Alderman Burke moved to *Suspend the Rules Temporarily* for the immediate consideration of and action upon the said proposed resolution. The motion *Prevailed*.

The following is said proposed resolution:

WHEREAS, Chicago Police Officer Daniel J. Doffyn was slain in the line of duty on March 8, 1995, at the age of forty; and

WHEREAS, Officer Doffyn received his fatal injury while responding to a radio call on a burglary across from the Austin District police station; Officer Doffyn and other police officers bravely chased down and caught up with three fleeing gang members found hiding out in an apartment at 740 North Lorel Avenue when one of them opened fire with an assault weapon, fatally shooting Officer Doffyn; and

WHEREAS, The heroic action of Officer Doffyn led to the apprehension of the three gang members, who less than half an hour earlier had been involved in another shooting, and to the confiscation of the four weapons used in the shootout and cocaine and heroin stashed in the apartment; and

WHEREAS, Officer Doffyn's speed and courage in answering the burglary call were acknowledged by all, including Austin District Commander LeRoy O'Shield, who stated, "He exemplified the very finest the Police Department has to offer. He was not assigned this job but responded to it"; and

WHEREAS, It was Officer Doffyn's longtime dream to become a Chicago Police Officer; he graduated from the Police Academy July 5, 1994 and although tragedy ended his service on the force after only eight months, he was known as an excellent, dedicated and enthusiastic officer who loved his chosen profession; and

WHEREAS, Daniel Doffyn was a devoted loving father to his eight year old daughter Brittany, with whom he lived in their northwest side home, and the beloved only son of his parents, Lea and Roger, who lived upstairs; and

WHEREAS, Daniel Doffyn was a good family man, neighbor and friend who relished life and was often out bicycle riding and rollerskating with his daughter in their neighborhood; and

WHEREAS, Daniel Doffyn's bravery and dedication to serving the people of Chicago earned him the respect and admiration of all who knew him; his exemplary service was honored at his funeral by the attendance of over 2,000 police officers and numerous dignitaries and by presentation of the flag of the City of Chicago to his parents; now, therefore,

Be It Resolved, That we, the Mayor and the members of the City Council of the City of Chicago, assembled this twelfth day of April, 1995 do hereby celebrate the life and memory of Officer Daniel J. Doffyn, and express our deep appreciation for his fearless service to the people of this City; and

Reflecting upon the often questionable societal criteria for recognition of heroes, Mayor Daley observed that Officer Doffyn made the ultimate sacrifice on behalf of his fellow citizens. The Mayor then reiterated and expanded upon the observation of several aldermen that all Chicagoans would benefit by lifting the veil of anonymity under which our officers serve, declaring that Chicagoans must not only offer our police officers recognition, but also their full support. Mayor Daley then expressed his personal sympathy and extended his condolences to the family of Officer Daniel J. Doffyn.

All such repairs shall be made by the City's representatives and the Purchaser shall pay for all repairs made. The Purchaser shall be responsible for replacing any meters which have been in service for a period longer than authorized or which are defective and not capable of being repaired. All such replacements shall be at the expense of the Purchaser.

(22) When it is determined that a water meter registered incorrectly, an estimate of the amount of water furnished through the faulty meter shall be prepared by the Commissioner for the purpose of billing the Purchaser. The estimate shall be based upon the average of twelve preceding readings of the meter, exclusive of incorrect readings. When less than twelve correct readings are available, fewer readings, including some obtained after the period of incorrect registration, may be used.

(23) The Purchaser shall assure that reservoirs of sufficient capacity are provided in its entire system including its own system and the entities served to store twice the annual daily average allocation of water to the Purchaser and the entities furnished water by the Purchaser's water system as authorized by the State of Illinois, Department of Transportation Opinion and Order Number LMO 89-2, as amended from time to time, and any revisions to the allocations. All reservoirs provided by the Purchaser's water system shall be considered in meeting this requirement. Such rates and penalty may be changed by the City from time to time in its sole discretion.

(28) Payments to be made by the Purchaser hereunder to the City for water furnished to the Purchaser shall be solely from the revenues (the "Revenues") derived from the operation of the Purchaser's water system. The Purchaser covenants and agrees to charge such rate or rates for the furnishing of water to its customers so that the Revenues

shall at all times be sufficient to pay in full all amounts due to the City from the Purchaser hereunder.

The Committee on Energy, Environmental Protection and Public Utilities submitted the following report:

CHICAGO, April 12, 1995.

To the President and Members of the City Council:

Your Committee on Energy, Environmental Protection and Public Utilities, having had under consideration a resolution memorializing the Clinton administration and the United States Congress to support the appropriation to the Low-Income Energy Assistance Block Grant, having

had the same under advisement, begs leave to report and recommend that Your Honorable Body *Adopt* the proposed resolution transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee.

Respectfully submitted,

(Signed) MARK J. FARY,
Chairman.

On motion of Alderman Buchanan, the said proposed resolution transmitted with the foregoing committee report was *Adopted* by yeas and nays as follows:

Yeas -- Aldermen Mazola, Haithcock, Tillman, Preckwinkle, Bloom, Steele, Beavers, Dixon, Shaw, Buchanan, Huels, Fary, Olivo, Burke, Jones, Coleman, Streeter, Murphy, Rugai, Troutman, Evans, Munoz, Laski, Miller, Medrano, Ocasio, Watson, E. Nays -- None.

Alderman Natarus moved to reconsider the foregoing vote. The motion was lost.

The following is said resolution as adopted:

WHEREAS, The Chicago City Council has recognized that the health, welfare and prosperity of the people of the State of Illinois require that all citizens receive essential levels of heat and electric service regardless of economic circumstances; and

WHEREAS, Winter home energy costs continue to remain high for most Illinoisans and particularly for Chicagoans and they are disproportionately high for households with income below the poverty level; and

WHEREAS, The United States House of Representatives Appropriations Subcommittee on Energy has recommended to Congress elimination of federal funding for the Low-Income Home Energy Assistance Program, thereby excluding over 510,000 Illinois households from receiving assistance next winter; and

WHEREAS, The Chicago City Council recognizes the devastating effect the loss of energy assistance benefits will have on low-income households, many of which include children, elderly, persons with disabilities, and

minimum wage earners, and the State of Illinois lacks the financial resources to supplement federal appropriations; now, therefore,

Be It Resolved, That the Chicago City Council strongly urges Congress to support the appropriation to the Low-Income Energy Assistance Block Grant of 1.39 Billion Dollars proposed in the President's budget; and

Be It Further Resolved, That the Chicago City Council be advised of the disastrous consequences of the budget recommendation on the low-income households of the City and State and that they be urged to take such action necessary to ensure that Chicago, the State of Illinois and other cities and states have the resources to assist their low-income citizens in meeting the costs of winter energy, that they reject the aforementioned budget recommendation of the Appropriations Subcommittee, and that they support a 1.39 Billion Dollar appropriation for the the Low-Income Energy Assistance Block Grant; and

Be It Further Resolved, By this resolution, that the Mayor of Chicago be directed to provide a copy of this resolution to President Bill Clinton and to the members of the Illinois delegation to Congress.

JOINT COMMITTEE ON FINANCE AND ECONOMIC AND CAPITAL DEVELOPMENT TO SCHEDULE HEARINGS ON ESTABLISHMENT OF COMPETITIVE PRICE EQUALIZATION DISTRICTS AND CITY DEPARTMENTS CALLED UPON TO EVALUATE USE OF VARIOUS INCENTIVE PROGRAMS FOR ATTRACTING RETAILERS TO OUTLYING AREAS OF CITY.

A Joint Committee, composed of the members of the Committee on Finance and the members of the Committee on Economic and Capital Development, submitted the following report:

CHICAGO, April 12, 1995.

To the President and Members of the City Council:

Your Joint Committee on Finance and Economic and Capital Development, having had under consideration a resolution directing the Committee on Finance and the Committee on Economic and Capital Development to hold joint hearings concerning the establishment of Competitive Price Equalization Districts, having had the same under advisement, begs leave to report and recommend that Your Honorable Body *Adopt* the proposed resolution transmitted herewith.

Respectfully submitted,

(Signed) EDWARD M. BURKE,
Committee on Finance,
Chairman.

(Signed) BERNARD J. HANSEN,
Committee on Economic and
Capital Development,
Chairman.

On motion of Alderman Burke, the said proposed resolution transmitted with the foregoing committee report was *Adopted* by yeas and nays as follows:

Yeas -- Aldermen Mazola, Haithcock, Tillman, Preckwinkle, Bloom, Steele, Beavers, Dixon, Shaw, Buchanan, Huels, Fary, Olivo, Burke, Jones, Coleman, Streeter, Murphy, Rugai, Troutman, Evans, Munoz, Laski, Miller, Medrano, Ocasio, Watson, E. Smith, Burrell, Bialczak, Suarez, Gabinski, Mell, Austin, Wojcik, Banks, Giles, Allen, Doherty, Natarus, Bernardini, Hansen, Levar, Shiller, Schulter, M. Smith, Moore, Stone -- 48.

Nays -- None.

Alderman Natarus moved to reconsider the foregoing vote. The motion was lost.

The following is said resolution as adopted:

WHEREAS, Major retailers of all kinds have increasingly located more and more stores around the edge of the City, often with the assistance of financial incentives being provided by the border municipalities and in part because of lower sales tax rates, with the result that sizable numbers of the City consumers are forced to travel outside the City to make more and more of their purchases; and

WHEREAS, Sizable areas of the City immediately adjacent to the suburbs and to the Indiana border are greatly underserved by many types of retail establishments in their neighborhoods, or if they do have a local store, they are often smaller stores with more limited offerings and often higher prices; and

WHEREAS, The City of Chicago continues to lose its share of the market for sales of a wide variety of consumer goods to nearby suburban and Indiana merchants and thus has been receiving a declining share of the region's sales tax revenues, especially regarding revenues from the sale of general merchandise, furniture, household and electronic goods, lumber and hardware, and automotive and fuel products; and

WHEREAS, The location of these stores not only deprives City consumers of convenient shopping opportunities and the City of Chicago of the sales tax revenues being paid by City residents making purchases at these stores, the City is also being denied the investment that these stores represent; the property taxes that their owner must pay; the positive impact that these new facilities would have upon City neighborhoods; the additional investment that these facilities would attract as anchors in these communities and the more convenient job opportunities that our citizens require; and

WHEREAS, The Department of Planning and Development has taken steps to address this problem through the creation and operation of the Retail Chicago Task Force and the designation of several target retail development sites; now, therefore,

Be It Resolved, That the Finance Committee and the Economic Development Committee schedule one or more joint hearings concerning the establishment of Competitive Price Equalization Districts in areas of the City adjacent to the boundaries of the City that have been most impacted by suburban and Indiana commercial competition; and

Be It Further Resolved, That the Department of Planning and Development, the Department of Budget and Management and the Department of Revenue shall evaluate the use of Revenue Sharing Agreements, Tax Increment Financing, the new Class 7(a) and 7(b) County Property Tax Incentives and all other available federal, state, county and municipal incentive programs with potential for attracting appropriate retailers and any new programs the Departments would recommend to areas of the City lying adjacent to the City limits and that these Departments shall present the results of their evaluation along with their

recommendations at the first joint hearing of the committees to be scheduled no later than May 25, 1995.

AGREED CALENDAR.

Alderman Burke moved to *Suspend the Rules Temporarily* for the purpose of including in the Agreed Calendar a series of resolutions presented by The Honorable Richard M. Daley, Mayor and Aldermen Mazola, Tillman, Preckwinkle, Dixon, Shaw, Coleman, Laski, Medrano, E. Smith, Bialczak, Gabinski, Banks, Doherty, Natarus, Bernardini, Levar and M. Smith. The motion *Prevailed*.

Thereupon, on motion of Alderman Burke, the proposed resolutions presented through the Agreed Calendar were *Adopted* by yeas and nays as follows:

Yeas -- Aldermen Mazola, Haithcock, Tillman, Preckwinkle, Bloom, Steele, Beavers, Dixon, Shaw, Buchanan, Huels, Fary, Olivo, Burke, Jones, Coleman, Streeter, Murphy, Rugai, Troutman, Evans, Munoz, Laski, Miller, Medrano, Ocasio, Watson, E.
