due and payable, all such moneys shall be applied (i) first, to the payment to the persons entitled thereto of all installments of interest then due on the Bonds, in the order of maturity of the installments of such interest and, if the amount available shall not be sufficient to pay in full any particular installment of interest, then to the payment ratably, according to the amounts due on such installment, and (ii) second, to the payment to the persons entitled thereto of the unpaid principal of any of the Bonds which shall have become due (other than Bonds called for redemption for the payment of which money is held pursuant to the provisions of this Indenture) and, if the amount available shall not be sufficient to pay in full Bonds due on any particular date, together with such interest, then to the payment ratably, according to the amount of principal and interest due on such date, in each case to the persons entitled thereto, without any discrimination or privilege.

(b) If the principal of all the Bonds shall have been declared due and payable, all such moneys shall be applied to the payment of the principal and interest then due and unpaid upon the Bonds, without preference or priority of principal over interest or interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or privilege. If principal and interest on the Bonds and all other payments under this Indenture have been paid, any amounts remaining shall be paid to the Bank, to the extent that funds are owed to the Bank under and pursuant to the Reimbursement Agreement.

(c) If the principal of all the Bonds shall have been declared due and payable, and if such declaration shall thereafter have been rescinded and annulled under the provisions of Section 7.03 hereof, then, subject to the provisions of paragraph (b) of this Section 7.10 which shall be applicable in the event that the principal of all the Bonds shall later become due and payable, the moneys shall be applied in accordance with the provisions of paragraph (a) of this Section 7.10.

Whenever moneys are to be applied pursuant to this Section 7.10, such moneys shall be applied at such times, and from time to time, as the Trustee shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future. Whenever the Trustee shall apply such funds it shall fix the date (which shall be an Interest Payment Date unless it shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give notice of the deposit with it of any such moneys and of the fixing of

any such date by Notice by Mail to all Owners of Outstanding Bonds and shall not be required to make payment to any Owner until such Bond shall be presented to the Trustee for appropriate endorsement or for cancellation if fully paid.

Section 7.11 Severability Of Remedies.

It is the purpose and intention of this Indenture to provide rights and remedies to the Trustee, the Bank and the Bondholders which may be lawfully granted, but should any right or remedy herein granted be held to be unlawful, the Trustee, the Bank and the Bondholders shall be entitled, as above set forth, to every other right and remedy provided in this Indenture and by law.

Section 8.01 Appointment Of Trustee.

The City hereby appoints _____, Chicago, Illinois, as Trustee, for the purposes and upon the express terms and conditions set forth herein. The acceptance by the Trustee shall be evidenced by its execution and delivery of this Indenture. The City and the Bondholders by its delivery and their acceptance of delivery of any of the Bonds agree to the terms set forth in this Indenture.

Section 8.02 No Responsibility For Recitals.

The recitals, statements and representations contained in this Indenture or in the Bonds, save only the Trustee's authentication upon the Bonds, shall be taken and construed as made by and on the part of the City, and not by the Trustee, and the Trustee does not assume, and shall not have, any responsibility or obligation for the correctness thereof. Nothing contained in this Section 8.02 shall limit the responsibilities of the Trustee expressly set forth in this Indenture.

Section 8.03 Limitations On Liability.

The Trustee may execute any of the trusts or powers hereof and perform the duties required hereunder by or through attorneys, agents or receivers, and shall be entitled to, and may rely upon, written advice of counsel

concerning all matters of trust and duty hereunder, and the Trustee shall not be answerable for the negligence or misconduct of any such attorney or agent selected with reasonable care. Except during the continuance of an Event of Default, the Trustee need perform only those duties that are specifically set forth in this Indenture and no others. The Trustee shall not be answerable for the exercise of any discretion or power under this Indenture or for anything whatsoever in connection with the trust created hereby, except only for its own negligence or bad faith. The Trustee shall not be accountable for the use or application of the proceeds of any of the Bonds issued hereunder.

Section 8.04 Compensation, Expenses And Advances.

The Trustee shall be entitled to reasonable compensation for its services rendered hereunder (not limited by any provision of law in regard to the compensation of the Trustee of an express trust) and to reimbursement for its actual out-of-pocket expenses (including the reasonable compensation and disbursements of their agents and counsel) reasonably incurred in connection therewith except for such expenses incurred as a result of its negligence or bad faith. The City shall have the right to contest in good faith any fees or expenses of the Trustee without creating a default hereunder. If any Event of Default under this Indenture shall otherwise exist, the Trustee shall have, in addition to any other rights hereunder, a claim, prior to the claim of the Bondholders and the Bank, for the payment of its compensation and the reimbursement of its expenses and any advances made by the Trustee, as provided in this section, upon the moneys and obligations in the Bond Fund; provided, however, that such priority shall not relate or extend to (a) moneys drawn under the Letter of Credit (unless the Bank shall have failed to honor a proper drawing under the Letter of Credit), (b) remarketing proceeds, (c) moneys deposited with or paid to the Trustee for the payment or purchase of tendered Bonds which are deemed to have been paid in accordance with the provisions hereof, or (d) funds held pursuant to Section 5.07 hereof; and provided further, however, that nothing contained in this Section 8.04 shall limit or restrict the obligations of the Trustee (i) to draw upon the Letter of Credit at the times and in the manner required hereunder or (ii) apply the proceeds of such draws to the payment of the principal of, redemption or purchase price of, and interest on the Bonds as required herein and in the Bonds.

Section 8.05 Notice Of Events Of Default.

The Trustee shall not be required to take notice, or be deemed to have notice, of any default or Event of Default under this Indenture other than an Event of Default under clauses (i), (ii), (iii) or (iv) of Section 7.01(a) hereof, unless specifically notified in writing of such default or Event of Default by Owners of at least a majority in aggregate principal amount of the Bonds then Outstanding.

Section 8.06 Trustee To Maintain Office.

The Trustee shall at all times maintain an office in New York, New York, where Bonds may be presented for payment of the principal amount thereof upon maturity, redemption or tender.

Section 8.07 Good Faith Reliance.

The Trustee in the absence of bad faith on its part shall be protected and shall incur no liability in acting upon any resolution, notice, telegram, request, consent, waiver, certificate, statement, affidavit, voucher, bond, requisition or other paper or document or telephonic notice (where authorized by this Indenture) which it shall believe to be genuine and to have been passed or signed by the proper board, body or person or to have been prepared and furnished pursuant to any of the provisions of this Indenture, or upon the written opinion of any attorney, engineer, accountant or other expert, and the Trustee shall be under no duty to make any investigation or inquiry as to any statements contained or matters referred to in any such instrument, but may accept and rely upon the same as conclusive evidence of the truth and accuracy of such statements, provided that the Trustee shall not be so protected if the Trustee has actual knowledge with respect to such matters to the contrary.

Neither the Trustee nor the Remarketing Agent shall be bound to recognize any person as a Bondholder or to take any action at the request of such person unless satisfactory evidence of the ownership of such Bond shall be furnished to such entity.

Any request or direction of the City as provided in this Indenture shall be sufficiently evidenced by, and the Trustee may conclusively rely upon, a written instrument from the City signed by its Comptroller. As to any fact or circumstance concerning which the Trustee requests verification, the Trustee may conclusively rely upon a certificate signed by such Comptroller.

Section 8.08 Dealings In Bonds And With City.

The Trustee, the Bank and the Remarketing Agent, in their individual capacities, may buy, sell, own, hold and deal in any of the Bonds issued hereunder for their own account or that of any other person, and may join in any action which any Bondholder may be entitled to take with like effect as if they did not act in any capacity hereunder. The Trustee, the Bank and the Remarketing Agent, in their individual capacities, either as principal or agent, may also engage in or be interested in any financial or other transaction with the City and may act as depositary, trustee or agent for any committee or body of Bondholders secured hereby or other obligations of the City as freely as if they did not act in any capacity hereunder.

Section 8.09 Resignation Of Trustee.

The Trustee may resign and be discharged of the trusts created by this Indenture by executing an instrument in writing resigning such trust and specifying the date when such resignation shall take effect, and filing the same with the City, the Remarketing Agent and the Bank, not less than forty-five (45) days before the date specified in such instrument when such resignation shall take effect, and by giving Notice by Mail of such resignation, not less than twenty-one (21) days prior to such resignation date, to the Owners of Outstanding Bonds. Such resignation shall take effect on the day specified in such instrument and notice, but only if (a) a successor Trustee shall have been appointed and shall have accepted the duties of the Trustee as hereinafter provided, and (ii) the resigning Trustee transfers and assigns the Letter of Credit in accordance with its terms to the successor Trustee, in which event such resignation shall take effect immediately upon the appointment of and acceptance by such successor Trustee and the transfer and assignment of the Letter of Credit. If the successor Trustee shall not have been appointed within a period of ninety (90) days following the giving of such notice, then the Trustee shall be authorized to petition any court of competent jurisdiction to appoint a successor Trustee as provided in Section 8.13 hereof.

Section 8.10 Removal Of Trustee.

The Trustee may be removed by the Comptroller at any time prior to an Event of Default by filing with the Trustee, the Remarketing Agent and the Bank, an instrument or instruments in writing executed by the Comptroller, appointing a successor. Such removal shall be effective thirty (30) days (or such longer period as may be set forth in such instrument) after delivery of the instrument; provided that no such removal shall be effective until the successor Trustee appointed hereunder shall execute, acknowledge and deliver to the Comptroller an instrument accepting such appointment hereunder; and provided further, that the Trustee shall transfer and assign the Letter of Credit to the successor Trustee in accordance with its terms upon such removal.

Section 8.11 Appointment Of Successor Trustee.

In case at any time the Trustee shall be removed, or be dissolved, or if its property or affairs shall be taken under the control of any state or federal court or administrative body because of insolvency or bankruptcy, or for any other reason, then a vacancy shall forthwith and ipso facto exist in the office of the Trustee and a successor may be appointed, and in case at any time the Trustee shall resign, then a successor may be appointed by the Comptroller. After any appointment by the Comptroller, the Comptroller shall cause notice of such appointment to be given to the predecessor Trustee, the successor Trustee, the Remarketing Agent and the Bank, and shall cause

Notice by Mail to be given to all Bondholders. No such appointment shall be effective until the successor Trustee shall have accepted such appointment and the predecessor Trustee shall have transferred the Letter of Credit to the successor Trustee.

Section 8.12 Qualifications Of Successor Trustee.

Every successor Trustee (a) shall be a commercial bank with trust powers or a trust company other than any issuer of the Letter of Credit (i) duly organized under the laws of the United States or any state or territory thereof, (ii) authorized by law to perform all the duties imposed upon it by this Indenture and the laws of the State, and (iii) capable of meeting its obligations hereunder and (b) shall have a combined capital stock, surplus and undivided profits of at least $20,000,000.

Section 8.13 Judicial Appointment Of Successor Trustee.

In case at any time the Trustee shall resign and no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Indenture prior to the date specified in the notice of resignation as the date when such resignation is to take effect, the retiring Trustee may forthwith apply to a court of competent jurisdiction for the appointment of a successor Trustee. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, appoint a successor Trustee meeting the qualifications set forth in Section 8.12 hereof.

Section 8.14 Acceptance Of Trusts By Successor Trustee.

In order to evidence the acceptance of the position of Trustee hereunder, any successor Trustee appointed hereunder shall execute, acknowledge and deliver to the Comptroller an instrument accepting such appointment hereunder, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become duly vested with all the estates, property, rights, powers, trusts, duties and obligations of its predecessor in the trust hereunder, with like effect as if originally named Trustee herein. Upon request of such Trustee, such predecessor Trustee and the Comptroller shall execute and deliver an instrument transferring to such successor Trustee all the estates, property, rights, powers and trusts hereunder of such predecessor Trustee and, subject to the provisions of Section 8.04 hereof, such predecessor Trustee shall pay over and deliver to the successor Trustee all moneys and other assets at the time held by it hereunder.

Section 8.15 Successor By Merger Or Consolidation.

Any corporation into which any Trustee hereunder may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger or consolidation to which any Trustee hereunder shall be a party, shall be the successor Trustee under this Indenture, without the execution or filing of any paper or any further act on the part of the parties hereto, anything in this Indenture to the contrary notwithstanding.

Section 8.16 Standard Of Care; Action By Trustee.

Notwithstanding any other provisions of this Indenture, the Trustee shall, during the existence of an Event of Default of which the Trustee has actual notice, exercise such of the rights and powers vested in it by this Indenture and use the same degree of skill and care in its exercise as a prudent person would use and exercise under the circumstances in the conduct of his or her own affairs; provided, however, that the Trustee shall be under no obligation to take any action in respect of the execution or enforcement of any of the trusts hereby created, or to institute, appear in or defend any suit or other proceeding in connection therewith, unless requested in writing so to do by Bondholders of at least a majority in aggregate principal amount of the Bonds then Outstanding, and, if in its opinion such action may involve it in expense or liability, unless furnished from time to time as often as it may require, with security and indemnity satisfactory to it; but the foregoing provision is intended only for the protection of the Trustee, and shall not affect any discretion or power given by any provisions of this Indenture to the Trustee to take action in respect of any default or Event of Default without such notice or request from the Bondholders, or without such security or indemnity. Except as otherwise provided herein during the continuance of an Event of Default, the Trustee need perform only those duties that are specifically set forth in this Indenture and no others.

Section 8.17 Duties Of The Trustee.

The Trustee covenants and agrees:

(a) to keep such books and records as shall be consistent with prudent industry practice, and to make such books and records available for inspection by the City at all reasonable times; and

(b) to provide such information and reports to the Comptroller and the Bank as shall be reasonably requested in writing by the Comptroller or the Bank.

Section 8.18 Remarketing Agent.

The City hereby appoints _____ as Remarketing Agent for the purposes and upon the express terms set forth in the Remarketing Agreement.

Upon thirty (30) Business Days written notice, the Remarketing Agent may at any time resign or be removed and be discharged of the duties and obligations created by this Indenture under the terms described in the Remarketing Agreement. In the event of the resignation or removal of the Remarketing Agent, the Remarketing Agent shall pay over, assign and deliver any moneys and Bonds held by it in such capacity to its successor or, if there is no successor, to the Trustee.

In the event that the Comptroller shall fail to appoint a Remarketing Agent hereunder, or in the event that the Remarketing Agent shall resign or be removed, or be dissolved, or if the property or affairs of the Remarketing Agent shall be taken under the control of any state or federal court or administrative body because of bankruptcy or insolvency or for any other reason, and the Comptroller shall not have appointed its successor as Remarketing Agent, the Trustee shall be deemed to be the Remarketing Agent for all purposes of this Indenture until the appointment by the Comptroller of and the acceptance of such appointment by the Remarketing Agent or successor Remarketing Agent as the case may be; provided that the Trustee, in its capacity as Remarketing Agent, shall not be required to sell Bonds or to perform the duties set forth in Sections 2.02 or 2.03 hereof.

Article IX.

Section 9.01 Limitations On Amendments Of This Indenture.

This Indenture shall not be modified or amended in any respect subsequent to the issuance of the Bonds except as provided in and in accordance with the provisions of this Article IX.

Section 9.02 Amendments Without Bondholder Consent.

(a) The City and the Trustee may, from time to time and at any time, without the consent of or notice to the Bondholders, but upon notice to and with the written consent of the Bank, amend this Indenture as follows:

(i) to cure any formal defect, omission, inconsistency or ambiguity in this Indenture;

(ii) to grant to or confer or impose upon the Trustee for the benefit of the Bondholders any additional rights, remedies, powers, authority, security, liabilities or duties which may lawfully be granted, conferred or imposed and which are not contrary to or inconsistent with this Indenture as theretofore in effect, provided that no such additional liabilities or duties shall be imposed upon the Trustee without its consent;

(iii) to add to the covenants and agreements of, and limitations and restrictions upon the City in this Indenture other covenants, agreements, limitations and restrictions to be observed by the City which are not contrary to or inconsistent with this Indenture as theretofore in effect;

(iv) to confirm, as further assurance, any pledge under, and the subjection to any claim, lien or pledge created or to be created by, this Indenture, or of any moneys, securities or funds;

(v) to authorize a different denomination or denominations of the Bonds and to make correlative amendments and modifications to this Indenture regarding exchangeability of Bonds of different denominations, redemptions of portions of Bonds of particular denominations and similar amendments and modifications of a technical nature;

(vi) to comply with any applicable requirements of the Trust Indenture Act of 1939, as from time to time amended; or

(vii) to modify, alter, amend or supplement this Indenture in any other respect which is not materially adverse to the Bondholders or the Bank and which does not involve a change described in clause (i), (ii) or (iii) of Section 9.03(a) hereof and which, in the judgment of the Trustee (who may rely upon an Opinion of Bond Counsel), is not to the material prejudice of the Trustee.

(b) Before the City and the Trustee shall amend this Indenture pursuant to this Section 9.02, there shall have been delivered to the Trustee an Opinion of Bond Counsel stating that such amendment is authorized or permitted by this Indenture, complies with the terms hereof, will, upon the adoption thereof, be valid and binding upon the City in accordance with its terms and will not adversely affect the exclusion of interest on the Bonds from the gross income of the owners thereof for federal income tax purposes under the Code, and the Trustee may rely conclusively upon such opinion as to such matters.

Section 9.03. Amendments With Bondholder Consent.

(a) Except for any amendment adopted pursuant to Section 9.02 hereof, subject to the terms and provisions contained in this section and not

otherwise, the City and the Trustee may, from time to time, with the written consent of the Bank and the consent of Bondholders of not less than 75 percent in aggregate principal amount of the Bonds then Outstanding (excluding therefrom any Bonds then owned by the City), enter into any Supplemental Indenture deemed necessary or desirable by the City for the purposes of modifying, altering, amending, supplementing or rescinding, in any particular, any of the terms or provisions contained in this Indenture; provided, however, that, unless approved in writing by the Bank and the Bondholders of all the Bonds then Outstanding, nothing herein contained shall permit, or be construed as permitting, (i) a change in the times, amounts or currency of payment of the principal of or interest on any Outstanding Bond, a change in the terms of the purchase thereof by the Trustee, or a reduction in the principal amount or redemption price of any Outstanding Bond or the rate of interest thereon, or (ii) a preference or priority of any Bond or Bonds over any other Bond or Bonds, or (iii) a reduction in the aggregate principal amount of Bonds, the consent of the Bondholders of which is required for any such amendment.

(b) If at any time the City shall propose to enter into any Supplemental Indenture for any of the purposes of the section, the Trustee shall cause Notice by Mail of the proposed Supplemental Indenture to be given to all owners of Outstanding Bonds. Such notice shall briefly set forth the nature of the proposed Supplemental Indenture and shall state that a copy thereof is on file at the Principal Office of the Trustee for inspection by all Bondholders.

(c) Within six (6) months after the date of the first mailing of such notice, the City and the Trustee may enter into such Supplemental Indenture in substantially the form described in such notice, but only if there shall have first been delivered to the Trustee (i) the required consents, in writing, of Bondholders and the Bank, and (ii) an Opinion of Bond Counsel stating that such Supplemental Indenture is authorized or permitted by this Indenture, complies with the terms hereof and, upon the execution and delivery thereof, will be valid and binding upon the City in accordance with its terms and will not adversely affect the exclusion of interest on the Bonds from the gross income of the owners thereof for federal income tax purposes under the Code. The Trustee may rely conclusively upon such opinion as to such matters.

(d) If Bondholders of not less than the percentage of Bonds required by this section shall have consented to and approved the execution and delivery thereof as herein provided, no Bondholder shall have any right to object to the execution and delivery of such Supplemental Indenture, or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner question the propriety of the execution and delivery thereof, or to enjoin or restrain the City or the Trustee from executing and delivering the same or from taking any action pursuant to the provisions thereof.

Section 9.04 Effect Of Supplemental Indenture.

Upon the execution and delivery of any Supplemental Indenture pursuant to the provisions of this Indenture, this Indenture shall be and be deemed to be, modified and amended in accordance therewith, and the respective rights, duties and obligations under this Indenture of the City, the Trustee, the Bank and all Bondholders owning Bonds then Outstanding shall thereafter be determined, exercised and enforced under this Indenture subject in all respects to such modifications and amendments.

Article X.

Miscellaneous.

Section 10.01 Defeasance.

(a) If the City shall pay or cause to be paid to the Bondholders, the principal of and interest to become due thereon, at the times and in the manner stipulated therein and in this Indenture, then the pledge of any moneys, securities, funds and property hereby pledged and all other rights granted hereby shall be discharged and satisfied. In such event, the Trustee shall, upon the request of the City, execute and deliver to the City all such instruments as may be desirable to evidence such discharge and satisfaction, and the Trustee shall pay over or deliver all moneys or securities held by it pursuant to this Indenture which are not required for the payment or redemption of Bonds not theretofore surrendered for such payment or redemption. If the City shall pay or cause to be paid, or there shall otherwise be paid, to the Bondholders of all Outstanding Bonds the principal of and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Indenture, such Bonds shall cease to be entitled to any lien, benefit or security hereunder and all covenants, agreements and obligations of the City to the owners of such Bonds shall thereupon cease, terminate and become void and be discharged and satisfied.

(b) All Outstanding Bonds that bear interest at a Fixed Rate shall, prior to the maturity or redemption date thereof, be deemed to have been paid as meant and with the effect expressed in paragraph (a) of this section if (i) in case any of said Bonds are to be redeemed on any date prior to their maturity, the City shall have given to the Trustee in form satisfactory to it irrevocable instructions to give as provided in Article IV notice of redemption on said date of such Bonds, (ii) there shall have been deposited with or held by the Trustee either moneys in an amount which shall be sufficient, or noncallable, nonprepayable Government Obligations the principal of and the interest on which when due will provide moneys which, together with the moneys, if any, deposited with or held by the Trustee at the same time, shall be sufficient to pay when due the principal of and

interest due and to become due on said Bonds on and prior to the redemption date or maturity date thereof, as the case may be, as certified by an independent certified public accountant acceptable to the Trustee, and (iii) in the event said Bonds do not mature and are not by their terms subject to redemption within the next succeeding 60 days, the City shall have given the Trustee in form satisfactory to it irrevocable instructions to mail, as soon as practicable, by first class mail, postage prepaid, a notice to the Owners of such Bonds that the deposit required by (ii) above has been made with the Trustee and that said Bonds are deemed to have been paid in accordance with this section and stating such maturity or redemption date upon which moneys are to be available for the payment of the principal of and interest on said Bonds. Neither Government Obligations nor moneys deposited with the Trustee pursuant to this section nor principal or interest payments on any such Government Obligations shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of and interest on said Bonds; but any cash received from such principal or interest payments on such Government Obligations deposited with the Trustee, if not then needed for such purpose, shall to the extent practicable, be reinvested in Government Obligations maturing at times and in amounts sufficient to pay when due the principal of and interest to become due on said Bonds on and prior to such redemption date or maturity date thereof, as the case may be, and interest earned from such reinvestment shall be paid over to the City free and clear of any trust, lien or pledge, subject to any rights of the Bank under the Reimbursement Agreement.

(c) Nothing in this Indenture shall prohibit a deposit of Government Obligations as provided in Section 10.01(b) hereof from being subject to a subsequent sale of such Government Obligations and reinvestment of all or a portion of the proceeds of that sale of such Government Obligations which, together with money to remain so held in trust, shall be sufficient to provide for payment of principal, redemption premium, if any, and interest on any such Bonds as provided in and subject to the conditions set forth in Section 10.01(b) hereof. Amounts held by the Trustee in excess of the amount needed so to provide for payment of such Bonds may be subject to withdrawal by the City. The Comptroller and the Trustee are authorized to execute and deliver from time to time one or more agreements with counterparties selected by the Comptroller, with respect to the investment and use of such excess amounts held by the Trustee.

Section 10.02 Parties In Interest.

Except as herein otherwise specifically provided, nothing in this Indenture expressed or implied is intended or shall be construed to confer upon any person, firm or corporation other than the City, the Bank, the Trustee and the Bondholders any right, remedy or claim under or by reason of this Indenture, this Indenture being intended to be for the sole and exclusive benefit of the City, the Bank, the Trustee and the Bondholders.

Section 6.02 hereof shall not be construed to limit or restrict any rights or benefits conferred on the Bank hereunder.

Section 10.03 Severability.

(and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of D.T.C.), Any Transfer, Pledge Or Other Use Hereof For Value Or Otherwise By Or To Any Person Is Wrongful inasmuch as the registered owner hereof, Cede & Co., has an interest herein.

(Form Of Bond -- Reverse Side).

1. Authorization. This Bond is one of the duly authorized General Obligation Tender Bonds, Project Series 1995, of the City of Chicago (the "Bonds"), issued under and pursuant to the City's powers as a home rule unit of local government under Article VII of the Illinois Constitution of 1970, and a Trust Indenture, dated as of _____, from the City to the Trustee (the "Indenture"), for the purposes of (i) paying the costs of certain capital projects of the City, (ii) capitalizing certain interest on the Bonds and (iii) paying the expenses of the issuance of the Bonds.

2. Definitions. Any term used but not defined herein shall be defined as in the Indenture.

3. Source of Payments. The City has caused to be delivered to the Trustee an irrevocable letter of credit (the "Letter of Credit") of _____ (the "Bank"), in its capacity as issuer of the Letter of Credit, its successors in such capacity and its assigns, which Letter of Credit will expire by its terms at the close of business of the Bank on _____, 199__. The Trustee shall be entitled under the Letter of Credit to draw up to (a) an amount sufficient (i) to pay the principal of the Bonds, or (ii) to enable the Trustee to pay the purchase price or the portion of the purchase price equal to the principal amount of the Bonds delivered to it for purchase, plus (b) an amount equal to _____ (____) days accrued interest on the Outstanding Bonds at the rate of ____ percent per annum (i) to pay interest on the Bonds or (ii) to enable the Trustee to pay the portion of the purchase price of the Bonds delivered to it equal to the accrued interest, if any, on such Bonds. The City may, upon the conditions specified in the Indenture, provide for the delivery to the Trustee of an Alternate Letter of Credit, and upon conversion of the interest rate on any Bonds to a Fixed Rate, such Bonds may, but are not required to, be secured by a Letter of Credit.

This Bond, and the issue of which it is a part, shall be direct and general obligations of the City for the payment of which, both principal and interest, the City pledges its full faith, credit and resources except to the extent the City's authority to levy property taxes in any year is limited by the Tax Limitation Ordinance (as defined in the Indenture), and each such Bond shall be payable from any moneys, revenues, receipts, income, assets or funds of the City legally available for such purpose.

4. Interest Rate. Interest on the Bonds will be paid at a Weekly Rate, a Commercial Paper Rate or a Fixed Rate as determined by the City in accordance with the provisions of the Indenture. The City, acting through its Comptroller, or in certain cases, the Remarketing Agent, may change the Interest Rate Determination Method from time to time, which will result in a mandatory tender for purchase of the Bonds (see "Tenders" below). Distinct portions of the aggregate principal amount of the Bonds (a "Sub-series") may bear interest at a Weekly Rate, a Commercial Paper Rate or a Fixed Rate and one or more other distinct portions of the aggregate principal amount of the Bonds may bear interest at a different Short-Term Rate or a Fixed Rate, and, in addition, distinct Sub-series of the Bonds bearing interest at a Commercial Paper Rate may bear interest at distinct Commercial Paper Rates for distinct Commercial Paper Rate Periods, all as set forth in the Indenture.

When interest is payable at a Weekly Rate or Commercial Paper Rate it will be computed on the basis of the actual number of days elapsed over a year of 365 or 366 days, as applicable, and when payable at a Fixed Rate, on the basis of a 360-day year of twelve 30-day months.

5. Interest Payment and Record Dates. Interest will accrue on the unpaid portion of the principal of this Bond from the last date to which interest has been paid, or if no interest has been paid, from the date of the original issuance of the Bonds until the entire principal amount of this Bond is paid. When interest is payable at the rate in the first column below, interest accrued during the period (an "Interest Period") set forth in the second column will be paid on the date (an "Interest Payment Date") set forth in the third column to Bondholders of record on the date (a "Record Date") set forth in the fourth column:

Rate	Interest Period	Interest Payment Date	Record Date
Weekly	From any Interest Payment Date or the first day on which Bonds (or Sub-series, if applicable) bear interest at a Weekly Rate through the day preceding the next Interest Payment Date	First Business Day of each month and at maturity	Last Business Day before the Interest Payment Date
Commercial Paper	From 1 to ____ days as determined for Bonds (or Sub-series, if applicable) pursuant to the Indenture ("Commercial Paper Rate Period")	First Business Day immediately following the applicable Commercial Rate Period and at maturity	Last Business Day before the Interest Payment Date
Fixed	From any interest Payment Date or the first day on which Bonds (or Sub-series, if applicable) bear interest at a Fixed Rate through each succeeding June 30, December 31	The day following the end of the Interest Period	The fifteenth day of June or December preceding the Interest Payment Date

The term "Business Day" is defined in the Indenture.

6. Method of Payment. Bondholders must surrender Bonds to the Trustee to collect principal or the redemption price (see "Tenders" below). All payments of interest on the Bonds shall be paid by the Trustee to Bondholders of record as shown on the registration books kept by the Trustee on the applicable Record Date. Such interest shall be paid on the Interest Payment Date or special interest payment date, as applicable, in immediately available funds pursuant to instructions given in accordance with the provisions of the Indenture, or if no instructions are given as aforesaid, by clearinghouse funds check or draft mailed on the Interest Payment Date to the persons entitled thereto at such address appearing on the registration books of the Trustee or at such other address as has been furnished to the Trustee in writing by such person. Principal and interest will be paid in money of the United States that at the time of payment is legal tender for payment of public and private debts. If any payment on the Bonds is due on a day other than a Business Day, it will be made on the next Business Day, and no interest will accrue as a result.

7. Tenders. "Tender" means to require, or the act of requiring, the purchase of a Bond under the provisions of this paragraph 7 at 100 percent of the principal amount thereof plus accrued interest, if any, to the date of purchase.

(a) Optional Weekly Rate Tender. When interest on any Bonds (or Subseries, if applicable) is payable at a Weekly Rate, a holder of a Bond may tender such Bond or portion thereof, provided that such portion is in an Authorized Denomination, by delivering:

(i) an irrevocable written notice to the Trustee and the Remarketing Agent (see addresses below) by 4:00 P.M., New York City time, on a Business Day, stating the principal amount of the Bond and the purchase date (which must be a Business Day not less than seven (7) days following the date of such notice); and

(ii) the Bond to the Trustee (see address below) by 12:00 Noon, New York City time, on the date of purchase (see additional requirements below), or while the Bonds are in Book-entry form, other delivery arrangements satisfactory to the Trustee shall have been made.

Bonds Not So Tendered On The Applicable Optional Tender Date Pursuant To Paragraph (A) Above Shall Be Deemed Tendered By The Bondholder Thereof As Of Such Date And Such Bonds Shall Thereafter Cease To Bear Interest Provided Funds For The Payment Of The Purchase Price Of Such Bonds Have Been Deposited With The Trustee.

(b) Mandatory Tenders. The Bonds (or Sub-series, if applicable) are required to be tendered to the Trustee for purchase at a purchase price equal to 100 percent of the principal amount thereof plus accrued interest, if any, to the date of purchase under the circumstances described below. By Acceptance Of This Bond, The Registered Owner Agrees To Tender This Bond For Purchase Under The Circumstances Described Below. Bonds Not So Tendered On The Applicable Mandatory Tender Date Shall Be Deemed Tendered By The Bondholders Thereof As Of Such Date And The Bonds Shall Thereafter Cease To Bear Interest Provided Funds For The Payment Of The Purchase Price Of Such Bonds Have Been Deposited With The Trustee.

(i) Mandatory Tender on each Interest Payment Date During Commercial Paper Rate Period. When any Bonds (or Sub-series, if applicable) bear interest at a Commercial Paper Rate, such Bonds shall be subject to mandatory tender as provided above on the Interest Payment Date for such Bonds. If Bonds are also subject to mandatory tender under paragraph (ii) below, the mandatory tender will be governed by that paragraph and not this paragraph.

(ii) Mandatory Tender Upon a Change in the Interest Rate Determination Method for the Bonds. On the effective date of a change in the Interest Rate Determination Method for the Bonds (or Sub-series, if applicable) such Bonds are subject to mandatory tender as provided above on the effective date of such change.

(c) Payment of Purchase Price. The purchase price for a Bond tendered for purchase will be paid in immediately available funds by the close of business on the date of purchase. In order to receive such purchase price, the Bond must conform in all respects to the description contained in the applicable notice delivered by the Bondholder pursuant to paragraph 7(a)(i) above, and must be physically delivered to the trustee properly endorsed for transfer, or while the Bonds are in Book-entry form, other delivery arrangements satisfactory to the Trustee shall have been made. Any Bond delivered to the Trustee must be accompanied by an instrument of transfer executed in blank by the Bondholder with the signature of such Bondholder guaranteed by a bank, trust company or member firm of The New York Stock Exchange, Inc.. The Trustee may refuse to accept tender of a Bond delivered to the Trustee if a proper instrument of transfer is not provided.

(d) Delivery Addresses; Additional Delivery Requirements. Notices in respect of tenders and Bonds tendered must be delivered as follows:

Notices To Remarketing Agent:

(e) Effect of Redemption or Mandatory Tender. Bonds optionally tendered for purchase on a date after a call for redemption but before the redemption date, and Bonds optionally tendered for purchase before a mandatory tender date, shall be purchased pursuant to the optional tender.

8. Redemption of Bonds Prior to Maturity. The Bonds are subject to redemption prior to maturity as provided below. Except as otherwise provided herein or in the Indenture, if less than all the Bonds are to be redeemed, the particular Bonds to be called for redemption shall be selected by the Trustee: first, from Bonds held in the Custody Account (i. e., Bonds tendered but not remarketed or purchased by the City); and second, from all other Bonds Outstanding by lot from numbers assigned to each $100,000 ($5,000 with respect to Bonds bearing interest at a Fixed Rate) of principal of such Bonds in a manner which the Trustee determines to be fair.

During the Fixed Rate Period. When any Bonds bear interest at a Fixed Rate, such Bonds are subject to redemption in whole or in part, at the option of the City, at the time (measured in each case from the Conversion Date to the maturity date of such Bonds), and at the redemption prices (expressed as percentages of principal amount) set forth below plus accrued interest to the redemption date:

Mandatory Redemption.

Sinking Fund Redemption. Year	Principal Amount	Year	Principal Amount

Mandatory Redemption in Whole Upon Letter of Credit Expiration or Termination. The Bonds shall be subject to mandatory redemption in whole by the City at 100 percent of the principal amount thereof plus accrued interest to the date of redemption (i) on the fifth Business Day immediately preceding the expiration date of the Letter of Credit unless (x) the expiration date will occur on the first day of a Fixed Rate Period and the City has elected not to have a Letter of Credit or Alternate Letter of Credit in effect during the Fixed Rate Period, or (y) an Alternate Letter of Credit shall be

delivered to the Trustee not less than five (5) Business Days prior to the expiration date, (ii) as soon as practicable following receipt of notice by the Trustee from the Bank that the Letter of Credit will not be reinstated in accordance with its terms and the terms of the Reimbursement Agreement, and (iii) as soon as practicable following receipt of notice by the Trustee from the Bank that an Event of Default has occurred under the Reimbursement Agreement with the result that the Bank is exercising its right to direct the redemption of all Outstanding Bonds secured by the Letter of Credit.

(c) Notice of Redemption. Notice of redemption shall be given by the Trustee by mail, not less than thirty (30) nor more than sixty (60) days prior to the date fixed for redemption (and not less than ten (10) nor more than fifteen (15) days in the case of the event described under "Mandatory Redemption in Whole Upon Letter of Credit Expiration or Termination"), to the owner of each Bond at the address shown on the registration books of the City kept by the Trustee. Each notice of redemption shall state the redemption date, the place of redemption, the source of the funds to be used for such redemption, the principal amount and, if less than all, the distinctive numbers of the Bonds to be redeemed, and shall also state that interest on the Bonds designated for redemption shall cease to accrue from and after such redemption date and upon satisfaction of any condition to such redemption.

Failure duly to give notice of redemption by mail to any particular Bondholder, or any defect therein, shall not affect the validity of any proceedings for the redemption of Bonds for which notice has properly been given.

(d) Effect of Notice of Redemption. When notice of redemption is given as required, Bonds (or portions thereof) called for redemption shall become due and payable on the redemption date at the applicable redemption price; provided that funds are deposited with the Trustee sufficient for such redemption, interest on the Bonds (or portions thereof) to be redeemed shall cease to accrue as of the date of redemption.

9. Denominations; Transfer; Exchange. The Bonds are issuable in fully registered form in Authorized Denominations. A holder may transfer or exchange Bonds in accordance with the Indenture. The Trustee may exchange Bonds in accordance with the Indenture. The Trustee may require a Bondholder, among other things, to furnish appropriate endorsements and transfer documents and to pay any taxes and fees required by law or permitted by the Indenture. The Bonds may be exchanged for other Bonds at the principal office of the Trustee upon the terms set forth in the Indenture.

10. Persons Deemed Owners. The registered Bondholder of this Bond shall be treated as the owner of this Bond for all purposes.

11. Unclaimed Money. If moneys for the payment of principal, interest or purchase price remain unclaimed for two (2) years, the Trustee will, upon the request of the City and with the consent of the Bank, pay such moneys to or for the account of the City. Thereafter, Bondholders entitled to such moneys must look only to the City and not to the Trustee or the Bank for payment.

12. Amendment and Supplement, Waiver. Subject to certain exceptions, the Indenture may be amended or supplemented, with the consent of the holders of sixty percent (60%) in aggregate principal amount of the Bonds. Without the consent of any Bondholder, the City and the Trustee may enter into amendments or supplements to the Indenture as provided in the Indenture to, among other purposes, cure any ambiguity, omission, formal defect or inconsistency, or to make any change that does not materially adversely affect the rights of any Bondholder.

13. Defaults and Remedies. The Indenture provides that the occurrences of certain events constitute Events of Default. If certain Events of Default occur, the Trustee may, and at the written request of a majority in aggregate principal amount of the Bonds shall, declare the principal of all the Bonds to be due and payable immediately. An Event of Default and its consequences may be waived as provided in the Indenture. Bondholders may not enforce the Indenture or the Bonds except as provided in the Indenture. The Trustee may refuse to enforce the Indenture or the Bonds unless it receives indemnity satisfactory to it. Subject to certain limitations, holders of a majority in aggregate principal amount of the Bonds may direct the Trustee in its exercise of any trust or power.

14. No Recourse Against Others. No member, official, officer, agent or employee, as such, of the City shall have any liability for any obligations of the City under the Bonds or the Indenture or for any claim based on such obligations or their creation. Each Bondholder by accepting a Bond waives and releases all such liability. The waiver and release are part of the consideration for the issue of the Bonds.

15. Authentication. This Bond shall not be valid until the Trustee executes the certificate of authentication on this Bond.

16. Abbreviations. Customary abbreviations may be used in the name of a Bondholder or an assignee, such as Ten. Com. (= tenants in common), Ten. Ent. (= tenants by the entireties), Jt. Ten. (= joint tenants with right of survivorship and not as tenants in common), Cust. (= Custodian), and U.G.M.A. (= Uniform Gifts to Minors Act).

Exhibit 1.

Amendment No. ____ To The Amended And Restated Airport Use Agreement And Terminal Facilities Lease.

This Amendment No. ____ to the 1983 Airport Use Agreement and Terminal Facilities Lease, as amended, made and entered into as of this 1st day of January, 1994, by and between the City of Chicago, a municipal corporation and home rule unit of local government organized and existing under Sections 1(a) and 6, respectively, of the 1970 Constitution of the State of Illinois ("City"), and Air Canada, a corporation organized and existing under the laws of the government of Canada ("Airline").

Whereas, Section 27.05 of the Use Agreement provides that the Use Agreement may only be amended in writing signed by the City and Airline;

Now, Therefore, In consideration of the premises and of the mutual covenants and agreements herein contained, City and Airline agree as follows:

Section 1. The recitals set forth above are incorporated by reference as if fully set forth herein.

Section 2. The Use Agreement is hereby amended as follows:

(Sub)Exhibit J-1 dated January 1, 1994 and (Sub)Exhibit K-1 dated January 1, 1994, attached hereto, hereby supersedes any (Sub)Exhibit J, J-1, K or K-1 previously in effect.

Section 3. This Amendment may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

Section 4. This Amendment constitutes the sole change to the Use Agreement. No other terms or conditions are modified and no other changes shall be implied herefrom.

Section 5. Execution of this Amendment by the City is authorized by ordinance passed by the City Council of the City on _____ (Council Journal of Proceedings, page _____).

Section 6. Execution of this Amendment by this Airline is authorized according to the attached representation.

The Committee on Energy, Environmental Protection and Public Utilities submitted the following report which was, on motion of Alderman Burke and Alderman Levar, *Deferred* and ordered published:

CHICAGO, December 21, 1994.

To the President and Members of the City Council:

Your Committee on Energy, Environmental Protection and Public Utilities, having had under consideration an ordinance to reestablish a moratorium on sanitary landfills and establish permit requirements with respect to waste facilities, having had the same under advisement, begs leave to report and recommend that Your Honorable Body pass the proposed ordinance transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee.

Respectfully submitted,

(Signed) MARK J. FARY,
Chairman.

The following is said ordinance transmitted with the foregoing committee report:

WHEREAS, Economic and population growth in the Chicago metropolitan area have resulted in an increase in waste materials; and

WHEREAS, Concentration of population in urban areas has created serious problems in the disposal of solid wastes; and

WHEREAS, Communities throughout the City of Chicago oppose the creation of additional landfills and liquid waste handling facilities as a result of legitimate concerns relating to the health, safety and land use problems created by such sites; and

WHEREAS, Improper methods of disposal result in serious hazards to the public health and interfere with community life and development; and

WHEREAS, The City of Chicago is a home rule unit of government in accordance with Section 6(a) of Article VII of the 1970 Constitution of the State of Illinois and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, Chapter 11-4 of the Municipal Code of Chicago, pertaining to environmental protection and control, should be amended to ensure that public health and safety considerations are clearly observed with respect to the operation of various waste facilities; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. (a) Section 11-4-120 of the Municipal Code is hereby amended by adding the following definition:

"Expansion" means, with respect to any sanitary landfill, an increase in the horizontal boundary and/or vertical boundary of the area permitted for disposal by the Department of the Environment which allows an increase of waste disposal capacity at the landfill. A change of the horizontal and/or vertical boundary that does not allow increased disposal capacity shall not be deemed an expansion.

(b) The definition of "transfer station" as set forth in Section 11-4-120 is hereby repealed, and a new definition of "transfer station" is set forth as follows:

"Transfer station" means a site or facility that accepts waste for sorting and/or consolidation, and for further transfer to a waste disposal, treatment, or handling facility.

(c) Section 11-4-120 of the Municipal Code is hereby amended by adding the following definition:

"Including" shall be construed as a term of enlargement and not a term of limitation or enumeration.

SECTION 2. Section 11-4-250 of the Municipal Code is hereby amended by adding the language in italics, as follows:

11-4-250 Waste Handling Facilities -- Permit Required.

It shall be unlawful for any person to install or to construct any liquid waste handling facility, resource recovery facility, incinerator, sanitary landfill, *transfer station* or any facility that disposes, *handles* or treats any waste in the City of Chicago without having obtained a written permit from the Commissioner. No changes, additions, expansions or extensions to any such facility shall be made without having obtained a written permit from the Commissioner. *For purposes of this section, an expansion or extension shall refer to an increase in the horizontal and/or vertical permitted limits of a facility or an increase in the handling or treating capacity of a facility; provided, however, the definition of expansion with respect to sanitary landfills shall be as set forth in Section 11-4-120.*

Any operation at any such facility which exceeds or does not comply with the plans and specifications of the facility reviewed and approved by the Commissioner pursuant to the permit application, or which violates any of the conditions imposed by the permit, or which violates any provisions of this chapter or regulations promulgated hereunder will constitute grounds for revocation of the permit.

SECTION 3. Section 11-4-300 of the Municipal Code is hereby amended by striking the language in brackets and adding the language in italics, as follows:

11-4-300 Permit Issuance Conditions.

Any application pursuant to Sections 11-4-240, [11-4-250,] 11-4-260 and 11-4-350 shall be approved or rejected within 90 days after it is filed in the Office of the Commissioner. A permit for a fuel-burning, combustion or process equipment or device may be issued if (a) the plans and specifications comply with the provisions of this chapter and the rules and regulations promulgated hereunder; (b) applicable permit fees are paid; *and* (c) the operation of the equipment or device will not result in a release of contaminants or emissions prohibited by or under this chapter. The issuance of a permit for any fuel-burning, combustion or process equipment or device may be conditioned upon operational requirements including restrictions on type of fuel or emission control devices to be utilized.

SECTION 4. Section 11-4-1500(e) of the Municipal Code is hereby amended by deleting the language in brackets and adding the language in italics, as follows:

A transfer station [may handle municipal waste solely for the purpose of transferring that waste from smaller vehicles to larger vehicles for disposal in a permitted sanitary landfill or incinerator] *may accept waste*

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Section 10-8-330 of the Municipal Code of Chicago is hereby amended by deleting the language bracketed and inserting the language in italics, as follows:

10-8-330

a. The following terms are defined for the purposes of this chapter as follows:

(1) "Parade" means any march, procession or other similar activity consisting of persons, animals, vehicles or things, or combination thereof, upon any public street, sidewalk, alley or other public place, which does not comply with normal and usual traffic regulations or controls.

(2) "Public assembly" means a company of persons collected together in one place.

(3) "Athletic event" means any event involving the conduct of exercises, sports or games.

b. No parade, public assembly or athletic event is permitted on any portion of the public way of the city of Chicago unless a permit allowing such activity has been obtained from the department of transportation.

c. A person, partnership, voluntary association, or other organization seeking to obtain a parade or public assembly permit shall file an application with the commissioner of transportation in the same calendar year as, and not less than seven days before, the date for which the parade or public assembly is proposed, unless the requested permit is for a parade or public assembly to be held in January, in which case the application must be filed seven days before the date for which the parade or public assembly is requested.

d. A person, partnership, voluntary association or other organization seeking to obtain an athletic event permit shall file an application with the commissioner of transportation in the same calendar year as, and not

less than 45 days before, the date for which the athletic event is requested, unless the requested permit is for an event to be held in January, in which case the application must be filed 45 days before the date for which the athletic event is requested.

e. The application for a parade, public assembly or athletic event permit shall contain the following information, which must be updated by the applicant as circumstances change:

(1) The name, address, and telephone number of the person signing the application;

(2) The name, address, and telephone number of the authorized and responsible leaders of the organization conducting the parade, public assembly or athletic event;

(3) The date of the proposed parade, public assembly or athletic event and the hours that it will commence and terminate;

(4) The location of the assembly and disbanding area and thetime when the parade, public assembly or athletic event will begin to assemble and disband;

(5) The approximate number of persons to participate in the parade, public assembly or athletic event; and

(6) The route along which the parade, public assembly or athletic event will proceed, and the lanes of traffic it will occupy.

The application for a parade, public assembly or athletic event permit shall be accompanied by a nonrefundable processing fee of $35.

f. The commissioner of transportation, where good and compelling causes are shown therefor, may consider any application for a parade or public assembly permit which is filed less than seven days before the date such parade or public assembly is proposed to be conducted.

g. Except as otherwise provided in this subsection all applications for any permit filed hereunder shall be processed on a first-in-time basis. During the first two business days of each calendar year, the commissioner of transportation shall accept all applications for a parade or public assembly permit filed hereunder without giving priority to applications filed first in time. Any conflict between or among two or more such applications filed during that period for the same day or for overlapping routes shall be resolved by a lottery to be conducted by the commissioner.

The commissioner of transportation shall notify each such applicant in writing of the existence of the conflict and of the date, place and time of the lottery. Within seven days after the lottery, the applicants not chosen may submit alternative preferences to the commissioner. Any conflict arising among the alternative preferences shall be resolved in accordance with the lottery procedures set forth herein.

Applications for a parade or public assembly permit received during the first two business days of the calendar year shall be given priority over applications received thereafter.

h. The commissioner of transportation shall investigate the facts set out in the application and shall issue a permit when he or she finds that:

(1) The proposed activity will not substantially or unnecessarily interfere with traffic in the area contiguous to the route;

(2) There are available at the time of the parade, public assembly or athletic event a sufficient number of peace officers to police and protect lawful participants in the activity;

(3) The concentration of persons, animals, vehicles, or things at the assembly and disbanding areas and along the parade or athletic event route will not prevent proper fire and police protection or ambulance service;

(4) The event is not being conducted for an unlawful purpose; [and]

(5) An applicant for an athletic event permit has complied with subsection (j) herein; and

(6) If the application is for an athletic event for which fees will be charged for participation in the event, the proposed athletic event will be in the best interest of the City in light of (i) the apparent ability of the applicant to comply with the requirements of this section, and (ii) the willingness and financial ability of the applicant to conduct the event in a manner appropriate to the type of the event, and to pay any prizes that the applicant has advertised or is likely to advertise. In making a determination under this paragraph (6), the commissioner may consider the experience of the applicant in conducting the same or similar events, and may require additional information from the applicant with respect to the proposed event and the applicant's financial situation.

i. The commissioner of transportation shall act upon the application for a parade or public assembly permit within two days after the filing thereof. If the commissioner of transportation disapproves the application, the commissioner shall mail to the applicant within two days after the date upon which the application was filed, a notice of his *or her*

action, stating the facts and conclusions which are the basis for his *or her* denial of the permit. Any applicant who believes that his *or her* application is wrongfully disapproved may appeal to the mayor the propriety of said action. Upon the filing of such appeal, the mayor shall cause a hearing to be held and based upon the evidence contained in the record of such hearing, either affirm or reverse the decision of the commissioner of transportation. The action of the mayor shall be subject to judicial review in accordance with applicable law. In the event that the commissioner of transportation fails to act within two days after the date upon which the application was filed, said application for a permit shall be deemed approved and the permit deemed granted in conformance with the application.

j. Upon the filing of an application to conduct an athletic event, the commissioner of transportation shall investigate the facts set forth in the application and determine:

(1) The amount, if any, to be tendered to the city of Chicago by the applicant to compensate the city for the provision of any city services deemed necessary by the commissioner for the safe and orderly conduct of the athletic event; and

(2) The amount, if any, of any bond or insurance, naming the city of Chicago as the insured, that the commissioner determines is necessary to insure the city against any liability arising from the athletic event.

No athletic event permit shall be issued until such fees are paid or bonds furnished. The commissioner shall adopt rules and regulations to govern the determination of whether any fees or bonds are required and the amount of any such fees or bonds.

(k) The commissioner of transportation shall inform such applicant for an athletic event permit whether the application is approved or disapproved within 30 days after the filing thereof. If the commissioner approves the application, he *or she* shall inform the applicant within such time of the compensation, insurance or bond, if any, required pursuant to subsection (j). If the commissioner disapproves the application, [he] *the commissioner* shall provide written notice of his *or her* action within such time, stating the specific facts and conclusions which are the basis for his *or her* denial of the permit. If the commissioner fails to act within 30 days after the date upon which the application was filed, said application for an athletic event permit shall be deemed approved and the permit deemed granted in conformance with the application.

l. The commissioner of transportation in denying an application for a parade, public assembly or athletic event permit shall be empowered to authorize the conduct of a parade, public assembly or athletic event on a date, at a time, at a location, or over a route different from that named by

the applicant. An applicant desiring to accept an alternate parade, public assembly or athletic event permit shall, within two business days after notice of the action by the commissioner, file a written notice of acceptance with the commissioner. n. The commissioner of transportation, in consultation with other city departments and agencies, shall promulgate rules and regulations to implement this section.

o. Any person who knowingly interferes with any other person or organization lawfully conducting a parade, public assembly or athletic event or any person violating any of the provisions of this ordinance shall be fined not less than $5.00 nor more than $500.00.

SECTION 2. This ordinance shall be in full force and effect from and after its passage and approval.
