WHEREAS, Many pregnant women who are HIV-positive and informed of their treatment options linked to prenatal care have significantly lower chances of transmitting the virus to their newborn children; and

WHEREAS, Recent scientific findings have confirmed that individuals with sexually transmitted diseases (STDs) have increased risks of contracting HIV, and rates of STDs in Chicago are among the highest in the nation; now, therefore,

Be It Resolved, That the City Council Committee on Health in conjunction with the Chicago Department of Public Health convene a working group that includes women living with HIV, their advocates and service providers to develop a public education campaign aimed at increasing awareness among women of the risks and harms of HIV infection. III Monies to be the subject of a Loan or Grant and sent notice of approval of a Loan or Grant to an Eligible Borrower. No Loans or Grants shall be made or committed to be made by N.L.S. hereunder when such commitment would result in the aggregate amount of Loans and Grants, together with all administrative costs related to such Loans or Grants, exceeding One Million Dollars (\$1,000,000). N.L.S. shall be responsible with respect to the requirements that no Grant shall be made to a C.D.C. in violation of this section and with respect to all certifications required to be made under this Agreement to the City.

As part of the review of an Application by a C.D.C., N.L.S. shall determine when

a Qualified Housing Unit will be sold to a Homebuyer. If a Grant is made to a C.D.C., N.L.S. shall assure that the C.D.C. shall enter into a purchase contract or a lease/purchase contract with a Homebuyer within twelve(12) months from the date of the Grant. If the C.D.C. does not enter into a purchase contract or a lease/purchase contract within such twelve (12) month period, N.L.S. shall Recapture from the C.D.C. the amount of the Grant made with respect to the Qualified Housing Unit in accordance with the provisions of Section 4.11 hereunder. Re: Master Program Agreement for Chicago Home
Ownership Program III (the "C.H.O.P. III Agreement").

Ladies and Gentlemen:

I have acted as counsel for Neighborhood Housing Services of Chicago, Inc., an Illinois not-for-profit corporation ("N.H.S."), and Neighborhood Lending Services, Inc., an Illinois not-for-profit corporation ("N.L.S."), in connection with the execution and delivery of the C.H.O.P. III Agreement by and among N.H.S., N.L.S. and the City of Chicago, acting by and through its Department of Housing (the "City"). N.H.S. and N.L.S. have requested that this opinion be furnished to the City.

In so acting as counsel for the Borrower, I have examined:

- (i) an executed original of the C.H.O.P. III Agreement;
- (ii) the articles of incorporation, including all amendments thereto, of N.H.S. and N.L.S., respectively, as furnished and certified by the Secretary of State of the State of Illinois;
- (iii) the bylaws of N.H.S. and N.L.S., respectively, as certified by the Secretary of N.H.S. and N.L.S., respectively, as of the date hereof; and
- (iv) the Certificate of Good Standing dated _____, _____, issued by the Office of the Secretary of State of the State of Illinois, as to the good standing of N.H.S. and N.L.S., respectively.

In my capacity as counsel, I have also examined such other documents or instruments as I have deemed relevant for the purposes of rendering the opinions hereinafter set forth.

I have also assumed, but have no reason to question, the legal capacity, authority and the genuineness of the signatures of and due and proper execution and delivery by the respective parties other than N.H.S. and N.L.S. which have made, executed or delivered or will make, execute and deliver the agreements and documents examined by me.

I express no opinion as to (i) the laws of any state or jurisdiction other than the State of Illinois (and any political subdivisions thereof) and the United States of America; and (ii) any matters pertaining or relating to the securities laws of the United States of America, the State of Illinois or any other state.

Based upon and subject to the assumptions and qualifications herein stated, it is my opinion that:

1. Each of N.H.S. and N.L.S. is a not-for-profit corporation, each is duly organized and validly existing under the laws of the State of Illinois, each has made all filings required by the laws of the State of Illinois in respect of its formation and continuing existence, and each has all requisite authority to carry on its business and to execute and deliver, and to consummate the transactions contemplated by, the C.H.O.P. III Agreement.
2. The C.H.O.P. III Agreement has been duly executed and delivered on behalf of N.H.S. and N.L.S., respectively, and constitutes a legal, valid and binding obligation of N.H.S. and N.L.S., respectively, enforceable against N.H.S. and N.L.S., respectively, in accordance with its terms, except to the extent that enforcement of any such terms may be limited by: (a) applicable bankruptcy, reorganization, debt arrangement, insolvency or other similar laws generally affecting creditors' rights; or (b) judicial and public policy limitations upon the enforcement of certain remedies including those which a court of equity may in its discretion decline to enforce.
3. There is no action, suit or proceeding at law or in equity pending, nor to my knowledge threatened, against or affecting either N.H.S. or N.L.S., before any court or before any governmental or administrative agency, which is adversely determined could materially and adversely affect the ability of either N.H.S. or N.L.S., to perform under the C.H.O.P. III Agreement or any of its business or properties or financial or other conditions.
4. The transactions contemplated by the C.H.O.P. III Agreement are governed by the laws of the State of Illinois.
5. The execution and delivery of the C.H.O.P. III Agreement and the consummation of the transactions contemplated thereby will not constitute:
 - A. a violation or breach of (i) the articles of incorporation or either N.H.S. or N.L.S., (ii) the bylaws of either N.H.S. or N.L.S., (iii) any provision of any contract or other instrument to which either N.H.S. or N.L.S. is bound, or (iv) any order, writ, injunction, decree, statute, rule or regulation binding on either N.H.S. or N.L.S.; or
 - B. a breach of any of the provisions of, or constitute a default under, or result in the creation or imposition of any lien or encumbrance upon any of the property of either N.H.S. or

N.L.S. pursuant to, any agreement or other instrument to which either N.H.S. or N.L.S. is a party or by which either N.H.S. or N.L.S. is bound.

6. No action of, or filing with, any governmental or public body is required to authorize, or is otherwise required for the validity of, the execution, delivery and performance of any of the C.H.O.P. III Agreement.

This opinion is furnished for your benefit and may be relied upon by you and any such other party in connection with the C.H.O.P. III Agreement, but may not be delivered to or relied upon by any other person or entity without written consent from the undersigned.

Very truly yours,

Permission and authority are hereby given and granted to First Chicago Building Corporation by its agent LaSalle Partners Management Services, Inc., upon the terms and subject to the conditions of this ordinance, to construct, install, maintain and use two (2) kiosks on the public right-of-way adjacent to its premises known as 21 South Clark Street. Each kiosk shall measure three (3) feet in length and have a height of six (6) feet. Said kiosks shall be located along South Dearborn Street and West Monroe Street. Authority herein given and granted shall be for a period of five (5) years from and after passage of this ordinance.

The location of said privilege shall be as shown on print hereto attached, which by reference is hereby incorporated and made a part of this ordinance. Such privilege and the structures and appliances herein authorized shall be maintained and used in accordance with all applicable laws, including the ordinances of the City of Chicago, and the directions of the Commissioner of Streets and Sanitation, the Commissioner of Buildings, the Commissioner of Transportation and the Director of Revenue. The grantee shall keep that portion of the public way in, over, under or adjacent to said privilege in good condition and repair, safe for public travel, free from snow, ice and debris to the satisfaction of the Commissioner of Streets and Sanitation.

SECTION 2. The grantee shall pay to the City of Chicago as compensation for the privilege herein granted the sum of Six Hundred and no/100 Dollars (\$600.00) per annum, in advance. In case of termination of the privilege herein

granted or the grantee transfers title or vacates its property, the grantee shall, nevertheless, remain liable to the City of Chicago for the annual compensation which shall become due and payable under the provisions hereof, until the structures and appliances herein authorized are removed and the public way is restored as herein required. Further renewal authority for the continued maintenance and use of the public ways as herein described shall be obtained prior to the date of expiration of this ordinance.

SECTION 3. This ordinance is subject to amendment, modification or repeal, and permission and authority herein granted may be revoked by the Mayor of the City of Chicago or the Director of Revenue at their discretion, at any time without the consent of said grantee. SECTION 4. In the event of failure, neglect or refusal of grantee so to perform any of its obligations under this ordinance, the City may, at its option, either (a) perform such work and charge the cost thereof to said grantee, or (b) determine what the cost of said work shall be and bill the grantee for said cost, or combine the two (2) methods. Immediately upon receipt of notice of such cost, grantee shall pay the City such amount.

SECTION 5. Grantee shall be responsible and pay for the removal, relocation, alteration, repair, maintenance and restoration of City-owned structures or appliances located in or adjacent to the public way including pavement, bridges, subways, tunnels, vaults, sewers, water mains, conduits, pipes, poles and other facilities and utilities, which are necessary or appropriate on account of grantee's use of the public way. The Commissioner of Streets and Sanitation is hereby authorized, in his or her discretion and from time to time during grantee's use and occupancy of the public way until the restoration of the public way, to determine the work which is or will be necessary or appropriate and the cost involved to perform such work. The decision of such Commissioner shall be final and binding. The grantee, upon receiving written notification from the Commissioner of Streets and Sanitation of the required deposit or the cost of such work, shall immediately pay or deposit such amount as directed by the Commissioner.

Alderman Burke submitted the following written remarks:

Mr. President, ladies and gentlemen of the Chicago City Council. Chicago has always been a city emboldened by the larger-than-life commercial leaders who have made it their home. In every generation their names have become household words. We pride ourselves in being the city of the Fields, Palmers, Armours, Wackers, Swifts and Pullmans. Their genius gave shape to the city and helped to make it the capital of the American Heartland.

In our own time, no one captain of industry displayed more commercial wisdom, business success and love for the city of Chicago than the late Jay Pritzker. His death in late January took from this metropolis a Chicago personality whose commercial enterprise was only matched by his extravagant philanthropy. It is safe to say that generosity was a Pritzker family occupation.

Jay Pritzker's life is a classic American tale. One of this nation's wealthiest citizens, he was the grandson of humble immigrant Jews from the Ukraine at the dawn of this century. The values treasured by this remarkable family -- hard work, education, the cherished bonds of family and an ancient faith -- became the foundation of Jay Pritzker's success and remain the legacy he imparts to his beloved family. The traditions he learned to prize long ago were simple and are a stunning lesson to every American, every Chicagoan.

In business, Jay Pritzker made the Hyatt Hotel chain a national phenomenon changing the way America traveled. But it was his generosity, especially here in Chicago, that helped to change the quality of life for many. His support for countless educational enterprises from Northwestern Law School (his alma mater) to the University of Chicago and his love for the arts, particularly the Chicago Symphony Orchestra and the Orchestral Association, helped to shape our culture and the beauty of our Chicago landscape.

This morning our hearts and prayers are with his family, especially his wife and partner Cindy, who shared with him a large love of this city and the quality of its life. To her and to his sons Tom, John and Dan, as well as his daughter,

Gigi, together with his many grandchildren, we offer our deepest sympathies.

Jay Pritzker will long be remembered as a giant of Chicago commerce and industry. Not only for his facile sense of business, but also for his human touch, his ease with people, his interest in people and comfort with them. He was a treasured friend and a Chicago legend.

One whom I've loved and cherished
Over these short sixteen years.
Although we didn't see eye to eye on many things,
You were the best.
There comes a time when one must heed a certain call,
That call is to return to the Father, our creator.
Son, you have traveled to the pearly white gates,
Where you will be given
All the love and happiness
You truly deserve.
I hope to see you there someday.
Until then, we will always have the bond
Of mother and son.
We shall meet again.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Chapter 4-232 of the Municipal Code of Chicago is hereby amended by inserting the language in italics and deleting the language in brackets, as follows:

4-232-130 Public *And Accessory* Garage Defined.

"Public garage", as used in this chapter, means any building, structure, premises, enclosure or other place, except a public way, within the city, where [two] *four* or more motor vehicles are stored, housed or parked for hire, in a condition ready for use, or where rent or compensation is paid to the owner, manager or lessee of the premises for the housing, storing, sheltering or keeping of such motor vehicles. *However, the term "public garage" shall not include the following: (i) any parking facility which is defined as an "accessory garage" pursuant to this section; and (ii) those accessory parking facilities which are open only to those persons who reside on the same zoning lot as the accessory parking facility.*

"Public garage -- enclosed", as used in this chapter, means any public garage enclosed within a building. The capacity of such building shall be figured on the gross interior floor area, exclusive of elevator shafts, ramps, areas designed for the passage of vehicles such as aisles, and space enclosed by partitions which is actually used for offices, toilets, washrooms and waiting areas for the public, and by allowing 200 square feet of such floor area for each motor vehicle.

"Public garage -- not enclosed", as used in this chapter, means any public garage not enclosed within a building having four walls and a roof extending from wall to wall and covering the entire space enclosed by such walls.

"Public garage -- entertainment", means any public parking facility accommodating four or more vehicles, not enclosed within a building, and devoted to parking purpose only in conjunction with the presentation of a sporting event, concert or other public entertainment.

"Accessory garage", as used in this chapter, means any building, structure, premises, enclosure or other place, which: (i) meets the definition of an "accessory use", as that term is defined in the Zoning Ordinance; and (ii) makes four or more parking spaces available, for any fee or charge, to residents, tenants, users, employees and/or guests of the principle use located on the same zoning lot where the garage is located; and (iii) makes such parking only available to such residents, tenants, users, employees and guests of the

principle use located on the same zoning lot where the garage is located, and not to the general public. However, "accessory garage" shall also mean those accessory residential parking facilities which allot a specified percentage of parking spaces to persons other than residents, pursuant to Section 7.12(1) of the Zoning Ordinance. "Accessory garage" does not include those accessory parking facilities which are open exclusively to those persons who reside on the same zoning lot where the garage is located. Notwithstanding any other provision of this chapter, such resident-only facilities are not required to be licensed under this chapter.

4-232-140 Transient And Regular Cars Designated.

Whenever the term "transient car" appears in this chapter, the same shall be deemed to be a motor vehicle stored for hire in a public or accessory garage for a limited period in excess of 24 hours but not stored regularly in such garage. Wherever the term "regular car" is used in this chapter, the same shall be deemed and held to be a motor vehicle regularly stored in such public or accessory garage.

4-232-150 License -- Required.

No person shall engage in the business of a public garage without first having obtained a public garage license therefor. No person shall engage in the business of an accessory garage without first having obtained an accessory garage license therefor.

4-232-160 License -- Application -- Investigation.

An application for either of the said licenses shall be made in conformity with the general requirements of this code relating to applications for licenses. The applicant shall also specify the construction of said building, the number of stories in such building and the number of square feet of floor area in each of the stories in such building.

The director of the bureau of fire prevention shall investigate the premises named in the application to determine whether the applicable provisions of this code have been complied with.

4-232-165 Access For Disabled.

All parking lots and garages and *accessory garages* must comply with the applicable sections of the Illinois Accessibility Code as promulgated by the Capital Development Board pursuant to the Environmental Barriers Act (Illinois Revised Statutes 1991, Chapter 111½, paragraph 3711, et seq.). The Accessibility Code specifies as to the minimum number, location and size of parking spaces for persons with disabilities. Parking lot and garage and *accessory garage* licensees must comply with the other requirements, including, but not limited to, the height and width of signs designating these parking spaces.

4-232-170 License -- Classification -- Fee.

The fee for a public garage license shall be as set forth in Section 4-5-010. *The fee for an accessory garage license is the same as the fee for a public garage license.*

4-232-220 Building And Fire Regulations.

The construction of garages and garage equipment shall be made and shall be maintained in accordance with the building provisions of this code. All public *and accessory* garages shall be conducted and operated in accordance with the fire regulations of this code and shall be inspected by the division marshal in charge of the bureau of fire prevention or his duly authorized representative at least once every six months.

* * * * *

4-232-250 Garage Register -- Required.

It shall be the duty of the owner or operator of any such public garage or *accessory garage* to provide a register in book form, in which the owner or driver of any transient car to be stored in such public *or accessory* garage shall enter legibly in writing, in the English language, at the time any such motor vehicle is brought therein for storage, the date so delivered, the owner's name and address, the chauffeur's or driver's name and address, the trade or other name of the motor vehicle, its type, color, engine number, serial number, state license number and city license number, together with such other distinguishing marks as the owner or operator of such garage may deem necessary in order to identify fully such vehicle. When any such transient vehicle is claimed and taken out by its owner or authorized representative, it

shall be the duty of said owner or operator of such public *or accessory* garage to note the date when the same is taken out.

It shall be unnecessary for such owner or operator of a public *or accessory* garage to require the signing of the garage register for a car regularly stored therein, except upon the initial date of storage.

The garage register of any public *or accessory* garage shall at all times be open to the inspection and investigation of all members of the police department of the city.

4-232-260 Alteration Of Engine Number -- Police Notification.

It shall be the duty of the owner or operator of any public *or accessory* garage to notify at once the nearest police station, immediately upon the discovery by such owner or operator, or any employee thereof, of any alteration or obliteration of any engine number on any motor vehicle stored in such public *or accessory* garage, and to hold such motor vehicle for a period of at least 24 hours or until complete investigation of all facts surrounding such alteration or obliteration shall have been made by the police department of the city. If resistance is made, notice shall be given at once to the police department or to any police officer within call.

* * * * *

4-232-310 License Revocation.

The mayor shall have the right to revoke the license of any such public *or accessory* garage for the violation of any of the provisions of this chapter, and may withhold the issuance of any new license on account of any conviction thereunder.

SECTION 2. Chapter 4-236 of the Municipal Code of Chicago is hereby amended by inserting the language in italics and deleting the language in brackets, as follows:

4-236-010 Definitions.
