AUTHORIZATION FOR EXECUTION OF NEIGHBORHOOD  
INVESTMENT FUND AGREEMENT WITH  
CSX INTERMODAL, INC.

The Committee on Finance submitted the following report:

CHICAGO, November 19, 1997.

*To the President and Members of the City Council:*

Your Committee on Finance, having had under consideration an ordinance authorizing the Commissioner of the Department of Planning and Development to enter into a Neighborhood Investment Fund Agreement between the City and CSX Intermodal, Inc., having had the same under advisement, begs leave to report and recommend that Your Honorable Body *Pass* the proposed ordinance transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee.

Respectfully submitted,

(Signed) EDWARD M. BURKE,  
*Chairman.*

On motion of Alderman Burke, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

*Yeas* -- Aldermen Granato, Haithcock, Tillman, Preckwinkle, Holt, Steele, Beavers, Dixon, Shaw, Buchanan, Frias, Olivo, Burke, Coleman, Peterson, Murphy, Munoz, Zalewski, Chandler, Solis, Burnett, E. Smith, Burrell, Wojcik, Suarez, Gabinski, Mell, Austin, Colom, Banks, Giles, Allen, Laurino, O'Connor, Doherty, Natarus, Bernardini, Hansen, Levar, Shiller, Schuler, M. Smith, Moore, Stone -- 44.

*Nays* -- None.

Alderman Beavers moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, About July 28, 1997 CSX Intermodal, Inc. ("CSX") submitted to the City of Chicago an application for an amendment to the Zoning Ordinance. CSX seeks a manufacturing planned development for the purpose of developing and building a truck/train intermodal facility ("Facility") on property CSX controls lying generally within the City's 60th and Western Redevelopment Area ("Redevelopment Area") established pursuant to the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1, et seq.; and

WHEREAS, While the Facility is expected to produce economic benefits for the City as a whole, by its nature it may produce fewer job opportunities or other tangible benefits in the Redevelopment Area and surrounding

communities than contemplated in the City's redevelopment plan for the area; and

WHEREAS, In connection with its proposed Facility, CSX proposes to furnish certain funds, to be administered by the City, to foster further economic development around its proposed Facility in the Redevelopment Area and surrounding communities bounded by South Racine and South California Avenues, 55th and 64th Streets; and

WHEREAS, The City desires to accept these funds and to use them for that purpose in the area proposed; now, therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. The Commissioner of Planning is authorized to execute a neighborhood investment fund agreement between the City of Chicago and CSX Intermodal, Inc. in substantially the form attached as Exhibit A.

SECTION 2. Any funds received pursuant to the neighborhood investment fund agreement are to be deposited into a special fund of the City of Chicago created by the City Comptroller. All such funds are hereby appropriated and authorized to be spent for purposes of eligible redevelopment project costs under the Tax Increment Allocation Redevelopment Act, in the area bounded by Racine Avenue on the east, California Avenue on the west, 55th Street on the north and 64th Street on the south.

SECTION 3. This ordinance takes effect upon passage and approval.

Exhibit "A" referred to in this ordinance reads as follows:

*Exhibit "A".*

This Agreement is made this \_\_\_\_\_ day of \_\_\_\_\_, 1997, by and between CSX Intermodal, Inc. ("CSX"), a Delaware corporation, and the City of Chicago, an Illinois municipal corporation and home rule unit of local government (the "City") in Chicago, Illinois.

*Background.*

CSX desires to develop and construct a truck/train intermodal facility as further defined and depicted on (Sub)Exhibit A, attached to and incorporated in this Agreement ("Facility") to be located approximately

between Garfield Boulevard and 71st Street and Oakley Avenue and Hoyne Avenue. The proposed Facility, for which use CSX has requested a change in the City's zoning in the form of a planned development ("P.D."), will occupy a large proportion of the City's existing 60th and Western Redevelopment Project Area ("Redevelopment Project").

The City recognizes certain economic benefits may flow to the City once the Facility is operating, but CSX recognizes that the Facility, by its nature, may produce fewer tangible benefits, including job opportunities for residents of the surrounding area bounded generally by Racine Avenue, California Avenue, 55th Street and 64th Street (the "Impact Area") than envisioned by the City under other potential uses proposed for the Redevelopment Project. CSX and the City desire to promote the economic development of the Impact Area, and to that end, CSX is prepared to make certain payments ("Neighborhood Investment Funds") to promote and foster that economic development.

Therefore, CSX and the City agree as follows:

1. Incorporation Of Terms. The foregoing background information is incorporated by reference as if set forth fully here.

2. Payment Of Neighborhood Investment Funds.

- 2.1

Upon the effective date of the P.D. and concurrently with the City's signing of this Agreement, CSX will tender into escrow ("Escrow") with a bank or other institution mutually acceptable to CSX and the Commissioner of Planning and Development ("Escrow Agent") the sum of One Million Dollars (\$1,000,000) ("Initial Payment"). Under an agreement with the Escrow Agent, the Escrow Agent will be empowered to act on the certifications and events specified in this paragraph. Following a ground breaking ceremony for the Facility held by CSX ("Ground Breaking") or on January 30, 1998, whichever occurs earlier, the City may direct the Escrow Agent to release the Initial Payment to the City; if Ground Breaking occurs first, the City must certify to the Escrow Agent (with a copy to CSX) that Ground Breaking has occurred. The Initial Payment is to be applied by the City to foster economic development in the Impact Area. At any time prior to January 30, 1998, unless Ground Breaking has already occurred, CSX may direct the Escrow Agent to return the Initial Payment to CSX by submitting a certification to the Escrow Agent (with a copy to the City) stating that Ground Breaking has not occurred and that it is electing to terminate this Agreement with the City. If CSX makes an election to terminate this Agreement under this subparagraph 2.1, CSX will have no monetary obligation whatsoever to the City under this Agreement.

## 2.2

For nineteen (19) years beginning at the end of the first full calendar year after the date the P.D. is approved, CSX will annually tender to the City an amount equal to One and no/100 Dollars (\$1.00) for each truck (defined below) that enters and One and no/100 Dollars (\$1.00) for each truck that leaves the Facility during the calendar year just completed, or Three Hundred Thousand Dollars (\$300,000), whichever amount is greater ("Annual Payment"). Each year after the year for which the 19th Annual Payment is required to be paid, CSX will tender the One and no/100 Dollars (\$1.00) per truck Annual Payments referred to above without being subject to the Three Hundred Thousand Dollars (\$300,000) minimum. CSX will make its Annual Payment no later than thirty (30) days after the expiration of the calendar year for which payment is being made. CSX will include with its Annual Payments a statement of the number of truck entries and exits for the calendar year being reported and paid.

## 2.3

For purposes of this Agreement, a truck means a tractor and loaded revenue container or trailer combined; tandem or other multiple loaded revenue trailers or containers count as two (2) or more trucks, depending upon the multiple.

## 2.4

CSX intends the Initial Payment and the Annual Payments tendered under this Agreement be expended by the City to foster economic development in the Impact Area, as reasonably determined by the Commissioner of Planning and Development or the head of any successor department. The obligation for CSX to make the Annual Payments is intended to continue as long as this Agreement is in effect.

3. Adverse Changes In Real Property Tax Laws. If the applicable tax laws or methodology of applying them to the Facility as railroad property changes in a way that results in an increase in the real property taxes payable with respect to the Facility, payments by CSX under this Agreement will be reduced by an amount equal to the portion of any such increase accruing to the City during the corresponding applicable period of time. This provision, however, does not apply to any increases in the real property taxes payable as a consequence of any increases in the assessed valuation or tax rates, provided the tax laws and methodology of applying them to the Facility as railroad property has not changed.

4. CSX Right To Terminate. CSX may terminate this Agreement at any time. If CSX elects to terminate this Agreement after January 30, 1998 or Ground Breaking, whichever occurs earlier, pursuant to this paragraph 4, CSX shall pay the City One Hundred Fifty Thousand Dollars (\$150,000) ("Termination Payment") reflecting one-half ( $\frac{1}{2}$ ) the minimum Annual Payment. With the exception of any payments owed by CSX to the City pursuant to subparagraph 6.1, CSX will not be obligated to pay the City any additional monies other than the Termination Payment.

5. Enforceability. If CSX, its affiliates, tenants, licensees, buyers, transferees, assignees, or successors in interest, or its or their contracted operators (all of the foregoing individually and collectively "Operator") files a suit seeking judicial invalidation of this Agreement or if this Agreement is judicially determined to be invalid, the filing of such suit or determination has the same effect as an election by an Operator to terminate this Agreement under paragraph 4.

#### 6. Accrued Payments.

##### 6.1

Except, as provided in paragraph 12 below, CSX remains responsible for all amounts, including those that may be found to be due pursuant to paragraph 8, accrued and unpaid under this Agreement before the date of any termination under paragraph 4 or this paragraph 6.

##### 6.2

In the event of termination or expiry after January 30, 1998 or Ground Breaking, whichever occurs earlier, under paragraph 4 or 6, all payments which have accrued prior to such termination or expiry shall accelerate and become due and payable within thirty (30) days. If the Operator does not make one (1) or more payments contemplated under this Agreement within thirty (30) business days following notice of arrearage by the City, the failure or refusal to do so will, unless disputed by the Operator, operate as an elective termination of the Agreement by CSX within the meaning of paragraph 14, of the P.D. Plan of Development, which results in the expiration of the P.D. by its terms, without relieving the Operator of its obligation to make payments of amounts previously accrued. If the Operator and the City are in dispute regarding the amount of any Annual Payment, failure by the Operator to make such Annual Payment will not constitute an election to terminate this Agreement unless the Operator does not promptly remit any amounts adjudged by a court of competent jurisdiction or agreed to be owed to the City.

7. Records. CSX will maintain, or cause any other Operator to maintain, complete and adequate records of truck entries and exits for the three (3) year calendar years most recently concluded so that the City can ascertain through audit whether CSX has made the payments contemplated under this Agreement.

8. Audit.

8.1

Upon four (4) calendar days written notice to CSX, the City has the right, limited except as provided otherwise below, to once in any calendar year to audit the books and records of the Operator, relating to the number of trucks entering and leaving the Facility ("Audit") during the previous calendar year. If the City does not perform an Audit for a particular calendar year, the City's next Audit may, at the City's option, also include such previously unaudited calendar year. If the City does not perform an Audit for two (2) consecutive calendar years, the City's next Audit may, at the City's option, also include the two (2) previous calendar years not previously audited. Audits will be conducted between the hours of 8:00 A.M. and 5:00 P.M. central standard time unless otherwise mutually agreed by the Operator and the City. The City has the right to perform Audits with its own forces or by an outside auditor selected by the City. The City will pay all costs for any Audit, and if the Audit was performed by an outside auditor, CSX will reimburse the City for half the reasonable costs of the Audit within thirty (30) calendar days following invoice from the City. If, however, any Audit discloses that the Operator has understated the combined number of truck entries to and exits from the Facility in connection with the payments required under subparagraph 2.2 above by seven percent (7%) or more, CSX will reimburse the City for all the reasonable costs of the Audit within thirty (30) calendar days following invoice from the City.

8.2

If the Operator misstates by five percent (5%) or more the combined number of truck entries to and exits from the Facility, or fails to maintain complete and adequate records for Audit purposes, as required in paragraph 7 (individually and collectively a "Record Error"), the City may, at its option, perform an Audit once every calendar quarter for the balance of the year following the date of the Audit disclosing the Record Error. If one (1) or more Audits disclose that no Record Error has occurred for a full calendar year, the City is no longer permitted to perform quarterly Audits unless and until a later Audit reveals a new Record Error or unless the City can show evidence of fraud. The City

will bear the full cost of any Audit over one (1) per calendar year unless (i) the Audit discloses that the Operator has misstated the combined number of truck entries to and exits from the Facility in connection with the payments required under subparagraph 2.2 above by seven percent (7%) or more, or unless (ii) the state of the Operator's records or lack of records make it unreasonably difficult through Audit to achieve a reasonably accurate determination of the amount of payments required. In either such case, CSX will bear the full cost of any Audit(s).

9. Entire Agreement. This Agreement constitutes the entire agreement and understanding between CSX and the City with respect to the matters addressed in it. This Agreement supersedes and replaces all prior written or oral proposals, and all negotiations and agreements, whether express or implied. This Agreement may only be modified or amended by a written document signed by properly authorized individuals on behalf of CSX and the City.

And OTHERS:

COMMITTEE ON EDUCATION URGED TO HOLD  
PUBLIC HEARINGS REGARDING FAILURE  
BY CHICAGO DELEGATION IN ILLINOIS  
HOUSE OF REPRESENTATIVES TO  
VOTE IN SUPPORT OF SENATE  
EDUCATION FUNDING BILL.

A proposed resolution, presented by Aldermen O'Connor, Haithcock, Preckwinkle, Holt, Steele, Beavers, Dixon, Shaw, Buchanan, Frias, Zalewski, Solis, E. Smith, Burrell, Wojcik and Laurino, reading as follows:

WHEREAS, Article X, Section 1 of the Illinois Constitution provides in relevant part that "The state has the primary responsibility for financing the system of public education" at least through the secondary level; and

WHEREAS, This clear statement was adopted as part of the Constitution by referendum, and is therefore a statement of the will of the people of the State of Illinois; and

WHEREAS, In spite of the will of the people expressed in the Constitution, and in spite of the state's great resources, the Illinois General Assembly has allowed the state's contribution to the education of public school children to shrink to thirty-two and twenty-eight one-hundredths percent (32.28%), the lowest level of state contribution in years; and

WHEREAS, The state's per capita contribution to the education of its public school students ranks a dismal forty-seventh among the fifty states; and

WHEREAS, By its ever greater failure to comply with the constitutional policy of primary financial responsibility, the State of Illinois has forced local governments to rely more and more on the property tax to support the public education; and

WHEREAS, During the 1997 legislative sessions, the Illinois General Assembly had under consideration Senate Bill 645, supported by Governor Jim Edgar, to increase state support for public education through a small increase in the income tax, offset by a reduction in property taxes; and

WHEREAS, The Illinois House of Representatives passed such a bill and sent it to the Illinois Senate for consideration; and

WHEREAS, The Illinois Senate rejected this approach, and instead passed House Bill 452 during the recent fall veto session to increase state funding of public education through increases in taxes on gambling, telephone messages and cigarettes; and

WHEREAS, When transmitted back to the House of Representatives for additional consideration, House Bill 452 was the only legislative means available to increase state funding for public education; and

WHEREAS, It was clear at the end of the fall veto session that House Bill 452 was the only funding package that could be passed. Despite this fact, many members of the Illinois House of Representatives who previously have supported increased state funding for public education refused to vote for House Bill 452; and

WHEREAS, Gaming taxes and cigarette taxes are already used to fund public education in Illinois; and

WHEREAS, It is appropriate that the City Council invite those members of the Chicago delegation in the Illinois House of Representatives, who have expressed support for increased state funding for public education but who nevertheless failed to vote for the only viable means of obtaining that support, to testify before the City Council Committee on Education in order to explain their actions (or inaction) to the people of Chicago; now, therefore,

*Be It Resolved*, That the City Council of the City of Chicago, through its Committee on Education, conduct public hearings into the failure of members of the Chicago delegation in the Illinois House of Representatives to support the Senate education funding bill during the recent fall veto session; and

*Be It Further Resolved*, That we, the Mayor and members of the City Council of the City of Chicago, do hereby call on those members of the Chicago delegation in the Illinois House of Representatives, who have expressed support for increased state funding for public education but who nevertheless failed to vote for the Senate education funding bill during the recent fall veto session, to testify before the City Council Committee on Education in order to explain their actions (or inaction) to the people of Chicago; and

*Be It Further Resolved*, That suitable copies of this resolution be presented to the Speaker of the Illinois House, Michael J. Madigan and the entire Chicago delegation in the Illinois House of Representatives, along with notice of the hearing date or dates in the City Council Committee on Education for the purpose aforesaid.
